"Why do you keep asking that again?" Wu Ziyi asked Shi Lin.

"I've tried to go to that super expensive bathhouse, you see there is no change in me, you can say there is only a slight change that I feel" Shi Lin said to Wu Ziyi.

"I haven't seen you for a few days, where have you been" Ye Chen asked Wu Ziyi, he wanted to know where Wu Ziyi had gone all this time.

"I was practicing, the faction leader didn't let me go out" Wu Ziyi told Ye Chen, she complained to Ye Chen that she was practicing and was not let go by Jia Li.

"It's okay, we can still fix it" Jia Li told Wu Ziyi.

"Then we can rest for a while" Jia Li said to Wu Ziyi, she told Wu Ziyi to rest for a while.

Jia Li looked at Wu Ziyi who was already tired, it seemed like a short break was a very good thing for both of them.

Jia Li gave Wu Ziyi a drink, they started talking about women's affairs.

"I'm surprised you can accept everything so quickly like now" Jia Li said to Wu Ziyi, she was quite surprised when she saw Wu Ziyi could accept everything so quickly.

"I'm just trying to accept it, I know the problems he has" Wu Ziyi said to Jia Li.

"That's right, he has quite complicated problems, how can we help him" Jia Li also wanted to help Ye Chen.

"Do you think the same as me?" Wu Ziyi asked Jia Li.

"Of course, let's help him, but can we find a suitable one" Jia Li said to Wu Ziyi.

"How about this" Wu Ziyi said to Jia Li, she told Jia Li that she had a good idea.

"I'll listen to it" Jia Li told Wu Ziyi, she would listen to what Wu Ziyi said.

"You know Shi Lin right, he seems to like Ye Chen, I want to help, but I don't know how" Wu Ziyi said.

"So that's it, that little girl also has feelings" Jia Li understood.

Jia Li understood what Wu Ziyi meant, she understood Wu Ziyi's purpose.

Wu Ziyi wasn't very smart in matters like this, she probably didn't know what to do to make an opportunity for Shi Lin and Ye Chen.

"Then I will take care of this" Jia Li said to Wu Ziyi, she would take care of this for Wu Ziyi.

"Do you have a plan?" Wu Ziyi saw the savior, she saw Jia Li who had quite a lot of plans.

"I have quite a lot of plans" Jia Li told her that she has quite a lot of plans.

She had thought of a lot of things, so Wu Ziyi could leave this matter to her.

Chapter 2616 Desire Sky Villa

The two of them wanted to plan something for Ye Chen and Shi Lin.

Ye Chen did not know what the two of them were trying to plan, he did not know what they were trying to plan right now.

Ye Chen himself was talking with Chu Yuechan, they were discussing what they were going to do next.

For the time being Shui Yixian will be safe, so Ye Chen does not need to worry.

Shen Niang guaranteed that for Ye Chen, so Ye Chen could relax when he knew this matter.

"It will be a problem because the enemy is also trying to gather strength to defeat you" Chu Yuechan said to Ye Chen.

"I can handle it, I'm sure they can all help me" Ye Chen was sure that if all the women could help him, he would probably start looking for his own strength to face the Four-sided Immortal Palace.

"You can use Zhang Ein, she is quite strong, he is one of the strongest servants and is probably below Shen Niang in terms of strength" Chu Yuechan said to Ye Chen.

"This is a little difficult" Ye Chen said to Chu Yuechan, he told Chu Yuechan that this would be a little difficult to do.

pandasnovel.com Zhang Ein was strong, but Ye Chen wasn't sure if he would do it.

"I'm very sure that she will do what you ask, trust me" Chu Yuechan said to Ye Chen.

"Alright, let's try that next time" Ye Chen said to Chu Yuechan.

The next day arrived, Ye Chen, Wu Ziyi and Jia Li had spent quite a lot of time inside the fairy gate, they spent quite a lot of time practicing and training.

"You are getting better and better" Ye Chen joined in Wu Ziyi and Jia Li's training, he wanted to see the development Wu Ziyi had.

Ye Chen wanted to see how strong Wu Ziyi was now, so Ye Chen decided to join the training.

"You are very good at fighting, it looks like you have experienced quite a few battles" Jia Li said to Ye Chen.

Jia Li realized that Ye Chen was very strong, it seemed like Ye Chen had experienced a lot of life and death battles.

"That's right, I have indeed experienced quite a lot of battles" Ye Chen told her that he had experienced quite a lot of battles.

"That's great, you're very good" Jia Li said to Ye Chen, Jia Li recognized Ye Chen's strength and ability.

"Of course" Ye Chen said to Jia Li.

