

True God 2981

Chapter 2981 A Playground For Cultivators

"Then let's go" Ye Chen of course would come along, they started looking for such a good place here.

Here there are so many shops, Ye Chen, Liu Yue, and Yan Fei are free to use all of these.

"You made many changes," Ye Chen said to Liu Yue.

Liu Yue seemed to have made a lot of changes to this place.

"I enlarged this place to make it more like earth with a modern feel and still maintain the cultivator aspect," said Liu Yue.

"So that is your goal, not bad" Ye Chen said to Liu Yue.

Ye Chen had to admit that Liu Yue was smart, she knew what could make them interested.

Making this place different from others was one way to attract customers, and Liu Yue took advantage of that opportunity very well.

"What do you think? is there still something missing?" Liu Yue asked Ye Chen.

"Hmmm . . ." Ye Chen thought for a while, after thinking for a while, Ye Chen felt that something was missing here.

"There are indeed many shortcomings," said Ye Chen.

"I thought you understood it" Liu Yue knew Ye Chen would understand.

"To be honest, I had difficulty finding some things because of limited knowledge," said Liu Yue.

"You have to do it slowly," Ye Chen said to Liu Yue

Ye Chen knew Liu Yue's direction when she wanted to make various kinds of objects on earth, unfortunately, it wasn't easy to do it here.

Not all materials can be found and people will focus more on cultivation so they don't have the things they need because only a few people want to become farmers.

"That's why I asked sister Yuechan to arrange them inside the fairy gate, if we can't get them, we can just cultivate them all ourselves" said Liu Yue.

"That's a very clever idea" Ye Chen had to admit that it was a very clever.

Such an idea was not bad, and Ye Chen supported 100.

"The artifacts and pills are enough because we increased their number" said Yan Fei.

"It seems difficult to meet market needs," said Ye Chen.

"That's true, the market demand is very large, like it or not, we have to do something," said Yan Fei.

"This place is spacious," said Ye Chen.

Ye Chen had to admit that this place was so big and there were so many people, running a big business had big challenges.

"We only have about 1/20, there is still a long way to go," said Yan Fei.

"It's okay, take it slowly, and make sure to have more people" Ye Chen said to Yan Fei and Liu Yue.

"Don't worry, we will do this, we will create a much larger army, it seems like there are several groups that have enmity with them and we can use them," said Yan Fei.

"Four-sided Immortal Palace is filled with trash, they may be strong, but their personalities are arrogant and ignore the safety of others, they feel superior and consider other people trash, which makes them quite hated," said Ye Chen.

"That's very true, they are so hated because of this, it's a shame that no force dares to challenge them so they are confident enough" said Liu Yue.

Liu Yue had already made an investigation, and by doing so, she finally reached the conclusion of the Four-sided Immortal Palace.

"we will be the force that destroys them" said Ye Chen.

Ye Chen said that they would become the force that destroyed the Four-sided Immortal Palace.

"I agree with what you said" Liu Yue agreed, she agreed with what Ye Chen said.

Ye Chen, Liu Yue, and Yan Fei finally booked a VIP place, renting a pretty good place.

Here is a private place, and no one will disturb them.

"There's so much food, I think I'll order it all" Ye Chen said to Liu Yue and Yan Fei.lights

"this is your place, you can order everything freely" Yan Fei said to Ye Chen.

Yan Fei said that Ye Chen could order everything freely.

"of course, I will do it" Ye Chen will do it, he will order everything on the menu.

After Ye Chen ordered everything on the menu, the waitress immediately brought it to Ye Chen.

Liu Yue and Yan Fei looked at the pile of food on the table.

Both of them already understood Ye Chen and knew what Ye Chen was doing.

"Then, time to eat" Ye Chen said to Liu Yue and Yan Fei, it was time to eat.

Ye Chen started eating, meanwhile, Yan Fei and Liu Yue gave food to Ye Chen, and "Aaaaa" Liu Yue said to Ye Chen, she fed Ye Chen well.

Meanwhile, Yan Fei didn't want to lose out, she also did the same thing as Liu Yue.

they fed Ye Chen with delicious food.

"Aaaaa" Liu Yue said to Ye Chen, she fed Ye Chen well.

Meanwhile, Yan Fei didn't want to lose out, she also did the same thing as Liu Yue.

Ye Chen felt that he was being pampered by Yan Fei and Liu Yue, a very pleasant feeling.

"Do you guys not have a job after this?" Ye Chen asked Liu Yue and Yan Fei.

"No. . . , all the work has been completed and can be handled by the staff here," said Yan Fei.

"Then we will go around and try everything," Ye Chen said to Yan Fei and Liu Yue.

"of course, we want to" Liu Yue and Yan Fei of course want to, they can't wait to go on a date with Ye Chen.

Liu Yue was excited, it had been a long time since she went out with Ye Chen.

Yan Fei was also the first time, she wanted to try it with Ye Chen and Liu Yue.

"Then let's finish this first" Ye Chen said to Yan Fei and Liu Yue.

"Um. . ." Liu Yue and Yan Fei immediately nodded, they couldn't wait to go on a date with Ye Chen.

After finishing all the food, Ye Chen and Yan Fei went straight to the games section, where all the cultivators could play and practice simultaneously.

"playground, who planned this?" Ye Chen asked Liu Yue.

"I . . ." Yan Fei said that she planned this, and she modified it so that it was fun to do and could also be used for practice.

"Are you sure, they are all cultivators? Surely they can win the game easily" Ye Chen said to Yan Fei.

"Fufufufu, husband, are you sure they can win easily, this is set up not to be easy to win, you know what that means don't you?" Yan Fei said to Ye Chen.

"So how?" Ye Chen asked Liu Yue.

"Look over there" Liu Yue said to Ye Chen.

He pointed to the ball toss game, where someone had to knock over a pile of cans.

This person was a cultivator with great and powerful strength, from his body alone one could conclude that he was a very powerful physical artist.

"Get ready, this time I will win" he said in a high tone.

"Please sir?" the female staff said to the man in front of her, she told the man in front of her to try to drop the can.

Here, one can use their strength, so they can throw using full strength.

"Take this . . ."he threw with full force, this throw was so strong that it could collapse a mountain.

"Clang. ." a screeching sound was heard when the ball collided with the can.

Chapter 2982 Show Your Abilities In Front Of Everyone

Surprisingly, the can did not budge when it received a super strong blow like that.

It was so strong that it couldn't collapse easily.

"Once again" the person tried once again, this time he increased his strength.

The second trial began, and he was much more enthusiastic than before.

The second throw had such a powerful force, unlike before.

"Woshhh. . ." The can move, it shifted slightly from its original place.

"Huh?" the person who threw was shocked by what happened, he did not think it could happen.

"Failed again, this is very difficult," he said.

"Look" Liu Yue said to Ye Chen.

"Oh, so that's how it is, I didn't expect that you guys would do that" Ye Chen understood, he saw that this was modified so well.

"Are they okay with that?" Ye Chen asked Liu Yue.

"It doesn't matter, they are happy because this place is a very good training ground for all of them" Liu Yue said to Ye Chen.

Liu Yue told them that this was a good place to train their strength, they didn't mind paying because each game was cheap and they could get such good rewards if they could.

"I understand, Then let's try it too" Ye Chen said to Liu Yue and Yan Fei.

"Are you sure?" Yan Fei asked Ye Chen, maybe this would be such a difficult game.

Yan Fei was the one who made all this, she knew the difficulty level of the game she had.

"Don't underestimate me, let's see the level of difficulty of all this" Ye Chen said to Yan Fei, Ye Chen wanted to know the level of difficulty of this game.

Ye Chen is quite confident in his abilities, so he should be fine.

"I want to try it," Ye Chen said.

"of course," the waitress already knew who Ye Chen was, so she let Ye Chen come along.

"Friend, this game is very difficult, with your small body, you will have difficulty in this game" the man who previously said to Ye Chen, he told Ye Chen that this game would be difficult and Ye Chen should just give up.

"Thank you for the warning you gave, but I'm fine" Ye Chen said he would be fine.

