

U. CEO Daddy 1461

Chapter 1461

During the meal, Xu Xinyue was absent-minded. The elders were talking about something interesting. She just laughed, but didn't listen.

Lin Junqin, looking at her all the time, wanted to know what she was thinking.

"Xinyue, eat vegetables." He greets and pours drinks for her. Xu Xinyue smiles and prepares to drink.

At this time, Leng Buding heard Mrs. Lin's smile and said, "look, what a perfect match! "

" cough... " The drink she had just drunk directly choked Xu Xinyue. She coughed a few times.

Lin Junqin quickly stretched out his hand for her to follow the gas, funny way, "how do you drink drinks also choke ah!" After that, pass the paper to her.

Xu Xinyue's face choked red, the opposite four pairs of eyes looked at the same, all worried, she quickly waved her hand, said with a smile, "it's OK, it's too urgent to drink."

"Junqin! Take good care of Xinyue! " Mrs. Lin said to her son.

"Leave it to me!" Lin Junqin is naturally very happy to take the job. He reaches out his hand and continues to pat Xu Xinyue on the back, looking at her with concern in his eyes.

Xu Xinyue raised her head and looked at her parents and elders of the Lin family with a kind of satisfied look, which made her heart anxious. Is this dinner not an ordinary dinner tonight? It's a blind date meal?

Xu Xinyue is going to faint, but she is totally unprepared! And she was just friends with Lin Junqin.

"Dad, mom, I'll go to the bathroom." With that, Xu Xinyue gets up and goes out directly. She needs to get some air and have a good mood. Especially when she meets Gu Chengxiao here today, it makes her whole heart a little confused.

While she was looking for the bathroom, she was thinking about how to explain this to the elders of the two families tonight. Unexpectedly, she didn't want them to misunderstand that she was willing to go on a blind date!

If we don't make it clear, wouldn't both families be embarrassed? As soon as Xu Xinyue went to the toilet, she saw a sign hanging there, saying that the toilet on the fifth floor was under repair. Please go to the toilet on the fourth floor.

Xu Xinyue also happened to be a little impatient. She went down the fourth floor from the next stairs. She was about to turn into another corridor when she ran into a person from the corner. She didn't see clearly, so she bowed her head and apologized directly, "I'm sorry, I'm sorry."

With that, she wanted to go to the bathroom over the man, but there was a cold voice on her head, "I don't accept an apology."

The sound, the sound line

Xu Xinyue suddenly raised her head, my God! So coincidentally, she ran into Gu Chengxiao.

Xu Xinyue is also speechless. How can he always meet him in such a big restaurant? Seeing that he said he would not accept an apology, she blinked and asked curiously, "Mr. Gu, where did you hurt?"

Gu Chengxiao looked at her with his arm around, "yes, take me to the hospital!"

Xu Xinyue can't help laughing and crying. Is it so serious? She took it seriously for a few minutes and said, "Mr. Gu, will you stop? I didn't hit hard just now! "

Gu Chengxiao asked directly, "are you here for a blind date today? And the man last night? "

Xu Xinyue was stunned. Unexpectedly, he guessed right. She blushed, "no Not at all! It's not a blind date. Besides, I'm just friends with him. What about you? Are you here for a date? "

Gu Chengxiao said, "of course, what? Do you have a problem? "

Xu Xinyue couldn't help biting her lip and immediately reorganized her language and said, "Oh! Of course, I don't mind. Let me tell you the truth! Yes, I'm here for a blind date. "

Gu Chengxiao's face slightly sank, "what do you think of him? When I'm engaged, I'll prepare the red envelope. "

Xu Xinyue did not have a good way, "do not need you to participate."

"How can that be? With the relationship between our two families, I have to prepare a big red envelope, so as not to appear stingy. " Gu Chengxiao said with a sneer, "does your fiance know we were together last night? Do you know what happened to us in the car? "

Xu Xinyue's face flushed to the root of her ears. She rushed over to cover his mouth with a warning, "you Will you shut up? "

Originally, she calculated that he would dodge, but she just covered it, but she didn't know that the man didn't hide, so her palm was so close to his sexy thin lips, and the warm touch made her hot, so she quickly pulled back, "right I'm sorry

Gu Chengxiao bit thin lip, suddenly put out his hand to clasp her wrist, pushed aside next to a nobody's debris room, pulled her in.

Xu Xinyue is going crazy. What does this man want to do? Isn't he on a date? How could he?

Xu Xinyue's back against the wall, hit her has not come back to God, suddenly Chin a big hand of overbearing buckle, warm thin lips directly down.

"Well..." Xu Xinyue is staring at the beautiful eyes, can't believe this man's behavior, he He's kissing her here?

Gu Chengxiao's kiss is a bit rude, as if he didn't consider her feelings, but also with a trace of anger.

Xu Xinyue only felt that her red lips were swollen. She subconsciously reached out to push him, but she couldn't push him away. Finally, she had to bite him. Gu Chengxiao gasped to let go of her. His sharp eyes locked her tightly. Looking at her lips as red as lipstick, he had a smile of achievement. "Xu Xinyue, aren't you engaged? Why did you cater to me just now?" The man asked with a low smile.

"You I'm not." Xu Xinyue wants to faint. This man is so overbearing that she can't resist. How can she cater to him?

"I know best if you have." Gu Chengxiao said that if there is, there will be.

"You You bastard, let me go. I'm going out." Xu Xinyue reached out to push him away and said angrily, "aren't you dating?"

"Yes, my date is still waiting for me. Do you want to see it?" Gu Chengxiao asked with a smile.

"I don't want it." With that, Xu Xinyue pushes him away. She runs to the women's bathroom and hides in a cubicle.

Too much, too much, does this man know how to respect people?

Xu Xinyue went to the bathroom, came to the mirror and looked at her slightly red lips. She reached out and stroked them. Damn, why did this man kiss her? Does he think it's fun?

When she comes out of the bathroom, Xu Xinyue wants to go back to the box on the fifth floor from the stairs. She can hear the sound coming from the direction of the hall. She can't help but feel a little curious. She wants to see what the woman she is dating with Gu Chengxiao looks like.

She sneaked into a pillar of the hall and looked up in the hall. Suddenly, she saw Gu Chengxiao's figure by the window. When she looked at the woman sitting opposite him, it was clear that she was a young man who was as handsome and elegant as him.

And their position is two people, so Gu Chengxiao is cheating her. He is eating with a male friend, but he is cheating her on a date.

Xu Xinyue bit his lip and turned around. I don't know why, he was forgiven for his rudeness.

Chapter 1462

When Xu Xinyue returned to the box, her face was still a little hot. She didn't want to face her parents and the Lin family. She lowered her head and drank water.

"Xinyue, didn't you find the bathroom? Why have you been so long? " Lin Junqin asked curiously.

As soon as Xu Xinyue's face became hot, she replied, "the toilet on this floor is under repair. I went to the next floor."

Xu Xinyue can't wait for her parents to finish their meal. The two families decide to get up and leave. The elders have a good chat, while the younger ones already know each other's thoughts in their words.

The younger generation is going to fight for it. They are very satisfied.

Out of the hall on the first floor, when Xu Xinyue was in a daze, Mrs. Pei said in a voice, "Xinyue, it's still early. Do you want Junqin to take you out for a stroll?"

"Well I am Xu Xinyue didn't know whether to refuse or to agree.

But Lin Junqin had already seized the opportunity and said, "aunt, please give me your happiness! I've got a place in the afternoon where I want to take her to play and make sure I get her back on time before nine o'clock in the evening. "

Before Xu Xinyue said anything, her father Pei Hua agreed, "OK, take Xinyue and have a good time. You take care of her, and we can rest assured."

"Then we'll leave first, Junqin, to accompany Xinyue." Mrs. Lin also hinted that her son would come on.

When the elders on both sides left, Lin Junqin said with a smile, "didn't I mean to take you to play? In a moment, we'll go for a stroll, and then we'll set out. Let's relax tonight. "

Xu Xinyue couldn't refuse. She nodded, "OK, thank you."

Just as he said that, he saw the direction of the elevator, and someone stepped out. There were two very slender figures, one was Gu Chengxiao, the other was Mo Zeyang. Gu Chengxiao saw a man and a woman who were still talking in the hall at a glance, and his handsome face sank directly.