"It's time" Wu Ziyi said to Jia Li and Ye Chen, she told the two that it was time.

"Let's go out" Ye Chen said to Jia Li and Wu Ziyi.

The three of them went out, they went straight out and met Shi Lin.

Shi Lin happened to be waiting patiently, she was going to take Wu Ziyi out with her.

Shi Lin saw Wu Ziyi coming, she saw that there were others besides Wu Ziyi, there were Ye Chen and also Jia Li.

"Why is she with those two?" Shi Lin wanted to know why Wu Ziyi could be with Jia Li and Ye Chen.

"Why are you with them?" Shi Lin asked Wu Ziyi.

"They will come together with us." Wu Ziyi said to Shi Lin.

"Eh, no way" Shi Lin was surprised when she heard what Wu Ziyi said.

"The two of them are coming" Shi Lin said in disbelief, she couldn't believe what Wu Ziyi said.

"Can't we" Jia Li said to Shi Lin.

"Of course, your master can come with me" Shi Lin told her that Jia Li could come. I think you should take a look at pandasnovel.com

Jia Li nodded, she was satisfied with Shi Lin's answer.

"Ye Chen, are you coming too" Shi Lin asked Ye Chen, she wanted to know if Ye Chen would come with them.

"Of course, I will come with you" Ye Chen told her that he would.

He wanted to know the house owned by Shi Lin.

Shi Lin was very happy to hear this, she felt happy that Ye Chen came along.

Shi Lin knew that Ye Chen had come to accompany Wu Ziyi.

Despite knowing that, she was still happy when she found out that Ye Chen was coming with them.

"I'm so glad you came" Shi Lin told Ye Chen, she told Ye Chen that she was glad that Ye Chen came.

"I hope you take good care of me when I'm in your house" Ye Chen told Shi Lin.

"Of course, you can leave this matter to me" Shi Lin told Ye Chen.

Ye Chen probably just wanted to joke with Shi Lin, even so Shi Lin took Ye Chen seriously with what she just said.

"Let's leave right now" Jia Li said to Wu Ziyi, Shi Lin and Ye Chen, she invited them all to leave right now.

"Let's go" Wu Ziyi, Shi Lin and Ye Chen nodded, the four of them set off, they used Jia Li's small ark.

"Let's take this" Jia Li said to Wu Ziyi, Shi Lin and Ye Chen.

"This is your personal ark?" Ye Chen asked Jia Li.

"Of course, this is the personal vehicle I have, we will be safe using this small boat" Jia Li said to Ye Chen.

"Ye Chen don't you have an ark" Shi Lin asked Ye Chen.

"I certainly do" Ye Chen told her that he certainly did, he had a bigger one with various deadly weapons.

Compared to the one owned by Jia Li now, it was obvious that Ye Chen had a better one in terms of defense.

Jia Li had a beautiful red small ark with many flowers left there, it seemed to be an ornament used by Jia Li to enhance the appearance of her deep ark.

"Shall we use yours instead?" Jia Li said to Ye Chen.

"Mine is too big" Ye Chen told Jia Li, he had one that was too big.

"I see, then we'll just use mine" Jia Li understood, it seemed like Ye Chen had a big one and it wasn't really suitable for them to use.

There were only four of them, so there was no point in using an ark that was too big, it was better to use a small one in case something happened.

They all set off using the ark owned by Jia Li, they would probably arrive within a few hours from now.

"Shi Lin, what about where you live" Ye Chen asked Shi Lin.

"I live in a town that is quite lively, it is much more lively compared to the capital and also the Sect" Shi Lin told Ye Chen.

"So that's it" Ye Chen said to Shi Lin, it seemed like she lived in a big city and was the center of this world.

"There is a place called Desire sky villa, a place that is quite crowded with people and it is the center of this Realm" Jia Li said to Ye Chen.

"Jia Li explained that in this place there is a place called desire sky villa, desire sky villa has a great reputation, it is even greater than the immortal valley Sect.

"That's right, it's a very good place, a place that can realize everything you want, as long as you have large finances" Shi Lin said.

"It seems like an interesting place, we can probably go there" Wu Ziyi said to Ye Chen and Shi Lin.

"Of course, we'll go there, I have important business there" Jia Li said.

Chapter 2617 Shi Lin's House

"What kind of important business do you have there" Ye Chen asked Jia Li.

"Business" Jia Li told Ye Chen, she told Ye Chen that she had a business with them.

"Master sells pills to them, besides the Sect, they are our regular customers" Shi Lin told Ye Chen.

"So you do business with them" Ye Chen finally understood, he understood that Jia Li did business with them.

