

U. CEO Daddy 611

Chapter 611

When Suqin got home, it was almost ten o'clock. When she came home, her mother heard her voice coming back and asked, Suqin let them all sleep, and Suxi was asleep.

She didn't wake her up, so she quietly went back to the room and closed the door.

She gently breathed a sigh, an invisible stone landed safely in the bottom of her heart. Sometimes, love will complete a person, sometimes, a little carelessness will destroy a person.

She hopes Lin bingyue can find her happiness in the future.

Suddenly, her mobile phone rings, it's the sound of information. Su Qin is stunned. It's so late. Who will send the information? Is it him?

Su Qin picked up his mobile phone, and really thought about what it was. As expected, it was sent by xuanyuanchen. There was only one sentence, "are you home?"

"Here we are." Suqin hurried back to the past.

"Asleep?" The man continued to ask.

"Not yet."

Suqin returned the message, just put down the phone, her phone began to ring, she quickly picked up, a look and then picked up.

"What's the matter?" Suqin sat on the edge of the bed and asked with a smile.

"Are you running away from me? Why do you want to run back to your mother's home? " A low complaint from the man.

Suqin can't help being amused by his accusation, "no! I just took Miss Lin by the way. "

"My people will take her home safely, but you've run with her. I'm sleepless now. How are you responsible?" Xuanyuanchen seems to have a lot of opinions.

"You have a good rest. Don't think about it." Suqin comforted me.

"I'm used to holding you, only to find that without you, I can't sleep steadily." Xuanyuanchen sighed at that end.

Suqin is speechless, just hold for a night, can let him become accustomed to?

"Sleep! See you in two days, will you? " Suqin can only coax him.

"I'll see you and my parents as soon as I can, and then we can discuss the marriage earlier."

Suqin's heart suddenly jumped. How could marriage suddenly come to this step? She hasn't got much mental preparation.

"And when are you going to introduce me to your parents?" Xuanyuanchen asked.

"Can you Wait a second. " Suqin advised, at least let her talk to her parents first!

"I can't wait. I'll go to your house for dinner tomorrow."

"Ah? Are you coming? "

"What? Don't welcome me? "

"No."

"That's the decision. I'll come tomorrow night." Xuanyuanchen's words seemed to fall like an order.

At the same time, I hung up.

Suqin looks at her mobile phone, her heart is beating. She can't expect her parents to know what their reaction will be if their boyfriend is him.

What to do? He is coming tomorrow.

This evening, Suqin had some insomnia. She was also sleepy until nine in the morning. She got up and went downstairs. She didn't see Suxi.

"Where's Xiaoxi, mom?" Suqin went to the kitchen and asked her mother.

"Xiaoxi asked lichen to take him away early in the morning. He said that he had made two wild animals on his side to make up for Xiaoxi. She might come back for a few days." Li Qian said.

Su Qin brings a bowl of noodles to eat. Li Qian cleans up the kitchen, as if she is going out to buy vegetables.

"Mom, are you going to buy some food?" Suqin stopped her at once.

Li Qian replied, "yes! Go early. You can buy fresh vegetables. Do you have any special dishes you want to eat? "

"Mom, buy more! You can buy some of your best dishes, and some fruit. " Suqin said, thinking of letting her mother mention so much alone, she immediately said, "Mom, wait a moment, I'll go with you."

"What can I do for a dish?" Li Qian hopes that she can have a good rest at home.

Suqin, eating noodles, said to his mother, "Mom, there's someone coming to our house for dinner tonight."

"Who is it!" Li Qian immediately asked curiously.

Suqin's face was a little shy, but she replied positively, "my boyfriend."

Li Qian can't help being pleased. "Is that the one you're seeing now? Are you going to bring it back?"

"He said he would come home for dinner tonight." Suqin nodded, a little embarrassed.

Li Qian finally breathed a sigh of relief. Her daughter was willing to take her home, which means that she was sure that it would be done. She said, "OK! We'll go together later. We'll buy whatever he likes."

"OK, wait for me." Suqin lowered his head and ate noodles quickly.

After eating, she went out with her mother in a thick dress and went to the nearby vegetable market. The dishes were very fresh in the busy morning. Li Qian bought many fresh dishes and Suqin picked some fruits.

At noon, I said hello to Su Boyan and asked him to come home early in the evening. It must be an important thing."Xiaoqin! Can you tell me first what your boyfriend does, and what he does is not mentioned by you." Li Qian picked vegetables a little and asked curiously.

"Mom, at night, let him tell you!" Suqin plans to wait for xuanyuanchen to come.

If she told her mother his identity now, I'm afraid her mother would have to be nervous from now to night, so it's better not to say.

"You! What a mystery! How old is he?"

"Thirty two."

"Four years older than you! He won't be a second marriage!" Li Qian immediately worried about it. There are fewer men who are still married first! I'm afraid my daughter doesn't know each other well.

"No, he just married later." "It's funny," Suqin explained.

Li Qian is still worried. "Thirty two, is there anything wrong?"

Suqin chuckled, "Mom, don't worry. You will know when you see him in the evening."

Li Qian can only want to see her at night. However, at this age, she is worried.

Suqin returned to the room and sent a message to xuanyuanchen, "I told my parents about your coming to dinner in the evening. What time would you like to come?"

"It could be around six." Xuanyuanchen returns a message.

"Good! Then we'll wait for you. "

"Didn't you tell them who I was?" Xuanyuanchen asked again.

"No, they will know when you come."

"Good. See you in the evening."

Suqin breathed. She wanted to make a cup of coffee. She didn't sleep well last night. She had a cup of coffee to refresh her mind. As time went by, Suqin's heart became nervous. Su Boyan came back at 4:30. Li Qian also raised Suqin's boyfriend's age. For her, her daughter could choose a younger man.

"Thirty two is OK!" Su Boyan has no problem.

"Why is it OK? When you were thirty-two years old, Xiaoqin was seven years old. Do you think that men of this age really have no problem? "

"Let's have a good look at the people we see tonight. If you are not satisfied with it, you can discuss it with Xiaoqin."

"Ah! I'm afraid I'm in a hurry, so she won't choose. She'll find a man to marry. " Li Qian said reproachfully.

Chapter 612

Su Qin looks at the time from time to time. Li Qian is busy preparing dishes in the kitchen for tonight and from four o'clock. Su Boyan also attaches great importance to the future half of his eldest daughter. He takes out the best tea, wine and cigarettes, and waits for them to come. He can greet them well.

Suqin looked at half past five. She went into the kitchen to help and came out to see the gate.

Li Qian looks at her daughter's absent-minded expression, which must be waiting for her boyfriend.

"What time did he say to come?"

"He said six."

"Well, it's cold. I'll cook when he comes, lest it's cold and not delicious."

Li Qian can't wait to see what her daughter's boyfriend looks like.

Finally, at five fifty-five minutes, Suqin saw a light coming from the door. Her heart filled with excitement. She walked to the gate and opened it. There were cars around her yard, not far away. There were also watchers.

He's coming.

Among the many black cars, Suqin drove towards the gate of the yard. Suqin smiled and watched. Only one car came in. The car around her yard turned off the lights and lurked in the dim light. It formed an invisible protective wall to protect the men who entered the yard.

Su Boyan and Li Qian stood at the door, looking at the car driving into the courtyard door. They were tense.

At this time, they saw Suqin standing in front of the door in the back seat. For a moment, a tall black figure was opposite her, as if talking about something.

"Very high!" Li Qian immediately said happily.

Su Boyan felt that this man was not only tall, but also had a special temperament, like the dignity of the superior.

