last sentence fell, and Ruiqiu walked directly to the tent where Yue Feng was resting.

Here's to trouble!

Mrs. Lanya stood there in a daze, her mood was complicated and anxious. To be honest, she really wanted to stop Rachel, but thinking that the other party's identity was higher than her own, she couldn't summon the courage at all.

At this moment, in Yue Feng's tent.

Yue Feng lay there and had already fallen asleep.

Shasha...

At this moment, a figure walked in gently, with a hot body and a cold face, it was Rachel.

who? Mrs. Lanya?

Yue Feng woke up in an instant, and when he reached his current state, even if he was fast asleep, he would wake up immediately if there was a slight disturbance.

At this time, Yue Feng thought that Mrs. Lanya was looking for him, and looked back subconsciously.

Bang!

However, it was at this moment that Rui Qiuyu raised her hand and cut a palm on the back of Yue Feng's head. At that time, Yue Feng's intuition was buzzing, his eyes went black, and then he didn't know anything.

Nima!

Before he completely lost consciousness, Yue Feng was furious and couldn't help but curse.

Because of the dim light, Yue Feng couldn't see Rachel's face clearly, thinking that Mrs. Lanya attacked him.

call!

Seeing Yue Feng fainted, Rachel let out a sigh of relief without any expression on her face.

In the next second, Rachel tied Yue Feng Wu Hua, and returned to Huanshimen together with Mrs. Lanya.

After several hours of traveling, Rachel and Mrs. Lanya finally arrived at the Taiyuan Mountains.

The Taiyuan Mountain Range is the highest mountain range in the Roland Continent, with more than 10,000 meters. The headquarters of the Magic World Gate is located on the highest mountain.

When entering the main altar hall, Yue Feng woke up.

What the hell!!

The moment he opened his eyes, Yue Feng found that he was bound by five flowers, and when he saw the environment in front of him, his heart was even more shocked.

I saw that I was in a majestic black hall. This hall was as big as three or four basketball courts. The structure of the entire hall, as well as various furnishings, were all made of black stone. The atmosphere gives people a feeling of entrained air.

Chapter 3514

On both sides of the main hall, there are more than a dozen men and women standing quietly, everyone is dressed in black, and their strength is not low.

Among these people, Yue Feng saw Mrs. Lanya at a glance.

Nima!

Seeing Mrs. Lanya, Yue Feng was shocked and angry.

It seems that he guessed correctly, this Mrs. Lanya lied to herself.

Just...where did she take me?

call!

Aware of Yue Feng's gaze, Mrs. Lanya bit her lip tightly, unable to express her guilt.

Knowing that Rachel was staring in the dark, Fengtao should have left, but it was too late to say anything now.

hiss!

At this moment, Yue Feng looked around, his eyes fell on the throne of the main hall, he was stunned, and he couldn't help taking a breath of cold air.

I saw a beautiful and sexy woman sitting on the throne.

This woman is about thirty years old, wearing a long black dress, which shows the graceful curves incisively and vividly. The facial features are beautiful, but the expression is indifferent, and the whole person gives a mysterious and arrogant feeling.

Immediately afterwards, Yue Feng was surprised when he sensed the strength of the woman.

It turned out to be the strength of the Holy Spirit in the previous paragraph.

At this time, Yue Feng didn't know that the woman on the throne was the Sect Master of Huan Shimen, Yin Shan!

Just when Yue Feng was fascinated, Yin Shan's red lips parted lightly, and she said coldly, "Your name is Fengtao?"

"Yes!" Yue Feng responded and nodded in response.

Yin Shan continued to ask, "What's your relationship with her?" After speaking, Yu pointed to Mrs. Lanya.

This...

Yue Feng pondered for a while, and didn't know how to answer for a while. He said that he was a friend, but there was a night of spring rain.

At this moment, Mrs. Lanya came out and said respectfully to Yin Shan: "Go back to the sect master, we are just ordinary friends."

Yin Shan showed a trace of displeasure: "Did I ask you?"

Seeing that the sect master was a little unhappy, Madam Lanya's body trembled, and she quickly stepped aside.

At this time, Yue Feng took a deep breath and asked Yin Shan, "Excuse me, where is this place?"

Yin Shan didn't respond immediately, but instead asked, "Do you know Huanshimen?"

What?

Hearing these three words, Yue Feng's heart was shocked, and he was stunned.

Yue Feng has also been in this different world for nearly half a year. Of course, he knows the phantom world. It is said that the people of this organization are both righteous and evil, and they act their own way.

Because of this, many people's discourse on the Fantastic World Sect has changed, and even the Temple of Light wants to get rid of this organization, but they have never been able to find the main altar of the Fantastic World Sect.

At this time, Yue Feng never thought that he would be caught in the phantom world.

In shock, Yue Feng looked at Mrs. Lanya again. It turned out that she was from the Huanshimen.

Just when Yue Feng was secretly surprised, Yin Shan said softly, "Do you know why I caught you?" The

voice was soft and pleasant, but there was a depressing coldness.

call!

Yue Feng took a deep breath and said with a smile, "How do I know? Did you tie me up because I was handsome?" As

he spoke, Yue Feng couldn't help looking up and down at Yin Shan.

I really didn't expect that the sect master of this fantasy world was actually a beautiful woman, whether it was her figure, face, or her cold temperament, she was of the highest quality.

Seeing Yue Feng staring at her tightly, Yin Shan frowned.

At this time, Rachel, who was standing on one side, immediately walked towards Yue Feng.

Snapped! Snapped! Snapped!

Reaching the front, Rachel raised her hand fiercely and slapped Yue Feng several times.

“Dare to stare at the sect master like this, courting death!” Rachel said coldly.

Nima!

Yue Feng was very suffocating, but his hands and feet were tied, and he couldn't break free for a while.

In the next second, Yue Feng was no longer so presumptuous, and smiled wryly at Yin Shan: “Sect Master, right, we have no grievances, why are you arresting me?”

Yin Shan expressionless, did not respond, but looked at Yin Shan glanced.

Yin Shan immediately understood and said coldly to Yue Feng: “Last night, you chatted with Mrs. Lanya and said that you can understand the ancient characters on the sacred book, right?”

It turned out to be because of this.

Yue Feng was stunned for a moment, and then he laughed. While smiling, he was secretly anxious.

It is no trivial matter that he can read the sacred book, but he cannot admit it casually.

At this moment, Mrs. Lanya came out quickly and asked Yin Shan: “Sect Master, the sacred scriptures are extensive and profound, how can Feng Tao understand them? He was just bragging at the time.”

When Yue Feng was raided by Rachel yesterday, Mrs. Lanya watched, but she couldn't help Yue Feng. She felt very guilty. When she saw Yue Feng in danger, she wanted to help her.

However, Yin Shan didn't listen at all.

In the next second, Yin Shan looked at Yue Feng coldly and said word by word, “Let's make a long story short, you translate all the contents of the holy scriptures for me, and I will let you go, otherwise, your life will be lost. I can't keep it, understand?”

When she said this, Yin Shan's face was cold, but she looked at Yue Feng with a bit of anticipation.

Over the years, Huanshimen has been suppressed by the Temple of Light, which gave Yin Shan a headache. Three days ago, she learned that the Queen was going to give the second half of the Holy Book of Jade Books as a gift to the Goddess of Light. At that

time, Yin Shan did not Without any hesitation, he secretly gave Mrs. Lanya an order to steal the holy book.

You must know that the sacred book is the treasure of the Temple of Light, and there is a huge secret hidden in it. As long as this secret is mastered, Huanshimen can fight against the Temple of Light.

However, after Yin Shan got the sacred book, she found the words inside, and she couldn't understand it at all. At this time, she was very excited when she learned that Feng Tao was able to understand the words on it, but she held her own identity and did not show it. come out.

After saying the last sentence, Yin Shan waved her hand, and immediately someone took a scroll of jade and spread it out in front of Yue Feng.

It is the second half of the sacred book.

Huh...

Seeing the holy scriptures, Yue Feng's face was calm, but he was very excited, and at the same time, he couldn't figure it out.

It seems that the second half of this sacred book was really stolen by Mrs. Lanya. It's just, why did she betray the queen and turn her allegiance to the sect master of this fantasy world?

"Come on!" Seeing Yue Feng's silence, Rachel couldn't help but let out a coquettish cry.

Yue Feng took a deep breath and said with a smile: "Mrs. Lanya is right, I was really bragging last night. I can't understand any of the words in this holy book. How can I translate it for you?" The

voice fell, Mrs. Lanya also quickly said: "Yes, sect master, Feng Tao can't understand the words on it at all, let him go?"

Chapter 3515

As soon as the words fell, Rachel suddenly shouted: "Shut up!"

Immediately, Rachel looked at Mrs. Lanya coldly and said word by word: "You help him several times, the relationship between the two of you is not easy. Right? In your heart, is the matter of the sect master important, or is this man more important?"

"I..."

Facing Rachel's question, Mrs. Lanya's face flushed and she was speechless for a moment.

At this time, Yin Shan looked at Madam Lanya quietly, and said slowly, "Although you helped me steal the sacred book and made a great contribution, don't forget that once you join the Huanshimen, everything will be done with illusions. The interests of the world are the most important."

Hearing this, Mrs. Lanya bit her lip tightly, her heart was extremely complicated.

"Okay!"

Seeing this, Yue Feng showed a smile and said to Yin Shan, "Don't you just want me to translate the holy scriptures? I can agree, but you have to let me go first."

"At that time, Yue Feng looked at Mrs. Lanya.

To be honest, Yue Feng was very annoyed at Mrs. Lanya when he was suddenly caught here, but at this time, seeing that she kept talking for him, the anger in his heart subsided a lot.

Seeing Yue Feng's condition, Yin Shan frowned.

At the same time, Rachel's face froze, and she said tenderly, "How dare you put forward conditions, do you have the qualifications?"

Shuh!

At the same time, other people around also glared at Yue Feng.

This person dares to make conditions with the door owner.

Just don't know how to live or die.

Ha ha..

In the face of the glares from everyone, Yue Feng did not panic at all, but his face was cynical: "Anyway, I have already put forward the conditions. If you don't agree to me, don't ask me to help translate."

Seeing Yue Feng's attitude, Yin Shan's pretty face sank, cold. Coldly said: "Okay, very good, talk to me about the conditions, I think you don't know the power of our Huanshimen. Rachel, punish me!"

Hearing the order, Rachel did not hesitate, and immediately took it from the side. Bring a bundle of wood thorns.

As you can see, these thorns are very peculiar, the texture is pure black, and at the top of the thorns, there is a purple-black, flashing with a cold light.

At this time, Rachel took the wooden thorn and walked to Yue Feng: "This is the thorn on the ghost vine tree. If the thorn is on the nerve, it can increase the human's pain by ten times. Now I am asking you for the last time on behalf of the sect master. , translate or not?"

Nima!

Looking at the wooden thorn in Rachel's hand, Yue Feng was furious, but his face still had the attitude of a dead pig not afraid of boiling water.

Seeing this, Rachel stopped talking nonsense, picked up a wooden thorn, aimed at the nerve on Yue Feng's shoulder, and stabbed it directly.

puff!

A sharp pain came, Yue Feng gritted his teeth and did not shout.

However, Ruiqiu wasn't finished yet. All the wooden thorns in his hand were stuck on Yue Feng's body, which is the most vulnerable place for nerves. At first, Yue Feng could grit his teeth and endure it, but in the end, he couldn't bear it anymore. just screamed.

Ma De, the way that Huanshimen tortures people is too sinister!

At this moment, Yue Feng was covered in cold sweat. To be honest, Yue Feng really wanted to mobilize his inner force to break free of the restraint, but the pain nerve was stabbed, causing his breath to become unstable.

Finally, Rachel stabbed all the thorns in her hand and stepped aside!

At this moment, Yin Shan looked at Yue Feng with a half-smiling smile: "How is it? Are you willing to translate now?"

Yue Feng took a deep breath and smiled without saying a word.

The ultimate husband in Chinese chapter 3516-3520

Chapter 3516

Yin Shan's face changed, she was completely angry, and she was also a little shocked at the same time. She never thought that this wind wave was so strong.

For a time, the atmosphere of the entire hall was extremely depressed.

"Sect Master!"

Seeing that the situation was getting worse and worse, Mrs. Lanya walked out quickly, knelt on the ground, and pleaded with Yin Shan, "Please, let him go."

Looking at Yue Feng's body filled with thorns, Mrs. Lanya felt both guilty and distressed.

"Eat what's inside and out." Yin Shan's eyes flashed with anger, and she ordered Rachel: "Put her and Fengtao in death row together."

Seriously, in Yin Shan's heart, Mrs. Lanya helped her I was very relieved to have stolen the holy scripture jade book, but at this time, seeing that she had been helping this man to beg for mercy, she immediately became angry.

"Yes, Sect Master." Rachel responded, then called the guards outside and dragged Yue Feng and Mrs. Lanya down.

ten minutes later.

In the death row, Yue Feng sat there, his face full of aggrieved.

At this time, Yue Feng's hands and feet were still tightly bound, and the wooden thorns on his body were not removed.

Mrs. Lanya sat aside, her hands and feet were tied, with tears on her beautiful face, she kept apologizing: "Fengtao, I'm sorry, I'm really sorry..."

Phew!

Seeing the sincerity on Mrs. Lanya's face, Yue Feng breathed a sigh of relief, and said lightly: "You stole the sacred book, why did you lie to me? There is no big family chasing you, right? Why are you? Want to betray the Queen?"

Hearing this series of questions, Mrs. Lanya bit her lip, her delicate face full of entanglements.

This chapter is provided by . Visit for daily update.

A few seconds later, Mrs. Lanya responded slowly: "Why did you ask me to betray the Queen? She didn't send my husband to fight, and my husband wouldn't die. Although he gave me a title, it would change my happiness for the rest of my life. Is it?"

When she said this, Mrs. Lanya looked sad and angry.

Yes, she betrayed the Queen all because of her husband's death.

Uh...

Hearing this, Yue Feng was silent all of a sudden, yes, this Madam Lanya was in her prime, but her husband suddenly died, and it would be unacceptable for any other woman.

"Fengtao!"

At this time, Mrs. Lanya calmed down, her delicate face full of guilt: "I never thought of harming you, it was Rachel who heard our conversation last night that she wanted to arrest you. Seeing the sect master, I really don't want to do this..."

Although the man in front of him was a celebrity by the Queen's side, after a night of spring rain with him, Mrs. Lanya had a crush on him and couldn't hate him at all. , And at this time, seeing him trapped in death row because of himself, it was even more uncomfortable.

Ugh!

Seeing Madam Lanya's attitude, Yue Feng secretly sighed.

They have already been arrested, so there is no need to bother with Mrs. Lanya.

"Okay, don't feel bad, I didn't blame you!" Yue Feng sighed and smiled.

Hearing this, Mrs. Lanya smiled.

The next second, in the face of the situation in front of her, Mrs. Lanya frowned: "Then what should we do now? If you don't help translate the sacred book, the sect master will definitely not let you go."

Yue Feng smiled. Laughing and comforting: "Don't panic!"

Saying that, Yue Feng thought of something, and said to Mrs. Lanya: "By the way, I taught you acupuncture points before, you haven't forgotten, hurry up, click on my acupuncture points." The

whole body was covered with wooden thorns, and Yue Feng was in pain. Forbearance, can't stimulate internal force at all, the only way is to seal the acupoints.

As long as the acupoints are sealed, there will be no consciousness, and there will be no torment of pain. Only then can Yue Feng be able to stimulate his inner strength and force out the thorns.

Chapter 3517

Hearing this, Mrs. Lanya nodded quickly, and then hit Yue Feng's acupuncture point with her elbow. Speaking of which, Mrs. Lanya's first acupuncture point was not skilled at all, but she had Yue Feng's instructions, so it was an instant success.

call!

After the acupoints were sealed, Yue Feng suddenly felt that the pain all over his body disappeared without a trace, so he silently urged his inner strength and began to force out the wooden thorns stuck on his body. After ten seconds, dozens of wooden thorns were all forced out.

At the same time, the ropes on the hands and feet were easily shaken by Yue Feng.

Haha...

After regaining his freedom, Yue Feng felt relaxed, and his eyes flashed with anger.

Mad, who was tortured for no reason, and when he was released from the death row, he must find the phantom sect master to settle the account.

After making up his mind, Yue Feng untied the ropes of Mrs. Lanya's hands and feet.

"Fengtao..."

At this time, Mrs. Lanya looked closely at Yue Feng: "How did you shake off the rope?" She is a member of Huanshimen, and she knows the power of Huanshimen. The ropes are all special, and the wind and waves in front of them are easily shaken away.

Simply incredible.

At this time, Mrs. Lanya didn't know that Yue Feng's surface was in the realm of sainthood, and her real strength was beyond her imagination.

Yue Feng smiled and was about to explain, but when he saw Madam Lanya behind him, he was stunned.

I saw that there was a gap on the wall behind Mrs. Lanya. This gap seemed to be very ordinary, but Yue Feng could clearly feel that there was a faint aura in the gap.

In the gap on the stone prison wall, there is actually aura filled with spiritual energy?

Muttering in his heart, Yue Feng walked over slowly, his inner strength surged, and he slapped the crack with a palm.

boom!

After a dull sound, a hole appeared in front of Yue Feng and Mrs. Lanya. It's dark inside, and I don't know where it leads.

Yue Feng clearly saw that outside the entrance of the cave, a stone formation was deployed with a few stones.

“Strange!”

Seeing this, Yue Feng couldn't help but mutter to himself: “I didn't expect that there is still another mystery in the death row. What is this place?”

Madam Lanya next to her was also shocked, but she heard Yue Feng's words immediately responded: “This is the Taiyuan Mountain Range, the highest place in the entire Roland Continent.” The

highest place?

Hearing this, Yue Feng frowned, thoughtfully.

In the next second, Yue Feng asked Mrs. Lanya: “Since you are from Huanshimen, do you know where this cave is?”

Mrs. Lanya shook her head: “I joined Huanshimen for several years. I have never heard the sect master say that there is a hole under the main altar, and I believe that the sect master does not know about it, otherwise, this place would have become a forbidden place.”

Yue Feng nodded, and immediately thought of something, he took out one from his body. The crumpled map came out. This map was found from Auf when she helped Xue Mi'er capture the big bandit leader Auf.

When he got the map at that time, Yue Feng found a place on the map that was specially marked. Yue Feng always believed that the marked place should be a hidden treasure, so he didn't take it to heart.

Now that I think about it, the place marked on the map seems to be the Taiyuan Mountains.

Phew...

At this moment, Yue Feng unfolded the map, looked at the location of the red dot, and was suddenly inexplicably excited.

Sure enough, the red dot above is in the Taiyuan Mountains.

“This..”

Chapter 3518

At the same time, Mrs. Lanya also trembled, looking at the map tightly, she was shocked: “The position of the red dot seems to be where we are at this time.”

Saying, Lan Yafu The man looked at the hole in front of him and said, “Could it be that there is a treasure in it?”

“If it’s just an ordinary treasure, it won’t be so obscure. There must be some secrets in it.” Yue Feng said lightly, and walked to the entrance of the hole. Observe carefully.

At this time, Yue Feng clearly found that the stone formation at the entrance of the cave had a strong aura, but it was covered with dust, which was obviously old.

“Go, go in and have a look!”

After observing, Yue Feng no longer hesitated, greeted Mrs. Lanya, and walked in first. The stone formation in front of him is just a simple five-element formation. For Yue Feng, it is not difficult at all.

Madam Lanya responded, followed closely behind Yue Feng, and entered the stone formation.

A few seconds later, Yue Feng and Mrs. Lanya passed through the stone formation and entered a long passage, which seemed to lead to the center of the earth.

I don’t know how long it took, Yue Feng and Mrs. Lanya finally came to an empty secret room. They saw that this secret room was the size of two basketball courts, and there were more than a dozen secret passages around the secret room. connected.

What the hell!

Seeing this scene, Yue Feng couldn't help but secretly swallowed a mouthful of saliva. Seriously, when he saw the maze-like place in front of him, Yue Feng was a little confused.

Mrs. Lanya was also stunned, unable to describe the shock: "Why does this place look like a maze?"

Yue Feng did not respond, but carefully observed the surrounding situation. After a few seconds, Yue Feng chose a secret path and directly walked in.

However, after a few steps, Yue Feng suddenly stopped.

"What's wrong?" Mrs. Lanya asked quickly, her beautiful face couldn't hide her nervousness.

Yue Feng waved his hand to signal her not to speak. At the same time, his eyes were fixed on the ground, and he saw that the passage in front of him was paved with square rocks, and the colors of these rocks were different from each other. Some are deep, some are shallow.

Not only that, Yue Feng noticed that in the place where the front turned, on the walls on both sides, there were some round holes with the thickness of fingers.

These round holes should be the organs.

Realizing this, Yue Feng took a deep breath and warned Mrs. Lanya: "It seems that this place is much more dangerous than we imagined, wait for me to go wherever you go, don't go wrong. That's it."

When he said this, Yue Feng's face was solemn.

Because he clearly felt that the passage in front of him not only concealed hidden weapons, but also filled with a strange power fluctuation in the air. This power made people panic. At that time, Yue Feng broke into the Kyushu Continent for the first time. It was this inexplicable feeling of panic when I was leading the way.

Not only that, this force has virtually suppressed Yue Feng's dantian inner strength. Under such circumstances, it is difficult for Yue Feng to fly with Mrs. Lanya, which means that he will face the danger of triggering the mechanism.

"Okay!"

Hearing Yue Feng's exhortation, Mrs. Lanya nodded quickly, daring not to disobey the slightest, and at the same time she felt even more nervous.

Yue Feng stopped talking nonsense, took a deep breath, and moved quickly towards the passage.

Mrs. Lanya followed closely behind Yue Feng. Wherever Yue Feng walked from, she stepped on which stone bricks she stepped on and was very careful.

Seeing that she was about to pass through this dangerous passage, Mrs. Lanya was dripping with sweat. She seemed too nervous and accidentally stepped on the wrong place.

What the hell!

Yue Feng was taken aback and was about to turn around to make amends, but it was already too late.

Click.

I heard a sound of a mechanism being triggered, and then, the ground under my feet trembled slightly.

In the next second, I saw a stream of light erupting from the round hole in the front wall, towards Yue Feng and Mrs. Lanya. Come, each streamer is an arrow, soaked with kerosene, it will burn.

In an instant, thousands of arrows shot out, and the scene was very shocking.

Chapter 3519

“Fengtao...”

Seeing this scene, Mrs. Lanya’s face turned pale, and she couldn’t help exclaiming.

Yue Feng did not panic at all, he pulled Mrs. Lanya into his arms, and at the same time stimulated his inner strength, forming a protective film around his body.

“Bang Bang Bang!”

I saw that thousands of burning arrows hit the protective film one after another, and then bounced off, leaving the protective film intact.

Huh...

Mrs. Lanya breathed a sigh of relief, looking at Yue Feng’s eyes, also flashing a strange light.

With a man like this by my side, I feel so safe.

After another ten seconds, the mechanism finally stopped.

“Okay!” Yue Feng let go of Mrs. Lanya and said with a smile: “Fortunately, I responded in time, otherwise, we would all be shot into hedgehogs!”

Mrs. Lanya nodded with lingering fear: “Fengtao, it is really thanks to you! I’m really sorry just now, I’m too nervous.”

Yue Feng laughed, comforted a few words, and continued walking towards the depths of the passage with Mrs. Lanya.

.....

the other side!

In the hall of Huan Shimen, Yin Shan sat there with a gloomy face, still angry because of Yue Feng.

You especially thought that it was even more difficult for Mrs. Lan Ya to help outsiders to beg for mercy.

“It’s not good!”

At this moment, a guard rushed in in a panic and shouted, “Sect Master, it’s not good!”

Yin Shan was already annoyed in her heart, but when she saw the guard’s appearance, she became angry and shouted, “What does it look like to be in a panic? What’s the matter, such a fuss?”

Gudong!

The guard swallowed his saliva and stammered: “The two people in the death row are gone, and there is a strange big hole in the wall of the death row.”

What?

Hearing this, Yin Shan’s body was shocked, and she immediately stood up: “How can two big living people run away silently?” After speaking, she quickly walked towards the death row.

Rachel and others around, hurry up and follow.

Soon, when they reached the death row, they were all stunned when they saw the scene in front of them, whether it was Yin Shan, Rachel and others.

I saw that there was an unfathomable hole in the wall of the death row, and Yue Feng and Mrs. Lanya had disappeared.

In this...

death row, when did such a hole exist?

“What are you doing?”

Finally, Yin Shan reacted, and directed at the surrounding subordinates, she shouted angrily: “Come in and bring them back to me.” The situation in front of them is obvious, Yue Feng and Mrs. Lanya entered the cave.

“Yes!” The

voice fell, and dozens of guards rushed towards the entrance of the cave.

However, after entering the stone formation at the entrance of the cave, dozens of guards were all dumbfounded.

What’s the matter, why do these stones move the same way? No matter how you go, you can’t get around.

Seeing this scene, Yin Shan frowned, very angry: “What are you doing in there?”

“Sect Master, these stones are a little weird.”

“Yeah, we don’t seem to be able to make it through!”

Yin Shan was even more angry when she heard these guards’ words, and she was also a little shocked at the same time. She could see that these guards were not lying to herself. The stones in front of her were really weird.

In Roland Continent, very few people know the formation technique, and Yin Shan is the same.

However, Yin Shan is a resolute woman, she quickly thought of a way, and said to the other guards behind her: “Go, smash all these stones for me, hurry up.”

Hearing the order, many guards hurried to bring them The hammer smashed at those stones.

Bang Bang Bang...

After half an hour, all the stones blocking the entrance of the cave were smashed, and the formation was completely broken.

At this moment, Yin Shan did not hesitate at all, greeted her subordinates, and rushed in directly.

Chapter 3520

The more you go inside, the more frightened Yin Shan is.

I thought it was just an ordinary hole in the ground, but seeing the slate paved under her feet, Yin Shan realized that things were not as simple as she imagined.

Soon, Yin Shan brought hundreds of subordinates to the secret room that Yue Feng had come to before.

“Sect Master!”

At this time, seeing that there were more than a dozen passages connected to this secret room, Rachel couldn't help but said, “This place should be an ancient ruins, there may be hidden dangers, why don't you stay here, me and others People continue to search.”

Rachel was cautious and didn't want Yin Shan to risk her life.

However, Yin Shan disagreed and said lightly, “It's just an ancient ruin, what's so scary?”

When she said this, Yin Shan's beautiful face showed determination.

As the head of the Huanshi Sect, it would be too embarrassing to be frightened by the environment in front of him. More importantly, we must capture the two Mrs. Lanya as soon as possible. After all, that man named Feng Tao can understand the words on the sacred book.

Saying that, Yin Shan began to deploy: “Rachel, you guys, go to the passage on the left, you guys, go to the passage on the right, and the rest follow me.”

Seeing Yin Shan's insistence, Rachel couldn't say anything else.

For a time, hundreds of people were divided into a dozen groups and probed the surrounding passages.

Yin Shan also entered a passage with more than a hundred people.

Click!

However, just after walking a few steps, I heard strange noises coming from the walls on both sides. Obviously, someone touched the organ.

Yin Shan frowned, and hurriedly stopped everyone. Yet it was too late.

I saw that some black liquid seeped out from the cracks in the front wall, and slipped down the passage. It was a kind of kerosene with extremely low flammability.

“Quickly put out the fire.”

Seeing the kerosene, Yin Shan’s body trembled, and she hurriedly gave a soft drink.

Hearing this, everyone hurriedly extinguished the torches in their hands. Even so, some sparks fell to the ground, igniting the kerosene.

In an instant, the kerosene ignited, and the entire passage instantly became a sea of fire.

Yin Shan reacted quickly, her figure was as graceful as a giant, she quickly retreated to avoid the fire, however, the men she brought with her were not so lucky.

“Ah...” In the

blink of an eye, more than one hundred subordinates were all drowned in the sea of fire, screaming incessantly, and burned to death.

This...

Seeing this scene, Yin Shan’s body trembled, unspeakably annoyed, and at the same time secretly shocked.

Where is this place, there is such a powerful trap.

Then I thought about it, the more dangerous the place, the more treasures there are.

Thinking of this, Yin Shan suddenly cheered up, and after the fire was extinguished, she continued to probe forward.

.....

At this moment, Yue Feng is here.

Yue Feng and Mrs. Lanya continued to investigate while paying attention to the surrounding situation.

I saw that the place behind me, the long and curved passage, had actually changed. Some were surrounded by a wall, and some became an abyss.

Nima!

Only then did Yue Feng realize that this huge labyrinth-like place was constantly changing.

Who the hell built such a place, it's amazing.

I don't know how long it took, Yue Feng and Mrs. Lanya finally came to a huge altar.

hiss!

Seeing the huge altar in front of him, Yue Feng's heart was shocked, and he couldn't help gasping for air!

I saw that there were several trapped formations around the altar. These trapped formations belonged to high-level formations. Once they entered rashly, they would be trapped to death.

Not only that, but in the center of the altar, there is a throne. This throne is entirely carved from black stone. On the throne, there is a figure sitting quietly.

Damn, is there someone here?

Seeing that figure, Yue Feng's heart skipped a beat.

The ultimate husband in Chinese chapter 3521-3530

Chapter 3521

Under the shock, Yue Feng was about to speak, but after careful observation, he realized that the figure sitting on the throne was a corpse.

dead?

Yue Feng frowned, and for some reason, seeing the corpse on the throne, he felt an inexplicable feeling in his heart.

“Fengtao, there is a person above.” At this time, Mrs. Lanya also saw it, and couldn’t help saying: “It looks like he has been dead for a long time!”

Hmm!

Yue Feng nodded, then walked up to the altar and began to crack the formations.

These formations are very mysterious. If other people come here, they must be helpless. However, Yue Feng is proficient in “Bai Qi Shen Formation”, so it is not difficult to decipher these formations.

Finally, several formations were completely cracked by Yue Feng, and then Yue Feng walked over to check the corpse on the throne.

Boom!

However, at this moment, Yue Feng sensed violent vibrations under his feet, as if there was an earthquake. Countless gravels fell from the top of his head, and the entire Taiyuan Mountains were shaking violently.

Damn, what’s going on?

Yue Feng was stunned, and he clearly felt that a violent and unparalleled force was madly gathering towards the altar.

This...

At the same time, Mrs. Lanya was also trembling, and her heart was shocked.

On the other side, Yin Shan is still in the long passage, looking for a way out!

At this time, Yin Shan was in a very bad mood.

I thought that I would be able to catch Yue Feng and Mrs. Lanya quickly by entering the cave, but I never thought that they would lose so many men all at once.

hum!

Just when Yin Shan was secretly annoyed, suddenly, she sensed the ground under her feet, and there was a burst of strong vibrations, and then, the entire Taiyuan Mountain Range shook.

what happened?

Yin Shan's delicate body trembled, and she was secretly startled. She clearly felt that the strong vibration was not far from her.

"Sect Master?"

At this moment, not far from the passage, several figures came quickly, it was Rachel and a few guards.

Seeing Rachel, Yin Shan breathed a sigh of relief, tried her best to calm herself, and then asked, "Where are the others?"

"They all fell into the trap and died." Rachel responded in a low voice, her tone full of tension and sadness.

Rumble.

Just as he was talking, the violent vibration came again, and at the same time, a powerful breath raged in the passage.

Rachel frowned: "What the hell is going on? It feels like the entire Taiyuan Mountains are about to collapse."

Phew!

Yin Shan took a deep breath and said calmly: "Such a big movement must be unusual, go, go and have a look!" The

voice fell, and Yin Shan was astonished, and quickly rushed towards the altar. Originally Yin Shan was here, she was lost. direction, but the vibration from the altar was too strong.

Rachel everyone quickly followed.

.....

The vibration from the Taiyuan Mountains quickly spread throughout the Roland Continent!

For a time, the royal families of the six major duchies sent people to the Taiyuan Mountains to check.

At this time, in the Principality of Tianxing, in the Guangwu Academy.

Mr. Fu Zheng, standing quietly in the resting yard, looked in the direction of the Taiyuan Mountains and frowned.

Behind him, more than a dozen disciples also looked up at the sky, and they were all shocked.

Just now, Mr. Fu Zheng was teaching the students, when suddenly, there were violent vibrations, and everyone present was stunned.

At this time, I saw the direction of the Taiyuan Mountains, a violent force surged across the world, and the dark clouds rolled like the end of the world.

“teacher!”

Chapter 3522

Finally, a disciple reacted and couldn't help but asked Mr. Fu Zheng, “Why is there such a strong vibration all of a sudden?”

Mr. Fu Zheng pondered and said slowly: “Such a big If there is movement, there must be an expert in the world, see this direction is the Taiyuan Mountains, hurry up, prepare immediately, let's go check it out!”

“Yes, teacher!”

...

On the other side, the Bloody Hand Organization General Forum!

In the main altar hall, Olina sat there quietly, her beautiful face showing a bit of solemnity.

Below stood dozens of organizational elites.

Just now, the earth suddenly shook violently, and Olina didn't understand the situation, so she hurriedly called her subordinates to ask.

At this time, Olin looked around and said lightly: "Have you found out what happened?"

An elite quickly walked out and said respectfully, "Back to the big leader, my subordinates went out to check just now, it seems to be the legend of the Taiyuan Mountains. Here..." The

voice fell, and another elite said: "Big leader, the Taiyuan Mountains is the highest mountain range in the entire continent, and suddenly there is such a violent vibration, I am afraid that there will be a great change, the subordinate proposes, you can go to check.!"

Hmm!

Hearing this, Olin nodded and agreed: "Yes, immediately call up the staff and head to the Taiyuan Mountains."

.....

At this moment, Yue Feng is here.

Hum...

As the vibration became stronger and stronger, the power raging throughout the altar became stronger and stronger.

Yue Feng's inner strength was so deep that he could barely hold it back, but Mrs. Lanya's body was so fragile that she couldn't hold it any longer.

After an unknown amount of time, the violent shaking finally subsided.

call!

Yue Feng breathed a deep sigh of relief and was about to go over to check on Mrs. Lanya, but at this moment, he noticed something strange behind him.

What the hell!

Yue Feng immediately turned his head to look, and when he saw it, the whole person immediately shuddered.

He saw an old man standing quietly behind him. This old man was dressed in a sackcloth robe. He looked ordinary, but his eyes were bright, and his body was filled with an aura that could not be blasphemed.

What made Yue Feng even more horrified was that this old man was not alive, but was made entirely of strength.

Although it is illusory, the feeling of this old man to Yue Feng is incomparably real.

Not only that, Yue Feng had an indescribable feeling towards the old man in front of him. That feeling was very close, but very strange.

“Not bad!”

Finally, the old man looked at Yue Feng quietly, and said slowly, “It’s been nearly two thousand years, I thought that no one would be able to find this place, and even if someone discovered this place by accident, it would be impossible to break open the one I set up. Six-path formation, but I didn’t expect that these six-path formations would be easily broken by you.”

“Looking at your young age, you have such high attainments in the formation technique, if my guess is correct, you are not from this continent. , but from Kyushu.”

Hiss!

Hearing this, Yue Feng was shocked, and looked at the old man blankly, and the whole person was stupid.

Awesome, you can guess where I come from!

etc...

The next second, Yue Feng reacted and said respectfully to the old man: “Dare to ask the senior, but Fuxi?” In this Roland Continent, no one knew his origin, and he came out of Fuxi. After all, Fuxi also came from the Kyushu Continent.

“Not bad!” Fuxi nodded with a smile.

call!

Hearing the answer, Yue Feng couldn’t help but take a deep breath, unable to calm down for a long time.

Looking at the situation, the corpse on the throne of the altar was Fuxi’s body. Yue Feng thought that two thousand years ago, Fuxi broke the void and left this world, or found a place to live in seclusion, but he didn’t expect that he died in the In the Taiyuan Mountains.

At the same time, Yue Feng also realized that this huge labyrinth-like place was built by Fuxi.

But what is he doing here, building such a place?

Chapter 3523

In doubt, Yue Feng couldn't help but ask: "Senior Fuxi, where is this place?"

"Chaos Teleportation Array!" Fuxi responded lightly.

When answering these four words, Fuxi looked calm, but there was a bit of complexity in his eyes.

Chaos teleportation array?

Hearing this, Yue Feng's heart shuddered, and he was inexplicably excited.

Could it be that if you activate this formation, you will be able to teleport to the continent of Kyushu? If true, that would be great.

Thinking to himself, Yue Feng said excitedly: "Senior, I once saw what you wrote on the sacred book of Guangming Temple, and it recorded the way to return to Kyushu..."

When he said this, Yue Feng was extremely excited, but was interrupted by Fuxi just halfway through.

"Yes, I did write on the jade book, the way to go to other worlds." Fuxi said with a solemn expression, "This way is to pass through this Chaos Teleportation Array." After speaking, Fuxi turned his head: "However, this teleportation array has not been completely completed, and this chaotic teleportation array cannot reach the continent of Kyushu."

What?

Hearing this, Yue Feng was stunned, confused.

Looking at Yue Feng's expression, Fuxi smiled slightly and began to explain: "You know the realm of the gods and the realm of ghosts!"

Yue Feng nodded quickly.

In the Kyushu Continent before, the Nine Heavens Saintess that I met came from the Divine Realm.

As for the ghost world, Yue Feng is even more familiar. At that time, the ghost world Hades, in order to rule the Kyushu continent, secretly subdued the traitor Jed of the Rakshasa clan, and the King Guangping of the Apocalypse continent.

Just when Yue Feng was thinking about this, he heard Fuxi say slowly: "The realm of the gods, the realm of ghosts, and the world of humans are three different worlds. If practitioners in the human world want to enter the realm of ghosts, they will either die or pass the lead. Soul Path."

"And it is even more difficult to enter the realm of the gods. Unless your cultivation realm reaches a very high strength, you can shatter the void and enter the realm of the gods, but for thousands of years, people who can reach this realm are almost It's a handful."

Phew!

Hearing this, Yue Feng nodded in agreement.

Because what Fuxi said was right, the Divine Realm was simply out of reach for ordinary practitioners.

However, what does this have to do with the chaotic formation in front of you?

Looking at Yue Feng's expression, Fuxi seemed to have guessed what he was thinking, and smiled slightly: "Actually, there is another way for practitioners to enter the realm of the gods, which is to pass through the chaotic void." The

chaotic void?

At this moment, Yue Feng's heart was shocked, and he seemed to understand something vaguely: "The chaotic void that the predecessors said is the place where the chaotic vortex is formed?"

"Not bad!" Fuxi nodded.

Immediately, Fuxi looked at Yue Feng: "If I guessed correctly, you came to this world through the chaotic vortex."

Yue Feng nodded.

Fuxi continued: "That's right, you have to know that the human world is not only the Kyushu continent and the Roland continent, but there are many more, and these human worlds are not disconnected from each other, but between the gods and the realm. They are all separated by the chaotic void."

Chapter 3524

"In other words, if you want to return to the Kyushu continent, you need to enter the God's Domain through the Chaos Void, and then return to the Kyushu World from the God's Domain."

“Of course, when a vortex appears in the Chaos Void, it is possible to send you directly. To the Kyushu world, but the probability is too low, and it is also very dangerous, you must know that the chaotic vortex contains extremely strong destructive power and phagocytic power.” At the

end, Fuxi looked at Yue Feng in a complicated way: “So, you can survive in the chaotic vortex and be teleported to this world, which is very lucky.”

Phew!

Hearing this, Yue Feng nodded silently, and his heart was also stunned.

It turned out to be so.

Muttering in his heart, Yue Feng suddenly thought of something, and asked Fuxi curiously: “Senior, I already understand what you said, but I still have some questions, why are you trying so hard to get this Chaos Teleportation Array? ?”

When he said this, Yue Feng’s eyes were full of confusion.

You must know that with Fuxi’s strength, he can freely enter and leave the human world, the realm of the gods, and the realm of ghosts, but it took such a large project to create a chaotic teleportation array, which is really incomprehensible.

Fuxi did not answer directly, but pondered.

After more than ten seconds passed, Fuxi looked at Yue Feng and said slowly: “You may not know that after the great god Pangu opened up the world, the whole world was not divided into the realm of gods, the realm of humans and the realm of ghosts!”

“At that time, people and gods They lived together, respected each other, and were equal to each other.”

“But later, after the concept of rank and identity appeared, God became superior by virtue of his powerful ability.”

“After that, the whole world is divided into three parts, and the place where gods live is called God’s Domain, which is completely above the human world and the ghost world. In the eyes of those gods, all beings in the human world, like ants, are not worthy of living with them at all. A world. Therefore, in order to prevent humans from sneaking into the realm of the gods, a chaotic void was created.

“

Hearing these words, Yue Feng froze there, unable to calm down for a long time.

What Fuxi said almost overturned Yue Feng's worldview.

At this time, Fuxi's face was solemn and complicated: "Speaking of which, my situation is similar to yours. Two thousand years ago, when I was cultivating in the Kyushu Continent, I inadvertently entered the chaotic vortex, and was then passed on to this world.

"At that time, I only wanted to return to the Kyushu Continent, but after I learned about the situation in the Divine Realm and the human world, my heart was very unbalanced."

"Why can only God be in the Divine Realm? You must know that the spiritual energy of heaven and earth in the Divine Realm is the most abundant and purest. If a person cultivates in the realm of the gods, it is almost twice the result with half the effort. But to enter the realm of the gods, one has to go through thousands of difficulties and obstacles, and even never get there in a lifetime."

"God sent messengers to the human world to educate and spread the word. The level of status is itself a kind of enslavement of thought, which is very unfair to human beings."

"So I want to build a Chaos Teleportation Array to break this inequality. As long as the Chaos Teleportation Array is successfully built, the threshold for people to enter the realm of the gods, it will be greatly reduced, and at that time, many supernatural powers will be able to reach the realm of the gods!" At the

end, Fuxi looked at Yue Feng with bright eyes: "Now, do you understand?"

Phew!

Yue Feng took a deep breath, feeling extremely touched and shocked in his heart.

It turns out... this chaotic teleportation array is of such great significance.

I have to say that Fuxi was named the emperor of the Kyushu Continent and a legend in the Roland Continent.

In his heart, Yue Feng respected Fuxi even more.

In the next second, Yue Feng couldn't help saying: "Senior, after hearing you say so much, you should be quite sure about building the Chaos Teleportation Array, but why didn't it succeed?"

Chapter 3525

Hehe...

Hearing this, Fuxi laughed, with a bit of sadness on his face: "Some things are easier said than done, you must know that building a chaotic teleportation array requires the help of chaotic voids. Power."

"However, the power of the Chaos Void is too unstable."

"I spent fifty years, tried various methods, and spent countless energy and effort, and finally created this teleportation array, but at that time, I've reached the point where I'm running out of fuel."

"After I took my last breath, I was very sorry, and at the same time, I hoped that someone in the future would be able to arrive here, continue what I haven't done, and build this Chaos Teleportation Array completely. Good."

"I've waited for more than two thousand years."

When he finished the last sentence, Fuxi was full of emotion and sighed.

call!

Hearing this, Yue Feng took a deep breath and sighed incomparably.

Then, Yue Feng couldn't wait to say: "In this case, I ask the seniors to teach me the method of building." When he said this, Yue Feng knelt respectfully.

To be honest, since becoming a cultivator, there are very few people who can sincerely admire Yue Feng. The adoptive father Ouyang Zhennan, the two masters, Sword Demon Nangong Jue and Guiguizi, are all gone. At this time, among these admirers, there was another Fuxi in front of him.

You must know that a formation can be created in the human world, and it is already an existence that the world looks up to, and Fuxi in front of him not only created the innate gossip that has been passed down for thousands of years, but also created a chaotic teleportation array that can go directly to the realm of the gods.

This can no longer be described as shocking, it is simply unprecedented, and no one has come since.

"Okay!"

Seeing Yue Feng's sincere expression, Fuxi nodded approvingly: "Ruzi can be taught, Ruzi can be taught." When he saw Yue Feng successfully break the six-path formation just now, Fuxi knew that there was someone who had succeeded in building the Chaos Teleportation Array. At this time, when Yue Feng took the initiative to say it, he was very pleased and happy.

In the next second, Fuxi looked solemn: "You're fine. The steps to build this Chaos Teleportation Array are very complicated and complicated. Once any link goes wrong, all previous efforts will be forfeited, and at the same time, there will be danger of no bones left..."

"After that, Fuxi explained the details of the construction of the Chaos Teleportation Array in detail.

Yue Feng knelt there, memorizing every word of Fuxi firmly, daring not to slack off.

Soon, more than an hour later, Yue Feng had completely understood the construction of the Chaos Teleportation Array, but at this time, Fuxi's figure also began to appear illusory.

Seeing this scene, Yue Feng had mixed feelings: "Senior, you..."

He knew that what appeared in front of him was just a trace of Fuxi's remnants left in this Roland Continent, just like when he saw Kuafu and Nuwa before. Like residual thoughts, it will disappear completely if it doesn't stay for too long.

Even so, Yue Feng was still very reluctant.

"Haha..."

Feeling Yue Feng's sentimentality, Fuxi laughed, unspeakably free and easy: "Boy, don't be sad, we're just parting for a while, I'm meditating in God's Domain now, wait until you successfully build Chaos Teleportation Array, come to God's Domain, let's have a good chat."

"Don't let it go, don't let me down!"

After saying the last sentence, Fuxi waved at Yue Feng, and the figure became completely illusory. After a few seconds, disappeared completely.

call!

At this moment, Yue Feng took a deep breath, facing the direction where Fuxi's figure disappeared, solemnly assured: "Senior, rest assured, I will definitely fulfill your long-cherished wish and build this Chaos Teleportation Array."

When he said this, Yue Feng looked around. Looking around, I was inexplicably excited and revered.

The ultimate husband in Chinese chapter 3526-3530

As long as this teleportation array is built, you can easily enter the realm of the gods. I am really excited when I think about it.

“Well...”

At this moment, Mrs. Lanya, who had been in a coma next to her, woke up faintly and let out a soft moan.

Hearing this soft moan, Yue Feng's heart trembled, and he felt that his bones were going to be crisp.

The next second, Yue Feng hurried over and helped Mrs. Lanya up: “Are you alright?” After speaking, Yue Feng observed Mrs. Lanya's situation and found that she was just a little weak, and the rest was fine. .

Mrs. Lanya shook her head, indicating that she was fine, and then asked curiously, “Fengtao, what happened just now? Is this place about to collapse?”

Huh!

Yue Feng took a deep breath, smiled and comforted: “It's nothing, it's just a small accident, don't panic!”

Just now, when Fuxi appeared, and the real matter of Chaos Teleportation, Yue Feng decided not to tell Mrs. Lanya for the time being. After all, these Things are too shocking.

Hearing this, Mrs. Lanya nodded and didn't ask any more questions.

At this time, Yue Feng looked around and urged Mrs. Lanya: “I have something very important to do, please stay around. Once someone comes, don't let them approach, you know?”

” At these times, Yue Feng's face was serious, but his heart was very relaxed. To be honest, this place is too big, like a labyrinth, and there are traps in each passage. Even if someone breaks in, it is difficult to reach the location of the teleportation array.

“Okay!” Mrs. Lanya nodded in agreement without thinking.

She didn't know what Yue Feng was going to do, but as long as he spoke, Mrs. Lanya would do her best.

Yue Feng stopped talking nonsense, walked slowly to the center of the altar, and began to gradually improve the incomplete teleportation formation left by Fuxi.

This chapter is provided by . Visit [for](#) daily update.

At the beginning, Yue Feng was still very relaxed, but slowly began to struggle. You must know that this chaotic teleportation formation is very different from the formation that Yue Feng has learned before. energy, and it takes a long time, at least a few days.

In a blink of an eye, a day passed.

At this time, Yue Feng was still busy, sweating profusely, while Mrs. Lanya was always standing around.

Seeing the sweat on Yue Feng's forehead at this time, Mrs. Lanya wanted to go over and wipe him, but she was afraid of disturbing Yue Feng, so she held back.

Soon, another half day passed.

At this time, Yue Feng had reached a state of ecstasy.

Crash...

But at this moment, I heard footsteps in the passage not far away, and then I saw two groups of people walking in.

One of the group of people, most of them in armor with the emblem of the sun embroidered on it, was obviously the guards of the royal city of the Sunrise Principality.

In front of these royal guards, there was a man with a proud look, dressed in a gorgeous robe, and his imposing manner was Zhan Chao, who had a grudge against Yue Feng.

At that time, the Taiyuan Mountains shook violently, and the king sent Zhan Chao to lead his troops to check.

The other group of people wore different clothes, but they all wore uniform epaulettes on their shoulders, and they were all members of the Bounty Alliance.

The leader was a handsome young man, Karen who had a relationship with Yue Feng before.

Chapter 3527

Karen is Xue Mi'er's cousin. At that time, Yue Feng was in a huge cave under Storm City and encountered a giant dragon, Karen and Xue Mi'er. In order to escape, Karen used gravel to kill Yue Feng and the giant dragon Trapped together, and later, he was played by Yue Feng.

Like Zhan Chao, Karen was also sent by the Bounty Alliance to investigate the situation.

Nima!

Seeing Zhan Chao and Karen, Yue Feng was stunned and his mood suddenly became worse.

How did you meet these two idiots.

Mrs. Lanya, who was standing beside her, was also surprised. There are so many people all at once, what should I do?

Um?

At the same time, Karen and Zhan Chao also saw Yue Feng, and their expressions were stunned.

Then, when his eyes fell on Mrs. Lanya, she was even more stunned.

Gudong!

The next second, whether it was Zhan Chao and Karen, or the people behind them, they couldn't help swallowing.

beautiful!

So beautiful.

At this time, Mrs. Lanya, although she was a little tired after staying here for two days, still couldn't hide her charming demeanor, especially her charming and delicate face, which made Zhan Chao and Karen's eyes straight.

Facing the eyes of everyone, Mrs. Lanya was very unhappy.

The next second, Mrs. Lanya took a step forward and said, "Fengtao is doing something very important, don't come here."

Important thing?

Hearing this, Zhan Chao frowned and was very disdainful. Yue Feng and Mrs. Lanya, who are alone, can do anything good in such a hidden place?

Thinking to himself, Zhan Chao chuckled and said to Mrs. Lanya: "I heard that Mrs. Lanya left the Golden Lion Principality. I thought she was looking for a place to live in seclusion, but I didn't expect that she would actually mix with a palace guard."

When he said this, Zhan Chao gave Yue Feng a contemptuous look.

When he was in the Principality of Zuri, Zhan Chao thought that Yue Feng was not pleasing to the eye, and finally designed to capture him and sent him to the Principality

of Golden Lion as a prisoner. He thought Feng Tao would be dealt with, but he never thought that Feng Tao would be In the Principality of the Golden Lion, the wind and water are flourishing.

A few days ago, Zhan Chao represented the Principality of Ziri and sent an envoy to the Principality of the Golden Lion. He was defeated by Yue Feng in the Golden Lion Tournament. , Seeing Yue Feng and Mrs. Lanya together again, my heart is full of jealousy and resentment.

Hearing Zhan Chao's ridicule, Mrs. Lanya's face flushed, and she couldn't help but shout: "Shut up!"

Zhan Chao sneered, no longer teasing Mrs. Lanya, but observing the surrounding situation.

What is this place?

Looking around, Zhan Chao was secretly startled, and saw that in front of him was a huge altar with various round stone pillars placed on it, which was very complicated and mysterious.

At this time, Zhan Chao still didn't know that it was not an altar at all, but a teleportation formation.

call!

Karen, who was standing on the other side, stared blankly at Mrs. Lanya, unable to recover for a long time.

It has always been heard that there is a Lady Lanya in the Principality of the Golden Lion, who is beautiful and unparalleled.

But when she saw Yue Feng, Karen immediately frowned, and a burst of anger rose in her heart.

In the cave below Storm City, this Fengtao relied on being able to be with the giant dragon, causing him to lose face in front of his cousin, but now, he is actually with Mrs. Lanya, who seems to have a very good relationship.

This Fengtao is a clown, how can He Dehe get involved with Mrs. Lanya?

The more Karen thought about it, the more unbalanced it became.

"Fengtao!"

At this time, Zhan Chao stared closely at Yue Feng: "What the hell is going on here? What does the vibration of the Taiyuan Mountains have to do with you?"

His tone was full of commands, unquestionable.

If it was normal, Zhan Chao would not dare to talk to Yue Feng like this. After all, Yue Feng was very strong, but Zhan Chao could clearly see that Yue Feng was sweating profusely and looked very weak.

Chapter 3528

Moreover, there are only him and Mrs. Lanya here, so they are not afraid at all.

Swish!

When the words fell, Karen also looked at Yue Feng closely, waiting for his answer.

Yue Feng chuckled and said lightly to Zhan Chao, "I told you what happened here, and you wouldn't understand. If you were smarter, you would leave immediately with someone."

Yue Feng said lightly. He glanced at Karen: "It's the same for you, leave quickly and don't interfere with my work."

At this time, Yue Feng was very irritable, and the Chaos Teleportation Array had not yet been deployed, so this group of uninvited guests came.

Mad!

Yue Feng's attitude made Zhan Chao very unhappy, and said coldly: "Fengtao, the special code is putting on airs in front of me. Do you think this is the Principality of the Golden Lion? Is there a queen beside you to support you?"

"", shouted at Yue Feng: "I think you are courting death!"

With that, Karen tilted her head and shouted at Zhan Chao: "This kid is so arrogant, come together and kill him!"

Karen is very shrewd, He knew that Yue Feng was very strong, so he relied on his own group, and if he was not an opponent, he decided to unite with Zhan Chao.

Hearing this, Zhan Chao couldn't ask for it, nodded and shouted: "Go on, kill Feng Tao for me!"

Hu La!

The voice fell, and hundreds of royal city guards burst into a howl, rushing towards Yue Feng.

“Kill!”

At the same time, Karen also shouted, bringing the people from the Bounty Alliance, coming straight to Yue Feng.

“you...”

Seeing this scene, Mrs. Lanya’s delicate body trembled, and she couldn’t help shouting: “You stop...” At the same time as she shouted, Mrs. Lanya wanted to rush over and block in front of Yue Feng.

However, as soon as he took two steps, he was intercepted by several people from the Bounty Alliance.

Nima, these two little people.

Seeing Zhan Chao and Karen rushing over with someone at the same time, Yue Feng cursed secretly, and at the same time comforted Mrs. Lanya: “Don’t worry about me.”

Om!

When the voice fell, Yue Feng’s inner strength exploded, and he rushed directly into the crowd.

“Nine Dragons Ascension!” The

four words, like Zalei, were shouted from Yue Feng’s mouth.

Roar!

The moment the voice fell, the surrounding air distorted instantly, a terrifying storm, and then, nine golden dragons appeared in front of everyone.

“Ah...” The

next second, under the aura of Jiutian Jinlong’s powerful aura, a scream came, and many people fell into a pool of blood.

It lasted for a few minutes, and the nine-day golden dragon gradually disappeared, and Zhan Chao and Karen’s subordinates, combined at least three hundred people, died under this skill!

Yue Feng stood there proudly, like a killing god, but his face was a little pale.

He had been deploying the formation method before, and Yue Feng's internal power had consumed a lot. Just now, he released Jiulong Shengtian, which took away a lot of internal power.

This...

Seeing this scene, Zhan Chao and Karen's expressions changed greatly and they were horrified.

The strength of this wind wave is so terrifying.

Just one skill killed so many people... Also, what are the nine golden beasts that appeared just now?

Mrs. Lan Ya, who was not far away, was also trembling, but she felt her legs were softening. She looked at Yue Feng and was shocked.

Is this his true strength? So strong!

Chapter 3529

"Huh..."

Finally, Karen reacted and shouted at Zhan Chao: "Your Excellency Zhan Chao, this Feng Tao is very strong, I'm afraid we are not opponents."

It's just a skill, kill it So many people, it's terrifying.

When the words fell, the surrounding Bounty Alliance and many of Zhan Chao's subordinates also retreated subconsciously, looking at Yue Feng's eyes with deep fear.

Zhan Chao took a deep breath and shouted, "What are you panicking about? His strength is almost exhausted. Let's go together, he won't last long." The

voice fell, Zhan Chao took the lead and rushed towards Yue Feng again.

"Come on!"

"Yes, let's go together."

Seeing Zhan Chao rushing forward again, Karen and the people around followed closely without hesitation.

"Fengtao...you be careful..."

Seeing this scene, Mrs. Lanya couldn't help exclaiming. She really wanted to help Yue Feng, but as a weak woman, she could only watch and worry.

Nima, these people are crazy.

Seeing Zhan Chao, Karen and others attacking again, Yue Feng frowned and lost his calmness before.

Due to the deployment of the Chaos Teleportation Array, Yue Feng consumed a lot of internal energy, and at this time he was already feeling tired. If he continued to fight, the situation would only get worse.

However, Yue Feng knew very well that Zhan Chao and Karen would not let them go even if they were submissive.

Mad, since you're going to fight, come on.

Thinking to himself, Yue Feng's eyes were blood red, like an angry lion, rushing into the crowd again.

In the blink of an eye, half an hour passed, the battle became more and more intense, and Yue Feng became more and more powerless.

He saw that Yue Feng was covered in blood. These blood belonged to the enemy and his own. Around him, the fallen enemies were almost piled up into a hill.

And Yue Feng still stood there proudly, like a god of death.

However, that cold face was a bit pale.

At this time, Yue Feng's internal strength was severely depleted, and he was almost unable to withstand it.

"Haha..."

Seeing Yue Feng's state, Zhan Chao was full of excitement and howled loudly: "He's dying, everyone kills him." When the

voice fell, Zhan Chao clenched his sword tightly and fought with Yue Feng.

At the same time, Karen attacked from behind and stabbed Yue Feng with a sword.

At this time, Yue Feng, focusing on Zhan Chao, did not expect Karen to attack from behind. By the time he reacted, it was too late.

"Puchi!"

This sword directly pierced Yue Feng's shoulder, and in an instant, blood gushed out, staining the ground red.

Speaking of which, if Yue Feng's strength was at his peak, Zhan Chao and Karen would not have to pay attention at all, but now, it is Huluo Pingyang being bullied by dogs.

Mad!

Yue Feng endured the pain and gave Karen a cold look. This guy is too despicable, he dare not fight him head on, he will only attack from behind.

Aware of Yue Feng's gaze, Karen did not panic at all, but instead mocked proudly: "Fengtao, today is your death, give up struggling, haha..."

When she shouted this, Karen looked relieved.

After she left Storm City, Xue Mi'er had been obsessed with Feng Tao, and she kept accusing Karen of being wrong. This made Karen very annoyed and secretly vowed to kill Feng Tao, but today, she finally had the opportunity to get rid of it. He is, can you not be happy?

Haha...

At this time, Zhan Chao was also very excited, and praised Karen: "Your Excellency is very skilled, this sword stab is wonderful, the stab is good, haha..."

With that, Zhan Chao directed at Yue Feng sneered and said, "Fengtao, lead to death obediently, don't make unnecessary struggles!"

Chapter 3530

Hearing this, Yue Feng sneered and ignored it!

"Fengtao! How are you?"

Seeing this scene, Mrs. Lanya couldn't help exclaiming, tears remained, and she felt distressed.

Yue Feng shook his head and comforted: "It's okay!"

At this time, Zhan Chao and Karen brought their subordinates and surrounded them again.

"Want me to die? You guys are not qualified!"

At this moment, Yue Feng was completely rushed, his eyes were instantly blood red, Yangtian roared, and then he quickly sealed the acupuncture point on his shoulder to stop the blood.

The next second, Yue Feng summoned Fang Tianhua halberd and waved it fiercely.

Roar!

He heard a scream from Fang Tianhuaji, and then, a blood-colored light burst out, instantly shrouding the hundreds of people around him.

“Ah...”

A scream came out, and the people shrouded in blood-colored light, without exception, all fell into a pool of blood.

Mad!

Seeing this situation, Zhan Chao's eyes were instantly congested, and he was shocked. This wind wave is about to die, and such a terrifying attack can break out. If this person is not eliminated, it will become a serious problem.

Thinking to himself, Zhan Chao clenched his sword tightly, his figure burst out, and he slashed directly behind Yue Feng.

stab.

This sword was fast and ruthless, Yue Feng had no time to dodge, and a deep blood was cut out from the entire back, and the bones were deeply visible. Under the severe pain, Yue Feng's body trembled and fell directly to the ground.

“Don't...!” Madam Lanya collapsed completely and stood there with tears streaming down her face. At the same time, she wanted to come over to help Yue Feng, but was blocked by a few people from the Bounty Alliance, so she couldn't get over.

In Mrs. Lanya's heart, Yue Feng felt very guilty when she was arrested by the sect master because of herself. At this time, it was even more heartbreaking to see him being besieged by everyone again.

Yue Feng's face was pale, and when he heard Madam Lanya's call, he showed a smile and comforted: “Don't cry, I have encountered situations that are more dangerous than this, and I still don't pay attention to these rabble! “

Hehe...

Hearing this, Zhan Chao's face was full of disdain: "I still speak madly? Everyone, this wind wave is dead. Quickly take his life." The

voice fell, and a roar erupted from the surrounding people.

Looking at the people rushing up, Yue Feng's eyes flickered. At this time, he really wanted to use the white lotus cold fire. As long as the white lotus cold fire was used, Zhan Chao and Karen would never be able to stop them.

But in this case, it is possible to accidentally hurt Mrs. Lanya. After all, she has no holy power at all.

Nima, how should this be?

Seeing the enemy getting closer and closer, Yue Feng was entangled.

"Your Excellency Fengtao, don't panic, we're here!"

Just when Yue Feng was anxious, suddenly, from the passage not far away, there was a coquettish shout.

Hearing this coquettish shout, Yue Feng, Zhan Chao and others all turned their heads to look, and everyone was stunned when they saw it!

I saw that thousands of figures rushed out from the maze-like passage, like a tide. These thousands of figures were wearing uniform black and red soft armor with a bloody hand embroidered on their chests.

It is the bloody hand organization.

The leader, dressed in a long black and red dress, is cool and charming, it is Olina.

A day ago, the Taiyuan Mountains shook violently, and Olina immediately brought her subordinates to check it out. After arriving just now, she heard the movement of the fight here, and then saw Yue Feng being besieged by everyone.

Speaking of which, when Yue Feng used the magic pill to force Olina to surrender, Olina felt very humiliated, but after learning about it, she was convinced by Yue Feng's free and easy personality. 's help.

Hiss...

blood...blood hand organization?

Seeing Olina and the thousands of subordinates behind her, Zhan Chao and Karen, their expressions changed, and their gazes converged on Olina, unable to speak for a long time!

Chapter 3526

As long as this teleportation array is built, you can easily enter the realm of the gods. I am really excited when I think about it.

“Well...”

At this moment, Mrs. Lanya, who had been in a coma next to her, woke up faintly and let out a soft moan.

Hearing this soft moan, Yue Feng’s heart trembled, and he felt that his bones were going to be crisp.

The next second, Yue Feng hurried over and helped Mrs. Lanya up: “Are you alright?” After speaking, Yue Feng observed Mrs. Lanya’s situation and found that she was just a little weak, and the rest was fine. .

Mrs. Lanya shook her head, indicating that she was fine, and then asked curiously, “Fengtao, what happened just now? Is this place about to collapse?”

Huh!

Yue Feng took a deep breath, smiled and comforted: “It’s nothing, it’s just a small accident, don’t panic!”

Just now, when Fuxi appeared, and the real matter of Chaos Teleportation, Yue Feng decided not to tell Mrs. Lanya for the time being. After all, these Things are too shocking.

Hearing this, Mrs. Lanya nodded and didn’t ask any more questions.

At this time, Yue Feng looked around and urged Mrs. Lanya: “I have something very important to do, please stay around. Once someone comes, don’t let them approach, you know?”

” At these times, Yue Feng’s face was serious, but his heart was very relaxed. To be honest, this place is too big, like a labyrinth, and there are traps in each passage. Even if someone breaks in, it is difficult to reach the location of the teleportation array.

“Okay!” Mrs. Lanya nodded in agreement without thinking.

She didn’t know what Yue Feng was going to do, but as long as he spoke, Mrs. Lanya would do her best.

Yue Feng stopped talking nonsense, walked slowly to the center of the altar, and began to gradually improve the incomplete teleportation formation left by Fuxi.

This chapter is provided by . Visit for daily update.

At the beginning, Yue Feng was still very relaxed, but slowly began to struggle. You must know that this chaotic teleportation formation is very different from the formation that Yue Feng has learned before. energy, and it takes a long time, at least a few days.

In a blink of an eye, a day passed.

At this time, Yue Feng was still busy, sweating profusely, while Mrs. Lanya was always standing around.

Seeing the sweat on Yue Feng's forehead at this time, Mrs. Lanya wanted to go over and wipe him, but she was afraid of disturbing Yue Feng, so she held back.

Soon, another half day passed.

At this time, Yue Feng had reached a state of ecstasy.

Crash...

But at this moment, I heard footsteps in the passage not far away, and then I saw two groups of people walking in.

One of the group of people, most of them in armor with the emblem of the sun embroidered on it, was obviously the guards of the royal city of the Sunrise Principality.

In front of these royal guards, there was a man with a proud look, dressed in a gorgeous robe, and his imposing manner was Zhan Chao, who had a grudge against Yue Feng.

At that time, the Taiyuan Mountains shook violently, and the king sent Zhan Chao to lead his troops to check.

The other group of people wore different clothes, but they all wore uniform epaulettes on their shoulders, and they were all members of the Bounty Alliance.

The leader was a handsome young man, Karen who had a relationship with Yue Feng before.

Chapter 3527

Karen is Xue Mi'er's cousin. At that time, Yue Feng was in a huge cave under Storm City and encountered a giant dragon, Karen and Xue Mi'er. In order to escape, Karen

used gravel to kill Yue Feng and the giant dragon Trapped together, and later, he was played by Yue Feng.

Like Zhan Chao, Karen was also sent by the Bounty Alliance to investigate the situation.

Nima!

Seeing Zhan Chao and Karen, Yue Feng was stunned and his mood suddenly became worse.

How did you meet these two idiots.

Mrs. Lanya, who was standing beside her, was also surprised. There are so many people all at once, what should I do?

Um?

At the same time, Karen and Zhan Chao also saw Yue Feng, and their expressions were stunned.

Then, when his eyes fell on Mrs. Lanya, she was even more stunned.

Gudong!

The next second, whether it was Zhan Chao and Karen, or the people behind them, they couldn't help swallowing.

beautiful!

So beautiful.

At this time, Mrs. Lanya, although she was a little tired after staying here for two days, still couldn't hide her charming demeanor, especially her charming and delicate face, which made Zhan Chao and Karen's eyes straight.

Facing the eyes of everyone, Mrs. Lanya was very unhappy.

The next second, Mrs. Lanya took a step forward and said, "Fengtao is doing something very important, don't come here."

Important thing?

Hearing this, Zhan Chao frowned and was very disdainful. Yue Feng and Mrs. Lanya, who are alone, can do anything good in such a hidden place?

Thinking to himself, Zhan Chao chuckled and said to Mrs. Lanya: "I heard that Mrs. Lanya left the Golden Lion Principality. I thought she was looking for a place to live in seclusion, but I didn't expect that she would actually mix with a palace guard."

When he said this, Zhan Chao gave Yue Feng a contemptuous look.

When he was in the Principality of Zuri, Zhan Chao thought that Yue Feng was not pleasing to the eye, and finally designed to capture him and sent him to the Principality of Golden Lion as a prisoner. He thought Feng Tao would be dealt with, but he never thought that Feng Tao would be In the Principality of the Golden Lion, the wind and water are flourishing.

A few days ago, Zhan Chao represented the Principality of Ziri and sent an envoy to the Principality of the Golden Lion. He was defeated by Yue Feng in the Golden Lion Tournament. , Seeing Yue Feng and Mrs. Lanya together again, my heart is full of jealousy and resentment.

Hearing Zhan Chao's ridicule, Mrs. Lanya's face flushed, and she couldn't help but shout: "Shut up!"

Zhan Chao sneered, no longer teasing Mrs. Lanya, but observing the surrounding situation.

What is this place?

Looking around, Zhan Chao was secretly startled, and saw that in front of him was a huge altar with various round stone pillars placed on it, which was very complicated and mysterious.

At this time, Zhan Chao still didn't know that it was not an altar at all, but a teleportation formation.

call!

Karen, who was standing on the other side, stared blankly at Mrs. Lanya, unable to recover for a long time.

It has always been heard that there is a Lady Lanya in the Principality of the Golden Lion, who is beautiful and unparalleled.

But when she saw Yue Feng, Karen immediately frowned, and a burst of anger rose in her heart.

In the cave below Storm City, this Fengtao relied on being able to be with the giant dragon, causing him to lose face in front of his cousin, but now, he is actually with Mrs. Lanya, who seems to have a very good relationship.

This Fengtao is a clown, how can He Dehe get involved with Mrs. Lanya?

The more Karen thought about it, the more unbalanced it became.

“Fengtao!”

At this time, Zhan Chao stared closely at Yue Feng: “What the hell is going on here? What does the vibration of the Taiyuan Mountains have to do with you?”

His tone was full of commands, unquestionable.

If it was normal, Zhan Chao would not dare to talk to Yue Feng like this. After all, Yue Feng was very strong, but Zhan Chao could clearly see that Yue Feng was sweating profusely and looked very weak.

Chapter 3528

Moreover, there are only him and Mrs. Lanya here, so they are not afraid at all.

Swish!

When the words fell, Karen also looked at Yue Feng closely, waiting for his answer.

Yue Feng chuckled and said lightly to Zhan Chao, “I told you what happened here, and you wouldn’t understand. If you were smarter, you would leave immediately with someone.”

Yue Feng said lightly . He glanced at Karen: “It’s the same for you, leave quickly and don’t interfere with my work.”

At this time, Yue Feng was very irritable, and the Chaos Teleportation Array had not yet been deployed, so this group of uninvited guests came.

Mad!

Yue Feng’s attitude made Zhan Chao very unhappy, and said coldly: “Fengtao, the special code is putting on airs in front of me. Do you think this is the Principality of the Golden Lion? Is there a queen beside you to support you?

”, shouted at Yue Feng: “I think you are courting death!”

With that, Karen tilted her head and shouted at Zhan Chao: “This kid is so arrogant, come together and kill him!”

Karen is very shrewd, He knew that Yue Feng was very strong, so he relied on his own group, and if he was not an opponent, he decided to unite with Zhan Chao.

Hearing this, Zhan Chao couldn't ask for it, nodded and shouted: "Go on, kill Feng Tao for me!"

Hu La!

The voice fell, and hundreds of royal city guards burst into a howl, rushing towards Yue Feng.

"Kill!"

At the same time, Karen also shouted, bringing the people from the Bounty Alliance, coming straight to Yue Feng.

"you..."

Seeing this scene, Mrs. Lanya's delicate body trembled, and she couldn't help shouting: "You stop..." At the same time as she shouted, Mrs. Lanya wanted to rush over and block in front of Yue Feng.

However, as soon as he took two steps, he was intercepted by several people from the Bounty Alliance.

Nima, these two little people.

Seeing Zhan Chao and Karen rushing over with someone at the same time, Yue Feng cursed secretly, and at the same time comforted Mrs. Lanya: "Don't worry about me."

Om!

When the voice fell, Yue Feng's inner strength exploded, and he rushed directly into the crowd.

"Nine Dragons Ascension!" The

four words, like Zalei, were shouted from Yue Feng's mouth.

Roar!

The moment the voice fell, the surrounding air distorted instantly, a terrifying storm, and then, nine golden dragons appeared in front of everyone.

"Ah..." The

next second, under the aura of Jiutian Jinlong's powerful aura, a scream came, and many people fell into a pool of blood.

It lasted for a few minutes, and the nine-day golden dragon gradually disappeared, and Zhan Chao and Karen's subordinates, combined at least three hundred people, died under this skill!

Yue Feng stood there proudly, like a killing god, but his face was a little pale.

He had been deploying the formation method before, and Yue Feng's internal power had consumed a lot. Just now, he released Jiulong Shengtian, which took away a lot of internal power.

This...

Seeing this scene, Zhan Chao and Karen's expressions changed greatly and they were horrified.

The strength of this wind wave is so terrifying.

Just one skill killed so many people... Also, what are the nine golden beasts that appeared just now?

Mrs. Lan Ya, who was not far away, was also trembling, but she felt her legs were softening. She looked at Yue Feng and was shocked.

Is this his true strength? So strong!

Chapter 3529

"Huh..."

Finally, Karen reacted and shouted at Zhan Chao: "Your Excellency Zhan Chao, this Feng Tao is very strong, I'm afraid we are not opponents."

It's just a skill, kill it So many people, it's terrifying.

When the words fell, the surrounding Bounty Alliance and many of Zhan Chao's subordinates also retreated subconsciously, looking at Yue Feng's eyes with deep fear.

Zhan Chao took a deep breath and shouted, "What are you panicking about? His strength is almost exhausted. Let's go together, he won't last long." The

voice fell, Zhan Chao took the lead and rushed towards Yue Feng again.

"Come on!"

"Yes, let's go together."

Seeing Zhan Chao rushing forward again, Karen and the people around followed closely without hesitation.

“Fengtao...you be careful...”

Seeing this scene, Mrs. Lanya couldn't help exclaiming. She really wanted to help Yue Feng, but as a weak woman, she could only watch and worry.

Nima, these people are crazy.

Seeing Zhan Chao, Karen and others attacking again, Yue Feng frowned and lost his calmness before.

Due to the deployment of the Chaos Teleportation Array, Yue Feng consumed a lot of internal energy, and at this time he was already feeling tired. If he continued to fight, the situation would only get worse.

However, Yue Feng knew very well that Zhan Chao and Karen would not let them go even if they were submissive.

Mad, since you're going to fight, come on.

Thinking to himself, Yue Feng's eyes were blood red, like an angry lion, rushing into the crowd again.

In the blink of an eye, half an hour passed, the battle became more and more intense, and Yue Feng became more and more powerless.

He saw that Yue Feng was covered in blood. These blood belonged to the enemy and his own. Around him, the fallen enemies were almost piled up into a hill.

And Yue Feng still stood there proudly, like a god of death.

However, that cold face was a bit pale.

At this time, Yue Feng's internal strength was severely depleted, and he was almost unable to withstand it.

“Haha...”

Seeing Yue Feng's state, Zhan Chao was full of excitement and howled loudly: “He's dying, everyone kills him.” When the

voice fell, Zhan Chao clenched his sword tightly and fought with Yue Feng.

At the same time, Karen attacked from behind and stabbed Yue Feng with a sword.

At this time, Yue Feng, focusing on Zhan Chao, did not expect Karen to attack from behind. By the time he reacted, it was too late.

“Puchi!”

This sword directly pierced Yue Feng’s shoulder, and in an instant, blood gushed out, staining the ground red.

Speaking of which, if Yue Feng’s strength was at his peak, Zhan Chao and Karen would not have to pay attention at all, but now, it is Huluo Pingyang being bullied by dogs.

Mad!

Yue Feng endured the pain and gave Karen a cold look. This guy is too despicable, he dare not fight him head on, he will only attack from behind.

Aware of Yue Feng’s gaze, Karen did not panic at all, but instead mocked proudly: “Fengtao, today is your death, give up struggling, haha...”

When she shouted this, Karen looked relieved.

After she left Storm City, Xue Mi’er had been obsessed with Feng Tao, and she kept accusing Karen of being wrong. This made Karen very annoyed and secretly vowed to kill Feng Tao, but today, she finally had the opportunity to get rid of it. He is, can you not be happy?

Chapter 3531

For a time, the audience was silent!

In the entire Roland Continent, no one does not know the Bloody Hand Organization.

The Bloody Hand Organization has a large number of people and is powerful, and has even threatened the six major duchies. Over the years, the six major duchies have tried to encircle and suppress the Bloody Hand Organization, but all of them have failed.

At this time, this mysterious and powerful blood-hand organization actually helped Yue Feng.

Moreover, depending on the situation, the big leader of the Bloody Hand Organization has a close relationship with Yue Feng...

At this moment, whether it is Mrs. Lanya, Zhan Chao and others, all of them look at Yue Feng and are extremely shocked!

Especially Mrs. Lan Ya, her delicate body trembled, looking at Yue Feng's eyes, flashing a strange light.

This man has something to do with the Bloody Hand Organization. How many secrets does he have?

"Blood Hand Organization..."

"This wind wave is related to the Blood Hand Organization?"

At this time, Zhan Chao and Karen were unable to calm down for a long time, and whispered at the same time.

At the same time as the discussion, many men's eyes were also staring at Olina, each of them intoxicated, their eyes straightened.

Beautiful, so beautiful.

According to rumors, the big leader of the Bloody Hand Organization is a glamorous beauty with peerless elegance. When I saw it today, it really lived up to its reputation.

I can see that Olina today is wearing a black and red dress, which is charming and sexy, but also gives a cold and arrogant temperament, especially her exquisite curves, any man will be unable to extricate himself when he sees it.

call!

Just when everyone was secretly shocked, Yue Feng was also secretly relieved.

Great, Olina showed up so timely.

While sighing, Yue Feng couldn't help but look at Olina.

I have to say, this Olina is worthy of being a peerless beauty. She has not seen each other for a while and has become more charming and sexy.

“Your Excellency Fengtao!”

Sensing everyone's eyes, Olina didn't pay attention to it at all, but said softly to Yue Feng, “Are you alright?”

Yue Feng endured the pain from the wound and smiled slightly: “It's alright, I can't die!”

Hearing this, Olina relaxed and waved her hand.

Whoa!

After receiving Olina's order, thousands of subordinates rushed over and guarded Yue Feng.

This...

Seeing this scene, both Zhan Chao and Karen frowned, shocked and angry.

The bloody hand organization intervenes, this is not easy to handle.

But he could kill Feng Tao just by looking at it, so giving up like this was too embarrassing.

“Okay, very good!”

Finally, Zhan Chao reacted and glared at Yue Feng: "I thought you were just a clown, but I didn't expect that you are also related to the Bloody Hand Organization. The Bloody Hand Organization is huge and seriously threatens the security of the Grand Duchy, since we encounter it today, we will catch you all."

These words were just words.

When the words fell, Karen shouted: "Yes, none of you people want to leave today."

Speaking of which, the Bounty Alliance and the Bloody Hand Organization originally meant that the river did not make the well, but in order to get rid of Yue Feng, Karen couldn't care less.

Besides, with Zhan Chao as an ally, Karen didn't panic at all.

Two idiots.

Yue Feng couldn't help but chuckle, too lazy to pay attention.

Olina frowned, and her beautiful face also showed a bit of gloom, she first looked at Zhan Chao, and then at Karen: "Just because the two of you join forces, it will be destroyed. Our Bloody Hand Organization? Do you have this strength?"

Om!

Chapter 3532 The

voice fell, Olina's holy power broke out, and a powerful breath swept out.

At the same time, thousands of subordinates pulled out their long swords in unison, flashing a cold light, the momentum was like a rainbow, and it was terrifying.

Gudong!

Seeing this, Zhan Chao couldn't help swallowing his saliva, unable to hide the fear in his eyes.

At the same time, Karen bowed her head, unspeakably embarrassed.

The next second, Karen whispered to Zhan Chao: "Your Excellency Zhan Chao, we are understaffed, we really fight, I'm afraid it is not the opponent of the Bloody Hand Organization."

In the fierce battle with Yue Feng just now, Zhan Chao's Wangcheng guard, As well as Karen's companions, almost half of the casualties were lost. At this time, facing the elites of thousands of bloody hands, there was no chance of winning.

Zhan Chao was silent for a while, a little in a dilemma.

Whoa!

At this moment, I heard footsteps coming from a passage not far away, and then I saw tens of thousands of people gathered.

What the hell!

Seeing this scene, both Yue Feng and the others were stunned!

It can be seen that among these tens of thousands, there are guards from major principalities and people from various forces. There is no doubt that these people are all here to explore the Taiyuan Mountains.

Um?

At this moment, seeing the situation in front of them, all these forces secretly frowned.

“Blood Hand Organization and Bounty Alliance?”

“And the guards of the Royal City of the Sun-Zhiking Principality...”

“Depending on the situation, they are going to fight...”

Under the discussion, many people saw the huge teleportation formation behind Yue Feng, and felt the powerful aura contained in it, and they were all inexplicably excited.

“What is this?”

“It contains such a strong power.”

“It seems that the source of the vibration of the Taiyuan Mountains is here!”

Hearing these people’s comments, Yue Feng took a deep breath and said slowly:
“Everyone, Behind me is a teleportation formation, but this teleportation formation is not yet perfect, so please don’t approach it rashly.”

When he said this, Yue Feng had a solemn expression on his face.

The Chaos Teleportation Array, after spending a lot of internal strength and energy, is about to be completed, and there must be no mistakes.

Teleportation Array?

Hearing this, everyone present looked at each other in disbelief.

Only Zhan Chao and Karen stood there sneering.

“Everyone, don’t believe this Feng Tao’s words.”

Zhan Chao recovered quickly, looked around and shouted, “What kind of teleportation array is made up by this Feng Tao, there is obviously a huge treasure hidden here, Yue Feng wants to smuggle with the Bloody Hand Organization, and naturally he doesn’t want us to share a piece of the pie. Just say yes.”

After that, Zhan Chao pointed at Yue Feng with a dignified look on his face: “Also, this Fengtao is upright on the surface, but it is actually a bloody hand. The spies of the organization, as well as the previous false goddess of light, are also related to him, so the treasures here must not be obtained by Fengtao and the Bloody Hand Organization...”

When he said this, Zhan Chao was full of pride. He knew very well in his heart that when he and Karen united, they were not the opponents of Yue Feng and the Bloody Hand Organization at all, but as long as the forces present were incited, the situation would be different.

Whoa!

Hearing this, everyone present was in an uproar, and tens of thousands of pairs of eyes suddenly converged on Yue Feng.

This Feng Tao... turned out to be a member of the Bloody Hand Organization?

At this time, you have to organize with the Bloody Hand to swallow the treasures in the Taiyuan Mountains?

Thinking about it, many people looked at Yue Feng’s eyes with strong hostility. You must know that the Bloody Hand Organization is huge, not only the number one enemy of all forces, but also the confidant of the six principalities.

Nima!

Feeling the eyes of everyone around, Yue Feng frowned secretly, and glared at Zhan Chao at the same time. Mad, this Zhan Chao is really despicable and shameless. If the United Karen can’t beat me, he incites others to deal with me.

Chapter 3533

This...

At the same time, Olina trembled, her beautiful face showing a bit of anger and nervousness.

This Zhan Chao is so hateful, he wants to kill someone with a knife?

To be honest, with the current strength of the Blood Hand Organization, the entire continent is not afraid of any principality except for the Temple of Light. However, if the dozen or so forces in front of them are added together, if they want to deal with the Blood Hand Organization, it will be different.

No matter how strong the Bloody Hand organization is, it is not an opponent of so many forces.

call!

Finally, Olina reacted and looked around coldly: "No matter what your purpose is, whoever dares to hurt Your Excellency Fengtao today, my bloody organization, will definitely be at odds with him !

"

, Everyone present was heart palpitations, and at the same time, they were furious.

In the next second, Zhan Chao looked closely at Olina and sneered: "Okay, very good, as expected of the big leader of the Bloody Hand Organization, his tone is really big." After

speaking, Zhan Chao looked around and continued: "Everyone, this bloody hand organization is so arrogant, if we don't unite, we will be defeated by her one by one!"

Zhan Chao roared when the last sentence fell, and charged directly with the Wangcheng guards behind him.

"Go!"

"Too arrogant!"

"Together with the Bloody Hand Organization!" The

surrounding forces were also furious, howling and rushing towards Olina.

Seeing this scene, Olina's petite body trembled with anger, and her delicate face was a little pale. Although she was not afraid of these forces, the disparity in the number of people was too great. In this battle, it would be difficult for the Bloody Hand Organization to win.

"Ah..."

At this time, the thousands of elites of the Bloody Hand Organization had been besieged, and many people screamed and fell in a pool of blood.

At this moment, Olina bit her lip tightly, and anger flashed in her eyes.

“The Bloody Hand Organization listens to the order and fights back immediately!” Olina shouted, her delicate body flashed, and she directly rushed into the enemy group.

“Nima’s!” Yue Feng clenched his fists tightly. Seeing that the Blood Hand Organization was implicated by him, Yue Feng was completely furious, and his body was filled with terrifying evil spirits.

hum!

In the next second, Yue Feng’s internal power exploded, and together with Olina, they fought fiercely with all the forces present.

.....

On the other side, dozens of miles away from the Taiyuan Mountains, on an avenue, a slender figure is walking silently.

Delicate face, wearing a long white dress, floating like a fairy!

It was Miao Ying.

During this time, Miao Ying was a little lost. Half a month ago, Miao Ying thought that by helping Yan Hong, Yan Hong would be able to take her to see Yue Feng, but in the end, Yan Hong took advantage of her.

After leaving Pearl City at that time, Miao Ying wandered around aimlessly, and at the same time inquired about Yue Feng’s whereabouts.

However, what made Miaoying depressed was that there was no progress at all.

At this time, Miao Ying didn’t know that Yue Feng came to this different world and rarely used his real name, but often used the fake name Fengtao.

After walking for more than an hour, I saw a small town appeared in front of me.

call!

Seeing the town, Miao Ying breathed a sigh of relief, finally having a place to rest.

Thinking to herself, Miao Ying entered the town and found a tavern, ready to drink some water to rest.

Entering the tavern, Miao Ying saw that there were several men sitting on the table at the entrance. These men, all dressed in uniform black clothes, all had bad expressions on their faces.

It is the people of the fantasy world.

Before, Yue Feng and Mrs. Lan Ya suddenly disappeared from the death row. At that time, Yin Shan was very annoyed. While leading people to explore the burrow, she also sent some men to look for it near the Taiyuan Mountains.

The few people sitting in this tavern were sent by Yin Shan.

Miaoying didn't care when she saw these people from the phantom world, she found a place and asked for a glass of water.

At this moment, several people from the Huanshimen started to complain to each other.

"I've been searching for almost two days, and there is no whereabouts of Fengtao and Mrs. Lanya..."

"I think the two must have entered that hole!"

Chapter 3534

"Yeah, we can go back and return to life!"

Several people's comments were whispered, but Miao Ying still heard them.

Feng Tao?

At this moment, Miao Ying silently recited the name in her heart, and her eyes suddenly flashed with a strange brilliance.

This name seems to be a fake name that Yue Feng used before.

Could it be that Yue Feng has been using a fake name in this world?

Thinking of this, Miao Ying was so excited that she walked over to a few people from the phantom world.

"Excuse me!"

When she got to the front, Miao Ying said very politely: "Where is the Feng Tao you said?"

Huh...

At this moment, several people from the Huanshimen suddenly converged on Miaoying. Body, for a long time unable to extricate themselves.

This woman has such a beautiful temperament.

After more than ten seconds, the one in the lead reacted and looked at Miaoying with a smile: "Beautiful lady, what are you doing with Fengtao? Are you also his party?" Co-party?

Hearing this, Miao Ying frowned: "Did something happen to him? Tell me!"

"Hehe..."

The man laughed evilly: "That guy named Fengtao offended us. Lord, he was thrown into death row, and although he escaped, he couldn't escape from the palm of our sect master's hand." As he

spoke, the man looked up and down Miao Ying, his eyes straightened: "Since you and Feng Tao know each other, then come with us."

At the same time, several other people around were also laughing and booing.

In their hearts, Miao Ying is just a beautiful woman, not a threat at all.

Miaoying was very unhappy when she noticed the eyes of these people.

hum!

In the next second, Miao Ying exploded with power and directly enveloped these people.

At this moment, the hearts of several people trembled, and they were inexplicably frightened. They clearly felt that this beautiful woman in front of her had unfathomable strength, especially the breath that burst out, making people breathless.

"Where is the main forum of your organization? Take me there immediately!" Miao Ying said coldly, too lazy to talk nonsense.

"Yes, yes..."

...

At this moment, Yue Feng is here.

The fierce battle between the two sides continues.

It's just that the disparity between the numbers of the two sides is too great, and the bloody organization is only a few thousand people, while Zhan Chao and these forces add up to tens of thousands of people, almost one enemy ten.

Under such circumstances, many elites of the Bloody Hand organization fell into a pool of blood.

Ha ha!

At this moment, Zhan Chao was indescribably proud and arrogant, his eyes fixed on Olina: "What kind of bloody hand organization, it's just that. Die!" After the

voice fell, Zhan Chao directly thought of Olina and rushed towards !

At the same time, Karen and other powerhouses also surrounded Olina.

Olina snorted coldly, without panic at all, and fought fiercely with Zhan Chao.

call!

Seeing this scene, Yue Feng scolded secretly and became anxious.

Olina is not weak, but she is not an opponent of so many people.

Anxious, Yue Feng wanted to rush up to help, but after the previous fierce battle, his internal strength was almost exhausted, and he couldn't rush at all!

In the next second, Yue Feng calmed down, quickly exited the battlefield, sat cross-legged on the ground, and began to recover his inner strength.

On the battlefield, in less than ten minutes, Olina couldn't hold on anymore, her delicate body kept trembling, and her beautiful face was a little pale.

The next second, Olina's red lips lightly opened, and her cold voice spread throughout the audience: "You shameless people, even if I die today, I will make you pay a heavy price."

Chapter 3535 When the

last word fell, she saw Olina holding the long sword in her hand and holding it high above her head. In an instant, a dazzling brilliance condensed and crashed down.

That ray of light, like thunder and lightning, finally formed a huge sword shadow.

Um?

Seeing this scene, Yue Feng, who was recovering his inner strength, was stunned.

This sword shadow cast by Olina is very different from the sword art of the Kyushu Continent, but its power is very strong.

boom!

Just when Yue Feng was muttering secretly, he saw the huge sword shadow fall into the crowd, and a roar erupted.

When the huge sword shadow fell, Zhan Chao and the people from all sides changed their faces greatly, and at the same time retreated and dodged, but the area covered by the sword shadow was very large, and many people did not react and were directly swept by the sword shadow. middle.

“Pfft...”

The people who were swept by the sword shadow, without exception, spit out a mouthful of blood, and at the same time their figures staggered back. After stabilizing their figures, they looked at Olina in amazement.

Is this the strength of the leader of the Bloody Hand Organization?

Really strong.

“Hey...”

Finally, Zhan Chao reacted and sneered at Olina: “As expected of the leader of the Bloody Hand Organization, he is really powerful. If I guess right, this is your strongest move, right?”

When he said this, Zhan Chao covered the wound on his shoulder, and he was also swept by that sword shadow just now.

But Zhan Chao didn't panic at all, because he clearly felt that Olina's breath was very weak after performing this sword shadow move.

Olina bit her lip and didn't respond, and there was no mood swing on her beautiful face. However, there was some anxiety in my heart.

Because Zhan Chao was right, at this time, Olina was at the end of her power.

“Okay, very good!”

At this time, Karen also reacted, looking at Olina with a half-smile: “It is rumored that the strength of the leader of the Bloody Hand organization is about to reach the realm of the

Holy Spirit. I saw it today, and it really is. Saying that, Karen turned around and smiled evilly: “

However, no matter how strong you are, it's almost consumed by now, haha, tell you, today, neither of your bloody organization and Fengtao want to live. Leave.”

Om!

The voice fell, and Karen's holy power exploded, heading straight for Olina.

At the same time, other powerful forces around also erupted, and together with Karen, they surrounded Olina.

“Despicable and shameless!”

Seeing the crowd burst out, Olina's face flushed red and she was furious.

At this time, Olina had just released her peculiar skills, which consumed too much energy and no longer had much energy. Facing the siege of Zhan Chao, she had no strength to fight back, and was forced to retreat again and again.

Not far away, the thousands of elites of the Bloody Hand Organization were also killed and wounded, and the number of people was almost lost.

Done!

Seeing this, Olina's face turned pale, and her delicate body trembled faintly.

If it goes on like this, everyone will die here.

call!

At the same time, Yue Feng was also secretly anxious and stood up directly. Speaking of which, Yue Feng originally planned to regain some internal strength and fight side by side with Olina. But seeing so many casualties of the Bloody Hand, it was difficult to calm down.

“Everyone!”

At this time, Yue Feng took a deep breath, and his clear voice spread throughout the audience: “There is no treasure in this place, don't be fooled by Zhan Chao and Karen, and I'm not a bloody hand organization at all. So, the matter here has nothing to do with the Bloody Hand Organization, if you really want to do something, just come to me...”

The ultimate husband in Chinese chapter 3536-3540

Chapter 3536

When he said this, Yue Feng looked serious.

“Hehe!”

Hearing this, Karen sneered, attacking Olin and mocking Yue Feng: “Fengtao, you don’t need to argue, if there is no treasure in this place, how could it possibly trigger the Taiyuan Mountain Range? Vibration, and, if you are not a member of the Bloody Hand Organization, why would the Bloody Hand Organization help you without hesitation?”
The

voice fell, Zhan Chao nodded in agreement and shouted: “Yes, everyone, don’t listen to this Fengtao sophistry, let’s work together. Kill him, and the people of the Bloody Hand Organization, none of them can let them run away!”

Cho Nima said.

Hearing this, Yue Feng’s eyes were extremely red, and the anger in his heart was rising.

Zhan Chao and Karen, these two idiots, are really despicable villains. At this time, they are still slandering me.

“Okay!”

Yue Feng took a deep breath, his eyes flashing with anger: “Since you have to do this, don’t regret it later.”

Regret?

Hearing these two words, whether it was Zhan Chao, Karen and others, they were all stunned.

A few seconds later, many people burst into laughter.

“Haha...” Zhan Chao looked at Yue Feng closely, and mocked loudly: “Fengtao, I really don’t know what qualifications you have to speak up now, the current situation has been firmly under our control, do you think you are Can you turn it around? Why do you? With that mouth of yours? Haha...” The

voice fell, and the surroundings burst into laughter again.

Yue Feng sneered and said nothing.

This chapter is provided by . Visit [for](#) daily update.

Seeing this situation, Olina bit her lip and shouted at Yue Feng, “Your Excellency Fengtao, if you can’t do it, go first, we will block them!”

With the current situation, the best way is to let Feng Tao leave first. She believes in Yue Feng’s strength. If she can leave safely today, she will definitely help herself to take revenge.

However, Yue Feng shook his head: “I won’t go! If you want to go, let’s go together!”

Hearing this, Olina stomped her feet in a hurry. Why is Feng Tao so stubborn?

“Haha!”

At this moment, Zhan Chao sneered: “Let’s go? Do you think you can still go today? Leave all your life behind!”

Yue Feng ignored it, took a deep breath, and jumped onto the teleportation array. on a stone pillar.

In the next second, Yue Feng shouted at the trapped elites of the Blood Hand Organization: “Everyone in the Blood Hand Organization listens to my order, and all take ten steps back!”

When he shouted these words, Yue Feng’s eyes flashed with determination and harmony. confidence.

Yes, Yue Feng is preparing to deploy a large formation to turn the situation around.

Huh...

At this time, the Bloody Hand Organization had already suffered more than half of the casualties, and there were only less than 2,000 people left. At this time, when they heard Yue Feng’s cry, they were all confused.

What is this for?

But seeing Yue Feng’s self-confidence, many people didn’t think much about it and immediately stepped back.

Olina frowned, she wanted to stop it, but she didn’t know why, but she held back. She knew that Yue Feng must have his reasons for doing this.

At this time, Zhan Chao couldn’t help laughing loudly: “Fengtao, do you still want to turn the situation around? Don’t be too naive.”

Yue Feng ignored it, and continued to command loudly at the less than 2,000 people: "Five hundred people in front of you. People, ten paces to the east, five hundred people to the left, twenty paces to the west, faster!

"

Hearing this, the people in the Bloody Hand Organization moved their steps according to Yue Feng's instructions without any hesitation.

However, at the same time as they moved, Zhan Chao and Karen took the opportunity to attack, and for a while, less than 2,000 people remained, and hundreds more fell in a pool of blood.

Chapter 3537

Haha..

Seeing this scene, Zhan Chao was extremely proud, and mocked at Yue Feng: "Fengtao, with this ability, don't come out and show shame. Today, none of you can survive, so don't Struggling!"

Yue Feng didn't seem to hear Zhan Chao's mockery. He organized the crowd at the bloody hands and shouted again: "The five hundred people behind, move five steps to the right immediately, and once you are in place, immediately counterattack!"

Seeing Yue Feng shouting like crazy, Zhan Chao was full of disdain and continued to laugh.

However, at this moment, the next scene in front of him made Zhan Chao's face change greatly, and at the same time, everyone else was stunned.

It can be seen that there are less than 2,000 people left in the Blood Hand Organization. At this time, under the command of Yue Feng, they cooperate with each other, both offense and defense, and defend like an iron wall. Not messy.

Not only that, under the counterattack of the Bloody Hand Organization, the forces of all parties have damaged a lot of people.

This....

Seeing this scene, Zhan Chao, Karen and others felt their brains buzzing and were shocked.

Thousands of people blocked tens of thousands of people, how is this possible?

At the same time, Olina, who was originally anxious, was also trembling, staring blankly at Yue Feng, speechless in shock.

Under such a disadvantage, he can turn the situation around. This man is too powerful.

And Mrs. Lan Ya, who was standing not far away, her legs were even weaker, and she looked at Yue Feng with shock! At this time, she clearly saw that thousands of people organized by the Bloody Hand were fighting against tens of thousands of enemies.

There are only less than 2,000 people left in this bloody hand organization.

But under Feng Tao's command, the opponent's tens of thousands of people were unable to break through their line of defense.

Yue Feng stood on the stone pillar with a calm expression.

Yes, at this time, Yue Feng deployed the Bafang Tianlong Formation. In "Bai Qi Shen Array", it belongs to the upper-middle-class formation.

When he was in the Kyushu Continent, the martial arts of the Diyuan Continent wanted to elect the leader of the alliance. At that time, in the offensive and defensive competition, Yue Feng used this Bafang Tianlong Formation to block the siege of more than a dozen sects. Elected leader.

Seeing that the Blood Hand Organization was besieged just now, the situation was critical, Yue Feng immediately thought of this formation.

You must know that the Bafang Tianlong Formation is a very powerful formation. Once the deployment takes shape, no matter how many troops you have, don't even think about taking a step forward!

"This...!"

Finally, Karen reacted and looked at Yue Feng with a frown: "What's going on here? How did he do it?" Completely incomprehensible!

At the same time, Zhan Chao also frowned and his face changed.

At this time, Zhan Chao was very annoyed!

Ma De, he could destroy the Bloody Hand Organization and Feng Tao, but he never thought that at the last critical moment, Feng Tao really turned the situation around.

Swish!

Frightened, Zhan Chao's eyes locked on Yue Feng instantly, and his expression was incomparably crazy: "Everyone, kill this Feng Tao, as long as you kill him first, these people in the bloody organization will have no resistance!"

Although Zhan Chao Mean, but also a smart guy. Although he didn't know how Yue Feng did it, he also understood the principle of catching the thief first.

hum!

As soon as the words fell, Zhan Chao rushed over like a cannonball, and at the same time, he slammed a palm and hit Yue Feng fiercely.

Mad!

Seeing Zhan Chao rushing towards him, Yue Feng frowned secretly, seemingly calm, but a little flustered in his heart.

You know, Yue Feng has consumed too much internal energy. Although he has recovered a little, it is still a drop in the bucket. He has not recovered much at all. At this time, facing the imposing Zhan Chao, it is difficult to stop him.

"Fengtao, be careful!"

Seeing this situation, Mrs. Lanya, who was not far away, couldn't help but exclaimed, her beautiful face was a little pale, and tears gushed out.

"careful!"

Chapter 3538

At the same time, Olina also gave a coquettish cry, and then she was about to rush over, but there were too many enemies in front of her, and she couldn't break through in a short period of time.

In anxiety, Olina raised her eyebrows and shouted at Zhan Chaojiao: "If you dare to hurt Your Excellency Fengtao, I will not spare you!"

Hearing this, Zhan Chao sneered: "Take care first. You can do it yourself." Saying that, Zhan Chao's holy force exploded, speeding up.

In the blink of an eye, Zhan Chao was already in front of Yue Feng.

"Go to hell!" Zhan Chao roared, and the palm exploded with almost full force.

Nima!

Yue Feng scolded secretly, before he could think about it, he was about to face the attack. To be honest, at this time, Yue Feng consumed too much internal energy and was not sure to defeat Zhan Chao at all, but at this moment of life and death, there was no other chosen.

“Om!”

Just when Yue Feng was about to fight Zhan Chao to the death, suddenly, he sensed a strong spiritual force coming from behind him, and then, a slender figure, like a frightened star, was in front of Yue Feng, he took Zhan Chao's palm.

“Boom!” In the

next second, a dull sound was heard, and then Zhan Chao let out a miserable cry, and the whole person was shocked and flew out, flying more than 100 meters before falling heavily.

At the moment of landing, Zhan Chao spat out a few mouthfuls of blood, his face was extremely pale, and finally his eyes darkened, and he passed out directly.

This...

the situation suddenly reversed, and everyone present was stunned. Then, everyone's eyes were focused on the slender figure in front of Yue Feng.

hiss.

Seeing this, everyone couldn't help but take a breath, and all of them were stunned!

This is a very beautiful woman, dressed in a long white dress, with an exquisite figure and extremely charming, it is Miao Ying. I met a few people from Huanshimen in the small town tavern before, and when she heard the news of Yue Feng, Miaoying rushed over directly.

At this time, many people were stunned!

Who is this woman? Such a strong strength.

At this time, Miao Ying didn't care about the gazes of the people around her at all, her charming eyes stared at Yue Feng tightly, and she was very excited.

Found, finally found him.

Miao Ying?

At this moment, Yue Feng also stared blankly at Miao Ying, only to feel his brain buzzing!

Are you dazzled?

Thinking to himself, Yue Feng rubbed his eyes.

It's really Miaoying!

At this time, Miao Ying stepped forward and looked at Yue Feng closely: her delicate face was full of distress,

and she said softly, "Yue Feng, how are you? Are you okay?" Holding Yue Feng's face, look at this, look at that, for fear that he is injured.

"I'm fine... I'm fine..." Yue Feng shook his head, showing a smile, and at the same time, tears of joy appeared in his eyes.

After several months, I finally found her.

And seeing Miao Ying's appearance at this time, Yue Feng's nose was even more sore.

I haven't seen each other for a few months. Miaoying has really lost a lot of weight. She has a good heart. What happened to her when she was not by her side during this period of time.

"Wow..."

At this moment, Miao Ying couldn't help herself. She fell into Yue Feng's arms and couldn't help crying: "Yue Feng, I thought I would never see you again... I miss you so much..." Time, I have been thinking about it, looking forward to seeing Yue Feng again. Seeing him now, all my thoughts have turned into tears!

Chapter 3539

"Okay... don't cry..." Yue Feng hugged her tightly and comforted her gently: "This time, you are suffering, in fact, I have been looking for you..."

Hearing this, Miao Ying smiled.

Um?

This... this superb beauty, is Feng Tao's woman?

Seeing this scene, everyone present frowned, and at the same time, all eyes converged on Miao Ying, unable to speak for a long time!

beautiful!

charming! sexy!

All the beautiful words in the world seem to be insufficient to describe Miaoying.

“This...” Finally, someone

in the crowd shouted, “This woman, who seems to be the one who pretended to be the Goddess of Light, was rescued by another woman in Storm City at the time.”

go along.

“Yes, it’s her!”

“I was in Storm City at the time.”

“I didn’t expect that she was the woman of Fengtao.” When

everyone’s comments came, Karen’s eyes flickered, and she couldn’t help shouting: “Everyone is watching. Here, this Fengtao, not only colluded with the Bloody Hand Organization, but also let his own woman pretend to be the Goddess of Light, such a person must be eliminated today.”

When saying this, Karen’s face was gloomy.

Speaking of which, at the moment when Miao Ying appeared just now, she knocked Zhan Chao unconscious with one palm, and Karen was very afraid.

But after thinking about it, there are so many people around, no matter how powerful this woman is, she is only one person, so there is no need to panic.

Whoa!

As soon as the voice fell, the eyes of the surrounding people locked on Miao Ying at once, revealing a strong hostility.

In an instant, the air was filled with the smell of gunpowder.

Seeing this scene, Miao Ying did not hesitate at all, she stood in front of Yue Feng decisively, and looked around: “If I am here today, no one wants to hurt him.”

Aware of Miao Ying’s determination, Yue Feng took a deep breath and said Unbelievably moved.

Although Miao Ying is just a fairy, her heart is too kind, and she is really fortunate in her life to get to know such a confidante.

However, under the emotion, Yue Feng was a little worried.

After the fierce battle before, Olin's bloody hand organization has damaged a lot of people. Even with the help of the formation and Miaoying, I am afraid it will not last long.

Huh...

Everyone in Karen also took a deep breath, their eyes focused on Miao Ying, revealing deep fear.

This woman, who knocked Zhan Chao unconscious with one palm, is very powerful. With her help, I'm afraid it will be difficult to destroy the Bloody Hand Organization and Feng Tao today.

quiet!

For a time, the two sides quietly confronted each other, temporarily reaching a deadlock.

Whoa!

However, at this time, I saw two groups of people appearing in the passage not far away.

Among them, there were nearly 10,000 people, wearing uniform silver armor, and the leader was a heroic woman with soft armor and a silver sword.

It is the commander-in-chief of the Flying Eagle Principality, Su Lin.

Another wave, with only a few dozen people, was led by an old man, Mr. Fu Zheng and his disciples.

Seeing the arrival of the Principality of the Eagle and the Guangwu Academy, Karen and others were inexplicably excited.

"Mr. Fu Zheng and Your Excellency Su Lin."

"That's great. With the help of Mr. Fu Zheng and Your Excellency Su Lin later, Fengtao and the Bloody Hand Organization will not be able to fly." During the

discussion, everyone in Karen showed a smile.

Um?

Seeing Mr. Fu Zheng, Yue Feng was stunned for a moment, and then showed a smile.

Chapter 3540

In Tianzhao City before, Yue Feng once fought with Mr. Fu Zheng's students. At that time, Mr. Fu Zheng admired Yue Feng very much and invited him to join Guangwu Academy, but Yue Feng refused and said that he would go there if he had the opportunity in the future. Visiting Guangwu Academy.

In Yue Feng's heart, he and Mr. Fu Zheng were one-sided, but he didn't expect to see them again here.

Thinking to himself, Yue Feng's eyes fell on Su Lin, and he couldn't help but admire.

Such a temperamental woman.

Speaking of which, Yue Feng has been to many places among the six principalities of Roland Continent, but Feiying Duchy has not been there yet, so I did not expect that Feiying Duchy has such a charming female commander.

"Your Excellency Su Lin, Mr. Fu Zheng!"

At this time, Karen reacted and said to Su Lin and Mr. Fu Zheng: "You are here at the right time, this Feng Tao colluded with the Blood Hand Organization and let his own woman Fake goddess of light, we want to destroy them with a single sentence, but they are resisted by life-threatening resistance, please help."

Speaking of the last sentence, Karen looked at Yue Feng coldly, her eyes were ruthless.

When the words fell, Su Lin frowned and looked Yue Feng at once.

On the other hand, Mr. Fu Zheng was indifferent.

The next second, Mr. Fu Zheng walked out slowly, smiled at Yue Feng, and greeted: "Your Excellency Feng Tao, we meet again."

Yue Feng nodded: "Yes, the last time we met was a month ago, It seems that we really have a fate."

What?

Hearing the conversation between the two, Karen and the others were stunned.

This... This Feng Tao knows Mr. Fu Zheng?

Also, the relationship seems to be pretty good.

“Everyone!”

At this moment, Mr. Fu Zheng looked around and said loudly, “Your Excellency Feng Tao is a rare cultivation genius. I believe he is not the kind of person you imagine. Among them, There must be some misunderstanding.”

When he said this, Mr. Fu Zheng looked serious.

Although he didn’t meet Yue Feng much, Mr. Fu Zheng had an intuition that this Feng Tao was not a wicked person.

Hearing this, Karen’s face changed, and she said displeasably, “Mr. Fu Zheng, do you want to protect this Feng Tao?”

Shuh!

At this moment, the eyes of others around him also locked on Mr. Fu Zheng, waiting for his answer.

Mr. Fu Zheng took a deep breath, shook his head and said, “I’m not trying to protect him, I just think that things can be said slowly, and there’s no need to fight!”

Karen frowned and sneered.

At this time, I saw Su Lin walking out slowly and said to Mr. Fu Zheng, “Even if this Feng Tao is a rare cultivation genius, it is a fact that he is with the people organized by the Bloody Hand.”

When he said this , Su Lin’s delicate face was full of determination.

Although Su Lin just arrived, she didn’t know what happened here, but seeing the Bloody Hand Organization was there, Su Lin didn’t have time to think about it, she made a decisive decision to eradicate Yue Feng and the Bloody Hand Organization together. After all, in the Principality of Flying Eagle, the Bloody Hand Organization is the first target to eradicate.

The next second, Su Lin didn’t talk nonsense and waved her hand.

Whoa!

In an instant, the 10,000 soldiers behind her immediately surrounded the bloody hand organization with all the forces.

What the hell!

Seeing this scene, Yue Feng was taken aback and frowned secretly.

This Su Lin looks delicate, but she acts so decisively.

Muttering, Yue Feng wanted to cry but had no tears.

In the current situation, he and the Bloody Hand Organization were already at a disadvantage. Now that Su Lin has come, the situation is even more unfavorable.

Haha...

And Karen, who was not far away, was extremely proud and excited.

With Su Lin's help, Feng Tao is dead today.

hum, hum, hum!

At this moment, one after another powerful breath came from the passage, and then, a dozen golden figures came quickly, each wearing golden armor, majestic.

The ultimate husband in Chinese chapter 3541-3550

Chapter 3541

is the twelve Holy Knights of the Temple of Light.

Whoa!

Seeing the Twelve Paladins, everyone present immediately exploded, and they were all excited.

“Holy Knight...”

“Even people have come to the Temple of Light. It seems that there are treasures in this place.”

Under the discussion, many people looked at Yue Feng’s eyes with deep respect. You must know that the Temple of Light has an extremely noble status in the entire Roland Continent.

Facing the excited expressions of everyone, the Twelve Paladins were extremely indifferent.

Yes, the Taiyuan Mountains shook violently, and when the Temple of Light learned of the situation, it sent the Twelve Paladins to investigate.

Um?

The next second, seeing the situation in front of them, the twelve Holy Knights frowned secretly.

what’s the situation? The two gangs confronted each other.

The twelve holy knights at this time clearly saw that the various forces in front of them were divided into two waves at this time, and they were confronting each other, and the smell of gunpowder was full.

On the side with the few people, a proud figure stood on the stone pillar, not the Holy Reverend Yue Feng, but who was it?

The saint was besieged?

Seeing this, the Twelve Paladins looked at each other in shock and anger.

This chapter is provided by . Visit for daily update.

“Your Excellency Paladin!”

At this moment, Karen reacted and walked up to please: “This Fengtao and the Bloody Hand organization have colluded with each other to threaten the safety of the entire continent.”

Saying that, Karen pointed to Yue Feng Miao Ying beside her: “And this woman, who pretended to be His Highness the Goddess of Light before, begged all the Holy Knights to help us destroy her together.”

The voice fell, and many people around nodded.

At the same time, looking at Yue Feng’s eyes, there is also a coldness.

No matter how strong this Feng Tao is, it is impossible for him to be the opponent of the Twelve Paladins.

Swish!

At this moment, the faces of the Twelve Paladins changed, and they glared at Karen at the same time.

Is this person looking for death? To deal with His Royal Highness.

Feeling the gaze of the Twelve Paladins, Karen’s heart tightened, and her mind suddenly became confused.

Did you say something wrong?

Probably not. Half a month ago, the story of the false goddess of light was spread in the six major duchies. At that time, the Twelve Paladins also captured this woman next to Yue Feng...

Thinking about it, Karen said again. : “Your Excellency Paladins, this wind wave is extremely sinful and must be...”

“Shut up!”

At this moment, the Pegasus Paladin couldn’t help it. Before Karen could finish speaking, his figure flashed and came directly to Karen. , slapped it directly.

At this time, Tianma was very annoyed, Mad, this guy dared to say that the Holy Venerable sin was extremely sinful.

“Clap!”

The slap was heavy, and a crisp sound was heard, Karen covered her face, her face swollen high.

Hiss..

Seeing this scene, everyone around couldn't help but gasped, and looked at Tianma blankly, speechless.

what's the situation?

There is no problem with what Karen said. Why did Your Excellency Paladin suddenly act? Even if you want to fight, you should fight this storm.

"Your Excellency Paladin!" Karen was also beaten, staring blankly at Tianma, almost crying, "This Fengtao colluded with the Bloody Hand Organization, and let his own woman pretend to be His Highness the Goddess of Light, shouldn't he deserve to die? "

"Crack!"

Chapter 3542 The

Pegasus Paladin was so angry, he raised his hand and slapped it again, shouting angrily: "How dare you talk nonsense? Your Excellency is upright, how can someone like you be slandered?"

"Your Excellency Paladin !"

Karen was full of unwillingness, and retorted with a bitter face: "But it's a fact that he colluded with a blood-handed organization..." Just halfway through, Karen suddenly stopped, trembling faintly.

What did your Holy Knight say just now?

Holy? Is this Fengtao the Holy Venerable of the Temple of Light?

Seeing Karen's expression, Tianma's icy face showed no expression at all, and said coldly: "I tell you, Your Excellency Fengtao, is the saint of our Guangming Temple, and his status is equal to that of His Highness the Goddess. He is so noble. Identity, you need to cooperate with the Bloody Hand Organization?"

"Have you thought about the consequences of slandering His Royal Highness?"

What? !

At this moment, everyone around was dumbfounded.

This... this Fengtao is the holy deity of the Temple of Light, and his status is equal to that of His Highness the Goddess?

Karen has been completely stupid! I thought that this Fengtao was just an opportunistic clown, and it was just good luck to have a relationship with the Bloody Hand Organization, but I never thought that he was the Holy Venerable of the Temple of Light.

Behind Karen, Su Lin, who was so cold and cold, was also stupid.

At this moment, Su Lin felt her legs soften, and her delicate body couldn't help but take a few steps back.

A few days ago, after the Holy Light Ceremony was held in Pearl City, Su Lin heard the news that there was a new saint in the Temple of Light, whose status was very respected, and that this saint appeared at the banquet of the Dumen family later, which caused a stir. The audience was sensational.

At that time, Su Lin was still thinking about the opportunity to send someone to the Dumen family to inquire and get to know the Holy Highness. But he never imagined that the wind and waves in front of him were the Holy Venerable.

quiet!

At this moment, the entire teleportation array was silent.

Many people were shocked. They could see that the Twelve Holy Knights with prominent identities were standing in front of Fengtao at this time, with a respectful face!

How is this possible? In addition to being stronger, this guy has no other special abilities. It turned out to be the Holy Venerable of the Temple of Light.

In the shock of the audience, only Mr. Fu Zheng looked at Yue Feng with admiration.

genius!

Truly a genius.

When he first saw Yue Feng's strength in Tianzhao City, Mr. Fu Zheng knew that this young man was extraordinary, and he would definitely do something earth-shattering in the future.

But I didn't expect that he could actually be the saint of the Temple of Light.

"This..."

Finally, Karen reacted, almost frightened, and apologized to Yue Feng for not listening: "His Royal Highness, I was wrong, please don't remember the villain..."

Yue Feng sneered and said nothing.

Karen was in a hurry: "Your Excellency, please forgive me, forgive me..."

Saying that, Karen's eyes flashed, pointing to Zhan Chao, who had passed out, and shouted: "Your Majesty, in fact, I was also confused by this Zhan Chao before, it was him who said you were a despicable villain who colluded with the Bloody Hand Organization."

Seeing Karen's panicked appearance, Yue Feng chuckled and ignored it.

"His Royal Highness!"

At this moment, Tianma walked over quickly and said respectfully, "How do you deal with this villain?" After saying that, he didn't forget to give Karen a stern look.

"Look at the disposal." Yue Feng said expressionlessly.

To be honest, Yue Feng really wanted to kill Karen and Mad with his own hands. If it weren't for him and Zhan Chao's malicious slander, he would not have been besieged by various forces, and the Blood Hand Organization would not have suffered such a heavy loss.

However, after the previous fierce battle, Yue Feng had really consumed too much internal energy, and at this time, he had no strength at all.

Tianma is a smart person, he immediately understood what Yue Feng meant, nodded and said, "Understood!" As the

voice fell, Tianma's holy power exploded, clenched his sword, and waved directly at Karen.

hum!

I saw a dazzling light, fast thunder, and directly shrouded Karen.

Chapter 3543

"Ah!" In the

next second, I heard Karen screaming, his heart was pierced, blood sprayed out, and then he fell to the ground and died.

hiss!

Seeing this scene, everyone around couldn't help but gasp. At the same time, one by one was also enveloped in endless fear.

It's over, Karen slandered the Holy Venerable and was directly killed by His Excellency the Paladin, and just now, the people like him besieged the Holy Venerable together, I am afraid that they will not escape the guilt.

Thinking of these, many people have weak legs, almost unable to stand.

"Holy Venerable!"

At this moment, the golden lion came out, first looked around, and then respectfully said to Yue Feng, "How do you deal with these people?" After saying that, the golden lion's holy power exploded and swept the audience.

The strength of the Holy Spirit made everyone present panic.

Yue Feng did not respond, his eyes swept over everyone. Although the expression is indifferent, it gives a strong aura that can't be breathed.

Pfft!

Feeling Yue Feng's gaze, everyone was trembling with fear. Then, a few cowardly knelt down at Yue Feng and kept begging for mercy.

"Your Majesty, spare your life!"

"Forgive your life..."

Putong Putong...

Seeing that someone took the lead, the others no longer hesitated, and they bent their knees one after another. In an instant, they knelt down in front of Yue Feng.

Seeing this scene, Yue Feng chuckled and waved his hand: "Okay, since you were all bewitched by Karen and Zhan Chao, I won't bother with you about what happened before. Let's all go out."

Hearing this, everyone kneeling there was relieved.

Whoa!

The next second, everyone quickly stood up and left one after another.

A few minutes later, around the teleportation formation, only Yue Feng, the Twelve Paladins, Miao Ying, and Olina were left.

At this time, Tianma and others also noticed the huge teleportation formation in front of them.

Afterwards, Tianma asked very curiously, "Holy Venerable, what exactly is this place?"

At the same time, everyone around looked at Yue Feng, all of them very curious and looking forward to it.

call!

Yue Feng took a deep breath and said slowly: "This is the Chaos Teleportation Array, but it has not been fully deployed. If it is deployed, through this teleportation array, you can enter the Divine Realm."

Divine Realm? where is that?

Hearing this, Tianma and the others were stunned.

Compared with the Kyushu Continent, Roland Continent knew very little about the Divine Realm, and did not even know that there was a Divine Realm.

"Okay!"

Seeing everyone's confusion, Yue Feng showed a smile: "I will explain to you now, you will not understand, when you have enough strength, you will know everything through the teleportation array to the realm of the gods. "

After saying this, Yue Feng began to command the twelve holy knights to help deploy the formation.

In the past, when Yue Feng deployed alone, it not only consumed a lot of internal energy, but also the progress was very slow. Now that the Twelve Paladins are here, it can save a lot of trouble.

The order of Yue Feng, the Twelve Paladins did not disobey.

In the blink of an eye, a few hours passed, and the Chaos Teleportation Array was finally completed.

Haha...

At this moment, Yue Feng was indescribably excited, Nima, he could finally go back.

Excited, Yue Feng said to Olina, who was not far away: "The Tongtian Pill in your body has already been solved. Thank you for your help today. We will have a future."

Hearing this, Olina was very happy . , At the same time, there is still some reluctance in my heart: "Are you going to leave here through this teleportation array?"

Well!

Yue Feng nodded: "If there is a chance in the future, maybe I will come back."

Said, Yue Feng tilted his head and ordered the twelve holy knights: "This teleportation array must be strictly guarded, remember, must be Only when the power of the Holy Spirit can activate the teleportation array."

When he said this, Yue Feng looked serious, you must know that the chaotic teleportation array was created by Fuxi, and it can mobilize the power of the chaotic void, which should not be underestimated. , it cannot be activated at all, and if it is activated rashly, it will only backfire.

Chapter 3544

"Yes, Holy Venerable!" The twelve Holy Knights agreed in unison.

Yue Feng explained a few more words, then took Miao Ying's hand and slowly walked into the center of the teleportation array.

Immediately afterwards, Yue Feng opened the teleportation array and saw a dazzling light shining from the center of the teleportation array. At the same time, a strange force instantly enveloped Yue Feng and Miaoying.

"Yue Feng!"

At this time, Miao Ying was also inexplicably excited, and said softly: "Through this teleportation array, can we return to the Kyushu Continent?"

Yue Feng smiled and nodded: "Of course not, we want to He was first teleported to the Divine Realm, and then returned to the Kyushu Continent from the Divine Realm!"

Hearing this, Miaoying nodded, and then thought of something: "By the way, where is Yanhong? We left without her?"

Yanhong ?

Yue Feng took a deep breath and said slowly, "I won't take her for the time being."

Thinking of Yanhong, Yue Feng's mood suddenly became complicated.

Also a fairy, Miao Ying has a kind heart, while Yan Hong is not only evil but also ambitious. If she is brought back to the Kyushu Continent, there will be boundless disasters, so it is better to keep her in this Roland Continent.

After all, at this time, Yan Hong was locked in the Temple of Light, and it was difficult to escape, so let her reflect on it.

Seeing Yue Feng's serious face, Miao Ying stopped talking.

hum!

At this time, the ray of light from the formation was getting stronger and stronger, and then, Yue Feng and Miao Ying only felt that their eyes were dark, and they were instantly teleported away.

At this moment, seeing the silhouettes of Yue Feng and Miao Ying being teleported away, the Twelve Paladins, Olina and others were all stunned there.

This...

This teleportation array can really send people away.

Amazing.

With emotion, the twelve holy knights pointed towards the place where Yue Feng disappeared, and said respectfully in unison: "Respectfully send the Holy Venerable..."

..... the

other side.

During the teleportation, Yue Feng only felt dizzy, but still held Miao Ying's hand tightly.

When he was sucked into the chaotic vortex before, Yue Feng lost contact with Miao Ying. This situation must never happen again.

I don't know how long it took, Yue Feng finally stepped on the ground.

hiss!

The moment he opened his eyes, Yue Feng couldn't help taking a deep breath, and the whole person was dumbfounded.

I can see that there are fairy mists all around, and the mountains are not far away, and there is a small stream not far away. The water is crystal clear and the scenery is pleasant.

The scene in front of him is like a gorgeous and elegant landscape painting.

Not only that, next to the stream, there are several rare birds and cranes, strolling leisurely.

What made Yue Feng even more excited was that the surrounding air was filled with incomparably pure and rich spiritual energy. Breathing this spiritual energy, the whole person was refreshed.

What the hell!

After being stunned for a few seconds, Yue Feng reacted and patted his forehead, his heart shaking inexplicably.

Is this the realm of the gods?

Fuxi really didn't lie to me, this place is so rich in spiritual energy, it is really a good place to practice.

Miao Ying on the side was also stunned by the beauty in front of her.

"so beautiful!"

Miao Ying took Yue Feng's hand, and her beautiful face was full of amazement: "This place is so beautiful, even more beautiful than the illusory realm..."

Yue Feng smiled and was about to speak, but just here When I saw the top of the mountain not far away, the light was shining, and I was stunned.

Is there light on the top of the mountain?

Discovering this, Yue Feng was inexplicably excited.

You must know that this is the realm of the gods. Where there is light, there must be opportunities.

"Let's go and have a look!" Yue Feng didn't have time to think, he pulled Miao Ying and flew directly towards the top of the mountain.

