

True God 3091

Chapter 3091 not grateful after being helped

"they're trying to fight the floor boss?" Ye Chen saw what the people from the Resurrection Stone Sect were doing.

He kept an eye on what they were doing now, this group was pretty good among the others.

"They seem to be trying to find a gap" Fu Lanling saw that they didn't want to fight, so they tried to find a gap leading to the fifth floor.

"as I thought, we can pass the boss" Fu Lanling had expected this, they could pass the floor boss.

"But what's the point of going through it, it will only add to the problem because it's very difficult to make a gap, the floor boss this time is a big frog with deadly poison."

Ye Chen didn't help immediately, he saw what they could do and wanted to see the poison frog's abilities.

"Let's find out what poison frogs can do" as long as they can get information, it will make it easier for them to face the enemy.

"Um. . . ." Fu Lanling and Cheng Mengyan understood, both of them watched from afar.

"All of you, quickly restrain that monster" Yong Kon told his friends to restrain the poison frog.

All of them from the Resurrection Stone Sect started to work together, and they showed the best abilities and strengths they had.

The cooperation of the Resurrection Stone Sect was good, they had a very strong earth technique in defence and confining their enemies.

They could advance by using defenses and techniques to seal the enemy's movement.

They could sneak in immediately if they could seal off the enemy's attacks for some time.

They created an absolute defense to survive, meanwhile they also used a sealing technique on the poison frog's legs so that the frog couldn't move.

Their method can be said to be very clever and intelligent, they know what they have to do.

"Good, everything is done, let's go in, it can hold it for about 20 seconds" Yong Kon said to his friends, he told them all to go inside immediately.

After they listened to the instructions given by Yong Kon, they just went inside without much thought.

They passed the poison frogs and could easily reach the fifth floor.

While they were so happy because they could get past the monster, they didn't realize that the poisonous frog had been free and attacked them all.

"Boom. . ." a large and super strong explosion occurred, the explosion was very strong and there was poison in it.

"Damn it" Yong Kon cursed, he didn't expect that the frog could escape in just 10 seconds, beyond Yong Kon's expectations.

Say the poison just attacks Yong Kon and the others, they don't have a chance to avoid the attack.

"die all of you" the poisonous frog intends to spray the deadliest poison.

"they don't know their limits, " Cheng Mengyan told Ye Chen.

"That's true, we should help them" Ye Chen said to Cheng Mengyan.

"help them, why, after what they did?" said Cheng Mengyan.

"They might be like that, but we have to help them" Ye Chen said to Cheng Mengyan.

Ye Chen knew what Cheng Mengyan was thinking, she would be reluctant to help people who had looked down on them.

"He's right, we have to help them" Fu Lanling agreed with Ye Chen, they had to help too.

"I understand" Cheng Mengyan understood, she also had to help and forget what happened.

"let's finish this quickly" Ye Chen said to the two.

They had already observed the fight, and knew the power of the poisonous word.

"let's start" Ye Chen said to Cheng Mengyan and Fu Lanling.

They started it and began to show the power they had.

"Frost Nova" Ye Chen's used a freezing technique, he froze the poison and the frog's body.

What Ye Chen did was very effective, it made the frog unable to move.

After Ye Chen froze the frog, Fu Lanling and Cheng Mengyan launched the final attack and immediately killed the frog.

The frog was killed by both of them and turned into pieces.

The battle ended so quickly without any resistance, Ye Chen and Cheng Mengyan and Fu Lanling won so easily.

The people from the Resurrection Stone Sect were silent when they saw what Ye Chen, Cheng Mengyan and Fu Lanling were doing, they were speechless after seeing what happened.

"You better leave this place, this is not a suitable place for you" Cheng Mengyan said to the Resurrection Stone Sect group.

Even though he was willing to help, it didn't mean Cheng Mengyan was willing to cooperate.

"This is none of your business and we are not asking you for help," Yong Kon said to Cheng Mengyan.

"Are you saying, after I helped you, and this is what you guys gave me, it annoyed me?" Cheng Mengyan was annoyed because she had helped them, but she should have just let them die.

"We can take care of it ourselves, we won't thank you guys" The group from the Resurrection Stone Sect didn't want to thank Ye Chen.

That's because they can solve this problem in their way.

Fu Lanling raised an eyebrow, even though they had helped and this was in return, it was enough to make Fu Lanling annoyed for helping them.

"That's enough. . ." Ye Chen said to Fu Lanling and Cheng Mengyan.

He tried to get the two to calm down, it seemed like they couldn't be talked to.

"you better go, this is no place for weak people like you" Ye Chen said, he said that this is no place for weak people like them.

Ahead would be many more monsters that were much stronger and more terrifying, they would not be able to defend against such monsters.

"we don't need advice from you and we are much stronger compared to you" everyone didn't accept being saved, they were much stronger compared to Ye Chen's group.

"husband, they" Cheng Mengyan said to Ye Chen, after saving them, this was his reply, it made Cheng Mengyan even more annoyed.

Ye Chen just shook his head, it seemed like they no longer needed to talk to the Resurrection Stone Sect.

They left, and they didn't even say thanks to Ye Chen, Fu Lanling, and Cheng Mengyan.

"What annoying people," said Cheng Mengyan.

Honestly, Cheng Mengyan was quite annoyed with all of them.

"We have given them a warning, if they don't want to listen, then forget it" Ye Chen said to Cheng Mengyan.

"It seems like next time we shouldn't help them again" Fu Lanling was also not very happy about this matter.

"You are right, we will let them" Ye Chen said to Fu Lanling.

Next, there will be no more help for them.

Ye Chen searched for the third chest, they would probably find it.

Ye Chen and Cheng Mengyan and Fu Lanling tried to find it, after searching for some time, they finally found it.

"Okay, I found it." The third chest was still the same, it contained another knife, I wonder what this object was used for.

This is still a mystery for the three of them.

"next is the fifth floor" they finally arrived at the fifth floor, the fifth floor was full of trees and grass that were so tall and big.

Chapter 3092 Journey On The Sixth Floor

Just looking at it made Ye Chen feel that something was wrong.

Ye Chen used his immense Spirit sense, he finally discovered there were so many monsters around.

"So many, there are millions." Ye Chen saw millions of monsters on the fifth floor and were all in groups.

In such a lively place, there are so many monsters, which means they will often fight monsters on every trip.

Fu Lanling and Cheng Mengyan could also feel it, there were so many monsters it seemed like this would be quite difficult.

"Aren't there quite many of them?" Cheng Mengyan asked Ye Chen.

"That's because this place looks lively, and there's so much food, it's not strange that that happened" said Ye Chen.

Since this place was full of food, it wasn't strange that there were more monsters than on the previous floor.

"Then we have to be more careful in this place?" Fu Lanling said.

"That's not necessary, I will use my abilities to scare them" Ye Chen said to Fu Lanling.

"scare them, what are you going to do?" Fu Lanling wanted to know what Ye Chen would do.

"You will soon know what I will do" Ye Chen said to Fu Lanling.

Soon, Fu Lanling will know what Ye Chen is going to do.

