

True God 2581

Chapter 2581 Go To A Public Bath

Ye Chen handled everyone very well, he completed all their requests very quickly, in just a short time, Ye Chen made everyone feel satisfied with Ye Chen's work.

"I'm starting to run out of materials, it seems I have to look again" Ye Chen started to run out of materials, he had to look for more soon, he would go and meet the mini dwarves, they had what Ye Chen needed.

Ye Chen still had a few more, too bad he wouldn't sell them.

Ye Chen knew the power of black pure orichalcum strengthened by the power of the Stone God.

the power of black pure orichalcum was extremely strong, Wu Ziyi alone could make enemies who were level 10 hurt, obviously it was a formidable weapon.

So Ye Chen would start keeping these to himself, he would make sure to sell the ordinary ones and wouldn't stand out too much.

Ye Chen also gets benefits when he treats someone's illness, he gets a lot when he succeeds in healing people, it can be said to be Ye Chen's side job.

"are you still working ?" Wu Ziyi came over, she asked Ye Chen, she wanted to know if Ye Chen was still working.

"Ziyi" Ye Chen felt happy when he saw Wu Ziyi, Wu Ziyi made Ye Chen feel more at ease.

"no I just finished" Ye Chen said to Wu Ziyi, he informed that he had just finished.

"then let's go" Wu Ziyi said to Ye Chen.

"of course" Ye Chen immediately set off, he closed the workshop and left together with Wu Ziyi.

Wu Ziyi and Ye Chen started flying, they flew to go to a public bath not far from here.

"I want to see that place" Wu Ziyi said to Ye Chen, she said that she wanted to see that place.

"You are quite excited, are we going to find anything good there ?" Ye Chen said.

Ye Chen himself didn't know, he didn't really know about the bath that Chen Ting gave him.

"It should be good, everyone said that to me." Wu Ziyi said to Ye Chen, she listened to everyone saying that it was a very good place.

"I can't wait" Ye Chen said to Wu Ziyi.

"what are you impatient for" Wu Ziyi said to Ye Chen, she wanted to know what Ye Chen wanted.

"I hope there are seductive beauties there" Ye Chen said to Wu Ziyi.

Ye Chen said jokingly, he wanted to joke with Wu Ziyi about this matter.

"um. . . ." Wu Ziyi puffed out her cheeks, she didn't seem to like it when Ye Chen said these things.

"What is it?" Ye Chen asked Wu Ziyi, he wanted to know why Wu Ziyi reacted like that.

"no, I'm not happy, even though there is a beautiful woman near you" Wu Ziyi said in an unhappy tone.

Wu Ziyi believed in her beauty, she believed that her appearance was very good.

So there was no reason for Ye Chen to say that.

Ye Chen smiled when he saw Wu Ziyi, it was so cute when he saw Wu Ziyi.

"You are very funny" Ye Chen said to Wu Ziyi, he told Wu Ziyi that he was very funny.

"You are teasing me" Wu Ziyi finally realized that Ye Chen was teasing her, she was being toyed with again by Ye Chen.

"You are aware" Ye Chen said to Wu Ziyi, it seemed that Wu Ziyi was aware that she was being toyed with by Ye Chen.

"Of course, I am sure about what you are doing" Wu Ziyi said to Ye Chen, Wu Ziyi said that she was of course aware of what Ye Chen was doing.

"hehehehe" Ye Chen chuckled when he heard this, he was satisfied with Wu Ziyi.

"Hmmm . . ." Wu Ziyi immediately got angry, she punched Ye Chen a few times, she vented her frustration on Ye Chen.

Ye Chen kept laughing, he was enjoying what Wu Ziyi was doing, he had not been this happy for a long time.

The two of them finally arrived, they arrived at their destination.

"is this the place" Ye Chen said to Wu Ziyi, he looked at the place in front of his eyes.

"Of course, this is the place." Wu Ziyi said to Ye Chen, she told her that this was the place.

"It doesn't seem very good" Ye Chen said to Wu Ziyi, he felt that this place wasn't very good.

"Don't look at it from the outside, I heard that it's in a good place, let's go in there." Wu Ziyi said to Ye Chen, she invited Ye Chen to go in there.

Ye Chen didn't ask much, he directly left together with Wu Ziyi, the two of them just went straight in and immediately found out what was inside.

The two entered, when they entered, the two were greeted quite warmly by the people who were in there.

"welcome, have you guys made reservations" the waitress asked Ye Chen and Wu Ziyi.

"We have a ticket here" Wu Ziyi said, she announced that she has a ticket to go inside.

"a ticket, you guys have it" the waitress checked Ye Chen and Wu Ziyi.

Ye Chen and Wu Ziyi gave the tickets that Chen Ting gave them.

Tickets were quickly confirmed, quickly they were allowed to go inside.

The two of them entered, they saw a different scene from outside.

"The scenery in this place is beautiful." Wu Ziyi said to Ye Chen, she saw the beautiful scenery in this place.

"You are absolutely right, the scenery in this place is not bad." Ye Chen said that the scenery in this place is not too bad, in fact, this place can be said to be very good.

"I told you this place is good, you can't judge a book by its cover," said Wu Ziyi.

Wu Ziyi started lecturing, she gave a lecture to Ye Chen.

"I understand" Ye Chen understood, he would no longer look down on this place.

Ye Chen saw what kind of bath this was, was it better compared to the fairy gate ?, he wanted to find out about the matter.

"this is for you guys" they gave Ye Chen a clothes, they made Ye Chen and Wu Ziyi wear a towel and clothes that were plain and looked light enough to wear in the water.

"This clothes are very light" Wu Ziyi felt that the clothes that were given were really very light, the clothes that were given were very good and made Wu Ziyi feel light on her body.

Ye Chen looked and confirmed the clothes that were given, he saw that this clothes had the ability, it seemed like it made the wearer's body light as a cotton.

"Now you guys can go in there" After giving clothes to Ye Chen and Wu Ziyi, she motioned for Ye Chen and Wu Ziyi to come inside.

Ye Chen and Wu Ziyi stepped into the bath.

Ye Chen and Wu Ziyi entered together, when they entered together they found that this place was empty, there were only the two of them in this place.

"Just the two of us?" said Wu Ziyi to Ye Chen.

"I guess so, I didn't see anyone else around this place" Ye Chen said to Wu Ziyi

"This place is a mixed bath" Wu Ziyi said to Ye Chen, Wu Ziyi realized that this place was a mixed bath.

"No one is coming to this place, so you can relax" Ye Chen said to Wu Ziyi, he told that no one will come to this place.

Chapter 2582 Bathed Together With Wu Ziyi

Wu Ziyi felt a little relieved when she found out about this, she would no longer be embarrassed when she found out about this.

Ye Chen invited Wu Ziyi to go inside, they had already come this far, so they should go inside and enjoy things properly.

Ye Chen and Wu Ziyi entered, when the two of them entered, they felt a thin pure energy in the water.

"This water contains pure energy" Wu Ziyi said in surprise.

"You are absolutely right, this place is full of pure energy, it is a perfect place for training" Ye Chen said to Wu Ziyi.

Ye Chen had to admit it, this place was really good.

Ye Chen saw clearly, himself curious what they used.

Ye Chen felt something from the water, it seemed that they used medicine to increase the pure energy in the water.

"what are you doing ?" Wu Ziyi asked Ye Chen.

"I just want to find out what this water is, I think I know what it is" Ye Chen said to Wu Ziyi.

"This is herbal water" Wu Ziyi said to Ye Chen, Wu Ziyi was also aware of the water below, she could be aware of what was beneath her.

"It will be of great help to us, so let's enjoy it properly" Ye Chen said to Wu Ziyi.

"You are absolutely right, let's enjoy our time properly" Wu Ziyi agreed with what Ye Chen said.

Ye Chen and Wu Ziyi searched for a place, the two of them searched for a good place and started to cultivate.

"It's very comfortable." Wu Ziyi felt very comfortable, she liked this place.

Apart from being good for practicing, it also contained a sedative, it made Wu Ziyi feel more at ease than before.

This place is very calming." Wu Ziyi became very calm, she became calm while bathing, in this place, it really felt very comfortable.

Ye Chen also felt very comfortable, the feeling in this place was indeed relaxing, this place would definitely be suitable for those who were tired from work and training.

"I didn't think that Chen Ting would recommend a place like this, she seems to like coming to this place" Ye Chen was quite appreciative of what Chen Ting did, she recommended a comfortable place like this.

Wu Ziyi seemed to enjoy it too, she liked this place, it had everything Wu Ziyi needed.

Wu Ziyi had never been to a place like this, it was no wonder that she felt very comfortable in this place, the feeling in this place was really very comfortable.

"Approximately how much it costs to enter this place?" Wu Ziyi was curious, she wanted to know the price to enter this place.

"Perhaps enough instead, it's obvious from the herbs and various kinds of flower blends used" Ye Chen said to Wu Ziyi.

