Chapter 2841 how to make Cao Longhe speak

There's no question about it, this is a power so great and so powerful, a power so terrifying that Cao Longhe possesses it.

"I finally awakened my power" Cao Longhe was so happy that he could awaken his power.

Cao Longhe's strength increased again, he became more and more powerful compared to before.

Cao Longhe could continue to evolve, if it was left to Ye Chen, then it would become more and more difficult.

He will become stronger and harder to defeat, the effect will be even worse letting Cao Longhe become stronger and stronger than he is now.

If Cao Longhe becomes stronger than he is now, there will definitely be undesirable things happening.

"hahaha, you see it too don't you, I'm getting stronger, look at the power I will use to defeat you" Cao Longhe launched a punch at Ye Chen from a distance.

A punch from a long distance can make a huge impact and destroy the place around Ye Chen.

The place around Ye Chen was obviously destroyed, but Ye Chen was fine, he didn't seem to be injured after receiving a direct attack by Cao Longhe.

"ehhhh? ? ? ?" Cao Longhe looked speechless and confused when he saw what had just happened, he looked confused by what had just happened.

"Missed, did my fist miss" Cao Longhe seemed to be getting dizzy.

The attack should have hit Ye Chen, but why was Ye Chen still standing and nothing happened.

"The attack was quite strong" Chu Yuechan said to Ye Chen, she told Ye Chen that Cao Longhe's attack was quite strong.

If it was the old Ye Chen, he would definitely have problems receiving Cao Longhe's attacks.

The current Ye Chen was already strong enough, so he would be fine after he received Cao Longhe's attack.

"No way, why are you still fine after taking my attack?" Cao Longhe said to Ye Chen.

"I don't know, I don't know what happened either" Ye Chen pretended not to know what happened.

Even so he made a mocking face for Cao Longhe.

Cao Longhe saw Ye Chen's mocking face, he would naturally get angry when he saw Ye Chen's mocking face.

"Unforgivable, unforgivable" power exploded inside Cao Longhe's body.

A black aura enveloped Cao Longhe and a huge evil power instantly enveloped the whole place.

Cao Longhe's emotions were not very stable, which made the power of Cao Longhe that much stronger.

"He gets stronger when he gets angry, quite interesting" Chu Yuechan said to Ye Chen.

"Similar to that person's strength" Ye Chen felt that this was almost similar to Yu Ting.

"That's right, but this is a bit different, he uses his own inner emotions, the more uncontrollable he is, the stronger she becomes" Chu Yuechan said.

Chu Yuechan had already watched and found out what made Cao Longhe so strong, she already knew what made Cao Longhe become strong and continue to become strong.

The more Cao Longhe loses control, the stronger and stronger he becomes.

Plus, he could still evolve to become even stronger, which was a terrifying potential.

"Who is the person who gave him this kind of power, isn't this too luxurious for him?" Ye Chen said.

"It was all for the sake of defeating you, that means that person recognizes that you are a tough opponent" Chu Yuechan spoke to Ye Chen.

Ye Chen was quite formidable, so it wasn't strange that he gave such powerful weapons and strength to defeat Ye Chen.

With all the things Cao Longhe had right now, he was able to defeat, Ye Chen, it should be possible.

"You might be right" Ye Chen said to Chu Yuechan.

"master, he is coming" Chu Yuechan said to Ye Chen, she told Ye Chen that there was an attack coming towards him.

Cao Longhe attacked Ye Chen again, this time he used more attacks to defeat Ye Chen.

Cao Longhe launched thousands of punches towards Ye Chen, he launched so many powerful punches towards Ye Chen.

Ye Chen used the dimensional barrier to withstand every attack from Cao Longhe.

No matter how powerful Cao Longhe's attacks were, he couldn't and wouldn't be able to break Ye Chen's defense.

"Destroy, die" Cao Longhe attacked Ye Chen continuously until the end, he used all the power he had to destroy Ye Chen.

Cao Longhe threw tens of thousands, hundreds of thousands of punches, and the number kept growing.

The blow delivered by Cao Longhe was so destructive and so terrifying, buildings and cities within the sect were destroyed by the attack.

"arghhhh. ." people started to leave to save themselves, they saw that the sect could collapse at any time.

"That's enough right there" Ye Chen caught the attack from Cao Longhe.

Ye Chen was already in front of Cao Longhe, he blocked Cao Longhe's attack from such a close distance.

"I'll show you my true punching power" Ye Chen opened the fire vein, Ye Chen's power increased quite rapidly.

"Accept my attack this time" Ye Chen said to Cao Longhe, he told Cao Longhe to accept his attack.

"Super celestial punch" Ye Chen hit Cao Longhe by using full power, he used Super celestial punch and directly hit Cao longhe.

"Blam. . ." Cao Longhe was hit by Ye Chen's punch from such a close distance, this did so much damage to Cao Long.

Cao Longhe bounced quite far after receiving Ye Chen's attack, at least he had flown tens of thousands of miles away.

Cao Longhe was blown out of the sect, he hit a large boulder and made the boulder into pieces.

"uhuk. ." Cao Longhe vomited blood so large and so much, all the organs in his body shifted and the bones in his body were completely shattered by the blow.

"Damn it" Cao Longhe cursed Ye Chen, he cursed Ye Chen who had attacked him to become like that.

Cao Longhe tried to recover his body, he recovered his body by using his strength.

"I won't let you" Ye Chen didn't let Cao Longhe recover his body.

This time Ye Chen used the Divine Yin Yang Sword to stab Cao Longhe's body.

With the Divine Yin Yang Sword's ability, Cao Longhe's regeneration ability would be useless.

"Arghhhh. . ." Cao Longhe shouted, Ye Chen stabbed him again and again and again.

"Bastard" Cao Longhe said to Ye Chen.

"You won't be able to escape, so just give up" Ye Chen said to Cao Longhe.

Ye Chen told Cao Longhe, he won't be able to escape.

Ye Chen sealed all the power from Cao Longhe, he is now unable to attack Ye Chen.

"You have to answer what I ask, otherwise" Ye Chen used his sword and started to apply pain pressure to Cao Longhe.

"Arghhhh. . ." It wasn't strange that Cao Longhe shouted like that, it was because the pain was quite overwhelming.

"Let go of me" Cao Longhe roared to Ye Chen, he challenged Ye Chen.

"I won't let you go" Ye Chen said to Cao Longhe.

"Quickly answer the question I asked, who gave you the power" Ye Chen asked Cao Longhe.

"I won't answer it" Cao Longhe said to Ye Chen.

"So that's it, you don't want to talk about it, I understand, so I hope you are ready" Ye Chen said to Cao Longhe.

Ye Chen was going to give Cao Longhe a severe torture until he said everything.

Ye Chen increased his attacks, he continued to make wounds on Cao Longhe's body using the Divine Yin Yang Sword.

Cao Longhe's wounds became worse and worse, Cao Longhe had to endure terrible pain.

"Arghhhh . . ."Cao Longhe kept shouting, Ye Chen was so cruel and didn't let Cao Longhe breathe for a moment.

Ye Chen knew how to treat Cao Longhe, the pain would become more and more terrible.

"Don't want to give up, you are quite persistent" Ye Chen said to Cao Longhe, to be honest Cao Longhe is quite persistent.

Then Ye Chen pulled out something, he would do this to make Cao Longhe talk.

"What are you going to do?" Cao Longhe asked Ye Chen.

"You sure don't want to talk, you will feel such terrible pain" Ye Chen said.

"I won't speak" Cao Longhe refused to say it, he refused to say the person who had given himself strength.

"You asked for it" Ye Chen sprinkled some powder, this powder will make Cao Longhe's wound more painful than before.

Perhaps the pain would increase by 50x and it would be extremely painful.

This is a kind of poison that can add pain to wounds, perfect for making enemies talk.

And Ye Chen used that to Cao Longhe.

"Gahhh . . ." Cao Longhe felt a strong, stinging pain.

This made Cao Longhe's body feel excruciating pain.

"Damn it, what did you give me?" Cao Longhe asked Ye Chen.

Just a poison that will make the wound so painful, it will increase as time goes by, so I hope you are prepared to feel more pain from now on.

Ye Chen told her that the pain would continue to increase, it would become more painful as time went by.

