

True God 2741

Chapter 2741 Goddess Ling Shu Is Here

"what do you think" Ye Chen said to Jia Li.

"too greath, why do you have such great strength" Jia Li said.

Ye Chen was too strong in that regard, it wasn't strange that Chu Yuechan said that Jia Li wouldn't be able to.

Jia Li had to find a way, he had to find a way as Chu Yuechan and Wu Ziyi said.

Ye Chen continued, he made Jia Li feel comfortable and Jia Li was exhausted.

Xuan Mei came back, when she came back, she saw Jia Li who was limp.

"What's going on here?" Xuan Mei asked Jia Li.

"I just helped her apply sunscreen, do you want to" Ye Chen asked Xuan Mei, he wanted to know if Xuan Mei wanted to.

"You have to try it" Jia Li said to Xuan Mei, she told Xuan Mei to try it.

Xuan Mei didn't want to be alone, that's why he told Xuan Mei to try it too.

"I want to try it" Xuan Mei said to Ye Chen, she told Ye Chen that she wanted to try it.

Xuan Mei was so innocent, she didn't know what would happen and just believed it.

Ye Chen took advantage of Xuan Mei's ignorance, Xuan Mei still didn't know about this, so he could do it.

"Come here" Ye Chen said to Xuan Mei, Ye Chen told Xuan Mei to come here.

Xuan Mei slept near Jia Li, she slept near Jia Li and lay down directly.

Ye Chen started, he did the same thing as Jia Li did.

"umm. . ." Xuan Mei moaned, she moaned when Ye Chen touched her.

The feeling of being touched by Ye Chen was so comfortable and Xuan Mei felt excited.

She felt very excited when Ye Chen touched her.

"No, this is too comfortable" Xuan Mei said to Ye Chen, she told Ye Chen that this felt very comfortable.

"you enjoy it" Ye Chen said to Xuan Mei, he told Xuan Mei.

"ahh . . ." Xuan Mei's voice leaked out, she couldn't help but suppress her voice.

Jia Li saw Xuan Mei from the side, she saw what Ye Chen did to Xuan Mei.

Jia Li felt that she had dragged Xuan Mei down with her.

"No, husband, you are too strong, I can't stand it" Xuan Mei said to Ye Chen, she told Ye Chen that he wouldn't be able to hold on.

"hehehe, it's just starting" Ye Chen said to Xuan Mei, he was just starting.

"Ahhhhh . . ." Xuan Mei became more and more excited, Ye Chen's touch made her body hot and her lust increased.

Xuan Mei couldn't stand it, she couldn't possibly survive that kind of temptation.

"too strong, I can't stand it" Xuan Mei said to Ye Chen, she went weak after feeling the feeling given by Ye Chen.

"how, aren't you enjoying it" Jia Li said to Xuan Mei.

"You tricked me" Xuan Mei finally realized that she had been tricked by Jia Li.

Jia Li had tricked him.

"Fufufufufufu" Jia Li was so happy, she made Xuan Mei feel it,

Now they had felt the power that Ye Chen possessed and the feeling was so wonderful for them.

Jia Li and Xuan Mei were weak for a while, they had been happy and weak for a while now, so they needed time to rest and enjoy the fresh beach air.

"I'll go and get some food to burn again, it doesn't matter if you're here alone," said Ye Chen.

"be careful, there are so many wild women in this place" Jia Li said to Ye Chen.

"I'm more wild than them" Ye Chen said that he was more wild than them.

" you might be right" Jia Li smiled when she heard this, she enjoyed knowing what Ye Chen was saying.

Xuan Mei and Jia Li had recovered and they decided to stay here to sunbathe until the afternoon.

Ye Chen left them, Jia Li and Xuan Mei must be fine, they can take care of themselves.

Ye Chen went to buy nearby groceries, coincidentally near the beach there was quite a lot of groceries ranging from meat and fresh vegetables.

It seems like this is prepared for those who want to throw a party on the beach.

Ye Chen bought good and premium meat, he had quite a lot of spices, so he only needed ingredients because he happened to not have meat.

Ye Chen bought quite a lot, he hoped that Jia Li and Xuan Mei would like it.

"wow, look there, there is a goddess" when Ye Chen finished buying food, he heard a commotion, there were so many people gathered, you could say that there were around 99% of the people on the beach gathered, they seemed to be looking at something interesting .

Ye Chen was of course interested when he saw what was happening, he immediately went and immediately looked together with the crowd.

Ye Chen opened the way and looked, he saw several people guarding someone important.

There is an important person who floats using a cloud.

The woman looked lazy and didn't want to walk, Even though she looked lazy, it couldn't be denied that she was beautiful and too seductive.

"There is a quite beautiful woman here, she has a goddess ?" Ye Chen saw that this was a beautiful woman, she was like a goddess with a super strong charm.

"Isn't that Ling Shu" Chu Yuechan said to Ye Chen.

"That's absolutely true, if I'm not mistaken she is Ling Shu, goddess number 2 on the beauty list, what are you doing in this place" said Ye Chen.

Her beauty and charm is able to attract everyone.

No matter men or women, they would not be able to stand against Ling Shu.

"What is he doing here ?" Ye Chen decided to ask the people around.

He wanted to know what happened.

"she came to visit, this place is one of her places, she has quite a lot of property, but I didn't expect that he would come, it's good luck to see such a figure" the man on the side said.

"So it's like that, she is the owner of this place, not bad, the owner of this place is not bad" said Ye Chen.

"Beautiful goddess. ..." The man beside Ye Chen was enchanted, so his words were a little unclear.

"You better be careful, a woman like that can easily find you" said Chu Yuechan.

Chu Yuechan gave Ye Chen some advice, he told Ye Chen to be careful.

"um, even so she is still a beautiful woman" said Ye Chen.

Ye Chen was still intrigued, he did not take his eyes off the beautiful woman.

"master" Chu Yuechan said to Ye Chen, it seemed like Ye Chen was fascinated by this woman.

"Just kidding, let's go, Xuan Mei and Jia Li are still waiting" said Ye Chen.

For the time being, Ye Chen didn't want to risk fighting Ling Shu.

Chen Xing alone could cause Ye Chen trouble, so he didn't want to add any more for the time being.

And this woman would probably be even more difficult to fight compared to Chen Xing.

Plus he has several guards who will protect him from the outside.

No one can get close, those who get close and try to do bad things will be directly crushed by Ling Shu's guards.

So they could only look at the beautiful goddess from afar.

"a little boring here" Ling Shu said, she was a little bored in this place.

Chapter 2742 Goddess Ling Shu Wants To Join

As Ye Chen said, Ling Shu had controlled everyone in this place, if she wanted, she could do whatever she wanted to all of them, that's why she was bored and lazy.

It was this ability that made Ling Shu become lazy and bored, everything could go according to her wishes.

No one can resist her charm, she can make everyone obey.

Ling Shu looked around, there weren't many people she was interested in, it was probably because these were only low grade stars, so there was nothing that attracted Ling Shu's attention.

"Could it be possible for me to just go back?" Ling Shu thought about going back, she could sleep on her mattress which was kept in the room.

Ling Shu was too lazy, this beautiful woman was busy lazing around and enjoying her sleep.

Just as Ling Shu wanted to return, she saw something interesting flash before her eyes.

She saw an attractive and handsome man.

"oh, interesting, such a handsome guy, I didn't know there were guys like that around this place" said Ling Shu.

What Ling Shu was referring to was Ye Chen. Ye Chen happened to be seen by Ling Shu because he came out of the crowd.

It was of course quite conspicuous since everyone was gathered, so it wasn't strange that Ling Shu noticed it.

"He's not affected" Ling Shu saw that Ye Chen was not affected by the charm, Ye Chen walked away from this place.

Ling Shu tried again to use her powerful charm, when she tried a second time, Ye Chen still rejected it.

"So he did reject her, how interesting" Ling Shu was interested.

A young man like Ye Chen who only had low cultivation was able to survive, this naturally made Ling Shu interested.

"I will go, please take care of this place" Ling Shu said to her subordinates, she told them to go and take care of this place.

