From Outcast to Overlord : The Unyielding Heir Chapter 31 The Consequences Finished Yvette , Madeline , and Ginny reached Tobias ' table and were about to sit when a voice called out from behind . " Wait ! " They turned to see Leander , now wearing a server's uniform , walking toward them . " Leander ? " Madeline's eyes flickered with emotion . Upset and distress were rising within her , though she suppressed them . She knew Leander had always stood up for her .

Just earlier today at the martial arts club , when she had nearly tripped , he had beaten up the entire karate team , forcing their captain to apologize to her . Even so , she did not dare hope for his protection . She even wished he would leave without saying a word . After all , they were not dealing with a student but Tobias , the feared underground boss of Ravenridge's North District . She understood the terrible consequences of offending someone like him . Leander , with an indifferent tone , pointed toward Tobias and asked , " Madeline , do you know him ?

" Madeline hesitated for a moment , but in the end , she shook her head . She never lied to Leander . " Then , why are you sitting with him ? " Leander's voice remained calm , but there was a sharp glint in his eyes . Madeline had no response . She loathed the idea of sitting with Tobias , but even Yvette , the daughter of a powerful businessman , had to comply . What choice did she have ? Leander saw her reluctance and realized the older server's warning was true . Just as he was about to speak , Yvette grabbed his arm .

She had only known Leander for a few days but had already seen him take down violent men with ease . She understood that , beneath his calm demeanor , Leander had a fiery temper . Madeline meant something to him , and seeing her in this situation would surely upset him . However , Yvette knew that handling someone like Tobias with fists was suicidal . Tobias had hundreds of thugs on his side , and even if Leander was an exceptional fighter , he could not take on them all . Worse , one word from Tobias could ruin Leander's life . He had no family and no connections . He would be crushed .

" Leander , he is a business partner of my father . I brought Madeline to share a drink . Do not concern yourself . " Her voice was cold , hoping Leander would back down . 1/4 19:25 Sat , Oct 11 Chapter 31 The Consequences 40 Finished Leander's expression did not change . He looked at Yvette , his voice unwavering . " I do not care about your business dealings , Yvette . Drink if you want to . Madeline is my family , and her problems are mine . I will handle them . " His gaze shifted to Tobias , who was glaring darkly . His tone turned icy .

" If he is truly a business partner of your father's , then fine . However , if you are forcing Madeline to sit with him out of fear , it will not happen . As long as I am here , no one will make her do what she does not want to . " The moment he spoke , Yvette's face paled . Leander had directly insulted Tobias , accusing him of forcing them to spend time with Tobias . While that was the truth , Tobias was a man who easily took offense over a simple statement . Madeline and Ginny were frozen in shock . None of them had expected Leander to be so daring .

As they stood speechless , Tobias broke the silence with a mocking grin . " You have guts , kid . I like that . Still , she is drinking with me tonight . What are you going to do about it ? " Leander did not flinch . He met Tobias ' eyes , shaking his head . " Fatty , look at yourself in a mirror . Do you think someone like company ? " you deserves Madeline's The bar went dead silent . Everyone , from Yvette to the bar patrons , stared at Leander in disbelief . How could a mere server insult Tobias , the feared ruler of the North District , by calling him " fatty " ?

Those who knew Tobias were horrified . He hated being called that , a cruel reminder of his past when people mocked him for his weight . No one had dared say it in years . Yvette's heart sank . Leander had gone too far . There was no turning back now . Tobias would not forgive him , and even Madeline might suffer for it . Why does he never listen ? Yvette thought in frustration . Ginny , too , was furious , wanting to scold Leander for his recklessness . Tobias ' playful expression vanished , replaced by cold fury . " She is your family ? " he sneered .

