### Chapter 2781 Lin Cong Trapped Ye Chen

"Hey handsome have time" several sexy women in revealing clothes approached Ye Chen, they approached Ye Chen and tried to attract Ye Chen.

"hey, you wait a moment" Ye Chen said and told them to wait a moment.

"come with us" they said to Ye Chen, they told Ye Chen to come.

"Hey, what's going on?" Ye Chen was pulled by force, they pulled him into a building.

"master, what's wrong?" Chu Yuechan said to Ye Chen, Ye Chen should be able to easily get away from these women.

"strange, I can't get away from them" Ye Chen said to Chu Yuechan.

Ye Chen saw that he couldn't escape, it was clear that these women were using something on Ye Chen.

"let me see it" Chu Yuechan said to Ye Chen.

Chu Yuechan also wanted to know the reason, to be honest, she wanted to know the reason why Ye Chen couldn't get away from them.

"They used an artifact to restrain you" Chu Yuechan said.

"If you release your power, you should be able to escape" said Chu Yuechan.

"You're right, I can escape if I use all the abilities I have, but I won't do that" Ye Chen said that he wouldn't do that.

"You want to find out what their purpose is" asked Chu Yuechan.

"You already understand what I think" said Ye Chen.

Ye Chen was happy because Chu Yuechan immediately understood what Ye Chen was thinking.

Ye Chen went with them, he didn't put up a fight when he was taken away.

They took Ye Chen to a place, they were taken to a place that was quite hidden.

"where are you guys taking me" Ye Chen asked, he wanted to know where they were taking Ye Chen to go.

"you will know soon, you better stay here" they said to Ye Chen, they told Ye Chen to just follow.

Some time later, they brought Ye Chen in front of someone, they brought Ye Chen in front of a mysterious person.

"Who is he, I don't know" Ye Chen said that he didn't know the person in front of him.

This person was also not the person Chen Xing was referring to, so who exactly was this person?

Ye Chen wanted to find out who this person was, he had never seen him before and his appearance was quite strange.

"I thought it would be very difficult to catch you, it turns out it was so easy to catch you" Lin Cong said to Ye Chen, he felt that catching Ye Chen was so easy to do.

"hmm, who are you ?, I don't know you at all" Ye Chen said to Lin Cong.

"I am Lin Cong, you don't know me, but I'm sure you know who the person behind me is, I came to take you, you are the chosen one," said Lin Cong.

"Such a complicated person, I don't understand what you are talking about at all" Ye Chen said to Lin Cong.

He didn't understand what Lin Cong was talking about at all.

"It turns out you are a stupid person, it's not strange that you don't understand what I said" Lin Cong said to Ye Chen.

"-\_- " Ye Chen didn't understand, what was wrong with this person, he was so complicated and unreasonable.

"well, let me explain to you, you are a worthy vessel for our master" Lin Cong said to Ye Chen.

"oh, I now know who you are" Ye Chen finally knew who Lin Cong was, this person was one of the Yuan Shen doctor's subordinates.

"It's good if you already know" Lin Cong said to Ye Chen.

"Now come with me" Lin Cong said to Ye Chen, he told Ye Chen to come with him. I think you should take a look at

"I don't want to come with you" Ye Chen said to Lin Cong, he wouldn't want to come along.

"Then I will use rough methods to take you away" said Lin Cong.

With that, Lin Cong began to release his power, he had a dark and very dense power.

"you are not afraid to use that kind of power" Ye Chen said to Lin Cong.

"I don't need to be afraid, this place is already equipped with high-level protection, so no one will be aware of my presence" he said to Ye Chen.

"So it's like that, it's not strange that you're not afraid of being discovered, you're quite smart" Ye Chen said to Lin Cong.

"Listen, I'm much smarter than you, there's no chance for you to escape from this place" Lin Cong said to Ye Chen.

He had already closed the escape route for Ye Chen, there was no chance for Ye Chen to get out of this place.

Ye Chen looked around this place, he really didn't find a place to escape from here.

"So you have prepared all this just to catch me" Ye Chen looked around and could immediately conclude.

"I heard that you are a strong and dangerous person, it turns out you are ordinary and easily fall into the trap that has been prepared, I can say that you are a fool" he said and insulted Ye Chen.

You better be careful, you don't know who you're up against right now.

"I know who I'm fighting, and the person I'm fighting is so weak," said Lin Cong.

Ye Chen smiled when he saw this, this person was trying to humble himself, it seemed like he wanted to seek battle with Ye Chen.

"I hope the words you said earlier are the truth, otherwise I will be disappointed when I fight you" Ye Chen said to Lin Cong.

Ye Chen released his aura, he challenged Lin Cong directly.

"So you want to fight with me, come forward, show me the strength you have" Lin Cong told Ye Chen to come forward.

Ye Chen of course advanced, he immediately attacked Lin Cong who was in front of him.

Lin Cong used a darkness shield, he wanted to block Ye Chen's attack with his shield.

Lin Cong seemed quite confident in his abilities, so it wasn't strange to see him feel capable of surviving.

"Bam" Ye Chen hit Lin Cong, Ye Chen easily penetrated Lin Cong's defense.

"What ?" Lin Cong didn't expect that Ye Chen would be able to penetrate his defense with a punch.

Lin Cong hurriedly stepped back and kept a safe distance from Ye Chen.

"Impossible, how could you penetrate the defense I have" he said to Ye Chen, there was no way Ye Chen could penetrate his defense so easily.

"You call that defense, to me it's like a weak soft jelly" Ye Chen said to Lin Cong.

"You sure try to bluff and it makes my mental state go down, what a shame, I won't be affected by this" Lin Cong won't easily lose to Ye Chen, he won't let Ye Chen make his mental state go down.

"I can see that you are very confident in your abilities," said Ye Chen.

"Of course, I am very confident in my abilities." Lin Cong was very confident in his abilities.

"Then let me destroy all your confidence" Ye Chen said to Lin Cong, he would destroy Lin Cong's self-confidence.

"It's not that easy brat" Lin Cong said otherwise it wouldn't be so easy to fight him.

"Bam. . ." Ye Chen hit Lin Cong in the face, Lin Cong didn't even realize when Ye Chen did that.

Ye Chen used instant teleportation, of course the opponent would not be able to see him.

Chapter 2782 Lin Cong Was Pressed

"Bastard, you" Lin Cong said to Ye Chen, he was so angry when he saw Ye Chen attack him and hit his face.

"too much self-confidence is not good for you" Ye Chen said to Lin Cong.

"You" Lin Cong was so angry, he was so annoyed with Ye Chen, he had never been angry like this.

"I will destroy you" Lin Cong said to Ye Chen, he would destroy Ye Chen.

Lin Cong was so angry, he emitted a killing aura that was so strong and terrible.

"Brat, I will show you what kind of strength I have" Lin Cong said to Ye Chen, he made a quite strange face.

A terrible face was shown by Lin Cong to Ye Chen.

Lin Cong seemed to enjoy this, he would enjoy making Ye Chen regret his own actions.

"Boom" from underground appeared several black plants, these plants were so black and so scary.

"You will see the most terrifying power in this world" Lin Cong said to Ye Chen.

The black plant gave off a terrifying aura and seemed to have poison.

"Is his strength the same as Lulu?" Ye Chen saw that he had the same strength as Xiao Lulu.

"No, this is not a plant, this is some kind of monster" Ye Chen felt that this was a monster, this was not a plant and gave the impression of a wild animal.

"My profound energy sucked?" Ye Chen felt his profound energy was being sucked away.

"That black plant monster is sucking profound energy?" Ye Chen said and saw that the monster was sucking Ye Chen's profound energy.

"You are absolutely right, this monster is my own creation and is able to suck the profound energy of every creature around it, even if you don't touch it" Lin Cong said to Ye Chen.

Such a strange monster, it sucks profound energy without touching.

It would obviously be difficult for ordinary people to defeat him.

"Hmmm" Ye Chen thought for a while, he found out what happened.