He also noticed, of course, that there were people in the he driver's seat and the Deputy he driver's seat, but they didn't get off.

Suqin looked at the man standing in front of her. Her heart was full of sweetness. He finally came.

"Are the cars all around you?" Suqin asked with a smile.

"Well! Li Sen has to arrange it this way. " Xuanyuanchen feels helpless.

"You have to be sure of your safety." Suqin thinks that's the right arrangement.

Xuanyuanchen slightly a little funny bent down, "I'm on the future mother-in-law home to eat."

Su Qin chuckled, "let's go! My parents are waiting to see you! "

"Wait a minute, I'll bring the present." Xuanyuanchen finished, went to the back room, full of gifts, expensive drinks, and maintenance products, of course, as well as his gifts to her family, all of which are not cheap.

Xuanyuanchen put two pieces of light to her hands, "help to bring in."

"Why do you bring so many presents?" Suqin is a little speechless.

"For the first time, I can't afford to be rude." Xuanyuanchen attaches great importance to this meeting.

Suqin carried two packing bags for him, while xuanyuanchen still held several bags in his hand, and they walked towards the gate.

At this moment, the light in the yard is not bright. Su Boyan and Li Qian stand at the door and wait for a while, watching them coming towards this side.

"Here it is." Li Qian couldn't help getting excited.

"It's coming. What are you nervous about?" Su Boyan said a word to his wife.

Along with them, they looked at the man who accompanied their daughter. He was tall and upright, with extraordinary air.

And his face, little by little, was reflected in the light. He was young and handsome, with three-dimensional and profound facial features. At the same time, his face also made Su Boyan's eyes wide open. His breathing was smothering, and his heart disease was about to come out.

My daughter's boyfriend is

"How familiar I am! Have I met anywhere?" Li Qian's husband asked, "she is a cook in the family. She usually accompanies her husband to read political news. At this moment, she sees xuanyuanchen, only familiar with her face."

However, Su Boyan recognized it at a glance. Just now, he said that his wife was nervous. Now, he already felt nervous.

My daughter's boyfriend is the young president! No wonder he met Mr. President at the door of his home last time. It turned out that he was in love with his daughter!

Suqin immediately stepped up to her parents' side, saw her father's expression, she knew that she had recognized it, looked at her mother again, and looked at xuanyuanchen up and down.

"Hello, uncle and aunt." Xuanyuanchen greets with a smile.

Su Boyan was so excited that he didn't know what to say, but he extended his hand and said to xuanyuanchen with great respect, "welcome, Mr. President."

However, xuanyuanchen's hands were full of things. At this moment, he immediately handed them all to one hand and drew out his hand to shake hands with Su Boyan.

After shaking his hand, Su Boyan went to pick up the heavy bottles of wine on his hand. Xuanyuanchen immediately asked for them, "uncle, I'll bring them up."

Li Qian on the other side was also shocked for a few seconds, my God! It finally occurred to her where she had met him. He turned out to be Mr. President!"It's Mr. President! Come on.. Come in, come in. " Li Qian is directly over excited.

"Uncle and aunt, just call me Xiaochen." Xuanyuanchen really doesn't want to be honored like this.

One side of Suqin is also very helpless, his identity, no matter how to introduce to their parents, will make them over nervous.

"Mom and Dad, you're just as polite to him." Suqin said with a smile.

Xuanyuan Chen enters the hall of Su's family with a smile, and puts the gift on the sofa. Under the light, Su Boyan and Li Qian can more clearly look at Xuanyuan Chen. How can they not imagine that the most noble man in this country suddenly comes to the house, and he still comes as a daughter and boyfriend.

If his daughter married him, would she be the president's wife of the country in the future? The news is really amazing.

"Don't be surprised, mom and dad. I've been dating him for nearly half a year." Suqin explained, sitting beside xuanyuanchen, and smiled at him.

Li Qian thought that her daughter was hiding so tightly. It turned out to be the same thing.

"Uncle, aunt, stop standing, sit down and chat!" Xuanyuanchen is also a little nervous. Even though his status is noble, now he comes here to see them as a junior.

"Xiaoqin, you dare not say anything, so that we can have a preparation in mind." Su Boyan scolded his daughter.

"No wonder Xiaoqin didn't come earlier to say hello." Xuanyuanchen took the mistake to himself.

"Where, you are busy at ordinary times. It's normal that you don't have time. I don't blame you." Li Qian said with a smile.

"Mom, don't be polite to him. Just greet him normally." Suqin said on one side that he didn't want his parents to see xuanyuanchen, which was too restrained.

Chapter 613

Li Qian goes to the kitchen to have a busy dinner. Su Boyan makes tea outside and greets xuanyuanchen. Su Qin accompanies her. From time to time, Li Qian looks at the men in the hall through the glass window of the kitchen and feels like a dream.

No, it's more unreal than a dream! Mr. President is his daughter's boyfriend. When she thought of the afternoon, she suspected that he was too old and had other ideas. At this moment, she took them back quickly.

In the hall, Su Boyan could see that he was still very nervous. When he talked with xuanyuanchen, his tone showed respect for him. He did not put him on the identity of his daughter and boyfriend at all.

Suqin knows that her parents are nervous. She says to xuanyuanchen, "I have something to show you. Come upstairs with me!"

"Good!" Xuanyuanchen immediately stood up with a smile. Su Boyan watched them go upstairs. He breathed and walked into the kitchen.

The two couples began to see each other face to face. At this moment, they didn't even have the chat content, only the common shock in their eyes.

"Is the child really in touch with the president?" Li Qian asked her husband in a low voice.

"It's all brought home. Of course, it's true. I just didn't expect it!"

"Xiaoqin must have known Mr. President when he was working in the presidential palace. Ah! Mr. President looks younger than on TV. He looks better! " Li Qian laughed. Just now, they were too frightened. At this moment, they were excited.

In Suqin's room, xuanyuanchen looks at the small room that she cleans up. Suqin's family is not very rich. This is a small villa with yard built by her father in his early years.

Xuanyuanchen's tall body stepped in, and the room became crowded. Xuanyuanchen sat on her bed, looked up and asked with a smile, "what can I see?"

Suqin smiled and looked at him. "Nothing to see, just bring you up and let my parents breathe a sigh of relief. Your presence makes them very nervous!"

Xuanyuanchen helplessly smiled, "I didn't expect to be like this, I really hope my identity won't scare them."

Suqin sat beside him and comforted him, "don't worry! They will accept you soon. "

Xuanyuanchen looked at her with deep eyes, "I will mention our marriage to them tonight. Do you have any opinion?"

"Suqin slightly gaped," you want to mention tonight

"The sooner, the better." Xuanyuanchen reached for her, lowered his head and sniffed her hair. "Because I can't wait."

Suqin's heart beat speeded up immediately. She was buried in his arms, showing a girl's shyness. She said, "OK."

Downstairs in the hall, Su Boyan and Li Qian had a little space for discussion, which was really relaxing. They didn't see xuanyuanchen's kind of tension just now.

If I think that my daughter married xuanyuanchen, she would be the president's wife of a country. This is a great honor for them even for their ancestors.

"I didn't expect that we were so lucky to have a good son-in-law, Li Chen. Now, we have another good son-in-law." Li Qian exclaimed.

Su Qin and xuanyuanchen stayed upstairs for more than ten minutes and then went downstairs. Su Boyan said to Su Qin, "well greet Xiao Chen, I'll fight for your mother."

"Dad, let me go!"

"No, I come. You can chat with Xiaochen!" With that, he went into the kitchen.