"Business with them is much more profitable for me, it's better than the old man inside the Sect, they buy at a discount, it makes my head spin" Jia Li said to Ye Chen.

Jia Li had a problem, she had a problem when she did business with Sect mates.

They would all come in their own way and would start asking Jia Li for discounts, sometimes it made Jia Li angry.

"Jia Li herself doesn't earn much from making pills, she only gets about 20%~50% profit, that's not even counting some of the ingredients that sometimes fail in the process.

And they would come and ask for a discount of up to 50%, that naturally made Jia Li feel very angry with them.

Ye Chen smiled at this, it turned out that Jia Li had such a problem too, it was not strange that she would be angry because they had indeed crossed the line.

"Even so I will still give them, they will complain to the patriarch if I don't give them" Jia Li said helplessly.

"Are you afraid of the Sect leader" Ye Chen asked Jia Li.

"Not really, I am not afraid, it's just that in terms of strength I am far below him" Jia Li said to Ye Chen, she told him that she was below the patriarch in terms of strength.

"Aren't you already strong, so there's no reason for that" Ye Chen said to Jia Li.

"You're right too" Jia Li agreed with what Ye Chen said, she was already strong now, so there was nothing else to fear from the patriarch.

"I will teach them a lesson if they dare to do that again" Jia Li would make them learn a lesson if it happened to her again.

Wu Ziyi and Shi Lin smiled as they listened to the grievances Jia Li had, it seemed like Jia Li was having problems in terms of business with the people in the Sect.

They all waited for the journey in peace, they would all arrive in a few minutes time.

"It's been almost 3 hours, haven't arrived yet" Ye Chen was already feeling bored, until now they had not arrived at their destination.

"We're almost there, so be patient" Shi Lin said to Ye Chen, he told Ye Chen to relax even more as they would arrive soon.

"There's a big city ahead" Wu Ziyi said to Ye Chen, she told him that there was a big city ahead.

"Look, we'll be there soon" Shi Lin told Ye Chen, they would be arriving at their destination soon.

"We will arrive soon, prepare yourselves because we are about to land" Jia Li told Ye Chen, Wu Ziyi and Shi Lin.

"Understood" they all understood, they all prepared to land.

The ark landed, they landed near a city that had a large space.

After landing, Jia Li reinserted her profound ark.

"Let's go inside there" Jia Li invited Ye Chen and everyone else to go inside.

They all followed behind Jia Li's body, they entered from the city gate.

Jia Li was stopped by the guards, they wanted Jia Li's identity.

Jia Li gave her identity, she gave her identity to the guards.

They immediately felt pale when they found out who Jia Li was, they seemed to be new and didn't know who Jia Li was.

Ye Chen saw the reaction of the guards, it looked like they didn't know Jia Li yet. I think you should take a look at pandasnovel.com

"You can go straight inside" they invited Jia Li to go inside, they would not nod Jia Li off again.

Jia Li brought Ye Chen and everyone in, no one would stop them anymore.

"As expected from master" Shi Lin said to Jia Li.

"It will make it easier for us to enter" Jia Li said to Shi Lin.

Jia Li did this for Ye Chen and Wu Ziyi, it would be troublesome if they had to take care of the formalities to enter the city.

"We'll go to your place first" Jia Li said to Shi Lin.

"Of course, my family will be happy to see the master come to visit, I haven't told them yet, they will all be surprised" Shi Lin said.

Shi Lin had not told them about this matter, they would all be surprised when they saw Jia Li coming together with him.

"Then let's make a surprise for all of them." Jia Li said to Shi Lin, she wanted to make a surprise for all of them.

"Let's go" Shi Lin looked excited, she couldn't wait to see what kind of reaction they would have.

Ye Chen and Wu Ziyi saw the two from behind, they both started chatting and began to look around.

As said by Shi Lin and Jia Li, this place was more crowded compared to the Sect as well as the capital, it was honestly a super lively place with billions of people living in it.

Because this place was so vast, Ye Chen and everyone had to walk quite a distance to get to Shi Lin's place.

They finally arrived at Shi Lin's place, they saw a large land with tons of buildings

"This is my Clan" Shi Lin said to Ye Chen and Wu Ziyi, coincidentally both of them did not know about Shi Lin's residence.

"It's big" Wu Ziyi told Shi Lin, this place was definitely bigger compared to her small house.

"I know it's a bit big" Shi Lin told Wu Ziyi.

He knew that his place was indeed big, it could fit hundreds of people at once.

Shi Lin's family was quite large, if all the branches gathered, the number would be very large.

Shi Lin's parents were still a branch family, the core Shi Clan was much bigger and stronger compared to Shi Lin's family now.

