

True God 2691

Chapter 2691 Balanced Battle

Everyone was still silent, they didn't want to come forward and acted as if they didn't hear what Zhao Yunge was saying.

"You coward" Zhao Yunge said to everyone.

"Come on, fight me." Shi Lin said that she wanted to fight Zhao Yunge.

"Too easy for me to beat you" Zhao Yunge attacked Shi Lin, he used his horse to destroy Shi Lin.

Shi Lin dodged Zhao Yunge's attack, after dodging Zhao Yunge's attack, she attacked Zhao Yunge with full force.

"take this" Shi Lin spat out a rain of sparks, a blast of fire enveloped Zhao Yunge's body.

This explosion was huge, everyone could feel this explosion very clearly.

"what the hell, she has super terrifying strength" people didn't expect that Shi Lin was capable of such a thing, she had the power to make such a powerful explosion.

Shi Lin used all the strength she had, so it wasn't strange that she could create such a powerful and huge explosion.

"That's great, you did very well." Jia Li saw Shi Lin from the outside, she saw that Shi Lin was doing very well.

"You have an excellent disciple too, being able to wield such power, I have never heard of this" Chen Ting said to Jia Li.

"I have prepared her for today, of course she will shine" Jia Li said to Chen Ting.

Luckily Shi Lin had undergone rigorous training from Jia Li, it made her even stronger and was now in an almost similar league to Zhao Yunge.

"But where is that person, why is he just silent." Jia Li didn't see Ye Chen in the battle right now, that means Ye Chen was currently on the defensive.

Should Ye Chen join the battle, it would be great if Ye Chen and Shi Lin teamed up.

Jia Li knew Ye Chen's strength and potential, if Ye Chen joined, they would have more chances to win.

Too bad Ye Chen wasn't interested since the leader of the group told him to stay on the defensive, since he got the defensive position, he was enjoying this well together with Wu Ziyi.

"Boom. . ." people heard the bangs and bangs from afar, they were aware that a big battle was taking place far away from this place.

The shaking happened several times, ordinary people should know what caused this phenomenon.

"Looks like the battle has become fiercer" Ye Chen saw that the battle had become much fiercer compared to before.

"Are they going to be okay?" Wu Ziyi wanted to know what would happen to those who fought, she was worried about what happened.

"Don't worry, everything will be fine." Ye Che said to Wu Ziyi, he told her that everything would be fine, nothing would happen to any of them.

Ye Chen was sure that everything would be fine, so Wu Ziyi didn't need to worry about them.

Shi Lin was also strong, so she should be able to overcome this problem.

Ye Chen believed that with Shi Lin's strength and abilities, she had become stronger than before, the chance of winning would be greater for her.

"don't lose" Wu Ziyi will support Shi Lin, she will support Shi Lin not to lose.

.

.

.

Back on the battlefield, Shi Lin was still facing Zhao Yunge.

Zhao Yunge's body was enveloped in a huge flame, it was hard to tell whether Zhao Yunge was still alive or had been defeated.

"did he get beat" people tried to guess, they tried to guess if Zhao Yunge was still alive.

"There's no way such an attack could defeat Zhao Yunge." People started speculating about what happened, many of them couldn't believe that Zhao Yunge lost.

"Slash" Zhao Yunge swung his spear, he obliterated all the flames that enveloped his body.

"Not bad" Zhao Yunge admitted that Shi Lin had an ability, he had an ability to make Zhao Yunge a little scratched. I think you should take a look at

"still not strong enough" Shi Lin knew that her attacks weren't strong enough to defeat Zhao Yunge in one strike.

"I acknowledge the ability you have." Zhao Yunge acknowledged that Shi Lin had the ability.

"Let's fight" Zhao Yunge said to Shi Lin.

"the two fought" Shi Lin used the black rose sword weapon to face Zhao Yunge.

"clank" The of their two weapons met, as their two attacks met, an explosive impact occurred, it made both of them retreat.

Shi Lin and Zhao Yunge retreated, Shi Lin retreated quite a distance, meanwhile Zhao Yunge took several steps back, it seemed that Zhao Yunge's attack power was much stronger than Shi Lin's.

"he is really strong" Shi Lin had to admit Zhao Yunge's strength.

Zhao Yunge was indeed strong, which was why he was the strongest person in this competition.

"Not bad either, able to survive the attacks." Zhao Yunge was more and more interested in Shi Lin, this woman was much stronger than Zhao Yunge imagined.

Zhao Yunge thought that Shi Lin would not be able to defend against his attack, Shi Lin actually did, she did and only retreated a little.

Shi Lin was not injured, which proved that Shi Lin was indeed strong.

"You are great, then I will use my full strength against you, are you ready to accept your defeat?" Zhao Yunge said to Shi Lin.

An extraordinary aura emitted from Zhao Yunge's body, an extremely powerful and extremely terrifying aura was emitted by Zhao Yunge.

"he used full power, this is not good." They retreated, they were intimidated by the power of Zhao Yunge.

Zhao Yunge's strength was indeed great and terrifying, so it wasn't strange that everyone felt intimidated by his strength.

Those who couldn't afford it immediately withdrew, otherwise they would run into a problem, so they had to withdraw immediately.

Shi Lin was able to overcome this, so there was no problem for Shi Lin to fight against Zhao Yunge.

"let's end this battle" Zhao Yunge said to Shi Lin, he advanced on his horse.

Shi Lin stepped forward, they started fighting showing a great battle.

"What is it, who can fight Zhao Yunge ?" Cao Muba and Yae Leifu looked at who was able to fight Zhao Yunge.

The two of them saw Shi Lin who was fighting Zhao Yunge.

Shi Lin was quite strong, she was able to take on Zhao Yunge evenly.

It was a shock for Cao Muba and Yae Leifu.

"he has grown" Yae Leifu saw that Shi Lin had grown, she showed great progress.

Yae Leifu was proud of it, she was proud when she saw Shi Lin fight.

Shi Lin tried to find an gap, so she could attack Zhao Yunge.

Zhao Yunge didn't show any gap to Shi Lin, it made Shi Lin feel difficult when fighting him.

Zhao Yunge looked like he was having fun, he displayed extraordinary skills and attacked Shi Lin aggressively.

Shi Lin still had to be careful when she received an attack from Zhao Yunge.

Shi Lin might be sent flying if she wasn't careful when receiving attacks from Zhao Yunge.

Zhao Yunge attacked continuously, he didn't give the opponent a chance.

Zhao Yunge had trained extremely well, so it wasn't strange that he wouldn't give Shi Lin any openings to attack.

Plus the horse Zhao Yunge used could attack, it put Shi Lin in trouble.

"Strike" Shi Lin used sparks, the color of the sparks became much deeper, it seemed that Shi Lin had increased the power of her attacks.

Chapter 2692 The Castle Is Surrounded By The Enemy

"boom" An explosion occurred when Shi Lin attacked Zhao Yunge, this explosion was powerful and enormous.

"opportunity" Shi Lin saw an opportunity, she stepped inside and attacked Zhao Yunge.

Zhao Yunge saw what Shi Lin was doing, of course he against what Shi Lin was doing.

παπιδαςNovel.com "too reckless" Zhao Yunge made good use of this opportunity, he attacked Shi Lin who was in front of him.

"Flame Spear" Zhao Yunge's used the Flame Spear, the flame spear swung towards Shi Lin.

Shi Lin had no time to retreat or dodge, this attack had to be countered with full strength.

Shi Lin focused all of the profound energy she had into her sword.

she issued an attack using the sword in her hand.

"Boom. . ." a huge explosion occurred, this explosion was really huge and everyone around was affected.

Shi Lin had to fly backwards, meanwhile Zhao Yunge had to fall from his horse.

"I lose" Shi Lin lost the battle, she obviously couldn't win against Zhao Yunge.

Zhao Yunge got up, he only had a few abrasions from the exchange just now.

Zhao Yunge getting up, he tried to attack Shi Lin who was in front of him.

"take this" Zhao Yunge attacked Shi Lin, this would probably be their last battle.