After saying that Ling Shu immediately went after Ye Chen, she wanted to know where Ye Chen was going.

Ling Shu followed Ye Chen secretly, she did that to find out what Ye Chen was doing.

Ye Chen returned to Jia Li and Xuan Mei's place, he brought meat for them.

"I'm back, we will start the party" Ye Chen said to Xuan Mei and Jia Li.

"what did you bring ?" the two asked Ye Chen, they wanted to know what Ye Chen brought.

"I brought fresh and premium meat that I could get around this place" Ye Chen told Jia Li and Xuan Mei.

"it looks delicious" said Xuan Mei and Jia Li.

Xuan Mei and Jia Li were interested in this, they immediately helped Ye Chen to prepare the party.

Ye Chen took the vegetables inside the fairy gate, there happened to be some vegetables inside the fairy gate so Ye Chen didn't need to buy them again.

With all the ingredients obtained, they could start making food.

Ling Shu looked at where Ye Chen went, Ye Chen just left and met two beautiful women.

"So that man has two beautiful women around him, it's not strange that he's not very interested" Ling Shu understood why Ye Chen wasn't interested, the two women beside him were not bad when compared to ordinary women.

"Even so, I'm not inferior to them." Ling Shu felt that she was no less beautiful than Xuan Mei and Jia Li.

In fact, she is superior to them.

Ling Shu is beautiful and has a deadly charm for men, she can make men fall easily, so self-confidence is too great.

"Very interesting, I might try to get it" Ling Shu was interested, she wanted to get Ye Chen.

Ling Shu already had bad thoughts, she wanted to get Ye Chen in her own way.

Because Ling Shu's abilities were not bad and she was watching Ye Chen from afar, Jia Li and Xuan Mei were not aware of this.

That's why Ling Shu watched them from a fairly far distance. I think you should take a look at

Ye Chen, Jia Li and Xuan Mei had started it, both of them started the grilling and Ye Chen was in charge of rubbing the spices.

The aroma that must be wafted around, this smells good and must be, is really very tempting for both of them.

"This looks so delicious" Jia Li felt that this would be delicious, she could feel the delicious aroma.

"This will be delicious, once it's cooked you can try it" Ye Chen said to Jia Li.

He told Jia Li to try it once it was cooked.

"I will not hold back" Jia Li told that she will not hold back and will spend everything.

"don't be too greedy, you might get fat" Ye Chen said to Jia Li.

"That can't happen" Jia Li said to Ye Chen, she told Ye Chen that it wouldn't happen.

"hahahaha" Ye Chen and Xuan Mei smiled, they succeeded in teasing Jia Li.

Jia Li finally realized what had happened, from the start Ye Chen and Xuan Mei just wanted to tease her.

After it was cooked, Jia Li and Xuan Mei tried it, this was Ye Chen's cooking, they wanted to try it.

"hmmmm, so delicious" Jia Li said to Ye Chen.

This felt so delicious to him.

"This is really delicious" Xuan Mei also felt the same way, Ye Chen's cooking was the best.

"I'm glad you like it" Ye Chen was proud of himself for being able to provide delicious food for Xuan Mei and Jia Li.

With that they eat and enjoy grilled meat and BBQ.

Ling Shu saw what Ye Chen was doing with the two beautiful women.

she saw that they were enjoying delicious and super luxurious food.

Ling Shu could feel the aroma of the food that Ye Chen made from this place, it felt fragrant and full of aroma that aroused Ling Shu's appetite.

"It looks really delicious, I want it" Ling Shu wants it, she wants one dish made by Ye Chen.

Ling Shu wants to try it, it doesn't matter if she comes and asks.

"Is it okay if I come and join in" Ling Shu thought for a moment.

To be honest, Ling Shu rarely took the initiative to join, usually she rejected all invitations from people who wanted to be with her.

If Ling Shu didn't want to, then no one could force her even if they offered her the best and most beautiful thing in this world.

Ling Shu was interested in what Ye Chen had, that's why she wanted to join.

Ling Shu couldn't stand it anymore, she decided to come.

"Hello everyone" Ling Shu came, she came while riding a cloud and was still in a lazy position.

"huh?" Ye Chen, Xuan Mei, and Jia Li were surprised when they saw who the guest who had just arrived was,

"Isn't she Ling Shu, what is a beautiful goddess doing in this place" Jia Li and Xuan Mei knew who Ling Shu was, they were shocked when they found out that Ling Shu was in this place.

"I don't know either, why did he come, what made him come" Ye Chen didn't know either.

"you better welcome him" Jia Li said to Ye Chen, she told Ye Chen to welcome the arrival of Ling Shu.

Ling Shu was an important person, so they had to welcome her well or they would be in serious trouble.

"What is Miss doing here ?" Ye Chen tried to ask and used flattering language.

"I happened to pass by here and saw you guys making something interesting, I wanted to join in," said Ling Shu.

Chapter 2743 Ling Shu Was Attracted By Peaches

"Want to join?" Xuan Mei and Jia Li were shocked when they listened to what Ling Shu said.

Ye Chen also didn't expect that Ling Shu would want to join them, this was a small party that was not worthy of Ling Shu.

That's why Ye Chen wondered what Ling Shu's purpose was.

"Even though you are no longer flashy, you still attract beauties, I really don't understand how you do it," said Chu Yuechan.

Chu Yuechan was sure that Ye Chen didn't attract attention, how could Ling Shu still come even though Ye Chen didn't attract her attention.

"I don't know about that problem either, maybe my luck is high" Ye Chen said that his luck was high.

"You should be able to act normal, don't be too flashy," said Chu Yuechan.

Chu Yuechan told Ye Chen not to stand out.

"I understand, I will do it" Ye Chen would do what Chu Yuechan said.

He will do his best to be as inconspicuous as possible and act like an ordinary person.

"This is just a small party that we are having, I'm afraid this won't satisfy you" Ye Chen said to Ling Shu.

"No problem, I like simple party." Ling Shu said that she liked simple things.

Ling Shu blocked Ye Chen's path of resistance, now Ye Chen would have no way to resist.

Ye Chen smiled at Ling Shu, this woman did it on purpose, now Ye Chen had no way to chase her away.

Ling Shu was smart, she knew how to fight Ye Chen in her own way, life experience made her able to fight Ye Chen.

"If you don't mind, you can join" Ye Chen said to Ling Shu.

Ye Chen had no way, he had to accept Ling Shu.

thank Ling Shu for joining, she took the meat roasted by Ye Chen.

"um, good" Ling Shu said to Ye Chen, she told Ye Chen that this tasted good.

Ye Chen was great, he was able to make something delicious like this food.

Ling Shu the beautiful woman was able to quickly join the conversation.

"Why does a woman like you want to join us?" Ye Chen continued to ask, he wanted to know Ling Shu's purpose.

"It's okay, I just want to know the taste of this food, it's quite interesting and delicious," said Ling Shu.

Ling Shu said that this was good and delicious, she liked the things Ye Chen had.

"don't hesitate" Xuan Mei and Jia Li said to Ling Shu.

Xuan Mei and Jia Li treated Ling Shu quite well, both of them treated Ling Shu well because this woman's status could not be underestimated.

Plus both of them were affected by Ling Shu's innate charm.

That made the two of them quite friendly and without them realizing it they were under Charm

Here only Ye Chen and Chu Yuechan can survive, Ye Chen has the king's heart technique and the Passion Goddess technique.

It makes him immune to charms and can easily fight back.

Ling Shu continued to pay attention to Ye Chen, she watched Ye Chen who was unfazed, this was clearly a strange and unreasonable thing, it was rare for her charm to be resisted by someone with a cultivation below hers, moreover this was only Ye Chen who was young and still weak.

Ling Shu had to find out the secret that Ye Chen had, that way she would feel better.

Ling Shu couldn't accept it when she saw that someone could resist her charm, that's why she had to find out more clearly.

Ye Chen served Xuan Mei and Jia Li well, meanwhile he helped Ling Shu a little.

