Chapter 2871 a beautiful fairy who lives alone

This proves that the fog in this place is very thick and impossible to penetrate.

Luckily they were almost there, the thicker the fog, the sooner they would arrive at the fairy city.

Here Chu Yelan was in the lead, she knew this place best among Chu Yuechan and Chu Ning'er, perhaps because she was the oldest among them all.

"we're almost there, I can feel it" Chu Yelan said to Ye Chen and the others.

"Come on, let's get out of this forest" said Chu Ning'er.

With that they finally arrived outside.

They saw a super wide flower field and there was a very beautiful fairy city.

"This place is still as good as before" Chu Yelan said.

"very beautiful" said Chu Ning'er.

Chu Ning'er felt that this place was very beautiful.

"This place is very similar to a fairy gate, maybe because of the reference to using this place in the past," said Chu Yuechan.

"um, you're right" Chu Yelan blessed on Chu Yuechan.

"master, what do you think?" Chu Yuechan asked Ye Chen who was beside her.

Chu Yuechan didn't get an answer from Ye Chen, it made Chu Yuechan curious.

When Chu Yuechan turned her head, she did not see Ye Chen.

"Where is he going?" Chu Yuechan asked, she didn't see Ye Chen beside her.

"what does this mean, don't you hold it properly" they asked Chu Yuechan.

"of course just me hold it ,correctly, but it's very strange, why did he disappear" said Chu Yuechan.

Chu Yuechan was also unable to sense Ye Chen's existence.

Their connection cut off, to be honest, Chu Yuechan didn't understand this.

How could this happen, this has never happened before.

"This is bad, he is trapped inside, we have to look for him" Chu Ning'er said.

"he is trapped in such a complicated place, will he be alright" Chu Ning'er said.

"That's absolutely true, we have to look for him" Chu Yuechan was worried about Ye Chen's condition, so they had to look for him.

"Wait a minute" Chu Yelan stopped the two of them.

"why did you stop us" Chu Ning'er asked Chu Yelan.

"We can't look for it there, our visibility is so limited there," said Chu Yelan.

They would be overwhelmed from looking for Ye Chen, to be honest Chu Yelan didn't have the chance to do that because their visibility was so close and they couldn't see anything around them.

"So what plans do you have?" Chu Yuechan asked.

"Why don't we go and ask the underwriter answer at this place" said Chu Yelan.

It would be easier if they looked for the person in charge, they would find Ye Chen soon.

This place of course operated by someone, as long as they look for it and find that person then.

"That's such a good idea and we can find it more quickly and efficiently" said Chu Ning'er.

"Then let's go and find the person in charge there" Chu Yuechan said.

With that the two of them entered the city to find the person controlling the mech.

.

.

Ye Chen was still in the mist, he still felt like he was together with Chu Yuechan and the others.

Ye Chen almost didn't realize that he was currently walking alone, this illusion was so perfect that Ye Chen wouldn't notice.

"Quite far too" Ye Chen felt that this was quite far too, he didn't expect that the place they were going to was quite far.

Chu Yuechan and the others also didn't say much, it made the situation a little strange for Ye Chen.

"What happened to them?" Ye Chen didn't understand what happened to Chu Yuechan and the others, why were they silent.

"Is something wrong here?" Ye Chen felt that something was wrong, he felt that something strange was happening with all of them.

Ye Chen decided to reach out towards Chu Yuechan.

Ye Chen intends to tempt Chu Yuechan, but she didn't reach for something.

"What? . . ." Ye Chen finally realized what was happening here.

"They're missing?" Ye Chen saw that Chu Yuechan, Chu Ning'er and Chu Yelan had disappeared.

There was no one other than Ye Chen in this place.

"What actually happened here?" Ye Chen tried to stay calm and find out what Ye Chen was currently alone.

There was no one other than Ye Chen in this place.

"What actually happened here?" Ye Chen tried to stay calm and find out what happened in this place.

After Ye Chen thought for a while, he started to know what was happening here.

"So that's how it is, I parted ways with them and arrived here, could it be that there are others who don't want me to enter the fairy city?" Ye Chen estimate why he was here and why Chu Yuechan and the others came in.

Such that expected from the ancient forest, they didn't let humans like Ye Chen enter.

"I can't get in there, now what should I do" Ye Chen didn't know what he should do now.

Waiting for Chu Yuechan and the others, that's impossible, they must also be looking for me, it seems I can only move forward and find my own way" Ye Chen couldn't wait for help, right now he could only be confident in his abilities and continue to move forward.

That's the only way it can be done by Ye Chen to get out of this place.

Ye Chen walked forward a few miles, after Ye Chen walked a few miles, he found a small house in the forest.

"A house in the forest?, does anyone live in a place like this" Ye Chen didn't know that someone lived in a forest like this.

"I will see it directly" Ye Chen decided to see it directly, he wanted to see directly who was staying.

"knock . . ." Ye Chen knocked on the door, he wanted to visit politely.

"Click . . ." The door was not a fairy figure with a white dress, black hair and also a small crown appeared in front of Ye Chen.

This elf was different from Chu Yuechan, the number of wings was much greater compared to with Chu Yuechan, 2x more.

She has such a beautiful face and light green eyes that are so clear.

This was certainly a beauty, one that could make the world go crazy.

"human, why is human in my place, how did you get to this place ?" she looked surprised when she saw Ye Chen in this place.

she was quite wary of Ye Chen and started to exert strength to fight Ye Chen.

"Wait a minute, don't be angry" Ye Chen said to the beautiful fairy in front of him, he didn't want to look for trouble.

"Tell me what is your purpose in coming to this place?" she asked Ye Chen.

"I got lost and happened to come to this place" Ye Chen said that he was lost in this place.

"So you come in and want to go to the fairy city?" she asked Ye Chen.

"Actually, I came with three fairies, it's a shame that I got separated and arrived at this place" Ye Chen said to the woman in front of him.

"Come together with the fairy" this woman approached towards Ye Chen, she saw Ye Chen closely.

"Not bad either, having three strong fairies and they seem familiar to me" she said to Ye Chen.

Ye Chen didn't lie, there was indeed the smell of three fairies lingering on his body, it seemed like he came together with the fairies.

"Listen to me, this forest won't be easy passed unauthorized human" she said to Ye Chen.

"Then what should I do now?" Ye Chen asked the woman in front of him.

"nothing" she said to Ye Chen.

"What do you mean by none?" Ye Chen didn't understand.

Chapter 2872 Chu Yinxu

"I told you, there's nothing you can do, you can just wait" she said to Ye Chen.

If Ye Chen came with a fairy, then he just needed to wait, Chu Yuechan and the others would definitely take care of this matter for Ye Chen.

"Just like that?" Ye Chen asked the woman in front of him.

"Just like that" she said to Ye Chen, she told him that was all that could be done.

Ye Chen was speechless when he heard what the woman said.

"It's really very troublesome" Ye Chen had to find a way to solve this problem.

"Can't you help me?" Ye Chen asked for help, he asked for help from the woman in front of him.

"Why should I help you?" she asked Ye Chen, in her opinion there was no reason to help Ye Chen.

