

True God 3111

Chapter 3111 Zha Zun was sealed

"damn . . ." Zha Zun was burned, his attack destroyed him.

"Hahahahaha," Ye Chen laughed when he saw what had happened to Zha Zun.

"Very funny" Ye Chen said to Zha Zun.

"You are very brave. . ." Zha Zun said to Ye Chen.

The attack just now was enough to cause damage to Zha Zun, now he was unable to use the few attacks he had.

"You are finished, this is the time for me to attack" Ye Chen said to Zha Zun.

It was Ye Chen's turn to attack because Ye Chen had allowed Zha Zun to attack him.

"Wait a moment" Zha Zun said to Ye Chen, he told Ye Chen to wait a moment.

"There is no way to wait for you" Ye Chen said to Zha Zun.

Ye Chen said that he would not wait for Zha Zun.

"Boom. . ." Ye Chen gave off such a great aura.

"Frost Seal Force" Ye Chen used a technique to seal Zha Zun.

An Ice Storm began to gather near Zha Zun's body.

After the ice storm gathered, it began to wrap around Zha Zun's body.

Zha Zun's body was wrapped in ice around him.

"What ! ! !, What's this?" Zha Zun's body began to freeze, his huge body began to freeze rapidly.

Zha Zun didn't want to lose, he used the strength he had and started to fight back. f(r)eeweb(n)ovel

Zha Zun's body began to be covered in lightning, he intended to use lightning to counter the freezing that was happening right now.

In this way, Zha Zun hopes to make himself resistant to ice.

It's a shame that this attempt failed completely; this method will never defeat Ye Chen's technique.

Zha Zun's body was still rapidly freezing, he froze and started to become an ice statue.

"I can't, I can't lose" Zha Zun kept trying, he used all his abilities to win this battle.

Ye Chen could no longer beat him.

Zha Zun used all his abilities, hoping that he could win the battle with his strength.

"freeze" the body of Zha Zun started to freeze completely, unable to survive Ye Chen's attack.

Zha Zun's body was completely frozen, after freezing he became a fairly large dragon statue in the city.

"I think this will make him learn" Ye Chen said to Zha Zun.

Zha Zun could still listen to Ye Chen, the seal used by Ye Chen could create Zha Zun's body, Zha Zun's consciousness still remained.

"husband . . ., you defeated that ugly monster." Cheng Mengyan and Fu Lanling came over.

"That's right, I think from now on, the city will be a bit about" Ye Chen said to Cheng Mengyan and Fu Lanling.

"Master, I think you have one more thing to do," Chu Yuechan said to Ye Chen.

Chu Yuechan told Ye Chen that Ye Chen should still have something to do now.

"You are absolutely right, there is something I have to do," Ye Chen agreed, there is indeed something he has to do right now.

Zha Zun may have been taught a lesson, but Zha Ping still hasn't.

That person was still trying to find trouble with Ye Chen, this time Ye Chen wouldn't let him go.

"Come with me" Ye Chen said to Cheng Mengyan and Fu Lanling.

"Where to?" Cheng Mengyan and Fu Lanling wanted to know where Ye Chen was going.

"Settle accounts with that person" Ye Chen told her what he would do, he would settle accounts with Zha Ping.

"Then I'm coming," Fu Lanling said to Ye Chen.

"I will come too" Cheng Mengyan will also come, this is the time to teach the fool a lesson.

With that, Ye Chen went to the Zha Clan, a quite big and strong clan.

There were quite a few guards around, it seemed like Zha Zun didn't take them all with him.

"I will look for him." Ye Chen used his abilities to search for Zha Ping's whereabouts.

After using Zha Ping's search ability, Ye Chen finally found where the person was.

"Okay, I found that person," Ye Chen said to Fu Lanling and Cheng Mengyan.

"Let's go and finish all this because that person we were late and got into trouble. He also dared to disturb our date," said Cheng Mengyan.

"You two look annoyed," Ye Chen said to Cheng Mengyan and Fu Lanling.

"Of course, that's obvious, isn't it, we're really annoyed" Fu Lanling was even annoyed with Zha Ping.

"Then I'll leave this matter to you guys," Ye Chen said to Cheng Mengyan and Fu Lanling.

It seemed like both of them wanted to settle the matter with Zha Ping.

Ye Chen felt sorry for Zha Ping, he had made Cheng Mengyan and Fu Lanling, surely he would not get off easily.

"Hahahaha, that person, he will die soon, father has brought the executioner and his troops, he will soon be killed on the spot" Zha Ping waited, he couldn't wait for what would happen next.

When Zha Ping said that, Cheng Mengyan and Fu Lanling heard him.

Cheng Mengyan and Fu Lanling were angry when they listened to what Zha Ping said.

"It looks like we shouldn't let it go, what do you think" Cheng Mengyan asked Fu Lanling.

she smiled at Fu Lanling, her smile was so evil, it seemed she had already thought about what to do.

"destroy him" Fu Lanling said to Cheng Mengyan.

Fu Lanling didn't like this, and because she didn't like this, she decided to destroy Zha Ping.

"Boom. . ." Fu Lanling smashed the door, she made a fuss.

"It looks like there will be guards" Ye Chen said to Fu Lanling.

"no problem, I will finish this quickly" Fu Lanling said to Ye Chen.

"Then I will use the clone I have to hold them off" Ye Chen said to Fu Lanling.

Ye Chen made a Clone to hold off the guard, with that Ye Chen bought time for Fu Lanling.

"ahh . . ., who are you," Zha Ping asked Fu Lanling.

"huh?" Zha Ping was surprised when he saw the figure who entered. The figure who entered his place was beautiful, mature, and seductive.

It was a figure of a goddess that was so beautiful and made people who saw it enchanted.

"A beautiful woman came to me, it was really surprising" Zha Ping was very happy when he found out that a beautiful woman had come to meet him.

It seemed that tonight, Zha Ping would have fun, or maybe this woman was his father's order to entertain him, Zha Ping thought that way.

"Come here" Zha Ping said to Fu Lanling.

Fu Lanling was silent, she looked at Zha Ping with a gaze filled with hostility.

she seemed to see a despicable insect.

Cheng Mengyan understood Fu Lanling's feelings, she couldn't hold back and might eliminate Zha Ping.

Fu Lanling was the first to step forward, she couldn't stay still and wanted to beat up Zha Ping.

"Come here and comfort me," Zha Ping said to Fu Lanling, he asked Fu Lanling to comfort him.

"Pah. . ." Fu Lanling gave Zha Ping a pretty hard slap.

Zha Ping was unprepared for what Fu Lanling did.

He was truly shocked by what Fu Lanling did.

"How dare you" Zha Ping said to Fu Lanling.

It seemed that he was annoyed by what Fu Lanling did.

"You want to die" Fu Lanling released a terrifying killing aura, and this killing aura immediately made Zha Ping afraid.

Chapter 3112 Green Dragon Mountain City

"Pah" this time it was Cheng Mengyan's turn to slap Zha Ping.

"Damn it, you still dare to do it again, I will kill you guys" Zha Ping said to Fu Lanling and Cheng Mengyan.

He wanted to kill both of them using his own hands.

"That won't happen, stupid" Fu Lanling said to Zha Ping, she slapped Zha Ping several times.

"That's right, don't you know your place now?" Cheng Mengyan also did the same thing, she slapped Zha Ping several times.

The two of them continued to give Zha Ping such strong slaps.

Zha Ping's face became swollen because of this.

Were Fu Lanling and Cheng Mengyan excessive? Of course, they were quite excessive, they used their power to destroy Zha Ping's face beyond recognition.

Zha Ping's face was almost unrecognizable, it was swollen on all sides.

"" Because her face and lips were swollen, she was unable to speak properly.

Ye Chen, Fu Lanling and Cheng Mengyan didn't know what Zha Ping said.

"do you know what he said?" Cheng Mengyan asked Fu Lanling.

"I don't know either." Fu Lanling also didn't know what Zha Ping said.

