### Chapter 2971 Yin Xizu Fought The Demon God Commander

The demon god commander started swinging the rope towards everyone around him.

"All of you, quickly retreat." Yin Xizu warned everyone, telling them to withdraw from that place immediately.

Otherwise, they would die, that one top-grade artifact was so terrifying and powerful, it had an attachment to the demon god commander and was like his own body.

So the demon god commander could easily control it so easily.

They didn't listen to what Yin Xizu said, they were still too confident in their abilities.

"You guys are stupid" Yin Xizu said that if they were stupid, how could they not listen to what Yin Xizu said.

They attacked, each person using their strongest attack to kill the demon god commander.

The Immortal cutting rope began to move at an incredible speed, the speed was so fast that it passed straight through the four people quickly.

Even though it was just a rope, it could cut the bodies of the four of them, its power was much stronger than that of a sword.

The four of them couldn't imagine a rope having such power.

"impossible" Yan Rula couldn't believe what happened, why they were defeated so easily.

"That is a top-grade Celestial Tier weapon," Yin Xizu said to Yan Rula.

"Their injuries are so bad, it is very difficult to recover, and they will probably be disabled even if they recover," said Yan Rula.

"Just focus on healing them, I will deal with them." Yin Xizu said that she would face the demon god commander.

"I will do it" Yan Rula understood, she would focus on healing, while Yin Xizu would focus on the demon god commander.

Yin Xizu stood in front of the demon god commander, they ended up fighting 1 vs 1.

"It's been a long time" Yin Xizu said to the demon god commander.

"It's been quite a while since our meeting" the demon god commander said to Yin Xizu.

"You still look the same as before, no improvement" said the demon god commander.

"I am already much stronger compared to before, this time it will be a quick victory," said Yin Xizu.

Yin Xizu had improved quite a bit compared to before, this would be a quick battle, and Yin Xizu dared to guarantee that.

"hahaha, good spirit, in the past your group couldn't even kill me, what makes you think that now you can kill me" the demon god commander asked Yin Xizu.

"That was then, not now." Yin Xizu said that now is different from before, she is more confident in her abilities.

Yin Xizu started to attack, an attack was launched towards the demon god commander.

"It's not that easy" the demon god commander countered using Immortal cutting rope.

With the help of the Immortal cutting rope, the demon god commander could withstand every attack from Yin Xizu.

"This person's strength is higher compared to before?" Yin Xizu felt strange because this person's strength was much higher, he should be at level eight, but why did Yin Xizu find it difficult to deal with him?

"You must be confused right now as to why I can still survive," the demon god commander told Yin Xizu.

"I have increased the power of the Immortal cutting rope, now it is much stronger and much more dangerous compared to before.

"You have upgraded to Immortal cutting rope" Yin Xizu finally understood, it was not strange that it was so strong and could repel her attack.

"Hehehehe, there is no chance for you to win this time" he said to Yin Xizu.

Now that there was no chance for Yin Xizu to win, he would be the ruler.

"It's not that easy," Yin Xizu said, she could still fight, she could still fight the enemy using her full strength.lights

Yin Xizu finally started to get serious, blood flower petals started to scatter, and she started to attack the demon god commander.

The demon god commander also started to attack, and the two of them engaged in a high-level battle that was so fast and full of power.

"Boom. . . ." Their battle was really fast, it was a very fierce battle that they fought.

Yin Xizu and the demon god commander did not hold back, causing this place to collapse due to the battle.

"this is terrible" Yan Rula saw the battle fought by Yin Xizu and their battle demon god commander as extremely destructive.

Yan Rula had to survive, if she didn't survive now, it was certain that she would be destroyed.

The demon god commander smiled at Yan Rula.

Yan Rula didn't understand why the enemy was smiling at her.

Without Yan Rula realizing it, the demon god commander tried to use charm to control Yan Rula.

Compared to Yin Xizu, Yan Rula looked much easier to control, she had a weak mind and was easy to manipulate.

Because of this, the demon god commander used his abilities to manipulate Yan Rula.

Yan Rula can indeed be manipulated, she is starting to be controlled by the charm of the demon god commander.

Yin Xizu was focused on fighting, she didn't notice what happened to Yan Rula.

Yin Xizu knew that her opponent had a lot of tricks, if she was careless, she would be in trouble, so she focused on the enemy and ignored the useless things.

By focusing on one enemy, Yin Xizu would not be easily controlled by the demon god commander's enchantment.

It was one of the things that Yin Xizu had learned in the past and never failed to use.

The demon god commander started to corner Yin Xizu, he made Yin Xizu retreat.

When Yin Xizu retreated due to the attack from the demon god commander, an attack appeared from the rear.

The attack that came was a light attack, of course, it was quite troublesome for Yin Xizu.

"what happened?" Yin Xizu survived the attack, even though part of her clothes were burned.

"Too bad it didn't kill you," the demon god commander told Yin Xizu.

After saying this, Yan Rula came to the demon god commander's side, she was like a puppet that obeyed the demon god commander's words.

Yin Xizu looked at Yan Rula, it seemed that Yan Rula was successfully controlled.

"Isn't she a light user, why is her mind so weak" Yin Xizu told Yan Rula.

Yan Rula should have such a clear and kind mind, so there was no way the charm of the demon god commander could control her.

"How about it, are you happy with what I did, I just got such a competent servant to deal with you" The demon god commander said to Yin Xizu.

"You're shameless" Yin Xizu said the Demon God Commander was shameless.

"Hahaha, I already thought that you would say that to me" The demon god commander had already expected Yin Xizu to say that.

"But it doesn't matter, I will catch you too, you can be one of the puppets I have." The demon god commander said that Yin Xizu could be his puppet.

"That won't happen" Yin Xizu refused, she wouldn't be like that.

"Let's see how long you can last." The demon god commander asked Yin Xizu, how long Yin Xizu could survive the onslaught of attacks from the two of them.

#### Chapter 2972 Charm Fight

The two of them started to attack Yin Xizu.

Using combined attacks, they overwhelmed Yin Xizu.

Yin Xizu chose to defend for the time being, she couldn't defeat the demon god commander using a single attack.

After all, the demon god commander would use Yan Rula as a shield.

Yin Xizu was fighting a cunning guy, she couldn't be careless when fighting a demon god commander.

"I can't continue defending and must attack" Yin Xizu couldn't continue defending, she had to attack back.

Yin Xizu decided to counterattack, when Yin Xizu counterattacked, the demon god commander used Yan Rula as a shield.

That made attacks from Yin Xizu less effective against the demon god commander.

Yin Xizu did not give up and continued trying to attack the demon god commander from various directions, where she restrained herself from injuring Yan Rula.

"hahahaha, you definitely can't attack me, you are too kind" said the demon god commander.

The demon god commander said that Yin Xizu was too kind.

"Get out of the way stupid" While Yin Xizu was fighting, from behind came a powerful attack.

Yin Xizu avoided the attack, which seemed so powerful.

It was the heaven sword technique, one of the techniques possessed by Long Waeri.

"So weak, if she is controlled, just kill her" Long Waeri told Yin Xizu.

"do you think it is easy" Yin Xizu said to Long Waeri.

This person was truly too cruel, he didn't care about the safety of others.

"Our focus is to kill Demon, there is no point in keeping people who can easily be controlled by the opponent," said Long Waeri.

Long Waeri didn't care, he didn't like annoying weak people.

"You're quite arrogant just because you can use heaven sword technique, you should know that things won't be resolved that way," said Yin Xizu.

"I don't care, if you don't want to fight, just let you be" Long Waeri said to Yin Xizu.

He told Yin Xizu to withdraw.

Long Waeri chased Yin Xizu away, after which they fought against the demon god commander.

"It's not that easy" the demon god commander controlled several women in the group of 40 people.

The demon god commander looked at Long Waeri, this person was different from Yin Xizu.

He had to use harsh methods to fight Long Waeri.

