

True God 2701

Chapter 2701 Long Sanman's Anger

"That will buy time, I'd better start using great strength to defeat them" Ye Chen's clone wouldn't last long, it could only hold them for a while.

Ye Chen had to take advantage of this opportunity to use a powerful attack.

Ye Chen decided to use the Five Lord Elements Technique, this would be an attack strong enough to counter them all.

What Ye Chen expected to happen, the clone could only surviving just a few minutes, it wouldn't last long as it only had 10% of the original Ye Chen's strength, so they wouldn't last long against the enemy.

"hahahaha, that's all you can do, it's too easy" they said to Ye Chen, they told them that it was too easy for them to deal with.

"That's great, why don't you guys try to accept this" Ye Chen said, he told them to take his attack.

Ye Chen had enough time to complete the charge of his attack.

He threw a five elements combined attack towards the enemy.

The attack had a terrifying aura, everyone was horrified when they felt the aura of Ye Chen's attack.

"That's because Ye Chen used the five elements at once, he mixed them together and combined them, it would be an extremely terrifying attack.

"build a defense" they were trying to create a defense against Ye Chen's attack.

"Idiots, you guys won't have a chance" Ye Chen told them that they were too late, they wouldn't have a chance to survive the attack.

"Boom. . ." a super huge explosion occurred, it made the barrier crack, the force of the attack impact was too strong to make the entire barrier crack due to the impact.

The enemy's defense was simply unable to withstand Ye Chen's attack, it instantly shattered when it received Ye Chen's attack.

"Cracks . . ." the barrier shattered, it completely shattered being unable to take in the pressure that was within.

"rumbling" Everyone's heard the sound, they all heard the explosion of Ye Chen's attack.

"What is going on over there ?" Wu Ziyi was worried about Ye Chen, she was worried about what happened to Ye Chen.

"It seems that there was a battle over there, and it was very strong." Shi Lin said to Wu Ziyi.

"don't we help him" Wu Ziyi said to Shi Lin.

"Just stay here, there are so many enemies, we have to stick together" Shi Lin said to Wu Ziyi.

They even had trouble taking down the enemy that was approaching and attacking, if they all didn't cooperate, then the enemy would catch them.

"Alright" Wu Ziyi could only stay here and defend, the enemies still came and continued to attack, everyone defended and fought the enemies that came from the evil sects.

.

.

Returning to Ye Chen's place, Ye Chen saw that the front was flat, there was no trace of life in front of him.

"Is that enough?" Ye Chen confirmed once more whether there were any survivors.

"Looks like no one will survive such an attack, you put all your strength into the attack" said Chu Yuechan.

Ye Chen had used up all the strength he had, right now he was feeling a bit weak.

"I won't win if I don't do that" Ye Chen said that he wouldn't win if he didn't do that.

If Ye Chen didn't do so, he would never win against the enemy who was an elder of the Evil Sect.

"Now only their leader remains, their most powerful leader, you'd better recover yourself first" Chu Yuechan said to Ye Chen.

Chu Yuechan told Ye Chen to recover himself first.

"You are absolutely right, I will recuperate first." Ye Chen recovered his own profound energy.

If not then Ye Chen wouldn't be able to fight seriously.

Ye Chen ate the heavenly peach and also used pills, it would help him recover faster.

.

.

Long Sanman was angry when he found out that Ye Chen was still holding on after fighting those powerful elders.

"There is no other way, I must act myself" Long Sanman had no choice but to act, otherwise Ye Chen would destroy everyone.

Long Sanman got up from the chair, he stood up and prepared to search for Ye Chen's whereabouts.

"before that, quickly capture the people from the eternal valley sect" he said to capture those from the eternal valley sect.

"understood" they immediately went to arrest everyone from the Immortal Valley Sect.

Long Sanman flew over and looked for Ye Chen, he used his maximum speed to find Ye Chen.

.

.

Ye Chen was currently recovering, he needed a bit of time to recover his strength.

Chu Yuechan helped Ye Chen, she accompanied Ye Chen nearby, Chu Yuechan looked after Ye Chen.

Chu Yuechan noticed that someone was approaching, she sensed someone approaching this place.

Long Sanman looked for Ye Chen, he used his full speed to find Ye Chen.

"I will hide it" Chu Yuechan saw that Ye Chen wasn't ready to fight yet, so she had to hide Ye Chen for the time being.

"Damn it, where are you hiding" Long Sanman looked for Ye Chen, he destroyed every place to find Ye Chen.

Long Sanman destroyed a place that could be used for hiding, he thought that he could find Ye Chen in such a place.

He had destroyed quite a number of places, it was a pity that he didn't find the whereabouts of Ye Chen.

"bastard" Long Sanman said to Ye Chen, he finally used a stronger and bigger force to force Ye Chen out.

Black lightning churned across the sky, it seemed that Long Sanman would destroy this entire place to find Ye Chen's whereabouts.

"Too bad" Chu Yuechan saw what Long Sanman was going to do, this madman was trying to destroy this place to make Ye Chen come out.

Ye Chen was still closing his eyes and replenishing his profound energy, he was almost recovering and needed quite a bit of time.

Chu Yuechan decided to use her own strength to envelop Ye Chen, she hoped that this would work to protect Ye Chen from attack.

"dead" black lightning fell from the sky, it hit all the places on the battlefield.

Everywhere was destroyed, no one could survive the forest and lightning bolts unleashed by Long Sanman.

Long Sanman's attack on Ye Chen's place, obviously Ye Chen's hiding place was also affected by Long Sanman's area attack.

"die and die" Long Sanman laughed, he enjoyed destroying this place together with Ye Chen.

When Ye Chen received the lightning, his profound energy recovery power became faster, Ye Chen quickly recovered.

Ye Chen opened his eyes, it was time to fight back against Long Sanman.

"feeling better already ?" Chu Yuechan asked Ye Chen.

"I've never felt this good." Ye Chen said that he was very good, he was in very good condition.

"Where is that person?" Ye Chen asked Chu Yuechan.

"he's on the outside, he'll probably be an even more difficult enemy than everyone you've fought before" Chu Yuechan said.

"It doesn't matter, I will beat him" Ye Chen announced that he would beat this person.

Ye Chen came out and met Long Sanman.

Long Sanman saw Ye Chen coming, he showed quite a strong killing intent towards Ye Chen.

Ye Chen felt that intent, he could feel that Long Sanman was angry at him.

"finally you come out too see me" Long Sanman said to Ye Chen.

"I'm just a little rest, are you looking for me ?" Ye Chen said to Long Sanman.

Chapter 2702 Ye Chen Vs Long Sanman (1)

"of course, I did look for you, I am Long Sanman, the squad leader" Long Sanman said to Ye Chen.

"So you are their leader, exactly what is your purpose in doing this" Ye Chen asked Long Sanman.

Ye Chen didn't find the purpose of Long Sanman attacking them.

There shouldn't be any advantage for Long Sanman to attack them all.

They were all just Sect talents who weren't yet in the realm of Long Sanman.

"Of course I have the advantage when doing that." Long Sanman told Ye Chen, he said that he had the advantage when doing that.

"I can make the sects weak by cutting their roots, it will be an advantage for evil sects like us" he said to Ye Chen.

"Is that so" Ye Chen started to understand, he started to understand what Long Sanman was planning.

"This person's aim is to wipe out the best talent from every Sect, it will definitely anger every sect in this place.

"we have destroyed them, what can they do" Long Sanman said to Ye Chen.

"Don't tell me that the person who has left this arena is also your target" Ye Chen said to Long Sanman.

"They have already been cleaned up by the remnants of the other leaders, I only have to take care of you, after that I can easily destroy the rest of the people on this battlefield" said Long Sanman.

Ye Chen is a hindrance, congratulations he manages to defeat Ye Chen, then all existing problems will be resolved quickly.

"They are targeting Wu Ziyi and the others" Ye Chen quickly realized what the elder had said Long Sanman.

Everything was so neat and almost unknown to everyone, that meant the people who left the arena were also in trouble.

"you are all bad people" Ye Chen said to Long Sanman.

"do we care what the world says to us, we are already branded badly by this world, there is no problem for us to do that" Long Sanman said to Ye Chen.

"so you all accept what I say" Ye Chen said to Long Sanman.

"I don't really need your chatter." Long Sanman said to Ye Chen, he told him that he didn't need Ye Chen's babbling.

