Chapter 3121 Earth dragon bandits

"so many," Long Luxie said to Ye Chen.

"if not bring that many people, I'm afraid they won't be able to go in this deep" Ye Chen said to Long Luxie.

The reason why they brought so many people was to be able to reach the deepest depths.

Without using so many people, it would be very difficult to be able to dig to such a depth as now.

Honestly, this place is really deep and filled with so many hard rocks, that digging it will take quite a lot of time.

"Then we have to face them all" asked Long Luxie.

"They all have employed or a gang, there is no way but to fight them" Ye Chen said to Long Luxie.

There is only one way now, fight or destroyed by them.

"I expected it, we will be fighting so many people at once, I hope their strength will not be too great" Long Luxie hoped the enemy would not be too strong.

"Too hopeful won't be too good, it's clear that there are enough strong people" Ye Chen said to Long Luxie.

Ye Chen told Long Luxie that strong people were among the few enemies.

"I shouldn't have come with you" if only Long Luxie had known this from the start, he wouldn't have come with Ye Chen.

"It's too late to go back, you are here, so let's continue our journey," Ye Chen said to Long Luxie.

There was no longer any way back, they could only continue forward.

"wait a minute, don't pull me" Long Luxie said to Ye Chen.

"You are too noisy, we could get caught if you shout like that" Ye Chen said to Long Luxie.

Long Luxie made a loud noise, it could make them found.

"I'm sorry," Long Luxie apologized to Ye Chen.

"what you say?" Ye Chen asked Long Luxie.

Ye Chen probably heard it wrong.

Long Luxie apologized, this was a rare thing, Ye Chen thought Long Luxie couldn't say an apology.

"I'm sorry, didn't you hear me ?" Long Luxie told Ye Chen.

"Yes, I listened to you. Don't make a fuss" Ye Chen said to Long Luxie.

Ye Chen and Long Luxie were close to heading inside, they should meet some people.

"From here on, we will hide, do you understand?" Ye Chen said to Long Luxie.

"I understand, we are confounded by them, right?" answered Long Luxie.

"That's true, don't let it happen, if we are found, we have to face them all" Ye Chen didn't want to waste time facing them all.

Ye Chen wanted to immediately arrest the person at the top, the person behind all this, the head of this group.

If Ye Chen could catch this person, the next problem would be easier handled.

"Come with me, as long as you follow me, everything will be fine," Ye Chen told Long Luxie.

She wouldn't have found as long as Long Luxie followed Ye Chen.

Ye Chen sneaked around together with Long Luxie.

Ye Chen used a pile of rocks to hide, thus Ye Chen would not be easy to find by the enemy.

"Let's finish it quickly, the person who succeeds in getting the green dragon gem will get a large prize" a man gave an order.

He told them to work harder, whoever could get the green dragon gem would get more rewards.

With a gift that promised all the workers became so enthusiastic.

For the reward, they will reward large amounts of resources.

They are also still given special positions within the organization.

"Young lady Long Luxie" Ye Chen said to Long Luxie.

"You can just call me Luxie, no need to be too formal with me" Long Luxie told Ye Chen not to be too formal.

After the previous incident, Ye Chen and Long Luxie were quite close, Long Luxie could trust Ye Chen and considered Ye Chen to be a good friend.

"Luxie, do you know which group they are from, I think they are dragons with earth elements" Ye Chen said to Long Luxie.

"I will see them again." Long Luxie wanted to be sure.

"they?" Long Luxie knew who they were.

"It looks like you know," Ye Chen said to Long Luxie.

From Long Luxie's expression, it seemed like he knew who these people were.

"I do know, that symbol, it is the symbol of the group Earth dragon bandits" Long Luxie.

"can you explain in more detail" Ye Chen asked Long Luxie to explain.

"This is an elite group of thieves who steal from various places, from ordinary families to rich families, they can carry out their actions very quietly, it is very difficult to catch them" Long Luxie said to Ye Chen.

"added, and every one of them has such good skills," said Long Luxie.

"That means they are strong and troublesome," Ye Chen immediately concluded.

"Not only is it troublesome, fighting them is quite difficult and impossible for both of us," said Long Luxie.

Ye Chen listened to what was said by Long Luxie.

"We'd better go back" Long Luxie said to Ye Chen.

she took Ye Chen back, Long Luxie would report this matter, and maybes she could get help to catch them.

"I think when that time comes, they are finished" Ye Chen said to Long Luxie.

Ye Chen could see that they were almost getting the items they wanted.

Only a little more was left before they got the green dragon gem.

They would leave this place immediately after getting what they were looking for.

Ye Chen could be 100% sure about this.

"You might be right" Long Luxie agreed with what Ye Chen said

When help arrived, they would have found what they were looking for.

"If you want to stop them, now is the time, you can get a reward if you catch them, right?" Ye Chen asked Long Luxie.

"Of course, the reward for catching them is huge," said Long Luxie.

Long Luxie said they had great value, either wayarrested alive or dead.

"Then we can't just let this go," Ye Chen said to Long Luxie.

"Are you sure? This is very risky" said Long Luxie.

"a man will not back down" Ye Chen said to Long Luxie.

Ye Chen would not retreat, he chose to advance.

Long Luxie smiled when she saw Ye Chen not backing down, this was the true figure of a man.

"There is a new hole, it looks like there is an intruder" When Ye Chen and Long Luxie were about to move, they heard a scream.

Screamthe, of course, alerted everyone, so they immediately gathered.

"Looks like we were discovered" Ye Chen said to Long Luxie.

"How can we found" Long Luxie said

"I forgot to close the hole where we came in, it seems one of them found it" Ye Chen said to Long Luxie.

This was Ye Chen's mistake, Ye Chen should have been more alert.

That error by Ye Chen was so fatal they were alert and started looking for Ye Chen.

"a new hole was found, and it looks like it's from above, it looks like someone is coming in, quickly search around" The foreman gave the order, and he immediately told them to find Ye Chen.

The person who sneaked in must have been hiding, and because of this, the foreman told everyone to find Ye Chen's whereabouts.

They split up and started looking for Ye Chen's whereabouts, with their abilities and skills should could find Ye Chen's hiding place.

"We should hide" Ye Chen said to Long Luxie.

Ye Chen pulled Long Luxie and looked for a new hiding place.