Shi Lin used all of her strength to block Zhao Yunge's attack, she knew that her defense would not be able to withstand Zhao Yunge's attack.

"die" Zhao Yunge said to Shi Lin.

Shi Lin closed her eyes, it seemed that she would lose in this place

When Zhao Yunge's attack was about to hit Shi Lin, Ye Chen used his own ability to move Shi Lin's body.

Ye Chen of course could see the battle through his eyes, so he knew what had happened to Shi Lin.

When Shi Lin was in trouble, Ye Chen used his own ability to move her.

With Ye Chen's ability to control dimensions, he could teleport people over great distances, Ye Chen's ability had already improved a lot compared to before.

"Hahahahaha" Zhao Yunge was delighted, he managed to defeat Shi Lin using his full strength.

Now nothing stood in the way of Zhao Yunge defeating the enemy.

Zhao Yunge went on a rampage again, he went on a rampage again and attacked everyone around.

Everyone fled, this made the troop's formation extremely chaotic and beyond repair.

"Where is this?" Shi Lin thought that she had already left, but she saw that she was in a fort.

"are you okay ?" Ye Chen asked Shi Lin.

"husband" Shi Lin's saw Ye Chen, she didn't expect that she would be in front of Ye Chen.

"are you okay ?" Wu Ziyi stood beside Ye Chen, he asked about the condition from Shi Lin.

"I'm fine, but where is this?" Shi Lin asked Wu Ziyi.

"this is in our place, we all guard this fort" Wu Ziyi said to Shi Lin.

"Ah, so that's how it is" Shi Lin finally understood, she was now in the stronghold guarded by Ye Chen and Wu Ziyi.

"That was a little careless just now" Ye Chen said to Shi Lin, Shi Lin did something reckless.

"I know that, sorry" Shi Lin knew that she did something reckless, she did just that and almost got kicked out of the match.

"Listen to me, that fellow has a horse that is resistant to fire attacks, it has a shield that is resistant to fire attacks, so the attacks you use won't have much effect on him" Ye Chen said to Shi Lin.

The Flame Guardian horse had a fire resistance of up to 90%, so it wasn't strange that its user would be immune from Shi Lin's attacks.

If only Zhao Yunge didn't use the Flame Guardian horse, he might be in trouble when he faced Shi Lin.

"So it's like that" Shi Lin finally understood, she understood why she could lose to Zhao Yunge.

"Then I want to fight again" Shi Lin said to Ye Chen.

"No, they have retreated" Ye Chen informed that the army had retreated, Zhao Yunge had created an army from Golden Super Land Sect as well as the immortal valley sect was terrified.

It wouldn't be good for the battle since they had already lost their morale.

"That person is indeed strong, so it's not strange that many people are afraid." Shi Lin understood the reason, he understood why they were afraid of Zhao Yunge.

"You stay here" Ye Chen said to Shi Lin.

"You will not fight ?" Shi Lin asked Ye Chen.

"Maybe tomorrow, today I'm too lazy to fight." Ye Chen said to Shi Lin.

Ye Chen will fight tomorrow only.

"You are always not serious about this matter." Shi Lin said to Ye Chen, Ye Chen didn't seem serious about this matter.

"I just want to see what they can do" Ye Chen said to Shi Lin.

Ye Chen wanted to see the ability of Nang Wanla.

"It seems that you are not serious about him" Shi Lin said to Ye Chen.

Shi Lin understood Ye Chen's reasoning, she understood why Ye Chen did that, it was because of Nang Wanla.

"It seems they will be fine." Shi Lin felt that if they were fine, Cao Muba and Yae Leifu would definitely come back and retreat.

Ye Chen was still watching the battle from here, he was watching the battle from above this fortress, so he knew what they were all doing.

Zhao Yunge and his troops attacked the part of the castle that Nang Wanla lived in.

Ye Chen wanted to see how Nang Wanla would deal with this problem, whether he would be able to overcome it.

Zhao Yunge's army strength is now strong enough to destroy any group, plus the troops on Nang Wanla's side are only a few, so he must do something against Zhao Yunge.

"divide the army into two parts" Zhao Yunge divided the army into two parts, he will attack the immortal valley sect, meanwhile a part will attack the GoldenSuper Land Sect.

"understood".

Zhao Yunge believes in everyone in his squad, they can definitely do it.

"let's go" Zhao Yunge together with everyone immediately went to Nang Wanla's place.

On their way to destroying the stronghold that was previously occupied by the small Sect, the small Sect had no chance of winning against such a powerful attack.

In just a matter of minutes, they had arrived at Nang Wanla's place.

It didn't take long, they surrounded the castle, there was nothing else to do, they would not be able to escape from the enemy.

Nang Wanla was pacing back and forth, everything was extremely chaotic, this was all because of Zhao Yunge's actions, that person was too strong, none of them dared to fight Zhao Yunge head-on.

"Don't you guys dare to fight?" Zhao Yunge asked the first talent in each faction.

"do you think we are playing, we have fought hard, you don't see it" Yae Leifu was the first to get angry, he of course angry when he found out that Nang Wanla doubted them.

They had already fought hard to fight, it would not be strange for Yae Leifu to get angry when she knew what Nang Wanla was thinking.

"Why don't you fight, aren't you strong too" Cao Muba said to Nang Wanla.

"That's so true, why don't you face him, you are also as strong as us" Yae Leifu said.

"I am the leader here, how can you order me to do such a thing" said Nang Wanla.

"Zhao Yunge is also the leader, but he is advancing directly to the forefront," said Cao Muba.

Chapter 2693 Castle Collapse

Cao Muba blocked the way from Nang Wanla, right now Nang Wanla wouldn't be able to run anymore, he wouldn't be able to run anymore because his path had been blocked by Cao Muba.

Cao Muba compared Nang Wanla and Zhao Yunge, that would naturally be a problem for Nang Wanla.

"Don't compare me with him." Nang Wanla was unhappy when he was compared to Zhao Yunge.

"if you don't want to, hurry forward, don't keep us all waiting" Yae Leifu said to Nang Wanla.

Both of them urged Nang Wanla to come forward, on the other hand Nang Wanla's fiancée couldn't do much, she couldn't control the situation, the enemy was too strong and their strategy was crushed easily.

"come with me" Nang Wanla couldn't lose face, he could only go forward and fight Zhao Yunge.

With this Nang Wanla finally showing herself, she finally came forward to face Zhao Yunge.

"Finally you came out, I thought you would all hide like rats" Zhao Yunge said to Nang wanla, Cao Muba dan Zhao Yunge.

"we don't need to hide from you" Yae Leifu said that they don't need to hide.

"Come on, fight, their army is only half left." Cao Muba realized that Zhao Yunge's army was only half left.

It seemed that Zhao Yunge had divided his army into half, this would be a good thing for all of them.

"this is our chance" as long as there weren't strong people beside Zhao Yunge, they could easily handle it.

"come forward" Zhao Yunge told everyone to come forward.

"Let's go forward now." Nang Wanla, Cao Muba and Yae Leifu finally came forward.

Zhao Yunge was happy when he saw this, he started to gallop and fight like a warrior who longs for battle.

Zhao Yunge's strength became even greater, the flames in his body churning as if excited from finding an opponent.

"boom" Their finally met, all of their attacks finally met and a huge explosion occurred.

Nang Wanla, Cao Muba and Yae Leifu fell backwards, their attacks were parried and turned back by Zhao Yunge.

"This guy monster" Cao Muba saw that Zhao Yunge was a monster, even after they combined forces, they still couldn't win.

"Everyone join forces you have" Nang Wanla gave the order, they will not win if they continue like this.

With orders given out, everyone came forward to fight Zhao Yunge.

"Come forward, show me your strength." Zhao Yunge told them to show their strength, he wanted to see the strength they possessed.

They attacked Zhao Yunge, everyone cooperated and launched their attacks towards Zhao Yunge.

Zhao Yunge parried every attack launched by the enemy, he parried every attack launched by the enemy easily and without a problem.

"how did he do that" all the attacks were easily parried, Zhao Yunge's spear and horse were impenetrable defenses.