"then the power that will let you understand" Ye Chen said to Long Sanman.

"It's quite funny to hear that from someone who is about to die" Long Sanman said to Ye Chen.

Long Sanman stepped forward, he attacked Ye Chen who was in front of him.

Long Sanman picked up a greatsword, he held two greatswords in each of his hands.

Ye Chen looked at the weapon that Long Sanman took out, it was clear that Long Sanman's weapon was big and powerful, it could easily sweep away countless enemies.

Long Sanman swung two great swords towards Ye Chen, he intended to crush Ye Chen with a powerful double slash.

Ye Chen picked up the sword and fought directly with Long Sanman.

"Clanks" the two swords clashed, the two clashed their strength.

Ye Chen used all his strength to push Long Sanman, meanwhile Long Sanman also did the same as Ye Chen did, he pushed Ye Chen backwards using all his strength.

In terms of Long Sanman's cultivation being far above Ye Chen's, their strength was truly too far apart.

Long Sanman was at the fourth stage of the Immortal sovereign Realm, clearly his strength far compared to Ye Chen who was still at the peak of the Immortal Refine Soul Realm.

With that Long Sanman pushed Ye Chen away, he pushed Ye Chen away using his strength.

"he's not bad" Ye Chen retreated, the strength of level four Immortal Refine Soul Realm is indeed extraordinary.

"can withstand such strength, it's not strange that you are able to win against all the elders I sent." Long Sanman finally understood, he understood why Ye Chen could defeat everyone.

"so this is an ability from a high level evil sect, not bad" Ye Chen said to Long Sanman.

"You underestimate me" Long Sanman felt ridiculed by Ye Chen.

"no, it's just that I thought you were very strong, but it turned out to be just like that" Ye Chen said.

"What? ? ?" Long Sanman was of course angry when he heard what Ye Chen said, he was obviously irritated when he heard what Ye Chen said.

"Bastard, I will kill you" Long Sanman coated the sword with dense black lightning and was filled with a dark aura.

With an attack like that, he could cut through anything that got in his way with ease.

"opening the ground vein" Ye Chen decided to open the ground vein, Ye Chen's defense increased greatly and Ye Chen's physical strength also increased.

"die" slash with full power was again launched by Long Sanman.

Ye Chen stretched out his hand, he endured Long Sanman's attack with his bare hands.

due to Ye Chen's increased physical defense and the fact that Ye Chen was immune to darkness as well as lightning, Ye Chen was able to catch attacks from Long Sanman.

"What ! ! !" Long Sanman paled when he saw Ye Chen holding the sword with his bare hands.

A thing that would be impossible for normal people to do.

"your defense is full of openings" Ye Chen attacked, he hit the belly of Long Sanman.

"cough" Long Sanman was forced back by Ye Chen's punch, he was unable to survive Ye Chen's punch.

"damn, that's so strong" Long Sanman felt pain, obviously Ye Chen's punch made him hurt.

"This brat is not normal, his strength and cultivation are really unfathomable." Long Sanman didn't understand, Ye Chen's strength and cultivation was completely unfathomable.

"I can't underestimate this person anymore, otherwise it will harm me." Long Sanman no longer wanted to underestimate Ye Chen, he knew that Ye Chen was hiding something.

"time to get serious, he will pay for everything" Long Sanman decided to shed his form, his body changed and he became a huge monster with two sharp horns and a huge jaw.

Long Sanman transformed into a terrifying beast, when he did this, Long Sanman's strength naturally increased greatly.

"I will cut you into pieces" Long Sanman said to Ye Chen.

Apart from the body being bigger compared to before, Long Sanman's weapon also became bigger, it looked terrifying and more and more ferocious.

The dark aura on Long Sanman's body was getting denser, he was becoming more and more sinister and sinister.

Ye Chen remained still calm when he saw Long Sanman's change, he prepared to defeat Long Sanman.

"Ying'er, let's make him understand our strength." Ye Chen said to Yin Ying'er, this is the time to let the enemy know his strength.

"understood" Yin Ying'er understands, she will help Ye Chen defeat Long Sanman.

Long Sanman stepped forward, he attacked Ye Chen with a huge black lightning slash and had a terrifying sound.

"rumbling" The sound was terrifying and made people feel horrified when they heard it.

"die, damn boy" Long Sanman said to Ye Chen, he told Ye Chen to die.

"slash" A powerful lightning slash hit Ye Chen's body, it hit Ye Chen's body forcefully.

Ye Chen used the sword to parry the attack, using the sword, he deflected the attack from Long Sanman.

"How is it possible, how come you can still deflect it" Long Sanman said to Ye Chen.

Long Sanman had already used the transformation, shouldn't Ye Chen be able to withstand his attacks.

Ye Chen was silent, he didn't answer Long Sanman.

Chapter 2703 Ye Chen Vs Long Sanman (2)

Long Sanman grew even more angry and annoyed at Ye Chen, he decided to attack Ye Chen with even more powerful attacks.

"O black lightning, grant me your strength" Long Sanman gathered more strength, he gathered more strength to attack Ye Chen.

Long Sanman used half of his own strength for this strike, it would be the ultimate strike to kill Ye Chen.

Lightning and darkness enveloped Long Sanman's two swords, the sword that Long Sanman possessed became large and long.

Because it was too long, the sword looked like a large and long pillar that pierced into the sky.

With such an attack, a super massive star could easily be sliced ??in half by Long Sanman.

"I don't care anymore, it's time to destroy this place." Long Sanman didn't care anymore.

He would destroy Ye Chen along with this place.

"You will be destroyed along with this place" Long Sanman said to Ye Chen, he told Ye Chen that he will be destroyed along with this place.

The lightning pillar descended towards Ye Chen, it fell towards Ye Chen.

Ye Chen saw the attack launched by Long Sanman, that attack was clearly very strong and dangerous for Ye Chen.

Ye Chen used the divine lightning in his body, he increased his strength and started using God Slayer Lightning Shot.

"God Slayer Lightning Shot" Ye Chen fired a God Slayer Lightning Shot, a God Slayer Lightning Shot made of heavenly lightning countered the attack from Long Sanman.

Because the lightning pillar was too big, Long Sanman didn't know what Ye Chen was doing right now.

He could only lower his attack to the bottom to defeat Ye Chen.

That way he could destroy Ye Chen.

"Shoot" God Slayer Lightning Shot shot towards Long Sanman.

The two forces meet and destroy each other.

Long Sanman's attack stopped, it was obvious that it couldn't move forward.

"damn it" Long Sanman cursed.

He was trying to suppress Ye Chen by increasing his strength.

Ye Chen didn't want to lose, he decided to increase the strength he had.

Both of them would not budge, they had almost the same strength.

Ye Chen has already used the fire vein, his strength is increasing and increasing.

Even so, Ye Chen still had difficulty in defeating the attack from Long Sanman.

"I have to do something" Ye Chen has to do something to defeat Long Sanman.

Ye Chen had an idea, he had an idea to defeat Long Sanman.

"I'll try to make the attack get out of the way" Ye Chen decided to control the attack from the enemy.

That way he could create an opening to attack Long Sanman.

Long Sanman continuously tried to suppress Ye Chen, he continued to suppress Ye Chen using more and more force.

Just as Long Sanman thought he had won, something strange happened, suddenly his lightning bolt curved slightly and made way for Ye Chen's attack.

"What ! ! !" Long Sanman was of course shocked when he saw what was going on, he was speechless when he saw what had just happened.

What just happened was absurd, it was an unreasonable thing to have happened or done.

Ye Chen's attack directly pierced towards Long Sanman, Long Sanman didn't have the time or opportunity to dodge Ye Chen's attack.

"damn" Long Sanman cursed, he cursed Ye Chen who attacked him in such a way.

God Slayer Lightning Shot hit Long Sanman hard, a super huge explosion occurred and made this planet even more destroyed.

The aftermath of the battle was immense, this place was in utter chaos and was shattered into several pieces.

"Is such a powerful attack capable of defeating Long Sanman?" Ye Chen wanted to know if such a powerful attack was capable of defeating Long Sanman.

Long Sanman's body was covered in the thick smoke from the battle, so Ye Chen was still looking to see if Long Sanman had finished or could still fight against Ye Chen.

Ye Chen used God Eyes, he decided to take a look at Long Sanman's condition.

