

True God 2851

Chapter 2851 Ling Shu Finally Came To Ye Chen's Place

"This place is so big, just looking for one person makes it difficult for me like this" Ye Chen said to Chu Yuechan.

"It can't be helped, this place has developed rapidly, the area is really something, there's no way you can watch every place with just your two eyes" said Chu Yuechan.

"If only I had eyes that could see everywhere, this wouldn't be so troublesome," said Ye Chen.

"That's impossible to do," said Chu Yuechan.

"I know too, don't confirmed it" Ye Chen also knew that problem.

"master, you have to be more serious, your opponent may be just personal, but he should be strong enough."

It is possible that you can get resources from it," Chu Yuechan said.

"I just hope" Ye Chen also hopes the same thing.

she hopes the same thing as Ye Chen hopes.

Feng Rue prepared everything for Ye Chen, she prepared everything for Ye Chen.

se returned and told Ling Shu.

"You're back, it's been quite a while" Ling Shu greeted Feng Rue.

"I've gone back and confirmed it." Feng Rue said that she had confirmed this.

"How about it, could there be a trap?" Ling Shu asked Feng Rue.

"So far there is nothing suspicious," said Feng Rue.

"what about him" Ling Shu asked Feng Rue.

"Very good, I think Miss will be satisfied" said Feng Rue.

"You must have tried it, right?" Ling Shu asked Feng Rue.

"Sorry, I couldn't help myself" Feng Rue said.

Feng Rue apologized, she couldn't hide this matter from Ling Shu.

"You didn't break it, right?" Ling Shu asked Feng Rue.

"I only tasted him a little, and he was pretty good, although still quite amateurish" said Feng Rue.

"So it's still an amateur, then that's quite interesting too," said Ling Shu.

Ling Shu was quite interested when she listened to the report given by Feng Rue.

He was so intrigued by the report that Feng Rue gave.

"what do you find attractive about him" Ling Shu asked Feng Rue.

"That. . ." Feng Rue approached, she whispered something to.

"Miss that person has such a good weapon, you will definitely like it" said Feng Rue.

"seriously?" Ling Shu asked Feng Rue.

"I'm serious, there's no way I would lie to you," said Feng Rue.

Feng Rue told the truth, she said that Ye Chen was very good.

Ling Shu became so excited when she heard this, she couldn't wait to try it.

"This makes me excited, I might go" Ling Shu said.

"Miss, you don't want me to bring it to your place" Feng Rue said.

"No need, I will meet him directly," said Ling Shu.

"I think he will be surprised when he sees me coming to his place," said Ling Shu.

Ling Shu wanted to see Ye Chen's reaction when a beautiful woman like her came, it would definitely surprise him.

"what about the two women beside him" Ling Shu asked Feng Rue.

"I didn't see them, when I watched him, he was alone" said Feng Rue.

"So you didn't meet them, it's really a pity," said Ling Shu.

"Are they beautiful women?" Feng Rue had not heard this from Ye Chen, nor had she seen the existence of other women around Ye Chen. I think you should take a look at

"They are Jia Li and Xuan Mei, I heard they are the faction leaders, if he is able to make the faction leader fall, it seems he is not bad" said Ling Shu.

"So that's how it is, sorry that I didn't investigate the matter" Feng Rue apologized that she didn't get to that point.

"You don't need to apologize like that, it's not your fault," said Ling Shu.

Ling Shu did not tell Feng Rue all the information.

He kept that to himself, he didn't tell anyone about it.

"I will go and meet him directly" Ling Shu will go and meet Ye Chen, she will come to Ye Chen.

"You will come with me, at least I need a strong enough guard beside me" said Ling Shu.

Ling Shu asked Feng Rue to be a guardian.

"I understand" Feng Rue understands, she will be a guard for Ling Shu.

"I'll take a shower first and dress up pretty well, there's no way I'll come like this," said Ling Shu.

"Miss is a beautiful woman, even if she goes like that, no man will dare to insult her" said Feng Rue.

"Thank you for the compliment, I will go" Ling Shu said.

Ling Shu entered the bath, there were already several women serving her and cleaning her.

"This is not going according to master's plan, I will tell him first" Feng Rue took advantage of this to send a message to Ye Chen.

Let Ye Chen know what happened in this place right now.

Ye Chen got a message from Feng Rue, he got a message that Ling Shu would come alone.

"So she chose to come alone, quite brave" Ye Chen saw that Ling Shu would come alone, he was brave enough to come alone to this place.

"she was quite brave to come here, even though she could have been waiting for you," said Chu Yuechan.

"If it was in her territory then the level of difficulty would be difficult, but she chose to come out of her territory to meet me, I think she was too confident".

"Isn't that good, take advantage of the opportunity to catch her" Chu Yuechan said to Ye Chen, she told Ye Chen to make good use of this opportunity.

"of course, just wait for her to come" Ye Chen only needs to wait for Ling Shu to come, everything will be resolved Ye Chen.

Ling Shu had just finished bathing, now she just had to wear a dress that looked beautiful and charming.

"What kind of clothes should I wear?" Ling Shu asked for opinions from people around her, she wanted to know what she should wear now.

"Miss, why don't you wear clothes that show your elegance, I think young men like women like that," they started to give advice to Ling Shu.

"I think it's okay to try, I might wear something elegant, then bring me a dress that looks elegant" Ling Shu chose the best, she didn't want to look bad in front of Ye Chen.

With that the servant took several sets of clothes, let Ling Shu choose the best among the best.

After looking for some time, Ling Shu decided to pick a navy blue dress that was so beautiful and would look elegant on her.

There are black and gold, it will make Ling Shu look glamorous and sexy.

"what do you guys think ?" Ling Shu asked.

"very good, most beautiful lady" they said to the most beautiful Ling Shu.

"Thank you, then I will leave this place, when I leave, please look after this place" Ling Shu will leave together with Feng Rue.

As Ling Shu left, she asked them to guard this place so well and make sure no one would sneak into this place.

"We understand" they all understand, they will take good care of this place.

"Let's go" Ling Shu called Feng Rue, she invited Feng Rue to immediately go to the immortal valley sect.

The two of them flew, their goal was to go to Ye Chen's place, Ling Shu and Feng Rue only needed a little time to arrive at this place.

1 hour later, they finally arrived, she showed that it was this place.

"smaller than I thought" Ling Shu said.

"miss he is just an outer court disciple" Feng Rue said.

"Seriously, I didn't expect that he was just an outer court disciple" Ling Shu said.

Chapter 2852 Ling Shu Teased Ye Chen Very Aggressively

"Even though he has two women who have quite a lot of influence in the sect, why not just ask them" said Ling Shu.

Ling Shu couldn't understand what Ye Chen was thinking, even though Ye Chen had beauties like Jia Li and Xuan Mei, why not just ask them for help, it would make it easier for Ye Chen to become a core disciple," said Ling Shu.

"We both don't know his way of thinking," said Feng Rue, they both didn't know Ye Chen's way of thinking, so they didn't know why Ye Chen didn't do that.

"You are absolutely right, we both don't know that person's thoughts." Feng Rue and Ling Shu really didn't know Ye Chen's thoughts.

"then I'll go in, you stay here and watch around" Ling Shu told Feng Rue to stay here and watch around.

she told Feng Rue to make sure no one would disturb her and Ye Chen.

"understood, I will do your bidding" Feng Rue will do the bidding from Ling Shu, from here on, this will be Ye Chen's stage.

Ling Shu went straight away, she knocked on Ye Chen's door.

"knock. . ." Ling Shu knocked lightly.

"Master, she has come" Chu Yuechan said to Ye Chen, she told him that Ling Shu had come.

"this is the time" Ye Chen said to Chu Yuechan, this is the time, he must not think Ling Shu is weak.

"who?" Ye Chen asked Ling Shu who was outside.

"a visitor who wants to meet you" Ling Shu answered Ye Chen.

"Wait a moment, I will open the door for you" with that Ye Chen opened the door for Ling Shu.

When Ye Chen opened the door for Ling Shu, he saw Ling Shu's figure in a sky blue dress that looked so elegant and enchanting.

"Why are you here ?" Ye Chen was surprised when he saw Ling Shu was here.

"fufufufufu" as expected by Ling Shu, she liked it when she saw Ye Chen's shocked expression.

"I came to visit you, you should be happy when a beautiful woman visits you" Ling Shu said.

"Of course, I'm very happy, but my place isn't that good," said Ye Chen.

"it's okay, I'm fine" Ling Shu said.

"But to allow a goddess to enter a place that is not worthy" said Ye Chen.

"I told you it's okay" Ling Shu said.

Ling Shu didn't mind Ye Chen's place, she didn't care much about this.

Ling Shu said that she could accept Ye Chen's place, finally forcing her way inside.

When she entered, Ling Shu saw that this place was not bad.

"Not too bad" Ling Shu said.

Ling Shu praised Ye Chen, this place wasn't too bad.

"Why did you come here, and you look different from usual" said Ye Chen.

"what's different" Ling Shu asked Ye Chen, she needed an answer from Ye Chen.

"Your appearance and also the way you walk, usually you will be lazy in bed, that's what I hear from people" said Ye Chen.

"I'm not that lazy" Ling Shu said to Ye Chen, she told Ye Chen that she wasn't that lazy.

"But I heard it from people" said Ye Chen.

"You have to believe in me" Ling Shu said to Ye Chen, she told Ye Chen to believe in herself.

"okay. . ." Ye Chen had no choice, he had to believe what Ling Shu said.

Otherwise, Ling Shu's mood would change very quickly.

"so why did you come" Ye Chen asked Ling Shu.

He wanted to know the reason Ling Shu came.

"What's wrong?, can't I come to this place?" Ling Shu asked Ye Chen.

"Of course you can, You are quite good, it's just that I don't know why you want to come to my place, someone with a high position like you," said Ye Chen.

"don't be humble like that, you are good enough, otherwise I would never come to your place" Ling Shu said to Ye Chen, she told Ye Chen not to be humble.

Ling Shu knew that Ye Chen was so kind and forbade Ye Chen to be humble.

"I still haven't thanked you for the banquet you had at that time," said Ling Shu.

"oh that time, it was quite a long time ago" said Ye Chen.