"This seems to be a problem," Cheng Mengyan said to Fu Lanling.

"Why is it a problem, he deserves it" Fu Lanling said to Cheng Mengyan.

"You are right, he deserves it" Cheng Mengyan also agreed, but they found it difficult to listen to what Zha Ping said.

"Are you guys finished?" Ye Chen asked Fu Lanling and Cheng Mengyan.

"Looks like we've had enough," both of them said to Ye Chen, they told him that they had enough.

"Very good, if you guys are finished, it's time to cultivate" Ye Chen said to Fu Lanling and Cheng Mengyan.

"Then you do it" Cheng Mengyan said to Ye Chen, she told Ye Chen to do it.

With Ye Chen's ability, he could do this.

"in that case . . ." Ye Chen crippled the cultivation of Zha Ping, this person will not bother people anymore and commit crimes in the city.

Zha Ping lay on the ground, looking like the wound on his face would not heal any time soon.

"mmmmmm" Zha Ping tried to speak, it was a shame that Ye Chen, Fu Lanling and Cheng Mengyan didn't understand what Zha Ping was saying.

Zha Ping was actually cursing Ye Chen, Cheng Mengyan and Fu Lanling.

If only Fu Lanling and Cheng Mengyan knew about this, they would probably slap Zha Ping to death.

"let's go" Ye Chen said to Fu Lanling and Cheng Mengyan.

"um. . ., let's go." Fu Lanling and Cheng Mengyan immediately followed Ye Chen and left the place.

Their business was finished, and they were satisfied with venting their anger on Zha Ping.

"damn it, I will kill you guys" Zha Ping was going to kill Fu Lanling and Cheng Mengyan.

He wouldn't be able to accept what happened today.

Zha Ping still didn't know what happened, so it wasn't strange that he was still quite arrogant.

If only he knew what happened to Zha Zun and the two elders present, he might no longer be as arrogant as he was now.

Ye Chen had arranged everything, and this was the right time for him to continue his journey.

Because their date was messed up, Ye Chen decided to leave the place.

"let's continue our journey," Ye Chen said to Fu Lanling and Cheng Mengyan.

"Um. . ." Fu Lanling and Cheng Mengyan understood they continued their journey toward the center of the Dragon God Realm.

The trip for several days was enjoyable because Fu Lanling and Cheng Mengyan accompanied Ye Chen.

The two of them were really fun. Ye Chen could do everything he wanted to with Fu Lanling and Cheng Mengyan.

It was a bonus given by Fu Lanling and Cheng Mengyan.

This trip became even more lively when Ye Chen received top-level care and service from Fu Lanling and Cheng Mengyan.

"Husband, how about next we stop at a city called Green Dragon Mountain," said Cheng Mengyan.

"Why choose that place, is there anything good" Ye Chen asked Cheng Mengyan.

"I heard that Green Dragon Mountain City has great views and attractions, the forests and everything are still well maintained, I think it is a suitable place to rest," said Cheng Mengyan.

"Then let's see," Ye Chen said to Cheng Mengyan.

Ye Chen finally agreed to do this.

They would stop at Green Dragon Mountain City.

"Very good, I'm very happy" Cheng Mengyan was so happy when she heard this, she managed to persuade Ye Chen.

"You must have a plan," Fu Lanling asked Cheng Mengyan.

"Not really, I just want to try the tourist attractions, there is also a pure water bath that can restore strength, we have to try it," said Cheng Mengyan.

"So that's it, you just want to try it, right?" Fu Lanling said.

"giggling," Cheng Mengyan giggled, it seemed like she had been caught.

"We'll stay there, I think it's quite a good place, you won't mind, right?" Ye Chen asked Fu Lanling.

"I won't mind that" Fu Lanling wouldn't mind that.

"Good, it's decided, let's go immediately," Ye Chen said to Fu Lanling and Cheng Mengyan.

They started their journey towards Green Dragon Mountain City.

On the way, Ye Chen met several merchants who had just returned or gone to Green Dragon Mountain City.

They all seemed to be doing business there.

"There are so many people," Ye Chen said to Cheng Mengyan and Fu Lanling.

"I think that place is a place of business," Fu Lanling said to Ye Chen.

"Could it be that this city is the center of their food source?" Ye Chen said.

"It's possible" Cheng Mengyan said to Ye Chen.

Cheng Mengyan also doesn't know about this matter yet, she is still guessing about it.

"We can only find out about this after we get there," said Ye Chen.

"It looks like we'll be there soon," said Cheng Mengyan.

Cheng Mengyan saw many green mountains forming a wall.

Within the mountain walls, there is a fairly large city, a city thousands of miles wide, where quite a lot of people live.

"Very big and tall walls, they use mountains as natural walls, it must be strong," said Fu Lanling.

"um, it's definitely strong. They used a natural mountain, its strength cannot be underestimated, it might not be easy to break through the defenses of Green Dragon Mountain City.

"We have to queue if we want to enter," Ye Chen said to Fu Lanling and Cheng Mengyan.

Apart from Ye Chen, some so many people wanted to enter the city that they all lined up and lay down neatly.

Ye Chen, Fu Lanling and Cheng Mengyan did the same thing, they lined up and queued together with everyone.

Ye Chen, Fu Lanling and Cheng Mengyan had to wait quite a long time. They had to wait about 2 hours before their turn came.

After it was their turn, they paid the entrance fee and other necessities. After completing the formalities, they just walked in.

"Wow, the view here is beautiful and surprising," said Cheng Mengyan.

The city in the middle of the mountain has beautiful views and is cool to the eyes.

Trees, grass, and flowers grow abundantly in this place, making the scenery very beautiful to see.

"Very good, the layout of the city and everything is so well arranged, the people who built the city must be smart," Ye Chen, as an expert, gave an assessment.

Chapter 3113 houses and inns are full, can only make camp outside the city

"It seems we have to choose a suitable place to rest tonight" said Fu Lanling.

"We will look for a house, I hope there is still a house left" Ye Chen said to Cheng Mengyan and Fu Lanling.

"Agreed" Fu Lanling agreed, they had to find a good enough place for tonight.

With that they started to look for a house or lodging.

"Sorry, everything is full, lately there are a lot of businessmen or foreigners from out of town, it makes the whole place full" the owner of the house said to Ye Chen.

Ye Chen had already asked the owners of houses or inns in several places.

The results are still the same; there are no empty places or empty rooms because too many people from outside the city are coming.

Even people who couldn't find a place to live were forced to live in their horse-drawn carriages to survive.

"Why are there so many people coming to this place?" Ye Chen asked.

"Because this place provides the food and necessities they need, they come to sell and buy, because the situation in the central mainland is chaotic and seems complicated, people choose this city to sell," he said to Ye Chen.

"so it's like that, I know the problem" Ye Chen understood, it seemed like this city was a handling center for a while until the situation was completely under control.

"Thank you very much, I'll go" Ye Chen thanked him, he already knew the current situation.

Because Ye Chen didn't get anything, he returned to Cheng Mengyan and Fu Lanling's side.

"How?" Cheng Mengyan asked Ye Chen.

"There are no empty spots," Ye Chen said to Cheng Mengyan.

"Then what should we do?" Cheng Mengyan asked Ye Chen.

There is no place for them to rent, what should they do now?

"I also think the same thing. What should we do" said Fu Lanling.

"Isn't it your idea to stop at this place, and now we don't get a place to stay" Ye Chen said to Cheng Mengyan.

"I also didn't expect that the situation would turn out like this, if I had known, I might have looked for another place," said Cheng Mengyan.

"Because of situations like this, we will decide to stay outside the city, what do you think?" Ye Chen said to Fu Lanling and Cheng Mengyan.

The view outside the city is also nice, how about they make a tent and enjoy the view outside, isn't that Cheng Mengyan's goal?

"agree . . ." Cheng Mengyan and Fu Lanling immediately agreed.

"It's getting late, so let's hurry," Ye Chen said to Cheng Mengyan and Fu Lanling.