At this time, Lin Junqin is calling his friend, "Hello, Xiao Nan, leave me two good seats. I'll bring a friend here tonight."

Gu Chengxiao's ears are very smart, so he hears Lin Junqin's phone call directly. Thinking that he said he would take her to the phone just now, it seems that they are dating all day.

Xu Xinyue turns to see the man coming. Her eyes flicker. She turns her head and turns her back, pretending not to see Gu Chengxiao.

"Mr. Gu, what a coincidence! Again Lin Junqin lost no time to say hello.

Gu Chengxiao nodded his head. Yu Guang swept the woman who pretended not to know him and left with Mo Zeyang.

Xu Xinyue turned to look at the man's back, thinking that he had just been forced to kiss in the sundry room, he was still a little annoyed.

"Xinyue, let's go! I've got a place. I can have a good night. " Lin Junqin smiles at her.

Xu Xinyue nodded and followed him to the direction of the car, which happened to be next to Gu Chengxiao's car. At this moment, a car rushed over, but Xu Xinyue didn't find out. Lin Junqin was startled. He said it was late and fast. He took Xu Xinyue's waist and brought it into his arms.

Xu Xinyue was taken, the whole person rushed into Lin Junqin's arms, hiding from the speeding car.

And this scene happened to fall in the eyes of the man on the opposite sports car. Gu Chengxiao's eyes were fixed on the girl who was tightly held by other men, holding the hand of the steering wheel, and he couldn't help tightening it.

This woman will really give other men opportunities, she can't wait to want men?

On the one hand, she is ambiguous with him, but on the other hand, she enjoys the attentive care of other men. She is really busy.

Gu Chengxiao suddenly pushed the door open, stood in front of the door, looking at Xu Xinyue who was about to get on the next car, "Miss Pei, do you have time in the afternoon?"

Xu Xinyue was stunned and said politely and distantly, "what's the matter with Mr. Gu?"

"When I took you home last night, you left something in my car. I want to give it back to you." The man very naturally opens a way, say the thing that is out of thin air.

Xu Xinyue's eyes are slightly open. What's the matter? Not at all!

"I..."

"Something very important." Gu Chengxiao continued that he had a way to prevent this woman from getting on Lin Junqin's car.

Xu Xinyue now understand, this man is playing with her, she narrowed her eyes, also follow the acting way, "is it? I don't remember. Next time I have time to pick it up! "

"I'm on a business trip. You'd better pick it up with me now." Gu Chengxiao's eyes are tough.

Lin Junqin was a little worried. He didn't want to lose his date tonight. He laughed, "Mr. Gu, if it's not very important, it's OK to take it out later."

Gu Chengxiao face light way, "Miss Pei want to forget, I don't mind to help you recall."

Finish saying, the man looks like licking the corner of the mouth at will.

Lin Junqin can't understand it, but Xu Xinyue can understand it in a second. That is to say, if she doesn't get in his car, he will tell the story of last night and just being forced to kiss by him. Can this man not do this?"Well, I'll get it with you." Xu Xinyue had to promise. She comforted Lin Junqin, "don't worry, I'll accompany you at night. I'll get something and contact you again."

With that, Xu Xinyue pulls Gu Chengxiao's sports car open and sits in. As Gu Chengxiao gets on the bus, the corner of his mouth hooks. The windy sports car starts immediately and drives out of the parking lot.

Leave Lin Junqin in the same place, a face muddled circle, his date like, how easy to be Gu Chengxiao to take away?

In the car.

Xu Xinyue wanted to speak several times, but she was still silent. She didn't know what the man was going to do.

"Did the blind date succeed?" Gu Chengxiao turned to look at her.

"Are you having fun like this?" Xu Xinyue asked.

"Fun The man raised the corner of his mouth to answer.

"It's not fun at all." Xu Xinyue doesn't open her face.

"What? Are you angry about interrupting your date? " Gu Chengxiao asked.

"If you know I'm on a date, do you want to disturb me?" Xu Xinyue gave him a look of chagrin.

"And I'll disturb you?" The man looks ahead with a rogue temperament.

"You Gu Chengxiao, I admit that we have gone too far, but I hope these things will not happen again in the future. " Xu Xinyue said seriously that she didn't want to play this kind of ambiguity, because there would be no result and it was very dangerous.

"What? Miss Pei began to pay attention to fame? " Gu Chengxiao sneered.

Xu Xinyue really doesn't want to disgrace her parents. They are all people with fame and status.

"Drop me off in front." Xu Xinyue ordered.

"Xiao Mu wants to see you." The man suddenly opened his mouth in a low voice.

Chapter 1463

Xu Xinyue was stunned, "really?" This man said that the panic has become a routine, she some do not believe him.

Gu Chengxiao saw her suspicious expression, he was a little angry, "how? Do you begin to question every word I say? Or are you worried that you'll miss your call tonight? "

Xu Xinyue was stunned, not because of this, but she didn't want to be cheated.

"If I see Xiao Mu, I want to buy him a present." Xu Xinyue believed him, and, inexplicably, she couldn't refuse anything about the little guy.

Gu Chengxiao nodded. The car drove into the shopping mall next to him. Two people got off the car, entered the shopping mall and came to the children's toy area.

"Sir, miss, do you want to buy presents for the children? Is your child a boy or a girl The waiter asked very warmly.

Xu Xinyue can't help but look embarrassed. She hasn't opened her mouth to explain. The man around her has said, "boy."

"All the boys' toys are here." The waiter pointed to the cabinet on the other side.

Xu Xinyue went to pick, she fell in love with a Lego, she pointed to the way, "give me that!"

"How old is your child? It's played by children over the age of 12. " The waiter asked thoughtfully.

"It's not our child. It's this gentleman's child. The child is five years old, but he can play with it." Xu Xinyue found the opportunity, or explain.

The waiter immediately laughed awkwardly, "Oh! I'm sorry! "

The waiter took the toy down, and Xu Xinyue turned to look at the man behind him, "it's OK to send this!"

"Even if you buy it, you decide!" The man inexplicably some displeasure.

"That's it!" Xu Xinyue smiles at the waiter.

Gu Chengxiao is waiting for her at the door. Xu Xinyue is paying. The waiter asks, "Miss, your husband is so handsome! He's a second marriage, isn't he

Xu Xinyue, "... " What's the misunderstanding? Think she's buying presents for her stepson?

Xu Xinyue is too lazy to explain. He and Gu Chengxiao come out to buy gifts for children. It's strange that they won't be misunderstood.

Xu Xinyue came out with a gift. Gu Chengxiao said to her, "go and buy some clothes for my son."

Xu Xinyue naturally has no opinions. It happens that this one is a children's brand store. When Xu Xinyue walks into a store, she thinks about Xiaomu's height. She chooses little ones to wear, and she is very careful about the styles and fabrics.

Gu Chengxiao saw the person who had never bought clothes. He stood in the shop, like a handsome door god, waiting for her to choose.

Passing women, can't help looking back at him, the height of the gas field, it is a superstar in general.

Xu Xinyue is choosing a few sets of clothes, the waitress can't help but cover her mouth and envy, "Miss, your husband is so handsome!"

"Yes, yes, I just wanted to say it. It's so temperamental." Another waitress said excitedly.

Xu Xinyue's face turned red. She wanted to say that you misunderstood, but it was hard to explain. Anyway, she didn't know anyone. She said with a smile, "help me pack these things."

Xu Xinyue, who came out with his clothes, said to Gu Chengxiao, "let's go! I'll take it. "

Gu Chengxiao reached out to take the things in her hand, turned to look at the way the waiters meet and cross their ears, and said, "what are they talking about?"

"No I didn't say anything Xu Xinyue's face turned red and left quickly.

However, just a few steps, behind the man hook lip smile, "they think I'm your husband!"

Xu Xinyue's back is stiff, but she doesn't want to answer. At this time, when she enters the elevator, Xu Xinyue goes to the corner. On the next floor, suddenly a group of people at the door bump in. Two young men want to lean on her side. Xu Xinyue is nothing, but there must be a lot of people in the elevator.

However, with an overbearing arm, Xu Xinyue is directly protected by Gu Chengxiao, avoiding the contact between the two men.

Xu Xinyue's heart is pounding. When she looks up, it's the perfect mandibular line of a man. Between her nose, it's the mint fragrance of a man. Her head is dizzy.

