

## **True God 2881**

### Chapter 2881 Chu Yinxu's Problem

Chu Yinxu came out, she showed herself to everyone.

Chu Yuechan, Chu Yelan and Chu Ning'er were shocked when they saw Chu Yinxu come out, they saw one of the noble fairy members in front of them and it shocked them.

They could know Chu Yinxu's status, a fairy with more wings would be much stronger than a normal one, so it wasn't strange that Chu Yinxu's status could easily be known by Chu Yuechan, Chu Ning'er and Chu Yelan.

"What is he doing, master, what does this mean" Chu Yuechan immediately asked Ye Chen, she needed an explanation from Ye Chen, otherwise Chu Yuechan wouldn't be able to calm down.

"Yuechan, calm down" Ye Chen told Chu Yuechan to be calmer, Chu Yuechan strangled him hard.

"How could I possibly be calm" Chu Yuechan said that she couldn't calm down, she told Ye Chen to explain more clearly.

Ye Chen had no choice, he could only explain to Chu Yuechan about what happened.

"let me explain it to you guys" Chu Yinxu said to Chu Yuechan, she would explain what happened to all of them.

Chu Yuechan, Chu Yelan and Chu Ning'er listened to Chu Yinxu's explanation, they listened to stories from Chu Yinxu.

Chu Yinxu told them about their first meeting with Ye Chen, she told them what happened to Ye Chen.

"master, you, how could you do something like that to a high ranking pure Fairy, if they knew about this, they would hunt you down" Chu Yuechan said to Ye Chen.

"There's no choice, I can't beat her any way I can" said Ye Chen.

Ye Chen said that he couldn't beat Chu Yinxu with normal means so this was the only thing Ye Chen could do.

Ye Chen got a lecture from Chu Yuechan, he could only listen to it helplessly.

"Puchi . . ." Chu Yinxu smiled when she saw what happened to Ye Chen, it was really fun to see what happened to Ye Chen.

"may I ask you" Chu Yelan asked Chu Yinxu.

"What are you doing in the forest?" Chu Yinxu asked Chu Yinxu, she wanted to know what Chu Yinxu was doing in the forest.

"That's right, what are you doing there?" Chu Ning'er was also curious about it.

"Actually, I was there because I was in exile, to be honest, what happened to the city made me dizzy," said Chu Yinxu.

"Why are you dizzy?" Ye Chen said to Chu Yinxu.

"That's because they always fight for power and it's very troublesome for royal members like me" Chu Yinxu said to Ye Chen.

"What's actually the problem here, why don't you explain it more clearly to us" Chu Yuechan wanted to know what was happening, she wanted to know why this situation could happen.

"That's absolutely true, as long as you are willing to explain it, we can provide assistance to you" Ye Chen agreed, they didn't know the situation, if they knew this, they could help.

"The story is a bit long, actually the beginning of all this is when discussing the future of the fairy city, you may not know that the fairy race is experiencing problems in terms of resources, supplies are running low and we have to do something.

"Finally there was a meeting to discuss this issue, the first meeting was to discuss the issue of connecting with the outside world and humans for the future, but there were some people who rejected this, those who refused did not believe in humans, so they rejected this," said Chu Yinxu.

All of this created divisions and ultimately a struggle for power occurred and this continues to this day, the existing noble families do not want to give up and are involved in this problem.

"Even I had to go, the problem was that the situation was getting worse and I was forced to leave because I couldn't deal with the existing problems," said Chu Yinxu.

"You could say you are running away from responsibility" said Ye Chen.

Ye Chen understands, Chu Yinxu ran away from responsibility.

"It's not like that" Chu Yinxu said to Ye Chen, she didn't mean to do that.

"am I wrong ?" Ye Chen said to Chu Yinxu.

lightsNovel "It's not wrong either, but I'm not running away, you have to listen to me," Chu Yinxu said.

Chu Yinxu said that he was not running away, she just needed a moment to calm down and make a decision.

Right now she was looking for answers to the fairy race's problems.

"so this is a matter of trust" Ye Chen said to Chu Yinxu.lightsnovel

"That's absolutely true, this is a matter of trust, they obviously don't trust humans," said Chu Yinxu.

"why the reason" Ye Chen asked Chu Yinxu.

"Maybe because humans are targeting us and want to take us," said Chu Yinxu.

Chu Yinxu explains why people have difficulty trusting humans.

"So it's like that, then we just need to make them believe in humans" Chu Yuechan said.

"Is that possible to do?" Chu Yelan asked Chu Yuechan.

"It might be possible, we have to be confident" Chu Yuechan said to Chu Yelan.

"I'm not too sure about that" Chu Yelan said that she didn't really believe about this matter.

"Don't worry, everything will definitely be fine" Chu Ning'er said.

Chu Ning'er believed that all problems could be solved.

"That's absolutely true, all problems can definitely be solved easily" Ye Chen said to Chu Yinxu.

"can you help me" Chu Yinxu asked Ye Chen, he wanted to know if Ye Chen could provide help.

"of course, I can help you" Ye Chen can help Chu Yinxu, he will help Chu Yinxu overcome this problem.

"Seriously" Chu Yinxu didn't believe that Ye Chen would help her solve this problem.

"Of course, I can seriously help you" Ye Chen said that he could help Chu Yinxu.

Chu Yinxu was really happy about this, she was so happy that Ye Chen could help her.

"I'm so happy," Chu Yinxu said.

she felt happy and wanted to cry.

"Calm yourself, don't cry" Ye Chen said to Chu Yinxu.

He told Chu Yinxu not to cry.

"Hey, calm down, I didn't mean it like that" Ye Chen said to Chu Yinxu.

He made Chu Yinxu calm down and not cry, it was like Ye Chen did something evil and cruel to Chu Yinxu.

"I'm not crying, I'm very happy," said Chu Yinxu.

Chu Yinxu felt very happy, she was very happy with what Ye Chen was doing.

"But what can we do?" Chu Yelan asked Ye Chen what they could do in a situation like this.

"How about we start helping them and see what shortcomings they have" said Ye Chen.

Ye Chen would probably find out about what shortcomings they had, that way they could know what to do next.

"hmmm, not bad either, we agree" Chu Yuechan, Chu Yelan and Chu Ning'er agreed.

"so do you know what problems the fairy race has" said Ye Chen.

Ye Chen asked Chu Yinxu.

"Right now we are short of herbs and profound crystals, there are very few workers and most people are more focused on cultivating and ignoring this problem," said Chu Yinxu.

"So that's how it is, they focus more on one side and throw away the other side" said Ye Chen.

This is a problem, without resources, they cannot cultivate, unfortunately they become so lazy and only focus on cultivation and ignore everything else.

Chapter 2882 Helped Chu Yinxu

"If this is the case, the main focus we have to do is change them, if we don't do that, we won't be able to change them" Ye Chen said to Chu Yinxu.

"how to change them?" Chu Yinxu asked Ye Chen.

"It's very easy, we start by making them know the importance of other resources, first we will buy all the herbs and pills, after doing that, we can start to sell them at a higher price".

Ye Chen took advantage of market inflation, if what Chu Yinxu said was true, then he could do it.

"Apart from that, we also have to make their relationship with humans good, that's why I had the idea to do business," said Ye Chen

"How do you do that, you can't even leave this place yourself?" Chu Yuechan said to Ye Chen.

"Very easy, we will use her" Ye Chen said that they could use Chu Yinxu.

"I?" Chu Yinxu didn't expect that Ye Chen would point at her.

"Of course, I want you to cooperate with us" Ye Chen said to Chu Yinxu.

"Are you sure it will work?" Chu Yinxu asked Ye Chen again.

"You just trust me, I'm very sure that this will work very well" Ye Chen said, he told her that this would work very well.

"Then let's start I will wait here" Ye Chen said to Chu Yinxu.

"You're not coming?" Chu Ning'er asked Ye Chen.

"Didn't you say that humans can't be here, so for now I will stay in this place until you are finished" said Ye Chen.

"we have to do it, we have no choice but to do it" Chu Yuechan said to everyone.

