

## True God 2891

Chapter 2891 bathing with Chu Yinxu and Chu Quexi (1)

After that Ye Chen started working, because this place was quite large, Ye Chen had to be able to do it quite well and quickly.

Otherwise, he would waste quite a lot of time.

Chu Quexi did her own thing, she did her own thing and started to stabilize everything together with Chu Yinxu.

"It looks like you are working quite hard" Chu Yuechan said to Ye Chen, she saw that Ye Chen was working quite hard.

"That's very true, I worked quite hard" Ye Chen sighed, he worked quite hard to finish this thing.

"it's okay, you will get paid well" Chu Yuechan said.

Chu Yuechan told him that Ye Chen would get proper payment for everything he had done.

"decent pay, what do you mean?" Ye Chen asked Chu Yuechan.

"Fufufufu, you will know that" Chu Yuechan said to Ye Chen.

" ? ? ? ?" Ye Chen didn't understand what Chu Yuechan was trying to hide.

"Have a good job" With that Chu Yuechan went and helped elsewhere.

Chu Ning'er and Chu Yelan helped Ye Chen here, they preferred to help Ye Chen this way.

After several days passed, Ye Chen finally finished, quite tired after working quite hard.

"Finally it's finished, I didn't sleep for several days to solve this problem."

"Ye Chen, are you finished?" Chu Yinxu said to Ye Chen.

"of course, I've finished, now you can start" said Ye Chen.

"Thank you very much for the hard work you did" Chu Yinxu was grateful for the hard work done by Ye Chen.

"It doesn't matter, I just do what I have to do" said Ye Chen.

Ye Chen told her that he only did what he had to do and nothing more.

Chu Yinxu smiled as she listened to Ye Chen's words.

Ye Chen was indeed very kind and he was very happy with what Ye Chen said.

"It's time for us to move to my place" Chu Yinxu said to Ye Chen.

she told Ye Chen to move to her place.

"going to your place?" Ye Chen to Chu Yinxu.

"that's absolutely right, please go to my place" Chu Yinxu said to Ye Chen.

"Is that okay?" Ye Chen said.

"Of course no problem, you will be warmly welcomed" Chu Yinxu said.

Ye Chen would be warmly welcomed, so that was fine.

Chu Yinxu pulled Ye Chen forcefully, she took Ye Chen to her house in the city.

Very different from the house in the forest, Chu Yinxu had a mansion that was almost the same as that of Chu Quexi.

It was just that it looked smaller and more ordinary-looking compared to Chu Quexi's.

"so this is your house, you almost have the same thing as Chu Quexi".

"Of course, our status is almost the same, it's just that maybe my place is smaller and more minimalist compared to her," said Chu Yinxu.

"That's true, but this is good and suits you" said Ye Chen.

"You think like that" Chu Yinxu said.

"Of course, I thought something like that" said Ye Chen.

Chu Yinxu was quite happy when she heard this, she was so happy to hear what Ye Chen said.

"I'll prepare the bathroom, it looks like you need a shower first," Chu Yinxu said.

Ye Chen looked at himself, it seemed like what Chu Yinxu said was true, he needed a shower right now.

"You are absolutely right, it seems that I am quite dirty after work" said Ye Chen.

"Okay" Chu Yinxu asked several maids to prepare a bathing place for Ye Chen, she would also prepare her part.

"Master is ready" the beautiful fairy maid came to Ye Chen, she told Ye Chen that the room was ready.

"I understand" Ye Chen understood, he would go straight there and try it himself.

Ye Chen went following the beautiful fairy maid, she was taken to a large room and filled with a very fragrant aroma.

This aroma is of herbs and flowers which is very pleasant to use.

"As expected of the royal family, to have such a good thing" said Ye Chen.

Ye Chen had to admit that Chu Yinxu had a good thing here, her taste was quite good.

Ye Chen took off his clothes, he immediately entered the bath and started to soak in the warm small pool.

"so comfortable" Ye Chen felt so comfortable, this felt so good to use.

"Click . . ."The door was opened by someone, it seemed like someone had come in.

Ye Chen thought that it was the maid from before, they probably wanted to check Ye Chen's condition.

"I'm coming in" she said to Ye Chen.

Ye Chen was quite close to this voice, this was definitely not a maid, this was the voice that belonged to Chu Yinxu.

Ye Chen looked back, when Ye Chen looked back, he saw Chu Yinxu was behind him.

"why are you here?" Ye Chen asked Chu Yinxu.

He wanted to know why Chu Yinxu was here.

"I came to wash your back, I heard that it's normal to do it," Chu Yinxu said.

"that's not normal, you know" Ye Chen said.

"is that so. . ." Chu Yinxu blushed slightly, it seemed that she was still embarrassed to do this.

Even though she was still embarrassed to do this, she still did it because she wanted to thank Ye Chen.

Ye Chen had helped a lot and Chu Yinxu wanted to thank Ye Chen.

Chu Yinxu walked to Ye Chen's side, she started to help Ye Chen and clean Ye Chen's back.

"You have such a wide and big back" Chu Yinxu said.

"have you never seen a man" Ye Chen asked Chu Yinxu.

"never, this is my first time" said Chu Yinxu.

Chu Yinxu said that this was the first time she saw Ye Chen's.

"So that's how it is" said Ye Chen.

Ye Chen started to enjoy what Chu Yinxu was doing, he enjoyed when Chu Yinxu emptied his back.

"bang" While the two of them were busy inside, the door was forced open.

"who told you to come in" Chu Yinxu was angry when someone barged in.

"You, you are so cheating" the person who came in was Chu Quexi.

Ye Chen didn't expect that the person who came in would be Chu Quexi, who would have thought that Chu Quexi would come to this place.

"Why did you come to this place?, this is my home, you can't come here as you please" said Chu Yinxu.

"It's up to me whether I come or not," said Chu Quexi.

"how can you be unreasonable like that" Chu Yinxu said.

"I should be the one saying that, you are an unreasonable person, monopolize him," said Chu Quexi.

Chu Quexi was unhappy when she saw Chu Yinxu monopolizing Ye Chen.

"I found him first, he is mine," said Chu Yinxu.

"Is that so, but he was the one who saw me first, he should be mine" Chu Quexi said.

Chu Yinxu and Chu Quexi started fighting again, both of them started fighting for Ye Chen.

"The two of them, why can't they stop" Ye Chen didn't understand, why couldn't they stop right now.

"Ye Chen. . ." Chu Yinxu said to Ye Chen.

"What is it?" Ye Chen answered Chu Yinxu.

"Who do you think is better between us" Chu Yinxu asked Ye Chen.

"I think you two are both good and good" Ye Chen said to Chu Quexi and Chu Yinxu.

Chapter 2892 bathing with Chu Yinxu and Chu Quexi (2)

"I'm better than her, right?" Chu Yinxu said.

"No, I'm better, look I have better things than you," Chu Quexi said to Chu Yinxu.

Chu Quexi showed off such a good body and chest, she had such good double peaks and was so well developed.

Compared with Chu Yinxu's, it was obviously different.

"You . . ." Chu Yinxu was furious when anyone discussed her possessions, she would not forgive what Chu Quexi did.

"They are fighting again, this reminds me of them, but this is worse" Ye Chen felt that this was worse than the two of them.

"You two, can you two stop, you are both beautiful, why are you still fighting about that issue" said Ye Chen.

Ye Chen said that they were both beautiful and they didn't need to fight.

"Are we beautiful?" Chu Quexi and Chu Yinxu asked Ye Chen.

"Very beautiful, you don't need to ask me anymore" Ye Chen said to Chu Quexi and Chu Yinxu.

"It's really nice of you to say that" Chu Quexi and Chu Yinxu were so happy when they heard what Ye Chen said.

They were happy because Ye Chen thought they were beautiful.

After that, they immediately pulled Ye Chen along with them into the water and started enjoying the warm water together with Ye Chen.

"What's wrong with you guys" Ye Chen asked Chu Quexi and Chu Yinxu.

"We just want to spend the time we have with you" they both had decided to spend the time they had together with Ye Chen.

"uh . . ." with that they started to hug Ye Chen and took the initiative to be with Ye Chen.

Ye Chen was actually hugged by two beautiful fairies in the middle.

