

True God 3061

Chapter 3061 how to recover Shui Yixian's memory

With that, Ye Chen led everyone backwards, this way, everyone should be safe.

"We managed to retreat, for once" Everyone felt very happy that they could retreat safely.

The enemy's strength was quite large, and they were quite overwhelmed.

"Sister Yixian, you're finally back." Zhao Yanyan was very happy when she saw Shui Yixian.

She approached Shui Yixian and wanted to hug Shui Yixian.

Shui Yixian slightly backed away when Zhao Yanyan did that.

Honestly, it made Zhao Yanyan surprised.

"What's going on here?" Zhao Yanyan was confused when she saw Shui Yixian retreat.

Shen Niang also saw this, something seemed to have happened to Shui Yixian.

"What exactly happened?" Shen Niang asked Ye Chen.

She needed an explanation from Ye Chen for this matter.

"About that matter" Ye Chen started to explain to Zhao Yanyan and Shen Niang.

He told what happened to the two of them.

Shui Yixian lost her memory and didn't know anything.

"Is that what happened, I didn't expect that to be the case?" Shen Niang didn't know that they did that.

"We have to find a way to recover her memories" Zhao Yanyan told Ye Chen.

She wanted Ye Chen to find a way to recover Shui Yixian's memories.

"I'll give it a try, but first, we need some help to see what's going on" Ye Chen said.

"I will go to call sister Qing Cheng" Zhao Yanyan instantly knew what Ye Chen wanted.

Ye Chen nodded, quite satisfied, Zhao Yanyan instantly knew what to do, so it should be fine.

Zhao Yanyan left for a while to look for Qing Cheng, meanwhile, Shui Yixian looked around curiously.

"The current her is nothing more than a normal girl" Shen Niang said to Ye Chen.

"You are right, the current her is nothing more than a normal woman, I wonder if she is still able to use her powers?" Ye Chen wanted to know if Shui Yixian was still capable of using the power to see the future.

"What do you think?" Ye Chen asked Zhao Yanyan and Shen Niang.

"I agree, the enemy's strength is also great, if we fight now, then we will get losses, we should recover the strength we have" Shen Niang said.

Shen Niang agreed, their strength was now exhausted, and fighting with the opponent in the current condition was very unfavorable.

"Well, since it has been decided, we will make her recall, it seems like it is time to return to the God Realm first," Ye Chen said.

"I agree" Shen Niang agreed with what Ye Chen thought, the most suitable place for Shui Yixian's treatment was God Realm.

It was possible that Shui Yixian could recall the past if she had been there.

"But we can't all go, if we go, we will lack strength" Shen Niang said to Ye Chen.

"You're right, either I or you will go" Ye Chen and Shen Niang were the strongest, Ye Chen had the Sage God inheritance, while Shen Niang was one of the people who had the True God title, proof that she had been one of the strongest people in the past.

"You and Yanyan should leave, the rest will remain in this place," Shen Niang said.

"I understand" Ye Chen agreed with the suggestion.

"I will temporarily leave this place to you guys" Ye Chen said to Shen Niang and the others.

"There is no choice, we won't be able to leave after starting such a battle" Shen Xinyue said.

"Just hand over this place, you can leave first, they also won't dare to move after getting such damage" Ling Shu said.

The enemy was heavily damaged, if they attacked once, the other forces would certainly seize the opportunity to make the Four-sided Immortal Palace crumble.

Dragon God Realm, Eternal Great Earth Realm, nine levels of immortal sky, seven temples are definitely lurking, they will not let this opportunity slip away.

As long as the Four-sided Immortal Palace shows a little weakness, they can be destroyed.

"I also thought about that, it seems like I can leave this place, if it is a bad situation, contact me anytime," Ye Chen said.

Ye Chen gave a device that could contact him, even though Ye Chen was inside the God Realm.

"Um... ." they all understood.

After finishing the discussion, Ye Chen and Zhao Yanyan brought Shui Yixian.

Shen Niang, along with all the women, could only watch them leave.

"What plan should we do now?" Shen Niang asked Shen Xinyue, Ling Shu, Chen Xing and Yin Xizu.

"We should stay together and defend well, if we split up, it will only benefit the enemy," Chen Xing said.

"Then let's decide on a suitable base to defend, we can't possibly use the Origin mall for that, so many people going in and out, intruders will easily get in," said Ling Shu.

They discussed where they would build their power base.

They had to find a quiet place so that they could control the situation well.

Chapter 3062 Conditions Of Guan Laiyu And Yin Zeniyu

Several days have passed since the incident, Ye Chen is currently guarding Shui Yixian in her place, the beautiful palace of light.

Unfortunately, there is no good progress, until now Shui Yixian still does not remember.

The two of them still don't know an effective way, they are just trying to make Shui Yixian remember.

"Husband, how?" Zhao Yanyan asked Ye Chen.

"Still haven't found a way" Ye Chen said to Zhao Yanyan.

Ye Chen still hadn't found a way, he was still trying to make Shui Yixian remember.

If they wanted to make Shui Yixian's memory return, they had to make Shui Yixian feel the most favorable impression in her life.

And until now, Ye Chen and Zhao Yanyan hadn't found it.

The two of them had yet to find out about the matter.

From the beginning, Shui Yixian was such a smart woman, so to impress her was quite difficult.

"Husband, have you used that method yet?" Zhao Yanyan asked Ye Chen.

Did Ye Chen already use that method?

"I did, but I didn't succeed" Ye Chen told Zhao Yanyan.

Ye Chen told her that the method he had didn't work.

"Even the method of flirting with Shui Yixian didn't work" Zhao Yanyan didn't expect, then how can they make Shui Yixian come back?

"Yanyan, we don't need to rush and just relax" Ye Chen said to Zhao Yanyan.

Ye Chen told Zhao Yanyan to take it easy, they didn't need to rush.

"I understand" Zhao Yanyan understood they didn't need to rush the matter.

"But she seems to be enjoying it and is happy, so it doesn't matter, does it?" Zhao Yanyan said to Ye Chen.

"Sometimes ignorance is a good thing, do you understand" Ye Chen said to Zhao Yanyan.

"I understand what you're saying" Zhao Yayan understood what Ye Chen said.

Ye Chen and Zhao Yanyan stayed alert, it was possible that the enemy would attack and always exchanged information with Chu Yuechan.

"Yuechan, everything is safely under control, right?" Ye Chen asked Chu Yuechan about the current situation.

"Everything is safe, they are not attacking, it seems like they don't want to attack" Chu Yuechan said to Ye Chen.

"Why don't they want to attack?" Ye Chen wanted to know why the enemy was unwilling to attack.

They changed direction, started to gather strength, and decided to continue their plan"

"It seems like their strength is enough to start their plan ".

"Didn't they just lose some people" Ye Chen asked Chu Yuechan.

"It doesn't seem to matter much, they only lost a few people" Chu Yuechan said.

"I see" Ye Chen understood.

"So, what do you plan to do next?" Chu Yuechan reported to Ye Chen, she wanted to know what Ye Chen was planning to do.

"Strengthen the defenses we have" Ye Chen said to Chu Yuechan.

In this current situation, Ye Chen could only strengthen his defenses.