"Okay," both of them understood, they followed Ye Chen and started to prepare everything for tonight.

Ye Chen, together with Cheng Mengyan and Fu Lanling, looked for an empty place.

They found a pretty nice mountain, and it was about 15 miles from the city, not too far, and they could see a beautiful view from there.

"The view here is wide, and we can see the beauty of the stars, it seems like this place is suitable," said Cheng Mengyan.

Cheng Mengyan had already found a suitable place, they could stay here tonight.

"Good, I will set up a tent," Ye Chen said to Cheng Mengyan and Fu Lanling.

"Then we will prepare dinner," Fu Lanling said to Cheng Mengyan.

Fu Lanling and Cheng Mengyan started to prepare dinner, and they divided their duties evenly.

"Hmm? ?" Ye Chen felt something, it seemed like there was quite a big movement that Ye Chen felt.

"What is it?" Chu Yuechan asked Ye Chen.

"Yuechan, you felt a big movement, right?" Ye Chen asked Chu Yuechan.

"a little," Chu Yuechan said to Ye Chen, she felt a little big movement.

"What do you think it is?" Ye Chen asked Chu Yuechan.

"I don't know about it myself, what is certain is that it is something that moves in the ground," said Chu Yuechan.

"So you don't know, I understand," Ye Chen understood, if indeed Chu Yuechan didn't know, then just ignore it for the time being, Ye Chen didn't feel anything dangerous or strange.

"Master, what are your plans for tomorrow?" Chu Yuechan asked Ye Chen, she wanted to know what plans Ye Chen had.

Since there are so many merchants here, we can find out more details about Long Luxie.

Ye Chen said to Chu Yuechan.

"That's a really good idea," Chu Yuechan immediately agreed with what Ye Chen had said.

Merchants definitely have much broader and greater information, Ye Chen intends to use this to find Long Luxie's whereabouts.

The idea was clever, Ye Chen had thought about it quite well.

"husband, are you finished?" Cheng Mengyan and Fu Lanling asked Ye Chen.

"almost finished, what about you ?" Ye Chen asked Cheng Mengyan and Fu Lanling.

"We're almost done, too" The two of them were also finished, they were just making normal dishes.

"Okay, let's finish, it looks like the air is starting to get a little cold," Ye Chen said to the two.

"um . ." Fu Lanling and Cheng Mengyan nodded.

After finishing making a tent, Ye Chen immediately went to eat, Fu Lanling, together with Cheng Mengyan, arranged the dishes for them to eat tonight.

They had such a beautiful view, it was probably the best dinner they had.

"Amazing, isn't it?" Cheng Mengyan said to Ye Chen.

"You are absolutely right, this is really great, I can see everything from this place," Ye Chen said to Cheng Mengyan.

They had found such a good place, and they could see everything from there.

"Bon appetite," they started eating, and they had fun together.

Even though they didn't get a good spot, they were still quite happy, that was because they had the opportunity to see such a beautiful view from up here.

"mmmmm, your cooking is not bad," Ye Chen said to Cheng Mengyan.

"Thank you very much, I have improved a bit," Cheng Mengyan said to Ye Chen.

Cheng Mengyan has improved since last time, and now she can make dishes that satisfy Ye Chen.

"I didn't do this alone, sister Lanling also helped quite a lot," Cheng Mengyan said to Ye Chen.

"No, I just helped a little," Fu Lanling said to Cheng Mengyan.

"You have also worked hard," Ye Chen praised Fu Lanling, Fu Lanling's face turned red when she listened to what Ye Chen said.

"Giggle" Cheng Mengyan couldn't help but smile and laugh, it was so cute to see the embarrassed Fu Lanling.

"You did it on purpose" Fu Lanling finally realized that Cheng Mengyan did this on purpose, she did it on purpose.

"No, I didn't mean to, it's just that you're really cute," Cheng Mengyan said to Fu Lanling.

Cheng Mengyan actually laughed.

"Sister, you . . ." the two end up fighting, they tickle each other and try to knock each other out.

Ye Chen smiled when he saw what Cheng Mengyan and Fu Lanling were doing, it was really nice to see the two of them so close.

"You guys, let's finish, maybe the food will get cold," Ye Chen said to Fu Lanling and Cheng Mengyan.

"Um. . ." Cheng Mengyan and Fu Lanling finally stopped, after they stopped, they continued eating until they finished, after they finished, they lay down on the mat prepared by Ye Chen.

Chapter 3114 Long Luxie is in city

They didn't enter the tent and chose to see the view from outside, they slept in a circle and enjoyed what they could see around them.

"It's really nice to be able to do this together with you guys," Cheng Mengyan said to Ye Chen and Fu Lanling.

she was so happy because she could do this together with Ye Chen and Fu Lanling.

"I'm also happy to be with you." Fu Lanling was happy to be with Ye Chen and Cheng Mengyan.

The feeling of being with them is very pleasant.

"no, I am much luckier, having you two," Ye Chen said to Cheng Mengyan and Fu Lanling.

Cheng Mengyan and Fu Lanling were touched by what Ye Chen said, meeting Ye Chen was indeed their luck.

Cheng Mengyan and Fu Lanling approached and started hugging Ye Chen, they used Ye Chen as a pillow.

Ye Chen didn't mind, he was happy with what Cheng Mengyan and Fu Lanling were doing.

"Husband, we like you again and again" Cheng Mengyan said to Ye Chen.

"That's right, I won't let go of you." Fu Lanling also thought the same thing, she wouldn't let go of Ye Chen in this life.

Ye Chen smiled, and Cheng Mengyan and Fu Lanling immediately responded to Ye Chen with actions and words.

"It's getting late, let's sleep" Ye Chen said to Cheng Mengyan and Fu Lanling.

"Then you have to take us inside" Cheng Mengyan said to Ye Chen.

"Of course, I will do it" Ye Chen brought Cheng Mengyan and Fu Lanling.

Ye Chen carried the two of them.

It wasn't difficult for Ye Chen to do this. Ye Chen took the two of them and carried them into the camping tent that had been prepared beforehand.

Cheng Mengyan and Fu Lanling were so happy with what Ye Chen was doing after going inside Cheng Mengyan and Fu Lanling no longer held back.

"You two are really passionate," Ye Chen said to Cheng Mengyan and Fu Lanling.

Cheng Mengyan and Fu Lanling didn't care. They pounced on Ye Chen.

There were no other people here, so they didn't need to hold back anymore and could do whatever they wanted.

.

.

Meanwhile elsewhere.

Some people were digging for something; they were digging a big dig to find something buried inside.

This was the vibration felt by Ye Chen and Chu Yuechan, this vibration came from underground.

A large group is carrying out drilling to find hidden things.

Their goal is still unclear, what is certain is that they are aiming for something interesting.

"How are things going today" someone came and asked, he wanted to know how things were going today.

"Everything is fine, as long as we dig properly, we will soon reach the deepest layer where the green dragon gem is located" The person said that everything was according to the original plan.

"Very good, do it well and don't cause trouble," the person said to his men.

"Understand" he understood, and he immediately went to continue the task he had.

"Soon, the green dragon gem will be mine" This person had a goal, he wanted to get the green dragon gem.

The green dragon gem is an item that makes the surrounding land fertile, it is a valuable item and is well guarded.

Certainly, they carried out the operation illegally and secretly.

However, once the green dragon gem is taken, the whole city will probably be in an uproar.

.

.

Morning came, and once again, Ye Chen spent time together with Cheng Mengyan and Fu Lanling.

Cheng Mengyan and Fu Lanling enjoyed every night, they wanted to be with Ye Chen every day.

"It's morning, let's go to town," Fu Lanling said to Cheng Mengyan.

"That's absolutely right, I want to try the hot springs," Cheng Mengyan said to Fu Lanling.

"Husband, do you want to come together with us" Fu Lanling asked Ye Chen.

"I want to come, but there are things I have to do," Ye Chen said to Fu Lanling.

