Chapter 3041 Nanlan Lia wanted Ye Chen (2)

It's still Nanlan Lia's first time, so it's not strange for her to think that.

"This is big" said Nanlan Lia. .com

Nanlan Lia admitted that Ye Chen's property was so big, that just looking at it surprised Nanlan Lia.

"Of course, it is indeed big" Ye Chen answered.

Ye Chen admitted that this was indeed a big thing, and this would make Nanlan Lia feel comfortable.

"I'll start" Ye Chen said to Nanlan Lia.

Ye Chen started, he started breaking down Nanlan Lia's door.

Ye Chen's object drilled in, making Nanlan Lia's body tremble.

"This is too big, I will break" Nanlan Lia said to Ye Chen.

Nanlan Lia said that she might be destroyed.

"Don't worry, that's impossible" Ye Chen said to Nanlan Lia.

Ye Chen said that Nanlan Lia would be fine.

Nanlan Lia persisted for some time, after feeling better, Nanlan Lia finally calmed down.

The pain had indeed subsided, and she felt a little comfortable.

Nanlan Lia felt like her body was full of Ye Chen, a very comfortable feeling.

"I feel better now, I'm going to start" Ye Chen said to Nanlan Lia.

Ye Chen finally started to move, he showed the best skills.

"umm. . ." Nanlan Lia couldn't hold on and screamed as loud as she could.

"This is too good. ." Nanlan Lia said.

Nanlan Lia admitted that this was too good, it was something that Nanlan Lia couldn't imagine.

The feeling given by Ye Chen was too extraordinary.

Her whole body was completely happy with the feeling given by Ye Chen.

Nanlan Lia liked it, the feeling that Ye Chen gave her made her unable to look away.

"Ummm . . ." Nanlan Lia took the initiative to kiss Ye Chen and enjoyed this.

"Chuu..." The kiss was so passionate both went crazy and didn't hold back.

Ye Chen didn't hold back, he used the strongest combat power to defeat Nanlan Lia.

Nanlan Lia cooperated with Ye Chen, she knew what to do to make Ye Chen happy.

As a smart woman with a lot of information, Nanlan Lia naturally has a lot of tricks in this matter.

she finally found a suitable person and was able to try it out.

Nanlan Lia started to fight back, this made their fight quite fierce.

"Very good, you have such a good technique" Ye Chen said to Nanlan Lia.

Ye Chen thought that Nanlan Lia was a beginner, it turned out she had pretty good technique.

"Do you like it, I wanted to try, it this time" Nanlan Lia asked Ye Chen.

"Of course I like it" Ye Chen said he liked this.

After that, they continued until maybe almost an hour had passed.

During this time, Ye Chen showed dominance because Nanlan Lia had been completely defeated, she even forgot how much fun she had had until now.

"This guy's strength is terrifying, how can he last long enough?" Nanlan Lia fell into deep thought.

How could Ye Chen survive for so long, it was clear that it was very difficult for normal people.

Actually, Ye Chen held back quite well, he showed extraordinary strength to Nanlan Lia.

He tried to make Nanlan Lia submit with his strength and abilities.

Nanlan Lia didn't give up, she used more tricks, as long as she could defeat Ye Chen, the battle would be over.

After several tricks used by Nanlan Lia.

Ye Chen was on the verge of venting, he couldn't survive something like this.

"You are quite good, I will give you a gift" Ye Chen said to Nanlan Lia.

Ye Chen said that he would give a gift to Nanlan Lia.

"Byurrr . . ." Ye Chen gave pure Yang Qi essence to Nanlan Lia.

"warm and comfortable, I finally succeeded" Nanlan Lia felt happy, she was finally able to beat Ye Chen.

With this, the winner was Nanlan Lia, she was very satisfied doing it with Ye Chen.

The most memorable and beautiful thing.

Just when Nanlan Lia thought it was over, little brother Ye Chen got up again.

"Eh, why?" Nanlan Lia asked Ye Chen.

This should be enough, men can only do it once.

"It's still early, you are ready" Ye Chen said to Nanlan Lia.

"what are you doing, wait a moment" Nanlan Lia said to Ye Chen.

Ye Chen started the second half, he didn't wait for Nanlan Lia.

Nanlan Lia finally understood Ye Chen's strength, it seemed like this wouldn't be easy.

Ye Chen and Nanlan Lia did it all day, until now, no one had arrived at this place, only Ye Chen, Chu Yuechan, and Nanlan Lia were there.

.

.

"Ugh. . ., my waist hurts" Previously they did too much and made Nanlan Lia feel a little sick.

"How, isn't he great?" Chu Yuechan asked Nanlan Lia.

Chu Yuechan seemed to be enjoying when she saw Nanlan Lia complaining.

"You must already know, he is a monster in that respect," said Nanlan Lia.

Even Nanlan Lia couldn't imagine herself being able to last that long.

"You will get used to it" Chu Yuechan said.

Nanlan Lia will start to get used to it, after this, she has to start serving Ye Chen well.

"But I don't mind, I get such great benefits," said Nanlan Lia.

Nanlan Lia got such great benefits, which might be worth doing.

The tiredness before was comparable to what she was getting now.

After doing with Ye Chen and taking the pill, Nanlan Lia had already entered the peak level of the Immortal Rebirth God Realm.

Something so worthy, she just had to keep practicing and improving herself, Ye Chen had paved a good path for Nanlan Lia.