"feel this" Zhao Yunge waved his spear, when he did that, all of Nang Wanla's troops were wiped out.

"Impossible" Nang Wanla was shocked when he saw all his troops were blown away by Zhao Yunge.

"Now it's just the two of us, come fight me." Zhao Yunge said to Nang Wanla.

"I will not attack" Nang Wanla did not want to give up.

"then die" Zhao Yunge swung a powerful attack towards Nang Wanla, with which Nang Wanla was sent out.

Now that the castle has been taken over by Zhao Yunge, he has gained enough territory.

"Now there are only a few small fortresses left, let's finish this quickly." Zhao Yunge gave the order, he gave the order to seize the remaining of the Immortal Valley Sect's strongholds.

"understood" they all understood, they immediately went to capture the remaining stronghold.

Cao Muba and Yae Leifu were blown far enough away, they didn't expect Zhao Yunge to have such monster strength.

The difference in their strength was indeed far, plus Zhao Yunge had strong strength, weapons and techniques.

This was a battlefield that was very suitable for Zhao Yunge, it would not be strange for him to become a frightening specter for all the participants.

"It seems there is no hope of winning again" said Yae Leifu.

They would have no hope of winning again, the direction of the battle was already clear, Zhao Yunge could not be stopped, he would easily gain all the territory.

"We just need to wait until all our territory is used up, after that we will leave," said Cao Muba.

They could only wait until their territory was exhausted.

"I don't want to stay here" Yae Leifu doesn't want to stay silent, she will fight to the end.

"You are absolutely right, we can't survive here" everyone come along, we will fight to the limit, we must not embarrass Sect" Cao Muba said.

Cao Muba was motivated by Yae Leifu's words, which was why they would fight to the end.

"We can wait for them at the nearest fort, there should be a fort around this place" Yae Leifu said to everyone.

They were looking for the nearest fort, what a coincidence, this was the fort where Wu Ziyi, Shi Lin and Ye Chen.

"Hey, are you all still alive?" Cao Muba asked, they asked if those inside were still alive.

"We are still alive" Shi Lin replied. When Shi Lin appeared, it shocked Cao Muba and Yae Leifu.

"Are you safe?" They were all shocked when they saw that Shi Lin was still alive.

"Of course, I'm safe" Shi Lin told him that she was safe.

"That's" they didn't expect that Shi Lin would survive such an attack, it was such a great thing.

"but why are you here" Yae Leifu asked Shi Lin.

"I was saved by someone" Shi Lin told Yae Leifu.

"So it's like that" Yae Leifu understands, she understands what happened.

"Looks like you guys are injured, let's go inside and recover yourselves" Shi Lin said to everyone.

Everyone entered the fort, they entered and recuperated using the medicine that Shi Lin had.

"how's it going ?" Shi Lin wanted to know how it was.

"Too bad, that guy really can't be stopped, he is a monster" Yae Leifu said.

"That is really difficult," Shi Lin said to Yae Leifu.

"I think he will come to this place soon" Yae Leifu said to Shi Lin.

"We might fight again" said Yae Leifu.

"No problem, it should be pretty safe here," Shi Lin said.

"Why are you so confident that this place will be safe" asked Yae Leifu.

"Because this place has people strong enough to defend it" Shi Lin said.

"quite a strong person" said Yae Leifu, Yae Leifu wanted to know who it was.

"Yeah, he's over there, sleeping" Shi Lin said.

Shi Lin pointed at Ye Chen, since there was nothing to do, Ye Chen took a nap first.

"Isn't it the outer court disciple who clashed with Nang Wanla.

"Yes, you are absolutely right, he is quite strong," said Shi Lin.

"Are you sure?" asked Yae Leifu, Yae Leifu didn't seem too sure about what Shi Lin said.

"I'm very sure about that." Shi Lin quite believed Ye Chen, she believed that Ye Chen could be compared to Zhao Yunge.

"If he really has the ability, why doesn't he just step forward" said Cao Muba.

If Ye Chen really had strength, he should just go ahead.

"It's quite difficult to order him, he wouldn't want to if it wasn't for his own will" Shi Lin said.

Ye Chen didn't want to make a move yet, so no one could tell Ye Chen to leave.

This made Cao Muba and Yae Leifu even more doubtful, In their eyes, they doubted Ye Chen's ability.

Chapter 2694 Ye Chen Vs Zhao Yunge (1)

"he is like that, but I believe we will be fine" Shi Lin said to Cao Muba and Yae Leifu.

Cao Muba and Yae Leifu didn't ask much more, both of them tried to believe what Shi Lin said.

Cao Muba and Yae Leifu recovered themselves. They should recover soon, After they recovered, they would be able to fight again.

Zhao Yunge should be coming soon, he would definitely come soon to fight Ye Chen and the others.

"they are coming" Shi Lin felt that they were coming, Zhao Yunge's aura could be felt far away.

"Hmmm" Ye Chen saw that there were several strong people coming.

"oh, they finally came" Ye Chen didn't expect that it would be so fast.

Zhao Yunge came too fast, they finally came to fight Ye Chen.

"Everyone prepare, this will be our last battle" everyone must prepare, this will be the final battle, this is their final limit, if this breaks, they will be finished.

"I came to destroy you all" Zhao Yunge said that he came to destroy them all.

"So noisy" Ye Chen came over, he saw the approaching Zhao Yunge.

"Has he come, he is too noisy" Ye Chen said that Zhao Yunge was too noisy.

Everyone looked at Ye Chen, they saw that Ye Chen was still very relaxed.

Everyone here looked tense, they were too tense because they were going to face Zhao Yunge.

Zhao Yunge stopped, he was now in front of the fort and was ready to destroy it.

"This is your last territory, after succeedingl grab, then you will no longer have territory, are there any last words from you" Zhao Yunge said.

"we will defend this fortress to the end" everyone will not give up, they will defend this fortress to the end.

"Hahahaha" Zhao Yunge laughed, they still wanted to fight, they didn't give up even after losing.

"You are too chatty" Ye Chen said to Zhao Yunge.

Ye Chen interrupted Zhao Yunge's words, he said that Zhao Yunge was too talkative.

Zhao Yunge spoke too much, he was like a woman who was nagging.

Zhao Yunge was silent for a while, he looked towards Ye Chen with a sharp gaze.

Zhao Yunge was obviously not happy about this, he wasn't happy when he heard what Ye Chen said.

"How dare you, I will destroy you" Zhao Yunge said that he would destroy Ye Chen.

.

.

While the audience saw what Zhao Yunge was doing, it was obvious that this was the Immortal Valley Sect's last line of defense, once Zhao Yunge took it, they would be completely defeated.

Among the big Sects, the Immortal Valley Sect will be the first to be returned, this is obviously not good news for them.

On the other hand, Golden Super Land Sect can still survive a bit, at least they can buy time for the next few hours.

"looks like this is the end" Li Haong, ChenThing and the others had already given up, it looked like that would be the end for them.

It looks like this year they will be in last place, it will be a real embarrassment for all of them.

"hahahaha, looks like you guys will be the last" Ming Rashe said to all the faction leaders, they all remained silent as they listened to this, they couldn't answer because the reality was in front of them.

"we lost this year, to think that the enemy would have such strength" they had to admit defeat, the enemy possessed formidable strength, there was no reason for them not to admit defeat.

"Don't worry, it's not over yet, we still have a chance to rise" Jia Li said to everyone.

"Why are you so sure about that?" Chen Ting asked Jia Li, why was Jia Li so sure about such a thing.

"I have faith in that" Jia Li informed that he had faith in Ye Chen.

"That's absolutely true the battle is still not over" Xuan Mei said to everyone.

Xuan Mei and Jia Li both believed in Ye Chen, they believed that this battle was still not over.

They saw Xuan Mei and Jia Li, the first time they saw the two together, this was a rare thing.

.

.

Return to the battlefield.

Zhao Yunge started to attack, he swung his spear and prepared to destroy the fort.

Ye Chen waved his hand, when Ye Chen did that, Zhao Yunge's attack was deflected.