Suqin and xuanyuanchen look at each other and smile. She takes a date and hands it to xuanyuanchen. He reaches for it and eats it. Suqin also takes a bite, which is very sweet.

Li Qian prepared the dishes in the afternoon. Now it's very convenient to stir fry them. Just stir fry them, and all the dishes that need to be cooked have been stewed.

Su Boyan served the dishes on the table. In a short time, a table of eight dishes and one soup was ready in the evening. Xuanyuanchen and Suqin sat down, and Li Qian and Su Boyan also sat down.

"Xiaochen, there's nothing to entertain at home. Eat more." Li Qian said.

"My aunt is very good at cooking." Xuanyuanchen praised.

"I'm afraid I'm not well served everywhere. I can't compare it with those big restaurants."

"Mom, he's usually at home, and he just eats home-made food." Suqin explained, let his mother know that he is not the kind of life that he lives in the high-end restaurant every day.

Su Boyan and Li Qian are both curious about the life of the presidential palace. They are ordinary people who can't know. Li Qian asked in surprise, "is that right?"

"Well! I ate it with him. " Suqin gave a shy smile.

Now, Su Boyan and Li Qian understand that Su Qin moved out to live in the presidential palace several times before! It seems that my daughter has talked about this relationship for some time.

"Yes, I have a chef who cooks for me every day." Xuanyuanchen also made a sound.

"Come, Xiaochen, have a drink?" Su Boyan said to him with his precious wine.

Xuanyuanchen immediately stood up, picked up the small wine cup beside him, and took it with both hands. Su Boyan poured him a glass of white wine immediately. Su Qin was amused, "can you drink white wine?" "Be happy today. Have a drink." Xuanyuanchen smiles, and Su Boyan raises his glass to him, "come, Xiaochen, have a drink."

Xuanyuanchen took a small glass and drank it on his head. The hot and mellow aroma rolled down his throat. He tried to make a calm color, but he still breathed a sigh.

Suqin smiled and looked at his expression, his eyes were tender and a little worried.

"Xiaoqin, hurry up and ask people to eat!" Li Qian said to her daughter.

Suqin takes vegetables to xuanyuanchen's bowl. He chuckles and starts to eat. Li Qian's heart is happy. Her daughter's feelings with Mr. President are better than she expected.

"Uncle, aunt, I'm here to entreat you for something." Xuanyuanchen looked at the two old people seriously.

"Say it! We won't mind anything. " Su said hurriedly.

"I beseech you to marry your daughter Suqin to me." Xuanyuanchen's formal and earnest petition.

Su Boyan and Li Qian were shocked. With their moving and joyful expression, Su Qin's eyes were also slightly wet. She did not expect that he would be so careful to ask his parents to marry him.

"Good! As long as you love each other, of course we will. " Li Qian wept with joy.

"Xiaoqin agrees. We have no problem. I'm afraid Xiaoqin is not good enough." Su Boyan was also excited.

Xuanyuanchen looked at Su and said, "Xiaoqin is very good. She is very suitable to be the future president's wife."

Finally, xuanyuanchen's eyes fell on Suqin's body and gave him affirmation.

Chapter 614

At about 8:30, xuanyuanchen had been drinking two cups of white wine unconsciously in Su Boyan's toast. In the light, his skin became faint red at the speed visible to the naked eye.

"Dad, don't pour him any more. He doesn't drink much." Suqin said to his father that his father's two drinks are just the beginning, but for xuanyuanchen, who doesn't touch liquor, two drinks are too much.

Su Boyan also took a look at xuanyuanchen, and hurriedly put down his glass. He did not dare to persuade him again.

Xuanyuanchen is also honest. Just now, Su Boyan met him twice, and he did nothing at all.

Su Boyan immediately said, "OK, eat vegetables, eat vegetables."

"It's OK, uncle. I just drink a little bit." Xuanyuanchen explained with a smile. However, these two glasses of white wine are too much for him. He usually drinks small amount of red wine. The white wine is too strong, and he seldom touches it.

Although he said so, Su Boyan did not dare to pour him any more wine. After dinner, when Xuanyuan Chen got up, Su Qin immediately held him by his hand. Xuanyuan Chen's eyes fell gently on her face. Without drinking, his eyes would be hard to parry. And the eyes of the men who had drunk were more like carrying the stars and intoxicating.

"I'm fine." Xuanyuanchen chuckled.

"He said it was OK. His eyes were red." Suqin was worried about him, but he rarely saw his handsome face turn red.

"Xiaochen, do you want to go to Xiaoqin's room to have a rest?" Li Qian asked.

"OK, mom, I'll help him up and have a rest." Suqin said to him, "go upstairs and lie down!"

"Good!" Xuanyuanchen did not refuse.

Su Boyan and Li Qian are cleaning the table and living room.

Xuanyuanchen is a little drunk, because he has enough stamina, and his head is still very clear.

Su Qin helped him upstairs and walked into his room. Xuanyuanchen sat on the edge of her bed, with a layer of sweat on his forehead.

Suqin saw that when she came into the bathroom, she took her towel and dried it with water. Xuanyuanchen looked up slightly, and she wiped his sweat. Suqin's ice blue towel wiped his sweat. By the way, she also cooled him with cold temperature.

She rubbed his whole face. Under the influence of coolness, his face was slightly red, with a touch of manly amorous feelings.

This makes his thin lips appear especially ruddy. This man is just too tempting to breathe.

Suqin swallowed her saliva gently, and her breath was a little short. The man's thin lips bent and the corners of his lips were raised. He put her into his arms with his arms in his arms. Suqin panted lightly, and felt that the warm lips were pressing down against her.

Suqin's head went blank. This man, this is her family

However, just a little struggling thought, fell into the gentle attack of this man.

This kiss, with the help of alcohol, from gentle to wild, two people are breathless separated.

Xuanyuanchen's forehead is against her, he hoarse voice, "your parents agree to marry you to me, we do the wedding as soon as possible!"

"Wait until you see your parents." See his parents this matter, still press in Suqin's heart bottom!

"I'll take you to see them tomorrow." Xuanyuanchen felt that he could not wait for a moment. He wanted her to be his wife and his woman at once.

His depression at the moment was due to his respect for her. Even though his body was about to burst, he suppressed it with the greatest restraint.

"I'll pick you up tomorrow afternoon." Xuanyuanchen in her ear drop words, determined not to refuse.

Suqin buried himself in his arms and nodded, "OK."

At this time, xuanyuanchen's phone rings. He looks at lison. He answers, "Hello!"

"Sir, you still have documents to see. Is it time to go back?" There's a voice from Li Sen.

"OK, give me another ten minutes." Xuanyuanchen answered and hung up.

"Is that Lee's help?"

"Well, there's still some work to do." Xuanyuanchen sighed. He really wanted to stay for a while, but his work could not wait for him.

"Then go back! See you tomorrow. " Suqin helps him to get up, xuanyuanchen reaches out for her and grabs her. "I'm ok. Your father's wine is really strong, but your father's wine is good."

Suqin couldn't help laughing. "My father usually has a drink before dinner. You can't compare with him."

Downstairs, the husband and wife of Su Boyan look at them downstairs, all come over and ask, "is Xiaochen OK?"

"Auntie, I'm fine. I'll go back and see you another day."

"Well, come back home for dinner when you're not busy." Said Su Boyan.

"Mom and Dad, I'll see him off. It's cold outside, so don't come out." Suqin said to his parents.

"Good! The ground is slippery. Be careful. " Li Qian told me.

Suqin pulls Xuanyuan Chen out, the cold air outside makes Suqin tighten his body, Xuanyuan Chen immediately holds her, "go back, don't send any more."