One beautiful young woman, and another Milf who has such a nice body and is so Sexy.

Ye Chen obviously wouldn't be able to survive this kind of temptation, how would he survive.

Chu Quexi and Chu Yinxu started to touch Ye Chen's body, they really liked touching Ye Chen's body.

It seemed like they had never touched a man's body, so it wasn't strange that Chu Quexi and Chu Yinxu were so enthusiastic.

Since both of them already had a basic knowledge of the relationship between men and boys, they immediately moved quickly.

Chu Quexi and Chu Yinxi together stretched out their hands towards Ye Chen's little brother, when they did that, Ye Chen's little brother who was originally sleeping immediately woke up and became excited.

Ye Chen wouldn't be able to survive if the two of them did something like this.

Plus, the two of them took off the clothes they were wearing and made Ye Chen's spirit become more lively.

"This is very big" Chu Quexi said to Ye Chen, she told Ye Chen that this was so big.

"That's right, it's so big and so good, it seems like you're blessed with a good thing," Chu Yinxi said.

"If you tease me any more, I won't be able to hold back" Ye Chen said to Chu Quexi and Chu Yinxi.

"We don't mind" Chu Quexi and Chu Yinxi said that they didn't mind, they didn't mind if Ye Chen touched them.

When fairies like someone, they will let them touch them in that way.

So the two of them didn't mind when Ye Chen touched them.

"Then, I won't hold back anymore" Ye Chen will no longer hold back, he won't hold back anymore.

Ye Chen touched the two double peaks of Chu Quexi and Chu Yinxu, when Ye Chen did this, both of them screamed and felt so comfortable.

"very comfortable" they felt so comfortable when Ye Chen touched them, a feeling that was so comfortable for them to get.

"You guys are really too excited, then I will make you happy" said Ye Chen.

"I beg you" Chu Quexi and Chu Yinxu needed Ye Chen, both of them needed Ye Chen and wanted to be with Ye Chen.

Ye Chen kissed Chu Yinxu, he would first make Chu Yinxu feel comfortable.

"That's really cheating," said Chu Quexi.

Chu Quexi envied Chu Yinxu, she got the share first.

Chu Yinxu was so happy, she got the share first and could brag to Chu Quexi.

Chu Quexi didn't want to lose to Chu Yinxu, she decided to serve the younger brother Ye Chen who was below.

Ye Chen felt what Chu Quexi did, she really did it very well and made Ye Chen so comfortable.

Underwater, Chu Quexi's hands worked very well, she worked so well to make Ye Chen comfortable.

Ye Chen felt so comfortable with what Chu Quexi was doing, and kissing Chu Yinxu was so comfortable to do.

These two women had such rich Yin Qi, Ye Chen could harvest it and make himself strong too.

The three of them started working together and making each other fun.

"It's my turn" Chu Quexi said to Ye Chen, she told him that it was her turn.

"I will give you" Ye Chen said to Chu Quexi, with that Ye Chen in turn kissed Chu Quexi.

Chu Yinxu now took turns helping Ye Chen's little brother, she touched and did it gently.

"I can definitely do it too." Chu Yinxu felt that she could do it too.

Chu Yinxu's technique was better, she seemed to do it very well.

Ye Chen enjoyed doing it with two beautiful fairies in the pool, it was so beautiful and so much fun.

After that Ye Chen just go, he went to take them to the edge, it seemed very difficult to do this in the middle of the pool.

Ye Chen made them comfortable by using his hands.

Ye Chen easily made them reach the peak and felt such a beautiful and so pleasant taste.

Ye Chen touched every inch, from the bottom to the top, it was so enjoyable to touch them.

"This is amazing, just a touch makes me like this" Chu Quexi and Chu Yinxu felt so comfortable, every single one of Ye Chen's fingers was so pleasant.

"This isn't finished yet" Ye Chen said to Chu Quexi and Chu Yinxu.

He touched their double peaks and their pleasure became more and more incredible.

They wouldn't be able to resist this, Ye Chen's touch was so comfortable.

"This is a good method to make it bigger" said Ye Chen.

"Are you serious" Chu Yinxu said to Ye Chen, she was so excited, she couldn't lose to Chu Quexi.

"ahh . . . , why is it so strong, I can't stand this feeling" Chu Quexi said.

The two of them were defeated again by Ye Chen, they were exhausted and could no longer sit normally.

They crawled and tried to get up, honestly they couldn't lose to Ye Chen and they wanted to win against Ye Chen.

"That was so good, now it's our turn," said Chu Quexi.

"let us beat him" said Chu Quexi.

"That's absolutely true, I can't lose, I will defeat him" Chu Yinxu said.

The two of them had decided to work together against Ye Chen, they would start to get serious about making Ye Chen comfortable.

The two of them started serving Ye Chen from the top and down to the bottom.

They finally arrived at Ye Chen's weak point.

"If you look closely, it's not bad," Chu Yinxu said.

"I can't hold it with one hand," said Chu Quexi.

Both of them were holding Ye Chen and they both seemed to be so amazed by what Ye Chen had.

Chapter 2893 playing together in the pool (1)

Previously it was hidden in the water and they did not see it very clearly, now they see it very clearly.

They could see what Ye Chen had and could estimate its size.

Honestly this is too big, above the average man in this world, maybe the only one.

"Is this for real?" they both didn't seem to really believe what they were seeing right now.

"This is real" Ye Chen said to Chu Quexi and Chu Yinxu.

"this is so great, then you will start" they both started, they served Ye Chen.

They used their hands so well, it was a very beautiful feeling for Ye Chen to feel.

Their hands were so skilled and so comfortable, Ye Chen wouldn't be able to survive like this.

"it's getting bigger and bigger" Chu Quexi and Chu Yinxu were like little girls who had just discovered a new toy, they were so enthusiastic about what was in front of them.

That was great for Ye Chen, it made Ye Chen feel so comfortable.

Chu Quexi and Chu Yinxu became increasingly active in serving Ye Chen, both of them served Ye Chen very actively and they enjoyed it.

A few moments later Chu Quexi started to use her tongue, she was the one who started it first.

"What are you doing?" Chu Yinxu said.

Chu Yinxu asked about what Chu Quexi was doing, what Chu Quexi was doing looked very embarrassing to look at.

"I'm making her feel comfortable." Chu Quexi said that she was making Ye Chen feel comfortable.

"feel comfortable?" Chu Yinxu didn't immediately believe what Chu Quexi said, maybe Chu Quexi was lying to her.

"Just look, he's enjoying this" Chu Quexi said.

Chu Quexi said that Ye Chen really enjoyed this.

Ye Chen really enjoyed this, he really enjoyed what Chu Quexi did.

"You are quite clever" said Ye Chen.

Ye Chen praised what Chu Quexi did, she was quite clever at doing this.

Chu Yinxu didn't believe that Chu Quexi would be better than her, she felt left behind compared to Chu Quexi.

Chu Quexi smiled, she had just stolen a start from Chu Yinxu.

Chu Yinxu was aware of this, this woman would have Ye Chen, she had to stop this.

"I don't want to lose again, I will win against him" Chu Yinxu won't want to lose, she will show that she can get Ye Chen.

It seemed like they didn't want to give up on getting Ye Chen.

she began to imitate what Chu Quexi did, with such good and powerful skills, she could imitate everything Chu Quexi did.

"I didn't expect that you would imitate me," Chu Quexi said to Chu Yinxu.

"This is so that I don't lose to you" Chu Yinxu said that she didn't want to lose to Ye Chen, that's why she did this.

Chu Quexi and Chu Yinxu served Ye Chen wholeheartedly, they used the most basic skills.

Even though they weren't the best, they still did their best and Ye Chen was very happy.

"Slurp . . ." the two of them were too tempting, he couldn't stand it anymore.

"I can't stand it, let's do it" Ye Chen said to Chu Quexi and Chu Yinxu.

"Who comes first" Chu Quexi and Chu Yinxu asked Ye Chen.

"hmmm, let's see, you can compete to determine first" said Ye Chen.

"So we fight" said Chu Quexi and Chu Yinxu.

Chu Quexi and Chu Yinxu were ready to fight and determine who would win.

"You don't need to fight, you just use rock, scissors and paper to decide.