" Then , tonight , I will not only have her drink with me . I will also have her in my bed , and I will make sure you watch while I have my way with her all night 2/4 19:25 Sat , Oct 11 Chapter 31 The Consequences long . " 40 Finished Madeline turned pale , and Yvette and Ginny were equally horrified . Leander , though , remained unfazed . His eyes darkened . " Do you know the consequences of what you just said ? " he calmly asked . Tobias leaned back , unfazed , as though he was untouchable . " Consequences ? I would love to see what you could possibly do .

" Without another word , Leander took a step forward . Immediately , one of Tobias ' bodyguards moved to block him , reaching out to grab him . Crack ! The sharp sound of bones breaking filled the air , followed by the guard's scream . In a flash , Leander had snapped his arm . The room gasped in shock . Tobias ' eyes narrowed . He had not expected Leander to be so skilled . His remaining three bodyguards charged together , but within seconds , they were all on the floor . Two of them were unconscious , while one was writhing in pain . No one had even seen how it happened .

Now , Leander stood face - to - face with Tobias . Tobias , surprised but calm , remained seated . " You fight well , kid , " he remarked . " Still , this is not about strength . I control the North District . Kneel now , apologize , and maybe I will let Madeline go . You could even work for me . " Yvette silently prayed that Leander would stop . If he surrendered , there might still be a way out . But Leander gave no sign of retreat .

Instead , he picked up the heavy glass table in front of him with one hand and smashed it down on Tobias . Crash !

The table shattered , glass shards scattering everywhere . Tobias fell to the ground , unconscious , while his head profusely bled . Leander looked down at him , his voice calm and cold . " This is the consequence of trying to lay a hand on her . " 3/4 19:25 Sat , Oct 11 Chapter 31 The Consequences At that moment , the bar fell into complete silence . Send Gifts 50 40 Finished

40 Finished Leander towered over Tobias . His voice was as cold as steel. The entire bar fell silent , not a sound was heard . Tobias , the undisputed king of the North District , ruled the underground with an iron grip . His power and wealth secured him a spot among the top five in the district , with hundreds of men at his command . Across all of Ravenridge , few would dare to challenge him . Even government officials were careful to stay in his good graces . Defying him was simply unheard of .

Yet here was this young man , no older than eighteen , flipping the table and splitting Tobias ' head open . The disbelief in the room was palpable as people rubbed their eyes , thinking they must have imagined the scene . After a brief pause , the stunned patrons felt pity for Leander . Tobias had long ruled the North District like a tyrant , even though he was hated by many . There were countless people who wished to put him in his place . Beating him to a pulp would feel great . However , no one dared to do it , because the consequences were too much to bear .

To lay a hand on Tobias in the North District was to sign your own death warrant . " This kid must not be from around here . He actually beat up Tobias ! He probably will not live to see tomorrow . " " Kids today are too impulsive . They act on a moment's anger without thinking about the consequences , dooming their lives . " Some patrons shook their heads and sighed . With Tobias ' power , he did not even need to call his men for revenge . A single word to the authorities would land Leander in jail for life . His future would be lost . " Leander , what have you done ?

" A sudden shout broke the tension in the bar . Yvette's eyes were blazing with fury as she glared at Leander . " Do you have any idea what you just did ? " Do you even know who he is ? My father shows him respect , offering him drinks as an honored guest and calling him Mr. Zimmerman . " You hit him . Do you have any idea what kind of trouble you are in now ? Can you even handle the consequences ? " Yvette's frustration boiled over as her voice rose , her anger directed at Leander . 1/4 19:25 Sat , Oct 11 Chapter 32 Who Did It ? Step Out Now !

#Finished " I could have smoothed things over with just a few words and a couple of drinks , but you had to take matters into your own hands . " You may be strong , but in the real world , how many people can you fight ? Fifty ? A hundred ? Do you not think relying on violence is foolish ? " He has wealth and connections everywhere in Ravenridge . He knows important people on both sides of the law . One phone call , and your life is over . " Beating him up might give you a moment of satisfaction , but once he wakes up , it will not just be you who suffers .