Ye Chen wouldn't be able to move, so now Chu Yuechan and the others had to move and do their best.

Chu Yuechan and the others used Ye Chen's savings, this might be hard, but they had to do this to help Chu Yinxu.

Let's just say that this is a payment for cooperating with the fairy race, it will definitely be profitable for Ye Chen in the future.

"This will definitely be very profitable for me" Ye Chen believes that this will all be very profitable for him.

He was so sure that it would be very beneficial to cooperate with Chu Yinxu.

"then let's start quickly" With that they started quickly, Chu Yuechan and the others started, meanwhile Chu Yinxu used all her savings to help Ye Chen.

It could be said that this was sponsorship from Ye Chen, Ye Chen and Chu Yinxu provided sponsorship for Chu Yuechan to carry out their action.

lightsNovel They quickly bought all the things inside the fairy city, it only took them less than 1 day to buy all the things.

"You guys are pretty fast too" Chu Yinxu said to Chu Yuechan, Chu Ning'er and Chu Yelan.

"it's quite easy to do, they gave us everything according to our wishes" all too easy to do.

"So you guys are settled, then this is the time to wait for the market to become chaotic" Ye Chen said to Chu Yinxu.

"Chu Yinxu, it's your turn, you have to sell all of that and tell everyone that it was obtained from the outside world, that's to make the people who are against change their minds" said Ye Chen.

"Oh, I see, so it was like that, I didn't expect that you would be so smart" Chu Yinxu said.

"I'm not stupid, don't say strange things" Ye Chen said to Chu Yinxu.

"hehehehe, I'm sorry" Chu Yinxu apologized, she knew Ye Chen's plan.

"Is it okay that you came back so suddenly" Chu Ning'er said to Chu Yinxu.

"It doesn't matter, I will appear when there is a riot, that is the right time" Chu Yinxu said.

"Um. . ., not bad" Chu Yuechan said, it is not bad and can work very well.lightsnovel

"Then we can start, I hope you are ready" Ye Chen said to everyone.

The plan began three days later when the city became completely chaotic by what happened.

Because the quantity of medicine was very scarce and the price had risen by 500%, all the fairies started to get angry and uncontrollable, they started to get angry with what was happening now.

They demanded to immediately give them the pills and herbs they needed for practice.

It's a shame they really don't have any because all the stock has run out and it is estimated that it will recover in a few hundred years.

Chu Yuechan and Chu Yinxu didn't mess around with what they did, they bought everything until there was nothing left and Ye Chen could take advantage of this to sell some of his pills so as not to make a loss.

"the situation is already very good, it is time for Chu Yinxu to get out" the situation is already chaotic, now it is a situation to get out.

"You all, what's wrong, why are you all being so noisy?" Chu Yinxu really came out, everyone looked towards Chu Yinxu.

They saw the figure of the pure fairy Chu Yinxu, who was such a respected first-rate aristocratic family.

They heard that Chu Yinxu was in seclusion, it seemed like she had gone out and met everyone.

"Miss Chu Yinxu, the situation is bad, can you help us" they said to Chu Yinxu.

"Tell me what happened" Chu Yinxu pretended not to know about what happened, even though she knew and she was one of the people who planned this with Ye Chen.

"she did very well" Ye Chen said to Chu Yuechan.

"That's right, she did it so well" Chu Yuechan also agreed, it seemed like they would succeed.

"It would be easy to influence lower class people, but what about high class fairies, they won't be easily believed.

"That's true, that's one of the problems we have, getting them to follow us is quite a difficult thing to do.

"They are starting to be alert, I feel that we are being watched" Chu Ning'er said to Ye Chen, she told him that they were most likely being watched.

"I also feel the same way, we are being watched by them, to be honest this might be quite troublesome" said Ye Chen.

Ye Chen, Chu Yuechan, Chu Yelan and Chu Ning'er watched Chu Yinxu from afar, they would help if the situation was bad.

"This is really too bad, you guys should probably start planting your own" said Chu Yinxu.

"it's impossible" they won't be able to do that, it's impossible for them to plant alone.

"That's right, we don't have time" they said to Chu Yinxu.

"That's the problem, you guys are too busy, you should manage your time better" Chu Yinxu said.

Chu Yinxu gave them an explanation, she told them to manage their time better.

"If you don't want to do that, we can cooperate with the outside world, if you really don't want to," said Chu Yinxu.

"that's not possible . . ." some people still refused, they still rejected Chu Yinxu's suggestion.

"If you guys don't want to, then you can enjoy this situation a little longer, good luck, I have no way" Chu Yinxu said.

Chu Yinxu knew that now was not the right time to do so, she would stall for more time.

"There are still those who refuse, that's a problem for us," said Ye Chen.

Ye Chen saw that if there were still some who refused and that would be a problem for them.

"But it doesn't matter, let time make them change" Ye Chen said that soon they would change their minds.

Chapter 2883 Chu Quexi

"Because the situation was not yet according to Ye Chen and Chu Yinxu's wishes, they had to wait and the situation became even more chaotic.

The situation started to become chaotic after some time, they all started not knowing what to do, even the powerful royal family, was also confused by this.

.

.

Currently the nobles of the fairy race were gathering, they were all gathered to discuss what happened.

If it continues like this they won't be able to survive.

"the situation is starting to get bad, what should we do, do we have to do cooperation with humans outside and other races" one of them said to do cooperation, it was because their situation was quite bad.

"I don't want to" there were several parties who refused, they refused to cooperate and one of them was a big man with the number 1 power in the entire fairy city.

This person is a woman, she has a pretty pretty face with beautiful green hair and shining eyes.

Her body is obviously very good, this is the type of milf who is so strong and so seductive, in terms of physique alone, she can be said to be very good and also has wings like Chu Yinxu and is a 1st class fairy who is so great and also strong.

She is a pure fairy who is really unhappy with humans for having bad experiences.

"Miss Chu Quexi you have to consider our current situation" she said to consider their situation, otherwise the city would become chaotic.

"That's absolutely right" several people persuaded Chu Quexi to change her mind.

"I won't change my mind." Chu Quexi said that she wouldn't change her mind.

"that's true, you guys, it's best to stop there, and don't force her" a female said that they can't force Chu Quexi.

she was one of the most trusted people in Chu Quexi's camp, this was Chu Luima, she was the highest ranking person in Chu Quexi's camp.

Everyone was helpless when listening to Chu Quexi, Chu Quexi's status was quite high and they couldn't fight against her.

if only Chu Yinxu were here, they would have no problem exerting pressure.

It was a pity that Chu Yinxu wasn't there, it made their position quite bad.

"I will overcome this problem" Chu Quexi said that she will overcome this problem with everyone there.

"You all just need to stay here." Chu Quexi said seriously, she seemed quite confident in gaining complete victory in this matter.

With that Chu Quexi left this place, she left and left everyone who saw her go.

This meeting had no results, they could only sigh when this happened.

.

.

After everything got underway, Chu Yinxu started selling the herbs and pills she had bought.

With that she sold for well below market prices and made some people ask about where she got this from.

"I just went out and got this from the outside world." Chu Yinxu said that she had just gotten this from the outside world and was going to sell it.

There are still some people who reject this and don't want to buy it.

"I didn't bring much," Chu Yinxu said.

"let me buy it" they needed it and started fighting over it, in no time it was all gone and Chu Yinxu had to go and apologize to everyone.

"Miss Chu Yinxu, please help us" they asked Chu Yinxu for help.

"Of course, I will help as best I can, but I ask for your help as well," Chu Yinxu said.

"Fine" they would gladly help Chu Yinxu too.

After that Chu Yinxu walked to Ye Chen's place.

"It seems like it's starting to work, they're starting to accept it," said Chu Yinxu.

"That's right, they are starting to accept it and it looks pretty good" said Ye Chen.

"But this is a little strange?" Chu Yinxu said to Ye Chen.

"Strange?" Ye Chen asked Chu Yinxu.

"That's very true, I feel that the stock on the market is getting thinner and there are no more deliveries, it seems like someone is playing along with us in this matter," said Chu Yinxu.

