Chapter 2721 slime, guardian of soul-strengthening pearls

"you are still ashamed to admit it" Ye Chen said to Bai Yuli.

"I'm not ashamed, please stop talking like that" Bai Yuli said to Ye Chen, she told Ye Chen to stop.

"alright" Ye Chen let go of Bai Yuli, he didn't force Bai Yuli.

Bai Yuli was slightly away from Ye Chen, she felt a strange feeling when she was with Ye Chen, that's why she was slightly away from Ye Chen.

"I'll go and start picking it up." Bai Yuli decided to go and pick it up.

"Wait a minute" Ye Chen stopped Bai Yuli, he didn't let Bai Yuli go forward.

"Why did you stop me, do you also want it" Bai Yuli asked Ye Chen.

"Don't be so greedy like that, we don't know what lies ahead, so don't do anything reckless" Ye Chen said to Bai Yuli.

He told Bai Yuli not to do anything reckless.

"What do you mean ?" Bai Yuli asked Ye Chen, she didn't understand what Ye Chen meant.

"take a good look at this" Ye Chen said to Bai Yuli.

Ye Chen threw something forward, he threw an object forward.

As it drew closer to the soul-enhancing pearl, a white whirlpool instantly caught it and pulverized it.

It became liquid in just a matter of milliseconds and was absorbed by a red liquid in front.

After that, the water became clear again, it was as if nothing had happened.

"Ahhhh . ." Bai Yuli screamed, she finally knew what Ye Chen meant, if only Ye Chen didn't stop herself, then Bai Yuli's fate would be bad.

"thank you very much, you have saved me" Bai Yuli thanked Ye Chen, Ye Chen had saved himself for the umpteenth time.

"It doesn't matter, but you have to be careful next time." Ye Chen said to Bai Yuli.

"I understand, I will be more careful again and again." Bai Yuli said to Ye Chen, she would be even more careful.

"Come on, I'll find a way to deal with the bandage." Ye Chen said that he would try to deal with the thing.

"But it's dangerous" Bai Yuli said to Ye Chen, Bai Yuli told Ye Chen, it was very dangerous for Ye Chen.

"Don't worry, I'll do it slowly, I'll definitely be fine" Ye Chen told him that he would be fine.

Ye Chen stepped forward, he made a shield on his body, a lightning shield was used by Ye Chen.

"Yuechan, what do you think it is" Ye Chen asked Chu Yuechan.

"A kind of slime-like monster that can devour quickly" Chu Yuechan said to Ye Chen.

It will probably attack anyone who tries to get close, it uses the soul strengthening pearl as bait to lure its prey into a trap, I believe there are already many casualties here" Chu Yuechan said to Ye Chen.

Chu Yuechan told Ye Chen, he told her that there might have been many victims in this place.

Most likely they were caught unawares and fell straight into the trap, with that they died on the spot.

"Then I just need to destroy it" Ye Chen said.

"It won't be easy, you have to find its main body, I'm sure that it is hiding around this place" Chu Yuechan said to Ye Chen, she told Ye Chen that the monster hid its main body around.

Ye Chen tried to look for it, maybe he would find it.

Ye Chen had searched with all his might, he couldn't find the main body of the slime monster.

"Too troublesome" Chu Yuechan said to Ye Chen, she felt that if it was too troublesome, they would be in trouble for not finding her.

"You can't find it?" Chu Yuechan asked Ye Chen.

"I can't, I can't find it" Ye Chen informed that he couldn't find it.

"I didn't find it either" Chu Yuechan also didn't find it, the monster slime hid quite well and was able to trick Ye Chen and Chu Yuechan.

Bai Yuli saw Ye Chen from afar, she didn't come closer because it was too risky, so she wanted to help Ye Chen from a considerable distance and make sure Ye Chen's condition was safe.

Unbeknownst to Bai Yuli, the slime was already behind her, apparently it was able to move swiftly and now it was behind Bai Yuli's body.

The slime caught Bai Yuli, it released its tentacles and grabbed Bai Yuli from behind.

"Ahhhh" Bai Yuli naturally screamed, she was shocked by what happened to her.

The monster immediately tried to catch Bai Yuli, it caught Bai Yuli and wanted to eat Bai Yuli.

Ye Chen listened to Bai Yuli who was in trouble, he of course immediately looked and saw that Bai Yuli was in trouble.

"it's already behind, really an invisible enemy, it's really troublesome" Ye Chen felt troubled when he saw this.

Ye Chen immediately tried to help Bai Yuli, he used his full speed to free Bai Yuli.

Ye Chen used a lightning strike, using a lightning strike, he freed Bai Yuli.

"Bai Yuli was almost swallowed up, luckily Ye Chen managed to save her.

"ahhhhh" Bai Yuli immediately hugged Ye Chen, she was afraid of what would happen next, so she hugged Ye Chen and clung to Ye Chen.

"That monster was terrifying, the clothes that Bai Yuli was wearing were partially melted, so Ye Chen could see some of Bai Yuli's body parts.

"The monster has disappeared again." Ye Chen didn't find it again, it disappeared again.

"It seems that it is more dangerous than we imagined" Bai Yuli said to Ye Chen.

Bai Yuli informed them that it was more dangerous than they could imagine.

"That monster used a soul strengthening pearl to lure us in, then we have to take the thing first" Ye Chen said to Bai Yuli.

"That's impossible, it would be very difficult to do it." Bai Yuli wasn't sure about it.

They would be in trouble because it was very difficult to get close, if they got close, they would be directly attacked, it would not be good for them.

"Who said that we have to take it up close" Ye Chen said to Bai Yuli.

Ye Chen didn't need to get closer to pick up the thing.

Ye Chen used Perfect Steal, by using Perfect Steal he retrieved the soul strengthening pearl easily, he didn't need to break through the barrier to get the soul strengthening pearl.

"Ehhhhh . . ." Bai Yuli was shocked when she saw what Ye Chen was doing, she was really speechless when she saw what Ye Chen was doing.

"what was that, how did he do that" Bai Yuli still didn't know how Ye Chen took the thing that was protected by Slime's barrier.

"with this he should be out" Ye Chen said to Bai Yuli, Ye Chen was sure that it would come out soon.

"roar" The monster was angry and roared when Ye Chen stole the soul strengthening pearl.

slime was clearly angry because of that, slime couldn't accept it when he saw Ye Chen take the soul strengthening pearl.

"We'd better get out of here," said Bai Yuli.

"No way, look around, he blocked all of our exits, we can at least fight with him" Ye Chen said.

The monsters had blocked their path, and they wouldn't be able to get out easily.

Bai Yuli was slower to notice, she realized that the exit had been closed and they would not be able to easily get out of this place.

Chapter 2722 Slime's Main Body Is Very Large

The slime attacked Ye Chen using its numerous tentacles.

"go quickly" Ye Chen said to Bai Yuli, he told Bai Yuli to go quickly.

Bai Yuli understands, she immediately went and helped Ye Chen, they will work together to defeat the enemy.

By working together, they should be able to defeat the monsters.

As long as they are willing to work together, they can do anything and defeat the Slime monsters.

Ye Chen became the bait, meanwhile Bai Yuli decided to attack from behind, she used the power of wind to attack the enemy and tried to cut off the enemy's tentacles.

"Slashes . ." Bai Yuli managed to do it, she managed to cut the enemy with a heavy wind blade attack.

"it's a good opportunity" Bai Yuli said to Ye Chen, she told Ye Chen that it was a very good opportunity.

[pandasnovel.com](http://pandasnovel.com) Ye Chen understood, he would not waste the chance that Bai Yuli had given him, he attacked the enemy using the lightning on his body.

"crush" Ye Chen tried to destroy the enemy in front of him, he crushed the enemy with his lightning.

"Boom. . ." An explosion occurred, Ye Chen's lightning struck and instantly created an explosion, it made the water temperature high and evaporation occurred.

Ye Chen and Bai Yuli's first attack seemed to have succeeded, both of them had launched a destructive attack towards the enemy.

"Did we manage to destroy the monster?" Bai Yuli asked Ye Chen.

"Stay alert to what's around, we won't know whether the monster is still alive or not" Ye Chen said to Bai Yuli.