"Let's go in" Shi Lin said to everyone, he looked very excited and told Ye Chen, Jia Li and Wu Ziyi to go inside.

Ye Chen, Jia Li and Wu Ziyi followed Shi Lin, they went inside and were greeted by some of Shi Lin's servants.

"Hello everyone, I'm back" Shi Lin said to the waiters, she looked cheerful and excited.

"Hello young lady" they all said to Shi Lin, they welcomed the arrival of Shi Lin.

"Where's father?" Shi Lin said to the waiters.

"He's in the living room, he's probably waiting for you" the waiters told Shi Lin.

"Got it, I'll go there right away" Shi Lin said that he would go there right away.

"Come, come with me" Shi Lin told Ye Chen, Jia Li and Wu Ziyi.

she ushered them all into the living room.

A man was waiting for Shi Lin's arrival, he waited and prepared everything for Shi Lin's arrival.

"Father" Shi Lin called out to her father, she looked happy to see her father here.

"Shi Lin, you're finally back, it's been a while since you've been back home" They met, after several months of not seeing each other, they finally met again.

"Of course, it's been a long time since I last returned home" Shi Lin said.

Chapter 2618 Shi Kimu

"So he is Shi Lin's father, the first time I saw it" Ye Chen and Wu Ziyi looked at the man who was talking to Shi Lin, they finally saw the figure of Shi Lin's father.

It was not strange that they were wondering about this, this was the first time they saw Shi Lin's father, the two of them had never seen him before.

"Who came with you?" he asked Shi Lin.

"There is a master who came along with me, there are also my friends in the Sect" Shi Lin explained to her father.

"What? ?" He was surprised when he heard Shi Lin, he immediately looked at Jia Li, he didn't expect Jia Li to come.

"I'm sorry for not giving you a proper welcome" Shi Lin's father apologized, he apologized for not making preparations for Jia Li.

"No problem, it's a coincidence that I'm here with her, you don't need to do that" Jia Li said to the man in front of her.

Shi Lin's father was named Shi Kimu, he was a low-level alchemist and was of the same level as Jia Li.

Compared to Jia Li, Shi Kimu was clearly far behind as Jia Li was a mid-level alchemist.

"I'm really sorry" Shi Kimu apologized to Jia Li, he felt very guilty for not welcoming Jia Li properly.

"Then who is this?" Shi Kimu asked Shi Lin, he looked towards Ye Chen and Wu Ziyi.

"This is Ye Chen and the other one is Wu Ziyi, they are my friends" Shi Lin told Shi Kimu.

"Are they from the same faction as you?" asked Shi Kimu.

"Wu Ziyi is of the same faction as me, while Ye Chen is a weapons craftsman, besides that he can also be an alchemist."

"An artifact maker and an alchemist, very rare" Shi Kimu was surprised when he heard Shi Lin, it was a great thing to be like Ye Chen.

"greetings to uncle" Ye Chen and Wu Ziyi gave a greeting, both of them giving Shi Kimu an introductory greeting.

"Well, you two are young and probably the same age as my daughter, she might be a little difficult to manage and sometimes unreasonable, I hope you will accept her.

"We will" Ye Chen and Wu Ziyi said that they would accept Shi Lin.

"Dad, what are you saying, don't make me embarrassed" Shi Lin said and reprimanded her father, it made Shi Lin feel very embarrassed.

"Hahahahaha" Shi Kimu laughed, he laughed when he saw Shi Lin embarrassed like this, it was very rare to see this girl feel embarrassed like now.

"Come with me, you will be staying at my place for a while, I will treat you well" Shi Lin said to Ye Chen, and the others.

Shi Lin would directly escort them to the rooms, there happened to be many empty rooms.

"I'll go first" Shi Lin said to Shi Kimu, he would go first.

"Understood" Shi Kimu understood, he would also do some preparations to welcome Jia Li, he felt bad for not making a good welcome to Jia Li.

.

.

"This is the room you guys have, I hope you like this room, I put you guys on the same home yard" Shi Lin said to Ye Chen, Wu Ziyi and Jia Li.

Wu Ziyi and Jia Li were happy when they knew that they were together with Ye Chen, it would make it easier for them to relate.

Shi Lin still didn't know the relationship that Ye Chen, Wu Ziyi and Jia Li had, if she knew, she would definitely be very surprised.

"Then I will leave you guys, I will go and prepare something for you" Shi Lin said to Wu Ziyi, Ye Chen and Jia Li.