Ye Chen was interested in Fu Lanling's invitation, but he wanted to find information about Long Luxie.

After all, Ye Chen had already gotten enough from Fu Lanling and Cheng Mengyan, Ye Chen could still restrain himself.

"if you talk like that, it seems like I'm just going to have fun with sister Lanling, what a shame isn't it . . ." Because Ye Chen didn't want to come, Cheng Mengyan teased him using provocative words.

They returned to the city together, after entering, Ye Chen separated from Cheng Mengyan and Fu Lanling.

Ye Chen went to look for information. Meanwhile, Fu Lanling and Cheng Mengyan went to the women's bath.

Ye Chen asked the people around him, he was looking for Long Luxie's whereabouts.

It's a shame that almost everyone Ye Chen met didn't know the existence of Long Luxie.

"It's a shame, it seems like not many people know about this matter," Ye Chen saw that many people didn't know about this matter.

It seems that Long Luxie's reputation is not good, not many people know about Long Luxie's existence.

"sir, are you the whereabouts of Long Luxie" Ye Chen asked, he asked a man.

"Of course, I know" the man answered Ye Chen, he told him that he knew Long Luxie's whereabouts.

"Is that true?" Ye Chen finally found a clue to the matter.

"Of course, I just met that woman in this city," the man said, saying that he had just met Long Luxie.

"Seriously, is she in this city?" Ye Chen asked the man in front of him.

"Of course, you can look for it, you will probably find it" the man said to Ye Chen.

"Thank you for the information" Ye Chen was grateful, he had found very useful information.

"Who would have thought that she would be here?" Chu Yuechan said.

"I didn't expect that either." Ye Chen himself didn't expect to meet Long Luxie.

"Yuechan, help me look for it" Ye Chen said to Chu Yuechan.

Ye Chen asked Chu Yuechan to help look for Long Luxie.

"I'll try it" Chu Yuechan would try to help Ye Chen, she helped Ye Chen and looked around.

With the help of Chu Yuechan, Ye Chen can easily find Long Luxie's whereabouts.

.

.

Meanwhile, on Cheng Mengyan and Fu Lanling's side, they had arrived at the biggest bathhouse in the city.

"Very big, what do you think?" Cheng Mengyan asked Fu Lanling.

"That's right, very big and full" Fu Lanling saw that it was very big and full of people, there were so many people who came to enjoy bathing in this place.

It wasn't strange that Cheng Mengyan said this place had the best spring water, and so many people came to this place.

They all want to try it, it makes this place so lively.

"Let's go in" Cheng Mengyan pulled Fu Lanling inside, and the two of them went inside and immediately ordered two tickets.

After making the payment, they get a ticket, and after they get a ticket, they go straight to one of the rooms.

Cheng Mengyan immediately booked the highest place, she wanted to enjoy the best.

At the same time, in this place, Cheng Mengyan wanted the best, and it was not a big problem for Cheng Mengyan.

The price of the most luxurious bath was almost 50x that of an ordinary bath, so not many people could afford it, only the upper class could afford it.

There were only about ten people in the bathhouse, they were beautiful women from rich families.

Chapter 3116 met Long Luxie

"I already thought that there wouldn't be many people in this place." Cheng Mengyan had expected it, the price of the best baths was very expensive, and there were only a few people who could afford it.

"Not everyone has the wealth to enjoy it, we enjoy what we have," Fu Lanling said to Cheng Mengyan.

"You are absolutely right, gratitude is a beautiful thing in this world," said Cheng Mengyan.

Cheng Mengyan and Fu Lanling entered the bath, the bath was warm and comfortable.

"Not bad either" Cheng Mengyan felt that this was quite good, this place had a nice and refreshing bath.

Women were creatures who loved bathing, so it wasn't strange that Fu Lanling and Cheng Mengyan were very happy about it.

Cheng Mengyan and Fu Lanling enjoyed their time, they chatted and had fun in this place.

Since there weren't too many people here, Cheng Mengyan and Fu Lanling didn't need to keep their tone down.

"What a nice place, it's a shame I have to go back," a woman complained, she wanted to stay longer here.

Too bad she couldn't do that and had to come back as soon as possible.

Because she had to leave, the woman immediately got out of the pool and left the room.

The woman's figure is quite good, she is probably a very beautiful woman.

Fu Lanling and Cheng Mengyan saw the figure of the woman who had just left this place.

"sister" Cheng Mengyan said to Fu Lanling.

"What is it?" Fu Lanling asked Cheng Mengyan.

"Isn't the woman just now quite familiar, do you feel that she resembles someone?" Cheng Mengyan said to Fu Lanling.

"You are absolutely right, I also feel that the woman resembles someone." Cheng Mengyan also felt it, she felt that the woman just now resembled someone.

Cheng Mengyan and Fu Lanling thought for a while, after they thought for a while, they finally realized who the woman just now was.

"Impossible" Cheng Mengyan and Fu Lanling looked at each other.

"Is the woman just now Long Luxie?" Cheng Mengyan said to Fu Lanling.

"That's absolutely right, the figure of the woman just now, she should be Long Luxie" said Fu Lanling.

"let's chase her" Cheng Mengyan said to Fu Lanling.

"Come on, don't let us lose her" Fu Lanling agreed with what Cheng Mengyan said.

They had to chase Long Luxie, they had already discovered Long Luxie's whereabouts, and they couldn't just let Long Luxie go.

Cheng Mengyan and Fu Lanling took the towels, after using the towels, they followed Long Luxie, who had left the room first.

"Where is she going?" Cheng Mengyan and Fu Lanling immediately searched the surroundings, they tried to find Long Luxie's whereabouts.

"It looks like she went into one of the rooms, we have to look for her one by one," Fu Lanling said to Cheng Mengyan.

"let's split up," Cheng Mengyan said to Fu Lanling.

"Um. ." Fu Lanling agreed, and they split up to look for Long Luxie's whereabouts.

Fu Lanling and Cheng Mengyan tried hard to find Long Luxie's whereabouts.

.

.

"master, you found it?" Chu Yuechan asked Ye Chen.

"Not yet, I'm looking," Ye Chen said to Chu Yuechan.

Ye Chen was searching, and he would soon find Long Luxie's whereabouts.

Ye Chen flew around the city, he searched around the city to find Long Luxie's whereabouts.

Ye Chen continued to circle, he hoped that Long Luxie had not left.

Currently, Ye Chen was near the bathhouse where Fu Lanling and Cheng Mengyan were, Ye Chen finally found traces of Long Luxie.

"It looks like he's here," Ye Chen said to Chu Yuechan.

"what are you waiting for, let's go inside," Chu Yuechan said to Ye Chen.

"This is a bath only for women, it seems I can't move freely," said Ye Chen.

"Just sneak in, who can find you, no one will find you," Chu Yuechan said.

Chu Yuechan told Ye Chen to come in, with Ye Chen's hiding ability, no one would be able to find Ye Chen's whereabouts.

Ye Chen went inside and found Long Luxie's whereabouts.

When Ye Chen entered, he was immediately greeted by beautiful views from all corners of the place.

He saw so many women inside and outside the bath, from young to fully mature.

They are quite good, both in terms of appearance.

"Who would have thought that they would be greeted by something like this?" Ye Chen didn't expect to be greeted by something like this.

"You must be happy, right?" Chu Yuechan said to Ye Chen. Chu Yuechan was very sure that Ye Chen would definitely be happy with what was in front of his eyes.

"best," Ye Chen said to Chu Yuechan.

Ye Chen gave him a thumbs up, he said that this was the best.

"master, don't forget your purpose, I'm glad you're having fun, however, don't forget your purpose for coming to this place" said Chu Yuechan.

"You're absolutely right" Ye Chen was too excited, he almost forgot why he came to this place.

"I will go straight to see her" Ye Chen intended to go and meet Long Luxie.

Now, Long Luxie was in a private room and was drying her body.

Long Luxie dried her body, and after drying her body, she immediately put her clothes back on.