"Don't embarrass yourself, there are several women there who are looking at you" he said to Ye Chen.

This person doesn't believe in Ye Chen's abilities, it's not strange if he says that to Ye Chen.

"Just watch, I will do it" Ye Chen said he would do it.

"Miss, will he be okay?" The waiter was worried about Ye Chen.

This challenge is so difficult, that out of 1000 people who try, their success rate is only around 0.001%.

So it would be very difficult for Ye Chen to win because this would be a very difficult thing.

"he will be fine" Yan Fei said.

Yan Fei quite believed in Ye Chen's abilities.

If it was Ye Chen, he should be fine.

"Okay, I'll start" Ye Chen started throwing, this first throw Ye Chen tried to restrain himself, he didn't want to immediately use a lot of force because it might damage everything.

"Throw" Ye Chen threw it.

"clang" A screeching sound was heard when the ball hit the can.

The can didn't budge, it seemed like the strength used by Ye Chen was still not enough.

"Hahahaha" those around laughed, they had already guessed that Ye Chen would not succeed.

Only those who are strong can, and Ye Chen doesn't look like that.

"Listen, friend, forget it, don't lose a lot of face in front of the women around here" they said to Ye Chen.

The woman around here smiled at Ye Chen.lights

Apart from men, there are lots of women here, and they are quite beautiful and quite charming, they are regular customers and like to play in this place.

"just use full power and show them." Chu Yuechan said to Ye Chen.

"calm down" Ye Chen said to Chu Yuechan.

Ye Chen was just trying it out, he hadn't used his full strength.

If Ye Chen used his full strength, then he would succeed.

"Next will be more difficult" Ye Chen knew the next would be more difficult.

Ye Chen was quite sure about this matter.

Ye Chen used Time Vision, he wanted to see next move.

By using Time Vision, Ye Chen could see what would happen next.

"Okay, now is the time" Ye Chen said to Chu Yuechan, this was the time for Ye Chen to show his abilities and strength to everyone.

Ye Chen started throwing, this time the throw was a little off from before.

"Hahahahaha" Everyone laughed when they saw what Ye Chen did.

Among all that happened, it could be said that Ye Chen was the furthest, he was the one who threw the furthest.

Everyone believed that Ye Chen's abilities were low, this person only had good looks, he didn't have sufficient skills.

When Ye Chen's ball deviated, it immediately spun and aimed at the moving can.

"Clank" They can immediately be scattered.

Everyone was silent when they saw Ye Chen do it so well, they didn't expect it to be possible.

"Wow, he did it" the women here looked at Ye Chen, they all saw that Ye Chen did that.

"how is that possible?" Many people didn't believe it, even though Ye Chen shouldn't have been able to do that.

"You saw it, didn't you, the abilities I have?" Ye Chen showed the abilities he had.

"It's just luck" they didn't believe Ye Chen's results.

"You still don't believe the results I got, okay, I understand, then let's continue the game to the next level" Ye Chen said to everyone.

Ye Chen continued with the third trial, he still had one more chance.

Ye Chen showed his abilities again, like before, Ye Chen could knock over all the cans.

"impossible" After the second try, they finally believed in Ye Chen's abilities, with abilities like that, they believed that Ye Chen was a great person.

"He's just like a child" Liu Yue looked at Ye Chen and smiled.

"It looks like he's having fun" Yan Fei saw that Ye Chen was having fun.

"You're right, let's try them all, I'm curious how you made them" Liu Yue wanted to try them too.

"Of course, you can try it too" Yan Fei invited Liu Yue.

Liu Yue and Yan Fei joined the game, they showed their abilities.

"Wow, these two women are both great" Liu Yue and Yan Fei are indeed great, they can play well and control their strength very well.

"Who are these people, they are so great" Everyone had to admit that Ye Chen's group was so great.

They can complete all the games quickly and easily without any problems.

"This is quite fun, are you guys having fun?" Ye Chen asked Liu Yue.

"We had a lot of fun" Liu Yue and Yan Fei said they had quite a lot of fun with Ye Chen.

They were enjoying everything, no one dared to disturb Liu Yue and Yan Fei.

"Is there any other place you guys want to visit" Ye Chen asked Liu Yue and Yan Fei.

"Of course there is, come with us" the two of them dragged Ye Chen, they asked Ye Chen to come with them.

Chapter 2983 Met Two Annoying People While Shopping

Yan Fei and Liu Yue brought back Ye Chen.

Ye Chen, Yan Fei, and Liu Yue finally arrived at the fashion section.

"Don't tell me you want to buy something?" Ye Chen said to Liu Yue and Yan Fei.

Ye Chen knew that the two wanted to buy something, Ye Chen could feel that aura from Liu Yue and Yan Fei.

"Of course, we certainly want to" they both answered in unison, saying they wanted to buy something nice.

Ye Chen had expected this, this was probably the hardest part.

From Ye Chen's experience, accompanying a woman shopping is the longest thing, it requires a lot of patience.

Because they will definitely take a long time to do this.

"Come on . . ." Liu Yue and Yan Fei forced Ye Chen.

Ye Chen could only follow them.

Inside there are many things, from accessories, robes, armor, and so on.

It's all in this place, there are more people here compared to the previous place, the reason is clear, more people need talismans to protect themselves during battle.

"Oh, I thought this place only had clothes, it turns out there are lots of things too and it seems like it's much more lively here compared to before" Ye Chen said to Liu Yue.

"The sales here are the best, it seems like a lot of people like the things we make," said Liu Yue.

"Husband, there are so many things here. Would you like to find something suitable for you?" Yan Fei said to Ye Chen.

she asked Ye Chen to find something suitable for them to wear and use.

Wait a minute, let me think for a while" Ye Chen asked for time, he would think about this for a while.

Ye Chen looked around for something good for Liu Yue and Yan Fei.

"Hmmmmmmmm, there are so many items here" Ye Chen looked for the most suitable one, and it took quite a lot of time to find the best one.

"What about bracelets and necklaces?" Ye Chen intended to give Liu Yue a bracelet and Yan Fei a necklace.

Liu Yue already had a nice necklace to wear, so Ye Chen had the initiative to buy her a bracelet, meanwhile, Yan Fei didn't seem to wear a necklace.

"You two, come with me" Ye Chen said to Liu Yue and Yan Fei.

Ye Chen told Liu Yue and Yan Fei to come along, he took them to a place where high-class accessories were sold in this place.

"You two" Ye Chen said to Yan Fei and Liu Yue.

"Where ?" Liu Yue and Yan Fei asked Ye Chen, and both of them wanted to know what Ye Chen wanted to show.

Ye Chen showed something very interesting, he showed a bracelet and necklace of very good quality.

"Do you guys like it?" Liu Yue and Yan Fei asked Ye Chen whether they liked it.

"What do you want to give me?" Liu Yue asked Ye Chen.

"I want to buy you a bracelet, meanwhile I want to give Fei a necklace, what do you think" Ye Chen asked Liu Yue and Yan Fei.

"I just like it, I don't have it either" Liu Yue said to Ye Chen.

"I want too" Yan Fei also wanted, if it were a gift from Ye Chen, she would accept it.

"Then I will give it to you guys" Ye Chen will buy this thing for Liu Yue and Yan Fei.

"Miss, I want this" Ye Chen said that he wanted this.

"Wait a minute, I want to buy this thing" at that moment, someone interrupted Ye Chen, he said that he wanted to buy this thing.

Ye Chen turned his head, he saw who had just come to interrupt.lights

Besides there was a man and a woman who interrupted Ye Chen, they had good appearances, the man with a good look, and the woman who was so sexy and seductive.

"I want these two things, please pack them for me" he said he wanted the two items Ye Chen chose.

"Yes sir . . ." The employee immediately went to wrap it up for the buyer, who had just arrived.

"Hey, wait a minute, I was the first to come here" Ye Chen told him that he was the person who came here and wanted to buy this thing.

"do you have a problem with that" the man on the side said to Ye Chen.

