

## **True God 2831**

Chapter 2831 Kneel down and apologize, if not, all of you will be destroyed

"It's useless, he won't be willing to listen to you" Yu Muyin said to Ye Chen.

Yu Muyin said Cao Cao would not listen to Ye Chen.

This person is an arrogant person, even the master is having trouble fighting this person.

"If that is true, I will take care of it for you" Ye Chen said that he would take care of Cao Cao.

Cao Cao had yet to find an enemy comparable to himself, that's why he was so arrogant and looked down on Ye Chen.

"I repeat once, this is the last warning, bring the person named Cao Longhe to me, don't make me repeat the matter over and over again" Ye Chen gave the last warning.

"That won't happen" Cao Cao refused Ye Chen's request.

He rejected Ye Chen's request to bring Cao Longhe out.

"So that's the decision you made, if that's the decision you made, don't blame me" Ye Chen said, he would no longer hold back.

"Boom. . ." Ye Chen released full force, it made people retreat and a great many people fainted when they felt Ye Chen's aura.

Ye Chen's aura was so big and so powerful, so it was not strange that many could not hold on when feeling the pressure from Ye Chen.

Even the strong Cao Cao was forced to retreat by Ye Chen.

"No way, I'm being forced back, this is impossible" he didn't expect to be forced back by Ye Chen.

"all elders, gather and help me" Cao Cao gathered everyone, he intended to fight Ye Chen with everyone's help.

By using everyone's help, he should be able to bring victory to himself.

It was not a difficult thing when he was helped by so many people.

All the elders immediately gathered and gave their help to Cao Cao.

They made a formation and surrounded Cao Cao.

By using this formation, they could protect Cao Cao, it was a defensive formation that was so strong that it would not be easy to destroy.

They are the defense for Cao Cao, by using this, Cao Cao can hardly be attacked by the opponent.

"Cao Cao used a ranged attack against Ye Chen, he picked up a bow and shot it at Ye Chen.

"An arrow user, I rarely meet someone like this" Ye Chen stated that he rarely fought people who could use bows.

Cao Cao aimed towards Ye Chen, he intended to defeat Ye Chen with a single attack.

After getting the target, he immediately released an arrow, it shot towards Ye Chen and headed towards Ye Chen's head.

The arrow shot out was so powerful, it was so powerful that it split the air around and seemed to have such great destructive power.

It shot out quickly and in a matter of less than 2 seconds, it was already in front of Ye Chen's eyes.

Ye Chen stretched out his hand, he stopped the arrow using his bare hands.

Before the arrow hit Ye Chen, Ye Chen had already caught the arrow.

"No way" all of them who saw this were shocked to see Ye Chen was able to catch the arrow with such speed.

Even they themselves couldn't see it, they couldn't see Cao Cao's shooting.

"No way, he caught it" Cao Cao who was doing the shooting couldn't believe it.

If Ye Chen dodged him it might be possible, but when he caught him, it was already absurd.

Yu Muyin saw what Ye Chen was doing, she was very worried about what Ye Chen was doing.

Yu Muyin thought that Ye Chen would not be able to overcome this and that something bad would happen to Ye Chen.

But none of that happened, Ye Chen could overcome the problem easily.

"He is strong" Yu Muyin had to admit that Ye Chen was strong, he could solve the problem at hand with his strength.

"I will make a second attack" Seeing that the first attack was held back by Ye Chen, Cao Cao intended to attack Ye Chen again.

This time he would use more power in order to destroy Ye Chen.

"Shooting Immortal Slayer Arrow" Cao Cao used a powerful attack, profound energy gathered in the arc and a great power shot towards Ye Chen.

The current shot from Cao Cao was so powerful, it was so strong and directly targeted Ye Chen.

Because the power was so large and wide, it was like a star heading towards Ye Chen.

This attack could definitely destroy a star easily.

"Dodge quickly, that is the strongest attack from the sect leader, it will hunt you down to the end of the world" Yu Muyin gave Ye Chen a warning, she told him that the attack was so strong.

"I will endure it, you stay behind" Ye Chen told Yu Muyin.

"Wait a minute, what did you say earlier" Yu Muyin said to Ye Chen, she was quite surprised when she listened to what Ye Chen said.

"Back off, I will endure this" Ye Chen repeated again, he told her that he would endure Cao Cao's attack.

"Don't do that, it's dangerous and crazy" Yu Muyin said.

"You can calm down and look at it" Ye Chen told Yu Muyin.

"Husband, you . . ." Yu Muyin spoke to Ye Chen.

She was still worried when she listened to what Ye Chen did.

If Ye Chen did that, then it would be a big problem, what Ye Chen did was too risky.

Although Ye Chen was strong, there was no guarantee that he could survive such an attack.

"It's coming, let's finish it" Ye Chen will finish it, he will finish what he started.

Ye Chen gathered strength as well, he intended to resist the attacks that were coming towards him.

Using his full strength, Ye Chen showed the power he had.

"Divine Sword Intent" Ye Chen drew his sword, he showed his ability and strength.

After a long time, Ye Chen showed his strength.

He showed his strength to deal with Cao Cao's attack.

Ye Chen released a powerful slash, this slash was so powerful that it split Cao Cao's attack into two pieces.

The powerful attack that Cao Cao was proud of was split into two parts, it even split the Endless sky Sect into two parts, it was such a great power, people who saw it would definitely be amazed by the attack just now.

Cao Cao and all the elders present fell silent when they saw Ye Chen smashing the sect into two halves, they were just speechless seeing their sect become two halves by the slash just now.

"You guys still want to try to fight me" Ye Chen asked, do they still want to fight Ye Chen.

They all looked towards Ye Chen, they started to sweat coldly when listening to what Ye Chen said.

They all retreated, they all felt afraid of Ye Chen.

After seeing the strength possessed by Ye Chen, they now no longer messed around, if they messed around, they would definitely be destroyed.

"he is really amazing, making everyone scared like that" Yu Muyin praised Ye Chen.

Ye Chen was so great, he made everyone afraid with absolute power.

Now no one would dare to go against Ye Chen.

Even Cao Cao who was so arrogant didn't dare to mess around anymore.

"Kneel down and apologize, if not, all of you will be destroyed" Ye Chen gave an order.

Chapter 2832 Cao Longhe Became A Fugitive

Cao Cao and everyone else hesitated when they listened to Ye Chen's orders.

Honestly, they were not willing to do what Ye Chen ordered.

"You dare to refuse, you are looking for trouble" Ye Chen again showed strength, and made everyone become afraid.

All of them who saw this became scared, they were afraid of the power shown by Ye Chen.

"Forgive us" they all apologized to Ye Chen, they knelt down and apologized to Ye Chen.

They finally obeyed what Ye Chen ordered, they apologized to Ye Chen.

"Now, are you going to bring that person out" Ye Chen asked.

Ye Chen told them to bring Cao Longhe out, he wanted to settle things with Cao Longhe.

"Bring him out right now" Cao Cao gave the order, to ease Ye Chen's anger, he couldn't do anything else but sell Cao Longhe.

If he didn't do that, Ye Chen might destroy the sect, so Cao Cao preferred the sect to Cao Longhe.

Someone was sent to bring Cao Longhe, he was sent to bring Cao Longhe before Ye Chen for trial.

With that he went to find Cao Longhe.

Cao Longhe had to take responsibility for what he had started.

He had to take responsibility for doing such a bad thing to Yu Muyin.

Everyone waited frantically, they all felt pressured by Ye Chen, while Ye Chen himself was quite relaxed in waiting.

A while later that person came back, it was a pity that Ye Chen and Yu Muyin didn't see Cao Longhe together with that person.

"Why did you come back alone?" Cao Cao asked, he wanted to know why Cao Longhe didn't come together with him.

"Master, young master is not around the Sect, I have searched every place, but he is not there, I think he ran away" he informed that Cao Longhe might have run away.

"What are you saying ?" Cao Cao looked angry when he heard this.

