“What?!” Seth almost jumped in shock, he looked at Freya who was standing beside him, he said to Eleanor in a hurry, “Mom, this is impossible, they are certainly liars!”

“I don’t care!” Eleanor stood her ground as always, “You made the mess now you are going to clean it! I will not pick up after you! Come back in an hour, or I will freeze your credit card!”

After this, Eleanor hung up.

“Mom...” Seth was so mad he wanted to break his phone, he had found his wife and children, where did these frauds come from?!

But he was afraid that Eleanor would really freeze his credit card, he thought about it and decided to head back.

Seth stepped forward and grabbed Freya’s hand, “Boss, don’t forget, we are having hot pot tonight, I will pick you up after work later.”

Seeing Seth’s paws on Freya’s hand, Kieran’s pupils shrank suddenly. He didn’t know why, but he really wanted to chop off Seth’s paws right now.

Freya pulled her hand away from Seth’s, “Sethy, just go, I have something to tell you tonight as well.”

Seeing Freya agreed to have dinner together tonight, the corner of Seth’s mouth couldn’t help but form a smile, “Boss, I will see you tonight.”

He looked at Freya longingly before he reluctantly took his leave.

After Seth left, Freya realized there was a big problem, Seth brought the twins over, but she had to work right now, which was going to bring the twins back?!

She took a look at Kieran who was standing beside her, she asked tentatively, “Uncle...Mr. Fitzgerald, I am not off work yet, could you please help me bring Jaden and Jayla back first?”

“OK,” Kieran replied softly, his expression was unfathomable.

OK?!

Alisha was so shocked her eye socket almost popped out, just before Kieran would agree to join them for hot pot is shocking enough. Now he agreed to bring Freya's kids back as well?!

Kieran was always indifferent towards everyone, of all those years she had known him, since when did he become such a kind-hearted person?

Alisha's gaze fell on Freya like a knife, she didn't know why Seth would think that Jaden and Jayla were his kids, but the three of them were ticking bombs, she would have to eliminate them, one by one.

It was Kieran and the twins who pick Freya up after work.

Seeing Freya, Jayla immediately jumped into her arms, she took a look at the back of Kieran's beautiful head, "Mommy, Uncle Kieran is so handsome; he brought me a lot of chocolate!"

The corner of Jaden's lips twitched. Jayla, you hopeless foodie, he brought you chocolate and now he's handsome? But ok, Uncle Kieran was really handsome, he brought him a transformer too.

Uncle Kieran...

Jaden lowered his gaze, he had a disappointed look deep in his eyes, actually, he didn't like calling him Uncle Kieran, he would rather call him Daddy, but unfortunately, he is not his Daddy.

"Mr. Fitzgerald, thank you for taking care of Jaden and Jayla, I will treat you to dinner when I get paid." Freya didn't like owing favors, so she said this to Kieran softly.

Kieran made a sound of acknowledgment.

Freya didn't know Kieran very well, but she could sense that he really didn't like to talk.

She thought, he wouldn't say anything more after this, but surprisingly, after a moment of silence, he spoke again, "They are really well-behaved."

"Really?" Freya froze, was he chatting with her?

Freya was thinking about how to answer this, she heard Jayla sigh longingly, “Uncle Kieran is so handsome, and even when he speaks, and he is so charming! I want to grow up now, and marry Uncle Kieran.”

“Uncle Kieran, please wait for me to grow up, I want to be your bride,” Jayla said to Kieran, very seriously.

Jaden looked at Jayla disapprovingly, “Jayla, how stupid are you. We are related to Uncle Kieran, you cannot marry your relatives.”

Jayla’s happy face fell right away, “Then what should I do?! Uncle Kieran is so handsome and if I don’t marry him, he would be taken away by others!”

Jayla suddenly thought of something, and she smiled again, “Mommy, you are not related to Uncle Kieran, you can get married! To keep these good genes going, you should marry Uncle Kieran!”

Kieran’s hand holding the steering wheel paused, he knew that Jayla’s words were purely childish ramble, but for some reason, he was kind of expecting to see how Freya would reply.

Freya almost choked on her own spit after hearing what Jayla said. Her heartbeat was a little irregular when she was facing Kieran, let alone to discuss such a sensitive subject, her face burning.

Jaden looked at Freya expectantly. He would admit he was too considering, it’s unfair to Daddy, yes, but if Mommy liked Uncle Kieran, he would support them unconditionally.

That way, they could be with Uncle Kieran forever, he wanted to be with Uncle Kieran forever.

Freya coughed for a while before she found her voice, she rubbed Jayla’s little head, and scolded, “Jayla, what are you talking about!”

“Mr. Fitzgerald, Jayla is young, she didn’t know what she’s talking about, please don’t take her words seriously. I swear I have never thought about marrying you, I would never dare to covet you!”

Kieran made a noise of acknowledgment again. His big hands on the steering wheel were clenching so hard, his knuckles are turning white. So she didn’t want to marry him. Why was he feeling like he couldn’t breathe?

Kieran opened up the car window, the cool breeze blew through the window, and he felt even stuffier.

Seth's mansion was right next to Kieran's Kelsington Bay beach house, while Kieran was taking Freya there, Seth had already returned from his family home.

Freya was just getting off the car, Seth dashed towards her like a flash, pushed her right against the car door.

Seth's lips curled into a perfect smile.

He stroked a strand of blonde hair on his forehead and took a look at his face from the rearview mirror of the sports car. He was handsome, invincible, and perfect.

He lowered his face and looked at Freya affectionately. Suddenly, a big bouquet of bright red roses appeared in his hand like a magician.

"Boss, this is for you."

Freya did not expect to be hit so hard when she got out of the car. She felt that her back was about to be broken.

She rubbed her back and grimaced in pain. Before she could calm down, she saw Seth's lips are getting closer to her own.

That was just foreplay; the most important part was a passionate kiss!

Seth closed his eyes, at this moment; all he wanted was to be with his beloved girl, to be with each other.