Ling Shu continued to pay close attention to Ye Chen, for some reason her treatment of Xuan Mei and Jia Li was different, Ye Chen was more attentive to Jia Li and Xuan Mei.

"unreasonable" Ling Shu felt that this was unreasonable, how could this happen, how could anyone ignore her, this was something that could not possibly happen.

"Young man, don't ignore me" Ling Shu said to Ye Chen. I think you should take a look at

"I'm not ignoring you" Ye Chen said to Ling Shu.

Ye Chen didn't ignore Ling Shu, Ye Chen still paid attention to Ling Shu.

Ling Shu's face darkened when she listened to what Ye Chen said.

Obviously Ye Chen avoided it, it seemed like Ye Chen didn't want to get involved with Ling Shu.

The more Ye Chen tried to avoid Ling Shu, the more Ling Shu was attracted to Ye Chen.

Women are truly strange creatures, they are completely incomprehensible.

"If you really don't ignore me, why don't you give me the best food you have, I will gladly accept that," said Ling Shu.

Ling Shu told Ye Chen, she wanted to try more of Ye Chen's dishes.

"Of course, I will give you" Ye Chen said that he would give you this.

Ye Chen gave what Ling Shu wanted, he gave Ling Shu some more food.

Ling Shu happily accepted the gift given by Ye Chen, it was very nice to receive a gift from Ye Chen.

Ye Chen had to do it, otherwise Ling Shu would be suspicious.

Ye Chen was already aware that Ling Shu was suspicious, this woman was already suspicious of Ye Chen, so Ye Chen had to pretend too.

Some time later all the food was finished, Ye Chen, Xuan Mei, Jia Li and Ling Shu had finished it all.

"I've never tasted a banquet like this, to be honest this is too good" Ling Shu said to Ye Chen.

"Thank you very much" Ling Shu said to Ye Chen.

Ling Shu thanked Ye Chen, she expressed gratitude to Ye Chen.

"You're welcome" Ye Chen looked at Ling Shu, he felt that Ling Shu was not bad, this woman still knew how to be grateful and was a good thing.

"You don't have good desserts" Jia Li asked Ye Chen.

"I have peaches, do you want them" Ye Chen asked Jia Li, Xuan Mei and Ling Shu.

"of course" they answered Ye Chen.

They were all of course willing to accept Ye Chen's gift.

They all liked the peaches given by Ye Chen, they thought it would be delicious.

Ye Chen took out a heavenly peach, a delicious and delicious thing.

Ye Chen cut it and started giving it to Jia Li, Xuan Mei and Ling Shu.

Each of them received one from Ye Chen, when they tried it, they felt something extraordinary.

"This is so delicious, so amazing" Ling Shu was shocked, she didn't know there was something this good.

Jia Li and Xuan Mei also thought the same thing, they were surprised by the taste of the heavenly peach.

"What is this, tell me?" Ling Shu asked Ye Chen, she forced Ye Chen to tell her what this was, she was very interested in this and wanted to know.

"peaches, do you like them" Ye Chen asked Ling Shu.

"Of course I like it, this is so great" Ling Shu said to Ye Chen.

Ling Shu admitted that this was great, this was a very extraordinary thing.

According to her this is the most delicious thing and has excellent profound energy healing effects.

This was definitely a good thing and Ling Shu was very interested in this.

"Then I still have more" Ye Chen said to Ling Shu.

Chapter 2744 Why Did Ling Shu Come, Did You Do Something?

"Seriously, then I will buy it" Ling Shu said to Ye Chen, she wanted to buy them all.

"are you serious about what you said ?" Ye Chen asked Ling Shu.

"Of course, I'm serious about what I say" Ling Shu said that she was serious, she was interested in what Ye Chen had.

Heavenly peaches were such a good thing, Ling Shu had to get some for herself.

Ling Shu likes things delicious and sweet, that's why she wants Ye Chen's peaches.

Ling Shu didn't care about Ye Chen's price, she was rich enough to buy everything Ye Chen owned.

"Will this be a profitable business for me?" Ye Chen thought for a while, this might be a good business for Ye Chen, the offer that Ling Shu had was so good.

"How, do you want to or not?" Ling Shu asked Ye Chen, she wanted to know whether Ye Chen wanted to or not.

Ling Shu was worried that if Ye Chen didn't want to, she had to do something to make Ye Chen interested.

"let me think about it" Ye Chen said to Ling Shu.

Ye Chen wanted to think about this for a while, he wouldn't do things quickly.

"If you are willing to do so, I will give this to you." Ling Shu took out something, she took out several pouches which contained a large amount of profound crystals.

Jia Li and Xuan Mei fell silent when they saw this, it was quite surprising for them.

"is she serious about buying them all" Jia Li asked Xuan Mei.

"It seems like she's serious, there's no way he would mess around with something like this" said Xuan Mei.

Jia Li and Xuan Mei saw that Ling Shu was serious, there was no way Ling Shu would mess with Ye Chen.

Ling Shu just went straight, she didn't negotiate much, rich women were different.

"I think this is too much" Ye Chen said to Ling Shu.

"No problem, as long as you give me that item, I will give it to you," Ling Shu said.

Ling Shu would give everything, as long as Ye Chen was willing to give it to her.

Ye Chen thought, this is an attractive offer and cannot be ignored.

"I will give this to you as a gift" Ye Chen said to Ling Shu.

Ye Chen said that he would give some to Ling Shu.

Ye Chen gave this to Ling Shu, he gave some heavenly peaches to Ling Shu.

Ling Shu didn't expect that Ye Chen would give it, it seemed like Ye Chen was quite good.

"You are a good man, I like that" Ling Shu said to Ye Chen, she told Ye Chen that she liked Ye Chen.

Ling Shu smiled quite beautifully, she showed a charming smile to Ye Chen.

Ling Shu was indeed beautiful, she had an extraordinarily beautiful mature charm.

After giving Ling Shu the peaches, Ye Chen finished eating together with Xuan Mei and Jia Li.

Ling Shu tried several times to tease Ye Chen, she used her abilities to tease Ye Chen.

It's a pity that Ling Shu's abilities are still lacking, she can't tease Ye Chen.

Plus Xuan Mei and Jia Li were annoying because they could be used by Ye Chen to run, it created problems for Ling Shu in teasing Ye Chen.

"It's late, let's go back" Ye Chen said to Xuan Mei and Jia Li.

"Um. . ." Xuan Mei and Jia Li agreed with Ye Chen, they should go back right now.

"See you later, nice to meet you" Ye Chen said to Ling Shu.

Ling Shu waved her hand at Ye Chen, after which Ye Chen, Jia Li and Xuan Mei disappeared. I think you should take a look at

Ling Shu looked at the fruit in her hand, this was a gift from Ye Chen.

"So until now I still can't influence him using my charm, what an interesting guy"

From start to finish, Ling Shu was unable to influence Ye Chen.

Ling Shu felt annoyed, she felt bad when she saw someone able to fight hers.

Ling Shu teased Ye Chen several times, unfortunately all of them were easily rejected by Ye Chen.

Ye Chen was able to block everything easily and was unfazed.

"I will find out more about him" Ling Shu decided to find out more, she wanted to find out more and more about Ye Chen.

Ling Shu returned, she rode her cloud and decided to return, she would find out about Ye Chen quickly.

Ye Chen together with Xuan Mei and Jia Li finally returned, they were finally finished.

"Why did Ling Shu come, did you do something?" Xuan Mei asked Ye Chen.

"No, I didn't do anything" Ye Chen told her that he didn't do anything, he didn't do anything that attracted Ling Shu's attention.

"He's probably interested in you because you're handsome" Jia Li said to Ye Chen.

Jia Li estimated that Ling Shu was attracted to Ye Chen because he was handsome, that was the most reasonable explanation in this matter.

"That's possible, husband is so good, it's not strange that she would be interested" Ling Shu said.

Ling Shu felt that Ye Chen was quite good, so it wasn't strange that he would be interested.

"He is interested in you, that means he will find out more about you" Jia Li said to Ye Chen.

"That will be a problem" Ye Chen said that it was a troublesome thing, even though Ye Chen didn't want to attract the attention of one of the beautiful goddesses because it would cause problems.