Chapter 3122 Teased Long Luxie

Because they started looking for Ye Chen and Long Luxie, Ye Chen took Long Luxie to the side of the wall, he used his abilities to create a new hole that they would not be able to find.

Ye Chen brought Long Luxie in, after entering, Ye Chen closed the door and let it return to how it was before.

"Quickly look for them" Ye Chen could hear that these people were looking for Ye Chen.

They started moving to find Ye Chen.

"For the time being we are here first" Ye Chen said to Long Luxie.

"Isn't this place a little cramped?" Long Luxie said to Ye Chen.

Long Luxie couldn't move freely, it was because this place was small that Long Luxie body.

"I can't make it bigger, if I do that, they can find us easily" Ye Chen said to Long Luxie.

Ye Chen told her he couldn't do that, maybe Ye Chen and Long Luxie would be found.

"Then we have to stick like this for a while" because it was quite narrow, like it or not Long Luxie had to stick with Ye Chen.

"do you mind," Ye Chen said to Long Luxie.

"Of course, I mind a little" Long Luxie said to Ye Chen, who objected.

"I like it myself, you smell so fragrant," Ye Chen told Long Luxie.

"what you said, it's so embarrassing" Long Luxie said to Ye Chen, she said that it was so embarrassing.

"I'm telling the truth, why are you even embarrassed" Ye Chen told Long Luxie.

Ye Chen said the truth, Long Luxie felt so fragrant.

Perhaps because Long Luxie had just finished bathing, she exuded such a fragrant aroma.

Long Luxie's face turned red like an apple.

It seemed that Ye Chen's words embarrassed Long Luxie.

The two of them became closer, Ye Chen could feel two soft objects pressing against his chest.

Long Luxie's double peaks pressed against Ye Chen's chest, the feeling of being pressed by two large objects was so comfortable.

"So comfortable" Ye Chen said in his mind, what Long Luxie did was so comfortable.

Long Luxie wasn't aware of what had happened, she had difficulty moving because the space was so narrow, it wasn't strange that Long Luxie was so tightly attached to Ye Chen.

Ye Chen stretched out his hand, he pulled Long Luxie closer.

"What are you doing?" Long Luxie asked Ye Chen.

"Nothing, just want to hug you" Ye Chen said to Long Luxie.

Ye Chen said that he just wanted to hug Long Luxie.

"umm. . ." Long Luxie was getting increasingly embarrassed, she was so close to such a handsome and great young man, and this made Long Luxie unable to bear it.

Long Luxie was still an ordinary woman, she was interested in Ye Chen.

When Ye Chen did this, Long Luxie started to get a little excited.

Even Long Luxie's breathing was irregular, and she could not control herself.

"too close, I can't hold back, I want to kiss him" Long Luxie couldn't hold it in, she wanted to kiss Ye Chen.

Men like Ye Chen are one of her favorite types.

Unconsciously, Long Luxie started to tiptoe, she brought her face closer to Ye Chen.

Ye Chen saw what Ye Chen did, she welcomed what Long Luxie did.

"Chu . ." without realizing it, their lips met, and they started kissing.

Their kiss was so deep, that Long Luxie hugged Ye Chen's neck and clung tightly to Ye Chen.

Ye Chen got a kiss from Long Luxie, Ye Chen was so lucky because he got a kiss from Long Luxie.

It was rare because Long Luxie had never done it with anyone else.

"it feels so good." After 3 minutes, Long Luxie broke away and touched her lips, the feeling of kissing Ye Chen was indeed the best.

"do you like it ?" Ye Chen said to Long Luxie.

"it feels strange, but it's so comfortable, such a good feeling" Long Luxie said to Ye Chen.

"Then let's continue," Ye Chen said to Long Luxie.

"What continues ? ., um. . ." Before Long Luxie finished speaking, Ye Chen had already sealed Long Luxie's lips.

This kiss was different from before, this time, Ye Chen taught Long Luxie how to kiss adults.

Long Luxie was still not used to this, she could only look at Ye Chen.

Ye Chen used his tongue to teach Long Luxie how to kiss.

With the little teachings that Ye Chen gave to Long Luxie.

Long Luxie should be able to do it easily.

Long Luxie started to get used to it and cooperated with Ye Chen, the two's tongues were entangled, and they enjoyed each other's tongues.

"Comfortable" Long Luxie's mind was in chaos, she felt melted by the kiss from Ye Chen.

The feeling of kissing Ye Chen was so comfortable that it couldn't be described in words.

The two of them kissed for 20 minutes, they didn't want to let go of each other, especially Long Luxie, she didn't want to be separated from Ye Chen.

"what do you think?" Ye Chen asked Long Luxie.

Ye Chen wanted to know how Long Luxie felt.

"Very good, I didn't know kissing would feel so comfortable" Long Luxie said to Ye Chen.

Long Luxie admitted that this was very comfortable, she liked what Ye Chen did, the feeling that Ye Chen gave her was very comfortable.

"in that case . . ." Ye Chen touched Long Luxie's double peak.

"Ahh . . ." a voice from Long Luxie leaked out, she couldn't hold back when Ye Chen touched her double peaks.

"I heard something" The people outside heard something, it seemed they heard Long Luxie's voice.

"It's bad they found us," Long Luxie told Ye Chen.

Long Luxie panicked, it seemed they were discovered.

"You take it easy, they won't find us," Ye Chen told Long Luxie.

Ye Chen told Long Luxie to calm down, they wouldn't be able to find Ye Chen and Long Luxie.

Ye Chen touched and squeezed Long Luxie's double peaks again.

The feeling of touching this object is very comfortable and delicious.

"Ye Chen, don't do that, I can't help it" Long Luxie said to Ye Chen.

Long Luxie covered her mouth with her hands, she didn't let the sound she leaked out.

If the sound leaked out, then it was sure that they would be found.

It's a pity that Ye Chen didn't cooperate reasonably, he still touched Long Luxie.

Ye Chen did it harder and harder, he made Long Luxie unable to take it anymore.

"Ye Chen, please let me go, if we continue like this, we will be caught" Long Luxie asked Ye Chen.

"If we get caught, we just have to fight them," Ye Chen told Long Luxie.

Ye Chen himself was not too worried about this problem. f(r)ee

If they were discovered, they just needed to fight back, it wouldn't be difficult for Ye Chen.

Ye Chen is quite confident in his abilities, he can face them all, so there is no need to be afraid.