Chapter 3545 A

few minutes later, Yue Feng and Miao Ying finally reached the top of the mountain.

What the hell!

At this moment, seeing the situation in front of him, Yue Feng was stunned.

I saw that there were twelve columns neatly arranged on the top of the mountain. These columns formed a circle, and each stone column was engraved with complicated runes.

Yue Feng could see at a glance that this was the Twelve Heavenly Array.

The Twelve Heavenly Array is the top-level formation in the Baiqi Divine Formation. To deploy this formation, one needs not only extremely high attainments in the formation technique, but also a very strong internal force.

When he was studying the Twelve Heavenly Arrays, Yue Feng had tried it, but he gave up because the internal energy consumption was too serious.

At this time, when he saw the twelve heavenly formations in front of him, Yue Feng was very shocked.

Nima!

As expected of God's Domain, on top of this kind of mountain, a Twelve Heavenly Array was built casually.

Under the shock, Yue Feng looked towards the center of the formation, and the whole person was stunned again.

Just saw that there is a stone gate in the center of the formation, and the stone gate is faintly shining, giving people the feeling that it is both real and a little illusory.

Portal?

Yue Feng frowned and couldn't help muttering.

Then, seeing the engraving on the stone gate, Yue Feng suddenly became excited. Although it was engraved with ancient characters, Yue Feng could easily recognize it.

Because it is written on it, this stone gate leads to the continent of Kyushu.

Haha...

At this time, Yue Feng was indescribably excited and excited.

This is really good luck. As soon as I came to God's Domain, I found the portal to the Kyushu Continent.

"Yue Feng!"

Seeing Yue Feng so happy, Miao Ying couldn't help but ask: "What are these stone pillars and the stone gate inside? Why are you so happy?"

Yue Feng smiled slightly: "This is The portal to Kyushu, Miaoying, we are lucky."

Is that right?

Hearing this, Miao Ying showed a smile, and she was also happy.

"However, if we want to go in, we need to break the Twelve Heavenly Formation first." Yue Feng took a deep breath, and after speaking, he let Miaoying wait in place, and then stepped forward to break the formation alone.

Half an hour later, the formation was broken.

call!

At this moment, Yue Feng wiped the sweat from his forehead, secretly rejoicing in his heart.

Fortunately, I am familiar with the "Bai Qi Shen Formation", otherwise, I will be stumped by these twelve heavenly formations, but I will not be able to return to the Kyushu mainland.

Thinking about it, Yue Feng greeted Miao Ying to enter the center of the formation.

Um?

However, when he reached Shimen, Yue Feng frowned. He clearly sensed that Shimen did not respond at all, and there was no power surge at all.

what's going on? Isn't this a portal?

Muttering in his heart, Yue Feng looked around, and soon found that a fist-sized spirit stone was inlaid on one side of the stone gate. The surface of the spirit stone had colorful rays of light flowing, and it also contained strange energy.

Seeing this spirit stone, Yue Feng immediately understood something, and quickly walked over, put his hand on the spirit stone, and silently urged his inner strength.

hum!

The moment he injected his inner strength into the spirit stone, he saw a dazzling ray of light emerge from the stone gate.

Haha...

Seeing this situation, Yue Feng was very excited, this spirit stone is really the mechanism that opens the portal.

Thinking of this, Yue Feng hurriedly shouted at Miao Ying: "Come in."

Miao Ying responded, and hurriedly walked into the stone gate. She saw the dazzling light that enveloped her at once, and then Miao Ying's figure disappeared. In front of Yue Feng.

Yue Feng was very excited, and injected some internal strength, and then released the spirit stone.

In the next second, Yue Feng was ready to enter Shimen.

The ultimate husband in Chinese chapter 3541-3545

Chapter 3541

is the twelve Holy Knights of the Temple of Light.

Whoa!

Seeing the Twelve Paladins, everyone present immediately exploded, and they were all excited.

"Holy Knight..."

"Even people have come to the Temple of Light. It seems that there are treasures in this place."

Under the discussion, many people looked at Yue Feng's eyes with deep respect. You must know that the Temple of Light has an extremely noble status in the entire Roland Continent.

Facing the excited expressions of everyone, the Twelve Paladins were extremely indifferent.

Yes, the Taiyuan Mountains shook violently, and when the Temple of Light learned of the situation, it sent the Twelve Paladins to investigate.

Um?

The next second, seeing the situation in front of them, the twelve Holy Knights frowned secretly.

what's the situation? The two gangs confronted each other.

The twelve holy knights at this time clearly saw that the various forces in front of them were divided into two waves at this time, and they were confronting each other, and the smell of gunpowder was full.

On the side with the few people, a proud figure stood on the stone pillar, not the Holy Reverend Yue Feng, but who was it?

The saint was besieged?

Seeing this, the Twelve Paladins looked at each other in shock and anger.

“Your Excellency Paladin!”

At this moment, Karen reacted and walked up to please: “This Fengtao and the Bloody Hand organization have colluded with each other to threaten the safety of the entire continent.”

Saying that, Karen pointed to Yue Feng Miao Ying beside her: “And this woman, who pretended to be His Highness the Goddess of Light before, begged all the Holy Knights to help us destroy her together.”

The voice fell, and many people around nodded.

At the same time, looking at Yue Feng’s eyes, there is also a coldness.

No matter how strong this Feng Tao is, it is impossible for him to be the opponent of the Twelve Paladins.

Swish!

At this moment, the faces of the Twelve Paladins changed, and they glared at Karen at the same time.

Is this person looking for death? To deal with His Royal Highness.

Feeling the gaze of the Twelve Paladins, Karen’s heart tightened, and her mind suddenly became confused.

Did you say something wrong?

Probably not. Half a month ago, the story of the false goddess of light was spread in the six major duchies. At that time, the Twelve Paladins also captured this woman next to Yue Feng...

Thinking about it, Karen said again. : “Your Excellency Paladins, this wind wave is extremely sinful and must be...”

“Shut up!”

At this moment, the Pegasus Paladin couldn't help it. Before Karen could finish speaking, his figure flashed and came directly to Karen. , slapped it directly.

At this time, Tianma was very annoyed, Mad, this guy dared to say that the Holy Venerable sin was extremely sinful.

“Clap!”

The slap was heavy, and a crisp sound was heard, Karen covered her face, her face swollen high.

Hiss..

Seeing this scene, everyone around couldn't help but gasped, and looked at Tianma blankly, speechless.

what's the situation?

There is no problem with what Karen said. Why did Your Excellency Paladin suddenly act? Even if you want to fight, you should fight this storm.

“Your Excellency Paladin!” Karen was also beaten, staring blankly at Tianma, almost crying, “This Fengtao colluded with the Bloody Hand Organization, and let his own woman pretend to be His Highness the Goddess of Light, shouldn't he deserve to die? “

“Crack!”

Chapter 3542 The

Pegasus Paladin was so angry, he raised his hand and slapped it again, shouting angrily: “How dare you talk nonsense? Your Excellency is upright, how can someone like you be slandered?”

Yue Feng frowned and couldn’t help muttering.

Then, seeing the engraving on the stone gate, Yue Feng suddenly became excited. Although it was engraved with ancient characters, Yue Feng could easily recognize it.

Because it is written on it, this stone gate leads to the continent of Kyushu.

Haha...

At this time, Yue Feng was indescribably excited and excited.

This is really good luck. As soon as I came to God's Domain, I found the portal to the Kyushu Continent.

"Yue Feng!"

Seeing Yue Feng so happy, Miao Ying couldn't help but ask: "What are these stone pillars and the stone gate inside? Why are you so happy?"

Yue Feng smiled slightly: "This is The portal to Kyushu, Miaoying, we are lucky."

Is that right?

Hearing this, Miao Ying showed a smile, and she was also happy.

"However, if we want to go in, we need to break the Twelve Heavenly Formation first." Yue Feng took a deep breath, and after speaking, he let Miaoying wait in place, and then stepped forward to break the formation alone.

Half an hour later, the formation was broken.

call!

At this moment, Yue Feng wiped the sweat from his forehead, secretly rejoicing in his heart.

Fortunately, I am familiar with the "Bai Qi Shen Formation", otherwise, I will be stumped by these twelve heavenly formations, but I will not be able to return to the Kyushu mainland.

Thinking about it, Yue Feng greeted Miao Ying to enter the center of the formation.

Um?

However, when he reached Shimen, Yue Feng frowned. He clearly sensed that Shimen did not respond at all, and there was no power surge at all.

what's going on? Isn't this a portal?

Muttering in his heart, Yue Feng looked around, and soon found that a fist-sized spirit stone was inlaid on one side of the stone gate. The surface of the spirit stone had colorful rays of light flowing, and it also contained strange energy.

Seeing this spirit stone, Yue Feng immediately understood something, and quickly walked over, put his hand on the spirit stone, and silently urged his inner strength.

hum!

The moment he injected his inner strength into the spirit stone, he saw a dazzling ray of light emerge from the stone gate.

Haha...

Seeing this situation, Yue Feng was very excited, this spirit stone is really the mechanism that opens the portal.

Thinking of this, Yue Feng hurriedly shouted at Miao Ying: "Come in."

Miao Ying responded, and hurriedly walked into the stone gate. She saw the dazzling light that enveloped her at once, and then Miao Ying's figure disappeared. In front of Yue Feng.

Yue Feng was very excited, and injected some internal strength, and then released the spirit stone.

In the next second, Yue Feng was ready to enter Shimen.

The ultimate husband in Chinese chapter 3546-3550

Chapter 3546

"Who? Dare to open the portal without authorization?"

However, at this moment, an angry shout came from behind, and then, a powerful force instantly enveloped Yue Feng.

What the hell!

Yue Feng was startled, and he looked back quickly, and was immediately stunned.

Just saw an elegant figure coming quickly, this is a middle-aged man, wearing a moon-white robe, giving people a sense of immortal style, and his whole body is filled with unfathomable strength.

When I went to the top of the mountain just now, there was no one around.

Where did this man come from?

Feeling the unfathomable strength of the other party, Yue Feng only felt his brain buzzing.

At this time, Yue Feng didn't know that this middle-aged man who suddenly appeared was the superintendent of this place, Fu Zhen. The Supervision Department, as the name suggests, is the exclusive official who supervises this teleportation formation. It was directly appointed by the Nine Heavens God of the Divine Realm.

At this moment, Fu Zhen looked up and down at Yue Feng, and said coldly: "Good boy, you dare to open the portal without authorization, do you know the crime?" The

voice fell, and Fu Zhen raised his hand and waved.

hum!

An extremely strong force surged out, directly dispelling the power that Yue Feng injected into the spirit stone, and the light from the portal disappeared instantly.

Nima!

Seeing this situation, Yue Feng was shocked and angry.

This chapter is provided by . Visit for daily update.

This person is too domineering. He came over and closed the portal. How can he go back to the Kyushu Continent now?

"Boy, follow me!"

Just when Yue Feng was secretly frightened and angry, Fu Zhen didn't talk nonsense, his figure flashed and charged directly towards Yue Feng.

call!

Seeing Fu Zhen rushing towards him, Yue Feng did not hesitate at all, turned around and ran. When he rushed out of the Twelve Heavenly Array, Yue Feng did not forget to hit the two stone pillars with his palm, slightly changing the Twelve Heavenly Array.

In an instant, the Twelve Sky Array opened again, and Fu Zhen was directly stopped.

Um?

At this moment, realizing that the formation had been changed, Fu Zhen locked on Yue Feng's figure tightly, both annoyed and surprised: "You can actually change the Twelve Heavenly Array, it seems that I underestimate you." As he

said , Fu Zhen recited something in his mouth and returned the stone pillar to its original position. He is the Superintendent of Formation and is naturally proficient in formation techniques.

Then, Fu Zhen's figure erupted, chasing after Yue Feng.

Huhu...

Yue Feng rushed down the top of the mountain, pushing the figure to the extreme, and at the same time not forgetting to look behind.

Seeing this, Yue Feng was almost on the verge of crying, but he saw Fu Zhen chasing closely behind him, and the distance was getting closer and closer.

"Your Excellency!"

Yue Feng couldn't help shouting: "I'm just passing by, I don't mean anything. You don't need to chase so quickly, right?"

"Stop talking nonsense!

" You are a human, but you broke into the realm of the gods, and you rashly moved the portal, there is a rule, I will never let you go." The

voice fell, and Fu Zhen speeded up again.

Nima!

Seeing that the distance was getting tighter and tighter, Yue Feng was secretly anxious.

Nima, this can't be done. This guy doesn't make sense at all. If he is caught, I'm afraid he will never be able to return to Kyushu.

Anxious, Yue Feng saw that there was an orchard not far in front of him, which was full of strange fruit trees.

At this time, Yue Feng, almost in a panic, jumped over the orchard courtyard wall and rushed in.

call!

Fu Zhen, on the other hand, stopped in a hurry and frowned as he watched Yue Feng disappear into the lush fruit trees.

Yue Feng didn't know where this place was, but Fu Zhen knew very well that it was Lingguo Garden, one of the ten forbidden places in the entire God's Domain.

This Lingguo Garden is full of rare spiritual fruits, which are dedicated to the Nine Heavens God. Except for guarding the fruit servants here, no one is allowed to enter rashly without the order of the Nine Heavens God.

Chapter 3547

Fruit Servant, that is, the servant who specially takes care of Lingguo Garden.

At this time, it was the time for Guo Pu to rest, so Yue Feng broke in by accident, and no one knew about it.

call!

The moment he entered the Lingguo Garden, Yue Feng glanced back and saw that Fu Zhen was no longer chasing after him, and suddenly heaved a sigh of relief.

The next second, Yue Feng looked around, and his heart was shocked, and the whole person was extremely excited.

What the hell, there are so many fairy fruits here?

I can see that the surrounding branches are covered with fruits. These fruits include rootless flowers and fruits, five spirit fruits, Tianyu fruits, etc. All of them are treasures that are hard to come by.

Yue Feng once heard Shennong say that because of the abundance of spiritual energy, there are countless precious fruits in the realm of the gods. Ordinary people eat one, and their chances and skills will greatly increase.

You must know that these precious fruits contain an incomparably pure heaven and earth aura.

When he heard this, Yue Feng felt that Shennong was exaggerating a bit, but at this time, seeing so many rare and exotic fruits around, the whole person was inexplicably excited.

Haha... I

thought that when I was chased by that Fu Zhen just now, my internal strength was severely drained, and I was more fortunate.

After eating so many precious fruits, one's own strength will definitely be greatly improved.

Excited, Yue Feng didn't have time to think about it. He picked a red rare fruit directly from the finger in front of him and stuffed it into his mouth.

The precious fruit melted in the mouth, and in just a short moment, Yue Feng could clearly feel that the internal strength that he had just lost had recovered a lot in an instant.

It really works.

Yue Feng was so happy that he couldn't bear it any longer.

hum!

After swallowing these precious fruits, Yue Feng could only feel that an incomparably full of spiritual power was continuously flowing into his dantian, filling his limbs and bones!

Unconsciously, Yue Feng ate a dozen precious fruits, and the spiritual power contained in his dantian became more and more pure.

However, Yue Feng was still a mortal body at this time. He ate so many precious fruits at once, and he couldn't absorb it completely. He just felt extremely uncomfortable.

Not only that, an incomparably hot breath hit Yue Feng's body, as if his whole body was about to burn.

"Ah..." The

pain kept coming, Yue Feng couldn't help but screamed, lying on the ground and rolling.

At this time, Yue Feng was very regretful, Ma De, he knew that he would not eat so much.

At this time, Yue Feng did not know that the precious fruits in Lingguo Garden were dedicated to the Nine Heavens God. Except for the Nine Heavens God, other gods can eat up to three or five brothers at a time. And Yue Feng ate a dozen of them at once, and naturally couldn't stand it.

"Ah..."

Yue Feng fell to the ground and kept yelling. He clearly felt that his body seemed to be on fire, and the intense scorching heat had been attacking him.

Yue Feng kept breathing heavily, trying to control the violent power in his body, but he couldn't control it at all.

Finally, Yue Feng couldn't take it anymore, and suddenly fainted.

After an unknown amount of time, Yue Feng finally woke up.

Um?

The moment he opened his eyes, Yue Feng saw that the sky had darkened and the surroundings were silent.

The next second, Yue Feng felt the situation in his body, and he was stunned.

At this time, Yue Feng could clearly feel that there was a vague golden figure in the position of Dantian. Not only that, but his body was full of strength, and his body was also extremely light.

This....

Chapter 3548

Feeling the golden figure in the dantian, Yue Feng's whole person froze there, only feeling his brain buzzing, indescribably shocked and excited.

Yuan Ying...

own Yuan Ying?

At this time, Yue Feng was extremely excited. You must know that Nascent Soul is only possessed by gods. The biggest difference between humans and gods is the difference between Dantian and Nascent Soul. When Yue Feng first met the Nine Heavens Saintess, they There are no dantians in the body, but Nascent Souls.

With Nascent Soul, one has the physique of a god. This is something that no human being dares to think about. Now, Yue Feng has a Nascent Soul in his body, can you not be excited?

It seems that he ate these precious fruits himself, which caused the change in his physique.

At this moment, Yue Feng looked at the rare and precious fruits around him, and he couldn't express his emotion. Fortunately, he was blessed with great life and successfully integrated the power of those precious fruits. Otherwise, he would have exploded and died now.

Thinking of this, Yue Feng stood up and prepared to leave Lingguo Garden.

Miao Ying should have returned to the Kyushu Continent now, and she cannot delay.

Yue Feng thought about it, left Lingguoyuan, and went back to find that Fu Zhen. He couldn't beat him before, but now that he has Nascent Soul, it should be no problem to force through the portal.

“Who is it?”

Just when Yue Feng was about to leave, suddenly, a question came from behind him. The voice was pleasant and pleasant, but it was cold.

Oops!

Yue Feng secretly said that it was not good, and turned his head to look at it at the same time, and he was stunned for a moment.

I saw that several women came over quickly, wearing ancient court dresses with flying skirts, giving people an elegant and elegant feeling.

Not only that, each of these women is very beautiful, with exquisite curves under the long skirts, looming, facial features and eyebrows, and fair skin. Coupled with that cold and noble temperament, Yue Feng was immediately stunned.

As expected of God's Domain, the women here are really more beautiful than each other.

Feeling the strength of these women, Yue Feng was taken aback.

So strong!

At this time, Yue Feng didn't know that these women were the fairies who took care of Lingguo Garden.

“Hey!” Feeling Yue Feng's gaze, several fairies frowned secretly, very displeased, and then one of them

asked Yue Feng, “Who are you? Why are you here?”

The woman, called Juanhong, has a straightforward personality and is the street among these fairies.

At this time, while asking, Juanhong couldn't help looking up and down at Yue Feng, her beautiful face was full of doubts.

At the same time, other fairies also spoke.

“What are you doing here in Lingguo Garden?”

“Don't you know that you can't rush in here?”

A few fairies asked, you and I came over, Yue Feng had a smile on his face, but he was secretly anxious.

Is this place called Lingguo Garden? Forbidden land?

Muttering in his heart, Yue Feng took a deep breath and said with a smile: "Several sisters, in fact, I... I'm new here and I'm not familiar with the environment..."

Seriously, Yue Feng didn't know at this time. Where is Lingguo Garden? In a hurry, I can only talk nonsense.

newcomer?

Hearing this, Juan Hong and several fairies looked at each other, and they were all stunned.

A few days ago, there was indeed news from Yutian Palace that the precious fruits in Lingguo Garden have been almost mature recently, and there are not enough staff, so I plan to send a few to help. Could it be this man?

The Yutian Palace is the place where the Nine Heavens God lives, and the Nine Heavens God is the ruler of the Divine Realm and has supreme rights.

Chapter 3549

"You..."

Finally, Juanhong reacted and asked Yue Feng, "You were sent by Yutian Palace?" When she said this, Juanhong's tone was obviously much gentler, no more just hostility.

A few days ago, news came from Yutian Palace that someone would be sent to help, and Yue Feng said that he was new here.

In this case, Juanhong subconsciously regarded Yue Feng as someone sent by Yutian Palace.

Imperial Palace?

Hearing this, Yue Feng was stunned.

Yutian... With such a domineering name, could it be the supreme ruler of the Divine Realm, where the Nine Heavens God lives?

While murmuring in his heart, Yue Feng didn't have time to think about it. He nodded at Juanhong and said, "Yes."

Yue Feng has been in the arena for so many years, and he is already a veteran. Seeing Juanhong's expression at this time, he knows that he said it himself. It's a 'newcomer', by mistake.

Huh...

At this moment, Juanhong smiled lightly and said to Yue Feng: "I was really rude just now. Since it's a newcomer, it's my own." The

voice fell, and the other fairies also spoke one after another. A smiling face.

"It's really a novice sent by Yutian Palace."

"I was shocked just now, I thought it was a break-in by mistake."

Seeing Juanhong and several fairies, all put their guard down, and Yue Feng was also secretly relieved.

If you talk nonsense by yourself, you can get away with it, which is very lucky.

"Right!"

At this moment, Juanhong looked at Yue Feng and asked curiously, "What's your name?"

"Yue Feng!" Yue Feng scratched his head and responded with a smile.

puff!

Looking at his appearance, Juanhong and several fairies couldn't help but laugh.

"This newcomer is so stupid."

"Yeah, it looks so interesting."

At this moment, Juanhong and several fairies did not doubt Yue Feng's identity. Although Yue Feng was dressed in ordinary clothes, he had Yuan Ying. , More importantly, this is the realm of the gods, and it is absolutely impossible for outsiders to break in.

However, they never thought that Yue Feng's Nascent Soul was just formed.

Just talking and laughing, Juanhong waved her hand: "Okay, everyone, don't make fun of Yue Feng, he just came here today and is not familiar with this place, let's take him around."

After speaking, Juanhong and a few fairies started Familiarize yourself with the environment with Yue Feng.

Huh...

At this moment, looking at the graceful figures of Juanhong who were leading the way, Yue Feng was indescribably comfortable.

It's no wonder that for thousands of years, human beings have to work hard to cultivate, to break through the ascension and enter the realm of the gods. It turns out that this place is really heaven. Let's just say that there are a few Juanhongs in front of you. Just pull one out and you can dump the woman in the human world. several streets.

However, while feeling emotional, Yue Feng did not forget his true identity.

You can't go on like this, pretending to be a newcomer yourself, it's okay for a short time, but it will definitely be exposed over time.

Just get out of here quickly.

However, along the way, Juanhong and a few fairies stayed close to Yue Feng, giving him no chance to escape at all.

In this case, Yue Feng had no choice but to follow Juan Hong to familiarize himself with the environment of Lingguo Garden.

What the hell!

At first, Yue Feng was a little careless, but gradually, after getting familiar with the environment of Lingguo Garden, Yue Feng was shocked beyond words. I found out that this Lingguo Garden is very large, almost on top of a Donghai City.

In such a large area, there are more than 3,000 kinds of exotic and precious fruits, and there are thousands of each kind of spiritual fruit, adding up to hundreds of thousands of spiritual fruit trees.

Hundreds of thousands of spirit fruit trees. Moreover, all of them are dedicated to the Nine Heavens God.

Imagining this number, Yue Feng couldn't help but stunned.

Chapter 3550

Nima, these nine days of God's life are too good, and one person can enjoy so many exotic and precious fruits.

"That's right!"

Just when Yue Feng was thinking about it, Yan Hong suddenly remembered something, and turned around and warned, "You were sent from Yutian Palace, you should know the rules, we only have the right to take care of the precious fruits here, remember You

can't enjoy it in private." "If you steal a precious fruit, you will be wiped out of the primordial

spirit. You know that?" Gudong! Hearing this, Yue Feng couldn't help but secretly swallowed his saliva, only to feel a chill down his spine. What the hell, stealing a precious fruit will destroy the primordial spirit? Then I just ate a dozen or so, didn't I want to die without a place to be buried? While muttering in his heart, Yue Feng nodded seriously: "Understood. I understand all these rules, and I will never steal it in private." While talking, Yue Feng and Juanhong also went to an attic. call! At this moment, Yue Feng couldn't help but take a deep breath again, sighing secretly. You can see that the attic in front of you is divided into three floors, with carved beams and painted buildings, exquisite and unparalleled, white jade pillars, pure gold floor, surrounded by clouds and mists, it is really a shrine. "Okay!" Just when Yue Feng was fascinated, Juanhong smiled lightly and said, "This is where we rest. Your room is on the top floor. We'll take you in later. ", Yue Feng suddenly became excited. That's great, when the rest is over, the fairies like Juanhong won't follow him, and then they can take the opportunity to leave.

Thinking to himself, Yue Feng quickly nodded: "Thank you sisters."

Upon hearing this, the fairies Juanhong laughed again.

"This Yue Feng is so funny!"

"Yeah, he looks older than us, so he actually called us sister."

Yue Feng didn't take it to heart at the teasing of Juanhong and the fairies, and just wanted to I want to quickly separate from them, and then leave here.

hum!

But it was at this time that Juanhong slowly raised her jade hand, and then she saw a multicolored streamer condensing and rising into the sky.

The next second, this multicolored streamer formed a huge protective film in the air, covering the entire Lingguo Garden.

shit.

Seeing this scene, Yue Feng was stunned.

what's going on?

At this time, Yue Feng could clearly feel that this huge protective film had very strong energy, just like an enchantment. With his current strength, it would be difficult to break through this enchantment.

Seeing Yue Feng's surprised and shocked expression, Juanhong frowned slightly: "Yue Feng, what's wrong?"

Yue Feng pointed to the huge protective film in the sky: "This is..."

Before he could finish speaking, Juan Hong pursed her lips and explained, "This is the barrier to protect Lingguo Garden. Every day at Mao Shi, when the innate aura is at its strongest, that's not good for Zhen Guo, so you have to protect it, you don't know this. Is it?"

When she said this, Juanhong's face was serious.

She was right, this barrier is to protect Zhenguo, you must know that although Zhenguo absorbs Xuantian aura, but if it absorbs too much, it will be bad.

Therefore, the fairies like Juanhong, who are in charge of taking care of the Lingguo Garden, will open the enchantment when the innate spiritual power is the strongest, to protect the growing precious fruits and prevent excessive absorption.

This...

Hearing this, Yue Feng was stunned.

Unexpectedly, there are so many rules to take care of a Lingguo Garden.

It's just that, if you can't break through the barrier, you can't leave here for the time being?

The ultimate husband in Chinese chapter 3551-3560

Chapter 3551

Thinking of this, Yue Feng suddenly wanted to cry without tears.

However, in depression, Yue Feng also nodded at Juanhong and said: "Yes, of course I know this, I just want to confirm that after 90 hours, the enchantment will be removed, right?"

"Yes!" Juan Red nodded!

Ugh!

After receiving confirmation, Yue Feng secretly sighed, saying that, he would have to stay here for two hours.

Although he has just come to the God Realm, Yue Feng also knows that the time of the God Realm is divided according to the twelve earthly branches, namely Zi, Chou, Yin, Mao, Chen, Si, Wu, Wei, Shen, You, Xu, Hai, A total of twelve time periods.

Calculated as the time of the Kyushu mainland, one 卯hour is two hours.

Thinking to himself, Yue Feng calmed down secretly.

Isn't it just two hours, and it will soon pass.

Next, under the guidance of Juan Hong, Yue Feng went to the rest room on the third floor.

After entering the room, Juanhong and a few left, Yue Feng first looked around, then began to meditate cross-legged, quietly cultivated. You know, in this God Realm, it is full of incomparably pure and rich innate spiritual energy.

Although the Lingguo Garden at this time was blocked by Juanhong's enchantment, the innate aura that stayed in the Lingguo Garden was still incomparably full. For cultivators, this innate spiritual energy was hard to come by. what.

Yue Feng finally came to God's Domain once, and naturally he would not miss this good opportunity to cultivate.

call!

In the blink of an eye, an hour has passed, and Yue Feng clearly feels that his strength has improved a lot.

This chapter is provided by . Visit for daily update.

At the same time, Yue Feng was indescribably excited when he thought that he would be able to leave here in another hour.

...

on the other side, in the first floor of the pavilion.

The fairies in Juanhong were sitting on the soft couch, chatting and laughing while admiring the surrounding beauty.

Whoosh!

At this moment, I saw a pink figure that passed through the barrier and slowly landed.

This is also a very beautiful woman, wearing a long pale yellow dress, with a perfectly compact body and delicate facial features, but her whole body is filled with a high-cold temperament.

It is Empress Hua Zhao who is a close-fitting fairy, exquisite!

“Your Excellency Linglong!”

Seeing Linglong, Juanhong quickly got up and saluted respectfully.

Although they are both fairies, Juanhong and the others are the fruit servants who guard the spirit beast garden, while Linglong is Empress Hua Zhao’s most popular celebrity. The woman of God, in the realm of the gods, can be said to be under one god and above all gods.

Um!

Facing Juanhong’s few salutes, Linglong nodded.

In the next second, Linglong’s red lips lightly parted, and she said slowly, “Today, Niangniang heard that the Holy Spirit Fruits in Lingguo Garden are ripe, and specially ordered me to come and take some away, you guys hurry up and pick some good ones and send them to you with me. Niangniang taste.” The

voice was soft and pleasant, but there was no doubt.

This...

Hearing this, Juan Hong looked at each other in dismay, calm on the surface, but all secretly complained in her heart.

Picking the fruit of the Holy Spirit for Empress Hua Zhao to taste is her responsibility, and there is no problem at all.

You know, Empress Hua Zhao has a very bad temper, and she strives for perfection in everything, especially she is extremely picky about precious fruits. Juanhong and several have given precious fruits to Empress Hua Zhao, but Hua Zhao has never been asked to do so. If the lady is satisfied, she has been punished.

Therefore, at this time, Linglong said that she wanted them to send the precious fruit to Empress Hua Zhao to taste, and the fairies of Juanhong suddenly panicked.

After all, no one wants to be punished.

“What?”

Seeing Juanhong’s expressions, Linglong’s eyebrows knit together tightly: “Is there a problem?”

“No problem!” Juanhong responded quickly. Immediately, he walked out of the pavilion and went to pick the fruit of the Holy Spirit.

Chapter 3552

While picking the fruit of the Holy Spirit, Juanhong and several fairies are all frowning.

“What should I do?”

Finally, Juanhong couldn’t bear it any longer, and said, “Although the Holy Spirit Fruit this time is good, Niangniang will definitely be dissatisfied with everything being so perfect, and she will definitely punish us at that time.”

The voice fell, and the other fairies were also anxious.

Suddenly, one of the fairies thought of something: “By the way, we can let Yue Feng send him there. He was sent by Yutian Palace. Even if the empress is not satisfied, she will not punish him.”

Yes!

Hearing this, Juanhong and the others all smiled and clapped their hands in agreement.

How could I forget this newcomer?

Soon, the fruit of the Holy Spirit was picked, and Juanhong returned to the pavilion.

Seeing the fruit of the Holy Spirit just picked, Linglong nodded with satisfaction, then looked at Juanhong and said, "Who will come with me to deliver the fruit of the Holy Spirit."

Juanhong looked at each other, and they had a good understanding of each other.

In the next second, Juanhong came out and said politely, "Your Excellency Linglong, let Yue Feng go with you this time. He just came, so he just happened to get acquainted."

New here?

Linglong was stunned for a moment, but she didn't care and nodded.

"He's resting upstairs, I'll call him." Juanhong said, turning around and going upstairs.

...

On the other side, Yue Feng is still meditating.

Haha...

Seeing that two hours are about to pass, Yue Feng is indescribably excited.

"Yue Feng?"

However, at this moment, Juan Hong's shout came from outside the door.

Yue Feng frowned, opened the door, and saw Juanhong standing outside, smiling, indescribably charming.

"Sister Juanhong, is there something wrong?" Yue Feng couldn't help asking.

Juanhong nodded and said softly, "Yue Feng, you are very lucky. On the first day you came here, you encountered a good job."

Good job?

Hearing this, Yue Feng was stunned.

At this time, I heard Juanhong continue: "Ms. Hua Zhao sent someone to come and said that she wants to taste the fruit of the Holy Spirit. We have already picked it, you are responsible for sending it there. When the time comes, Madam Hua Zhao will definitely reward her if she is happy to eat it. Yours, isn't this a good errand?"

What?

At this moment, Yue Feng only felt his brain buzzing.

Let me give the Holy Spirit Fruit to Empress Hua Zhao?

When I was chatting with Juanhong a few times before, Yue Feng knew that Empress Hua Zhao was the highest goddess in the Divine Realm, the woman of the Nine Heavens God, and her status was extremely respected. This is the existence of a queen in the Kyushu Continent.

As for Yue Feng, it was only secretly sent from the human world. Although he had just possessed the Nascent Soul, in front of Empress Hua Zhao, if he was not careful, his identity would be revealed.

Thinking to himself, Yue Feng smiled bitterly: "Can I do it if I don't go?"

Don't go?

Juanhong's eyebrows were tightly knitted, and she said displeasedly, "Yue Feng, this is Your Excellency Linglong. I will ask you to send this newcomer by name. If you don't go, have you thought about the consequences? You must know that Linglong is Hua Zhao. If you make her unhappy, the celebrity beside the empress, we will all be implicated."

As she spoke, Juanhong's voice softened, and she said comfortably, "This is a good job, why don't you go?"

When she said this, Juanhong's face was calm, but she was very anxious.

If this Yue Feng does not agree, it will be troublesome.

In the face of Juanhong's soft and hard actions, Yue Feng wanted to cry without tears, so he nodded and said, "That's fine."

Chapter 3553

Seriously, sending precious fruit to Empress Hua Zhao, Yue Feng felt ten thousand reluctance in his heart.

But there was no way, Yue Feng pretended to be a newcomer, and if he insisted on not going, his identity would be exposed.

call!

Seeing that Yue Feng finally agreed, Juanhong smiled happily, and she was also secretly relieved.

That's great, with this Yue Feng doing it for me, I and my other sisters don't have to worry about being punished by Empress Hua Zhao. Excited, Juanhong

grabbed Yue Feng's hand and said, "Let's go, the precious fruit has been picked, you can't see Empress Hua Zhao, so you have to change clothes quickly."

The wind pulled out of the room and quickly found him a long gown.

A few minutes later, when Yue Feng changed into her gown, Juanhong was stunned.

Speaking of which, Yue Feng has a well-proportioned figure and sharp facial features. He is a very cool and handsome man, but he usually dresses very casually, so Juanhong has never been very concerned about Yue Feng's image, but at this time, Yue Feng has changed into a unique style of God's Domain. Cheongsam, the temperament is instantly revealed, and it is indescribably elegant and handsome.

"Sister Juanhong!"

Seeing Juanhong staring at herself, Yue Feng said with a smile: "What's wrong?"

Shuh!

At this moment, Juanhong realized that she had lost her composure, her delicate face suddenly flushed red, and she quickly said, "Nothing, Your Excellency Linglong is still waiting below, let

's hurry down." When she said this, Juanhong was very calm, but I sigh secretly in my heart.

I really didn't see that this Yue Feng was so handsome and handsome.

Yue Feng smiled, and without talking, He Juanhong went to the first floor of the pavilion.

Whoa!

Seeing Yue Feng at this time, the other fairies were also stunned, looking at Yue Feng up and down, and couldn't help but whisper.

"Wow, it turns out that Yue Feng is so handsome."

"I didn't notice it before."

Even Linglong, who was standing there, couldn't help but glance at Yue Feng, as if he never thought that in this Lingguo Garden, and such a handsome man.

However, Linglong held her own identity and did not show her inner strength's astonishment.

What the hell!

At this moment, Yue Feng was stunned when he saw Linglong.

I saw this Linglong, about twenty-five years old, with a delicate face and an even more exquisite body curve. Wearing a long light gauze dress, he looked immortal and extremely charming.

The women in this God's Domain are really more beautiful than one.

However, Yue Feng didn't dare to be too presumptuous, knowing that Linglong was a celebrity next to Empress Hua Zhao, so he just glanced at it and quickly looked away.

"Is this new?" Linglong asked lightly.

Juanhong nodded: "Yes, Your Excellency Linglong, his name is Yue Feng, he has just become acquainted with the environment of Lingguo Garden, this time I will send precious fruit to the niece, let him come with you, just in time to be proficient in business. "

Hmm!

Hearing this, Linglong nodded and said to Yue Feng, "Take Zhenguo and come with me." The voice was not loud, but it was full of orders.

Juanhong and others quickly handed the picked precious fruit to Yue Feng.

At this moment, Yue Feng was very depressed, but he had no choice but to follow Linglong towards the fairy pavilion where Empress Hua Zhao lived.

"Sister Juanhong..."

As soon as the forefoot left, one of the fairies had a complex expression on her delicate face: "Isn't it a little bad for us to treat Yue Feng like this?" The

voice fell, and the other fairies also frowned, all worried about Yue Feng. .

Like Juanhong, these fairies only regarded Yue Feng as a newcomer at first, but when they saw the new Yue Feng just now, they were all attracted by his unique temperament and learned that he might be punished by Empress Hua Zhao. Some were unbearable.

Chapter 3554

At this time, Juanhong also bit her lip lightly, very worried about Yue Feng.

A few seconds later, Juanhong smiled lightly and said, "Okay, look at you one by one, maybe this time the precious fruit will satisfy Lady Hua Zhao? At that time, Yue Feng will not be punished, and Maybe he will be rewarded."

"When he gets the reward back, he will definitely thank our sisters."

The expressions of the other fairies softened a little after hearing this.

Whoosh!

Just as he was talking, he saw a figure, flying quickly, and then gently landed in front of the pavilion.

This is a man with an ordinary appearance, a stubby figure, and a simple and honest feeling.

Swish!

In an instant, Juanhong's eyes converged on the man.

Immediately afterwards, Juanhong took a step forward and asked coldly, "Who are you? If you rushed into the Lingguo Garden, do you know the consequences?"

At the same time, the other fairies also locked on the man tightly, full of vigilance.

Facing the hostility of Juanhong and several fairies, the man did not panic at all. He walked up to him and said with a smile, "Fairies, don't get me wrong, my name is Shi Geng!

" You are understaffed, so Yutiangong sent me to help."

What?

Hearing this, Juanhong and the others all trembled.

This....this stone is newer?

What happened to Yue Feng before then?

In shock, Juan Hong looked at each other, feeling a little confused.

Soon, Juanhong reacted first and said to Shi Geng: "Impossible, we have already met the people sent by Yutian Palace, are you fake?" The

voice fell, and the other fairies also spoke.

“Yes, you must be a fake.”

“You said you were sent by the Yutian Palace, but do you have any evidence?” The fairies in Juanhong asked, and when you heard me, Shi even couldn’t help laughing and laughing. panic.

The next second, Shi Geng said seriously: “I am really sent by Yutian Palace. Look at the fairies, this is a dispatch talisman issued by Yutian Palace.” After speaking

, Shi Geng took out a talisman, politely. handed it to Juan Hong. The talisman is something exclusive to the realm of the gods, just like a letter of appointment in the human world. However, this talisman is condensed from Xuantian aura. between heaven and earth.

This...

As a result, Fu, Juanhong was stunned, her delicate body was trembling, her legs were weak, and she could hardly stand still.

She clearly saw that the Lingfu was not fake, and it was written that Yutiangong sent Shigeng to Lingguoyuan.

At this time, the other fairies also came over and looked at the contents of the talisman, and they were all stunned.

This... this stone is really sent by Yutian Palace.

Where did the previous Yue Feng come from?

Thinking of this, Juanhong became more and more uneasy, and wanted to chase Linglong and Yue Feng, but it was too late now.

.....

On the other side, Yuyao Xianyuan.

Yuyao Xianyuan is a picturesque garden where Empress Hua Zhao lived.

Yuyao Xianyuan occupies a very large area, almost covering a mountain range. The buildings inside are all made of white jade. Qionglou and Yuyu can be seen everywhere. They are full of exotic flowers and plants, as well as many exotic animals and birds. Huan.

At this time, Yue Feng came to Yuyao Xianyuan under the leadership of Linglong.

Chapter 3555 What the hell

!

When entering Yuyao Xianyuan, Yue Feng couldn't help taking a deep breath when he saw the environment in front of him, he was extremely shocked.

Is this where Empress Hua Zhao lives? Simply beautiful.

With emotion in his heart, Yue Feng couldn't help but ask Linglong: "Your Excellency Linglong, this place..."

Before he could finish speaking, Linglong interrupted coldly: "Shut up, this is where the empress rests. , you can't talk casually, and you're just here to deliver the spiritual fruit, what are you asking about?"

When she said this, Linglong's delicate face was full of contempt.

In her eyes, Yue Feng was just a fruit servant who guarded the Lingguo Garden. His status was far from hers, and he was not qualified to speak to him at all.

Uh...

Feeling Linglong's indifference, Yue Feng was very embarrassed. At the same time, I was also a little unhappy.

This Linglong, even if she is a celebrity next to Empress Hua Zhao, is at most a maid, and she puts on airs.

I muttered in my heart, Yue Feng did not speak, and followed Linglong honestly.

Soon, Linglong brought Yue Feng to the Warm Heart Pavilion.

Warm Heart Pavilion is the palace where Empress Hua Zhao rests. It is extremely luxurious, yet fresh and elegant.

hiss!

The moment he stepped into the Warm Heart Pavilion, seeing the scene in front of him, Yue Feng couldn't help gasping for air, and he was stunned.

I saw that cigarettes were lingering in the Nuanxin Pavilion, and dozens of young women were neatly lined up. These young women were all in their twenties, with exquisite appearance, all in light gauze dresses, soft and charming.

In the center of the Warm Heart Pavilion, there is an exquisite throne.

This throne is studded with rare gems, with colorful halos circulating, and it is extremely exquisite. It can be said that this throne is simply a priceless treasure.

Because Yue Feng can see that the gems on the throne are worth a fortune!

However, what attracted Yue Feng's attention was the woman on the throne.

This woman, wearing a colorful and gorgeous phoenix robe, revealed her graceful figure looming. At this time, she sat lazily on it, indescribably charming and charming, like a finely carved face, with a myriad of manners, It shows the temperament of the mother's world.

It is the supreme goddess of the gods, the woman of the Nine Heavens God, Empress Hua Zhao.

For a while, Yue Feng froze there, completely stunned, his heartbeat couldn't help speeding up.

Is this Empress Hua Zhao?

so beautiful.

All the beautiful words in this world are not enough to describe...it's just perfect.

With emotion in his heart, Yue Feng's expression was sluggish, he just felt that his mind was blank and he forgot where he was.

At this time, Yue Feng only felt that the scene in front of him was like a dream.

Swish!

At this moment, seeing Yue Feng being brought in by Linglong, all the gazes of the whole Nuanxin Pavilion also suddenly converged on Yue Feng, all eyes filled with doubts.

Who is this man?

At the same time, Empress Hua Zhao's delicate face was also frowning slightly, looking at Yue Feng condescendingly with a bit of confusion.

Gudong.

At this moment, upon meeting Empress Hua Zhao's eyes, Yue Feng felt his heart tremble, his eyes were straight, and he couldn't help swallowing.

To be honest, Yue Feng once said about the legend of Empress Hua Zhao. It was said that her beauty surpassed Chang'e. At that time, Yue Feng thought it was a bit exaggerated, but when she saw it with her own eyes, she knew that it was a well-deserved reputation.

After all, this is the woman of the Nine Heavens God, can she not be beautiful?

“Miss.”

The ultimate husband in Chinese chapter 3556-3560

Chapter 3556

Just when Yue Feng was secretly stunned, Linglong took the lead and bowed to Empress Hua Zhao: “This is Yue Feng, a newcomer who has just arrived at Lingguo Garden, this time the precious fruit will be sent by him Here.”

It turned out to be the fruit servant of Lingguoyuan.

Hearing this, Empress Hua Zhao nodded lightly, without the slightest expression on her beautiful face.

At this time, seeing Yue Feng's gaze, it stayed on the empress. Linglong frowned, and couldn't help scolding: “You are so bold, you don't kneel when you see the empress, and you look straight at the empress.” The

voice fell, Linglong He came over and kicked Yue Feng fiercely.

In an instant, Yue Feng bent his legs and knelt down.

What the hell!

At this moment, Yue Feng was angry, this Linglong was too good at bullying others, even if he was a fruit servant, he didn't need to treat him like a slave.

Although he was very upset, Yue Feng didn't show it. After all, it was Empress Hua Zhao who was in front of her.

“Hey!”

At this time, Linglong urged angrily: “What are you doing, you still don't present the precious fruit?”

Hearing this, Yue Feng took a deep breath and handed the picked precious fruit respectfully. Going up, a maid immediately picked it up. Then it was presented to Empress Hua Zhao.

Empress Hua Zhao looked at the appearance of the precious fruit, and said lightly, "This is the newly ripened precious fruit this time?"

"Yes, Empress!" Yue Feng knelt there and responded quickly.

Yue Feng thought about it. After leaving Yuyao Xianyuan, he would not be able to leave Lingguo Garden, so he went directly to the portal to leave. Although there are many beautiful fairies here, but after all, I don't belong here. If I stay for too long, there will definitely be trouble.

This chapter is provided by . Visit for daily update.

At this time, at the suggestion of Empress Hua Zhao, Linglong picked a precious fruit.

In the next second, Empress Hua Zhao found a rare fruit, put it in her mouth, and tasted it.

Huh..

At this moment, the entire Warm Heart Pavilion was silent. Linglong and the maids around him all looked at Empress Hua Zhao, waiting for her comments on this precious fruit.

Yue Feng knelt there, his heart was at peace.

Waiting for Empress Hua Zhao to finish tasting the precious fruit, can she leave by herself?

"Normal..."

At this moment, Madam Hua Zhao threw a bite of the precious fruit aside, frowned at Yue Feng and said, "This time the precious fruit is too ordinary, the spiritual energy it contains is not yet there. The last time was mellow."

Uh...

Hearing this, Yue Feng was stunned.

Madam Hua Zhao is too picky, these precious fruits are the best in Lingguo Garden, but in her eyes, they are so unbearable?

At this time, Madam Hua Zhao's delicate face was full of displeasure, and she looked at Yue Feng and said coldly, "You fruit servants of Lingguo Garden are really becoming less and less motivated, it must be because of your slack, Zhen Guo. It will be worse than before." After saying the last sentence, Empress Hua

Zhao said to Linglong, "Go, drag him down and punish him with thunder."

In my heart, punishing a fruit servant is a very common thing.

"Yes, Niangniang!" Linglong responded.

What?

At this moment, Yue Feng was taken aback.

Nima, what's going on? Just because Zhenguo didn't meet the requirements, this Empress Hua Zhao will punish me with Tianlei?

This is too harsh.

At this time, Yue Feng was almost on the verge of crying without tears.

I thought it was just a matter of running errands to deliver Zhen Guo, but I never imagined that the situation would suddenly become so serious that it would be punished by Tianlei. Yue Feng has just owned Nascent Soul, how can he withstand the bombardment of Tianlei?

Chapter 3557

Depressed, Yue Feng thought of Juanhong.

Damn, I seem to have been deceived.

At this time, Yue Feng vaguely understood that Juanhong wanted to send the precious fruits by herself, and said that it was a beautiful job, which was completely a lie. She had known for a long time that these precious fruits could not meet the satisfaction of Empress Hua Zhao, and she was afraid of being punished. Punishment, so let him deliver.

Understanding this, Yue Feng was furious.

I really didn't expect that the fairies in Juanhong, who looked beautiful and kind, could actually deceive people.

"Let's go!"

At this moment, Linglong came over and said coldly to Yue Feng, "Go out with me to accept the punishment." His tone was indifferent, and there was no sympathy in his eyes.

This fruit servant named Yue Feng, who did not take good care of Zhen Guo, was punished by the goddess, and he deserved it.

How to do?

Facing the situation in front of him, Yue Feng's face was bitter, and his heart was like an ant on a hot pan, anxious.

Do you want to resist?

But here is God's Domain. The Linglong in front of him is much stronger than himself. If you really want to resist, I'm afraid the situation will be even worse.

But if you don't resist, you will be punished by Tianlei.

"Your Majesty is here!"

Just when Yue Feng was anxious, a shout suddenly came from outside, and then, a man, surrounded by several maids, slowly walked into the Warm Heart Pavilion.

His Majesty?

At this moment, Yue Feng was stunned.

Is it the Nine Heavens God?

Thinking to himself, Yue Feng couldn't help but look at this man, and saw that he was wearing a golden robe, facing kindness, but exuding an aura that was not angry and arrogant, and the aura that permeated his body was even more unfathomable.

It is the God of the Nine Heavens.

"Your Majesty is down!"

Seeing the Nine Heavens God, Empress Hua Zhao quickly stood up, showing a charming smile, and said softly, "Why did you come to me all of a sudden?"

Empress Hua Zhao and Nine Heavens God are very loving, and seeing Nine Heavens God at this time When he appeared, he couldn't take Yue Feng into consideration for a while, and he forgot about the punishment.

"See Your Majesty!" At this time, Linglong and the maids around him saluted one after another, all of them being extremely respectful.

Yue Feng also hurriedly lowered his head, facing the powerful strength of Jiutian God, he almost didn't dare to let out the air.

At the same time, Yue Feng was also secretly shocked.

As expected of the ruler of the God Realm, the strength of the Nine Heavens God is really too strong.

“Haha...”

In the face of Empress Hua Zhao’s gentleness, Jiutian God laughed: “I heard that the precious fruits in Lingguo Garden are ripe, and they have been delivered to you, so I will come and taste them.

” Guo, Madam Hua Zhao frowned and said unhappily, “This time, the precious fruit is not as good as the last time.”

After speaking, Madam Hua Zhao glanced at Yue Feng.

Oops.

Seeing this situation, Yue Feng’s heart was suspended again.

If the Nine Heavens God ate the precious fruit and felt dissatisfied, wouldn’t his fate be even worse?

At this time, Linglong danced a precious fruit and presented it to the Nine Heavens God.

Nine Heavens God took a sip, showed a smile, and smiled at Empress Hua Zhao: “It’s okay, the flesh is fragrant, and the spiritual energy is abundant. It’s not as bad as you said.”

After hearing this, Empress Hua Zhao smiled lightly: “You are too lenient, forget it, this fruit servant will not be punished.”

Hu!

At this moment, the stone hanging in Yue Feng’s heart fell to the ground in an instant.

Fortunately, this nine-day God is not so harsh.

At this time, Linglong said to Yue Feng, “Why don’t you hurry up and thank Your Majesty and your niece?

“

While saying this, Yue Feng secretly exhaled, now he can finally leave.

Chapter 3558

Nine Heavens God raised his hand, indicating that he would be exempted from the ceremony.

At this time, Yue Feng was about to ask for instructions and quit the Warm Heart Pavilion.

“Report to Your Majesty!”

However, before Yue Feng could speak, he saw a maid outside the door respectfully saying, “Fu Zhen, the superintendent of the formation, is asking to see you in front of him.”

Fu Zhen?

Hearing this, Empress Hua Zhao looked curious and asked Jiutian God, “What is he here for?”

Jiutian God smiled and said, “I heard yesterday that in the area under Fu Zhen’s jurisdiction, one of the portals vibrated. Just summon him to inquire about the situation.” After speaking

, the Nine Heavens God said to the outside: “Let him come in.” What the hell

!

Seeing this scene, Yue Feng’s face changed, and he instantly became nervous.

The thing about the portal is what I did. When that Fu Zhen comes in, isn’t his identity exposed?

At this moment, Yue Feng wanted to find a place to hide, but the Nine Heavens God and Empress Hua Zhao were both there, so there was no way to hide.

It was at this time that a figure slowly walked in. Wearing a blue gown, she has an extraordinary temperament.

It was Fu Zhen.

puff.

When he got to the front, Fu Zhen knelt down respectfully, and respectfully said to Jiutian God: “Fu Zhen sees His Majesty.”

Jiutian God looked solemn and asked: “Fu Zhen, the portal under your jurisdiction shook yesterday. What’s going on?”

“Avoid...”

Hearing the question, Fu Zhen was inexplicably frightened, and said cautiously: “The thing about the portal is...”

Just as he was talking, Fu Zhen’s eyes fell on Yue Feng, and he was stunned.

Why is this kid here?

At this time, Fu Zhen’s brain was buzzing, and he suddenly became confused.

What is this kid’s identity? How can it be in the heartwarming pavilion of the goddess?

He clearly saw that Yue Feng was wearing a long gown, elegant and refined, and he was completely different from the embarrassed appearance of yesterday. Not only that, Fu Zhen clearly felt that Nascent Soul was also condensed in Yue Feng’s body.

Upon realizing this, Fu Zhen was even more stunned.

“Fu Zhen?” Seeing Fu Zhen froze there, Jiutian God frowned: “Why don’t you speak?”

Fu Zhen’s heart trembled, and he quickly said: “Go back to Your Majesty, there were some problems with the portal yesterday, but I have already repaired it. Okay.”

When he said this, Fu Zhen glanced at Yue Feng subconsciously.

At this time, Fu Zhen, because he was not sure of Yue Feng’s identity, did not dare to tell the truth at all. After all, he was in charge of the portal, and once there was a problem, the culprit would be inevitable.

Haha....

Yue Feng was originally very nervous, but when he saw Fu Zhen’s answer, he suddenly laughed in his heart.

This Fu Zhen is really interesting. Seeing that I am here and I can’t understand the situation, I dare not tell the truth of yesterday.

But that’s fine, you don’t have to be afraid of revealing your identity.

Um!

At this time, Jiutian God nodded: “Since it’s all right, that’s the best!”

After saying that, Jiutian God glanced at Yue Feng: “Fu Zhen, you have been looking at him, do you know each other?”

Shuh!

As soon as the voice fell, whether it was Empress Hua Zhao, Linglong and others, their eyes were all focused on Fu Zhen.

Fu Zhen's body trembled, and the whole person was stunned.

This... how should I answer myself?

At this moment, Yue Feng couldn't help saying: "Avoid, Your Excellency Fu Zhen and I have had a few encounters and are considered friends." To be

honest, Yue Feng didn't want to interrupt, but he was afraid that Fu Zhen would get nervous and put the After revealing his identity, he couldn't help helping Fu Zhen to lie.

Chapter 3559

Friends?

Hearing this, both the Nine Heavens God and Empress Hua Zhao were stunned.

At the same time, Fu Zhen was also shocked, and his eyes were fixed on Yue Feng, revealing a bit of complexity and confusion.

What is this guy going to do?

"Fu Zhen!"

Finally, Nine Heavens God reacted, looked at Fu Zhen and asked, "Is what he said true?"

Uh...

Fu Zhen scratched his head, pondered, nodded and said, "Yes, Your Majesty. ." Speaking of which, Fu Zhen wanted to deny it, but if he denied it, the matter of the portal could not be concealed. When His Majesty knows the truth, he will definitely punish himself.

Seeing his admission, Jiutian God nodded silently, and then looked at Yue Feng with great interest: "A small fruit servant in Lingguoyuan is actually a friend of Fu Zhen."

When saying this, Jiutian God's tone was full of A bit of exclamation.

You must know that in the entire Divine Realm, there are a total of seven superintendents, and among the seven superintendents, Fu Zhen's ability ranks first.

Moreover, as a superintendent, although Fu Zhen's status is not high, he is aloof and arrogant. , there are very few people who can be regarded as his friends.

At this time, Yue Feng, who was a fruit servant, said that he was a friend of Fu Zhen, which made Jiutian God very curious.

Feeling the gaze of the Nine Heavens God, Yue Feng quickly said, "It is my honor to be regarded as a friend by Your Excellency Fu Zhen."

What?

At this moment, Fu Zhen also recovered, frowning at Yue Feng.

This... this guy is the fruit servant of Lingguoyuan?

I thought that he would have a great identity if he could appear in the Nuanxin Pavilion of Empress Hua Zhao. After a long time, he was just a fruit servant.

While murmuring in his heart, Fu Zhen was very annoyed, and he felt as if he was being played with invisibly.

"Okay!"

At this time, the God of Nine Heavens waved at Yue Feng and Fu Zhen: "You all step back." When the words

fell, Yue Feng and Fu Zhen responded quickly, and then exited the Warm Heart Pavilion.

"Hey!"

When he walked out of the Warm Heart Pavilion, Fu Zhen stopped immediately, his eyes locked on Yue Feng, unable to hide his anger and coldness: "Who are you?"

When he first saw him, this guy He was urging the portal, and at that time, he didn't have a primordial spirit yet, so he was obviously a human being, and when he saw it again, he not only had primordial spirit, but also became the fruit servant of Lingguo Garden.

There must be a secret in this.

call!

Feeling Fu Zhen's hostility, Yue Feng took a deep breath and said with a smile: "Your Excellency Fu Zhen, we are friends, how can you ask me questions, like interrogating a prisoner?"

“Stop talking nonsense with me!”

Fu Zhen scolded He said, word by word, “You can fool your majesty and the goddess, but you can’t fool me. You are not the fruit servant of Lingguoyuan at all, and your primordial spirit is also very strange. If I guess right, you secretly After eating the precious fruit, you have the primordial spirit, right?”

“You are a daring human who entered the realm of the gods without authorization, and even stole the precious fruit. You are so daring and reckless that you cannot be punished.” The

words were just and righteous.

At this time, Fu Zhen became annoyed the more he thought about it. He wanted to kill Yue Feng immediately, but he forcibly held back when he thought that this was Yuyao Xianyuan, where Empress Hua Zhao belonged.

Chapter 3560

Nima!

Hearing this, Yue Feng did not panic at all, but rather held back his anger, and retorted coldly: “Fu Zhen, don’t come with me like this. Lingguo Garden will not pretend to be a fruit servant to deliver precious fruits to the goddess, speaking of which, the cause is all up to you.”

When he said this, Yue Feng was very excited.

Speaking of which, I opened the portal yesterday, and I was able to leave. As a result, this Fu Zhen suddenly appeared and closed the portal, causing me to stay in God’s Domain and not be able to return to the Kyushu Continent. Now, this Fu Zhen is still righteous. The appearance of the right words, whoever changes this matter, will be popular.

“You...”

Facing Yue Feng’s rebuttal, Fu Zhen’s face flushed and he was speechless for a while.

At this time, Yue Feng took a deep breath, adjusted his emotions, and continued: “As the superintendent of the formation, you are responsible for the transmission of the formation. Then, you should know about the Holy Maiden of Nine Heavens, who is in charge of the Kyushu Continent, right?”

Fu Zhen was stunned . After a while, he frowned: “What do you want to say?”

Yue Feng took a deep breath and said slowly: "Did you know that the Xuantian Great Array in the Kyushu Continent was destroyed ten years ago, and the culprit behind it was the It is the Hades of the Underworld, that Hades is very ambitious and wants to rule the Kyushu Continent."

"In order to realize his ambitions, Hades almost controlled the Nine Heavens Saintess..."

"And you, as the Superintendent, are responsible for contacting the Nine Heavens Saintess. , you don't even know about these things, you say yourself, are you dereliction of duty? If these things are known to the Nine Heavens God, will you be punished?"

What?

At this moment, Fu Zhen stayed there, his mind buzzing, and his heart was inexplicably frightened.

The matter of the Kyushu Continent and the Underworld is so serious?

To be honest, Fu Zhen knew about the destruction of the Xuantian Great Array from the beginning, but he never reported it to the Nine Heavens God, because in the Nine Heavens God's heart, human beings are just like ants. The connection with the human world is completely irrelevant.

In this case, Fu Zhen chose to hide it.

But he never thought that the destruction of the Xuantian Great Array was actually related to the Hades of the Underworld.

After being stunned for more than ten seconds, Fu Zhen looked at Yue Feng closely: "Then how is the situation now?"

Yue Feng chuckled lightly: "The situation is not so serious now, the Hades has been absorbed by the power and no longer exists. At that time, the underworld was in a state of no owner. As for the continent of Kyushu, I left for a few months, and I don't know what the situation is now..." It's

okay!

Hearing this, Fu Zhen's expression softened a lot, and he said to himself: "But there is no owner in the underworld. This matter cannot be delayed. It must be reported to His Majesty as soon as possible.

" , couldn't help sneering: "The Xuantian Great Array has been destroyed for more than ten years. After so long, you are going to report it now?"

Facing Yue Feng's mockery, Fu Zhen didn't get angry, smiled and began to explain .

It turned out that the time in the divine realm was different from the time in the human world. One day in the divine realm was equivalent to one month in the human world. In this way, ten years in the human world was equivalent to several months in the divine realm.

What the hell!

When he understood this, Yue Feng was stunned.

One day in God's Domain is equivalent to one month in the human world? After staying here for two days, isn't it two months in Kyushu World?

No, you have to go back quickly.

"Yue Feng!"

Just when Yue Feng was muttering, Fu Zhen showed a smile and said gently, "I'm really sorry for chasing you yesterday, thank you for telling me about the Kyushu Continent."

"These things, I need to think carefully, and then Report it to Your Majesty, we will have an appointment in the future!" The

voice fell, Fu Zhen turned around and strode away, and in the blink of an eye, he disappeared from Yue Feng's sight.

The ultimate husband in Chinese chapter 3561-3565

Chapter 3561 What the hell

!

Watching Fu Zhen leave, Yue Feng stood there, wanting to cry without tears.

This Fu Zhen's work is too unreliable, what should I do if you leave?

Yue Feng is not a fruit servant at all, and it is impossible to return to Lingguo Garden.

Forget it, Fu Zhen is gone, find a way to get out of here.

Making up his mind, Yue Feng walked forward.

However, after walking for a while, Yue Feng was so depressed that he felt his head was getting bigger.

Nima!

This Empress Hua Zhao's Yuyao Xianyuan is also too big!

Yue Feng was very depressed to see that there were countless Qionglou and Yuyu in front of him, and there were corridors everywhere, just like a huge maze.

What made Yue Feng even more depressed was that a barrier was also deployed in the sky above his head, just like the barrier in Lingguo Garden, but it was stronger, that is to say, Yue Feng could not fly at all.

If you want to leave Xiyuyao Xianyuan, you must go out.

call!

Seeing this situation, Yue Feng wanted to cry without tears, what should I do?

While depressed, Yue Feng walked around. However, he was not familiar with the environment here, and after walking for a long time, Yue Feng only felt dizzy and completely lost.

This chapter is provided by . Visit for daily update.

Um?

I don't know how long it took, Yue Feng came to a separate courtyard, and heard the laughter of women coming from inside.

Hearing the laughter, Yue Feng's heart was shocked. It should be a maid playing. After walking for a long time, he couldn't find the way out. Why don't you go in and ask.

Thinking to himself, Yue Feng walked in without hesitation.

hiss!

As a result, as soon as he walked into the small courtyard, Yue Feng was taken aback for a moment, and he suddenly took a breath of cold air!

I saw that in the small courtyard, there was a pond, surrounded by a dozen maids waiting, and in the pond, a graceful and charming figure was bathing in it.

This woman is very beautiful, especially her perfect figure, which reminds Yue Feng of two verses: natural to carve, and clear water to come out of hibiscus.

Gudong!

For a time, Yue Feng was almost stunned, and couldn't help swallowing his saliva.

At this time, Yue Feng didn't know that the beauty bathing was the youngest daughter of Jiutian God, Princess Dongling.

Just when Yue Feng was fascinated, all the maids around were startled and exclaimed!

"Who is it!"

"What a bold man, dare to break into the resting place of the princess?"

What? Princess?

Yue Feng reacted instantly when more than a dozen maids complimented him, and he was also taken aback.

Is the princess bathing in the pond? Nine Heavens God's daughter?

"Ah..."

Just when Yue Feng was stunned, Princess Dongling also saw Yue Feng and couldn't help but let out a coquettish cry, her beautiful face flushed red.

Princess Dongling was ashamed and angry, raised her jade arm and pointed at Yue Feng, her tone trembling: "Bold servant, dare to peek at this princess bathing?"

The man in front of him seems to be handsome, but he is so filthy, and, looking at his clothes, he is not from Yuyao Xianyuan, maybe he sneaked in, but at this time, he even

peeked at himself taking a bath, his eyes were still like this. The presumptuousness is simply lawless.

“...”

Seeing Princess Dongling's anger, Yue Feng calmed down and opened his mouth to explain.

However, Princess Dongling didn't give him a chance to explain at all, she snorted softly: “Come on, drag this person to me and wait for the release!”

Chapter 3562

Hula!

The voice fell, and the surrounding maids immediately moved their figures and directly subdued Yue Feng.

At this moment, Yue Feng wanted to resist, but these maids were too strong, and before they could react, they were tapped.

A few minutes later, Yue Feng was thrown into a five-dragon formation. There was no prison in Yuyao Xianyuan, but there was a five-dragon formation for detaining servants.

call!

At this time, Yue Feng looked around, and the whole person was depressed.

Nima, I thought that in the small courtyard, only the maids were playing, but I didn't know that it was the princess who was bathing.

No, I have to leave here quickly, Yue Feng muttered in his heart, and sat there cross-legged, and began to break through the acupoints!

Time passed by minute by minute.

Before you know it, a few hours passed.

call!

Finally, Yue Feng swept away the last acupuncture point, and he let out a sigh of relief, feeling much better at once.

Next, Yue Feng looked around at the five dragon formation in front of him, ready to crack it. At this time, Yue Feng's accomplishments in the formation technique had reached the peak of the peak, and a five-dragon formation could not trap him at all.

Um?

However, at this time, Yue Feng's eyes were attracted by something in the formation. I saw that there were small piles of white powder scattered on the ground within the Five Dragon Formation.

Why do these white powders look familiar?

Yue Feng murmured in his heart, walked over and grabbed a handful, and made a careful distinction, and suddenly felt extremely excited.

This... this seems to be easy to disperse.

At that time, Yue Feng was trapped in the Beiyong Palace, and he met Zhu Bajie by chance, and was then played by Zhu Bajie. At that time, Zhu Bajie used Yi Rongsan to pretend to be Hou Yi.

Later, Zhu Bajie gave Yue Feng the only disguise he had on his body, but after Yue Feng used it a few times, it was gone.

Yue Feng originally thought that a rare treasure like Yi Rongsan would be difficult to see again in the future, but he never thought that there were so many in the five dragon formations in Yuyao Xianyuan, and they were scattered randomly like this. on the ground.

It seems that in the realm of the gods, things like Yi Rongsan are regarded as ordinary things.

Thinking to himself, Yue Feng didn't have time to think about it, and quickly put away these Yirongs.

By the way, I can use Yi Rongsan, pretend to be the God of the Nine Heavens, and then order someone to take me out of Yuyao Xianyuan!

You are so smart!

To be honest, Yue Feng also knew that it was too risky to pretend to be the God of Nine Heavens, but after coming to Divine Realm, the men he met were the God of Nine Heavens except Fu Zhen. Therefore, we can only pretend to be the Nine Heavens God.

After making up his mind, Yue Feng did not hesitate at all, took out some Yi Rong San, added water, and slowly wiped it on his face.

Along with the cool feeling, I saw that the skin on Yue Feng's face changed little by little.

A few minutes later, Yue Feng's face has become the appearance of Jiutian God.

haha...and you're done!

At this time, Yue Feng was overjoyed, and then broke through the Five Dragon Formation and walked out!

Swish!

As soon as they got outside, several maids saw Yue Feng at once!

“See Your Majesty?”

“Your Majesty’s good luck...” In the

sound of respect, several maids knelt down and saluted. At this time, these maids did not see that the Nine Heavens God in front of them was fake.

Haha...

Seeing this scene, Yue Feng was indescribably excited. He silently performed ventriloquism. In the tone of the Nine Heavens God, he said lightly, “Get up!”

When he said this, Yue Feng performed ventriloquism. Time, these maids are even more convinced. One by one stood up cautiously.

Chapter 3563

At this moment, a pair of patrolling soldiers came slowly.

“Your Majesty!”

When they got to the front, seeing Yue Feng, these divine soldiers hurriedly knelt down.

Like the maids around them, these divine soldiers also thought that the God of the Nine Heavens was in front of them.

Yue Feng waved his hand, motioned them to get up, and at the same time ordered: “You don’t need to patrol today, you all go down!” There are too many patrolling soldiers. In order to ensure that they can leave safely, it is better to remove them all.

This...

Hearing this, these divine soldiers were stunned. This is Yuyao Xianyuan, a forbidden area in the divine realm. His Majesty would not allow patrolling?

However, seeing Yue Feng’s serious face, none of these divine soldiers dared to go against them, so they quickly responded and retreated.

For a while, in front of Yue Feng, there were only a few maids left.

call!

At this moment, Yue Feng took a deep breath and smiled at several maids: "Okay, I want to go outside Yuyao Xianyuan now, you guys can accompany you together." After speaking, Yue Feng motioned for a few maids to lead the way.

"Yes, Your Majesty!"

Hearing this, several maids responded in unison, and immediately led Yue Feng to the outside of Yuyao Xianyuan.

In their hearts, it is normal for His Majesty to go out to relax.

Haha...

can finally get out of here!

At this moment, Yue Feng, indescribably excited, followed a few maids closely.

"Royal Father?"

However, before taking a few steps, he heard a pleasant and pleasant voice from not far away.

When the voice fell, I saw a slender figure, accompanied by a few maids, Shi Shiran walked over.

Wearing a long pink dress, she was indescribably elegant and charming. It was Princess Dongling who had imprisoned Yue Feng before.

What the hell!

How did you meet this princess again?

Suddenly seeing Princess Dongling, Yue Feng's heart froze for a moment, and he instantly became nervous.

The next second, Yue Feng calmed down. He is now the God of the Nine Heavens. What are you afraid of?

Muttering in his heart, the corners of Yue Feng's mouth twitched as he watched Princess Dongling approach with a smile!

Speaking of which, Yue Feng's face was indifferent at this time, but he was still a little confused. Although he used Yi Rong San himself, this is the realm of the gods after all.

Soon, Princess Dongling came to the front, and smiled lightly: "Father, I heard that you came to taste the precious fruit just now. I thought you were gone, but I didn't expect that you are still here!"

At the same time, Princess Dongling spoke. He couldn't help but glance at the Five Dragons Formation not far away!

The Five Dragons Formation is a place dedicated to punishing servants. Anyone who makes a mistake will be locked in the Five Dragons Formation. How could the father appear here?

call!

Aware of Princess Dongling's gaze, Yue Feng instantly became nervous.

What the hell, she won't really see through her disguise, right?

Thinking to himself, Yue Feng exerted his breath and said to Princess Dongling: "I have nothing to do today, I will stay here for a while, by the way, I heard just now that you locked a person from Lingguo Garden in the Five Dragon Formation?"

At this time, Yue Feng still didn't know his identity and whether he was seen through by Princess Dongling, but he knew that if he took the initiative to bring up this topic, he would be able to take the initiative.

Chapter 3564

"Yeah!"

Princess Dongling nodded, very embarrassed and angry: "So that person is from Lingguoyuan, he really has no rules at all." When it comes

to Yue Feng, Princess Dongling gets angry. However, when he peeked at his bath, Princess Dongling was too embarrassed to say it.

Hearing this, Yue Feng knew that his disguise had not been seen through. Otherwise, she would not have answered her own question, and she felt relieved immediately.

The next second, Yue Feng cleared his throat and said seriously to Princess Dongling: "As a princess, you can't be too arrogant, that fruit servant is called Yue Feng, he is very talented, and you can't treat it as an ordinary servant, you know? ?"

This... Hearing this, Princess Dongling was very unconvinced: "Father, even if Yue Feng is talented, he is just a fruit servant, why are

you helping him?"

Princess Ling was very puzzled.

What happened to your father today? Even taking the initiative to mention a fruit servant, you must know that the father and emperor usually don't care about these servants at all.

Yue Feng's face sank, and he said coldly: "Shut up for me, Guo Pu is not human? I tell you, this Yue Feng, I am going to reuse it. When I see him in the future, I must be respectful and courteous, you know? ?"

When he said this, Yue Feng's face was serious, but he secretly laughed in his heart.

Haha...

Take this opportunity to scold this Princess Dongling, who made her stand tall? At the same time, you can also indirectly improve your identity. It just kills two birds with one stone.

"Father!"

Seeing Yue Feng getting angry, Princess Dongling suddenly became nervous, lowered her head and said softly, "I was wrong."

At this time, Princess Dongling was very nervous. She thought that the person who peeked at her bath today was just a wretched servant, but she never thought that that person would be so appreciated by her father.

Yue Feng stood there with a serious face and did not respond. Princess Dongling

was completely panicked at this moment, and quickly said: "Father, I was really wrong. I shouldn't have put him in the Five Dragons Formation. I'll let him be released."

Prepare to send someone to the Five Dragons Formation.

What the hell!

At this moment, Yue Feng was startled, and hurriedly said, "No need!"

He had already sneaked out. If Princess Dongling sent someone to look at it, wouldn't it be revealed?

“Why?” Princess Dongling looked puzzled.

The emperor in front of me asked me to treat that Yue Feng with respect, and he didn't let me let him out...

At this moment, Yue Feng's mind quickly turned and responded: “Just now, I had someone let him out. Well, by now, Yue Feng should have returned to Lingguo Garden.”

Anyway, he's pretending to be the God of Nine Heavens, so he's not afraid of talking nonsense.

Hearing this, Princess Dongling suddenly nodded.

The next second, Princess Dongling hugged Yue Feng's arm with a coquettish look on her face: “Father, your daughter is indeed a little arrogant today, so please forgive her!”

While speaking, Princess Dongling took Yue Feng and sat down on a chair not far away.

Feeling Princess Dongling's charming and cute appearance, Yue Feng was not good at accusing him, and nodded, “Well, just don't do this again next time!” That's

great!

Seeing that Yue Feng was no longer angry, Princess Dongling smiled happily, then knelt down in front of Yue Feng and gently beat his legs for Yue Feng, ingratiatingly said: “My daughter hasn't served the royal father for a long time, let me beat your legs for you!

” Hmm!” Yue Feng nodded, but his heart was secretly addicted.

Haha... Princess Dongling, who is aloof, actually took the initiative to beat her legs. Such a good thing, I can't even think about it. After all, this is the daughter of the Nine Heavens God.

While enjoying it, Yue Feng admired Princess Dongling.

I have to say, this Princess Dongling's figure is really perfect. Especially this coquettish look, any man will be unable to extricate himself when he sees it.

Chapter 3565

After enjoying it for a while, Yue Feng closed it when he saw it, and said to Princess Dongling: “Okay, I'm going to deal with some things, you just stay here!” With

that, Yue Feng motioned to the person in front of him. Several maids, ready to leave.

“Royal Father, I’ll send you off!” Princess Dongling quickly stood up and was about to send it off.

Yue Feng shook his head: “No, it’s getting late, you should rest early!” The voice was not loud, but it was unquestionable.

Just kidding, I am a fake Nine Heavens God, how can I let Princess Dongling send her off?

Seeing Yue Feng’s serious face, Princess Dongling stopped insisting, standing there, watching Yue Feng leave with respect.

Haha...

Soon, under the guidance of several maids, Yue Feng walked out of Yuyao Xianyuan, and in an instant, the whole person was indescribably relaxed and excited.

Nima, although the process was a little frightening, it finally came out successfully.

Um?

Excited, Yue Feng saw not far away, a team of patrolling soldiers was walking slowly. I saw that the leader was wearing golden armor and holding a purple-gold long spear. He was tall and majestic.

It is the divine general responsible for guarding Yuyao Xianyuan, Gong Ao!

Seeing Gong Ao, Yue Feng was taken aback, how did he meet this guy?

When he first came to Yuyao Xianyuan, Yue Feng had seen Gong Ao once, and knew that Gong Ao had great power and commanded the entire Yuyao Xianyuan’s divine soldiers, and was even named the Holy General of Huntian by the Nine Heavens God.

At this time, Yue Feng was very speechless.

I thought that I would be able to breathe a sigh of relief if I lied to Princess Dongling, but I never expected that just after walking out of Yuyao Xianyuan, I met Gong Ao again.

In the panic, Yue Feng didn’t have time to think, and quickly hid behind the tree next to him.

Whoa!

It was at this moment that Gong Ao brought a team of magical soldiers and slowly walked to the gate of Yuyao Xianyuan. At this time, it was only a dozen meters away

from Yue Feng, but Yue Feng was very hidden, so Gong Ao Yi People, haven't found it yet.

At this time, Gong Ao stood there, seemingly calm, but a little unhappy.

"Your Excellency the Holy General!"

At this time, a divine soldier stepped forward to please: "Why do you look so unhappy?"

Gong Ao took a deep breath and said slowly, "It's nothing, Lingguoyuan sent Jane before. Fruit, the Empress was dissatisfied, she just took a sip, and she threw away the rest, thinking about it now, it's a pity."

When he said this, Gong Ao's tone showed a bit of dissatisfaction.

In Gong Ao's heart, he has been guarding Yuyao Xianyuan, loyal for hundreds of years, without credit or hard work. Today, I thought that Lady Hua Zhao was dissatisfied with this precious fruit and could give it to herself, but Lady Hua Zhao was not All of them were lost, which made Gong Ao very uncomfortable.

Hearing Gong Ao's words, the god soldier understood, nodded and said regretfully, "Yes, no matter how bad those precious fruits are, they are still first-class treasures for us. It's really a pity that the empress is so lost.

", the magic soldier came up and said mysteriously to Gong Ao: "Otherwise, wait for the little one to go to Lingguo Garden, and say that the empress wants to taste the precious fruit again, and then I will bring the precious fruit and give it to the saint. Let the adults taste it."

"On the Lingguo Garden side, I would never dare to ask more questions, but on the Empress' side, as long as we hide it, there will be no problem."

This...

Hearing this, Gong Ao's face changed, It is a heinous crime to taste precious fruits under the guise of Empress Hua Zhao.

But on second thought, what this subordinate said is not bad, as long as you are careful, there will be no problem.

As soon as he thought that he could taste the precious fruit, Gong Ao's eyes suddenly flashed a scorching light. Speaking of which, Gong Ao has reached a bottleneck in his practice over the years. Only by taking the precious fruit can he break through. Others are simply not eligible to taste.

To be honest, Gong Ao didn't plan to do this, but in order to break through the bottleneck, he had to take risks. More importantly, before, Empress Hua Zhao would rather throw away the precious fruit than reward him, which made Gong Ao very uncomfortable. Comfortable.

What the hell!

The ultimate husband in Chinese chapter 3566-3570

Chapter 3566

At this moment, Yue Feng, who was hiding behind the tree, was also stunned.

This Gong Ao and these divine soldiers are really daring. Those precious fruits are specially provided to the Nine Heavens God and Empress Hua Zhao, how dare they make up their minds.

However, Yue Feng didn't care, and only hoped that Gong Ao and these divine soldiers would leave quickly.

"This thing..."

At this time, Gong Ao reacted, took a deep breath and said, "Be careful..." As

he was talking, a gust of wind came, Yue Feng couldn't hold back, and suddenly sneezed .

"Ah..."

Leng Buding heard the sneeze, whether it was Gong Ao or those magic soldiers, they were all startled, and then, their eyes locked on the tree where Yue Feng was hiding.

In the next second, Gong Ao frowned and shouted angrily: "Who is hiding there? Come out!" After the

voice fell, Gong Ao waved his hand, and dozens of magical soldiers suddenly surrounded him.

Nima!

Seeing this, Yue Feng knew that he couldn't hide it, so he just had to bite the bullet and walk out.

Whoa!

Seeing Yue Feng, Gong Ao and the others all froze there, trembling with fear.

His Majesty?

This chapter is provided by . Visit [for daily update.](#)

At the same time, Gong Ao couldn't tell the doubts in his heart.

No, the majesty came down to taste the precious fruit before, chatted with the empress for a while, and then left, why, now hiding behind a tree outside Yuyao Xianyuan?

Feeling the shock of Gong Ao and others, Yue Feng looked indifferent and did not say anything.

For a time, the atmosphere seemed a little depressing and subtle.

“Your Majesty!”

Finally, Gong Ao reacted, secretly swallowed his saliva, and said cautiously, “Why are you here?”

Yue Feng smiled, then his face sank, and he used ventriloquism to imitate Jiutian God’s tone: “You have no guts. Xiao ah, plan together with your subordinates to secretly taste the precious fruit? You know

the guilt!” When he said this, Yue Feng looked angry, but his heart was up and down.

It is against common sense to pretend to be the Nine Heavens God and hide behind a tree. In order to avoid Gong Ao’s suspicion, he can only take the lead.

Pfft!

At this moment, Gong Ao’s body trembled, and he quickly knelt on the ground, his face full of fear: “Your Majesty atonement, my subordinates and I are just talking nonsense, how can we dare to secretly taste the precious? I beg Your Majesty for mercy.” The

voice fell, and the man behind him Dozens of divine soldiers also quickly knelt down, sweating profusely.

It’s over, His Majesty knew about the plan to secretly taste the precious fruit, and it’s completely over.

Haha...

Seeing Gong Ao and the others sweating coldly, Yue Feng didn’t look on his face, but he snickered in his heart.

He just said casually, and scared Gong Ao and the others into this. But I have to say that with Yi Rongsan and ventriloquism, the nine-day god that I fake is so similar.

Feeling proud, Yue Feng raised his hand at Gong Ao and said with a smile: “Okay, don’t be nervous. Speaking of which, today’s matter is indeed due to Niangniang’s ill-consideration. She doesn’t care about those precious fruits. Satisfaction can be rewarded to you, after all, you are so loyal.”

“Get up, I’ll pretend I didn’t hear what you said just now, but let’s not be an example, you know?”

After saying the last sentence, Yue Feng’s tone was gentle, and his expression was very relaxed and casual.

Chapter 3567

Seriously, Yue Feng just planned to scare Gong Ao, and didn’t even think about punishing him. After all, Yue Feng is just a fake nine-day god, how can he really punish Gong Ao.

Yue Feng thought about it, first scare Gong Ao, then send him away, and then take the opportunity to leave.

This...

Gong Ao stood there blankly, staring blankly at Yue Feng, unable to calm down for a long time.

what’s going on? Your Majesty is not to blame?

You are not dreaming.

You must know that your plan just now was a serious crime. Even if the matter of Zhen Guo, His Majesty did not care, but he was dissatisfied with the Empress, he did not even take it to heart. You must know that His Majesty was very kind to Empress.

According to common sense, if you show your dissatisfaction with the goddess, His Majesty must be furious, and at this time, His Majesty is not only not angry, but also speaks for himself...

For a while, Gong Ao’s mind becomes more and more blurred.

At the same time, Gong Ao also felt that His Majesty in front of him seemed to be different from before, a little unfamiliar.

Under the doubts, Gong Ao suddenly had a bold assumption in his mind.

Could it be that...

His Majesty in front of me is fake?

As soon as this thought flashed, Gong Ao himself was startled, but thinking about it carefully, it was very possible, you know, just an hour ago, Gong Ao personally escorted the Nine Heavens God from Yuyao Xianyuan.

It stands to reason that the Nine Heavens God is no longer in Yuyao Xianyuan at this time, but at this time, His Majesty appeared at the door, and was hiding behind a tree... All this, it is hard not to make people think too much. .

What the hell!

Seeing Gong Ao staring at him without blinking, his eyes flickering faintly, Yue Feng's heart skipped a beat, and he suddenly had a bad idea.

It's easy for me to be that I won't be seen through by this Gong Ao, right?

Probably not, that Yi Rong San is unparalleled in the world, even Princess Dongling didn't see it before, how could Gong Ao see through it?

But no matter what, you have to leave as soon as possible.

Muttering in his heart, Yue Feng cleared his throat and said lightly to Gong Ao: "Okay, there's nothing else to do, you can continue patrolling!"

However, Gong Ao stood there and didn't mean to move at all.

Yue Feng frowned: "Gong Ao, do you have anything else to do?"

"Your Majesty."

Gong Ao's eyes flickered, with a humble look: "I have nothing else to do, I just want to know where Your Majesty is going, Your subordinates are good escorts!"

As he said, Gong Ao looked at Yue Feng's expression.

At this time, Gong Ao became more and more suspicious that there was something wrong with His Majesty in front of him.

Escort me?

Hearing this, Yue Feng was stunned for a moment, then shook his head and said, "I want to walk around Yuyao Xianyuan, I don't need your escort!"

After saying this, Yue Feng turned around and left.

At this time, Yue Feng also realized that Gong Ao was doubting himself and wanted to escape quickly.

"Your Majesty, wait!"

However, before he took two steps, he saw Gong Ao shouting, and then moved his figure to block in front of Yue Feng.

Oops!

Seeing this situation, Yue Feng's heart trembled, and at the same time, he looked shocked and angry: "Gong Ao, you are not too brave, you dare to stand in my way?"

Hu...

At this moment, the surrounding magic soldiers, was also dumbfounded, looking at Gong Ao in a hurry.

What happened to Your Excellency? Going to stop His Majesty's way, are you crazy?

Chapter 3568

"Your Majesty!"

In the face of Yue Feng's anger, Gong Ao did not panic at all, and said slowly: "Your Majesty calm down, your subordinates dare not stop His Majesty, but just thought of something, three days later it will be Dongling It's the princess's birthday. Your Majesty is walking around Yuyao Xianyuan. Are you thinking of preparing a gift for the princess? If it's because of the gift, your subordinates would like to share your worries for your Majesty!"

Gong Ao said this with a sincere expression on his face, but His eyes were somewhat cunning.

Three days later, it will not be Princess Dongling's birthday at all. If His Majesty in front of him is real, he will definitely point out his mistakes. If he does not point out, but uses the topic, it means it is false!

What? Princess Dongling's birthday in three days?

Hearing this, Yue Feng was stunned! The next second, Yue

Feng smiled and nodded: "Gong Ao, it's rare for you to have such a heart, but I have already prepared Princess Dongling's gift, so I don't need to share your worries."

He waved his hand: "Okay, you step back."

At this time, Yue Feng didn't know that he had fallen into Gong Ao's trap.

Mad, it really is a fake!

Hearing the answer, Gong Ao completely concluded that what was in front of him was the fake Nine Heavens God. He no longer hesitated, and shouted angrily: "Bold thief, dare to pretend to be Your Majesty, and die!"

Om!

The voice fell, and a terrifying aura erupted from Gong Ao's body, and then a palm hit Yue Feng.

Seeing Gong Ao's palm hitting, Yue Feng was startled, and he didn't have time to dodge, so he quickly raised his hands to resist.

boom!

The next second, when the two of them touched each other, they heard a dull vibration, and then, the strong energy, like a storm, dissipated towards the surroundings.

Under the raging rage, the Yi Rong scattered on Yue Feng's face fell off one after another, revealing his true colors.

Dengdeng...

At the same time, Yue Feng was shocked back dozens of steps, a mouthful of blood spurted out, and his face was instantly pale.

"Good boy!"

At this moment, seeing Yue Feng's true face, Gong Ao was furious and said with a sneer, "A fruit servant from a Lingguo Garden in a mere mere area dares to pretend to be His Majesty, I think you are really tired of living! "

Shh!

At the same time, the surrounding divine soldiers also reacted one by one, glaring at Yue Feng.

I thought this His Majesty was real, but I never imagined that it was a fake fruit servant.

At this time, these divine soldiers were extremely angry. Mad, was frightened by a fruit servant just now. It would be difficult for anyone to calm down about this matter.

"Haha!"

Facing the anger of Gong Ao and others, Yue Feng chuckled lightly and said lightly: "Gong Ao, even if I pretend to be Your Majesty, you are not much better than me. , Your Majesty really knows, what the consequences will be, do you know better than me?"

Anyway, if you have seen through, there is no need to pretend, it is better to discuss the conditions with this Gong Ao.

“You’re courting death!”

Hearing this, Gong Ao’s face instantly turned hideous. Speaking of which, it’s better that Yue Feng didn’t say these things. When he mentioned Zhenguo, Gong Ao couldn’t calm down. You know, he is a saint. General, the status is detached, how to let a small fruit servant hold his handle?

At this moment, Gong Ao’s heart was directly moved with killing intent, and the Zijin Flame Spear was clenched tightly.

The purple-gold flame spear is Gong Ao’s sidearm. It belongs to the mid-grade magic weapon. In the realm of the gods, weapons are divided into four grades: low, medium, high, and top-grade.

“Om!”

I saw Gong Ao slowly raising his hand, and a terrifying power fluctuation erupted from the purple-gold flame gun. Then, a terrifying gun shadow condensed and slammed Yue Feng directly!

This spear shadow, carrying the terrifying power of tearing apart the world, was formed entirely by Gong Ao’s power, and it was so terrifying.

shit.

Yue Feng was shocked, and he clearly felt that the moment he was enveloped by the shadow of the gun, all his strength was suppressed.

At this time, Yue Feng was very frightened. He knew that Gong Ao, as a holy general in the sky, was very powerful, but he never thought that he would be so powerful.

Chapter 3569

Nima!

In panic, seeing that the shadow of the spear was about to approach, Yue Feng didn’t have time to think about it, so he hurriedly activated the power of his primordial spirit, and at the same time summoned Fang Tianhuaji, standing in front of him to resist!

Bang!

The shadow of the gun was like a thunderbolt, slamming on Fang Tianhuaji, and then Yue Feng let out a groan. The whole person was shocked and flew out, and flew more than 100 meters before falling heavily. on the ground.

When he resisted Gong Ao's palm power just now, Yue Feng had already consumed a lot of internal energy. At this time, he could not resist Gong Ao's skills.

You must know that the other party is the holy general of the sky, and Yue Feng has only just possessed the primordial spirit. The strength of the two is not on the same level at all.

"Boy!" At this time, Gong Ao stared at Yue Feng with a proud tone: "No matter what your purpose of impersonating Your Majesty is, if you meet me, you will be considered unlucky!" As

he spoke, Gong Ao clenched his hands Holding the purple-gold flame gun, he slowly walked towards Yue Feng.

A terrifying aura filled the world and completely enveloped Yue Feng!

call!

Seeing this scene, the surrounding magic soldiers couldn't help but shouted.

"His Royal Highness, kill him!"

"If you dare to impersonate Your Majesty, you will be punished for your sins."

Especially the magic soldier who had made plans with Gong Ao before was the favorite.

After all, he proposed to let Gong Ao secretly taste the precious fruit. This is a capital crime. This matter must not be leaked, so this fruit servant named Yue Feng must die!

Done!

Seeing Gong Ao getting closer, Yue Feng secretly swallowed his saliva, wanting to cry without tears!

With such a huge disparity in strength, there is no way to fight, do you really want to die here?

No, I haven't returned to the Kyushu Continent yet, so I can't give up my life like this.

The next second, a tenacious belief in survival flooded Yue Feng's mind, and then, Yue Feng raised his hand and waved, and saw a white flame jump out, forming a lotus shape in the air.

At the same time, the surrounding temperature rose suddenly.

It is Bai Lian Leng Huo.

call!

Immediately afterwards, Bai Lian roared up in cold flames, directly thinking of Gong Ao floating away.

Um?

Seeing Bai Lian Leng Huo, both Gong Ao and the surrounding magic soldiers were all taken aback.

Especially Gong Ao, who looked at Yue Feng with deep surprise.

As a holy general, Gong Ao naturally knew Bailian Lenghuo.

“Good boy, I didn’t see it before, but he has Bailian cold fire!” Gong Ao said in surprise, before waiting for Bailian cold fire to approach, he quickly backed away.

Speaking of which, Gong Ao, as a holy general in the God Realm, possessed a divine body, and Bailian Lenghuo could not burn him at all, but Bailian Lenghuo was the number one strange fire in the world, which could not kill Gong Ao, but could burn him.

Taking advantage of Gong Ao’s retreat and dodging, Yue Feng didn’t have time to think about it, he turned around and ran away.

At this moment, Yue Feng mobilized all the power and brought the speed to the extreme. In the blink of an eye, he was hundreds of meters away.

“Run?”

Gong Ao shouted angrily, his eyes fixed on Yue Feng, and he greeted dozens of divine soldiers, chasing after him.

Yue Feng is here.

Flying fast all the way, Yue Feng didn’t dare to stop at all, because he saw that a few hundred meters behind him, Gong Ao was chasing after dozens of magic soldiers with dozens of soldiers.

Nima!

It can’t go on like this.

Seeing that he couldn't get rid of Gong Ao and others, Yue Feng was very anxious.

Unknowingly, when he came to a mountain range, Yue Feng saw that there was a small courtyard on the top of the mist-shrouded mountain. The courtyard was quiet and elegant, like a paradise.

Chapter 3570

At this time, Yue Feng had been flying for nearly an hour and was too tired. At that time, Yue Feng didn't think much, landed quickly, and rushed into the yard.

Keep flying, Gong Ao will catch up sooner or later, so it is better to take the risk and hide in this yard.

"Who?"

As soon as Yue Feng's feet landed, he heard a thick voice, followed by an old man walking out of the room with an indifferent expression and a breath that should not be underestimated.

Holy crap, is there anyone living here?

Suddenly seeing the old man, Yue Feng was startled, and then, seeing the old man's face, he was completely stunned.

Seeing this old man, the whole body is full of immortal energy, it is Guiguzi.

"Master!"

Yue Feng was stunned for a few seconds before he reacted. Surprised and delighted, he rushed over and knelt in front of Guiguzi: "Master, my disciple Yue Feng greets you."

At this moment, Yue Feng couldn't tell Excited.

A few years ago, Guiguzi Shattered the Void left the Kyushu Continent and met Yue Feng for the last time. At that time, Yue Feng was sad and reluctant. In Yue Feng's heart, he didn't know how long it would take to reach the realm of Guiguzi and break the void. See you again with Guiguzi.

At this time, suddenly in this divine realm, he met Guiguzi, could Yue Feng not be excited?

"Yue Feng?"

At this moment, Guiguzi was also extremely surprised, looking at Yue Feng up and down: "Why are you here? You are still sweating profusely, what happened?"

“Master, now is not the time to greet each other.” Yue Feng gave a wry smile and said a long story short: “I am being pursued by the Holy General Huntian, I beg Master to help me!”

What?

Hearing this, Guiguzi was taken aback and his expression became solemn.

You must know that the Holy General Huntian, but the person beside the Nine Heavens God, has extraordinary strength, and Yue Feng actually provokes him, which is a lot of trouble.

However, Guiguzi quickly calmed down and said to Yue Feng: “Don’t be afraid, you go to the house and wait for me first, remember, don’t make a sound without my prompt, let alone come out!”

Hmm!

Yue Feng nodded, responded, and quickly ran into the house.

Speaking of which, Yue Feng was a little worried at first, but after thinking about it, Guiguzi is the most amazing person in thousands of years. Even if Gong Ao catches up here, Guiguzi has a way to deal with it.

Whoa!

As soon as Yue Feng entered the house, he saw Gong Ao roaring with dozens of divine soldiers.

After landing, Gong Ao approached and said politely to Guiguzi: “Mr. Guigu, did you see a young man passing by here?”

Gong Ao looked around while asking.

“No!” Guiguzi looked indifferent and answered very simply.

call!

Hearing the answer, Gong Ao took a deep breath and frowned secretly.

No, that kid is missing in this area. Except for Mr. Guigu’s yard, he has no other place to hide.

Thinking to himself, Gong Ao said to Guiguzi: “Mr. Guigu, is it convenient for us to enter the room and search!?”

Gudong!

Seeing this scene, Yue Feng, who was hiding in the room, couldn't help swallowing his saliva, and his heart suddenly hung up.

Mad, this Gong Ao is too thief, he actually found this place, he is in the room, but he can't come in and search.

Anxious in his heart, Yue Feng watched Guiguzi's reaction through the crack of the door.

"No!" Guiguzi still had no expression on his face, and refused very decisively: "Gong Ao, although you are the holy general of the heavens, you should be clear that this Guixian Mountain was given to me by the Nine Heavens God, and this is mine. The place, even if the Nine Heavens God comes, it has to be approved by me."

"Today I'm meditating, and I can't let anyone disturb you. If you want to find someone, go to another place!"

At this moment, Gong Ao His face was embarrassed, and he was speechless.

Because Guiguzi is right, this Guixian Mountain was indeed given to Guiguzi by the Nine Heavens God. You must know that Guiguzi has an extremely lofty position in the continent of Kyushu, and was even named the number one person through the ages. After Shattered Void came to God's Domain, It is also a guest of honor treated by the Nine Heavens God.

The ultimate husband in Chinese chapter 3571-3580

Chapter 3571

I'm going!

Seeing this scene, Yue Feng, who was hiding in the room, was instantly stunned, completely shocked.

Master is worthy of being the number one person through the ages, he is so daring. Even the Nine Heavens God is not in his eyes. In this world, those who dare to say such big things, I am afraid that they will not be able to find a second one.

“That's the case!”

At this time, Gong Ao reacted, with an indescribable expression of embarrassment and helplessness: “Mr. Guigu, please rest, please don't disturb me rashly, and don't blame me!” After

speaking, he greeted the surrounding magic soldiers and quickly Leave.

The moment he flew into the air, Gong Ao glanced at Guiguzi's courtyard unwillingly.

To be honest, Gong Ao was very unwilling to leave like this, but there was nothing he could do. The Guiguzi in front of him, even when His Majesty saw him, had to give three points of courtesy. presumptuous?

“Search with all your strength in the vicinity!”

Flying out of the range of Ghost Immortal Mountain, Gong Ao clenched his fists and shouted coldly.

Mad, that Yue Feng dared to threaten me with the matter of Zhenguo, even if he searched the entire Divine Realm, he would still be caught.

“Yes.”

Dozens of divine soldiers responded in unison and began to search around Guixian Mountain.

However, after searching around Guixian Mountain, he didn't even see the shadow of Yue Feng. For a time, Gong Ao was extremely annoyed.

“Holy General!”

This chapter is provided by . Visit for daily update.

At this moment, a divine soldier came up and guessed: "I think that Yue Feng must be hiding in Mr. Guigu's small courtyard, otherwise, with his strength, it is impossible to run away. There is no shadow." The

voice fell, and the other magic soldiers nodded.

"Yes, he must not run far!" "Maybe he will hide in Mr. Guigu's room!"

"Your Excellency, let's just break in!"

When it came, Gong Ao's face was extremely ugly.

In the next second, Gong Ao looked around and said angrily: "You said it lightly, Mr. Guigu, His Majesty must be courteous by three points when he sees him. Isn't I asking for trouble when I forcefully break into his yard?"

"Then, Gong Ao was annoyed, and waved his hand: "Go, go back first!" The

surrounding magic soldiers did not dare to talk nonsense any more, and followed Gong Ao to leave quickly.

the other side.

Seeing Gong Ao taking people away and hiding in the house, Yue Feng suddenly breathed a sigh of relief.

At this time, Guiguzi walked in indifferently and looked at Yue Feng with a frown: "Yue Feng, what the hell is going on?" While asking, Guiguzi looked up and down at Yue Feng.

He clearly sensed that Yue Feng, who was in front of him, possessed a primordial spirit in his body, but he was a little unstable.

At this time, Guiguzi was very puzzled. You must know that although Yue Feng has good talent and aptitude, in just a few years, it is impossible to reach the realm of Shattered Void.

Uh...

Facing Guiguzi's question, Yue Feng scratched his head, and immediately told all his own experiences over the years.

At the end, Yue Feng said with a bitter face: "Master, when the portal was opened, I was planning to leave God's Domain and return to Kyushu, but who knew that Fu Zhen

suddenly appeared and kept chasing me. At that time, I had no choice, so I hid in the spirit. Orchard...”

“Afterwards, I was arranged to deliver precious fruit to Empress Hua Zhao, and I couldn’t leave Yuyao Xianyuan, so I had to use Yi Rong San to pretend to be the God of Nine Heavens. How could I know that I met this Gong Ao again...”

Phew!

Chapter 3572

Hearing this, Guiguzi was stunned.

This Yue Feng is really daring. Not only did he steal the precious fruit, but he also impersonated the Nine Heavens God. If any of these charges were picked up, it would be enough for him to die a hundred times.

Seeing that Guiguzi was silent, Yue Feng didn’t dare to talk nonsense, and his heart was up and down.

“Haha..”

Seeing Yue Feng’s expression, Guiguzi couldn’t help laughing: “Look at how nervous you are, it’s not that you stole the precious fruit, it’s no big deal, there are countless precious fruits in Lingguo Garden, nine days. Even God can’t finish it, so it doesn’t matter if you steal two of them.”

“As for the fake Nine Heavens God, Gong Ao and some divine soldiers saw it. They didn’t have any conclusive evidence, and they didn’t dare to do anything to you.”

Saying this At that time, Guiguzi looked relaxed. It seems that these things, in his heart, are not worth a groan at all.

Speaking of which, Guiguzi also knew how serious what Yue Feng did, but he was arrogant, and more importantly, he was very protective of his shortcomings. At this time, when he saw that Yue Feng was nervous, he used this method to comfort him.

Hearing this, Yue Feng immediately felt relieved.

Haha...

With Master’s words, what are you afraid of?

“Yue Feng!”

At this moment, Guiguzi's expression became serious, and he urged Yue Feng: "Anyway, it is a huge hidden danger that you rush into the realm of the gods. From now on, you will stay with me, When I deploy the teleportation formation, I will send you away."

When he said this, Guiguzi looked serious.

Although Guiguzi is not afraid of the Nine Heavens God, but Yue Feng steals precious fruits and impersonates the Nine Heavens God, which is a heinous crime, so for Yue Feng's safety, it is better to let him stay here.

Um!

Yue Feng nodded, and then asked: "Master, how long do I have to wait here?"

"Two or three days!" Guiguzi pondered, and said, "In these two or three days, you will stay here, Qian Qian. You must not run around, let alone leave Ghost Immortal Mountain, you know?"

Yue Feng nodded again, and then said curiously: "Master, as far as I know, the portal in God's Domain has a special supervisor, you can deploy it without authorization. Will it be a teleportation formation? Will it not violate the laws of the God's Domain?"

Hehe...

Hearing this, Guiguzi suddenly laughed: "The laws of the God's Domain can't control me, you must know that I am a hidden person in the God's Domain now. the one."

Hermit?

Hearing this, Yue Feng was stunned.

In the next few minutes, through Guiguzi's explanation, Yue Feng gradually understood that it turned out that the powerhouses who came to the Divine Realm from the broken void of the human world will be received by the Nine Heavens God, and then given two choices, one of which is to be loyal to the Nine Heavens God and be awarded an official position. , Just like Gong Ao and Fu Zhen, the second option is to retreat to seclusion, and Guiguzi belongs to the second option.

Speaking of which, Jiutian God had tried his best to invite Guiguzi to serve him, but Guiguzi was very firm. In the end, Jiutian God had to agree and sent Guixian Mountain to Guiguzi as a place of seclusion.

It can be said that in the realm of the gods, there is no one other than Guiguzi who can have this kind of treatment.

It is precisely because of the respect and courtesy of the Nine Heavens God that the previous Gong Ao did not dare to be presumptuous to Guiguzi.

Knowing these circumstances, Yue Feng suddenly nodded, and at the same time admired Guiguzi even more.

Of course, even if Guiguzi has a detached position in the God Realm, he cannot deploy the teleportation array without authorization, but Guiguzi has thought about it and quietly sends Yue Feng back to Kyushu to destroy the teleportation array. As long as the Nine Heavens God does not know, there will be nothing wrong.

.....

the other side! Haotian Palace!

Haotian Palace, the place where the Nine Heavens God handles affairs, is majestic and magnificent.

At this time, the God of Nine Heavens was sitting on the throne with a leisurely expression, while below, Fu Zhen knelt there in a little panic.

Chapter 3573

On both sides of the hall, there are two rows of priests standing neatly.

“Fu Zhen!”

Jiutian God said slowly, “You are in such a hurry to have an audience, what the hell is going on?”

Shua!

The words fell, and the priests on both sides also focused on Fu Zhen.

Fu Zhen took a deep breath, adjusted his emotions, and said, “Reporting to Your Majesty, it’s about the Kyushu Continent...” In the next few minutes, Fu Zhen relayed everything Yue Feng told him.

At the end, Fu Zhen said cautiously: “The ghost world at this time is completely in a state of no owner. I hope Your Majesty will give instructions as soon as possible.”

What?

Hearing this, whether it was the Nine Heavens God or the surrounding priests, their expressions changed.

Over the years, the God of Nine Heavens has seldom cared about the affairs of the human world. He never thought that so many things happened in the continent of Kyushu and the ghost world.

Soon, the God of Nine Heavens calmed down and looked around: “You Qing family, what do you think?” The

voice fell, and a priest stepped out and shouted righteously: “Your Majesty, that Hades is very ambitious. If you want to rule the human world, your power is swallowed up, and it is completely your own fault.”

“Also, those humans in the Kyushu Continent are also very hateful. They swallowed the power of the Hades, and even delusionally wanted to be the new Hades. Speaking of which, the Kyushu Continent and the Underworld, it’s time to rectify it again.” The

voice fell, and the other priests nodded in agreement.

“Yes, it really should be rectified.”

“Yes, there is no time to delay...”

The words of the priests, you sent me a sentence, and the face of the God of the Nine Heavens was extremely ugly.

Finally, the God of Nine Heavens took a deep breath and said slowly: “Pass my imperial order, and you can send an envoy to the continent of Kyushu.”

“Yes, Your Majesty!”

Fu Zhen and the surrounding priests agreed in unison.

.....

the other side.

Under Guiguzi’s arrangement, Yue Feng rested in the room for a long time.

After sleeping for a long time, Yue Feng was refreshed, and then he started to meditate and cultivate to consolidate the primordial spirit in his body. Because Guiguzi was teaching him, Yue Feng made rapid progress.

Before you know it, the day goes by.

The next morning, Guiguzi asked Yue Feng to take a walk outside, and then deployed a teleportation array in the room alone.

call!

At this moment, Yue Feng stood in the yard, looking at the fairy cloud in the distance, his heart was peaceful, but at the same time, he was also a little anxious. One day in God's Domain, and one month in Kyushu Continent.

I hope Master can get the teleportation array ready soon.

Whoa!

Just when Yue Feng was sighing inwardly, he saw three figures flying fast from the horizon not far away, two men and one woman, one of them was an old man, wearing a gray-white robe, white beard and white hair, and immortal air.

The other man looked in his thirties, with a heroic expression and extraordinary aura.

The woman looked in her mid-twenties, wearing a blue short skirt, she looked youthful, and her big eyes were very lovable.

The three of them had a strong aura all over their bodies, and they were obviously not ordinary people.

What the hell!

Chapter 3574

Seeing these three people, Yue Feng was shocked, these three will not be Gong Ao's companions, let's catch him.

Thinking to himself, Yue Feng wanted to return to the room and avoid these three people, but it was too late.

Almost in the blink of an eye, the first child and the second child landed in the small courtyard, and the eyes of the three of them converged on Yue Feng.

Especially the woman, who looked at Yue Feng up and down, looked very curious.

The next second, the girl turned her head towards the old man and said, "Isn't Mr. Guigu living alone? Why does he have a young boy here?" The

old man didn't speak, just smiled.

Seeing this, Yue Feng breathed a sigh of relief and realized that the three people in front of him were not Gong Ao's companions, otherwise, this girl would not be curious about her identity.

At this time, Yue Feng didn't know that the old man in front of him was Immortal Venerable Beiming, and the young men and women around him were all his disciples, the man's name was Hongsheng, and the woman's name was Li Ran.

Like Guiguzi, Beiming Xianzun is also a hermit. Because he lives in seclusion and is located in the Beiming Sea, he is called Beiming Xianzun. At that time, Guiguzi had just broken the void and came to the realm of the gods. Because he had long admired the name of Guiguzi, he went to the place specially. Come to visit, one to two to go, the two sides have become close friends.

But today, Immortal Venerable Beiming had nothing to do, so he brought two disciples to visit Guixian Mountain.

At this time, Li Ran looked up and down at Yue Feng: "Hey, what's your name? Why are you here?"

"I..."

Facing Li Ran's question, Yue Feng opened his mouth, because he didn't know the identity of the other party, I didn't know how to respond.

"Ha ha.."

Just when Yue Feng was embarrassed, he heard a loud laugh coming from behind him, and then, Guiguzi walked out of the room with a smile on his face.

"It turned out to be Immortal Venerable Beiming, you have lost your way!" When he got to the front, Guiguzi smiled at Immortal Beiming: "Please come inside."

"Mr. Guigu, don't be so polite." Immortal Beiming smiled, and then Greeting Hongsheng and Li Ran, they walked into the room, and Yue Feng followed.

"Go, make a pot of tea!" Guiguzi instructed Yue Feng as soon as he arrived in the room.

Yue Feng did not dare to disobey, and hurried to make a pot of tea.

When making tea, Yue Feng quietly pulled Guiguzi and asked curiously: "Master, where is this distinguished guest?"

Guiguzi smiled and whispered: "This is Immortal Venerable Beiming, and his two Apprentice, Immortal Beiming is indifferent to fame and fortune, so like me, he is also a hermit. This Immortal Beiming also has great ability, so you can't neglect it, you know?"

"As for the two around him, it is him. The man's name is Hongsheng, the woman's name is Li Ran, Hongsheng is aloof and arrogant, and Li Ran is more playful..."

Hearing this, Yue Feng nodded silently.

Soon, the tea was ready, and Yue Feng hurriedly brought it over.

At this time, Immortal Beiming asked Guiguzi with a smile: “Mr. Guigu, haven’t you been living in seclusion all the time? Why is there a young offspring suddenly?”

Guiguzi smiled and said casually: “This is me A novice book boy, although living alone is comfortable, it’s still good to have someone around to take care of it.”

When he said this, Guiguzi looked very calm.

Yue Feng is his apprentice’s business, and he must not say it. After all, Yue Feng came from the human world. He used to steal precious fruits and pretend to be the God of Nine Heavens. Therefore, for Yue Feng’s safety, Guiguzi can only be said to be his own book boy.

Book boy?

Hearing this, Saint Venerable Beiming nodded and didn’t ask any more questions.

Hongsheng and Li Ran, who were standing behind them, showed a trace of disdain. I thought this young man was Guiguzi’s apprentice, but he turned out to be a book boy.

Yue Feng didn’t pay attention to the eyes of Hongsheng and Li Ran. This kind of person is judged by appearance, Yue Feng does not know how many he has seen, and he is not in the mood to care about it.

“Master, it’s so boring.”

After sitting for a while, Li Ran pouted and said, “I want to go out for a walk. It’s too boring here. I don’t understand what you and Mr. Guigu are talking about.”

Bei Ming The Holy Venerable frowned and scolded: “Li Ran, in front of Mr. Guigu, you are not allowed to mess around.” Although he said that, there was a bit of pampering in his eyes.

Chapter 3575

Seeing this scene, Guiguzi laughed and said, “It’s alright, young man! Just let her go.”
Seeing Guiguzi open his

mouth, Immortal Venerable Beiming sighed lightly and said to Li Ran, “That’s good. Come on, go outside and keep in mind, you can only be nearby, you can’t leave Guixian Mountain.” After

speaking, Immortal Beiming ordered Hongsheng: "Go too, look at Li Ran, don't let it go. She's playing like crazy outside." As a master, Immortal Venerable Beiming knew Li Ran too well, this female apprentice, quirky and quirky, was a headache.

Um!

Hongsheng nodded and took Li Ran out the door.

When he walked to the door, Li Ran suddenly took Yue Feng's hand and said with a smile, "Come along too, you are Mr. Guigu's book boy, and you are obliged to familiarize us with the environment." What the hell

!

Suddenly being held by Li Ran, Yue Feng was stunned, his mind buzzing.

This Li Ran is not only playful, but also a familiar one. The first time he met you, he directly held hands.

Moreover, he is not Guiguzi's book boy at all, but his direct disciple, how could he accompany Li Ran out to play?

Muttering in his heart, Yue Feng looked at Guiguzi for help, Guiguzi looked as usual and nodded at Yue Feng.

Seeing Guiguzi acquiesced, Yue Feng had to follow Li Ran out.

"Hello."

As soon as he walked out of the small yard, Li Ran said to Yue Feng with a condescending attitude, "Since you are a book boy of Guiguzi, you are very familiar with this place? I heard that the environment of Guixian Mountain is complex and there are many interesting things to do. The place, take us to see it."

Yue Feng was stunned for a moment, and said lightly: "I've only been here for two days, and I'm not familiar with this place, otherwise, you can go around by yourself."

Swish!

Hearing this, Li Ran was displeased: "Huh? You are a little book boy, you are not too small."

Hongsheng next to him also said: "That is, do you know who we are? Our master and you ghosts. Mr. Gu's best friend has neglected us, and Mr. Guigu will definitely not spare you lightly."

When he said this, Hongsheng looked contemptuous.

In his heart, Yue Feng was just a little book boy, and he should be respectful to himself and his junior sister, but at this time, he had a nonchalant attitude, which was really unruly.

Ugh!

Yue Feng sighed softly and was too lazy to say more, so he had to lead the way ahead.

However, although Yue Feng had been here for a day, he had been in the yard all the time. He was not familiar with the environment of Guixian Mountain at all, so he could only lead Hongsheng around.

After walking for a while, Li Ran felt very bored. Looking at Yue Feng in front of him, he suddenly became more playful and whispered to Hongsheng with a smile: "Senior brother, this little book boy doesn't seem to be willing to play with us, why don't we give it to him? Let me teach you a lesson." The

voice was so low that only Li Ran and Hongsheng could hear it.

Hongsheng pondered for a while, and said in a low voice, "How do you teach me?"

Li Ran's eyes flashed with a hint of slyness: "Under the supervision of Master recently, I have been able to completely control the real fire of the five elements, so I will use the real fire of the five elements to control him. My clothes are on fire." As the

voice fell, Li Ran slowly raised his right hand, and saw a multicolored flame jumping out.

It is the real fire of the five elements.

"No!" Hongsheng was stunned, and shook his head decisively.

You must know that the Five Elements True Fire is the most proud stunt of the Holy Venerable Beiming. It has the characteristics of extremely cold and is very dangerous.

Hongsheng knew that Li Ran just wanted to tease Yue Feng, but using the Five Elements True Fire was a bit too rash. After all, the other party was just a little book boy.

Realizing this, Hongsheng was about to stop it, but it was still a step too late, when Li Ran raised his hand and waved, the five elements were really hot, thinking about Yue Feng and floating over.

call!

This group of five elements of real fire seems to be slow, but in the blink of an eye, it is behind Yue Feng.

The ultimate husband in Chinese chapter 3576-3580

Chapter 3576

Yue Feng reacted very quickly, and when he noticed the movement behind him, he turned around immediately. When he saw it, he was shocked.

I saw a group of colorless flames coming quickly. At that time, Yue Feng didn't have time to think about it, and hurriedly dodged to the side. However, the flame, as if alive, turned a corner and continued to come towards Yue Feng.

What the hell!

what fire is this?

This time, Yue Feng frowned, extremely surprised.

"Haha.."

Seeing this scene, Li Ran was very proud, clapped his hands and smiled: "You little book boy, let you not play with us well, watch me burn your clothes." As

he said, he continued Activate the Five Elements True Fire and approach Yue Feng.

Nima!

Hearing this, Yue Feng was furious, I just didn't take you to play, you're going to burn my clothes? This Li Ran is too unreasonable.

While muttering in his heart, seeing the multicolored flames floating again, Yue Feng didn't have time to think about it, he immediately activated the power of his primordial spirit, and then raised his right hand.

call!

The next second, I saw a white flame jumping out, quickly forming a lotus shape in the air, it was the white lotus cold fire.

To be honest, Yue Feng didn't want to show Bai Lian's coldness, but this Li Ran was so bullying that Yue Feng couldn't bear it.

White flame?

This chapter is provided by . Visit for daily update.

Seeing Bai Lian Leng Huo, whether it was Li Ran or Hong Sheng, their hearts were shocked and they were stunned.

And then, the scene in front of them made them even more stunned.

chi chi...

As soon as the two flames touched, there was a squeaking sound, and then, Li Ran's real fire of the five elements was quickly swallowed by the cold fire of Bailian.

"It was swallowed?" Hongsheng opened his mouth wide, his face full of disbelief: "This... seems to be the first strange fire, Bailian cold fire."

Li Ran was also trembling, looking at Yue Feng, very Shock.

This kid is just a little book boy, how can he have the cold fire of Bailian?

"Hey!"

After more than ten seconds, Li Ran reacted and looked at Yue Feng in a complicated way: "It seems that I underestimate you, but you have Bailian cold fire, come here, fight with me, let me See and see your strength." The

voice fell, Li Ran was astonished, flew up, and hit Yue Feng with a palm.

Seeing this scene, Hongsheng wanted to stop it, but he held back.

Like Li Ran, Hongsheng also felt that there was something wrong with the little book boy in front of him. You must know that Bailian Lenghuo is the number one fire in the world, and even the master, Beiming Holy Venerable, was not sure to integrate, but this little book boy actually had it. Really suspicious.

Nima, this Li Ran is mentally ill.

Seeing Li Ran's palm call, Yue Feng was depressed and annoyed, and couldn't help saying, "Don't go too far."

However, Li Ran didn't listen at all, and instead accelerated.

Seeing this, Yue Feng had no choice but to mobilize the power of his primordial spirit to fight Li Ran fiercely.

At the beginning, Yue Feng thought that Li Ran was just a playful person, and he was simply sparring. What made him depressed was that Li Ran's moves were ruthless, and every move wanted Yue Feng's life. The wind had to resist with all his might.

However, Yue Feng has just possessed the Primordial Spirit. Although Guiguzi has taught him a lot this day, he has gained a lot of understanding of the Primordial Spirit, but he is still no match compared to Li Ran. After all, Li Ran is the most proud of the North Ming Sage. female disciple.

boom!

Finally, just when Yue Feng was about to be unable to stop him, Li Ran slapped him on the back with a slap in the back. He heard Yue Feng groan, and the whole person flew out, flying more than 100 meters, hitting him. On the mountain wall, he fell down.

Chapter 3577

“Pfft...”

At the moment of landing, Yue Feng spurted out a mouthful of blood, his face was pale, and his breath was extremely weak.

mad.

At this moment, the anger in Yue Feng's heart swelled up, his eyes were blood red, and he stared at Li Ran closely, this woman was simply a lunatic.

Snapped!

Before Yue Feng could stand up, Li Ran's delicate body flashed, and he rushed forward, stepping on Yue Feng's face.

In the next second, Li Ran asked condescendingly with a charming face: “Hey, little book boy, tell me honestly, did you steal the skills of Mr. Guigu, so you have the cold fire of Bailian?”

When he said this, Li Ran looked at Yue Feng with contempt.

The book boy in front of him is not very strong. He actually possesses the cold fire of Bailian. He must have secretly learned Mr. Guigu's exercises.

Hongsheng next to him also looked at Yue Feng indifferently. Like Li Ran, Hongsheng also felt that this book boy was strange everywhere.

Nima!

Being stepped on by Li Ran, Yue Feng became furious, gritted his teeth, and said, "Bai Lian Leng Huo, which I merged with myself, and my master..."

At this moment, Yue Feng wanted to say that it had nothing to do with my master, But thinking of his identity as a book boy at this time, he stopped in time and changed his name: "It has nothing to do with Mr. Guigu.

"

Hearing this, Li Ran obviously didn't believe it, and his eyes flashed with tricks and displeasure: "Don't lie to me, with your strength, can you integrate Bailian Lenghuo by yourself? If you don't explain it again, I will show you a good look.

" Li Ran took out a golden soft whip from his body, and said jokingly: "Know this thing, it's called a whip, as long as you get a few whips, your soul will collapse."

When he said this, Li Ran looked proud.

Hongsheng next to him frowned, but did not stop him.

Phew...

Seeing the whip, Yue Feng couldn't help taking a deep breath, and said coldly, "Don't go too far, I'm Mr. Guigu's book boy, if you destroy my soul, Guigu Mr. will definitely not spare you lightly."

Hearing this, Li Ran couldn't help but chuckle: "Don't scare me, my master is Immortal Venerable Beiming, and you are just a new book boy. , do you think Mr. Guigu will fall out with my master over a book boy?"

After speaking, Li Ran raised the whip, no doubt: "Quickly explain, where did your white lotus cold fire come from?"

Yue Feng bit Grinning his teeth, he sneered.

"Looking for death!"

Seeing Yue Feng's attitude, Li Ran stopped talking nonsense, and with a flick of his jade hand, he whipped the whip with a scream, and threw it towards Yue Feng.

Swish....

As soon as the whip passed, the air was torn apart, like a golden lightning bolt, which was amazing.

Seeing that the whip was thrown over, Yue Feng didn't have time to think about it, because he was beaten by Li Ran and was very weak, but he didn't know where the strength came from at the time. Rush forward.

Yue Feng knew that he was not Li Ran's opponent at all, but he could not allow her to be humiliated. He thought about it, after breaking free from Li Ran, he immediately ran back to the yard. At that time, in front of Guiguzi, Li Ran would never dare to be so presumptuous.

However, Yue Feng was unfamiliar with the environment of Guixian Mountain. At this time, he was in a panic, and the direction of running was not the small courtyard where Guiguzi lived, but the outside of Guixian Mountain.

"run?"

Seeing that Yue Feng was still able to break free from his control under such circumstances, Li Ran's pretty face changed, he stamped his feet, and then chased after him while holding the whip.

Hongsheng was also stunned, and then followed closely.

In the blink of an eye, the three figures of Yue Feng and Li Ran rushed out of the range of Ghost Immortal Mountain.

Oops!

Seeing the environment in front of him, it was extremely unfamiliar, and Yue Feng almost wanted to cry without tears.

Chapter 3578

This doesn't seem to be the way back to the yard.

Don't care, let's get rid of the madman Li Ran first.

After making up his mind, Yue Feng continued to run forward. A few minutes later, he came to a black valley. He saw that this valley was scorched and messy, and there was no grass. In the center of the valley, there was an incomparably huge deep pit. , very shocking.

What is this place?

Seeing this scene, Yue Feng was stunned for a moment, and then he saw a cave on the mountain wall not far away. On the big rock beside the cave, there were vaguely engraved a few big characters: The place where the evil spirits are wiped out, those who come will stop.

The place where the evil spirits are wiped out?

Yue Feng frowned secretly, realizing that he had come to a forbidden area, and instinctively wanted to turn around, but he saw that Li Ran and Hongsheng were already chasing after him. At that time, Yue Feng gritted his teeth and rushed towards the cave.

Swish...

At this moment, Li Ran and Hongsheng came quickly, hovering above the black valley.

“This...”

Seeing the place in front of him, Hongsheng frowned secretly and couldn't help but say, “This place seems to be a place of punishment...”

Hearing this, Li Ran lost his madness just now. There was a bit of solemnity on the delicate face, and awe and complexity flashed in her eyes. As a disciple of Immortal Venerable Beiming, Li Ran had heard that thousands of years ago, there was a large-scale eviction of evil in the God Domain. Action, and the place where the incident happened at that time was called the place of punishment.

“Junior sister!”

Finally, Hongsheng reacted and whispered to Li Ran, “Why don't we go back.”

Li Ran shook his head: “Senior brother, what are you afraid of? This place of divine punishment is nothing but ruins. That little book boy was taught a lesson by me. Instead of going to Mr. Guigu, he escaped from Guixian Mountain. Obviously, he has a ghost in his heart. With

that said, Li Ran looked around and saw Yue Feng who had fled to the entrance of the mountain wall. He immediately chased after him without thinking much.

Hongsheng took a deep breath and quickly followed.

In the blink of an eye, Li Ran arrived at the entrance of the cave, and at this time, Yue Feng had just entered the cave.

“Hee hee!”

At this moment, Li Ran was in a good mood when he saw Yue Feng who was in a state of embarrassment. He grinned and

said , “Little book boy, are you still running?”

This crazy woman.

Yue Feng cursed inwardly and sneered: "If you let me go out, I'll go out? Why should I listen to you?"

Shuh!

Hearing this, Li Ran's pretty face sank, a little book boy dared to talk to him like this, he was just courting death.

In the next second, Li Ran's eyes turned to have an idea, and he chuckled: "Okay, you won't come out, right? Let's see how I treat you." With that, Li Ranyu raised his hand, and the five elements of true fire were released again.

Phew...

In the next second, a sea of flames formed at the entrance of the cave, and then the flames quickly spread to the depths of the cave. Speaking of which, after Yue Feng had cast the cold white lotus fire before, Li Ran knew that the Five Elements True Fire couldn't hurt him at all.