"That person. ." Not only did he offend a strong person, that person also ran away, it really made Cao Cao angry.

"did he run away" Ye Chen asked, he showed even more terrifying strength and made everyone become even more panicked.

"I'm sorry, I will look for him immediately" Cao Cao told that he will look for Cao Longhe immediately.

"Are you sure you can find him?" Ye Chen asked Cao Cao.

"Of course" Cao Cao told that he will definitely find Cao Longhe.

"Alright, I will give you some time, if you don't catch him soon, you will all suffer the consequences" Ye Chen said to Cao Cao and everyone in this place.

Ye Chen will give time for them to find and catch Cao Longhe.

At the same time Ye Chen wants to avenge what Cao Longhe has done to Yu Muyin.

Let Cao Longhe know how it feels to be chased as a fugitive, Ye Chen would probably enjoy this.

"Alright, I'll do it right away" he informed that he would immediately go to find and capture Cao Longhe.

"Remember well, don't make me wait long" Ye Chen told Cao Cao, he told Cao Cao not to make Ye Chen wait long.

"I will move immediately" with that Cao Cao immediately sent people to catch Cao Longhe.

"One more thing, if you dare to disturb him, you will get the consequences" Ye Chen also told not to disturb Yu Muyin anymore.

Ye Chen didn't like it when they disturbed Yu Muyin.

"Understood" Cao Cao immediately understood, they will no longer bother Yu Muyin.

"Let's go" Ye Chen said to Yu Muyin.

"I understand" Yu Muyin understood, she also had no reason to stay in this place.

With that Ye Chen and Yu Muyin left, Ye Chen withdrew his aura and made everyone become relieved.

"Quickly go and find Cao Longhe, that person has put the sect in trouble and ran away, he must take responsibility for this matter" Cao Cao said to all the elders here.

"He must suffer the consequences" They all agreed to catch Cao Longhe. I think you should take a look at

They started to send their best disciples to find Cao Longhe.

Since Cao Longhe was strong, they had no choice but to send their best disciples to take care of Cao Longhe.

That way they could catch Cao Longhe.

Cao Longhe had high strength because he was well trained, so the best elders and disciples were sent to capture Cao Longhe.

"husband, what are you planning to do" Yu Muyin asked Ye Chen.

"hehehehe, I let that person feel what you feel" Ye Chen told that he made Cao Longhe feel what Yu Muyin felt.

"What do you mean, I don't understand" Yu Muyin asked Ye Chen.

Ye Chen started to explain what he wanted, he wanted Cao Longhe to feel what Yu Muyin had felt.

"Thank you very much" Yu Muyin thanked Ye Chen, Ye Chen had given justice to Yu Muyin.

"You did just that" Chen Xing said to Ye Chen.

"of course, let him feel what it is to be a fugitive" Ye Chen said.

"You're quite kind, if it was me, I wouldn't let go so easily and arrest him right away" Chen Xing told Ye Chen.

"I know, but it doesn't really matter to me, if you want I can catch him now" Ye Chen said to Chen Xing.

"I see, then this matter is over" Chen Xing said.

He told Ye Chen that this matter was over.

"You're absolutely right, the matter is over, now no one will bother you anymore" Ye Chen said.

Ye Chen told her that now no one will bother Yu Muyin.

Yu Muyin smiled, she was so happy to hear this.

"Then let's go back" Chen Xing invited Yu Muyin to go back.

"husband, are you coming?" Yu Muyin asked Ye Chen.

"Maybe later, I will go to pick up Chen Ting's order, so for now, I won't be able to be with you guys" Ye Chen said.

"I see, I understand" Yu Muyin understood, she would wait for Ye Chen.

"If that's what you want, we will go" Yu Muyin said to Ye Chen.

"Let's go" Chen Xing brought Yu Muyin, she brought Yu Muyin along with herself.

Meanwhile Ye Chen went to Desire Sky Villa, he went to Desire Sky Villa and paid for the items ordered by Chen Ting.

When Ye Chen arrived, the melody gold pearl item was already there and Ye Chen paid for it.

After that Ye Chen took the initiative to repair Chen Ting's broken musical instrument.

Since Ye Chen had quite a bit of time to himself, he repaired and made the best instrument for Chen Ting.

He would upgrade Chen Ting's instrument to a newer one.

But this would definitely take about a few days, and Ye Chen had to teach her, he worked on this making meticulously and patiently.

Ye Chen was alone, no one was an assistant for Ye Chen, he worked alone to make this thing.

Meanwhile in a secluded place where there are no people.

Right now Cao Longhe is in hiding, he got into trouble and chose to take refuge in this place and far away to be found.

"Damn it" Cao Longhe was so angry, he was so angry when he knew what that person was doing.

"Who is that person, why does he have such power" Cao Longhe still doesn't know who Ye Chen is, why does Ye Chen have such power.

Chapter 2833 Cao Longhe gained such tremendous strength

In addition, how can Yu Muyin get protection from such a person, it naturally makes Cao Longhe angry and very upset.

Right now Cao Longhe is alone, there is no one to serve him and no women around.

This really made him feel so desperate.

People from the sect will definitely hunt Cao Longhe down.

They have a personal grudge with Cao Longhe and will go after him.

Cao Longhe was so sure about the matter, they would definitely come and wouldn't let Cao Longhe go so easily.

Cao Longhe is quite disliked within the sect, many people have personal grudges, and now is their time for revenge, it's going to be quite bloody.

Cao Longhe had to do something about the problem that was currently afflicting him.

He didn't want to stand by and die here, plus there was no guarantee when he was captured and handed over by Ye Chen.

Unfortunately Cao Longhe found a dead end, he has no way to win against Ye Chen, every way will be useless, if even father and all elders can't fight Yu Muyin's supporters, then there is no chance for Cao Longhe to win.

"hey boy, you have a problem, do you want to become stronger" a black figure appeared, he asked Cao Longhe.

"Who are you" Cao Longhe was surprised, he didn't know that there were other people around this place.

"Take it easy, I'm not going to kill you, instead I'm making an offer for you" He said to Cao Longhe.

"Why should I believe what you say?" Cao Longhe said that he did not believe what the person in front of him said.

"You have no choice, look at you now, you don't have anything, you lost everything and it might be worse than now, what can you do now" He said to Cao Longhe.

Cao Longhe thought about what the person in front of him said, what the person in front of him said was absolutely right.

Cao Longhe had lost everything, and this was because of Ye Chen and Yu Muyin.

"I can give you the power to fight that person" he said that he could give him the power to defeat Ye Chen.

"Why do you want to give me the power to defeat that person?" Cao Longhe asked.

He still didn't know the purpose of such a mysterious person in front of him, he didn't even know who the person in front of him was.

"My master has some business with him, that's why he is upset and wants to get rid of that person" he said to Cao Longhe.

"Is that the person behind Yu Muyin?" Cao Longhe asked.

"Of course, that is the person, he is a troublesome person and my master wants to destroy him, and he chose you, are you going to miss this opportunity or not" he told Cao Longhe.

He gave him a chance to become stronger and stronger.

"How strong can you give me the power" Cao Longhe asked.

He wanted to know how strong his power would be.

"Strong enough to control the entire sect under your feet" he told Cao Longhe.

He promised a power that could control the entire Endless Sky Sect.

Cao Longhe was moved when he heard what he could get.

"You're not going to lie me ?" Cao Longhe said, he still couldn't believe it.

"Then why don't you try it, this is the power that will make you strong." Cao Longhe said, he still couldn't believe it.

He took a black pearl, the black pearl emits a power so strong and so terrible.

With this, you will become stronger than you are now" he said to Cao Longhe.

Cao Longhe saw the object, he became greedy and wanted to get it.

"Give it to me" Cao Longhe said, he wanted it.

"Wait a minute" He said to Cao Longhe.

"What's wrong?" Cao Longhe asked why he didn't give the power to Cao Longhe immediately.