"That's absolutely true, there really is no reason for her to help" Ye Chen was also aware of this problem, it was impossible for this woman to want to help Ye Chen for free, it was clear that that couldn't happen.

"I can help you, but there is one condition" she said to Ye Chen.

"what is it, please tell me" Ye Chen asked, he wanted to know the conditions requested by the beautiful fairy in front of him.

"If you can beat me, I will help you" she said to Ye Chen, if Ye Chen could beat her, she would help Ye Chen.

"Seriously" Ye Chen asked the beautiful fairy in front of him.

"Of course I am serious about what I say" she said that she was serious about what she said.

"Wait a minute" Ye Chen thought for a while, after Ye Chen thought for a while, he finally remembered that this was fairy territory, he remembered Chu Yuechan's words.

"Here the fairies are very strong, there is no chance of winning" those were the words Chu Yuechan said to Ye Chen.

"Are you afraid to fight me?" she asked Ye Chen, was Ye Chen afraid to fight her.

Ye Chen didn't answer immediately, he estimated whether he could win or not.

lightsNovel ?om "I can win, even if I have to use that method" Ye Chen is quite confident in being able to win, he is very confident in his abilities.

He could definitely win against the woman in front of him.

"Okay, I agree, if I win you will help me won't you" Ye Chen asked again.

"If you can win against me, I will help you and do everything you want" she said to Ye Chen.

"Seriously" Ye Chen didn't expect that he would say something like that.

"Of course I'm serious about what I say," she said that he was serious about what she said.

"Okay" Ye Chen felt that if he was lucky enough this time, he should be able to win.

"My name is Chu Yinxu, You, what's your name" she asked Ye Chen.

Chu Yinxu asked about Ye Chen's name.

"my name is Ye Chen" he introduced himself to Chu Yinxu.

"Ye Chen, okay, then let's start the battle" Chu Yinxu said to Ye Chen.

"here ?" Ye Chen asked Chu Yinxu.

"do you have any problems fighting me here" Chu Yinxu said to Ye Chen.

"No problem, I will fight you here" Ye Chen said that he would fight Chu Yinxu here.

"That's very good, such a good decision, I like the decision you made" Chu Yinxu said to Ye Chen.

"Then let's start" Chu Yinxu took out a wand that was so beautiful and made of beautiful crystal.

"are you serious about what you say, if I win, I can ask for anything ?" said Ye Chen.

"I'm serious of course, besides there is no chance for you to win against me" Chu Yinxu said that Ye Chen would not have a chance to win against her.

"You are confident enough to win against me" said Ye Chen.

"100%, I have never lost fighting against someone" Chu Yinxu said to Ye Chen.

"You've never lost, are you serious?" Ye Chen didn't believe that Chu Yinxu had never lost.

"Of course, I'm serious. I've never lost against anyone." Chu Yinxu said that she had never lost.

"glup . . ." Ye Chen swallowed hard, it seemed like his opponent wasn't just any fairy.

"most likely she is much stronger compared to Chu Yuechan and the others ?".

Looks like he's going to get into trouble" Ye Chen felt that ChuYinxu much stronger compared to Chu Yuechan and the others.

"Start" Chu Yinxu said to Ye Chen.

After starting, Chu Yinxu immediately used the Staff in his hand to summon several elements, here there were wind, water and lightning.

He can use three elements and maybe more.

"Damn, he's a user of several elements" said Ye Chen.

Ye Chen immediately backed away, when Ye Chen backed away, he saw that there was a wall behind his body that was very big and tall.

"four elements?" Ye Chen saw that Chu Yinxu could use four elements, which was really troublesome.

"Take this" Chu Yinxu managed to corner Ye Chen, with that she shot Ye Chen using water arrows, fireballs and also a lightning spear which immediately hit Ye Chen and made a big explosion.

The explosion of the three elements of course has a fairly large impact, the resulting impact is quite large.

"finished" Chu Yinxu was sure that if it was finished, there would be no chance for Ye Chen to survive.

"It's been a long time since I fought, it seems my skills are still very good" Chu Yinxu felt that her skills were still quite good.

Chu Yinxu feeling so satisfied after not fighting for a long time, it seemed like from the start Ye Chen was just an object to vent about this.

Because Ye Chen was human and he was not a fairy, Chu Yinxu could easily do this to Ye Chen.

Chu Yinxu opened her guard so easily, she would be easily attacked by Ye Chen.

"Young lady your guard is too open" Ye Chen appeared behind Chu Yinxu.

"What?" Chu Yinxu was shocked when she listened to Ye Chen's voice behind.

Chu Yinxu was a little late, Ye Chen was already behind her and hugged her petite body.

"What ! ! !" Chu Yinxu didn't expect that Ye Chen would do this, it was something that Chu Yinxu couldn't imagine.

"what are you doing, let me go, do you want to die" Chu Yinxu said to Ye Chen.

"Looks like I won" Ye Chen said to Chu Yinxu.

"stupid, what are you saying, you want to destroy" Chu Yinxu couldn't calm down anymore, she wanted to destroy Ye Chen.

Before Chu Yinxu could destroy Ye Chen using attacks.

Ye Chen has already used Passion Goddess technique.

Chu Yinxu's body became uncomfortable, she felt uncomfortable with what Ye Chen was doing.

"The power I had, disappeared, what happened?" Chu Yinxu didn't understand what was happening, she couldn't use her power and her body felt strange.

A feeling that Chu Yinxu had never felt .

"What did you do to me ?" Chu Yinxu asked Ye Chen, what did Ye Chen do.

"Cripple you" Ye Chen said to Chu Yinxu, he told her that he had paralyzed Chu Yinxu.

"You are shameless, I will kill you" Chu Yinxu saidYinxu.

"Don't be cruel like that, you are a beautiful woman, it's not good to say things like that" Ye Chen said to Chu Yinxu.

Chapter 2873 how to fight Chu Yinxu

"You, what are you doing ?" she said to Ye Chen.

Chu Yinxu didn't understand, she was made not to understand by Ye Chen, to be honest she couldn't understand about Ye Chen, actually what Ye Chen was, she couldn't know about Ye Chen.

"This is so bad, the body I have, it's so strange, why is it hot and uncomfortable" Chu Yinxu felt hot and uncomfortable, this feeling was really uncomfortable for Chu Yinxu.

"Huft. . ." ChuYinxu having such a strong breath, to be honest it was too strong and too comfortable for her.

"You want to surrender, this will make it easier for me" Ye Chen said to Chu Yinxu, he told Chu Yinxu to surrender so he would be the winner.

"That won't happen ?" Chu Yinxu said that if that wouldn't happen, she wouldn't want to give up against Ye Chen.

"You are quite stubborn too" Ye Chen said to Chu Yinxu, he saw that Chu Yinxu was quite stubborn and didn't want to give up.

"Then I will improve a little more" Ye Chen said to Chu Yinxu.

"Increasing a little more, what did you say?" Chu Yinxu asked Ye Chen, what did Ye Chen mean by improving a little more.

"Hehehehe" Ye Chen chuckled when he heard this, it seemed like Chu Yinxu was starting to get scared.

"Soon you will know what I mean" Ye Chen said to Chu Yinxu.

"Wait a minute, don't do that" ChuYinxu said to Ye Chen, she asked Ye Chen not to do that.