Slime are monsters that are quite difficult to deal with, they have bodies that can regenerate quickly.

And what Ye Chen and Bai Yuli were fighting was a terrifying top-level beast, it might become a problem for the two of them.

Bai Yuli and Ye Chen were still on guard, they were ready for an attack.

Some time later, they didn't feel an attack, chances are they did.

"we might succeed" said Bai Yuli.

Just as Bai Yuli relaxed her guard, she was immediately attacked by slimes from below.

For only Ye Chen was better than Bai Yuli, he was in combat mode and immediately helped Bai Yuli.

"I told you not to be reckless, we are fighting a strong monster" Ye Chen said to Bai Yuli.

"forgive me" Bai Yuli realized that she had messed up, she was too relaxed in the face of a strong enemy.

Bai Yuli's clothes became more and more exposed, Ye Chen could see some of Bai Yuli's beautiful parts.

Bai Yuli had to cover herself up, she had to pay for belittling the enemy.

Bai Yuli would no longer underestimate the enemy, she would not underestimate the enemy in front of her.

The slime that Ye Chen and Bai Yuli fought were really troublesome, they were having trouble fighting those monsters.

"Monster Slime is smart, he knows how to catch us" said Ye Chen.

"You're right, he didn't come out and directly attack us, he prefers to wait for us to let our guard down" said Bai Yuli.

Bai Yuli was also aware of this, she realized that the monster was clever and tried to find a gap between Ye Chen and Bai Yuli, when he found the gap, he would directly attack Ye Chen and Bai Yuli.

"One could say that these monsters are clever and dangerous, Ye Chen and Bai Yuli have to be extra careful with this matter.

"if he doesn't want to show himself, we will make him come out" Ye Chen said to Bai Yuli.

Ye Chen used profound fire, he increased the temperature of this place and started to drain the water that was deep under their feet.

Bai Yuli used the wind shield, she resisted Ye Chen's power by using the flames.

Using the flames, he managed to hold on to the rear.

In a split second, all the water around this place had completely disappeared. I think you should take a look at

Right now there are only a few of them, and they seem to be the main body of the slime.

The slime's main body was quite large, at least it was the same size as a one story building.

"It's big, so she's been hiding there all along," said Bai Yuli.

"now he won't be able to hide" Ye Chen said to Bai Yuli.

"roar . . ." The slime showed an angry face towards Ye Chen, it directly attacked Ye Chen with its huge tentacles.

Ye Chen dodged, meanwhile Bai Yuli cut them off.

The number of slime monster attacks had become so many, Bai Yuli would not have had the chance to counterattack.

"a lot" Bai Yuli persisted, she was forced to retreat by the slimes.

While Ye Chen was dodging, he was dodging and intending to counterattack.

"God's Judgment Lightning" Ye Chen shot out a bolt of lightning, he intended to crush the monster to its roots.

God's Judgment Lightning hit the body of the Slime, it damaged the tissue and body of the Slime.

Due to his body being damaged by Ye Chen's use of God's Judgment Lightning, Slime focused on healing himself, meanwhile Bai Yuli took the opportunity to attack from another direction.

Ye Chen and Bai Yuli attacked from both directions, it gave the Slime no time to regenerate its injured body.

"crush" Ye Chen continued to attack, he pressed continuously and continuously.

Using the pressure exerted by Ye Chen and Bai Yuli, they were finally able to destroy the Slime.

"Boom. ." Slime's body shattered, it was vaporized by the powerful lightning used by Ye Chen.

"This time we succeeded" Bai Yuli informed them that they succeeded.

"of course, we have managed to win" Ye Chen said to Bai Yuli.

"rumbling" of shaking occurred around this place, it looked like it was going to collapse.

"Let's get out of this place" Ye Chen said to Bai Yuli, he asked Bai Yuli to get out of this place.

In order to get out faster, Ye Chen carried Bai Yuli in his arms. He carried Bai Yuli and immediately flew out of the cave.

Ye Chen and Bai Yuli climbed to the surface, they climbed to the surface and went straight out of the river.

"crack. . ." The earthquake became stronger, the ground beneath them collapsed.

Bai Yuli and Ye Chen had to stay away from this place, they were slightly away from their current location.

A huge hole was formed, the hole was hundreds of miles in diameter and looked enormous.

"Roars . . "Bai Yuli and Ye Chen felt an immense force, an enormous force trying to rise up from the bottom.

"Something is trying to come out" Bai Yuli said to Ye Chen, she told Ye Chen that something big was trying to come out.

A large lump of water came out, it was a slime that was even bigger than before.

"It seems that it is the main body" Chu Yuechan said to Ye Chen, she told Ye Chen that it was the main body of the previous monster.

"It's much bigger than I expected." Ye Chen said that it was much bigger than that estimate.

The slime rose to the surface, it attacked Ye Chen and Bai Yuli who were in the distance.

The Slime was already completely enraged, he summoned supreme strength to beat Ye Chen and Bai Yuli.

He spouted some sort of acidic substance which was very strong and was able to melt the ground around, it must be very strong since even the ground was able to melt from being hit by that attack.

Ye Chen was able to endure that and protect Bai Yuli, Ye Chen didn't suffer any injuries after receiving that thing.

Chapter 2723 Ye Chen Vs Slime

"are you okay ?" Ye Chen asked Bai Yuli, he wanted to know the condition of Bai Yuli behind.

"I'm fine, what about you, are you injured?" Bai Yuli asked Ye Chen, she saw Ye Chen endured the attack for her, so Bai Yuli was worried about Ye Chen's condition.

"I'm fine" Ye Chen told Bai Yuli.

"I'm not injured, it's because you protected me" Bai Yuli told that Ye Chen protected her, that's why she could survive.

"It's good that you survived, now is the time to start the actual battle, it looks like it's the real body of the monster we fought" Ye Chen said to Bai Yuli.

"It's quite big" Bai Yuli told Ye Chen that it was quite big and had an even more terrifying attack range than before.

It continued to spit out a noxious substance, Bai Yuli wouldn't be able to get close, if she got any closer then she might get hurt.

Only Ye Chen could deal with this problem, he was the only one who could deal with a Slime that had transformed into a terrifying monster.

"I will deal with it by myself" Ye Chen said that he would face the monster, he would face the monster using his own strength.

"be careful, don't lose" Bai Yuli gave encouragement to Ye Chen, she told Ye Chen not to lose.

"I understand "Ye Chen will defeat the slime.

Ye Chen stepped forward, he drew closer towards the monster and prepared to fight the monster.

"We will end the battle here, so be prepared" Ye Chen announced that he wanted to end the battle here.

He would use all abilities to quickly end the battle in this place.

"roar . . ." Slime understood what Ye Chen said, he roared even louder to accept Ye Chen's summons to battle.

Slime uses strong and acidic high-pressure water jet attacks.

The attack was powerful and capable of splitting forests and mountains in two.

"This monster has such strength." Ye Chen didn't expect that this monster would be able to split a forest into two.

After displaying such powerful strength and ability, the monster directly attacked Ye Chen using that power.

"Splurts. . ." A powerful torrent shot towards Ye Chen.

"Trying to show off to me, you're looking for the wrong match, Frost Nova."

Ye Chen froze the slime's attack using Frost Nova, by using Frost Nova Ye Chen can freeze the attack before it reaches its place.

Slime's attack didn't even hit Ye Chen, it stopped before hitting Ye Chen's body.

Ye Chen smiled, now it was Ye Chen's turn to insult the monster in front of him.

"Roar" Slime roared, he wasn't happy with Ye Chen's provocation, he felt that it made him angry and he directly attacked Ye Chen using his overwhelming number of tentacles.

This attack was much more aggressive than before, the current attack was much more damaging than before.

The attack targeted Ye Chen, it wanted to attack and destroy Ye Chen.

Ye Chen picked up the sword, Ye Chen took out the Divine Yin Yang Sword to fight the Slimes.

"Slashes . . ." Ye Chen performed a single slash, using one single slash, Ye Chen cut off all the arms of the Slimes, he did so and opened up a path.