"Azure Domain" Ye Chen opened a domain, immediately, a very strong ancient aura enveloped this place and made all the monsters afraid and hide.

The dragon's roar was so strong that it scared all the monsters around it to death.

The inheritance on Ye Chen's body had already become much stronger, scaring away some small monsters was not a problem.

Ye Chen opened the domain within a few seconds, it seemed like it was enough to make all the monsters afraid of Ye Chen.

Fu Lanling and Cheng Mengyan saw what Ye Chen did, they didn't expect that Ye Chen would do something like that.

"Let's go forward" Ye Chen invited Fu Lanling and Cheng Mengyan.

Because Ye Chen had chased away all the monsters, they could advance so easily without any problems.

No one dared to approach Ye Chen, Fu Lanling, and Cheng Mengyan anymore.

"That succeeded in making the creatures here afraid" Fu Lanling didn't expect Ye Chen to succeed.

"Of course it works" Ye Chen said to Fu Lanling, the Azure Domain will make the monsters and magical beasts afraid and run away.

So Ye Chen could advance without any problems and safely reach the end.

"clang . . ." Ye Chen was listening to something from a distance.

"did you guys listen to it?" Ye Chen asked Fu Lanling and Cheng Mengyan.

"um. . , we listened to it too" Fu Lanling and Cheng Mengyan listened to the sound.

"It looks like someone is fighting" Ye Chen said to Fu Lanling and Cheng Mengyan.

"Maybe it was the people from before," Cheng Mengyan said to Ye Chen.

It must be the group from the awakening stone sect.

"That's right, on this floor, there are only them," Fu Lanling agreed, on the same floor, there was only that group.

"We don't need to see it, just leave them alone" Ye Chen said to Fu Lanling and Cheng Mengyan.

Fu Lanling and Cheng Mengyan agreed with what Ye Chen said, they really didn't need to see it again, and there was no benefit for Fu Lanling and Cheng Mengyan.

Ye Chen Fu Lanling, and Cheng Mengyan continued their journey on the fifth floor.

They finally reached the end and met a huge tree monster.

"A big tree?" this was the last monster they would have to fight.

"It's huge, almost the same size as a mountain," said Fu Lanling.

The size of this monster is very large and almost the same as a mountain, its size is so big that it towers into the sky.

"we will defeat him aren't we" Fu Lanling asked Ye Chen.

"Of course, we will defeat it, this monster is quite big, it's easy to take it down" Ye Chen said to Fu Lanling and Cheng Mengyan.

Because the monster was quite large and strong, they had to use strong attacks to topple it.

Luckily, this big monster is slow and only has strong and damaging attacks.

"Don't get hit by that attack" Ye Chen said to Fu Lanling and Cheng Mengyan.

He told them not to take the attack head-on.

"Understand . ." Fu Lanling and Cheng Mengyan understood they would not take the attack head-on.

"Ying'er" Ye Chen took out the Divine Yin Yang Sword.

"um . . ." Divine Yin Yang Sword appeared, Yin Ying'er would help Ye Chen to destroy the big tree.

Ye Chen swung the Divine Yin Yang Sword, he displayed the great Dao of the sword with a high-level technique.

"Divine Sword Intent" Ye Chen used Divine Sword Intent, with just one light slash, he could split the tree into two parts.

"Roar. ." The tree monster looked so angry and annoyed with Ye Chen, it looked so annoyed with what Ye Chen did.

Even though it had been split into two parts, the monster could still attack Ye Chen.

Ye Chen coated his body with fire to prevent the wood monsters from attacking him directly.

With the protection of the Heavenly Silver Flame, the monster couldn't hurt Ye Chen.

Fu Lanling and Cheng Mengyan destroyed a small part of the tree monster's body and crushed it into several pieces.

With such an attack, the tree monster was destroyed.

Once again, Ye Chen managed to defeat the monster and became the one who conquered the fifth floor.

"much faster than I imagined," Fu Lanling said to Ye Chen.

Fu Lanling didn't expect that it would be faster than before.

"This is because of husband, he used such a great technique and made all the monsters run away, you have to use it often," Cheng Mengyan said to Ye Chen.

she told Ye Chen to use this often.

"Of course, I will often use this." Ye Chen will of course, use this.

Ye Chen got another reward, he got four knives and advanced to the sixth floor, which was a swamp filled with monsters.

The sixth floor was full of monsters, Ye Chen could find the monsters down there.

"they are hiding under" Ye Chen saw him, he was going to paralyze them all.

"I will burn them all," Fu Lanling said to Ye Chen, she told Ye Chen to burn them all.

"Wait a minute" Ye Chen said to Fu Lanling.

Ye Chen immediately stopped what Fu Lanling was doing.

"Is it not allowed?" Fu Lanling asked Ye Chen if Ye Chen wouldn't allow her to do it.

"it's not the time yet" Ye Chen blessed Fu Lanling.

"Not yet time?" Fu Lanling was confused by what Ye Chen said.

"That's true, you have to be more patient" Ye Chen told Fu Lanling.

Ye Chen told Fu Lanling to be more patient and not do that.

"But what about the monster?" Fu Lanling asked Ye Chen.

"Just leave it to me" Ye Chen said to Fu Lanling.

"God's Judgment Lightning" Ye Chen used quite strong lightning, a lightning dragon appeared and hit the puddle.

With just one blow, the lightning spread rapidly, killing all the creatures inside.

"Quite a fast and quite effective way," said Fu Lanling.

Fu Lanling had to admit that Ye Chen had a very effective method.

"Now no one will bother us anymore" Ye Chen said to Fu Lanling and Cheng Mengyan.

Ye Chen had overcome the problem, now nothing would disturb them again.

Chapter 3093 Yong Kon's Plan To Steal From Ye Chen

After Ye Chen destroyed everything, Ye Chen, Cheng Mengyan, and Fu Lanling immediately walked casually, they saw several monsters floating and unconscious.

Floating and unconscious monsters were powerful monsters, those who could survive the impact of Ye Chen's attack were all floating.

Even though the attack launched by Ye Chen did not hit directly, the impact was very strong and very large.

They could immediately advance without obstacles, which Ye Chen did well.

"Lanling" Ye Chen said to Fu Lanling.

"What is it?" Fu Lanling asked Ye Chen what Ye Chen wanted.

"Soon, it will be your turn, you understand what I said before, right?" Ye Chen said to Fu Lanling.

"um . . , I understand." Fu Lanling understood, it seemed like it was time.

"In front of there, there is a giant eel" Ye Chen said to Fu Lanling.

"Ye Chen told Fu Lanling that up ahead, there was a giant eel that was very strong and long.

Monster tersebut sudah menunggu Ye Chen, Fu Lanling dan Cheng Mengyan.

"You really can know everything," Cheng Mengyan said to Ye Chen, Fu Lanling saw that Ye Chen could know everything.

"Not really, I saw it when we came to this place" Ye Chen said to Cheng Mengyan.

"That's why I said you know everything," said Cheng Mengyan.

Ye Chen knew almost everything, he had prepared everything thoroughly and knew what would happen.