After finding out what happened, Ye Chen began to feel like he knew what happened.

"So that's how it is, this place is the body of that monster, it's not strange" Ye Chen said to Lin Cong.

Ye Chen may have been late in realizing this problem, but what was certain was that he was in the body of a monster.

"You, how did you realize that?" Lin Cong was surprised when he saw Ye Chen realizing such a thing.

"So easy to guess" Ye Chen said to Lin Cong.

"You . . ." Lin Cong felt like he was being underestimated by Ye Chen.

"I will make you dry" Lin Cong said to Ye Chen, he would make Ye Chen dry by using the abilities he had.

Ye Chen's profound energy was getting sucked in, it could be dangerous for Ye Chen.

"Your profound energy is decreasing rapidly" Chu Yuechan said to Ye Chen, she told him that Ye Chen's profound energy was decreasing rapidly.

"I'm thinking of a way" Ye Chen said that he was thinking of a way.

After some time later, Ye Chen finally found a way to defeat the dark plant monster.

"I have a way" Ye Chen could use that to win.

Ye Chen used the power of True God power, his aura changed and it was sucked in by the darkness plant.

"oh, what is this, the pure energy you have has become so strong, it's amazing" Lin Cong said to Ye Chen.

Ye Chen's energy became so great, it became the plant's soft food.

Ye Chen continued to give his energy, when it became enough, the monster could no longer contain the previous power absorbed leaked out.

it was a terrifying thing to see the power of a monster leak out

"What happened, why did it happen like this?" Lin Cong didn't understand why all this happened, it shouldn't have happened to him. I think you should take a look at

His monster was destroyed and this place started to collapse.

"Damn, what is going on here" Lin Cong didn't understand, he didn't understand what was happening in this place.

"What's wrong? Is the beloved monster you have unable to absorb the power I have?" Ye Chen said to Lin Cong.

"Impossible, you must have done something" Lin Cong was very sure that this was all Ye Chen's doing, Ye Chen was the one who had destroyed his monster.

"I'm just staying here, what can I do" Ye Chen said to Lin Cong.

Lin Cong was silent when he heard this, Ye Chen just stayed there, he didn't do anything else in that place, it was really very strange.

"This place is going to collapse, I have to leave as soon as possible." Lin Cong wanted to leave this place as quickly as he could.

"catch" Ye Chen stomped his foot on the ground, when Ye Chen did that, he blocked Lin Cong's foot with the sand below.

"damn, let me go" Lin Cong said to Ye Chen, he told Ye Chen to let go of himself.

"I will not let go of you" Ye Chen told that he would not let go of Lin Cong.

"damn" this place is collapsing and Lin Cong can't escape from this place.

"So you will accompany me in this place?" Lin Cong said.

"No, I'm not interested in accompanying you in this place" Ye Chen said to Lin Cong.

"good luck" Ye Chen said to Lin Cong.

Ye Chen went upstairs, he would look at Lin Cong from above.

Ye Chen went up alone and left Lin Cong downstairs alone.

"Damn it, do you think you can restrain me with a cheap trick like this?" Lin Cong used all his strength, he wanted to get out of this place.

Lin Cong used all the strength and abilities he had, when he did that, he saw that the strength he had was not working.

"What?, why can't I let go?" Lin Cong found that he was unable to break free, the strength of the sand holding his feet was so strong.

"This can't be happening" Lin Cong couldn't believe it, he didn't believe that the power of the sand would be that strong.

Lin Cong couldn't move, he would be buried in the ruins filled with poison from plants.

"hahahahaha" Lin Cong laughed, I don't know why this guy suddenly laughed by himself.

"Very interesting, I understand, I understand" Lin Cong finally knew Ye Chen's abilities.

"I underestimated him too much, it seems like there's no other way but to use what I saved.

Lin Cong took out something, he used it and started to eat it.

What is that taken by Lin Cong is something that looks like a black heart that looks terrible and disgusting to look at.

Lin Cong swallowed that thing into his body, his body trembling and beating rapidly after swallowing that thing.

"Boom . ." Lin Cong's power exploded, his strength became so strong.

Lin Cong's body started to become super strong and he became more and more powerful.

"Extraordinary power normal, this is the power I want" Lin Cong gained additional power, his strength increased 100X in a short time.

Ye Chen felt a big and powerful explosion from below, he knew that this must have come from Lin Cong.

"Again, a strange power," said Ye Chen.

Lin Cong's strength became very strange, it increased quite a lot.

"again using terrible strength" Chu Yuechan said to Ye Chen.

"experiment again, why are those people so troublesome"

"Boom" Lin Cong came out of the ruins, he came out in such good physical condition.

## Chapter 2783 Vs Lin Cong

"his appearance has changed, doesn't he look younger" Ye Chen saw the appearance of Lin Cong who became so young.

Lin Cong's current appearance was much better compared to with before, he looked nicer and better compared to with before.

"Bastard, to make me show this strength" Lin Cong said.

"Is that the result of what you consume, you look younger" said Ye Chen.

"Of course, this is because of the thing I used, otherwise I wouldn't be what I am today" Lin Cong said to Ye Chen.

"So that's how it is, as I expected" Ye Chen had expected this.

"But what is that thing, it looks like the heart of a monster" Ye Chen estimated what it was.

"You must be thinking what I have used" he said to Ye Chen.

"So you realize that I think that" said Ye Chen.

"Of course, I would of course be aware of that too," said Lin Cong.

"It's a special object called the heart of dark power, it can make me young and gain 100x the strength"

"100X as much" Ye Chen repeated Lin Cong's words.

The increase was so great, Lin Cong's strength had definitely become even higher compared to with before.

"that's true, you must be surprised to know this" Lin Cong said to Ye Chen.

"Not really, I'm not too surprised to hear this." Lin Cong said that he was not too surprised by this.

"What?, you're not surprised?" Lin Cong did not expect that Ye Chen would not be surprised when he found out about this.

"I had predicted that this would happen" he said that he had predicted this.

"So you are ready, okay, then I will just start straight away, you are so stubborn, it is very difficult to bring you back, I have no choice but to use force, don't blame me for this" he said to Ye Chen.

since the situation was like this, Lin Cong had no choice but to use force to take Ye Chen.

"Get ready, it's going to be a bit painful for you" Lin Cong said.

Lin Cong told Ye Chen, he was going to cause Ye Chen some pain by using his attack.

Lin Cong stretched out his hand, he used his bare hand to face Ye Chen.

Ye Chen released his power, he who was now in the early stage of the Immortal Rebirth God Realm, had no problem fighting Lin Cong.

"Bam . . ." Lin Cong forced retreated by Ye Chen.

"Why, you are only in the first stage of the Immortal Rebirth God Realm, why can you make me bounce" Lin Cong said to Ye Chen.

Lin Cong's strength had risen 100x, even if Ye Chen was at the Immortal Rebirth God Realm stage, he wouldn't stand a chance.

Lin Cong's current strength was equivalent to cultivator at the peak level of the Immortal Rebirth God Realm, there was no guarantee that Ye Chen would win against Lin Cong.

"I'm not that weak" Ye Chen told that he wasn't that weak.

"So, then you will die here" Lin Cong said to Ye Chen.

Seeing that Ye Chen was strong, he would not hold back any longer.

Previously Lin Cong was still holding back, but now he wouldn't do that anymore, he wouldn't hold back and let out his full strength.

"Evil hand grip" he used the power of the dark claws to crush Ye Chen.

That hand wanted to catch Ye Chen, if it was hit by that attack, Lin Cong was sure that Ye Chen would die immediately.

Ye Chen blinked his eyes, Lin Cong's attack immediately disappeared when Ye Chen did that. I think you should take a look at

"huh?" Lin Cong shouted, what just happened, how come the attack just disappeared.

"what did you just do" he asked Ye Chen, he wanted to know what just happened done by Ye Chen.

"Just repel your attack" Ye Chen said that he was repelling Lin Cong's attack.

