

True God 3141

Chapter 3141 Train the subordinates of Long Luxie

"Because I'm part of the Dragon God, I can't join you, this problem, you can solve it yourself" Su Feixu said to Ye Chen.

Su Feixu wouldn't help Ye Chen, that was because she couldn't interfere any further, that was breaking the existing agreement.

"Don't worry, I won't involve you, just do what I said earlier, send greetings to that person?" Ye Chen said to Su Feixu.

After saying that, Ye Chen left this place, leaving Su Feixu behind.

Su Feixu smiled when she saw Ye Chen leaving, people like Ye Chen were very rare, how could he be so confident in his abilities?

"I'm quite curious, whether he will succeed or not" Su Feixu wanted to know whether Ye Chen could win or not, who would win between Ye Chen and Long Gunhe.

"Yuqi" Su Feixu called Su Yuqi.

"What's wrong miss?" Su Yuqi asked Su Feixu.

"Send Long Gunhe a message" Su Feixu said to Su Yuqi.

"Are you sure about this, Miss?" Su Yuqi asked Su Feixu.

"Of course, I am very confident about this, I hope he can win, this would be good because Long Gunhe is not very popular among the dragon gods.

"I understand" Su Yuqi didn't ask much more, she believed what Su Feixu said.

Su Yuqi sent a messenger, she wrote a message for Long Gunhe and told him what Ye Chen wanted.

Long Gunhe would accept that sooner or later.

"I want to see, who will win, whether it is Long Gunhe, or Ye Chen" Su Feixu wants to know who will win, both in terms of strength, they are both strong, so who will be the winner in the battle?

.

.

Ye Chen walked out After a private talk with Su Feixu.

"Ye Chen, are you okay?" Long Luxie asked Ye Chen, and she wanted to know if Ye Chen was okay.

Long Luxie was quite worried about Ye Chen, worried that Su Feixu would do something bad.

"I'm fine" Ye Chen said to Long Luxie, he was not injured and was discussing important things with Su Feixu.

"What are you doing inside" Long Luxie wanted to know what Ye Chen was doing with Su Feixu.

"have a little fun and talk" Ye Chen said to Long Luxie.

"Impossible, you, don't tell me that you did something like that with Miss Su Feixu" Long Luxie was shocked and couldn't believe what Ye Chen was doing.

Ye Chen was brave enough to do that to Su Feixu.

If anyone else knew, Ye Chen might be in pretty serious trouble.

Su Feixu is one of the beauties in the world, such a beauty is the idol of many people.

If this news spreads, there will be many people who will take up arms against Ye Chen.

"That's terrible, it looks like you won't survive, " Luxie said to Ye Chen.

Long Luxie was sure that Ye Chen would not be able to survive, he was finished.

"we were just talking and testing each other, what do you think?" Ye Chen asked Long Luxie.

"Eh, you didn't do anything strange?" Long Luxie asked Ye Chen.

"Why do I have to do strange things, I didn't do it" Ye Chen said to Long Luxie.

"Sigh. . ." Long Luxie felt relieved when she heard this, she was happy to know that Ye Chen didn't do anything about it.

"What's wrong?, are you worried that I'm doing bad things, or are you thinking bad things about me, you're being a naughty girl!" Ye Chen said to Long Luxie.

"no, I'm not that kind of woman" Long Luxie directly objected to what Ye Chen said, she told Ye Chen that she was not that kind of woman.

The more Long Luxie denied this, the more Ye Chen was convinced.

"Hahahahaha" Ye Chen laughed, he seemed to be laughing at Long Luxie.

"You laugh, you are very mean" Long Luxie said to Ye Chen, she was annoyed because Ye Chen laughed at her.

Long Luxie beat Ye Chen, she was annoyed because Ye Chen laughed like that.

People looked at Ye Chen and Long Luxie, and they saw that they were so close.

"I'm going to practice for a while" Long Luxie said to Ye Chen.

"I want to see it", Ye Chen said to Long Luxie, to be honest, Ye Chen wanted to see how Long Luxie fought.

Ye Chen was curious about what kind of small army Long Luxie had.

"Captain, are you back?" They welcomed Long Luxie's arrival, they looked so happy that Long Luxie had returned.

"The conversation is over, how about it?" they asked Long Luxie.

"I'm depressed, I almost lost my position" Long Luxie said to everyone.

Because of Ye Chen, Ye Chen had scared her to death, she thought he would lose her position.

"Eh!!!" Everyone was shocked when they heard this, they didn't expect Long Luxie to say such things.

"Will you be fired?" Everyone seems worried about Long Luxie, they like Long Luxie and don't want Long Luxie to be fired.

"No, I won't be fired," Long Luxie told her that she wouldn't be fired, her position was still safe.

"Thank God" they all felt very happy, if that happened, they wouldn't know what to do.

"let's start training" Long Luxie invited everyone to start training, meanwhile Ye Chen looked from above.

"So this is the army owned by Long Luxie, not bad either" Ye Chen saw how Long Luxie worked.

The group's abilities were below average, and their strength was far below Long Luxie's.

"Their basic abilities are quite good, but they can't use them well" Ye Chen could see that their basic abilities were quite good, it was just that they lacked the correct technique in training.

"Want to help them?" Chu Yuechan asked Ye Chen.

"Maybe, let's try to help them" Ye Chen said to Chu Yuechan.

Ye Chen wanted to help them train to become stronger.

Ye Chen came down, himself helping them all in training, when Ye Chen came down, Long Luxie and everyone were shocked.

"why did you come down?" Long Luxie asked Ye Chen.

"I want to join you guys, wouldn't you mind if I joined you?" Ye Chen asked Long Luxie.

"We don't mind" everyone didn't mind joining, they all wanted Ye Chen to join.

Everyone seemed to be interested in Ye Chen, they were interested in a handsome man like Ye Chen.

They all saw Ye Chen and seemed excited when they saw a handsome man like Ye Chen.

They had never seen anyone better than Ye Chen, so it was not strange that they were so excited when Ye Chen joined.

"are you serious?" Long Luxie Asked Ye Chen.

"Of course, I'm serious about what I say" Ye Chen said that he was serious about what he said.

"Come on, try fighting me" Ye Chen told them all to fight him.

"it's very easy, we will beat you quickly" they were confident, they would beat Ye Chen quickly.

"You guys, wait a minute, this guy is . ." Long Luxie tried to give them all a warning.

It's too bad they didn't listen to what Long Luxie said and fought Ye Chen.

"we will defeat you quickly" they surrounded and started attacking Ye Chen

Chapter 3142 Long Luxie's shop was destroyed

"Pretty good spirit." Ye Chen saw that they had quite a good spirit, they wanted to defeat Ye Chen using cooperation.

"Feel this, we will win easily" they started to surround Ye Chen, they didn't leave any gaps for Ye Chen to escape or dodge.

Ye Chen just smiled when he saw what was happening, it seemed they had underestimated Ye Chen.

"all of you, don't underestimate that person, even though he looks ordinary, he is still a very strong person" Long Luxie warned everyone.

"we understand, we will show our abilities" they all understood, they would do their best to defeat Ye Chen.

"dodge . . ." Ye Chen avoided every attack that came towards him.

Ye Chen's movements seemed ordinary, even though they looked ordinary and very basic, Ye Chen could avoid every attack.

"Impossible. ., he can dodge such a tricky attack?" they repeatedly attacked Ye Chen.

What a shame, Ye Chen managed to withstand and repel every attack that came so easily and without any problems.

"Huft", after launching so many attacks, was exhausted, and every attack it launched couldn't hit Ye Chen.

"What the hell, every attack we made couldn't hit him." they all couldn't believe it, every attack they made couldn't hit Ye Chen.

"What's wrong? Have you given up yet?" Ye Chen asked all the women who were in front, they gave up too quickly.

"Why?, why can't our attacks touch you" They all asked Ye Chen.

Why couldn't the attacks they launched touch Ye Chen?

"So you still don't realize your weaknesses?" Ye Chen said to them.

