

U. CEO Daddy 191

Chapter 191

The music of the show rings, and the lights are deliberately dimmed. Only the world's top models step out of the stage entrance with elegant catwalk and delicate figure like the queen.

The clothes on their bodies are exquisitely cultivated and full of strong fashion elements. As soon as they are looked at, they have a very favorite desire. Suzy's eyes are naturally attracted. She blinks, stares at the beautiful skirts, and quickly absorbs them like greedy kittens.

Everyone's eyes are focused on the fashion show, but some people are absent-minded. For example, the man sitting beside sushi, who was just invited to watch the show by Serge, has little interest in the clothes. At the moment, for him.

Squinting eyes to appreciate the expression of women around you seems to be more interesting.

He was sitting on the chair lazily, while sushi, with his hands on his knees, stared at the model on the stage like a child studying hard, without even blinking her eyes. In the light, her beautiful side face exuded an indescribable delicacy and softness.

Wenlichen can't help thinking about her jade appearance on the bed last time. Even though she is wearing an elegant long skirt today, he still thinks about how perfect it is to measure the figure under her skirt.

At the moment, a long dress like a starry sky appeared. Everyone was stunned. Even Suzie was surprised. His eyes were wide and his mouth was slightly open. It seemed that he could not love it.

Wen lichen's eyes couldn't help but take a look at the skirt. It's really an amazing work. If you change it a little, this woman will look better than that stiff looking female model. Wen lichen's heart is calculating.

At this time, an assistant came to deliver water. Wen lichen took a bottle, and sushi also took a bottle. She was a little tired. She leaned back lazily. Her eyes fell on the man beside her. In the dim light, he was looking at his mobile phone. The light of the mobile phone hit his face, making his eyebrows beautiful, thick and long curled eyelashes curl up Charming fan-shaped shadow, deep eyes, all his emotions are covered.

Sushi continued to speculate about his identity while drinking water. This man is definitely not simple.

He seems to be more than a businessman.

At this time, Wen lichen's phone rang. He picked it up, answered it, and left from the side aisle. Su Xi's heart tightened. This man is not going to leave now!

At this time, there was a message on her mobile phone. Suxi picked it up and pulled it away. Annie's message was sent, "Xiaoxi, the picture of you falling just now has been sent back to the domestic network. Now your image has plummeted. The person who pushed you should be Huang Xiangyao's, see if you can save it."

Sushi quickly searched her news. Sure enough, the picture of her fall was uploaded, and she was very embarrassed and indecent. There was a mocking tone beside her. "A star can't throw out the red carpet, fall on it and make the international media laugh."

Su Xi's chest is blocked. Huang Xiangyao is so hateful. However, she found that the first one who sent out the message was from her mobile phone. Instead, she said with a kind of fake and fishy document, "I really love Su Xi. She fell in public. It's said that she didn't get any invitation to go to the show without permission. It's so pitiful."

Next to the picture of Sushi's fall, there is a refined and beautiful picture of her. By contrast, sushi is really miserable. Although she is beautiful, she can't fall gracefully.

Next, her fans vigorously pasted back and praised Huang Xiangyao for her beauty.

Susie bit her lip, and she immediately recorded a small video of the female model on the stage and herself, and posted it on her platform, "today's show is wonderful, thank you for caring about me, I'm very good."

This message is undoubtedly to hit Huang Xiangyao in the face. She said she was not invited, but she appeared at the show.

Wen lichen sat in the lounge, his assistant Li Wei sat aside and said to him, "Wen Shao, the picture of Miss sushi falling has been sent back to China, causing her image to be damaged. Do you need to save her?"

Wen lichen twisted his eyebrows. "I'll call her to the backstage later, and let the chief designer tonight modify all the new models of star series according to her figure and send them to her personally. You can record a video according to the arrangement and send it back to the official website."

Li Wei can't help but cry out. It seems that Wenshao really treats sushi in a special way!

After a while, sushi was called backstage by an assistant. Then, the chief designer measured her figure in person. Sushi didn't know what happened. The chief designer held her hand kindly and gently, stood in front of a camera, and the chief designer held her shoulder. "I'm very grateful to miss sushi for coming to watch my show. I'm going to put all the stars in the sky The series has been revised and presented to her personally as a token of thanks. In the future, I hope we can have more cooperation. "

With that, the chief designer hugged her, and sushi was surprised to thank her.

Sushi is totally dazed. This time, the starry sky is one of the main themes. And she is going to have all the new collections of clothes to give away, which is just too happy. Sushi went back to the show to watch the show. It was over in ten minutes. Sushi never saw Wen lichen go back to his seat. When the show was over, she didn't know where to find him. She sent him a message, "I'm leaving. Thank you today."

When Susie came out, Annie rushed to her and hugged her at once! How did you get the gift from the chief designer? "

"Yes! And it's the new model of the whole star series. It's great. "

"How do you know?" said Susie, with a slight gasp

"Don't you know? The video of you and Joanna, the chief designer, has been sent back to China and posted on the company's official website. You are the big winner of this fashion show! "

"More importantly, you slapped Huang Xiangyao's face loud." Xiaomi added.

Susie is completely in a daze. What's the matter? It seems that there is an invisible big palm, which controls everything behind her. She meets the chief designer, presents the star series clothes, and the video is transmitted back to China. All of this seems to be arranged by someone.

Annie received the gift only when she made great efforts to win the favor of the chief designer on the show, but she didn't find the deadpan expression of Suzy.

Sure enough, a bunch of stars sent congratulations on the Internet have come to show Suxi's enthusiasm. Under Huang Xiangyao's post, Suxi's fans hit back with full morale and started a fan war.

Chapter 192

Suxi is forced to go back to the hotel. She only thinks of one person, Wen lichen. It must have something to do with him.

Why does this man help himself? Where did he come from to let the chief designer give her the whole series of clothes? That's not the latest main style that stars dream of!

This fashion week will last for a week, so it's still bustling and there are different shows every day. At the front desk of Sushi's Hotel, she received a week's admission card. She can go to any fashion show anytime, anywhere or on the red carpet.

At the same time, in the middle of these invitation cards, there is a special invitation, which is a banquet invitation for a fashion charity dinner at the end of fashion week. This is a luxury banquet with stars gathering and global attention, which is absolutely an invitation of honor.

Half an hour after sushi received the card, Wen lichen called. He simply said, "you will attend the dinner party as my girlfriend. Then dress up well and don't make me lose face."

Susie hasn't said anything yet. It's over there.

Sushi blinked and asked in the bottom of her heart if she could refuse?

However, this man also gave her all kinds of benefits. If you accompany him to the dinner party, you should repay him! Susie still wants to go.

At home, it's early morning to go abroad.

In the morning, Tang Siyu sent his son away for the first time. She was reluctant to let him go. However, when she thought of accompanying him, she was his close relative. She was reluctant to let him go.

The Xing family is very nice and dotes on her son. She can see that her son is very looking forward to the trip. As a mother, she has to let him see the world.

"Mommy, when your work is over, you can come to see us earlier with Daddy!" The little guy didn't give up on her.

"Good! Don't worry! When I finish my work, I'll come and accompany you!" Tang Siyu arranges his clothes for him. The little guy is dressed in a gray T-shirt, cowboy shorts and small sneakers. They are simple and handsome, tall and straight, with a sense of fashion at a young age.

Xing Yinuo has also packed up. She knocks at the door and comes in. "Xiao Xi, let's go!"

After that, Xing Yinuo said to Tang Siyu, "sister Siyu, don't worry about giving Xiaoxi to us! We will take good care of him. "

Tang Siyu nodded and smiled, "of course I'm relieved."