Ye Chen could see everything with the help of God's Eyes, what Long Luxie was doing could be seen very clearly.

"Beautiful view" Ye Chen muttered, he found a view that was so beautiful.

Long Luxie has a nice milf body, a mature body with great double peaks measuring G cup.

Plus, she has a body that is so smooth and white as milk, that kind of beauty can make men excited.

"Um, I'm still beautiful, this kind of beauty, no one can fight me" Long Luxie looked in the mirror, and she admitted that she was beautiful.

As Zhao Yanyan said, Long Luxie was a little arrogant, she was so confident in her appearance.

It couldn't be helped, Long Luxie was a beautiful woman, so it wasn't strange that she was so confident with her appearance, with such beauty, every woman would definitely be confident in herself.

"Okay, time to return to the center" Long Luxie intended to return to the center.

Her business is finished here, she will return to the center to continue the business she has.

"It looks like she wants to leave" Chu Yuechan said.

Chu Yuechan could see that Long Luxie wanted to leave.

"I won't let it go." Ye Chen went inside.

When Ye Chen came in, Long Luxie was silent for some time.

" ? ? ?" Long Luxie was surprised to see someone come in, Long Luxie didn't even notice Ye Chen's existence.

"thief . . ." Long Luxie shouted, she shouted Ye Chen was a thief.

"It's dangerous if she speaks too loudly, it might get Ye Chen discovered" Ye Chen couldn't let Long Luxie speak.

He covered Long Luxie's mouth with his hand.

"Umm . . ." Long Luxie couldn't scream, Ye Chen had already silenced her and made her unable to speak anymore.

"Don't talk, do you understand?" Ye Chen cornered Long Luxie, and Long Luxie's body was pressed against the wall.

Chapter 3115 Met Long Luxie

"I already thought that there wouldn't be many people in this place." Cheng Mengyan had expected it, the price of the best baths was very expensive, and there were only a few people who could afford it.

"Not everyone has the wealth to enjoy it, we enjoy what we have," Fu Lanling said to Cheng Mengyan.

"You are absolutely right, gratitude is a beautiful thing in this world," said Cheng Mengyan.

Cheng Mengyan and Fu Lanling entered the bath, the bath was warm and comfortable.

"Not bad either" Cheng Mengyan felt that this was quite good, this place had a nice and refreshing bath.

Women were creatures who loved bathing, so it wasn't strange that Fu Lanling and Cheng Mengyan were very happy about it.

Cheng Mengyan and Fu Lanling enjoyed their time, they chatted and had fun in this place.

Since there weren't too many people here, Cheng Mengyan and Fu Lanling didn't need to keep their tone down.

"What a nice place, it's a shame I have to go back," a woman complained, she wanted to stay longer here.

Too bad she couldn't do that and had to come back as soon as possible.

Because she had to leave, the woman immediately got out of the pool and left the room.

The woman's figure is quite good, she is probably a very beautiful woman.

Fu Lanling and Cheng Mengyan saw the figure of the woman who had just left this place.

"sister" Cheng Mengyan said to Fu Lanling.

"What is it?" Fu Lanling asked Cheng Mengyan.

"Isn't the woman just now quite familiar, do you feel that she resembles someone?" Cheng Mengyan said to Fu Lanling.

"You are absolutely right, I also feel that the woman resembles someone." Cheng Mengyan also felt it, she felt that the woman just now resembled someone.

Cheng Mengyan and Fu Lanling thought for a while, after they thought for a while, they finally realized who the woman just now was.

"Impossible" Cheng Mengyan and Fu Lanling looked at each other.

"Is the woman just now Long Luxie?" Cheng Mengyan said to Fu Lanling.

"That's absolutely right, the figure of the woman just now, she should be Long Luxie" said Fu Lanling.

"let's chase her" Cheng Mengyan said to Fu Lanling.

"Come on, don't let us lose her" Fu Lanling agreed with what Cheng Mengyan said.

They had to chase Long Luxie, they had already discovered Long Luxie's whereabouts, and they couldn't just let Long Luxie go.

Cheng Mengyan and Fu Lanling took the towels, after using the towels, they followed Long Luxie, who had left the room first.

"Where is she going?" Cheng Mengyan and Fu Lanling immediately searched the surroundings, they tried to find Long Luxie's whereabouts.

"It looks like she went into one of the rooms, we have to look for her one by one," Fu Lanling said to Cheng Mengyan.

"let's split up," Cheng Mengyan said to Fu Lanling.

"Um. ." Fu Lanling agreed, and they split up to look for Long Luxie's whereabouts.

Fu Lanling and Cheng Mengyan tried hard to find Long Luxie's whereabouts.

.

.

"master, you found it?" Chu Yuechan asked Ye Chen.

"Not yet, I'm looking," Ye Chen said to Chu Yuechan.

Ye Chen was searching, and he would soon find Long Luxie's whereabouts.

Ye Chen flew around the city, he searched around the city to find Long Luxie's whereabouts.

Ye Chen continued to circle, he hoped that Long Luxie had not left.

Currently, Ye Chen was near the bathhouse where Fu Lanling and Cheng Mengyan were, Ye Chen finally found traces of Long Luxie.

"It looks like he's here," Ye Chen said to Chu Yuechan.

"What are you waiting for, let's go inside," Chu Yuechan said to Ye Chen.

"This is a bath only for women, it seems I can't move freely," said Ye Chen.

"Just sneak in, who can find you, no one will find you," Chu Yuechan said.

"Umm . . ." Long Luxie couldn't scream, Ye Chen had already silenced her and made her unable to speak anymore.

"Don't talk, do you understand?" Ye Chen cornered Long Luxie, and Long Luxie's body was pressed against the wall.

Chapter 3117 Long Luxie attacked Ye Chen

"Do you think you can take it from that person's hands easily?" Long Luxie said.

Long Luxie laughed at Ye Chen, did Ye Chen think he could easily get the mirror of memories from Long Gunha's hands?

"I don't know, I haven't tried it, so I don't know about this problem yet," Ye Chen said to Long Luxie.

Ye Chen himself had not tried it, and he had not met Long Gunha either, it was difficult to conclude whether he could take it.

"Quite confident, it's a shame that you will never get the mirror of memories" Long Luxie said to Ye Chen.

"Why?" Ye Chen asked Long Luxie.

"It's because of you that soon you will die, I will kill you," Long Luxie said to Ye Chen.

she told Ye Chen that he would die soon.

Long Luxie still seems to have a grudge against Ye Chen, and she wants to kill Ye Chen using her own hands.

"what are you trying to do?" Ye Chen asked Long Luxie.

Long Luxie brought out her full strength, from her cultivation level, she was only at the peak stage of the Immortal God Realm.

Her strength might be quite high, but it was still below Ye Chen.

"Dead. . ." Long Luxie told Ye Chen, and she started attacking Ye Chen with a flying sword.

"A woman who is so troublesome," Ye Chen complained, he met a woman who was quite troublesome. Why did Ye Chen have to meet a woman who was so troublesome, like Long Luxie.

Ye Chen decided to fight back against the attack launched by Long Luxie.

He used the flying fire sword and started to counterattack.

Using the flying fire sword, Ye Chen easily repelled all the attacks without any problems.

"Why did you deflect it?" Long Luxie said to Ye Chen.

"I don't want to die, do you think I'm stupid" Ye Chen said to Long Luxie.

"You, you should just die," Long Luxie said to Ye Chen.

"I don't want to, who wants to do it, is there something wrong with your brain, it looks like you need to see a doctor," Ye Chen said to Long Luxie.

Long Luxie was so angry her double peaks rose and fell when she was angry.

"It looks like you are angry and can't control yourself" Ye Chen told Long Luxie.

Long Luxie was too angry and couldn't control herself.

Whose fault do you think this is?" Long Luxie told Ye Chen that this was Ye Chen's fault, and if it weren't for Ye Chen, she wouldn't be like she is today.

