

True God 3161

Chapter 3161 Ye Chen survived the powerful explosion

"He did that, is he stupid?" Su Yuqi said that Ye Chen might be stupid.

"You don't know, people like that are worthy of being called heroes," said Su Feixu.

"Hero, how childish" Su Yuqi answered Su Feixu.

"You may not know, but for people who believe, such people exist" Su Feixu said to Su Yuqi.

Su Feixu looked so excited when she said this, she was such a great and powerful person.

Su Feixu was a woman who once dreamed of such a person, such a person was an extremely rare existence nowadays.

The world is now filled with people who are so terrible and so evil, those at the top of the world now are ambitious people who do all kinds of things to become the strongest among the strong.

Long Luxie immediately went to see Ye Chen's condition, she was the first person to try to look for Ye Chen.

"Ye Chen, where are you?" Long Luxie shouted, she was looking for Ye Chen's whereabouts.

Ye Chen's whereabouts were still not found, and Long Luxie couldn't find Ye Chen's whereabouts.

"Ye Chen. . . ! ! ! ! !" Long Luxie shouted, she didn't find the answer she wanted from Ye Chen.

Long Luxie was a little desperate to find Ye Chen's whereabouts, she still couldn't find Ye Chen's whereabouts.

Ye Chen's whereabouts were very difficult to find, she didn't feel Ye Chen and there were only ruins around this place.

"Ugh. . ." When Long Luxie was desperate, Ye Chen came out from the ground.

Ye Chen suffered a slight injury from the explosion just now.

"Ye Chen" Long Luxie was so happy when she saw Ye Chen was still alive that she went towards Ye Chen and helped Ye Chen.

"are you okay?" Long Luxie asked Ye Chen.

"I'm fine" Ye Chen said to Long Luxie.

Ye Chen said that he was fine, there were no injuries on Ye Chen's body, he was very healthy.

"I'm glad you're safe" Long Luxie was happy that Ye Chen managed to survive, she was worried that Ye Chen wouldn't be able to survive the explosion just now.

"The explosion was quite strong, I was lucky enough to survive" Ye Chen told Long Luxie.

"I feel happy to see you are okay" Long Luxie felt very happy to see Ye Chen was okay.

Long Luxie hugged Ye Chen, she was so happy to see Ye Chen was still alive, she couldn't help but be happy when she saw Ye Chen was still alive.

Ye Chen hugged back and stroked Long Luxie's head, it seemed that Ye Chen had made Long Luxie feel worried.

"Miss, you won't go?" Su Yuqi asked if, would not go.

"That's not necessary, just look from here" Su Feixu looked jealous, she felt uncomfortable when she saw Long Luxie hugging Ye Chen.

It was as if a needle had touched her heart.

"Everything is finished, let's go back, and withdraw all your troops," Su Feixu said to Su Yuqi.

"Understood" Su Yuqi immediately carried out the orders Su Feixu gave.

she pulled everyone back, Ye Chen had solved all the problems, Ye Chen was a great person because he could solve all the existing problems so easily and without any problems.

There was only a little damage in the city, and it could be repaired, there were no casualties in the attack this time, that was already a plus point for Ye Chen.

Su Yuqi looked towards Su Feixu, it seemed like the young miss had quite a lot on her mind.

"I'd better not disturb her." Su Yuqi knew that Su Feixu would be angry if she dared to disturb her.

So she gave Su Feixu some time alone for a while.

"How about we go? This place will be busy" Ye Chen said to Long Luxie.

Ye Chen told Long Luxie that this place would be very busy.

"Um. ." Long Luxie agreed with what Ye Chen said, so she returned with Ye Chen.

Ye Chen used his teleportation ability, which made him safe, and no one could find him.

"Where is that person?" there were so many people who wanted to meet Ye Chen and congratulate Ye Chen.

It's a pity that they didn't find Ye Chen's whereabouts, Ye Chen had already left this place and left a trace of the battlefield.

Ye Chen appeared at Long Luxie's house.

"You are really reckless," Long Luxie scolded Ye Chen, Ye Chen did something so reckless, what if Ye Chen died?

"I'm sorry, I didn't have a choice, otherwise the city and all the people would die, I don't want that to happen, I want to protect you" Ye Chen said to Long Luxie.

Ye Chen said that he wanted to protect Long Luxie.

Long Luxie was very happy when she heard this, Ye Chen was so kind, he wanted to protect her, it made Long Luxie feel very happy.

"I'm happy, you are a very good person." Long Luxie was so happy, Ye Chen was such a good person, she helped protect everyone from Kim Ouyi.

If it weren't for Ye Chen, maybe the city and the people she knew would have become victims.

Long Luxie was very happy with this, Ye Chen was such a great man and made Long Luxie want to kiss him as a sign of reward.

Long Luxie couldn't hold it in, she wanted to kiss Ye Chen.

Long Luxie approached Ye Chen, she was about to kiss Ye Chen.

"Bang . ." just as Long Luxie was about to kiss Ye Chen, the door was opened with a bang.

"Ahhh . . ." Long Luxie was shocked, she immediately stepped back and kept her distance from Ye Chen.

" ? ? ?" Everyone looked at Long Luxie and Ye Chen, and what happened to the two of them.

"Why have you come?" Long Luxie immediately asked why they came in so suddenly, which shocked Long Luxie to death.

Luckily Long Luxie hadn't kissed Ye Chen, otherwise, it would be an embarrassing thing to see.

"Captain, we have a task to do" Long Luxie's men came, and they told them that there was a task they had to do now.

Since the city was destroyed, Su Yuqi told everyone, including Long Luxie and her troops, to work and repair the city.

"We have to clean up the city, don't be lazy," they told Long Luxie.

"I understand, I will go down immediately, you guys can wait for me below," Long Luxie said to her subordinate.

"Understand" they all understood, they immediately went downstairs and waited for Long Luxie.

"They surprised me," Long Luxie said, saying her subordinate surprised her.

"You seem to be blushing, would you be embarrassed if they saw you?" Ye Chen asked Long Luxie.

"Of course, it's embarrassing, how could I do that in front of people" Long Luxie said to Ye Chen, she couldn't do that kind of thing in front of everyone.

"hehehehe, you are so cute," Ye Chen said to Long Luxie.

Long Luxie's face turned red, she was so embarrassed because Ye Chen teased her.

"I'll go, you have to rest well" Long Luxie said to Ye Chen, she immediately left this place.

Long Luxie had gone to run errands, it seemed like she wouldn't be returning any time soon.

"I'm fine, don't worry," Ye Chen told Long Luxie.

"You should rest" Long Luxie said to Ye Chen.

Long Luxie left, she had to complete the assigned task quickly.

Chapter 3162 Su Feixu came to deliver gifts

Ye Chen was left alone, Ye Chen could see that the city was in chaos and everyone was trying to fix it.

"It looks like the damage is quite serious" Chu Yuechan said to Ye Chen.

Chu Yuechan could see that the damage was quite serious.

"You are right, it looks like the damage is quite serious, I didn't expect the damage to be that serious" Ye Chen had tried his best to prevent Kim Ouyi from causing greater damage, it was a shame that there was still damage caused as a result of the battle.

"Don't blame yourself, fortunately, there were no casualties, so everything is fine" Chu Yuechan said to Ye Chen.

There were no casualties in this matter, which means Ye Chen had succeeded in protecting everyone.

"I think you are right" Ye Chen said to Chu Yuechan.

"Master, it looks like you have a guest," Chu Yuechan said to Ye Chen.

Chu Yuechan told Ye Chen that he had a guest.

"wushhhhhh. . ." A gust of wind came in.

Or perhaps to be more precise, someone came into the room from Long Luxie.

"why are you here?" Ye Chen immediately knew who had just come to this place.

The person who had just come to this place was the beautiful woman Su Feixu.

"As usual, you are very unfriendly," Su Feixu said to Ye Chen, she told him that Ye Chen was not friendly.

"I am always friendly to you" Ye Chen said that he was always friendly to Su Feixu.

He treated Su Feixu well.

Ye Chen always treated women well and was already very friendly towards Su Feixu.

"Is that so, then you have to show it to me" Su Feixu said to Ye Chen.

Su Feixu asked Ye Chen to show her.

"what do you want?" Ye Chen asked Su Feixu.

What did Su Feixu want from Ye Chen?