Ye Chen almost forgot when he first met Ling Shu, when he was at the beach.

"It's only been 2 years and you've forgotten me, it makes me sad," said Ling Shu.

Ling Shu didn't expect that Ye Chen would forget, she wasn't even interested in that.

With Ling Shu's charm, she could leave an impression on everyone she met, most people who saw Ling Shu in person would not be able to forget Ling Shu. I think you should take a look at

But Ye Chen was different, he forgot Ling Shu quickly, it made Ling Shu want to get Ye Chen even more.

she had not met anyone like Ye Chen, no matter what, she had to get Ye Chen.

"So what do you want from me as a gift, I can give you everything" Ling Shu said to Ye Chen, to be honest she could give everything Ye Chen wanted.

"Can you give me all the things I want" said Ye Chen.

"of course, even if it is a mature request" Ling Shu said.

Ling Shu approached Ye Chen, she leaned her body towards Ye Chen.

She immediately seduced Ye Chen, she seduced Ye Chen with a body that was so beautiful and so sexy.

Ling Shu was the same as Feng Rue, she was equally bold in teasing Ye Chen.

They didn't hold back and immediately teased Ye Chen using such good skills.

The double peaks that Ling Shu had were so good, they were soft and when they touched Ye Chen they were so elastic.

"Wow, that's so great" Ye Chen saw that it was so great, this was very good, a very good feeling for Ye Chen.

"fufufufufufu" Ling Shu smiled, as expected by LingThat's it, Ye Chen is so easy to tease, with just a little teasing, Ye Chen is excited.

Feng Rue was absolutely right, Ye Chen was so easy to tease, he was so easy to tease Ling Shu, it seemed like Ye Chen was still a beginner, this was food for Ling Shu.

"Are you telling the truth" Ye Chen asked Ling Shu again.

Was Ling Shu serious, or did she just want to tease Ye Chen.

Ye Chen didn't know Ling Shu's train of thought, whether she was just teasing or serious.

"I'm serious about what I say if it's you, I don't mind" Ling Shu whispered in Ye Chen's ear.

Ling Shu blew into Ye Chen's ear, it was clear that she was teasing Ye Chen.

Ling Shu's skills were much better than most women, she immediately used the charm she had to seduce Ye Chen.

What Ling Shu had just done was quite tempting, it was like an aphrodisiac that allowed Ye Chen to be so excited.

Ye Chen's body was so hot, he became so hot, he was already quite excited.

"As expected from the list of women who hold the title of second goddess, she is so strong" Chu Yuechan said.

Chu Yuechan saw that Ling Shu was so great that her skills could probably be the same as Ye Chen.

"Yuechan, do you think she used art to tempt me" Ye Chen asked Chu Yuechan.

"perhaps, it is quite strong" Chu Yuechan said.

Chu Yuechan saw that it was so powerful, an Art that allowed Ling Shu to tease Ye Chen easily.

"You can't be careless, just a little careless, it will be the end for you" Chu Yuechan said to Ye Chen.

she told Ye Chen not to be careless, if Ye Chen was even a little careless, then his life would be at stake.

"You . . ." Ye Chen didn't expect that Chu Yuechan would say that.

Ling Shu has the charm goddess of beauty Love Art, she uses it to attract every cultivator.

As long as she was determined, no one would be able to escape from Ling Shu.

Even if it was Ye Chen, he would not be able to escape from Ling Shu.

charm goddess of beauty Love Art is a high level art and only Ling Shu has reached the peak level of ability, this makes her invincible and can obtain all things without having to put in much effort.

As long as she wants, she can order everyone to do what she wants.

"so what is your decision" Ling Shu asked Ye Chen.

He wanted to know what decision Ye Chen wanted.

"It's up to you, I will accept the gift from you" Ye Chen handed this matter over to Ling Shu.

"Are you sure, I can give you something that will make you happy, you don't want to ask for that" said Ling Shu.

Ling Shu increased the power of the charm goddess of beauty Love Art.

He got so close and tried to influence Ye Chen.

Ye Chen was in trouble right now, he wouldn't be able to escape the charm goddess of beauty Love Art.

Right now, Ye Chen chose to endure and wait for the right time.

"It looks like you are quite shy" Ling Shu saw Ye Chen who was shy, it was probably because Ye Chen faced Ling Shu's beautiful figure, it wasn't strange that he was shy.

Other people would definitely experience the same thing as Ye Chen felt, they would become quite shy when faced with a super beautiful woman like Ling Shu.

Seeing what was happening now, Ling Shu continued to take the initiative to tease and also provoke Ye Chen.

It seemed that Ling Shu really enjoyed teasing Ye Chen, she liked the feeling of teasing Ye Chen, this was really fun for Ling Shu.

Chapter 2853 Ye Chen & Ling Shu (1)

Ling Shu's guard was so bad, if Ye Chen wanted, he could now make an attack on Ling Shu.

It's a pity that Ye Chen didn't do that, he didn't want to do that and chose to hold on any longer.

Let Ling Shu be completely lost in the pleasure, when the time is right, Ye Chen will do it.

"Very funny, I want to play with you a little longer" Ling Shu said to Ye Chen, she told Ye Chen that she wanted to play with Ye Chen a little longer.

"Please don't tease me" said Ye Chen.

Ye Chen said to Ling Shu, he asked Ling Shu to stop teasing him.

"No, I will continue to tease you, prepare yourself to continue being teased by me" Ling Shu said.

Ling Shu would enjoy this, she would enjoy teasing Ye Chen.

Ling Shu stretched her fingers towards Ye Chen's body, she started stroking Ye Chen's chest.

Ling Shu's fingers circled Ye Chen's chest, she wanted to show Ye Chen her abilities.

"how is it, does this feel comfortable for you" Ling Shu asked Ye Chen.

she wanted to know Ye Chen's opinion about this.

"Very good" Ye Chen said to Ling Shu, Ye Chen's whole body felt so comfortable by Ling Shu's touch.

"fufufufu, you are so honest" Ling Shu said.

"I did speak the truth" Ye Chen said to Ling Shu.

"fufufufu,I like this" Ling Shu said to Ye Chen, she told him that she liked Ye Chen who was so honest.

It was rare to see people so honest like Ye Chen, most of them would act cool in front of Ling Shu.

It's not strange if that happens, men really like to act cool in front of beautiful women.

They wanted to get the best impression from a beautiful woman, and that was what all men who wanted to approach Ling Shu often did.

Ling Shu's hands continued to fall downwards, at this time Ling Shu was so domineering and no one could fight Ling Shu's dominance.

Ling Shu believed in her abilities, no one could oppose her and she would dominate everything.

Some time later Ling Shu's finger touched an object that was so hard and so strong.

"This?" Ling Shu saw what Ye Chen had, as explained by FengStreet, Ye Chen has such a good thing.

"he is really something, apart from being handsome and having strong endurance, he also has such good capital" for Ling Shu this was the complete package.

Ling Shu looked at Ye Chen, she saw Ye Chen was still able to defend quite well, he could defend quite well even after being provoked by her.

If this wasn't Ye Chen, they would have fallen long enough and would have just become Ling Shu's obedient slaves.

This could easily show that Ye Chen had a very good ability, so Ye Chen's resistance to charm was really strong.

This is what made Ling Shu interested in Ye Chen, when she discovered Ye Chen had such good endurance, she was surprised.

Even her charm was unable to reach Ye Chen, and now it was still the same as before.

It could be said that this was the first time that the goddess of beauty Love Art's charm skill could be resisted by someone so weak as Ye Chen.

If it was a person with a cultivation above that of Ling Shu, then it might be possible, but for someone like Ye Chen, it would obviously not be possible, even in the wildest imagination, it would not be possible.

That's why Ling Shu was curious about Ye Chen's secret.

she wanted to find out what secrets Ye Chen had

which was hidden by Ye Chen.

Ling Shu would soon find the answer.

"it seems that the one below is very excited" said Ling Shu.

"you provoke it, of course it will react" said Ye Chen.

"So this is my fault, then I will take responsibility" said Ling Shu.

Ling Shu told Ye Chen that she would be responsible for what happened.

With that Ling Shu started to take responsibility, she knelt down and started to open Ye Chen's trousers.

Ling Shu was too fast, this development was so fast and quickly reached this point.

Well Ye Chen himself was still quite restrained right now, he was still quite restrained and didn't make any actions that were too prominent.

After Ling Shu released it, Ye Chen's current weapon was in front of Ling Shu.

"This?" Ling Shu's eyes lit up when she saw what was in front of her eyes, she saw something so great, something so strong and long.

"what is this?, does he have a legendary artifact, this size is so extraordinary, so strong and so great" Ling Shu said.

This is still not the highest, Ye Chen is still holding back so that Ling Shu doesn't retreat.

If Ye Chen directly showed his own, then maybe Ling Shu would retreat, so it was better to restrain himself first.

Ling Shu touched it, she immediately gave Ye Chen a little hand touch.

Ling Shu's abilities were so good, this obviously felt very comfortable for Ye Chen.

"You must feel comfortable, right?, This will be even more comfortable than before," said Ling Shu.

Ling Shu said that this would be even more comfortable, she used all her skills to make Ye Chen feel comfortable.

Even though she only used her hands, Ye Chen felt really comfortable.

This skill was so good and quickly made Ye Chen cornered.

Ye Chen had to restrain himself a little, it seemed Ling Shu was much stronger than initially estimated.

When Feng Rue said that Ling Shu was strong, Ye Chen thought that Ling Shu's abilities were only slightly above Feng Rue, who would have thought that she was stronger than that.

It could be said that Ling Shu was probably the strongest among all Ye Chen had ever met, even much stronger than Chu Yuechan and the others.

"I heard that, she seems so good" Chu Yuechan said.

Chu Yuechan was unhappy when she saw Ye Chen comparing herself to Ling Shu.

Obviously Chu Yuechan wouldn't be that good, she was still quite an amateur, just knowledge alone was so strong and she lost to Ye Chen.

"If she is that good, then your chance of winning will be very small" Chu Yuechan said to Ye Chen.

This is the problem, Ling Shu better the abilities, So it became increasingly difficult for Ye Chen to win, that was something Ye Chen had to be careful of.