Finally, to the underground parking lot, people scattered, Xu Xinyue struggled, Gu Chengxiao but holding her hand, toward the parking position.

Meanwhile, Xu Xinyue tried to break away from the man's hand, but to no avail.

On the car, Xu Xinyue's breathing is still a little short, this feeling makes her feel a little uncomfortable.

Gu Chengxiao's car drove out of the parking lot and headed for his home. Xu Xinyue's heart was filled with bitterness.

She can be with anyone, but not with him.

"Clothes and toys, give them to Xiao Mu! I won't go to your house. " Xu Xinyue said suddenly.

The man at the foot of the brake a meal, he turned to look at her, "why?"

"No reason, just not going." Xu Xinyue bit his lip.

The man's car did not stop, but continued to drive forward. Xu Xinyue looked at him angrily and said, "Gu Chengxiao, do you hear me? I'll let you stop. "

"I won't let you out of the car without saying why." Gu Chengxiao looks ahead and ignores her. Xu Xinyue's chest smothered, she lost her voice and said, "what are you and I? Xu An'an is Xiaomu and her mother. You should go to her instead of playing with me. If you need a woman, with your financial resources, you can find anyone you want. I won't be your toy. "

The man's car suddenly a sudden brake, turned into the next pavement, Xu Xinyue scared to cry a low, this man play what driving skills.

The car stopped, the man's eyes complex stare over, cold hum a way, "is you start to provoke me."

"I don't have it!"

"At the beginning, you approached Xiaomu, came to me, seduced me, but said you were not interested in playing." Gu Chengxiao has some roads of fire.

Xu Xinyue really wants to cry. When did she seduce him? When did she say she was going to play with him?

"I'm not." Xu Xinyue denied making a sound.

"Now, I'm only interested in you. What do you say? You want to dump me? "Gu Chengxiao a face scum male facial expression, some ruthless way," can jilt me not so easy. "

Xu Xinyue, ".

What man did she provoke?

Chapter 1464

"In a word, I don't want to have sex with you." Xu Xinyue very clear voice, she reached out to push open the door, bag out of the car.

Gu Chengxiao also pushed the door to get out of the car, shaking the door. He put one hand in his waist and looked at the woman walking forward. He had a kind of inexplicable anxiety.

At the moment, he can't do what he wants to do.

And Xu Xinyue's heart is also bitter. In addition to doing so, how can she do it? Keep playing with him? Kiss him like a couple, but they have nothing to do with each other.

Even his son is Xu An'an's, which can't be changed. No matter how much she likes that child, it's useless.

"Xu Xinyue, do you like Lin Junqin?" A man's questioning voice suddenly came from behind.

Xu Xinyue's steps, she took a deep breath, if she said yes, would he stop pestering?

She turned around, tossed the bottom and replied in a voice, "yes, I like him, my parents also like him, I decided to try to get along with him."

Gu Chengxiao's breathing was suffocating, and his restlessness almost broke through his chest, which made him lose control of some emotions.

She's really going out with other men.

"Xiaomu needs you." Gu Chengxiao voice line hoarse, some flustered said.

Xu Xinyue's beautiful eyes were slightly stunned. She turned and looked at the man beside the car. There was a kind of incomprehensible emotion in his eyes, like panic.

"What Xiaomu needs is a real mother. You should find Xu An'an." Xu Xinyue made suggestions to him.

"But Xiaomu likes you. He wants to accompany you. He doesn't like Xu An'an or any woman." Gu Chengxiao said in a deep voice.

Xu Xinyue was stunned. The wind disturbed her long hair, which made her small face a little surprised and helpless.

"Sorry, please explain to Xiao Mu. I can't accompany him any more." Xu Xinyue is repressing her heart. She must keep a distance from this man.

Because she's afraid that if it goes on like this, they will all make mistakes one day.

Gu Chengxiao saw that his son couldn't keep her. He gritted his teeth, "what about me? Xu Xinyue, to tell you the truth, have you ever liked me? "

Xu Xinyue suddenly raised her head. Her beautiful eyes flashed. She was frightened. She didn't dare to look at the aggressive man.

"Do you want to hear my truth?" Gu Chengxiao continued to ask.

"No I don't want to Xu Xinyue doesn't want to face this problem at all. She doesn't want to answer it or listen to him. She wants to escape from her heart.

But the man wants to make it clear, and let her face it.

"Xu Xinyue, I like you." Gu Chengxiao's voice with the wind, blowing to her ears, serious and affectionate.

But Xu Xinyue was more flustered. She even wanted to run away. She stammered, "you What do you like about me? "

"Yes! What do I like about you? But I just like you. I can't avoid my inner thoughts. I'm not like you coward. I like you, but I want to escape your inner thoughts. " Gu Chengxiao scolded.

Xu Xinyue can't help but blush with a pretty face. She doesn't have a good way, "I'm not a coward."

"Isn't it? When I kiss you, I don't believe you don't feel anything. " Gu Chengxiao said.

Xu Xinyue's face turned red. Fortunately, there was no one around. It was a lonely road. Otherwise, if someone heard her, she would have to dig a hole in the ground.

"I didn't allow you to kiss me at all." Xu Xinyue retorted.

"But you didn't refuse..."

Xu Xinyue, "... There's no way to disprove that.

"The mouth does not admit it, but the body is honest." Gu Chengxiao hummed coldly.

Xu Xinyue was really a little angry. However, the man chose to discuss this matter at this time. She couldn't help but walk closer to him. She decided to chat!

"All right! I admit I do have a little heart for you, but so what? I can be attracted to you. Can't I be attracted to other men? " Xu Xinyue retorted.

Some man looks at her chokingly.

"So you admit that you like me?" Gu Chengxiao asked.

"Yes, but not to the extent that you don't want to marry. I like Xiaomu very much, but I can't hurt others. Although I hate Xu An'an, I don't want to hurt her." Xu Xinyue didn't know why. With these words, she felt lost.

Gu Chengxiao looked at her like this, he knew that forced her inner thoughts, but her kindness, is engraved in her bones, so, this woman will not hurt anyone.

At this time, he hoped that she would be more ruthless, selfish and not think about others.

"It's not that you don't like me. You just dare not like me because you care about Xu An'an and your parents' reputation, right?" Gu Chengxiao's eyes stare at her deeply.

Xu Xinyue didn't open her face. Her courage today is commendable. She bit her lip and said, "if you know my situation, don't embarrass me. Don't get close to me any more. Let's stop here!" With that, Xu Xinyue turns around and really plans to leave. Even if the road is long and lonely, she would rather go alone.

Gu Chengxiao's breath is suffocating. I don't know why. If he doesn't hold her now, he will miss her in his life.

His slender legs stepped out, his big palm quickly clasped the woman who wanted to leave, stretched out a hand, Xu Xinyue's beautiful eyes slightly gaped, the whole person was pulled into the man's arms by a force, her waist, was mercilessly held.

Her forehead bumped into the man's strong and hard chest, which made her head a little dizzy, but the familiar and pleasant smell of masculinity hit her, and her heart was bitter, joyful and contradictory.

"Let me go..." Xu Xinyue pushes him.

"No!" A man's overbearing whisper.

"Gu Chengxiao..."

"Can't you be brave? You don't want to hurt anyone, you just want to hurt me?" Gu Chengxiao gritted his teeth.

Chapter 1465

Finally, Xu Xinyue was reluctant to get on Gu Chengxiao's car. Then, he accompanied him home and gave the gift to the little guy. The little guy received the gift and met Xu Xinyue again. He was very happy.

"Sister Xinyue, if you come, don't leave. Stay with me tonight!" The little guy held her leg, looked at her pleadingly, big eyes watery, like a little wretch no one wanted.

Xu Xinyue saw in the eyes, but also soft in the heart, she was going to leave after the gift, and in her heart, she also decided not to have anything to do with Gu Chengxiao, but she just couldn't bear this little guy.

"Sister, if you don't stay with me, I will be very sad." The little guy blinked again, some tears flashing.

Xu Xinyue had to be soft hearted and compromise, "OK, I'll stay for dinner."

"Can you stay and wait until I'm asleep?" The little fellow pleaded again.

Even though they all agreed to stay for dinner, Xu Xinyue naturally agreed to accompany him to sleep and then go, "OK, I promise you."