Long Sanman's condition was quite bad, part of his body had been crushed by Ye Chen's attack.

"That bastard" Long Sanman was angry, he had never been forced into this situation by anyone else.

Ye Chen was a person who was able to make himself what he is today.

Long Sanman had never been forced into a near-death situation by anyone else.

Long Sanman recovered his body, he restored his body using his living cells.

Long Sanman's lifespan would be shortened when he used this technique, even if he was an immortal, he would have to pay for it.

" he is recovering himself" Ye Chen saw directly that Long Sanman was recovering himself.

"He used his life span to recuperate, there was a huge price he had to pay for that." Ye Chen looked at what happened to Long Sanman.

"Roar" Long Sanman roared, he let out an extremely loud and powerful sound towards Ye Chen.

This roar created vibrations that aimed to paralyze Ye Chen.

Ye Chen was slightly affected by this sound, he got goosebumps hearing Long Sanman's voice.

"Your voice is so bad, don't roar ugly monster" Ye Chen said to Long Sanman.

Long Sanman looked at Ye Chen, Ye Chen was not affected by the attack, it was really very strange and unreasonable.

"You, what kind of monster are you actually?" Long Sanman asked Ye Chen, he wanted to know what Ye Chen really was, Ye Chen was too weird.

Not just his strength and technique, everything in this person is so unreasonable.

"I am me, it doesn't matter who I am" Ye Chen said to Long Sanman.

"so you refuse to tell" Long Sanman saw that Ye Chen refused to tell who he was.

"Then I will find out myself" Long Sanman decided to find out who Ye Chen was himself.

He would find it in the place of Ye Chen's mind, one could say Long Sanman would dig into Ye Chen's mind, he needed that information from Ye Chen.

If Long Sanman knew Ye Chen's secret, he probably knew why Ye Chen could be strong with just such cultivation, it would be beneficial for him and the evil sects to rule this world.

Long Sanman's original goal changed, he had to get information from Ye Chen, after that he would kill Ye Chen and enjoy every moment of it.

"he changed the way of fighting with you" Chu Yuechan realized that Long Sanman's aim had changed.

"It seems that he wants to find out what I know." Ye Chen saw that Long Sanman wanted to know Ye Chen's secret.

"I won't let him know" Ye Chen won't let Long Sanman know Ye Chen's secret.

"It would be quite a dangerous thing for Ye Chen if Long Sanman found out about his secret.

Long Sanman attacked Ye Chen again, he used all kinds of ways to attack and defeat Ye Chen.

Long Sanman didn't care about anything else, he did his best to cripple Ye Chen.

Ye Chen fought using his sword, Ye Chen's goal was to defeat Long Sanman.

Long Sanman was quite proficient with swords, he seemed to be a very strong swordsman once and it was hard to break through his defenses because Long Sanman was a speed type.

So the double sword swing is so fast and has deadly power.

Ye Chen opened the wind vein, it was time for Ye Chen to counter attack and break through Long Sanman's defense.

Chapter 2704 Ye Chen Vs Long Sanman (3)

Ye Chen opened his wind vein, he increased his speed and started to engage the enemy at the same speed.

Both of them became equally fast, their slashes were almost impossible to see.

"Why is he faster than before?" Long Sanman was amazed when he saw Ye Chen being so fast, increasing Ye Chen's speed was really fast.

Ye Chen started to counter, he started to counter attack from Long Sanman.

The battle between the two became more fierce, they did not want to lose and attacked each other until they were injured.

Long Sanman was injured by Ye Chen's several slashes, he was not aware that his wounds would not recover when he received Ye Chen's attack.

"already willing to give up, there is no chance for you to win against me, you are still too early to fight me" Long Sanman said to Ye Chen, he told Ye Chen to give up right now.

Ye Chen tried to focus on attacking Long Sanman, he continued to attack Long Sanman even faster and made Long Sanman retreat.

Long Sanman started to back away, he was being urged on by Ye Chen.

Long Sanman had just insulted Ye Chen, who would have thought that he was being pushed around by Ye Chen.

"damn you annoying brat" Long Sanman was angry, he attacked faster and faster.

Long Sanman refused to lose to Ye Chen, he would not accept losing to Ye Chen.

Enraged, Long Sanman attacked randomly and blindly, it was an excellent opportunity for Ye Chen.

"This is an opportunity for me" Ye Chen saw an opportunity to attack, lest Ye Chen miss the opportunity that existed.

"take this" Ye Chen attacked Long Sanman's chest, he used the celestial sword motion art to confuse Long Sanman.

When Ye Chen used the celestial sword motion art, he made a move that Long Sanman would not be able to read, Ye Chen used that momentum to penetrate Long Sanman's chest.

Long Sanman tried to defend against the attacks launched by Ye Chen, it was a pity he was unable to do so.

And the Divine Yin Yang Sword penetrated towards the chest of Long Sanman.

"damn it" Long Sanman felt pain, he roared as a result of Ye Chen's attack.

The Divine Yin Yang Sword was extremely effective against Long Sanman.

It made Long Sanman's regeneration useless.

Long Sanman retreated, he tried to heal himself.

Long Sanman noticed something strange about himself, he realized that his body's regeneration speed had become extremely slow, or perhaps it was very difficult to recover himself.

"What is this, what happened?" Long Sanman didn't know what was going on, why couldn't his healing ability recover.

"be careful, because you won't be able to recover yourself by regenerating" Ye Chen said to Long Sanman.

Long Sanman looked at Ye Chen, he finally realized what had happened.

"Damn it, so this was all your doing." Long Sanman finally knew why he couldn't heal, but it was Ye Chen who did it.

Ye Chen smiled, he enjoyed when he saw the reaction Long Sanman showed.

Long Sanman's face darkened, he had just lost an important ability, he had to be careful when fighting Ye Chen.

"I have to be careful" Long Sanman decided to be more careful against Ye Chen.

Otherwise, maybe he will be killed by Ye Chen.

Long Sanman had never been faced with this kind of situation before, it was the first time he had been expected by such a complicated situation now.

Long Sanman thought for a while, he finally knew what to do against Ye Chen.

"There is no choice but to do so, even if it would be risky for me." Long Sanman had no choice, he had to make a risky choice against Ye Chen.

Long Sanman threw away his sword, he took out a new sword from within the Space Ring.

What did Long Sanman want to do, why did he do that, and what kind of weapon did he take out.

Ye Chen saw a large sword wrapped in a dull looking bandage.

The first time Ye Chen saw it, Ye Chen realized that it was an ancient sword, it possessed an extremely heavy blood aura and had probably been used to do quite a number of cruel things.

"There is no turning back, you will see a terrible thing in this world" Long Sanman said to Ye Chen.

"what a horrible thing, what do you mean by those words" Ye Chen asked Long Sanman.

"You will immediately understand what I am saying" Long Sanman told that Ye Chen would immediately understand what he was saying.

Long Sanman unwrapped the sword's bandage, an intricately carved sword appeared in front of Ye Chen.

As the bandages were removed, the sword released a dense black aura and enveloped Long Sanman's body.

"This is a cursed sword, a sword that will drink blood when the seal is released" Long Sanman said to Ye Chen.

Long Sanman told Ye Chen about the sword he had just taken out.

The sword that Long Sanman had just released was so fierce, it would kill everything it saw.

"You will see a scary thing soon" Long Sanman said to Ye Chen.

"master, it is an artifact that is almost close to the Celestial Tier realm, it will definitely possess extraordinary power" Chu Yuechan told Ye Chen.

The cursed sword in Long Sanman's hands should still be at the Earth Tier, even so Chu Yuechan felt that it had almost the power of the Celestial Tier realm.

"seriously, he has such a powerful weapon in his hand" Ye Chen said.

"Of course, he does have it, but it's not an artifact that can be controlled by him, he might be controlled by it" Chu Yuechan said.

"So the sword will control the person holding it" Ye Chen said.

"That's right, it should be like that" Chu Yuechan gave Ye Chen an answer.

Long Sanman's body began to change, he began to turn even more terrifying than before.

The sword in Long Sanman's hand became more terrifying and stronger, it seemed like it was absorbing Long Sanman's strength and vitality to increase its power.

"hahahaha, such a long time ago" the cursed sword spoke using the body of Long Sanman.

He spoke using the body of Long Sanman and is now the one controlling the body of Long Sanman.