"So that's it, we understand" they both understood what to do now.

"Okay, let's get started" said Chu Quexi.

"I will win," said Chu Yinxu.

"In your dreams" Chu Quexi said.

"Okay, let's start" both of them started and decided who would start first.

They do rock, scissors, paper.

Chu Yinxu took the scissors, while Chu Quexi the paper.

"I won" Chu Yinxu was so happy because she won, meanwhile Chu Quexi was not too happy.

"So annoying, I lost" Chu Quexi was so angry, how could she lose in a game like that.

"a winner is a winner" said Ye Chen.

"I understand" Chu Quexi understood, she would accept it because this was their agreement.

"Then I'll go first" Chu Yinxu no longer held back and showed affection towards Ye Chen.

Chu Quexi was not very happy about this, Although hse was not very happy about what was happening, she had to accept what was happening now.

"I have to accept this" Chu Quexi had to accept this, she couldn't afford to get angry and make her image bad.

"This is also a very good opportunity, I can use Chu Yinxu to see Ye Chen's abilities, and know what to do." Chu Quexi immediately thought of something else and changed her thinking very well.

she will use this to find out weaknesses and also what makes Ye Chen happy, this is part of the strategy to make Ye Chen feel comfortable.

Ye Chen hugged Chu Yinxu into his arms, this was the time to get Chu Yinxu.

"Are you ready ?" Ye Chen asked Chu Yinxu.

"I'm very ready, let's start, I want to be with you," said Chu Yinxu.

With that Ye Chen just started, he just started.

He made Chu Yinxu feel a comfortable position, after getting such a comfortable position.

he just put her in straight away.

"Ummm . . ." Chu Yinxu felt sick, she felt sick by what Ye Chen did.

"It's so big, it hurts," Chu Yinxu said.

Chu Yinxu told Ye Chen that this felt very painful.

"This will soon feel very comfortable" Ye Chen said to Chu Yinxu.

Ye Chen started to move, he knew that Chu Yinxu could defend very well, that's why he moved and made Chu Yinxu feel comfortable.

"what is this, it feels so comfortable" Chu Yinxu said to Ye Chen.

This was so comfortable, she felt so happy with what Ye Chen was doing.

Chu Yinxu felt happy when Ye Chen's big thing penetrated into the deepest part, a feeling of fullness that was so comfortable and her whole body was so comfortable.

"This is so comfortable" Ye Chen said to Chu Yinxu.

Chu Yinxu had such a great honey cave, she felt that it was so comfortable and so narrow.

Ye Chen moved quickly, Chu Yinxu's voice was so loud and she moaned so comfortably.

"Ahhh . . . , it's so comfortable, I like it" Chu Yinxu said.

Chu Yinxu let out such a comfortable voice, she must be enjoying this so well.

"Eh" Chu Quexi looked at what Chu Yinxu was doing, she looked so comfortable and her face showed great satisfaction.

"Is it so comfortable?" Chu Quexi thought that it was so comfortable otherwise Chu Yinxu wouldn't have made such a face.

"This is great, more, I want you" Chu Yinxu said.

Chu Yinxu wanted more from Ye Chen, she wanted more and more with Ye Chen.

Ye Chen was of course even more extraordinary, he used all his abilities to make Chu Yinxu feel extraordinary comfort.

Chu Yinxu couldn't hold back this feeling anymore, the feeling that was so comfortable and so beautiful would no longer be able to be held back and she would soon reach the peak.

"I can't take it anymore" Chu Yinxu said to Ye Chen, she couldn't stand it and reached the top, a feeling that was so comfortable.

Ye Chen didn't let Chu Yinxu rest so easily, he continued again and made Chu Yinxu more comfortable.

30 minutes passed quickly as they played in the middle of the pool, they both seemed to be enjoying themselves and left Chu Quexi on the side.

"I'm so tired, let's stop" Chu Yinxu said to Ye Chen, she was so tired and wanted to stop.

"Are you not capable anymore?" Ye Chen asked Chu Yinxu.

"You should just go to her, she seems to be waiting for you" Chu Yinxu said to Ye Chen, she told Ye Chen that Chu Quexi seemed to be waiting for Ye Chen.

"Then I will go straight there" Ye Chen said to Chu Yinxu.

Ye Chen let go of Chu Yinxu, he let Chu Yinxu rest beside the pool, it was so that she would be fine.

"It's your turn, are you ready?" Ye Chen said to Chu Quexi, he told her that this was the time for Chu Quexi to.

Chu Quexi looked at Ye Chen, she had been watching Ye Chen and Chu Yinxu from the side, she of course saw what Ye Chen and Chu Yinxu were doing.

Chu Yinxu enjoyed it so much, and she became so tired after doing it with Ye Chen, that meant this would be a little hard for Chu Quexi.

"You should be gentler" Chu Quexi said.

Chu Quexi asked Ye Chen to be gentler in the future, she wouldn't be able to survive if she was like Chu Yinxu.

"Are you afraid, you have a body that is already so well developed, this should be fine" said Ye Chen.

Chu Quexi's body had developed so well, she should be fine.

"But . . ." Chu Quexi didn't know if she would be okay, she was still afraid of Ye Chen.

"Don't worry, everything will be fine" Ye Chen told Chu Quexi.

After being convinced by Ye Chen, Chu Quexi immediately believed, she immediately believed what Ye Chen said.

"Then we will start" Ye Chen said to Chu Quexi.

They went to the inside of the pool, this is a very good place, Ye Chen likes to do it in the middle.

Ye Chen carried Chu Quexi, Chu Quexi's body was lifted easily by Ye Chen.

Chapter 2894 playing together in the pool (2)

?

Chu Quexi's current position was hugging Ye Chen, she was currently hugging Ye Chen.

"Somehow this is a little embarrassing" Chu Quexi said to Ye Chen.

This position is embarrassing and it looks different from the previous one.

"This is the most suitable for you, I want to do it, don't you want to try it" Ye Chen said to Chu Quexi.

"I want to" Chu Quexi said to Ye Chen, she told him that she wanted to do it with Ye Chen.

Ye Chen had succeeded in persuading Chu Quexi, now he just had to do it.

Chu Quexi's body was so seductive, Ye Chen couldn't stand this.

Ye Chen's thing was still very strong, he was still not satisfied after doing it with Chu Yinxu and now he had to vent with all his heart.

Ye Chen's object aimed at the target, it immediately entered Chu Quexi's body.

"umm. . ." an aching feeling struck Chu Quexi, a feeling that was so comfortable and so great was too strong.

"Is this how Chu Quexi feels, it's so comfortable, I didn't expect it to be so comfortable." Chu Quexi didn't expect it to be so comfortable.

"I'm going to start, I hope you are ready" Ye Chen said to Chu Quexi.

"Let's do it, I like this feeling" Chu Quexi said to Ye Chen, she told him that she really liked the feeling that Ye Chen gave.

"I also like this feeling" said Ye Chen.

"It's really nice to hear this" Chu Quexi said that she was really happy to hear what Ye Chen said.

They both started to love each other more and more, they showed their love.

Ye Chen pumped even more aggressively, he made Chu Quexi feel so comfortable.

"Ahhh . . ., this is amazing, I really like it," Chu Quexi said.

Chu Quexi felt so happy and excited, she was so happy with what Ye Chen was doing.

Such a beautiful feeling for Chu Quexi.

Chu Quexi clamped Ye Chen tighter, it made Ye Chen's pleasure increase even more.

"You're pretty great too" said Ye Chen.

Ye Chen praised Chu Quexi's abilities.

"Sorry, it seems like a reflex, this is so beautiful and so good, to be honest I wouldn't be able to survive this way," said Chu Quexi.

Chu Quexi told Ye Chen, she wouldn't be able to survive when Ye Chen did it.

"It looks like you are quite talented, let's do this continuously" Ye Chen said to Chu Quexi.

"Um, please do me" Chu Quexi said to Ye Chen.

They continued on, Chu Quexi easily followed Ye Chen and they started trying various kinds of games.

"Ahhhh . . ." after some time later, Chu Quexi finally gave up, she surrendered to Ye Chen.

Ye Chen was too strong and he would not be able to defend against Ye Chen.

"You are too strong, I can't survive" Chu Quexi said.