Suqin nodded, stood at the door and watched him get on the car. The black car parked in the yard slowly drove out of the yard, and the door outside the yard was closed by a bodyguard. When Suqin got home, he heard his mother saying, "I really don't know whether I should be happy or worried."

"What are you worried about?"

"I'm worried about my daughter! She is the future president's wife, and the responsibility on her shoulders is great. I didn't expect her to have such a blessing. Alas, I can see that Mr. President really loves Xiaoqin. "

Su Qin chuckled and walked into the hall. "Mom, don't worry about so much, it's not so complicated."

"Yes, trust your daughter! She hasn't bothered you since she was a child. She can handle everything well. " In his tone, Su Bo expressed confidence in his eldest daughter.

"Xiaoqin, how do you talk to your mother? How are you with Mr. President? Have you suffered any grievances? "

When it comes to grievances, Suqin has digested the grievances he had suffered before. Now, she just feels that those grievances are a kind of resistance that she has arranged by heaven. As long as she crosses this resistance, she will get a better result.

"Mom, he's very kind to me. I haven't suffered any grievances. Tomorrow, I'll go to see his family with him." Suqin sat beside her mother with a smile.

"What's wrong with you from his family?" Li Qian asked in pain.

Su Qin chuckles and shakes his head. "No!"

"That's good, I am now! This heart is still dancing! "

"Parents, don't think too much, go to bed early!" Suqin comforted.

"Oh! See if there will be too many of these gifts. I'll bring them back tomorrow. " The gift that xuanyuanchen brings also put half Changsha hair!

"I'll see what he sent," said Suqin with a smile

Su Qin took apart several bottles of very expensive wine. This is for his father. Su Boyan likes to drink some wine all his life. It really suits his heart!

Chapter 615

"I can't buy this year's wine in the market. When the new year's day comes, I can just take it out to greet the guests. That's why I have a face!" Su Boyan picked up a bottle and looked at it. There was excitement in his eyes. For those who love wine, this is the best gift.

Suqin takes out several boxes of precious Ganoderma lucidum herbs, which are the best for health. Finally, Suqin takes out a golden velvet box. She is stunned. It should be a gift for her mother.

"Mom, this is supposed to be for you." Suqin took it to her mother's side and gently opened the golden lock.

Only in the dark red flannelette, quietly lying a green bracelet, under the light, like a fine cloud in the flow.

Li Qian was immediately shocked. This bracelet is a precious jade.

"How can I send such a valuable thing?" Li Qian asked in surprise.

Su Qin reached for the jade bracelet. Under the light, it was so clear that there was no flaw. It was perfect.

Suqin is also shocked. The market price of this jade bracelet should be tens of millions!

However, even if you have money, you may not be able to buy such a pure jade bracelet.

"Mom, if it's from him, take it!" Suqin put the jade bracelet back and pushed it to her mother's side.

"It's too expensive for me." Li Qian shakes her head. At her age, she really likes jade articles. She thinks this jade bracelet is too valuable.

"It's not about value, it's about taking it." Suqin laughed. Besides, as xuanyuanchen, the gifts he sent could only be valuable.

Li Qian took up the bracelet and sighed, "I've enjoyed the blessings of your two sisters. Last time, Li Chen sent a whole set of jewelry. Now, it's worth my life to receive such a valuable gift again."

"Mom, it's not easy for you to bring us up like this. Take it!"

Suqin comforted her mother a few words and went back to her room. She had a good time tonight, especially xuanyuanchen's performance in front of her parents, which completely put down his status as president.

Thinking of his father's raising a glass with him, he drank two of them honestly. Suqin pursed her lips funny, and she could feel that it was all his deep love for her.

After a while, she got a call from Susie.

"Sister, how are you tonight? My parents should be very satisfied with my brother-in-law! "

Su Qin bent his eyebrows and smiled, "well, satisfied."

"What's the reaction of parents knowing his identity?"

"I'm scared."

"Sister, wait for your wedding wine!"

"Well, it should be soon."

This evening, Suqin recalled a lot. Along the way, there are sweetness, bitterness and astringency, but after all, everything is bitterness and sweetness, finding happiness.

At eleven o'clock in the evening, when xuanyuanchen finished reading the materials, it was already this time.

He sighed a little. He wanted to talk with Suqin for a while. At this time, he didn't know whether to disturb her or not.

Think about it, or put down the idea, tomorrow afternoon to pick her up home.

He has made an agreement with his family. He will take Suqin home for dinner tomorrow. In an apartment, duanzixuan stands in front of the floor to floor window in his hall and looks at the dazzling lights in the distance. He originally had a place in this prosperous city.

Now, he is just a small role, and even his workload is far more complicated, chaotic, and even a job he can't see the future.

"Ah!" He let out a roar, looked back, and immediately swept the information on the desktop to the ground, frantically sweeping away the information on the entire desktop.

At last, he thumped on the table, clenched his teeth, and his whole face became ferocious.

Some people, once they climb to the top and fall to the bottom again, such a gap will make many people lose their fighting spirit and even lose their confidence.

Duanzixuan has been tortured crazy by this job. Even before, he didn't step on people's position mercilessly. Now, all his enemies have higher positions than him. Any decision they make can make him stand in the way of this job, and even look at his face and please him carefully.

This kind of work makes him crazy. He feels like he can't stay any longer.

"Suqin, why are you so cruel? As long as you say something, as long as you say something, you can solve my dilemma. Why don't you help me?"

Duanzixuan's eyes seemed to be an angry Beast, which became very dangerous. His eyes glared at one place fiercely. "Suqin, why do you treat me like this? When you come to the president, you abandon your old love for me. You really disappoint me."

Duanzixuan now, the reason why he fell into this situation is all on Suqin.

Because of Suqin, he will be placed in the current position by xuanyuanchen, and Suqin is his disaster star.

However, he was more angry that Suqin could save him, but she refused.

For Suqin, xuanyuanchen will promote him back to his original position as long as he breathes at his pillow, but she is not busy. However, at this time, Duan Zixuan is about to fall into a crazy situation. Where would he think that the reason for all this is that he is greedy for the old love and has no reason to provoke Su Qin?

However, people's madness to a certain extent, will become very paranoid, duanzixuan now hate Suqin, that is, hate and love.

While hating, but still want to get Suqin, he suddenly sneered, "Suqin, you will soon be xuanyuanchen's woman, I really want to repay the taste of the president's woman."

"Suqin, don't blame me. If you are dirty, will xuanyuanchen want you? When I arrived, I regretted not getting you, but now I still hope you are my woman. " Duanzixuan murmured to himself, and the whole person fell into a state of confusion.

His mind is full of Suqin, the cold and gorgeous appearance, her elegant figure, charming temperament.

Crazy, crazy.

Duanzixuan squinted his eyes. Now, anyway, his life is not good, and the rest of his life is meaningless.

He simply wants to take a step boldly. He wants to do a crazy thing. He wants to make Suqin his woman and repay xuanyuanchen.

"The woman who can sleep in xuanyuanchen is also the most conspicuous thing in my life."

Duanzixuan bit his teeth and made a decision.

In the morning, Suqin woke up and had a bad dream, which made her a little surprised. Nightmare is an invisible danger, she sighed, but it's just a dream. She reached out and sent a message to xuanyuanchen, "what are you doing?"

"Awake?" Xuanyuanchen replied.

"What time will you pick me up in the afternoon?"

"Around three o'clock, go to my house early."

"Do I need any presents to meet your parents?"

"No, you are their best gift." Xuanyuanchen came back.

Suqin looked at this sentence, she chuckled, expelling the nightmare.