"Yes! Sister Xinyue is so nice. " The little guy laughed happily and wiped his tears with a lovely look.

Xu Xinyue squatted down and wiped his tears. "Xiaomu, even if sister Xinyue can't accompany you, you also have your father to accompany you. You should learn to be strong. You are a man."

"Well! I will Little guy nodded, promised to be strong.

The little guy is going to tell his father the good news, but he doesn't want to turn his head and see a slender figure leaning on the doorframe. It seems that someone has heard it.

Moreover, the corners of his mouth raised slightly. Obviously, he was as happy as his son.

If so, will she cancel her electric syllables tonight?

Let's play with the new toys! He also knows how to give daddy and Xu Xinyue private time to get along with each other.

"You promised Xiaomu to do it. Don't go back on it." Gu Chengxiao walked in with his arm around.

"Of course I mean what I say." Xu Xinyue returned to him.

"Do you want to cancel your date with Lin Junqin?" Gu Chengxiao reminds her.

"I'll explain it to him." Xu Xinyue said, picked up her mobile phone and walked to the balcony, while the man behind her could not help but follow her, as if to listen to her explanation.

Xu Xinyue dials Lin Junqin's number, and the end answers quickly, and Lin Junqin's joyful voice comes, "Xinyue, where are you? I'll come and pick you up

"Mr. Lin, I'm sorry. I have something to do in the evening. I may not be able to join you." Xu Xinyue said very sorry.

"What's the matter? Do you have anything important to do?" Lin Junqin at that end was obviously lost.

"Yes, it's very important. I'm sorry. I'll treat you to dinner next time."

Lin Junqin could not force her, so he said with a smile, "OK, I'll wait for you to ask me to have dinner tomorrow or the day after tomorrow? I have time. "

Lin Junqin is smart. He wants to set the time, but if he doesn't set the time, maybe the date will be far away.

"Tomorrow night! I'll treat you to dinner. " Xu Xinyue replied with a smile.

"Well, I'll see you tomorrow night." Lin Junqin happily hung up.

Xu Xinyue was slightly relieved. As soon as she turned her head, she saw the man eavesdropping behind her. Gu Chengxiao's face was obviously not very cool. She hummed to her coldly, "I'm very enthusiastic about the other men."

"Mr. Gu, it seems that you and I are just friends." Xu Xinyue reminded him of her personal life. What would he evaluate?

Gu Chengxiao couldn't help choking. She was right. They were ordinary friends, and they were ordinary friends who had been kissing for several times.

"I'll stay for dinner. Can you make my plans?" Xu Xinyue asked him.

"The servant won't come. We have to do it ourselves. Can Miss Xu cook?" Gu Chengxiao asked her.

Xu Xinyue nodded, "I can cook, but maybe I'm not good at cooking, as long as you and Xiaomu don't dislike it."

"Don't give up." Gu Chengxiao light way, "as long as you do, my son and I will eat."

Xu Xinyue blinked and couldn't help laughing, "then you and Xiao Mu don't expect too much of my cooking."

Gu Chengxiao is looking forward to it, because only in this way can this woman participate in his and his son's life.

After Xu Xinyue goes downstairs, Gu Chengxiao contacts the housekeeping and asks them not to come here tonight. The whole villa belongs to the three of them tonight, just like a family of three.

Xu Xinyue came to the refrigerator in the kitchen. She saw that there were good ingredients, which were very fresh. She took out some of them. As soon as she looked back in the door frame behind her, she leaned against a lazy and sexy figure. She asked curiously, "are you going to watch me cook, or do you want to help?"

Young master Gu, who was well-dressed and well fed since he was a child, didn't touch Yang Chunshui with his fingers. But tonight, he surprisingly replied, "OK, I'll help you." Xu Xinyue saw that he really came, pointed to the onion and said, "can you slice it?"

Of course Gu Chengxiao would. He picked up an onion she had washed and cut it with a knife. Xu Xinyue couldn't help laughing. He didn't mean to punish him, but wanted to see his jokes, because this man is really hateful sometimes.

Gu cut for a while, he blinked his eyes, and then, he felt a stream of tears coming out of his eyes, he couldn't help but pick up the back of his hand to wipe, this wipe is really amazing, because the spicy meaning is stronger, Gu closed his eyes immediately, as if to react.

"Xu Xinyue, you take care of me."

But Xu Xinyue couldn't help laughing. She covered her mouth and laughed, "I'm so sorry."

"You still smile. Come and help me. I can't open my eyes." Gu Chengxiao has no good airway.

Xu Xinyue didn't dare to smile, because he couldn't open his eyes according to the situation. She said, "wait for me, I'll bring a towel."

Soon, Xu Xinyue came over with a towel. She wiped the wet towel to his eyes. Gu Chengxiao opened his eyes and saw some red. Xu Xinyue found that it was too much to punish him.

"I'm sorry!" Xu Xinyue apologized.

At this time, her waist to take an arm, and her whole person close to the man's chest, the next second, her back of the head buckle to a big palm, the man's punitive kiss so unreasonable pressure down.

"Well..." Xu Xinyue's head is blank for a few seconds. On her lips is a man's kiss of punishment, which instantly takes away her breath. The man's Scarlet eyes are like an angry Beast.

The kiss made both of them gasp. Xu Xinyue's face suddenly turned red. They were in the kitchen. If the little guy suddenly appeared, they would all see it.

"Gu Chengxiao, you are a hooligan." Xu Xinyue whispered.

Gu Chengxiao squinted and asked, "what do you want onion for?"

"Scrambled eggs with onions." Xu Xinyue answered.

"Stay away. I'll cut it out." The man said, continue to cut.

And Xu Xinyue looked at him with spicy eyes, serious cut, her heart surged to remorse.

"Forget it, don't cut it." She advised.

Gu Chengxiao thinks, anyway want to cut, rather than let her hot eyes, better let him come! “

Chapter 1466

A meal is finally done, very homely four dishes and one soup, Xu Xinyue's cooking is also quite good.

Gu Chengxiao calls his son to have a meal with three people. Xu Xinyue serves the meal for the little guy and brings him vegetables. The little guy is happy to eat. Even he who doesn't like green vegetables is not picky today.

"Sister Xinyue, you cook delicious food. If only you could eat it till you cook." The little guy lost no time to say.

Gu Chengxiao also raised his eyes and looked at her deeply. Xu Xinyue said with a smile, "my cooking skill is just ordinary. Your father can invite top chef to cook for you!"

"But I just want to eat what you cook, sister Xinyue. No matter how delicious others cook, they don't taste as good as you." After all, there is only one meaning I want to express. I want to eat what she cooked.

Xu Xinyue chuckled, "I'll cook it for you when I have a chance."

"Good."

Gu Chengxiao knows that this woman is just coaxing her son to be happy. She will never come back because she wants to stay away from their father and son.

After dinner, the little guy is making a fuss about going out to play and to play in the playground. Although it's about seven o'clock in the evening, Xu Xinyue looks at Gu Chengxiao. As long as he agrees, she is willing to accompany Xiao Mu.

"Let's go!" Gu Chengxiao agreed. He drove out a domineering SUV. The little guy and Xu Xinyue sat in the back. They went straight to a large amusement park in the center of the city. They bought tickets to enter. The neon lights flashed at the amusement park at night, which made the atmosphere very pleasant.

The little guy is holding his father in one hand and Xu Xinyue in the other. The three people are holding hands, which looks like a family.

"Daddy, I want ice cream." The little guy saw an ice cream cart and looked at him expectantly.

"Sister Xinyue?"

"Good! I'll eat with you." Xu Xinyue smiles. She is ready to pay. Then she asks the man next to her, "does Mr. Gu want it?"

In her cognition, the man could not like to eat, but for the first time, she heard the man say, "yes."

So three ice cream cones are handed over to her, and she gives them to her father and son. While eating, Xu Xinyue looks at the men around her, which makes her feel funny.

"Daddy, I'm going to take the Trojan horse." After eating ice cream, the little guy runs to play. Xu Xinyue accompanies the little guy. After half an hour, he plays a lot of projects. The little guy giggles happily. It's really a day of opinions and happiness for him.

Gu Chengxiao's eyes, looking at the picture of his son and Xu Xinyue together, he knows that even Xu An'an, the biological mother, can't give her son such happiness, only this woman can.

