

UNASSAILABLE CEO DADDY

Chapter 57

"Try to find time to see it!" Tang Siyu hopes she can come.

"I want to, too! But recently, the play has been under a lot of pressure. It's going to start broadcasting years ago! Now I have the same life of fighting every day. It's hard for me. " That's Sue's complaint.

"Well, then you should concentrate on the production first! Let's talk about it after shooting. "

"Well, I'll go to make-up first, and I'll be shooting again soon.

"Go!"

Hang up the phone, Tang Siyu enters the bathroom to wash, she calls Ye you, she just starts rehearsing at 10 in the morning, let her go.

After breakfast, Tang Siyu drives to find Ye you and rehearses until the afternoon. Due to the repeated rehearsals in the evening, Tang Siyu has to call Xing liehan to pick up his son and ask him to take the little guy out to eat something in the evening.

That end Xing lie cold light should a, he is not take the son to eat outside, but in an instant call home, tonight home to eat.

Tang Siyu's piano rehearsal was very successful. She had many years of on-stage performance and rich on-site experience. Ye you spoke highly of her. In the future, there will be new music to accompany her. Tang Siyu is also willing to take such a job.

Until nine o'clock in the evening, Tang Siyu drove back. She thought about whether her son had come back. She had just parked the car downstairs and got out of the car. She saw a red rally car with double flashing lights also opened the door. Tang Siyu was sure to see it clear, but she was shocked.

I saw Tang Yiyi staring at her with a face full of resentment.

Tang Siyu immediately cold face, calmly staring at her, "what are you doing?"

"Tang Siyu, to be honest, did you look for Murphy before I got engaged?"

Tang Yiyi clenched his fist and asked angrily.

Tang Siyu bit his lips. "Doesn't he love you or not? Don't you have a number in your heart?"

Tang Yiyi suddenly yelled, "Tang Siyu, you don't need to talk nonsense here. What did you say to mufei? Do you still want him back to you? "

After hearing this, Tang Siyu sneered directly, "Tang Yiyi, the man you slept with, I will never ask again."

Tang Yiyi was stunned for a few seconds, but he didn't believe it. "Oh, Tang Siyu, you are raising your son alone, and your son doesn't know where he is wild. Now, you want to find a man to support him with you, right? Murphy is rich and handsome, and it's still your old love. How can you let it go? "

Tang Siyu heard her voice maliciously scolding her son. She trembled with anger. "You can scold me, but I won't allow you to scold my son."

"Why should I scold you?" Tang Yiyi is also angry now. "I will not only scold, but also tell everyone that you are colluding with wild men to grow wild seeds."

Tang Siyu was less than half a meter away from her. At this moment, this sentence directly made her rational disappear. She raised her hand and slapped it on Tang Yiyi's arrogant face.

Tang Yiyi is in pain for a few seconds and doesn't respond. When she responds, she immediately goes crazy and grabs Tang Siyu's hair to fight with her.

Of course, Tang Siyu doesn't want to fight with her, but she can't hide. The war between the two girls has been triggered.

The two men were fighting together on the grass beside Tang Siyu. This was originally a high-end apartment. Usually it was quiet here. At this moment, no one passed by to argue. The two girls were fighting together on the grass.

In terms of combat effectiveness, the two girls are slim and equal, either pulling their hair or grasping their faces. Tang Siyu avoids the attack of Tang Yicai's face. She kicks her belly hard. Because she was originally a high-heeled shoe, Tang Yiyi immediately falls beside her, covering her abdomen with her hands loose.

The two girls are not so good. They have hair on their heads. They are covered with grass scraps. Their eyes are red with anger. Tang Yiyi's scalp is burning with pain. There is a shocking red mark on her forehead. Fortunately, they don't bleed or leave scars.

However, after a power fight just now, the two girls have no strength. Tang Yiyi's stomach is still very painful. She covers her stomach. Under the light, she looks like a ghost staring at Tang Siyu.

"Tang Siyu, I hate you. You have ruined my happiness. You will never be happy in your life."

Tang Siyu's legs were also a little shaky. She leaned back against her car door, reached for a long, messy hair on her forehead, and showed a delicate white face. She clenched her teeth and warned, "Tang Yiyi, you can't keep a man yourself. What's the matter with me?"

"You let Murphy leave me."

"I didn't!" Tang Siyu replied angrily.

"Have you seen him?" Tang Yiyi asked.

Tang Siyu gasped for a few seconds immediately, and replied, "yes, I met him when I bought the piano, but I never asked him to cancel the wedding or something! I even bless him, Tang Yiyi. He canceled the wedding because he didn't love you. Don't push the responsibility on me. "

Tang Yiyi bit his lips. "I don't believe you. It's you. You're responsible for me, because I slept with him five years ago. You have a grudge."

"Yes, I hated you five years ago, but now I don't care to hate you at all." Tang Siyu said, biting her lips, "if you dare to come to me again, I will not be polite." After that, Tang Siyu took off the high-rooted shoes. She had just been kicked on her leg by Tang Siyu, which made her leg bone ache. She thought it must be red and swollen. She just carried a pair of high-rooted shoes, scattered a long hair covered with grass scraps, and forced her leg bone ache to the direction of the elevator.

Behind him, Tang Yiyi suddenly went crazy and found a stone. He smashed the new car of Tang Siyu.

Tang Siyu hears the noise. She doesn't care. The car is broken. It's just for repair. But Tang Yiyi, a crazy woman, really doesn't want to pay attention.

When Tang Siyu got on the elevator, she saw that her face was pinched red from the smooth mirror, which was as ugly as a female ghost. She secretly begged that Xing liehan had better not bring her son back. If she saw this virtue, her son would be scared.

When Tang Siyu came to the door, she reached out and pressed her fingerprint. The door opened with a jingle. When Tang Siyu stepped in, she was shocked by the dazzling light in the room. Before she could respond, a clear milk voice sounded, "Mommy..."

Tang Siyu had already entered the door, and she was shocked. Then she heard a cry of panic, "Mommy What's the matter with you? "

Tang Siyu thought that only her son was there. He didn't know. From the sofa in the living room next to her, a handsome figure came lazily.

She is embarrassed appearance, so unprotected by this man to appreciate.

"Mommy, what happened to your face? You have a lot of grass in your hair! "

The little guy is not very good at expressing his love, but a little face is too anxious.