"I will take some pills and techniques" said Nanlan Lia.

Nanlan Lia hasn't finished yet, she hasn't gotten the coveted item yet.

"You can take it" Chu Yuechan said.

After that, Nanlan Lia left with a heart full of flowers, she looked for what she liked.

Ye Chen took a look, he hadn't found anything good after the seven-colored true pill.

"You don't seem to find anything that interests you?" Chu Yuechan said to Ye Chen.

"It seems like there are just some things here that are not very useful for me and them," Ye Chen said to Chu Yuechan.

The items in this place are just ordinary, it won't be very useful.

"You're right, other than the things you've eaten, everything else might not be that great.

"After all, you already have a lot of things" Chu Yuechan said to Ye Chen.

Chu Yuechan also agreed with what Ye Chen said, Ye Chen had gotten good things, and here were some things left that might not be used much.

"Just let Nanlan Lia take all the things, we have enough here" Ye Chen said to Chu Yuechan.

"I understand" Chu Yuechan understood, she would carry out Ye Chen's orders.

After that, Ye Chen and Chu Yuechan saw Nanlan Lia.

Nanlan Lia also only took some, she took what she needed.

"you have done?" Nanlan Lia returned to Ye Chen.

"I'm done" Nanlan Lia said to Ye Chen.

"we can go," said Ye Chen.

Ye Chen invited Nanlan Lia to leave.

"Come on" Nanlan Lia has gotten good things on the journey, Ye Chen himself has also gotten good things, it's time to go back.

As they walked to the door, they met the group that had managed to enter.

"So someone managed to enter just like us" Ye Chen looked at the group before him.

"They are the dragon race, aren't they?" Chu Yuechan said to Ye Chen.

Chapter 3042: Nanlan Lia Wanted Ye Chen (1)

Ye Chen looked and smelled it, it seemed like an aphrodisiac was in it.

This will affect Nanlan Lia's desires. It's not strange to see Nanlan Lia become like now.

"he's not very lucky, it looks like you have to use a more efficient method" Chu Yuechan said to Ye Chen.

she asked Ye Chen to use a more efficient way to help Nanlan Lia.

"umm.." Nanlan Lia couldn't survive, she couldn't survive after what happened.

It was difficult to endure this uncomfortable feeling, like thousands of ants crawling on her body.

"do something" Nanlan Lia said to Ye Chen.

"Don't worry, I will do it," Ye Chen said, trying to calm Nanlan Lia down.

Ye Chen will help, Ye Chen is the one who invited Nanlan Lia here and has to be responsible for Nanlan Lia.

Ye Chen touched Nanlan Lia.

When Ye Chen did this, Nanlan Lia moaned quite loudly, she couldn't resist the pleasure from Ye Chen.

"Very good, it feels so good" Nanlan Lia said to Ye Chen.

Nanlan Lia said this was very good, and Ye Chen's touch made Nanlan Lia feel so beautiful.

"What a good feeling." Nanlan Lia liked that feeling, a very good feeling.

Ye Chen's touch easily made Nanlan Lia feel the world's beauty. every time Ye Chen touched her, she would feel so comfortable.

A feeling so strong and extraordinary that it made her body feel the highest pleasure.

"You are too strong" Nanlan Lia said to Ye Chen.

Ye Chen was too strong, what Ye Chen did felt very comfortable.

Nanlan Lia would be unable to hold on and quickly reach the top.

It was truly a very pleasant thing, Nanlan Lia managed to achieve pleasure because of Ye Chen.

"Ahhh...," This is so good, Nanlan Lia said to Ye Chen, her body convulsed several times with pleasure.

"How?" Ye Chen asked Nanlan Lia.

Ye Chen wanted to see Nanlan Lia's condition.

"Feeling better, but I don't think this is enough" Nanlan Lia said to Ye Chen.

Nanlan Lia felt it wasn't enough, she wanted to experience more feelings.

"You are quite perverted" Ye Chen said to Nanlan Lia.

Nanlan Lia's face turned red when she heard Ye Chen's words.

she was quite embarrassed, Ye Chen had thought of herself as a pervert.

"It's still early, I will enjoy you until the last second" Ye Chen said to Nanlan Lia.

"You..." Ye Chen started to remove clothes from Nanlan Lia.

Ye Chen's skills were so gentle, that in just such a short time, he released everything that Nanlan Lia had.

Ye Chen had just stripped Nanlan Lia, she had no chance to survive, and Ye Chen threw away all her clothes.

"You did it so quickly, this is so embarrassing" Nanlan Lia said to Ye Chen,

Nanlan Lia said that this was very embarrassing.

"Do you think this is embarrassing? you look so beautiful" said Ye Chen.

Nanlan Lia's face became red as an apple.

She couldn't afford to hold on anymore, she wanted to love Ye Chen.

Ye Chen's words were so pleasant women would enjoy hearing them.

Ye Chen used his hands, he start exploring Nanlan Lia's secret garden.

"Ahhh.." Nanlan Lia couldn't stop her voice.

This feeling is so comfortable.

Even though it was embarrassing, Nanlan Lia admitted that what Ye Chen did was so good she couldn't hold on after Ye Chen touched her part.

"This is too strong, I can't survive" Ye Chen touched on the most sensitive point, how could Nanlan Lia survive this problem?

It made Nanlan Lia reach the limit quickly.

Ye Chen looked at Nanlan Lia, it seemed like she was too passionate and sensitive, just a little bit made Nanlan Lia.