"so that's it, there are those who join our game and seek profit" Ye Chen saw if there were other parties who joined in.

"what do you think" Chu Yinxu asked Ye Chen.

"There may be noble families participating, but that doesn't matter, as long as we succeed in getting them to change and convince them, we can immediately make the prices normal" said Ye Chen.

"Don't forget that we can take it from the outside world, meanwhile they are just here and closing themselves off" said Ye Chen.

"It looks like it won't be easy to do" Chu Yuechan said to Ye Chen.

Chu Yuechan had just returned and brought Ye Chen some news.

"Yuechan, what do you mean ?" Ye Chen asked Chu Yuechan what she meant.

"outside the guard is increased and there are several teams of fairies on guard, they all won't let people out and in anymore.

"Ouch, that's a problem" Chu Yinxu said.

if that was the case, then Chu Yinxu would be in trouble.

she had to find a reasonable excuse to avoid being suspected, otherwise she would destroy herself.

"Your enemy is quite smart" said Ye Chen.

"That's right, it seems like she won't remain silent about this." Chu Yinxu knew that the other party would not remain silent, especially Chu Quexi.

"who is it, please tell us" Ye Chen said to Yinxu.

"She is Chu Quexi, she is a fairy who is as strong as me, a fairy with such great power and is the strongest fairy in this city and also the land."

"She was the woman who rejected the suggestions I had, that's what got me into trouble because she was much superior to me and had more followers than me."

"she also has bad experiences with humans and doesn't like other races who don't get her permission."

"So that's how it is" Ye Chen understood, he was starting to understand that there was such a powerful opposing party.

"It looks like you have to talk to her" Ye Chen said to Chu Yinxu.

"no, this is a good opportunity, why don't you" Chu Yinxu said to Ye Chen.

"Why me instead" Ye Chen asked Chu Yinxu.

"This is a good opportunity, maybe you can change that woman's mind," Chu Yinxu said.

"That's absolutely true" Chu Yuechan said.

Chu Yuechan completely agreed with what Chu Yinxu said.

This is such a good opportunity for Ye Chen to make Chu Quexi a friend.

"Okay, if that's what you guys want" Ye Chen was going to try it, he also wanted to see who Chu Quexi was.

"where does she live?" Ye Chen asked Chu Yinxu, he will go and see Chu Quexi.

"she lives there" Chu Yinxu pointed to a building that was quite large and quite magnificent.

"It looks like she's a rich woman" said Ye Chen.

"that's true, she is a rich woman" Chu Yinxu said to Ye Chen.

"You have to be quite careful, that woman is not easy to take care of, she has quite a lot of guards too," said Chu Yinxu.

"Okay, I understand" Ye Chen understood, she would go straight there and talk to her directly.

"master, be careful" Chu Yuechan said to Ye Chen, she told Ye Chen to be careful.

"Thank you for the warning, I'll go" Ye Chen left and headed straight to Chu Quexi's place.

Chu Quexi's house was quite large and filled with so many guards, it was almost impossible to enter here and sneak in normally.

Chapter 2884 Saw Chu Quexi Who Had Just Finished Showering

Ye Chen didn't go inside immediately, he wandered around outside for a while and looked at what was around.

Because this place is so spacious, Ye Chen can do everything he wants in this place, he really enjoys being in this place.

"Such a nice place, I think is a first class noble" Ye Chen felt that Chu Quexi was quite a great person.

This place can be said to be the best, nothing can beat this place in the whole city.

Because Ye Chen used the invisible ability, he could enter all places so easily without any problems.

Not a single guard could see Ye Chen, Ye Chen walked around them like nothing had happened.

This place was so wide and Ye Chen needed time to walk around this place.

"I didn't expect this place to be so spacious, Chu Quexi's taste is so good," said Ye Chen.

Ye Chen continued walking and checking every room, he found out what Chu Quexi had.

Maybe Ye Chen could find something interesting from Chu Quexi.

"Is it possible she's hiding something?" Ye Chen thought that Chu Quexi might be hiding something, and that made Chu Quexi curious.

Ye Chen finally searched all the rooms, he hoped to find something nearby.

Ye Chen walked around and didn't find anything strange, everything was very normal and Chu Quexi didn't hide anything strange.

"There is nothing wrong in this place, it seems I was expecting too much" said Ye Chen.

Ye Chen might be expecting too much, even though there was nothing wrong in this place and Chu Quexi was not hiding anything strange around this place.

lightsNovel Because Ye Chen didn't find anything strange, Ye Chen decided to just give up.

After Ye Chen gave up, he went to a deeper place, it should be a private place owned by Chu Quexi.

Ye Chen arrived in Chu Quexi's room.

Ye Chen arrived at a room that was very beautiful and very luxurious.

A room like this could only be owned by a young lady who was so rich.

Everything seemed normal here too, there was nothing strange about this place.

When Ye Chen had just arrived inside Chu Quexi, he heard a fairly small sound coming from a room connected to this room.

"Splashing" a sound of water came from the room and Ye Chen knew that Chu Quexi was probably inside.

"So she's in there" Ye Chen saw that Chu Quexi was in there and made Ye Chen want to see her.

"click . ." just as Ye Chen wanted to take a peek, he heard the door being opened.

Ye Chen knew that Chu Quexi was going to come out, and he had to hide quickly.

Ye Chen decided to hide, he wanted to see Chu Quexi's figure directly.

Chu Quexi entered the room, she was completely unaware of Ye Chen's existence, Ye Chen hid himself very well.

It could be said that no one could find Ye Chen, it was almost impossible to find Ye Chen's whereabouts now.

Ye Chen saw the figure of a beautiful woman who had just entered, this woman was using a towel to cover her body, her hair was green and it looked wet with water.

Her very well developed body made Ye Chen look away and couldn't take his attention away from this woman.

Especially the double peak part looked good and Ye Chen felt that he wanted to touch it.

From a glance, it was certain that this woman had just finished showering, she had just washed herself and her appearance was very sexy.

"He's pretty good too, is this the enemy I'm going to face, it seems a little troublesome" Ye Chen might have trouble facing Chu Quexi.

It would be quite a serious problem when Chu Quexi used her body to tease Ye Chen.lightsnovel

It seemed like that wouldn't happen, Ye Chen was aware that Chu Quexi had problems with humans and she wouldn't possibly do that.

The biggest possibility that would happen was that Chu Quexi would immediately attack Ye Chen, she would definitely attack Ye Chen immediately if she knew Ye Chen was in this place.

Ye Chen was 100% sure of that, the possibility of Chu Quexi not attacking Ye Chen was 0%.

Chu Quexi opened the towel wrapped around her body, a mature and beautiful body was in front of Ye Chen.

Chu Quexi looked in the mirror and saw her beautiful body.

"Umu, it's so beautiful, at my current age, I'm still beautiful." Chu Quexi felt that she was still beautiful.

Chu Quexi started making several beautiful poses, she made such beautiful poses in front of Ye Chen.

Ye Chen was so excited when he saw what was in front of him.

Ye Chen was so grateful for what was before his eyes.

He could enjoy the scenery in front of his eyes so freely and he was so happy about this.

Chu Quexi seemed to like her beauty, that's why she posed like that, she wanted to see her.

An extraordinary beauty, Ye Chen would obviously be excited when he saw this.

When Ye Chen was caught off guard by the sight before his eyes, he felt something under his feet.

A vine started to catch Ye Chen.

"a trap, why didn't I know" Ye Chen didn't know there was a trap in this place, to be honest he didn't feel there was a trap until now.

Chu Quexi was still focused on herself, when she was focusing on herself, she saw that there was something behind her.

"What ? ? ?" Chu Quexi took a look, she wanted to see what it was.

It was a trap set for outsiders and so hidden, it used a movement system to find people.

so if someone is hiding, then the plant will easily find Ye Chen's whereabouts.

Ye Chen's entire body had been captured by the plant, now Ye Chen was trapped there.

On the other hand, Chu Quexi couldn't see Ye Chen, so she still didn't know what the plant was doing.