"Weaknesses do we have?" Everyone is confused about what Ye Chen said.

"Of course, your weaknesses are obvious, they are the weaknesses you have" said Ye Chen.

Ye Chen said that their movements were in vain, and because of this, they couldn't launch a proper attack at Ye Chen.

Ye Chen immediately told them what weaknesses they had.

Ye Chen said each person's weaknesses precisely, from their movements to how they attacked.

"Eh, I didn't expect myself to have such shortcomings." everyone was shocked after listening to Ye Chen.

They couldn't imagine Ye Chen guessing everything correctly.

Ye Chen was helping them correct the position of the feet, hands, and back, those were the most striking positions.

"Ye Chen, how do you know about this?" Long Luxie asked Ye Chen, she wanted to know how Ye Chen knew about this, even Long Luxie didn't know about this.

"I found out about this when I watched the training you were doing," Ye Chen said how he found out about this

While they were practicing, Ye Chen watched and found their shortcomings.

"You are so great," Long Luxie said to Ye Chen.

Long Luxie was mesmerized, Ye Chen was so great in observation, Ye Chen was far superior to Long Luxie.

"Not really, you are already good enough, it's just that there are still some things you have to learn," Ye Chen said to Long Luxie.

Ye Chen said that Long Luxie is already good enough, just needs a few lessons, and Long Luxie will become a great person.

"then please help us," Long Luxie said to Ye Chen.

"That's true, we ask for help" Everyone wants help from Ye Chen, they all want Ye Chen to help them to become stronger.

"If you say that, I won't be able to refuse what you want." Ye Chen will help, he will make them all more powerful.

"Are you ready for the training that I give you, the training that I will give you will be tough training," Ye Chen said to everyone.

Before starting, Ye Chen told them that he would train them hard.

"we are all ready," they said to Ye Chen, they are ready with the training that Ye Chen will give.

They are a strong and spirited team, a small squad that by Long Luxie, has an unyielding spirit.

"Okay, then let's begin" Ye Chen said to Long Luxie and everyone, Ye Chen helped them in training, Ye Chen showed them all the good and true ways of fighting.

"That's great, he can do something like that" Everyone was surprised by the ability shown by Ye Chen.

They seemed amazed by Ye Chen's strength and abilities, Ye Chen's abilities were very good.

They could also see Ye Chen's perfection, the way Ye Chen fought was very perfect.

Both his movements and abilities were perfect like there were no gaps in Ye Chen.

"applause" they all applauded, Ye Chen's strength and abilities were indeed great, they all had to acknowledge Ye Chen's abilities.

"Very great, you are very great, come quickly and teach us" they asked Ye Chen to teach them immediately, they wanted to be like Ye Chen.

"Then let's start." After Ye Chen showed them how to practice, Ye Chen taught them everything, and Ye Chen became a good teacher.

Even Long Luxie also took part in this to help Ye Chen and learn more from Ye Chen.

They all studied until the afternoon after it started to get dark and evening, they decided to stop and return.

They all seemed tired and needed rest, Ye Chen's training was quite hard, and not everyone could keep up with the training.

"let's go back," Ye Chen said to Long Luxie.

"Do you have a place to stay?" Long Luxie asked Ye Chen.

"What are you talking about, I will live together with you," Ye Chen said to Long Luxie.

Ye Chen would live together with Long Luxie, it was easier to do than renting a house.

"uhhhh. . ., you want to be with me. . ., isn't that too soon?" Long Luxie asked Ye Chen.

"What's too soon?" Ye Chen asked Long Luxie.

What did Long Luxie mean, they were too fast, too fast for what?

"No, forget it" Long Luxie told Ye Chen to forget it.

Long Luxie overthought about the matter.

"You are very funny, always thinking about things like that" Ye Chen told Long Luxie.

Long Luxie was very cute, and Ye Chen seemed to know what was going on through Long Luxie.

Before returning, Long Luxie didn't forget to check the shop, this was her habit done by Long Luxie.

Long Luxie walked towards the shop when she was close to the shop, she found that the shop had some damage on the outside

"Uh, what's going on here?" Long Luxie was shocked to see the scene in front of her, what happened in her shop.

Long Luxie ran, and she immediately found out what happened.

When Long Luxie entered, she found that this place was destroyed, there were so many destroyed items and scattered materials.

"Who did this?" Long Luxie looked angry, she was furious and annoyed after seeing what happened.

"Miss, some people came and destroyed this place. We tried to stop them, but it's a shame they couldn't be stopped," the employee here reported what happened to Long Luxie.

They told Long Luxie what happened in this place, some people came and destroyed this place, but the existing employees couldn't stop them.

It seemed the attackers had power above them.

"Are you injured?" Long Luxie asked if any of them were injured.

"We managed to escape and only suffered minor injuries," they said that they only suffered minor injuries.

"Then go and treat your wounds, I will bear everything for you" Long Luxie said to those injured.

Chapter 3143 Long Luxie's business rival, Long Yunmu

"many thanks" they thanked Long Luxie, after they thanked them, they all went to treat the wounds, Long Luxie would cover everything.

"What happened?" Ye Chen asked Long Luxie. fre(e)

"someone attacked my place" Long Luxie said to Ye Chen.

Long Luxie was angry, Ye Chen could feel that Long Luxie was very angry about this.

"do you know who did it?" Ye Chen asked Long Luxie.

It seemed that Long Luxie already knew who did this, Ye Chen intended to help Long Luxie with this matter.

"Of course, I already know who that person is, I didn't expect that she would attack my place like this, I can't forgive that person," Long Luxie said to Ye Chen.

Long Luxie couldn't forgive her, she would avenge what her opponent did.

Long Luxie had many rivals, and although she had many rivals in the business, Long Luxie knew who had done it this far.

"come with me" Long Luxie said to Ye Chen.

Long Luxie was in a bad mood, she looked so annoyed and wanted to destroy something.

"Okay . . ." Ye Chen understood, and he followed behind Long Luxie, and let Long Luxie lead, Ye Chen wanted to see the person who dared to look for trouble with Long Luxie.

Long Luxie led Ye Chen to a place, a shop that looked like Long Luxie's.

The difference is that this shop is much more beautiful and nicer than Long Luxie's.

"This place is much better than yours," Ye Chen honestly said to Long Luxie.

"I know, this place is indeed better than what I have, this place belongs to a woman who is much richer than me" Long Luxie had to admit this.

Long Luxie was not embarrassed to admit this, she admitted this in front of Ye Chen.

Long Luxie wouldn't lie that this place was much better than her, that was because the person behind it was much richer than Long Luxie.

"Because of that, she could easily create such a beautiful place.

"Long Yunmu, come out now" Long Luxie said, calling out to the other party.

The person behind all this was called Long Yunmu, she was a rich woman who competed with Long Luxie.

she didn't like seeing the business owned by Long Luxie grow, and because of this, she wanted to destroy it.

"what's wrong ?" Long Yunmu came out, she came out so quickly, and in no time, she greeted Ye Chen and Long Luxie.

"What have you done, tell me" Long Luxie said to Long Yunmu.

"What have I done?, I don't understand what you are saying?" Long Yunmu pretended not to know what Long Luxie said.

"You were the one who had sent them to destroy the shop I owned weren't you, isn't that too much" Long Luxie said to Long Yunmu.

"do you have proof that I did it" Long Yunmu asked Long Luxie.

she wanted proof from Long Luxie.

Proof that Long Yunmu did this, she wanted proof of this from Long Luxie.

Long Luxie indeed had no proof of this, even though sshe did not have any proof, she still believed that all of this was Long Yunmu's doing.

"You won't be able to trick me," Long Luxie said to Long Yunmu.

"Then prove it, if you have evidence" Long Yunmu challenged, if it were proven, she would accept the accusation.

"Just watch," Long Luxie said to Long Yunmu.

Long Luxie would find evidence, and make Long Yunmu regret it.

"Fufufufu, that won't happen, you won't be able to" Long Yunmu said that Ye Chen wouldn't be able to do that.

