

True God 3051

Chapter 3051 Yin Zeniyu Used A Forbidden Technique

"Every attack I make, why does she keep blocking it?" Yin Zeniyu was annoyed that every attack she launched failed.

"I can't accept this, I'm so annoyed." Yin Zeniyu used her full strength, she released a technique that was so strong and so great.

"Golden Light Domain" Yin Zeniyu finally released her domain.

Golden light enveloped the surroundings, and Yin Zeniyu absorbed the pure aura.

Yin Zeniyu's domain aims to enhance instincts and strengthen Yin Zeniyu's attacks.

Yin Zeniyu will become very sensitive when attacking and receiving attacks from Ye Chen.

"I will win, even if I have to use all my abilities, " Yin Zeniyu said to Ye Chen.

Yin Zeniyu started attacking Ye Chen, using strong light to capture and destroy Ye Chen.

Ye Chen was still the same, he repelled the attack from Yin Zeniyu.

Even though he was in the opponent's domain, Ye Chen was still strong and could survive.

"You won't be able to survive forever" Yin Zeniyu said to Ye Chen, she told him that Ye Chen wouldn't be able to survive forever.

"Then I will destroy your domain" said Ye Chen.

Ye Chen decided to destroy Yin Zeniyu's domain.

"Silver Flame Supernova" Ye Chen used a high-level destructive technique, he used such a powerful heavenly flame.

"What ! ! ! !" everyone was shocked to see Ye Chen, Ye Chen's flame power was so terrifying, it could burn all kinds of things easily.

"What the hell, does he have flames like that?" Silver Flame Supernova was so terrifying, that those far away could even feel it so easily.

Yin Zeniyu's domain collapsed, unable to withstand the explosion from the Silver Flame Supernova.

"Impossible, why, the domain I own, why was it destroyed" Yin Zeniyu was annoyed, why did Ye Chen destroy her domain?

"Bam. . ." Ye Chen's attack hit Yin Zeniyu, part of Yin Zeniyu's clothes were burned by the fire.

Yin Zeniyu retreated, she was forced to retreat again by Ye Chen.

Yin Zeniyu was annoyed, once again, she was defeated by Ye Chen.

Ye Chen attacked Yin Zeniyu with a combination of the five elements, it pushed Yin Zeniyu away.

"Will she be defeated, who would have thought that someone from the lower level would defeat a genius with a rare body" Yin Zeniyu listened to some unpleasant words, words that mocked and angered Yin Zeniyu.

They dare to ridicule and ridicule me, I will not forgive them" Yin Zeniyu was annoyed, she would not spare them.

"I don't want to lose" A burst of immense power emerged from Yin Zeniyu's body.

This power was so great it made Yin Zeniyu's cultivation rise to level nine Immortal True God Realm.

"What?" everyone saw what happened, Yin Zeniyu's strength rose sharply, this woman had reached the highest realm that cultivators reached in the Supreme God Realm.

"what happened, her strength increased like that" Shen Xinyue wanted to know what method Yin Zeniyu had just used.

"If I'm not mistaken, it's the Immortal Light Core up technique."

"Increasing the user's strength temporarily, the reward is a considerable reduction in cultivation level," said Ling Shu.

"she wants to use such a technique, even though she knows the risks are great" Chen Xing looked at Yin Zeniyu.

"she doesn't want to lose, it's not strange that she would do such things to win" Yin Xizu said.

People started talking, they all saw that Yin Zeniyu was forced to use a forbidden technique that would cause her cultivation level to drop, and it might be difficult to return to the present.

Since Yin Zeniyu dared to pay this price, she was prepared to lose much power.

"You increased your strength by force, it looks like you have to pay quite a big price" Ye Chen said.

Ye Chen himself has done it before, he was forced into the situation he is in now.

Even though he had done so, he still lost, now was the time for Ye Chen to return it.

"You will die" Yin Zeniyu gave off a terrifying killing aura.

she had such strong killing intent, so it wasn't strange that her attacks were so destructive.

The power of level nine Immortal True God Realm was so destructive it could easily destroy a portion of this place.

Even the guests started worrying about their safety, as they could not defend against Yin Zeniyu's attack.

"Golden Light Sword" Yin Zeniyu attacked Ye Chen using tens of thousands of light swords.

Ye Chen created a shield to withstand the attack from Yin Zeniyu.

When Ye Chen blocked the attack, Yin Zeniyu sneaked behind Ye Chen and launched an attack at high speed.

"So it was a diversion" Ye Chen understood, it seemed like an attack had just diverted Ye Chen from Yin Zeniyu.

"Blam . . ." Yin Zeniyu hit Ye Chen with a now might, Ye Chen's body flew by the attack from Yin Zeniyu.

Yin Zeniyu didn't stop there, she continued to launch attacks toward Ye Chen using full strength.

Yin Zeniyu attacked Ye Chen using brutal attacks.

Everyone was stunned by the attack that came from Yin Zeniyu.

Yin Zeniyu's attack was so terrifying if those in Ye Chen's position were them, they would have been destroyed by Ye Chen long ago.

"Impossible, she is so strong" Yin Zeniyu was so strong, who would have thought this woman was cruel and terrifying.

"Boom. . ." explosion after explosion occurred, those who saw this could only remain silent.

They no longer knew what they should do, they were speechless seeing what was happening.

After hundreds of direct attacks towards Ye Chen, Yin Zeniyu finally stopped.

Ye Chen's body fell to the ground, the attack from Yin Zeniyu was effective.

Ye Chen got up from the ground, Yin Zeniyu's attack was quite strong.

Even though he received a direct attack from Yin Zeniyu, Ye Chen still survived, he stood up and patted the dust on his clothes and body.

Everyone looked at Ye Chen with disbelieving eyes, Ye Chen was like a monster after receiving such a powerful attack from Yin Zeniyu.

How could Ye Chen survive and not be injured?

"This must be a lie, even with an attack like that, he wasn't injured" many people didn't understand why Ye Chen could survive.

"It looks like she is really angry, then I will use force too," said Ye Chen.

Ye Chen used True God's power.

When Ye Chen used True God power, everyone felt Ye Chen's aura and pressure became more terrifying.

"What's this?" The great elder withdrew from the stage, he trembled when he felt Ye Chen's aura.

Ye Chen's aura was so terrifying, how could he have that kind of aura?

"This power" Guan Laiyu felt Ye Chen's great power and even surpassed Yin Zeniyu, who had used a forbidden technique.

Ye Chen took out the Divine Yin Yang Sword, it was time to end the battle with Yin Zeniyu.

"It is time to end the battle" Ye Chen was ready to end it.

"Divine Sword Intent" Ye Chen used Divine Sword Intent.

He would defeat Yin Zeniyu in one slash.

Yin Zeniyu knew what Ye Chen would do, so she took her sword and prepared to clash against Ye Chen.

They advanced, their two swords about to clash.

"die" Yin Zeniyu didn't have much time left, she was almost at her limit.

So Yin Zeniyu focused the power she had in her sword, now the sword in Yin Zeniyu's hand is the strongest sword of light in the world which contains all of Yin Zeniyu's power.

Chapter 3052 I Will Make You A Servant

The two of them both unleashed the most powerful power in this world, they showed so much and so great power.

"This will be the last battle" Guan Laiyu, and everyone saw that this would be the last battle.

Both of them would definitely use all their energy in this attack.

"Don't lose" Guan Laiyu said to Yin Zeniyu.

"I will not lose" Yin Zeniyu will not lose, she will use all the abilities she has to win against Ye Chen.

"Boom. . ." a huge explosion occurred when the two forces met.

The explosion that occurred was large enough to shock everyone present.

"What enormous strength! Who would have thought that this kind of strength came from the younger generation" everyone was shocked when they saw Ye Chen's strength.

From start to finish, not many people believed in Ye Chen's abilities and strength.

They underestimated and thought Ye Chen was useless, they even thought that Ye Chen would not be able to win.

And now they saw for themselves that Ye Chen had an ability, he showed everyone that he had the strength to fight.