"Of course, I have a problem that is mine," Ye Chen told him it was his.

"It's mine, I'll buy it" he said to Ye Chen.

This person didn't want to give up, he didn't want to give this to Ye Chen.

"Poor man like you, you should just leave" the woman on the side said to Ye Chen.

"Who are you to tell me to leave?" Ye Chen said to the woman on the side.

"You don't know who we are?" she said to Ye Chen.

"I don't know about you at all" Ye Chen said he didn't know them.

"We come from the Four-sided Immortal Palace, we are already disciples in one of the palaces" the woman said to Ye Chen.

"Oh, so you guys are from that place, it's not strange that you are quite arrogant" Ye Chen said to the two.

Ye Chen initially only wanted to reprimand the two, but now he changed his mind when he found out that these two people were from the Four-sided Immortal Palace.

He will teach them a lesson they will probably never forget.

Liu Yue and Yan Fei listened from the side, they would probably cooperate with Ye Chen.

"It's indeed worth it, it's not easy to get into such a prestigious place, someone like you wouldn't be able to" she said to Ye Chen.

"You guys are probably right. . ., I really can't possibly go to a place like that" Ye Chen agreed, they were probably right, Ye Chen wouldn't want to go to a place like that.

"so you know a place" both said to Ye Chen.

They saw that Ye Chen knew the place.

"Of course, I know places, I know which places are good and which are real trash" Ye Chen said to them.

The faces of the two people in front of Ye Chen immediately changed when they saw Ye Chen,

They looked at Ye Chen with gazes full of anger.

"You are brave enough to say that to you, don't you know the consequences" they said to Ye Chen.

"Of course I know the consequences of what I do", to be honest, I don't care about that." Ye Chen said that he didn't care about that.

"You are quite brave, let me tell you who I am, the name is Yao Lang, I am one of the talented students" Yao Lang told Ye Chen who he was.

"I am Li Lanhua, I am also a great genius" she told Ye Chen who she was.

"I didn't ask who you are, I don't care either," Ye Chen said to them.

"Poor people like you are quite brave too, I can make you disappear from this world" Yao Lang could immediately make Ye Chen disappear.

"It's not allowed to fight here" Liu Yue reminded them that they couldn't.

"You are lucky because of the rules in this place, otherwise" Yao Lang said to Ye Chen.

"You are the lucky one" Ye Chen said to Yao Lang.

"It is quite surprising to see you have two beautiful slaves following you, what kind of method did you use to lure them in?" Li Lanhua asked Ye Chen.

Chapter 2984 Yao Lang Lost Face

"huh?" Liu Yue and Yan Fei didn't like listening to what the woman in front of them said.

Liu Yue and Yan Fei were Ye Chen's women, how could they possibly accept that?

The woman in front's mouth is quite dirty, this woman doesn't know what a relationship is like.

Li Lanhua was bold enough to disturb Liu Yue and Yan Fei, she knew that they were quite dangerous when angry.

"Slaves, that's impossible, they are the women I love" Ye Chen denied that.

"Is that so, I really doubt what you said" Li Lanhua doubted what Ye Chen said.

"On the contrary, I questioned you guys, you guys don't seem to get along, I see that you are taking advantage of each other" Ye Chen said to Li Lanhua.

"Huh?" Li Lanhua was surprised when Ye Chen said this, it seemed like she was not prepared for what Ye Chen said.

"oh, so that's true" Ye Chen said to Li Lanhua, it seemed like what Ye Chen had guessed was right.

"No, how is that possible?" Li Lanhua tried to argue, but from the words spoken, she seemed panicked.

"So easy to shoot" Liu Yue said that they were easy to guess.

"You guys" Li Lanhua realized that she was being played with, they were playing with her and Li Lanhua didn't like this.

"Darling, look at them" Li Lanhua said to Yao Lang.

"Don't worry, I will take care of them for you, they are just poor people, it's easy to deal with them" Yao Lang said that Ye Chen was just a poor person and it was easy to deal with Ye Chen.

"If I want, I can make the two women at the side obedient" Yao Lang said in a quite arrogant tone.

Several people here looked at Ye Chen, they didn't want to interfere, after knowing who Yao Lang was, they wouldn't possibly interfere in this matter.

There were no fools here who were willing to seek trouble with the Four-sided Immortal Palace, those who sought trouble with the Four-sided Immortal Palace would have a bad end, so they watched from afar and saw what would happen next.

"that's great, let's do it" Li Lanhua asked Yao Lang to do it.

"Just look at this" Yao Lang was about to show off his abilities.

Yao Lang ignored Ye Chen, he approached Liu Yue and Yan Fei who was behind Ye Chen.

"You two, if you are willing to leave him for me, I will give you a great gift and I can recommend you to join my very rich family" Yao Lang said to Liu Yue and Yan Fei.

"I'm not interested" Liu Yue and Yan Fei said they were not interested in this.

Yao Lang had just been rejected outright by Liu Yue and Yan Fei.

Liu Yue and Yan Fei did not lack resources and profound crystals, Ye Chen gave them a huge amount of money.

So, what Yao Lang did was useless.

"Hahahaha" Ye Chen laughed at Yao Lang.

"You . ." Yao Lang was quite angry when he saw Ye Chen laughing at him, it felt annoying to see someone laugh at him like this.

"You can't even do the right thing" Ye Chen said to Yao Lang.

"wait and see" Yao Lang couldn't lose face, he wouldn't be able to lose face in front of everyone.

Yao Lang took out something, he took out a cultivation technique to persuade Liu Yue and Yan Fei.

"That . . ." Everyone saw what was in Yao Lang's hand, everyone here was shocked when they saw what was in Yao Lang's hand.

"It's a top-class technique" They could tell that the book's aura made everyone believe it was a top-class technique.

"What about now, you definitely won't be able to resist anymore, quickly kneel and ask me" Yao Lang said to Liu Yue and Yan Fei.

Liu Yue and Yan Fei looked at each other.

"Is this person stupid?" Liu Yue and Yan Fei felt that the person before them was quite stupid.lights

Yao Lang would vomit blood when listening to what Liu Yue and Yan Fei said.

Yao Lang might be considered stupid by Liu Yue and Yan Fei.

"master, this person" Chu Yuechan said to Ye Chen.

This person could be said to be the most stupid among all the people Ye Chen had ever met.

"it's okay, let him embarrass himself" Ye Chen said to Chu Yuechan.

"I'm not very interested in that, it's rubbish to me," Liu Yue said to Yao Lang.

"Huh?, what did you say just now?" Yao Lang didn't accept what Liu Yue said.

"I shouldn't have to repeat that a second time, it's rubbish" Liu Yue said to Yao Lang.

"How brave of you, this is very valuable" Yao Lang told him this thing was very valuable and irreplaceable.

"I have much better things than what you have." Liu Yue said that she had better things than what Yao Lang had.

Yao Lang was silent when he heard this, he was speechless when he heard this.

"You, how dare you?" Yao Lang felt that Liu Yue was mock him.

"Never mind, you won't win" Ye Chen said to Yao Lang.

Ye Chen gave Yao Lang a warning, he told Yao Lang that he would never be able to win against Ye Chen.

"You're just an ordinary person, how can you talk to me like that?" Yao Lang told Ye Chen.

"looks like it's time to show you a little something" Ye Chen said to Yao Lang.

"I will buy what this person bought at 2 times the price" Ye Chen said to the worker, he would buy the item that Yao Lang wanted.

Yao Lang was aware of what Ye Chen wanted, he couldn't let this problem continue and had to do something about it.

Losing face was painful enough, and Yao Lang couldn't do it.

"I will raise to 4x" Yao Lang said to Ye Chen.

"5x" Ye Chen raised the price again.

"20x" Yao Lang was not to be outdone.

"100x" Ye Chen said.

"200x" Yao Lang could still do it, he could still do that.

"Then 500x" Ye Chen raised, Yao Lang shouldn't be able to follow Ye Chen because the price was beyond reason.

Yao Lang was silent for some time, he was speechless after hearing this.