"Then this is the last one, let's do it" Ye Chen said to Chu Quexi.

Ye Chen speeded up his movements, it seemed like he had reached his limit too.

"Emmm, give it to me" Chu Quexi said to Ye Chen.

"Byurr. . ." Ye Chen gave it to Chu Quexi.

Pure Yang Qi flooded Chu Quexi's body.

"warm and so comfortable" Chu Quexi said to Ye Chen, she felt that this was so warm and so comfortable.

After that Chu Quexi leaned against Ye Chen, she looked so exhausted.

"It's very fun, but quite tiring" Chu Quexi said to Ye Chen.

"is that so" Ye Chen said to Chu Quexi.

"Um" Chu Quexi said that this was indeed tiring.

"it's my turn" Chu Yinxu said to Ye Chen, it seemed like it was her turn.

"I need to rest for a while," said Chu Quexi.

Chu Quexi had to rest for a while, which was why she wanted to let Chu Yinxu replace her for the time being.

"You still have strength right?" Chu Yinxu asked Ye Chen.

"Of course, I still have so much strength" Ye Chen still had so much strength, so Chu Yinxu didn't need to worry about this problem.

"That's great." Chu Yinxu was very happy about this.

Chu Yinxu continued again, this time she was ready and had gathered enough strength to make Ye Chen submit.

Chu Yinxu was too confident in her abilities, this might be very dangerous for her.

They decided to do it outside the pool, coincidentally this place was quite large, so they could do it wherever they did.

"Ahhhhh . . ." Ye Chen and Chu Yinxu started, both of them united and showed the abilities they had.

This time Chu Yinxu decided to be on top, she wanted to try this style and take control.

"I will make you comfortable" Chu Yinxu said to Ye Chen, she told that she would make Ye Chen feel comfortable.

she would make sure that Ye Chen felt comfortable with what he was doing.

She moved slowly and started to match with Ye Chen, after feeling matched, she increased the speed and felt such wonderful pleasure.

"This is so beautiful" Chu Yinxu said to Ye Chen, she told Ye Chen that this was so beautiful and she was so happy.

This was much better than before, a feeling that was so beautiful and loved by Chu Yinxu.

"this is comfortable, I like it too" Ye Chen kissed Chu Yinxu, they both kissed.

They enjoyed a moment full of romance, a moment that was so beautiful.

Ye Chen and Chu Yinxu did it for approximately 40 minutes, they both didn't seem to hold back, they felt such beautiful pleasure.

"I'm so tired" Chu Yinxu said to Ye Chen.

"Then I will kill you" Ye Chen decided to be the one to lead, it seemed Chu Yinxu was no longer strong.

It was Ye Chen who moved and Chu Yinxu's body rose and fell.

"Ahhh, so great, you are so great" Chu Yinxu said to Ye Chen, she felt that Ye Chen was so great.

Ye Chen moved well and touched the weak point of Chu Yinxu.

It made Chu Yinxu's pleasure so intense that she quickly reached the peak.

"Again, you make me feel at ease" Chu Yinxu said.

"I want to make you feel such beautiful happiness" Ye Chen said to Chu Yinxu.

Ye Chen speeded up his movements and he was about to give the gift to Chu Yinxu.

"It seems I have reached the limit" Chu Yinxu said.

"Then this is your gift" said Ye Chen, Ye Chen gave the same thing as was given to Chu Quexi, he gave his Yang Qi essence to Chu Yinxu.

"Uhhh . . ." the two reached the top together, they reached the top.

Chu Yinxu lay on Ye Chen's chest.

He was so tired and happy with what Ye Chen was doing.

"now I" Chu Quexi was cured and she wanted more.

"Looks like I won't be able to rest" Ye Chen felt that he wouldn't be able to rest.

"We won't let you rest" they both said in unison that they wouldn't let Ye Chen rest.

"You two, are you a Succubus or a fairy" Ye Chen said to Chu Yinxu.

"Anything is fine" Chu Quexi and Chu Yinxu said to Ye Chen, they didn't care, they liked doing this.

They felt that they would not be able to return to the way they were before, they would follow Ye Chen from now on.

Ye Chen, Chu Quexi and Chu Yinxu continued, the day was still long and night would come, they would not stop until they were satisfied.

Chapter 2895 show yourself to all the fairies

Chu Yinxu and Chu Quexi spent the whole day together with Ye Chen, they both seemed to really enjoy this.

They had now gone to bed, they had gone because it was quite hot and it made them uncomfortable to stay there for too long.

"ummmm . . . ." Chu Quexi was the first woman to wake up, she really enjoyed waking up and immediately went to clean herself.

Chu Yinxu also got up later, she caught up with Chu Quexi and they cleaned themselves together.

"Who would have thought that I could do that for that long?" Chu Quexi didn't expect that she could do that for so long.

"It was too much fun, I was really carried away" Chu Yinxu also felt the same way, she was carried away and did it for another day.

They were quite excited, they showed such things in front of Ye Chen and became so lewd.

Chu Quexi and Chu Yinxu looked at each other, they both seemed to really enjoy this.

"You seem different?" Chu Yinxu said to Chu Quexi.

she said that Chu Quexi looked different from before, her skin and body were much better than before.

"I think you're right," Chu Quexi said, she also felt the same when she touched her.

"It seems like we have gained great benefits," Chu Quexi said to Chu Yinxu.

"You're right, I also feel the same thing, it's more humid than before."

Chu Yinxu agreed with what Chu Quexi said.

"They have felt the benefits, they are quite happy with these benefits.

Their beauty became more and more radiant, plus they were now so seductive, they were much more enchanting compared to before.

"Let's finish this and give him a surprise" Chu Quexi wanted to give Ye Chen a surprise.

"I agree, I want to give him a surprise too" Chu Quexi also agreed with this, she agreed to give Ye Chen a surprise.

They hurriedly cleaned themselves, after that they changed into more beautiful clothes, clothes that were so luxurious that they rarely wore them unless they were on important occasions.

Chu Quexi used sky blue, while Chu Yinxu used milky white, there were various kinds of flower decorations and knick-knacks on their bodies.

they also dressed up as best as possible to make Ye Chen happy.

After they dressed up well enough and were pretty enough, they immediately went to meet Ye Chen, they saw Ye Chen who was sleeping.

Ye Chen was still enjoying his time, he was enjoying his sleep well because he had just made a decent breakthrough after getting Yin Qi from Chu Quexi and Chu Yinxu.

Ye Chen had reached a level that was almost close to the Immortal God Realm.

Soon he would reach the same level as the opponent and he couldn't wait.

"Wake up you sleepyhead" Chu Quexi and Chu Yinxu woke Ye Chen, they both woke Ye Chen who was sleeping.

"What's wrong?, Are you awake?" Ye Chen said to Chu Quexi and Chu Yinxu.

"Of course, look at us, what do you think ?" they asked Ye Chen.

Ye Chen woke up, he immediately looked towards Chu Quexi and Chu Yinxu.

When he saw the two of them, Ye Chen found that they were both dressed up quite beautifully and quite elegantly.

"You two are so beautiful" Ye Chen said to Chu Yinxu and Chu Quexi.

"We are happy to hear this from you" the two of them looked so happy when they listened to Ye Chen's praise, it was not in vain that they did this for Ye Chen.

"Let's go for a walk, it's time to introduce you" Chu Quexi and Chu Yinxu said to Ye Chen.

"introducing me" Ye Chen asked Chu Quexi and Chu Yinxu.

"Of course, this is the perfect time to introduce you to the fairies, let them know who helped them and make them all admire" Chu Yinxu said.

Chu Quexi and Chu Yinxu wanted to show everyone who Ye Chen was, they wanted to show that Ye Chen was a great and worthy person.

"But before that you seem to have to change into better clothes," said Chu Quexi.

Chu Quexi didn't have men's clothes, so she told Ye Chen to use her nice ones.

"Come on, take out everything you have, let us choose it for you" Chu Yinxu said to Ye Chen, she told Ye Chen to choose it.

Ye Chen took out all the clothes he had, because he didn't have many clothes of different types and designs, he took out some.

"You wear quite a bit too" Chu Quexi said to Ye Chen.

"That's absolutely right, compared to us, it's definitely smaller" Chu Yinxu said.