The cursed sword looked towards Ye Chen, he saw that Ye Chen was the only person in front of him.

"is there only one person in this place, it's really very annoying" he said to Ye Chen.

"Who are you?" Ye Chen asked Long Sanman, or rather at the cursed sword that had taken over the consciousness of Long Sanman.

"hahahaha, you ask who I am, let me tell you who I am" he will tell Ye Chen who he is.

"My name is Yao Angtu, I am an evil sword spirit" he told Ye Chen who he was.

"Yao Angtu, so it is you, the bloodthirsty sword" Ye Chen said to the person in front of him.

"So you already know that I am thirsty for blood, I have been sealed long enough, it is time to shake the world with my power" Yao Angtu was talking nonsense to Ye Chen.

He spoke as if he was the most powerful person in this world.

"it looks like you are dreaming" Ye Chen said to Yao Angtu.

Chapter 2705 Against The Cursed Sword Spirit

"So you don't believe in the strength that I have, fine, I will let you know the strength that I have" Yao Angtu said to Ye Chen.

"be happy that you will be the first to feel the power that I have, I will cut you down" he said to Ye Chen.

Yao Angtu twirled the sword in his hand, he started to go and attack Ye Chen.

"Blink" Yao Angtu's disappeared, he reappeared near Ye Chen and prepared to attack Ye Chen.

Ye Chen used Time Vision, he predicted the direction of the enemy's attack.

With the help of this ability, Ye Chen could tell where Yao Angtu's attacks would come from.

Time Vision announced the upcoming attack, that way Ye Chen could know the direction of the attack Yao Angtu would launch.

"die" Yao Angtu targeted Ye Chen's neck, he intended to crush Ye Chen using a single slash.

Ye Chen would not let the enemy succeed. Before the enemy could attack Ye Chen, Ye Chen dodged and counterattacked.

"slash" Ye Chen's attack scratched the body of Yao Angtu, for some reason Long Sanman's body became hard after being taken over by Yao Angtu.

"he became like super hard steel" Ye Chen saw the strangeness shown by Yao Angtu.

"being able to dodge such an attack, isn't bad either" Yao Angtu said to Ye Chen.

Yao Angtu admitted that Ye Chen was pretty good, he was able to dodge and scratch himself.

"even so, it is far from strong enough to defeat me" Yao Angtu said to Ye Chen.

Yao Angtu attacked Ye Chen again, he became faster and faster when he attacked Ye Chen.

Ye Chen dodged and did not receive the attack from Yao Angtu, Ye Chen felt that the attack from Yao Angtu was dangerous because it was too heavy to endure.

"does the sword emit poison" Ye Chen saw Yao Angtu's sword was poison, if Ye Chen parried it, it would emit poison for him.

"I see, what a lousy weapon" Chu Yuechan said.

Chu Yuechan admitted that Ye Chen was observant, she could see that the weapon was filled with poison, and when it clashed, it would release poison onto Ye Chen.

"But you are immune to poison like that, it should be fine" Chu Yuechan said.

"Hey, we don't know what kind of poison it is, lest it be an aphrodisiac" Ye Chen said to Chu Yuechan.

"Fufufufu, you are overthinking, there is no way that would happen" Chu Yuechan said to Ye Chen.

Ye Chen was still weak against something like that, so Ye Chen was a bit careful to find out before dealing directly with an attack from Yao Angtu.

"it's so hard to catch you" Yao Angtu ran into trouble when he tried to catch Ye Chen.

Yao Angtu was aware that if Ye Chen could figure out the direction of his attack, it would be a problem to defeat Ye Chen.

"So it's like that, then I only need to use a area attack to defeat you" Yao Angtu said to Ye Chen.

"That cursed sword, he is aware of what I can do." Ye Chen saw that Yao Angtu was aware of what Ye Chen could do.

"He's smart, it seems that cursed sword spirit is much more terrifying" Chu Yuechan said to Ye Chen.

Yao Angtu was more terrifying than Long Sanman, it wasn't strange that Long Sanman said that Ye Chen would be in trouble.

"take this" Yao Angtu swung the greatsword with all his might, a powerful slash and Ye Chen's reach surrounded Ye Chen.

Ye Chen put up a defense, he endured the attack from Yao Angtu.

Ye Chen again opened the ground vein, he endured the attack from Yao Angtu with maximum defense.

"It's finished" Yao Angtu said that Ye Chen was finished, there was no way Ye Chen could survive such an attack, there was no chance for Ye Chen to survive the powerful attack launched by Yao Angtu. I think you should take a look at

Ye Chen's figure appeared in front of Yao Angtu, Ye Chen could still defend against the attack just now.

"No way, how come you were able to withstand an attack from me" Yao Angtu said to Ye Chen.

"It seems I just got defend" Ye Chen said to Yao Angtu.

"That's absolutely impossible" Yao Angtu said to Ye Chen, the attack just now was enough to knock Ye Chen.

"try again" Ye Chen said to Yao Angtu.

Ye Chen gave Yao Angtu a challenge.

Yao Angtu again tried to attack and beat Ye Chen, he used more power to kill Ye Chen.

Ye Chen resisted, with the strength of the ground vein, Ye Chen had an extraordinary defensive power and could almost withstand every attack.

"master, if you continue like this, you won't win against him" Chu Yuechan told Ye Chen, she told Ye Chen that he wouldn't be able to win at this rate.

Ye Chen didn't even have the chance to attack Yao Angtu, he was continuously cornered by Yao Angtu's swordsmanship.

"Relax, I was thinking" Ye Chen told Chu Yuechan, he was thinking about how to win.

"How do you beat him?" Ye Chen thought, he should find a way to defeat Yao Angtu.

Ye Chen analyzed what he could do, right now Yao Angtu controlled Long Sanman's body, it made Long Sanman's body very strong it was very difficult to break it with a sword.

"I'll try attacking him using Divine Sword Intent, it will work." Ye Chen had already decided to use Divine Sword Intent.

Ye Chen became one with his sword, now he and Yin Ying'er became one and started to prepare to use the Divine Sword Intent.

Ye Chen launched a Divine Sword Intent attack, he did it without Yao Angtu noticing.

Yao Angtu didn't notice Yao Angtu at all, he didn't notice that Ye Chen launched an attack towards him.

Despite only using very light movements, Ye Chen released an incomparably strong force towards Yao Angtu.

"Slash" a wound appeared on the chest of Yao Angtu, the wound was deep and blood appeared on his chest.

Yao Angtu was shocked when he saw the wound inflicted by Ye Chen, there shouldn't be anything capable of penetrating his body that had been strengthened using Long Sanman's life span.

"this can't happen" Yao Angtu couldn't believe it, she didn't believe that Ye Chen's attack could hurt her.

"it worked to hurt him, I just need to add more power" Ye Chen said.

"You still have one more chance" Chu Yuechan said to Ye Chen, she told Ye Chen that she still had one more chance.

If Ye Chen missed this opportunity, there would be nothing left for Ye Chen.

Using Divine Sword Intent was still too early for Ye Chen to do, Ye Chen would be in trouble if he forced himself.

Even if Ye Chen could use the water vein to patch up the gap, he would be mentally exhausted and it would not be good for Ye Chen.

"one more chance, I can't waste this opportunity" Ye Chen felt that he shouldn't waste the opportunity that was there.

"one full power attack" Ye Chen decided to use one full power attack.

Ye Chen opened a vein of fire, water, and lightning, three at a time to use against enemies.

"Right now Ye Chen is using his full strength, this will naturally be quite a burden on him.

Yao Angtu saw Ye Chen, Ye Chen prepared to fight against himself with full strength.

"can't be allowed" Yao Angtu will not let Ye Chen, he can also do the same thing as Ye Chen did.

Chapter 2706 Battle With Full Force

Yao Angtu decided to use the strongest attack he had, he decided to use the ultimate attack against Ye Chen.

There is no longer any way, Yao Angtu can't help but have to use this method against Ye Chen.

"King Sword Cursed" used one of the most formidable abilities he had against Ye Chen.

He used those abilities against Ye Chen.

King Sword Cursed was a great sword technique, there were several huge swords from the sky of enormous size that were currently heading towards Ye Chen.

The size of the sword was unusually large and it was enveloped in dense darkness and made the surroundings dark.

This was King Sword Cursed's final strike, the strike that would end Ye Chen.

