Chapter 2791 Zhang Ein Tackles The Problem

Chen Xing couldn't possibly ignore the troubles within her territory, so she delayed the troubles and returned to her territory.

Ye Chen was recovering, Zhang Ein gave him herbal tea that would soon restore Ye Chen.

"thank you very much" Ye Chen thanked Zhang Ein, he was getting such good treatment from Zhang Ein.

"No problem, you should recover quickly" Zhang Ein said to Ye Chen, she told Ye Chen to recover quickly.

Zhang Ein, did not like seeing Ye Chen like this, she would rather see a healthy Ye Chen.

"I will recover soon, you don't need to worry too much about that matter" Ye Chen said to Zhang Ein, he told her that he will recover soon like before.

"Um... ., I believe you" Zhang Ein believed in Ye Chen, she believed that Ye Chen would recover soon.

Ye Chen was not injured anyway, so he should be able to recover quickly without any problems.

"Ding. . . ." Ye Chen and Zhang Ein heard something from outside.

"What is it, did something happen" Ye Chen said to Zhang Ein.

"You just rest here, I'll take a look for you" Zhang Ein said to Ye Chen.

Zhang Ein would see what happened, she probably already knew what was currently going on.

Zhang Ein knew that something was happening outside, so she told Ye Chen to rest, if only Ye Chen knew, then he would return to battle and would not rest properly.

The moment Zhang Ein went out, she saw an unpleasant scene, there were so many insects around this place and there were monsters that appeared out of nowhere.

"I hate bugs and monsters, I will destroy them all" Zhang Ein left, she intervened to take care of the problem that was currently happening.

With Zhang Ein's speed surpassing all things, she destroyed all the monsters around in just a matter of seconds, that was an amazing speed.

"There are so many, it seems like they came from the same place" Zhang Ein had to go, she would destroy the source of the problem quickly.

Zhang Ein kept advancing forward, she kept advancing forward and instantly eliminated the annoying little bugs.

Zhang Ein finally reached the center, she saw that a large insect was releasing smaller insects.

"So this is the center, and the monster is the cause" Zhang Ein would immediately take care of them.

Zhang Ein advanced, she used her fists to crush the life-sucking insect.

"Blam. . ." With her bare hands, the body of the life-sucking insect instantly shattered into pieces, but it could still move and attack Zhang Ein.

Zhang Ein stomped her foot, a strong wind appeared and destroyed everything around.

The body of the life-sucking insect was instantly destroyed by the attack.

Zhang Ein was indeed strong, she was able to destroy the life-sucking insect faster until there was nothing left.

With that the problem was solved, Zhang Ein only needed a few minutes to solve such a difficult problem, now this region was safe and there were no more annoying insects.

"You've solved everything" Chen Xing came over, she asked Zhang Ein.

"Everything was done quickly" Zhang Ein told her that she had taken care of the life-sucking insect for Chen Xing.

"Thank you very much, then I will take care of the rest elsewhere" Chen Xing said to Zhang Ein.

"Please take care of that annoying insect" Zhang Ein said to Chen Xing.

When Chen Xing heard this, she immediately stopped, not leaving.

"What's wrong with you?" Zhang Ein asked Chen Xing.

"That, Ein can you replace me" Chen Xing said to Zhang Ein.

"You, you are still afraid of insects, you are so childish" Zhang Ein said.

"Please for once, I don't like them" Chen Xing said.

Chen Xing asked Zhang Ein. I think you should take a look at

"Huft. . ." Zhang Ein sighed as she listened to what Chen Xing said.

"Then I will take care of them, please take care of the master for me, do you agree or not ?" Zhang Ein said to Chen Xing.

"Agree, I will of course agree" Chen Xing would of course agree, it was an easier task than fighting insects.

"Alright, I'll take care of them" Zhang Ein left, she would take care of all the bugs quickly.

"I hate doctor Yuan Sheng so much, if I find him, I will destroy him" Chen Xing hated doctor Yuan Sheng so much, if she found doctor Yuan Sheng, she would destroy that person.

Doctor Yuan Sheng knew Chen Xing's weakness, that's why Chen Xing was unable to move freely.

"Has he recovered by now?" Chen Xing returned to her room, she wanted to see Ye Chen's condition.

Chen Xing returned and confirmed Ye Chen's condition, when she confirmed Ye Chen's condition, she found Ye Chen relaxing and enjoying a delicious meal.

From just a glance, no one would believe that Ye Chen was healing.

"Looks like you have recovered enough" Chen Xing came in and said to Ye Chen.

"It's back, I have indeed recovered, it feels so cozy with this much tea and food" Ye Chen said to Chen Xing.

"Isn't she spoiling you too much" Chen Xing said to Ye Chen, she saw that Zhang Ein was spoiling Ye Chen too much.

"Is that so, I wasn't aware at all" Ye Chen told her that he wasn't aware at all.

"obviously you won't be conscious about it" Chen Xing could understand why Ye Chen wouldn't be conscious about such matters.

"This is pretty good" Ye Chen said to Chen Xing, he felt alive with this.

"How about it, is your business done" Ye Chen asked Chen Xing, he wanted to know if Chen Xing's business was done.

"Already, all the business is done" Chen Xing said to Ye Chen.

"something seems to have happened outside, even Ein still hasn't returned" Ye Chen said to Chen Xing, even Zhang Ein still hasn't returned.

"everything is fine, she is doing something" Chen Xing said.

"I see, that's why you're the one accompanying me" Ye Chen said to Chen Xing.

"Aren't you happy to be accompanied by a beautiful woman like me" Chen Xing said to Ye Chen.

"Of course I am very happy" Ye Chen told her that he was very happy to be accompanied by a beautiful woman like Chen Xing.

"That's great, you are such a lucky man" Chen Xing said.

Ye Chen was a lucky man, who could be accompanied by a beautiful woman like Chen Xing.

"I'm asking you, please answer honestly" Chen Xing said to Ye Chen.

"What is it?" Ye Chen asked Chen Xing.

"Are you familiar with Ling Shu" Chen Xing asked Ye Chen.

"Of course, I met him once when I was on vacation" Ye Chen said to Chen Xing.

"Did you do anything with her" Chen Xing said to Ye Chen, she wanted to know what Ye Chen did.

"No, just eating together at her resort" Ye Chen told Chen Xing.

"Listen to me, that woman is after you" Chen Xing said to Ye Chen.

"I already know that" Ye Chen already knew this, he knew that Ling Shu was after him.

"You are so calm, that woman is really very dangerous, you should know" Chen Xing said.

"Take it easy, I can solve that problem easily" Ye Chen said to Chen Xing.

Chapter 2792 Forced Chen Xing To Become A Maid

"but she's quite pretty" Ye Chen said to Chen Xing.

"uh, it looks like you've been hit by that woman's Charm, this is bad" Chen Xing said.

"It's not like that" Ye Chen said to Chen Xing, he wasn't like that.

There was no way Ye Chen would fall for Ling Shu's trick, Ye Chen could still survive because he had his own charm.

"Is that true?" Chen Xing was not convinced by what Ye Chen said.

"Of course it's true, after all what good would it do me to lie to you" Ye Chen said to Chen Xing.

"you might have a point too, there's nothing in it for you to lie to me" Chen Xing agreed, there was nothing in it for Ye Chen to lie about the matter right now.

"Remember well, Ling Shu is quite difficult, best to stay as far away from her as possible" Chen Xing said to Ye Chen, she gave Ye Chen a warning.

"I'll remember, thanks for the advice" Ye Chen said to Chen Xing, he was thankful that Chen Xing advised him quite well.

"It's good if you understand, then there won't be any more problems" Chen Xing said to Ye Chen.

"Um. ." Ye Chen nodded to Chen Xing.

"Since I already promised Zhang Ein, I will take care of you until she returns" Chen Xing said to Ye Chen.

"So you replace her, then I can order you around at will" Ye Chen said.

Ye Chen intended to use this opportunity to take an advantage for himself.

"Not like that, I won't do your strange request" Chen Xing said to Ye Chen, she wouldn't do what strange request.