Chu Yinxu also agrees with this, they think Ye Chen's clothes are a bit.

"It can't be helped, men are like that, the important thing is that it can be worn and is comfortable, that's enough," said Ye Chen.

"So that's it, we are starting to understand it" they both started to understand after getting an explanation from Ye Chen.

"Because husband is quite a good and handsome person, I think all the clothes will suit you" Chu Yinxu said to Ye Chen.

"That's absolutely true, all clothes will suit you." Chu Quexi also agreed.

"Then let's choose the most suitable clothes." With that, the two of them chose the most suitable clothes for Ye Chen.

Ye Chen accepted what Chu Quexi and Chu Yinxu gave him.

They knew the most about the fairy city, so making them choose was a very good thing for Ye Chen.

After choosing for some time, they felt that the black robe with gold patterns was suitable for Ye Chen, this clothing was quite good if Ye Chen wore it, it would be very dignified.

"This looks good, come on, let's use it" they told Ye Chen to try it.

"Okay, Ye Chen just try it, Ye Chen takes off his clothes and just try it.

"Kyah. . ., you are quite brave" said Chu Quexi and Chu Yinxu.

"Why, haven't you seen enough" Ye Chen said to Chu Quexi and Chu Yinxu.

"I think that's right." Chu Quexi had seen enough, she wasn't too embarrassed.

On the other hand, Chu Yinxu still felt embarrassed, even though they were a couple now, it was still embarrassing to do so.

Ye Chen ignored the fiery gazes shown by Chu Quexi and Chu Yinxu.

he wore a robe and showed that he was worthy of this use.

"As we expected, this really suits you" they both had expected this, this really suits Ye Chen.

"Thank you very much" Ye Chen thanked, it seemed he was indeed suitable to use this thing.

"We're leaving, aren't we?" Ye Chen asked Chu Quexi and Chu Yinxu.

"Of course, we will go" Ye Chen said that they would go.

After that they went and started greeting all the fairies.

"wow, who is this, did you kidnap a man from outside, you are so bold" some fairies misunderstood what was happening, they thought that Chu Quexi and Chu Yinxu had kidnapped Ye Chen.

"You guys" Chu Quexi and Chu Yinxu looked angry when they heard this.

The fairies were afraid when they saw this, they were so afraid when they saw Chu Quexi and Chu Yinxu angry.

"He is the person who helped us to provide land, make sure you use the field that has been provided" Cu Quexi said to all of them.

"I hope to collaborate with you," Ye Chen greeted.

Chapter 2896 Left the fairy city and started to focus on building a business

"We are also really waiting for cooperation with you" they said to Ye Chen, they wanted to wait for cooperation from Ye Chen.

They wanted to wait for cooperation with Ye Chen and get Ye Chen.

"Hey, are you still alone?" They started approaching Ye Chen and one asked Ye Chen.

"What is your favorite woman like now?" she asked Ye Chen

Ye Chen got quite a lot of questions, she got quite a lot of questions from the fairies around.

They all asked Ye Chen like that, they wanted to know.

"I like pretty good women," said Ye Chen.

Ye Chen answered them all, he answered what kind of woman he liked.

"Then I am one of those who are included in it" they all felt worthy of this.

Chu Quexi and Yinxu only smiled as they listened to this conversation.

They weren't too afraid of Ye Chen being stolen, they were too confident in their beauty and weren't sure that they could steal Ye Chen.

"All of you, he is our guest, please behave yourself." Chu Yinxu gave a warning to maintain their attitude.

"we just want to be with him, nothing more, please allow us" they were quite interested in Ye Chen.

Ye Chen's charm is so great, so it's not strange that they are so attracted to Ye Chen.

Ye Chen was quite friendly and did not discriminate and welcomed them.

"By chance all of you are in this place, do you want to get a little knowledge from me" Ye Chen asked the fairies around him.

"Of course, we want to" the fairies said to Ye Chen, they said they wanted to do it.

With that Ye Chen gave a little teaching, he gave teachings and told them what to do to grow fruit and herbs.

Since the land here was so fertile and blessed, the harvest would be so good, they would definitely enjoy these benefits.

They indeed enjoyed these benefits so well, they watched Ye Chen and learned quite a lot from Ye Chen.

Ye Chen taught them how to take care of them well and slowly so that they all understood what Ye Chen explained.

Chu Quexi and Chu Yinxu saw what Ye Chen was doing, they looked happy with what Ye Chen was doing.

In their opinion, what Ye Chen did was very good and made everyone aware of what they were going to do.

These beautiful women kept getting closer and closer and trying to attract Ye Chen, they were like tigresses who had just found such delicious prey.

Chu Yinxu was beside Ye Chen, she would not let this matter happen and gave them a warning.

They seemed so afraid of Chu Yinxu, they no longer dared to be too aggressive.

Ye Chen stayed inside the fairy city for some time, he observed and helped as best he could.

The system used by Ye Chen is a rotating harvest system so that the market will not be flooded with just one item, because that will result in low value.

"Everything went so well" Chu Quexi said to Ye Chen.

"That's very true, everything has gone very well, I think you can do it yourself" said Ye Chen.

"Are you going?" Chu Quexi said to Ye Chen.

"I have to go back because I still have some business to do, I can't stay here."

"I would like to help, but it's impossible to leave this place unattended, plus some naughty nobles still can't be dealt with, I don't think I will be able to help you now," Chu Quexi said to Ye Chen.

"You solve this problem, I think the problem of your race must be solved by yourself with the means you have" Ye Chen said to Chu Quexi.

"I understand, I will try my best" Chu Quexi said to Ye Chen.

"Then I will go" Ye Chen was going to say goodbye to Chu Yinxu.

"Wait a minute" Chu Quexi stopped Ye Chen.

Before Ye Chen left this place, she gave Ye Chen a kiss.

"Chuuuuuu . ." Chu Quexi kissed Ye Chen, she kissed Ye Chen lovingly.

Ye Chen hugged Chu Quexi and greeted her.

The two of them kissed and their tongues met, this was a mature kiss.

Chu Quexi really liked this feeling, a feeling that she thought was so beautiful.

They kissed for approximately 10 minutes, after which Chu Quexi pushed Ye Chen.

"I can't breathe," Chu Quexi said to Ye Chen.

"Don't you really enjoy this" Ye Chen said to Chu Quexi.

"That's really true, I really enjoy this." Chu Quexi really enjoyed this, she really enjoyed the kiss just now.

"You have to take care of yourself, if you have time you can go out to play" Ye Chen said to Chu Quexi.

"Of course, I will do it, I will play outside" Chu Quexi said that she would do it.

Ye Chen went to Chu Yinxu's place.

Chu Yinxu happened to be with Chu Yuechan, she seemed to be discussing something.

Ye Chen waited for them to finish talking, after they finished Ye Chen entered.

"master, you are back ?" Chu Yuechan said to Ye Chen.

"I'm back" Ye Chen answered.

"You have returned, what a coincidence, we were just discussing you" they were just discussing Ye Chen.

"So you guys are discussing me, what are you discussing?" Ye Chen wanted to know what these two women were discussing.

"That's a girl's secret, you don't need to know about it" Chu Yuechan said to Ye Chen.

"You are so stingy" Ye Chen said to Chu Yuechan.

"giggling" Chu Yuechan giggled, she was so happy teasing Ye Chen.

"Yuechan, it's time to go back, everything's done, right?" Ye Chen said to Chu Yuechan.

"You are absolutely right, all matters have been completed and it seems like this place has experienced very good changes," said Chu Yuechan.

"You are going?" Chu Yinxu said to Ye Chen.

She looked sad when she found out Ye Chen was leaving, everything felt so fast.

"I have some business to do, of course I have to go" Ye Chen said to Chu Yinxu.

"I will make sure to come back immediately when everything is finished" Ye Chen said to Chu Yinxu.

"I will go to your place when everything here gets better, I promise you that" Chu Yinxu said to Ye Chen.

"Um. . ." Ye Chen nodded when he heard this.

"Then we will prepare to leave this place" said Chu Yuechan.

Chu Yuechan would call Chu Yelan and Chu Ning'er.

With that they will get out of this place.

Chu Yelan and Chu Ning'er had finished some minor matters in this place, they had finished settling what they had.