"It's okay, if he comes, you can fight her, you're pretty good," said Xuan Mei.

Xuan Mei told Ye Chen to fight, she would support him.

"That's very true, you can conquer women easily right" Jia Li agreed with what Xuan Mei said, they both believed in Ye Chen's abilities.

"Both of them are sure that Ye Chen will be fine, besides, Ye Chen is strong so there won't be any problems.

Even though his opponent was the great Ling Shu, Ye Chen should be fine.

"You two" Ye Chen was helpless, they were trying to sell Ye Chen out.

Ye Chen decided to hug Xuan Mei and Jia Li, he hugged both of them and immediately took them to bed.

"husband, what are you doing ?" Jia Li and Xuan Mei asked Ye Chen, they wanted to know what Ye Chen would do.

"Of course I'll give you a lesson, that woman makes me excited, that's why you have to be responsible for taking care of her.

Ye Chen said to Xuan Mei and Jia Li.

He tells them to take responsibility for mocking him.

Ye Chen was of course aware of what Ling Shu was doing, the woman teased Ye Chen several times and made Ye Chen feel uncomfortable.

That's why Ye Chen is currently quite excited, he is too excited and wants to do it again.

"no ! ! ! !" Xuan Mei and Jia Li tried to leave, they tried to escape.

"Ye Chen didn't let them escape, using his abilities, Ye Chen put them both on the bed.

With this the night battle was resumed and Xuan Mei and Jia Li started together with Ye Chen.

Inside the room became noisy, the screams from Xuan Mei and Jia Li of course easily echoed, they felt an extraordinary feeling from Ye Chen.

Chapter 2745 Start A Journey To Gain Strength

Currently in the nicest place in the super luxurious district.

Ling Shu drank wine, she was currently waiting for her maid to find info about Ye Chen, as long as she found information about Ye Chen, it would be easy.

"Miss, this is the information you need right" someone came in, she gave the information to Ling Shu.

"Thank you so much for giving it to me" she told to tell about Ye Chen.

The servant immediately gave what she found to Ling Shu.

Ling Shu accepted it, she read everything she could find from Ye Chen.

Here are several important points about Ye Chen, where Ye Chen is and where he trains, it's a shame they don't know where Ye Chen comes from.

They only knew that Ye Chen came from the forest and knew nothing about the matter.

"Quite mysterious" said Ling Shu, Ling Shu saw that this little guy was mysterious and made her curious.

"he also has a battle appointment with the genius Yin Zeniyu, Yin Zeniyu is a woman with extraordinary innate talent, one day she can definitely enter the list of beauties in God Realm, and this little guy is trying to challenge her, quite interesting but also stupid" Ling Shu said.

Yin Zeniyu was a great talent, Ling Shu had to admit this, she admitted that Yin Zeniyu was a talent and would become a beauty when she grew up.

And Ye Chen trying to fight her, this was truly too risky a thing to do.

There would be no guarantee for Ye Chen to be able to win against Yin Zeniyu.

Under the training of the four-way palace, Yin Zeniyu would become a powerful fighting machine, and Yin Zeniyu would be able to easily defeat Ye Chen if she wanted to.

"I hope the little guy will be fine, maybe later I can ask Yin Zeniyu when she wins" Ling Shu thought about asking Ye Chen when she won.

Ling Shu actually wanted to request from Yin Zeniyu, that was a very strange thing.

"Keep watching him, I want more about him" Ling Shu said to keep an eye on Ye Chen again, she wanted to know more about Ye Chen.

"understand" they understand, they will immediately monitor Ye Chen according to Ling Shu's orders.

They all knew that Ling Shu had just found a new target, she would definitely not let go of Ye Chen and would hunt Ye Chen down until she found him.

They all felt sorry for Ye Chen, Ye Chen wouldn't be able to get away from Ling Shu.

.

.

Morning finally arrived for Ye Chen, Xuan Mei and Jia Li, they immediately prepared themselves and started to return.

"I'm still tired" Xuan Mei was still tired after the exercise she did together with Ye Chen, it was still quite tiring for Xuan Mei who had a strong physique.

"I'm still tired too, husband is too much, she really doesn't have any tiredness," said Jia Li.

Jia Li also felt the same way as Xuan Mei, she felt the same way and felt tired by Ye Chen.

On the other hand, Ye Chen felt so refreshed, he felt refreshed after doing it with Xuan Mei and Jia Li.

The Yang Qi in his body was already improving and he was getting better and better.

Apart from that, his strength was also increasing, he was now at the early stage of the Immortal Earth Realm after repeatedly going at it with Xuan Mei and Jia Li.

"Why are you still lazy, let's go back" Ye Chen said to Xuan Mei and Jia Li, he told them to be more enthusiastic because they were going back.

Jia Li and Xuan Mei felt annoyed when they listened to what Ye Chen said, they wanted to beat up Ye Chen, this was all because of Ye Chen, if it weren't for Ye Chen, they wouldn't be like they are today.

Ye Chen, Xuan Mei and Jia Li left, they left this place and went straight back to the Sect.

"I want to rest after I get home" Xuan Mei and Jia Li agreed to rest after returning later. I think you should take a look at

"I want to go to a place for a long time" Ye Chen said to Xuan Mei and Jia Li.

"Where do you want to go?" Jia Li and Xuan Mei immediately asked Ye Chen, they wanted to know where Ye Chen was going.

"Go to Boundless Desert" Ye Chen said that he wanted to go to Boundless Desert.

"Boundless Desert?" Jia Li and Xuan Mei shouted when they listened to what Ye Chen said.

"Why did you go to a place like that, what do you want there, it's a pretty dangerous place" said Jia Li.

"It's clear isn't it, I want to become stronger" Ye Chen said that he wanted to seek strength.

He needed strength to get back what he had, he couldn't be like this, he had to gain strength faster.

Ye Chen has decided, the decision he has made is final and cannot be disturbed any longer.

"I hope you two can understand what I feel" Ye Chen said to Xuan Mei and Jia Li.

"We understand" they saw Ye Chen's determination, Ye Chen had determination like fire, they didn't want Ye Chen to stop pursuing even higher heights.

"Thank you very much" Ye Chen thanked, he was grateful for the understanding that Xuan Mei and Jia Li had.

They really understood Ye Chen, they were willing to listen to what Ye Chen said.

"are you going to tell Shi Lin and Wu Ziyi" Jia Li asked Ye Chen.

"I will tell them later" Ye Chen said to Jia Li.

He said he would tell them later.

Wu Ziyi and Shi Lin will definitely understand, they will definitely understand when they listen to this matter.

"You have to promise to come back safely" Xuan Mei said to Ye Chen, she told Ye Chen to come back safely.

"I will definitely come back, but I don't know when I will come back" Ye Chen will definitely come back.

"I'm glad you said that, if that's the case, then I will believe you" she said that she would believe Ye Chen.

After the discussion, Ye Chen returned, the three of them returned to Sect.

The mission had been completed, so Xuan Mei and Jia Li returned to their place and carried out their duties.

They have an important task that still needs to be carried out well.

They couldn't relax and decided to immediately leave to finish the work they had been doing for a long time.

Ye Chen prepared everything he needed, he was about to start his journey.

Ye Chen told Shi Lin and Wu Ziyi, he told them to work harder in their training.

Wu Ziyi and Shi Lin could only understand, they still had quite a lot of training programs to complete.

After everything was resolved, Ye Chen immediately went to the Boundless Desert.

Ye Chen went to the Boundless Desert armed with everything he needed.

Ye Chen didn't lack food and pills, so he should be able to survive for a few months, if the situation worsened.

Ye Chen crossed over, he quickly arrived at where the Boundless Desert was.

Ye Chen saw a wide expanse of desert and several bones at the entrance, this showed that this place was a very dangerous place.

Chapter 2746 Strange Things Happened In The Boundless Desert

"so this is the Boundless Desert, such a vast place" Ye Chen said to Chu Yuechan.

"You are right, this place is indeed very spacious" Chu Yuechan agreed with Ye Chen, this place is indeed very spacious.