Madeline will get dragged into this , and Ginny and I might get caught up in it , too . Can you not think before you act ? " Yvette's frustration exploded as if all the pent - up anger she had been holding in since meeting Leander was pouring out in one breath . Ginny was already frozen with fear , unable to think of anything but running away . Madeline's eyes were filled with worry . She , too , was frightened . Leander had stood up for her , taking down Tobias and his men . She was grateful , but the way he went about it was too extreme . She knew it was not the right solution .

As she thought of the inevitable retaliation , her heart pounded with fear for Leander's safety . Once Yvette finished , Leander stood motionless , his expression calm from start to finish . " I did this . You do not need to worry . I promise this will not affect any of you . " I am the one who hit him . I will take full responsibility for whatever happens . " Leander's voice remained steady , as though he were discussing something trivial , showing no signs of fear . " Take responsibility ? How ? By using your fists again ? " Yvette was bitterly disappointed .

Leander's behavior tonight had shattered her good opinion of him . Now , all she felt was disdain . To her , Leander was a simple , arrogant country boy who only knew violence and had no idea of his own place . " How I handle it is none of your concern , " Leander said without even glancing at her . He dismissively waved for them to leave . " Go . Take Madeline with you . This has nothing to do with any of you . I will handle it . " In Leander's eyes , someone like Tobias was hardly worth his attention . 40 Finished Tobias . Still , he did not want Madeline to get caught up in his world too soon . It would change her life , and he wanted to spare her that . Hence , he asked Yvette , Ginny , and Madeline to leave . " Leander , this has gone too far . I am not leaving . I will face it with you , " Madeline said , her voice shaking . Even so , she refused to let Leander face the storm alone . " Madeline , trust me . I will be fine . I will take care of this . You should go . " Leander gave her a reassuring look , then turned to Yvette . " Yvette , please help me get her out of here .

" Ginny , unable to handle the pressure , pulled Madeline toward the door . Yvette hesitated for a moment , her angry expression softening as concern flashed across her face . " What about you ? Are you really staying here alone ? " Come home with us . Let me talk to my parents . They might be able to talk their way out of this before it gets

worse ." Leander shook his head . " No , I will sort this out . Do not tell Ms. Hollis about this . Now go . " Yvette looked at Leander's calm , confident face . She sighed , feeling helpless .

She had tried to offer a solution , but Leander stubbornly insisted on dealing with it himself . To her , this was not bravery . It was recklessness . With that , Yvette gave up on Leander and left with Ginny , pulling Madeline out of the bar . Once they were gone , Leander casually leaned back on a couch with his arms crossed behind his head . He looked completely at ease , as though he was waiting for something . Moments later , the bar doors swung open with a bang , and over thirty men poured into the room , filling it to the brim .

A tall , muscular man in his thirties , wearing a trench coat , strode in . His sharp features and hard expression made him look ruthless . He quickly surveyed the scene and rushed over to Tobias , helping him to his feet . " Mr. Zimmerman , are you alright ? Are you hurt ? " Tobias , still bleeding from his head , slowly regained consciousness , though his thoughts were still muddled . The trench coat man's face grew darker with rage , his eyes flashing with deadly intent . 3/4 19:25 Sat , Oct 11 : ๓๑ 40 Chapter 32 Who Did It ? Step Out Now !

Chapter 33 My Backup is Here " Who did this ? Show yourself now ! " The trench coat man was filled with rage , his eyes ablaze with fury . 40 Finished Earlier that evening , he had received news that Tobias was at one of the bars in his district . Initially , he had planned to handle some minor tasks before joining Tobias for a few drinks . He wanted to build rapport with Tobias to increase his influence under his command in the future . However , shortly after , he was informed that Tobias had been knocked out in the bar . He immediately rushed over with more than thirty men by his side .

When he saw Tobias lying there with blood covering his face , his rage skyrocketed . Tobias had rarely visited a bar in his district . During one of the few times he did , this happened . Tobias would undoubtedly be furious when he woke up . This failure would cost the trench coat man dearly , leading to his fall from favor . Worse still , someone had dared to attack Tobias in his own territory . This was an unforgivable insult . Daniel , the bar owner , hurried forward and whispered something into the trench coat man's ear . Immediately , the man's gaze shot toward Leander .