Long Yunmu was too confident, it seemed like she had confirmed no traces.

"So that's how it is" Ye Chen understood, it seemed like Ye Chen knew this was this woman's doing.

"Then we will get the proof, you better be prepared to accept the bitter reality" Ye Chen said to Long Yunmu.

"Who are you?" Long Yunmu asked Ye Chen why Long Luxie brought such a handsome man with her.

Long Yunmu felt that something was not right, why did Long Luxie bring someone, she didn't know that Long Luxie had such a good and handsome man, it made other women feel jealous.

"Are you sure about that, helping women like this?" Long Yunmu said to Ye Chen.

"Of course, I will help her" Ye Chen said to Long Yunmu.

"Whatever, even if you help her, nothing will change" Long Yunmu said to Ye Chen.

Long Yunmu said nothing would change, even if Ye Chen gave Long Luxie help.

"We'll see, after this what defense you will do" Ye Chen said to Long Yunmu.

"hahahaha, how interesting, you threatened me, you don't know who I am" Long Yunmu said to Ye Chen.

"I really don't know who you are, but you have gone too far" Ye Chen said to Long Yunmu.

"Okay, I want to see what you can do to me, try, you won't be able to do it, and after that, you will despair," Long Yunmu said to Long Luxie and Ye Chen.

"You will be the one who despairs" Ye Chen said to Long Yunmu.

"You are quite handsome, but your mouth is quite sharp," said Long Yunmu.

"I just don't like seeing injustice, that's all, nothing else" Ye Chen said to Long Yunmu.

Ye Chen didn't like seeing Long Luxie treated like this, destroying Long Luxie's shop was quite out of line.

"Just do it, I will wait for you, I hope you won't die" Long Yunmu warned Ye Chen and Long Luxie.

Long Luxie's eyes became sharp when she heard the warning given by Long Yunmu, which meant that Long Yunmu must have hired dangerous people.

"This woman" Long Luxie looked at Long Yunmu, she wanted to fight her head on.

"calm down first" Ye Chen said to Long Luxie.

Ye Chen told Long Luxie to be calmer, this woman just wanted to provoke them.

"let's go" Ye Chen said to Long Luxie.

Ye Chen invited Long Luxie to go, they would collect evidence and bring Long Yunmu to the end.

"I understand" Long Luxie listened to Ye Chen, if they started without any evidence, then it would be a problem.

Long Yunmu just smiled, and she saw Ye Chen and Long Luxie's stupidity.

Long Luxie and Ye Chen left, and they just went straight back to Long Luxie's shop.

"Ye Chen" Long Luxie wanted to talk to Ye Chen.

"The woman just now seems quite dangerous," Ye Chen said to Long Luxie.

"um, you are right, she is one dangerous woman, she will do all kinds of things to get rid of everyone who gets in her way" said Long Luxie.

Long Luxie said that Long Yunmu was a dangerous woman, that she loved profound crystals, and that she would get rid of everyone to get more profound crystals for herself.

"so a woman obsessed with wealth, no wonder she's dangerous" Ye Chen said to Long Luxie.

"Is it possible for us to find out the crime?" Long Luxie asked Ye Chen.

Long Luxie didn't seem convinced, from what Long Yunmu said, that the woman had hired dangerous people.

"No problem, we will look for them" Ye Chen said to Long Luxie

Chapter 3144 Shadow Dragon mercenaries

"looking for them?" asked Long Luxie.

"That's true, if we want to look for them, we have to start to find Long Yunmu's men" Ye Chen said to Long Luxie. freeweb(n)ovel

"You are right, it seems like that is one way we can do it, fine, I agree with you" Long Luxie agreed, after listening to what Ye Chen said.

Long Luxie believed in Ye Chen, it seemed like they had to do this, if they wanted to win against Long Yunmu.

"First we need instructions from the employees you have, they know the characteristics" Ye Chen said to Long Luxie.

"I will ask for the details" Long Luxie immediately went and asked for the details.

Meanwhile, Ye Chen remained in the shop and started looking for other evidence.

"They did it so neatly, they didn't leave any traces," said Chu Yuechan.

Chu Yuechan saw that Long Yunmu's men did it so well and neatly.

"That woman, she's smart, it looks like she hired professional people" Ye Chen said to Chu Yuechan.

"so what would you do?" Chu Yuechan asked Ye Chen.

"I still have various ways to track them" Ye Chen will use their traces, with that Ye Chen can find them.

"using tracking techniques, it's not bad to do" Chu Yuechan said to Ye Chen.

"Ye Chen, I'm back" Long Luxie said to Ye Chen.

"how?" Ye Chen asked Long Luxie.

"It's bad, those people were wearing masks, it's hard to see their faces, but they left some scraps of clothes behind, can that be used?" Long Luxie asked Ye Chen.

"Of course, it can be used" Ye Chen said to Long Luxie.

Ye Chen said that it could be used, it could be used to find them.

"Okay, let's start finding them" Ye Chen said to Long Luxie.

Ye Chen used his abilities, he tracked the enemy using the pieces of clothing they had.

Long Luxie saw what Ye Chen was doing, she was curious about what Ye Chen would do.

After seeing what Ye Chen did, he wanted to know the technique.

"The item search technique is indeed quite useful" Ye Chen said to Chu Yuechan.

"have found?" Chu Yuechan asked Ye Chen.

"Yes" Ye Chen said to Chu Yuechan, he had found their whereabouts.

They shouldn't be far from this place, so they could easily find these people.

"I've found them, let's go," Ye Chen said to Long Luxie.

Ye Chen told Long Luxie that he had found the whereabouts of the people who had damaged the shop owned by Long Luxie.

"Great, you already know where they are" Long Luxie was surprised, Ye Chen could find Ye Chen quite easily.

"let's go immediately," Ye Chen said to Long Luxie.

Ye Chen told Long Luxie to leave immediately lest they lose their trail.

"understand" Long Luxie understood, and she and Ye Chen immediately left.

After some time, Ye Chen and Long Luxie arrived at a large building with dozens of floors.

"Is this the place?" Long Luxie was surprised that Ye Chen brought herself to this kind of place, this kind of place was so big and so majestic, and Long Luxie was not sure whether those troublemakers were in this place.

"they live in this place, and it seems like I can see them from here" Ye Chen said to Long Luxie.

Ye Chen could see them all, there were a total of eight people, and they were on different floors.

"we will get them all out," Ye Chen told Long Luxie.

Ye Chen said that those involved had to leave.

"All of you who were involved in attacking a shop, you have 5 minutes to get out, otherwise, I will forcibly drag you away" Ye Chen said in a loud enough voice, this voice was enough to make everyone hear it.

Ye Chen gave them 5 minutes, if they didn't want to come out, Ye Chen would take them by force.

"What's wrong with that guy?" Many people questioned Ye Chen, wanting to know what Ye Chen was thinking.

Ye Chen waited patiently after Ye Chen waited patiently.

"Should we go?" eight people talked to each other using voice transmission, they wanted to know whether to leave this place.

"There's no need to do that, he won't be able to find us, in this place, we have so many people to hide, if we run away, it will make it easier for him to find us" the squad leader said to everyone.

He knew what Ye Chen was trying to plan because he already knew what Ye Chen was trying to plan, he didn't leave and instead remained silent.

They were all in different spaces, Ye Chen wouldn't find them.

5 minutes quickly passed, and they still didn't want to come out

"So you guys refuse to come out, fine, if that's your decision, I'll make you come out"

Ye Chen used his ability to teleport people, with the ability to teleport people, Ye Chen took them all out.

"What! !!" everyone was shocked to see Ye Chen leading them out.

"how could he take them all out" The eight people who were suspects were shocked when Ye Chen forcefully took them out.

"Do you think you can hide from me, you are wrong, I have locked you in from the start," Ye Chen said to the eight people.

They were all stunned, Ye Chen already knew this from the start, it was truly unbelievable.

"All of you, you better admit it, otherwise . . ." Ye Chen said to all of them.

