illness would immediately be cured.

medicine? Where did it go?"

Their eyes met, and Yan Xi smiled politely. "Hello."

shower, and let's have breakfast together a er that."

The man nodded slightly, his gaze calm and gentle. "Hello."

He sighed. "Say, as someone that's about to die, why is she still so petty? Isn't it good that someone can be filial on her behalf and bring joy to the Xi family?"

As he spoke, he suddenly felt a chill run down his spine.

When he looked up and met his cousin's dark eyes, he felt an inexplicable chill run down his spine. "... C-Cousin?"

"Get up. You're sitting in the wrong seat." A moment later, his dark eyes

moved away from Lu Qingming calmly.

"Huh? Oh!" Lu Qingming scratched his head and hurriedly got up to squat at

I almost thought there's a murderous glint in Cousin's eyes just now.

Cousin's clearly a person who doesn't care about anything. Being as cold as a

fairy in the Moon Palace at a young age, even Chang'e isn't as cold-hearted as him.

Meanwhile, Xie Changze stood up with the book in his hand. The wind blew

from time to time, and the young man's clothes fluttered in the wind.

He turned his head slightly with an indierent expression. "Presumptuously

speculating about others and saying bad things about them, is this your

Lu Qingming felt a little wronged. "I didn't even say anything! Besides, Yan Xi wasn't in the right either. She's too petty. No wonder everyone calls her a short-lived ghost…"

was calm, but it had an inexplicable sense of oppression.

a short life. She will live longer than anyone else."

rooted to the ground, his head full of question marks.

"When did you become so mean?" Xie Changze looked down at him. His tone

comments about her. You deserved to be chased out."

When Lu Qingming met his gaze, his heart skipped a beat, and he immediately fell silent.

"You were a guest in someone else's house, yet you're still making rude

Boohoo, I'm scared!

"I, I was wrong!" Lu Qingming hurriedly apologized. "I won't say it ever

Only then did Xie Changze look away and turn to leave. "Also, she won't have

I think, I might have said something wrong... Cousin really is angry...

There were many questions that the little boy couldn't understand. ...

Yan Xi fell asleep, and her dream was still filled with a number of chaotic

When she woke up, everything around her was quiet and the sky was still

Her body was still rather weak, so she didn't dare to run and could only brisk

There was usually no one around at this time, especially since this area was

The tall, jade-like figure disappeared from his sight. Lu Qingming stood

dark. She walked to the balcony to take a breather before she put on her mask and went to the lakeside for her morning exercise.

But this morning, there was actually someone jogging by the lake. The man had long legs and a slender figure, and the movements he made while

Yan Xi narrowed her eyes with intrigue, and her mood had finally improved

The skies were clear, and life was lovable. There was no need for her to be

Yan Xi brisk walked for half a round around the lake before walking back

home. She then happened to see the man walking to the mansion next to

"Eldest Miss!" Someone rushed out of the courtyard. Yan Xi turned around

Xi Jingxing and Xi Yan were both awake. The two of them ran out in their

Yan Xi smiled and greeted them. "Dad, Big Brother, I'll go upstairs to take a

When Yan Xi went downstairs, Xi Jingxing and Xiyan had already finished

washing up. When they saw the rashes on Yan Xi's face, Xi Jingxing exclaimed,

"It's the adverse drug reaction from taking a new medicine." Yan Xi's expression was calm.

During breakfast, both Xi Jingxing and Xi Yan's expressions became heavier, and in Xi Jingxing's eyes was the same painful and sad expression.

A er breakfast, he specially asked the family doctor to give Yan Xi a body

"The rashes aren't serious. They will subside automatically some time a er

But it was impossible for her to stop taking the medicine. At this current

stage, Yan Xi had to take the medicine every day to control her condition

Xi Jingxing stared at Yan Xi's horribly-shaped face that was covered in rashes

she stops taking the medicine. She just has to be careful not to touch it lest it

checkup and he also asked about the rashes on her face.

and was in a daze for a moment.

"May I come in?" There was a knock on the door, and Chen Xiangxiang's voice sounded at the same time.

A er she came in, she took the initiative to greet everyone. She then also

took the initiative to apologize to Yan Xi. "Sister Yanyan, I'm sorry for making

She was sensible and well-mannered, so Xi Jingxing was very satisfied with

her and pulled her over to show Yan Xi. "Yanyan, don't you think Xiangxiang"

Chen Xiangxiang's eyes were indeed very similar to hers, and the similarity

It was just that Chen Xiangxiang looked more lively and beautiful, while Yan

Xi looked calm and gentle. She held a natural power that was gentle,

looks a lot like your younger sister? Your eyes look really similar!"

Yan Xi looked up and calmly sized up Chen Xiangxiang.

powerful, and able to reassure others.

Yan Xi smiled. "We don't really look that similar anymore."

Her face was covered in rashes, and she no longer looked the same as before.

Chen Xiangxiang's gaze was very well-behaved. When she saw the rashes on

Yan Xi's face, she pretended not to see it. "Sister Yanyan, you will definitely

She spoke very excitedly, as if once the bone marrow was donated, Yan Xi's

"Wait." Yan Xi suddenly turned her head and asked Xi Jingxing, "Dad, isn't it

already our turn to get the F Research Institute's single-cell injection

recover soon! Uncle Xi brought me back because he wanted me to donate my

Yan Xi's gaze was also dazed for a moment. Then she heard Xi Jingxing's hoarse voice. "The medicine has already been given to Xiangxiang's mother."

The anti-cancer drugs developed by the F Research Institute were already

sold for as much as 1.8 million yuan per shot. Plus, it was the kind of drug

that was priceless, and people had to queue for many years before they

Yan Xi has waited three years for the drug. Yet Xi Jingxing gave it to Chen

The room was so quiet that one could even hear a pin dropping on the

That's a medicine that can save her life! Without it, she might really die!

Jingxing's face was full of shame, and he could barely li up his head.

Chen Xiangxiang's face was pale as she looked at Xi Jingxing helplessly. Xi

"The situation was urgent at the time. Xiangxiang's mother also had cancer

and she needed the medicine to save her life. Xiangxiang begged me, so I had

ground. Everyone was in shock, especially Xi Yan and their family doctor, Mo

Everyone knew very well how long Yan Xi had waited for this medicine.

"Dad!" Xi Yan couldn't help raising his voice. "Why did you give the medicine

Mo Yun frowned upon hearing this. What kind of nonsense is Xi Jingxing saying? When did he become such a saint? He gave the medicine that could save his daughter's life away so easily when someone begs for it?

A er speaking, Xi Jingxing seemed to feel more at ease as he looked up at

no choice. A er all, her deceased husband was from the Chen family..."