"Sister Siyu, please take care of my brother! Although he looks steady, he is often so busy that he forgets to eat. Moreover, he was hungry and suffered from stomachache before. If you stare at him, you must not let him forget to eat!" Xing Yinuo pleads.

Tang Siyu was slightly shocked. She didn't know Xing liehan had such a thing. She nodded and assured her, "OK, I'll take care of him!"

"Well!" Xing Yinuo flashed a sly smile at the bottom of his eyes. He had to say that he was pitiful to get the attention of sister Tang Siyu.

Downstairs, Xing liehan is dressed in casual clothes. He looks at Tang Siyu and leads his son to come here. He tells him, "I'll send them back when I finish. Don't run around!"

Tang Siyu nodded. "I'm not going anywhere!"

Xing liehan was not at ease, but he could not warn her more severely. He had to show gentleness to her in front of his son.

Seeing them get on the bus and leave, Tang Siyu found that her eyes were wet. Her son's first sight was born. Up to now, she really hasn't left him. Only when he returned to xingzhai to live, she left for a few days. But now, she may have to leave him for half a month. She was really worried.

This evening, Tang Siyu was lying in bed, worried all the time. At one o'clock in the morning, Xing liehan's mobile phone sent a message of safe arrival, and also took a picture of the little guy walking happily in front with a small bag. Tang Siyu finally put down a heart, and she could sleep.

Xing liehan sends Xing Yinuo and his son to a villa where his parents live. When Xing Yinuo sees Xing Yifan, he gets used to stumbling. Xing Yinuo shows off this time, "I passed in math. When you taught me before, I didn't pass once. You can see how patient and diligent brother Liangyao is."

Xing Yifan is as handsome as ever. He hooks his lips and smiles, "what's so proud of? I'll have the ability to get a score of 90 next time."

"Take the test. If I get 90 points, do you have any reward?" Xing Yinuo asked with a raised eyebrow.

"If you pass the exam, I will give you any gift you want!"

"It's necessary to give gifts. Besides, you have to admit that I'm a smart, beautiful and talented Miss Xing!"

"Forget it, you'd better take the test at will!" Xing Yifan is biting his thin lips and dare not agree with his conscience.

Xing Yinuo ran after him with a smile and said, "you Xing Yifan, stop... "

Jiang Yin and Xing Zhengting are taking care of the little guy, waiting for him to finish eating, washing his face and wiping his hands, for fear that the long flight will damage him. The little guy is really tired. When Xing Zhengting holds him, he blinks to sleep. Xing liehan made a deal with his father and said hello to his sister-in-law. He went back to the car. His plane left for home an hour later.

Xing YINUO watched brother's car leave. She smiled and said to Xing YIFAN, "soon we will have a sister-in-law."

"Has elder brother and Siyu made such rapid progress?"

"Believe in the charm of elder brother, sister Siyu will soon fall in love with him! I have a hunch. " Xing YINUO is very confident.

Xing YIFAN looked at her, but he was still a little relieved. He grew up together. This time, he left for half a month. He really missed her!

A noble high school in China.

The headmaster took the resume of the man sitting in front of him and looked it over again. At last, he said, "Mr. Wen, are you sure you want to teach here?"

"Yes, teach mathematics." Wen LIANGYAO is quite sure, and the class he teaches is the one of Xing YINUO.

"Mr. Wen, it's not a long time for us to recruit substitute teachers, so are you sure you want to work in our school?"

"I'm fine. Please believe me." Wen LIANGYAO guarantees with a smile.

Now the headmaster really has no problem, because this is the best resume he has ever seen, and he believes that the young man in front of him is absolutely capable of teaching good students.

"Yes, Mr. Wen. Welcome to teach in our school." The headmaster stood up and shook hands with him.

Wen Liangyao smiles, and Xing Yinuo's joke rings in his mind, "I hope my new math teacher is a young and handsome teacher!"

He looks forward to meeting her in the classroom.

Chapter 193

Morning, half past seven.

Tang Siyu's biological clock woke her up at the right time. Her first thought was to see if her son got up, but another thought immediately came up. Didn't her son be sent abroad yesterday?

She immediately relaxed and relaxed, and continued to sleep for a while, without her son around, she would not like to be like a cat, how to be comfortable.

Tang Siyu has been in bed watching Sushi's fans tearing up the fight. When she saw 11:30 at noon, she was so hungry that she got up.

First, I soaked a glass of milk, stood on the balcony holding it, enjoying the scenery of the tall buildings in the distance, and the cool wind blew.

Xing liehan's villa, occupying the unique resources, back on the ridge, fresh air, elegant environment, it is absolutely a wonderful feeling to enjoy.

Tang Siyu casually made some food at noon. She thought that after Xing liehan sent Xing Yinuo and her son, she would not come back so soon. She could enjoy the villa.

In the hall, in the quiet, her cell phone ring is very clear and crisp. Tang Siyu is slightly shocked. Is it Ye you?

She went up and picked up the phone. It was her father who called. Since the party, she didn't call him. She felt guilty.

"Hello, Dad." Tang Siyu picks it up quickly.

"Siyu! Are you busy lately? When will you take Xiaoxi home for dinner? I've let Yiyi give you a free room. " The voice of Tang Xiong was very gentle.

When Tang Siyu's heart warmed, she smiled, "not busy."

"Can you take Xiaoxi home for dinner at night? It's just that I'm resting at home today. "

Tang Siyu frowns slightly. It seems that Qiu Lin and Tang Yiyi didn't tell their father about Xiao Xi's father son relationship with Xing liehan. However, she thinks, how could Qiu Lin tell her father? Of course she didn't want her father to know that she had a Xing child!

It seems that it's necessary for her to go back to meet her father and talk about it!

"Good! I'll be back in the afternoon! " Tang Siyu replied.

"Then I'll wait for you at home." Tang Xiong replied happily.

After hanging up the phone, Tang Siyu is ready to go home in the afternoon. Qiu Lin's heart is very deep. I don't know if she will take any measures to deal with herself after knowing her relationship with Xing liehan.

She hasn't thought about making the family bloody, so she can bear it for her father. Now Qiu Lin knows that she is backed by Xing liehan, a big tree. She must have a strong sense of crisis, and she can't be at ease.

At the same time, she can go home to see what Qiu Lin wants to do.

Tang Siyu found a fashionable dress in the wardrobe. She got out of the garage after three o'clock. Because her car hasn't been driven back, she can only borrow Xing liehan's car when she goes out.

Tang Siyu chooses the car he drove last time and runs straight to the direction of Tang house.

At the same time, a huge private plane landed at the International Airport. Xing liehan's figure stepped down gracefully accompanied by his assistant and bodyguard. As he walked outside the airport, he took out his mobile phone, and naturally found Tang Siyu's number and pulled it out.

Tang Siyu is driving on the road. Seeing the phone call, she is shocked. Xing liehan is back so soon?

She connected the car phone. "Hello!"

"I'm back for dinner." In the whole carriage, there was a man's low and magnetic voice, which was more charming than the man's voice just singing.

Tang Siyu replied directly, "not tonight. I'm going home. How can you come back so soon?"

Xing liehan was on the other end of the phone. He asked, "your father only called you, not Murphy!"

Tang Siyu didn't ask. Of course she didn't know. She replied, "I don't know. I didn't call, but my father wants me to go back for dinner."

Xing liehan's heart string is still pulled. He orders directly, "Tang Siyu, come to pick me up. I'll go back with you."

"What? You're going to my house? " Tang Siyu was shocked.