It's a shame that Long Luxie didn't think the same thing as Ye Chen, he was more worried about them being discovered.

They would end up in this place if they were found out.

Long Luxie didn't want that to happen, so she suppressed her voice as best as possible so it wouldn't be heard.

This stimulation was great, Long Luxie felt too excited when she was about to be discovered by outsiders.

Chapter 3123 Long Luxie's Moaning Voice Made The Enemy Confused

"This is so amazing", Long Luxie couldn't hold it in.

This was too comfortable and made her unable to hold back the pleasure any longer.

"so comfortable, I can't hold on" Long Luxie couldn't hold on, a sweet and soft moan leaked out.

"Here I heard a voice" They had heard the voice of Long Luxie.

They should catch Long Luxie soon.

"Ye Chen, we were discovered," Long Luxie said to Ye Chen.

"That won't happen, trust me," Ye Chen told Long Luxie.

Ye Chen wouldn't let them be found out, he just took Long Luxie away.

Long Luxie was not aware of what Ye Chen was doing, Long Luxie was worried about what they should do now.

They dug at Ye Chen's place, and when they dug, they found nothing.

"Nothing? Did we hear wrong?" they didn't find anything.

That was because Ye Chen and Long Luxie had moved.

"Why, why didn't they find us?" Long Luxie felt confused, they should have been found, Long Luxie's voice could be heard clearly.

"I told you from the start, they won't be able to find us, you should have believed me earlier" Ye Chen said to Long Luxie.

Ye Chen told Long Luxie to believe him, he made it impossible for everyone to see her.

"You are great" Long Luxie said to Ye Chen.

Long Luxie acknowledged Ye Chen's abilities, Ye Chen was indeed very great, he was able to do things that Long Luxie couldn't imagine.

"how, aren't I great?" Ye Chen said to Long Luxie

"You are very great, I was surprised by the abilities you have" Long Luxie said to Ye Chen.

Long Luxie was surprised by Ye Chen's ability, how could Ye Chen do that kind of thing, something that was not normal?

"You don't need to worry, let's go ahead and confuse them" Ye Chen said to Long Luxie

"you are so naughty, you will make them angry" Long Luxie said to Ye Chen.

"Hehehehe, that was my initial goal," Ye Chen chuckled, that was indeed Ye Chen's initial goal, Ye Chen did this to make them all angry.

Long Luxie finally agreed with Ye Chen, she agreed to confuse them.

Long Luxie no longer held back her voice and began to use a very stimulating voice.

This voice confused them all, and they tried to find the whereabouts of Ye Chen and Long Luxie.

Ye Chen was smart, he often moved around, it was very difficult for the enemy to find Ye Chen's whereabouts, they would not be able to find Ye Chen and Long Luxie.

"Can't they find us?" Long Luxie asked Ye Chen.

"They won't be able to find us," Ye Chen told Long Luxie.

"What kind of technique did you use, why can't they find us?" Long Luxie asked Ye Chen.

"I move around, that makes us not easy to find" Ye Chen explained why he wasn't easy to find.

"It's good if you can do it, we won't be discovered, and they seem to be very confused about us," Long Luxie said to Ye Chen.

"I'm very sure that if they are confused, you are also quite naughty for making sounds like that" Ye Chen whispered in Long Luxie's ear.

"Isn't it your fault, you are the one who seduced me?" Long Luxie said to Ye Chen.

If Ye Chen hadn't teased her, then this problem wouldn't have happened.

"Is it because of me, obviously it's because of you, you enjoyed it and didn't even fight back" Ye Chen said to Long Luxie.

Long Luxie's face turned red when she listened to Ye Chen's words.

Long Luxie did not fight back, she accepted what Ye Chen did.

Even though it was embarrassing, Long Luxie had to admit this, she liked Ye Chen's touch.

"What is this, where did the sound come from, I can't find it" They were confused, they couldn't find Long Luxie's whereabouts.

The origin of this voice was very mysterious and confused everyone.

"Could it be a ghost?" some workers thought it was.

"Ghosts, why should we be afraid of ghosts? I'm not afraid of ghosts" the foreman said to everyone.

He is not afraid of ghosts, and does not want to be afraid of ghosts, why would he be afraid of such a thing, it is childish.

"Then how do you explain this problem" all workers ask, they want to know, if they don't get an answer, they won't want to work.

The foreman had to think twice about what he should do now, everyone's confidence was low.

"Maybe it's a defense mechanism used to make us afraid, let's just continue our work, once finished, you will get a decent payout," the foreman said.

As long as they finished, they could get a decent payout, which was what they wanted from the start.

Their goal is indeed this, it is not surprising that they have struggled so hard until now.

"Let's go back to work and forget about this problem," the foreman told them all to go back to work and forget about the problem that occurred, let's just pretend they never heard about it.

"It looks like they have given up" Ye Chen said to Long Luxie.

"no way, why did they give up, they won't arrest us again?" asked Long Luxie.

"I think it's because we confuse them, they won't waste time looking for us" Ye Chen said to Long Luxie.

"that's really good news," Long Luxie said to Ye Chen.

"You are right, we should be able to go out now, I will confirm what is outside, you can wait here" Ye Chen said to Long Luxie.

"Um, I'll wait here, do your best and don't get caught, I won't be able to get out if you get caught" Long Luxie said to Ye Chen.

Long Luxie asked Ye Chen not to get caught, if Long Luxie were caught, it would be a problem for Long Luxie too.

"That won't happen," Ye Chen said, saying he would never be caught.

"Then I'll go first and see what happens, you stay here and be careful, don't do anything strange" Ye Chen said to Long Luxie.

"I understand, I won't do anything strange" Long Luxie won't do anything strange, she will listen to what they do from behind the wall.

Ye Chen left, he disappeared, and immediately appeared outside.

Ye Chen uses Invisible Body Art, by using Invisible Body Art Ye Chen can easily walk without being seen by others.

Ye Chen walked and looked around, he saw that everyone was working, they were using their hands to dig.

Their hands had been strengthened, they were earth dragons who had such strong hands, that digging hard rocks was not something difficult for them to do.

They just needed time to dig up every inch of rock before them.

"So this is why there were several tremors, they did it" Ye Chen finally understood why there were several earthquakes.

They did it with full force, that was because every time they went deeper, they would find that the rock became harder and harder to penetrate.

In addition, the temperature in this place is getting hotter and hotter, it is very difficult for them to survive in temperatures like this.