Ling Shu was having difficulty, one hand was still difficult to hold Ye Chen's, she needed two hands to do this.

"unexpectedly it would turn out like this" Ling Shu said in her heart, who would have thought she would encounter something so good.

she became enthusiastic and quite passionate.

Ling Shu became wet, it seemed like this made her so excited, I don't know why she became like this, this was a little strange for Ling Shu.

Teasing a young man at home, perhaps this was the first time Ling Shu had done such a thing.

But Ling Shu was so excited about this, she was so happy to do this with Ye Chen.

The spirit inside her body was stirring and she wanted to do it with Ye Chen.

Ye Chen had already done with Feng Rue, so Ling Shu had to do even better.

With that, Ye Chen would completely belong to her.

"I will give you the most beautiful dream" Ling Shu said to Ye Chen, she started to kiss Ye Chen. I think you should take a look at

Ling Shu put her tongue in, she entangled Ye Chen and didn't want to let go of Ye Chen.

Ye Chen accepted what Ling Shu was doing, he started to cooperate with Ling Shu.

The two of them became more and more active, even Ling Shu also became more active in helping Ye Chen.

The hand below did not stop to continue provoking Ye Chen.

"His endurance is so good" Ling Shu was testing Ye Chen's endurance, she could see that Ye Chen had very good endurance.

This might be very exciting, Ling Shu wanted to see how resilient Ye Chen was.

Does he have such good endurance or not?

Ye Chen defended quite well, he was able to survive for approximately 10 minutes, that result was clearly quite good considering Ye Chen's opponent was Ling Shu.

"You are holding up quite well" Ling Shu said.

"Is that so, I don't know, this is so comfortable" Ye Chen said to Ling Shu, he told Ling Shu that this felt so comfortable.

"Of course, I already said that I will provide comfort for you, I will not lie about that matter," said Ling Shu.

"Yeah, it's so comfortable, you didn't lie to me" Ye Chen said to Ling Shu.

"fufufufu" Ling Shu was so happy with Ye Chen, she really enjoyed teasing Ye Chen. It was too comfortable to tease Ye Chen.

After some time, Ling Shu saw that Ye Chen was still defending quite well, she felt that her self-esteem would be destroyed if she couldn't beat Ye Chen.

"I won't let you" Ling Shu wouldn't let Ye Chen, she couldn't let her pride be destroyed because she couldn't afford to make Ye Chen lose.

With that Ling Shu started to go down, she started to go down and immediately opened her little mouth.

she just ate Ye Chen's things quite happily.

"slurp . . ." Ling Shu's movements and manner were so skilled, she made Ye Chen feel so comfortable.

"it's bad he's so good" Ye Chen was having problems, he couldn't hold on long enough, Ling Shu was so good and the way she treated Ye Chen was so comfortable.

"Ummm . ." Ling Shu saw Ye Chen, she was waiting for Ye Chen to let everything out.

Ling Shu made a very sexy face, Ye Chen's enthusiasm was ignited by Ling Shu's beautiful face.

"forget it, let's enjoy this well" Ye Chen decided to enjoy this well, he decided to enjoy time with Ling Shu.

About 7 minutes later, Ye Chen had reached his limit, this was much faster than usual.

"gahhhh. ." Ye Chen gave everything to Ling Shu.

Pure and large amounts of Yang Qi were given to Ling Shu.

"glup . . ." Ling Shu took it all in, there was nothing left and she got it all.

"Slurp. . ." she just kept sucking Ye Chen dry, it seemed Ling Shu couldn't hold back and wanted all the Yang Qi.

"it won't stop" Ye Chen's Yang Qi continued towards Ling Shu, it wouldn't stop and was forcefully sucked in.

"puah . . ." after some time later, Ling Shu finally felt satisfied.

"Amazing, so pure and tastes so good, it's really amazing, I'm addicted to it" Ling Shu said.

Ling Shu felt that she was addicted, Ye Chen's Yang Qi was like a drug that made Ling Shu addicted.

"Sigh. . ." Ye Chen lay down, he seemed helpless facing Ling Shu.

"oh, looks like I went too far" Ling Shu realized that she was going too far, she sucked in too much of Ye Chen's Yang Qi, it would be a problem.

Normal people would have dried up immediately, but Ye Chen was holding on quite well and was just tired, it made Ling Shu even more interested.

Ling Shu again provoked Ye Chen, she touched Ye Chen's and it became excited again.

"It's vibrant again, it's amazing," said Ling Shu.

Ling Shu didn't expect that Ye Chen would recover so quickly.

"You can still continue right, you are still quite young" Ling Shu said.

Ye Chen was still young, his stamina was so good, so it didn't matter if they continued.

"That was too good" said Ye Chen.

"it's nothing, this time it will be much better than before" Ling Shu said.

Ling Shu couldn't wait anymore, she wanted to do it with Ye Chen immediately.

After what happened, how could Ling Shu hold back any longer, she would not hold back and would go straight for it.

Ling Shu moved Ye Chen, she pushed Ye Chen towards the closest sofa.

There was no time to do it in the room, so she moved Ye Chen to the sofa.

Luckily Ye Chen used the best quality sofa, so it was not inferior to a bed, in fact it was much better than a bed.

"very soft too, what is this item ?" Ling Shu asked Ye Chen.

It was the first time she saw something like this, it was much softer than her chair, maybe even better than her bed that she always took out.

Even though the bed was an artifact that allowed Ling Shu to sleep comfortably, the sofa was much better than hers.

"Just an ordinary chair, no need to think too much about it" said Ye Chen.

"if you say it like that, I won't think too much about it" Ling Shu didn't think too much, now was the time to get Ye Chen.

Ling Shu was wearing a dress, so she didn't need to take it off.

"I'll start straight away, prepare yourself" Ling Shu said to Ye Chen, Ling Shu held Ye Chen's.

she directs it to the right target.

With that Ling Shu came down and Ye Chen's object immediately entered Ling Shu's territory.

"kyah . . ." Ling Shu groaned, this was much bigger than she imagined.

"Not bad," said Ling Shu.

Ling Shu encountered a problem, it was expected that the size was too excessive.

Luckily Ling Shu could easily adjust, so she could adjust.

"she has such a good item" said Ye Chen.

Ling Shu had such a good artifact, it was truly like thousands of flower petals that gripped Ye Chen tightly.

No need to ask again, this is so comfortable and will not let go of Ye Chen easily.

"Not bad," said Ling Shu, she saw that Ye Chen could survive, Ye Chen was quite great because he could survive Ling Shu's special artifact.

"Then let's start" Ling Shu said to Ye Chen, she started to move.

Ling Shu was no beginner, she moved faster and didn't hold back.

Why was she holding back, just enjoy it, she didn't care about Ye Chen and only cared about her own satisfaction.

Ling Shu hoped that this could make she was satisfied, she wanted to feel the comfortable feeling from Ye Chen.

"This woman, she immediately played rough" Ye Chen of course had to adapt because Ling Shu immediately played fast, she didn't even give Ye Chen time to rest.

"so comfortable, I like this" Ling Shu said if she likes it, she becomes more aggressive than before.

Ye Chen had never met a woman like this, it was troublesome.

Chapter 2854 Ye Chen & Ling Shu (2)

Because Ling Shu here taking the lead, she easily controlled the course of the match.

she brought out the best of her abilities and made Ye Chen very comfortable, very comfortable obtained by Ye Chen can't is said.

"Great, he can last this long, I like it" Ling Shu said.

Ling Shu didn't expect that Ye Chen could last long enough, this made her no longer hold back and gave everything she had.

He felt comfortable and so did Ye Chen feel comfortable.

"That's really great, you also feel the same as me, right," said Ling Shu.

"you are too fast" Ye Chen said to Ling Shu.

"Sorry, but I can't take it anymore, so I can't stop" Ling Shu said to Ye Chen, she told him that she couldn't hold it in and finally did it even harder.

Honestly, he couldn't survive, he couldn't remain silent in a situation like this.

Ling Shu was starting to lose control, if Ye Chen wanted to attack, he could attack right now.

"It looks like the opportunity has arrived" Ye Chen felt that the opportunity had arrived, he had gotten such a good opportunity.

Ye Chen got up and hugged Ling Shu who was in front of him.

"ahhh, what you did, it surprised me" Ling Shu said to Ye Chen, what done by Ye Chen made her feel surprised.

"I'll start" Ye Chen said to Ling Shu.

"What did you say, what do you want to start with?" Ling Shu asked Ye Chen, what would it be done by Ye Chen.

Ye Chen didn't answer, just let himself use his abilities to make Ling Shu understand.

This time it was Ye Chen's turn, now it was Ye Chen's turn to start an attack on Ling Shu.

Ye Chen made a move, he used the Passion Goddess technique on Ling Shu.

"Ahhh, what is this?" Ling Shu felt such a great feeling, she felt such a great feeling when Ye Chen used the Passion Goddess technique.

Ling Shu's body was so happy with this feeling, she wouldn't be able to lie that this was comfortable.

"Amazing, this is so good, you are great" Ling Shu continued to praise Ye Chen, she felt so comfortable when Ye Chen took the lead.

"You also make me comfortable" Ye Chen had to admit Ling Shu's abilities, he made me feel so comfortable in Ling Shu's honey cave.

Both of them showed each other the best abilities they had, Ye Chen showed the best abilities, meanwhile Ling Shu also showed the best abilities, now it was just a matter of seeing who could last longer.

Ling Shu was shocked when she saw Ye Chen could match her abilities, she found a comparable opponent and had to use everything she could.

Ye Chen also found a very difficult enemy, he found a very difficult enemy and had to use all his abilities too.

The match lasted about 20 minutes, Ye Chen and Ling Shu exchanged several positions.

"Not good, I can't hold on any longer" Ling Shu seemed to have given up, she could no longer hold on and had reached her limit.

Ye Chen kept giving pleasure to Ling Shu, he didn't let Ling Shu rest.

"Ahhh . . ." Ling Shu became the first person to reach the top.

"Impossible?" Ling Shu didn't believe this, she really experienced it.

"You are so great" said Ling Shu.

Ling Shu said that Ye Chen was so great, he was so great and made her feel happy.