"Sorry, but no one can tell me to" Ye Chen said to Chu Yinxu.

He said that no one could order him.

"You" Chu Yinxu said to Ye Chen, she didn't expect that she would lose to Ye Chen.

Ye Chen increased his strength, such a good feeling flooded Chu Yinxu.

"what is this" Chu Yinxu felt such a strange feeling, she felt such a strange feeling from Ye Chen.

"This is very uncomfortable" Chu Yinxu said to Ye Chen, she saw that this feeling was really uncomfortable.

"Is this comfortable, I think you enjoy it" Ye Chen said to Chu Yinxu.

"No, this is uncomfortable" Chu Yinxu said to Ye Chen, she told him that this was uncomfortable.

"Are you serious" Ye Chen touched Chu Yinxu's body, when Ye Chen touched Chu Yinxu's body, she felt an extraordinary feeling.

"No . . ." Chu Yinxu couldn't stand it anymore, it was too comfortable when Ye Chen touched her.

The uncomfortable feeling immediately turned into comfort when Ye Chen touched her, this was truly extraordinary.

"more" Chu Yinxu said to Ye Chen, she asked Ye Chen for more.

Chu Yinxu started to show her true colors, it turned out that Chu Yinxu was so excited and asked Ye Chen for more.

"of course, I will be happy to give you" Ye Chen happily gave it to Chu Yinxu.

With that Ye Chen started to touch Chu Yinxu, he started to touch Chu Yinxu and felt the two double peaks that were developing so well.

Chu Yinxu's size is at least F cup, this size is very good, she has a very good size and is comfortable when touched by Ye Chen.

Chu Yinxu couldn't believe that she would let Ye Chen touch her, this was something she couldn't imagine, how could she let Ye Chen touch her in that way.

Even though Chu Yinxu seemed to reject this, she still let Ye Chen do this, she felt much more comfortable when Ye Chen's armpit did that.

"very comfortable, more, touch me more" Chu Yinxu started to say more seductive words, she used more seductive words to make Ye Chen even more excited than before.

"Do you want to surrender or not ?" Ye Chen asked Chu Yinxu.

He told Chu Yinxu to give up, but it seemed like Chu Yinxu didn't want to give up and wanted more from Ye Chen.

"I don't want to give up" Chu Yinxu said to Ye Chen, she told Ye Chen that she would not give up.

"What's wrong?, are you enjoying this, you are such a naughty girl" Ye Chen said to Chu Yinxu.

Chu Yinxu's face turned red when she listened to what Ye Chen said, it was quite embarrassing to listen to what Ye Chen said.

"don't say that, it's embarrassing" Chu Yinxu said to Ye Chen.

"give up right now" Ye Chen said to Chu Yinxu, he told Chu Yinxu to surrender right now.

"no. . ." Chu Yinxu still refused to give up, she still refused to give up and wanted to stay to fight Ye Chen.

"stubborn woman" Ye Chen said to Chu Yinxu, Chu Yinxu is a woman who is quite stubborn and doesn't want to give up.

It was really strange to see Chu Yinxu refusing to give up, did she really like what Ye Chen was doing that she didn't want to give up, if that was the case she was so excited.

Chu Yinxu really enjoyed this, she enjoyed what Ye Chen did.

Ye Chen himself touched Chu Yinxu, he already knew Chu Yinxu's weakest part.

Of course, Chu Yinxu's weakest part was the back part close to the wings.

When Ye Chen touched this thing, Chu Yinxu would feel such a comfortable feeling, it made her a lewd woman.

lightsnovel.com "No, not there" Chu Yinxu said to Ye Chen, that was a quite sensitive point and made Chu Yinxu helpless.

"Don't you like this" Ye Chen said to Chu Yinxu.

"no, it's uncomfortable" Chu Yinxu said to Ye Chen.

"You have to be more honest with yourself" Ye Chen said to Chu Yinxu.

He told Chu Yinxu to be more honest with herself.

"Not there," Chu Yinxu said.

Chu Yinxu again told Ye Chen not to touch that part.

"The more you reject it, the more I want to touch it" Ye Chen said to Chu Yinxu.

The more Chu Yinxu wanted to resist, the more Ye Chen would want to touch her.

"no. ." Chu Yinxu ran into trouble, she wouldn't be able to hold on, this was too intense for her and she would soon reach her limit.

When Chu Yinxu was about to get extraordinary pleasure, Ye Chen suddenly stopped in her tracks and made Chu Yinxu surprised.

"What ?" Chu Yinxu couldn't believe it, even though she would feel such extraordinary pleasure.

"Why did you stop?" Chu Yinxu said to Ye Chen.

"It seems difficult to beat you, so it's better to just stop" said Ye Chen.

"How can you do that?" Chu Yinxu asked Ye Chen.

"Do what?" Ye Chen asked Chu Yinxu.

Ye Chen acted stupid and didn't know what Chu saidYinxu.

Chu Yinxu knew that Ye Chen was acting stupid, this man was really annoying.

Chu Yinxu so uncomfortable, she had to do something about this problem.

"Too bad, I have to do something" Chu Yinxu felt that she had to do something about this.

If not, then this feeling of discomfort could kill her.

"Please touch me more" Chu Yinxu said to Ye Chen, she asked Ye Chen to touch herself more and more.

"Oh, I didn't expect that you would say something like that, you are a very brave young lady" Ye Chen said to Chu Yinxu.

"I will help, but you also have to help me too" Ye Chen said to Chu Yinxu.

Chapter 2874 Carry Out Transactions With Large Dwarves

Ye Chen enjoyed Chu Yinxu's body, this body was so good and developed quite well.

Chu Yinxu was too excited by what Ye Chen was doing, she was too happy with what Ye Chen was doing.

"what was being done by Ye Chen felt so comfortable and so delicious.

"actually, I came to visit and look for some dwarves who are experts in making weapons" said Ye Chen.

"you look for large dwarves to make equipment, they are not easy for humans to cooperate with" said Chu Yinxu.

"do you know how to make them want to cooperate" Ye Chen asked Chu Yinxu.

" They like wine, if you bring delicious and delicious wine, they might want to cooperate with you" Chu Yinxu said to Ye Chen.

"so that's how it is" Ye Chen understood, he immediately understood what to do, It looked like he had to start taking out some of the good wine he was saving.

"Then please take me there" Ye Chen said to Chu Yinxu.

"Of course, come with me" Chu Yinxu said to Ye Chen, she told Ye Chen to come along with her.

Large dwarves live around the forest, it is quite difficult to find them, but with help from Chu Yinxu, Ye Chen found the group.

"we have arrived, they are here and live in this place Chu Yinxu said to Ye Chen.

she told Ye Chen that they lived and lived in this place.

"so that's how it is, thank you very much for taking me to this place" Ye Chen thanked.

"no need to thank thank me" Chu Yinxu said that Ye Chen didn't need to thank her.

It seemed that Chu Yinxu was starting to be interested in Ye Chen, she was starting to be interested in Ye Chen's abilities.

After what happened, she became increasingly interested in having a deeper relationship because it was so comfortable to do.

"how to meet them properly" Ye Chen asked Chu Yinxu.