Ye Chen stretched out his hand to Su Feixu.

When Ye Chen did this, Su Feixu blushed a little, she seemed happy with what Ye Chen was doing.

"take me to a seat, let's talk" Su Feixu took Ye Chen's hand, she told him to talk to Ye Chen.

"Of course," Ye Chen took Su Feixu to the nearby table.

After inviting Su Feixu to sit down, Ye Chen sat behind Su Feixu.

"So, what do you want, beautiful lady?" Ye Chen asked Su Feixu.

"Very good, I like you like this" Su Feixu said to Ye Chen, she told him that she liked Ye Chen like this.

"It looks like your taste is very high" Ye Chen said to Su Feixu.

Su Feixu had quite a taste in people.

"Sorry if I have high tastes," Su Feixu answered Ye Chen.

Both of them smiled, they seemed to enjoy it.

"The battle just now was really great, you did very well," Su Feixu said to Ye Chen.

"I almost lost," Ye Chen said to Su Feixu.

Ye Chen almost lost in the battle that occurred, if Ye Chen had been even a little late, he might have lost quite a lot.

"But you have succeeded, not only that, you also saved everyone, that is an extraordinary thing, I even recognize your ability," Su Feixu said to Ye Chen.

Su Feixu acknowledged Ye Chen's abilities, he was strong and skilled, able to excite her.

"You praise too much," Ye Chen said to Su Feixu.

Su Feixu praised Ye Chen too much.

"That, did you come because you wanted to give me a gift," Ye Chen said to Su Feixu.

"Of course, I wanted to ask about it, you have won the bet, I came to give you a gift," Su Feixu kept her word.

"so what will you give you?" Ye Chen asked Su Feixu.

"You can ask for what you want, and I will grant it, even if the request is strange," Su Feixu said to Ye Chen.

"Eh!!!" Chu Yuechan was shocked when she heard what Su Feixu said.

"Master, that person said you can ask for anything," Chu Yuechan said to Ye Chen.

"What do you think is the best?" Ye Chen asked Chu Yuechan.

"Come on, show your abilities, didn't you previously want to show strength to this woman" Chu Yuechan said to Ye Chen.

Chu Yuechan told Ye Chen to do this to Su Feixu.

Let Su Feixu see Ye Chen's abilities.

Chu Yuechan's advice was very good, Ye Chen had not responded to Su Feixu's words at that time.

"What if I want you?" Ye Chen asked Su Feixu.

"Ehhhh ?" Su Feixu was shocked when she heard what Ye Chen said, who would have thought that Ye Chen would say something like that?

"You are joking with me, don't tease me," Su Feixu told Ye Chen.

Su Feixu felt that Ye Chen was teasing her, which caused Su Feixu to get a little carried away.

Su Feixu was happy about this, she was too excited.

"I'm serious, do you think I'm joking with you?" Ye Chen said to Su Feixu.

"Are you serious?" Su Feixu didn't expect Ye Chen to say that seriously.

"You look panicked, so cute," Ye Chen told Su Feixu.

Ye Chen saw Su Feixu, who was panicking, and it seemed like she wasn't ready for what Ye Chen had said.

"Don't tease me" Su Feixu was confused by Ye Chen, this was the first time she was confused by a man.

Normally, Su Feixu would confuse a man with her beauty, and now that it was reversed, Ye Chen made Su Feixu.

"What do you think" Ye Chen approached Su Feixu, and he immediately came and hugged Su Feixu.

"ahh . . ." Su Feixu was shocked the first time a man hugged her waist.

For Su Feixu, it felt quite strange when a man touched her.

"stop, what are you doing?" Su Feixu tried to push Ye Chen away.

Ye Chen felt resistance from Su Feixu, it seemed like Su Feixu was afraid of Ye Chen.

"Are you afraid of men?" Ye Chen asked Su Feixu.

"How is that possible?" Su Feixu answered Ye Chen.

"I'm just not used to this kind of thing," Su Feixu said shyly. fre(e)

"Oh, you mean still a virgin?" Ye Chen said to Su Feixu.

"That's not true," Su Feixu said to Ye Chen.

"Previously, you looked tempting, it turns out you were still a virgin, it's not strange" Ye Chen continued to tease Su Feixu.

Su Feixu's face was red like an apple, and she felt embarrassed by what Ye Chen said.

"Don't underestimate me, I have some experience," Su Feixu said to Ye Chen.

Su Feixu couldn't lose face, and because of this, she boasted that she had experience.

Su Feixu was indeed blessed with a beautiful body and beautiful face, she was also seductive in both her voice and movements.

Early people would think Su Feixu was a sexy woman full of irresistible temptation.

She still had never had too close an interaction with a man.

"Then let's see" Ye Chen said to Su Feixu.

Ye Chen wanted to see Su Feixu's abilities.

Ye Chen's words were a challenge, whether Su Feixu would answer or run away.

Su Feixu considered whether she should run away or accept Ye Chen's challenge.

"My pride is at stake." Su Feixu didn't want to lose her pride.

Since Su Feixu had high self-esteem, she would not back down.

Chapter 3163 Don't regret it, you might be sucked dry

"Don't regret it, you might be sucked dry" Su Feixu said to Ye Chen.

Su Feixu tried to scare Ye Chen, in that way, it might make Ye Chen feel scared.

It's a pity that Su Feixu doesn't know anything about Ye Chen, if she knew about Ye Chen, she might have changed her mind.

"Are you that good? I want to see your abilities," Ye Chen said to Su Feixu.

Ye Chen wanted to see whether Su Feixu's abilities were really that great.

Su Feixu was confused, Ye Chen didn't retreat, she instead went forward and wanted to see what abilities he had.

Ye Chen pulled Su Feixu's dress.

"ahh . . ." Su Feixu shouted, she was shocked and unprepared for what Ye Chen did.

"You are so rude. Are you interested in me?" Su Feixu said in a tone full of teasing.

Su Feixu couldn't afford to show weakness to Ye Chen.

He tried to continue teasing Ye Chen.

"Very good, very beautiful and seductive" Ye Chen said to Su Feixu.

Ye Chen was attracted by Su Feixu's beauty and body, a beauty that made him excited.

Plus the way Su Feixu acted and her temperament, it added to Ye Chen's enthusiasm.

Su Feixu's beauty should be on the list of Supreme God Realm beauties, why isn't she on it?

Ye Chen touched the double peak of Su Feixu, that was one of the things that Ye Chen really wanted to touch.

"ahh . . ." Su Feixu felt a strange feeling when Ye Chen touched hers.

she felt a pleasant feeling and a bit of comfortable pain.

"This is so comfortable," Su Feixu felt, and she felt comfortable with what Ye Chen was doing.

"How, is the technique I have, comfortable?" Ye Chen asked Su Feixu.

"Not bad, but still not enough to make me satisfied" Su Feixu said to Ye Chen, Ye Chen's technique was indeed good, but she still didn't feel that this would be enough.

"This woman is quite confident, master show all the abilities you have," Chu Yuechan said to Ye Chen, she told Ye Chen to show all the abilities he had.

"This is interesting, let's see how strong he is" Ye Chen also wanted to bring out his full abilities, but he still used 10% of the skills he had.

Initially, Ye Chen thought that Su Feixu would not be able to survive, but Su Feixu was able to survive quite well.

So, Ye Chen used 100% of his abilities.

"Kyahhhhhh. . ." Such intense pleasure spread, it made Su Feixu's body tremble with joy.

"No way, this is too good." Su Feixu felt that if this were too good, Su Feixu would not be able to hold on.

"ahhh" Just Ye Chen's touch made Su Feixu reach the peak, this was very comfortable.

Too strong to make Su Feixu satisfied.

"Have you reached the limit, isn't that too fast," Ye Chen said to Su Feixu.

"it's not like that" Su Feixu turned red, she turned red like an apple.

"You have to be more honest," Ye Chen told Su Feixu.

Su Feixu was embarrassed, it seemed that Ye Chen had already discovered it.

"you realize it," Su Feixu said to Ye Chen.

"You are easy to guess, even when you are with me, I already realized it when we were together in the shop that time" Ye Chen said to Su Feixu.

"So it's like that, you are so considerate and understand me" Su Feixu said to Ye Chen.

"of course" Ye Chen said to Su Feixu.

"But I will not accept defeat" Su Feixu said to Ye Chen.