"Don't tell me that" Chu Quexi finally realized what had happened, she threw two ice needles towards Ye Chen.

Ye Chen saw that Chu Quexi was starting to attack, he had to do something about this.

Ye Chen used his strength to block Chu Quexi's attack.

He moved and parried the attack launched by Chu Quexi.

The attack launched by Chu Quexi was blocked by Ye Chen, after which Ye Chen showed himself in front of Chu Quexi.

Chu Quexi panicked, she hurriedly hid herself using everything around her.

She had just shown her beautiful body in front of Ye Chen and it felt so embarrassing.

"Human, how did you get into this place" Chu Quexi said to Ye Chen, how did Ye Chen get into this place, it was a very difficult thing to think about.

"I'm lost" Ye Chen said to Chu Quexi.

Ye Chen looked for a reasonable reason.

"Do you think that I will believe what you say?" Chu Quexi didn't believe what Ye Chen said, she didn't believe what Ye Chen said at all.

"Won't you believe what I say?" Ye Chen said to Chu Quexi.

Chapter 2885 that's because you are so beautiful

"so you don't believe what I say" Ye Chen said to Chu Quexi.

"what fool would believe what you say, this place is full of guardians who are so strong and so great, there is no way that an ordinary person will be able to enter easily" said Chu Quexi.

Chu Quexi believed that this place was very safe, because she had hired so many bodyguards, so there was no chance for anyone to sneak in.

It was clear that Ye Chen went inside on purpose and wanted to do something bad.

Plus Ye Chen saw Chu Quexi.

There was no way Chu Quexi would just let Ye Chen go.

"do you have any last words" Chu Quexi said to Ye Chen.

"No, I don't have it" Ye Chen answered quite innocently.

"Then die" Chu Quexi said to Ye Chen, she attacked Ye Chen using an ice sword similar to the one used by Chu Yuechan.

"Blink. ." Ye Chen avoided the attack before it hit him.

"what?, how is that possible?" Chu Quexi was quite surprised when she saw Ye Chen dodge her attack, Ye Chen should not have been able to dodge her attack.

Ye Chen was trapped and shouldn't have been able to leave, it should have been hit.

"You are quite fierce" Ye Chen said to Chu Quexi.

"Shut up, I don't need your nonsense," said Chu Quexi.

Chu Quexi said that she didn't need Ye Chen's nonsense.

Chu Quexi didn't need a thief commenting on her.

"I came to this place in peace" Ye Chen said to Chu Quexi.

"Do you think I will believe that nonsense" said Chu Quexi.

"I'm serious, I came to talk to you" Ye Chen seriously wanted to talk to Chu Quexi.

Chu Quexi attacked Ye Chen again, she aimed at Ye Chen using a flying ice sword.

Ye Chen continued to dodge, he made sure not to be hit by Chu Quexi's attack.

Chu Quexi's attack made the entire room covered with ice. If it was hit by Chu Quexi's ice sword, it was certain that someone would turn into an ice statue.

"calm down, you could hurt someone" Ye Chen said to Chu Quexi.

Chu Quexi didn't care about that, she wanted to kill Ye Chen.

It's a pity that Ye Chen is so agile, he is so agile and can't be caught by Chu Quexi's ice sword.

"Why didn't it hit?" Chu Quexi didn't understand why her attack didn't hit Ye Chen.

These attacks should have been able to defeat Ye Chen, but Ye Chen avoided them all well.

The two of them fought for approximately 5 minutes, and Ye Chen was still in good condition.

"Impossible. . ." Chu Quexi didn't believe that Ye Chen could survive so well.

"I'm tired and give up" Ye Chen said to Chu Quexi.

"I haven't given up yet" Chu Quexi said to Ye Chen

"Come on, you have to listen to me" Ye Chen said to Chu Quexi.

From the start Ye Chen didn't want to fight against Chu Quexi.

That was why he did not attack Chu Quexi.

"I want to know what your purpose is for sneaking into my place" Chu Quexi said.

"How many times have I told you, I want to talk to you" Ye Chen said to Chu Quexi.

"You snuck into my place and said you wanted to talk, then why are you in my room?" Chu Quexi asked.

"It wasn't on purpose, who would have thought that this was your room and you were taking a shower" said Ye Chen.

"I also wouldn't have thought that I would see you coming out of the bathroom," said Ye Chen.

Chu Quexi's face was so red when she listened to what Ye Chen said.

Once again Chu Quexi had let Ye Chen see her, and it was so embarrassing.

"I will kill you, I can't let you escape, once you sneak up and see me" Chu Quexi said.

Chu Quexi said that she would not be able to let Ye Chen escape.

"that's because you are so beautiful" Ye Chen said to Chu Quexi.

Ye Chen said that Chu Quexi, that's the reason why he didn't go and kept looking.

"eh?" Chu Quexi was silent for a while, she was quite surprised when she heard what Ye Chen said.

Ye Chen just praised herself as beautiful, for some reason Chu Quexi was happy with that.

"Wait a minute, why am I happy to be praised by this person?" Chu Quexi didn't understand why she was happy when she was praised by Ye Chen.

Ye Chen was her enemy, she shouldn't be happy when she received praise from Ye Chen.

"Boom. . . ." Chu Quexi came back to her senses and surrendered to Ye Chen, the attack this time was much stronger and more terrifying compared to before.

This room was destroyed when it received Chu Quexi's attack.

That proved that Chu Quexi's strength was very strong.

Ye Chen avoided Chu Quexi's attack.

It would be troublesome if he was caught by Chu Quexi.

"It looks like I won't be able to persuade her" Ye Chen knew that he wouldn't be able to persuade Chu Quexi.

Maybe he should find another time, right now Chu Quexi's emotions were out of control, so this was quite risky for Ye Chen.

"Miss, is there an intruder?" The guards started to come, they were obviously going to come straight away when they heard the big explosion made by Chu Quexi.

"such bad timing, we will talk another time, I hope you won't forget me" Ye Chen said to Chu Quexi.

After saying this to Chu Quexi, Ye Chen disappeared from this place.

"Where is he going?" Chu Quexi didn't find Ye Chen's whereabouts, she didn't find Ye Chen anywhere around.

Chu Quexi knew that Ye Chen was gone and it was no longer possible to chase Ye Chen.

"He ran away?" Chu Quexi realized that Ye Chen had escaped from this place.

Chu Quexi hurriedly put on her clothes, she put on her clothes in a hurry so they were a little shabby in some parts.

A few moments later the guards came towards Chu Quexi, they immediately asked what happened.

"There was an intruder who came in here just now," Chu Quexi said to the guard.

"forgive us" they apologized to Chu Quexi.

They let someone into Chu Quexi's place.

"It's not your fault, that person is so skilled and has strange abilities," said Chu Quexi.

Chu Quexi knew that Ye Chen was so powerful, it wasn't strange that he was able to cause the entire guard trouble.

This is all not their fault, this is Ye Chen's fault and they don't need to be responsible about this matter.

"You all immediately make wanted posters, I want you to capture that person alive" Chu Quexi gave the order.

Chu Quexi wanted to catch Ye Chen, she wanted to catch Ye Chen and give Ye Chen something that would not be forgotten.

"They all understood, they all immediately went and got a facial sketch from Ye Chen.

Ye Chen returned to the inn, it seemed like Ye Chen had failed to persuade Chu Quexi.

"how ?" Chu Yinxu asked Ye Chen, she wanted to know Ye Chen's results.

"failed" Ye Chen told her that he had failed.

"So you didn't succeed" Chu Yinxu said to Ye Chen, Chu Yinxu had expected that this would be difficult to do, so she wouldn't blame Ye Chen too much about this matter.

"I'll try again later, so there's no need to worry" said Ye Chen.

Ye Chen might fail, but he would try one more time, he couldn't afford to lose in this way.

Chapter 2886 Unexpected Scenario

Some time later, there were so many people looking for Ye Chen's whereabouts, they were all looking for Ye Chen's whereabouts.

Even posters of Ye Chen were all over the city and he became the most wanted person.