"just come in and show me if you are worthy" said Chu Yinxu.

Chu Yinxu told him to come in and show himself worthy.

"I understand" Ye Chen began to understand, it seemed he could do this.

Ye Chen entered the big dwarf village, when Ye Chen entered, he was immediately seen by the dwarves who were there.

They saw Ye Chen and wanted to know Ye Chen's purpose.

They all showed no resistance or hostility towards Ye Chen.

They seemed to accept Ye Chen so nicely and didn't care about Ye Chen's identity.

They were used to meeting several people who wanted to make equipment, so they knew Ye Chen's purpose in coming to this place. I think you should take a look at [lightsnovel.com](https://www.lightsnovel.com)

"cooperate on what ?" they asked Ye Chen.

"I want you to forge the best weapon for me, of course I will sell it" Ye Chen said that he needed a good weapon to sell.

"what can you give us" They all asked Ye Chen.

What can Ye Chen give to all of them, they everyone wants to know that.

"What do you want?" Ye Chen asked about what they wanted.

Ye Chen didn't immediately show what he had, first he wanted to see what they wanted, that way he could determine what to do.

"We want something that special" they said to Ye Chen, they wanted something new and special from Ye Chen.

They all looked serious when discussing this, .

"so that's what you want ?" Ye Chen began to understand what they wanted, he began to understand what these people wanted.

"If that is what you want, then tell me" Ye Chen told the large dwarves.

"give us the best wine, honestly the stock of wine we don't have much to drink" they said to Ye Chen.

"I have one here, why don't you try it first" Ye Chen said to them, he told them to try it first.

They looked at the wine bottles that were there in Ye Chen's hands, to be honest the bottle was very good.

"Let me try it" the oldest of them all came out, he wanted to try it because he had just seen something like what Ye Chen used.

The man opened it and immediately drank it, when he just drank it, he was immediately surprised by the sweet and refreshing taste. very extraordinary" he said to Ye Chen, this is the number one wine, and he likes this.

"seriously, if Mr. Tung Kilu said that, then it would be a good thing, we also want to" they said to Ye Chen.

"ahem, back to our business" Ye Chen saw that they were starting to be interested in what Ye Chen had, so this was the right time for Ye Chen.

"if you don't mind, I can give three gallon barrels every day for you" Ye Chen said that he would give three gallon barrels for all of them.

"we agree" Tung Kilu immediately agreed, so did they, they would work if Ye Chen wanted to give them that .

Ye Chen didn't expect that this would be so easy, they are too easy to persuade.

"such a good decision, then I will give this as initial payment.

First Ye Chen will immediately give around 30 barrels gallon to them, that's for the initial payment.

They are of course happy with that.

"I will prepare the ingredients for all of you, all you need to do is work and make it for me" Ye Chen said that he had the ingredients and they just need to work.

"we all understand" they all understood, they all immediately took their rations and returned to the house.

Only Tung Kilu was here together with Ye Chen.

Chapter 2875 Ghost Mountain

"not bad either" Tung Kilu said to Ye Chen, he told Ye Chen that he was not too bad.

"What do you mean ?" Ye Chen said to Tung Kilu.

"You have such good skills in making wine, it's pretty good," said Tung Kilu.

"Thank you for the compliment" Ye Chen was grateful for the praise given by Tung Kilu.

"Even so, it's not the best, there are still the best in this world," said Tung Kilu.

"Oh, I see . . ." Ye Chen just smiled when he heard this.

"If I can know, what is it" Ye Chen wants to know what kind of anger Tung Kilu is saying.

Ye Chen was interested in this matter, he was interested in getting it.

"That is pleasure wine, the greatest drink in this world and is a very, very expensive item" Tung Kilu said to Ye Chen.

"expensive, you said earlier that it was expensive?" Ye Chen asked Tung Kilu.

"Yes, I said that it was very expensive" Tung Kilu said to Ye Chen, he told Ye Chen that it was very expensive and could make a lot of money.

"Hey, tell me, how to get that thing" Ye Chen asked Tung Kilu.

"That is a secret recipe and I heard that it is in a place full of extraordinary evil aura, the name of that place is Ghost Mountain" Tung Kilu said to Ye Chen.

"ghost mountain, a pretty ugly name" Ye Chen said to Tung Kilu.

"Don't say things like that, it's a place filled with darkness and inhabited by many terrifying evil creatures.

"The recipe for making pleasure wine is there," said Tung Kilu.

"Alright, I'll go" Ye Chen said to Tung Kilu.

Ye Chen smelled that this could make quite a lot of money, so he would start looking for it.

After that Ye Chen left, he went straight to the place Tung Kilu said.

"Hey, wait a minute, I'm not finished yet, remember that this place is dangerous, out of 100 people only 1 can come back safely," said Tung Kilu.

Tung Kilu tried to give Ye Chen a warning, it was a shame that Ye Chen didn't listen to what Tung Kilu said.

Too bad, Ye Chen didn't listen to the warning given by Tung Kilu.

He had gone ahead to get the recipe for making pleasure wine.

Ye Chen came out of the big dwarf's place, there Chu Yinxu was already waiting for Ye Chen.

lightsnovel.com "How, are you done?" Chu Yinxu asked Ye Chen.

"Everything went smoothly and I got very good cooperation with them" Ye Chen said to Chu Yinxu.

"You are quite good at being able to quickly get them to agree," Chu Yinxu said.

"It's nothing" Ye Chen smiled at Chu Yinxu.

"Then let's go to the ghost mountain" Ye Chen said to Chu Yinxu.

"Eh, why do you want to go to such a dangerous place?" Chu Yinxu asked Ye Chen.

"I want to look for something" Ye Chen said that he wanted to look for something.

"what do you want to look for ?" Chu Yinxu said to Ye Chen.

"something good, please guide me, you know the place" said Ye Chen.

"Of course, I know the place" Chu Yinxu said that she knew the place.

"Let's go" Ye Chen took Chu Yinxu to go, they would go straight to the ghost mountain that Tung Kilu said.

Ye Chen together with Chu Yinxu left the ancient forest, they went towards the ghost mountain.

When Ye Chen arrived near the ghost mountain, the sky became dark and thunder began to strike, rain fell and wet the two of them. I think you should take a look at [lightsnovel.com](http://lightsnovel.com)

"Is this place always like this?" Ye Chen asked Chu Yinxu.

"That's true, this place always like this," Chu Yinxu said.

she told Ye Chen that this place has always been like this.

"Ye Chen, this is a very dangerous place, much more dangerous than the ancient forest, are you sure you want to go inside" Chu Yinxu asked Ye Chen.

Chu Yinxu gave Ye Chen a warning, she gave Ye Chen a warning about the mountain.

"I'm not afraid of this place at all" Ye Chen said that he was not afraid of this place at all, that night Ye Chen felt quite challenged to be able to conquer this place.

"Such good courage, then I won't stop you" Chu Yinxu said.

Chu Yinxu wouldn't stop Ye Chen, she could see that Ye Chen had great courage and Chu Yinxu was attracted by that.

"Come on in" Ye Chen said to Chu Yinxu.

"You won't go in alone" Chu Yinxu said to Ye Chen.