"What? You don't think my boyfriend can take it with you, do you? Hurry up. I'll wait for you at the airport. Call me when you arrive. " After Xing liehan finished, he hung up and refused to give her a chance to refuse.

Tang Siyu is not long away from home. She bites her lips. If he wants to go, she will take him! Anyway, if you take him back, you can frighten Qiu Lin.

Tang Siyu turns at an intersection and turns to the airport.

In an advanced coffee shop in the airport, Xing liehan just sat down, and his assistant Han Yang opened a laptop computer. Xing liehan's deep and sharp eyes stared at the screen and looked at the mail.

When the waiter came to order coffee, he looked at the man sitting at the window closest to him and took his breath directly. What a handsome man!

Han Yang orders Xing liehan a cup of coffee he often drinks. When the waiter leaves, he doesn't forget to look at Xing liehan again.

There are many beautiful and fashionable girls coming in and out of the airport. At this time, on the table opposite Xing liehan, three women with strong makeup and gorgeous dress just sat down. The most beautiful and charming girl is facing Xing liehan. With beautiful eyes, she directly gaped a little bigger. Then, she disturbed a thin blouse that was covered outside, revealing her plump upper body, facing Xing liehan, biting her lips and casting her eyes, trying to make the man notice her.

It's a pity that the man in the opposite side only stared at the screen and didn't even lift it.

The two girls sitting next to her saw her full of evil spirit. Looking back, they were directly moved.

"My God! How handsome! "

"I really want to take pictures." With that, one of the girls picked up her mobile phone and took a picture of Xing liehan. At this time, the bodyguard found out and ordered in a cold voice, "no photos."

The three girls were startled by the warning from the bodyguards, and quickly put down their cell phones. Xing liehan seemed not to be disturbed by the surrounding movements, and his slender fingers were responding to the email.

Twenty minutes later, the mobile phone he put aside rang. He picked up Tang Siyu's mobile phone and saw that it was Tang Siyu's mobile phone. A sexy smile came out of his mouth. Then he said, "here it is?"

"Here we are! At the door, I drove the old white sports car. " Tang Siyu's sweet voice came.

Xing liehan closes his notebook, hands it to Han Yang, grabs his cell phone and gets up. The girl at the next table has a hot brain. She immediately reaches out and boldly stops Xing liehan, "handsome boy, can you leave a contact number?"

Free delivery girl, she thought, this man will not refuse it!

Xing liehan finally took a look at her. However, his eyes were cold and tired. It was inconvenient for him to pass the girl. His tall body made people dare not to approach.

Chapter 194

Although the girl was rejected, she turned around and watched him go out, leaving a deep regret.

When Xing liehan left the airport, he saw a white sports car in the waiting long motorcade. His long legs were graceful.

Tang Siyu also saw him and opened the door. Xing liehan opened the door and sat in.

Tang Siyu looked at him with a tired look on his brow. She couldn't help but care, "do you want to go back to rest?"

Xing liehan looks at her and insists, "no, I'm going to your house!"

Tang Siyu also stopped talking, the car drove into the side lane, galloped up in the spacious Airport Avenue, Xing liehan pillowed his arm, relaxed, mouth corner also involuntarily raised.

Tangzhai, about 4:30.

Tang Xiong calls Qiu Lin, who plays mahjong outside, to go home. She says that Tang Siyu will come back for dinner. Qiu Lin still shows a sense of intimacy towards Tang Siyu as a family in front of Tang Xiong. So when she receives her husband's call, she is not willing to come back, and she is ready to come back.

At the same time, she also called Tang Yiyi and asked her to come back.

She doesn't want Tang Siyu to cheer Tang Xiong up at home alone. At this time, her daughter must also be present.

Qiu Lin is nearby, and Tang Yiyi is shopping in the nearby shopping mall. Two mothers and daughters come back one before and one after the other. Tang Xiong is watching the news in the hall, and the servant buys the dishes.

When Qiu Lin came back, she asked her husband, "is Siyu alone?"

Tang Xiong replied, "I should bring Xiaoxi back together. Let the kitchen make some dishes that children like!"

At this time, Tang Xiong's cell phone rang. He picked up Tang Siyu and said, "Hello! Siyu, is it coming? "

It was the rush hour of the afternoon, and Tang Siyu was blocking a road. She said to her father, "Dad, I need a while. I'll bring a friend back tonight and cook more food!"

"Oh! Which friend! Is that your good sister? "

Tang Siyu told him directly, "no, it's Xing liehan."

Tang Xiong was sitting on the sofa. When he heard this, he immediately sat up for a few minutes. He was surprised and said, "what? Mr. Xing will come, too? "

This sentence made Tang Yiyi, who was going upstairs, stop and look at her father in surprise, while Qiu Lin in the kitchen also stepped out.

Tang Siyu responded to his father, "yes, he and I went home for dinner."

"OK, OK, let Mr. Xing come here together!" Tang Xiong immediately cheered up. Although Xing liehan was young, he had a charm that made business people feel honored to make friends.

Tang Yiyi looks at her father and hangs up. She can't help but ask, "Dad, do you think Xing liehan will come to our house?"

Tang Xiong didn't find out the second daughter's mind. He answered happily, "yes, he and Siyu are on their way."

Tang Yiyi and Qiu Lin immediately look at each other. Tang Yiyi's eyes are full of surprises and excitement. Qiu Lin immediately sees through her daughter's ideas. This is a good chance to get in touch with Xing liehan closely. Her daughter wants to seize this opportunity.

"Yi, go back to your room and wash your face! In a moment, the family will come to see you! " Qiu Lin said with a hint in her voice.

When Tang Yiyi heard her mother's suggestion, she immediately began with a smile

After that, she went upstairs in ecstasy, and Xing liehan was about to come home, which means that she and Xing liehan had dinner at the same table and had close communication. Maybe, he would be attracted by her beauty and elegance.

So, all she has to do now is to put on a beautiful dress and make up for it before Xing liehan comes.

Tang Xiong inquired in the kitchen. He didn't want to neglect the dishes tonight.

In Tang Siyu's car, Xing lie and Han Junyan don't know how, but some are gloomy. Tang Siyu is looking for new songs on her mobile phone after the traffic jam. When she plays a group of light music she likes again, she turns her head and sees that the face of the man beside her is not right.

"What's the matter with you?" Tang Siyu looked at him and asked.

"Tang Siyu, are you going to call me tonight in front of your father, with your first name and surname?" Xing liehan asked in displeasure.

Tang Siyu blinked. It didn't seem very good. She wondered, "what should I call you?"

"Even if I come to your house as your boyfriend, what do you call me?" Xing liehan didn't think it necessary to ask him this question.

Don Siyu choked for a moment. Is she going as her boyfriend? Of course she knows what to call him! Just, if you call him liehan, will he be too close?

Xing liehan saw that she was only driving forward, but he didn't answer his questions. He squinted and said, "call me liehan or dear!"

Tang Siyu's eyebrows closed for a moment. "We'll talk about it then."

"Dear." A charming voice line on her side called for her.

Tang Siyu immediately choked, turned his head and stared at him, "don't call me that!"

"What I call you is my right, but your stepmother is not a fuel-efficient lamp. If we don't get close tonight, don't you think she will see you using me? It's not good for you. "Tang Siyu had to admit that he was right. She took a deep breath and said, "I call you strong cold."

"Or call me husband, I'll do it." Xing liehan added.

Tang Siyu's face is pretty red. She can't call it that.

"I don't want it!" She refused.

"Well, call my name and see if it's full of emotion." Xing lie looks at her lazily.

Tang Siyu looked at the road ahead and called him stiffly, "fierce cold."

"Once you see it, you will not be intimate enough. Call again and call out your feelings."