"Damn it" he continued to roar and endure the pain, despite trying to endure the pain, Cao Longhe was still unable to.

He made bigger and bigger sounds, it illustrated how he was enduring the pain.

"Still not telling?" Ye Chen said to Cao Longhe.

He still gave Cao Longhe a chance.

"Alright, I'll tell you" Cao Longhe said to Ye Chen.

He will tell, Cao Longhe will not be able to endure the pain, Ye Chen's method is too strong and he will not be able to endure it.

Chapter 2842 Cao Longhe was eliminated and Endless Sky Sect returned to normal

"That person is wearing a head covering and I don't know the shape of his face, but he has such a strong and terrible aura, plus he has such a terrible master" Cao Longhe didn't know the name and face of that person, because that person was quite mysterious.

"Seriously, that's all you know" Ye Chen said to Cao Longhe.

"I don't know anything, I don't know who that person is at all" Cao Longhe told the truth, he didn't know who that person was and had never met that person.

Ye Chen looked towards Cao Longhe, he could see that Cao Longhe was not lying.

"How?" Chen Xing asked Ye Chen, she wanted to know the results obtained by Ye Chen.

"Too bad, he doesn't know anything" Ye Chen said to Chen Xing.

He told her that Cao Longhe didn't know anything, that person was quite good at hiding himself.

"What a pity" Chen Xing said to Ye Chen.

Chen Xing felt that it was a pity, they still didn't know about the clues of the person they were fighting.

"Master" Chu Yuechan gave Ye Chen a warning.

"Damn. . ." Ye Chen made a shield, he prepared for an attack.

"Boom. . ." a ball shot towards Ye Chen and Cao Longhe.

It made an explosion so huge that it shattered several stars and chunks of rock that were as big as a star.

Seeing that the impact of the explosion was so vast and so large, the person who launched this attack must have been so powerful.

"Husband . . ." Chen Xing asked Ye Chen.

she was worried about the safety of Ye Chen.

The explosion that just happened was so powerful and large, Chen Xing was not sure Ye Chen could survive such a close range explosion.

"I'm fine" Ye Chen came out safely, there were no injuries on Ye Chen's body.

"Hurry up" Ye Chen said to Chen Xing, Ye Chen told Chen Xing to look for the person.

"Got it" Chen Xing understood, she immediately went to look for the person who launched the attack towards Ye Chen.

Using maximum speed, Chen Xing hunted down the person.

Ye Chen could follow Chen Xing if he wanted, but he would stay here for a while and see what happened to Cao Longhe.

The explosion just now was so powerful and large, there was nothing left of Cao Longhe's body, even if he could recover, it was useless because he had been crushed into dust.

"They are quite serious, eliminating people who fail, no matter what happens" Chu Yuechan said.

"That's right, they really are too serious, it seems that dealing with them cannot be in the usual way" Ye Chen said.

"Yuechan" Ye Chen said to Chu Yuechan.

"What's wrong?" Chu Yuechan asked Ye Chen.

"Do you need anything from me?" Chu Yuechan wanted to know what Ye Chen needed.

"Tell Shen Niang to find out about this, that person must almost have the same strength as Shen Niang, I'm sure that it's an old monster, and I hope that the training from Qing Cheng will be finished soon, I need his strength" Ye Chen said to Chu Yuechan.

"I understand, I will tell them" Chu Yuechan understood.

This problem would not be solved if it was just Ye Chen alone, Ye Chen needed Qing Cheng's power that could see through other people's minds.

With the power of purple butterflies, this problem should be solved quickly.

Chen Xing chased after the person, but she didn't find anything.

Chen Xing had already followed the direction of the attack just now, but she did not find it, perhaps that person had already used the teleportation stone to leave this place.

"I lost track" Chen Xing was quite angry, she lost track of the opponent.

Chen Xing searched around for a while, she combed around this place and did not find what she was looking for.

"Nothing, I'll be back" Chen Xing failed, she just went back.

"How?" Ye Chen asked Chen Xing.

Chen Xing shook her head, she did not find the person.

"So that's it, it doesn't matter, it seems like she has already left after removing Cao Longhe" Ye Chen said to Chen Xing.

The attack just now was fired from a fairly long distance, so it was certain that the person was taking advantage of the time to escape.

The distance between attacks should be about 5 minutes, from such a distance, the opportunity to escape is so great.

"But I hate that person, he is also after you, that means he wants to kill you" Chen Xing was quite upset that the person also wanted to target Ye Chen.

If only Chen Xing managed to get that person, she would not let go of that person.

Chen Xing was quite attentive to Ye Chen, he was angry when anyone tried to do bad things to Ye Chen.

"okay, then let's tell them first" Ye Chen said to Chen Xing, they should tell the leader of Endless sky Sect.

Ye Chen told them to look for Cao Cao who is the real leader of Endless sky Sect.

Cao Cao immediately returned, he quickly went in front of Ye Chen.

Cao Cao was injured as a result of Cao Longhe's attack, even so he could still walk alone without the help of others.

"I have solved the problem inside Endless sky Sect, next time don't do something like that again" Ye Chen spoke to Cao Cao.

"Thanks to senior" Cao Cao thanked Ye Chen, Ye Chen had helped a lot.

"If you want to help, start by looking for Yu Muyin's master" Ye Chen told Cao Cao to look for Yu Muyin's master.

"I will go and carry out your orders" Cao Cao informed that he would go to carry out Ye Chen's orders.

"But you can restore Endless sky Sect first, it seems like this place needs restoration, and about that person, he has been destroyed by the one who gave him power" Ye Chen said to Cao Cao.

"I understand" Cao Cao didn't feel sad or anything, he didn't care about Cao Longhe anymore.

The main focus of Cao Cao right now is to recover the sect first, as long as the sect is recovered then everything will return to normal.

"now everything is up to you, do as I please and don't forget what I said" Ye Chen left, he had given the task for them.

After Ye Chen left, Cao Cao and everyone started working to build the sect, they worked together to build the sect back up after it was down.

"Are you done" Chen Xing asked Ye Chen.

"Of course, I'm done" Ye Chen told that he was done, they would be fine and they would look for the master of Yu Muyin.

"Then let's go back and talk about the previous matter" Chen Xing said to Ye Chen.

"Yes, we should discuss this matter properly" Ye Chen said to Chen Xing.

They returned, after they returned, Chen Xing took Ye Chen to a closed room and no one would listen to them.

Inside the room there was already Shen Niang and also Zhang Ein, both of them were already waiting for Ye Chen here.

It seemed that Chu Yuechan had informed them, that's why they came quickly.

Chapter 2843 discussed with Chen Xing, Shen Niang and Zhang Ein.

"You, who are you fighting right now?" Shen Niang directly asked Ye Chen.

The beautiful Shen Niang asked Ye Chen, again Ye Chen was fighting a troublesome person again.

"hehehehe" Ye Chen just smiled when listening to this.

"Don't blame him, I was the one who dragged him" Chen Xing said to Shen Niang.

"It's unusual for you to defend her, it seems like your relationship has gotten better since last time" Shen Niang said.

Chen Xing blushed as she listened to Shen Niang's comment, Shen Niang had seen her and could easily deduce what happened to Ye Chen and Chen Xing.

"It's not like that, please don't say that" Chen Xing told Shen Niang.

Shen Niang smiled when she heard this, Chen Xing could be such a cute girl.

"Do you two know anything?" Ye Chen asked Shen Niang and Zhang Ein.

"I don't think it's one of the major forces playing with you, if it was them, I could easily find them" Shen Niang said.

"You are probably dealing with such a powerful person" Zhang Ein said.

Zhang Ein concluded that Ye Chen was facing such a powerful person, a person who was so strong and had such a great influence.

"If it is a person, then it will be more difficult to find" Chen Xing told Zhang Ein.

"That is indeed true." Shen Niang agreed.

"It's a pity Chen Xing doesn't have such a strong network" Shen Niang said.

"That's because she rarely socializes" Zhang Ein said.

"Isn't that the same with you, don't make fun of me" Chen Xing said to Zhang Ein.

"We are different, I have some great acquaintances, it's just that their strength is still said to be small, so we are different" Zhang Ein said.

Zhan Ein often helped many people and had quite a few acquaintances, it was just that their strengths were all weak and not enough for big problems.