"Then let's start" said Ye Chen.

Ye Chen wanted to start it.

Chu Yuechan had disappeared and given time to Ye Chen and Nanlan Lia.

If she could be dragged into a fight here, by then, she probably wouldn't be able to get out of bed.

"His strength is growing, how much will it take to fight him" Chu Yuechan thought for a moment.

It takes a lot of women to beat Ye Chen, even Chu Yuechan wasn't confident in her abilities and the few women around Ye Chen.

"I'd better work in this place, maybe someone will come in" Chu Yuechan will guard this place, she won't let other people come in and disturb Ye Chen.

Ye Chen showed his to Nanlan Lia.

Such a large object was now in front.

"Ehhh..., why is it so big?" Nanlan Lia asked.

Nanlan Lia was surprised, she saw that Ye Chen had something quite big.

Whether, with such size, she could withstand it was quite difficult to know.

Even someone with much experience would hesitate when facing such a giant.

Chapter 3043 The Little Female Administrator Who Tried To Find Trouble With Nanlan Lia.

"is it possible to build everything from scratch?" Nanlan Lia said.

"You have to believe in yourself, look at me, I started everything from zero" said Ye Chen.

Ye Chen told Nanlan Lia to believe in herself.

Nanlan Lia thought she should have done that, now she has regained her goal.

"You are indeed right, thank you very much" Nanlan Lia said to Ye Chen.

Nanlan Lia thanked Ye Chen.

she could finally do it again.

"That's very good" Ye Chen hugged Nanlan Lia, Ye Chen felt happy because Nanlan Lia had regained her goal.

"Are you going to help too?" Nanlan Lia asked Ye Chen.

"I have to continue my journey, why don't you contact someone? she can help you, hse has a pretty good information network" said Ye Chen.

Ye Chen told Nanlan Lia to ask Ling Shu for help, she would bring Nanlan Lia to an even higher level.

"I will do it" Nanlan Lia understood, and she immediately went to meet Ling Shu.

First of all, she had to go to resign.

"I need to resign" Nanlan Lia said to Ye Chen.

Nanlan Lia announced that she wanted to resign.

"Then I will go and accompany you" Ye Chen said to Nanlan Lia.

Ye Chen wanted to accompany Nanlan Lia until Nanlan Lia was completely ready, he would accompany Nanlan Lia.

"Thank you very much, I am very happy" Nanlan Lia said to Ye Chen.

she was very happy because Ye Chen wanted to accompany her.

With that, the two of them returned to Nanlan Lia's workplace.

Nanlan Lia went to meet with the administrators and began to resign.

"Why did you decide to resign" the administrator asked Nanlan Lia.

Why did Nanlan Lia decide to resign, even though Nanlan Lia has great potential?

"I've thought about it carefully, I feel that this job is not good for me" Nanlan Lia told her why.

Nanlan Lia cannot continue like this, she must start to change and become better than she is now.

She could become much better with Nanlan Lia's current abilities and strengths.

she couldn't disappoint Ye Chen and had to be better.

The woman in front wanted to rob Ye Chen and Nanlan Lia.

Ye Chen wouldn't allow that, who dared to bully Nanlan Lia, he would have to deal with her.

this woman was likely just a small administrator, what qualifications did she have to do that to Nanlan Lia?

"what if we don't want to pay the penalty, what can you do?" Ye Chen asked.

Ye Chen didn't want to pay the penalty, he said this loudly so the woman in front could hear him.

"If you don't want to, then you will get into trouble" He said to Ye Chen.

"What problem can I get? I want to see it" Ye Chen didn't back down, he gave a challenge to the enemy.

"You are brave, you will soon regret it" she said to Ye Chen.

The manager called the guard, such a strong guard appeared.

He wielded a sword in one hand, and the other held a bamboo stick.

From one look at this figure, they could conclude that this was a powerful and powerful swordsman.

Ye Chen would not be fooled so easily by this trick, Ye Chen could see that the person in front of him was an amateur.

"You better not look for trouble, otherwise you will lose your legs and arms" the swordsman said to Ye Chen.

"Is that a threat to me?" Ye Chen asked.

"Of course, that is a threat to you" the swordsman said to Ye Chen.

"husband, he is such a powerful person, those who are looking for trouble here are missing some parts" said Nanlan Lia.

Nanlan Lia told Ye Chen, she gave Ye Chen a warning.

Nanlan Lia worked in this place, and she knew the strength of the man in front of her.

This swordsman has no real name, people here call him the executioner.

"I want to see, does he have that ability?" Ye Chen said to Nanlan Lia.

The swordsman listened to Ye Chen, he immediately swung his sword towards Ye Chen with great speed.

Such speed was hard to see, Ye Chen might get into trouble.

"No . . ." Nanlan Lia shouted, she wanted to stop the fighting.

Nanlan Lia was too late, the swordsman had already swung the sword at Ye Chen.

"Slash . . ." a hand flew in the air, Nanlan Lia and everyone in this place were shocked when they saw this.

The person who lost the hand was not Ye Chen, the one who lost the hand was the person who made the slash.

A great swordsman lost his hand when facing Ye Chen.

It was so fast that no one was aware of what was happening.

"Arghhh . . ." he screamed, he felt the excruciating pain of the hand being cut off.