Ye Chen couldn't see the end, it showed that this place was so vast and it was almost impossible to see the end.

"we will start our journey" Ye Chen said to Chu Yuechan, from here they will start their journey.

"Use the teleport Ring to mark this place, if you get lost, you can come back here again" Chu Yuechan said.

Ye Chen understood, he would do that just in case.

Ye Chen can move to any place he wants, as long as he has visited that place, either using the teleportation ring or using the abilities he currently has.

"Okay, preparations are complete, time to enter" All preparations are complete, it is time for Ye Chen to enter.

Ye Chen finally entered, he entered and immediately flew forward.

Ye Chen here doesn't know the destination, he has to look for a place and that location is what everyone is looking for.

Ye Chen needed Chu Yuechan's help, with the help given by Chu Yuechan, Ye Chen should be able to find him.

"don't rely on me" Chu Yuechan said to Ye Chen.

"If I don't rely on you, then who should I rely on" Ye Chen said to Chu Yuechan.

Chu Yuechan was so skilled at finding hidden places.

"If the people here aren't capable, then I won't be able to find them either, so use your own abilities," replied Chu Yuechan.

Chu Yuechan told Ye Chen to use his own abilities.

"Looks like I will search for it using God's Eyes and my own detection ability" Ye Chen can only use God's Eyes, by using God's Eyes, he should be able to find the location he is looking for.

What kind of location would he be looking for, Ye Chen wanted to know about this.

Ye Chen used God Eyes around him, he tried to find the place.

With the help of God Eyes, he was able to do it easily, he could see what was below and in the sky.

Ye Chen took the first step, when Ye Chen took a step forward, Ye Chen was attacked by a strong monster underground.

Ye Chen coated his body with lightning, with that the monster that attacked Ye Chen destroyed itself.

The monster immediately disintegrated when it touched Ye Chen, it shattered into pieces when it touched Ye Chen's body.

"The monsters here are too aggressive" Ye Chen said to Chu Yuechan.

Ye Chen saw that the monsters in this place were aggressive, they attacked Ye Chen when he just entered.

"There are so many, there are even small dangerous insects" Chu Yuechan said.

"It's not strange that many people lose in this place, if they are just a little careless, they will be attacked by dangerous small insects," said Chu Yuechan.

"I use protection on my body, no one should be able to penetrate the defense I have," said Ye Chen.

Ye Chen felt that no one would be able to penetrate his defense.

Except for strong and big monsters, around this place there are no strong and big monsters, so Ye Chen can rest assured.

As Ye Chen advanced, a thunderstorm enveloped Ye Chen's surroundings, it quickly enveloped Ye Chen and covered Ye Chen's sight.

"What else is this?" Ye Chen didn't know what happened, why suddenly lightning enveloped the surroundings and thick clouds were around Ye Chen's body.

This was like a barrier covering Ye Chen's body.

Ye Chen couldn't move for a while.

"Get out of the way" Ye Chen used the power of the wind, he got rid of all the fog that was there. I think you should take a look at

The fog disappeared, and Ye Chen was now in another place.

He was on a hill, where Ye Chen was not here before.

"Why am I here, did something happen to me?" Ye Chen didn't feel that he had been moved, if he had been moved, he would have known about this matter.

"That seems to be the case, this place is not normal. This is definitely more complicated than all the places you have visited" Chu Yuechan also felt the same way as Ye Chen felt.

He was completely unaware that he had just been transferred, it was clear that Chu Yuechan was also unaware of this.

"quite strange" Chu Yuechan said to Ye Chen, they found out what had just happened.

"No, we may not be moved, this place is moving?" Ye Chen said.

"impossible, why don't you try to come back using your abilities" Chu Yuechan wanted to make sure.

Ye Chen also wanted to be sure, he used his ability to return, with Ye Chen's teleportation ability, he returned to the starting place.

They returned to the starting place, with that Ye Chen returned to the original path.

"No, it's not the place that has changed, obviously we have been moved" Ye Chen said to Chu Yuechan.

"Hmm, I still don't understand this problem" Chu Yuechan still felt confused about the current problem.

Ye Chen thought for a while.

"That means the fog has the power to move everything around it" Ye Chen concluded what might happen to them.

"if that's true, you have to do something about this problem" Chu Yuechan said to Ye Chen.

"I might be able to use my dimensional power to protect me, but that would require quite a lot of profound energy" said Ye Chen.

Ye Chen felt that it would require quite a lot of profound energy, so he had to manage it well.

Ye Chen thought for a while, what should be done in the current situation.

"No, I can use that, I have dimensional power" said Ye Chen thinking again, instead of using wasteful methods, Ye Chen could use the lightning cloud to go to the center.

With that he could easily reach the deepest part, that was a very easy thing for Ye Chen to do.

"That's a good idea, why don't you try it" Chu Yuechan said to Ye Chen, she told Ye Chen to try it, maybe Ye Chen's method could work.

"Okay, it's decided, I'll try it" Ye Chen decided to look for it, he started trying it and immediately went back in.

Ye Chen returned to the Boundless Desert, Ye Chen flew quite fast.

With this, Ye Chen hoped that he would be able to attract black clouds like before.

Strangely the cloud didn't appear again, it was like he knew that Ye Chen was planning something.

"Don't want to appear" Ye Chen started to feel strange, the cloud didn't want to appear anymore.

"This is confusing" Chu Yuechan said.

"If that's true, maybe this place is alive" Ye Chen felt that this place was alive.

"then what are you going to do" Chu Yuechan said to Ye Chen, did Ye Chen have a way.

"We can ask Stone God for help, he might know, because Ye Chen couldn't explain what happened, Ye Chen decided to ask for help from people who might know.

Ye Chen asked for help, Stone God appeared and he helped Ye Chen.

"what do you need from me" Stone God asked Ye Chen.

"Can you explain about Boundless Desert to me" Ye Chen asked for an explanation about Boundless Desert.

"Boundless Desert is a place inhabited by many monsters, there are so many strange and inexplicable things, an ancient technique is buried there and no one has ever discovered it until now" Stone God said to Ye Chen.

Chapter 2747 A Difficult Journey In Search Of Treasure

"how great is the ancient technique there" Ye Chen asked, he was curious about the details.

"There is a very strong and powerful technique, it is sealed so that no one can get it, there is also a lot of extraordinary knowledge, it is a place full of knowledge that is here from the beginning to the end" said Stone God to Ye Chen, Stone God told Ye Chen, he said that that place was really great.

Stone God's words made Ye Chen eager to find the place.

"tell me, how to enter" Ye Chen asked, he wanted to know how to enter.

"Very difficult, around that place is full of super ancient barrier arrays that will keep you going in circles, even if it was me" Stone God Said to Ye Chen.

Stone God explains that even he will not be able to go inside.

"even if it was you, it would be impossible" Ye Chen said to Stone God.

"I'm serious" Stone God wasn't joking, he meant what he said.

"Looks like this will be the most difficult thing in your life" Chu Yuechan said to Ye Chen, she told him that this would be a difficult thing.

"Do you think I will just give up, I won't give up" Ye Chen told me that he wouldn't give up.

Ye Chen would find that place, he would use all means to find that place, even if he had to use all his strength.

This is an opportunity for Ye Chen, an opportunity for Ye Chen to gain extraordinary power.

There must be something really good there, so Ye Chen had to get everything in that place.

"I will continue forward, what do you think" Ye Chen asked Chu Yuechan, he wanted to know the opinion about Chu Yuechan.

"You are my master, of course I will help you" Chu Yuechan told him that she would help Ye Chen.

"That's very good" Ye Chen said to Chu Yuechan, he would help himself to get there.

"Thank you very much for the explanation, I'll go" Ye Chen thanked, he already understood what was blocking him.

"Go back if you don't find a way, that place is not good," said Stone God.

"I will remember that" Ye Chen said to Stone God.

He returned to the Boundless Desert, Ye Chen started his journey again.

Ye Chen came up with an idea, he would use the teleportation ability to get there.