"Aren't you going to attack them?" Chu Yuechan asked Ye Chen.

"It's not time yet, if they want to fight, then they can do it" Ye Chen said to Chu Yuechan.

For a while, Ye Chen focused on increasing strength, he increased strength to fight the enemy.

"So you're not too confident yet?" Chu Yuechan said to Ye Chen.

"I still need more strength" Ye Chen told Chu Yuechan.

"I understand, I will tell everyone" Chu Yuechan said to Ye Chen.

After exchanging information, Ye Chen entered the fairy gate prison.

He saw Yin Zeniyu and also Guan Laiyu.

The two of them were locked up in this place, they seemed exhausted after fighting against Ye Chen.

"What about your condition" Ye Chen asked Yin Zeniyu and Guan Laiyu.

Yin Zeniyu and Guan Laiyu were silent, they didn't answer Ye Chen's question.

"You guys are still stubborn, it's been a few days, and you're still the same as before," Ye Chen said.

Ye Chen saw Yin Zeniyu and Guan Laiyu were still stubborn and unwilling to give up.

Guan Laiyu was the most stubborn person, she didn't want to give up, and because of this, Yin Zeniyu followed her.

"What are you going to do to us?" Guan Laiyu asked Ye Chen.

What would Ye Chen do next?

"I want to get information from you guys, I want to know the plans of your leader," Ye Chen said to Guan Laiyu.

"I won't tell you, that information is very important for the chairman" Guan Laiyu wouldn't tell, even if Ye Chen used dirty means, he wouldn't give up.

"What a stubborn woman," Ye Chen said to Guan Laiyu.

"okay, then this is the time" Ye Chen felt that if this was the time, he had to do something about this matter.

It was better to make Guan Laiyu talk by using his abilities.

Guan Laiyu was a strong woman, Ye Chen believed that she would not be willing to talk even if Ye Chen used violent means.

Instead of using force, it was better for Ye Chen to show his ability.

Ye Chen used his best ability to make women helpless.

"Ahhh..." Guan Laiyu cried out, the touch from Ye Chen was too comfortable for Guan Laiyu.

"Bastard, what are you doing to me ?" Guan Laiyu looked upset.

Ye Chen did something strange to his body, this feeling was very uncomfortable for Guan Laiyu.

"I will make you say," Ye Chen said to Guan Laiyu.

Ye Chen will make Guan Laiyu talk, he will let Guan Laiyu talk about what she knows.

"I told you, I won't tell you" Guan Laiyu said to Ye Chen.

Guan Laiyu still refused to tell Ye Chen, she didn't want the secret about the plan to get out because it could affect everything, and other major powers would be involved.

"Let's see if you can survive, " Ye Chen said to Guan Laiyu.

Ye Chen would make Guan Laiyu talk.

Ye Chen would make sure that Guan Laiyu was telling the truth.

Every time Ye Chen touched Guan Laiyu.

He would feel such an incredible pleasure that could not be imagined.

"This guy has a shameless technique," Guan Laiyu cursed Ye Chen.

Ye Chen had a shameless technique.

"I must defend, I must defend" Guan Laiyu wanted to defend, she didn't want to lose to Ye Chen.

Guan Laiyu did her best, she tried to survive Ye Chen's technique.

"oh, you are much stronger than I imagined" Ye Chen said to Guan Laiyu.

Guan Laiyu was quite strong, she was able to defend herself.

"You. ." Guan Laiyu couldn't stand it, this technique was so comfortable and made her feel so good.

"ahhh. . ." Guan Laiyu's mature body started to get out of control, she felt such strong feelings from Ye Chen.

"Don't stop, this is too strong for me" Guan Laiyu told Ye Chen.

Guan Laiyu's body was writhing, she couldn't stand what Ye Chen was doing.

This was too strong and too much, Guan Laiyu couldn't endure Ye Chen's strong feelings anymore.

"You want to say it or not, if you don't want to, I will still do it" Ye Chen said to Guan Laiyu.

"Never" Guan Laiyu said to Ye Chen.

Guan Laiyu still refused, she still refused to say that.

Guan Laiyu was so persistent she still didn't want to tell Ye Chen, what a strong woman.

"Why are you so persistent in doing so? Do you have an advantage by doing so?" Ye Chen asked Guan Laiyu.

Ye Chen asked about what the Four-sided Immortal Palace could provide.

"They have given so many things to me," Guan Laiyu said as Four-sided Immortal Palace had given her so many things.

"Is it like that, it is not strange that you are unwilling to give up, now I will ask you, in your current situation, why don't they come to save you" Ye Chen spoke to Guan Laiyu.

"They will come and save me, I am very confident about that," Guan Laiyu

was sure that help would soon come to save her.

"If help does come, they will come early, don't you two know what's happening right now, you two have been banished," Ye Chen said.

Ye Chen told Guan Laiyu and Yin Zeniyu.

The two of them had been banished by the Four-sided Immortal Palace, they had no value because of that.

Their leader decided to discard them and no longer paid attention to them.

"That can't be the case," Guan Laiyu still denied.

In Guan Laiyu's heart, she still believed that the Four-sided Immortal Palace would come.

"hahahahaha" Ye Chen laughed, listening to Guan Laiyu.

"Then you will be desperate," Ye Chen said to Guan Laiyu.

Guan Laiyu would be desperate with what happened.

Ye Chen would enjoy it when it happened, it was the most beautiful thing Ye Chen could see.

"First of all, I will dig up information from you, I need information from you," Ye Chen said to Guan Laiyu.

Ye Chen needed information from Guan Laiyu, and because of that, Ye Chen continued on and made Guan Laiyu's mind blank.

Guan Laiyu really became helpless with what Ye Chen was doing.

Yin Zeniyu saw what Ye Chen did, Ye Chen had made Guan Laiyu helpless.

"master, even to the point of making such a face" Yin Zeniyu looked at the face of Guan Laiyu, she could clearly see Guan Laiyu's lustful face.

Who can withstand the pleasure given by Ye Chen will not be able to withstand the pleasure given by Ye Chen.

After 1 hour, Ye Chen got a little information from Guan Laiyu, he knew when the Four-sided Immortal Palace would start the attack.

"This is good, I'd better spread this news well immediately," Ye Chen decided to spread the news.

Chapter 3063 Situ Wazi Plans Begin

Ye Chen told Chu Yuechan about the problem, he hoped that Chu Yuechan could handle the problems that would occur next.

The news will be spread, it will be a panic for them.

Ye Chen was completely satisfied, he had gotten what he wanted.

"You are cruel" Guan Laiyu said to Ye Chen.

He told her that Ye Chen was a cruel man.

"Who are you to say cruel, compared to all of you, I am still a good person, so remember that well" Ye Chen said to Guan Laiyu.

"hahahaha, are you kidding me? Don't you have a mirror at home" Ye Chen said.

"You are even worse than me and dare to say that to me" Ye Chen said to Guan Laiyu.

Guan Laiyu and they were even worse, how could they say such a thing when they were pretty bad people themselves?

Guan Laiyu didn't answer Ye Chen, she just looked at Ye Chen using a look full of hostility.

"Well, never mind, I don't care about that either.

"You will continue to be here to watch her, you won't be able to go against my orders," Ye Chen said to Yin Zeniyu.

