From Outcast to Overlord The Unyielding Heir Chapter 19 I Saved You Because You're Ms Hollis ' Daughter Finished With one hand , Leander effortlessly lifted the 140 - pound Colton . The shock in Colton's eyes . was evident - just how strong was this guy ? " Now , fulfill your promise ! " Leander demanded , his gaze locked on Colton , whose pupils contracted sharply . He had promised earlier that if he lost , he would apologize to everyone and slap himself. But at the time , he hadn't believed for a second that Leander could win .

Now , having lost so completely , he found it impossible to accept . Apologizing , he could manage , but slapping himself in front of everyone ? That was harder than death . He wanted to go back on his word , but the moment he looked into Leander's eyes , his body froze . A wave of pure fear washed over him . What kind of eyes were those ? Cold , devoid of any emotion , like a demon from the depths of hell . Colton swore he had never seen eyes like those before . He had no doubt that if he tried to back out now , the young man in front of him would become a monster in the next second .

Smack ! The sound echoed through the room , and everyone's gaze froze in disbelief . Colton had actually started slapping himself . " I'm sorry ! " Colton apologized while continuing to slap his face . He first directed his apology at Madeline and then turned to the rest of the crowd . He slapped himself ten times in total - no more , no less . As he finished the tenth slap , Leander finally released his grip , his eyes sweeping over the room . " I know you're upset . I'll give you a chance . My name is Leander Ashcroft , Class 4 of senior year .

If you want revenge , come find me anytime ." His tone was indifferent as he looked at Colton . " But next time , things won't be this simple ." With that , Leander gave a slight nod toward Madeline before walking out of the gym . As he moved , the crowd parted to make way for him . Many of the guys looked at him with respect , while the girls were filled with admiration . Leander hadn't just defeated the entire karate team single - handedly ; he had even left his name and class for potential retribution . Such boldness and confidence left everyone in awe .

Madeline stood frozen for a few seconds before quickly running after him . Back inside the gym , Colton and Victor remained in stunned silence , unable to process what had just happened . " Man , that was insane ! " Liam , standing in the crowd , slapped his forehead . He felt like an idiot for thinking he should waste time learning karate or martial arts when someone like Leander was right beside him the whole time . 1/3 19:20 Sat , Oct 11 Chapter 101 Saved You Because Youre Ms Holles Daughter Finished " Leander , that was amazing ! " Madeline curiously asked as she followed Leander , eager to know what he had been up to . " Martial arts ? Something like that , " Leander smiled faintly , not offering much explanation . Over the years , he had danced on the edge of life and death countless times , eventually creating his own martial technique , " Devourer's Ninefold Path . " But if he were to explain that to Madeline , she'd only be confused and worried . As they reached the school gate , Madeline went to a nearby convenience store to buy something while Leander entered a restaurant to wait .

Just as he sat down , two familiar figures walked in . " Leander ! " He looked up to see Yvette Sitwell and Ginny Lancaster standing across from him . " Can I help you ? " He tilted his head slightly , his tone indifferent . " Well ... " Yvette felt awkward , guilt flashing across her face . " About yesterday - thank you . We happened to run into you today , so as a thank - you , we'd like to treat you to dinner . " Despite her gratitude , her manner remained as haughty as ever . She was still every bit the proud heiress , even in moments like this .

Ginny chimed in , " Leander , you saved us . It's only right that we take you out . Let's go somewhere nicer ! " Several students from Ravenridge Senior High were eating at the same simple diner , and when they heard Ginny and Yvette inviting Leander to dinner , envious glances were immediately cast his way . Yvette and Ginny were two of the school's most famous beauties , and Yvette was widely regarded as the campus queen , on par with Madeline . Only the likes of Shiloh and a few other school icons had ever come close to them before .

No one had ever heard of them inviting a guy out for a meal . So , it was only normal that they'd be envious . Everyone expected Leander to gladly accept , but to their surprise , he waved his hand dismissively . " No need , " he said , his voice cool and casual . " I saved you because you're Ms. Hollis ' daughter . You don't need to thank me . " He then looked at Ginny and added in the same tone , " As for you , it was just a coincidence . " The atmosphere froze . Two of the school's most beautiful girls had just invited Leander to dinner , and he had turned them down - so decisively !

Yvette and Ginny's faces both stiffened in shock . They had assumed Leander would happily agree to their offer , but his response was beyond anything they'd expected . The situation felt absurd . They were the top beauties of Ravenridge Senior High , girls who 2/3 19:20 Sat , Oct 11 Chapter 191 Saved You Because You're Ms Hollis Daughter 41 Finished were always treated with kindness and admiration by the boys around them . Yet here they were , personally inviting Leander to dinner , only to be coldly rejected . Their pride took a massive hit . " What's that supposed to mean ?

" Yvette hadn't even spoken yet when Ginny burst out angrily . " Just because you saved us doesn't mean you get to act all high and mighty ! So , you're good at fighting , big deal ! What's with the attitude ? You're still eating in this cheap diner where a meal costs like , what , ten bucks ? If you don't want our treat , fine ! I don't care anymore ! " Ginny stormed out of the restaurant , furious . Leander's casual dismissal of her as " just

a coincidence " had completely set her off . Yvette , however , stayed behind , her gaze lingering on him .

" So , you saved me just because you know my mom ? " she asked quietly . " If you didn't know her , would you have left me there ? " Leander nodded bluntly . " Yes . " He wasn't lying . The only reason he had stepped in to save Yvette was because of Monica . Years ago , Monica had given him some money - not a lot , but enough to help him through the hardest time in his life . He had never forgotten that kindness . Since Yvette was her daughter , he couldn't stand by and let her get hurt , knowing how devastated Monica would be . But if it had been anyone else , he wouldn't have cared .

Outside of those close to him , he believed that life and death followed their natural course , and he didn't intend to intervene . Hearing Leander's answer , Yvette turned completely cold . Send Gifts 50