"So this is my fault" Ye Chen said to Long Luxie.

"You just realized" said Long Luxie.

"yes, I just realized it" Ye Chen said to Long Luxie.

"Why are you so annoying, I feel like destroying you" Long Luxie said to Ye Chen, she wanted to kill Ye Chen with her own hands.

"That can't be happening," Ye Chen told Long Luxie.

"dragon flying sword formation" Long Luxie felt hatred when talking to Ye Chen, Long Luxie decided to use the dragon flying sword formation.

The flying sword in Long Luxie's possession turned into a huge dragon.

"The technique you have is quite interesting" Ye Chen said to Long Luxie.

Long Luxie had such an interesting technique, she was able to display such good abilities.

Long Luxie does have talent. she wouldn't be able to do this if she didn't have talent.

"I will kill you" Long Luxie said to Ye Chen, she attacked Ye Chen, the attack this time would be strong enough to destroy this place.

"I better leave this place" Ye Chen decided to leave this place, which would be destroyed.

"it's too late to leave, you will die" Long Luxie said to Ye Chen, Ye Chen was too late, he would have no chance to leave this place.

Long Luxie released an attack towards Ye Chen after she released an attack towards Ye Chen, a large number of flying swords headed straight towards Ye Chen.

"Boom . . ." a very large explosion occurred, a large explosion hit this place and destroyed the entire women's bath.

The people around were affected by Long Luxie's attack, they didn't have time to dodge and were swept away by the current.

"This woman, it looks like she is very angry" Ye Chen saw that Long Luxie was completely angry, no one would be able to stop an angry woman.

"accept that" Long Luxie was satisfied with what happened, she managed to vent her anger at Ye Chen.

"Aren't you quite excessive, to the point of destroying people's property?" Ye Chen said to Long Luxie.

What Long Luxie did was too much, she destroyed this place.

"ehh?" Long Luxie turned around and saw Ye Chen standing behind her.

"You were able to survive that attack?" Long Luxie didn't believe that Ye Chen could survive such an attack.

"Of course, I can survive the attack you launched," Ye Chen told Long Luxie.

Long Luxie's face darkened, today, Long Luxie felt very unlucky, why did she have to meet a man like Ye Chen.

"You are very annoying," Long Luxie said to Ye Chen, she felt that Ye Chen was very annoying.

"I'm not annoying, it's just your feelings" Ye Chen answered Long Luxie,

Ye Chen's answer made Long Luxie unhappy, Long Luxie released even more strength, it seemed like she was going to launch a much stronger attack again.

"This woman, if I let her, she can destroy the surroundings" Ye Chen couldn't let Long Luxie act as she pleased, Ye Chen had to do something about this problem.

"I'd better take her away, that is the safest way I can think of" Ye Chen will take Long Luxie away from this place, according to Ye Chen, that is the safest way that can be used to deal with Long Luxie.

Ye Chen advanced, and he was immediately in front of Long Luxie.

"What ! ! !" Long Luxie was surprised when she saw Ye Chen in sight.

"Got you" Ye Chen caught Long Luxie's body.

"Let go of me, don't hug me," Long Luxie said to Ye Chen, she asked Ye Chen to let go.

"that won't happen" Ye Chen said to Long Luxie.

Ye Chen refused to let go of Long Luxie, he took Long Luxie away from the city.

"What are you trying to do?" Long Luxie could only protest Ye Chen.

Now she had been taken away by Ye Chen out of the city.

Cheng Mengyan and Fu Lanling had just found Long Luxie and saw Long Luxie leaving with Ye Chen.

"It seems like the woman is with the husband," Fu Lanling said.

"Shall we go after them?" Cheng Mengyan asked Fu Lanling.

"I don't think it's necessary," said Fu Lanling.

"Why?" Cheng Mengyan asked Fu Lanling they should take advantage of this to chase Ye Chen.

"I think husband will solve the problem," said Fu Lanling.

Fu Lanling believed that with Ye Chen's abilities, Ye Chen could overcome this problem alone.

"So this is the confidence you have" Cheng Mangyan understood, this was the confidence that Fu Lanling had.

"let us continue" Fu Lanling said to Cheng Mengyan.

"I understand" Cheng Mengyan understood, they returned to the VIP bath.

Both of them trusted Ye Chen's abilities, they handed over Long Luxie's problem to Ye Chen.

Chapter 3118 Apologized to Long Luxie

Ye Chen took Long Luxie out of the city, now, no one would be harmed when Long Luxie.

"Why did you take me out of town?" Long Luxie asked Ye Chen.

"It's clear, isn't it, you're causing trouble, so I decided to take you out of the city" Ye Chen told why he did this.

If Ye Chen left Long Luxie in the city any longer, it was certain that the city would be destroyed.

"Can't you answer with something that isn't annoying like that?" Long Luxie was annoyed, Ye Chen answered with something annoying.

"I'm just saying the reality, what's wrong with saying the reality," Ye Chen said to Long Luxie.

Ye Chen only said the facts that happened, Ye Chen had no other intentions.

"That's what makes you annoying" said Long Luxie.

"The most troublesome woman, gives me a headache" said Ye Chen.

"Fufufufufu, you found one quite difficult enemy," Chu Yuechan said to Ye Chen.

Ye Chen had just encountered one difficult enemy.

"You are absolutely right, I just found one enemy who was so difficult, it made me angry," Ye Chen said to Long Luxie.

"How about we just make peace, I don't like fighting," Ye Chen told Long Luxie.

Ye Chen wanted to reconcile with Long Luxie.

"If I don't want to," Long Luxie rejected him, it seemed he didn't want to reconcile with Ye Chen.

"Come on, I think we are similar" Ye Chen said to Long Luxie.

"Which parts are similar, we are not similar at all" said Long Luxie.

"That . . ." Ye Chen thought for a while, indeed they didn't look alike.

"see, you can't answer that" said Long Luxie.

"We are similar, sometimes I am also a little selfish, like what you are doing now," said Long Luxie.

"I'm not selfish," Long Luxie snorted coldly at Ye Chen.

"There's nothing to gain if we continue with this?" Ye Chen said to Long Luxie.

Ye Chen said that they would not get any benefits if they continued fighting.

"You might be right" Long Luxie had already used quite a lot of strength against Ye Chen, and it looked like she couldn't win against Ye Chen.

Even though Ye Chen was an annoying guy, he was indeed strong.

"it's not easy to persuade me" Long Luxie said to Ye Chen.

"what can make you calm ?" Ye Chen asked Long Luxie.

Ye Chen didn't know what Long Luxie liked.

So Ye Chen asked Long Luxie about this.

"Why don't you think about it?" Long Luxie said to Ye Chen.

"You are a troublesome woman, what's the harm in telling that" Ye Chen said to Long Luxie.

Ye Chen told Long Luxie to tell him the problem would not be resolved if it continued like this.

"something delicious to eat," said Long Luxie.

"something delicious, are you hungry?" Ye Chen said to Long Luxie.

"Possible . . ." Long Luxie answered in a small voice, she looked cuter when she was shy.

"Okay, I agree," Ye Chen said to Long Luxie.

Ye Chen agreed to make peace with Long Luxie.

Ye Chen took some cakes, he should still have some pretty delicious cakes.

Ye Chen took out something and gave it to Long Luxie.

"What's that?" Long Luxie was curious about what Ye Chen had put out, she tasted it and found it very good.

"Very delicious, what is this, I have never tried this kind of thing." Long Luxie immediately liked the cake Ye Chen gave.

"I know you will definitely like it," Ye Chen said to Long Luxie.

"Ummm. . ." Long Luxie enjoyed everything, it seemed like Long Luxie liked sweet things.

She looks like a very cheerful young woman when eating sweets.

"Your expression quickly changed, where is the arrogance you previously had?" said Ye Chen.

"It can't be helped, this is delicious, I will forgive what happened," Long Luxie said to Ye Chen.

Long Luxie admitted it, and she forgave Ye Chen.