They were earth dragons; heat was one of their weaknesses, so it wasn't strange that they had problems when mining.

"master, use your abilities and see their target," Chu Yuechan said to Ye Chen.

Chapter 3124 Liu Kang Gains Great Power

"fine, let me see it too" Ye Chen said to Chu Yuechan.

Ye Chen was also curious about this, he wanted to know whether they had reached their destination.

When Ye Chen used his abilities, Ye Chen found that what they were looking for was very close, it was only about 5 meters away.

"it's already ahead of them" Ye Chen said to Chu Yuechan.

"Then that's very bad," Chu Yuechan said to Ye Chen.

"That's not too bad, I want to see what they do with it," Ye Chen said to Chu Yuechan.

Ye Chen wanted to know what they would do, whether they would fight each other or not for the green dragon gem.

"You want to wait while they fight each other?" Chu Yuechan understood what Ye Chen wanted.

"That's very true, and I want to wait for that, what do you think" Ye Chen asked Chu Yuechan.

"Not bad, I will support you" Chu Yuechan said to Ye Chen.

"Then I want to find the person with the most power and be the brains behind all this" Ye Chen said to Chu Yuechan.

Ye Chen decided to investigate the matter.

He used his spirit sense power and began to find out the person's whereabouts behind all this.

"After some time, Ye Chen finally found it, he managed to find the person behind all this.

"I managed to find it" Ye Chen said to Chu Yuechan.

"Very good." Chu Yuechan was happy to hear this.

"Then let's meet him" Chu Yuechan said to Ye Chen.

she invited Ye Chen to meet the person.

"Um," Ye Chen agreed, and he met the person.

Ye Chen went to a place where a man was watching and waiting for the results.

"so this is the guy, not very strong, only seventh-level Immortal True God Realm" said Ye Chen.

Ye Chen saw that this person was not very strong, he was only seventh level.

"I think he is aiming for this to increase his strength. If he uses the green dragon gem, he might be able to reach level nine directly," said Chu Yuechan.

"Yuechan, don't tell me that he is a dragon with plant elements" Ye Chen said to Chu Yuechan.

"Most likely, that is true, it seems like he is a dragon with a plant element, dragons with that element are the ones who can best use green dragon gems.

"It's not strange that he is targeting this," said Ye Chen.

"how about it? Do you want to talk to him?" Chu Yuechan asked Ye Chen.

"I don't think so yet," Ye Chen said to Chu Yuechan.

"Just let him get what he wants. After that, we will talk, I want to know the power of the green dragon gem" Ye Chen said to Chu Yuechan.

"I'm also curious about that." Chu Yuechan was also curious about this.

"let's go back first," Ye Chen said to Chu Yuechan.

Ye Chen couldn't leave Long Luxie for a long time.

It seemed like he had to see Long Luxie's situation.

Ye Chen returned to Long Luxie's side, and when Ye Chen returned Long Luxie was so happy.

"You're finally back, I was quite worried about your condition" Long Luxie said to Ye Chen.

Long Luxie said that she was pretty worried about Ye Chen's condition.

"I have returned safely," Ye Chen said to Long Luxie.

"What did you find?" Long Luxie asked Ye Chen, she wanted to know what Ye Chen had discovered.

"I found something interesting," Ye Chen said to Long Luxie.

Ye Chen said that he had found something interesting.

"What did you find, come tell me" Long Luxie told Ye Chen to tell him about it.

Ye Chen told what he found, from what he saw to the person behind all this.

"Hmmm . . ., can you show me?" Long Luxie said to Ye Chen.

"Of course, I will show you who that person is" Ye Chen said to Long Luxie.

Ye Chen showed it to Long Luxie.

After Ye Chen showed this, Long Luxie seemed to know who the person was.

"I think I know who that person is," Long Luxie said to Ye Chen.

"who is he ?" Ye Chen asked Long Luxie.

Ye Chen ordered Long Luxie to explain everything.

"If I'm not mistaken, he is Liu Kang. I heard that his kingdom had just collapsed, which forced him to surrender," said Long Luxie.

"So he's not from the same fortress as the earth dragon bandit?" asked Ye Chen.

"No, he is a former king," said Long Luxie.

"so what we are dealing with is a former king, I didn't expect" Ye Chen said to Long Luxie.

Ye Chen didn't expect this person to be a former king.

At first, Ye Chen thought she was a bad person who wanted power.

"He is a dragon race with plant strength, a dragon race with plant strength is the weakest among all dragons," said Long Luxie.

"I think he wants to use the green dragon gem to strengthen himself, if he uses that, he will become so strong," said Long Luxie.

"I'm quite curious how strong he will develop" Ye Chen told Long Luxie.

"I think that's a bad idea, if he succeeds in doing it, he will gain so much power" said Long Luxie.

"You better beat him before he uses that" Long Luxie told Ye Chen to beat Liu Kang before it was too late.

"I think we are too late," Ye Chen told Long Luxie.

"why?" Long Luxie asked Ye Chen.

"I said that we were too late, they had already found it," Ye Chen said to Long Luxie.

"impossible" Long Luxie didn't expect that to happen.

"Rumble. . ." Tremors occurred, and it seemed like a bigger earthquake had occurred in this place.

"Finally, I finally found it" Liu Kang was so excited he touched the green dragon gem.

Now that he had obtained the green dragon gem, his strength rose rapidly.

When Liu Kang took the gem and wore it on his body, the plants above began to wither, the previously green city became barren, and many trees and various things immediately withered.

Liu Kang wears a green dragon gem on his chest. The green dragon gem immediately gives him enormous power when he does this.

"So this is true power" The green dragon gem gave unlimited power, he felt he was among the strongest.

Liu Kang felt that he could now do all kinds of things, and with power like this, he could take the throne that had been stolen from him.

Liu Kang took the green dragon gem because he wanted to be in power again, show the world that he was a worthy person and no one should insult or belittle him anymore.

"Sir, our work is done. Now where is our payment?" they asked for payment, and thousands of people were waiting for their gifts.

They've been working for a few weeks, and now they want their reward, to enjoy a few months off, and to have fun.

"gifts, oh, of course, I will give them to you guys, get ready," Liu Kang said to everyone.

Everyone was excited and couldn't wait to get the profound crystal from Liu Kang.

Liu Kang began to gather something in his palm, a green light appeared.