"What ! ! !" Everyone was shocked when they saw that Zhao Yunge's powerful attack was deflected.

Zhao Yunge's attacks were powerful and terrifying, Those who had fought Zhao Yunge before knew the power of these attacks.

"What was that just now?" Zhao Yunge was slightly shocked when he saw what had just happened, he couldn't believe that the attack was deflected.

"This can't be happening" Zhao Yunge didn't believe that this was happening, he couldn't believe that Ye Chen did such a thing.

Zhao Yunge tried again, this time he used more force to destroy Ye Chen.

Ye Chen again did the same, he again parried the attack from Zhao Yunge.

Zhao Yunge attacked again, he launched more attacks towards Ye Chen.

All of Zhao Yunge's attacks were parried, they were all deflected elsewhere.

The audience was speechless when they saw what happened, they were no longer speechless when they all saw what happened.

After hundreds of attacks, Zhao Yunge finally stopped, he finally stopped attacking Ye Chen, he knew that he would not be able to hurt Ye Chen in that way.

"Given up already?" Ye Chen asked Zhao Yunge.

"you, what are you?" Zhao Yunge didn't understand Ye Chen, he didn't understand what Ye Chen was doing, why Ye Chen could parry every attack.

"human, do you think I am a ghost" Ye Chen said to Zhao Yunge.

Ye Chen told that if he was a person, if he was a ghost, he wouldn't be in this place.

"Come on down and fight me" Zhao Yunge was dissatisfied with Ye Chen's answer, he told Ye Chen to come down and fight with himself.

"Okay" Ye Chen accepted Zhao Yunge's challenge, he got off the rampart and stood in front of Zhao Yunge.

"hey, what are you doing ?" People gave Ye Chen a warning.

Ye Chen didn't listen to their warnings, he still charged forward to face the enemy ahead.

Ye Chen and Zhao Yunge faced each other head-on, now there was no barrier blocking their battle.

"You are quite brave, I acknowledge your bravery, rarely would anyone dare to go against me" Zhao Yunge said.

"Why are they afraid of a fussy person like you" Ye Chen said to Zhao Yunge.

"You will know why they are afraid of me." Zhao Yunge stepped forward, he galloped and prepared to attack Ye Chen.

Zhao Yunge is trying to find Ye Chen's weakness, about where Ye Chen's weakness is, Zhao Yunge has to look for it.

"whether he will dodge, where he will dodge, I have to predict that" Zhao Yunge will try to predict where Ye Chen will dodge.

Zhao Yunge closed the distance with Ye Chen, they were only a few meters away.

Ye Chen was still in place, he was waiting for Zhao Yunge to come.

Everyone held their breaths when they saw the battle, they didn't know what would happen next.

"This is it" Zhao Yunge used the spear to strike Ye Chen's body.

Chapter 2695 Ye Chen Vs Zhao Yunge (2)

It directly aimed at Ye Chen's body, Ye Chen's body was directly targeted by Zhao Yunge's powerful spear.

"what a fool" Ye Chen did a stupid thing, he didn't dodge the attack that was coming towards him at all.

The attack came and hit Ye Chen's body, Ye Chen's body was hit by Zhao Yunge's spear.

The weapon hit Ye Chen, but it didn't penetrate Ye Chen's body.

"tooth" Zhao Yunge fell from the horse, he felt that he had just hit something hard.

"damn, what is that" Zhao Yunge was taken aback, he was shocked by what just happened, he couldn't believe that Ye Chen was like a hard and solid wall.

People gaped, their jaws dropping as they saw Zhao Yunge fall down.

Everyone's prediction was wrong, Ye Chen endured it with his body and even made Zhao Yunge fall to the ground.

"That's impossible." Shin Yanho lost his composure, he couldn't believe what had just happened.

From beginning to end Shin Yanho remained calm, that was because he believed in Zhao Yunge's abilities, but now the situation was slightly different, he saw something that was too unreasonable.

Shin Yanho saw that Zhao Yunge was having trouble fighting Ye Chen.

"He resisted the attack with his body, how strong is his body, is he made of iron" said Yae Leifu.

Everyone was of course shocked when they saw someone enduring the attack using their body, who would believe such a thing.

Zhao Yunge got up from the ground, he didn't expect the situation to turn out like this.

He had just been humiliated by Ye Chen.

Zhao Yunge would not forgive this, he would avenge what Ye Chen did.

"I underestimated you, what kind of armor are you wearing right now?" Zhao Yunge asked Ye Chen, he wanted to know what Ye Chen was wearing that made him able to withstand his attacks with such a body.

"What armor, I haven't used it yet" Ye Chen said that he had not used it, Ye Chen was purely using his physical strength to resist Zhao Yunge's attack.

"You are trying to lie to me" Zhao Yunge said to Ye Chen, Zhao Yunge did not believe what Ye Chen said, Ye Chen must be trying to lie to himself.

"Whatever, you definitely won't believe what I said." Ye Chen knew that Zhao Yunge would not believe it.

"let's go ahead and finish this, I want to see the strength of the person who is most feared in this battlefield" Ye Chen said to Zhao Yunge.

Ye Chen wanted to see the strength of the most feared person in this place, what kind of strength was that person to be feared in this entire place.

"Don't regret it, I will use all the power I have" Zhao Yunge first used his full strength.

Huge flames enveloped Zhao Yunge's surroundings and continued to spread and expand.

The heat from this fire was unbelievably strong, everyone around could feel it.

It's so hot, what is it!" Everyone didn't understand, they all saw that it felt really hot.

They were retreating, they wouldn't be able to defend if they got any closer.

The aura Zhao Yunge used was definitely more terrifying than when he was fighting Shi Lin.

Zhao Yunge was already in serious mode against Ye Chen.

"Immortal flame rage" Zhao Yunge's used his technique to confront Ye Chen.

The strength possessed by Zhao Yunge will increase when he uses Zhao Yunge.

"His strength has increased, he is probably on par with the mid-level Immortal sky Realm." Shi Lin concluded, Zhao Yunge's strength was truly formidable, he was still improving and becoming more and more powerful compared to now.

To be honest, Zhao Yunge's strength is indeed something, he has a great strength and is super terrible.

"Hmmm" Ye Chen saw what Zhao Yunge was doing.

It seemed that Zhao Yunge was going to seriously fight Ye Chen, it was seen when Zhao Yunge used his full strength to face Ye Chen.

The skin on Zhao Yunge's body started to change color, it started to turn red.

"You will feel my true strength." Zhao Yunge said to Ye Chen, Ye Chen will see the strength of Zhao Yunge.

"then come on, show me the strength you have, don't let me down" Ye Chen said to Zhao Yunge.

"I hope you won't lose so easily" Zhao Yunge said.

Zhao Yunge stepped forward, he attacked Ye Chen using his full speed.

Aside from strength, Zhao Yunge's speed had definitely increased, he was increasing strength by speed at a time.

Ye Chen took a step forward, this time he was going to fight against Zhao Yunge.

Ye Chen didn't pick up the sword, he used his bare hands to fight against Zhao Yunge.

The distance between the two was getting closer, they might clash in the near future.

"Roar" Zhao Yunge and Ye Chen approached, they issued attacks at each other.

Zhao Yunge used his spear to stab Ye Chen, meanwhile Ye Chen used Super celestial punch.

these two forces will meet soon and there will be a huge impact when these two great forces meet.

Zhao Yunge focused his attacks in one direction, that was so he could break through Ye Chen's attack and defense.

Zhao Yunge learned from before, he realized that he would not win against Ye Chen if he did not do that, the only way for Zhao Yunge to win was to focus all of his strength in one spot.

Ye Chen used Super celestial punch, a new technique that was both powerful and extremely destructive.

Would Ye Chen be able to defeat the attack from the Super celestial punch by using the Super celestial punch.

"It will soon be determined in this battle" who will win and who will lose will soon be determined through this battle.

"boom" Ye Chen and Zhao Yunge's clash was inevitable, both of them trying to push each other away.

"strong" Zhao Yunge's hands trembled when he fought Ye Chen, he could clearly feel that Ye Chen's attack was strong.