So, for the sake of his son, does he want to chase this woman to his hand regardless of everything? Promise is, must chase, not only for the son, but also for himself.

He didn't want this woman to belong to others, he just wanted her to belong to himself.

Came to the gift room, the little guy picked his favorite robot toys, at the same time, also picked a pair of key chain, lovers.

After paying, the little guy turned around and took two key rings, one for daddy and the other for Xu Xinyue, "this is for you."

Xu Xinyue a look, this is a couple of money, she is a little embarrassed way, "or small shepherd from play it!"

"No, sister Xinyue, this is you and my father alone. When you see this, you will miss each other!" The little guy said with a smile.

Gu Chengxiao generous took over, and Xu Xinyue did not brush the little guy's mind also took over, she looked up, cold not Ding ran into a pair of affectionate eyes, she turned away in a panic.

It's 9:30 before I know it. Three people walk into the parking lot. Xu Xinyue says to Gu Chengxiao, "you'll be on the side of the road for a while, and I'll take a taxi home."

"I'll see you off." Gu Chengxiao didn't want to.

"No, don't send me, you want to send Xiaomu."

"Now I'll send Xiaomu back to his grandmother's house and see you off."

"Eh?" Xu Xinyue was stunned.

Gu Chengxiao drives directly to his mother's house. At the moment, Xu Xinyue finds that the little guy has fallen asleep. He is wearing a seat belt and has no place to lean on his head. She quickly sits next to him, holds him in her arms, and looks down at the little guy's beautiful eyebrows. She is full of warmth.

At the gate to Gu's house, Gu Chengxiao didn't drive in. Instead, he took the little guy in. Xu Xinyue didn't show up at Gu's house either. She was waiting for him in the car.

At the moment, her heart is also a little confused. Xiaomu is Xu An'an's child, and it's not good for her to be so close to Gu Chengxiao's father and son.

The tall and slender figure of the man came against the light and shadow. The closer he came, the more dazzling his face was. Gu Chengxiao absolutely had such capital.

Xu Xinyue looked at his figure through the glass window for a moment. She was stunned. When he arrived at the door, she turned her head in a panic.

"It's late. Take me home!" Xu Xinyue said. "Get in the co pilot's seat." Gu Chengxiao asked.

Xu Xinyue had to change to the co driver's seat. Gu Chengxiao started the car and drove to a highway. Xu Xinyue was not familiar with this area and didn't know if he was driving in the wrong direction. However, when she suddenly found out that his car was driving in the direction of a highway, she directly stayed.

"Gu Chengxiao, this is not the way back to my home. Where are you taking me?"

"Go for a ride." Gu Chengxiao said.

"I didn't want to go for a ride! It's so late, it's almost ten o'clock. You're crazy! " Xu Xinyue couldn't help staring at him.

Gu Chengxiao didn't speak, but he was very focused on driving forward. After a while, he said, "you call home and say you won't go home tonight."

"No, I can't make my parents think I'm staying out for the night." Xu Xinyue bit her lip.

"Why?"

"Because they know that I'm with Lin Junqin. If I say I won't go home, they will suspect that we've gone to open a house." Xu Xinyue said directly.

Gu Chengxiao speechless for a few seconds, "you just find an excuse."

"Where on earth are you taking me?"

"To see the sunrise at sea."

Xu Xinyue feel this man is really crazy! Why take her to see the sunrise at sea? She didn't agree!

But the car has been driven on the highway, she has no way, it seems, can only accompany him crazy, but when the distant sea view, the spectacular sea, and the huge moon connected into a line, Xu Xinyue's mood, there is a special ease.

It's always a regular time to go to bed. How can you be so crazy?

And tonight, this man let her see, when she sleep like a pig, the night is so beautiful.

Xu Xinyue picked up her mobile phone and dialed her mother's number. "Hello, mom, I live outside with my friends. You don't have to worry about me. "

" which friend! Is that Junqin? "

"Eh? It's not It's not him. It's a female friend of mine. We have an appointment to see the sunrise

"All right! Be safe

"Yes, I will." Xu Xinyue finished, hung up the phone, this has a kind of self-confidence feeling, and Gu Chengxiao's mouth also raised, at the moment, he also feels happy.

Chapter 1467

The highway in the Bay seems to have no end under the night. The starlight is chasing behind. The whole open road is just the light music in the car, melodious and charming.

Every note is telling affection, which makes people look at it, as if they want to talk about a vigorous and endless love.

In Xu Xinyue's heart, she was aroused by the music. It felt as if she had the courage to go to the abyss or death. Her eyes couldn't help looking at the men around her.

Under the dark blue atmosphere lamp, the man's facial features are three-dimensional and deep, and the eyes focusing on the front are as black as ink, imitating the Buddha's night.

His eyelashes are very thick, cast under his eyelids, forming a small fan, hiding all his thoughts.

"Do I look good?" Gu Chengxiao suddenly turns his head, stares at her and asks.

Xu Xinyue's face was hot in the dark. Unexpectedly, he knew that she was peeping at him.

"Average! It's not that I haven't seen anything more handsome than you." Xu Xinyue said without conscience, OK! He is probably the most beautiful man she has ever seen. Of course, those who are more handsome are useless.

"Well! Is it hard to admit that I'm handsome? " Men seem to have confidence in their own appearance.

Xu Xinyue couldn't help laughing. She asked, "am I beautiful?"

Gu Chengxiao turned to stare at her, "I see more beautiful than you, but you are the only one that attracts me."

Xu Xinyue's smile was a little stiff. She swallowed her throat and said, "where is it in particular?"

"I can't tell. Among so many women, I just want to have sex with you." Man's tone, some malicious full of feeling.

Xu Xinyue gave him a white eye directly, "Gu Chengxiao, can you be more serious?"

Gu Chengxiao narrowed his eyes. The sentence just now was his sincere words. She wanted to tell her the most, but she thought he was not serious.

"Xu Xinyue, for other women, I want to be more serious and more serious. That's what distinguishes you from other women. I have a lot of improper ideas about you." Gu Chengxiao said it seriously.

Xu Xinyue choked directly and couldn't catch him for a moment.

"Gu Chengxiao, what about Xu An'an?" Xu Xinyue can't help but ask, don't know why, she wants to know this.

How to know, the man did not want to return a sentence, "extremely annoying."

Xu Xinyue blinked, "do you hate her so much? Why? "

"I don't know. Anyway, I hate her." Gu Chengxiao light way, "even if he is my son's own mother, I don't like."

Xu Xinyue's heart was bitter. He knew that she was the one who gave birth to Xiaomu, but she didn't want to tell the secret, because it was not a glorious thing.

"Hey, it's so late. Where shall we spend the night tonight?" Xu Xinyue asked curiously.

"You'll know when you get there." Gu Chengxiao plays a riddle and doesn't tell her.

Xu Xinyue also did not ask, thought, may be what seaside hotel ~! Anyway, they have promised to accompany him to watch the sunrise. What else to worry about?

On the contrary, it was so far away from the city center that her heart became more and more relaxed, as if she had left all her troubles behind and just wanted to be herself.

When the car drove down a concrete road and entered a muddy road by the sea, Xu Xinyue looked at the man in surprise, "is there a hotel in here?"

Gu Chengxiao still didn't tell her, "you'll know when you arrive. If you are sleepy, you can sleep first."

"I'm not sleepy!" With that, Xu Xinyue opened the skylight and looked up to see the stars all over the sky. This feeling made her return to the feeling of counting the stars in the sky when she was a child with her grandmother.

"How beautiful! I haven't seen such a beautiful sky for a long time Xu Xinyue sighed, as if even the Milky way were so clear.

"You can watch it all night tonight." Gu Chengxiao replied in a low voice.

After driving on this sand road for more than ten minutes, there was no way to walk. It was a big flat land. There was a cliff in front of it and a huge rock behind it. The car was parked on the flat ground in the middle and hid well in it.

Xu Xinyue looked left and right, and then, shocked, she exclaimed, "Gu Chengxiao, where's the hotel? Don't tell me, let's spend the night in the car

Gu Chengxiao began to laugh, especially hearty. He pushed the car down, "yes, I spent the night on the car."

"What? You You lied to me While she was angry, Xu Xinyue got out of the car and stood on the cliff, looking at the sea of stars in front of her. Her heart was directly shocked. In the natural world, she was so small, as if all the troubles were gone.