"easier than I thought" Ye Chen managed to get forgiveness from Long Luxie.

It seemed Ye Chen didn't need to resist because Long Luxie had already forgiven him.

"So when are you going to take me to Long Gunha ?" Ye Chen asked Long Luxie.

"Why, what do you want, that person is not just anyone, even I can't get close to him," said Long Luxie.

Long Luxie told Ye Chen Long Gunha that he was a strong figure, that man really had great power, and that a character like Long Luxie couldn't get close to him.

"I heard that you have quite a reputation," said Ye Chen.

Ye Chen heard that Long Luxie had strength, so he asked Long Luxie.

Let Long Luxie answer it to confirm Long Luxie's status.

"it's not that strong, compared to Long Gunha, I'm just a small character who runs a business in the capital, and is part of the special forces" said Long Luxie.

"Special forces, what kind of troops are they?" Ye Chen asked Long Luxie.

"The army called Main Star Dragon, it is under the control of one of the dragon gods too," said Long Luxie.

"It seems I lack information about it" Ye Chen said to Long Luxie.

"You don't even know about it, where do you come from" said Long Luxie.

"From God Realm," Ye Chen said to Long Luxie.

"ehhhh . . ." This time it was Long Luxie's turn to be surprised when she heard this.

"Why didn't you say that from the start?" asked Long Luxie.

"You don't ask and just attack me," Ye Chen said to Long Luxie.

Long Luxie attacked Ye Chen first, how could Ye Cen explain this when Long Luxie attacked Ye Chen?

"if you said it earlier, it would be easier to talk," said Long Luxie.

If Long Luxie knew, the situation might not be so chaotic.

"We both come from God Realm, I think it's good," said Long Luxie.

"You seem quite afraid to talk about important things with outsiders," said Long Luxie.

"You don't understand, this world is more terrifying than you can imagine, I've seen so many people from God Realm being hunted down," said Long Luxie.

"hunted?" Ye Chen asked.

"That's right, it seems like they realized that people from God Realm came and there were some groups hunting us, the reason why I sold the mirror of memories was because of that if I held onto that thing, I probably wouldn't be able to live," said Long Luxie.

"Plus I also have to become stronger to continue to survive, I sold everything I had until I had nothing left, everything to become stronger and survive," said Long Luxie.

There was sadness in Long Luxie's tone, it seemed like she had experienced something terrible.

"Yes, I understand what you feel." Ye Chen seemed to be starting to understand what Long Luxie was feeling.

Ye Chen wanted clarity on this matter from Long Luxie, if it was true, then the deaths of the people from God Realm had something to do with a group.

And Ye Chen couldn't remain silent about this.

Long Luxie told what she knew, she said that there was an underground group that was moving and looking for people from the God Realm, and because of this, Long Luxie and several people had to hide and mingle with people from the Supreme God Realm.

By doing this, Long Luxie could survive and remain alive to this day.

"If that's true, it looks like I can't stay silent," Ye Chen told Long Luxie.

Chapter 3119 Chat with Long Luxie

"Are you going to fight them?" Long Luxie asked Ye Chen.

"If that's what has to be done, there is no choice but to fight, do you think I will just leave this matter like that" Ye Chen said to Long Luxie.

There were so many victims, even from what Nanlan Lia said, more than ? of God Realm's people had been killed.

That group did some of it.

"Their goal, whether it is resources or cultivation techniques." there are two possibilities that Ye Chen can think of, first is cultivation techniques and resources, these two things are the most valuable things they carry and are easy targets to take.

"Yuechan," Ye Chen said to Chu Yuechan.

He asked Chu Yuechan to tell the others what he had just discovered.

"I understand" Chu Yuechan would tell everyone, they could find out about the matter.

"I will try to find out this problem, I will resolve matters here, I want to find the mirror of memories, I hope you can work together" Ye Chen said to Long Luxie.

"How many times have I told you it's already in the hands of big people, you won't be able to get it, you should just give up," Long Luxie said to Ye Chen.

The mirror of memories is already in the hands of a strong person, taking it back isn't easy.

Even if it were for Ye Chen, he would not be able to do it.

"It seems like you underestimate me too much, even though it looks like this, I'm quite strong" Ye Chen said to Long Luxie.

"Somehow, I'm not sure about you." Long Luxie was quite doubtful about Ye Chen.

"You definitely won't believe in the abilities that I have, I'm aware of that" Ye Chen realized that Long Luxie wouldn't easily believe in Ye Chen's abilities.

"But you can rest assured that I will protect you from all kinds of evil," Ye Chen said to Long Luxie.

Ye Chen approached and stood in front of Long Luxie.

"Huh ?" Long Luxie was silent, she felt embarrassed when she looked at Ye Chen.

"What's wrong with you?" Long Luxie didn't understand, why she was like this, she was so embarrassed when facing Ye Chen.

Long Luxie's face became hot, she felt extremely nervous.

Ye Chen held Long Luxie's arm, when Ye Chen did this, Long Luxie's face became so red it turned into an apple.

"what's wrong with you ?" Ye Chen asked Long Luxie.

"That's none of your business," Long Luxie said to Ye Chen, she told him that it was none of Ye Chen's business.

"? ? ?" Ye Chen didn't understand what Long Luxie was thinking.

"Okay, then let's meet Long Gunhe" said Ye Chen.

"I told you that it couldn't happen," Long Luxie said to Ye Chen.

"You can't do it?" Ye Chen asked Long Luxie.

"I haven't even met that person, so I can't do it" Long Luxie said to Ye Chen.

"Then how do you sell it?" Ye Chen asked Long Luxie.

"It was through an intermediary, I have never met Long Gunhe" Long Luxie said that she sold it through an intermediary, she had never even met Long Gunhe.

"hmmm, how troublesome, you've never even met that person." Ye Chen felt this was troublesome.

"How about I meet your boss?" Ye Chen said that he would meet Long Luxie's boss.

Long Luxie's superior should be of the same rank as Long Gunhe.

"It's better not, I've met her once, she has such a terrifying aura, just standing before her is very difficult for me," said Long Luxie.

Long Luxie said that her boss was really strong, just standing in front of her made it difficult for Long Luxie to breathe.

"Don't worry, I can solve this problem," Ye Chen told Long Luxie.

Ye Chen could solve this problem easily, Ye Chen was quite confident in his abilities.

"Okay, if you put it like that" Long Luxie finally agreed, she would help Ye Chen.

"Very good" both of them shook hands, they agreed to help each other.

Ye Chen would protect Long Luxie, meanwhile, Long Luxie would help solve this problem.

After agreeing, the two sat and drank together, discussing many things.

Although not old acquaintances, it was quite pleasant to talk with Long Luxie.

"I feel like I've met you" Long Luxie said to Ye Chen.

Long Luxie felt that she had met Ye Chen.

"Did you forget about me?" Ye Chen said to Long Luxie.

"Have we met before?" Long Luxie tried to remember Ye Chen.

"I was the one who opened the borders and allowed you to come here," said Ye Chen.

"ahh, so you were the one at that time," Long Luxie finally remembered Ye Chen.

"The you now is different from before," Long Luxie said to Ye Chen.

"different, is there a difference?" Ye Chen asked Long Luxie.

"Of course, I used to think that you were a serious and quite gloomy person, who would have thought that you were an annoying and more cheerful person" said Long Luxie.

"At that time, I was having a problem" Ye Chen said to Long Luxie

At that time, Ye Chen had a lot of problems, plus Ye Chen had just recovered from injury and lost Shui Yixian, which may have made Ye Chen become like that.

"Is your problem solved?" Long Luxie asked Ye Chen.

"Maybe, there are some things that haven't been finished yet" Ye Chen said to Long Luxie.

"so that's how it is" Long Luxie understood.

"but there is something strange about you," Ye Chen said to Long Luxie.

"what's so strange, we've never even seen each other," Long Luxie said to Ye Chen.

"You look much better in the imaging stone" Ye Chen said to Long Luxie.