"You must complete the task from my master, destroy that person, if you don't do it, you will be destroyed" he told Cao Longhe.

"I understand, I will destroy that person" Cao Longhe said that he would destroy Ye Chen.

That's why he needed a power to destroy Ye Chen.

"Remember your words, my master can give this power to you, but he can also take it back, so don't make it".

unnecessary trouble" he threw the pearl to Cao Longhe.

Then he disappeared, leaving Cao Longhe alone.

The place became quiet again, there was only Cao Longhe alone in this place, there was no one else in this place.

Cao Longhe thought it was just an illusion and not reality, but on second thought, it wasn't an illusion, it was real and Cao Longhe could feel the power of the black pearl in his hand.

"This is power" Cao Longhe said that this was power, he would gain power if he used this thing.

Cao Longhe wasted no time and immediately used it, he used what the mysterious person gave him.

After Cao Longhe used it, a power burst out of his body.

This power began to change Cao Longhe's body.

Cao Longhe's previously ordinary body instantly changed, it became bigger and better and bigger muscles began to form.

His hair also changed, it became white with red eyes that were so hideous and terrifying.

The aura possessed by Cao Longhe also began to change, he became more terrifying and stronger compared to before.

In addition, Cao Longhe gained tremendous strength, he increased his strength and abilities to become so strong in such a short time.

Cao Longhe saw the changes he had, he felt stronger and more powerful, he felt like he could do anything with ease.

"So this is power, it's so strong, I can do anything I want" Cao Longhe felt that he could do anything he wanted.

"Boom. . ." A sword fell in front of Cao Longhe.

It destroyed Cao Longhe's entire hiding place.

"What is it?" Cao Longhe looked at the purple sword that had just destroyed his hiding place.

"Take that sword, it's a sword capable of killing your opponent, the more it drinks blood, it will bring out the strongest potential" a voice said to Cao Longhe.

Cao Longhe smiled when he heard this, he didn't think much and immediately picked up the sword in front of him.

When Cao Longhe tried to pick up the sword, it resisted him.

But after knowing Cao Longhe's strength, the sword finally accepted and submitted to its master.

It looks like this sword will never be used by anyone other than Cao Longhe.

Cao Longhe got the full set of power from one person.

"Hahahahahaha" Cao Longhe laughed, it was time for him to take revenge for what happened.

"Now I don't need to run, come to me" Cao Longhe said that he didn't need to run, he would cut down anyone who dared to fight him.

Cao Longhe declares war, with this power, he will start to fight, there is nothing to be afraid of anymore, he will fight everyone who wants to catch him.

.

.

After a few long days, Ye Chen finally finished.

"Finally finished, it took longer than I imagined" Ye Chen took quite a long time to finish one.

Even so Ye Chen was so satisfied with the results he got, he got very satisfying results once and Ye Chen would not complain about this matter.

Chapter 2834 finished repairing Chen Ting's musical instrument

He would not complain about what he had made because it was a marvelous work.

"I wonder how she will react when she sees this" Ye Chen wanted to know Chen Ting's reaction.

Chen Ting will definitely like this, Ye Chen has made something really good and Chen Ting will definitely like what Ye Chen has made.

After that Ye Chen went straight to meet with Chen Ting and Chen Xing.

He wanted to know what they were doing.

Ye Chen went to Chen Xing's place, he could get in and out of Chen Xing's palace easily.

Chen Xing was now in such a vast and closed training ground.

There were so many barriers in this place to prevent people from going in and out.

"What's going on, why is he making things like this" Ye Chen wanted to know, what exactly was going on.

Ye Chen immediately went and entered, he saw what happened.

Ye Chen saw what happened, he could see what Chen Xing was doing inside.

She was giving exercises to Yu Muyin and Chen Ting.

Ye Chen saw what exercises Chen Ting and Yu Muyin were giving.

"Do it harder" Chen Xing said.

she told them to practice harder.

They were practicing battle and their enemy was Chen Xing.

Chen Xing trained them personally, she attacked them and made it difficult for Chen Ting and Yu Muyin.

Chen Ting continued to dodge Chen Xing's attacks, while Yu Muyin looked for an opportunity to launch an attack towards Chen Xing.

It could be said that their cooperation was quite bad, it made their position worse, and in addition Chen Xing attacked seriously, the slightest off guard they would be blown away and injured.

"Boom" Chen Xing continued to attack, she launched a powerful attack and made Chen Ting and Yu Muyin confused.

"It's not strange that a faction leader like Chen Ting is so afraid, the way she trains is so extreme" Ye Chen understood why Chen Ting was afraid of Chen Xing.

"Fufufufu, it's for their own good" Chu Yuechan said.

Chu Yuechan understood what Chen Xing was doing.

He was doing this to make Chen Ting and Yu Muyin into great and strong women.

"It's still hard for both of them" Ye Chen said to Chu Yuechan.

"You don't want to join them" Chu Yuechan asked Ye Chen.

"Does Ye Chen want to join or not?" She was curious about that matter.

"I don't think I will join" Ye Chen told her that he would not join and would watch from here.

The battle continued with Chen Xing attacking them.

"You want to kill us, you attack seriously" Chen Ting said.

Chen Ting complained that Chen Xing was now attacking seriously.

"Consider me the enemy, the enemy will not joke in attacking you" Chen Xing said to Chen Ting.

"But you're too strong, how can I beat someone like you" Chen Ting said that she would have no chance of winning, beating Chen Xing was impossible.

"Don't protest so much, just do what I say" Chen Xing said.

Chen Xing told them to get up and attack her.

"Don't give up, we can definitely win" Yu Muyin said to Chen Ting.

"Why are you so excited, we won't be able to win against her, she's too strong" Chen Ting said to Yu Muyin.

Chen Ting told Yu Muyin how strong Chen Xing was, there was no chance for them to win against Chen Xing.

"But it's for practice, so it doesn't matter" Yu Muyin said.

Yu Muyin was happy to fight a strong enemy, she could know how strong her strength was.

"You are such a strange woman" Chen Ting said to Yu Muyin, she saw that Yu Muyin was quite strange.

"You should emulate her spirit, that's what you lack" Chen Xing said to Chen Ting.

"Huft. . ." Chen Ting sighed, how long would she continue to be like this, she wanted to go back to being her usual self.

Chen Ting didn't really like Chen Xing's training.

Chen Ting looked around, she found the whereabouts of Ye Chen around this place.

"Ye Chen, you're finally here" Chen Ting called out to Ye Chen, she found an opportunity to escape from training.

Chen Xing and Yu Muyin looked towards Ye Chen, they looked towards Ye Chen who was currently looking at them.

Ye Chen waved his hand, he greeted them all.

Chen Ting seized this opportunity and went to Ye Chen's side.

"Where are you going?" Chen Xing said to Chen Ting.

Ye Chen just smiled hearing this.

Chen Ting ignored Chen Xing and went to Ye Chen's side.

"You finally came too, how about my order" Chen Ting said to Ye Chen.

"It's well done" Ye Chen informed that the order requested by Chen Ting had already been completed.

"I can't wait to see it" Chen Ting said to Ye Chen.

she told him that she wanted to see it.

"Here it is, you can take a look and try it out" Ye Chen gave it to Chen Ting.

Chen Ting received her instrument, it looked much more beautiful than before.

The gold accents and carvings came alive and looked so luxurious.

"Honestly Chen Ting was surprised when she saw this, she didn't expect that Ye Chen would bring out such a good thing.

"Is this really mine?" Chen Ting asked Ye Chen, she could hardly believe that this was her instrument.

"Of course, who else's if it's not yours" Ye Chen said to Chen Ting.

"I'm really surprised, this is amazing, you're really good, I recognize your ability" Chen Ting said to Ye Chen.

Chen Ting recognized Ye Chen's ability, Ye Chen's ability was too strong and too great.

"What did you give her?" Chen Xing asked Ye Chen.