Here Ye Chen had two plans, the first plan was that Ye Chen would immediately rush in by force.

And the second is that Ye Chen will destroy the Boundless Desert Array.

There are only two ways that Ye Chen can do it, with those two ways Ye Chen can go deeper.

Ye Chen took more supplies, he would be on guard to ensure that he could enter.

Ye Chen was here alone and could only rely on himself,

It started, Ye Chen went forward and went straight to the deepest part.

Ye Chen did it quickly, he used his top speed and used all the techniques and items he could to increase his speed.

With that, Ye Chen's speed increased very quickly, he was able to accelerate at incredible speed.

"Forward, continue, move forward" Ye Chen didn't think about anything else, he continued to move forward and continued to advance towards the front.

Ye Chen didn't care about anything else, his focus right now was on moving forward.

Lightning and clouds started to come again and enveloped Ye Chen.

Ye Chen used dimensional power and destroyed the lightning.

"Dimension Breaker" by using Dimension Breaker, Ye Chen destroyed it into several pieces.

"It can be destroyed by using Dimension Breaker" Ye Chen realized that it could be destroyed by using Dimension Breaker. I think you should take a look at

"Keep going, don't slow down" Chu Yuechan said to Ye Chen.

she told Ye Chen to keep moving forward and not to slow down.

Ye Chen was not slow, he continued to move forward, Ye Chen quickly moved forward and arrived at a place full of ravines.

Ye Chen looked around, this became even more complicated when Ye Chen saw that there were so many roads.

"It looks like we have entered the second part" Ye Chen said to Chu Yuechan.

"The way to enter is ahead, there is a strong wind that will block our way," said Chu Yuechan.

"I will take care of the wind" Ye Chen used his power and took care of the wind.

With the Sage God's abilities, he was able to make the winds submit and they instantly slowed down.

"This is easy" said Ye Chen.

With that Ye Chen advanced, he continued forward and crossed the ravine so easily.

In just a slightly shorter time, Ye Chen managed to cross and has now reached the third stage without any difficulties.

"This is very easy" said Ye Chen.

Ye Chen finished it easily, reached the end and now had to fight through a mud puddle.

In front of Ye Chen there was mud that was deep and also very wide.

Ye Chen tried to look, he wanted to know if there were any monsters hiding.

When Ye Chen peeked, he found that there were so many monsters watching him, they were watching Ye Chen and ready to pounce on Ye Chen when he passed through the air or on the ground.

"so the monsters are here waiting for me to advance, I'm not that stupid" said Ye Chen.

Ye Chen wasn't stupid enough to just go forward, he wouldn't allow himself to be ambushed.

"time to eliminate them all" Ye Chen decided to eliminate them all by using God's Judgment Lightning.

"God's Judgment Lightning" a lightning dragon appeared, it descended and instantly grabbed the entire mud.

Due to the reaction of the water, the lightning propagated quickly and spread in all directions.

With the power of the heavenly lightning which was so strong and so destructive, Ye Chen made all the mud dwellers unable to move, they were hit by the heavenly lightning and paralyzed.

"master, you are so smart" Chu Yuechan said to Ye Chen, she told him that Ye Chen was smart, he paralyzed all the monsters so quickly.

"That's not a problem for me" Ye Chen said that it wasn't a problem for him, Ye Chen could do it because he had his own thoughts to survive in this place.

After knocking out all the monsters around, Ye Chen immediately went deeper, he headed deeper to find treasure.

The fourth level was the same as the first level, it was a wide expanse of sand and there were so many monsters roaming around and attacking Ye Chen.

Ye Chen had to fight them, if Ye Chen didn't fight them, he wouldn't be able to move forward.

There are bird monsters, worms, snakes, scorpions, Basilisk and many more were waiting for Ye Chen.

"Bam. . "Ye Chen fought with all of them, he used all the abilities he had.

"more and more are coming towards you" Chu Yuechan said to Ye Chen, she told Ye Chen that there are still more coming towards him.

"it's endless" Ye Chen said to Chu Yuechan, he saw that the enemy was endless.

If it was like this, Ye Chen wouldn't be able to continue his journey because he was being held back here by monsters.

"Shadow Clone" Ye Chen used Shadow Clone, he created a Clone and started fighting more seriously.

Luckily Ye Chen had quite a lot of area attacks, so Ye Chen had quite a lot of advantage in this regard.

Chapter 2748 Dragon With Four Elements

"Even though Ye Chen used quite a lot of area attacks, he was still unable to defeat all the enemies around him.

"There are so many, I can't fight them all" Ye Chen said to Chu Yuechan.

Ye Chen's efforts failed miserably, he was unable to fight the monsters that numbered in the millions.

"Escape is the best way" Chu Yuechan said to Ye Chen, she told Ye Chen to leave this place immediately.

"You're right" because he couldn't destroy a large number of enemies, Ye Chen could only run away from this place.

Ye Chen started to leave, he started to leave and just went straight forward.

All the monsters were chasing Ye Chen, Ye Chen was like food for all of them in this place.

Ye Chen became troubled, there were so many monsters chasing him from behind.

Even though Ye Chen was fast, there were monsters in front too, which made the distance between the monsters short.

"Their numbers are really too crazy, normal people would definitely be scared when they see that many monsters"

Chu Yuechan said to Ye Chen.

Chu Yuechan was sure that there were many people who would be afraid when they saw the number of monsters, the number of monsters was so large and it was like ants chasing food.

"really annoying" said Ye Chen.

Ye Chen used the ability to disappear, even though it had disappeared, the monster came after Ye Chen.

"They could know about me, how could that happen" even though this technique never fails to deceive the enemy.

"Don't tell me that when I'm here, they can know where I am," said Ye Chen.

Ye Chen finally knew that he was in a special domain, so it wasn't strange that Ye Chen could still be found.

As long as Ye Chen was still in this place, Ye Chen would never be able to run.

"Damn, this is the most annoying time" Ye Chen continued to run, he used all his strength to run and did not look back.

Ye Chen wasn't happy, to be honest this was a problem for him, he didn't know how to hide anymore.

This journey would be quite long, Ye Chen continued to run day and night.

Several days had passed and Ye Chen seemed like he couldn't find the end.

"No, I didn't find the end of this place.

Ye Chen didn't find the end, he didn't find the end of this place.

And the number of monsters chasing was still large, this was like Ye Chen was trapped in a monster cage.

"think, how to get out" Ye Chen thought of something, how he should get out in the current situation.

"Wait a minute" Ye Chen had a crazy way of dealing with this problem.

"I will use that to take care of them all" Ye Chen will use dimensional power to take care of all the monsters there.

"This place wants to play with me, then let me destroy it" Ye Chen has decided, he will destroy this place.

Ye Chen used Dimension Shaker.

He shook this entire place using the Dimension Shaker.

Ye Chen used a lot of profound energy, because this place was large and it took quite a lot of profound energy to be able to use the Dimension Shaker.

This entire place shook after Ye Chen used Dimension Shaker.

This place began to sway, the sand, hills and various places began to shift, even the arrays and protection of this place began to collapse.

"The profound energy I have is not enough, I have to open a water vein" Ye Chen used the Water Vein, he opened it and got unlimited profound energy.

The power of the Dimension Shaker shook for so long, all the places and creatures in this place were destroyed by the immense power.

Dimension Shaker is a very powerful technique, it can destroy several stars with a super terrible earthquake.

"You are quite crazy" Chu Yuechan said.

Chu Yuechan didn't expect that Ye Chen would use Dimension Shaker in such a large radius.

"I have no other choice" said Ye Chen.

Ye Chen could only do that, otherwise he would continue running like a fool.

"I will recover myself first" Ye Chen said to Chu Yuechan.

He said he needed a little rest.

Ye Chen created a barrier, now there were no more monsters chasing Ye Chen, they were buried under the sand and could no longer get out.

"Roar . . ." A roar which was strong enough to be heard by Ye Chen and Chu Yuechan.

This was powerful and shook the ground that Ye Chen stepped on.

"It seems like the most powerful being in this place has awakened" Chu Yuechan said.