"As long as we can find out where the enemy is, you can do it too," Ye Chen told Fu Lanling.

Ye Chen said that Fu Lanling could also do it too.

"I'm not too sure about that matter," Fu Lanling was not too sure about that matter.

"You have to be confident in your abilities," Ye Chen said to Fu Lanling, Ye Chen told Fu Lanling to be confident.

"Okay," Fu Lanling and Cheng Mengyan understood, they would be more confident again.

Once they reached the end, they were immediately attacked.

"Lanling, it's your turn," Ye Chen said to Fu Lanling.

"Um. . ." Fu Lanling understood she used such a big fire attack.

"Phoenix core burning" Fu Lanling created a huge and wide fireball, something so hot that it instantly burned the mud into bricks.

It makes the mud hard and can be stepped on very easily.

The eels that were hiding immediately couldn't move because the mud disappeared.

"Very good, you got it," Ye Chen said to Fu Lanling.

Fu Lanling had obtained it, it was time for her to destroy the eel.

"dead . . ." Fu Lanling attacked the eel, and the eel was burned until nothing remained by Fu Lanling.

"Successfully, we defeated the guards of this place, time to go down to the deepest parts," Ye Chen said to the two.

They succeeded again, they entered the inner floor faster and faster.

Only a few hours later, they finally arrived at the deepest floor.

Ye Chen collected eight knives on the deepest and final floor.

Ye Chen still didn't know what to use the knife for.

The deepest floor was very dark, compared to before, the floor was much darker and difficult to see.

"I can't see it well." Fu Lanling felt that her vision was limited, she couldn't see it.

"how about I help" Ye Chen said to Fu Lanling.

"Husband, please use your power to light," Cheng Mengyan said to Ye Chen.

"Of course," Ye Chen used his light power. Ye Chen illuminated this place using his light power.

Right now, they could all see what kind of place this was.

After Ye Chen used the light, Fu Lanling and Cheng Mengyan saw something terrible.

There were so many monster bones here, probably hundreds of millions, and it seemed some had already turned to dust.

"husband, what kind of place is this" Fu Lanling and Cheng Mengyan asked Ye Chen, they both wanted to know this.

"As you can see now, this is a monster graveyard," Ye Chen said to Fu Lanling and Cheng Mengyan.

"Does that mean we came in vain?" both asked Ye Chen.

Was their arrival in vain?.

"Of course not, why do you think this is in vain?" Ye Chen asked Fu Lanling and Cheng Mengyan.

"But what will we get?" Fu Lanling and Cheng Mengyan asked Ye Chen.

"We will find out about that. You must want to know why so many monsters are buried in this place, right?" Ye Chen said to Fu Lanling and Cheng Mengyan.

"Of course, we also want to know," Fu Lanling and Cheng Mengyan also wanted to know about this.

"This place holds so many stories" Ye Chen said to Fu Lanling and Cheng Mengyan.

Ye Chen said that the place here holds so many stories.

Ye Chen had to know what happened.

"Yuechan," Ye Chen said to Chu Yuechan.

"I understand, I will try to help you" Chu Yuechan knew what Ye Chen wanted, and Chu Yuechan helped Ye Chen look around.

Ye Chen didn't just sit idly by, he also helped along with Fu Lanling and Cheng Mengyan.

Ye Chen walked towards the center, divided by a clear pool.

The pool has crystal-clear water, which is beautiful to look at.

Ye Chen touched it, he wanted to confirm what kind of water was in the pool.

Fu Lanling and Cheng Mengyan saw what Ye Chen was doing, both watched Ye Chen and confirmed it.

"This is just ordinary water" Ye Chen said to Fu Lanling and Cheng Mengyan.

Ye Chen didn't find anything special, this was just ordinary, clear water.

"Just plain water?" Fu Lanling and Cheng Mengyan asked Ye Chen.

"Of course, what do you guys expect?" Ye Chen said to Fu Lanling and Cheng Mengyan.

"I think this is holy water or something," Fu Lanling and Cheng Mengyan said to Ye Chen.

"How is that possible?" Ye Chen smiled when he heard this.

"below there is a path," Ye Chen said to Fu Lanling and Cheng Mengyan.

"There is a way?" Fu Lanling and Cheng Mengyan immediately wanted to know.

"of course, this is the path that leads to the treasure vault, what do you think?" Ye Chen said to Fu Lanling and Cheng Mengyan.

"Why are you still silent? Let's go" both of them said to Ye Chen, they both invited Ye Chen to leave.

"Of course, we will indeed go," Ye Chen agreed to do with the two.

"let's start diving," Ye Chen said to Fu Lanling and Cheng Mengyan.

Ye Chen told the two to start diving.

The two started diving.

They went straight to the treasure section.

Behind them were groups from Yong Kon and the awakening stone sect. They had always been behind Ye Chen.

"This group is still alive, even though they have lost one of their people due to an unexpected incident.

Therefore, they followed Ye Chen and let Ye Chen guide the way for them, they didn't need to bother anymore after following Ye Chen.

"This is our golden opportunity, the three of them should be very tired, we will steal treasure from them"Yong came up with an idea, he wanted to steal the treasure from Ye Chen.

After all, Ye Chen was already weak after the battle, so this was the most appropriate time to do this.

Chapter 3094 A Door With A Woman Inside

from the start, they had followed Ye Chen and waited for this momentum.

Honestly, this group is a little shameless, they do such shameless things.

"Let's go," Yong Kon invited everyone to chase Ye Chen.

he wanted to snatch it from Ye Chen immediately and couldn't wait for such a good gift.

They entered the pool just as Ye Chen did.

They didn't know that the pool held something that would make them regret it.

.

.

He advanced with Fu Lanling and Cheng Mengyan on Ye Chen's side.

They advanced and immediately reached the bottom.

The deeper this place, the water temperature started to get colder, if Fu Lanling and Cheng Mengyan hadn't gotten protection from Ye Chen, they would be very cold and wouldn't be able to survive in this place for a long time.

In this place, several stones emit a cool blue light, which they can use as lighting.

"It's quite beautiful." Fu Lanling and Cheng Mengyan looked around, and both of them felt that this place was very beautiful.

"I expected that you would talk like that, this place is indeed beautiful," Ye Chen said to Fu Lanling and Cheng Mengyan.

"little husband, is it still far away?" Fu Lanling asked Ye Chen.

"Not bad. You two can relax a bit, but it will take some more time," Ye Chen said to Fu Lanling and Cheng Mengyan.

This is quite deep, and they must continue diving for about 30 minutes.

After 30 minutes, they were welcomed to a place submerged in water. Even though this place was submerged in water, this place was full of hidden treasures.

Piles of profound crystals, weapons, and medicinal herbs were scattered around this place. It was "a mountain of treasures." Fu Lanling and Cheng Mengyan were amazed when they saw what was before them.

It was such a big mountain of treasures, and they found treasures.

"master" Chu Yuechan said to Ye Chen.

"What's wrong, have you found anything?" Ye Chen asked Chu Yuechan.

It seemed that Chu Yuechan had found something that made her decide to tell Ye Chen.