"Now you won't be able to recover yourself, prepare to be crushed." Ye Chen stepped forward, he was about to destroy the Slimes using the Divine Yin Yang Sword.

The slime was aware that Ye Chen's attack had caused the regeneration in his body to go awry, at this rate, he would be crushed.

That's why he turned the attack into a ranged attack that is damaging and full of high-acid substances. I think you should take a look at

This high-acid substance can melt anything, the human body will quickly pulverize it in just a matter of seconds.

The attack chased after Ye Chen, it was able to bend and the slime had used its ability to control it to precisely hit Ye Chen.

"Sky Wind Law" Ye Chen's used the powerful wind power, using the wind power, he repelled the slime's attack.

With what happened, the slime's attack could easily be dealt by Ye Chen.

"die" Ye Chen took advantage of the opportunity, this was an excellent opportunity to fight the enemy because he had no defense or attack, all of them had been eliminated by Ye Chen.

"slash . . . , slash . . . , slash . . . , slash . . . " Ye Chen slashed the slime into pieces, he didn't let the slime resist and made them into pieces.

With that, the slime broke into pieces and became smaller.

The slime still wasn't dead, it was splitting and becoming smaller than before.

"Is the Divine Yin Yang Sword not working?" Ye Chen saw that the Divine Yin Yang Sword was not working.

"no, that's not the case" Chu Yuechan said to Ye Chen, she told him that it wasn't the case.

"It's some kind of splitting technique, his power will decrease if she does that" Chu Yuechan said.

Ye Chen managed to drive the Slimes into a corner, in order to stay alive, he decided to divide and multiply himself.

The huge slimes that were of incredible size were now in the hundreds of thousands, they were becoming numerous and much like ants swarming to form their colony.

"Splurtt . . ." they guessed Ye Chen again, this time the number of their attacks was much more compared to the previous one, it was an incredible number and there was no way for Ye Chen to escape.

It was like hundreds of thousands of people were shooting arrows directly at Ye Chen, an incredible sight.

Ye Chen stretched his hand forward, he immediately created a super large ice wall where every attack touching the wall would immediately turn into ice.

"freeze" the enemy's attack froze instantly, it froze when it touched Ye Chen's wall.

Ye Chen's ice wall did very well to block the attacks from the Slimes.

The slimes saw that Ye Chen still couldn't be beaten by normal means, they had to do something to beat Ye Chen.

The slimes tried another way, they started to change into human form, even though it was still a slime that resembled the shape of a human.

After they changed, they started heading towards Ye Chen, this time they used attacks to head straight towards Ye Chen.

Slimes approached and immediately attacked Ye Chen, they attacked Ye Chen using punches and kicks, some even used weapons made of acidic substances which were very dangerous.

"You guys want to attack at close range, I won't let you do that" One Hundred Thousand Fire Swords.

Ye Chen created a hundred thousand flame blades, he started attacking the approaching enemies using it.

Using the One Hundred Thousand Fire Swords, Ye Chen started crushing and defeating all the slimes around.

Ye Chen had reduced their numbers by leaps and bounds, in just a matter of minutes, the number of slimes had dwindled rapidly.

Hundreds of thousands of slimes were only thousands left, Ye Chen had crushed them with his powerful flying flame sword.

They were few, there was no chance of winning against Ye Chen.

Knowing that they couldn't win, they decided to use the last resort against Ye Chen.

They would destroy Ye Chen along with themselves, this was a suicide ability with a strong explosive impact.

They absorbed more and more water, they prepared to blow themselves up along with this place.

Chapter 2724 Bai Yuli Was Very Worried About Ye Chen

"They want to blow this place up." Ye Chen saw what the Slimes wanted to do.

"You have to stop it" Chu Yuechan said to Ye Chen, she told Ye Chen to stop slime.

If not, then a quarter of the land could be destroyed and all the people near this place would die.

Ye Che initially didn't understand what Ye Chen said, but after feeling the powerful and immense energy within Slime Chen's body finally understood what was happening.

Obviously it was quite a force, if it were to explode it would create a powerful and terrifying impact on the life around it, plus it was acidic and could dissolve anything easily.

"Ye Chen has to do something, otherwise the people around him will be threatened including".

"I will create a strong barrier around this place" Ye Chen decided to create a super strong barrier around this place.

By using the super strong barrier around this place, Ye Chen should be able to withstand the explosion.

Ye Chen created a dimensional barrier, this is a powerful dimensional power, at Ye Chen's current level, only a powerful attack can break the barrier created by Ye Chen.

And Ye Chen was sure that the slime wasn't that strong enough to destroy the barrier Ye Chen had made.

Ye Chen created a super strong barrier to block the attacks from the Slimes.

"what are you doing ?" Bai Yuli asked Ye Chen, she asked Ye Chen to stay away from this place, she felt a huge power that was about to explode.

"You withdraw, this place is not safe for you" Ye Chen said to Bai Yuli, he told Bai Yuli to retreat because this place was no longer safe for her.

"No, I won't back down" Bai Yuli refused to back down, she wanted to take Ye Chen away from this place.

Bai Yuli tried to get closer and wanted to take Ye Chen away, when she tried, there was a dimensional barrier in front of her, it made her unable to leave.

"What's this?" Bai Yuli didn't know what it was, she didn't know what was in front of her, it was to a barrier that kept her from getting out of the forest.

"This?" Bai Yuli started to get suspicious, she started to get suspicious when she saw what was going on.

"leave this place" Ye Chen told Bai Yuli to leave.

"You, don't do that thing" Bai Yuli told Ye Chen to come out right now, she asked Ye Chen to come out immediately.

Ye Chen used his own strength, he moved Bai Yuli some distance away from this place.

Bai Yuli was transported by force, she didn't even know why she was transported so quickly.

"ehhhh . . ." when Bai Yuli came to her senses, she was already quite far from Ye Chen.

"He, why did he do such a thing" Bai Yuli to stop Ye Chen, she tried to turn back.

Bai Yuli was very worried about Ye Chen's safety, she was worried about the safety of Ye Chen who want to protect her.

That's why Bai Yuli was very worried about Ye Chen's safety, she was really worried about the safety of Ye Chen who was far away.

"Boom. . ." a huge explosion occurred, the explosion widened and tried to break out of the dimensional barrier set up by Ye Chen.

Bai Yuli saw the explosion from afar, she didn't have time to get near Ye Chen.

The barrier withstood a super huge explosion, it endured the powerful explosion without even flinching, it seemed that the power of Ye Chen's dimensional barrier was extremely strong, it was capable of stopping the explosion.

Bai Yuli stood silently in the distance, she was speechless when she saw what was happening, what was happening honestly shocked Bai Yuli.

"he. . ." Bai Yuli felt a little guilty, Ye Chen again protected her, it made her sad.

Bai Yuli felt sad and felt an extremely uncomfortable feeling, she felt an uncomfortable feeling in her heart and it was extremely painful. I think you should take a look at

Bai Yuli was speechless, she was speechless with what was going on, what was going on made her silent.

Bai Yuli thought that Ye Chen would not survive, Ye Chen would not survive such an explosion, such an explosion would not be able to be endured by Ye Chen alone.

"So uncomfortable" Bai Yuli felt uncomfortable, she held her own heart which felt very uncomfortable.

Bai Yuli sat on the ground, she felt an extremely uncomfortable feeling once she lost Ye Chen.

Maybe Bai Yuli only had a moment with Ye Chen, even if it was only a short while, Ye Chen seemed to have been in Bai Yuli's heart.

It made Bai Yuli feel sorrow when she lost Ye Chen.

"What's wrong with you" Ye Chen spoke and approached Bai Yuli who was sitting on the ground, he asked what happened to Bai Yuli.

Bai Yuli looked back, when she looked back, she saw Ye Chen's figure behind her.

Bai Yuli stood up, she immediately hugged Ye Chen who was behind her.

Ye Chen didn't know what happened, why did Bai Yuli hug him like this.

"What is it?" Ye Chen asked Bai Yuli.

Bai Yuli didn't answer, she hugged Ye Chen even harder and harder.

Bai Yuli didn't want to let go of Ye Chen and held Ye Chen with her arm.