Chapter 3046 Ultimately Battle With Yin Zeniyu

They were people with great popularity and rarely appeared at important meetings, what made them willing to come into a battle that might be finished in less than 1 minute.

Their arrival will make the battle interesting, there will be more people coming because of the four of them.

Honestly, Guan Laiyu was annoyed by this problem. Seeing the beautiful woman who came, she was annoyed by this problem.

Guan Laiyu could be said to be one of the most beautiful women, but she couldn't be on par with them yet, which annoyed her.

Guan Laiyu is no less than them in terms of status and strength, but why can't she be like them.

That made Guan Laiyu feel irritated and want to fight them all.

But that wouldn't be possible, fighting them wasn't a good decision, she could get into trouble if she fought them.

Shen Xinyue looked around, she was too lazy to come here, if it weren't for seeing Ye Chen, Shen Xinyue wouldn't come.

Shen Xinyue still doesn't like appearing in public very much, she wears closed clothes.

Even though she was wearing closed clothes, she couldn't hide her charm. Shen Xinyue's charm was too strong, so many men wanted to get close.

Shen Xinyue was not happy, she tried to drive everyone away, she was too lazy to deal with such men.

"He's late, what is he doing?" Shen Xinyue wanted to know what Ye Chen was doing now.

"To be honest" Shen Xinyue was a little worried about Ye Chen.

Whether Ye Chen can win against the child blessed by the heavens.

Just thinking about it made Shen Xinyue worried.

"That person, he makes me worried" Shen Xinyue was worried about Ye Chen.

To be able to make a first-rank goddess worry, Ye Chen must be very special.

If people who liked Shen Xinyue knew about this, Ye Chen would be destroyed immediately.

They definitely wouldn't let Ye Chen go just like that, they wouldn't let that happen.

Fortunately, Shen Xinyue didn't show it, she wouldn't show such things.

Due to the arrival of so many people, this place became very lively.

Some so many people came and wanted to see the battle.

They didn't care much about fighting, there was another reason why they were here, seeing the beauty of the goddess was the goal of most people in this place, from the young to the old.

And they all had high status, almost everyone in this place was from a top-ranking star, and no middle-ranking people were allowed there.

Maybe here, only Chu Peng was allowed because he was the one who made Ye Chen become like this.

Guan Laiyu would not easily influence Chu Peng.

"Hempp" Guan Laiyu snorted coldly, it seemed that Chu Peng was quite self-aware of strength, this man did not dare to continue his words with him.

Though if he did, this place wouldn't be so boring, because he was weak, he was speechless in front of Guan Laiyu.

"tap . . . , tap . . . , tap . . . , tap . . ." a sound of footsteps echoed, everyone immediately looked and found out what happened.

"Finally, it's here" Several people were happy because Ye Chen came, at least the show would still be performed, even though the result was the same.

Ye Chen appeared, his clothes looked quite ordinary, and he also did not show such strong dominance.

"Is that him? So ordinary?" Several people saw and judged Ye Chen, Ye Chen looked ordinary, maybe what was interesting was that Ye Chen was quite handsome.

Several women in this place were interested in Ye Chen.

"Even though his cultivation is low, he is quite good" some women said and started whispering.

The number of women and men is different, there are quite a lot of men here, it's all because their goddess is in this place, so not many women come to this place.

Only those with time want to have fun and see what happens.

Who would have thought that Ye Chen would be so handsome, they were all a little interested in Ye Chen.

"So that's the person, his cultivation is low, his aura is so ordinary, just looks, obviously not suitable" said Guan Laiyu.

Guan Laiyu was just assessing Ye Chen, she saw that Ye Chen was unsuitable for Yin Zeniyu.

"Looks like I'm a little late" said Ye Chen.

"You are not late, there is still so much time left" Yin Zeniyu said to Ye Chen.

After quite a long time, they finally met again.

"so you decided to come, you dare to come" Yin Zeniyu said to Ye Chen.

"I won't run away, I will win" Ye Chen didn't want to run away and would win.

"Too bad, you won't win" Yin Zeniyu said to Ye Chen.

Yin Zeniyu said that Ye Chen would not win.

"The battle hasn't started yet, don't be too quick to conclude the battle" said Ye Chen.

"Even a fool knows who will win" Yin Zeniyu said to Ye Chen.

"Is that so, very interesting, let's see how strong you are now" Ye Chen said to Yin Zeniyu.

Yin Zeniyu looked at Ye Chen, this man was still as arrogant as before, she had no fear of her.

"Alright, let's begin" The great elder stepped down, he would be the referee in the battle.

Chapter 3047 Ye Chen Arrived At The Four-Sided Immortal Palace

"I helped, thank you for your help" Ye Chen was grateful, help from Nanlan Lia would be very helpful for Ye Chen.

Ye Chen and Nanlan Lia talked for a while, Ye Chen told Nanlan Lia what he had and what Nanlan Lia should do.

"I understand, I wish you victory," said Nanlan Lia.

Nanlan Lia told Ye Chen, she prayed that Ye Chen would win.

"Um. . ." Ye Chen nodded as he listened to Nanlan Lia.

After saying that, the two of them separated, maybe this was a bit problematic for Nanlan Lia, but Ye Chen had to leave immediately because time was running out.

"Time is getting closer, it looks like we can't waste any more time" Ye Chen said to Chu Yuechan.

"You are right, you have wasted a lot of time, you should leave quickly" said Chu Yuechan.

Ye Chen understood he would leave immediately, Ye Chen continued his journey.