"We will continue" said Ye Chen.

Ye Chen didn't let Ling Shu rest, they continued and started the match again.

"Wait a minute" Ling Shu said to Ye Chen, she asked Ye Chen to stop.

Ye Chen didn't listen to Ling Shu's request, he continued because this was the best way to defeat Ling Shu.

"Ahh . . ." Ling Shu's moans were quite loud, she was really too excited and could no longer hold back her voice.

With that Ye Chen and Ling Shu continued until 1 hour later.

"why is he so great" Ling Shu didn't understand, why Ye Chen was so great, she was already 3x made helpless and she still couldn't take Ye Chen's Yang Qi.

Very the thing that outside Ling Shu's guess.

Ling Shu summoned all the strength she had, she used the charm goddess of beauty Love Art to make Ye Chen comfortable.

Ye Chen felt the change done by Ling Shu, he felt that the honey cave became tight and very comfortable.

Ye Chen knew that Ling Shu had started, she wanted to absorb Ye Chen's Yang Qi.

"you don't have to hold back anymore" Ling Shu said to Ye Chen, she asked Ye Chen not to hold back and give pure Yang Qi to her.

With seductive words and a face that is so beautiful and sexy, Ling Shu intends to end this battle.

she could no longer hold on and had to admit Ye Chen's abilities, as someone who stood at the top, she couldn't let Ye Chen dominate her, she would dominate Ye Chen.

Ye Chen got more and more comfort and fun things from Ling Shu, he really liked it and couldn't hold back any longer. I think you should take a look at

"This woman, she is really a goddess who will suck me" Ye Chen felt like he was going to be sucked by Ling Shu.

"come give it to me" Ling Shu hugged Ye Chen tightly, she didn't let Ye Chen leave.

With that Ye Chen gave all his Yang Qi essence, he gave quite a lot to Ling Shu.

"here it is finally" Ling Shu finally got what she was looking for, she finally got Ye Chen's Yang Qi which was so pure, she absorbed it all for her use.

"So pure, with this, I might be able to break through" Ling Shu felt that she might be able to break through.

Ye Chen's Yang Qi continued to be sucked in and Ling Shu didn't seem to let Ye Chen escape.

"Please let me go" Ye Chen said to Ling Shu.

"no, I will not let go of you" Ling Shu said to Ye Chen, she told that she would not let go of Ye Chen.

"I will suck you dry before I let go" said Ling Shu.

"impossible" said Ye Chen.

"I need your Yang Qi," said Ling Shu, Ling Shu really needed Ye Chen's Yang Qi, that's why she chose this path.

"if you do that, I will also do the same" Ye Chen said to Ling Shu.

Ye Chen can also do the same thing, he has the technique to do this.

Ye Chen counterattacked, he made an attack and started to absorb Ling Shu's Yin Qi.

"what happened?" Ling Shu made was shocked when she saw Ye Chen absorb her Yin Qi, she didn't expect this to happen.

"Wait, why did this happen ?" said Ling Shu, Ling Shu didn't understand, why did this happen.

She have the charm of the goddess of beauty Love Art, it is impossible for her to lose to Ye Chen.

"What's wrong? Are you scared" said Ye Chen.

"I'm not afraid, you want to find trouble with me, you are looking for the wrong opponent" said Ling Shu, Ling Shu told him that Ye Che was looking for the wrong opponent.

"let's see who is looking for the wrong enemy here" Ye Chen said to Ling Shu, he accelerated absorbing Ling Shu's Yin Qi.

Meanwhile, Ling Shu doesn't want to lose and tries to take back what is hers.

It's a pity, there is no chance, it is clear that the Passion Goddess technique is still the best.

"no chance of winning?" Ling Shu didn't expect that she didn't have a chance to win against Ye Chen.

"If it continues like this" said Ling Shu, if it goes like this all of his Yin Qi will be taken by Ye Chen and that's not good.

"Wait a minute, please stop, I was wrong" Ling Shu said to Ye Chen, she told him that she was wrong.

"Do you think I will let you go?" Ye Chen said to Ling Shi.

"You have to let me go, I will do everything you want, as long as you let me go" Ling Shu said.

she told Ye Chen, she will do all that desired by Ye Chen.

Ye Chen didn't just believe that is said by Ling Shu, there was no way Ling Shu would do that desired by Ye Chen.

First of all she must be completely conquer Ling Shu.

"Then I want you to be mine alone, do you want it or not" Ye Chen said to Ling Shu.

"that . ." Ling Shu said doubtfully.

"if not then" Ye Chen continued, there was no way for Ling Shu to escape.

"Okay, I will do it, I promise" seeing Ye Chen unwilling to let go, Ling Shu had no choice but to agree to Ye Chen's request.

"You made such a good choice, I will give you a little gift" Ye Chen said to Ling Shu.

Ye Chen give Pure Yuan Yin to Ling Shu, this made Ling Shu surprised.

"this" Ling Shu accepted, this is the thing that has been processed by Ye Chen by using the Yin Qi that was sucked in by Ye Chen.

"amazing, you gave this to me, thank you very much" Ling Shu was so happy, she was so happy to get such pure Yuan Yin from Ye Chen.

"This is a gift for you, and one more thing, let's continue" Ye Chen said to Ling Shu.

"huh ?" Ling Shu was shocked when she heard what is said by Ye Chen.

"What's wrong? Don't you still want to continue?" Ye Chen said to Ling Shu.

"I . . ." Ling Shu was a little tired after everything.

What happened just now was enough to make Ling Shu tired.

"I will make you see who I am, you definitely won't be able to escape" Ye Chen said to Ling Shu.

Ling Shu started to become worried, she became worry with what is said by Ye Chen.

Chapter 2855 Ling Shu Started Looking For Information

After that, Ye Chen and Ling Shu continued, they took so long, they didn't know how much time had passed outside, they were too engrossed in their own world that they forgot about time.

"I'm tired" Ling Shu said to Ye Chen, she told Ye Chen that she was very tired and probably couldn't continue anymore.

Ling Shu really felt so tired, she felt so tired after doing it over and over again with Ye Chen.

she had pleased hundreds of times and it was so incredible, that she could no longer move her body because the pleasure was too intense.

Ling Shu was so happy, she was so happy with what Ye Chen was doing, even Ye Chen's soul was in her heart, if this was the situation, Ling Shu would not be able to leave Ye Chen anymore and become Ye Chen's prisoner.

"want some more" Ye Chen asked Ling Shu.

"Again, you really are a little monster, I'm almost there now, please let me go" Ling Shu said to Ye Chen, she told him that she was so tired and wouldn't be able to continue anymore.

"I think you are strong" said Ye Chen.

"Which woman will survive against a man like that, even with a pure Yin Qi body, I can't win," said Ling Shu.

Even with Ling Shu's special body which was one of pure Yin Qi, she couldn't win.

Ling Shu has a Pure Yin passion body, a body that makes her not satisfied easily and has good stamina, but that was all broken by Ye Chen and she was even made into what she is today by Ye Chen.

"I can't understand you" Ling Shu said.

Ling Shu couldn't understand Ye Chen, she wasn't able to understand Ye Chen, why Ye Chen had such good strength, it made Ling Shu curious.

"so you have a Pure Yin passion body, it's not strange that you are so strong" said Ye Chen.

"You yourself?, you must be hiding such a great special body" Ling Shu said.

"of course" Ye Chen answered, he told her that he did it too.

"tell me darling, what do you have" Ling Shu said to Ye Chen.

she wanted to know what Ye Chen had, Ye Chen had Yang Qi so pure and was so helpful to Ling Shu, this was definitely not something normal people could do, even cultivation techniques couldn't make Yang Qi so pure and rich like Ye Chen.

"That . . ." Ye Chen whispered to Ling Shu, he told her what he had.

After what happened before, Ye Chen had succeeded in making Ling Shu submit, Ling Shu was now Ye Chen's and Ye Chen completely controlled Ling Shu, there was no problem telling this matter.

"Eh, seriously, you're not kidding me?" Ling Shu didn't believe what Ye Chen said.

Ling Shu had already guessed when she first met Ye Chen, but that was just a guess because she had never seen anyone with an Ancient (Yang) Body, a super rare body that Ling Shu had never seen.

"Why did I have to lie to you" Ye Chen asked, why did he have to lie.

"So you do have it, that's surprising to me" Ling Shu said.

Ling Shu was surprised to find out that Ye Chen had that, something that Ling Shu would not have imagined.

Ye Chen just smiled when he saw this, it seemed like he had surprised Ling Shu.

"but it's very dangerous, we have to hide this from the women outside, otherwise, I'm afraid I won't be able to hide you" Ling Shu said.

Ling Shu didn't want other people to know, if anyone found out, there might be a huge chaos.

So it was better for her to hide Ye Chen well enough.

"I also know and I hid this quite well" Ye Chen said to Ling Shu.

Ye Chen had hidden it well, so Ling Shu didn't need to worry about this matter.

"if you say it like that" therefore Ling Shu wasn't too worried about Ye Chen.

"so what are you going to do to me, you already got me, do you want me to help you get all the beautiful women in this world, if it was you, maybe it could be done" Ling Shu hugged Ye Chen from the back, she asked what would be done by Ye Chen.

"For now, I need a little help from you looking for people" Ye Chen said to Ling Shu.

"looking for someone?" Ling Shu asked Ye Chen.

"looking for someone who hides so well" Ye Chen told her what he needed.

"Who do you want to be, acquaintances or fugitives?" Ling Shu asked Ye Chen.

"Of course the enemy is looking for trouble with me" Ye Chen said to Ling Shu, he told her that he wanted to find an enemy.

"So that's it, I understand, I will look for it for you" Ling Shu will look for it.

"Feng Street" Ye Chen called Feng Rue who was outside.

Feng Rue of course immediately came when she received the call from Ye Chen.

Ling Shu saw what Ye Chen was doing, who would have thought that Feng Rue would obey when called by Ye Chen. I think you should take a look at

"so it's like that, I now understand, so you've got it too, so you guys worked together from the start, I didn't expect that I would be careless like that" Ling Shu finally understood, Ye Chen had made Feng Rue his woman, that's why Ling Shu can easily be trapped.