Su Feixu still didn't want to lose, she didn't want to admit defeat.

Su Feixu immediately touched something underneath, she touched Ye Chen's little brother who was underneath.

"You seem excited" Su Feixu whispered to Ye Chen, it looked like Ye Chen was very excited.

"It's because of you, isn't it, the sexy body you have is what makes me like this," Ye Chen answered.

Ye Chen told what made him who he is today.

All of this was because of Su Feixu, she seduced Ye Chen with her beautiful and perfect body, plus her beauty made Ye Chen feel entirely excited.

"Is that so, the praise you gave was too excessive" Su Feixu said to Ye Chen.

Su Feixu was so happy, it seemed like Ye Chen thought of herself as a beautiful woman.

As a woman, she liked to be praised, and Ye Chen's praise made Su Feixu happy.

Su Feixu continued to touch Ye Chen using her hands.

Ye Chen's was quite big, and Su Feixu could clearly feel it.

"This is big" Su Feixu was sure that Ye Chen had something big, and Su Feixu estimated that this was above average.

"Tell me, what do you want from me, I will be happy to help," Su Feixu whispered to Ye Chen.

Su Feixu's teasing was like a Succubus catching her prey.

Su Feixu was skilled at things like this, she was a natural seductress who knew how to use her beauty.

"I want you to help me," Ye Chen said to Su Feixu.

He asked Su Feixu to help him solve the problem below, it seemed like Ye Chen couldn't solve it alone.

"Okay, I will help you, leave this matter to me, I will blow you dry" Su Feixu said to Ye Chen.

Su Feixu looked very confident, Su Feixu believed that she could solve this problem in her way.

Even though she lacks direct practice, Su Feixu is confident in the experience and knowledge she now has.

This will be easy to do, she also learned from some experienced women and got some techniques to make men happy.

As a class or ruling woman, things like this have become commonplace.

Besides being used to please your partner, it can also be used to fight enemies and catch them off guard.

Especially men, they would be weak to women's temptations and charms, so it wasn't strange that many men drowned and couldn't come back.

Su Feixu opened Ye Chen's little brother, and when Su Feixu opened it, something big, long, and hard came out.

"oh, amazing" That is a big thing and also a long one, way above the average man.

"no, it's way above average, it's a monster." That was something Su Feixu thought.

When she saw Ye Chen's little brother, she thought that this was a monster, something so big and so powerful.

"how about it, isn't it big?" Ye Chen said to Su Feixu.

"That's true, bigger than ordinary people," Su Feixu said to Ye Chen.

Su Feixu admitted this.

Ye Chen does have good things, and this is one of Ye Chen's proud assets.

Su Feixu reached out and touched Ye Chen's, she did it carefully and affectionately like she was treating a fragile baby.

"It's throbbing." Su Feixu felt something strange, Ye Chen's body felt so comfortable to touch.

It was as if something was telling Su Feixu to keep touching and enjoying it.

Su Feixu used her hands, her hand skills were very good and comfortable, she was like massaging Ye Chen's little brother and treating him well.

"oh . ." Ye Chen didn't expect that Su Feixu could do it that well.

Chapter 3164 Ye Chen with Su Feixu (1)

Su Feixu's hands began to move up and down, she played with Ye Chen's objects and showed such comfortable skills.

"How don't I have excellent skills?" Su Feixu said to Ye Chen.

Su Feixu told Ye Chen that she had such good skills.

"I have to admit that you have such good skills." Su Feixu had to admit that.

Su Feixu's skills were above average, skills enough to make Ye Chen feel at ease.

Su Feixu used both hands and started to get more serious, she used a variety of different techniques and skills.

"she has good skills, where did she get this kind of skills?" Ye Chen started to wonder where Su Feixu's skills came from.

Su Feixu was obviously still a pure woman, it was likely that she learned this kind of ham from books or someone.

"very good" Ye Chen enjoyed it and handed it all over to Su Feixu.

Ye Chen no longer needed to teach Su Feixu, she could do it her own way, and Ye Chen didn't need to teach her anymore.

Su Feixu felt so happy, doing this felt so comfortable and so great.

"This is very good, I like it" Su Feixu felt like playing with big objects, there was a pleasure that made her unable to let go of Ye Chen's big object.

Su Feixu felt that she wanted to do more things with Ye Chen, she could feel that Ye Chen had something really good.

Ye Chen was made helpless by Su Feixu, Su Feixu's skills were only improving, she had skills that were improving all the time.

Su Feixu even looked for weaknesses in Ye Chen, what a smart woman and too seductive.

Ye Chen couldn't help it, if it continued like this, he would really be drained by Su Feixu.

"You don't need to hold back, enjoy what I'm doing, this will definitely be really fun" Su Feixu said to Ye Chen.

Su Feixu whispered to Ye Chen, she told Ye Chen to no longer hold back.

Su Feixu teased Ye Chen more and more, she became happier when she teased Ye Chen. freewebno(v)el

Her attractiveness and also the way she did it, made Ye Chen unable to stand it any longer.

"You are really a naughty woman," Ye Chen said to Su Feixu.

Ye Chen pulled Su Feixu, he kissed Su Feixu in front of him.

"Chuu . . ." Su Feixu received a kiss from Ye Chen.

The feeling of their two lips meeting was very soft, Su Feixu's lips were so soft and made Ye Chen want to eat them.

"Chuuu . . ." Su Feixu also liked the feeling of kissing Ye Chen, she felt such a good feeling from Ye Chen.

A feeling that made her unable to resist and very comfortable.

Ye Chen didn't want to let go of Su Feixu, he kissed Su Feixu quite passionately.

Su Feixu couldn't breathe and could only endure it. The feeling of kissing was so good that it made Su Feixu addicted.

"Ahhhh. . ." After 10?minutes, Su Feixu finally pushed Ye Chen.

"I'm having trouble breathing, you're too excited" Su Feixu said to Ye Chen.

Ye Chen was too excited, and Su Feixu was unable to breathe properly.

"I want to kiss again" Ye Chen said to Su Feixu.

Ye Chen wanted to kiss Su Feixu again and again.

The feeling of kissing Su Feixu made Ye Chen want to do it continuously.

"It can't be helped, if you want to" Su Feixu couldn't refuse, she also liked that.

The two of them kissed again, they were more and more passionate than before.

Su Feixu's hands continued to move and help Ye Chen's, she did just that and provided two stimuli for Ye Chen.

"Puah . . ." after more kisses, Su Feixu felt satisfied.

"I like it, I like you" Su Feixu said to Ye Chen.

Su Feixu loved Ye Chen more and more, Ye Chen could give her satisfaction.

"I'm starting to like you too," Ye Chen said to Su Feixu.

The two of them were getting closer, Ye Chen liked Su Feixu, meanwhile Su Feixu also liked Ye Chen.

Su Feixu saw that Ye Chen had not confided in her, Ye Chen's abilities were so good.

"Really great, even after I did so many things" Su Feixu felt that she still couldn't win against Ye Chen, Ye Chen was still strong enough to survive.

"Then I will change the plan" Su Feixu was smart, she decided to change the plan she had.

Su Feixu knelt down, used two double peaks, and started to stimulate Ye Chen.

Su Feixu was confident with two decent double peaks, at least it could make Ye Chen comfortable.

Su Feixu immediately showed her abilities in front of Ye Chen, she provided sandwich service for Ye Chen.

"How?" Su Feixu asked Ye Chen whether Ye Chen liked her or not.

"very good, I like it" Ye Chen said to Su Feixu.

Ye Chen was, of course, happy and liked it, how could he not like it when Su Feixu served him so well?

He was even willing to provide such services to her, it was an incredible sight.

"How ? . . ., are you happy?" Su Feixu asked Ye Chen, Ye Chen must really like this.

"Very good, do it well" Ye Chen said to Su Feixu.

Ye Chen enjoyed what Su Feixu did.

After Su Feixu saw Ye Chen enjoying it so much, she became bolder and moved two double peaks to clamp down on Ye Chen.

Su Feixu used her mouth to make Ye Chen even more comfortable.

"Slurp . . ." Su Feixu made a lewd voice, she made Ye Chen so comfortable.

Su Feixu was too good, and Ye Chen might be overwhelmed by the pleasure given by Su Feixu.

Su Feixu did this over and over again until she felt tired.