"I have indeed found something" Chu Yuechan said to Ye Chen.

"What did you find?" Ye Chen asked Chu Yuechan.

"an item that makes all monsters fight" Chu Yuechan said to Ye Chen.

Chu Yuechan told him, she had found an object that made monsters fight.

"What kind of thing has made so many monsters kill each other" Ye Chen asked Chu Yuechan.

"that thing is a flute," Chu Yuechan said to Ye Chen.

"A flute?" Ye Chen asked Chu Yuechan.

"That's true, I felt an object that exuded a very strong aura of dominance," said Chu Yuechan.

"Is that a special flute that can make other monsters submit?" Ye Chen asked Chu Yuechan.

"That might indeed happen," Chu Yuechan said to Ye Chen.

A flute that could control monsters, it was an item that could allow one to control all the monsters in this world.

"It's not strange that there was such a great battle in this place" Ye Chen now understood why there was such a great battle in this kind of place.

It turns out that is the reason, all the monsters fight to get it.

"Then what's the use of the knife we got?" Ye Chen asked Chu Yuechan.

Ye Chen still doesn't understand what the use of this knife is.

"I don't know about that either." Chu Yuechan herself also didn't know about this matter.

"Even you don't know about this," Ye Chen said helplessly.

If Chu Yuechan didn't know, it was pretty difficult to find out.

"I'm curious about this" Ye Chen became curious about this and felt that he had to find out about this

Fu Lanling and Cheng Mengyan had left first, they collected what they thought was good and usable.

"What are you doing??" Ye Chen asked Fu Lanling and Cheng Mengyan.

"we are collecting important items," Fu Lanling and Cheng Mengyan told Ye Chen.

They both found interesting things, so it's not strange that they did this.

"So that's how it is" Ye Chen understood, the two of them did that.

"don't you try to find something good" Both of them asked Ye Chen, did Ye Chen find anything good here?

"What a coincidence I found something interesting" Ye Chen said to Fu Lanling and Cheng Mengyan.

"What did you find?" Fu Lanling and Cheng Mengyan asked Ye Chen what Ye Chen had discovered.

"Something quite interesting, the thing that has made this place what it is now" Ye Chen said to Fu Lanling and Cheng Mengyan.

Ye Chen told Fu Lanling and Cheng Mengyan that he found something quite interesting

"I found a flute which might be the root of the problem here," Ye Chen said to Fu Lanling and Cheng Mengyan.

"flute, is that an artifact?" Cheng Mengyan asked Ye Chen.

"of course, it is an artifact," Ye Chen said to Cheng Mengyan.

"But I don't know what the effect of this will be," Ye Chen said to Fu Lanling and Cheng Mengyan.

"Then we have to look for it and see what kind of effect it has," Fu Lanling said to Ye Chen, she wanted to know the effect of this thing.

To turn this place into a ruined city, that thing would be extremely powerful.

"It would be very useful if we could get it" Ye Chen said to the two.

Ye Chen went to the place Chu Yuechan said, after Ye Chen knew the place, he just started.

Ye Chen saw a door, that was probably what Chu Yuechan said.

"Yuechan, could that be?" Ye Chen asked Chu Yuechan.

"um, that's it" Chu Yuechan said to Ye Chen, she told Ye Chen that that was the place.

"Then let's start" Ye Chen tried to open it, Ye Chen used full strength and tried to force it open.

Using such a powerful and great force, Ye Chen still couldn't open it, it was clear that this was very difficult to open.

"Husband, what about the knife we got earlier?" Cheng Mengyan said to Ye Chen.

"I didn't find a hole, I don't think it's this" Ye Chen said to Cheng Mengyan.

Ye Chen didn't find a hole, which means it wasn't used to open the gate.

"Then what's the use of that" made Fu Lanling and Cheng Mengyan curious, what was the use of the knife they had found so far?

While Ye Chen, Fu Lanling, and Cheng Mengyan were thinking, the door suddenly opened.

A figure appeared before Ye Chen, a woman with black hair and a pale face.

The woman was using something, she was holding a small flute.

"what's that?" Fu Lanling and Cheng Mengyan looked at it, they saw the flute.

"That seems to be what Yuechan said," Ye Chen said to Fu Lanling and Cheng Mengyan.

"But who is that woman?" Cheng Mengyan wanted to know who the woman was, she had never seen her.

"I don't know much about this matter myself, what I know is that this woman exudes a dangerous aura," Ye Chen said to Cheng Mengyan.

"dangerous?" Cheng Mengyan and Fu Lanling couldn't help but feel it.

"Yuechan, you felt it too, didn't you?" Ye Chen said to Chu Yuechan.

"It's quite thin, because there is a crystal holding it, even so, I'm very sure that it's quite dangerous," Chu Yuechan said to Ye Chen.

Chu Yuechan could also feel it, she could also feel that the woman inside was very dangerous.

Chapter 3095 a woman with such an evil aura

"The flute is in the woman's hand, what should we do now?" Fu Lanling said to Ye Chen.

"We have to destroy that thing, don't we?" Cheng Mengyan said to Ye Chen.

"no, don't do that, that woman is quite terrible, I don't like it" Ye Chen said to Fu Lanling and Cheng Mengyan.

"Eh? ?" Fu Lanling and Cheng Mengyan were shocked when they heard what Ye Chen said.

"Husband, there is a beautiful woman in front of you. Are you not interested?" Cheng Mengyan told Ye Chen that a woman was beautiful in front, not inferior to Fu Lanling and Cheng Mengyan.

"That's not that problem" Ye Chen said to Cheng Mengyan.

"So what?" Fu Lanling asked Ye Chen why Ye Chen did this.

"I'll be honest with you, this woman exudes a very evil aura, there must be a reasonable reason why she was sealed like that" Ye Chen said to Fu Lanling.

"So that's what made this woman locked up" Cheng Mengyan nodded, it seemed like she was starting to understand a little about what happened.

"we will take the flute first" Ye Chen said that he would take the flute.

"but, how did you do it, that's quite a powerful ancient seal" Fu Lanling asked Ye Chen.

The ancient seal was quite strong and challenging to break through, if they forced it, they might break it.

"To be honest, we don't have to do it" Ye Chen said to Cheng Mengyan and Fu Lanling.

"how do you take it without destroying it" They both wanted to know what Ye Chen would do.

"Perfect Steal" Ye Chen uses Perfect Steal, by using Perfect Steal, he can carry the flute without any problems.

"Eh? ?" Fu Lanling and Cheng Mengyan were shocked when they saw what Ye Chen did.

"Can you take something like that?" Fu Lanling and Cheng Mengyan were surprised by what Ye Chen could do.

"How?" Ye Chen said to Fu Lanling and Cheng Mengyan.

"Can you take all the things with that thing?" Cheng Mengyan asked Ye Chen.

"of course, I can take everything, even if it's what you wear" Ye Chen said to Cheng Mengyan.

Cheng Mengyan immediately covered her body, she knew what Ye Chen was thinking.

"Husband, you are a pervert" Cheng Mengyan said to Ye Chen.

What Ye Chen said was so perverted.