"We can still increase the price" Li Lanhua couldn't stay silent, she couldn't accept that Yao Lang lost to Ye Chen.

"Stop right there" Yao Lang stopped Li Lanhua.

"Why?" Li Lanhua asked Yao Lang, Yao Lang should not lose to Ye Chen.

"I want that item" Li Lanhua said to Yao Lang.

"It would be stupid to buy something like that at such a high price, even if we win, we will still be laughed at, we will use other methods to fight this person" Yao Lang said to Li Lanhua.

"What is his next plan?" Li Lanhua asked Yao Lang.

"I will use the identity we have, with the identity we have, they will give us face" Yao Lang told him what he would do next.

"So that is your goal, I understand" Li Lanhua understood, she knew what she had to do now.

Chapter 2985 Yao Lang And Li Lanhua Were Kicked Out

To cover up the ongoing losses, Li Lanhua and Yao Lang decided to use other means to deal with Ye Chen.

"Quickly call the manager you have" Li Lanhua asked the employees to call the manager.

"That, she should be busy and unable to come," the employee said to Li Lanhua.

"Did you hear what I said, do you want to fight us?" Li Lanhua said to the employees.

Li Lanhua used her position to suppress the employees here.

"husband?" Liu Yue asked Ye Chen, if they had to do something about this matter.

"Just calm down" Ye Chen said to Liu Yue.

"What are you planning?" Liu Yue asked Ye Chen, she wanted to know what Ye Chen was trying to plan.

"we wait and see" Ye Chen said to Liu Yue.

"I understand" Liu Yue believed Ye Chen, she would wait for what Ye Chen would do.

A while later, someone came, it was the manager in charge of this place.

The person who was manager was Feng Rue, and she came after hearing that there was a big problem.

Feng Rue wants to know who dares to look for trouble at her place, she has to do something about this matter.

When the Feng Rue arrived, she saw Ye Chen, Liu Yue, and Yan Fei.

The three of them were in one place and made Feng Rue surprised, what were they doing" Feng Rue wanted to know what Ye Chen was doing with Liu Yue and Yan Fei.

"Miss, he is from the Four-sided Immortal Palace" the employee came and approached Feng Rue, he told her the origin of Yao Lang.

Feng Rue ignored what the employee beside her said, she went towards Yao Lang's side.

"Here comes the man, let us show that we are stronger" Yao Lang said to Li Lanhua.

"It is time to repay them." Li Lanhua agreed with what Yao Lang said.

"manager, you are finally here, I don't really like the service here, so I hope you can help me" Yao Lang said to Feng Rue.

Feng Rue ignored Yao Lang and Li Lanhua, which shocked everyone present.

"Just now, he was ignored, right?" people whispered, they saw what happened and started gossiping about Yao Lang.

"You are finally back" Feng Rue said to Ye Chen.

Feng Rue was happy that Ye Chen was back, Ye Chen had been gone for quite a long time, and she thought Ye Chen had forgotten about this place.

"Hehehe, I had free time after practicing, so I looked here" Ye Chen said to Feng Rue.

"You should visit this place often" said Feng Rue.

"what happened, he was so polite to that man" people wanted to know who Ye Chen was, why was Feng Rue so polite when dealing with Ye Chen.

It seems that Ye Chen's identity is not simple, this makes everyone want to know who Ye Chen is.

Yao Lang's face became so dark, who would have thought the situation would turn out like this.

What should have been a help had instead become an enemy, this was something Yao Lang could not accept.

"Honey, what should I do, it seems like the situation is out of control?" Li Lanhua asked what they should do now.

Yao Lang also didn't know what they should do now, he looked dizzy at what was happening.

Yao Lang also had no way out in this matter, all the methods that should have worked failed.

"I heard there was chaos in this place?" Feng Rue asked Ye Chen.

"That's true, there is chaos in this place, these people are making trouble" said Ye Chen.

Ye Chen pointed at Yao Lang as well as Li Lanhua.lights

Feng Rue looked at Yao Lang and Li Lanhua, how dare they look for trouble in this place, Feng Rue would not let them off easily.

"So you guys are the ones causing trouble" said Feng Rue.

"We don't make trouble, he makes trouble" Yao Lang said that he didn't make trouble.

"Your words are not convincing" Feng Rue realized that Yao Lang, Yao Lang's words were not convincing.

Feng Rue was not an ordinary woman, as a person in charge under Ling Shu, she could easily tell whether someone was lying.

Yao Lang was in the corner, the beautiful Feng Rue knew what was happening, and this woman could read Yao Lang's thoughts.

"I come from the Four-sided Immortal Palace, I hope you will give me face and help" Yao Lang said to Feng Rue.

"So you are from the Four-sided Immortal Palace, it is not strange that you are so arrogant in this place, listen to me, that status of yours is nothing to me" Feng Rue said to Yao Lang.

Yao Lang was just a student, in Feng Rue's eyes, that status was nothing.

"What did you say?" Yao Lang is angry because Feng Rue said that he was nothing.

"Didn't you listen to what I said, your status is nothing, you'd better get out of here?" Feng Rue finally gave off an oppressive aura, she showed off her strength and abilities in front of Yao Lang and Li Lanhua.

Yao Lang and Li Lanhua were depressed, Feng Rue's power was too strong, and they couldn't survive such a thing.

They were suppressed and forced to kneel by Feng Rue, there was no mercy for them.

"Do you guys understand the place you belong to?" Feng Ru asked Yao Lang and Li Lanhua.

Yao Lang and Li Lanhua were unable to speak, this pressure made it difficult for them to breathe.

"It seems that is enough" Ye Chen said to Feng Rue, it seemed that was enough.

"You will regret this" Yao Lang said to Feng Rue.

"Throw them out of this place" Feng Rue called security and threw Yao Lang and Li Lanhua out.

Yao Lang and Li Lanhua, were forcefully kicked out by Feng Rue, they were kicked out of this place and were no longer allowed to enter it.

After finishing things for Ye Chen, Feng Rue asked what Ye Chen was doing with Liu Yue and Yan Fei.

"date" Ye Chen told what they were doing now.

"So that's how it is. You are a romantic man, so I will give this to you." Feng Rue gave a black card to Ye Chen.

"What is this" Ye Chen asked Feng Rue, he wanted to know what could be done with this card.

"That's a special card, you can buy all the things you want using it" Feng Rue said to Ye Chen.

"Ehhh, there is something like this too huh" Ye Chen said to Feng Rue.

"I prepared this for you, it's a shame you haven't returned since then" Feng Rue said to Ye Chen.

"Thank you very much, I will accept this" Ye Chen thanked and accepted what Feng Rue gave.

"have fun" Feng Rue said to Liu Yue and Yan Fei.

Liu Yue and Yan Fei blushed when they listened to what Feng Rue said, Feng Rue was teasing them.

"This is for you, do you want to wear it" Ye Chen asked Liu Yue and Yan Fei.

"Please put it on for me" Liu Yue and Yan Fei asked Ye Chen.

"Of course, come here" Ye Chen gave this to Liu Yue and Yan Fei.

Ye Chen helped put on a bracelet for Liu Yue and put on a necklace for Yan Fei.

They both seemed to suit Ye Chen's choice.

Chapter 2986 Shen Xinyue Wanted Information About Ye Chen

"What do you think" Liu Yue and Yan Fei asked Ye Chen, they wanted to know Ye Chen's opinion about this.

"Very beautiful and very suitable for you." Ye Chen said that it was very suitable for them to wear.

"We are happy" Liu Yue and Yan Fei were so happy about this, they felt that it was very suitable.

"let's go around and look for good objects" Ye Chen said to Liu Yue and Yan Fei.

"Come on" Liu Yue and Yan Fei took Ye Chen's hand, and they invited Ye Chen to go somewhere else.

Feng Rue finished, she looked at Ye Chen from above. Beside her was a beautiful goddess woman who was so seductive.

This is Ling Shu, she came to see Ye Chen.

"it looks like they are having fun" Ling Shu said to Feng Rue.

"As you can see," said Feng Rue.