The two of them had started using finishing attacks against each other, this was going to be a fierce battle.

"Prepare to die" Yao Angtu said to Ye Chen, he told Ye Chen to die.

"There's no way that's going to happen, prepare yourself" Ye Chen said to Yao Angtu.

Ye Chen swung the sword with incredible strength, this would be the strongest Divine Sword Intent attack Ye Chen had ever used.

Using the Divine Sword Intent at full power, Ye Chen had to use all of his strength, otherwise he would be unable to use the technique.

A powerful slash headed in the direction Yao Angtu.

So did Yao Angtu, he started attacking Ye Chen using the Cursed King Sword.

The two attacks met and produced an extraordinary impact.

The rocky ground and mountains were swept away when these two attacks met, all the objects that were around Ye Chen and Yao Angtu were swept away and flew upwards.

The two forces seemed to be evenly matched, Ye Chen and Yao Angtu were almost equal in strength.

In terms of strength, Yao Angtu should be much stronger compared to Ye Chen, he was a spirit and had high cultivation.

Even so, he still couldn't defeat Ye Chen, Ye Chen's attack this time was really strong.

"dead. . ., dead . . ., dead . . ., dead . . ., dead. . ." Yao Angtu tried to push Ye Chen, he did his best to push Ye Chen back.

Yao Angtu used all of Long Sanman's life force to increase strength, after this Long Sanman would definitely die.

"can't, I can't lose, be stronger" Ye Chen shouted, he used more strength to fight against Yao Angtu.

With that Ye Chen increased his strength and launched an even stronger attack.

Yao Angtu felt that he was getting more and more depressed, he was unable to push Ye Chen.

"Cracks" a small crack formed because the Cursed King Sword was unable to hold Ye Chen down.

"Slashes . . ." Ye Chen's strike cut the Cursed King Sword into two pieces, now there was nothing that could stop the attack that was heading towards Yao Angtu.

"No" Yao Angtu screamed, he was hit by Ye Chen's attack and his body naturally shattered when he received Ye Chen's attack.

Yao Angtu's main body was destroyed, his main body which was the sword was destroyed, naturally he disappeared from this world.

Ye Chen knelt down, he encountered quite a serious problem when fighting Yao Angtu.

"done, so tiring" Ye Chen said to Chu Yuechan.

Ye Chen was tired, he didn't have the strength to fight.

there was still some left, and Ye Chen was already at his limit, he couldn't do anything about this matter.

παΠdαsNovel.com Long Sanman had been defeated along with Yao Angtu, so now only Long Sanman's underlings remained.

"Don't push yourself" Chu Yuechan said to Ye Chen, she told Ye Chen not to push himself and rest.

If Ye Chen continued to force himself, it would not be good for Ye Chen's body.

Ye Chen could only do as Chu Yuechan said, he could only rest to recover a bit.

.I think you should take a look at

.

Meanwhile, Xuan Mei and Jia Li were trying to find their way inside, they were looking for their way inside to save everyone.

"where is the way, we are running out of time" the two found a way, there were many people who tried to enter but failed.

"This is very difficult" Xuan Mei said to Jia Li.

"If it's like this then they will" said Jia Li, she was worried about the safety of Wu Ziyi and Shi Lin, what would happen to them later.

They were both confused, there was no way they could get in there, it was a big problem for both of them.

There was no way for them to get in there, and this would be a pretty serious problem.

"What are you guys doing in this place?" Zhang Ein happened to be passing by and discovered the whereabouts of Jia Li.

"Ahh, you . . ." Jia Li saw Zhang Ein, what a coincidence she was here.

Xuan Mei saw Zhang Ein, it was quite rare to see Zhang Ein who often traveled around the world.

"what happened?" Zhang Ein asked Jia Li.

"That, something bad happened, can you help me" Jia Li asked Zhang Ein.

"What kind of problem?" Zhang Ein asked Jia Li what problem Jia Li was facing.

Jia Li explained to Zhang Ein about what happened in there.

Zhang Ein immediately understood, he would help Jia Li break the barrier.

"Wait, the barrier is" Jia Li said to Zhang Ein.

"Boom. . ." before Jia Li finished speaking, Zhang Ein had already made a hole using the overwhelming force of the wind.

Jia Li and Xuan Mei would naturally be shocked when they saw Zhang Ein destroying the barrier so easily, it could easily show the difference in their strength.

"Come in quickly" Zhang Ein told Jia Li and Xuan Mei to enter right away.

Xuan Mei and Jia Li wasted no time, they rushed in to save everyone.

They first checked what happened in the medical room, that was where everyone who was sent out of the battle arena was at.

They checked first, whether everyone was okay or not.

When they arrived, they already smelled a strong smell of blood.

"This?" Xuan Mei and Jia Li had a bad feeling, they probably already knew what was going on by now.

Sure enough, when they arrived, everyone was lying down, their condition was bad and they didn't know what had happened whether they were still alive or not.

"This is very bad, what are we going to do?" said Xuan Mei.

"find the ones that are still safe" said Jia Li.

Jia Li brought liquid medicine and some pills. It can help the injured, but can't help the dead.

Xuan Mei understood, the two of them helped everyone they could to help.

Xuan Mei saw Gen Tez together with several people who were dying, of course she came to take a look.

"Still alive, but the conditions are too severe" Xuan Mei felt that the conditions of those who were still alive were extremely dire.

"here" Xuan Mei decided to give medicine to those who could still be cured.

Xuan Mei wanted to ask the disciples of the sword faction what happened, but it didn't seem like it would because they were dying and didn't know when to wake up anymore.

"There were only a few disciples in the sect who survived, meanwhile there were many who couldn't be saved" said Jia Li.

The survivors are less than 15%, that includes all the Sects, this loss is simply too great for everyone.

Chapter 2707 Help Is Coming

"tell them to come, we will go to help them" Jia Li said to Xuan Mei.

Jia Li didn't want anything bad to happen to Ye Chen, that's why she asked to bring people here immediately and they could focus on helping others.

Xuan Mei summoned help, with that they could go to see Wu Ziyi and Shi Lin.

After help came, they immediately left. They went to the battlefield and entered by force.

When they entered, they saw that it was completely destroyed here, the effect of Ye Chen's battle against Long Sanman was simply incredible and caused great devastation.

"This place is destroyed, what happened in this place?" Xuan Mei and Jia Li looked around, they were looking for survivors.

"A big battle must have happened in this place, whether they survived or not" Xuan Mei and Jia Li were worried that if there were no survivors, they were worried that no one would survive when they saw what happened.

"There is a battle there, let's go there." Xuan Mei sensed a battle from afar, she decided to take Jia Li away with her.

Jia Li went along with Xuan Mei, they went towards the place where Wu Ziyi and Shi Lin were.

"give up now, you guys have no chance of winning against us" they said to Shi Lin, Wu Ziyi, and the others.

They were pressed and the last line of defense had run out, there was no chance for them to retreat or escape from this place.

"What should we do ?" Wu Ziyi asked Shi Lin.

"I don't know what we should do either." Shi Lin didn't know either, she didn't know what they should do now.

Shi Lin and Wu Ziyi were confused, they had done their best, the problem was that the enemies attacked a lot, Wu Ziyi and Shi Lin still couldn't beat them all.

παΠδαςNovel.com The two of them were having trouble beating the opponent that was in front of them.

The evil sects were strong and they had sneaky ways, if not for the Array that Ye Chen created for them, they wouldn't have a chance to survive very long.

"I hope help arrives soon, we are already in the limit" Cao Muba and Yae Leifu are in the limit.

They are already seriously injured and need help.

"Help will surely come, we just have to hold on a little longer" said Wu Ziyi.

Wu Ziyi was sure that help would definitely come, Ye Chen and everyone else were struggling, so they had to struggle too.

Just when they were at their limit, Jia Li came, she came and assisted in the battle.

"You guys, I will never forgive you." Jia Li saw what happened, she saw that these people did bad things to Shi Lin, Wu Ziyi and everyone else.

Jia Li couldn't forgive them for what happened, she would defeat all of them who had caused trouble to the Sect.

"It's the leader of the Medicines faction, help is coming." They looked overjoyed when they saw Jia Li coming, this was a joy for everyone.

They are of course happy, help has come, they are finally safe.

"finally came" Wu Ziyi and Shi Lin were happy to see help coming, they were finally safe.