"That's . . ." Chen Xing was speechless listening to this matter, to be honest what Zhang Ein said was absolutely true, she did have so many acquaintances, she was quite popular among the lower people for often helping them.

On the other hand Chen Xing herself did not really like interacting with strong people, so there were not many connections she had.

"So it's like that, it seems like it's hard for you" Shen Niang said to Chen Xing.

"So it's like that, I understand, you don't need to be disappointed with yourself" Ye Chen said to Chen Xing.

"Please stop, it hurts" Chen Xing said.

Chen Xing told them to stop because it was painful to listen to.

They continued to tease Chen Xing, it made Chen Xing helpless, she felt quite embarrassed listening to that.

"But if it was personalized, then there would be a lot of candidates, probably hundreds" said Shen Niang.

"Isn't that too many" Ye Chen said.

"That's because it's personal and they usually act very neatly and orderly, if they do something that could make the big powers angry, they will be destroyed, that's why they will usually move neatly and won't leave a trace" said Shen Niang.

Personal strength cannot be compared to the strength of a group or sect.

They are much weaker but can move freely, it is not uncommon for them to have great ambitions to rule the land.

The three of them thought, they wouldn't find that person if they continued like this.

They had to change their plan and find out more thoroughly.

Who do you think is the person with the most connections, we might be able to get information from her.

"If you're asking about personalities, then obviously in the first rank is Ling Shu" Chen Xing said to Ye Chen.

"That woman has charm and can make others talk easily, if she wants information it is not difficult for her" Zhang Ein said.

Ling Shu had strong charm, plus she had some beautiful subordinates with strong charm and they could seek information quickly.

Ling Shu had several beauties in the God Realm, at the very least they could enter the top 300 as beauties and their charm could not be underestimated.

"Don't you have a pretty good relationship with that woman, why don't you just ask her for help" Ye Chen said to Chen Xing.

"Do you think my relationship with her is good, she is just flirting with me, there is no way she will give me information for free, maybe she won't give me what I want" Chen Xing said.

Chen Xing was sure that Ling Shu would not give her the information she wanted, instead Ling Shu would immediately reject Chen Xing's request.

"It's not easy to convince that woman" Zhang Ein said.

"Chen, why don't you, I heard from Yuechan that she is interested in you" Shen Niang said.

"Me" Ye Chen pointed at herself.

"Of course, I think she will listen to you" Shen Niang said.

"I think it's dangerous what will happen if that woman catches her" Chen Xing said.

Chen Xing wasn't sure, if until Ling Shu knew, she would definitely arrest Ye Chen.

Chen Xing already knew Ye Chen's secret, so she knew what kind of benefits Ye Chen could bring.

That woman will definitely not let go of Ye Chen easily after knowing that.

"she is after the master, she will monopolize it" Zhang Ein agreed with Chen Xing.

It was quite dangerous to send Ye Chen to Ling Shu's place.

"I think he will be fine, he is a female enemy, it will be a good thing if we can utilize her" Shen Niang said.

If they could utilize Ling Shu's connections, they could get what they wanted easily, and it would be beneficial to know what happened to Shui Yixian.

Chen Xing and Shen Niang began to have trouble getting information about Shui Yixian, the reason was obvious, the Four-sided Immortal Palace had begun to keep this secret and close itself off to outsiders.

They could no longer even keep an eye on Shui Yixian because she had been moved to a palace that was harder for Shen Niang to reach.

"I might be able to give it a try" Ye Chen said.

"um, if you can get something like that, it's favorable for you since information is so important in your situation" Shen Niang said.

Shen Niang tried to convince Ye Chen about this matter.

After Ye Chen was convinced by Shen Niang, he became even more eager to do it.

"Please help him" Shen Niang asked Chen Xing to take care of it.

"Ein, you please protect the women Ye Chen has, I'm afraid they will be kidnapped" Shen Niang asked Zhang Ein.

"I will, I will make sure they are fine" Zhang Ein will make sure everyone is fine.

"Ein, I will rely on you" Ye Chen would rely on Zhang Ein for this matter.

"Um" Zhang Ein became excited when she heard this.

"Then I'll leave first" Shen Niang said to Ye Chen and Chen Xing.

"I'm leaving too" Zhang Ein said that she was leaving too.

Since they didn't get the conclusion of the matter that happened, they can only wait for Ye Chen to get the information.

"Even they don't know, it's really quite troublesome" Chen Xing said to Ye Chen.

"What else can we do, the enemy is well hidden, there are so many people, there is no way we can accuse them all" Ye Chen said.

"That's very true" Chen Xing indeed couldn't do that because there was no evidence.

"Are you sure about what you are doing" Chen Xing asked Ye Chen.

Chen Xing was not too sure about this and she felt at risk.

Chapter 2844 Ling Shu sent people to arrest Ye Chen

"You don't need to worry and doubt about me, I have such a good ability" Ye Chen said to Chen Xing.

"Husband, listen to me, don't underestimate women" Chen Xing gave a warning to Ye Chen.

"I understand, I understand, I won't underestimate her" Ye Chen informed that he wouldn't underestimate Ling Shu.

"Very good" Chen Xing was quite happy, at least Ye Chen gave a good reply about the matter.

"Then I will help you" Chen Xing told Ye Chen, she would help Ye Chen.

"What are you going to do?" Ye Chen asked Chen Xing, he wanted to know what Chen Xing would do next.

"sttt, you'll know what I'm going to do soon" Chen Xing told that Ye Chen would know what she was going to do soon.

"So what should I do?" Ye Chen asked Chen Xing, he wanted to know what he should do now.

This time Ye Chen would entrust everything to Chen Xing, he believed that Chen Xing could help Ye Chen.

"Hmmm, let me think for a while" Chen Xing said to Ye Chen, she wanted to think for a while.

After thinking for a while, she finally understood what to do.

"You can go back, I have such a good plan for you, she will come to you, so you yourself have to fight her" Chen Xing said to Ye Chen.

"Okay, if you say so" Ye Chen probably already understood what Chen Xing wanted, he knew that Chen Xing would send a letter to Ling Shu and tell her about Ye Chen's whereabouts.

Since Ling Shu was quite interested in Ye Chen, she would probably make a move right away, which meant Ye Chen didn't need to make a move and let Ling Shu look for him.

Ye Chen returned, while Chen Xing wrote a letter to Ling Shu.

she told Ling Shu and told her subordinates to deliver this letter without anyone else knowing.

Chen Xing sent the best person she had, by using the best person she had, Chen Xing really hoped that Ling Shu wouldn't find out.

The person went to Ling Shu's place and delivered the letter directly to Ling Shu's desk.

Ling Shu happened to be out once, so this place was safe and easy to enter.

After sending Chen Xing's letter directly to Ling Shu's desk, she went back and told Chen Xing.

"How is it, is it done?" Chen Xing asked her subordinate.

"Miss, I'm done, Miss Ling Shu should be able to read it once she returns" she told Chen Xing.

"Very good work, I like the work you have" Chen Xing told her that she liked the work she had.

"Now the rest is up to you" Chen Xing just hoped that Ye Chen didn't fail.

she hoped that she could make Ling Shu give Ye Chen what she wanted.

"I'll go back to training, strengthen the guard, don't let unknown people enter our territory" Chen Xing gave the order to strengthen the defense, other people must not enter into their territory.

"I understand" She understood, she carried out the orders from Chen Xing along with all the women within this palace.

Chen Xing would go back to training Yu Muyin and Chen Ting, they needed quite a bit of training to become stronger.

.

.

At Ling Shu's place right now, as expected Ling Shu has returned, she has returned from the trip and intends to relax.

"I want to sleep on my soft bed" Ling Shu's room was full of soft things, she could sleep all over the place as this place was full of softness.

When Ling Shu was about to sleep, she saw something, something that made Ling Shu interested in looking at it.

"What is it?" Ling Shu saw a letter, it wasn't here before.

Ling Shu waved her hand, she picked up the letter using her power.

Ling Shu immediately read and looked at it, she saw what was inside.

When Ling Shu read it, she saw that it was information.

"Who gave me this information, why would she do such a thing?" Ling Shu became cautious, she became cautious when she knew that someone was giving her information like this.

"Feng Rue, come here" Ling Shu immediately called out to the closest person.