Rather, a blob of green liquid appeared in Liu Kang's hand.

"This is a gift for you" Liu Kang threw the green liquid, the green liquid began to spread like rain, it hit everyone.

Chapter 3125 Liu Kang wants to attack the city

"damn, this is disgusting" Everyone was angry and cursed Liu Kang, they were not happy with what Liu Kang did.

"Do you intend to break your promise?" everyone said to Liu Kang, and they seemed angry with Liu Kang.

"I didn't break the promise I made, I will give you gifts, you should be happy with that, now you will get the gifts you want" Liu Kang said to everyone.

From the bodies of these people, things began to grow, plant roots and branches began to grow from their bodies.

"What's this?" they all looked confused about what was happening.

Their bodies began to become overgrown with plants in large numbers.

It started consuming them and making them unable to move.

"Argh. . ." they began to feel such intense pain, the pain they felt was unbearable.

"What is this, my body, it hurts so much, it feels like someone is eating my body" They lost control, and some of them tried to fight back, unfortunately, their strength was far below Liu Kang's.

"Damn, what are you doing?" the foreman said to Liu Kang, he was so angry with Liu Kang, Liu Kang had broken his promise, and it made everyone angry.

"We will kill you." they wanted to kill Liu Kang.

"Know your place, you will not be able to kill me, you will never be able to do that" Liu Kang told them that he could not be killed.

"Damn it. . ." They were all angry, they wanted to kill Liu Kang, and they all finally realized that Liu Kang had used them from start to finish.

These plants quickly ate them, evolved into large tree soldiers, and had enormous strength.

Their strength corresponds to the person they have eaten, they also become stronger as time passes.

They absorb water and remaining nutrients, and with this, they can become much larger.

"Hahaha, my army, finally I have my army, they will never disobey orders, this is the personal army that I have wanted for a long time" This is the army that Liu Kang has always wanted.

A team that will not fight and oppose Liu Kang.

Compared to humans, his current army of monsters was much better, Liu Kang could order them to do anything, even if the order was unreasonable and suicidal.

"Listen to me, we will all go up and show the world who we are" Liu Kang said to his tree team.

The three troops listened to Liu Kang's words, and they decided to do what Liu Kang had ordered.

"Come up with me" Liu Kang gave the order, and they all went straight up with the order given by Liu Kang.

It seems Liu Kang wants to cause destruction.

Ye Chen and Long Luxie came out and saw what had happened. They didn't imagine that the situation would turn out like that.

"Who would have thought that the situation would turn out like that, I never imagined it" Long Luxie said to Ye Chen.

his

"I also never imagined that the situation could become like that." Ye Chen himself never imagined that the situation would become like that.

Ye Chen thought Liu Kang would pay them, who would have predicted that this person would kill everyone and make them puppets that could be controlled.

"It's not strange that he got to the coup," Ye Chen said to Long Luxie.

If it were Ye Chen, Ye Chen would do the same thing they did, there was no way Ye Chen would let a person like Liu Kang come to power, and the existing kingdom would crumble in the hands of this kind of person.

"they are starting to rise and will attack the city." Long Luxie said to Ye Chen, it seemed like they were going to attack Green Dragon City.

"Why are you worried, in the city, there are many strong people" Ye Chen said to Long Luxie.

There were so many strong people there if Liu Kang wanted to attack, he would have problems.

"You don't seem to care," Long Luxie said to Ye Chen, why isn't Ye Chen alone

"I have my plans," Ye Chen said to Long Luxie.

Ye Chen had his plans, he was undercover, if he were too conspicuous, he would be discovered, which wasn't very good for Ye Chen.

"Then let's go up first," Ye Chen said to Long Luxie.

Ye Chen brought Long Luxie. Ye Chen teleported near the city and watched Liu Kang from this place.

"look, they haven't even risen to the surface" Ye Chen said to Long Luxie.

Ye Chen said that the enemy still hadn't come up here.

"You are something, being able to move that fast, can't even compare to them," said Long Luxie.

Long Luxie was again surprised by Ye Chen's ability, Ye Chen was able to move so quickly, the way Ye Chen moved was too great.

With abilities like that, Ye Chen could go anywhere he pleased.

"How long will it be until they surface?" Long Luxie asked Ye Chen.

"about 10 more minutes," Ye Chen said to Long Luxie.

"There is still plenty of time," Long Luxie said to Ye Chen.

"look towards the city," Ye Chen said to Long Luxie.

Ye Chen told Long Luxie to look towards the city.

Long Luxie looked towards the city.

When she looked towards the city, she found something quite interesting.

The city became so ugly all the plants died.

This place became so ugly, and it was hard to see it as a beautiful city.

Plus, there are tens of thousands of troops currently standing guard on the walls, trying to deal with what happened.

There was panic all around, it was clear that everyone was trying to overcome the current problem.

"don't they know yet?" Long Luxie asked Ye Chen.

"The city lord should already know" Ye Chen said to Long Luxie.

Ye Chen said that the city lord should already know what happened, and because of this, a large number of troops were deployed.

"Should we tell them?" Long Luxie said to Ye Chen.

"That won't help if you get close now, they will attack you, do you know them?" Ye Chen asked Long Luxie.

"No, I don't know them" Long Luxie finally realized this problem, if she wanted to tell them, it was difficult because they did not wish to listen to Long Luxie.

They would probably think of Long Luxie as an enemy or an enemy spy.

"but if allowed," Long Luxie said to Ye Chen.

"we will help them from this place," Ye Chen told Long Luxie.

"how, if I can, I want to help." Long Luxie wanted to know how to help, she tried to help too.

"I have an artifact that can be used, this can make the monsters leave, with that, Liu Kang won't be able to control them," Ye Chen said to Long Luxie.

Ye Chen took out a flute, an item he had obtained before.

This thing is finally useful too, it can be used to summon or repel monsters, Ye Chen thinks this can be used to repel the monsters created by Liu Kang.

"What are you going to do with that?" Long Luxie asked Ye Chen.

Long Luxie still didn't know what Ye Chen would do.

"You will know later," Ye Chen said to Long Luxie.

Ye Chen would use it, so Long Luxie should know what would happen.

"I understand," Long Luxie understood, she would wait patiently.

Chapter 3126 Liu Kang lost face in front of the entire city army

Some time passed, and after some time, Liu Kang came with his troops.

He and his army of tree monsters lined up neatly.