"hahahahaha" The eight people in front laughed, they all seemed to be laughing at Ye Chen.

"very interesting, do you think you can beat us? As Shadow Dragon members, we are stronger than you" they said to Ye Chen.

"Shadow Dragon?" Long Luxie was shocked when he heard this.

"What is that?, an organization?" Ye Chen asked Long Luxie.

"You can say it like that, Shadow Dragon members are super strong mercenaries who are quite a name on the plains," said Long Luxie.

"What did I think? It turns out it was just a paid laugh" Ye Chen said to the eight members of Shadow Dragon.

"this person, it seems like he doesn't know anything about Shadow Dragon, then let's show the power of Shadow Dragon" They will fight Ye Chen.

"I will finish this quickly," Ye Chen said to the eight Shadow Dragon members.

"Ye Chen, you have to be careful," Long Luxie said to Ye Chen, he told Ye Chen to be careful even though they looked like that, they were still members of Shadow Dragon.

"it's okay, this will be easy to do," Ye Chen told Long Luxie.

They weren't great people, their cultivation was on par with Long Luxie, and this wouldn't be a big problem for Ye Chen.

"attack" They attacked Ye Chen with such good speed and tactics, that they all attacked Ye Chen.

"they are a well-trained team" Chu Yuechan said to Ye Chen.

Chu Yuechan said that Shadow Dragon is a well-trained team.

They could easily set up a formation to fight Ye Chen.

That proved that they could fight Ye Chen.

"die" They launched enough attacks to kill Ye Chen.

"Too confident in their abilities, I can use this to defeat you," Ye Chen said.

Ye Chen could use their self-confidence as well as the stupidity they had.

Chapter 3145 Found the perpetrator of the damage to the Long Luxie shop

Ye Chen threw several punches at the opponent, using one punch, Ye Chen knocked one of them down so easily and without any problem.

"Impossible" the seven members of Shadow Dragon could only be stunned when they saw what had happened.

Just one punch, Ye Chen destroyed one of them with just one punch.

"Who else wants to fight me" Ye Chen asked.

Who else wants to fight Ye Chen, Ye Chen will face everyone who wants to fight him.

Everyone fell silent when they saw Ye Chen, they had second thoughts about fighting Ye Chen.

"boss, he is so strong, one attack and he made us knock " everyone discussed what should they do, Ye Chen was very strong.

"don't be afraid, he is just trying to bully us" The boss of the mercenary group said not to be afraid.

If they were afraid of Ye Chen, then those who would suffer losses, the fear would make them even weaker.

"Do you want to give up or do you want to continue this problem?" Ye Chen asked the mercenary group.

Do they want to continue the fight or give up now?

"There is no word of surrender in us," the seven of them said to Ye Chen.

There is no surrender in them, they will never lose to Ye Chen.

"So that is your decision, if that is the decision you take, I will finish this quickly" Ye Chen used the Time Zone Ring, he stop everyone's movements.

After Ye Chen slowed everyone's movements, he knocked everyone out by hitting the back of their necks.

"Ugh. . ., damn it, what the heck is going on?" they all didn't understand what had happened, they didn't know what had happened to them.

Their heads were dizzy, and they lost consciousness, they fainted on the spot.

After knocking everyone unconscious, Ye Chen tied everyone up, and asked everyone various questions.

"Ye Chen, they are people from the mercenaries, this might be troublesome," Long Luxie said to Ye Chen.

she said that this would be a problem.

Shadow Dragon would look for Ye Chen to look for trouble.

"There's no need to be too afraid, if they send stronger people, just beat them, don't think too much about it" Ye Chen said to Long Luxie.

Ye Chen told Long Luxie to be calmer, there was no need to think too much because it was a problem that could be resolved easily.

"Let's wake them up and find out who destroyed the shop you own," Ye Chen said to Long Luxie.

"That's right, that's a more important matter." Long Luxie believed with Ye Chen, that matter was much more important.

"you . . ." Ye Chen said to the Shadow Dragon group that he had captured.

"What ! ! !" when they realized they had been tied up and captured by Ye Chen.

"Why were we caught?" They couldn't believe that Ye Chen could catch them so easily.

"You are still unconscious, you are too weak" Ye Chen said to the mercenaries who had been captured.

"Now tell me, who sent you, otherwise you will experience something more terrifying than death," Ye Chen gave a threat to everyone.

"Whatever, do whatever you want, we won't talk" they all refused to tell Ye Chen.

Ye Chen saw that they all refused to tell Ye Chen this.

"You asked for it" Ye Chen said to everyone, since they didn't want to tell, then Ye Chen made them all talk.

Ye Chen used the lightning power he had, using the lightning power he had.

Such powerful lightning immediately made them all speechless, unable to withstand Ye Chen's power.

"Argh. ." their screams echoed, they felt such incredible pain, as if a million knives pierced every cell of theirs.

"You want to say it, or do you want more?" Ye Chen asked everyone whether they wanted to tell the truth.

"It's just like this, we won't say it" They still refuse to say it, something like this is still not enough to make them talk.

"Oh, I see. then get ready." Ye Chen used more strength, he used such a large amount of strength and was so strong.

It made the pain they had become worse and worse, Ye Chen did this several times until they could no longer endure the pain.

"amazing," Long Luxie could only see what Ye Chen was doing.

she was speechless after seeing what Ye Chen did, what Ye Chen did was too great.

After Ye Chen did this several times, of course, they wouldn't be able to endure, they wouldn't be able to survive such torture, plus they couldn't move, of course, they had to endure it very well.

"we give up" After dozens of times, they finally gave up, they couldn't hold on anymore, and this was too painful for all of them.

They wouldn't be able to survive Ye Chen's torture, death was better than this.

"already surrendered? then tell us who the culprit is" Ye Chen asked them.

"A woman, if I'm not mistaken, her name is Yunmu" he told Ye Chen.

"I thought so" Long Luxie had already guessed this, her guess was correct.

She wasn't wrong if she guessed that the person who had done it was Long Yunmu.

"Do you know why hse did that?" Ye Chen asked.

Maybe they knew the reason why Long Yunmu did this.

"Why should we know, we are just mercenaries doing work, don't care about the reasons" they said to Ye Chen.

They are mercenaries, why should they care about such things, they naturally won't care about such things.

They will do every job given as long as they get the right reward and payment.

"I already thought they wouldn't know about this" Ye Chen had expected this.

"it seems they don't know," Long Luxie said to Ye Chen.

"then they are useless anymore," Ye Chen said to Long Luxie.

"You're right, leave them alone and let's get things done," Long Luxie said.

"You are right, I have recorded everything," Ye Chen said to Long Luxie.

It just so happened that Ye Chen had recorded everything, so they had the necessary evidence.

"You are full of preparations," Long Luxie said to Ye Chen.

"of course, I have prepared everything," Ye Chen said to Long Luxie.

They had to prepare everything otherwise, they wouldn't have enough evidence.

"It's getting late. Do we start or not?" Ye Chen asked Long Luxie.

"Let's continue, we've got evidence," Long Luxie said to Ye Chen.

Long Luxie informed that they had obtained the necessary evidence, which could easily destroy the woman.

The night was the right time, they could take advantage of this and make a counterattack against Long Yunmu.

Long Yunmu definitely wouldn't have predicted that Long Luxie would come.

"Then I will follow your plan" Ye Chen said to Long Luxie.

Since Long Luxie wanted it that way, Ye Chen would come with Long Luxie.

Ye Chen will help as best he can, capture Long Yunmu and bring justice to Long Luxie.

"Let's go" Long Luxie prepared everything, she was going to fight against Long Yunmu, She finally had a reason to do so.

This time, Long Luxie will definitely solve everything, she doesn't want to be bullied anymore.

Chapter 3146 how did you get that evidence

Ye Chen and Long Luxie went straight to Long Yunmu's place.

Their goal was to go to the private house owned by Long Yunmu.

The private house owned by Long Yunmu was 5x bigger compared to the shop she managed.

"she is really rich" Ye Chen said to Long Luxie.