Chu Yuechan told Ye Chen that a super strong monster had appeared.

Obviously it was angry as a result of Ye Chen destroying his place.

"So the guard of this place has appeared, that's good, because I will fight him directly," answered Ye Chen.

"Wait a minute, it's best to recover yourself first" Chu Yuechan told Ye Chen to recover himself, otherwise Ye Chen would have problems fighting in less than optimal conditions.

Ye Chen took all the items to recover himself, with all the items he needed, he recovered himself as well as possible.

After recovering, Ye Chen was ready to fight again, this time he only needed to defeat the monster and advance to the next level.

Ye Chen moved forward, when Ye Chen moved forward, he found that in front of him there was a super big dragon.

The dragon that was in front of Ye Chen had a body like a diamond, it was shiny and emitted a dazzling light.

"What is that dragon" Honestly Ye Chen had never seen a dragon like that, this was the first time he had seen a dragon with a diamond body and dazzling light.

"Yuechan, ever seen something like that" Ye Chen asked Chu Yuechan.

"never, this is the first time I have seen something like that" Chu Yuechan said to Ye Chen, she also didn't know what it was, what kind of dragon it was, it had some elements in its body.

"I estimate that the dragon has three or more elements. Water, lightning and earth" Chu Yuechan said.

"one more thing, it is light, the dragon has four powers" Ye Chen said to Chu Yuechan, he told her that the dragon had four powers.

The dragon didn't speak to Ye Chen, it saw Ye Chen and immediately considered Ye Chen as a threat.

the dragon spat out lightning towards Ye Chen.

Ye Chen used his hands to block the incoming attack.

Ye Chen could deflect the lightning using his bare hands.

After that Ye Chen attacked the dragon using a fire attack.

"hell Prison" Ye Chen created a fire sword barrier, he went straight ahead

Ye Chen burned it, the dragon couldn't get out because Ye Chen had used Hell Prison.

Ye Chen's attack was capable of burning anything, so the dragon shouldn't be able to defend against it

"Roar" when Ye Chen thought that the dragon would melt due to his attack, Ye Chen discovered that the dragon could still survive the attack launched by Ye Chen.

The dragon destroys Hell Prison and comes out.

The dragon had a super hard body and would not be able to be melted by attacks from heavenly fire.

"Even my heavenly fire can't melt it" said Ye Chen.

Ye Chen didn't expect that Hell Prison would fail to destroy the dragon in front.

The dragon was angry, he attacked Ye Chen using water jets.

A whirlpool spurted out and hit Ye Chen's body.

Ye Chen retreated, he had to keep his distance from enemy attacks.

Even though Ye Chen was not injured, he still felt the impact of the attack just now.

"This monster is not an ordinary monster, what kind of dragon is this" Chu Yuechan said.

Chapter 2749 Chu Yuechan And Ye Chen Worked Together

Ye Chen's attack had no effect, it proved that the dragon was strong.

The dragon became increasingly angry with Ye Chen, it attacked Ye Chen using more and more force.

Ye Chen had to retreat, he retreated to maintain a safe distance from enemy attacks.

"shaking" the ground around Ye Chen started to become unstable and was about to collapse.

This was the power of a dragon and he intended to destroy Ye Chen.

Ye Chen used the power of the soil and broke all the soil around.

With this, Ye Chen was safe and he was not hit by an attack from the opponent.

"light" a light attack was launched towards Ye Chen.

That was Ye Chen's weakness, Ye Chen had to dodge continuously.

The enemy had the strength to threaten Ye Chen.

he had the power to threaten Ye Chen using light.

A burst of light was directed towards Ye Chen, it made Ye Chen have to run and dodge.

After knowing Ye Chen's weakness, the dragon attacked Ye Chen even harder, he attacked Ye Chen with even more strength.

This dragon was quite smart, he knew that Ye Chen was weak against light, that made the dragon continue to attack Ye Che using the power of light.

Ye Chen resisted the attack with darkness, this was one of the attacks that was able to withstand the power of light.

"Dark Storm Shield" a shield is formed, this blocks the opponent's attacks for a while.

Ye Chen's shield probably wouldn't be able to last long, the power of the dragon was so strong and Ye Chen couldn't survive any longer using the Dark Storm Shield.

Ye Chen was sent flying by the enemy's attack, he retreated hundreds of miles away.

"Damn it" Ye Chen got up, he took off all his clothes which were destroyed as a result of the enemy's attack.

Ye Chen's clothes were tattered as a result of the attack just now.

Luckily there were no serious injuries on Ye Chen's body, so Ye Chen was able to calm down and return to fighting the enemy.

Ye Chen advanced, he used Heavenly armor, could no longer mess around against a threatening enemy.

By using Heavenly armor, Ye Chen became even stronger, he had extraordinary strength and absolute defense.

Ye Chen stepped forward, he stepped forward and immediately used the power of the Heavenly armor.

Heavenly armor has the power of light, it can provide extraordinary defense for Ye Chen, this will be an advantage for Ye Chen.

"I will defeat you" Ye Chen said that he would defeat the dragon in front of him.

Ye Chen took me out behind his back.

The wings shine and immediately illuminate the enemy in front.

It makes the enemy's sight blind for a while.

This is a very good opportunity for Ye Chen, he must take advantage of the opportunity to defeat the enemy.

"Super celestial punch" Ye Chen launched a punch, this is the strongest punch attack that Ye Chen has.

By using this powerful blow, the surrounding sand and soil were immediately blown away.

The power of Ye Chen's punch was so strong and so terrifying.

The dragon was blown away by Ye Chen's attack, it was blown away tens of kilos by the Super celestial punch.

Ye Chen didn't stop there, Ye Chen continued to attack, Ye Chen continued to launch several attacks, he didn't want to give up and launched quite a number of attacks towards the enemy.

With so many attacks launched by Ye Chen, the enemy was thrown further and further away, it was thrown thousands of miles away.

Ye Chen landed dozens of punches, what didn't make sense was that the dragon was not destroyed even though it received Ye Chen's punches.

Ye Chen stopped, he saw the impact caused by his attack.

When the dragon got up, Ye Chen didn't find a wound, it was still intact and there were no scratches from Ye Chen's attack.

Ye Chen was silent when he saw what happened, such a powerful attack didn't work, he could no longer gauge the opponent's strength.

"Even attacks like that don't work" Chu Yuechan said to Ye Chen, Ye Chen's powerful attacks didn't even work, it made Chu Yuechan unable to think.

"Why don't you try fighting it, can you?" Ye Chen told Chu Yuechan to fight back.

"Of course, let me try it" Chu Yuechan said to Ye Chen, she would try to attack the enemy in front of her.

Chu Yuechan came out, she showed herself and helped Ye Chen.

Chu Yuechan finally wanted to help Ye Chen, she appeared and fought the enemy.

Chu Yuechan attacked with a wind palm attack, she was trying to destroy the enemy.

"Bang" Ye Chen's attack landed on the enemy's body perfectly, the attack landed and left a slight wound.

"Ehh? ? ?" Chu Yuechan didn't expect this to happen, her attack was actually not strong and only left a slight scratch.

"Master, this monster's body is so hard, the attacks I have can't hurt it" Chu Yuechan said that even she couldn't hurt the diamond dragon.

After Ye Chen saw this, he probably realized that the opponent was so strong, that's why Ye Chen had to use tricks to fight him.

"Yuechan, I have an idea to fight it" Ye Chen said to Chu Yuechan, he told her that he had an idea to fight the dragon.

"what kind of idea do you have" Chu Yuechan said to Ye Chen.

she wanted Ye Chen to explain what kind of idea he had.

Ye Chen started to explain it to Chu Yuechan, he explained the way to fight it.

Ye Chen intends to use dimensional power and also help from Chu Yuechan, Ye Chen will weaken this monster first.

"Okay, let's start" Chu Yuechan said to Ye Chen, she understood what Ye Chen wanted.

The two of them began to carry out the plan they had.

Ye Chen was here first, he used Dimension Breaker to destroy the dragon in front.

By using Dimension Breaker, Ye Chen started to weaken the opponent.