"Slash . . ." the two attacks clashed, it seemed like the winner and loser had been determined.

"who will win" everyone wants to know the result, they want to know the outcome of the battle.

The sword in Yin Zeniyu's hand shattered and disappeared, Ye Chen had truly defeated her.

"impossible" Guan Laiyu was the one who most disbelieved the results.

Who could accept this kind of result, she couldn't accept it when she saw Yin Zeniyu lose to Ye Chen.

Yin Zeniyu fell and became unconscious, she could no longer continue the battle at hand.

"the winner is Ye Chen" the great elder announced the winner.

"impossible" among everyone in this place.

Guan Laiyu was one of the people who couldn't accept the result.

she couldn't accept the result, how could Yin Zeniyu, who had trained so well, lose to Ye Chen.

"Clap" Chen Xing clapped, she started first and made several people applaud.

The results of this battle were beyond the expectations of many people who couldn't believe the results.

Even the direct disciples here could only remain speechless when they saw the results.

They couldn't imagine that Ye Chen would be the winner.

"I am the winner, the winner can get everything according to the agreement" Ye Chen said to Yin Zeniyu.

Yin Zeniyu was seriously injured, she tried to get up after receiving quite a serious injury from Ye Chen.

"What wish do you want?" Yin Zeniyu asked Ye Chen.

Yin Zeniyu will grant every request from Ye Chen, she has promised to do that and cannot go back on her word.

"My wish is very easy, from now on you will be my servant" Ye Chen said to Yin Zeniyu.

Ye Chen wanted to make Yin Zeniyu his servant or a slave, that was what Ye Chen wanted from the start.

Rather than letting Yin Zeniyu better make good use of it.

"What ! ! !" Everyone was shocked when they listened to Ye Chen's request.

Who would have thought that Ye Chen would ask for such a request?

"Your request is really shameless" Guan Laiyu said to Ye Chen.

"The winner deserves everything, don't you understand" said Ye Chen.

"do you think I will let you" Guan Laiyu would not remain silent, she would not let Ye Chen succeed in doing so.

"Can you stop me?" Ye Chen said to Guan Laiyu.

"I can easily stop you" Guan Laiyu said to Ye Chen.

"Try it" said Ye Chen.

Ye Chen told Guan Laiyu to try it, he challenged Guan Laiyu to come forward.

"How arrogant, just because you can win in battle" Guan Laiyu was annoyed, this was an opportunity to fight Ye Chen.

Guan Laiyu had such strong killing intent toward Ye Chen she didn't seem to be messing around and wanted to kill Ye Chen.

"Do we need to take action?" Chen Xing asked Ling Shu.

"Focus on the people around you, don't let them join in," Ling Shu said.

"Ling Shu is quite confident in Ye Chen's strength, in her opinion, Ye Chen can deal with this problem alone, Guan Laiyu is not a serious threat, it is better to look at the Great Elder and the others, they will probably carry out a sneak attack.

Yin Xizu and Shen Xinyue haven't moved either, they are still watching what will happen.

The situation became heated, Ye Chen and Guan Laiyu started arguing.

"Master, this is the battle I have" Yin Zeniyu said to Guan Laiyu.

"You just shut up, I will help you get out of this situation," said Guan Laiyu.

Guan Laiyu told Yin Zeniyu to stop talking and let her settle this matter with Ye Chen.

Guan Laiyu seemed unable to accept this result, she didn't want to accept defeat from Ye Chen.

"so you will fight me" Ye Chen said to Guan Laiyu.

"Are you afraid, it's not too late to give up and apologize" said Guan Laiyu.

"Why should I give up? Let alone apologizing, that will never happen" Ye Chen didn't want to do that, he refused to do both of those things.

"in that case . . ." Guan Laiyu showed her power, she set up a lightning formation and wanted to fight against Ye Chen.

Many people regretted Guan Laiyu's actions.

The action taken by Guan Laiyu was too risky, it could ruin her reputation.

Guan Laiyu doesn't care anymore, now she wants to take back her honor.

Ye Chen had dared to challenge her, how could Guan Laiyu stay silent and accept such humiliation?

Guan Laiyu was serious about fighting Ye Chen, it looked like Ye Chen had to face her.

"This is the second time you have fought her" Chu Yuechan said to Ye Chen.

"That's pretty good, I'll finish this quickly" said Ye Chen

"You made a very good decision." Chu Yuechan admitted that Ye Chen had made a very smart decision.

"Be prepared, you will feel extreme pain" Guan Laiyu said to Ye Chen.

"I want to see one attack of yours, show it to me, after that, I will counter your attack" Ye Chen said to Guan Laiyu.

"You will die because you dared to underestimate me" Guan Laiyu said to Ye Chen.

Guan Laiyu showed her full strength, she used her full strength to fight Ye Chen.

Such terrifying lightning struck Ye Chen, people were horrified to see what would happen.

Even though they felt horrified and sorry for Ye Chen, they didn't want to help Ye Chen, the reason was clear, they didn't want to take risks in dealing with Guan Laiyu.

Guan Laiyu's status was still high, fighting this woman was the same as seeking death.

"dead" Guan Laiyu said to Ye Chen.

Ye Chen stretched out his hand, he immediately shifted all the lightning.

"ehh? ? ?" many people were shocked, they saw Ye Chen shift the attack directly from Guan Laiyu.

"Crazy, how did he do it, he just shifted the attack from Guan Laiyu"

"did my eyes just deceive me, how could this happen" many people couldn't believe what was happening.

They couldn't believe that Ye Chen had just repelled an attack from Guan Laiyu.

"What Ye Chen did was too easy, how could Ye Chen do such a crazy thing.

"I'm still not finished" Guan Laiyu didn't accept it, she wanted to attack Ye Chen again.

"I won't let you" Ye Chen held Guan Laiyu's hand.

Ye Chen wouldn't let Guan Laiyu do that.

Chapter 3053 Ye Chen Shook The Entire Four-Sided Immortal Palace

Ye Chen held Guan Laiyu down using his hands.

Using his hands, he made a seal for Guan Laiyu.

"cough." Guan Laiyu didn't expect Ye Chen to do something like that, which was quite surprising for Guan Laiyu.

"What are you doing?" Guan Laiyu asked Ye Chen, she felt pain.

"only makes you unable to fight," Ye Chen told what he had done.

"Damn, how dare you do that to me" Guan Laiyu said to Ye Chen.

Guan Laiyu was very annoyed with Ye Chen.

Ye Chen made herself embarrassed and angry.

"Hahahaha" Ye Chen smiled when he heard this, Ye Chen seemed to be enjoying it very well.

"Doesn't this look cute?" Ye Chen said to Guan Laiyu.

"What you're laughing at?" Guan Laiyu asked Ye Chen.

What is Ye Chen laughing at right now?

"I was laughing at you," Ye Chen said to Guan Laiyu.

Ye Chen was laughing at Guan Laiyu.

"What does it mean?" Guan Laiyu asked Ye Chen what Ye Chen's words meant.

"Isn't this the same as before?" Ye Chen said to Guan Laiyu.

"Last time you were also like this, losing to me, don't you remember?" Ye Chen said to Guan Laiyu.

"What do you mean by your words? I don't understand, damn brat," Guan Laiyu asked Ye Chen.

"You will probably understand after seeing this." Ye Chen took out the hair ornament he had taken from Guan Laiyu.

Guan Laiyu's eyes opened wide when he saw what Ye Chen had just taken out.

"No way, why do you have it?" Guan Laiyu asked Ye Chen.

Why can Ye Chen have it?

"Did you forget what I said before, when we meet again, one of you will be my slave" Ye Chen said to Guan Laiyu.

Ye Chen's words are similar to this person, so it turns out he is that person, it's not strange, it's not strange why Guan Laiyu was so upset when she saw him.

"So it's you, it's not strange that I feel so much hatred for you and want to kill you" Guan Laiyu finally understood why she hated Ye Chen so much.

Guan Laiyu looked at Ye Chen with a sharp gaze, she wanted to kill Ye Chen.