Shi Lin wanted to do something, she wanted to welcome Ye Chen and the others well, that's why she intended to prepare a big banquet for Ye Chen and the others. I think you should take a look at pandasnovel.com

"This place is huge, Shi Lin is rich" Wu Ziyi said to Ye Chen.

Wu Ziyi was still surprised when she saw Shi Lin's house, it was really huge, much bigger than hers and Wu Ziyi's neighbors.

"That's normal, they are quite rich, even if it's just a branch family, it's already very good" Jia Li said.

Honestly, this place is very good, this place is very good for a branch family.

"Let's enjoy our time in this place" Ye Chen told Wu Ziyi and Jia Li, since they were already in this place, they should enjoy it.

"That's right, we should enjoy the time we have" Jia Li agreed with what Ye Chen said.

"Ziyi come here" Jia Li said to Wu Ziyi, she told Wu Ziyi to come over, this was the right time to talk.

Wu Ziyi understood, it was indeed a very good time to talk about the future.

Ye Chen slept inside his room, meanwhile Wu Ziyi and Jia Li prepared something and only they knew about this matter.

The two of them have thought of quite a few things, they should be able to pull it off.

Ye Chen was bored, he decided to walk around this place, it just so happened that he was currently trying to get some fresh air.

"Ye Chen. ." Shi Lin saw Ye Chen, she did not expect to see Ye Chen in this place.

"What are you doing here, didn't I tell you to take a break first" Shi Lin said to Ye Chen, I was looking for some fresh air, I saw that you have a nice place here" Ye Chen said to Shi Lin.

"Of course, I do have a nice place, this is the family garden, the servants and gardeners take good care of everything here" Shi Lin said to Ye Chen.

"It's not strange that it looks so nice, you take good care of it" Ye Chen said to Shi Lin.

Shi Lin smiled, this was one of her favorite places.

"Ye Chen there will be a branch family meeting, you and master should come, you might be able to see a good thing" Wu Ziyi told Ye Chen.

Wu Ziyi told Ye Chen, she told Ye Chen that there would be good things waiting for them.

"So that's the reason you came back" Ye Chen said to Shi Lin.

"Of course, I came back because of that" Shi Lin came back because of that, she wanted to join the branch family meeting.

"I'm already here, I will of course come, I want to make sure that you're okay" Ye Chen said to Shi Lin.

βandasnovel.com "I'm so happy to hear this" Shi Lin felt happy, Ye Chen would come, that meant there would be a little help for the future.

"I'll go, the food will be ready soon, so you should prepare" Shi Lin told Ye Chen.

"Alright" Ye Chen replied to Shi Lin.

After saying that to Ye Chen, she left immediately, she went straight to the kitchen and made sure everything was going well.

Ye Chen spent some time before he came back, when he came back, he found Wu Ziyi and Jia Li inside his room.

"I didn't enter the wrong room, right?" Ye Chen said that he was not wrong in entering the room.

"This is indeed your room" Wu Ziyi told Ye Chen.

"Then why are you two here?" Ye Chen asked Wu Ziyi and Jia Li.

"That's rude, we came to visit, you should welcome us properly" Jia Li said to Ye Chen.

Chapter 2619 Double Service

"I didn't mean it like that" Ye Chen said to Jia Li and Wu Ziyi.

"Fufufufu" the two smiled, they both smiled at Ye Chen, they seemed to enjoy seeing Ye Chen at a loss.

"So where have you been?" Jia Li asked Ye Chen.

"I just went to the garden and met Shi Lin" Ye Chen told her that he just met Shi Lin.

"What did you guys talk about?" Wu Ziyi was curious, she wanted to know what Ye Chen and Shi Lin talked about.

"He said that there will be a branch clan meeting and told me to come along with him, you two will also be invited by her" Ye Chen said to Wu Ziyi and Shi Lin.

"So that's the reason why she came back home" Jia Li finally knew the reason why Shi Lin came back.

"Then we'll go" Wu Ziyi said to Ye Chen, telling Ye Chen that they were leaving.

"Of course, we'll go" Ye Chen nodded, she would go to that place.

"Shi Lin told me that the food will be ready in a few hours, we still have time" Ye Chen said to Jia Li and Wu Ziyi.

Ye Chen approached, he hugged Wu Ziyi and Jia Li who were in front of him.

Wu Ziyi and Jia Li did not resist or put up a fight, both of them seemed to accept what Ye Chen was doing.

Ye Chen saw that if they both obeyed, Ye Chen could do everything he wanted.

"emmm, ahhhh" they both moaned, they enjoyed Ye Chen's touch, the three of them started kissing, Ye Chen treated Jia Li and Wu Ziyi well.

"ahhh, it's so comfortable" Jia Li and Wu Ziyi said to Ye Chen, both of them felt very comfortable.