"Demon, today I will kill you, you better remember the name of the person who killed you, I am Long Waeri" he said to the demon god commander.

"Hahahaha" the demon god commander smiled as he listened to what Long Waeri said.

"It's too early for you to fight me, you're just a snotty kid" The demon god commander said that Long Waeri was just a snotty kid, what could a snotty kid like Long Waeri do?

"You will regret what you said" Long Waeri said angrily.

"Oh, so that's how it is, he gets angry easily" The demon god commander saw that Long Waeri was easily angered, he could use this against Long Waeri.

"First of all, I will start with the people around him." using the woman he controlled, he made Long Waeri's formation chaotic.

"What ?" Long Waeri wasn't aware of what was around him, he was too focused and didn't realize that the women around him were being controlled.

"You guys are useless" Long Waeri was so annoyed he slashed them with his sword.

Long Waeri was merciless, he injured all the women using his sword.

The men around didn't care about this, it could be said that they didn't care about what happened to their colleagues.

They are happy because the rewards for the mission will become more and more.

"These people" Yin Xizu watched from the side, it could be said that Long Waeri was so stupid.

Long Waeri slashed his people without mercy, he was like a villain who only needed victory and didn't need anyone else.

In Long Waeri's mind, what he did was the truth, anyone who dared to stand in his way must be destroyed.lights

Yin Xizu didn't want to interfere, she would first try to resuscitate Yan Rula first.

"Sorry that I'm a little late" Ye Chen said to Yin Xizu, it seemed like he was a little late.

"You're not late, you came at the right time," Yin Xizu said to Ye Chen.

Ye Chen came at the right time, now Ye Chen could help.

"Tell me what happened here," Ye Chen asked Yin Xizu.

"The demon controlled one of my people, I couldn't beat him because he used her as a shield" Yin Xizu said to Ye Chen.

"did he use charm?" Ye Chen asked Yin Xizu.

"That's right" Yin Xizu nodded to Ye Chen, she said that the opponent used Charm to deal with him.

"so it's like that" Ye Chen understood, he knew what to do.

"what's the situation there?" Shen Xinyue asked Ye Chen.

she wanted to know about the situation there from Ye Chen.

"It looks like the enemy is controlling one of your healers" Ye Chen said to Shen Xinyue.

"So that's how it is, he can control women" said Shen Xinyue.

Such an ability is difficult to deal with, it would be a problem to face someone with such an ability.

"Don't worry, I can solve this problem" Ye Chen said that he could solve this problem.

"how do you solve this problem?" Yin Xizu asked Ye Chen, how did Ye Chen solve this problem.

"By using charm," Ye Chen said, and he would use charm to face the enemy.

"so it's like that, I understand the plan you have" Jia Li understood, if it was Ye Chen, he should be able to do it.

"Aren't you too confident in your charm," said Shen Xinyue.

"Don't you believe in the abilities I have?" said Ye Chen.

"To be honest, it's quite hard to believe that," said Shen Xinyue.

"Then you have to pay close attention to this" Ye Chen said to Shen Xinyue, he told Shen Xinyue to pay close attention.

Ye Chen advanced, and he appeared in front of Yan Rula.

Yan Rula looked at Ye Chen, she was now under the enchantment of the demon god commander, and Ye Chen had to free her.

"Let's try using the charm that I have" Ye Chen said that he would try the Charm that he had.

"You rarely use it, and never train it well" Chu Yuechan said to Ye Chen.

Chu Yuechan told Ye Chen that she had never trained her Charm.

"It's okay, I'm still quite confident" Ye Chen said to Chu Yuechan.

"Who else could it be, quickly kill him" The demon god commander told Yan Rula to kill Ye Chen.

"I will take the toys you have" Ye Chen said to the demon god Commander.

"shut up you human" The demon god commander said to Ye Chen.

"Prepare yourself" Ye Chen used his Charm, it made Yan Rula look at Ye Chen with a shy look.

"Come here," Ye Chen said to Yan Rula, and he ordered Yan Rula.

Yan Rula came to Ye Chen.

"What ! ! !" The demon god commander was shocked when he saw what Ye Chen did.

"how is that possible" The demon god commander was speechless when he saw what Ye Chen did.

"After being near Ye Chen, he immediately made Yan Rula conscious.

"What happened" Yan Rula didn't understand what was happening now, she felt dizzy about what was happening now.

"are you okay" Ye Chen asked Yan Rula.

Chapter 2973 Two-Sided Battle

"who are you?" Yan Rula asked Ye Chen, but she didn't know who Ye Chen was.

Yan Rula even started trying to get away from Ye Chen.

"Calm down, he is not an enemy, he just saved you" Yin Xizu said to Yan Rula.

Yin Xizu told Yan Rula what had happened.

Yan Rula was silent when she heard this, she was so embarrassed that she could be controlled by the Demon using charm.

"It was so embarrassing, I was controlled by a demon," said Yan Rula.

"Yes, no need to feel guilty, he is indeed strong, just look at those over there who are also controlled, and their fate is worse than yours," said Yin Xizu.

Yin Xizu looked at Long Waeri's group, what was in front of Long Waeri was so shocking.

"What is he doing?" Yan Rula said to Long Waeri.

What Long Waeri did was cruel and heartless.

"That guy, what is he doing, aren't they his own friends?" Ye Chen asked Yin Xizu.

"I don't know what they did either, he is such a heartless person" said Yin Xizu.

"You useless people get out of the way" Long Waeri continued to get rid of those who were deemed useless, he didn't care about the consequences that would occur.

Long Waeri is a great person, he just needs to make an excuse, and those behind him will go with him.

So this is not too difficult, the problem will be solved easily without any problems by Long Waeri.

"You, what did you do to my puppet" the demon god commander asked Ye Chen.

"Didn't I tell you earlier that I would snatch it from you, didn't you listen to what I said?" Ye Chen said to the demon god commander.

"That's impossible, you won't be able to do that, the charm I have is absolute," said the demon god commander.

"Is it like that, it proves that the charm you have is just rubbish" Ye Chen said to the demon god commander.

"rubbish?" The demon god commander didn't expect to hear this from Ye Chen, how dare someone call his charm trash.

The demon god commander would not forgive this.

"You, you will feel the consequences of this" the demon god commander said to Ye Chen, he immediately went towards Ye Chen's place at full speed.

Yin Xizu would not allow that, right now the demon god commander no longer had a shield, so Yin Xizu could easily attack him.

With such a powerful attack, Yin Xizu caused a wound to the demon god commander.

"Very good, I will also help" Shen Xinyue also helped, she attacked the demon god commander by using ice needles to freeze his movements.

Yin Xizu and Shen Xinyue worked together so well victory would be easy.

"Damn, you two" the demon god commander was so angry with what happened, the attack just now made it difficult for his body to move.

"He is mine" Long Waeri immediately attacked the demon god commander.

He ignored everyone, including Ye Chen, Jia Li, Yan Rula, Yin Xizu, and Shen Xinyue.

The demon god commander left, he easily dodged the attack.

Yin Xizu and Shen Xinyue could definitely dodge the attack easily.

The problem now is that Yan Rula was slightly injured by the attack previously launched by Long Waeri. While Jia Li probably wouldn't be able to dodge the attack.

"This person, does he want to help or does he want to fight us" Ye Chen didn't understand what Long Waeri was trying to do.

Ye Chen had to withstand the attack, if he didn't hold back, it could hurt Jia Li.

"Divine Sword Intent" Ye Chen used Divine Sword Intent, he resisted the heaven sword attack launched by Long Waeri.

"Slash . . ." Long Waeri's attack suddenly disappeared into smoke, it all disappeared in just a short time.

"What?" Long Waeri's mouth opened when he saw what happened, he didn't expect that Ye Chen would wipe out his attack.

"You shameless person, I will destroy you first" Ye Chen decided to destroy Long Waeri.

"You handle the Demon, I will take care of them," Ye Chen said to Yin Xizu and Shen Xinyue.lights

"we understand" They both understood they would take care of the demon god commander for Ye Chen.