Ye Chen just smiled when he listened to Guan Laiyu's words.

"Is that what you think about me" Ye Chen said to Guan Laiyu.

"Of course, I always thought about destroying you," said Guan Laiyu.

"It's a pity you can't do it, what can you do now?" Ye Chen said to Guan Laiyu.

"big elder, please help defeat this person, he is a dangerous person," Guan Laiyu asked the big elder for help.

"Okay, I understand." the big elder immediately understood what Guan Laiyu wanted.

The big elder didn't ask much and helped Guan Laiyu.

After all, they were still of the same sect, how could the great elder see Guan Laiyu, who was being held captive by Ye Chen?

Guan Laiyu was one of the palace masters and was captured so easily by Ye Chen, of course, this kind of thing was quite dangerous for the Four-sided Immortal Palace.

"A strong opponent has finally come, what are you going to do" Chu Yuechan told Ye Chen.

"Because I'm already in this place, I'll create a little chaos," Ye Chen said to Chu Yuechan.

Chu Yuechan smiled when she listened to what Ye Chen said.

Chu Yuechan seemed to have understood what Ye Chen was going to do.

"Boom. , , " Ye Chen brought out the full potential he had.

This was the time to do it, he was going to fight the great elder.

The great elder displayed his abilities, he took out an iron chain from behind his back.

"This person, he is an expert in prison seals" Ye Chen immediately knew the opponent's strength, the person in front of him was an expert in sealing moves, the chain behind his body immediately told Ye Chen the strength of the opponent.

Ye Chen is not a stupid person, he can easily see and know the enemy's abilities.

"Clang . ." chains began to wrap around Ye Chen and seal Ye Chen's movements.

The chains were very strong and formed a prison to confine Ye Chen, Ye Chen would have no chance to escape from the great elder's chain guards.

"so it's like that." Ye Chen wouldn't be able to get out the normal way, this prison was so strong.

"You have been caught and just give up, you won't be able to get out of that place" the big elder said to Ye Chen.

"Hahahahaha" Ye Chen laughed under his breath when he heard the words of the great elder of the Four-sided Immortal Palace.

"Just a prison like this, do you think a prison like this can hold me?" Ye Chen asked.

"don't underestimate me" the big elder was angry, he added fire inside.

Ye Chen was not injured, the profound fire would not be able to burn him.

"It's useless, what you do won't be able to stop me, let me show you the full strength that I have" Ye Chen said to the great elder before him.

"Dimension Shaker" Ye Chen took out the Dimension Shaker.

Dimensional waves began to spread and create earthquakes throughout this place.

The earthquake was truly destructive, buildings and various places around them began to be destroyed.

Ye Chen shook the dimension, so it wasn't strange for an earthquake to occur.

This may look like an ordinary earthquake, but its destructive power is terrifying.

Its destructive power destroyed the powerful sites in the Four-sided Immortal Palace.

"damn, what happened" Everyone felt dizzy, this was not an ordinary earthquake, the earthquake made by Ye Chen affected those who were flying as well.

Guan Laiyu, and Yin Zeniyu flew, they felt dizzy by what Ye Chen did.

"argh" all the disciples from the Four-sided Immortal Palace fell, unable to withstand the power of Ye Chen.

Ye Chen maintained the Dimension Shaker for approximately 2 minutes, the damage from the Dimension Shaker was very large and was a loss for the Four-sided Immortal Palace.

Even the ancient barrier within the Four-sided Immortal Palace was destroyed.

"what just happened" the big elder tried to get up, his body experienced a strange thing and his whole body felt so painful.

It was like he had just fought against a huge monster that was crashing into his body.

The great elder looked around and saw such great destruction, who would have thought that what Ye Chen did could destroy this entire place?

"What happened?" Guan Laiyu was even shocked when she saw the condition of the scattered sect, buildings, land, and various places within the sect were heavily damaged.

Many fell silent when they saw what happened, they all did not imagine that Ye Chen's power had such a powerful destructive power that it made the Four-sided Immortal Palace fall into disarray.

"Damn it, how dare you do something like that" The elder was furious, what Ye Chen did was too bad.

"You guys start first," Ye Chen said to the big elder.

"I will destroy and eradicate you from this world" The great elder could no longer remain silent.

Ye Chen had destroyed the Four-sided Immortal Palace.

It was a high-level evil that had to be eliminated immediately, lest the leader and ancestors of the Four-sided Immortal Palace come out, he would be in big trouble if that happened.

The big elder immediately showed his full strength to Ye Chen.

the power that the great elder possessed was so powerful its power shook the heavens and the earth.

"The great elder has taken action, this person will not survive" Guan Laiyu smiled, she was sure that Ye Chen would not be able to survive.

Chapter 3054 Fierce Battle Against The Great Elder

The great elder's anger was extremely great, with just a little strength, he managed to make everyone in this place afraid.

A huge pressure enveloped the surroundings, those who saw it immediately ran away and chose to leave this place.

If they stayed here, they could be dragged down and destroyed, it was better for them to leave than to stay in this place.

They were afraid that they would no longer be able to see the world because they were involved in the battle between powerful people.

"it has begun" the great battle has begun, this place will be quite a chaotic field.

So many disciples and people came, they all came to fight Ye Chen.

They were angry with what Ye Chen did.

Ye Chen had destroyed their place, so it wasn't strange that they would be angry with Ye Chen.

Anger is one of the things that is mandatory after this situation occurs, they will not be able to survive because the situation here is very chaotic.

"we have to take action" Chen Xing said to Ling Shu.

"I will deal with this matter in my way." Shen Xinyue will deal with things her way.

"Leave to me" Ling Shu said.

"I will guard the surroundings so that no one can pass by" the four of them worked together, the four high-level beauties were finally willing to work together to help Ye Chen.

Things that no one in the world can imagine.

Luckily those who were previously here had already left, they all left because they were afraid of fighting, now there were only disciples and elders from various classes.

The situation started to become chaotic, fighting was happening everywhere, and perhaps this was the most chaotic day within the Four-sided Immortal Palace.

The big elder looked around, he saw that something terrible was happening nearby.

"Why are they joining the fight?" The great elder was confused to see Chen Xing daring to fight, who gave them the courage to do so.

"Bam, what a fool, diverting your attention elsewhere, that's not good, " said Ye Chen.

Ye Chen took advantage of the weakness of the great elder, this person focused on Chen Xing and Ye Chen's other women.

Ye Chen thanked Chen Xing, Shen Xinyue, Ling Shu, and Yin Xizu, they gave Ye Chen a chance.

"I will take advantage of the opportunity they give me" Ye Chen has decided, he will take advantage of the opportunity given by Chen Xing, Shen Xinyue, Ling Shu, and Yin Xizu.

"Bam. . ." The great elder retreated, continuously, he had trouble underarm receiving attacks from Ye Chen.

"This guy, he has such good speed and also such good attack power"

"He is a strong person" the great elder acknowledged Ye Chen's ability.

"even so, it is still too early for you to defeat me, Immortal world prison" The great elder created an immortal prison.

One of the strongest domains he has.

Once the domain is opened, no one can leave this place alive.

This terrifying and deadly technique belonged to one of the great elders of the Four-sided Immortal Palace.

The world around Ye Chen began to change, he entered a black box that was so terrible and so scary.

"This place is a little dark, I will make lighting" Ye Chen made a very bright light.

With that, everything in this place can be seen clearly.

Ye Chen looked around, and after he looked around, he found that this place was quite spacious.

Ye Chen almost didn't find the end of this place.

Maybe it was too wide, and Ye Chen couldn't see the end.

"I want to see it" Ye Chen used God's eyes, he started to see using God Eyes.

When Ye Chen used God's eyes, he discovered this was just a wall.

"I thought this place was wide, it turns out it was just an illusion" Ye Chen understood, it seemed like this was just an illusion.

This problem almost fooled Ye Chen, luckily Ye Chen checked twice.

"This is my world and you won't be able to get out" the great elder said to Ye Chen.

He said that Ye Chen could not get out of this place.