"Miss, what's wrong?" A beautiful and gentle-looking woman walked in, from just one look at her, this woman was the type of loving older sister.

"You know the person who sent this?" Ling Shu asked Feng Rue.

"What is it?" Feng Rue asked Ling Shu.

"So you don't know, it seems like someone sent this to my room" Ling Shu said to Feng Rue.

"Did someone sneak into the room?" Feng Rue realized that this matter was quite serious.

"Take it easy, that person doesn't seem to have any bad intentions, she even gave good information, please confirm this matter" Ling Shu told Feng Rue to check it out.

"I'll go" Feng Rue left immediately afterwards, she left immediately and carried out Ling Shu's order.

Ling Shu lay down, she thought about what that person's motive was, why would she tell Ye Chen's whereabouts to Ling Shu.

That made Ling Shu even more curious, that person probably knew that she was targeting Ye Chen.

Feng Rue moved quickly, in just 10 minutes she returned with the required information.

"How was it?" Ling Shu wanted to know the result, she wanted to know if it was the truth or a lie.

"What is in here is the truth, I have confirmed and it is true that the person has returned, miss I don't know who this person is, but why did she tell you this, is there someone planning something to you" Feng Rue did not know what the person wanted.

"What do you think, should I go?" Ling Shu asked Feng Rue.

"How about sending someone to confirm what's going on" Feng Rue said.

Feng Rue was quite cautious, so she suggested sending people first to make sure.

"How about you go and catch that young man for me" Ling Shu sent Feng Rue.

"Me?" Feng Rue asked Ling Shu.

"Of course, you seem to be the most suitable for this task, you can do it right?" Ling Shu asked.

"Of course, I don't have any work, so I should be able to do it" Feng Rue could of course do this.

"But don't overdo it, don't let him dry out because of you" Ling Shu gave Feng Rue a warning, she didn't want Feng Rue to dry out Ye Chen before her.

"I won't do that" Feng Rue told Ling Shu.

"I can't believe it, that person has such good looks, I don't think you can stand it" Ling Shu said.

Ye Chen had such a good appearance, so Ling Shu was not sure if Feng Rue could bear it.

"I will try not to overdo it" Feng Rue said.

It seemed like Ling Shu was unsure about this matter, so Feng Rue could only hold back.

"Alright you can go and look at it for me" Ling Shu told Feng Rue to leave.

"Thank you very much" with that Feng Rue immediately left towards the immortal valley sect to bring Ye Chen.

Ling Shu went back to sleep and lazed around, she was waiting for good news from Feng Rue.

It should be that with a person like the beautiful Feng Rue, she could easily capture Ye Chen.

Chapter 2845 Feng Rue Approached Ye Chen

"So this is the sect that person belongs to, just a small weak sect, it seems like I was too much about the person who sent the letter" After Feng Rue saw this place, she changed her mind, it seems like there is nothing good around this place.

"Alright, I'll just go ahead and ask the people here" Feng Rue immediately disguised herself, she took a shirt from the room of one of the female disciples and put it on.

Feng Rue had a little trouble wearing women's clothing because it was too small in the chest, it seemed like her double tops were too big and it was a little uncomfortable to move around.

"It is a little uncomfortable, but I think it will be fine" Feng Rue felt that it would be fine.

At least her appearance was still tolerable and she seemed like a good student.

After that, Feng Rue went straight to looking for targets, she looked for targets and used charms to control them.

By using absolute charm, she controlled the opponent and easily asked about the whereabouts and origin of Ye Chen.

Feng Rue started to get the information she was looking for, she got information about Ye Chen so easily and so quickly.

Feng Rue knew that Ye Chen worked in the equipment faction, that meant he made equip and also repaired equip.

From the rumors obtained by Feng Rue, Ye Chen was quite popular among women, it would be easier to find and seek information about Ye Chen from women.

"Fufufufu, this will be easier to do" Feng Rue sensed that this would be easier to do, she was confident enough to find out about Ye Chen.

Feng Rue went straight to finding this out from the women, she could also easily mesmerize those women who were young and innocent as hell, with just a little glance, she could easily make them spew out all the things they knew about Ye Chen.

"That person is quite interesting, I will see for myself" Feng Rue felt that she should see for herself using her own two eyes.

The women seemed to like Ye Chen because of his kindness and looks, which was why Feng Rue wanted to see him in person and see if it was the truth or just a lie.

After knowing where Ye Chen lived, Feng Rue went straight there, of course, she had already prepared her own plan to get close to Ye Chen.

Ye Chen went to the workshop from Ye Chen, it just so happened that Ye Chen was currently not doing anything and was only cultivating inside.

Ye Chen needed time to cultivate, he needed time to increase strength as well.

Now Ye Chen's forging skills had improved and were so good, Ye Chen was already at the level of the masters and could get even better.

Feng Rue made sure Ye Chen was inside, after making sure Ye Chen was inside, she directly knocked on the door.

"Excuse me" Feng Rue gave a greeting to Ye Chen.

Ye Chen opened and greeted the people who came, all the people who came had business with Ye Chen.

"There hasn't been a visitor for a long time, usually Shi Lin takes care of these matters" Ye Chen saw that there was a new visitor, he wanted to know who it was.

"hmmm?" Ye Chen looked towards Feng Rue.

A beautiful girl who looked gentle, the type of dreamy older sister who could probably spoil you.

"uh, who are you ?" Ye Chen was surprised when there was a beautiful woman like Feng Rue.

He just found out that there was such a beautiful woman like Feng Rue in the sect, since when had there been a beautiful woman like this, and Ye Chen did not know the rumors.

"Who are you?" Ye Chen immediately asked, he wanted to know who Feng Rue was.

Ye Chen greeted Feng Rue nicely, he left a good impression to Feng Rue.

Feng Rue saw Ye Chen first from a close distance, a figure that was so handsome, a figure that was probably the best among men.

"Pretty good, it's not strange that miss will be so interested, this is really my type, this is bad, maybe I will get unrecognized" Feng Rue felt that Ye Chen was so good.

Feng Rue now understood why Ling Shu was so interested and gave a warning, it was because Feng Rue would definitely not stand it. I think you should take a look at

Feng Rue smiled at Ye Chen, she started eyeing Ye Chen.

Feng Rue thought that Ye Chen's workplace would be messy, but it was pretty good, so Feng Rue had to praise Ye Chen.

"So what does Miss Feng Rue need right, do you need anything from me" Ye Chen asked Feng Rue.

"I heard that you are quite good, many people have talked to me about it" Feng Rue told Ye Chen.

"Not really, I'm not that great, they're just overestimating me" Ye Chen told her that they were just overestimating Ye Chen, Ye Chen was not that great.

"You are quite low profile, I like that" Feng Rue said to Ye Chen.

"It's an honor for a beautiful woman to like me" Ye Chen said.

Ye Chen really liked Feng Rue.

Feng Rue started the action, here were only the two of them, so she should be able to catch Ye Chen so easily.

Feng Rue used her charm, she started trying to confuse Ye Chen.

"It will be easy, it won't be difficult" Feng Rue felt that this would be easy to do.

She would definitely not have any difficulties in dealing with Ye Chen.

Feng Rue thought that Ye Chen was easy to trick, but she did not remember that even Ling Shu could not control Ye Chen with her Charm.

"Do you want a drink, I can make one for you" Ye Chen said.

"How about you come with me?" Feng Rue said.

Feng Rue gave Ye Chen an order to come along.

"That's impossible, I'm in training" Ye Chen said.

Ye Chen refused Feng Rue's invitation.

"Eh? ? ? ?" Feng Rue was surprised when she was rejected by Ye Chen.

She looked very confused when Ye Chen rejected her.

"Did I just get rejected, I got rejected, I got rejected, I got rejected?" Feng Rue was surprised to find out that she was rejected, she would have never imagined that she would be rejected by Ye Chen.

"My charm has no effect?" Feng Rue finally realized that her charm was not working, she could not charm Ye Chen.

Feng Rue looked at Ye Chen, Ye Chen made an innocent face and seemed to have nothing to do with her.

"What's going on, did I miss something, he's not affected, what's going on" Feng Rue was surprised to see Ye Chen unaffected, it should be that a healthy young man like Ye Chen would easily be seduced by Feng Rue.