"This feels very comfortable, how do you do it" Jia Li asked Ye Chen, what Ye Chen did felt very comfortable.

Jia Li had tried it herself, somehow she didn't feel comfortable when she tried it herself, it felt clearly different from what Ye Chen did.

"There is a special trick to do it, you won't feel this trick" Ye Chen said to Jia Li, he told her that there was a special trick that Jia Li wouldn't be able to do.

"I'm so happy, I really like it, please touch me more" Jia Li said to Ye Chen, she asked Ye Chen to touch her more and more.

"I will do it" Ye Chen understood.

"husband, I also want to be touched by you" Wu Ziyi did not want to lose, she asked Ye Chen for more, these two beautiful women asked Ye Chen for more, Ye Chen certainly would not disappoint the two of them.

"Of course, I will take good care of you" Ye Chen said to Jia Li and Wu Ziyi.

Ye Chen strengthened his touch, he touched both of them and gave comfort to both of them.

Wu Ziyi and Jia Li were so comfortable, they moaned quite loudly and quickly reached the peak.

They both felt a great comfort, they felt very comfortable with what Ye Chen was doing.

"That was great" Jia Li and Wu Ziyi were satisfied, they were very satisfied with what Ye Chen did. Jia Li and Wu Ziyi.

The two of them were very satisfied, both of them were very satisfied to receive the touch and comfort from Ye Chen.

Some time later, Wu Ziyi and Jia Li got up, both of them got up and started to approach Ye Chen.

"You have made us very comfortable, it is our time to repay your kindness" Wu Ziyi said to Ye Chen.

"That's right, let you serve you" Jia Li said to Ye Chen, she wanted to serve Ye Chen.

They both wanted to repay Ye Chen, they wanted to repay the kindness given by Ye Chen.

Even though they just did it yesterday, but now they want it again, they are too happy and can't help themselves when they see Ye Chen teasing them.

Ye Chen himself also couldn't bear to look at the beauty of Jia Li and Wu Ziyi, both of them were too tempting for Ye Chen, Ye Chen wouldn't be able to withstand the temptation that the two of them were doing.

The two of them served Ye Chen, they tried to touch and make Ye Chen feel comfortable by using the skills they had.

Since they were still inexperienced about this matter, they did everything they could, they used the skills they had to make Ye Chen as comfortable as possible.

Ye Chen didn't really care about things like this, he enjoyed what Jia Li and Wu Ziyi were doing.

Ye Chen was not picky, as long as he felt comfortable, he would be very satisfied with what Jia Li and Wu Ziyi did.

Jia Li started helping to take off Ye Chen's clothes, she helped to take off all of Ye Chen's clothes.

"It has grown bigger" Jia Li said to Ye Chen, it seemed that it had grown bigger compared to before.

It was because Jia Li and Wu Ziyi were too seductive, Ye Chen wouldn't be able to help feeling excited when seeing two seductive beauties like Jia Li and Wu Ziyi.

"That's big" Wu Ziyi looked at Ye Chen's, she and Jia Li were trying to please Ye Chen's little brother.

Ye Chen was impatient, he couldn't wait to feel the double service that Jia Li and Wu Ziyi would do.

"Let's start" Jia Li said to Wu Ziyi, she told Wu Ziyi to start right now.

"Understood, let's start" Wu Ziyi understood, it was their time to start.

The two of them started to provide a service for Ye Chen, they gave Ye Chen a double service.

"oh, here it is" Ye Chen was of course happy with what Jia Li and Wu Ziyi did, both of them provided services for Ye Chen. I think you should take a look at

Jia Li and Wu Ziyi began to hold and start eating Ye Chen's, they used their tongues to make Ye Chen comfortable.

Ye Chen was satisfied with what Jia Li and Wu Ziyi were doing, he was very happy with what they were doing.

Ye Chen couldn't help it, he couldn't help this pleasant feeling.

"It's too comfortable, it's so amazing" Jia Li and Wu Ziyi did so well, they made Ye Chen fly.

Jia Li and Wu Ziyi saw the reaction Ye Chen showed, it seemed that they really enjoyed what Ye Chen felt.

Jia Li and Wu Ziyi became even more excited, they all wanted to make Ye Chen comfortable, they would use all the skills they had to make Ye Chen as comfortable as possible.

"Slurp. . ." The two continued, they provided the most comfortable special service for Ye Chen.

"You two, that was very good, continue your good work" Ye Chen said to Jia Li and Wu Ziyi.

Jia Li and Wu Ziyi continued, they would not stop before Ye Chen was defeated.