Xuan Mei followed behind from Jia Li, she saw that the students here were still able to survive even though their condition was quite bad due to the enemy's attacks.

"You guys, how dare you do that." Xuan Mei also felt the same way, she felt the same way when she saw what happened to the enemy.

"attack them" they changed the direction of the battle, they were aiming for Jia Li and Xuan Mei.

Xuan Mei and Jia Li were the targets of everyone in this place.

With that they both fought the enemy, they both released incredible strength.

Xuan Mei and Jia Li were in almost similar leagues, both of them had improved after Dual Cultivation with Ye Chen, they were now much stronger compared to before.

The opponent in front of them was nothing in their hands. I think you should take a look at

Jia Li waved her hand, flames enveloped everyone and started to burn them.

All of the enemies were incinerated within seconds, none of them were able to last more than a few minutes while being incinerated by Jia Li.

They didn't even have time to feel the pain and immediately turned into ashes.

On the other hand, Xuan Mei used her sword, she moved nimbly and agilely to fight against the enemy.

Every time Xuan Mei's blade moved, someone would be slashed and all of them were quickly defeated by Xuan Mei and Jia Li.

In just a matter of breaths, the two beauties had reduced their enemies to half.

both of them are so great and strong that all the enemies are afraid.

"run, they are too strong" many enemies ran away when they saw their comrades being defeated by Xuan Mei and Jia Li.

"Where are you all running to?" Jia Li set up a wall of fire, she blocked the way of everyone trying to escape.

they couldn't escape, they could only fight against Xuan Mei and Jia Li.

The two of them stepped forward, Xuan Mei and Jia Li stepped forward to fight the remaining Enemies.

They had no escape route anymore, right now they could only fight against Xuan Mei and Jia Li.

"bring out all the power you have, we will fight them" they decided to fight against Jia Li and Xuan Mei.

They released their monster form to fight Xuan Mei and Jia Li.

With the release of their monster form, they become stronger.

Xuan Mei and Jia Li didn't seem to care much about this matter, both of them looked indifferent when they saw the enemy turn into a monster.

"That will make it easier for me to turn all of you to ashes." Jia Li would burn them all.

"there is no forgiveness for those who have caused destruction" said Xuan Mei.

Xuan Mei will not grant forgiveness to those who have dared to kill innocent people.

"Flame Flower" Jia Li used Flame Flower, a storm of sparks appeared and hit everyone.

Xuan Mei Using the celestial sword motion art she displayed an extraordinary mastery technique and took down countless enemies.

The two of them had shown what abilities they had, there was no chance for the enemy to survive.

The disciples of the immortal valley sect were shocked by what happened, they were speechless when they saw Xuan Mei and Jia Li.

They had all just seen the strength of a powerful and extraordinary faction leader.

It was obvious that such abilities couldn't be compared to those at the lower levels.

"what happened here, can someone tell me about this" Jia Li asked about what happened.

"they are an evil sect and have attacked us, they intend to take us hostage, and Ye Chen should fight those far away" Shi Lin told Jia Li.

"Where is he now?" Xuan Mei asked Shi Lin, she wanted to know where Ye Chen was right now.

"he is over there" Shi Lin pointed at the direction where Ye Chen had gone.

Xuan Mei was the first to leave, she left and left everyone behind.

"Why is she in such a hurry, did something happen?" Jia Li still didn't understand, she still didn't know what kind of relationship Ye Chen and Xuan Mei had.

"Don't tell me" Jia Li felt something happened, she had an instinct that told her this.

Chapter 2708 Xuan Mei And Jia Li Got Into A Fight

"You please bring the injured back, I want to confirm something" Jia Li said to Shi Lin and Wu Ziyi.

Shi Lin and Wu Ziyi didn't ask much, they brought the wounded back.

They need rest too, they are trying to recover themselves.

Jia Li followed Xuan Mei, she followed behind Xuan Mei.

With equal strength, the two of them would easily get to Ye Chen's place.

"Why are you following me ?" Xuan Mei asked Jia Li.

The two start fighting again, they fight because they don't like the look of each other.

"That's up to me, I want to see someone" said Jia Li.

Jia Li didn't back down, she announced that she wanted to see Ye Chen.

"You . . ." Xuan Mei was aware that Jia Li was trying to see Ye Chen, so she wasn't happy about it.

Jia Li was the same way, she was displeased when she saw Xuan Mei wanting to see Ye Chen.

Both of them didn't want that to happen.

Xuan Mei and Jia Li searched for Ye Chen's whereabouts, they walked around for a bit, before finding Ye Chen.

Ye Chen rested near the rock, he was trying to recover, it seemed that Ye Chen was a little pale.

Ye Chen was already completely drained, he was really tired and needed enough rest after using such a powerful technique.

"Ye Chen . . ." Xuan Mei and Jia Li called Ye Chen, both of them were quite worried about Ye Chen's condition.

It's not strange that the two of them are worried about Ye Chen's condition, Ye Chen's condition, Ye Chen's condition is really bad.

Xuan Mei and Jia Li drew closer, they saw Ye Chen's condition.

Xuan Mei came closer and saw Ye Chen's condition, she saw Ye Chen's weak condition.

"are you okay ?" Xuan Mei asked Ye Chen, she wanted to know Ye Chen's current condition.

"step aside, let me take a look" Jia Li told Xuan Mei to step aside, she wanted to see Ye Chen's condition.

Jia Li chased Xuan Mei away, Xuan Mei interfered, she wanted to check Ye Chen's current condition.

Xuan Mei was pushed away, this made Xuan Mei unhappy with what happened.

"what are you doing, why are you pushing me" Xuan Mei asked Jia Li.

"I checked, so you're in the way" Jia Li pointed out that Xuan Mei was blocking the way.

"I also want to help him" Xuan Mei informed that she also wanted to help Ye Chen.

The two of them fought again, they glared at each other and began to approach.

The two of them closed quite close, they were only inches away from each other.

These two were so close, they got so close and their double peaks clashed.

In terms of size, clearly Jia Li was in the lead, it couldn't be compared with Xuan Mei.

Even so Xuan Mei wasn't bad either, she had a good body and was also toned.

"I'll take care of it, do you have any problems with it" Jia Li said to Xuan Mei.

"I have a problem with that, I will take care of him" Xuan Mei said that she could take care of Ye Chen.

"No, I won't allow that" Jia Li told her that she wouldn't let Xuan Mei take care of Ye Chen.

Ye Chen must be under good care, so Jia Li is most suitable to take care of Ye Chen.

Because of this trivial incident, both of them started to become tense, they became tense with what happened just now.

"don't start it" Jia Li said to Xuan Mei.

"So what if I start it" Xuan Mei asked Jia Li.

Xuan Mei grabbed Jia Li's hair, Jia Li also did the same, she grabbed Xuan Mei's hair. I think you should take a look at

The two fought like children, the two fought like that because Ye Chen was around.

If they had a big battle, they were afraid of dragging Ye Chen down, which was why they didn't overdo the battle.

"What's wrong with us" Jia Li said to Xuan Mei, why did Xuan Mei become like this, Jia Li wanted to know the reason too.

"I should be asking like that, what's wrong with you, why did you do that" Xuan Mei asked Jia Li, she also wanted to know why Jia Li did this.

"That's because I'm worried for him" Jia Li said that she was worried for Ye Chen, that's why she did this for Ye Chen.

"I'm also worried about him, so you have no right to ban me" Xuan Mei said to Jia Li.

Xuan Mei was also worried about Ye Chen, she was worried about Ye Chen's safety.

They continued their battle and made a stormy noise, if others saw them, maybe they would be shocked by what they saw now.

Two beautiful mature women were fighting, no one knew why they were fighting like that.

Ye Chen was of course aware of the commotion that was going on, he wanted to know what was going on, why were they being so noisy like that.

Ye Chen saw that the two of them were fighting, he had to stop them from fighting, it was not good for the two of them.

"stop, what are you guys doing" Ye Chen stopped them, with a weak body he stopped the ongoing battle between Xuan Mei and Jia Li.

"Ye Chen" Xuan Mei and Jia Li looked towards Ye Chen, they saw Ye Chen who was sober and looked quite weak.

"How are you?" The two of them asked about Ye Chen's condition, they wanted to know Ye Chen's current condition.

"I'm fine, just a little tired" Ye Chen informed her that he was fine.