"It seems like you have been discovered" Chu Yuechan said.

Chu Yuechan could see Ye Chen's face in every corner, Ye Chen was now a fugitive and it would be very difficult to move.

"I thought so" Ye Chen had expected this, he would definitely be hunted down by all the fairies in this city because of what had just happened.

Now he was searched all over the city and there was no longer any place for Ye Chen to hide.

"what are you going to do next ?" Chu Yinxu said to Ye Chen.

"Hmmm . . ." Ye Chen thought for a while, he thought about what he would do next.

Ye Chen thought of a good place to hide for a while.

"I think I know what I have to do" said Ye Chen.

Ye Chen knew what he had to do next, he would go to a safe place.

"I'll go, take good care of yourselves" Ye Chen said to Chu Yuechan and Chu Yinxu.

"What's wrong with him, where is he going?" Chu Yinxu didn't really understand Ye Chen, to be honest she didn't really understand what Ye Chen was trying to do.

What Ye Chen did was so mysterious and difficult for Chu Yinxu to understand.

"He has his own plans, it's best not to think about it," Chu Yuechan said to Chu Yinxu.

Ye Chen would survive in his own way, so Chu Yuechan didn't need to think about it.

"We focus on what we are doing, we are still being watched too," said Chu Yuechan.

Chu Yuechan told Chu Yinxu that they were currently being watched and had to be careful in making things and decisions.

"I understand" Chu Yinxu understood, she also had problems and had to solve them too, she had to convince everyone present so that everything would run smoothly.

Ye Chen looked for a safe place to hide for the time being, he didn't want to bother Chu Yuechan and Chu Yinxu.

Ye Chen was quite confident in his abilities, he could hide here.

Ye Chen chose to hide around Chu Quexi's place, he hid here because this place was so safe and they wouldn't notice.

Ye Chen wanted to keep an eye on Chu Quexi and confirm what was planned, that was one of the things Ye Chen had to do right now.

Chu Quexi sent more people to look for Ye Chen who was now outside, she did this to find Ye Chen's whereabouts.

Chu Quexi didn't know that Ye Chen was quite close to Chu Quexi.

And they were only a few tens of meters away.

Ye Chen was more careful, he had made sure not to fall into the same trap a second time.

Honestly, Chu Quexi had several new traps installed, most likely this was because of what had just happened, she would no longer allow Ye Chen to penetrate her defense and set more traps for Ye Chen.

"Now he will no longer dare to come to this place" Chu Quexi was sure that Ye Chen would no longer dare to come to this place.

"Hahahahaha" Ye Chen laughed and smiled when he heard this, it was so funny to see this.

Ye Chen could have shown himself directly in front of Chu Quexi.

But he didn't do that, he didn't do that because it could get him in trouble.

For now, he would look first, he would see what Chu Quexi was doing.lightsnovel

Chu Quexi went to a room specifically for receiving guests, apparently she was going to receive an important guest.

Ye Chen continued to follow Chu Quexi, he made sure not to lose track of Chu Quexi.

Ye Chen saw someone who was waiting for Chu Quexi, this was a woman and she was drinking tea.

Ye Chen didn't know who this was, it seemed like he was an acquaintance and confidant that Chu Quexi had,

This is Chu Luima, one of Chu Quexi's confidants and one of the elf nobles with not weak influence, they are both in the same camp and are currently hostile to humans and other races in the outside world.

"Miss, I heard that a human sneaked into your place" Chu Luima asked Chu Quexi.

"That's true, I didn't expect him to come in, it's surprising," said Chu Quexi.

"That means that person is really great because he can come in," said Chu Luima.

"I'm sure that someone has brought him in," said Chu Quexi.

"So you suspect that someone brought that person, but what is the purpose, there is no benefit in bringing a person into this place," said Chu Luima.

"I don't know what the person's purpose is, I immediately threw him out without knowing the person's purpose," said Chu Quexi.

Chu Quexi didn't know Ye Chen's purpose yet, she wanted to know Ye Chen's purpose, that's why she ordered to capture Ye Chen alive.

"Our situation is getting worse and there are so many people clamoring to find resources for them, it's a shame we don't have any" Chu Luima said to Chu Quexi.

"I understand, we don't have a choice, cooperating with them isn't bad either, we have to gain benefits when cooperating with other races," Chu Quexi said.

Chu Quexi began to consider this matter, if they couldn't control the situation, then there was no other way.

"No, why do you think like that, we have to stick to principles" said Chu Luima.

"We can't do anything about this matter, if the situation gets worse, we won't be able to exert pressure on the people" Chu Quexi said.

Chu Quexi said that they would not be able to apply pressure because it would be very dangerous for the peace of this city.

"So that's how it is" Chu Luima looked very disappointed when they listened to what Chu Quexi said.

It seemed like she couldn't accept it.

"I hope you can accept this," Chu Quexi said to Chu Luima, she hoped that Chu Luima could accept this.

"I understand" Chu Luima understood, she would try to accept this.

Ye Chen listened to what was happening from outside, he could clearly hear the conversation they were having.

"So that was Chu Quexi's decision, it looks like she has changed her mind" Ye Chen saw that Chu Quexi had changed her mind, this was a good opportunity for Ye Chen.

"Thank you for your cooperation," Chu Quexi said.

The conversation was over, it was time for Chu Quexi to leave this place.

Chu Quexi left and intended to leave this place, when she had just left, she was stabbed in the back.

The person who stabbed Chu Quexi was Chu Luima who was behind.

lightsNovel "Eh . . ." Ye Chen was shocked by the development of this situation, he didn't understand what was going on here.

"what happened, aren't they colleagues?" Ye Chen looked and wanted to know what was happening, it seemed like this was much more interesting than the original plan.

This development was far from the scenario that Ye Chen had in mind, clearly Ye Chen would not have thought that Chu Luima would betray Chu Quexi.

"But what is the reason" Ye Chen tried to find the reason why Chu Luima did this.

Chapter 2887 Helped Chu Quexi

"What did you do to me?" Chu Quexi asked Chu Luima.

"I'm sorry, I did this because you can no longer work together," said Chu Luima.

"What do you mean?" Chu Quexi didn't understand what Chu Luima said, she didn't understand what Chu Luima had just said.

"What you are doing is the same as that woman, it will disrupt my business and that of my existing partners," said Chu Luima

If Chu Quexi joined Chu Yinxu and did this, it would be detrimental to the business of Chu Luima and the others.

"What?" Chu Quexi seemed to be starting to understand what was happening, she was starting to understand what was happening here.

"You did all this just because of something like that," Chu Quexi said to Chu Luima.

"Of course, I can't let this matter go, this is a serious problem for me and the family I have," Chu Luima said to Chu Quexi.

"You" Chu Quexi didn't expect that this would happen, she didn't imagine that Chu Luima would do something like this.

Chu Quexi quite trusted Chu Luima, it was unexpected that Chu Quexi's trust would be betrayed by Chu Luima.

"It's a shame that we can't work together anymore, then I'll just make you my puppet by using a slave seal on you," Chu Luima said to Chu Quexi.

"Don't do that" Chu Quexi said to Chu Luima, she told Chu Luima not to do that.

"I have no choice but to do this, you are the one who forced me to do this" Chu Luima said to Chu Quexi.

Chu Quexi closed her eyes, she wanted to fight back, but Chu Luima had caused quite a serious wound and made Chu Quexi unable to put up a fight.

Chu Quexi could only accept her fate, who would have thought that the situation would become like now.

"Bam. . ." When Chu Luima was about to use the slave mark on Chu Quexi, Ye Chen immediately attacked and made her fall.

"Damn" Chu Luima was so angry with what Ye Chen did, she was so angry with what Ye Chen had just done.

"Sorry for disturbing you, I couldn't see any further" Ye Chen said to Chu Luima.

"You . . ." Chu Quexi and Chu Luima looked towards Ye Chen, they didn't expect that Ye Chen would appear.

They were just talking about Ye Chen, and Ye Chen was now in front of them.

"Since when have you been here?" Chu Luima asked Ye Chen.