"Miss, I'm sorry" Feng Rue said, Feng Rue apologized to Ling Shu.

"Forget it, everything has happened, and I got what I was looking for, so it doesn't matter" Ling Shu hugged Ye Chen tighter, she continued to tease Ye Chen.

A seductress who is so skilled and keeps teasing Ye Chen.

"So who is it?" Ling Shu asked Ye Chen, she wanted Ye Chen to tell her the opponent she should look for.

Ye Chen started to say who he was looking for, he asked Ling Shu to look for him.

"I see, you have a relationship with Chen Xing, quite interesting" Ling Shu said.

"but that's not strange, with a weapon like this, women will of course be immediately helpless" Ling Shu held Ye Chen's, once again she tried to provoke him.

"don't do that, you want more?" Ye Chen said to Ling Shu.

Ling Shu immediately withdrew her hand, right now she couldn't do it.

she was already quite tired and needed a little rest to recover.

" puchi . ." Feng Rue smiled, it was her first time seeing Ling Shu scared like that.

"Rue" Ling Shu said to Feng Rue, she called Feng Rue who was smiling behind her.

"Yes Miss?" Feng Rue asked and started to get serious again, you listened to what she said right, so quickly go and find out this matter for me, send all our people to find out so it will be faster" said Ling Shu.

"Understood, I will go immediately?" Feng Rue will leave soon, she will immediately carry out Ling Shu's orders.

Feng Rue disappeared, she immediately left because she had received orders from Ling Shu.

Because Ling Shu had given the order, now Feng Rue could use all resources to find the person Ye Chen wanted.

"we just have to wait now" Ling Shu said to Ye Chen.

"that easy?" Ye Chen asked Ling Shu.

"I have trained them very well in searching for information," said Ling Shu, so they should quickly get that person's information.

"Darling, where is the bathroom, I need to clean myself" Ling Shu said.

"Yuechan, take her" Ye Chen said to Ling Shu.

"Okay" with that, Ling Shu was immediately taken into the fairy gate.

"Is this your little world?" Ling Shu asked Ye Chen.

"yes, you can say that" said Ye Chen.

"hmmm, this place is not bad, full of pure energy that can be used for cultivation" said Ling Shu.

Compared to outside, this place is definitely better, what a great place," said Ling Shu.

"You can use the bath there" Ye Chen said to Ling Shu, someone will take you" said Ye Chen.

Chu Yuechan took Ling Shu away, she took Ling Shu away by force.

Ling Shu would definitely be long, so Ye Chen decided to leave this place first and do other things.

Ling Shu started to wash herself with water, she felt so fresh when she washed herself with water.

"very comfortable" Ling Shu felt so comfortable, it was unexpected that Ye Chen would have such a spacious and so good bath.

"she wants to continue using this place, but what kind of place is this?" Ling Shu didn't know what kind of place this was, what a strange place, there were many quite interesting things in this place.

"This place is an artifact" Chu Yuechan said to Ling Shu, she was the person who had brought Ling Shu here.

"Aren't you the fairy race, you are here, I thought the fairy race only existed in the ancient impenetrable forest" Ling Shu said.

"So that place still exists, I don't know about it" Chu Yuechan said.

It was the place where the fairies lived, but it had been a long time since they had seen the fairy race there and it was thought that they might have been wiped out.

The largest fairy race used to be in the central part of God Realm, and the rest lived in ancient forests that were so difficult to enter, even the strongest people in the world had difficulty entering there.

"who would have thought the fairy race followed suit, it is quite rare" said Ling Shu.

"I heard that the fairy race only follows strong people, that means you admit it" asked Ling Shu.

"He's quite great, that's why I followed him" Chu Yuechan had already acknowledged Ye Chen.

Chapter 2856 Latest news about Yin Zeniyu

"Then I'm not wrong either" said Ling Shu, if even Chu Yuechan acknowledged Ye Chen's abilities, then she also acknowledged Ye Chen's abilities.

"I want you to help him well" Chu Yuechan said to Ling Shu, she asked Ling Shu to help Ye Chen.

"I will of course help him as best as I can, don't worry" Ling Shu will definitely help Ye Chen, she won't let Ye Chen get into trouble.

"And you definitely know the power structure in God Realm, you also explain this to him," said Chu Yuechan.

"Okay" Ling Shu understood, it seemed like Ye Chen needed her help for various things.

Ling Shu quickly cleaned her body, after which she immediately took out the best set of clothes.

"can i ask?" Ling Shu wanted to ask Chu Yuechan.

"What's that?" Chu Yuechan answered Ling Shu.

"You've been with him for a long time, what does the dictionary say I should wear?" Ling Shu asked Chu Yuechan.

"fufufufufu, such a funny question, honestly you don't need to do something like that" Chu Yuechan said to Ling Shu.

"Why?" Ling Shu asked Chu Yuechan.

"Just be yourself, you are already attractive and beautiful, you don't need to do things like that by changing yourself, she likes women as they are," Chu Yuechan told Ling Shu.

"so that's how it is, I understand" Ling Shu understood, she understood what was necessary done recently.

With that Ling Shu put on the normal clothes that she wore, she used beautiful clothes and showed off her beauty.

"Thank you very much for this bath, I am happy, I will go" Ling Shu said.

Ling Shu said that she would go to meet Ye Chen.

"You're welcome" Chu Yuechan said.

Chu Yuechan waved and she went straight out of the fairy gate.

After successfully leaving the fairy gate, Ling Shu immediately went to look for Ye Chen.

He immediately looked for Ye Chen's whereabouts.

So easily she found Ye Chen who was making something.

"what are you doing making something" Ling Shu came to Ye Chen, she used flying clouds to help herself walk.

"You are starting to become lazy again" said Ye Chen.

Ye Chen saw that Ling Shu was in lazy mode again.

"It's not like that, isn't it your fault, I'm having trouble walking" Ling Shu said.

Ling Shu was having trouble walking and it was all because of Ye Chen.

"so that's how it is" Ye Chen understood, maybe he was too tired down there.

"Oh yeah, I've met a beautiful fairy inside, she's pretty good," said Ling Shu.

"oh, you mean Chu Yuechan, you have talked to her?" Ye Chen said.

"um, so her name is Chu Yuechan, I will remember that" Ling Shu said.

Ling Shu said that she would remember Chu Yuechan's name, she still didn't know that Chu Yuechan didn't introduce herself well.

"By the way, do you want to know a lot of things I can tell you?" Ling Shu said.

"What is it, why don't you tell me" Ye Chen was curious as to what would happen is said by Ling Shu.

"Just for example, aren't you curious about Yin Zeniyu's development?" Ling Shu said to Ye Chen.

Ye Chen stopped for a moment when he heard Ling Shu mention Yin Zeniyu.

Ye Chen immediately looked at Ling Shu, he needed Ling Shu to explain.

"Explain to me how she is now" This was a very good opportunity to find out the strength that Yin Zeniyu possessed.

"I thought that you would be interested in this matter" Ling Shu was sure that Ye Chen would be interested in this matter.

"It's been a long time since I heard from her, I want to know what she has done and her current strength?" Ye Chen asked Ling Shu.

"that woman is indeed such a talent, I heard she just reached the level eighth Immortal God Realm, her reaching that level at such a young age, is quite surprising," said Ling Shu.

"Are you serious ?" Ye Chen thought that now he was the same as Yin Zeniyu, who would have thought that this woman was so much stronger.

Ye Chen alone was still at the seventh level of the Immortal Rebirth God Realm, even after getting the Yin Qi Ling Shu, he only rose 2 levels, he might soon reach the eighth level, but still difference far enough.

"You are quite close to the Immortal Rebirth God Realm realm eight, but it is still quite far from that woman" Ling Shu said.

"Why can she gain strength so quickly?" Ye Chen asked Ling Shu.

"It's obvious, isn't it, she got the inheritance of strength, that's a reasonable reason why she was able to become strong in a short time," said Ling Shu.

"she used underhanded methods" said Ye Chen.

"It can't be helped that the Four-sided Immortal Palace is a strong place and has many ancient methods, that's why they were able to produce quite a lot of strong people in this history, Yin Zeniyu's talent is the best, all treatments and everything will definitely be obtained even if she just sits there," said Ling Shu.

"getting help from the Four-sided Immortal Palace, it's not strange that she can become strong in a short time" Ye Chen began to understand why Yin Zeniyu could become strong, it was because there was the Four-sided Immortal Palace behind the scenes supporting her, it made her strong .

"It is because of talent, otherwise the Four-sided Immortal Palace will not invest such a large amount, she may be a candidate to become a true god" Ling Shu said.

"can i ask?" Ye Chen asked Ling Shu.

"What's that?" Ling Shu wanted to know what desired by Ye Chen, it seemed like Ye Chen was quite serious.

"how to become a true god cultivator you said?" Ye Chen asked Ling Shu.

"it can is said a title, the person who reaches the tenth level of the Immortal True God Realm will get that title," said Ling Shu.

"you alone" Ye Chen asked Ling Shu.

"I, previously I was at level six and now I'm at level eight, it seems like after doing it with you I've moved up and it seems like I'm quite close to level nine" Ling Shu said.

Ling Shu had been stuck at level six for quite a long time, she had been at that level for a long time and had never moved up, Ling Shu was sure that that was her limit and she was no longer very interested in cultivation, but thanks to Ye Chen, she finally moved up, and it instantly rose two levels, it was simply too great.

"then how many have cultivation at level ten" Ye Chen asked Ling Shu.

"No, there are no longer any cultivators at the tenth level who hold the title of true god, those who still exist are only at the ninth peak stage, they have not been able to advance to the tenth level, there is a huge gap that they have not been able to break through and until now they still at level nine peak," Ling Shu said.

"Yuechan, tell me what level Shen Niang is" Ye Chen didn't know Shen Niang's level yet, in fact he only found out about this from Ling Shu.

"she's at level nine peak, isn't she saying that she lost some strength, maybe that's why she hasn't fully recovered yet."

"Even if she is at level ten, her combat ability is not that good, so it cannot be too dominating against a large number of peak level nine levels" Chu Yuechan said.