"If you don't do it, I will tell Ein that you are bullying me" Ye Chen threatened, a threat would definitely have an effect on Chen Xing.

Chen Xing looked at Ye Chen with a sharp gaze, who would have thought that she would be threatened by a boy like Ye Chen.

"Do you think Ein will believe you?" Chen Xing said to Ye Chen.

"Why not, she will definitely trust me more than you" Ye Chen said to Zhang Ein, Ye Chen told her that she would trust Ye Chen more than Chen Xing.

Chen Xing looked at Ye Chen, what Ye Chen said became an absolute truth.

Zhang Ein would definitely believe Ye Chen over Chen Xing, Ye Chen was smarter than Zhang Ein.

"Why can I be threatened by a kid, this is so embarrassing" she who has lived for a long time is threatened by Ye Chen and has no resistance, this is quite annoying for Chen Xing.

"Let's make your choice" Ye Chen said to Chen Xing, he told Chen Xing to make her choice.

"Yes master" Chen Xing had no choice, she had no choice but to do so.

"Hehehehehe" Ye Chen chuckled, he was enjoying this moment so much.

It felt so good for Ye Chen because he was able to give orders to Chen Xing.

"okay, I'll give you a task" Ye Chen said to Chen Xing, he was going to give Chen Xing a task.

"What is that task?" Chen Xing asked Ye Chen, she wanted to know what task Ye Chen meant.

"The first task is to massage my shoulders, I'm a little tired, so do it properly" Ye Chen said to Chen Xing.

Chen Xing's face darkened as she listened to Ye Chen's request.

"Why are you asking for such a thing" Chen Xing said to Ye Chen.

"What's wrong, it's not a difficult job for you" Ye Chen told Chen Xing, Chen Xing would be able to finish the job quickly.

Chen Xing started to have a headache, she had a headache with Ye Chen.

"Let's do it quickly, don't just stay still" Ye Chen said.

Ye Chen told Chen Xing, he told Chen Xing to do it immediately.

"Fine, I'll do it right away" Chen Xing did, she was going to do what Ye Chen said.

"Very good" Ye Chen was happy, he was so happy about this. I think you should take a look at

Chen Xing was behind Ye Chen, she started giving Ye Chen a massage.

"oh, very good, it seems you are quite talented with this matter" Ye Chen said to Chen Xing.

"I'm not interested in this" Chen Xing said to Ye Chen, she told him that she wasn't really interested in this.

"That's quite unfortunate" Ye Chen said to Chen Xing, it was quite unfortunate for Chen Xing.

Chen Xing just let out a long sigh, the matter would still continue, this was just the beginning for her.

"I want to strangle him to death" Chen Xing had thoughts of doing that to Ye Chen.

Ye Chen had embarrassed her several times and she wanted to get back at him.

Ye Chen enjoyed it, he enjoyed when Chen Xing did that to him.

Some time passed when Chen Xing gave Ye Chen a gentle massage, and Ye Chen enjoyed it so much.

"Very good, now the legs" Ye Chen said to Chen Xing.

"Huh?" Chen Xing asked Ye Chen, she was quite angry

"Why are you asking so much task" Chen Xing said to Ye Chen.

"What's wrong, didn't you already agree to that" Ye Chen said to Chen Xing.

"I did agree, but not like that" Chen Xing said to Ye Chen.

"Let's just do it quickly, it won't take long" Ye Chen said to Chen Xing.

Ye Chen told her that it wouldn't take long.

"restrain yourself" Chen Xing tried to restrain herself, as much as possible she didn't want to find trouble with Ye Chen.

"Alright, master" Chen Xing forced a smile of her own, Chen Xing's smile was already decent even though it was forced.

Chen Xing rarely smiled, once smiled like that.

"You like teasing her so much" Chu Yuechan said to Ye Chen, she saw Ye Chen's behavior that kept teasing Chen Xing.

"This is fun, when else can I do this" Ye Chen said to Chu Yuechan.

Ye Chen felt that it was fun, when else could Ye Chen do this to Chen Xing.

Chen Xing massaged Ye Chen's feet, this was her first time doing this.

Usually Chen Xing would be served by her maids, but this time she did it using hands that were so delicate like lotuses.

Actually, Chen Xing could have called her maids, but that would be risky, so Chen Xing decided against it.

If anyone found out that she was hiding a man in the room, it would definitely be a huge commotion.

So it was better for Chen Xing not to do that, it was all for her own safety, she had to be able to endure.

Ye Chen enjoyed this, who wouldn't like to be served by a beautiful woman like Chen Xing.

Chen Xing touched the body of Ye Chen, this was the first time she did something like this to another person.

"so this is a man's body, it's quite hard" Chen Xing was interested in Ye Chen's body, she thought it was nice and comfortable to touch.

"hey, what are you doing, it's ticklish" Ye Chen said to Chen Xing.

"just looking at the male body more clearly" Chen Xing said.

Chen Xing was curious about this and decided to use Ye Chen as a subject.

Chen Xing touched Ye Chen in several places, it seemed like she was interested in doing that to Ye Chen.

"What's wrong, did you enjoy it?" Chen Xing said to Ye Chen.

Chapter 2793 Get Chen Xing (1)

"Of course, I really enjoyed it" Ye Chen said to Chen Xing.

"What a perverted man." Chen Xing said to Ye Chen.

"You really like being touched by a beautiful woman like me" Chen Xing said to Ye Chen.

"All men will definitely like it, because you are a beautiful woman" Ye Chen said to Chen Xing.

Chen Xing was a beautiful woman, so everyone would definitely like Chen Xing.

Chen Xing's face reddened slightly, she was really having trouble when receiving compliments from Ye Chen.

"why am I becoming like this, I'm getting more and more unable to fight this person" Chen Xing felt that she was getting more and more unable to beat Ye Chen, she was becoming more and more difficult to beat Ye Chen.

Ye Chen touched Chen Xing's hand, and Chen Xing didn't seem to resist when Ye Chen did this.

"What a soft hand" Ye Chen said to Chen Xing.

"Let go of my hand quickly" Chen Xing said to Ye Chen.

she told Ye Chen to let go of his hand.

"You are no longer resisting, it seems like you are accepting this" Ye Chen said to Chen Xing.

Ye Chen could easily see that Chen Xing was no longer resisting, it seemed like Chen Xing was starting to accept Ye Chen.

"It's because you're injured, if you don't repel you" Chen Xing said to Ye Chen.

Chen Xing knew the condition of Ye Chen, that's why she didn't kick Ye Chen out.

"Is that your reason, then you won't fight back if I do something more" Ye Chen said to Chen Xing.

"You are injured, what can you do to me" Chen Xing answered Ye Chen.

"maybe like this" Ye Chen came closer, he kissed Chen Xing who was in front of him.

"Uhhh. . ." Chen Xing was of course shocked when she saw what Ye Chen did, she could hardly believe what Ye Chen had just done.

Ye Chen kissed Chen Xing abruptly, it naturally made Chen Xing surprised.

Chen Xing forgot to resist, she accepted the kiss from Ye Chen.

"ahhh, this sensation" Chen Xing liked it very much, she felt comfortable with the sensation given by Ye Chen.

Ye Chen and Chen Xing started to kiss, at first it was just an ordinary kiss, but Ye Chen was bolder and bolder.

Until there was a passionate and mature kiss between the two.

"Chu. . . , ummmmm" Ye Chen and Chen Xing were entangled, the two were entangled when kissing, they were doing a kiss that was mature and filled with love.

Chen Xing could not resist this, she was unable to resist the temptation from Ye Chen.

"Stop, don't do this" Chen Xing said to Ye Chen, she told Ye Chen to stop.

"What's wrong, are you unwilling" Ye Chen said to Chen Xing.

"Stop it, it's embarrassing" Chen Xing said to Ye Chen, she felt that this was very embarrassing.

"Hehehehe" Ye Chen chuckled.

Ye Chen stretched out his hand, he started to touch Chen Xing who was in front of him.

"Kyah. . ." Chen Xing cried out as Ye Chen touched her double peaks, she couldn't stand it when Ye Chen did that.