Jia Li and Wu Ziyi worked together to defeat Ye Chen, they must be able to defeat Ye Chen.

.

.

Some time later.

Jia Li and Wu Ziyi were doing well, they took turns swallowing Ye Chen's and making Ye Chen comfortable.

Ye Chen was too strong, Jia Li and Wu Ziyi were having trouble defeating Ye Chen.

They needed more effort to defeat Ye Chen.

With the effort that Jia Li and Wu Ziyi put in, they were finally able to make Ye Chen confide in them.

"ummm. ., take this" Ye Chen gave gifts to Jia Li and Wu Ziyi, he gave gifts for their hard work.

"This is hot" Jia Li and Wu Ziyi said to Ye Chen, some parts of their body were covered with Ye Chen's essence.

It made them look more and more seductive than before.

"You made us a little dirty, this will be a problem for us" Wu Ziyi said to Ye Chen.

"That was comfortable" Ye Chen said to Wu Ziyi and Jia Li, he felt comfortable with what the two were doing.

"Let's go clean up, we don't have much time" Jia Li said to Wu Ziyi, she told her that they didn't have much time.

"Husband, thank you very much, we will leave" Wu Ziyi said to Ye Chen, she told Ye Chen that they were leaving.

They didn't have any more time, so they could only leave and start cleaning up after themselves.

Ye Chen lay on the bed, it was really very pleasant, if it continued it would be a great thing for Ye Chen.

.

.

"Ye Chen, are you inside?" Shi Lin asked Ye Chen.

It was about time, so Shi Lin came to invite Ye Chen.

"I will come" Ye Chen said to Shi Lin, he told her that he would come.

Ye Chen opened the door and went straight to Shi Lin, Shi Lin happened to have changed her clothes, she was wearing more beautiful clothes compared to usual.

"Come on, come with me" Shi Lin said to Ye Chen, she told Ye Chen to come along with her.

"Okay" Ye Chen understood, he came along with Shi Lin, they went together to the dining room.

Wu Ziyi and Jia Li were still in preparation, so Ye Chen and Shi Lin had to wait for them first.

"We are ready" Wu Ziyi and Jia Li were finally ready, they came out and wore better clothes compared to before.

Due to the previous incident, the clothes Wu Ziyi and Jia Li had were dirty, so they couldn't help but change their clothes.

"What do you think?" Jia Li asked Ye Chen for her opinion.

"You two are beautiful" Ye Chen told Jia Li and Wu Ziyi, he told them that they were beautiful.

Wu Ziyi and Jia Li were very happy when she heard this.

Shi Lin looked at Jia Li and Wu Ziyi, she envied them both.

"What about me" Shi Lin asked Ye Chen, she wanted to know Ye Chen's opinion about her.

"You are beautiful too" Ye Chen told Shi Lin.

Shi Lin was very happy to hear this.

Chapter 2620 Uninvited Guests Come

"Then come with me." Shi Lin felt very happy after receiving Ye Chen's praise, she immediately took Ye Chen and the others to the living room, she had prepared everything for them.

Wu Ziyi and Jia Li smiled when they saw Shi Lin, it seemed like a great first step.

"You did very well" Jia Li praised Ye Chen, Ye Chen did very well.

Praising Shi Lin was a good thing, it made Jia Li and Wu Ziyi feel happy because the step to get Shi Lin would be close.

They arrived at the dining room, there were tons of banquets that had been prepared, all of these were prepared to welcome the arrival of Jia Li.

If there was no Jia Li here, it wouldn't be as good as it is now.

"Welcome" Shi Kimu said to Jia Li, he welcomed them very well.

"Thank you for the welcome, I'm happy with the welcome" Jia Li was happy with the welcome.

"This is nothing" Shi Kimu said that it was nothing, he told Jia Li not to be too flattering.

"Let's sit down" Shi Lin said to everyone, she told everyone to sit down and he would prepare everything for them.

The dishes began to be prepared, they began to eat together with Jia Li and Shi Kimu.

Shi Kimu said to Jia Li, he engaged Jia Li in conversation, most of the conversations they had were about business, it seemed like they wanted to do business.

"You should try it, this is the best food we have" Shi Lin said to Ye Chen, she told Ye Chen that this was the best food she had.

"Of course, I will eat it well" Ye Chen understood, he would eat everything well, he would not disappoint Shi Lin who had bothered to prepare everything.

"Come on, you have to try everything well" Shi Lin said to Ye Chen, Shi Lin helped Ye Chen, he got everything for Ye Chen.

"Master. . ." A waiter came in, he whispered and seemed to be telling something to Shi Kimu.