"I will help too" Jia Li said to Ye Chen.

"okay" Ye Chen understood.

"I will focus on healing the injured people first, I will help you guys too" Yan Rula couldn't fight because of her injuries.

So she would only help Ye Chen by healing Ye Chen.

"Please help from back" Ye Chen said to Yan Rula.

With that, Ye Chen went to face Long Waeri.

.

.

On the side of Shen Xinyue and Yin Xizu.

"Is it okay to let him fight Long Waeri?" Shen Xinyue asked Yin Xizu.

"no problem, he can beat him" said Yin Xizu.

"That's not what I meant, you don't know Long Waeri's identity, right, if something happens to him then," said Shen Xinyue.

Shen Xinyue was worried about Ye Chen.

"Didn't you break his hand in the past?" said Long Waeri.

"That's very true, in the past I did that because he was so annoying," said Shen Xinyue.

"I have a status and they won't easily touch me, but he does" Shen Xinyue said.

"Listen to me, that person will destroy the Four-sided Immortal Palace" said Yin Xizu.

"Ehhh?, what did you say before?" Shen Xinyue was shocked when she heard this.

she was so shocked when she heard this

"You're not joking with me, are you?" Shen Xinyue said.

"Why am I joking with you?" Yin Xizu said to Shen Xinyue.

"That's impossible, the Four-sided Immortal Palace's strength is above the clouds" said Shen Xinyue.

"Nothing is impossible, you don't know who he is, if you know, maybe your mind will 100% change" said Yin Xizu.

Shen Xinyue was silent when she heard this, she still didn't know Ye Chen very well, for Shen Xinyue, Ye Chen was still quite mysterious.

Shen Xinyue was getting increasingly curious about Ye Chen, she should probably find out about that.

"I really want to talk to you more, after the problems in this place are resolved, let's find a place to talk," said Shen Xinyue.

"Of course, I don't mind" Yin Xizu didn't mind talking to Shen Xinyue about any problems that might occur.

"But first let's solve the evil demon in front of us," Shen Xinyue said to Yin Xizu.

"That's absolutely right, let's solve the enemy in front of us first" Yin Xizu agreed, they should solve the enemy in front of them first.

"So you guys will be the ones facing me" the demon god commander said to Yin Xizu and Shen Xinyue.

"We are your opponents, get ready" Yin Xizu and Shen Xinyue said they were opponents.

"Your performance is not bad, after I win I will make you two slaves" said the demon god commander.

"That will never happen" Yin Xizu and Shen Xinyue stepped forward, and they launched a super strong attack toward the demon god commander.

Using such a powerful attack, they directly broke through the demon god commander's defenses.

"Damn. . ." he used Immortal cutting rope to deal with Yin Xizu and Shen Xinyue.

"evade" Both avoided the Immortal cutting rope.

After that, they counterattacked, Shen Xinyue using ice needles and Yin Xizu using rain of blood flower petals.

Chapter 2974 Yin Xizu And Shen Xinyue Work Together To Seal The Enemy

"You two are so annoying" the demon god commander told Yin Xizu and Shen Xinyue.

His defense was broken, this was very dangerous because attacks from Shen Xinyue and Yin Xizu could injure him.

"both of them are such dangerous opponents, I have to keep my distance from both of them" The demon god commander decided to keep his distance from Shen Xinyue and Yin Xizu.

As he retreated, something cut through his body, thin and invisible ice threads cut through his body.

"Impossible . . ." The demon god commander didn't see it, it was so thin that he couldn't see it.

Several parts of his body were cut and frozen.

"What a troublesome technique" The demon god commander had to admit that Shen Xinyue's technique was very effective against him.

Because it was frozen, it made his body's regeneration very slow.

Yin Xizu did not miss the opportunity given to him by Shen Xinyue, she attacked using the blood spear and aimed for the heart of the demon god commander.

The demon god commander was stabbed in the heart, it seemed that would be the end for him.

"Is it done, that's enough to kill him?" Shen Xinyue asked Yin Xizu.

Was what they were doing right now enough to kill the demon god commander.

"It's not that easy" Yin Xizu said that it wasn't that easy to kill the demon god commander.

"You two" the demon god commander was still able to get up, such a serious injury could not kill him.

"If he was so easy to kill, then in the past I wouldn't have bothered to seal him" said Yin Xizu.

"still have to fight again against him" Shen Xinyue understood, they had to fight again against the demon god commander.

"Roar . . ." the demon god commander roared, a dark aura flooding this place.

The dark aura gathered on the demon god commander's body after it gathered on the demon god commander's body.

The demon god commander's body started to change, his skin started to turn red, a pair of wings appeared, and an extremely sharp horn grew on his head.

"He finally took it out" Yin Xizu said to Shen Xinyue.

"Is that his true form" Shen Xinyue asked.

"That's right, it is the final evolution and the most difficult to deal with, its regeneration rate is the same as the vampire race and the destruction power is so terrifying" said Yin Xizu.

The demon god commander ate the immortal cutting rope.

Yin Xizu and Shen Xinyue could only watch what the demon god commander was doing.

"What would he do by eating an Immortal cutting rope weapon?

"Why did he eat a weapon?" Shen Xinyue asked Yin Xizu.

"I don't know either, it's the first time I've seen this." Yin Xizu saw this for the first time, she never knew that the demon god commander could do such a thing.

After eating it, he created a spear with the exact power of an Immortal cutting rope.

"What is that, he eats and makes new weapons?" Yin Xizu saw it for the first time, is this the latest ability of the demon god commander that Yin Xizu has never seen.

"You guys will feel the consequences of fighting me." The demon god commander's voice turned sinister.

"Blink" The demon god commander disappeared and reappeared behind Yin Xizu and Shen Xinyue.

Shen Xinyue created a barrier from Ice threads.

"Slash . . ." The ice threads were cut easily by the spear.

Shen Xinyue and Yin Xizu had to retreat, taking the attack head-on would not be good for either of them.

Yin Xizu advanced, she made a sword, and attacked the demon god commander.

Shen Xinyue created an ice sword and started attacking.

"Clang" They ended up having fierce close combat using weapons they made from profound energy.

Their battle became fierce.

The demon god commander was truly powerful, after evolution, he became difficult to take down, all the injuries he had quickly recovered and exceeded Yin Xizu's abilities.lights

"Is this all you can do?" the demon god commander said to Yin Xizu and Shen Xinyue.

The demon god commander felt that he was superior and so strong, he was invincible in this place and was the most powerful.

Even Yin Xizu and Shen Xinyue were nothing in his eyes because his strength was overwhelming.

Yin Xizu and Shen Xinyue looked at each other, it seemed like it was time for them to get serious.

"Great Glacier" Shen Xinyue used such a powerful technique that could bury an entire star in ice.

Yin Xizu's "Chain Blood Seal" used a blood chain to restrain the demon god commander from escaping Shen Xinyue's attack.

"Damn it, let me go" The demon god commander had trouble fighting Yin Xizu's blood chain, it was quite strong and very difficult to remove.

"accept your end" Shen Xinyue said to the demon god commander, she told the demon god commander to disappear from this world.

"Damn you two" the demon god commander cursed what Shen Xinyue and Yin Xizu did.

"Boom. . ." The Great Glacier buried the demon god commander.

With that, they could seal the demon god commander.

"We can seal him now." Yin Xizu said that she could seal the demon god commander.

Yin Xizu began to cast a high-level sealing technique to seal the demon god commander.

.

.

On Ye Chen and Jia Li's side.

Ye Chen faced Long Waeri, he came forward and faced Long Waeri directly.

"Get out of the way" Long Waeri told Ye Chen to get out.

"I don't want to get out of the way, what can you do?" Ye Chen asked Long Waeri.

Ye Chen refused to get out of the way, Ye Chen would not let Long Waeri come forward.

"Damn, you dare to fight me" Long Waeri was angry, he had to be the one to defeat the demon.