"Why did you do that, you scared me" Bai Yuli said to Ye Chen.

"I did that to prevent more victims from being around" Ye Chen said to Bai Yuli, he told her that he was doing that to prevent more victims from being around.

"Even so, you neglect your own safety" Bai Yuli said to Ye Chen, what Ye Chen did was too reckless, he neglected his own safety.

"I know my limitations, so everything will be fine, I told you that from the beginning" Ye Chen said to Bai Yuli.

Bai Yuli looked at Ye Chen, she was still a little sad because of the previous thing.

Bai Yuli had a soft heart, so she would be moved by what Ye Chen did.

Bai Yuli clung to Ye Chen more and more, Ye Chen felt two soft objects touching his belly.

Because Ye Chen is much taller compared to Bai Yuli, it makes Bai Yuli's double peaks under Ye Chen's chest, it touches Ye Chen's stomach and feels very comfortable.

"It's so comfortable" Ye Chen had to admit that it was comfortable, the feeling that Bai Yuli gave him was comfortable and Ye Chen liked this feeling.

Bai Yuli still didn't want to let go of Ye Chen, she didn't want to let go of Ye Chen and chose to continue hugging Ye Chen.

"Ahem, why don't we cover your body first, your clothes are completely destroyed" Ye Chen said to Bai Yuli.

Bai Yuli listened to what Ye Chen said, she finally looked down and found that only a few spots were covered, there were countless holes in Bai Yuli's clothes.

"kyahhhhhhhhhhh. . ." Bai Yuli screamed, she was not aware of what was happening.

"don't look at it, hide me" Bai Yuli said.

Bai Yuli told Ye Chen to hide her, she asked Ye Chen to hide her body and not peak at her

Bai Yuli's reaction was too late, Ye Chen had seen it all.

## Chapter 2725 Bai Yuli Gave Ye Chen A Kiss

Bai Yuli tried to cover herself up, she didn't want to show her to Ye Chen.

Ye Chen took out a robe, he covered Bai Yuli's body with it.

Bai Yuli received the robe that Ye Chen gave her, she was happy that Ye Chen gave it to her.

"thank you very much" Bai Yuli said to Ye Chen, she was grateful for Ye Chen's attention.

"you're welcome" Ye Chen said to Bai Yuli.

With the robe that Ye Chen had given, Bai Yuli had covered her entire body.

"why don't you use the soul strengthening pearl" Ye Chen said to Bai Yuli.

"Are you sure about giving this thing to me?" Bai Yuli said.

Bai Yuli realized that Ye Chen had done a lot of things to achieve this.

"No problem, I'll give this to you." Ye Chen said that he really wanted to give this to Bai Yuli.

"you are very kind" Bai Yuli said that Ye Chen is really very kind, he gave something like this to her.

"It doesn't matter, you need this far more than me." Ye Chen pointed out that Bai Yuli needed this far more than him.

Bai Yuli finally received what Ye Chen gave her, she received the soul strengthening pearl from Ye Chen's hand.

"then I will use it" Bai Yuli said to Ye Chen.

Bai Yuli decided to use the soul strengthening pearl, she extracted what was inside the soul strengthening pearl.

Ye Chen saw what Bai Yuli was doing from afar, he made sure that Bai Yuli wasn't disturbed by any wild beasts around this place.

Bai Yuli needed time to extract everything, once done, she should be able to obtain her own power.

"Boom. ." Bai Yuli's body was shining, her body was shining quite brightly, it must be the effect of absorbing the soul strengthening pearl.

Bai Yuli's soul had been strengthened, with that she was much better compared to before, she was much more lively than before, the current Bai Yuli was too lively.

After she finished absorbing the soul strengthening pearl, Bai Yuli immediately looked at Ye Chen, she was quite grateful to Ye Chen for giving her the soul strengthening pearl.

"I have fully recovered, I have never felt this way before." Bai Yuli said to Ye Chen, she told Ye Chen that she had never felt this way before.

Her body felt fresher and she felt more energized compared to before.

this kind of feeling was too unusual, she felt revived.

"nice to hear that from you" Ye Chen was happy to hear this from Bai Yuli.

"I think you are now much more beautiful than before" Ye Chen said to Bai Yuli, he praised Bai Yuli who was more beautiful than before.

"Have I become much prettier?" Bai Yuli said to Ye Chen.

Bai Yuli was so happy when she received praise from Ye Chen, she was too happy to receive the praise given by Ye Chen.

"Of course, you are so beautiful and dazzling now" Ye Chen reconfirmed what he wanted to say, he told that Bai Yuli was so charming and feasted on Ye Chen's eyes.

Bai Yuli was more and more pleased, her heart bloomed, flowers when she received repeated compliments.

Who is a woman who doesn't like to be praised, Bai Yuli of course likes praise, she likes Ye Chen's praise the most.

Bai Yuli drew closer towards Ye Chen, she wanted to retaliate and give Ye Chen a gift.

"I have something for you" Bai Yuli said to Ye Chen, she said that she had something for Ye Chen.

"What do you have for me?" Ye Chen asked Bai Yuli.

"Of course, this is as a thank you to you." Bai Yuli leaned towards Ye Chen, she stood on her tiptoes and started to kiss Ye Chen. I think you should take a look at

Bai Yuli gave Ye Chen a kiss, she did as she said in the beginning.

Ye Chen was happy to see Bai Yuli take the initiative, he naturally received this gift well.

Ye Chen hugged Bai Yuli, he didn't want to let go.

Bai Yuli's body was hugged by Ye Chen, there was no turning back for Bai Yuli, Bai Yuli now could only go forward.

Bai Yuli gave Ye Chen a normal kiss, and it lasted quite a while because Bai Yuli was enjoying it so well.

Ye Chen was not satisfied, he wanted more and more from Bai Yuli.

Ye Chen started to teach Bai Yuli a mature kiss, he inserted his tongue and started snaring Bai Yuli's.

Bai Yuli was quite surprised by this change, she was unprepared and clenched her teeth tightly.

This was of course a rather serious problem for Ye Chen, he had to do something to make Bai Yuli let go of her guard.

The only way to get Bai Yuli to let go of defense was to get her excited, and Ye Chen knew how to get Bai Yuli excited easily.

Ye Chen's hand moved, it touched Bai Yuli's newly blooming double peaks.

"umm . . ." Bai Yuli groaned, Ye Chen just touched hers and an electric shock ran through her body.

Bai Yuli's body went numb from the pleasure Ye Chen gave her.

"what is this?, this is too comfortable" Bai Yuli said to Ye Chen, she told herself that she was comfortable.

Bai Yuli was hot and she was feeling very excited, this had never happened to her before.

Because of her unusual pleasure, Bai Yuli loosened her guard, she loosened her guard for Ye Chen.

With that, Ye Chen could easily enter, he could easily ensnare Bai Yuli's Tongue.

"ummmm" Bai Yuli got even more pleasure, she became even more passionate in kissing Ye Chen.

Finally Bai Yuli got a taste of what a mature kiss was, their tongues entangled and a passionate kiss ensued between Ye Chen and Bai Yuli.

Bai Yuli was passive and accepting at first, but as time went on, she became more excited and wanted more from Ye Chen.

Eventually the two became more and more, Bai Yuli and Ye Chen entangled together and enjoying each other's company.

Something like this was simply too much fun, it wouldn't be strange for Bai Yuli to fall so easily.

They did this for several minutes, and Bai Yuli was already too excited by what was happening.

"I want more" Bai Yuli said to Ye Chen, she wanted more and more from Ye Chen.

"You are so beautiful, are you ready" Ye Chen asked Bai Yuli.

"Of course" Bai Yuli was sure, she wanted more.

"Then I will make you as comfortable as possible" Ye Chen told her that he would make Bai Yuli feel more and more comfortable.

With that Ye Chen began to show what ability he had, he touched Bai Yuli and showed his ability.

Bai Yuli groaned, this was such a comfortable feeling, she really liked the feeling of every touch Ye Chen gave her.

"Why is it too comfortable, I didn't know that touching myself would be so comfortable." Bai Yuli didn't know that touching herself would be so comfortable, this feeling was too strong for Bai Yuli to accept.