"What was that just now, I didn't see what that was" Lin Cong didn't see the attack from Ye Chen, what was that just now, he made confused by Ye Chen.

"Even though I have used the heart of dark power, this has increased the power I have, there is no way I will lose" Lin Cong didn't believe that he would lose, he had increased his power by 100x, there was no way he would lose.

"This only lasted 20 minutes, I think I have to end this battle quickly, otherwise it will be even more troublesome than this" Lin Cong decided to end this battle.

If not, he will have further problems.

"I want to play with you, it's a shame I don't have time to play with you" Lin Cong said to Ye Chen, he told him that he didn't have time to play with Ye Chen.

"ten thousand devil hands" fluttering hands appeared from all parts of Lin Cong's body, they appeared more and more.

Lin Cong's appearance is like a terrible person, he has such a terrible dead man's hand.

"have any last words, before I take you" Lin Cong said to Ye Chen.

"of course, I have last words for you, get out of this world" Ye Chen said to Lin Cong.

Ye Chen finally started to attack, he started to attack Lin Cong using full strength.

"super celestial punch" Ye Chen's hit Lin Cong.

"No useful, your attacks won't be able to destroy me, so die," he said to Ye Chen.

Ye Chen's attack and Lin Cong's attack met, when the two attacks met, a powerful impact occurred and made the surrounding area destroyed.

inside the city it was so chaotic, Ye Chen and Lin Cong battle can felt by all the people in the city.

"what is that, someone is fighting" they took cover, Ye Chen and Lin Cong's battle was so serious and made them have to take cover.

"Everyone quickly enter the shelter" Everyone said to enter the shelter, even Immortal Valley Sect immediately sounded the alarm.

"Hey, what's going on?" Xuan Mei and Jia Li of course immediately woke up when they heard this.

"Sister, what's wrong?" Shi Lin and Wu Ziyi asked,

They want to know what is happening right now.

"This is really bad, it seems like something happened outside, let's see what's going on" Jia Li said to Wu Ziyi and Shi Lin.

The three of them went out, they ignored their tiredness and looked at what was happening.

They saw a fierce battle going on, it was a battle of the experts and there seemed to be one user of the dark power.

"User of darkness, it wouldn't be strange if alarm the sect will sound, it turns out this is a darkness user" Xuan Mei understood, maybe it was because this was a darkness user so the sect alarm went off.

"Is it possible that this is a remnant of an evil sect" Wu Ziyi said.

Wu Ziyi wanted to know if perhaps this was a remnant of an evil cult.

impossible, we have already eradicated them all" Jia Li said to Wu Ziyi, so this can't be a dark sect.

"how about we see" Jia Li said to Xuan Mei.

"That's impossible, you see that the opponent's strength is so great, they is at the peak of the Immortal Rebirth God Realm".

"You are absolutely right, they are at the peak Immortal Rebirth God Realm, this is bad, we won't be able to get close" Jia Li said.

"We can only see from here" Xuan Mei said that they could only see from here.

Chapter 2784 Chen Xing and Ye Chen went to the freedom garden

Ye Chen and Lin Cong were in quite a difficult battle, they were in a decisive battle.

The two of them are competing for their strength.

"destroy, why don't you just disintegrate" Lin Cong said to Ye Chen, he told Ye Chen to disintegrate.

Lin Cong used more force to push Ye Chen.

"it's not easy to crush me" Ye Chen wasn't going to lose, he used more strength to push Lin Cong.

The battle became fiercer, the impact of their attacks spread and caused destruction everywhere.

Ye Chen saw that the surroundings had turned into chaos, if it continued like this, there would be so many victims.

The attack from Lin Cong was much more terrifying, it had a greater impact on the surroundings than Ye Chen's.

The impact is several places contaminated by darkness and it looked quite dangerous for people living nearby.

Ye Chen had to end this battle quickly.

Ye Chen used True God power art, a transparent aura enveloped Ye Chen and increased Ye Chen's strength.

The increase in Ye Chen's strength immediately made his attacks so powerful.

Ye Chen immediately cornered Lin Cong firmly.

"impossible, your strength has increased" Lin Cong said to Ye Chen.

Lin Cong saw that Ye Chen's strength increased, and Ye Chen's attack became so powerful that it destroyed him.

"arghhhh" Ye Chen's attack penetrated Lin Cong's body, Lin Cong's body immediately flew after receiving Ye Chen's attack.

Ye Chen captured Lin Cong's body, he needed information from Lin Cong.

Information that given by Lin Cong would be very useful for Ye Chen, so Ye Chen had to use it well.

Lin Cong was seriously injured and unconscious, this was an opportunity for Ye Chen.

Ye Chen searched information, he got all the information from Lin Cong's head.

"I got it all" Ye Chen said to Chu Yuechan.

"How?" Chu Yuechan said to Ye Chen.

It seemed like Ye Chen had found the enemy's hiding place.

"they are in a place called the garden of freedom" Ye Chen said to Chu Yuechan.

Ye Chen said that they were in a place called the Garden of Freedom, it was a very nice place.

"impossible, it should be a good place, did bad people set up a good place" Chu Yuechan said to Ye Chen.

"I don't know either, this is the information I got from him" Ye Chen said to Chu Yuechan.

"damn it, I won't let you off the hook" said Lin Cong.

A while later, Lin Cong woke up, he recovered quickly after receiving such an attack from Ye Chen.

When he was about to attack Ye Chen for the second time, Ye Chen stopped him, True God power was still there and immediately threw Lin Cong away.

"This is Lin Cong's second time blown away by Ye Chen, he came back blown away by an attack from Ye Chen.

The power of True God power directly crushed Lin Cong.

"Uhhh. ., I lost, this can't be happening" Lin Cong didn't believe that he would lose.

20 minutes had passed since their battle, Lin Cong's body had become old again, he looked very old now.

"so that is the side effect of using the heart of dark power, your life essence becomes increasingly thin"  
Ye Chen saw the side effect of using the heart of dark power.

"Don't feel sorry for me, I know what I'm doing, as long as my master awakens, I can regain the strength I have and become younger" he spoke to Ye Chen.

Lin Cong said that he would regain his strength, he was sure he would regain the strength he had and his youth.

"That won't happen, you don't realize you have cheated and utilized, look now at you, without me having to act, you will die by yourself" Ye Chen let him, he wouldn't be able to survive.

Ye Chen left Lin Cong, he had gotten what he was looking for.

"come back and fight me, I can still fight" Lin Cong crawled, he tried to get up and fight Ye Chen.

Ye Chen didn't care, he went to the garden of freedom, he sent a message to Chen Xing.

Ye Chen left Lin Cong, meanwhile there were several people who came and looked.

When they came, they saw Lin Cong's condition was so bad, they arrested Lin Cong, they felt the evil power of Lin Cong and took him to prison.

Chen Xing came straight after listening to what is said by Ye Chen, she didn't expect that Ye Chen would find him so quickly.

"Isn't this so fast" Chen Xing said to Ye Chen, she felt that Ye Chen was so quick to find the enemy's location.

"It's easy for me to find it" Ye Chen said to Chen Xing, he easily found the enemy's hiding place.

"You are great too" Chen Xing said.

Chen Xing had to admit that Ye Chen was great.

After that they left, they went to the garden of freedom, this is a beautiful garden and there are several people here, they do everything, from cultivating, practicing and there are still many things that can be done.

"Are you sure that this is the place" Chen Xing asked Ye Chen again.

"Of course, I'm very sure, look carefully" Ye Chen stomped his foot, a big hole opened wide.

"look down there" Ye Chen said to Chen Xing, he told Chen Xing to look at it.

Chen Xing immediately saw what was happening, When she saw what was happening, she discovered a disgusting object below.

Down there there were all kinds of terrible and dangerous monsters, all of these monsters looked like monsters forbidden Which turned on return.

"I don't know ,If there is such a place under such a beautiful place," Chen Xing said.

"Sometimes a beautiful place is more dangerous, it keeps bad things behind the scenes" Ye Chen said to Chen Xing.