But it didn't seem to work, Ye Chen was not affected by Feng Rue's charm.

Some time later Feng Rue finally remembered in the report from Ye Chen, this person could even survive Ling Shu's charm, so she would not succeed.

"He is much stronger than I thought" Feng Rue saw that Ye Chen was much stronger compared to what she thought.

Feng Rue had to find another way to seduce Ye Chen, she would not lose to Ye Chen.

Feng Rue was confident in her beauty and figure, if she could not use the charm method, she had to use a more approachable approach to Ye Chen.

Chapter 2846 Feng Rue's Plan

"You refused the request to come together with me?" Feng Rue said to Ye Chen.

"Of course, I don't have time" Ye Chen told Feng Rue.

"That's unfortunate" Feng Rue felt quite disappointed when she heard this, she was quite disappointed because of what happened to Ye Chen.

Ye Chen just smiled listening Feng Rue

"Where do you want to take me?" Ye Chen asked Feng Rue.

"To a fun place of course," Feng Rue said.

Feng Rue did not explain this in detail, she only told him that she intended to take Ye Chen to a fun place.

Ye Chen wanted to know Feng Rue's destination, what did Feng Rue think she wanted.

"It's a pity because I'm busy" Ye Chen said that it was quite a pity.

Feng Rue only smiled gently at Ye Chen.

It seemed like she was unsuccessful in convincing Ye Chen.

"It seems a little hot in this place" Feng Rue said to Ye Chen, she told him that it was quite hot.

"Well, what can I say, this place is my workshop, so it's a bit hot in this place" Ye Chen said.

After Ye Chen said that, Feng Rue started to loosen the clothes that she was wearing that were too tight.

She revealed a slit that looked deep and so mysterious, it piqued the interest of Ye Chen who was a man.

It was obvious that Feng Rue was starting to flirt with Ye Chen, she was starting to flirt with Ye Chen in a classic way.

Ye Chen was no longer a smelly child, he was certainly aware of what Feng Rue was trying to do.

Why would Feng Rue tease him the first time she met him, maybe she was targeting Ye Chen from the beginning.

Ye Chen realized an interesting thing, he realized that Feng Rue was quite strong, a disciple should not be as strong as Feng Rue.

This made Ye Chen a little wary, who could have sent Feng Rue here.

Ye Chen considered several people, but looking at the strong charm possessed by Feng Rue, it was most likely that she was sent by Ling Shu to investigate Ye Chen.

"Master, it looks like she was sent by that woman" Chu Yuechan thought the same thing as Ye Chen.

"It looks like she started to move, it looks like Chen Xing succeeded" Ye Chen said.

"What are you going to do, directly catch her and find out?" Chu Yuechan asked Ye Chen.

"Let's follow the game she's doing, it's been a long time since I played like this" Ye Chen said to Feng Rue.

"Looks like you'll have fun" Chu Yuechan said to Ye Chen.

"Of course, I will have a lot of fun and enjoy this" Ye Chen would of course enjoy this.

"How about I open the window" Ye Chen went to open the window and let the wind in.

Feng Rue saw that Ye Chen was still able to endure and did not pounce on her right away.

Ye Chen was such a strong opponent and so great.

"He is so strong, it won't be easy to tease him" Feng Rue didn't give up, she used all sorts of ways to tease Ye Chen.

Feng Rue used another way she approached Ye Chen and sat beside Ye Chen.

Ye Chen did not mind this matter, he could smell Feng Rue's body which was so fragrant and also full of tenderness.

Women are so fragrant, especially beautiful women, they are so fragrant and full of refreshing scents for Ye Chen.

"You are quite good" Feng Rue said to Ye Chen, she realized that Ye Chen was so good.

Both from his appearance and body, he was so perfect.

"I'm not that handsome, you look even beautiful" Ye Chen said.

"Am I pretty?" Feng Rue asked Ye Chen, she was so gentle and continuously stuck with Ye Chen.

Feng Rue even deliberately leaned towards Ye Chen and touched Ye Chen's arm using her well-developed double peaks. I think you should take a look at

As expected of Ling Shu's men, they had such good bodies and looked so plump.

"Of course, you are so beautiful, you are so beautiful" Ye Chen said to Feng Rue.

He praised Feng Rue who was so beautiful and so lovely, plus she was so gentle.

"I'm so happy to hear this" Feng Rue was very happy when she heard this, she was so touched by Ye Chen's words.

"No, why am I even happy to get praise from him, how could you be so happy to be praised by a young man" Feng Rue became forgetful, she forgot why she came to this place.

Feng Rue started to blush, she became embarrassed looking at Ye Chen's face.

"There, where is the kitchen, I will make you a drink" Feng Rue said.

Feng Rue told her that she would make Ye Chen a drink.

"Why is she running away, isn't it still starting?" Ye Chen said.

"As expected of a master, making women helpless easily" Chu Yuechan said.

Chu Yuechan told him that Ye Chen was so good that he made Feng Rue helpless and started to be attracted to Ye Chen.

"Yuechan, keep an eye on her for me, I'm afraid she might do something" Ye Chen told Chu Yuechan to keep an eye on Feng Rue.

"I understand" Chu Yuechan understood, she went to watch Feng Rue, Chu Yuechan would see what Feng Rue would do.

"uh, why am I even embarrassed, shouldn't I be flirting with her" Feng Rue felt embarrassed.

She should be flirting with Ye Chen, but why was she embarrassed to face Ye Chen.

"But s=he is quite tough, this won't be easy" Feng Rue said.

Feng Rue started thinking of ways, she finally had a pretty crazy idea.

"Why don't I do it, it might be faster" Feng Rue decided to use that method.

She put an aphrodisiac drug into Ye Chen's drink.

If Feng Rue was unable to seduce Ye Chen, then she would give the medicine to make Ye Chen more excited.

Chu Yuechan watched Feng Rue, she saw what Feng Rue was trying to do.

"This woman, so she's trying to do it" Chu Yuechan discovered what Feng Rue was trying to do.

Chu Yuechan had to tell this matter to Ye Chen, Ye Chen had to know what Feng Rue was planning.

Chu Yuechan returned, she told what Feng Rue was trying to do.

"What was planned ?" Ye Chen asked Chu Yuechan.

"She's trying to . . . ." Chu Yuechan told Ye Chen, she told him what Feng Rue was doing.

"Isn't she really brave" Ye Chen said to Chu Yuechan.

"She seems to be very interested in you, otherwise she wouldn't have done such a thing" Chu Yuechan told Ye Chen.

"But I can't allow that, I'm not very good with something stimulating like that" Ye Chen said to Chu Yuechan.

"That's right, you can become very wild if you use those things" Chu Yuechan said.

If Ye Chen got out of control, then it would take quite a few women to make Ye Chen calm down.

And Chu Yuechan didn't want to because she already knew Ye Chen's strength and didn't want to try it.

Some time later, Feng Rue returned with two drinks, she made cold tea for Ye Chen as well as herself.

Feng Rue served it in front of Ye Chen, she made sure Ye Chen would drink it.

"Please drink it" Feng Rue said.

Feng Rue was good at making drinks because she often served Ling Shu, so she was confident in her abilities.

Ye Chen did not hesitate and immediately drank the tea made by Feng Rue.

Chapter 2847 Feng Rue Takes Her Own Medicine

"Slurppp . . ." Ye Chen took a sip of the tea made by Feng Rue.

"Delicious. . ." Ye Chen admitted that the tea made by Feng Rue was so good, it looked so right and made Ye Chen feel calm.

Feng Rue watched Ye Chen, after making sure Ye Chen drank the tea, she also drank the tea that she made.

Everything was going well and Ye Chen was unconscious, now Feng Rue just needed to wait for the medicine to work.

"You are quite good at making this" Ye Chen said to Feng Rue.

"That's because I practiced quite a lot, so that makes me able to make things like this" Feng Rue said to Ye Chen, she told Ye Chen why she could make things like that easily.

"So you make it often, you enjoy this yourself every day, you are so lucky" Ye Chen said.

"It's not like that, if you want I can probably make it often for you" Feng Rue muttered.

"What did you just say?" Ye Chen asked Feng Rue.

He wanted to know what Feng Rue had just said.

"No, I didn't say anything" Feng Rue told Ye Chen, she didn't say anything to Ye Chen.