According to the information obtained by Chu Yuechan, Shen Niang is a Support type because of the power of light, maybe she will become strong if she turns into a scary and bloodthirsty Demon mode, but now she can't do that because her body is almost cure.

"I understand, it's not strange that she doesn't dare to fight the Four-sided Immortal Palace, that's because she will have problems if people with high cultivation join hands to fight them" Ye Chen found a reasonable reason.

"wife, how many people with high cultivation levels are in the Four-sided Immortal Palace" Ye Chen asked Ling Shu.

"I don't know the exact number, but what I know is around 10~15 people, maybe there are more," said Ling Shu.

"that much?" Ye Chen just found out.

"It's not easy to get information about some old monsters who haven't appeared in the world for a long time, they mostly live in small worlds and are no longer interested in what's happening outside and are focused on reaching level ten Immortal True God Realm" Ling Shu said.

"To be honest, that's just an estimate, the number is probably much greater than that and there are quite a lot at level eight and level seven," said Ling Shu.

"Damn, it's bigger than I imagined" said Ye Chen.

The new information really made Ye Chen helpless, this was much bigger than Chen Xing and Shen Niang expected, as it was expected from Ling Shu, the information was so accurate.

"beyond our expectations, so big" Chu Yuechan said.

Chu Yuechan also just found out about this, this is quite big.

"Let me count it, if combined, we have two people at level eight and one person at level nine".

"The difference is obviously very big" Ye Chen said to Chu Yuechan.

The difference was so big it would be very difficult to win with such a difference in strength.

"master, you must not be discouraged" Chu Yuechan said to Ye Chen, she believed that Ye Chen could do it.

"That's right, I just need more strength" said Ye Chen.

Ye Chen just needs more and more strength.

That way he could win against the Four-sided Immortal Palace.

Chapter 2857 Kong Qamon

"I will continue to support you" Chu Yuechan said to Ye Chen, she told him that she would support Ye Chen.

"Apart from the Four-sided Immortal Palace, I want to know the other powers" Ye Chen asked, maybe they could help Ye Chen.

"Apart from the Four-sided Immortal Palace, there is Dragon God Realm, Eternal Great Earth Realm, nine levels of immortal sky, seven temples, there are also some powerful individuals who cannot be underestimated," said Ling Shu.

"I understand, thank you very much for all the information you provided, it was very helpful for me" Ye Chen said that all of this was very helpful.

"You're welcome, I'm also happy to help you" Ling Shu said that she was happy to help Ye Chen.

"husband, this world is cruel, you have to be stronger to survive, that is what we can do if we live in this place" said Ling Shu.

"You are absolutely right, the world is cruel, only by being strong can I survive, something is so simple" said Ye Chen.

"I will help as much as possible" Ling Shu said to Ye Chen, she would try to help with Ye Chen's problems.

Ye Chen understood, he was looking forward to cooperation with Ling Shu.

As long as he can cooperate well, then all problems can be solved easily.

"Miss, I'm back" after that Feng Rue finally returned.

"You are back, very good, you found it?" Ling Shu asked, she wanted to know if Feng Rue had found it.

"Yes, I've found him, I found that person" Feng Rue said.

Ye Chen saw Feng Rue, they quickly found what Ye Chen wanted, which was quite surprising for Ye Chen.

"So who is it?" Ling Shu asked, let her and Ye Chen know who they were dealing with.

"A person named Kong Qamon, he is one of the higher-ups in the trade association," said Feng Rue.

"Tell me, how many assets does he have?" Feng Rue asked, how many assets did Kong Qamon have.

"Quite a lot, people who are high-ranking officials of trade associations have enormous wealth," said Feng Rue.

"You also heard him, didn't you, it seems like he is a rich man" Ling Shu said to Ye Chen.

"It doesn't matter, since he has dared to fight, why don't we start taking everything he has" said Ye Chen.

"fufufufu, I like your way of thinking" said Ling Shu.

Ling Shu likes Ye Chen's way of thinking, Ye Chen's way of thinking is so simple and so smart.

"give me all the information" Ling Shu said to Feng Rue, she would give everything to Ye Chen and would start for their plan.

"um" Feng Rue started to give the plan to Ye Chen and Ling Shu.

Ling Shu and Ye Chen started to look, both of them looked and confirmed what they were going to do.

"He has quite a lot of guards" said Ye Chen.

Ye Chen received the report and looked at everyone who was now Kong Qamon's bodyguard.

"There are so many" Ling Shu said, Ling Shu saw several people with such strong strength, it seemed like they were quite strong people.

"They're probably mercenaries, last time that guy sent some people against me, plus he definitely has a lot of strange stuff" said Ye Chen.

"If I remember correctly, that person has a lot of research sites, that's probably why he was able to create strange things to defeat you," said Ling Shu.

"Plus he sells all kinds of strange things, it makes him very rich, and can do everything he wants using the profound crystals he gets"

"It seems that in this world money still rules," said Ye Chen.

"Of course, in every era it always exists," said Ling Shu.

The reason why Kong Qamon could fight Ye Chen was because of money.

If not, then he wouldn't have a chance to win against Ye Chen.

"we will start fighting him" Ye Chen said to Ling Shu and Feng Rue.

"get the team ready, we will help" Ling Shu will help a little, she will also interfere in Ye Chen's affairs.

"I'll go first" Ye Chen said to Ling Shu.

"I understand" Ling Shu was going to prepare some people for battle.

Ye Chen would probably do the same thing as Ling Shu.

Ye Chen went to Chen Xing's place, he would tell her about this matter.

"You are back" Chen Xing saw Ye Chen's arrival.

As usual, Ye Chen came suddenly and made Chen Xing surprised.

"I've got what I was looking for" Ye Chen said to Chen Xing.

"You are great, got what you were looking for quickly, it seems like you have made the woman submit, something is expected of you" Chen Xing said to Ye Chen.

"Why do you look dissatisfied" said Ye Chen.

Ye Chen saw that Chen Xing seemed dissatisfied with this result.

"How could it be, I am satisfied with the results" Chen Xing said that she was satisfied.

"so who is it, tell me" Chen Xing asked Ye Chen, hse wanted to know the person.

"a man named Kong Qamon" Ye Chen told who the person they were fighting right now.

"Kong Qamon is a member of the trade association, if I'm not mistaken he is one of their higher-ups and rarely goes out," said Chen Xing.

"Are you sure?" Chen Xing asked Ye Chen, whether Ye Chen was sure about this.

"Of course I am very sure about this" Ye Chen said that he was very sure about this.

"The information from Ling Shu is very accurate, that is an advantage that Ling Shu has.

"So that's how it is, then I understand, I will help you too" Chen Xing said.

"Please just hold on, that man might send people to start fighting with us, so I hope you stay here and survive against the people who will be sent" said Ye Chen.

"But what about you" Chen Xing asked Ye Chen, what would Ye Chen do in this matter.

"don't worry about that problem, I will be together with Ling Shu, so you don't need to worry about that problem" Ye Chen said to Chen Xing.

"if you say it like that" listening to Ye Chen say it like that" Chen

Ye Chen couldn't possibly use all the people he had to fight just one person, obviously he would put several people on defense including Zhang Ein, Ye Chen will solve this problem his way.

After informing Chen Xing and telling Chen Xing to prepare for battle, Ye Chen returned, Ling Shu happened to be waiting for Ye Chen.

"it's finished" Ling Shu asked Ye Chen, she wanted to know if Ye Chen was finished.

"I'm done" Ye Chen told her that he was done.

"Then we can just start" Ling Shu said to Ye Chen, she invited Ye Chen to start.

"Let's start, with that Ye Chen and Ling Shu immediately left, they went to the designated point where Ling Shu's people had gathered.

Ye Chen together with Ling Shu went to Kong Qamon's residence, he lived in a luxurious and private place.

"does he live in a small place like this" Ye Chen asked Ling Shu.

"This is a private little star, that means this is his private residence and no one else can enter his pass," said Ling Shu.

"Does that mean we need permission to enter" Ye Chen asked Ling Shu.

"That's not necessary, why do we need permission from him, we don't need that, just go in, don't need permission from someone like that" said Ling Shu.

Ling Shu intended to try out the new power gained from Ye Chen, she did not intend to hold back against Kong Qamon.

"Let's force our way in, it's not bad, let's do it" said Ye Chen.

"Everyone come in" Ling Shu gave orders to all his subordinates, she told them to go in and start carrying out an attack.

With that the war will begin between Ye Chen and Kong Qamon.

.

.

Kong Qamon sent people again, he again sent mercenaries to arrest Ye Chen.

Kong Qamon turns out to be a demi human, he is half wolf with a fairly large body and red hair.

He had the build of a large man with seemingly great strength.

He carries a katana sword on his body to fight.

"Master" a man in a robe appeared behind Kong Qamon's body.

"You failed again, don't you know how much money I spent on all that?" said Kong Qamon.

Kong Qamon had spent quite a lot on funding, even though the project was very large and could make him the ruler of the land, it was a shame that his plans had to be failed by Ye Chen.

That's what made Kong Qamon so angry with Ye Chen, he really wanted to kill Ye Chen using his own hands, he wouldn't let Ye Chen go after destroying the perfect plan he had made for 5000 years.

The shadow on the side seemed to be shaking with fear, he had failed again and he would receive punishment from Kong Qamon.

"I'm sorry, to be honest that person is so great, he has strange powers and has such a powerful partner like the goddess Chen Xing".

"Forget that goddess Chen Xing, that woman is not a threat, the one who is a threat is the person with the mask" Kong Qamon did not consider Chen Xing to be a threat.

Chen Xing was not that strong, the person who was strong enough was Ye Chen, defeating Number One King Goblin was something that was impossible for ordinary people.

That's why he kept sending people to hunt down Ye Chen, it was a shame that everyone was removed, it made Kong Qamon angry.

"Send the best person we have, I want that person's head" Kong Qamon said that he wanted Ye Chen's head.

Chapter 2858 Ling Shu opens Domain

"I understand" he understood, he immediately sent the best people he had to start arresting Ye Chen.

"boom" a few moments after he issued the order, there were several big explosions, there were so many explosions going off around and it made quite a big mess.

"what happened?" Kong Qamon asked about what happened, he wanted to know what was happening right now.