However, Yue Feng had just been injured by Li Ran, and he was very weak at this time.

Nima!

Seeing the fire spread in, Yue Feng was full of anger and poured out directly.

Li Ran's guess was good. At this time, Yue Feng was extremely weak and could not use the white lotus cold fire to come out. Although the Five Elements True Fire couldn't hurt him, the scorching flame also made Yue Feng unbearable.

"Hee hee..."

Li Ran stood at the entrance of the cave, clapping his hands and laughing with indescribable excitement as he watched the fire burn recklessly

. Not coming out of the cave is no different from shrinking tortoises.

Chapter 3579

Ah....

Listening to Li Ran's laughter outside the cave, Yue Feng was extremely annoyed. At the same time, as the flames became hotter and hotter, Yue Feng gritted his teeth and touched the depths of the cave.

After walking a dozen steps, Yue Feng saw that not far ahead, there was an energy vortex, filled with powerful energy fluctuations.

Enchantment?

Yue Feng clearly sensed that the energy vortex in front of him was an enchantment.

And this enchantment is obviously much stronger than the enchantment that Juanhong deployed in Lingguo Garden. Not only that, it seems to contain a strange suction.

Isn't this the place where the evil spirits are wiped out? How can there be an enchantment?

At this moment, Yue Feng only felt that his brain was buzzing and he was very puzzled.

Huhu...

At this moment, Li Ran outside the cave could not hear any response, and released the Five Elements True Fire again, seeing that the fire was getting bigger and bigger, and the whole cave was about to burn.

Mad!

Seeing this situation, Yue Feng was indescribably annoyed. It was really unfortunate to meet a lunatic like Li Ran, and he couldn't go out today anyway.

However, the fire in this cave is so big, it is not a problem to continue to hide.

In just two seconds, Yue Feng's brain turned rapidly, and then he gritted his teeth and rushed directly into the enchantment.

Yue Feng thought about it, no matter what was behind the barrier, it was better than being caught by Li Ran.

Om...

At the moment of rushing into the barrier, Yue Feng only felt that the whole person was enveloped by a terrifying force, the surroundings were dark, and then a strong sense of dizziness came, and then he didn't know anything when it was dark.

At this time, outside the cave.

"Junior sister!"

Seeing the fire in the cave getting bigger and bigger, Hongsheng finally couldn't stand it anymore and couldn't help saying: "It's almost done, don't be too foolish."

In Hongsheng's heart, although Yue Feng is just a little book boy, he The younger sister set fire to the cave, which was a bit too much.

“Why am I fooling around?”

Li Ran said with a savage face, disapprovingly: “This guy must have ulterior motives for being a book boy for Mr. Guigu. Mr. Guigu was deceived by him. I did this to clean up Mr. Guigu. The portal.”

Seeing her rebuttal, Hongsheng was dumbfounded.

Li Ran was too lazy to talk nonsense with Hongsheng, and continued to shout at the cave: “Hey, you damned little book boy, can’t you get out?”

However, apart from the raging fire in the cave, there was no response at all.

At this time, Li Ran didn’t know that Yue Feng had entered the barrier in the cave.

Swish....

Just when Li Ran was about to shout, he saw two figures, flying quickly from not far away, Immortal Feng Daogu, it was Guiguizi and Beiming Immortal Venerable.

Seeing Master and Guiguizi coming, Hongsheng’s expression changed, and he was suddenly nervous.

Li Ran, on the other hand, looked indifferent.

“Li Ran!”

Soon, Immortal Venerable Beiming and Guiguizi landed. Immediately afterwards, Immortal Beiming frowned and asked, “Why did you come here? Where is Mr. Guigu’s little book boy?”

Chapter 3580

While talking, Immortal Beiming looked at the still burning cave and frowned secretly.

Speaking of which, Xianzun Beiming and Guiguizi originally sat in the yard while drinking tea and talking, and didn’t care about the three young people at all, but later, seeing the three of them have been gone for so long and never came back, Immortal Beiming Zun and Guiguizi came out to look for them, but they searched Guixian Mountain and didn’t see the three of them.

Later, on the border of Guixian Mountain, they saw thick smoke rising from the land of punishment from a distance. Immortal Venerable Beiming and Guiguizi didn’t have time to think about it, so they hurried over to check.

“Master!”

At this time, hearing Xianzun's question, Li Ran shook his head and said with a smile: "That little book boy is a liar, I'm teaching him a lesson."

After speaking, Li Ran took what happened just now, He said it quickly, and at the end, Li Ran pointed to the cave: "This little book boy, it's too abhorrent to learn Mr. Guigu's stunts.

" Wind energy can be used at will, and it must be learned from Guigu. After all, Guigu is a generation of strange people, and it is normal to be able to control the cold fire of Bailian.

What?

Guigu was originally indifferent, but when he heard Li Ran's words, he was shocked.

At the same time, Immortal Venerable Beiming's expression changed greatly, and he was furious: "Li Ran, you have caused a big disaster this time." His tone was full of blame.

This Li Ran is so ridiculous that he even set fire to Mr. Guigu's book boy. You must know that although Mr. Guigu has not been in the realm for a long time, his status is detached, and even the Nine Heavens God treats him with courtesy.

"I..."

Li Ran was very aggrieved in the face of Beiming Xianzun's reprimand, and muttered: "This little book boy is very strange, what's wrong with me helping Mr. Guigu to interrogate him? Besides, he has Bailian cold fire. , these flames can't burn him at all."

"Shut up for me!" Venerable Bei

Ming was so angry that he glared at Li Ran: "You have made a big disaster, and you still don't know how to repent? After you go back, face the wall for three months."

Immortal Venerable Ming looked at Guigu very embarrassedly: "Mr. Guigu, I'm really sorry, my apprentice is too rambunctious, please bear with me, I'll go in and bring out the little book boy."

Guigu smiled, but his face was very ugly.

In the Kyushu mainland for thousands of years, Guigu has been regarded as the first person through the ages. Although he has received many disciples, the one that he appreciates the most is Yue Feng. This time, Yue Feng entered the realm of the gods by mistake and caused a big disaster. In order to protect him, Guigu , said that it was his own book boy, but I never thought that this female disciple of Immortal Beiming would actually bully others, block Yue Feng in the cave, and set him on fire...

Guiguzi is very protective of his shortcomings, at this time he is very I wanted to get angry, but I held my identity and held back.

Seeing that Guiguzi's face changed, Immortal Venerable Beiming stopped talking nonsense, raised his hand, and directly extinguished the Five Elements True Fire in the raging mountain, and then the figure flashed and rushed in directly.

Guiguzi followed closely behind!

This...

In the depths of the cave, when they saw the scene in front of them, Immortal Venerable Beiming and Guiguzi were stunned.

I saw that there was an enchantment in front of me, how could there be Yue Feng's figure?

"Look at the situation!" After a few seconds, Immortal Venerable Beiming reacted and said with great embarrassment: "This little book boy has entered the barrier... If I remember correctly, behind this barrier is the monster clan. The Sealed Land!"

When he said this, Immortal Venerable Beiming was anxious and guilty at the same time.

If Yue Feng is still in the cave, there is still room for recovery. If he enters the enchantment, the consequences will be disastrous.

The sealed land of the demon clan?

Hearing this, Guiguzi realized that it was not good, and quickly asked: "What is the place where the demons are sealed, please also explain it to Xianzun, I don't understand.

" .

Ugh!

Immortal Venerable Beiming took a deep breath and explained slowly: "Mr. Guigu, after Pangu opened up the world, humans and gods coexisted in the same world, you know, later, after the concept of stratum emerged, the gods felt that humans were not worthy of living with themselves. A world, in this case, the whole world is divided into three realms, namely the realm of gods, the realm of human beings, and the realm of ghosts."

The ultimate husband in Chinese chapter 3581-3590

Chapter 3581

“At that time, there were not only gods in the realm of the gods, but also countless immortal birds and rare beasts. These immortal birds and rare beasts included the phoenix clan, the dragon clan, and Qiongqi, Yingzhao, unicorn, gluttonousWait!”

“But gradually, after the power of these immortal birds and rare beasts gradually increased, the gods felt threatened, so they collectively referred to them as the demon clan, and then launched a war of gods to defeat the demon clan in one fell swoop. “

That very big war lasted for a long time. During this period, many immortal birds and rare beasts, knowing that they were not the opponents of the gods, escaped from the realm of the gods and went to the human world. Among them was the dragon clan. As well as Qiongqi, Qilin, etc., and those who leave the realm of the gods are called divine beasts in your human world.”

“And those who did not leave continued to fight against the gods, but they did not escape their pale fate in the end.”

“God After the war, all the resisting monsters were sealed in a sinister place, and this place will be the place where the monsters are sealed.”

When he said this, Immortal Venerable Beiming kept paying attention to Guiguzi's reaction.

call!

Knowing this, Guiguzi took a deep breath and asked, “According to what you said, outside the cave is the ruins of the battle of gods, and this barrier is the entrance to the sealed land?”

“Not bad!” Immortal Venerable Beiming clicked nod.

Guiguzi didn't have time to think, and immediately made a decision: “In that case, let's go in and bring Yue Feng back.” After speaking, he was about to enter the barrier.

“Mister Guigu!”

At this moment, Immortal Venerable Beiming's expression changed, and he quickly stopped Guiguzi: “In this sealed land, countless demon clans have been imprisoned, and after being imprisoned for so many years, the demon clan must be full of resentment. If we enter rashly, I'm afraid we won't be able to bring that little book boy out, and we'll be in danger.”

“Sir, you must know that the demon clan was able to fight with the gods, and the power was not weak. The two of us are not opponents at all!”

Hearing this, Guiguzi was stunned.

He could see that Immortal Venerable Beiming was not joking. Back then, when the demon clan could fight against the gods, their strength must be very strong.

But Yue Feng was his most admired disciple, so he couldn't just watch him enter a dangerous situation and ignore it.

Thinking to himself, Guiguzi immediately took out his hexagram plate and began to divination for Yue Feng. Guiguzi is the number one person in the ages, he knows everything, he is perfect in everything, and he is a genius in divination.

Seeing Guiguzi take out the hexagram plate, Immortal Venerable Beiming didn't speak and watched closely.

Soon, Guiguzi made a divination, and his expression eased a lot.

“Mr. Guigu, how is it?” Immortal Venerable Beiming quickly asked. At this time, he completely lost the aura of a generation of Immortal Venerable, but was cautiously in front of Guiguzi.

After all, Yue Feng strayed into the land sealed by the demon clan, all because of Li Ran's mischief.

Guiguzi breathed a sigh of relief and said slowly: “The hexagram says that Yue Feng's entry into the sealed land of the demon clan this time is full of dangers, and he will experience many disasters, but in the end it will turn into good fortune.”

After speaking, Guiguzi looked at it. The enchantment in front of him said with emotion: “Perhaps, this is an experience for Yue Feng.”

At this time, Guiguzi had no worries at all, because the hexagram said clearly that Yue Feng had mistakenly entered the demon this time. There is no danger in the land sealed by the clan, but an opportunity.

In this case, Guiguzi is not only no longer worried, but is somewhat happy for Yue Feng. You must know that opportunities are not for everyone.

That's it!

Hearing this, Immortal Venerable Beiming finally breathed a sigh of relief, and at the same time looked at Guiguzi curiously: "Dare to ask Mr. Guigu, who is this Yue Feng?"
To

be honest, Guiguzi is a generation of strange people, but at this time he A little book boy attaches so much importance to it, people have to doubt it.

Guiguzi smiled slightly: "The secret must not be leaked!" After

speaking, Guiguzi said slowly: "It's alright, let's go back and discuss the Tao."

Then one word fell, and Guiguzi walked out of the cave.

Xianzun Beiming looked suspicious, looked at the barrier, and then walked out.

.....

the other side!

In the endless chaos, Yue Feng was confused and only felt that he had a bizarre dream.

Chapter 3582 I

don't know how long it took, Yue Feng slowly woke up!

Nima, where is this?

The moment he opened his eyes, Yue Feng looked around. Immediately stunned.

I can see that there is an endless forest in front of me, the sky is gray, and the spiritual energy between heaven and earth is very weak. Compared with the innate spiritual energy that is filled in the realm of the gods, it is almost one heaven and one underground, and even the spiritual energy of heaven and earth here is not as good as that of Kyushu. mainland.

In the forest, Yue Feng saw some rare and exotic beasts, but these rare and exotic beasts did not have the slightest immortal energy, but were filled with a violent aura.

"Hey..."

Just when Yue Feng was looking at him, those rare and exotic beasts in the forest also found him, and they screamed suddenly, and then rushed over.

What the hell!

Seeing these rare and exotic beasts rushing over, Yue Feng was taken aback, and quickly stood up, and at the same time summoned Fang Tianhuaji.

At the same time, Yue Feng shouted: "Hey, I just passed by here, I didn't provoke you, don't mess around." When he said this, Yue Feng activated the beast ring on his body.

Only by activating the beast ring, these rare and exotic beasts can understand Yue Feng's meaning.

Yue Feng thought that he used the beast ring to calm down these rare beasts.

However, what made Yue Feng depressed was that those rare and exotic beasts were going crazy one by one. They didn't mean to stop at all, but instead launched a fierce attack.

Nima!

At this moment, Yue Feng wanted to cry without tears, so he had no choice but to hold Fang Tianhua halberd tightly and fight with these rare and exotic beasts.

Speaking of which, Yue Feng was very weak after being beaten by Li Ran before, and these rare and exotic beasts are not only strong, but also very vigorous. In contrast, Yue Feng is not an opponent at all, but relying on Fang The sharpness of the Tianhua Halberd also blocked the siege of these rare and exotic beasts.

Whoa!

Half an hour later, these rare beasts realized that they could not defeat Yue Feng, and left one after another.

Seeing this, Yue Feng sat on the ground with a sigh of relief.

Nima, I can finally breathe a sigh of relief.

Afterwards, Yue Feng looked around again, extremely puzzled.

What the hell is this place? Why so dead? Except for rare birds and exotic beasts, can you see no one?

Whoosh! Whoosh! Whoosh!

Just as Yue Feng frowned secretly, he heard a few piercing sounds.

Yue Feng instantly became vigilant and looked up at the sky at the same time.

hiss!

As a result, Yue Feng was shocked, he couldn't help taking a breath, and the whole person was stunned for a moment.

I go, what is this?

Yue Feng had a big mouth and rubbed his eyes with his hands, surprised.

He saw that more than a dozen figures were flying towards him, and each of these figures was weirder than the other.

Human tiger head? Is this code a monster?

And the others, some with horse-faced faces, and some with leopard heads.

There is also a woman with a beautiful face, indescribably charming and charming, just like a fairy, but she has a long snake tail on her lower body...

For a while, Yue Feng froze there, completely stunned.

Chapter 3583

At this time, Yue Feng still doesn't know that these are the demon clan sealed here.

Whoa!

Just when Yue Feng was secretly surprised, these strange-looking guys had already arrived in front of him. The one with a tiger head at the head looked at Yue Feng up and down, full of hostility: "Who are you? Why are you here?" The

tone was sharp . , showing a rebellious attitude!

Uh....

Yue Feng scratched his head, feeling inexplicably uneasy in his heart, and said, "I passed through a barrier, and then I arrived here."

After speaking, Yue Feng showed a smile, and said very politely: "How many times do you dare to ask? How can I get out of here?"

At this time, Yue Feng was very careful, he clearly sensed that these were not good things in front of him, and that each of them was terrifying, in this case, it was natural to be more polite.

Yue Feng still doesn't know that these are all the monsters trapped here.

Enchantment?

Hearing this, several demons looked at each other, and then the demon with the head of a tiger asked Yue Feng, "Are you from God's Domain?"

Yue Feng nodded.

In an instant, several demons looked at Yue Feng's eyes, showing a bit of hostility.

what's going on?

Seeing the other party's expression, Yue Feng panicked inexplicably.

At this time, Yue Feng didn't know that this was the place where the demons were sealed, so he didn't understand what it meant that he came from the God's Domain.

Gudong.

Two seconds later, Yue Feng reacted, secretly swallowed his saliva, and said to the tiger demon: "This big brother, I just came here by accident, it's all accidental, that... If you don't know How to send me back, I'll go by myself..." The

voice fell, Yue Feng turned and was about to leave.

Yue Feng could see that the people in front of him, who were neither human nor demon, looked like they were facing a formidable enemy as soon as they heard the Divine Realm.

"When you reach the land of our demon clan, do you still want to leave?"

At the moment when Yue Feng turned around, the tiger demon frowned and let out a loud cry. Then, the figure came directly towards Yue Feng like a cannonball.

Snapped!

Yue Feng's body was weak and his strength had not recovered, so he couldn't react at all. When he saw the tiger demon attacking and grabbing Yue Feng's arm.

"Hey..."

Yue Feng wanted to cry without tears, and quickly said: "Big brother, I really didn't intend to intrude into your territory. We have something to say, there is no need to do it!"

At this time, Yue The wind is very depressed.

Nima, today is really bad luck. First, I was chased by that crazy woman from Li Ran. Now it's not easy to catch my breath, but I meet these guys who are neither human nor demon.

Depressed, Yue Feng wanted to resist, but the tiger demon's arm was so powerful that Yue Feng only felt that his arm was clamped by iron clamps, and he couldn't break free at all.

"Shut up!" Yue Feng's explanation, the tiger demon couldn't listen to it at all, and scolded

: "Don't argue with us, since you are from God's Domain, you must be a spy sent by God's Domain."

, said coldly: "Don't talk nonsense with him, take him directly to the leader!" The leader?

Hearing this, Yue Feng was puzzled. These people are not human beings or demons, and there are alliance leaders?

boom!

Just when Yue Feng was secretly curious, he saw the tiger demon suddenly raise his hand and hit Yue Feng on the back of the head.

Nima, these guys are crazy.

Chapter 3584 I

have already explained it myself, but I have to do it!

After half an hour.

When Yue Feng woke up faintly, he found himself on a half hillside, not far ahead, was a large-scale stone hall. On both sides of the stone hall gate, there were many statues of giant beasts.

What the hell is this place?

Yue Feng rubbed his head, secretly surprised.

At this moment, a burly figure came, it was the tiger demon who had knocked Yue Feng unconscious before, and dragged Yue Feng up: "Awake? Follow me to see the leader of the alliance. Are you a spy from God's Domain? , the leader will know as soon as he asks."

Yue Feng did not respond, and his heart was very bitter.

This tiger demon, at first glance, is a straight-minded guy, and he believes that he is a spy from God's Domain.

However, God's Domain is the ruled place of the Nine Heavens God and is respected by all walks of life. Why is this tiger demon so hostile to God's Domain?

Thinking to himself, Yue Feng didn't dare to ask more when he saw the tiger demon with a stern face.

The tiger demon has amazing arm strength, picked up Yue Feng with one hand, and walked towards the stone hall along the stone steps in front of him.

At first, Yue Feng was still calm, but gradually he was very surprised.

I saw that on the two roads leading to the stone hall, there were many monsters with tiger heads, standing there neatly, all wearing uniform armor, five steps at a post, ten steps at a post, and the guard was heavily guarded.

What the hell!

Seeing this scene, Yue Feng was shocked.

With so many people and tiger heads, this is the tiger demon's lair?

Yue Feng clearly sensed that these tiger monsters standing on both sides of the road are very powerful, and they can easily crush Yue Feng!

Under the shock, Yue Feng did not dare to relax at all, and let the tiger demon carry himself into the stone hall.

hiss!

Entering the stone hall, and seeing the scene in front of him, Yue Feng was suddenly dumbfounded, and he couldn't help gasping for air!

I saw a huge stone throne in the center of the stone hall. This throne was carved from a special stone, with a black texture and white lines on it. With a domineering aura.

On the throne, at this time, a majestic man was sitting, dressed in a yellow and white robe, with a strong aura.

On the two sides below the throne, there were more than a dozen figures standing quietly, which Yue Feng had seen before, some with leopard heads, some with human heads and snake bodies...

Seeing these, Yue Feng was heartbroken. Those who went down were very panicked, and at the same time noticed that all those present were beasts, and there was not a single bird.

shit.

At this moment, looking at the man on the throne, Yue Feng only felt a coercion blowing towards his face, and he could hardly breathe.

At the same time, the man on the throne also looked up and down at Yue Feng with a puzzled look on his face.

“Hu Ben!”

Finally, the man asked the tiger demon beside Yue Feng, “Who is this?”

The man on the throne is the White Tiger King. Thousands of years ago, Pangu created the world, and the four congenital spirits were nurtured between the heaven and the earth. The beasts are Qinglong, White Tiger, Suzaku and Xuanwu. After that, the four major spiritual beasts derived their own races.

Today, the white tiger clan has lasted for 30,000 years. Because the white tiger is one of the four innate spirit beasts and has a long lifespan, the one sitting on the throne at this time is only the fifth-generation white tiger king.

And the tiger demon who caught Yue Feng was the number one general around the White Tiger King, Hu Ben.

Hearing the White Tiger King’s question at this time, Hu Ben hurriedly said: “Return to the leader, this guy, who came from the enchantment of God’s Domain, must be a spy, so I caught him!”

“

Hearing this, the White Tiger King’s expression changed, and his eyes flashed with intense hostility.

At this time, seeing Yue Feng standing there dumbfounded, Hu Ben scolded: “Have you seen our Beast League White Tiger King, why don’t you kneel?” He said, and kicked Yue Feng’s leg fiercely.

Chapter 3585

Yue Feng stood unsteadily and knelt down directly.

Beast League? White Tiger King?

The moment he knelt on the ground, Yue Feng was furious, and at the same time, he was also very puzzled.

The next second, Yue Feng smiled wryly at the White Tiger King: "This... this king, I just broke in unintentionally. It's not a spy of the God's Domain at all. This is a complete misunderstanding."

Misunderstanding?

Hearing this, Hu Ben was indescribably angry, and shouted: "The gods of the gods, and the gods of the nine heavens, all are despicable despicable people, they all deserve to die, you are from the gods, what are you not a spy?" The

voice fell. , the other beasts and monsters around have also opened their mouths and attacked Yue Fengkou.

"Back then, if it wasn't for the gods' war, we wouldn't have been trapped here."

"Don't talk nonsense with him, just kill him."

The accusations of the demons came from you and me, and Yue Feng only felt the head It's old, but I slowly understand the situation. I know that thousands of years ago, there was a battle of gods, and all these are the demon tribes who were sealed here.

In the battle of the gods that year, the demon race had countless casualties and hated the realm of the gods, so it is no wonder that knowing that Yue Feng came from the realm of the gods, would be so hostile.

"Okay!"

At this moment, the White Tiger King looked around and waved his hand: "Don't be arguing, since this person is from the God's Domain, there is no need to ask any more questions, just drag him out and cut it."

When he said this, the White Tiger King's face There was no mood swing at all. In the battle of gods that year, the Baihu family suffered heavy casualties and almost wiped out their clan, and they hated God's Domain to the core.

Knowing that Yue Feng was from the God Realm at this time, the White Tiger King did not show any condolences.

"Yes!"

Hu Ben responded, walked over and grabbed Yue Feng, and was about to drag him out for execution.

Nima?

Yue Feng was taken aback and wanted to cry without tears.

If you broke into this place by mistake, you will be beheaded. This is too wrong. You must know that the grievances between the God Realm and these monster races have nothing to do with you at all.

Depressed, Yue Feng didn't have time to think about it, so he activated the power of his primordial spirit and tried to break free from Hu Ben.

Feeling Yue Feng's struggle, Hu Ben said with a sneer, "You don't need to struggle anymore, when you get here, your life is ours."

Yue Feng didn't respond, and continued to activate the power of Yuanshen.

"Roar!" In the

next second, a dragon roar was heard, and then a shadow of a dragon disappeared in front of Yue Feng. It is the soul contract between Yue Feng and Xiao Xi. Speaking of which, the soul contract between Yue Feng and Xiao Xi will not be easily revealed, but Hu Ben is a strong man of the White Tiger clan, and he displays the power of spirit beasts.

And Xiaoxi belongs to the dragon clan, and is also the power of spirit beasts. It is considered to be of the same origin as the white tiger clan. Therefore, under the pressure of Hu Ben, the soul contract between Yue Feng and Xiao Xi was revealed.

Um?

Seeing this scene, whether it was the White Tiger King sitting on the throne, or Hu Ben and the other beasts and monsters around, they were all stunned.

For a while, there was silence in the stone hall.

"Boy!"

Finally, the White Tiger King came to his senses, stood up slowly, and asked Yue Feng, "What is the relationship between you and the Qinglong clan!"

Shuh!

At the same time, Hu Ben and other beasts were also staring at Yue Feng, waiting for his answer.

“I...” Yue Feng was stunned for a moment, and then realized that the other party might be talking about the Shenlong family, and responded, “I am the Dragon Zun of the Shenlong family!”

Long Zun?

Hearing this, the White Tiger King frowned secretly, his face was indifferent, but he was shocked.

The ultimate husband in Chinese chapter 3586-3590

Chapter 3586

You must know that Qinglong is the first of the four innate spirit beasts. To be the Dragon Lord of the Qinglong family, he must not be a generalist.

At the same time, Hu Ben and the surrounding beasts and monsters were also stunned.

At this time, Yue Feng couldn't help but said: “I want to ask, the Shenlong family has always lived on Shenlong Island, why are you called the Qinglong family?” The

White Tiger King was stunned, and then chuckled: “Thank you for being Dragon Lord. , Don't you know that the dragon in your mouth is actually the blue dragon, the head of the four congenital spirit beasts?” The

four congenital spirit beasts?

At this moment, Yue Feng was stunned, unable to recover for a while.

At this moment, Hu Ben sneered, unable to hide the contempt in his heart: “What is the head of the four great spirit beasts? Back then, when the Divine Realm launched a divine war, the Qinglong clan fled without a fight and hid in the human world. It is really shameful.”

“If the Qinglong clan didn't escape without authorization, our entire demon clan would not have suffered a disastrous defeat, nor would they have been trapped in such a place.” The

voice fell, and the other beasts and beasts around also nodded their heads in anger.

Phew...

Hearing this, Yue Feng couldn't help taking a deep breath and suddenly understood.

It turned out that the Shenlong clan on Shenlong Island turned out to be Qinglong, the head of the four innate spirit beasts. In order to avoid the battle of gods, he inhabited the mainland of Kyushu.

Understanding this, Yue Feng showed a smile and said, "I think the reason why Qinglong avoided the battle of gods back then must have their own plans." To

be honest, Yue Feng didn't want to comment too much on the battle of gods back then, but As the Dragon Zun of the Azure Dragon Clan, seeing the White Tiger King and the beasts and monsters around him at this time, he had a deep resentment towards the Azure Dragon Clan, so he couldn't help but say a few words to the Azure Dragon Clan.

As soon as the words fell, Hu Ben couldn't help but scolded: "You are a human, what can you understand? The Qinglong family fled without a fight back then. It was a cowardly act, and it is useless to explain it."

This chapter is provided by . Visit for daily update.

Uh...

Hearing this, Yue Feng was very embarrassed and smiled bitterly, not knowing how to speak for a while.

At this time, the White Tiger King looked at Yue Feng and said, "What's your name?"

"Yue Feng!" Yue Feng answered truthfully without concealing it.

The White Tiger King pondered for a while, and looked at Yue Feng up and down: "Since you are the Dragon Lord of the Qinglong family, why are you in the God's Domain?"

When he said this, the White Tiger King's eyes were full of suspicion.

At this time, Hu Ben couldn't help but ask: "Honestly explain, are you representing the Qinglong clan and serving in the Divine Realm?"

Hu...

Yue Feng took a deep breath, showed a smile, and said, "You misunderstood, I Coming to God's Domain, it's a long story..." In the next ten minutes, Yue Feng explained how to come to God's Domain through the Chaos Teleportation Array.

Of course, Yue Feng did not hide his experience in the God's Domain in the past few days.

Whoa!

At this moment, after listening to Yue Feng's narration, the entire stone hall was in an uproar.

The White Tiger King looked at Yue Feng with bright eyes, and said with a smile: "I really can't see that you, a human being, can turn around the hypocrites of the God Realm, and admire them!"

When he said this, the White Tiger King was completely gone. Hostility, the view of Yue Feng greatly changed.

At the same time, Hu Ben was also very excited, put his arms around Yue Feng's shoulders, and laughed loudly: "Haha, stealing the precious fruits from Lingguo Garden, and pretending to be the God of Nine Heavens, these are fun to listen to."

The surrounding beasts and monsters also cast admiring glances at Yue Feng.

You must know that the beasts and monsters present were very hostile to the Divine Realm because of the battle of the gods. At this time, they were very happy to know what Yue Feng had done in the Divine Realm. After all, the enemy of the enemy is the friend.

For a time, the originally depressing atmosphere eased a lot at this moment.

Seeing this scene, Yue Feng had a smile on his face, and he was secretly relieved.

Nima, it's so dangerous. Fortunately, I am the Dragon Lord of the Azure Dragon Clan. Otherwise, I would be dead now.

Chapter 3587

Fortunately, Yue Feng thought of something, and asked curiously at the White Tiger King: "Your Excellency the White Tiger King, I heard from you that in the battle of the gods, all the spirit beasts were under the suppression of the gods."

Saying, Yue Feng looked around: "But, why is there only your white fox family here, and no other orcs!"

Hu!

Hearing the question, White Tiger King's calm expression suddenly became complicated.

At this moment, a man in a green shirt came out slowly and smiled at Yue Feng: "Your Excellency Long Zun, I am the Xuanwu King of the Xuanwu family."

After speaking, the Xuanwu King looked around and continued. Said: "Our innate family of four great spirit beasts, except the Qinglong family, are all sealed here."

Yue Feng nodded: "What about the Vermilion Bird family?"

Shuh!

At this moment, whether it was the White Tiger King, the Xuanwu King, or the tiger beasts and beasts, their expressions changed slightly, and anger appeared in their eyes.

The next second, Hu Ben couldn't help saying: "Don't mention those flat-haired beasts, who have been trapped in this ghost place for so long, those flat-haired beasts don't want to unite with everyone and leave together, but they always think about fighting for the right to lead... "

Uh...

Hearing this, Yue Feng was stunned, and in the next half an hour, Yue Feng finally understood the cause and effect through inquiries.

It turned out that after being trapped here, the various monster clans were relatively united at first, but gradually conflicts emerged. In the end, all the bird clan and the beast clan were divided into two major alliances and fought with each other.

A family of birds, including Suzaku, Phoenix, Peacock, Crane and other species of birds. The Feather League formed.

The beast clan, including the white tiger, the basalt, the leopard, etc., finally formed the beast alliance.

In the thousands of years trapped in the land of the demon clan, there have been countless battles between the Feiyu League and the Beast League.

After understanding this, Yue Feng was a little dumbfounded.

These demon clans are really interesting. They are all sealed here. They are still engaged in internal strife. They don't know how to unite.

Of course, Yue Feng did not say these thoughts.

"Your Excellency the White Tiger King!" Yue Feng showed a smile and said to the White Tiger King, "Is there a way to get out of here?"

Yue Feng did not want to participate in the grievances between the Monster Race and the Divine Realm. At this time, he just wanted to leave here as soon as possible.

At this moment, the White Tiger King and Hu Ben looked at each other with a hint of embarrassment on each other's faces.

The next second, the upright Hu Ben laughed at Yue Feng and said, "Your Excellency Long Zun, you are so interesting. If we could leave, we wouldn't be trapped for so many years."

"If we want to leave, we must destroy God's Domain. The enchantment deployed here, but the enchantment is very powerful, with our current strength, it cannot be broken at all."

What?

Hearing this, Yue Feng wanted to cry without tears.

In the next second, Yue Feng thought of something and couldn't help but say: "But... when I came in, the barrier in the cave didn't block anything at all?" The

White Tiger King smiled: "You may not know, that The barrier is a one-way barrier, that is to say, you can come in from the outside, but it is impossible to get out from the inside."

Nima!

Hearing the answer, the last glimmer of hope in Yue Feng's heart was instantly shattered.

Destroy the enchantment to leave? These monsters have been trapped for so many years, and there is no way to do it. Can't they get out by themselves?

Seeing Yue Feng's expression, Hu Ben patted him on the shoulder and comforted him: "Your Excellency Yue Feng, don't be so downcast, since you are the Dragon Zun of the Qinglong family, you represent the Qinglong family to join our beast alliance, when the time comes, wait for us to be together. After defeating the Feiyu Alliance formed by those flat-haired beasts, they can all unite and destroy the enchantment."

Yue Feng scratched his head and hesitated for a while.

Chapter 3588

Although he is Dragon Zun, he has no right to represent the entire Qinglong family.

Boom...

Just when Yue Feng was hesitating about how to respond, suddenly, a huge roar came from outside the stone hall, followed by a scorching hot breath.

“It’s not good!” In the

next second, a tiger demon warrior rushed in and shouted: “The Feiyu League is calling!”

What?

The White Tiger King’s expression changed, he stood up abruptly, and walked out quickly.

Hu Ben and other members of the Beast League followed, only Yue Feng stood there with a bewildered face.

what’s going on? Is this a fight?

Muttering in his heart, Yue Feng also quickly walked out of the stone hall.

hiss!

When he got outside, seeing the scene in front of him, Yue Feng couldn’t help taking a deep breath.

I saw that the entire sky was densely packed with soldiers from the Feiyu League. These Feiyu League soldiers, the phoenixes with flames on their tails, and the colorful peacocks formed a terrifying aura that enveloped the whole world, which was very amazing.

In front of the army of the Feiyu League, several slender figures were quietly suspended there.

The head of the one, wearing a colorful feather coat, has a delicate face, charming curves, and a powerful aura that contempts the world permeates the whole body.

It is the Suzaku Queen.

Gudong!

Seeing Queen Suzaku, Yue Feng felt his throat dry and his eyes straightened.

I thought that the monsters trapped here were all half human and half beasts, but I never thought that the Queen of Suzaku in front of me was so beautiful.

Yue Feng knew that all kinds of spirit beasts between heaven and earth could completely transform into a human form at a certain level, but the transformed human form was even more beautiful than a fairy, and the Queen Suzaku in front of her was the first and only one.

“Suzaku.”

Just as Yue Feng sighed inwardly, the figure of the White Tiger King erupted, hovering in mid-air and looking at Queen Suzaku from afar, shouting, “You are not too timid, dare to bring down my Beast League to provoke me.” Huh

!

Facing the anger of the White Tiger King, Queen Suzaku looked indifferent and did not panic at all, and said coldly: “Baihu, I won’t talk nonsense with you, your subordinate Hu Ben, who injured my subordinate Lan Ling Peacock before, you immediately put him Hand it over, otherwise, I will level the hall of your Beast League.”

When she said this, Queen Suzaku glanced at Hu Ben coldly, her eyes showing killing intent.

A day ago, Hu Ben launched a surprise attack while Lanling Peacock was alone, causing Lanling Peacock to be seriously injured and still in a coma. How can I endure the tiger Ben’s surprise attack?

Facing the glares from Queen Suzaku, Hu Ben did not panic at all, standing there with an arrogant face.

“Haha...” The

White Tiger King laughed even more, mocking at Queen Suzaku: “Suzaku, your subordinate was injured by Hu Ben, she is inferior to others, you still have the face to seek justice? If I were you I have no face to come out.”

When he said this, the White Tiger King glanced at Hu Ben, his eyes full of approval.

Hu Ben injured Suzaku Queen’s subordinates, and gave the entire Beast League a face, can you be unhappy?

Ha ha...

At the same time, many members of the Beast League below also burst into laughter.

Chapter 3589

Swish!

Hearing the mockery of the White Tiger King and the surrounding Beast League members, Queen Suzaku’s beautiful and arrogant face instantly became extremely ugly.

“Okay, very good!”

After a few seconds, Queen Suzaku looked at the White Tiger King coldly, and said tenderly, “It seems that you don’t intend to hand over Hu Ben. If that’s the case, then there’s nothing to say!” The

voice fell, Queen Suzaku raised her jade hand, and her icy voice resounded throughout the world: “All members of the Feiyu League obey the order, kill me, and step down here!”

At this time, Queen Suzaku was very angry. Since being trapped in this place, The Beast League headed by the White Tiger has always wanted to force itself to surrender. At the beginning, the two sides were really fighting with swords and guns, but later, the members of the Beast League began to make some tricks later.

Yesterday, Hu Ben used despicable means to raid Lanling Peacock, which has already offended Queen Suzaku, and at this time, White Tiger King made such a blatant mockery that no one else could bear it.

“Kill!” The

voice fell, and the members of the Feiyu League flying in mid-air burst out with a scream of killing that resounded through the sky and rushed down!

Ha ha.

Seeing this scene, the White Tiger King chuckled, with disdain flashing in his eyes. The Beast League and the Feiyu League were evenly matched. In the past ten thousand years, I don’t know how many battles have been fought, and the White Tiger King is not wrong at all.

In the heart of the White Tiger King, Queen Suzaku led her subordinates to spread wildness in the Beast League’s territory, completely asking for hardships.

“Everyone obey the order and meet the enemy!” An angry shout came from the mouth of the White Tiger King.

Whoa!

As soon as the voice fell, Hu Ben took the lead, the whole body exploded with strength, and directly met the Feiyu League!

At the same time, the surrounding Beast League members also rushed forward like a tide.

In the blink of an eye, a fierce battle broke out between the two sides.

This...

Seeing this scene, Yue Feng couldn't help taking a deep breath and was extremely shocked.

It's too fast!

At the beginning, the members of the Beast League could easily deal with the impact of the Feiyu League, but gradually there were casualties. Because Feiyu League, all of them are birds and rare birds, completely occupy the air superiority.

On the side of the Beast League, although they can fly in the air, in mid-air, the mobility of the members of the Beast League is not as flexible as that of the Feather League.

"Ah!"

Soon, a few minutes passed, and many members of the Beast League were seen losing their combat effectiveness amid the screams.

On the other hand, on the Feiyu League side, the formations neatly arranged in the air are almost impeccable. Even if there are fierce generals like Hu Ben who keep attacking, they cannot break the formation of the Feiyu League.

"White Tiger King!"

At this moment, Queen Suzaku shouted at White Tiger King with a cold and arrogant expression: "If you regret it now, you should surrender Hu Ben's life and surrender to me, otherwise, today I want your Beast League to be wiped out! Hearing this, the

White Tiger King looked up to the sky and laughed loudly: "Want to destroy my Beast League? Are you daydreaming!"

At this time, the White Tiger King's tone was very arrogant, but his heart was extremely anxious!

He clearly saw that the members of the Beast League were stubbornly suppressed by the Feiyu League in the air. They only had the ability to parry, and had no ability to fight back. If they continued, the situation would become more and more unfavorable.

However, surrendering to Queen Suzaku is absolutely impossible!

"Okay, let's see how long you can last!"

Queen Suzaku stopped talking nonsense. With a wave of her jade hand, she saw that nearly a hundred phoenixes roared, covering the sky and the sun, and countless phoenix tails were flying, which was incomparably gorgeous.

“Haha...”

Immediately after, these phoenixes let out a loud chirping in unison, and then one by one, they spewed out spiritual fires. These spiritual fires are phoenix spiritual fires unique to the phoenix clan, and can burn all things.

For a time, hundreds of phoenix spirit fires gathered together and instantly formed a sea of flames, which spread towards the beast alliance members below. Under this extremely scorching high temperature, the entire sky followed, and the power was terrifying.

What the hell!

Chapter 3590

Seeing this situation, Yue Feng was secretly shocked. He clearly sensed that the power of these Phoenix Spirit Fires gathered together was very powerful, even more terrifying than Li Ran's Five Elements True Fire.

Phew...

At the same time, the expressions of the White Tiger King and the Beast League members also changed drastically.

“Quick!” In the

next second, the White Tiger King couldn't help but shouted: “Quickly deploy the defense!” The Phoenix Spirit Fire is extremely powerful. Once burned to the point of death or injury, nearly a hundred phoenixes erupted at the same time. Flexible and even more terrifying, even the White Tiger King would not dare to despise it.

Buzz....

The voice fell, and the surrounding Beast League members urged their energy to form a protective film in front of them.

It was at this moment that the Phoenix Spirit Fire spread out, and when it touched the protective film, it made a burning creaking sound. It was seen that the protective film successfully blocked the Phoenix Spirit Fire. pale.

Obviously, the protective film was displayed, which consumed a lot of their strength.

“I was lucky enough to block it?”

Seeing this scene, Queen Suzaku frowned, then sneered: “Even if you block it, it's just a defeated soldier!”

Immediately, Queen Suzaku shouted again, "The Beast Alliance can't hold on any longer. Stop it, let's all work together to destroy them!" The

voice fell, and the figure of Queen Suzaku swooped down, directly rushing into the formation of the Beast Alliance.

bang bang bang....

I saw that the Queen Suzaku at this time was like an elf, her figure was agile and elegant, and the aura that permeated her body was extremely terrifying. Wherever the figure passed, all the members of the Beast League were shaken out, and these were shaken and flew out. The members of the Beast League all turned pale, either losing their combat effectiveness or fainting directly.

In less than a few minutes, behind Queen Suzaku, thousands of Beast Alliance members fell to the ground.

"Kill!"

Seeing this scene, the Feiyu League's morale was boosted, and they let out a howl, and attacked from the air again.

"Ah..."

At this time, the Feiyu League, under the leadership of Queen Suzaku, was on a tear, and heard screams from the Beast League. For a time, it was difficult to form a formation, and it was beaten step by step. defeat.

Made!

The White Tiger King's face was extremely ugly. He saw with his own eyes that his subordinates fell one by one under the attack of the Feiyu League.

Frightened and anxious, the White Tiger King kept shouting: "Don't panic, everyone, form a formation to defend against the enemy."

However, the morale of the Beast League members at this time was greatly reduced, and they could not listen to the White Tiger King's words at all. backed away in panic.

For a time, the situation turned one-sided.

Whoa!

It was at this moment that dozens of Feiyu League members instantly locked on Yue Feng and rushed over.

Yes, these Feiyu League members regard Yue Feng as a member of the Beast League. After all, just now, Yue Feng and the White Tiger King came out of the stone hall together, and many members of the Feiyu League saw it.

“Catch him!”

Rushing to the front, a member of the Feiyu League shouted, and then rushed over.

Nima!

Seeing this situation, Yue Feng wanted to cry without tears, and shouted: “Hey, you guys fight, don’t hurt the innocent, I’m just watching the battle, I don’t belong to the Beast League.”

While shouting, Yue Feng turned and ran behind .

“Stop talking nonsense, stop!”

“You came out of the stone hall just now, and you said that you are not from the Beast League?”

“Don’t believe him, among the Beast League, one is more sinister and shameless.”
More than a

dozen members of the Feiyu League, They shouted angrily and attacked Yue Feng at the same time.

The ultimate husband in Chinese chapter 3591-3600

Chapter 3591

Nima!

Seeing more than a dozen Feiyu League members chasing after him, Yue Feng was both angry and funny.

Is there something wrong with the brains of this gang of Feiyu League? When they came out of the Beast League Stone Hall, they belonged to the Beast League?

Muttering in his heart, Yue Feng speeded up and circled around the huge beast statue in front of him and circled with these Feiyu League members.

“Listen to the Beast League!”

While circling, Yue Feng took a deep breath and shouted at the defeated Beast League, “If you don’t want to be destroyed, listen to me and immediately converge on the statue!”

Huh?

Hearing this, many members of the Beast Alliance frowned secretly.

What did the Dragon Venerable of the Azure Dragon Clan say? Want us all to listen to him?

At this time, the Beast League has been defeated like a mountain, can they still recover the situation?

At the same time, the White Tiger King not far away also frowned secretly and couldn’t help but say, “Yue Feng, what are you going to do?”

“Help you defend your enemies!” Yue Feng responded loudly.

Hearing the response, the White Tiger King hesitated, then looked around and shouted: “Quick, everyone listen to Yue Feng, and quickly gather around the statue!”

When he said this, the White Tiger King looked at Yue Feng’s eyes, Full of suspicion, not sure if Yue Feng really has the ability to turn the situation around.

But at this time, the situation was urgent, and the White Tiger King had no choice, so he simply let Yue Feng try.

This chapter is provided by . Visit for daily update.

Whoa!

Seeing the White Tiger King open his mouth, the Beast League members who were scattered around, immediately gathered around the statue.

At this moment, Yue Fengqi raised his dantian and shouted loudly: “The one on the left of the statue takes ten steps back, the one on the right and the back takes five steps back, and the one in front doesn’t move. After taking his place, immediately counterattack!”

The beast at this time All the members of the alliance suffered heavy casualties, and there were tens of thousands of them who fainted on the ground.

But after hearing Yue Feng’s order, the remaining members of the Beast League did not hesitate at all, and immediately moved quickly according to Yue Feng’s order.

Swish!

At this moment, Queen Suzaku, who was proudly suspended in mid-air, locked her gaze tightly on Yue Feng, flashing a bit of disdain.

Afterwards, Queen Suzaku sneered at the White Tiger King: “Baihu, is this the military advisor you just appointed? Seeing that he is young, his skills are not very good!

”, made such a low-level mistake, and still want to turn the tide of the battle?”

Huo!

At this moment, the other members of the Feiyu League around also laughed. “This guy looks at Miansheng . I

’ve never seen him before. The White Tiger King actually handed over the command to him?” Come on, the White Tiger King clenched his fists, his face extremely ugly. At the same time, the White Tiger King felt a little regretful in his heart. Yes, although this Yue Feng is the Dragon Lord of the Qinglong family, but his strength is average, can he turn the tide of the battle? Isn’t it a bit hasty to give him the command. Um? Then, when the White Tiger King frowned secretly, a scene that shocked everyone appeared.

Originally, the members of the Beast League were defeated by the Feiyu League and completely collapsed. However, at this time, the Beast League, under the command of Yue Feng, moved quickly and formed a situation of encirclement. surrounded.

Yes, the situation turned around.

What?

At this moment, whether it was the White Tiger King or the Suzaku Queen, their faces were full of surprise, and their hearts were extremely shocked.

What's happening here?

Chapter 3592

“This...”

At this moment, Queen Suzaku's delicate body trembled. Yue Feng, who was standing tightly on the statue, was shocked and speechless on her delicate and arrogant face.

This battle was originally won by Feiyu Alliance, but this guy turned the situation around.

He... how did he do it?

Also, what did the White Tiger King call him just now? The Qinglong family...Long Zun?

“Haha...”

Finally, the White Tiger King reacted to Yue Feng's incomparable admiration: “I didn't expect that Your Excellency Yue Feng still has this skill. It's amazing! It's amazing!”

When he said this, the White Tiger King was completely shocked From the heart.

To be honest, when I first knew that Yue Feng was the Dragon Lord of the Qinglong family, the White Tiger King was still a little skeptical. After all, Yue Feng's strength was not very outstanding, but seeing Yue Feng turn the situation around, the White Tiger King's opinion of him, Immediately there was a great change.

“Baihu, what did you say?” Queen Suzaku couldn't help asking.

At the same time, Queen Suzaku's eyes were also locked on Yue Feng.

The White Tiger King laughed loudly and shouted at Queen Suzaku, “What? Is there something wrong with Queen Suzaku's ears? Didn't you hear it just now? Your Excellency Yue Feng is the Dragon Lord of the Azure Dragon Clan!”

What?

Queen Suzaku's delicate body was shocked, and she was completely stunned.

At the same time, the members of the Feiyu League also looked at Yue Feng and were shocked.

The Qinglong family went to the human world to avoid disaster when the war of gods happened, and then lost contact with the major demon clan, and this is still the place where the demon clan is sealed, how could the Dragon Lord of the Qinglong clan appear in the here?

Seeing Queen Suzaku's expression, the White Tiger King was even more proud and continued: "By the way, I haven't told you yet, the Qinglong family has already joined our Beast League. So, Queen Suzaku, you Feiyu League should surrender."

Yes, The White Tiger King said this on purpose, in order to disturb Queen Suzaku's state of mind. In fact, the Qinglong family, who are on Shenlong Island on the mainland of Kyushu, did not join the Beast League at all.

The Qinglong family joined the Beast Alliance?

Sure enough, hearing this, Queen Suzaku's delicate face suddenly became difficult to look at, and there was a hint of panic in her eyes.

You must know that after being trapped here for so many years, the Feiyu League and the Beast League are constantly fighting. The strength of the two sides is equal. No one can do anything about the other. But now, the Qinglong family has joined the Beast League, and the strength of the Beast League has been greatly enhanced. The alliance is extremely disadvantageous.

At this time, Queen Suzaku didn't realize that the White Tiger King was all made up.

"Everyone of the Beast League!"

Just when the White Tiger King was frightening Queen Suzaku, Yue Feng, who was standing on the statue, raised his hand and waved: "Now we can fight back!"

"Kill..."

Hearing the command, the Beast League The members of the tribe, without the slightest hesitation, exploded their strength one after another and started a counter-offensive.

"Ah!"

At this moment, the Feiyu League was surrounded by the Beast League, and one by one lost their way. Facing the Beast League's counterattack, in panic, they were too late to resist, and they screamed and fell from the air.

call!

Seeing this scene, Queen Suzaku bit her red lips tightly, her face was pale, her delicate body was trembling, and her heart was even more angry!

She saw that the Feiyu League, which had the ability to win, fell into a pool of blood one by one under the counterattack of the Beast League.

“Queen!”

At this moment, the leader of the Phoenix Clan, Hong Ling quickly approached, and said to Queen Suzaku with a complicated expression: “The situation is over, why don’t you retreat!”

When he said this, Hong Ling looked respectful.

Although Phoenix is the king of birds, in terms of seniority, it is completely inferior to Suzaku. You must know that Suzaku is one of the four innate spirit beasts after the creation of the world. Many bird families are born of Suzaku, and it can be said that Suzaku is the ancestor of all birds.

Speaking of which, Hong Ling, like Queen Suzaku, felt that the battle was won at first, but at this time, seeing Yue Feng turning the situation around, Hong Ling knew that the battle had been lost.

call!

However, Queen Suzaku did not respond, and her eyes were tightly locked on Yue Feng.

Chapter 3593 The

next second, Queen Suzaku’s red lips lightly opened, and she said coldly: “Long Zun of the Qinglong family, right, you want to help the Beast League oppress our Feiyu League? I want to see if you have the strength!”

Om...

The voice fell, and Queen Suzaku rose up, a terrifying aura erupted from her body, and her figure was like a giant, coming straight towards Yue Feng.

Queen Suzaku is witty and clever. This Yue Feng uses his troops like a god, and has become the backbone of the Beast Alliance. As long as he is captured, the situation can be brought back.

What the hell!

Seeing Queen Suzaku approaching quickly, Yue Feng's expression changed, and without hesitation, he turned around and rushed towards the top of the mountain behind.

While running, Yue Feng did not forget to shout: "Queen Suzaku, have you made a mistake, your opponent is the White Tiger King, what are you doing to me?"

Hearing this, Queen Suzaku chuckled: "Don't play tricks with me, you are the Dragon Lord of the Qinglong clan, and now help the Beast League and fight against our Feiyu League, who am I not going to catch you?" The

voice fell, Queen Suzaku's speed increased, and the distance between Yue Feng and Yue Feng was getting closer and closer.

Phew...

Seeing this scene, the White Tiger King wanted to rescue him, but the distance was too far and he was completely powerless.

At the same time, Hu Ben in the battlefield couldn't help shouting: "Your Excellency Yue Feng, be careful."

Then, Hu Ben looked at Queen Suzaku: "Suzaku, you are also the ancestor of all birds, Feiyu League. Don't you feel ashamed to take action against a human at this time?"

Hu Ben had a straightforward personality, and when he caught Yue Feng, he thought he was a spy in the Divine Realm, but later in the stone hall, he learned that Yue Feng's true identity was Qinglong The Dragon Lord of the family, Hu Ben knew that he was reckless, and felt a little guilty towards Yue Feng.

At this time, seeing Queen Suzaku chasing Yue Feng, Hu Ben suddenly became worried.

After all, Queen Suzaku is so powerful that Yue Feng can't be an opponent.

Queen Suzaku didn't seem to hear Hu Ben's mockery, and all her attention was on Yue Feng.

Nima!

Seeing Queen Suzaku chasing after her, Yue Feng wanted to cry without tears.

Soon, at the top of the mountain, the Queen Suzaku was less than fifty meters away from Yue Feng!

At this moment, Yue Feng panicked, Nima, if she was caught by Queen Suzaku, the consequences would be unimaginable.

Under the tension, Yue Feng saw a lot of rocks on the top of the mountain, and he immediately had an idea.

“Go to hell!”

At this moment, Queen Suzaku raised her jade hand and hit Yue Feng with a palm.

Yue Feng hurriedly dodged to the side, narrowly avoiding the palm, and when he stabilized his figure, cold sweat broke out.

Nima, the strength of this Suzaku Queen is simply too terrifying.

Shocked in his heart, Yue Feng shouted with a smile: “Queen Suzaku, you have a noble status and a detached status, and I am just the Dragon Lord of the Qinglong family, a junior. If you kill me, are you not afraid of being laughed at?” As

he said, Yue Feng moved a stone behind him.

Although the situation at hand was critical, Yue Feng was very calm. After thinking about it, he kept bringing up topics to divert Queen Suzaku’s attention, and then used these rocks to deploy the formation.

As long as you deploy the formation and trap Queen Suzaku, you will be safe.

You must know that Queen Suzaku, although she is the ancestor of all birds and one of the four innate spirit beasts, like the White Tiger and Qinglong, she does not understand the formation method at all. Otherwise, she would not have been trapped here for so many years. Unable to break through the barrier.

“Hmph...”

Hearing Yue Feng’s words, Queen Suzaku’s delicate face was full of contempt: “Kill you? You are not qualified to let me kill you, so you can just grab it.” The

voice fell, and Queen Suzaku rose up and went again. A palm hits Yue Feng.

call!

Yue Feng was secretly relieved, fortunately, this Queen Suzaku wants to capture me alive, so don’t worry.

Thinking to himself, Yue Feng dodged again, and while dodging, he did not forget to move the surrounding stones.

Chapter 3594

Huh?

Seeing this scene, the White Tiger King and Hu Ben in the battlefield below all frowned secretly.

What's up with this Yue Feng? Facing the attack of Queen Suzaku, it's fine if you don't resist, and keep moving the surrounding stones?

Those stones, can help him defeat Queen Suzaku?

In the blink of an eye, ten seconds passed.

In these ten seconds, Yue Feng almost tried his best to avoid several attacks from Queen Suzaku. These times, Yue Feng was surrounded by danger, but in the end he avoided it.

At the same time, Yue Feng's formation was finally deployed successfully.

call!

At this moment, Yue Feng wiped the sweat off his face, but his heart was very relaxed. Standing in the formation, he said to Queen Suzaku, "I won't hide anymore. If you want to catch it, catch it."

When he said this, Yue Feng looked weak, but slyness flashed in his eyes.

Um?

Hearing this, Queen Suzaku was about to step forward, but after taking two steps, she felt that something was wrong, and her beautiful face showed a bit of solemnity!

The stones around this guy look a little weird!

Seeing Queen Suzaku becoming cautious, Yue Feng sneered: "Queen Suzaku, I have given up struggling, why did you stop? Don't you know that I am the Dragon Lord of the Azure Dragon Clan, afraid of revenge from the Azure Dragon Clan?"

", Yue Feng made a smug look: "If that's the case, take your subordinates and leave!"

Yue Feng could see that Queen Suzaku was vigilant and deliberately used the Qinglong clan to stimulate her!

"To shut up!"

Queen Suzaku's pretty face changed, and she said coldly: "What are the Qinglong clan? I need to be afraid of them? Just follow me!" After the

voice fell, Queen Suzaku rushed into the stone formation without any hesitation.

Hahaha...

This Queen Suzaku looks shrewd, didn't she fall for it in the end?

Seeing the Queen Suzaku barge in directly, Yue Feng was indescribably excited, and at the same time, his face was full of confidence.

You must know that what Yue Feng deployed just now was the Immortal Lost Formation!

The Immortal Fascinating Formation is the most profound and mysterious formation among the Baiqi Divine Formation. As the name suggests, even if the immortals enter, they will be dazed and confused, and don't even think about coming out.

When Yue Feng first encountered Gonggong, he used this Mysterious Immortal Formation to trap Gonggong.

At this time, the Queen Suzaku in front of her, although she was stronger than Gonggong, was still helpless in the face of the Immortal Bewildering Array!

Um?

After entering the stone formation, Queen Suzaku was secretly shocked.

what happened?

At this time, Queen Suzaku frowned, and realized that she was caught in a trap. She was less than ten meters away from Yue Feng, but she couldn't catch up with him. The surrounding stones seemed to be alive. Change your orientation as you move around!

Time passed by, and the delicate body of the Vermillion Bird Queen was trembling, but she still couldn't catch Yue Feng!

This...

Seeing this scene, the White Tiger King and Hu Ben in the battlefield below were also stunned!

They clearly saw that Yue Feng was very relaxed and content in that piece of stone, and the Queen Suzaku kept urging her figure, extremely fast, but she couldn't catch him, and even the corner of Yue Feng's clothes touched him. not.

“I can’t see it!”

Finally, the White Tiger King reacted and couldn’t help muttering to himself: “Your Excellency Yue Feng, has such a skill!”

As the Four Great Innate Spirit Beasts, although the White Tiger King does not understand the formation technique, But it can also be seen that the stones around Yue Feng seem to be disorganized, but there are hidden secrets.

Chapter 3595 Excited

, the White Tiger King looked around and saw that the Feiyu League was in chaos under the siege of the Beast League. It can be said that the Beast Alliance at this time has already controlled the situation.

On the top of the mountain, Queen Suzaku was still trapped in the stone formation, being played around by Yue Feng.

At this time, seeing that the Feiyu League had collapsed, Queen Suzaku’s delicate body was trembling, and she was extremely anxious. However, the more anxious she was, the more she could not find a way to break through the stone formation.

“Haha!”

Seeing that Queen Suzaku couldn’t dash out of the stone formation, the White Tiger King couldn’t help laughing: “Suzaku, aren’t you going to step down our Beast League today? What? Now you’re trapped by a pile of rocks?

” Let me tell you, today is the day your Feather League is destroyed!”

Om!

The voice fell, and the air around the White Tiger King suddenly condensed! A terrifying force spread out from his body crazily!

“Blood Dance Crazy!”

A few cold words came out of the White Tiger King’s mouth, and in the next instant, the world changed color! Only heard a blast of thunder and a bang!

The White Tiger King slowly raised his right hand and pointed to the sky. In an instant, the spiritual power in the air gathered around him crazily, and the sky and the earth were instantly enveloped in a blood-colored fog!

“He... what is he going to do?”

“What a strong breath?”

“White Tiger King, are you going to use a trick?” In an instant, whether it was the Beast League or the Feather League, they were all shocked. In particular, the members of the Feiyu League were inexplicably panicked.

They clearly felt that in the blood mist, a terrifying force was condensing!

Finally, someone in the Feiyu League reacted and exclaimed: “This.... This seems to be the stunt of the White Tiger Clan, the blood dances wildly.”

Shah!

Hearing this, other members of the Feiyu League around them gathered at once.

At the same time, someone couldn't help but ask: “What is the blood dance crazy?”

The man wiped his cold sweat and said slowly: “The blood dance is crazy, it is the lore skill of the white tiger clan, at the cost of burning their own spiritual blood, come here It caused a devastating blow to the enemy.”

“According to legend, in the battle of the gods, the white tiger family used this skill to fight against the gods. At that time, many gods and soldiers in the gods were severely damaged. I want Queen Suzaku's life.”

Wow!

Hearing this, many members of the Feiyu Alliance changed their expressions greatly, and at the same time wanted to rush up to intercept the White Tiger King, but at this time they were besieged by the Beast Alliance, and they were completely helpless.

“Haha, go to hell!”

At this time, he heard the White Tiger King laughing wantonly, and his figure burst out from the blood mist.

The White Tiger King was extremely fast, like a flash of lightning, and in front of him, a huge blood-colored tiger ripped apart the world and rushed towards the Suzaku Queen on the top of the mountain. This blood-colored tiger was completely driven by the spirit of the White Tiger King. It was made of blood, hundreds of meters long, like a blood-colored hill. There was an air of terror all over.

not good!

Seeing this, Queen Suzaku's face changed, she was extremely frightened, and then she wanted to dodge, but she was trapped in the stone formation and couldn't rush out at all.

At the same time, Yue Feng was also shocked.

Damn, this White Tiger King is too good at finding opportunities to launch a surprise attack while Queen Suzaku was trapped.

However, since he is also in the stone formation, the White Tiger King is not afraid of accidentally hurting his own people?

In his heart, Yue Feng was about to rush out of the formation, but he was still a step late.

boom!

At this moment, I saw a huge blood-colored tiger slamming into the stone formation. Immediately, the entire mountain top was filled with dust and smoke.

The ultimate husband in Chinese chapter 3596-3600

Chapter 3596

"Pfft, pfft..."

Under the raging power of this terrifying force, the stone formation collapsed directly. At the same time, Queen Suzaku and Yue Feng both trembled and spit out a mouthful of blood.

"Hehe!" The

White Tiger King was full of pride, his eyes locked on Queen Suzaku, and he walked step by step: "Suzaku, you and I have been fighting for so many years, but in the end, you still won't lose to me? If you surrender to me now It's still too late."

"Bah!" The

voice fell, and Queen Suzaku couldn't help spit, her beautiful face was covered with frost: "Baihu, you are a despicable villain, your subordinates will only sneak attacks, and you are no better. Where are you going, just like you, you still want me to surrender? Go in a dream."

When she said this, Queen Suzaku was angry and suffocated.

If it weren't for being trapped in these rubble and fighting openly and aboveboard, the White Tiger would have no chance to defeat himself.

"Hey!"

At this time, Yue Feng wiped the blood from the corner of his mouth, and said to the White Tiger King: "White Tiger King, before you take action, can you inform me in advance? Your own people have been accidentally injured by you."

At this time, Yue Feng was very surprised. Depressed, this White Tiger King is so reckless, he didn't even care about his own people in order to defeat Queen Suzaku.

However, the White Tiger King ignored Yue Feng at all.

"Okay, very good!"

At this time, the White Tiger King stared closely at Queen Suzaku: "Suzaku, you are still unwilling to be soft, your bones are really hard, if that's the case, then go to hell!"

Om!

The voice fell, and the figure of the White Tiger King erupted, as fast as thunder, and slapped the Queen Suzaku with a palm.

Just now, when the White Tiger King performed the stunt 'Blood Dance Crazy Sky', Queen Suzaku had already been severely injured. At this time, seeing the White Tiger King attacking again, Queen Suzaku wanted to dodge, but was helpless.

boom!

This palm directly hit Queen Suzaku on the shoulder, and after hearing Queen Suzaku groan, the figure was directly shaken and flew out, but at the moment of flying, it slammed into Yue Feng's body impartially.

What the hell!

Yue Feng didn't have time to dodge, and was knocked out by Queen Suzaku, and in an instant, the two figures fell into the abyss behind!

Nima!

At the moment of falling, Yue Feng almost wanted to cry without tears.

Your own luck is too bad.

“Your Excellency Yue Feng!”

Hu Ben couldn't help exclaiming when he saw this scene, and rushed to the top of the mountain at the same time, but after a step, he saw the figures of Yue Feng and Queen Suzaku, who had disappeared into the abyss.

Hu Ben has a straightforward personality. After a short contact before, he has already regarded Yue Feng as his own. At this time, seeing him being knocked into the abyss by Queen Suzaku, he was immediately anxious.

“Haha...”

The White Tiger King, who was suspended in mid-air, was extremely proud. He looked up to the sky and laughed loudly: “Suzaku, Suzaku, you have finally lost to me!”

At this time, the White Tiger King was extremely excited. He did not feel the slightest sadness because Yue Feng fell into the abyss. In his heart, although Yue Feng was the Dragon Lord of the Qinglong family, in the final analysis, he was just a human. Worth it.

After a burst of laughter, the White Tiger King looked down at the Feiyu League below: “Your Queen Suzaku has fallen into the abyss, and she will die for a lifetime. Those who are sensible, surrender to me.”

“Otherwise, kill without mercy!”

The last few words are extremely cold and unquestionable.

Phew...

Feeling the momentum of the White Tiger King, all the members of the Feiyu League present had complex eyes.

A few seconds later, several members of the Feiyu Alliance knelt down towards the White Tiger King: “Subordinate, see the White Tiger King!”

Chapter 3597

“See the White Tiger King!” The

next second, the rest of the Feiyu League members also chose to compromise, and instantly knelt down.

To be honest, to surrender to the White Tiger King, the members of the Feiyu Alliance are very resistant in their hearts, but there is no way, Queen Suzaku has been knocked down into the abyss, if you don't surrender, the end will be death.

.....

the other side!

God's Domain, Yutian Palace.

Nine Heavens God was sitting on the throne, and his majestic face was showing a bit of sinister at this time.

The many priests on both sides stood respectfully on both sides, and they did not dare to come out. The entire Yutian Palace was filled with a depressing atmosphere.

Below, there was a man kneeling, trembling and sweating.

This man, with an ordinary appearance, is Shi Geng, the newcomer of Lingguo Garden.

call!

After a moment of silence, Jiutian God looked at Shi Geng closely, and said coldly, "You said just now that the impostor named Yue Feng took over your identity?"

"Yes." Shi Geng nodded cautiously.

At that time, after Shi Geng arrived at Lingguo Garden, after listening to the narrations of Juanhong's fairies, he knew that he had been impersonated, so he immediately investigated Yue Feng, but he couldn't find any clues, but this matter was no trivial matter. After several hesitations, he decided to come to see Jiutian God to report the situation.

Whoa!

At this moment, the entire Yutian Palace was in an uproar.

Someone pretending to be the fruit servant of Lingguo Garden is simply lawless. Although the fruit servant has a humble status, he is also helping the Nine Heavens God to take care of Zhen Guo, and has a heavy responsibility.

At this moment, Gong Ao, who was standing by the side, walked out slowly and respectfully said to the Nine Heavens God: "Qi, Your Majesty, this Yue Feng is not only a fake fruit servant, but also in the Yuyao Xianyuan of Empress Hua Zhao at that time. Your Majesty, at that time, my subordinates were going to arrest him, but he ran away!"

Gong Ao's face was calm when he said this, but his heart was extremely complicated.

To be honest, Yue Feng ran away under his nose two days ago, which made Gong Ao very embarrassed. He planned to keep it secret, but at this time, Shi Geng sued Yue

Feng about the fake fruit servant. After thinking about it, I decided to report what happened two days ago.

After all, these things cannot be hidden.

Swish!

Hearing this, Jiutian God's face was extremely ugly, his anger was also rising, and he shouted angrily: "This Yue Feng is simply lawless!"

The many priests on both sides were also extremely angry.

"How dare you pretend to be Your Majesty!"

"You must be severely punished!"

In the discussion of the priests, Gong Ao stood there with no expression on his face.

"Gong Ao!"

At this time, the Nine Heavens God looked at Gong Ao and asked, "I ask you, where is Yue Feng fleeing to?"

Gong Ao quickly responded: "Avoid, at that time, my subordinates chased the area around Guixian Mountain. , that Yue Feng disappeared. At that time, his subordinates went to Mr. Guigu's residence to inquire, but Mr. Guigu did not allow his subordinates to search."

After speaking, Gong Ao thought for a while and continued: "This subordinate feels that , that Yue Feng may have something to do with Mr. Guigu!"

Hu...

Hearing this, the entire Yutian Palace was instantly silent.

Many priests looked at each other with complicated expressions.

Mr. Guigu, in the human world, is regarded as the number one person through the ages. Bogutong knows everything today, and even the Nine Heavens God is treated as a guest. If the daring Yue Feng is related to Mr. Guigu, it would be bad. done.

At the same time, Jiutian God also frowned and pondered.

Chapter 3598

A few seconds later, Jiutian God stared at Gong Ao: "Gong Ao, is what you said true?" In Jiutian God's heart, he respects Guiguzi very much, and does not want to believe that a lawless Yue Feng will be related to Guiguzi.

This...

Gong Ao scratched his head with a look of hesitation.

Yue Feng and Guiguzi are related, it is completely his own guess, there is no evidence.

For a while, Gong Ao was flustered, if he couldn't prove it, he would be deceiving you.

"Your Majesty!"

Just when Gong Ao was in a state of panic, a priest came out and said to the Nine Heavens God: "I met Immortal Beiming yesterday, and seeing him angrily scolding his female disciple, I asked curiously, Immortal Beiming asked. But it was secretive. Later, the minister secretly inquired. It turned out that Immortal Beiming went to Guixian Mountain as a guest. As a result, the female disciple was very naughty and had a conflict with Mr. Guigu's little book boy. For this reason, Immortal Beiming punished him. Female disciple!"

Having said that, the priest analyzed: "As we all know, Mr. Guigu has been living alone not long after he came to God's Domain, why suddenly there is a little book boy beside him? The minister guessed that this little book boy might be the daring one. The Yue Feng!" The

last sentence fell, and the entire Yutian Palace was in an uproar again.

"Your Majesty!"

At the same time, Gong Ao suddenly became excited: "It seems that your subordinate's guess is correct, this Yue Feng is indeed related to Mr. Guigu!"

At this time, Gong Ao was very excited.

That's great, the clues that someone said, they are not deceiving you.

Jiutian God pondered for a while, and then ordered the soldiers outside the hall: "Go, immediately summon the female disciple of Immortal Beiming!"

"Yes!"

Upon receiving the order, the divine soldier responded and hurried to Beiminghai.

After a while, Li Ran came to the main hall and knelt down respectfully at the Nine Heavens God: "Li Ran, Beiminghai, I have seen Your Majesty!" Although Li Ran is rather unruly, but he must behave himself when he has met the Nine Heavens God.

Speaking of which, Li Ran was thinking behind closed doors, but when he learned that the Nine Heavens God had called him, he hurried over.

Nine Heavens God nodded and signaled that he would be excused.

At this time, Gong Ao asked Li Ran, "Let me ask you, you and your master, have you been to Guixian Mountain in the past two days?"

"Yes!"

Gong Ao continued to ask, "Are you and Guigu? There's a conflict between Mr. Guigu's little book boy?"

Li Ran was stunned for a moment, feeling inexplicably frightened: "Yes, I was ignorant at the time, so I started hands with Mr. Guigu's little book boy."

At this time, Li Ran thought that Jiutian God called himself here because he offended Mr. Guigu. After all, Guiguzi was regarded as a guest by Jiutian God.

When he got the answer, Gong Ao's face was overjoyed, and he continued to ask: "What's the name of that little book boy?"

Li Ran bit his lip lightly: "Okay...it seems to be Yue Feng!"

Shuh!

Hearing this, the entire Yutian Palace exploded.

"It's really him..."

"I didn't expect that such a daring thief has something to do with Mr. Guigu."

In the surrounding discussion, Gong Ao was also extremely excited, and said to the Nine Heavens God: "Your Majesty, that Yue Feng pretended to be Your Majesty, you are daring, and he is Guiguzi's book boy, so Guiguzi must have nothing to do with it."

Jiutian God's face was extremely ugly, and he said coldly: "Invite Guiguzi immediately!"

As soon as the voice fell, Gong Ao quickly said: "Your Majesty!"

"Why?" Jiutian God frowned.

Gong Ao took a deep breath and said slowly: "If Yue Feng pretended to be Your Majesty, it was Guiguzi's instigation or instructions, and now His Majesty has summoned, Guiguzi will definitely be prepared, why don't we immediately lead our troops to Guixian Mountain? ."

Chapter 3599

Hearing this, Jiutian God pondered for a while, nodded and said: "Okay, just as you said!"

After saying that, Jiutian God looked around: "You can mobilize the army and set off on Ghost Immortal Mountain."

"Yes, Your Majesty!"

Soon, tens of thousands of divine soldiers and generals, under the leadership of the Nine Heavens God, marched mightily towards Guixian Mountain.

.....

At this moment, Ghost Immortal Mountain!

In the beautiful courtyard, Guiguzi was sitting there, deducing the divination on the stone table.

It's been a day since Yue Feng entered the sealed land of the demon clan, and he doesn't know what's going on now.

At this time, Guiguzi carefully looked at the hexagrams, preparing to calculate Yue Feng's situation at this time, and suddenly, he sensed a wave of aura that came from not far away.

Guiguzi immediately looked up and saw tens of thousands of divine soldiers and generals coming like a tide, all of a sudden surrounding the entire Guixian Mountain. The leader, with a powerful aura, was the God of Nine Heavens!

Seeing this scene, Guiguzi was stunned for a moment, then slowly stood up and bowed to the Nine Heavens God: "It turns out that His Majesty is here!"

At this time, Guiguzi was very calm.

If others saw this scene, they would have panicked, but Guiguzi was very different from ordinary people. Seeing that the Nine Heavens God led the army, Guiguzi didn't have the slightest fluctuation in his heart.

Nine Heavens God nodded, his face calm.

At this time, Gong Ao stepped forward and shouted at Guiguzi: "Guiguzi, hand over the person immediately!"

Hand in person?

Guiguzi frowned slightly and responded, "Who is it? I don't know what you're talking about."

Guiguzi has a quick mind. As soon as Gong Ao opened his mouth, he knew that it was Yue Feng, so he deliberately pretended to be confused and planned to fool him.

Hearing the answer, Gong Ao said coldly: "Mr. Guigu, don't pretend to be confused, your book boy Yue Feng, not only pretended to be the fruit servant of Lingguoyuan, but also pretended to be your majesty, offending Tianwei, if you know the person, you will be punished. Hand it over."

Phew!

Guiguzi took a deep breath, his face was calm, but his heart was secretly complaining.

Oops, what Yue Feng did before has been known to the God of Nine Heavens, these are big troubles!

At the same time, Guiguzi was also a little fortunate.

Fortunately, Yue Feng accidentally entered the sealed land of the demon clan, otherwise, today would be doomed.

Thinking to himself, Guiguzi smiled and said, "Oh, you're talking about my little book boy! He's not here." After speaking

, Guiguzi stepped aside and said calmly, "If you don't believe me, just search!"

"Haha!

" Ao sneered, no nonsense, and immediately rushed into the room with some magic soldiers and began to search. What only made him annoyed was that the room was empty, how could there be a shadow of Yue Feng?

Soon, Gong Ao came out of the room and asked Guiguzi, "Where are the people?"

Guiguzi ignored Gong Ao, looked at the Nine Heavens God, and said slowly: "Your Majesty, what Yue Feng did before was indeed lawless, but There is also a reason for this, now that Yue Feng is no longer in the realm of the gods, I implore Your Majesty to open the door."

Shuh!

Seeing Guiguzi ignoring him, Gong Ao was extremely annoyed, and when he heard Guiguzi's words, he couldn't help it, and shouted, "Shut up, that Yue Feng pretends to be Your Majesty, it's not a pity to die 10,000 times, you Jane In a single sentence, this is over?"

The voice fell, and the God of the Nine Heavens, who had been silent, also slowly said: "Mr. Guigu, I have always respected you very much, and I believe what you said, that Yue Feng has done so many things, maybe there is a reason for it, but he faked me, ignoring Tianwei, this matter must not be tolerated, if you tell his whereabouts, I will never embarrass you!"

When he said this, Jiutian God's voice was gentle, but his eyes were full of anger.

You must know that the Nine Heavens God is the master of the gods, and even controls the fate of the human world and the ghost world, but Yue Feng has desecrated his majesty, how can he not be angry?

Guiguzi breathed a sigh of relief, shook his head and said, "Where did Yue Feng go, I don't know!" The

voice was not loud, but there was no doubt.

Among all Guiguzi's apprentices, Yue Feng is the most admired, how could he tell his whereabouts?

Chapter 3600

Swish!

Hearing this answer, whether it was the Nine Heavens God or the surrounding gods and soldiers, their expressions changed.

The next second, Gong Ao shouted: "Good, you Guiguzi, Your Majesty appreciates you so much, treats you well, and even gave you Guixian Mountain unconditionally, but you, for a little book boy, want to go against His Majesty!"

With that said, Gong Ao asked Jiutian God for instructions: "Your Majesty, this Guiguzi doesn't care about you so much, just take it down!"

Jiutian God did not respond, but his face was gloomy, obviously acquiescence!

Seeing the face of Jiutian God, Gong Ao did not hesitate, raised his hand and waved: "Quick, take down Guiguzi!"

Whoa!

The voice fell, and tens of thousands of gods and soldiers rushed forward directly thinking of Guiguzi.

Looking at the tens of thousands of divine soldiers and generals rushing in, Guiguzi didn't panic at all, instead, a bitter smile appeared on his face.

I thought that I would be able to live some leisurely days by ascending into the realm of the gods, but I never thought that the peaceful days would be broken so quickly.

....

on the other side, the place where the demons are sealed!

Huhu...

In the unfathomable abyss, Yue Feng's body kept falling, and the wind whistled in his ears.

Yue Feng saw that the abyss was pitch-black, and he didn't know how deep it was.

Seeing this kind of environment, Yue Feng was inexplicably panicked.

This abyss is bottomless, and I don't know if there is any danger. Also, the White Tiger King's palm is very powerful.

Pfft!

Finally, after an unknown amount of time, Yue Feng's feet touched the ground, and the powerful falling impact force made Yue Feng feel stuffy in his heart, and at the same time he took a dozen steps back before he stabilized his figure.

After standing firm, Yue Feng took a deep breath and looked around, suddenly feeling depressed.

Nima, what is this place below? The light is so dim that I can't see anything clearly.

Whoosh.

It was at this time that he heard a movement above his head, and then, Yue Feng saw a slender figure falling not far away.

Um!

At the moment of landing, the figure let out a tender cry, the voice was very soft, but it showed a bit of pain.

It's the Suzaku Queen!

Seeing Queen Suzaku, Yue Feng hurried over to check the situation!

Swish!

Before taking two steps, Queen Suzaku found Yue Feng, and a strong killing intent flashed in her eyes.

What the hell!

Feeling the killing intent of Queen Suzaku, Yue Feng suddenly became alert and instinctively wanted to retreat, but he quickly calmed down.

Yue Feng clearly sensed that Queen Suzaku was beaten by the White Tiger King before, and she was very weak at this time. His face was pale, and he seemed to be unable to stand up, not threatening himself.

Thinking to himself, Yue Feng put down his guard and began to look up and down at Queen Suzaku.

call!

Appreciating it so close, Yue Feng was stunned.

I have to say that this Queen Suzaku is not only unparalleled in beauty, but also has a unique aura. Even if she is extremely weak at this time, her unique temperament is still eye-catching.

Yue Feng's gaze made Queen Suzaku very embarrassed and angry!

The next second, Queen Suzaku stared at Yue Feng coldly, her eyes full of resentment: "You've hurt me so badly, I'll blow your bones to ashes!"

The ultimate husband in Chinese chapter 3601-3610

Chapter 3601

The Queen Suzaku at this time is almost furious!

Originally, he was caught off guard by killing the Beast Alliance today, but he was completely disrupted by this Yue Feng. If it weren't for this Yue Feng, he would not have been trapped in the stone formation, nor would he have been attacked by the White Tiger King.

When she thought that she fell into the abyss, the members of the Feiyu League might be persecuted by the White Tiger King, and Queen Suzaku was even more anxious.

“Queen Suzaku!”

Feeling the anger of Queen Suzaku, Yue Feng showed a smile: “You are too domineering, just now you Feiyu League and Beast League fought, I was just watching the battle, but your subordinates did not He shot at me indiscriminately. At that time, I was forced to help the Beast League!”

“Also, if you didn't want to catch me just now, you wouldn't have been attacked by the White Tiger King. Besides, I was still attacked by you. Hit it down...”

When he said this, Yue Feng was very depressed.

Nima, that White Tiger King is really insidious. In order to destroy the Suzaku Queen, it is simply a no-brainer. After all, he is also the Dragon Zun of the Qinglong family, and he has no scruples.

Huh....

Hearing this, Queen Suzaku bit her lip tightly and couldn't help mocking: “Don't come with me like this, you help the Beast League, you are my enemy! Also, even if you are killed by the White Tiger King As a chess piece, it deserves it!” What the

hell!

At this moment, Yue Feng was speechless and said with a wry smile: “Queen Suzaku, in fact, I think your Suzaku clan and Baihu clan are the four innate beasts, there is no need to do this, and you are all trapped here. , it should be a group...”

Before she finished speaking, she was interrupted by Queen Suzaku: “Shut up, this is our business, you are not qualified to judge!”

Saying that, Queen Suzaku's eyes flashed with anger, and she shouted: "No matter what, I will kill you today!" The

voice fell, Queen Suzaku struggled to stand up and slapped Yue Feng with a palm!

This chapter is provided by . Visit for daily update.

Ugh!

Seeing Queen Suzaku's palm hitting, Yue Feng did not panic at all, but sighed in his heart, because Yue Feng clearly felt that Queen Suzaku's palm had no strength at all.

Obviously, Queen Suzaku was hit hard by the White Tiger King's raid before.

Yue Feng took a step back, easily dodging the palm, and said slowly: "Queen Suzaku, let's fall into this abyss together, we are connected by fate, why kill each other?"

"Shut up!" Suzaku The Queen reprimanded in a low voice and hit Yue Feng again.

Seeing her so persistent, Yue Feng could not laugh or cry. Speaking of which, the Queen Suzaku was very weak at this time, and Yue Feng could easily subdue her.

But after thinking about it, Queen Suzaku was in such a situation, and it really had something to do with her, so she held back!

Under such circumstances, Yue Feng had no choice but to continue to dodge, while at the same time consoling Queen Suzaku: "You have suffered such a serious injury, so don't bother, save your energy!"

However, Queen Suzaku would not listen to her and would not start it. Attacking, Yue Feng is very helpless, just defending, not attacking.

Swish swish...

At this moment, there was a burst of breath fluctuations from the top of the head, and then, three figures were seen, and they quickly landed.

Hearing the movement, Queen Suzaku immediately stopped.

Yue Feng also looked at it subconsciously.

I saw that these three figures were three young men, all of them were quite tyrannical in strength. They were all wearing gorgeous golden robes and had extraordinary temperament.

These three young men were the subordinates of Queen Suzaku, and the leader was called Jin Peng, the leader of the Jin Peng clan.

When Queen Suzaku brought the Feiyu League members to attack the Beast League, she ordered Jin Peng to stay at the Feiyu League station. According to the plan, Queen Suzaku would return soon. I couldn't wait for the news from Queen Suzaku, so I had to bring my subordinates to check.

Chapter 3602

As a result, when he arrived near the Beast League, Jin Peng learned that Queen Suzaku was shot into the abyss. Jin Peng didn't have time to think about it, and immediately brought two right-hand men, avoiding the eyes and ears of the White Tiger King, and went down to the abyss to check.

Speaking of which, this abyss is unfathomable, but all members of the Feiyu League are good at flying, so Jinpeng reached the bottom of the abyss smoothly.

Suzaku Queen!

At this moment, seeing Queen Suzaku, Jin Peng's face was overjoyed, and he was very excited.

Afterwards, feeling that Queen Suzaku's aura was extremely weak, Jin Peng was stunned for a moment, then turned his eyes and began to mutter in his heart.

Queen Suzaku is injured, do you have a chance?

Queen Suzaku has three powerful assistants, namely Phoenix, Peacock and Jinpeng.

In Jin Peng's heart, his ability is no worse than that of Phoenix and Peacock, but he is not valued by Queen Suzaku at all. Take this Feiyu League's attack on Beast League as an example, Queen Suzaku did not bring Jinpeng, but let him stay. at the station. This made Jin Peng very upset.

However, Queen Suzaku's strength is strong, and although Jin Peng has complaints in his heart, he does not dare to show it.

At this time, seeing that Queen Suzaku was seriously injured, Jin Peng's mind instantly became active, and a bold thought flashed in his mind.

Taking advantage of Queen Suzaku's weakness, seize the power of bird ancestors in her body. You must know that Suzaku is the ancestor of all birds, and has a very powerful bird ancestor power. As long as the bird ancestor power is obtained, Jinpeng can surpass the phoenix and the peacock.

What the hell!

At this moment, seeing the three Jinpeng approaching, Yue Feng's heart was shocked, and he suddenly became nervous.

Yue Feng was very thoughtful, and he could guess from Jin Peng's three outfits that he was the subordinate of Queen Suzaku.

"Queen Suzaku, we will have an appointment in the future!" In the

next second, Yue Feng reacted, greeted Queen Suzaku, turned around and ran away.

Queen Suzaku hated herself to the core, and it was only because she was weak that she couldn't hurt herself. Now three subordinates suddenly came, and the situation was completely different. It would be too late if she didn't run.

Sure enough, seeing Yue Feng escape, Queen Suzaku frowned.

Immediately, Queen Suzaku ordered Jin Peng, "Jin Peng, grab this person immediately!"

Huh!

Hearing Queen Suzaku's order, Jin Peng stood there without moving, not chasing Yue Feng at all.

In Jinpeng's heart, the Queen Jinpeng was very weak at this time, and it was a good opportunity to replace her. How could it be possible to waste time on a human being?

"Jin Peng?"

Seeing Jin Peng standing still, Queen Suzaku came on fire for no apparent reason, and shouted tenderly, "Can't you hear my order?" After saying that, Queen Suzaku looked at the direction Yue Feng was leaving, anxious.

This Yue Feng can use some rocks to trap himself, which is very unusual. If he can escape successfully, there will be endless troubles.

"Haha!"

At this moment, the corners of Jin Peng's mouth twitched, and he looked at Queen Suzaku with a smile: "Suzaku, you're just a human, you don't need to spend a lot of time, let's talk about business!"

Business?

Hearing this, Queen Suzaku frowned and said displeased: "What is the matter!"

At this time, Queen Suzaku was very annoyed. This Jinpeng not only disobeyed his orders, but also called himself a taboo, which is simply presumptuous!

However, Queen Suzaku was holding her own. She didn't have an immediate attack, but wanted to see what Jin Peng was going to say.

Chapter 3603

Feeling the displeasure of Queen Suzaku, Jin Peng didn't panic at all.

In the next second, Jin Peng took a few steps forward and looked at Queen Suzaku with a half-smiling smile: "Suzaku, do you know that after you fell into this abyss, most of the members of the Feiyu League have surrendered to the White Tiger King. ."

What?

Hearing this, Queen Suzaku's delicate body trembled, and the whole person was stunned.

Many members of the Feiyu League have all taken refuge in the White Tiger King?

For a time, Queen Suzaku was inexplicably indignant, and at the same time she couldn't help but blame herself. If she hadn't underestimated the enemy, she wouldn't have made a mess.

"Suzaku!"

Just when Queen Suzaku was blaming herself, Jin Peng said coldly, "All of this is because you are too conceited. For the future of Feiyu League, I will show you a way to pass on the power of Bird Ancestor. Give me, in the current situation, only I, Jinpeng, can revive the Feiyu League!"

Swish!

At this moment, Queen Suzaku's heart was shocked, her eyes fixed on Jin Peng, and she shouted: "Jin Peng, you are so bold, how dare you commit this crime?"

At this time, Queen Suzaku was extremely annoyed.

She never thought that Jin Peng, who has always been loyal to her, would be so insidious at this time, and she actually wanted the power of her bird ancestors. You must know that Bird Ancestor's power is the source of his own power. Once lost, it will be completely useless.

“The following is a crime?”

Jin Peng couldn't help laughing at the sky, his eyes were full of gloom and abuse:
“Suzaku, it is undeniable that as one of the four innate spirit beasts, your strength is far higher than mine, but don't forget, how did you become the leader of the Feiyu Alliance, I fully supported you at the beginning, and I have always been loyal to you, but what about you?”

“In your heart, you have always reused the phoenix and peacock. If there is anything good, you are always the first to think of them.”

“As far as this matter is concerned, in your heart, I am only qualified to stay at the station.”

Jin Peng The more he talked, the more excited he became, his eyes flashing with madness.

call!

Seeing that she was sober, Queen Suzaku breathed a sigh of relief and said slowly,
“That's why you want to replace me?”

“That's right!” Jin Peng said without hesitation, gritted his teeth, “You were injured by the White Tiger King today. It's God's will. Haha... I'm destined to rise up today, Jinpeng.”

Said, Jinpeng stared at Queen Suzaku: “Accept your fate, pass on the power of bird ancestors to me!”

“You traitor!”

Queen Suzaku On the delicate face, there is a bit of determination: “My Suzaku is one of the four innate spiritual beasts, and the power of bird ancestors is innate. How can you have a shameless person like you.”

“I want bird ancestors . Power, unless I die!”

Om!

After the last sentence fell, Queen Suzaku raised her jade hand, and a burst of light flashed from her body. Then, in front of Queen Suzaku, the air suddenly ripped apart, and a red flaming sword appeared!

This fiery sword was blood-red, burning with a scorching flame. When it appeared, the surrounding temperature suddenly increased dozens of times.

“Do you still want to resist? I'm afraid you won't have a chance!”

Jin Peng's eyes flickered when he saw Queen Suzaku summoning the sword, showing a bit of fear, but he quickly calmed down, because he knew that Queen Suzaku was already at this moment. The end of the crossbow.

buzzing....

Jin Peng didn't talk nonsense. He raised his right hand and grabbed a golden long knife. At the same time, the two companions by his side quickly summoned weapons!

Immediately afterwards, three figures of Jinpeng fought fiercely with Queen Suzaku.

Speaking of which, Queen Suzaku is very powerful. In normal times, the three Jin Pengs are not opponents at all, but Queen Suzaku was injured by the White Tiger King before, and she is extremely weak. At this time, facing the siege of Jinpeng and the three, she is completely unable to resist.

Soon, Queen Suzaku was stubbornly suppressed, and her actions were very critical.

.....

the other side!

Yue Feng did not return, and ran for a few minutes before slowing down.

strangeness!

Chapter 3604

The three subordinates of Queen Suzaku are not weak, but they didn't catch up?

Muttering in his heart, Yue Feng stopped, the more he thought about it, the more he felt that something was wrong.

Why don't you go back and have a look?

After making up his mind, Yue Feng immediately returned the same way.

What the hell!

Soon he arrived at the previous place, and the scene in front of him made Yue Feng stunned.

I saw that Queen Suzaku was being besieged by Jin Peng and the three of them. She only had the ability to parry, and she had no power to fight back. Her delicate face was pale and weak.

What's the matter!

For a time, Yue Feng only felt that his brain was buzzing, and the whole person was confused.

Aren't those three guys in golden robes the subordinates of Queen Suzaku? How did you get into a fight with Queen Suzaku? Is this a rebellion?

"Suzaku!"

Just when Yue Feng was muttering, he heard Jin Peng shouting proudly: "Don't support it, your current strength is not our opponent at all, let's give it up, obediently use the power of bird ancestors. Pass it on to me! As long as you agree, I can save your life."

Queen Suzaku bit her lip and did not respond, but her eyes were extremely determined.

She thought about it, if she died here today, Jin Peng would not be able to succeed.

call!

Seeing this scene, Yue Feng frowned, Nima, it turns out that these three guys really rebelled.

Muttering in his heart, Yue Feng's mind quickly turned, thinking about how to rescue Queen Suzaku.

Speaking of which, Queen Suzaku wanted to kill Yue Feng just now, and Yue Feng didn't want to take risks for her, but the Feiyu League's rout today was indeed caused by Yue Feng. Moreover, the fact that Queen Suzaku can be severely injured by the White Tiger King is also directly related to Yue Feng.

Under such circumstances, seeing Queen Suzaku in danger, it was difficult for Yue Feng to sit back and watch.

Nima!

However, after thinking about it for a while, Yue Feng didn't think of a way. It was dark all around, and there was not a single stone, so there was no way to deploy the formation.

It's even worse to rush up directly. These three guys are very strong, and they rush up rashly. I'm afraid that Queen Suzaku will not appear, and they will also put themselves in danger.

How to do?

For a time, Yue Feng was so anxious that he scratched his head.

In the next second, Yue Feng looked around again, looking at the dim environment around him, he suddenly had a flash of inspiration and had an idea.

At this time, in the battlefield not far away.

Under the constant attack of Jin Peng and her companions, Queen Suzaku's face was pale, her delicate body was trembling, and she was almost unable to hold on.

"Haha..."

Jin Peng sneered and mocked: "Suzaku, don't resist, this place is so hidden, you wouldn't think someone came to save you!"

When he said this, Jin Peng was extremely proud, his eyes twinkling. Excited glow.

He clearly felt that Queen Suzaku couldn't hold it anymore. As long as she was restrained, she could gain the power of Bird Ancestor. Can you not be excited?

hum!

As soon as the words fell, Jin Peng sensed that there was a wave of aura in the darkness not far away.

Immediately afterwards, a low and majestic voice came: "There is a sound of fighting ahead, go and check immediately."

"Yes!"

Jin Peng's face changed greatly when he heard these voices.

It was broken, and the White Tiger King came down with his hands.

In the next second, Jin Peng didn't have time to think about it, and greeted his two companions: "Hurry up, hurry up!" With that, Jin Peng took the first step and ran towards the distance.

Chapter 3605

While leaving, Jin Peng glanced at Queen Suzaku, very unwilling.

Ma De, seeing that he was about to restrain Queen Suzaku, he suddenly gave up, he was really unwilling, but the White Tiger King was here, if he didn't leave quickly, it would be too late.

The two companions were also panicked, followed Jin Peng and quickly disappeared into the darkness.

call!

Seeing the three Jin Peng escape, Queen Suzaku breathed a sigh of relief, and at the same time, she also looked vigilantly in the other direction, her heart was bitter.

Although Jin Peng is gone, the White Tiger King is about to rush over. Is it true that he is doomed today?

Just when Queen Suzaku was a little desperate, she saw a handsome figure walking slowly not far away, with a cynical smile on her face.

It was Yue Feng.

“You...”

Seeing Yue Feng, Queen Suzaku’s delicate body trembled, her beautiful face was full of surprise, and she was completely stunned.

What’s the matter, I heard the voice of the White Tiger King just now, why... it was Yue Feng?

Haha...

Seeing Queen Suzaku’s expression, Yue Feng looked leisurely and said with a smile: “Queen Suzaku, did those three traitors flee away?”

Yue Feng felt extremely relaxed when he said this.

“You...” Queen Suzaku took a deep breath, unable to hide her doubts, and asked, “Yue Feng, how could it be you? Where is the White Tiger King?”

While asking, Queen Suzaku couldn’t help but look behind Yue Feng , and found that there was nothing behind Yue Feng, and there was no figure of the White Tiger King.

“Don’t look for it, I was the one who spoke just now!” Yue Feng said with a smile.

That’s right, the voice of ‘White Tiger King’ just now came from Yue Feng. At that time, Yue Feng couldn’t think of any other way. When he had an idea, he used ventriloquism to imitate the tone of the White Tiger King, creating the illusion that the White Tiger King was coming.

I have to say that Yue Feng imitated the tone of the White Tiger King so vividly that he not only successfully deceived the three Jin Pengs, but even Queen Suzaku didn't notice it.

What?

Hearing this, Queen Suzaku was stunned for a moment, staring at Yue Feng blankly, her eyes full of incredulity.

Can he imitate the voice of the White Tiger King?

The next second, Queen Suzaku couldn't help but ask: "How did you do it?"

At this time, Queen Suzaku's hatred for Yue Feng was not as strong as before, and at the same time, she was a little more curious.

Yue Feng laughed and said disapprovingly: "It's nothing, it's just a little trick." After speaking, Yue Feng came over and asked, "Are you okay

?" "Are you okay?

"

When he got up, he let out a low moan, his eyebrows were knitted together, and his face was full of pain.

At the same time, blood kept coming out of her. Obviously, in response to Jinpeng's three sieges just now, Queen Suzaku was injured again, and the injury was very serious.

What the hell!

Seeing this scene, Yue Feng was startled, and at the same time, he couldn't express his admiration.

This Queen Suzaku has a very tough character, she didn't even shout after being so badly injured.

I thought to myself, Yue Feng was going to help him.

Whoa!

However, at this moment, I heard footsteps not far away, and then I saw the three Jin Pengs, clutching their weapons, and rushing back.

In the blink of an eye, three Jin Pengs arrived.

“Ma De!”

Seeing the scene in front of him, Jin Peng had a grim expression on his face: “As expected, I guessed it, the White Tiger King is not here at all.” Jin Peng was very nervous when he fled just now, but he quickly calmed down.

The ultimate husband in Chinese chapter 3606-3610

Chapter 3606

Afterwards, the more Jin Peng thought about it, the more he felt that something was wrong. This place was at the bottom of the abyss, and it was impossible for the White Tiger King to come down. Thinking of this at that time, Jin Peng decisively returned with his companions.

Nima!

Seeing the three Jinpeng go and return, Yue Feng’s face changed, and he secretly complained in his heart!

Queen Suzaku also trembled, unable to express her anxiety.

“Go!”

At this moment, Jin Peng did not hesitate, howled, and rushed over with his two companions.

At this moment, Yue Feng didn’t have time to think about it, he directly summoned Fang Tianhuaji, and at the same time blocked the Queen Suzaku behind him: “I’m blocking them, you hurry up!”

Phew!

Seeing Yue Feng standing in front of her decisively, Queen Suzaku instantly became complicated, and she shook her head and said, “You are not their opponent, leave me alone, hurry up!”

In her heart, Jin Peng’s betrayal of herself was a matter of the Feiyu League. , do not want to implicate Yue Feng.

Just as he was talking, the three Jinpeng rushed to the front.

“Where’s the kid!”

At this moment, Jin Peng glanced coldly at Yue Feng and shouted, “Get to the side quickly, or I will kill you together!”

In Jin Peng's eyes, Yue Feng in front of him was a little threatening. None, not at all.

However, Yue Feng did not flinch at all, and said coldly: "As a subordinate, but you commit the following crimes, aren't you afraid of suffering retribution?"

Shuh!

Hearing this, Jin Peng's face was extremely ugly: "You are courting death!" The voice fell, and the long sword in Jin Peng's hand burst out with a dazzling light, and slashed towards Yue Feng!

Yue Feng took a deep breath and quickly raised Fang Tianhuaji to block it.

"Bang!"

In an instant, the long knife and Fang Tianhuaji collided fiercely, and under a huge shock, Yue Feng only felt a terrifying force coming, groaned, and the whole person staggered back!

After taking a full ten steps back, Yue Feng stabilized his figure, his face was pale, and his blood was surging at the same time.

Nima!

Yue Feng took a deep breath and looked at Jin Peng in astonishment.

The strength of this guy is too strong!

"Go to hell!"

Just when Yue Feng was horrified, Jin Peng shouted and charged again.

"Be careful!"

Seeing this scene, Queen Suzaku couldn't help but exclaimed. At the same time, she wanted to rush over to help Yue Feng meet the enemy, but she was too weak, and with too much blood loss, she was completely powerless!

Yue Feng also had a solemn expression on his face, feeling the power of Jinpeng, Yue Feng didn't have time to think about it, he burst out the strength of his whole body and concentrated on Fang Tianhuaji.

boom!

The next second, the silhouettes of Yue Feng and Jin Peng collided, and a terrifying vibration broke out. Immediately after, Yue Feng flew out like a kite with a broken string, and sprinkled a rain of blood in the air.

After flying dozens of meters, Yue Feng landed heavily on the ground.

Speaking of which, with Yue Feng's current strength and his Primordial Spirit in his body, he can already look down on the entire human world, but at this time he is facing Jinpeng. Jinpeng is commonly known as the Golden Winged Dapeng. Although its status is not as good as that of Suzaku, it is also born of a congenital aura.

Back then, when God Domain launched a divine war, Jin Peng fought against tens of thousands of divine soldiers and generals alone. His background was not comparable to Yue Feng's.

"Yue Feng!"

Seeing this scene, Queen Suzaku's delicate body trembled, and she burst into tears: "I told you to leave me alone, hurry up, why don't you leave?"

Yue Feng showed a smile and wanted to respond, But he couldn't speak, he clearly sensed that his Primordial Spirit had been hit hard, and his body was extremely weak.

Chapter 3607

"Haha!"

At this moment, Jin Peng's face was hideous, and he glanced at Yue Feng with disdain: "You are the Dragon Lord of the Qinglong family, right? Your identity is unusual, but your strength is not very good."

"Just You alone want to save Suzaku? Today I'll send you two on the road together!" In the

last sentence, Jin Peng almost howled, his expression extremely crazy.

Afterwards, Jin Peng clenched the long knife and walked towards Yue Feng step by step.

Nima!

At this time, Yue Feng, in addition to being shocked, was also extremely desperate.

It's over, it's over now, I thought that with ventriloquism, the three Jin Pengs would be scare away, and Queen Suzaku would be fine, but I never expected that Jin Peng would come back.

What Yue Feng didn't expect was that Jinpeng's strength was so terrifying.

At this time, Jin Peng walked up to Yue Feng, and without any hesitation, the long knife stabbed directly.

At this time, Yue Feng was extremely weak and completely lost the ability to resist. This knife could not be avoided at all.

call!

Yue Feng took a deep breath and closed his eyes reluctantly.

Did it die like that? It's so frustrating.

hum!

Seeing that this knife was about to pierce Yue Feng, at this critical moment, a terrifying force swept in from not far away, Jin Peng and Yue Feng were both stunned, and then turned their heads to look.

Seeing this, both Yue Feng and Jin Peng were all stunned.

I saw that Queen Suzaku, who was envious and weak, was now quietly suspended in the air, her pale face was somewhat firm and complicated, and a red halo shrouded her body.

At the same time, a terrifying force continuously erupted from Queen Suzaku's body. Under the raging force of this force, the surrounding air has been torn apart, showing a circle of black cracks!

what's going on?

Seeing this scene, Yue Feng was secretly shocked, and at the same time had a bad premonition.

He clearly felt that the Queen Suzaku in front of her had all the strength she had.

"This..."

At the same time, Jin Peng was also stunned, staring blankly at Suzaku, speechless.

Huhuhu.....

In the blink of an eye, the power that Suzaku burst out became stronger and stronger, and then, the red halo that enveloped the whole body condensed into a fist-sized red

bead. The beads were crystal clear, with a deep red flame burning on the surface, and inside, a pattern of a bird spreading its wings could be vaguely seen.

The power of bird ancestors!

Seeing this bead, Jin Peng suddenly became excited, and his eyes were fixed on the red bead, which was extremely hot.

“Yue Feng!”

At this moment, Queen Suzaku’s red lips lightly opened, and she said to Yue Feng: “In this bead, the power of Bird Ancestor and the power of my life are combined, and now I will pass it on to you, please In the future, you must protect my Suzaku family...”

When she said this, Queen Suzaku’s tone was very gentle and gentle, but there was no doubt.

Yes, Queen Suzaku is going to pass on the power of bird ancestors to Yue Feng.

To be honest, as the leader of the Feiyu League and the ancestor of the hundred birds, Suzaku didn’t want to do this, but there was no way, the current situation was already firmly under the control of Jinpeng.

In this case, the only thing Queen Suzaku can do is to pass on the power of Bird Ancestor to Yue Feng before Jin Peng catches her.

Although Yue Feng is a human being, he came back to help Suzaku resist Jin Peng at a critical moment.

What?

Chapter 3608

Hearing Queen Suzaku’s words, Yue Feng was completely dumbfounded, standing there, his head was buzzing.

Suzaku wants to pass on the power of bird ancestors to me?

Thinking to himself, Yue Feng couldn’t help but say: “This is impossible, my strength is still shallow, how can I be qualified to have the power of bird ancestors?”

Although Yue Feng is arrogant, he also has self-knowledge, his current strength, in the human world, perhaps It is rare to meet an opponent, but here, it is completely inferior. After all, this is the place where the monsters are sealed.

More importantly, the power of Vermillion Bird's ancestors is no trivial matter, and it is even related to the future of the entire demon clan. How dare Yue Feng accept it.

However, Queen Suzaku's face was resolute, and Yue Feng could not refuse at all.

Swish!

At this moment, Jin Peng reacted, his face was extremely ugly, and shouted at Queen Suzaku: "Good you Suzaku, I would rather give the power of bird ancestors to a human than to me."

"I tell you, bird ancestors I'm going to make up my mind." The

last word fell, and Jin Peng's figure burst out like a cannonball, rushing directly towards Queen Suzaku.

Yue Feng was taken aback, this Suzaku Queen took the initiative to show the power of Bird Ancestor, didn't it make Jin Peng cheap for nothing? Anxious, Yue Feng wanted to stop him, but he couldn't use any strength on his body.

hum!

In the blink of an eye, Jin Peng rushed in front of Queen Suzaku, and reached out to grab the blood-colored bead. He saw a dazzling light burst out from the bead. At the same time, an extremely strong anti-shock force erupted. Jin Peng had no time to react, the whole person was shocked and flew out.

Flying more than 100 meters, Jin Peng landed heavily on the ground, spurring a mouthful of blood.

How could this be?

Jin Peng stood up quickly, staring at Queen Suzaku, terrified.

Yue Feng was also stunned. He never thought that the power of the ancestor of the bird contained in this blood-colored bead would be so powerful.

"Jin Peng!"

At this moment, Queen Suzaku looked at Jin Peng with a blank expression, and said word by word, "I said before, a scum like you is not qualified to possess the power of bird ancestors, so don't waste your time."

As soon as the voice fell, Queen Suzaku raised her jade hand, and saw the blood-colored beads turned into a stream of light, flying directly towards Yue Feng.

This...

At this moment, Yue Feng was startled, and subconsciously wanted to dodge, but he was still a step behind, and he saw that the blood-colored bead burrowed directly into Yue Feng's body and disappeared.

hum!

The moment he drilled into his body, Yue Feng only felt an incomparably terrifying power filling his limbs and bones. This power sometimes felt like a burning flame, and sometimes it was like bone-piercing ice.

Yue Feng's mind was tenacious, and he endured the pain without screaming, but his body couldn't help trembling, and his whole body was dripping with cold sweat.

This... is this the power of bird ancestors?

So strong.

"Okay!"

At this moment, Queen Suzaku showed a smile, looked at Yue Feng and said softly: "Now that you have obtained the power of Bird Ancestor, I have no regrets and can leave."

When saying this, Queen Suzaku figured. It gradually became illusory, and then, it turned into a colorful fluorescent light, dissipating in the surrounding darkness.

Before the fierce battle with Jinpeng, Queen Suzaku was at the end of her power, and her strength was exhausted. In this case, Queen Suzaku can only burn her own soul and blood to pass on the power of Bird Ancestor to Yue Feng.

At this time, the power of Bird Ancestor was imparted, and Queen Suzaku also consumed the last trace of her life.

Huh....

Seeing this scene, Yue Feng was completely dumbfounded, staring blankly at the place where Queen Suzaku disappeared, his whole mind went blank.

It turns out.... Queen Suzaku spent her life in order to pass on the power of bird ancestors to me.

Chapter 3609

At the same time, Jin Peng, who was not far away, and his two companions were also stunned, completely stupid.

For a while, the silence was terrifying!

Swish!

Finally, Jin Peng reacted and stared at Yue Feng with endless resentment in his eyes: "Boy, hand over the power of Bird Ancestor, hand it over..."

Under the howling, Jin Peng went crazy, his figure burst out and Get up and come straight to Yue Feng.

At this time, Jin Peng was full of anger in his heart. You must know that the situation in front of him was firmly controlled by Jin Peng. He could have easily killed Queen Suzaku and gained the power of bird ancestors, but he never expected that Queen Suzaku would burn herself The life of bird ancestors passed on to Yue Feng.

The power that should belong to oneself, but is easily obtained by others, it is difficult for anyone else to accept this.

"Go to hell!" Jin Peng howled, the long knife in his hand tore through the air, thinking directly of Yue Feng's head.

Buzz!

At the same time, Jin Peng's two companions also broke out and attacked Yue Feng.

Mad!

At this time, Yue Feng was still saddened by the demise of Queen Suzaku, and his anger was completely ignited when he saw the three attacking Jinpeng.

"Shameless people, get out of here."

A roar came out, Yue Feng rushed into the air, and saw that above his head, blood-colored lotus flames gathered crazily, spinning at a high speed!

Suzaku belongs to fire among the four innate spirit beasts, so the power of bird ancestors is also the power of fire attribute. After drilling into Yue Feng's body just now, the power of bird ancestors merged with the cold fire of white lotus in Yue Feng's body. A new kind of fire was formed.

This new strange fire is more terrifying than Bailian Lenghuo.

In the blink of an eye, these blood-colored lotus flames merged together and condensed into a huge Suzaku Firebird.

To be honest, Yue Feng has just obtained the power of Bird Ancestor, and he has not yet fully controlled it. If he uses it rashly, it may backfire on himself, but in order to defeat the three Jin Pengs in front of him, he can't care so much at all.

“Boom!”

At this moment, Yue Feng's face was hideous, and he almost lost his mind. With a roar, he raised his hand and waved, and he saw the condensed gigantic Vermilion Bird and Firebird, carrying unparalleled power, towards the three Jin Peng. go!

“Death, die!”

Yue Feng's voice was hoarse, and the anger in his heart rose when he thought of Queen Suzaku's burning life just now.

Speaking of which, Yue Feng and Queen Suzaku are not friends, but Queen Suzaku's fate is directly related to Yue Feng.

More importantly, Queen Suzaku did not hesitate to burn her life and passed the power of Bird Ancestor to Yue Feng. If she didn't avenge her, would she still be a human being?

hum!

Along with Yue Feng's roar, he saw the huge Suzaku flamingo slamming into the three Jin Pengs, and in an instant, the three Jinpeng's explosive skills disappeared without a trace.

Immediately afterwards, a loud noise was heard, and the dust was everywhere, and the three Jin Pengs were completely drowned.

Dengdengdeng...

At this time, Yue Feng's figure landed and staggered back. Yue Feng could clearly feel that after releasing this terrifying Suzaku Firebird, the strength of his whole body was instantly swept away. Time out!

In extreme weakness, Yue Feng spat out a mouthful of blood and his face was extremely pale.

However, Yue Feng was extremely shocked, and his heart couldn't help beating violently!

I haven't completely mastered the power of this bird ancestor, and I can explode such a terrifying power. If I fully control it, wouldn't it be even more powerful?

Thinking to himself, Yue Feng looked forward with a solemn expression!

I saw that the place where Jin Peng and the three were located was completely trapped by smoke and dust, and they could not see anything at all.

I don't know how long it took, when the dust slowly dissipated, Yue Feng finally saw the situation of Jinpeng three. The three Jin Pengs were all pale with blood on the corners of their mouths.

In particular, Jin Peng's two companions had all their clothes gone, their bodies were covered with burning wounds, and they were swishing with blood.

Jin Peng seemed to be in a state of embarrassment, but he could still stand there, staring at Yue Feng with a pair of eyes, like a dormant poisonous snake.

Nima!

Seeing this scene, Yue Feng's face was cold, but he was secretly shocked.

Chapter 3610

This Jinpeng's defense is too strong, and he exerted the power of bird ancestors, but he did not completely kill him.

Mad!

After staring at each other for dozens of seconds, Jin Peng took a deep breath, gritted his teeth and said to Yue Feng, "Boy, I remember you." After the words fell, Jin Peng greeted the two companions and left quickly.

In a blink of an eye, the three figures of Jin Peng disappeared from Yue Feng's sight.

To be honest, Jin Peng didn't want to leave in such a dismal manner, but he knew in his heart that Yue Feng had already obtained the power of Bird Ancestor, and if he continued to consume it, it would not benefit him at all.

call!

Seeing Jin Peng leave decisively, Yue Feng's face was extremely ugly, and he wanted to catch up, but held back.

Don't chase after poor thieves, and quickly master the power of Bird Ancestor is the most important thing.

Muttering in his heart, Yue Feng sat cross-legged on the ground, comprehending the power of bird ancestors in his body.

Huhuhu...

For a while, the clouds and mists filled Yue Feng's head, and the power in his body continued to rise.

.....

On the other side, God's Domain Ghost Immortal Mountain.

Thousands of divine soldiers and generals erupted together and quickly surrounded Guiguzi.

Seeing this situation, Guiguzi did not panic at all, his expression was very indifferent, and he said to the Nine Heavens God: "Your Majesty, what is the truth of the matter, I haven't figured it out yet, so rashly acted, is it too arbitrary."

Nine Heavens God's face was gloomy and did not respond.

At this time, Gong Ao couldn't help shouting: "That Yue Feng, as your book boy, has the audacity to impersonate His Majesty. This matter has been confirmed, what else do you have to argue?"

Saying that, Gong Ao raised his hand and waved: "Take it!" The

voice fell, and the thousands of gods and soldiers no longer hesitated, and broke out directly at Guiguzi.

Guiguzi smiled bitterly, with his hands behind his back, motionless, as steady as Mount Tai.

hum!

In the next second, Guiguzi's power was urged, and an invisible wave swept out, and I saw that many gods and soldiers were directly shaken out.

This....

seeing this scene, the other gods and soldiers couldn't help but gasp.

Strong....really strong!

This Mr. Guigu is worthy of being regarded as the first person in the human world through the ages. With only his powerful strength, he has knocked back so many gods and soldiers. It is really terrifying!

Nine Heavens God also took a deep breath, his expression extremely complicated.

This Guiguzi, who doesn't hand over Yue Feng, is too presumptuous to openly treat his own army.

"Your Majesty, go down and see how powerful Mr. Guigu is!"

Seeing the expression of Jiutian God, Gong Ao took a deep breath and asked for instructions.

Nine Heavens God nodded: "Okay!"

Although Guiguzi is very strong, but after all, he came to God's Domain not long ago, and Gong Ao has practiced in God's Domain for thousands of years, so he should have a good chance of winning against Guiguzi.

With permission, Gong Ao jumped up without hesitation, and went straight to Guiguzi!

hum!

At this moment, Gong Ao summoned a long spear, turned into a white streamer in mid-air, and quickly stabbed Guiguzi!

I saw that this shot was extremely fast, and wherever it passed, the sky seemed to be transformed into two worlds.

However.

Guiguzi stood there quietly, with an indifferent expression on his face.

The ultimate husband in Chinese chapter 3611-3615

Chapter 3611

"You are not my opponent!" In the next second, a few faint words came out of Guiguzi's mouth.

Hearing this, Gong Ao's face was extremely ugly, as if he had been greatly humiliated: "Stop talking nonsense, let's capture it!" After

speaking, Gong Ao accelerated.

Guiguzi chuckled, his right hand slowly raised, blocking Gong Ao's shot, and then he and Gong Ao fought fiercely in mid-air.

At first, Gong Ao was very relaxed, but gradually he was suppressed by Guiguzi. call!

At this moment, whether it was the Nine Heavens God, or all the priests and soldiers, they all frowned and were shocked.

Gong Ao is not Guiguzi's opponent?

You must know that Gong Ao is a fierce general under the Nine Heavens God. Almost everyone knows his strength in the realm of the gods? However, fighting against Guiguzi at this time not only did not take half a cent of the advantage, but was suppressed so quickly.

More importantly, this Guiguzi looked leisurely and calm from beginning to end. Obviously, he did not exert his full strength in the fight against Gong Ao.

For a time, many priests whispered.

This Guiguzi's strength is really unfathomable, and he was able to suppress Gong Ao without fighting back.

At this time, Nine Heavens God reacted and took a deep breath. At the same time, there is a bit of complexity in the eyes of Guiguzi.

I really did not expect that this Guiguzi was so powerful.

This chapter is provided by . Visit for daily update.

It seemed that it was a bit hasty to let Gong Ao fight.

“Buzz!”

At this moment, Guiguzi waved his hand casually, and a burst of palm force directly forced Gong Ao back dozens of steps.

Gong Ao staggered to stabilize his figure, his face was extremely ugly, and finally retreated to the side of Jiutian God, and said ashamed: “Your Majesty, this subordinate is ashamed, this Guiguzi is very strange, I...”

Before he could finish, he was caught by Jiutian. God interrupted: “Okay, if you can’t beat it, you can’t beat it, don’t look for an excuse!”

Uh...

Gong Ao’s face suddenly turned red, and at the same time, his eyes were fixed on Guiguzi, unable to hide his anger.

Mad, if it wasn’t for this Guiguzi, he wouldn’t be ashamed in front of His Majesty.

At this time, Jiutian God looked around: “Who else can go up and fight Guiguzi?” When he said this, Jiutian God’s face was extremely cold.

With so many priests and god soldiers, it would be too embarrassing if they couldn’t win even a Guiguzi.

call!

The voice fell, and many of the surrounding priests looked at each other and lowered their heads subconsciously. No one dared to take the initiative to ask Ying to fight.

Even Gong Ao is not an opponent, who would dare to go up.

Seeing this scene, Jiutian God’s face was extremely gloomy. These rubbish, one by one on weekdays, was better than the other, but when it came to a critical time, all of them could not be counted on.

“Your Majesty!”

At this moment, Gong Ao cautiously said: “This Guiguzi does have some skills. If he continues to fight like this, it will definitely affect His Majesty’s reputation. It is better to directly use Tianlei to deal with him.”

Quoting Tianlei?

Hearing this, Jiutian God’s face instantly became solemn, and he hesitated at the same time.

You must know that the power of Tianlei is very powerful, unless it is a last resort and cannot be used easily. In the battle of the gods ten thousand years ago, in order to deal with the demon clan, God's Domain used Tianlei to kill countless demon clan at that time, and it was never used again.

Moreover, Guiguzi is alone in front of him, but citing Tianlei seems to be overkill.

Chapter 3612

Seeing that the Nine Heavens God hesitated, Gong Ao continued: "That Yue Feng pretended to be His Majesty, ignoring the power of the heavens, it was a crime that deserved death, Guiguzi not only did not hand him over, but also openly confronted His Majesty, and being punished by Tianlei is also well deserved. "

Your Majesty, there is no need to hesitate."

Hearing this, Jiutian God's eyes flickered, and he finally nodded, "Okay!" After saying this, Jiutian God slowly raised his right hand.

hum!

In an instant, the sky and the earth changed color, and dark clouds gathered in the sky.

Immediately afterwards, I saw a thunder and lightning in the rolling dark clouds, tearing the clouds apart, which was very terrifying.

Thunder?

Seeing this scene, Guiguzi's face changed, and his calmness was gone, and his heart instantly panicked.

You must know that cultivating in the realm of the gods, every time you reach a certain realm bottleneck, you need to break through the calamity. In the middle, there are a total of ninety-nine eighty-one calamities, and among these eighty-one calamities, the thunder calamity is The most terrifying.

Not long after Guiguzi came to God's Domain, before he arrived at the calamity, he never thought that the Nine Heavens God would use Tianlei in order to catch him.

"Guiguzi!"

At this time, seeing Guiguzi's expression changed, Gong Ao was proud and mocked loudly: "You blatantly disobeyed His Majesty's will, and your sin is unforgivable. Now His Majesty has quoted Tianlei, if you know each other, kneel immediately. Accept the defeat and hand over Yue Feng!"

“Otherwise, once Tianlei is activated, it will be too late for you to regret it.” As the voice fell, Jiutian Shen also frowned slightly, and said seriously to Guiguzi: “Mr. Guigu, what is Yue Feng? Who are you, who can let you take such a big risk, but also protect him!”

Phew!

Guiguzi breathed a sigh of relief and said lightly: “Your Majesty needs no more words, no matter what, I will not agree to your conditions.” Yue Feng offended Tianwei, and if he was caught, his life would be guaranteed, so he couldn’t say anything anyway. his whereabouts.

Seeing that Guiguzi’s attitude was so resolute, Jiutian God was so annoyed that he stopped talking nonsense and directly triggered Tianlei.

boom!

In an instant, I saw a thunderbolt, which fell directly from the rolling dark clouds. The huge lightning was like a beam of light connecting the heaven and the earth, which was very shocking.

The thunder and lightning slashed straight down and hit Guiguzi. Suddenly, the entire Guixian Mountain vibrated violently. Dust and smoke filled the area for hundreds of miles, and the small courtyard next to it also disappeared.

Seeing this scene, Gong Ao and the surrounding priests did not have the slightest sympathy, and their faces were indifferent.

Dare to openly confront the Nine Heavens God, this is the end.

Finally, the dust and smoke gradually subsided, and I saw that in the scorched black, Guiguzi stood there quietly, his robes had been reduced to pieces, but he was safe and sound.

What?

Seeing this scene, whether it was the Nine Heavens God or Gong Ao and the others, they were all shocked and stunned.

This... This Guiguzi actually resisted a thunderbolt?

How can it be?

Especially Gong Ao, his eyes widened and he looked at Guiguzi tightly, full of inconceivable.

If this thunderbolt was his own, his primordial spirit would definitely be destroyed, but this Guiguzi was unscathed.

“Guiguzi!”

At this time, Nine Heavens God reacted, looked at Guiguzi closely and said, “I didn’t expect that you can withstand a thunderbolt, it is really rare, I really give you the last chance, hand over Yue Feng, and I will withdraw. Thunder.”

When saying this, Jiutian God’s eyes showed some anticipation.

Speaking of which, Jiutian God has always admired Guiguzi, otherwise he would not have given him a Guixian Mountain as a place of seclusion. At this time, seeing that he can withstand the thunder, Jiutian God’s heart, even more love for talent.

You must know that in the entire Divine Realm, there are almost very few people who can resist the thunder with their physical bodies, except for the God of Nine Heavens and Empress Hua Zhao.

Chapter 3613

Guiguzi smiled lightly: “I have made up my mind, Your Majesty doesn’t need to persuade me!”

When he said this, Guiguzi’s tone was firm, but his face was pale. The thunderstorm just now had traumatized him, and if he continued, he would definitely not be able to hold it.

But for Yue Feng’s safety, Guiguzi refused Jiutian God without hesitation.

Swish!

Hearing this, Jiutian God’s face instantly turned gloomy. You must know, in front of the surrounding priests, being so rejected by Guiguzi, where would you put your face?

At the same time, the entire Guixian Mountain was also silent, and everyone’s eyes were locked on Guiguzi, revealing a deep complexity.

This Guiguzi is really hard. His Majesty gave him a chance, but he refused.

For a time, the atmosphere was extremely depressing and heavy, and many of the surrounding priests, as well as those gods and soldiers, all fell silent, and the atmosphere did not dare to breathe.

“Guiguzi!”

At this moment, Gong Ao stepped forward, pointed at Guiguzi and shouted, "You really don't know how to praise you. Your Majesty appreciates you and gives you one last chance, but you still haven't grasped it properly.

" Look, before Yue Feng pretended to be His Majesty, you secretly ordered it?"

Hearing this, Guiguzi chuckled lightly and said lightly: "Whatever you say, in short, I will not tell Yue Feng's whereabouts."

Gong Ao was stunned for a moment, and then said to the God of Nine Heavens: "Your Majesty, you heard, this Guiguzi protects Yue Feng with all his heart, and doesn't take you seriously at all!"

Hu!

Hearing Gong Ao's instigation, Jiutian God's anger rose.

The next second, Jiutian God's eyes locked on Guiguzi, and said coldly: "Mr. Guigu, since you are determined to fight against me, then I will fulfill you!" The

last word fell, and Jiutian God slowly raised his hands.

Boom!

In an instant, over the entire Guixian Mountain, the gathering dark clouds rolled up again, and the whole world was filled with a strong chilling aura.

Many of the surrounding priests, as well as Gong Ao, all looked up to the sky, each with incomparably excited and awe-inspiring expressions.

His Majesty triggered Tianlei again, and this Guiguzi was sure to die.

Whoosh!

At this moment, a figure not far away came quickly, with a childlike appearance and immortal aura, it was the Immortal Venerable Beiming who had come to Guixian Mountain before.

"Your Majesty!" When he came to the front, Immortal Venerable Beiming plopped down and knelt in front of Jiutian God, imploringly: "I beg Your Majesty to withdraw Tianlei and spare Mr. Guigu this time. I believe that there must be a misunderstanding in this!

" I beg your majesty to give Mr. Guigu a chance!"

When he said this, Immortal Beiming looked anxious, and in an hour, Immortal Beiming learned from Li Ran that Jiutian God asked her about the conflict with Yue Feng. , and

then led the army to Guixian Mountain. When he learned of the situation, Immortal Beiming had a bad premonition and rushed over immediately.