Chu Yinxu led Ye Chen, Chu Yuechan, Chu Ning'er and Chu Yelan to the exit of the ancient forest.

With help from Chu Yinxu, they quickly arrived outside.

"I will come, you have to wait for me well" Chu Yinxu said to Ye Chen.

Before leaving, she hugged Ye Chen and gave Ye Chen a kiss on the cheek.

"I will wait for you" Ye Chen said that he would wait.

"um . . ." Chu Yinxu believed what Ye Chen said.

"master we have to go" Chu Yuechan said to Ye Chen, she told Ye Chen to leave immediately.

"I'm coming" with that they left, Chu Yuechan and the others entered the fairy gate, while Ye Chen went to the Sect and saw the progress of Jia Li.

Chapter 2897 open a business

Ye Chen returned to the Sect to see what Jia Li was doing.

Jia Li is currently training students both talented and untalented, she equalizes them all, Wu Ziyi is also in it.

They are trained well so they can use their abilities well enough.

"It looks like you guys are quite busy here" Ye Chen came, he came in and greeted everyone.

Ye Chen entered suddenly, no one was aware that Ye Chen entered this place.

"he . . ." There are so many female students here who know Ye Chen, that's because Ye Chen used to often help them solve the problems they had from illnesses to complaints and even bought equipment to use.

Everything they got from Ye Chen was so great and so powerful, it was such a great thing in all of their eyes.

"why you are here ?" they all asked Ye Chen, they all wanted to know why Ye Chen was in this place.

"What a coincidence, I want to see what you guys are doing" Ye Chen said that he wanted to see them now.

"All of you, please calm down" Jia Li said to everyone, she told them all to be calmer and not make a scene.

The situation being what it is now, it's impossible for them not to make a fuss with what is currently happening.

With Ye Chen in this place, it could be said that Jia Li was completely ignored.

"All of you . ." Jia Li felt annoyed at being ignored by all of them.

"You guys don't even listen to your teachers" Jia Li said to everyone.

Jia Li gave off such a terrifying aura, everyone here felt pressured.

"see faction leader Jia is angry" said Ye Chen.

Ye Chen told them to be more orderly, so that Jia Li wouldn't be angry with them.

"We all understand" they all understood, they became so orderly and no longer resisted Jia Li's orders.

"You are too harsh on all of them" Ye Chen said to Jia Li.

"It can't be helped, they didn't listen to me" Jia Li said to Ye Chen, they didn't want to listen to her, that's why Jia Li used the power she had.

"What about what I asked, can you do it?" Ye Chen asked Jia Li.

"Of course, they all seemed to agree when I told them what you wanted to do, they didn't mind working.

"I've also discussed the wages they will get later, and they seem very happy," said Jia Li.

"what did you promise, don't do anything strange" said Ye Chen.

Ye Chen felt that if Jia Li wanted to do something strange, he might want to do something that might be beyond reason.

"if it was you, maybe it could" said Jia Li.

Jia Li smiled at Ye Chen, meanwhile Ye Chen still didn't understand what Jia Li was thinking.

According to Ye Chen, what Jia Li was thinking was so complicated.

"Don't make things complicated, tell me" Ye Chen told Jia Li, Ye Chen might let Jia Li feel his abilities.

Jia Li stepped back slightly to avoid Ye Chen's hand, she stepped back to avoid Ye Chen's hand which could tease her.

"They need several techniques for cultivation" Jia Li said to Ye Chen, she told him that they all needed cultivation techniques to become stronger.

The laws in this world were so clear, power was primary and absolute for everyone, so they wanted power to become more and more powerful.

"That's all, I don't think it's a problem" said Ye Chen.

"Yuechan . . ." Ye Chen said to Chu Yuechan.

"It doesn't matter, there are so many cultivation, battle and formation techniques in the fairy gate as well as the ones you got from the ruins, I think they are just right," Chu Yuechan said.

"Okay, then this can be agreed" listening to this, Ye Chen felt that he could give them.

"no problem, I have it" Ye Chen said to Jia Li.

"Then it's decided," said Jia Li.

Jia Li had already decided, now they could start working after Ye Chen got all the items.

"The fairy race will immediately deliver the ingredients to be used as medicine and sold, it should arrive in a few days and the production process can be carried out immediately.

Ling Shu has also done her job well, now it is starting to open up and for the time being the existing staff will be filled by Ling Shu's subordinates who are skilled and can attract other people.

Here Ling Shu appointed Feng Rue as the person in charge of everything.

Feng Rue was a very competent and worthy person because she could do everything Ye Chen wanted, it could be said that she was a very good assistant.

For now Ye Chen will handle everything, he hopes that everything goes well, the promised battle will also be held in a few months, time flies so quickly without Ye Chen realizing it.

With the cooperation carried out by Ye Chen, Feng Rue, and also Ling Shu, Ye Chen started to open a new business.

Ye Chen chose a name that would be easy to remember and that other people would not easily remember.

The name is Super Origin Mall, Ye Chen felt that it was a name that would be easy to remember and no one would match it.

The business was started using low-class customers, they were beginners and low-class cultivators who were just starting out and their cultivation was not very large with poor resources.

Ye Chen took advantage of this opportunity to sell at below market prices and quickly attracted all existing customers quickly.

News about Super Origin Mall spread very quickly, there were so many people who came and wanted to see it.

They are people who want to get pills, weapons at prices that can be said to be cheap and don't make their wallets dry.

Feng Rue's subordinates were also very good at serving, they socialized very well and everything sold out quickly.

Ye Chen didn't expect that everything would run out so quickly, to be honest it was a little difficult to meet the needs of this many people, especially since the Supreme God Realm was so big and so vast, the population was too large and Ye Chen was having problems.

With all the workers now, he would not be able to fulfill orders from the market.

"It seems we are experiencing a problem, the number of workers and customers is not balanced," said Feng Rue.

"You are absolutely right, the number of customers and traders is not balanced and this is very difficult for us," said Ye Chen.

Ye Chen had to admit that this was very difficult for them.

They experienced a huge problem to overcome this problem.

"Even though not everyone has come, if everyone comes, it will be busier than before," said Feng Rue.

"This is heavier than I imagined" said Ye Chen.

"We also can't force them to work more, they probably won't like it" Ye Chen thought.

"It is not easy to do this, even Ye Chen had problems because he could not make them work too hard in making pills.

It was too difficult because making pills was quite tiring and required precision to get decent results.

"It looks like you are in trouble huh" Ling Shu came to have a look, Ye Chen was not bad, even so, he couldn't fulfill everyone's orders.

Chapter 2898 Merchant association

"It seems like I do have a little problem" Ye Chen said to Ling Shu.

"as I expected" Ling Shu said to Ye Chen.

"So what happened?" Ling Shu asked Feng Rue, she wanted to know what problem Ye Chen had.

Feng Rue told Ling Shu what happened, she told her about the current problem.

"So that's how it is, I think I'm starting to understand the problem you're facing" Ling Shu finally understood the problem Ye Chen was currently facing.

"Honestly, it's a difficult and very complicated problem for you to solve," said Ling Shu.

"The number of people in the whole world is so large, you won't be able to fulfill everyone's orders in that number" Ling Shu said to Ye Chen.

Ye Chen thought again, he wouldn't be able to, unless he had a lot of workers and finding that many workers would be very difficult and he would lack materials.

If that happened, those with basic materials would start to increase prices and that would probably have an effect on Ye Chen.

"It seems you are absolutely right" Ye Chen agreed with what Ling Shu said, it seemed he could only increase the production speed a little.

too greedy is also not very good for now, because it will be dangerous.

"Instead of that" Ling Shu said to Ye Chen.

"What else?" Ye Chen asked Ling Shu.

she wanted to know what Ling Shu would say next.

"have you thought about a merchant association?" Ling Shu said to Ye Chen.

"Honestly, I haven't thought about that, what's wrong with them?" Ye Chen asked.

"They will definitely start looking at this place?" Ling Shu said to Ye Chen.

"is that bad?" Ye Chen asked Ling Shu.

"It might be bad, they might tax this place" Ling Shu said.

"How much tax do they want?" Ye Chen asked Ling Shu.