"Um. . ." Chen Xing nodded when listening to what is said by Ye Chen.

"you think he is here" Chen Xing asked Ye Chen.

"Not too sure" Ye Chen said that he was not too sure about this matter.

Ye Chen didn't find that person's whereabouts, maybe he had hidden.

"Even if we don't find that person, we can still look for clues in this place," Chen Xing said.

Chen Xing can still find clues in this place, so it doesn't matter.

"that's true" Ye Chen said to Chen Xing.

"Come on in" Chen Xing invited Ye Chen to come in, with that they went inside.

Chen Xing and Ye Chen went inside when they went inside, they stepped on such disgusting slime.

"This place is really disgusting" Chen Xing said to Ye Chen.

Chen Xing doesn't really like this place, to be honest, this place is not very comfortable.

"You have lived in such a luxurious place, this place is like a trash can for you" said Ye Chen.

"It's not like that, to be honest, this place is disgusting, you should know that, right," said Chen Xing.

"Yeah, it can't be helped, just look around, it looks like this is saliva from that monster" said Ye Chen.

"Ehhh! ! !" Chen Xing finally came to her senses, she was becoming more and more disgusted at this place.

"do something about this problem" Chen Xing said to Ye Chen, she told Ye Chen to do something about this problem.

"what should I do?" Ye Chen said to Chen Xing.

"Get rid of that thing at all costs" Chen Xing asked Ye Chen.

"Sigh . . ." Ye Chen had no other way, he helped Chen Xing this time.

Chapter 2785 Chen Xing Had Some Fears

"You have so many requests, do you really dislike it" Ye Chen asked Chen Xing.

"To be honest, I don't like it, so please get rid of it, I'm asking you," said Chen Xing.

Chen Xing asked Ye Chen.

"At least ask sincerely, can't you smile" said Ye Chen.

"can't" Chen Xing said to Ye Chen.

Chen Xing was like this, she couldn't do that in front of others.

"You" Ye Chen said to Chen Xing, it was quite difficult to face a woman like this.

"Do it quickly" Chen Xing asked Ye Chen.

"fine" Ye Chen forced it, he snapped his fingers and removed everything in this place.

Now it was clean and nothing would disgust Chen Xing anymore.

"where did you transfer them, isn't that so fast" Chen Xing said to Ye Chen.

"Don't ask too many questions, let's finish this quickly" Ye Chen said to Chen Xing, he told Chen Xing to solve this problem quickly.

"why don't you move the monsters too" Chen Xing asked Ye Chen.

"If I move them, then there will be even more problems, so you can get rid of them with the strength you have" said Ye Chen.

"Then I will get rid of them all" Chen Xing will get rid of them all.

Chen Xing waved her hand, with just a wave of her hand, a strong wind appeared and instantly swept away all the monsters here.

All the monsters that were locked up were instantly destroyed and nothing remained of them by Chen Xing.

Chen Xing was quite extreme, she eliminated all the enemies in such a way.

"They finally disappeared" Chen Xing felt happy, they finally disappeared from this world.

"Come on" Chen Xing invited Ye Chen to come forward, she wanted to find the person who made this ugly creature, to be honest she didn't really like this ugly creature.

Ye Chen certainly knew what Chen Xing was thinking, she obviously didn't really like the monsters in this place.

"It's so quiet, there's no one in this place?" Ye Chen didn't find anyone, there were only trial monsters in this place.

And all the trial monsters in this place will of course be destroyed in the hands of Chen Xing, this beautiful woman really doesn't like insects.

"Why are there so many terrible insects" Chen Xing said.

Chen Xing was naturally annoyed when she found out that there were more terrible insects than monsters, she didn't like this.

"Let me destroy this entire place until there is nothing left." Chen Xing wanted to destroy this entire place using all the abilities she had.

"impossible, don't do that" Ye Chen said to Chen Xing, he told Chen Xing not to do that.

If Chen Xing destroys this place, surely this entire star will too.

"But this makes me a little annoyed" Chen Xing said to Ye Chen.

"Hold on, let's find a clue" Ye Chen said to Chen Xing.

Ye Chen told Chen Xing to restrain herself, he didn't want Chen Xing to destroy this entire place.

"Okay" Chen Xing listened to what Ye Chen said, she didn't destroy this place.

Ye Chen felt relieved when he heard this, Chen Xing wouldn't cause any more trouble.

The two of them finally entered the deepest part, this was the deepest part and the place where Lin Cong and everyone gathered.

"This place was only used a few days ago" Ye Chen said to Chen Xing, she told her that this place had just been used some time ago.

"You are absolutely right, this place has just been used" Chen Xing also knows this, she knows that this place has just been used.

"Did they just wear it, then where are they now?" Chen Xing tried to figure this out.

"I also want to know that" Ye Chen said that he also wanted to know about this matter too. I think you should take a look at

"How about we just split up and find out" Chen Xing said to Ye Chen.

"No problem, I agree with that" Ye Chen answered, he agreed with the suggestion given by Cheng Xing.

As Chen Xing was about to leave, she saw that there were so many insects on the wall and they looked terrible.

Chen Xing's eyes immediately rolled when she saw such a thing.

"No . . ." Chen Xing didn't like this, for some reason she hated this place which was so terrible.

Chen Xing had never stepped into a place more terrifying than this.

"What's wrong?" Ye Chen said to Chen Xing.

"There are so disgusting things in this place" Chen Xing said to Ye Chen.

"just a cockroach, don't think about it" Ye Chen burned everything.

"Now you can go there yourself" Ye Chen said to Chen Xing.

"No . . ." Chen Xing immediately refused.

"Why, don't you want to go?" Ye Chen asked Chen Xing, he wanted to know why Chen Xing rejected.

"We'll just be together" Chen Xing said to Ye Chen, she wanted to be with Ye Chen.

"It would be faster if we split up, don't you want to and want to stay with me?" Ye Chen said to Chen Xing.

Ye Chen wanted to tease Chen Xing, with Chen Xing's temperament, she would definitely immediately reject Ye Chen.

"I . . ." Chen Xing didn't immediately answer Ye Chen, she thought about what Ye Chen said.

"I already thought that you don't like me, so I'm going to leave, good luck," Ye Chen said to Chen Xing.

"no " Chen Xing held Ye Chen, for the first time she took the initiative to hold Ye Chen from leaving.

Chen Xing held back Ye Chen, she didn't let Ye Chen leave herself alone.

"Is she afraid" Ye Chen thought that Chen Xing might be afraid of this place.

"Who would have thought that this strong and beautiful woman would be so afraid of something like this" said Chu Yuechan.

Chu Yuechan herself had not imagined this.

"I also can't imagine this" Ye Chen also couldn't imagine this matter, he couldn't imagine that Chen Xing would be afraid of this place.

"If you are really afraid, you can hold on to me" Ye Chen said to Chen Xing.

Ye Chen told Chen Xing to hold on to him.

Chen Xing held Ye Chen's hand and she took cover near Ye Chen.

"Use your fire to burn them, I don't like those disgusting insects," said Chen Xing.

Chen Xing told Ye Chen to burn them all.

"I understand, without you telling me I will do it" Ye Chen will do that.

"But this is quite surprising, who would believe that you are afraid of something like this" said Ye Chen.

"Sorry if I'm afraid of something like this, I had a bit of a bad experience with them when I was little" Chen Xing couldn't forget that past, that's why she was traumatized.

"So that's how it is" Ye Chen understood, it seemed like there was a problem with Chen Xing's past.

"You have to destroy them all" Chen Xing said to Ye Chen.

"Okay, other people will definitely be surprised if they see a goddess like this" said Ye Chen.

"no one will see it except you, so it doesn't matter" Chen Xing said.

"If it's me, it doesn't matter to you" said Ye Chen.

"It doesn't matter, you've seen more. . ." Chen Xing stopped, she did not continue.

Chapter 2786 Zombie Phoenix

"what did you say" Ye Chen asked Chen Xing, he had not heard her clearly.