"So this is the prison you made, it's very spacious," said Ye Chen.

Ye Chen saw that this place was very spacious.

"There is no end to this place, you will not have a chance," the great elder said to Ye Chen.

"Is that so" Ye Chen pretended to be stupid.

Actually, Ye Chen already knew, it was just that he was now acting stupid to make the enemy confident about his abilities and strength.

"of course, prepare yourself well, you will regret it" the great elder said to Ye Chen.

"Then there is no way except to fight you" Ye Chen didn't have a way, he had to fight the enemy.

Ye Chen did very well, Ye Chen's acting was very good and would be easily believed by the opponent.

"Your acting is very good," Chu Yuechan said to Ye Chen.

Ye Chen did it so well, that other people would easily believe what Ye Chen did.

"Sometimes fighting an enemy like that requires deception," said Ye Chen.

"You are smart, the enemy will not be aware of this," said Chu Yuechan.

"I've done it so well, the enemy won't notice" Ye Chen will continue to pretend.

Ye Chen charged forward, he immediately went against the great elder using several fire and lightning attacks.

The big elder knew that Ye Chen could use the five elements, he was very good at using it and the big elder had to be careful.

"As long as I am in this domain, I can do all the things I like" The great elder believed in his abilities.

Ye Chen attacked, he wanted to know the capabilities and strength of this prison, if Ye Chen was right, this prison should be quite strong.

Ye Chen attacked his enemy, when Ye Chen attacked the big elder, an object blocked Ye Chen.

"that thing, it's a piece of black iron that is so thick" Ye Chen knew what this was, this was iron that was so thick.

"Because this is iron, I just need to melt it" Ye Chen used profound fire, he melted iron with profound fire.

With the heat generated by Ye Chen, he could easily melt iron.

This guy, he has such good iron-forming abilities.

If Ye Chen didn't have enough strength, Ye Chen wasn't sure that this would be easy.

"So you have such great strength" the great elder said to Ye Chen.

He now understood Ye Chen had quite a lot of strength, it wasn't strange that he could make Guan Laiyu become like that.

"Even though you have such great strength, you will not win against me" the great elder informed that he was still much stronger.

Ye Chen's strength may be strong, but he doesn't have much experience, which he used to defeat Ye Chen.

"he doesn't want to fight me using force, he is trying to use strategy to defeat Ye Chen.

That was proven when he started changing the places around Ye Chen.

"I understand, so this is the goal" Ye Chen saw the opponent's goal, it seemed like Ye Chen knew what his opponent would do.

"I just need to trap him, that way he will be destroyed" The great elder had already prepared a terrible trap, that thing was an evil space, an artifact that punished those criminals.

This artifact is so strong that it is difficult to get out of it and cannot be moved unless the opponent enters it themselves.

Chapter 3055 Domain Jail

"Finally, you fell into the trap I made, accept this" the great elder said to Ye Chen.

A round object surrounded Ye Chen, and the object wrapped around Ye Chen.

Ye Chen tried to get out, too bad he was too late as this closed quickly.

Ye Chen ended up trapped inside, he was unable to get out of the prison made by the enemy.

"hahahaha, victory is mine" the great elder said to Ye Chen.

He managed to get Ye Chen into the trap, now it only remained to destroy Ye Chen slowly.

Using the evil space artifact, he punished Ye Chen and showed Ye Chen his true strength.

Inside there one would not be able to get out, Ye Chen would be burned, stabbed, and slashed repeatedly to death.

"hahahaha, get ready, you will" The great elder began to use the way to torture Ye Chen when the great elder activated his artifact.

"Blink. . ." Ye Chen moved the great elder's body, it could be said that the current great elder replaced Ye Chen's position.

"What!! !" the great elder was naturally shocked to see what Ye Chen did.

Who would have thought that Ye Chen could do that so easily?

"this is impossible" The great elder couldn't believe it, how did Ye Chen do such a thing?

Ye Chen changed his place, how could Ye Chen do such a crazy thing?

The great elder had already used the ability from his artifact, it would naturally destroy the great elder himself.

"I have to stop it" he had to stop it, if not, he would be destroyed.

"Arghhhh. . ." He was too late to stop it, the artifact had already activated, and he was trapped inside.

"Looks like I'm going to enjoy an interesting show" Ye Chen said.

Ye Chen was enjoying the show, he made such a great elder full of arrogance become like that.

"fufufufu, I'm sure that he will be angry at you" Chu Yuechan was sure that the great elder would be very angry at Ye Chen.

What Ye Chen had done was quite outrageous and unacceptable.

"He is already angry, if I tell him more, he will become even angrier," Ye Chen said.

Ye Chen was sure that this person would get even angrier if Ye Chen told anything else.

"I am also sure of that" Chu Yuechan was sure, it seemed like the great elder would be very angry at Ye Chen if that happened.

Ye Chen had seriously injured Long Waeri, if this old man found out, he would become even angrier.

Ye Chen waited for 5 minutes, in these five minutes, Ye Chen listened to the voices and screams of the great elder.

The great elder was trying his best to survive his attack, he was enduring such tremendous pain.

After five minutes, the artifact opened, and the body of the great elder was full of blood.

The clothes worn were also torn on all sides, his appearance was too ugly and unsightly.

"that looks like it hurts, it's fortunate that I didn't get hit by the attack you had" Ye Chen said to the great elder.

"How did you do that, it's a thing I never knew and imagined?" The great elder asked Ye Chen.

"A trick that you will never know" Ye Chen told the great elder.

"So that's it, the world is vast, I've never seen that kind of thing, it seems like you are a monster hiding well in a small sect" the great elder said to Ye Chen.

"Of course, I am a little monster hiding, and now it's time to rise and reverse the entire power in this world," Ye Chen said.

"hahahaha, you are quite arrogant, in this world, there are a lot of strange things like you, you are just one among those things, there are still many strange things that you won't be able to imagine," the great elder said.

The great elder told Ye Chen that there are many strong people in this world, and he told this matter to Ye Chen.

"You don't need to lecture me, I've seen more than you have," Ye Chen said.

"So you say, then try to fight this" The great elder used the last technique, he wanted to defeat Ye Chen with one strike.

Ye Chen had a strange trick and was very powerful, of course, he also had to fight Ye Chen with a powerful technique.

"Soul Devouring Seal" He finally brought out the strongest technique that would destroy Ye Chen.

A terrifying aura enveloped the body of the great elder, this aura was even more terrifying than a demon's.

A few moments later, a floating monster appeared behind the great elder's body.

This monster was slightly transparent, it was clear that this was a monstrous evil spirit

"I will give you a punishment," the great elder said to Ye Chen.

This was a high-level technique that could consume one's soul, no matter how strong one's body was, in the face of this technique, they would not be able to survive.

"Who would have thought that he has a forbidden technique that should not be used" Ye Chen said.

Ye Chen seemed to know what kind of technique his opponent was using.

These techniques are forbidden and should not be used in battle because they are too dangerous for the user and the enemy.

"If you touch him, your soul will be injured and destroyed, he summons a terrible creature" Chu Yuechan said.

"It's a bit troublesome to fight souls, then just use the power of darkness to eat that thing," Ye Chen said.

Ye Chen released a power of darkness that was so dense, the power of pure darkness was strong and could swallow anything around.

"Let's see who gets eaten, is it you or me" Ye Chen said to the great elder.

"Who would have thought you have the power of darkness equivalent to a demon god, you are a monster that must be wiped out" the great elder said.

"Who will be abolished, of course, I will abolish you and all your family, even the person named Long Waeri, who became disabled because he was arrogant and made trouble for me, now it is your turn" Ye Chen said.

Ye Chen told the great elder about Long Waeri.

"So it was you who did it" the great elder said.

"Of course, you are both arrogant and useless living in this world, I will wipe you out" Ye Chen used the power of darkness.

Ye Chen's power of darkness spread and consumed all sorts of things around.

The prison domain used by the great elder also started to be eaten by the darkness, Ye Chen's power of darkness was really powerful and terrifying.