Since Ye Chen had already given a contract to Yin Zeniyu, she would obey Ye Chen.

"I understand" Yin Zeniyu couldn't go against Ye Chen's orders.

If she went against the orders given by Ye Chen.

She would feel such a painful feeling, so for now, she could not resist.

"Hahahahaha" Ye Chen laughed. After Ye Chen laughed, he left the place.

Guan Laiyu and Yin Zeniyu looked at each other, she became like this now.

"Master, I'm sorry," Yin Zeniyu apologized, she really couldn't resist Ye Chen.

Even if she rejected Ye Chen, she couldn't resist.

All of this was the fault of Yin Zeinyu, if only from the beginning she didn't provoke Ye Chen, this present situation would have never happened to the two of them.

"You don't need to apologize for it, this is all my fault too, if only I knew about it earlier, I would have destroyed it" Guan Laiyu said to Yin Zeniyu.

If only Guan Laiyu had known this initially, she would have destroyed Ye Chen before becoming strong.

Now, the situation had changed, and Guan Laiyu wouldn't be able to fight Ye Chen, she couldn't possibly be able to fight such a powerful Ye Chen.

"Will we be saved?" Yin Zeniyu wanted to know if they would be saved.

"It's very difficult, it will be very difficult to save us, our current place is already very mysterious" said Guan Laiyu.

Guan Laiyu was pessimistic that help would arrive quickly, they could only stay in this place and wait patiently.

But you don't have to worry about that problem, I am confident that the Four-sided Immortal Palace will destroy Ye Chen.

It doesn't matter if they are not saved, what Guan Laiyu wants is to destroy Ye Chen.

she would be very satisfied to see Ye Chen destroyed by the Four-sided Immortal Palace.

"But he has such a powerful army and can destroy the Four-sided Immortal Palace" said Yin Zeniyu.

Yin Zeniyu had such big doubts, that after seeing what Ye Chen did, she became a little pessimistic about what would happen.

"Zeniyu, you underestimate the ancestors too much, they are strong people with many hidden techniques and terrible tricks. Do you believe that person can win?" said Guan Laiyu.

"I have only seen 1 ancestor, I don't know the others yet," said Yin Zeniyu.

"That's a lower-level ancestor, their strength is already like that, if it was an early ancestor, then the strength they have would be even more terrifying," said Guan Laiyu.

"That means there are more ancestors with terrifying powers, I think this will work." After listening to this, Yin Zeniyu felt that there would be hope.

"After you know this, you still believe he can win," said Guan Laiyu.

"I think the winner will be Four-sided Immortal Palace" after knowing that.

Yin Zeniyu was confident that Four-sided Immortal Palace would win the battle,

"Very clever, we just need to wait here," said Guan Laiyu.

Right now, Guan Laiyu and Yin Zeniyu only need to wait in this place.

The battle will end soon, and the winner will be determined quickly.

Since Guan Laiyu and Yin Zeniyu had so much time to talk, they used the time very well.

.

.

On the side of the Four-sided Immortal Palace.

They were currently rebuilding the Four-sided Immortal Palace.

In just a few days, the Four-sided Immortal Palace was successfully restored from destruction, it now looked brand new and became much stronger compared to before.

They added more power inside this place, making it so strong and difficult to penetrate.

The most difficult place for people to penetrate is if they attack a second time, they will be destroyed and trapped inside.

Situ Wazi saw the best construction, he looked at the whole place in front of him.

The mood of Situ Wazi was not good, the reason was very clear, he had just lost one of the best dolls he had.

"You seem to be very angry" a person came, he was one of the strong people because this person was strong, he could talk casually with Situ Wazi.

"Did you come to laugh, you are free to laugh as you please," Situ Wazi said.

"I guessed that you would be angry, the person who made your doll destroyed, he must be very strong" the person asked Situ Wazi.

"You don't need to ask anymore. That person is strong, otherwise, how could he be able to destroy a doll that has been in place for 999,999 years with great difficulty," Situ Wazi said.

The puppet that Ye Chen destroyed was not ordinary, it was created using a myriad of methods and required many sacrifices.

Situ Wazi has kidnapped billions of people to make this thing, the price paid by Situ Wazi is very large to make this thing, so it is not strange that Situ Wazi was so angry when he knew that his doll was destroyed and lost.

"Hahahahaha, who would have thought that such a powerful person would dare to appear plus, the power behind that person is very strong and makes reinforcements suffer such severe damage, there are so many experts at the ninth level of the Immortal True God Realm.

"It seems like it will be very difficult to fight them" he said to Situ Wazi.

"Their purpose has been fulfilled, now they will not attack," Situ Wazi said.

Situ Wazi told him that Ye Chen's purpose had been fulfilled and perhaps Ye Chen would not attack for a while.

"You mean that woman who has extraordinary strength, thanks to him we can make such a good plan, are you sure this plan won't leak out?" he asked Situ Wazi.

"Take it easy, I've taken some memories from that woman, she won't be able to tell our plan, no one will know our plan" said Situ Wazi.

Everything is in the scenario, everything is so well prepared, and they can start their plan.

Even though this destruction was part of the plan, they intended to make the other powers less vigilant.

It was not strange that Situ Wazi had not used full power before. Everything was according to Situ Wazi's and all the ancestor's plans.

Soon, they will destroy all forces and become the most powerful.

Chapter 3064

After doing so, they will become the strongest in this world.

After becoming the strongest in this world, who would dare to oppose them, the one who dared to oppose them would be destroyed.

Even if it was Ye Chen, they could destroy Ye Chen easily.

So, they would stick to every initial plan in place.

.

.

After leaving, Ye Chen met Shui Yixian.

Shui Yixian was happy with this place, she could freely go where she wanted, although she had to ask Zhao Yanyan or Ye Chen for permission to go somewhere far away.

Ye Chen looked at Shui Yixian, it seemed like Shui Yixian was enjoying what was happening right now.

She had a peaceful life with no other thoughts.

It seems that everything is going according to plan, and they don't intend to take Shui Yixian either.

"has their goal been achieved?" Ye Chen thought for a while, why did they just let Shui Yixian go, had their goal been achieved?

"Eh, wait a minute, something is wrong here, why does everything seem easy, it's like they are deliberately handing over Yixian and letting their place be destroyed." Ye Chen thought, why did they let go of Shui Yixian so easily?

"what are they planning?" Ye Chen felt that there was something strange about this matter, the matter that happened was not like usual, it was because of this that Ye Chen became suspicious.

Ye Chen felt that there was something strange about this matter, I don't know why they handed over Shui Yixian so easily as if they did it on purpose because they didn't need Shui Yixian anymore.

After Ye Chen thought for a while, Ye Chen figured it out.

"So that's it, I was wrong from the start." Ye Chen now understood, he had just made a pretty fatal mistake.

"everything I did was part of their plan, it seems like I just walked into their trap, they already know what will happen in the future, that is the best key in every move" Ye Chen already knew what happened, it was not strange that Ye Chen felt something was wrong from the beginning.

"To think that they are too naive, they are one step ahead compared to me, what am I going to do now?" Ye Chen thought.

The only way is Shui Yixian, but her memory was erased, and it is very difficult to recover Shui Yixian.