"Forget it, I don't want to discuss it" Chen Xing said to Ye Chen, she told Ye Chen to forget everything.

"Such a strange woman" Ye Chen said to Chen Xing.

The two of them walked along this place, they finally arrived at the end way.

"Is this the end way" Chen Xing asked Ye Chen.

"This is the very way" Ye Chen said to Chen Xing, he told her that this was the very end of this place.

"Then let's open it" Chen Xing said to Ye Chen.

Chen Xing opened it, since this door was locked, she intended to open it by using coercive means.

By using force, Chen Xing was able to open the door in front of her.

"Hard enough" Chen Xing had to use quite a lot of force, otherwise she wouldn't be able to open the door.

"At least it's open" Ye Chen said to Chen Xing.

They both went inside, they saw what was stored in this place.

They saw a corpse kept in this place, this was the corpse of a bird, perhaps a Phoenix bird from its wings.

"A rare Phoenix, what does he want from it?" Chen Xing looked at such a rare Phoenix bird, what did she want from such a rare bird.

"Welcome you two" someone greeted Ye Chen and Chen Xing.

"he is the Yuan Shen doctor" Chen Xing said to Ye Chen.

"it's just an illusory projection, the real person is not here" Ye Chen said to Chen Xing.

"Is that so" Chen Xing didn't realize it, Ye Chen was quite great because she could realize that problem.

"You are quite smart, I didn't expect that you would bring a goddess to visit me here" doctor Yuan Sheng said to Ye Chen.

"I have come, don't you want to catch me" said Ye Chen.

"That's impossible, if the woman beside you is there, there is no chance for me to catch you" Doctor Yuan Sheng said to Ye Chen.

Doctor Yuan Sheng knew his abilities and limits, there was no guarantee he could win against Chen Xing.

Unless he could awaken his creation, he would not be able to win against the current Chen Xing.

"I'm surprised that you know your limits," Chen Xing said to Doctor Yuan Sheng.

"hahahahahaha, that's true, because now you're protecting that boy, I can't touch him, but it doesn't matter, I've got a good replacement, soon I will rule this land" doctor Yuan Sheng said to Chen Xing and Ye Chen.

"This is bad, he has got it" Chen Xing said to Ye Chen, it seems like doctor Yuan Sheng has got it.

"Stop talking nonsense, I'll come and look for you" Ye Chen said to doctor Yuan Sheng.

"hahahaha, can you find me, you won't be able to find me" doctor Yuan Sheng said to Ye Chen.

Doctor Yuan Sheng told him that Ye Chen would not be able to find him.

There was no chance for Ye Chen to find Yuan Sheng doctor.

"You just see, I can definitely do it" Ye Chen said to doctor Yuan Sheng.

Ye Chen said that he would do it.

"Then do it, I have a gift for the two of you, get ready" doctor Yuan Sheng said to Ye Chen and Chen Xing.

"This is one of the research I developed, this is the Zombie Phoenix, it will destroy you," said Doctor Yuan Sheng.

After Doctor Yuan Sheng said that, Phoenix who was behind immediately got up.

"This of course made Ye Chen and Chen Xing alert, they retreated and immediately went into combat mode.

"He revived the body of a dead Phoenix?" Ye Chen said to Chen Xing.

"That's impossible, this will be dangerous" Chen Xing said to Ye Chen.

If what Doctor Yuan Sheng said was true, then that would be a problem.

The Phoenix's body moved, it came to life and started emitting black flames filled with hatred.

"I don't like that fire, it contains hatred and a terrifying aura of death," said Chen Xing.

Chen Xing didn't like this, she could feel that it was full of hatred and something terrible.

"It's an aura of death, nothing special, but quite disturbing" Ye Chen said to Chen Xing.

"It will fully rise and attack us, prepare yourself well" Chen Xing said to Ye Chen, she told Ye Chen to prepare.

"I understand" Ye Chen understands, he will do it as best as possible.

"I don't want to admit this, but we have to work together" Chen Xing said to Ye Chen.

"Please help to defeat the Zombie" Chen Xing said to Ye Chen, she asked Ye Chen for help.

"I will do it, let's start" Ye Chen said to Chen Xing.

Both of them attacked the Zombie in front of them.

Zombie Phoenix looked at Ye Chen and Chen Xing, The Zombie Phoenix has been programmed to attack everything, no matter its creator, it will be attacked immediately, it could be said that this is a weapon that cannot be controlled.

It wasn't strange that Doctor Yuan Sheng would choose to leave this place, he already knew this, so he left this place first to avoid trouble.

"clang" Ye Chen's punch hit the body of the Zombie Phoenix, a pity it was so hard that it couldn't destroy it.

"Slash... " Chen Xing used a wind sword attack, a large amount of wind swords rained down on the body of the Zombie Phoenix.

"Clank. . ." Chen Xing's attack did not work either, such a powerful attack could not destroy the body of the fragile-looking Zombie Phoenix.

"His body looks fragile, but it's so tough that the attacks I have can't make up for it" Chen Xing said to Ye Chen.

"If your attack alone can't make up for it, then my attack won't have any effect either," said Ye Chen.

Ye Chen had tried attacking several times with punches, it was a shame that they didn't leave any marks.

Zombie Phoenix could not be harmed in any way, it was too violent.

"Oh my, what makes that monster so loud?" Zombie Phoenix was so loud, Chen Xing was overwhelmed.

The Zombie Phoenix still hadn't attacked, now it finally attacked and spat out huge flames towards Chen Xing.

Chen Xing used a wind shield, she would block the attack.

The wind shield protects Chen Xing's body, so Chen Xing's body is safe from Zombie Phoenix attacks.

Just as Chen Xing felt that her body was safe from attacks, she felt her wind shield fade.

"what's going on, my wind shield is fading, this can't happen" Chen Xing felt that , she had to go.

Unfortunately, the flames of the Zombie Phoenix started to coil around Chen Xing's body, she was unable to retreat or leave.

"This is bad, this is too bad" Chen Xing felt that this was too bad, she couldn't escape and was trapped.

"watch out" Ye Chen came to save Chen Xing, he immediately went in and saved Chen Xing.

"No, what are you doing, you can die" Chen Xing said.

Ye Chen didn't care, he came and took Chen Xing out of the black flames.

Ye Chen saved Chen Xing and took her to a safer place.

"What did you do, it was very dangerous earlier, don't do something like that again" Chen Xing said to Ye Chen, she told her that it was very dangerous.

Chen Xing scolded Ye Chen, she was so worried about Ye Chen's safety, it was clear from her face that she was so worried about Ye Chen.

Chapter 2787 Chaos Occurs Due To Zombie Phoenix

"I'm fine, so there's no need to be so anxious like that" Ye Chen said to Chen Xing, he told her that he was fine.

"Even though you said that" Chen Xing said.

"Look, you should cherish the life you have, don't do things like that again" Chen Xing said.

"Then what about yourself, do you not value your life" Ye Chen asked Chen Xing.

Chen Xing was silent when listening to what Ye Chen said.

Ye Chen used her own words for herself.

"I did that for you, I don't want you to get hurt" Ye Chen said to Chen Xing,

Ye Chen didn't want Chen Xing to get hurt, that's why he told Chen Xing not to do that.

Chen Xing was touched by Ye Chen's words, Ye Chen had a point.

"Wosh" Ye Chen saw that the Zombie Phoenix started flying, it seemed like the Zombie Phoenix wanted to get out of this place.

Because it didn't find the whereabouts of Ye Chen and Chen Xing, the Zombie Phoenix decided to leave this place, right now there was nothing that would stop it.

"he's coming out" Chen Xing said to Ye Chen.

"It's too late, he's already found a way out" Ye Chen said.

It wasn't hard for Zombie Phoenix to find an exit, she found an exit and went straight out of this place.

"We have to chase after it, we can't let that monster go on a rampage and destroy every town" Chen Xing said.

"I agree" the two of them left, they chased after the Zombie Phoenix and went upstairs.