In just a short time, Bai Yuli reached the pinnacle of happiness, she felt such a wonderful feeling from Ye Chen.

"This is so amazing" Bai Yuli was happy, she felt such a wonderful feeling from Ye Chen.

"It's not over yet" Ye Chen said to Bai Yuli.

Chapter 2726 Ye Chen & Bai Yuli Love (1)

Ye Chen took Bai Tuli by force, he led her towards the fairy gate to a safer place than this place.

"Ehhhhh ? ? ? ?" Bai Yuli saw that Ye Chen had brought her to a mysterious place, this was such a beautiful and amazing place.

"What place is this?, I have never seen a place like this before" Bai Yuli asked Ye Chen.

Bai Yuli was still sober when she was in Ye Chen's arms, she asked Ye Chen about this place.

"This place is mine, how about it?, do you like this place?" Ye Chen said to Bai Yuli.

"This is very beautiful" Bai Yuli said to Ye Chen, she told him that she has such a good and beautiful place.

"I'm happy, let me take you to a fun place." Ye Chen led Bai Yuli into the Dual Cultivation chamber.

Why did Ye Chen say that this would be a happy place, because this place would be very enjoyable for Bai Yuli.

Bai Yuli held on to Ye Chen, she wanted to know what Ye Chen would do.

Bai Yuli was still quite innocent, this was the first time she was close enough to a man, of course this made her feel a new feeling.

Ye Chen took Bai Yuli to the Dual Cultivation room, he finally got inside and brought Bai Yuli along with him.

"why take me to the room" Bai Yuli asked Ye Chen.

"since we are going to do it, I can't stand it anymore, I want you" Ye Chen said to Bai Yuli.

Bai Yuli understood what Ye Chen wanted, she understood what Ye Chen wanted to do.

Bai Yuli didn't refuse this time, she gave Ye Chen what he wanted.

Bai Yuli was already indebted to Ye Chen enough, so this was the perfect time to return Ye Chen's kindness.

Besides that Bai Yuli also liked Ye Chen, finding a capable and kind man like Ye Chen was quite difficult.

Ye Chen helped Bai Yuli to undress, by using a little ability, he was able to easily remove the robe that Bai Yuli was wearing.

Bai Yuli's beautiful body is now in front of Ye Chen, Bai Yuli has a beautiful body and is also quite well developed.

Although not the best, this body is beautiful, and the beautiful face is so seductive.

She looked so gentle, as long as Ye Chen cultivated Bai Yuli, she might become a glamorous and gentle woman like such a good big sister.

"please slowly" said Bai Yuli to Ye Chen.

Bai Yuli asked Ye Chen to slow down, she said she didn't want to feel bad feelings.

"I'll do it slowly, so you can rest easy" Ye Chen informed that he would do it.

Bai Yuli believed, she believed in what Ye Chen said.

Ye Chen started, he put Bai Yuli at ease by using his technique.

He began to touch and taste the double peaks of Bai Yuli.

"ahhh. . ." Bai Yuli screamed as Ye Chen bit into her cherry buds, it felt so good.

"No, don't do that." Bai Yuli said to Ye Chen, this feeling was too strong for Bai Yuli.

Ye Chen completely ignored what Bai Yuli said, he continued to put Bai Yuli at fun momen.

With Ye Chen's technique being so formidable and skilled, Bai Yuli was quickly defeated, she didn't even have a chance to survive.

Bai Yuli's body trembled and spasmed several times, the pleasure being given was too much, she wouldn't be able to endure it.

Ye Chen didn't let Bai Yuli rest, he continued on and put Bai Yuli at ease by using his technique.

"squeezing" Ye Chen squeezed the two soft balls in front of him, it was springy and soft, it was too comfortable and made the younger brother who was under Ye Chen stand up. I think you should take a look at

"It's too comfortable, I can't take it anymore" Bai Yuli said.

Bai Yuli gave up, she could no longer hold on and her head was spinning, this was too comfortable for her, she wouldn't be able to last long and would be completely driven mad by this pleasure.

"don't hold back, just let it go" Ye Chen said to Bai Yuli, he told Bai Yuli to let go of everything, Ye Chen will make Bai Yuli feel at ease.

Ye Chen continued, he caressed every inch of Bai Yuli's body, a thing that made Bai Yuli feel comfortable and she was squirming as Ye Chen did that.

Bai Yuli was already wet enough, she could no longer defend against Ye Chen's attack.

Ye Chen's attack went straight to her weak spot and knocked Bai Yuli down.

"ahhhh . . ." Bai Yuli had finally reached the summit for the umpteenth time, she was completely exhausted and needed a bit of rest.

"I want to rest" Bai Yuli pleaded weakly, she needed to rest a bit.

"Of course" Ye Chen understood, he gave Bai Yuli time to rest.

With that Bai Yuli began to rest and recover her strength, and Ye Chen was still being naughty and trying to seduce Bai Yuli.

"this is so good" Ye Chen likes to touch Bai Yuli, the feeling of touching Bai Yuli is too comfortable for Ye Chen.

"don't do that, it makes me feel too excited" after resting for a while, Bai Yuli finally felt better.

"hehehehehe" Ye Chen chuckled as he heard what Bai Yuli said.

"Emmmm . . ." Bai Yuli felt something touch her, curiosity made her take a look.

"This ?" Bai Yuli saw it, she knew what it was.

"Big . . . ! ! !" Bai Yuli's first reaction was shock, she was naturally shocked by what she was seeing right now.

"surprised?" Ye Chen asked Bai Yuli.

"um, I was surprised, how could it be that big, was it bitten by something" Bai Yuli asked.

Bai Yuli didn't know that something like this could become so big, maybe Ye Chen was bitten by a snake so it could become so big.

"This is the result of practice, and maybe because I am blessed" Ye Chen said to Bai Yuli.

"Is that so" Bai Yuli shyly started touching Ye Chen's, she first touched someone else's with her own hand.

This may feel embarrassing for Bai Yuli to do, but it's so much fun and Bai Yuli feels good about it.

Bai Yuli got more and more interested, she played with Ye Chen's for quite some time.

Using her hands, she helped Ye Chen's.

The movement was quite good and Ye Chen enjoyed it.

Bai Yuli did it self-taught, she did it her own way.

Fortunately Bai Yuli had learned this kind of lesson when she was young, to think that she would use it for now.

"does this feel good, I did it right right?" Bai Yuli asked Ye Chen, she needed Ye Chen's opinion.

"this is very good, you did very well" Ye Chen said to Bai Yuli, he told Bai Yuli that this felt very comfortable.

After getting Ye Chen's opinion, Bai Yuli became quite confident in her abilities, she became quite confident in her skills and moved more and more skillfully.

Bai Yuli increased her movement speed, naturally making Ye Chen feel more and more comfortable.

"It's so comfortable." Ye Chen felt at ease, he was completely at ease by Bai Yuli.

Bai Yuli started to play with Ye Chen's two sacks, she teased and touched all over Ye Chen's places and stimulated him quite well.

Chapter 2727 Ye Chen & Bai Yuli Love (2)

"this is so cute" Bai Yuli said to Ye Chen, she teased Ye Chen with her hands.

Ye Chen of course had trouble with what Bai Yuli did, he was pleased with what Bai Yuli did.

Bai Yuli did well she made Ye Chen happy.

Ye Chen was very happy with what Bai Yuli did, the feeling of touch that Bai Yuli gave him was too comfortable.

Bai Yuli helped Ye Chen for a while, after helping Ye Chen for a while, Bai Yuli felt tired, Ye Chen was so strong and could still survive after everything that happened.

"What's wrong with you, don't want to soften up?" Bai Yuli asked Ye Chen, this should be enough to make Ye Chen soften.

"You underestimate me too much, do you think this will be enough for me" Ye Chen said to Bai Yuli.

Ye Chen said that this would not be enough for him, Bai Yuli needed more to make Ye Chen fall,

Ye Chen was so strong, it would be very difficult to beat Ye Chen using Bai Yuli's strength and abilities which were still quite basic.

Using abilities that were still quite basic, it would be very difficult to defeat Ye Chen.