If he didn't do it, then his reputation could be ruined.

"why don't you pass if you have the ability" Ye Chen told Long Waeri.

"Okay, if that's what you want, I will pass you" Long Waeri said that she would pass Ye Chen.

"You guys, take care of him for me" Long Waeri said to the people behind him, he told them to help fight Ye Chen.

Everyone understood, and they immediately went towards Ye Chen.

Ye Chen avoided the incoming attack, he didn't forget to hit the enemy backward.

Long Waeri took advantage of the opportunity, he immediately went to the demon god commander's place.

"Bammm" Ye Chen wouldn't let that happen, he hit Long Waeri.

"This bastard" Long Waeri was hit in the stomach by Ye Chen.

"kill him for me" Long Waeri said to kill Ye Chen.

He wanted Ye Chen to die, Ye Chen had dared to harm him.

"attack" They all attacked Ye Chen in unison, with an absolute order from Long Waeri, they all attacked Ye Chen.

"You are quite annoying, you should get out of the way" Ye Chen warned everyone to leave this place.

"Shut up, you will die" they said to Ye Chen.

"That won't happen," Ye Chen told him. If that didn't happen, he wouldn't die.

They attacked Ye Chen, and each of their attacks was so well-rehearsed and well-placed that the talent of the Four-sided Immortal Palace could not be underestimated.

Chapter 2975 broke Long Waeri's hand

"dead" Long Waeri joined the battle, he attacked Ye Chen using full strength.

"slash" Long Waeri's attack hit Ye Chen.

"feel that," Long Waeri said to Ye Chen.

"It's not that easy to kill me" Ye Chen said to Long Waeri.

Ye Chen's body disappeared, and Ye Chen reappeared above Long Waeri.

"What ?" Long Waeri was surprised to see Ye Chen reappear above him.

"Slash . . . ." Ye Chen slashed at Long Waeri, he hit Long Waeri's handsome face.

Long Waeri stepped back, he felt pain in his cheek.

Long Waeri felt fresh blood on his cheek, he knew that Ye Chen had just injured his cheek.

"Bastard," Long Waeri was so annoyed to see Ye Chen hurt his face, this was one of his assets.

"I will not forgive you" Long Waeri said to Ye Chen, he told him that he would never forgive Ye Chen for what happened.

He would make Ye Chen pay for what he did.

"It's just a warning" Ye Chen said to Long Waeri, Ye Chen was still quite good for giving Long Waeri a warning, if only Ye Chen hadn't given Long Waeri a warning, Long Waeri would have died earlier.

"You, how dare you say something like that, I won't let you" Long Waeri said that he wouldn't let Ye Chen.

"Kill him for me, don't hold back anymore." Long Waeri gave the order to kill Ye Chen, he told them all to no longer hold back.

Everyone saw how angry Long Waeri would become if they didn't carry out Long Waeri's orders.

Those who Long Waeri will kill.

They brought out their full strength, they will use their trump cards against Ye Chen.

In their group, there are around 40 people, they are divided into various elements.

When they cast their abilities, they create five different colors.

"There is fire, ice, lightning, wind and earth" all these top-level attacks were launched towards Ye Chen.

This attack is truly destructive, there is no need to ask if this attack can destroy everything in sight.

"Not very useful against me" Ye Chen flicked his finger, when Ye Chen did this, suddenly all the attacks heading towards him disappeared.

"Huh?" everyone was really shocked by what Ye Chen did.

"what are you doing" Long Waeri shouted at everyone.

"We did it right, we don't know what happened," they told Long Waeri.

They had all done it right, they had used the best cards they had against Ye Chen.

"Then why did it disappear on the road?" Long Waeri asked, he was wondering why it suddenly disappeared.

"We all don't know" they don't know about this, honestly they don't understand and know the cause of the problem.

"What's wrong?, did your people fail, it seems like you brought incompetent people together with you" Ye Chen said to Long Waeri.

"Who do you say is incompetent, we are all geniuses" They said to Ye Chen, they all told Ye Chen that they were extraordinary geniuses.

"genius?" Ye Chen asked them all again.

"That's absolutely true, we are all geniuses" they said to Ye Chen.

"Are you really geniuses or just making it up, a weapons genius wouldn't say something like that," said Ye Chen.

Ye Chen said that a true genius would not do that.

"What are you saying, you dare to underestimate you, we will kill you" they said in unison.

Long Waeri saw what Ye Chen was doing, this stupid man was trying to provoke everyone, he definitely wouldn't have a good ending.

"This fool, he will quickly be removed by what he did" Long Waeri was sure that Ye Chen would soon be removed from the street.

"Then I will show a little the strength that I have" Ye Chen said that he would show the strength that he had.

"Earth Impact" Ye Chen uses the ground impact technique, which is a shock wave that can create earthquakes and explosions in the surroundings.

"Boom" A huge explosion shook the earth, this explosion swallowed everyone into it.

Everyone inside felt the impact, they were hit by flying rocks as a result of the impact caused by Ye Chen.

"Arghhhh. . ." Even though this technique is so simple and easy, the impact is quite damaging.

They were injured, and several of their bones were broken as a result of Ye Chen's attack.

Long Waeri was at the back, so he received the least impact compared to everyone at the front.

"Damn it. . ." Long Waeri tried to get up, he tried to get up and fight Ye Chen.

Ye Chen stepped on Long Waeri, Ye Chen didn't let Long Waeri get up.

"You have lost" Ye Chen said to Long Waeri.

Ye Chen said that Long Waeri had lost, all his troops had fallen, and it was difficult to fight again.

"This bastard" Long Waeri hasn't even shown his strength yet.

Long Waeri tried to fight Ye Chen, he tried to get up and fight Ye Chen directly.

Ye Chen didn't let Long Waeri get up, he stomped even harder.

"Are you still not giving up, to be honest I don't really like all of you" Ye Chen said to Long Waeri.

"You are quite brave to fight us, you must not know who we are" Long Waeri said to Ye Chen.

"Of course I know about you guys, do you think I care about all of you" Ye Chen said to Long Waeri.

Ye Chen didn't really care about Long Waeri, as if Ye Chen wanted to care about Long Waeri's identity.

"You will regret what you have done now" Long Waeri said to Ye Chen.

"No, you will regret it because you dared to step on me" Long Waeri said to Ye Chen.

"You will regret it, you don't know who you are fighting right now" Ye Chen kicked Long Waeri.

"Damn it, I'll call for help," Long Waeri said that he would call for help to help.

"You want to call for help, do it if you can" Ye Chen said to Long Waeri.

"Get ready" Long Waeri was not afraid and instead challenged Ye Chen.

"master, isn't he too arrogant?" Chu Yuechan said to Ye Chen.

"That's absolutely true, he is indeed arrogant, let's teach him a proper lesson" Ye Chen said to Chu Yuechan.

Ye Chen will give Long Waeri a proper lesson.

Ye Chen used more of the strength he had, he started to stomp and break Long Waeri's hand.

"Ghhhhhh . . ." Long Waeri screamed in pain, Ye Chen had just destroyed his hand.

"How does it feel?" Ye Chen said to Long Waeri.

"It's nothing" Long Waeri can still hold on, this feeling is so strong.

"Seriously, so you think this is nothing, then feel this" Ye Chen increased his strength, the pain became even more intense for Long Waeri.

"Arghhhh. . ." Long Waeri's screams echoed around this place, Jia Li, who was behind, could only see what Ye Chen was doing.

"It looks like he really enjoyed this" Jia Li saw that Ye Chen really enjoyed this.

Long Waeri is an enemy, so it's not surprising that Ye Chen really enjoyed doing this to Long Waeri.

"Hmmm, that?" Jia Li saw that a huge force was approaching this place.

"Husband. . ." Jia Li gave Ye Chen a warning.

Chapter 2976 help arrives for Long Waeri

2976 help arrives for Long Waeri

"I understand" Ye Chen could feel it too, he could feel that Long Waeri's help had arrived.