At this time, when he arrived at Guixian Mountain, he saw that the Nine Heavens God used Tianlei to punish Guiguzi. Immortal Venerable Beiming was both surprised and anxious. He and Guiguzi were close friends and immediately came forward to intercede without hesitation.

In the heart of Immortal Venerable Beiming, Yue Feng was just a little book boy. Even if he made a mistake, the Nine Heavens God didn't need to make such a move.

However!

In the face of Beiming Immortal Venerable's plea, Jiutian God did not show the slightest, and his face was indifferent.

At this time, Gong Ao couldn't help shouting: "Xianzun Beiming, this matter has nothing to do with you, hurry up and step back!"

Chapter 3614

Immortal Beiming looked anxious and asked for mercy, but was interrupted by Gong Ao.

"Xianzun Beiming, everyone knows that you have a good relationship with Mr. Guigu, but do you know that his book boy made a big mistake." Gong Ao shouted with a false face of justice, "That Yue Feng is fake Your Majesty, the crime is unforgivable, and Mr. Guigu not only did not hand over Yue Feng, but he has always protected him."

"Shielding repeat offenders and punishing them with the same crime, Your Majesty cites Tianlei as punishment, which is already considered light!"

What!

Hearing this, Immortal Venerable Beiming was shocked and completely stunned there.

In the heart of Immortal Venerable Beiming, I thought that Yue Feng had just made a small mistake, but he never thought that he would be so bold and pretend to be the God of Nine Heavens.

After being stunned for a few seconds, Immortal Venerable Beiming sighed deeply, and consoled Guiguzi: "Mr. Guigu, since that's the case, you can tell Yue Feng

's whereabouts." Immortal Venerable Beiming at this time was very worried. in a hurry.

Speaking of which, Immortal Venerable Beiming knew that Yue Feng had entered the sealed land of the demon clan, but he and Guiguzi were close friends, so it was hard to say it directly.

Guiguzi smiled at Immortal Venerable Beiming: "Thank you Immortal Venerable for your kindness, but I have already made a decision. In any case, I will not reveal the whereabouts of Yue Feng."

This....

Immortal Venerable Beiming was anxious . No, why is this Guiguzi so stubborn?

Thinking to himself, Immortal Venerable Beiming continued to plead with the God of Nine Heavens: "Your Majesty, please give me one day to persuade Mr. Guigu..."

Just before he finished speaking, he was interrupted by God of Nine Heavens. :
"Xianzun Beiming, you don't need to intercede for him. I gave him a chance, and he doesn't accept it, so I can't blame it!"

The voice fell, Jiutian God's face was extremely cold, and at the same time, the pitcher raised and pointed to the sky!

"Boom!"

At this moment, I heard a blast of thunder, which came from the dark clouds in the sky, followed by a purple lightning that fell on the right hand of the Nine Heavens God!

"Om!"

Immediately, before the people around could react, they saw that a big hole suddenly appeared in the dark clouds in the sky, as if the sky had broken open a big hole, and then, thousands of lightning bolts suddenly appeared from this It fell from the hole and slashed the ground!

quiet!

The huge Ghost Immortal Mountain is deadly silent at this time, even if a needle falls on the ground, it can be heard clearly! Everyone present looked at the Nine Heavens God, and their eyes were filled with awe and excitement!

Immortal Venerable Beiming, with a pale face, looked at Guiguzi, extremely worried!

"Mr. Guigu, I gave you a chance, but unfortunately you didn't accept it!" Jiutian God looked proudly and quietly looked at Guiguzi: "If you can withstand these thousands of thunders, what about Yue Feng? It's over, if you can't bear it, then go back with me and accept the interrogation!" The

last sentence fell, and I saw thousands of lightning bolts, streaks of dazzling rays of light between heaven and earth, striking Guiguzi!

call!

Feeling the power of the thousands of thunderbolts, Guiguzi's face was pale, and he wanted to dodge, but these thousands of lightning bolts blocked all his escape routes. How could he dodge? !

Boom, boom, boom!

In the blink of an eye, thousands of lightning bolts slammed on Guiguzi's body. At this moment, the entire Guixian Mountain collapsed, and within a few hundred meters, dust was everywhere!

“call!”

The dust filled the air, drowning Guiguzi's figure all at once. Seeing this, Immortal Venerable Beiming was in a hurry and flew to the sky to see the situation of Guiguzi at this time. However, there was smoke and dust everywhere, and he couldn't see it at all!

Chapter 3615 The

dust filled the sky, which lasted for more than ten minutes.

When the smoke and dust gradually dissipated, the situation in front of him finally appeared!

call!

Seeing the scene in front of them, all the gods and soldiers present took a deep breath!

Immortal Venerable Beiming trembled even more.

I saw that the entire Ghost Immortal Mountain was razed to the ground by the thousands of thunder and lightning, leaving only a huge deep pit, which was several kilometers in diameter and 100 meters deep!

In this pit, a figure fell there, his body was black, blood was dripping, and it was extremely miserable.

It is Guiguzi.

“Mr. Ghost Valley!”

Seeing this scene, Immortal Venerable Beiming couldn't tell the sadness and heartache.

At this time, Gong Ao's figure flashed, rushed into the deep pit, checked the situation of Guiguzi, and reported loudly: "Your Majesty, there is still breath."

When saying this, Gong Ao's tone trembled, and his heart was also extremely shocked.

.

Thousands of thunderbolts did not kill him.

Is that human being?

Whoa!

For a time, those priests, as well as the gods and soldiers, were also in an uproar.

"It didn't die?"

"This Guiguzi's ability to fight is too strong." The

surrounding discussions kept coming, but the Nine Heavens God was expressionless.

"Gong Ao!"

Finally, the God of Nine Heavens calmed down and said lightly: "Take him down and put him in the Heavenly Prison. When his injuries are better, then slowly interrogate him."

"Yes!" Gong Ao responded quickly, and then greeted a few people. Divine Soldier, drag Guiguzi out of the deep pit.

Afterwards, under the direction of the Nine Heavens God, tens of thousands of divine soldiers and generals left the Ghost Immortal Mountain mightily.

Ugh!

Seeing this scene, Immortal Venerable Beiming was extremely heartbroken.

This Mr. Guigu, for a book boy to end like this, it's not worth it.

.....

the other side!

I also know how long it took, Yue Feng slowly opened his eyes, and saw two bright beams burst out. At the same time, the whole body was also filled with an incomparably violent force.

Yes, after a few hours of comprehension, Yue Feng has completely controlled the power of bird ancestors.

Moreover, the new fire formed by the fusion of the Vermilion Bird Spiritual Fire in the power of the bird ancestors and the cold fire of the white lotus, Yue Feng also named it, the Heavenly Sparrow Spiritual Flame.

In this name, there is a bird character, it is Yue Feng to commemorate Queen Suzaku.
call!

At this moment, Yue Feng took a deep breath and stood up, indescribably excited.

With the power of Bird Ancestor, he also has a new Spirit Flame of Different Fire Heavenly Sparrow, and his strength has also improved a lot. When he gets out of this abyss, he will find a way to return to God's Domain.

Thinking about it, Yue Feng tapped the ground with his toes and rose into the sky.

After ten minutes, Yue Feng finally flew out of the abyss and came to the cliff where he fell.

“Long Zun?”

“Your Excellency Yue Feng?”

“He's not dead...”

As soon as he stopped on the cliff, he heard a surprise sound not far away.

Yue Feng looked back and suddenly showed a smile.

I saw that Hu Ben and dozens of Beast League members were dozens of meters away.

The ultimate husband in Chinese chapter 3616-3620

Chapter 3616

“Haha...”

Hu Ben was very excited when he saw Yue Feng, he walked over quickly and put his arms around Yue Feng’s shoulder: “I thought you would fall into the abyss and never come back up again. Seeing that you are all right now, I am relieved!”

These words came from the bottom of my heart.

Feeling the simplicity and honesty of Hu Ben, Yue Feng showed a smile: “Yeah, I’ve always had good luck.”

When he said this, Yue Feng had the appearance of the White Tiger King in his mind, and his heart was a little bit suffocated.

Ma De, in order to deal with Queen Suzaku, the White Tiger King doesn’t care about my life or death at all. It is so despicable to have such a loyal subordinate as Hu Ben.

After a few words of greetings, Hu Ben pulled Yue Feng involuntarily and returned to the Beast League to see the White Tiger King.

Yue Feng wanted to refuse, but thinking that he would need the help of the Beast League to leave here, he had to follow Hu Ben.

call!

Soon, in front of the Beast League Stone Hall, Yue Feng saw that the previous battlefield had been cleaned up. Not only that, in the stone hall, there are also many seats.

The seats were filled with wine and delicacies.

The White Tiger King sat on the main seat with a look of pride and excitement. The leaders of the Beast League and the subordinate Feiyu League members were sitting on both sides below.

In the entire stone hall, it was indescribably lively.

In the previous battle, the White Tiger King knocked down his old enemy, Queen Suzaku, into the abyss, and then subdued many members of the Feiyu League. Happy, he set up a banquet to celebrate.

Swish!

At this moment, Yue Feng followed Hu Ben into the stone hall. In an instant, the noisy stone hall suddenly became quiet, and countless pairs of eyes converged on Yue Feng at the same time.

Whether it was the Beast League or the members of the Feiyu League, they were all astonished.

“Didn’t he fall into the abyss with Queen Suzaku? Why...”

“He didn’t die...”

In the sound of astonishment, the White Tiger King was also shocked, and looked at Yue Feng in a daze, completely stunned. Living.

“Oops!”

After a few seconds, the White Tiger King reacted and said with a big laugh, “It turns out that it is Your Excellency Long Zun, hurry up, take a seat!” The

voice fell, and someone immediately arranged a seat for Yue Feng.

Yue Feng was not polite and sat down directly.

At this time, the White Tiger King was full of smiles and said to Yue Feng, “This time you can defeat Queen Suzaku and subdue the members of the Feiyu Alliance. Your Excellency Yue Feng has contributed greatly.”

“By the way, at that time, Queen Suzaku will This king is very heartbroken when you crashed into the abyss, and now I am so relieved to see Your Excellency Yue Feng safe and sound.”

“Now that the Beast Alliance and Feiyu Alliance have merged into one, and Your Excellency Yue Feng has returned safely, this is really true. Double happiness is coming, hahaha...”

Haha!

Seeing the pretentious look of the White Tiger King, Yue Feng sneered in his heart.

Mad, this White Tiger King is quite capable of pretending.

However, Yue Feng did not show it on his face, but said with a smile: “Let Your Excellency the White Tiger King worry!” The

White Tiger King smiled and said again: "Your Excellency Yue Feng, the Queen Suzaku fell into the abyss with you, she is now How's the situation?"

When he said this, the White Tiger King looked indifferent, but his eyes flickered with complexity.

If Queen Suzaku, like Yue Feng, is also safe and sound, it will be troublesome.

Swish!

The voice fell, and the eyes of the entire stone hall converged on Yue Feng again.

In particular, the members of the Feiyu League were looking at Yue Feng with anticipation in their eyes. You must know that they only joined the Beast League under the pressure of the White Tiger King before, not willingly.

This... In

the face of the White Tiger King's question, Yue Feng scratched his head and said slowly: "Queen Suzaku is gone!"

Yue Feng is a smart person, so naturally he won't tell the truth, especially when he gets bird ancestors power thing.

Haha...

Hearing the answer, the worries in the White Tiger King's heart were completely dissipated, and he was extremely excited.

The surrounding members of the Feiyu League are all saddened. In their hearts, if Queen Suzaku is still there, the Feiyu League will still have a day of revival, but now, Queen Suzaku is gone, all hope is shattered. .

Chapter 3617

While dejected, many members of the Feiyu League looked at Yue Feng with resentment.

You must know that the Beast League and the Feiyu League were originally evenly matched. It was precisely because of this Yue Feng that the Feiyu League suffered such a heavy blow. Not only did the Queen Suzaku perish, but the members of the Feiyu League had to surrender to the White Tiger King.

It can be said that the Feiyu League is in such a situation that this Yue Feng cannot escape.

Under such circumstances, the members of the Feiyu Alliance present hated Yue Feng to the core. However, due to the presence of the White Tiger King, the members of the Feiyu League did not dare to show it.

Haha...

Hearing this, the White Tiger King was in a very happy mood, raised his hand and said, "That's great, starting from today, we monster clans will no longer have the difference between the Feiyu League and the Beast League, we are all a family. "

Come on, for the sake of our unity, have a toast!"

Queen Suzaku has been a thorn in the eyes of the White Tiger King for thousands of years, and now she is finally removed by herself, can you be unhappy?

The voice fell, and everyone in the stone hall raised their wine glasses.

Yue Feng also drank a glass of wine, with a smile on his face, but he was extremely bored.

"Your Excellency the White Tiger King!"

At this moment, among the members of the Feiyu League, a slender and graceful figure slowly stood up and said softly, "I am so happy today, just drinking is boring, why don't you make a little show, come Liven up the atmosphere." The

tone was clear and sweet, it was Lan Ling Peacock.

Swish!

At this moment, the eyes of the entire stone hall converged on Lan Ling Peacock.

Especially the Hu Ben, all of them looked straight.

I saw this orchid peacock, not only has a delicate face, but also an indescribably slim and charming figure.

Yue Feng also saw his eyes go straight.

This orchid peacock, transformed into a human form, is simply too beautiful, especially its temperament, which is comparable to Queen Suzaku.

"Haha..." The

White Tiger King was in a good mood, nodded and said, "Okay, I don't know what show Lan Ling Peacock wants to play?"

Lan Ling Peacock smiled lightly, glanced at Yue Feng, and said slowly: "I heard that this Your Excellency Yue Feng is the Dragon Lord of the Qinglong Clan, he is erudite and talented in everything."

After speaking, Lan Ling Peacock's eyes flashed slyly: "It's better to let Your Excellency Yue Feng show his strength, so that we can open our eyes! "

When the last word fell, Lan Ling Peacock looked at Yue Feng with a hint of coldness.

Yes, Lanling Peacock did this to make Yue Feng make a fool of himself in public. You must know that the Feiyu League came to attack the Beast League before because Lanling Peacock was raided by Hu Ben, and Queen Suzaku was not angry, so she brought her subordinates to ask for one. statement.

It can be said that Lanling Peacock is not only the most powerful subordinate of Queen Suzaku, but also has a private relationship with her sisters. Now, because of this Yue Feng, Queen Suzaku has perished into the abyss, which makes Lanling Peacock very sad and angry.

However, Yue Feng is the VIP of the White Tiger King, Lan Ling Peacock can't blatantly trouble Yue Feng, but in any case, he must make a fool of himself in public.

Show strength?

Hearing this, the White Tiger King nodded with a smile: "Okay, this proposal is good."

Then, the White Tiger King turned to look at Yue Feng: "Your Excellency Yue Feng, what do you think?"

Yue Feng took a deep breath and smiled: "Since everyone is so interested, it's okay for me to show my strength, but I just want to ask, how does this beautiful peacock lady want me to show it?" The

last sentence fell. , Yue Feng's eyes fell on Lan Ling Peacock.

Lan Ling Peacock chuckled lightly: "As the Dragon Lord of the Qinglong family, you can shock the audience just by showing it off. Do you need me to remind you?"

Uh...

At this moment, Yue Feng scratched his head, a little embarrassment.

Chapter 3618

He could see that this Lanling Peacock was deliberately trying to embarrass herself in public, and no matter what she showed later, as long as she said some demeaning words, her face would be lost.

Thinking to himself, Yue Feng showed a smile, looked at Lan Ling Peacock and said, "It's just that it's boring for me to show it alone, so let

's have a test." Public shame.

"Okay!"

Lan Ling Peacock nodded without any hesitation, "What do you want to compare?"

When saying this, Lan Ling Peacock looked confident.

In her heart, Yue Feng helped the White Tiger King to defeat the Suzaku Queen. She was completely lucky, and her own strength was considered average. Competing with herself was completely looking for abuse.

"How to compare, you decide!" Yue Feng laughed.

Whoa!

When the voice fell, the entire stone hall was in an uproar.

"This Yue Feng is very confident."

"Yeah, this Lanling Peacock is the right-hand man of the Suzaku Queen, and his strength is extraordinary. He is only the dragon of the Qinglong clan, how could he be Lanling Peacock's opponent!"

"Interesting, this is interesting. It's over..." The

surrounding discussion came, Lan Ling Peacock was also stunned, frowning and looking at Yue Feng.

This Yue Feng is very confident, he dares to ask himself to make rules.

Thinking to herself, Lan Ling Peacock's eyes flashed with contempt, and then she pointed to a mountain a few miles away outside the stone hall: "Since you want to compare, let's compare, who can get to the top of the mountain in the shortest time. The stone lotus on top!"

When she said this, Lan Ling Peacock's delicate face was full of confidence.

At the same time, the entire stone hall also exploded.

The mountain outside the stone hall is the highest mountain in the entire demon seal land, with an altitude of more than 10,000 meters, which is the closest to the enchantment.

You must know that the reason why many monsters are trapped here and cannot leave is because the barrier is too strong, and that mountain, which is ten thousand feet high, is almost next to the barrier on the top, which is the most dangerous place.

In this case, it is almost impossible to collect the stone lotus above with the power of the enchantment.

The Lanling Peacock is the right-hand man of the Queen of Suzaku, and its flying ability is very strong, and it may be possible to succeed, but this Yue Feng, who is just a human, cannot do it at all.

For a time, many eyes of Shidian converged on Yue Feng, thinking that he would refuse.

After all, as long as your brain is normal, you will not bet with others in areas where you are not good at.

“Okay!”

However, Yue Feng did not hesitate at all and agreed decisively!

What?

Seeing Yue Feng's promise, the entire stone hall was in an uproar again.

The guy actually agreed.

Lan Ling Peacock also frowned, and she never expected that Yue Feng would agree so happily.

In the next second, Lan Ling Peacock didn't talk nonsense, nodded and said, “Very good, then I'll come first.” The voice fell, and the figure rose lightly, turned into a shock, rushed out of the stone hall, and headed towards the top of the mountain.

Wow....

At this moment, everyone in the stone hall poured out one after another, looking up at Lan Ling Peacock.

I saw Lanling Peacock's speed was extremely fast, and it reached the top of the mountain in the blink of an eye. At that moment, I saw the barrier above the top of the

mountain, a terrifying power surged, and this power condensed bolts of lightning, bursting towards Lanling Peacock. And go.

Chapter 3619

Call!

Seeing this situation, many members of the Feiyu League couldn't help but sweat for Lan Ling Peacock.

You must know that the enchantment in the sealed land of the demon clan contains very powerful power, and the lightning condensed is comparable to the thunder of the sky. If it is hit, it will not die or be disabled.

At the same time, Yue Feng frowned, looking at Lan Ling Peacock's figure with a bit of admiration.

I can't tell that this orchid peacock looks delicate and has courage.

Kazuzha...

Just as Yue Feng was muttering secretly, he saw that the top of the mountain was shrouded in lightning, but the figure of Lanling Peacock was extremely agile and elegant, quickly passing between several lightning bolts. pass through.

Afterwards, Lan Ling Peacock paused at the top of the mountain, and then quickly turned back.

In almost a few breaths, Lan Ling Peacock landed at the door of the stone hall, slowly raised his jade arm, and was close to him, holding a stone lotus on his right hand.

And she was completely unscathed. Obviously, the lightning formed by the enchantment just now did not hurt her at all.

Whoa!

Seeing this scene, the Feiyu League members present cheered.

Not only that, the White Tiger King and many members of the Beast League couldn't help but nod their heads in admiration.

"As expected of Lanling Peacock, this speed is really fast."

"Yeah, it's really eye-opening."

Listening to the praises from the surrounding, Lanling Peacock's delicate face showed a smile, revealing a bit arrogant.

The next second, Lan Ling Peacock looked at Yue Feng with a condescending tone: "Yue Feng, it's your turn, if you are not sure, you can immediately admit defeat."

"Of course, if you admit defeat, you have to give in to the middle. I kneel down and make a toast."

When saying this, Lan Ling Peacock's expression was calm, but there was a trace of hatred in his eyes. In her heart, Queen Suzaku was caused by Yue Feng, and it would be considered a bad temper to let him make a fool of himself now.

Huh...

The voice fell, and the eyes of the audience suddenly converged on Yue Feng.

Yue Feng frowned, not knowing whether to laugh or cry, Nima, this Lanling Peacock is trying to embarrass herself on purpose, but she doesn't seem to have any grudges with her.

On second thought, Yue Feng guessed something.

Yes, for the death of Queen Suzaku, I can't escape the guilt, and this Lanling Peacock is Queen Suzaku's most loyal subordinate, and I must hate myself very much in my heart.

Wanting to understand this, Yue Feng smiled at Lanling Peacock and said, "Since I made a bet, why should I take the initiative to admit defeat?"

After speaking, Yue Feng stretched his body and continued: "By the way, wait if I win. Now, you have to kneel down and make a toast to me." To

be honest, Yue Feng admired Lan Ling Peacock very much, but this competition involved his own dignity, how could he voluntarily admit defeat?

Swish.

Hearing this, Lan Ling Peacock's delicate face suddenly turned cold. Looking at Yue Feng's eyes, there was also a trace of anger.

This Yue Feng is really arrogant.

The surrounding Feiyu League members were also in an uproar.

"This Yue Feng is quite confident."

“Haha, I think it’s a good mouth.”

“That’s right, in terms of Yukong’s flying speed, even the White Tiger King doesn’t dare to be so confident. He is just a human, and he dares to challenge Lanling Peacock. It’s really beyond his own power.”

Hu Ben frowned anxiously amid the surrounding discussions. not.

The next second, Hu Ben walked over quickly, pulled Yue Feng, and said in a low voice, “Your Excellency Yue Feng, I don’t think you should compete anymore, you should just admit defeat, and I’ll talk to you later, you don’t need to kneel down for her, Just pour a glass of wine.”

When he said this, Hu Ben looked serious.

You must know that Lanling Peacock is the right-hand man of the Queen of Suzaku, and has an incomparably excellent flying ability in the sky, so it is easy to pluck the stone lotus from the top of the mountain without being struck by the lightning of the enchantment.

And Yue Feng, although he is the Dragon Lord of the Qinglong family, is a human after all. Even if he can fly in the sky, flying has no innate advantage for him. How could he be the opponent of Lanling Peacock?

Ha ha....

Chapter 3620

Seeing Hu Ben’s serious face, Yue Feng was very moved, and then smiled at Hu Ben and comforted in a low voice, “It’s okay.”

After saying this, Yue Feng looked at the top of the mountain, calculating the distance in his heart.

Seeing Yue Feng standing there motionless, many members of the Feiyu League thought he was timid and couldn’t help laughing.

“Haha, this kid seems to be scared.”

“Let’s just say, he’s only lip-smacking.”

“Not bad!”

Listening to the ridicule around, Yue Feng looked calm and didn’t care.

“Hey!”

At this moment, Lan Ling Peacock couldn't bear it anymore, and said to Yue Feng, "Aren't you starting yet? If you are really not sure, just give up."

Hearing this, Yue Feng couldn't bear it. ZHU laughed: "Our game isn't over yet, how do you know I'm not sure, I think you'd better prepare and wait for me to kneel down at the bar."

"You..."

Lan Ling Peacock's pretty face After a change, the angered body trembled.

Yue Feng took it easy, stopped teasing Lan Ling Peacock, took a deep breath, his figure rose into the sky, and went straight to the top of the mountain.

Um?

Seeing this scene, whether it is the Feiyu League or the Beast League members, they are all stunned.

This guy really dares to go.

Aren't you afraid of being struck by lightning?

However, in shock, many members of the Feiyu League showed disdainful smiles, because they clearly saw that although Yue Feng was very fast, it was still 108,000 miles behind Lanling Peacock.

After all, flying in the sky is the innate advantage of Lanling Peacock, and Yue Feng is only a human being, and no matter how fast he has to be, he can't compare to one-tenth of Lanling Peacock.

Whoosh!

A few seconds later, Yue Feng reached the top of the mountain.

That is, at this moment, an incomparably violent force surged out of the barrier on the top of the mountain, followed by dark clouds, lightning and thunder.

Bang bang bang...

Then, under the violent shaking, I saw one after another thunder and lightning, tearing apart the world and slashing towards the top of the mountain. In the blink of an eye, the entire mountain top was filled with dust and smoke, shrouding Yue Feng's figure.

This....

seeing this scene, the stone hall is silent.

The members of the Feiyu League had complicated eyes, and none of them sympathized with Yue Feng.

This guy had to be brave, and he deserved it when he was struck by lightning now.

Lan Ling Peacock stood there, her delicate body trembling faintly, and her heart was inexplicably excited and excited.

Queen Suzaku was killed by this Yue Feng, and because of the White Tiger King, she couldn't kill him herself. At this time, she could use the power of enchantment lightning to get rid of him.

Ugh!

In the silence, Hu Ben clenched his fists tightly and stared at the dusty smoke on the top of the mountain, anxious.

Your Excellency Yue Feng is really impulsive.

Like the members of the Feiyu League, Hu Ben also believed that Yue Feng was more fortunate and less fortunate.

At this moment, on the top of the mountain.

card wipe...

At this time, on the top of the mountain, thunder and lightning were raging everywhere, it was like the end of the world. However, between the lightning bolts, there was a figure that quickly shuttled back and forth.

This figure is Yue Feng.

At this time, Yue Feng's speed was very fast, and wherever the figure passed, afterimages appeared one after another, which was almost difficult to catch with the naked eye.

The ultimate husband in Chinese chapter 3621-3630

Chapter 3621

Yes, Yue Feng exerted the power of bird ancestors.

Speaking of which, if it was a day ago, Yue Feng would never have made a bet with Lan Ling Peacock, but after possessing the power of Bird Ancestor, it will be different.

However, Yue Feng knew in his heart that Bird Ancestor's power was no trivial matter. Therefore, when he made a bet with Lanling Peacock just now, Yue Feng did not show off the mountains or water, but at this time, after reaching the top of the mountain, the power of the ancestors of the bird broke out.

Whoosh

At this moment, I saw Yue Feng's figure, constantly shuttled back and forth in the lightning, if it was someone else, they would have been struck by lightning long ago, but Yue Feng's speed is many times faster than lightning.

While the figure was constantly shuttled, Yue Feng took action, and kept collecting stone lotuses.

At this time, the stone hall is here.

Ugh!

Seeing Yue Feng's figure, submerged in countless lightning bolts, Hu Ben turned his head and couldn't bear to look again, feeling extremely sad in his heart.

The White Tiger King also had a look of regret, and said to himself: "Your Excellency Yue Feng is too brave, it's a pity..."

Saying this, the White Tiger King's eyes flashed with a bit of indifference. , Speaking of which, Yue Feng is indeed a talent. Without him, the White Tiger King would not have conquered so many members of the Feiyu League, but then again, no matter how powerful Yue Feng is, he is also a member of the Qinglong family.

In this case, the White Tiger King would naturally not care about Yue Feng's life or death.

call!

Hearing the regret of the White Tiger King, the surrounding Beast League members also fell silent.

As for Lan Ling Peacock and the members of the Feiyu League, they all looked indifferent. This Yue Feng, who indirectly killed the Queen Suzaku, was killed by lightning and was completely retribution.

“All right!”

Finally, the White Tiger King reacted, looked around and said, “It seems that Your Excellency Yue Feng is unlikely to come back alive, everyone come in, and the banquet continues!”

After speaking, the White Tiger King was about to return to the stone hall, but at this moment In an instant, seeing the direction of the top of the mountain, the whole person was stunned.

Swish!

At the same time, the eyes of the audience followed the eyes of the White Tiger King, all of them in shock.

“Yue Feng... he’s actually fine!” In the

next second, someone shouted, and the surrounding area exploded.

I saw that in the dust and smoke on the top of the mountain, a handsome figure rushed out with a cold look, it was Yue Feng.

In a twinkling of an eye, Yue Feng landed on the open space in front of the stone hall, dressed in a long gown, his demeanor remained the same, and there was no sign of being struck by lightning all over his body.

This...

Seeing that Yue Feng came back safely, whether it was the White Tiger King, Lan Ling Peacock and the others, their eyes widened in disbelief.

This... this Yue Feng, was not struck by lightning, how is this possible?

Especially Lan Ling Peacock, her delicate body trembled faintly, and her mind was blank.

She had tried the power of the lightning herself, and it was so terrifying. At that time, Lan Ling Peacock also tried her best to avoid the bombardment of the lightning and successfully collect the stone lotus, but the process was also full of dangers.

And this Yue Feng seems to be more relaxed than himself.

How is this possible?

“Haha...”

At this time, Hu Ben reacted, rushed over with a loud laugh, and praised Yue Feng: “Your Excellency Yue Feng, I knew you would be fine.”

“But then again, you are really amazing. With so much lightning raging, you can still come back safe and sound.”

At this time, Hu Ben was sincerely happy. Although he didn’t have much contact with him, he already regarded Yue Feng as a friend in Hu Ben’s heart. , can’t you be happy to see him okay at this time?

However, at this moment, someone next to him sneered: “What if you can come back safely? If you didn’t pick up the stone lotus, you still lost?”

Yes!

Chapter 3622

Hearing this, there was a lot of discussion around.

“That’s right, Shi Lian didn’t collect it, what’s there to be happy about?”

“I’ve been busy for a while, I think it’s amazing, and I still lost in the end?”

“Hurry up and kneel down to the bar for Lan Ling Peacock.” The

surrounding discussion came , Lan Ling Peacock also recovered from the shock, with a proud sneer on his face.

Immediately afterwards, Lan Ling Peacock said indifferently to Yue Feng: “You lose, fulfill the bet!” The voice was not loud, but it was full of mockery.

What if this Yue Feng could come back safely? If you don’t collect Shilian, you won’t be able to win yourself at all.

Ha ha!

Facing Lan Ling Peacock’s cold arrogance, Yue Feng smiled slightly: “Who told you that I lost?” With that, Yue Feng put his hand into the spirit beast’s bag, and threw the stone lotus in it on the ground at will.

Wow...

There are dozens of stone lotuses scattered on the ground. These stone lotuses, if you take out any one, are bigger and better than those collected by Lan Ling Peacock.

quiet!

At this moment, the entire stone hall was silent as death, almost a needle dropped, and you could hear it clearly.

Whether it is the Beast League or the Feather League, they are all stupid.

“This...” I don’t know who it is, I couldn’t help swallowing my saliva and muttered: “My God, not only did we avoid all the lightning in such a short period of time, but also collected so many stone lotuses. “

This voice is like a fuse, and all of a sudden, the audience’s discussion sounded like a tide.

“How did this Yue Feng do it?”

“Yeah, how could he be a human being who has the ability to fly in the sky faster than Lanling Peacock?”

At this time, these members of the Beast League and Feiyu League did not know that Yue Feng had the power of the ancestors of birds. Although it is a human, in terms of the ability to fly in the sky, it is not comparable to the Lanling Peacock.

At this time, Lan Ling Peacock’s delicate body was trembling, and she stared at Yue Feng blankly, completely dumbfounded.

My heart was even more shocked.

impossible!

This Yue Feng is just a human being, how could the ability to fly in the sky be faster than me?

Moreover, in such a short period of time, so many stone lotuses can be collected.

“Okay!”

Just when Lan Ling Peacock was shocked, Yue Feng slowly walked over and said with a smile: “The game is over, you lost, now you can fulfill the bet!”

Shah!

The voice fell, and the eyes of the audience suddenly converged on Lan Ling Peacock.

Lan Ling Peacock's beautiful face instantly flushed red, biting her lip, indescribably humiliated and embarrassed.

At this time, Lanling Peacock was very angry. He thought that with the help of this celebration banquet, this Yue Feng could make a fool of himself, but he never expected that he would shoot himself in the foot with a stone.

"Lanling Peacock!"

At this time, the White Tiger King said, "I would like to admit defeat. If you lose, you must fulfill the bet, and hurry up and kneel down to the bar for Your Excellency Yue Feng."

When he said this, the White Tiger King looked indifferent . .

In the eyes of the White Tiger King, the game just now was just to liven up the atmosphere of the celebration feast. It doesn't matter who wins or loses, and it doesn't even consider the majesty of Lan Ling Peacock.

"I..."

Hearing this, Lan Ling Peacock's delicate body trembled, and her whole body was full of resistance.

This Yue Feng indirectly killed Queen Suzaku, how could he kneel to him?

Chapter 3623

"Forget it, forget it!"

At this moment, Yue Feng waved his hand and said with a smile at Lan Ling Peacock: "The game just now was just a game, you don't need to take it seriously, let's just give it to you. I'll just pour a glass of wine!"

Yue Feng won the Lanling Peacock and was in a good mood, but he didn't get carried away.

Yue Feng could see that Lanling Peacock had been making things difficult for himself just now, entirely because of Queen Suzaku, so he didn't want to care about it. After all, Yue Feng got the power of bird ancestors from Queen Suzaku.

What?

Hearing this, Lan Ling Peacock was stunned.

This Yue Feng did not let himself kneel?

Muttering in her heart, Lan Ling Peacock walked over slowly and poured a glass of wine for Yue Feng.

Um!

Yue Feng nodded, drank the wine in the cup, and then smiled at Lanling Peacock and said, "Don't be too confident in what you do in the future. Otherwise, it will be self-defeating."

At this moment, Lanling Peacock said with a smile. His face turned red, and he was very unhappy.

This Yue Feng, who was just lucky enough to win over him, actually put on a pedigree.

Thinking to herself, Lan Ling Peacock wanted to refute a sentence, but she held back.

"Haha..."

At this moment, the White Tiger King couldn't help but clapped his hands and said to Yue Feng, "It's really wonderful, I didn't expect Your Excellency Yue Feng to collect so many stone lotuses at once, but I'm very curious. How did you do it?"

At the same time as he asked, there was curiosity in the eyes of the White Tiger King.

You must know that the Lanling peacock flies very fast, but even so, it can only collect one stone lotus, and this Yue Feng, just a human, not only successfully collected the stone lotus, but also the number of stone lotus is more than the Lanling peacock. dozens of times more.

This is simply incredible.

Swish!

The voice fell, and the eyes around him suddenly converged on Yue Feng. Like the White Tiger King, they are also very curious.

After all, Yue Feng is only a human being, and it is unbelievable that he can beat Lan Ling Peacock in the ability to fly in the air.

Lan Ling Peacock also looked closely at Yue Feng, and was equally curious.

This...

Yue Feng scratched his head, smiled and said: "Actually, there is no trick, just luck."

Good luck?

Hearing this answer, there was an uproar in the audience.

This is too easy to say. White Tiger

King is a smart person. It can be seen that Yue Feng is just perfunctory. He didn't ask any further questions, and smiled: "Okay, but I have to say, the game just now was really exciting."

He raised his glass and looked around the audience: "Come on, today is a day to celebrate, everyone must be drunk and never return !

"

In unison.

This celebratory feast lasted for several hours and didn't end until very late.

During this period, Yue Feng asked the White Tiger King a lot about the formation. However, the clues he got were very few. After all, the monsters trapped here did not understand the technique of formation, otherwise , has already broken the enchantment.

Early the next morning, Yue Feng went to see the White Tiger King.

Chapter 3624

"Your Majesty the White Tiger King!"

At this time, in the stone hall, Yue Feng looked sincere and said to the White Tiger King: "I plan to investigate the situation of the enchantment, and I am sure that Your Excellency the White Tiger King can arrange some manpower for me.

" The

White Tiger King nodded and said with a smile: "Now that the Beast League and the Feiyu League are one, and there is no internal fighting, it is time to find a way to get out of here. Your Excellency Yue Feng said so, I really can't ask for it.

" Then, the White Tiger King said to the Qicai Lingfeng and Lan Ling Peacock next to him: "Since Your Excellency Yue Feng wants to investigate the enchantment, you should help."

Qicai Lingfeng is the leader of the Phoenix family. She is charming and sexy, but her personality is incomparable. Cold and arrogant.

Lanling Peacock is the leader of the Peacock family.

“Yes, Your Excellency the White Tiger King!”

At this moment, Qi Cai Lingfeng and Lan Ling Peacock responded in unison, but their expressions were a bit complicated.

They didn't really surrender to the White Tiger King. At this time, the White Tiger King asked them to accompany Yue Feng to explore the enchantment together, and they were somewhat conflicted.

Just in front of the White Tiger King, he didn't show it.

A few minutes later, Yue Feng and Qicai Lingfeng left the stone hall with dozens of Feiyu League members.

Along the way, Yue Feng kept asking about the enchantment. However, Qi Cai Lingfeng was arrogant and taciturn, and Lan Ling Peacock lost to Yue Feng in the competition yesterday, and was also ignorant, which made Yue Feng very uncomfortable. depressed.

“You two!”

Yue Feng couldn't help but smile bitterly: “I know that you have resentment towards me for the death of Queen Suzaku, but you should be clear that the Beast Alliance and Feiyu Alliance become one, and the most important thing is to break the Leave the enchantment and get out of here, instead of endless infighting.”

“So, you have to do your best to help me, you know everything you can say, you can say everything, do you understand?”

Phew!

Hearing this, Qi Cai Lingfeng and Lan Ling Peacock looked at each other.

In the next second, Lan Ling Peacock breathed a sigh of relief and said slowly, “We have been trapped for tens of thousands of years, and we can't leave. Can you really break the barrier?”

There was deep doubt in his words.

Yue Feng couldn't help laughing: “If you don't tell me the situation, how do you know if I'm sure?”

Lan Ling Peacock pondered for a while, and said slowly: “Well then, I'll tell you what I know and see. Do you have that ability?”

For the next half an hour, Lan Ling Peacock explained the situation of the entire Demon Clan Sealed Land in detail.

It turned out that the enchantment above the Demon Race Sealed Land was formed by the condensed formation of four huge circles. This was a huge circle, which was deployed in four directions, east, west, north and south, and the distance between them was tens of thousands of miles.

In the past ten thousand years, while the Feiyu League and the Beast League were fighting, Queen Suzaku also sent her subordinates to investigate the four circles in detail. However, these four circles are too mysterious and complicated, and many demon clans fight against each other. I don't know anything about any technique, so despite numerous investigations, there has been no progress.

Four huge arrays?

Knowing these circumstances, Yue Feng's eyes flashed, and he quickly said to Lan Ling Peacock: "Quick, take me to see the four arrays."

At this time, Yue Feng was very excited.

Since the source of the enchantment is four arrays, then there is no need to be afraid. After all, his accomplishments in the formation and one technique have reached the peak of the realm.

Lanling Peacock responded, and together with Qicai Lingfeng, took Yue Feng to the nearest western formation.

What the hell!

Half an hour later, when he arrived in front of the Western Method Array, Yue Feng was completely stunned when he saw the scene in front of him, and he was extremely shocked.

You can see that the magic circle in front of you is completely built in a huge deep valley. At the bottom of the valley, hot magma is surging, and the flames can reach a height of several hundred meters. This entire valley is a huge furnace.

In this environment, let alone breaking the magic circle, I am afraid that it will be roasted to death by the scorching high temperature before it is close to the valley.

Chapter 3625

Call!

At this moment, Lan Ling Peacock calmed down and said to Yue Feng: "This is one of the magic circles. Over the past ten thousand years, Queen Suzaku has asked us to explore this magic circle more than once, but this valley is full of fireworks, which is very dangerous. ..."

When saying this, Lan Ling Peacock looked at the magic circle in the valley, with a bit of fear in his eyes.

Yue Feng nodded, then said with a smile: "I see, you guys are waiting here, I'll take a look inside this magic circle."

What?

Is he going to enter the magic circle?

In an instant, whether it was the Lanling Peacock or the colorful Lingfeng next to him, they were all stunned.

"Just because of your human flesh and blood, I'm afraid that you will be burned to death before you get close to the magic circle." After a few seconds, Qi Cai Lingfeng reacted and couldn't help but sneer.

In Qi Cai Lingfeng's heart, Yue Feng in front of him was completely trying to be brave.

You must know that the flames in this valley are so terrifying that even the colorful phoenix dare not approach it rashly. It can be said that the only person who can enter this circle is the Queen Suzaku.

After all, Queen Suzaku belongs to fire, but she is no longer there, and this Yue Feng, who went to the array to check with an understatement, was simply overconfident.

When the voice fell, the dozens of Feiyu League members around couldn't help but whisper.

"This Yue Feng is crazy!"

"That's right, this valley is full of fire, how can he get in as a human? It's just looking for death." The

surrounding muttering came, Lan Ling Peacock also frowned and said to Yue Feng. :
"Don't mess around."

When he said this, Lan Ling Peacock's eyes were full of complexities.

Of course, Lan Ling Peacock is not worried about Yue Feng's safety, but is afraid that Yue Feng's rash intrusion will change the pattern of the circle. It doesn't matter when he dies, if the circle cannot be cracked, it will be troublesome.

Ha ha...

Facing Lan Ling Peacock's expression, Yue Feng smiled slightly: "I don't have full confidence, how dare I go in? Don't worry, if something goes wrong, I will take care of it alone." The

voice fell, and Yue Feng tapped his toes. On the ground, he flew up and flew towards the magic circle in the center of the valley.

"You..."

Seeing this scene, Lan Ling Peacock wanted to stop it, but it was too late. Seeing that Yue Feng was very fast, he was 100 meters away in the blink of an eye.

"Forget it!"

At this time, Qi Cai Lingfeng pulled the Lan Ling peacock down, and said lightly: "Since he wants to die, let him go."

The magic circle in front of him, Fei Yu League spent nearly ten thousand years, None of them were broken. This Yue Feng was just a human being, and it was impossible to find a way to crack the magic circle.

Hearing this, Lan Ling Peacock stopped speaking, but his eyes were still fixed on the direction of the magic circle.

I saw that Yue Feng was in front of the magic circle, and his figure was quickly drowned by the huge flames around him.

call!

At this moment, whether it was Lan Ling Peacock or the dozens of Feiyu League members behind him, they couldn't help but sweat for Yue Feng. The flames were burning so fiercely that Yue Feng entered like this, and it was not a moment. Burnt to ashes?

At this time, Yue Feng is here.

When approaching the magic circle, Yue Feng activated the power of bird ancestors in his body, and at the same time activated the spirit flame of the sky bird, forming a transparent protective film around his body.

Heavenly Fire Spirit Flame is a new fire formed by the fusion of Queen Suzaku's Fire Spirit and White Lotus Cold Fire. Its characteristics are more than ten times stronger than that of White Lotus Cold Fire. Naturally, it is not afraid of these blazing flames.

I saw that the moment the protective film was formed, the flames burning around Yue Feng were immediately isolated, and then Yue Feng easily entered the magic circle.

call!

The ultimate husband in Chinese chapter 3626-3630

Chapter 3626 As

soon as he entered the magic circle, the scene in front of him suddenly made Yue Feng stunned, and he couldn't help taking a deep breath.

Damn... This seems to be the legendary Tianjue Annihilation Array.

Tianjue Annihilation Formation, in "Baiqi Divine Formation", there are only sporadic records. It is said to be one of the most powerful formations in the world at the beginning of the world.

Because there is no detailed record in the Baiqi Divine Formation, but Yue Feng can still see at a glance that the huge formation in front of him is the Tianjue Annihilation Formation, because Yue Feng can see that the raging flames in the entire valley are inextinguishable. , which is inspired by this magic circle.

It seems that it will take some time.

After being stunned for a few minutes, Yue Feng reacted and began to sit there cross-legged, trying to crack the formation.

One minute...

two minutes...

in the blink of an eye, ten minutes passed, and I saw Yue Feng sitting in the center of the circle, motionless, completely entering the realm of self-forgetfulness, you know, this kind of annihilation The formation is very delicate and complex, and even Yue Feng cannot break it in a short period of time.

At this time, Lan Ling Peacock is here.

Seeing that ten minutes passed, Yue Feng did not appear. Whether it was Lan Ling Peacock and Colorful Spiritual Wind, or the dozens of Feiyu League members behind, all of them were impatient.

Finally, a member of the Feiyu League couldn't help but said: "I haven't come out for so long, it must have been burned to ashes, what should we do?" The

voice fell, and the other members of the Feiyu League nodded.

Lan Ling Peacock bit her lip tightly and did not respond, but her heart was complicated.

This Yue Feng was so impulsive, he would not have come with him if he knew earlier.

This chapter is provided by . Visit for daily update.

"Huh!"

At this time, Qi Cai Lingfeng lost his patience, sighed lightly, and said lightly to Lan Ling Peacock: "I thought this Yue Feng was so capable, but in the end he was just an arrogant person, looking at the situation, people must have been burned to death, we don't have to wait, go back to the White Tiger King."

When she said this, Qi Cai Lingfeng's cold and arrogant face did not fluctuate in the slightest. In her heart, Yue Feng was just a human being. Life or death has nothing to do with her.

Um!

Lan Ling Peacock nodded and was about to leave with Qi Cai Lingfeng.

However, at this moment, one of the Feiyu League members glanced at the magic circle in the valley, and suddenly the whole person was stunned, and then couldn't help exclaiming: "Oh my God... The fire around the circle seems to be extinguished!"

What?

Hearing the shout, Lan Ling Peacock and Colorful Lingfeng, as well as the surrounding Feiyu League members, all looked back subconsciously, and their hearts trembled when they saw this.

I saw that the raging fire in the entire valley was quickly extinguished at a speed visible to the naked eye.

Huhuhu....

In less than a minute, except for the magma at the bottom of the valley, there was no trace of flames, and the temperature in the air suddenly dropped a lot.

This...

Seeing this situation, Lan Ling Peacock and Qi Cai Lingfeng looked at each other, both inexplicably shocked.

what 's wrong? Why did the fire suddenly go out?

Whoosh!

And just when they were in shock, they saw a figure, fast lightning, flying out of the formation, with a handsome and tall figure and a cold face.

Who is not Yue Feng?

What? He...he didn't even die!

Seeing Yue Feng, the entire valley was dead silent, whether it was Lan Ling Peacock, Qi Cai Ling Feng, or the members of the Fei Yu Alliance, all of them were dumbfounded, and their eyes were full of disbelief.

Chapter 3627

Whoosh!

Just when everyone was shocked, the figure of Yue Feng came quickly and landed steadily.

“You...”

At this moment, Lan Ling Peacock calmed down and couldn't hide the shock in his heart: “You broke this magic circle?”

Yue Feng smiled and nodded: “Yes! You didn't see it, in the valley. Has the flames disappeared?”

At this time, Yue Feng was in a very relaxed mood. He originally expected that it would take a few hours to break the Tianjue Annihilation Array, but it broke in less than an hour. Can you be unhappy? ?

Speaking of which, Yue Feng's ability to break the Kaitianjue annihilation formation so quickly was not entirely due to luck. Over the years, in addition to completely understanding all the formations in the Baiqishen formation, Yue Feng has also learned the essence of many formations and techniques from Guiguzi.

Hearing the answer, Lan Ling Peacock trembled, staring blankly at Yue Feng, speechless.

It was really broken by him.

Queen Suzaku was a subordinate of this magic circle. After trying countless times, they were all helpless, but at this time, it took him less than half an hour to break it.

If you hadn't seen it with your own eyes, who would have believed it?

At this moment, Qi Cai Lingfeng also looked at Yue Feng closely, with a strange brilliance in his eyes.

I didn't expect this Yue Feng to have such ability, it's really hidden. No wonder he was so appreciated by the White Tiger King.

And the dozens of Feiyu League members behind them were even more stupid, unable to speak for a long time.

"Okay!"

Facing the amazed eyes around him, Yue Feng looked relaxed and said with a smile: "It's a magic circle that has already broken one, it's still early, take me to find another one."

Lan Ling Peacock nodded, and was about to respond when suddenly, he heard a wave of breath coming from the sky not far away.

In an instant, whether it was Lan Ling Peacock or Yue Feng, they all looked up subconsciously!

What the hell!

Seeing this, Yue Feng's heart was shocked, and he couldn't help taking a breath!

I saw a large golden bird, flying rapidly, there are thousands of them, covering the sky and the sun, very spectacular!

In front of these big golden birds, are five men in golden robes.

The leader, with a gloomy face and a powerful aura all over his body, is Jinpeng!

Madd, it's him!

Seeing Jinpeng, Yue Feng's expression changed, and he was furious.

At the bottom of the abyss, Jin Peng took advantage of Queen Suzaku's weakness and forced Queen Suzaku to hand over her power. Yue Feng arrived in time and was almost beaten to death by Jin Peng. At the last moment, Queen Suzaku chose to burn her own life and kill her. The power was passed on to Yue Feng.

After that, Yue Feng, relying on the strength of Bird Ancestor, beat Jin Peng and fled.

In Yue Feng's heart, before leaving the sealed land of the demon clan, he must find Jinpeng and kill it to avenge Queen Suzaku. After all, Queen Suzaku was forced to death by Jinpeng. But I didn't expect to meet so soon.

Swish!

At this moment, Jin Peng's eyes also locked on Yue Feng, and he was furious.

Mad, bumped into this guy.

At that time, after Jinpeng escaped from the abyss, he quickly gathered the Jinpeng clan and gathered other members of the Feiyu League. However, the White Tiger King subdued most of the Feiyu League members and became stronger. In the past two days, he has been in the Encircle and suppress Jinpeng.

Under such circumstances, Jin Peng took the clan and kept fleeing everywhere. Just now, Jin Peng led the clan as he passed by the neighborhood. Seeing that the flames in the valley were extinguished, he came to check it out of curiosity, but unexpectedly, he ran into Yue Feng.

"Good boy!"

Chapter 3628

At this time, Jin Peng's eyes were fixed on Yue Feng, and his tone was full of gloom:
"We meet again!"

Phew!

Feeling the resentment in Jin Peng's eyes, Yue Feng looked indifferent, chuckled lightly, and did not respond.

At this time, Jin Peng's eyes fell on the colorful Lingfeng and Lanling Peacock, and his tone was full of mockery: "Tsk tsk, I didn't expect that Lanling Peacock and Colorful Lingfeng, who have always been loyal to Queen Suzaku, now not only take refuge in You killed the enemy and mixed with a despicable and shameless human being!"

"Queen Suzaku has always regarded you very highly, but you have taken refuge with the White Tiger King, don't you feel ashamed?"

When he shouted this, Jin Peng's eyes showed deep cunning.

When the Feiyu League was established, Jinpeng, Qicai Lingfeng and Lanling Peacock were both the right-hand men of Suzaku Queen, but in terms of status, Jinpeng was far inferior to Qicai Lingfeng and Lanling Peacock.

Compared with Jinpeng, Queen Suzaku has always valued the colorful Lingfeng and Lanling Peacock more.

This matter has always made Jin Peng brooding, and when he saw Lan Ling Peacock, he couldn't help laughing at it.

“Jin Peng!”

Hearing Jin Peng's ridicule, Qi Cai Lingfeng's pretty face changed, and she said coldly, “You don't have to be yin and yang here, we have never betrayed Queen Suzaku!”

Qi Cai Lingfeng has a cold and arrogant personality, and acts straight. When I saw Jin Peng's rude words, I couldn't help it!

When the words fell, Lan Ling Peacock took a step forward and said to Jin Peng: “Yes, we did not betray the Queen, and allegiance to the White Tiger King is just an expedient measure.”

When saying this, Lan Ling Peacock looked at Yue Feng vigilantly. at a glance.

This Yue Feng is the VIP of the White Tiger King, he can't let him spread the matter about his false surrender!

Seeing Lan Ling Peacock's eyes, Yue Feng suddenly understood something, smiled slightly, and said lightly: “Don't worry, I'm not from the White Tiger King. Whether you really rely on him or not has nothing to do with me!”

Phew!

Hearing this, Lan Ling Peacock breathed a sigh of relief.

“Okay!”

At this time, Jin Peng sneered and said to Lanling Peacock, “You said you didn't betray Queen Suzaku, why are you with this human?”

Lanling Peacock and Qicai Lingfeng looked at each other and were stunned. .

Is he loyal to Queen Suzaku, and what does it have to do with Yue Feng?

“Jin Peng, what do you mean? Make it clear!” Qi Cai Lingfeng frowned, coldly said.

Hehe...

Jin Peng's mouth curled into a sneer, and at the same time glanced at Yue Feng, and continued word by word: "At that time, Queen Suzaku was shot into the abyss by the White Tiger King. Although she was seriously injured, it did not endanger her life. He was healed."

"However, the queen was very unlucky. She encountered this sinister and cunning human. He not only killed the queen, but also took away the power of bird ancestors!

"Ten thousand times is not a pity." In the

last sentence, Jin Peng almost roared.

What?

Hearing this, whether it was Lan Ling Peacock or Colorful Lingfeng, all of them were shocked, and then their eyes locked on Yue Feng.

Nima!

Yue Feng's expression changed, and he was furious.

This Jinpeng is really despicable. The wicked sued first. It was clearly that he wanted to snatch the power of the bird ancestors from the Queen of Suzaku, but now he bites back.

Thinking to himself, Yue Feng took a deep breath and scolded Jin Peng coldly: "Jin Peng, you spit out blood, but what is the truth, you know better than me!"

Chapter 3629

Said, Yue Feng took a deep breath and said to Lan Ling Peacock: "The real situation is that Jin Peng committed the crime, taking advantage of Queen Suzaku's serious injury, and trying to rob the power of Bird Ancestor."

At this time, Yue Feng, I was very angry, Ma De, in the abyss, in order to protect Queen Suzaku, he was almost killed by Jin Peng, but now, Jin Peng is slandering himself in public.

Phew...

Hearing this, Lan Ling Peacock's delicate face was extremely solemn.

Lan Ling Peacock has a calm temperament. At this time, Yue Feng and Jin Peng are holding their own words, and it is difficult to tell them apart. She chooses to wait and see quietly.

Colorful Lingfeng is the same.

At this time, Jin Pengdao sneered, and said to Yue Feng sullenly: "You are still arrogant, you have taken the power of bird ancestors from the queen, this is iron proof, you can't tolerate quibbling!"

" , Jin Peng pretended to squeeze out a few tears, and said with grief and indignation: "I only regret that I didn't arrive in time and let the Queen be murdered by you, but I swear, I will kill you to avenge the Queen." I

have to say, Jin Peng The acting is very similar, especially the sad look, which is moving.

Swish!

Hearing this, Lan Ling Peacock and Qi Cai Lingfeng's eyes locked on Yue Feng again. Afterwards, Qi Cai Lingfeng could n't

help asking Yue Feng, "Is what Jin Peng said true? Did you really kill the Queen and take away the power of Bird Ancestor?" At this moment, whether it was Lan Ling Peacock or the dozens of Feiyu League members behind him, they also looked closely at Yue Feng, waiting for his answer. Yue Feng took a deep breath, nodded and said: "Yes, I got the power of the ancestors of birds, but this is the Queen Suzaku, who passed it on to me at the cost of burning life."

"Pass it on to you?"

Jin Peng couldn't help but pointed at Yue Feng and shouted: "The power of bird ancestors is the source of the power of all our bird races, and you are just a human, why did the queen pass it on to you? You? Don't you think it's ridiculous to make up such a low-level lie?"

Said, Jin Peng shouted at Lan Ling Peacock: "Lan Ling Peacock, Colorful Lingfeng, now the evidence is conclusive, don't hesitate to kill him directly. , to avenge the queen."

At this time, Jin Peng's eyes were full of viciousness.

To be honest, Jinpeng wanted to act immediately at this time, but thinking that Yue Feng had the power of the ancestor of the bird, and his strength was too strong, he decided to incite the colorful phoenix and the peacock with Lanling.

Jin Peng thought about it, and when Yue Feng and Lan Ling Peacock were both defeated, he would take action to clean up the mess.

As soon as the voice fell, the Jinpeng clan all started to drink coquettishly!

“That’s right! This human being is so abhorrent, we must not spare him lightly!”

“Kill him and avenge the queen!”

“Kill him...” The

surrounding anger kept coming, Yue Feng looked calm, watching Jin Peng said: “You really can confuse black and white. At that time, you committed the following crimes and forced Queen Suzaku to a desperate situation. In desperation, you passed on the power of bird ancestors to me. Now you bite back, you really have a face.”

Jin Peng His face turned red, and he was speechless for a moment.

In the next second, Jin Peng was too lazy to talk nonsense and shouted at Lanling Peacock: “Lanling Peacock, colorful phoenix, this Yue Feng has the power of bird ancestors, and the evidence is like a mountain, he is the murderer of the Queen, what else do you have? Can you be hesitant?” The

voice

fell, Lan Ling Peacock and Qi Cai Lingfeng looked at each other, and then the figure burst out and came directly towards Yue Feng.

To be honest, Lan Ling Peacock and Colorful Lingfeng originally did not believe that Yue Feng would kill Queen Suzaku, but he has the power of bird ancestors, which is an irreversible fact.

Nima!

Seeing Lanling Peacock flying in at the same time as Qicai Lingfeng, Yue Feng was very depressed and said helplessly: “You really don’t believe me? This Jin Peng is bloody, the truth is not what he said at all.”

Chapter 3630

Lan Ling Peacock bit her lip and said coldly: “Stop talking nonsense, no matter what the truth is, you have the power of bird ancestors, this is a fact.”

Om!

The voice fell, and a powerful breath burst out from Lan Ling Peacock's body, quickly covering Yue Feng.

At the same time, Qi Cai Lingfeng also raised her jade hand and hit Yue Feng with a palm.

In the face of this situation, Yue Feng wanted to cry but had no tears, so he had no choice but to mobilize the power of Bird Ancestor, and the two Lanling Peacocks fought fiercely in mid-air.

Haha...

Seeing this scene, Jin Peng was suspended in mid-air, indescribably excited.

Lan Ling Peacock and Qi Cai Lingfeng were finally deceived by themselves. With the two of them to deal with Yue Feng, they could sit on the mountain and watch the tiger fight and wait for work.

On the battlefield!

Yue Feng and Lan Ling Peacock, two, three figures, constantly shuttled each other in mid-air.

Lan Ling Peacock and Qi Cai Lingfeng cooperated tacitly. Every time they made a shot, they could cause a twist of air, which was very powerful. Speaking of which, if it was a few days ago, Yue Feng would have been defeated long ago, but at this time, he has the power and strength of the ancestors of birds. The present is not what it used to be, and for a time it was on par with Lan Ling Peacock.

In the blink of an eye, half an hour passed, and the two sides were still on a par.

After being unable to stand for a long time, Lan Ling Peacock was a little anxious, and couldn't help but said to Jin Peng: "Jin Peng, come and help."

At this time, Lan Ling Peacock felt both grief and anger, and shock.

The Yue Feng in front of him is really despicable. He actually killed the queen and captured the power of Bird Ancestor. No wonder he was able to collect so many stone lotuses on the top of the mountain in yesterday's competition.

Today, no matter what, we have to catch him.

However, in the face of Lan Ling Peacock's shout, Jin Peng was suspended there, looking calm and composed, and had no intention of helping.

Jinpeng's purpose is to make Yue Feng and Lan Ling Peacock lose both, so how could they take action earlier? After all, Yue Feng has the power of bird ancestors, and his strength is very strong. Jinpeng's rash shot will only consume his own strength.

Soon, another half an hour passed. Whether it was Yue Feng, Lan Ling Peacock and Qi Cai Lingfeng, their strength was almost exhausted under the fierce battle, and their faces were pale.

"Haha, go to hell, kid!"

Seeing this situation, Jin Peng knew that the time was right, he didn't hesitate at all, he laughed loudly, then swooped down, lightning fast, and slapped Yue Feng's back with a palm!

hum!

The moment he rushed to the front, a powerful aura burst out from Jin Peng. .

Madd, this shameless villain.

At this moment, when he saw Jin Peng attacking from behind, Yue Feng was startled, and his eyes were blood red.

To be honest, when Jin Peng made a slander just now, Yue Feng knew that Jin Peng would definitely make a surprise attack, but he never thought that he would be so blatant and not cover up at all.

"Boy!" The corner of Jin Peng's mouth rose slightly, unable to hide his excitement and hatred, and said coldly: "I said, I will kill you with my own hands to avenge the queen, you, go to hell!" As the

voice fell, Jin Peng's inner strength surged. Move, shoot out with one palm.

boom!

Jinpeng's speed was too fast, Yue Feng didn't have time to react, this palm slammed into Yue Feng's back, and he heard a dull vibration, Yue Feng's blood spurted wildly, and the whole person flew out at once.

Pfft!

After flying more than 100 meters away, Yue Feng sprinkled a rain of blood in the air, and finally fell heavily on a huge rock. The pain came, and he almost fainted.

Chapter 3631

Call!

Seeing this scene, the surrounding Jinpeng clan were extremely excited.

The boss grasped the timing very well!

At the same time, Lan Ling Peacock and Colorful Phoenix were also taken aback, and at the same time they were also a little annoyed.

This Jinpeng is too sinister. He didn't help at first, and when he and Yue Feng were both beaten, he suddenly shot and enjoyed the success.

"Hahaha.."

Jin Peng didn't care about Lan Ling Peacock and Colorful Lingfeng's eyes, he laughed up to the sky, indescribably excited.

Immediately, Jin Peng stared at Yue Feng, his tone full of pride: "Boy, didn't you expect it? I said, I will kill you myself!"

"Jin Peng!"

Yue Feng's eyes were blood red as he stared at Jin Peng, said coldly: "Thanks to you still being the leader of the Jinpeng clan, you can only make a sneak attack with this little skill. At the bottom of the abyss, you took advantage of Queen Suzaku's serious injury and secretly attacked, and now you are doing my old tricks again, you Don't be ashamed, I'll be ashamed for you!"

At this moment, Yue Feng was very annoyed.

Ma De, being hit so hard by Jinpeng, is really not reconciled.

Muttering in his heart, Yue Feng couldn't help but glance at Lan Ling Peacock. In the end, the two of them joined forces and their power was too strong, and he couldn't take care of his back at all!

"Jin Peng!"

At this moment, Lan Ling Peacock reacted and shouted at Jin Peng Jiao, "Kill him!" Speaking of which, Jin Peng's behavior just now made Lan Ling Peacock despised. But no matter what, in the end, he succeeded in defeating Yue Feng.

This chapter is provided by . Visit for daily update.

Speaking of which, Lan Ling Peacock really wanted to kill Yue Feng with his own hands to avenge the Queen Suzaku, but in the fierce battle just now, Lan Ling Peacock had consumed a lot of power, so Jinpeng could only do it for him at this time.

At this time, Lan Ling Peacock didn't know that she was completely fooled by Jinpeng.

It was not Yue Feng who really killed Queen Suzaku, but Jin Peng.

"Don't worry!"

Hearing Lan Ling Peacock's cry, Jin Peng showed a meaningful smile: "I will definitely kill him!" After speaking, he slowly walked towards Yue Feng.

As he approached, Jin Peng said with a wicked smile: "Boy, before you die, do you have any last words?" When he said this, Jin Peng looked at Yue Feng, but his attention was on Lan Ling Peacock.

Yue Feng sneered and did not respond.

Jin Peng stopped talking nonsense, but when he passed by Lanling Peacock, he suddenly turned around and raised his hand towards Lanling Peacock's back.

In Jin Peng's heart, Yue Feng had already been hit hard, and there was no threat for the time being. The most important thing at the moment was to control the Lanling Peacock and the Colorful Lingfeng.

"You..."

Seeing Jinpeng attacking her, Lan Ling Peacock's pretty face changed, she was shocked and angry, she wanted to dodge at the same time, but she was too close to react at all.

boom!

This palm hit Lan Ling Peacock directly on the back, she heard a grunt, and she stepped back several dozen steps, her face pale and extremely weak.

After stabilizing her figure, Lan Ling Peacock finally couldn't hold it anymore, and fell to the ground all of a sudden. The fierce battle with Yue Feng just now had consumed a lot of strength. At this time, facing Jinpeng's surprise attack, she couldn't bear it at all.

Swish!

Seeing this scene, whether it was the colorful phoenix, or the dozens of Feiyu League members behind, were all taken aback.

Nima!

At the same time, Yue Feng frowned and cursed.

This Jinpeng is simply despicable. First he raided himself, and now he plots against Lan Ling Peacock.

“Jinpeng!”

Chapter 3632

Finally, Qi Cai Lingfeng reacted, staring at Jin Peng and said coldly: “What are you doing? You are crazy.” When saying this, Qi Cai Lingfeng was extremely annoyed.

Qi Cai Lingfeng and Lan Ling Peacock, both the right-hand men of Queen Suzaku, have a very close relationship with each other. When they saw her being plotted against by Jin Peng, they couldn't help it.

“Yes, I'm crazy!” Jin Peng looked proud, ignoring the anger of the colorful Lingfeng: “But don't blame me

, how can I revive the Feiyu League if I don't subdue you and Lanling Peacock?”

, Qi Cai Lingfeng's delicate body trembled, and she shouted: “Jin Peng, you shameless and despicable person!” The

voice fell, Qi Cai Lingfeng raised his right hand, five fingers became claws, directly thinking of Jin Peng to grab it.

call!

This claw contains the ten successful power of the colorful spirit phoenix! It can be clearly seen that where the figure passes, the surrounding air is extremely distorted and distorted, which is amazing.

“Haha!”

Seeing Qi Cai Lingfeng attacking, Jin Peng didn't panic at all, and said slowly: “Qicai Lingfeng, if it was before, maybe I would still be afraid of you, but today, I will eat you and Lan Ling Peacock.”

Leng After Leng said this, Jin Peng's eyes turned gloomy, and the strength of his body erupted, and then his figure erupted, and greeted the colorful phoenix with lightning speed.

boom!

In the next second, the figures of the two sides collided in mid-air, and immediately after hearing Qi Cai Lingfeng let out a painful hum, the figures were directly shaken back dozens of meters away.

Jin Peng is right. If it is normal, he is not the opponent of Qicai Lingfeng at all. You must know that Qicai Lingfeng is the strongest of all the subordinates of Queen Suzaku. However, the fierce battle with Yue Feng just now consumes a lot of power. Jinpeng, who is at his peak strength, is naturally not an opponent.

However, Qicai Lingfeng has a cold and arrogant personality, and never admits defeat. After stabilizing her figure, her figure looks astonishing and comes towards Jinpeng again.

"It's too much!"

Jin Peng snorted coldly, without any nonsense, all the power in his body exploded, and once again greeted the colorful phoenix!

"Bang bang bang!" The

two figures were in mid-air, constantly colliding back and forth, sending out waves of terrifying vibrations.

Seeing this scene, the audience was silent.

Especially Lan Ling Peacock, biting her lip tightly, was very worried about Qi Cai Ling Feng.

In the blink of an eye, a few rounds passed, the speed of the colorful Lingfeng slowed down, and the delicate and arrogant face was extremely pale.

"Haha... Colorful Lingfeng don't struggle..."

At this moment, Jin Peng sneered, the figure suddenly accelerated, and then raised his hand and slapped it!

The speed of this palm was as fast as lightning, and the colorful spirit phoenix couldn't dodge it. At that time, as long as he bit his lip tightly, mobilizing all his strength, he greeted it with one palm.

boom!

The next second, the palms of the two touched, and a dull vibration sounded. At this moment, the beautiful body of the colorful phoenix retreated dozens of steps in a row, and her face was instantly ugly!

Jinpeng burst out with all his strength, and the power of the colorful spirit phoenix was almost exhausted, of course it was not an opponent!

“Huh...”

Qi Cai Lingfeng only felt stuffy in her chest, stabilized her figure, and looked at Jin Peng in shock and anger, her face full of anger and unwillingness.

It was so embarrassing to lose to Jinpeng like this.

Jin Peng sneered, his face full of pride, and looked at the colorful Lingfeng and mocked: “What? Are you not convinced? It’s useless if you are not convinced, just accept your fate... Haha.” After the words

fell, Jin Peng walked over and took out a piece from his body. A golden rope ties the colorful phoenix and the peacock with the orchid.

You can see that this golden rope is completely made of golden feathers, mixed with unique metal, which is extremely tough. It is the unique golden feather rope of the Jinpeng family.

At this moment, Qi Cai Lingfeng and Lan Ling Peacock both trembled and could not move at all.

Chapter 3633

Alas!

Seeing this scene, Yue Feng secretly sighed.

Lan Ling Peacock and Qi Cai Lingfeng were both arrested, and it was over.

“Jin Peng, you scum!”

At this moment, Lan Ling Peacock bit her lip tightly, extremely frightened, and yelled at Jin Peng: “You dare to plot against me and Qi Cai Lingfeng, have you thought about the consequences? Let us go !”

At this time, Lan Ling Peacock’s body was trembling with anger, and her eyes were full of anger.

You must know that in the Feiyu League, Jin Peng's status is far inferior to Lanling Peacock. Every time Jinpeng sees Lanling Peacock, he is respectful and courteous, but now, Jinpeng is so bold to plot against her, which makes Lanling Peacock endure. No.

"Shut up!"

Seeing Lan Ling Peacock's high-spirited attitude, Jin Peng's face sank, and then he walked over quickly, slapped her hard, and slapped her in the face!

"Clap!"

When the slap went down, Lan Ling Peacock let out a coquettish cry, and a slap print appeared on her fair face.

"Shao Te Ma is putting on airs in front of me. Do you think you are still a celebrity by Queen Suzaku's side, and you can call me around? Let me tell you, Queen Suzaku is dead, and you are just my prisoner now. "Jin Peng looked at Lan Ling Peacock coldly, his expression was arrogant, and he almost squeezed these words out of his teeth!

At this time, Jin Peng was extremely happy. Ma De, who was not taken seriously by Queen Suzaku before, was subservient to the Lanling Peacock and suffered all the fuss, and now he has finally turned over, how can he tolerate her shouting in front of him Call?

Lan Ling Peacock was blinded by this slap and stayed there.

A few seconds later, Lanling Peacock reacted and looked at Jinpeng and said angrily: "Jinpeng, you, you actually hit me? I will definitely kill you!"

In Lanling Peacock's heart, she has always looked down on Jinpeng, and now she faces Jinpeng. The humiliation, under the anger, almost collapsed.

"Crack!" The

voice fell, and Jin Peng slapped him again!

"Ma De, it seems that the slap just now didn't wake you up. I'm warning you once, don't put on a high-level attitude in front of me, understand?" Jin Peng said coldly, and his expression was extremely sinister.

Swish!

Seeing this scene, Qi Cai Lingfeng next to him couldn't stand it any longer, his face full of frost, and he cursed: "Jin Peng, you are crazy, everyone is from the Feiyu League, why are you killing each other?"

Until this time, Colorful Lingfeng still didn't understand what was going on.

She only knew that this Jinpeng was originally inferior to herself and Lanling Peacock, but now, she has humiliated Lanling Peacock in every possible way, which is absolutely hateful.

Hearing the angry shout, Jin Peng stopped and looked at Qicai Lingfeng coldly: "What are you calling? Shut up for me too."

Qicai Lingfeng was so angry that he wanted to speak, but was beaten by Yue Feng who was not far away. broken.

"Alas!"

Yue Feng sighed deeply, first looked at Lanling Peacock, and then at Qicai Lingfeng, and said helplessly: "You still don't understand? This Jinpeng catches you and just wants to regroup. Feiyu Alliance, be the leader of the alliance yourself."

"Also, in the underground abyss, he was going to plot against the Queen Suzaku, but unfortunately you don't believe me."

When he said this, Yue Feng looked depressed.

Ma De, if Lan Ling Peacock and Qi Cai Lingfeng believed me just now, they wouldn't end up like this now. It's a pity that they were all bewitched by Jinpeng.

Swish!

Hearing these words, Lan Ling Peacock and Qi Cai Lingfeng's eyes locked on Jin Peng, and their eyes were full of anger and complexity.

"Haha!" Jin Peng sneered, with a sinister look on his face: "This kid is right, I did raid Queen Suzaku at that time. She was severely injured by the White Tiger King at the time, and she couldn't recover completely in a short time. Only by passing on the power to me can we save the predicament of our Feiyu League."

"But Queen Suzaku, she actually passed on the power of bird ancestors to this human being, and not to me, so pedantic and stupid, she deserves to die!" The

last sentence, Jin Peng He roared out, his eyes full of resentment.

Chapter 3634

Anyway, Lan Ling Peacock and Colorful Lingfeng have been caught by himself, so it doesn't hurt to tell the truth.

What?

Hearing these words, whether it was the colorful phoenix or the peacock with blue lingering, all of them were trembling with incomparable grief and grief.

This... this Jin Peng, it is absolutely shameless to do such a rebellious thing.

At the same time, Lan Ling Peacock and Colorful Lingfeng also glanced at Yue Feng, with a bit of guilt and apology in their eyes.

It turned out that what Yue Feng said was the truth, and he misunderstood him.

“Jin Peng!”

In grief, Lan Ling Peacock couldn't help but yelled at Jin Peng: “You commit a crime and kill the queen, you must die.”

At the same time, Qi Cai Lingfeng also glared at Jin Peng, wishing Skin him cramps.

Ha ha!

Facing their glares, Jin Peng sneered, and then said slowly: “Kill me, will Queen Suzaku be able to be resurrected? You two are really stupid and loyal.

” The most important thing now is to reorganize the Feiyu League to fight against the White Tiger King. As long as the two of you promise to be loyal to me, I promise not to treat you badly!”

“At that time, let's defeat the White Tiger King together and unite all the monsters to leave this ghost place, you guys. They are all great heroes.”

Phew!

Hearing this, Lan Ling Peacock and Qi Cai Lingfeng looked at each other in shock and anger.

It turned out that Jin Peng tried his best to plot against me, just to make me allegiance to him.

Ha ha...

At the same time, Yue Feng, who was not far away, couldn't help but chuckle.

This Jinpeng finally showed his fox tail.

Thinking about it, Lanling Peacock had a firm face and cursed at Jinpeng: "Jinpeng, with your character, you still want to reorganize the Feiyu League? Stop dreaming!"

In Lanling Peacock's heart, Jinpeng was killed Queen Suzaku, I can't wait to slash him with a thousand swords, how can I surrender?

When the words fell, Qi Cai Lingfeng also followed and shouted: "Jin Peng, you will not end well."

Facing the anger, Jin Peng didn't get angry, but smiled.

The next second, Jin Peng looked at the dozens of Feiyu League members next to him: "Are you willing to surrender?"

Jin Peng knew that Lanling Peacock and Qicai Lingfeng would not give in easily, so he decided to start with their men.

"Haha..." After the

voice fell, one of the members of the Feiyu League strode out and glared at Jin Peng: "Jin Peng, you shameless scum, you killed the Queen Suzaku, and now you are attacking the colorful Lingfeng and Lanling Peacock. , and pretending to reorganize the Feiyu League? You disloyal and unrighteous scum, I would rather die than take refuge in you!"

"Okay, very good!" Jin Peng nodded again and again.

When the words fell, Jin Peng's face flashed a ferocious look, without any nonsense, he slapped him directly.

boom!

The member of the Feiyu League didn't have time to react at all. With a miserable cry, he flew out directly. After landing, blood spurted out, and he died of breathlessness!

hiss!

Seeing this scene, the rest of the Feiyu League members all turned pale and trembled in their hearts!

This Jinpeng is too ruthless.

Chapter 3635

"What about you?"

At this time, Jin Peng looked at the remaining dozens of Feiyu League members, and the cold voice was like that from hell: "Whoever obeys me will live, and whoever goes against me will die, you Think clearly." As soon as he finished speaking, one of the members of the Feiyu Alliance quickly came out, knelt

down in front of Jin Peng in public, and said loudly, "See the alliance leader!"

To be soft is to die!

"See the leader!"

Seeing the leader, the rest looked at each other in dismay, and immediately knelt down.

The situation in front of him is very obvious. If you don't obey Jin Peng, you will die. Who doesn't want to live?

call!

Seeing this scene, Yue Feng's brows were furrowed, and he was extremely frightened.

Mad, this Jinpeng is not only insidious, but also has such a ruthless heart. At this time, playing this game is clearly intended to show Lanling Peacock two.

But I have to say, this one-handed kills the chicken and warns the monkey, and it plays very well.

"You..."

Sure enough, seeing his subordinates, all bowed their heads to Jinpeng at this time, Lan Ling Peacock's delicate body trembled, anxious and angry.

Qi Cai Lingfeng also stomped her feet in a hurry.

On the other hand, Jin Peng was extremely excited, and the corners of his mouth twitched, revealing a smile.

The next second, Jin Peng said with a smile, "Qicai Lingfeng, Lanling Peacock, have you figured it out now?"

Qicai Lingfeng snorted and said nothing.

Lan Ling Peacock is also firm.

"Okay!"

Seeing their reaction, Jin Peng showed a sinister smile on his face, and said coldly: "Very good, I'll see when you can be tough!" After speaking

, Jin Peng ordered his men behind him: "Come on, take them both. All his arms are cut off!"

Whoops!

As soon as the words fell, several warriors of the Jinpeng clan immediately came over, holding long knives tightly in their hands.

What the hell!

Seeing this, Yue Feng couldn't help taking a deep breath.

These two Lanling Peacocks, the leaders of the Peacock Clan and the Phoenix Clan, would be embarrassed if their arms were cut off, it would be even more uncomfortable than killing them.

Thinking to himself, Yue Feng wanted to rush over to stop him, but he was attacked by Jinpeng before, and his body was weak. He was completely powerless.

Swish!

Seeing a few warriors from the Jinpeng clan come over, Qi Cai Lingfeng had no fear, and said coldly: "Jin Peng, you'd better kill me directly, otherwise, I will make you pay with blood." The

voice fell, Lan Ling Phoenix also had a look of grief and indignation: "Jin Peng, you're going to die!"

Jin Peng didn't talk nonsense, and signaled his subordinates to act immediately.

After being instructed, several warriors of the Jinpeng clan raised their long knives without any hesitation, and were about to cut them down.

Buzz...

However, at this critical moment, a wave of breath came from a distance, Jin Peng, his subordinates, and the three Yue Feng turned their heads to look, and when they saw it, they were all stunned. Living.

I saw that a black figure not far away was rushing in quickly. There were tens of thousands of people. It was a member of the Beast League, and the leader was a burly figure with a majestic face.

It is the White Tiger King.

Obviously, when the White Tiger King learned of Jin Peng's whereabouts, he brought his subordinates to encircle him.

Mad!

Seeing this scene, Jin Peng was shocked, and then hurriedly shouted: "Quick, get out!"

At the same time, Jin Peng did not forget the three Yue Feng: "Take the three of them with you."

The ultimate husband in Chinese chapter 3636-3640

Chapter 3636

At this time, Jinpeng is not strong enough to fight the White Tiger King, so he can only choose to avoid his edge.

Hearing the order, the warriors of the Jinpeng clan did not hesitate at all, holding three Yue Feng, and under the leadership of Jinpeng, they quickly evacuated.

Although Jin Peng evacuated quickly, he was still seen by the White Tiger King not far away.

"It's the Jinpeng family!"

At this moment, the White Tiger King didn't hesitate, he waved his hand: "Chase, don't let them run away!"

Ouch!

As soon as the words fell, a terrifying aura erupted from the White Tiger King's body, and he chased after him one step at a time.

Tens of thousands of Beast League members followed closely behind.

...

On the other side, the mainland of Kyushu.

Three years have passed since Yue Feng was involved in the chaotic whirlpool. During these three years, there have been peaceful exchanges between various continents, and there have been fewer battles in the rivers and lakes, and it is rare to find peace.

At this moment, the imperial city of Tianqi Continent.

Today the weather is good and the sun is shining brightly. On the streets of Huangcheng, people are surging, and the forces of various continents are coming together, making the already prosperous Tianqi Imperial City look extremely lively.

Today is a special day, the Kyushu Convention, which will be held here.

Before the Nine Heavens God, after learning about the situation in the Kyushu Continent, he immediately sent an envoy to preside over the situation in the Kyushu Continent. After the arrival of the divine envoy, the Kyushu Continent was extremely shaken.

This chapter is provided by . Visit for daily update.

Afterwards, the divine envoy issued a summoning order to ask all forces in the Kyushu mainland to come to Tianqi Imperial City to participate in the Kyushu Conference.

And today is the day of the Kyushu Conference.

At this time, a majestic high platform was built on the square of the Temple of Heaven on the north side of the imperial city, and around the high platform, there were tens of thousands of seats. At this time, these seats were already crowded with people. From a distance, it was dark. One piece, it's spectacular!

In these seats, in addition to the royal families of various continents, there are also major sects in the rivers and lakes.

From a distance, I could see Danzong and Wenzong from Dongao Continent, Sacred Fire Sect from Apocalypse Continent, and Shaolin, Wudang, Emei, etc. from Diyuan Continent, all coming.

In addition to these, Sun Dasheng from Huaguo Mountain and Wen Chou Chou from the Hall of Longevity also came to the conference!

Between Sun Dasheng and Wen Chou Chou, there was still a handsome figure, wearing a white gown, with short hair that was indescribably refined and handsome, it was Yue Wuya.

At this time, Yue Wuya was already the second Sect Master of Tianmen.

Since Yue Feng was involved in the chaotic vortex, the entire Kyushu Continent believed that Yue Feng was dead. At that time, Yue Wuya was also heartbroken, and then took over the position of Tianmen Sect Master.

Although Yue Wuya is very young, only eighteen or nineteen years old, in the past three years, he has led Tianmen with all his heart, and Tianmen, whose reputation has almost fallen into a low ebb, quickly returned to the top of the rivers and lakes.

“Uncle Wen, Uncle Sun.”

At this moment, Yue Wuya was sitting there and couldn't help but ask, “This divine envoy, suddenly wants to hold the Kyushu Conference, what does he want to do?”

Sun Dasheng shook his head and muttered: “Who knows, the invitation didn't say anything, it's mysterious.” The

voice fell, Wen Chou Chou laughed, and said, “Whatever he wants to do, this divine envoy is from the realm of the gods, and his identity is unusual, wait a moment. After he shows up, let's just listen to what he says.”

Just listen?

Yue Wuya frowned and couldn't help but say: “Uncle Wen, if this divine envoy is talking about things that are not good for Kyushu, should we also listen?”

At this time, Yue Wuya was full of vigor and vitality. When you are old, you can say whatever comes to your mind.

Uh...

Wen Chou Chou was stunned for a moment, and then smiled bitterly: “It shouldn't be.”

Yue Wuya thought about it, and continued: “If it really is the same as what I think, I don't care what kind of messenger he is.

” A few years ago, if it wasn't for the negligence of God's Domain, the enchantment of the Kyushu Continent was secretly destroyed by Hades, making the Xuantian Great Formation disappear, and the series of things that followed would not have happened, and his father Yue Feng would not have been involved in the chaotic whirlpool.

Therefore, in Yue Wuya's heart, he didn't have any favorable impression of the Divine Realm at all.

“Haha!” Sun Dasheng laughed, patted Yue Wuya's shoulder and said, “As expected of my nephew, we both think the same thing. Let's get up and leave after the envoy says nonsense.”

Sun Dasheng has a bold personality . , it has been straight, and it has not changed for more than ten years.

Chapter 3637

“The Great Sage!”

Hearing this, Wen Chouchou was speechless, unable to laugh or cry: "Y'er is young and ignorant, why are you making a fool of yourself?"

This Great Sage has been around for more than ten years, and his reckless personality is still there. Not changed.

Sun Dasheng scratched his head and smiled.

While watching, the surrounding noisy square suddenly became silent.

"God is here!"

Immediately afterwards, someone shouted, and in an instant, the eyes of the audience converged on the high platform.

I saw a middle-aged man walking slowly from the high platform, dressed in a luxurious and gorgeous robe, embroidered with the pattern of the seven stars and the moon, accompanied by the decoration of auspicious clouds, and his body was filled with an extraordinary temperament.

It was the divine messenger from the Divine Realm, Luo Jue.

Swish!

At this moment, feeling Luo Jue's aura, everyone couldn't help holding their breath.

At this time, Luo Jue looked around, and then, an extremely rich voice came out of his mouth: "Thank you for being here and participating in the Kyushu Conference!" The

voice was not loud, but it spread throughout the entire Praying Temple Square, and everyone could hear it. Clearly.

For a time, many people couldn't help but admire secretly.

As expected of a divine envoy from God's Domain, this strength is indeed formidable.

At this time, Yue Wuya couldn't help but said in a low voice, "This divine envoy is so powerful that I can't even feel his realm."

Hehe...

When the words fell, Wen Chou Chou smiled and explained: "Of course, the realm of cultivation in God's Domain is completely different from that of our Kyushu Continent. You can't perceive it, it is normal."

Wen Chou Chou used to be the messenger of Hades, Informed. Learn a little about the realm.

Yue Wuya looked solemn and stopped talking.

Sun Dasheng, who was next to him, pouted and muttered: "Isn't it from God's Domain, what's so amazing."

"Everyone!"

At this moment, I heard Luo Jue on the high platform, and said again: "This seat The name Luo Jue was specially sent by the God of Nine Heavens to rectify the situation in Kyushu."

"Back then, the King of Pluto secretly destroyed the Xuantian formation, causing a series of problems. This matter is indeed the negligence of the God Realm, and the God of Nine Heavens also attaches great importance to it. In order to prevent this from happening, under the instructions of the Nine Heavens God, Divine Realm will establish a Heavenly Dao Alliance in the Kyushu Continent!"

Establish a Heavenly Dao Alliance?

Hearing this, the whole audience was stunned.

Seeing the expressions of everyone in the audience, Luo Jue looked calm, without the slightest fluctuation, and said slowly: "Tiandao Alliance, as the name suggests, is the Tiandao Alliance, the purpose is to give the entire Jiuzhou Jianghu a good order."

After speaking, Luo Jue turned He turned around and waved.

Immediately, eight charming figures slowly walked up to the high platform, all of them wearing veil long skirts, full of fairy spirit, it was the eight saintess Zi Yan and Huanxiang.

When Luo Jue came to the Kyushu Continent, he immediately met eight Zi Yan. Afterwards, with the assistance of the eight saintess, this Kyushu Conference was held.

Swish!

As soon as the eight saintesses of Zi Yan appeared, the audience immediately became restless.

Many men, their eyes are straight.

"This... these are the eight nine-day saints."

“So beautiful, the last time I saw them was three years ago...”

“Yes, as expected of fairies, I haven’t seen them for so long, Each one is more beautiful.”

Chapter 3638

The whispers around him kept coming, and Luo Jue looked indifferent.

The next second, Luo Jue said: “These eight saintesses must be familiar to you. After the establishment of the Tiandao Alliance today, the eight of them are the Dharma Kings of the Tiandao Alliance. Wait for the various sects present, if they want to join the Tiandao If you want to join the alliance, just find the eight of them directly!”

“By the way, after the establishment of the Tiandao Alliance, it is entirely up to everyone’s wishes to not force the various sects present to join.” The

last sentence fell, and there was a lot of discussion around.

“It’s interesting not to be forced to join...”

“If that’s the case, who else joins? It’s great to be independent...”

“That’s right, but then again, after joining the Heavenly Dao Alliance, there is God’s Domain behind it. It’s over...”

Listening to the discussions around, Yue Wuya looked indifferent and sneered inwardly.

This Luo Jue said it nicely, why the establishment of the Tiandao Alliance is for the sake of the entire Kyushu rivers and lakes, but in fact, he wants to control the entire Kyushu rivers and lakes.

Back in the days when Hades had cholera on the Kyushu mainland, I didn’t see your God Domain coming out to govern. Now that everything is over, God Domain sent this Luo Jue here to point fingers at Kyushu rivers and lakes, with a lofty attitude.

really interesting.

“Haha!” Just when Yue Wuya

was thinking about this, Dasheng Sun next to him couldn’t help but chuckle: “After a long time, this divine envoy wants to be the leader of the martial arts alliance in the entire Kyushu continent.”

, Sun Dasheng asked Wen Chou Chou, “Brother Wen, what do you think?”

Wen Chou Chou took a deep breath and said indifferently, "Let's see the situation first."

Wen Chou Chou acted cautiously and decided to wait and see for a while.

At this time, Luo Jue on the high platform said a bunch of high-sounding words, then looked around for a week and smiled: "Okay, if you want to join the Tiandao Alliance, you can start now."

Wow!

The voice fell, and many small sects and factions present couldn't hide their excitement and shouted one by one.

"We will join Liuying Pavilion!"

"We will join Lei Tang..."

"And we..." In the

blink of an eye, dozens of sects expressed their stance that they wanted to join the Heavenly Dao Alliance, one more urgent than the other. And those big sects are all sitting there quietly.

Like Wen Chou Chou, the big sects present were very resistant to joining the Tiandao Alliance. After all, the rivers and lakes in Kyushu are peaceful now, and each of these sects has at least a thousand years of inheritance. Under such circumstances, how could it be possible? Deliver it to your door and let the Tiandao Alliance manage it?

At this time, I saw a figure walking towards the high platform and said loudly: "Our weather royal family also joins the Heavenly Dao Alliance!"

A golden dragon robe with a smile on his face.

It was King Guangping.

In the past, King Guangping did not hesitate to become a puppet of Pluto for hegemony. Later, when Kunlun collapsed, Yanhong took the power of Pluto from Duan Yu and was involved in the vortex of chaos. Lost the powerful backer of the underworld.

Without the support of the underworld, King Guangping suddenly became honest and did not dare to start a war casually, but the ambition in his heart has never been extinguished, and he has been waiting for an opportunity.

Now that God's Domain has sent divine envoys to establish the Heavenly Dao Alliance, King Guangping feels that the opportunity has come.

As long as it joins the Tiandao Alliance and has the powerful backer of the Divine Realm behind it, the Tianqi Royal Family will definitely be able to stand on the top of Kyushu.

Huh...

Seeing this scene, there was an uproar in the audience, but many people looked at King Guangping's eyes with a bit of indifference.

Back then, when King Guangping launched a war, which made life difficult for the people, the major sects in the rivers and lakes did not like him.

"Okay! Very good!"

Seeing King Guangping coming up to express his position, Luo Jue looked approving and smiled: "It seems that His Majesty the Emperor of the Apocalypse Continent is a far-sighted monarch."

Chapter 3639

Speaking, Luo Jue looked at the royal families of other continents: "How about you?"

For a while, the royal families of other continents were silent.

A few seconds later, a charming figure slowly stood up and said softly, "Thank you for the kindness of the envoy. The Nanyun Continent is peaceful and peaceful, and the people live and work in peace and contentment. Therefore, we will not join the Nanyun Royal Family." The

voice was soft and pleasant, but With a majesty that cannot be desecrated.

It is Long Qianyu.

Hearing this, Luo Jue's smile froze on his face, very embarrassed, and at the same time, he was also a little angry.

This queen of the Southern Cloud Continent is so big, she even disdains the Heavenly Dao Alliance.

At this time, Long Qianyu stopped talking nonsense, and said to Luo Jue: "Your Excellency, the envoy, the conference is about to end, we will not wait any longer, farewell!" After the voice fell, Long Qianyu waved his jade hand gently, and brought it with him. Members of the Nagumo Royal Family, slowly meeting.

Wow....

Seeing that the Nayun royal family was the first to leave, the Xicang royal family and the Beiyong royal family also bid farewell to Luo Jue.

Next, there are the major sects.

Seeing this scene, Wen Chou Chou showed a smile and said, "Let's go too." After saying that, he greeted Sun Dasheng and Yue Wuya to get up and leave.

For a time, the entire Temple of Prayer for Heaven was left with a few small sects, which were instantly deserted.

Huh...

Seeing this situation, Luo Jue's face was extremely ugly. He thought that this time, the establishment of the Heavenly Dao Alliance in the name of the Nine Heavens God would be supported and responded by the entire Kyushu, but he never thought that these royal families and big sects, So disrespectful.

"Your Majesty!"

At this time, King Guangping came over and couldn't help but said, "The royal family of Nanyun, the royal family of Xicang, and these sects are simply arrogant. If the envoy is willing, I am willing to send troops to cooperate with the Tiandao Alliance and destroy them one by one. ."

When he said this, King Guangping had a serious face, and his eyes were ruthless.

Luo Jue shook his head: "Thank you for your kindness, Your Majesty, the best way is not to start a war, but to think of other ways to get these royal families and sects to join the Tiandao Alliance voluntarily."

"Okay!" King Guangping was a little disappointed, but Still smiling and nodding.

.....

On the other side, Wen Chou Chou, Sun Dasheng, and Yue Wuya, after leaving Tianqi Imperial City, did not directly return to the Diyuan Continent, but went to Mingyue Lake not far away.

Mingyue Lake is a famous tourist attraction outside Tianqi Imperial City.

At that time, Emperor Tianqi held a martial arts contest for Ren Yingying, which caused a sensation in the entire Kyushu continent. At that time, in order to hide people's eyes and ears, Yue Feng disguised himself and used the fake name of Hu Mingyue, which was related to Mingyue Lake.

It was noon at this time, the sun was shining, and many people came to Mingyue Lake to play, which was very lively.

In a beautiful bay, within a few hundred meters, no one came close.

I saw that dozens of members of the Heavenly Sect were guarding around the water bay, waiting in full force, and at the edge of the water bay, a few charming figures were teasing a chubby little boy.

A few charming figures are Ren Yingying, Xiao Yuruo, Er Qing, and Long Qianying.

The little boy is the child of Long Qianying and Yue Feng.

Three years ago, Long Qianying was still the Queen of Nagumo. Later, due to the turmoil of pregnancy, he was forced to give up the throne. After several twists and turns, he finally stayed in the Ouyang family.

When the child was born at that time, in order to remember Yue Feng, Long Qianying specially named the child Yue Huaixian. In Long Qianying's heart, Yue Feng, like an immortal, is omnipotent.

Yue Huaixian is smart, clever, and cute. Not only does Long Qianying dote on her, but she is also liked by Ren Yingying and Xiao Yuruo.

Today, Wen Chou Chou, Yue Wu Ya, and Sun Da Sheng came to attend the Kyushu Conference. Long Qianying and Ren Yingying also brought their children with them. The purpose was to go out for a sightseeing tour and relax.

“Huixian.”

Chapter 3640

At this time, Ren Yingying hugged Yue Huaixian, looked at the scenery in front of her, and said with a smile, “Is it beautiful here?”

“Beautiful!”

Yue Huaixian nodded, and then said in a milky voice: “But Mother, Aunt Yingying, and Aunt Yuruo...you are more beautiful.”

Hearing

this, whether it was Ren Yingying or Long Qianying, they couldn't help laughing. A very happy mood.

“Little devil!” Ren Yingying touched Yue Huaixian’s head, and said coquettishly, “How old you are, you can learn to coax girls. It’s really like your father...” When she

said that, Yue Feng appeared in Ren Yingying’s mind. The figure suddenly felt a pain in his heart.

Yue Feng, it would be great if you were still here.

At the same time, the faces of Long Qianying and Xiao Yuruo were all filled with sadness. Yue Feng was at the top of Kunlun, and was involved in the vortex of chaos. In their hearts, this matter is eternal pain.

For a time, the cheerful atmosphere turned a little sad.

“Haha...”

At this moment, a loud laugh came from not far away, it was Sun Dasheng, along with Wen Chou Chou and Yue Wu Ya.

When he got to the front, Sun Dasheng took Yue Huaixian and raised his head: “Huaixian, my name is Uncle.”

Yue Huaixian hurriedly shouted: “Uncle Dasheng, I’m afraid of heights...” As he spoke, his chubby little hands tightened his grip. He hugged Sun Dasheng’s neck tightly, for fear of falling.

Haha...

Seeing Yue Huaixian’s appearance, everyone around couldn’t help but laugh.

At this time, Ren Yingying couldn’t help but ask, “Brother Wen, Great Sage, is the Kyushu Conference over?” Because they were female dependents, Ren Yingying and Long Qianying didn’t attend, but they couldn’t help but want to ask Just ask.

When the words fell, Long Qianying and Xiao Yuruo also looked at Wen Chou Chou curiously.

Wen Chou Chou smiled and explained the situation in detail.

Huh...

Knowing the situation, Ren Yingying and Xiao Yuruo couldn’t help but breathe a sigh of relief, and their expressions became complicated.

The next second, Ren Yingying said, "Shenyu established the Heavenly Dao Alliance on the mainland of Kyushu, which seems to be a good thing, but the world is unpredictable, I am afraid that the rivers and lakes of Kyushu will be turbulent again."

Xiao Yuruo also nodded: "Yes, let's Tianmen, Huaguoshan, and Longevity Hall have not joined the Tiandao Alliance, I am afraid it will cause the dissatisfaction of the envoy."

As soon as the voice fell, Sun Dasheng shook his head nonchalantly: "Never mind, there are other sects besides us anyway. The door, and several royal families, did not join."

At this time, Yue Wuya came over and smiled: "Okay, don't mention this matter, this time I finally came out, let's play for a few more days, and then return to the garden. Continent."

Hearing this proposal, everyone nodded in agreement.

After playing in Mingyue Lake for two hours, Yue Wuya and Wen Chou Chou left.

Um?

After walking a few miles, Sun Dasheng, who was leading the team at the front, suddenly frowned, and then raised his hand to signal to stop.

"What's wrong?" Wen Chou Chou couldn't help asking, and at the same time, looked forward.

Ren Yingying and Long Qianying's daughters also got out of the car one after another.

Swish!

At this moment, when they saw the scene ahead, everyone was stunned for a moment, and then they saw that at the intersection ahead, an army of several thousand people gathered there, uniform armor, each holding a long knife.

It is the Imperial Forest Army of the Southern Cloud Continent.

The ultimate husband in Chinese chapter 3641-3650

Chapter 3641

In front of the thousands of soldiers, there was an exquisite and gorgeous carriage, pulled by eight white horses, and the carriage was made of pure gold, with dragons and phoenixes carved on it, full of pomp.

Inside the carriage, a slender figure sat quietly.

It is Long Qianyu.

At this time, Long Qianyu was still wearing the dragon and phoenix robes that participated in the Kyushu Conference, which showed his graceful figure vividly, without losing the royal majesty.

“Sister!”

At this time, Long Qianyu lifted the bead curtain, stared at Long Qianying tightly, and said slowly, “After three years, don’t you miss Nanyun Continent at all? Come back with me!

” Gentle, but indisputable.

While saying this, Long Qianyu couldn’t help but glance at Yue Huaixian, his eyes flashing indifferently.

Although three years have passed and Yue Feng has also been swept away by the chaotic whirlpool, Long Qianyu still has not changed his views on Yue Feng. If it weren’t for him, his sister would not have a dark knot, and the Nayun royal family would not be ashamed. .

Under such circumstances, Long Qianyu did not have the slightest emotion for Yue Huaixian, his nephew.

“Huh...”

Long Qianying took a deep breath, her beautiful face was very indifferent: “I won’t go back, the Ouyang family is my home.”

Hearing this, Long Qianyu’s pretty face changed, and he became anxious all of a sudden. : “Sister, why are you still obsessed? You and Yue Feng didn’t have a wedding, and the child was born secretly. Staying in the Ouyang family will only make other continents laugh.” After

speaking, Long Qianyu said firmly: “Today No matter what, you have to come with me.”

When he left the Kyushu Conference just now, Long Qianyu got news that his sister and child were playing in Mingyue Lake. At that time, Long Qianyu did not hesitate, and led people to block their only way.

This chapter is provided by . Visit for daily update.

In Long Qianyu's heart, the elder sister did not marry Yue Feng and had no status, but living in the Ouyang family was a disgrace to the Nanyun royal family.

Ugh!

Facing her sister's persistence, Long Qianying sighed softly and stopped talking.

"Hey!"

At this time, Sun Dasheng couldn't bear it anymore, and walked forward and shouted at Long Qianyu: "Your sister said that she can't go back, why are you still aggressive? When you become the queen, you can interfere with other people's lives at will?"

"Shut up!" The

voice fell, and a general of the Imperial Forest Army shouted: "How dare you talk to Your Majesty like this?"

At the same time, Long Qianyu frowned, very displeased, and looked at Sun Dasheng coldly Said: "This is a family affair of our Nanyun royal family, it has nothing to do with you, get out of the way!"

Sun Dasheng was hot-tempered and refused to give in an inch, shouting: "This child's name is Yue Huaixian, he is my nephew, why does it have nothing to do with me? I tell You, with me here today, you don't want to take their mother and child away." After

speaking, Sun Dasheng turned back and shouted, "Let's go!"

Shuh!

Seeing this situation, Long Qianyu's beautiful face instantly became extremely ugly, and her delicate body flashed and floated in the air.

"Stop him!" In the

next second, Long Qianyu drew out his sword, and three cold words came out from her red lips!

Whoa!

As soon as the words fell, thousands of imperial guards responded and rushed over quickly to surround Sun Dasheng.

Seeing this scene, Sun Dasheng didn't panic at all, frowned, and smiled at Long Qianyu: "Long Qianyu, you want to catch us all just because of you? You are too confident!"

The voice fell, and Wen Chou Chou next to him also said, "Yes."

This time, less than one hundred people were sent to participate in the Kyushu Conference, Huaguo Mountain, Changsheng Hall, and Tianmen, but less than one hundred people were all of them. The elite of the elite.

Under such circumstances, there was a huge disparity between Long Qianyu and Wen Chou Chou and Sun Dasheng.

"Stop talking nonsense!"

Long Qianyu's face was frosty, and his attitude was very firm: "Today, I must take their mother and son away. Whoever dares to stop them will be killed."

Hearing this, Yue Wuya, who had been silent all the time, couldn't bear it at this time. She said, "Long Qianyu, you care so much about this matter, do you like my father in your heart, but in the end you don't get it, and your heart becomes twisted?"

Chapter 3642

"You... seek death!"

Hearing this, Long Qianyu's face flushed red, and he couldn't express the shame and anger in his heart, then without hesitation, he stabbed at Yue Wuya with a sword.

hum!

Where the sword passed, the air suddenly tore apart, with astonishing power.

Crazy, really crazy!

Seeing the outbreak of Long Qianyu, Yue Wuya did not panic at all, summoned the Overlord Hammer and directly attacked it.

boom!

In the next second, the two figures collided in mid-air, and Yue Wuya groaned, and the whole person was directly shaken, flying dozens of meters away, and then fell on the ground in an embarrassment. The long sword cut a wound, and blood spurted out.

Stabilizing his figure, Yue Wuya endured the pain and stared at Long Qianyu, secretly surprised.

I haven't seen you for three years, this woman's strength has become so strong?

At the same time, Sun Dasheng and Wen Chouchou were also taken aback. You must know that over the years, Yue Wuya has devoted himself to cultivation, and his strength is not what it used to be. In particular, he also possesses the Overlord Hammer. adversary.

However, at this time, he was injured by Long Qianyu with one move.

"Take them all!" Long Qianyu shouted coquettishly and came towards Yue Wuya again.

As soon as the words fell, thousands of Imperial Forest Army immediately launched an attack.

Seeing this scene, Wen Chou Chou was shocked and angry, and shouted: "Meet the enemy." When the voice fell, he rushed into the enemy group.

Sun Dasheng also shouted loudly, his figure rose into the sky, rushed towards Long Qianyu, and shouted at the same time: "Long Qianyu, are you embarrassed to deal with a junior? Fight me!"

Seeing Sun Dasheng, Long Qianyu didn't have the slightest expression on his face. As soon as his figure turned around, he and Sun Dasheng fought fiercely in the air.

I go!

As soon as he got started, he sensed Long Qianyu's strength, and Sun Dasheng was secretly surprised. He hadn't seen him for three years, but this Long Qianyu's strength had increased several times.

At this time, Dasheng Sun still didn't know that after Long Qianyu became the queen, he had devoted himself to practicing royal exercises over the years, and his strength was not what it used to be.

call!

Seeing this scene, Long Qianying, who retreated to the side, and Xiao Yuruo's daughters all looked anxious and worried.

In the blink of an eye, Sun Dasheng and Long Qianyu fought for dozens of rounds!

I saw that Long Qianyu's figure was light and agile, and every shot was extremely fierce, and Sun Dasheng easily resolved her killer moves with the Heaven-Opening Axe.

Relying on the power of the opening axe, Sun Dasheng was very relaxed, and at the same time he did not forget to tease Long Qianyu.

"Long Qianyu, have you been caught by my nephew and like Fengzi?"

"Or... You see your sister has a child and you feel unbalanced? Seriously, you look good, How good is it to find a man to marry, why is it so tiring to be a queen?"

"You are still so arrogant, you really want to face life and suffer."

Sun Dasheng said with a smile, waving the sky-opening axe in his hand, constantly blocking the dragon Attack of a thousand words.

Swish!

Listening to Sun Dasheng talking more and more, Long Qianyu was furious, his delicate face was full of coldness, he gritted his teeth and said, "Sun Dasheng! I have to kill you today."

Om!

The words fell, and a terrifying aura was seen continuously erupting from Long Qianyu, and the surrounding air was extremely distorted!

"Chichi!"

Immediately afterwards, she saw thousands of sword shadows condensing and forming in the air, slowly surrounding her!

hiss!

Seeing this situation, Sun Dasheng took a deep breath, his heart was not relaxed, and his expression was instantly solemn. What kind of skill is this, so powerful.

Chapter 3643

Hu...

At the same time, Ren Yingying and everyone couldn't help but sweat for Sun Dasheng.

Long Qianying's body trembled even more, and she couldn't help but exclaimed: "This... This is the 'Ten Thousand Swords Returning Sect' stunt, she actually learned it." When he said this, Long Qianying's eyes were full of eyes. shock.

As soon as the voice fell, Ren Yingying and the others all looked at Long Qianying with curious eyes.

"What Ten Thousand Swords Return to the Sect?" Ren Yingying couldn't help but ask.

Long Qianying breathed a sigh of relief, her whole body trembled with excitement, her eyes looked at Long Qianyu in mid-air, and she said word by word, "Wanjian Guizong is the strongest sword art of our Nanyun royal family. The army has ten thousand horses, but few people have practiced it for thousands of years."

"I didn't expect that it took my sister only three years to practice it..." At the

end, Long Qianying stared at the air. , the tone is full of worry: "Although Sun Dasheng has the opening axe, but facing this move, Wanjian returns to the ancestor, I'm afraid it can't stop it..."

Chi Chi...

Long Qianying's voice just fell, and Seeing the thousands of sword shadows, tearing apart the world, they rushed towards Sun Dasheng. In an instant, all of Sun Dasheng's retreats were blocked.

Nima!

At this moment, Sun Dasheng clenched his fists tightly, and his heart was full of anger.

Crazy, this Long Qianyu is really crazy!

Muttering in his heart, Sun Dasheng hurriedly stimulated his inner strength, swung the Heaven-opening Axe, and formed a protective film around his body.

boom!

That is, at this moment, several sword shadows erupted, slammed into the protective film, and heard a violent vibration, and the protective film shattered instantly!

At the same time, Sun Dasheng was also shaken back a few steps, his face pale.

Chi Chi...

Before standing firm, the rest of the sword shadows in the sky, carrying the momentum of thunder, came to Sun Dasheng again.

Seeing this scene, everyone in Ren Yingying not far away was shocked.

“Be careful...”

“Don’t...” In the

exclamation, Ren Yingying stomped her feet in a hurry. If only Xiao Xi was here, she was the younger sister of the patriarch of the Shenlong clan. She was very powerful. Long Qianyu sent a large army to the Ouyang family to forcibly take Long Qianying away, but Xiao Xi arrived in time to repel the strong enemy.

However, at this time, Xiao Xi was in retreat in the Ouyang family, and far water could not save near fire.

Everyone exclaimed, and Sun Dasheng was also pale and desperate.

Did it die like that? I’m so unhappy.

At this time, Dasheng Sun felt very aggrieved. He thought that he could easily deal with Long Qianyu with the Heaven-opening Axe.

“Go to hell, Sun Dasheng!”

Looking at the thousands of sword shadows and walking towards Sun Dasheng, Long Qianyu’s red lips lightly opened, and he spat out a few words coldly, his delicate face was full of coldness.

This Great Sage Sun dared to blaspheme himself, and it would not be a pity to die a hundred times.

“Sister!”

At this time, Long Qianying, who was not far away, couldn’t bear it any longer, and shouted at Long Qianyu: “Please be merciful and bypass Dasheng Sun.”

In Long Qianying’s heart, Dasheng Sun is Yue Feng’s. Sworn brother, how can I watch him die?

However, Long Qianyu didn’t seem to hear her words, the jade hand slowly raised, and the sword shadow that filled the sky suddenly accelerated.

Chapter 3644

“Great Sage!”

Seeing this scene, Wen Chou Chou roared and was about to rush over, but there were too many imperial guards in front of him.

Sun Dasheng showed a smile and shouted: "Brother Wen, let's be brothers in the next life!" The

voice fell, and Sun Dasheng closed his eyes. Since it is impossible to decipher Long Qianyu's 'Ten Thousand Swords Return to the Sect', he can only choose to accept his fate.

hum!

Seeing the thousands of sword shadows, he was about to pierce Sun Dasheng. Suddenly, a very strong breath came from a distance. Then, a slim figure flew over and blocked Sun Dasheng.

Wearing a light blue long dress, she looks like a fairy, her facial features are exquisite and beautiful, and her whole body is full of extraordinary temperament, which is indescribably beautiful.

It was Miao Ying.

Bang bang bang...

At this moment, Miao Yingyu raised her hand and quickly deployed a protective film out. In an instant, thousands of sword shadows slammed into the protective film and disappeared without a trace.

Whoa!

As soon as Miaoying appeared, whether it was Long Qianyu or both sides in the fierce battle below, they were all stunned. Thousands of pairs of eyes converged on Miaoying at once, and many men's eyes were straight.

What a beautiful woman.

At the same time, when they felt Miao Ying's strength, everyone was shocked.

In such an understatement, Long Qianyu's strongest sword technique was resolved. This woman's strength is very strong.

Long Qianyu was suspended there, his delicate face was extremely red and extremely ugly.

Huh..

At this moment, Sun Dasheng also breathed a long sigh of relief and was in a cold sweat.

It's so dangerous, I almost died just now.

At the same time, Sun Dasheng also looked at Miaoying in astonishment: "You...you are not..." Under the shock, Sun Dasheng stammered and was almost speechless.

Sun Dasheng of course knew Miao Ying, this fairy from the illusory realm. At that time, together with Yue Feng, they were sucked into the vortex of chaos. Everyone thought that they would die. But three years later, Miao Ying came back safe and sound, which made it difficult for them to die. How can Sun Dasheng not be surprised?

This...

At the same time, Ren Yingying, Xiao Yuruo and the others who were not far away also stared at Miaoying blankly, speechless.

Like Sun Dasheng, Ren Yingying and everyone are stupid.

Miaoying and Yue Feng were sucked into the chaotic vortex together, didn't they die? Why did it suddenly appear.

Facing everyone's astonished eyes, Miaoying looked indifferent, looked at Long Qianyu quietly and said, "You and Yue Feng have known each other for a long time, why do you keep dealing with his family?"

When she said this, Miaoying's voice was soft and pleasant. , makes people feel like a breath of fresh air.

At that time, Yue Feng opened the portal in God's Domain, and Miaoying was successfully transmitted to the Kyushu Continent. Unfortunately, Miaoying was teleported to a virgin forest in Dongao Continent.

After being teleported to the virgin forest, Miaoying waited for Yue Feng for three days and three nights, but Yue Feng never showed up. Miao Ying knew that Yue Feng must be in trouble. Know how to return to Dominion.

In desperation, Miaoying had no choice but to make a decision to return to the Ouyang family first.

Because Miao Ying was unfamiliar with the environment, she walked for more than ten days before she completely walked out of the virgin forest. Then, she learned that God's Domain had sent divine envoys to hold the Kyushu Conference in Tianqi Imperial City. Miao Ying guessed that when the time came, Ouyang The family would definitely participate, so they rushed over directly.

As a result, after arriving at Tianqi Imperial City, the Kyushu Conference was over, and Miaoying had no choice but to inquire all the way to track the whereabouts of the Ouyang family. Just when she found this place, she saw Sun Dasheng and Ren Yingying's group being besieged by Long Qianyu's army. , Miao Ying didn't even think about it at that time, and came directly to help.

"I want you to take care of it? Go away!"

At this time, when he heard Miao Ying's question, Long Qianyu was very embarrassed and angry. After a coquettish shout, the jade hand clenched the sword and stabbed directly at Miao Ying.

Chapter 3645

Long Qianyu is clear in her heart that Miaoying in front of her is a fairy born from the spiritual energy of heaven and earth, and her strength is no small matter. If it were normal, Long Qianyu would not be so reckless, but Miaoying just rescued Sun Dasheng and let Long Qianyu Faceless, under anger, he can't take care of so much.

call!

Seeing Long Qianyu attacking, Miaoying frowned slightly, then raised her jade hand and attacked.

clang!

Miaoying's shot was light and fluttering, but her speed was extremely fast. She saw her right hand patted on Long Qianyu's sword edge impartially. Long Qianyu only felt an overwhelming force coming, and suddenly her delicate body trembled. , took ten steps back.

At this time, Long Qianyu clearly felt that his dantian aura was disturbed by the shock.

So strong!

After three years of absence, the strength of this woman has increased a lot.

She has already practiced Wanjian Guizong, but she is not her opponent!

Haha...

Seeing this scene, Sun Dasheng's face was full of excitement, and the whole person was very relaxed. This Miaoying came in time. With her to deal with Long Qianyu, I can rest for a while.

"I advise you not to fight!"

At this time, Miao Ying looked at Long Qianyu up and down, and said softly, "You are not my opponent!"

Huh!

Hearing this, Long Qianyu bit his lip tightly, extremely embarrassed and angry. He was the dignified Queen Nanyun, but was so despised by this fairy, where would he put his face in the future?

"I said that today, no matter what, I will take my sister away!" Long Qianyu clenched the long sword with a determined expression.

Ugh!

Miao Ying sighed softly and said slowly, "It seems that you haven't recognized the situation." When the voice fell, Miao Ying slowly raised her jade hand and saw the temperature between heaven and earth plummet.

Immediately afterwards, a ray of light condensed and blasted towards Long Qianyu.

Gudong!

Feeling the terrifying power contained in the light, Long Qianyu's delicate face instantly became solemn.

Could it be that... when Miao Ying made her move just now, she still had reservations and did not use her full strength?

At the moment when he was muttering in his heart, the ray of light had already arrived in front of him. At that time, Long Qianyu didn't have time to think about it. He clenched his sword tightly and placed it in front of him, trying to block the blow.

Bang!

The rays of light slammed on the sword, and when he saw the sword shattered instantly, Long Qianyu let out a groan, and his delicate body was shaken and flew out, flying more than 100 meters before falling heavily to the ground.

Before fighting against Dasheng Sun, Long Qianyu had already consumed a lot of internal energy, and at this time, facing Miaoying's skills, he couldn't resist it at all.

After all, Miao Ying is a fairy, and she has practiced for thousands of years before leaving the illusory realm with Yue Feng, and her background is not comparable to that of Long Qianyu.

"Your Majesty!"

Seeing this scene, the surrounding Royal Forest Army soldiers all changed their expressions, exclaimed in surprise, and rushed over at the same time.

Long Qianyu bit her lip tightly, almost bleeding from the bite. At the same time, she stared at Miao Ying tightly, her heart was shocked and unwilling.

I could have taken my sister away, but I thought, this Miaoying would suddenly appear.

Long Qianyu clearly felt that his dantian internal strength was completely disordered, and he was no longer able to continue fighting.

“go!”

The next second, Long Qianyu issued an order, very unwilling in his heart, but there was no way, this fairy named Miaoying was too strong. Keep hitting and the damage will get worse.

Whoops!

The voice fell, and many soldiers and soldiers quickly evacuated while protecting Long Qianyu.

call!

Seeing this scene, whether it was Sun Dasheng, Ren Yingying and others, they were all secretly relieved.

The next second, everyone's eyes focused on Miao Ying again.

Wen Chou Chou couldn't hide his excitement and doubts, and took the lead in speaking to Miao Ying: “Miao Ying, what the hell is going on, three years ago, you and Feng Zi were not involved in the vortex of chaos together, how did you come back? Also, what about Fengzi? Have you been with him?”

Wen Chou Chou's eyes were full of urgency when he asked these questions.

The ultimate husband in Chinese chapter 3646-3650

Chapter 3646

At the same time, Ren Yingying and Xiao Yuruo also looked closely at Miaoying, waiting for her answer.

“Yue Feng...”

Facing everyone's gaze, Miao Ying bit her lip lightly and said slowly: "He's fine, it's just... When we teleported back from God's Domain, something went wrong... ."

In the next half hour, Miao Ying explained in detail the experience of herself and Yue Feng during this period.

Wow...

The audience was boiling when they learned that Yue Feng was not dead.

"I knew, I knew..." Wen Chou Chou burst into tears and said excitedly, "I knew Feng Zi wouldn't die so easily."

Ren Yingying and Xiao Yuruo next to him were also very excited. Tears of joy were shed.

"Haha..."

Sun Dasheng even looked up to the sky and laughed, and then said to Wen Chou Chou: "This style has made us sad for three years. When he comes back, we must drink him 3,000 glasses of wine.

"Then, Sun Dasheng suddenly thought of something, and turned his head to look at Miaoying: "By the way, you said just now that you were originally sent back to God's Domain together, but only you came back?"

Hmm!

Miaoying nodded, and her delicate face showed a bit of worry: "I feel that he must be in trouble in God's Domain."

Hearing this, Wen Chou Chou and Sun Dasheng looked at each other, and their expressions became solemn. .

If it was what Miao Ying had guessed, it would be a little troublesome.

"Let's go!" In the

next second, Wen Chou Chou looked around and said, "This matter can't be rushed, let's go back and have a good discussion."

After that, Wen Chou Chou ordered again: "By the way, the news that Feng Zi is not dead must be kept strictly and must not be leaked." You

must know that Yue Feng is famous in the Jiuzhou rivers and lakes, and once the news spreads that he is not dead, it will definitely cause a shock in the rivers and lakes. More importantly, Yue Feng is in the Kyushu, and there are many hostiles. Therefore, the news must not be leaked before Yue Feng returns.

Hearing this, everyone nodded.

...

the other side!

The Demon Sealed Land.

The White Tiger King led the Beast Alliance to pursue the Jinpeng clan all the way. However, the Jinpeng clan was very capable of flying in the sky, and the White Tiger King chased to the end and failed!

“Trash!”

At this time, the White Tiger King stood on a hill with a gloomy expression on his face, and cursed: “What a bunch of trash, so many people, let the Jinpeng family run away!

” Everyone stood there with their heads bowed, trembling, not daring to take a breath.

The White Tiger King was too lazy to talk nonsense, and waved his hand:

“Comprehensive search, we must find Jinpeng’s hiding place no matter what .

” the other side. In a dense forest, Jin Peng, with his subordinates, and three Yue Feng, were walking fast. call! Seeing the absence of the White Tiger King behind him, Jin Peng breathed a sigh of relief, Ma De, finally got rid of the pursuers. “Everyone, stop!”

In the next second, Jin Peng raised his hand, signaled everyone to stop, and then ordered, “Bring the three Lanling Peacocks to me!” The

voice fell, and Yue Feng and the three Lanling Peacocks were brought over. .

Jin Peng looked up and down at Yue Feng, and the corner of his mouth raised a hint of gloom.

Immediately, Jin Peng turned his head and ordered his subordinates: “Go prepare dry wood and a pill stove.”

Jin Peng knew that it was impossible for Yue Feng to pass on the power of Bird Ancestor to himself. The best way was to pass him Throw in the pill furnace and train the power of Bird Ancestor into pills.

Chapter 3647

“Follow the order!” After

hearing the order, several Beast League members responded and hurried to prepare.

After a while, a fire was lit in the open space outside, with a huge pill stove on it, and the fire was burning red.

Immediately afterwards, Yue Feng was brought to the Pill Furnace.

Nima!

The scorching temperature of the fire rushed towards his face, Yue Feng was shocked and furious, then looked at Jin Peng and said, “Jin Peng, don’t go too far.”

Nima!

This Jinpeng is too ruthless. In order to gain the power of Bird Ancestor, he even wants to train me into an elixir.

At the same time, Lan Ling Peacock and Colorful Lingfeng next to him were also shocked and angry.

“Excessive?”

Jin Peng’s face sank, and he said coldly to Yue Feng: “At the bottom of the abyss, I was about to succeed, but I was stabbed by you. This power of the ancestor of the bird should belong to me. What’s wrong with me taking it back from you now?” In the

last sentence, Jin Peng almost roared.

Feeling Jin Peng’s madness, Yue Feng took a deep breath and said slowly: “Jin Peng, think about it clearly, if you make me into a medicinal pill, you will never be able to leave this place.”

“Only I can break this place . Besides, I have already broken the magic circle in the west...”

Hearing this, Jin Peng frowned, his eyes flickered, and then sneered: “Don’t follow me, as long as I get the bird The power of the ancestors defeated the White Tiger King, and I am the ruler here.”

“At that time, the entire demon clan will be united under my leadership and will definitely find a way to leave here. You don’t need any human help at all.”

The last sentence fell, and Jin Peng waved his hand.

Whoops!

Several subordinates hurriedly surrounded him, grabbing Yue Feng tightly, and about to throw him into the pill furnace.

“Jin Peng, stop...”

“Stop!”

Seeing this scene, Lan Ling Peacock and Qi Cai Lingfeng couldn't help but shout.

I had misunderstood Yue Feng before, and Lan Ling Peacock had already regretted it. How could they just watch Yue Feng being alchemy?

However, Jin Peng simply ignored it.

boom!

Seeing that Yue Feng was about to be thrown into the fire, just at this critical moment, he heard a vibration, and then, he saw Qi Cai Lingfeng break the golden feather cable.

The golden feather cable was extremely tenacious, and the colorful spirit phoenix struggled to break it, and a pair of jade arms were directly strangled with two bloodstains, dripping with blood.

In the next second, before Jin Peng's group could react, the colorful phoenix flew up, turned into a phoenix, and rushed towards Yue Feng.

call!

Seeing this scene, Yue Feng was stunned.

I saw that the phoenix form of the colorful phoenix was dozens of meters long, and it was covered with colorful feathers.

However, because of the power consumption, the colorful Lingfeng at this time seems to be fast, but it is extremely weak.

In the blink of an eye, the colorful phoenix grabbed Yue Feng, fluttered its wings, and flew away quickly.

In the heart of Colorful Phoenix, Yue Feng was taught the power of bird ancestors by Queen Suzaku in order to protect Queen Suzaku.

Qi Cai Lingfeng thought about it, and today she will try her best to take Yue Feng out safely.

All this happened so quickly that Jin Peng and his subordinates were completely unable to react.

mad.

Two seconds later, Jin Peng calmed down, extremely frightened, and roared at the surrounding: "What are you doing, chase me!"

Jin Peng was very angry at this time, he never thought that Qi Cai Lingfeng would not hesitate to Injured, broke the golden feather cable, and took Yue Feng away in front of so many of his subordinates.

Wow...

the voice fell, and hundreds of members of the Jinpeng clan rose into the sky one after another, chasing after the colorful Lingfeng.

Lan Ling Peacock, who was tied there, watched the figure of the colorful Lingfeng go away, and couldn't help but pray secretly in his heart.

Chapter 3648

Colorful Lingfeng, you must protect Yue Feng's safety.

At this moment, Yue Feng is here.

Huhuhu...

Yue Feng was held tightly by the colorful phoenix, only to hear the wind whistling in his ears, and the scenery on both sides retreated rapidly, the speed was almost a thousand miles in an instant.

For a time, Yue Feng couldn't help feeling secretly.

This colorful phoenix is worthy of being the right-hand man of the Queen of Suzaku. After suffering such a serious injury, she can still fly so fast. At the same time, there are some concerns. Because Yue Feng clearly felt that the power of the colorful spirit phoenix was rapidly passing away.

"Leave me alone!" Yue Feng couldn't help but said.

If this continues, Jinpeng will soon catch up.

Qi Cai Lingfeng responded, "No, I must take you safely away."

Just as he was talking, he saw a mountain peak in front of him. The mountain peaked into the clouds and was steep and dangerous. There, the sky shines.

hiss.

Feeling the power of that piece of thunder, Yue Feng was secretly surprised, and couldn't help taking a deep breath.