"I have listened to everything you said" Ye Chen said that he had listened to everything the two of them said.

"Impossible" Chu Luima was completely unaware of Ye Chen's existence.

Ye Chen hid himself so well that he was almost not discovered by them.

Chu Quexi was the same, she was almost unaware of Ye Chen's existence, to be honest she didn't expect Ye Chen to see and listen to their conversation.

"At first I thought I would discover your secret, who would have thought that the situation would turn into what it is now" said Ye Chen.

Ye Chen's initial goal was to find the secret that Chu Luima and Chu Quexi had.

Who would have thought that he would see an absurd drama like this.

"You . . ." Chu Luima saw Ye Chen and she had to get rid of Ye Chen.

Chu Quexi turned her attention away, she didn't dare to look at Ye Chen.

Ye Chen took Chu Quexi, he started to heal Chu Quexi's wounds.

With Ye Chen's skills, he healed Chu Quexi's wounds temporarily.

"Why are you doing this?" Chu Quexi asked Ye Chen, she wanted to know why Ye Chen did this.

"I don't have a reason, I just want to help," Ye Chen said to Chu Quexi.

"Let her go, you must disappear from this world" Chu Luima said to Ye Chen.

Chu Luima attacked Ye Chen, she launched an attack towards Ye Chen.

Chu Luima uses her sword which is coated with the power of lightning, it makes the sword sharper and can cut all kinds of things.

"Be careful, she starts to attack" Chu Quexi said to Ye Chen, she gave Ye Chen a warning to avoid attacks from Chu Luima.lightsnovel

Ye Chen didn't dodge, she hugged Chu Quexi and started to fend off Chu Luima's attacks.

Ye Chen used one hand to block the attack from Chu Luima.

"impossible" said Chu Luima.

Chu Luima didn't expect that Ye Chen would block the attack with one hand.

lightsNovel "clang" with that Chu Luima retreated, she retreated when her attack failed to hit Ye Chen.

"Just give up" Ye Chen said to Chu Luima.

"Hahahaha, give up, are you kidding me" Chu Luima said.

Chu Luima laughed when she listened to what Ye Chen said, she really laughed at what Ye Chen said because she told herself to give up.

"I haven't even shown all the strength and abilities I have," said Chu Luima.

Chu Luima will show her abilities, her will destroy Ye Chen.

"Thunder Dragon" Chu Luima used lightning, she used lightning to deal with Ye Chen.

A lightning dragon appeared, this dragon was quite large with a length of about 15 meters and a body slightly bigger than a car.

"Destroy" Chu Luima said to Ye Chen, she immediately made the lightning dragon attack Ye Chen.

"Looks like I have to show the strength I have" Ye Chen said to Chu Luima.

With that Ye Chen started to use the power he had.

Ye Chen's pressure was so strong, it made Chu Quexi who was near Ye Chen shocked.

"You have this kind of strength" Chu Quexi didn't expect that Ye Chen would have this kind of strength.

"I will finish this quickly" Ye Chen told Chu Quexi.

he would finish this quickly.

"Um" Chu Quexi just nodded to Ye Chen, she was quite confident that Ye Chen would be able to resolve this problem with Ye Chen.

Ye Chen used the God Thunder Armor, he immediately destroyed the lightning dragon using his lightning armor.

"Boom. . ." an explosion occurs when two bolts of lightning meet.

"Be destroyed" Chu Luima said to Ye Chen.

"It's not that easy" Ye Chen said to Chu Luima.

Ye Chen appeared, he immediately stretched out his hand and immediately caught Chu Luima's neck.

"cough. ." Chu Luima couldn't breathe, Ye Chen was holding her so tightly.

"want to kill me, know your place" Ye Chen said to Chu Luima.

"damn . . ." Chu Luima cursed Ye Chen, she tried to fight to get away from Ye Chen.

The more Chu Luima tried to break free, Ye Chen used more strength in his grip.

This of course made Chu Luima feel sick, she felt pain because of Ye Chen.

"stop, don't do that" seeing Chu Luima in pain, Chu Quexi said to Ye Chen.

"What's wrong?, Don't you want to destroy it?" Ye Chen said to Chu Quexi.

"No, don't do that" Chu Quexi said to Ye Chen, she didn't want to destroy Chu Luima.

"aren't you too kind" said Ye Chen.

"It doesn't matter, I have already decided on a suitable punishment for her," said Chu Quexi.

Chu Quexi said that she had already chosen a suitable punishment for Chu Luima.

Chapter 2888 Chu Quexi and Chu Yinxu met

"if that's what you want, I will respect the decision you have" Ye Chen will respect the decision taken by Chu Quexi.

Ye Chen helped heal Chu Quexi, he healed Chu Quexi's injuries.

Because there were no more disturbances, Ye Chen could easily heal Chu Quexi perfectly and not leave a wound on her body.

"I am very grateful for what you did" Ye Chen was grateful for what Chu Quexi did.

He was so kind and it seemed like Chu Quexi had misunderstood Ye Chen.

"No problem" Ye Chen forgave Chu Quexi.

"I hope from now on we can be closer to each other" Ye Chen said to Chu Quexi.

Chu Quexi's face turned red when Ye Chen said that.

she probably misunderstood what Ye Chen said.

Chu Quexi turned her gaze away from Ye Chen, she focused on Chu Luima.

Chu Luima is currently being held by Ye Chen, she will not do anything that could harm Ye Chen and Chu Quexi.

"I didn't expect that the situation would turn out like this," Chu Quexi said to Chu Luima.

"What are you going to do to me, are you going to kill me with your own hands" said Chu Luima.

"Too bad I won't do that," said Chu Quexi.

Chu Quexi would not do that, she would not kill Chu Luima after what happened.

"For all the mistakes you have committed, I have decided to imprison you and give proper punishment to your entire family," said Chu Quexi.

Chu Quexi would give a proper punishment, she would imprison Chu Luima.

With that Chu Luima's body started to freeze, her entire body was covered in ice and she was sealed into the ice.

"It's finished" Ye Chen said to Chu Quexi.

"Yes, she won't be coming out any time soon." Chu Quexi said that Chu Luima wouldn't be coming out any time soon.

The seal would last quite a while and Chu Luima wouldn't be coming out any time soon.

Chu Quexi gave Chu Luima time to change, she hoped that Chu Luima would change herself to be better and better.

"if that makes you satisfied" if it was Ye Chen, he wouldn't be satisfied with something like that.

The beautiful adult fairy Chu Quexi smiled as she heard this.

"So why did you come to this place, can you explain it to me" Chu Quexi asked Ye Chen.

This time she wanted to talk to Ye Chen and listen to the explanation Ye Chen said.

"Finally you are willing to listen to me, then I will start" Ye Chen said to Chu Quexi.

Ye Chen explained his goal.

"I want to work together with you, I heard that your resources are running low, so let's work together" said Ye Chen.

"So you know that our resources are running low, that's true, our profound crystals and iron ore are starting to decrease as time goes by" Chu Quexi couldn't lie about this matter, that was what was happening right now.

"so what, do you want to ?" Ye Chen said to Chu Quexi.

"But what do you want in exchange, there's no way you want to give it away for free," said Chu Quexi.

"I'm interested in this ancient forest, this is a great place, it would be a shame if you don't want to make the best use of it," said Ye Chen.

"What do you mean by those words?" Chu Quexi asked Ye Chen.

"Look, you were given such good and fertile land, a good place to grow fruit and herbs, but you didn't use it well, do you now understand?" said Ye Chen.

"That's absolutely true" Chu Quexi began to understand what Ye Chen meant, she immediately understood what Ye Chen said.

"You guys have such a good thing but never use it properly, this time it's time for you to use it properly" Ye Chen said to Chu Quexi.

"I understand" Chu Quexi understood, what Ye Chen said was right, she had to do it, she didn't expect that she would do that.

"I have several methods to make it quicker for you to do it, whether you want to or not" Ye Chen said to Chu Quexi.

"A good offer, of course I want to" Chu Quexi said that of course she wanted to, she wanted to see the fairy race rise to its previous level and Ye Chen seemed to have a way to do that.