"I must quickly defeat this person before it's too late" the great elder immediately ordered the soul eater to attack Ye Chen.

"It won't be that easy" Ye Chen wouldn't let the enemy, he used the darkness and started to entangle the body of the soul eater.

The soul eater couldn't advance, Ye Chen's darkness was too strong and ate his soul.

The soul eater that should have eaten Ye Chen, was instead being eaten by such a powerful darkness.

"Damn it. . ." great elder had to act, he had to attack Ye Chen with his hands

Chapter 3056 Defeat Of The Great Elder

Even such a powerful forbidden technique couldn't defeat Ye Chen.

So, the Elder used the demon-killing spear to kill Ye Chen.

"I will kill you" The demon-killing spear is one of the spears that is so powerful and so great, that a single strike can make a demon seriously injured and in pain.

This spear has a strong light power and is so destructive that is the strongest opponent that can damage Ye Chen's body.

"Take this, this is the right weapon to kill you" the great elder said to Ye Chen, he targeted Ye Chen by using the demon-killing spear.

Ye Chen stretched out his hand and caught the great elder's spear, with just his bare hands, Ye Chen could do it so easily and without any problems.

"No way" the great elder was surprised when he saw Ye Chen.

This was such a powerful weapon against darkness users, how could Ye Chen survive this kind of thing?

In addition, Ye Chen only used his bare hands to resist this, which surprised the great elder.

"This weapon is a demon-killing spear, why can you catch it, you should feel such a strong pain," the great elder said to Ye Chen.

Ye Chen should feel great pain, there was no way Ye Chen could survive this kind of thing.

"Listen carefully, old man, the power of darkness is not the only ability I have, do you understand" Ye Chen said to the old man in front of him.

Ye Chen used the power of light that he had, when Ye Chen used the power of light, he showed such a great and powerful ability.

"What happened, why do you have the power of light?" the great elder was shocked by what Ye Chen did.

"You don't know yet that I have light and darkness inside one body" Ye Chen said.

"No way, I've never heard of that kind of thing" to be honest, he had never heard of that kind of thing.

He had never seen such a thing that could have light and darkness in one body.

No one had ever seen such a thing in this world, it wasn't strange that the great elder was surprised to see such a thing.

That's because he has never seen it.

There were no records on the matter either, it was because the two elements were the most difficult to exist in one body.

"Now you understand, right? Your weapon is just a piece of trash" Ye Chen said.

Ye Chen destroyed the great elder's weapon using his bare hands, after which, Ye Chen used the One Hundred Thousand Fire Swords to pierce the body of the great elder.

"Cough. . ." the great elder obtained a wound when Ye Chen used One Hundred Thousand Fire Swords.

The wound obtained by the great elder was quite heavy.

"Damn it, I got a heavy wound" The body of the great elder was full of fire swords, he felt such excruciating pain from this.

Because Ye Chen's fire sword was made of Heavenly Silver Flame, its destructive power was so terrifying, and the body of the great elder started to burn.

The great elder tried to use his strength, he tried to get rid of this fire.

"It won't work, you will be destroyed" Ye Chen said to the great elder.

The great elder had no chance, he would be destroyed as time passed.

Although he tried to resist with the profound energy in his body, he could not do that thing continuously.

"Damn it, who would have thought that I would become like this" The great elder was so angry, who would have thought that he would end up like this.

"This will mark the beginning of the destruction of the Four-sided Immortal Palace" Ye Chen said.

Ye Chen told him that this would end the Four-sided Immortal Palace.

"hahaha, Four-sided Immortal Palace won't be destroyed, you will, as long as ancestors appear, you will end up" the great elder said to Ye Chen.

"I have never been afraid, do you think I will be afraid" Ye Chen said.

Ye Chen has never been afraid, he has prepared himself to this point and practiced harder than anyone.

Ye Chen has always wanted.

Don't think too much and just do things your way, it is the only way to survive.

"Hahahaha, we'll see who win," the great elder said, it seemed like his energy had run out, and he was dead.

After the person died, the domains around them collapsed, their owners died, and the domains turned into flying dust.

"Your elder won," Guan Laiyu, who was outside, thought the elder had successfully defeated Ye Chen.

With the strength of an elder, he should be able to win the battle against Ye Chen easily.

Plus, no one could get out of the great elder's domain.

Just as Guan Laiyu thought that the great elder had successfully defeated Ye Chen, she saw Ye Chen's figure standing in front.

"No way" Guan Laiyu was naturally shocked when she saw Ye Chen standing and the great elder fell.

"It's done, I managed to finish it, now only the rest is left" Ye Chen said.

Ye Chen had succeeded, he had managed to finish the battle.

Ye Chen went towards Guan Laiyu.

Guan Laiyu still couldn't move after what Ye Chen did, she still couldn't move.

"Let go of me" Guan Laiyu said to Ye Chen.

she told Ye Chen to let her go.

"Even if I can't win, I will keep trying" This is one of the things "There's no way I'll let you guys go after what happened" Ye Chen wouldn't let go of Guan Laiyu and Yin Zeniyu.

he would lock them up inside the fairy gate prison for a while.

"Ye Chen. . ." Shen Xinyue said to Ye Chen.

"What is the current situation?" Ye Chen asked Shen Xinyue.

Those around were handled, and they didn't dare to approach, I guess soon the leader of the Four-sided Immortal Palace will come out.

"You have destroyed this place so that they will come out soon.

"they haven't shown themselves yet, it looks like something happened, I'd better take advantage of this opportunity" Ye Chen said.

Ye Chen will probably look at the condition of Shui Yixian, and whether he can be liberated right now.

"All of you, come with me" Ye Chen said to Shen Xinyue, Chen Xing, Ling Shu, and Yin Xizu.

"I understand" They understood, they followed Ye Chen, and with Ye Chen's group now, they could fight against the ancestors in groups.

Ye Chen led the way for everyone, as Ye Chen advanced, no one dared to block Ye Chen's path.

"Boom. . ." Ye Chen listened to an explosion, it seemed like a high-end battle around this place.

"What a big force, who is fighting, their light power is shining." Shen Xinyue wanted to know who was fighting right now.

"This much power" Ye Chen seems to know whose power this is, is it possible that he seized the opportunity of the chaos made by Ye Chen and tried to save Shui Yixian?

The possibility is quite high, considering Ye Chen's chaos is effective.

"I have to see it" Ye Chen had to see it, he wanted to know what happened there.

"Let's quickly go there," Ye Chen said to Shen Xinyue, Chen Xing, Ling Shu, and Yin Xizu.

"Alright" to Shen Xinyue, Chen Xing, Ling Shu, and Yin Xizu followed behind Ye Chen.

They escorted Ye Chen quite well, no one was allowed to get close to Ye Chen.

Chapter 3057 The Enemy Leader Who Is So Calm

When Ye Chen arrived at the battleground, Ye Chen saw several people, among these several people, there was a person that Ye Chen knew.

This person was Long Zhipei, he was the one who had brought Shui Yixian.

Ye Chen felt upset when he saw the figure of the man in front of him, he wanted to destroy the person who had made trouble for Ye Chen.

The person who had taken the person Ye Chen loved the most and locked him up upset Ye Chen.

Just thinking about it made Ye Chen so upset, and he wanted to kill that person.

"That person, is it Long Zhipei, a smart person with intelligent thoughts".

"And the person sitting on the chair, is he the current generation leader of the Four-sided Immortal Palace" Ling Shu looked at the person sitting on the chair casually.

The person's aura was so calm he was unaffected by the battle.

Even though his opponents were two great people, one was Shen Niang, who was very strong, and the other was Zhao Yanyan.

Both were equally strong, Zhao Yanyan was the best supporter, and Shen Niang was a powerful light user.

This was once because both of them were support types, in terms of strength, their supporters were strong, but in a one-on-one fight, they would be a little overwhelmed if against such a strong fighter.

"I will help them," Ye Chen decided.

Ye Chen went forward and started to help the battle, as the number of enemies was much greater.