Oops!

At the same time, Qi Cai Lingfeng was stunned for a while, and couldn't help but say, "How did you get here? This is the magic circle in the south." As he spoke, he was about to avoid this mountain.

Huhuhu....

However, at this time, I heard a wave of breath coming from behind, and I saw Jin Peng with hundreds of subordinates, quickly approaching.

How to do?

Seeing this scene, Qi Cai Lingfeng was in a hurry. Jin Peng caught up so quickly, and there was no way to detour. However, Yue Feng was finally rescued, and Jin Peng could no longer be taken back.

At this

moment, Yue Feng couldn't help but said, "Quick, enter the magic circle." The situation was critical, and there was no other way. The only way to get rid of Jinpeng and his men was to enter the magic circle in front of him.

"You're crazy!" The

voice fell, and Qi Cai Lingfeng's body was shocked: "Let's rush in, I'm afraid it will be ashes in an instant." When saying this, Qi Cai Lingfeng looked at the thunder, with deep eyes. fear.

Yue Feng took a deep breath and said seriously, "Don't panic, just listen to me."

Although the time was short, Yue Feng could see at a glance that the thunder light on the top of the mountain in front of him was a 'five thunders to kill the sky', and the sky Like the Annihilation Array, the Five Thunder Heaven Absolute Array is also a top-level formation, with infinite power.

“Haha...”

As he spoke, he saw that Jin Peng had already rushed up with his subordinates, with a very proud expression: “Qicai Lingfeng, can’t you escape?”

Huh!

Hearing Jin Peng’s mockery, Qi Cai Lingfeng no longer hesitated, and with Yue Feng, flew directly into the Five Thunder Execution Formation.

Although Qi Cai Lingfeng didn’t believe in Yue Feng, it was better to die in this thunderstorm than to be caught by Jin Peng.

Mad!

Seeing this scene, Jin Peng’s smile froze on his face, and he was furious.

This colorful phoenix would rather die than be caught by me.

Phew...

At the same time, Jin Peng’s subordinates all around couldn’t help but exclaimed.

“They actually entered the thunder array...”

“This colorful phoenix is really too strong, I would rather be killed by thunder than fall into our hands...”

“Shh, be quiet.”

Wu Lei Zhu in the sky. Kachacha

... As soon as the colorful Lingfeng and Yue Feng rushed in, they saw several purple lightning strikes. Done. Seeing a few thunderbolts, Qi Cai Lingfeng closed her eyes in despair, this time it was doomed.

Chapter 3649

“Don’t panic!”

At this moment, Yue Feng said eagerly: “Two steps back, then five steps to the left...”

When he said this, Yue Feng’s tone was firm, but his heart was full of seven Up and down. You must know that there are only sporadic records in the Baiqishen formation in front of the Five Thunders Execution Formation.

In other words, it was the first time that Yue Feng saw the Five Thunder Execution Formation, and he had never cracked it.

But the situation is critical right now. If you don't try it, you will be killed by these lightning bolts.

Whoosh!

Hearing Yue Feng's words, Qi Cai Lingfeng didn't hesitate, moved her figure, immediately took two steps back, and then moved five steps to the left.

Boom

just took a few steps, and saw a few thunderbolts slamming in their original positions.

At this moment, Qi Cai Lingfeng was both happy and shocked: "Yue Feng, let's avoid it..."

Yue Feng also showed a smile, and at the same time secretly relieved.

Speaking of which, Yue Feng hurriedly broke into this Five Thunder Punishment Formation, and Yue Feng didn't have time to study it. He completely relied on his skills and instinct to instruct the colorful spirit phoenix, but he did not expect that he really avoided it thunderbolt.

The first step was successful, Yue Feng was instantly full of confidence, he quickly looked around, and continued: "Two steps to the left, and then go forward..."

Yue Feng could see that this five thunderbolt killing array looked at It seems terrifying, but the center of the formation is a safe area. As long as you enter the center of the formation, you will be completely safe.

Hearing Yue Feng's instructions, Qi Cai Lingfeng didn't slack at all, and hurriedly stepped forward, feeling nervous and excited at the same time.

I thought I was going to die here, but I didn't expect that Yue Feng could break this formation.

Time passed by minute by minute.

Unconsciously, Qi Cai Lingfeng and Yue Feng finally crossed the most dangerous area of lightning and came to the center of the formation.

call!

At this moment, seeing the surrounding scene, whether it is Colorful Lingfeng or Yue Feng, can't help but take a deep breath, incomparably amazed.

You can see that the center of this array is only half the size of a basketball court, and it is a completely hollow area. Around this area, there are more than a dozen huge iron pillars, between the iron pillars, and an area of several hundred meters outward. , lightning flashes, intertwined into a terrifying grid.

At this time, the colorful Lingfeng stayed there, shocked.

Such a terrifying thunder formation is simply unimaginable. Fortunately, there is Yue Feng, otherwise, it would have disappeared long ago.

Yue Feng also took a deep breath, and a big stone in his heart finally fell to the ground.

I guessed right, the center of this formation is the safety zone.

“Yue Feng!”

Finally, Qi Cai Lingfeng reacted and looked at Yue Feng with great joy: “We succeeded!” When saying this, Qi Cai Lingfeng looked at Yue Feng's eyes with a strange brilliance.

Speaking of which, Qicai Lingfeng is extremely aloof, and there are very few people who can make her admire, and Yue Feng is an exception.

Yue Feng nodded, then said weakly, “Okay, I'll start practicing now and restore my strength. You should also rest.” Yue Feng was seriously injured by Jinpeng's surprise attack before.

When the words fell, Yue Feng sat there cross-legged, and began to close his eyes to rest and restore the power of his primordial spirit.

Um!

Qicai Lingfeng nodded, then transformed into a human figure and sat beside Yue Feng, recuperating from the injury.

I don't know how long it has been!

Finally, Yue Feng slowly opened his eyes, and his body was filled with pure power.

call!

Yue Feng took a deep breath, indescribably excited.

Unexpectedly, after obtaining the power of bird ancestors, the speed of power recovery is faster than before. Not only that, when I recovered just now, I also absorbed the power of lightning around...

Chapter 3650

In this case, not only did Yue Feng's strength recover, but his strength was also much stronger than before.

Excited, Yue Feng slowly stood up, looked around at the Five Thunder Execution Formation in front of him, and began to slowly crack it.

the other side.

On the hillside a few miles away from the Five Thunder Executioner Array, Jin Peng led his men to set up camp while watching the situation of the Five Thunder Heaven Execution Array.

Jin Peng knew that even if Yue Feng was killed by Lei Zhen, the power of Bird Ancestor would not disappear.

What he has to do now is to wait quietly near the Thunder Array.

However, what made Jin Peng depressed was that after Qi Cai Lingfeng and Yue Feng entered the thunder formation, several hours had passed, but there was no movement at all.

"Your Excellency Chief!"

At this time, a subordinate came over and couldn't help but said to Jin Peng: "I haven't moved for so long, is it because the power of Bird Ancestor, and the two colorful Lingfeng, disappeared under the bombardment of thunder and lightning?"

Impossible!" Jin Peng shook his head with a serious face: "The power of Bird Ancestor is extraordinary, how could it be scattered by lightning?"

In Jin Peng's heart, Qi Cai Lingfeng and Yue Feng must have been struck by lightning. After he died, the power of Bird Ancestor must still be floating in the thunder array after it escaped from Yue Feng's body. Because the lightning inside is too dense, it has not yet floated out.

boom!

However, Jinpeng's voice just fell, and only a violent vibration was heard, which came from not far away!

This loud noise is like a thunderbolt!

Jin Peng's expression changed, and he quickly looked towards the thunder array not far away.

At the same time, thousands of subordinates around also followed Jin Peng's gaze and went to see it.

hiss!

Seeing this, both Jin Peng and the surrounding subordinates couldn't help but take a deep breath.

I saw that on the top of the mountain not far away, the terrifying Five Thunders Heaven Execution Formation fell apart and became a ruin. The gathered thunder and lightning had disappeared, replaced by a cloud of dust and smoke.

And in the mid-air, above the dust and smoke, two figures were quietly suspended.

One handsome and straight, the other slim and charming!

It is Yue Feng and Colorful Lingfeng.

At this time, Yue Feng's eyes were shining brightly, and around his body, there were continuous waves of internal force fluctuations, which was extremely powerful!

The seven-colored phoenix next to her was completely healed, and her delicate face showed a charming brilliance.

This...

Seeing this scene, Jin Peng was both shocked and annoyed.

I thought that Yue Feng and Qi Cai Lingfeng would be struck to death by the thunder array, but they never thought that instead of dying, they broke the five thunders.

If you hadn't seen it with your own eyes, who would have believed it?

And behind Jin Peng, the thousands of subordinates were even more stunned.

And Lan Ling Peacock, who was tied there, was even more excited, biting his lips tightly, looking at Yue Feng two in midair, tears of joy flashing in his eyes! The body trembles!

Great, they're fine.

“Jin Peng!”

At this time, Yue Feng looked closely at Jin Peng, and his voice rolled in: “Let the Lanling Peacock go immediately.”

When he said this, Yue Feng wanted to rush over directly, but he saw the Lanling Peacock around. , With Jinpeng’s men heavily guarding it, he held back.

“Haha...”

Hearing this, Jin Peng sneered, his eyes full of disdain: “Boy, your life is so big, this thunder array didn’t kill you, but even if you and Qi Cai Lingfeng have recovered Strength can’t escape my palm.”

Chapter 3651 When the

voice fell, Jin Peng raised his hand and waved: "Encircle!"

Whoa..

When the voice fell, thousands of men behind him erupted and surrounded Yue Feng and Qicai Lingfeng.

For a time, the atmosphere was dignified, and the war was about to break out.

Buzzing...

However, at this time, a strong breath came from not far away. In an instant, neither Yue Feng nor Jin Peng couldn't help looking at it.

Seeing this, Yue Feng's expression relaxed, and a smile appeared on his face.

hiss!

On the other hand, Jin Peng's expression changed, and he couldn't help taking a breath!

I saw tens of thousands of members of the Beast Alliance coming in a mighty manner, surrounding the area of 1,000 square meters, like an iron barrel. A, suspended in mid-air, majestic, with an amazing aura.

Oops!

At this moment, Jin Peng's expression changed, from anger to anxiety.

Nima, did this White Tiger King come so soon?

In Jin Peng's plan, first capture the power of bird ancestors in Yue Feng's body, and then, when he has the power of bird ancestors, after the strength is enhanced, he will talk to the white tiger king.

But how did he never expect that before the power of Bird Ancestor was obtained, his whereabouts were found by the White Tiger King.

This chapter is provided by . Visit for daily update.

"Jin Peng!"

At this time, the White Tiger King's eyes were fixed on Jin Peng, his tone was cold, and he couldn't hide his arrogance: "I see you still running there now!"

Huh!

Feeling the powerful momentum of the White Tiger King, Jin Peng was nervous in his heart, but he pretended to be very calm.

At this time, the White Tiger King tilted his head to look at Yue Feng: "Your Excellency Yue Feng, are you all right?" His mouth was polite, but his eyes were full of suspicion.

At the same time, the White Tiger King couldn't help but look at the colorful Lingfeng beside Yue Feng and muttered in his heart.

This Yue Feng and Qi Cai Lingfeng said that they were going to investigate the situation of the enchantment, but one day passed, but they did not report anything.

"It's okay!"

At this time, facing the White Tiger King's question, Yue Feng responded, "Although this Jinpeng is cunning and despicable, he can't do anything to me." The

White Tiger King arrived, and Lan Ling Peacock was saved.

Hearing the response, the White Tiger King nodded, and then glared at Jin Peng: "Jin Peng, Queen Suzaku is dead, the Feiyu League and the Beast League have merged into one, only you Jinpeng clan are still wandering around, you think, just rely on You Jinpeng family, can you compete with me?"

"Also, this Mr. Yue Feng is my guest, you dare to deal with him, but you just ignore me." The

words were full of majesty and domineering.

Gudong.

Jin Peng secretly swallowed his saliva, turned his eyes, and smiled: "Your Excellency the White Tiger King, you are serious, you are so strong, how can I dare to fight against you? A big gift to honor you." A

big gift?

Hearing this, the White Tiger King was stunned: "What a gift."

Jin Peng smiled slightly, then raised his finger to Yue Feng, and said loudly: "This gift is the power of the ancestor of the bird on Yue Feng. Your Excellency the White Tiger

King, perhaps you don't know, before the Queen Suzaku died, the power of the ancestor of the bird was used. It was passed on to Yue Feng, and let Yue Feng revive the Feiyu League. Also, Lan Ling Peacock and Qi Cai Lingfeng are loyal to you on the surface, but they have secretly colluded with Yue Feng..”

“This day, I have been chasing Yue Feng. Three Feng, I want to seize Yue Feng and dedicate the power of his ancestors to you.”

When he said this, Jin Peng's face was sincere, but his eyes flashed with cunning.

Jin Peng knew very well that in the current situation, continuing to fight against the White Tiger King would be nothing but courting death. It would be better to shift the White Tiger King's attention to Yue Feng.

Chapter 3652

As long as the White Tiger King and Yue Feng fight, he can take advantage of the fisherman.

Swish!

Hearing this, the White Tiger King's eyes instantly locked on Yue Feng.

At the same time, tens of thousands of members of the Beast League all focused on Yue Feng, all of them shocked.

This... This Yue Feng got the power of the ancestor of the bird from Queen Suzaku?

“Your Excellency Yue Feng!”

Finally, the White Tiger King reacted and asked Yue Feng, “Is what Jin Peng said true? You got the power of the ancestors of birds?” You know, the power of bird ancestors is no trivial matter.

call!

Yue Feng took a deep breath and replied slowly: “Yes, but the situation is not what Jin Peng said, although I got the power of Bird Ancestor, I never thought of participating in the battle between your Beast League and Feiyu League. You know, I just want to get out of here as soon as possible.”

When he said this, Yue Feng gave Jin Peng a cold look, his heart was full of anger.

Mad, this Jinpeng is so despicable, he even wanted to use the White Tiger King to deal with me.

Hearing this, the White Tiger King's eyes flickered and he pondered.

"Hehe..."

At this time, Jin Peng sneered and shouted at Yue Feng: "Okay Yue Feng, you don't have to pretend, Lan Ling Peacock and Colorful Lingfeng, who said before, didn't really want to join the White Tiger King. Your Excellency, I and my subordinates all heard it at that time."

"It's a fact that they have done their best to help you this day..."

After saying the last sentence, Jin Peng said eagerly at the White Tiger King: "Your Excellency the White Tiger King, This Yue Feng has ulterior motives and is still a human being, so don't hesitate, don't hesitate."

Under the bewitched by Jin Peng, the White Tiger King made a decisive decision and shouted: "Come on, take Yue Feng and Qi Cai Lingfeng down." Having said that, it is no trivial matter that Yue Feng, a human being, has obtained the power of bird ancestors. Once left alone, the consequences will be unimaginable.

The White Tiger King has thought about it, and he will take Yue Feng first, while the Jinpeng family are weak and weak, so it is not a cause for concern.

Nima!

Seeing the outbreak of the Beast League, Yue Feng was shocked and angry, and he never thought that the White Tiger King would be successfully bewitched by Jin Peng.

At the same time, Qi Cai Lingfeng was also anxious.

The next second, Qi Cai Lingfeng shouted at the White Tiger King, "Your Excellency the White Tiger King, don't believe Jin Peng's words, he wants us to kill each other."

However, the White Tiger King ignored Qi Cai Lingfeng.

At the same time, a burly figure rushed out quickly, it was Hu Ben.

At this time, Hu Ben looked anxious and said to the White Tiger King, "I also think Jin Peng's words are not credible. Your Excellency Yue Feng, before helping us deal with the Queen Suzaku, he is our friend!"

Hu Ben has an upright personality, and he doesn't do anything about it. I would like to believe that Yue Feng will unite the colorful peacocks against the Beast League.

"Shut up!" The

White Tiger King's face was gloomy, and he shouted angrily at Hu Ben: "Yue Feng got the power of Bird ancestors, but he kept it from us. He was so ulterior motive, he must take it down and interrogate it properly."

"But..." Hu Ben looked anxious . . . , but also to speak for Yue Feng.

However, as soon as he said two words, he was interrupted by the White Tiger King: "Hu Ben, you help Yue Feng to speak everywhere, do you also want to betray me?"

Shah!

Hearing this, Hu Ben trembled, and quickly lowered his head and said, "I don't dare." Then he silently stepped aside.

Buzz buzzing...

At this time, countless Beast Alliance members burst into force and rushed to Yue Feng's eyes.

Chapter 3653

At the same time, the colorful Lingfeng was also surrounded.

"I'm afraid you won't be successful?" Qi Cai Lingfeng shouted, and went straight to face it, fighting fiercely with hundreds of Beast Alliance members.

Madd, it seems that this battle cannot be avoided.

At this moment, Yue Feng did not hesitate at all, his figure rose into the sky, and then he raised his right hand, the air around his body suddenly distorted, and then a dark purple flame jumped out.

It is Tianque Lingyan.

The Heavenly Sparrow Spirit Flame is a brand-new strange flame derived from Yue Feng's fusion of the power of the White Lotus Cold Fire and the Suzaku Queen, and its power is even more terrifying.

"Huhu!" In the

blink of an eye, the Sky Sparrow Spirit Flame formed a sea of purple-red flames, sweeping towards the surrounding Beast League members, and in the purple-red flames, there were also streaks of thunder light.

Obviously, this is the power of thunder and lightning that Yue Feng had just absorbed in the Five Thunder Execution Formation.

What?

Seeing the scene in front of them, the faces of the Beast League members who rushed in front of them changed greatly, and then they urged their energy to form a protective film in front of them.

Chi Chi...

The flame spread to the protective film, making a burning sound, and in a blink of an eye, the protective film was burned and disappeared. Immediately afterwards, many members of the Beast League, who had no time to escape, were instantly drowned in the sea of flames, let out bursts of screams, and fell from the air.

Hiss...

Seeing this scene, the rest of the Beast League members couldn't help but gasp.

What is this fire? so horrible.

In panic, the remaining Beast League members all retreated subconsciously. Although they still surrounded Yue Feng, none of them dared to approach rashly.

At the same time, the White Tiger King also looked gloomy.

Mad, this Yue Feng has the power of Bird Ancestor, and his strength has increased so much.

In the next second, the White Tiger King couldn't help shouting: "Everyone, be careful, don't get burned by his fire!" After

hearing this, the members of the Beast Alliance did not dare to underestimate the enemy, and kept their distance from Yue Feng one by one. , and then broke out their skills and attacked Yue Feng.

hum!

In an instant, tens of thousands of Beast Alliance members erupted together, and the entire sky distorted.

Seeing this scene, Yue Feng did not panic at all. He calmly activated the power of Bird Ancestor, and saw a group of blood-colored rays of light burst out from Yue Feng's body, and then, a piece of blood-colored feathers condensed around Yue Feng, and finally formed a huge Vermilion Sparrow shape.

This Suzaku form was transformed from the power of Bird Ancestor. It was more than 100 meters long and filled with powerful defensive power.

Bang bang bang... The

next second, thousands of skills bombarded and burst out, all of which were blocked by the transformed Suzaku.

quiet!

At this moment, both the White Tiger King and Jin Peng were all stunned.

So many attacks were easily blocked by Yue Feng.

This is too perverted.

In shock, the White Tiger King's eyes flashed with incomparably hot rays of light. Is this the power of Bird's Ancestor's power? Really strong, today I will get it no matter what.

call!

Seeing this scene, Lan Ling Peacock and Colorful Lingfeng were extremely excited.

"Your Excellency the White Tiger King!"

At this moment, Jin Peng couldn't help shouting: "This Yue Feng has just obtained the power of Bird Ancestor, and he hasn't fully integrated yet. He can't last long." As he

spoke, Jin Peng's eyes flickered. Dangerous.

Yes, Jin Peng's purpose is to let the White Tiger King personally take action. When the White Tiger King and Yue Feng are both defeated, Jin Peng will take the opportunity to raid and capture Yue Feng.

"Retreat all!"

Hearing Jin Peng's shouting, the White Tiger King took a deep breath, waved his hand, and signaled the Beast Alliance to step down.

Chapter 3654

Immediately afterwards, the figure of the White Tiger King erupted, heading straight for Yue Feng.

In a blink of an eye, the White Tiger King came to Yue Feng with a cold look in his eyes: "Yue Feng, you really can fight, I have so many men, I can't catch you, I'll come and see the power of your bird ancestors! "

The White Tiger King!” Yue Feng was frightened and helpless: “You have been fooled by Jinpeng, he just wants us to kill each other, so that we can take advantage of the fisherman!”

However, the White Tiger King at this time only If you want to get the power of Bird Ancestor, you don’t listen to Yue Feng’s words at all.

hum!

The White Tiger King was too lazy to talk nonsense, a powerful aura burst out from his body, and the surrounding air seemed to be stagnant in an instant!

The powerful coercion pervades the world, and the people who are suppressed panic!

The next second, the White Tiger King slowly raised his right hand and punched Yue Feng!

Nima...

Feeling the rapid lightning speed of the White Tiger King, Yue Feng scolded secretly. At this time, he didn’t have time to dodge.

Facing the siege of the Beast League just now, Yue Feng consumed a lot of power, so he didn’t dare to be careless at this time.

Bang!

In an instant, the fists of the two sides collided fiercely. Yue Feng only felt an overwhelming force coming from the mountains.

Nima!

The strength of this White Tiger King is worthy of being one of the four innate spirit beasts, and he has the power of the ancestors of birds, so he can barely block this punch!

At the same time, Lan Ling Peacock below was even more nervous, and a heart was mentioned in his throat.

Not far away, Qi Cai Lingfeng wanted to come over to help, but was surrounded by the Beast League and couldn’t rush over.

Haha...

Seeing this scene, Jin Peng’s mouth twitched into a smile.

The White Tiger King finally made his move. When both of them were defeated, he made a surprise attack and captured Yue Feng.

“Yue Feng, let’s capture it.” At this time, the White Tiger King looked at Yue Feng up and down, and said coldly, “No matter how you got the power of Bird Ancestor, you must hand it over to me today.”

Om!

The voice fell, and the air around the White Tiger King suddenly condensed! A terrifying force spread out from his body crazily!

“Blood Dance Crazy!”

A few cold words came out of the White Tiger King’s mouth, and in the next instant, the world changed color! Only heard a blast of thunder and a bang!

In the next second, I saw that the spiritual energy between heaven and earth was madly gathering around the White Tiger King, and the heaven and earth were instantly shrouded in a thick blood-colored fog!

What the hell!

Yue Feng’s face changed, and his heart was inexplicably panic.

Of course he knew this skill. At that time, Queen Suzaku was injured by the trick of the White Tiger King.

call!

At this moment, the next second Lan Ling Peacock also trembled, causing Yue Feng to break into a cold sweat.

Just now, when the White Tiger King punched, Yue Feng was able to block it with all his strength. Now that the White Tiger King is performing a stunt, I am afraid that Yue Feng can’t stop it.

hum!

At this time, the White Tiger King did not talk nonsense, his figure burst out from the blood mist, like a flash of lightning, and in front of him, a huge blood-colored tiger ripped apart the world and rushed towards Yue Feng.

Yue Feng didn’t have time to think about it, so he hurriedly used his inner strength to block Fang Tianhua halberd in front of him!

Bang!

The bloody tiger slammed into Fang Tianhua's halberd, and he heard Yue Feng let out a groan, and the whole person was shocked and flew out, flying more than 100 meters before falling heavily to the ground.

When he was besieged just now, Yue Feng had used up a lot of the power of Bird Ancestor, and at this time, he could not resist the stunt of the White Tiger King.

After all, this is one of the four innate spirit beasts, and its strength is on an equal footing with Queen Suzaku.

Chapter 3655

"Yue Feng!"

Seeing this scene, Lan Ling Peacock below couldn't help exclaiming.

Qi Cai Lingfeng also changed her pretty face. She couldn't hide her inner worries. She wanted to rush over to check Yue Feng's injury, but she was all under the White Tiger King and had no chance at all.

"Yue Feng!"

At this moment, the White Tiger King stared at Yue Feng with a proud tone, "Just because you are a human, do you want to fight against me?"

After speaking, the White Tiger King softened his tone and said hypocritically: "Yue Feng, I am not the villain who crosses the river and demolishes the bridge. I have never forgotten that you helped me deal with the Queen Suzaku, but the power of this bird ancestor does not belong to you humans, so hurry up and hand it over." As

he said, The White Tiger King slowly walked towards Yue Feng.

Strong breath, suffocating.

At this time, the White Tiger King was extremely proud, because Yue Feng, who was in front of him, obviously did not have the strength to fight again.

"Okay!" Seeing the White Tiger King getting closer and closer, Yue

Feng took a deep breath and smiled bitterly: "It's supposed to be like this, I don't have to insist, I will give you the power of bird ancestors!"

Feng raised his head and shouted at the sky: "Queen Suzaku, I'm sorry, I have to live up to your expectations of me."

When he shouted these words, Yue Feng looked unwilling, but there was a bit of cunning in his eyes. smile.

Yes, Yue Feng's weakness was faked, and he did not intend to give the power of the ancestor of the bird to the White Tiger King. At this time, it was just a false compromise.

Yue Feng knew in his heart that if he continued to confront the White Tiger King head-on, the result would be a lose-lose situation. In this way, Jin Peng's trick would succeed.

Ha ha...

Hearing this, the White Tiger King looked up to the sky and laughed, unable to hide his inner pride. I thought that Yue Feng would fight to the death, but I didn't expect to compromise so quickly, can you be unhappy?

Lan Ling Peacock and Colorful Lingfeng were shocked.

This... what's going on with this Yue Feng? He also expected him to revitalize the Feiyu League, but he was so soft so easily.

What?

At the same time, Jin Peng, who had been watching the game not far away, was also stunned.

Madd, did you hear me wrong?

This Yue Feng, want to hand over the power of bird ancestors to the White Tiger King? If this is the case, isn't his plan to let them kill each other in vain?

Thinking to himself, Jin Peng was secretly anxious, but the situation in front of him was not easy to interrupt.

"Yue Feng!"

Finally, Qi Cai Lingfeng reacted and shouted at Yue Feng: "Yue Feng, what are you doing? The power of Bird Ancestor was passed on to you by the Queen, how can you hand it over? Are you worthy of the Queen?"

As soon as the words fell, Lan Ling Peacock stomped his feet in a hurry: "Yue Feng, don't hand over the power of Bird Ancestor, don't..."

Alas!

Hearing this, Yue Feng had a bitter look on his face, and said helplessly: "Qicai Lingfeng, Lanling Peacock, I don't want to give it up either, but you have seen the

current situation, if we continue to fight, none of the three of us will survive. It is better to face the reality.”

Having said that, Yue Feng looked at the White Tiger King and continued: “Your Excellency the White Tiger King, is one of the four innate spirit beasts, and his status is on an equal footing with Queen Suzaku, I believe that he got the bird ancestor. After the power, you will definitely be able to lead all of your ethnic groups to successfully leave this ghost place.”

When he said this, Yue Feng looked serious, but his heart was very speechless.

Qi Cai Lingfeng and Lan Ling Peacock were once the right-hand man of Queen Suzaku, and they were very powerful. Unfortunately, their minds were too simple, and they didn't realize that they were pretending to compromise.

you....

The ultimate husband in Chinese chapter 3656-3660

Chapter 3656

Hearing Yue Feng's words, Lan Ling's peacock-like body trembled.

Qi Cai Lingfeng couldn't bear it anymore, pointed at Yue Feng and cursed: “Shameless, Yue Feng, you are a coward, the queen really saw the wrong person, Lan Ling Peacock and I are even more blind... “

Qicai Lingfeng became more and more angry, and wanted to rush over to teach Yue Feng, but was quickly stopped by the men of the White Tiger King.

“Haha...”

Seeing this scene, the White Tiger King was indescribably happy, and praised Yue Feng: “Very good, you humans have a saying that those who know the current affairs are Junjie, Yue Feng, you really don't have one. Let me down, after you give me the power of Bird Ancestor, you will always be the guest of our White Tiger clan.” After

speaking, the White Tiger King smiled and looked at Yue Feng: “Okay, I won't say more, let's go. Hand over the power of Bird's Ancestor.”

Phew!

Yue Feng took a deep breath, nodded, and then raised his hands slowly, activating the power of his primordial spirit, a flash of red light flashed out, slowly in front of Yue Feng, and then condensed into a fist-sized red bead.

I saw that the bead was dazzling, and a flame was burning on the surface. The moment the bead was formed, the surrounding temperature instantly increased a lot.

Haha...

Seeing this scene, the White Tiger King stared at the bead with incomparable excitement.

The surrounding Beast League members were even more excited. This Yue Feng has handed over the power of Bird Ancestor. As long as the White Tiger King gets it, he can easily rule all the ethnic groups. At that time, everyone can unite and leave here.

The power of bird ancestors!

At the same time, Jin Peng, who was not far away, was also instantly excited, his eyes were like poisonous snakes, staring at the red beads, extremely hot.

Previously at the bottom of the abyss, when Queen Suzaku passed the power of Bird Ancestor to Yue Feng, the situation at that time was like this. Queen Suzaku broke out her final strength and separated the power of Bird Ancestor from her body to form a bead that burned with flame.

This chapter is provided by . Visit for daily update.

Jin Peng did not know that he was completely fooled by Yue Feng.

A bunch of idiots.

Looking at the White Tiger King and the expressions of everyone in Jinpeng, Yue Feng was secretly amused.

That's right, what Yue Feng condensed was not the power of bird ancestors at all, but a fire bead condensed by the spirit of the sky bird. The purpose of this was to stimulate Jinpeng.

Yue Feng knew in his heart that Jin Peng would never just watch Bird's Ancestor's power being obtained by the White Tiger King, and he would definitely not be able to resist.

Done!

Not far away, colorful Lingfeng and Lanling Peacock, their delicate faces were filled with incomparable anxiety and despair.

Yue Feng handed over the power of Bird Ancestor to the White Tiger King, and now Feiyu League has no chance of turning over.

“Okay, haha, very good!”

At this moment, the White Tiger King calmed down, unable to hide his excitement, and immediately moved his figure to grab the fire bead in front of Yue Feng.

At this time, the White Tiger King didn't realize that he was tricked by Yue Feng, and the power of the bird ancestors was not at all in front of him.

“Ma De, the power of Bird Ancestor is mine, go to hell!”

However, at this moment, only a loud shout came, and then, a figure flashed lightning, rushing from behind the White Tiger King, and slapped it towards White Tiger King!

It is Jinpeng!

Yue Feng guessed right, Jin Peng just talked nonsense, the purpose is to let Yue Feng and the White Tiger King kill each other. The king's clothes softened, and he took the initiative to hand over the power of bird ancestors.

Jin Peng is very ambitious, thinking about gaining the power of Bird Ancestor and then defeating the White Tiger King, how could such a thing be allowed to happen?

At this time, seeing that the White Tiger King's attention was all on the power of Bird Ancestor, Jin Peng did not hesitate and made a decisive move.

Chapter 3657

Om!

Rushing to the front, a powerful aura burst out from Jin Peng. .

“Jin Peng!!!”

Feeling the danger coming from behind, the White Tiger King was shocked, and when he looked back at Jin Peng, his eyes were instantly blood red, and he gritted his teeth and roared: “You dare to raid me, you are courting death!”

At this time, the White Tiger King, I never thought that Jin Peng, who was servile to him just now, would dare to surprise him.

“White Tiger King!”

Feeling the White Tiger King's anger, Jin Peng did not panic at all, his face couldn't hide the excitement and madness, and shouted: “Do you really think I will want you to surrender? This bird ancestor's power should belong to me. , Whoever robs me will die!”
As the

voice fell, Jin Peng's inner strength surged, and he slapped it out with a palm.

Huh...

Seeing this scene, the Lanling Peacock and the colorful Lingfeng were all stunned, feeling excited and complicated.

Fortunately, Jin Peng shot, and the White Tiger King could not get the power of bird ancestors for the time being.

It's just... Jinpeng and White Tiger King are not good things. No matter who wins later, it will not benefit the Feiyu League at all.

"Jin Peng!"

At the same time, Hu Ben below was also furious, shouting at Jin Peng: "You are courting death, dare to raid Your Excellency the White Tiger King..." After saying that, Hu Ben burst out, trying to stop Jin Peng.

However, Jinpeng's speed was too fast, like lightning, and Hu Ben had no time to intercept it.

boom!

Jinpeng's speed was too fast, and the White Tiger King had no time to react. With this palm, it slammed into the back of the White Tiger King's handle, and a dull sound was heard, and the White Tiger King was blown away.

Pfft!

After flying dozens of meters away, the White Tiger King hit a boulder and landed heavily.

The moment he landed, the White Tiger King was pale and weak.

The White Tiger King clearly felt that the blood in his body was surging, and Jin Peng's palm had caused him a lot of trauma. However, the White Tiger King's defense is very strong, and the whole body's power is running, and his face quickly returns to normal.

What?

Seeing this scene, whether it was Jin Peng, Yue Feng, Lan Ling Peacock, and others were all shocked.

The defense of this White Tiger King is too strong.

“Jin Peng!”

At this time, the White Tiger King glared at Jin Peng: “You dare to attack from behind, have you ever thought about the consequences?”

Feeling the White Tiger King’s anger, Jin Peng felt extremely uneasy, but still sneered: “White Tiger King, put it away. Your lofty attitude, as I said just now, I will not surrender to you.”

“You hit me just now, and your blood is already disordered, I don’t believe you can still hold it!” In the

last sentence, Jin Peng almost roared out. .

At this time, Jin Peng is tough on the surface, but he has no confidence in his heart. After all, the White Tiger King is too defensive, and he is not an opponent at all, but he has already attacked the White Tiger King just now, and the arrow is on the string.

“Okay, very good!”

Hearing this, the White Tiger King looked grim: “If that’s the case, then go to hell!” The voice fell, and the White Tiger King let out a roar and raised his hands suddenly!

“Roar!”

The surrounding air quickly distorted, and then, an incomparably huge tiger condensed out, carrying unparalleled power, and swept towards Jinpeng!

Seeing the huge tiger rushing towards him, Jin Peng’s expression changed.

Chi Chi Chi...

In the next second, I saw streaks of golden light burst out from Jin Peng’s body. These golden lights were actually flying feathers on Jin Peng’s body. Every golden light was like a sharp arrow.

In an instant, thousands of flying feathers erupted in unison, and the entire sky seemed to be torn apart.

Chapter 3658

Seeing this scene, the White Tiger King snorted coldly, his eyes full of disdain.

“Roar!” The

White Tiger King didn't talk nonsense, he raised his hand and waved, the huge tiger burst out with a roar, the speed suddenly accelerated, and met the flying feathers.

boom! boom! Boom....

In the blink of an eye, I saw the flying feathers erupted from Jinpeng, slammed into the giant tiger one after another, and a violent aura vibrated. Immediately, thousands of flying feathers were directly defeated, turning into a golden light and shadow, Dissipate between heaven and earth!

What?

Seeing this scene, the thousands of Jinpeng's subordinates below were stunned and stunned.

The strength of this White Tiger King is too, too strong, right? !

The leader had already successfully raided him just now, but he didn't even hit him hard, but instead, such a terrifying power erupted.

At the same time, Yue Feng also frowned and secretly rejoiced.

Nima, this White Tiger King is too strong. Fortunately, he successfully lured Jin Peng to take action. Otherwise, he would be the one facing the White Tiger King at this time.

"Haha..." At this time, the White Tiger King smiled contemptuously

, and said to Jin Peng, "But a clown who jumps on the beam, with such a little strength, still wants to defeat me?"

Come.

Jin Peng did not respond, but gritted his teeth to meet him, and fought fiercely with the White Tiger King in mid-air.

At this time, Jin Peng almost wanted to cry without tears.

Knowing this was the result, I was less impulsive just now and went to raid the White Tiger King. Now it is really difficult to ride a tiger.

Bang bang bang...

For a while, I saw the figures of the White Tiger King and Jin Peng, shuttled back and forth in midair, and the burst of breath vibrated, distorting the air.

call!

Seeing this scene, the members of the Beast League and the Jinpeng clan below were all silent and their attention was attracted.

Here's your chance!

At this moment, Yue Feng took advantage of the opportunity to move towards Lan Ling Peacock.

When they got to the front, Yue Feng turned on the electricity, and saw two Jin Peng subordinates who were guarding Lan Ling Peacock.

Immediately afterwards, Yue Feng stepped forward and was about to untie the golden feather rope on Lan Ling Peacock.

"Go away, you traitor!"

However, before Yue Feng's hand touched Jin Yusuo, he saw Lan Ling Peacock took a step back, her delicate face full of anger and hostility: "Don't touch me, let alone you. Come and save me."

In Lanling Peacock's heart, Yue Feng was about to hand over the power of bird ancestors to the White Tiger King just now. If he failed Queen Suzaku, he was a traitor and could never be forgiven.

Shit...

Feeling Lan Ling Peacock's hostility, Yue Feng couldn't help laughing.

The next second, Yue Feng explained: "Lan Ling Peacock, listen to me, I don't really want to..."

Before he could finish speaking, Lan Linglong interrupted.

"You handed over the power of Bird Ancestor, what else is there to explain?" Lan Ling Peacock said coldly, with disdain that could not be concealed in his eyes: "I and Qi Cai Lingfeng were really blind before, I was afraid of you Jinpeng before. It's not good for you, I've been desperate to protect you, if I knew this, I should have let you die at the hands of Jinpeng."

Bang!

Just as he was speaking, he heard a vibration in the air, and saw the King White Tiger punch Jin Peng's heart. In an instant, Jin Peng's blood spurted wildly, and a rain of blood was scattered in the air. Immediately after that, he fainted.

Wow...

Seeing this situation, the entire Beast League group cheered.

The Jinpeng family, on the other hand, sucked in the cold air one by one, incomparably terrified.

Chapter 3659

At this moment, the White Tiger King stood there proudly, and glanced at Jin Peng lightly: "Assault me? Court death!" After the

voice fell, the White Tiger King moved his figure and grabbed the fireball suspended in mid-air in his hand .

The White Tiger King was raided by Jinpeng just now, and he didn't have time to get the fire bead, so the fire bead kept floating in the air.

Haha...

The moment he got the Fire Orb, the White Tiger King looked up to the sky and laughed, extremely proud.

"The power of bird ancestors was finally obtained by me."

At this time, the White Tiger King did not realize that what he had in his hands was not the power of bird ancestors at all, but the fire beads that Yue Feng transformed into with the flame of the Vermilion Bird. .

Whoa!

At this moment, the tens of thousands of members of the Beast Alliance below all knelt down to the White Tiger King, all of them excited and shouting.

"Congratulations to Your Excellency the White Tiger King.."

"Very good, Your Excellency the White Tiger King has obtained the power of the ancestors of the bird..."

In the compliments of many subordinates, the White Tiger King smiled and felt extremely happy.

"Arrest all the Jinpeng family." The White Tiger King ordered.

As soon as the words fell, tens of thousands of Beast League members surrounded thousands of Jinpeng clan, because Jinpeng was in a coma, and the Jinpeng clan had no leader, and none of them resisted.

After subduing the Jinpeng clan, the White Tiger King did not hesitate, mobilized his inner strength and began to absorb the power of the 'Power of Bird's Ancestor' in his hand.

boom!

However, at this moment, an explosion that shocked the world was heard, the fireball in the hands of the White Tiger King instantly burst, and a sea of purple-red flames filled the air, instantly shrouding the White Tiger King.

All of this happened so fast that the White Tiger King couldn't react at all. With a miserable howl on the spot, his whole body fell directly like a big fireball.

Bang!

Falling heavily to the ground, the purple-red flames on the White Tiger King's body showed no signs of going out, but instead burned more and more vigorously.

What?

Seeing this scene, the surrounding Beast League members panicked and wanted to rush up, but they were afraid of the flames on White Tiger King's body and did not dare to approach at all.

"Ah... burn me to death, burn me to death..." The

White Tiger King kept rolling on the ground and howling miserably. Large areas of skin on his body were burned black, which was extremely miserable.

Hu Ben was loyal to the Lord, and rushed up desperately, shouting, "Your Excellency White Tiger King, I will help you put out the fire."

However, just after a few steps, he heard Yue Feng's faint voice and remembered: "Hu Ben, this fire is called Suzaku. Lingyan can burn everything, if you approach him rashly, I'm afraid that you won't be able to save him, but you will risk your own life." The

voice was not loud, but there was no doubt about it.

Huh...

Hearing this, Hu Ben stopped there and glared at Yue Feng: "Yue Feng, why are you doing this? Why do you want to plot against Your Excellency the White Tiger King?"

Hu Ben's character is upright, and he realized it later, until now. Understand that the 'Power of Bird's Ancestor' obtained by the White Tiger King is fake.

Yue Feng sighed, nodded and said, "Yes, but if I don't do this, will the White Tiger King let me go?"

Hu Ben's face flushed and he was speechless for a while.

This...

At this time, Lan Ling's peacock body trembled slightly, and she looked at Yue Feng and was stunned.

It turns out... what he just handed over was not the power of bird ancestors.

He did not betray Queen Suzaku!

At this time, the screaming voice of the White Tiger King became smaller and smaller, and he was about to be burned to death. Only then did Yue Feng activate the Vermillion Bird Spirit Flame in his body to extinguish the flames on the White Tiger King.

Chapter 3660

Swish!

At this moment, the White Tiger King's eyes were full of resentment, and he locked onto Yue Feng, and said hoarsely, "Good boy, you are actually arrogant to me?"

At this time, the White Tiger King was almost full of anger. He thought he was in control of the situation. Unexpectedly, it was actually played by this human being.

Yue Feng looked at the White Tiger King with a smile on his face, and said slowly, "White Tiger King, don't blame me. You were bewitched by Jinpeng just now. When you attacked me, it was not fair."

"I killed you." The White Tiger King roared, struggling to stand up.

However, he was burned by the Vermillion Bird Lingyan for a few minutes just now, with wounds all over his body, and he couldn't exert any strength at all.

"Kill me?"

Yue Feng said indifferently, word by word, "King White Tiger, do you think you still have a chance? On the contrary, I will kill you now, but it's as easy as the palm of your hand!"

"But don't worry, I won't kill you now, But there is one condition."

"From now on, whether it is the Beast Alliance or the Feather Alliance, all must obey my orders and dispatch. As for the White Tiger King, from now on, you will also respect me.

” At that time, Yue Feng’s eyes slowly scanned the audience, his expression was dignified, and his tone was unquestionable.

To be honest, Yue Feng didn’t want to worry about the Beast League and Feiyu League, but after the past two days, Yue Feng realized that he was already involved, and he couldn’t get out of it. In this case , it is better to take this opportunity to rule all the demon clan.

Wow...

Hearing this, whether it was the White Tiger King, or the surrounding Beast League clan, as well as the Jinpeng clan, there was an uproar.

“He wants to rule us?”

“Damn, I knew that this human being is sinister and despicable, uneasy and kind.” The surrounding angry shouts kept coming, Yue Feng just pretended not to hear it, and stood there with a leisurely expression.

“Yue Feng!”

At this moment, Hu Ben glared at Yue Feng with a look of grief and anger: “Why do you do this?”

Yue Feng said lightly: “It’s not that I have to do this, the experience of the past two days tells me that I must do this. If this is the case, only in this way, can I take you out of here, otherwise, your internal struggle will continue endlessly.”

Hearing this, Hu Ben was silent.

“I support Yue Feng!”

At this moment, a slender figure walked out quickly, looked around and said, “From now on, our Peacock family swears allegiance to Your Excellency Yue Feng.”

While saying this, Lan Ling Peacock His face was firm, but he looked at Yue Feng with a hint of apology.

I almost misunderstood Yue Feng just now, which made Lan Ling Peacock feel extremely guilty. At this time, only loyalty can make up for it. Moreover, Yue Feng has inherited the power of the ancestor of Queen Suzaku, and it is reasonable to be loyal to him.

When the words fell, Qi Cai Lingfeng followed suit and said, “And me!”

After saying that, Qi Cai Lingfeng looked around: "You all say that Yue Feng is a human, insidious and cunning, but since he came here, he has never taken the initiative to kill. Any ethnic group, and also, he has the power of bird ancestors, and is the inheritor recognized by Queen Suzaku."

"More importantly, he is very skilled at fighting, and he has broken two magic circles before, in other words, He is the only one who can take us out of here."

Phew...

Hearing this, the whole place was silent, all eyes looking at Yue Feng were complicated.

This Yue Feng actually broke two magic circles.

Wow...

After a full tens of seconds of silence, many Beast Leagues and Jinpeng clan knelt down to Yue Feng and shouted in unison, "See Your Excellency Yue Feng."

Seeing this scene, Yue Feng showed a smile.

"You..." The

White Tiger King was furious and trembled uncontrollably. He thought he could control the whole situation today, but he did not expect that it turned out to be a wedding dress for Yue Feng in the end.

At this time, Yue Feng looked at the White Tiger King with a smile: "The White Tiger King, they have surrendered, how about you?"

The ultimate husband in Chinese chapter 3661-3665

Chapter 3661 The

White Tiger King sneered: "Want me to surrender? Yue Feng, stop daydreaming." The tone was firm and unquestionable.

Yue Feng smiled slightly and said, "King White Tiger, do you think you still have a choice?"

Hearing this, King White Tiger laughed in the sky, but his eyes couldn't hide the resentment: You are just a human, what qualifications do you have? command us? I tell you, as long as my White Tiger King doesn't die, I will pay back today's revenge tenfold.

Alas!

Seeing this situation, Yue Feng sighed and said lightly: "Since this is the case, we have nothing to talk about. When the voice fell, Yue Feng took out a few long things from the spirit beast sack that he carried with him.

He saw that these things were extremely sharp, not only that, but there was also a strange power fluctuation inside.

It was the prison dragon thorn . At

that time, when Yue Feng was in Roland Continent, he encountered a giant dragon in a huge cave in the back mountain of Storm City. At that time, the dragon was stabbed by Fuxi with a prisoner thorn. Later, Yue Feng subdued the giant dragon, and the prisoner thorn also He put it away and kept it on his body.

What is this?

Seeing the imprisoned dragon thorn in Yue Feng's hand, especially when he felt the strange energy contained in it, the White Tiger King's heart trembled, and he was a little inexplicably frightened.

Seeing the White Tiger King's expression, Yue Feng showed a smile.

"White Tiger King, this thing is called the Dragon Prisoner. Yue Feng's face was relaxed, and he said slowly: "The prison dragon thorn is specially invented by humans to deal with the Qinglong family. Once stabbed, no matter how powerful the dragon, it will lose its ability to fly and suffer. "

“The taste of imprisoned dragon thorn, even the Qinglong family can’t bear it, do you want to give it a try?” “

When he said this, Yue Feng looked relaxed.

This chapter is provided by . Visit for daily update.

Huh...

The surrounding Lan Ling peacocks, colorful phoenixes, and tiger Ben all felt a chill in their hearts. Is the prison dragon thorn in Yue Feng’s hands really so powerful? Even the Qinglong family can’t bear it?

At this time, the White Tiger King, who was dying by the fire, could hold it?

For a time, Hu Ben wanted to ask for mercy, but when they saw Yue Feng’s firm eyes, they held back. Speaking of which, everyone in Hu Ben also knew that Yue Feng did this just to force King White Tiger to surrender and would not take his life.

“Yue Feng.”

At this time, the White Tiger King took a deep breath, endured the pain all over his body, and shouted at Yue Feng: “Don’t scare me, my White Tiger clan has been inherited for thousands of years, what scene have you never seen? One? The little dragon thorn, just want to scare me?”

“What means do you have, even if you use it, if I frown, I will not be the White Tiger King.” In the

last sentence, the White Tiger King’s voice was extremely hoarse, but his eyes flashed. Unruly.

“Okay!”

Hearing this, Yue Feng was very helpless, he stopped talking nonsense immediately, picked up a dragon thorn, and stabbed it directly on an acupoint on the back of the white tiger king.

At this moment, I saw the white tiger king tremble, a heart-wrenching pain came, and his eyes were instantly congested, but the white tiger king had a tough personality, and he just gritted his teeth and didn’t shout.

Phew...

Feeling the tenacity of the White Tiger King, Yue Feng couldn't help but secretly admired that, as expected of the King of the White Tiger Clan, he could endure this kind of pain.

Thinking to himself, Yue Feng smiled: "It's quite resistant." When the voice fell, Yue Feng did not hesitate at all, and stabbed all the prisoner dragon thorns in his hand on the White Tiger King.

"hiss...."

This time, the pain that the White Tiger King felt instantly multiplied. Under the severe pain, the White Tiger King's face was instantly pale, and his forehead was dripping with cold sweat! His whole body was shaking like a sieve, and he kept sucking in the cold air.

At this time, the White Tiger King only felt that his body was torn in half. Not only that, but his entire body's strength was sealed to death. Without personal experience, it is impossible to know the pain.

Yue Feng stood aside with a leisurely expression.

Chapter 3662

Isn't this White Tiger King able to resist? Let's see how long he can last.

At the same time, the surrounding colorful phoenixes, together with Hu Ben, were also terrified.

At the beginning, the White Tiger King could still resist, but as time passed, the pain from his body became stronger and stronger, and the White Tiger King couldn't hold it anymore. He was twitching and dripping with cold sweat. It has completely lost its previous majesty and is miserable.

"White Tiger King, how are you thinking?" Yue Feng asked with a smile when he was almost done.

"I..."

The White Tiger King at this time was extremely weak and his dignity was completely wiped away. He nodded and said, "Your Excellency Yue Feng, I have accepted it. In the future, I will follow the White Tiger King to the death."

Seriously, Xiang Yue Feng bowing his head, the White Tiger King felt ten thousand reluctance in his heart. But the White Tiger King knew very well in his heart that if he continued to consume it, he would be disabled.

Um!

Seeing that the White Tiger King finally compromised, Yue Feng showed a smile, nodded and said, "Okay, okay." With that, Yue Feng took off the prison dragon thorn, then took out a healing medicine and handed it to the White Tiger King.

Huh....

Seeing this scene, whether it is the colorful phoenix or the tiger Ben, they are all relieved.

Great, Yue Feng subdued the White Tiger King, and the entire demon clan finally didn't have to fight.

"Okay!"

At this time, Yue Feng looked around and said slowly, "Everyone, make some adjustments, and then cooperate with me to break the last two magic circles. When the time comes, I will take everyone out of this place." The

voice fell, The whole place was boiling.

"Great."

"Lord Yue Feng, long live, long live..."

Soon, under the command of Yue Feng, everyone camped in place to recuperate, and until the next morning, Yue Feng began to crack the remaining two magic circles.

Emperor Tian paid off. After two days of hard work, the remaining two circles were completely broken by Yue Feng.

Boom boom boom....

The moment the last magic circle was broken, I heard a burst of roars, coming from the sky, all of a sudden, the sky was dark, like the end of the world, and then I saw the enchantment shrouded in the sky. , shattered...

WOW!

Seeing this scene, whether it was the White Tiger King or the Colorful Lingfeng, they all cheered, and some even cried with joy.

"After so many years, we can finally go out."

"Your Excellency Yue Feng, you really didn't lie to us..."

Om!

Just when the White Tiger King was extremely excited, they saw that after the barrier in the sky collapsed, a huge beam of light descended from the sky, and finally formed a portal in front of everyone.

Seeing the portal, whether it was Yue Feng or the White Tiger King, their eyes suddenly became scorching hot.

“Everyone!”

At this time, Yue Feng couldn't hide his excitement, looked around, and said slowly: “With so many of us, rushing into the Divine Realm through the portal will definitely attract the attention of the Nine Heavens God, so I will go first. Check the situation, you guys are here waiting for my news.”

When he said this, Yue Feng looked serious.

You must know that thousands of years ago, the God Realm launched a war of gods because the demon clan threatened their status, trapping many demon clans in this place, so that the God Realm could sit back and relax, and at this time, the entire demon clan was released by himself. , once the Nine Heavens God knows, it is no trivial matter.

Chapter 3663

“Understood!”

Hearing Yue Feng's words, the White Tiger King and Lan Ling Peacock all nodded.

Seriously, it's hard to leave here. Whether it's the White Tiger King or Lan Ling Peacock, they can't wait and want to leave as soon as possible, but they also know that Yue Feng is right, and the monsters present add up. , There are hundreds of thousands of people who suddenly enter the realm of the gods, and they will definitely be known by the Nine Heavens God.

Yue Feng explained a few more words, then turned around and entered the portal.

With a brief sense of dizziness, Yue Feng opened his eyes and saw the scene in front of him, the whole person was in a good mood.

Nima, finally returned to the realm of the gods.

What makes Yue Feng even more delighted is that his location is just outside the cave where he entered the sealed land of the demon clan before. This place is very close to Guixian Mountain.

After walking away for so many days, I don't know what happened to Master. If Master knew that he ruled the entire demon clan, he would definitely be very happy.

Thinking about it, Yue Feng urged his figure to rush towards Guixian Mountain quickly, and his mood was extremely urgent.

Soon, when he arrived at Guixian Mountain, Yue Feng was stunned when he saw the scene in front of him.

what's the situation?

I saw that the beautiful Guixian Mountain had turned into ruins at this time, and the original quiet courtyard had disappeared, leaving only a huge deep pit.

Yue Feng saw that the deep pit was dark, and there were traces of lightning strikes everywhere.

After a few seconds, Yue Feng reacted and felt inexplicably nervous.

Immediately, Yue Feng couldn't help shouting: "Master, where are you, Master?"

He shouted dozens of times with a look on his face, except for his own echo, he couldn't hear Guiguzi's response at all. In an instant, Yue Feng was even more anxious.

It's broken, Ghost Immortal Mountain has become like this, and the master is not there, is there really something wrong?

Whoosh..

Just when Yue Feng was extremely anxious, he saw a figure flying from the sky not far away, with a bit of pride on his delicate face.

It was Li Ran who had driven Yue Feng into a corner.

Behind Li Ran, a cold figure followed closely, it was her senior brother Hongsheng.

Before, because of Yue Feng, Li Ran was punished by Immortal Venerable Beiming and faced the wall for half a month. Later, Hongsheng interceded, and Li Ran was only detained for three days.

Today, when Li Ran came out to relax, he took Hongsheng to accompany him, and traveled all the way, and came to the vicinity of Guixian Mountain.

Made.

Seeing Li Ran, Yue Feng frowned, and a burst of anger rose in his heart.

It's really a narrow road for the enemy, and I met her again.

Um?

At the same time, Li Ran and Hongsheng also saw Yue Feng and were stunned.

Yue Feng? Didn't he enter the sealed land of the demon clan?

A few seconds later, Li Ran reacted, looking at Yue Feng with a half-smile, and mockingly said, "Oh, isn't this the little book boy? Are you still alive?"

Li Ran said this with contempt in his tone, with anger flashing in his eyes.

If it weren't for this Yue Feng, he wouldn't have been punished by his master and faced the wall for three days.

When the voice fell, Hongsheng couldn't help but said: "Good boy, you can still come out after entering the sealed land of the demon clan."

The tone of the brothers and sisters made Yue Feng very unhappy.

However, at this time, Yue Feng was too lazy to care about it, so he walked up to meet Li Ran and looked directly at Li Ran: "What happened here? Where is Mr. Guigu?"

"Why should I tell you?" Li Ran raised his head with a look on his face of pride.

Nima!

Yue Feng frowned, too lazy to talk nonsense, looked at Li Ran, and said coldly again: "I ask you, what's wrong with Mr. Guigu?"

"Yue Feng"

Chapter 3664

Li Ran's brows are knitted together, and her delicate face shows a bit of contempt: "Do you know who you are talking to? You kneel down and beg me, maybe I can consider telling you."

Just a little book boy, dare to Talking to himself like this, who gave him confidence?

At the same time, Hongsheng also took a step forward and looked at Yue Feng and said coldly: "Boy, you dare to pretend to be the God of the Nine Heavens, you are in trouble."

In Hongsheng's eyes, it is not worth it for Yue Feng to pretend to be the God of the Nine Heavens. pity.

Mad, these two are sick.

Seeing this situation, Yue Feng was too lazy to talk nonsense, turned around and left, and decided to find Guiguzi himself. In his heart, Guiguzi had the ability to penetrate the sky and the earth, and there was no danger. He just left Guixian Mountain for something.

“Stop!”

Just before taking two steps, he heard Li Ran's coquettish shout, followed by a palm to Yue Feng's back, and at the same time, he shouted: “Our business is not over yet, you want to leave. ?”

Buzz!

This palm contains the sound of wind and thunder, and its power is amazing.

Nima.

Seeing Li Ran's surprise attack on him, Yue Feng was very annoyed and cursed inwardly.

Bang!

Yue Feng and Li Ran's palms collided, only to hear a vibration, then Li Ran's delicate body trembled, and he took a dozen steps back. After stabilizing his figure, his face was pale.

Yue Feng, on the other hand, stood proudly on the spot, motionless.

Obviously, this time, Li Ran didn't take advantage of it.

If it was a few days ago, Yue Feng was not Li Ran's opponent at all, but now Yue Feng has the power of Bird Ancestor, his strength has increased greatly, and has surpassed Li Ran.

“You...”

Li Ran stabilized his figure, looked at Yue Feng in shock and anger, and his beautiful face was full of incredible.

This...it's impossible!

In just a few days, this Yue Feng has become so powerful?

Yue Feng sneered and mocked Li Ran: "What? It's not a good feeling to be defeated. Don't be too arrogant in the future."

Li Ran bit her lip tightly, her face flushed, and she held back her fire, but she didn't . Know how to counter.

She never thought that the guy who was chased by her a few days ago and had nowhere to escape would become so powerful at this time.

"Crazy."

At this moment, Hongsheng next to him couldn't help shouting angrily, and then rushed towards Yue Feng.

Hongsheng has a calm personality and did not intend to take action against Yue Feng, but he loves Li Ran, his junior sister very much. At this time, seeing that he suffered a loss from Yue Feng, he couldn't help it.

More importantly, Yue Feng was a repeat offender appointed by the Nine Heavens God. How could Yue Feng be allowed to leave so calmly?

Brain is sick.

Seeing Hongsheng burst out, Yue Feng frowned, then burst into power and fought fiercely with Hongsheng in mid-air.

Hongsheng is Senior Brother Li Ran, and he is also the eldest disciple of Immortal Beiming. His strength is unfathomable, while Yue Feng possesses the power of Bird Ancestor.

call!

Seeing this scene, Li Ran was extremely excited, stood below, and kept shouting: "Senior brother, teach him a good lesson."

hum!

As I was shouting, I saw a terrifying aura coming from the sky not far away. In an instant, the world changed, and dark clouds rolled.

The sudden vision of heaven and earth shocked Hongsheng.

At the same time, Li Ran's body trembled, and he couldn't help gasping for air.

I saw in the sky, one after another huge figures, coming from the clouds and fog, each and everyone was huge, and you can see that there are phoenixes with gorgeous feathers, and white tigers that are mighty and domineering... There are hundreds of thousands of them.

Chapter 3665

This...

Seeing this scene, Li Ran only felt that his legs were weak and he couldn't stand still, and murmured: "This... aren't these sealed demon clan? Why... Why did they all come out?"

As a disciple of Immortal Venerable Beiming, Li Ran certainly knew the existence of the demon clan, but the demon clan was sealed by the God's Domain, and there was a powerful barrier in the sealed place, those demon clan were impossible. breakthrough.

At the same time, Hongsheng also had a solemn face, and his heart was extremely shocked.

I saw that there were several powerful figures in front of the army of monsters. One of them was wearing white armor and was majestic. The women next to them were all wearing long skirts, with beautiful faces and slender figures.

It was the White Tiger King and the Colorful Lingfeng.

Originally, according to Yue Feng's explanation, the group of White Tiger Kings waited at the portal, but they waited left and right, and they never saw Yue Feng returning, so they couldn't help but come to God's Domain through the portal.

hiss!

Such a terrifying power.

At this moment, feeling the powerful breath of the White Tiger King and the Colorful Lingfeng, Hongsheng's expression changed, and he couldn't help gasping for air.

Yue Feng, who was next to him, had a calm expression on his face, and then scratched his head.

Just looking for Guiguzi, forgetting that the White Tiger King and Qi Cai Lingfeng are still waiting for him.

"Excuse me!"

At this time, Hongsheng took the lead in reacting, took a step forward, and said to the White Tiger King, "Your Excellency is..." As

he said, Hongsheng looked at the hundreds of thousands of demon tribes behind the White Tiger King, , trembling.

Before he finished speaking, he saw a warrior of the White Tiger clan, the Great Sage: "This is the king of our White Tiger clan."

What? The king of the white tiger clan?

Hearing this, both Hongsheng and Li Ran were shocked.

As disciples of Immortal Venerable Beiming, Hongsheng and Li Ran certainly knew that the White Tiger was one of the four innate spirit beasts, possessing incomparably powerful strength, and the burly man in front of him turned out to be the king of the White Tiger clan, and his strength must be even greater. fear.

"It turned out to be Your Excellency the White Tiger King!" At this time, Hongsheng reacted and said

to the White Tiger King: "I am Hongsheng, the disciple of Immortal Venerable Beiming, and the one next to me is my junior sister Li Ran."

, Hongsheng pointed at Yue Feng, and said indifferently: "As for this, it's just a little book boy with no name."

Hongsheng has a meticulous personality and knows that the demon clan and the gods have an insoluble hatred, but Immortal Venerable Beiming Living in seclusion in Beiminghai is not under the direct jurisdiction of the Nine Heavens God, and Beiming Xianzun did not participate in the battle of the gods that year. In this case, Hongsheng's identity can avoid unnecessary trouble.

The words fell, Li Ran quickly nodded in agreement, and then pointed at Yue Feng: "Yes, this human being is cunning and despicable, our brothers and sisters are going to deal with him, you don't need to pay attention."

At this time, Li Ran just wanted to kill the White Tiger King as soon as possible . Send him away, and then work with his senior brother to deal with Yue Feng.

"Crack!"

However, as soon as he finished speaking, he saw a slender figure walking out quickly, and slapped Li Ran's face without warning!

It is the colorful phoenix.

Qicai Lingfeng has a cold and arrogant personality. She had misunderstood Yue Feng several times before, and she felt very guilty. She was always looking for an opportunity to make amends. At this time, seeing Li Ran being rude to Yue Feng, she couldn't help it.

The slap was heavy, and Li Ran staggered back a few steps, half of his face swollen.

Hongsheng next to him was even more nervous and furious.

“You...?”

Finally, Li Ran reacted, looking at Qi Cai Lingfeng with surprise and anger in his eyes.

He is the most favored disciple of Immortal Venerable Beiming, but he was beaten by a demon woman at this time. How will he meet people in the future?

For a time, Li Ran held back his fire and wanted to explode, but he felt the aura on Qi Cai Lingfeng's body and the White Tiger King beside him, so he held back. Hit hard, it's totally courting death.

The ultimate husband in Chinese chapter 3666-3670

Chapter 3666

At this time, Hongsheng reacted, suppressed his anger, and said to the colorful Lingfeng: "We Beiminghai have no hatred or resentment with your demon clan, so there is no need to beat people, right?"

Hongsheng loves Li very much. Of course, seeing her being slapped by Qi Cai Lingfeng, she couldn't help it.

"No grievances?"

Qi Cai Lingfeng's pretty face was frosty, and she glanced at Li Ran coldly: "She is rude to Your Excellency Yue Feng, shouldn't she fight?" The

voice fell, and the white tiger king next to him said: "Yes, Yue Feng is the commander-in-chief of all our demon clan. If you disrespect him, you are provoking our demon clan."

What?

Hearing this, Hongsheng was shocked, and the whole person froze there.

This... this Yue Feng, is the commander of all the demon clan?

Did you hear it wrong?

You must know that the demon clan is arrogant by nature, especially the existence of the White Tiger King, and even the Nine Heavens God didn't even care about it at the beginning, otherwise, the God Realm would not have launched a god war back then. At this time, he was so respectful to a human being.

Li Ran is also stupid!

At this moment, her legs felt weak, and her delicate body couldn't help but take two steps back.

She could see that the colorful phoenix in front of her, the White Tiger King, and the hundreds of thousands of demon clan members behind them were extremely respectful to Yue Feng.

quiet!

For a moment, the audience was silent, and a drop of a needle could be heard clearly.

This chapter is provided by . Visit for daily update.

At this time, Qi Cai Lingfeng looked at Li Ran coldly: "You are disrespectful to Your Excellency Yue Feng, and you have to be detrimental to him, how can I spare you?"

Saying that, Qi Cai Lingfeng looked around and said loudly: "Your Excellency Yue Feng, lead us to break through the ten thousand-year seal. He is the benefactor of all our demon clan, and his enemy is our enemy.

"Tens of thousands of demon clan members responded in unison.

"Not bad!"

"Kill them both." An

angry shout came, and Li Ran was so frightened that his delicate body was trembling, his legs were weak, and he couldn't stand still.

Pfft!

Hongsheng was even more frightened. He knelt on the ground and begged for mercy at Yue Feng: "Yue Feng, I'm sorry, we have no eyes..." Hongsheng's mind is quick, and he knows that if he doesn't show anything, the situation will get worse and worse.

Yue Feng looked indifferent and ignored it. Instead, he looked at Li Ran coldly.

Seeing this situation, Hongsheng pulled Li Ran: "Junior sister, apologize quickly."

At this time, Hongsheng was very frightened. If Yue Feng didn't forgive himself and his junior sister, then the trouble would be big. You know, there are hundreds of thousands of powerful monsters around here.

"Yue Feng..."

At this moment, Li Ran bit her lip, walked up to Yue Feng, and said in a low voice, "I'm sorry, I was offended before..." The

voice was so small that you couldn't hear it if you didn't listen carefully. .

At this time, Li Ran never dreamed that one day he would apologize to a little book boy, and he never thought that he would be so servile in front of him!

Yue Feng was expressionless and looked at her with a smile: "It's just an apology and it's over? What did you do to me before? I remember

it clearly." Feeling

Yue Feng's anger, Li Ran The delicate body trembled, hesitated, and then knelt directly in front of Yue Feng.

Pfft!

"Yue Feng, I was wrong before, I was too self-willed, and now I know I was wrong, please forgive me and my senior brother." Li Ran kept begging for mercy, and the stubbornness was completely gone.

Chapter 3667

Facing Li Ran's constant pleas, Yue Feng chuckled and said, "I ask you, where did Mr. Guigu go? What the hell happened here?"

Huh...

At this moment, Li Ran no longer dared to hide anything, he let out a sigh of relief, and quickly responded: "Mr. Guigu was taken away by His Majesty the Nine Heavens God."

As soon as he finished speaking, Hongsheng next to him said, "Speaking of which, this The matter is still because of Your Excellency Yue Feng, your impersonation of the Nine Heavens God made His Majesty very angry..."

After speaking, Hongsheng explained the situation in detail at the time, and at the end, Hongsheng looked complicated. : "In order to protect you, Mr. Guigu refused to reveal your whereabouts, and was finally quoted by the Nine Heavens God as Tianlei..."

What?

Hearing this, Yue Feng froze on the spot as if struck by lightning, his mind buzzing blankly.

A few seconds later, Yue Feng reacted, clenching his fists, extremely anxious.

For my sake, Master was arrested by the Nine Heavens God, and suffered from thunder. No, I must find a way to rescue Master.

Thinking to himself, Yue Feng waved at the two Hongsheng: "Okay, let's go."

In Yue Feng's heart, Guigu's safety is the most important thing, and he is too lazy to care about brother and sister Li Ran.

"Thank you, Your Excellency Yue Feng, thank you..."

Hongsheng's face was overjoyed, and he was grateful for Yue Feng's winning streak, and then pulled Li Ran away quickly.

“Everyone!”

As soon as his forefoot left, Yue Feng looked around, his eyes swept over the White Tiger King and Qi Cai Lingfeng one by one: “Mr. Guigu treats me well, and now for me, I was taken away by the Nine Heavens God, I must not just sit back and watch, what do you all mean?”

Wow.. The

voice fell, and the audience suddenly exploded.

“Does it need to be said? Go directly to Yutian Palace and rescue Mr. Guigu.”

“Yes, I will give my full support.”

In the hearts of these monsters, without Yue Feng, they could not have successfully left the sealed land. It can be said that Yue Feng gave them freedom.

More importantly, the Monster Race and the Divine Realm also have a mortal hatred. At this time, knowing that Master Yue Feng was arrested, he naturally supported him without hesitation.

“Your Excellency Yue Feng!”

At this time, the White Tiger King came over and shouted: “We have been trapped in the God Realm for nearly ten thousand years, and this feud must be settled with the God Realm. Since your master has been arrested, it will be new and old. Hate is counted together.”

“Okay!”

Hearing this, Yue Feng’s blood surged, nodded, and immediately led the hundreds of thousands of demon clans, heading towards the Yutian Palace.

.....

At this moment, in the Imperial Palace.

Nine Heavens God is sitting on the dragon chair, his majestic face is full of dignity.

The many priests below stood there one by one, and their expressions were a bit complicated.

Just now, there was a strong aura vibrating in the area of Ghost Immortal Mountain, and the whole sky darkened. Nine Heavens God realized that something had happened, and immediately summoned many priests to inquire about the situation.

“Everyone!” At this time, the Nine Heavens

God looked around and said indifferently: “There was a tremor in the area of Guixian Mountain just now, what is going on, does anyone know the situation?”

No one came out to answer.

“Your Majesty!”

After a few seconds, Gong Ao slowly walked out and said respectfully, “When we arrested Guiguzi, His Majesty quoted Tianlei, causing the area of Guixian Mountain to be razed to the ground. The tremor in the area of Xianshan may be related to the thunder of the sky a few days ago, and it was caused by the residual power of the thunder.”

Hmm!

Hearing this, Jiutian God pondered for a while, nodded and said, “No matter what the situation is, you immediately lead the troops to check it out.”

Chapter 3668

“Yes, Your Majesty!” Gong Ao responded, and was about to dispatch troops to go to the Guixian Mountain area to check.

hum!

However, before Gong Ao could set off, he saw a figure coming quickly from the sky outside. The figure was tall and handsome, with a cold face, holding a Fang Tianhua halberd.

It is Yue Feng!

Swish!

At this moment, the eyes of the entire Yutian Palace converged on Yue Feng.

It's him...

Gong Ao's heart is shocked, his face is full of astonishment, this kid pretends to be His Majesty and implicates Guiguzi, how dare he appear at this time?

Thinking to himself, Gong Ao roared at Yue Feng: “Yue Feng, you are impersonating Your Majesty, and you cannot be punished for your crime. Now that the entire Divine Realm is chasing you, you still dare to throw yourself into the net?”

“If you came to confess your guilt, already it’s too late.”

Wow... the

voice fell, and the surrounding priests suddenly burst into an uproar.

Yue Feng? This person is Yue Feng who pretends to be His Majesty?

At the same time, the Nine Heavens God also had a gloomy face, and his eyes were shining brightly.

boom! Jiutian

God slammed down the dragon chair, glared at Yue Feng and scolded: “Yue Feng? You pretended to be me and fled in fear of the crime, what should be the crime?”

central.

“Nine Heavens God, I don’t want to talk nonsense.” At the center of Yutian Palace, Yue Feng stood proudly, looked at Yue Feng, and said word by word: “I just ask you, where is Mr. Guigu imprisoned by you?”

Yue Feng’s attitude made Jiutian God very annoyed, but he still said coldly: “Mr. Guigu, it’s heaven’s rule to indulge and protect you and be locked up by me. If you don’t want to continue to implicate him, immediately confess your guilt and punish him.”

As soon as the words fell, Gong Ao shouted: “Something out of order, Guiguzi concealed your whereabouts, and was punished with thunder by His Majesty. He deserved it. His Majesty didn’t kill him, it was already kind.

“

At this moment, Yue Feng’s eyes were instantly blood red, he clenched his fists tightly, and his nails were deeply embedded in the flesh!

“Heaven’s rule?” Yue Feng gritted his teeth, his anger could no longer be controlled, and glared at Gong Ao and said, “I care what heaven’s rule you are, pretending to be God of the Nine Heavens is my own business, and Mr. Guigu has nothing to do with it!”

With that said, Yue Feng turned his head to look at the God of Nine Heavens: “Let go of Mr. Guigu immediately, otherwise, I will make you pay a heavy price.” The

last sentence, like a message from hell, echoed throughout the entire Yutian Palace!

quiet!

At this moment, the entire Yutian Palace was silent.

The priests present looked at each other in dismay, all stunned.

But a few seconds later, the entire Yutian Palace burst into laughter!

“Hahaha... What did he say? He wants His Majesty to pay the price?” “Has this kid gone crazy and burnt out his brain?”

“Since the establishment of God’s Domain, this is the first time I heard someone say it in Yutian Palace. Such a thing!” When the priests said

you, I laughed, Gong Ao couldn’t help sneering, and looked at Yue Feng playfully: “Yue Feng, I have already checked your identity, it’s only human. How dare a kid be so disrespectful to His Majesty, do you know that with your Majesty’s order, your human world will be wiped out.”

When he said this, Gong Ao’s eyes were full of contempt.

At this time, Jiutian God also chuckled and said to Gong Ao: “No nonsense, just take it!”

“Yes, Your Majesty!” Gong Ao responded, and then the figure erupted and came straight towards Yue Feng .

Chapter 3669

Om!

When the figure was in the air, a powerful aura erupted from Gong Ao’s body, and at the same time summoned a long spear, stabbing at Yue Feng’s heart like lightning.

In an instant, the air in the entire Yutian Palace was distorted, and the power was amazing!

Seeing Gong Ao attacking, Yue Feng’s icy face did not fluctuate at all, and said lightly: “I was not your opponent before, but now and then.” The

voice fell, Yue Feng shouted angrily, and raised his right hand. , I saw a fiery red light burst out, directly covering Gong Ao!

good! What Yue Feng exerted was the power of the bird ancestors passed on to him by the Queen Suzaku.

Bird Ancestor’s power was unparalleled, Gong Ao was too late to react and was directly hit by Hongmang!

boom! As soon as the vibration spread, Gong Ao groaned, and his body was directly shaken out, flying more than 100 meters, and finally landed heavily on the square outside the gate of Yutian Palace.

“Pfft...” At the moment when he landed, Gong Ao’s face turned blue and white, a mouthful of blood spurted out, and he was extremely weak.

What?

This Yue Feng wounded Gong Ao in one move?

Seeing this scene, the many priests present were all stunned, dumbfounded and speechless!

You must know that Gong Ao is a highly used subordinate of the Nine Heavens God, and his strength is strong, while Yue Feng is only a human being, and he was injured in one move.

If you hadn’t seen it with your own eyes, who would have believed it?

“You...”

Gong Ao struggled to stand up at this time, looking at Yue Feng closely, his heart was also full of anger.

Impossible, this kid stole the Lingguo from Lingguo Garden a few days ago, and then he has the primordial spirit. Seeing that he only has the opportunity to escape, he has only seen him for a few days, and his strength has increased so much?

This...

And the Nine Heavens God sitting on the throne has a solemn expression.

The breath on Yue Feng’s body is very familiar, it seems to be the power of the demon clan.

“Yue Feng!” The

next second, Jiutian God looked at Yue Feng coldly: “You always explain, where did you get the power in you?”

When he said this, Jiutian God looked solemn, but he felt a little uneasy. Good foreboding.

“Want to know?”

Yue Feng smiled lightly, then jumped up and rushed into the mid-air outside, his mighty voice rolling out into the distance: “

Where are the reinforcements!” “Yes!” The

voice fell, only to hear a howl , deafening, and then, a black figure appeared in the sky not far away, coming quickly!

From a distance, it was the White Tiger King, the Colorful Lingfeng, and many other monsters, with a total of hundreds of thousands, covering the sky, and soon surrounded the Yutian Palace!

Hiss..

Seeing this scene, whether it was Gong Ao or those priests, all of them trembled in their hearts.

“Monster clan?”

“Aren’t they sealed up?”

“What’s the matter...?”

In the exclamations, Jiutian God couldn’t help but stand up and looked at the White Tiger King and was shocked. Can’t say a word.

Yue Feng was suspended in the air, Fang Tianhua halberd in his hand, bursting with light.

“Nine Heavens God!” In the

next second, Yue Feng looked directly at the Nine Heavens God: “The power in me was passed on to me by Queen Suzaku, not only that, the Baihu clan, the Xuanwu clan, and other demon clans were all subdued by me. “

Now you say, do I have the strength to stand here?”

“Hand over my master, Mr. Guigu, immediately, otherwise, I will level your imperial palace!”

Chapter 3670 The

last sentence, Yue Feng almost roared out, his eyes were red!

mad!

What a crazy tone!

Hearing this, the expressions of the priests present changed, faintly angry!

You must know that the Yutian Palace is the place where the Nine Heavens God handles affairs, which symbolizes the supremacy, and this Yue Feng, who even despised the majesty of the Nine Heavens God, and colluded with the demon clan, is simply heinous.

“Okay, very good!”

At this time, the Nine Heavens God was even more furious, glaring at Yue Feng and roaring: “You will release the demon clan from the sealed land, causing chaos in the God Realm, I will never forgive you.

” Where will it be, kill them for me, and leave none of them!”

Om! hum! hum!

The last word fell, and hundreds of thousands of divine soldiers and generals rushed toward Yutian Palace like a tide.

Huh....

At this moment, hundreds of thousands of gods and soldiers pulled out their weapons in unison, and the shocking cry resounded throughout the Yutian Palace: “Offend Your Majesty’s Tianwei, kill without mercy...”

The momentum is shocking, resounding through the sky!

Nima!

Seeing this scene, Yue Feng’s face suddenly became solemn, as expected of God’s Domain, the speed of this support is simply too fast. Jiutian God gave an order, and in an instant, hundreds of thousands of gods and soldiers came. However, Yue Feng did not panic at all, looked around, and

shouted at the White Tiger King: “The outcome of this battle is unpredictable. Are you afraid?

“

Shout, one by one is full of fighting spirit.

Trapped in the Sealed Land for nearly ten thousand years, I have long wanted to return to the Divine Realm, but I have been waiting for this day for a long time.

“Kill!”

At this moment, Yue Feng stopped talking nonsense, roared, and then grabbed Fang Tianhua halberd tightly and rushed up first.

Behind Yue Feng, the White Tiger King and hundreds of thousands of demon clans shouted out one after another, and greeted hundreds of thousands of divine soldiers and generals, and the two sides were instantly killed together!

The sound of weapons colliding and screaming constantly echoed around the Yutian Palace!

...

On the other side, the mainland of Kyushu.

The divine envoy Luo Jue formed the Heavenly Dao Alliance, and many sects joined one after another, but there were also some large sects and the royal family who refused to join.

Under such circumstances, the surface of the Kyushu rivers and lakes may seem calm, but undercurrents are surging.

A hundred miles away from the Tianmen General Altar, there is a Yuxu Peak. There is a water pool on the top of the peak.

At this time, next to Yuxu Spring, two people were sitting there cross-legged, meditating and practicing.

One is tall and the other is handsome.

It was Yue Wuya and Sun Dasheng.

Since becoming the second Sect Master of Tianmen, Yue Wuya has been practicing diligently, and his favorite place to stay is Yuxu Peak.

Wen Chou Chou and Sun Dasheng, as elders, every time Yue Wuya came to practice here, they would accompany him personally, but today Wen Chou Chou has something to do, so only Sun Dasheng accompanied Yue Wuya.

At this time, Sun Dasheng breathed a long sigh of relief, finished his practice, stood up slowly, and said to Yue Wuya, “Ya’er, it’s getting late, let’s change it back.”

After speaking, Sun Dasheng said to himself: “Brother Wen has been studying how to enter the realm of the gods for the past few days, but there is no progress at all. It’s really urgent.”

Alas!

Hearing this, Yue Wuya slowly opened her eyes, and she was also very melancholy: “Yes, that Miaoying said that her father is very likely to be trapped in the realm of the gods, but she can’t say the specifics.”

“Also, Luo Jue, the divine envoy sent by God’s Domain, has been expanding its sphere of influence since the formation of the Heavenly Dao Alliance. I heard that the Xicang Royal Family also agreed to join the Heavenly Dao Alliance. According to the situation, I am afraid that the rivers and lakes of the Kyushu Continent will all be destroyed by the Heavenly Dao. Alliance control.”

Hearing this, Sun Dasheng also sighed.

Chapter 3671

Yue Wuya is right, that Luo Jue's arrival completely broke the balance of the Kyushu rivers and lakes.

Buzz....

just as he was talking, he saw a few figures, flying quickly.

Several people dressed in uniform to serve, with the sign of Xiangyun on it, are the people of Tiandao Alliance.

The one headed by him has a treacherous look on his face.

This person is called Guo Dong. He used to be the head of a small sect. He was cunning and despicable. At that time, he joined the Heavenly Dao Alliance at the Nine Heavens Conference. Because of his smooth behavior, Luo Jue was very much used. When he got to the front, Guo Dong looked up and down at Yue Wuya

and Sun Dasheng, and showed a smile: "It turned out to be Sect Master Yue and Sect Master Sun, please leave here."

.

If Guo Dong had seen Yue Wuya and Sun Dasheng before, he would not have dared to let out the air, but at this time, as a member of the Heavenly Dao Alliance, he naturally did not take Sun Dasheng in his eyes.

"Guo Dong!"

At this moment, Sun Dasheng frowned and said angrily: "What do you mean? Didn't see me and Sect Master Yue meditating here? Hurry up and don't disturb us."

Yue Wuya next to him, With a look of indifference, he didn't even look at Guo Dong.

mad.

Hearing this, Guo Dong was very upset, but he still said patiently: "Sect Master Sun, don't be angry, it's like this, this Yuxu Peak is favored by our Lord Tianzun, and we want to build a teleportation array here, so ..."

The Tianzun in Guo Dong's mouth was Luo Jue, meaning the supreme ruler of the Tiandao Alliance.

“Go to your code!”

Sun Dasheng had a fiery temper, and he couldn't help it in an instant, and he yelled: “What is your Tianzun fancy? Are you blind? This Yuxu Peak is within the scope of Tianmen and has always been under the jurisdiction of Tianmen, how can it become your Tiandao Alliance? Where? Hurry up, or don't blame me for being rude.” The

voice fell, and Yue Wuya couldn't help but say: “Guo Dong, go back and tell you Tianzun, although our Tianmen is low-key, it's not easy to mess with.”

Uh... ..

Seeing this situation, Guo Dong's face was gloomy and uncertain, and he wanted to explode, but thinking of the strength of Sun Dasheng and Yue Wuya, he still held back.

At this moment, another figure flew up to the top of the mountain, dressed in black robes, and a powerful aura pervaded his body.

It was Luo Jue.

Today, Luo Jue is looking everywhere for a place to build a teleportation array, which is convenient for contacting the Divine Realm, but he has not been able to find a suitable place. Today, he came to Yuxu Peak. Seeing that there is a lot of spiritual energy here, he is very satisfied, so he asked Guo Dong to come to the peak for inspection. , As a result, after waiting for a while, Guo Dong did not come back to resume his life, so Luo Jue had to come up and take a look.

“Your Excellency Tianzun!”

Seeing Luo Jue, Guo Dong quickly greeted him.

Luo Jue nodded, then looked at Sun Dasheng and Yue Wuya, smiled and said, “Sect Master Sun, Sect Master Yue, stay safe.”

Sun Dasheng was too lazy to talk nonsense, and asked: “Luo Jue, this is the place of Tianmen, what do you have? Occupy power?”

“Occupy?”

Hearing this, Luo Jue was stunned for a moment, then his eyes narrowed slightly, and he said word by word: “Master Sun, what you said is very wrong, in this world, everyone Under the jurisdiction of the Nine Heavens God, even those royal families are His Majesty's human subjects, and as the messenger sent by His Majesty, I represent His Majesty the Nine Heavens God!”

“In other words, I want to occupy the total area of your Huaguo Mountain. Tan, you have to obediently let me out, understand?”

As he spoke, Luo Jue said it was an understatement, but there was no doubt about it.

What? Do you want me to give up the Huaguoshan main altar?

It's not arrogance, it's just too much bullshit.

In an instant, Sun Dasheng was burning with anger!

“Crack!”

Sun Dasheng's eyes were instantly blood red, his whole body exploded with power, and the Heaven-Opening Axe appeared in his hand!

Chapter 3672

“Okay, in that case, let me experience the strength of your divine envoy, do you have the qualifications to let me give up the Huaguoshan main altar!” After the words

fell, Sun Dasheng's mind went blank, and he chopped it with an axe!

Sun Dasheng had a bad temper, how could he bear it when facing such an arrogant Luo Jue!

hum!

In an instant, a touch of golden light came directly to Luo Jue.

Seeing the golden glow, Luo Jue's mouth curled into a trace of disdain: “I don't know what the sky is high and the earth is thick, with your strength, you dare to be wild in front of this deity.”

The moment the words fell, a powerful breath came from Luo Jue. It burst out! He raised his hand slightly.

“Clang!”

Luo Jue's palm seemed to be an understatement, but it contained the power of heaven and earth. He heard a dull sound, and the golden light instantly dissipated. Then, Sun Dasheng only felt a powerful force coming, and the whole person shook back. After several steps, his face was instantly pale!

At this time, although the strength of Sun Dasheng has reached the peak of the peak, and he also has a magical weapon such as the opening axe, Luo Jue is from the realm of the gods.

The strengths of the two sides are not comparable at all.

Whoa!

Seeing this scene, the surrounding Guo Dong and others were extremely excited.

At the same time, Guo Dong did not forget to mock at Sun Dasheng: "Sun Dasheng, just show off your ability in front of me, and dare to challenge our Lord Tianzun? It's just looking for death."

Nima...

heard At these words, Sun Dasheng was furious and shouted: "Come again!"

The words fell, and Sun Dasheng held the opening axe tightly and charged towards Luo Jue again.

"It's too much!"

Luo Jue snorted coldly, raised his hand slowly, and saw the spiritual energy of heaven and earth around Yuxu Peak, quickly gathering around him, the next second, a flame jumped out of his palm, tumbling up and down , In an instant, the surrounding air was instantly distorted by the high temperature.

It is the blazing flames that only God's Domain has.

Feeling the scorching temperature of the blazing fire, Sun Dasheng's heart trembled.

"Uncle Great Sage!"

Seeing this scene, Yue Wuya's face changed greatly, and then he stimulated his inner strength and waved in the air to form a protective barrier, blocking Sun Dasheng!

boom!

In the blink of an eye, the flames burst out, slammed into the barrier fiercely, and a loud noise erupted, terrifying heat swept away, and the entire Yuxuquan seemed to be on fire.

That protective film also shattered instantly, Yue Wuya and Sun Dasheng were directly shaken and flew out, flying more than ten meters away, and fell on the edge of Yuxu Peak.

Mad!

Yue Wuya spat out a mouthful of blood, stood up quickly, glared at Luo Jue, and was secretly shocked.

powerful!

As expected from God's Domain, this Luo Jue's strength is too terrifying.

Sun Dasheng was also pale and very embarrassed.

"Going against God's Domain is self-destruction!" Luo Jue glanced proudly at Yue Wuya and Sun Dasheng, and said lightly: "I will say it for the last time, starting from today, you are not allowed to take another step on Yuxu Peak, otherwise, there will be consequences. Be conceited." When the

voice fell, Luo Jue greeted Guo Dong and the others and prepared to leave.

"Cao Nima!"

However, before taking two steps, he heard Sun Dasheng's roar. At that time, he didn't know where the strength came from. He held the opening axe tightly and charged towards Luo Jue again.

Sun Dasheng has a hot personality, and he has been walking around the world for so long. When has he suffered such a useless feeling?

Chapter 3673

"Great Sage Uncle!"

Seeing this scene, Yue Wuya was so anxious that he couldn't help shouting.

This Luo Jue is so powerful, but the great saint uncle is provoking one after another. Isn't this self-inflicted humiliation?

Yue Wuya shouted, and was about to rush up to stop Sun Dasheng, but he was still a step too late.

boom!

Seeing the figures of Sun Dasheng and Luo Jue collide, there was a loud noise, and then, Sun Dasheng looked miserable and stepped back.

"Uncle Great Sage, don't be impulsive!" Yue Wuya was sweating profusely and couldn't help shouting.

The Great Saint Uncle's temper is so hot, he knows he can't beat him, but he has to fight!

"Y'er, the Heavenly Dao Alliance is so deceiving that they don't take us seriously at all. If we back down today, they will be even more aggressive!" Sun Dasheng's eyes were blood red, and he couldn't help howling loudly.

call!

Hearing this, Yue Wuya took a deep breath and fell silent.

Yes, this Tiandao Alliance, today occupying Yuxu Peak, tomorrow will occupy the Tianmen main altar, if it blindly retreats, where will Tianmen and Huaguoshan still have a foothold? Thinking to himself, Yue

Wuya held the Overlord Hammer tightly and said loudly: "Okay, Uncle Great Sage, I will help you, and today I will teach you a lesson to the messenger from this God's Domain!"

It exploded and came directly towards Luo Jue!

hum!

In an instant, the two exploded their inner strength at the same time, the surrounding air suddenly distorted, and two powerful breaths directly locked Luo Jue, with astonishing power!

However, there was a hint of arrogance at the corner of Luo Jue's mouth: "Come together? Very good!" When the

voice fell, Luo Jue raised his hand and waved, and two rays of light burst out, welcoming Sun Dasheng and Yue Wuya respectively.

Boom!

Feeling the terrifying power contained in the light, Yue Wuya and Sun Dasheng looked at each other, and then they were about to dodge, but they were still a step behind! The body was directly hit by the light, and immediately, the two groaned and fell towards the bottom.

"Pfft..."

After landing, Yue Wuya spit out a mouthful of blood before he could stand still!

Sun Dasheng staggered back a few steps. Although he didn't spurt blood, his face was pale, and he was obviously not seriously injured.

“Sun Dasheng!”

At this time, Luo Jue looked at Sun Dasheng up and down, his eyes flashed with a touch of brilliance, and he said word by word: “I will give you a chance, if you are willing to merge Huaguo Mountain into the Tiandao Alliance, I can forget about it. Unpleasant.”

When he said this, Luo Jue’s tone was indifferent, but there was no doubt.

In Luo Jue’s heart, Sun Dasheng is a very difficult thorn to deal with, and he also has the axe weapon. Since he has torn his face today, he will take this opportunity to take him down, otherwise, there will be endless troubles.

“Bah...”

Sun Dasheng sneered, without hesitation, he spit at the ground in front of Luo Jue.

“You are courting death!”

Sun Dasheng’s attitude completely angered Luo Jue.

Click!

When the words fell, Luo Jue stopped talking nonsense, slowly raised his right hand, and saw a strange long sword in his hand.

This long sword is extremely sharp on one side, and the other side is full of serrations, with a golden halo flowing on it.

This sword is Luo Jue’s personal weapon, called Tianjue Sword. It was given to Luo Jue by God in the Nine Heavens in those days.

Huhuhu...

As soon as the sword came out, the surrounding wind suddenly whistled, and the temperature in the air dropped a lot in an instant.

Nima!

Seeing this scene, Yue Wuya clenched his fists and broke into a cold sweat for Sun Dasheng.

Chapter 3674

Luo Jue’s understated move just now, he and the Great Sage Uncle couldn’t stop it. At this time, Luo Jue showed his weapon, I was afraid that the Great Sage Uncle would be in danger.

call!

Feeling the fighting spirit permeating Luo Jue's body, Sun Dasheng couldn't help but take a deep breath. Cold sweat broke out on his forehead, but his face was still full of rebelliousness.

Mad, even if he were to die today, he would not bow his head to him.

hum!

Luo Jue didn't talk nonsense. With a strong wave, he heard a whistling sound that stunned the heavens and the earth. It came from the Heavenly Jue Sword. Then, a dazzling ray of light ripped apart the world and came straight to Sun Dasheng.

Seeing this scene, Yue Wuya really wanted to come and help, but he was injured by Luo Jue just now.

bring it on!

Sun Dasheng's eyes were blood red, and instead of retreating, he advanced, and he completely burst out the power of the whole body, condensing on the opening axe, trying to resist Luo Jue's attack.

hum.

Just saw the opening axe, after Sun Dasheng injected his inner power, a golden light burst out, illuminating the world.

Bang!

The next second, Luo Jue's burst of light slammed into the opening axe, and saw the power of the opening axe instantly dissipated. Then, when he heard Sun Dasheng let out a muffled groan, the whole person was shocked and flew out. It flew more than 100 meters before falling heavily to the ground.

Sun Dasheng's strength is at the peak in the Kyushu Continent, but facing Luo Jue, it is still a lot worse. During the fierce battle just now, Sun Dasheng was already shocked. At this time, facing Luo Jue's weapons, he was completely unable to stop him.

After all, Luo Jue was sent by Jiutian God, and his strength was much stronger than Jiutian Xuannv.

"Great Saint Uncle!"

Seeing this scene, Yue Wuya's eyes were bloodshot, and he couldn't help shouting. At the same time, he wanted to rush over to check Sun Dasheng's injury, but his body was too weak to stand up.

"Sun Dasheng"

At this moment, Luo Jue stared at Sun Dasheng closely, with a proud tone in his tone: "Isn't it very powerful just now, just a few tricks will not work?" As he

said, Luo Jue clenched the Tianjue sword tightly, slowly walked towards Sun Dasheng.

A strong breath permeated the whole world.

"I'll give you one last chance to bring Huaguo Mountain and merge into my Heavenly Dao Alliance." Luo Jue said coldly when he got there.

"Haha..."

Hearing this, Sun Dasheng laughed in the sky, his eyes full of determination: "The person who made my Dasheng submissive soft has not yet been born, just because you are a little messenger, you want me to admit defeat? Dream about it."

"I really want me to surrender and ask your Nine Heavens to come in person." When the last sentence was shouted, Sun Dasheng's face was full of madness.

Swish!

Hearing this, Luo Jue's eyes flashed with a strong killing intent: "Okay, since you are so stubborn, then I will die as you wish

!

" Luo Jue mobilized his divine power, and a terrifying sword shadow erupted from the Tianjue Sword in his hand, like a bolt of lightning, coming straight towards Sun Dasheng.

At this time, Luo Jue was completely impatient, and what made him extremely angry was that Sun Dasheng, who was in front of him, even called the Nine Heavens God's name, which was simply intolerable.

It is completely disrespectful to directly call the Nine Heavens God's name, and must be killed.

Ha ha...

Seeing this scene, several Guo Dong not far away were extremely proud, and their eyes were full of ridicule and indifference.

This Great Sage Sun, relying on himself as the head of Huaguo Mountain and his relationship with Tianmen, was arrogant and arrogant, and he was killed by Luo Jue at this time, which was completely deserved.

Mad!

Seeing Luo Jue's sword shadow erupting again, Sun Dasheng clenched his fists tightly, without the slightest panic, only unwilling in his heart.

Did it die like that? I'm so unhappy.

Chapter 3675

"Great Sage Uncle!"

At the same time, Yue Wuya also shouted and rushed forward without hesitation, trying to present this sword shadow, but that sword shadow was too fast, rubbing Yue Wuya's side, can't stop it at all.

hum!

Seeing that Sun Dasheng was about to be split in half by the sword shadow, suddenly, a powerful breath came from not far away, followed by a petite and slender figure that appeared in front of everyone.

Wearing a light pink short skirt, she is a bit playful and cute, with finely carved jade-like facial features, which is lovable, but her whole body is filled with a strong aura.

It was Xiao Xi.

During this time, Xiao Xi has been in retreat and practice in the Ouyang family. Today is the day to go out. Half an hour ago, I learned that Yue Wuya and Sun Dasheng were meditating in Yuxu Peak. When he arrived, he saw that Luo Jue was shooting against Sun Dasheng.

In Xiao Xi's heart, Sun Dasheng is Yue Feng's sworn brother, how can he watch him have an accident?

Whoa!

As soon as Xiao Xi appeared, whether it was Luo Jue or Guo Dong and others not far away, they were all stunned.

Afterwards, Guo Dong reacted a few times and looked at Xiao Xi without blinking, his eyes were straight.

Such a petite and delicate beauty.

But... the breath that pervades this body is so strong.

Um?

A few seconds later, Luo Jue reacted, frowning at Xiao Xi, indescribably surprised.

This.... the power of this woman is not the power of human beings, it seems to be the power of Qinglong...

Bang!

Just when Luo Jue was muttering in secret, he saw Xiao Xi raised his hand and waved, and a force burst out. In an instant, he met the sword shadow displayed by Luo Jue, and he heard a shock, and the sword shadow collapsed. trace.

“Little aunt...”

Seeing this scene, Yue Wuya was surprised and delighted, and couldn't help but shout. Although Xiao Xi appeared to be Yue Feng's personal maid, she was actually Yue Feng's confidante. According to her seniority, Yue Wuya naturally called her aunt.

At the same time, Sun Dasheng wiped the cold sweat from his forehead, and laughed at Xiao Xi: “Haha, Xiao Xi, you came in time, otherwise, my life will be explained.”

Saying this At the time, Sun Dasheng was extremely relaxed.

You must know that in the Ouyang family, Xiao Xi's strength is the strongest. After all, she has the power of the Shenlong family in her body, which is not comparable to human practitioners.

Hearing the words of Sun Dasheng and Yue Wuya, Xiao Xi smiled lightly and said, “Brother Dasheng, Ya'er, don't worry, no one can hurt you when I am here today.” When the words

fell, Xiao Xi looked up and down Luo. absolutely.

“You're not ashamed, just because you are a woman, you want to keep them?”

Facing Xiao Xi's gaze, Luo Jue was too lazy to talk nonsense, his body exploded with divine power, a figure burst out, and slapped Xiao Xi with a palm.

In Luo Jue's heart, no matter what the relationship between this woman and the Qinglong clan is, since he dares to stop himself from killing Dasheng Sun, he must get rid of it together.

call!

Seeing Luo Jue burst out, Xiao Xi did not panic at all, bit her lip lightly, raised her jade hand and attacked.

Bang!

In the next second, the two palms collided, and Luo Jue only felt an overwhelming force coming from the mountains, and, in this force, contained the terrifying power of the Azure Dragon, Luo Jue groaned and stepped back a dozen times. step.

After stabilizing his figure, Luo Jue looked at Xiao Xi in shock and anger, and said coldly, "What is the relationship between you and the Qinglong family?" The

Qinglong family?

The ultimate husband in Chinese chapter 3676-3680

Chapter 3676 Xiaoxi

frowned and responded lightly: "What is the Qinglong family? You are talking about the Shenlong family, right? Tell you, the patriarch of the Shenlong family, Xiandi, is my sister."

What?

Hearing this, Luo Jue was shocked.

The woman in front of her turned out to be the younger sister of the patriarch of the Qinglong clan. No wonder she was so strong.

At the same time, Luo Jue's mood also became complicated. You must know that ten thousand years ago, the God Realm launched a war of gods. At that time, the Qinglong family knew that they were not opponents of the God Realm and were forced to flee to the human world. In other words, the Qinglong family came thousands of years ago. She has been huddled on Shenlong Island, and she was in such a situation that she was harmed by the gods.

As the messenger of God's Domain, Luo Jue's relationship with Xiao Xi is a feud. At this moment, Xiao Xi

turned to Luo Jue and asked, "Who are you? Why do you want to attack Sun Dasheng?" This... Luo Jue hesitated, not knowing how to answer for a while. If he revealed his identity, it must be an endless situation. After all, the Azure Dragon Clan and the Divine Realm are mortal enemies. "Little aunt!" At this moment, seeing Luo Jue's delay in answering, Yue Wuya couldn't help but say: "His name is Luo Jue, he is an emissary from the Divine Realm, recently established the Heavenly Dao Alliance, to force the Great Sage Uncle's Huaguoshan joins..." In the next minute, Yue Wuya explained the specific situation. Oops! Seeing this situation, Luo Jue's heart was shocked, and he was a little anxious. He originally wanted to perfunctory Xiaoxi, and then made an excuse to leave. After all, the grievances between the Divine Realm and the Qinglong family cannot be solved by himself, but he did not expect that Yue Wuya would tell his identity before he even opened his mouth. come out.

Holy area?

Hearing this, Xiao Xi's delicate face showed a bit of confusion: "Isn't God's Domain a legendary place? It actually exists..."

In Xiao Xi's heart, God's Domain is illusory, and only exists in mythology. Later, Xiao Xi's soul was attached to the dragon egg and became Xian Di's sister, but because of her young age, Xian Di never told her about the grievances between the Dragon Clan and the Divine Realm.

And Long Xiang'er, who has always protected Xiao Xi closely, never mentioned it.

In this case, Xiao Xi's cognition of God's Domain has been stuck in the concept of childhood.

Huh....

Hearing Xiao Xi's words, Luo Jue was stunned for a moment, and then secretly heaved a sigh of relief.

Looking at the situation, this woman does not seem to know the grievances between the Qinglong clan and the Divine Realm. Since this is the case, it will be easier to handle.

This chapter is provided by . Visit for daily update.

"Is Luo Jue?"

At this moment, Xiao Xi looked at Luo Jue and said seriously: "Since you are an emissary sent by God's Domain, you have to maintain the peace of the rivers and lakes in the Kyushu continent, why do you still forcibly occupy the place where you are being attacked? What?"

"This..."

Luo Jue scratched his head with an embarrassed look on his face, and said with a wry smile, "This is a complete misunderstanding..."

After saying that, Luo Jue glanced at Sun Dasheng and continued: "It may be something, I didn't make it clear to this Sect Master Sun. Take Yuxu Peak as an example, we are not occupying it, but borrowing it to build a teleportation formation, so that it is convenient to connect with God

's Domain..." When he said this, Luo Jue's face was very polite, and he was completely different from the cold and arrogant look just now.

Speaking of which, Luo Jue didn't want to let go of his posture, but he had no choice. Xiao Xi in front of him was too powerful. If he really wanted to fight, Luo Jue was not sure at all.

Mad!

Seeing this scene, Sun Dasheng sneered and cursed in his heart.

This Luo Jue is really a villain. When he encounters a strong person, he uses iron and blood methods. When he encounters someone who cannot be beaten, he changes his face.

Yue Wuya, who was next to him, looked at Luo Jue with a bit of contempt.

Chapter 3677

However, Xiao Xi nodded suddenly: "So that's the case."

Xiao Xi's mind is simple, and she didn't realize that Luo Jue in front of her was just perfunctory.

"Little aunt!"

Seeing that Xiao Xi believed, Yue Wuya suddenly became anxious and couldn't help saying: "Don't believe him, this Luo Jue is very deep."

Hearing this, Xiao Xi frowned and then looked at Luo Jue. : "Is that so?"

Damn....

Seeing this scene, Luo Jue was very suffocated. With Yue Wuya and Sun Dasheng around, I'm afraid it will be difficult to deceive this woman.

While muttering in his heart, Luo Jue smiled at Xiao Xi and said, "I am an envoy specially sent by the Nine Heavens to Kyushu. How could I lie? It was indeed a misunderstanding just now."

After speaking, Luo Jue looked at Yue Wuya again. : "I can only say that this Sect Master Yue is too prejudiced against me."

Haha...

Yue Wuya stopped talking, sneered secretly, and then thought of something and whispered to Xiao Xi: "Little aunt, look at the situation. , this Luo Jue is very afraid of the dragon clan behind you, in this case, you can ask him if he can help find my father."

Yue Wuya's voice was so small that only Xiao Xi could hear it.

What?

At this moment, Xiao Xi's delicate body trembled, her heart was inexplicably excited and excited, and she looked closely at Yue Wuya: "Your father? Does the son have any news?" Although Xiao Xi is now the sister of the Dragon Clan's patriarch, her identity is not the same. From the past, but still used to call Yue Feng the son.

Because Xiao Xi knew that without Yue Feng back then, she might still be a little beggar in Dongao Continent. No matter how noble her status became, Yue Feng would always be her son.

call!

Seeing Xiao Xi's excited look, Yue Wuya nodded: "Yes, three days ago, Miss Miaoying, who was involved in the vortex of chaos with her father, suddenly came back, and said that her father was not dead, but was trapped in the vortex of chaos. God's Domain..."

In the next few minutes, Yue Wuya explained in detail what happened to Miao Ying at that time.

Great!

The son is not dead, the son is not dead....

Knowing the situation, Xiao Xi was so excited that tears of joy flashed in her eyes.

For three years, for three whole years, I have always guarded the Ouyang family, firmly believing that Yue Feng is not dead, and will definitely come back one day.

"Little aunt!"

Seeing Xiao Xi's happy appearance, Yue Wuya's mood was also much better, but thinking of the situation in front of him, he said seriously: "This Luo Jue in front of me is an emissary from God's Domain, and he will definitely be able to find his father.

" Since he is so polite to you, why don't you let him help..."

Yue Wuya's tone was complicated when he said this.

You know, when he heard the news about Yue Feng from Miao Ying, Sun Dasheng proposed to ask Luo Jue, but was stopped by Wen Chou Chou, because Luo Jue had a special identity and Yue Feng had trespassed into the Divine Realm. If you rashly tell Luo Jue the situation, it may backfire.

Yue Wuya also thought so. And at this time, seeing Luo Juehui and Xiaoxi being so polite, Yue Wuya decided to give it a try.

Um!

Hearing this, Xiao Xi nodded without thinking.

As long as the young master can come back safely, he will do anything.

call!

At this time, Luo Jue, who was standing opposite, saw Yue Wuya and Xiao Xi have been talking in a low voice, and he was also muttering in his heart.

Sect Master Yue, what are you talking about with this woman?

You're not discussing how to deal with me, are you?

"Your Majesty!"

Chapter 3678

Just when Luo Jue was muttering secretly, he saw Xiao Xi walking slowly, with a gentle face, and said softly, "Since you are from God's Domain, can you do me a favor?"

" At that time, Xiao Xi looked serious, and her eyes flashed with anticipation.

help?

Hearing this, Luo Jue was stunned. The woman in front of her is the younger sister of the Dragon Clan Patriarch. She has an extraordinary position and is tyrannical, so she still needs to help herself?

At the same time, Luo Jue also secretly breathed a sigh of relief.

Since the other party has asked for help, they should not be able to do it with themselves.

Thinking to himself, Luo Jue showed a smile: “Okay, what do you want me to do?”

Seeing that he didn't refuse, Xiao Xi suddenly got excited and said quickly: “I'm a very good friend, his name is Yue Feng. , I accidentally broke into the God's Domain, and I was going to return to the Kyushu Continent. I have received it for a long time, and there is no news from him, I want to ask your Excellency God Envoy to help me find it, can you?”

What?

At this moment, Luo Jue's face changed, and he froze there, only feeling his brain buzzing.

A human, actually broke into the realm of the gods privately?

This is against the rules of heaven and should be punished.

At the same time, Luo Jue also thought that Xiao Xi was a bit ridiculous, knowing that he was the messenger of God's Domain, but still had to help him find someone... It was really interesting.

However, Luo never showed these mental activities.

At this time, Luo Jue heard of Yue Feng for the first time, because when he was dispatched to Kyushu, Yue Feng's impersonation of Jiutian God had not been exposed.

A few seconds later, Luo Jue reacted and hesitated: “This, this...”

Seeing Luo Jue's expression of embarrassment, Xiao Xi suddenly became anxious, and hurriedly said: “Your Excellency God, as long as you help me find Yue Feng, you will be my benefactor in the future, and I must be grateful.”

As long as Yue Feng can return safely, Xiao Xi will not even have to die.

“Xiao Xi!”

At this moment, Sun Dasheng, who was not far away, couldn't help shouting: “Why are you begging him? Fengzi is auspicious person, there will be no problem, even if we want to find Fengzi, we don't need to. He helped.”

When he said this, Sun Dasheng glared at Luo Jue, unable to hide his hostility.

Mad, just now, he almost died at the hands of this Luo Jue.

Xiao Xi bit her lip and didn't respond.

Yue Wuya was both angry and funny, and couldn't help but say, "Uncle Great Sage, don't say a word..."

Speaking of which, Yue Wuya didn't have the slightest affection for Luo Jue, but anyway, the other party's The identity is the messenger of God's Domain. As long as he is willing to help, he will be sure to find his father.

Hearing Yue Wuya's words, Sun Dasheng was still annoyed, but he still closed his mouth.

At this time, Xiao Xi looked at Luo Jue closely, with a very sincere attitude: "Your Excellency God, please."

As soon as the voice fell, Guo Dong walked over quickly and whispered to Luo Jue: "Tianzun, You can't agree to this. You don't know that Yue Feng is even more difficult to deal with than Dasheng Sun. If you help them find Yue Feng and bring them back safely, the situation in Kyushu will definitely be rewritten."

"More importantly, the existence of Yue Feng, It will hinder the development of our Tiandao Alliance."

When he said this, Guo Dong's face was serious, but his eyes flashed with insidiousness.

Back then, when Yue Feng was still around, Tianmen had been rectifying the order of the rivers and lakes, especially the unprincipled sects like Guo Dong, who were the targets of Tianmen's suppression. It can be said that Guo Dong hates and fears Yue Feng, how could Yue Feng return to Kyushu?

Um!

Hearing this, Luo Jue nodded thoughtfully.

The next second, Luo Jue showed a smile, looked at Xiao Xi and said, "Since the girl is so sincere, then I will promise you."

Chapter 3679

Great!

Seeing Luo Jue's promise, Xiao Xi was overwhelmed with excitement, her smile was like a flower, and she was very cute.

Yue Wuya next to him also felt relieved.

Although he was a little unhappy with Luo Jue just now, the other party promised to help find his father, indicating that this Luo Jue is still worth paying.

What?

On the other hand, Guo Dong, who was next to him, was dumbfounded.

Why did Tianzun agree?

Thinking to himself, Guo Dong was so anxious that he couldn't help but said to Luo Jue: "Tianzun, this can't be agreed..." Luo Jue interrupted before he finished speaking.

"Shut up for me, I'm talking to this dragon girl, where is your turn to interrupt?" Luo Jue's face was gloomy, and he scolded coldly: "It's my business to promise to help, what do you have? Relationship? Do you still want to influence my decision?" The

voice was stern and full of aura.

Seeing Luo Jue's anger, Guo Dong was terrified, and quickly said, "My subordinates don't dare, I don't dare..." As he spoke, he stepped aside.

"Haha..."

Luo Jue turned his head and smiled at Xiao Xi: "My subordinates don't know the etiquette, I made you laugh."

At this time, Xiao Xi, in a happy mood, shook his head and said, "Where, tell me Thank you."

Luo Jue nodded, then thought of something, and smiled awkwardly: "I have no problem with helping you find Yue Feng's whereabouts, but I also have something to do, I hope the girl can do it."

When he said this, Luo Jue looked indifferent, but there was a bit of cunning in his eyes.

"What's the matter?"

Xiao Xi said without thinking, in her heart, as long as the other party can help find the son, not to mention one condition, ten conditions, there is no problem.

"It's like this..."

Luo Jue took a deep breath, with a fake look on his face: "The Qinglong family is the first of the four innate spirit beasts. It's a pity that the Qinglong family has been living in seclusion in the human world thousands of years ago."

"It's an honor to meet the girl today, so I want to ask the girl to take me to your habitat and meet your Qinglong family. Patriarch, let me give up my wish." What

he said was extremely sincere, but when he said it, Luo Jue had been observing the changes in Xiao Xi's expression.

To be honest, Luo Jue looked relaxed at this time, but he was actually very nervous.

Yes, Luo Jue is going to take a gamble.

For thousands of years, God's Domain has been exploring the hiding place of the Qinglong family, but they have failed. At this time, the younger sister of the Qinglong family in front of her didn't even know the grievances between her tribe and God's Domain. Luo Jue knew that she had made great contributions. The opportunity has come.

Luo Jue's plan is very simple, let Xiaoxi take him to the hiding place of the Qinglong family, and after knowing the place, he will find a way to capture all the Qinglong family.

As long as he catches the Qinglong family, he will make a great contribution. At that time, the Nine Heavens God will be seriously injured.

This...

Seeing the sincerity on Luo Jue's face, Xiao Xi was stunned, and then hesitated: "This..."

Although Xiao Xi didn't know the grievances between the Qinglong family and God's Domain, but before leaving Shenlong Island, Xian Di once specially explained that the location of Shenlong Island must not be leaked.

At this time, the messenger of the Divine Realm in front of him actually wanted to take him to Shenlong Island by himself. How could this be possible?

But if they don't agree, the other party will not try their best to help find the son.

For a time, Xiao Xi frowned and hesitated.

call!

Seeing Xiao Xi's expression, Luo Jue breathed a sigh of relief, smiled and said, "Girl, does my condition make you embarrassed?"

Chapter 3680

Luo Jue at this time is relaxed on the surface, but a little uneasy in his heart.

If the other party doesn't agree, it will be embarrassing.

Xiao Xi quickly shook her head: "No, I just need to think about it."

When she said this, Xiao Xi thought of Long Xiang'er. If only Long Xiang'er was by her side, she could also give herself a suggestion, but it's a pity. When he was in retreat in the Ouyang family, Long Xiang'er returned to Shenlong Island and reported the situation to Xiandi.

Thinking to herself, Xiao Xi made up her mind and said to Luo Jue, "Your Excellency, God Envoy, let's do it, you give me two days to think about it. I'll go to Tiandao Alliance to find you directly, how about that?"

"Okay. , good!"

Originally Luo Jue was still a little worried, but when he heard Xiao Xi say this, he immediately smiled: "Then I'll be waiting for the girl in the Tiandao League." After saying that, he greeted Guo Dong and the others to leave.

"Xiao Xi!"

As soon as his forefoot left, Sun Dasheng came over with a displeased expression: "Are you really going to take this Luo Jue to the habitat of the Dragon Clan?"

Xiao Xi shook her head and watched Luo Jue leave. She softly said: "I'm not sure, because my sister said that the location of Shenlong Island cannot be easily told to others. That's why I didn't promise him immediately."

"Let's go back first, wait for Long Xiang'er to come back, Listen to her opinion."

After saying this, Xiao Xi checked Sun Dasheng's injury, knowing that he was only injured by a shock and that there was no serious problem, Xiao Xi was relieved.

Afterwards, Xiao Xi, Yue Wuya, and Sun Dasheng left Yuxu Peak and returned to the Ouyang family.

....

on the other side.

Luo Jue took several Guo Dong and quickly rushed towards the main altar of the Tiandao Alliance.

Along the way, Guo Dong became more and more confused, and couldn't understand why Luo Jue was so polite to Xiao Xi.

"Tianzun."

Finally, Guo Dong couldn't bear it any longer and asked: "Then Dasheng Sun is so arrogant, why did Your Excellency Tianzun spare him? No matter how strong the woman named Xiaoxi is, Tianzun, you are from God's Domain."

Luo Jue said angrily, "What do you know? I'm talking about retreating as advance. If I don't stabilize them first, how can I catch them all in one go?"

Huh...

Hearing this, Guo Dong thought for a while, and suddenly laughed: "I seem to understand."

Luo Jue was too lazy to talk nonsense, and waved his hand: "Stop talking nonsense, immediately send an order to let everyone come to the main altar to gather, I have something important to announce."

"Yes, Your Excellency Tianzun!" Guo Dong hurriedly Agreed, and proceeded to do it.

Half an hour later, the main hall of the Tiandao Alliance.

In the main hall, there are several rows of seats, with nearly a hundred seats. At this time, the seats are full of people, all of them are the heads of various sects who have joined the Tiandao Alliance, as well as the heads of various forces.

On the innermost throne, Luo Jue sat there in a black robe, his expression was indifferent, he was not angry and mighty, and the aura of Tianzun was full of expression.

On both sides of Luo Jue, there are eight seats, on which sit eight slender and charming figures, all wearing long skirts, with graceful figures and full of fairy spirit.

It is the eight saintess Huanxiang and Ziyan.

Suddenly summoned by Luo Jue, the people present did not dare to speak rashly under unknown circumstances.

And Huanxiang and Ziyan are also secretly suspicious.

Suddenly, Luo Jue gathered so many people together, what was he going to do?

For a while, the entire hall was silent.

“Everyone!”

Finally, Luo Jue cleared his throat and said with a smile: “There is an important matter in calling you here this time. This matter is not only related to the rise and fall of the Tiandao Alliance, but also to each of you. personal honor.”

The ultimate husband in Chinese chapter 3681-3690

Chapter 3681

Wow!

Hearing this, the entire hall was in an uproar, and everyone looked at each other, inexplicably excited.

It is certainly not a trivial matter that is related to everyone's honor and disgrace.

Later, in the crowd, I don't know who couldn't help but ask: "Your Excellency Tianzun, what's the matter?"

Luo Jue showed a smile and said slowly: "I'm going to start a war and let the Heavenly Dao Alliance spread its power in the world of Kyushu. "

War?

Hearing this word, many people were shocked.

In the next second, the entire hall was discussing.

"Tianzun is finally going to take action."

"Yeah, at the Kyushu Conference at that time, those big sects were disdainful of Tianzun, very hateful. Especially Tianmen, Huaguoshan..."

"Yes, Tianmen It's time to give them some color with Huaguoshan and other sects."

In the hearts of everyone, they thought Luo Jue was going to deal with Tianmen and Huaguoshan and other major sects. After all, at the Kyushu Conference at that time, the sects of Tianmen and Huaguoshan did not take Luo Jue seriously.

Everyone's discussion kept coming, but the eight saintess Zi Yan and Huanxiang were secretly anxious.

If Luo Jue was going to deal with Tianmen, it would be troublesome.

"Tianzun!"

This chapter is provided by . Visit [for](#) daily update.

Finally, Huanxiang couldn't help it, and asked Luo Jue, "Are you going to do something to Tianmen? I don't think it's right. Since Tianmen was established, it has always held the belief of punishing evil and promoting good. , to benefit the rivers and lakes, and

safeguard the justice of the rivers and lakes, if we rashly take action against Tianmen, the fundamental teacher will be unknown.”

When the words fell, Zi Yan also said: “Yes, the purpose of our Tiandao Alliance is to maintain the balance of the rivers and lakes, and rashly initiate disputes, I am afraid that public opinion will be lost.”

At the same time, the other six saintess also nodded. go along.

Like everyone else, the eight saintess also thought that Luo Jue was going to deal with Tianmen.

call!

Hearing this, Luo Jue took a deep breath and his face became gloomy: “Huanxiang, Ziyan, don’t forget your identities, you Nine Heavens Saintess, from the God’s Domain, naturally everything must be subject to the rules of the God’s Domain.

” Besides, I didn’t say that I was shooting at Tianmen, why are you all excited?” The words were slow and slow, but full of aura.

Not to deal with Tianmen?

At this moment, Huanxiang and Ziyan’s expressions suddenly softened a lot.

“Okay!”

At this time, Luo Jue slowly stood up and said seriously: “I won’t play dumb riddles anymore. This time, the goal of our Heavenly Dao Alliance is not the Jianghu faction, but the Qinglong family.”

What?

Hearing the last four words, the entire hall was instantly silent, and everyone was stunned.

Especially the heads of the sects below, their eyes widened, thinking that they heard it wrong.

Qing.... Qinglong clan?

At the same time, the eight saintess Huanxiang and Ziyan also trembled.

Looking at the expressions of everyone, Luo Jue chuckled and said slowly: "You don't have to guess, the Qinglong family is the Shenlong family that you mentioned in the Kyushu continent."

"Perhaps you still don't know that tens of thousands of years ago, the Qinglong clan and other monster clans openly fought against the God Realm. At that time, the God Realm launched a divine war and sealed up all the monster clans. Only the Qinglong clan escaped and hid in the Kyushu continent."

"Just recently, I have the whereabouts of the Qinglong clan. When I find their habitat, I must capture all the Qinglong clan. Since you are a member of the Tiandao Alliance, you have the responsibility to cooperate with me and obey my dispatch, understand. Is that right?"

Luo Jue looked righteous when he said this.

Huanxiang, who was sitting on both sides, and the eight saintess Zi Yan also had indifferent expressions. As a member of the Divine Realm, of course they knew the grievances between the Qinglong family and the Divine Realm.

Wow...

Knowing these circumstances, the entire hall was once again in an uproar, and many people were talking about it.

"It's no wonder that there will be dragons in our Kyushu. It turned out to be escaping from the realm of the gods."

Chapter 3682

"I really didn't expect that this dragon family has disappeared for thousands of years, and it can still be found by Tianzun.... Admired." During the

discussion, many voices complimented Luo felt, but there were also many people, frowning, Eyes are complicated.

"Your Excellency Tianzun!"

Finally, I don't know who shouted: "This Qinglong family is powerful and has the power to destroy the sky and destroy the earth. Can we fight together with our sects?" The

voice fell, and many people rushed nod.

"Yeah, I'm afraid it will be destroyed by the dragon clan before it gets close."

"Your Excellency Tianzun, this is no trivial matter, you have to think twice." In the

discussion, the eight saintess Huanxiang and Ziyang also have beautiful eyebrows. Locked tightly, looking dignified.

Because everyone said it well, the Qinglong clan is very powerful, Luo Jue rashly launched a war, the odds of winning are not big.

Hehe...

Hearing these words, Luo Jue smiled slightly, with a confident look: "You don't need to worry, I won't let you and the Qinglong family face head-to-head, and then you just need to follow my instructions."

As long as you unite as one and listen to the dispatch, this battle will be won."

"When the Qinglong clan is captured, I promise that every sect present will be assigned a dragon spirit beast."

Dragon spirit beast?

Hearing the last sentence, everyone in the hall was extremely excited and excited, and their eyes flashed with scorching rays of light.

You must know that dragon spirit beasts are the most powerful spirit beasts of countless people in the world. Three years ago, when Yue Feng showed his dragon spirit beast, he did not know how many people envied him.

And now, Luo Jue promises everyone that as long as the Qinglong family is captured, they will be divided into dragon spirit beasts. Can you not be excited?

This is simply a great benefit.

Under the excitement, someone immediately knelt down towards Luo Jue and said loudly: "Tianzun, don't worry, we will fully cooperate with

Fengleitang." Wow... The

voice fell, and the others knelt down one after another, loudly expressing their loyalty.

"And us..."

"We must unite as one, cooperate with Tianzun, and capture all the Qinglong clan." The momentum was shaking, echoing in the hall.

"Okay, very good!"

Seeing this scene, Luo Jue smiled and nodded approvingly: "Everyone, please get up and help God Realm capture the Qinglong family, you are the great heroes of God Realm, when the time comes, everyone will have a share in the reward. ."

After saying this, Luo Jue looked proud.

call!

Seeing this scene, the eight saintess Huanxiang and Ziyan all looked solemn.

For some reason, they always felt that Luo Jue's actions were a little too hasty.

"Okay!"

At this moment, Luo Jue looked around and said seriously: "From now on, you can go back to select the elites and be dispatched at any time.

" leave one after another.

At this time, Luo Jue stepped down from the throne and said to the eight saintess of Huanxiang: "Several saints, you should also prepare for the Qinglong family. This is a tough battle." When the

voice fell, Luo Jue was also very big. Step out of the hall.

As soon as her forefoot left, Zi Yan couldn't help but sigh and said: "Sisters, what should we do? Although it is our duty to deal with the Qinglong family, but... Yue Feng is the dragon of the Qinglong family. Respect." The

voice fell, and Huanxiang also nodded: "Yes, it's a bit difficult to do now." The

other six saintess were also frowning.

In the hearts of the eight saintesses, Yue Feng was their benefactor. At that time, at the peak of Kunlun, when the eight saintess were about to be alchemy by Duan Yu, Yue Feng risked his death to save each other, and finally the eight saintess were saved, but Yue Feng was Involved in a chaotic vortex.

It can be said that without Yue Feng, there would be no eight saintesses today.

Chapter 3683

"That's it!"

At this time, Zi Yan thought about it and said softly: "When we attack the Qinglong family, let's help the Qinglong family secretly, and it can be considered an explanation to Yue Feng!"