" Was it you , boy ? " His eyes flared with anger before narrowing into a dangerous smile . " This kid is done for ! " " He attacked Tobias , and now Leon Harvey , the top dog of the central business district , is here . There is no way he will let this slide ! "

Several bystanders had already recognized the man in the trench coat . He was Leon , the boss of the central business district . Leon fixed his stare on Leander , surprised by his audacity . He had not expected someone so young to have the guts to strike Tobias with such ruthless force . " It was me , so what ?

" Anyone else under Leon's gaze would have been nervous and sweating by now , but Leander remained calm . 1/5 19:25 Sat , Oct 11 Chapter 33 My Backup is Here " So what ? " : 40 Finished Leon sneered . " You had the nerve to touch Mr. Zimmerman on my turf ! I will break every bone in your body and toss you into jail , or my name is not Leon Harvey ! " With that , he waved his hand , and his thirty men began cracking their knuckles and closing in on Leander . It was clear they intended to beat him into submission .

Yet , Leander stayed seated with his expression unchanged , as if unaware of the imminent danger . As Leon's men prepared to attack , Leander's phone rang . Ignoring the approaching thugs , Leander nonchalantly answered the call . " Mr. Leander ! " It was Frankie . " An hour ago , Gumus Mardin from Ascendia unexpectedly arrived in Ravenridge . He came straight to the company , requesting a secret meeting . He is waiting in the conference room right now . Will you come ? " Leander had heard about Gumus before .

He was the underground king of Ascendia , a neighboring city , and held a similar position to Frankie's in Ravenridge . Gumus had started as a small - time thug but had seized control of key territories , eventually expanding into entertainment , tourism , real estate , and international trade . He was now Ascendia's wealthiest man , with countless assets and deep connections on both sides of the law . Frankie had always viewed him as an equal and a rival . For Gumus to show up unexpectedly , seeking a secret meeting , something Significant had to be happening .

" Alright , I will head over , " Leander replied . " However , I first have something to take care of over here . Once I'm done , I will head over . Hold the fort for now . " " Something to take care of ? " Frankie swiftly asked . " Mr. Leander , what is going on ? Where are you ? I can send Jamero to take care of it and pick you up afterward ! " Jamero Coppel , Frankie's personal driver , was one of his most trusted men . " That works . I am at Shade Bar in the central business district . Send him over . " Leander hung up .

The thirty men surrounding him paused and glanced at Leon , awaiting his orders . 2/5 19:25 Sat , Oct 11 Chapter 33 My Backup is Here Leon smirked , full of disdain . 40 Finished He had already noticed Leander's bartender uniform . In his eyes , Leander was a nobody who was just scraping by with a menial job . Even if Leander could call for backup , what difference would it make ? " Still think calling someone will help you , boy ? " He shook his finger , mocking Leander . " Fine , I will wait ten minutes for your backup to arrive . Then I will take you down .

You clearly have no idea how harsh reality can be ." To Leon , Leander was already trapped with no way out . He did not mind waiting a few more minutes . " Is that so ? " Leander remained unbothered , casually pouring himself a beer and leisurely sipping it . " What an idiot . He's still drinking even though he is about to die ! " Daniel , watching from the sidelines , took pleasure in Leander's apparent doom . He had always resented Leander for his closeness with Madeline , and now , Leander's future doom filled Daniel with twisted satisfaction .

The bar's patrons remained seated , too scared to move . Still , they kept their eyes glued to the scene . They all knew Leander was about to be badly beaten up , but they still wanted to watch . People were never tired of witnessing someone else's misfortune . After a few minutes , there was a stir at the entrance of the bar . It seemed someone had arrived . " Looks like your backup is here , boy ," Leon sneered , turning to see who Leander had called . He immediately froze . A middle - aged man in a burgundy suit entered the bar .