"Hehehehe" Ye Chen just laughed when he heard this.

Cheng Mengyan suddenly came closer and whispered to Ye Chen.

"but I don't mind if it's you" Cheng Mengyan said to Ye Chen.

she said words that were bold and filled with provocation.

Ye Chen smiled when he heard this, Ye Chen already knew about Cheng Mengyan.

Sometimes, Cheng Mengyan teases Ye Chen in her ways.

"You're starting to be naughty" Ye Chen said to Cheng Mengyan.

"Fufufufufu," Cheng Mengyan smiled at Ye Chen, and she enjoyed the reaction shown by Ye Chen.

"You two, stop doing that kind of thing," Fu Lanling said to Ye Chen and Cheng Mengyan.

it seemed she was jealous of what Ye Chen and Cheng Mengyan were doing.

"we will stop, it looks like we have made sister Lanling angry," Cheng Mengyan said to Ye Chen.

It seemed like what they did somewhere made Fu Lanling angry.

"I'm not angry," Fu Lanling said, not angry with what the two did.

"there, destroy," the group from Yong Kon finally arrived.

They destroyed the existing seal.

"stupid, what are you guys trying to do" Ye Chen stopped what they were doing, they were making a mistake.

"Move, this woman is ours, she is the greatest weapon in this place," Yong Kon said to Ye Chen.

Yong Kon was alone, there was no one else to accompany Yong Kon, that was because they were unable and not strong enough to dive into the cold pool, so they went up and let Yong Kon go down alone.

Yong Kon didn't want to go back and continued, finally, he reached the end and immediately took everything, he even wanted the woman to be sealed.

Yong Kon's attack was quite extensive, and only part of it could be withstood by Ye Chen, some of the attacks leaked and made the crystal crack.

"Crack . . ." A crack so small appeared it began to widen and become wider.

"Husband . . ." Fu Lanling and Cheng Mengyan said to Ye Chen.

"It looks like it's going to get worse," Ye Chen said to Fu Lanling and Cheng Mengyan.

"Cracked" finally broke, and an evil aura of killing intent spread.

"This aura. . ." This aura is terrifying, similar to Shen Niang when she had demon powers.

"no, it's much worse, it's much darker." Ye Chen found that this was much darker.

It feels like people full of evil that exist in this world, people who may be very evil and full of carnage.

"is this a slaughter demon?" Ye Chen didn't know who this woman was and why she ended up in a seal like that.

"Rumble" This place is shaking and will collapse.

"We have to go" Ye Chen said to Fu Lanling and Cheng Mengyan.

"Should we go, what about the treasure?" Fu Lanling asked Ye Chen.

"It's not that important, I've taken some, we'll leave first, this place might not be safe, I don't want to be buried" Ye Chen said to Fu Lanling and Cheng Mengyan.

Ye Chen chose to ignore treasures, treasures could be searched for, their safety was more important.

Fu Lanling and Cheng Mengyan understood Ye Chen prioritized their safety, this proved that Ye Chen cared more about them than wealth.

Ye Chen ignored Yong Kon and chose to leave the place.

Yong Kon saw the woman, this was a weapon that could make him invincible.

"Come here, I will use you," Yong Kon said, saying he would use him.

The woman reached out, and grabbed Yong Kon's neck, and something surprising happened.

"Crack . . ." Yong Kon's neck was broken, the woman didn't even need more strength to break Yong Kon's neck.

Yong Kon's eyes widened, and he finally died on the spot.

He didn't expect that the woman would kill him.

After killing Yong Kon in one move, the woman looked for Ye Chen, her weapon was in Ye Chen's hands, and she had to take it back.

Ye Chen led them out, and as Ye Chen said, the place collapsed.

All the buildings were buried inwards, leaving a fairly deep hole.

Luckily you could move us" Fu Lanling and Cheng Mengyan were lucky, Ye Chen could teleport, which greatly helped.

"don't be happy too quickly" Ye Chen said to Fu Lanling and Cheng Mengyan.

"Is she chasing?" Fu Lanling asked Ye Chen.

"Supposedly, the monster controlling the flute is still in my hands," Ye Chen said to Fu Lanling.

"You are right, she will come" Cheng Mengyan remembered.

The woman's strange object was still in Ye Chen's hands, which meant she would come to take it from Ye Chen.

"whoshhhh. . ." in just a short while, she appeared in front of Ye Chen, Fu Lanling, and Cheng Mengyan.

"It has appeared too fast" Ye Chen, Fu Lanling, and Cheng Mengyan were before the woman.

The woman appeared and immediately released a very evil dark power.

Chapter 3096 Xia Long

"Hand me back my flute," she said to Ye Chen, the woman told Ye Chen to give her something back.

"That won't happen" Ye Chen wouldn't hand it over, if Ye Chen handed it over, maybe more people would die.

"Then die" the woman in front attacked Ye Chen using the power of death, just like what happened before.

Ye Chen used his hands to block the attack.

"I won't let you," Ye Chen said he wouldn't let this person.

Ye Chen held back the attack from the evil woman.

"You can withstand the breath of death, it's very strange, living creatures should not be able to and will not be able to survive the breath of death" she said to Ye Chen.

"Your attack will not work against me," Ye Chen told the woman before him.

"Then I will use more attacks against you" she used even more attacks to attack Ye Chen.

"boom. . ." thousands of balls of darkness continued to be shot toward Ye Chen, and they rained down on Ye Chen until Ye Chen had difficulty seeing.

Ye Chen endured everything, he protected Fu Lanling and Cheng Mengyan, who were behind.

"You guys, stay behind me," Ye Chen said to Fu Lanling and Cheng Menyan, he told them both to stay behind.

Fu Lanling and Cheng Menyan understood, they stayed behind Ye Chen and took cover on Ye Chen's back.

These attacks were all blocked by Ye Chen, a high-level dark attack that was very deadly.

none of that could penetrate Ye Chen's defense.

"Why can you withstand every attack I have?" she asked Ye Chen.

Those were all super dangerous attacks, ordinary humans would be destroyed easily.

"I have the strength to withstand this attack," Ye Chen answered.

"Anyway, what exactly are you?" Ye Chen asked back.

Ye Chen didn't know what this person was, she looked strange because that was what Ye Chen asked.

"I am Xia Long, or rather the bearer of monsters and curses," Xia Long said to Ye Chen, she told him who she was.

she is the bearer of monsters and curses in this world, every city she visits will be destroyed.

No matter how strong a city was, Xia Long's hands would destroy it and raze it.

"Why would you do such a cruel thing?" Ye Chen asked.

why did this woman want to do such a cruel thing?

"That's none of your business, I just want to do it for fun" she answered Ye Chen's question. him

This woman's reasons were quite unreasonable, she did this for fun, what was a woman like that, Ye Chen couldn't imagine what was in her mind.

"screams and also despair, it is a very enjoyable thing and makes me stronger, I like it when I see someone despair and die"Xia Long said to Ye Chen.

Fu Lanling and Cheng Menyan were speechless when they heard this.

"This woman, she seems crazy" said Fu Lanling.