"You're not joining too?" Ling Shu asked Feng Rue.

Does Feng Rue not want to join Ye Chen.

"Looks like it's full there, I'll look for another time." Feng Rue said that she would look for another time.

"You think like that" Ling Shu smiled when she saw Feng Rue say that.

"Why are you here?" Feng Rue asked Ling Shu.

"Someone wanted to see me, so I came here." Ling Shu said that someone wanted to see her.

"Who is that, is that someone important?" Feng Rue asked Ling Shu.

"It is very important, then I will go" Ling Shu said to Feng Rue.

"Okay, I understand" Feng Rue understood, she would not interfere with Ling Shu's important matters.

Ling Shu went to the food section, there was already someone waiting, more precisely someone was waiting for Ling Shu in the VIP room.

Here is a special room, not everyone can enter this place. Only those who dare to pay a high price can.

A beautiful woman sat alone, drinking a drink and reading something that looked important.

The scene before Ling Shu's eyes was too, this was probably only in legends to see a beautiful woman drinking tea alone.

Ling Shu even felt a little inferior compared to the woman before her.

The beautiful woman in front of Ling Shu was Shen Xinyue, the first most powerful beauty among the ten beauties, her strength was beyond doubt as she was the only goddess at the ninth level.

To be honest, Ling Shu didn't like this situation, she didn't want to have anything to do with Shen Xinyue.

"What are you looking for me for? It's been a long time since you last asked me to meet like this," Ling Shu asked Shen Xinyue.

It had been tens of thousands of years since they had chatted together like this, this was a very rare opportunity.

"I need a little help from you," Shen Xinyue said to Ling Shu.

This woman was so calm and indifferent she seemed untouchable by others.

"What help? What do you need from me?" Ling Shu asked Shen Xinyue.

"You know what I need, right? Your information is the greatest, so I need you to find information about someone.

"Is there a woman who offended you or a new pursuer who annoyed you?" Ling Shu asked, there were probably two things that made Shen Xinyue want to seek information from someone.

"That's true" Shen Xinyue said to Ling Shu.

"I already expected it" Ling Shu had already expected it, this person would do this.

"so who is it, tell me" Ling Shu asked Shen Xinyue.

Ling Shu wanted to know who this person was.

"Here comes the picture of the person" Shen Xinyue brought an imaging stone she told Ling Shu to see.lights

Ling Shu, curious to open it, opened it and saw it with her own eyes.

"this guy . . ." Ling Shu was really surprised when she saw a picture of people in the imaging stone.

Ling Shu was speechless whens she saw that.

Ling Shu was silent for a while, she thought of what made Shen Xinyue look for information about Ye Chen.

"Why are you looking for information from this person?" Ling Shu asked Shen Xinyue.

Ling Shu had to find the answer, she could not let Shen Xinyue do something.

"I want to know who he is and where she comes from, that's a task that is so easy, right?" Shen Xinyue told Ling Shu.

"I don't think this will be easy," Ling Shu told me that this would not be easy.

"Why, is she a great person?" Shen Xinyue asked Ling Shu, she wanted to know the reason Ling Shu said that.

"More precisely, he is very dangerous" Ling Shu told Shen Xinyue.

Ling Shu will not lie to Shen Xinyue, she tells that Ye Chen is a very dangerous person.

"How dangerous this person is" Shen Xinyue is still quite calm, there is no change in expression on her face.

"Quite dangerous. Maybe it can make our first-level goddess fall without resistance" Ling Shu said to Shen Xinyue.

Shen Xinyue stopped, she looked at Ling Shu more seriously.

Ling Shu saw Shen Xinyue, it seemed that this warning managed to make Shen Xinyue feel a little scared.

"So like that, I understand, I'm increasingly interested" Shen Xinyue said that she was increasingly interested.

Shen Xinyue asked Ling Shu to provide information from Ye Chen, she would pay a high price.

Ling Shu realized that Shen Xinyue could not be warned in words.

"If she still insists, just leave it, it has nothing to do with me" Ling Shu will inform Shen Xinyue.

Ling Shu did not understand Ye Chen's thoughts, among everyone, why Ye Chen provoked Shen Xinyue.

There is nothing good that will happen by provoking this goddess.

Ling Shu gave what Shen Xinyue wanted, of course, Ling Shu did not provide all the detailed information, Ling Shu did not want to put Ye Chen in danger.

"Thank you very much, I'm helped" Shen Xinyue has gotten what she wants, now is the time to leave.

"Do you want to go?" Ling Shu asked Shen Xinyue.

"There's nothing I can do here, I'll go first" Shen Xinyue said to Ling Shu.

Shen Xinyue left this place, she immediately left Ling Shu alone.

Ling Shu played a deep crystal given by Shen Xinyue, the number was very much, and Shen Xinyue was very rich.

Ling Shu was not too surprised by this problem, as an object of men, she must often receive gifts, so she has so many items that are not used.

Giving to others might be better than storing these items.

"I want to see who will win between the two of them" Ling Shu was curious about who would be the winner, whether Ye Chen or Shen Xinyue.

"Husband, you have a strong challenger" Ling Shu saw Ye Chen having a strong challenger.

"But why are there so many women around him, whether this is because of the body in particular" Ling Shu began to think, maybe for that reason, or there was something else.

"Forget it, I want to sleep" Ling Shu will forget this problem, she wants to sleep now.

This is a nap hour, and Ling Shu needs this to sleep and start cultivating.

In addition, Ling Shu just wanted to do it with Ye Chen, she wanted to be with Ye Chen because she had not done that for a long time and felt lonely alone.

Chapter 2987 Yao Lang Wanted Revenge

Yao Lang and Li Lanhua were kicked out for causing trouble, which made them lose quite a lot of faces.

"Damn it" Yao Lang seemed so angry about what happened he couldn't accept what happened.

"How dare they treat us like this? It's just a small shop" said Li Lanhu.

"I will not forgive them" Yao Lang will not remain silent, after what happened, he will not remain silent and will take revenge for what happened.

"Honey, how about we get revenge" Li Lanhua said to Yao Lang, she invited Yao Lang to take revenge on Ye Chen.

"Of course we will take revenge on them. After what happened, I won't spare them" said Yao Lang.

Since we can't go inside, we wait for them to come out, we will fight them after they come out," Yao Lang said to Li Lanhua.

"That's such a good idea, I'll help you." Li Lanhua said that she would help Yao Lang.

"Let's wait for them" Yao Lang said to Li Lanhua.

They would wait for Ye Chen, it would be better to wait for Ye Chen and start to plan their plans.

Ye Chen, Liu Yue and Yan Fei bought clothes, this was the part that took the longest, the part where Ye Chen had to be patient.

Ye Chen saw that Yan Fei and Liu Yue were quite excited about this matter, they had already tried hundreds of clothes.

"How about me ?," Liu Yue tried on a yellow dress with a knee-length skirt which was so good.

"You are very beautiful," Ye Chen said to Liu Yue.

Liu Yue was so beautiful, Ye Chen wouldn't be able to complain about that.

Yan Fei tried on purple clothes, it made Yan Fei more mature and more seductive.

"As for me" Yan Fei asked Ye Chen, what Ye Chen thought about him.

"so beautiful and seductive" Ye Chen said Yan Fei was very seductive.

Liu Yue and Yan Fei were happy, they bought this.

Ye Chen really couldn't understand it, they were both beautiful, and even though they wore various kinds of clothes, it still suited them.

Because they are already beautiful, all the clothes they wear can easily suit them.

After buying enough clothes for later use, they finally wanted to leave.

Ye Chen was enthusiastic and immediately paid for everything, as long as this was done, Ye Chen didn't mind paying for it all.

Yan Fei and Liu Yue were so happy about this, they were so happy to spend the whole day with Ye Chen.

Even though there was a little problem, they were still happy to be with Ye Chen, the feeling of being together with Ye Chen was the best.

"This is the time, isn't it" Liu Yue said to Yan Fei.

"Um it's time, let's get started" Yan Fei nodded lightly to Liu Yue.