His sharp eyes scanned the room , and his bulging muscles made him appear incredibly powerful . Leon's demeanor dramatically shifted . He immediately forced a smile and stepped forward . " Ah , if it isn't Mr. Coppell ? What brings you here ... " Before he could finish , the man shoved him aside . Leon was momentarily stunned , feeling a flicker of irritation , but he knew better than to show 3/5 19:26 Sat , Oct 11 Chapter 33 My Backup is Here it . : 40 Finished This man was Jamero Coppell , the personal driver of Tobias ' boss , and a former enforcer feared throughout Ravenridge .

His strength and status exceeded even Tobias . Even Tobias had to show him respect and greet him as " Mr. Coppell ." Leon would never dare show him any disrespect . Jamero's eyes swept the room before he made his way to Leander . He stopped in front of Leander and bowed with respect . " Mr. Leander , I am Jamero . The boss sent me to pick you up ." As soon as Jamero spoke , Leon's face turned as white as a sheet . His eyes widened in disbelief . Tobias , who had just regained consciousness , nearly fainted again at the sight . Daniel's face twitched in shock , his eyes wide with disbelief .

" Is that not Frankie's personal driver from Leandrix Corp. ? " Some of the more knowledgeable patrons quickly recognized Jamero . Soon , every eye in the room was fixed on Leander , filled with shock . Though many in the bar did not know much about Frankie , they had heard enough to be in awe . Frankie had once ruled the streets of Ravenridge and was now its undisputed underground king . He had also been the city's wealthiest man for three consecutive years , controlling the multi - billion dollar Leandrix Corp. His influence was enough to make the entire city tremble .

While Tobias was called the king of the North District , he was nothing more than Frankie's subordinate . Yet here was Jamero , Frankie's personal driver and trusted confidant , bowing to a young man dressed as a bartender . The respect he showed left everyone stunned . " I understand , " Leander said , still seated on the couch , nodding calmly . Then , he shifted his gaze to Leon , whose jaw had dropped in shock . A wicked

grin spread across Leander's face . " Did you not just say you would take us all down once my backup arrived ?

" " Well , he is here now ." In an instant , Leon's face turned deathly pale .

Chapter 34 A Formidable Figure " My backup is here ! " 40 Finished Leander's eyes sparkled with mischief as he regarded Leon , who appeared as pale as a ghost . Leon's expression was bleak , and his heart raced with trepidation . He never anticipated that Leander's backup to be Jamero . In the Ravenridge underworld , Jamero was a well - known figure . Although he seemed to be merely a driver for Frankie , he possessed tremendous power , second only to Frankie himself . His influence and resources were far beyond what someone like Tobias could ever imagine .

Back when Frankie was still a street thug , Tobias was just one of Jamero's lackeys . Later , as Frankie rose to prominence and became the wealthiest man in Ravenridge , Jamero became his personal driver . Tobias and his crew climbed the ranks thanks to Frankie's backing , eventually establishing themselves as the dominant force in the Northern District . Despite their considerable power , they would still bow and show deference to Jamero whenever they encountered him . He was someone no one could not afford to offend .

Leon could not grasp how Leander , merely a bartender , could summon someone as formidable as Jamero . Throughout Ravenridge and even in neighboring cities , numerous wealthy individuals catered to Jamero , flattering him with ingratiating smiles . Their children trembled in his presence like frightened quails . But seeing Jamero show such respect to Leander , Leon could not comprehend the true extent of Leander's terrifying identity . " Hmm ? " As Leander spoke , Jamero's sharp gaze suddenly turned to Leon . " Leon , what is happening ? Did you offend Mr. Leander ?