"You are too strong, my jaw is tired," Su Feixu said to Ye Chen.

Su Feixu was completely tired, Ye Chen was able to survive very well.

"come here," Ye Chen pulled Su Feixu.

He immediately carried Su Feixu onto the bed.

"Can you not take it anymore?" Su Feixu asked Ye Chen.

Ye Chen couldn't stand it anymore.

"You already know, don't you, I can't take it anymore," Ye Chen said to Su Feixu.

Ye Chen couldn't stand it anymore, and he wanted to make Su Feixu his own immediately.

Ye Chen touched the two double peaks owned by Su Feixu.

"Ahhh . ." Su Feixu groaned when Ye Chen touched her double peaks, the touch given by Ye Chen was too comfortable, and Su Feixu would not be able to survive it.

"Too good, I can't hold on," Su Feixu said to Ye Chen, Su Feixu told him that she couldn't hold on, this was too comfortable and delicious for Su Feixu.

Ye Chen pinched Su Feixu's bud.

"ahh, no, don't do that" Su Feixu couldn't hold on, she immediately screamed and felt happy.

"What's wrong? Isn't this fun?" Ye Chen said to Su Feixu.

"Too strong, I won't be able to survive," Su Feixu said to Ye Chen.

This was too comfortable, she was delighted and reached the peak.

Ye Chen didn't stop there, he ate Su Feixu's bud.

She enjoyed it and sucked it.

"ahhh, darling, you are too brave" Su Feixu said to Ye Chen, Ye Chen was too brave, this was too comfortable and made Su Feixu feel so horny.

Ye Chen's hand came down and touched Su Feixu's lower part.

Ye Chen explored Su Feixu's secret garden using his finger.

Chapter 3165 Ye Chen with Su Feixu (2)

"no, please not there" Su Feixu couldn't help it, Ye Chen's fingers made her feel so comfortable, the feeling given by Ye Chen made her body tremble with pleasure.

Ye Chen was so skilled, he knew how to treat Su Feixu quite well.

"I will make you feel happy" Ye Chen said to Su Feixu.

Ye Chen would make Su Feixu feel pleasure, because of this, he began to show his abilities.

Ye Chen didn't hold back anymore, when Ye Chen didn't hold back, Su Feixu certainly wouldn't be able to hold on, she reached the peak dozens of times.

Su Feixu no longer had any arrogance, all the arrogance she had completely collapsed.

"Ahhh, too awesome" Su Feixu could no longer hold on, this was too awesome.

Her body was shaking, she was completely excited by what was happening.

"Okay, now is the time, let's do Dual Cultivation," Ye Chen said to Su Feixu.

Ye Chen wanted to do Dual Cultivation with Su Feixu.

"I'm willing to do it" Su Feixu agreed to do it with Ye Chen.

she wanted to do Dual Cultivation with Ye Chen.

After getting approval from Su Feixu, Ye Chen immediately started.

"I'll start straight away," Ye Chen told Su Feixu.

"You have to treat me gently," Su Feixu said to Ye Chen.

she asked Ye Chen to treat her more gently.

"of course, I will treat you as gently as possible" Ye Chen said to Su Feixu.

Ye Chen would treat Su Feixu as gently as possible.

Ye Chen held his own and looked for an excellent position to start.

Ye Chen broke through the existing barrier.

"umm. ." Su Feixu tried to hold back, it felt a little painful, so she tried to endure it.

"it hurts" Su Feixu felt sick, even though she felt the pain, she did not speak and decided to endure.

Su Feixu was a strong woman, she should not give up just because of this kind of thing.

Ye Chen thought Su Feixu could hold it, so he started moving.

"Ahh, that hurts," Su Feixu said to Ye Chen, Su Feixu told him it felt quite painful.

"does it hurt?" Ye Chen asked Su Feixu.

"Of course, it hurts," Su Feixu said to Ye Chen. She couldn't stand it because Ye Chen had something big, which made Su Feixu unable to stand it.

Su Feixu's honey cave was not used to it, because of this, she felt sick.

"Don't worry, everything will be fine," Ye Chen told Su Feixu.

Ye Chen told her that everything would be fine, after this Su Feixu would definitely like what Ye Chen did.

Su Feixu understood she held on a little longer, after holding on for some time, the pain disappeared as Ye Chen said, and Su Feixu started to feel a slightly strange.

"it feels strange," Su Feixu said to Ye Chen.

"Don't worry, I will make you more comfortable, just leave it to me" Ye Chen said to Su Feixu.

Ye Chen was going to make Su Feixu comfortable, Ye Chen used his large object and started drilling deeper.

Ye Chen quickly reached Su Feixu's flower core, it gave Su Feixu a very strong sensation.

"So great, so fun" Su Feixu couldn't help it, this was too comfortable, much more comfortable than before.

Su Feixu felt so full, that Ye Chen's big object made her feel full.

"Very great, husband, I like it" Su Feixu said to Ye Chen.

Su Feixu was starting to get spoiled, she liked what Ye Chen did.

Ye Chen's movements became even faster, he showed movements that were so fast and so good.

Plus, Ye Chen was even more excited because Su Feixu's honey cave was so comfortable.

"ahh . . ., I can't hold on anymore," Su Feixu said to Ye Chen.

Su Feixu couldn't hold on anymore, this was too comfortable and delicious for Su Feixu.

Su Feixu finally reached her limit, she felt so comfortable.

Ye Chen didn't stop here, he continued and made Su Feixu feel more comfortable.

"Wait a minute," Su Feixu said to Ye Chen, she couldn't hold on any longer.

"This is just the beginning," Ye Chen told Su Feixu.

Ye Chen said that this was just the beginning, he would make Su Feixu feel a great sense of comfort.

"No. ., ah . . "Su Feixu shouted, the two of them did it for a long time, and Ye Chen together with Su Feixu did it for approximately 6 hours.

Ye Chen vented 4x, and it felt very comfortable, while Su Feixu, was already so tired, he couldn't hold on any longer.

"I'm very tired, help me," Su Feixu said to Ye Chen, she asked Ye Chen to let go.

Ye Chen felt sorry for Su Feixu, it seemed that Su Feixu was really tired, because Su Feixu was quite tired, so Ye Chen let her go.

"Help me rest," Su Feixu said to Ye Chen, she asked Ye Chen to help her rest.

"Yuechan," Ye Chen said to Chu Yuechan, she took Su Feixu into the fairy gate, it would be bad if Long Luxie found Su Feixu.

"I understand" Chu Yuechan understood, she took Su Feixu inside the gate and started to help her.

Ye Chen cleaned this place, he made sure that there were no traces left behind.

In less than 5 minutes, Ye Chen managed to clean this entire place.

"Done" Ye Chen was satisfied, this place had returned to how it was before, and no one would suspect what happened.

"Ye Chen, I'm back" Long Luxie returned, herself in a dirty state.

Long Luxie had just cleaned up the damage, so her body was a little dirty.

"How did everything go smoothly?" Ye Chen asked Long Luxie.

"Of course, everything went smoothly" Long Luxie said that everything went very smoothly, and everything had been repaired quite smoothly by Long Luxie.

"The damage isn't too serious, so everything is fine," Long Luxie told Ye Chen.

The damage that occurred wasn't too serious, they were able to repair it quite quickly.

"I'm happy to hear that" Ye Chen said to Long Luxie.

"I'm going to take a shower" Long Luxie said to Ye Chen, Long Luxie went to take a shower, it looked like he needed it.

"Enjoy" Ye Chen said to Long Luxie.

Long Luxie went to take a shower, she took off her clothes and went to take a shower.

"Luckily, you weren't found," Chu Yuechan said to Ye Chen.

Ye Chen was lucky because Long Luxie didn't find Ye Chen and Su Feixu.

"it might be a bit of a friction if it is discovered," Ye Chen said to Chu Yuechan.

"That's absolutely true" Chu Yuechan agreed with Ye Chen's statement.

"what about it?" Ye Chen asked Chu Yuechan.

"He went to rest and clean himself, after that, he wanted to go and start to get some techniques," Chu Yuechan said to Ye Chen. freeweb(n)ovel

Su Feixu was trying some techniques as if she were interested in the technique inside the pagoda.

Inside, many great techniques made Su Feixu interested in them.

