From Outcast to Overlord The Unyielding Heir Chapter 18 Fulfill Your Promise Finished
Leander's words echoed through the room , leaving everyone in an uproar . While his stepping up to confront Colton gave them a sense of satisfaction , most were skeptical . Even Victor and Shiloh had been easily defeated by Colton . What could this unknown face , Leander , possibly do ? This guy really thinks he's someone , huh ? Jade sneered inwardly . To her , Leander's actions were nothing short of humiliating . In her eyes , Victor was the perfect man , unmatched and irreplaceable .

She believed he was the best , and yet even he had been crushed by Colton with ease . What chance did Leander have ? " What did you say ? " Colton squinted , almost thinking he'd misheard . Beat me until I apologize ? " He took a step forward , smirking in disbelief . " Is this what it's come to these days ? Guys throwing away their pride just to impress a girl ? Do you really think you're worthy ? " Then , he gestured toward Victor , Shiloh , and the others . " Even they couldn't take me on . What makes you think you can ?

" A look of worry crossed Madeline's eyes as she grabbed Leander's arm , shaking her head . " Leander , it's alright . Just drop it . I'm not hurt . He's not worth it . " Leander gave her a gentle smile but didn't reply . Instead , he took a step forward , standing directly in front of Colton . Colton spread his hands , acting magnanimous . " Very well , since you want to play the hero , I'll give you that chance ! If you can beat me , I'll apologize right away . Heck , I'll even apologize to your entire martial arts club if you want .

" But then , with a sly grin , he added , " But if you lose , you'll crawl under that chair over there . Deal ? Got the guts to take it on ? " He pointed to a nearby barstool , and the crowd collectively tensed . Colton was ruthless ! The entire school had gathered , packing the martial arts club to the brim . If Leander lost and had to crawl under that chair , he'd be humiliated beyond repair . He'd never live it down . Yvette and Ginny exchanged worried glances .

They'd been impressed by Leander's skills the day before when he'd singlehandedly taken down four thugs , but neither was sure if he could beat Colton . If Leander got beaten here , his reputation would be in shambles . Standing just inches away from Colton , Leander's lips curled into a mischievous smile . " If we're playing , let's raise the stakes . " He raised one hand and announced , " I'll fight you with just one hand . If I lose , I'll do as you say . But if you lose , not only will you apologize , but you'll also slap yourself ten times . How about it ? Still want to play ?

Colton was a formidable fighter ; they couldn't believe Leander was suggesting a one - handed fight . Even ignoring the bet , fighting with just one hand gave him no chance at victory . That idiot's lost it ! Jade muttered , her contempt clear . Colton burst into laughter . He found it hilarious - Leander was the first person to ever speak to him this way since he'd started practicing karate . " Alright , you asked for it .

If I lose , not only will I apologize to the girl and everyone else , but I'll also slap myself ten times ! " He agreed without hesitation , and the other karate club members roared with laughter . Each one was a seasoned fighter , with Colton being the strongest among them . Someone like Leander wasn't even on their radar . As soon as Colton accepted , Leander spoke again . " Ready ? " " To beat you ? I don't need to be . " Colton shrugged , utterly dismissive . Leander didn't respond . He simply placed his right hand behind his back and extended his left .

In an instant , Colton's expression shifted . A shadow darted across his vision , and suddenly , a heavy blow landed on his chest . Bam ! The crowd watched in stunned silence as Colton stumbled backward , retreating ten steps before slamming into the wall . Clutching his stomach , he reeled in disbelief as he doubled over , retching . He was completely incapacitated . Everyone was frozen in shock . No one had even seen what happened , and yet Colton had already been forced back . " You cheated ! " one of the karate members shouted as they finally processed what had happened .

Enraged , the karate member who previously fought Shiloh rushed forward and aimed a punch at Leander's stomach . Leander dodged effortlessly , his hand still behind his back . With a slight shift of his left hand , he struck the opponent in the stomach . " Ugh ! " The attacker collapsed instantly , unable to rise . One by one , the rest of the karate team charged , anger flashing in their eyes . Leander's expression remained cold and indifferent .

Within moments , all the white - clad karate fighters were sprawled across the floor of the gym , leaving only Leander standing , having used just one hand the entire time . The crowd fell silent . Every pair of eyes , filled with shock , disbelief , and admiration , focused on Leander . The martial arts club erupted into chaos . " That guy ... " Jade's face twisted as she swallowed hard , unable to comprehend what had just 2/3 19:20 Sat , Oct 11 Chapter 18 Fulfill Your Promise 1 (4) ' Finished happened .

The team Colton led , a force she had considered unbeatable , had just been taken down by Leander alone . Victor sat frozen on the floor , stunned . He'd always thought of himself as one of the best , someone who had reached the level of a national athlete . But after facing Colton , he finally understood the gap in their abilities . And now , watching Leander defeat an entire team , he felt nothing but overwhelming defeat . Yvette and Ginny stood not far off , their eyes sparkling .

Though they hadn't been particularly impressed with Leander before , they couldn't deny it now - he was undeniably magnetic at that moment . Madeline covered her mouth with her hand , astonished . The Leander she had known from childhood was now a completely different person . Leander stood tall and proud in the center of the room . " You call yourselves fighters ? What a joke . " As he passed Jade , she lowered her head in shame , recalling how she had mocked him earlier . But Leander didn't spare her a glance . His eyes were locked on Colton , who was still struggling to get up .

Colton's veins bulged with frustration , but he didn't dare make a move . After watching Leander take down his entire team , Colton knew he was no match . He couldn't believe someone this powerful existed at Ravenridge Senior High . As Leander's gaze bore into him , Colton instinctively flinched back . But Leander grabbed him by the collar and lifted him off the ground . " Now , it's time for you to fulfill your promise . " Send Gifts 50 (3/3