Ye Chen saw that Long Yunmu's residence was larger than her shop's.

"It's obvious, isn't it, she's using dirty means to get more profound crystals, I've said from the start, that a woman is only interested in profound crystals".

"what kind of dirty methods did she use," Ye Chen asked Long Luxie.

Ye Chen wanted to know what kind of method Long Yunmu used.

"she buys from people and farmers at very cheap prices and sells them at prices below the market average, of course, she uses coercion to do this," Long Luxie said to Ye Chen.

"So that's how it is, threaten them and make them sell at such a cheap price after that sell it below the market price, the profit will be quite large" Ye Chen understood how Long Yunmu's business worked.

Using such a working method made it clear that Long Yunmu could become rich so easily.

"That's why I don't like that woman, what do you think?" Long Luxie asked Ye Chen.

"I don't think that's good, that way of working is detrimental to the farmers who have worked hard to grow the best," Ye Chen said to Long Luxie.

"I thought that you would agree, let's defeat that woman and start changing her" Long Luxie said to Ye Chen.

Long Yunmu must be changed, which is the most appropriate time to change Long Yunmu.

"let's do it," Long Luxie said to Ye Chen.

Ye Chen and Long Luxie walked into Long Yunmu's house.

When the two of them entered Long Yunmu's courtyard, they were immediately shot by thousands of arrows.

"I will withstand all incoming attacks." Long Luxie used wind defense with this, she blocked every incoming arrow.

All the arrows were blocked easily by Long Luxie.

Long Luxie didn't let the arrow penetrate towards her.

After some time, she finally withstood every attack, she could withstand every attack so easily and without any problems.

"Great, as expected of you," Long Yunmu said to Long Luxie.

"The reception you gave was very unfriendly," Long Luxie told Long Yunmu.

"Hahahahaha, why should I greet you so kindly, an intruder intruding into someone's home, I won't let that happen," Long Yunmu said to Long Luxie.

"You might be right, I came today to settle everything," Long Luxie told Long Yunmu.

Long Luxie's arrival was to resolve all problems and grievances with Long Luxie.

Today, they will end everything quickly.

"What are you going to do, fight me?" Long Yunmu was still quite confident; she was not afraid of Ye Chen and Long Luxie.

"You should probably see this" Ye Chen played the recording for Long Yunmu, letting this woman listen to it herself.

"The person who hired us was Yunmu" the mercenary's words interrogated by Ye Chen.

Ye Chen turned it around and told Long Yunmu.

Let Long Yunmu see this, she will be shocked when she sees this.

"impossible" Long Yunmu didn't believe that Ye Chen would have such a thing.

"How could you get it? They couldn't possibly talk about that problem?" Long Yunmu asked Ye Chen.

How did Ye Chen get something like that, the mercenary squad would not tell Ye Chen about it.

"Use a little force," Ye Chen said that he used force.

"You . . ." Long Yunmu looked at Ye Chen, it seemed that Ye Chen was much more powerful than Long Yunmu thought.

The reason why Long Luxie was able to get this thing was definitely because of Ye Chen, if it weren't for Ye Chen helping her, Long Luxie would have problems getting it.

"That's all?, that won't be enough evidence, that kind of evidence isn't strong enough to detain me" Long Yunmu said to Ye Chen, Ye Chen didn't have enough evidence to trap her.

"How about this ?" Ye Chen played another recording.

"How could you get it? They couldn't talk about the problem?" Long Yunmu's voice repeated.

Ye Chen had recorded it in secret and was already quite strong evidence.

"Damn it, since when did you do it" Long Yunmu spoke to Ye Chen, since when did Ye Chen take it away.

"I took it when you were careless, and you didn't realize this, what a pity" Ye Chen said to Long Yunmu.

"This man, I will kill him." Long Yunmu couldn't let Ye Chen go, if she let Ye Chen go, then she would be in trouble.

"Kill them, don't let them leave this place," Long Yunmu gave an order to all the guards.

More than 400 guards came out, they immediately surrounded Long Luxie and Ye Chen.

"This is very bad, she has prepared all this against us," Long Luxie said to Ye Chen.

"Now, what can you do, accept your death in this place," Long Yunmu said to Ye Chen and Long Luxie.

she told Ye Chen and Long Luxie to die right now. fr(e)e

Ye Chen just smiled when he heard this, for him, what Long Luxie said was very funny.

"what you said, it won't happen" Ye Chen told her that it wouldn't happen.

"God Domination Pressure" Ye Chen used God Domination Pressure.

An extremely powerful pressure spread out and made the much weaker people feel horror, the 400 troops belonging to Long Yunmu fell simultaneously to the ground.

"Ehhh!!!" Long Yunmu and Long Luxie were both shocked.

Especially Long Yunmu, her jaw dropped wide when she saw what happened.

The 400 trained troops had just fallen, Ye Chen hadn't even moved, and everyone just fell.

After some time, Long Yunmu finally regained consciousness.

"what have you done?" Long Yunmu asked Ye Chen what Ye Chen had done.

"Made them faint for a while, who would have thought that they would faint so easily," Ye Chen said to Long Yunmu.

"Just with my little aura, they became like that," Ye Chen said to Long Yunmu.

"Impossible, they are great people, there is no way they could lose so easily," Long Yunmu said incredulously.

They were elite troops, there was no way they could be defeated so easily by Ye Chen, this couldn't be happening.

"You can't accept reality, what a pity," Ye Chen told Long Yunmu.

"Damn it, don't underestimate me" Long Yunmu was so angry, she wanted to confront Ye Chen.

"Leave this matter to me" Long Luxie wanted to settle matters with Long Yunmu.

"Then, I'll leave this matter to you," Ye Chen understood, she would hand the matter over to Long Luxie.

Long Luxie would come forward and face Long Yunmu, using all her abilities to face Long Yunmu.

"so you decided to fight me," Long Yunmu told Long Luxie.

"This is our problem, I will end the problem we have" Long Luxie will end the problem with her own strength.

"Come forward, let me destroy you" Long Yunmu said to Long Luxie.

"You are too confident to win against me, you always lose against me, do you think you can win the battle this time?"

Chapter 3147 Long Luxie Vs Long Yunmu

"I come with new strength, obviously I won't lose to you" Long Luxie said to Long Yunmu.

Long Luxie will not lose, she will show her abilities and let Long Yunmu see the great abilities that Long Luxie has.

"Damn, what is so great about you, bitch, I will kill you and end everything quickly" Long Yunmu said to Long Luxie.

He would end this battle quickly, she promised to do just that.

Long Yunmu was at level two Immortal True God Realm, she was at the same level as Long Luxie.

Long Yunmu still thought that Long Luxie's strength was still at the peak level of the Immortal God Realm.

So it wasn't strange that she was arrogant and wanted to quickly end the battle.

it was because Long Yunmu felt she had the strength to win the battle.

"I will kill you in one step," Long Yunmu said that she would kill Long Luxie in one step.

With just one step, she would send Long Luxie to another world.

Long Luxie did not answer Long Yunmu's words, both of them used palm strikes to fight.

"Boom. . ." a huge explosive impact occurred, when a huge explosive impact occurred, the force of both made the ground and sky shake.

In the exchange of attacks that occurred.

Long Yunmu retreated and received a wound, blood flowing from the corner of her mouth.

"Damn, what just happened?" Long Yunmu didn't understand what just happened.

Why was she injured? Long Yunmu should be the one who injured Long Luxie.

Why did she get such a big impact when she received the attack from Long Luxie?

"don't tell me she broke through?" Long Yunmu realized something, she was late in realizing this problem, which made her lose momentum and injured her.

"bitch, she hides her strength well" Long Yunmu finally realized that Long Luxie had been hiding her strength.

The current Long Luxie was comparable to Long Yunmu in strength and combat power, as they were both at the same level.

"so you have broken through," Long Yunmu said to Long Luxie.

"Of course, I have already broken through, otherwise, I wouldn't have a chance to win." Long Luxie knew that she wouldn't be able to win if she didn't do that.