"Of course you will help me" Ye Chen said to Chu Yinxu.

He told her that Chu Yinxu would help him.

"I" Chu Yinxu didn't know what to do, she was dragged by Ye Chen and forcefully went with Ye Chen.

she had no choice but to come with Ye Chen, because Ye Chen forced her to do so.

The two of them finally entered, a place that was so scary and so dark, there were so many sounds that would give someone the creeps.

"I don't like this place too much" Chu Yinxu said to Ye Chen, she told Ye Chen that she didn't like this place too much.

"Don't tell me that you are afraid of this place" Ye Chen said to Chu Yinxu.

"It's not like that" Chu Yinxu said that she was not afraid, it was just that she didn't really like the situation around this place.

This place was full of negative aura which made Chu Yinxu dislike this place.

"You don't need to worry, I will protect you continuously" Chu Yinxu said to Ye Chen, he told her that he would protect Chu Yinxu.

Chu Yinxu was surprised by what Ye Chen said, who would have thought that Ye Chen would say something like that.

This was the first time Chu Yinxu heard someone want to protect her, she was so happy about this.

"I'm so happy" Chu Yinxu felt so happy, she was so happy with this feeling.

"Let's go forward" Ye Chen hugged Chu Yinxu's body, he carried Chu Yinxu and moved forward.

Chu Yinxu was now obedient in Ye Chen's arms, she was in Ye Chen's arms and enjoying it.

The two of them came forward, there were several monsters, and all of them were defeated by Chu Yinxu.

This time Chu Yinxu didn't need to use a staff, she just waved her hand and all the monsters were destroyed easily.

"The monsters here have such a hideous and frightening appearance, is that what makes this place called ghost mountain?" Ye Chen asked Chu Yinxu.

"Not only that, I heard that this place has an illusion that can make you trapped in this place until death overtakes you," said Chu Yinxu.

Chu Yinxu explained that this place had an illusion that could make someone trapped in it.

"so that's how it is" Ye Chen now understood, he had to be careful with this matter.

Ye Chen started to get serious, he strengthened his mental strength, he must not be trapped in the existing illusion.

With that Ye Chen continued forward without any problems.

Ye Chen's mental strength was already strong enough and he was not affected by what was around him.

"It looks like this will be easy to do" Ye Chen felt that this would be easy to do, he was confident in his abilities.

Chapter 2876 Troublesome Illusion

"kyah. . . ." Chu Yinxu who was in Ye Chen's arms screamed, she screamed and made Ye Chen surprised.

"what happened ?" Ye Chen said to Chu Yinxu in his arms.

Chu Yinxu didn't answer Ye Chen, she closed her eyes and looked scared.

"eh? ? ?" Ye Chen finally realized what had happened, he finally realized what had happened to Chu Yinxu.

"she was already hit by an illusion, what happened?" Ye Chen didn't feel it, how could Chu Yinxu be hit by an illusion and she was delirious like a freak.

It seems that I underestimated this place too much, if even Chu Yinxu could be hit by an illusion, then this place is so powerful.

"Hey wake up, don't get hit by the illusion in this place" Ye Chen said to Chu Yinxu.

He tried to wake Chu Yinxu, with that Chu Yinxu woke up.

"uh, what happened?" Chu Yinxu said to Ye Chen, she wanted to know what just happened.

"You are not aware of what just happened" Ye Chen said to Chu Yinxu.

"what happened?" Chu Yinxu didn't know, she just felt that she saw such a terrible scene and everyone disappeared and left her alone, she was so scared when she was alone.

"So that's how it is" Ye Chen finally understood, he finally understood what had just happened.

"You have to be calmer and not easily influenced by the surroundings, it will be troublesome if you are hit by an illusion in this place" said Ye Chen.

Ye Chen told Chu Yinxu that he had to wake up immediately, lest Chu Yinxu be trapped in an endless illusion.

"I've been on guard quite strongly, but still," said Chu Yinxu.

"If it's like this" Ye Chen said to Chu Yinxu.

Ye Chen made Chu Yinxu enter the fairy gate.

He put Chu Yinxu inside to be safe.

"Where?" Chu Yinxu asked Ye Chen, she wanted to know where she was currently.

"that is the fairy gate" Ye Chen said to Chu Yinxu.

He told about the fairy gate, a fairly safe place for Chu Yinxu.

"not bad, having an artifact like this" Chu Yinxu said.

Chu Yinxu said that Ye Chen was quite great, having something like that and made Chu Yinxu surprised.

"Stay there, it seems like you are affected by the evil illusion in this place" said Ye Chen.

"Sorry, I thought I could fight, but it seems I'm too weak for this place" Chu Yinxu said.

"It's okay" Ye Chen didn't mind this, he could understand what happened.

"But you are great too, able to survive in this place without being affected" Chu Yinxu said to Ye Chen.

It's possible because I have the power that can resist the illusions in this place.

Ye Chen had the power of darkness, that was the thing that made Ye Chen unaffected by the dark power in this place from the start.

So Ye Chen would be safe and there was no need to be afraid, he would not be affected by the illusion and could easily enter.

Since Chu Yinxu was inside, she could easily be safe and see Ye Chen.

By using the fairy gate, she could connect with Ye Chen and this was quite easy to do.

Ye Chen was currently alone, so right now he could only depend on himself to get to the end.

"I will use full speed" Ye Chen decided to use full speed, he would use full speed and show the highest abilities he had.

Using super lightning and super fast speed, Ye Chen finally broke through all the obstacles and arrived at the top easily. I think you should take a look at [lightsnovel.com](http://lightsnovel.com)

"You are quite fast" Chu Yinxu said to Ye Chen, she could see that Ye Chen was quite fast, in just a short time he had reached the top.

"Thank you very much" Ye Chen said that he was indeed quite fast.

"We have reached the top" Ye Chen said to Chu Yinxu.

"You may be the first person to reach the top, you are indeed great," said Chu Yinxu.

Chu Yinxu said that Ye Chen might be the first person to reach the top of the ghost mountain.

"go out" a voice said to Ye Chen, it told Ye Chen to go.

Ye Chen immediately looked for the source of the sound, he wanted to immediately catch the person who made the sound.

"Monsters, or people ?" Ye Chen estimated whether this was a monster or a person, he tried to find out about this matter.

After searching for some time, Ye Chen found several large monsters who were hiding and waiting for Ye Chen to let his guard down.

"some monsters are trying to beat me" Ye Chen said to Chu Yinxu.

"You were quick to find them, so what are you going to do?" Chu Yinxu asked Ye Chen.

"paralyze them all" Ye Chen told that he would paralyze them all.

"go, or you will die" they continued to say in a horrible voice.

Ye Chen was not afraid at all, he already knew that they were monsters and he was not afraid of ghosts at all.

"God Domination Pressure" Ye Chen used God Domination Pressure, a terrifying pressure hit all the monsters and they immediately collapsed.

They immediately fell before they even had the chance to fight Ye Chen.

"What was that?" Chu Yinxu asked Ye Chen, she wanted to know what Ye Chen had just done, she was quite curious about what Ye Chen had just done.

"a little trick to make them fall" Ye Chen said to Chu Yinxu.