Dimension Breaker's power, capable of causing injuries.

"Okay, then" after making the dragon slightly injured.

Ye Chen used Half Dimension.

Ye Chen reduced the size of the dragon.

The dragon's huge body started to become small, the dragon's body became the size of an elephant

"Yuechan, quickly attack the injured part" Ye Chen said to Chu Yuechan, he told Chu Yuechan to immediately attack the enemy.

Ye Chen made a wound for Chu Yuechan, he told Chu Yuechan to attack.

"I will attack, Fairy Sword Ice" Chu Yuechan created a large ice.

It resembled a sword and was pointed towards the enemy.

Ye Chen restrained the enemy by using Half Dimension, the enemy would not be able to move for a while.

Because it didn't have a chance to dodge, the dragon was easily slaughtered by Ye Chen and Chu Yuechan.

"Boom" attack launched by Chu Yuechan managed to freeze the dragon from the inside.

"that's very good, I will end it" Ye Chen used the Divine Yin Yang Sword.

He made a powerful slash, Ye Chen used Divine Sword Intent and God Master One Sword.

An incredibly powerful combination, Ye Chen made a great combination of attacks using these two attacks.

"Slash . . ., Slash . . ., Slash . . ., Slash . . .," lots of slashes directed by Ye Chen.

Ye Chen used all his strength to launch this slash.

The dragon's body shattered into several pieces, Chu Yuechan used Fairy wind Domain and destroyed everything until nothing remained.

After a combination of attacks carried out by Ye Chen and Chu Yuechan, they managed to defeat the dragon.

There was an item that appeared after Ye Chen defeated the dragon.

Chapter 2750 Found A Pyramid

After defeating the dragon, Ye Chen saw what he had gotten.

Ye Chen discovered that he had gotten a compass.

"Look, I found a key" Ye Chen said to Chu Yuechan.

"That might be the key to the core you are looking for" Chu Yuechan said to Ye Chen.

"I wonder how I use this thing" Ye Chen wanted to know how he used this object.

"You have to find out for yourself, I don't know about that either" Chu Yuechan told him that she didn't know about that either.

"Okay, I will try to find out this thing myself" Ye Chen found out what this was, with a little experiment Ye Chen tried using it several times.

"Useless, looks like this won't lead us there" said Ye Chen.

"Maybe you should find the place first" after seeing Ye Chen try several methods, Chu Yuechan told Ye Chen to find the place first.

"Just save it for later if needed" Ye Chen decided to save this thing for when it was needed.

"I will continue this journey" Ye Chen said to Chu Yuechan, he told Chu Yuechan that he would continue this journey.

Ye Chen continued to advance, he didn't know where the end of this place was, he had been advancing for days and maybe weeks.

"This is very bad" Ye Chen said to Chu Yuechan.

Ye Chen would of course experience problems, to be honest his body would experience problems because of the excess Yang Qi.

Chu Yuechan could help Ye Chen, but unfortunately it wouldn't work considering Ye Chen needed more Yin Qi.

"Just give up, we almost never see the end of this place" Chu Yuechan said to Ye Chen, they almost never see the end or reach the center of this place.

"No, I still don't want to give up" Ye Chen said that he didn't want to give up.

He refused to give up now, he had reached this point, he would be successful in a little while.

Ye Chen still had supplies, the main problem was only his body, which required Yin Qi.

It would be easily arranged by Ye Chen and Chu Yuechan could help.

Chu Yuechan saw Ye Chen's determination, she couldn't do anything about this matter.

Chu Yuechan could only help Ye Chen solve the problems he was currently facing.

Ye Chen continued to advance, he continued to advance and finally arrived at a place that had a very large hole.

A black and dark hole appeared in front of Ye Chen's eyes, Ye Chen didn't know what this was.

"What else is this?, this place is full of mysterious" said Ye Chen to Chu Yuechan.

Ye Chen didn't understand what was in front of him, what kind of hole was this, was this the end of this place.

"master, can you see the end using your eyes" Chu Yuechan asked Ye Chen.

she wanted to know if Ye Chen was able to look forward.

"I don't see the end of this place, to be honest" said Ye Chen.

Even though Ye Chen had used God Eyes, in fact he couldn't see the end of this hole.

"What now?" Chu Yuechan asked Ye Chen.

"I can no longer go forward, the only way is to go inside" said Ye Chen.

Ye Chen had to take a risk, he had to go inside.

"be careful" Chu Yuechan said to Ye Chen, he told Ye Chen to be careful

"Of course, I'll be careful" Ye Chen jumped down, he went down and immediately fell free.

Ye Chen didn't care about the risks, he descended into the super dark hole.

Ye Chen kept plunging downwards, he couldn't find the end of this place.

"it's been some time, I still haven't gotten to the bottom" Ye Chen said to Chu Yuechan.

Ye Chen had slid down using incredible speed, but strangely he still didn't reach the bottom.

"I'm afraid there's no end to this place" Chu Yuechan said. I think you should take a look at

Chu Yuechan was afraid that this place had no end.

"Every place must have an end, I'm sure of that" Ye Chen said to Chu Yuechan.

Ye Chen was sure that this place had an end.

Ye Chen continued to go down, time passed when Ye Chen went down, one hour, two hours, three hours, four hours.

Time continued to pass and Ye Chen still hadn't reached the end.

Ye Chen didn't give up, there must be an explanation for this.

"Is it possible that I will be returned to the way I was before" Ye Chen thought that he might be returned to the way he was before, that might explain this feeling.

"If that's the case, I'll use the teleportation ability I'll have to enter the interior.

"You have to be careful, if you make the slightest mistake you will get into trouble" Chu Yuechan said to Ye Chen.

"I have calculated it" Ye Chen said that he had calculated this well and was quite mature.

"Moving" Ye Chen teleported, he moved himself quite far away.

As Ye Chen teleported forward, he hit the ground quite hard.

"Bammmmm" Ye Chen fell, he made a fairly big hole.

"ahhhh . . ." Ye Chen tried to get up, he tried to get up after hitting the ground.

Ye Chen finally arrived at the very bottom, there was land in this section and there was sky too.

"Oh. . ., what place is this?" Ye Chen saw an ancient building that had been abandoned for a long time, it was abandoned and damaged everywhere.

the damage is quite severe, it is clear that the level of damage is so severe that it can be difficult to repair.

"Am I there yet?" Ye Chen finally arrived, he finally reached the end.

"It seems you have arrived" Chu Yuechan said to Ye Chen.

After a great struggle, Ye Chen finally arrived.

Ye Chen went forward, he saw the center of the building, there was a pyramid here too, maybe what Ye Chen was looking for was here.

Ye Chen used God Eyes, he saw all around precisely by using his penetrating vision of objects.

"This place is so complex" Ye Chen said to Chu Yuechan.

"Is there a trap here" Chu Yuechan asked Ye Chen.

"I don't see any traps around, this place is so safe" Ye Chen said to Chu Yuechan.

Ye Chen didn't find any traps, there weren't any traps in this place, this place was very safe for Ye Chen.

Because Ye Chen was so sure that there were no traps in this place, Ye Chen continued to move forward, Ye Chen didn't really care about anything else right now.

Ye Chen arrived in front of a collapsed palace, Ye Chen entered and immediately looked for what was inside.

Ye Chen saw several treasure chests neatly lined up.

Of course he was curious and opened everything.

Ye Chen found several things inside, there were profound crystals and books of techniques and knowledge.

Here Ye Chen almost didn't find a pill, he didn't find a pill in this place.

"There are only techniques and crystals" Ye Chen said to Chu Yuechan.

"It seems like what Stone God said is not here" Chu Yuechan said.

"if it's not here, then it's only there" Ye Chen looked at the pyramid, the most conspicuous place here.

"I feel that I will find what I am looking for there," said Ye Chen.

Ye Chen felt like he would find what he was looking for, he was very confident about that matter.

"Come on, what are you waiting for?" said Chu Yuechan. "Chu Yuechan told Ye Chen to come forward.

Ye Chen just went straight into the pyramid, there was something waiting for Ye Chen inside there.