"This is so bad beyond scary things happening" someone came and reported what happened.

"What really happened? Tell me more clearly" Kong Qamon asked, he wanted to know what happened, he needed information about what was currently happening.

"We were attacked by several mysterious people, and one of them was a man with a mask" he told what happened, he telling them that they were being attacked by Ye Chen.

"So that person has found us, it seems we no longer need to look for him" Kong Qamon said that they no longer needed to look for Ye Chen.

That was because Ye Chen had already come to their place and they didn't need to spend time looking for Ye Chen's whereabouts anymore.

"You, quickly lead everyone and destroy that person, I want him to be defeated quickly" Kong Qamon gave orders to the person behind him.

"Got it" with that he immediately left, he immediately went to fight Ye Chen who was outside.

Ye Chen and Ling Shu started to move forward without any problems, meanwhile Feng Rue and everyone under Ling Shu immediately moved to immobilize everyone present.

"You have quite competent people" Ye Chen said to Ling Shu, he could see that they were quite competent.

"Thank you very much, they are really great people" said Ling Shu.

Ling Shu also admitted that they were such great people.

They did their job so well and so reliably, they defeated the enemies who tried to get close to Ye Chen and Ling Shu.

They destroyed the guards mercilessly, the guards couldn't fight them because they were so strong.

"it's coming" Ye Chen said to Ling Shu, he told them that they have come.

"finally it came" Ling Shu said to Ye Chen.

"You can't leave this place" he said to Ling Shu and Ye Chen.

"why can't we go, we just want to meet your boss" said Ling Shu.

"We won't let you meet him, you two are inappropriate" they told her that they wouldn't let Ling Shu do that.

Honestly, he didn't expect that he would see Ling Shu together.

Apart from having a connection with Chen Xing, Ye Chen still had a connection with a troublesome woman.

"So according to you, we are not worthy" Ling Shu looked angry when she heard this matter, she wanted to destroy them all quickly.

"I will destroy them all, you just go ahead and beat that person" Ling Shu said to Ye Chen.

All the strong people were here, so Ye Chen could battle against Kong Qamon.

Ling Shu was quite confident in Ye Chen's abilities, so she let Ye Chen fight with Kong Qamon.

As long as Ling Shu faced these people, then Ye Chen would be fine.

"I understand, I will leave this matter to you" Ling Shu said to Ye Chen, she would hand this matter over to Ye Chen.

"I will face that person, so please be careful" said Ye Chen.

"of course, I will be careful, I will not let them win" Ling Shu said.

With that Ye Chen left, he advanced towards Kong Qamon's place.

"Where are you going, don't ignore me?" they blocked Ye Chen's path, they didn't let Ye Chen pass.

"Very troublesome people" Ye Chen saw that they were troublesome people.

"Your opponent is me, Boom. . . ."

Ling Shu stopped those who intended to block Ye Chen's path, she created a super large fire dome to block everyone.

"Ling Shu, why are you helping someone like that, does helping that person benefit you?" the man in the robe asked Ling Shu.

"Do I need a reason to help him, to be honest I don't like you guys" Ling Shu said that she didn't like them.

As for what Ling Shu told them, she had no intention of telling these people about her problems with Ye Chen.

"so you refuse to tell you" they said to Ling Shu.

"Enough of your pleasantries, come fight me" Ling Shu said to them, this was the time to see her strength.

"no need to hold back and kill her, she is such a strong and terrible opponent" the man in the cloak told to kill Ling Shu, otherwise they would be killed.

They couldn't underestimate Ling Shu, if they underestimated Ling Shu, then they would be in trouble themselves, so it was better not to underestimate Ling Shu and fight with all their strength.

"attack" they came forward and directly attacked Ling Shu, they raised their weapons and launched several attacks towards Ling Shu.

Fire, earth, lightning, air and ice were launched towards Ling Shu, they were all serious about fighting Ling Shu.

"Boom. ." Ling Shu's body was covered in a beautiful purple flame, this is full of power that wipes out all of the opponent's attacks.

"It was impossible" that the attack they launched was completely stopped by Ling Shu, Ling Shu showed them such great strength.

"I thought you guys were so great, it turns out it wasn't like that, then this is the time for you to receive my attack" Ling Shu started to attack, the flames on her body spread and enveloped the whole person.

Right now everyone was inside Ling Shu's domain.

"Purple Flame Domain" with that she burned all the people in her domain.

Everyone inside Ling Shu's domain started to burn rapidly, their bodies turning to ashes little by little.

"Get out of here, we will be destroyed" they tried to get out of Ling Shu's Domain.

Ling Shu's domain covered thousands of miles from her, so there was no chance for them to escape.

Before they could leave, they were already reduced to ashes.

Everyone was destroyed by Ling Shu in just a matter of seconds, now there is only one person left, that is the man in the cloak, he was able to survive well in Ling Shu's Domain, it seems that it was because of his cloak.

"Is that an immortal salamander robe?" Ling Shu finally realized what this man was wearing, a robe with quite high fire resistance.

A robe made from immortal salamander skin that is resistant to various fire tigers.

Even though it was strong, it didn't mean it was completely invulnerable, it was quite clear that it was starting to wear thin when faced with Ling Shu's far superior strength.

"I have to get out immediately, if I stay here, I will only be destroyed by this woman" he decided to get out of this place.

With that he tried to escape from Ling Shu's Domain.

"want to run away, then I will chase you" Ling Shu will chase Ye Chen, she won't let that person run away easily.

Ling Shu started to chase, meanwhile the man in the robe ran away quickly.

They started to travel across various places and Ling Shu became closer and closer.

"He uses all kinds of strange things." Ling Shu saw that the person in front of him was using all kinds of strange and unreasonable things, which was why he was able to stall for quite a long time.

"What do you really want by stalling for time?" Ling Shu asked, why was this person stalling for time.

"it was to prevent you from helping him" he said to Ling Shu.

"My master is a strong man, he will have no chance of winning" he said to Ling Shu.

"are you sure, he is also a strong person, you don't know how strong he is right?" Ling Shu believed in Ye Chen, Ye Chen was strong enough to handle his own problems, so Ling Shu wouldn't help too much.

"I'm actually worried Kong Qamon, will he be able to survive?" Ling Shu said that he was not sure that Kong Qamon could win.

"The winner of this battle is already determined from the beginning" he said to Ling Shu.

"So that's how it is, then we have each other's trust, let's finish this quickly" Ling Shu said to finish the battle quickly.

"Boom. . ." With that, the two began to fight and use all the abilities they had to destroy each other.

The temptation Ye Chen.

Ye Chen has now met Kong Qamon, in fact Kong Qamon has attacked Ye Chen using a katana.

"Very interesting" Ye Chen blocked Kong Qamon's attack using his bare hands, it was quite easy to block the attack using bare hands.

"such that expected withstand such attacks using bare hands, very such a horrible person" Kong Qamon said to Ye Chen.

"Aren't you just as terrible, how many victims have you made using your method?" Ye Chen said to Kong Qamon

"I admit it, but they are worthy, they are worthy of being a stepping stone to make me the best" he said to Ye Chen.

"as I expected from you, you are quite crazy" Ye Chen said to Kong Qamon.

"You won't be able to become a ruler if you don't think crazy, and that's the answer I've gotten all this time.

"So that's your answer, it really doesn't make sense, it's really something that goes against principles" said Ye Chen.

"Don't talk about principles, you won't be able to become a winner by relying on principles, this world is very cruel, the weak will eaten "by the strong, that is a rule that you must understand," said Kong Qamon.

Kong Qamon attacked Ye Chen again, this time he used more profound energy which was much greater and much more terrifying compared to with before.

A power that was so terrible and so strong was released by Kong Qamon.

Chapter 2859 Finally Ye Chen came face to face with Kong Qamon

"clang" once again, the attack launched by Kong Qamon was again stopped by Ye Chen.

This time Ye Chen used his sword to fight against Kong Qamon.

"Very good, you finally used the weapons you have, this will be a fierce battle" said Kong Qamon.

"of course, but you clearly use such a great artifact, I didn't expect you to have it" Ye Chen said to Kong Qamon.

"oh, so you are aware of this katana" Kong Qamon said to Ye Chen.

"Of course I'm aware, I'm not a fool, I'm of course easily aware of it".

"You, this thing is the Immortal Katana, a weapon that was once used to cut down countless cultivators until it became this strong".

"Do you also know about this ?" Kong Qamon asked Ye Chen.

"Weapons that become strong when they absorb blood, you really like weapons that become strong because they absorb someone's blood," said Ye Chen.

All of this person's weapons use other people's blood to become powerful, even the weapons given by Cao Longhe, this person's weapons are very similar.

"That's because weapons like this are very easy to use, they are very easy to kill and become stronger when used to slaughter.

"I have used this to kill so many people, that a sea of blood has formed, it's a shame that I still can't rule the world in that way, you know what I mean, right?" said Kong Qamon.

"You won't be able to rule the world with something like that, you should be aware," said Ye Chen.

Ye Chen knew that Kong Qamon would not rule the world with just an artifact like that.

"You also know what I mean, it's true that I can't rule the world by just relying on things like this, that's why I use all the wealth resources I have," said Kong Qamon.

"I've planned this plan for so long and used up so much of my time and resources, and it was ruined because of you and Goddess Chen, so annoying," said Kong Qamon.

Kong Qamon was still very annoyed with Ye Chen, he had destroyed the perfect plan he had, there was no thought that the plan would be failed by Ye Chen, because no one would be able to defeat Number One King Goblin.

"I intervened because I didn't like the method you used," said Ye Chen.

"So you don't like it, just for that reason, a very ridiculous reason," said Kong Qamon.

"you bastard" Kong Qamon attacked Ye Chen, they finally decided to attack Ye Chen.

This time Kong Qamon would not waste words on Ye Chen, he had already gotten the answer he needed from Ye Chen, so he would destroy Ye Chen and make Ye Chen pay for what he had done to him.

"Boom . . ." the attack was so powerful and forced Ye Chen to take several steps back.

Ye Chen was still in a defensive position while Kong Qamon continued to attack Ye Chen, with a slash that was as fast and fast as light, he attacked Ye Chen and tried to corner Ye Chen.