"I will not lose" Zhao Yunge will not lose, he refuses to lose to Ye Chen, he will try to fight to the end, there is no giving in.

Zhao Yunge added strength, all the profound energy that belonged to Zhao Yunge was expended.

After using up all the strength that was in his body now, Zhao Yunge's strength had only increased.

Now he had become stronger compared to before.

Ye Chen could feel that Zhao Yunge was improving, he could easily feel Zhao Yunge's increasing strength.

"use more strength" Chu Yuechan whispered to Ye Chen, she told Ye Chen to use more strength.

Ye Chen added to his strength, he pushed Zhao Yunge backwards.

Zhao Yunge's spear started to bend like a bow, it seemed it was unable to withstand Ye Chen's strength.

"It's curved." The audience saw that it was curved, the distance between them could be seen clearly as Zhao Yunge's spear curved and looked like it was about to break.

"Gahhhhh . ." Zhao Yunge is trying to turn things around, he is trying to turn things around now.

"accept your defeat" Ye Chen increased his strength a bit.

"Cracks . . ." With that the weapon in Zhao Yunge's hand broke into two pieces.

"Poow" Ye Chen's punch landed on Zhao Yunge's body, Zhao Yunge's body flew up when it received a punch from Ye Chen.

Ye Chen's punch was extremely powerful, an enormous hollow was formed by Ye Chen's punch.

Chapter 2696 Something That Wasn't Right Happened

"ehhhh! ! !" Everyone shouted together, they were shocked by the result.

Ye Chen won, he won the battle with just one move.

The strong and mighty Zhao Yunge was defeated with a single punch, it was beyond anyone's expectations.

"Okay done" Ye Chen has finished Zhao Yunge, now the direction of the battle has ended.

All the spectators outside couldn't help but gape when they saw the result of the battle, the result of the battle was truly too unreasonable, they all couldn't believe that Zhao Yunge lost.

Jia Lin and Xuan Mei smiled when they knew the outcome of the battle, both of them had foreseen this from the start of the battle.

Jia Li and Xuan Mei were quite close to Ye Chen, so they knew of Ye Chen's abilities.

Zhao Yunge lost, he completely lost just one move from Ye Chen.

Zhao Yunge was a strong person filled with strong ambitions, such a person had shown strength on the battlefield and made everyone think that he was a powerful boss.

It was a pity that reality was cruel enough, the powerful Zhao Yunge was defeated by Ye Chen with just one punch.

Ye Chen hid very well, he didn't show himself and made others think he was nothing.

"I didn't expect that the Immortal Valley Sect would have such a powerful dark horse." People didn't expect this, they all didn't expect that the Immortal Valley Sect would hide someone as strong as Ye Chen.

Some people fell silent as they heard this, they themselves didn't know about this, not even the faction leaders knew about this.

The worst was Nang Wanla, he didn't know about this at all, he was really very unlucky to have been kicked out of the battlefield.

Nang Wanla was their leader, and he had just been expelled. It naturally made Nang Wanla Lose quite a lot of face.

"Damn, damn it" Nang Wanla cursed very loudly, she was annoyed by what happened.

Ye Chen had stolen all the attention, now he was the center of the battle.

"Okay, let's go" Ye Chen said to the rest of the troops from Zhao Yunge.

The Sky Gate Sect troops had not yet recovered from their shock, they still couldn't believe what had happened.

"Are you guys going to stay quiet?, then I'll be the one to step up and fight you" Ye Chen said to the people from Sky Gate Sect.

Ye Chen stepped forward, he moved towards the crowd of people.

Everyone from Sky Gate Sect saw the arrival of Ye Chen, they prepared to fight against Ye Chen using their strength.

Ye Chen drew closer, he again used Super celestial punch to face everyone.

"Blam . . ." Ye Chen swept the enemy, all the enemies were unable to defend against Ye Chen's attack.

They were sent flying by Ye Chen, Ye Chen was more terrifying compared to Zhao Yunge.

The battle took place very quickly, less than 5 minutes, the powerful army led by Zhao Yunge had been cleaned up by Ye Chen.

"too strong" Yae Leifu didn't believe that Ye Chen would be so strong, the opposing forces didn't even have a chance to fight back.

"If he is that strong, why not fight from the start" Cao Muba said.

If Ye Chen was that strong from the start, then they wouldn't need to bother in battle, Ye Chen's strength was enough to turn the tide.

"Alright, it's time for us to attack back, let's get out of the fortress, we will start fighting" Ye Chen said to everyone in the fortress, he told them all to go out and prepare, they will attack the enemy.

"Good . . ." Everyone became excited, it seemed their morale that had fallen had increased, they believed that they could win against the enemy.

They all advanced following Ye Chen, Ye Chen led everyone to go and retake the fortress that had been taken over by the enemy.

Using Ye Chen's powerful abilities both offensive and defensive, they easily captured the enemy's stronghold.

Even the castle that had been captured was taken back by Ye Chen.

Cao Muba and Yae Leifu didn't hold back anymore, they fought with all their soul behind Ye Chen.

Ye Chen led everyone to rule over all the strongholds of the Sky Gate Sect.

After they finished, Ye Chen next wanted to destroy the small Sect, they would be a nuisance if left unchecked because their numbers were large.

With that Ye Chen led everyone to defeat the small Sect first, after that they started to fight against the existing big Sect.

With that, Ye Chen started to attack, the small Sect wouldn't be able to survive Ye Chen's attack.

They were all returned out of the arena.

With the destruction of the existing small Sect, now only the existing large Sect remains.

"Now only the big Sects are left, it shouldn't be difficult" Ye Chen said to everyone.

With that, Ye Chen had gained a lot of territory, they had gained enough territory for them.

Now it only remains to fight the Sky Gate Sect, West Lake Sect and also the Golden Super Land Sect.

"I'll go ahead and see" Ye Chen decided to go forward, he saw what happened to Golden Super Land Sect.

Should be Golden Super Land The Sect was already crushed by the remnants of the Sky Gate Sect.

They wouldn't be able to survive the remnants of the Sky Gate Sect.

Ye Chen saw what happened to Golden Super Land Sect, when Ye Chen came, he saw that Golden Super Land The Sect was destroyed, but on the other hand the troops from the Sky Gate Sect were also crushed.

"Ehhhh . . ., what happened here ?" Ye Chen saw that something was wrong in this place.

"Shouldn't the losers be sent back, but they are all dead" Chu Yuechan said to Ye Chen.

Chu Yuechan saw that they were now, some were even dead.

"That should have happened, what happened here" Ye Chen didn't really understand, he didn't really understand what was happening right now.

Ye Chen decided to go back, he told what happened.

"what's wrong, why did you come back ?" Shi Lin asked Ye Chen.

"There's something strange here" Ye Chen said to Shi Lin, he told her that something strange had happened.

"something strange?, what happened ?" Shi Lin said to Ye Chen, she wanted to know what happened.

"those people are dead" Ye Chen said to everyone.

"dead, how can it be, isn't it, those who can't fight will be sent out?" Shi Lin asked.

"That's absolutely true, this place is already programmed like that, there is an Array that governs it" said Yae Leifu.

"formation?" Ye Chen looked at the formation around Golden Super Land Sect.

Ye Chen saw that the formation there was broken, that meant they wouldn't be sent back even now and dead.

"bad" Ye Chen said to everyone.

"Everyone, gather everyone, we go back first" Ye Chen said to everyone.

Ye Chen changed the situation, he felt something was wrong and told everyone to go back.

Ye Chen ordered everyone to gather in the same place, that way no one would be scattered and face danger on their own.

Everyone was drawn, they were all drawn and gathered in the castle.

.

.

Meanwhile, it was noisy outside, the broadcast was interrupted, this of course made everyone busy and panicked by what was happening.

"what's going on in there, why can't we get in or contact them all" Xuan Mei asked what was going on right now.

Chapter 2697 Evil Sect Attacks

"something is not right" Jia Li felt that something was not right here.

It seems something is happening in this place.

Jia Li couldn't just stay here, she had to find out what was going on.