It's not strange that they erased the memory of Shui Yixian, it turns out that this is the reason.

They didn't want anyone to know about their plans, so they did this to keep Shui Yixian from telling them.

"How can this be my house, the residence you own?" Shui Yixian asked.

Shui Yixian didn't believe what Ye Chen said.

Honestly, it wasn't easy to believe what Ye Chen said.

"Why would I lie to you, there is no benefit for me to lie to you" Ye Chen said to Shui Yixian.

"This is your residence, you are the owner of this place in the current generation, do you not remember about it?" Ye Chen said to Shui Yixian.

"No, I can't remember" Shui Yixian said to Ye Chen.

Shui Yixian couldn't remember that this place was her place, she was a saintess who led this place and became such a powerful light user.

"Failed again" Ye Chen shook his head, it seemed like Ye Chen failed again, it made Ye Chen a little frustrated.

"I want to ask you a question. I have saved this from the beginning," Shui Yixian said to Ye Chen.

"What do you want to ask, if I am indeed able to answer the question you have, I will do it" Ye Chen will do it, he will answer the question from Shui Yixian.

"Who are you really, why are you helping me and keep saying strange things to me" Shui Yixian asked, she wanted to know who Ye Chen was.

"Are you so curious about me?" Ye Chen asked Shui Yixian.

"To be honest, I am curious about you, you are a little strange" Shui Yixian was a little curious about Ye Chen.

She wanted to know who the real Ye Chen was, and because of the matter, she asked who the real Ye Chen was.

"Are you giving an honest answer or not?" Ye Chen asked Shui Yixian.

"Of course, I want an honest answer from you." Shui Yixian was eager to know who Ye Chen was.

"I am your husband," Ye Chen said to Shui Yixian.

"Are you joking with me?" Shui Yixian said to Ye Chen.

Shui Yixian didn't believe what Ye Chen said.

"I expected that you would say that" Ye Chen had expected that, Shui Yixian would say that.

Shui Yixian would not easily believe what Ye Chen said.

It was very difficult for Shui Yixian to believe this matter.

Ye Chen had guessed this from the beginning, he was sure that Shui Yixian would think of himself as a liar.

"You don't believe what I say, but believe me, what I say is not a lie" Ye Chen said.

Chapter 3065 Deeper Interaction With Shui Yixian (1)

Shui Yixian still had a hard time believing what Ye Chen said.

She did not expect Ye Chen to say such a thing, she honestly would have difficulty accepting it.

"Are you telling me the truth?" Shui Yixian asked Ye Chen.

Whether Ye Chen was telling the truth or not.

That was the question Shui Yixian had.

"You definitely won't be easy to believe, I already know about it" Ye Chen knew that Shui Yixian had a hard time believing that.

"I'm sorry, I don't remember anything," Shui Yixian apologized to Ye Chen, she didn't remember about Ye Chen, so she was very apologetic for what happened.

"I don't mind that much," Ye Chen told her, saying he wouldn't mind that kind of thing too much.

"I want you to remember me, and I will do everything I can to make you remember who I am," Ye Chen said seriously.

Ye Chen's goal was to make Shui Yixian remember him, he would do anything to make Shui Yixian remember.

"Why are you so adamant about it?" Shui Yixian asked Ye Chen.

"I'm doing it so that you remember everyone, of course, I want you to remember me" Ye Chen told Shui Yixian.

"everyone, do you have more than me" Shui Yixian asked Ye Chen.

"Um, that's right" Ye Chen did not hide it.

"Seriously," Shui Yixian did not believe what Ye Chen said.

What Ye Chen said was quite a shocking thing for Shui Yixian.

"Why did I fall for you?" Shui Yixian wondered.

The current Shui Yixian looked like a normal woman, she wasn't as wise as before.

So, it was not strange that she was curious about why she could fall for Ye Chen.

Even though Ye Chen has so many other than her, it makes Shui Yixian curious.

"You must be curious, right?" Ye Chen asked Shui Yixian.

"Of course, I'm quite curious, what's good about you, besides being handsome, I don't think there's anything that impresses me" Shui Yixian said to Ye Chen.

Shui Yixian had already seen Ye Chen, from the impression she got from Ye Chen, Ye Chen was so ordinary, there was nothing special about Ye Chen.

"Hahahaha" Ye Chen laughed as he listened to what Shui Yixian said.

What Shui Yixian said was so funny he couldn't stop laughing.

"I want to know that myself" Ye Chen said to Shui Yixian.

"What are you doing?" Shui Yixian asked Ye Chen,

What Ye Chen was trying to do right now.

"I'm hugging you, is it not okay?" Ye Chen asked Shui Yixian.

"No, don't do that, it's very embarrassing for me" Shui Yixian said to Ye Chen, she told him that it was very embarrassing.

"You're still shy" Ye Chen said to Shui Yixian.

Ye Chen stretched out his hand, he started to touch Shui Yixian.

"Ahhh. . ." Shui Yixian couldn't stand what Ye Chen was doing.

What Ye Chen did was too comfortable for Shui Yixian.

"Why is this too comfortable?" Shui Yixian felt that this was too comfortable, a feeling that was so difficult for Shui Yixian.

"Ahhh. . ." Shui Yixian couldn't help the sound she made, she wasn't used to what Ye Chen was doing.

Ye Chen had only touched Shui Yixian's body, this was still the beginning, and Shui Yixian had already become like that.

It seems like Shui Yixian is too weak and can't hold on.

Shui Yixian is a strong woman, even the last time they did it together, she could endure quite well.

But right now, she was so easy to be made to feel at ease by what Ye Chen was doing.

Shui Yixian tried to resist, but it was all in vain, she didn't have the strength to resist Ye Chen.

Ye Chen was much stronger compared to Shui Yixian.

There was no way Shui Yixian could win against Ye Chen, Ye Chen's level was simply too high for Shui Yixian.

Ye Chen enjoyed it, he was so happy with Shui Yixian.

Touching Shui Yixian felt so good, she had such soft skin, and Ye Chen loved touching her.

Every part was too good for Ye Chen to touch.

Ye Chen's hands began to move chaotically, he showed Shui Yixian the technique that gave her so much enjoyment.

"Why are you doing this?" Shui Yixian asked Ye Chen.

Shui Yixian wanted to know why Ye Chen was doing this to Shui Yixian.

"I want to show you my power. You might remember every night we spent together".

"I want to see you again after all this time apart," Ye Chen said softly and pleasantly.

Ye Chen's voice was like a song full of charm, making Shui Yixian unable to stand what Ye Chen was doing.

"No, please don't do it, I'm a little scared" Shui Yixian said to Ye Chen.

Chapter 3066 Deeper Interaction With Shui Yixian (2)

"Don't worry about that problem," Ye Chen told Shui Yixian.

"Besides, we've already done it before," Ye Chen told Shui Yixian.

Ye Chen told her they had done it before, so there was nothing to do.

"What? ?" Shui Yixian was surprised when she heard that.

"So you didn't know," Ye Chen told Shui Yixian.

Shockingly, Ye Chen told the truth, but Shui Yixian had to know.

"Ahhh. ." Ye Chen used his ability to win Shui Yixian's heart.