"Looks like this is the first and last time, I might not be able to go to this place again" Wu Ziyi said to Ye Chen.

"You don't need to talk like that, if you want we can go to this place next time" Ye Chen said to Wu Ziyi.

"are you serious?" Wu Ziyi asked Ye Chen.

"Of course, I just got a bit of work, it will definitely be enough for both of us" Ye Chen said to Wu Ziyi.

"I'm so happy" Wu Ziyi was so happy, she went and hugged Ye Chen.

Ye Chen fell down, he was hugged tightly by Wu Ziyi.

"You are . ." Ye Chen tried to move Wu Ziyi, he moved Wu Ziyi away.

Wu Ziyi didn't want to go far from Ye Chen, she just kept clinging tightly to Ye Chen.

Ye Chen had such a big problem that he couldn't get rid of Wu Ziyi.

Wu Ziyi's newly developed body touched Ye Chen, it gave Ye Chen a very comfortable feeling.

Wu Ziyi had always been like this, she didn't realize that Ye Chen was a man and did as she pleased.

"why do you always do that?" Ye Chen said to Wu Ziyi, he asked why Wu Ziyi always did that.

"It's because I like it" Wu Ziyi said to Ye Chen, she said that she did this because she liked it.

"You are not at all alert, I am a man" Ye Chen said to Wu Ziyi.

"So what if you are a boy" Wu Ziyi asked Ye Chen.

Wu Ziyi was still innocent, she didn't seem to know much about this world, it wasn't strange that she could be tricked by Ye Chen if Ye Chen wanted to do it.

"You really don't understand what I'm saying" Ye Chen felt that Wu Ziyi didn't understand what he was saying right now.

"??????" Wu Ziyi looked confused, she seemed confused by what Ye Chen said.

"Hmmm, what is this?" Wu Ziyi felt something, she felt something touching her stomach, it felt big and hard.

Wu Ziyi stretched out her hand, she could feel that it was hot and hard.

Ye Chen saw what Wu Ziyi was doing, he didn't expect that Wu Ziyi would do such a thing.

"What are you doing?" Ye Chen asked Wu Ziyi.

"what did I do" Wu Ziyi said to Ye Chen.

"what is this, what are you hiding under here" Wu Ziyi said to Ye Chen.

Wu Ziyi was not conscious, she was not aware of what she was currently touching and holding.

Ye Chen right now was still trying to restrain himself, he refrained from doing bad things to Wu Ziyi.

Ye Chen wanted to restrain himself, but somehow he couldn't restrain himself, Wu Ziyi's touch and stimulation was too strong, Ye Chen would not be able to endure it.

"Fufufufu, is in trouble" Chu Yuechan said to Ye Chen, she could easily see that Ye Chen was currently in quite a lot of trouble.

"Uh, I guess I can't stand it" Ye Chen said that he couldn't stand it, he couldn't stand being teased like this by Wu Ziyi anymore.

Ye Chen touched the body of Wu Ziyi, he started to counter attack Wu Ziyi.

"Ummmm. . ." Wu Ziyi groaned, she groaned when she was touched by Ye Chen.

"what are you doing ?" Wu Ziyi asked Ye Chen, she asked about what Ye Chen was doing.

"I did the same as you did to me" Ye Chen said to Wu Ziyi.

"no,ahmmmmm, what are you doing ?" Wu Ziyi complained, she complained to Ye Chen.

the feeling that Ye Chen gave off was extremely comfortable, Wu Ziyi would not be able to withstand the comfortable feeling that Ye Chen gave off

Ye Chen's movements and touches were extremely skilled, he easily excited Wu Ziyi with his technique.

"ahhhhh . ." Wu Ziyi's body started to heat up, she started to heat up and felt a strange feeling in her body.

"What kind of feeling is this?" Wu Ziyi wanted to know what kind of feeling this was, this feeling was the best.

Wu Ziyi had already experienced the massage given by Ye Chen, the feeling this time was much better compared to the massage given by Ye Chen.

Wu Ziyi's body felt supreme pleasure, she felt very pleased with what Ye Chen was doing.

Wu Ziyi sank into a comfortable feeling, she had completely forgotten about the surroundings, this feeling was driving her crazy.

Chapter 2583 Get Wu Ziyi

"This is great" Wu Ziyi said to Ye Chen, she told her that this feeling was very good.

"You teased me, now you will feel it" Ye Chen said to Wu Ziyi, he would make Wu Ziyi feel what Ye Chen felt.

Wu Ziyi became excited, she was getting hotter and hotter, her body temperature started to rise, this was too comfortable for Wu Ziyi, she would not be able to escape from the feeling.

"I feel strange" Wu Ziyi said to Ye Chen, she told Ye Chen that she felt a very strange feeling.

Ye Chen understood what Wu Ziyi was feeling, he could tell what Wu Ziyi was feeling right now.

"You can leave this matter to me" Ye Chen said to Wu Ziyi, he told Wu Ziyi to leave this matter to himself, he would make Wu Ziyi feel the most comfortable feeling in this world, it would definitely be very pleasant to feel.

Ye Chen started to touch Wu Ziyi, Wu Ziyi's newly developed body was very delicious.

"Chu . . ." Ye Chen kissed Wu Ziyi's neck as well as lips, he took Wu Ziyi's tongue.

Wu Ziyi was shocked by what Ye Chen did, she wasn't ready to do this with Ye Chen.

Ye Chen forced Wu Ziyi, he made Wu Ziyi willing to do it.

Wu Ziyi couldn't escape, she could only give up and do as Ye Chen said.

Wu Ziyi fell down, she couldn't endure the feeling of the kiss, it was so comfortable, she loved this feeling.

Chu . ." The two kissed for some time, some time later, Ye Chen and Wu Ziyi separated.

Wu Ziyi panted heavily, she still wasn't used to it.

"Like?" Ye Chen asked Wu Ziyi, he wanted to know how Wu Ziyi felt right now.

"Comfortable, it's very good" Wu Ziyi said to Ye Chen, she told that the feeling that Ye Chen gave off was really very comfortable.

Wu Ziyi completely liked the feeling Ye Chen gave her.

"want to continue ?" Ye Chen said to Wu Ziyi, he invited Wu Ziyi to continue.

"But we are here, what if someone finds us" asked Wu Ziyi.

Wu Ziyi was worried that if someone would find them, this place was open and maybe someone would enter and look towards Ye Chen and Wu Ziyi.

"You don't worry, that won't happen, you have to trust me" Ye Chen said to Wu Ziyi.

Ye Chen would deal with this matter, he could ensure that no one would come to this place.

Wu Ziyi looked towards Ye Chen, Wu Ziyi believed what Ye Chen said, she quite believed Ye Chen's words.

"I understand" Wu Ziyi nodded at Ye Chen, she wanted to be with Ye Chen and become Ye Chen's partner.

"That's a good decision, you won't regret it" Ye Chen said to Wu Ziyi.

"No . ." Wu Ziyi said to Ye Chen, she told him that she would not regret this matter.

Wu Ziyi liked Ye Chen, she would never regret being with Ye Chen.

Wu Ziyi was already serious, so Ye Chen no longer needed to hold back and hesitate.

"I will make you comfortable" Ye Chen will let Wu Ziyi know the real world, let this little girl know the world of mature women.

Ye Chen no longer hesitated, he no longer doubted what he was doing.

Ye Chen enjoyed everything, himself enjoying his time with Wu Ziyi.

The two of them became more aggressive, under Ye Chen's command, Wu Ziyi started to know what to do.

"It's so comfortable, you're so amazing." Wu Ziyi said to Ye Chen, she told that it was so comfortable.

Ye Chen's technique made Wu Ziyi feel in the sky, every time Ye Chen's fingers and hands touched her, Wu Ziyi would feel a comfortable feeling all over her body.

That feeling made Wu Ziyi feel like she was floating in the sky, her mind was in chaos and she had reached the top several times.

Wu Ziyi wouldn't be able to win, she wouldn't be able to win against Ye Chen's invasion, just like a weak woman, Ye Chen was a difficult opponent, so it wasn't strange that Wu Ziyi didn't have a chance to win and defend against Ye Chen's attack.

Wu Ziyi had already done the best she could, it was a pity that Ye Chen was too strong, she would never win against Ye Chen.

Ye Chen saw that Wu Ziyi had reached her limit, this was the time to do it.

"let's get serious" Ye Chen said to Wu Ziyi.

Ye Chen took off his towel, a large and long object appeared in Wu Ziyi's eyes.

" Ahh . . ." Wu Ziyi screamed, it looked terrible for Wu Ziyi, she started to feel afraid of Ye Chen.

"what's that, that's terrible" Wu Ziyi said to Ye Chen.

Wu Ziyi was afraid that it was too terrible, its size was definitely not normal.

"It's not terrible, it's the pride of us men " Ye Chen said to Wu Ziyi.

Ye Chen told Wu Ziyu .

Ye Chen said that this was a precious item that he owned.

"Are you serious?" Wu Ziyi was shocked when she heard this, she didn't expect that it was Ye Chen's important item.