Ye Chen no longer wasted time and continued to leave to continue his journey.

Ye Chen, of course, occasionally picked up something good, this was a journey, it would be a waste if he didn't find something good.

After several days of leisurely travel, Ye Chen finally arrived at the border of the Four-sided Immortal Palace.

"wide place" said Ye Chen.

Ye Chen looked at the Four-sided Immortal Palace, this place was so vast Ye Chen couldn't even see the end of the Four-sided Immortal Palace with normal eyes.

It shows that the Four-sided Immortal Palace is so vast, it is a place that is so vast and so big.

"Yuechan, what do you think?" Ye Chen asked Chu Yuechan.

He wanted to know Chu Yuechan's opinion on this matter.

"Honestly, this place is so big," Chu Yuechan said.

Chu Yuechan had to admit that this place was so big, such a big and so vast place.

Can't imagine that this place is so vast.

"plus more" Chu Yuechan said to Ye Chen.

"I also understand, such perfect defense" Ye Chen answered.

Ye Chen realized that this place had a perfect defense.

Getting into this place is very difficult because there are so many perfect defenses.

Only highly trained and professional people can enter this kind of place.

Ye Chen didn't care about this, he continued to walk forward and ignored what was around him.

Ye Chen suppressed his power by using the Reideran Pendant necklace so that no one would be aware of his power.

Ye Chen lowered his strength to the Immortal Rebirth God Realm level, that should be enough for now.

Ye Chen walked forward and climbed the stairs leading to the top.

"They told me to climb this many stairs" said Ye Chen.

Ye Chen was not very satisfied, why should he do it.

"This is the only way there" Chu Yuechan said.

Chu Yuechan said to Ye Chen.

He said that this was the only path that Ye Chen could take.

"I understand," Ye Chen understood, he had no choice but to continue moving forward.

Ye Chen climbed the stairs, he did it slowly.

Just let the people above wait, Ye Chen didn't care much about this.

Yin Zeniyu was waiting for Ye Chen's arrival, this might be sooner than imagined, but the man had already arrived, and several guests had already arrived.

Not everyone came, and there was nothing wrong with this, the few people who didn't come thought that the battle would be over quickly, so they didn't waste any time coming and taking a look.

"Zeniyu, that guy dares to keep us waiting" said Guan Laiyu.

Guan Laiyu was not very happy with Ye Chen, how dare he.

"master, maybe he is scared," said Yin Zeniyu.

Ye Chen might have been afraid and doubtful, because of this, he didn't dare to come.

"You have to show your abilities and strength, there are many great guests here, let them see your strength" Guan Laiyu said to Yin Zeniyu.

"I will not disappoint you" Yin Zeniyu said she would not disappoint Guan Laiyu.

"Very good, I will sit over there, the referee for this match is the great elder, I think he will be fair in this battle" said Guan Laiyu.

Guan Laiyu will not be the referee, the person who will be the referee is the great elder.

"Understand" Yin Zeniyu understood, she would do her best.

After talking to Yin Zeniyu, Guan Laiyu went straight to her seat.

she swept around and saw several strong people coming.

"It's a little strange, these people, why do they want to come? Getting them to come out is the hardest thing in the world" Guan Laiyu felt that it was strange, she looked at the list of beauties in Supreme God Realm, the first goddess, the second goddess, the third, and the fifth goddess came in this event.

Chapter 3048 Ultimately Battle With Yin Zeniyu

They were people with great popularity and rarely appeared at important meetings, what made them willing to come into a battle that might be finished in less than 1 minute.

Their arrival will make the battle interesting, there will be more people coming because of the four of them.

Shen Xinyue still doesn't like appearing in public very much, she wears closed clothes.

Even though she was wearing closed clothes, she couldn't hide her charm. Shen Xinyue's charm was too strong, so many men wanted to get close.

Shen Xinyue was not happy, she tried to drive everyone away, she was too lazy to deal with such men.

"He's late, what is he doing?" Shen Xinyue wanted to know what Ye Chen was doing now.

"To be honest" Shen Xinyue was a little worried about Ye Chen.

Whether Ye Chen can win against the child blessed by the heavens.

Just thinking about it made Shen Xinyue worried.

"That person, he makes me worried" Shen Xinyue was worried about Ye Chen.

To be able to make a first-rank goddess worry, Ye Chen must be very special.

If people who liked Shen Xinyue knew about this, Ye Chen would be destroyed immediately.

They definitely wouldn't let Ye Chen go just like that, they wouldn't let that happen.

Fortunately, Shen Xinyue didn't show it, she wouldn't show such things.

Due to the arrival of so many people, this place became very lively.

Some so many people came and wanted to see the battle.

They didn't care much about fighting, there was another reason why they were here, seeing the beauty of the goddess was the goal of most people in this place, from the young to the old.

And they all had high status, almost everyone in this place was from a top-ranking star, and no middle-ranking people were allowed there.

Maybe here, only Chu Peng was allowed because he was the one who made Ye Chen become like this.

Guan Laiyu would not easily influence Chu Peng.

"Hempp" Guan Laiyu snorted coldly, it seemed that Chu Peng was quite self-aware of strength, this man did not dare to continue his words with him.

Though if he did, this place wouldn't be so boring, because he was weak, he was speechless in front of Guan Laiyu.

"tap . . . , tap . . . , tap . . . , tap" a sound of footsteps echoed, everyone immediately looked and found out what happened.

