However, Alisha failed. Jaden grabbed her wrist tightly. “How dare you touch my mommy!”

Alisha turned around and saw Jaden’s face. Seeing his face that looked precisely like Kieran, Alisha almost screamed.

That was Freya’s son.

Five years ago, after Alisha had the miscarriage operation, she received the gigolo she had hired to set Freya up. He said when he arrived, there was another man in Freya’s room.

Alisha was confused. Hence, despite the wound, she went to the hotel secretly. When she saw the ring on the bed, she picked it up. Much to her surprise, several men rushed in and asked if she had saved Kieran Fitzgerald.

Alisha was pretty clever, so she guessed that it was Kieran who slept with Freya. She nodded to admit without hesitation and took Freya’s credit.

To thank her for saving his life, Kieran treated her well. He fully supported her, from an infamous online celebrity to a famous award-winning actress.

Remy was an excellent man, but compared to Kieran, he was nothing. Alisha dumped Remy without hesitation and tried her best to hit on Kieran.

However, she had never expected Freya to come back. Evidently, this boy should be Kieran’s son.

She would never let Freya and the little bastard take away what she had owned now.

“Freya Stahler, let go of my mother. If anything happened to my mother, I’d never let go of you,” Alisa glared at Freya in hatred and said, stressing each syllable.

Jayla, standing aside, couldn’t stand it at all. She rolled her eyes at Alisha and said helplessly, “You should appreciate it. My mother is rescuing her. If she doesn’t help, your mother will die.”

Alisha's face turned livid when Jayla called her like that. Pointing at Jayla, she cursed, "How dare you talk to me like that!"

Jayla's eyes looked extremely innocent. "What do you want me to say then? You stupid woman!"

Alisha's face twisted in anger. "I dare you to repeat it!"

Looking at Alisha's livid face, Jayla was delighted secretly. Kiki Hartsell used to tell her a lot that Alisha used to bully her mommy. She had seen Alisha's photos before. Due to her excellent memory, she recognized Alisha at a single glimpse.

This evil woman constantly bullied her mommy, so Jayla deliberately annoyed her.

Jayla rubbed her nose, looking naive. She tugged Jaden's sleeve. "Jaden, this woman is so weird. Is there anything wrong with her brain?"

"Ehn." Jaden shook off Alisha's wrist in disdain. "She had too many skin boosters, so she became brainless."

Jaden's words amused Jayla, who burst into laughter. Her brother wasn't talkative, but he had an incredibly sharp tongue.

Sure enough, Alisha almost fainted in anger because of Jaden's words. Seeing Freya stand up, she grabbed Freya's arm and was about to hit her.

"Freya Stahler, did you deliberately make trouble to me? You are not welcome here. You'd better take the two bastards abroad. Or I won't let go of you."

Her word "bastards" was a pain in Freya's ears. She didn't mind how others bullied her, but she would never let others bully her babies.

Freya sneered in mockery, looking thrillingly beautiful. "I haven't seen you for several years, Alisha Stahler. I didn't expect you were still so rude."

"Rude? How dare you!" Alisha was always arrogant. No one had said that to her face. She raised her hand to hit Freya again.

Jaden hopped up and grabbed Alisha's wrist. "You must apologize to my mommy. By the way, my mommy has saved your mother. You should thank her, too."□□□□□□□□