Chapter 616

Xuanyuanchen has a very time concept. When Suqin waited until 2:50 at home, she heard the sound of cars outside the yard. She guessed that xuanyuanchen's motorcade was coming.

She picked up the bag and said hello to her parents. She pushed open the small door of the yard. Outside the yard, there was a very spectacular team. The windows of each car were tight and she refused to visit. The whole team was very low-key.

Suqin also knows that there are hidden convoys of bodyguards around, all of which are secretly protecting xuanyuanchen's travel.

A bodyguard quickly pulls out the back seat of a car, Su Qinmai goes over, bends over and sits in. On his side, xuanyuanchen looks at her with a smile.

On the nearby cup seat, there are still several materials. Suqin can't help but feel sorry for him. He even has to work when travelling by car.

"Busy today?" Asked Suqin gently.

"It's just a signed document. Later, Li Sen will come and get it." Xuanyuan Chen said, put the cap on the pen, the hand of the information also collected, after the collection, he reached out his hand, holding the hand of Su Qin.

In winter, Suqin has cold hand symptoms. Maybe it's her physical problems. Xuanyuanchen's palm is very warm, so he wrapped the palm of his hand. Suqin felt the warmth from the bottom of his heart.

"Why are your hands so cold? Do you need to see the doctor?" Xuanyuanchen asked anxiously.

"It's like this since I was a child. I don't need to look at the physical problems." Suqin shook his head and smiled.

"Then let Ye Dong usually do more for you." Xuanyuanchen also loves her.

"I'd like to practice more often." Suqin replied.

Xuanyuanchen looked at her with a smile, "when you move into the presidential palace, I will accompany you to do Satin training."

Suqin bit his lips and nodded shyly, "OK."

Suqin has been waiting for the car to leave for a long time. Her heart strings start to get tense. She must have met Cheng Xuelan. Now, will it be awkward to meet her again?

When Suqin is nervous, he will bite her lips. Xuanyuanchen looks at her biting her lips. He fights the cupholder, leans over and holds her. "Don't be nervous, my parents are very enlightened and easy to get along with, just like your parents."

When Su Qin thought of his school days, he would see xuanyuanchen's father on TV every day. At that time, his father was also of the same dignity. When he saw the former president, he would feel nervous about anyone else.

"Do you know what my father's hobbies are now?"

"What?"

"He grows flowers, tea and vegetables in his garden, keeps many kinds of parrots, and also participates in seminars on agricultural products, providing many valuable opinions for two consecutive years."

After listening, Suqin was surprised. "Really?"

"Well! I'll accompany you to see the parrots. They can talk and sing. They are versatile. "

Su Qin chuckles and hears this from xuanyuanchen. The tension disappears as expected. It seems that his parents have returned to the life of ordinary people, which is also a good way to keep healthy and provide for the aged.

Suqin looked out of the window at this road section. It was far away from the downtown, which seemed very quiet. Of course, from time to time, we can see a sentry post. The motorcade slowly

bypassed a very neat Garden Road, turned into a quiet forest, and drove for a few minutes to a Chinese style villa.

The villa is not big, but the enclosed yard is very large. There is a parking lot beside it, and a helicopter landing area is also designed. Only xuanyuanchen's car drives into the open yard door.

Other cars are parked outside. Suqin's eyes reflect a beautiful landscape like a garden. There are green bamboo, small bridges and running water, and a small pond. Except for the bluestone path, all of them are green branches and leaves.

When the car stopped, xuanyuanchen pushed the door to get off without waiting for the bodyguard to open the door. At the same time, he came around to open the door for Suqin.

Suqin reached for him, he led her out, the bodyguard immediately backed out of the yard.

At the moment, although it's winter, the garden is very well managed. It's green everywhere. Xuanyuanchen said to Suqin, "my father didn't invite a gardener. He and my mother usually have nothing to do with it."

"Then they are too hard-working." Suqin sighed.

"Let's go home." Xuanyuanchen holds her hand tightly and leads her to the direction of the hall.

Before we got to the hall, we saw someone coming out. It was Cheng Xuelan. When Su Qin saw her, he felt nervous.

"Mom, how did you get out?" Xuanyuanchen asked with a smile.

"Hello, aunt." Suqin said hello politely.

"Come on, come on in! It's cold outside. " Cheng Xuelan smiles and invites her. She takes a look at the picture of her son and Suqin together. This look is also an amazing one.

Entering the hall, Suqin saw the former president dressed in a sofa. He looked at Suqin, got up and smiled lovingly. "Here comes little su."

"Hello, uncle." Suqin continues to say hello.

Xuanyuanxi looks at Suqin and is satisfied. His level of seeing people is very high. Suqin has a kind of temperament that makes him happy. He has a gentle atmosphere. There is no strong ambition in his eyes. There is a kind nature in his eyes. Suqin is being looked at, some nervous, xuanyuanchen's hand lightly grasps her, "sits!"

"Xiaochen, there are some water pipes in your father's backyard that block the water. Go and help to have a look." Cheng Xuelan said to Xuanyuan Chen.

Xuanyuanchen can hear that this is just an excuse for her mother to support him and her father. She wanted to chat with Suqin alone. Last time, his mother's attitude reassured him to give Suqin to his mother.

"OK, Dad, I'll go with you." Xuanyuanchen said to his father.

Xuanyuan Xi nodded, looked at his wife, as if he had shown, and Cheng Xuelan smiled at him, "go! It's rare for my son to be at home and ask him to help you with your work. "

The two father and son went to the backyard from the side hall. Suqin was facing Cheng Xuelan alone. Her heart strings were tightened. Just then, Cheng Xuelan reached out to her and said, "Xiaoqin, sit down! I have something to tell you. "

Suqin nodded, sat on the sofa, Cheng Xuelan sat beside her, and a domestic servant came to tea.

"Xiaoqin, first of all, I want to apologize to you. What I did last time was too much for you and unfair." Cheng Xuelan's sincere opening to Suqin.

Although Suqin was wronged by her, she could not bear the apology. She shook her head and said, "Auntie, don't say that. I don't blame you."

"You didn't blame me, but I was in a bad mood. Before that, I was determined to do it by myself. I didn't take your feelings into consideration. I said those heavy words and hurt you. I'm sorry." Cheng Xuelan looks down and nods.

Suqin is really frightened by this apology. She reaches out to hold Cheng Xuelan. "Auntie, don't do this, I really don't care."

Chapter 617

When Su Qin reaches out to help Cheng Xuelan, she reaches out and holds Su Qin's hand. "Xiao Qin, don't you really blame me?"

Suqin seriously replied, "Auntie, I really don't blame you. I understand your pains. You are all for your son's sake. You didn't do anything wrong."

"You understand me?" Cheng Xuelan is very pleased. Suqin has a very clear mind.

"I understand that Miss Lin is very excellent both in her family background and herself. It is undeniable that whoever stands in your position and position may do so."

"Have you seen the ice moon?" Cheng Xuelan is a little surprised.

"Yes, she came to the presidential palace the other day. We had dinner."

"What? Did you have dinner together? " Cheng Xuelan suddenly looked at her with heartache, "how are you getting along with each other? Have you suffered any grievances? "

"No! I have become friends with Miss Lin. " Su Qin chuckles. She is deeply moved by Cheng Xuelan's concern for her feelings in this matter.

Cheng Xuelan knows that Lin bingyue's personality is more direct, and she also likes her son. If she meets Suqin, it must be the position of the rival.

"You became friends?" Cheng Xuelan can't believe that Suqin and Lin bingyue will become friends. How does she do it?