"Finally, it's here" Several people were happy because Ye Chen came, at least the show would still be performed, even though the result was the same.

Ye Chen appeared, his clothes looked quite ordinary, and he also did not show such strong dominance.

"Is that him? So ordinary?" Several people saw and judged Ye Chen, Ye Chen looked ordinary, maybe what was interesting was that Ye Chen was quite handsome.

Several women in this place were interested in Ye Chen.

"Even though his cultivation is low, he is quite good" some women said and started whispering.

The number of women and men is different, there are quite a lot of men here, it's all because their goddess is in this place, so not many women come to this place.

Only those with time want to have fun and see what happens.

Who would have thought that Ye Chen would be so handsome, they were all a little interested in Ye Chen.

"So that's the person, his cultivation is low, his aura is so ordinary, just looks, obviously not suitable" said Guan Laiyu.

Guan Laiyu was just assessing Ye Chen, she saw that Ye Chen was unsuitable for Yin Zeniyu.

"Looks like I'm a little late" said Ye Chen.

"You are not late, there is still so much time left" Yin Zeniyu said to Ye Chen.

After quite a long time, they finally met again.

"so you decided to come, you dare to come" Yin Zeniyu said to Ye Chen.

"I won't run away, I will win" Ye Chen didn't want to run away and would win.

"Too bad, you won't win" Yin Zeniyu said to Ye Chen.

Yin Zeniyu said that Ye Chen would not win.

"The battle hasn't started yet, don't be too quick to conclude the battle" said Ye Chen.

"Even a fool knows who will win" Yin Zeniyu said to Ye Chen.

"Is that so, very interesting, let's see how strong you are now" Ye Chen said to Yin Zeniyu.

Yin Zeniyu looked at Ye Chen, this man was still as arrogant as before, she had no fear of her.

"Alright, let's begin" The great elder stepped down, he would be the referee in the battle.

Chapter 3049 Divine Light Robe

Ye Chen moved forward, and when he moved forward, he used his foot to trip Yin Zeniyu's body.

Yin Zeniyu couldn't retreat, Yin Zeniyu had problems because Ye Chen sabotaged her legs.

"What a sneaky trick," said Yin Zeniyu.

"this is a battle, all kinds of things are allowed here" said Ye Chen.

Ye Chen attacked using his bare hands while Yin Zeniyu parried with her sword.

The battle scene became quite intense, they saw how Ye Chen fought and how Yin Zeniyu defended.

"Is this serious, how does he do that?" they all looked at Ye Chen, Ye Chen attacked with his bare hands and was not injured.

Even though Yin Zeniyu had used such a powerful sword, how could Ye Chen still survive like that?

"This doesn't make sense, he blocked the sword with his fist, is that even possible?" Yin Zeniyu didn't really believe what was in front of her eyes.

Ye Chen blocked the sword using his bare hands, clearly an unreasonable thing to do, even for someone above Yin Zeniyu.

Yin Zeniyu kept her distance from Ye Chen, she couldn't continue like this.

"This guy, he is so annoying, when did he become strong and unreasonable?" Yin Zeniyu cursed in her heart.

"I will use another method" Yin Zeniyu decided to find another way to defeat Ye Chen.

"I will start" Yin Zeniyu had already decided, she would defeat Ye Chen. use thunder technique.

"Infinite thunder fall" the sky started to turn dark, there were so many dense clouds that appeared in the middle of the battle.

"This power, I heard that she can use the four elements, it seems the rumors are very true" They knew that Yin Zeniyu could use the four elements, and they wanted to see what kind of abilities Yin Zeniyu had mastered.

The lightning in the sky was disorderly, it was truly filled with chaos.

"master, lightning is coming," Chu Yuechan said to Ye Chen.

Chu Yuechan informed Ye Chen that the opponent's attack was coming.

"I saw" Ye Chen also saw it.

"Boom. ." thunder hit a lot of thunderstruck at Ye Chen, Ye Chen's body in such a short time.

"impossible" they saw what happened, they could conclude that Ye Chen would not be able to survive.

The lightning strike was so strong, how could Ye Chen survive after receiving the lightning strike.

"That woman, she has quite a lot of powerful tricks" people understood, they all understood that Yin Zeniyu was so strong, she was able to bring out something so powerful and terrifying.

The lightning didn't stop, it continued to strike Ye Chen's body.

"This is a little annoying" said Ye Chen.

Ye Chen was not very happy, the attack launched by Yin Zeniyu was quite annoying.

"Wosh. . ." Ye Chen waved his hand, he released a powerful wind force and swept across the clouds.

"ahh. . ." Ye Chen's wind also blew away Yin Zeniyu.

she suffered a slight injury from Ye Chen's attack.

This was the second time Yin Zeniyu had suffered an injury, she was injured again by Ye Chen's attack.

"Give up already, it's like you have no chance of winning" Ye Chen said to Yin Zeniyu.

Everyone saw it, Ye Chen was too strong and overpowering, until now Yin Zeniyu's attacks were unable to cause Ye Chen any harm.

"This is the second time I've been injured, I can't lose, I can't accept this" Yin Zeniyu couldn't accept this.

Yin Zeniyu was angry and annoyed, her heart could not accept the results.

"Boom. ." Yin Zeniyu released so much power she finally took out one of the things she had been keeping.

"You are the one who forced me to use this thing, divine light robe transformation" Yin Zeniyu changed, she wore a light robe.