"No, stop, this is too strong for me" Chen Xing said to Ye Chen, she told Ye Chen to stop.

"I want to make you mine" Ye Chen said to Chen Xing.

"No, I'm not yours" Chen Xing still refused, she still refused when Ye Chen teased her.

Ye Chen became more and more aggressive, he forced Chen Xing by using a few of his techniques.

With just a little technique, Ye Chen could already easily make Chen Xing unable to stand.

"So great" Chen Xing felt it, this was such a strong and great feeling. I think you should take a look at

This feeling reminded Chen Xing of the past, she enjoyed so much when Ye Chen did this.

"am I becoming a lewd woman, no way, this can't be happening" Chen Xing felt that this can't be happening, why can she be like this now, this is all because of Ye Chen, it's because Ye Chen teased her.

Ye Chen continued to tease Chen Xing, he wouldn't let Chen Xing run away.

Chen Xing who kept refusing started to get tired, she started to become obedient to Ye Chen and cooperated with Ye Chen.

"This is fun" Chen Xing said to Ye Chen, she felt that this was fun.

"I also feel the same as you" Ye Chen said to Chen Xing.

Ye Chen also felt the same way as Chen Xing.

"May I ask you a question" Chen Xing said to Ye Chen.

"Of course, that's perfectly fine" Ye Chen said to Chen Xing.

"Do you think I'm beautiful" Chen Xing asked Ye Chen.

"Of course you are beautiful, both your appearance and heart look so beautiful, from here I can clearly see it" Ye Chen said to Chen Xing.

"Are you serious" Chen Xing said to Ye Chen.

"There is no way I am lying to you, you are so beautiful" Ye Chen said again to Chen Xing, he had to admit that Chen Xing was so beautiful.

Chen Xing was the perfect woman, she was such a perfect and beautiful woman.

"But I'm too old for you" Chen Xing said to Ye Chen.

Chen Xing remembered their ages, she was too old for Ye Chen.

Ye Chen pinched the face of Chen Xing.

"What are you doing?" Chen Xing said to Ye Chen.

"I was just making sure, look at your skin so soft and beautiful, who would believe you are old" Ye Chen said to Chen Xing.

Chen Xing's face turned red, Ye Chen answered all her questions.

"You're not lying to me" Chen Xing said to Ye Chen.

"No, how could I lie to you" Ye Chen said to Chen Xing, he didn't lie about this matter.

"For some reason I still find it hard to believe you, how many times have you deceived me" Chen Xing said to Ye Chen.

"when did I deceive you" Ye Chen said to Chen Xing.

"Didn't you often deceive me" Chen Xing said to Ye Chen.

"No, I don't cheat on you often, it's called flirting" Ye Chen said to Chen Xing.

"It's the same thing, it's a bad thing to do" Chen Xing said to Ye Chen, she told Ye Chen that it was a bad thing to do.

"It was a good thing to do, if you didn't do that, I wouldn't be able to hug you now" Ye Chen said to Chen Xing.

If Ye Chen had not done such a thing, he would not have been able to hug Chen Xing.

Chen Xing had to admit that if what Ye Chen said was true, he wouldn't be able to hug Chen Xing like this now.

"I can't believe I fell for someone like you, after a long life of millions of years" Chen Xing said to Ye Chen.

"Don't you like it, sometimes, you have to try new things in this life" Ye Chen said to Chen Xing, he told Chen Xing to try new things.

"You're absolutely right, I will try new things, that's a pretty good suggestion" Chen Xing said to Ye Chen, she had to admit that Ye Chen had a good suggestion.

"Then I want to see new things, can you teach them for me" Chen Xing asked Ye Chen.

Chen Xing was so beautiful, she smiled at Ye Chen lovingly.

"I'm so happy, you can finally smile so beautifully" Ye Chen Said to Chen Xing, he told her that Chen Xing's smile was very beautiful.

Chapter 2794 Get Chen Xing (2)

Chen Xing was silent for a while as she listened to what Ye Chen said, she did not expect that Ye Chen would say such a thing.

"I didn't expect that you would say such a thing" Chen Xing said to Ye Chen.

"Is there anything wrong with that?" Ye Chen asked Chen Xing.

"There's nothing wrong, I even like what you said" Chen Xing told Ye Chen that she liked what Ye Chen said.

But she was embarrassed to look at Ye Chen, she blushed when she looked towards Ye Chen.

Her gaze could no longer be straight when looking at Ye Chen, she looked down when looking at Ye Chen.

Ye Chen stretched out his hand, he pulled Chen Xing closer.

Chen Xing was pulled closer by Ye Chen, right now she was in an embrace, a pleasant thing, a feeling that was so beautiful.

"Such a comfortable feeling" Chen Xing felt comfortable with the feeling given by Ye Chen, such a great feeling given by Chen Xing to Ye Chen.

Chen Xing began to feel a comfortable feeling, this feeling was so comfortable and made Chen Xing like this.

Ye Chen was now hugging Chen Xing completely, a feeling that was so comfortable for Ye Chen.

Ye Chen stretched out his hand, he began to touch Chen Xing in several places.

"You are still looking for opportunities" Chen Xing said to Ye Chen.

Ye Chen was still looking for a chance from her.

"Hehehehe" Ye Chen chuckled when he heard this, it seemed like he was indeed looking for an opportunity from this.

"My hands are itching to touch you" Ye Chen said to Chen Xing.

Ye Chen's hands were itchy, there was no way he could resist this, there was a beautiful woman in his hands, his hands would not be able to resist touching and admiring the beauty in front of him.

"You start again." Chen Xing said to Ye Chen.

"No problem, let me teach the beautiful goddess a little fun" Ye Chen said to Chen Xing.

He was going to teach Chen Xing a little fun.

"I felt a bad feeling when you said that, look at your face" Chen Xing said to Ye Chen.

Ye Chen almost drooled when he saw Chen Xing, it was like he was looking at a delicious thing in front of the eyes.

"I can't seem to hide this from you" Ye Chen told Chen Xing.

Ye Chen was too happy, he couldn't hide this from Chen Xing.

"All women will definitely realize when they see that" Chen Xing said to Ye Chen.

"Forget about it already, let's start" Ye Chen said to Chen Xing, it was time for them to start.

Ye Chen immediately pulled Chen Xing's belt, with a slight tug, Chen Xing's dress opened.

"ahhh, what are you doing ?" Chen Xing said to Ye Chen.

This was too sudden for Chen Xing, she was not really ready for this.

"What are you trying to hide, I've seen everything" Ye Chen said to Chen Xing.

"I can see everything even if you are wearing clothes" Ye Chen said to Chen Xing.

"You, how do you have such a lewd ability" Chen Xing said.

"I happened to find this, it's very useful for me" Ye Chen said to Chen Xing, he told her that this would be very useful for Ye Chen.

"You must often use that ability to peek at innocent girls" Chen Xing said to Ye Chen.

Chen Xing was sure that Ye Chen was using this for himself.

"That's true, it's very useful" Ye Chen said to Chen Xing.

"Aren't you too honest" Chen Xing said to Ye Chen.

Ye Chen was so honest, Chen Xing really couldn't believe this.

"Why, you already know, do I have to lie to you" Ye Chen said to Chen Xing.

"There's no point in lying to me" Chen Xing could understand, he could understand what Ye Chen was doing.

Ye Chen started to touch Chen Xing, he squeezed the two soft balls in front of him.

"Wait a minute" Chen Xing said to Ye Chen, she told Chen Xing to stop first.

"We don't have much time, Ein could come back anytime" Ye Chen said to Chen Xing.

"Even so, I need to prepare myself" Chen Xing said to Ye Chen, she told Ye Chen that she wanted to prepare herself first.

"That's not necessary, we just need to enjoy this well" Ye Chen told Chen Xing, he told Chen Xing to enjoy this.

Ye Chen took off Chen Xing's entire dress, he did so and Chen Xing's beautiful body was in front of Ye Chen.

"This is beautiful" Ye Chen said to Chen Xing.