"what is it, is it a musical instrument, quite beautiful" Yu Muyin was also interested, although she couldn't play it, she was quite interested because it looked beautiful.

"this is her musical instrument that I repaired and improved" Ye Chen explained to Chen Xing and Yu Muyin.

"So that's it" Yu Muyin and Chen Xing understood what Ye Chen had just given them, it turned out to be an order made by Ye Chen.

"Can I try this" Chen Ting said to Ye Chen, she wanted to try this.

"Of course, you can try it right away, if anything doesn't fit you can say, I will fix it for you" Ye Chen spoke to Chen Ting.

Chen Ting's face turned red when listening to what Ye Chen said, according to Chen Ting Ye Chen was so handsome and cool.

"Alright, I'll try it" Chen Ting shyly said, she'll try it.

"tone. . . . tone. . . . , tone. . . . , tone. . . . , tone. . . . ," Chen Ting started playing, she played a song that was so beautiful and comfortable to listen to.

Ye Chen, Chen Xing and Yu Muyin enjoyed this, they enjoyed when Chen Ting played.

They felt so peaceful, all their troubles felt so light and gone, they felt more alive listening to this.

Chen Ting was so pleased with Ye Chen's work, it became so beautiful and made Chen Ting feel excited.

10 minutes later, Chen Ting finished the last lyric and ended the song for everyone.

Chapter 2835 a warning for Chen Ting

"applause" Ye Chen clapped his hands, Ye Che liked what Chen Ting did.

Chen Ting presented a song that was so beautiful and so touching.

"I like this, it's so beautiful" Chen Ting said to Ye Chen, she liked this, she really, really liked what Ye Chen made.

"You made that" Chen Xing asked Ye Chen, she didn't expect that Ye Chen had such a good ability.

"Of course, who else can make good things except me" Ye Chen said to Chen Xing.

"You are too confident in your abilities" Chen Xing said to Ye Chen.

"Of course, I'm very confident in my abilities" Ye Chen really believed in his abilities, he believed in his abilities.

"I will pay for this" Chen Ting said to Ye Chen, she will pay for this.

Chen Ting intended to take out the profound crystals, when she did so, she discovered that all her profound crystals were gone.

"Uh, where did all the profound crystals I had go?" Chen Ting was surprised that they were all gone.

"I confiscated them" Chen Xing said to Chen Ting, telling her that she confiscated them all.

"Why did you do that, do you have a problem with me" Chen Ting said irritably.

"I did that so that you wouldn't run away" Chen Xing said that she did that so that Chen Xing wouldn't run away.

"You, you are really bad, you old granny" Chen Ting said.

Chen Ting was angry, she said and mocked Chen Xing.

"What are you saying ?" Chen Xing let out an aura that was so terrifying, she let out an aura that could easily kill people.

Chen Xing looked at Chen Ting with a piercing gaze, it was truly terrifying.

Yu Muyin hid behind Ye Chen, she felt that Chen Xing could destroy everything out of anger.

Ye Chen just smiled when listening to this, it seemed like this was a quarrel between families and Ye Chen didn't have to do anything about this matter.

Chen Ting was getting such strong pressure from Chen Xing, she wouldn't be able to withstand such strong pressure released by Chen Xing.

"What did you just say?" Chen Xing said to Chen Ting, she asked what Chen Ting had just said.

"No, I didn't mean to say that, I said sister" Chen Ting told Chen Xing.

Chen Ting instantly became an obedient woman, she didn't dare to resist Chen Xing.

Chen Xing was starting to show such strong dominance power, it was not strange that Chen Ting would become so obedient.

Everyone would become obedient seeing a beautiful goddess like Chen Ting get angry like that.

"just forget about that matter" Ye Chen said to Chen Xing, he told Chen Xing to forget about the matter.

"Are you sure you want to forget about that matter" Chen Ting said to Ye Chen.

He felt bad for not paying Ye Chen well.

"I will make sure to repay you well, if not with, maybe with something else" Chen Ting said to Ye Chen.

Chen Ting intended to tease Ye Chen, maybe because Ye Chen was cute so Chen Ting teased him for a while.

"What is it?" Ye Chen asked.

"Come here" Chen Ting said to Ye Chen, she whispered something to Ye Chen.

Ye Chen listened to what Chen Ting said.

"Maybe I can pay you with my body" Chen Ting said to Ye Chen.

"Eh . . ." Ye Chen was surprised by what Chen Ting said.

It was unexpected that Chen Ting would be so bold as to say that to Ye Chen.

"You . . ." Chen Xing and Yu Muyin listened to what Chen Ting said, both of them felt annoyed when listening to what Chen Ting said.

"What are you two doing, you both look terrible" Chen Ting said to Chen Xing and Yu Muyin.

"Come with us for a moment" the two of them dragged Chen Ting, the two of them dragged Chen Ting and wanted to talk about the previous matter to Chen Ting.

"Ye Chen, help me" Chen Ting said to Ye Chen, she felt bad about this matter.

Ye Chen didn't help Chen Ting, he pretended not to know what happened.

It seemed like women's problems were more complicated, so Ye Chen wouldn't interfere.

Chen Ting was led to a place by Chen Xing and Yu Muyin.

"What did you just say, don't tease him, saying such things to a man, don't you know shame" Chen Xing said to Chen Ting.

She gave a warning to Chen Ting not to tease Ye Chen.

"That's right, don't tease him, he is a dangerous person, if you keep teasing like that." Yu Muyin said.

Yu Muyin told Chen Ting to be careful, lest Chen Ting underestimate Ye Chen.

"What's wrong with you guys" Chen Ting said to Chen Xing and Yu Muyin.

"We are giving you a warning" Chen Xing and Yu Muyin gave a warning to Chen Ting.

"Ah, don't tell me that you two are jealous, it's easy to shoot" Chen Ting said to Chen Xing and Yu Muyin.

It was likely that the two of them were jealous of Chen Ting for flirting with Ye Chen.

Chen Ting didn't expect that they would be jealous, it was so funny to Chen Ting.

"Fufufufu, how could I possibly tease her more" Chen Ting wanted to tease Ye Chen more and more.

she intended to tease Ye Chen again and again.

It would be fun to see the reactions of Chen Xing and Yu Muyin when they saw that.

Yu Muyin and Chen Xing actually gave a warning, if until Chen Ting did something bad, then she probably wouldn't be able to resist.

Yu Muyin and Chen Xing saw that Ye Chen was the enemy of women, so they told Chen Ting not to underestimate Ye Chen.

"You two, I'll be fine, so you can relax" Chen Ting said to Chen Xing and Yu Muyin.

"Suit yourself, I already told you" Chen Xing didn't care anymore.

"That's right" Yu Muyin also didn't care anymore, let Chen Ting feel it herself.

"Then I'll go first" Chen Ting said that she was going back to Ye Chen's place.

Chen Xing was a little annoyed, Chen Ting still didn't listen to what she said and made Chen Xing feel so annoyed.

"Will she be okay" Yu Muyin was worried about Chen Ting.

"Already, don't think about it too much" Chen Xing said to Yu Muyin.

"I understand" Yu Muyin understood, she would not think too much about this matter.

After a short conversation between the women, they finally returned.

When Chen Xing and Yu Muyin returned, Chen Ting returned to teasing Ye Chen.

Chen Ting was so bold in teasing Ye Chen, she felt happy to be able to tease Ye Chen.

Chen Xing and Yu Muyin could only sigh when they saw this.

There was nothing Chen Xing and Yu Muyin could do about this matter.

"Don't tease me, please faction leader" Ye Chen said to Chen Ting.

"What's wrong, aren't you interested, I'm no less beautiful than those two" Chen Ting said to Ye Chen.

Chen Ting felt that she was not bad, although a little low, she was still one of the beautiful women with quite a number of suitors who wanted to get her.

Because Chen Ting was a gentle and calm woman, quite a few people were interested, they did not know Chen Ting's true nature, if they knew they would probably change their minds.