"argh. . ." at the moment Ye Chen and Chen Xing went upstairs, they were immediately greeted by screams from around.

Ye Chen and Chen Xing could immediately understand what happened, they saw the chaos around, it was an uncomfortable sight to see.

The beautiful garden that had previously been destroyed, was now replaced with such a horrible scene.

Plants were destroyed and dried up, fires were raging all over the place and the dark smoke made the scene so unpleasant to look at.

People were now running for their lives, unwilling to fight the monster.

The Zombie Phoenix had such a terrifying and frightening aura, it was not strange that they ran away.

Even Chen Xing didn't like it much, so Ye Chen was able to tolerate this problem quite well.

They all ran away, but there were some who were unlucky and were burned by the Zombie Phoenix.

"Let's save them all" Chen Xing said to Ye Chen.

"I think I should be serious this time" Ye Chen said to Chen Xing.

"What are you saying, you're still not serious" Chen Xing said to Ye Chen.

Chen Xing didn't believe what Ye Chen said.

How could Ye Chen still not be serious from the beginning of the battle.

Whereas Chen Xing herself had been quite serious from the beginning of the battle.

"I haven't brought out everything I have" Ye Chen told that he hadn't brought out all the abilities he had.

Now that Ye Chen took it out, he used full power and released True God power.

Ye Chen's power became so strong, Ye Chen could feel.

Chen Xing didn't really feel the difference in Ye Chen's strength, she probably expected too much from Ye Chen.

"It's still lacking, I expected too much from him, he is still far from me" Chen Xing said inside her heart.

Ye Chen's strength was still quite far from Chen Xing, so there was nothing too special about it. I think you should take a look at

"I will destroy him" Ye Chen said that he would destroy the Zombie Phoenix.

"Wait a minute" Chen Xing told Ye Chen, they had to come up with a strategy to fight the Zombie Phoenix.

Ye Chen didn't listen to what Chen Xing said, he was now focused on defeating the Zombie Phoenix.

"You, why don't you listen to me" Chen Xing was annoyed, Ye Chen never listened to her.

"I have to catch up" Chen Xing couldn't possibly leave Ye Chen alone, so she caught up with Ye Chen and would help Ye Chen.

With that Chen Xing caught up with Ye Chen, she helped to protect Ye Chen from the Zombie Phoenix attack.

Ye Chen actually didn't need help from Chen Xing, he could do this alone and didn't need to be protected.

Chen Xing insisted, if not, then something bad would happen to Ye Chen.

"Divine Yin Yang Sword" Ye Chen used the Divine Yin Yang Sword, he slashed at the Zombie Phoenix using the Divine Yin Yang Sword.

"Let's defeat this monster" Ye Chen said to Divine Yin Yang Sword.

"Yesssss . . . ." Yin Ying'er was going to help Ye Chen, she was going to help Ye Chen to defeat the terrible monster.

"Slash" Ye Chen performed a slash, this slash was Divine Sword Intent, a small slash but could cut through all things.

"slash. ." The body of the Zombie Phoenix instantly became two pieces when Ye Chen did so.

"Ehhh. ." Chen Xing was shocked.

"he did it, even I can't break the body of the Zombie Phoenix, what exactly happened" Chen Xing who originally thought Ye Chen couldn't, started to think again, she might have underestimated Ye Chen's ability too much.

Ye Chen was so great and so strong, he could defeat him.

"It's not strange that Shen Niang praised him several times, he does have abilities, I just underestimated him too much" Chen Xing might have underestimated Ye Chen too much.

The body of the Zombie Phoenix became two halves, strangely it could still move despite being two halves, in fact it could still attack and destroy the surroundings.

The Zombie Phoenix attacked Ye Chen, the Zombie Phoenix became more and more angry at Ye Chen.

It continued to attack Ye Chen by using greater strength.

A mantle of black flames enveloped the Zombie Phoenix's body, it began to burn all the things around this place.

"Ughhh. . ." people with such weak cultivations were instantly burned to nothing left.

"Can't you evacuate them?" Ye Chen asked.

"There is no time to evacuate the people" Chen Xing said to Ye Chen.

Chen Xing tried to protect those who could be saved, while some could not be helped because they were so far away.

The power of the Zombie Phoenix was so strong, it easily destroyed this star and the surrounding area.

The name of this star was the star of freedom, there were so many people living in this place, it seemed like they did not have the opportunity to evacuate everyone.

Ye Chen could not let this matter go, he had to do something to solve this problem.

"I will stop the fire" Ye Chen said to Chen Xing.

"How?" Chen Xing asked Ye Chen, she wanted to know what Ye Chen could do.

"I have a way" Ye Chen said to Chen Xing, Ye Chen had his own way.

"Frost Age" Ye Chen used Frost Age, he froze this entire place by using Frost Age.

By using Frost Age, this entire place was frozen instantly, the fire that previously enveloped this place was quickly extinguished.

"That's great" Chen Xing saw what Ye Chen did, Ye Chen was pretty great for being able to put out the fire from the Phoenix.

## Chapter 2788 Ye Chen Defeats The Phoenix Zombie

"Looks like it worked" Chu Yuechan said to Ye Chen, it looked like Ye Chen did it.

"There's still a problem, that monster, it can't be killed" Ye Chen said to Chu Yuechan.

Chu Yuechan nodded to Ye Chen, she agreed with what Ye Chen said.

"The only way is to destroy its entire body, but it is filled with ancient Rune in its body" Chu Yuechan said.

It seems a little difficult to destroy the Zombie Phoenix up to the whole body.

"Let's see if we can freeze its entire body or not" Ye Chen said to Chu Yuechan.

"It should be possible" Chu Yuechan said to Ye Chen.

"Frost Nova, Frost Age" Ye Chen immediately used Frost Nova, Frost Age.

He instantly froze the body of the Zombie Phoenix.

The body of the Zombie Phoenix was frozen, now was the time to destroy the body of the Zombie Phoenix.

"Clank. . ." When Ye Chen was about to destroy the body of the Zombie Phoenix.

The Zombie Phoenix freed itself in its own way, it immediately attacked Ye Chen using full force and did not hold back.

Ye Chen collided, this collision made the impact of the explosion so strong and devastated this entire place.

Chen Xing retreated, this was so powerful that she was forced to retreat by Ye Chen and the Zombie Phoenix.

Ye Chen stood where he was, meanwhile the Zombie Phoenix retreated a few kilos when it attacked Ye Chen.

"Fortunately" Ye Chen said to Chu Yuechan.

Ye Chen had True God power enveloping his body, so he was safe from the attack just now.

"It's a good thing" Chu Yuechan said to Ye Chen.

"It's really indestructible" Chu Yuechan said to Ye Chen.

"Is it possible to burn it, I think Zombies are weak to fire and light" Ye Chen said to Chu Yuechan.

"It's a phoenix, unless it's heavenly fire, it might be difficult" Chu Yuechan said.

Only fellow flames of the same level could injure a phoenix flame, so Chu Yuechan thought that Heavenly Silver Flame could do it.

"Alright, I understand" Ye Chen understood, he understood what to do.

Ye Chen used the Heavenly Silver Flame, the Heavenly Silver Flame enveloped the body of Ye Chen.

"Heavenly Silver Flame?" Chen Xing looked at Ye Chen from afar, he saw Ye Chen using Heavenly Silver Flame.

Heavenly Silver Flame was such a rare heavenly flame, where did Ye Chen get such a high level heavenly flame from.

"Geez" Chen Xing said, she felt envious, why does this person have it too.

This made people who saw it would be half envious, even if it was Chen Xing, he would be envious of Ye Chen.

Although Chen Xing was not a fire user, she was still envious.

"I must remove them from this place and join the battle" Chen Xing brought everyone who could survive.

she took them all away from this place, this place would be destroyed, in this battle, this was a battle so powerful it would destroy the entire star.

The Zombie Phoenix is so hard to kill, so the battle will be even more destructive than before.

"has Chen Xing already made everyone stay away" Ye Chen asked Chu Yuechan.