Tang Siyu twisted his eyebrows and called again, "fierce cold."

"A little more delay in the ending, a little more whine."

"Lie Cold... " Tang Siyu called him with a warm face.

Xing liehan was very dissatisfied with her cry. He snorted, "it's too stiff. Why don't you call me husband?"

"No!" Tang Siyu resists.

"Otherwise, let's take a friendly nickname for each other. In the future, we will call each other by nickname. Let me think about what I should call you." Xing liehan squints his eyes and thinks, "I call you piggy, you can call me..."

"Pig's head." Tang Siyu replied politely.

A man was so angry that he blacked his face. He bit his teeth and said, "no way!"

"I call me piggy, and I will call you piggy head. You like to listen to me!" Tang Siyu makes a strong voice.

Xing liehan choked, "Tang Siyu, if you dare to shout, I will not spare you."

Tang Siyu chuckled, "do you give me a nickname?"

Xing liehan gave in and decided to give up the idea, "OK! I'd better call you honey, call me my name! "

Chapter 195

Tang's house is in the front high-end community. Tang Siyu's car drives in and goes straight to the direction of the single villa in the later period, and arrives at the door of Tang's house. Tang Siyu doesn't open the car into the door either, but stops nearby.

Xing liehan gets out of the car with her. Tang Siyu goes to the door and rings the doorbell.

Xing liehan frowns. Does this woman have such a status in this family? There's no key or password to get in.

In fact, Tang Siyu is too lazy to ask, because she doesn't want to go back home at all except when her father is at home.

Unexpectedly, Tang Yiyi came out of the hall and opened the door. She was dressed in sexy and fashionable clothes. Tang Siyu made a mockery of her. Today, Tang Yiyi's clothes are for the men around her!

"Elder sister, master Xing, you are here. Come in quickly!" Tang Yiyi's smile is beautiful and charming.

Tang Siyu glanced at her, and she reached out and walked in naturally holding Xing liehan's arm.

Tang Yiyi's smile was really stiff, but her mother taught her a trick. She decided to be a little aggrieved tonight. She wanted to be a clever and sensible girl in front of Xing liehan. Even if she took a hot face to paste Tang Siyu's cold ass tonight, she would be happy to do so.

The colder and disrespectful Tang Siyu is to her, the more impolite and arrogant she is.

Xing liehan didn't care about Tang Yiyi at all. When Tang Siyu held his wrist, he felt a happy mood.

He knew that Tang Siyu would naturally rely on him in Tang's house. Even if Tang Yiyi could smile more beautifully, Xing liehan would not look at him more. In his eyes, Tang Siyu was the only woman he wanted.

However, when Tang Siyu was approaching the hall, she naturally drew back her hand and walked into the hall side by side with him.

The figure of the two people just appeared in the hall, Tang Xiong immediately reached out to meet them, "Hello, Mr. Xing!"

Tang Siyu is slightly shocked. Is the father's greeting too important? Xing liehan naturally reached out his hand and shook Tang Xiong. With a clear smile, he said, "Hello, uncle!"

"Mr. Xing, I've heard a lot about your name. It's an honor to see you today." Tang Xiong is also not sure about the relationship between Tang Siyu and Xing liehan. He dare not neglect the top figures in the business world.

Xing liehan is naturally courteous to Tang Xiong. "Uncle, you can call me liehan. I'm Siyu's boyfriend and Xiaoxi's father. You are my elder generation."

Tang Xiong was shocked. He said, "what? Are you Xiaoxi's father? "

Xing lie looked at Tang Siyu with a cold and surprised look. "Haven't you told uncle about my relationship with Xiao Xi?"

Tang Siyu smiled and said cautiously to his father, "Dad, I've always forgotten to tell you that Xiaoxi's father is him."

Tang Xiong is really going to be shocked. Five years ago, his daughter cancelled the engagement of the Mu family. Was it empathy and don't fall in love with Xing liehan? He immediately looked at Tang Siyu with resentment, "Siyu, how can you keep me from such a big thing? It's almost five years since you told me about Xiaoxi's life experience? "

Tang Siyu is slightly shocked. My father mistakenly thinks that she and Xing liehan were together five years ago!

She and Xing Lihan have a look. Xing Lihan is obviously nervous. He doesn't want Tang Siyu to say that five years ago. That's the biggest mistake in his life. It's good for his family to know. Other people don't need to know.

Tang Siyu had to admit the mistake. "Dad, I'm sorry. I'm the one who's blamed. I dare not tell you!"

"Why don't you dare tell me? Xiao Xi is a child of fierce cold. What can't I tell you? " Tang Xiong was really upset about his daughter's ignorance. He didn't tell him such a big thing.

Tang Siyu had to continue to admit, "Dad, I'm sorry!"

Xing liehan felt sorry for her. At the same time, he thanked her for concealing the incident five years ago. He said to Tang Xiong, "uncle, you should blame me for this! It's my negligence that I haven't come to visit you. "

Where dare Tang Xiong blame Xing liehan? He even thought that five years ago, the relationship between his daughter and him was certainly not simple. Otherwise, he didn't need to hide it. But now, the most important thing is that his grandson's father has found him. Moreover, he is still a leading figure in the business world. He's too happy!

Speaking of grandson, Tang Xiong immediately asked in surprise, "what about Xiaoxi? Why didn't Xiao Xi come here together? "

"Xiao Xi accompanied my parents on a trip abroad, which may take a month to come back." Xing liehan answers.

Tang Xiong was relieved when he heard this. At the same time, he saw his daughter and Xing liehan standing together. They were beautiful and handsome. He was very happy. So Tang Xiong was going to recruit a great son-in-law.

"Come on, don't stand at the door. Go in and have tea and chat!" Tang Xiong met them.

While Tang Yiyi, who was listening to them, didn't interfere. She wanted to inquire more about Tang Siyu and Xing liehan.

Qiu Lin pretended to be enthusiastic and walked out of the kitchen! Here comes the rain and the cold. Come in and sit down. "'Aunt Qiu." Tang Siyu called her lightly, which was a greeting.

Xing liehan ignores her existence directly. He is not happy to think of Tang Siyu's life in this family.

"Liehan, at this point, Xiaoxi really looks like you!" Tang Xiong knows whose grandson's outstanding appearance is inherited. It's not the Tang family's, but the Xing family's excellent gene!

Xing lie's cold mouth made him smile proudly, "yes, people who have seen Xiao Xi say they look like me!"

"Who said, my son's eyes look like mine!" Tang Siyu is unwilling to grab a sentence.

Xing liehan gave her a deep smile and gazed at her tenderly. "Our son was born together. Of course, we have our advantages."

This sentence, in Tang Xiong's heart, can't help but be happy to bloom. I didn't expect Xing liehan's feelings with his daughter, so sweet. So, he's determined to be a good son-in-law.

Tang Siyu's pretty face is a little red, she simply silent.

"Master Xing, have tea." Tang Yiyi is making tea attentively. At the same time, she is facing the direction of Xing liehan's eyes. She was originally wearing a slightly exposed skirt. When she stooped, the spring light was directly exposed.

As long as Xing liehan raised his eyes slightly, he could see that Tang Xiong immediately introduced, "liehan, this is my second daughter Yiyi."

Tang Siyu first glanced at Tang Yiyi's eager to expose the spring light in Xing liehan's eyes. She subconsciously looked at Xing liehan to see if the man had peeked.

Xing liehan, with long lashes hanging, was staring at a place on the table, and did not look up at Tang Yiyi at all.

Inexplicably, there was a little joy in her heart.