At this time, her hand was held by the man, Xu Xinyue subconsciously earned it, but Gu Chengxiao held it more tightly. He laughed, "what are you afraid of? No one here can see what we have done. There is no need to worry about it." Xu Xinyue doesn't earn any money. She looks up at the starry sky. The sea breeze blows towards her face, blowing the breath of freedom. She opens her hand slightly, and suddenly comes a strong arm around her waist behind her. The man's chin is so natural in her shoulder socket. His slightly hot cheek is close to her face, and Xu Xinyue's heart is pounding.

All her senses are in the man's every move, she slightly over the face, and the man's kiss, natural kiss.

"Don't do that." Xu Xinyue whispered a warning.

But her warning was blown away by the wind. To the man, it didn't work at all. He continued to kiss, which made Xu Xinyue feel soft.

"Gu Chengxiao That's enough. " Xu Xinyue's breath is short, is this man really reckless? She did not allow him to do so.

But the man does not care, he wants to do, because this is a thing he has long wanted to do, and she put aside all the secular, so calm together, he pulled her shoulder, looking at the stars, her eyes so clear, reflecting his face, his heart was really fascinated.

"Xu Xinyue, how much I like you, you idiot, you have no idea." Gu Chengxiao said, holding her face, directly kiss down.

Xu Xinyue wants to hide, but she can't hide. She closes her eyes and greets the man's kiss. Some tears are flashing in the corner of her eyes, but her arm, gently, tentatively, hugs his waist.

Gu Chengxiao, you are a fool, she scolded in her heart.

Gu Chengxiao's heart is ecstatic, he felt her cooperation, his kiss affectionate kiss down, as if to melt people.

The kiss didn't last long, and the man's breath was very heavy.

"Get in the car." Gu Chengxiao wants to take her to the car, Xu Xinyue's reason finally came back, her tears suddenly rolled down, she bit her lip, shaking her head, "no, I don't want to, Gu Chengxiao, so far."

"You want to see me suffer?" Gu Chengxiao's eyes are burning and pressing to stare at her.

"I'm sorry, that's the only way." Xu Xinyue suddenly held her face in her hands. She cried very sad.

Gu Chengxiao's heart finally softened. He put her in his arms and kissed her hair. "OK, I won't force you. Don't cry."

Xu Xinyue pours into his arms. She doesn't know why. Tears are like a water halter. She wants to stop crying so ugly, but she can't do it. Tears naturally flow out, as if to vent something.

"Fool, what are you crying for?" Gu Chengxiao's clothes are wet, warm tears also burn his heart, make his heart up.

"I don't know. I just want to cry." Xu Xinyue sniffed, like a child, "I can't control it! I don't want to cry, but I can't stop

Gu Chengxiao suddenly chuckled, "you can be so cute."

"Don't laugh." Xu Xinyue reached out and beat him.

"Well, it's beautiful not to laugh, but to cry." Gu Chengxiao finished, sighed, suddenly lowered his head, bit on her shoulder, "you can grind me, Xu Xinyue, I wrote down this account, later, double back to you."

Xu Xinyue's tears are even more joyful. In the future, there is no future!

Gu Chengxiao turned back to the car and knocked down the seat in the back seat, which was like a small bed, enough for them to rest tonight, and even a blanket.

When Xu Xinyue saw it, she immediately said, "did you want to bring me here in advance?"

"No, I promised to bring Xiaomu, but I didn't expect to bring you first." Gu Chengxiao said, handed her a bottle of water, "I promised to take him to see the sunrise, prepared these in advance."

Xu Xinyue drinks water, tears also unconsciously stopped, behind, the man embraces her, her body a shake, Gu Chengxiao no good airway, "tonight I promise you, don't touch you, don't be so nervous."

Xu Xinyue had to relax, let him hold, at the same time, she also naturally rely on his arms, thinking, tonight do yourself! I'll talk about it tomorrow.

"You like mine, don't you?" Gu Chengxiao looks down at her.

"I like Xiaomu, so I should also like you." Xu Xinyue doesn't want to admit it so thoroughly, otherwise, it will be over if she is chased by this man.

"The excuse is to like me and reply hard." Gu Chengxiao said confidently.

"Mr. Gu, overconfidence is narcissism."

Gu Chengxiao chuckled, "in front of you, what kind of me is not important, as long as you like."

"I don't like narcissistic people." Xu Xinyue raised her head, the stars in the sky reflected in her eyes, especially beautiful.

"What should I do if I have such a hard mouth? Be soft. " Gu Chengxiao said, lowered his head on the hard brand down.

However, it's still hard for him. Gu Chengxiao has two times in a row. Junyan is about to be darker than the night. He can only let her go honestly.

Later, Xu Xinyue was really sleepy. She wanted to have a sleep. She ran to the car and lay down on her side. She was very spacious. However, soon, beside her, the man lay down. His 1.85 meter body was a bit oppressive, but he could bear it. Soon, she was taken to her arms by the man. Xu Xinyue closed her eyes, breathed the good smell of him and fell asleep.

And men can't fall asleep.

Chapter 1468

Because the space in the car is still small, Xu Xinyue is not very comfortable to sleep, which makes her constantly change her sleeping posture. As soon as her arm falls, it slaps on the man's face, as soon as her buttocks top, she bumps into someone's weakness, as soon as she kicks off the man's legs.

The man around him has never seen such a sleepless person. He has to hold her, endure being punched and kicked, and suppress the fire in his heart. It's really hard for him.

Xu Xinyue nests in a man's arm and holds him like an octopus. Finally, she finds her most comfortable sleeping position and stops.

The man lowered his head and looked at the girl in his arms by moonlight. On his face, his facial features were delicate and pink, which made him want to commit a crime.

"Xinyue, get up and watch the sunrise." His big palm rubbed her face and called her softly.

"Well Sunrise?" Xu Xinyue opened her eyes and finally returned to reality from her dream. She immediately sat up and put her head on the top of the car.

She immediately uttered a cry, "pain..."

The man stood outside the door and couldn't save her, so he had to smile, "be careful."

"Is sunrise coming?" Xu Xinyue immediately gets excited. In some cold mornings, she sees a suit of the man next to her. She takes it up and puts it on her. She gets out of the car with long sleepy hair and silky hair. The man gives her a bottle of water.

She immediately washed a mouthful, drank two mouthfuls, finally, the sunrise broke the horizon of the moment, spectacular beautiful people want to scream.

"Ah..." Xu Xinyue couldn't help but yell. Even if her voice broke, she didn't have to be laughed at at this time.

"Gu Chengxiao..." Xu Xinyue next second, loudly called the man's name, "you are a villain..."

The man who was scolded by his side burst into laughter. He also cried, "Xu Xinyue, you are a fool!"

"You are the fool!" Xu Yue turned back to refute.

"We are all fools." Gu Chengxiao thinks it's good to be a fool with her.

Xu Xinyue chuckles. The sea breeze blows her long hair and flies in the air. It's beautiful and sexy, which makes the man look a little stunned.

"Wow! I want to take pictures." With that, Xu Xinyue picked up her mobile phone and took several pictures. Then, she suddenly took pictures of the man beside her.

Gu Chengxiao became her model, and she had to put on a few postures to satisfy her hobby as a photographer.

"Come on, stand here, do a hand holding action, and I can take pictures of you holding the sun." Xu Xinyue uses the skills she learned online.

"Boring, childish." The man is not happy of Du shout a.

But even if he no longer how to shout, or very obediently with her, doing this action, and Xu Xinyue immediately photographed, happy smile there, "hurry up, shoot for me."

So, she also made such a move, let the man to shoot for her, and then compare with love, and then pick chin like a royal sister, almost in front of this man, without any pressure, she can be spontaneous, can laugh.

Gu Chengxiao doesn't know how long he hasn't been so relaxed and laughing. In front of this woman, he is relaxed and happy.

"Gu Chengxiao, carry me." Xu Xinyue asked.

The man squatted down, and Xu Xinyue happily fell on his back. Then, he turned on the mode of self portrait and played with his mobile phone. In the photo, the man's deep eyes were smiling, while her kiss was on her shoulder. They both laughed happily.

The sun has already risen and Xu Xinyue is a little tired. Gu Chengxiao drives her out and stops at the nearby hotel.