"of course, what would I lie to you for" Ye Chen said to Wu Ziyi, he wouldn't lie about a matter like this.

Wu Ziyi came closer, she held Ye Chen's and saw it more clearly, this was a new thing for Wu Ziyi, she was still curious about what Ye Chen had.

" ummm . ." Ye Chen groaned when Wu Ziyi touched him, the feeling of being touched by Wu Ziyi was really very comfortable.

"is it convenient" Wu Ziyi asked Ye Chen, she could see that Ye Chen was enjoying this quite well.

"Of course, it's really good." Ye Chen nodded, he told me that it felt really good.

"Then I will help you" Wu Ziyi said to Ye Chen, she told that she wanted to help Ye Chen, she wanted to use her hand to help Ye Chen.

Wu Ziyi started helping Ye Chen, she felt Ye Chen's object with her hands.

Wu Ziyi's hand was soft, it made Ye Chen feel extremely comfortable.

"Very good, you did very well" Ye Chen said to Wu Ziyi, he told that Wu Ziyi did very well.

Wu Ziyi was of course happy, she was happy when she got praise from Ye Chen.

Wu Ziyi was getting better and better, with a little guidance from Ye Chen, she was getting better and better and was able to give Ye Chen a very comfortable feeling.

Ye Chen got a very comfortable feeling from Wu Ziyi, she really really liked this comfortable feeling.

It had been quite a while since Ye Chen had not received this kind of treatment, which was why Ye Chen was enjoying this well.

Wu Ziyi's move might be good enough, unfortunately it wasn't enough, it wasn't enough to make Ye Chen lose.

she was still not good enough to let Ye Chen lose, Wu Ziyi's abilities still needed to be improved, there was still quite a lot of room for Wu Ziyi to get better and better.

Ye Chen was very confident about it, he believed that if Wu Ziyi could do it, as long as Ye Chen taught her a little, she would definitely become an expert in her field.

"let's start" Ye Chen said to Wu Ziyi, he wanted to do it right now.

Ye Chen already felt uncomfortable, his body was quite hot and the Yang Qi in his body seemed to want to explode, Ye Chen had to do it immediately, he had to release it.

"Um, please be a little gentle on me" Wu Ziyi said to Ye Chen, she asked Ye Chen to be a little gentler.

"Of course, I'll make sure to do it gently enough." Ye Chen would do it, he would make sure that Wu Ziyi was comfortable with Ye Chen.

Ye Chen broke through the defenses of Wu Ziyi, his huge army trudged inside.

" Um . ." Wu Ziyi felt a painful feeling, to be honest it was more painful than Wu Ziyi imagined.

"This is just the start, it will be fun soon" Ye Chen said to Wu Ziyi.

"Um. ." Wu Ziyi understood, she would endure for a while, for some reason she really believed what Ye Chen said.

Wu Ziyi had too much faith in what Ye Chen said, she really didn't feel worried about being tricked by Ye Chen.

Ye Chen really likes Wu Ziyi, she is a very obedient woman, that makes Ye Chen really like Wu Ziyi, she will take good care of Wu Ziyi.

Some time later Wu Ziyi started to feel better, she started to feel a good feeling from Ye Chen.

"This is really great" Wu Ziyi had to admit, she liked this feeling.

Ye Chen started to move, he started to make Wu Ziyi feel very comfortable.

"ahhh . . ." Wu Ziyi started to scream, she tried to suppress the sound that was leaking out.

It's convenient, Wu Ziyi won't be able to hold back her voice.

"overpowering. ." Wu Ziyi said to Ye Chen, she felt like she would go crazy when she was with Ye Chen.

"I can't stand it" Ye Chen said to Wu Ziyi, he told that he couldn't stand it, that's why Ye Chen used high speed and made Wu Ziyi comfortable.

Ye Chen didn't hold back, he didn't hold back when doing Wu Ziyi, the feeling of doing Wu Ziyi was very comfortable, Ye Chen really liked it.

Wu Ziyi has a good artifact, it clamps down and makes it difficult for Ye Chen to fight back.

That's why Ye Chen had to use more strength and make Wu Ziyi feel helpless.

Wu Ziyi really couldn't think, this feeling was too comfortable, she wouldn't be able to endure it anymore.

"ahhh . . ." Wu Ziyi had already reached her limit, she couldn't hold on anymore, this was too much fun.

"I'm tired" Wu Ziyi said to Ye Chen.

The excitement that was too intense had made Wu Ziyi feel tired, she felt so tired because of the fun.

"What are you talking about. . ., it's still early, I'll get you more used to it." Ye Chen said to Wu Ziyi.

Ye Chen told Wu Ziyi that he would make Wu Ziyi more used to it.

"Ye Chen don't tell me that you are. . ." Wu Ziyi felt a bad feeling, she felt a bad feeling from Ye Chen.

"You will know my strength, are you ready" Ye Chen said to Wu Ziyi.

"No, let me rest" Wu Ziyi said to Ye Chen, she needed a little rest to recover the strength she had.

"no time to rest" Ye Chen said to Wu Ziyi, he informed that there was no time to rest, he started to move again, the battle started again with Wu Ziyi.

" Ah , no . . ." Wu Ziyi said to Ye Chen, Wu Ziyi tried her best to endure.

Ye Chen taught Wu Ziyi various things, he used all kinds of knowledge to make Wu Ziyi become a mature woman.

Wu Ziyi was smart, she followed Ye Chen and could easily adapt to Ye Chen.

Wu Ziyi knew that they could Dual Cultivation , they did their best and started cultivating together.

With that they become peaceful, they are united in heart and soul.

Yin Qi and Yang Qi spread out at an extremely fast rate, this made Ye Chen and Wu Ziyi begin to rapidly break through.

Wu Ziyi gained quite a lot of advantages, she was able to absorb Ye Chen's Yang Qi well, it would awaken her special body quickly.

Ye Chen also made use of Wu Ziyi's Yin Qi, he used it well and cultivated to be able to increase his strength.

Ye Chen should be able to break through, if Wu Ziyi could, then he should be able to do it too.

The two of them kept on doing it, no one bothered them, more like no one came, this place was deserted and there were only the two of them in this place.

"I'm tired, I want to rest" Wu Ziyi leaned on Ye Chen, she told that she felt so tired, she couldn't hold on anymore.

"let's go out" Ye Chen said to Wu Ziyi, it seemed that Wu Ziyi had reached her limit.

Ye Chen brought Wu Ziyi out, he made sure that Wu Ziyi was fine and didn't faint.

Ye Chen held Wu Ziyi in his arms, he took Wu Ziyi out of the pond and went to a better place.

Chapter 2584 Chen Ting Comes To The Public Bath

Ye Chen brought Wu Ziyi to a room, it was a coincidence that this place had a room, so Ye Chen didn't need to look elsewhere, this place alone was enough for Ye Chen.

Ye Chen and Wu Ziyi entered into the room, the two began to balance their strength after cultivating.

.

"I finally finished my work too" Chen Ting had just finished, she intended to join Ye Chen and Wu Ziyi.

Chen Ting came, when she came she did not find Ye Chen and Wu Ziyi.

"Hi waitress, where did the two people who came" Chen Ting said to the waiter.

"They just went to the room" the waitress told Chen Ting, she told her that Ye Chen and Wu Ziyi just went to the room.

"Huh, they're done" Chen Ting didn't expect Ye Chen and Wu Ziyi to be done, which made Chen Ting a little disappointed.

"That's so disappointing" Chen Ting felt disappointed, she really felt very disappointed when she found out about this.

Since Ye Chen and Wu Ziyi had already returned, Chen Ting decided to take a bath by herself, she started to take a bath and enjoy her own time in this place, it was quite unfortunate, she was alone again, when she wanted to have a little fun.

Ye Chen had just made a breakthrough, he had just reached level nine, it was quite great that he was almost at level 10.

Wu Ziyi was probably even better compared to Ye Chen, she was now at the 10th realm, and was already very close to even higher levels, perhaps only needing a little more to break through the immortal profound awakening Realm.

Wu Ziyi can't go up quite a lot, that's because Ye Chen is still at a low level, she won't gain much because of Ye Chen, so it makes sense when seeing Wu Ziyi can only reach the 10th realm immortal rebirth Realm.

"How are you ?" Ye Chen asked Wu Ziyi, he wanted to know the condition of Wu Ziyi.

"I want to rest for a while" Wu Ziyi told Ye Chen, she told him that she wanted to rest for a while.

Wu Ziyi was still tired after what happened, she was weak with the happiness given by Ye Chen, that feeling was really very beautiful for Wu Ziyi.

"Then I will go out for a while" Ye Chen said to Wu Ziyi, he told Wu Ziyi that he would go out for a while.

"Sure, I understand" Wu Ziyi understood, she would rest here for a while.

Ye Chen went out, when he went out, he saw a familiar figure to Ye Chen, he saw the figure of Chen Ting who was soaking, she was using a towel to cover her petite body.

she was having a good time, she often came to this place to have fun, this place was very comfortable to use as a place to have fun.