Xuan Mei also thought the same thing as Jia Li thought, she went to find out what happened.

"report what happened to me" Shin Yanho asked for a report, he wanted to know what happened right now.

They immediately left to find out what happened, they would be right back to give a report to Shin Yanho.

Some time later, they got an answer they got an answer about what happened.

"report, we can't go inside, there is a very strong field that is blocking us from entering, the room for people being treated is also not accessible, everything is blocked by an incredibly strong force" they reported.

"This is impossible, what happened, we have to quickly find out what is going on" Shin Yanho gave orders to all Sect elders in this place.

They all leave immediately, they go to find out what really happened.

They went to destroy the barrier, there was a very strong barrier installed in this place.

So they had to find a way to destroy the barrier.

"There is a barrier" Jia Li and Xuan Mei were stopped by a barrier, they would not be able to advance any further because of this.

"This is a barrier only an evil sect can create." Xuan Mei and Jia Li looked and analyzed, both of them finally realized that this was a barrier only an evil sect could create.

"What does this mean ?" Xuan Mei wanted to know what all this meant.

"This is unreasonable" they felt that this was unreasonable, why would such a barrier exist in this place.

"Don't tell me that" Jia Li guessed, maybe this is an attack, they are doing this to destroy the young talents possessed by each Sect.

"this might turn out to be a bad thing" said Jia Li, she had to find a way to enter.

"We have to go in" Jia Li has to go in, she has to go in and help the people inside.

Jia Li began to gather strength, it seemed that she would use a powerful attack towards the barrier.

"what do you want to do ?" Xuan Mei asked Jia Li.

"destroy this " Jia Li said that she wanted to destroy this thing.

"wait a minute, we don't know what kind of barrier this is, don't do something like that" Xuan Mei said to Jia Li.

Jia Li probably didn't listen to what Xuan Mei said, she just directly used an attack to destroy the barrier.

When the attack from Jia Li hit the barrier, the barrier glowed, it absorbed the attack from Jia Li and became thicker.

"What? ? ?" Jia Li and Xuan Mei were shocked when they found out what happened.

"That barrier absorbs attacks from you." Xuan Mei saw that the barrier was absorbing attacks from Jia Li.

"not only that, it became stronger" said Jia Li.

Jia Li realized that the barrier ahead had become even stronger.

"that means" Xuan Mei finally realized what this meant.

"if we attack the barrier, it will become stronger" Jia Li said to Xuan Mei.

"That is really too troublesome" Xuan Mei said to Jia Li.

"That's absolutely true" Jia Li agreed with what Xuan Mei said.

This would be a real pain in the ass for all of them.

They would all be overwhelmed by the barrier in front of them, this would of course make it difficult for rescues.

"I will search around this place, we might find a way to enter" Xuan Mei decided to go around.

They will probably find a place to go inside.

"I will also find a way" Jia Li will also find a way. I think you should take a look at

Jia Li and Xuan Mei hoped that Ye Chen and the others would be fine, they hoped everyone would be fine.

"why are we back" Yae Leifu asked Ye Chen.

"something's wrong, we of course have to go back" Ye Chen said to Yae Leifu.

Ye Chen told that there was something wrong here, that's why they had to go back.

"explain it to us, if you don't do it, we won't know what happened" said Yae Leifu.

Yae Leifu needed an answer from Ye Chen, she needed an answer from Ye Chen for this matter.

"While I was there, I saw piles of people strewn about" Ye Chen said.

"What happened to them?" Cao Muba asked.

"die" Ye Chen said to Cao Muba.

"seriously" Cao Muba and everyone else were shocked when they heard this.

"Of course, I won't lie, that's why I told you guys to back off, maybe this place isn't safe for us" Ye Chen said.

Ye Chen did this for the safety of everyone in this place.

"So that is your reason" they finally knew Ye Chen's reason for doing that.

It turned out that Ye Chen wanted to help all of them and save them from danger.

Ye Chen used Clone to find out what happened, he would probably find out what happened by using his Clone.

By using Clone, Ye Chen would know what happened, he could know the current situation.

Ye Chen brought everyone back to the castle, he made a shelter for everyone.

While Ye Chen's clone was moving in the shadows, it started to notice what was happening in this place.

Clone Ye Chen arrived at West Lake Sect, when he arrived at the location of West Lake Sect, a scene occurred.

there was a company attacking West Lake Sect, all of them looked strong and they were in a different league to all the disciples here.

Even thousands of disciples from the West Lake Sect couldn't survive and were crushed so easily.

The clone passed information to Ye Chen, that's why Ye Chen could know what happened there.

Ye Chen no wasted time, he immediately saw what was going on by using God Eyes.

Ye Chen saw a mysterious group that was powerful and full of terrifying evil aura.

παπδsNovel.com "What is that, where did they come from?" Ye Chen saw that the enemy was very strong, the enemy group was in a different view from everyone.

these people were in the mid to high levels of the Immortal sky Realm, the difference in strength with everyone else here was of course very palpable.

With such a huge difference in strength, they naturally could easily crush the West Lake Sect group with just a few people.

The West Lake Sect which was still in very prime condition was completely destroyed, they were unable to survive the onslaught of black lightning and black flames.

"evil sect, they attack in this kind of competition, really very daring" Ye Chen knows who they are, from their attacks alone, Ye Chen can guess who they are.

"There are quite a few of them, and there are many more of them" Chu Yuechan said.

"Yuechan, can you tell me how many there are?" Ye Chen asked Chu Yuechan.

"Probably around 800 people, they are scattered in various places" Chu Yuechan said to Ye Chen.

"Quite a lot" Ye Chen said to Chu Yuechan

"There really are quite a number of them" Chu Yuechan had to agree with what Ye Chen said, there were quite a number of them.

"what are you going to do, facing all of them, it will be a bit difficult since there are so many of them" Chu Yuechan said to Ye Chen.

"if it's like that, I will do something about the matter" Ye Chen was going to fight them.

Chapter 2698 Ye Chen Against Evil Sect (1)

"how, is there a way to get out of this place" Ye Chen asked Chu Yuechan.

Ye Chen wanted to know how to get out of this place.

"Looks like there's no way, I saw a rather troublesome barrier, once it's formed, it'll disappear in a few hours, and no one can open it." Chu Yuechan informed that there was no way to get out of this place.

"So that's it, I understand." Ye Chen understood, he understood what happened in this place.

"Then we can't rely on outside help, I have to solve it myself." Ye Chen can't rely on outside help, before they can survive, they will be destroyed by the evil Sect first.

"do my best, I will help you" Chu Yuechan said to Ye Chen, she would do her best to help Ye Chen.

"I hope you help me well" Ye Chen hoped that Chu Yuechan would help him well.

"Of course, I will do it" Chu Yuechan was going to help Ye Chen.

Ye Chen made Clone, he was guarding many places and would try to kidnap the scattered enemies one by one.

Ye Chen didn't know if this would work, he hoped that if the enemies dispersed, it would make it easier for Ye Chen to fight them all.

Ye Chen started to move, he told Shi Lin and the others to hold on and not do anything stupid.

Ye Chen went alone, he went alone and immediately disappeared.

Ye Chen was in invisible mode, no one would be able to discover the whereabouts of Ye Chen.

Because Ye Chen was in invisible mode, Ye Chen was able to swiftly advance without anyone seeing him.

Ye Chen looked around, he mapped out the enemies using God Eyes.

Using God Eyes, Ye Chen mapped out the whereabouts of the enemy.

After knowing the whereabouts of the enemy to be fought, Ye Chen could easily launch his action.

"Alright, this is the time" Ye Chen would start, he would take them out one by one.

Ye Chen used One Hundred Thousand Fire Swords, it would be easier for Ye Chen to defeat all of them remotely.

"The people of the Evil Sect are hunting, they are hunting everyone in front of them.

They didn't care who it was, as long as it didn't belong to them, they would directly kill it.

The flame swords flew straight towards the enemy and they were directly incinerated by Ye Chen.

"You guys quickly hide" Ye Chen gave a warning, he ordered all of them to hide right away.

"ok" they immediately hide, they must be able to survive until help arrives.