"I can't take it anymore, let's finish this quickly" Ye Chen said to Bai Yuli, he told Bai Yuli to finish it.

"What do you want to do?" Bai Yuli asked Ye Chen.

"Of course you do, you won't mind this matter right?" Ye Chen immediately carried and laid Bai Yuli down.

He told Bai Yuli to prepare himself because they were about to start.

The preparations were complete, so there was nothing to worry about.

Ye Chen just went ahead with his own, he was already prepared to go for it.

Bai Yuli looked at Ye Chen, she seemed to know what Ye Chen was going to do.

"Let's get started, it may be a little uncomfortable at first, I hope you are prepared." Ye Chen said to Bai Yuli.

"Um, I'll endure it." Bai Yuli knew that this was going to be difficult, she had to endure it.

Ye Chen started to enter, he started to break down Bai Yuli's gate with the powerful army he had.

With such a strong item, it made Bai Yuli feel very full.

"ummm, sick. . ." Bai Yuli said to Ye Chen, she felt quite heavy pain.

this was probably because Ye Chen was too big that's why Bai Yuli had a hard time enduring it.

Bai Yuli maintained her breath, this might lessen the pain.

Bai Yuli had fought hard enough, she had gotten through this easily.

"feeling better already?" Ye Chen asked Bai Yuli.

"I'm feeling better, you can start" Bai Yuli told him that she was ready.

Since Bai Yuli said that she was ready, Ye Chen no longer held back and started to move.

Ye Chen originally made slow movements, but with time, it became much faster and more aggressive.

"ahhh. . ., what kind of feeling is this, too great, too comfortable, no . . ." Bai Yuli couldn't hold on, she quickly drifted away and was helpless in front of Ye Chen's.

Ye Chen's was quite strong and to the very core, it made Bai Yuli's body and mind go crazy.

Ye Chen himself felt at ease, Bai Yuli's grip was strong and made Ye Chen become more and more aggressive.

Ye Chen and Bai Yuli got pleasure, they both felt at ease and the noble Bai Yuli worked together to make Ye Chen comfortable.

Bai Yuli put her arms around Ye Chen, she kissed Ye Chen passionately, the two fused together and started to do vigorous exercise on the bed.

"Ahhhh . . ." Bai Yuli was continuously moaned by Ye Chen, the feeling of comfort given by Ye Chen was too strong and too comfortable, Bai Yuli would not be able to endure this and her voice leaked out.

"this is great, more, more, more" Bai Yuli spoke to Ye Chen, she wanted more and more from Ye Chen, she wanted more and more feelings from Ye Chen, a feeling that would make her feel like flying in the sky.

Ye Chen himself was getting more and more brutal, he was getting faster and messing with Bai Yuli.

Using his powerful and powerful big thing, he made Bai Yuli completely his.

"Pah . . . ., Pah . . . ., Pah . . . ., pah. . . .," Ye Chen's movements became more and more, he explored deeper and deeper and it made Bai Yuli's stomach turn up.

Bai Yuli quickly collapsed, she had lost several times and Ye Chen didn't give her a chance to rest to recover.

Bai Yuli could only passively accept, she accepted and started doing it for approximately 1 hour.

After an hour passed, Ye Chen finally reached the limit, he reached the limit and confided.

The large amount of Yang Qi was received by Bai Yuli, it made Bai Yuli feel full of warmth.

"Ahhhh . . ., too strong, I can't stand it." Bai Yuli said to Ye Chen, she was happy with the feeling, she was like getting the most powerful pleasure in this world.

"That's just the start, let's continue" Ye Chen spoke to Bai Yuli.

"You still want to continue?" The tired Bai Yuli asked Ye Chen.

If Bai Yuli didn't remember wrongly, a man could only do that once and would get tired immediately, so Bai Yuli thought that Ye Chen was done for.

"There's no way I'll finish that easily" Ye Chen pointed out that he wouldn't finish that easily.

Ye Chen started again, his own back on his feet and ready for a rematch.

"Ehhh. . .?" Bai Yuli was of course shocked, she was shocked and speechless by this.

"Wait a minute, I want to rest." Bai Yuli said to Ye Chen, she asked Ye Chen to rest for a while.

"no words of rest, let's start again, I can't stand it, my beautiful wife" Ye Chen said to Bai Yuli, he told Bai Yuli to get ready because they would start again.

"No . . . . .! ! !" Bai Yuli shouted, her resistance was useless as she wouldn't be able to move from this place.

Ye Chen and Bai Yuli continued on, the two of them continued on to the second round and so on.

Ye Chen helped Bai Yuli perform Dual Cultivation, he imparted powerful techniques to Bai Yuli.

Bai Yuli received the technique from Ye Chen, she started to try it and practiced it directly with Ye Chen for maximum results.

The two of them did this for several hours before Bai Yuli fell unconscious.

Bai Yuli had reached her limit, the pleasure was too strong for Bai Yuli to endure.

Ye Chen was very satisfied, he hugged Bai Yuli and started to sleep.

.

.

Meanwhile there were so many people looking for Bai Yuli, Bai Yuli who has disappeared naturally makes everyone feel worried.

They are all worried about Bai Yuli's safety, so it is not strange that they are looking for the whereabouts of Bai Yuli.

Bai Yuli had only been missing for a few hours, and everyone was already looking for her, which proved that many people were worried about her.

Bai Yuli's guards and personal maids were of course worried about the trouble, they tried to find Bai Yuli using all their efforts, but found no trace or whereabouts of Bai Yuli.

They were worried, if anything happened to Bai Yuli, it would be them who would be in trouble, that's why they tried their best to find Bai Yuli.

Chapter 2728 Bai Yuli's Experience

They are spread people in the city, the forest and all the places where Bai Yuli might be.

They did their best to find Bai Yuli and make sure that Bai Yuli was okay.

It was a pity that since they wouldn't be able to find Bai Yuli, Bai Yuli was now with Ya Chen and they wouldn't be able to find her inside the fairy gate.

Bai Yuli rested together with Ye Chen, she rested peacefully and couldn't be disturbed by others.

Ye Chen accompanied Bai Yuli and hugged her, it gave Bai Yuli warmth and made her feel more comfortable.

Bai Yuli felt more comfortable, she felt more and more comfortable when she was with Ye Chen, the feeling of being with Ye Chen was too comfortable for her.

Bai Yuli needed a full day's rest, she needed a full rest to recover her strength after exercising together with Ye Chen for quite a long time.

"Um. ."Bai Yuli opened her eyes, when she opened her eyes, she found Ye Chen in front of her.

"Emmm, good morning" Bai Yuli said to Ye Chen, she kissed Ye Chen who was in front of her.

Ye Chen slept for a while, he rested after using up quite a bit of strength and power against Slimes and exercising together with Bai Yuli.

Bai Yuli saw Ye Chen's handsome face, she was quite happy when she saw Ye Chen in front of her.

Ye Chen is very handsome, it's not strange that Bai Yuli likes him, he is an interesting man.

"I didn't expect that he would be this handsome man, so lucky" Bai Yuli said to herself.

Bai Yuli felt fortunate that she was able to get Ye Chen, this was her lifetime of luck.

"last night I was so aggressive" Bai Yuli saw that she was too aggressive, last night she went wild and did it repeatedly with Ye Chen.

Bai Yuli felt quite embarrassed when she remembered what happened, she was quite embarrassed to remember that, where she was controlled by Ye Chen using a hefty object, such a thing made Bai Yuli go crazy and lose her mind.

Ye Chen woke up as a result of Bai Yuli's repeated movements, he saw that Bai Yuli had woken up first.

"are you okay" Ye Chen said to Bai Yuli.

"um already, sorry for falling asleep last night" Bai Yuli apologized to Ye Chen for what happened, she fell asleep alone because she was tired.

"It's okay, I know you're tired" Ye Chen said that he could understand that.

"That's indeed true." Bai Yuli nodded several times.

"let's clean up" Ye Chen asked Bai Yuli to clean up, they went and used the bathroom.

Ye Chen covered himself with a towel, meanwhile Bai Yuli also did the same.

"A rather big bathhouse" said Bai Yuli.