"Just leave it alone" Ye Chen said to Chu Yuechan, just let Su Feixu do that, it will be beneficial for Su Feixu.

"I understand" Chu Yuechan understood.

After that, Chu Yuechan went and saw what Su Feixu was doing, meanwhile, Ye Chen accompanied Long Luxie to the shop to see what was happening.

There are still 2 days left before the attack, Ye Chen still has enough time to prepare.

Chapter 3166 Dragon Cloud Sky Art

Su Feixu was currently looking through the techniques in the pagoda, she found the technique she was looking for.

"How about it, did you find what you were looking for?" Chu Yuechan asked Su Feixu.

"I found it" Su Feixu said to Chu Yuechan.

Su Feixu found what she was looking for, she was looking for a technique called Dragon Cloud Sky Art.

The most suitable technique for Su Feixu.

"oh, that technique, it seems like it is suitable for those with the strongest wind power" Chu Yuechan said to Su Feixu.

"I have three basic elements, fire, wind, and ice, and the strongest is wind, I think this will be suitable, can I take this" Su Feixu asked Chu Yuechan.

"Of course, you can take it," Chu Yuechan said to Su Feixu.

"Thank you very much." Su Feixu was so happy, she was happy that Chu Yuechan let her take the Dragon Cloud Sky Art.

After getting the Dragon Cloud Sky Art, Su Feixu started to practice, she wanted to learn everything.

Dragon Cloud Sky Art has several levels, the first level is Dragon Cloud Sky Rain Spear.

Spears appear from the sky in large numbers and are used as weapons.

The second stage is the Dragon Cloud Sky Wind, generating massive and numerous wind vortexes.

Its destructive power goes from above the clouds to underground, no one can hide from this attack,

And the last one is the Dragon Cloud Sky God Domain, this is an absolute power that can control all the clouds and the wind, it can destroy all kinds of things under the heavens.

It's not strange that Su Feixu is so eager for the Dragon Cloud Sky Art, this is the absolute power that can make her dominate the entire sky.

"I will master it and become stronger" Su Feixu wanted to become even more robust, she was tired of being the most bullied among everyone who held the Dragon God seat.

Chu Yuechan saw what Su Feixu was trying to do, Su Feixu was very serious, it seemed like she wanted to master the technique quickly and become even stronger.

As Ye Chen's supporter, Chu Yuechan gave Su Feixu good directions, she would not intimidate Su Feixu.

Su Feixu started studying under Chu Yuechan, Chu Yuechan was very skilled, she was indeed a master.

"Who exactly are you?" Su Feixu asked Chu Yuechan.

Su Feixu wanted to know who Chu Yuechan was, and why Chu Yuechan was so skilled and so powerful, she had never heard of a fairy who was so skilled as Chu Yuechan.

"Fufufufufu, I am a person devoted to master" Chu Yuechan said to Su Feixu.

"But why did you do that?" Su Feixu asked Chu Yuechan.

Chu Yuechan was a great person, with such abilities, she could create a power that was not weaker than Su Feixu.

Or maybe it could match Su Feixu's now, Chu Yuechan's intelligence and talent were above average, and Su Feixu had to admit that.

"Maybe because it would be troublesome to do" Chu Yuechan said to Su Feixu.

"Troublesome, what do those words mean?" Chu Yuechan asked Su Feixu.

"How to explain it easily, it's a troublesome thing, creating strength and power to continue fighting, I don't really like that kind of thing" said Chu Yuechan

Chu Yuechan prefers adventure, meeting love and seeing new things she has never seen.

It was much more fun than thinking like Su Feixu and being stuck in the same place.

"Do I look like that?" Su Feixu asked Chu Yuechan.

Su Feixu realized that Chu Yuechan was talking about her.

"Am I wrong?" Chu Yuechan asked Su Feixu.

"You're probably absolutely right, I'm trapped and can never climb up again" Su Feixu was probably a little bored, she couldn't do as she pleased, one small mistake could cause a war.

The victims were the people who followed her, they would fight to defend Su Feixu to the death, and sometimes this made Su Feixu feel sad.

"You have to dare to start new things, start getting out of the cage, and become better with the new strength you get," Chu Yuechan said to Su Feixu.

"I understand." Su Feixu seemed to understand what Chu Yuechan said.

Su Feixu had to change, it seemed like it was time to do so.

"Okay, it seems like your words suit me." Su Feixu felt that Chu Yuechan's words motivated her a little.

"You're close to Ye Chen, aren't you?" Su Feixu asked Chu Yuechan.

"I am one of her women," Chu Yuechan said to Su Feixu.

"ehhh, I thought you were a slave," Su Feixu said to Chu Yuechan.

"How could it be? she treats me well, even though the contract I made remembers, I am treated quite well," Chu Yuechan said to Su Feixu.

"Serious?" Su Feixu didn't expect that Ye Chen was really good.

"Wait a minute, you said one or the other, it seems like he still has another concubine, can you tell me?" Su Feixu asked Chu Yuechan.

Su Feixu pulled Chu Yuechan and asked Chu Yuechan to say it.

Chu Yuechan smiled when she saw Su Feixu like that, she could feel the intense jealousy from Su Feixu.

"Calm down," Chu Yuechan said to Su Feixu.

Chu Yuechan told Su Feixu to calm down first.

After being told by Chu Yuechan, Su Feixu started to calm down and accept what had happened.

Chu Yuechan explained the situation and conditions to Ye Chen after getting a little enlightenment from Ye Chen.

"I understand." After receiving the explanation, Su Feixu seemed to be able to understand.

"So what will he do?" Su Feixu asked Chu Yuechan, she wanted to know what plans Ye Chen had.

Su Feixu just looked and didn't know what kind of plan Ye Chen had, now she wanted to know from Chu Yuechan, maybe Su Feixu could help.

"You want to know the plan, let me tell you" Chu Yuechan told Su Feixu.

"2 days left, looks like the enemy has enough time to make preparations," Su Feixu said to Chu Yuechan.

Su Feixu was sure that Long Gunhe must have prepared for this matter.

"You are absolutely right, he should already have preparations for such a thing." Chu Yuechan agreed with what Su Feixu said.

"so I want you to do something," Chu Yuechan said to Su Feixu.

"What do I want to do?" Su Feixu asked Chu Yuechan what Su Feixu should do to help Ye Chen.

"very easy, you should give a warning to the dragon god holder not to interfere, show them your strength?" Chu Yuechan said to Su Feixu.

"It looks like it's easy to do, I will do that." Su Feixu will do it, she will help Ye Chen in her way.

"Very good." Chu Yuechan was happy because Su Feixu was willing to take part in the plan, this made it easier for Ye Chen to fight Long Gunhe, and no forces would interfere anymore.

"Then I will leave as soon as I recover." Su Feixu said that she would leave as soon as she fully recovered.

"You better go in 100% condition, otherwise, it will be very difficult to talk to them," Chu Yuechan said to Su Feixu.

Chu Yuechan helped Su Feixu recover, with Chu Yuechan's help, Su Feixu would be able to recover faster.

2 days passed inside the fairy gate, which meant several hours had passed outside

Chapter 3167 a spy expert

"Very good, my body has completely recovered, and the inheritance in my body is completely level up, I can start now" Su Feixu has completely recovered, now he can do it.

"Are you going?" Chu Yuechan said to Su Feixu.

"I will go and solve the problem" Su Feixu said to Chu Yuechan.

"Can you be alone?" Chu Yuechan asked Su Feixu.

If Su Feixu wanted to, Chu Yuechan could help her.

"Now I have awakened the full inheritance that I have, plus I have a new technique that is quite powerful," Su Feixu said to Chu Yuechan.

Su Feixu was quite confident in her abilities and was fine now.

"If you put it like that" Chu Yuechan said to Su Feixu.

Because Su Feixu was already confident enough, no problems should occur.

"Then I will go" Su Feixu said to Chu Yuechan, Su Feixu knew what to do in the current situation.

"Will she be okay alone like that?" Chu Yelan said to Chu Yuechan,

Chu Yelan didn't seem to believe that Su Feixu could be alone.

"That's true, she might be in trouble if the opponent sets up a trap" said Chu Ning'er.

"It seems like you guys don't have anything to do, you can follow along for the time being," Chu Yuechan said to Chu Yelan and Chu Ning'er.

"Seems like there's no choice, leave this matter to us" Chu Yelan understood, and she would take care of this matter.