"Please cooperate for now" Ye Chen smiled at Chu Quexi.

That smile made Chu Quexi blush, Ye Chen was so handsome and made Chu Quexi interested.

"Then please help" with that Chu Quexi hugged Ye Chen.

Chu Quexi suddenly kissed Ye Chen, which of course surprised Ye Chen.

Chu Quexi seems to like Ye Chen, she likes Ye Chen because Ye Chen is kind and helps her.

It seemed that Chu Quexi was starting to not hate humans, there were some good humans in this world and this made Chu Quexi interested.

The two of them kissed for a while, after that Chu Quexi let go of Ye Chen and she was so satisfied with Ye Chen.

"That was my first time," Chu Quexi said to Ye Chen.

"Why did you do that?" Ye Chen asked Chu Quexi.

Why did Chu Quexi do that?.

"Why, it's clear I'm interested in me" Chu Quexi said that she did this because she liked Ye Chen.

"Plus you have seen me, I won't allow that," said Chu Quexi.

Ye Chen had seen it that time, she would let Ye Chen take responsibility.

"uhhhh, it looks like the account won't be able to escape" Ye Chen realized that he wouldn't be able to escape, he had to accept this.

"It doesn't matter to me either, she looks like a good woman, and maybe good too" said Ye Chen.

Ye Chen would not doubt the beauty of the fairy race, they were all beautiful, be it Chu Yuechan and all the fairies, they had perfect beauty and Ye Chen would not complain about that.

"Come on, come with me" Ye Chen said to Chu Quexi.

He wanted to take Chu Quexi somewhere.

"where" Chu Quexi asked Ye Chen, she wanted to know where Ye Chen would take herself to go.

"You will know where I will take you to" said Ye Chen.

Ye Chen carried Chu Quexi, he carried Chu Quexi forcefully.

"uh . . ." Chu Quexi was surprised by what Ye Chen did, she didn't expect Ye Chen to do that.

Ye Chen brought Chu Quexi to meet Chu Yinxu, this was the right time for them to talk.

With that the two of them arrived at Chu Yinxu's place.

Chu Quexi still wanted to know where Ye Chen would take her to, she was still quite curious about this matter.

Some time later, Chu Quexi finally knew where Ye Chen had taken her to.

"Eh? ?" Chu Yinxu and Chu Quexi were both shocked when they saw each other in this place.

"why did you bring her" Chu Yinxu immediately asked Ye Chen.

"It's clear isn't it, I've succeeded" Ye Chen said to Chu Yinxu.

"I didn't expect that I would meet you in this place." Chu Quexi didn't expect that she would meet Chu Yinxu in a place like this.

Chapter 2889 Start To Free The Territory From Monsters

"We haven't seen each other for quite a while," Chu Yinxu said.

"That's absolutely true" Chu Quexi agreed, they hadn't seen each other for a long time.

And when they met, a terrifying aura occurred, they seemed to be enemies who didn't get along.

"This situation is different from what I imagined" Ye Chen felt that the current situation was different from what he imagined.

Who would have thought that the two of them would become like this.

"You two, please calm down" Ye Chen said to Chu Quexi and Chu Yinxu.

Ye Chen told the two of them to be calmer and not to do anything bad that could harm them.

They didn't listen to what Ye Chen said, they were both focused on their battle.

"hey Yuechan" Ye Chen said to Chu Yuechan.

"That's your business" Chu Yuechan said.

Chu Yuechan didn't want to interfere and gave this matter to Ye Chen.

"no way, you have to help me" Ye Chen said to Chu Yuechan.

"No" Chu Yuechan refused, she didn't want to get involved in this matter, a pure fairy from a first class noble family, Chu Yuechan didn't want to get involved because it was troublesome.

"You two, please calm down and let's return to our discussion," said Ye Chen.

Ye Chen asked Chu Quexi and Chu Yinxu to be calmer.

Chu Quexi and Chu Yinxu looked towards Ye Chen.

"Okay, let's talk about the previous matter." Chu Quexi and Chu Yinxu finally agreed.

After that they sat down and discussed what they would do.

"So?" Chu Yinxu asked Ye Chen.

lightsnovel "It seems she agrees with our plan" said Ye Chen.

"agreed, how do you persuade this woman" Chu Yinxu asked Ye Chen, she wanted to know how Ye Chen persuaded Chu Quexi who was unreasonable.

There was no way Chu Quexi would just surrender to Ye Chen and cooperate with Ye Chen.

Is it possible that Chu Quexi wants to frame Ye Chen, if that's the case, then Chu Yinxu will not allow that.

"You definitely won't just believe me," said Chu Quexi.

Chu Quexi knew that Chu Yinxu would not easily believe her.

"Of course, there's no way I would just believe you." Chu Yinxu said that she would not easily believe Chu Quexi.

"I thought, you never change," said Chu Quexi.

"but I am serious about cooperating, it is because he has saved me and seen my body, so I want him to take responsibility properly" Chu Quexi said.

Chu Quexi hugged Ye Chen, which of course made Chu Yinxu angry.

Chu Yinxu didn't expect that Ye Chen and Chu Quexi's relationship would become like that, To be honest, she felt angry when she saw how Chu Quexi was so intimate with Ye Chen.

"Stop doing that," Chu Yinxu said.

Chu Yinxu told Chu Quexi to stop doing that.

"What's wrong?, Are you jealous?" Chu Quexi said.

Chu Quexi realized that Chu Yinxu was interested in Ye Chen.

"It seems like we have to resolve this our way" Chu Yinxu said.

"Okay" Chu Quexi got up, they would solve this problem using their own methods.

Chu Quexi and Chu Yinxu came out, they started fighting outside and resolved their problems.

"they fought" Chu Yuechan said.

"That's right" Ye Chen saw the battle of Chu Quexi and Chu Yinxu, the two of them fought outside the city and made a huge impact of destruction.

"You won't stop them" Chu Yuechan asked Ye Chen.

lightsnovel

"No way, they saw me, no need to stop them" said Ye Chen.

Ye Chen saw that they were getting along, so there was no need to stop them.

"It's up to you, take care of them, they are very troublesome," said Chu Yuechan.

Chu Yuechan said to Ye Chen, she felt dizzy and didn't want to get involved in Chu Quexi and Chu Yinxu's battle.

"I will try it" Ye Chen said that he would try.

The two fought for 30 minutes, after a long battle, they both returned in pretty good condition.

"are you guys finished" Ye Chen said to Chu Quexi and Chu Yinxu.

"That's it" Chu Quexi and Chu Yinxu said that they were done, they had made an agreement.

"Okay, then let's discuss the previous thing, I will tell you some arrays that can be used to accelerate growth" said Ye Chen.

"That's very good, the problem is that there are some places that haven't been liberated," said Chu Quexi.

"What does it mean?" Ye Chen asked Chu Quexi.

"Here there are some places that belong to powerful monsters and are their territory, if we want to use them, we have to defeat them and seize the territory," said Chu Quexi.

"Then I will help you liberate that area" Ye Chen said to Chu Quexi and Chu Yinxu.

"Then let's go" With that Chu Quexi took Ye Chen away, meanwhile Chu Yinxu followed and didn't want to be outdone.

Chu Yuechan was left alone, she could only sigh at what happened.

"It seems like he is liked by those two fairies" Chu Ning'er came in and said to Chu Yuechan.

"That's absolutely true, master is too popular" Chu Yuechan said.

"is big sister Yuechan jealous" Chu Ning'er said.

"that's not possible . . ." Chu Yuechan smiled wryly, it looked terrible and made Chu Ning'er retreat.

Chu Ning'er just mispronounced a word, it seemed like she had just made Chu Yuechan angry.

"no one can snatch it from me" Chu Yuechan said to Chu Ning'er.

"I understand, no one can snatch it from you" Chu Ning'er said.

To make Chu Yuechan not angry anymore, she had to say these things to make Chu Yuechan happy.

"It seems that master has succeeded, it will be an advantage for us if the fairy race is willing to cooperate" said Chu Yuechan.