At first glance, Liu Kang's army is strong, the monster army has a strong killing aura.

Ordinary people would be immediately afraid when facing such a monster.

The troops in the city looked towards Liu Kang, they all seemed to be afraid of the killing aura emitting from the tree monster.

"Don't be afraid, we have a strong defense here" the city lord said to everyone.

He tells them not to be afraid, Liu Kang just wants to use that to lower their morale.

In terms of troop numbers, Liu Kang's troops were only a few thousand, while the troops in the city were more than 20x Liu Kang's troops, in terms of strength alone Liu Kang was far behind.

Realizing that his troops were outnumbered, Liu Kang used their powerful killing aura, they were bloodthirsty monsters, their killing aura was enough to make cultivators afraid and lose their will to fight.

The method used by Liu Kang is the most effective to use, with this, he can win the battle easily.

"I'm giving you time to surrender right now, if you don't surrender within 5 minutes, I will destroy you" Liu Kang said to the city guards who were already in their positions.

The city guards watched and listened to what Liu Kang said.

They pointed arrows towards Liu Kang, they seemed to refuse to give up.

"Time is running out, don't let you die" Liu Kang said to everyone.

Liu Kang kept trying to make everyone afraid, as long as they were willing to attack, Liu Kang would make them part of his army, and his army would become bigger after he succeeded in taking over the city.

Liu Kang is quite smart, he knows what to do to make others afraid.

"we will not be afraid of you" They refused to be afraid of Liu Kang.

"So it's your decision, then don't blame me for being cruel to you" Liu Kang gave off a terrifying aura, which made everyone shiver.

Even the city lord, the most influential person, felt pressured by Liu Kang's power.

"terrifying, he really is a monster" Everyone thinks that Liu Kang is a monster, he is a very terrible monster.

"hahahaha, how about it? You must be afraid of the power I have, look, this is the power I have," Liu Kang said to everyone.

Everyone was silent after listening to Liu Kang's words, they had to admit that Liu Kang did have ability, this man's ability could not be underestimated, his strength made the sky dark and also made the ground shake.

"What kind of power is that, so strong" Long Luxie was having trouble, from just this distance, she still felt goosebumps.

"That's because of the difference in strength you have" Ye Chen said to Long Luxie.

Because of the difference in strength between Liu Kang and Long Luxie, Long Luxie was afraid and trembling.

"Don't worry, I'm here, you don't need to be afraid" Ye Chen said to Long Luxie.

Ye Chen tried to make Long Luxie calm down, he used his strength to protect Long Luxie.

Using the protection provided by Ye Chen, Long Luxie felt better.

"thank you very much." Long Luxie was grateful for what Ye Chen had done.

"he will start it, let's make him lose face," Ye Chen told Long Luxie.

Long Luxie wanted to see what Ye Chen would do, and she was quite curious about what Ye Chen would do.

Ye Chen started playing the monster-controlling flute. When Ye Chen did this, the tree monster made by Liu Kang started to feel uncomfortable.

They started to leave, leaving Liu Kang alone.

"What happened?" Liu Kang was confused by what was happening, suddenly, all his monsters ran away and left him.

"What is going on here?" Liu Kang didn't understand what was happening now, why they ran away leaving him like that.

"What sound is that?" Liu Kang finally realized something, that sound, that sound that made all the monsters run away, leaving Liu Kang.

"What was that, that didn't make sense," Liu Kang roared, he felt that it didn't make sense.

"Puchi. . ." Long Luxie smiled, so this was what Ye Chen was talking about.

Long Luxie smiled, she believed that right now Liu Kang must be very angry with what Ye Chen did.

"Hahahahaha, what a fool." Liu Kang lost his face, humiliated in front of so many people, he definitely wouldn't be able to endure it.

"Insolent, I will kill you all" Liu Kang was so angry, he wanted to kill everyone in this place.

"rumble" Liu Kang shows the power he has, he uses all his strength and starts to shake the entire city.

Because the enemy laughed at him, Liu Kang used all his strength.

From the ground, plants began to appear in large numbers, moving towards the city at full speed.

"It looks like he still hasn't given up" Ye Chen said to Long Luxie.

Liu Kang didn't want to give up, he continued to push forward towards the city.

Even though he had no troops, he still charged towards the city.

"Shoot," the city lord told everyone to shoot Liu Kang.

All the archers got ready, and they fired shots toward Liu Kang, when the shots were fired, all the summoned plants caught fire.

"Very good, they used fire to fight the plants" Long Luxie was excited when she saw what happened.

"no" Ye Chen said to Long Luxie.

"What's wrong?" Long Luxie asked Ye Chen why Ye Chen said not like that.

"I think that's too bad, they might be in trouble," Ye Chen said to Long Luxie.

"Why, aren't their steps right?" asked Long Luxie.

"Indeed, that is correct, but the plant will release poison when burned," Ye Chen said to Long Luxie.

Ye Chen could tell that Long Luxie had grown a dangerous, poisonous plant that could spread if burned.

"Then the whole city will be affected?" Long Luxie said.

"Of course, the whole city will be affected by that," Ye Chen said to Long Luxie.

"Then I will use the power of the wind to blow away the smoke," Long Luxie said to Ye Chen.

Long Luxie wanted to help, she would use the wind power she had.

"no. . , if you do, then it will grow bigger and bigger," Ye Chen said to Long Luxie.

The force of the wind will only magnify the fire, which is not a good choice.

"You are right" after thinking for a while, Long Luxie agreed with Ye Chen's words.

If she did that, the fire would get bigger and more violent.

"First let's put out the fire" Ye Chen said to Long Luxie.

"I can't use water power," Long Luxie said to Ye Chen, Long Luxie couldn't use water power, she only had wind inheritance.

"Don't worry, I can do a little, even though it's not a skill I have," Ye Chen said to Long Luxie.

Ye Chen could make rain. That was an essential ability learned by Ye Chen.

Ye Chen focused and started calling for rain, the heavy rain came and started to extinguish the fire, the fire started to go out and wouldn't burn anymore.

Chapter 3127 Liu Kang Looks For Ye Chen To Kill Him

"It seems like the heavens support what that person did, this is very bad" The city lord saw that the heavens sided with Liu Kang.

"This person is so stupid" Ye Chen cursed, why is this person so stupid?

"Even though Ye Chen had good intentions to help, this person didn't know and instead cursed Ye Chen.

