

## The stars are originally a pair - Skipping Evening Study c13

The wind blows gently, the leaves fall gently, who girl's heart is heavy?

After leaving home, An Xingyue slowly walked on the way to school, obviously already did not care, but the heart will still be difficult, which there is no high cold, but just do not want to be disappointed again.

The first time I saw the classroom, I saw the classroom for a week, and as always, even though it was time for the monthly exams, there were still only about a dozen people in Class 7 studying at night, and they were not the kind of people who came back to study wholeheartedly.

Class 7 is still Class 7, want them to seriously review before the exam, does not exist. (•'?' •)

An Xingyue looked at the empty seat beside her, it was empty, Night Xiu Chen didn't come to the evening study, gave up so soon? Where is the promised company?

Liar, big liar.

Well, An Xingyue does not know what the sudden loss is all about? Probably because she was slowly getting used to having someone with her when she was drawing, but suddenly that person was no longer there, so suddenly there was a lapse.

She didn't intend to review, it was just a monthly exam anyway, she could still handle it, and she wasn't in the mood to review.

The pen in her hand slowly fell on the white drawing paper, without any rules and regulations, the drawing on the paper could not be seen at all.

The mind is chaotic, the brush is chaotic, the painting is chaotic.

Frowning, An Xingyue stopped the pen, only hand propped up his chin, looking out the window at the night scene, the person next to him is not there, there is nothing blocking the view, it should be pleasing to the eye, but there is not the slightest heart.

After the first period of evening study, the person next to him came late.

Night Xiu Chen walked up to An Xingyue, slightly boldly reached out and touched her head, and then asked, "Tablemate, I haven't seen you for a class, did you miss me?"

An Xingyue touched his head, after reacting to the head a deviation, night Xiu Chen's hand is empty, the face is stiff, but the moment is gone, recall just soft touch, smiled, this is today's unexpected harvest, one day, he will let An Xingyue willingly give him to touch his head, rather than rely on sneak attack to take advantage of.

The hand that was disliked pretended not to care and stuck back into his pants pocket, standing coolly and not thinking about walking back to his seat.

Those who were still in the classroom saw the movements of the Daimao and had waves in their hearts.

The first thing you need to do is to get a good idea of what you're doing.

Hee hee, the Great Demon King was disliked ~ \ ^ o ^ /

The first time I saw him, he was so happy.

I've seen the Great Demon King being disliked for the rest of my life (→→)

An Xingyue saw that night Xiu Chen came back, a little happy, but the high cold face can not see the slightest.

Silently thinking about the mood of that class just now, An Xingyue a little do not want to stay in the classroom, but also do not know where to go, after all, the matter of skipping class, An Xingyue did not do, although it is said to escape from the evening study, and is not strict control of the.

The company's main goal is to provide the best possible service to its customers.

But tonight, An Xingyue is really messy, so want to do something exciting to distract.

So then, An Xingyue tilted her head and blinked her big eyes at Night Xiu Chen, as far as she knew, the Great Demon King's truancy record was quite high, so it should be okay to let him lead her to skip class.

An Xingyue's sudden gaze made night Xiu Chen's heart beat faster, the girl he liked had all eyes on him, which made his heart happy.

"Tablemate, can you take me to escape from evening study ah?" Think and do, will not ask, An Xingyue adhering to this sentence, under the gaze of night Xiu Chen, asked.

The first time I heard that, I was afraid that I had heard wrongly, his tablemate asked him to take her to skip class? Seriously? The fact is that the company's business is not a business.

"Why do you want to skip the evening study, haven't you already had one class?" Usually in a bad mood to skip class, so his little table is in a bad mood tonight? Night Xiu Chen looked at her seriously, as if she was a little unhappy.

"Okay, take you to escape the evening study, but where do you want to go? Home?" If you like a person, you have to do your best to meet her requirements. Anyway, the matter of skipping class is quite simple, and An Xingyue is now skipping not a regular class, but just an evening study session.

"I don't know where to go, I don't want to go home first, I want to go play, is that okay?" Hearing that Night Xiu Chen agreed, An Xingyue's heart leaped with joy, even the expression on her face was vivid for a few moments.

"Okay, let's go then." Night Xiu Chen naturally took her hand and pulled her up from the seat. Since he had held it once, the action had become quite skilled.

There is a first time, there will be a second time, so An Xingyue just let him, love to hold, anyway, if you really want to fall in love, the great devil is a good choice, after all, after getting along, night Xiu Chen in her heart's good feeling is still quite high.

The fact that An Xingyue did not struggle, undoubtedly gave night Xiu Chen great encouragement, the corners of the mouth hooked, the cold arrogance of the past disappeared.

The two walked out of the classroom holding hands, leaving a group of stunned eaters.

"When holding hands just now, An Xingyue classmate did not struggle at all."

"Oh, it's really together, I heard that at noon in the dining hall, the Great Demon King also held her."

"The great devil king's not close to women is special treatment."

"Sure enough, it's all in the face."

"Hahahaha, think tomorrow's campus posting will blow up ah." (\* ^ ^ ^ \*)

. . . . .