The public bath feels very pleasant, even though it is expensive this place makes Chen Ting feel calmer, plus not many people come to this place, it is because this place is exclusive, only those who dare to pay can come to this place.

"So you came too" Ye Chen said to Chen Ting.

He looked and came towards Chen Ting.

"Ye Chen, you, I heard you're done" Chen Ting said to Ye Chen.

"I'm done, it was really fun" Ye Chen said that he was done, he was done with Wu Ziyi.

Ye Chen wouldn't say it, he wouldn't say what happened between him and Wu Ziyi.

"You seem to be having fun" Chen Ting said to Ye Chen, Chen Ting saw that Ye Chen was having fun.

"Of course, I feel like having fun in this place" Ye Chen smiled.

Ye Chen was indeed having fun in this place, he was happy doing in this place with Wu Ziyi, he managed to get Wu Ziyi very well.

And this was all possible because of Chen Ting, if it wasn't for Chen Ting, he wouldn't have gotten Wu Ziyi.

"I'm glad to hear that" Chen Ting said that she was glad to hear that.

"What about yesterday's problem" Ye Chen asked Chen Ting, he was curious about yesterday's problem, whether Chen Ting managed to solve it or not.

"It didn't go well" Chen Ting told Ye Chen.

"Why?" Ye Chen asked Chen Ting.

"it's because we don't have enough evidence, plus doing battle with Golden Super Land Sect is not a good thing, the chance of winning will be small for us" Chen Ting told Ye Chen.

Their chance of winning probably wouldn't be great, with the current strength of the Sect it would be difficult to defeat a great power like the Golden Super Land Sect.

At the very least they would have to pay a huge price, and it seems like the laundress and Sect master wouldn't like that.

All they could do was compensate and put pressure on the Golden Super Land Sect to compensate for what happened.

"That must be very difficult" Ye Chen said to Chen Ting, he could see that Chen Ting would definitely have a hard time with that matter.

"It's difficult, but there's nothing I can do" Chen Ting said to Ye Chen.

Chen Ting felt that it was difficult, it was a pity that she couldn't do something about this problem.

"In this world power is everything, if you have power you can do everything you want, otherwise if you don't have power, you will be destroyed" Chen Ting said.

Chen Ting gave Ye Chen a piece of advice, the world is a cruel place, whether it is in the God Realm or in this place, the law is still the same, the strong will be the winner, while the weak will be oppressed and destroyed, it is something that has existed since ancient times.

"Thank you for the advice, I will practice even harder, I will soon rise to the top of the world" Ye Chen spoke to Chen Ting, he told her that if he would practice even harder, he would reach the top of this world.

"You have such big dreams, I wonder what makes you like that" Chen Ting said to Ye Chen, she could hear Ye Chen's seriousness about the matter.

"Against the most powerful force in this world" Ye Chen said to Chen Ting.

"Against the most powerful force in the world, are you serious about what you're saying" Chen Ting said to Ye Chen.

"Of course, I mean what I say" Ye Chen said that he meant what he said.

"You are a very interesting man" Chen Ting said to Ye Chen, she became more and more interested in Ye Chen, Ye Chen's ambition was quite big, women like ambitious men.

Ye Chen and Chen Ting talked for a while, the two talked and started exchanging some important things like information.

Chen Ting even told Ye Chen that there would be a competition between Sects soon, she told Ye Chen to participate because it would be an experience for Ye Chen.

Ye Chen understood, it seemed like there would be an interesting competition, whether Ye Chen should participate or not, he was curious about this matter.

"This is a pretty big event, why don't you take part and try it out" Chu Yuechan said to Ye Chen.

Chu Yuechan told Ye Chen to try it, she wanted Ye Chen to try it to know Ye Chen's strength now.

"I'll give it a try" Ye Chen will give it a try, whether or not he will be able to participate, considering he is only a new student with a low level of cultivation.

Chapter 2585 Sect Meeting For Competition

"Talking with you is very pleasant" Chen Ting said to Ye Chen, she told Ye Chen that it was very pleasant.

"I also like talking to you" Ye Chen said that he also enjoyed talking to Chen Ting.

"I might want to talk to you a little more, too bad I don't have much time because there are many waiting for practice" Chen Ting said to Ye Chen.

Chen Ting had to train the disciples, she wouldn't let them all relax and make sure they were able to do everything well.

Chen Ting left, she disappeared from Ye Chen's sight in a flash.

"I think she is a little mysterious" Ye Chen felt that Chen Ting was a little mysterious, she was mysterious and difficult to guess.

"what do you think about that woman ?" Chu Yuechan asked Ye Chen, she wanted to know what Ye Chen thought about Chen Ting.

"nothing" Ye Chen said to Chu Yuechan, he didn't feel anything bad from Chen Ting, only that she was still a mystery to Ye Chen.

I better go back, no one will take care of Wu Ziyi if I'm here" Ye Chen decided to go back, he decided to go back and take care of Wu Ziyi.

When Ye Chen came back, he found Wu Ziyi, she was currently sleeping, she seemed quite peaceful and couldn't be bothered by Ye Chen.

"I think she's fine" Ye Chen saw that Wu Ziyi was fine, she probably just needed a little time to rest for a bit.

Ye Chen would wait patiently, they could use this place all day, so there was no need to worry about that matter.

.

.

Moving on to the meetings between Sects, there are several Sects participating, they are high-ranking Sects that are equal in strength.

There are also several smaller Sects participating, all of them participating to get the best position for them.

Here the Immortal Valley Sect is one of the top tier Sects, even though they were almost last in position, they still counted in this meeting.

Jia Li and Xuan Mei exuded domineering might, neither of them to be outdone by the other.

The small sects can only retreat, this is not a fight for them, so they retreat and keep their distance, they don't want to interfere in the terrible battle between the high class sects, if Jia Li and everyone in this place fights, this will be a very difficult battlefield. terrible to look at.

Luckily they weren't going to do that, their purpose in coming was to have a discussion, they were discussing the rules of the game in the competition.

Competitions were always held fairly, that's why every time there would be a change in the way of playing, this was done to keep each Sect balanced in terms of combat, so no one would complain.

"How about a one Vs 1 battle like before".

They started to discuss, they all started discussing to find the battle that would happen.

"Wasn't it a 1 vs 1 battle before, it had to be replaced," said Jia Li and Xuan Mei.

"The two of them disagree, they all disagree with the advice given by one of the big sects.

The Sect that gave the suggestion was the West Lake Sect, a Sect with extraordinary strength, the Sect's strength was extraordinary, they possessed great combat power individually.

Because of that they suggested 1 vs 1 battles, in 1 vs 1 battles, they would have more chances to win the battle, that was what they had been aiming for from the start.

Jia Li as well as Xuan Mei wouldn't allow that, they wouldn't allow that to happen, the faucet would put them in danger, if it did, they would probably end up in late position, which was why they had to do their best to thwart that matter.

The person from the West Lake Sect, it seems like he won't have a chance to win against Jia Li and Xuan Mei.

Fighting against Jia Li and Xuan Mei was extremely troublesome, they probably wouldn't stand a chance of winning against these two.

"how about the battle earns points by defeating other participants" the representative from Golden Super Land Sect started speaking, he said to have a normal battle where defeating other participants to gain points.

"That's not very good, hasn't it been done before, how about looking for something else" the representative of the West Lake Sect didn't really agree with this matter, he didn't really agree with this way.

"That's right, that doesn't sound good." Jia Li didn't really like that, to be honest she felt that the weakest competitor would suffer the most.

"then what do you have?" they started to argue, it looks like things will get interesting from here on out.

The situation was heating up, they didn't want to give up, to be honest the situation was getting worse, they had no room for discussion.

"You all stop there" a man said to everyone in this place, he told them all to stop and not continue arguing.

This man was Shin Yanho, one of the strongest in the Sect, he was the one who was in charge of this place, so everyone should listen to him now.

He was from the Sky Gate Sect, a Sect that was strongest and often came first.

Last year the Sky Gate Sect was first, they took first place and became the victor, because of that they had the right to determine the course of the battle that would occur.

They all started to calm down, they could only listen to what Shin Yanho said, they had no intention of going against the orders Shin Yanho gave.

"I've thought of the best this time, so I hope you listen carefully to this." Shin Yanho said to everyone in this place, he told everyone in this place that the competition would become a battle for territory.

"battle for territory, a bit interesting, how to play?" Jia Li asked, she wanted to find out how to play in this.

"Each Sect will be given a fortress, all that needs to be done is to defend or attack and expand the territory, each Sect can only bring 1,000 people, this will be fair for small and medium Sects" Shin Yanho told the way he wanted to play.

"You mean every Sect will expand the territory to become victorious?" asked the man from the West Lake Sect.

"That's right, the Sect that is able to expand the most territory will be the victor.

"This will require teamwork and good strategy, this could be the best competition ever" Shin Yanho said that this would be the best battle there is, this would be a battle to determine strategy and tactics.