"You will pay for what you have done" Long Waeri said to Ye Chen. "I'm not too sure about that problem" Ye Chen said to Long Waeri. Will the people who are able to help Long Waeri?

"That person can definitely save me" Long Waeri really believed that the person who would come could save herself from Ye Chen.

"Boom..." After waiting for a long time, someone finally came, he was having trouble coming into the place, the reason was very clear, the room here was so complicated that he was having trouble getting into this place.

"You all, how come you are like this" a man came, he was middle- aged and he seemed to have quite a mature aura.

"an elder came?" Ye Chen saw the identity of the other party.

"elder, please save us, this person has disturbed us in conquering the demon" Long Waeri asked for help.

Long Waeri said that Ye Chen was a bully who bothered him.

"Shut up, who are you calling a bully, you guys are bullies in this place, if you didn't show up, then none of this would have happened" said Ye Chen.

"Arghhhh..." Long Waeri screamed again, he had just been tortured quite painfully by Ye Chen.

"Damn, this hurts" Long Waeri said to Ye Chen.

"I'm not inviting you to talk, so shut up" Ye Chen said to Long Waeri.

Ye Chen didn't invite Long Waeri to talk, so he wasn't happy about this.

"let him go, otherwise..." the man in front said to Ye Chen.

"If not, why?" Ye Chen asked the man in front of him, he wanted to know what he would do if he didn't let go of Long Waeri.

"if not, you will die" he said to Ye Chen.

"You dare threaten me, then I will cripple this person" Ye Chen paralyzed Long Waeri.

He used more force to disfigure Long Waeri, and it would be very difficult to cure Long Waeri.

"damn, you still dare, I am the 300th elder, I will kill you" The 300th elder is going to kill Ye Chen.

The elder advanced towards Ye Chen, he immediately used his palm to pat Ye Chen.

He used all the abilities and strength he had to face Ye Chen, using all the abilities he had to face Ye Chen.

This elder should be able to take down Ye Chen with just one attack.

Ye Chen coated his body using a very strong earth defense, he used the defense of the Rhino Tank to defend against the attacks that came towards him.

"Bamm..." A sound like a bomb occurred when the palm of the 300th elder hit Ye Chen, the sound made everyone here look at it. Even Shen Xinyue, who was in the distance, saw this.

"what happened there ?" Yin Xizu was in the process of sealing, so she asked what happened there.

"an elder appeared, he must have come to save Long Waeri" Shen Xinyue said to Yin Xizu.

"how many ?" Yin Xizu asked Shen Xinyue.

"One person" Shen Xinyue said that there was only one person who came to face Ye Chen.

"There should be two," Yin Xizu said to Shen Xinyue.

"huh?" Shen Xinyue asked Yin Xizu again.

"I said there were two people," Yin Xizu said to Shen Xinyue.

"I understand" Shen Xinyue understood, she became alert to what was around her.

If what Yin Xizu said was true, then it was certain that another person was hiding.

"Where is he hiding?" Shen Xinyue looked around, she was currently trying to see one more person.

"Crack.." from below, a person appeared and attacked Shen Xinyue.

Shen Xinyue didn't stay still and immediately kicked the person who appeared from below.

This person's surprise attack failed, he was unable to attack Shen Xinyue because of their difference in strength.

"Damn it, it turns out you can still see the attack I made," he said to Shen Xinyue.

"I'm quite alert, an attack like that would never work against me," Shen Xinyue said to the middle-aged man in front of her.

"Hmm, forget it, I can't carry out a sneak attack on you, because of that, I will catch you, I think the young master is interested in you" he said to Shen Xinyue.

"So your target is me" Shen Xinyue understood, this person's target was her, so Shen Xinyue would face this person.

"Just focus on your task, I will deal with this person" Shen Xinyue said to Yin Xizu.

"I understand" Yin Xizu nodded, she could leave the matter to Shen Xinyue.

This was a personal matter that belonged to Shen Xinyue.

So he will face this problem in his way.

"You guys are really too annoying, I don't really like you guys." Shen Xinyue said that she didn't really like them.

"You are too arrogant just because you are the first beautiful woman in this world, you should know that there are so many wolves targeting you," he said to Shen Xinyue.

"I also know that, because of that, I don't easily trust other people." Shen Xinyue also understands this, and because of that, she doesn't easily trust other people.

"Because of that, you are always alone and reject others," he said to Shen Xinyue.

"Stop talking, do you want to waste the time I have, let's fight right now" Shen Xinyue said to fight right now she didn't really like wasting words on the opponent.

"As per your request," he immediately went and attacked Shen Xinyue.

This person had both earth and fire elements, he coated his body with earth, meanwhile, he used the flames on the outside to deal with Shen Xinyue's attack.

This was a way to deal with attacks from Shen Xinyue, using this method, he could win against Shen Xinyue.

"too stupid...." Shen Xinyue stretched her hand forward, and an ice mist appeared and covered the body of the middle-aged man in front of her immediately, the middle-aged man was frozen into an ice statue.

"freeze" he was frozen, he didn't even have a chance to fight Shen Xinyue and was frozen.

"You are too confident and forget who you are, that is too stupid" *novelhulk.com*

Shen Xinyue said to the man in front of her.

After that he looked towards the battle that was going on between Ye Chen and the 300th elder.

Shen Xinyue and the elder's battle was so fast, in just one second, Shen Xinyue won.

This was such an easy battle for Shen Xinyue.

Meanwhile, on Ye Chen's side.

The 300th Elder was sure that the attack just now was strong enough to kill Ye Chen.

"There is no chance for Ye Chen to survive that wind palm of his".

"You were stupid to resist the attack I had, this is a wind palm that will destroy your internal organs" the 300th elder explained to Ye Chen.

He explained to Ye Chen about the abilities and power of his attacks.

"Is that the only ability you can show me?" Ye Chen said to the 300th elder.

"Huh?" The 300th elder fell silent when he saw Ye Chen was able to survive the attack.

"Why, you should have fallen," he said to Ye Chen.

Ye Chen should have collapsed after receiving an attack like that, there was no chance for Ye Chen to survive an attack like that.

"The defense I have is quite strong, it won't be easily penetrated" Ye Chen said to the 300th elder.

Chapter 2977 Celestial Pillar Light

"Those are stupid words, even though the outer defense is strong, the inner defense is still weak," he said to Ye Chen.

"That's what you think," Ye Chen said.

"Then this is the time to counter your attack" Ye Chen hit the person in front of him using full strength.

"Bamm . . ." The 300th elder retreated several meters when he received the blow straight in the stomach.

"cough . . ." He immediately vomited blood, unable to withstand the attack launched by Ye Chen.

"Impossible, my head is dizzy and my body is shaking" The 300th elder felt dizzy and his body was shaking after receiving the attack from Ye Chen.

The attack launched by Ye Chen was indeed strong and caused serious injuries to the 300th elder.

"This person is strong, I can't handle him, I have to ask for help from a higher elder" he wanted to ask for help from an even stronger elder to fight Ye Chen.

When he asked for help from a stronger elder, he saw that Shen Xinyue had defeated the elder.

"Unbelievable, their fighting skills are above average, I won't be able to win, it's better to take young master first" the 300th elder intended to run away.

Before that, he had to do something to create a situation so that he could escape from this place.

"I will use that talisman" He intended to use a talisman that could help him escape from this place.

A black paper was taken out, he used the black paper, suddenly, dark power came out and started to create chaos.

It goes to the bodies of dead people and begins to enter the body to be controlled.

These people were like controlled Zombies, they gave off an aura of death and also attacked anyone near them.

"What is this?" Jia Li asked Ye Chen why those who were dead came back to life.

"wife, step back a little" Ye Chen said to Jia Li to step back for a moment, it seemed like this was a bad thing.

Those who were controlled knew neither friend nor foe, even the geniuses of the Four-sided Immortal Palace were attacked and became victims.