"Yanyan, Niang, what are you doing in this place?" Ye Chen asked Zhao Yanyan and Shen Niang.

Ye Chen only found out that Zhao Yanyan had returned, why didn't he tell Ye Chen.

Forget that problem first, focus on the enemy.

"I thought I could take advantage of the mess you made to take Yixian, who would have thought that it was guarded by so many people I was troubled" Shen Niang said to Ye Chen.

Shen Niang told Ye Chen that she was troubled by many enemies.

Even Zhao Yanyan, who had the best-supporting force to weaken the enemy, was overwhelmed.

"What about their strength?" Ye Chen asked.

"Strong, they have some forbidden techniques that are so complicated to explain" Shen Niang said.

"Husband, you can easily penetrate their defenses, right? How about we give you an opening to enter" Zhao Yanyan said.

Zhao Yanyan had already thought of this, she wanted to give Ye Chen an opening that Ye Chen could use to get in.

"I can do it" Ye Chen felt he could break the defense.

"That's good, then let's try it together" Shen Niang said to Ye Chen.

With that, they tried together.

"We'll help a little, it seems like there are so many opponents." Ling Shu said.

"Who would have thought that I would be standing against such a terrifying top-class enemy" Shen Xinyue did not expect she would be fighting such a formidable enemy.

Those in front of her were such powerful people.

"Xing" Ye Chen said to Chen Xing.

"What's wrong?" Chen Xing asked Ye Chen.

"Do you know them?" Ye Chen asked Chen Xing.

Chen Xing might have known who they were.

"they are the numbers, their strength is either below or above the big elder" Chen Xing said.

Chen Xing only knew they were Numbers, troops under the supreme leader of the Four-sided Immortal Palace.

They would only obey the words of the current generation leader of the Four-sided Immortal Palace.

"So that's it" Ye Chen understood, it seemed like they were people under the management of the person sitting on the chair.

"The person sitting on the chair, isn't he too relaxed?" Yin Xizu said.

"don't underestimate him, that is the king's seat, one of the powerful artifacts in the Legend Tier class"

"The person who sits on it can gain such great and inexhaustible power," said Ling Shu.

"No wonder he is so happy, I just saw it, it seems like the king's seat is such a powerful artifact" Shen Xinyue first saw it, it was one of the most powerful artifacts that existed in this world.

An artifact that is under the Heavenly Tier.

"So you are the group that has created chaos inside the Four-sided Immortal Palace, you are bold enough and will get the punishment of death" Long Zhipei said to Ye Chen and the others.

"I am not afraid, I will get back what is mine, get ready guys" Ye Chen said.

Ye Chen didn't want to waste words for them, so he unleashed his full power.

Ye Chen used the seven elements, he showed his true ability against the enemy.

The power released by Ye Chen was enormous and very powerful, everyone was shocked to see the power shown by Ye Chen.

"he still kept his strength, this strength is so great" Everyone was surprised, Zhao Yanyan and Shen Niang were also surprised to see the strength released by Ye Chen.

"With that kind of strength, I think this will work" with the strength possessed by Ye Chen, Shen Niang was confident that Ye Chen could do it.

"Your strength is great, it's only a few years, but you have such great strength," Long Zhipei said to Ye Chen.

"That person?" the person sitting on the chair asked Long Zhipei.

"He is the madman I was referring to, honestly that person is so great and strong, didn't expect him to be like this" Long Zhipei said to the supreme leader.

The supreme leader is Situ Wazi, he is one of the calm and worthy people to be the leader of this place.

The strength and ability of Situ Wazi were unquestionable, he could even make Shen Niang and Zhao Yanyan struggle.

"Carry out my order, tell everyone to kill them" Situ Wazi gave the order, and he ordered to kill Ye Chen and everyone present.

"Understood, I will immediately spread this news to all the places that support us" Long Zhipei understood.

Long Zhipei carried out the orders given, he used the voice transmission stone and informed the whole world about this matter.

"Everyone, this is Long Zhipei, I have the highest order to destroy someone, you must follow this order, as it is from the supreme leader" All alliance members of Four-sided Immortal Palace received this message.

The Four-sided Immortal Palace had so many alliances they all naturally moved immediately after receiving this order.

"oh, I see, who would have thought this would happen" Ye Chen said.

"From now on, you'll probably be the most wanted fugitive" Ling Shu said.

"We're the same, don't forget that" Chen Xing said to Ling Shu.

They were in Ye Chen's group and would get the same thing as Ye Chen did.

"This world is full of hypocrites, if it's like that, it doesn't matter if I become the enemy of this world" Ye Chen said to Ling Shu and Chen Xing.

"That's great, a man shouldn't be afraid of that kind of thing" Chen Xing agreed.

"I will always support you, even if you become enemies of this world," Zhao Yanyan said to Ye Chen.

Zhao Yanyan would support Ye Chen, even if the whole world would antagonize Ye Chen.

Zhao Yanyan is not afraid of becoming the enemy of the world, she is more afraid of losing Ye Chen than becoming the enemy of this world.

And they must save Shui Yixian, they must not fail in doing so.

Zhao Yanyan already regarded Shui Yixian as a kind and understanding sister, a role model for Zhao Yanyan.

"Now you will become the enemy of the world, what will you do now, if you don't leave, you will become a meal" Long Zhipei said to Ye Chen.

Ye Chen thought for a while it would be a problem until the alliance summoned by Long Zhipei surrounded them.

"It's okay, you can leave this situation to me, I will take care of them for you" Chu Yuechan said to Ye Chen.

"Yuechan, what are you going to do?" Ye Chen asked Chu Yuechan.

What Chu Yuechan was going to do, Ye Chen wanted to know.

"I have an army to stop them, so you can focus on fighting here and saving Shui Yixian" Chu Yuechan said.

Chu Yuechan could mobilize all the women Ye Chen had, it seemed like it was time for them to show the results of their training.

All of them had exhausted all of Ye Chen's resources.

It would be strange if they could not show their true strength.

Under the training of Chu Yelan, Chu Ning'er, and the fairy gate's help, they reached the highest level in this world.

They could become a terrible army and help Ye Chen.

"Are they ready?" Ye Chen tried to confirm this from Chu Yuechan.

"They are more than ready" Chu Yuechan told Ye Chen.

Chu Yuechan told him that they were ready.

"Then I'll leave the problems there to me, the main focus is getting Shui Yixian back".

"As long as their ancestors haven't come out, we'll have an easy time of it" Ye Chen said to Chu Yuechan.

"I understand, I will leave this matter to you" Chu Yuechan said to Ye Chen.

"You can also bring Ein along with you, she is such a good maid, and you can tell her to" Ye Chen said.

"I will do it, I will use them all" Chu Yuechan said to Ye Chen.

"What are we going to do now?" Shen Xinyue asked Ye Chen.

If what Long Zhipei said was true, then it would be a problem.

Chapter 3058 Situ Wazi

"Don't be afraid of what this guy says, he just wants to bully us" Ye Chen said to Shen Xinyue.

to make the enemy uneasy of Ye Chen, Ye Chen said that.

Ye Chen would let Chu Yuechan do it quietly and not be noticed by others.

"We will fight and get past them" Ye Chen said to everyone.

"So that's the decision you made" Shen Xinyue said.

"I hope you won't be disappointed" Ye Chen said.

"I won't be disappointed, if you are brave, then you can do it" Shen Xinyue said.

Shen Xinyue would help Ye Chen, she would not back down because of this.

After conferring and resolving the matter, Ye Chen decided to attack directly.

"I will support you guys" Zhao Yanyan played her zither, and when she did that, everyone got such a huge increase in strength.

"That's great, she's progressing so well" Ye Chen was happy when he received support from Zhao Yanyan.

Ye Chen could see that Zhao Yanyan gave Ye Chen so much strength.

Ye Chen couldn't let Zhao Yanyan down and advanced.

The skill of Zhao Yanyan was already very good, by using the Goddess Melody Technique, she managed to make Ye Chen and the others so strong.

In addition, Zhao Yanyan used this on the enemy and made the enemy weak and difficult to fight.