"Where are we now, having a romantic dinner?" Ye Chen asked Liu Yue, he wanted to know what they wanted.

"Come on, come with us" Liu Yue and Yan Fei said to Ye Chen, both of them asked Ye Chen to follow.

Ye Chen followed them, they came out of Super Origin mall.

"Where are we going ?" Ye Chen asked Liu Yue and Yan Fei, he wanted to know where they were going.

"You will find out soon" Liu Yue said to Ye Chen, she told that Ye Chen would soon find out about this matter.

Liu Yue and Yan Fei had already rented a good place, tonight they wouldn't let Ye Chen rest quickly.

Ye Chen began to feel Liu Yue and Yan Fei's plans.

These two women were planning something, Ye Chen was very sure of that.

A few moments after Ye Chen came out of Super Origin Mall, Ye Chen saw two familiar people.lights

"Them again?" Liu Yue saw that these were the two people from before.

"What do they want, haven't they been kicked out enough?" Yan Fei said in an annoyed tone.

It wasn't strange that Yan Fei was so annoyed, the two people in front made Yan Fei so annoyed.

"What do you guys want ?" Ye Chen asked Yao Lan and Li Lanhua.

"You're still asking, are you stupid?" Yao Lang laughed, Ye Chen should have known his purpose in coming to this place, he wanted revenge on Ye Chen for what happened.

"You want revenge for what happened ?" Ye Chen guessed what Yao Lang was trying to do.

Yao Lang smiled, that was indeed Yao Lang's goal.

"Very clever, are you ready, I will not give you any mercy, after what happened to us" Yao Lang wanted to destroy Ye Chen, at least he wanted to maim Ye Chen.

"I also want to do the same as you." Li Lanhua intended to take care of Liu Yue and Yan Fei.

Let Liu Yue and Yan Fei be slaves after all this is over, she can order the two of them and do whatever she wants to Liu Yue and Yan Fei.

Ye Chen looked toward Yan Fei and Liu Yue, "what now?" Ye Chen asked Yan Fei and Liu Yue.

"let's finish this first" Yan Fei said to Ye Chen.

"Before we go back, let's take care of this person, I have a pretty good idea" Liu Yue had an idea that might allow them to get the information in the Four-sided Immortal Palace easily.

"Okay, I will take care of them" Ye Chen intended to take care of Yao Lang and Li Lanhua at the same time.

"Wait a minute" Liu Yue stopped what Ye Chen was going to do.

"What is it?" Ye Chen was confused because he was stopped by Liu Yue, he asked Liu Yue.

"let you take care of that woman, that woman needs to be disciplined a little" Liu Yue asked Ye Chen.

Liu Yue looked straight at Li Lanhua, this was the time to discipline Li Lanhua.

Li Lanhua got goosebumps when she saw Liu Yue's gaze, she was like a little bird facing a phoenix.

"I understand" Ye Chen would let Liu Yue take care of Li Lanhua.

"sister" Liu Yue said to Yan Fei, she asked Yan Fei to create a barrier around.

It would be conspicuous if they fought in the middle of the city, it would create chaos and invite many people to come to see.

For the people here, fighting was such an exciting show, people would come to see.

Yan Fei created a super large barrier protecting the surroundings of this place, it would make this place invisible to others.

Ye Chen faced Yao Lang, Yao Lang had already prepared, so it would not be difficult to face Ye Chen.

"so you want to face me directly" Yao Lang said to Ye Chen.

Yao Lang didn't expect Ye Chen to face him alone, it was a stupid decision.

"Do you think I ran, 1 vs 1 is a battle between men" Ye Chen said to Yao Lang.

"That's absolutely right, get ready, from now on, this will be hell for you" Yao Lang laughed evilly, he would enjoy this quickly.

Ye Chen smiled slyly, Ye Chen wanted to see who would be tormented.

Yao Lang advanced, he used an acceleration technique on his legs, Yao Lang's legs were covered in lightning, it made him run very fast.

It turned out that Yao Lang had above-average agility, it was fast and troublesome to fight.

"feel this" Yao Lang attacked Ye Chen, he hit Ye Chen with his bare hands.

"Bammmmm" Ye Chen was hit by several punches from Yao Lang.

"hahahahaha" Yao Lang seemed to enjoy this, Ye Chen was hit continuously by Yao Lang. !

Chapter 2988 Losing In Terms Of Speed In Battle

"Master, are you okay" Chu Yuechan asked Ye Chen.

Was Ye Chen all right after receiving such an attack?

"I'm fine, the attack he launched was so weak, it seems like he was only fast, his strength was so weak" Ye Chen said to Chu Yuechan.

"So that's how it is" Chu Yuechan understood, this person only focused on speed, while his attacks were so weak, a person like this was nothing compared to Ye Chen.

Ye Chen let Yao Lang attack him, just let him try a few more times.

Yao Lang had attacked Ye Chen several times, what was strange was that Ye Chen was still able to defend well, he didn't seem to have any problems when facing Yao Lang.

"what happened? Doesn't he feel pain after an attack like that?" Yao Lang started to wonder.

The attack that had just been launched should have been quite powerful, there was no way Yao Lang would be able to survive easily after receiving so many attacks.

Yao Lang had to admit that his attacks weren't that good.

That's why he attacked Ye Chen using several attacks, the aim was to cause a lot of wounds and make it even more painful.

"Are you messing with me? The attack you launched is like someone massaging me" Ye Chen said to Yao Lang.

Yao Lang said that the attack was like a massage, there was nothing special about the attack just now.

"Huh?" Yao Lang didn't expect this, how could this happen?

"So you think the attack that was launched is weak, then you have to try this one attack" Yao Lang said to Ye Chen, he told Ye Chen to try one more, this attack will definitely be much more painful than the previous one.

"Okay, if you insist" Ye Chen will try it, whether the next attack is strong enough, Ye Chen wants to see it with his own eyes.

Yao Lang decided to attack Ye Chen using his lightning legs, compared to hand strength, Yao Lang's leg strength was much stronger.

It could easily make a hole in Ye Chen's body.

"thunder spear kick", Yao Lang finally showed the strength he had, he showed the ability and strength he had in front of Ye Chen.

Yao Lang's leg was like a spear, it could penetrate the enemy's body easily.

"dead . . ." Yao Lang said to Ye Chen.

"boom" An explosion occurred when the kick hit Ye Chen, the force and impact was so strong and made the earth shake violently.

"Too confident to take an attack from me, this is the victory I have" Yao Lang said to Ye Chen.

thunder spear kick was an attack that could kill the target, plus Yao Lang was aiming for Ye Chen's chest, so there was little chance that Ye Chen would survive.

This attack did not cause any injuries to Ye Chen, Ye Chen was not injured when he received such a strong direct attack.

"Is it finished?, then it is my turn to attack" Ye Chen said to Yao Lang.

If Yao Lang was finished with his attack, then this was the time for Ye Chen to counterattack.

"What, you're not injured after receiving an attack like that?" Yao Lang said to Ye Chen.

"Of course not, that's too weak, you're only fast, but so weak, let me show you what strength is" Ye Chen threw a punch at Yao Lang.

Yao Lang intended to use the abilities he had to dodge, he believed speed could save him from Ye Chen's attack.

Speed was such a good thing, it was something that Yao Lang had been training for until now.

"Blam . . ." Ye Chen's punch came at a speed that Yao Lang couldn't imagine.

The blow immediately made Yao Lang fall, Yao Lang's head kissed the rough ground.

Ye Chen hit him right in the head, it could have caused quite serious injuries to Yao Lang.

Yao Lang's head was bleeding, and Ye Chen's punch was effective enough to create a wound for Yao Lang.

Yao Lang touched the blood on his head, he could feel the blood dripping down his head.

"damn. . . ." Yao Lang was so angry, such a strong killing intent, this was serious anger.

"You will pay, I guarantee that" Yao Lang said to Ye Chen.

"I'm too lazy to play with you" Ye Chen said to Yao Lang.

"You are absolutely right, I will not play around anymore and will use my full strength against you" Yao Lang will be more serious, it's time to use the secret move that he has been keeping.