"I think 10~20%, depending on the place" Ling Shu said to Ye Chen.

"Isn't that robbery?" Ye Chen said to Ling Shu.

"If you don't want to, you will have difficulty getting something because it will be on their blacklist," said Ling Shu.

"So it's like that" Ye Chen understood, he began to understand what Ling Shu meant by saying this.

When compared with previous problems, this problem clearly must be prioritized.

because this will make business chaotic.

"No problem, I have all the basic materials, from mines, gardens and various things, everything has been prepared, with the help of the fairy race, I don't think there is any problem if we ignore them" said Ye Chen.

"But they won't stay silent and mess with us," said Ling Shu.

Ling Shu said to Ye Chen again, they would not remain silent about what happened and would interfere with Ye Chen's business.

"Fighting greedy people is really troublesome, they want to be rich but don't want to work," said Ye Chen.

"fufufu, it can't be helped" Ling Shu said to Ye Chen.

"If they really want to fight, then of course I welcome them," said Ye Chen.

"That's what I like about you, you are really firm, I will also help, after all I don't really like them," said Ling Shu.

Ling Shu didn't like them, because of that, she supported what Ye Chen did.

"Rue, you take care of everything, if something goes wrong, you can immediately tell the matter to me" Ye Chen said to Feng Rue.

"Where do you want to go?" Feng Rue was a smart woman, she of course asked where Ye Chen was going.

"I will go to perfect something, so for the time being I won't be able to be disturbed, this is also for our new product which will make the world interested" said Ye Chen.

"I understand" Feng Rue understood, she would take care of everything until Ye Chen returned.

"Good luck" Ling Shu said to Feng Rue.

"You also have to help her" Ye Chen said to Ling Shu.

"Why should I help" Ling Shu complained when she heard this.

"Don't be lazy like that" Ye Chen told her why he was doing this.

"but I like it" Ling Shu said.

Ling Shu said that she liked this.

"You" Ye Chen was helpless with what Ling Shu said.

"Fufufufufu, I'll go first, see you later" Ling Shu ran away, she was avoiding work.

"fufufu, miss is like that" said Feng Rue.

Feng Rue was used to it.

"Just leave it alone" Ye Chen already understood, so Ye Chen let this matter go.

"I will go first" Ye Chen said to Feng Rue.

He had to make wine his own way, this would probably take some time, so Ye Chen went to the fairy gate to do his experiments.

.

.

On the other hand, the trade associations started talking about Ye Chen, they started talking about Super Origin Mall.

A new place that is quite promising, and they can use it to make a profit for themselves.

The nature of their leaders is like that, they do this for individual gain.

Actually, there are so many entrepreneurs who don't like them, even though they won't protest what is happening now.

It's just that they don't dare to fight, it's not that they can't, behind the association there are some supporting forces, they get tribute from collecting taxes for every shop and also business.

They also regulated goods on the market, with that the prices would always be high and profitable, so they could get more profound crystals for themselves.

A pretty bad business, even though the profits from this are so tempting, many people will do this.

Just sit back and get amazing pay, everyone wants to work like that too.

"Send a letter to Super Origin Mall, we force them to join us, if not, then everyone is prohibited from trading with them" their method is still the same, if anyone goes against them they will start to destroy them.

There is no mercy for people who want not to work with them.

Because the trade association was so vast and so big, they had so many branches, this was one of the branches closest to where Ye Chen was currently.

The branch here is led by a man who is very competent and very greedy, he is a mixed race demi human and human.

"This person's name is Dian Cong, he is the head of the branch in this place, his job is to manage everything here.

Just as Dian Cong gave the order, they of course immediately went to send the message to Super Origin Mall.

.

.

Ye Chen was still quite focused on his work.

He had done thousands of experiments, and until now he still had not 100% found the same recipe.

"It's quite difficult too," said Ye Chen.

"this is a little difficult" Chu Yelan was beside Ye Chen, she helped Ye Chen to taste.

It turned out that she liked wine and helped Ye Chen taste it. It was a shame that even though they had tried several thousand times, they still failed and felt that something was missing.

"It's possible that you made the wrong step in processing grapes," said Chu Yelan.

"a way, what do you think, is there a way to do it" Ye Chen said to Chu Yelan.

"That's the problem" Chu Yelan didn't know either, they had to try again and again.

"let's try again, it's still too early for both of us to give up because it's still early" Ye Chen still didn't give up and continued until he got what he wanted.

At the very least Ye Chen wanted to create something much more delicious than pleasure wine.

Chapter 2899 merchant associations letter rejected

Feng Rue currently received a letter from the trade association.

Feng Rue frowned when she received the letter.

Feng Rue seemed displeased with the letter the merchant association addressed to them.

According to Feng Rue, this is a challenge for them.

"I will tell him about this matter" Feng Rue went to look for Ye Chen's whereabouts.

"Finally it's finished" Ye Chen had struggled very hard, he finally succeeded in making such great wine.

Ye Chen was so tired, he probably needed to rest for a while before starting to make large quantities.

"Husband . . ." Feng Rue called Ye Chen.

"What's wrong?, you look in a hurry" Ye Chen said to Feng Rue.

"You have to see this" Feng Rue said to Ye Chen, she told Ye Chen to see what she brought.

Ye Chen immediately saw what Feng Rue had brought, he saw the letter that Feng Rue had brought.

Ye Chen read and looked at the contents, he saw the contents in the letter.

After Ye Chen brought the contents in the letter, he knew the problem that was occurring.

"What do you think ?, haven't they gone overboard by writing things like that to us" Feng Rue asked Ye Chen.

"Of course, they have gone too far in writing this to us".

"They really want to fight against us, just reject this letter, I want to see what they can do" Ye Chen said to Feng Rue.

"I understand" Feng Rue didn't ask much, she knew Ye Chen's abilities and what Ye Chen had right now, so everything would be fine even if the merchant association boycotted them.

Feng Rue left, she would directly give a rejection reply to the merchant association.

"Even though it's just started and they're already trying to find trouble" Chu Yuechan said to Ye Chen.

"People like them are really annoying" Ye Chen said to Chu Yuechan.

"You are absolutely right, they are so annoying, they are people who want to take advantage of you, it is a good choice to reject them" said Chu Yuechan.

Chu Yuechan felt that Ye Chen's reason for rejecting them was very good, Ye Chen made a very good decision by rejecting them all.

it was such a good thing for Ye Chen and would not cause Ye Chen to suffer any losses.

"We also have to be prepared for the worst possibility that could happen, what we have to do is stay ready and alert" Ye Chen will remain alert to what will happen, don't let the enemy use Ye Chen's weakness to win.

Ye Chen rested for a while, he needed to rest for a while before starting to make large quantities of wine.

The big dwarf race needed wine for their hard work, so Ye Chen asked Feng Rue to find some people to help him.

With help from Feng Rue, Ye Chen managed to get enough people to carry out production and started producing in such large quantities.

Ye Chen is very sure that this will make the world like it, Ye Chen intends to sell it for a hefty price because this item is rare and difficult to make.

"Hey, what happened to you ?" Chen Xing asked Ye Chen about what he was doing.

she heard from Ling Shu that Ye Chen was starting a business and was interested in it.

"make something interesting, want to try it ?" Ye Chen asked Chen Xing.

"interesting, let me try it" Chen Xing tried it, she received one glass of wine from Ye Chen.

"Glup . . . Chen Xing started to try it, when she tried it, she knew that this was really good wine.

"so delicious and refreshing, this makes me happy" Chen Xing said to Ye Chen.

To be honest, Chen Xing doesn't really like wine, but this time she really enjoyed it.

Chen Xing felt that this was so delicious and so delicious that she really liked it.

"What's this?" Chen Xing asked Ye Chen, she wanted to know what Ye Chen used to make things this good.

Ye Chen smiled, he explained how he got this.

"Then this will be priced handsomely" Chen Xing said to Ye Chen.

"Of course, I'm sure there are many people who will like this" Ye Chen believes that there will be many who like this.

"I also agree that there will be so many people who like this" Chen Xing agreed with Ye Chen.

"I want one" Chen Xing said that she wanted one.

"Of course" Ye Chen gave it to Chen Xing, he gave one bottle to Chen Xing.