Those who were attacked started screaming. Clearly, they couldn't survive.

Even though they were strong, they were injured, obviously, they would not be able to survive.

They were all eaten alive.

"feel this" The 300th elder attacked Ye Chen.

Ye Chen dodged the attack, he intended to counter the attack.

"When Ye Chen was about to attack, the 300th elder performed a great maneuver and took away the body of the seriously injured Long Waeri.

"I managed to get it, I will go" the 300th elder intended to leave.

He had already used a teleportation stone to leave this place.

"It's not that easy" Ye Chen attacked using a light beam, a beam of light shot and penetrated the body of the 300th elder.

"Ughhh . . ." the 300th elder actually received Ye Chen's attack at the vital point.

Luckily he had used the teleportation stone and got out of this place.

"He made it badly, but was injured quite badly, I don't think that person will survive" said Chu Yuechan.

"Even though the elder is not alive, that person is still alive" Ye Chen said that Long Waeri was still alive and might retaliate against Ye Chen.

"will you be afraid" Chu Yuechan asked Ye Chen.

"With who I am now, I won't be afraid" Ye Chen said to Chu Yuechan.

"That's very good" Chu Yuechan acknowledged Ye Chen's courage.

"first solve the problem around, it is a darkness spell" Chu Yuechan said to Ye Chen.

Chu Yuechan said that it was a dark spell that controlled the dead.

"How to fix it?" Ye Chen asked Chu Yuechan.

Ye Chen wanted to know how to overcome this.

"Very easy, look for the person with the strongest aura, that is the mother who controls all the dead people" Chu Yuechan said to Ye Chen.

"I will look for it" Ye Chen immediately looked for it, he felt the presence of the mother of darkness spells.

After searching for some time, Ye Chen finally found it, he found the person who was the mother of all this.

A woman who turned into a dark monster with such terrifying energy.

"Here" Ye Chen said to Chu Yuechan, Ye Chen found it.

"Good, now beat that thing" Chu Yuechan said to Ye Chen, Chu Yuechan told Ye Chen to beat that person.

"I understand" Ye Chen used such a strong light power.

The way to combat this is to use the power of light.

"Arghhh . . ." When Ye Chen used the power of light that he had, the monsters around him immediately retreated because they couldn't survive the power of light.

"He has quite strong light power" Shen Xinyue saw Ye Chen's light power.

"Hmmm, is that so, I don't remember that" Yin Xizu said that she didn't remember Ye Chen having the power of light.

"You do not know?" Shen Xinyue asked Yin Xizu how Yin Xizu could not know about this.

"To be honest, I don't know about this." Yin Xizu said that she didn't know about this.

"Perhaps he is still hiding many things from you, I am increasingly curious about this." Shen Xinyue said that she was increasingly curious about this.

"You won't help?" Yin Xizu said to Shen Xinyue.

"No, he can overcome this problem, if not, then he is not worthy," said Shen Xinyue.

Shen Xinyue said that Ye Chen could definitely solve this problem in her way, so Shen Xinyue didn't need to interfere in this matter.

The power of light makes the spell of darkness disappear, they all break free and fall.

Now it only remains to overcome the biggest one, Ye Chen will destroy it using a powerful attack.

"Roar . . ." it roared towards Ye Chen, the Zombie wanted to kill Ye Chen.

"Let's show a little of our strength" Ye Chen started to use the power of light that was so strong.

"Celestial Pillar Light" Ye Chen used one of the Sage God's strongest techniques, a powerful light-punishing technique.

Light began to gather near the parent Zombie, gathering and forming a very large pillar.

"What's that?" Yan Rula saw it for the first time, a force of light that was so dense and so powerful.

It was the first time he had seen something like that.

"Such great light power" Shen Xinyue admired Ye Chen's power, she was amazed by this power.

"Boom. . ." After all the light gathered, a huge explosion occurred, this huge explosion created a very long pillar of light with a very wide reach.

"Ahhhhh . . ." The force of the explosion was so great Jia Li, and Yan Rula were forced to retreat.

Even Shen Xinyue had to use an ice wall to protect everyone in this place.

After some time, the explosion finished, and a very deep hole was formed, this hole was so deep that it was difficult to see the end.

"okay, done" Ye Chen said to everyone.

"You're crazy, that almost caused us harm," Yan Rula said to Ye Chen.

"Is that so, I thought I had restrained myself" Ye Chen said to Yan Rula.

"You" Yan Rula wanted to be angry with Ye Chen, she wanted to take it all out on Ye Chen.

"Don't be angry," Jia Li tried to calm Yan Rula.

"Okay, I will focus on healing them" Yan Rula tried to heal those who were injured.

They were seriously injured, and Yan Rula had to use more strength to heal them.

"how are things there" Ye Chen asked Shen Xinyue.

"Not finished yet, it looks like he's having trouble" Shen Xinyue said to Ye Chen.

Chapter 2978 Killed The Demon God Commander

"What problem is she facing?" Ye Chen asked Shen Xinyue.

"It seems like the enemy is resisting the sealing, even though they tried, it was very difficult for Yin Xizu" said Shen Xinyue.

"Why don't you guys just destroy it?" Ye Chen asked Shen Xinyue.

"It's so difficult" Shen Xinyue said to Ye Chen.

They had tried to defeat the demon god commander unfortunately his regeneration ability was so strong that they were overwhelmed.

Even the demon god commander's regeneration ability was much stronger than Shen Xinyue could imagine.

"I will not lose." The demon god commander said that he would not lose to Yin Xizu.

He used his power to fight back, using his protection, it wouldn't be easy to seal him.

"Just give up" Yin Xizu tried to seal, even though she was having trouble, she still tried her best to do it.

"Give it a try, let's see who can survive until the end" he told Yin Xizu.

"You saw it, didn't you?" Shen Xinyue said to Ye Chen.

"Oh, I see . . ., I understand" Ye Chen understood.

"Then leave it to me" Ye Chen said to Yin Xizu.

"What would you do ?" Shen Xinyue and Yin Xizu asked Ye Chen.

What will Ye Chen do to solve this problem?

Even Yin Xizu and Shen Xinyue were unable to solve this problem.

"see what I will do" Ye Chen said to Shen Xinyue and Yin Xizu.

Shen Xinyue and Yin Xizu saw what Ye Chen would do, they were quite curious about what Ye Chen would do.

Ye Chen took out the Divine Yin Yang Sword.

"It's time to kill the Demon using the Divine Yin Yang Sword.

Ye Chen was about to use Divine Sword Intent.

This is one of the strongest techniques that Ye Chen can use right now.

"This?, is that the Dao of the Sword?" Shen Xinyue looked at Ye Chen.

"It seems that he is great for being able to master this at such a young age," said Yin Xizu.

"Interesting, can that defeat an immortal demon?" Shen Xinyue wanted to know what results Ye Chen could get.

"Let's see what kind of results he can get."

Yin Xizu also wanted to know the results Ye Chen could get.

"This is the end for you" Ye Chen said to the demon god commander who was in front of him.

"Huh?, weak human, don't talk too much, you won't be able to kill me" The demon god commander said to Ye Chen.

He was an immortal, no one could kill him, even if it were Ye Chen.

"let's see if you can talk like that after it's over?" Ye Chen said to the demon god commander.

"Slash . . . ." Ye Chen made such a powerful slash, the slash made by Ye Chen split the ground above, and everyone could see the sky now.

"What was that?" Yin Xizu and Shen Xinyue did not see Ye Chen's slash so fast.

"Look at that?" Yin Xizu said to Shen Xinyue.

Yin Xizu told Shen Xinyue about what happened.

"His body isn't regenerating?" Shen Xinyue also saw what happened.

"You, how could you have something like that?" the demon god commander asked Ye Chen, how could, Ye Chen have something like that?

"Isn't this a very suitable weapon to fight you guys" Ye Chen said to the demon god commander.