Ye Chen praised Chen Xing who had such a beautiful body.

"Don't look at me like that, it's embarrassing" Chen Xing said to Ye Chen, it was quite embarrassing to be looked at like that by Ye Chen.

"This is my admiration stare" Ye Chen said to Chen Xing, this was Ye Chen's admiration stare.

After that Ye Chen continued to help Chen Xing, he used all the skills he had to please Chen Xing.

"No, this is too strong" Chen Xing couldn't stand it, she couldn't stand it when Ye Chen touched her double peak.

Ye Chen played with it, what a pleasant feeling.

"So soft and supple" Ye Chen told Chen Xing.

"Stop teasing me" Chen Xing told Ye Chen.

"Don't you feel comfortable" Ye Chen told Chen Xing.

"It's too comfortable" Chen Xing said to Ye Chen, she told him that it's too comfortable.

"That's good, let's make it even more fun" Ye Chen kissed Chen Xing, he served Chen Xing with more love.

Chen Xing could not possibly bear this, this was too comfortable for Chen Xing, a feeling that was so blissful for Chen Xing.

"uhhh" the breathing of Chen Xing was irregular, she could not endure the teasing by Ye Chen.

Ye Chen was getting bolder, he served Chen Xing by using his mouth.

"Wait a minute, you" Chen Xing saw what Ye Chen said.

Ye Chen sucked on that, it made Chen Xing surprised.

"umm, this is so good" Ye Chen said to Chen Xing, he was enjoying this so much.

"ahhhhhh" Chen Xing couldn't hold back, she couldn't resist this feeling, it was too good for Chen Xing.

"This is too comfortable, I won't be able to hold on" Chen Xing felt that this was too good, she wouldn't be able to hold on anymore.

She had already reached the limit quickly, a virgin woman like Chen Xing would not be able to last long.

"Uuuhhhh" With that Chen Xing had reached the peak.

She felt an incredible feeling.

Chen Xing was happy with the feeling she was getting, this was so blissful for Chen Xing.

"So comfortable, why am I so happy about this" Chen Xing did not understand the feeling she was getting, a feeling that was so pleasant for Chen Xing.

Ye Chen was happy when he heard that, he was happy when he saw Chen Xing happy.

"How about it, isn't that nice" Ye Chen said to Chen Xing.

"How to say, I'm happy about it" Chen Xing told him that she was very happy about it.

"well let's keep going, and I hope you don't stay still like a statue" Ye Chen said to Chen Xing, he told Chen Xing to be more active.

"I'm not a very loose woman, so I don't really understand things like that" Chen Xing told Ye Chen.

Chapter 2795 Get Chen Xing (3)

?

"You don't have to be that kind of woman, all you need to do is open up the heart you have" Ye Chen said to Chen Xing, he told her to open up the heart Chen Xing had.

"Alright, I will do as you say" Chen Xing said to Ye Chen.

"I'll help you a little" Ye Chen told Chen Xing, he would help Chen Xing to try it.

Chen Xing got information from Ye Chen, a bunch of memories owned by Ye Chen flowed directly in Chen Xing's head.

Chen Xing turned red when she knew what Ye Chen had just given her.

"What you gave me, it's so embarrassing" Chen Xing said to Ye Chen.

Although Chen Xing was a mature woman, she was not used to such a scene.

It could be said that Chen Xing's ability was quite good, but she was still quite embarrassed.

"You don't need to be embarrassed to admit that" Ye Chen said to Chen Xing, she told Chen Xing not to be embarrassed to admit what happened.

"You really are" Chen Xing was angry, she immediately bit Ye Chen because she was too angry at Ye Chen.

"Hey what are you doing, are you a mosquito" Ye Chen said to Chen Xing.

"I'm a vampire that will suck you dry" Chen Xing replied.

The two ended up joking around, they enjoyed it and became closer.

"I'll start then, it's my first time" Chen Xing said to Ye Chen, she told Ye Chen that it was her first time doing this.

"Do your best, I won't laugh at you" Ye Chen told Chen Xing.

Ye Chen would support what Chen Xing was going to do, he believed in Chen Xing's ability.

Chen Xing stretched out her hand, she helped remove all the clothes on Ye Chen's body.

With some difficulty by Chen Xing, she removed all the clothes worn by Ye Chen.

"I didn't expect that this would be difficult" Chen Xing didn't expect that this would be difficult to do.

"It seems like you are not used to this" Ye Chen said to Chen Xing.

"You are indeed a young lady of the noble class" Ye Chen said to Chen Xing.

"Don't make fun of me, I'm trying to adjust myself" Chen Xing said to Ye Chen.

Chen Xing was working on it, she was doing well.

"I understand, I will support you" Ye Chen told Chen Xing, he would support Chen Xing and make sure that Chen Xing could do it.

Chen Xing looked at Ye Chen's body, this was probably the first time she saw a man's body quite close like this.

Chen Xing probably wouldn't be interested in something like this, but now she was starting to be interested in this kind of thing.

Chen Xing looked down, she saw something big and long.

Chen Xing of course still remembered what this was, this was the thing that had once harassed her.

"Isn't this so big" If Chen Xing took a closer look, she could see that this was so big.

Chen Xing reached out her hand, without realizing it, he touched Ye Chen's precious object.

"Hot and hard" Chen Xing said in her heart.

she touched Ye Chen's, this naturally made Ye Chen so happy.

Chen Xing felt the change Ye Chen had when she touched this thing, it seemed like Ye Chen enjoyed when Chen Xing touched this.

"Is this comfortable for you guys" Chen Xing asked Ye Chen.

"Of course, it's very comfortable for all men" Ye Chen answered Chen Xing.

"So that's it, I understand" Chen Xing understood, she would help Ye Chen.

Chen Xing helped Ye Chen, she used the knowledge provided by Ye Chen.

At first Chen Xing was embarrassed to do such a thing, but after some time, she felt that this was so much fun to do.

Chen Xing's technique was getting better and better, she had truly mastered what Ye Chen had given him.

"This woman's comprehension is so terrible, I just gave her the knowledge, who would have thought that she could do so well" Ye Chen said.

Ye Chen had to admit that Chen Xing had an ability, Chen Xing had an ability to make Ye Chen feel such great comfort.

Chen Xing liked it, she finally became bolder and tried more techniques that Ye Chen gave her.

Chen Xing used her double peaks to clamp Ye Chen's, this was a sandwich service for Ye Chen.

"Very good" Ye Chen said to Chen Xing, not expecting that Chen Xing would do such a thing.

"Such a cute reaction" Chen Xing saw that Ye Chen was so cute, she was happy to see Ye Chen's reaction.

Chen Xing had long remembered the thing that made her lose, now she would enjoy and no longer hold back anymore.

"Chu. . " Chen Xing kissed Ye Chen's, she began to provide services for Ye Chen.

This time Chen Xing did it on her own initiative, there was no coercion like before.

And this feeling was much better compared to when Ye Chen forced Chen Xing.

"So good, I feel like I'm going to be sucked dry" Chen Xing had such a good sucking technique, it was like she wanted to dry Ye Chen using her small mouth.

Chen Xing was finally able to take revenge on Ye Chen for all the oppression, now was the time for Chen Xing to take care of Ye Chen.

Chen Xing helped Ye Chen for some time, in this time, he used quite a lot of techniques to make Ye Chen comfortable, and in just 1 hour, Ye Chen had already been made to lose 2x, she completely suck Ye Chen.

"You have pure Yang Qi, you actually have a pure body?" Chen Xing had already realized this long ago, Ye Chen had such a pure and extraordinary Yang Qi body, this was suitable for cultivation with women.

"That's true" Ye Chen admitted that, he admitted that he had pure Yang Qi.

"so that's right" Chen Xing understood, it seemed like he would get the benefit of doing it with Ye Chen.

But Chen Xing didn't really care, maybe it wouldn't be too beneficial for her.

So she doesn't need to think too much about it, she has been in a bottleneck for quite a long time, her strength will probably be difficult to rise to a higher level again.

Chen Xing already understood, it seemed like she would benefit from doing it with Ye Chen.