Chapter 196

When Tang Yiyi finished pouring tea and looked up, he saw that Xing liehan's eyes fell on Tang Siyu. There was a trace of jealousy and unwillingness in her heart. She was dressed so beautifully tonight that Xing liehan's eyes had not yet fallen on her.

She can't stay any longer. She runs into the kitchen. Qiu Lin looks at her. Tang Yiyi is biting her lips. Her face is obviously lost.

"Mom, what can I do? He didn't look at me at all. " Tang Yiyi gritted her lips and complained.

Qiu Lin's eyes flashed a cruel look. Did Xing liehan really like Tang Siyu? Does he know her past? When she was with Murphy before, she loved to come and go every day. She remembered that when she cleaned her room last time, she got some pictures of her, all of which were close photos with Murphy.

It seems that she should let Xing liehan enjoy it together.

She squinted her eyes and thought for a while. Then she had an idea. She asked the maid who was washing vegetables to do something. The maid immediately nodded, "OK! I'll do it later! "

"Mom, what did you tell her to do?"

"Just wait for the good play! Besides, I remember last time your father brought back a collection from abroad. Now I'll call Murphy to get it! "

"Mom, you want to call Murphy together?" Cried Tang Yiyi in a low voice.

"It's not busy!" Qiu Lin's eyes are full of ingenuity. She doesn't think it's messy enough here!

She came out of the garden from the side door. She picked up her mobile phone and dialed Murphy's phone.

"Hello! Auntie! " At that end, Murphy's voice was a little polite and alienated.

"Mufei! Are you free tonight? Come home for dinner and bring back a present from your father. "

"I'm sorry, aunt Qiu. I have something outside."

"Oh! now I see! I just think it's right to ask you to come over and have a meal if you are thinking of rain. "

"Siyu, too?" The Murphy's voice immediately surprised me.

"No, she just arrived. Mufei! Your father has been thinking about this collection! Come and get it tonight! "

"I....."

"I've made your meal, come here! Your uncle also needs a person to chat, and you will come back home to be more lively. " Qiu Lin gave mufei a lot of reasons. Even the steps he just refused were found for him.

"Good! I'll get there. " Murphy did not refuse.

Qiu Lin hung up the phone, and a sneer came up from her lips. Tang Siyu's new love and old love will have dinner together. It will be very lively tonight!

Seeing her coming in, Tang Yiyi asked in a low voice, "Mom, will mufei come?"

"Yes! I'd like to see how Tang Siyu deals with it. " Qiu Lin gave a snort, and she took Tang Yiyi and said, "go, sit next to your father and greet Tang Siyu. Remember what I said just now. You have to suffer any grievance tonight. Even if Tang Siyu shows you the face, you don't have to worry about her."

"Well! I know. " Tang Yiyi nodded and looked forward to mufei coming. Mufei was there. Xing liehan would be very upset. Maybe she could take advantage of it.

Master Tang Siyu and his father are talking about the change of his son's school. Tang Xiong hears that his daughter is about to move into Xing liehan's home. He goes to Xing liehan's path, "liehan! Where does my daughter have any wayward place, you can bear it, Siyu is a good girl! "

"Don't worry, uncle. I will take good care of her and Xiaoxi. I will let her do anything." Xing liehan is in front of Tang Siyu's father. He also wants to make a good relationship. After all, if Tang Siyu marries him, he needs his consent and blessing.

Tang Siyu's heart strings gently plucked, Xing liehan's words, I believe that any girl will have a feeling of being loved.

She looked up and saw Qiu Lin's mother and daughter coming. Her soft expression was slightly tense. Qiu Lin reported to her husband, "the meal is already being prepared, and it will be served soon."

"Good!"

"Fierce cold! I've heard so much about you! It's a great honor for us to have the opportunity to meet today. " Qiu Lin blushed and flattered.

Xing lie's jaw was cold, but he didn't speak.

"Sister, I'm free in your room. Don't worry. I'm ready. You can move back anytime." Tang yiyi's song Tang Siyu said with a smile.

Don Siyu didn't want to cooperate with her fake fishy appearance. She raised her eyebrows and said, "my room will be empty in the future, and I will come to live when I have time."

"Siyu, you can see that Yiduo is obedient. Last time you let her free, she immediately gave you free. How can you be sisters? Forgive her for her ignorance in the past!" Qiu Lin pleaded.

Tang Siyu knows that Qiu Lin's mother and daughter are performing for Xing liehan! Intentionally set off her strong hegemony, while Tang Yiyi pretends to be pitiful and innocent.

Tang Siyu wants to laugh in his heart. They may despise Xing liehan's view and investigation!

At this time, Qiu Lin looked at a servant carrying a box down, Qiu Lin immediately smiled, "Oh! Siyu, last time I cleaned up in your room, I sorted out all your important things. I think you can take them home this time." Tang Siyu was slightly shocked. Turning her head, she saw a servant coming with a box. She twisted her eyebrows. At this time, the servant who was carrying the box didn't know how to do it. Her body clanged and choked. The box in front of her immediately turned over on the sofa table, and all the things inside fell out.

On the top of it, naturally, are the photos of Tang Siyu and mufei before. There are all kinds of photos of mufei holding her horizontally, all of which are scattered on the table.

Tang Siyu's eyes are slightly gaping. Qiu Lin purposely walked five years ago because of her anger. So she and mufei forgot to take these old photos. Unexpectedly, Qiu Lin kept them.

Xing liehan's face was not good-looking for a moment, especially in front of him, a picture of mufei standing in front of a piano around Tang Siyu. At that time, Tang Siyu, with a long black straight head, smiled pure and charming, stood beside mufei, and the birds depended on people.

And Tang Siyu's happiness and sweetness in the picture are completely revealed from her eyes. She is closely following mufei's chest, like a happy little woman.

An indescribable taste grabbed his heart, which made him want to tear this picture directly, and he entered the goal. It was just a picture, beside which were all photos of Tang Siyu and mufei holding

hands, embracing and laughing, each of which was dazzling, which made him fully understand how intimate the past was between Tang Siyu and mufei five years ago.

Chapter 197

Qiu Lin scolded the servant after a while, "clumsy, what's the matter with you! Let you take things down well. Why do you spill them all? It's none of your business. Go to Ganfang and help! "

The servant was told by Qiu Lin to leave as soon as possible, and the photos on the table were so stabbed. Tang Xiong was also upset. He said to Qiu Lin, "no one is allowed to put the photos away."

"I'll do it!" When Tang Siyu finished, she got up and folded the photos. She didn't want them to fall into Qiu Lin's hands again.

Tang Siyu cleans up. Qiu Lin and Tang Yiyi look at each other and find Xing liehan's jealous eyes and expressionless expression.

Tang Siyu put the box aside after finishing cleaning. When she left, she needed to take it away.

At this time, the servant came, "madam, someone rang the doorbell."

Qiu Lin glanced at her. "That's not going to open the door."

"Who's here?" Tang Xiong is shocked for a moment. Isn't it just for their family to have dinner tonight?

"I don't know. It should be a guest." Qiu Lin also pretends to be silly, but she knows it's mufei.

The servant was instructed by Qiu Lin, so she opened the door and hurried to the hall.

The atmosphere in the hall was dull for a while. Tang Siyu could feel the cold breath of the men around him. He saw all the photos just now. She wanted to explain. But at this time, in front of the photos just now, her explanation was very pale.

She can't deny that five years ago, before that happened, she and Murphy were really in love. They did what any couple would do, except to break through the last layer of the relationship.

But for Tang Siyu, this relationship has already become the past style. Even if the photos just appeared in front of her, her heart has not fluctuated at all.