Ye Chen himself had just seen her, and he was quite surprised that Chen Ting was still quite childish when she was with Chen Xing.

Chapter 2836 news about Endless sky Sect

"Let's get back to training" Chen Xing said to Chen Ting, she told Chen Ting to get back to training.

"I understand" Chen Ting understood, she stopped teasing Ye Chen and returned to training.

When practice was about to resume, Chen Xing received news, she received news from one of her followers.

"Is it true?" Chen Xing did not expect and did not believe this news.

"What's wrong, did something happen?" Ye Chen asked Chen Xing.

"It seems like something unexpected happened" Chen Xing told him that something unexpected happened.

"What's unexpected, quickly tell me" Ye Chen was curious about this matter, he wanted to know what happened.

"Something surprising happened in Endless sky Sect" Chen Xing told Ye Chen.

"what happened, are they trying to attack us" Ye Chen asked Chen Xing.

If they were planning to attack, Ye Chen would not stay silent and would fight back.

"No, they were attacked by someone and destroyed" Chen Xing said.

"Ehhh. . ." Ye Chen and Yu Muyin did not expect that Endless sky Sect would be attacked.

"What does that mean, who attacked them" Ye Chen asked Chen Xing.

"They were attacked by Cao Longhe, somehow he gained such great strength and started the attack on Endless sky Sect".

"Did he get help from someone?" Ye Chen asked, there was no way Cao Longhe would be able to do that by himself.

"No, he was alone, he attacked alone without any help" Chen Xing told Ye Chen.

Cao Longhe attacked alone, he attacked alone and without anyone helping.

"What! ! !, since when did he become that strong?" Yu Muyin asked Chen Xing.

She didn't remember Cao Longhe being so strong.

"That's the problem, I also don't know why he is so strong, it seems like someone is meddling in our affairs" Chen Xing said to Ye Chen.

Chen Xing estimated that someone interfered in their affairs, otherwise there would be no chance for Cao Longhe to be that strong.

Ye Chen as well as Chen Xing started to think, they started to think and figure out what happened.

"What do you think, isn't this a little strange ?" Chen Xing said to Ye Chen.

"That's right, it's definitely strange, there's no way he became that strong in such a short period of time, it definitely can't happen" Ye Chen agreed.

"This is the conjecture I have, there might be someone who helped him" Chen Xing said to Ye Chen.

"That person must have a grudge against us" Ye Chen told her that that person probably had a grudge against them, if not, then there was no way he would attack Ye Chen and Chen Xing.

Plus what was the benefit of helping someone like Cao Longhe, so it was obvious that they had a problem with Ye Chen.

"I don't know who that person is and what his purpose is, but we have to stop him" Ye Chen said to Chen Xing.

"We should find out about this matter first" Chen Xing said to Ye Chen, she told Ye Chen to find out about this matter.

"Is it necessary to catch and find out from that person" Ye Chen said to Chen Xing.

"It is necessary, let's catch that person and find out" Chen Xing said to Ye Chen, she invited Ye Chen to find out by catching Cao Longhe.

As long as they could catch Cao Longhe, then everything would become clearer.

"Let's go" Chen Xing said to Ye Chen.

she invited Ye Chen to go, she would help Ye Chen because she was also responsible.

"I want to come too" Yu Muyin told that she wanted to come and help Ye Chen.

"You stay here and take care of her for me" Chen Xing told Yu Muyin, she asked Yu Muyin to help take care of Chen Ting and this place.

"But I want to help" she wanted to help Ye Chen and Chen Xing because this was also her problem.

"You can be here, this doesn't seem to be just your problem, it seems to have something to do with our previous problem" Ye Chen said to Yu Muyin.

"That's right, I can't involve you, it will be a bigger problem if you get involved because the opponent is a strong and terrible person" Chen Xing told that their opponent must be a strong person.

and Chen Xing did not want to involve Yu Muyin with a strong opponent, it would put Yu Muyin in even more serious danger.

"You can leave the matter to them, they will solve the problem" Chen Ting said to Yu Muyin, she told her that Ye Chen and Chen Xing will solve the problem in their way.

Chen Ting was so confident in Ye Chen and Chen Xing's strength, there was no way they would lose to the enemy.

"um" Yu Muyin just nodded, she also believed in the ability possessed by Ye Chen.

If it was Ye Chen, he could definitely defeat Cao Longhe.

"let's go, can't waste any more time" Chen Xing said to Ye Chen.

"We're leaving first, take care of yourselves" Ye Chen said to Chen Ting and Yu Muyin.

she told them to take good care of themselves while they were gone.

With that, Ye Chen and Chen Xing went straight to the Endless sky Sect.

The two of them wanted to see for themselves what happened to Endless sky Sect.

The situation in Endless sky Sect now.

The disciples lined up neatly, they all bowed and worshipped Cao Longhe.

Meanwhile Cao Longhe sat on the highest chair among all the people here and showed his position.

Cao Longhe looked like a king sitting on a throne, he was the tallest person in the world.

"All of you quickly serve me well" Cao Longhe began to order everyone, he asked everyone to serve him well.

Beside Cao Longhe were several piles of corpses, all of them were people who refused to obey his orders.

Cao Longhe was ruthless, he slaughtered everyone who dared to refuse, there was no mercy for those who dared to refuse orders from Cao Longhe.

Cao Longhe became the full authority, he became the full authority of the entire sect and no one could go against him.

Even Cao Cao who was the leader of the Sect couldn't handle the problem, he couldn't solve the problem.

Instead, Cao Cao was injured and was now taken away by the elders in the sect.

The situation of the entire sect was chaotic because Cao Cao and several high elders were absent, they couldn't do anything about this matter.

Right now they could only obey the orders of Cao Longhe.

"If they dare to resist, then they will all be mercilessly killed by Cao Longhe.

Cao Longhe became even more ruthless than before, he wouldn't let go of anyone who dared to go against him.

Everyone who dared to mess with Cao Longhe would be destroyed, no matter if they were men or women, they would be destroyed if they dared to fight Cao Longhe.

Cao Longhe was now the ruler, he could do whatever he wanted.

"Where is that person, quickly send people to get him here" Cao Longhe is too confident to face Ye Chen, he intends to face Ye Chen by using his hands.

"we don't know where that person is, but that person will definitely come soon" they all don't know where Ye Chen is, all they know is that Ye Chen will come again later.

Chapter 2837 searching for information

"It's boring to wait, I want to destroy him immediately" Cao Longhe wanted to destroy Ye Chen immediately.

He wanted to destroy the person who had gotten himself into trouble.

"Bring the beautiful women in the sect to serve me, I need them" Cao Longhe asked for service.

"Okay. ." they immediately went and found beautiful women for Cao Longhe, they couldn't let Cao Longhe wait because he could destroy all of them here.

Cao Longhe became feared, he showed everyone how great he was.

The current Cao Longhe is free to do anything, no one can limit him.

He is free to appoint all the women in the sect and sleep with them, a thing that could not be done before because of the rules, now Cao Longhe can do as he pleases whether it is a core disciple or a genius disciple, they must obey Cao Longhe.

Ye Chen saw what happened from such a long distance.

From a long distance, Ye Chen could see what happened to Cao Longhe.

"how, what happened to him" Chen Xing asked Ye Chen, she wanted to know what happened to Cao Longhe.

"He's really horrible" Ye Chen said.

Ye Chen described what he saw, from what Cao Longhe did, to how he treated everyone.

"Shameless person" Chen Xing was so upset when listening to Ye Chen's story, she honestly wouldn't be able to keep quiet when he knew what happened.

Cao Longhe had dared to make the men and women in there suffer, plus Chen Xing didn't really like the methods used by Cao Longhe.

He killed and committed mass harassment, it was really too bad.

"I will solve this problem, I hate people like that" Chen Xing said to Ye Chen.

She herself would step in and solve the problem.

"Wait a minute ?" Ye Chen said to Chen Xing.

"What's wrong, are you going to stop me?" Chen Xing asked Ye Chen.