"then let's go and take you to a safe place" Xuan Mei said to Ye Chen.

she wanted to take Ye Chen away.

"No, just stay here, I can take care of him," said Jia Li.

Jia Li forbade Xuan Mei to bring Ye Chen, she was able to take care of Ye Chen in this place.

"what's wrong with you, don't get in my way" Xuan Mei said to Jia Li.

"I also said the same thing, don't block me, can't you see his current state" Jia Li said.

They went back to fighting, they really didn't want to give up and they didn't get along again.

"Fufufufu, the two of them are really worried about you" Chu Yuechan said to Ye Chen.

Chu Yuechan could see that Xuan Mei and Jia Li were worried about Ye Chen's condition.

Both of them were worried about the condition of Ye Chen who was currently completely exhausted.

"The two of them are always like that" Ye Chen said to Chu Yuechan, Ye Chen saw that the two of them kept on doing things like that again and again.

"You'd better stop them, otherwise there will be a battle" Chu Yuechan told Ye Chen to stop the two.

If not then Xuan Mei and Jia Li would destroy this place, they were already preparing for battle.

"stop !" Ye Chen said to Jia Li and Xuan Mei.

Ye Chen stopped them, he stopped the two fighting.

"she started it" Jia Li said that Xuan Mei was the first to start it.

"Didn't you start first" Xuan Mei said.

Xuan Mei didn't want to be blamed, she started to fight back and told that Jia Li was the first to start it.

The situation became tense again, this of course gave Ye Chen a headache.

Ye Chen felt a headache when he saw this, the two of them were more difficult than anyone else could imagine.

Ye Chen had to do something, otherwise this matter would not be resolved.

Ye Chen pulled Xuan Mei and Jia Li's hand.

Chapter 2709 Succeeded In Convincing Xuan Mei And Jia Li

Xuan Mei and Jia Li were surprised by what Ye Chen did, they did not expect what Ye Chen did.

Ye Chen pulled the two, he told them both to stop right now, Ye Chen didn't like the battle between his beautiful wife.

"please stop right now" Ye Chen told Xuan Mei and Jia Li to stop right now.

"we understand" the two understood, they listened to what Ye Chen said.

"Understood" The two of them understood, they were no longer bickering like before.

They were quite obedient to Ye Chen, they didn't want to trouble Ye Chen.

Jia Li and Xuan Mei saw Ye Chen's condition, so they knew what was best.

The two of them weren't fighting like before.

"what happened here" Xuan Mei wanted to know what happened, why did Ye Chen get hurt.

Ye Chen told what happened, they told what happened before.

Ye Chen told what happened, Ye Chen explained the evil sect attacked.

"You fight them yourself" Jia Li said to Ye Chen.

Jia Li was shocked when she heard this, Ye Chen was too rash to do it alone.

"You are too careless, what if something worse happens, look at you now" Jia Li said to Ye Chen.

she scolded Ye Chen for doing such a stupid thing.

"I'm really sorry, I have no other choice" Ye Chen said that he had no other choice, if he didn't do that, what would happen to everyone.

"Even so, I'm still worried, what if something bad happens to you, what will I do" Jia Li said to Ye Chen.

Jia Li was worried about Ye Chen, if something bad happened to Ye Chen, what would he do.

Jia Li really likes Ye Chen, if Ye Chen is not around, then what can Jia Li do.

she will definitely be sad when she knows this.

"I promise I won't leave you" Ye Chen said to Jia Li, he told Jia Li that he won't leave her.

"Um. ." Jia Li nodded to Ye Chen, she believed what Ye Chen said.

Xuan Mei listened to what Ye Chen and Jia Li said.

she could guess what kind of relationship they had from the direction of the conversation they were having.

"Wait a minute, what did you two say, what did you mean by your words, what kind of relationship do you two have" Xuan Mei asked Ye Chen and Jia Li.

"Our relationship is very special, we are a couple" Jia Li said to Xuan Mei.

Jia Li wanted to confirm what happened, she no longer wanted to hide this matter from Xuan Mei.

Jia Li wanted to prove that she belonged to Ye Chen, and that Jia Li belonged to Ye Chen.

According to Jia Li, Ye Chen now held quite a high position, he had saved many people within the sect, he was a hero and deserved to be her.

"What ! ! !" Xuan Mei would naturally be shocked, it would not be strange for her to be shocked when she heard this news.

"What is the meaning of that, you have to explain it to me" Xuan Mei spoke to Ye Chen, she asked Ye Chen for an explanation.

"There's nothing to explain anymore, you can go, you're just interrupting" Jia Li said to Xuan Mei.

Jia Li chases Xuan Mei away, she tells Xuan Mei to leave.

"that won't happen, quickly explain to me" Xuan Mei told Ye Chen to explain, she was not happy about this.

"Fufufufu, what a rare sight, the situation turned extremely complicated" Chu Yuechan said.

Chu Yuechan was a spectator, she was happy to see what happened to Ye Chen, Jia Li and Xuan Mei.

Ye Chen was still silent, he didn't answer Xuan Mei's question.

That made Xuan Mei furious, she needed an answer from Ye Chen.

On the other hand Jia Li was trying to make Xuan Mei hot, she made Xuan Mei hot by using provocation filled with love on Ye Chen.

"what are you going to do, this will be a tricky matter" Chu Yuechan said to Ye Chen, she told Ye Chen that this would be a rather tricky matter.

"I will try to solve this" Ye Chen couldn't run away, he had to solve the current problem.

"please calm down" Ye Chen asked Chu Yuechan and Xuan Mei to calm down, he would explain it to the two of them first.

"I hope you have a good explanation" Xuan Mei hoped that Ye Chen had a good explanation.

Otherwise Xuan Mei would be angry with Ye Chen.

Ye Chen thought for a while, what should he do, lest he anger the two of them.

"actually we all have a relationship, why don't you guys try to get along better" Ye Chen said to Xuan Mei and Jia Li.

He told them that they were all in a relationship, so there was no point in them getting angry.

"What ! ! !" Xuan Mei and Jia Li were shocked when they heard what Ye Chen said.

They were all shocked when they listened to what Ye Chen said.

"since when ?" Xuan Mei and Jia Li asked Ye Chen, they wanted to know when Ye Chen did that thing. I think you should take a look at

Ye Chen explained to Jia Li and Xuan Mei, he explained quite clearly.

Jia Li and Xuan Mei looked at each other, they could hardly believe what had happened.

They had predicted, but had not expected that their relationship would go that far.

Xuan Mei and Jia Li were speechless as they listened to that, they were speechless by what had happened.

Silence fell, the three of them became silent and did not speak again, only the wind that they could hear.

παΠdasNovel.com "In that case, I will go first then, you should call me big sister" Jia Li said to Xuan Mei.

After the silence, Jia Li was the first to speak.

"How could that be, it won't happen" Xuan Mei said to Ye Chen, she told her that it wouldn't happen.

"You have to accept it, I'm ahead of you" Jia Li said that she was first, so Xuan Mei should be able to accept it gracefully.

"no, I won't accept that" Xuan Mei told her that she wouldn't accept that.

The two of them fought again because of the problem of who came first.

"Well, you guys stop doing that, you two are mine, can't you stop fighting and start being friendly" Ye Chen again told them to stop.

"no" The two of them were compact in rejecting Ye Chen, they didn't want to do that.

Ye Chen pulled the two of them, that way Xuan Mei and Jia Li were in Ye Chen's arms.

Ye Chen hugged the two of them even tighter, they both couldn't leave because they were hugged tightly by Ye Chen.

"husband . . ." Jia Li said to Ye Chen.

"I told you that I won't let you guys go until you promise to get along" Ye Chen said to Jia Li and Xuan Mei.

Ye Chen had to find a way, the two couldn't be together if they continued like that.

"The only way to get them together is like this, this is the only way Ye Chen can do it for them.

Jia Li and Xuan Mei tried to get away from Ye Chen, when they tried, they found that they couldn't get away from Ye Chen.

Ye Chen hugged the two tightly enough and refused to let them go.

They might be able to escape if they forced themselves, but that wouldn't be good and could harm Ye Chen, so they didn't do that and chose to endure.

"do you guys understand" Ye Chen said to Xuan Mei and Jia Li, he wanted to know if they were better.

"Um. ." The two of them came to understand, they would listen to Ye Chen.

After a bit of pressure put on by Ye Chen, they were finally willing to reconcile.