"high-level artifact, is it a Legend Tier artifact" Everyone stood up, they looked at the high-level artifact.

This was one of the Four-sided Immortal Palace's weapons, it could increase the user's strength, who would have thought that the Four-sided Immortal Palace would give such a thing to Yin Zeniyu.

Everyone felt excited; they could finally see the power of the divine light robe, Yin Zeniyu's body was enveloped in a light that was 10x greater than before, and she became much stronger after using the divine light robe.

"I'll start it." Yin Zeniyu started to advance and attack Ye Chen, she used her full strength to attack Ye Chen.

"Slash . . ." a light slash launched by Yin Zeniyu, it made Ye Chen retreat.

Apart from using light attacks, she uses lightning, fire and wind.

she used the four elements to attack Ye Chen.

"Gah. . ." Yin Zeniyu continuously attacked Ye Chen, the woman didn't let Ye Chen breathe.

"Very good, you finally did it" Guan Laiyu was so happy to see what happened, it was really fun when she saw Ye Chen lose.

"Receive the attack that I have" Yin Zeniyu again used the World Light Sword.

"Boom. . ." a combination of attacks so terrifying, there was no way anyone could survive.

"All attacks went in, I succeeded" Yin Zeniyu was satisfied with the results, all attacks landed well.

Ye Chen lay on the ground, looking like Yin Zeniyu's attack seriously injured him.

"So it's over, what a great battle, I didn't expect to see such a great battle in this place" Everyone was satisfied with the results, this was a battle that everyone was interested in seeing.

Once the battle here was over, it seemed like Ye Chen's name would spread.

"So it's over" The great elder saw that the battle was over, the winner was Yin Zeniyu.

Guan Laiyu was satisfied, Yin Zeniyu had not let herself down, she had done everything so well.

"You guys are too quick to conclude the winner," Chen Xing spoke, Chen Xing's voice was loud enough for everyone here to hear.

"Look carefully" Everyone looked at Ye Chen, they saw something strange happen to Ye Chen.

Just as everyone thought the battle was over, Ye Chen's body changed, it started to fade and become an afterimage.

"What happened?" Many people didn't understand what happened, they all didn't understand what happened to Ye Chen's body.

Why did Ye Chen's body become like that? It made them all wonder.

"Applause" They listen to the sound of applause, they look for the origin of the sound.

After finding the origin of the sound, they finally saw it directly, they saw Ye Chen's presence not far from Yin Zeniyu.

"not bad, the attack just now was so good," said Ye Chen.

Ye Chen appeared behind Yin Zeniyu, he appeared with a very good body condition, there were no injuries on Ye Chen's body.

"No way, how did that happen?" Yin Zeniyu looked stupid when she saw Ye Chen appear again, Ye Chen should have lost because she received that many attacks.

"What happened?" Many people were confused when they saw that Ye Chen was still safe.

Even though the previous attack was enough to kill Ye Chen.

"So you don't realize what you are fighting, to be honest, you were just fighting my replacement body," said Ye Chen.

Ye Chen explained to Yin Zeniyu.

He finally told about what Yin Zeniyu had just fought.

"Impossible, why didn't I notice" Yin Zeniyu asked Ye Chen.

With Yin Zeniyu's abilities, she should be able to differentiate between the real Ye Chen and the fake Ye Chen.

"It's easy, that's because I made it very subtly, you won't be able to notice it" said Ye Chen.

"No, more precisely, no one will realize whether it is real or fake, everyone doesn't realize it" said Ye Chen.

Yin Zeniyu bit her lip, she was very annoyed with Ye Chen.

Chapter 3050 Ye Chen Showed Strength To Yin Zeniyu

It wasn't just Yin Zeniyu who was deceived, almost everyone here was deceived by Ye Chen.

"Damn it, we even got tricked" Lots of people were annoyed with Ye Chen, Ye Chen had tricked them and made them all feel angry.

"This child?" Guan Laiyu was annoyed, where exactly did he get such a nonsensical technique?

How did he use it so well, the more Guan Laiyu thought about it, the more annoyed she became.

Ye Chen reminded Guan Laiyu of someone who had made her feel annoyed.

"This person, he is so similar to that man, it just makes me annoyed" Guan Laiyu felt annoyed with Ye Chen, Ye Chen was so similar to the mysterious person, which embarrassed Guan Laiyu.

This person's methods annoyed Guan Laiyu so much that she wanted to kill Ye Chen.

"His abilities are so good, why didn't I know this?" Many people want to know about Ye Chen, he has such good abilities.

Some so many people don't know Ye Chen's abilities, they all don't know what Ye Chen has, so it's not strange that they are so surprised to see Ye Chen.

"Damn, you have this kind of thing" Chu Peng looked at Ye Chen, who would have thought that Ye Chen could draw against Yin Zeniyu.

There is no need to doubt Ye Chen's abilities and strength, he has such good abilities.

"You were still holding back from the start," said Yin Zeniyu.

"I don't know, who knows about this," said Ye Chen.

Ye Chen just smiled when answering Yin Zeniyu's question.

Yin Zeniyu was annoyed, Ye Chen's face was now so annoying, even though he was handsome, this person was shameless in battle.

"Is what I'm fighting real or fake?" Yin Zeniyu became doubtful whether what she was currently fighting was the real Ye Chen or a fake, which confused her.