However, it's not easy for her to ask directly. She thinks it's better to ask her son when she has time.

"Xiaoqin, I'm really afraid that what I did before will make you blame me. Now it seems that I think more." Cheng Xuelan now understands that between Su Qin and Lin bingyue, Su Qin is more suitable for her son.

Not only that, as the president's wife, she needs to have a tolerant and fraternal heart. Suqin is very satisfied with this.

In addition, sitting in this position, women are easy to be vain. If they don't put themselves in the right place, covet power and wealth, it will be a headache for their son in the future.

Suqin has no such characteristics. In the future, he will be a good match to accompany his son and relieve his worries and troubles.

At this moment, Cheng Xuelan is really happy to have such a daughter-in-law.

Cheng Xuelan said to Suqin, "come, come upstairs with me."

Su Qin is surprised. She gets up and follows Cheng Xuelan up to the third floor. This is a room dedicated to Cheng Xuelan's important items. Cheng Xuelan goes to a cabinet, pulls it open, and holds a jewelry box out of it.

Suqin's heart is slightly shocked. Does aunt want to give her something?

Cheng Xuelan smiled at her and said, "come on, sit down. I have several things for you."

Su Qin really dare not accept the gift, she is still standing, Cheng Xuelan can't help but smile and wave, "sit!"

Su Qin sits beside her with her lips closed. Cheng Xuelan opens the box. It's a three-layer display box. There are many exquisite jewels she has ever worn. Some of them have a sense of age.

Cheng Xuelan pulls out the bottom layer, which is full of jewelry and handicrafts she hasn't used, and it's still a very fashionable style.

Moreover, at first glance, they are very expensive and valuable. Even time can't hide their light.

"These jewels are all gifts I received when I went abroad with Xiaochen's father. Some of them have been donated. Except for those I wear everyday, I left them for my future daughter-in-law for a while. Now, these jewels finally have their owners."

Suqin's heart is excited not because she is about to receive these gifts, but because of Cheng Xuelan's acceptance, which is more precious than any gift. "Come on, this bracelet is very suitable for you. I'll put it on for you." Cheng Xuelan takes a diamond bracelet inlaid with sapphires and prepares to wear it for Suqin.

Su Qin pursed her lips and reached out with a smile. She closed her sleeves and showed her white and delicate wrist. Cheng Xuelan carefully put it on for her. Sapphire sets off Suqin's skin, making her wrists more white as snow.

"You have a good skin." Cheng Xuelan praised.

Suqin looked at the bracelet, looked up and said with a smile, "thank you, aunt. I like it very much."

Cheng Xuelan found another jewelry box and put one of the diamond necklaces, a pair of earrings and a Mei Brooch into the box. She reached out to cover it and gave it to Suqin. "These are for you first. You can wear them in your daily life or on important occasions later."

For every object bears the dignity and heaviness of the royal family.

"Aunt, these are too expensive for me." Suqin is satisfied with this necklace.

Cheng Xuelan smiled. "Later, we are a family. When you go out, you represent the face of our royal family. Mine is yours. Now, you are the same as me. Take it! I don't need these things either. You need them. "

Suqin was speechless, but he was deeply moved. He was nervous before he came. At this moment, he was only deeply moved.

In her heart, she should learn the spirit of Cheng Xuelan. She should be generous, firm inside and soft outside. "Thank you, aunt. I will do my best." Suqin assured her.

"Try your best. Every president's wife has her own achievements. I believe you will be a successful person."

With this encouragement and support, Suqin's heart is no longer blocked. She is willing to stand beside xuanyuanchen, share weal and woe with him, accompany him to be brilliant and spend his life with him.

Xuanyuanchen helped his father repair the water pipe and came back to the hall. He didn't see his mother and Suqin. He couldn't help being nervous.

At this time, she heard footsteps on the stairs, and Suqin went down holding her mother and joking.

His heart suddenly relaxed, and his thin lips curled up with a smile, which was really his favorite scene.

"Has it been repaired?" Cheng Xuelan asked him.

"Well! It's fixed. " Xuanyuanchen smiles.

Suqin and his eyes touch, two eyes cast together, love filled each other's hearts in an instant.

It's almost five o'clock, Cheng Xuelan said to her son, "you accompany Xiaoqin, I'll let the kitchen start cooking dinner."

"Well."

"Auntie, I'll help you." Suqin offered.

"No need, let Xiaochen accompany you. You can have dinner after you go for a walk. The garden scenery is not bad."

"Good." Suqin answered with a smile.

Xuanyuanchen reaches out and takes Suqin, holds his scarf on the sofa, and hands it to Suqin.

Cheng Xuelan saw it and sighed. She was glad that she didn't destroy her son's happiness and forced him to marry a woman he didn't love.

Thinking of Lin bingyue, Cheng Xuelan feels that she owes her love again. It seems that another day, she will have to go to Lin's house in person.

Xuanyuanchen leads Suqin out for a walk. The garden scenery under the afterglow of sunset is really beautiful.

Chapter 618

In the office of a department, duanzixuan is sitting in the position, and the whole person is in a state of depression. At this time, his boss comes over and throws a document lazily in front of him, "Duan! Take a look at this document, and write a report tomorrow, carefully and carefully. I was very dissatisfied with your report last time, so I will improve it. "

One side and he walked with the Deputy staff, some disdainful smile, "not from the top down? How can we not even do a report well. "

Duan Zixuan clenched his fist immediately. He bit his teeth, stood up, looked up to his boss and said, "I'm not going to do it. You can do it if you like."

"Oh! No way! Don't do it. You think I'd like to pick up someone like you! I can't do anything. I'm still in the way of sending it to me! "

Duan Zixuan suddenly turns around and punches on the table, "have you said enough?"

"You dare to hit people! I'm warning you to leave if you don't want to. If you don't want to stay, leave on Monday. "

"Let's go. It's rare." Duanzixuan sneers, picks up his mobile phone and car key and leaves.

"Look, I used to be a vice minister! It's just virtue. How can we get there? "

Duanzixuan came out of the office in a hurry. He sat in the car, thumped the steering wheel severely, and made a low cry that was going crazy.

Now, there's no turning around in his life, if the job is lost.

Even if his political career has come to an end, although he is still young, he has many ways to go, but compared with his dream, that is contrary.

At the beginning, he wanted to take root in politics and climb higher. He had a strong obsession with power. He liked power and the way others flattered him.

Just like those rich families, he was born with a golden spoon, and could inherit the company. His family made great efforts to offer him a son. He wanted to be famous, but he had to climb this road.

Originally, he had enjoyed the life he wanted, but who knows, he fell a heel severely.

Then I can't stand up any more.

"Suqin, you hurt me, you hurt me! At that time, you completed me. Why did you harm me like this? It's not fair, it's not fair. " Duanzixuan is in the car, shouting in a muffled voice.

But no one could hear his cry, only his heart was full of hate in one cry.

In xuanyuanchen's parents' house, the dinner was not very rich, but everything here was picked and planted by two old people. Suqin was also satisfied with the meal.

"Xiaochen, have you and Xiaoqin decided when to hold the wedding ceremony? Have you fixed a date yet. " Xuanyuan Xi asked his son.

Xuanyuanchen raised his eyebrows and smiled, "Dad, mom, we just came back to discuss with you. Let's choose a good day and marry Xiaoqin."

"The president's wedding is a great event for the whole country to celebrate. However, I don't think it's appropriate to do it. If you don't have any opinions, we can do it in a low-key way." Xuanyuan Xi suggested.

"Uncle, we have no opinion." Suqin replied with a smile.