However, Xing liehan can't calm down. He knows that she and mufei used to love each other, but now he knows that they love each other like glue.

The atmosphere in the hall is silent. Even Tang Xiong doesn't know what to say at the moment. In a word, he's worried. Tang Yiyi's eyes are full of pride. She hopes Xing liehan will be angry with these photos, and her feelings for Tang Siyu will be greatly reduced.

Just then, footsteps came from the door, and mufei's figure suddenly appeared.

Mufei stepped into the hall. At the first sight, he saw Tang Siyu sitting on the sofa. At the same time, there was Xing liehan. His face was stiff for several seconds.

Xing lie's face was cold and gloomy. When he saw mufei coming in, Junyan was even worse. How could he appear here?

Tang Siyu is also shocked. How could mufei come? Her eyes swept over Qiu Lin, who was clearly sneering.

She understood. Qiu Lin called him to come here.

"Murphy, why are you here?" Tang Xiong looks at him in surprise.

"I I heard that uncle bought the paintings for my father. I'll come and get them. " Murphy said quietly. At this time, he didn't mention Qiu Lin's deception.

Qiu Lin also concluded that he would not say, "Murphy, you are here, just in time, we will have dinner soon. Let's go after dinner!" Qiu Lin stood up and said.

"No need aunt, I take things and go." Mufei's eyes are directed at Qiu Lin, and his tone is calm. Then he looks at Tang Siyu, but his eyes are tender and affectionate.

Xing liehan sits beside Tang Siyu, expressionless, but the air around him seems to be freezing, so cold that everyone here can feel it.

"Murphy, wait a moment. I'll go to the study to get the painting." Tang Xiong got up quickly. He also hoped that Murphy would take the painting and leave first. Tonight, it's really not suitable for him to come here.

Tang Xiong left. Mufei watched Tang Siyu lead Xing liehan home. His eyes were hurt and his loss was clearly reflected in his eyes.

"Mufei, sit down! Don't stand! It's not an outsider, it's all my own! " Qiu Lin greeted with enthusiasm.

Tang Siyu's face was stiff. At the moment, her mind was a little confused.

Mufei went to the sofa and sat down. Xing liehan suddenly reached out and took Tang Siyu into his arms. "Honey, it's stuffy here. Walk with me in the garden."

Tang Siyu's heart beat slightly. She turned to look at Xing liehan, only to see his handsome and cold look, and he clasped her hand and pulled her up involuntarily.

Tang Siyu can only stand up with him. Xing liehan pulls her up and goes straight to the outside of the hall. The garden of the Tang house is built with high walls for nearly one thousand square meters. The scenery in the garden is also good.

But at the moment, Tang Siyu's hand bone is pinched very much, and Xing liehan doesn't look like a person who wants to see the scenery. He takes her and rushes into the deep garden.

Tang Siyu felt that he was angry, as if someone had provoked him, and soon arrived in front of a big tree pole. Tang Siyu was pulled and pushed by his big hand, and her back was on the tree pole.

"Tang Siyu, I'll be in the place later, I don't want that man to be in too!" Xing lie warns.

Tang Siyu felt his powerful anger, she looked at him with a little consternation, "mufei is not what I called.""I don't care!" Xing liehan suddenly gets angry, with a heavy tone.

"If you don't want to stay here for dinner, go first!" Tang Siyu feels wronged.

"What? Want to keep him at home for dinner? Get rid of me? " Xing lie's long fingers suddenly pinched her jaw, and his eyes were even colder.

Tang Siyu was suffering from the pain. She reached out and tried to pull his finger. "Xing liehan, what are you crazy about?"

"Seeing those photos, do you remember your sweet past with him? Is it beginning to revive his old love? " Xing liehan said, his thin lips attached to her ear, "I'm not allowed, I'm not allowed!"

Then, with a strong anger, he grabbed her lips directly.

Domineering, rough, as if claiming sovereignty.

Pry open her lips and explore everything.

Tang Siyu's brain exploded. This man is crazy. Would you please choose a place? This is her family. She can't accept being treated like this by him.

Tang Siyu pushed him shamefully and angrily. Finally, she pushed him away. She called out in a low voice, "Xing liehan, what are you doing?"

"Say, now you think of him or me!" The man is domineering to question, possessive desire is strong to make people abhorrent.

Tang Siyu was a little fed up with it. She said with a grimace, "I don't need to tell you who is my business."

Xing liehan's eyes are sharp, and the bottom of his eyes is dangerous. "If it wasn't for me! That's not mufei either. "

Don Siyu really felt that he was making trouble. She pushed him away. "Have you done enough? Enough trouble. I'll give you the car. You can go first. "

Xing liehan knows that he's making a fool of himself, but if he doesn't do it at the moment, he will be very upset. As soon as he takes hold of her body, he wants to go, "let's go together."

Chapter 198

Tang Siyu is so pulled by him, her mood is also calmed down, and she doesn't want to eat here. Qiu Lin always does these moves, which makes her not in the mood to eat.

And she thought, Xing liehan certainly didn't want to eat this meal, so she had to say to him, "OK! Let's find an excuse to leave! "

Xing liehan saw her soft voice. Just now, he was dominated by jealousy. He was rude to her, and he felt a little regret. He led her to the hall and said, "excuse me."

In the hall, mufei is taking over the painting from Tang Xiong. He holds it and stops. He doesn't leave. He seems to be waiting for Tang Siyu to leave at a glance.

At this time, outside the door, Tang Siyu and Xing liehan stepped in at the same time. Xing liehan was close to her.

Sitting on the sofa, Tang Yiyi looks at their intimacy, and his eyes are almost jealous. How can Xing liehan treasure Tang Siyu so much? Where to lead? I'm afraid it's lost.

Murphy's face was also ugly. Although he decided to put down his feelings for Tang Siyu, he could not control some of them.

In particular, where Xing liehan is now, he keeps Tang Siyu close to him and shows off his sovereignty to him. Mufei is also a high-ranking person all the year round. He really dislikes such provocations.

"Uncle, if I have something to leave, Siyu and I will not stay for dinner." Xing liehan opens his voice.

Tang Xiong was stunned. "The meal has been finished. I will eat it right away. What's the hurry to leave?"

"There is something wrong with our company. I have to rush to deal with it. You can eat it! Siyu and I will leave first. "

With that, Xing Lihan leads Tang Siyu to leave. Tang Siyu still wants to deal with the photos. She releases his hand and says, "wait a minute, I'll take the bag."

Xing liehan had to let go of her hand, and saw her go to the sofa, take her bag, and at the same time, hold the carton together. Xing liehan's handsome face sank directly. This woman is so precious to these photos?

Don't forget to bring it when you leave?

Tang Siyu came to him with the picture. "Let's go!" I'm sorry, Dad. I'll come back for dinner next time

With that, she left first.

Behind her, mufei looked at her back, holding the hand of the painting, which could not help but tighten, and the share was too much to express.

It's a pity that he can't even catch up with her except to see her.

Qiu Lin didn't expect Xing liehan and Tang Siyu to leave even if they didn't eat. She said to mufei, "mufei, or you can stay for dinner!"

In fact, in Qiu Lin's heart, I hope mufei and her daughter will have a result!

I saw Murphy's expression coldly, "I have something else to do. Let's go first."

With that, he strode away.

After a good dinner, only three Tang family members were left to eat. Tang Xiong was very sorry.

Tang Yiyi also feels lost and fails to perform well in front of Xing liehan. Qiu Lin knows the fact that she offends Mu Fei.

Tang Siyu gives the car key to Xing liehan and asks him to drive. When Xing liehan opens the car, he thinks of something and says to her coldly, "don't move those photos to my car. I'm upset."