"I forgot to tell you, he has set a trap for us" Ye Chen said to Chen Xing.

Ye Chen already knew what Cao Longhe was going to do, he had set quite a lot of traps to welcome Ye Chen's arrival.

And they were all powerful and forbidden items.

Ye Chen didn't know where Cao Longhe got that kind of thing from, for sure they were dangerous and could make trouble for Chen Xing.

"What traps did he set, tell me" Chen Xing asked Ye Chen.

He wanted to know what kind of things Cao Longhe had prepared to welcome Ye Chen and Chen Xing.

"There is Black Spider Web Chain, Dark Poison dragon soul and many troublesome things that need to be mentioned one by one" Ye Chen said.

"Eh?" Chen Xing was surprised when she heard the items mentioned by.

"That is a forbidden item, where did he get such a thing" The more Chen Xing listened to this, the more curious she became about how Cao Longhe got such a thing.

"If there is such a thing, it will be very inconvenient for me" Chen Xing had to admit that the item could hinder and even put Chen Xing in danger.

In addition, Chen Xing and Ye Chen still did not know who was behind Cao Longhe.

If that person came out when Chen Xing was in trouble, then Chen Xing would be finished.

"For the time being, we can do this slowly" Ye Chen said to Chen Xing.

"Well, we shouldn't rush" Chen Xing agreed with what Ye Chen said, they shouldn't rush to fight a cunning enemy like Cao Longhe.

"First we get information from people inside the sect, we kidnap one of them" Ye Chen said to Chen Xing.

"You want to find out what happened right?" Chen Xing said to Ye Chen.

"Of course, I want to find out what happened from the beginning, that way we can know what to do" Ye Chen said to Chen Xing.

"Your idea is not too bad, I will help you" Chen Xing told Ye Chen.

Ye Chen and Chen Xing started to kidnap one of the core disciples inside, they might know what happened.

Ye Chen searched around, he found a pretty good person, he found several groups of women.

"Found it" Ye Chen found a group of women who were hiding and looked scared.

"I will move them here right away" Ye Chen informed that he would move them here.

"You don't need to go in?" Chen Xing asked Ye Chen.

"That's not necessary to do" Ye Chen told Chen Xing.

From this distance, he was still able to move an object, so he could move them all here with his ability.

"Blink" they were all moved so easily, they were moved so easily by Ye Chen.

With Ye Chen's ability, he was able to move them all to his side.

"ehh, what happened ?" they all looked confused when they saw what happened, they were suddenly in another place.

"You guys" Ye Chen said to all the women he had taken.

"Ehhh. . ." they were shocked when they saw Ye Chen's figure, this was the figure that had made a commotion in the sect and made everyone afraid.

"Why, why are you arresting us" they were so afraid of Ye Chen.

They seemed to be afraid that Ye Chen would do something bad to them.

"Calm down, he won't do anything bad to you" Chen Xing tried to win them over, with a beautiful and soothing voice, she made them become so calm.

They finally calmed down and were no longer afraid, they simply trusted Chen Xing.

"They seem more obedient to you, why don't you start asking them" Ye Chen saw that they were much more trusting of Chen Xing.

So Ye Chen told Chen Xing to ask them.

"um. ." Chen Xing nodded, she would ask them all.

"I will ask you guys, after that you can leave this place" Chen Xing told that she wanted to ask, after that she would let them all go.

"Are you serious about what you said?" They asked Chen Xing.

"Of course, I will let you guys go after everything is done" Chen Xing said seriously and not playing around.

"Can you explain to me what happened to Cao Longhe and your sect, why did he become so strong" Chen Xing asked.

"We don't know why that person became so strong, he suddenly came back and started to attack the sect and kill everyone who resisted, his strength was so powerful, plus he had a weapon that was so powerful and terrible".

"Plus he became so strong and had such a deadly attack"

"Even the sect leader lost a step against him".

They told what happened to Ye Chen and Chen Xing.

"Don't you know who he was with?" Chen Xing asked.

"He came alone, no one was with him" they told that Cao Longhe came alone and fought everyone.

Ye Chen listened to this, it seemed like he gained strength earlier.

"He came alone, at least, no one was with him" Chen Xing told Ye Chen.

"That means he got the power before the attack and it seems like the person who gave the power was not with him" Ye Chen summed up what happened.

Chapter 2838 deliberately stepping into the enemy's trap

"but we still don't know if that person is around or not, if that person makes a move, and attacks us from behind, it will be a problem for both of us" Chen Xing said to Ye Chen.

Chen Xing estimated the worst situation that could happen, she estimated the worst situation that could happen right now.

That being said, she had to do something about this matter.

"You guys, do you know what that person's next plan is" Chen Xing asked about Cao Longhe's next plan, if they could know, it would be very helpful.

"He intends to trap that person" they pointed out to Ye Chen.

Chen Xing looked at Ye Chen, it seemed like their goal was Ye Chen.

"Looks like their goal is you" Chen Xing knew who they were after, they were after Ye Chen.

"So there are people who want to take revenge on me, I understand" Ye Chen understood.

That meant Cao Longhe's target was Ye Chen, that person was targeting Ye Chen and wanted to kill Ye Chen.

"Now that we know his goal, he is targeting you, it seems like the person behind also wants to destroy you" Chen Xing said to Ye Chen.

"I won't stay silent when I know about this matter" Ye Chen told her that he wouldn't stay silent after knowing about the matter.

"They have been targeting me, that means" Ye Chen told Chen Xing.

Ye Chen estimated that this matter happened because of the previous incident.

"They are starting to move again and they want to fight you and me" Chen Xing understood, it seemed like the people behind the scenes had started to fight Ye Chen.

"I can't stay silent with this, the sooner he appears, the faster it will be to destroy him" Ye Chen said.

"It won't be easy" Chen Xing told Ye Chen, she was sure that it wouldn't be as easy as Ye Chen said.

"We are done, you can leave now" Chen Xing told them that they were done and let them go.

"Thank you" they thanked her and left immediately, they didn't want to go back into the sect and had to go back to their place.

The Endless Sky Sect was no longer worth living in, so they were now leaving for freedom.

They all clearly didn't like it when Cao Longhe took power, it made them depressed and the way Cao Longhe led was too much.

After they left, Ye Chen and Chen Xing looked towards the direction of Endless sky Sect.

"What can we do next?" Chen Xing asked Ye Chen.

Cao Longhe had prepared everything to welcome Ye Chen.

"since he has prepared everything, I will destroy it all" Ye Chen said to Chen Xing.

He told Chen Xing that he would destroy everything.

"husband, what are you planning to do?" Chen Xing asked Ye Chen, she wanted to know what Ye Chen was planning right now.

"I will use the clone I have to disguise myself, let him think that it is me, with that he will activate all the traps and after everything is used we can enter safely" Ye Chen told Chen Xing.

"You can do that ?" Chen Xing did not think that Ye Chen could do that.

"Of course, I can do that" Ye Chen told her that he could do that easily.

Ye Chen immediately, he immediately made a Clone that looked very similar to himself.

Chen Xing saw what Ye Chen made.

A technique that was so extraordinary and Chen Xing couldn't see the difference with Ye Chen.

"What an amazing technique, he still has such a good technique" Chen Xing had to admit that Ye Chen had such a good technique.

"Let's go in there" Ye Chen gave an order, he would control the clone to go in there.

"The clone made by Ye Chen went straight inside, it went straight inside and immediately pretended to be Ye Chen.

"I hope your method will work" Chen Xing said to Ye Chen.

"It will definitely work" Ye Chen said to Chen Xing, he was so confident in this matter.

"We'll see from here, when the opportunity comes, we'll go straight and attack" Ye Chen said to Chen Xing.

"Alright, I understand" Chen Xing understood, they just needed to see what Ye Chen's Clone did.

Ye Chen's clone began to enter, when the clone entered, he was immediately welcomed by the elders who had been subdued by Cao Longhe.