"Then I'll go." Chu Ning'er also understood she would help Su Feixu.

The two followed behind Su Feixu, they would ensure Su Feixu's safety.

"Everything is going according to plan, just waiting for the enemy's response" Chu Yuechan waited for the enemy's response.

Supposedly the enemy would respond to what happened, Chu Yuechan told Nangong Xiang to take care of the matter, and Ye Chen also seemed to have broken through after doing Dual Cultivation with Su Feixu.

"Everything is going according to plan." Chu Yuechan saw that everything was going according to plan, so there shouldn't be any problems.

.

.

The side of Long Gunhe.

Long Gunhe sat in a chair, angry at Kim Ouyi's failure.

"How could someone like Kim Ouyi fail, this makes me embarrassed" Long Gunhe was so angry, he could no longer hold back his anger.

Long Gunhe had failed twice in killing Ye Chen, this was the biggest failure in the history of Long Gunhe.

Long Gunhe had never experienced this kind of failure in his life.

"Master, send more troops" several advisors informed Long Gunhe.

"No, sending lots of people will cause trouble, other people will be aware of the problem," Long Gunhe said to everyone.

"I will change the plan I have." Long Gunhe decided to change his plan.

"I will send the fifth elder to find out the person closest to Ye Chen, after that, we take him and lead him into a trap" Long Gunhe decided to change plans.

Because he couldn't kill Ye Chen with normal methods, Long Gunhe decided to use another method to kill Ye Chen.

And another way is to kidnap people closest to Ye Chen.

By doing this, Ye Chen would start to move and fight, it would be put to good use by Long Gunhe by setting several traps for Ye Chen.

"master, that's a very good plan." all the advisors immediately agreed, it was such a good plan.

"Hehehehehe, I can't wait." Long Gunhe couldn't wait to see how Ye Chen would start moving if he did that.

The fifth elder is an expert at sneaking and kidnapping people, and he is fast and like a shadow, his whereabouts are very difficult to find.

"Fifth elder, send a message to him, and quickly carry out my orders." Long Gunghe said to give orders to the fifth elder and told the fifth elder to start the work.

.

.

The fifth elder was training in the forest, the man was hunting some small and fast animals.

He was catching a swarm of lightning bees that were coming out.

Lightning is one of the fastest little animals, and catching them is one of the most difficult.

Catching them is impossible to do, they are fast and agile.

The fifth elder opened his eyes, he started running and caught the bee in front of him.

The lightning bee immediately moved away from the fifth elder, it flew at an extremely fast speed.

The fifth elder also had incredible speed, he was able to run extremely fast.

The fifth elder reached out and caught the lightning bee, with just one try, he was able to catch the lightning bee.

After that, the fifth elder tried again and caught more lightning bees, in just less than 5 minutes, he caught all the lightning bees.

He had at least got around 1,000 lightning bees, all captured, without missing one.

"My skills are already very good, no target can escape " The fifth elder has succeeded in improving his abilities.

No one could escape, the fifth elder easily obtained all of them.

When the fifth elder had finished his training, a bird came carrying a letter.

The fifth elder immediately looked at the contents of the letter, it seemed that he had received a new task.

"So this is a new task that I have to do?" The fifth elder saw that the new task would be easier to do if he had a new task.

After getting the task, the fifth elder immediately left, he went to find out about the people closest to Ye Chen.

With the fifth elder's speed, he quickly arrived at the city.

"So this is Su Feixu's territory, not bad, quite a few experts are living in this place, and they don't seem to be wary of outsiders coming in" said the fifth elder.

The fifth elder saw that no one lived in this place, everyone who lived there was working to rebuild the city damaged by Kin Ouyi.

The fifth elder saw that this was an excellent opportunity, no one would notice if the fifth elder came, this was a good thing to do.

"The golden opportunity came so quickly, I will not miss it" The fifth elder would not just pass it by.

He immediately went to Ye Chen's place.

The fifth elder was watching Ye Chen, he was so skilled at watching Ye Chen and keeping the right distance from Ye Chen.

His eyes were like an eagle, he could see Ye Chen from afar.

Plus he knew how to hide himself, Ye Chen might not find him.

Ye Chen felt that someone had seen him, but Ye Chen couldn't see and find that person's position.

"It seems like someone was sent to watch me, I couldn't see it, that person hid himself very well," Ye Chen said to Chu Yuechan.

Ye Chen said the person had been watching from a distance and hidden himself.

"Yuechan, can you find it?" Ye Chen asked Chu Yuechan.

"no, this person is very skilled, his self-hiding skills are very high" Chu Yuechan said to Ye Chen.

Chu Yuechan couldn't find it, even with her abilities.

"You have to force him to come out" Chu Yuechan said to Ye Chen.

"I'll try it" Ye Chen decided to look for him, he would get that person out.

The fifth elder saw that Ye Chen was quite alert, it seemed like this would be quite a difficult mission to complete.

Chapter 3168 Long Luxie was kidnapped

"To fight this person, I have to make a diversion plan" The fifth elder knew that Ye Chen was quite strong because Ye Chen was quite a cautious person.

"Then the target I have is that woman." The fifth elder looked towards Long Luxie.

"Then I will start the plan" The fifth elder already knew what to do.

Because he already knew what to do, he hired several people with money to divert Ye Chen's attention, hopefully, Ye Chen could be easily distracted by this.

The fifth elder hired some mercenaries who were strong enough and skilled enough they could keep Ye Chen busy for a while.

"Okay, let's start this quickly" the fifth elder started quickly, he immediately got into position.

The mercenaries just went and attacked Ye Chen, they immediately attacked Ye Chen suddenly.

"Boom. ." Ye Chen, who was relaxing, was attacked by several attacks, and there was an explosion.

Ye Chen created a shield to protect himself and the entire place from the explosion.

"attack directly?" The enemy immediately attacked, were they confident in defeating Ye Chen?

The number of enemies who came was around 5 people, they were not as strong as Kim Ouyi.

"They are not that strong, what does Long Gunhe want?" Ye Chen thought Long Gunhe must be planning something.

Otherwise, he couldn't possibly send someone to the fifth level of the Immortal True God Realm, that would be the same as committing suicide.

"we will kill you" They will kill Ye Chen, the goal they paid was to take Ye Chen's head.

"You bunch of fools want to beat me?" Ye Chen said to those who wanted to defeat him.

"don't talk too much, we will defeat you quickly." the mercenaries immediately attacked Ye Chen.

They didn't think much, they all worked together and started to attack Ye Chen.

"You're all just annoying" Ye Chen said that they were all annoying, Ye Chen drove them all away using one attack.

Using one punch, Ye Chen threw everyone out and destroyed them all.

Ye Chen didn't want to destroy the city anymore, and because of this, he decided to end the battle very quickly.

"master, Long Luxie is missing," Chu Yuechan said to Ye Chen.

"so fast" Ye Chen only distracted for a few minutes and Long Luxie was already gone, that was too fast.

"I agree with you, the enemy is too fast, it was only a few seconds, and he already took Long Luxie away," Chu Yuechan agreed, the opponent was a person with high speed.

"I will chase him" Ye Chen said to Chu Yuechan.

Ye Chen chased the fifth elder, Ye Chen didn't care, he had to catch the person.

"Yuechan, were you able to find the trace ?" Ye Chen asked Chu Yuechan.

Ye Chen asked Chu Yuechan to find the whereabouts of the fifth elder.

"No, I couldn't find that person," Chu Yuechan said that she had lost track, he covered his tracks so well that Chu Yuechan couldn't track him.

Ye Chen also tried, but the trail was cut off halfway, Ye Chen realized that he had been tricked.

"Damn, that person is smart" Ye Chen said to Chu Yuechan.

The fifth elder succeeded, he used cunning means to trick Ye Chen.

"Long Luxie was taken away, what do they want?" Chu Yuechan said to Ye Chen, what did they want from Long Luxie.

They want to make Long Luxie a hostage," Ye Chen said to Chu Yuechan.

"Then you have to go back first," Chu Yuechan said to Ye Chen.

Ye Chen returned, and when he returned, he found a small note on the table.

Ye Chen checked the note, he read and saw the contents.

"If you really love that woman, you have to come to my master's place, if not, then you won't see her again" was written to Ye Chen.