"Puchi. . ." Long Luxie smiled when she saw this, what she saw now was very funny.

They didn't seem to know what Ye Chen was doing, even though Ye Chen had such good intentions but they misinterpreted them.

The most important thing was that Ye Chen did good and Long Luxie liked that.

"Damn it, who did this?" Liu Kang was so angry.

His plan should have quickly succeeded, but someone messed up his plan.

"I'm sure that person did it too." Liu Kang was sure that this person was the one who made his troops flee.

"I'd better take care of this person first, otherwise I won't be able to attack the city" Liu Kang realized that he had to take care of Ye Chen first.

If he couldn't care for Ye Chen, he wouldn't be able to attack and control the city.

"Forest wall" Liu Kang made a wall, he intended to hide in the dense forest.

A very dense forest appeared, the forest was very dense and so high, it would be very difficult to penetrate it.

"This is enough, it's time to solve other problems." After hiding, Liu Kang immediately looked for Ye Chen's whereabouts.

He would crush Ye Chen first.

"Just wait, I will finish you off, after that, the city will be destroyed in my hands," Liu Kang said in a voice full of anger.

"What is he doing?" Long Luxie asked Ye Chen why Liu Kang did this.

"He changed his strategy" Ye Chen said that Liu Kang seemed to have changed his strategy.

"Changing? What will he do next? Maybe he will look for us?" Long Luxie said to Ye Chen.

"We have hindered his plan, what do you think? Isn't it natural that he is looking for us?" Ye Chen said to Long Luxie

"You are right, that is a very natural" Long Luxie agreed, she immediately realized that it was a very natural thing to do.

"Now you understand, right, he will come soon, you can hide," Ye Chen said to Long Luxie.

Ye Chen told Long Luxie to hide.

"Ye Chen, that person is strong, what are you going to do, you won't be able to win" Long Luxie said to Ye Chen.

Long Luxie took Ye Chen to hide, as long as they hid, Liu Kang wouldn't be able to find them.

"I thank you for your attention, but I will face it" Ye Chen said to Long Luxie.

Ye Chen was happy with the attention given by Long Luxie, Long Luxie was caring and worried about Ye Chen, and that alone made Ye Chen happy.

"let's quickly hide," Ye Chen said to Long Luxie.

Ye Chen told Long Luxie to hide, it seemed Liu Kang had started moving to find Ye Chen's location.

"I understand." Long Luxie could only obey what Ye Chen said.

Ye Chen was quite stubborn, Long Luxie couldn't pull Ye Chen by force.

Long Luxie could only let Ye Chen do everything alone.

Liu Kang finally arrived, he discovered Ye Chen's whereabouts.

"So you are here," Liu Kang said to Ye Chen, he finally found Ye Chen's whereabouts.

"How?, isn't that nice?" Ye Chen said to Liu Kang.

Ye Chen was sure that Liu Kang enjoyed what Ye Chen gave him.

"damn, you have made me lose face, I will destroy you" Liu Kang said to Ye Chen.

Liu Kang was angry, he wanted to destroy Ye Chen right now.

"hahahaha, I don't think that will happen," Ye Chen said to Liu Kang, Ye Chen told him that it wouldn't happen.

"Crack . . ." from below appeared trees, they surrounded this place very quickly.

"You will soon be destroyed," Liu Kang said to Ye Chen, he told him that Ye Chen would soon be destroyed into several pieces.

"Dragons with plant elements, are very rare, even though you can make the world much more lively, but instead, you commit crimes like this," Ye Chen said to Liu Kang.

"shut up, you don't know anything about me, you don't know how someone suffers," Liu Kang said to Ye Chen.

"I'm not you, how could I know about this, don't joke with me," Ye Chen said to Liu Kang.

Ye Chen is not Liu Kang, so why should Ye Chen feel the pain of Liu Kang?

Liu Kang's face darkened, and he was humiliated by Ye Chen.

"I have lost everything I have, I am doing this to get everything I have," Liu Kang said to Ye Chen.

Liu Kang did this to get what was his.

"You should know why you are like that, with the way you lead, you will lose everything," Ye Chen said to Liu Kang.

"You won't be any different from them, you don't know about me," Liu Kang said to Ye Chen.

Ye Chen was the same as everyone, he didn't know Liu Kang's wishes.

"desire, it's just selfishness that you have," Ye Chen said to Liu Kang.

That was a personal desire, he wanted to rule and do everything as he pleased, he forgot that his people had the power to destroy him.

"Because of this, I want power, with absolute power, I will rule this world," Liu Kang said to Ye Chen.

He would rule this world, this new power would be put to good use, he could create his powerful army, and it would be enough to destroy this world.

The problem now is one, Ye Chen has an artifact that can repel the monsters created by Liu Kang, and Liu Kang must destroy the tool.

"hand over the tool you used," Liu Kang said to Ye Chen.

"I don't want to give it to you" Ye Chen refused to give it to Liu Kang.

"If you refuse it, you will die here," Liu Kang said to Ye Chen.

"Just try if you can," Ye Chen told Liu Kang to try.

"dead" Liu Kang immediately used the trees around him to attack Ye Chen, the trees turned pointy and sharp.

It was like a spear that wanted to stab Ye Chen.

"So this is the strength you have, not bad," Ye Chen said to Liu Kang.

"Talking a lot, die right now" Liu Kang laughed, he enjoyed this.

Ye Chen stretched out one hand, he destroyed all the trees using just his bare hands.

"Bang. . . !" all the trees were destroyed, Ye Chen used his bare hands to destroy all the trees around him.

"What?" Liu Kang was shocked when he saw what Ye Chen was doing, Ye Chen destroyed all the trees using his bare hands.

"This tree has such terrible poison, if it is burned, it will make people poisoned, a technique that is powerful enough to fight stupid people," Ye Chen said to Liu Kang.

"So you know" Liu Kang didn't expect Ye Chen would know, how did Ye Chen know that the plant he made was poisonous?

"I learned this a long time ago, of course, I won't be fooled," Ye Chen said to Liu Kang.

"You are smarter than those people," Liu Kang said to Ye Chen.

Chapter 3128 Summon forest dragon king

"I'm better than you." Ye Chen made it clear that he was better than Liu Kang

Liu Kang gritted his teeth, he couldn't stand Ye Chen's words.

"It looks like you want to die, then I will grant your wish" Liu Kang said to Ye Chen.