Feng Rue waited for the effect to work, it should be that the effect of the medicine would work quickly and Ye Chen would start to feel excited.

After Feng Rue waited for a while, there was no sign of change, Ye Chen was still drinking leisurely.

"It's not working, is the medicine I gave you not strong enough" Feng Rue was surprised when she saw Ye Chen who was still able to hold on, honestly it was quite surprising to see Ye Chen still able to hold on after drinking the aphrodisiac and finishing it all.

"What's wrong, why do you keep looking at me?" Ye Chen asked Feng Rue.

"Nothing" Feng Rue was embarrassed, she became even hotter when she thought of Ye Chen.

For some reason her body became hotter and hotter and she became more and more unable to stand Ye Chen.

"What's wrong, what's wrong with my body" Feng Rue finally realized that something was happening to her.

She finally realized that her body seemed to have been exposed to an aphrodisiac.

"No way, did I give you the wrong teacup?" Feng Rue finally realized that she was the one who got the tea containing the aphrodisiac.

It was not strange that Feng Rue felt so excited right now, it turned out that this was the reason that made Feng Rue become so excited.

"This is terrible, I'm really too stupid, how could I make a mistake like this" Feng Rue blamed herself, she was too stupid to make such a fatal mistake.

Ye Chen laughed in his heart, honestly the person who swapped the teacups was Ye Chen.

With Ye Chen's ability to move objects, he could swap teacups so easily.

So it was not strange that Feng Rue did not realize this and thought that this was her own fault.

"It's perfect, she didn't notice" Ye Chen was so happy that Feng Rue didn't notice.

That made Ye Chen victorious in this battle.

Feng Rue's body was heating up even more, she was trying to take the antidote.

Feng Rue tried to retrieve it, but she did not find the antidote.

"So bad, did I leave it, so careless" Feng Rue felt that she was so careless, why today she was so careless and made several mistakes.

"There is no way, I have to do it the normal way" Feng Rue has no way, she has to do it the normal way, otherwise this will make her body injured.

"Emmm. . ." Feng Rue started to moan, the slightest movement made her excited. I think you should take a look at

Ye Chen almost spit out the tea he was drinking, the woman beside him made a voice that was so seductive and could easily arouse Ye Chen's passion.

"This woman, she is so good" Ye Chen had to admit that Feng Rue was so good, she was able to make Ye Chen feel excited with just a voice.

"What's wrong with you?" Ye Chen asked Feng Rue.

"I feel uncomfortable, please help me" Feng Rue asked Ye Chen in a soft voice, she was asking for help from Ye Chen to solve the problem that she had.

"Where is the uncomfortable part?" Ye Chen asked Feng Rue.

"Here" Feng Rue reached out towards Ye Chen's hand, she guided Ye Chen.

Feng Rue had just guided Ye Chen's hand to touch a soft and super large object.

Of course what Ye Chen was touching was the double peak possessed by Feng Rue.

Feng Rue's double peak was so good and so perfect.

Feng Rue guided Ye Chen, if she didn't do that, it was possible that Ye Chen didn't know.

Feng Rue felt that Ye Chen was still a beginner, so it was better for Feng Rue to guide Feng Rue.

"emmmm. . ." Feng Rue moaned when Ye Chen touched her, it was such a comfortable feeling when Ye Chen touched her.

"This is so comfortable" Feng Rue felt that this was so comfortable, being touched by Ye Chen felt so good.

Feng Rue was so brave, she was so bold and told Ye Chen to touch her.

Seeing how brave Feng Rue was, Ye Chen naturally had to be braver, he was a man, if Feng Rue was brave, then Ye Chen had to be brave too.

Ye Chen touched more vigorously, he made Feng Rue feel his skills.

"Emmm, ahhh. . ., very good" Feng Rue felt that Ye Chen was so good, how could Ye Chen do this so well.

"so comfortable, this feeling, what kind of feeling is this" Feng Rue had never felt a feeling like this, a feeling so good and so comfortable that Feng Rue had never felt.

"This is too comfortable, if it continues like this, I will reach the limit" Feng Rue felt that this was so comfortable, if it continued like this, soon she would reach the limit.

Ye Chen showed such good skills, he made Feng Rue so comfortable.

"Wait, this is bad why is he so good, if it's like this" Feng Rue felt that Ye Chen was so good, if it was like this, there was no way Feng Rue could stand it.

"Emmm. ." Feng Rue finally reached the limit.

"How marvelous" Feng Rue felt satisfied, just Ye Chen's touch had made her become like this.

"You seem to enjoy it so much" Ye Chen said to Feng Rue.

"um, this is great, I'm still uncomfortable, please do more with me" Feng Rue undressed, she continued to tease Ye Chen by using such gentle beauty and charm.

There was a beauty in front of his eyes, of course Ye Chen would not hold back, he would immediately show his abilities.

Ye Chen immediately pounced on Feng Rue, he was so excited to pounce on Feng Rue.

"Ahhh, you're too excited" Feng Rue said to Ye Chen.

Who told you to tease me, I am a young man" Ye Chen said.

"That's right, you are still a young man" Feng Rue realized that Ye Chen was still young, that's why she would be easily seduced.

Chapter 2848 Makes Feng Rue Very Obedient (1)

Ye Chen removed every inch of clothing from Feng Rue, it was like he was unboxing such a good item.

Every inch of Feng Rue's body was so fine, she showed such a fine and mature body.

This was a gentle mature woman, and Ye Chen had to treat Feng Rue tenderly as well.

Ye Chen kept touching Feng Rue's double peaks, he really enjoyed touching this thing.

"You really like touching that thing" Feng Rue said.

"Of course, it's big and soft, comfortable to touch" Ye Chen said.

"Wait a minute, that's too strong" Feng Rue said to Ye Chen, she told Ye Chen that it was too strong.

"Don't you like it, you seem excited" Ye Chen said to Feng Rue.

"It's too strong, I won't be able to stand it" Feng Rue said to Ye Chen, she told him that she wouldn't be able to stand it.

Honestly it was too comfortable, this probably wouldn't be able to be endured easily by Feng Rue.

Ye Chen didn't care, he showed his skills again and again, he rubbed and squeezed vigorously, it made Feng Rue unable to bear it anymore.

"Why are you too good" Feng Rue asked Ye Chen, why is Ye Chen so good, he was so good and made Feng Rue feel such a comfortable feeling.

This made Feng Rue unable to bear it and became even more wild and crazy.

Feng Rue tried to defend, she used all the skills she had to defend against Ye Chen's attacks.

Despite using all her skills, she was unable to defend, she was completely dominated by Ye Chen.

Feng Rue made a satisfied face, she seemed to be enjoying what Ye Chen was doing.

It was obvious that Feng Rue would enjoy it, it was because Ye Chen made her feel so comfortable, there was no way Feng Rue would be able to look away when she saw Ye Chen who could make her so happy.

Feng Rue again reached the limit, this was too much fun and she could not survive this pleasure.

After some time later, Feng Rue finally gave up, she was no longer able to endure and get pleasure from Ye Chen.

"This is too good, I can't stand you" Feng Rue found something so good, she liked Ye Chen.

"Are you satisfied ?" Ye Chen asked Feng Rue.

"Very satisfied, you are so good" Feng Rue said.

Feng Rue told that Ye Chen was so good, she would naturally be satisfied after getting treatment from Ye Chen.

"But I won't stand still, it's my turn" Feng Rue said.

Feng Rue pushed Ye Chen, she used all her strength to push Ye Chen.

Feng Rue was still weak after what happened, right now she could only do this to Ye Chen.

Feng Rue's position was currently on top of Ye Chen, so she took the position to give Ye Chen satisfaction.

The first thing Feng Rue did was kiss Ye Chen, she couldn't help but want to kiss Ye Chen.

"Chuuuuuuu. . " Feng Rue kissed Ye Chen, she gave Ye Chen a kiss filled with passion.

Ye Chen received a kiss from Feng Rue, honestly he was so happy with this kiss.

Feng Rue kissed so well, her tongue was so good at teasing Ye Chen.

Ye Chen did not want to be outdone and started to show his skills, they finally got entangled and kissed passionately for a while.

They kissed for about 15 minutes, Feng Rue almost did not want to let go of Ye Chen and wanted to continue kissing Ye Chen.