Tang Siyu blinked, "at least let me move back to deal with it! Do you want me to throw it in the trash? "

As soon as Xing liehan heard that she had taken it back to deal with it, he looked better. "OK, go back to my face and burn all these pictures."

"I'm still alive! What are you doing burning pictures for? " Don Siyu doesn't like it.

"Then cut it in front of me." Xing liehan added another sentence.

Tang Siyu nodded, "OK! Can I put it in the car then? "

"Let it go!" Xing liehan has no opinion!

Tang Siyu sat in the car, just at this time, her stomach didn't fight a grunt, made a sound.

Xing liehan immediately turned his head to stare at her, and Tang Siyu blushed, "what are you looking at? I just scream."

Because the voice is a little strange, she is afraid that he will misunderstand.

Xing liehan endured a smile, but he snorted, "why? Can't you even take care of yourself when your son is not at home? "

"I had some noodles at will at noon, but they were not delicious!" Tang Siyu laughed at himself.

Xing liehan leaned over and chuckled, "call husband, I'll treat you to a big meal."

Tang Siyu retorted, "call me sister, I'll invite you!"

Xing liehan taps her little head. "I'm a little ghost. I dare to be my sister."

Xing liehan thought that she was still hungry, and immediately stepped on the accelerator at her feet, and the sports car sped forward.

Tang Siyu sat in the car, thought about it, turned to look at Xing liehan and said, "mufei should have been deceived by Qiu Lin! Those photos were also intentionally spilled in front of you by her servant. "

"I know," he snorted

Tang Siyu sighed slightly in his heart. He knew it."I'm afraid I misunderstood you for explaining so clearly?"

"Didn't you just misunderstand?" Tang Siyu thought of the his punishing and rude kiss, and she was a little annoyed.

"Well, I apologize to you. I'm sorry." Xing liehan didn't put on airs. He confessed directly.

Now, Tang Siyu is a little embarrassed. She didn't want him to apologize. She just hopes that he won't be jealous again.

"Well, I accept your apology." Tang Siyu looked out of the window and answered softly.

On the street, neon lights flicker. The whole street is like a golden dragon, but it's romantic. Xing liehan turns on the music, which seems to be more emotional.

When they arrived at a restaurant, they went up together. Tang Siyu said nothing and ordered her favorite meal immediately. Xing Lihan added several dishes. After a few minutes, the dessert was served before the meal.

Tang Siyu was not polite either. He picked up a fork and put a taro ball into his mouth, and ate it with a puffed cheek.

Xing liehan looks at her. This girl is the only one who really shows her natural nature in front of him, unlike other women who pretend to be reserved and pretentious.

"I'm going to go back to my house tonight. I'm going to work from tomorrow." Tang Siyu thought that her son was not in his house, and she didn't have to live in it.

Xing liehan's hand is tasting red wine, and a pair of deep eyes are staring at her. "OK, you can go back where you want!"

Tang Siyu was slightly shocked. She thought this man would have an opinion, but on second thought, now that her son is not around, she is free, and she doesn't need to be interfered with anything she wants to do!

Is it that he has been used to bullying recently, forming a kind of servility?

Tang Siyu's strength of cutting steak increased, as if to protest silently.

Chapter 199

The man on the opposite side sliced his steak gracefully and looked at her exerting force. He didn't know what the woman was thinking all day long.

But at one point, he was sure that the woman didn't think about him all day long.

After dinner, Tang Siyu looked at the time early and said to the man beside him, "you don't have to send me back. You go back to your home! I can take a taxi back. "

"How can I let you go back alone so late? What's the matter with you? How can I tell my son? " Xing liehan said that he grabbed her wrist and walked to his sports car.

Tang Siyu thought that even if he was so happy to send her, she would not be affectable. She sat in his car, which happened to be not far from her home, and drove 20 minutes.

Tang Siyu got out of the car, took her suitcase from behind, and was ready to wave goodbye to the man in the driver's seat, when he saw him get off with the car key.

"You Why did you get off? " Tang Siyu looks at the man in surprise. Why does he get off the bus?

"Live here together." Xing liehan picks his eyebrows.

Tang Siyu's dangerous nerve immediately tightened. Later, she realized a problem. She thought she could live apart from him. It turned out that in this man's mind, this was not the case at all. He had planned to accompany her back here?

"I want to live alone and be quiet tonight." Tang Siyu can't help but express more clearly. However, her tone is gentle and not controversial.

Xing liehan glanced at her. "My house is upstairs, too."

Tang Siyu choked for a while, and her pretty face was a little red. Did she think more?

He just went back to his place?

Tang Siyu doesn't worry about this. If there is no son at home, she doesn't want to have those ambiguous things with him again.

She didn't hate him, just felt that some behaviors were enough and she didn't want to go further.

In the elevator.

Tang Siyu holds the box in silence, and the lid of the box opens to both sides. She and Murphy hold hands in a picture, and the big stab appears on the top.

Xing liehan is so tall that he can see the sweet past of this woman and mufei again without any trouble.

He twisted his brow a little impatiently, and his eyes flashed cold. He reached for the box in her hand and grabbed it. "I will destroy these things for you."

Tang Siyu is stunned and subconsciously wants to get it back. "No, I can deal with it myself."

Xing liehan made a little effort and said firmly, "I will deal with it more cleanly than you."

Xing liehan doesn't want her to touch these photos again. Women are all sentimental creatures. What if one of the photos reminds her of the past and gives birth to an old love for mufei?

Or, which photo has special significance for her, and she picks it up and keeps it?

Thinking of such consequences, Xing liehan would never allow her to touch these photos again.

Of course, Tang Siyu didn't want his personal belongings to be dealt with. She argued, "Xing liehan, this is my thing. I will deal with it myself. Give it back to me."

Xing liehan sneers, "are you willing to deal with it or do you want to keep it?"

Where does Tang Siyu want to deal with it? She really wants to break these photos and then pour them into the garbage can tomorrow. She doesn't want him to deal with them, because these photos are taken when she loves mufei most. In the photos, she is close to mufei, and she just doesn't want this man to see them.

Why did she have this worry? She couldn't say it, but she didn't want him to see it.

"No, I just want to destroy it." Tang Siyu shook his head and retorted.

But the man didn't believe her. The elevator door jingled. Xing Lihan took the lead in holding the box with both hands. After that, Tang Siyu followed him out and continued to plead, "Xing Lihan, return the box to me."

"No way." Xing lie answers coldly.

"It's clearly my thing. You have no right to take it." Tang Siyu is angry.

Xing liehan misunderstands her anger that these photos are still very important to her. His handsome face suddenly becomes gloomy and snorts, "I'll take them away, please give up!"

Finish saying, he pressed fingerprint to enter his room, when Tang Siyu chased over, he shut the door. Tang Siyu stared at the closed door and blushed with rage. What was the man going to do with the photos?

Tang Siyu hurried back to her room, intending to enter from that door, which knew that door was locked by the man at that end.

She knocked on the door. "Xing liehan, open the door quickly and give me the photo back."

However, people at that end are not bothered to talk to her at all.

With a rage, Xing liehan slams the box on the floor. Then, he takes out a pair of scissors from the side. He squats down, takes a lovely photo frame and takes it apart. He takes out the photo inside. He does it without hesitation and cuts it.

Just as he is cutting off the feelings of Tang Siyu and mufei, he will use his actions to cut off all the relations between them. Time has passed for more than ten minutes. Xing liehan's floor is full of cut photo scraps. He has never been so patient to do a boring thing. Now, he is very serious and patient.