"They will probably notice what you are doing" Chu Yuechan said to Ye Chen.

"They equipped everyone with a tracker, meaning that everyone could be easily seen.

"they are smart" Ye Chen had to admit that they were smart.

"But that's fine, I'll do it my way.

Even if they were smart, Ye Chen still had ways to deal with them.

One by one the existing enemies began to be paralyzed, Ye Chen was able to do it quickly and reduced the enemies to 100 people.

"You have defeated 100 people, there are only 700 left" Chu Yuechan said to Ye Chen.

"why are you silent, come help me" Ye Chen said.

Chu Yuechan just kept quiet, she didn't help Ye Chen at all.

After crippling a group, Ye Chen immediately went to find the others.

"You're not having a hard time, so why should I help you" Chu Yuechan said.

Ye Chen didn't run into any trouble, so it was useless for Chu Yuechan to help Ye Chen.

"-_- " Chu Yuechan probably won't help Ye Chen, Ye Chen can only depend on himself.

"I can only rely on myself." Ye Chen stepped forward, in front was a group of 200 people, this group was bigger than the one Ye Chen encountered.

Ye Chen was in invisible mode, no one would find Ye Chen in this mode.

"they are moving to a place" Ye Chen could see that they were moving to a place.

"They want to go to the castle that people live in" Chu Yuechan said to Ye Chen.

"wouldn't that be a bad thing" Ye Chen said to Chu Yuechan.

"stop them right now" Chu Yuechan told Ye Chen to stop them all right now.

Ye Chen had no choice but to fight, if Ye Chen didn't do that, it was obvious that they would come and attack Shi Lin and Wu Ziyi.

Ye Chen wanted to protect Shi Lin, Wu Ziyi and everyone else, so he had to face them all.

"No choice, the only way is to face them, I will launch a sneak attack on them, they will definitely not be aware of my presence.

Ye Chen launched an attack, he launched an attack at the enemy with One Hundred Thousand Fire Swords.

Ten thousand blades rained down on the enemy, all of them probably wouldn't even notice what was happening right now.

They were not aware that Ye Chen had just launched an attack, they were all completely unaware of what Ye Chen was doing.

One Hundred Thousand Fire Swords hit the enemy, it hit the enemy and burned them.

Those who were unaware and had low strength were easily burned by Ye Chen.

Ye Chen managed to defeat around 50 of them, meanwhile the rest were only injured from Ye Chen's attacks.

They were strong, they were able to survive Ye Chen's powerful attacks.

"enemy attack, everyone alert" their leader immediately alerted, they prepared to face Ye Chen.

Ye Chen hid himself well, they still didn't know Ye Chen's position.

Invisible abilities are very helpful in battle, this makes Ye Chen invisible to the enemy.

Ye Chen looked for a good position, at this time Ye Chen rearranged his own position to attack.

Ye Chen looked for an opening, that way he could attack the defending enemy.

Ye Chen circled them, he looked for the enemy's opening.

The enemy still hasn't found Ye Chen, they don't know the whereabouts of Ye Chen.

"Damn it, where is the person who attacked us" they were angry because they didn't find the whereabouts of Ye Chen.

It's not strange that they are angry They don't find anyone attacking, This naturally makes them angry.

"I found it, I will attack again" Ye Chen attacked again, he attacked from the enemy's weakest point.

Ye Chen's attack was so random, the enemy still couldn't guess the attack from Ye Chen.

"Here Ye Chen got a huge advantage" he attacked the enemy again and disabled 30 people.

"what the hell, where is that person, how come we can't see him" they were angry for not finding Ye Chen.

"he must be hiding underground, attack random this whole place" they launched a random attack on the ground and up.

They were looking for the whereabouts of Ye Chen.

Ye Chen retreated and hid, he dodged the attack from the opponent.

The enemy is completely confused, this is an advantage for Ye Chen.

"let them be like that first" Ye Chen let them attack randomly.

Let them use up all the energy they have.

They used all their strength to find Ye Chen, the terrain here was completely destroyed by them.

Their strength was so destructive, they all ravaged this place until a huge crater appeared.

"Huft . . ." they had destroyed this place, this should be enough to defeat Ye Chen.

They were sure that Ye Chen was already destroyed, no one could survive an attack from 120 people with such power.

It was enough to make a huge star shatter and burn to the ground.

Chapter 2699 Ye Chen Against Evil Sect (2)

Just when they thought that Ye Chen was destroyed, Ye Chen launched another attack, this time the attack was much more powerful than before.

Ye Chen swept everyone away with an attack this time.

Ye Chen used the fire vein to increase his strength, that way he could defeat them all.

Ye Chen managed to defeat all of them, it took him effort to defeat all of the enemies.

"You do it" Chu Yuechan said to Ye Chen, now Ye Chen has done it.

"Very good, the number of enemies is becoming less and less" Ye Chen was happy, the number of enemies became less and less.

"master" Chu Yuechan's gave Ye Chen a warning.

Ye Chen understood, an attack was launched towards him, this attack was powerful and leveled the forest and ground.

"Boom. . ." A tremendous explosion occurred, it created an enormous hole, this hole was tens of thousands of miles wide.

The attack was launched by someone from above, this person seemed to realize that Ye Chen was nowhere to be found and decided to use a massive attack to defeat Ye Chen.

Using a massive attack, he managed to kill Ye Chen along with everyone who might still be alive.

"annoying fly" he thought Ye Chen was an annoying fly, that's why he got rid of Ye Chen along with all the useless people.

"Too early to say that." Ye Chen appeared behind the enemy's body.

The enemy turned towards Ye Chen, he saw Ye Chen's figure in front of him.

"Still alive ?" he said to Ye Chen, this fellow was still alive after taking a fatal hit from him.

"Of course, I almost died because of the attack you launched weak attack" Ye Chen said to the man in front of him.

"Not bad, since when did the Immortal Valley Sect have a competent disciple like you" he said to Ye Chen.

"from now on" Ye Chen replied.

"well, you don't seem like someone who likes to waste words on enemies" he said to Ye Chen.

"You're right, I don't like to waste words on enemies" Ye Chen really doesn't like to waste words on enemies.

"then let's end this quickly" he attacked Ye Chen again, he used the black flame attack like before against Ye Chen.

Ye Chen flicked his finger, the fire in the enemy's hand exploded and hit the person.

The flames that should have been used to attack Ye Chen instead turned around and injured its owner.

"damn, what was that?" he was confused by Ye Chen, just now it was a strange thing.

he was most badly injured in the hand from taking the blast head on.

"Still want to try it again ?" Ye Chen said to the person in front of him.

Ye Chen gave a bluff, he was bullying the person in front of him.

The person in front of Ye Chen didn't use his attack, he was afraid that what happened before would happen to him again.

Ye Chen succeeded, he had frightened the people in front of him, that way he would no longer dare to go against Ye Chen by using attacks.

"If I can't attack you with attacks, I can still use chains against you" He took out the chains, a black chain that was dark and filled with death aura came out.

"get ready, I will carry your soul" he said to Ye Chen, he told that he would carry Ye Chen's soul.

This chain is capable of absorbing a person's soul, with the power of darkness it contains, this would be a terrible weapon.

"go ahead" Ye Chen told the man in front of him to come forward, he would end this battle quickly.

"die" the person swung the chain towards Ye Chen, when he did so the darkness of the chain became more and more terrifying. I think you should take a look at

Ye Chen didn't back down or get scared when he knew what was coming, he charged forward against the enemy.

The enemy swung the chain towards Ye Chen, the target was of course Ye Chen's body, he targeted Ye Chen's body and wanted to kill Ye Chen's soul.

Just as the chain was about to hit him, Ye Chen caught it.

"what a fool" he said to Ye Chen.

What Ye Chen did can be said to be very stupid, he did something very stupid and very unreasonable.

This chain will eat any soul that tries to get close, so any soul that is present will be easily eaten by the chain.

Ye Chen held it, he would not be safe when holding this thing.

Ye Chen knew the concept of this attack, this attack was similar to the attack of the ancient Demons in the God Realm.