"Let's start" Chen Xing had finished serving Ye Chen, it was Ye Chen's turn.

"Of course, let's start" Ye Chen understood, he immediately held Chen Xing and lap her.

"This might hurt a bit, so I hope you can bear it" Ye Chen said.

"I'm not a little girl, don't look down on me" Chen Xing had already experienced quite a lot, so a little pain was not a problem for Chen Xing.

"I like your confidence, you better be ready" Ye Chen told Chen Xing.

Ye Chen went straight ahead, he broke into the fortress owned by Chen Xing.

"uhhh. . ." Chen Xing stiffened, apparently this was so painful, this was not as imagined.

"This hurts" Chen Xing said to Ye Chen, she had to admit that this hurt.

Chapter 2796 Get Chen Xing (4)

"I told you to be prepared, this is going to hurt" Ye Chen said to Chen Xing.

Ye Chen had already given a warning, now Chen Xing was feeling the consequences.

"How about it, can we continue?" Ye Chen asked Chen Xing.

"Wait a minute" Chen Xing said to Ye Chen, it seemed like she couldn't resist this.

Ye Chen smiled, he had expected this, Chen Xing definitely wouldn't be able to bear it.

"What's wrong, are you having trouble" Ye Chen said to Chen Xing.

"No, this is nothing for me" Chen Xing said to Ye Chen, she looked embarrassed to admit that this was quite hard.

she was ashamed to admit that she could not survive this problem.

"I understand" Ye Chen understood, he could understand why Chen Xing was unwilling to admit this matter.

That's why Ye Chen didn't prolong this matter any further.

"Is it ready or not?" Ye Chen asked Chen Xing.

"I'm ready" Chen Xing told Ye Chen.

After some time Chen Xing felt better, it seemed like she was ready.

The feeling of pain had been replaced with a very comfortable feeling, Chen Xing was so happy with this feeling.

"Such a good feeling, I like this" Chen Xing liked this feeling, it was better compared to before.

"Then I will start" Ye Chen said to Chen Xing, he told Chen Xing that he would start.

Chen Xing lightly nodded to Ye Chen, she was ready to do it with Ye Chen.

Ye Chen started moving, he started pumping at a light pace.

Pleasure spread all over Chen Xing's body, this was such a good feeling.

"Ahhh. ." Chen Xing made such a beautiful sound, she made a beautiful sound when Ye Chen touched her.

"Ye Chen, this is so good, I have never felt this kind of feeling" Chen Xing said to Ye Chen, Chen Xing told that she had never felt this kind of feeling, this was such a good feeling and she felt that life was beautiful.

"You like it, I also like it, it's so comfortable, it's so narrow inside" Ye Chen said "Ye Chen also feels the same way, he feels the same way Chen Xing feels.

They both got the same feeling, they were enjoying this well.

Chen Xing started to feel that her mind was going blank, she was too happy that she couldn't think of anything else but Ye Chen.

"More, I want more, love me more" Chen Xing started to go crazy with pleasure, she asked for more from Ye Chen.

Ye Chen started to get excited when he heard that, he became more and more powerful in doing Chen Xing.

He no longer held back and made Chen Xing feel the power possessed by Ye Chen.

"Ahhh. . ." Ye Chen was too fast and Strong, this was too much for Chen Xing, he would not be able to endure if Ye Chen was like this.

"I won't be able to endure" Chen Xing wouldn't be able to endure, this was too strong for Chen Xing.

A full feeling and Ye Chen came to the very end, every time it was to the very end, it made Chen Xing go crazy.

"I won't be able to endure, this is too strong" Chen Xing had already come to her limit, she would no longer be able to endure the feeling given by Ye Chen.

"Ahhhh" Chen Xing reached the limit, this was too strong for Chen Xing.

"That's great" Chen Xing was really satisfied once, she was satisfied with what Ye Chen gave her.

Just when Chen Xing thought that it was over, she felt that Ye Chen moved again.

"Wait a minute, what are you doing?" Chen Xing asked Ye Chen.

"Doing it again" Ye Chen told Chen Xing, he told her that he wanted to do it again.

"No way" Chen Xing scream.

"It's not fair if you get the pleasure, I still haven't" Ye Chen told Chen Xing.

After saying that, Ye Chen moved again, he moved again and felt the ability of Chen Xing who sucked him.

"Ahhh. . . no" Chen Xing cried out, they started again.

"Pah. ., pah . ., pah . ." Ye Chen became more and more wild, he no longer held back and made Chen Xing feel the ability he had.

Chen Xing was already limp, not expecting that Ye Chen would be so strong.

Ye Chen didn't hold back, so it wasn't strange that Chen Xing had serious problems when she fought Ye Chen.

Chen Xing continued to defend, she couldn't counterattack and could only endure all of this.

Ye Chen was too excited, doing with the beautiful goddess was too comfortable for Ye Chen, the feeling was so beautiful for Ye Chen.

Coupled with Chen Xing's artifact being so powerful, Ye Chen felt a sense of comfort.

"ahhhh. . ." The voice of Chen Xing was really beautiful, she had a voice that made Ye Chen even more excited, how could Ye Chen not be excited when listening to the beautiful voice of Chen Xing.

"You are too seductive" Ye Chen whispered from Chen Xing.

"You are too aggressive" Chen Xing spoke to Ye Chen, she was still a little sober.

"wife, this is good, let's enjoy this" Ye Chen said to Chen Xing.

"um, I'm enjoying this" Chen Xing was also enjoying this, she was enjoying what Ye Chen was doing.

"Then get ready, it's coming" Ye Chen said to Chen Xing.

"Give it to me" Chen Xing said to Ye Chen, she told Ye Chen to give it to her.

"Ohhhh. . ." Ye Chen was excited when listening to Chen Xing's words.

He gave everything to Chen Xing.

Ye Chen gave his Yang Qi to Chen Xing.

Pure Yang Qi essence was given to Chen Xing.

"This is so great" Chen Xing was very satisfied, she felt satisfied with this.

"Both of them were exhausted when they did it, Chen Xing slept in Ye Chen's embrace.

"It was quite tiring." Chen Xing said to Ye Chen.

"Come on, I will help you perfect it" Ye Chen said to Chen Xing, he would help Chen Xing perfect his Yang Qi, he also had to perfect her Yin Qi.

"Um. ." Chen Xing understood.

Ye Chen wanted to continue for the second round, but it seemed like the situation was not good, he sensed that bad things were approaching and he needed Chen Xing to help.

Ye Chen and Chen Xing finished their Dual Cultivation, they needed time to resolve this matter.

.

.

Meanwhile Zhang Ein.

she was on the front lines, she was destroying all the enemies that were so big and numerous.

"It's endless, they multiply quickly".

Zhang Ein realized that it was impossible to destroy them, they were multiplying so fast.

"they multiply so fast" Zhang Ein saw what was happening, they were multiplying fast, if Zhang Ein wanted to destroy them, she would have to use an attack with such a wide range.

The problem here was the people living around, if Zhang Ein were to do so, it was certain that the people around this place would be destroyed.

This is really a big problem, she won't be able to solve this, they are growing faster than Zhang Ein can eradicate them.

"Destroy this place, don't let them go" Tu Ginzu ordered everyone to destroy this place.

Finally Tu Ginzu brought an army from the Four-sided Immortal Palace, he would destroy this place along with all the insects.

With the troops brought by Tu Ginzu from the Four-sided Immortal Palace, they destroyed this place indiscriminately.

Chapter 2797 Zhang Ein's True Power

"Boom" several explosions occurred, the star and everyone in it were destroyed by Tu Ginzu.

"that person" Zhang Ein saw what happened, she didn't really like seeing how Tu Ginzu's way of solving this problem.

Tu Ginzu's way of being inhumane, he destroyed many people at once.

Zhang Ein couldn't stop this matter, everything had already happened, and she couldn't stop what had happened.

"Stop right there, what you're doing is really not good" Zhang Ein told Tu Ginzu to stop.

"You, what are you doing, don't interfere with the problems I have" Tu Ginzu said to Zhang Ein.