"very good, what about the other conditions, are they okay ?" Ye Chen asked Jia Li and Xuan Mei, he wanted to know what happened to everyone.

"They are all fine" Jia Li and Xuan Mei informed them that they were all fine.

"Thankfully, I can rest easy" Ye Chen told that he was at ease listening to this news.

"We'd better bring you back" Jia Li said to Ye Chen, she wanted to bring Ye Chen back.

"I agree" Xuan Mei also agreed, they decided to bring Ye Chen back.

They helped Ye Chen, the two stood by Ye Chen's side and helped Ye Chen to stand up.

The two of them made sure that Ye Chen could come back, they gave Ye Chen a helping hand.

The two brought Ye Chen back to safety, Ye Chen only followed what Xuan Mei and Jia Li wanted.

They reached the medical center, here, Jia Li helped Ye Chen.

"Are you okay?" Wu Ziyi and Shi Lin came over, they wanted to know Ye Chen's condition.

"um, just a little tired and need to rest" Ye Chen announced that he needed to rest to recover.

"then come with us" the two took Ye Chen away, they were looking for a place to rest.

Many people were injured in this place, this place didn't seem suitable for Ye Chen, so Jia Li told them to bring Ye Chen back home because it was safer there.

Jia Li and Xuan Mei had to settle something, all of them along with the elder and sect leader would start to counterattack for what happened.

"You should rest more" Wu Ziyi said to Ye Chen.

"understood" Ye Chen understood, he would rest more.

"We will look after you until everything is over" Shi Lin said.

Shi Lin will also take care of Ye Chen, they both get the job of taking care of Ye Chen.

"master, I'm back, are you okay ?, I heard that something was wrong" Zhang Ein came over, she looked at Ye Chen's condition.

"I'm fine" Ye Chen told Zhang Ein.

"It seems that you are very tired, then let me make something to recover for you" said Zhang Ein.

"we will also help" so they started to help Zhang Ein, the three decided to take care of Ye Chen.

Ye Chen himself also needed rest, he would probably be here for the next few days, he would be enjoying this time with the three beauties taking care of him.

Chapter 2710 Husband, Have You Recovered

Some time had passed after that incident, Ye Chen had completely recovered from being tired and was ready to train again.

"oh, this is so fun" Ye Chen felt that this was really fun, he was happy that he had fully recovered.

"Husband, have you recovered" Wu Ziyi asked Ye Chen, she was the one who had always been by Ye Chen's side.

"Of course, I have recovered" Ye Chen announced that he had fully recovered.

"good, I brought fruit for you" Wu Ziyi brought fruit for Ye Chen.

"thank you very much" Ye Chen was grateful for what Wu Ziyi had given.

Wu Ziyi gave what was best for Ye Chen, this was all so that Ye Chen could recover quickly.

she and even Shi Lin did their best, they had done their best to take care of Ye Chen.

"what happened to Jia Li and Xuan Mei, are they not back yet?" Ye Chen asked Wu Ziyi, he probably knew whether they were back or not.

"They haven't come back yet, it's harder to destroy the evil sects because they have powerful ancestors and also quite a wide network."

"Even if every sect is working together to defeat them, it's still difficult to do, I heard that they are having troubles," said Wu Ziyi.

Wu Ziyi of course knew about what happened, she knew about what happened right now.

"Is that so, she has a problem with it." Ye Chen understood, it seemed that Xuan Mei and Jia Li had a problem.

"Do you intend to come along?" Wu Ziyi asked Ye Chen.

"No, I won't be participating, the battle is enough since too many will be participating, they should be enough" Ye Chen said to Wu Ziyi.

Ye Chen realized that they were all in an angry state right now, he was furious that what happened to their sect, their talents were destroyed, it would take a long time to rebuild the strength of the sect.

So they will hunt down the evil sect to take revenge for what happened.

this will be a very tough battle, he is a tough battle for everyone.

The evil sects will definitely cooperate, they will work together to defeat the invading sects.

This was a huge battle and Ye Chen would not take part in it.

"I'm cured, I'll start training outside the sect" Ye Chen informed that he might be training outside the sect.

"why all of a sudden" Wu Ziyi asked Ye Chen, why did Ye Chen suddenly say that.

"That's because I want to beat someone." Ye Chen said that he wanted to beat someone.

"You want to beat someone?" Wu Ziyi and the others didn't know about this matter, only Ye Chen and Chu Peng knew about this matter.

"Just an annoying person, you'll find out later" Ye Chen said, Ye Chen told that Wu Ziyu would know later.

"Is that so" Wu Ziyi understood, she would understand what Ye Chen said.

Wu Ziyi peeled the fruit for Ye Chen, she peeled it neatly and gave it to Ye Chen, Ye Chen consumed everything that Wu Ziyi gave, the fruit felt very comfortable and delicious.

"this is the best" Ye Chen said to Wu Ziyi.

"I am happy to" Wu Ziyi was happy to hear this, she really wanted to pamper Ye Chen more and more.

After Ye Chen ate, he left, so did Wu Ziyi, she had to go back and couldn't accompany Ye Chen.

Ye Chen left the Sect and started training, he started training away from the sect.

Ye Chen wanted to have an adventure and looking for a good place to practice, he needed a good place to practice.

Ye Chen found a good practice ground after flying for a while, he found a beautiful practice ground.

Ye Chen started training, he trained himself quite well and started to warm up.

It had been a long time since Ye Chen last started training, so warming up was what Ye Chen wanted.

"It's been so long, it seems all my muscles are stiff from not being used" Ye Chen said to Chu Yuechan. I think you should take a look at

"So you decided to train in this place, not too bad a place" Chu Yuechan said to Ye Chen.

Chu Yuechan told him that this was a pretty good place.

"I know, this is really a great place, I like this place too" Ye Chen said to Chu Yuechan.

While Ye Chen was training, he saw a few people passing by quickly, they might be looking for something.

"who are those people, it looks like they are looking for something" said Ye Chen.

"Don't know, but they seem to be from a distinguished family." Chu Yuechan confirmed that they must be from a good clan.

"ignore them, they probably won't bother me" Ye Chen decided to ignore them.

Ye Chen returned to training, he ignored everyone who passed nearby.

"young master over there" a man approached Ye Chen.

"What do you need from me?" Ye Chen asked, he wanted to know if there was any need for him.

"I want to ask something, have you seen a pendant near this place" she asked Ye Chen.

"Pendant?, I don't know at all." Ye Chen didn't see the pendant, how could there be such a thing in a place like this.

"are you sure" he asked Ye Chen.

"Of course I'm sure of that, I'm here and haven't seen anything like that, since just now no one has passed near this place" Ye Chen informed that he was alone before they came.

"Is that so, then sorry for disturbing the time you have" he said to Ye Chen.

Since Ye Chen didn't know, he decided to search around again.

"oh, they are looking for a lost item" Ye Chen saw that they were looking for a lost item.

"It seems like it was an important item, they went looking for it like that" Chu Yuechan said to Ye Chen.

Ye Chen asked Chu Yuechan.

"I didn't sense any good artifacts in this place." Chu Yuechan pointed out that she didn't find any good artifacts around this place.

"Maybe it's an ordinary thing full of memories".

"what a shame" Chu Yuechan said to Ye Chen, it didn't seem like a good item.

"what a shame, just ignore it" Ye Chen decided to ignore it, because it is not a good item, Ye Chen is not very interested in look for it.

"Those people kept looking around until it was almost evening, after evening, they all decided to quickly leave this place, it seems they didn't find the item.

it was already evening, Ye Chen would probably find an inn for himself to stay in.

When Ye Chen was on his way back, he found something shining, an object that glowed when it was illuminated by moonlight.

"wait, what ????" Ye Chen was naturally curious about it, he felt curious about what was ahead.

Ye Chen drew closer, he found a pure and clean white pendant.

"This looks like an expensive item" Ye Chen saw that this was an expensive item that was worth quite a lot.

"If it was on earth, you would probably earn a lot of money, in this place such items are easy to obtain" said Chu Yuechan.

"You are absolutely right, maybe this is the item they are looking for" Ye Chen said.

"They're gone, there's no way you'd find them" Chu Yuechan said.

They had already left earlier, Ye Chen would not find them again.

"Save it, maybe you will have a chance to meet them later" Chu Yuechan said to Ye Chen.