"So that's how it is, damn it, you pranked me," Long Yunmu said.

Long Yunmu looked angry, it seemed like Ye Chen had deceived him, which made Long Yunmu angry.

"No matter if you break through, I will be the winner." Long Yunmu would prove she was a winner, and Long Luxie was a loser.

she would never lose against Long Luxie, and Long Yunmu vowed to defeat Long Luxie with her own hands.

The two continued fighting, and the fighting became more and more serious, both Long Luxie and Long Yunmu, neither was willing to give in, and they used their full strength.

"This woman has become so strong, what has happened to her?" Long Yunmu wanted to know how Long Luxie became so strong, every attack made by Long Luxie was so destructive and caused Long Yunmu trouble.

"Bad, I can't hold it." Long Yunmu realized that she could not withstand the attack launched by Long Luxie.

she was sent flying by Long Luxie's attack.

"Very good, you opened a gap" Ye Chen saw that Long Luxie had managed to create an opening, this was a good thing, she could attack Long Yunmu.

"Take this" Long Luxie attacked Ye Chen using a wind punch, when Long Luxie did this, Long Yunmu coughed up blood.

"Cough. . ." Long Yunmu was injured, and the attack launched by Long Luxie was very painful.

"This wound. ., how dare you ?" Long Yunmu was so angry she couldn't accept being injured by Long Luxie.

"Boom. . ." Long Yunmu finally used her power, she created a huge storm all around.

"I will kill you, I will kill you" Long Yunmu was so angry she couldn't hold back and wanted to kill Long Luxie.

The killing aura that Long Yunmu possessed was extremely dense, this aura was extremely terrifying.

"she has such a terrifying killing aura, what is going on, is this the real Long Yunmu?" Long Luxie was shocked by Long Yunmu's killing aura.

It could be said that this was the first time Long Luxie felt such a killing aura within Long Yunmu's body

"You, you will feel my anger, I have never shown this to others, you will be the first to feel it" Long Yunmu spoke to Long Luxie.

This woman's aura became very strong, this aura was very terrifying, besides that, Long Yunmu's strength rose and surpassed Long Luxie's strength.

"master, that woman's aura has become bigger, if it's like this maybe Long Luxie will lose," Chu Yuechan said to Ye Chen.

Long Yunmu's aura had become so strong, if it were to be left unchecked, it would probably be very dangerous for Long Luxie.

"It's okay, I'm sure she can overcome this problem, she still hasn't brought out all her abilities" Ye Chen said to Chu Yuechan.

Ye Chen was confident in Long Luxie's abilities.

Ye Chen believed that Long Luxie could win this battle, she was a great woman.

"Don't lose, let's beat her" Ye Chen gave support to Long Luxie. [n ovel.com](http://www.novel.com)

He told Long Luxie to use every strength to be able to win.

Because Ye Chen believed and believed in Long Luxie's abilities.

she could definitely win the battle in her way.

"He believes in my abilities, then I can't disappoint him" Long Luxie will not disappoint Ye Chen, she will show the strength she has, she is a great person, and she cannot lose to the opponent in front of her.

Long Luxie didn't want to lose, she also showed her strength and abilities.

"Boommm. . ." Long Luxie showed no less strength compared to Long Yunmu.

she created a storm vortex that was bigger compared to Long Yunmu.

"Impossible, don't tell me that you are still stronger than me." Long Yunmu couldn't accept this, she couldn't accept the facts that happened.

"I will not lose" Long Yunmu used all her abilities, she used them all and displayed the highest abilities possible.

Long Yunmu didn't want to lose to Long Luxie, she used her all to face Long Luxie.

Long Luxie also increased her power, the wind vortex became bigger and began to clash.

The collision between the wind vortices destroyed on all sides, Long Yunmu's luxurious house began to be destroyed and eroded by the force of the wind.

"They didn't hold back, it looks like Long Luxie is going to destroy the surroundings of this place" said Ye Chen.

Ye Chen saw what they were doing, their battle was too intense, if they did that, then Long Yunmu's entire luxurious mansion would definitely be destroyed.

Long Yunmu probably wouldn't have noticed this, she was too focused and forgot about such matters.

What Long Yunmu had in mind was to defeat Long Luxie and regain victory.

He will not accept defeat, she will be a winner.

"Boom. . ." The impact became stronger, the impact could immediately be felt by Long Luxie and Long Yunmu who were in the vortex.

They both felt a sense of unease when the two forces met and clashed.

"This hurts, but I have to persevere and find the right momentum to destroy the opponent's whirlwind," Long Luxie thought more calmly, she restrained herself and tried to find an opening.

Meanwhile, Long Yunmu wanted to destroy Long Luxie immediately.

Chapter 3148 Long Luxie Vs Long Yunmu decisive battle

"I must be stronger, use every ounce of strength I have" Long Yunmu was unwilling to give up.

she used more strength to fight Long Luxie.

Long Yunmu was serious, she was serious about fighting Long Luxie, she used all her strength and abilities to face Long Luxie.

"boom, boom" Long Yunmu showed such great power, she showed great ability and was very difficult to resist, a power that suppressed the power of Long Luxie.

"I have to hold on" Long Luxie decided to hold on, she used all her abilities to resist the power of Long Yunmu.

As long as Long Luxie could withstand this attack, then she would be safe, after Long Yunmu ran out of profound energy, it would be the most appropriate time for Long Luxie to attack.

Long Yunmu couldn't break the defense of Long Luxie, it made Long Yunmu shocked to death.

"How did that happen, why can't I break through, my profound energy is almost run out?" Long Yunmu had a problem, her profound energy was almost run out, and she had to end this quickly.

"I should end this" Long Yunmu realized, she had to end this quickly.

"I will use all my strength in one attack, crush her to pieces" Long Yunmu only had one path, kill Long Luxie with one such powerful attack.

Long Yunmu had already decided, she had to do this, if she didn't, she would be the loser.

Long Yunmu didn't want to be a loser, she wanted to win over a lowly woman.

Long Yunmu didn't know yet that Long Luxie was one of the beautiful goddesses in God Realm, she was a first-rate beauty with a high status, higher than Long Yunmu now.

Long Luxie abandoned all that and preferred to go to God's Realm to become immortal.

Long Luxie's choice was correct, she would never regret her decision.

"Die, this is the final attack," Long Yunmu said to Long Luxie, she told Long Luxie that this would be the final attack.

This attack was the most powerful, Long Yunmu magnified and accelerated the wind rotation, naturally putting Long Luxie at a disadvantage.

"Is this the chance I have?" Long Luxie felt that this was the chance she had.

A one-time opportunity that should not be missed, if Long Luxie missed this opportunity, then she would be the one to be destroyed.

Long Luxie took a deep breath, this was the time of judgment.

Long Luxie used her full strength, her wind vortex grew faster.

Ye Chen saw what would happen, the strong impact would be unavoidable.

This would determine who would win the battle, whether Long Luxie or Long Yunmu.

"Boom. . ." when the two vortexes at full speed met, the surrounding air shrank, making breathing difficult and creating wind blades that could cut through all sorts of things that were sucked in.

"I will not lose" Long Luxie and Long Yunmu both used all the strength they had.

They don't want to lose, they will show their full strength.

Both of them were still evenly matched in this battle, just waiting to see who would run out of profound energy.

Whoever runs out of profound energy first will lose.

Ye Chen and Chu Yuechan watched from afar, both of them were waiting for the results, who would be the winner, it would be determined in less than 5 minutes.

4 minutes later, Long Yunmu started to run out of profound energy, she was having trouble, and there was nothing that could be done about this.

"My head is dizzy, and I feel weak" Long Yunmu felt that she had become so weak, the profound energy in her body was starting to all over.

"This is the victory that I have" Long Luxie became the winner, the absolute victory that belonged to Long Yunmu.

"Bang" The whirlwind that belonged to Long Yunmu disappeared, she flew out and hit the ground, part of Long Yunmu's clothes were torn, and she had many scratches all over her body.