Ye Chen already possessed the power of darkness, it was meaningless for Ye Chen to be afraid of such an attack.

Ye Chen pulled the enemy, he was not affected by the enemy's weapon and pulled the enemy towards him.

The enemy in front of Ye Chen was shocked by what Ye Chen could do.

How could Ye Chen do such a thing, obviously what Ye Chen did made no sense to him.

"how is that possible, why don't you dry up and die" he asked Ye Chen.

"Dream on it, because it won't happen" Ye Chen told him that it wouldn't happen, he wouldn't be killed by the toy in his hand.

Ye Chen pulled the enemy, he pulled the enemy towards him.

The enemy was pulled closer by Ye Chen, when it was close, Ye Chen hit him with Super celestial punch.

"Blam. . ." The enemy was crushed by Ye Chen's punch, Ye Chen's powerful punch shattered the body and bones of the enemy in front of him.

"arghhhh . . ." he screamed in pain, Ye Chen's attack had left him quite badly injured.

pandasnovel.com The person fell on the ground, he fell and hit the ground very hard and strong.

"what the hell" before losing consciousness, he looked surprised by what Ye Chen did.

"You are looking for the wrong opponent" Ye Chen told him that he was looking for the wrong opponent.

That's why he lost in this place, that person is absolutely no match for Ye Chen, Ye Chen is still the most powerful person in this place.

"rest in peace" Ye Chen said to the person in front of him.

Ye Chen destroyed enemy weapons using his bare hands, weapons like this were extremely dangerous to use.

"Only half left" Ye Chen still had half the enemy left.

"To be honest all the enemies you fought earlier were weak, there are still a lot of people who are stronger" Chu Yuechan said to Ye Chen.

"couldn't you cheer up a bit in this kind of situation" Ye Chen said to Chu Yuechan.

"Fufufufu, are you scared" Chu Yuechan said to Ye Chen.

Chu Yuechan looked down on Ye Chen out of fear.

"I am not afraid" Ye Chen told that he was not afraid of the enemy at all.

"I will finish this quickly" Ye Chen told that if he will finish this, he will not be afraid to fight the enemy.

"very good spirits, let's make more enemies" Chu Yuechan said to Ye Chen.

Chu Yuechan invited Ye Chen to go find enemies, they had to find enemies that controlled every movement.

Chapter 2700 Against The Evil Sect Elder

Elsewhere, they are currently watching the battle, they are seeing everything on the battlefield.

"Damn it, what happened, how could our 300 people be destroyed, who is capable of such a thing" the leader of this place said angrily.

The leader of this team was Long Sanman, he was a man with a hideous face and a large body full of scars.

He was one of the big elders from the Evil mountain sect, they came to take revenge.

Their aim is to take revenge for what happened to the evil shadow, they want to take revenge for what happened to the evil shadow.

That's why they challenged all the Sects to fight and intend to destroy all of their foundations.

Their leader was Long Sanman would not give up and beat all of them.

They had prepared their plans very well, so it wasn't strange that they were currently able to destroy countless young Sect talents.

Everyone here are great people who are in the Evil mountain sect.

With such strength, they naturally could easily destroy low-level enemies.

Plus Long Sanman was a man with the same cultivation as Shin Yanho.

Killing core disciples would be easy for him to do.

"send our best men, I want to catch that person" Long Sanman decided to send the best person to send Ye Chen.

All the elders here will be dispatched, they will all be sent after Ye Chen.

All the elders left together, they all searched for the whereabouts of Ye Chen.

"I will not let go of you" Long Sanman will not let go of Ye Chen, he does not want to let go of Ye Chen who has destroyed enough people from the Evil mountain sect.

Ye Chen is now being chased, he is being chased by the strong people of the Evil Mountain Sect.

Ye Chen continued to move, he did not stop at one place and continued to move to eliminate traces.

"their moves changed" Ye Chen saw that the enemy had changed their moves.

They all seemed to be looking for something, and Ye Chen was sure that they were looking for him.

"they are looking for you" Chu Yuechan felt that there were countless people looking for Ye Chen, they were all looking for Ye Chen and started to carry out a massive destruction.

Ye Chen was not stupid, he would not come out to face them.

If Ye Chen fought one of them, the other would definitely come to help.

Ye Chen understood what they were doing, their strategy had been discovered by Ye Chen.

"Everyone's distance is about 10 miles, if Ye Chen were to attack one of them, then the others would notice, it was really a clever tactic.

It was obvious that the enemy was as smart as Ye Chen, they were as smart as Ye Chen, they all knew that Ye Chen was hiding so used such a tactic to find Ye Chen.

If Ye Chen ate the bait they gave him, he would be immediately discovered and his position would definitely be discovered right away.

"I will change the plans that I have" Ye Chen decided to change the plans, he decided to change the plans that he had.

Ye Chen will attack using Clone, if they want to find Ye Chen, then they can look for the substitute shadow made by Ye Chen.

"You are more cunning compared to them" Chu Yuechan felt that Ye Chen was far more cunning than the enemy.

"they are just as cunning, if I don't do that, I won't win against them" said Ye Chen.

In order to defeat the cunning person, Ye Chen had to do the same thing they did.

That way he can defeat them.

Whoever can stand last will be the winner, and Ye Chen will be the winner in this battle. I think you should take a look at

Ye Chen made Clone, time for Ye Chen to confuse them by using his Clone.

Using Shadow Clone, Ye Chen started attacking the enemies in these various places.

"enemy attack here, here is also an attack from the enemy" they received a lot of attacks from Ye Chen.

"There are so many attacks, what happened here ?" because of too many attacks, they were all in a mess, they didn't know which one they should help, every place was attacked by Ye Chen.

"I didn't think that the plan you had would work" Chu Yuechan said to Ye Chen.

"Don't underestimate me, my plans always work" Ye Chen said to Chu Yuechan.

Ye Chen was very proud of this, the plan he had had worked.

Because the enemy's situation was already chaotic, Ye Chen took advantage of this to attack.

Ye Chen targeted those who were caught off guard, that way Ye Chen could defeat them very easily.

Ye Chen succeeded, he demonstrated his skills to all the enemies present.

Ye Chen defeated another hundred people and the number of enemies was now only half.

The enemy became afraid of Ye Chen, they decided to run away and save themselves.

This news quickly reached the ears of Long Sanman, he was furious when he heard this.

"to all the elders, kill that person, I won't let it" he said that he wouldn't let Ye Chen.

All the elders immediately went to fight Ye Chen.

Finally they with great strength decided to go against Ye Chen.

Because Ye Chen was good at hiding from them, the elder of the evil sect decided to use the Array to find Ye Chen's whereabouts.

They had confined Ye Chen, there was no way for Ye Chen to leave this place.

"I'm trapped" Ye Chen was trapped, he would not be able to escape from this place.

"Like it or not I have to fight them in this place" all roads have been closed, now there is only one way to fight them.

They surrounded Ye Chen, all the elders of the evil sects surrounded Ye Chen.

"now there is no way for you to escape" they said to Ye Chen, there is no way for Ye Chen to escape.

"Who wants to run away from you, I will face all of you" Ye Chen said that he would face all of them.

"There is no chance for you to defend against us" they spoke that Ye Chen would have no chance of winning against them.

"Who dares to guarantee that I won't win against you, do you want to see what ability I have?" Ye Chen said to those who dared to belittle him.

"hahahaha, we won't be afraid of you, you are just alone, what can you do" they said to Ye Chen.

"I'm not alone when fighting you guys" Ye Chen summoned Shadow clone, he will use this ability to fight them all.

"shadows, so that's what you use" they saw a shadow, a shadow that was many in front of them.

"a kid's technique, do you think you can beat us with such a technique" they said to Ye Chen.

"Why don't you guys try to destroy it" Ye Chen said to the opponent in front of him.

"advance and destroy them" they advanced, the elder from the evil Sect advanced and fought the Shadow Clone.

"blam . . ." the battle against Clone Ye Chen was going on, all the Clones were equipped with the same abilities as Ye Chen, it would be difficult to fight them and defeat them.