They pretended to serve Ye Chen and told him that they had captured Cao Longhe, it was all a plan that Cao Longhe had prepared.

He made Ye Chen think that he had won so that Ye Chen would be caught off guard and wouldn't be able to fight back.

This was called a surprise attack, a surprise attack that would easily defeat Ye Chen.

Clone Ye Chen continued to advance, he was brought to a place that had been prepared, a place that was prepared to welcome Ye Chen.

After arriving Clone Ye Chen saw Cao Longhe who was currently sitting on a throne which seemed to be a new thing made by Cao Longhe himself.

"Welcome to my place, you have walked into my trap" Cao Longhe welcome Ye Chen.

After that Cao Longhe immediately activated the traps around, with that Clone Ye Chen was trapped and unable to move.

Black Spider Web Chain, Dark Poison dragon soul made the Clone unable to move, it was trapped and waiting to be slaughtered by Cao Longhe.

"hahahaha, too easy, this is too easy to do" Cao Longhe said to Ye Chen.

He was happy that his plan had worked to capture Ye Chen.

Now all that needed to be done was to kill Ye Chen and complete the task that had been given.

Cao Longhe will get more, he can't wait to get more from Ye Chen.

"I won't waste unnecessary words on you, let's end this quickly" Cao Longhe said to Ye Chen.

Cao Longhe immediately took his sword, he was going to kill Ye Chen using the sword given by the mysterious person.

"Any last words" Cao Longhe asked Ye Chen.

He wanted to know if Ye Chen had any last words.

Ye Chen didn't answer the question given by Cao Longhe.

"Then, die" Cao Longhe stabbed Ye Chen right in the chest, it stabbed Ye Chen right there and should be enough to kill Ye Chen.

"Hahahaha" Cao Longhe laughed when he saw this, he finally managed to defeat Ye Chen.

"It's faster than I expected, but no matter, I was finally able to kill that person" Cao Longhe was happy that he able to kill Ye Chen.

His mission had been completed and now he could start having fun with his newfound power.

Just as Cao Longhe was celebrating his victory over Ye Chen, Ye Chen's body started to change, it started to turn into darkness.

"What just happened?" Cao Longhe looked confused when he saw what was in front of him.

Ye Chen's body disappeared and turned into a shadow.

"Overconfidence may be good, but being too arrogant is not good" Ye Chen and also Chen Xing appeared.

"What?, why are you still alive" Cao Longhe asked Ye Chen.

"Why is Ye Chen still alive, he has already stabbed Ye Chen and there should be no chance for Ye Chen to live after being hit by a crushing blow on the chest.

Chapter 2839 Ye Chen Vs Cao Longhe (1)

"I think that you are a smart person, who would think that you are so stupid" Ye Chen said to Cao Longhe.

"What do you mean by your words?" Cao Longhe asked Ye Chen.

"From the beginning you didn't succeed to trap me, that's because it was just a bait" Ye Chen said.

Ye Chen told Cao Longhe that it was just a bait, and Cao Longhe had eaten the bait given by Ye Chen, it was a pretty stupid thing to do.

"What! ! !" Cao Longhe finally understood, he finally understood what was going on here.

"Damn it" Cao Longhe said to Ye Chen, he didn't expect that he would fall into Ye Chen's trap.

"You must have been very angry when you found out what happened, you thought that you were the winner, but reality is not like that, you are the one who lost" Ye Chen said.

"No way, I won't lose, you have shown yourself, this is the time for me to defeat you" Cao Longhe said to Ye Chen.

The real Ye Chen had already appeared in front of Cao Longhe, this was the best chance for Cao Longhe.

"You fool for showing yourself, you will die" Cao Longhe said to Ye Chen.

"Bam. . ." Ye Chen attacked Cao Longhe, he immediately launched a punch that Cao Longhe could barely see.

"uhuk. . . ." Cao Longhe was injured, Ye Chen's attack just now made a wound on his body.

"This can't be happening" Cao Longhe couldn't believe it, he couldn't believe that Ye Chen's attack was almost invisible.

"You still want to beat me, honestly, there is no chance for you to win against me" Ye Chen told Cao Longhe.

He told Cao Longhe that there was no chance for Cao Longhe to win against Ye Chen.

"Bastard" Cao Longhe couldn't accept this result, he couldn't accept the result that happened.

"I have gained such great strength from that person, I won't lose" Cao Longhe said that he won't lose, he won't accept the defeat.

The spirit of Cao Longhe made the sword in his hand shine, a power began to come out and was given to Cao Longhe.

Cao Longhe felt his body filled with power, he felt that the power he had was getting stronger and stronger.

"This is the power I need to fight you" Cao Longhe told that he just got the power to fight Ye Chen.

"That sword, it gives him strength" Chen Xing said to Ye Chen.

The sword in Cao Longhe's hand gave him strength and made Cao Longhe's level higher.

"Then you just need to destroy it" Ye Chen told him that he just needs to destroy the object.

Ye Chen went forward, he intended to destroy the enemy's sword by using Dimension Breaker.

When Ye Chen was about to destroy the sword, the sword dodged and tried to avoid Ye Chen's attack.

"Is it a spirit sword" Ye Chen saw that the sword in Cao Longhe's hand was alive, it had consciousness and knew that Ye Chen was dangerous.

"Spirit sword, alright" Chen Xing understood, it seemed like it was the sword that had given Cao Longhe the power.

"I will help you" Chen Xing finally decided to help Ye Chen.

"Wait a minute" Ye Chen said to Chen Xing.

"What's wrong?" Chen Xing asked Ye Chen.

"don't do that, you can guard the back, if the two of us engage in battle, then that person will seize the opportunity to make a sneak attack" Ye Chen said to Chen Xing.

"That. ." Chen Xing understood what Ye Chen was thinking, that could indeed happen.

If she joined the battle, then a third party could attack them from behind, that was something Ye Chen did not want, so right now Chen Xing had to defend and could not do that.

Chen Xing will guard Ye Chen and Cao Longhe's battle, she will not let the other party interfere in their battle.

Their battle became more and more fierce compared to before.

With the help of the sword power in his hand, Cao Longhe began to fight Ye Chen.

Cao Longhe began to show such a powerful and formidable ability, that it made it difficult for Ye Chen to resist.

"he can read my movements ?" Ye Chen saw that Cao Longhe could read Ye Chen's movements and Ye Chen could also read Cao Longhe's movements, it made both parties unable to attack each other.

"This is the only ability you have" Cao Longhe underestimated Ye Chen, he was so arrogant for being able to fight evenly against Ye Chen.

"Don't be so arrogant, we have just started, more precisely I have just started" Ye Chen said.

"then show me, I will make you destroyed, no matter what you do, you will be destroyed" Cao Longhe said.

Cao Longhe pointed at Ye Chen using his sword, he showed what he could do.

Ye Chen looked at Cao Longhe's sword, he was so confident when using the sword.

"Master, so you realized that too" Chu Yuechan said to Ye Chen.

"Yes, I realized it" Ye Chen told her that he realized it too.

"The sword tells that person, if you want to defeat that person, you have to let go of the sword first" Chu Yuechan told Ye Chen.

Chu Yuechan asked Ye Chen to let go of the sword first, congratulations Ye Chen let go of the sword, then defeating Cao Longhe is a very easy thing to do.

"I understand" Ye Chen understood, he would do just that.

"I will show you an attack that cannot be read" Ye Chen will show you an attack that cannot be read by the enemy.

"One Hundred Thousand Fire Swords" the attack was of course One Hundred Thousand Fire Swords, it was a large scale attack that would not be dodged easily.

Such a large and powerful attack, such a powerful and extensive attack would not be easy for Cao Longhe to dodge.

"Sword Of Origin" Cao Longhe began to fight back, he attacked Ye Chen using a sword technique that was so good and skillful.

"A good sword technique, does it also come from that sword, what a troublesome sword spirit, but it's nothing to me" Ye Chen said to Cao Longhe.

