

The stars are originally a pair - Holding hands() c11

Su Zhiqing followed An Xingyue's side, the two were talking all the way, mainly Su Zhiqing was talking and An Xingyue was listening. Then night Xiu Chen and the three of them followed behind them and listened to the non-nutritious words all the way.

It was at the peak of the meal, the five people who came in together are not low in face value, plus night Xiu Chen and others have always been the focus of the crowd, small groups come and go are those few people, today there is a newcomer, instantly triggered everyone's discussion.

"Oh oh, who is that person? Su Zhiqing actually chatted with her so happily?"

"Gosh, it's amazing to see that there are other girls besides Su Zhiqing who can be allowed to get that close by the Great Demon King!"

"I heard that she is only transferred this semester, now in the seventh class, and is the table of young Chen Hey."

"Eh, and don't you think that girl is the one on the bar? I heard that she sent Coke to Tatsuo, and Tatsuo received it."

"No wonder, no wonder."

"It's true, good-looking girls are other people's."

"Tsk, if you give He Lili to see, it is estimated to be hot again."

"Yes, she began to chase night Xiu Chen from the first year of high school, but night Xiu Chen never took care of her, once there are girls and night Xiu Chen closer, she will have people on warning her, except Su Zhiqing."

"Whatever she does, I think this transfer student is more compatible with the Great Demon King than she is."

"Yes, the male god, the goddess is the official match ah." = ω =

.

"As expected of the flow of the first middle school play ah, appearing with the main character aura." An Xingyue listened to the already noisy cafeteria, more noisy after their appearance, frowned.

"Hurry up, it's not so noisy once you go up to the third floor." Night Xiu Chen already did not like the noise, and when he saw that An Xingyue did not like such an

environment, he became even more annoyed, so then, on impulse, he reached out and pulled her towards the third floor, leaving a bunch of melon eaters.

And An Xingyue sensed the movement of night Xiu Chen, struggled a little and gave up.

The person who looked up at her, expressionless, did not know that he was trying to teach a lesson, however, An Xingyue saw his slightly red ears, amazing, from the night Xiu Chen's face is difficult to see that he is shy, but his ears often betray him.

Indeed, having taken the hand of a girl he likes by surprise, Night Xiu Chen's heart was excited, torn, and a little bit of trepidation.

He was afraid that An Xingyue would shake him off and hate him, but An Xingyue struggled a little, undoubtedly acquiescing to this behavior of his, and the whole person was swept away.

The small hand in the heart of the hand, very slender, beautiful, a small one held in the heart of the hand, the two hands nestled very well.

Zhou Junxing looked at the two people holding hands in front of him, shook his head, sighed and said, "I thought Xing Yue could last a little longer under Brother Chen, let Brother Chen eat defeat, did not expect, alas ~"

"Tch, if Brother Chen knows that you don't want him to hold the beauty, he will probably get you killed." When Luo Junxian heard Zhou Junxing's words, he narrowed his eyes.

"Who was the one who had the same idea as me in the first place? Damn fox you hypocrite." Zhou Junxing was afraid that the fox would suddenly run off and snitch to Night Xiu Chen, and he exploded.

Su Zhiqing covered her eyes with her hand and said, "Are you two thinking a little too much, and little Zhouzi, who told you they were together?"

"They are holding hands, and still say they are not together, who believes it? (ノ□ノ)" Zhou Junxing pointed to the two people holding hands and yelled towards Su Zhiqing.

"Married can still be divorced, just holding hands, what is the hurry, anyway, they are certainly not together." Su Zhiqing said breathlessly.

On the third floor, Ji Yiyan occupied a table by herself, her best friend said she was having dinner with some people from class 7 today and asked if she was coming. You know An Xingyue rarely eats with people she doesn't know well, she has only been in class 7 for a short time and she's eating with others. In order to find out who is that capable, Ji Yiyan gladly agreed.

But how come it's so slow? She sat here alone without ordering, people around her looked at her strangely for a long time, at least she Ji Yiyan in a middle school is also considered slightly famous ah, she still want to face. (¯ _ , ¯)

I was about to call An Xingyue with my cell phone when I raised my head and saw the two people holding hands, and with a bang, my hand was loose and my cell phone fell to the ground.

Dumbfounded ㄣ(?) ㄣ

Why is my little friend holding hands with the big devil?

Who is the one who said not to get involved with the big devil?

ㄣ(∇ ㄣ)ㄣ

An Xingyue saw Ji Yiyan's expression and swooped to pull her hand out of Night Xiu Chen's hand.

Seeing her best friend's questioning, surprised expression, An Xingyue was rarely embarrassed and used her hand to get the hair around her ear and said, "Meow meow, I can explain, listen to me."

Ji Yiyan folded her hands together on her lap, with a smile on her face, "You say, I'll see what you can say. Come on, I'm listening."

The first thing you need to do is to get your hands on the right one. >The first thing you need to do is to get your hands on the right one.

The first thing you need to do is to get your hands on a new one.

"Just in the first floor too many people, just hold a little, I have nothing with him, meow you have to believe me. (●?' ●)"

The heart is broken, night Xiu Chen heard An Xingyue's words, thought there was a play, who knows a sentence I have nothing with him, instantly confused. The actual fact that there is nothing now does not mean that there is nothing in the future, the sincerity of the gold stone is open, anyway, he is ready to fight a protracted war.

The first thing you need to do is to get a good idea of what you are getting into.

But now, the revolution has not yet succeeded, the great devil still need to work hard ah.