Tu Ginzu told Zhang Ein to step aside, he would solve the existing problems in his own way.

With that Tu Ginzu came back forward, he took care of the matter at hand.

"Boom" Zhang Ein let out such a strong force, she stopped Tu Ginzu so easily.

"I told you not to do crazy things like that, I don't like it when I see things like that" Zhang Ein used her ability, when she used her ability, Tu Ginzu who was only a leader of one of the four palaces would not be able to move.

Zhang Ein was on the same level as the leader of the Four-sided Immortal Palace, it was not strange that Tu Ginzu would have trouble when facing her.

"Stop messing with the business I have, this situation cannot be handled in the usual way, if you let this matter go, it will spread even further." Tu Ginzu said to Zhang Ein.

He explained that the situation was bad, if left unchecked, more victims would fall.

That's why Tu Ginzu did things like this.

"Don't you see that what you did has killed so many people" Zhang Ein said to Tu Ginzu.

What Tu Ginzu did, had killed so many people, there was no way Zhang Ein would let this matter go.

"Do you care about their lives, they are not worthy of mercy" Tu Ginzu said to Zhang Ein.

"Even so, they want to live" Zhang Ein said that they deserved to live too.

"Stop right there, Ein, you're not usually like this" An old man appeared in front of Tu Ginzu and Zhang Ein.

"Great elder, why are you here?" Tu Ginzu was surprised to see the great elder who was one of the four strongest people come directly to this place.

"I was ordered to destroy all monsters without killing, and I don't like what your people are doing" Zhang Ein said to the great elder who had just arrived.

"Are you serious about what you said, this is not like you" the great elder said to Zhang Ein.

"And since when did you take orders from someone, you who are a top class person who is on the highest power list in the Supreme God Realm, who would be able to give orders to someone as powerful as you?" he said to Zhang Ein.

The great elder had lived long enough, he naturally knew Zhang Ein like this.

"This is none of your business" Zhang Ein said to the great elder.

"I will take care of this place, you guys just go somewhere else" Zhang Ein said that she would take care of this place, she told Tu Ginzu and the great elder to leave this place.

"If that's what you want" the great elder agreed easily.

"Great Elder, why did you agree so easily" Tu Ginzu asked Zhang Ein.

"There is no point in us fighting over a small matter like this, leaving is the best way for us now, we take care of other places, she can take care of this place, so withdraw the troops you brought" he said to Tu Ginzu.

He told him why he chose to retreat.

"I understand" Tu Ginzu understood he would withdraw the troops. I think you should take a look at

Tu Ginzu still seems to be under this old man, that's because this old man is the master who taught Tu Ginzu to be what he is today.

"everyone stop attacking and retreat, we go to another place" Tu Ginzu gave the order,

With the order given by Tu Ginzu, they all immediately left this place, they all left and immediately followed Tu Ginzu.

"You've changed a bit, it seems that in these few thousand years something happened to you" the great elder said to Zhang Ein.

"It's possible" Zhang Ein said to the man in front of her.

"I don't want to find trouble with you, so forget about the previous problem, take care of your own problem" with that he left, he would not help Zhang Ein anymore.

"I have to be more serious in dealing with this problem" Zhang Ein decided to be more serious, if she was not serious in dealing with the enemy, she would make more people suffer.

"Looks like it's time for me to use the power I have" Zhang Ein used her ability.

"frozen time" Zhang Ein used her ability, this was the ability to stop time.

"I only have 10 minutes, I will finish this quickly" Zhang Ein only has 10 minutes, she can stop time for 10 minutes, this is one of the strongest abilities possessed by Zhang Ein.

Zhang Ein moved at such a fast speed, she smashed all the monsters that were as still as statues.

"Blam. ." Zhang Ein only used her bare hands to deal with all the monsters, she used bare hands to defeat them.

"Boooom. ." 10 minutes quickly passed, after ten minutes, Zhang Ein's ability stopped, and time returned to running as before.

"Boom. . ." all the insects were destroyed, she did well and defeated them.

Zhang Ein was panting, it seemed like she had used too much power.

Even for Zhang Ein, 10 minutes was still so heavy, she had to have such a problem.

"I'm dizzy" Zhang Ein used too much profound energy, she was quite tired when using too much profound energy to use a single technique.

Just as Zhang Ein had staggered enough, Ye Chen came and caught her.

"Are you alright?" Ye Chen asked Zhang Ein.

"Master, why are you in this place?" Zhang Ein asked Ye Chen, Ye Chen should be resting right now.

"I came to see how you are, it seems like you are not well" Ye Chen said to Zhang Ein.

"I'm fine, just too a little tired" Zhang Ein told Ye Chen.

"You don't need to lie, I can see that you are so tired, why don't you rest, and leave this to us" Ye Chen said to Zhang Ein.

"That's right" Chen Xing said to Zhang Ein, she told Zhang Ein to leave this matter to Ye Chen and her.

"You . . ." Zhang Ein could feel the change from Chen Xing, from just a glance, she already felt such a great change from Chen Xing.

"What happened to you" Zhang Ein asked Chen Xing.

"About that" Chen Xing blushed, she could not answer Zhang Ein's question.

"She took good care of me" Ye Chen told Zhang Ein.

"Right" Ye Chen said to Chen Xing.

"That's right, I have taken good care of her, you see, she is so healthy now" Chen Xing told Zhang Ein.

Chapter 2798 Chen Xing And Ye Chen Help Zhang Ein

Remembering the previous thing made Chen Xing embarrassed, she was ashamed to remember the previous thing.

"That's good" Zhang Ein felt happy when she heard this.

"You better go back and please take care of the others" Ye Chen said to Zhang Ein.

he told Zhang Ein to go back and rest, he told her to take care of Jia Li and the others.

"But what about you guys ?" Zhang Ein said to Ye Chen.

"I will be fine, let me move you to their place" Ye Chen moved Zhang Ein, he made Zhang Ein look after the others for him.

With that, Ye Chen moved Zhang Ein and told him to protect everyone.

"You moved her, are you confident enough in your abilities" Chen Xing said to Ye Chen.

"Of course, I am confident enough in my abilities" Ye Chen was of course confident in his abilities.

"Alright, let's go find them" Ye Chen said to Chen Xing.

"What are we going to look for" Chen Xing asked Ye Chen, she wanted to know the plan Ye Chen had.

"We will start looking for the person who controls the insects, they must be around this place and watching us" Chen Xing said to Ye Chen.

Ye Chen was sure that people like Lin Cong were around this place, and Ye Chen had to find them.

"Then I will help you find them" Chen Xing told Ye Chen that she would help find them.

With that the two began to move, they began to move and trace.

With Ye Chen's ability, Ye Chen should be able to find the whereabouts of the person.

"I found one" Ye Chen said that he found one, I also found one here" Chen Xing also found one around her place.

Ye Chen went down, he approached one of the people who was a direct subordinate of Doctor Yuan Sheng.

"I finally found you, the one who has made trouble for everyone" Ye Chen said to the person in front of him.

"I didn't expect that someone would be aware of my existence" he said to Ye Chen.

He did not expect that Ye Chen would find himself who had been hiding well.

"To be honest, you are not good at hiding yourself" Ye Chen said that he was not good at hiding himself, Ye Chen was able to find him because he used profound energy to control insects.

"So that's it, it seems like it was a mistake I had" he said to Ye Chen.

"My name is Lin Dahu, I will defeat you" he introduced himself to Ye Chen.

"I don't need to introduce myself, let's finish this quickly" Ye Chen said that he wanted to finish this quickly.

"You are quite rude, are you confident that you can beat me" he said to Ye Chen.

"Of course I am very confident in my abilities" Ye Chen told him that he would defeat Lin Dahu.

"Looks like I have to teach you a little lesson" Lin Dahu said to Ye Chen.

Lin Dahu transformed himself, he turned into a bird with dozens of wings behind his back.

"This is the form of the king of darkness, you will feel a terrifying power" he said to Ye Chen, he told that Ye Chen would feel such a terrifying power.