" Leon's pupils dilated , and cold sweat trickled down his face , which had turned ghostly white . " Mr. Coppel , this ... I ... " He struggled to find words , his body frozen in fear under Jamero's piercing gaze . Once , Jamero had been the most feared enforcer under Frankie , a man whose mere name instilled terror in others . Leon feared that Jamero , in his rage , might strike him right then and there . 1/4 19:26 Sat , Oct 11 Chapter 34 A Formidable Figure (40) Finished Slap ! Jamero's eyes blazed with fury . He stepped forward and struck Leon forcefully across the face .

Jamero was incredibly strong , capable of lifting over a hundred pounds with one hand . The slap sent Leon reeling , his cheek swelling instantly , and two bloody teeth flew from his mouth . However , Leon dared not retaliate , and the thirty or so men with him just stood there , trembling and too frightened to act . " Leon , I recommended you to Tobias because I believed you were a capable man . You were assigned to oversee the

central business district . Have you grown arrogant ? " Do you even understand who Mr. Leander is ? How could you dare to offend him ?

" Jamero's eyes flashed with intensity as he kicked Leon , forcing him to stumble back half a meter . " He is Mr. Wainwright's benefactor . Even Mr. Wainwright treats Mr. Leander with the utmost respect . Do you really want to challenge him ? Are you eager to end your own life ? " Leon's back was drenched in sweat , and terror gripped his heart . Just a few days ago , rumors circulated about a mysterious figure supporting Frankie , someone who was a major shareholder in Leandrix Corp. and Frankie's benefactor .

Many speculated about this enigmatic figure's identity , but Leon had never imagined it would be Leander . " Mr. Coppel , I ... I did not know it was Mr. Leander ! " Leon now wished he were dead . He had gathered a crew to seek revenge for Tobias , hoping to gain recognition . Now , he had offended the boss of his boss . Forget about gaining favor . It would be a miracle if he left the bar alive tonight . " You did not know ? Let me enlighten you ! " Jamero was known for his ruthless methods .

Now that Leon had offended Leander , Jamero feared that Leander might hold this incident against Frankie . Jamero came to a decision , grabbed a nearby metal chair , and prepared to bring it down on Leon , Leon's heart sank . He dared not dodge and just watched as the chair descended . Clang ! At that moment , a slender , pale hand halted the chair mid - air . Jamero's heart raced , and he abruptly stopped his attack .
2/4 19:26 Sat , Oct 11 Chapter 34 A Formidable Figure It was Leander who had intervened . 40 Finished Jamero was internally shaken .

He had swung the chair with all his might , yet Leander had casually blocked it with a single hand . " There is no need for such violence . " Leander withdrew his hand and shook his head . " He only wanted to avenge Tobias . Although he chose the wrong target , it is understandable . " Leander turned his indifferent gaze toward Leon . " I will overlook this today due to your ignorance . However , the next time you seek revenge , make sure you know if you have the ability to do so ." In that moment , Leon felt as if he had been pulled from hell to heaven .

He hastily knelt and vigorously nodded . " Mr. Leander , I understand . I understand ! I will never do this again ! " Leander's expression remained stoic as he suddenly reached out , grabbing Leon by the collar , and effortlessly lifting him as if he were a toy . Everyone present was stunned . Even Jamero's eyes widened with surprise . He had initially thought Leander was merely a wealthy kid supporting Frankie , but now he realized that Leander was far more dangerous than he had ever imagined . " From this day forward , I want you to keep a close watch on this bar .

There is a waitress named Madeline . I want you to assign people to guarantee her safety twenty - four hours a day , without exception . " If anything happens to her , or if

she faces any injustice , I will first go after you ! " Leon repeatedly nodded and thumped his chest in assurance , " Mr. Leander , rest assured ! In the central business district , my word is law ! " Leander nodded and finally released Leon . He then lightly kicked Tobias , who had been pretending to be unconscious , sending him sprawling several feet away .

Tobias had realized things were not going well when Jamero appeared . He pretended to be unconscious the entire time , but Leander's kick caused him to cry out in pain . " I do not care who you are or what role you play under Frankie . By midnight tonight , you had better be out of Ravenridge . 3/4 19:26 Sat , Oct 11 Chapter 34 A Formidable Figure " If I see you here after midnight , you are as good as dead . " 140) Finished Leander's voice remained calm , yet it was infused with a chilling threat , making Tobias feel as if he had fallen into an icy abyss .