"She is much crazier than all the cruel women I have ever met." Cheng Mengyan admitted that this woman was crazy.

"Just because of something like that, you want to do that kind of thing, I can't understand" Ye Chen said to Xia Long.

"You won't understand because our thinking is different" she said to Ye Chen.

Xia Long had abnormal thoughts, it wasn't strange that Fu Lanling and Cheng Menyan thought this woman was crazy.

"Quickly hand over the flute I have, and I will let you go" Xia Long said to Ye Chen.

"I don't want to, if I hand over this thing, you will control the monsters to attack us, I'm not stupid," Ye Chen said to Xia Long.

Ye Chen was not stupid, he of course, he knew what she was trying to do..

"So you rejected it, then you have to be prepared for death," she said to Ye Chen.

Xia Long attacked Ye Chen, and she approached Ye Chen intending to kill him.

Ye Chen defended, using the power of light to counterattack.

"Ahhhh . . ." Light attacks are very effective when attacking Xia Long.

she was unable to defend against the attacks launched by Ye Chen.

"Damn, you dare to use the power of light to attack me, I will kill you" she was getting angry with Ye Chen, she wanted to kill Ye Chen.

words from Xia Long were really rude, it didn't reflect a woman.

"she is very rude" Ye Chen said to Xia Long.

"I don't care, die bastard" Xia Long didn't care, she attacked and killed Ye Chen.

Ye Chen and Xia Long attacked and defended each other, in their fierce battle.

"damn . . ." Xia Long couldn't break through Ye Chen's defense.

Ye Chen's defense was too strong and too thick.

This was Ye Chen's battle against Xia Long, Fu Lanling and Cheng Menyan did not interfere and chose to withdraw.

Ability Xia Long is quite dangerous, they may feel such a strong effect when fighting Xia Long.

Because of this, Fu Lanling and Cheng Menyan chose to step back and let Ye Chen solve the problem

"This woman has such great strength" Cheng Mengyan said to Fu Lanling.

"You are right, that strength is much more terrifying than the mysterious man we once fought" said Fu Lanling.

They couldn't fight against her, the power of darkness was terrifying, and all of them were forbidden ancient techniques.

Only Ye Chen alone could survive such a thing, if they participated, they would be destroyed.

The battle became increasingly fierce, and Ye Chen attacked and landed several hits.

Xia Long did the same, this woman's physical strength was no less than Ye Chen, very strong and fast.

"This woman is crazy, but her strength is no joke." Ye Chen was evenly matched against Xia Long.

If other people faced it themselves, they would get into quite a big problem.

"I must immediately defeat this woman" Ye Chen wanted to defeat Xia Long, Ye Chen will defeat this woman using the Divine Yin Yang Sword.

Using the Divine Yin Yang Sword, he could quickly destroy it Xia Long.

"Take this . . ." Ye Chen said to Xia Long, he slashed at the body of Xia Long.

"slash . . ." the slash made by Ye Chen was so fast that Ye Chen made Xia Long's body into two parts.

Even though it was in two parts, the body was whole again.

"Why, the power of the Divine Yin Yang Sword should make its regeneration stop?" This was the first time anyone had been able to break the ability of the Divine Yin Yang Sword.

"master. . ." Yin Ying'er said to Ye Chen.

"What's wrong?" Ye Chen asked Yin Ying'er back.

"That woman is not human, her body is completely made from the curse of darkness, even if you cut it, it will still fuse back together," Yin Ying'er said to Ye Chen.

The woman was not alive, her body was made of a dark curse, and the Divine Yin Yang Sword could not break the curse, that's why the woman would still live even though Ye Chen was slashed a million times.

"Then there's no way," said Ye Chen.

Ye Chen couldn't use the Divine Yin Yang Sword.

"Of course, there is a way. Every curse has a weakness," Chu Yuechan said to Ye Chen.

"or maybe we can use this," Ye Chen said to Chu Yuechan.

Ye Chen remembered that he had eight knives. This was probably what they should use.

"Exactly," Chu Yuechan told Ye Chen to try it.

Chapter 3097 a woman with such an evil aura

"The flute is in the woman's hand, what should we do now?" Fu Lanling said to Ye Chen.

"We have to destroy that thing, don't we?" Cheng Mengyan said to Ye Chen.

"no, don't do that, that woman is quite terrible, I don't like it" Ye Chen said to Fu Lanling and Cheng Mengyan.

"Eh? ?" Fu Lanling and Cheng Mengyan were shocked when they heard what Ye Chen said.

"Husband, there is a beautiful woman in front of you. Are you not interested?" Cheng Mengyan told Ye Chen that a woman was beautiful in front, not inferior to Fu Lanling and Cheng Mengyan.

"That's not that problem" Ye Chen said to Cheng Mengyan.

"So what?" Fu Lanling asked Ye Chen why Ye Chen did this.

"I'll be honest with you, this woman exudes a very evil aura, there must be a reasonable reason why she was sealed like that" Ye Chen said to Fu Lanling.

"So that's what made this woman locked up" Cheng Mengyan nodded, it seemed like she was starting to understand a little about what happened.

"we will take the flute first" Ye Chen said that he would take the flute.

"but, how did you do it, that's quite a powerful ancient seal" Fu Lanling asked Ye Chen.

The ancient seal was quite strong and challenging to break through, if they forced it, they might break it.

"To be honest, we don't have to do it" Ye Chen said to Cheng Mengyan and Fu Lanling.

"how do you take it without destroying it" They both wanted to know what Ye Chen would do.

"Perfect Steal" Ye Chen uses Perfect Steal, by using Perfect Steal, he can carry the flute without any problems.

"Eh? ?" Fu Lanling and Cheng Mengyan were shocked when they saw what Ye Chen did.

"Can you take something like that?" Fu Lanling and Cheng Mengyan were surprised by what Ye Chen could do.

"How?" Ye Chen said to Fu Lanling and Cheng Mengyan.

"Can you take all the things with that thing?" Cheng Mengyan asked Ye Chen.

"of course, I can take everything, even if it's what you wear" Ye Chen said to Cheng Mengyan.

Cheng Mengyan immediately covered her body, she knew what Ye Chen was thinking.

"Husband, you are a pervert" Cheng Mengyan said to Ye Chen.

What Ye Chen said was so perverted.

"Hehehehe" Ye Chen just laughed when he heard this.

Cheng Mengyan suddenly came closer and whispered to Ye Chen.

"but I don't mind if it's you" Cheng Mengyan said to Ye Chen.

she said words that were bold and filled with provocation.

Ye Chen smiled when he heard this, Ye Chen already knew about Cheng Mengyan.

Sometimes, Cheng Mengyan teases Ye Chen in her ways.

"You're starting to be naughty" Ye Chen said to Cheng Mengyan.

"Fufufufufu," Cheng Mengyan smiled at Ye Chen, and she enjoyed the reaction shown by Ye Chen.

"You two, stop doing that kind of thing," Fu Lanling said to Ye Chen and Cheng Mengyan.

it seemed she was jealous of what Ye Chen and Cheng Mengyan were doing.