Xuanyuanchen immediately turned to look at her, "that is too aggrieved you."

"I'm very lucky to marry you without grievance. Where's the grievance? I think it's good to keep a low profile. " Suqin felt this from the bottom of his heart.

She was not a publicity person, and the royal family was too publicity, it is easy for some lawbreakers to take advantage of it.

"Xiaochen, even though Xiaoqin thinks it's better to keep a low profile. Then, you have to make up for her for the grievances at the wedding in the future." Cheng Xuelan told her son.

"Yes, I'll make it up to her all my life." In front of his parents, xuanyuanchen couldn't help saying love words to Suqin.

Suqin's pretty face was indeed a trace of pink. At the moment, listening to his love words, he was a little shy.

"That is to say, the sooner we do it, the better. Let's do it before this year! It's half a month before the new year. How about our new year's day? " Xuanyuan Xi suggested.

"Well, then, we can gather the two families for dinner and invite some important friends to join us. It's in the Royal Hotel!" Cheng Xuelan is also very excited.

Finally, her son is going to get married. This is something she has been looking forward to for several years. She began to think about it when her son was an adult. It took her 14 years to get married.

This made her, a mother, suffer a lot.

"Xiaoqin, what do you think?"

"Listen to your uncle and aunt!" Suqin nodded and smiled.

"Well, I just wronged you. Marry me and I can't give you a grand wedding. But I'll send someone to do everything the wedding needs. I'll give you the best." Xuanyuanchen's deep and powerful response to her.

Xuanyuan Xi and his wife, looking at their son so deeply in love with Suqin, are very pleased.

"Just keep it simple." Suqin replied that the best gift would be to accompany him all his life. After setting the date, there will only be nine days.

It's a hurry for a wedding. However, for the new couple, they hope the wedding will be held tomorrow.

At 8:30 p.m., xuanyuanchen's motorcade drove towards the urban area and sat in the back seat. Xuanyuanchen held Suqin's hand. "You should inform your relatives there as early as possible, and let them prepare for our wedding earlier."

"Well!" Suqin nestled on his shoulder and answered softly.

"Tired?" Xuanyuanchen reached for her.

"No, I just think it's all a dream." Suqin pursed her lips and smiled.

Xuanyuan Chen thin lips kissed her forehead, "this is true, not a dream, you will become my wife."

Wife, this title is not only strange, but also satisfying.

"Well!"

"Are you going home or to me?" Xuanyuanchen asked in a hoarse voice.

Suqin is still thinking about it. Xuanyuanchen decides for her, "go to my place."

Suqin's heart rate accelerated immediately. She knew what it meant.

For the first time, Suqin was very brave. She was afraid that others would hear her. She gently attached her ear to him. "OK, then go to your place."

Suqin's voice, like a feather, stirred in xuanyuanchen's ear. His heart made his breath a little bit faster and more tightly held her.

The motorcade headed straight for the presidential palace.

An hour later, he stopped at the archway of the presidential palace. Xuanyuanchen led Suqin to his room. At this moment, neither of them had any concerns.

Calm and complacent, the blessing of the two parents, each other's deep feelings, everything has come naturally, do not need to hesitate.

Who doesn't want to be closer to each other? Suqin and xuanyuanchen are not saints.

Chapter 619

They have experienced so much, suppressed so long, that love, already ready to go, tonight, no longer suppress, let this love wantonly submerged. In the hall, ye Dong didn't have to go to work today. He had to leave early. So, in the hall with bright lights.

There were only two figures, Suqin around xuanyuanchen's scarf, walked into the hall, the warm hall, let her reach out to solve, and at this time, a big palm reached out very gently to solve for her.

With the pull of the scarf, Suqin turned around, almost facing the man, so close that she could smell the strong masculine smell on him.

Xuanyuanchen unties her scarf, looks like a deep lock, locks her small face, a white and beautiful face, which makes him think about night for a long time. The fragrance of her body and everything on her make him yearn for it.

It's been depressing for a long time. Tonight is the limit.

There is no need for language. At this moment, they can feel each other's heart and the idea of delivering everything. Only Suqin has some shy eyes.

Dare not see his eyes, at this time, a strong hand gently held up her chin, so that she raised her head, her eyes, suddenly into a pair of thick as night eyes, there are things that she dare not read deeply.

Xuanyuanchen thin lips chuckle, gentle kiss down.

Suqin softly closed her eyes and accepted. Her hands naturally put their arms around his neck and kissed him affectionately.

Kisses, like a thread of fire, burn little by little, and at the same time, ignite in a violent direction.

Xuanyuanchen's kiss began to become wild and warm. Behind Suqin's back, it was his hands that kept her from touching the cold wall. Her back was on the back of his hand, and his kiss was fierce.

Suqin's head had been blank for a long time, and even had some expectations, but also some uneasiness and tension.

Finally, Xuanyuan Chen let go of her. Both of them are disordered. Xuanyuan Chen's voice line is thick and dumb, and he opens his mouth in her ear, "I want you tonight."

This sentence, with a hint of eager color.

Sugin's whole body was burning. She closed her eyes, fell into his arms and responded to him.

Xuanyuanchen's eyes are still confused, and he sighs, "if you want to wait for the wedding night I can wait with you. "

[illegible]

Xuanyuan Chen chuckles, has a kind of inexplicable abdominal black feeling, obviously is he wants tight.

But let her admit that she wants more than he does.

Suqin's face was too red to see anyone at the moment. Xuanyuanchen knew that she was nervous. In addition, her whole body weight was nestled in his arms. It was afraid that she had just been kissed by him.

He smiled and leaned down, reached out and hugged her horizontally. Suqin immediately raised his head and hugged his shoulder. Under the light, her face was even more attractive than peach blossom.

Xuanyuanchen easily holds her, calmly steps upstairs, Suqin continues to bury in his arms.

At this time, her mind has been in a mess, it must have been this kind of thing, her first experience, or feel flustered, at a loss.

Xuanyuanchen also thought about Suqin and duanzixuan's old love, but even if he met her at this time, he would not care about anything, he accepted everything.

He didn't care about her past.

Just, at the moment, the girl in his arms is so coquettish that he begins to think of her relationship with duanzixuan. Isn't it as he thinks?

Suqin is placed on the bed gently by him. He picks up the remote control of the light. Instead of turning on the headlight, he chooses the bed lamp and the wall lamp. These lights are dim yellow with a warm warmth.

It's right for the moment.

Suqin sat up. She bit her red lips, took off her coat and showed the beige sweater inside. Her figure belongs to the perfect one. Although it's thin, it's even, plump and charming.

Xuanyuanchen looks at her initiative, the corner of her mouth conjures up a smile, which is the smile of satisfaction.

"What are you laughing at?" Suqin did not have a pretty face. She was slightly embarrassed.

"Well, no laughing." Xuanyuanchen immediately pretended to be serious.

Suqin couldn't help looking up at him. "I'm twenty-eight, and I don't have any hesitation."

Suqin's expression of Huo going out made xuanyuanchen just bear the smile. He laughed again and comforted her immediately. "I'm thirty-two, I'm the most anxious person."

After listening to Suqin, he couldn't help laughing. Under the light, his lips were red and his teeth were white, and his style was charming.

Fascinated the man's eyes, but also rippled his heart.

His arms propped up, trapped the woman between the bed and his chest, he hooked his lips, "this moment, don't regret it."

"No!" Suqin raised his eyebrows in response.

Xuanyuanchen loves extremely directly to bend down the body, once again hot lips kissed to go down.

He won't let her regret it. At this moment, he won't allow it. Outside the window, the goose feather was sprinkled. Inside the window, the air was heating up. On the big gray bed, two lingering figures overlapped.