Seriously, Zi Yan didn't want to follow Luo Jue to attack the Qinglong family, but she had no choice. She was a saint from the Nine Heavens. It was her duty to help the God Realm deal with the Qinglong family. In this case, she could only choose to help secretly.

Um!

Hearing this, Huanxiang and the other saintess nodded in agreement.

Now, this is the only way.

...

the next day! Ouyang family.

In the hall, Wen Chou Chou, Sun Dasheng, Yue Wuya, Xiao Xi, Ren Yingying, Xiao Yuruo and others sat there one by one with complicated expressions.

Yesterday, after Xiao Xi and Sun Dasheng returned to the Ouyang family, they told everyone what happened on Yuxu Peak. Everyone was very excited when they learned that Luo Jue helped find Yue Feng. Only Luo Jue was asked to live in the Qinglong family. The matter of the land, everyone can't be sure to pay attention.

Just like Xiao Xi, Wen Chou Chou and others didn't know the grievances between the Divine Realm and the Qinglong family, so they didn't know that Luo Jue did this with ulterior motives.

At that time, everyone discussed for a long time without results. In the end, Wen Chou Chou proposed to wait for Long Xiang'er to return before making a decision.

After all, Long Xiang'er is the dragon envoy of the Qinglong family and knows the situation on Shenlong Island.

However, after waiting for a day, Long Xianger never came back.

"Forget it!"

At this moment, Xiao Xi stood up, her delicate face showing determination: "Don't wait for Long Xiang'er, I'll go directly to Tiandao League to see Luo Jue. Take him to see my sister earlier, but I'll let it go. His wish, he can do his best to help find the son."

Huh...

Hearing this, the entire hall fell silent.

You must know that taking Luo Jue to Shenlong Island is a matter of the Qinglong family, and everyone present is not easy to express their opinions.

“Okay!”

Finally, Wen Chou Chou nodded and said, “But we don’t worry about you alone, so let me go with you.”

Although Xiao Xi is the younger sister of the patriarch of the Qinglong clan, she is also a member of the Ouyang clan. As a big brother, it is natural to protect Xiao Xi’s safety.

However, Xiao Xi shook her head firmly: “No need, Brother Wen, you know, Shenlong Island does not allow anyone to enter, I took Luo Jue back, which has already violated the rules.”

Seeing her say that, Wen Chou Chou had no choice but to nod: “Okay then. , but you have to be more careful.”

Xiao Xi smiled lightly, looking very relaxed: “Brother Wen, don’t worry about me, I broke up with Na Luo yesterday, and he can’t beat me.”

After saying this, Xiao Xi Say goodbye to everyone, and rush towards Tiandao League alone.

After a two-hour flight, Xiao Xi finally arrived at the main altar of the Tiandao Alliance.

call!

When she landed in the main altar hall, Xiao Xi couldn’t help taking a deep breath when she saw the scene in front of her.

I saw that thousands of elite disciples were neatly lined up on the square in front of the main hall, giving people a sense of solemnity and solemnity, and the discussion hall was even more majestic.

However, Xiao Xi did not panic at all.

“Who is it?”

As soon as Xiao Xi’s feet landed, the surrounding elite disciples of the Heavenly Dao Alliance drank coquettishly and gathered around.

“I’m looking for you Tianzun.” Xiao Xi said.

Wow...

the voice fell, and the surrounding elite disciples were furious and scolded.

“Bold, you can see Tianzun if you want to see him?”

“Tell me honestly, what is the purpose of breaking into our Tiandao Alliance main altar?”

In a loud shout, an elite disciple headed by him raised his hand and pointed at Xiao Dao. Xi: “Take it immediately!”

Chapter 3684

Wow... The

voice fell, and the other elite disciples exploded with internal energy, and they were about to attack Xiao Xi.

“Stop!”

At this moment, a reprimand came, followed by Luo Jue striding over with a dignified expression.

When he got to the front, Luo Jue looked around and scolded: “Presumptuous, this is my VIP, how dare you be so negligent? All retreat.”

Hearing this, the elite disciples quickly dispersed.

“Sorry!” Luo Jue looked at Xiao Xi with a smile: “At the beginning of the Tiandao Alliance, these disciples didn’t understand the rules.”

After speaking, Luo Jue’s smile grew stronger and continued: “I thought that the girl would go back on it. Oh, I didn’t expect you to come, hehe, I’m really honored to have such trust from the girl.”

At the end of the story, Luo Jue looked around and found that only Xiao Xi came alone, and he felt more at ease. .

Haha...

This Xiao Xi is actually alone, in this case, the raid on the Qinglong clan is more certain.

Xiao Xi smiled and said, “Let’s go.”

Luo Jue nodded, then thought of something, and politely said: “Wait a minute, girl, let me explain the matter, and let’s go.” With that, he walked quickly to the hall .

When they got to the main hall, Luo Jue called Guo Dong, and whispered: "Send the order immediately, everyone will follow quietly, don't follow too closely, I will leave a mark along the way."

"Understood!" Guo Dong nodded quickly.

Luo Jue explained a few more words, and then walked out of the hall, set off with Xiao Xi, and rushed towards Shenlong Island.

Along the way, Luo Jue showed a full of gentlemanly demeanor, chatting and laughing with Xiao Xi.

Feeling Luo Jue's humor, Xiao Xi gradually put down her guard, but what she didn't know was that there were hundreds of thousands of members of the Heavenly Dao Alliance following her more than a dozen miles away.

Speaking of which, it is easy to get lost at a distance of more than ten miles, but Luo Jue secretly left a mark along the way, so the members of the Tiandao Alliance easily followed.

After several hours of traveling, Luo Jue and Xiao Xi finally arrived at Shenlong Island.

call!

At this moment, suspended in mid-air, looking at Shenlong Island in front of him, Luo Jue was so shocked that he couldn't help taking a deep breath.

What a spectacular, secluded place.

But even if it was hidden, I finally found it.

For a while, Luo Jue was indescribably excited, and there was undisguised excitement in his eyes.

"This is Shenlong Island." Xiao Xi looked at Luo Jue and said seriously, "Because this is the first time I've brought outsiders, so please wait here, I'll go and tell my sister first."

"Okay!"

Luo Jue revealed a faint smile: "Thank you, Miss Xiaoxi." Her mouth was polite, but her eyes flashed with ruthlessness.

Xiao Xi didn't notice it, nodded, turned around and prepared to land.

Pfft...

But just as Xiao Xi turned around, she saw Luo Jue took out two long objects from her body, shot them into electricity, and stuck them directly on Xiao Xi's back spine.

It is the prison dragon thorn.

As a messenger of the God's Domain, Luo Jue is very aware of the weaknesses of the Qinglong family, so he prepared the dragon thorns in advance and prepared to raid Xiaoxi, because he knew that it would be difficult for him to win against Xiaoxi.

Luo Jue shot too fast, Xiao Xi didn't have time to react, her delicate body trembled, lost her balance instantly, and fell directly.

If Xiao Xi was still a human ten years ago, the dragon thorn would be useless to her, but at this time, Xiao Xi, who is a dragon, was attacked by Luo Jue with the dragon thorn, completely helpless.

Haha...

Luo Jue was very proud of the success of the raid, his figure flashed, and he grabbed Xiao Xi who was falling.

"You..."

At this time, Xiao Xi, shocked and angry, shouted at Luo Jue: "You let me go, why did you raid me? What did you stab me on?"

Chapter 3685

"Hehe!"

Hearing Xiao Xi's coquettish shout, Luo Jue smiled and said proudly: "Thank you for being the younger sister of the patriarch of the Qinglong clan, don't you know that this is the dragon thorn that specifically restrains your dragon clan? "

Prisoner dragon thorn?

Hearing this, Xiao Xi's body trembled and panicked inexplicably.

When she was on Shenlong Island, Xiandi never told Xiaoxi about the dragon thorn, so Xiaoxi never knew that there was such a thing in the world.

But this dragon thorn is really too evil.

At this time, Xiao Xi clearly felt that after the prison dragon thorn was pierced on her back, her whole body's strength was sealed, and she didn't even have the strength to stand.

“You despicable and shameless villain.”

Under the anger, Xiao Xi’s eyes spewed fire and stared at Luo Jue fiercely: “I warn you, if you dare to do anything to me, my sister and the entire Shenlong Island, I won’t let you go.”

When she said this, Xiao Xi regretted it very much.

If I had known that Luo Jue was so insidious, I should have waited for Long Xiang’er to go back. Long Xiang’er is experienced in all corners of the world and will definitely stop herself.

It’s just too late to say anything now.

“Haha...”

Hearing Xiao Xi’s words, Luo Jue couldn’t help laughing up to the sky and said word by word, “Miss Xiao Xi, don’t worry, I won’t do anything to you, I just want to keep you as a Hostage, so we can deal with the Qinglong family.”

What?

Xiao Xi’s heart trembled and she suddenly woke up. It turned out that this Luo was by no means to deal with himself, but the entire dragon family...

Just when Xiao Xi was stunned, Luo never stopped talking nonsense, grabbed her and flew towards the rear.

After flying for a few minutes, I saw more than a hundred large ships appear on the vast sea below. The ships were filled with elite disciples of the Heavenly Dao Alliance. From a distance, the darkness was overwhelming, which was very spectacular.

On the deck of a large ship, Huanxiang and Ziyang stood on the deck, and behind them were the heads of the various sects who joined the Tiandao Alliance.

Yes, this is Luo Jue’s plan, first let Xiao Xi lead herself to find the location of Shenlong Island, and then discuss the attack plan with Tiandao League.

call!

Seeing this scene, Luo Jue showed a confident smile and landed quickly.

When they arrived on the deck, the eight saintesses and the heads all said in unison: “Tianzun!”

Luo Jue nodded, looked around and said, "Dragon Island is ahead, and you are ready to fight at any time." Saying, Throw Xiao Xi on the deck.

At this time, Xiao Xi had a prisoner dragon thorn on her back and completely lost her ability to move. Her pretty face was pale and very weak.

Seeing this scene, all the heads of the present were indifferent, while the eight saintess Huanxiang and Ziyan frowned and couldn't bear it.

"Tianzun!"

Finally, Zi Yan couldn't help but said: "Since she has already brought you to the location of Shenlong Island, don't hurt her, let her go." The

voice fell, Huanxiang and the other saintess, They all nodded.

In their hearts, Xiao Xi and Yue Feng had a close relationship, and no matter what, they could not let Luo Jue hurt Xiao Xi.

"Humph!"

Hearing these words, Luo Jue snorted coldly, with no emotion in his tone: "If I let her go now, wouldn't I let her inform Shenlong Island?"

"Also, the Tiandao Alliance respects me, and all actions must be obeyed by me, so don't talk

nonsense." The voice was not loud, but it was unquestionable.

The ultimate husband in Chinese chapter 3686-3690

Chapter 3686

Oh...

Seeing Luo Jue's resolute attitude, Huanxiang and Ziyan looked at each other and sighed softly.

At this time, seeing the Shenlong Island ahead, getting closer and closer, Luo Jue raised his hand: "Stop advancing." The Qinglong family was very vigilant. Before understanding the environment of Shenlong Island, Luo Jue was very careful.

In an instant, Luo Jue's voice fell, and all the ships immediately slowed down.

call!

At this moment, Luo Jue stood on the bow of the boat and looked at the terrain of the next Shenlong Island, and suddenly couldn't help taking a deep breath.

Luo Jue clearly saw that the entire Shenlong Island is very large. Not only that, but also the Great Array of Heaven and Earth has been set up on the island. The cold outside is cut off.

Luo Jue, as the messenger of the Divine Realm, just glanced at it and understood that the place of Divine Dragon Island is in the deepest part of the wild and strange realm, it is dark and dark, and the Yin Qi is extremely heavy.

In this case, the Qinglong family on Shenlong Island can only use the fire spirit spar to expel the cold.

However, Luo Jue was surprised that such a huge formation of heaven and earth could be built on the island, because in his impression, although the Qinglong clan were powerful, they did not understand the formation technique very well.

At this time, Luo Jue did not know that the Heaven and Earth Array on Shenlong Island was deployed by Yue Feng at the beginning. It is precisely because of this that Yue Feng was named Dragon Lord by the patriarch of the Qinglong family, Xiandi.

“Everyone!”

After observing for a while, Luo Jue looked around and said seriously: “I'll enter the island first, and after I attract the attention of the Qinglong clan, you guys will land quietly.”

“Have you seen the Great Array of Heaven and Earth on the island? If I guess right, all the spar of fire spirits are in the eyes of the array. Your mission is to destroy the spar of fire spirit inside and break the Great Array. , and then join me.”

Luo Jue looked extremely serious when he said this. As long as this great formation of heaven and earth is broken, then all the Qinglong clan will be disturbed by the cold air, and they will have a better chance of winning.

This chapter is provided by . Visit for daily update.

“Understood!”

Hearing Luo Jue's order, the heads of the surrounding sects responded in unison.

Luo Jue nodded, stopped talking nonsense, tapped the deck with his toes, rose into the sky, and quickly walked towards Shenlong Island.

Wow....

Seeing this situation, hundreds of large ships started to move forward again.

.....

At this moment, in the main hall of Shenlong Island.

Xian Di sat on the throne, wearing a golden robe, delicate facial features and sexy curves, coupled with the powerful aura on her body, she had a different kind of style and was extremely charming.

On the two sides below, the dragon elites stood neatly.

In front of Xian Di, Long Xiang'er stood there respectfully.

"Your Majesty the Empress!"

At this time, Long Xiang'er's delicate face showed a bit of complexity: "I'm going to leave soon, do you have anything to say to Xiao Xi?"

Luo Jue was in Tianqi Imperial City at the beginning. When the Kyushu Conference was held, Long Xiang'er was very anxious when he learned of the situation. Because the Qinglong family and the God Realm had an inextricable feud, the God Realm suddenly sent messengers to the Kyushu Continent, which was completely bad news for the Qinglong family.

However, at that time, Xiaoxi was still in retreat, and Long Xiang'er had no choice but to return to Shenlong Island alone and report the situation to Xiandi.

call!

Xian Di breathed a sigh of relief, her delicate face was full of solemnity, and exhorted: "No need to talk, after you return to the Ouyang family, no matter what, you must bring her back to Shenlong Island."

"Yes!" Long Xiang'er responded, bowed to Xian Di, and was about to set off.

"Your Majesty the Empress!"

However, at this moment, a dragon warrior rushed in and shouted, "No, there is a person who broke into Shenlong Island. Our patrol team can't stop it."

Chapter 3687

What?

Hearing this, the entire hall was in an uproar, whether it was Xian Di or Long Xiang'er, they were all shocked and furious.

The next second, Xian Di stood up abruptly, her delicate face covered with frost: "Who is the other party?"

"Bang!" Before he could finish the words

, only a loud bang was heard, and the door of the main hall was directly slammed open, tight. Then, a figure strode in.

The look is leisurely, and the bearing is extraordinary.

It was Luo Jue.

Swish!

At this moment, the eyes of the entire hall were all focused on Luo Jue.

"Ma De!"

At this moment, a tall figure walked out quickly and glared at Luo Jue: "Who are you? Dare to trespass on Shenlong Island and seek death?"

It was Ryuzaki.

Like Long Xiang'er, Ryuzaki is also an emissary of the divine dragon. He is powerful and the most powerful assistant under the throne of Xian Di.

At this time, Ryuzaki's eyes were locked on Luo Jue, his whole body was full of power, and he looked like he was about to shoot at any time.

At the same time, the other dragon powerhouses in the hall also glared at Luo Jue.

You must know that Shenlong Island is the habitat of the Qinglong family, and it has always prevented humans from entering, but this person in front of him not only broke in, but also dared to fight with the patrol team.

This is simply provoking the majesty of the dragon race.

Xian Di, who was sitting on the throne, also looked up and down at Luo Jue, her eyes flashing cold.

"Ha ha!"

Facing Ryuzaki's glaring gaze, Luo Jue did not panic at all, but with a relaxed expression, he said lightly, "You are not qualified to speak to me with your identity, so step back."

Om!

"You're courting death!" Ryuzaki roared, his whole body burst out, and he was about to do it!

After all, he is also a divine dragon messenger, but this person doesn't even care about him at all. For Ryuzaki, this is a complete humiliation, and he can't bear it no matter what.

"Long Qi!"

Seeing that Long Qi was about to explode, Xian Di suddenly said, "You step back first!" As she spoke, Xian Di's eyes were always on Luo Jue.

Ryuzaki was reluctant, but retreated anyway.

At this time, Xian Di looked at Luo Jue and asked coldly, "Who are you? Why did you break into my Dragon Island?"

When she said this, Xian Di suppressed her anger.

Like Ryuzaki, Xiandi was also very angry, but she acted calmly, knowing that the other party dared to barge in, her identity must not be simple.

Swish!

At this moment, the eyes of the entire hall also converged on Luo Jue!

This person dares to enter Shenlong Island! Who gave him the courage?

Luo Jue ignored the gazes of the surrounding dragon powerhouses, but looked at Xian Di and said with a smile, "Your Excellency is the patriarch of the Qinglong clan, you really have an extraordinary demeanor and an extraordinary bearing."

After speaking, Luo Jue looked around, He continued: "My name is Luo Jue, the Tianzun of the Tiandao Alliance."

Tiandao Alliance?

Hearing this, Xian Di's eyes flashed, faintly moved.

At the same time, the surrounding Long Xiang'er and Long Qi were also shocked.

Is he the Heavenly Venerate of the Heavenly Dao Alliance? So, he is the messenger from God's Domain?

A few seconds later, Xian Di was the first to react, staring at Luo Jue: "You are the messenger from the God's Domain?"

"Not bad!" Luo Jue responded with a smile, with a relaxed expression.

Swish!

Chapter 3688

In an instant, the entire hall exploded. Whether it was Xiandi or the surrounding dragon powerhouses, they were full of anger. You must know that the Qinglong family was forced to enter the Kyushu continent because of the divine war launched by the gods.

It can be said that the Qinglong family has an inextricable hatred between the gods and the realm. How can they not be angry when they know Luo Jue's identity at this time?

Feeling the eyes of the entire hall, Luo Jue did not panic at all, and smiled at Xian Di: "Don't look at me like this, I am here this time, not to provoke trouble, but to represent His Majesty the Nine Heavens, to persuade you to surrender. "

You Qinglong family, originally the head of the four innate spirit beasts, possessed the power to penetrate the sky and the earth, but now you are huddled on a small island, why bother?"

"As long as you are willing to surrender, I think the Nine Heavens God Your Majesty, you must be very happy, when the time comes, you can return to God's Domain."

Luo Jue looked sincere when he said this.

However, Xian Di and the surrounding dragon powerhouses were unmoved.

"Shut up!" Long Xiang'er couldn't help but shouted coquettishly: "Our dragon clan has our own dignity and will never bow to any force. Even if you promise the best conditions, we will not agree." The

voice fell . . . Ryuzaki and other dragon powerhouses next to him all nodded.

Luo Jue smiled, ignored it, and looked at Xian Di closely: "I have already said what I should say, but I came here with sincerity."

Phew!

Xian Di breathed a sigh of relief, and without thinking about it, she said softly, "What if I don't agree?"

Hearing this answer, Luo Jue sighed and looked very regretful: "If you are obsessed with it, I will have to destroy it. This Shenlong Island is over." The

voice was not loud, but it spread throughout the hall.

quiet!

At this moment, the entire hall was silent, and a needle could be heard clearly.

However, after a few seconds of silence, neither Long Xiang'er nor Long Qi couldn't help but laugh.

"Hahaha... What did he say? He wants to destroy Shenlong Island?"

"The messenger from this God's Domain is not very loud."

"Just relying on him, where does the courage come from?"

Ryuzaki and others The mockery of the dragon powerhouse, you and I came, and Xian Di couldn't help but sneered and looked at Luo Jue contemptuously: "Luo Jue, right, you alone can destroy Shenlong Island?"

" Haha."

Luo Jue smiled slightly, put his hands behind his back, and stood there proudly with a confident face: "If you don't believe it, let's wait and see."

At this time, the Tiandao Alliance should have broken the heaven and earth formation on the island.

Um?

Seeing Luo Jue's confident look, Xian Di frowned.

Long Xiang'er and Long Qi also frowned secretly, this Luo Jue is so confident, does he still have a helper?

Boom....

Just when Xian Di and Long Xiang'er were one of a kind, whispering in their hearts, suddenly, they heard an earth-shattering roar of life from outside, and the great formation of heaven and earth on the island collapsed instantly.

Xian Di's body was shocked, she stood up immediately, and shouted to the outside of the hall: "What happened outside?"

As soon as the voice fell, a dragon strong man ran in quickly, his face was ashen, and panicked: "Your Majesty the empress is not good Now , our great formation has been destroyed."

What?

Hearing this, both Xian Di and Long Xiang'er trembled and were furious.

Buzz.... Before

they could react, they heard a deafening sound! A burst of footsteps, breaking through the air!

Looking from a distance, I saw hundreds of thousands of Heavenly Dao League elites, holding swords, rushing in from all directions, surrounding the main hall!

Headed by the eight saintess, and the heads of various sects.

Soon, in front of the main hall, the heads of the sects said in unison: "Your Excellency Tianzun, we are fortunate to have not been humiliated and successfully destroyed the grand formation."

Haha...

Hearing this, Luo Jue felt indescribably happy and praised. : "good very good!"

Chapter 3689

Speaking, Luo Jue looked back at Xian Di and was very proud: "How is it? You should believe it now, the great formation on your island has been broken by me, and soon, you will be affected one by one. The cold here is intruding."

"Under this circumstance, it's very difficult for your dragon race to fight against me, so be sensible and admit defeat!"

"Shhh!" After

hearing this, Xian Di's delicate face suddenly turned red. Ugly.

At the same time, Long Xiang'er and Long Qi in the hall were also extremely angry. Mad, this Luo Jue was so despicable that he secretly sent someone to destroy the great formation.

“I didn’t expect it!”

Finally, Xian Di reacted, glaring at Luo Jue and mocking: “After so many years, your God Realm is still so despicable and shameless.”

Although the incident happened suddenly, Xian Di also saw it. Luo Jue, broke into the hall alone, the purpose is to attract attention, so as to create opportunities for the Tiandao Alliance.

I have to say that Luo Jue’s plan was very successful, and the great formation on the island was really broken.

Without the Great Array of Heaven and Earth, all the Dragon Clan powerhouses on the island would have to suffer from the cold.

Thinking of this, Xian Di took a deep breath, and anger surged!

“You think that if you break the great formation, I will be soft. It seems that you still don’t know our Qinglong family.” Xian Di looked at Luo Jue closely, her eyes were cold, and she said word by word, “Don’t say you brought it today. Hundreds of thousands of people from the rivers and lakes of Kyushu, even the gods and soldiers who lead the realm of the gods, our Qinglong clan will not yield!” The

words were firm and firm.

“good very good!”

Hearing this, Luo Jue’s mouth twitched with a hint of gloom, and then he shouted loudly: “Everyone in the Tiandao Alliance, listen to this, today you will step down on Shenlong Island and kill them without leaving a piece of armor!”

“Kill!” The

voice fell, dozens of The elites of the Wantian Dao League responded in unison, and then they burst into internal force and rushed up directly.

Seeing this scene, Xian Di’s delicate face did not fluctuate in the slightest, and it was extremely cold.

“Fight!” In the

next second, the word Leng Leng came out of Xian Di’s mouth.

hum! hum! hum!

As soon as the voice fell, the dragon powerhouses inside and outside the hall all urged their energy, burst out, rushed into the sky, and turned into giant dragon forms one by one.

In an instant, the sky over the entire Shenlong Island was surging, and thousands of giant dragons were soaring up and down, which was extremely spectacular.

“Hoohoho...” In the

next second, thousands of giant dragons roared in unison, and then rushed towards the hundreds of thousands of Tiandao Alliance troops. Wherever the figure passed, the air was cut open by cracks!

“Ah...”

Thousands of giant dragons erupted at the same time, and the formed aura crushed, causing hundreds of thousands of elites in the Heavenly Dao League to feel a deep fear in their hearts. When he reacted, he was shocked by the terrifying power of the dragon, screaming constantly.

In just one round, nearly 10,000 people died in a pool of blood.

Mad!

Seeing this scene, Luo Jue cursed secretly, his face extremely gloomy.

In the next second, Luo Jue locked on Xiandi tightly, and sneered: “As expected of the Qinglong family, the strength is really strong, let me experience the strength of the dragon queen.”

Buzz!

The voice fell, Luo Jueyuan’s power exploded, and the surrounding air suddenly distorted.

Xiandi’s eyes were cold and she was about to respond, but was interrupted by Ryuzaki.

“Your Majesty, to deal with such a shameless person, you don’t need to take action yourself!”

Ryuzaki shouted, then rushed over, pointed at Luo Jue and cursed angrily: “What God’s Domain messenger is just a shameless and despicable person, just A villain like you is not worthy of fighting against the Empress.” The

voice fell, and a long spear appeared in Long Qi’s hand, and then his body flashed, the long spear drew a shock, and stabbed directly at Luo Jue’s heart.

Seeing Ryuzaki rushing in, Luo Jue chuckled lightly, with a bit of contempt flashing in his eyes, and then moved his figure to meet him!

Chapter 3690

Dang!

The next second, I saw Luo Jue and Ryuzaki, their figures staggered in mid-air, and with a loud noise, I saw Ryuzaki groan, and the whole person flew straight up, flying dozens of meters away, and finally fell. On the ground, a mouthful of blood spurted out, and his face was pale.

Although Ryuzaki is a divine dragon messenger with powerful strength, compared with Luo Jue, there is still a big gap.

Made.

At this moment, Ryuzaki trembled all over, staring at Luo Jue fiercely, full of shock and anger.

I thought I could fight this Luo Jue, but I didn't expect that the opponent's strength was so powerful!

Thinking to himself, Ryuzaki struggled to get up and was about to rush up again.

“Long Qi, you are not his opponent!”

At this moment, Xian Di said lightly, and then her delicate body trembled, and she rushed into the sky to confront Luo Jue.

At this moment, Xian Di stared at Luo Jue closely, with a cold tone: “You brought the Tiandao Alliance, broke into Shenlong Island, and destroyed our heaven and earth formation, I want you to die!”

Om!

The voice fell, and a powerful aura permeated from Xian Di, and then the jade hand lifted up and hit Luo Jue with a palm!

Xian Di seemed to be very slow, but in the blink of an eye, she was in front of Luo Jue.

“Clang!”

Seeing the speed of Xiandi, Luo Jue's face became solemn. He didn't dare to underestimate the enemy. He quickly raised his hand and collided with Xiandi's palms.

He heard a loud noise, and a tyrannical internal force fluctuation swept the entire dragon. Island sky.

Immediately afterwards, Luo Jue groaned, and Ling Kong was shaken back several dozen steps.

Obviously, with this palm down, Xian Di has the advantage. After all, she is the empress of the Qinglong clan. If she bursts out with all her strength, she will be much stronger than Queen Suzaku.

Mad!

Luo Jue stabilized his figure, looked at Xian Di closely, and was shocked.

I thought that if the great formation of Shenlong Island was broken, this dragon queen would be disturbed by the cold like other dragon powerhouses, but it seems that it has no effect on her strength at the moment.

“You die for me!”

Just when Luo Jue was secretly shocked, she heard Xian Di scream, flipping her wrist, a crimson flame appeared in her palm, and immediately threw it to Luo Jue!

hum!

This crimson flame was so powerful that the air burned wherever it passed.

This crimson flame is exactly the dragon flame unique to the Qinglong family.

“Om!”

Seeing Xiandi displaying Long Yan, Long Xiang'er below, and the rest of Long Qi were very excited.

“The Empress has used Dragon Flame!”

“Yes, burn this despicable and shameless guy to death.”

“Dare to provoke our Dragon Clan, that's how it ends!”

At this moment, many dragon Clan powerhouses around couldn't help shouting.

In their hearts, when Xian Di used Long Yan, Luo Jue would definitely be defeated. You must know that Long Yan is the essence of the power of the Qinglong family.

call!

Listening to the discussions around, Luo Jue's face was also extremely solemn. He didn't have time to think about it at that time, and the power of the primordial spirit was completely exploded, and a golden light flickered, and then a golden protective film was formed around Luo Jue.

At this time, Luo Jue, without the slightest carelessness, broke out with all his strength.

“Boom!”

At the moment when the golden protective film was formed, I saw that the ball of dragon flames had already arrived, and a loud noise was heard. Luo Jue was completely submerged in the flames, and thick smoke billowed around him!

The ultimate husband in Chinese chapter 3691-3700

Chapter 3691

After more than ten seconds, when the smoke dissipated, I saw Luo Jue standing there with a pale face, his robe was almost burned, and he looked very embarrassed.

However, in Luo Jue's eyes, there was no panic at all, but an endless coldness.

Whoa!

Seeing this scene, Long Xiang'er and the surrounding dragon powerhouses immediately cheered.

This Luo Jue was completely unable to stop the Empress's dragon flames. It seemed that the Dragon Clan had won this battle.

“Roar! Roar! Roar...”

Excited, many Dragon Clan powerhouses burst into power again and rushed into the Tiandao League crowd.

Speaking of which, the Tiandao Alliance had a large number of people and also destroyed the Heaven and Earth Formation on Shenlong Island. It had an advantage. However, at this time, the morale of the Dragon Race powerhouses was greatly boosted, and the momentum was like a broken bamboo, and the Tiandao Alliance could not stop it at all.

In a hurry, the heads of the Tiandao Alliance quickly ordered their subordinates to form a formation in an attempt to block the attack of the dragon powerhouse. However, the formation was just formed and was washed away by the dragon powerhouse.

“Ah...”

For a while, screams continued to be heard in the Tiandao League crowd, and they fell into a pool of blood under the attack of the dragon powerhouse.

Under such circumstances, many elites of the Heavenly Dao Alliance lost the courage to continue fighting, and lost and retreated.

At the same time, the heads of the various leaders also shouted at Luo Jue for instructions.

“Your Excellency Tianzun, we can't stop it...”

“Tianzun, why don't... let's retreat.”

This chapter is provided by . Visit for daily update.

The voice of advocating retreat continued to come, Luo Jue's face was gloomy, extremely ugly, and anger flashed in his eyes.

Mad!

Luo Jue scolded secretly, and roared: "Shut up for me, this battle is only allowed to win, but not allowed to lose. If anyone dares to retreat, I will not forgive them lightly." After speaking, Luo Jue shouted to the sky, "Nine Heavens. Where is the saint?"

Om!

As soon as the voice fell, a wave of aura waves filled the air, and then, eight charming figures appeared in front of everyone.

Each one has a graceful figure, beautiful appearance, and immortal air.

It is the eight saintess Huanxiang and Ziyang.

When the Tiandao League and the Dragon Clan were fighting fiercely just now, the eight saintess Huanxiang and Ziyang had been wandering outside the battlefield and had no intention of joining the battle. In their hearts, the Qinglong Clan and Yue Feng had a lot of origins, and they couldn't bear to make a move.

Huanxiang and Ziyang, the eight saintess, have all discussed it, and when the battle is about to end, they will reappear and pretend.

But they didn't expect that at a critical moment, Luo Jue decided to order them to show up.

"Nine Heavens Saintess."

At this time, Luo Jue took a deep breath and said coldly: "This battle is very important, you must go all out, no matter how much you pay, you must help me subdue the Qinglong family."

"Otherwise, At that time, I will report to His Majesty the Nine Heavens God, saying that you are passive in the fight."

These words resounded through the sky, and there was no doubt.

Huh..

Hearing this, the eight saintess Huanxiang and Ziyan trembled and became inexplicably angry.

This Luo Jue is really too much. Just for his own merits, he even brought out the Nine Heavens God to oppress us.

“Sisters.”

At this moment, Zi Yan bit her lip lightly and said in a low voice, “What should we do? Join the battle?” The

voice was so small that only the eight saintess could hear it.

The voice fell, Huanxiang and the other saintess looked at each other, and then Huanxiang sighed and replied in a low voice: “This is the end, there is no way to do it, come on, just act like it, otherwise, this Luo Luo He will definitely speak ill of us in front of His Majesty the Nine Heavens.”

After saying the last word, Huan Xiang flew up and headed towards the giant dragon in the sky.

Whizzing...

Chapter 3692

Zi Yan and other saintess also urged their power, followed closely behind.

To be honest, the eight saintess didn't want to take action, but there was no way, Luo Jue's status was higher than them, and if he disobeyed, he would be charged with betraying God's Domain.

“Hoohoho...”

Nearly a thousand giant dragons hovering high in the sky saw the eight saintess coming quickly without any hesitation.

Huh...

Seeing this scene, everyone in the Tiandao League below looked at them with ecstasy.

Many men, their eyes are straight.

I saw that the eight saintess were fighting against the dragon in mid-air, and their figures were flying up and down.

Speaking of which, the eight saintess are very powerful, but in the face of nearly a thousand giant dragons, they still cannot turn the tide of the battle. After all, the Qinglong family is the first of the four innate retailers. With the strength of the eight saintesses, they can deal with several giant dragons. , is completely more than enough, but at this time, there are nearly a thousand giant dragons, and it is impossible to fight.

In the blink of an eye, two minutes passed, and I saw eight saintesses, completely suppressed by the dragon, all pale and dangerous.

Of course, the eight saintess didn't show their full strength. They all knew that this battle could not be won at all. Since they were pretending to show Luo Jue, they secretly retained their strength.

Mad!

Seeing this, Luo Jue clenched his fists tightly, and his anger rose.

These eight saintess really had their hearts toward the Qinglong family.

As the messenger of the God's Domain, Luo Jue is thoughtful and his eyes are like torches. At a glance, he can see that the eight saintess Zi Yan and Huanxiang have not exploded their full strength at all.

"Luo Jue!"

Just when Luo Jue was secretly annoyed, he heard Xian Di cry out, and the tender body came quickly, saying word by word, "You will definitely lose this battle, even if you have the help of the Nine Heavens Saintess, It can't change the facts, so die."

Om!

When the voice fell, Xian Di raised her jade hand and called Luo Jue's heart with a palm.

This palm seems to be light, but it is actually as fast as thunder. Under the surging force of the palm, the air around Luo Jue is suddenly torn apart, which is very shocking.

Seeing this scene, many people in the Tiandao League changed their expressions and couldn't help exclaiming.

"Tianzun be careful..."

"Tianzun..."

Hearing the exclamations of his subordinates, Luo Jue did not panic at all, on the contrary, a playful smile appeared on his face.

“Empress.”

Seeing that the palm was about to hit him, Luo Jue took a deep breath and shouted, “If you don’t want your sister to have an accident, stop immediately.” The

voice was not loud, but Xiandi could hear it . Clearly.

What?

Hearing this, Xian Di’s body was shocked, and she forcibly withdrew her palm strength, staring at Luo Jue: “What did you say?”

Luo Jue showed a smile, but did not respond immediately.

The next second, Luo Jue shouted at not far away: “Guo Dong, bring our prisoners up.” When he said this, Luo Jue’s face was full of pride and playfulness.

Wow...

The moment the voice fell, I saw Guo Dong and several Tiandao League disciples, holding a petite and exquisite figure, quickly coming.

This delicate figure, with a pale face, was tied up with five flowers, and his eyes were full of humiliation and grief.

Not Xiao Xi, who else would it be?

Luo Jue’s city is very deep. He knows that only relying on the hundreds of thousands of elites of the Heavenly Dao Alliance will not necessarily be able to defeat the Qinglong family, so he let Guo Dong hold Xiaoxi and hide in the dark, until the critical moment, and then use Xiaoxi. Threatening Sandy.

Swish!

At this moment, seeing Xiao Xi, Xian Di’s delicate body trembled, and she froze there.

Chapter 3693

At the same time, the eyes of the surrounding dragon powerhouses also converged, stunned on the spot.

“Sister.”

Finally, Xian Di reacted, her delicate face was full of worry and distress, and she said, “How are you?”

At this time, Xian Di was furious.

She clearly saw that Xiao Xi was tied up with five flowers, her delicate face was pale and weak, and she had obviously suffered a lot. Not only that, but there were also a few prison dragon thorns on her back.

what happened?

Isn't the younger sister in the Ouyang family? How could it fall into Luo Jue's hands?

"Sister!"

Seeing Xiandi, Xiao Xi couldn't help but feel ashamed, tears could not help but stay, she cried, "It's my fault, I was deceived by this Luo Jue, don't mind me..."

When she shouted these words, Xiao Xi's voice was weak. Under the seal of the prison dragon thorn, Xiao Xi didn't even have the strength to speak.

Swish!

Hearing this, whether it was Xian Di, Long Xiang'er, or the surrounding dragon powerhouses, they were filled with righteous indignation and glared at Luo Jue.

Especially Xian Di, under the anger, her delicate body trembled faintly.

This Luo Jue is really despicable. He even caught his sister. No wonder he was able to find the location of Shenlong Island.

Thinking to herself, Xian Di shouted at Xiao Xi, "Sister, don't be afraid, I'm here with my sister, don't be afraid..."

Although Xiao Xi has some responsibilities for today's events, but anyway, she is too young It's normal to be deceived by Luo Jue. The so-called sisters are deeply in love. Seeing Xiao Xi's weak appearance at this time, Xian Di is not willing to blame at all, only distressed.

At the same time, Long Xiang'er and Long Qi, as well as the surrounding dragon powerhouses, couldn't help but scolded Luo Jue one after another.

"Let your Highness go..."

"Sure enough, it's despicable and shameless, and actually deceived the Empress' sister..."

"Let her go..." The angry

shouts of many dragon powerhouses kept coming, Luo Jue stood there, Don't panic at all!

"Xiandi!" In the

next second, Luo Jue's mouth twitched, looking at Xiandi with a half-smile, and said slowly: "I won't say more nonsense, you have seen the current situation, stop immediately, otherwise, I will As soon as you give an order, this little sister of yours will disappear." After the

voice fell, Luo Jue gave Guo Dong a wink.

Guo Dong understood, immediately pulled out the long sword on his body, placed it on Xiao Xi's neck, and shouted, "All stop, otherwise, I will cut her throat immediately!"

When he said this, Guo Dong's eyes were full of excitement.

Success or failure is now in one fell swoop. If you can force the Dragon Clan to surrender later, you will be a great hero...

"Stop."

At this moment, Xian Di did not hesitate, bit her lip tightly, and shouted loudly: " Stop it!"

When she shouted these words, Xian Di looked at Luo Jue coldly, wishing to cut him into eight pieces, but finally held back, Xiao Xi is her sister, how can she bear to watch it?

Xian Di could clearly see that Guo Dong's long sword was tightly clinging to Xiao Xi's neck. As long as Luo Jue gave an order, her sister would die.

call!

Hearing Xian Di's order, all the dragon powerhouses at the scene stopped one after another, and even the giant dragons in the air landed one after another and changed back to their human form.

At this moment, whether it was Long Xiang'er or Long Qi and those dragon powerhouses, they all stared at Luo Jue with incomparable grief and anger.

Ma De, obviously victory is in sight, but this Luo Jue has captured the Empress' sister.

So unhappy!

Chapter 3694

“Luo Jue!”

At this time, Xian Di's delicate face was full of gloom and coldness, she held Luo Jue tightly, and said tenderly, “Let her go immediately.”

“Haha!”

Luo Jue smiled slightly, with a leisurely expression, There was a bit of drama in his eyes: “Empress, you don't have to be so excited, as long as you listen to me, I will never hurt her one bit.”

After speaking, Luo Jue looked serious and said word by word. : “Take all your subordinates of the Dragon Clan, surrender immediately, and swear that you will always be loyal to the Divine Realm.”

When he said the last sentence, Luo Jue's attitude was firm and unquestionable.

Swish!

Hearing this, whether it was Xian Di, or Long Xiang'er and the surrounding dragon powerhouses, their hearts were shocked and their anger rose.

And Ryuzaki, with such a hot personality, even clenched his fists and his eyes were blood red.

quiet!

For a time, the entire Shenlong Island was silent, and a drop of a needle could be heard clearly.

Whether it is everyone in the Tiandao Alliance or the eyes of the surrounding dragon powerhouses, they all converge on Xiandi, wanting to see how she answers.

Especially the heads of the various sects, all of them were inexplicably excited, looking at Luo Jue's eyes with admiration.

As expected of Tianzun, the original Tianzun dream had been defeated, but in a blink of an eye, Tianzun reversed the situation.

If the dragon queen in front of her surrenders, according to Tianzun's previous promise, the sect participating in the battle this time will get a dragon spirit beast.

When thinking of the dragon spirit beast, everyone present became even more excited.

“Luo Jue!”

Finally, Xian Di reacted, with no expression on her delicate face, she looked at Luo Jue and said lightly: “You know the strength of your Heavenly Dao Alliance better than I do, according to the situation just now, within an hour, your subordinates will definitely have the whole army. Overwhelmed.”

“So, let’s exchange the terms, you let my sister go, and I will let you all leave Shenlong Island safely.”

When she said this, Xian Di’s eyes were firm.

The Qinglong family, which has lasted for tens of thousands of years, has never bowed its head to any force, how could it be possible to surrender to the God Realm?

When the voice fell, Long Xiang’er and the surrounding dragon powerhouses nodded.

“Yes, let your Highness go quickly, otherwise, none of you will want to leave alive.”

“But a defeated general dares to threaten our Empress?”

“Release His Highness...”

All the Dragon Clan experts shouted loudly. Shouting, loud and loud.

However, Luo Jue was unmoved and looked at Xiandi with a smile: “Empress, do you think you are qualified to tell me the conditions? God’s Domain adheres to the way of heaven and manages the nine-day world, which is completely in line with the way of heaven, and your Qinglong family surrenders. God’s Domain, it’s not a humiliation of your identities, why are you so persistent?”

“Also, your sister’s life is just in my mind. If you really don’t care about her life or death, then I have to admit it.”

Saying this At the time, Luo Jue looked serious, but he was a little uneasy in his heart.

Mad, it would be troublesome if this Xian Di Ning died unyielding.

“Sister!”

At this time, Xiao Xi suddenly became excited, and kept crying at Xiandi: “I’m sorry, if I hadn’t trusted him, he wouldn’t have brought Tiandao League to find Shenlong Island, it’s my fault Now, I exposed the location of Shenlong Island.”

“If he wants to kill me, let him kill it. I caused this matter, and I will bear it.”

“In any case, our dragon family can’t give in.”

After shouting the last sentence, Xiao Xi burst into tears, her eyes full of tears. is guilt.

At the same time, there is still a trace of reluctance and unwillingness in Xiao Xi's heart. She hasn't seen the young master come back safely, so she died like this, which is a pity.

Chapter 3695 Huh

...

Listening to Xiao Xi's cry, Xian Di was so distressed that she bit her lip so hard that she was about to bleed.

Surrender to the Divine Realm, Xian Di felt ten thousand resistance in her heart.

But if you don't agree, your sister will die tragically and beheaded in a different place.

"Okay!"

Seeing Xiandi's reluctance to make a decision, Luo Jue lost his patience and said slowly, "It seems that you don't intend to compromise, so I won't say more." After speaking

, Luo Jue said slowly. Jue raised his hand towards Guo Dong.

Yes, Luo Jue is betting that Xiandi won't have the heart to look at Xiao Xi, otherwise, the efforts just now will be in vain.

Hearing Luo Jue's signal, Guo Dong didn't hesitate, holding the long sword tightly, he was about to cut Xiao Xi's throat.

"Sister, goodbye."

At this moment, Xiao Xi laughed miserably and said to Xian Di, "Thank you for taking care of me all these years."

Then, Xiao Xi glanced at the sky and muttered to herself.

My son, see you in the next life.

"Wait!"

Seeing that the long sword was about to cut through Xiao Xi's throat, Xian Di's delicate body trembled, and she couldn't help but let out a coquettish cry.

In the next second, Xian Di took a deep breath and stared at Luo Jue: "Okay, I promise you."

When she said these words, Xian Di seemed to have used up all her strength, her delicate face was completely transparent. With a sense of powerlessness.

To be honest, she didn't want to surrender to the realm of the gods, but she didn't want to see her own sister die in front of her.

Hearing this, Guo Dong quickly stopped.

Whoa!

At this moment, whether it was Xiao Xi, Long Xiang'er, or the surrounding dragon powerhouses, they were all stunned.

"Your Majesty the Empress."

After a few seconds, Longzaki walked out quickly and shouted at Xiandi eagerly: "I can't agree!" The

voice fell, and the surrounding dragon powerhouses also responded.

"Yeah, our Qinglong family has endured humiliation for so many years, just to avoid God's Domain, how can we surrender to God's Domain at this time?

" ?"

"Your Majesty the Empress, think twice!"

When shouting these words, many Dragon Clan experts were all excited.

"Shut up!"

Xian Di's body trembled faintly, looked around, and shouted: "If I don't agree, do I want to watch my sister die tragically?" The

voice fell, and Long Qi and the surrounding dragon powerhouses instantly disappeared. She fell silent, and at the same time she couldn't help looking at Xiao Xi.

Yes, if he refuses to accept the softness, His Highness Xiao Xi will be in a different place.

Haha...

Seeing this scene, Luo Jue showed a smile, and his heart was indescribably excited.

Great, this Sandy actually agreed.

To be honest, when Luo Jue threatened Xiao Xi's life just now, he didn't have much confidence in his heart, because he knew that the dragon family was arrogant and would rather die than give up, or else they would not have left the realm of the gods, but he never expected that Xian Dizhen For the safety of Xiao Xi, he promised to surrender to the God Realm.

Under the excitement, Luo Jue felt extremely happy.

After conquering the Qinglong clan, he has made a great contribution. When the time comes, His Majesty the Nine Heavens God will definitely reward him.

Thinking of this, Luo Jue looked at Xiandi with a smile, and praised: "Yes, you can surrender, and Shenlong Island has also been spared a war. Well, now you can take an oath."

Phew...

hear this Saying these words, Xian Di hesitated, but she walked out slowly, looking in the direction of the Divine Realm, and said word by word: "I, Xian Di, the patriarch of the Qinglong clan, swear here at this time that the Qinglong clan will be loyal to the divine domain from now on, without betrayal. ."

"If the oath is violated, the thunder will hit the top!"

The ultimate husband in Chinese chapter 3696-3700

Chapter 3696

When she said this, Xian Di lost her previous arrogance and looked serious.

Seriously, Xian Di didn't want to surrender in her heart, but she couldn't!

My sister's life is in Luo Jue's hands, and the position of Shenlong Island has been exposed. Even if Luo Jue's request is rejected today and we continue to fight with him, no matter the outcome, it will be difficult for the Qinglong family to have a peaceful life in the future, because God's Domain is The Qinglong family will not be spared.

Whoa!

Seeing this scene, the surrounding Tiandao League people suddenly cheered, and their faces were extremely excited.

"Haha...success!"

“The Qinglong family has finally surrendered.”

“Tianzun is really powerful, and the Qinglong family has surrendered so quickly...”

Under the jubilation of the Tiandao League, Long Qi and Long Xiang'er, as well as the Dragon Clan powerhouses present, all looked gloomy and their morale dropped.

At this moment, Xiao Xi was also trembling, her heart was full of emotions, she was moved, and she blamed herself... It

was all her own, so she believed Luo Jue's words, otherwise, the Qinglong family would not be so aggrieved. God's Domain surrendered.

“Sister...” The

next second, Xiao Xi looked at Xian Di and wanted to say something, but after only two words, she couldn't go on, and the tears kept streaming down...

alas...

At the same time, the eight saintess Huanxiang and Ziyan not far away sighed softly one by one.

This chapter is provided by . Visit for daily update.

They never expected that the situation would change so much that Xian Di agreed to surrender.

But that's okay, the Qinglong family surrendered to the God's Domain, and there were fewer disputes.

“Okay, okay!”

At this time, Luo Jue was full of smiles, indescribably high-spirited, and nodded at Xian Di: “From now on, we are our own people, haha.” After

speaking, Luo Jue raised his hand to signal . Next, let Guo Dong let Xiao Xi go.

“Sister!”

When she was free, Xiao Xi rushed over, threw herself into Xian Di's arms, and burst into tears: “I'm sorry, it's all me... It's me who caused our Qinglong family to be like this... .”

When saying this, Xiao Xi burst into tears, which was pitiful.

Xian Di hugged Xiao Xi, feeling her guilt, and kept comforting: "Okay, okay, it's not your fault, maybe... this is the fate of our Qinglong family."

For a time, the two sisters met each other. Hug, the atmosphere is a bit sad.

This scene was in stark contrast to the cheers of the Tiandao League.

At this moment, Guo Dong's face was full of excitement, he knelt down at Luo Jue, and said loudly: "Heavenly Zun is mighty." When he shouted, Guo Dong's eyes were full of admiration.

Your Excellency Tianzun, first broke into the main hall of Shenlong Island alone, and then forced the entire Qinglong clan to surrender, whether it is courage or strategy, who can compare to the Kyushu mainland?

Whoa...

for a while, everyone in the Tiandao League also knelt down and shouted in unison.

"Tianzun is mighty!" A

burst of shouts spread throughout the entire Shenlong Island, resounding throughout the world.

Seeing this scene, Luo Jue smiled and raised his hand: "Everyone, get up."

After speaking, Luo Jue's eyes fell on the eight saintess not far away, his eyes froze, and he said loudly: "Come on! , take down these eight saintess."

Um?

Hearing this, the eight saintess Huanxiang and Ziyang were shocked.

what's the situation? This Luo Jue has already subdued the Qinglong family, why did he suddenly turn his head to deal with his own people?

Whoa!

At the same time, everyone around the Tiandao League was also stunned, but soon, they all reacted, urging their figures one by one, and quickly surrounded the eight saintess.

In the hearts of everyone in the Tiandao League, Luo Jue is a goddess. He just forced the Qinglong family to surrender. It can be said that he has made great contributions. This makes everyone admire him. Therefore, Luo Jue's orders are unconditionally executed.

Even when dealing with his own people, he did not hesitate.

Chapter 3697

Swish!

Seeing this, the eight saintess Huanxiang and Ziyan changed their pretty faces.

“Luo Jue!” In the

next second, Huan Xiang took a step forward and shouted at Luo Juejiao, “What do you mean?” Huan Xiang’s character was straight, and at this time, she was surrounded by members of the Heavenly Dao Alliance, and she didn’t panic at all.

On the contrary, Huan Xiang’s heart was very frightened at this time.

This Luo Jue is too hateful. Just now, he asked his sisters to help deal with the Qinglong family. In a blink of an eye, he had to cross the river and demolish the bridge.

At this time, Zi Yan and the other saintess also glared at Luo Jue.

call!

Seeing this scene, Xian Di and Long Xiang’er, as well as the surrounding dragon powerhouses, all looked suspicious.

What’s the situation?

Aren’t these eight saintess from the Heavenly Dao Alliance? Why did Luo Jue suddenly turn against them?

“Haha...”

Under the gazes of many around him, Luo Jue chuckled and said lightly to Huanxiang: “Why are you asking me? Today we come to Shenlong Island, what did you guys do? You know better than me. .”

“Passive battle, this one is enough to convict you.”

After the last sentence, Luo never stopped talking nonsense and shouted: “Take it.”

Speaking of which, Luo never wanted to tear his face with the eight saintess . , but they are inextricably linked with Yue Feng and the Ouyang family, which is extremely unfavorable for the Heavenly Dao Alliance to unify the Kyushu rivers and lakes in the future. In order to prevent the eight saintess from secretly colluding with the Ouyang family in the future, Luo never hesitated. , make a decisive decision.

WOW...

In an instant, the members of the Heavenly Dao Alliance erupted in internal force, and rushed towards the eight saintess of Huanxiang like a tide.

“Sisters!”

At this moment, Huan Xiang was so frightened that her delicate body kept shaking: “Since Luo never believes us, we don’t need to talk nonsense, let’s rush out together.”

After speaking, Huan Xiang flew up and took the lead in rushing. Enter the enemy group.

“Yes, this Luo Jue is so ruthless, we can’t sit still.” Zi Yan and the other saintess spoke one after another, followed by Huan Xiang, and fought fiercely with the members of the Tiandao Alliance.

Buzz buzz...

For a while, I saw the eight saintess, the figures were agile and elegant, and the speed was extremely fast, which only made people dazzled.

In this case, the surrounding Heavenly Dao Alliance members, although they were numerous, could not get close to the eight saintess at all.

This...

Seeing this scene, the surrounding dragon powerhouses all looked complicated.

Xian Di also frowned slightly, looking at Luo Jue with a bit of solemnity.

This Luo Jue was too cruel. As soon as he subdued the Qinglong family, he crossed the river and demolished the bridge to deal with his own people. Looking at this situation, it is difficult for the Qinglong family to have a good life in the future.

Ten minutes passed in the blink of an eye, and the members of the Tiandao Alliance had not yet subdued the eight saintess. On the contrary, under the continuous breakthrough of the eight saints, the formation was in chaos.

A bunch of trash.

Seeing this, Luo Jue frowned, then took out a few long needles as thin as hair from his body.

As you can see, these long needles are more than ten centimeters long, and they are faintly shining with white light.

The Immortal Feather Needle is made of a special kind of spiritual bird feather bone. It is very light and has almost no weight in the hand, but after being stabbed, its strength will be greatly weakened.

It is precisely because of its lightness that when this Immortal Feather Needle is cast, it is completely silent, and the person being stabbed is also unaware, making it hard to guard against.

Chi Chi...

At this moment, Luo Jue didn't hesitate at all, raised his hand and waved, and saw the few Immortal Feather Needles turned into white glows and went straight to the back of the eight saintess of Huanxiang.

Soon, Huan Xiang, who was stabbed first, trembled, and suddenly felt that something was wrong.

what happened?

Chapter 3698

At this time, Huanxiang, with a pale face and a doubtful heart, was fine just now, why is the power of the primordial spirit in the body suddenly unable to be activated?

Not only that, he was so weak that he could barely stand still.

“Haha...”

Seeing Huanxiang's expression, Luo Jue showed a smile and said with a smile: “Saint Huanxiang, give up, don't continue to struggle.” The tone was relaxed and proud, and there was a bit of drama in his eyes. .

Hearing this, Huanxiang suddenly understood something and glared at Luo Jue: “It's you...”

Before she could finish speaking, Luo Jue sneered and interrupted: “Yes, you have been hit with my fairy feather needle. , the power of the primordial spirit has been suppressed, and in a short period of time, it cannot be activated at all, so you should give up resistance.”

What?

Immortal Feather Needle?

When the voice fell, whether it was Huanxiang, or Zi Yan and the other saintess, they were all shocked and furious.

As the Nine Heavens Saintess, of course they knew that the Immortal Feather Needle would lose its resistance as long as it was stabbed, but they would never have thought that Luo Jue, as an envoy specially sent by the Nine Heavens God, would have such a despicable method. Secretly raiding...

“Luo Jue!”

Finally, Zi Yan bit her lip and couldn't help shouting at Luo Juejiao: “Thank you, you are still the messenger sent by the Nine Heavens God to represent the Divine Realm, using such despicable means, Don't you feel ashamed?”

Just as she was talking, Zi Yan's face suddenly turned pale, her delicate body trembled: “Oh, I really want to be hit with the Immortal Feather Needle.” The

voice fell, and the expressions of the other saintess also changed. , the body trembled.

“It's the Immortal Feather Needle... I'm also caught...”

“Me too...”

“Oops, let's be careless.” As

they said, Zi Yan and the other saintess, each with a weak body, slumped on the ground.

call!

Seeing this, Luo Jue showed a smile, then waved his hand: “Take it.”

Whoa!

As soon as the voice fell, several elites of the Heavenly Dao Alliance walked up quickly, tied Huanxiang and Ziyang, the eight saintess Wuhua, and then held them down.

Done!

At this moment, the eight saintess Huanxiang and Ziyang were all pale and a little desperate in their hearts.

This Luo Jue is ruthless, and falls into his hands, I am afraid that the evil will be more fortunate than good.

.....

On the other side, God's Domain, Yutian Palace.

At this time, near the Yutian Palace, it was already dark and dark, and many monsters and gods and soldiers fell into the pool of blood one by one!

The two sides have been fighting here for two days and two nights.

In the past two days, the demon clan led by Yue Feng continued to suffer casualties. There were nearly two hundred thousand casualties. After two days of fierce fighting, there were only less than one hundred thousand left.

On the Divine Realm side, although a lot of troops have been lost, there are still nearly 300,000 divine soldiers and generals.

After all, this is the realm of the gods, and the Yutian Temple is attacked by the demon clan, and the gods and soldiers will continue to come to support from all directions. The more they gather, the more they will be killed.

Under this situation, the demon clan could no longer hold on, but the White Tiger King and Qi Cai Lingfeng, leading the remaining demon clan, were still clenching their teeth.

Whether it was the White Tiger King, Qi Cai Lingfeng and all the demon clan members, they all knew in their hearts that without Yue Feng, they would not be able to leave the sealed land. It was Yue Feng who gave them freedom.

Now Yue Feng's master, Guiguizi, was imprisoned in the heavenly prison by the Nine Heavens God, of course they would do their best to help.

Bang bang bang...

At this time, around the Yutian Palace, the fierce battle between the demon clan and the gods continued!

During the melee, Yue Feng held Fang Tianhua halberd tightly and was extremely brave!

Chapter 3699

At this time, Yue Feng had more than a dozen wounds all over his body, and his clothes were stained with blood, which was very tragic.

In front of him, the divine soldiers under the Nine Heavens God rushed up like a tide and surrounded him, unable to kill him at all.

After two days of fighting, Yue Feng's strength was almost exhausted, but he still gritted his teeth and persisted with his last breath.

Mad!

At this moment, looking at the magic soldiers who kept rushing up, Yue Feng cursed secretly, both annoyed and anxious.

I thought that with the momentum of the demon clan, I could catch God's Domain by surprise, and then took the opportunity to rescue Master Guiguzi, but I never thought that the reinforcements of God's Domain would come so quickly.

What made Yue Feng even more depressed was that two days had passed, and he didn't even know where the Heavenly Prison was, and was completely dragged into the Imperial Heaven Palace.

Not far from Yue Feng, the White Tiger King, Colorful Lingfeng, Lan Ling Peacock and Xuanwu King, all of them had almost exhausted their strength, all of them were pale, but their eyes were still firm, and they did not retreat in the slightest.

Like Yue Feng, the White Tiger King and Qi Cai Lingfeng were extremely anxious.

It's not good to fight like this. God's Domain's reinforcements continue to flow. If you continue to consume it, all the demon clan will be completely destroyed.

Pfft...

At this moment, a divine soldier took advantage of Yue Feng's unpreparedness, rushed up from behind, and stabbed Yue Feng's shoulder with a sword.

In an instant, blood spurted out, and Yue Feng couldn't help taking a breath.

"Your Excellency Yue Feng!"

Seeing this scene, both the White Tiger King and the Colorful Lingfeng couldn't help exclaiming.

In the next second, the figure of the White Tiger King broke out, rushed over directly, blocked in front of Yue Feng, knocked back a few divine soldiers, and shouted at the same time: "Your Excellency Yue Feng, this is not the way, let's block first, you hurry up and go. Heaven Prison, look for Mr. Guigu."

When he said this, the White Tiger King's tone was firm and unquestionable.

Yue Feng took a deep breath, and without thinking about it, shook his head and said, "No, I can't go!" The

demon clan in front of them were already at a disadvantage, and if they left again, they would be even more unable to stop them.

Hu...

Seeing Yue Feng's refusal, the White Tiger King became anxious and shouted: "You don't have to worry about us, you hurry up, let's go..." As he spoke, the White Tiger King burst into force and rushed towards the enemy group in front of him.

At the same time, Qi Cai Lingfeng not far away also bit his lip and shouted at Yue Feng: "Your Excellency Yue Feng, listen to the White Tiger King, you go first and find a way to rescue Mr. Guigu, here we block first. "

Okay!"

Yue Feng gritted his teeth, nodded his head, and immediately moved his figure to rush out of the battlefield.

"Stop him!"

Seeing the situation here, the Nine Heavens God suspended in the sky, his eyes locked on Yue Feng for a moment, and he shouted loudly, and his mighty voice spread all over the world.

Wow...

the voice fell, and suddenly there were hundreds of divine soldiers, urging their figures and rushing towards Yue Feng.

Yue Feng's eyes were instantly blood red, and he was holding Fang Tianhua halberd tightly. Ma De, the God of Nine Heavens had already stared at him. Under such circumstances, it was difficult to leave the battlefield.

At this moment, the White Tiger King roared wildly: "With me here today, none of you want to hurt Your Excellency Yue Feng." The voice fell, and the White Tiger King flashed, standing in front of Yue Feng, and greeted the hundreds of gods. soldier.

At the same time, the White Tiger King did not forget to push Yue Feng: "Come on..."

Yue Feng didn't have time to react at all. He just felt a strong force and was pushed by the White Tiger King a few hundred meters away, to the point of the battlefield. Outside, the White Tiger King was suddenly surrounded.

Huh...

Seeing this scene, Yue Feng's blood was agitated, and he couldn't express his feelings.

I thought this White Tiger King was also a selfish hypocrite, but he never thought that at a critical moment, he would be so benevolent and righteous.

At this moment, the White Tiger King was surrounded by hundreds of magical soldiers and could not rush out at all. Suddenly, a magical soldier rushed behind the White Tiger King, and the long sword in his hand stabbed the White Tiger King in the back!

“Puchi!”

In an instant, blood spurted out, and half of the White Tiger King’s body was instantly dyed red.

Chapter 3700

Poof!

Originally, the White Tiger King had a lot of trauma, and his strength was almost exhausted. At this time, he was hit by another sword, and the whole person was instantly weak.

Before he could catch his breath, several more divine soldiers rushed up, and the weapons in their hands slashed at the White Tiger King one after another.

“Puchi! Puchi!” The

blood of the White Tiger King was like a spring, and he couldn’t hold it anymore. He suddenly fell from the sky and fell heavily on the roof of the Imperial Palace.

“Roar!”

The moment he landed on the top of the hall, the White Tiger King turned into a giant tiger, raised his head and roared, waving his claws, and suddenly dozens of divine soldiers were swept away.

Hiss...

Feeling the bravery of the White Tiger King, the other divine soldiers around him looked at each other in dismay! Extremely apprehensive.

This White Tiger King is worthy of being one of the four innate spirit beasts... After suffering such a serious injury, he can still burst out with such mighty power.

“White Tiger King!”

And Yue Feng, who rushed out of the battlefield, saw this scene, he couldn’t help shouting, and at the same time, there were tears in his eyes!

“Hooho...” The White Tiger King turned his head and roared at Yue Feng, his eyes flashing resolutely, signaling Yue Feng to leave quickly.

call!

At this moment, Yue Feng's eyes were extremely blood red, like crazy, and he shouted at the Nine Heavens God in the sky: "Nine Heavens God, listen to me, if anything goes wrong with the White Tiger King and Qi Cai Lingfeng, I will pay for your blood for your blood. Compensation." The

voice fell, Yue Feng wiped the tears from the corners of his eyes, gritted his teeth and thought about rushing behind the Yutian Palace.

To be honest, Yue Feng really doesn't want to leave like this, but the White Tiger King has already made a stance of breaking the boat. If he persists, the blood of the White Tiger King just now will be in vain.

Behind the Yutian Palace is a large-scale palace group, where in addition to the resting place of the Nine Heavens God, there is also the Heavenly Prison...

shuh!

Hearing Yue Feng's words, Jiutian God's face instantly turned gloomy, and he said coldly, "Stop him!" He is the dignified ruler of the divine realm, but he is threatened by a human being, how can he bear it?

As soon as the voice fell, he saw thousands of divine soldiers chasing directly towards Yue Feng.

"Help Your Excellency Yue Feng to break through."

Seeing this situation, Qi Cai Lingfeng let out a coquettish cry, and then led several hundred demon warriors to intercept the thousands of divine soldiers.

Taking this opportunity, Yue Feng accelerated and rushed into the palace group.

Mad!

The moment he rushed into the palace complex, Yue Feng heaved a long sigh of relief, Ma De, finally broke out.

At the same time, I was a little anxious in my heart, I had to hurry up a little bit, you must know that the White Tiger King and Qi Cai Lingfeng couldn't last long.

Um?

While muttering in his heart, Yue Feng suddenly frowned, only to feel a sharp breath behind him, and he quickly turned around and looked back.

Seeing this, Yue Feng was shocked.

I saw a figure, breaking through the siege of the colorful phoenix, came out of the sky, a golden armor, and the whole body was filled with powerful divine power.

It is Ao Lin, one of the six kings of the law under the throne of the Nine Heavens.

Gudong.

At this moment, feeling Ao Lin's strength, Yue Feng couldn't help taking a deep breath.

Such a strong breath, his strength is at least ten times stronger than that of Gong Ao.

Feeling Yue Feng's panic, Ao Lin's eyes were like torches, revealing a bit of contempt: "Yue Feng, you are very courageous, you dare to release the demon clan from the sealed land, and also disturb the Yutian Palace, don't think that there is a demon clan. Cover, you will be safe."

"Suffer to death!" As the

voice fell, Ao Lin slowly raised his hand, clenched a long black knife, and came straight towards Yue Feng.

The ultimate husband in Chinese chapter 3701-3710

Chapter 3701

Nima!

Seeing Ao Lin coming, Yue Feng scolded secretly, and without thinking too much, he immediately summoned a ball of heavenly sparrow spirit flames and threw it at Ao Lin.

hum!

The moment the Sky Sparrow Spirit Flame appeared, the surrounding temperature suddenly rose, and the air was extremely distorted.

Feeling the scorching temperature of Tianque Lingyan, Ao Lin frowned, not daring to take it hard, and subconsciously dodged aside.

Yue Feng's reaction was also very fast, and he took this opportunity to run towards the depths of the palace complex.

"Want to run?" Ao Lin reacted, snorted coldly, and quickly caught up!

Nima!

Seeing Ao Lin chasing after him again, Yue Feng cursed inwardly, complaining in his heart.

If I can't get rid of this Ao Lin, how can I save Master?

What makes Yue Feng speechless is that the palace complex in front of him is too big. You must know that the Beiyong Imperial City in the Kyushu Continent is already big enough, and this one is dozens of times larger than the Beiyong Imperial City. It can be said that it is boundless.

Yue Feng ran for a few minutes, only to feel that the distance between Ao Lin and himself was getting closer and closer, and he was about to catch up. Moreover, because he was in a panic and was not familiar with the environment, Yue Feng could not tell the direction and was completely lost.

Um?

Just when Yue Feng was in a hurry, he saw that there was a palace in front of him. This palace was very strange. Other palaces were made of white jade, but this one was a black palace.

When he got to the front, Yue Feng clearly saw that the gate of the palace was engraved with a few words: forbidden area of the holy palace, violators are conceited.

This chapter is provided by . Visit for daily update.

Forbidden place?

Seeing this, Yue Feng's heart moved. He rushed in without any hesitation at the time. You must know that since Yue Feng became a cultivator, he has no idea how many forbidden places he has passed through.

Not only did he not panic, but Yue Feng felt a little fortunate that this was the forbidden area of the Holy Palace, so Ao Lin might not dare to chase in, so he would be temporarily safe.

Huh...

Sure enough, seeing Yue Feng rushing into the black palace, Ao Lin did not catch up, but stopped, his expression full of caution and complexity.

Seeing this scene, Yue Feng was completely relieved, and a smile appeared on his face at the same time.

The next second, Yue Feng taunted Ao Lin: "Chasing? Why don't you chase?" What about the

strength? When you arrive at the forbidden area, don't you dare to come in?

"Haha!"

Facing Yue Feng's sneer, Ao Lin chuckled and said coldly: "Boy, you have entered the dead place, you don't need me to do it yourself, why do you need to go in?"

What do you mean?

Hearing this, Yue Feng frowned.

Om....

It was at this time that I heard a powerful aura surge in the black palace behind him. Yue Feng looked back subconsciously, and when he saw it, the whole person was blinded.

I saw that in the black palace, a black vortex was constantly twisting and changing, and at the same time, a strong breath was constantly surging.

At first glance, this black vortex looks like a chaotic vortex that distorts space, but Yue Feng clearly feels that the power that pervades this black vortex is even more bizarre than that in the chaotic vortex.

what is this? Portal?

After being stunned for two seconds, Yue Feng reacted and couldn't help but muttered in his heart.

Phew...

But at this moment, a terrifying suction force erupted from the black vortex and directly enveloped Yue Feng. All of this happened so suddenly that Yue Feng didn't have time to react.

In the next second, Yue Feng's figure flashed, and he was directly sucked into the black vortex.

"You can't live by yourself!"

Seeing this scene, Ao Lin looked contemptuous, muttered to himself, turned around and walked towards the Yutian Palace.

Yue Feng didn't know what the black vortex was, but Ao Lin knew it clearly. The black vortex was connected to an independent special space. In this special space, an extremely terrifying existence was sealed. Yue Feng was sucked into it. Absolutely nine deaths.

Chapter 3702 The

other side.

After being sucked in by the black vortex, Yue Feng only felt that the world was spinning.

I don't know how long it took, the dizziness disappeared, Yue Feng opened his eyes and was stunned.

I saw that there was a dim world in front of me, surrounded by gray, boundless and boundless, as if entering a chaotic world.

What the hell is this place?

At this moment, Yue Feng stood there, his face confused.

At this time, Yue Feng clearly felt that in this chaotic world, the power of his own primordial spirit seemed to be suppressed, and he could not exert it at all.

That feeling, as if he had changed back to an ordinary person, made Yue Feng very frightened.

Phew...

It was at this moment that I heard a deep breath in the endless darkness.

“Who?”

Hearing the sound of breathing, Yue Feng was startled, and instinctively shouted, while walking along the sound.

What the hell! Is there really someone here?

Just after walking a dozen steps, Yue Feng’s heart trembled, and the whole person was stunned!

I saw a figure quietly suspended in the gray mid-air.

This is a man, dressed in black robes. The robes are worn out, but very clean. The man looks around thirty-five. His facial features are cold and handsome, and he is very handsome.

Especially the frantic long white hair, indescribably domineering.

“call...”

The man looked at Yue Feng from afar, and after an unknown amount of time, he let out a sigh: “I didn’t expect that, after so many years, the first person to come in was actually a human.

” An irresistible mighty coercion.

Gudong!

Under this pressure, Yue Feng secretly swallowed his saliva and said cautiously: “Dare to ask, who is the senior? Where is this place?” The

man chuckled: “I am the Brahma Heaven Emperor, as for this place, It is a place in the God Realm that has been forgotten by the gods, and I call it the Immortal Tomb.”

Brahma Emperor? Cactus?

Hearing this, Yue Feng froze there, feeling inexplicably nervous.

The four words Brahma Emperor sounded very domineering, and it seemed that his identity was unusual.

However, even this kind of existence is trapped here, can't I get out? Muttering

in his heart, Yue Feng squeezed out a smile and said politely: "Your Excellency Emperor, how can I get in and out of this place? Please point me to a clear way."

"Go out?"

Just like a joke, he couldn't help but taunted: "You are very naive, even I have been trapped here for 30,000 years, and you still want to go out as a human?"

What?

When the voice fell, Yue Feng's brain was buzzing, and the whole person froze.

what did he say? He's been stuck here for 30,000 years?

"You, a human, can come here, it seems unusual."

Just when Yue Feng was secretly shocked, he saw the Brahma Emperor looking at him with a half-smile but a bit of abusive tone: "Let me test your abilities and see what's special." The

voice fell . , Brahma Emperor slowly raised his right hand.

Uh...

At this moment, Yue Feng only felt a powerful force, and instantly imprisoned himself, and then, the whole person suddenly rose up in the sky, as if an invisible thug lifted him up.

Chapter 3703 The

trough...

At this time, Yue Feng was in a panic. Under the crushing force of that terrifying force, he only felt that his whole body was about to explode.

Under the panic, Yue Feng's voice was weak and hoarse: "Former...Senior...have mercy, this will kill people..." When he said this, Yue Feng almost cried.

Nima, his luck was too bad. He thought that he had entered a forbidden area and could get rid of that Ao Lin, but it was passed to this place called Xianren Mound, and he also met the Brahma Emperor.

It would be utterly unfortunate to die in the hands of the Brahma Emperor like this.

“Hmm...”

However, facing Yue Feng’s pleas, Emperor Brahma didn’t seem to hear it at all, and while urging energy and crushing Yue Feng, he muttered to himself: “It’s really not simple, but the body is a mortal body. Possessing the primordial spirit...”

“Huh? Also possessing a different fire...”

Hearing

this, Yue Feng couldn’t help gasping for air, and was extremely shocked.

Nima, this Brahma Emperor is too terrifying, not only can he perceive his own primordial spirit, but also know that he has a strange fire...

eh?

Just when Yue Feng was secretly shocked, all of a sudden, the Brahma Emperor discovered something and called out in amazement: “Good boy, you still have the power of the ancestors of birds?” As

he spoke, the Brahma Emperor tore off Strength, Yue Feng lost his balance and fell to the ground.

“Boy!”

At this time, the Brahma Emperor hovered proudly in the air, staring at Yue Feng with burning eyes, his tone was complex, but also a bit commanding: “You are a human, how can you have the power of bird ancestors? Hurry up, or call Your primordial spirit is destroyed.”

When he said this, the Brahma Emperor tried his best to restrain the excitement in his heart!

You must know that the Brahma Emperor and the Suzaku family have a very close relationship. After Pangu opened up the world, there were four major spiritual beasts born in the world, namely Qinglong, Baihu, Suzaku, and Xuanwu. These four congenital spirit beasts have extremely arrogant personalities, but Suzaku is the Emperor Brahma.

Since Pangu opened up the world, there has been only one person who can conquer the four innate beasts, the Brahma Emperor.

It was only later that the Brahma Emperor encountered some troubles. In desperation, he cancelled the master-servant relationship with Suzaku. However, in the heart of the Brahma Emperor, he always had some special feelings for Suzaku.

Under such circumstances, the Brahma Emperor felt the power of Yue Feng's bird ancestors at this time, and naturally he could not calm down. You must know that Suzaku is the ancestor of all birds, and the power of bird ancestors in her body is her source power.

At this time, the power of bird ancestors appeared on a human being, which was too strange.

call!

At this moment, feeling the aggressive aura of Emperor Brahma, Yue Feng couldn't help taking a deep breath and

said carefully, "This is what Queen Suzaku passed on to me." With that, Yue Feng explained the situation at that time in detail. .

After saying this, Yue Feng secretly observed the expression of Emperor Brahma. I couldn't help but murmured in my heart, this Brahma Emperor is so excited, does it have any relationship with the Vermillion Bird Clan?

What?

Sure enough, upon learning of these circumstances, Emperor Brahma was faintly shocked, his face changed, his eyes widened, and anger and heartache flashed in his eyes.

A few seconds later, Emperor Brahma reacted and stared at Yue Feng: "You said Queen Suzaku is dead?"

"Yes!" Yue Feng nodded and said carefully: "At that time, she was raided by Jinpeng, and in an emergency, I had to Pass on the power of Bird Ancestor to me."

Speaking of which, Yue Feng couldn't help but wonder in his heart: "That.... Your Excellency the Emperor, you and Queen Suzaku..."

Before he finished speaking, he was taken by the Brahma Emperor. interrupted.

Chapter 3704

“It used to be my spirit beast.” Brahma Emperor said, with a bit of emotion in his eyes: “Later I cancelled the master-servant relationship with it, I thought that one day, if I could leave this immortal tomb, I can see her again, but I didn’t expect...”

Finally, the Brahma Emperor looked sad and sighed.

What?

At this moment, Yue Feng only felt his brain buzzing, staring blankly at Emperor Brahma, completely stupid.

Queen Suzaku...was his spirit beast?

It’s incredible.

Under the shock, Yue Feng took a deep breath and couldn’t help but ask: “Your Excellency Emperor, how did you get trapped here?” The

Brahma Emperor smiled bitterly, as if he didn’t want to mention his past, but he finally said it. : “It’s because I lost a bet with my junior brother.”

Yue Feng scratched his head: “Junior brother?”

Brahma Emperor glanced at Yue Feng and said lightly: “Yes, my junior brother, we worshiped the ancestors of Honghuang together at the beginning. Relationship. Very good, when the whole world was divided into the realm of gods, the realm of humans, and the realm of ghosts, the younger brother strongly supported me as the master of the realm of the gods.” Hearing this, Yue Feng couldn’t help taking a deep

breath

to hide his inner feelings. Shocked, after staying in God’s Domain for this period of time, Yue Feng had heard that the ancient ancestor of the Great Desolation was the most powerful god after the creation of the world.

Unexpectedly, the Brahma Emperor in front of him turned out to be the ancestor of the Great Desolation.

Just when Yue Feng was thinking about this, he heard the Brahma Emperor continue: “Later, I became the master of the gods and began to formulate systems, as well as rules and regulations to restrain the gods.”

“As a result, at this time, Junior Brother suddenly jumped out and said that I was too conceited, and the rules and regulations I had drawn up would not work at all.”

When he said this, Brahma Emperor’s eyes flickered with confusion.

Yue Feng was half-understood and couldn't help but ask: "Why doesn't it work?"

"Haha..."

Brahma Emperor smiled, but there was a hint of bitterness in his smile: "As a human, you should know that human beings It is very difficult for the world to enter the realm of the gods, and the rule I formulated at the time was that the realm of the gods established a sect in the human world, and then selected elite talents in the human world every ten years.

" Human beings are mostly greedy and don't need to do this."

"According to the younger brother's words, human beings should be allowed to fend for themselves. If there are human beings, they will cultivate to a certain realm by themselves, and they will only be accepted by the divine realm if they shatter the void and come to the realm of the gods.

"

Hearing this, Yue Feng couldn't help but sigh in his heart.

I really did not expect that such a thing happened in the Divine Realm tens of thousands of years ago.

To be honest, if the rules specified by the Brahma Emperor were really implemented, the world of the human world would not be what it is now.

Thinking to himself, Yue Feng thought for a while and asked again: "Then you, junior brother, are you still here now?"

Emperor Brahma pondered for a while, and smiled bitterly: "After I lost the bet with him, I will take the position of God's Domain Master. Let go out, I still remember that when he was in power, he claimed to be the God of the Nine Heavens..."

Shuh...

At this moment, Yue Feng was shocked and completely stunned.

Nima, after a long time, Brahma Emperor's junior brother turned out to be the God of Nine Heavens.

When he thought of Jiutian God, Yue Feng suddenly became angry. At that time, he just wanted to leave the realm of the gods. In desperation, he pretended to be Jiutian God. However, Jiutian God actually arrested Master Guiguzi for his own face.

Chapter 3705

After a few seconds, Yue Feng calmed down, and then looked at the Brahma Emperor curiously: “Your Excellency, what bet did you make at that time?”

Although from the current situation, the Brahma Emperor must have lost at that time, otherwise , and will not stay in this dark immortal tomb.

However, Yue Feng wanted to know about the situation at that time.

call!

The Brahma Emperor pondered, his expression fluctuated, and he seemed to be caught up in memories.

After a few minutes, the Brahma Emperor said slowly: “My brother and I are betting on human nature. I firmly believe that all human beings are kind, industrious and hardworking, while my brother believes that humans are greedy and evil.”

“To demonstrate this, I made a bet with my younger brother, and then locked a human being in a fairy fruit forest, and then gave him a magic manual. At the same time, I sent a fairy to guard it.”

“At that time, I told that person that as long as you keep yourselves safe and practice magic, you can stay there. God’s Domain, but you can’t leave the fairy fruit forest, and you can’t pick and eat the fairy fruit without authorization. Because I bet that this human will work hard to cultivate the magical power according to my instructions.”

“And the junior brother concluded that this human will definitely pick the fairy fruit and eat it, because as long as Taking one immortal fruit will increase your lifespan by 500 years, that person will definitely not be able to resist such a big temptation.”

Hearing this, Yue Feng couldn’t help laughing dumbly: “In the end, that person ate the immortal fruit.”

“Yes.

Brahma Emperor nodded slowly, with a complex expression on his face: “That person not only picked the fairy fruit, but also defiled the fairy... So, I lost, and I lost very thoroughly.” I

went.

Knowing this was the case, Yue Feng was immediately stunned. That person was really daring. Not only did he pick the fairy fruit to eat, but he even defiled the fairy.

At this time, the Brahma Emperor continued: "After I made this bet, according to the previous bet, I self-destructed my primordial spirit, and then entered the immortal mound for meditation, and my junior brother took over my rule in the God's Domain."

Saying, Brahma The emperor was very emotional: "In a blink of an eye, 30,000 years have passed..."

Self-destructing Primordial Spirit?

At this moment, Yue Feng's heart skipped a beat, and his mind went blank.

This Brahma Emperor has no Primordial Spirit, yet his strength is still so powerful. Wouldn't it be even more terrifying if he had Primordial Spirit?

Later, Yue Feng thought about the bet between Brahma Emperor and Jiutian God, and after careful consideration, he always felt that something was wrong in those places.

Even if it was a bet between two brothers and sisters, there was no need to be so ruthless. The one who was going to lose would destroy his Yuanshen, and he would have to go into a dark place like the Immortal Tomb to meditate.

Could it be that this was deliberately set up by the Nine Heavens God in order to seize the throne?

Thinking of this, Yue Feng couldn't help but say: "Your Excellency Emperor, have you ever thought about betting at that time that your junior brother secretly used a trick."

Shah!

Hearing this, Emperor Brahma's face changed, and his expression became solemn: "What do you mean?"

"You think." Yue Feng analyzed: "If it is an ordinary human being, how could it be possible to steal it if you knew that you had given a warning. After the fairy fruit, you still defile the fairy? This is too courageous."

"So I suspect that your junior brother secretly manipulated that person at the time. That's why you lost so thoroughly."

After the last sentence, Yue Feng secretly observed the expression of Emperor Brahma.

The Brahma Emperor fell silent, not responding, but thinking about something.

"correct!"

The ultimate husband in Chinese chapter 3706-3710

Chapter 3706

After a few minutes, the Brahma Emperor thought of something, and asked Yue Feng: "You said before that you got the power of the bird ancestor in the sealed land, where is the sealed land?"

Yue Feng Without concealing it, he responded: "When the God Realm launched a god war, all the demon clans were sealed up. The demon clan are the four innate spirit beasts, as well as other spirit beast groups..."

Launching a god battle?

Hearing this, the Brahma Emperor frowned.

Yue Feng continued: "I don't know the specifics, but as far as I know, the God Realm started the war because the four innate spirit beasts refused to surrender to the God Realm, which caused the Nine Heavens God to be furious..."

"Damn it. .."

At this moment, Brahma Emperor's face instantly darkened, and anger flashed in his eyes.

Yue Feng was startled and quickly said: "What's the matter? Your Excellency?" The

Brahma Emperor couldn't hide his anger, and said, "I lost the bet at that time, and after giving way, Junior Brother promised me that he would always maintain the balance of the God Realm. I don't use force easily, but I didn't expect that after I entered the immortal tomb, he immediately launched a divine battle to force the four major spiritual beasts to surrender..."

"But it's no wonder, when I lost the bet, the Qinglong, Baihu four The great spirit beasts have been persuading me not to be too serious, and even more to persuade me not to give up the dominion of the divine realm."

"Now it seems that it is precisely because the four spirit beasts support me that the junior and junior are dissatisfied, so he will activate the gods. Battle."

Alas...

Hearing this, Yue Feng sighed secretly.

This Brahma Emperor still does not understand that everything in those years was set up by the Nine Heavens God. He deliberately made a bet with the Brahma Emperor to

force the Brahma Emperor to abdicate, and then launched a war of gods to establish his prestige...

However, this Brahma Emperor has always been in a state of 'the authorities' fans, so he has never figured it out.

This chapter is provided by . Visit for daily update.

Even if you want to understand now, it's too late.

At this time, the Brahma Emperor was very annoyed and regretful: "Damn, I knew this earlier, I should have listened to the words of the four great spirit beasts and didn't give up my seat to the junior brother. I didn't expect the junior brother's city to be so deep, and he actually deceived me 30,000 yuan. Years."

Hearing this, Yue Feng was a little dumbfounded, but still comforted: "Your Excellency Emperor, it is not too late for you to understand now, I have released the demon clan from the sealed land, and I am with the Nine Heavens God at this time. There is a fierce battle in Yutian Palace."

"Since Your Excellency the Emperor has figured out the past, it is better to take the junior out of here and stop this battle."

When he said this, Yue Feng's eyes were full of urgency.

It's been more than an hour since I entered this immortal tomb, and I don't know what's going on in the Yutian Palace, whether the White Tiger King and Qi Cai Lingfeng are still struggling.

However, with the help of Emperor Brahma, I believe that the situation will soon be restored.

call!

Under Yue Feng's eager gaze, Emperor Brahma gave a wry smile, shook his head and said, "I told you just now that without my primordial spirit, I can't get out at all, so I stayed here for thirty thousand years, so you Do you think I can take you out?"

What?

Yue Feng's ability was full of expectations, and when he heard this, he instantly became desperate.

Nima, if you say that, you will never be able to get out?

"However..."

Just when Yue Feng was extremely depressed, he heard Brahma Emperor Yu Feng turn around and said slowly, "You have Primordial Spirit, and there is a possibility of leaving, but your strength is too low."

Having said that, the Brahma Emperor looked up and down at Yue Feng, and continued: "You have the power of Bird Ancestors, and you can still meet me here. It is considered that we are destined. From now on, I will pass on the Nine Heavens Holy Profound Art to you, I hope you can understand it well. As long as you practice it, you can leave the immortal tomb."

Chapter 3707

Nine Heavens Holy Profound Art?

Hearing this, Yue Feng froze there, staring blankly at Emperor Brahma, with inexplicable ecstasy in his heart.

This practice method is very domineering when I hear it, it should be very powerful.

"Haha..."

Looking at Yue Feng's expression, the Brahma Emperor immediately guessed his thoughts and smiled: "This Nine Heavens Holy Profound Art was passed down to me and my junior brother by Master Tongtian Che. The power of the earth, so, after you have comprehended your studies, you can't use it easily, do you understand?"

"Understood!" Yue Feng nodded again and again, inexplicably excited.

Haha... I

thought I was trapped in this immortal tomb and could only wait to die, but I didn't expect that Liu Anhua would become a disciple of the Brahma Emperor in a blink of an eye.

Just like a dream.

"Don't be too happy for now."

Just when Yue Feng was extremely excited, he saw Brahma Heavenly Monarch with a serious face: "Not everyone can practice this Nine Heavens Holy Profound Art, although you have Primordial Spirit, you can have a good physique. It is not enough, you need 'Five Elements Tempering', only after successfully passing through 'Five Elements Tempering', you have the body of the Holy Spirit, can you practice the Nine Heavens Holy Profound Art."

Five Elements Tempering?

Hearing this, Yue Feng was stunned, and he couldn't help but say, "What is 'Five Elements Tempering'?"

" said.

Hearing this, Yue Feng nodded and couldn't wait to say, "Then let's start."

Seeing his expression, the Brahma Emperor smiled and said, "You have a plan in your heart, it is not easy to temper your body with the five elements, you have to endure unimaginable pain. ."

call!

Yue Feng gritted his teeth secretly, nodded and said, "I can."

As long as he can leave here, he is not afraid of any hardships.

"Okay!"

Seeing Yue Feng's serious face, Emperor Brahma stopped talking nonsense, then raised his hand and waved, and suddenly, the entire gray space around him quickly distorted and changed.

At the same time, Yue Feng was slowly dragged into the air by an invisible force.

Om... The

next second, I saw a sea of fire formed around, and this sea of fire quickly enveloped Yue Feng. This sea of fire was formed by the real fire of the five elements that was only available in God's Domain.

The raging Five Elements True Fire continued to burn, and he saw that Yue Feng's body was flushed red.

However, Yue Feng has the spirit of the sky bird, so he doesn't panic at all.

I don't know how long it took, the sea of fire finally disappeared, and Yue Feng successfully passed through.

"Not bad!"

Seeing this scene, Brahma Emperor nodded approvingly: "You have a strange fire in your body, so you can easily pass through this fire, but you have to be careful next time." The

voice fell, Brahma The emperor raised his hand again, and saw that the surroundings were suddenly white and became a world of ice and snow.

Hiss...

At this moment, Yue Feng's body trembled suddenly, and he felt extremely cold all over his body.

Holy crap, it's so cold!

In an instant, Yue Feng's whole body trembled, as if his whole body was frozen.

At the beginning, Yue Feng could still bear it, but as time went on, the cold from all around him became stronger and stronger.

"Ah!" The

endless cold invaded, and Yue Feng finally couldn't help it. He screamed loudly. At the same time, he had to mobilize the power of his primordial spirit to resist the cold.

However, at this moment, I heard the Brahma Emperor shout: "Don't push the power to resist, otherwise, the body will fail. All you can do is to endure..."

Ren...

heard With these words, Yue Feng immediately gave up urging his primordial spirit, and continued to endure with gritted teeth.

Time passed by minute by minute.

I don't know how long it took, and the Five Elements Body Tempering finally came to an end. I saw that Yue Feng was soaked in cold sweat, his face was pale, and he was in an indescribable embarrassment. It was like he walked through the gate of hell.

"Okay!"

At this moment, Emperor Brahma looked at Yue Feng, his eyes full of admiration: "You can pass through the five elements so smoothly, it seems that you are really extraordinary, now I will teach you the Nine Heavens Holy Profound Art, you must get rid of distracting thoughts, Concentrate on understanding."

Chapter 3708 The

voice fell, and the Brahma Emperor said the formula.

At this moment, Yue Feng gathered his energy and memorized the formula, then closed his eyes, sat cross-legged, and entered into the practice.

.....

On the other side, Yutian Palace!

At this time, the fierce battle between the demon clan and the gods was drawing to a close.

I saw that the White Tiger King, Qi Cai Lingfeng and other demon tribesmen were covered in blood, extremely weak, and had almost no strength to fight.

boom!

At this moment, a god general burst out, slapped the White Tiger King with a slap on the back, and heard the White Tiger King roar, and the huge figure fell to the ground, completely losing his combat effectiveness.

“White Tiger King!”

Seeing this scene, Qi Cai Lingfeng and other demon clan members exclaimed in surprise.

And taking advantage of the distraction of the colorful spirit phoenix, countless gods and soldiers rushed up to restrain her.

At the same time, the surrounding demon tribes were also tied up by five flowers.

Done!

Seeing this scene, the eyes of the White Tiger King were full of unwillingness and despair.

I thought that leaving the sealed land, I could settle the old account with the Nine Heavens God, but in the end it was a fiasco.

Fortunately, Your Excellency Yue Feng escaped in time, and now he should rescue Mr. Guigu.

call!

Seeing this scene, the Nine Heavens God suspended in mid-air showed a cold and arrogant smile.

At this moment, Ao Lin came quickly and said respectfully, "Your Majesty, all the demon clans have been captured."

Nine Heavens God nodded, and then thought of something: "What about that Yue Feng?"

Ao Lin quickly responded: "That Yue Feng broke into the Immortal Tomb, and if nothing else happened, he was already dead inside."

Hmm!

Hearing this, Jiutian God's expression softened. The Immortal Tomb is an independent space derived from the creation of the world. The environment inside is harsh and very dangerous, and there is still his brother Brahma Emperor trapped inside.

The Brahma Emperor has been imprisoned for 30,000 years, and he must have gone into trouble.

In this case, Yue Feng will surely die if he enters the Immortal Tomb.

"Your Majesty!" At this time, Ao Lin pointed at the White Tiger King and the other demon clan members, asking for instructions, "How to deal with these demon clans?"

Jiutian God didn't even think about it, and said coldly, "Prepare the platform of punishment immediately. "

Yes!"

Ao Lin responded and hurried to prepare.

Two hours later, a huge execution platform was built, and the White Tiger King, Colorful Lingfeng, and other demon clan members were all tied up with five flowers and brought up.

"The White Tiger King, the Xuanwu King."

At this time, the Nine Heavens God stared at the White Tiger King, and said coldly: "Even if you escaped from the sealed land, you are not my opponent, and now I will give you a chance to tell me Loyalty, never betray. I will spare you." The

White Tiger King did not respond, but snorted coldly.

The King Xuanwu and Qicai Lingfeng next to him also looked like they were going to die.

"Okay!"

Seeing this situation, Jiutian God's face became gloomy, and he stopped talking nonsense: "Since you want to die, I will fulfill you."

The voice fell, and Jiutian God slowly raised his right hand.

hum!

In an instant, the sky and the earth changed color, and dark clouds gathered in the sky. Immediately afterwards, among the rolling dark clouds, thunder and lightning ripped apart the clouds.

Yes, God of the Nine Heavens, are you going to draw out the thunder to annihilate all the monsters in front of you?

In the heart of Jiutian God, if these monsters do not surrender, they must be removed decisively, otherwise there will be endless troubles.

Thunder?

At this moment, whether it was the White Tiger King or the Colorful Lingfeng, their hearts trembled.

Chapter 3709

As spirit beasts, the White Tiger King and the colorful spirit phoenixes, every time they reach a certain level of cultivation, they also need to break through the calamity, so they know the power of Tianlei well.

After a few days and nights of fierce battles, the White Tiger King, the Colorful Lingfeng, and the Xuanwu King were almost completely exhausted.

call!

At this time, the White Tiger King's face was extremely pale, but his eyes were filled with determination.

Looking at the thunder and lightning above his head, the White Tiger King's eyes were blood red and he was full of pride: "King Xuanwu, Qi Cai Lingfeng, although we lost this battle, we did not lose face to the demon clan from the beginning to the end."

"Also, Your Excellency Yue Feng has successfully escaped, and I believe that he will definitely come back to avenge us."

"Isn't it Tianlei, I haven't paid attention to the White Tiger King."

When he said this, the White Tiger King looked mad, and his eyes were even more intense. Is flashing rebellious.

The voice fell, and the Xuanwu King and the colorful Lingfeng next to him nodded in agreement.

“That’s right, we’ve done our best anyway and died without complaint!”

“The White Tiger King is right, Your Excellency Yue Feng, he will definitely avenge us!”

“Although we lost this battle, we also killed a lot of magic soldiers. God general, I have no regrets.”

At this moment, the White Tiger King, Xuanwu King, and Qi Cai Lingfeng looked at each other with a smile on their faces, but they couldn’t tell the sadness in their hearts!

After finally leaving the sealed land, I haven’t had time to display my ambition to revitalize the demon clan, but all of them will be destroyed. I’m so unwilling.

For a time, a dull atmosphere enveloped the entire execution platform.

Whether it is the White Tiger King, the Xuanwu King and the Colorful Lingfeng, all of them have fearlessness in their eyes, but their hearts are full of despair.

“Death is imminent, there is so much nonsense!”

Seeing this scene, Jiutian God snorted coldly, then stopped talking nonsense, raised his hand and waved, directly arousing Tianlei.

boom!

In an instant, I saw a thunder and lightning, from the billowing dark clouds, slashed directly towards the execution platform, like a beam of light connecting the heaven and the earth, which was very shocking.

Seeing this scene, all the White Tiger Kings closed their eyes and waited for death to come.

And the many priests watching around, as well as the gods and soldiers, all had a look of indifference. In their hearts, the monsters in front of them dared to provoke the God of the Nine Heavens, and they didn’t care about the realm of the gods at all, and it was not a pity to die.

Om...

However, at this time, I saw an earth-shattering roar from the palace group not far away.

This roar, no less than the surging of the sky, shocked the world.

what happened?

At this moment, whether it was the Nine Heavens God, or the surrounding priests, and the White Tiger King on the execution platform, they were all stunned, and then turned their heads to look.

Seeing this, the audience suddenly became silent.

I saw that over the palace group, the situation was changing, the smoke and clouds were rolling, and finally a colorful auspicious cloud came out.

This...

seeing this scene, whether it is the gods of the gods or the demon clan, they are all stunned.

There are colorful auspicious clouds? What kind of peerless powerhouse came out?

In the shock, they clearly sensed that the spiritual energy of heaven and earth continued to merge into the colorful clouds, and the powerful breath condensed made people palpitated.

call!

At this time, the Nine Heavens God also had a solemn expression on his face. No, in the God Realm, there are very few people who can trigger colorful clouds. Except for himself, it is the brother Brahma Emperor who is trapped in the immortal tomb.

Chapter 3710

However, the Brahma Emperor has no primordial spirit and has been trapped for 30,000 years, and it is impossible to come out.

As I thought to myself, Jiutian God became more and more suspicious, and asked Ao Lin next to him: "You were sure that Yue Feng entered the forbidden area of the Holy Palace at that time?"

Gudong!

At this time, Ao Lin was also stunned, and said in fear: "Yes, my subordinates saw with their own eyes that Yue Feng was sucked into the Immortal Tomb."

After speaking, Ao Lin thought about it and continued: "Your Majesty, even if that Yue Feng was sucked into the tomb. If the wind didn't enter the Immortal Tomb, he couldn't have caused the colorful clouds."

Om...

As he was talking, he saw the colorful clouds suddenly floated up, almost as fast as lightning, and soon, it reached the sky above the execution platform, Just as it hit the sky thunder that fell down, a roar was heard, and the sky thunder dissipated in an instant.

At the same time, the colorful clouds slowly dispersed.

After the colorful auspicious clouds dispersed, a figure was quietly suspended there.

Knife-like facial features, indescribably cold and handsome.

It is Yue Feng!

At this time, Yue Feng was surrounded by a golden halo, constantly surging with waves of power fluctuations, which was extremely terrifying. Half an hour ago, Yue Feng successfully comprehended the Nine Heavens Profound Sacred Art in the Immortal Tomb, and his strength increased greatly. With the help of Emperor Brahma, he left the Immortal Tomb smoothly.

When he left the Immortal Tomb, Yue Feng wanted to bring the Brahma Emperor with him, but the Brahma Emperor was unable to leave without his Primordial Spirit. Yue Feng had no choice but to reluctantly bid farewell to Emperor Brahma.

Whoa!

At this moment, seeing Yue Feng, there was an uproar around the entire Yutian Palace.

In particular, the demon clan members were extremely excited, showing happy smiles.

"Haha..." The

White Tiger King was even more excited, and laughed at Yue Feng: "I knew that Your Excellency Yue Feng would definitely come back, haha..."

The colorful Lingfeng and Xuanwu King next to him also both Excited smile.

Huh...

On the Divine Realm side, it was deadly silent. The priests present, and the surrounding divine soldiers and generals, all stared at Yue Feng blankly, unable to calm down for a long time.

It's been a long time since I saw him, how has this kid's strength increased so much?

Not only did it trigger colorful auspicious clouds, but it also easily resisted a thunderbolt...

This...

At the same time, Ao Lin stared at Yue Feng blankly, his mind buzzing, completely stupid.

Impossible...

This Yue Feng was sucked into the Immortal Tomb, and it was impossible to come out.

In mid-air, Jiutian God looked at Yue Feng closely, showing complexity and shock.

This kid is really lucky to be able to come out of the immortal mound.

Yes, it must be relying on the power of bird ancestors in his body.

At this time, in the heart of the Nine Heavens God, Yue Feng can come out of the immortal mound and resist the next thunder, which must be related to the power of Bird Ancestor. Apart from this, there is no other possibility.

"White Tiger King!"

At this moment, Yue Feng was suspended in the air, and shouted at White Tiger King and Qi Cai Lingfeng: "Everyone, I'm sorry, I came back late."

When he said this, the anger in Yue Feng's heart rushed upwards. Because he clearly saw that the White Tiger King, Qicai Lingfeng, and the other demon clan members were all tied up by the five flowers, all scarred and weak.

In the next second, Yue Feng's eyes fell on Jiutian God and said coldly: "Jiutian God, immediately release the White Tiger King and them, otherwise, I will level your Yutian Palace!"

The ultimate husband in Chinese chapter 3711-3715

Chapter 3711

At this moment, Yue Feng's voice spread and echoed in the Yutian Palace.

quiet!

The whole place was silent.

At this time, whether it was Ao Lin or the surrounding gods and soldiers, all eyes were focused on Yue Feng, which was extremely complicated.

This kid is really outrageous and dares to provoke His Majesty the Nine Heavens in public.

The Nine Heavens God also had a gloomy expression on his face.

"Haha!"

After a few seconds, the Nine Heavens God sneered, with a bit of contempt in his eyes, and said to Yue Feng: "You really don't know how to live or die, thinking that you have the power of Bird Ancestor, you can be arrogant?"

"Tell you , even if you have the power of bird ancestors, you just resisted a thunderbolt, but in my eyes, it's just an ant."

"Aren't you very resistant? Let me see how many thunderbolts you can withstand. "The last sentence came out, Jiutian God's face was grim, and he raised his hands suddenly.

Boom!

In an instant, the sky above the entire Yutian Palace was filled with thunderous luck, and the whole world was filled with a strong chilling aura.

In the heart of the Nine Heavens God, the Yue Feng in front of him, who was able to resist the next thunderbolt just now, was entirely dependent on luck and the power of bird ancestors in his body. One thunderbolt was already the limit he could bear.

In this case, if Tianlei is triggered again, Yue Feng will not be able to resist, and he will definitely die.

Phew...

Seeing this scene, the surrounding priests, as well as Ao Lin, were extremely excited.

Like the Nine Heavens God, they also believed that Yue Feng was only relying on the power of Bird Ancestor to let down the sky thunder just now, and at this time, the Nine Heaven God once again triggered the sky thunder, and Yue Feng would definitely not be able to stop it, only the ashes disappeared. end.

At the same time, the white tiger king and the colorful spirit phoenix on the execution platform also changed their expressions, and they sweated for Yue Feng.

“Yue Feng!”

Worried, Qi Cai Lingfeng couldn't help shouting at Yue Feng: “Be careful, the thunder is powerful today, don't resist it.” The

voice fell, and the surrounding White Tiger King, and The other demon clan members also nodded.

To be honest, Yue Feng appeared at a critical moment. The White Tiger King and the Colorful Lingfeng were very moved and delighted in their hearts. However, no matter how strong Yue Feng was, he was just a human being. How could he be the opponent of the Nine Heavens God?

Feeling the worries of the White Tiger Kings, Yue Feng smiled slightly, his expression indifferent: “It's just a mere sky thunder, you don't have to worry.”

Seriously, if it was before, facing the Nine Heavens God causing the sky thunder, Yue Feng must be panicked. But things are different now. With the help of Emperor Brahma, Yue Feng not only successfully passed the five elements of body tempering, but also realized Jiutian Xuansheng Gong. His strength is not what it used to be, and he does not panic at all.

“Ignorance ants, go to hell!”

Seeing Yue Feng's indifferent face, the Nine Heavens God was furious, shouted loudly, and immediately raised his right hand.

Bang bang bang ... In an

instant, I heard a sound of thunder, constantly coming from the rolling dark clouds above my head, and then, the dark clouds swelled violently, and then bolts of lightning ripped apart the heaven and the earth, slashing straight down.

Thousands of lightning bolts slashed straight down together. This scene was too shocking.

quiet!

At this moment, the entire Yutian Palace was surrounded by deathly silence, even if a needle fell on the ground, it could be heard clearly! The gods and soldiers present at the scene looked at Yue Feng with a hint of indifference, as if they had seen a dead man.

Since the establishment of God's Domain, in the tens of thousands of years, no one has been able to withstand so many thunderstorms. Waiting for this Yue Feng, I am afraid that not even the slag will be left.

Chapter 3712

You must know that Guiguzi was also punished by the Nine Heavens God with thunder in Guixian Mountain half a month ago. At that time, Guiguzi only suffered a few hundred thunders, and he was about to die. And even if this Yue Feng has the power of Bird Ancestor, his strength is not much stronger than Guiguzi.

Therefore, it is impossible for him to withstand so many thunderstorms.

Huh....

On the execution platform, the White Tiger King and the Seven-colored Lingfeng are one of a kind, each with a pale face, staring at Yue Feng, extremely anxious and worried.

This Yue Feng is too stubborn, how could he, a human being, be able to stop so many thunders?

Anxious, the White Tiger King and Qi Cai Lingfeng wanted to break free and help Yue Feng, but they were all tied up with five flowers and their breath was extremely weak, so they could only watch.

At this moment, under the gaze of the surroundings, Yue Feng hovered there proudly, looking at the thousands of thunderbolts coming straight from him, his expression was indifferent, and he had no intention of dodging.

boom! boom! boom!

Finally, thousands of lightning bolts, like sharp swords piercing the sky and the earth, slammed into Yue Feng's body in unison. In an instant, the entire Yutian Palace was surrounded by thunder and dust and smoke!

Swish!

At this moment, whether it was Ao Lin or the gods and soldiers present, they all cheered, and they couldn't hide their excitement.

In their hearts, these thousands of thunderbolts fell together, and Yue Feng's primordial spirit must be destroyed, and there is no possibility of surviving.

As for the White Tiger Kings on the execution platform, all of them looked sad and grief-stricken. In particular, Qi Cai Lingfeng burst into tears and burst into tears.

Yue Feng, why are you so brave? That's a thousand thunders.

"what?"

At this moment, the surrounding dust and smoke gradually dissipated, and I don't know who exclaimed. In an instant, the audience was silent, and everyone was stunned.

I saw that, in the dust and smoke, Yue Feng was suspended there quietly, with a cold and arrogant expression. All over the body, after the bombardment of thousands of heavenly thunders just now, not a single scar was left.

Not only that, but Yue Feng was surrounded by a layer of golden light, and the golden light contained incomparably powerful power.

This...

Seeing this scene, whether it was the Nine Heavens God, or Ao Lin and the surrounding gods and soldiers, they were all stunned, their heads buzzing.

He... he actually resisted all the thunder.

How is this possible? He's just a human.

Wow...

After a short silence, the demon clan on the execution platform let out a cheer, and they were all very excited.

Especially the White Tiger King, under shock, he couldn't help muttering to himself: "Queen Suzaku really did not see the wrong person, this Yue Feng is indeed the savior of our demon clan."

While muttering to himself, the White Tiger King's eyes filled with excitement. Tears, you must know that Tianlei is the strongest doom in God's Domain. For tens of thousands of years, no one has resisted so many Tianlei at once, but Yue Feng in front of him did it.

Can you not be excited that the Yaozu can meet such a powerful ally?

"Nine Heavens God!"

At this moment, Yue Feng was suspended there, looking at the Nine Heavens God with a half-smiling smile: "If you have any other means, use them."

When he said this, Yue Feng looked indifferent, but his heart was incomparable. Excited and happy.

Ha ha...

This Nine Heavens Sacred Profound Art is really powerful, and there are thousands of heavenly thunders.

But having said that, in the Immortal Tomb, I was fortunate to have been appreciated by Emperor Brahma, otherwise, I and the White Tiger King would have been wiped out.

Chapter 3713

Call!

As soon as the voice fell, the surroundings of Yutian Palace were suddenly silent! All eyes are on Yue Feng!

Crazy, so crazy!

This Yue Feng is obviously challenging the Nine Heavens God.

A human being who dares to challenge the supreme dominion of the Divine Realm is something unique.

At this moment, the face of Jiutian God was instantly gloomy. You know, in front of so many subordinates, what is the majesty of being so provocative by Yue Feng? Where will you put your back?

For a time, the surrounding atmosphere was extremely solemn, and everyone around held their breath.

Finally, at this time, I only saw Jiutian God laughing, staring at Yue Feng and saying coldly: "Okay, very good, since I took the throne, you are the first to challenge me."

When saying this, The nine-day God is not smiling. He was really furious.

In the next second, the figure of the Nine Heavens God erupted, heading straight for Yue Feng.

Jiutian God was several hundred meters away from Yue Feng, but under the urging of the figure, he was in front of Yue Feng in the blink of an eye.

When they got to the front, Jiutian God stared at Yue Feng with absolute contempt in his eyes: "It is very rare for you to withstand so many thunderstorms, but you are not qualified to challenge me!"

Om!

The voice fell, and a vast and terrifying breath burst out from the body of the Nine Heavens God. In an instant, the entire Yutian Palace was surrounded by darkness, and the sun and the moon were dark.

An unfathomable terrifying pressure filled the entire world.

In the next second, Jiutian God slowly raised his right hand and hit Yue Feng with a palm!

Nima!

Such a terrifying power...

Feeling the power of Jiutian God's eruption, Yue Feng's face changed, and it was too late to dodge, so he had to activate Jiutian Shengxuan Gong and attacked it with a palm.

boom!

Yue Feng and Jiutian God collided fiercely with their palms, and saw a violent aura impact, like a storm, swept away towards the surrounding.

Dengdengdeng...

In this powerful aura shock, no matter it was Ao Lin, or those priests, and the surrounding divine soldiers and generals, they were all shaken out, their qi and blood churned, and their faces paled.

After stabilizing his figure, Ao Lin and the eyes around him all stared at Yue Feng, shocked.

So strong!

This guy is actually able to compete with His Majesty the Nine Heavens God...

At the same time, at the moment when the palms collided, the Nine Heavens God and Yue Feng also took a few steps back in the air, and they saw that the Nine Heavens God's face changed, He immediately stabilized his figure.

Yue Feng's face also turned blue and then white, and then returned to normal.

“You...”

At this moment, Jiutian God stared at Yue Feng, his heart was extremely shocked, and his face was full of incredible!

This.. this is impossible!

Even if this Yue Feng possesses the power of Bird Ancestor, it is impossible for him to increase his strength so powerfully in a short period of time.

Feeling the astonishment of Jiutian God, Yue Feng showed a smile and said slowly: “Jiutian God, do you really think that I only have the power of bird ancestors?

” Myriad Heavenly Thunder?”

“To tell you the truth, I met your senior brother Brahma Emperor at the Immortal Tomb. He not only helped me with the ‘Five Elements Tempering’, but also passed on the Nine Heavens Holy Profound Art to me. Otherwise, how would I dare to challenge you? “

What?

Hearing this, Jiutian God’s body was shocked, but his mind was buzzing.

This Yue Feng not only passed the ‘Five Elements Tempering Body’, but also practiced the Nine Heavens Holy Profound Art?

No wonder it was able to resist thousands of thunders just now.

It’s just... Senior Brother Brahma Emperor, with a cold and arrogant temperament, how could he possibly pass on divine art to a human being? But the fact that this is the case makes people have to believe it.

Whoa!

Chapter 3714

Seeing this situation, the surrounding suddenly exploded.

Whether it was Ao Lin or the surrounding gods and soldiers, they stared blankly at Yue Feng, and they were all stunned.

You must know that the Brahma Emperor is the master of the previous generation of God’s Domain, and his strength is tyrannical, especially the ‘Nine Heaven Sacred Profound Art’ he has learned, which is infinitely powerful and profound, and is the number one miracle in God’s Domain. At this time, it was actually passed on to the human being Yue Feng.

At this moment, Jiutian God reacted and said coldly to Yue Feng: “Even if you learn Jiutian Shengxuan Gong, in my eyes, you are just a humble human being.” The

voice fell, and the figure of Jiutian God flickered, He came to Yue Feng again.

Yue Feng did not panic at all, and urged Jiutian Shengxuan Gong to meet him and fight with Jiutian God in the air.

Huh..

Seeing this scene, everyone in the audience held their breath and watched them all in a relaxed and happy mood.

You must know that the Nine Heavens God is not only the ruler of the God Realm, but also controls the fate of the human world and the ghost world. His strength is unfathomable. At this time, he and Yue Feng broke out in the air with all their strength, which can be said to be a rare battle in ten thousand years.

At the beginning, Yue Feng was able to cope with it easily, but gradually, he couldn't stand it anymore. You must know that the Nine Heavens God has been cultivating for tens of thousands of years, and his background is simply not comparable to him.

boom!

I don't know how many rounds of fierce battles have been fought, but when the Nine Heavens God found an opportunity, he slapped Yue Feng on the back, and heard Yue Feng let out a muffled groan. He fell heavily to the ground.

Although Yue Feng understood the Nine Heavens Holy Profound Art, he was still slightly inferior to the Nine Heavens God.

After all, this is the master of the God's Domain.

“Your Excellency Yue Feng!”

“Yue Feng! Yue Feng!!”

Seeing this scene, the White Tiger King and Qi Cai Lingfeng on the execution platform couldn't help exclaiming. Powerless.

“Boy!”

At this moment, the God of Nine Heavens stared at Yue Feng with a contemptuous tone: “How dare you challenge me with this little strength?” As he

spoke, God of Nine Heavens slowly walked towards Yue Feng.

A strong breath permeated the whole world.

Gudong!

Seeing that the Nine Heavens God was getting closer, Yue Feng couldn't help swallowing his saliva, secretly anxious.

Ma De, the God of the Nine Heavens is too strong. Even if you have practiced the Nine Heavens Holy Profound Art, you are no match. What should you do now?

At this moment, Jiutian God came to him, his eyes were cold: "Even if you are lucky, you can't change the situation in front of you, so accept your fate." The

voice fell, Jiutian God shot and slapped it directly above Yue Feng's head.

Mad!

Yue Feng was very unwilling, but under the terrifying pressure of the Nine Heavens God, he couldn't move, so he closed his eyes in despair.

At the same time, the white tiger king and the colorful phoenix on the execution platform were also anxious.

Yue Feng can't die, if he dies, the entire monster clan will also be destroyed.

Om...

Seeing that Yue Feng was killed by the Nine Heavens God, at this critical moment, a powerful breath came from the sky, filling the world.

At the same time, a low and old voice sounded between heaven and earth: "Stop."

It's just three words, but it contains the sound of thunder, buzzing and echoing in the ears of all the audience.

call!

Hearing this voice, whether it was the Nine Heavens God, the surrounding gods and generals, or the White Tiger Kings, their hearts were shaken.

In the next second, Jiutian God froze there, looking up at the sky, his expression was both excited and complicated, and he muttered to himself, "Master?"

Master?

Could it be that the ancestor of the Great Desolation is here?

Seeing Jiutian God's expression, Yue Feng's heart was shocked, and he couldn't help but look up into the sky?

Chapter 3715

Hiss!

Seeing this, Yue Feng was shocked, and the whole person was stunned.

I saw that in the sky, the rays of light were ten thousand feet, and in the rays of light, the colorful clouds turned into a huge lotus platform.

And on this huge lotus platform, there was an old man sitting quietly.

This old man, full of silver hair, fell down with a shawl. At this time, he was wearing a white robe, his face was peaceful, and he looked like an expert outside the world.

The old man had a kind face, but his whole body was filled with an aura that made all living beings surrender, especially those eyes, which seemed to be able to see through the past and the future. Yue Feng only touched this kind of eyes, and his heart trembled.

Gudong.

Two seconds later, Yue Feng reacted and couldn't help swallowing, trying to hide the shock in his heart.

This must be the ancestor of the Great Desolation. Except for him, looking at the entire Divine Realm, no one has such aura.

Yue Feng guessed right, the old man sitting on the lotus platform was the ancestor of the Great Desolation.

The ancestor of Honghuang is the most legendary sage and strong man after the great god Pangu.

According to rumors, it was the ancestors of Honghuang who founded God's Domain, and then shattered the void and went to nine days away.

"Master."

Just when Yue Feng was secretly shocked, he saw Jiutian God with a respectful look on his face, and bowed deeply to the ancestors of Honghuang: "You have returned from traveling nine days away?" The

voice fell, and many people around him The priests, as well as those god soldiers and generals, also knelt down and shouted in unison.

“Welcome to the ancestors of Honghuang.”

Thousands of people shouted in unison, and the momentum shook the sky.

Not only that, but even the White Tiger King on the execution platform, as well as the colorful phoenixes, all put away their previous pride, each with a look of respect.

shit.

Seeing this scene, Yue Feng was inexplicably excited, it was really the ancestor of the prehistoric.

Thinking about it, Yue Feng’s eyes slowly moved away from the ancestors of Honghuang, and was attracted by a figure next to the lotus platform.

I saw that there was a woman standing quietly in the seat behind the ancestors of Honghuang. This woman, wearing a long white dress, with tassels around the cuffs and waist, fluttered gently in the wind, her graceful body, looming, fairy spirit. Full.

beautiful!

What a beautiful woman.

At this moment, Yue Feng was stunned. Because the woman was standing there sideways, Yue Feng could not see her face temporarily, but Yue Feng could also clearly sense that the aura pervading the woman’s body made people not allowed to blaspheme .

Huh..

As if sensing Yue Feng’s gaze, the woman turned her head slowly, and in an instant, the moment the woman turned her head. Yue Feng felt that his breathing was about to stop in an instant.

Beautiful, really beautiful. Charming but not bewitching, glamorous but not cold.

For a while, Yue Feng’s mind went blank, as if all the beautiful words in the world were not enough to describe the beauty of this woman.

Who is this woman? To be able to accompany the ancestors of the Great Wilderness to appear together, the identity must be extraordinary.

“Senior Sister Nuwa.”

Just when Yue Feng was thinking about it, he saw Jiutian God smiled at this woman with a very polite tone: "Long time no see, Senior Sister is really the same."

"Senior Sister follows Master and travels together. Beyond nine days, I must have gained a lot."

The ultimate husband in Chinese chapter 3716-3720

Chapter 3716

When he said this, Jiutian Shangqi had a smile on his face, a humble attitude, and completely lost the aura of God's Domain Master.

What?

Seeing this, Yue Feng only felt a buzzing sound, looking at the woman, the whole person was stupid.

This...this woman is the goddess Nuwa who used to fill the sky with colorful stones? I really did not expect that the real body of Empress Nuwa was so beautiful.

At this time, Yue Feng was almost speechless under the shock of his heart.

You must know that in the underground crystal palace of Beiyong Imperial City, Yue Feng had seen a ghostly image of Nuwa's maiden. At that time, Yue Feng was with Lu Lingshan, and the two were appreciated by Nuwa's maiden. , bestowed the Chaos Yin-Yang Pearl.

It is precisely because of the Chaos Yin-Yang Pearl that the fates of Yue Feng and Lu Lingshan are tightly bound together. Yue Feng will never forget these things in his life, but when he saw the illusion of the Nuwa Empress, Yue Feng was already shocked. People, when I suddenly saw the real body of Empress Nuwa, I was shocked and speechless?

However, what Yue Feng did not expect was that Empress Nuwa was also a disciple of the ancestors of the Great Desolation, and a senior sister of the Nine Heavens God.

"Yue Feng!"

At this moment, Empress Nuwa looked at Yue Feng with a smile: "It seems that when I passed the Chaos Yin-Yang Pearl to you and your wife, this palace chose the right person. I haven't seen each other for a few years, you It completely integrates the power of the Chaos Yin-Yang Pearl, not only that, but also has the Primordial Spirit."

After speaking, Mother Nuwa sensed something, and said in surprise: "You actually have the power of bird ancestors in your body... um... ..You have even mastered the Nine Heavens Holy Profound Art. Not bad, not bad."

When she said this, Empress Nuwa looked at Yue Feng with full of admiration.

wow...

As soon as these words came out, there was an uproar in the audience, and countless pairs of eyes stared at Yue Feng, all stunned.

what's the situation? Mother Nuwa actually knew Yue Feng?

This chapter is provided by . Visit for daily update.

Even the Nine Heavens God was stunned there, looking at Yue Feng with disbelief.

Uh...

Under the eyes of all the people, Yue Feng scratched his head embarrassedly and smiled embarrassedly by being so praised by the goddess Nuwa: "The goddess praised

.

"

Nuwa asked, "Do you know this kid?"

Nuwa nodded and said softly, "Back then I was in the Kyushu Continent, the Crystal Palace below Beiyang Imperial City, and I left a sad thought, guarding the Chaos Yin-Yang Pearl, etc. It is Yue Feng and his wife who have a fate to inherit, and this fate is Yue Feng and his wife."

After speaking, Nu Wa couldn't help but glance at Yue Feng, and continued: "This Yue Feng is talented and intelligent, and his etiquette, loyalty and filial piety are all outstanding. It can be said to be the best among people." After the

voice fell, the ancient ancestor sitting on the lotus platform also looked at Yue Feng with a smile and said: "Little friend, you are Yue Feng, haha, I am traveling nine days away. At that time, I heard Nuwa talk about you, and I saw myself today, and it really is a dragon and a phoenix among people, not bad..."

Hearing

this, Yue Feng was instantly flattered, and quickly rushed to the ancestors of the floods. He bowed deeply: "I have seen the senior." Yue Feng was very shocked when he said that.

Ancestor Honghuang actually knew about me?

At the same time, there was an uproar around him again, and Yue Feng's eyes were extremely complicated and shocked.

A human boy, can he be praised by the ancestors of the flood in public, can he not be shocked?

“Master, Senior Sister!”

At this moment, Jiutian God was in a hurry and couldn't help saying: “Don't be deceived by the appearance of this kid, this Yue Feng is so daring, he not only trespassed into the God Realm, pretended to be the fruit servant of the Lingguo Garden to steal the spirit fruit, but also Impersonate me.”

“And these are nothing. What's more abhorrent is that he released the hundreds of thousands of demon clans from the sealed land, causing chaos in the realm of God.”

“This kid is not a dragon and phoenix among people at all, just a daring act. Disciple.”

After saying this, Jiutian God gave Yue Feng a cold look, his eyes full of gloom.

Chapter 3717

Hearing Jiutian God's angry words, Nu Wa smiled lightly and remained silent.

Ancestor Honghuang frowned.

“Old Ancestor Senior, Mother Nuwa”

At this moment, Yue Feng took a deep breath, adjusted his emotions, and said slowly: “These things are a long story, but because of the negligence of the God Realm, the ghost world Hades destroyed the Kyushu Continent. Barrier...”

For the next half an hour, Yue Feng told all his experiences.

“Afterwards, I found the place where Senior Fuxi was sitting in the Roland Continent, and after finishing the unfinished formation, it was passed on to God's Domain.”

“At that time, I thought of leaving God's Domain as soon as possible and pretending to be His Majesty the Nine Heavens God. As for releasing these monsters, I have no choice but to be trapped in that sealed place forever, right?”

When he said this, Yue Feng took a deep breath and looked at the White Tiger King on the execution platform. The crowd continued: “Speaking of the grievances between the demon clan and the gods, I think the battle of the gods can be completely avoided. However, in order to consolidate his rule, the God of the Nine Heavens forced these demon clans to surrender. He did not hesitate to destroy the peace. Start a war.”

“Although I, Yue Feng, are only a human being, I also know that the way of heaven makes all living beings equal. Here I would like to ask the Nine Heavens God, what is your way of heaven?”

“

“You...”

Hearing this, Jiutian God's face was extremely ugly, and he glared at Yue Feng and roared: “You are just an ant-like existence, you know what the way of heaven is? Nonsense, nonsense.” The

voice just fell, the execution platform The White Tiger King on the top could not help but retort loudly: “Nine Heavens God, Yue Feng is right, why don't you dare to admit it? If you hadn't forced us monsters to surrender, that war would not have been possible. occur.”

Qi Cai Lingfeng bit her lip and said, “Yes, you are kind on the surface, but you are actually the most ruthless. You talk about peace, but you always adhere to the principle of ‘those who obey me prosper and those who oppose me perish’. Back then, we monsters The clan does not surrender, you launched a divine war and sealed us up, and now we have managed to escape with the help of Your Excellency Yue Feng, and you still have to kill them all.”

“Just like you, being able to sit on the master of the gods is simply It's a big joke.”

Shuh!

Seeing the White Tiger King and Qi Cai Lingfeng, they were both helping Yue Feng to speak. It's to maintain the divine prestige.”

Hehe...

Hearing this, Yue Feng couldn't help but chuckle and retorted: “That's nice, I think you're just defending your status and domination.”

“You What do you mean?” Jiutian God glared angrily and said coldly.

Feeling the wrath of the Nine Heavens God, Yue Feng did not panic at all, and said slowly: “Thirty thousand years ago, the Divine Realm was ruled by your senior brother Brahma Emperor, but if you were not convinced, you made a bet with Brahma Emperor in public, using disgraceful The bet was won by the means, forcing the Brahma Emperor to enter the Immortal Tomb.”

“You used disgraceful means to seize the seat of dominion in the Divine Realm, causing the Brahma Emperor to be trapped for 30,000 years, but you have no guilt at all.”

“The dignified ruler of God's Domain, full of benevolence, righteousness and morality, hehe, that's just that.”