"Ahhh, this is so good, I like this feeling so much" Feng Rue said.

Feng Rue was satisfied, Ye Chen kissed her very well, and she was so happy with what Ye Chen did. I think you should take a look at

"Your skills are not bad either" Ye Chen said to Feng Rue.

Feng Rue's ability was so good, she made Ye Chen comfortable with the kiss just now.

"I should say that, to be honest, your skills are so good, I was surprised" Feng Rue said.

Feng Rue was surprised by the ability shown by Ye Chen, she would naturally be surprised by the ability possessed by Ye Chen.

Ye Chen was a person who could make Feng Rue satisfied easily, that was why Feng Rue liked Ye Chen.

"Do you want a special service from me?" Feng Rue said.

"What are you going to do?" Ye Chen asked Feng Rue.

"Do you want to or not?" Feng Rue asked Ye Chen.

"Of course I want to" Ye Chen told her that of course he wanted to, there was no way Ye Chen would refuse the offer given by Feng Rue.

It seemed that Feng Rue was confident in her abilities, it meant that Feng Rue's abilities could not be underestimated and Ye Chen should give it a try.

Feng Rue smiled tenderly at Ye Chen, she would make sure that Ye Chen was comfortable.

Ye Chen had made Feng Rue so comfortable, this was the time to repay Ye Chen.

"fufufufu" Feng Rue undressed Ye Chen, she could not wait to see Ye Chen.

Feng Rue saw that Ye Chen was already quite excited, so she should be able to do it with Ye Chen.

Feng Rue wanted to see what Ye Chen's weapon looked like, Feng Rue didn't expect too much, that was because Ye Chen was still young, it would grow with time.

When she opened Ye Chen's little brother part, a big and long thing jumped out and made Feng Rue surprised.

"No way, this ?" Feng Rue was surprised when she saw Ye Chen's capital.

It was so great.

Feng Rue would certainly be shocked to see this, she had never seen anything like this.

"Seriously, he has something like this?" Feng Rue was speechless when she saw this, it was honestly quite extraordinary.

"You hid such a good thing here, I can't wait" Feng Rue licked her lips, she couldn't wait to try it.

"Want to try it ?" Ye Chen asked Feng Rue.

It seemed that Feng Rue was so interested in this.

"I will make you comfortable, you should prepare yourself" Feng Rue told Ye Chen, she told Ye Chen that she would make Ye Chen feel comfortable.

Ye Chen couldn't wait to see the ability that Feng Rue had, he couldn't wait to see what kind of ability Feng Rue had.

Feng Rue stuck out her tongue, she started with something light first.

Feng Rue used her quite well, she started to show her skills.

Ye Chen felt quite comfortable, Feng Rue knew very well how to treat Ye Chen so well.

Feng Rue looked at Ye Chen, she knew that Ye Chen would not be able to stand her.

"fufufufu, I will eat you" Feng Rue said in her heart, she couldn't wait to eat Ye Chen.

Feng Rue had already forgotten the goal she had, right now she was only thinking about getting Ye Chen.

She wanted to make Ye Chen happy by using everything she had.

Feng Rue had never treated a man like this, right now she treated Ye Chen like a little lover and was so in love with Ye Chen.

Chapter 2849 Makes Feng Rue Very Obedient (2)

"slurp. ." Feng Rue started to eat Ye Chen's, it was a little big and made Feng Rue have some trouble.

Even so a tough enough person like Feng Rue would not easily give up, she was able to easily overcome the problem at hand and made Ye Chen so comfortable.

Feng Rue immediately ate everything, she showed the ability that only experienced women could do.

"It's tight and so big, but I can't stand it" This might be a little difficult for Feng Rue, even so, she was not willing to give up and continued to serve Ye Chen.

"jubo, Jobo" the voice released by Feng Rue was so seductive, it made her become excited and wanted to see Ye Chen's ability.

Ye Chen was defending quite well, he could still survive Feng Rue's skillful attacks, if it wasn't Ye Chen, it would have been dried up by Feng Rue.

"Why is he so strong, I can't believe that he is so strong and I can't beat him" Feng Rue couldn't believe that Ye Chen was so strong, she couldn't beat Ye Chen because Ye Chen was so strong.

Feng Rue had been helping Ye Chen for about 30 minutes, she showed everything she had, but she was still unable to make Ye Chen submit.

"So strong" Feng Rue was about to give up, Ye Chen was such a formidable enemy, able to endure for such a long time and show such admirable strength.

This was the most formidable opponent Feng Rue had ever faced.

"You did so well" Ye Chen said to Feng Rue.

"You are so strong in defense" Feng Rue said to Ye Chen.

She had to admit the ability Ye Chen had, Ye Chen defended so well and he had such an extraordinary thing.

"I am strong enough, you have to do better" Ye Chen said to Feng Rue.

He told Feng Rue to do even better.

"Of course, I can't stand it anymore, neither can you?" Feng Rue said to Ye Chen.

Feng Rue could not stand it anymore, she wanted to do it with Ye Chen.

"You are becoming more lewd" Ye Chen said to Feng Rue.

"Do you not like women like me?" Feng Rue looked sad when she heard this.

"No, I like you" Ye Chen told Feng Rue.

Ye Chen liked the ability Feng Rue showed, he liked what Feng Rue did.

"Let's start" Ye Chen carried Feng Rue, this was the time to make Feng Rue obedient.

"Wait a minute" Feng Rue said to Ye Chen.

"What's wrong, are you scared ?" Ye Chen asked Feng Rue, there was no way Feng Rue would be scared.

"I'm a little scared to be honest" Feng Rue told Ye Chen that she was a little scared.

Ye Chen had a large weapon, it would definitely be difficult for Feng Rue.

"Then I will do it slowly" Ye Chen told her that he would do it slowly.

"I believe you" Feng Rue believed what Ye Chen said, she believed that Ye Chen would do it slowly.

They went to the bed, a bed that was so good.

Because Ye Chen often made out with his woman here while working, he made such a good mattress to use when night falls.

Feng Rue was so shy, she was like a little girl about to have her first night.

"Ready" Ye Chen asked Feng Rue.

"It's ready" Feng Rue told Ye Chen.

She told him that she was ready and Ye Chen could start.

Ye Chen did not wait long and went straight in, he used his troops to go inside.

"kyah. ." Feng Rue shouted, it was really too big.

"It's really too strong" Feng Rue said.

"It's okay, you'll definitely like it" Ye Chen said to Feng Rue. I think you should take a look at

Ye Chen moved right away, he gave Feng Rue such a comfortable feeling.

Feng Rue had a honey cave that gripped Ye Chen so firmly, Ye Chen liked this.

Plus it was able to synchronize with Ye Chen's movements, it was expected that Feng Rue was so skillful.

"Then I can't embarrass myself, I'll do it stronger" Ye Chen became faster, it made Feng Rue unable to stand it.

"You are too fast" Feng Rue said to Ye Chen.

"This is too good, I can't help myself" Ye Chen said to Feng Rue.

Feng Rue was completely rendered helpless, she could not do anything, she felt such wonderful feelings from Ye Chen, this really made her lose her mind.

"My body won't listen to orders, so bad, am I going to fall for this guy" Feng Rue couldn't hold on anymore, it seemed like she was going to fall.

Feng Rue was usually quite domineering, but this time she was dominated by Ye Chen.

If Ling Shu saw this, he would definitely be shocked and speechless seeing one of the best subordinates become Ye Chen's plaything.

In terms of ability it could be said that Feng Rue was below Ling Shu, she was number two and had good abilities, but it seemed that those abilities were useless when fighting Ye Chen.

Ye Chen was clearly stronger than Feng Rue, he was dominating and leading this match.

While enjoying performing with Feng Rue, he touched Feng Rue's double peaks, Feng Rue really could no longer speak, only pleasure could be felt right now.

Every time Ye Chen reached the tip, he would feel comfortable, without realizing he had already reached the peak several times, he was really enjoying this.

Several hours passed and the two of them were still at it and Feng Rue still seemed capable of doing it with Ye Chen.

Feng Rue's stamina was so good, that was why she was able to last quite a long time when facing Ye Chen.

Ye Chen saw that Feng Rue had started to obey, she listened to what Ye Chen had to say.