"she should be almost done" Chu Yuechan said to Chen Xing, she told him that everything was almost done.

"Then I will use such a destructive attack" Ye Chen said that she would use such a destructive attack.

"God Fire Sword" Ye Chen used the God Fire Sword. I think you should take a look at

The surroundings of this place melted when Ye Chen used the God Fire Sword.

The aura of the God Fire Sword was so strong and made the surrounding objects melt, even the strong ground evaporated when the God Fire Sword appeared.

A huge sword with such a powerful aura appeared and made the temperature become so hot to the point that normal people could imagine.

"I'm done" Chen Xing was a little tired, she used full speed to move everyone, even for her, this was so tiring.

"Alright, then let's end this quickly" Ye Chen said to Chen Xing.

"You'll do it" Chen Xing said to Ye Chen.

"Of course, there's no way, slightly move away from me" Ye Chen said to Chen Xing.

He was going to use the God Fire Sword.

God Fire Sword had been strengthened by using True God power, the damage impact would be so tremendous.

"Accept this" Ye Chen launched the God Fire Sword.

The God Fire Sword flew towards the Zombie Phoenix and instantly exploded.

"Boom" an enormous explosion occurred when the Godfire Sword crashed into the Zombie Phoenix.

This explosion was equivalent to that of a supermassive star.

"His strength, so great, what happened, 2 years ago he wasn't like this" Chen Xing who was near Ye Chen retreated, she had to keep her distance because of Ye Chen's strength.

Somehow Ye Chen was a little different from 2 years ago, the current Ye Chen had a strange strength, where did he get this strength from, this might almost match the strength of Chen Xing.

With this huge explosion, the star of freedom was of course instantly destroyed, even some nearby stars were affected.

Chen Xing created a large dome to withstand the impact of Ye Chen's attack, she did this by using all her strength.

The explosion happened quickly, a few seconds later it disappeared and was replaced by a super thick smog.

Ye Chen snapped his fingers, he looked to see if the Zombie Phoenix could still survive the full power attack possessed by Ye Chen.

In front of Ye Chen was empty, there was nothing in front of Ye Chen, only vast space.

"looks like it worked" Chen Xing appeared in front of Ye Chen, he was a little tired in battle.

Although he didn't participate in the battle, he was still tired by everything that happened.

"Fighting monsters like that is already a hassle, what if we fight the Number One King Goblin" Ye Chen said to Chen Xing.

"Number One King Goblin is so strong, if that's the case, we have to use all our fighting power, don't force ourselves to fight alone" Chen Xing told Ye Chen.

she told Ye Chen that the Number One King Goblin was so strong and would not be easily fought by Ye Chen alone.

"So it's better to stop that guy before he finishes" Chen Xing said.

"You're absolutely right" Ye Chen agreed, it seemed like it was the only way Ye Chen could do and work on.

Ye Chen was a little dizzy, it seemed like she still couldn't use True God power Art for a long time like before.

"What's wrong with you ?" Chen Xing held Ye Chen, she asked what happened to Ye Chen.

"No problem, just a little tired" Ye Chen told Chen Xing, he told her that he was a little tired.

"You seem to be pushing yourself too hard" Chen Xing said to Ye Chen.

Ye Chen might be pushing himself too much.

"You might be right" Ye Chen could only agree, he was indeed pushing himself too hard.

"Let's go back to my place and rest" Chen Xing said to Ye Chen, he invited Ye Chen to rest.

"Is that okay?" Ye Chen said to Chen Xing.

Chapter 2789 Chen Xing Makes An Announcement

"No problem" Chen Xing told Ye Chen, she had no problem with this.

Ye Chen had worked hard, so Chen Xing couldn't ignore him.

"There will be many people arriving here because of you, I will take care of everything" Chen Xing told Ye Chen.

Chen Xing would take care of everything, so Ye Chen could rest easy about that matter.

"I leave that matter to you, you can definitely handle that matter better than me" Ye Chen said.

"Then let's go" Ye Chen said to Chen Xing, he used the power of teleportation, with the remaining profound energy.

"You can still use teleportation, that's surprising, so you can get into all places" Chen Xing said.

"not all places, I can't get into places I haven't been to or don't know" Ye Chen said to Chen Xing.

"So that's it, there are still limits" Chen Xing said to Ye Chen.

"This ability you have might be able to make you bring the person you want to steal" Chen Xing said.

"Didn't you say that she is in a place that is so difficult to reach" Ye Chen said.

"That place is a hidden palace, not many people can get there, even if it's me, and I heard this place can move" Chen Xing said.

"That's troublesome" Ye Chen said to Chen Xing.

"You are strong enough now" Chen Xing said to Ye Chen, she felt that Ye Chen was strong enough.

Chen Xing helped Ye Chen, she laid Ye Chen down on her bed.

"Is it possible for me to defeat them using the strength I have right now ?" Ye Chen said to Chen Xing.

"Even if you are strong and receive help from me, Zhang Ein and Shen Niang, I think it is still difficult, maybe you can start to build up your influence" Chen Xing said to Ye Chen.

Ye Chen was indeed strong, Chen Xing had to admit that Ye Chen was so strong, even so, Chen Xing felt that Ye Chen was still not enough on his own, he lacked influence power.

"influence and strength" Ye Chen thought what Chen Xing said, what Chen Xing said might have some truth too.

Ye Chen was too focused on increasing strength, he didn't increase his influence.

"Very good advice, thank you very much" Ye Chen said to Chen Xing.

"I'll go, take a rest" Chen Xing said to Ye Chen.

"Looks like Zhang Ein will take care of you" Chen Xing said to Ye Chen.

Chen Xing felt the presence of Zhang Ein, only Zhang Ein could enter and exit this place.

"oh, she came" Ye Chen saw that Zhang Ein came.

Zhang Ein appeared, she finally showed herself in front of Ye Chen and Chen Xing.

"You seem to be in pretty bad shape" Zhang Ein said to Ye Chen.

"Just a little tired" Ye Chen said to Zhang Ein.

"You should rest first, I'll give you some tea" Zhang Ein said to Ye Chen, she brewed tea that could restore Ye Chen's energy quickly.

Chen Xing saw that Ye Chen was treated very well by Zhang Ein, so she could leave Ye Chen to Zhang Ein.

As Chen Xing left, she headed back to the rest of the Freedom Star ruins.

When Chen Xing came, she saw some acquaintances coming over.

"hey Chen Xing, you finally came here again" Ling Shu said to Chen Xing.

"Why did you come too" Chen Xing asked Ling Shu, why did Ling Shu come too.

"I heard a good thing, of course I came" Ling Shu said to Chen Xing.

"So, it should be all because of you, I heard from people around" Ling Shu told Chen Xing.

"I am indeed responsible for this matter" Chen Xing didn't shy away, she let it be known that she was responsible.

Chen Xing would not be able to hide what happened, so it was better that she was honest with what happened. I think you should take a look at

"Tell me what happened ?" Ling Shu said to Chen Xing.

Chen Xing explained, she wanted to hide Ye Chen and Ling Shu.

"You fought a Zombie Phoenix, it's not strange that this place got destroyed, what happened, who did you fight" Ling Shu told Chen Xing.

"A pretty evil person who wants to resurrect ancient monsters" Chen Xing said to Ling Shu.

"Oi, isn't that a problem" Ling Shu said.

"That is indeed a problem" Chen Xing said to Ling Shu.

"Tell everyone to gather, I'll give the news to everyone" Chen Xing said to Ling Shu.

"What are you going to do?" Ling Shu wanted to know what Chen Xing would do.

"Let everyone know what's going on" Chen Xing told Ling Shu.

"Will anything bad happen?" Ling Shu said to Chen Xing.

"Of course, so please gather everyone, isn't your charm strong enough to do just that" Chen Xing said to Ling Shu.

"Indeed you can, I'll do it" Ling Shu would do it, she would cooperate with Chen Xing.