But every time he picked up a picture, he had to endure a frenzy to appreciate it again. He was really upset. Looking at the green and immature woman in the picture, all her girlhood time was given to Murphy, and he was angry.

Damn it, why didn't he know this woman earlier? Five years ago, he should have seen her clearly. Then, he should have counted that night on her head and forced her to be responsible for him.

Instead of losing five years, he found her back and wasted his five years.

In the cold hall, Xing lie's figure sits on the floor. In the air, he only hears the clear and pleasant click sound. Each picture is cut into pieces by him. Next to it, the pieces are scattered all over the ground.

Xing liehan's eyebrows and eyes were full of a thick black fog, which was the anger rising from his chest.

Through these photos, he has fully appreciated the love of Tang Siyu and mufei. This woman is like a rose with thorns to him now. How could she have been a shy little woman to mufei before?

Damn it, it's really different! Xing liehan is more and more angry and ruthless.

And this picture, in the light, if someone saw it, would feel very funny, because this man is full of satanic breath, but he is doing childish behavior.

But who cares? Xing liehan doesn't care. He just wants to turn all the pictures that this woman still cares about into ashes.

Chapter 200

After Tang Siyu knocked on the door, she simply stopped knocking. Anyway, these photos are all to be processed. Whoever handles them is the same.

Even if he wants to deal with it like this, let him deal with it!

She didn't sleep well last night. She went to bed if she wanted to take a bath.

Tang Siyu took a bath, washed her hair and blew her hair. The hour passed. She was leaning on the balcony, enjoying the night scene.

There was a door pushing sound behind lengbuding's back. She was stunned for a moment. Turning around, she saw a man with a gloomy face coming. She was slightly wringing her eyebrows. Who had offended him?

"Have all the photos been processed?" Tang Siyu asked him if he didn't deal with it, she could take it back and deal with it herself.

Xing liehan's slender body stepped into the balcony. Tang Siyu's nerves tightened. The next second, the man pulled her into his arms, clasped her back head in one hand, hugged her waist in the other, and kissed her domineering way.

"....." What kind of nerves does this man have? How can he kiss people if he doesn't agree?

Tang Siyu felt his kiss, with a rage, as if a fierce animal was angry, at any time want to break her bones into his stomach.

Such a night, bathed girl, sweet as the cherry of the season, it's hard to let go.

Her body exudes a light fragrance of shower gel, mixed with her unique fragrance, which can really make men crazy immediately.

The man began to be rude.

"Let go..." She made a protest from her red lips. What is the man doing?

What does Xing liehan want to do? He only wants to do what a man wants to do most. His reason is that after seeing the photos just now, they no longer exist. Now they only exist in his brain, only her pure and charming figure in the photos, and her bright eyes and big teeth smile.

This made him eager to possess her beauty, as if only in this way can he declare possession.

Since I met Xing liehan, even if I kissed him or hugged him, he would not be aggressive. But at the moment, Tang Siyu felt that the man was too dangerous to control.

The fear, the fear, the pain, came up in a flash, and she began to tremble.

"No." Her broken voice was a plea and an order.

Where is Xing liehan willing to stop at this moment? He has exhausted all his patience for her. He has never spent so much time on behalf of a woman. Although he is willing to wait, what he wants is to pay with results and rewards. Now is the time for this woman to repay him.

In a flash, Xing liehan's thin lips smelt a little salty. He was shocked, and immediately released her. He stopped all the actions on her. He looked at the girl with tears running up and resentment on her face.

She seemed to be frightened. At this moment, she was biting her lips to death, with thick and long eyelashes hanging, and tears came out of her eyes one by one.

Under the dim yellow light, she became fragile and fragile.

Xing liehan's heart seized in an instant, and he couldn't breathe because of the pain. He held her tightly in his arms and apologized in a low voice, "I'm sorry, I scared you?"

Don Siyu reached out and pushed him away. "Go back to your house!"

Xing liehan's thin lips were cauterized between her hair, trying to bring a little comfort after the event.

However, Tang Siyu doesn't need it. At the moment, she just wants to be quiet. There's a touch of pain in her body.

Xing lie takes a breath. At the moment, he really regrets and feels guilty. He wants to give himself a blow. What happened to him just now? He wanted to ask for her again.

Tang Siyu hurried into the hall, then into her room and locked the door.

Xing liehan stood in the hall with his eyebrows twisted and looked at the closed door. He seemed to see that what happened just now made the woman's heart door close a little more.

Xing liehan is sitting on her sofa. Where can he sleep tonight?

He wants to wait here. In the morning of tomorrow, as soon as she appears, he apologizes to her again and asks her to forgive him.

Tang Siyu was lying in the room, looking at the ceiling. She was totally lost. There were still traces of rudeness in her chest, and a little swelling in her red lips.

This night, the two people behind the door are doomed to some insomnia.

Early morning.

Tang Siyu is woken up by a phone call. She picks up Ye you's phone and picks it up.

"Hello! Ye Jie. "

"Siyu, can I get to my studio before 10 o'clock?"

"Yes!"

"OK! I'll see you at the studio. "

"Well! All right! " Tang Siyu smiled and hung up.

She got out of bed and went to the bathroom to wash her cold face to wake herself up. It seemed that she didn't go to bed until three in the morning last night.

She changed her clothes and came out, thinking that Xing liehan must have returned to his room last night. Unexpectedly, she opened the door and saw a man sleeping on his sofa. She was stunned for a few seconds. Did he sleep on her sofa last night?

The sound of her pulling the door woke the man on the sofa. Xing liehan immediately sat up and looked at the woman who had changed her clothes. He was surprised and asked, "are you going out?"

Tang Siyu takes a look at him. He doesn't want to talk to him. He is going to leave. Xing liehan stands up and stops her. "Where are you going?"

"I go to work." Tang Siyu bit his lips and answered him. He picked up the bag and went out.

She arrived at the parking lot and left in her own car.

Xing liehan also went back to his room, took a bath, changed his clothes and went out to the company, but on the way, last night that matter still bothered him.

It seems that, in the future, he can't make such a fool, otherwise, it will only make this woman hate him more and more.

Tang Siyu arrives at Ye you's studio, where there is a very good piano. The recorder begins to record a section of her earlier stage, first recording the first time, and then mixing and editing.

Tang Siyu and ye you stayed until the afternoon. The atmosphere in the studio was very relaxed. Tang Siyu and several young assistants played together.

Just then, a staff member came outside to Tell ye you that someone had brought a meal and coffee.

"What?" Ye you was also surprised because she didn't order a meal!

The staff had to be sent in, only to see three girls in caf é uniforms come in with a push of desserts and coffee drinks.

"Who ordered it, please?" Ye you asked a waiter with a smile.

"Mr. Xing liehan entrusted us to deliver it! Please sign here. " The waiter smiled.

Ye you listens, turns to Tang Siyu and smiles, "Siyu, this word, you sign it!"

Tang Siyu also stayed for a few seconds. Unexpectedly, Xing liehan sent the food and drink here. But now it's here. Just as everyone is thirsty and hungry, she can't push it.

She went to the order in front of the waiter and signed her name. As soon as the waiter left, everyone picked up the full material and began to drink.

"Wow! I know this dessert. It's very expensive. "

"Give so many, at least a few thousand!"

"Sister Siyu, what's the relationship between you and Xing liehan! Are you a boyfriend and girlfriend? " An assistant asked curiously.

Tang Siyu's pretty face blushed slightly. "No."

"You little assistants have no vision. It's clear that Xing liehan is pursuing our Siyu." Ye you added.

Suddenly assistant secretly wow, did not expect Xing liehan such a man, still need to actively pursue girls ah!