After more than an hour, the sound in the room calmed down. In the air, there were only gasps from each other.

Suqin closed her eyes and her red lips played back and forth. At this time, a kiss fell on her lips again.

With heartache

Before xuanyuanchen's that question, at this moment, finally got the answer, between his eyebrows and eyes, revealed more heartache, he had some uncontrollable.

"How are you?" Xuanyuanchen asked in a mute voice.

"Well Tired! " Suqin opens her long eyelashes. Her eyes are satisfied and tired.

"Take a bath and I'll sleep with you." With that, xuanyuanchen got up. After putting on a suit, he picked up a thin blanket, rolled Suqin and hugged him to the bathroom.

"Sleep in the guest room tonight!" Suqin said shyly.

Of course, xuanyuanchen knows what she is referring to, because there is the first evidence of her on the bedspread.

"I don't care." Xuanyuanchen smiles.

"No, I care." Suqin insisted on changing the bed.

"All right! According to you. " Xuanyuanchen laughs, there is a kind of idea that everything in this life depends on her.

This evening, Suqin is really tired, holding the man around, sweet sleep.

Xuanyuanchen stares at the woman who is asleep in his arms. He seems to be infected too. His side face is pasted on her forehead, and he sleeps peacefully and contentedly.

It's only six in the morning.

Suqin is still sleeping, maybe the window is not locked, a cold air comes, she instinctively snuggled up to the man around her, xuanyuanchen's strong arm a hug, has not yet opened his eyes, his hand naturally tucked in the quilt for her, wrapped her warm.

Chapter 620

Suqin felt that the corner of her mouth curved a smile, and her dream was more beautiful. Around seven o'clock, xuanyuanchen's biological clock made him wake up. Looking at the girl in his arms who was still sleeping, he didn't move and didn't want to wake her up.

At this moment, his time, has never been so luxurious, for her, he is willing to stay for an hour.

Su Qin's long eyelashes, like butterfly and butterfly, are covered under the beautiful eyes, as if awakened by the years. He fluttered his fans twice and opened them. They are as clear as the eyes of glass.

Xuanyuanchen only thinks that this is the most beautiful pair of eyes he has ever seen. He stoops down in love and kisses.

Suqin felt this man's enthusiasm early in the morning. In fact, she was a little frightened. Of course, she felt not only his kiss, but also his physical enthusiasm.

Two people will not wear inch thread, each other's feeling is the most clear.

Xuanyuanchen finds out the hiding meaning of her body, he laughs and comforts, "don't worry! I got up. "

After that, he was lifted out of bed, and Suqin immediately looked up, a little shy, and a little bold to appreciate his figure. This man kept a perfect figure, not like a 30-year-old at all, but more like a strong masculine figure in his twenties.

As for his enthusiasm, she felt it last night.

"Is the schedule full today?" Suqin asked, wrapped in his warm quilt.

"Let's have lunch together. At the same time, I'll spare time for you after dinner."

Suqin's face turned red. Is there any hint in this sentence?

"Well!" Suqin nodded. "Don't be too tired, either."

"No, I'm not as energetic as I've ever been." Xuanyuanchen chuckled, leaned down and kissed her on the forehead. "You go to sleep, I'll let Yedong cook breakfast and wait for you."

"Well!" Suqin answered with satisfaction.

"Remember to inform your parents of our wedding date. I will immediately order the wedding. Before that day comes, I will give you a complete wedding."

"Good." Suqin pursed her lips and smiled.

Xuanyuanchen reached out to close her long hair, "the bed in the master bedroom, I will let people change."

Su Qin is immediately ashamed to be buried in the quilt, stuffy answer, "OK."

Xuanyuanchen smiled and kissed her hair again. "What can I be ashamed of!"

"Go to breakfast first! I'll lie down for a while. " Su Qin urged him.

Xuanyuanchen pushes the door out. Suqin just lifts her face from the quilt. Her black hair is a little messy, which makes her skin white as snow. Her red lips were artificially colored last night. Now, they are still red and attractive.

Suqin sat on the bed. At nine o'clock, she got up. She just walked in the room, not as comfortable as usual. Her legs were soft.

When she went downstairs, ye Dong specially cooked a very nourishing breakfast recipe for her. When Su Qin had breakfast, ye Dong also took the initiative to disappear, which would not make her feel uncomfortable.

At about ten o'clock, Suqin sat in the small living room on the second floor, called her parents and told them about the wedding. The two elders were very happy. Although they were in a hurry, they had no opinion as long as their daughter was happy.

Suqin immediately called Suxi and told her about the wedding date. Suxi was also very happy. Her sister was finally going to get married and she had to seal a big gift bag.

"At that time, you and Li Chen will come here. I will call Siyu later and invite their husband and wife to attend my wedding together."

"Elder sister, then you call her! I just want to see her, too. " Sue answered.

"Good! I'll let them know first. I'm in a hurry. I don't know if they have time to go back home. "

"Good." Susie hung up at that end.

Suqin turns to the number of Tang Siyu who hasn't been contacted for some time. She dials it up.

"Hello, sister Qin." Tang Siyu's sweet and happy voice came from that end.

"Siyu, I haven't seen you for a long time. Do you have time years ago? I'd like to invite you and liehan to my wedding. "

"Sister Qin, are you going to get married? Really? Of course, I have time. I will attend your wedding if I am busy. " Tang Siyu is very happy.

"Well, I'm in a bit of a hurry. On the day of my junior year, can you make the schedule?"

"Yes, I just plan to go back home to celebrate the new year with liehan. We are going to set out in these two days. Then, we must attend your wedding. Can you ask what the handsome brother-in-law does?" Tang Siyu is extremely curious. In her heart, Suqin is more like a goddess than she and Suxi. She is really curious about half of her future!

Suqin smiled. "His name is xuanyuanchen, the president of our country."

At that end, Tang Siyu was stunned for several seconds. "Sister Qin, are you married to Mr. President? My God? So, our president is off the list? Are you the future president's wife? I'm so happy for you. Congratulations to sister Qin. I'll be here with liehan. "

"Well, I look forward to your coming back." Suqin should laugh.

"Well! I also miss Xi Xi. I'll see you back home. ""OK, see you later."

After Suqin hung up the phone, he was filled with joy. This feeling of being blessed is really wonderful.

At noon, xuanyuanchen came back for lunch. At the same time, in the afternoon, he also brought a special Royal and aristocratic wedding team to decide the wedding together.

With a complete process, Suqin only needs to choose the wedding plan she wants, and they can prepare it in the fastest time.

Suqin likes simplicity in everything. Unlike other women, she has a lot of demands and opinions on the wedding. She is not a complicated person, so the conversation can be decided in an afternoon.

And this group of people are also lucky to know the first president's wife in the future. They are surprised by her decisive atmosphere, bright and moving, confident and calm words. Such president's wife surprised them.

Xuanyuanchen accompanied her to finish the decision together, and then went back to his office. Suqin decided on some details alone, leaving a director to accompany her to make a decision.

Suqin's wedding dress is selected by the Royal design team in the completed wedding dress. In the Royal design, each wedding dress is the most perfect masterpiece.

And Suqin's figure, can control every wedding dress completely, also saved the process of modification.

She will try on the wedding dress tomorrow. There is not enough time today.

Not far from Suqin's door, there is a black car parked quietly. In the car, duanzixuan's eyes are like a wild animal, staring at Suqin's door. He has been here for a day and a night. He didn't wait for Suqin to come out.

His heart is going crazy, Suqin. Where are you?