"Unacceptable, I lost." Long Yunmu couldn't accept this, Long Luxie defeated her.

"This time I am the winner," Long Luxie told Long Yunmu.

"Why do you have such strength?" Long Yunmu asked Long Luxie.

Why could Long Luxie have such power? She couldn't understand the power that Long Luxie had.

This is the strength I got from suffering and hardship in surviving, plus there are people who help me."
Long Luxie looked towards Ye Chen.

Ye Chen was the person who helped Ye Chen the most, he helped Long Luxie the most in various things.

If it hadn't been for Ye Chen, she wouldn't have been able to reach this stage.

"so that's how it is" Long Yunmu understood, it seemed like she was too comfortable in her zone.

Long Yunmu closed her eyes, she already had no strength to endure and wanted to sleep.

"What are you going to do to her?" Ye Chen asked Long Luxie.

"I will hand it over to Su Feixu" Long Luxie said to Ye Chen.

Su Feixu will handle the matter, she will be able to give a proper punishment.

Because this was Su Feixu's territory, Su Feixu determined the laws here.

"Then let's take her" Ye Chen said to Long Luxie.

Ye Chen and Long Luxie went to Su Feixu's place.

.

.

In another place far from Ye Chen's location, this was the territory of Long Gunha.

The central area of Long Gunha palace was filled with black clouds and lightning.

"Rumble. . ."Lightning fell and struck, the sound made several creatures tremble.

At this time, Long Gunha gave off a terrifying aura, his body emitted lightning and destroyed the surrounding palace.

Long Gunha was angry with the letter Su Feixu sent.

He couldn't hold back when he received the letter sent by Su Feixu.

"It's been a long time since I saw anyone try to challenge me" Long Gunha said.

It had been a long time since he dared to go against himself, perhaps tens of thousands of years, and now someone came and said this to Long Gunha.

Of course, Long Gunha was angry and wanted to destroy Ye Chen.

Long Gunha has a rule, he will not leave his enemy alive, he must destroy his enemy quickly and without mercy.

That's what made Long Gunha able to survive this long, he didn't let his enemy live long.

"Send some of the best troops to hunt down a person named Ye Chen, he is a dangerous person and can come out of exile." Long Gunha gave orders to the elite troops he had.

The troops sent were one of the best, their failure rate in missions was almost 0%, and they never failed to carry out the missions given by Long Gunha.

It proved that they were such great people and so strong that they would not have been able to complete the difficult mission given by Long Gunha.

"We will bring that person's head" They immediately left, they would bring Ye Chen's head, and they only needed 2x24 hours to do this.

"Don't disappoint me, if you fail, you will be punished" Long Gunha told them.

Long Gunha did not accept failure, it was an insult to him.

Long Gunha is a researcher, so he doesn't like failure, even the elite troops he has are also the result of research he has carried out for hundreds of thousands of years.

Chapter 3149 Long Gunha's troops began to move to attack Ye Chen

They are all smart and intelligent and have strength, which makes it difficult for them to beat or kill.

"understand, we will never fail the mission" they promised to bring Ye Chen's head.

"leave right now" Long Gunha told them all to leave, he was waiting for the best result.

"understand." they immediately left, they went to hunt down Ye Chen.

"This group consists of several people, there are two strong people, one is Long Aoji, and the other is Long Nuji, the two most powerful and smartest forces, they are the leaders in the elite army group.

"We plan to hunt him down, we will do it quickly and without being noticed" Long Aoji gave orders, he gave orders to everyone to hunt down Ye Chen.

"Understand." they all split up and looked for Ye Chen's whereabouts, they had to find Ye Chen within 1x24 hours.

After that, they could defeat Ye Chen in less than 5 minutes.

.

.

After handing Long Yunmu over for trial, Ye Chen and Long Luxie returned.

"Finally, we are back, thank you for helping a lot" Long Luxie said to Ye Chen.

Long Luxie was very grateful for what Ye Chen did, Ye Chen was so helpful, if it weren't for Ye Chen, she wouldn't be able to beat Long Yunmu.

"That is your ability and strength, I only saw the battle you fought," Ye Chen said to Long Luxie.

Ye Chen said that it was all Long Luxie's abilities and strengths.

Long Luxie was determined to win, and Ye Chen just watched from beginning to end.

"but if it weren't for you, I would have fallen into that woman's trap," Long Luxie said to Ye Chen.

Long Luxie was grateful, that Ye Chen helped Long Luxie to get out of the trap, Long Luxie wasn't sure she could win against 400 people at once, so she was very grateful to Ye Chen.

"no problem" Ye Chen said to Long Luxie.

"uhhhh . . ." Long Luxie fell into Ye Chen's arms.

"You seem exhausted," Ye Chen said to Long Luxie.

Ye Chen saw that Long Luxie was exhausted, fighting with Long Yunmu had exhausted her profound energy.

"Sorry, I'm tired" Long Luxie said to Ye Chen.

Long Luxie apologized, she apologized for being so tired, she had run out of profound energy.

"it's okay, let's rest" Ye Chen said to Long Luxie. .c(o)m

Ye Chen took Long Luxie to her room, he treated and laid Long Luxie down.

Ye Chen took Long Luxie to bed, it looked like Long Luxie needed rest.

"accompany me" After Ye Chen pulled Long Luxie on the bed, Long Luxie asked Ye Chen to accompany her.

"Of course, I will do it." Ye Chen would do it, he accompanied and slept with Long Luxie.

Since Long Luxie's bed was a single bed, there wasn't much space left, so they had to be quite close to each other, if they weren't close, then it was certain that they would fall.

"Very warm" Long Luxie likes Ye Chen, she likes being in Ye Chen's arms, the feeling of being in Ye Chen's arms is very comfortable.

"You smell so good," Ye Chen said to Long Luxie, she could smell Long Luxie's fragrant scent.

"Tonight we sleep together," Long Luxie said to Ye Chen.

"of course, I will hug you until you fall asleep," Ye Chen said to Long Luxie.

Ye Chen hugged Long Luxie until she fell asleep, Ye Chen knew that Long Luxie was tired, and because of this, he hugged Long Luxie and let her rest.

If only Long Luxie weren't tired, maybe they could do more tonight than now.

The two of them slept, and Ye Chen hugged Long Luxie until morning.

Long Luxie slept so soundly, with no fear or discomfort, and she felt so comfortable being close to Ye Chen.

"Ummm, so comfortable" Long Luxie felt comfortable, she felt happy being around Ye Chen.

When morning came, Long Luxie woke up and felt that she was so fresh and comfortable today.

"My strength has recovered" Long Luxie felt that her strength had recovered.

she had already recovered 100%, likely because Ye Chen had helped Long Luxie a little, if not, then Long Luxie wouldn't have recovered so quickly.

Long Luxie looked at Ye Chen, who was beside her, she could see that Ye Chen was still sleeping.

Long Luxie smiled when she saw Ye Chen, Ye Chen was very pleasant to look at.

"Wake up, it's morning" Long Luxie woke Ye Chen, she told Ye Chen that it was morning.

"a little more" Ye Chen said to Long Luxie.

Ye Chen wanted to rest a little longer, it seemed like she needed a longer rest.

"Don't be like a fat pig, let's get up" Long Luxie said to Ye Chen.

As a soldier, Long Luxie had a disciplined life, she would not let Ye Chen slack off.

"Okay, I understand" Ye Chen had no choice but to get up and start washing his face.

After washing his face and showering, Ye Chen came out, there, he saw Long Luxie, who had prepared food for him.

"Come on, breakfast is ready," Long Luxie said to Ye Chen, she told Ye Chen that the food was ready.

"I can't wait to try your cooking," Ye Chen said to Long Luxie.

Ye Chen wanted to try Long Luxie's dishes.

Ye Chen sat and waited for the dishes, when she saw what was on the table, Ye Chen was a little surprised.

"Why are there so many sweets on the table?" Ye Chen didn't expect so many cakes on the table, the rest was regular food.

"I like sweets," Long Luxie said to Ye Chen.