"Darkness Wing of Death" he attacked Ye Chen, he used the wings to attack Ye Chen.

Using the wings behind his back, he shot millions of feathers like a projectile.

Everyone who was hit would instantly shatter and die, this was a terrifying technique. I think you should take a look at

"Flame Star Sea" Ye Chen used a new technique that he mastered while practicing together with Chu Yuechan, this was a flame technique that spread like a domain.

Around Ye Chen became like a sea of flames, everything around was burned by Ye Chen's flames.

The range of this technique is so vast, it can even devour a star and turn it into a smoldering sea of flames.

With Ye Chen's newly acquired ability, he burned all the projectiles aimed at him, even the body of Lin Dahu began to melt.

"Impossible, what kind of strength is this?" Lin Dahu couldn't believe that Ye Chen had this kind of strength, the strength possessed by Ye Chen was so powerful and terrifying.

Ye Chen's strength was so great that it made the body of Lin Dahu who was so strong unable to endure.

"You will feel the power I have" he informed that Lin Dahu would feel the power possessed by Ye Chen.

Lin Dahu's wings began to fall, it began to fall off and burn into ashes.

"arghhhh. . ." Lin Dahu shouted, he screamed and his entire body was on fire.

The scream from Lin Dahu was so loud, it seemed like he was experiencing such intense pain.

"It will be troublesome if he dies, I still don't know the location of Yuan Sheng" Ye Chen will first find out the location of the enemy, with Lin Dahu's memories.

Ye Chen should be able to find the whereabouts of Yuan Sheng.

Ye Chen burned Lin Dahu for some time, after some time later, Ye Chen extinguished his fire.

The body of Lin Dahu was quite bad, his condition was now quite terrible as a result of Ye Chen's attack.

"Now let's see what you are hiding" Ye Chen said to Lin Dahu, he wanted to know what Lin Dahu was hiding.

Ye Chen entered into the mind of Lin Dahu, he found out what Lin Dahu had.

When Ye Chen searched through Lin Dahu's mind, he found something quite interesting.

He found some conversation they had, a conversation between an important person.

"There is a mastermind behind doctor Yuan Sheng, who is it" Ye Chen searched, he wanted to know who that person was.

Even though Ye Chen had used all the skills he had, he could not clearly see the face of that person.

"I can't see it clearly, who is that person?" Ye Chen didn't find the answer, he couldn't see who doctor Yuan Sheng was talking to.

"Useless, I can't find who it is" Ye Chen said to Chu Yuechan, he couldn't find who it was.

"Too bad" Chu Yuechan said to Ye Chen, even Ye Chen couldn't find the person.

"Just look for his location" Chu Yuechan said to Ye Chen.

She told Ye Chen to look for the location of Yuan Sheng.

"I'm working on it" Ye Chen wanted to know the exact location of Yuan Sheng.

Some time later, Ye Chen finally found the exact location of Yuan Sheng.

"Found it" Ye Chen found it, he found the exact location of Yuan Sheng.

"We can go there, where is Chen Xing" Ye Chen searched for Chen Xing, he had already found the whereabouts of the enemy.

"Apparently, she is still in the battle" Chu Yuechan said to Ye Chen, she told Ye Chen that Chen Xing was in battle.

Chen Xing was now fighting, she was fighting a woman who had the power of poison, this woman fought like a snake, so agile and full of venom.

"You are so beautiful, I am so envious of you" She said to Chen Xing, she saw that Chen Xing was so beautiful and made her envious.

Chapter 2799 Found The Main Hiding Place Of Number One King Goblin

Chen Xing did not respond to the women in front of her, she was more focused on the battle, as this woman wanted to use underhanded methods to defeat her.

Chen Xing realized that every part of this woman's body was full of venom and poison, and the slightest slip of the tongue could expose her to poison.

Chen Xing coated herself in wind armor, so she should be safe from projectiles or anything else the woman might try to throw at her.

"You don't want to attack me" she said to Chen Xing, she telling her to attack her.

"You won't be able to survive if I attack you" Chen Xing told her that she wouldn't be able to survive if Chen Xing attacked her.

"Don't underestimate me" she told Chen Xing, she was angry that Chen Xing underestimated her.

"Snake Poison shoot" she shot poison towards Chen Xing, she used more power to defeat Chen Xing.

Chen Xing used the wind to deflect the attack, by using the wind, she could easily deflect the attack.

"What?" she was surprised when she saw what Chen Xing did.

Chen Xing was able to parry the attack so easily, it was quite surprising.

"I will not lose to you" she decided to attack Chen Xing, the second attack was much stronger compared to the previous one.

"You don't want to give up" Chen Xing said, she gave a chance for the opponent to give up.

"You're kidding me, I will definitely never give up" she informed that she would never give up.

"How stubborn" Chen Xing said that it was so stubborn.

"Just watch, I'll beat you" she told Chen Xing.

"Slash. ." Che Xing launched an attack, she used just one finger to destroy the enemy.

Chen Xing instantly paralyzed the woman in front of her, she injured both legs and hands of the woman in front of her.

"This hurts" she said to Chen Xing, this was so painful for her.

"Enough fooling around, I'm going to end this" Chen Xing ended the battle.

she paralyzed the woman in front of her with a slight tap.

Although it was only a light tap, it instantly rendered her unconscious.

Chen Xing was a great woman, a single strike would naturally be extremely powerful and terrifying.

"Looks like you're done too" Ye Chen said to Chen Xing, he saw that Chen Xing was done.

"I'm done, how about you ?" Chen Xing said to Ye Chen.

"Here I'm done, I've even found the place of that doctor, let's go right now" Ye Chen said to Chen Xing.

"Then I will take care of all of them, let them all get the punishment they deserve" Chen Xing said.

Chen Xing left the rest here to her troops, although the troops of Chen Xing were not big, it was still a very reliable troop.

Ye Chen looked around, there seemed to be people who wanted to keep an eye on him.

Ye Chen decided to use the God Mask.

"What's wrong" Chen Xing asked Ye Chen, she wanted to know why Ye Chen did that.

"It seems like someone is watching, I don't want others to know my whereabouts, it's troublesome" Ye Chen said to Chen Xing, he told Chen Xing that he didn't like troublesome things.

"So that's it, I thought what happened, it turned out like that" Chen Xing understood, she could understand what happened now.

"Come with me" Ye Chen said to Chen Xing, she told Chen Xing to come along with her.

"Understood" Chen Xing followed Ye Chen, they went to a place called the Red Abyss.

"This place, isn't this the red abyss" Chen Xing said to Ye Chen.

"um, that's exactly right, this is one of the places I told you about" Chen Xing told Ye Chen, he told her that this was the place.

"So where is he now?" Chen Xing asked Ye Chen.

"He is currently down there" Ye Chen told Chen Xing, he told her that Doctor Yuan Sheng is currently down there.

"So that's it, good hiding place, not many people would think of using a place like this to hide" Chen Xing said.

"That's true, he's smart for choosing a place like this to hide" Ye Chen said.

Doctor Yuan Sheng was smart for choosing a place like this, a place like this is very good for hiding.

"Let's go down right now" Ye Chen said to Chen Xing.

He invited Chen Xing to come down.

"Got it" the two of them went down, they went down and walked around this place.

This place was red like blood, this was a not-so-comfortable scene.

Although uncomfortable, Ye Chen and Chen Xing still went forward.

"It should be around this place" Ye Chen said to Chen Xing, if Ye Chen was not mistaken, it should be around this place.

"I will help you" Chen Xing said to Ye Chen.

They searched together, both of them split up and searched around.

Ye Chen used God Eyes, with that his search area was much wider compared to Chen Xing.

After searching around, Ye Chen finally found a cave.

"Found it" Ye Chen said to Chen Xing.

"I'll be there" Chen Xing who got the transmission sound from Ye Chen immediately came to meet Ye Chen.

"So this is the place" Chen Xing said to Ye Chen.

"Of course, this is the place" Ye Chen said to Chen Xing, he told her that this was the place.

"Let's go in" Chen Xing said to Ye Chen.

"Wait a moment" Ye Chen said to Chen Xing.