Ye Chen burned the letter and looked angry at what had happened.

"Yuechan, it looks like I will speed up the plan," Ye Chen said to Chu Yuechan.

"I understand" Chu Yuechan already knew that Ye Chen would speed up the plan, Ye Chen would not let this problem continue.

Ye Chen immediately gave the news to Nangong Xiang with a voice transmission.

Nangong Xiang understood, that they accelerated the plan faster, and all preparations had to be done faster.

.

.

The fifth elder now tied up long Luxie, she was unconscious.

"Hahahaha, that person is strong, luckily I managed to trick him a little, otherwise, I would have died" Luckily, his plan worked, otherwise, he would have died.

The fifth elder immediately carried the unconscious Long Luxie to Long Gunhe's place.

After this, his task was complete, and he could leave the rest to Long Gunhe.

.

.

Meanwhile, Su Feixu was currently trying to gather the other five dragon gods, she used her power to collect them in one place.

Su Feixu would warn them all not to interfere, and it seemed like this would be quite a shock.

"Why did you call us" finally came, and the five of them had an aura that was no less than Su Feixu and Long Gunhe.

Plus, they have so much power they don't hold back the power they have.

Su Feixu was calm, she didn't care much about the aura they had.

"I invited you here for a purpose," Su Feixu explained to them all why she invited them to come.

"Say it quickly, we don't have time" The five of them said they didn't have time.

These five people are Yu Wacou, Cou Mazhong, Han Sein, Lan Quyi, and Dong Gu. They have the same power as Su Feixu and cannot be ordered by anyone else.

"I came yesterday to tell you all something important, so you all have to listen carefully," Su Feixu said to Yu Wacou, Cou Mazhong, Han Sein, Lan Quyi, and Dong Gu.

Yu Wacou, Cou Mazhong, Han Sein, Lan Quyi, and Dong Gu looked at Su Feixu, what did Su Feixu want from them, it seemed like Su Feixu was planning something.

"say it" Yu Wacou told Su Feixu to say it.

"I want you not to interfere in the upcoming battle with Long Gunhe" Su Feixu said to Yu Wacou, Cou Mazhong, Han Sein, Lan Quyi, and Dong Gu.

"What happened, why did you forbid us from coming?" they all asked, they wanted to know why Su Feixu banned them all.

Long Gunhe was part of them, they couldn't just let Long Gunhe lose, plus, the current situation was very bad, if they let a power like Long Gunhe disappear, it would be a huge problem for everyone.

"I know this is such a reckless decision, but I have to do it, that person is not worthy" Su Feixu said to Yu Wacou, Cou Mazhong, Han Sein, Lan Quyi, and Dong Gu.

"I know Long Gunhe is not worthy, even though that person is not worthy, we still need his strength for now, we don't know when the Four-sided Immortal Palace will attack" Han Sein said that he would not agree, they must not get involved in trouble now, losing one of the powers will make the Dragon God Realm's strength will be reduced.

"So you guys won't agree with what I want?" Su Feixu said to Yu Wacou, Cou Mazhong, Han Sein, Lan Quyi, and Dong Gu.

"We reject it," Yu Wacou, Cou Mazhong, Han Sein, Lan Quyi, and Dong Gu said to Su Feixu.

They refused, and they would not let that happen.

Chapter 3169 Su Feixu met all the dragon gods

"So you guys refuse, I have no choice but to force you not to interfere" Su Feixu said to Yu Wacou, Cou Mazhong, Han Sein, Lan Quyi, and Dong Gu.

"Do you have the strength to do this? You are alone and your strength is not as great as ours," Lan Quyi said to Su Feixu.

Lan Quyi was also a woman whose strength was above Su Feixu's.

Lan Quyi was much older than Su Feixu, so it was not strange that she had greater strength than Su Feixu.

"Don't underestimate me, I'm no longer what I used to be," Su Feixu told Lan Quyi.

"Hahahahahaha!" Everyone laughed as they listened to what Su Feixu said.

They all underestimated Su Feixu's strength and abilities.

They all did not believe what Su Feixu said.

How could Su Feixu do that?

"eruption. . . ." Su Feixu brought out her abilities, she showed her strength.

Su Feixu's strength increased, it intimidated everyone.

"What !" Lan Quyi and everyone else were shocked when they felt the power that Su Feixu possessed.

"This woman, where did she get such strength?" Dong Gu didn't believe that Su Feixu had such strength.

"I will show you the power I have, you better be prepared" Su Feixu decided to show the power she had.

The first time Su Feixu dared to challenge others, Su Feixu wanted to show her dominance.

"You are too confident, we are also a person with the position of dragon god" Yu Wacou, Cou Mazhong, Han Sein, Lan Quyi, and Dong Gu showed the strength they had.

"Boom. . ." They released an enormous aura, and the mountain they were using was immediately destroyed and razed.

Yu Wacou, Cou Mazhong, Han Sein, Lan Quyi, and Dong Gu tried to intimidate Su Feixu.

Su Feixu did not hesitate in this matter, she decided to use it.

"Dragon Cloud Sky Rain Spear" a wind spear appeared from the clouds, a very strong wind spear appeared and made a very strong wind.

"unbelievably strong." Yu Wacou, Cou Mazhong, Han Sein, Lan Quyi, and Dong Gu felt such a strong vibration.

"We have to fight, if we don't fight, we will lose," Cou Mazhong told them that they had to fight Su Feixu, if not, they would all lose.

The skill demonstrated by Su Feixu was truly a legendary class skill, an extremely high-level skill.

Yu Wacou, Han Sein, Lan Quyi, and Dong Gu understood, they couldn't mess around and began to unleash the full power they had.

"dragon evolution" Their immediately changed, their aura changed and enveloped their bodies.

This aura formed a dragon, which became protection and armor for all of them.

When someone reached the highest level, their transformation would be like this, they could maintain their human form while displaying the power of their dragon inheritance.

"It's useless" Su Feixu said to all of them, Su Feixu told them that it would be useless against her.

The wind spear descended and immediately hit Yu Wacou, Cou Mazhong, Han Sein, Lan Quyi, and Dong Gu.

"Boom. ." A huge wind explosion destroyed all kinds of things below, even the star where they met was destroyed by Su Feixu's attack.

The explosion was so huge there was no way they could withstand it without suffering injuries.

"Damn, so strong" Yu Wacou, Cou Mazhong, Han Sein, Lan Quyi, and Dong Gu got up, they had injuries from one attack from Su Feixu.

"Do you want to stop, or should we continue?" Su Feixu said to everyone.

Su Feixu warned them, telling them whether they wanted to continue or stop and accept Su Feixu's offer.

"no, I don't want to lose" They all refuse to lose, they refuse to give up.

All the dragon gods had extremely high pride, there was no way they would be willing to surrender and submit to Su Feixu's orders.

"So that's how it is, then I just need to make you guys no longer able to stand up." Su Feixu failed again, she wouldn't be able to make them all agree.

Su Feixu was aware of this, and all of them would not readily accept the conditions given by Su Feixu.

Since they didn't want to, Su Feixu had to do it.

"Dragon Cloud Sky Wind" Su Feixu used the second level, the second level was even more powerful.

"Wushhhhhhhhhhhhh...." Fierce whirlwinds appeared, there were not just one, but thousands, and each wind whirlpool had a more substantial destructive power compared to the wind spear previously used by Su Feixu.

"she's gone crazy" Yu Wacou felt that Su Feixu's strength had become unreasonable, or perhaps her strength had risen crazily, and they were even having trouble dealing with Su Feixu, who was alone.

"This is your last chance, accept or fight," Su Feixu said, giving them all one more chance.

"I refuse" Yu Wacou refused to accept orders from Su Feixu.

"So that's how it is." Su Feixu stretched out her hand toward Yu Wacou, and a hundred whirlpools surrounded Yu Wacou.

"Damn it, don't underestimate me," Yu Wacou said to Su Feixu.

Su Feixu didn't care, she squeezed Yu Wacou's body using hundreds of powerful whirlpools.

Yu Wacou was like a pebble tossed in a whirlwind, he was unable to get himself out of the whirlwind and suffered heavy injuries.

Cou Mazhong, Han Sein, Lan Quyi, and Dong Gu could only watch what was happening, they couldn't imagine that someone as strong as Yu Wacou would be made into a plaything by Su Feixu.