Long Luxie in the imaging stone looked much more beautiful than the one in front of Ye Chen.

Long Luxie, who was in front of Ye Chen, seemed to have lost something inside her.

Although less compared to the one in the picture, Long Luxie's figure was still beautiful.

"You noticed it quickly," Long Luxie said to Ye Chen.

"of course, I noticed it quickly" Ye Chen nodded, a thorough person would easily notice it.

"It's all because of this," Long Luxie said to Ye Chen.

Long Luxie showed Ye Chen a bracelet, and it seemed like it was emitting a bad aura.

"This object emits an ominous aura" Ye Chen said to Long Luxie.

"This is a cursed bracelet," Long Luxie said to Ye Chen.

"Why are you wearing that kind of thing?" Ye Chen asked Long Luxie.

"I also don't want to use this kind of right, I was also forced," Long Luxie said to Ye Chen.

"forced," asked Ye Chen.

"That's true, someone is forcing me, and I can't let go," said Long Luxie.

Long Luxie couldn't let go of this.

"Are you okay with that?" Ye Chen asked.

"A little, but I feel the benefits, I feel less people chasing me" Long Luxie was also helped by this.

"You are lying," Ye Chen said to Long Luxie.

"Why do you think I lied to you" asked Long Luxie.

"It's clear, isn't it, women like beauty, you won't be able to lie to me" Ye Chen said to Long Luxie.

Every woman likes to look beautiful, and Ye Chen is sure that Long Luxie thinks the same.

Chapter 3120 Investigate what is happening underground in the city

"I really can't hide this matter from you" Long Luxie said to Ye Chen.

Long Luxie couldn't hide anything from Ye Chen.

When she tried to hide something, Ye Chen could easily find it.

"I know enough about girls" Ye Chen said to Long Luxie.

Long Luxie just sighed, there was nothing she could do.

"Come on, stretch out your hand" Ye Chen said to Long Luxie.

Ye Chen told Long Luxie to stretch out her hand.

"What would you do?" Long Luxie asked Ye Chen.

What would Ye Chen do?

"Just do what I said," Ye Chen told Long Luxie.

Ye Chen told Long Luxie to do what he ordered.

"Okay, I will do it" Long Luxie agreed to do it, and she stretched out her hand.

Ye Chen held Long Luxie's hand, he touched the bracelet on Long Luxie's hand.

Long Luxie was curious about what Ye Chen was doing.

"What are you trying to do ?" Long Luxie asked Ye Chen, what is Ye Chen trying to do now.

"I'm trying to help you let go," Ye Chen told Long Luxie.

"Stop, you won't be able to do that," Long Luxie told Ye Chen.

Long Luxie said that Ye Chen would not be able to do that.

This was a very strong bracelet, Long Luxie had tried various methods but couldn't open it.

"Shh" Ye Chen told Long Luxie to be quiet, he would open it.

"Click . . ." Ye Chen crushed it, he took the bracelet from Long Luxie's hand.

"no way, you can do that kind of thing?" Long Luxie didn't believe that Ye Chen could do something like that.

How could Ye Chen do such a thing, it was abnormal.

"It's very easy, I thought it would be very difficult, it turns out it's very easy" Ye Chen said to Long Luxie.

Ye Chen felt that it was so easy, there was nothing difficult when opening the bracelet.

"You are really unreasonable," Long Luxie said to Ye Chen.

Ye Chen was unreasonable, how could he do that kind of thing?

Ye Chen smiled when he heard this, he had solved Long Luxie's problem.

The evil aura faded from Long Luxie's body, Long Luxie looked more beautiful and beautiful.

"I thought, you are a very beautiful woman" Ye Chen said to Long Luxie.

"no, don't praise me" Long Luxie became embarrassed.

The arrogant woman was embarrassed when she received a compliment from Ye Chen, a momentum that was so rare to see.

"Very funny, you are very funny," Ye Chen said to Long Luxie.

"Stop teasing me, you're so mean" Long Luxie hit Ye Chen, she wasn't serious about hitting Ye Chen, just playing around.

"Rumble" as the two joked, they felt a vibration from below.

"What's that?" Long Luxie wanted to know what it was, the vibration just now was really very strong.

"What are they doing, digging at the bottom like that?" Ye Chen said to Long Luxie.

"Dig, why did they do this?" asked Long Luxie.

"I don't know about that either, don't you know?" Ye Chen asked Long Luxie.

"I didn't know that there was a project like that here" Long Luxie said to Ye Chen.

Long Luxie didn't know that there was such a project, she had never heard of it.

"Is it an illegal miner" Ye Chen said to Long Luxie.

"Perhaps, if I remember correctly, there is a green dragon gem below," said Long Luxie.

"green dragon gem, what kind of thing is that?" Ye Chen asked Long Luxie.

"The green dragon gem is an object with very strong life energy, it is what makes this land fertile and full of trees, if it is taken away, then this place could immediately become barren," said Long Luxie.

"Doesn't that sound bad?" Ye Chen said to Long Luxie.

"You're right, that sounds quite bad" Long Luxie agreed with Ye Chen, if that happened, the people in the city would be affected.

This city may become dead if the green dragon gem is taken.

"I think I will see it," Ye Chen said to Long Luxie.

Ye Chen would try to take a look, it seemed like they just wanted to use the green dragon gem for themselves.

"I'm coming with you" Long Luxie said to Ye Chen.

Long Luxie said that she wanted to come with Ye Chen.

Long Luxie also wanted to see what happened.

"of course, you can come" Ye Chen allowed Long Luxie to accompany him.

Ye Chen took Long Luxie with him, he went straight down to the underground.

With the ability to control the earth, Ye Chen made quite a big hole.

"we can use this hole to get in" Ye Chen said to Long Luxie.

"I like the way you think. ., this makes it easier for us to go inside," Long Luxie said to Ye Chen.

"Even though it makes things easier for us, we still have to be careful, maybe the enemy is already preparing to attack us," Ye Chen said to Long Luxie.

"You might have a point, the enemy might be waiting for us" Long Luxie agreed with Ye Chen's statement.

"I'd better use the defensive abilities I have" Long Luxie used the defensive abilities she had.

Long Luxie coated her body in wind armor that was strong enough to withstand attacks.

"It seems like you are too much," Ye Chen told Long Luxie.

"This is normal, this is for safety, you also have to do the same as I did" Long Luxie said to Ye Chen.

she told Ye Chen to do the same thing she did.

"No need, I don't need to," Ye Chen said to Long Luxie.

Ye Chen told her that he would be fine, Ye Chen's defense was very strong, who could make Ye Chen hurt.

Only a few things could hurt Ye Chen, so this kind of thing was very normal for Ye Chen.

"It's up to you" Long Luxie said to Ye Chen.

After Long Luxie finished with preparations, Ye Chen immediately took Long Luxie inside.

Ye Chen made a fairly deep hole, the depth of the drilling was thousands of miles away.

"How deep is that place?" Long Luxie asked Ye Chen.

"It's quite deep, we'll be there in a few minutes" Ye Chen said to Long Luxie.

"It turns out to be quite deep too" Long Luxie said to Ye Chen.

"This place has hard ground, it's quite difficult to make a hole, if I don't have enough strength, I won't be able to make a hole to the very bottom," Ye Chen said to Long Luxie.

"That hard?" Long Luxie didn't expect that the ground here was hard.

"It looks like it was made hard to protect something," Ye Chen told Long Luxie.

It must be to protect the green dragon gem," said Long Luxie.

"That possibility is very big," Ye Chen told Long Luxie.

After several thousand miles, Ye Chen and Long Luxie landed on the ground, they found a tunnel that was quite large, and it led to the bottom.

"This is the tunnel they made" Ye Chen said to Long Luxie.

"It's so big, it must have taken a lot of people to make it," said Long Luxie.

"Approximately thousands of people are working," Ye Chen said to Long Luxie.

Ye Chen said that thousands of people were working on the excavation, which was quite a large number for an excavation.