"Damn, you" The demon god commander finally knew Ye Chen's abilities and strength, he too, underestimated Ye Chen's abilities and strength.

"The body of the Demon God Commander started to disappear, he started to disappear after being hit by the Divine Yin Yang Sword.

"so you can do it, that's so great" Yin Xizu said to Ye Chen.

"I didn't think you could do it." Shen Xinyue didn't think she could do this.

"it's nothing" Ye Chen said to Shen Xinyue and Yin Xizu.lights

"we are finished here, what are you going to do next" Ye Chen asked Yin Xizu and Shen Xinyue.

Yin Xizu and Shen Xinyue thought about what Ye Chen said.

Both of them thought about what they would do next.

"I'll just go with you," Yin Xizu said frankly.

He wanted to come together with Ye Chen.

"Eh?" Shen Xinyue was shocked when she heard this, Yin Xizu's words were so bold it meant they would stay together.

"That's very good" Ye Chen said to Yin Xizu.

Ye Chen of course, accepted Yin Xizu well, there was no way Ye Chen would reject Yin Xizu.

"I'm looking forward to it" Yin Xizu said to Ye Chen, she was looking forward to being with Ye Chen.

Yin Xizu wanted to be with Ye Chen, and after finishing all the matters at hand, she could finally be with Ye Chen.

Ye Chen pulled Yin Xizu and hugged her directly.

It surprised Yin Xizu, she was shocked when she saw Ye Chen hugging her in that way.

"Huh?" Shen Xinyue, who was closest, was surprised by what Ye Chen and Shen Xinyue did.

"what do you want to do" Yin Xizu asked Ye Chen.

"I want to kiss you" Ye Chen said to Yin Xizu.

"Wait" Yin Xizu said to Ye Chen.

she was quite embarrassed when Ye Chen said that.

"it's okay, close your eyes and let me lead for you" Ye Chen said to Yin Xizu.

"No, wait a minute, there are still other people around here, so I beg you to" Yin Xizu said to Ye Chen.

Ye Chen didn't listen to what Yin Xizu said, he forced to kiss Yin Xizu.

"Ummm . . ." Yin Xizu's eyes widened when Ye Chen did this.

Ye Chen intended to give a gift to Yin Xizu, he gave a gift to Yin Xizu because of her hard work.

A kiss that was so soothing and so comfortable for Yin Xizu.

Yin Xizu enjoyed this, she enjoyed kissing Ye Chen.

The two of them were lost in the kiss, it was really fun, and the world felt like theirs.

Shen Xinyue saw Ye Chen and Yin Xizu.

she couldn't say anything anymore when she saw what they were doing.

Ye Chen and Yin Xizu ignored Shen Xinyue, it made Shen Xinyue feel annoyed.

"The two of them, how dare they do something like that in front of me." Shen Xinyue was so angry and wanted to end this immediately.

The problem was she didn't have to say anything, she didn't know how to let them both go.

Ye Chen and Yin Xizu kissed for 5 minutes before Shen Xinyue couldn't stand it and interrupted them.

"ahem. . ." Shen Xinyue coughed, she tried to separate Ye Chen and Yin Xizu.

Ye Chen and Yin Xizu ignored Shen Xinyue and continued.

"them, ehem. . . . ." Shen Xinyue coughed to Ye Chen and Yin Xizu.

she was sick of seeing what Ye Chen and Yin Xizu were doing.

"What's wrong with you, are you sick?" Ye Chen asked Shen Xinyue.

"Who's sick, I'm reminding you" Shen Xinyue said that she was reminding Ye Chen.

Reminds me of what?" Ye Chen asked Shen Xinyue.

"About what you are doing now," Shen Xinyue said, reminding Ye Chen about what he was doing now.

"Do you have a problem with that?" Ye Chen asked Shen Xinyue.

"Of course, I have a problem with that." Shen Xinyue had a problem with that.

Chapter 2979 Major Incident In The Four-Sided Immortal Palace

"explain what kind of problem you have, we didn't bother you, so why are you angry, you just leave if you don't like it" Ye Chen asked Shen Xinyue.

"That?" Shen Xinyue immediately fell silent when she heard what Ye Chen said.

Why was Shen Xinyue angry?, Even though Ye Chen and Yin Xizu didn't bother her, if Shen Xinyue didn't like it, she just needed to leave this place.

Shen Xinyue was confused, she had to find a reasonable excuse for this matter.

"I want to stay and research this place" Shen Xinyue said to Ye Chen.

"Just do it and ignore us" Ye Chen said to Shen Xinyue.

He said to ignore both of them.

"That's impossible" Shen Xinyue couldn't do that.

she couldn't afford to ignore Ye Chen and Yin Xizu.

How could she ignore them both, it was so hard to ignore them both.

Ye Chen was confused by what Shen Xinyue was thinking.

This woman is quite complicated.

"Darling . . ." Yin Xizu whispered to Ye Chen.

"?" Ye Chen asked Yin Xizu what he thought about this matter.

"It's possible she's jealous" Yin Xizu said to Ye Chen.

Yin Xizu was a woman, she probably understood what was happening.

"Is that possible?" Ye Chen asked Yin Xizu.

Ye Chen had a hard time looking at Shen Xinyue.

Her face was so calm even though she was upset, it was hard to tell her thoughts.

"Let's try it first" Ye Chen wanted to try it, whether it worked or not, Ye Chen would think about it later.

"Why are you so upset, are you jealous of what we did?" Ye Chen said to Shen Xinyue.

"Ehhhh? ? ? ?" Shen Xinyue was surprised to listen to Ye Chen's words.

Finally, she showed a cute expression when she was nervously listening to Ye Chen's question.

"I, that's impossible, why should I get jealous " Shen Xinyue tried to calm herself down, she had to deny it, and there was no way she would be jealous.

"oh, am I wrong?" Ye Chen asked Shen Xinyue again.

"Of course I was wrong," Shen Xinyue said to Ye Chen.

"So what, you haven't given me a reasonable explanation" Ye Chen said that Shen Xinyue had not given a reasonable explanation.

"I . . . ." Shen Xinyue couldn't find a reasonable excuse.

"Forget it, I'll go" Shen Xinyue said to Ye Chen and Yin Xizu.

Shen Xinyue raised the flag of defeat, she couldn't win against Ye Chen.

"Fufufufufu, that woman is so cute, the first time I saw her" Yin Xizu laughed, the first time she saw Shen Xinyue being like that.

"she's gone, let's continue," Ye Chen said to Yin Xizu.

"No, you are too naughty, I won't give it to you" Yin Xizu said to Ye Chen

Yin Xizu said that she would not give it to Ye Chen.

"Why?" Ye Chen asked Yin Xizu.

"confidential . . ., let's see if there's anyone we can help with" Yin Xizu said to Ye Chen.

With that, Ye Chen and Yin Xizu started helping people around them, they found out if anyone was still alive.

The chance of them surviving was so small, that even Yan Rula was helpless when she saw what happened.

"no one is alive" Yin Xizu said to Ye Chen.

"I've helped the prisoners and they are already in a safe place, for those here, I can't help much" Ye Chen said to Yin Xizu.

"I also think what you think, I can't help them." Yin Xizu also thought what Ye Chen thought, she couldn't help with this matter.lights

"what are you going to do, are you going to report all this?" Ye Chen asked Yin Xizu.

Will Yin Xizu report all this to their family?

"There is no other choice" Yin Xizu said to Ye Chen, there was no choice but to do this.

"I have to thank you for the help you provided, do you want a reward too, I think we will get a lot from this task," Yin Xizu said to Ye Chen.

"No need, You can save it, it's very useful for you" Ye Chen said to Yin Xizu.

"thank you, then solve this problem " Yin Xizu said to Ye Chen.

"Okay" Ye Chen helped Yin Xizu.

Shen Xinyue, Jia Li also helped, they all cleaned up this place, and after that, they all just left.

"I'll go report first" Yin Xizu said to Ye Chen.

First, they will report what happened.