"What else is it?" Chen Xing asked Ye Chen, she wanted to know what Ye Chen was going to do.

"You wait here first" Ye Chen said to Chen Xing, he felt something from inside there.

Ye Chen used his clone, he told the Clone to go in and secure the route.

"Is that the replacement body you have" Chen Xing asked Ye Chen.

"That's right, it's the replacement body I have, it will secure a place for both of us" Ye Chen said to Chen Xing.

Ye Chen was sure that Yuan Sheng's doctor had set up so many traps, that person would definitely not let Ye Chen and Chen Xing in just like that.

"Booom. . ." From inside Ye Chen and Chen Xing listened to the explosion, it seemed like Ye Chen's Clone had triggered all that and secured the route.

"That's really great and very helpful under these circumstances" Chen Xing said to Ye Chen, she told him that Ye Chen's Clone could help them.

"That's right, let's go in" After the route was secured by Ye Chen, the two of them finally went inside.

Since the way was cleared by Ye Chen, the two of them could easily arrive at the place of Doctor Yuan Sheng.

"hahaha, you guys really came" Doctor Yuan Sheng said to Ye Chen.

"Stop doing that, you've harmed so many people" Chen Xing said to Doctor Yuan Sheng.

"Hahahaha, you guys are too late, I've already made it" Doctor Yuan Sheng said to Ye Chen and Chen Xing.

They saw a human figure inside a tube filled with water, this figure was like a goblin, but his body was not too big and looked like a bodybuilder.

"Is it the Number One King Goblin, not too big, human-like?" Ye Chen said to Chen Xing.

"I don't know that either, there aren't many descriptions, but if it is true, then it will be a problem" Chen Xing said to Ye Chen.

Chapter 2800 Against Doctor Yuan Sheng (1)

"Can you stop Number One King Goblin, I will stop doctor Yuan Sheng" Ye Chen said to Chen Xing.

"Are you sure" Chen Xing said to Ye Chen.

"I can handle it, you just handle the Number One King Goblin" Ye Chen said to Chen Xing.

Ye Chen would stop doctor Yuan Sheng, meanwhile let Chen Xing defeat the Number One King Goblin.

"I understand, I will take care of it" Chen Xing understood, she would take care of the problem.

The two had divided the tasks, they could solve the problem by dividing the tasks.

With that the two began to move, they began to move to solve the problem that was happening right now.

"What you guys are planning, what you guys are planning is of no use to me" Doctor Yuan Sheng said to Ye Chen and Chen Xing.

"Since the situation has become like this, there is no choice but to face you" Ye Chen said to Doctor Yuan Sheng.

"Are you sure, there is no chance for you to win against me, behind me there are powerful monsters that can destroy you" Doctor Yuan Sheng said to Ye Chen.

"Dimension Wall" Ye Chen created a wall, he intended to withstand the attack by using that.

"Right now you two won't be able to get out" Ye Chen told that Doctor Yuan Sheng and Number One King Goblin wouldn't be able to get out of this place.

Ye Chen had closed their way to escape from this place.

"husband, what did you just do ?" Chen Xing asked Ye Chen.

"I just made a boundary wall around" Ye Chen said to Chen Xing.

"So they won't be able to escape from this place" Chen Xing said to Ye Chen.

"No way, they won't be able to get out of this place" Ye Chen told her that they wouldn't be able to get out of this place.

The wall created by Ye Chen was strong enough to hold them from getting out of this place.

"Do you think you can hold us with such a cheap trick?" Doctor Yuan Sheng said to Ye Chen.

"Why not, you can see it" Ye Chen said to Doctor Yuan Sheng.

"Let me show you the power of the Number One King Goblin" Doctor Yuan Sheng said to Ye Chen, he will show you the power of the Number One King Goblin.

"Crack. . ." the glass started to break, when the glass shattered, the Number One King Goblin came out from inside and a powerful aura engulfed this place.

"Such a powerful and huge aura" Chen Xing did not expect that the Number One King Goblin would have such a powerful and huge aura.

"I don't want to admit this, but the aura of that monster is so strong and big" Ye Chen had to admit that.

Number One King Goblin was like a walking electrical substation with a stinging power.

"Have you felt it" Doctor Yuan Sheng said to Ye Chen and Chen Xing.

"Of course" they said that they had felt it.

"Let me show you the power of the Number One King Goblin" he said to Ye Chen.

"Destroy the barrier" Doctor Yuan Sheng gave an order to destroy the barrier Ye Chen had.

"Husband, this is bad, it looks like the monster can destroy the barrier you created" Chen Xing said to Ye Chen.

Chen Xing believed that the monster could destroy Ye Chen's barrier.

The strength of the Number One King Goblin was quite large and it might happen.

"Take it easy, it won't happen" Ye Chen told her that it wouldn't happen.

Ye Chen believed in his defense, no one would be able to break through that easily. I think you should take a look at

Even if it was the Number One King Goblin with terrifying power.

The Number One King Goblin began to gather strength, a black ball appearing on its chest.

It seemed like the Number One King Goblin was going to shoot it towards Ye Chen's barrier.

"Come closer" Ye Chen said to Chen Xing, he told Chen Xing to come closer.

It seemed like this was going to be a problem, so Ye Chen would protect Chen Xing for a while.

Chen Xing hid behind Ye Chen, she believed in the abilities possessed by Ye Chen.

"You believe in the abilities I have" Ye Chen said.

"You can move places by using the teleportation ability, I will of course believe in that" Chen Xing said.

Chen Xing told him that she would believe in Ye Chen's ability.

"Destroy the barrier so we can get out of this place" Doctor Yuan Sheng gave an order, he ordered to destroy Ye Chen and Chen Xing.

"fire" he fired an attack towards the dimensional barrier.

"Booom. ..." a huge explosion occurred, this explosion was so big that it made shocks all around.

The explosion lasted a few seconds and left this place destroyed, the entire research of doctor Yuan Sheng was also destroyed.

Doctor Yuan Sheng didn't really care about things like this.

He had gotten what he was looking for, so all this was of no use to him.

"hahaha, have you seen the power of the creation I have, isn't it very powerful" Doctor Yuan Sheng said to Ye Chen and Chen Xing.

"But you might have crumbled into dust" Yuan Sheng said.

Doctor Yuan Sheng believed that Ye Chen and Chen Xing would not be able to survive the attack.

"Didn't you conclude too quickly" Ye Chen spoke, he answered the words of Doctor Yuan Sheng.

"What! !!" doctor Yuan Sheng looked shocked when he saw Ye Chen was still alive, he honestly did not believe that Ye Chen could still be alive after receiving such a strong attack.

"Your attack was weak, it couldn't even break my barrier" Ye Chen said to doctor Yuan Sheng.

"Huh?" Doctor Yuan Sheng immediately looked at the barrier behind Ye Chen, he could see that the barrier behind was still intact.

"What happened, how is it possible?" Doctor Yuan Sheng couldn't believe it, the attack from Number One King Goblin should have leveled everything, but why couldn't it destroy Ye Chen's wall.

"The answer is obvious, the monster you made is weak" Ye Chen said to doctor Yuan Sheng.

"Nonsense, that's impossible, the monster I created is so strong, there's no way it can lose to you" Doctor Yuan Sheng said that his creation was the strongest.

Number One King Goblin is a powerful monster and full of terrifying power.

"Then how do you explain that?" Ye Chen said to Doctor Yuan Sheng.

Doctor Yuan Sheng was speechless when he listened to what Ye Chen said, he was speechless when he listened to what Ye Chen said.

"Attack them again" Doctor Yuan Sheng told Number One King Goblin to attack Ye Chen and Chen Xing.

With that, the Number One King Goblin attacked Ye Chen and Chen Xing for the second time.

"That person gave the order, I will take care of it, please hold Number One King Goblin for a while" Ye Chen said to Chen Xing.

"I understand" Chen Xing understood, she understood the desire Ye Chen had.

Chen Xing went to restrain the Number One King Goblin, meanwhile Ye Chen fought doctor Yuan Sheng.