Shui Yixian tried to endure, but to be honest, it was a little difficult to endure, the feelings Ye Chen gave her made my mind chaotic and empty.

"Not good, I can't do it" Shui Yixian couldn't do it, she couldn't hold on.

This was too strong for Shui Yixian and made her unable to endure.

Ye Chen knew Shui Yixian's weak point, he used that against Shui Yixian.

The moment Ye Chen touched her sensitive spot, Shui Yixian moaned more and more loudly.

She really could no longer endure, this was too comfortable and too strong for Shui Yixian.

Shui Yixian quickly peaked, and she finally got such good pleasure.

"Do you remember anything?" Ye Chen asked Shui Yixian.

"no, I don't remember." Shui Yixian still didn't remember anything, but she liked the feeling given by Ye Chen.

The feeling given by Ye Chen was indeed the best.

Shui Yixian liked the feeling that Ye Chen had given her.

"How is it?" Ye Chen said to Shui Yixian.

"Very good. Why are you so good at this?" Shui Yixian asked Ye Chen.

Why is Ye Chen so good at something like that?

"It's because of hard training," Ye Che told Shui Yixian.

Ye Chen had practiced his skills quite hard, so it was not strange that he could do this kind of thing.

"What kind of training can make you like this?" The more Shui Yixian listened to him, the more curious she became and wanted to know more.

"Do you want to know?" Ye Chen said to Shui Yixian.

Shui Yixian seemed to be very curious about Ye Chen, it seemed like Ye Chen had just awakened the curiosity of Shui Yixian.

"Will this work" Shui Yixian wanted to know if this would work, she hoped that this would work to make Shui Yixian remember.

The more Shui Yixian was curious about Ye Chen, it would probably be able to make her remember again.

The more Ye Chen teased Shui Yixian, the more beautiful she became, this was so good.

Shui Yixian enjoyed what Ye Chen was doing, and both enjoyed it so much when they were together.

Shui Yixian started to like Ye Chen, she liked what Ye Chen was doing.

Although she initially refused, Shui Yixian liked what Ye Chen did and became fond of it.

The feeling given by Ye Chen was very good and made Shui Yixian addicted.

Shui Yixian was exhausted as hell, she lay in Ye Chen's arms while exhausted.

"How about we take a little walk?" Ye Chen asked Shui Yixian.

"Of course, I want to go for a walk," Shui Yixian agreed.

Ye Chen had already observed Shui Yixian for a few days and knew what Shui Yixian liked.

Shui Yixian liked freedom, perhaps this was the effect of being locked up for a long time, hence she liked traveling.

"Then prepare well, let's enjoy the time" Ye Chen wanted to make Shui Yixian enjoy the time, there were many places Ye Chen wanted to visit, and he also wanted to have fun with Shui Yixian.

Shui Yixian didn't waste any time, she went straight and changed clothes.

Shui Yixian no longer wears beautiful dresses; she now often wears casual clothes suitable for use.

Since Shui Yixian was a beautiful goddess, she would fit into every outfit.

Ye Chen preferred when Shui Yixian used casual clothes because to Ye Chen, it was such a pretty outfit to wear.

Shui Yixian looked more innocent, wearing casual clothes.

After waiting for some time, Shui Yixian finished, and she directly took Ye Chen away.

Before Ye Chen left, Ye Chen told Zhao Yanyan.

If Ye Chen hadn't done that, Zhao Yanyan would probably have looked for Ye Chen and Shui Yixian.

"hmmm, Yanyan isn't around, where did she go?" Ye Chen did not find Zhao Yanyan's whereabouts.

She must have left to do something important, so Ye Chen didn't need to tell her, she probably wouldn't be back anytime soon either.

"Then let's just go straight away" Ye Chen said to Shui Yixian.

Ye Chen took Shui Yixian to a beautiful place, they walked around and enjoyed various beautiful things.

"This place is so beautiful, there are so many beautiful creatures" Shui Yixian said to Ye Chen.

Ye Chen took Shui Yixian to a star with a view that was so beautiful and so refreshing for the mind, this was a star that was so beautiful and so good for relaxation. Ye Chen had heard from Zhao Yanyan that this was Shui Yixian's favourite place.

Because of this, Ye Chen went to this place and made Shui Yixian remember her favorite place.

"What do you think of this place?" Ye Chen asked Shui Yixian.

"It's very pretty, a place that refreshes and makes the heart about" Shui Yixian answered Ye Chen.

"I'm quite happy that you said so, this is one of the places you like" Ye Chen said to Shui Yixian.

Shui Yixian looked at Ye Chen.

"I see. I like this place," Shui Yixian said to Ye Chen.

Shui Yixian likes this place, this place is indeed beautiful and quite memorable for Shui Yixian.

Ye Chen and Shui Yixian looked for a better place to see the scenery, they went to the top of the hill so they could see everything.

"There's no one here?" Shui Yixian asked Ye Chen.

Shui Yixian had not seen anyone around this place, the place in front was too quiet.

"There are no people here" Ye Chen told Shui Yixian.

"Why?" Shui Yixian asked Ye Chen why there were no people in this place.

"It's because this place is private property" Ye Chen told Shui Yixian.

This place was private property, no one would be able to come here.

"I see" Shui Yixian understood, because of that, no one would dare to come or stop by.

Here, they would not be bothered by someone.

Ye Chen, along with Shui Yixian, enjoyed the scenery here it was so good.

Shui Yixian was also playing with some cute creatures, seeing her do this calmed the heart.

Who would have imagined that Shui Yixian would play with cute creatures, he had never seen Shui Yixian do such a thing.

Even Ye Chen could never imagine Shui Yixian doing that kind of thing.

Seeing Shui Yixian like this was so profound for Ye Chen.

Ye Chen had a very good impression, and he quite enjoyed it.

Ye Chen watched from afar, it seemed that no one would disturb Shui Yixian here.

Ye Chen himself was still thinking about the matter that happened before, he had to do something different, that way, Ye Chen would be able to defeat his enemy.

"Ahhh. . ." Just as Ye Chen was thinking, he listened to the shouting of Shui Yixian.

Chapter 3067 Deeper Interaction With Shui Yixian (3)

"What is it?" Ye Chen immediately went to see what happened to Shui Yixian.

Ye Chen came and saw Shui Yixian, when Ye Chen approached Shui Yixian, he found Shui Yixian trapped in the river.

"What are you doing?" Ye Chen asked Shui Yixian.

What did Shui Yixian do to become like that?

"They dragged me away" Shui Yixian told Ye Chen.

Shui Yixian said she was able to become like this because a group of animals dragged Shui Yixian.

"Why didn't you fight them?" Ye Chen asked Shui Yixian.

Why didn't she fight them if that was the case?

With Shui Yixian's current abilities, she could easily take down any of them if they did anything bad.

"It's because I don't want to hurt them," Shui Yixian said, saying she didn't want to hurt them.

"You are too kind to them" Ye Chen said to Shui Yixian.

Shui Yixian was too kind, she didn't even want to hurt people trying to do bad things.

"Let's get out of there," Ye Chen pulled Shui Yixian.

He invited Shui Yixian to get out of the river.

Shui Yixian accepted Ye Chen's helping hand, she got out of the lake.