"Discard all doubts in your heart and fight him with all your heart, I see the doubts in your heart that make you appear weak," said Guan Laiyu.

Guan Laiyu told Yin Zeniyu, she assured Yin Zeniyu not to hesitate in battle, which would be very dangerous for Yin Zeniyu.

Yin Zeniyu understood, she finally understood why she looked strange today.

Yin Zeniyu took a long breath, and after taking a long breath, she finally felt better.

"I can fight properly once, I am no longer afraid" said Yin Zeniyu.

Yin Zeniyu was no longer afraid, she finally regained the courage she had.

Yin Zeniyu's strength increased, that was because she no longer hesitated and was afraid of losing to Ye Chen.

"Very good." The great elder looked at Yin Zeniyu.

Yin Zeniyu was no longer afraid and showed her full potential.

Yin Zeniyu's potential was enormous, she showed the qualities she possessed as a cultivator and peerless genius.

"slash . . ." Yin Zeniyu attacked Ye Chen, Yin Zeniyu's fighting style finally started to change, there was no longer any doubt in Yin Zeniyu who made her so great.

Her attacks also became so sharp and accurate.

"So she has changed, what made her doubts disappear like now" Ye Chen also saw what happened to Yin Zeniyu.

Yin Zeniyu had changed, at first, she was doubtful of winning, but now she was back to her original self, there was no longer any fear in Yin Zeniyu's heart.

"It seems like everything you did was in vain" Chu Yuechan said.

Chu Yuechan saw that Ye Chen's plan had failed, previously he had succeeded in making Yin Zeniyu afraid of defeat, now Yin Zeniyu had returned to her initial condition, she was confident, and every attack she made was so sharp and powerful.

"I will still win, I am a genius who possesses the four elements," said Yin Zeniyu.

Yin Zeniyu showed dominance in the battle, the audience was excited again and fully supported Yin Zeniyu.

"You will win" The disciples in the palace were very enthusiastic, they saw Yin Zeniyu corner Ye Chen until he was helpless.

"Geniuses are still geniuses, they are very great" all the audience had to admit that Yin Zeniyu was a genius, she showed her true qualities,

"Destroy him," Guan Laiyu said excitedly to Yin Zeniyu.

she told Yin Zeniyu to defeat Ye Chen right now.

"Sorry, but this is my victory," said Yin Zeniyu.

Yin Zeniyu said to Ye Chen, that she got her victory, she stabbed Ye Chen in the chest using her sword.

Ye Chen smiled, seeing this.

"Looks like this is the time to release full strength" Ye Chen released his full strength, a huge aura enveloping Ye Chen body.

"ahh . . ." Yin Zeniyu's body was blown away, and a huge force enveloped Ye Chen and made Yin Zeniyu retreat.

"What ? ? ? " Yin Zeniyu looked at Ye Chen, she felt such a huge and powerful energy.

"What is going on right now?" Everyone was shocked to see Ye Chen release such great power, a level they could not have imagined.

"Finally, he is willing to use full strength" Chen Xing was happy because Ye Chen was willing to use full strength.

"With such strength, who would dare to fight him?" Ling Shu wanted to see who would win.

Both of them couldn't wait to see Ye Chen's strength, they were looking forward to Ye Chen defeating Yin Zeniyu.

"Have you been holding back the power you used against me?" Yin Zeniyu asked Ye Chen.

"Of course, I was quite restrained when fighting you" said Ye Chen.

Ye Chen was still holding back, he still hadn't shown his full strength when fighting Yin Zeniyu.

"Now I'm serious" said Ye Chen.

Ye Chen would be serious and end the battle quickly.

"Then I will defeat you with full strength" said Yin Zeniyu.

Yin Zeniyu attacked Ye Chen again, she was still confident in fighting Ye Chen.

"I'm still a genius" Yin Zeniyu said to Ye Chen.

"Are you sure ?" said Ye Chen.

"Of course, I am very confident in my abilities." Yin Zeniyu released the four elements, she showed that she was strong.

"Then I will also show the strength I have"

Ye Chen used five techniques, fire, ice, wind, lightning and earth.

"Huh?" everyone saw what Ye Chen did.

Ye Chen just demonstrated all the elements at once.

"he mastered the five elements, impossible" Many people couldn't believe what they saw.

Mastering the five elements is quite a crazy thing, perhaps only supreme geniuses could do it.

Yin Zeniyu was silent, once again, Ye Chen slapped Yin Zeniyu in the face.

Yin Zeniyu lost face again because of Ye Chen.

"You damn, I will be really angry" said Yin Zeniyu.

Yin Zeniyu was angry because of Ye Chen, once again, Ye Chen embarrassed herself in public.

"Why are you so annoyed with what I did" said Ye Chen.

"You are such an annoying man" said Yin Zeniyu.

Yin Zeniyu was so annoyed by what Ye Chen did.

she decided to attack Ye Chen with full strength and kill Ye Chen.

Ye Chen showed his strength and abilities.

He launched an attack on Yin Zeniyu.

"Boom. . ." Yin Zeniyu couldn't move when she received an attack from Ye Chen.

"Why is this person's attack so strong" Yin Zeniyu didn't understand why Ye Chen had such a strong attack, he was overwhelmed by Ye Chen's attack.

"I can't go on like this," Yin Zeniyu said to herself, she used more strength to fight Ye Chen.

Ye Chen withstood every attack, Yin Zeniyu's counterattack could not hurt Ye Chen.