"Red lightning opens" Yao Lang showed his full potential in front of Ye Chen.

"red lightning, he burns blood to increase his strength" Ye Chen already knew Yao Lang's strength.

"It can increase his strength for a while, at least he can maintain strength for about 10 minutes" Chu Yuechan tried to estimate Yao Lang's limit.

"10 minutes is too long," Ye Chen said that it would be long.

"So you're going to end this quickly?" Chu Yuechan asked Ye Chen.

Ye Chen nodded, he would end all this quickly.

Ye Chen came forward, he stepped forward towards Yao Lang.

Yao Lang's entire body was covered in terrifying red lightning, his strength and speed increased by 2-3 times.

"time for revenge" after he used the technique, it was time for Yao Lang to avenge Ye Chen.

He wouldn't want to stay silent after what Ye Chen did.

"You will feel the pain until you die" Yao Lang will torture and toy with Ye Chen.

Yao Lang stepped forward towards Ye Chen using toadstool speed, different from Ye Chen, he used a very fast speed, a speed that was quite impressive for the eye to see.

Yao Lang arrived in front of Ye Chen. He hit Ye Chen, who was in front of him.

From Yao Lang's point of view, Ye Chen was so slow, he was like a slow snail compared to the current Yao Lang.

"so slow, you will regret it" Yao Lang said to Ye Chen.

Ye Chen looked straight at Yao Lang, he could see Yao Lang's movements.

Even though Yao Lang's movements could be said to be fast, they could still be seen clearly by Ye Chen.

"Slow" Ye Chen hit Yao Lang a second time, Ye Chen's second punch made Yao Lang's skull crack, and more blood came out.

The second attack knocked Yao Lang out, he was unable to defend himself and immediately fainted.

"Okay, it's finished here" Ye Chen has finished Yao Lang, Ye Chen doesn't think he will wake up anytime soon.

.

.

Liu Yue Vs Li Lanhua's side.

Liu Yue fought with bare palms, while Li Lanhua fought using projectiles.

"Feel my attack" Li Lanhua attacked Liu Yue, she shot projectiles towards Liu Yue.

Li Lanhua fired around 10,000 projectiles toward Liu Yue, such large number.

Li Lanhua's purpose in doing this was to block Liu Yue, she intended to block Liu Yue's running route.

Liu Yue didn't make any moves, she just used her aura to block the projectiles.

Just by using aura alone, she was able to withstand all incoming attacks.

"she has such a strong defense" Li Lanhua shouted, Liu Yue had such a strong defense.

Li Lanhua didn't even see what kind of defense Liu Yue had.

Li Lanhua couldn't see Liu Yue's aura, Liu Yue's control was so good that the enemy couldn't see it.

"I'm good enough, just give up now," Liu Yue said to Li Lanhua.

Chapter 2989 gave the slave seal to Li Lanhua

"You haven't even shown your strength and want me to surrender, don't joke with me" Li Lanhua didn't like the words said by Liu Yue.

Li Lanhua also refused to give up this battle.

"At this rate, I won't hold back" Because the opponent refused to lose, Liu Yue decided to defeat her using her own strength.

Liu Yue used the moonlight technique, a powerful technique.

"What is this person doing?" Li Lanhua tried to find out what Liu Yue was doing.

"I hope you are prepared" Liu Yue said to Li Lanhua.

"What are you trying to do?" Li Lanhua asked Liu Yue.

Liu Yue immediately showed her strength and abilities, she showed great abilities to her opponent.

"Arghh . . ." When the attack hit Li Lanhua, she felt excruciating pain.

"Damn, this is so painful" Li Lanhua felt that this was so painful, and she didn't like it.

Liu Yue continued to increase her strength, Li Lanhua was unable to break out and was suppressed by Liu Yue.

"It hurts so much" The pain got stronger, and it made Li Lanhua scream.

"Ahhhhhh . . ." Li Lanhua's screams were so loud her body was in complete pain and wounds appeared on her body.

"I surrender" Li Lanhua said to Liu Yue. (f)(r)(e)(e)(w)(n).(c)(o)(m)

Li Lanhua decided to give up, she would not be able to win against Liu Yue.

"It's not that easy, I've given you a chance, this is the time for you to feel the pain first, after this you will definitely turn into a good woman" said Liu Yue.

Liu Yue didn't let go of Li Lanhua, she made Li Lanhua feel a little pain so Li Lanhua changed.

Liu Yue taught a lesson that Li Lanhua would always remember.

Li Lanhua will always remember the lesson given by Liu Yue today.

After Li Lanhua was too weak and was about to faint, Liu Yue finally stopped.

Li Lanhua was already too weak, she wouldn't be able to defend against Liu Yue.

"Help me . . ." Li Lanhua asked for help from Yao Lang.

Li Lanhua looked towards Yao Lang when she looked towards Yao Lang, she discovered that Yao Lang had also been defeated.

"Impossible . . ." Li Lanhua couldn't believe that Yao Lang had lost.

Yao Lang was much stronger compared to Li Lanhua, if he lost, then there was no chance for Li Lanhua to win.

"It looks like you are finished" Ye Chen said to Liu Yue.

"I'm done, what about you?" Liu Yue asked Ye Chen back.

Ye Chen was finished, and he managed to paralyze Yao Lang.

"Now let's get started?" Liu Yue will start it.

"Are you going to use it?" Ye Chen asked Liu Yue.

"This is a good opportunity, don't you agree?" Liu Yue asked Ye Chen.

"Of course I will agree with this" Ye Chen would of course agree with this.

Ye Chen and Liu Yue looked towards Li Lanhua.

"What are you going to do to me? Please let me go" Li Lanhua was starting to get scared.

she begged Ye Chen and Liu Yue so that she could be released.

"That can't be happening, after what you did, we won't be able to let you go" Liu Yue refused to let go of Li Lanhua.

"I will use you to find information for us" Liu Yue said to Li Lanhua.

"No way, don't do that" Li Lanhua kept pleading, she looked so desperate about what was happening.

Ye Chen and Liu Yue didn't have much pity, after seeing this woman's nature, there was no way Liu Yue and Ye Chen would pity.

"There's no use begging us, we both already know who you are" said Ye Chen.

"that is absolutely right, prepare to receive the slave seal" said Liu Yue.

"Sister Yan, please do it, you know that right?" Liu Yue asked Yan Fei.

Yan Fei could help with this.

"of course, I don't mind, after what happened, she can be a good servant" said Yan Fei.

Yan Fei planted a slave seal on Li Lanhua.

"No, don't do that" Li Lanhua begged Yan Fei, she didn't want to be a slave.

"You have no choice" Yan Fei said to Li Lanhua.

This was Li Lanhua's fault, if only Li Lanhua hadn't looked for trouble with Ye Chen, she wouldn't be like she was today.

Yan Fei planted a seal on Li Lanhua, she would now be unable to escape and would obey Yan Fei's orders.

"It's finished, now we can give the orders we want" Yan Fei said to Ye Chen and Liu Yue.

"very good, then let's give her an order" Ye Chen was satisfied, this was the time to give Li Lanhua an order.

Li Lanhua couldn't run away anymore, the contract was complete, and she had to obey what Liu Yue and Yan Fei said.

"Today I order you," Liu Yue said to Li Lanhua.

"You must give us all the information about the Four-sided Immortal Palace" Liu Yue said to Li Lanhua.

"Arghhh . . ." Li Lanhua felt the pain, she felt like she was being stabbed by tens of thousands of swords when she refused orders.

"Okay, I understand." Li Lanhua understood, she could only accept this order.

"Don't you ever dare report this, otherwise you will be destroyed" Yan Fei said to Li Lanhua.

"I understand, I won't tell anyone else" Li Lanhua understood, she wouldn't tell anyone else about this.

"good decision, you can go and take him" Yan Fei told Li Lanhua to take Yao Lang away.

Li Lanhua immediately went to carry the injured Yao Lang, she had found a way out, she had to leave quickly, lest Liu Yue and the others change their minds.

