Fu Yuhuai subconsciously avoided her hand, and a look of embarrassment

"Okay," Zhang Kai answered. Right a er saying that, he felt that something was amiss and looked up at Fu Yuhuai. "Young Master Fu, are you not going with us?"

"I just recalled that I still have to look for Miss Ye about something," Fu Yuhuai said. He turned around and smiled at Chen Xiangxiang as he said in an a ectionate tone, "Remember to eat your lunch well and not be picky about

your food. I'll make Zhang Kai supervise you."

With that, he strode away without any hesitation.

Chen Xiangxiang was drowning in his gentle and a ectionate gaze, and she

Chen Xiangxiang couldn't help frowning, and a hint of unwillingness flashed across her face.

It was Yan Xi's first time eating in the school cafeteria, and she found it very novel.

He was purely curious about her looks and he craned his neck to see the girl's face, but his vision was suddenly blocked.

"Cousin?" Lu Qingming was a little confused.

He was already getting sick of the food in the cafeteria, so he was picky with his food as he ate his lunch, finishing all the meat and leaving behind the vegetables that came with the meat. Lu Qingming didn't think there was anything wrong with the food that was le on his plate.