There is a five-star hotel at the dock. After checking in, Xu Xinyue is eager to take a bath, because she didn't take a bath last night, which made her uncomfortable. It's a presidential suite.

After taking a bath, Xu Xinyue was surprised to find that she didn't change her clothes and had to wear a nightgown. When she came out, she found a man in a nightgown standing in front of the French window.

Her face was red. Although she had a good time just now, she didn't know where the constraint came from, which made her unable to let go.

"I ordered breakfast." Gu Chengxiao turns around and squints. He sees a woman who has just washed her head and is wearing a white nightgown. She is so sexy that she can't move her eyes, and he doesn't want to.

"Don't look at me like that."

"I guess you don't have anything under you." The man actually abominable said.

Xu Xinyue's face was red, and he guessed it. Because she was so excited that she got all her clothes wet, so how could she wear them?

"You..."

"I'm not wearing either." Men laugh.

Xu Xinyue didn't want to chat with him at all. She hummed, "I asked the hotel to send it to me. Do you want it once?"

"All right! Give me one, too. " The man says helplessly, he is also a particularly clean person, dirty clothes do not want to wear again. After Xu Xinyue made the phone call, she had been waiting for it to come up, and then came out after wearing it.

When breakfast arrived, Xu Xinyue was really hungry. It was just a night. She had a feeling of a long time, as if she had spent a century with this man.

"After dinner, shall we go back?" Xu Xinyue raised her head and asked.

Gu Chengxiao shook his head, "I'm very tired. I'll sleep here for a night before I go."

He didn't want to end the trip. He wanted to stay with her one more day, because he didn't want to leave.

Xu Xinyue looked at his eyes a little red, she was surprised, "you didn't sleep last night, did you! Did I squeeze you? "

It's not just a squeeze. Gu Chengxiao suffered a lot last night. It's not enough to be kicked. He has to suffer all night.

"Well."

"I'm sorry, you can go back to sleep well tomorrow." Xu Xinyue replied that in her heart, there is also an idea to stay.

After going back, I have to face too many troubles.

After dinner, Gu Chengxiao is not willing to go to sleep. He orders a cup of coffee and sits in the living room drinking it while brushing the news.

Xu Xinyue came out of the room and looked at him. She could not help saying, "you are not going to sleep."

"Come here." Gu Chengxiao stretched out his hand to her, "pull me up."

Xu Xinyue went over unprepared and was ready to pull him up. She didn't pull him up. Instead, she fell into the man's arms and was tightly bound by him.

"You..." Xu Xinyue looked up, angry and angry, but the man's kiss overbearing fall down, do not allow her to curse.

Chapter 1469

Immersed in the man's warm kiss, Xu Xinyue feels on fire all over, and this man also shows his true colors, and his attitude is full of aggression.

Xu Xinyue wanted to drown in his kiss. She even felt her own need. She was in her mid-20s. This kind of thing is already reasonable.

If

If she doesn't care and think about anything, she will be here with this man and do something nobody knows.

Don't worry about Xu An'an, let alone his parents. Just forget everything with him and don't think about anything.

When the man carried her into the master bedroom, and the fierce attack came again, Xu Xinyue found that she could not, could not accept all this naturally, not because she did not want to, but could not.

"Gu Chengxiao, stop." Xu Xinyue pushed him and tried hard to stop him, but the man's reason had already been burned. At the moment, even if she hated him, he wanted to stop him.

"Don't refuse me." The man made a low voice, handcuffed her hands, a pair of thick black eyes staring at her, "Xu Xinyue, don't challenge my patience, I know you want to."

"I don't want to." Xu Xinyue said with unconsciousness, her face turned red.

"You want to."

"I don't want it. Gu Chengxiao, let me go." Xu Xinyue firmly did not want to.

"I'll take care of it." Gu Chengxiao's eyes are red. He tries to resist the last trace of reason to talk to her.

"How are you going to be responsible? "Marry me?" Xu Xinyue's eyes are suddenly red, if so, Xu An'an will make a fuss, at that time, her parents' reputation will be destroyed.

Gu Chengxiao said in a dumb voice, "marry you and give you a lifetime of happiness."

Xu Xinyue don't open face, tears fall, she bit red lips way, "I don't want you to marry me, I don't want to have any relationship with you."

Gu Chengxiao's handsome face flashed a touch of pain, as if this sentence like a knife into his heart, he just stared at her, eager and unreachable, clearly under his body, in front of his eyes, why can't he get it?

Xu Xinyue turned her eyes and looked at his painful look. She also grasped her heart. Did her words hurt him? She wanted to apologize, but she couldn't say what she said. If she was soft hearted, the scene would be out of control.

"What do you think of me? I can't control falling in love with you, Xu Xinyue. Is it wrong to like you? " Gu Chengxiao narrowed his eyes and bit his teeth. A noble and cold man, however, expressed himself so humbly in front of a woman, tearing his heart open to her.

And she didn't care.

Xu Xinyue was shocked. For the first time, she saw such a weak side of a man. It was her who made him hurt so much. Her conscience seemed to be condemned.

"If I had another choice, I would not pester you." Gu Chengxiao clenched his teeth behind him. With that, he sat down frustrated.

Xu Xinyue looked at him, looked at him like a wolf who lost his anger, her heart is really extremely remorseful, she suddenly breathed a breath, she suddenly said, "Gu Chengxiao, I don't want you to be responsible, if what happened to us today, can you take it as if it didn't happen?"

Gu Chengxiao slightly stared at Junmou, staring at her, and so on to reflect her words, his face changed, "do you want to sleep with me in vain?"

Xu Xinyue blushed and admitted that she meant it, "yes, can you do it?"

Gu Chengxiao is really going to be angry again. Is that what this woman thinks of him? Use him as a tool? Don't you allow him to pursue it afterwards?

"I won't do it." Men have backbone now, and they are still ferocious and ferocious.

Xu Xinyue raised the corner of her mouth, squinted and continued to stare at him? Are you sure you don't regret it? "

Gu Chengxiao Junyan farewell, "I absolutely do not regret."

Xu Xinyue finally pulled his reason back, and she was also relieved, "OK! Sleep in your own room."
"

With that, she was about to leave. Suddenly, a man relaxed, "OK, I promise you."

Xu Xinyue looks like a winner and looks back at the man on the bed. She squints and says, "words count."

"Xu Xinyue, I'll lose if you get out of bed tomorrow."

"You..." Xu Xinyue's face changed when she was scared, "I'll go back."

"Don't even think about it." The man immediately came over and pushed her down.

Early in the morning.

Xu Xinyue was crushed all over. She woke up, but she was too lazy to move. She turned her head and looked at the man who supported her elbow. She immediately covered her face, "don't look."

"What's on you that I haven't seen?" Men immediately like a winner like tone, and a pair of lingering feeling.

"I decided to stay here for a week before I left." If a man feels that she is sleeping in vain, he should send her more times.

Of course, Xu Xinyue knew what he was thinking. She refused, "no, in this case, do I want to live?" "Don't worry, I can always keep your last breath."

"Gu Chengxiao, you bastard."

But the man suddenly bent down, gently in her eyebrows and eyes Kiss, "you are so sweet."

"I'm not eating."

"In my eyes, you are my delicacy."

"Hun..."

The man's kiss fell again, this time he just gently comforted her, because he also felt that he had just exerted too much force, so he made her miserable.

Although he didn't live for a week, he also stayed for three days. After the third day, Gu Chengxiao received a call from his mother. Gu Yimu had a high fever and asked him to go back.

Hearing the news, both of them left the hotel quickly and went straight back to the city. The little guy caught a cold and they were very worried.

Chapter 1470

On the street in front of Gu's house, Xu Xinyue, who is worried all the way, finds that she has no identity at all. How can she explain to Mrs. Gu that she is with Gu Chengxiao? She pushed the man beside her and said, "go back and take care of Xiaomu! I I won't go in. "

"Why don't you go in?" Gu Chengxiao's eyes are a little helpless, "my mother won't care so much. Go to see Xiaomu. He must want to see you at this time."

Xu Xinyue pursed her lips and thought about it. She really didn't care so much. She was really worried about the little guy. She nodded, followed Gu Chengxiao out of the car and walked towards the hall. As soon as she got to the hall, she saw the little guy sitting on the sofa with a fever medicine on her forehead. Both of her little faces were burning red.

