

Unrivaled Warrior by Ashley Grey Chapter 17

Unrivaled Warrior by Ashley Grey Chapter 17

- After reaching the school, Lucian couldn't spot his daughter among the crowd. Upon inquiring, the teacher informed him that Minnie had hurriedly left after school, mentioning that she was going to buy KFC and Coca-Cola for "the bastard". Minnie, unlike other children, did not have parents to pick her up from school, so she would often leave on her own. This routine earned her the trust of the teachers over time. Over time, the teachers trusted her. "Okay, thank you, teacher," Lucian replied before wheeling Freya to the nearby KFC.
- Even though it was a routine for Minnie to go to and from school alone, Lucian couldn't shake off an ominous feeling. His right eyelid kept twitching, causing him to feel uneasy. Even upon reaching KFC, he couldn't locate Minnie, heightening his anxiety.
- Suddenly, Freya's phone beeped, and it was a call from Annie. Lucian helped her pick up the phone and gave it to her. She heard Annie's panicked voice on the other end, "Fay, something terrible has happened. Minnie is abducted. They called and asked us to prepare a coffin to retrieve Minnie's body. What do we do? What do we do?" Annie's voice trembled with fear as she spoke.
- Upon hearing the news, Freya let out an involuntary cry of shock, and her eyes filled with anxiety. She turned to Lucian and urged, "Lucian, let's go home quickly. Minnie has been abducted. They said to prepare a coffin to collect her body." Lucian was struck by this news like a sudden and powerful thunderbolt, leaving him feeling dazed and disoriented. He quickly pushed Freya's wheelchair and headed towards Monsalt City Village, his head buzzing and his eyes red with anger and fear. He believed that the Gray family was behind his daughter's kidnapping.
- Upon returning home, Annie grabbed her phone and screamed at Lucian, her emotions collapsing, "Lucian, it's all your fault! You offended the Gray family, and now they've kidnapped my granddaughter. They want us to prepare for her funeral. Oh, poor Minnie. She was already struggling in our Harrison family, and now this. Why?!"

- Frank grabbed Lucian by the collar and shouted, “If anything happens to Minnie, I swear to God, I’ll kill you.”
- Suddenly, Annie’s phone beeped, and she received a multimedia message. As they opened the photo, everyone felt their anger surge. It displayed Minnie on the ground, huddled up with facial bruises and fresh blood on the corners of her mouth. Despite being tightly shut, her eyes reflected terror. She clung onto a box of fried chicken drumsticks and a spilled cup of cola.
- Freya’s emotions gave in. Her body staggered, and she tumbled from her wheelchair, sobbing uncontrollably. Her visage contorted with torment, and veins bulged on her forehead as she yelled, “My daughter...Lucian, please save her. Don’t let anything happen to her. I implore you, save our daughter...”
- The sight of Minnie’s battered and bruised body lying on the ground with her fists tightly clutching a box of fried chicken legs and a spilled cup of cola was incredibly shocking. What was even more alarming was that Freya was shaking uncontrollably, indicating the extreme emotional pain she was experiencing due to her daughter’s kidnapping. Lucian couldn’t help but shed tears upon seeing the photo of his daughter. Although she was in a difficult situation, he was touched by the fact that she was still holding onto the box of chicken drumsticks because of a lighthearted promise they made.
- “Minnie!” Lucian screamed and charged out of the village, his eyes blazing with fury. As the God of War, he had faced countless battles, but never had he been so consumed by rage. At that moment, all he could think about was his daughter, and he was willing to do anything to save her.
- “Minnie, hold on!! Daddy will rescue you safely. I will eliminate everyone who has hurt you, sparing no one...” He pulled out his phone and shouted, “Call the troops for me!! Call the troops for me!!” He continued, “Liam, mobilize the troops now, gather all 200,000 soldiers, seal off Sioux, and locate Minnie’s whereabouts. No matter the expense, even if we have to turn the city upside down, we must locate her. If anything happens to her, I want Sioux to be drenched in blood today!!”