After saying the last sentence, Yue Feng couldn't hide the contempt in his eyes.

“You’re courting death!”

Jiutian God was completely furious, a terrifying aura burst out from his body, and he slapped Yue Feng with a palm.

He is the dignified ruler of the realm of the gods, but he is pointed at by a human boy, and he is still in front of his master. If he swallows his breath, how will he lead the gods in the future?

Seeing the Nine Heavens God calling, Yue Feng looked indifferent and did not panic at all.

Chapter 3718

Speaking of which, if it was half an hour ago, Yue Feng would not have dared to anger the Nine Heavens God so blatantly, but now it is different. Empress Nuwa is watching, she will definitely not stand by.

“Stop!”

“Junior brother, calm down.”

Sure enough, seeing that this palm was about to hit Yue Feng, I heard the ancestors of Honghuang and Empress Nuwa scolding in unison.

call.

Hearing the master’s opening, the Nine Heavens God forcibly withdrew his palm and looked at the ancestors of Honghuang, very puzzled: “Master? Do you believe the words of a human boy?” The

ancestors of Honghuang pondered and said lightly: “Although I have always You travel nine days away and rarely return to God’s Domain, but the situation in God’s Domain can’t be hidden from me, when you and your brother made a bet and secretly used small tricks, you really don’t know what a teacher?”

What?

Hearing this, Jiutian God’s heart trembled and he was terrified.

Master actually knew?

At this moment, the ancestors of Honghuang continued: “Although your methods were disgraceful at the time, I didn’t blame you for being a teacher. After all, your senior brother is too straight, behaves stubbornly, and never listens to other people’s opinions.

Therefore, for the teacher, At that time, I thought that it would be okay for you to be the ruler of the God Realm.”

“Afterwards, you forced the demon clan to surrender and start a war of gods. I also know that, but the situation was not so serious, so I ignored you all the time, but I didn’t expect you to quote today. Tianlei will destroy all the demon clan.”

When he said this, the grandfather’s tone was indifferent, but he gave people a breathless majesty.

“Master, I…” Jiutian God blushed and wanted to refute, but opened his mouth, but couldn’t say a word.

call…

At this time, the ancestor of Honghuang waved his hand and said lightly: “Okay, there is no need to say anything, everything will end here.” After speaking, the

ancestor of Honghuang showed a smile and smiled at Yue Feng. Said: “Haha, boy, you are really not simple. A boy from Kyushu can make such a big noise in the realm of the gods, which alarmed me, not bad.”

Hearing this, Yue Feng stood There, the whole body trembled suddenly. .

What does the ancestor of Honghuang mean by saying this?

At this moment, I saw the ancestor of Honghuang looking around the audience and said: “The rules and regulations of God’s Domain have to be changed. Whether it is a human, a monster, or a god, they are all equal.”

“Speaking of which, there have always been many problems in the Divine Realm, but I have been out for nine days, and I have no time to take care of it. I was so troubled by Yue Feng today, I think it is time to rectify it. God’s Domain.” The

ancestor of Honghuang didn’t say much, but it spread throughout the entire Yutian Palace, and the mighty power shocked the depths of the soul.

quiet.

For a time, inside and outside the Yutian Palace, and even the entire Divine Realm, was silent.

“How to rectify it, I need to think carefully.” The ancestor of Honghuang said, his eyes finally fell on Yue Feng: “But now, I need to announce one thing, Yue Feng is very courageous and has a kind heart, So I decided to make him the Nine Heavens Profound

Sage, second only to the Nine Heavens God, and his main responsibility is to deal with matters between the Divine Realm and the human world.”

What?

Hearing this, the whole audience was shocked.

Chapter 3719

At this moment, whether it was the Nine Heavens God, or the many priests around, and the White Tiger King on the execution platform, they were all dumbfounded, staring at Yue Feng, speechless.

This... this ancient ancestor, actually sealed Yue Feng as the Nine Heavens Profound Sage?

The status is second only to the Nine Heavens God.

Since Pangu created the world, this is a unique thing. You must know that even though Yue Feng has a primordial spirit and has practiced the Nine Heavens Holy Profound Art, he is still a human being.

This...

Yue Feng was also stunned, his mind was blank.

what's going on? I thought it would be good to get a life back, but I didn't expect the carp to jump over the Dragon Gate, and in a blink of an eye, I became the Nine Heavens Profound Sage.

Haha....

After a brief shock, the White Tiger King was the first to react and laughed at Yue Feng: “Congratulations to Your Excellency Yue Feng... Haha...” Yue Feng is an ally of the demon clan, At this time, I have become the Nine Heavens Profound Sage, can I not be happy for him?

At the same time, Qicai Lingfeng and other demon tribesmen also started to congratulate each other, and they were all excited.

Huh...

And the many priests around, as well as those god soldiers and generals, have extremely complicated expressions.

Especially the God of Nine Heavens, his expression turned blue and white, as if he had eaten a fly.

The next second, Jiutian God couldn't help but said: "Master, you want to reorganize the gods, the disciple has no opinion, but this Yue Feng is only a human, what qualifications does Jiutian Xuansheng have?"

When he said this, Jiutian God glanced at A glance at Yue Feng, his eyes are full of contempt and contempt.

You must know that the Nine Heavens God has experienced 9,981 calamities, possessed a body of life, and then through unremitting efforts, he took the position of the Nine Heavens God, and this Yue Feng, just a human being, will be named by Master Nine Heavens Profound Sage?

As soon as Jiutian God's voice fell, Ao Lin and many priests next to him also spoke.

"Yeah, this Yue Feng is only a human being, how can he be the Nine Heavens Profound Sage...."

"This Yue Feng ignores the rules of heaven and leads the demon clan to make a riot in the Yutian Palace. With such no rules, how can he take on such a heavy responsibility?"

"Also, please think twice!"

At the same time as saying this, many priests knelt down and kept kowtowing to the ancestors of Honghuang.

Seeing this scene, the ancestor of Honghuang did not have the slightest expression on his face, and quietly looked at the Nine Heavens God: "What? You are now the ruler of the God Realm. With great power, you can disobey the teacher's order?" The

voice was indifferent, but invisible, but There is a strong coercion.

"Disciple..."

Facing the eyes of the ancestors of Honghuang, the Nine Heavens God was inexplicably frightened, and quickly knelt on the ground, his voice trembling: "Disciple dare not..."

At the same time, many priests around also hurriedly closed their doors. Mouth, silently backed away. You must know that the ancestors of Honghuang have an unshakable position in the realm of the gods. Moreover, even the God of Nine Heavens and Empress Nuwa are his disciples. Who would dare to disobey his words?

At this moment, Empress Nuwa looked around and said softly: "Perhaps, in your hearts, this Yue Feng is just a human being, and he is not qualified to enter the realm of the gods at all, but, by his own strength, he will destroy all the demons. Clan, who came out of the sealed zone, who can do it?"

"Moreover, he also received the inheritance of the Brahma Emperor and learned the Nine Heavens Profound Sage. No matter what, he is qualified to be the Nine Heavens Profound Sage."

The words were soft and pleasing, but unquestionable.

At this moment, both the Nine Heavens God and the surrounding priests closed their mouths and stopped speaking out against it.

"Okay!"

At this moment, the ancestor of Honghuang looked around and said to the God of Nine Heavens: "Remove the execution platform and let the White Tiger Kings go."

Chapter 3720

"Yes, Master!" Jiutian God responded, and immediately ordered the surrounding gods and soldiers to withdraw from the execution platform and untie the White Tiger King.

To be honest, Jiutian God was very reluctant to release the rebellious White Tiger Kings, but there was no way, the teacher's order could not be disobeyed.

After regaining his freedom, the White Tiger King was very excited, and bowed to the ancestors of the Great Desolation: "Many thanks to the ancestors."

"Thanks to the ancestors!"

At the same time, Qi Cai Lingfeng and other demon tribesmen also saluted.

The ancestor of Honghuang smiled slightly, nodded and said: "No need to be more polite, everything before is over, from now on, you can help Yue Feng well."

"Yes!" White Tiger King nodded quickly.

Speaking of which, the White Tiger King, as one of the four innate spirit beasts, has an arrogant personality and has never obeyed anyone else's arrangements, but the ancestors of the Great Desolation are different. His status is second only to the existence of the Great God Pangu, so he dare not ignore his words.

More importantly, all the monsters were rescued by Yue Feng, and the White Tiger King was extremely happy to assist Yue Feng.

“That’s right!”

At this moment, Yue Feng thought of something, looked at Jiutian God and said, “Now it’s time to let go of my master and Mr. Guigu.”

Yue Feng’s attitude made Jiutian God very unhappy, but Because the ancestor of Honghuang was watching, it was not easy to attack, so he waved at Ao Lin next to him.

Ao Lin understood and hurriedly said: “I’ll go to the Heavenly Prison and release Mr. Guigu.” As

soon as he finished speaking, Yue Feng said, “I’ll be with you!” With just a few words, there was no doubt.

In Yue Feng’s heart, what he did in the Divine Realm during this time was out of helplessness, but no matter what, it also affected the master.

Under the guilt, Yue Feng decided to go to the prison in person to pick up Guigu.

Seeing Yue Feng speak, Ao Lin didn’t dare to say anything more, so he quickly led the way and took Yue Feng to the Heavenly Prison. You must know that Yue Feng at this time is the Nine Heavens Profound Sage, his status is second only to the Nine Heavens God, how dare Ao Lin dare to snub?

After Yue Feng and Ao Lin left, the White Tiger King and the demon clan also retreated to heal their injuries. After fighting fiercely with God’s Domain for several days and nights, the demon clan’s vitality was severely damaged, and it would take at least a month to recuperate.

For a time, the surrounding area of Yutian Palace returned to its former calm.

The ancestors of Honghuang and the goddess Nuwa were respectfully invited by the Nine Heavens to enter the Imperial Palace.

“Master!”

At this time, after asking the ancestors of Honghuang to take the seat, the Nine Heavens God looked uneasy: “How the entire Divine Realm will be rectified, please also ask the master to show you...”

Many priests standing on both sides of the bottom, their eyes are also at this time. All gathered on the ancestors of the Great Desolation.

Huh....

Honghuang Patriarch breathed a sigh of relief, did not respond, but glanced at Empress Nuwa.

Empress Nuwa bit her lip lightly, and her flawless face showed a bit of solemnity: “Junior Brother, Master and I have returned from outside the Nine Heavens this time. In addition to rectifying the realm of the gods, there is one more important thing.”

“What’s the matter?!” Jiutian God asked subconsciously.

Empress Nuwa frowned, and her eyes showed a bit of worry: “When Master and I came back, we sensed the breath of the Demon Lord Gone from nine days away... Eighty thousand years ago, we all thought the devil was a demon. The clan was completely wiped out, and as a result, we were all wrong... That Demon Lord Gone was not completely destroyed.”

What?

Hearing this, whether it was the Nine Heavens God or the many priests below, their expressions changed drastically.

The ultimate husband in Chinese chapter 3721-3730

Chapter 3721

“The Demon Lord Gone isn’t dead?”

Finally, the Nine Heavens God reacted and looked at the ancestors of Honghuang blankly, his voice trembling: “This... how is this possible? Master didn’t watch him with his own eyes back then. Has the Primordial Spirit been destroyed?”

At this time, the Nine Heavens God was indescribably nervous and fearful, and completely lost the calmness that the God Domain Master should have.

You must know that the Demon Lord Gone is too big, and it was transformed by the evil thoughts of Pangu, the creator of the world.

As we all know, after Pangu opened up the world, he died of exhaustion. The breath he exhaled after he died became clouds and mist, his voice became thunder, his left eye was called the sun, his right eye became the moon, thousands of strands of hair were called the sky full of stars, and fresh blood it is called rivers, lakes and seas, muscles and bodies are called rolling mountains.

However, in addition to these, Pangu’s spirit, because of both good and evil, gave birth to gods and demons.

Because the demons follow the belief of ‘the strong wins, and the strong are respected’, which is completely different from the ‘Dao, law and nature, harmony of all things’ pursued by the gods, so the battles between the gods and demons continued for nearly 10,000 years.

Later, the ancestors of the Great Desolation were born and led the realm of the gods, defeated the demons in one sentence, and killed the Demon Zun Gone, so that the primordial spirit was destroyed and dissipated beyond the nine heavens. Since then, the demons have also disappeared.

Thousands of years later, the ancestors of the prehistoric accepted Nuwa as a disciple. Nuwa was full of qualifications. With the support of the ancestors of the prehistoric, Nuwa mixed soil and water, attached her own blood and spiritual power, and used willow branches to point her. to be shaped in his own image, to create human beings.

After that, humans and gods lived together in a world and lived in peace with each other. With the help of gods, humans learned to use fire, catch food, and later build their own tribes.

Later, the ancestors of Honghuang created the realm of gods, separated gods and humans, and created the realm of ghosts.

It can be said that the time of the war between gods and demons is far longer than before the emergence of human beings, at least 100,000 years ago. In this case, knowing that the Demon Lord Gone was not dead, it was naturally difficult for the Nine Heavens God to calm down.

call!

At this time, seeing the expression of Jiutian God, the ancestor of Honghuang exhaled softly and said slowly: "Don't make such a fuss, you must know that Demon Lord Gone is the result of Pangu's evil thoughts, and it is impossible to completely destroy it. When the teacher defeated him, he expected this!"

Speaking of which, the ancestors of Honghuang showed a bit of complexity: "So back then, after I handed the Divine Realm to your brother Brahma Emperor, I have been nine days away. Traveling, while comprehending the mystery of heaven, on the other hand, is also exploring the traces of the Demon Lord Gone, who knows, the years are passing, 30,000 years have passed, and there is still no clue."

"This time, the grievance between you and the demon clan, The entire Divine Realm was a bloody storm, so the teacher decided at the time to pursue the Demon Lord Gone for the time being, and come back to deal with the affairs of the Divine Realm first. As a result, when crossing the chaotic void, I sensed Gone's remnant aura..." Huang Lao Zu looked solemn and said slowly.

wow.

Hearing these words, the Nine Heavens God froze there, unable to recover for a long time.

The real Yutian Palace was also in an uproar!

The priests standing on both sides opened their mouths wide, their faces full of shock.

If the Demon Lord Gone is not dead, it will be troublesome.

At this moment, the ancestor of Honghuang looked at the Nine Heavens God, and said again: "So, the grievance between you and the demon clan is not a big deal at all, and preventing the return of the Demon Lord Gone is the top priority now. Heavy."

Uh...

Nine Heavens God looked ashamed.

At this moment, the entire Yutian Palace was even more silent, and a drop of a needle could be heard clearly, each with a heavy expression.

Chapter 3722

Sensing the change in the expression of the Nine Heavens God, Empress Nuwa, who had been silent beside her, walked out slowly and smiled lightly: "Junior Brother, don't be too nervous, even if the Demon Lord Gone is not completely destroyed, what you have now As long as we unite as one and protect the Divine Realm well, the Demon Lord Gone will not have a chance to take advantage of it!"

When she said this, the voice of Empress Nuwa was very soft and soft. But it gave people a sense of arrogance and righteousness, which spread throughout the entire Yutian Palace.

call!

Hearing this, whether it was the Nine Heavens God or the priests present, they all nodded in agreement!

"Senior sister is right." Jiutian God looked firm, looked around, and said loudly: "I, Jiutian God, swear here, if the Demon Lord Gone is attacked, I will take the lead and fight to the end!"

"I will also follow . Your Majesty, swear to resist the powerful enemy!"

At this moment, the priests of the entire Yutian Palace were also infected, and their blood boiled.

Seeing this situation, the ancestors of Honghuang nodded in relief.

Although the disciple of Nine Heavens God is sometimes too arrogant and selfish, at critical moments, he will still take care of the overall situation.

"Master!"

At this moment, Nuwa thought of something, and couldn't help but said to the ancestor of Honghuang: "The other junior brother, Brahma Emperor, is still trapped in the Immortal Tomb. I don't know what Master plans to do?"

" At that time, Nu Wa's beautiful face showed a bit of worry. She has a soft personality, and whether it is the Nine Heavens God or the Brahma Emperor, she is very caring.

When the words fell, Jiutian God looked embarrassed and bowed his head in shame.

At that time, in order to compete for the dominion of the God Realm, he made a bet with his senior brother Brahma Emperor, which led him to enter the Immortal Tomb. It can be said that Brahma Emperor can be trapped for 30,000 years, and he can't get rid of the relationship.

Now that Master knows the truth, he will definitely punish himself.

Huh...

Just when the Nine Heavens God was secretly frightened, he saw the ancestor of Honghuang sighed and said slowly: "Emperor Brahma, although he has an upright character, but sometimes he is stubborn and trapped in the immortal tomb, maybe he is also The doom."

"Wait a little longer, when he has an understanding in the immortal tomb, the teacher will bring him out."

At this time, the ancestor of the Great Wilderness, his expression was indifferent, and his words were neither happy nor angry, you must know , For an existence like him, whether it is state of mind or Taoism, it has reached a realm unimaginable by ordinary people, and nothing will cause a trace of turbulence in his heart.

Moreover, 30,000 years is out of reach for human beings, but for gods, it is only a matter of time. After all, gods have extremely long lifespans.

Under such circumstances, what happened to the Brahma Emperor may not be able to be relieved for Yue Feng, but to the ancestors of the Great Wilderness, it is just a trivial matter.

"Got it, Master!" Nuwa nodded.

Seeing that Master didn't mean to blame, the Nine Heavens God was also secretly relieved.

At this time, Nuwa thought of something and couldn't help but say: "By the way, what about that Yue Feng? After the master sealed him

Jiutian Xuansheng , how did he arrange it?" He was interrupted by a voice from outside Yutian Palace.

Chapter 3723

"Tsk tsk... Ancestor of the Great Desolation, I haven't seen you for so many years, you are still so powerful."

This voice resounded like a blast of thunder, resounding over the Yutian Palace, and at the same time, the sky and the earth suddenly became dark. After sinking down, in an instant, whether it was the Nine Heavens God or the priests who were still present, they sensed a terrifying force condensing rapidly in the high sky outside the Imperial Palace.

This power is different from the fearful power of the ancient ancestors, but it is full of extreme evil and evil.

Swish!

Hearing this voice, whether it was the ancestor of the Great Desolation, or the God of Nine Heavens, their expressions changed.

Although tens of thousands of years have passed, they are all too familiar with this voice.

It was the Demon Lord Gone.

.....

At this moment, the prison is here.

In the darkened cell, Guiguzi sat cross-legged, his face weak, completely lost his former style.

It has been five days since he was imprisoned by the Nine Heavens God, and I don't know what happened to Yue Feng in the sealed land of the demon clan.

Whoa!

At this moment, the prison door was pushed open, and then, two figures walked in quickly, it was Ao Lin and Yue Feng.

"Yue Feng?"

Seeing Yue Feng, Guiguzi's heart was shocked, and the whole person was stunned.

Oops, there was Ao Lin who came in. Could it be that Yue Feng was also arrested?

"Master!"

At this time, Yue Feng was also very excited when he saw Guiguzi, and rushed over, his face was full of shame: "The disciple is not filial, and the master suffers."

When he said this, Yue Feng felt extremely uncomfortable.

Because he saw that Guiguzi was wearing a dirty robe at this time, his face was pale, how could he still have the demeanor of a generation of masters. You must know that Guiguzi is the first person in the ages. I don't know how many people look up and see it, but at this time, he is so implicated by himself. Can you not feel sad?

Feeling Yue Feng's sadness, Guiguzi smiled slightly and said that he was fine.

In the next second, Guiguzi's face became solemn: "How did you find this place?" As he spoke, he did not forget to glance at Ao Lin next to him. Eyes full of vigilance.

Yue Feng took a deep breath: "Master, I'm here to take you out."

Take me out?

Guiguzi was stunned for a moment, and then said eagerly: "Don't mess around, this is a prison, how do you take me out, leave me alone, hurry up, and return to Kyushu as soon as possible."

Although I don't know how Yue Feng and Ao Lin Together, but Guiguzi knew in his heart that Yue Feng alone would not be able to take him out safely.

After all, this is the Heavenly Prison, and there are countless heavenly soldiers and generals outside, which are heavily guarded.

At this time, Guiguzi didn't know that Yue Feng had changed from a fugitive wanted by the Nine Heavens to a detached Nine Heavens Profound Sage.

call!

Feeling Guiguzi's worry, Yue Feng showed a smile: "Master, you don't have to worry, the matter is over." The

voice fell, and Ao Lin respectfully said: "Your Excellency Xuansheng, this is not the place to talk, let's bring it first. Go out with Mr. Guigu."

Your Excellency Xuansheng?

At this moment, Guiguzi was stunned and looked at Ao Lin with a frown: "What did he call him?"

Ao Lin didn't dare to hide it, and said respectfully, "Mr. Guigu, you don't know, Your Excellency Yue Feng has been named the Nine Heavens Profound Sage, second only to His Majesty the Nine Heavens..."

Seriously, Aolin was Jiutian God's appreciation is also a high authority. If it were otherwise, he would never be so respectful, but Yue Feng is different. He is not only a

Jiutian Xuansheng, but his status is higher than himself, and he is so appreciated by the ancestors of Honghuang. of.

What?

Hearing this, Guiguzi was stunned, staring at Yue Feng, speechless.

Chapter 3724

Yue Feng... turned out to be the Nine Heavens Profound Sage?

A few seconds later, Guiguzi was very happy, patted Yue Feng on the shoulder and said, "Okay, good, as expected of my most valued disciple, and it didn't disappoint me."

At this time, Guiguzi was indescribably happy.

He thought that Yue Feng was doomed this time, but he never imagined that in a blink of an eye, he would become the Nine Heavens Profound Sage.

Delighted, Ao Lin led the way, and Guiguzi and Yue Feng walked out of the prison.

Om...

As soon as I walked out of the Heavenly Prison, I heard a terrifying aura coming from the sky. In an instant, no matter it was Yue Feng, Guiguzi, or Ao Lin, they couldn't help but look up.

At this sight, Yue Feng's heart shuddered, and he took in a breath of cold air.

I saw a huge figure suspended above the vast sky. This figure was over a thousand meters high, like a mountain. Wearing black helmets and black armor, it was filled with a powerful aura, and it was unparalleled.

Especially those eyes, which shone with a sinister red light, making people shudder at the sight of them.

Yue Feng clearly felt that this huge figure was completely transformed from a powerful force, but even so, the powerful pressure that erupted was almost breathless.

At this time, the huge figure was looking down at Yutian Palace from a high place.

Outside the Yutian Palace, the ancestors of Honghuang, the God of Nine Heavens, Nuwa and many priests stood there one by one with solemn expressions.

What the hell!

Seeing this scene, Yue Feng's mind went blank and shocked.

Where is this huge figure sacred? Just a phantom can burst out such a terrifying aura.

"This..."

This, Guiguzi reacted, looked at the huge phantom, and muttered to himself: "Such a powerful demon power, is it the rumored demon?"

Demon?

Hearing this, Yue Feng hurriedly asked, "Master, what kind of demons?"

Since he was called a cultivator, Yue Feng only knew about the realm of the gods, the world of humans, the realm of ghosts and demons, and never knew that there were still demons. It was also the first time I heard it.

Guiguzi took a deep breath, looked at the huge figure in the air, and said slowly: "In legend, after Pangu opened up the world, he died of exhaustion, good thoughts turned into gods, evil thoughts turned into demons... Under the leadership of the ancestor, the demons were defeated, and the demons completely disappeared."

Speaking of this, Guiguzi couldn't hide the shock in his heart: "I didn't expect that the demons were not completely extinct..."

Because the demons were destroyed back then. At that time, human beings didn't exist yet, so in the history of human beings, there has never been a record of demons, but Guiguzi, as the first person through the ages, is familiar with ancient and modern times, so he knows a little bit about it.

However, Guiguzi didn't know that the huge phantom in mid-air was not an ordinary demon, but the Demon Lord Gone.

Hearing this, Yue Feng froze there, unable to recover for a long time.

"Ancestor of the Great Wilderness!"

At this time, Gone in mid-air stared at the ancestor of the Great Wilderness with blood-red eyes: "Didn't you expect that I would come so quickly? Haha, I listened to what you and your apprentice said just now. It's here."

"Today's Divine Realm is no longer as glorious as it used to be. It is too early to stop me and keep me from nine days.

"

At this moment, the ancient ancestor Jingjing and Gone looked at each other, but did not respond.

“Haha...”

Gone sneered and mocked: “What? The dignified ancestors of the great prehistoric didn’t even dare to say a word, wouldn’t it be because of fear, hahaha...” The

mad laughter echoed throughout the world. Echoing, extremely arrogant.

Swish!

When the voice fell, whether it was the Nine Heavens God or the many priests around, they were all furious.

In the next second, the Nine Heavens God finally couldn’t help it and shouted: “Goni, you are just a defeated general of my master, and you are not qualified to let my master take action.”

Chapter 3725

“If you really want to fight, pass me first!” The

voice fell, and the figure of the Nine Heavens God erupted, carrying an unparalleled power, and went directly thinking of Gone.

Speaking of which, facing Gone, Jiutian God was very flustered. After all, the other party was transformed from Pangu’s evil thoughts. The powerful power of the first trial also came from Pangu, but at this time, the other party was just a phantom of remnant thoughts, Jiutian God. Don’t panic at all.

Seeing the Nine Heavens God whistling, Gone snorted coldly, and there was even more disdain in his blood-red eyes.

“I’m talking to your master, what are you doing with your junior? Go away!” The cold words came from Gone’s mouth, and the next second, the huge figure slowly raised his right hand.

hum!

In an instant, the sky and the earth changed, and the wind and clouds were surging, and I saw a blood-colored light beam connecting the heaven and the earth and blasting towards the Nine Heavens God.

Hiss...

what a terrifying power!

Seeing this scene, Yue Feng couldn't help gasping for air, and the whole person was stunned, shocked beyond words. You must know that the strength of the Nine Heavens God, Yue Feng has experienced, is almost unfathomable.

But the power of this huge ghost in front of him is more than ten times stronger than that of the Nine Heavens God, which is unbelievable.

What shocked Yue Feng even more was that this huge ghost, called Jiutian God Junior....

Boom bang....

Just when Yue Feng was shocked, he saw that **** light, which directly slammed into Jiutian. On God, suddenly, a violent aura hit, like a storm, sweeping the whole world.

At the same time, I heard a groan from the Nine Heavens God, and the figure was directly shaken, and finally landed at the gate of Yutian Palace, his face was pale, and he was very embarrassed.

I go!

Just one move to defeat the ruler of God's Domain?

At this moment, Yue Feng only felt that his brain was buzzing and he was completely stupid.

And the many priests standing at the gate of Yutian Palace couldn't help gasping for air!

This Goni, at this time, possessed nothing but a wisp of remnant, and it was truly shocking that such a terrifying power could erupt.

The ancestors of Honghuang and Nuwa also had solemn expressions on their faces.

The next second, Nu Wa took a deep breath and said softly, "Let the disciple deal with him." As she spoke, she was about to urge her figure to rush up, but before she could leave, she was stopped by the ancestors of the Great Wilderness.

"You're not his opponent, I'll do it myself." Ancestor Honghuang said, his figure flashed, and he went into the air to confront Goni from afar.

"Goni, since you haven't completely perished at the beginning, and you still have a trace of life, you should repent completely." After looking at each other for a few seconds, the ancestor of Honghuang said coldly: "Also, you shouldn't come to God's Domain. You don't have a real body. And Demon Soul, you are not my opponent." The

voice was not loud, but it spread all over the world.

“Haha...”

Gone laughed, blood-red eyes full of madness: “What if I can’t beat it, as a Demon Lord, I can do whatever I want, even if it’s not your opponent, I will destroy it. Drop this God Realm.” The

last word fell, and Gone’s figure was like a mountain, directly thinking of the ancient ancestors.

There was no fluctuation on the face of the ancestor of the prehistoric land, and the divine power exploded all over his body, carrying a golden light, and went up to fight against Gone.

boom boom boom...

For a while, I saw the ancestors of the prehistoric and Gone, the terrifying power of the two erupted, violently collided, making the sky and the earth, the sun and the moon gloomy, the rolling dark clouds covered the entire sky, and the entire God Realm was shaking violently, as if it was about to be destroyed. .

Huh....

Seeing this scene, whether it is Nuwa, Jiutian God, or Yue Feng not far away, they are all excited. This level of battle, I am afraid that I have never encountered it once in tens of thousands of years.. In

the blink of an eye, a few hours have passed, and the Great Desolate Ancestor and Gone are still fighting fiercely.

“Goni, it’s over!” After being unable to stand for a

long time, the great ancestor lost his patience, and his mighty voice spread throughout the world, and then he raised his hand and waved, and a golden beam shot out, heading towards Gone.

The ultimate husband in Chinese chapter 3726-3730

Chapter 3726

is a golden plate.

You can see that the golden plate is getting bigger and bigger, and finally the diameter has reached a kilometer. Not only that, on the edge of the golden plate, looming inscriptions flickered.

I go!

what is this baby?

Seeing this situation, Yue Feng was stunned, and his heart was inexplicably agitated.

Yue Feng could clearly see that the golden inscriptions that flashed out were extremely ancient characters, and in the changing of these inscriptions, they seemed to form an extremely powerful magic formation.

And this magic formation, in Yue Feng's "Baiqi God Formation", has never been recorded, and it is very mysterious.

"This..."

At this moment, Guiguzi next to him was extremely excited, his tone trembling: "Could it be... this is the legendary sealing mirror?"

Sealing the magic mirror?

Hearing this, Yue Feng was stunned for a moment, and quickly asked: "Master, what is the magic mirror?"

Guiguzi took a deep breath, concealed his inner excitement, and responded slowly: "The magic mirror was the essence of Pangu back then. It is transformed by Qi, possesses supreme divine power, and can restrain all evil spirits. This is a top-level magic weapon since ancient times, but I never thought that I would be able to see it today."

Hearing this, Yue Feng was extremely shocked.

Who is Pangu? That is the God of Creation. The power of the magic mirror transformed by his essence can be imagined.

"Ancestor of the Great Wilderness!"

This chapter is provided by . Visit for daily update.

At this time, watching the magic mirror coming quickly, Gogne's eyes flashed with madness and disdain: "In addition to being able to use magic tools, what else do you have? You have the ability to fight with me in a dignified manner."

When he said this, Gogne looked fearless, but was very flustered in his heart.

The Mirror of Sealing Magic is made of Pangu's essence, and it specializes in restraining demons. This is its own nemesis.

The next second, Gone wanted to dodge, but his body was too big, like a hill, so he couldn't react quickly, and the magic mirror was extremely fast, so he couldn't dodge at all.

boom!

Finally, the magic mirror came to the front and directly covered Gone.

It was at this moment that the ancestor of the prehistoric world quickly recited the incantation, and saw the magic mirror flashing with a dazzling golden light, and it quickly shrank to the size of a slap and flew back into the hands of the ancestor of the prefecture.

What the hell!

Seeing this scene, Yue Feng was shocked again.

This magic mirror is really a treasure, how can it get bigger and smaller?

Wow...

At the same time, the Nine Heavens God and the many priests around him burst into jubilation.

"Master's magical powers are truly admired by the disciples." Jiutian God smiled and praised sincerely.

The voice fell, and the surrounding priests also opened their mouths to respond.

"Thanks to the ancestors for successfully subduing the Demon Venerable..."

"The ancestors' magic power is boundless, shocking ancient and modern."

Under the compliments of many priests, Nuwa's face was calm.

When the prehistoric ancestor landed, Nuwa greeted him and said earnestly: "Master, since the Demon Lord Gone has been included in the magic mirror, we should act decisively and completely destroy him." The

prehistoric ancestor shook his head: "As my teacher, I said before that the Demon Lord Gone is the illusion of Pangu's evil thoughts, and he can't kill him at all. The only way is to suppress him in the depths of the ghost world."

Saying that, the ancestors of Honghuang waved at Yue Feng not far away.

Chapter 3727

Yue Feng was stunned and walked over quickly.

When he got to the front, Yue Feng couldn't hide his doubts, and said to the ancestor of Honghuang: "Senior ancestor, what is your order?"

"Yue Feng!" The

ancestor of Honghuang handed the magic mirror to Yue Feng with a serious face: "Yue Feng, after you return to Kyushu, be sure to bring the magic mirror into the depths of the underworld."

"Next, I will pass you a few seal formulas, remember, don't make any mistakes, once Gone escapes Out of the magic mirror, the consequences will be unimaginable."

Phew...

Hearing this, Yue Feng couldn't help taking a deep breath, and suddenly felt a heavy pressure.

He never thought that the ancestors of Honghuang would entrust such an important matter to himself.

"Master!"

Seeing this situation, Jiutian God was very unhappy: "This time is no small matter, it is better to let the disciples send people to the ghost world to make sure nothing goes wrong. Yue Feng is just a human being."

When saying this, Jiutian God looked at Yue Feng's eyes with a bit of contempt.

The matter of sealing the Demon Lord Gone is no trivial matter, and I don't know how capable this kid is, so that Master can value it so much.

The ancestor of Honghuang frowned and said lightly: "I have already confirmed this matter." As

soon as the voice fell, Nuwa said: "Yue Feng is now the Nine Heavens Profound Sage, responsible for the affairs of the gods and the human world, let him do the most suitable thing to do."

Seeing that Senior Sister also said the same, although Jiutian God was very unconvinced in his heart, he couldn't say anything else.

Um...

At this moment, the ancestor of Honghuang trembled, and his face was a little pale. He had a fierce battle with Gone just now. Although he won a big victory, he also hurt a lot of vitality.

“Master...”

At this moment, whether it was Nuwa or Jiutian God, they couldn't help exclaiming, and at the same time went up to help the ancestors of Honghuang.

The ancestor of Honghuang shook his head, indicating that he was fine: “From now on, I need to retreat and retreat, there is no important thing, don't disturb me rashly, okay, everyone is gone.”

Said, the ancestor of Honghuang looked at Yue Feng, instructed: “Don't make any mistake about the Demon Lord Gone.” “Understood

!” Yue Feng nodded solemnly.

The ancestors of Honghuang explained some things and began to retreat.

A few minutes later, Yue Feng, Nuwa, and Guiguzi said goodbye and returned to the mainland of Kyushu through the portal.

hum.

At the moment when the light of the portal enveloped Yue Feng, Yue Feng was indescribably excited and excited.

Kyushu Continent...my Yue Feng is coming back!

.....

On the other side, the continent of Kyushu, the main altar of the Heavenly Dao Alliance.

In the main hall, Luo Jue was sitting on the throne with a smile on his face, and the heads below were also delighted.

Half a day ago, Luo Jue brought the members of the Tiandao Alliance and returned triumphantly. This time, he succeeded in subduing the entire Qinglong family. Can you be unhappy?

“Haha...”

At this moment, there was a burst of laughter from outside the hall, followed by a figure walking in slowly, dressed in a purple-gold dragon robe, with extraordinary extravagance, it was King Guangping.

Arriving in the main hall, King Guangping bowed deeply to Luo Jue: "I heard that the Tiandao Alliance has broken Shenlong Island and forced the Qinglong family to surrender. It's really gratifying." After

speaking, King Guangping's eyes flashed with ambition, and continued: "This matter has spread throughout the entire Kyushu, it is better to take the opportunity to subdue those royal families and sects who refuse to submit." The

voice fell, and the other heads of the present also nodded in agreement.

"Yes, at this time our Tiandao Alliance is at a time when morale is high."

Chapter 3728

"Furthermore, now we still have the help of the Qinglong clan to defeat Tianmen and those major sects in Huaguoshan. It can be said that it is easy to do."

Everyone's comments kept coming, Luo Jue sat there, but it was calm.

"Everyone!"

After a few seconds, Luo Jue took a deep breath and said with a smile, "We, the Heavenly Dao Alliance, follow the Heavenly Dao, and attack other sects rashly is very inappropriate. In this way, immediately prepare a celebration feast and invite Tianmen and Huaguoshan. The sects will participate, and when the time comes, let the Qinglong clan come out to shock the scene, and these sects will understand what is going on."

Phew...

Hearing this, King Guangping and the head of the present were stunned, and then They all smiled.

"Miao, Your Excellency Tianzun, I want to use the Qinglong family to deter the sects of Tianmen."

"Miao..."

Half an hour later, the news of the Tiandao League holding a celebration feast soon spread throughout the entire Kyushu. Immediately, Tianmen, Huaguoshan, and other sects that were not incorporated into the Tiandao Alliance received invitations.

.....

a day later. Dragon Island!

At this time, Shenlong Island was already desolate. After Xiandi agreed to surrender, she took the Qinglong family and followed Luo Jue to the Tiandao Alliance.

Whoosh!

At this moment, a figure descended from the sky and slowly landed on the main hall of Shenlong Island.

The man is tall and straight, with a unique temperament around him, it is Yue Feng.

When he returned to Kyushu, Yue Feng wanted to rush to the Ouyang family as soon as possible, but when he thought of the instructions of the ancestors, he immediately came to Shenlong Island. You must know that there is a deep well on Shenlong Island. The deep well is connected to the road of the soul. to the ghost world.

I go!

At this moment, looking at Shenlong Island in front of him, Yue Feng was stunned.

Yue Feng saw that Shenlong Island was deserted at this time, there was no one person in sight, the majestic hall in front of him was even more dilapidated, and there were traces of battles all around. Obviously, there was a war here.

what's the situation?

At this moment, Yue Feng only felt that his brain was buzzing, and he was suddenly stunned.

Shenlong Island is well-defended, and the fighting power of the Dragon Clan is amazing. Who has such great ability to make Shenlong Island like this?

Also, where have the Qinglong clan gone?

After being stunned for a few seconds, Yue Feng recovered.

Forget it, it's important to send the magic mirror to the ghost world first.

Muttering in his heart, Yue Feng found the deep well, passed through the enchantment seal outside, and jumped in directly.

After a few minutes, Yue Feng stepped on the ground with his feet, and finally came to the road of the ghost. The ghostly wind around him was frightening, but Yue Feng had the primordial spirit at this time, so he didn't panic at all.

Yue Feng has never been to the ghost world, but under the powerful induction force, he quickly locked the direction of the ghost world.

Huh...

After walking for about half an hour, Yue Feng finally saw that the outline of a huge city appeared in front of him. He saw that there were many underworld soldiers standing on the city gate, and around the city, there were also many soldiers. Many ghost soldiers are patrolling.

Unexpectedly, this ghost world is also so heavily guarded.

Thinking about it, Yue Feng walked straight to the gate of Mingdu City.

“Stop!”

As soon as he reached the gate of the city, Yue Feng was stopped by several underworld soldiers.

The leader of the underworld soldiers looked at Yue Feng up and down, and said coldly: “Where are the wandering ghosts and wild ghosts, sign up!”

This general was called Gongcheng, and he was the general defending the city of Mingdu. And the Pluto in his mouth is Bing Yao.

Chapter 3729

Three years ago, Duan Yu was killed by Yanhong who absorbed the power of Hades, and the underworld was in a state of no owner for a while. Later, Bingyao returned to the underworld and established himself as the new Hades.

Bing Yao was originally the underworld queen of the ghost world, with a supernatural status. When she established herself as the new underworld king, no one in the entire underworld dared to object.

After Bingyao came to power, many new regulations were drawn up, especially Mingdu was even more heavily guarded.

call! Facing the inquiry, Yue Feng looked relaxed and said, “I’m not a wandering ghost, I’m from the mainland of Kyushu, and I want to go into the depths of the underworld to do something.”

Not a ghost?

Hearing this, whether it was Gongcheng or the soldiers around him, their expressions changed.

In the next second, Gongcheng sneered and said coldly: “You are so bold, as a human, have you thought about the consequences of trespassing in the ghost world?” The

voice fell, and the surrounding underworld soldiers immediately dispersed, surrounding Yue Feng. up.

A human wants to enter the depths of the underworld? So suspicious.

“Don’t get excited...”

Seeing this situation, Yue Feng couldn’t help laughing and crying, and slowly explained: “I do have important things, my name is Yue Feng, and I was named the Nine Heavens Profound Sage by the ancestors of Honghuang. I am going to the depths of the underworld. Sealing the Demon Lord Gone, the situation is critical and urgent...”

When he said this, Yue Feng looked relaxed and relaxed.

He is the Nine Heavens Profound Sage, and his status is second only to the Nine Heavens God. The guard of the underworld in front of him should not be presumptuous.

Great Ancestor? Nine Heavens Profound Sage? Demon Venerable...

what’s all this mess? This kid is crazy.

Hearing this, Gongcheng and the surrounding underworld soldiers frowned.

“Bold!”

Soon, Gongcheng reacted first, with a gloomy face, and shouted at Yue Feng: “What a daring guy, not only wants to infiltrate the Mingdu, but also full of nonsense, just like you, what dare you call yourself? Nine Heavens Profound Sage? Come on, arrest him and bring him to the King of Pluto.”

Yue Feng was named Nine Heavens Profound Sage by the ancestors of Honghuang, and the news has not yet reached the ghost world, and Gongcheng is just a small guardian of the underworld. City officials, naturally do not know.

At this time, Gongcheng determined that Yue Feng was a human who had entered the ghost world by mistake.

hula.

As soon as the voice fell, more than a dozen underworld soldiers rushed up.

Hades?

At this moment, Yue Feng was thinking of resisting, but when he heard Gong Cheng’s words, he was stunned. Duan Yu claimed to be the new Hades, but at the summit of Kunlun, Yan Hong had swallowed all his power and vanished into ashes.

Could it be that the reputation of this city guard is someone else?

Thinking to himself, Yue Feng gave up the interruption and let these underworld soldiers be tied up.

Yue Feng thought about it, since there is a new Hades in the ghost world, it is better to say about the seal of the Demon Lord Gone!

Soon, Gongcheng brought more than a dozen underworld soldiers and drove Yue Feng into the underworld capital city.

call!

The moment he entered Mingdu City, seeing the scene in front of him, Yue Feng couldn't help taking a deep breath.

I saw that there were many shops in the entire Underworld City, which seemed to be very lively, but all of them were ghosts, each with a miserable face, and it was heart-wrenching to look at.

Seeing such a scene, Yue Feng couldn't help thinking of Wen Chou Chou in his mind.

Back then, Brother Wen strayed into the ghost world and was forced to be called the messenger of Pluto. Later, he was imprisoned for a long time because he angered Pluto. It is hard to imagine how much Brother Wen suffered in such a place.

At this time, in the Great Hall of the Underworld.

Bing Yao, dressed in a black robe, sat on the throne, with no expression on her delicate face.

On the two sides below, the messengers of Pluto, as well as the ghosts, stood there neatly, each with a solemn expression!

Half a month ago, news came from the Kyushu mainland that God's Domain sent an envoy named Luo Jue to set up the Heavenly Dao Alliance to rectify the situation in Kyushu. Bingyao was very calm when she learned of the situation.

The ghost realm has always had little contact with the realm of the gods, so what the realm of the gods does, Bing Yao is too lazy to worry about it.

But half a day ago, the Heavenly Dao Alliance actually broke the Shenlong Island and forced the Qinglong clan to surrender. At this time, Bing Yao couldn't sit still.

You must know that the Qinglong family has quite a relationship with Yue Feng, and in Bing Yao's heart, Yue Feng is regarded as a benefactor. If it wasn't for Yue Feng, Bing

Yao might still be trapped. At this time, when Yue Feng's allies were in trouble, Bing Yao naturally couldn't calm down.

Chapter 3730

"Everyone."

At this time, Bing Yao frowned slightly, looked around and asked, "The Qinglong family has been subdued by that Luo Jue. According to the news, this Luo Jue will still have to deal with Tianmen and Huaguo. What do you think of these sects, these things?"

Huh...

hearing this, the messengers below, as well as the many ghosts, all looked at each other, but none of them came out. Finally, a messenger came out and said in a complicated tone

: "These are all matters related to the Divine Realm and the Kyushu Continent. I don't think there is any need for us in the ghost realm to intervene..."

"Your Majesty!"

After shouting, Gongcheng walked in quickly, knelt down towards Bing Yao, and said respectfully: "Gongcheng, see your Majesty."

Bing Yao frowned, her beautiful face showed a bit of displeasure: "Gongcheng, as the guardian of the Underworld, what are you doing in the hall if you don't go on patrol?"

Shuh!

In an instant, all the eyes around him were focused on Gong Cheng.

Gongcheng scratched his head with an embarrassed look on his face, and hurriedly said: "Your Majesty, this subordinate has something important to report. Just now, at the gate of the city, my subordinate caught a human who sneaked in. This person is full of nonsense, calling himself Nine Heavens Profound Sage. , said he was going to enter the depths of the underworld..."

"My subordinates have already caught people, and they are tying them up outside the hall first."

Wow.

The voice fell, and there was a lot of discussion in the entire hall.

"Nine Heavens Profound Sage?"

“The name is quite intimidating, but why have you never heard of it?”

“It won’t be the messenger of the gods, the spy sent to meddle in the affairs of our ghost world, right?” The

discussion kept coming, and Bing Yao’s beautiful face instantly became solemn, and then she said coldly to Gongcheng. : “Put the person up.”

“Yes, Your Majesty!” Gong Cheng responded and walked out quickly.

After a few seconds, Gongcheng came back, with a man in a bundle.

It is Yue Feng!

Swish!

At this moment, the eyes of everyone in the hall focused on Yue Feng.

Yue Feng?

Seeing Yue Feng, Bing Yao’s delicate body trembled, and she was suddenly dumbfounded.

He... wasn’t he caught in the vortex of chaos? Are you blindsided?

Thinking to herself, Bing Yao rubbed her eyes and looked again, feeling both excited and happy.

It’s really Yue Feng, he’s not dead...

FUCK!

At this moment, when Yue Feng saw Bing Yao, he also stood there dumbfounded.

Bing Yao? The new Hades turned out to be her?

I haven’t seen each other for three years, this Bing Yao is even more temperamental.

At this time, Bing Yao, although wearing a black robe, couldn’t hide her exquisite curves, her facial features were exquisite and charming, especially the icy aura that kept her from a thousand miles away, which was simply intoxicating.

Um?

Seeing this scene, Gongcheng was stunned, and his mind was full of questions.

This... what's the situation? Why did His Majesty see this man with this expression?

Does... His Majesty know him?

Thinking about it, Gongcheng's heart beat faster, and he suddenly became a little nervous.

"Bingyao."

Finally, Yue Feng reacted and looked at Bingyao with a smile: "It's been a long time, don't come here. I didn't expect you to become the new Hades. Congratulations."

The ultimate husband in Chinese chapter 3731-3740

Chapter 3731

What?

Hearing this, Gongcheng's heart was shocked, and he was completely stupid. He stared at Yue Feng blankly, speechless and full of fear.

What does this man call your majesty? Bing Yao?

He actually called His Majesty's name...

"Yue Feng!"

Just when Gong Cheng was stunned, he saw Bing Yao's face full of joy, and quickly stood up from the throne.

The next second, Bing Yao walked quickly to Yue Feng, looked at it carefully, and said softly: "It's really you, you didn't die, it's really incredible."

When she said this, Bing Yao was absolutely beautiful. There was a happy smile on his face.

Speaking of which, Bing Yao has a cold and arrogant personality. No matter who she treats, she always looks cold and arrogant, but she is an exception to Yue Feng.

Yue Feng?

At this moment, whether it was Gongcheng, the surrounding messengers, and those ghosts, they were all stunned and shocked.

This person is Yue Feng, who is famous in the Kyushu Continent?

Three years ago, wasn't he involved in the vortex of chaos, and his life and death were unknown?

"Gongcheng."

At this moment, Bing Yao tilted her head and looked at Gongcheng quietly: "This man is Yue Feng, he is my friend and a hero of the Kyushu continent, you are indiscriminate, Do you know the guilt for tying him up?" The

voice was not loud, but there was a suffocating majesty.

Swish.

Gongcheng was sweating profusely, he quickly knelt down, and stammered: "Your Majesty, the crime of the minister!"

Immediately, Gongcheng said to Yue Feng ashamed: "Your Excellency Yue Feng, I have eyes but don't know Mount Tai. Your lord doesn't remember villains, forgive me for my mistakes." To

be honest, Gongcheng is the guardian of Mingdu. , in the ghost world, his status is extraordinary. If it were someone else, he would never apologize so humbly and admit his mistake, but Yue Feng is different. This is a famous figure in the Kyushu continent, and he is a friend of His Majesty. Do you dare to apologize?

Seeing Gongcheng's terrified face, Yue Feng waved his hand and said with a smile: "You don't have to be so panic, don't blame those who don't know..."

"Thank you, Your Excellency Yuefeng." Gongcheng wiped the cold sweat off his forehead, and felt a lot of relief in his heart. breathed.

Immediately, Gong Cheng quickly exited the hall.

"Yue Feng!"

At this moment, Bing Yao smiled lightly and asked Yue Feng, "What the hell is going on? How did you escape from the chaotic whirlpool and return to the Kyushu continent?"

Yue Feng took a deep breath , said with a wry smile: "That's a long story!" In the next ten minutes, Yue Feng explained his own experience in detail.

Wow....

Knowing this, whether it was Bing Yao, the envoys around, and those ghosts, they all stood on the spot.

Shocked, utterly shocked.

Yue Feng actually became the Nine Heavens Profound Sage, second only to the Nine Heavens God!

The entire hall was silent.

Looking at Bing Yao and the expressions around him, Yue Feng smiled, took out the magic mirror on his body, and said with a serious face: "The Demon Lord Gone is very evil, so the ancestors of Honghuang asked me to come and bring the magic mirror into

the In the depths of the netherworld, suppressing it is no trivial matter, and it cannot be delayed for a moment.”

Hearing this, Bing Yao reacted and nodded again and again: “I will accompany you immediately.”

Saying that, Bing Yao personally took Yue Feng into the depths of the netherworld and suppressed Gone in the magic mirror.

After doing this, Bing Yao and Yue Feng returned to the main hall.

“Yue Feng!”

Just sitting down, Bing Yao’s beautiful face showed a bit of solemnity: “You just returned to the mainland of Kyushu, you should not know that something happened to Shenlong Island?”

Shenlong Island?

Chapter 3732

Hearing this, Yue Feng was stunned for a moment, and quickly asked, “What happened to Shenlong Island?” His tone was somewhat urgent.

Bing Yao let out a light sigh of relief: “Half a month ago, God’s Domain sent a messenger named Luo Jue to establish the Heavenly Dao Alliance to rectify the entire Jiuzhou rivers and lakes. At that time, many sects joined.”

“This Luo Jue’s city is very deep . Two days ago, Luo Jue led the Tiandao Alliance to attack Shenlong Island. After a fierce battle between the two sides, the Qinglong family was defeated and surrendered to Luo Jue.”

“Just now, I called my subordinates to discuss how to intervene in these matters. , I didn’t expect you to come back.”

What?

Upon learning of these circumstances, Yue Feng’s expression changed.

The Qinglong family actually surrendered to that Luo Jue? No wonder the entire Shenlong Island is so desolate.

However... the Qinglong family is powerful, how could a small messenger of the god’s domain force them to surrender by force? There must be something odd about this.

Thinking to himself, Yue Feng smiled slightly at Bing Yao: "Bing Yao, thank you for telling me this, I'm going to leave, we have a chance to reminisce."

When he said this, Yue Feng looked indifferent, but his heart was incomparable. anxious.

Unexpectedly, after walking for so long, so many changes have occurred in the Kyushu mainland.

...

On the other side, the Ouyang family!

In the hall, Sun Dasheng, Wen Chouchou, and Ren Yingying were all sitting there with solemn expressions, and the atmosphere in the entire hall was extremely depressed.

A day ago, the news that Shenlong Island was breached by the Heavenly Dao Alliance came, and the entire Ouyang family was in an uproar. Whether it was Wen Chou Chou or Sun Dasheng and others, they couldn't believe that the mighty Dragon Clan was defeated.

Just now, the Tiandao Alliance sent someone to send an invitation to invite Tianmen, Huaguoshan, and Changsheng Hall to participate in the celebration feast. At that time, Wen Chou Chou realized that this matter was no trivial matter, and hurriedly called everyone to discuss it.

"Uncle Wen."

Yue Wuya was the first to speak about this matter: "Do we want to go to the Celebration Banquet of the Tiandao Alliance?"

Although Yue Wuya is already the sect master of Tianmen, he still often asks Wen Chou Chou on important matters.

As soon as the words fell, Ren Yingying said seriously: "This is a Hongmen banquet. If we enter, it will be very dangerous. Luo Jue has ulterior motives and will definitely not let us off easily."

Wen Chou Chou nodded in agreement: "Yes, Tiandao Alliance. After subduing the Qinglong clan, the power has grown, and then it is time to deal with us."

"What are you afraid of?"

At this moment, Sun Dasheng was dissatisfied and shouted: "Tell me, let's go to this celebration ceremony, After all, we are also the three famous sects in Kyushu, if we are afraid, wouldn't we make the world laugh?"

“The big deal, then we will fight that Luo Jue to the death.”

Hearing this, Wen Chou Chou couldn't help but say: “Great Sage, calm down. Luo Jue has already recovered the Qinglong clan. If we start a war with him, do you think there is a chance to win?”

“

The girls and Xiao Yuruo also nodded.

“Yeah, don't be too impulsive!”

“Brother Wen is right, let's discuss how to deal with this matter.”

Hearing everyone's words, Sun Dasheng was very angry and muttered: “Then you say , what should we do? Should we go or not.”

This...

For a time, everyone looked at each other in dismay, and there was no proper way. The entire hall was silent.

“Go, why not?”

At this moment, a magnetic and loud voice came from outside the hall.

Swish!

Hearing this voice, whether it was Wen Chou Chou, Ren Yingying and everyone else, their hearts were shocked.

This...this voice....

is him! ! !

Chapter 3733

Whoever was present, whether it was Wen Chou Chou and Sun Dasheng, or Ren Yingying and Xiao Yuruo, were the people who were the closest to Yue Feng, so it was obvious at once that it was Yue Feng's voice coming from outside.

Whoa!

The next second, in shock, everyone got up and walked quickly outside the hall.

hum!

Outside the hall, everyone was stunned when they saw the scene in front of them, their minds were blank, and their eyes were instantly rosy!

I saw a handsome and tall figure standing quietly outside the hall, with a handsome and cold face, with a somewhat cynical smile, not Yue Feng, who else?

This...

is this Yue Feng?

Are you dreaming...

At this moment, whether it is Wen Chou Chou, Sun Dasheng, or Ren Yingying's daughters, they are all stupid. At that time, a few rubbed their eyes in disbelief and looked again.

That's right, it's really Yue Feng, it's Yue Feng!

He's not dead..

I didn't read it wrong. He really didn't die, and he came back alive..

"Brother Wen! Great Sage! Yingying, Yuruo..."

At this moment, Yue Feng's eyes slowly looked over. Sweeping over the person, I was also full of emotion, my eyes were sore, and I almost shed tears.

For more than three years, in these three years, Yue Feng has always wanted to return to the mainland of Kyushu to reunite with his family. At this time, his wish was finally fulfilled.

"Fengzi!"

"Fuck..."

Hearing Yue Feng's voice, Wen Chou Chou and Sun Dasheng reacted, and Qi Qi responded with incomparable surprise and joy on their faces.

The next second, Wen Chou Chou and Sun Dasheng came up almost at the same time, and hugged Yue Feng's neck from left to right.

"Fengzi, is it really you? Great, great..." Wen Chou Chou said excitedly. Speaking of which, Wen Chou Chou was calm, but when he saw Yue Feng returning safely, he was almost excited. speechless.

Sun Dasheng was also very excited, raised his hand and hammered Yue Feng's shoulder a few times, and scolded with a smile: "Fengzi, I'm not dreaming, haha... You actually came back, do you know that brother Wen and I are in Kunlun. On the top of the ruins, a stone monument was built to commemorate you."

"Grandma, I cried for a long time at that time, no, you must invite me to drink a few drinks to make up for it."

When saying this, Sun Dasheng said with a smile on his face. He smiled, but there were tears in his eyes.

Three years ago, I thought that Yue Feng was in the vortex of chaos, and there were no bones left. I never thought that Yue Feng came back safe and sound. After experiencing such great sadness and joy, even a man like Sun Dasheng could not restrain his emotions.

"Haha.."

Hearing the words of Wen Chou Chou and Sun Dasheng, Yue Feng was moved, but also indescribably warm, and laughed loudly: "It's me, I'm back, Dasheng, don't talk about a few drinks, just every day it's okay to invite you to drink, but I'm afraid you won't be able to drink me." The

three brothers hugged each other tightly, looking at each other and laughing.

"Yue Feng?"

At this moment, a soft voice came, trembling slightly.

It was Ren Yingying.

Seeing this, Wen Chou Chou and Sun Dasheng immediately stepped aside.

Yue Feng took a deep breath and looked at Ren Yingying with a smile: "Yingying..."

Chapter 3734

Ren Yingying's delicate body was trembling, she walked slowly, her delicate face was full of disbelief: "Yue Feng, is it really you? I...I'm not dreaming!" As

she said, Ren Yingying walked away. Come over, raise his jade hand and gently stroke Yue Feng's face, look at this, look at that, his eyes are full of expressions and thoughts.

"Yingying...it's me..." Yue Feng's nose was sour, he couldn't help holding Ren Yingying's hand, his voice was a little hoarse, and he couldn't stop crying.

After three years of absence, Yingying lost a lot of weight. For so long, she really suffered.

“Wow...”

Hearing Yue Feng’s voice, Ren Yingying couldn’t bear it any longer, she couldn’t help herself, she suddenly fell into Yue Feng’s arms, and couldn’t help crying: “Yue Feng, I thought I will never see you again.. I miss you so much.. I miss you so much...”

Three years!

For three full years, during these three years, Ren Yingying often sat in the garden of the Ouyang family, recalling the scenes with Yue Feng, and occasionally fantasized that Yue Feng was involved in the chaotic whirlpool, which might be a disaster. , looking forward to one day Yue Feng will stand in front of him.

But three years later, these fantasies finally came to nothing.

Later, Ren Yingying no longer fantasized, she knew that Yue Feng might never come back. A month ago, Miao Ying suddenly appeared and said that Yue Feng was still alive. The day has come.

At this time, Yue Feng really came back, and all his thoughts turned into tears!

“Okay, okay..” Yue Feng hugged her tightly, feeling unspeakable guilt.

“Wow!”

At this moment, Xiao Yuruo, Long Qianying, Su Qingyan, and Er Qing who were next to her couldn’t hold it any longer.

Whether it was Xiao Yuruo or the girls of Long Qianying, they felt the warmth on Yue Feng’s body at this time, and they were all overjoyed to be sure that he was alive. Tears kept falling out!

Just like Ren Yingying, Xiao Yuruo has Together with Long Qianying, Su Qingyan, and the little fairy Erqing, when it was quiet at night, they began to miss Yue Feng.

And now, the man who had dreamed of seeing him suddenly came back, and all the girls couldn’t help it.

His man didn’t die, he didn’t die...

At this moment, all the women hugged Yue Feng tightly, all their delicate bodies were trembling, tears blurred their vision.

“Husband, do you know how much Qingyan misses you? Do you know...”

“I never believed that you were dead. I dream of you every day...”

“Yue Feng, do you know? Our child was born. , I named him Yue Huaixian...”

At the same time of excitement, all the girls were talking about their lovesickness. Hearing this, Yue Feng felt extremely uncomfortable.

At the same time, Yue Feng felt extremely happy.

To be missed by so many confidantes, I am really the luckiest man in the world.

Thinking to himself, Yue Feng said, “I’m sorry, it’s all my fault.” As

he said that, Yue Feng raised his hand to help the girls wipe away the tears on their faces, smiled and comforted: “It’s all my fault, let me You are so miserable, but now that I’m back, I swear, I’ll never be separated from you again.”

Huh...

Hearing this, Ren Yingying and Xiao Yuruo’s girls stabilized their emotions one by one. It was at this moment that they suddenly realized that so many people around them were watching, and they quickly released their hands that were holding Yue Feng, their faces blushing. endlessly.

“Fengzi, come in quickly!”

At this time, Wen Chou Chou greeted with a smile: “You have been here for three years. You must tell us what you have experienced.” The situation was explained again, but Wen Chou Chou couldn’t hold back his curiosity.

The words fell, and Sun Dasheng also shouted: “Yes, Miss Miaoying said that you are trapped in the realm of the gods, tell us quickly, what’s going on.”

Chapter 3735

Yue Feng smiled and returned to the hall with everyone.

After everyone sat down, Yue Feng told everything he had experienced in God’s Domain.

Of course, Yue Feng didn’t say anything about his being named the Nine Heavens Profound Sage and the Demon Lord Gone. You know, these things are too shocking, so Yue Feng decided to hide it from everyone for the time being.

Huh...

Hearing this, whether it was Wen Chou Chou or Ren Ying Ying and everyone else, they were all stunned for a long time.

“Fengzi!”

Finally, Wen Chou Chou recovered, and looked at Yue Feng with emotion: “You are really lucky, your identity was exposed by the God Realm, and the Nine Heavens God did not punish you, but let you go back Kyushu Continent.”

Yue Feng smiled and said, “Speaking of which, Master Guiguzi has more face. Otherwise, I may have to spend some days in God’s Domain.”

Since Jiutian Xuansheng didn’t say anything, Yue Feng simply concealed it. Guiguzi was implicated because of himself.

Hearing this, Wen Chou Chou didn’t ask any more questions.

After all, Guiguzi is the most amazing person in the past, and it is reasonable for the Nine Heavens God to see his face and let Yue Feng return to Kyushu.

“Yue Feng!”

At this time, Su Qingyan, who was sitting next to him, looked at Yue Feng with a smile, and couldn’t hide the expression in his eyes: “When you came back just now, you said that you promised to attend the Celebration Banquet of the Heavenly Dao Alliance, don’t you? You all know what happened in Kyushu during this period of time?” The

voice

fell, and the eyes of everyone around focused on Yue Feng’s face, waiting for his answer.

Yue Feng took a deep breath and nodded: “Of course you know, don’t forget, I have always been with Master Guiguzi in God’s Domain. Master is a master of fortune-telling and knows everything, so what happened in the Kyushu continent, You can’t hide it from me.”

Hearing this, everyone was stunned.

At this moment, Sun Dasheng couldn’t help saying: “Fengzi, since that’s the case, you should know that Luo is not easy to deal with...”

Before he finished speaking, Yue Feng interrupted with a smile: "It's okay. Son, I'm not afraid of the Nine Heavens God, and I'm still afraid of a little messenger from the divine domain?"

"Okay!"

Seeing Yue Feng's decision, Wen Chou Chou nodded and said, "In that case, let's go together!"

Yue Feng shook his head: "No, we're not going to fight, we don't need to go to so many people, when the time comes, I'll be alone." When he said this, Yue Feng looked relaxed.

He is the Nine Heavens Profound Sage, second only to the Nine Heavens God, and he is not afraid of Luo Jue's tricks.

What?

At this moment, both Wen Chou Chou and Ren Ying Ying were stunned.

In the next second, Ren Yingying's delicate face was full of solemnity: "This is absolutely impossible, then Luo Jue has ulterior motives, you are too dangerous alone." The

voice fell, and everyone around nodded.

"Yeah, it's too dangerous for you to be alone!"

"It's absolutely impossible."

"You finally came back, you can't take any more risks..."

Hearing everyone's words, Yue Feng was very moved, and immediately discussed with everyone, and finally had to agree and let Su Qingyan accompany him.

.....

On the other side, the Yellow Sea Continent.

In the southeast of the Yellow Sea Continent, deep in a mountain, there is a valley isolated from the world.

This valley has beautiful scenery and is surrounded by a virgin forest. Because of the high and steep mountains, it is inaccessible.

This valley is called Cloud Valley because the sky is surrounded by clouds and mist all the year round.

In the depths of Yungu, there is an antique Jian ethnic group. Here, it is the most mysterious family in the Yellow Sea Continent, Baiyun Villa!

Baiyun Villa has been passed down for thousands of years and has a profound background. It can be said that in the rivers and lakes of the Yellow Sea Continent, there is hardly a sect that can compare with the long history of Baiyun Villa.

The ultimate husband in Chinese chapter 3736-3740

Chapter 3736

However, Baiyun Villa has been living in seclusion in Yungu and has never communicated with rivers and lakes, so very few people know about it.

The current patriarch of the Baiyun Mountain Villa is named Baihe. He is in his sixties, and his cultivation is unfathomable. Moreover, in the Qimen Dunjia technique, he also has extremely high attainments.

Among the patriarchs of Baiyun Villa, Baihe is definitely outstanding.

At this moment, Baiyun Villa is quiet and peaceful.

On the square behind the manor, the disciples of the Baiyun family were lining up neatly, trying to practice martial arts. Bai He sat on a chair beside him, giving pointers from time to time.

Buzz!

At this moment, in the forbidden area of the manor not far away, there was a burst of strong vibrations. This vibration caused the entire Yungu to shake violently, as if there was an earthquake.

what's the situation?

In an instant, many disciples who were cultivating stopped one by one, with complex expressions and inexplicable fear.

And Bai He, who was sitting there, also had a solemn expression on his face.

At this moment, a clan elder walked over quickly and respectfully said to Bai He: "Patriarch, within the forbidden area, there is a sudden tremor. Could it be that there are treasures in the world? In the past twenty years, every time treasures appear in the Kyushu continent, they must A vision has happened!"

Whoosh!

The voice fell, and the whole square suddenly burst into a heated discussion. Those disciples were all excited and inexplicable, and their eyes all converged on Bai He.

It would be great if there were treasures under Baiyun Villa.

Under everyone's attention, Bai He looked indifferent, shook his head and said, "What treasure? Don't talk nonsense, maybe there is a problem with the formation I researched."

This chapter is provided by . Visit for daily update.

When he said this, Bai He's expression was calm, but his eyes showed a bit of complexity.

Huh...

Hearing this, everyone around was secretly sighing, feeling a little lost.

It turned out that the patriarch was studying the formation in the forbidden area, and Bai was happy.

"Father!"

At this moment, a handsome figure walked quickly from the front hall, with sharp-cut facial features and a graceful demeanor, about twenty-five grades.

It is Baihe's only son, the young owner of Baiyun Villa, Bai Yunfei.

Bai Yunfei is intelligent since he was a child, and is a rare cultivation genius. When he was fifteen years old, he broke through the Emperor Wu. His current strength is even more unfathomable. , As a result, Bai Yunfei can't go out and venture out, otherwise, the rivers and lakes of the Kyushu continent must be a different pattern.

When he got to the front, Bai Yunfei asked Bai He, "Father, there is a sudden vibration in the forbidden area, what's the matter?"

"No big deal!"

Bai He said lightly: "Maybe something happened to the formation I was studying, let's go. Come and see me!"

After that, Bai He looked around: "Everyone continue to practice, don't be lazy."

After speaking, Bai He took Bai Yunfei and walked towards the forbidden area behind.

Um?

Soon, when he reached the secret room in the forbidden area, Bai Yunfei was stunned.

I saw that everything in the secret room was normal, and the formation deployed by my father was intact, and it didn't look like it had experienced a shock at all.

Under the doubts, Bai Yunfei couldn't help but ask: "Father, there is nothing wrong with this. The formation is good, where did the vibration just now come from?"

Bai He looked solemn and did not respond. Instead, he walked slowly to a wall and opened the hidden mechanism.

Kachacha... The

next second, the mechanism was triggered, and a secret passage appeared slowly in front of me.

This...

Seeing this secret passage, Bai Yunfei was stunned. He grew up so big, and I have been to this secret room many times. This is the first time I know that there is a secret passage hidden here.

Chapter 3737

Bai He took a deep breath and said lightly: "Don't ask more, come with me!"

At this time, Bai He had an unprecedented solemnity on his face.

Saying that, Bai He walked into the dark passage first.

Bai Yunfei looked suspicious, but he didn't dare to ask any more questions, so he quickly followed.

hiss!

After entering the dark passage, Bai Yunfei couldn't help sucking in the cold air. The steps in front of him couldn't see the end at all, and he didn't know how long they were, as if they were leading to the center of the earth!

The further you go down the steps, the bigger the space around you!

Beneath the manor, there is something unique, and it is the first time that I have grown up here since I was a child.

For a time, Bai Yunfei's heart became even more puzzled.

After walking for a while, I saw that the passage in front was blocked by a layer of water-like membrane, and there was a strange wave of power fluctuations on it.

"Father, what is this?" Bai Yunfei couldn't help but asked.

Bai He succinctly replied with two words: "Enchantment."

Enchantment?

Hearing this, Bai Yunfei was stunned for a moment, and he wanted to ask again, only to see that his father had passed through the barrier, and immediately followed closely.

After passing through this barrier, Bai Yunfei clearly felt that the space below was filled with a powerful force, but the passage had not yet come to an end.

The further down he went, the more shocked Bai Yunfei felt in his heart.

Because every time you walk a certain distance, there will be an enchantment, and every time you pass through an enchantment, the power in the surrounding air will become stronger, but Bai Yunfei does not panic at all, but has an inexplicable excitement.

In the dark, Bai Yunfei sensed that the power filling the air had an inexplicable intimacy, like the feeling of being connected by blood.

I don't know how long I walked, and I passed through the eighteenth floor barrier. Finally, Bai Yunfei followed Bai He to the end of the dark passage. He saw that what appeared in front of him was a huge open space. This open space contained the entire cloud valley. size.

In the middle of this open space, there is a circular boulder platform.

On the stone platform, sat a burly figure, wearing black armor, motionless, as if petrified, without the slightest sign of life.

Even so, seeing the burly figure, Bai Yunfei felt breathless.

Who is this person? Looks like he's been dead for a long, long time.

At this moment, Bai Yunfei stared at the burly figure on the stone platform, and his heart was shocked.

After being dead for so long, yet still giving people such a powerful aura, his identity is by no means simple.

Phew...

Shocked, Bai Yunfei was deeply attracted by something in front of the burly figure. It was a drop-shaped spar that was quietly suspended in front of him.

The spar is the size of a fist and exudes a dazzling light. Not only that, but a strong aura is permeating from this spar.

At this time, Bai Yunfei immediately realized that the power that pervaded the entire underground space was emanating from this spar.

What treasure is this?

And this person, who is it?

“Yunfei!”

Chapter 3738

Just when Bai Yunfei was muttering secretly, Bai He slowly opened his mouth and said, “Do you know what our ancestors did?”

“Father, why did you ask this all of a sudden?” Bai Yunfei was stunned, and then responded subconsciously. Dao: “When I was a child, you told me that our ancestor of the Bai family was a peerless powerhouse. Later, because of the vendetta, he was forced to live in seclusion in Yungu. This is also written in the family tree passed down from generation to generation...” He

didn't say anything . After that, Bai He shook his head and interrupted: “That's not true.”

Isn't it true?

Hearing this, Bai Yunfei stayed there, feeling a little confused.

What is written on the family tree is actually fake?

Seemingly guessing Bai Yunfei's thoughts, Bai He said slowly: “Our Bai family hides a huge secret, and this secret is very important to the survival of our Bai family, so what is written on the family tree is only for the family. What the ordinary members in the middle of the world see, the truth is known only by the patriarchs of all dynasties.”

Said, Bai He took a deep breath and looked extremely solemn: “Yunfei, you are an adult, we will rely on you in the Bai family, I am now Let me tell you the truth.”

“The ancestors of our Bai family were not humans, but demons. Demons were born after the creation of the world and were transformed by the evil thoughts of the great

god Pangu. Therefore, they have always been incompatible with the gods transformed by Pangu's good thoughts. .."

"Tens of thousands of years ago, a war broke out between the gods and demons. The demons were defeated and dissipated nine days away, and the other members of the demon race were also killed by the gods one by one, but our ancestors were lucky enough to escape at that time. A catastrophe."

"In order to escape the pursuit of the gods, the ancestors fled everywhere, and was rescued by a human woman. After that, the two sides fell in love with each other. After having children, the ancestors took the identity of human beings and lived in seclusion in the Kyushu continent. With the Bai family."

"Because we want to avoid the pursuit of God, our Bai family has lived here for generations."

What?

Hearing this, Bai Yunfei only felt his brain buzzing, completely stupid.

The ancestors of the Bai family are not humans, but demons?

"Father!"

After being stunned for more than ten seconds, Bai Yunfei reacted, swallowed his saliva and asked, "So, the stone platform in front of you is the remains of an ancestor?"

After speaking, Bai Yunfei couldn't help but look at it. He glanced at the burly figure on the stone platform, and his heart shook inexplicably.

Bai He nodded: "Yes."

"Then what is the thing floating in front of him?" Bai Yunfei continued to ask.

call!

Bai He took a deep breath and responded, "That is the demon soul of the ancestors, you must know that demons are different from humans and gods. Human cultivation relies on dantian, god cultivation relies on primordial spirit, and demons rely on demon souls for cultivation. "

The ancestors escaped from the pursuit of gods and were severely injured in the escape, so after having children with human women, they died not many years ago, but before dying, they condensed their demon souls out of the body and waited for them. Descendants will take over the inheritance."

Having said that, Bai He pointed to the long dark path behind him: "The eighteenth-level barrier on the dark path was also deployed by the ancestors before they died, to prevent the gods from being noticed and to isolate the demon soul. Hearing

this, Bai Yunfei only felt confused and couldn't help but said, "Isn't it unnecessary for the ancestor to do this? He couldn't fight against God before his death, even if he left the demon soul, what's the use?"

"Ha ha!"

Bai He smiled and looked at Bai Yunfei with a deep expression on his face: "You are wrong, the ancestors did this, not to avenge the descendants after inheriting the devil's soul, but to wait for the resurrection of the devil."

"The ancestor is the most powerful devil. The trusted general, his Demon Soul, could sense the existence of Demon Venerable. At that time, Demon Venerable was defeated by God and dissipated in nine days, but the ancestors firmly believed that Demon Venerable did not die, because he was transformed by the evil thoughts of Pangu. He won't die."

"So, when the ancestor was dying, he left a legacy, which only the patriarchs of the past dynasties knew."

Hearing this, Bai Yunfei only felt his blood rise, inexplicably cheered up, and quickly Asked: "What is the content of the will?"

Bai He said with a serious face, "The content of the will is that when the ancestor's demon soul has a vision, it proves that the existence of the demon has been sensed. At that time, the Bai family will no longer shy away from the world, and must inherit the power in the demon soul, and then find the demon so that he can assist and assist him for the rest of his life."

"There was a sudden shock here just now, and it was the vision caused by the demon soul, in other words, It sensed the Demon Venerable."

Chapter 3739

Speaking of this, Bai He resisted his inner excitement and looked at Bai Yunfei closely: "Yunfei, inherit the demon soul of the ancestors, and then find the Lord Mozun, it is the responsibility of our Bai family."

"You are talented. Smart, he is the leader of the younger generation of our Bai family, and he is the heir to the patriarch, so this big responsibility will be handed over to you!"

Hu...

Bai Yunfei took a deep breath and stayed there for a long time. The ins and outs have come and gone, but the mood is still not calm.

This kind of thing, it is difficult for anyone to calm down.

In Bai Yunfei's heart, he thought that the family had been avoiding the world for other reasons, but he never thought that such a huge secret would be hidden.

"Father!"

Finally, Bai Yunfei came to his senses and said, "Then what should I do now?"

Bai He looked at the demon soul suspended on the stone platform, and said slowly, "Fusing the power of the demon soul, we are The descendants of demons have a very different physique from ordinary people, and can fully withstand the powerful power of the demon soul. So, you don't have to worry."

"Is the power contained in this demon soul very strong?" Bai Yunfei asked again.

Hearing this, Bai He suddenly laughed, looked at Bai Yunfei, his tone was profound: "As long as you successfully merge the demon soul, you are not afraid of even gods, do you think it is strong?" After speaking

, Bai He urged: "Go."

Hmm!

Bai Yunfei nodded, forced himself to calm down, then moved his figure, jumped onto the stone platform, took the demon soul in his hand, and then moved the power of his dantian, and began to merge.

hum! hum! hum!

In an instant, I saw the demon soul burst into a dazzling red light, instantly covering Baiyunfei, and at the same time, the power contained in the demon soul rushed into Baiyunfei's dantian.

At this moment, Bai Yunfei hurriedly held his breath, sat on the ground cross-legged, and began to merge this power.

Seeing this scene, the white crane standing under the stone platform, his eyes flashed with excitement, and at the same time secretly prayed in his heart: the ancestors bless, bless Yunfei must be successfully integrated.

Unconsciously, the day passed.

The power of the demon soul was completely absorbed. Bai Yunfei opened his eyes, his face full of excitement.

At this time, Bai Yunfei clearly sensed that the power in his body was much stronger than before, and what made him even more excited was that after fusing the power of the demon soul, a technique emerged in his mind.

“Tianmojue!”

What a domineering name!

Bai Yunfei took a deep breath, and without thinking too much, he continued to sit there cross-legged, and began to practice according to the formula in his mind.

Seeing this situation, Bai He was very excited and quietly guarded the Dharma.

After another night, Bai Yunfei was done, and he completely understood the Heavenly Demon Art. Speaking of which, even if Bai Yunfei was talented and intelligent, it would take at least half a month to fully comprehend the Heavenly Demon Art. So, only for one night.

The son successfully merged the demon soul and practiced the success method, Bai He was very excited.

“Yunfei, you really did not live up to my expectations!” Bai He looked at Bai Yunfei with a smile, his eyes full of love and praise: “I will call everyone in a moment and announce that the family will be cancelled. Then I will pass on the position of the patriarch to you. “

After that, you will take people out to inquire about the news of Demon Venerable. Remember, we are the descendants of Demons, so we must not expose it, otherwise it will be known by God Domain, and the consequences will be unimaginable.”

“I see, father.” Bai Yunfei nodded quickly.

After the father and son said a few more words, they left the secret room. After that, Bai He called all the family members to gather in the front hall.

At this time, in the hall of Baiyun Manor.

Bai He sat there with a smile on his face, and Bai Yunfei stood aside, because he had just completed his practice, there was an indescribable aura all over his body, and he was in high spirits.

Chapter 3740

Around the hall, sit clan elders and elite disciples.

“Everyone!”

Seeing everyone gathered, Bai He smiled, looked around and said: “Now I announce two things, the first one, our Bai family has been away from the world for thousands of years, from now on, we don’t need to stick to the Yungu is over, and the disciples of the family can go outside.” “Second, I will officially pass the position of the patriarch to Yunfei

. From now on, you must help Yunfei and revitalize the family.” At these words, the entire hall was in an uproar, and many elite disciples were inexplicably excited and excited. “Finally able to venture into the arena? Great!” “Haha, I’m dreaming.” These elite disciples are all at a young age, and their hearts are all about fighting swords, but because of family rules, they can only go out. The dream of breaking through is suppressed in his heart, and at this time, the patriarch Bai He suddenly wants to lift this family rule, can you be unhappy? The elders, on the other hand, looked at each other with complicated expressions. Finally, one of the elders stood up and said complexly to Bai He: “Patriarch, living in seclusion in Yungu is a family rule handed down by our Bai family for thousands of years. It seems inappropriate to break it like this.” The voice fell, Several other elders also nodded in agreement. These elders are all old, and their thinking is a bit outdated. Hearing this, Bai He smiled slightly, and said, “Rules are established by people. If we keep complacent, how can our Bai family carry forward? I have made up my mind, and this is the decision.” Said, Bai He and Bai Yunfei looked at each other.

The ancestors are demons, and the father and son decided to temporarily hide it from the clansmen. After all, this matter is of great importance. Once it is leaked, it will be a disaster.

Seeing the patriarch’s insistence, the patriarchs were not very good at saying anything.

“Yunfei!”

At this moment, Bai He smiled at Bai Yunfei: “You are the patriarch now. Starting tomorrow, take the elite disciples of the family and go out to meet the world.”

“Okay, father!” Bai Yunfei nodded. , He knew that what his father said to see the world was actually to find the Demon Lord, but these could not be said in front of the clansmen.

At the same time, Bai Yunfei looked at the sky outside the hall, and his heart was filled with pride.

Kyushu Continent, I, Bai Yunfei, are coming.

...

a day later, Tiandao Alliance!

Today's weather is good and the sun is shining brightly, and the Tiandao Alliance main altar is even more lively.

Ten days ago, Luo Jue led the attack on Shenlong Island and forced the Qinglong clan to surrender. This incident caused a shock in the Kyushu mainland. You must know that the Qinglong clan was called the Shenlong clan by Kyushu. They are powerful and are the existence that countless practitioners look up to.

The Heavenly Dao Alliance actually defeated the Qinglong clan in one fell swoop. This was an unprecedented feat, enough to be remembered in the annals of history.

For a time, the Heavenly Dao Alliance became famous throughout the entire Kyushu.

After that, Luo Jue decided to hold a celebration feast and invited the major sects of Kyushu to further establish the prestige of the Tiandao Alliance.

Today is the day of the celebration feast.

I saw that there were nearly 10,000 seats in the square of the main altar of the Tiandao Alliance. The aisle was covered with a red carpet, and the surrounding flags were flying, which was very grand.

At this time, there were already quite a few people sitting on these seats. Looking at the past, it was crowded with people. From a distance, the darkness was overwhelming. It was very spectacular. These guests, in addition to various royal families, were masters of various continents.

The ultimate husband in Chinese chapter 3741-3750

Chapter 3741

At this time, there were tens of thousands of people at the banquet, all waiting for Luo Jue to appear.

Whoa!

At this time, there was a sudden commotion at the entrance of the banquet, and then, everyone's eyes quickly looked over, and they were all dumbfounded.

I saw the entrance of the banquet, and two figures walked in slowly.

There is a man and a woman, the man is handsome and cold, the woman is graceful, and the beauty is indescribable.

It was Yue Feng and Su Qingyan.

Speaking of which, when the Ouyang family was negotiating before, Yue Feng originally planned to come alone, but Wen Chou Chou felt that it was dangerous and everyone opposed it at the time. In desperation, Yue Feng had to agree to bring one person and finally chose Su Qingyan.

You must know that Su Qingyan used to be the sect master of Wenzong. Not only is he strong, but he is also more Wenzong in handling things. At critical moments, he can help Yue Feng make up his mind.

Hiss...

As soon as Su Qingyan appeared, he instantly became the focus of the audience, and many men's eyes became straight.

Su Qingyan, the former Sect Master of Wenzong, the goddess of the East Ao Continent, is wearing a rose-red dress at this time, showing off her perfect and sexy figure to the fullest. The almost S-shaped curve almost made many men go crazy. .

"Beautiful, so beautiful!"

"This is Su Qingyan, the former Sect Master of Wenzong? It really lives up to its reputation."

For a while, many people present looked at Su Qingyan up and down, and there were many discussions.

"Huh? This man next to Su Qingyan..."

This chapter is provided by . Visit for daily update.

At this moment, someone in the crowd shouted, and all the eyes of the audience suddenly converged on Yue Feng.

This...

Is this Yue Feng?

At first, everyone's attention was on Su Qingyan, but when they saw Yue Feng, they were all dumbfounded.

Three years ago, wasn't Yue Feng caught in the chaotic vortex?

how? Is he still alive?

Feeling the eyes of everyone around, Yue Feng looked indifferent.

Then Yue Feng looked around and saw a lot of familiar faces, not far from the seats, the real Lingbao from the Wudang school, the master Jueyuan from the Shaolin school, Gongsun E, the head of Xiaoyao...

They are all in the garden. The head of the sect of the mainland.

Seeing this group of acquaintances, Yue Feng felt extremely happy, and went over to say hello with Su Qingyan.

"Real Lingbao, Master Jueyuan! Stay safe."

When he arrived, Yue Feng greeted him with a smile on his face.

Hearing Yue Feng's voice, whether it was Master Jueyuan, Master Lingbao and others, all of them were shocked. Looking at Yue Feng one by one, they were shocked!

Three years ago, Yue Feng was involved in the chaotic vortex, and his life and death are unknown since then.

At that time, Sun Dasheng and Wen Chou Chou built monuments on the top of the Kunlun site to commemorate Yue Feng. Not only that, but in the Kyushu rivers and lakes, many sects that had a good relationship with Tianmen also launched their own memorial activities.

It can be said that everyone believes that Yue Feng is dead. But he never thought that three years later, Yue Feng would come back safe and sound.

“Sect Master Yue, is it really you?” Spirit Treasure was the first to react, looking at Yue Feng with great excitement.

Yue Feng smiled slightly: “Who else would it be if it wasn’t me? I haven’t seen you for three years, the real person is still the same.”

Haha...

The real person Lingbao also laughed and said sincerely: “I didn’t expect that Sect Master Yue was involved in the chaotic vortex back then, and he could return safely. Seeing Sect Master Yue all right, I’m really happy from the bottom of my heart.”

Chapter 3742

When he said this, Lingbao’s face was sincere.

Since the establishment of the Tiandao Alliance, the rivers and lakes of the Kyushu Continent have been broken all at once. It seems calm on the surface, but in reality, undercurrents are surging. For this matter, Lingbao is very anxious, but there is nothing to do. You know, Luo Jue is the domain of the gods. The messengers sent are of extraordinary status and unfathomable strength, and no one can match them.

Now that Yue Feng is back, he may be able to break this deadlock. After all, Yue Feng is recognized as the top powerhouse in the Kyushu continent.

When the voice fell, Master Jueyuan next to him recited a Buddha’s name: “Amitabha, Sect Master Yue can return safely, it is my great fortune in Kyushu.”

At the same time, Gongsun’e and the other heads also came over and greeted Yue Feng.

The atmosphere is pleasant and pleasant.

“Tsk tsk...”

However, at this time, a discordant voice came, with a bit of ridicule: “Isn’t this the famous Tianmen Sect Master Yue Feng? You are not dead, it’s incredible.. ..”

Hearing the voice, Yue Feng and the people around looked back, and saw several Tiandao League disciples hurriedly approaching, the one in the lead, wearing a gorgeous soft armor, with a humble face.

It was Guo Dong.

Guo Dong is a slick person. After the eight saintess were imprisoned by Luo Jue, he won the trust of Luo Jue with his extraordinary flattery and flattery, and was finally promoted to the guardian of the Heavenly Dao League.

Today's celebration banquet is also fully responsible for Guo Dong.

call!

Seeing Guo Dong, Yue Feng frowned, this kid is a little familiar.

When I think about it, it seems to be the head of a small sect, called Guo Dong. From the looks of it, this guy is doing well in the Tiandao League.

At this time, Guo Dong swaggered up to him and looked at Yue Feng up and down: "Aiya, Sect Master Yue, it's really you."

After saying that, Guo Dong patted his mouth awkwardly: "Oh, almost Forget, you are no longer the sect master of Tianmen, I really did not expect, Yue Feng, you were involved in the vortex of chaos three years ago, and you can come back alive."

"But let me tell you, the current Kyushu is not It was Kyushu three years ago, and now the entire Kyushu is respected by the Tiandao Alliance, so no matter how beautiful you were in the past, when you come here at this time, do you need to understand honestly?"

When he said this, Guo Dong looked proud. .

In the past, when Guo Dong was the head of a small sect, he was often suppressed by Tianmen because he often did some shady deeds in the arena. Now that he has become the guardian of the Tiandao Alliance, he has achieved great success, and Guo Dong suddenly became proud.

In this case, Guo Dong did not take it seriously when he met Yue Feng, the former hero of Kyushu.

On the contrary, thinking of Tianmen's suppression, Guo Dong had to tease Yue Feng with a few words in front of everyone.

Speaking of which, Guo Dong knew that Yue Feng was very powerful, but this place was the main altar of the Heavenly Dao Alliance, so Guo Dong was sure that Yue Feng did not dare to mess around, so he mocked him a few words and was unscrupulous.

"Guo Hufa, this is Yue Feng, you have to be polite."

"That is, be careful if someone gets angry and ruins your cultivation..."

At this moment, Guo Dong's party members around him, and his relationship with Tianmen The bad sects started to coax one after another.

Hearing these yin and yang strange voices, Yue Feng smiled lightly and ignored it.

In Yue Feng's heart, Guo Dong and these are just a bunch of clowns jumping on the beam. Comparing with them will simply lower his identity.

However, Su Qingyan, who was on the side, couldn't bear it any longer, and said angrily to Guo Dong, "Hufa Guo, my husband and I are here to attend the banquet on behalf of Tianmen, Huaguoshan, and the Hall of Longevity. You said yin and yang strangely. Do you think this is interesting?"

Seeing Su Qingyan speak, Guo Dong's face was embarrassed, and he didn't know how to answer for a while.

"Qingyan!" At this time, Yue Feng whispered to Su Qingyan : "Do n't

pay attention to him, there is no need to care about this kind of person. Could it be that if a dog bites you, you will bite back?" At this point, Su Qingyan couldn't help laughing, and suddenly burst out laughing, her smile was like a flower, she was extremely charming, and in an instant, many men around were stunned.

Chapter 3743

Yue Feng's voice was very small, but Guo Dong stood relatively close and could hear it clearly.

"What did you say?" Guo Dong was furious, glared at Yue Feng, and shouted.

Ma De, he is now the protector of the Heavenly Dao Alliance, but he was compared to a dog by Yue Feng.

Whoa!

At the same time, several Tiandao League disciples behind Guo Dong also came over and surrounded Yue Feng.

Seeing this situation, Yue Feng's expression remained the same, very indifferent.

Su Qingyan frowned and said coldly at Guo Dong: "Guo Dong, this is how your Heavenly Dao Alliance treats distinguished guests?"

Guo Dong sneered: "I don't mean anything else, but Yue Feng must be responsible for what he just said. , apologize to me." The

tone was cold and unquestionable.

At this time, Guo Dong had a gloomy face, and his eyes were even more cunning.

Being able to make the former Jiuzhou hero apologize to himself in public will not only dampen Yue Feng's spirit, but also make himself famous in Jiuzhou, why not do it?

Apologize?

Hearing this, Su Qingyan frowned, Yue Feng was arrogant, how could he apologize to Guo Dong?

At this time, Yue Feng looked at Guo Dong with a smile: "I didn't say anything wrong, why do I have to apologize to you?" After speaking

, Yue Feng looked around and said loudly: "Everyone is critical, my wife and I were just now. As for talking, I said 'the dog bites you, do you want to bite back?' This is just a whisper between our husband and wife, but this Guo Dong heard it and thought I was scolding him, which is really inexplicable."

Haha..

When the voice fell, there was laughter around, and many people looked at Guo Dong with a playful look.

Swish!

At this moment, Guo Dong's face flushed, and he was about to explode with anger. It wasn't enough for Yue Feng to scold him once. He had to repeat what he just said in front of everyone.

In anger, Guo Dong pulled out his long sword and glared at Yue Feng: "Okay, very good, see if you plan to leave safely today." As he said that, a powerful breath burst out from Guo Dong.

The atmosphere instantly became solemn, and the swords were drawn.

Seeing this scene, Master Lingbao, Master Jueyuan and everyone couldn't stand it any longer, and they all started talking.

"Guo Hufa, Sect Master Yue is just joking with you, there is no need to take it seriously."

"Yeah, everyone thinks that peace is the most valuable..." The

persuasion continued to come, Guo Dong looked grim, and said coldly: "Shut up, This is a matter between me and Yue Feng, whoever interferes again will have a hard time with our Heavenly Dao Alliance."

Ma De, Yue Feng dares to mock me in public, so he must give him some color.

Moreover, taking advantage of the opportunity, it can also shock and deter other sects that have not joined the Tiandao Alliance, and kill the chickens as an example.

Huh..

Seeing Guo Donglaizhen, Lingbao Zhenren and Master Jueyuan, they all sighed secretly and stopped talking.

To be honest, whether it is the real person Lingbai or Master Jueyuan, they are not afraid of Guo Dong, but the Tiandao Alliance behind him is not easy to mess with.

At the same time, the other sects around were also standing not far away, watching the excitement with a half-smile, no one came up to speak to Yue Feng, no one was stupid, and none of them wanted to offend the Tiandao Alliance.

Seeing this, Guo Dong showed a sneer.

Yue Feng, ah Yue Feng, no one can speak for you, how can you fight against our Heavenly Dao Alliance alone.

"Yue Feng!"

At this time, Su Qingyan was also a little anxious, and whispered to Yue Feng: "What should I do?"

When she said this, Su Qingyan couldn't help but glance at Guo Dong, her beautiful face On, showing anger, she never thought that Guo Dong would embarrass Yue Feng in public.

Chapter 3744

To be honest, Su Qingyan didn't take Guo Dong seriously, but if he really wanted to fight, he and Yue Feng would probably suffer a loss. After all, this is the main altar of the Tiandao Alliance.

Feeling Su Qingyan's anxiety, Yue Feng smiled lightly, "It's okay, don't panic!" After hearing this, Su Qingyan stopped speaking.

She knew that Yue Feng was so calm, there must be a solution.

Seeing Yue Feng's indifference, Guo Dong lost his patience and said coldly, "Yue Feng, I'll give you a chance to kneel down and apologize to me immediately. The unpleasantness just now is over."

Hehe...

Yue Feng chuckled lightly and was about to speak.

However, at this moment, a handsome figure came over slowly.

Dressed in a white long gown, he was graceful and extraordinary, and his body was filled with an unfathomable aura.

It was Bai Yunfei.

"The Tiandao Alliance is really powerful."

When he got to the front, Bai Yunfei looked up and down at Guo Dong, and smiled lightly: "You Tiandao Alliance claim to be the Supreme Lord of the Nine Kyushu Regions, but at the banquet, you did this kind of bullying. Aren't you afraid of ruining your reputation?"

When he said this, Bai Yunfei couldn't help but glance at Su Qingyan.

A day ago, after Bai Yunfei became the patriarch, he selected more than a dozen elite disciples and began to roam the rivers and lakes to investigate the news of the Demon Lord. Half a day ago, he learned that the Celestial Dao Alliance held a celebration ceremony, and all the sects in Kyushu came, but Bai Yunfei did not. After hesitating, he brought people to the main altar of the Tiandao Alliance.

Speaking of which, Bai Yunfei had planned to go to the banquet to quietly investigate the news about Demon Venerable.

Of course, Bai Yunfei didn't want to stand up for Yue Feng, but for Su Qingyan.

Bai Yunfei didn't know Su Qingyan, but it was the first time he saw him today, but he was deeply fascinated by Su Qingyan and was shocked.

Swish!

At this moment, the eyes of the audience all converged on Bai Yunfei.

"Who is this?"

"I don't know, I've never seen him before, but he has a very special temperament."

“Yeah, I didn’t expect such a person to exist among us in Kyushu...”

During the discussion, Yue Feng was also stunned for a while, and then asked Su Qingyan in a low voice, “This is your friend?”

Su Qingyan shook her head.

“Ma De!”

At this time, Guo Dong also reacted and glared at Bai Yunfei: “Who are you kid? You want to be the first bird?”

Facing Guo Dong’s anger, Bai Yunfei did not panic at all, and smiled slightly: “In Xia Baiyunfei, the current owner of Baiyun Villa, we, Baiyun Villa, have been away from the world for thousands of years and have been living a life of indifference to the world, and we only came out to explore the arena yesterday.”

Hearing this, many people around were suddenly surprised . .

It turned out to be a reclusive family, no wonder I hadn’t seen it before.

Guo Dong frowned and said coldly, “Since it’s the first time you’ve come out to explore the arena, don’t meddle in your own business.”

Bai Yunfei smiled and said with a serious face, “You’re right, by the way, this time I Come uninvited, to participate in the celebration feast of your Heavenly Dao Alliance, it is for the prestige of your Heavenly Dao Alliance, and I plan to join your Tiandao Alliance today.”

Saying that, Bai Yunfei’s handsome face showed a bit of disappointment: “In my heart, the Tiandao Alliance is a ‘benevolence and righteousness first’ organization, but only after I came today did I know that the Tiandao Alliance will only use power to bully others, alas, it’s really let down. People are disappointed, it seems that at the beginning, my expectations for the Heavenly Dao Alliance were too high.” The

last word fell, Bai Yunfei shook his head with emotion, and looked very regretful.

At the same time, Bai Yunfei’s eyes were also quietly paying attention to Su Qingyan’s reaction.

This...

Hearing these words, Guo Dong was stunned there, extremely embarrassed.

Chapter 3745

At the same time, everyone around is also talking about it.

“This Bai Yunfei has some truth in what he said.”

“Shh, keep your voice down, this is the main altar of the Tiandao Alliance...”

Nima!

Hearing the discussions around, Guo Dong looked complicated and didn't know how to deal with it for a while.

You must know that the purpose of Luo Jue's celebration banquet today is to deter those sects who have not joined, so that these sects can actively join the Tiandao Alliance.

But now, Bai Yunfei's words have invisibly damaged the reputation of the Heavenly Dao Alliance.

Thinking of this, Guo Dong really wanted to take action against Bai Yunfei and drive him out directly, but doing so would be even more counterproductive. After all, there were all the sects of Jianghu in Kyushu.

call!

Seeing this situation, Yue Feng breathed a sigh of relief and couldn't help looking up and down at Bai Yunfei.

This Bai Yunfei has quite a set of tricks, and in just a few words, Guo Dong was left speechless.

“This...”

Finally, Guo Dong reacted, squeezed out a smile and said to Bai Yunfei: “Master Bai, you misunderstood, this is just about me and Yue Feng, and has nothing to do with Tiandao Alliance.

”, Guo Dong glared at Yue Feng: “I won't care about you for the sake of this Bai Zhuangzhu.” After speaking, he greeted the surrounding Tiandao League disciples to leave.

To be honest, Guo Dong didn't want to let Yue Feng go so easily, but Bai Yunfei stepped in and held it back for the time being. After all, a hidden family like Baiyun Manor, but Tian respects the target to win over, can't offend him.

Seeing Guo Dong's harsh words, Yue Feng chuckled lightly, pretending he didn't hear it.

Su Qingyan also breathed a sigh of relief, and then smiled at Bai Yunfei: "Thank you, Master Bai, for speaking up." Speaking of which, Bai Yunfei had been staring at herself just now, Su Qingyan was very uncomfortable, but anyway, Bai Yun Fei also helped out, and out of courtesy, I naturally wanted to thank him.

"You're welcome!"

Bai Yunfei said with an indifferent face, and said with a smile: "Walking through the rivers and lakes, it is natural to ask for help."

After speaking, Bai Yunfei came over and stretched out his hand towards Su Qingyan: "You are a legend. The goddess of Dongao Continent in the middle, Miss Su Qingyan, my name is Bai Yunfei, I just started roaming the arena yesterday, I have heard the name of the goddess for a long time, I will take care of you in the future." As he

spoke, Bai Yunfei admired Su Qingyan up close . .

Beautiful, so beautiful.

"Hello!" Su Qingyan smiled lightly, shook hands with Bai Yunfei, and immediately retreated to Yue Feng's side, acting restrained and generous.

Shaking hands with him simply gave him a lot of face. This Bai Yunfei spoke very politely, but his eyes kept looking back and forth on his body, which made people uncomfortable.

Immediately, Su Qingyan began to introduce: "This is my husband Yue Feng, the former Sect Master of Tianmen." As she spoke, Su Qingyan held Yue Feng's arm affectionately, looking happy.

Obviously, Su Qingyan wanted Bai Yunfei to understand that he already had a man, so that he should not have any thoughts about him.

"Haha..."

Seeing this scene, Bai Yunfei's mouth twitched, and he glanced at Yue Feng lightly: "Once the Tianmen Sect Master? That is to say, it is nothing now? Please forgive my ignorance, I have never heard of it. "

Speaking, Bai Yunfei looked regretful, and continued: "I didn't expect such a beautiful and sexy beauty to have a home, what a pity..."

When he said this, Bai Yunfei did not hide his contempt for Yue Feng at all.

The reason why Bai Yunfei came out to help talk just now was entirely because he fell in love with Su Qingyan at first sight. At this time, seeing the woman he liked already had a husband and looked very loving, he was naturally very upset.

Under such circumstances, Bai Yunfei naturally didn't like Yue Feng at all.

Swish!

Seeing Bai Yunfei's attitude, Su Qingyan felt very unhappy in her heart, but with so many people around, it was difficult to show it.

The ultimate husband in Chinese chapter 3746-3750

Chapter 3746

Yue Feng was even more indifferent, holding Su Qingyan by the hand: "Let's go, the banquet is about to start, let's find a place to sit."

After speaking, Yue Feng and Su Qingyan walked to the land of Diyuan area, found a vacant seat and sat down. After leaving for three years, Yue Feng's heart was up and down when he saw the various sects of the Kyushu continent gathered together again.

The next second, Yue Feng looked around, his expression suddenly stunned.

Is she here too?

I saw, not far away, in the area where the Southern Cloud Continent was located, under the escort of more than a dozen royal guards, sitting quietly, a slender figure, dressed in a long golden dress, was extravagant, with exquisite facial features and a charming figure.

There is a majesty that cannot be desecrated.

It is the current Queen of Nagumo, Long Qianyu.

I haven't seen each other for a few years, and this Long Qianyu has become even more sexy.

Swish!

At this moment, Long Qianyu also saw Yue Feng, and his body trembled.

Yue Feng actually came back alive?

After a few seconds, Long Qianyu calmed down, and there was a bit of gloom on his delicate face.

In the past three years, Long Qianyu has sent people to the Ouyang family more than once, intending to bring her sister Long Qianying back to the Southern Cloud Continent, but in the end they all failed.

Elder sister Long Qianying, and Yue Fengzhu had a dark fetus, and gave birth to the child, and threw it into the face of the Nanyun royal family, all because of Yue Feng.

To be honest, at this time, Long Qianyu really wanted to teach Yue Feng a good lesson, but he held back when he thought that this was the Tiandao Alliance.

This chapter is provided by . Visit for daily update.

Phew...

Feeling the hostility in Long Qianyu's eyes, Yue Feng took a deep breath, not knowing whether to laugh or cry.

After such a long time, this Long Qianyu still has resentment towards himself.

Whoa!

Just as Yue Feng was muttering secretly, he saw the audience restless. Then, Luo Jue slowly walked out of the hall, surrounded by more than a dozen elite disciples of the Heavenly Dao Alliance.

At this time, Luo Jue, dressed in a black-gold robe, with a smile on his face, exuded an imposing aura that should not be underestimated.

"See Tianzun!"

As soon as Luo Jue appeared, everyone in the Tiandao League shouted in unison, and the momentum was shocking.

At this moment, other sects who came to the banquet also greeted each other.

"Lord Luo, stay safe!"

"I haven't seen you for a while, but the Lord of the League is even better than before."

Although none of these sects joined the Tiandao Alliance, they did not dare to neglect Luo Jue. After all, This Luo Jue is not only the messenger from the Divine Realm, but also broke the Divine Dragon Island a few days ago. Who would dare to offend such an existence?

"Haha.."

Facing the greetings from the surroundings, Luo Jue was in a good mood, looked around and smiled: "All of you, in your busy schedule, you can participate in the celebration banquet of my Tiandao Alliance, my Tiandao Alliance is really full of brilliance. Ah, haha!"

"Everyone, sit down, you don't have to be polite!"

After saying this, Luo Jue went to the main seat and sat down, then raised his glass: "Come on, I'll give you a toast first."

At this moment, the audience was full of They raised their cups.

Soon, after three rounds of drinking, Luo Jue gestured to Guo Dong next to him.

Guo Dongxin understood and came out and said loudly: "Everyone, you must have heard the news that the Qinglong family hidden in Shenlong Island has been broken by our Heavenly Dao Alliance, and they bow their heads and surrender to our Lord Heavenly Venerate."

Chapter 3747

"Today's Tiandao League is at its peak, and it is just around the corner to unify the Kyushu rivers and lakes. In this case, I hope that the various sects present do not need to continue to wait and see."

"The current Kyushu rivers and lakes are the rivers and lakes of the Tiandao League. Joining the Heavenly Dao Alliance is the only choice for you sects."

Guo Dong's voice was loud and clear, and these words spread throughout the audience.

Huh...

Hearing this, the major sects present all looked at each other in dismay, each and everyone felt unprecedented pressure.

The Tiandao Alliance has developed so rapidly. If I do not join these sects, I am afraid that it will be more difficult to develop in the rivers and lakes in the future.

But joining the Tiandao Alliance was a little unwilling.

After all, the various sects present, just pick one, have been passed down for thousands of years. Once merged into the Tiandao Alliance, how to face the sect martyrs?

Yue Feng sat there, but his face was calm, as if what was in front of him had nothing to do with him.

To be honest, Yue Feng doesn't care about Tiandao Alliance merging other sects at all, he just wants to see Xiandi and Xiaoxi now.

Yue Feng thought about it, and when the banquet was over, he would talk to Luo Jue alone.

“Haha...”

Just when everyone around was silent, a loud laugh was heard, and then, a handsome figure slowly walked out.

Wearing a white coat, he has an extraordinary temperament.

It was Bai Yunfei.

Swish!

In an instant, whether it was Luo Jue or the others present, their gazes converged on Bai Yunfei, and they were all shocked.

“This...isn't that Bai Yunfei just now?”

“I heard him say, what kind of hidden family belong to, what are you going to do now?”

This kid again!

Yue Feng, who was sitting there, was also stunned at this time, staring at Bai Yunfei, very puzzled.

This guy seems to like grandstanding.

“Guo Dong!”

At this moment, Luo Jue, who was sitting on the main seat, couldn't help but asked Guo Dong in a low voice, “Who is this person?” As he spoke, Luo Jue looked at Bai Yunfei .

This man is young, but his aura is very strong.

“Return to Tianzun!” Guo Dong quickly responded: “This person is Bai Yunfei, the patriarch of a hidden family.”

After speaking, Guo Dong took a step forward and shouted at Bai Yunfei, “Bai Yunfei, you suddenly left. Come out, but what do you think of our Tiandao Alliance?”

When he said this, Guo Dongqiang suppressed the anger in his heart.

Ma De, if it wasn't for this Bai Yunfei, he would have taught Yue Feng a lesson. What do you want to do now?

"Haha!"

Feeling Guo Dong's tone, Bai Yunfei smiled slightly and said, "Guo Hufa, don't be nervous, how can I have any opinion on your Heavenly Dao Alliance? On the contrary, I agree with what you just said, I'm leaving now. When I came out, I was going to announce to everyone that I would lead my Bai family to join your Heavenly Dao Alliance."

Saying that, Bai Yunfei's eyes flashed with a bit of complexity, and continued: "I think your Heavenly Dao Alliance will not refuse it, right?"

"This..."

Hearing this, Guo Dong was stunned for a moment, and then squeezed out a smile: "Patriarch Bai is a man of insight, and now joins us in line with the way of heaven, how could we refuse?"

Luo Jue, who was sitting on the main seat, also With a smile on his face, he felt extremely happy.

Chapter 3748

Haha...

It seems that this celebration banquet was very successful. This Bai Yunfei has already expressed that he wants to join the Tiandao Alliance. With him taking the lead, other sects will definitely join in one after another.

"But..."

Just when Luo Jue was secretly rejoicing, he saw Bai Yunfei turn around and say word by word: "Before I joined the Heavenly Dao Alliance, there are some things that I would like to ask this Luo alliance leader."

Guo Dong was stunned for a moment, then turned his head to look at Luo Jue.

Luo Jue was also stunned, then smiled and said: "This Patriarch Bai, if you have anything, just say hello."

Bai Yunfei took a step forward slowly and looked directly at Luo Jue: "As far as I know, the Heavenly Dao Alliance is organized by The various sects in the Kyushu rivers and lakes were merged, and the position of the leader of the alliance should naturally be

held by a capable person, but you have taken the position of the leader of the alliance solely by virtue of your identity as an envoy of the God's Domain, is that so?"

Voice ? It's not big, but it has an aggressive aura.

Swish!

At this moment, Luo Jue's face suddenly turned gloomy: "What do you mean?"

Luo Jue was very angry at this time.

This Bai Yunfei, who seems to want to join the Heavenly Dao Alliance, is actually here to pick things up.

Guo Dong was also on fire in an instant, glaring at Bai Yunfei, and shouted: "Tianzun is powerful, no one can match it, who is stronger than Tianzun in these nine states? Tianzun is self-proclaimed leader, which is understandable. "

At the same time, the surrounding sects couldn't help but whisper.

"What's the situation?"

"What is Bai Yunfei going to do?"

"Let's see..."

Hearing the discussions around, Bai Yunfei looked indifferent.

The next second, Bai Yunfei shook his head at Guo Dong and said, "Guo Hufa, you are wrong, even if this Luo alliance leader is very capable, there are so many heroes in the Kyushu continent, and it is necessary to find someone who is stronger than him. It's not difficult."

"Is it?" Guo Dong laughed in anger and looked around: "Okay, then I'll ask Patriarch Bai to find me someone who is stronger than Tianzun."

Bai Yunfei smiled slightly and pointed Pointing to his nose: "You don't need to look for it. You are not talented. I feel that your ability is slightly stronger than that of League Lord Luo. If you don't believe it, you can set up a ring for me and League Lord Luo to learn from each other."

When he said this, Bai Yunfei was very confident . , with a bit of arrogance on his face.

Speaking of which, Bai Yunfei has no pursuit of power. He does this to better investigate the news of the Demon Lord. After all, the Heavenly Dao Alliance is powerful, and its disciples are all over Kyushu. Multiply.

As for discussing with Luo Jue, Bai Yunfei is even more confident. You must know that after integrating the power of the demon soul, Bai Yunfei's strength has reached a level that ordinary people can't imagine. Even if Luo Jue is from the realm of the gods, he is sure to defeat him. .

What?

At this moment, hearing Bai Yunfei's words, the audience immediately exploded.

"What did he say? He wants to discuss with Luo Jue?"

"This Bai Yunfei has such a big tone."

At this time, Su Qingyan also trembled, and couldn't help but said to Yue Feng: "Yue Feng, this is Bai Yunfei crazy? He actually challenged Luo Jue?"

Huo!

Yue Feng took a deep breath, observed Bai Yunfei, and responded: "This Bai Yunfei is not crazy, he dares to say that, there must be something to rely on, let's just watch it."

Saying so, Yue Feng was also very puzzled.

Because Yue Feng clearly felt that Bai Yunfei had a very powerful force in his body, and this force was completely different from the dantian power of other practitioners.

As for what this power is, Yue Feng can't perceive it.

To be honest, Yue Feng has the primordial spirit at this time, and anyone's cultivation situation cannot escape his discernment, but Bai Yunfei is different. He has a demon soul and hides the breath of the demon soul, so it is difficult for Yue Feng to perceive it.

Chapter 3749

"Huh!"

At this moment, Luo Jue, who was sitting in the main seat, also reacted and looked at Bai Yunfei with a half-smile: "You want to challenge me?"

When saying this, Luo Jue looked at Bai Yunfei. There was a bit of disdain in his eyes.

A human being who dares to challenge himself, who gave him the courage?

This kid is nothing but grandstanding.

Bai Yunfei stood proudly, nodded and said, "What? Can't you?"

Luo Jue smiled, but did not respond.

At this time, Guo Dong couldn't bear it anymore, strode out, and shouted at Bai Yunfei: "Just because you are the patriarch of a small hidden family, you are also qualified to challenge Tianzun? You want to play in the arena, right? I will play with you. "

Speaking, Guo Dong waved his hand, and immediately the surrounding Tiandao League disciples cleared a field to use as a competition arena.

Ha ha...

Seeing this, Bai Yunfei chuckled lightly and said lightly to Guo Dong: "Guo Hufa, it's not me who hit you, you are not my opponent at all with your strength, so don't be ugly!"

What Bai Yunfei said is true, because he has a demon soul, he really doesn't take Guo Dong in his eyes.

Mad!

Hearing this, Guo Dong only felt greatly humiliated, his face flushed, his eyes instantly bloodshot: "Okay, very good, with such a big tone, I don't know if your strength is as powerful as your mouth. "

If you want to compete with Tianzun, you have to pass me first."

At this time, Guo Dong was almost furious. As the guardian of the Tiandao Alliance, he was despised by the patriarch of a hidden family. How could he bear it? ?

"All right!"

Seeing Guo Dong's insistence, Bai Yunfei was very helpless: "Since you have to be a pawn, then I will fulfill you!"

Om!

The voice fell, and a terrifying aura burst out from Bai Yunfei's body. In an instant, the surrounding air seemed to be stagnant!

Bai Yunfei is a rare cultivation genius. Before he merged with the demon soul, his strength reached the fifth stage of transcending tribulation. Yesterday, he merged the power of the demon soul, and his strength was even stronger.

So strong.

Seeing this scene, everyone around was shocked.

Whoosh!

At this moment, Bai Yunfei slowly raised his right hand, his figure was as fast as lightning, and he slapped Guo Dong with a palm!

Feeling the speed of Bai Yunfei's lightning fast, Guo Dong's heart trembled, and he didn't have time to dodge, so he had to mobilize his inner strength and raise his jade hand to attack!

At this time, Guo Dong did not dare to be careless at all, and motivated all his inner strength!

Bang!

The palms of the two collided, and Guo Dong's body was shaken. He only felt a terrifying force coming. He stepped back several dozen steps in a row before he stabilized his figure. His face was pale, extremely weak, and his heart was extremely shocked.

This... this Bai Yunfei, seemingly ordinary, is actually so powerful! ?

What kind of exercises did he practice?

At this moment, Yue Feng was also secretly surprised that Bai Yunfei's strength was so powerful that Guo Dong was in the realm of tribulation, but he couldn't even catch a single move.

Moreover, this Bai Yunfei doesn't seem to have burst into full force yet.

quiet! During the entire celebration feast, there was silence, and a drop of a needle could be heard clearly.

Everyone was completely stunned by Bai Yunfei's strength.

Luo Jue sat there with a look of surprise on his face.

In the next second, Luo Jue slowly stood up from his seat and said to Guo Dong: "Guo Dong, you should step back. This Patriarch Bai is right, you are not his opponent."

"Yes, Tianzun." Guo Dong responded and stepped aside in shame.

Chapter 3750

At this time, Bai Yunfei smiled and said to Luo Jue: "Mengzhu Luo, am I qualified to challenge you now?" When he said this, Bai Yunfei put his hands behind his back and looked relaxed and freehand. .

“Haha!”

Luo Jue smiled slightly: “Since you want to discuss with me so much, then I will do what you want!” The moment the voice fell, Luo Jue’s figure flashed, and he had reached the center of the ring.

In the next second, Luo Jue looked at Bai Yunfei and said: “If you can defeat Guo Dong with one move, your strength is considered to be arrogant to Kyushu, but I want to remind you first, I am practicing God’s Domain Cultivation Technique, so you have to be careful. Point.”

When he said this, Luo Jue had a smile on his face, but his eyes flashed with contempt.

Speaking of which, Luo never wanted to fight against Bai Yunfei, which would lower his status, but Bai Yunfei challenged him in public. If he refused, he would be laughed at by the surrounding sects.

Whoa!

Seeing this scene, the audience was in an uproar!

In particular, Guo Dong, and the surrounding Tiandao League disciples were very excited.

“Heavenly Venerable is about to take action!”

“Heavenly Venerable’s strength is unfathomable, this Bai Yunfei will definitely lose miserably..”

At the same time, the eyes of other sect masters here are also focused on Luo Jue. , one by one looks extremely complicated.

“This Luo Jue actually agreed to Bai Yunfei’s challenge!”

“Although Bai Yunfei is powerful, he is not necessarily Luo Jue’s opponent.”

“Yeah, after all, Luo Jue is from God

’s Domain...” Many people whispered.

call!

At this time, Su Qingyan, who was sitting next to him, had a complicated expression on her delicate face, and then whispered to Yue Feng: “Who do you think will win?”

Yue Feng took a deep breath and shook his head: “It’s hard to say. !”

Everyone present believed that Luo Jue had won, but Yue Feng didn't think so.

Speaking of which, Yue Feng didn't know why he thought so, in short, Yue Feng had a feeling that this Bai Yunfei was not as simple as it seemed.

At this time, the arena is here.

Luo Jue stood there quietly, without the slightest fluctuation on his face.

Bai Yunfei stood not far away, confronting Luo Jue, with a relaxed smile: "I, Bai Yunfei, are truly honored to be praised by the leader of the Heavenly Dao Alliance."

After speaking, Bai Yunfei continued: "However, I Since you dare to challenge, you are not afraid of being injured or killed, so you don't need to be merciful when League Lord Luo takes action."

Possessing the power of demon soul, Bai Yunfei is very confident, because his father Bai He once said that the fusion of demon soul After that, God need not be afraid.

Swish!

Hearing this, Luo Jue's face instantly darkened, and he said coldly: "Okay, very good, you are quite confident, then I will do my best in

the future!" When saying this, Luo Jue endured his anger. , Mad, since becoming the leader of the Heavenly Dao Alliance, no one has ever dared to provoke him like this.

Luo Jue thought about it, he must let this white cloud fly later, he can't survive, and he can't die. In this way, it can also shock the surrounding sects.

Feeling the coldness in Luo Jue's eyes, Bai Yunfei didn't panic at all, and raised his hand: "Mengzhu Luo is the master, and I'm a guest, so please invite Luo first."

Luo Jue didn't bother to talk nonsense, snorted coldly, and his inner strength urged stand up.

hum!

In an instant, a terrifying aura erupted from Luo Jue's body, and in an instant, the surrounding air seemed to stagnate.

Feeling the terrifying aura on the stage, the masters of various sects around were all shocked, and they only felt that they could not breathe. At the same time, they subconsciously urged their inner strength to resist.

Strong, strong!

At the same time, Yue Feng also urged his energy to deploy a protective film in front of himself and Su Qingyan to help Su Qingyan resist Luo Jue's aura.

On the stage, Bai Yunfei was indifferent, as if he was not affected by this coercion at all.

The ultimate husband in Chinese chapter 3751-3760

Chapter 3751

Call!

Seeing Bai Yunfei's indifferent attitude, Luo Jue was secretly surprised.

This kid has such a deep inner strength that he can actually withstand the crushing of his own breath, but no matter how strong his inner strength is, he is only a mortal body.

Thinking to himself, Luo Jue's mouth twitched, revealing a contemptuous smile.

"Kacha!"

Feeling Luo Jue's gloomy coldness, Bai Yunfei didn't panic at all. He raised his right hand, accompanied by a crisp sound, a silver horizontal knife, which he firmly grasped in his hand.

I saw that this silver horizontal knife, shining with cold light and suffocating arrogance, turned out to be a purple-rank weapon.

"Hey, a purple-rank weapon."

"The burst of breath is so strong, it seems to be much more sophisticated than the weapon cast by the famous sword villa..."

"I didn't expect that this Bai Yunfei is not only powerful, but also has a purple-rank weapon. ." During the

discussion, everyone's eyes were fixed on the silver horizontal knife in Bai Yunfei's hand.

At this time, everyone did not know that this horizontal knife, called 'Xie Zhan', was a family heirloom of the Baiyun family. Back then, when the ancestors of the Bai family went into hiding in the human world, they accidentally got a piece of meteoric iron from outside the sky. Casting technology to create a horizontal knife.

For thousands of years, this evil war sword has been handed down from generation to generation in the Baiyun family, treasured by the patriarchs of all dynasties, and a symbol of the patriarch's identity.

Bai Yunfei used to be the new patriarch of the Baiyun family, and when he came out to explore Kyushu this time, he brought out the evil war.

Purple weapons?

This chapter is provided by . Visit for daily update.

Seeing Xie Zhan Hengdao, Luo Jue froze for a moment, then sneered disdainfully.

As the messenger of the God's Domain and the leader of the Heavenly Dao Alliance, Luo Jue possessed countless high-quality weapons, and he did not take Bai Yunfei's purple-rank weapons in his eyes at all.

"Looks like you came prepared."

At this moment, Luo Jue said indifferently, then turned his right hand, clenched a long sword of purple rank, and charged directly towards Bai Yunfei.

You can see that the long sword is dark blue, and wherever it passes, it leaves a blue afterimage in the air. It is extremely gorgeous, and it is also a purple-level weapon.

Bai Yunfei chuckled lightly, too lazy to talk nonsense, his figure flew high into the sky, and he and Luo Jue fought fiercely in mid-air!

Huh..

Seeing this scene, many people around are very excited.

"Both sides are purple-ranked weapons!"

"In terms of weapons, neither side has an advantage, but in terms of strength, League Lord Luo is stronger..."

"It's hard to say, why do I think this Bai Yunfei

is not easy." Under the discussion of everyone, the battle between Luo Jue and Bai Yunfei became more and more intense.

I saw the figures of the two of them constantly shuttle back and forth in mid-air, and the burst of breath caused the surrounding air to distort.

Speaking of which, Luo Jue, as a messenger from the Divine Realm, possesses the power of the Primordial Spirit and can easily win!

However, Bai Yunfei fused the power of the demon soul, whether it was explosive power or defense, it was beyond the limits of mortals. In this case, Luo Jue would have a hard time suppressing him.

At the beginning, Luo Jue was still very confident, but gradually he became a little anxious.

This Bai Yunfei is just a human being, how can he stop his divine power from being crushed?

What made Luo Jue even more puzzled was that, after fighting for so long, he still could not perceive Bai Yunfei's cultivation level. The opponent was like a vast ocean, unfathomable.

Luo never knew that Bai Yunfei had hidden the aura of the Demon Soul, and unless it was actively exposed, it would be difficult to detect it.

Under the shock, Luo Jue was completely anxious, and said coldly: "What a Bai Yunfei, really extraordinary, from now on, the deity has to be serious."

Om!

The voice fell, and the air beside Luo Jue suddenly condensed! A terrifying divine power spread out from his body crazily!

"Tianluo Zhenshi!"

Chapter 3752 The

cold four words came out of Luo Jue's mouth, and in the next instant, a golden glow burst out from him, like a scorching sun. In an instant, the entire Tiandao League main altar was covered with a golden glow. shrouded.

I saw that Luo Jue's whole person, under the illumination of this golden light, was indescribably majestic and domineering, which was daunting.

"This...Is this a stunt that only God's Domain has?"

"What kind of skill is this?"

"What a strong breath..."

At this moment, many people looked up and looked at the man who was shrouded in golden light. Luo Jue, one by one was extremely horrified.

Um?

Bai Yunfei also frowned, secretly surprised.

This Luo Jue is worthy of coming from the realm of the gods. This trick is very rare. I am afraid that there are very few that can be blocked in Kyushu. However, if you have a demon soul, you don't need to be afraid.

At this moment, Yue Feng, who was sitting below, also had a solemn expression on his face.

I can't see that this Luo Jue is just an emissary sent by God's Domain, and his strength is so powerful that he is not inferior to that Gong Ao.

Muttering in his heart, Yue Feng's eyes fell on Bai Yunfei again.

This Bai Yunfei, who is only a mortal, is not supposed to be Luo Jue's opponent at all, but it was unbelievable that after fighting with Luo Jue for so long, it was still indistinguishable.

Om...

At this moment, the golden light shrouded in the entire sky dyed the entire Tiandao Alliance main altar into a golden color, and everyone present was almost breathless.

Whoosh!

At this moment, Luo Jue slowly raised his right hand and saw the golden light shrouded around him, instantly condensing a golden palm print, flying directly towards Baiyun.

The golden palm print was getting bigger and bigger. When it was about to reach Bai Yunfei's eyes, the diameter reached tens of meters, blocking all his escape routes.

For a time, many people present couldn't help sweating for Bai Yunfei.

Bai Yunfei's face also became solemn, and then he held the Xie Zhan Hengdao tightly, and his power burst out completely. In an instant, a dazzling light flashed out from the Xie Zhan Hengdao.

"Destroying Heaven!" Three cold words came out of Bai Yunfei's mouth.

"Boom!" The

voice fell, and the air in front of Bai Yunfei's eyes suddenly distorted, and then a huge blade shadow burst out from the evil war sword, forming a silver shock, meeting the huge golden palm print.

In the blink of an eye, two forces surged wildly, and over the entire Heavenly Dao League, the sun and the moon dimmed.

The Heaven Extinguishing Art is exactly what Bai Yunfei had learned in the Demon Soul. It contained terrifying explosive power. At this time, it was displayed in conjunction with the Demon Soul in Bai Yunfei's body, and its power was even more astonishing.

boom!

