Chapter 42: experience the depth of knowledge

What she was holding in her hand was a very thick criminal law book. Jiang Chengyu glanced at it, then looked at Zhang Fan, who had swollen up into a

come to my place to experience the depth of knowledge."

Yan XI: "You have to keep your promise. If you don't study hard, feel free to

pig's head. He decisively nodded and then nodded again. He didn't want to feel anything at all. Oh My God, it was so painful. Yan XI said, "You're still too free to follow these hooligans. How about this?

Set a goal. How many places do you plan to advance in the mid-term exam rankings?"

Jiang Chengyu hesitated for a moment, then stretched out five fingers. "Five..." Yan XI nodded. "Very good, 50th place. Go back to your parents and make a

military order. If you don't meet the requirements, all your pocket money will be deducted."

Jiang Chengyu was dumbfounded. He wanted to say that he would rank 5! Sponsored by Airbnb Is My Space a Good Fit for Airbnb? SEE MORE

"No one."Zhang Fan's eyes flickered as he stubbornly said, "I just simply

Everyone was quite surprised. So, what was Chen Xiangxiang doing here? Chen Xiangxiang was the campus goddess of Shengyang High School. She was beautiful, cheerful, and had an all-rounder personality. Most importantly, she knew the school's top student, Yuhuai Fu, as well as the top

Many people in the school wanted to get Huo Ziang's autograph, so they had a filter for Chen Xiangxiang.

like Chen Xiangxiang and was targeting Chen Xiangxiang everywhere.

Recently, it was rumored that the sickly young miss of the Xi family looked

But now, it seemed like that was not the case? Furthermore, the legendary Miss XI was not spoiled and domineering, gloomy and jealous, and ugly, but she did not look like that at all. She was so tall, taller than most girls and even taller than some of the boys.

She was thin and looked a little fragile. The outburst just now was especially

The most important thing was that her eyebrows and eyes were too

which family's dress does a sister know about?"

studied Yan Xi's clothes. This set of clothes could not be bought without a few hundred thousand yuan. The key point was that the clothes of the Moran family were very picky

about their figure and stature, as well as their temperament.

Ordinary people really wouldn't be able to wear such clothes.