"we will stop, it looks like we have made sister Lanling angry," Cheng Mengyan said to Ye Chen.

It seemed like what they did somewhere made Fu Lanling angry.

"I'm not angry," Fu Lanling said, not angry with what the two did.

"there, destroy," the group from Yong Kon finally arrived.

They destroyed the existing seal.

"stupid, what are you guys trying to do" Ye Chen stopped what they were doing, they were making a mistake.

"Move, this woman is ours, she is the greatest weapon in this place," Yong Kon said to Ye Chen.

Yong Kon was alone, there was no one else to accompany Yong Kon, that was because they were unable and not strong enough to dive into the cold pool, so they went up and let Yong Kon go down alone.

Yong Kon didn't want to go back and continued, finally, he reached the end and immediately took everything, he even wanted the woman to be sealed.

Yong Kon's attack was quite extensive, and only part of it could be withstood by Ye Chen, some of the attacks leaked and made the crystal crack.

"Crack . . ." A crack so small appeared it began to widen and become wider.

"Husband . . ." Fu Lanling and Cheng Mengyan said to Ye Chen.

"It looks like it's going to get worse," Ye Chen said to Fu Lanling and Cheng Mengyan.

"Cracked" finally broke, and an evil aura of killing intent spread.

Chapter 3099 Long Luxie is in the capital

"We have to stop this monster" Fu Lanling said to Ye Chen and Cheng Mengyan.

If they let the monster escape, then there would be more cities nearby that would suffer the consequences.

"I will try this flute" Ye Chen said to Fu Lanling.

Ye Chen tried to play it, he used this power to make the monsters stay here.

Fu Lanling and Cheng Mengyan looked towards Ye Chen.

They wanted to know whether the flute was indeed worthy.

"tone" Ye Chen started playing, when Ye Chen played this, all the monsters here immediately stopped and they circled Ye Chen.

"It looks like it worked" Fu Lanling saw that Ye Chen had succeeded, he had succeeded in making the surrounding monsters submit to him.

"There's something strange," Ye Chen said to Fu Lanling.

"What is strange?" Fu Lanling asked Ye Chen.

"The monster didn't obey me, more precisely, the monster came because of an invitation," Ye Chen said to Fu Lanling.

"So it can't invite monsters and can only summon them?" Fu Lanling said.

"That's right, it seems like this is it flute to summon and expel monsters, they will be uncontrolled and will attack everyone," said Ye Chen.

"I understand." Fu Lanling understood, she knew what Ye Chen meant.

"I think it is most suitable for causing chaos or for saving a city that is being attacked by monsters" Cheng Mengyan felt that the item was used to cause destruction or could be used to save a city.

"A weapon that has two uses, but it can also be used for evil or good things," said Ye Chen.

"umm. ., I agree" Fu Lanling and Cheng Mengyan agreed with Ye Chen's words.

"Let's clean this place first," Ye Chen said to Fu Lanling and Cheng Mengyan, he told the two of them to help him clean this place.

"All the monsters here need to be cleaned, we will help as much as we can" They started to help and showed full strength.

Fu Lanling and Cheng Mengyan opened the domain, they intended to fight them quickly.

Ye Chen made a Clone, he will help by using his Clone.

10 minutes later

Ye Chen, Fu Lanling, and Cheng Mengyan had defeated all the monsters.

This place became so clean, that there were only a few remains of monsters, clones created by Ye Chen in the process of cleaning it all up.

"What are we going to do now?" everything was done. They just needed to look for the rest of the treasures in this place.

"Maybe we should look for people who can be saved," Ye Chen said to Cheng Mengyan and Fu Lanling.

Ye Chen decided to look for people they could save now.

With that Ye Chen and Cheng Mengyan and Fu Lanling saved those who could still be saved, and Ye Chen could save many people.

Ye Chen took them all to the nearest city to get help.

After saving everyone who could still be saved, Ye Chen immediately went to the place Xu Douri.

Ye Chen wanted to know Xu Douri's developments.

Ye Chen returned to the city and met Xu Douri.

When Ye Chen returned, Xu Douri was surprised, at how Ye Chen returned safely and without any injuries.

"I'm back, this is the time for you to give it to me," Ye Chen said to Xu Douri.

"Of course" Xu Douri had discovered Long Luxie's whereabouts, the woman was at the center and was running some things there.

"So that woman is at the capital of the Dragon God Realm?" Ye Chen said.

"That's right, here is a photo of that person and this is LongLuxieXu Douri said to Ye Chen.

He provided Ye Chen with a photo of Long Luxie.

"Okay, you did a good job" Ye Chen was quite satisfied.

After getting what he needed, Ye Chen left Xu Douri.

Xu Douri felt relieved when he saw Ye Chen leave this place, and Ye Chen finally left, which made Xu Douri feel more relaxed.

"Finally, that person is gone" Xu Douri was happy because Ye Chen was gone, now there was no longer any threat to Xu Douri.

"If the information you provide is wrong, I will look for you" Ye Chen said to Xu Douri.

Before Ye Chen left, he told Xu Douri he would make sure that the information given by Xu Douri was correct.

Xu Douri was helpless, it seemed like Ye Chen still didn't fully believe in himself.

If the information Xu Douri gave were false, Ye Chen would look for it, which made Xu Douri afraid.

"How?" Fu Lanling and Cheng Mengyan asked Ye Chen.

"I managed to find Long Luxie's whereabouts," Ye Chen said to Cheng Mengyan and Fu Lanling.

"That's great, let's go right now," Cheng Mengyan said to Ye Chen.

"Don't rush. Entering the region there is very difficult. We have to have a new identity," Ye Chen said to Fu Lanling and Cheng Mengyan.

"We will look for someone trustworthy enough to create a new identity, I will ask for help from someone skilled enough," Ye Chen said.

"Oh, I see . . ." Fu Lanling and Cheng Mengyan immediately understood both of them immediately understood Ye Chen's desires.

After they knew what to do, Ling Shu immediately created a new identity using her network.

Nanlan Lia also helped, and because both of them helped, everything became easy to do.

Ye Chen's identity will be changed temporarily, he will become an ordinary man with two women, one main wife and one concubine.

Fu Lanling had a Phoenix heritage and was suitable to be the wife, while Cheng Mengyan would be the concubine.

I think Fu Lanling and Cheng Mengyan will be able to play them well.

"very fast" Ling Shu had sent new identities for Ye Chen, Cheng Mengyan and Fu Lanling.

"Sister Shu seems to be very skilled at this matter" Fu Lanling said

"We have got it, let's go" said Cheng Mengyan.

Fu Lanling and Cheng Mengyan had already obtained it. They could enter the dragon territory.

Ye Chen changed his appearance a little, Fu Lanling and Cheng Xing didn't do that, that was because no one knew them, so there was no point in them doing that kind of thing.

Ling Shu also pointed out how the dragon race looked, they were a race that wore such fine clothes, and even the lowest class also paid attention to this matter.

"Husband, the dragon race is quite an elite place, they are people who like high status," Ling Shu spoke to Ye Chen using a long-distance transmission stone.