"she's only a core disciple, only second-grade information she will provide, but that's good enough" said Ye Chen

"We have a hard time getting in there, so it's better to use this method to infiltrate a little" said Yan Fei.

"I quite agree with that, let's go, they are disturbing our time enough" Ye Chen pulled Liu Yue and Yan Fei, he was done here and was now leading Liu Yue and Yan Fei.

Liu Yue and Yan Fei blushed, they seemed to know what would happen next.

.

.

Meanwhile, Li Lanhua took Yao Lang away as far as possible, she didn't want to be around Ye Chen anymore.

After what happened just now, she finally knew that that group was terrifying and would no longer dare to seek trouble with them.

"Damn it, why did I have to be stuck with them" Li Lanhua cursed, she shouldn't have been stuck with them, with that she didn't know how to endure all this.

Everything had happened, and the rice had become porridge, Li Lanhua could only lament her fate.

"I will first give him medicine" Li Lanhua treated Yao Lang, after all, Yao Lang was the person and she had to keep Yao Lang alive.

Because of the slave contract, Li Lanhua couldn't tell what happened to Yao Lang, she could only keep this to herself.

"Ugh. . . ." Li Lanhua managed to wake Yao Lang up, he regained consciousness and looked directly at Li Lanhua.

"Where am I right now?" Yao Lang asked Li Lanhua.

"We are already in a safe place" Li Lanhua said that they were already in a safe place.

"what about the battle?" Yao Lang asked Li Lanhua.

Chapter 2990 Yao Lang is looking for death

"We have lost to them, so we have to return," Li Lanhua said, saying they had lost the battle.

"How could we lose? This is impossible" Yao Lang refused to lose, he could not accept defeat.

"We'd better go back and not disturb them" Li Lanhua told him just to go back.

"I will not accept this defeat" Yao Lang said that he would not accept this defeat.

"But we can't win, so it's better to just leave" Li Lanhua tried to persuade Yao Lang.

Li Lanhua didn't dare to mess around anymore, those people were much more dangerous than they could imagine, she almost lost her life when fighting Ye Chen and the two women.

"I don't care, if I lose, I just need to hire the best assassin" Yao Lang said that he wanted to hire the best assassin to fight Ye Chen.

"Don't do that" Li Lanhua said to Yao Lang.

"Get out of the way, what's wrong with you, why are you helping them, you should be on my side" Yao Lang pushed Li Lanhua away.

"I'm trying to help you." Li Lanhua tried to help.

"I don't need this, I will avenge today's injuries several times," said Yao Lang.

Yao Lang would retaliate, he would not allow what happened.

"So you chose to take revenge for what happened, that was such a stupid decision" a voice that was so cold sounded.

"Huh?, who is that?" Yao Lang looked around, he looked for the origin of the voice.

"Come out" Yao Lang asked the person who spoke to come out.

"I don't like showing myself to you" she said that he didn't like showing herself to Yao Lang.

"You are just a coward" Yao Lang said the other party was just a coward.

After Yao Lang said that, a mist descended before Yao Lang and Li Lanhua.

Yao lang and Li Lanhua didn't understand, they didn't understand what was happening right now.

"This is bad" Li Lanhua felt that this was bad, she felt a bad feeling that was about to happen.

Li Lanhua didn't dare to speak, just the slightest mistake, she would be in trouble.

Li Lanhua wanted to give Yao Lang a warning, the problem was that Yao Lang was now unwilling to listen to the warning given by Li Lanhua.

"So you don't dare show yourself and instead hide behind that fog" Yao Lang mocked the other party who only dared to hide.

"I have already shown myself, what else you want, quickly finish the words you have" she said to Yao Lang.

"Honestly, I don't want to speak with a coward, you don't dare to show your face, and still dare to say things like that" Yao Lang said to the woman before him.

"are you done with your words, do you have any last words" she said to Yao Lang.

"I'll make you finish the last words." Yao Lang gets angry easily, he gets triggered just because of small matters.

The woman threw something, a needle was thrown towards Yao Lang and scratched Yao Lang's cheek.

"How dare you attack me, I will destroy you" Yao Lang was going to destroy the woman before him.

"You have 10 seconds to speak any last words" she said to Yao Lang.

"How arrogant, how dare you say that to me, you don't know who the person you are facing now is. . ."
Yao Lang suddenly felt strange, his whole body felt very cold.

His body was shaking, and he felt so cold to his bones.

His vision went white, and he couldn't do anything about it.

Li Lanhua could only remain silent when she saw what happened, she couldn't do anything when she saw what happened to Yao Lang.

"He. . . ." Li Lanhua saw that Yao Lang's body froze, it froze instantly.

Li Lanhua doubted that if Yao Lang were still alive, he would not be able to survive.

"You . . ." she said to Li Lanhua.

"Yeah?" Li Lanhua was so nervous, she was so nervous about the mysterious person who appeared.

The other party seemed to be so strong, she was able to kill Yao Lang in mere seconds without any resistance.

Li Lanhua was afraid, of what would happen to her next, today was so unlucky, she met people she should not be able to offend.

"Go away and forget what you saw" she said to Li Lanhua.

"I understand" Li Lanhua understood what to do.

Since the other party decided to let Li Lanhua go, Li Lanhua had to leave.

It was better to save herself now, there was no point in fighting.

As Feng Rue once said, the relationship between the two was only a mutually beneficial relationship, they had no basis in love.

Even though something bad happened to Yao Lang, Li Lanhua didn't care and was more concerned about her safety.

After Li Lanhua disappeared, the woman showed herself, this was Shen Xinyue, she came back to help Ye Chen.

"Why am I helping him" Shen Xinyue didn't understand why she wanted to help Ye Chen, even though she could ignore what was happening right now, but she chose to help Ye Chen.

"I think this is thanks because he helped me" Shen Xinyue felt that this was thanks because Ye Chen had helped her.

Ye Chen had helped lift the curse, this was appropriate reciprocity.

"the problem here is solved, it's time to clean up" The problem has been solved, it is time to clean up the scene.

Shen Xinyue only needed to flick her finger, and Yao Lang's body immediately became ice fragments and scattered to various places.

Shen Xinyue had helped solve Ye Chen's problem, Ye Chen should be grateful for what Shen Xinyue did.

To where Ye Chen is now, Ye Chen is now having fun with Liu Yue and Yan Fei.

The three of them enjoyed a beautiful evening by reconnecting with their relationship which had not happened for a long time.

Liu Yue and Yan Fei were so excited, it seemed like this was because they hadn't done this with Ye Chen for a very long time.

"You two are quite aggressive" Ye Chen said to Liu Yue and Yan Fei.

"It can't be helped, it's been a long time, ahhh. . ." Liu Yue was currently moving, riding Ye Chen and taking the lead.

Liu Yue's method was quite aggressive, she immediately showed all her abilities.

Liu Yue's bed skills were very good and made Ye Chen so comfortable, it seemed like today Ye Chen would be squeezed out by the two of them.

"I want a kiss" On the other hand, Yan Fei kissed Ye Chen, she wanted a kiss from Ye Chen.

Ye Chen kissed Yan Fei, and his hands touched Yan Fei's so good double peaks.

They are having fun, no one will disturb them here.

Ye Chen really enjoyed this, gathering with his beloved wife was indeed the best part of this world.

"Ahhhh . . ." after a while, Liu Yue started to get tired.

"You are still strong as usual" Liu Yue said to Ye Chen.

"Are you tired yet?" Ye Chen asked Liu Yue.

"Give me a break, it's been a long time since I had husband and wife relations like now," said Liu Yue.

Liu Yue seemed tired and wanted to rest.

"Then I will accompany Yan Fei first" Ye Chen said to Liu Yue.

"understand . ." Yan Fei nodded, she needed Yan Fei's help to tame Ye Chen.

"This is our turn, let's enjoy the long night" Ye Chen hugged Yan Fei and started round 2 with Yan Fei.

"This is great" Yan Fei's voice echoed, she enjoyed Ye Chen's big object ruffling her body.