"How can you have a sudden high fever?" Gu Chengxiao asked the doctor.

"Young master, it's probably a growth fever. We are looking into it." The doctor said with caution.

"Eh, Xinyue, you're here too. How can you be with Chengxiao?" Mrs. Gu asked in surprise. Unexpectedly, her son took her home.

"Yes, auntie, it's a coincidence that I stopped the car at the roadside. I didn't expect that Mr. Gu kindly gave me a ride. I heard that Xiao Mu was ill, so I came to have a look."

"Sister Xinyue, I'm so happy you came to see me." The little guy stretched out his hand to her, and Xu Xinyue immediately held his hand and sat beside him, "is there any discomfort?"

"No, sister Xinyue, can you stay with me all the time?" The little guy asked pathetically.

"I Of course I can stay with you. " Xu Xinyue looked at him painfully.

"Xinyue, stay and go back after dinner." Mrs. Gu also hoped that she could stay. She looked at her son's eyes, which were staring at Xu Xinyue. The tenderness in her eyes was something she had never seen before.

My son has never seen another woman with such eyes! Even Xu An'an doesn't have such treatment. Does his son like Xinyue?

Gu Chengxiao squatted down and stroked his son's forehead, which had turned into a low fever. His heartstrings relaxed a little. He looked at Xu Xinyue, whose eyes fell on the child, as if she were the child's biological mother.

This kind of eyes, even Xu An'an can't have.

Xu Xinyue has been playing LEGO with the little guy to relieve her boredom. At noon, she stays at Gu's home for lunch. In the afternoon, the little guy is going to play in the surrounding park. She accompanies Gu Chengxiao to take the little guy out for a walk.

Looking at the little guy bouncing in front of, Xu Xinyue's mood can not be said to be good, cold and the man around her, she can not help but also shyly dropped her eyes.

Gu Chengxiao looked at her, the heat in his eyes was very obvious. During the three days he had just passed, he was extremely fascinated by her, and never had a woman attracted him so much.

His eyes couldn't help falling on her abdomen. Although it was very smooth, he could hardly see a scar. In the dark, even though she was subconsciously blocked several times, he could see clearly by moonlight.

So, is that why she had to ask him to turn off the light every time she was in love at night?

However, no matter how the scar came from, he didn't want to pursue it, because if he could catch up with her and get her response, he would have to work hard. He would not care about her past.

Xu Xinyue stayed at Gu's home for dinner. The fever of the little guy also subsided. She was relieved to have a doctor at home to accompany her all the way.

"Xinyue, let Chengxiao take you home. If you go out later, you can use his driver. Don't stop the car on the road. It's not safe for you to be so beautiful." Said Mrs. Gu.

"All right! Thank you, auntie. I will pay attention to safety. " Xu Xinyue's face is slightly hot. Has she been seen through the excuse of stopping the car?

Gu Chengxiao takes her all the way to the garage in the garden. When Xu Xinyue gets into the car, her heart becomes tense, which is totally different from that of the seaside hotel.

Gu Chengxiao drove out for several minutes, and the girl around him didn't say a word, which made him worry.

Xu Xinyue also opened her mouth at this time, "this trip is over, and we should return to our own life. Please keep your promise."

Gu Chengxiao knew that she would mention it. He bit his thin lip and said, "what do you want me to do?"

"Don't contact me, don't show up around me, we are strangers."

"Xiaomu still needs you."

"Xiaomu needs a biological mother, and I I'm not Xu Xinyue dropped her eyes. She gave birth to him, but he was bleeding with Xu An'an's blood.

"Don't you feel that Xiaomu is much closer to you than Xu an? Even in his heart, you are his mother. " Gu Chengxiao voice line hoarse way, chest also with a few silk ups and downs.

Xu Xinyue's chest aches, she is also reluctant to leave the child, what can be done?

"If I marry Xu An'an, will you be happy?" Gu Chengxiao turned to look at her, eyes burning.

"It's your business. It's my business to be happy or not." Xu Xinyue pursed her red lips and pretended not to care. "Well, I'll propose to Xu An'an tomorrow and take her home." Gu Chengxiao angry like said, tone is also very serious.

Xu Xinyue directly choked her chest, as if she was out of breath. She forced herself to endure the pain and said, "if you like to marry, go and marry!"

"Xiao Mu needs a mother. I really want to marry a woman to go home, so marry Xu An'an!" With that, Gu Chengxiao's car turned and drove to another street.

"What are you doing? Don't you want to take me home? "

"You can choose my diamond ring tomorrow. You women know more about women's mind."

"I I don't choose. Gu Chengxiao, you let me off. " Xu Xinyue's heart is as painful as a knife. When he marries another woman, what do he want her to do with the diamond ring?

"If you want to make a clear relationship with me, you can choose a diamond ring for me. No matter which girl I marry, I want you to choose." Gu Chengxiao said overbearing.

Xu Xinyue stares at him angrily, "can't you choose yourself?"

"If you don't choose for me, I'll pester you. Tomorrow I'll go to your house to propose marriage."

"You..." Xu Xinyue really can't help taking this man. She has to say, "OK, I'll pick it for you."

"Choose the style that Xu An'an will like. You used to be cousins. You should be aware of her preference." Gu Chengxiao said coldly.

Xu Xinyue turned her face, a trace of tears flashed in her eyes. I don't know whether she was flustered or what. Her heart is really painful and Suffocated at the moment.

What's wrong with her? Even if he is afraid of marrying another woman, he has no courage to be with him.

Jewelry store.

Xu Xinyue breathed a breath and looked at the diamond rings on the counter seriously. The man around her only stared at her and had no interest in these diamond rings at all. Looking at her red eyes, his heart was also in pain.

"Does the price need to be controlled? Or just pick? " Xu Xinyue raised her head and asked.

"Whatever you choose, my wife doesn't need to care about the price." The man narrowed his eyes as if his wife was invincible.

One side of the waiter immediately eyes a joy, "Miss, this is the VIP room, there are better quality diamond ring."

Xu Xinyue can't help but be angry. When she goes in, she has to pick the most expensive one. After she goes in, Xu Xinyue chooses a ten million level model.

"Miss, let me try it on for you."

"It's not for me. It's for someone else." Xu Xinyue said with a smile.

"Try it on. I feel like she's about the size of your hand." The man's deep and hoarse voice.

Xu Xinyue sees the waiter waiting. She sighs and reaches over to wear her ring finger, which is the one she will wear when she gets married.

"It suits you very well, miss. Feel your size."

Yes, one eye picked a suitable one for her, Xu Xinyue bitter smile, looked up at the man, "do you want to buy it?"

"Well! Swipe the card! " Men are rich and willful, and they don't blink.

Gu Chengxiao with a diamond ring, two people together back to the car, Gu Chengxiao again squint asked, "Xu An'an also like what?"

"How do I know? You should ask her, not me. " Xu Xinyue is going to be angry. This man always mentions Xu An'an in front of her, which makes her very uncomfortable.

Gu Chengxiao listened to her angry voice. He said with a smile, "that's OK. Tomorrow I'll ask her in person to see what she likes. Even if she likes the moon in the sky, I'll try to pick it for her."

"It's your business what you like to do to her. Drive me home quickly. I'm tired." Xu Xinyue rings her arms and stares out of the window. The light is reflected in her eyes, like tears.

"All right!" Gu Chengxiao said nothing and sent her home.

As soon as she arrives at her home, Xu Xinyue can't wait to unfasten her seat belt and push the door down. Gu Chengxiao's car turns around and leaves quickly.

Xu Xinyue's steps stopped, turned around and looked at the man who left. Tears suddenly wet her face. She did not dare to go home or cry, so she could only sit down under the street lamp beside the door.

At this moment, a beam of lights came. She was startled. She looked up and saw that the car that just didn't turn back drove back. Moreover, the lights reflected on her tearful face, which made her extremely flustered.

The tall figure of the man pushed the door to get out of the car. He took a few steps to pull her into his arms and asked in a dumb voice, "what are you crying for? Because I'm going to marry Xu An'an, are you sad? "

"You go away, nothing, I just It's just that my eyes are lost in the wind. "

"Fool, if you don't want me to marry another woman, you can't answer back." Man hook lips a smile, originally her heart, a try to know.