"I understand, I will try to do the same thing as they do" Ye Chen understands, he will remember this.

"I hope you succeed, and one more thing, it looks like the situation there is a bit chaotic, so don't get too close to the border because there will be a battle soon," Ling Shu told Ye Chen that would be a battle soon.

"Okay, I understand, for the time being, I will stay away and prioritize finding Long Luxie's whereabouts" Ye Chen will look for Long Luxie, he will ignore the war for the time being.

"Good luck" Ling Shu gave Ye Chen a word of encouragement.

"I will do it" Ye Chen will do this.

Chapter 3100 Enter Dragon God Realm

"Are you ready?" Ye Chen asked Cheng Mengyan and Fu Lanling.

"Husband, how about our appearance" both of them asked Ye Chen.

They wanted opinions from Ye Chen, whether they had such a good appearance.

"You two are very beautiful," Ye Chen said to Cheng Mengyan and Fu Lanling.

The appearance of the two of them was so beautiful, and it fascinated Ye Chen.

"Thank you very much" The two of them were so happy when they listened to Ye Chen's praise.

Indeed, their clothes match and become even more beautiful in their new clothes.

Their extraordinary beauty shines very brightly.

"Husband, why did you buy us this thing?" Cheng Mengyan asked Ye Chen.

"that is very correct . ." Fu Lanling also wanted to know the reason.

"It's very easy because we will infiltrate and make sure you show that you are a great woman" Ye Chen said to Cheng Mengyan and Fu Lanling.

"So that's why you did that" Cheng Mengyan and Fu Lanling understood what Ye Chen wanted.

"We will not disappoint you." Cheng Mengyan and Fu Lanling will never disappoint Ye Chen, both of them will make Ye Chen proud.

"It's time, let's go," Ye Chen said to Cheng Mengyan and Fu Lanling, he invited the two of them to leave.

"um . . ." They both understood, they immediately went to accompany Ye Chen.

Cheng Mengyan and Fu Lanling were on Ye Chen's left and right sides, with Ye Chen holding Ye Chen's hand.

After all preparations were complete, Ye Chen went straight to the border.

They flew towards the Dragon God Realm.

Several days later, they finally arrived at Dragon God Realm.

The Dragon God Realm is vast, with hundreds of thousands of stars.

"Very spacious" Ye Chen looked and surveyed.

This place was very wide, and they had to be able to reach the very center, it seemed like this would take some time.

"Hey, stop right there right now" several people stopped Ye Chen.

"What do you need with me?" Ye Chen asked, Ye Chen was not humble, he showed resistance to them.

As Ling Shu said, Ye Chen should be like the dragons with a very high stance.

That way, Ye Chen could face them all easily and without problems.

"Show your identity" they said to show Ye Chen's identity.

"Here, you can see it" Ye Chen gave the identity he had.

After Ye Chen gave the identity, they took a look.

Ye Chen's status was quite ordinary, but he had strength.

"Where are you from," he asked Ye Chen, where did Ye Chen just go?

"I just went to buy some things with my wife, do you guys have any problems with this" Ye Chen asked.

Ye Chen just bought a lot of things with his wife.

They checked Ye Chen, and after they checked Ye Chen, they found nothing strange about Ye Chen.

"Show one of your strengths," they told Ye Chen to show his strength.

"Are you sure, it might cause chaos," Ye Chen said.

"Just do it quickly," they told Ye Chen.

"Okay, I understand and will do it." Ye Chen showed a little of his abilities.

Of course, Ye Chen used the power of the Azure Dragon.

"Slash" Ye Chen used Azure Claw.

It took them by surprise.

They thought Ye Chen was just an ordinary person, who would have thought that Ye Chen could do such great things?

That power must have come from an upper-middle rank dragon.

"At first, they thought Ye Chen was from the lower class, who would have thought that Ye Chen was from the upper middle class?

This will, of course, surprise them all.

"How about it, is that enough?" Ye Chen asked, was what he showed was enough.

"That's enough, we believe in you" They all believed in what Ye Chen could do.

"Husband, what is it, is there a battle" Fu Lanling appeared, she appeared and asked Ye Chen.

Fu Lanling's figure is so enchanting that all the guards are shocked when they see Fu Lanling.

Such a beautiful woman made them speechless, who would have thought that Ye Chen had such a beautiful woman.

"It's okay, it's just a little problem, you don't need to come out" Ye Chen said to Fu Lanling, he told Fu Lanling not to come out.

"Okay, I understand, let's go quickly, I want to come back immediately," Fu Lanling said to Ye Chen.

"I understand," Ye Chen understood, Fu Lanling was so helpful, this would make Ye Chen get out easily.

"I'll go first, see you all" Ye Chen left them all, they were all still silent.

They were still silent, it seemed like they were speechless after seeing Fu Lanling's beauty.

"looks like it worked," Ye Chen said to Fu Lanling.

What Fu Lanling did was successful.

"It's nice to hear that." Fu Lanling was happy to hear that.

"The Lanling sisters have such a strong charm, they won't survive," said Cheng Mengyan.

Cheng Mengyan had to admit that Fu Lanling had such a strong charm, so it wasn't strange that she could easily make them stupid.

"Don't tease me, it's not like that" Fu Lanling felt embarrassed when she used her charm.

"You don't need to be embarrassed, your charm can't be resisted," said Ye Chen.

"Honestly, I still don't like using that thing." Fu Lanling said that she didn't like using that thing.

"I understand, you are like that, I don't mind" Ye Chen didn't mind trouble.

Fu Lanling's innate charm was indeed strong, and Ye Chen also had a hard time when he saw Fu Lanling's beauty.

"Thank you very much." Fu Lanling was happy that Ye Chen could understand her.

Fu Lanling used the Nuwa Ring to transform herself, after she transformed herself, she could hide her charm.

Even though she had changed herself, Fu Lanling was still beautiful and charming, who could stand her.

Ye Chen managed to enter. After entering, they will travel to the capital or center of the Dragon God Realm.

It was the highest place in the Dragon God Realm.

It was the center where all the powerful people gathered, and the person they were looking for was at that place.s

"little husband. . ." Fu Lanling asked Ye Chen.

"What is it?" Ye Chen answered Fu Lanling, it seemed like Fu Lanling wanted to say something to Ye Chen.

"The journey this time might be long, are we going fast or more relaxed" Fu Lanling asked Ye Chen.

Ye Chen knew the direction of Fu Lanling's conversation, she wanted to know if Ye Chen would rush.

"Don't do anything hasty, if we do that, we will be easily detected," Ye Chen said to Fu Lanling.

"I also agree with what my husband said" Cheng Mengyan also agreed with what Ye Chen said.

The current situation is uncertain, if they make a move that is blatant enough, they will be easily discovered.

"We will start to relax in dealing with this problem," Ye Chen said to Fu Lanling and Cheng Mengyan.

For a time, Ye Chen wanted to blend in with the surroundings, one way to make them blend in with everyone.

"For now, let's look at the situation here first," Ye Chen said to Fu Lanling and Cheng Mengyan.

"Um. . ." Fu Lanling and Cheng Mengyan will give it a try.