"I understand" Ye Chen understood.

With that Yin Xizu, together with Yan Rula and the others, left this place.

"let's go back" Ye Chen said to Jia Li.

"um, the problem is over, let's go back now" Ye Chen and Jia Li returned home.

Shen Xinyue watched from afar, she wanted to know where Ye Chen and Jia Li lived, so she followed the two.

.

.

On the other hand

The Four-sided Immortal Palace was in an uproar with what happened, they saw Long Waeri and the 300th elder coming with their bodies covered in wounds.

Long Waeri was in a coma, while the 300th Elder was dead.

This shocked everyone who saw it, they all didn't know what was happening now.

"you all move aside, what is going on here" a woman came.

This was Guan Laiyu, she had just returned after recovering from her injuries.

After recovering from her injuries, many things happened and caused Guan Laiyu to experience a lot of trouble in the Four-sided Immortal Palace.

"What's going on here?" Guan Laiyu asked those around her, she wanted to know what was in this place.

"We didn't know, when they came, they were like this" They all didn't know what happened, when they arrived, the condition of Long Waeri was like now.

Guan Laiyu decided to see what happened to Long Waeri.

When Guan Laiyu saw Long Waeri's condition, she let out a long sigh.

"Sigh. . . , her condition is so bad" Guan Laiyu saw Long Waeri's condition.

It seemed like his condition was so bad, it would probably be very difficult to recover from his current condition.

"Quickly take him to the medical department" Guan Laiyu told the surrounding students to take Long Waeri to the medical department for help.

"Understand" Several people here immediately took Long Waeri, they took Long Waeri to the healing place.

"Take this message to the great elder and tell him what happened here, the rest will be handled by him" Guan Laiyu said to the disciple beside her.

"understood" he immediately went to tell the great elder about what happened.

"There will be a big problem again" Guan Laiyu felt that a big problem would happen.

Guan Laiyu didn't want to interfere, he had his own problems and refused to interfere in this matter.

"I won't interfere, I have my own problems in this place." Guan Laiyu still had a very strong enemy, the person who defeated and embarrassed her.

The great elder immediately went to see the condition of Long Waeri.

He immediately rushed over when he heard the news. After hearing the news, he would immediately see Long Waeri's condition.

"What about his current condition?" The great elder asked about Long Waeri's current condition.

"Big elder, his condition is quite bad, we couldn't wake him up" the healer said they couldn't wake Long Waeri.

"Is it that bad?" the elder asked the healer.

"That's true, the wound is very serious, it's impossible to cure it even with the best potions," the healer gave up.

"What if I ask for help from the best healer in Dreamland Holy Realm?" The great elder asked if would it be possible to cure Long Waeri if he went to Dreamland Holy Realm.

"impossible, even the most powerful light user wouldn't be able to do that" the healer said to the great elder.

The big elder started to get angry when he heard this, this was quite a serious matter, if things couldn't be done then what should he do.

"This is quite a serious matter, if all else fails, then what should I do?" The great elder asked, he wanted to know what to do now.

"We can only treat it slowly, we can't rush into this matter" the healer said to the great elder.

"Is that the only way we can do it?" asked the healer.

"That is the only way we can do it, you won't be able to do more than that, I beg you to be patient, he will recover" the healer said to the great elder.

"If that is the only way that can be done right now, I will do it" because there is no way, he can only do that.

"Okay, I will listen to you, as long as he can be saved, I will listen to what you say," the big elder said that he would listen to this.

"After saying this, the great elder immediately left this place and summoned several people to discuss.

Tu Ginzu didn't understand why he was brought here, there must be something serious, otherwise he wouldn't have been called to this place.

"Do you know why I called you to this place?" the big elder asked them all.

"Don't know" they all don't know, they don't know yet what the big elder wants.

"Just now, my grandson came in with injuries, you must know what happened, quickly find out this matter and report it to me right now" the big elder said to everyone.

"Understand?" they all understood and immediately left this place, their goal was very clear, they were going to look for the person who had injured Long Waeri.

"master, what happened?" Tu Ginzu asked, he wanted to know what happened.

"Something big has happened, I want you to find out for me immediately" The great elder said that something big had happened, he told Tu Ginzu to find out about the matter.

"I thought he was sent to kill the demon god commander, that means this is all related to that matter?" Tu Ginzu asked.

Tu Ginzu was curious about the matter.

"That's true, he was sent to carry out the task, it should have gone smoothly and without any problems, so I want to know what happened" the great elder said to Tu Ginzu.

"Understood, I will find out about this matter" Tu Ginzu will find out about the matter, he can entrust the matter to himself.

After saying this, Tu Ginzu immediately went looking for clues, he couldn't make his teacher disappointed with him.

After returning, Ye Chen finished some things, he went to the shop to see what was happening now.

Super Origin Mall began to expand, it already had hundreds of branches and covered about 1/20 of the area of Supreme God Realm.

"It looks like everything is going well" Ye Chen saw that everything was going very well.lights

"Husband . . ." Liu Yue and Yan Fei came to Ye Chen.

They had just been informed that Ye Chen had returned from business, and because of this, they immediately went to meet Ye Chen.

"You two" Ye Chen was so happy to see them, he was so happy to see the two of them had come out.

It's been a very long time, almost several years, without seeing them, to be honest, Ye Chen quite missed everyone.

For Ye Chen, it might only be a few years, but for Liu Yue and Yan Fei, it was a very long time ago.

They hadn't seen Ye Chen for a very long time and missed Ye Chen.

Ye Chen hugged Liu Yue and Yan Fei, he enjoyed hugging his two beautiful women.

Liu Yue and Yan Fei hugged Ye Chen, they felt a very comfortable feeling from Ye Chen.

"It's been quite a while, it seems like you have become bigger than before, you are growing so well" Liu Yue said to Ye Chen.

It's been quite a while, Ye Chen feels much more mature and bigger than before.

"You guys are also growing well" Ye Chen said to Liu Yue and Yan Fei.

"Is that so, how do we look, we're not that old?" Yan Fei said to Ye Chen.

"That's impossible, you have become much prettier and look more mature, I really like you" Ye Chen told Liu Yue and Yan Fei.

Liu Yue and Yan Fei were so happy to hear this, they liked praise.

"Why don't you tell me what you have done, I want to hear that" Ye Chen said to Liu Yue and Yan Fei, he wanted to know what they had done.

"Of course, we will tell you what we have done" Liu Yue and Yan Fei were excited, they wanted Ye Chen to listen to Ye Chen's story.

Ye Chen, along with Liu Yue and Yan Fei, they talked about what kind of training they had done.

"You have done something hard." Ye Chen was sure they had experienced very hard training.

"We enjoy it, we can become so strong and become immortal, this is of course, very exciting," said Yan Fei.

"I think so too" Liu Yue also thought the same thing, both of them felt that this was a very good thing for them, they enjoyed training and becoming strong.

"Wait a minute, if you are in this place, that means you are taking over my business" Ye Chen asked Liu Yue and Yan Fei.

"That's right, we did do it" Liu Yue and Yan Fei did.

"So it was the doing of the two of you, it's not strange that there haven't been any problems for some time" Ye Chen understood.

Liu Yue and Yan Fei were great, they were business experts.

"This is all because of you, if you didn't make things easy for us, we wouldn't be able to run the business quickly" said Liu Yue.

"That's very true, if you don't help, maybe we will experience difficulties," said Yan Fei.

Yan Fei had to admit that Ye Chen was so skilled, not in God Realm and this place, he was one step ahead in all kinds of things.

Clearly, ordinary people would not be able to do the same thing as Ye Chen did.

This was a difficult thing and Yan Fei and Liu Yue would have to experience problems if they created a business from scratch.

"Hehehehe" Ye Chen smiled as he listened to the praise from Liu Yue and Yan Fei.

"It's already afternoon, let's eat and discuss better things" Liu Yue said to Ye Chen.

"I agree" Yan Fei also agreed.
