

UNASSAILABLE CEO DADDY

Chapter 60

Murphy's eyes flashed a flash of surprise. He looked at one of the doors. It was Tang Siyu's home. The other door directly opposite her door must be the owner who opened the third suite.

"Well, let's go and see the one upstairs." Murphy said to the intermediary, and gazed at Tang Siyu's door, sighed and followed the intermediary into the elevator.

The building on the upper floor is a 240 flat super large apartment. Murphy just glanced at it and decided to ask for it. The intermediary was so happy that he could not close his mouth. He had never seen such a cheerful customer! Just signed his contract.

Murphy frowned at the furniture, which didn't meet his standard. He decided to let the furniture company come and move away immediately. He needed to replace another batch of furniture. He had to move in as soon as possible.

Tang Siyu is in rehearsal. Ye you's singing is full of feelings and a touch of sadness. The accompaniment of piano, together with her charming voice line, is fascinating.

At the end of the song, ye you points out to Tang Siyu, "your piano is very good. I believe this concert will be very successful."

Tang Siyu said with a smile, "you are sure to succeed."

"It's another week. When you have friends to come to the concert, I will give you some seats in the front row for free."

"Thank you. Can I have two?" Tang Siyu asked with a smile.

"Of course! Who are you going to come here? "

"I'll get my son here." Tang Siyu also hopes that when she plays, her son can come to the stage. The reason why she wants two is that she wants to bring her son to Xing liehan, who is so young that he must be accompanied by an adult.

This time it ended earlier. At about five o'clock, Tang Siyu took Ye you's two tickets and left. She took a taxi home. She knew that her son had been picked up by now. She looked at the parking place. Her car had been towed away. It seemed that Xing liehan had repaired it for her.

She wrote down the relationship. If he needs any help in the future, she can return it to him and the man. She hopes to draw a clear line between everything and avoid entanglement.

When Tang Siyu came home, her son didn't come back. She went to the front door and pulled it. She locked it. She knocked several times and didn't answer. She should not have come back.

Tang Siyu has some complaints. Why doesn't she have authority in this gate? Xing liehan is too confident. Does he think that a woman will like him?

Tang Siyu was biting her lips. Just then, when she heard the doorbell, she thought to herself, it must be her son who has come back. She did not look at the cat's eyes, so she opened it.

However, what she saw outside the door was not her son and Xing liehan, but the man she didn't want to see.

Murphy.

"How are you?" Tang Siyu stared at him angrily.

Murphy chuckled, "you really live here! It seems that there is nothing wrong with my news. "

Tang Siyu has some breathing passages. "What can I do for you?"

"Nothing, I just want to come and say hello to you." Murphy didn't want to frighten her either. He said to her, "may I come in for a cup of tea?"

"I don't have tea at home, it's inconvenient." Tang Siyu certainly wouldn't let him in. There were still a few scratches on her face. She covered them with powder.

Mufei looked at her so alert look, he was a little lost, gentle way, "Siyu, you can rest assured, I will never hurt you, will not mess with you, even if I like you, I am a gentleman, I will respect you."

What Tang Siyu can't stand most is his gentle and harmless expression. She bit her lips and didn't make a sound for a while.

However, when Murphy said this, Xing liehan stood in the corridor behind him, holding Tang Yixi's children, and listened to Murphy's words.

Tang Yixi's little friend is slightly gaping. Unexpectedly, a man is confessing to Mommy? He quickly raised his head and looked at his father to see his expression. However, Xing lie's face was expressionless and his eyes were cold. He led Tang Yixi to his door.

Tang Siyu hears the footsteps. She quickly looks out into the corridor. Mufei sees her looking into the corridor. He also looks back. He suddenly sees a pair of father and son coming. When he looks at the man's face carefully, his eyes are shocked for a few seconds. The man is Xing liehan.

Xing Lihan also recognized him. The Mu family is also well-known in the business world. As the current supporter of power, Xing Lihan naturally recognized him.

At this time, a young voice called out to Tang Siyu, "Mommy, who is this uncle?"

Tang Siyu looked at his son and looked at mufei. "He's nobody. He'll come over for dinner later."

"Well! I'll come with Daddy, Mommy. I'm glad you cooked dinner for me and Daddy The little guy is young, but he has a plan. He wants the man who confesses to his mother to hear that his father is around. He'd better not express his love in disorder.

Xing liehan leads his son into the room and slams the door. Tang Siyu was shocked. Mufei looked back at Tang Siyu in astonishment. "That kid was your son just now?"

"Yes." Tang Siyu gave a light reply.

"Is he Xing liehan's child? The man you cheated on was Xing liehan The handsome face of Murphy suddenly showed pain and unwillingness. He never thought that the child born by Tang Siyu was Xing liehan. Murphy was also a man who wanted wind and rain in the business world. However, compared with the great empire of Xing's group, Murphy group always seemed to be a few steps behind, so at this moment, he would be shocked and panic.

Tang Siyu has a man beside her. He is the only one who can't match him. No wonder Tang Siyu would back from marriage. It turns out that Xing liehan is beside her.

Tang Siyu just wants mufei to stop pestering herself, so she has to admit, "yes, you have seen it, his son and I have it, you should give up!"

Murphy's heart was stabbed a few times. He gasped for breath. He shook his head and said, "no, I believe it's just an accident. Siyu, I will wait for you no matter if there are other men around you."

"You're crazy. I don't need you now." Tang Siyu was in a hurry to speak out. Murphy didn't believe it. He bit his lips and said, "five years ago, I'm sorry for you. Now, even if you don't need me, I'll be by your side until you find your happiness." With that, Murphy said with a unsteady breath, "I live upstairs, and then we will be neighbors of the upper and lower levels."

"What?" Tang Siyu's eyes widened in amazement, and Murphy also moved here?