"That's absolutely true" Chu Ning'er said.

Ye Chen had managed to convince two people in high positions, so everything would be easy to do.

Now just finishing everything, Chu Yuechan and the others could relax and enjoy the day in the fairy city.

Ye Chen, Chu Quexi and Chu Yinxu arrived at a forest that was still dense and looked unkempt.

"There lives a white lightning wolf here, it's quite troublesome, but we can solve it and ask nicely" said Chu Yinxu.

"let's lather him out" Ye Chen used an attack and showered the forest with several lightning bolts.

Ye Chen's greeting was a little extreme, it seemed like the white lightning wolf would be angry with Ye Chen.

"Auuuuuuu. . ." the white lightning wolf came out, he came to Ye Chen, Chu Quexi and Chu Yinxu.

"Stupid Fairy, you dare to intrude on my territory, I will destroy you," said the white lightning wolf.

"Boom. . ." a terrifying pressure emerged, this pressure was so strong and so great.

This pressure did not belong to Ye Chen, it belonged to Chu Quexi and Chu Yinxu.

"Did he just say that we are stupid fairies?" Chu Quexi said to Chu Yinxu.

"This little wolf, he wants to die." Chu Yinxu was also angry with the white lightning wolf.

Chu Quexi and Chu Yinxu were completely enraged when they were called stupid, it seemed like they were going to handle the white lightning wolf.

"We will take care of it." Chu Quexi and Chu Yinxu said that they would take care of the white lightning wolf.

"Go ahead" said Ye Chen.

Chapter 2890 scare the earth dragon

Ye Chen invited Chu Quexi and Chu Yinxu, he saw that the two of them were very angry and it was better to leave this matter to them.

Chu Quexi and Chu Yinxu came down, they used four element attacks and started attacking the white lightning wolf.

"Boom. . ." a huge explosion occurred and the white lightning wolf vanished, it was destroyed quickly.

"They are both scary when they get angry, it's best not to make them angry" Ye Chen looked at Chu Quexi and Chu Yinxu.

These two women were so terrible when they were angry and Ye Chen seemed to have to restrain himself a little so as not to make them angry.

The white lightning wolf had such bad luck, it had to lose at the hands of Chu Quexi and Chu Yinxu.

"It looks like you finished well" said Ye Chen.

There was no need for Ye Chen to intervene, Chu Quexi and Chu Yinxu had already resolved this their way.

"That monster made us angry" Chu Quexi and Chu Yinxu said that they were angry because of the words of the white lightning wolf.

"Don't take it to heart, let's go" Ye Chen said to Chu Quexi and Chu Yinxu.

"okay . ." With that they left and began to liberate the surrounding area from monsters.

With their current cooperation, they could easily liberate the surrounding areas without any problems.

Some monsters chose to leave peacefully and find a new place, so Ye Chen, Chu Quexi and Chu Yinxu didn't need to fight against them.

"Just one place left" said Chu Quexi.

Chu Quexi said to Ye Chen, she told him that there was one more place to be released.

"This will probably be the most difficult" said Chu Quexi.

Chu Quexi felt that this would be the most difficult of all the places.

"What do you mean?" Ye Chen asked Chu Quexi and Chu Yinxu.

"we will fight a powerful earth dragon, he will not give up his place easily" said Chu Quexi.

Chu Quexi said to Ye Chen, she told Ye Chen that they would fight a very powerful earth dragon and would not give up their territory easily.

"So that's how it is" Ye Chen understood, it seemed like their opponent this time would be quite tough.

"I will deal with that monster" Ye Chen said to Chu Quexi and Chu Yinxu.

"We might as well fight it together," said Chu Yinxu.

"This time I will agree with her idea." Chu Quexi said that she would agree with Chu Yinxu's idea.

"You two, you can calm down, I have my own way to deal with this" Ye Chen said to Chu Quexi and Chu Yinxu.

"Are you sure about that?" said Chu Quexi and Chu Yinxu.

"Just trust me" Ye Chen said to Chu Quexi and Chu Yinxu.

Ye Chen would step forward and take care of the earth dragon in his own way.

Chu Quexi and Chu Yinxu looked at each other, they didn't know what Ye Chen was going to do.

They arrived at the lair of the earth dragon, he lived in a fairly large cave.

"So he lives here, then I will immediately greet him" Ye Chen said that he would directly greet the earth dragon.

Ye Chen used the power he had, he made an echo in the cave.

"Arrggghhhh . ., Who dares to disturb the sleep that I have, seek death" the earth dragon came out, he was angry because someone dared to disturb his sleep.

It came out and immediately appeared in front of Ye Chen, Chu Quexi and Chu Yinxu.

"it came out, be careful" Chu Quexi said to Ye Chen and Chu Yinxu.

Chu Yinxu was alert, meanwhile Ye Chen was so casual like nothing had happened.

Ye Chen started to advance, he would face the earth dragon directly.

"I have an order for you" Ye Chen said to the earth dragon in front of him.

"Huh?, what does a human like you want in this place" the earth dragon looked at Ye Chen, he saw Ye Chen like an ant that could be crushed at any time.

"I will only repeat this once, leave this place and look for a new place" Ye Chen said to the earth dragon.

"I refuse" the earth dragon immediately refused, he didn't want to leave this place.

"Who are you, you dare to throw me out of my house" the earth dragon asked Ye Chen.

"I am Ye Chen, the person who told you to leave here" said Ye Chen.

"Bastard, I will kill you" the earth dragon was angry with Ye Chen and intended to attack Ye Chen using full strength.

"be careful" Chu Quexi and Chu Yinxu said to Ye Chen.

"Bam. . ." They were a little late, the attack from the earth dragon had arrived at Ye Chen's place and it hit Ye Chen directly.

"You . . ." Chu Quexi and Chu Yinxu looked angry at what happened.

"I think you're pretty great" Ye Chen's voice echoed and it made the anger of Chu Quexi and Chu Yinxu subside.

"What, why are you still alive" the earth dragon said to Ye Chen, he didn't expect that Ye Chen could still be alive after receiving the attack directly.

"Will you give in or I have to start getting serious" Ye Chen said to the earth dragon.

"hahahaha, a human like you wants to fight me, I want to see how you will seriously fight me" the earth dragon was so arrogant, he underestimated Ye Chen's abilities.

"so that's how it is, then I will start now" Ye Chen said to the earth dragon.

"azure Domain" Ye Chen opened the domain, a dragon roar and ancient aura instantly enveloped this place and made the earth dragon tremble.

"This" Chu Quexi and Chu Yinxu noticed something strange, This aura was so great and so strong.

An aura so terrifying, an aura so powerful and so oppressive.

"No way, no way, why are you have that. . . ." the earth dragon said to Ye Chen.

He seemed afraid of Ye Chen, he started to tremble when he found out what Ye Chen had.

"So you still want to fight or not ?" said Ye Chen.

Ye Chen has already shown his abilities, now does the earth dragon still dare or not fight Ye Chen.

"I'm sorry, I didn't know that you were someone who inherited the power of the Azure Dragon, I'm sorry" the earth dragon apologized to Ye Chen.

The earth dragon knew that Ye Chen had the Azure Dragon inheritance, so he immediately apologized.

"Azure Dragon, he has such a great inheritance." Chu Quexi and Chu Yinxu couldn't believe it when they knew this, they were so shocked to hear this.

If Ye Chen had the inheritance of the Azure Dragon, that meant he was very strong.

"I still want to continue," said Ye Chen.

"No, I will go" the earth dragon would leave, he would not dare to fight Ye Chen.

With that the earth dragon left this place and no longer dared to return.

"Okay, finished" Ye Chen said to Chu Quexi and Chu Yinxu.

"I didn't think that you would solve it like that," said Chu Quexi.

"That's the quickest way and there's no need to use force, now our job is done, so it's time to go back" all the places have been cleaned and they can start.

"I will immediately order people to gather all the materials you need," said Chu Quexi.

"I would do the same" Chu Yinxu would also do the same.

With that they gathered every item needed for the Array that Ye Chen said.