Long Luxie said she liked sweets, so it wasn't strange that so many sweets were prepared.

"So it's yours, it's not strange," Ye Chen understood, it turned out to be Long Luxie's.

Ye Chen just remembered that Long Luxie liked sweets, when her mood was messy, just give her sweets, it would quickly restore her mood.

Ye Chen ate together with Long Luxie, both of them had breakfast together, they seemed to enjoy it very well.

After breakfast Ye Chen together with Long Luxie went to the shop, there were so many things that needed to be repaired, Ye Chen helped Long Luxie to reorganize the shop.

Long Luxie had already taken leave, so she wouldn't go out to train like before.

Long Luxie used her time to improve the shop and make it even better.

Ye Chen was quite skilled at building things, she helped Long Luxie redecorate it and make it stronger and better.

Ye Chen and Long Luxie redecorated until the afternoon, they didn't realize that quite a long time had passed, it would soon be evening, and they were almost done.

"Master, there are several people who are starting to pay attention to you" Chu Yuechan said to Ye Chen, she told Ye Chen that someone had started to pay attention to him.

"Are they sent by Su Feixu?" Ye Chen thought that Su Feixu sent them.

"no, they showed strong hostility, it was likely Long Gunha," Chu Yuechan said to Ye Chen.

Chu Yuechan had been watching them and told them that these people had enmity, they were after Ye Chen's life.

"faster than I thought," Ye Chen said to Chu Yuechan, it seemed the enemy was moving faster than initially estimated.

It's only been 2 days, as expected of Long Gunha, he wanted to get rid of Ye Chen as quickly as possible.

Chapter 3150 Pretending to be a weak person while being watched by the enemy

"Do you know their number yet?" Ye Chen asked Chu Yuechan.

"Not yet, I only found two people, these may be just a few people assigned to scout you" Chu Yuechan said to Ye Chen.

"Only two people, their cultivation is also only at the sixth level of Immortal True God Realm" Chu Yuechan explained to Ye Chen.

"So there are only two people, I understand." Ye Chen understood, and then they just watched and saw Ye Chen's abilities.

Ye Chen shouldn't be too obvious, most likely, they were trying to find out what strength Ye Chen had.

"They are looking for the strength I have, I understand it is better to pretend to be weak for a while" Ye Chen understands the current situation, they are looking for Ye Chen's strength, Ye Chen knows what to do in the current situation.

"Luxie, come train with me," Ye Chen told Long Luxie.

"Why so suddenly?" Long Luxie said to Ye Chen, why did Ye Chen suddenly say something like that.

"Yes, let's do it, the work is also finished," Ye Chen said to Long Luxie.

"Okay, I will show my best ability and not hold back, don't lose," Long Luxie said to Ye Chen.

Because Long Luxie's opponent was Ye Chen, Long Luxie couldn't hold back, if Long Luxie held back, she would be immediately defeated by Ye Chen.

Long Luxie also wanted to see Ye Chen's abilities, and how strong Ye Chen was.

"let's start" Ye Chen said to Long Luxie.

"Then" Long Luxie created a whirlpool and several wind blades, she attacked Ye Chen.

Ye Chen tried to defend, but he was sent flying by Long Luxie's attack.

"eh? ? ?" Long Luxie was shocked when she saw Ye Chen being flown so easily, was the attack she used too strong?

"Ye Chen, are you okay?" Long Luxie asked Ye Chen, if was Ye Chen okay.

"I'm fine," Ye Chen said to Long Luxie.

Ye Chen was of course fine, he was barely injured by the attack just now, Ye Chen was just pretending.

"You make me worry," Long Luxie said to Ye Chen, she told him that Ye Chen had made her worry.

"Hehehehe" Ye Chen chuckled when he heard these words.

Ye Chen pretended not to be that great at fighting, he couldn't even win against Long Luxie.

"That guy sucks, is he our target?" The people who were watching Ye Chen started to get confused, was Ye Chen that weak, if indeed Ye Chen was weak, they could immediately kill Ye Chen on the spot.

"he is weak, we can kill him alone" The two of them finally decided to kill Ye Chen.

They were confident in their abilities, and killing Ye Chen and Long Luxie was not difficult for them.

They came out and started to attack Ye Chen, they launched a sneak attack towards Ye Chen's place.

Ye Chen saw what they were trying to do, it seemed like they were too confident in defeating Ye Chen, they just attacked Ye Chen without caring about the situation.

"slash . ." they cut Ye Chen's body into two parts.

This shocked Long Luxie, Long Luxie couldn't believe the opponent cut Ye Chen into two pieces.

"No, this can't be happening" Long Luxie couldn't believe what was happening, how could someone cut Ye Chen?

"This is very easy, we have finished our job easily" They have finished, they have killed Ye Chen.

"What are you talking about, you two can't cut me" Ye Chen appeared behind them, he used his arm and started to strangle them both.

"uh. . . , impossible, how could that happen ?" They couldn't survive and fight back, Ye Chen strangled their necks.

They couldn't breathe and lost consciousness.

"You're okay, you surprised me" Long Luxie was happy that Ye Chen was okay.

"I did that on purpose to get them out, they've both been watching us for a long time" Ye Chen said to Long Luxie.

"So that's what happened, you were pretending, I didn't realize it" Long Luxie didn't realize this, to be honest, she didn't expect Ye Chen to do that.

Long Luxie thought that she hurt Ye Chen, and she felt guilty for making Ye Chen hurt.

"It looks like we just caught something interesting," Ye Chen told Long Luxie.

"who sent them to attack you" Long Luxie asked Ye Chen.

Long Luxie wanted to know who they were, and who had sent them.

"no need to ask anymore, it was sent by Long Gunha" Ye Chen said to Long Luxie.

Ye Chen said that Long Gunha sent them.

"He started making moves against you?" Long Luxie was shocked, Long Gunha was very fast, he immediately moved against Ye Chen, he wanted to kill Ye Chen immediately.

"because he made a move, then this will start" Ye Chen said to Long Luxie.

"Ye Chen, what are you planning to do?" Long Luxie asked Ye Chen what Ye Chen planned to do.

"something big, I intend to plan something big," Ye Chen told Long Luxie.

Ye Chen planned something really big, he would show Long Gunha who he was.

"Yuechan, tell Fu Lanling and Chen Mengyan" Ye Chen said to Chu Yuechan.

"I understand," Chu Yuechan understood. She would tell the two of them about Ye Chen's plans.

Everyone here would be happy to help Ye Chen, they would help Ye Chen to fight Long Gunhe.

"we will use these two people as bait," Ye Chen told Long Luxie.

"bait ?" Long Luxie asked Ye Chen.

"Yes, they can be bait to attract the enemy to come, you will see," Ye Chen said to Long Luxie.

Ye Chen said that if Long Luxie saw him, he would use these two people as bait, he was sure that the enemy would come out when he saw these two people captured by Ye Chen.

"Come with me" Ye Chen said to Long Luxie.

Ye Chen invited Long Luxie, he wanted to create a bait that could attract the enemy inside.

The enemy still hasn't noticed Ye Chen, most likely, they are still waiting for reports from scouts who Ye Chen has paralyzed.

Ye Chen tied the two people to a pole, the two of them who were unconscious were tied to a pole and many people saw it.

Ye Chen also wrote a very large piece, saying that the two of Long Gunhe's accomplices had been arrested.

Ye Chen did this on purpose, Ye Chen's goal was for this news to spread quickly, they would come immediately after hearing this.

Long Nuji and Long Aoji were waiting for news, they were drinking tea and chatting.

They didn't view Ye Chen as a threat, so it wasn't strange that they were so relaxed on this mission.

For Long Nuji and Long Aoji, this mission was very easy to do, they could complete the mission in just a matter of minutes, so they were quite relaxed.

"Master, this is bad news." while Long Nuji and Long Aoji were playing, one of their men reported what happened.

"Is there any news from the scout troops yet?" Long Aoji asked.

It seemed that the scout troops had managed to find and notice Ye Chen soon they would execute Ye Chen