It seemed that Su Feixu had already had an epiphany, otherwise he would not have such strength.

"So that's how it is, it's not strange that you can be arrogant." Cou Mazhong, Han Sein, Lan Quyi, and Dong Gu finally understood why Su Feixu could be arrogant.

"Does anyone dare to fight me again?" Su Feixu asked, she used quite a cold tone towards everyone.

"We don't dare, we will do what you want, we will not interfere," they said to Su Feixu, they would no longer interfere in Ye Chen and Long Gunhe's matters.

"That's the answer I wanted, you guys can leave now" Su Feixu gave them all permission to leave.

Cou Mazhong, Han Sein, Lan Quyi, and Dong Gu left immediately, lest Su Feixu change her mind and drag them along with Yu Wacou.

"All of you, you are all traitors" Yu Wacou shouted, he looked so angry because Cou Mazhong, Han Sein, Lan Quyi, and Dong Gu left him.

"You were the one who rejected my request, what should I do to you?" Su Feixu said to Yu Wacou.

Su Feixu used her power to make Yu Wacou helpless and cause more wounds on Yu Wacou's body.

"I'm sorry." Yu Wacou realized that Su Feixu was much stronger than Yu Wacou, and perhaps she was already at a higher level than his ancestors.

"This woman, has she almost reached the realm of true god?" Yu Wacou thought that Su Feixu was already close to that realm.

"I won't let you off easily" Su Feixu said to Yu Wacou.

"Why? you let them go easily, but why not me?" Yu Wacou asked Su Feixu.

"That's because you're the one with Long Gunhe the most." Su Feixu explained why she couldn't let go of Yu Wacou easily.

Chapter 3170 Soon You Might Be Executed

Yu Wacou had a relationship and cooperation with Long Gunhe, so Su Feixu believed that Yu Wacou would not easily let go of this matter.

Yu Wacou gritted his teeth, looking like he would not be able to get away from this problem.

Su Feixu would not let Yu Wacou escape.

"I will leave you here for the time being," Su Feixu told Yu Wacou.

Yu Wacou would be confined in this place for a while, Su Feixu made a wind wall for Yu Wacou.

"Damn it, you will regret it" Yu Wacou was so angry he was locked up by Su Feixu and couldn't escape from this place.

After confirming that Yu Wacou could not escape, Su Feixu immediately left this place and left Yu Wacou alone.

"It seems like he can handle this problem alone" Chu Yelan saw that Su Feixu could finish it alone.

"There doesn't seem to be any problem, she can handle the problem alone" Chu Ning'er also agreed, they didn't need to help Su Feixu.

"Then let's go back" Chu Yelan invited Chu Ning'er to go back, their task was finished, they had ensured Su Feixu's safety.

Chu Yelan and Chu Ning'er returned, and after they returned, they immediately discussed the matter that had happened to Chu Yuechan.

"Everything went very smoothly" Chu Yuechan said to Chu Yelan and Chu Ning'er.

"You are right, everything has gone very smoothly" both agreed, they had finished everything quite smoothly.

"master has accelerated the plan," Chu Yuechan told Chu Yelan and Chu Ning'er what happened.

"So master has started, it looks like this will end quickly" Chu Yelan saw that this might end quickly.

"That's not right, the enemy is using someone as a hostage, we can't move freely" Chu Yuechan said to Chu Yelan and Chu Ning'er.

"they are shameless" Chu Ning'er was not very happy when she heard the matter.

"I also agree, but they decided to use that method, and we can't do anything about the problem," said Chu Yuechan.

"We can only snatch Long Luxie back, so I will need your help when the time comes," Chu Yuechan said to Chu Yelan and Chu Ning'er.

"Okay, we will help as much as you can" Chu Yelan and Chu Ning'er agreed to help, and they will try to help as much as possible.

Nangong Xiang was also done, she sped things up for Ye Chen because they didn't bring so many people, Nangong Xiang easily arranged everyone in their respective positions.

"Master, everything is ready" Chu Yuechan informed Ye Chen.

"Then we can start" Ye Chen said to Chu Yuechan.

Since everything was done, they could start.

"Um. . . ." Chu Yuechan understood that everyone was already in position to help Ye Chen.

"husband" Su Feixu met Ye Chen, Su Feixu was in a pretty good mood after beating up several people who used to be very arrogant towards him.

"You're back, how's it going?" Ye Chen asked about Su Feixu's condition.

"Fufufufu, I'm fine, much better than before." Su Feixu said that she was in very good condition.

Su Feixu was much stronger than before, this was what Su Feixu wanted.

"Nice to hear that from you," Ye Chen said to Su Feixu.

"What's wrong with you? You don't seem happy?" Su Feixu asked Ye Chen.

Su Feixu had just returned, so she didn't know what happened to Ye Chen.

"Someone kidnapped Long Luxie, it looks like it was Long Gunhe's man" Ye Chen said to Su Feixu.

"Eh, how could that be, as long as you are around, the enemy shouldn't have a chance" Su Feixu thought.

"It looks like he sent people who are quite fast and skilled," Ye Chen said to Su Feixu.

"a quick and skilled person?" Su Feixu thought for a while, who was the person Ye Chen just said?

"Hmmm" After thinking for a while, Su Feixu seemed to know who it was.

There aren't many people like that, probably only that person can.

"If I'm not mistaken, Long Gunhe has an elder with spying and kidnapping skills, he is the fifth elder" said Su Feixu.

"Is that person as strong as Kim Ouyi?" Ye Chen asked Su Feixu.

"In terms of strength, he is not very strong, he is special in speed and hiding traces" Su Feixu answered Ye Chen.

"So that's how it is, that explains why he was fast and able to erase his traces" Ye Chen immediately understood why that person was so skilled at hiding himself, he was a specialist.

"Next time I meet him, I will kill him," Ye Chen said to Su Feixu.

Ye Chen would definitely kill the fifth elder, he would not allow such a person to exist.

"He probably won't dare to come here anymore, he is a coward" Su Feixu said to Ye Chen.

"If he doesn't come, I will come to him" Ye Chen will come to kill the fifth elder.

Su Feixu nodded, it seemed like Long Gunhe had provoked Ye Chen's anger, what would happen after this?

"You better be prepared" Ye Chen said to Su Feixu.

"So you are about to start," Su Feixu understood.

It seemed like Ye Chen was speeding up the original plan.

"The sooner the better" Ye Chen said to Su Feixu.

"You are right, the sooner you defeat Long Gunhe, the problem will be resolved, and I can focus on the big battle that will occur" Su Feixu said to Ye Chen.

After that Ye Chen left alone, Su Feixu joined Nangong Xiang.

She did this according to Chu Yuechan's instructions.

.

.

Long Luxie opened her eyes. When she opened her eyes, she found herself in a dark room.

"Eh?, where am I?" Long Luxie was confused, she didn't know where she was now.

Long Luxie's last memory was when she was in the shop and helping people, after that Long Luxie lost consciousness and didn't remember anything else.

Everything went dark, Long Luxie didn't know what had happened after that.

"Hahahahahaha, you finally woke up" a man said to Long Luxie.

Long Luxie looked for the person who was talking to her, the person who was talking to Long Luxie was a man.

"Who are you ?, why did you do this to me?" Long Luxie asked the man in front of her.

He was the fifth elder, who kidnapped and took Long Luxie.

"You will know who I am, I am the fifth elder the person who has taken you" the fifth elder introduced himself, the person who has captured Long Luxie.

"why did you catch me?" Long Luxie asked, why did the fifth elder catch her.

"Are you stupid, still asking about this, don't you know what your closest person has done, he has offended our master, that is something that cannot be forgiven" the fifth elder told Long Luxie.

"So you are a lackey of Long Gunhe, you will regret it" Long Luxie said to the fifth elder.

Fifth elder and Long Gunhe will regret what happened today.

"Hahahahahaha" the fifth elder laughed, he was laughing at what happened, there was no way he would lose to Ye Chen.

"You can still say things like that, soon you might be executed, can you still say things like that?" The fifth elder said that Long Luxie would soon be executed, did she still dare to say things like that.

"I won't be afraid" Long Luxie wouldn't be afraid, she wasn't afraid of that kind of thing, she believed in Ye Chen.

"hahahaha, stupid woman, soon you will feel it" the fifth elder said that Long Luxie would soon feel it.