Feng Rue liked what Ye Chen gave her, she wouldn't be able to leave Ye Chen.

When Feng Rue was in a good mood, Ye Chen suddenly stopped.

"uh, why did you stop ?" Feng Rue asked Ye Chen.

"You want more" Ye Chen asked Feng Rue.

"Sure, I want more" Feng Rue said, Feng Rue told her that she wanted more.

"Then you have to answer what I said" Ye Chen asked Ye Chen.

"what is it, please tell me quickly" Feng Rue asked Ye Chen, she wanted to know what Ye Chen wanted to ask.

"who sent you" Ye Chen asked Feng Rue.

"Miss Ling Shu" Feng Rue told who sent her, she did not hide this.

"Why did she send you" Ye Chen asked again.

"she wants me to investigate you, is this a trap or not" Feng Rue said.

Feng Rue replied, she did not lie to Ye Chen.

"So it's like that, I understand" Ye Chen started to understand, he started to understand what happened.

"Who do you belong to now ?" Ye Chen asked Feng Rue.

"Of course I belong to you, I will be yours" Feng Rue said to Ye Chen.

Feng Rue already fully liked Ye Chen, she would do all for Ye Chen.

"That's great, you passed" Ye Chen said to Feng Rue.

With that Ye Chen continued again, he gave Feng Rue more comfort.

"ahhh, this is it, I like this" Feng Rue said to Ye Chen, she liked what Ye Chen was doing.

Chapter 2850 The Next Plan Is To Get Ling Shu

"Since you are good enough, I will give you a reward" Since Feng Rue did so well, Ye Chen gave Feng Rue a good reward as well.

Ye Chen accelerated his movements, he used his to make Feng Rue happy.

Feng Rue was so happy with what Ye Chen was doing, it was honestly so comfortable and made Feng Rue so happy.

Ye Chen seemed to have reached his limit, it was time for him to give a good gift to Feng Rue.

"You're ready ?" Ye Chen asked Feng Rue.

"Of course, give it to me" Feng Rue told him that she wanted Ye Chen.

Seeing this, Ye Chen gave pure Yang Qi essence to Feng Rue.

"Amazing, so pure and warm" Feng Rue was surprised, this amount was so incredible, this would probably be very beneficial for Feng Rue.

Feng Rue felt full, Ye Chen filled her up and she was so comfortable.

"Again. ., you can still continue with me right ?" Feng Rue said to Ye Chen, she was still not satisfied, and wanted more.

It seemed that Feng Rue was still not satisfied and wanted more, a woman like Feng Rue did need it because the influence of the drug was still there.

She needed more than Ye Chen, that way she could get rid of the drug influence quickly.

"Don't complain if you pass out" Ye Chen said.

Ye Chen continued on and on, he continued on and on and started doing it for 2 days and 1 night.

.

.

After a very long battle against Ye Chen, Feng Rue finally felt so satisfied, she was really satisfied with Ye Chen, this was really worthy of being Ye Chen's servant.

Ye Chen slept on the lap of Feng Rue, what a coincidence that Feng Rue gave confession to Ye Chen.

Ye Chen naturally enjoyed it, he enjoyed the lap given by Feng Rue.

"Master, you are so strong" Feng Rue said to Ye Chen.

She admitted Ye Chen was so strong and she was not Ye Chen's opponent.

"You are also equally good" Ye Chen said to Feng Rue.

Feng Rue was also equally good, the ability possessed by Feng Rue was so good.

"It's not like that" Feng Rue said.

Feng Rue felt embarrassed to receive praise from Ye Chen, she felt embarrassed to be praised by Ye Chen.

"Now explain the situation to me" Ye Chen told Feng Rue to explain the situation to him.

He wanted to know what happened, so he told Feng Rue to tell him what happened.

Feng Rue told Ye Chen about what happened, she became so obedient and really listened to Ye Chen.

Feng Rue told her that Ling Shu wanted her to bring Ye Chen, it seemed like Ye Chen had caught Ling Shu's interest.

"Did she send you to catch me ?" Ye Chen said.

"It was originally so, who would have thought that I would be the one to be arrested, now I can't leave you, please take care of me" Feng Rue said.

Feng Rue hugged Ye Chen, she was so considerate and pampered Ye Chen.

"Fine" Ye Chen was happy to see Feng Rue being like this.

"Alright, you now have to help me" Ye Chen said to Feng Rue.

He told Feng Rue to do him a favor.

"What do you want me to do for you?" Feng Rue asked Ye Chen.

"I will tell you this honestly" Ye Chen told Feng Rue.

Ye Chen told her about his plan, he wanted to get Ling Shu. I think you should take a look at

"Master, to be honest Miss Ling Shu is such a strong woman, I'm not sure you'll be able to deal with her easily" Feng Rue said.

Feng Rue was quite close to Ling Shu, so she knew the strength of Feng Rue, if Ye Chen wanted to get Ling Shu, he needed more than strength.

"Of course, I will be honest with you, there is no one who can satisfy her yet, you know what I mean right, she regards others as goods, I am afraid that you will not survive" Feng Rue said to Ye Chen.

Feng Rue was telling the truth, she would treat people like goods, when she liked it she would chase, and when it was broken it was thrown away.

Even Feng Rue did not understand the taste of Ling Shu, that was why she gave Ye Chen a warning, she did not want Ye Chen to find trouble with Ling Shu.

Even Feng Rue intended to help Ye Chen and give a false report about Ye Che, it was for Ye Chen's benefit.

"How interesting. . ." Ye Chen said to Feng Rue.

"Master, did you listen to what I said" Feng Rue asked Ye Chen.

"Of course, I listened to it clearly, it makes me even more interested" Ye Chen said.

"You didn't seem to listen to what I said, if you had listened to what I said, you would have avoided it" Feng Rue said.

"It's okay, you don't have to worry, I haven't shown all the power I have" Ye Chen said to Feng Rue.

"ehhhh? ? ?" Feng Rue was surprised when she saw that Ye Chen hadn't shown any of his powers yet, honestly it made Feng Rue even more scared when facing Ye Chen.

"Let's start the plan properly" Ye Chen said to Feng Rue.

"What plan do you want?" Feng Rue asked Ye Chen.

"You said you could take me along with you" Ye Chen asked Feng Rue.

"Of course, I can do just that, it was my duty from the beginning" Feng Rue said.

This was the task of Feng Rue, the task of Feng Rue was to bring Ye Chen.

"Just like this, you tell him how capable I am" Ye Chen said to Feng Rue.

"It's a little humbling to make him believe that I'm not very good" Ye Chen said to Feng Rue.

"Um, I see" Feng Rue began to understand, she would tell Ling Shu about Ye Chen's skills and abilities.

As long as Feng Rue told her that Ye Chen was normal and a beginner, then Ling Shu would not realize and would consider Ye Chen not a threat.

Ye Chen's methods were quite clever, with that they should be able to easily trap Ling Shu.

"but first we restore the strength you have" Feng Rue said.

Feng Rue first wanted Ye Chen to recover the strength he had first, that way Ye Chen would be able to win over Ling Shu.

"Don't worry, I am in very good condition" Ye Chen told Feng Rue.

Ye Chen was in such good shape, fighting Feng Rue was not a big problem for Ye Chen's stamina.

Feng Rue was even more surprised when she heard this, she did not expect that Ye Chen would be that strong, it was quite a shock for Feng Rue.

Even though Feng Rue attacked Ye Chen's Yang Qi quite a lot, it was surprising to see that Ye Chen could still be energetic.

"This is really great, meeting a great man like this" Feng Rue said in her heart.

Feng Rue was so happy, she met such a great and mighty man, it seemed like this was fate.

"Then I will prepare everything for you" Feng Rue will prepare everything for Ye Chen.

She already had preparations for that.

With Feng Rue being so loyal and obedient, Ye Chen should be able to move easily.

"As long as you succeed" Chu Yuechan said to Ye Chen, Ye Chen just got a gentle and obedient woman like Feng Rue.

"everything is by plan right?" Ye Chen asked Chu Yuechan.

Everything is according to plan, now start the next plan, don't lose" Chu Yuechan said to Ye Chen.

"I understand, there is no way I will lose" Ye Chen would not be able to lose against Ling Shu.