"Target the woman at the back first" Long Zhipai ordered all the numbers to attack Zhao Yanyan.

If they could take down Zhao Yanyan, this battle would end soon.

"I won't let you do that Shadow Clone?" Ye Chen made a Shadow Clone, and using it, he protected Zhao Yanyan.

Zhao Yanyan was so grateful to Ye Chen.

Because Ye Chen protected her, she could fight very freely and give everyone the support they deserved.

"looks like she'll be fine" Shen Niang saw that Zhao Yanyan would be fine, now she would focus on helping Ye Chen attack on the front.

Chen Xing, Ling Shu, Shen Xinyue, and Yin Xizu fought the numbers.

Although they were greatly outnumbered, they put up such an impressive fight against the numbers that were so powerful and so terrifying.

Plus, the numbers had unique abilities, they had to be careful when fighting the numbers.

"I think we can win, as long as Situ Wazi doesn't interfere," Chen Xing said.

"The two of them will overcome Situ Wazi, so let's defeat the numbers quickly and help out."

"I think the ancestors in this place are unable to come out because of what is being done" Ling Shu said.

Ye Chen made the ancestors unable to come out of seclusion, now they have the upper hand.

"What do you think about the favor said by Long Zhipei?"

"As long as we can win quickly, we don't have to worry" Shen Xinyue said.

Shen Xinyue was the calmest among everyone, she was a cold woman at the peak of beauty, it was not strange that she was the calmest.

"as expected of you, you can be so calm" Ling Shu said.

"let's finish this quickly and stop talking" Shen Xinyue said.

"I agree" Chen Xing, Ling Shu, and Yin Xizu agreed to stop talking and start fighting.

They all showed such great abilities and were so good, their abilities could not be underestimated as they were so strong in various ways.

The numbers had trouble in the battle, they seemed to struggle when facing Ling Shu and Shen Xinyue's abilities.

The charms of the two were too strong for them to withstand, they would not be able to resist the charms of Ling Shu and Shen Xinyue,

It was very favorable for Ling Shu's group; they could throw the enemy's formation into chaos and benefit from it.

Ling Shu used fire attacks, Yin Xizu used a large number of blood spears, Chen Xing used wind that could split things and Shen Xinyue used ice techniques that could freeze things.

The combination they had was so good, in terms of strength and ability, they were the best among the best.

After that, the enemy was swept away by them and received so many injuries.

Now Ye Chen and Shen Niang only needed to pass two people, it was Situ Wazi and Long Zhipai.

As long as they could pass these two, they could go to the place of Shui Yixian.

Situ Wazi didn't let Ye Chen advance, he made successive attacks towards Ye Chen.

The chair used by Situ Wazi was able to launch such a large number of attacks and so many.

The attacks hit Ye Chen and Shen Niang.

Ye Chen and Shen Niang defended quite well, they maintained their positions and continued to advance.

With such a good defensive position, Ye Chen and Shen Niang broke through and fought Situ Wazi.

Situ Wazi's attack was indeed strong, it was a pity that Ye Chen had a much stronger defense, and the attack from Situ Wazi couldn't destroy Ye Chen.

"I guessed it, if it was you." Shen Niang was happy that Ye Chen was there.

With the help from Ye Chen, he should be able to enter easily, they just need to pass through Situ Wazi.

Long Zhipei did not remain silent and tried to help as much as he could, he used lightning bolts of various colors.

The lightning possessed by Long Zhipei was very strange and unreasonable, it was so destructive and had a dangerous effect.

"Chen, that person has lightning with various effects, be careful" Shen Niang said.

Shen Niang told Ye Chen.

Shen Niang told him that the lightning the opponent used had many terrifying effects.

Shen Niang even had trouble, fortunately, Shen Niang could heal herself so that she would be fine.

"I will always be careful, please help me finish these people quickly." Ye Chen said.

Ye Chen used heavenly lightning, he launched a destructive lightning attack at Long Zhipei.

"What kind of lightning is that? No. . ." Long Zhipei underestimated Ye Chen's lightning too much, this was a heavenly level of lightning obtained by Ye Chen, the power of the lightning was enough to destroy Long Zhipei's body.

Long Zhipei's arm broke off, Ye Chen's lightning strike made him crumble into dust.

"That's heavenly lightning, how did he do it" Heavenly lightning is a form of supreme lightning that is so destructive a single strike can cause severe injuries.

So it wasn't strange that Long Zhipei would be injured.

"This is not finished yet, God Thunder Armor, God's Judgment Lightning, God Slayer Lightning Shot" Ye Chen used three direct attack techniques, first he coated his body with lightning armor, and after that, he attacked the enemy with God's Judgment Lightning to make it unable to escape, and finally God Slayer Lightning Shot was used to finish off..

"master is bad, if it's like this, we will die" Long Zhipei told Situ Wazi.

"I also know if hit by all those things, both of us can die." Situ Wazi also knew that.

He was not stupid and knew what would happen if he received those three attacks.

Situ Wazi already had a way to leave this place.

He would use Long Zhipei for defense.

"Master, what are you doing?" Long Zhipei asked Situ Wazi.

"You will be a shield for me, so use it well" Situ Wazi told Long Zhipei.

"No, don't do that" Long Zhipei begged, unfortunately, the life of Situ Wazi was much more valuable than Long Zhipei.

Chapter 3059 is just a puppet controlled by Situ Wazi.

?Long Zhipei's words were useless, they fell on deaf ears as Situ Wazi dragged him away.

Situ Wazi picked up Long Zhipei.

He wanted to turn Long Zhipei into a human shield.

"Don't do that" Long Zhipei kept begging.

Unfortunately, he fell on deaf ears and turned into a statue.

This seems to be one of Situ Wazi's abilities.

He was able to turn people into his weapons.

"Did he just turn people into weapons?" asked Ye Chen.

"As you can see, he did just that," Shen Niang told Ye Chen.

This person can turn people into super-strong shields that can be used for defence.

"I will try to break through it" Ye Chen said to Shen Niang.

"Then I will lend you the power I have" Shen Niang said to Ye Chen.

He wanted to lend Ye Chen the strength that he had right now.

"Please do it" Ye Chen told Shen Niang, he asked Shen Niang to do it.

With Shen Niang's help, Ye Chen gained additional strength.

The attack this time would surely destroy Situ Wazi.

"Booom.?" Ye Chen's attack came down, it struck the body of Situ Wazi.

With the protection of the human shield, would Situ Wazi survive?

The explosion was huge, it made such a huge shock, and everyone felt the explosion's impact.

"Will that attack work?" Ye Chen wanted to know if his attack could win against the enemy.

"Stay alert no matter what, we don't know if the attack you launched can win against that person" Shen Niang said.

Ye Chen and Shen Niang waited and prepared the best defence.

After the effects of the explosion disappeared, they saw the figure of Situ Wazi.

Where Situ Wazi's clothes were burnt, and there were several wounds on his body.

His appearance was quite bad, he seemed to get so much damage from Ye Chen's attack.

"Looks like it worked," Ye Chen said to Shen Niang.

"Your attack is quite powerful, it's not strange that you managed to do it" Shen Niang agreed with Ye Chen's statement.

Just as the two thought that it might be over soon, they discovered something strange happening.

The body part of Situ Wazi that was chipped off returned, and it started to recover.

"His recovery is so fast" Shen Niang said.

The person's recovery was not inferior to Shen Niang's, instead, it seemed even more strange compared to Shen Niang.

"That person's ability seems strange?" Ye Chen said to Shen Niang.

Ye Chen felt that something was wrong here, Ye Chen decided to find out what was wrong here.

After Ye Chen looked into it.

Ye Chen discovered the strangeness that happened.

"so it's like that" Ye Chen finally knew what happened.

"What did you find?" Shen Niang asked Ye Chen.

She wanted to know what Ye Chen found.

"I found something so interesting about this person, you know that this is not a real body"

"It looks like we are facing a doll or something," Ye Chen said.

"Why do you think that?" Shen Niang asked Ye Chen.