Everyone was looking at each other, this would probably be a good thing for them, this would be a fair competition for them.

"If you don't protest, then it's decided." Shin Yanho said to everyone, he saw that everyone agreed.

Even Jia Li and Xuan Mei agreed on this point, they all agreed on this matter.

According to them this will be a fair competition, that's why they will participate and will not protest.

"Well let's set a game date, there will be plenty of time for all of you to get ready and prepare the best troops and soldiers you have.

They will start to set the date for the competition, this will be the final decision and they all have to prepare the best students they have.

Chapter 2586 Helping Wu Ziyi Find A Cultivation Technique

Ye Chen was with Wu Ziyi, he made sure that Wu Ziyi was fine.

Wu Ziyi woke up, she got up and immediately looked towards Ye Chen.

"Um. ..., what time is it?" Wu Ziyi asked Ye Chen.

"It's only been a few hours" Ye Chen said to Wu Ziyi, he told Wu Ziyi that a few hours had passed.

"I'm still a little tired" Wu Ziyi pointed out that she was still a little tired.

"You have worked hard enough, it's not strange that you feel so tired." Ye Chen knew Wu Ziyi worked quite hard, it was not strange that he was tired after working hard enough.

Wu Ziyi was still a newbie, she wouldn't be able to defend against Ye Chen, it was an extremely difficult thing for Wu Ziyi to do.

"Let's go back, it looks like the day has started instead." Ye Chen said to Wu Ziyi, he told Wu Ziyi that it was already evening and they should return as soon as possible.

"Um" Wu Ziyi understood, they should come back soon this was already the case.

Ye Chen and Wu Ziyi immediately left the public bath, both of them enjoyed the public bath well, they did not regret coming to this place.

Ye Chen took Wu Ziyi to his place, he wanted to show Wu Ziyi something.

"why did you bring me to your place" Wu Ziyi asked Ye Chen, she asked why Ye Chen brought herself to this place.

"I want to do something with you" Ye Chen said to Wu Ziyi, he said that he wanted to do something with Wu Ziyi.

"what do you want to do, don't tell me you want to do it again ?" Wu Ziyi said to Ye Chen.

Wu Ziyi is still afraid, Ye Chen may want it again.

"no, I didn't mean to do that" Ye Chen said to Wu Ziyi, he wanted to find good techniques for Wu Ziyi, it seemed that Wu Ziyi needed that, she needed techniques and practice to get stronger.

Wu Ziyi had already joined the family, so there was no reason to be stingy anymore, Ye Chen would help Wu Ziyi, he would let Wu Ziyi get a new technique after finishing the alchemist technique.

Ye Chen had already taught Wu Ziyi enough, he would teach Wu Ziyi even more, it was for the sake of making Wu Ziyi even better than she was now.

"come with me, I will show you an extraordinary thing" Ye Chen said to Wu Ziyi, himself telling that he would show a very great thing to Wu Ziyi.

Wu Ziyi was quite curious about what that was said by Ye Chen, what place will shown by Ye Chen, Wu Ziyi was curious about it, she was very curious about the place to be showed by Ye Chen, it made her feel curious.

Ye Chen led Wu Ziyi into the fairy carriage, which made Wu Ziyi startled, she was surprised by what done by Ye Chen.

"What kind of place is this?" Wu Ziyi asked Ye Chen, she wanted to know what kind of place this was.

"This is a hidden place that I own" Ye Chen said to Wu Ziyi, he told Wu Ziyi that this was his hidden place.

"You have a place like this, it's very wide." Wu Ziyi said to Ye Chen, she told Ye Chen that this place was very wide.

"This place is indeed very wide" Ye Chen said that this place was indeed very wide, he would not shy away from it.

"what are you doing in this place ?" Wu Ziyi asked Ye Chen, what the done by Ye Chen in this place.

"I can do so much in this place, you can say that this place has everything you need" Ye Chen said that this place has everything you need is required.

"Everything" Wu Ziyi was shocked when she heard this, to be honest, it was quite a shock.

"You don't believe it?" Ye Chen asked Wuyi.

Ye Chen saw that Wu Ziyi didn't quite believe what that was said by Ye Chen, it seemed that she did not believe in what is said by Ye Chen.

"Then let me show you" Ye Chen said to Wu Ziyi, he said that he would show Wu Ziyi, he would show this place to Wu Ziyi.

Ye Chen showed Wu Ziyi around.

Wu Ziyi made surprised by what is in this place, like that is said by Ye Chen, this place has everything, it's quite surprising once, how does this place have all these amazing things.

"Are you starting to believe what I'm saying?" Ye Chen said to Wu Ziyi, he told that Wu Ziyi must have started to believe what he said.

"Of course, I believe" Wu Ziyi believed, she began to believe what was said by Ye Chen.

then let's get started, let's go to a suitable place for you now.

"a suitable place for me? ? ?" Wu Ziyi asked Ye Chen, she didn't seem to really understand what was going on is said by Ye Chen.

You will immediately understand what I am saying, you will definitely be surprised.

Ye Chen dragged Wu Ziyi over, he made sure that Wu Ziyi got good techniques to survive in a harsher world compared to with the God Realm.

Ye Chen went towards the pagoda tower, this was where top grade techniques were stored, a place that could bestow what wanted by Wu Ziyi.

Ye Chen and Wu Ziyi entered, they started to go up to the second floor, they went up and directly searched for the best technique for Wu Ziyi.

"Is everything here cultivation and combat techniques?" Wu Ziyi asked Ye Chen, she wanted to know this matter from Ye Chen.

"of course" Ye Chen said that this was indeed the place, Wu Ziyi could obtain good techniques in this place, she could choose all the things she wanted in this place.

"Then please help me" Wu Ziyi said to Ye Chen, she asked Ye Chen to help her.

Ye Chen was happy to help, he looked for the best and most suitable for Wu Ziyi.

Ye Chen patiently helped, he waited and made sure that Wu Ziyi found the best technique.

"roughly what would suit for you" Ye Chen wanted to know what would suit Wu Ziyi, he was quite innocent in every way, would the quiet fire technique be suitable for Wu Ziyi.

"Let's see." Ye Chen took out a book, a book of Immortal soul flame art.

"how about this" Ye Chen said to Wu Ziyi, he gave Wu Ziyi the Immortal soul flame art

"let me take a look" Wu Ziyi said to Ye Chen, she wanted to see what given by Ye Chen.

The Immortal soul flame art is a fire that is as calm as the user's soul, it takes good control to use it, it is very strong if the user has a strong will.

"how, isn't this very good for you" Ye Chen said to Wu Ziyi.

"I think this is really good for me" Wu Ziyi agreed with what is said by Ye Chen, this might suit Wu Ziyi.

Wu Ziyi had a strong will, so one could say that this really suited Wu Ziyi.

"I'll take this" Wu Ziyi quickly chose, she quickly chose a technique she thought was good.

Chapter 2587 Wu Ziyi Practiced

"Then I will help you a little" Ye Chen said to Wu Ziyi, he told Wu Ziyi that he will help Wu Ziyi, Ye Chen will make sure that Wu Ziyi can use it well, he will guide Wu Ziyi very well.

"Please help me" Wu Ziyi said to Ye Chen, she asked Ye Chen to give her some guidance

Ye Chen started to help, he helped Wu Ziyi to learn powerful techniques, he was sure that Wu Ziyi could do it.

Immortal soul flame art needing a strong soul, Ye Chen would help cultivate the soul in Wu Ziyi's body, that way he could easily concoct pills.

Ye Chen wanted to make Wu Ziyi become an outstanding pill master, that's why he gave this technique to Wu Ziyi, so that Wu Ziyi could achieve her dream.

Ye Chen would ensure that when Wu Ziyi attained full strength, he would let her shine in this world.

Wu Ziyi really enjoyed practicing with Ye Chen, the feeling of training with Ye Chen was really very pleasant for Wu Ziyi.

The two of them spent time inside the fairy gate, every day they would practice and occasionally would do Dual Cultivation.

Wu Ziyi became bolder since that day, she became bolder to ask Ye Chen.

Ye Chen was happy, he was very happy with what was done by Wu Ziyi, he felt that Wu Ziyi was very seductive and more mature.

After dealing with Ye Chen, Wu Ziyi did seem to have grown more mature, she seemed to have become more mature compared to before.

It was probably the effect of doing it with Ye Chen, he gained a lot of benefits when doing it with Ye Chen.

Ye Chen liked Wu Ziyi more and more, he liked Wu Ziyi more and more because he became more and more flirtatious with Ye Chen.

"why do you keep looking at me, is there something weird with me" Wu Ziyi asked Ye Chen.

"No, it's just that you are getting prettier" Ye Chen said to Wu Ziyi, he told Wu Ziyi that she just got prettier.

"Uh . . ." Wu Ziyi's face reddened, she looked happy when she received Ye Chen's praise, it felt so good to be praised by someone else loved.