Ye Chen looked at the clothes that Shui Yixian wear, which were instantly wet by the water.

Shui Yixian didn't protect herself, so her clothes would get wet.

When Shui Yixian's clothes were wet, Ye Chen could see Shui Yixian's beautiful body shape.

"So beautiful" Ye Chen admired Shui Yixian's body shape.

Her body shape was so beautiful Ye Chen became increasingly eager to touch her.

Ye Chen remembered the previous scene, he was not satisfied with what had happened before.

"Why are you looking at me with that kind of gaze?" Shui Yixian asked Ye Chen.

"ehem" Ye Chen coughed lightly, he tried to make his mind clear.

The current Shui Yixian was indeed so tempting, although Ye Chen must not be caught off guard by the temptation that occurred.

Ye Chen helped Shui Yixian dry the clothes after drying the clothes owned by Shui Yixian.

They returned to playing with the animals and enjoyed picking fresh fruit.

Ye Chen and Shui Yixian enjoyed their time and felt so happy.

Ye Chen also enjoyed it. Seeing Shui Yixian smile was a beautiful thing for Ye Chen.

"Thank you for today," Shui Yixian said to Ye Chen.

Shui Yixian was grateful for what Ye Chen had done.

Ye Chen had made her feel such a pleasant feeling, she liked the feeling Ye Chen gave her.

"I'm happy too, I did this all for you" Ye Chen said to Shui Yixian.

Ye Chen wanted Shui Yixian to return to the way she was before, the expectations Ye Chen had might be high, but even so, he would not give up.

"I understand," Shui Yixian understood, she was so happy with what Ye Chen did.

"Do you want to go home, or shall we spend the night here?" Ye Chen asked Shui Yixian.

"If you don't mind, I want us to spend the night in this place" Shui Yixian wanted to spend the night here.

"I don't mind" Ye Chen didn't mind, in fact he was happy about it.

"Thank you" Shui Yixian liked Ye Chen even more.

Ye Chen was always able to realize Shui Yixian's dreams.

Ye Chen took and made a tent.

After Ye Chen did that, he immediately invited Shui Yixian inside.

"It's big and spacious" Shui Yixian said to Ye Chen.

The tent Ye Chen had was so beautiful and so good.

"Although it looks like a small tent it is quite large, the area is about 20x20M, this is an artifact, so the space outside and inside will be different.

"You are so funny, you are a cultivator, you should know that there are some things like this" Ye Chen said to Shui Yixian.

"But I don't have those things" Shui Yixian didn't have what Ye Chen had.

"Maybe it's because you're not interested in that kind of thing" Ye Chen told Shui Yixian.

Ye Chen felt that Shui Yixian would not be interested in that kind of thing because of that.

"I'm starting to be interested in that kind of thing, I hope you give it to me later," Shui Yixian said to Ye Chen.

"If you ask for it, I will gladly give it to you" Ye Chen said that he would gladly give it to Shui Yixian.

"Thank you so much, I am so happy" Shui Yixian thanked Ye Chen, she was so happy.

"There is nothing to bother about in this matter, let's enjoy the night in this place" Ye Chen said to Shui Yixian.

Shui Yixian and Ye Chen slept inside, they enjoyed the time they had so much.

Ye Chen was telling Shui Yixian many things, and Shui Yixian was listening as best she could.

Ye Chen was telling Shui Yixian what kind of woman she was.

"Am I really that great?" Shui Yixian asked Ye Chen.

She didn't expect that she would be that great.

"Of course, you are a great woman and know all sorts of things," Ye Chen told Shui Yixian.

Shui Yixian had always helped Ye Chen, and this was helpful in every situation. Now that Shui Yixian was in trouble, it was naturally Ye Chen's job to help her recover.

Shui Yixian felt so happy, Ye Chen was too considerate and thought about her.

"Ye Chen, what if I won't be able to remember the past, what will you do?" Shui Yixian asked Ye Chen.

What would Ye Chen do if Shui Yixian couldn't remember the past?

"No matter what, I will accept you, even if you can't remember who you are, I will make you like me" Ye Chen said to Shui Yixian.

Shui Yixian felt so happy that Ye Chen could accept her as she was.

This was the happiest thing for Shui Yixian.

After chatting, they went outside to see the beautiful night sky.

In addition to having such a beautiful and interesting view, this place had a beautiful array of stars.

"It's beautiful, isn't it?" Ye Chen said to Shui Yixian.

"Um, it's beautiful, the world is so beautiful," Shui Yixian said to Ye Chen.

Shui Yixian admitted that it was indeed beautiful, she admired what was in front of her.

"Do you know what's more beautiful?" Ye Chen said to Shui Yixian.

"What is it?" Shui Yixian asked, she wanted to know what was more gorgeous than this place.

"That is you" Ye Chen told Shui Yixian.

Ye Chen told her that Shui Yixian was the most beautiful that Ye Chen had.

The face of Shui Yixian turned red, and Ye Chen's words were so clear, that he told her that Shui Yixian was very beautiful.

"You have quite sweet words, what did you eat that you can make such words?" Shui Yixian asked Ye Chen.

"The same food you normally eat, what else," Ye Chen told Shui Yixian.

"That's a lie," Shui Yixian told Ye Chen.

She told Ye Chen that she was lying about this matter.

"You know" Ye Chen said to Shui Yixian.

"There must have been many women who accepted that" Shui Yixian said to Ye Chen.

Shui Yixian realized that many women were already listening to Ye Chen's words.

"I meant what I said, you are such a beautiful woman" Ye Chen said to Shui Yixian.

Chapter 3068 Deeper Interaction With Shui Yixian (4)

"You," Shui Yixian blushed, unable to resist Ye Chen's teasing.

"Yixian" Ye Chen called Shui Yixian's name.

Shui Yixian felt a little strange when Ye Chen called her that way, it was a very strange and unreasonable feeling.

"How are you doing" Ye Chen asked Shui Yixian.

"Feeling a little strange, but I'm fine" Shui Yixian told Ye Chen.

Shui Yixian felt fine.

"Are you sure, your face is a little red" Ye Chen said to Shui Yixian.

"No, you must have seen it wrong" Shui Yixian tried to hide it from Ye Chen.

"You won't be able to hide this from me" Ye Chen said to Shui Yixian.

"Uhhh. . ." Shui Yixian felt very embarrassed, she wanted to hide from Ye Chen, being seen by Ye Chen in this way was very embarrassing for Shui Yixian.

Ye Chen held Shui Yixian while Ye Chen was doing this, Shui Yixian felt such a strong feeling from Ye Chen.

This feeling was so strong that it made Shui Yixian unable to bear it.

"Ye Chen, you, every time you touch me, I feel such a strange feeling" Shui Yixian said to Ye Chen.

Every time Ye Chen touched her, she would feel a strange and uncomfortable feeling.

This feeling was so strong and made Shui Yixian helpless.

"What kind of feeling do you mean?" Ye Chen said to Shui Yixian.

"This feeling?" Shui Yixian seemed to be embarrassed to admit this, she was shy in answering the question given by Ye Chen.

"Yixian, I told you already, we are a couple, why aren't you more honest and open with me" Ye Chen said to Shui Yixian.

Ye Chen hoped that if Shui Yixian were more honest with him, it would make Ye Chen more happy.

