

The stars are originally a pair – Change c8

The night Xiu Chen looked at An Xingyue, out of the shade of the tree she, the whole person was bathed in sunlight, fair skin in the sunlight looks more white, perhaps do not like to be surrounded by so many people, she frowned lightly, delicate small face through a little dislike.

If not afraid to scare her, night Xiu Chen really want to reach out and smooth her knitted brow, but soon, he will let her like him, now can be in front of so many people and her relationship, night Xiu Chen has been very satisfied.

But since she doesn't like this kind of scene, he has to take her away.

"Let's go, I don't think you want to be surrounded by so many people either." Night Xiu Chen hooked up his lips and said faintly.

"If it wasn't for you, I would have already left, who let you walk over." An Xingyue looked at the culprit who caused this scene, "Originally, I was thinking of giving it to you when I returned to the classroom."

"Since you bought it in gym class, it proves that you originally wanted to give it to me in gym class, now I'm just going by your original plan." Night Xiu Chen said with a bit of triumph.

An Xingyue was speechless and touched the tip of her nose, as if that was correct.

But then she wanted to go back to the classroom and give it again.

The company's main business is to provide a wide range of products and services to its customers. Class is over, originally I was just going to go clean up, but after seeing you, now I'm holding my clothes in one hand and a coke in the other, so you'll have to join me and then help me with my clothes later."

"You can go back to your classroom and drop off your stuff first, and it's not like I forced you to come see me." I didn't think you would walk over, this sentence An Xingyue didn't dare to say, she was afraid to provoke him, after all, the nature of the great devil is a bit cloudy, a moment of clear skies, but may turn to lightning and thunder.

"No, go back to the classroom to get it again will not be able to catch the next class, I am a good student ah, how can I miss class?" Night Xiu Chen face did not change color to say extremely shameless words, "and you do not want to accompany me, I will stand here and wait until you are willing to accompany me before leaving."

An Xingyue looked at night Xiu Chen very seriously, thinking in his heart that people who fish for three days and sunbathe for two days, also have the nerve to say

that they are afraid of not catching up with classes? The first time I saw his ears slightly red, An Xingyue shifted her eyes, but she also knew that in this aspect of the cheek she was no match for night Xiu Chen, he said that standing here is really so, and if the stalemate continues, it will attract more people's attention.

The first thing you need to do is to take a look at the website.

The company's main business is to provide a wide range of products and services to the market.

The crowd is not happy to see the play halfway, the main character left the scene, the good high cold it? The promised not close to the female sex?

In their eyes, it is night Xiu Chen very happy and An Xingyue chat, and then the two people also left together. And look at the attitude of night Xiu Chen to An Xingyue, in addition to a few self-deceived people think that it is An Xingyue is seducing night Xiu Chen, many people feel that night Xiu Chen is serious, especially the same class seven people, more think that there is something fishy between the two people, and is night Xiu Chen head hot, An Xingyue still do not like him.

This situation class seven people referred to as unrequited love, hahaha, the great devil also has this day.

The evil one has someone to grind.

The people of class 7 are looking forward to the subsequent development of these two people with a million expectations, and even hope that An Xingyue can make the night Xiu Chen Daimao eat defeat.

In order to facilitate the students to wash their faces or other after sports, the school specially installed a row of taps not far from the sports field, usually many boys after sports will be here to pick up a handful of water on the face, many girls in order to see the boys of their choice will deliberately wait here, after all, sometimes the boys will also take off their tops, this is a good opportunity to feast their eyes, good place.

Night Xiu Chen took An Xingyue to walk over, if only a person, night Xiu Chen will choose to go to the bathroom, he does not like to be watched cleaning, but with a small tail, it is not convenient to go.

If he were to go, An Xingyue would not be by his side. So although he didn't like it, if An Xingyue was there, then everything could be endured.

"Come, table, help me with my clothes and coke, I'll wash my face first, my face is all sweaty and sticky, it's unbearable." Night Xiu Chen said extremely disgusted, then handed the things to An Xingyue, stood in front of a faucet, bent down, cupped his

hands with water, pounced on his face, water beads little by little flowed down from his face.

An Xingyue glanced at the object in his hand, and then glanced at the man who was washing his face, the water that fell on his face was sliding down drop by drop, the breeze occasionally blew up the hair on his forehead, perhaps the water was puffed on his face, so even the hair on his forehead and sideburns were stained with a few droplets of water.

Just after doing exercise he shed his usual unruly, cold, more wild, but the same striking.

Yes, no matter what kind of personality he has, but anyone who sees his face can pay attention to him as a person, after all, the face is justice.

"Let's go, it's time for good students to go back to class." Night Xiu Chen shook off his head, crystal water beads flung from his face, and then looked at An Xingyue and said.

"What? Is it that you suddenly think I'm handsome, do you want to consider being my girlfriend?" The first time I saw An Xingyue was lost in thought, I flirted with her, but it's worth considering how true these words are.

"Well, it's very handsome, but it's even more handsome when you're not talking, as soon as you talk I want to beat you up." An Xingyue seriously praised night Xiu Chen, although his mouth, but is indeed handsome.

The first thing I thought was that An Xingyue would get angry and scold him, after all, after a few days of living together he knew that she did not like to have anything to do with him, but I did not expect her to suddenly praise him handsome, and so serious.

The first thing you need to do is to get a good idea of what you're doing.

The company's main business is to provide a wide range of products and services to its customers.

Although An Xingyue has a cold personality, but with a super high IQ, her emotional quotient is not low either, depending on whether she will care. Now night Xiu Chen has attracted her attention, at first was unwilling to get involved, but now even if she is no longer willing, night Xiu Chen will not give up, after all, from his perversity, night Xiu Chen is now very interested in her.

Since this is the case, An Xingyue also wants to know how far she herself can go under his influence.

If you can't resist, then enjoy it.

Even if in the end she still had to leave midway, she wanted to leave something behind, and if he or some one could give her a reason to stay, perhaps she would choose to stay when her parents told her to leave.

"So, my, tablemate, is this you being shy?" Now that she has thought it through, An Xingyue will naturally make a change as far as she is concerned.

Hearing her question, night Xiu Chen, who was walking, stumbled on his feet, see through and not say through, understand? If not to maintain the persona, night Xiu Chen really want to shake An Xingyue's shoulders, in the end do not know how to chat?

"No shyness, just you sure you still want to talk to me, you will not be able to catch that class later." In order to stop An Xingyue from saying anything else that would embarrass him, night Xiu Chen decided to stop talking to her.

It's important to feel good about yourself, but your persona can't fall apart.

An Xingyue knew that night Xiu Chen's mouth was not right, but also did not continue to tease him, after all, it has not yet reached that point, and what if the great demon king became annoyed and angry?