"What's wrong?" Shi Kimu asked, he wanted to know what happened.

"Someone is coming, should I bring him into this place?" the waiter told Shi Kimu.

The waiter told him that someone was coming in, an important guest who was going to enter this place.

"Why is he coming?" Shi Kimu asked the waiter.

"I don't know" the waiter told Shi Kimu, telling him that he didn't know much about this matter.

"Then let him in, I don't have too many options here" Shi Kimu told the waiter, he didn't have too many options in this place.

"What's wrong?" Ye Chen asked Shi Lin, something seemed to have happened to Shi Kimu.

"I don't know, I'll ask him" Shi Lin told him that she would ask Shi Kimu.

"What's going on?" Shi Lin asked, she wanted to know what was going on here.

"We have a guest from the branch family, this is your uncle Shi Tu" Shi Kimu told Shi Lin.

"Why did he come to this place?" Shi Lin asked Shi Kimu.

Shi Lin didn't look too happy about this, he seemed to be unhappy with Shi Tu.

"Why do you look angry ?" Ye Chen asked Shi Lin, he could see that Shi Lin looked angry when she heard this.

"I don't really like that person, to be honest that person is too arrogant and often insults my family, just because he has a higher status compared to us" Shi Lin told Ye Chen.

Shi Lin told Ye Chen why she didn't like Shi Tu, it was because he was throwing tantrums by insulting and bragging about his abilities in front of Shi Lin. I think you should take a look at

Honestly, Shi Tu had more wealth and power than this family, they had a much better business, it was not strange that they would be so arrogant.

"So it's like that" Ye Chen understood a little, he understood what Shi Lin was saying.

"hello. .., hello . . ." a man came over, a luxurious-looking person, he was wearing clothes and some expensive jewelry.

Ye Chen and the others looked straight at Shi Tu, they could probably tell right away what Shi Lin's previous words meant.

"So this is what it means" Ye Chen seemed to be starting to understand, he was starting to understand what Shi Lin was saying.

"I told you, I don't really like him" Shi Lin said to Ye Chen, she told him that she didn't really like this guy.

"Understood, understood" Ye Chen understood, he understood and knew why Shi Lin could dislike the person in front of him.

Ye Chen alone probably wouldn't like it too much, he wouldn't like the man in front of him.

"hello brother Tu" Shi Kimu greeted Shi Tu, he gave a formal greeting to welcome the arrival of Shi Tu.

"Your place is still the same as before, nothing has changed, don't you have a good income" Shi Tu said to Shi Kimu.

Shi Kimu could only smile as he listened to this, he looked normal and was used to listening to Shi Tu's ramblings.

Shi Kimu was patient, he knew that fighting back wouldn't do them any good, it would only add to the problem.

"Stop talking like that, the house isn't very nice, but that doesn't mean it's ugly" Shi Lin said.

Shi Lin told them that her house might not be as nice as Shi Tu's, but even so, it was still very good compared to other families.

"This reality is bad, you have to accept this reality, if you want to be better, you have to increase the pill sales in your family" Shi Tu said to Shi Lin, he was telling the truth, and this truth was true.

Shi Lin gritted her teeth, she probably wouldn't be able to contain this anger.

Ye Chen and the others looked towards Shi Lin, they could see that Shi Lin was angry.

"Don't get angry anymore." Wu Ziyi tried to calm Shi Lin down, she told Shi Lin to calm down even more.

"There's no way I can be calm when listening to what this guy says" Shi Lin said to Wu Ziyi.

Wu Ziyi didn't know what to do, she looked towards Ye Chen who was next seat.

Ye Chen looked at Wu Ziyi, he seemed to know what Wu Ziyi meant.

"What's wrong with sales, I think sales are good, are you jealous" Ye Chen helped, he decided to help Shi Lin fight Shi Tu.

"hahahaha, what are you saying, it's obvious that sales in this place are low these days" Shi Tu said to Ye Chen.

"It may be low now, but soon it will become higher" Ye Chen said to Shi Tu.

"hahahaha, the Sect meeting is some time away, are you sure you can say that" Shi Tu said to Ye Chen.

"why not, anything can happen, are you going to taste defeat" Ye Chen said to Shi Tu, he was confident in himself.

Shi Lin looked at Ye Chen, she still didn't understand what Ye Chen was doing.

"That's impossible, I've always been the first, I'm unbeatable" Shi Tu said to Ye Chen.

"Then you better get ready, you're going to lose here" Ye Chen said to Shi Tu, he told him that he was going to lose here.

Shi Kimu, Shi Lin and everyone were shocked when they listened to what Ye Chen said, Ye Chen's words were too bold.