Shui Yixian also felt the same way, she was not honest with Ye Chen, she should be more honest with Ye Chen.

"This is strange and feels too good, every time you touch me, the feeling is so strong" Shui Yixian said to Ye Chen.

Shui Yixian felt such a strange feeling when Ye Chen touched her.

"That's a normal reaction, you don't need to hold back on the matter" Ye Chen said to Shui Yixian.

"But... ." Shui Yixian tried to speak to Ye Chen.

It's a pity that Ye Chen didn't listen to what Ye Chen said and he continued anyway.

Ye Chen made Shui Yixian comfortable, she again felt happiness from Ye Chen.

Shui Yixian told Ye Chen not to do that.

The more Shui Yixian forbade Ye Chen, the more Ye Chen wanted to do it.

He continued to enjoy holding Shui Yixian's two double peaks.

Shui Yixian's size had already grown quite a bit, it seemed like this was because she was doing Dual Cultivation with Ye Chen, and her size had become even more tempting and seemed firmer.

If Ye Chen continued to do this to Shui Yixian.

Shui Yixian will not be able to hold on, she is already at the threshold and will soon reach her limit.

Ye Chen squeezed hard, and when Ye Chen did so, Shui Yixian immediately reached the peak.

"Ahhhh . . ." Shui Yixian cried out, she felt such good comfort from Ye Chen.

"That was too strong, I can't think straight" Shui Yixian told her that she couldn't think straight anymore, the pleasure Ye Chen gave her was indeed too strong for Shui Yixian.

Shui Yixian was lying in Ye Chen's arms, her body really looked so seductive, and her breathing was chaotic because of what Ye Chen was doing.

"I see, you are becoming more and more sensitive, I will make you remember my power" Ye Chen would try to make Shui Yixian remember.

Ye Chen started to hug Shui Yixian, he kissed Shui Yixian back.

Shui Yixian received a kiss from Ye Chen, she was so happy with the kiss given by Ye Chen.

"This is really good, I like the kiss you gave me" Shui Yixian said to Ye Chen.

Shui Yixian was happy with the kiss given by Ye Chen, she wanted to continue being kissed by Ye Chen.

"You really like kisses" Ye Chen said to Shui Yixian.

"It's fun and feels very sweet" Shui Yixian told Ye Chen.

Shui Yixian became more honest with Ye Chen, she wanted to be taught more by Ye Chen.

Ye Chen had made Shui Yixian think perverted thoughts, whether this would work or not, Ye Chen was quite hopeful that Shui Yixian would remember.

Shui Yixian felt something touching her, she saw that it was from under Ye Chen's body.

"What is this?" Shui Yixian asked Ye Chen.

Ye Chen smiled, he told her what he had down there.

Shui Yixian blushed when she heard this, despite losing her memory, she still knew about this kind of thing.

"Are you alright?" Shui Yixian asked Ye Chen.

Shui Yixian began to worry about Ye Chen's condition, it was possible that Ye Chen felt pain from this.

"It's a little uncomfortable for me, please help" Ye Chen said to Shui Yixian.

"Then I will start helping you" Shui Yixian understood, she would help Ye Chen.

Chapter 3069 Deeper Interaction With Shui Yixian (5)

Shui Yixian decided to take the initiative.

Ye Chen was happy and let Shui Yixian do that to him.

Shui Yixian immediately looked at Ye Chen's.

Ye Chen had already seen Shui Yixian's, so this was a fair thing for Shui Yixian.

When Shui Yixian opened Ye Chen's pants, she saw something that surprised her.

"Huh? ? ? ?" Shui Yixian was surprised to see it, she didn't remember Ye Chen's, and because of that, she was quite surprised when she saw Ye Chen's.

"This is really big," Shui Yixian said in her heart.

It was true what Shui Yixian thought, Ye Chen had such a big and powerful thing.

Shui Yixian thought that Ye Chen would have something ordinary down below, who would have thought that he would have such a thing?

"This?" Shui Yixian asked Ye Chen.

"Are you afraid?" Ye Chen said to Shui Yixian.

"Little one, why do you have something that big, it looks like it's going to explode," Shui Yixian said.

"Isn't this because of you?" Ye Chen said to Shui Yixian.

This was all Shui Yixian's fault if it wasn't for the temptation given by Shui Yixian.

Then, this wouldn't be what it is today.

"Who teased you, wasn't it the other way around?" Shui Yixian said.

Shui Yixian felt that Ye Chen was trying to twist the facts.

Shui Yixian felt that Ye Chen was the one who had teased her from the beginning.

"Hehehe" Ye Chen chuckled, he knew that he was the one who initially teased Shui Yixian.

"You really are a bad guy" Shui Yixian said to Ye Chen.

"I can't help it" Ye Chen said to Shui Yixian.

He couldn't resist when he saw Shui Yixian being so seductive.

"Am I that tempting to you?" Shui Yixian asked Ye Chen.

"You're still asking," Ye Chen said to Shui Yixian.

Still asking about the matter, Shui Yixian was certainly so tempting.

Even though she didn't do anything, she was such a seductive woman.

"You make you embarrassed" Shui Yixian said to Ye Chen.

What Ye Chen said made Shui Yixian feel so embarrassed.

"I know you're serious, I really feel comfortable with what you're doing, but honestly, it's still not enough" Ye Chen said to Shui Yixian.

Shui Yixian understood it seemed that Ye Chen was indeed strong and ordinary means would not be easy to make Ye Chen come out.

"What should we do then?" Shui Yixian asked Ye Chen.

As a partner, Shui Yixian asked Ye Chen, if she wanted to know what to do right now.

"let's do it, the relationship between the couple," Ye Chen whispered.

Ye Chen wanted to do it, and he wanted to be with Shui Yixian.

"um, I just agree" Shui Yixian agreed, she also wanted to do it with Ye Chen.

After Shui Yixian agreed with what to do next, Ye Chen reached out and took off some of Shui Yixian's clothes.

Ye Chen didn't want to take everything off, he wanted to make Shui Yixian more tempting by putting on some extra clothes.

"You are really beautiful" The beautiful body that was so sexy and seductive was in front of Ye Chen, a sight that was so attractive to Ye Chen.

Ye Chen touched wholeheartedly, he showed his love for Shui Yixian.

"ahhh. . " the touch felt by Shui Yixian was so delicious, and she was so wet.

"Ye Chen" Shui Yixian said to Ye Chen.

Shui Yixian couldn't stand what Ye Chen was doing.

What Ye Chen was doing was too comfortable.

"You've made me comfortable, now it's my turn" Ye Chen touched Shui Yixian's private place.

He explored the ground and made Shui Yixian feel such great pleasure.

"ahhh. ., no, don't do that" Shui Yixian could not stand it.

She was unable to endure the intense feeling that was felt because of Ye Chen's hand.

Ye Chen's hand was so skillful, and it ruffled Shui Yixian.

Shui Yixian finally reached the peak, but Ye Chen limped her.

This was much more comfortable and delicious compared to before.

"I like this." Shui Yixian liked it, she liked what Ye Chen was doing.

"You seem to be ready, so let's start," Ye Chen said to Shui Yixian.

Shui Yixian seemed to be ready so that Ye Chen wouldn't hold back anymore.