Why did Ye Chen think that they were facing a puppet?

"The reason is so easy and so obvious, this person has no heart" Ye Chen said and also Ye Chen saw that he was being controlled through a chair.

"Is it like that? How did you do it?" Shen Niang asked Ye Chen.

"I realized it while fighting," Ye Chen told Shen Niang.

"If that is the possibility we are facing right now, then we have no choice" Shen Niang said.

"Then let's make him leave his seat" Ye Chen said to Shen Niang.

"I was thinking the same thing you were thinking," Shen Niang said to Ye Chen.

It was not strange that Shen Niang had a hard time against Situ Wazi, this guy used tricks to play with Shen Niang.

If Shen Niang knew earlier and was more sensitive when facing an opponent, he might be able to defeat the person.

"This is a mistake I made, I was so careless" Shen Niang said to Ye Chen.

Shen Niang admitted that he was careless, if only he weren't careless, this might not have happened.

"It's okay, now our focus is to defeat that person" Ye Chen said to Shen Niang.

"I understand, I can now defeat him" Shen Niang was more confident.

Shen Niang used her ability, and the place around them changed.

This was the best illusion ability Shen Niang had.

"We have to get him out of that chair," Shen Niang told Ye Chen.

He asked Ye Chen to get the opponent out of the chair.

Ye Chen realized what Shen Niang wanted.

The doll would also be destroyed as long as they could destroy the chair.

"I understand, I will leave it to you" Ye Chen said to Shen Niang.

Shen Niang's illusion was too genuine, it would be very difficult for people to get out of the current situation.

Even if Situ Wazi is smart, he will not easily get out of this place.

"You two opponents are so troublesome, I will crush you into dust" said Situ Wazi.

"Flame Infinity Sea" he finally used his attack.

A flame spread and made a vast sea of fire.

The sea of fire created by Situ Wazi was so vast, it covered the entire Four-sided Immortal Palace.

Because the flames were so vast, everything inside was swept away and drowned in the flames.

Every living and inanimate object would melt and crumble into dust.

The illusion created by Shen Niang did not disappear, it lingered around.

"Ye Chen" Shen Niang said to Ye Chen.

If this were allowed to expand, then they would all be affected.

Because of this, Shen Niang asked Ye Chen to take care of the matter.

"I will take care of this matter, Frost Age" Ye Chen used ice to fight the fire. .c(o)m

As Ye Chen used ice to fight the fire, Ye Chen's ice was able to freeze the fire and make Situ Wazi dumbfounded.

"The boundless fire I have, why would it freeze" Boundless fire is a technique that will continue to spread, it is a huge fire and will not be extinguished by any means.

Strangely, Ye Chen could put out the fire by using.

Moreover, Ye Chen could easily freeze his fire.

These are things that Situ Wazi would never have been able to imagine.

"You are at the right distance, do it" Shen Niang said to Ye Chen.

she told Ye Chen to destroy the doll.

"This is your time to be destroyed, Dark Hole" Ye Chen took out a black hole that absorbed everything.

The hole created by Ye Chen was quite big, it sucked the body of Situ Wazi.

After that, Situ Wazi disappeared and went into the Dark Hole.

Now, he couldn't return and was in an unknown place.

"You didn't destroy it wholeheartedly and still hold back enough?" Shen Niang asked Ye Chen.

"It was used to find out about us, it's best not to show the hidden card prematurely" Ye Chen said.

"You are smart" Shen Niang said to Ye Chen.

"Boom. ." Zhao Yanyan and the others are still fighting, but some help has arrived to help the numbers.

"You go, I will hold them together with Yanyan" Shen Niang told Ye Chen.

Shen Niang told Ye Chen to go to Shui Yixian's place.

"I'll do it" Ye Chen went to rescue Shui Yixian.

Chapter 3060 Shui Yixian lost her memory

Ye Chen parted ways with Shen Niang, he went straight to Shui Yixian's place.

As Shen Niang had said, Shui Yixian was placed in a place that could move around.

"It must be a little difficult if I can't sense the whereabouts of Yixian" Ye Chen could easily find Shui Yixian's whereabouts.

So Ye Chen followed where Shui Yixian was.

Although it moved frequently, with Ye Chen's teleportation ability, he could catch up.

After chasing for a few minutes, Ye Chen was finally able to enter the palace.

"What a troublesome place" to be honest, this was a troublesome place.

It was like a ship with complicated mechanisms. Ordinary people would have a hard time.

It wasn't strange that Shen Niang said he was struggling, but Ye Chen understood the difficulty Shen Niang was having.

Ye Chen used his abilities and discovered if people were around this place.

After Ye Chen used his strength, he finally found the guards around, and they were already preparing to launch an attack on him.

"They are waiting for me and want to surprise me, then let's reverse the situation" Ye Chen wanted to reverse the current situation.

If they wanted to surprise Ye Chen, Ye Chen would surprise them back.

Ye Chen used his ability to enter secretly.

After Ye Chen entered, he walked to the back of the guards.

None of the guards knew of Ye Chen's existence, it was because Ye Chen hid himself so well and no one would be aware of Ye Chen's existence.

"okay, explosion time." Ye Chen used a ball of fire and ice, he combined the two balls and made a thing that was powerful enough to destroy those here.

"Boom. . ." a huge explosion occurred, all of them were not ready for the huge explosion that came from behind.

The huge explosion naturally injured all the guards, they had no chance to defend as they were focused on the front.

Ye Chen had seized the opportunity so well, it was such a good opportunity to kill all the enemies.

"Okay, now everything is done" after Ye Chen finished all the guards, he went straight to the place of Shui Yixian.

When Ye Chen went to Shui Yixian's place, he saw Shui Yixian sitting and looking outside.

Shui Yixian could see out, but she couldn't get out because an invisible wall was blocking her way.

Shui Yixian thought that she would be happy if she could go outside to see the outside world.

Ye Chen looked towards Shui Yixian, but it had been long since he had seen her.

It's just that the situation now is different from the beginning, Shui Yixian has lost Ye Chen's memory, so Ye Chen has to persuade Shui Yixian.

"are you serious or just want to lie to me" Shui Yixian asked Ye Chen.

Shui Yixian didn't immediately believe what Ye Chen said.

Shui Yixian now regarded Ye Chen as an outsider, so it was not strange that she was wary of Ye Chen.

"Of course I'm serious, I want to take you out, don't you want to see the outside world, the outside world is so vast" Ye Chen said.

Ye Chen continued to use sweet words to Shui Yixian.

Shui Yixian started to get interested in Ye Chen's words, she wanted to get out of this place.

Shui Yixian thought for a while, she didn't immediately agree with Ye Chen.

"Think carefully, do you want to stay in this cage forever?" Ye Chen said to Shui Yixian.

"No. ." Shui Yixian didn't want to stay in this place forever, she wanted to see the wide world.

"Then what are you thinking and afraid of?" Ye Chen said to Shui Yixian.

"Alright, I'm willing" Shui Yixian finally agreed to go with Ye Chen.

"That's great," Ye Chen said to Shui Yixian.

Ye Chen was happy because Shui Yixian was willing to come along the problem had been solved.

Ye Chen hugged Shui Yixian.

"Ehh? ? ?" Shui Yixian was surprised by what Ye Chen did.

Ye Chen hugged Shui Yixian's slender waist.

Normally Shui Yixian would probably kick Ye Chen out, but she didn't do it for some reason.

Shui Yixian felt that she couldn't do that, there was a strange feeling when she was with Ye Chen.

Ye Chen took Shui Yixian away, and after Ye Chen took Shui Yixian away, Ye Chen went straight to Shen Niang's place.

"You managed to find her" Shen Niang said to Ye Chen.

"I did it, let's retreat first," Ye Chen would explain to Shen Niang and the others.

First of all, they had to retreat first.

"Everyone let's leave this place" Shen Niang told everyone to leave this place.

After getting the notice from Shen Niang, everyone approached Ye Chen.

Ye Chen teleported them all with his ability.

Chu Yuechan's group had also been notified so that they would retreat for a while.