He had spent years working under Frankie in Ravenridge and had finally gained a position of power in the Northern District . He had envisioned a life filled with luxury , with wealth and women at his fingertips . Yet , Leander's words shattered all his dreams for the future . Despite his despair , Tobias dared not linger . Struggling to his feet , he hurriedly fled . He knew that if he remained in Ravenridge past midnight , Leander would undoubtedly follow through on his threat . Between the future he dreamed of and his life , his life was clearly more important . Tobias fled in disgrace .

It was only then that Leander shifted his focus to the remaining patrons in the bar . His gaze finally settled on the bar owner , Daniel . " Regarding tonight's events , I expect everyone here to act as if nothing occurred . I trust you understand my meaning . " With that , Leander signaled to Jamero and exited the bar . The patrons inside stared in astonishment , especially Daniel , who stood frozen in shock , unable to respond . They had all assumed that Leander would face severe repercussions for beating up Tobias . Perhaps he might meet a violent end in retaliation .

Unexpectedly , Leander emerged unscathed while the once - proud Tobias was expelled from Ravenridge in humiliation . Daniel finally snapped out of his stupor and gasped in disbelief . He had always believed that Leander was a powerless bartender , someone he could easily bully . Now , he realized that Leander was anything but ordinary . apter 35 Bryce Duffy from Bolt Arena Leander hopped into Jamero's car after leaving the bar . 40 Finished " Mr. Leander , my boss wants Gumus Mardin and a few others at Maplebrook Manor . Do you want me to take you there ? " Jamero asked . Leander gave a slight nod , and Jamero hit the gas , steering them toward the manor . Maplebrook Manor was the hottest gambling spot in Ravenridge , thanks to Frankie , who championed its creation and quietly bankrolled it . It was a playground for the elite ,

where countless celebrities and big - name businesspeople flaunted their status with every visit .

The place oozed luxury , and only those worth at least a billion could get through the doors . Once they arrived , Jamero parked and led Leander inside . Several stunning hostesses in high - slit dresses in the lobby greeted them with bright smiles , radiating charm . Frankie ensured everything in the manor was top - notch ; even the hostesses underwent rigorous selection . They all looked like they could step off a runway , and many had already caught affluent clients ' eyes and quickly climbed the social ladder .

When the hostesses spotted Jamero , their faces lit up with smiles and flattery . They knew he was more than just Frankie's driver - his status and influence were way above theirs . Getting in his good graces could change their lives . Yet , Jamero brushed them off . He gave a slight bow and motioned for Leander to follow him . The hostesses then turned their attention to Leander , who looked barely seventeen or eighteen in his black - and - white waiter's outfit . Aside from his striking looks , he blended right in with the waiters .

Still , Jamero treated him with the respect that suggested he was someone important - maybe even more so than Frankie . Leander kept his cool , barely glancing their way . As they moved deeper into the manor , the hostesses whispered among themselves . They were dying to know who this young man who commanded such respect from Jamero was . With Jamero guiding him , Leander finally reached the private suite known as the " Paradise Suite . " " Mr. Leander ! " Frankie jumped up when he saw Leander , clearly relieved . " Gumus showed up at Leandrix Corp.

today with his top four henchmen , wanting a private meeting . I took your advice and stalled him , bringing him here instead . He's in the meeting room now . What do you think ? " Frankie stated , frowning . Leander leaned back on the couch with a grin . " A private meeting ? I'm curious , though . Ravenridge is your territory - who gave him the guts to confront you here ?

" After downing his tea , Leander got up and suggested , " Let's go find out what this hotshot is planning ! " Leander , Frankie , Jamero , and a few of Frankie's loyal guys headed to the meeting room . Leander sat in the back corner while Frankie settled at the head of the table . Across from him was Gumus Mardin , a rough - looking middle - aged guy dripping in gold chains and rings . A scar ran down his left cheek , making him look intimidating . Gumus was known as the underground kingpin of Ascendia , and he and Frankie had been rivals for years .