Ye Chen controlled the One Hundred Thousand Fire Swords, he remade the One Hundred Thousand Fire Swords that Cao Longhe tried to destroy and added more power to face Cao Longhe.

The flying fire swords began to surround Cao Longhe, Ye Chen would not give Cao Longhe a chance to escape.

Cao Longhe continuously slashed at the fire sword beside him, he wanted to try to break out of the siege.

No matter how hard Cao Longhe tried to defend, he couldn't break out of Ye Chen's flying sword encirclement.

"It's not strange that Cao Longhe can't escape, it's because he won't be able to for the hundred thousand flying swords that are locking down Cao Longhe's movement.

"This is the right time" Ye Chen said to Cao Longhe.

"Damn it, fight me, don't hide like a coward" Cao Longhe said to Ye Chen.

He told Ye Chen to fight him, Cao Longhe didn't like fighting the cowardly Ye Chen.

"Hehehehe, got you" Ye Chen said to Cao Longhe.

Cao Longhe looked around himself, when he looked around, he found a wall made of fire swords.

Chapter 2840 Ye Chen Vs Cao Longhe (2)

"What is this?" Cao Longhe looked around, he didn't know what Ye Chen was trying to do.

Cao Longhe tried to get out, too bad, it was like a prison that couldn't be broken through.

"Damn it, let me out" Cao Longhe said to Ye Chen, he told Ye Chen to let himself out.

"You fool, why do I have to get you out, you're already trapped, it's time to finish you off" Ye Chen said to Cao Longhe.

"Damn it. . ." Cao Longhe slashed at the fire sword prison, he kept trying to destroy the prison.

Ye Chen had made several layers of fire swords, so there was no chance to get out, even if Cao Longhe put out full power, there was no guarantee for him to get out.

"hell Prison" Ye Chen's burned Cao Longhe who was inside.

A hot flame with such a high temperature enveloped the body of Cao Longhe.

It was obvious that Cao Longhe wouldn't be able to leave the place and would be burnt to nothing.

Cao Longhe's body began to blister and it began to turn into ashes.

"Damn it. . ." Cao Longhe looked at his ruined body, if it continued, he would be completely destroyed.

"hey, give me more power." Cao Longhe said to his sword, he needed more power to win.

The sword responded to Cao Longhe's request.

It gave more power to Cao Longhe.

Cao Longhe's body was enveloped by the power of darkness that was so strong and so dense, it made Cao Longhe healed and his body started to return.

"That sword, it healed him" Ye Chen saw what happened, he could quite clearly see what Cao Longhe did.

With that Cao Longhe's wound was healed, there were no more wounds on Cao Longhe's body.

Ye Chen stopped his technique, it seemed like Chu Yuechan's words were right, if Ye Chen wanted to destroy Cao Longhe, he had to destroy the sword first.

"I understand how to defeat him" Ye Chen already understood, he already knew what to do to defeat Cao Longhe.

"hahahaha, look, you won't be able to kill me" Cao Longhe said to Ye Chen, he told him that he won't be able to die.

"Are you serious with what you said ?" Ye Chen said to Cao Longhe.

"Don't underestimate me, I can't die, you have seen it with your own eyes right" Cao Longhe said.

"Of course, but I'm not sure about what I saw" Ye Chen said to Cao Longhe.

He told Cao Longhe that he was not sure about what he saw.

"I want to see if you can still survive or not" Ye Chen said to Cao Longhe.

He wanted to see whether or not Ye Chen could survive the next attack.

"As if I would accept your attack" Cao Longhe would not accept Ye Chen's attack, he had already been warned by the sword in his hand not to take damage from Ye Chen's attack.

Ye Chen began to release the power of the Wind vein, this was the time to show full speed.

Ye Chen released all the ballast in his body, his current body was as light as cotton and Ye Chen was ready to fight against Cao Longhe.

Ye Chen took his sword, it was time to fight using the Black Dragon Sword.

By using the Black Dragon Sword, it should be enough to defeat the weapons owned by Cao Longhe, Ye Chen doesn't need to use the main weapon just to defeat Cao Longhe.

"Don't lose" Chen Xing said to Ye Chen, she told Ye Chen not to lose to Cao Longhe.

Chen Xing encouraged Ye Chen not to lose.

"okay, let's be more serious" Ye Chen said to Cao Longhe.

"It's useless, you've seen it, you can't even land a strike on me, don't forget that" Cao Longhe said to Ye Chen, he gave Ye Chen a warning that he couldn't attack Cao Longhe.

Cao Longhe based on what had happened, Ye Chen failed to attack Cao Longhe dozens of times, it proved that Cao Longhe was much higher than Ye Chen.

"Shut up" Ye Chen moved at such a fast speed that it couldn't be 10:29

see.

After Ye Chen, Ye Chen hit Cao Longhe with great force.

Cao Longhe naturally bounced after receiving such an attack, there was no way Cao Longhe.

"No way, how could this happen" Cao Longhe couldn't believe what happened, how could Ye Chen hit him to bounce like that, it was obviously impossible.

Normally Cao Longhe should be able to avoid, but why can't he avoid it.

"What happened, you should have told me to avoid that person's attack" Cao Longhe said to the sword in his hand, it should have helped Cao Longhe to fight Ye Chen.

The sword responded to Cao Longhe, it told him that Ye Chen was so fast that it was impossible to see.

Cao Longhe saw Ye Chen, he was having trouble fighting Ye Chen.

"troublesome person" Cao Longhe felt that Ye Chen was troublesome and he didn't like that.

The sword told Cao Longhe to bring out every bit of strength he had.

If not then he will lose in Ye Chen's hands.

Cao Longhe listened to that, he had no choice but to use his full strength against Ye Chen.

He attacked Ye Chen, this time he had to defeat Ye Chen and exert all the strength he had, otherwise there was no chance for Cao Longhe to win against Ye Chen.

Ye Chen himself also exerted his strength, he became so fast and attacked Cao Longhe continuously.

Cao Longhe tried to defend, he made sure that Ye Chen wouldn't be able to remove his sword.

This was the only weapon that could save Cao Longhe from Ye Chen.

Cao Longhe tried to attack Cao Longhe's hand, but Cao Longhe was very persistent in defense and didn't want Ye Chen to attack his hand.

That proved to Ye Chen that Cao Longhe wouldn't be able to do anything without the sword.

"take this" Ye Chen used Divine Sword Intent, he targeted Cao Longhe's hand.

"Hold on" Cao Longhe tried to hold on, unfortunately Ye Chen's slash was so strong that Cao Longhe's hand was cut off.

"Arghhhh . . ." Cao Longhe shouted for a while, he felt the pain from his hand.

"This bastard" Cao Longhe was so angry at Ye Chen, he was so angry at Ye Chen and wanted to kill Ye Chen.

Ye Chen seized the opportunity, he directly destroyed Cao Longhe's sword by using.

"Dimension Breaker" Ye Chen used Dimension Breaker.

"Clang. . ." the sword instantly shattered after receiving the Dimension Breaker.

There was no way the sword could survive after receiving the power of the Dimension Breaker.

Cao Longhe had lost the power to defeat Ye Chen, he could only rely on himself to fight Ye Chen.

"Come fight me, didn't you say you wanted to beat me" Ye Chen said to Cao Longhe.

Ye Chen told Cao Longhe to fight him.

"Bastard" Cao Longhe released all the strength left in his body.

"I will kill you, I will definitely kill you" Cao Longhe said.

Cao Longhe lost consciousness, he became a monster with red eyes.

Cao Longhe's anger had made him evolve to the next level.

He started to turn into a horrible and terrifying monster.

"Turned into a monster?" Ye Chen saw that Cao Longhe changed, he didn't know what kind of monster it was, this monster looked terrifying and had a head like a wild boar.

"Booom. . ." Cao Longhe hit the floor, when he did this, the floor split into two parts, so did the dense clouds under the floor.