Because Ye Chen wanted to die, Liu Kang would grant Ye Chen's wish.

"plant technique, summon dragon king of the forest" Liu Kang made a tree dragon, A super big dragon appeared.

The dragon's size is at least bigger than a mountain, it is estimated that its size is 5x bigger than the mountain where the current battle is taking place.

Because its size is so large, the dragon can destroy mountains.

The mountain began to collapse and could no longer withstand the weight of the giant dragon.

Ye Chen was forced to fly, he maintained his position.

"roar . . ." The dragon's roar was so loud that the ground cracked and landslides occurred.

"Hahahahaha, finally I can summon a king-level monster" Liu Kang was so happy, he could summon a king-level monster, whereas the king-level monster was very strong and very deadly.

"Hahahahaha, finally I can summon a king-level monster" Liu Kang was so happy, he could summon a king-level monster, whereas the king-level monster was very strong and very deadly.

A king-level monster can destroy a super-large star in just a matter of hours. Unsurprisingly, this monster is very dangerous and feared by everyone.

"Again you summoned something strange, this time what kind of ugly dragon did you summon" Ye Chen said to Liu Kang.

"Hmmm . ." the forest dragon king looked towards Ye Chen, it seemed like he could hear Ye Chen's words.

"Oh, so he can understand what I say, very interesting" Ye Chen was interested when he saw this, it seemed like the forest dragon king could understand what Ye Chen was saying.

"Roar, the forest dragon king swung his claws, it shot towards Ye Chen.

"Boom. . ." a decisive blow occurred, just one hand was enough to flatten thousands of miles away.

"What is that, strong and so big?" Long Luxie moved away, she really couldn't survive the attack of the forest dragon king summoned by Liu Kang.

"a dragon with terrifying and powerful strength, can Ye Chen win?" Long Luxie was worried about Ye Chen and whether Ye Chen could win the battle or not.

"The opponent is very strong, I'm worried" Long Luxie was worried about Ye Chen's condition and condition, fighting that monster and Liu Kang would be a very difficult problem.

"Died in one attack, too weak, I thought you could win, but it turned out to be just trash," Liu Kang said in a loud voice, he laughed at Ye Chen who had fallen first.

"Who do you say is trash? You want to kill me with a small dragon. That won't happen." Ye Chen blocked the attack, he used one hand to block the attack from the forest dragon king.

"Impossible, he blocked the attack" Liu Kang was stunned by what happened.

The attack from the jungle dragon king was very powerful, if it was Liu Kang, he probably wouldn't be able to withstand the attack just now without suffering any injuries.

And Ye Chen was able to withstand this attack without any injuries, this was seen when he did not suffer any injuries after being hit by the attack from the forest dragon king.

"This monster is just annoying, I will destroy it" Ye Chen said to Liu Kang.

Ye Chen felt disturbed by the appearance of the forest dragon king, if it was like this, Ye Chen had to destroy him.

Ye Chen moved under the body of the forest dragon king.

Ye Chen kicked the forest dragon king's body from the bottom.

"kick" The forest dragon king's body flew up into the sky, and it was quite high

Ye Chen's "Frost Nova" froze the body of the forest dragon king.

The forest dragon king's body was frozen and covered in ice, it became a huge statue dragon.

Ye Chen couldn't burn that thing, if he did, then it was certain that it would spread poison around.

This monster's body also contains poison that is much more deadly, Ye Chen couldn't do that.

"I won't let you." Liu Kang wouldn't let Ye Chen, he attacked Ye Chen.

Liu Kang was quite smart, he knew that Ye Chen would make a move to kill the forest dragon king, and because of this, Liu Kang attacked Ye Chen.

Liu Kang's hand changed, it became an extremely large tree dragon arm.

One blow is enough to destroy a city.

"What a fool, you ignored my existence, so die," Liu Kang said to Ye Chen.

Liu Kang used an opportunity so well that he used it to kill Ye Chen.

"This guy, he doesn't want to give up, then I have no way of flying him" Ye Chen opened the fire vein, it made his strength rise.

Apart from that, Ye Chen used the super-enhanced power body Art to a higher level, his physical strength became much stronger.

Ye Chen gathered strength in his hands, he released a punch strong enough to destroy Liu Kang.

"Super celestial punch" Ye Chen used Super celestial punch.

"Die," Liu Kang said to Ye Chen, he wanted to kill Ye Chen until there was nothing left.

"Blam . ." When Ye Chen's hand met Liu Kang's, it made a tremendous explosive impact.

"Boom. . ." A large explosion occurred, and Liu Kang's arm was shattered into pieces.

"No way, that blow. . . ." Liu Kang couldn't believe it, he lost this battle, even though he had used an attack powerful enough to wipe out a city.

"now no one will hinder me anymore." Ye Chen got the green light, he would destroy the forest dragon king first.

"Super celestial punch." Ye Chen launched another punch. This time the punch targeted the forest dragon king.

the blow was so strong that it swept away the clouds in the sky.

The attack was so powerful it wiped out the forest dragon king.

"damn, he did it" Liu Kang cursed loudly at what Ye Chen did, he was so angry at what Ye Chen did.

Plus, now Liu Kang has lost his hand, it's because of Ye Chen.

"I have to heal myself first" Liu Kang used his regeneration ability, even though this was a great regeneration ability, he had to use his life as payment.

Liu Kang's life was used for 10,000 years to heal his wounds, and this was a hefty price.

Even an immortal cultivator would have to think twice when using it.

Ye Chen appeared in front of Liu Kang. He could see that Liu Kang's arm had healed.

"It looks like my attack wasn't enough to kill you" Ye Chen said to Liu Kang.

"A trash attack like that won't kill me," Liu Kang said to Ye Chen, he told him that Ye Chen's attack was just trash.

"Is that so, it looks like I have to train harder, my attacks are still weak and like trash to you," Ye Chen answered.

Ye Chen's words made Liu Kang even angrier, he became even angrier with Ye Chen.

"I have wasted too long fighting you, it is time to end our battle," Liu Kang said to Ye Chen.

Liu Kang was tired of messing around with Ye Chen, he wanted to end the battle quickly.

Chapter 3129 Liu Kang looks for Ye Chen to kill him

"It seems like the heavens support what that person did, this is very bad" The city lord saw that the heavens sided with Liu Kang.

"This person is so stupid" Ye Chen cursed, why is this person so stupid?