"Thanks, I will enjoy it" Chen Xing will enjoy this well.

"I'll go first" Chen Xing said to Ye Chen.

"You didn't tell me something" Ye Chen asked Chen Xing.

"There's nothing I need to tell you, everything is fine" Chen Xing said to Ye Chen.

"So there's no progress?" Ye Chen said to Chen Xing.

"You are absolutely right" Chen Xing nodded lightly.

"You solve your problem first, I will help you" Chen Xing said to Ye Chen.

I will solve this problem first.

.

.

Dian Ceng received the letter given by Feng Rue, he was so angry when he received this letter.

"How dare a small business challenge the merchant association, they don't know our capabilities yet"  
Dian Ceng will not let this matter go, let them feel the power of the merchant association.

"Let's start destroying this place, stop giving them materials," said Dian Ceng

With that, all members of the merchant association began to stop all transactions with Super Origin Mall.

They would definitely run into problems when merchant associations staged a boycott of Super Origin Mall.

With that, no one did business with Super Origin Mall anymore, those who entered the business groups of merchant associations were not willing to give Ye Chen their goods.

Ye Chen received news from Ling Shu about this matter, he just smiled when he heard this matter.

"What are these stupid people trying to do, do they think that this will affect us?" Ye Chen just smiled when he saw what was happening now.

"They seem quite stupid and don't know that everything we use is purely ours, if they knew they would definitely be very surprised and feel so stupid," said Feng Rue.

"Just leave those fools alone, we are starting to launch our new product and buy some of the items needed to make top grade pills, it's time to show our abilities" Ye Chen said to Feng Rue.

"I understand" Feng Rue immediately went to find what Ye Chen wanted.

Since they couldn't do business with trade association members, they would buy from individuals.

Ye Chen asked Jia Li, Shi Lin and Wu Ziyi for help, their abilities were beyond doubt in making top grade pills.

Ye Chen would focus on making wine, therefore he could trust and leave this matter to the three of them because they were worthy.

When Ye Chen launched his good wine, he was well received by everyone, they all really liked it and bought in large quantities.

Especially rich people drank wine every day for their pleasure after training or cultivation, and also used it to entertain guests.

Again, Ye Chen used up all the stock very quickly, in just a short time everything was gone and Ye Chen made a lot of profit.

Chapter 2900 merchant association spy

The profits that Ye Chen got were so big, he got such a big profit.

"This of course made everyone feel jealous and want to try what Ye Chen was doing.

they were all quite stupid because they didn't know what Ye Chen did, what Ye Chen did couldn't be imitated because they didn't know what Ye Chen created and did.

"Very great, we got a lot of benefits, you are really too great" Feng Rue said to Ye Chen, she praised Ye Chen for being able to provide such great benefits, it made Feng Rue very surprised.

This business had only been running for a short time and Ye Chen was able to gain a lot of profits in such a short time, this of course could make Feng Rue very surprised, she was very surprised by what Ye Chen had done.

"everything is according to plan, I thank you for the hard work you did" Ye Chen said to Feng Rue.

"No, this is all because of you, if it weren't for you, we wouldn't have gotten to this point" Feng Rue said to Ye Chen.

"You all also help, without you I wouldn't be able to do anything" said Ye Chen.

"You are so kind" Feng Rue felt that Ye Chen was so good, he was such a good person and Feng Rue really liked Ye Chen.

Many people like Ye Chen, this is one of the reasons why they like Ye Chen.

.

.

On the other hand, the merchant association started to complain to Dian Ceng, they were annoyed because Ye Chen's business had caused their income to fall.

Honestly, they couldn't compete with Ye Chen because they had to pay taxes to the merchant association, because of this Dian Ceng was so confused, how could he solve this problem, it was clear that this problem was very difficult for him to overcome.

that's because they have to pay taxes and increase costs in sales, on the other hand Ye Chen doesn't do that and makes huge profits.

If someone wants to compete, Ye Chen just needs to lower the price, even if Ye Chen lowers the price, Ye Chen will not suffer a loss.

That was because all the basic materials were held by Ye Chen and no one could control what Ye Chen wanted.

"Damn, damn" Dian Ceng was so angry, he didn't expect the situation to turn out like this.

"What are you doing now, can't you ruin that small business?" said Dian Ceng.

"Sir, to be honest, no one does business with them, everything they have is not from the market" they reported what they found.

"What do you mean by those words, are they not doing business with the market and everything is purely theirs," said Dian Ceng.

"That's absolutely true, everything is purely theirs and they have never done any big transactions with groups, just a few individuals who have nothing to do with us."

"That's very strange, quickly find out where they got the supplies from, don't let them succeed" Dian Ceng gave orders, they must be able to destroy Super Origin Mall.

"Okay, we'll leave immediately" they immediately went to investigate, they would soon return to give a report to Dian Ceng.

"This is the first time I have seen something like this, this is a strange thing" Dian Ceng is the first time he has seen something like this, according to him this is a strange thing.

He felt that there were powerful people involved in this matter.

Ye Chen's business was not affected even though they were fighting a trade association that was so big and so powerful, in fact the trade associations around them were having problems with what Ye Chen was doing.

.

.

"I received a report that there were several people starting to move around our place" Feng Rue said to Ye Chen, she told Ye Chen that there were several suspicious people.

"do you know their purpose" Ye Chen asked Feng Rue.

"It seems they are trying to find out about us" said Feng Rue.

"so that is their goal" Ye Chen understood, he saw their goal in coming.

"what to do, do I have to take care of them" Feng Rue asked Ye Chen.

Feng Rue wanted to make a move and finish them off immediately.

"It's up to the dictionary, do whatever you want" Ye Chen said to Feng Rue, he let Feng Rue do whatever she wanted, Ye Chen would not hinder Feng Rue.

"Then I will clean them all up" Feng Rue has gotten permission from Ye Chen, she will start to clean them all up.

Feng Rue leaves, she will solve this problem quickly.

Ye Chen looked at Feng Rue, it seemed like this matter was quite handled by Feng Rue.

They were just a branch, so their strength should still be below Feng Rue's.

As long as the center didn't interfere, Ye Chen didn't need to intervene.

Ling Shu didn't intervene either, she still liked to sleep and laze around as usual.

Meanwhile, Ye Chen himself was still quite focused on his current work and couldn't be disturbed.

Feng Rue appeared and immediately got off in front of the four suspicious people.

"You guys look suspicious, who are you ?" Feng Rue asked, she wanted to know who they were before she herself would make them talk.

"Damn it, we were discovered, quickly eliminate her" they were discovered, so they had to eliminate Feng Rue so as not to leave any traces.

They were bold enough to try to eliminate Feng Rue, they didn't know who they were fighting right now.

Feng Rue took out something, she took out a one-handed short sword to face the enemy.

"a short sword? ?" they all laughed when they saw what Feng Rue took out.

They laughed at the weapons used by Feng Rue, to them the weapons were short and wouldn't be very helpful.

Feng Rue ignored this, for her it was very easy to manipulate this weapon because she had the ability to control the elements so well.

Feng Rue immediately channeled her profound energy into the short sword.

Instantly, the short sword immediately emitted flames and became a flaming sword about 2 meters long.

It could still be longer, Feng Rue could control how long and big the sword in her hand was.

Feng Rue moved quickly and cut down one of the merchant association's spy people.

"Gahh . . ." the person was instantly burned to ashes by Feng Rue's slash.

"Surrender right now and tell the truth, I'm not that nice to the enemy" Feng Rue put on a serious face, she won't be nice to the enemy.

The gentle Feng Rue is really serious, she will not be merciful to any enemy.

she will defeat any enemy who tries to cause trouble for her.

Previously they laughed at Feng Rue, now they were so panicked and afraid of Feng Rue.

They thought that Feng Rue was just a weak woman, who would have thought that she would be able to defeat one of them so beautifully.

They attack Feng Rue with deadly throwing weapons.

"so you guys refuse to surrender, then I will finish you off" Feng Rue stepped forward, she swung her fire sword and started slashing at the enemy.

Because the flame sword can extend easily, every slash Feng Rue hits the enemy.

With just two slashes she managed to destroy 2 enemies and left one person stunned to see what was happening.

"Last chance" Feng Rue brandished her sword in front of the enemy's face.