Kong Qamon went berserk, he destroyed everything in this place.

"Hey, this is your house, don't you love your house" Ye Chen asked Kong Qamon.

"Don't worry about that, I can build a thousand times better than this" he said to Ye Chen.

"so that's how it is, I understand" Ye Chen understood, he was indeed rich, it wasn't strange that he didn't care if this house was destroyed.

"if you lose, I want to see how much treasure you keep" said Ye Chen.

"Don't worry, you won't get it," said Kong Qamon.

He was confident of winning, he hadn't even used all his abilities yet.

"You have a lot of strange items, why don't you start using them" Ye Chen said to Kong Qamon.

"I don't need to use something like that to defeat you" Kong Qamon said to Ye Chen.

"Is it because there are side effects" said Ye Chen.

"You also have to know, the more power you gain, the more you lose," said Kong Qamon.

"That's true," said Ye Chen, that's a basic principle, where nothing is instant, there must be a price to be paid, whether now or in the future.

"six night star slash" he used six slash attacks and created a wave of slashes that headed towards Ye Chen.

"celestial sword motion art" Ye Chen used celestial sword motion art, a move that made him block the attack from Kong Qamon.

"He can still block my attacks like that" Kong Qamon gritted his teeth, he wasn't angry when he saw Ye Chen block his attacks again and again, it was so annoying.

I already thought, he is a tough opponent, it won't be easy to beat him using normal methods, or more precisely, I won't be able to win using normal methods." Kong Qamon realized that he wouldn't be able to win without using the cards he kept, he didn't would be able to win against Ye Chen if it was like this.

"if that's the situation, I have no choice but to use it" Kong Qamon had no choice but to use it, he could only use this thing to win against Ye Chen.

Kong Qamon took out something, a round object that looked like an egg.

"Yuechan, you know what it is, I don't know what kind of thing it is?" Ye Chen asked Chu Yuechan.

"I don't know what that is" Chu Yuechan herself also didn't know what it was, she didn't know what Kong Qamon had just taken out.

"If you don't know what it is, that means it's a new tool or a new artifact" said Ye Chen.

"That possibility is really very big" Chu Yuechan said to Ye Chen, he told him that the possibility was very big.

"From now on, you will see something so interesting" Kong Qamon said to Ye Chen, he would let Ye Chen see something so interesting.

Ye Chen didn't answer, he wanted to know what Kong Qamon would do, whether he would do something new or just talk nonsense.

The egg in Kong Qamon's hand started to change, it started to move and become several pieces.

"Actually what is going on here" Ye Chen tried to find out what was going on, he wanted to know what was going on with Kong Qamon.

While Ye Chen was trying to find out what was going on, the egg immediately covered Kong Qamon's body.

It formed an armor that covered Kong Qamon's entire body.

Now Kong Qamon's body is goneshrouded by dark amor which is black and also red.

Such a strong aurashown by Kong Qamon, an aura that is so terrifying and full of destructive power.

"I thought it was what it was, it turned out to be amor" Ye Chen thought it was what it was, it turned out to be armor.

"hahahahahaha" Kong Qamon said to Ye Chen, he has now used this armor, now he will win.

"master, I seem to know what it is?" Chu Yuechan finally knew what it was, she finally knew what had just happened used by Kong Qamon.

"so you know what it is" Ye Chen said to Chu Yuechan.

"of course I know, those are the scales of the disaster dragon" Chu Yuechan said.

"Disaster dragon scales?" Ye Chen seemed to know less about it.

"Yes, a dragon with an aura of destruction, only a disaster dragon might possibly emit something like that" Chu Yuechan said.

"It looks like he still has quite a lot of troublesome items, rich people are different," said Ye Chen.

Chapter 2860 Kong Qamon released all his strength

"Sometimes rich people are much more troublesome than strong people" Chu Yuechan said.

"That's probably very true" Ye Chen agreed with what Chu Yuechan said.

"master, he is coming towards you" Chu Yuechan said to Ye Chen, she told Ye Chen that Kong Qamon was coming.

Ye Chen understood, he immediately stepped back and blocked Kong Qamon's attack.

"Bamm. . ." Kong Qamon's attack hit Ye Chen, the attack made Ye Chen retreat quite far.

"Hahaha, what an idiot, are you confident in withstanding the attack that was launched, even though there is no chance for you to withstand it, it is the energy of destruction, even if you survive, you will still be injured.

Kong Qamon explained to Ye Chen, he explained to Ye Chen that his attack could not be blocked.

Even if Ye Chen tried to block the attack, he would still feel pain and injury.

"what did he say" Ye Chen asked Chu Yuechan.

"master, are you injured ?" Chu Yuechan asked Ye Chen, she wanted to know whether Ye Chen was injured or not.

"I'm fine, I'm not hurt at all" Ye Chen said that he wasn't hurt.

"How come?" Chu Yuechan said to Ye Chen.

"why, do you want me to get hurt, you are not good" Ye Chen said to Chu Yuechan.

"No, that's not the case" Chu Yuechan said to Ye Chen.

"So what?" Ye Chen asked Chu Yuechan.

"That power should have hurt you, but why are you fine" Chu Yuechan told Ye Chen.

"You mean the attack just now?" Ye Chen asked.

"Yes, that's absolutely right, that attack, that was a destruction energy attack, it will make every creature that is hit injured or destroyed," said Chu Yuechan.

"I'm fine" Ye Chen said to Chu Yuechan, he didn't have any injuries.

"Quite strange, I knew you were strange" Chu Yuechan said.

"I have a dark heritage, so don't worry, he won't be able to hurt me" Ye Chen said to Chu Yuechan.

"You might be right, this must be because of the strength you have" Chu Yuechan was also sure that this was Ye Chen's strength.

"That means he won't be able to hurt you" Chu Yuechan said to Ye Chen.

"That's absolutely true, he won't be able to hurt me" Ye Chen agreed, that means the enemy wouldn't be able to hurt Ye Chen.

"What's wrong?, Are you speechless after seeing the power I have? I already thought so," said Kong Qamon.

Kong Qamon felt quite proud, he felt that he had become a winner.

"then get ready, I will launch more attacks on you" Kong Qamon said that he will launch more and more attacks on Ye Chen.

He advanced towards Ye Chen, he again launched many attacks towards Ye Chen.

Ye Chen continued to fend off all attacks directed towards him.

"You're still trying to block the attack that was launched? You're really stupid, how do you endure the pain, doesn't it hurt?" Kong Qamon said to Ye Chen who was currently in a defensive position.

Ye Chen caught the attack launched by Kong Qamon, he used his bare hands to parry the attack launched by Kong Qamon.

"hahahaha, really stupid, even if you can hold it with your hands, you will still feel the impact of the damage" said Kong Qamon.

"Shut up, you fool. . ." Ye Chen hit Kong Qamon, he hit Kong Qamon quite hard, Ye Chen's punch was quite hard and made Kong Qamon's body fly.

Even the armor of the disaster dragon worn by Kong Qamon shattered into several pieces after receiving the attack from Ye Chen.

"What?" Kong Qamon was stunned when he saw Ye Chen destroy his armor with just a punch.

The strong armor he had immediately shattered when he was hit by Ye Chen.

"You talk too much, to be honest the attack you launched had no effect on me at all, you are too naive" said Ye Chen.

Ye Chen explained that the attack just now had absolutely no effect on Ye Chen, Ye Chen didn't feel anything from the attack just now.

"Impossible, that can't be happening, how could you not be affected by that attack, you should be injured and feel pain" said Kong Qamon.

"I told you from the start that the attack you launched would have no effect on me, it would not cause any damage to me" Ye Chen said to Kong Qamon.

"I'm a little special, you should know about that matter" said Ye Chen.

Ye Chen said that he was quite special, that's why Kong Qamon wouldn't be able to hurt Ye Chen.

"Damn it, I hate you more and more" Kong Qamon said that he hated Ye Chen more and more.

"You are free to hate me, hahahaha" Ye Chen laughed at Kong Qamon.

"Crack . . ." Kong Qamon removed the remaining armor on his body, he knew that he would not be able to win against Ye Chen just by using this weak armor.

"If this weapon doesn't work, I still have something that can defeat you," Kong Qamon

Kong Qamon still had quite a lot of things he could use to defeat Ye Chen.

"Take out everything you have, I will defeat everything you put out," said Kong Qamon.

This time Kong Qamon took out a thin thread that looked sharp and terrifying.

"Weird weapon again" Ye Chen saw that the weapon this time was strange.

"Get ready," said Kong Qamon, the threads spread very quickly and immediately trapped Ye Chen.

Ye Chen looked around, there was no escape from this prison, he would not be able to escape anymore and could only stay here.

This thread is very hard and very strong, it can see through all the things it catches and destroy them.

"Now it's just a matter of time because the thread will shrink and crush you" Kong Qamon said to Ye Chen.

"child's toys again?" Ye Chen said to Kong Qamon.

"this is not a toy, this is a terrible weapon" Kong Qamon said to Ye Chen.

"For me, this is a child's toy that you are using" Ye Chen said that this was just a child's toy.

"prepare to die" Kong Qamon said to Ye Chen, he accelerated the thread and let Ye Chen quickly disintegrate.

"boom . . ." Ye Chen released an aura so immense and overflowing that it covered millions of miles away, this was the power of True God power, a power so great and so extraordinary.

Using the power of True God power, Ye Chen destroyed all the threads around him, he made them disintegrate without any remains.

"What the hell, this kind of power, impossible, what are you doing" Kong Qamon asked Ye Chen, he had never seen such great power in his life.

This was like a power that existed in legends.

"You may be right, this may be a power in legends, or not. . . . , hahahaha, let's end our battle" said Ye Chen.

"damn, I'm not finished yet" Seeing Ye Chen was about to use a super powerful attack, Kong Qamon also had to use all his strength.

"burn the blood of the dragon of disaster" Kong Qamon used a drop of the blood of the dragon of disaster. An extremely powerful force of destruction erupted from Kong Qamon's body.

"This is the time, Kong Qamon brought out his full power, he used full power of the blood in his body and also activated the power of the Katana in his hand.

this was peak strength, this strength equaled the strength of a cultivator at the Immortal True God Realm, so powerful