"All of you please gather, I have something to tell you" Ling Shu gave a voice transmission to everyone, with a charm, everyone of course immediately came over to Ling Shu.

"What's wrong goddess?" they came over, they asked what happened to Ling Shu.

These people were so considerate, they were like slaves to Ling Shu and Ling Shu could do all the things she wanted to them.

"I've gathered them, so say what you want to say" Ling Shu told Chen Xing.

As expected from Ling Shu, she gathered everyone so easily.

"I have a bit of news for you" Chen Xing said to everyone here.

"This is a bit bad news, so listen carefully" Chen Xing said to everyone.

After listening to this news, everyone became so nervous, they were so nervous when listening to what Chen Xing said.

"Right now there is someone who is awakening an ancient monster, I hope you guys are looking for that person, if it gets awakened, then there will be chaos" Chen Xing said.

Chen Xing told them, she told them what happened and the current situation.

"What! ! !" Hearing this, everyone naturally became very noisy.

"Are you serious, is not joking with us right" they asked Chen Xing.

"I'm not joking with you guys, so please don't ignore this, you guys look for the person, otherwise there will be terrible things happening" Chen Xing said.

Chen Xing gave a warning, with this all the power would move.

"This can't be allowed to happen, we have to go find that person" they will look for him.

Chen Xing had already told them who their enemy was, so they would go straight for her.

They left immediately, they left this place quickly and spread the news quickly.

"Fufufufu, it's been a long time since there was a commotion like this, I didn't expect you to start it" Ling Shu said to Chen Xing.

"There's no choice, this time the situation is worse than I thought" Chen Xing said to Ling Shu.

Chen Xing herself was in trouble, so she needed everyone's help.

"You won't help" Chen Xing told Ling Shu.

"I'm not really interested, there's more to me than that" Ling Shu told Chen Xing.

"What are you interested in?" Chen Xing asked Ling Shu.

she wanted to know what made Ling Shu interested. It was rare to see Ling Shu interested in something.

Chapter 2790 Alright, Time For The Chaos To Begin

This woman was rarely interested in something, once interested, it would be a problem for others.

"Who is it?" Chen Xing asked Ling Shu.

"What, are you interested?" Ling Shu said.

"Not really, I just feel sorry for that person" Chen Xing said to Ling Shu.

"How wicked, am I so scary that I'm going to get other people into trouble?" Ling Shu said.

Ling Shu smiled, she was not angry with what Ling Shu said.

Instead, she openly admitted about the matter.

"So who is it, just tell me" Chen Xing said to Ling Shu.

"A pretty good guy, he's quite attractive for being able to withstand the strong charms I have" Ling Shu said.

"Is there such a man, don't tell me it's an old man?" Chen Xing said to Ling Shu.

Perhaps only weak old men are not attracted to Ling Shu's charms.

"Don't underestimate me" Ling Shu said.

Ling Shu frowned slightly as she listened to what Chen Xing said.

"He's still quite a young man and quite brave" Ling Shu said.

Chen Xing listened, she might be interested in this, somehow she was interested when listening to the words and stories from Ling Shu.

"It was a coincidence passing in front of my eyes, who would have thought that I would find him" said Ling Shu.

"Looks like he was unlucky" Chen Xing said in her heart.

"But he disappeared a long time ago, it seems like he was in closed training or something, what a pity" said Ling Shu.

Ling Shu looked helpless when talking about this, that's why she was unable to launch the action.

Chen Xing started to get a bad feeling when listening to this.

"Tell me, who is that person" Chen Xing asked Ling Shu.

"So you're interested, I didn't expect that you would be interested" Ling Shu said.

"I'm just curious" Chen Xing said.

Chen Xing tried to restrain herself, she almost lost control and threw away all her temperament.

"His name is Ye Chen, you might not know him yet" Ling Shu said.

Ling Shu said to Chen Xing, most likely Chen Xing didn't know or was familiar with Ye Chen yet.

Chen Xing was speechless when she heard that name, obviously she was speechless again when hearing that from Ling Shu.

"That person, he has also met Ling Shu, why would he meet so many troublesome people" Ling Shu said.

Ling Shu was such a troublesome woman, this would be a problem for Ye Chen.

Chen Xing had to do something, if not then it would be a problem for Ye Chen.

"Most likely she might not come back again, so why not just forget about him" Chen Xing said.

Chen Xing told Ling Shu to forget about Ye Chen.

"No way, how can I forget him" Ling Shu said.

Ling Shu couldn't forget Ye Chen.

When she was attracted to something good, there was no way she would be able to forget about it.

Chen Xing forgot that Ling Shu was quite stubborn, so this would be of no use anymore. I think you should take a look at

"There's nothing I can do, this is his fault, why is he always flirting with every woman" Chen Xing could only blame Ye Chen, if it wasn't for Ye Chen, this all wouldn't have happened.

"but he hasn't appeared for a long time, so it's likely" Chen Xing said.

Chen Xing said that Ye Chen might not come back.

Ling Shu was silent when listening to what Chen Xing said, if that was true then she wouldn't see Ye Chen again.

"That might be the case, it's a pity" Ling Shu said.

"Looks like it worked" Chen Xing seemed to have managed to convince Ling Shu.

It is likely that Ling Shu will no longer look for Ye Chen from now on.

"I'll go and see then, I still have work" Chen Xing said.

Chen Xing said goodbye, she left leaving Ling Shu alone.

Ling Shu slept on a cloud and waved her hand to Chen Xing.

"Today she was so strange when I talked about the man named Ye Chen, is it possible that she also knows?" Ling Shu was not a foolish woman, she realized the change in Chen Xing.

There was no way Chen Xing would have changed if she didn't have a relationship.

"This is a bit interesting, should I find out about this matter" Ling Shu intended to find out about this matter.

she must be sent people to find out about this matter, if she did not find out about this matter, she would not calm down.

"maybe I'll just follow her" Ling Shu decided to follow Chen Xing, she wanted to know where Chen Xing would go.

Chen Xing did not return right away, she decided to look for doctor Yuan Sheng.

Chen Xing went alone, she wanted to find the whereabouts of doctor Yuan Sheng and solve this problem by herself.

Ling Shu followed Chen Xing, she followed Chen Xing from a safe distance, it was impossible for her to be found from this distance.

"she didn't come back, is she looking for the person she said she was" Ling Shu felt that Chen Xing was looking for Doctor Yuan Sheng.

Curious as to what would happen next, Ling Shu continued to follow, the two of them flying fast and passing through so many stars.

Chen Xing used her ability to locate enemies, she should be able to locate Doctor Yuan Sheng.

Doctor Yuan Sheng had quite a lot of eyes, she knew what Chen Xing would do.

"That woman is so annoying, time to use plan B, create chaos in the entire God Realm" Doctor Yuan Sheng sent everyone to create a disaster, he would complete this ritual quickly.

Yuan Sheng is now in a huge city with a population of around 10 billion, this is a vast and densely populated place.

Doctor Yuan Sheng intends to use the 10 billion people here to raise the Number One King Goblin with 10 billion people, he can create such a powerful monster and such a large army.

This number is so huge, it will probably be more than this.

Since Doctor Yuan Sheng was looking for such a crowded place, it would be very difficult for Chen Xing to find his whereabouts.

Even so, Doctor Yuan Sheng still used a backup plan to divert attention from Chen Xing and everyone else.

Since everyone was looking for him, Yuan Sheng had no other choice but to do just that.

Doctor Yuan Sheng used everything he had prepared, the pills containing the life-sucking insect had been distributed, and he could control them all to destroy a star or a Realm.

"Alright, time for the chaos to begin" Doctor Yuan Sheng started the chaos all over.

The life-sucking insects began to rise and instantly infected people nearby and multiplied rapidly.

"Arghhhh. . . ." there was severe chaos in every place, this chaos was so severe that it made everyone run away.

The insects were faster, they were growing faster than anything else, their numbers quickly became thousands and growing.

The chaos spread and everyone got news, Chen Xing and Ling Shu got the news and immediately left to tackle the problem in her region.