Bai Yuli was pleased with this, she dipped her foot in and checked the temperature of the water.

"So refreshing" After Bai Yuli confirmed that this temperature was perfect for her, she immediately went inside.

Such fresh water washed Bai Yuli's whole body, she soaked in it and enjoyed the freshness of the pure water in this place.

Ye Chen stepped inside, he entered and started to swim close to Bai Yuli.

Ye Chen and Bai Yuli played in the water for a while, they splashed around and enjoyed it all.

"feel this" Bai Yuli splashed water on Ye Chen, she told Ye Chen to taste the cold water.

Ye Chen accepted it, he enjoyed it and did the same.

"giggle" Bai Yuli laughed, she looked so happy playing with Ye Chen.

She was quite free when she was with Ye Chen and no longer needed to hide anything else because she had opened up to him.

They played in the water for some time, after being satisfied playing, the two immediately went to the edge and soaked there for a while.

Bai Yuli's fatigue quickly disappeared, this place was comfortable and able to heal her tiredness.

"The place is so comfortable and very beautiful, I want to stay here longer" Bai Yuli said to Ye Chen, she told Ye Chen that she wanted to stay here longer.

"You can stay here forever" Ye Chen said to Bai Yuli, Ye Chen gave permission for Bai Yuli to stay in this place forever.

"of course, I will do it, I won't mind" Bai Yuli said to Ye Chen.

Bai Yuli would do it, she wouldn't miss the chance to stay in a place like this.

"tell me about you, I want to know more about you" Bai Yuli was curious about Ye Chen, she would tell Ye Chen a little about herself.

Ye Chen told Bai Yuli about himself, Bai Yuli listened to Ye Chen carefully, she was interested in Ye Chen.

"Wait a minute, you are from the Immortal valley sect and you are also named Ye Chen, don't say that you were the rumored one who challenged Yin Zeniyu" Bai Yuli asked Ye Chen.

"You know that too" Ye Chen didn't expect that Bai Yuli would know about this matter.

"Of course I know, this is quite a hot topic for the low, mid and upper-class family, there is someone who dares to challenge an outstanding talent like Yin Zeniyu," said Bai Yuli.

Bai Yuli of course knew, this news was quite hot and surprised others because someone dared to promise to fight against Yin Zeniyu.

"What do you think of that woman?" Ye Chen asked Bai Yuli, he wanted to know the opinion of Bai Yuli.

"That woman is Strong, I once lost to her, she is a strong woman, she beat me with one hand behind her back," said Bai Yuli.

Bai Yuli explained to Ye Chen, Bai Yuli herself had faced Yin Zeniyu once, she lost to Yin Zeniyu, and that was only with using one hand.

It was an unpleasant experience for Bai Yuli, Bai Yuli felt a very unpleasant experience from that.

"Is that how strong she is?" Ye Chen didn't expect that Bai Yuli had already fought with Yin Zeniyu.

"Um, she sure is strong, that woman is very talented," said Yin Zeniyu.

"Aren't you also talented?" Ye Chen said that Bai Yuli was talented.

"Me and her are in different worlds, I am only proficient in literature and music, how could you want to compare her to a genius with a divine innate body" said Bai Yuli.

"I don't think he's that great, for me you're still good, at least you're better than her who doesn't have a good character and is arrogant.

"From my experience, everyone who can enter the Four-sided Immortal Palace will be like that. I've seen some people who used to be good change after entering there," said Bai Yuli.

"That's why you are not interested in the Four-sided Immortal Palace" Ye Chen asked Bai Yuli.

"That's true, I'm afraid of changing after joining them, sometimes the environment can influence a person and I believe in that" Bai Yuli replied.

Ye Chen agreed with what Bai Yuli said, it could happen, things like that could happen with anyone and Ye Chen had seen it himself.

"are you sure against that woman, she will be ruthless enough, she probably won't hold back because you are a man" Bai Yuli worried to Ye Chen.

she didn't want Ye Chen to take a big risk to fight a monster like Yin Zeniyu.

Chapter 2729 A Place That Stores Treasures To Become Strong

"I am a man, taking risks is what I have to do" Ye Chen told her that he had to take this thing, otherwise he would no longer be a man.

"The current you may not be her opponent, to be honest she was already very strong from the time I fought her, I know you are quite strong, but that woman is much stronger now" Bai Yuli said to Ye Chen.

"I want you to tell me that" Ye Chen asked Bai Yuli, she wanted to know more about this matter.

Bai Yuli told Ye Chen what she experienced during the battle with Yin Zeniyu, she explained in detail enough.

Ye Chen nodded, he seemed to have an idea when he was going to fight against Yin Zeniyu.

It is a good thing for Ye Chen, Ye Chen can make the most of this thing.

"But it took a while, she must have practiced a lot and improved herself," said Bai Yuli.

Bai Yuli couldn't guarantee that to Ye Chen.

"I know that too, but it's still very useful to me" Ye Chen pointed out that it was a useful thing for him to use.

Ye Chen could use the experience of people who had fought Yin Zeniyu.

"then you should train harder" Bai Yuli told Ye Chen to train even harder.

"Do you know a training ground that can make people stronger?" Ye Chen wanted to get some information from Bai Yuli.

"There is an excellent training ground, the name of that place is Boundless Desert" Bai Yuli said to Ye Chen.

"what is the meaning of Boundless Desert" Ye Chen asked Bai Yuli.

"It is a place full of monsters, magical beasts and countless kinds of powers, there are quite a number of people who train there and seek strength, and there are countless people who gain strength after coming to that place" Bai Yuli explained to Ye Chen.

What makes that place so special to you?" Ye Chen asked Bai Yuli.

"It is said that there is a place that has never been found, there is an object that can make you very strong and invincible" Bai Yuli said to Ye Chen.

"hmmm, a power that makes you invincible" Ye Chen said.

Ye Chen thought for a while, that way he might give it a try.

"Are you going, but it is a rather risky place, the biggest opponents are monsters whose numbers are unbelievably large." Bai Yuli said to Ye Chen.

There were so many monsters there and their numbers were so overwhelming, it would be very difficult to advance and move around in that place quickly.

"It seems that it is similar to the place from Chu Yelan" Ye Chen said.

"Maybe, but that place is so interesting, why not give it a try" Chu Yuechan said.

Chu Yuechan told Ye Chen to go and give it a try, it wouldn't hurt for Ye Chen to do just that.

"Of course, I'll go and try it." Ye Chen was going to go and try it himself, he wanted to try it himself using his own strength.

"To defeat Yin Zeniyu I will take the risk" Ye Chen had already decided to leave.

"You have to be careful, don't force yourself and come back alive" said Bai Yuli.

Bai Yuli wanted Ye Chen to return safely and alive, she would not forgive Ye Chen if he didn't return safely.

"I promise you" Ye Chen told that he would promise Bai Yuli.

With that in mind Ye Chen had already made up his mind and Bai Yuli seemed to allow it.

Ye Chen and Bai Yuli finished their bath, after they finished bathing, Bai Yuli and Ye Chen came out.

Bai Yuli said that she might be looked after by her guards, which is why she should return.

Ye Chen understood, so he escorted Bai Yuli back.

"I will visit you again later" Ye Chen said to Bai Yuli.

"ummm. . ., I will wait patiently." Bai Yuli told him that she would wait for Ye Chen.

Before they parted ways, Ye Chen returned Bai Yuli's belongings. I think you should take a look at

Ye Chen returned the pendant Bai Yuli have and told her to take good care of it.

"Please put it on for me" Bai Yuli asked Ye Chen, she wanted Ye Chen to help her put the pendant on her neck.

Ye Chen was happy to help, he put the pendant on Bai Yuli's neck.

After some time, Ye Chen put the pendant on the neck of the man, it made Bai Yuli even prettier and prettier.

"thank you very much" Bai Yuli thanked Ye Chen, she thanked Ye Chen for giving her, her precious item.

"you're welcome" Ye Chen said to Bai Yuli.

"According to my previous words, I will give a proper reward." Bai Yuli said that she would give Ye Chen a proper reward.

"A kiss" Ye Chen asked Bai Yuli.