He said that it was a small trick to make weak monsters fall easily.

"Little trick, that was so great," Chu Yinxu said, Chu Yinxu was quite surprised, Ye Chen could beat them all without touching.

"hehehehe" Ye Chen chuckled when he heard this.

"Okay, let's listen to the testimony of one of the guards of this place" Ye Chen said to a monster in front of him.

Ye Chen happened to leave one monster behind, he did this to confirm what happened in this place.

"Who are you, what do you want from us?" The monster was a small rabbit with black fur, to be honest, it was very difficult to see black things in a dark place like this.

"I came to get the pleasure wine recipe, quickly give it to me" Ye Chen said to the black rabbit monster in front of him.

"You will never find that" the black rabbit monster said to Ye Chen, he told him that Ye Chen would never find the recipe for making the most delicious wine in the world.

"So you guys refuse to tell" Ye Chen said to the monster in front of him.

"of course, quickly leave this place, don't make us angry" the little rabbit monster said to Ye Chen.

"So what if you are angry, what can you do" Ye Chen asked the little rabbit monster in front of him.

"I can do this" The monster started to change, it grew bigger and became a monster 10x the size of Ye Chen.

"So this is your true form, I don't think you can hide a form like this" said Ye Chen.

"Shut up" the black rabbit monster said to Ye Chen, he released lightning and immediately hit Ye Chen using the lightning.

Ye Chen started to dodge, he disappeared and hid among the many trees.

Chapter 2877 Dark Spirit Staff

"This is such a good environment, such a good environment to hide in.

"So that's how it is, that monster has such great strength" Chu Yinxu saw that the monster that Ye Chen was fighting had such great and great strength.

"Who would have thought that the little monster would have such strength, it's not strange that he was able to withstand my pressure" said Ye Chen.

"where are you going to run, you won't be able to run" the monster was looking for Ye Chen, he started looking for Ye Chen's whereabouts.

Ye Chen didn't show himself, he was still hiding and waiting for the right time to attack.

lightsNovel.com "How dare you play with me" the monster was angry with Ye Chen, he continued to destroy everything around him.

"Hmm" Ye Chen saw that the monster had become so strong and became so fast.

"This place makes it so strong, very interesting" Ye Chen saw that this place made all the monsters strong.

"Is there some kind of object or device that makes this place what it's like this?" Ye Chen thought that if there was something that made this place what it is now, there must be something that made this place dark and fulfilled with a terrible illusion.

Ye Chen searched around, he might find something.

"first I will use a shadow clone to catch my guard, I will search around" Ye Chen was quite lazy to deal with this monster.

so he decided to go and look artifact which is hidden.

Ye Chen finally arrived at the very top, now he had arrived at the very top and had the worst aura among all the places in this place.

"This might be the place" Ye Chen estimated that this was the place, he was very sure that this was the place.

In front of Ye Chen there was a black staff that gave off a terrifying dark aura, it seemed like the source of all the problems in this place came from that object.

"It looks like all this came from that thing, looks like I have to destroy it" Ye Chen wanted to destroy the artifact.

"Be careful" Chu Yinxu said to Ye Chen, she gave Ye Chen a warning.

"do you know that thing" Ye Chen asked Chu Yinxu, he wanted Chu Yinxu to explain it to him.

"Of course I know what it is" Chu Yinxu said that she of course knew what it was, it was a weapon that was so terrible and so terrifying.

"Dark spirit staff, it can summon evil souls and create illusions, such a terrifying weapon and it has consciousness" said Chu Yinxu.

Chu Yinxu immediately explained to Ye Chen, she told Ye Chen about the object in front of them.

"So that's how it is" Ye Chen immediately understood, he immediately knew what it was.

"Do you think it's possible to destroy it easily" Ye Chen asked Chu Yinxu.

"I don't know, but to be honest it would probably be very difficult to do," said Chu Yinxu.

Chu Yinxu said that it would probably be very difficult to do so done, since that thing was strong and alive, it would definitely put up a fight to Ye Chen.

"Then, let's try it" Ye Chen wanted to try it, he wanted to know if he could destroy that object.

When Ye Chen approached, the object started emitting a dark attack towards Ye Chen, it seemed like the object knew that Ye Chen was dangerous and decided to attack Ye Chen.

"So that's how it is, that thing knew that I was dangerous and decided to attack me" Ye Chen finally knew that that thing was indeed dangerous.

"I told you that that thing has consciousness," said Chu Yinxu. I think you should take a look at [lightsnovel.com](http://lightsnovel.com)

Chu Yinxu had already told Ye Chen, that thing had consciousness and would fight Ye Chen.

It definitely wouldn't let Ye Chen destroy it.

"let's see who is stronger" Ye Chen continued to advance, in front of such a huge attack of darkness, he still advanced forward.

"explosion. . ." explosion after explosion hit Ye Chen's body, Ye Chen's body was hit by a powerful explosion of darkness.

"what are you doing, you could die" Chu Yinxu said.

Chu Yinxu said to Ye Chen what Ye Chen said was very dangerous, Ye Chen could die if he continued doing this.

"Don't worry, I won't die" Ye Chen said to Chu Yinxu, he wouldn't die and would be fine.

"Even though you say that" Chu Yinxu was still very worried, she was worried about Ye Chen's condition and circumstances.

Ye Chen was fine, he was still able to advance and continue to advance towards the front, he actually did very well and did not suffer any injuries from the enemy.

"What happened, he's not hurt?" Chu Yinxu saw that Ye Chen was not injured and it looked so great, how did Ye Chen do that, he took all the attacks and was not injured.

Seeing Ye Chen was able to defend well, the staff grew stronger and launched more attacks towards Ye Chen.

All attacks reflected by Ye Chen, all of that had no effect on Ye Chen and Ye Chen finally arrived in front of the dark spirit staff.

Ye Chen reached out towards the darkness spirit staff.

the staff of the spirit of darkness creates such a field of darkness strong all around, it makes all creatures wither and appear dead.

Ye Chen was unfazed, once again the power of darkness made him invincible in this place.

Ye Chen touched the Staff in front of him, he intended to destroy the Staff.

"don't want to be destroyed?" Ye Chen saw that the Staff weapon would not be destroyed.

"hahahaha, stupid human, do you think you can crush me so easily?" a dark figure appeared from inside the Staff artifact, it was taunting Ye Chen who couldn't destroy it.

"So you are the dark spirit staff" Ye Chen looked at the dark figure in front of him, he could see the figure had a dark appearance and scary red eyes.

"Of course this is me, the ruler of this mountain" he said to Ye Chen, he is the spirit who controls this entire place with his power.

"Then you know what I'm looking for, quickly tell me" Ye Chen asked the dark spirit staff to show him where the wine of pleasure was.

"There's no way I will tell you, I will eat you" the darkness spirit staff was trying to eat Ye Chen, he was trying to eat Ye Chen.

Darkness tried to envelop Ye Chen, it seemed like he was not joking and wanted to eat Ye Chen.

"This is the last chance for you, if not I will destroy you" Ye Chen gave him a chance, if not, he would destroy the darkness soul.

Ye Chen's patience had limits too, if he didn't say it, Ye Chen would destroy him.