Gumus lounged back with his legs on the conference table while a pretty waitress trimmed his nails beside him . He occasionally reached out to touch her , acting like the

place was his . " Frankie , I came here sincerely to discuss a partnership , but you've kept me waiting . Isn't that a bit rude ? " Gumus asked with a smirk , wrapping his arms around the waitress . Frankie didn't respond right away . He shot a glance at Leander , who nodded slightly before replying , " Gumus , we've had our fair share of conflicts over the years . Do we really need to waste time on small talk ?

" He cut to the chase . " You know how I roll . I don't have time for this . Tell me what you need and what I'll get out of it if you want to collaborate . " " Good to see you're being direct , Frankie ! " Gumus replied , putting his legs down and pushing the waitress aside . He started off , " You should know what's happening in Mornwick . Tommy Dunphy has everyone in Southridge on the same page . He controls all the foreign trade and has the upper hand regarding resources and power . You know that , right ? " " You're in Ravenridge , and I'm in Ascendia .

We're both part of Northridge , but we've been split and are always vying for dominance . We can't take on Tommy alone . " " That's why I want to kick off a Northridge Alliance soon . I'm inviting you to team up and take on Tommy together ! " Frankie's gaze sharpened as he realized Gumus ' true motives . He thought , Gumus has always had his sights set on ruling Northridge , but he's up against some tough competition . Now he's trying to use the whole Tommy situation as an excuse to gather more power - pretty ambitious , huh ?

Frankie cocked his head slightly and saw Leander subtly signaling him with a raised finger from behind . He straightaway caught on and replied coldly , " You think I'd want to team up with you ? Gumus , are you crazy ? " 2/3 19:26 Sat , Oct 11 Chapter 35 Bryce Duffy from Bolt Arena 40 Finished " Tommy might be tough , but he's in Southridge , miles away from us . What's it to me ? If you want to take him on , go ahead . I'm not joining your little alliance ! " After catching Leander's cue , Frankie firmly dismissed Gumus ' proposal . With expressions growing icy , Gumus shot back , " Oh ?

So , you're not interested ? Frankie , I've been serious about this alliance since I came here alone . You've got only one option - agree to it ! " " If you don't ... " A flash of menace crossed Gumus ' face as he continued , " Then , I'll take you out ! " The room went utterly still , leaving everyone in shocked silence . No one anticipated Gumus to threaten Frankie on his turf . Frankie looked momentarily stunned . After a beat , he scoffed , " Gumus , do you really think you can boss me around here ?

" " I don't care about your reputation or power in Ascendia ; this is Ravenridge - my turf . If you think you can take me out here , you're seriously overestimating yourself ! " " Even Tommy wouldn't dare to talk to me like this in Ravenridge ! " Frankie retorted , his confidence unwavering . To him , he was untouchable in this place . Plus , everyone in Maplebrook Manor was loyal to Frankie . If things got dicey , even with Gumus bringing his top four henchmen , Frankie was sure he could handle it without a hitch . " Oh , really ? " Gumus smiled , neither confirming nor denying it .

He then turned to the back and called out , " Mr. Duffy , since he isn't playing nice , I'll need you to step in ." Everyone in the meeting room shifted their attention to the man behind Gumus . Sitting casually in a chair was a middle - aged guy who looked ordinary but had sharp , piercing eyes that felt like a hawk sizing up its prey . " Mr. Duffy ? " Frankie echoed , momentarily shocked .

Then it hit him , and a look of fear washed over his face as he asked , " You mean Bryce Duffy from Bolt Arena ?" Send Gifts 50 3/3 19:26 Sat , Oct 11 From Outcast to Overlord The Unyielding Heir : Chapter 36 Do You Even Qualify ?