"Thank you very much." Wu Ziyi thanked him, she also felt a difference with her.

She became prettier and more mature, maybe this was a change when she did with Ye Chen.

Wu Ziyi likes more and more, she really likes what done by Ye Chen.

Moreover, she felt a very good feeling when she did it with Ye Chen.

Wu Ziyi had started to mature, she knew how to treat their relationship well.

She's starting to learn to be a real woman, she's going to be such a great person, it's only a matter of time until that happens.

The two of them had spent several days, in the process, Wu Ziyi had managed to learn about 40%. That was an excellent amount, he did very well, he was able to create amazing things in such a short time.

"You already understand 40%, the next will be difficult, you have to be confident in your own ability" Ye Chen said to Wu Ziyi.

Wu Ziyi understood, she understood what is said by Ye Chen, she naturally understood what was said by Ye Chen.

"then we will go out, if you want you can practice here" Ye Chen gave Wu Ziyi a choice.

"I want to practice much longer" Wu Ziyi said to Ye Chen, she told Ye Chen that she wanted to practice longer.

"I will respect the decision you make, then I will head out first, Yuechan please take care of her for me" Ye Chen said to Chu Yuechan, he told Chu Yuechan to take care of Wu Ziyi.

"Understood, you can leave this matter to me" Chu Yuechan said to Ye Chen, she told Ye Chen to leave this matter to her.

Chu Yuechan immediately appeared near Ye Chen and Wu Ziyi, which made Wu Ziyi startled.

"Where did she come from??" Wu Ziyi didn't pay attention, she didn't notice the existence of Chu Yuechan.

Chu Yuechan hadn't introduced herself to Wu Ziyi yet, it wouldn't be strange for Wu Ziyi to be at all about Chu Yuechan.

Chu Yuechan smiled, she greeted Wu Ziyi very nicely, she made sure that Wu Ziyi was comfortable in this place.

"I will go out first" Ye Chen said to Wu Ziyi, he told that he would go out first.

"I understand" Wu Ziyi understands, she will be here and continue to practice.

"Finally you are here" Chu Yuechan said to Wu Ziyi, she told Wu Ziyi who was in front of her.

"You, who are you?" Wu Ziyi asked Chu Yuechan, she still didn't know Chu Yuechan that well.

"My name is Chu Yuechan" Chu Yuechan told who she was, she told Wu Ziyi about herself.

"Are you some kind of fairy?" Wu Ziyi asked Chu Yuechan, he wanted to know who Chu Yuechan was, he felt that Chu Yuechan was really great.

"That's absolutely true" Chu Yuechan told him that she was indeed a fairy, she was a very rare fairy.

"Then you are very rare, I heard that the fairy race is very rare, they won't even show themselves easily" Wu Ziyi said to Chu Yuechan.

"fufufufufu" Chu Yuechan smiled as she heard that, what a joke to hear is said by Wu Ziyi.

"That's really true, you are lucky to be able to see one here" Chu Yuechan said to Wu Ziyi.

"You are so beautiful" Wu Ziyi said to Chu Yuechan, she had to admit that Chu Yuechan was beautiful.

"Thank you for the compliment, you are just as beautiful" Chu Yuechan said to Wu Ziyi.

"So what relationship do you have with Ye Chen?" Wu Ziyi asked Chu Yuechan.

she wanted to know Chu Yuechan's relationship with Ye Chen.

"he is my master" Chu Yuechan told Wu Ziyi, she told Ye Chen was her master.

"You served him?" Wu Ziyi was shocked when she heard this.

Wu Ziyi knew that only those with an ability could make the fairy race serve them.

If Ye Chen was able to make Chu Yuechan serve him, then that would be an extremely great thing.

"he is indeed a worthy person" Chu Yuechan said to Wu Ziyi.

"want to hear something" Chu Yuechan said to Wu Ziyi.

"what is it" Wu Ziyi asked Chu Yuechan, she wanted to know a bit about Chu Yuechan.

"I will tell master myself, you should listen carefully" Chu Yuechan said to Wu Ziyi, she told Wu Ziyi to listen carefully.

Chu Yuechan told Wu Ziyi a bit about Ye Chen, she told Wu Ziyi about Ye Chen.

Wu Ziyi was a little dizzy with what is said by Chu Yuechan, but she understood with what is Chu Yuechan said .

"Oh, I see . . . , I understand." Wu Ziyi started to understand, herself started to understand about Ye Chen.

"That surprised me quite a bit" Wu Ziyi said to Chu Yuechan.

"Of course it will definitely shock you, you are still a little girl" Chu Yuechan said to Wu Ziyi.

"I'm no longer a little girl" Wu Ziyi announced that she was no longer a little girl.

"Oh right, I almost forgot about that matter." Chu Yuechan almost forgot about this matter.

Chapter 2588 Visiting The Mini Dwarves Again

"The current you is no longer a little girl, you have already done it" Chu Yuechan said to Wu Ziyi.

Chu Yuechan smiled at Wu Ziyi, she already knew about it.

"You already know about it." Wu Ziyi was shocked when she heard Chu Yuechan say that.

"of course, I can connect with master, I naturally know what he is doing" Chu Yuechan said to Wu Ziyi.

Wu Ziyi's face turned red when she heard this, she was speechless when Chu Yuechan said those words.

Wu Ziyi was very embarrassed, she was very embarrassed when she found out what happened, what happened was very embarrassing for Wu Ziyi.

"no need to be shy, we are both women" Chu Yuechan said to Wu Ziyi

"Still it's embarrassing" Wu Ziyi said to Chu Yuechan, it was still embarrassing for Wu Ziyi.

"fufufu, you are so cute" Chu Yuechan smiled again, she felt that Wu Ziyi was very cute.

"You must properly assist master, he needs help from you, his body is special and he needs pure Yin Qi"
Chu Yuechan said to Wu Ziyi.

"I understand" Wu Ziyi understood, Chu Yuechan had already told Ye Chen the conditions, so he could understand.

"Alright, then let's practice, I'm not as good as a master, so prepare yourself" Chu Yuechan said to Wu Ziyi, she told that she wouldn't be as good as Ye Chen.

"I am under your care from now on" Wu Ziyi said to Chu Yuechan, she announced that she would be under Chu Yuechan's care.

The two of them started to practice, Chu Yuechan helped Wu Ziyi cultivate her soul ability, she would be tough on Wu Ziyi to make Wu Ziyi even stronger.

Ye Chen came out, he went towards the mine and looked for quality materials to use.

"Ye Chen" Shi Lin drew closer towards Ye Chen.

"What is it?" Ye Chen asked Shi Lin.

"You saw Wu Ziyi, he hasn't come back yet" Shi Lin asked Ye Chen.

Shi Lin looked for Wu Ziyi, she was worried because Wu Ziyi had not returned.

Ye Chen knew where Wu Ziyi was right now, it was a pity he couldn't tell this to Shi Lin.

"I heard that he went looking for something in the city" said Ye Chen to Shi Lin.

Ye Chen was looking for an excuse, he was looking for one to hide Wu Ziyi's whereabouts.

"Is that so" Shi Lin was slightly relieved, she felt quite relieved when she heard what Ye Chen said.

"You yourself, where do you want to go?" Shi Lin asked Ye Chen, she wanted to know where Ye Chen was going.

"Go look for materials" Ye Chen told Shi Lin.

"Then I want to come with you" Shi Lin announced that she wanted to come with Ye Chen.

"You want to come with me?" Ye Chen asked Shi Lin.

"Of course, I want to come with you" Shi Lin announced that he wanted to come with Ye Chen.

"If that's what you want, I'm okay with it" Ye Chen announced that he agreed, he agreed to invite Shi Lin to come along.

"That . . ." Shi Lin was quite happy, she was finally able to be with Ye Chen

Ye Chen and Shi Lin left, the two of them headed towards the mini dwarves' place and started their journey.

Shi Lin wanted to know where Ye Chen was going, to be honest he wanted to know where Ye Chen was going.

"Where are we going?" Shi Lin asked Ye Chen, herself wondering where Ye Chen was going.

"To a secret place, you will definitely like it" Ye Chen spoke to Shi Lin.

Ye Chen told Shi Lin that he would definitely like this place.

Shi Lin was very curious, she was even more curious, Shi Lin's curiosity was really very great.

After quite a long and tiring journey, Ye Chen and Shi Lin finally arrived.

"Ye Chen" the dwarves spoke to Ye Chen, they all talked to Ye Chen and greeted him in a very friendly manner.

"How are you guys doing, are you taking good care of the trees and fruit I left in this place" Ye Chen asked, he wanted to know if they took good care of the plants.

"We did well, just look at it" they showed Ye Chen, it was their new source of food.

"you are all great" Ye Chen said to the mini dwarves, he was very happy when he knew what they were doing.

"who is the woman behind you" they asked Shi Lin who was behind Ye Chen's body, they all wanted to know about Shi Lin.

"You can introduce yourself to them" Ye Chen said to Shi Lin, he told Shi Lin to introduce herself.