"um, I promised" Bai Yuli said to Ye Chen.

"then I won't hold back anymore" Ye Chen said that he won't hold back.

Ye Chen kissed Bai Yuli, while Bai Yuli closed her eyes and prepared herself to receive a kiss from Ye Chen.

They had a mature kiss before Ye Chen left this place.

Bai Yuli watched Ye Chen leave, she was slightly lost when she saw Ye Chen leaving this place.

"I want to see him again, even if it's just for a while, Bai Yuli wants to see Ye Chen again, she wants to see Ye Chen again.

"So this is called falling in love, it's very pleasant, such a beautiful feeling," said Bai Yuli.

Bai Yuli finally knows falling in love, a feeling that is so beautiful and very pleasant for her.

Bai Yuli wanted to be with Ye Chen again and again, the feeling of being with Ye Chen was so strong.

"Young miss, where have you been?" Bai Yuli's personal maid walked in.

she was happy when she saw that Bai Yuli had returned.

"I just went to get my locket back, tell everyone to come back, an important item I have found" she said to the maid

Bai Yuli told her that she had already got her belongings back, so she told everyone to go back and not continue the search.

"I understand, I will continue this order" the maid left, she will continue this order to everyone.

Bai Yuli had gotten her pendant back, which meant the contest was over and they had all failed.

Ye Chen who became the winner, apart from getting a kiss from Bai Yuli, he also got Bai Yuli's body and mind.

The maid quickly left the room, meanwhile Bai Yuli looked up at the sky and thought about Ye Chen again and again.

The maids outside looked at Bai Yuli, they noticed that the current Bai Yuli mostly daydreamed to herself and smiled to herself, which was something new for all of them.

.

.

Ye Chen immediately returned to the Sect, he would prepare first before going to the boundless desert.

Ye Chen flew back to the Sect, he would arrive at the Sect in short time.

Ye Chen returned to his room, he prepared all the necessities and food to survive in that place.

"hey, don't push me" outside Ye Chen listened to a beacon, he could tell who this sound belonged to.

"Jia Li and Xuan Mei" Ye Chen saw that these were his two wives, so he went and looked outside.

When Ye Chen came out, Bai Yuli and Xuan Mei were indeed in front of Ye Chen's house, both of them had finished and returned safely.

Chapter 2730 Looking For The Hideout Of The Evil Sect

Ye Chen saw Jai Li and Xuan Mei starting to fight again, these two women always fought when they had the time.

"You two, why are you always fighting, can't you two get along ?" Ye Chen said to Jia Li and Xuan Mei.

"can't" They tell Ye Chen that they won't be able to get along.

"Huft. . . ." Ye Chen sighed, this is the most difficult part in life, Ye Chen must be patient in dealing with problems that occur.

"I was here first, so I was first" Jai Li said to Xuan Mei.

Jia Li was the first to arrive, so she had the right to enter first.

"no, I arrived first" Xuan Mei informed her that she was the first to arrive here.

Ye Chen shook his head, it seemed that he already knew what the reason for the two of them were fighting, they were fighting over things to get inside.

"Just a small matter, why did it have to be such an argument?" Ye Chen didn't understand the female way of thinking, Jia Li and Xuan Mei were very complicated.

"Just stop them, they will attract quite a lot of attention" Chu Yuechan said.

Chu Yuechan told Ye Chen to stop Jia Li and Xuan Mei.

Chu Yuechan was right, if Ye Chen let them continue like this, it would create a commotion and attract the attention of the neighbors around.

So Ye Chen took the two of them still and started to put the two of them on the sofa.

"You guys, don't make a fuss like that, it will create trouble for us" Ye Chen told Jia Li and Xuan Mei.

Ye Chen gave a stern warning to Jia Li and Xuan Mei not to continue their bickering.

Because Ye Chen took action, finally Jia Li and Xuan Mei were willing to reconcile for the foreseeable future.

Ye Chen was satisfied to see them starting to reconcile, it was much better seeing them willing to reconcile.

"so how did it go, did you guys succeed" Ye Chen asked Jia Li and Xuan Mei.

"Successful enough, it's a shame there are still some who escaped and are hiding, we returned to replenish our strength and reserves to hunt them down" Jia Li and Xuan Mei explained to Ye Chen.

"It seems that the evil sect is really troublesome." Ye Chen said that the evil sect was troublesome.

"For the time being, every disciple was banned from going out, they were banned from going out due to the chaotic situation, I heard that several disciples from other sects were killed by the counterattack from the evil sects" Jia Li informed Ye Chen.

The evil sects did not remain silent when they were attacked, they counterattacked and hunted the sect disciples outside.

That's why every sect was ordered to return, they had to be in the sect for a while until the situation became more conducive and safe for them.

"So they decided to do just that, that means the disciples will be in the sect for the time being." Ye Chen understood, it seemed like everyone should be in the sect for the time being.

"I heard that you just came out, where did you come from" Jia Li asked Ye Chen.

"I just came back from practice and nothing happened to me" Ye Chen informed that he just came back from practice, no assault happened to him.

Ye Chen didn't explain further about what happened to him and Bai Yuli, it might become a problem for Ye Chen.

"You have to help" Xuan Mei said to Ye Chen, she told Ye Chen to help them.

"Of course, I will do it" Ye Chen announced that he would do it.

He would help out with the problems from Xuan Mei and Jia Li. I think you should take a look at

Xuan Mei felt happy when she heard this, if Ye Chen helped it would be easier.

"Wouldn't that be risky for him" Jia Li said to Ye Chen, it would be a problem if Ye Chen came along.

"No problem, I'll be fine" Ye Chen told her that he would be fine, Jia Li didn't need to worry about him.

Because Ye Chen would be fine and would provide assistance to defeat the evil sect that had attacked them and made a heavy toll on all the innocent people.

Ye Chen would probably postpone his trip, focus first on the problem at hand and start to assist Jia Li and Xuan Mei in dealing with this problem.

The evil sects are common enemies, Ye Chen must defeat them quickly.

Before that, Ye Chen would not be calm in training.

Ye Chen exchanged information with Xuan Mei and Jia Li, he asked their current location and destination, that way it would be easier for him.

Xuan Mei and Jia Li told, both of them told what happened to Ye Chen, that way Ye Chen could easily get them.

After getting the required information, Ye Chen immediately went to look for them, Xuan Mei and Jia Li helped beside Ye Chen.

Xuan Mei and Jia Li brought Ye Chen to a place full of swamps, they brought Ye Chen to the enemy's hideout which was full of traps and very difficult terrain.

If they were to hide in this place, they would naturally have trouble finding enemies.

"This place is so dense and full of super strong herbs that can be used to defend against our attacks, if we enter, we will become their meal because we don't know the terrain there" said Xuan Mei.

Xuan Mei had already sent several people in, it was a pity that they never came back and seemed to have been killed.

Ye Chen used God Eyes to see every corner around, with that Ye Chen could easily find every tiny detail where the enemy was.

When Ye Chen, Xuan Mei and Jia Li arrived, they were already being watched by several people, Ye Chen could see several people who were watching them right now.

"someone is watching us from below" Ye Chen said to Jia Li and Xuan Mei.

"Where?" they both asked Ye Chen, to be honest they couldn't see what Ye Chen saw.

"there, there, there" Ye Chen pointed at several places, he gave Xuan Mei and Jia Li extremely useful information.

With information like this, the two of them should be able to easily incapacitate them.

"Let's finish them off first, after that we can focus on the others" Ye Chen said to Jia Li and Xuan Mei.

Jia Li and Xuan Mei understood, they scattered and started their attacks.

They started to attack the enemy who was currently hiding.

The enemies who were hiding wouldn't believe that Jia Li and Xuan Mei found them.

Ye Chen used the Nine Shadow Step, he disappeared and left the enemy's spies confused.

"Where is he going?" The person was confused when he saw Ye Chen who had disappeared, he didn't see Ye Chen around at all.

"looking for me" Ye Chen suddenly was behind the enemy, he was behind the enemy and immediately hit the enemy's face until he was unconscious.

The enemy who had just turned his head was hit by Ye Chen, it knocked him unconscious and fall.