"What are you going to do?" Shui Yixian asked Ye Chen.

What Ye Chen would try to do.

"I will make you feel comfortable, are you ready?" Ye Chen asked Shui Yixian.

"I want more comfortable feelings from you" Shui Yixian said to Ye Chen, she wanted more and more comfortable feelings from Ye Chen.

Chapter 3070 Deeper Interaction With Shui Yixian (6)

"Then let's get started" Ye Chen said to Shui Yixian.

Ye Chen wanted to start doing it with Shui Yixian.

Ye Chen carried Shui Yixian, and he started to position to make Shui Yixian comfortable.

"How about this position? Do you feel comfortable with this position" Ye Chen asked Shui Yixian.

"Um, it feels very comfortable ?" Shui Yixian told Ye Chen.

She told him the current position was comfortable and that Shui Yixian enjoyed it.

"I'll start" Ye Chen said back to Shui Yixian.

Ye Chen told her that he was ready.

Shui Yixian was already prepared to receive Ye Chen.

It might be painful, but Shui Yixian was prepared.

Ye Chen entered, and he used his large object to break in.

"Ahhh. . ." Shui Yixian groaned slightly as she felt something big and made herself feel full, a feeling that was so strong.

"How is it, isn't it comfortable?" Ye Chen said to Shui Yixian.

Ye Chen was sure that this feeling was very comfortable for Shui Yixian.

"It hurts a little, you're too strong" Shui Yixian told Ye Chen.

Shui Yixian told Ye Chen that if Ye Chen were too strong, she would not be able to endure.

"You've done it before and survived, so everything will be fine," Ye Chen said.

"But this is very difficult" Shui Yixian told Ye Chen.

Shui Yixian told him that it was a little difficult, Ye Chen's was so big, and she seemed to have trouble holding it in.

"You will soon get used to this" Ye Chen told her.

Shui Yixian tried to get used to it, she hoped to be able to familiarize herself with Ye Chen's.

After some time, she started getting used to it, and it was so much fun.

When Ye Chen's thing hit Shui Yixian's flower core, Shui Yixian would feel so incredible, as if the pleasures of this world were gathered together in her body.

Shui Yixian's originally calm voice began to grow louder and more obscene.

She couldn't hold back anymore and let out everything she had bottled up.

The pleasure of Ye Chen's large object made Shui Yixian show who she was, she showed a side that would never be shown to others.

A thing that is so seductive and pleasant.

"Ahhh, this is so comfortable" Shui Yixian spoke, she felt this was so comfortable.

Shui Yixian had never known and never felt this way, this was the first time for Shui Yixian.

Shui Yixian was so seductive Ye Chen accelerated his movements and made the pleasure Shui Yixian had become even stronger.

"You're too fast, I won't be able to hold on" Shui Yixian said to Ye Chen.

Shui Yixian would not be able to endure, Ye Chen was too fast in treating Shui Yixian.

"Are you happy? You must be very happy," Ye Chen said to Shui Yixian.

Shui Yixian must be happy, Ye Chen could feel when Shui Yixian clamped Ye Chen's quite tightly, it made the pleasure even better.

"Ahhh, please wait a moment, I can't hold on, my head," Shui Yixian said to Ye Chen.

This was too strong, Ye Chen showed no weakness when fighting against Shui Yixian.

He showed all the techniques and the ability to make Shui Yixian comfortable.

Shui Yixian wouldn't be able to last long if Ye Chen continued to do so.

He finally reached the limit and got such great pleasure.

"Ahhh, that was great" Shui Yixian said to Ye Chen.

"This is not enough, I can still do more" Ye Chen still had various ways to make Shui Yixian feel comfortable.

"Ahhh, crazy, you're really strong, I'm about to fall" Shui Yixian said to Ye Chen.

Shui Yixian wouldn't be able to hold on, she would fall if she continued like this.

Ye Chen was also so strong that he didn't hold back and brought out his strength to fight Shui Yixian.

Since Shui Yixian was not a beginner, Ye Chen didn't want to hold back, he used all the ability to make Shui Yixian feel satisfied.

Ye Chen took Shui Yixian through various moves, he wanted to show Shui Yixian the fun that could be had.

Shui Yixian enjoyed it so much, she enjoyed everything so well.

Until finally, she lay down on Ye Chen's body.

And took the position on top.

"Is this alright?" Shui Yixian asked Ye Chen.

Shui Yixian was already quite tired, and now she was on top and leading the fight.

"It's okay" Ye Chen said to Shui Yixian.

"Women like this position" Ye Chen told Shui Yixian.

So he asked Shui Yixian to try it, too.

"I'll try it" After hearing that it would feel comfortable, Shui Yixian finally wanted to do it.

Shui Yixian started moving up and down, she did it smoothly and slowly.

She felt a little confused at first, but in her current position, she could get the pleasure she wanted, that was because she could control the movements quite well.

"This is very good" Shui Yixian was very happy, she felt much more relaxed in this current position.

It wasn't strange that Ye Chen said that this was a position favored by women, it was fun.

With that, Shui Yixian began to take the lead, she began to show her skills.

Shui Yixian enjoyed and saw Shui Yixian's beauty, the beautiful woman in front of her was trying quite hard to make Ye Chen comfortable.

From Ye Chen's current position, he could easily see Shui Yixian more clearly.

The seductive body of Shui Yixian was so comfortable to look at.

The two double peaks would bounce beautifully, especially when Shui Yixian moved up and down.

Ye Chen reached out, naturally wanting to touch her with his hand.

"You squeeze it" Shui Yixian said to Ye Chen.

Ye Chen squeezed it and gave Shui Yixian an overwhelming sense of pleasure.

"I want to touch it, these two things are so round and beautiful" Ye Chen said to Shui Yixian.

Ye Chen was so happy about this, he helped Shui Yixian get double pleasure.

"I will make you feel my power" Shui Yixian decided to show Ye Chen the power she had.

She moved faster and faster, movements that were so powerful that they put Ye Chen on the spot.

Ye Chen didn't imagine that Shui Yixian would be able to put up a fight.

"Very good, this is getting more and more interesting" Ye Chen was intrigued when he saw what Shui Yixian was doing.

This would become even more interesting for Ye Chen.

Ye Chen let Shui Yixian show all her abilities and strength.

Shui Yixian was an expert, doing this was not a problem for Shui Yixian.

Shui Yixian got used to it and became so active that she squeezed Ye Chen tighter.

Every time Shui Yixian did so, she would find that Ye Chen would become harder and harder.

And wanting to do so was very comfortable for Shui Yixian.

Shui Yixian was doing so well Ye Chen finally reached his limit.

Ye Chen wanted more pleasure, he helped Shui Yixian to speed up her movements.

"kyahhh. . " Shui Yixian was surprised by what Shui Yixian did.

"I've reached the limit," Ye Chen told Shui Yixian.

"Me too." Shui Yixian felt the same way as Ye Chen.

"Ahhh. ." Ye Chen finally vented, and Shui Yixian did as well.

The two were silent for a while, Ye Chen made Shui Yixian full of pure Yang Qi.

Shui Yixian was tired, she fell and was unconscious, it seemed like she had reached the limit of pleasure.