Ye Chen was serious, he was serious about this threat and wasn't messing around anymore, Ye Chen didn't want to waste any more time he had.

"hahahaha, try to bluff me, you will not be able to destroy me, this body is made of hard material and will not be destroyed even if you attack it" the dark spirit staff is very confident in his abilities

Chapter 2878 cleanse the place of evil aura

Ye Chen would not be able to destroy him because he was so hard and strong.

This was a top grade artifact that had abilities on par with Celestial Tier, so it's not strange that the dark spirit staff is so confident that Ye Chen won't be able to destroy it.

"okay, time is up, time for you to destroy" because Ye Chen didn't get an answer, he was going to destroy the darkness spirit staff.

Ye Chen started to use his power with all his might, this time he used Dimension Breaker, he used this attack and immediately destroyed the dark spirit staff.

With such power, there was no way the darkness spirit staff would be able to withstand it.

"cracked . ." The dark spirit staff started to crack, it started to crack and crumble.

"impossible" the darkness spirit staff couldn't believe what was happening, Ye Chen was really able to destroy it.

"stop, you can destroy me" the darkness spirit staff said to Ye Chen.

The dark spirit staff seemed to regret having underestimated Ye Chen, he got into trouble for underestimating Ye Chen.

"It's too late to apologize to me, destroy it" Ye Chen destroyed the dark spirit staff.

"argh . . . ." the dark spirit staff screamed and shattered, Ye Chen destroyed the spirit down to its roots.

The darkness spirit staff in Ye Chen's hand turned into black dust and was blown away by the wind.

"You did it" Chu Yinxu said to Ye Chen, she saw that Ye Chen did it.

"Of course, I did very well" Ye Chen said to Chu Yinxu.

After the dark spirit staff was destroyed, this mountain became bright, the black plants and trees began to return to their original color and became very beautiful.

The mountain, which previously seemed like a scary place, has now turned into a beautiful and lively place.

"Great" Chu Yinxu finally came out, the situation was safe and everything here had returned to normal.

"Everything is settled, let's find what was our initial goal" Ye Chen said to Chu Yinxu.

With that the two of them went around and started looking for wine recipes.

Ye Chen and Chu Yinxu arrived at an abandoned building, it seemed like this was the place.

"This is probably the place we're looking for" Ye Chen said to Chu Yinxu.

"Perhaps, let's go in and take a look" because the place had become so bright, they could see everything clearly and they had nothing to fear anymore.

All the monsters that were here had also left, they all no longer dared to stay in this place after their protection was destroyed by Ye Chen.

Ye Chen and Chu Yinxu entered, they opened the door that was so worn and so old.

When Ye Chen opened the door that looked so old and worn, the door was shattered into several pieces.

"too fragile" said Ye Chen.

"You" Chu Yinxu was helpless when she saw what Ye Chen was doing.

she felt so funny when she saw what Ye Chen was doing.

The two of them entered and saw several stacks of gallons storing wine, it seemed like this was the place Ye Chen was looking for.

"I finally found it" Ye Chen said to Chu Yinxu.

"congratulations, but where it is, are you sure" Chu Yinxu was not very sure.

"We have to be positive in thinking, I'm sure it exists" Ye Chen said to Chu Yinxu.

"You are too confident, well it doesn't matter, you just do it here" Chu Yinxu said to Ye Chen.

she told Ye Chen to find it.

Ye Chen of course went looking for it, he used full speed to look for the recipe.

lightsNovel ?om

Ye Chen opened every place, he opened the whole place and searched every room there was.

After Ye Chen opened all the places and searched everything, Ye Chen still didn't find what he was looking for.

"ehhhh, nothing" Ye Chen didn't expect that what he was looking for wasn't in this place, this was a really strange thing.

"Nothing, I didn't find it" Ye Chen didn't find what he was looking for, this was really strange and made Ye Chen annoyed.

"Don't worry, I can definitely find it" Ye Chen was sure that he could find it easily.

Ye Chen used God Eyes, he immediately searched the surroundings using God Eyes.

Ye Chen surveyed every place and made sure he didn't miss anything.

After searching for some time, Ye Chen found a room to store wine.

Ye Chen went straight there, with a teleport, he went straight into the wine gallon storage room.

"So this is the place, it looks like I've found it" Ye Chen had found what he was looking for.

Ye Chen might not have found the wine recipe, at least he had found the wine cellar and could figure this out on his own.

"I will put everything into the fairy gate" Ye Chen decided to put everything into the fairy gate, one of the things Ye Chen could do to overcome this problem.

By putting everything into the fairy gate, Ye Chen could analyze them all, he also didn't forget to take one out to try.

Ye Chen tried one, when Ye Chen tried it, he felt a sweet and delicious taste, this made Ye Chen feel so happy when he drank it, all tiredness and all discomfort disappeared instantly.

"pretty good" after tasting it, Ye Chen knew that this was really great, it wasn't strange that Tung Kilu said that this was so good, it made people who drank it very happy.

"Very interesting, I will try to develop it" Ye Chen has decided, he will try to develop this.

"My goal is complete, it is time to return" Ye Chen has arrived at his original goal, now is the time to return.

Ye Chen went to look for Chu Yinxu's whereabouts, this was the time they left this place.

"We have to leave this place" Ye Chen said to Chu Yinxu.

Chu Yinxu While looking around, she seemed to find something that interested her.

"Did you find anything that interests you" Ye Chen asked Chu Yinxu.

"I found quite interesting things here" Chu Yinxu said to Ye Chen, she found quite interesting things in this place.

"What did you find ?" Ye Chen was quite curious and wanted to know what Chu Yinxu managed to find.

Chu Yinxu found a book, a book that interested her.

"A book, are you interested in this kind of thing" Ye Chen asked Chu Yinxu.

"You should look at it better" Chu Yinxu said to Ye Chen, she asked Ye Chen to be serious about looking at it.

Ye Chen was interested, when Ye Chen seriously read it, he found something interesting according to what Chu Yinxu said.

This was a diary written by the owner of this place, which was why Chu Yinxu was interested in this.

"We can read this together" Chu Yinxu said.

Chu Yinxu invited Ye Chen to read the diary together.

"Of course" Ye Chen wouldn't mind this, he actually enjoyed reading this together with Chu Yinxu.

The story begins when this place was still a green and very beautiful mountain, there were so many plants and animals in this place, there were also large vineyards and this place was the best winery in the entire God Realm and was the most lively place, there so many transactions here and everyone is so happy with the wine made.

Everything went well for thousands of years, until one day a man came and cursed this place using a stick, everyone was trapped in an endless illusion until the end of their lives.

Chapter 2879 discover the wine of pleasure

"That man came and made a mess and created chaos, What is his purpose, I still don't understand?" To be honest, Chu Yinxu still didn't understand that person's purpose, why that person did something like that, what that person's real purpose was.

"That person's goal is very clear, can't you guess it?" Ye Chen said to Chu Yinxu.

"You know what the purpose is, tell me" Chu Yinxu asked Ye Chen to explain, that was because she didn't know and needed an explanation from Ye Chen.

"The goal is of course very clear, it's about business," said Ye Chen.

Ye Chen explained that this was all about business.