"hello, I'm Shi Lin, I'm Ye Chen's friend" Shi Lin introduced herself .

"Ye Chen Friend , then you are our friend too" they said Shi Lin was their friend.

"nice to know you all" Shi Lin said that he was happy to know them all, he was very happy to see them all.

"Ye Chen what do they like, I want to give them a present" Shi Lin asked Ye Chen, she wanted to know what they liked.

"they all like food" Ye Chen told that they all like food.

"So they like food, then I'll give them food" Shi Lin said that she would give them the food she had.

Shi Lin passed the cake over, what a coincidence she likes cake and has a few more in her storage.

"what is this" they asked Shi Lin, they wanted to know what Shi Lin brought.

"You can try it, I guarantee that you will like it" Shi Lin said that they will definitely like the cake he brought.

They all immediately tried what Shi Lin gave them.

"So cute" the mini dwarves were very happy, they were all happy with what Shi Lin gave.

"This is good, we have nothing good to give you" they informed them that they had nothing good to give Shi Lin.

"It's okay, I don't receive any reward" Shi Lin informed that she didn't receive any reward.

"Is that so" they started discussing, they wanted to repay Shi Lin for what happened.

"Then we'll share some of our food with you." They couldn't give Shi Lin rocks, that's why they gave food instead.

"I . . ." Shi Lin was confused, she didn't know how to approach this matter.

"It's okay" Ye Chen said to Shi Lin, she told her that it was fine.

Shi Lin understood, he would believe what Ye Chen said.

The mini dwarves gave Shi Lin the fruit and food they had, they rewarded Shi Lin quite well

Shi Lin accepted it, she was quite happy with the gifts given by all of them.

"I will go and start looking for iron in this place" Ye Chen said to Shi Lin.

"Then I will be here with them" Shi Lin announced that she would be here and accompany them to play.

Shi Lin didn't mind, she currently had quite a bit of time and could do whatever she wanted with all the dwarves.

"I understand" Ye Chen understands, then he will go first.

Ye Chen decided to leave, he took the things he needed, Ye Chen took as much as he could take.

Chapter 2589 Gave A Warning To The Slave Seekers

Some time later Ye Chen arrived and mined, he did it quickly, Ye Chen only needed to use his bare hands to do it.

"I got enough" Ye Chen got enough, himself got enough to stock up on.

"master, you got enough" Chu Yuechan said to Ye Chen, she told that Ye Chen got quite a lot.

"Of course, this will be enough, let's see how much money I can make from making all these things" Ye Chen wanted to know how much he would get from making all of these.

"You will definitely get enough" Chu Yuechan was sure that Ye Chen would get enough from all of this.

"Booooooom . . ." Ye Chen heard a bang from afar, it seemed that an explosion was happening in the distance.

"what else now?" Ye Chen wanted to know what was going on, himself wanted to know what was going on in this place.

"You better take a look" Chu Yuechan said to Ye Chen, she told Ye Chen to go and take a look.

Ye Chen left, he saw what was going on.

"what happened in this place?" Ye Chen asked Shi Lin, he wanted to know what happened in this place.

"I don't know, I felt a vibration from outside" Shi Lin pointed out that there was vibration and movement from outside.

"It seems that it came from the surface" Chu Yuechan said to Ye Chen, she told Ye Chen that it came from the surface.

"It seems something happened up there" Ye Chen was sure that something was happening up there.

"Let's take a look" Shi Lin said to Ye Chen, she invited Ye Chen to go and have a look.

Ye Chen of course agreed, he and Shi Lin went up and saw what was going on up there.

As the two went up, they noticed something was wrong, there were a lot of people who were currently drilling a big hole up here.

"Do they have the same goal as you?" Shi Lin asked Ye Chen, maybe they have the same goal as Ye Chen.

"No, they don't seem to find the same destination as me, you know if the mine is too far away, they won't be able to get there" Ye Chen said to Shi Lin.

"then what do they want ?" Shi Lin asked Ye Chen.

"I don't know either, let's find out slowly" Ye Chen said to Shi Lin they will find out slowly.

Ye Chen drew closer, he found out what they were doing.

Ye Chen listened to the conversation they were having, that way he could clearly hear what they were looking for.

"Hurry, do it quickly, we have to get one of the mini dwarves, it will make us all rich" a talk sounded Ye Chen's ear, Ye Chen could hear their purpose clearly.

"So that is their goal" Ye Chen saw their goal, they wanted to take the mini dwarf.

"So what is their purpose" Shi Lin asked Ye Chen, she wanted to know their purpose of making a hole.

"they aim to capture the mini dwarfs" Ye Chen told what they were after.

"how did they know?" Shi Lin asked Ye Chen.

"I don't know either" Ye Chen said that he didn't know about this matter, he absolutely couldn't know where they found out the whereabouts of the mini dwarfs.

"we can't let this problem go" Shi Lin said to Ye Chen, she told Ye Chen not to let this problem go.

"Of course, I won't let this matter go, how about we warn them" Ye Chen said to Shi Lin.

"You're right, let's warn them first" Shi Lin agreed, they better warn first.

"Looks like it's time to play a little game" Ye Chen said to Shi Lin.

"game?" Shi Lin was confused, she didn't understand what Ye Chen said, she still didn't know what Ye Chen would do.

"You will know soon" Ye Chen said to Shi Lin, he said that Shi Lin would soon know what he was going to do.

Ye Chen stepped forward, he would teach them all a lesson for daring to bully a mini dwarf.

"Hey, all of you" Ye Chen appeared, he stood on a tree and said to everyone in this place.

Everyone in this place immediately looked towards Ye Chen, they all looked towards Ye Chen who had suddenly appeared.

"who's that?" they all didn't know Ye Chen, so they all wondered about Ye Chen.

"who are you . . . ?" they asked Ye Chen, they were all curious about Ye Chen.

"I am the caretaker of this place" Ye Chen said that he was the one waiting for this place.

"what is the meaning of your words?" they asked Ye Chen, they wanted to know the meaning of Ye Chen's words.

"You guys are really stupid, I said that I am the master of this place, don't you understand something like that" Ye Chen said to the idiots around.

"Hahahaha, a brat like you is the ruler of this place, you are joking with us" they couldn't believe what Ye Chen said, they all laughed at Ye Chen, they thought Ye Chen was joking.

"I'm not joking, so listen to me, if you cause damage to this place, you will suffer the consequences" Ye Chen said that they would suffer the consequences if they caused damage to this place.

"what can you do to us" They all thought Ye Chen was joking, so they all started to mock Ye Chen.

Ye Chen smiled, it was time to play with them all, time to make them all realize who the real Ye Chen was.

"God Domination Pressure" Ye Chen uses the power of God Domination Pressure.

A huge force appeared, a huge force that pressed everyone down to the ground.

"What's this?" they all looked confused by what was happening, they were unable to endure the God Domination Pressure.

Some people even fainted on the spot, Ye Chen's pressure was so strong that it made those who were mentally weak instantly collapse and pass out.

"So how, still want to try it" Ye Chen said to everyone.

Ye Chen looked very authoritative he looked authoritative and like a boss in control of this place.

"we all understand, so please let us go" they all understood, they would no longer dare to mess with Ye Chen, they all understood the power that Ye Chen possessed, a power that was extraordinary and made them all powerless.

"then what are you waiting for, get out of this place, before I destroy you all" Ye Chen spoke to everyone, don't let himself destroy them all.

"we understand" Everyone understood, they all immediately left this place.

No one dared to waste time staying in this place, everyone left this place quickly, they were all afraid that Ye Chen would change his mind and destroy them all.

"That's great, he easily chased everyone away" Shi Lin was shocked when she saw Ye Chen do it, she easily chased everyone away with a bluff.

"how, wasn't that nice" Ye Chen said to Shi Lin.

"You do it" Shi Lin said to Ye Chen, she saw that Ye Chen did it.

"they all will definitely not dare to return" Ye Chen was sure that they would never dare to return, they would seek death if they dared to return to this place

"You scared them like that, obviously they won't dare to come back anymore." Shi Lin was also sure, Ye Chen scared them all, he was sure that they would no longer dare to come back to this place.

"let's go back and say goodbye, we will return to Sect' Ye Chen said to Shi Lin.

"um . ." Shi Lin understood, she would do as Ye Chen said, before returning they had to say goodbye.

"We'll be back" Ye Chen said to all the mini dwarfs present, himself informing that he and Shi Lin would be back soon.

"Understood, we will welcome you well" the mini dwarf said to Ye Chen and Shi Lin, they would welcome them again if Shi Lin or Ye Chen returned to this place.

Ye Chen and Shi Lin came back, the two of them exited the mini dwarf place and returned to Sect.

"They are quite fun" Shi Lin said to Ye Chen, she felt that mini dwarves were really fun to talk to.

"They are very friendly and kind" Ye Chen said to Shi Lin, he admitted that the mini dwarfs were friendly and kind.

"But there are people targeting them" Shi Lin said to Ye Chen, even though the mini dwarfs were good, there were still those who were targeting them.

"they are rare creatures, they might be sold, in my opinion, they are slave sellers" Ye Chen said to Shi Lin.

"It seems like that, they want to sell good creatures, we can't afford to let this matter" Shi Lin said that she and Ye Chen would not allow this matter.

"You're right, we won't let this matter go." Ye Chen agreed with what Shi Lin said.

"Let's go back" Shi Lin said to Ye Chen, Shi Lin wanted to know whether Wu Ziyi had come back or not.

Ye Chen nodded, the two of them returned to Sect at an incredible speed.

"master, Ziyi is still not finished, can you buy time for her" Chu Yuechan said to Ye Chen.

"oh, I see" Ye Chen immediately understood, he immediately knew what he should do now.

"how about we go to the city before coming back" Ye Chen said to Shi Lin.

"Why so suddenly" Shi Lin asked Ye Chen, she wanted to know Ye Chen's intention and purpose.

Chapter 2590 You Buy This Thing For Me ?

"Do you not want to spend time with me?" Ye Chen asked Shi Lin, he wanted to know if Shi Lin didn't want to spend time with him.

"Of course I want to, I've been looking forward to this." Shi Lin said to Ye Chen, she told Ye Chen that she wanted to have fun.

Shi Lin had been waiting for this very well, he did not expect that this day would come so quickly

"then let's go" Ye Chen said to Shi Lin, he told Shi Lin to go around this place.

"let's go" Shi Lin looked quite excited, she looked really excited when she was with Ye Chen.

Both of them started walking around this place, they enjoyed everything in this place.

They started buying food, a meal that the two of them could buy.

"Ummm, this is delicious" Shi Lin enjoyed the food Ye Chen bought, the taste of the food Ye Chen gave was really very good.

"How do you like it?" Ye Chen asked Shi Lin, he wanted to know if Shi Lin liked the food he chose.

"This is very delicious" Shi Lin told Ye Chen, she told Ye Chen that this tasted very good.

"Thank goodness you like it" Ye Chen was happy to hear that.

"Is there a game around this place?" Ye Chen asked Shi Lin, he wanted to know if there was a game around this place.

This is different from Earth, there's not much to do except buy food, weapons and also pills, there's not much for them to do in this place, it makes it a bit difficult.

"Game, there shouldn't be such a thing" Shi Lin pointed out that there was no such thing around this place.

"Too bad" Ye Chen understood, this is as he expected, there is no such thing around this place.

Ye Chen thought of something, what can they do now.

"Hmmm . ." Ye Chen saw something interesting, he felt that it might be liked by Shi Lin.

"Come with me" Ye Chen said to Shi Lin, he asked Shi Lin to come with him, he wanted to show Shi Lin something.

Shi Lin wanted to know what Ye Chen would do, to be honest she was quite curious about what Ye Chen would do.

Ye Chen took Shi Lin to a shop, a head jewelery shop.

"let's see if there is anything good around this place" Ye Chen wanted to know if there was anything good, he would probably give jewelry to Shi Lin.

" ? ? ?" Shi Lin wanted to know what Ye Chen would do, she wanted to know what Ye Chen was trying to plan.

Ye Chen saw a flower hairpin blooming beautifully, this probably suited Shi Lin.

Ye Chen just took it, he asked how much this thing cost.

"It's not that expensive, it's only around 10~20 Divine Rainbow Crystals."

"then I will take one" Ye Chen said to the seller, he took one for himself to give to Shi Lin.

Shi Lin had already begun to suspect what Ye Chen would do.

"are you going to give this to me" Shi Lin asked Ye Chen.

Shi Lin smiled beautifully, she seemed to be enjoying the moment.

"I will give this to Ziyi" Ye Chen told Shi Lin, he will give this to Wu Ziyi.

Shi Lin immediately pouted when she heard what Ye Chen said, she was not happy when Ye Chen said this.

Shi Lin's hopes were crushed, everything was not as Shi Lin had imagined.

Ye Chen smiled when he saw the reaction shown by Shi Lin, the reaction shown by Shi Lin was very pleasing to Ye Chen.

Shi Lin turned around, she seemed to be angry at Ye Chen, she was not happy with what Ye Chen was doing.

Ye Chen approached Shi Lin, he started to help Shi Lin use the flower jewelry he gave her.

"huh?" Shi Lin was shocked when she saw what Ye Chen did, what Ye Chen did was quite a shock to Shi Lin.

"You, didn't you say you were going to give this to Ziyi?" Shi Lin asked Ye Chen.

"I'm just kidding, I want to give this to you" Ye Chen said that he was just kidding, from the beginning he wanted to give this to Shi Lin.

"You . . ., you are terrible, I hate you" Shi Lin hit Ye Chen, she hit Ye Chen's chest repeatedly.

"Hehehehehe" Ye Chen chuckled, he chuckled when he saw Shi Lin like that.

Shi Lin was very happy, she felt very happy to receive a gift from Ye Chen.

"How do you think I look now?" Shi Lin asked Ye Chen, she wanted to know how her current appearance was.

"Very good, you are very beautiful" Ye Chen told Shi Lin, Shi Lin is now very beautiful.

Shi Lin blushed when she heard what Ye Chen said, she was too happy when she heard Ye Chen's praise.

Ye Chen praised too much, it made Shi Lin feel very embarrassed, she actually blushed in the face of Ye Chen.

"damn . . ., we failed to catch our prey" a familiar voice sounded in Ye Chen's ear, Ye Chen was of course familiar with this voice.

"Isn't that the previous people" Ye Chen said to Shi Lin.

"You are absolutely right, those are all the people you have previously faced." Shi Lin agreed, all of them were indeed the people they had previously faced.

"about what they will do" Shi Lin asked Ye Chen, she was quite curious about what they would do.

"do we need to find out" Ye Chen said to Shi Lin, they may need to find out about this problem.

"I agree with what you said, let's go and find out" Shi Lin agreed, she still wouldn't be able to forget them because of the previous incident.

The two decide to go and follow a group of criminals who capture people to be slaves.

The two of them were brought to a suburb in the slum district, a place barely fit to live because there were too many dangerous people here.

"This is a terrible place, is there a place like this in this city?" Ye Chen asked Shi Lin.

"This is the most rundown place in town, not many live in this place, this is the most suitable place for criminals" Shi Lin said to Ye Chen.

"I believe that the poor will think of living in this place, this place is really unfit" Ye Chen said that this place is really uninhabitable, even the animal cages are still more humane than this place.

As Shi Lin said, not many people lived in this place, only those with bad auras and criminals lived in this bad place.

There weren't many living in this place, Ye Chen and Shi Lin could easily move around in the darkness.

the group they followed finally arrived at a place, a rather large shabby house with windows and doors that were worn out and almost destroyed.

"So this is their residence" Ye Chen could see that this was their residence.

Ye Chen confirmed using his God Eyes, he saw that inside there were several cells used to confine monsters and humans, there were women, men and various kinds of rare creatures.

"I saw one mini dwarf inside" Ye Chen said to Shi Lin.

"what, there is one" Shi Lin asked in surprise.

"Of course" Ye Chen told that there was one inside, it looked ugly and was covered in wounds from being tortured.

"how is it?" Shi Lin asked.

"Pretty bad" Ye Chen told the condition of the mini dwarf that he was looking at now, he could confirm that the condition was quite bad.

"What would you do?" Shi Lin asked Ye Chen, she wanted to know what Ye Chen would do.

"I will save him" Ye Chen told that he would save him, he couldn't let this matter go because Ye Chen was once in debt and was a fairly close acquaintance.

"I will help you" Shi Lin said if she will help Ye Chen, she can help Ye Chen to solve this problem.

"then I beg for help" Ye Chen said to Shi Lin, he will rely on Shi Lin.

"Of course" Shi Lin felt proud, she felt that Ye Chen depended on her.

"let's go inside" Ye Chen said to Shi Lin, he asked Shi Lin to go inside with him.

Shi Lin followed Ye Chen's words, the two easily entered and easily arrived inside.

Since Ye Chen was so good at sneaking, they easily went inside and started looking around.

A slightly outer dungeon, it was large enough to contain a large number of people.

"How many are there?" Shi Lin asked Ye Chen.

Shi Lin asked how many in this place.

"About 500" Ye Chen said to Shi Lin.

"total guardians are 30" Ye Chen told Shi Lin.

"then let's split up and start to disable them all" Shi Lin said to Ye Chen.

"okay" Ye Chen agreed, they would be faster if they dispersed.

Shi Lin's strength was high enough, so there was no need to worry about anything.

They split up and started to stun the enemies, with Ye Chen's ability, he managed to take down 15 enemies with ease, meanwhile Shi Lin managed to take down 10 of them.

They move very quickly, in just a short time, they manage to defeat 80% of the enemies around them.

"Now there are five left, let's finish this quickly" Ye Chen said that if there were five more, they should finish everything quickly.