"business?" Chu Yinxu didn't really understand this, to be honest, she wasn't very good at things like this, she wasn't very good at business.

"So you're not very good at things like this, I understand, I'll explain it more easily" Ye Chen said to Chu Yinxu.

Ye Chen explained more easily, he started with the basics of what happened and said that it was all about resources.

"It seems like someone was jealous and did this" Ye Chen said to Chu Yinxu.

"Isn't that evil enough" Chu Yinxu said to Ye Chen, from what Ye Chen said, Chu Yinxu felt that it was evil.

"Resources can make people forget themselves, you have to know that" Ye Chen said to Chu Yinxu.

"Even so, it is still excessive" Chu Yinxu said.

Chu Yinxu felt that this was too much.

she felt that what was happening was too excessive and unreasonable.

"I expected that you would say something like that" Ye Chen had expected it, Chu Yinxu would definitely say it too.

"But this is the reality that happened, you have to be able to accept things like that" said Ye Chen.

Chu Yinxu had to be able to accept that this world was cruel, Ye Chen knew that this could possibly happen to him.

That's why Ye Chen will become stronger and protect everything he has, with that no one will dare to do that to Ye Chen, that is something that Ye Chen must do, something that Ye Chen must do.

"I'm finished, let's go" Ye Chen said to Chu Yinxu, he told Chu Yinxu that he was finished and they could immediately leave this place.

"You have found what you were looking for?" Chu Yinxu didn't expect that Ye Chen had found what he was looking for, Ye Chen turned out to be quite fast in finding the wine.

"Want to try it?" Ye Chen asked Chu Yinxu, he wanted to know if Chu Yinxu was willing to try it.

"Can I try it?" Chu Yinxu asked Ye Chen, she didn't think that she could try it.

"This is it for you" Ye Chen said to Chu Yinxu, he gave it to Chu Yinxu.

Chu Yinxu accepted this, she accepted this and tried it directly.

"slurp . . ." Chu Yinxu started to take a sip, when she tried it, she felt a sweet feeling and made her feel so happy, a feeling that was so good and made Chu Yinxu feel so happy.

"this is so good" Chu Yinxu said to Ye Chen, she told Ye Chen that it was so good and she liked the taste of the thing.

"Really, this feels really comfortable. To be honest, I'm also very happy with this," Ye Chen said to Chu Yinxu.

Ye Chen also felt the same way so he knew what Chu Yinxu felt.

"If you sell it, I think there will be many people who will be willing to pay for it," Chu Yinxu said.

Chu Yinxu felt that this would sell quite a lot, that was because the taste made people feel very happy.

"You are absolutely right, I will research and make a better one" Ye Chen said that he would make something better than this.

That way, Ye Chen could get enough profound crystals for himself to use.

"let's go back to the ancient forest" Ye Chen said to Chu Yinxu.

He invited Chu Yinxu to return to the ancient forest.

Chu Yuechan and the others should be waiting for Ye Chen and they might be very worried about Ye Chen's condition and circumstances.

"Come on" Chu Yinxu agreed, she immediately followed Ye Chen and the two of them went straight back to the ancient forest.

Chu Yinxu led Ye Chen inside, this time she guided Ye Chen into the fairy city

With help from Chu Yinxu, Ye Chen was finally able to enter so easily.

"I will come with you" Chu Yinxu said to Ye Chen, she entered the fairy gate and followed Ye Chen.

"alright" Chu Yinxu forced her way in, so Ye Chen had no choice but to let her be.

Ye Chen started to enter, first he looked for the whereabouts of Chu Yuechan and the others.

lightsNovel "Where did he go, we searched and didn't find him?" Chu Ning'er and Chu Yelan were getting bored looking for Ye Chen, they still couldn't find Ye Chen's whereabouts.

"Where is he now, why can't we find him?" Chu Yuechan thought, where is Ye Chen now.

"Don't let him be eaten by a monster" said Chu Ning'er.

"Don't say strange things like that, he is a great person, there is no way he would experience something like that said Chu Yuechan.

"sorry" Chu Ning'er apologized, she apologized to Chu Yuechan and decided to look for Ye Chen again.

"We've asked the person in charge of this place and she doesn't know about the master, where do you think he is now??" Chu Yelan asked Chu Yuechan.

"I can't feel it" Chu Yuechan said that she couldn't feel Ye Chen's existence.

If only she could sense Ye Chen's presence, she might be able to easily find him.

"What should we do now?" Chu Ning'er tried to look for Ye Chen and didn't know what she should do now.

"We must continue to look for it and must not give up," said Chu Yuechan.

"Why don't we go back first, maybe he's already in town" said Chu Yelan.

Chu Yelan felt that Ye Chen might have entered.

"I agree, we'll go back to city" Chu Ning'er agreed, maybe Ye Chen had already entered.

"If you really say that" Chu Yuechan joined in.

with that they all returned to the fairy city.

Ye Chen went inside with help from Chu Yinxu.

By using the help provided by Chu Yinxu, Ye Chen was able to get in very easily and had no problems getting in.

"You seem quite familiar with this place" Ye Chen said to Chu Yinxu.

"Of course, I'm quite familiar with this place." Chu Yinxu said that she was indeed familiar with this place.

"This is the residence I used to live in, of course I'm familiar with it.

"Why do you live in the forest?" Ye Chen wanted to know the reason why Chu Yinxu lived in the forest.

"I don't have a special reason, I just want to live there because it's so peaceful" Chu Yinxu said to Ye Chen, she told Ye Chen why she lived there.

"It looks like you don't want to talk about that problem" said Ye Chen.

"I'm sorry" Chu Yinxu apologized to Ye Chen.

Chapter 2880 Fairy City

"It's okay, if you don't want to talk about it" Ye Chen didn't mind this, if Chu Yinxu didn't want to, Ye Chen wouldn't be able to force Chu Yinxu to talk.

"Thank you very much" Chu Yinxu was happy that Ye Chen understood so much about her.

Ye Chen and Chu Yinxu wandered around, they both enjoyed walking around this place and seeing what was in this place.

Ye Chen also tried to look for Chu Yuechan, he wanted to know where they were and why they weren't looking for Ye Chen.

Ye Chen walked around for a while, after walking around for a while, Ye Chen finally met Chu Yuechan's group, they seemed to be looking for him and looking in every corner.

"So they are looking for me, it seems they are quite worried about me" Ye Chen saw that Chu Yuechan and the others were worried.

"Who do you mean" Chu Yinxu listened to what Ye Chen said, she asked who Ye Chen was referring to.

"They" Ye Chen pointed towards Chu Yuechan, Chu Yelan and Chu Ning'er.

"That's very true, to be honest I'm not too happy about it" Chu Yelan said to Ye Chen, she wasn't too happy about it either and wanted to leave this place.

"That's absolutely true, I heard that there are some people missing too" Chu Ning'er said.

"Be careful, if you are found, we could become fugitives, I heard that this place doesn't accept humans," said Chu Yelan.

"Why don't you tell me, it's really troublesome" said Ye Chen.

"it can't be helped" they said to Ye Chen, that was what was happening and they couldn't do anything about the problem.

"If it's like this, I have to hide myself well" If the situation is like this, Ye Chen has to hide himself well.