In the blink of an eye, Bai Yunfei's blade shadow and Luo Jue's palm print collided fiercely, and a roar of earth-shattering came out. The entire Tiandao Alliance main altar was shaking. The entire arena was filled with smoke and dust.

Phew...

Seeing this scene, everyone present felt chills down their spines, and their brains were buzzing.

Strong, really strong.

At the same time, Yue Feng was also shocked. This Bai Yunfei was so powerful that he actually blocked Luo Jue's strongest blow. If there is a chance in the future, he must investigate this person carefully.

correct! After coming here for such a long time, I haven't seen Xiandi and the members of the dragon clan, so why don't you take this opportunity to explore inside.

Thinking of this, Yue Feng saw that the dust and smoke on the arena had not completely dissipated, and immediately said to Su Qingyan: "Qingyan, I will go to investigate the Tiandao Alliance, you stay here."

After speaking, Yue Feng's figure flashed, He rushed directly into the hall not far away.

At this moment, Su Qingyan wanted to stop her, but she was still a step behind, and she was in a hurry.

This is the main altar of the Tiandao Alliance, and it is not something that can be explored if one wants to investigate.

It can be seen that Yue Feng has entered the hall, Su Qingyan can't say anything.

Yue Feng's speed was very fast, and everyone present was focused on Luo Jue and Bai Yunfei, and didn't notice it at all.

Chapter 3753

At this time, on the battlefield.

The dust and smoke gradually dissipated, and Luo Jue was seen suspended there, his face was cold, and he was not affected by the huge impact at all.

Not far from him, Bai Yunfei stood proudly dressed in white.

Just like Luo Jue, Bai Yunfei looked as usual, and there was no sign of being injured at all.

Wow...

Seeing this scene, the audience immediately exploded, and a pair of eyes stared at Bai Yunfei, shocked.

This Bai Yunfei had even been tied with Luo Jue.

Strong, really strong, you must know that Luo Jue is a messenger from the Divine Realm, and his cultivation base is not comparable to human beings at all, and Bai Yunfei can actually be on a par with him, how can it not be shocking?

Simply a genius.

For a time, while everyone was shocked, a thought appeared in their hearts.

As soon as Bai Yunfei appeared, it seemed that the pattern of the entire Kyushu rivers and lakes was about to change again.

Listening to the discussions around, Luo Jue's face turned blue and white, indescribably embarrassed and annoyed. It is a great humiliation for the dignified leader of the Heavenly Dao Alliance, known as the existence of the Heavenly Venerate, to be unable to take down a human boy.

But with so many sects around, Luo Jue couldn't show it.

"It's rare..." In the

next second, Luo Jue suppressed the anger in his heart, and looked at Bai Yunfei with a smirk: "Your Excellency is so young, it's really rare to be able to fight this seat for so long without losing."

"My Tiandao Alliance is at the time of employing people. If your Excellency can join, it will not only be a blessing for my Tiandao Alliance, but also a blessing for Kyushu."

"As long as you join, I will immediately make you the deputy leader, how about that?" Luo Jue looked at Bai Yunfei with a bit of urgency and complexity in his eyes.

Luo Jue is resourceful and far-sighted, and he knows in his heart that if a talent like Bai Yunfei is regarded as hostile, it will be beneficial and harmless, so it is better to draw him over.

Swish!

The voice fell, and the eyes of the audience converged on Bai Yunfei again, and many people showed deep envy in their eyes.

As long as you join the Tiandao Alliance, you are the deputy leader.

This kind of honor is afraid that the entire Kyushu will not be able to find a second person, right?

“Haha...”

Facing Luo Jue’s serious gaze, Bai Yunfei chuckled lightly and said slowly: “Thanks to Alliance Leader Luo, I understand Bai Yunfei’s heart. Speaking of which, the competition just now, no matter whether I win or lose, maybe I will. Join the Tiandao Alliance.”

“However, the two of us fought a tie. It seems that I have no fate with the Tiandao Alliance. Lord Luo, the green mountains will not change, and we will have a future.”

After the last sentence, Bai Yunfei greeted his subordinates . . . , turned around and left gracefully.

The competition was tied, but Luo Jue gave him a deputy leader. Bai Yunfei has a arrogant temperament, how could he be subordinate to others?

Bai Yunfei thought about it, since his own strength is on par with Luo, instead of staying in the Tiandao Alliance as a deputy leader, it is better to establish a sect by himself.

This...

Seeing this scene, everyone in the audience was stunned.

This Bai Yunfei, the position of the deputy leader, doesn’t even look down on him. Could it be that he really wants to be the leader of the Tiandao Alliance?

But then again, he really has this qualification to be able to draw with Luo Jue.

Huh...

At this moment, Luo Jue’s face was also extremely ugly. He never thought that Bai Yunfei would not give any face at all, so he just left.

After more than ten seconds, Luo Jue regained his senses and smiled at the surroundings: “It’s alright, everyone, continue, you must not be drunk today!”

After speaking, Luo Jue returned to his seat, and the surrounding Everyone, continue to enjoy the wine.

Chapter 3754

At this time, Luo Jue had a smile on his face, as if he didn't care about the competition just now, but his heart was full of anger.

This Bai Yunfei has caused himself to lose face in front of all the sects. If there is a chance in the future, he must teach him a good lesson.

“Heavenly Venerable!”

At this moment, a bodyguard walked over quickly and whispered: “Just now, the Heavenly Jade Order suddenly flashed light, it must be news from God's Domain, please take a look at the Heavenly Venerate!”

” The white jade token was handed over to Luo Jue.

I saw that this white jade token was engraved with cumbersome inscriptions, and there was a faint flickering of light in it, which was very peculiar. It was obviously not something from Kyushu.

This thing is the Heavenly Jade Token, which is what Luo Jue is connected to the Divine Realm. Only by injecting divine power can the message inside be opened.

Luo Jue's face instantly became solemn, he took the Heavenly Jade Order and injected divine power, and suddenly, a message appeared in Luo Jue's mind: “Recently, the ancestor of the Great Desolation has newly named a Nine Heavens Profound Sage, and has returned to Kyushu, Luo Jue. As the messenger of the God's Domain, all affairs must obey the arrangement of the Nine Heavens Profound Sage...”

Nine Heavens Profound Sage?

Hearing this news, Luo Jue's heart trembled and he was extremely shocked.

....

the other side!

After Yue Feng entered the main hall, he passed through the back door of the main hall and entered the main altar of the Tiandao Alliance.

Because a celebration feast was being held on the square in front of the main hall, and the disciples of the Tiandao Alliance were maintaining order near the feast, so there were very few patrolling disciples inside.

In this case, Yue Feng was very safe along the way.

Um!

After entering the main altar, Yue Feng immediately sensed a familiar aura fluctuation, which was the soul contract between him and Xiao Xi.

Of course, at this time, Yue Feng did not know that the young dragon who once established a master-servant relationship with him was Xiao Xi.

Through the induction of the soul contract, Yue Feng quickly arrived at the door of a hidden room.

Squeak!

The moment he opened the door, Yue Feng was stunned.

I saw a delicate and delicate figure sitting on the chair in the room, with finely crafted facial features and a yellow short skirt. .

It was Xiao Xi.

“Xiao Xi?”

After being stunned for more than ten seconds, Yue Feng subconsciously shouted, but his mind was buzzing and blank.

Is this...you are dreaming?

At this time, Yue Feng had mixed feelings in his heart, both joy and shock. He clearly remembered that when Xiao Xi swallowed the dragon ball by mistake, he was severely injured by Zhang Jiao, and then was thrown into the icy river.

At that time, Yue Feng was so sad and angry that he was almost mad. In the past three years, whenever he thought of Xiao Xi, his heart was cut with grief, and he thought that Xiao Xi had left him forever, but at this time, he suddenly saw Xiao Xi appear alive. In front of you, how not to be shocked?

Swish!

Hearing Yue Feng's voice, Xiao Xi's delicate body trembled, and then she raised her head to look at Yue Feng, and in an instant, the whole person was also stupid.

“Young Master!” In the

next second, Xiao Xi let out a coquettish cry, jumped off the chair, and threw herself into Yue Feng's arms, holding Yue Feng tightly with both hands, crying with joy: “You are back, you are finally back. ...”

At this moment, listening to Xiao Xi's voice and feeling the warmth of her tender body, Yue Feng was excited. He really never thought that he could be reunited with Xiao Xi in this life and this life.

Long time no see, Xiao Xi is still cute and charming, and her strength has become much stronger.

Um?

What surprised Yue Feng even more was that there was a special power fluctuation in Xiao Xi, and this fluctuation was the spiritual link between himself and the dragon spirit beast.

Chapter 3755

How can this happen?

For a time, Yue Feng was completely stunned and looked at Xiao Xi in surprise: "Xiao Xi, what's going on? Didn't you get killed by Zhang Jiao? Also, why do you have the breath of a dragon on you?"

Huh !

Hearing the inquiry, Xiao Xi breathed a sigh of relief and slowly explained the situation: "Master, I didn't die back then, it was Diao Chan who saved me, she fused my soul into the dragon egg..."

" Later, as a dragon, I was born out of my shell and became your dragon spirit beast, you know? I thought at the time that I would grow up quickly, and when I had the ability to transform into a human form, I would be able to communicate with you. At that time, you will know that I am Xiao Xi..."

"But later, you were involved in the chaotic vortex..."

When he said this, Xiao Xi couldn't help but hugged Yue Feng tightly and endured it. He couldn't stop crying and said, "Young Master, do you know? At that time, through the soul contract, I sensed that you were not dead. I was very happy, but I was afraid that you would not come back..."

Since transforming into a human form, Xiao Xi thought about it, I was looking forward to reuniting with Yue Feng, and now my wish has been fulfilled, and all my thoughts have turned into tears!

"Xiao Xi..." Yue Feng was moved beyond words: "In these years, you have suffered, you have suffered..."

When he said this, Yue Feng hugged Xiao Xi tightly, for fear that if he let go, he would come back again. I can't see it anymore. Speaking of which, among all Yue Feng's confidantes, only Xiao Xi is the most special, just like her own sister.

At this moment, Xiao Xi didn't speak, leaned tightly against Yue Feng's arms, feeling the familiar warmth.

"Young Master!"

After a long time, Xiao Xi suddenly thought of something: "How did you come here?" As she spoke, Xiao Xi looked outside, her delicate face showing a little nervousness.

You must know that this is the main altar of the Tiandao Alliance. Although Yue Feng is powerful, he is not an opponent of the Tiandao Alliance.

Haha...

Feeling Xiao Xi's nervousness, Yue Feng showed a smile and was about to answer.

"Okay!"

But at this moment, a sneer was heard from outside the door, and then, a dozen figures poured in, and the headed one had a grim expression, showing a bit of gloom.

It was Guo Dong.

At this time, Guo Dong took a step forward, his face full of contempt: "Yue Feng, you are very courageous and dare to break into our main altar. Do you really think that you were once a hero of Kyushu, so you can have no taboos? Tell you, the current Kyushu is , it is no longer the Kyushu from three years ago!"

When he said this, Guo Dong's face was arrogant.

Just now, Guo Dong was patrolling the banquet and found that Yue Feng was gone, so he immediately took people to search around, and he caught Yue Feng here.

At this time, Guo Dong was not only angry, but also a little excited.

Before the banquet started, Guo Dong wanted to trouble Yue Feng, but was interrupted by Bai Yunfei. At this time, seeing Yue Feng breaking into the main altar again, Guo Dong felt that the opportunity had come.

Seeing this, Xiao Xi instantly became nervous.

Speaking of which, Xiao Xi didn't take Guo Dong in his eyes at first, but since the Qinglong family surrendered to Luo Jue, under Luo Jue's coercion, they all took Luo

Jue's special medicine pill, and the power of Qinglong in each individual was destroyed. suppress.

Xiao Xi also took the medicine pill and was very weak at this time.

A fool!

Yue Feng frowned secretly, and after scolding, he patted Xiao Xi's shoulder to signal not to panic.

The next second, Yue Feng walked to the side and sat on the chair with a leisurely and calm attitude.

Mad!

Seeing Yue Feng's attitude, Guo Dong immediately became furious and shouted, "Are you looking for death?"

This Yue Feng was too arrogant. He didn't say anything when he broke into the main altar. Take yourself seriously, it's hard for anyone to calm down.

Guo Dong shouted and drew his long sword at the same time.

The ultimate husband in Chinese chapter 3756-3760

Chapter 3756

Wow!

At the same time, more than a dozen elites of the Heavenly Dao Alliance behind him also surrounded Yue Feng.

In the face of this situation, Yue Feng did not panic at all, and looked at Guo Dong with a half-smiling smile: "Guo Dong, do you think you can take me down?" As he

said, Yue Feng picked up the side of a jade plate, play leisurely.

"You..."

Guo Dong's face flushed, a little embarrassed.

This Yue Feng is a well-known hero of Kyushu, and his strength is extremely powerful. If he really wants to fight, he and a dozen elite disciples alone, I am afraid that he is not an opponent.

Thinking to himself, Guo Dong secretly winked at a disciple next to him, telling him to hurry up and inform Luo Jue.

The disciple understood and immediately rushed to the grand banquet hall.

Yue Feng saw these in the bottom of his eyes, laughed secretly in his heart, and sat there calmly.

Guo Dong looked proud and said coldly: "Yue Feng, don't pretend to be in front of me, you dare to break into our main altar, you are dead, wait for our Tianzun to come, even if there is Daluo Jinxian. I can't save you."

Yue Feng smiled and ignored it.

"What's the matter?"

At this moment, a low voice came from outside, and then, Luo Jue walked in slowly.

At this time, Luo Jue's face was full of sullenness. He competed with Bai Yunfei before, and the result was a tie. He was a little suffocated. At this time, before the banquet was over, he was called by Guo Dong, and his mood was even worse.

Swish!

After entering, Luo Jue's eyes were locked on Yue Feng at once, and his face became even more gloomy.

Who is this person? How come here?

"Tianzun!"

Seeing Luo Jue's arrival, Guo Dong suddenly felt confident and shouted: "His name is Yue Feng, the former Tianmen sect master, this person has always been very arrogant. Just now, he trespassed inside the main altar and was arrested. After I gave a warning, I also said mad..."

When he said this, Guo Dong looked at Yue Feng very proudly.

When Tianzun arrives, you just wait to die.

Hearing these words, Luo Jue looked up and down at Yue Feng, looked at it for a long time, and said in a cold and arrogant tone: "You are Yue Feng?" Yue Feng was famous in Kyushu back then, and Luo Jue had certainly heard of it.

But that was all in the past. The current Jiuzhou Jianghu is the world of the Heavenly Dao Alliance. Moreover, Luo Jue came from the Divine Realm and did not take Yue Feng seriously at all.

“Yes, it’s me!” Yue Feng smiled and nodded.

Although Luo Jue was very imposing, Yue Feng still looked calm.

“Young Master!”

At this moment, Xiao Xi couldn’t help pulling Yue Feng and whispered, “Be careful, this Luo Jue is very cunning!” When saying this, Xiao Xi couldn’t help but look at Luo Jue. At a glance, there was a bit of fear and anger in his eyes.

Xiao Xi had personally experienced this Luo Jue’s method. A few days ago, if it wasn’t for Luo Jue’s trickery, Shenlong Island would not have been breached.

Yue Feng smiled slightly, and comforted Xiao Xi: “Don’t be afraid, there is me.”

Seeing the two of them talking in front of him as if no one else was talking, Luo Jue’s heart was filled with anger, and he said coldly: “Yue Feng, you have the guts. Not small, dare to trespass inside my Heavenly Dao Alliance.”

Huo!

Yue Feng breathed a sigh of relief, and said lightly to Luo Jue: “The Qinglong family is my allies, but you have breached Shenlong Island. Do you think I will sit back and watch?”

Chapter 3757

When he said this, Yue Feng’s tone was indifferent, but there was no doubt.

Feeling Yue Feng’s aura, Luo Jue was stunned for a moment, and then he couldn’t help but chuckle: “Tsk tsk, worthy of being a former hero of Kyushu, he really has a lot of courage!”

After speaking, Luo Jue looked at Yue Feng with interest. : “However, your Tianmen’s reputation in the Jiuzhou rivers and lakes has plummeted, and you are only one person now, I want to see, what are you going to do?”

Om!

The last word fell, and a terrifying aura erupted from Luo Jue’s body.

Seeing this situation, Guo Dong was very excited and couldn't help shouting: "Tianzun, don't talk nonsense with him, just kill him."

Immediately, Guo Dong was very proud and shouted at Yue Feng: "Yue Feng, I have said long ago that the Kyushu at this time is not the Kyushu three years ago, and if you break into our main altar, you will find your own way of death."

Feeling Guo Dong's pride, Yue Feng ignored it.

"Luo Jue, before we start, can we talk about it alone?" Yue Feng calmly said, "You guys are too noisy."

Huh?

Luo Jue frowned, this Yue Feng, facing such a desperate situation, can still be so calm, it is really extraordinary.

Thinking to himself, Luo Jue nodded and said, "Okay, I'll see what tricks you're going to play, Guo Dong, you go out first." This is the main altar of the Tiandao Alliance, so he's not afraid of Yue Feng playing tricks.

Seeing that Luo Jue promised to talk to Yue Feng alone, Guo Dong was in a hurry.

It can be seen that Luo Jue's face is serious, Guo Dong did not dare to go against it, so he had to take a dozen elite disciples of the Heavenly Dao League and quickly exit the room, but when he walked out of the door, he did not forget to give Yue Feng a stern look.

"Yue Feng!"

As soon as his forefoot left, Luo Jue looked impatient and said to Yue Feng: "If you have your last words, you can say it now."

Yue Feng smiled slightly: "Luo Jue, you are the messenger sent by God Domain to the Kyushu Continent. , Have you received any news from God's Domain recently?"

Shuh!

Hearing this, Luo Jue frowned: "What did you say? What news?"

Yue Feng looked leisurely: "For example, the return of Jiutian Xuansheng to Kyushu..."

What?

Hearing those four words, Luo Jue's face changed greatly, and his heart was even more shocked. He stared at Yue Feng closely: "You... How do you know about Jiutian Xuansheng?"

At this time, Luo Jue, in his heart Shocked.

You must know that only Luo Jue knows about the news that God's Domain has spread to Kyushu. Moreover, the matter of Jiutian Xuansheng has just been learned. How did this Yue Feng know?

Thinking to himself, Luo Jue's eyes were solemn, and he said coldly to Yue Feng: "How do you know about the Nine Heavens Profound Sage? You'd better tell me exactly, otherwise, I will make you die without a burial place!"

After saying this, Luo Jue's whole body was filled with aura, as if he wanted to do something at any time.

call!

Seeing this scene, Xiao Xi, who had been silent beside her, was inexplicably nervous, and hugged Yue Feng's arm tightly at the same time.

Facing Luo Jue's glare, Yue Feng didn't panic at all, but sighed softly and said slowly: "I've said it so clearly, haven't you seen it yet? Forget it, let me just say it directly, I am The Nine Heavens Profound Sage, who was just conferred by the ancestors of the Great Wilderness, is mainly responsible for dealing with matters related to the Divine Realm and the human world."

"In other words, even if you are the Heavenly Venerate of the Heavenly Dao Alliance, you have to obey my arrangements, understand?"

What?

This Yue Feng... is the Nine Heavens Profound Sage?

Hearing this, Luo Jue's heart trembled, and the whole person froze there, unable to recover for a long time.

Xiao Xi was also stunned, her delicate body trembled faintly, and she stared at Yue Feng blankly.

Chapter 3758

"Haha..."

Finally, Luo Jue reacted, as if he heard a big joke, and sneered at Yue Feng: “What did you say? You are Jiutian Xuansheng? Haha.... You have What qualifications do you have to be a Nine Heavens Profound Sage... eh?”

Luo Jue suddenly fell silent after taunting him halfway through.

I saw that Yue Feng smiled and slowly raised his hands, followed by a golden glow, condensing a golden phantom. Although this phantom was an illusion of power, it gave people a feeling of sacredness and inviolability. .

It is the Yuanshen of Yue Feng.

soul?

Seeing this, Luo Jue blushed and was speechless in shock.

This... This Yue Feng is just a mortal body, but he actually possesses a primordial spirit?

Just when Luo Jue was muttering secretly, a scene that shocked him even more appeared in front of him.

Om...

I saw Yue Feng wave his hand gently, and a crimson flame jumped out, and then a fireball condensed in mid-air. As soon as the fireball appeared, the temperature of the entire room suddenly increased a lot.

Not only that, Luo Jue clearly saw that in the fireball, there was a faint flickering of a spirit bird.

“This...is this the power of the ancestors of the Suzaku clan?” Luo Jue opened his eyes wide and stuttered. As the messenger of God’s Domain, Luo Jue immediately recognized that the fire that Yue Feng had driven out was the power of the ancestors of the Suzaku family.

At this moment, Luo Jue was completely dumbfounded. He stared at Yue Feng blankly, only to feel that his legs were weak and he could not stand still.

This Yue Feng not only possesses Primordial Spirit, but also possesses the power of Bird Ancestor, which is very consistent with the message from God Domain. It seems that he is Jiutian Xuansheng.

“How is it?”

At this moment, Yue Feng showed a smile, looked at Luo Jue and said, "Believe in my identity now."

Hearing this, Luo Jue calmed down, quickly accompanied the smiling face, and said respectfully: "Your Excellency Xuansheng, I really didn't know Mount Tai before, please be generous and don't care about it."

Luo Jue had a smile on his face when he said this, but he was extremely terrified.

It was over, this Yue Feng turned out to be the Nine Heavens Profound Sage, and he was thinking of attacking him just now, and now he is in big trouble.

Um!

Seeing that his attitude was not bad, Yue Feng nodded, sat on the chair, and said lightly: "I'll take Xiao Xi out later, no problem."

"No problem, no problem!" Luo Jue wiped his face. Cold sweat, the chicken nodded again and again like a chicken pecking at rice.

Yue Feng continued: "There is also the matter of the Qinglong family, which also needs to be redefined."

At this time, Luo Jue dared to violate the slightest: "Everything is subject to the arrangements of Your Excellency Xuansheng."

"Also, I am Jiutianxuan . The matter of the saint must be kept a secret."

"Understood, understand..." After the

explanation was almost done, Yue Feng slowly stood up.

At this time, Luo Jue's heart that had been hanging on it finally fell to the ground, and then shouted out the door: "Guo Dong." However, he gave the Qinglong family medicine pills to suppress their dragon power.

Before Yue Feng gets angry, let Guo Dong deliver the antidote to the Qinglong family.

Whoa!

When the words fell, Guo Dong rushed in with a dozen elites of the Heavenly Dao League.

At the moment of rushing in, Guo Dong shouted with a look of flattery: "Tianzun, this subordinate will take Yue Feng down." The voice fell, and he rushed towards Yue Feng.

At this time, Guo Dong thought that Luo Jue called him in because he wanted to do something to Yue Feng.

Chapter 3759

“Bastard!”

At this moment, Luo Jue was almost scared to death, right, is this Guo Dong pig brain? He actually did something to Jiutian Xuansheng? In his anger, Luo didn't have time to think too much.

“Crack!”

This slap used almost all his strength, Guo Dong turned around seven or eight times, and finally sat on the ground, his face swollen high.

“Your Excellency Tianzun!”

Guo Dong was immediately befuddled, and stared at Luo Jue blankly, with fear and confusion at the same time: “This Yue Feng is daring and trespassing inside our main altar, and I want to give him some color.”

“Crack!”

Before he finished speaking, Luo Jue couldn't do anything, slapped him again, and scolded: “Shut up for me, Your Excellency Yue Feng came to Tiandao Alliance this time to discuss with me. The future of the Jiuzhou rivers and lakes is the honored guest of the Heavenly Dao Alliance. Do you understand, if you neglect the honored guest, you just don't take me seriously.”

Just now Yue Feng said that if he wanted to hide the identity of Jiutian Xuansheng, how could Luo Jue dare to say it? It can only be said that Yue Feng is his guest.

What? VIP? !

Hearing this, Guo Dong covered his face, his whole body was covered, and his brain was buzzing.

What's the matter?

Your Excellency Tianzun, I was planning to take action against Yue Feng just now. How could Yue Feng become a distinguished guest in the blink of an eye?

Seeing that Guo Dong was stunned, Luo Jue didn't get angry, and shouted angrily, “You poor-eyed servant, you have been disrespectful to Your Excellency Yue Feng before, why don't you come to apologize?”

Om!

Hearing this roar, Guo Dong's face was instantly pale, and there was no blood at all!

Tianzun wants to apologize to Yue Feng?

At this time, Guo Dong was very resistant, but seeing Luo Jue's gloomy expression, he was so frightened that he couldn't say a word.

"Your Excellency Yue Feng..."

After two seconds, Guo Dong took a deep breath, walked slowly to Yue Feng, and said reluctantly, "I have offended a lot before, please forgive me."

When he said this, Guo Dong's tone was full of humiliation .

He never thought that, as the guardian of the Heavenly Dao Alliance, he would apologize to Yue Feng. You know, Yue Feng disappeared for three years, and his prestige is far from before. In fact, Yue Feng was almost completely forgotten on the rivers and lakes.

And himself, as the guardian of the Heavenly Dao Alliance, is in the limelight.

A fool!

Facing Guo Dong's apology, Yue Feng was expressionless and said lightly, "Guo Dong, before the banquet started, you asked me to kneel down and apologize to you..."

Shuh!

Hearing this, Guo Dong shuddered and almost cried: "Your Excellency Yue Feng, I was confused before, I was wrong..."

Putong.

While talking, Guo Dong knelt directly in front of Yue Feng.

To be honest, Guo Dong didn't want to kneel, but he really had no choice. If he didn't get Yue Feng's forgiveness, Luo would never let him go.

Seeing this scene, Yue Feng nodded with satisfaction: "Okay, don't do this kind of bullying in the future."

"Yes, yes, what Your Excellency Yue Feng taught is." Guo Dong was dripping with sweat and knelt down. There he kept nodding.

At this time, Luo Jue came over and kicked Guo Dong fiercely: "Remember the teachings of Your Excellency Yue Feng, if I commit this again, I will not forgive me lightly, get down quickly, and send the antidote to the Qinglong family."

Guo Dong did not dare to disobey, let alone ask more questions, so he got up and walked out.

Chapter 3760

"Okay!"

At this time, Yue Feng breathed a sigh of relief, and said to Luo Jue: "Now the banquet is almost over, I can't stay longer, if there is anything in the future, just send someone to the Ouyang family to ask me for instructions. Good."

Saying that, Yue Feng took Xiao Xi and strode out.

To be honest, Yue Feng thought about bringing all the Qinglong clan to the Ouyang clan, but this would definitely cause a shock in Kyushu. In order not to attract attention, let them stay in the Tiandao Alliance.

After all, Luo Jue knew his identity and did not dare to do anything to the Qinglong family.

"Young Master!"

On the way back to the banquet, Xiao Xi couldn't help but wonder: "Are you really the Nine Heavens Profound Sage? What kind of identity is that? It's amazing. That Luo Jue is very arrogant. It 's like a little turtle."

From acquaintance until now, Xiao Xi is still used to being called Young Master Yue Feng.

Haha...

Hearing Xiao Xi's description, Yue Feng couldn't help laughing out loud, and then responded: "The Nine Heavens Profound Sage, whose status is second only to the Nine Heavens God, is of course powerful..." After

that, Yue Feng said He talked about his being named the Nine Heavens Profound Sage.

At the end, Yue Feng said seriously: "Xiao Xi, it's good for you to know about this matter alone. Don't tell Qingyan and Brother Wen for the time being, do you know?"

"Why?" Xiao Xi looked puzzled: " Don't you believe in Brother Wen and the others?"

Yue Feng shook his head with a serious face: "It's not that I don't believe Brother Wen and the others, but the Ouyang family has too many people, so many people talk about it, my identity is not trivial, I don't want to be so fast. Expose."

Xiao Xi nodded in understanding.

While talking, it was already at the banquet, and from a distance, Su Qingyan was sitting there, looking around, her delicate and beautiful face, unable to hide her worry.

Yue Feng has been gone for so long, and he doesn't know what's going on. Can you not worry?

"Yue Feng."

At this moment, seeing Yue Feng, Su Qingyan's face was overjoyed, and she hurried up to greet him.

When she got to the front, Su Qingyan couldn't hide her urgency and excitement, and said softly: "Yue Feng, you're finally here."

Then, seeing Xiao Xi next to her, she was even more delighted: "Xiao Xi, seeing you all right Son, I'm relieved. By the way, how did you come out? The people of the Tiandao Alliance, why didn't you stop you?"

Yue Feng smiled slightly: "I and Luo Jue reached an agreement, in the future Tiandao Alliance and Tianmen, as well as Huaguoshan, and the Hall of Longevity, do not invade each other, and then Luo Jue agreed to let me take Xiao Xi away."

When he said this, Yue Feng looked relaxed.

So simple?

Hearing this, Su Qingyan was stunned.

In her cognition, Tiandao Alliance is not so easy to talk about.

At this time, the banquet was about to end, Yue Feng smiled: "The specific situation, I will tell you later, the banquet is almost over, let's go."

Seeing that Yue Feng was not talking, Su Qingyan didn't ask any more. After having known each other for so many years, Su Qingyan unconditionally believed in Yue Feng. She knew that what Yue Feng did had his reasons.

Leaving the main altar of the Tiandao Alliance, Yue Feng, Su Qingyan, and Xiaoxi traveled all the way, talking and laughing.

Speaking of which, Yue Feng had just returned to Kyushu, and he still had a lot of things to do, but after being separated from Su Qingyan and Xiao Xi for so long, this time he took the opportunity to relax.

After playing for a few hours, I saw a tavern not far ahead. At this time, there were a lot of guests sitting in the tavern, almost all of them were people from Jianghu who attended the Tiandao League banquet.

“Master, there is a tavern in front.” Xiao Xi shouted, very excited.

I was tired and thirsty after walking for a few hours just now.

The ultimate husband in Chinese chapter 3761-3765

Chapter 3761

“Qingyan, let’s take a break here!” Yue Feng showed a smile and pointed at Su Qingyan.

Su Qingyan nodded, and then the three of them walked into the tavern and found a seat by the window to sit down.

Um?

As soon as he sat down, Yue Feng was startled, but he felt a sudden murderous aura!

Yue Feng looked back subconsciously, and saw not far away, dozens of sect disciples, armed with swords, suddenly surrounded the tavern.

These sect disciples, wearing uniform dark green long gowns with a coiled serpent logo embroidered on their chests, are the disciples of the Five Poison Sect in Xicang Continent.

The head is a woman, also wearing a dark green dress, delicate facial features, indescribably charming and charming.

It is the current suzerain of the Five Poison Sect, Ji Hongshang.

At this moment, Ji Hongshang’s eyes were tightly locked on Yue Feng, revealing endless resentment: “Yue Feng, you killed my sister, I will kill you to pay homage to her spirit in the sky.”

Yes, Ji Hongshang is exactly the same. Ji Linglong’s younger sister.

A few years ago, Ji Linglong was taken by Yue Feng with Tongtian Pill and was forced to surrender. After that, Ji Linglong has been working for Yue Feng, and at the same time, every other year, he goes to the Ouyang family to get the antidote.

It was only two years ago that Ji Linglong was entangled by the enemy and failed to go to the Ouyang family to get the antidote in time, and she died of poisoning.

Ji Hongshang was devastated by the tragic death of her sister, and blamed all the hatred on Yue Feng and the Ouyang family. At the banquet of the Heavenly Dao Alliance, Ji Hongshang saw Yue Feng appear and wanted to kill him immediately, but she was just jealous. The strength of the Heavenly Dao Alliance held back at that time.

At this time, in this barren tavern in the wild, when I met Yue Feng again, how could I spare him? !

elder sister! ?

This chapter is provided by . Visit for daily update.

Feeling Ji Hongshang's resentment, Yue Feng looked puzzled: "This beauty, who are you?" Before Ji Linglong died, Ji Hongshang had been practicing in the Five Poison Sect, and seldom walked around the rivers and lakes, so Yue Feng Don't know at all.

Ji Hongshang's beautiful face was full of resentment, and she said word by word, "Yue Feng, don't pretend to be confused. Back then you forced my sister to take Tongtian Pill. Two years ago, she died of poisoning. You said she Your death has nothing to do with you?"

Phew!

Hearing this, Yue Feng was stunned.

It turned out to be Ji Linglong's sister.

At the same time, I was also a little shocked, Ji Linglong actually died?

No, after I let Ji Linglong take Tongtian Pill, I left the antidote in the Ouyang family, and asked Ji Linglong to get it every other year. Under such circumstances, how could Ji Linglong die of poisoning?

Thinking to himself, Yue Feng turned to look at Su Qingyan: "Qingyan, didn't the family give Ji Linglong the antidote?"

Su Qingyan replied softly, "Every time Ji Linglong came, the antidote was given to her. "

Yue Feng frowned and looked at Ji Hongshang: "This is strange, every year the antidote is given to your sister, how could she still die from poisoning?"

"Two years ago, my sister was killed by the enemy's family. The entanglement, the delay in taking the medicine, led to the death of the poison!" Ji Hongshang gritted her teeth and said bitterly: "Yue Feng, if you hadn't given my sister Tongtian Pill, she would not have died, so you have to A life is a life."

I go!

Hearing this, Yue Feng finally understood something, and said with a wry smile: "Since this is the case, it means that your sister's life should be like this. This is God's will, and it has nothing to do with me!" To be

honest, Yue Feng felt a little bit in his heart when he learned that Ji Linglong died. It's a pity, but when I think of what she did in the past, I don't feel too sad. You must know

that Ji Linglong helped Duan Yu, controlled Xiao Yuruo, and instructed Xiao Yuruo to assassinate him.

With Yue Feng's personality, Ji Linglong should have been killed back then, and she should have lived a few more years, which was considered lenient enough.

After saying this, Yue Feng was too lazy to talk nonsense, greeted Su Qingyan and Xiao Xi, and prepared to leave the tavern.

Chapter 3762

"Go? Have you left?"

At this moment, Ji Hongshang shouted: "The disciples of the Five Poison Sect obey the order, kill Yue Feng, and avenge the sect master!" The voice fell, and Ji Hongshang held a jade hand. Lift up, clenching a grotesque weapon.

This weapon, with a curved edge, is like a crawling poisonous snake, and the whole body glows with a faint green light, which is obviously quenched with poison.

The Five Poison Sect is good at using poison to kill invisible. This weapon of Ji Hongshang is called 'Heart Eater', a blue-level weapon. It is said that when it was cast, it was soaked in the venom of one hundred and eight poisonous insects for a full year. time.

It can be said that this 'heart eater' is extremely poisonous. As long as the wound is cut, it will attack the heart and die.

Whoa!

The words fell, and the disciples of the Five Poison Sect behind Ji Hongshang drew their weapons one after another, rushed over quickly, and stopped in front of Yue Feng.

Yue Feng frowned, and without looking at the disciples of the Five Poison Sect, he chuckled at Ji Hongshang: "I said just now that your sister's death is God's will, please don't make trouble for nothing!"

" People from all corners of the world came out to watch the fun.

"I'm going, isn't this Yue Feng? It seems to be fighting with the Five Poison Sect!"

" You can seduce your soul."

"Shh, keep your voice down, the Five Poison Sects are not easy to mess with." During the

discussion, many men's eyes were locked on Ji Hongshang, looking up and down, their eyes were straight.

Ji Hongshang didn't care about the surrounding discussions, but stared at Yue Feng and said coldly: "Yue Feng, you don't need to talk nonsense, no matter what today, I will seek justice for my sister! "

Nima!

Hearing this, Yue Feng was speechless, this Ji Hongshang was simply making trouble.

Thinking to himself, Yue Feng smiled bitterly: "Although you have a lot of people, you are not my opponent. In the end, you are just asking for trouble, why bother?"

Ji Hongshang bit her red lips tightly and said word by word: "I Knowing that you are very strong, even if I can't kill you today, you will have to pay a little price!"

After saying that, Ji Hongshang glanced at Su Qingyan and Xiao Xi: "They are all your confidantes, you say, they can You can't stop my poisonous art!" The

last word fell, Ji Hongshang's inner strength exploded, her jade hand raised, and in an instant, a green poisonous mist quickly shrouded Su Qingyan and Xiao Xi.

Whoosh!

I saw that where the poisonous fog filled the air, there was a chirp in the air, and the grass on the ground withered instantly.

Hiss, what a powerful poisonous mist!

Seeing this scene, the people around the rivers and lakes changed their faces and stepped back one by one.

Mad!

Yue Feng's expression also changed, and his anger rose in an instant. He didn't have time to think about it at the time, he urged his figure to rush over, raised his hand to condense a protective film, and blocked it in front of Su Qingyan and Xiao Xi.

The next second, Yue Feng glared at Ji Hongshang: "You are courting death!" To

be honest, Yue Feng is not afraid of Ji Hongshang's trouble, and he doesn't even blame Ji Hongshang. After all, Ji Linglong's death is indeed related to him. .

In Yue Feng's heart, Ji Hongshang can do anything to him, but it is absolutely impossible to take action against Su Qingyan and Xiao Xi. You must know that Su Qingyan and Xiao Xi are his family.

When Ji Hongshang took action against them, it offended Yue Feng's iniquity.

Chapter 3763

"Om!"

Under the surging anger, Yue Feng did not hesitate, slowly raised his hand, a crimson flame jumped out of his palm, tossing up and down, and in an instant, the surrounding air was instantly distorted by the high temperature .

It is Tianque Lingyan.

Of course, in order to avoid hurting innocent people around him, Yue Feng did not push the power of the Heavenly Sparrow Spirit Flame to the extreme.

However, even so, feeling the incomparably hot temperature, the faces of the people around the world changed greatly, they whispered, and then avoided them in the distance.

Yue Feng looked cold and said coldly to Ji Hongshang: "If you want revenge, come to me, dare to touch my family, I will never forgive you!"

The moment the words fell, Yue Feng raised his hand and waved, Tianque Lingyan threw it directly to Ji Hongshang!

hum!

I saw that the air was burning wherever the Heavenly Sparrow Spirit Flame passed!

This...

Seeing the flying sky bird spirit flame, Ji Hongshang's beautiful face suddenly became solemn, and her heart was also extremely frightened. A protective barrier.

boom!

It was at this moment that the Sky Sparrow Spirit Flame erupted, slammed into the protective film, and made a loud noise. The terrifying heat swept out, and the entire tavern burned.

Click!

In the next second, a cracking sound was heard, the protective film completely collapsed, and under the violent impact, Ji Hongshang even groaned, and was directly shaken and flew out, flying more than 100 meters away. It landed heavily, and a mouthful of blood spurted out!

Seeing this scene, the people in the rivers and lakes who retreated not far away all focused on Yue Feng and were extremely shocked.

powerful.

This Yue Feng, worthy of being a former hero of Jiuzhou, has not seen him for three years, and his strength is even more terrifying. In one move, he defeated the head of the Five Poison Sects.

“Sect Master...”

Seeing this scene, the surrounding disciples of the Five Poison Sect exclaimed in surprise, and then rushed towards Yue Feng.

“Get out of here!”

At this moment, I saw Yue Feng raise his hand again, and a powerful wave swept out in an instant. I saw that the disciples of the Five Poison Sects were all shaken out, and their faces were pale. Lost combat effectiveness.

“Ji Hongshang!”

Yue Feng stared at Ji Hongshang, his body was filled with powerful killing intent: “I didn’t want to kill you, you forced me.” The

voice fell, Yue Feng slowly moved towards Ji Hong Chang came.

A strong breath swept the audience.

Phew...

Feeling the terrifying aura that erupted from Yue Feng’s body, Ji Hongshang bit her lip tightly, her eyes flashed with humiliation and unwillingness, and her delicate body trembled faintly.

I thought I could avenge my sister this time, but I never thought that Yue Feng had disappeared for three years and returned, and his strength has become so terrifying.

My sister didn’t avenge her revenge, and she took her own life here.

I’m so unhappy.

Thinking to herself, Ji Hongshang's tears fell gently, incomparable despair.

At this time, Yue Feng had already walked up to him, raised his right hand, and patted Ji Hongshang's head directly.

What Yue Feng said just now was right. He didn't plan to attack Ji Hongshang, but when the other party used poison art on Su Qingyan and Xiao Xi, Niscale was angered, and he had to kill her at this time.

"Young Master!"

However, at this critical moment, Xiao Xi suddenly shouted, and then ran over to stop Yue Feng.

Yue Feng frowned: "Xiao Xi, what are you doing?"

Chapter 3764

Xiao Xi breathed a sigh of relief, glanced at Ji Hongshang who was extremely weak, and said in her heart, "Young Master, please forgive her."

What?

Hearing this, Yue Feng was stunned and looked at Xiao Xi in confusion: "She was going to kill you just now, but you still want to save her?"

Xiao Xi sighed softly and said in a low voice, "This matter, Although it's her fault, she can't be blamed entirely, her sister died of poisoning, it's already very pitiful, son, please forgive her this time."

When she said this, Xiao Xi's eyes were full of complexity.

Speaking of which, Ji Hongshang suddenly shot at herself and Su Qingyan just now, Xiao Xi was also very angry, but thinking of Ji Hongshang's situation, she felt a little sympathetic.

This...

In the face of Xiao Xi's request, Yue Feng was dumbfounded, standing there, hesitating.

Ji Hongshang was also stunned, staring at Xiao Xi, speechless, she never thought that Yue Feng's confidante would plead for her.

"Young Master, please, give her a chance." Xiao Xi hugged Yue Feng's arm and said coquettishly.

Yue Feng took a deep breath, couldn't bear to refuse, nodded and said, "Okay!" After saying that, Yue Feng turned his head to look at Ji Hongshang, and said coldly: "Ji Hongshang, today, because of Xiao Xi's face, I will Spare your life, if you dare to make trouble next time, I won't forgive you."

Having known Xiao Xi for so many years, this is the first time that Yue Feng can't bear to refuse.

"I..."

Facing Yue Feng's warning, Ji Hongshang's face flushed, but she didn't know how to respond.

At this time, Ji Hongshang's heart was filled with grief and anger, and despair.

After being spared by the enemy, how can I stand on the rivers and lakes in the future, and how can I face the spirit of my sister in the sky? But what can he do if he is not reconciled, Yue Feng is powerful, and he is not an opponent at all.

For a time, Ji Hongshang sat there paralyzed, looking dazed and pitiful.

Yue Feng was too lazy to talk nonsense, greeted Xiao Xi and Su Qingyan, and strode away.

Huh....

Seeing this scene, the people from the rivers and lakes who were watching not far away also dispersed.

"Who is making trouble here?"

However, at this moment, only a shout was heard. From a distance, hundreds of elite disciples of the Heavenly Dao League came quickly, the leader looked arrogant and arrogant!

It was Guo Dong.

This place belongs to the jurisdiction of the Tiandao Alliance. When Yue Feng and Ji Hongshang fought, Guo Dong was not far away, and when he heard the movement, he rushed over immediately.

Seeing the Tiandao Alliance coming, all the people in the arena were full of fear, and at the same time, they all looked at Ji Hongshang subconsciously.

Swish!

At this moment, Guo Dong's eyes locked on Ji Hongshang, and his eyes were straight.

Isn't this the head of the Five Poison Sect?

So sexy.

Guo Dong had already met Ji Hongshang at the Celebration Banquet of the Heavenly Dao Alliance before, and was deeply attracted at the time, but at this time, his soul almost flew away when he admired it up close.

The next second, Guo Dong approached slowly and looked at Ji Hongshang up and down: "Master Ji, you lead the disciples to make trouble in our Tiandao Alliance, have you thought about the consequences?" As he

said, Guo Dong Her eyes kept moving on Ji Hongshang's charming curves.

Speaking of which, Guo Dong knew that the Five Poison Sect was good at using poison. If it was normal, he would never be so frivolous to Ji Hongshang, but at this time, Guo Dong clearly felt that Ji Hongshang was injured and extremely weak. No worries.

Huh...

Guo Dong's gaze made Ji Hongshang feel uncomfortable, bit her lip, and said lightly: "I lead my disciples to seek revenge on Yue Feng, it is a private matter between us, and it has nothing to do with your Heavenly Dao Alliance, right? "

While saying this, Ji Hongshang silently used her internal strength to regulate her dantian. She was injured by Yue Feng's blow just now, and she just wanted to recover a little, and then left quickly.

Chapter 3765

What?

Hearing this, Guo Dong's originally smiling face was instantly stunned, and then he became solemn.

This Ji Hongshang, just played against Your Excellency Yue Feng?

Muttering in his heart, Guo Dong looked around and asked those people in the rivers and lakes not far away, "Is that so?"

Yue Feng is an honored guest of the Tiandao Alliance, and even Luo Jue is polite when he sees him. Ji Hongshang was looking for trouble on the site, and this matter must not be ignored.

In the face of Guo Dong's inquiry, the people around Jianghu did not dare to hide it, and nodded in succession.

"That's true!"

"The two sides shot just now, and we all saw it."

"The three of Yue Feng, just left..."

Hearing these words, Guo Dong nodded silently.

In the next second, Guo Dong looked at Ji Hongshang with a half-smiling smile: "If it is a personal grievance, it is really inconvenient for our Tiandao Alliance to intervene, but if it is Yue Feng, then it can't be ignored." After speaking

, Guo Dong waved his hand. Start: "Come on, tie all these people from the Five Poison Sects to me."

Whoa!

As soon as the voice fell, hundreds of elite disciples of the Heavenly Dao Alliance rushed up and surrounded the people of the Five Poison Sect. Soon, one by one was tied up with five flowers.

Previously, under the impact of Yue Feng's power, these disciples of the Five Poison Sect were all injured. At this time, facing the elites of the Tiandao Alliance, they had no resistance at all.

"You..."

Seeing this situation, Ji Hongshang's body trembled and she was furious. She then shouted at Guo Dongjiao, "Guo Hufa, what do you mean?"

At this time, Ji Hongshang was very angry, and she never thought that Guo Dong would do it when he said he would do it.

Phew...

At the same time, the people in the surrounding rivers and lakes couldn't help but talk a lot.

"What's the situation?"

"How did you capture all of the Five Poison Sects?"

Guo Dong ignored the discussions around him, sneered, and said to Ji Hongshang, "Hehe, I forgot to say just now, Your Excellency Yue Feng is our Heavenly Dao. VIP of the alliance, you are in the realm of our Tiandao alliance, and you are looking for trouble with Yue Feng, you say, how should our Tiandao alliance deal with it?"

What?

Yue Feng is the VIP of the Tiandao Alliance?

Hearing this, Ji Hongshang's delicate body trembled, and the whole person was blinded.

She clearly remembered that when the Celebration Banquet of the Tiandao Alliance had not yet started, Guo Dong was still looking for trouble with Yue Feng in public. Many people saw it on the spot. .

At the same time, the people around the rivers and lakes were also stunned there.

After a long time, Yue Feng is a VIP of the Tiandao League. No wonder this Guo Dong will take action against the Five Poison Sect.

"Everyone!"

At this moment, Guo Dong looked around and said in a cold and arrogant tone: "Heavenly Dao Alliance is doing business, no one should retreat immediately, so as not to cause trouble."

Ma De, so many people are watching, it is inconvenient to do anything. Better to drive them all away.

Wow...

the voice fell, and the people around the rivers and lakes looked at each other without hesitation.

The Tiandao Alliance has been established in just a few months, and its strength is at its peak. Who dares to provoke it.

"Guo Hufa!"

Seeing Guo Dong driving away the onlookers, Ji Hongshang was inexplicably flustered, and couldn't help but say, "What do you want?"

Guo Dong came over, grabbed Ji Hongshang's hand, and said with a smile: "Don't be nervous, you are the head of the dignified Five Poison Sect, and you have an extraordinary position. What can I do to you?"

Saying this, Guo Dong's eyes were looking at Ji Hongshang unscrupulously.

The ultimate husband in Chinese chapter 3766-3770

Chapter 3766

Not bad, Guo Dong drove away those onlookers, the purpose was to take advantage of Ji Hongshang. You must know that Guo Dong is a famous lecher. At this time, when he met Ji Hongshang who was injured, what happened? Possibly missed opportunity?

“Hey..”

“The guardians have been blessed for a few days...” The

surrounding Heavenly Dao League elites also laughed wickedly and followed suit. As Guo Dong's subordinates, these elite disciples naturally understand Guo Dong's lecherous nature.

Swish!

At this moment, Ji Hongshang was ashamed and angry, and threw off Guo Dong's hand, then clenched her heart and said coldly: “Guo Hufa, please respect yourself, if you do this again, don't blame me for being rude!”

When saying this, Ji Hongshang couldn't express the grief and anger.

Today is really unlucky. Not only did he not kill Yue Feng and avenge his sister, but he also met a villain like Guo Dong.

Want to resist?

Seeing the strange weapon in Ji Hongshang's hands, Guo Dong was stunned for a moment, and then said with a smile: “Sect Master Ji, I didn't say what to do with you, why would I use a knife or a gun? Besides, in our Tiandao Alliance site. Come on, you still want to do it with me?”

Clap!

As soon as the voice fell, Guo Dong's internal force was running, and he suddenly shot, a palm cut on Ji Hongshang's wrist, and in an instant, he heard a crisp sound, and his heart fell to the ground.

At the same time, Ji Hongshang also trembled, standing unsteadily, she let out a coquettish cry, and took a few steps back.

To be honest, if it were normal, Guo Dong would not be able to destroy Ji Hongshang's weapon so easily, but at this time Ji Hongshang was severely injured and had no power to fight back.

Hahaha...

Seeing this scene, the surrounding Heavenly Dao League disciples all laughed out loud, looking at Ji Hongshang playfully and making fun of them.

“Oh, the beauty is angry...”

“Tsk tsk... this is the strength of the head of the Five Poison Sect, but that’s all.”

“Your Majesty, the head of Ji has a very strong personality, which is just in line with your appetite. “

Hearing these ridicules, Ji Hongshang was ashamed and angry.

At this moment, the disciples of the Five Poison Sect who were tied up couldn’t bear it any longer, and they yelled loudly.

“You bastards.”

“Will your Heavenly Dao Alliance bully the less and fall into trouble?”

“Thanks to your self-proclaimed Heavenly Dao, you are just a bunch of bastards...”

While shouting, many The disciples of the Five Poison Sect struggled desperately and wanted to break free. At this time, they all had one thought. Even if they died, they couldn’t watch the sect master suffer humiliation.

“Looking for death!”

Seeing this situation, Guo Dong Guo Dong smiled coldly, walked over quickly, slapped his hands, and slapped them one by one.

Papapa...

a dozen slaps down the face, all the disciples of the Five Poison Sect fell to the ground and their faces were swollen.

Guo Dong still felt displeased, he pulled out his long sword, pressed it against the heart of a disciple of the Five Poison Sect, and said fiercely: “Ma De, dare to insult our Heavenly Dao Alliance, I think you are all tired of living.” The

voice fell, Guo Dong Dong is about to stab him with a sword.

“Stop!”

At this moment, Ji Hongshang's body trembled, and she hurriedly shouted: "Guo Dong, don't hurt my disciples!"

Guo Dong stopped, turned his head to look at Ji Hongshang, and showed a wicked smile: "I can give you such a face and spare their lives, but I have one condition, it depends on whether the head of Ji is worthy of cooperation. "

What conditions?" Ji Hongshang asked subconsciously.

"Hey..."

Guo Dong smirked and walked over slowly: "It's very simple, as long as Sect Leader Ji accompanies me to drink a few glasses of wine, I will not only kill them, but maybe even let you go.

" At that time, Guo Dong looked at Ji Hongshang, showing a bit of greed and wretchedness.

Chapter 3767

Swish!

Hearing this, Ji Hongshang's body trembled, and her heart was even more ashamed and angry.

This Guo Dong is too shameless.

He is the dignified head of the Five Poisons Sect, who is pure and clean, how can he accompany him to drink?

At this moment, the disciples of the Five Poison Sect who fell to the ground were also furious and shouted.

"Sect Master, I can't agree."

"It doesn't matter if we die, the dignity of the Five Poison Sect can't be lost."

"I mustn't agree to him..."

The shouting kept coming, Guo Dong frowned, very irritable .

Seeing Ji Hongshang clenching her lip and still unwilling to respond, Guo Dong suddenly lost his patience and shouted: "Ma De, kill them all for me!"

Qiang, Qiang, Qiang!

The words fell, and the surrounding Tiandao League elites drew their swords and chopped at the disciples of the Five Poison Sect.

“Don’t...”

Seeing this scene, Ji Hongshang was very anxious, and at the same time wanted to rush over to stop her, but she was extremely weak and completely powerless.

hum!

At this critical moment, a powerful aura erupted from not far away. In an instant, the disciples of the Heavenly Dao League who were present were shaken back one after another, and the swords in their hands fell to the ground.

“Ma De, who dares to meddle in his own business?” Guo Dong frowned, cursed angrily, and looked back at the same time.

hiss!

Seeing this, Guo Dong couldn’t help but take a deep breath.

The surrounding Tiandao League elites were also stunned, secretly shocked.

I saw a handsome man walking slowly from not far away, dressed in white, indescribably handsome and unrestrained, with a strong breath all over his body, with a faint smile on the corner of his mouth, showing a bit of rebelliousness.

It was Bai Yunfei who was tied with Luo Jue at the main altar of the Heavenly Dao Alliance.

In the blink of an eye, Bai Yunfei walked up to him, glanced at Guo Dong lightly, and said lightly: “You guys are really shameless, what you say is in line with the way of heaven, but you only do some bullying things.”

Bai said . Then, Bai Yunfei’s eyes were like electricity, and he looked around!

hum!

At the same time, a powerful aura filled Bai Yunfei’s body!

Phew...

Feeling the crushing force of the powerful breath, whether it was Guo Dong or Ji Hongshang and others, they all felt their hearts tighten, and they couldn’t breathe.

I have to say that Bai Yunfei’s aura is too strong.

Gudong!

At this moment, Guo Dong couldn't help but secretly swallowed his saliva.

"I won't talk nonsense with you, while I'm in a good mood, take your subordinates and get out of here..." At this time, Bai Yunfei glanced at Guo Dong coldly, and said coldly, no doubt!

Mad!

Hearing this, Guo Dong secretly clenched his fists and was furious.

This Bai Yunfei is too crazy, in the Tiandao Alliance's territory, dare to be so arrogant.

Ji Hongshang also stared blankly at Bai Yunfei, feeling inexplicably excited and excited.

Great, this Bai Yunfei and the Tiandao Alliance are not at odds, and both himself and those disciples are saved.

"Bai Yunfei!"

Chapter 3768

Finally, Guo Dong reacted, took a deep breath, and said patiently: "This is a matter of our Heavenly Dao Alliance and the Five Poison Sect, don't mind your own business!"

"Up and down. You know, this Bai Yunfei is too strong, and he had a draw with Tianmen before.

Bai Yunfei had a proud face, his expression did not fluctuate in the slightest, and said lightly: "I won't say the same thing a second time, I will get out immediately..."

Huh..

Hearing this, Guo Dong was completely angry, and his heart was ecstatic at that time. , shouted: "Bai Yunfei, I'll give you face, don't know how to praise, do you really think I'm afraid of you?"

After saying that, Guo Dong raised his hand and waved: "Give it to me!"

Even if Bai Yunfei is powerful , but only one person.

Whoa!

As soon as the voice fell, hundreds of Heavenly Dao Alliance elites burst into internal energy and rushed towards Bai Yunfei.

“Looking for death!”

Bai Yunfei snorted coldly, then slowly raised his hand, and saw a blood-colored light condensed, and then formed a thick red fog, directly shrouding the elites of the Heavenly Dao Alliance who rushed up.

Chi Chi...

I saw that where the red mist passed, there was a squeaking sound. Obviously, this fog contained extremely strong toxicity.

“Ah!” The

red mist filled the air at a very fast speed, and in the blink of an eye, many elites of the Heavenly Dao League were shrouded, and they saw that these disciples of the Heavenly Dao League, after inhaling the mist, bleed from their seven holes, and their skin instantly festered.

The screams were terrifying, and in less than a few seconds, more than a hundred disciples of the Heavenly Dao Alliance fell in a pool of blood and died tragically.

Hiss...

Seeing this scene, Guo Dong and the rest of the Tiandao League disciples were in a cold sweat and were extremely terrified.

And Ji Hongshang, whose body was trembling even more, looked at Bai Yunfei tightly, speechless in shock.

Very strong poisonous mist.

As the head of the Five Poison Sect, Ji Hongshang is also a master of poison, but at this time, she clearly felt that the power of the poisonous fog displayed by Bai Yunfei was more powerful than what she knew.

At this time, Guo Dong reacted, his voice trembled, and shouted: “Retreat, quickly retreat!” When the voice fell, he took the others and fled, and in the blink of an eye, he ran away without a trace.

“Trash.”

Bai Yunfei said with a look of contempt, lightly spit out two words, and then flicked the dust off his body.

At this time, Ji Hongshang reacted from the shock, struggled to stand up, walked up to Bai Yunfei, bit her lip and whispered, “Thank you, Hero Bai, for your help!”

Bai Yunfei looked Ji Hongshang up and down, and smiled: "Don't rush to thank you, although I was passing by, I didn't help you for nothing!"

This...

Hearing this, Ji Hongshang was stunned.

At this time, Bai Yunfei continued: "Looking at your situation, it should be the dantian meridian, which has been severely damaged, and it will be difficult to recover in a short time. In this way, I will help you heal, but if you have conditions, you must bring the Five Poison Sect to join. Me."

After competing with Luo Jue at the main altar of the Tiandao Alliance, Bai Yunfei planned to set up a new sect to facilitate the investigation of the news of the Demon Venerable. At this time, he happened to pass by here and rescued Ji Hongshang, it was natural threw an olive branch.

You must know that the Five Poison Sect is also a well-known sect in Xicang Continent, and it is the object that Bai Yunfei attracts.

What?

Ji Hongshang's tender body trembled, and she never thought that Bai Yunfei would make such a request.

Soon, Ji Hongshang calmed down: "What if I don't agree?"

When answering, Ji Hongshang was very straightforward. You must know that when the Tiandao Alliance was established, Luo Jue once sent people to the Five Poison Sect. Ji Hongshang was asked to bring the Five Poison Sect into the Heavenly Dao League, but Ji Hongshang decisively refused.

At the beginning, he rejected the invitation of the Tiandao Alliance, so how could he join Bai Yunfei at this time?

"Haha..."

Seemingly guessing that Ji Hongshang would answer like this, Bai Yunfei smiled lightly: "Rejecting my fate is death, don't forget, your life was saved by me, I can save you, or you can Kill you."

Chapter 3769

Said, Bai Yunfei looked around at the disciples of the Five Poison Sect, and continued: "You and your disciples are all seriously injured. I want to kill you, but

it's easy." When saying this , Bai Yunfei's face was light and cloudy, but there was a chilling aura all over his body.

"You..."

Hearing this, Ji Hongshang's tender body trembled, and she was inexplicably panicked.

This Bai Yunfei is powerful, and has a perverse temperament, both righteous and evil. If he does not agree, I am afraid that he will really kill people.

But... if he joins, the Five Poison Sect will cease to exist. In the future, under the Jiuquan, how can you see the ancestors of the Five Poison Sect?

"Huh!"

After more than ten seconds, Ji Hongshang bit her lip and said: "I can bring the Five Poison Sect to join you, but there is one condition, you have to help me deal with Yue Feng. "

Ji Hongshang knows that if Bai Yunfei is not agreed today, the Five Poison Sects will be wiped out, and it is better to compromise temporarily than to die.

Moreover, Bai Yunfei is powerful, if he can agree to deal with Yue Feng, that would be the best.

Haha...

Hearing this, Bai Yunfei was stunned for a moment, and then he couldn't help laughing: "What conditions did I have at that time, a mere Yue Feng, it's not worth mentioning at all, well, I will promise you."

In Bai Yunfei In my heart, Yue Feng's weight is not as good as Luo Jue's, so naturally he won't take it seriously.

Afterwards, Bai Yunfei smiled and said slowly: "From now on, you are the guardian of Bai Zong!"

At this moment, Ji Hongshang no longer hesitated, knelt down and said respectfully, "I have seen the Sect Master! "

Um!

Bai Yunfei nodded in satisfaction, then pulled out a dagger and cut his fingers.

In an instant, blood gushed out.

Seeing this scene, Ji Hongshang was stunned.

Sovereign, what is this going to do?

Snapped!

Just when Ji Hongshang was secretly surprised, Bai Yunfei suddenly approached and tapped on her acupuncture point, forcing Ji Hongshang to open her mouth, and then dripped the blood from her finger into her mouth.

All this happened so fast that Ji Hongshang didn't react at all, and swallowed the blood directly.

"Sect Master!"

At this time, Ji Hongshang was inexplicably frightened, and at the same time a little happy, because she clearly felt that after swallowing the blood, a strange force merged into her dantian.

Under this circumstance, the wounds that had been severely injured by Yue Feng were recovering quickly....

So the blood of the sect master is so miraculous?

Seeing Ji Hongshang's stunned look, Bai Yunfei smiled slightly: "Don't panic, my blood can not only heal you, but also strengthen your strength.

"A trip to Shenlong Island." Bai Yunfei sensed that Demon Venerable's aura finally appeared on Shenlong Island, so he couldn't wait to check it out.

After saying this, Bai Yunfei stepped aside and untied the ropes on the other disciples of the Five Poison Sect.

call!

Ji Hongshang was a smart woman. Seeing that Bai Yunfei was reluctant to say more, she naturally did not dare to ask more, so she sat cross-legged on the ground and began to heal her injuries and regain her strength.

Soon, half an hour later, Ji Hongshang recovered completely, and rushed towards Shenlong Island with Bai Yunfei.

After several hours of traveling, Bai Yunfei and Ji Hongshang finally arrived at Shenlong Island.

Bai Yunfei quickly found a deep well through the induction of the demon soul, and this deep well was the entrance to the ghost world. Bai Yunfei clearly felt that the breath of Demon Venerable disappeared completely near this deep well.

strangeness!

At this moment, Bai Yunfei frowned, very puzzled.

Chapter 3770

The breath of Demon Venerable disappeared here. Could it be that he was brought into the deep well?

Bai Yunfei has just stepped into the rivers and lakes, and he still doesn't know where the deep well connects.

"Sect Master!"

Seeing Bai Yunfei's dignified expression, Ji Hongshang couldn't help but said softly, "This seems to be the road to the ghost world, is the sect master going to the ghost world?"

Ghost world?

Hearing this, Bai Yunfei was shocked.

Below this deep well, the connection turned out to be the ghost world?

Muttering in his heart, Bai Yunfei really wanted to go down and find out, but then he thought, if he broke into the ghost world, I was afraid that he would not be able to find the whereabouts of the devil, and he would be alerted by the ghost world, and then it would be troublesome.

After all, the ghost world is not something that ordinary people can break into.

"Ji Hongshang, is this the only way to the ghost world?" Bai Yunfei asked.

Ji Hongshang thought for a while: "On the continent of Kyushu, there are several ways to enter the ghost world." After

speaking, Ji Hongshang couldn't help but ask: "What is the sect going to do in the ghost world?"

"Looking for the traces of Demon Lord ." Bai Yunfei pondered and said lightly.

Speaking of which, Bai Yunfei didn't want to tell Ji Hongshang so quickly, but he had to be alone. It was too difficult to find the Demon Lord. One more person to help would bring more hope.

Bai Yunfei was not afraid that Ji Hongshang would betray him.

You know, Ji Hongshang drank his demon blood, and Bai Yunfei's life was already under the control of Bai Yunfei.

Demon?

Hearing these two words, Ji Hongshang was stunned, her mind went blank!

Demon Venerable... such a domineering name, what kind of existence is this, I have never heard of it before.

Seeing her puzzled face, Bai Yunfei took a deep breath and explained the origin of demons and gods, as well as the enmity, in detail. Finally, Bai Yunfei said lightly, "Our entire Bai family is the descendants of demons.

" We have waited for thousands of years just to revive the splendor of the Demon, and finding Your Excellency Demon is the most crucial step, now you understand."

This...

Hearing this, Ji Hongshang's tender body trembled faintly . , staring blankly at Bai Yunfei, shocked.

No wonder Bai Yunfei and Luo Jue were tied at the main altar of Tiandao Alliance before. It turned out that he was not a real person, but a descendant of the devil.

In shock, Ji Hongshang was also inexplicably excited.

With this powerful backer, are you afraid that you can't kill Yue Feng and avenge your sister?

Thinking of this, Ji Hongshang tried her best to calm herself, and said, "Thank you for your trust, Sect Master, and tell your subordinates."

After saying that, Ji Hongshang looked around Shenjing: "Sect Master said just now that Your Majesty's breath has arrived. This place has completely disappeared. I guess that Your Excellency Mozun must be in the ghost world."

"As far as I know, Yue Feng has some origins with the ghost world, and his sworn brother Wen Chou Chou has been the messenger of Hades, so I think that if we want to investigate the whereabouts of the Demon Venerable without knowing it, if we directly

break into the ghost world, it will definitely cause a lot of trouble, it is better to start with Yue Feng and Wen Chou Chou

.

”, Bai Yunfei pondered for a while, nodded and said: “Okay, I will listen to you, you can set off now and go to Diyuan Continent.”

After that, Bai Yunfei and Ji Hongshang quickly left Shenlong Island and rushed towards Diyuan Continent.

.....

At this time, the ghost world.

Om, hum, hum....

In the depths of the silent Netherworld, from today onwards, there have been waves of vibrations, and for a time, the Yin soldiers in the entire Netherworld are inexplicably terrified.

Feeling the shock, Bing Yao also attached great importance to it and went to the depths of the underworld to investigate.

The ultimate husband in Chinese chapter 3771-3780

Chapter 3771

At this moment, in the dark and incomparably dark depths, the shaking continues.

A sexy and cold figure appeared slowly, and his delicate face was full of solemnity.

It was Bingyao.

I saw that on the stone platform in the depths of the netherworld, the sealing magic mirror was quietly placed there, and a dozen seals were deployed around it, but even so, a terrifying aura continued to permeate from the sealing magic mirror. come out.

Obviously, the vibrations in the entire depths of the Nether came from within the sealed magic mirror.

“Jie Jie...”

Just as Bing Yao was getting closer, she saw a ferocious face emerge from the sealing mirror, and her eyes were extremely blood red, making her heart palpitate.

It was the Demon Lord Gone who was trapped in the sealed magic mirror.

At this time, Demon Lord Gone’s eyes, through the magic mirror, locked Bing Yao firmly: “Tsk tsk, you are the new Hades of the underworld? I didn’t expect it to be a sexy beauty.

” When the magic mirror was sealed in the depths of the netherworld, Bing Yao also helped, but at that time, the Demon Lord Gone was still asleep, so he had never seen it.

Hearing this, Bing Yao’s delicate face did not fluctuate in the slightest, and said coldly: “Mozun Gone, the magic mirror is infinite, you can’t rush out, don’t struggle.”

Haha...

Listen At this point, Demon Zun Gone couldn’t help laughing, and his tone was arrogant: “Do you think the ancient ancestor can really trap me? Tell you, it won’t be long before my subordinates will come to save me. “

The day when I regain my freedom will be the day when God’s Domain will be destroyed. If you are a little Pluto, if you are a little bit more sensible, you will remove the seal around this place.”

Subordinate?

Bing Yao's eyebrows knitted together, she couldn't help muttering secretly.

In the war between gods and demons tens of thousands of years ago, all the demons were wiped out, only the Demon Lord Gone, leaving a ray of thought, floating in the nine heavens.

In this case, where did he come from?

Thinking to herself, Bing Yao slowly said: "Devil Gonia, it is your destiny to be sealed in the depths of the netherworld. Don't be alarmist in front of me, I won't eat your way!"
After

speaking, Bing Yao slowly Raising his jade hand, he deployed an enchantment in the depths of the entire netherworld, so as to isolate the movement of the sealed magic mirror.

Last night, Bing Yao was too lazy to talk nonsense with Demon Lord Gone, and directly exited the depths of the underworld.

"Stop..."

When he left the depths of the underworld, a roar from the Demon Lord Gone kept coming from behind: "Let me out, or you'll regret it... wait for me to regain my freedom. , the first one to destroy the ghost world..."

A loud roar made Bing Yao feel inexplicably terrified.

Soon, back in the hall of Mingdu, Bingyao immediately summoned all the messengers and ghost messengers.

"Pass my order to completely block the path of ghosts from all human worlds to the ghost world." Bingyao sat there, her delicate face extremely solemn: "And, strictly guard against these ghost paths."

Said Then, Bing Yao took out a letter and handed it to a messenger: "Immediately take this letter to the Kyushu continent and give it to Yue Feng. Remember, you must give it to him in person."

Saying this At the time, Bing Yao was extremely serious.

I don't know why, but after meeting Demon Lord Gone, Bing Yao knew that the other party could not escape from the magic mirror, but she always had a bad feeling in her heart.

“Yes, Your Majesty!” The messenger held the letter, daring not to neglect, and hurriedly set off for the Kyushu Continent.

.....

On the other side, Diyuan Continent.

At this time, on the road leading to Zhongzhou City, a man and two women were walking leisurely.

It was Yue Feng, Su Qingyan, and Xiao Xi.

Chapter 3772

Before being asked by Ji Hongshang for trouble, Yue Feng didn't take it to heart at all. He was in a good mood with Su Qingyan and Xiao Xi all the way.

“Master!”

At this moment, Xiao Xi suddenly thought of something, with a bit of sadness in her expression: “Today seems to be the anniversary of my aunt's death.” A few years ago, Duan Yu raided the Ouyang family and killed Yue Feng's Mother Su Yue, Xiao Xi was there at the time.

In Xiao Xi's heart, Yue Feng is the closest person, Yue Feng's parents are her parents, so Su Yue's death anniversary has always been in her heart.

Phew...

Hearing this, Yue Feng took a deep breath and instantly became sad.

Thinking of his mother, Yue Feng felt a pain in his heart. When Duan Yu attacked the Ouyang family, Yue Feng rushed back in time, but he was still a step late. Especially when he thought of his mother's tragic death, he felt extremely sad and guilty.

At this time, Su Qingyan took Yue Feng's arm and said softly, “Fortunately, Xiaoxi reminded me that today is the anniversary of my mother's death. Let's go back to Donghai City to worship.” The

mainland of Kyushu pays attention to returning leaves to their roots, so Su Yue died that year. Later, Yue Feng saw that she was buried in the ancestral tomb of the Yue family in Donghai City.

Um.

Yue Feng nodded, then the three of them turned around and rushed towards Donghai City.

After an hour's journey, the three of Yue Feng arrived at the Yue Family Ancestral Hall. At this time, the Yue Family was no longer as glorious as it used to be, and the entire ancestral hall was calm.

puff.

The moment he entered the ancestral hall, Yue Feng saw Su Yue's spiritual position at a glance. At that time, he knelt down: "Mom... my son is here to see you..."

Without saying a word It's over, with tears streaming down my face.

Su Qingyan and Xiao Xi also had a sad look on their faces, and moved forward slowly, burning incense to worship.

For a time, the atmosphere in the ancestral hall was extremely dull and solemn.

Because he missed his mother, Yue Feng stayed in the ancestral hall for a long time, until it was getting dark, he took Su Qingyan and Xiao Xi away.

Hula... As

soon as I walked out of the ancestral hall, I heard footsteps. In a blink of an eye, a group of people rushed out of the woods, each with a knife in their hands, and surrounded the three Yue Feng.

Yue Family Ancestral Hall, on a hillside by the sea, has beautiful scenery, but it is relatively remote, especially at night, very few people come here.

Where did these stubborn hair thieves come from?

Yue Feng frowned, and when he saw the appearance of this group of people, he couldn't help but burst into laughter.

Haha...

Are these people playing role-playing?

I saw that this group of people looked fierce, but their faces were covered in graffiti, some with a turtle, some with an elephant, and they were indescribably funny.

At the same time, Su Qingyan and Xiao Xi couldn't help but pursed their lips and laughed.

“Ma De!”

Seeing that the three Yue Feng were not afraid, they were still able to laugh. The big man at the head couldn't help but scolded, “How dare you laugh? Quickly, take out all the valuables on your body.”

This person is Song Gang, is the leader of a small group of pirates in the waters near Donghai City. Speaking of which, after Yue Feng established Tianmen, he had rectified the coastal strength of Donghai City. Originally, there were no pirates.

It was only later that Hades caused chaos in Kyushu, and Tianmen had no time to take care of him, so there were many pirates near the coast of Donghai City.

robbery?

Seeing this, Yue Feng frowned and sneered: “You guys are so bold, do you know where this place is? Dare to rob here.”

Chapter 3773 The

voice fell, and Xiao Xi also said: “Do you know who he is? The former master of Tianmen, Yue Feng! The second young master of the Yue family.”

Yue Feng?

Hearing this, Song Gang and the surrounding companions were stunned for a moment, and then burst into laughter.

Haha... After laughing, Song Gang looked up and down at Yue Feng: “You are Yue Feng? I'm still the Supreme Being of Jiuzhou

. Who will I scare?”

At that time, in the Kyushu continent, no one knew it and no one knew it. It can be said that Yue Feng died three years ago, so how could he appear in Donghai City at this time?

Seeing that they didn't believe it, Yue Feng didn't bother to talk nonsense, and said lightly: “Whether you believe it or not, hurry up and stop messing with me!”

At the same time, Su Qingyan also said softly: “You guys, we have no money? “

No money?

Song Gang sneered and muttered, his eyes fell on Su Qingyan's sexy figure, and his eyes straightened instantly.

beautiful!

pretty!

Unexpectedly, in such a remote place, you can meet such a sexy beauty.

At this moment, the corner of Song Gang's mouth twitched, and he looked at Su Qingyan with a smile: "Beauty, since you have no money, then you can come with me, hehe, as long as you follow me, I promise not to treat you badly!"

While speaking, Song Gang seemed to be arrogant, but he kept his attention on the surroundings.

Two days ago, Song Gang and his men were robbing a cruise ship when suddenly a powerful figure appeared and subdued Song Gang's group. In the next two days, Song Gang's group was in the hands of that powerful figure. , suffered a lot.

Two hours ago, Song Gang's group escaped while the powerful man was sleeping. Passing through the Song family's ancestral hall, they happened to meet three Yue Feng coming out, and they wanted to take the opportunity to rob a sum of money.

Song Gang was lecherous by nature, and seeing Su Qingyan so beautiful, evil thoughts suddenly arose.

At this moment, several of Song Gang's accomplices also burst into laughter.

"Tsk tsk, Brother Gang, this girl is really energetic!"

"Brother Gang, this beauty is really suitable for our sister-in-law."

"Haha, Brother Gang is blessed today."

Hearing these words, Su Qingyan's face brightened Red, extremely embarrassed and angry.

"Go away with the special code!"

Yue Feng also frowned, couldn't help but shouted angrily, his whole body filled with energy!

Madd?

In an instant, Song Gang and everyone's eyes locked on Yue Feng.

The next second, Song Gang gave Yue Feng a disdainful look: "Boy, you don't need the money, hurry up! But this beauty has to stay!"

Yue Feng was too lazy to talk nonsense, and said coldly: "I'll say it again, get out!

"Germany, court death!

Song Gang was instantly angry, raised his hand and waved, and held a long knife tightly in his hands: "Boy, give you a chance, don't you, go to hell!" The

voice fell, Song Gang clenched the long knife and slashed directly at Yue Feng.

In Song Gang's heart, Yue Feng looked at the thin and weak, not burly at all, and there was no threat at all, but he didn't know that Yue Feng was hiding his breath.

hum!

In an instant, an aura of internal strength erupted from Song Gang's body. With a long knife in his hand, he carried a cold glow. He just wanted Yue Feng's neck to come. This Song Gang is a piece of Martial Emperor's strength. A piece of air was distorted, and the momentum was amazing.

Seeing Song Gang burst out, Yue Feng's eyes were full of contempt, and the strength in his body burst out instantly!

"Boom!"

Hearing an air vibration, Yue Feng slowly raised his hand and saw a crimson flame jumping out.

It is Tianque Lingyan.

Speaking of which, in dealing with a role like Song Gang, Yue Feng's use of the Heavenly Sparrow Spiritual Flame was completely overkill, but the other party made unkind words to Su Qingyan, and Yue Feng was so angry that he couldn't take care of so much.

Hiss...

what a weird flame? What skill is this?

Chapter 3774

What a strong breath!

At this moment, Song Gang's accomplices all froze in place, their bodies trembling, and their hearts were extremely shocked.

Feeling the scorching flames, Song Gang also froze there, sweating profusely, and wanted to turn around and run away, but his legs were weak and he could no longer obey.

“Huh!”

Yue Feng didn't talk nonsense, he raised his hand and waved, and the flames floated directly thinking of Song Gang.

The flame seemed to be very slow, but it was in front of Yue Feng in the blink of an eye.

“Ah...”

Song Gang didn't have time to dodge, and was instantly enveloped in flames. He heard a scream, Song Gang's whole person was on fire, and in less than a few seconds, Guo Gang was already a charred corpse. .

sky! Terrible fire.

Seeing this scene, Song Gang's accomplices all trembled, and couldn't help gasping for air!

This guy, seemingly unremarkable, has such a terrifying strength.

Could it be... is he really the legendary Yue Feng?

“Wow, that's amazing...”

Xiao Xi smiled and clapped her hands: “Master, the power of this flame is stronger than your previous Bai Lian Leng Huo. It's too powerful.”

Hearing Xiao Xi's words Admiring, Yue Feng smiled slightly.

In the next second, Yue Feng's eyes became gloomy, and he looked around at Song Gang's other accomplices, saying word by word, “Who else is dissatisfied, come up!”

Puff! poof...

Hearing this, all of Song Gang's accomplices felt chills down their spines, then looked at each other in dismay, and all knelt down, all trembling and not daring to breathe.

“Heroes, spare your life!”

“Forgive your life...”

“Could it be that Your Excellency is really Your Excellency Yue Feng, please forgive us for being blind...” The

boss Song Gang, who can't even stop the opponent's move, who dares to be presumptuous!

At this moment, Su Qingyan frowned, looking at these people, she couldn't help but wonder, “Who are you? Why are you robbing here?”

Huh!

Hearing the question, a guy who was kneeling in front of Su Qingyan quickly responded: “Reply to this lady, we were eating in the nearby sea area...”

Buzz!

Before the words were finished, a powerful breath came from the sea in the distance.

Immediately afterwards, a delicate and clear voice came: “Song Gang, you are so bold, you dare to escape while I am sleeping, do you think you can escape from the palm of this girl's hand? Get out immediately before I get angry. Come to me.” The

voice was nice, but it had a strong aura.

Done!

Hearing this voice, all Song Gang's accomplices were pale and slumped on the ground, as if the end of the world.

Such a deep inner strength.

At this moment, Yue Feng also frowned secretly, while looking at the direction of the sea, he saw a delicate and sexy figure coming quickly.

This figure is very fast. One second, it was hundreds of meters away, and the next second, it was right in front of him.

I go!

Seeing the other party's appearance, Yue Feng was stunned.

I saw a seventeen- or eighteen-year-old girl, wearing an emerald green short skirt, full of youthful breath, delicate facial features, and endearing, but in those eyes, there was a look of arrogance and arrogance. .

At first glance, it is not a master to be provoked.

At this time, the girl glanced at Yue Feng three times, then looked around, and said coldly: "Are you still running?"

As she was talking, when she saw Song Gang's body, the girl frowned: "Death Who killed my slave! Did you kill him?"

When the last word fell, the girl Yu raised her hand and pointed at Yue Feng.

Chapter 3775

Call!

In the face of the girl's questioning, Yue Feng looked indifferent: "This person is blocking the road and robbing, and he has no power, shouldn't he deserve to die?"

As he said, Yue Feng felt the girl's strength and was secretly surprised.

It turned out to be the late stage of the Tribulation Realm.

A girl who is less than twenty years old is even stronger than Dasheng. You must know that Sun Dasheng's realm at this time will not transition to the middle stage of catastrophe.

Swish!

Hearing this, the girl frowned, looked around at Song Gang's accomplices, and said coquettishly: "Okay, you escaped while I was sleeping, and you still dare to rob? It's really a dog can't change it..."

Pfft...

Feeling the girl's anger, Song Gang's accomplices were so frightened, they hurriedly knelt on the ground and begged for mercy.

"I don't dare, I don't dare."

"Miss Wushuang, please spare your life."

When begging for mercy, these people's faces were pale, obviously afraid of this girl, and they were afraid to the core. And this girl, named Nalan Wushuang, was the powerful figure who subdued Song Gang and his group a few days ago.

Seeing this scene, Su Qingyan and Xiao Xi were secretly amazed.

You know, all of Song Gang's companions, all of whom are ferocious, are not good stubborn, but they are so frightened by a girl, it is incredible.

At this time, Nalan Wushuang glared at a few people: "I'll settle the account with you when I go back."

After speaking, Nalan Wushuang's eyes fell on Yue Feng with a charming face: "Even if they are wrong, you will You can't kill people, you have to apologize to me for killing my slave."

The sound is crisp, but unmistakable.

What?

At this moment, Yue Feng was stunned there, both angry and funny.

This girl's tone is not small, and she still wants me to apologize to you?

Thinking of this, Yue Feng smiled slightly: "Little girl, your subordinates stole my money and was killed by me. He deserved it, why should I apologize?"

Hula...

As he was talking, he heard a voice not far away. There was a sound of footsteps, and I saw dozens of figures rushing over. These people, each with a sword and a sword, are of good strength.

When they got to the front, these people stood behind Nalan Wushuang, and they were extremely respectful.

These people are all pirates operating in the nearby coastal areas. In the past month, they have been subdued by Nalan Wushuang.

Phew...

Seeing the scene in front of them, these pirates were stunned.

The next second, a young woman came out and couldn't help but asked Nalan Wushuang, "Miss, why did Song Gang die?"

The woman looked in her twenties and wore a long pink dress. Sexy and charming, the strength is not weak, the fifth paragraph of Wuhuang.

This woman's name is Xiao Rong, and she is Nalan Wushuang's personal maid.

Over the years, due to the turbulent situation in Kyushu, the waters near Donghai City have spawned many pirate gangs, robbing merchant ships and bullying the people, making the nearby fishermen miserable.

And just a month ago, this girl named Nalan Wushuang suddenly came here, defeated the nearby pirate gangs one by one, and forced these pirates to be his slaves by cruel means.

No one knew where Nalan Wushuang came from or where he was trained, but only knew that she was very strong, and there was a maid named Xiao Rong by her side.

Hearing Xiao Rong's question, Nalan Wushuang let out a sigh of relief, then raised his chin and pointed at Yue Feng: "He killed him."

Shuh!

As soon as the words fell, whether it was Xiao Rong or the pirates around, their eyes suddenly converged on Yue Feng.

This person is so courageous, who dares to kill Miss Nalan.

The ultimate husband in Chinese chapter 3776-3780

Chapter 3776

Under the gazes of everyone, Yue Feng was not at all panic, and his face was calm.

It's just that there is some emotion in my heart. The girl in front of me is not only powerful, but she even recruited a group of pirates to be her subordinates, which is a bit interesting.

At this time, Xiao Xi couldn't help it, and said to Nalan Wushuang, "It's impossible to apologize, girl, do you know who he is? He is Yue Feng, the founder of Tianmen, and the hero of the Kyushu continent."

Yue Feng?

Hearing this, the surrounding pirates changed their faces and exclaimed.

"Tianmen Yuefeng?"

"It turned out to be him... No wonder he has such a special temperament."

"The two beside him are his confidantes, they are really beautiful..."

Exclamations kept coming, Nalan Wushuang also frowned, and couldn't help looking up and down at Yue Feng.

In the next second, Nalan Wushuang chuckled and said lightly: "What if you are Yue Feng? My people, there is someone I can teach you. You killed Song Gang, you must apologize to me.

"Nalan Wushuang glanced at Su Qingyan and Xiao Xi, and continued: "If you insist on refusing to apologize, just keep one of them and lose one life."

I went, my tone was not small.

Yue Feng frowned, looked at Nalan Wushuang, and couldn't help laughing: "Girl, you are young, but your tone is not small, I tell you clearly, I can't apologize, and I won't lose one life. My life."

With that, Yue Feng greeted Su Qingyan and the two, and turned to leave.

"Stop!"

This chapter is provided by . Visit for daily update.

Seeing this scene, Nalan Wushuang snorted, her figure flashed, and stopped in front of Yue Feng. At the same time, she raised her jade hand and hit Yue Feng's heart with a palm.

The little girl is very angry.

Seeing Nalan Wushuang's shot, Yue Feng frowned, and without any hesitation, he also slapped and greeted him.

boom!

Immediately, when the two of them touched their palms, they heard a dull vibration. Immediately afterwards, Nalan Wushuang was knocked back a few meters by the air.

And Yue Feng also took a few steps back. When he shot, Yue Feng did not use all his strength, otherwise, Nalan Wushuang would have been severely injured.

"You..."

Nalan Wushuang stabilized his delicate body and looked at Yue Feng with a bit of solemnity.

This Yue Feng is indeed a hero of Jiuzhou, and his strength is really strong. It can be said that since his debut, he has encountered the strongest opponent.

No one knew that Nalan Wushuang came from a secret cultivation sect, the Xia Yin sect.

Like the Bai family, Xia Yinzong has been out of the world for nearly ten thousand years. He never walks around in the rivers and lakes, and never asks about the rivers and lakes. Therefore, no one has ever known that there is such a sect.

Nalan Wushuang, as the leader of the younger generation of Xia Yinzong, is extremely talented and has an arrogant personality. At this time, when he encounters a strong opponent like Yue Feng, the fighting spirit in his heart is immediately aroused.

“Being known as the hero of Jiuzhou, there are indeed two times.” Nalan Wushuang looked at Yue Feng closely, with a bit of confidence on his delicate face: “Let me see how strong you are!”

Om!

The voice fell, Nalan Wushuang’s internal force exploded, and the surrounding air was instantly distorted.

Yue Feng shook his head: “You are not my opponent!”

“Stop talking nonsense, don’t fight me today, don’t think about leaving.” Nalan Wushuang said with a charming face: “Otherwise, you will apologize to me. “

Nima!

Yue Feng couldn’t help laughing and laughing. She is such a good girl, so why do you like to fight and fight?

Muttering in his heart, Yue Feng looked back at the Yue Family Ancestral Hall, and said helplessly: “Okay, since you have to fight, let’s go to a farther place.” The

voice fell, Yue Feng showed his figure, and went to the seaside not far away. .

Next to it is the ancestral hall of the Yue family, as well as the spiritual position of his mother. Yue Feng did not want to destroy the ancestral hall because of the fierce battle with Nalan Wushuang.

Chapter 3777

Nalan Wushuang did not hesitate, her delicate body flashed, followed Yue Feng, and headed towards the sea.

call!

Seeing this situation, Su Qingyan and Xiao Xi looked at each other and quickly chased after them.

Xiao Rong and the pirates were also very excited, and they moved their figures one after another, and followed closely behind.

Soon, at the seaside, Nalan Wushuang stood pretty on a rock and said to Yue Feng: "Yue Feng, if you worship later, from now on, you will be my servant."

Hearing this, Yue Feng couldn't help laughing: "It's really shameless, then if you lose, what would you say?"

"Who is shameless, not necessarily, if I lose, it's up to you!" Nalan Wushuang responded coldly, the moment the voice fell, the delicate body came straight towards Yue Feng like a shock.

interesting.

Seeing Nalan Wushuang so confident, the corners of Yue Feng's mouth twitched, his figure erupted, and he fought Nalan Wushuang in mid-air.

Speaking of which, Yue Feng planned to defeat Nalan Wushuang with one blow, but seeing that the other party was so arrogant and confident, he planned to play with her more.

Bang bang bang!

I saw the silhouettes of Yue Feng and Nalan Wushuang constantly shuttle in mid-air, and a breath of aura vibrated, constantly spreading out, causing the sea water to surge and huge waves to rise.

Huh...

Seeing this scene, all the pirates watching the battle not far away were extremely shocked, and at the same time couldn't help but whisper.

"It's rare to see this level of battle."

"I didn't expect that Miss Nalan would be so strong that she could fight against Yue Feng without losing..."

"You said, who will win later?"

When the pirates' comments came, Xiao Rong's beautiful face couldn't help but said, "Is this still a guess? Of course, the young lady can win." When she spoke, Xiao Rong looked confident.

You must know that Nalan Wushuang is an unparalleled genius of the Xia Yinzong for thousands of years.

Hearing this, Xiao Xi, who was not far away, couldn't help but pouted: "I'm quite confident!"

Su Qingyan smiled lightly: "I don't care about them, let's just watch."

At this time, in midair.

Nalan Wushuang's long dress was flying, extremely agile, like an immortal descending from the earth.

However, Nalan Wushuang at this time was not at all easy, on the contrary, the more he fought, the more frightened he became. She clearly saw that every time she attacked, it was dismissed by Yue Feng's understatement.

How could this be?

What shocked Nalan Wushuang even more was that he could not perceive Yue Feng's realm, and the other party was like a vast ocean, unfathomable.

"I can't help you!"

Nalan Wushuang was completely anxious after standing for a long time, his red lips lightly opened, and he uttered a few words coldly: "Frightening Finger!" The voice fell, and he quickly raised his jade hand, flicked his fingers, and I saw a dazzling light rushing towards Yue Feng.

This dazzling light is like a sharp arrow. Wherever it passes, the air is torn apart, and its power is amazing.

Frightening Finger, one of the top martial arts of Xia Yinzong, few people have been able to practice it for thousands of years, but once it is practiced, it is extremely powerful.

Um?

Yue Feng frowned, very surprised, this girl has deep internal strength, and the skills she uses are so special.

Muttering in his heart, Yue Feng calmly raised his hand and deployed a protective film in front of him.

Chi Chi...

The next second, the light hit the protective film and instantly collapsed.

What?

Seeing this scene, Nalan Wushuang's delicate body trembled, staring blankly at Yue Feng, shocked.

Impossible, his fright finger can penetrate everything and no one can stop it, but it was easily blocked by this Yue Feng with a protective film.

Chapter 3778

This is absolutely impossible.

At this time, Nalan Wushuang still didn't know that Yue Feng had Yuanshen and was no longer an ordinary person. It is very easy to block her fright fingers.

Seeing Nalan Wushuang's solemn face, Yue Feng smiled and said: "Girl, admit defeat, you are not my opponent!"

Nalan Wushuang bit his lip tightly and snorted: "I, Nalan Wushuang, never knew anything. It 's called admitting defeat." The

voice fell, Nalan Wushuang's delicate body trembled, and he came towards Yue Feng again.

Ugh!

Seeing her being so persistent, Yue Feng sighed secretly, turned around like a ghost, went around behind Nalan Wushuang, and slapped it out with a light palm.

After Yue Feng thought about it, he slapped Nalan Wushuang to the ground and ended the battle.

However, Nalan Wushuang reacted very quickly. Seeing Yue Feng's palm, he quickly moved his figure and flew up, preparing to avoid this palm, but Yue Feng's hand was like lightning, and he still did not avoid it in the end.

But unfortunately, because Nalan Wushuang's figure rose, Yue Feng's palm should have hit her on the back, but it turned out to be firmly slapped on her leg.

Snapped!

With a crisp sound, Yue Feng was stunned.

At the same time, Yue Feng couldn't help but admire the wonderful feeling.

At this moment, Nalan Wushuang trembled even more delicately, her delicate face was extremely red, and her heart was even more ashamed and angry.

This... this Yue Feng, actually hit his place.

In shame, Nalan Wushuang glared at Yue Feng, his eyes full of murderous intent.

“It’s shameless!”

Seeing this situation, Xiao Rong, who was watching the battle below, was also extremely angry, and couldn’t help but shouted coquettishly, “Just like this, he is still a hero of Kyushu, and his shot is so despicable.”

This Yue Feng, who is also a famous figure in Kyushu, actually shot the young lady. The place...

it’s abominable!

Whoa!

At the same time, the surrounding pirates also exploded in an instant.

“I’m going...”

“What’s the situation? What did I see just now?”

“Tsk tsk, I didn’t expect the world-famous Yue Feng to be...” The

voices of discussion kept coming, and Su Qingyan’s delicate face was also penetrating. With a bit of blush, I couldn’t tell the embarrassment.

She could see that Yue Feng didn’t do it on purpose, but being watched by so many people, he couldn’t make sense.

Xiao Xi was a little angry, and shouted at the pirates, “What nonsense are you talking about? The situation just now was very obvious. It was this Nalan Wushuang who didn’t avoid it, and was beaten by the son... in that place.”

However, no one listened to Xiao Xi’s words, and their eyes were all focused on the sky.

midair.

Nalan Wushuang pushed his figure and landed on a rock, glaring at Yue Feng, his face blushing: “Yue Feng, just like you, you are still called the hero of Kyushu? I think you are a rogue.”

Uh... ..

Feeling Nalan Wushuang's anger, Yue Feng scratched his head, also very embarrassed.

Nima, this is embarrassing.

But soon, Yue Feng reacted and tried his best to calm down: "It was an unintentional mistake just now, it can be said to be a coincidence, but then again, I made my debut earlier than you, so I can be regarded as your senior, and it's okay to slap you, even if It's to educate your junior."

Having said that, Yue Feng looked Nalan Wushuang up and down, and continued: "You little girl, relying on some skills, is arrogant, I will teach you a lesson today, so that you know that there is a heaven outside the sky."

"Bah!"

Hearing this, Nalan Wushuang was embarrassed and angry, and couldn't help spit: "Take advantage of me, and you are so grand, I think you are a scoundrel."

Chapter 3779

Oh!

Yue Feng was very helpless and smiled bitterly: "Girl, don't you know what's wrong, I have already controlled the power with that slap just now, otherwise, your ass has already bloomed, and you can still stand here and talk to me?"

" You..."

Hearing this, Nalan Wushuang's face was extremely red, and his delicate body trembled: "You shameless bastard, I have to kill you today!" The

voice fell, Nalan Wushuang's light figure With a swipe, he charged towards Yue Feng with astonishing energy.

Seeing Nalan Wushuang rushing towards him, Yue Feng shook his head. He didn't hold back at this time, and greeted him with a palm.

boom!

The palms of the two touched, and a dull vibration sounded. At this moment, Nalan Wushuang stepped back several steps in a row, her delicate body trembled, and her face was instantly ugly!

Yue Feng no longer released water, Nalan Wushuang was certainly not his opponent with that palm!

“You...”

Nalan Wushuang only felt stuffy in his chest, stabilized his figure, looked at Yue Feng in shock and anger, his face was full of incredible!

This.. how is this possible!

In an instant, this Yue Feng's strength was more than ten times stronger than before.

Could it be....he didn't do his best before?

What?

Seeing this scene, Xiao Rong, who was not far away, and the pirates were also stunned.

So soon to decide the winner? Before that...

At this time, Yue Feng showed a smile, looked at Nalan Wushuang and said lightly: “I said, you are not my opponent? It's getting late, and I won't play with you anymore.”

“We made a bet just now. If you lose, let me deal with it. You can tell what you say!”

Hearing this, Nalan Wushuang bit his lip tightly. What do you want?”

Yue Feng smiled: “Don't be nervous, I don't want your life, so let's call me a good brother, and forget the misunderstanding just now.”

Shuh!

Hearing this, Nalan Wushuang's delicate face turned red again, and at the same time, his eyes stared at Yue Feng coldly, ashamed and angry.

This Yue Feng, who just stood by himself as cheap, now wants to call him good brother...

How can there be such a shameless person?

At the same time, Xiao Rong and the pirates were also stunned.

This Yue Feng's condition is too casual, but then again, it's a bit shameless for Nalan Wushuang to call him a good brother.

As for Su Qingyan and Xiao Xi, they couldn't help but snicker.

We haven't seen each other for three years, but Yue Feng still likes to tease people so much.

At this time, seeing that Nalan Wushuang has been silent, Yue Feng smiled and said: "What? I was so confident before I started, but now that I lost, I don't recognize what I said?"

"You..."

Nalan Wushuang momentarily Angered, he finally bit his lip and whispered: "Good brother..." To

be honest, calling Yue Feng good brother, Nalan Wushuang felt ten thousand reluctance in his heart, but there was no way, he was willing to admit defeat.

After shouting this sentence, Nalan Wushuang stomped his feet, and then shouted at Xiao Rong and the pirates, "Let's go."

After walking a few steps, Nalan Wushuang looked back at Yue Feng and said coldly, "Yue Feng, I remember you. I will repay the humiliation you brought me today."

Hearing these threats, Yue Feng smiled slightly, not paying attention at all.

.....

On the other side, the Ouyang family.

In the hall, Wen Chou Chou and Sun Dasheng were sitting there drinking tea and chatting.

"Brother Wen, Fengzi sent a message back and said he was going to Donghai City to pay homage to his mother. It's been a few hours, why haven't you come back? Could something have happened, right?" Sun Dasheng took a sip of tea and was very worried. opening.

Chapter 3780

Call! Wen Chou Chou took a deep breath and also had a solemn expression on his face: "It's a bit strange. I will send someone to Donghai

City to check the situation.

"

: "There is a person outside the village who claims to be Bai Yunfei. I want to see the Palace Master!"

Bai Yunfei?

Hearing the name, Wen Chou Chou and Sun Da Sheng both frowned.

Never heard of this name.

Soon, Wen Chou Chou reacted and waved his hand: "No!"

Feng Zi didn't come back, Wen Chou Chou was very upset and was not in the mood to see anyone.

"Understood!" The butler responded and walked out quickly.

At this time, outside the gate of the Ouyang family manor.

A man and a woman stood there, the man was dressed in white, handsome and handsome, and the woman was charming and moving.

It was Bai Yunfei and Ji Hongshang.

After investigating Shenlong Island, Bai Yunfei guessed that the demon might be in the ghost world, and then he listened to Ji Hongshang's suggestion and came directly to the Ouyang family.

At this time, the housekeeper walked out quickly, and bowed his hands at Bai Yunfei: "I'm sorry, the Palace Master Wen is missing, please come back."

No?

After touching the door, Bai Yunfei frowned, feeling very unhappy in his heart. He immediately smiled and left with Ji Hongshang.

Soon, in the hotel room where he was resting, Bai Yunfei looked annoyed: "Ma De, this article is ugly and ugly." When he said this, Bai Yunfei's eyes were full of gloom.

At this time, Bai Yunfei wanted to break into the Ouyang family directly, forcing Wen Chou Chou to help him and explore the ghost world, but he still held back.

After all, the Ouyang family has a high reputation in the rivers and lakes. If the matter becomes a big one, it is impossible to guarantee that it will not be leaked out.

"Sect Master!"

At this moment, Ji Hongshang walked over and said, "Since Wen Chou Chou refuses to see him, we might as well start with someone close to him. As far as I know, Wen Chou Chou's son is called Wen Xiaoyu. , let me check the situation of this Wen Xiaoyu."

Hmm!

Hearing this, Bai Yunfei nodded: "Okay, you go to check."

Ji Hongshang responded, then walked out of the room and instructed the disciples of the Five Poison Sect to check Wen Xiaoyu's situation.

Half an hour later, Ji Hongshang returned to the room and said with a smile: "Sect Master, there is a clue, this Wen Xiaoyu talked about a girlfriend, a student of Zhongzhou University, named Xu Wan, the two have a good relationship, we can use it. This Xu Wan, grab Wen Xiaoyu, and use Wen Xiaoyu to threaten Wen Chou Chou."

"Okay!"

Bai Yunfei smiled and praised: "Very good, just do as you said."

...

.Night, Zhongzhou University .

Zhongzhou University is a well-known institution of higher learning in Diyu Continent. At this time, it was just after school time, and many students were seen pouring out of the school.

Next to the school gate, many luxury cars were parked, and many rich second-generations gathered together, chatting and laughing, while looking at the beautiful students who came in and out.

Phew...

At this moment, there was a burst of restlessness, and I saw a slender and charming figure walking out of the school gate slowly.

A floral dress, high ponytail, tall and charming, full of youthful and moving breath, it is Wen Xiaoyu's girlfriend, Xu Wan!

As soon as Xu Wan appeared, many of the second generation of rich people suddenly looked straight.

"I'm going, this beauty is on time."

"Yeah, she's going to kill her."

"I know this, her name is Xu Wan, and she is the girlfriend of the young master of the Changsheng Palace. We can't afford it." During the

discussion, Many rich second-generations have given up the idea of approaching and chatting up, joking, who dares to provoke the girlfriend of the Young Palace Master of the Palace of Longevity?

The ultimate husband in Chinese chapter 3781-3790

Chapter 3781

"I'm going!"

Just as these rich second-generations were discussing, I heard someone in the crowd exclaim, and then, I saw a slender and graceful figure appearing in front of everyone.

A deep burgundy dress, with light steps, exquisite curves, and delicate facial features, revealing a bit of charm, it is simply unbelievably beautiful.

It was Ji Hongshang.

Whoa!

As soon as Ji Hongshang appeared, the entire gate of Zhongzhou University exploded.

For a time, the eyes of everyone present would be focused on Ji Hongshang, especially the rich second generation, all of whom looked straight.

Beautiful, so sexy.

Is this a female teacher from Zhongzhou University? So beautiful.

"Tsk tsk..."

After a few seconds, several rich second-generations surrounded by the luxury car came over while laughing and admired Ji Hongshang up close. They were all playboy disciples in Zhongzhou City, relying on the family Back, lawless.

At this time, in the hearts of these rich second generation, Ji Hongshang in front of her should be a new female teacher from Zhongzhou University. She has no background, so she is even more unscrupulous.

Among these rich second-generations, the leading one had ear studs and looked at Ji Hongshang up and down. He was extremely arrogant and didn't care about so many students around him watching.

This person's name is He Yuan, and his family is in the logistics business. Seeing Ji Hongshang at this time, she was instantly fascinated.

"Oh, I didn't expect that there are such sexy beauties in Zhongzhou University!" While admiring Ji Hongshang, He Yuan laughed and laughed with his companions, his voice was particularly harsh.

This chapter is provided by . Visit for daily update.

The voice fell, and several companions beside him were booing!

“Yeah, we come every day, but we haven’t seen each other.”

“This beauty is really superb.”

“Haha, Brother Yuan, you’re going to be lucky today.”

When they said this, these rich second-generation did not care about Ji Hongshang at all. right in front of you.

Facing this situation, Ji Hongshang’s delicate face did not fluctuate at all.

Yes, she appeared at the entrance of Zhongzhou University with the purpose of Xu Wan.

It’s very cold.

Seeing that Ji Hongshang didn’t react at all, He Yuan became more enthusiastic, and walked up directly with a few companions, looking at Ji Hongshang with a smile:

“Beauty, dare to ask Fang’s name? It’s really fate that we can meet here. Ah, why don’t you find a place to have a few drinks?”

“Go away!”

Ji Hongshang frowned, spit out a word coldly, without even looking at He Yuan.

Where is the little bastard from, he really doesn’t have long eyes.

Um?

Hearing this, He Yuan and several of his companions were stunned.

This beauty is very hot.

At this time, hearing the movement here, the surrounding students, as well as Xu Wan, all looked towards this side.

Finally, He Yuan reacted and looked at Ji Hongshang with great interest: “Tsk tsk, the beauty of the personality is really straightforward, haha... My name is He Yuan, I...”

Before he finished speaking, he was interrupted .

“Snapped!”

I saw Ji Hongshang's jade hand raised, and the shot seemed light, but He Yuan couldn't dodge at all. Hearing a crisp sound, He Yuan's whole body was like a cannonball, and he flew out directly.

"Ah!"

He Yuan screamed in agony, flew out dozens of meters, and finally landed heavily on the ground, spit out several mouthfuls of blood, and then closed his eyes, not knowing his life or death!

What the hell!

Chapter 3782

Seeing this scene, several of He Yuan's companions are all straight with cold hair, their legs are weak, and they can't stand firmly. This beauty is actually a cultivator, and her strength is so powerful?

At the same time, the students who were watching the excitement around were also dumbfounded. They stared at Ji Hongshang without blinking, unable to say a word!

Xu Wan was also stunned, shocked.

This beauty is so powerful, but He Yuan and these dudes deserved it.

"Hello!"

Just when Xu Wan was muttering in her heart, Ji Hongshang slowly walked over, with a slight smile on her delicate face: "Girl, are you Xu Wan?"

Xu Wan was stunned. Nodding her head, "Yes!"

When she answered, Xu Wan was inexplicably nervous. She only felt that the woman in front of her had a strong aura.

Ji Hongshang smiled: "That's right, I'm a friend of Wen Xiaoyu, I want you to do me a favor, come with me!"

Friends?

Xu Wan frowned lightly, how could such a beautiful female friend never hear Wen Xiaoyu mention it?

Muttering in her heart, Xu Wan shook her head: "Sorry, I still have something to do." After speaking, she was about to turn around and leave. Xu Wan hasn't set foot in

society yet, but her intuition tells her that if she goes with the woman in front of her, bad things will happen.

Seeing this situation, Ji Hongshang didn't have time to think about it, she quickly caught up, raised her hand and touched Xu Wan's acupuncture point.

In an instant, Xu Wan's body trembled and she couldn't move.

Snapped!

At this time, Ji Hongshang snapped her fingers not far away, a car drove over quickly, and then a few people got off and put Xu Wan on the car.

All this happened so fast, the surrounding students didn't understand what was going on, and the car had already left the school gate.

At this point, in the car.

Xu Wan was tapped on the acupuncture point, unable to move at all, feeling extremely frightened and nervous.

"You..."

After a few seconds, Xu Wan endured the panic in her heart and stared at Ji Hongshang who was sitting in front: "You are not Wen Xiaoyu's friend, who are you? Why are you arresting me?"

Ji Hong Chang turned back, with a bit of slyness on his delicate face, and smiled slightly: "Don't be nervous, you will know when you get there, my name is Ji Hongshang, from the Five Poison Sect of Xi Cang Continent!"

Five Poison Sect ?

Hearing this, Xu Wan's heart trembled. Although she was still a student of Zhongzhou University, after becoming Wen Xiaoyu's girlfriend, Xu Wan also learned a lot about the world of Kyushu.

The Five Poison Sect is the first sect in the Western Cang Continent.

How could Wen Xiaoyu get involved with such a sect?

Thinking of this, Xu Wan's heart became even more nervous.

Unconsciously, the car drove for more than an hour.

When the car stopped, Ji Hongshang ordered someone to cover Xu Wan's face with a black cloth. Now, Xu Wan panicked even more. Ben was also thinking of finding an opportunity to send a message to Wen Xiaoyu, telling him his location, and asking him to save him, but now he is covered with a black cloth, and he has no idea where he is.

After being covered with a black cloth, Xu Wan was led by Ji Hongshang for more than ten minutes.

This...

Finally, when the black cloth on her face was taken off, Xu Wan was immediately flustered when she saw the environment in front of her.

I saw that there was a dilapidated cottage in front of me. As far as my eyes could see, there were wrecks everywhere. It was obviously abandoned for a long time. And around this cottage, there are many disciples of the Five Poison Sects guarding it.

Almost on guard.

What is this place? Will the other party kill people?

Seeing this, Xu Wan was nervous.

At this time, Xu Wan did not know that this abandoned valley was the former Valley of the Wicked. Yue Feng had just founded Tianmen and wiped out the Valley of the Wicked, forcing the leaders of the Valley of Wicked to surrender. Later, Yang Jian led the Northern Ying army to attack Zhongzhou. Shi, Yue Feng and the major sects also retreated to the Valley of the Wicked as their last resistance.

Now, a few years later, the place has become extremely desolate.

Chapter 3783

At this time, under the signal of Ji Hongshang, several disciples of the Five Poison Sect took Xu Wan to the dilapidated hall of the cottage.

In the hall, Bai Yunfei sat there leisurely.

"Sect Master, Wen Xiaoyu's girlfriend has been caught." Ji Hongshang said respectfully.

Bai Yunfei nodded, then looked up and down at Xu Wan, and showed a slight smile: "I didn't expect this kid to be so beautiful, the girlfriend he is looking for is so beautiful."

Huh...

Feeling Bai Yunfei's gaze, Xu Wan was confused. comfortable.

Xu Wan clearly felt that Bai Yunfei in front of her looked handsome and unrestrained, but there was a chilling evil spirit in those eyes.

Soon, Xu Wan reacted and asked Bai Yunfei: "You... Who are you?"

"It doesn't matter who I am?"

Bai Yunfei smiled indifferently, and said leisurely: "Girl, don't be nervous, I just want to use you to lure Wen Xiaoyu out, it won't hurt you!"

Said, Bai Yunfei gestured to Ji Hongshang: "It's up to you next."

Ji Hongshang nodded, then walked over to Ji Hongshang. In front of Xu Wan, she was about to take out the phone from her, and then brought Wen Xiaoyu over.

"Don't touch me..."

At this moment, Xu Wan was tapped on the acupuncture point and couldn't move, but she was so anxious that she shouted at Ji Hongshang: "You despicable villains want to harm Xiaoyu. Brother, I won't let you succeed." As

she spoke, Xu Wan spat at Ji Hongshang, trying to stop her from searching her body.

Ji Hongshang reacted quickly and stepped aside, but her anger was aroused.

"I don't know how to lift up!" The cold words came out of Ji Hongshang's mouth. As she spoke, she suddenly raised her right hand and slapped Xu Wan's face with a fierce slap!

"Crack!" A

crisp slap sounded, Xu Wan whispered, and the whole person took a few steps back and fell to the ground.

Bai Yunfei sat there, looking at him with a half-smile, without the slightest pity, now he just wanted to lead Wen Xiaoyu out as soon as possible, then controlled it, and finally threatened Wen Chou Chou. As for how Ji Hongshang treated Xu Wan, he didn't care at all.

At this time, Ji Hongshang found the mobile phone from Xu Wan, quickly found Wen Xiaoyu, and sent a message there.

Done.

Seeing this situation, Xu Wan's face was pale and completely desperate.

At the same time, I also prayed in my heart.

Brother Xiaoyu, don't come, don't come.

.....Zhongzhou

City, Longevity Hall Branch!

In the secret room, Wen Xiaoyu was sitting cross-legged and meditating. Originally, Wen Xiaoyu also lived in the Ouyang family. Later, in order to temper him, Wen Xiaoyu asked him to manage the branch in Zhongzhou City. Yu has always lived in the branch hall.

Recently, Wen Xiaoyu is cultivating the unique skills of the Hall of Longevity, and most of the time, he is in retreat.

Buzz...

At this moment, Wen Xiaoyu was completely immersed in the realm of cultivation, and suddenly, the mobile phone on his body vibrated.

Who is looking for me at this time?

Wen Xiaoyu frowned, and quickly took it out to take a look, and suddenly showed a smile, which was sent by Xu Wan.

Immediately, Wen Xiaoyu opened the message, and the whole person was blinded.

Just saw the news with only a short sentence: I am in the valley of the wicked in the north of Zhongzhou City, come and see me.

strangeness!

The Valley of the Wicked has been abandoned for many years, and it's still late at night. What is Xu Wan doing there?

Muttering in his heart, Wen Xiaoyu immediately called over, but what he didn't expect was that he heard the prompt tone of the other party's shutdown.

Chapter 3784

Shut down?

At this moment, Wen Xiaoyu had a bad premonition, sweating profusely, and stood up all of a sudden!

Afterwards, Wen Xiaoyu quickly walked out of the secret room, and rushed over directly thinking of the direction of the Valley of the Wicked.

.....

At this moment, in the Valley of the Wicked.

Ji Hongshang took Xu Wan's mobile phone, and after sending a message to Wen Xiaoyu, she destroyed the phone directly.

Seeing this situation, Xu Wan was frightened and angry, and kept shouting.

"It's too noisy!"

Bai Yunfei was upset by the noise, and waved at Ji Hongshang: "Take her out, that Wen Xiaoyu will come and notify me when he appears."

"Yes!" Ji Hongshang responded and quickly He ordered his subordinates to drag Xu Wan out.

When they got outside, under Ji Hongshang's signal, several disciples of the Five Poison Sect tied Xu Wan to a big tree.

"You..."

At this time, Xu Wan, panicked and angry, still kept shouting at Ji Hongshang: "You vicious woman, if you want to harm Brother Xiaoyu, you will not succeed.

" You'd better let me go, otherwise, Brother Xiaoyu won't let you go."

Xu Wan's shouts kept coming, Ji Hongshang frowned, and she was extremely irritable, and scolded coldly: "You give I shut up!" The sect master was resting in the hall and disturbed him, and he couldn't bear it.

However, Xu Wan had lost her mind at this time and did not listen at all.

"I can't keep my mouth shut, you kidnapped me, and you want me to shut up, is it a guilty conscience?" Xu Wan looked at Ji Hongshang fearlessly and retorted coldly.

At this time, Xu Wan's heart was much calmer than before.

The other party arrested him in order to lure Brother Xiaoyu out, so they wouldn't treat themselves like that before Brother Xiaoyu appeared.

"Okay!"

Seeing Xu Wan's fearless face, Ji Hongshang's mouth twitched, revealing a sneer: "I can't tell, you are a delicate female student, you are quite courageous, and dare to shout at me."

With that said, Ji Hongshang turned her hand over, and saw something fluffy in the palm of her hand.

hiss!

Seeing that thing, Xu Wan's body trembled, and she couldn't help taking a deep breath.

In the palm of Ji Hongshang's hand, there was a large black spider, and he saw that the spider was ten centimeters in size, with a dark body, but there was a scarlet in the eyes.

Obviously, this spider is highly poisonous.

"You..."

After a few seconds, Xu Wan reacted and looked at Ji Hongshang in panic: "What are you doing?"

"What are you doing?"

Ji Hongshang's delicate face was full of teasing: "You Isn't it very courageous? I will let you taste the taste of the evil spider, and tell you, this evil spider is a special poisonous insect raised by our five poisonous sects. When bitten, the whole body will be paralyzed, and then the skin will fester and change. People are not like people, and ghosts are not like ghosts."

"Since you are so strong, let's give it a try."

When she said this, Ji Hongshang's eyes flashed with revenge.

Ji Hongshang could not forget the tragic death of her sister, and although Xu Wan in front of her was not a direct relative of Yue Feng, Wen Xiaoyu's father, Wen Chou Chou, was his sworn elder brother, so Xu Wan and Yue Feng in front of her could be regarded as Affectionate.

In a short period of time, he couldn't kill Yue Feng to avenge his sister, so he took this Xu Wan to vent his anger.

Anyway, if she was bitten by the Evil Sky Spider, she would only become ugly, and she would not die, and it would not affect tonight's plan.

What?

Hearing this, Xu Wan's delicate body trembled, and she stared at the evil spider in Ji Hongshang's hands, sweating all over her body: "Don't come here, don't come here..."

Chapter 3785

Ji Hongshang chuckled, looked at Xu Wan and

said coldly: "Now you know what you're afraid of? It's too late!" With that, Ji Hongshang took the evil spider and walked step by step.

Seeing Ji Hongshang approaching step by step, Xu Wan's pretty face turned pale, completely desperate, and tears poured out!

Being bitten by this Evil Sky Spider, it is better to die directly.

In desperation, Xu Wan bit her lip tightly, closed her eyes, tears kept falling from her face and wet her long skirt.

"Don't blame me..."

Seeing this situation, Ji Hongshang's beautiful face was full of coldness: "Who told you to be disobedient? Also, I'm not afraid to tell you that the reason why I treat you like this is completely because of Yue Feng, if he hadn't forced my sister to take Tongtian Pill a few years ago, my sister wouldn't have been poisoned to death."

"Your boyfriend, called Uncle Yue Feng, you are also a family, so you If you want to blame, then blame Yue Feng." As the

voice fell, Ji Hongshang suddenly made a jade hand, and saw the evil spider jumped out of her palm and came directly towards Xu Wan's face.

Xu Wan closed her eyes, looked at the sword in Ji Hongshang's hand, and stabbed it suddenly, she was completely desperate!

"Stop, you dare to hurt her, I will kill you!"

At this critical moment, a loud roar sounded, followed by a stream of light lasing like lightning, hitting the evil spider in the middle.

slap!

The Evil Sky Spider was hit by the streamer and shattered instantly, turning into a lump of flesh.

Immediately afterwards, the streamer was also stuck on the tree trunk next to it, and it was a dagger.

Whoosh!

At this time, a figure descended from the sky, the figure was tall and straight, and the facial features were handsome and cold, it was Wen Xiaoyu.

After receiving the news before, he found that Xu Wan's phone was turned off. Wen Xiaoyu didn't dare to stop for a while, and rushed to the Valley of the Wicked. As soon as he arrived at the Valley of the Wicked, he happened to see Ji Hongshang using the evil spider to deal with Xu Wan.

"Brother Xiaoyu!"

Seeing Wen Xiaoyu appearing, Xu Wan was extremely overjoyed and couldn't help but let out a coquettish cry.

At the same time, Xu Wan did not forget to remind: "This woman is very powerful, be careful!"

Wen Xiaoyu nodded, and then comforted: "Wan'er, don't be afraid, there is me." With the appearance of being tied up with five flowers, the anger in his heart is rising.

"Who are you?"

In anger, Wen Xiaoyu stared at Ji Hongshang with blood-red eyes, and shouted angrily: "I don't know you, why did you kidnap my girlfriend? If you don't give me a satisfactory answer today, don't want to leave here alive."

"Haha!"

Feeling Wen Xiaoyu's anger, Ji Hongshang did not panic at all, and said lightly: "Thank you for being the young master of the Hall of Longevity, and you don't even know me? Tell you, I am Ji Hongshang, the suzerain of the Five Poison Sect!"

While saying this, Ji Hongshang was shocked when she sensed Wen Xiaoyu's strength.

This kid, his grade is not over twenty years old, his strength is... It's already in the early stage of Transcending Tribulation Realm!

"What about the Five Poison Sect? Provoking me will result in death!"

Wen Xiaoyu's face filled with suffocation, and after shouting angrily, the figure erupted, directly thinking of Ji Hongshang coming.

Seeing Wen Xiaoyu rushing in, Ji Hongshang sneered, rose up, and fought fiercely with Wen Xiaoyu in midair.

bang bang bang...

I saw the figures of the two people constantly shuttle in mid-air, causing the surrounding air to be extremely distorted.

Speaking of which, Ji Hongshang is much older than Wen Xiaoyu, and her cultivation background is deeper than Wen Xiaoyu. However, Wen Xiaoyu has recently practiced the technique of moving flowers and trees, and her moves are ever-changing, which makes Ji Hongshang very headache.

Ten minutes later, Ji Hongshang was still unable to suppress Wen Xiaoyu.

The ultimate husband in Chinese chapter 3786-3790

Chapter 3786

“This is Wen Xiaoyu’s son?”

At this moment, a faint voice. Immediately afterwards, a handsome figure walked out slowly, with a bit of coldness on his handsome face.

It was Bai Yunfei.

Seeing Baiyun flying out, Ji Hongshang’s delicate body flashed, she withdrew from the battle circle, and landed gently on the ground.

Wen Xiaoyu also landed on the ground, his eyes fixed on Bai Yunfei: “Who are you?”

When he said this, Wen Xiaoyu’s face was solemn, because he clearly felt that the handsome man in front of him was filled with aura, Unfathomable.

“My name is Bai Yunfei!” Bai Yunfei said with a leisurely expression, “I planned what happened tonight.”

“So you are the mastermind!” Wen Xiaoyu snorted coldly, without the slightest nonsense. Holding a long sword, he stabbed directly towards Baiyunfei.

To be honest, Wen Xiaoyu didn’t want to be so reckless, sensing Bai Yunfei’s unfathomable strength, but he had no choice, his girlfriend was still tied up, and he had to seize the opportunity.

“Haha...”

Feeling the power of this sword, Bai Yunfei’s mouth twitched, his face full of contempt: “Boy, even if your father is here, I don’t care about it, even with your strength, you dare to Showing off in front of me?”

The moment the voice fell, a powerful aura burst out from Bai Yunfei's body, and then his figure rose into the air.

hum!

The next second, Bai Yunfei waved his right hand, and a palm shadow burst out. He saw that this palm shadow was condensed by a powerful force, and the surrounding air was completely distorted wherever it passed!

Such a strong breath.

This chapter is provided by . Visit for daily update.

At this moment, Wen Xiaoyu's face changed greatly, and then all his internal power burst out, condensing on the long sword, trying to defeat Bai Yunfei's palm shadow.

"Brother Xiaoyu, be careful!"

Seeing this scene, Xu Wan was inexplicably panicked.

In the next second, Wen Xiaoyu held a long sword and collided with the palm shadow in mid-air. He saw that Wen Xiaoyu's long sword did not break the palm shadow. On the contrary, the long sword in his hand shattered directly, and Wen Xiaoyu's entire body shattered. The man was also slapped to the ground by the shadow of the palm.

boom!

The moment Wen Xiaoyu's figure slammed into the ground, a loud noise erupted, and in an instant, the entire Valley of the Wicked was filled with dust and smoke.

"Brother Xiaoyu."

Xu Wan was worried and heartache again, and couldn't help crying.

Ji Hongshang, who was standing not far away, and the surrounding disciples of the Five Poison Sect were extremely excited, looking at the figure of Bai Yunfei in the air, full of reverence.

The sect master is really amazing. In today's Kyushu, there should be no one who can match it, except for Luo Jue of the Heavenly Dao Alliance.

Especially Ji Hongshang, with a strange brilliance in his eyes.

With such a strong backer, are you afraid that you won't be able to kill Yue Feng?

After more than ten seconds, the dust and smoke gradually dissipated, and a large pit with a diameter of more than ten meters appeared in front of everyone. At the bottom of the pit, Wen Xiaoyu was lying there, his face was pale, and blood was overflowing from his mouth.

Obviously, Bai Yunfei's palm shadow just now completely injured him.

Whoosh!

At this time, Bai Yunfei slowly descended from the air, landed steadily on the ground, and then walked to Wen Xiaoyu step by step.

"I.."

At this time, Wen Xiaoyu endured the pain all over his body and stared at Bai Yunfei, shocked and unwilling to say: "I don't know you, why do you want to plot against me?"

Bai Yunfei smiled slightly: "I'm not trying to deal with you, but there are some things that require your father's help. It's a pity that he refused to see me, so I had to start with you!"

Chapter 3787 The

voice fell, Bai Yunfei took out a blood-red bead from his body, and saw that the bead was translucent, and there was a small black bug in it.

The next second, Bai Yunfei clicked on Wen Xiaoyu's acupuncture point and stuffed the beads into his mouth.

Gudong!

Before Wen Xiaoyu could react, the beads had already been swallowed into his stomach.

"You... what did you give me to eat?" Wen Xiaoyu couldn't help asking, shocked and angry.

Bai Yunfei looked indifferent: "The thing you swallowed just now is called the soul-devouring blood worm, after swallowing it, it will penetrate into your brain, fuse with your essence and blood, and use your essence and blood as the "

And I can completely control this soul-eating bloodworm, as long as you obey me, I will keep you safe, otherwise, this soul-eating bloodworm will drain your blood."

"I advise you not to try to expel it, because it is fused with your blood essence and cannot be expelled. Understand?"

Soul Eater Bloodworm?

Hearing these words, Wen Xiaoyu was shocked and his whole body was cold.

Such a strange name must be extremely terrifying, but... I have been in the arena for several years, why have I never heard of this kind of thing?

At this time, Wen Xiaoyu didn't know that the soul-eating bloodworm was cultivated by Bai Yunfei with the blood of the devil's soul.

A few seconds later, Wen Xiaoyu glared at Bai Yunfei, gritted his teeth and said, "You want me to work for you? Stop daydreaming. Even if I die, I won't be your lackey.

"Xiao Yu was about to bite his tongue and commit suicide.

In Wen Xiaoyu's heart, his father Wen Chou Chou is a famous hero in the world, and he has to be like his father, standing in the sky, how can he surrender to Bai Yunfei at this time?

Pa...

Bai Yunfei seemed to expect Wen Xiaoyu to do this, so he reached out and snapped his fingers.

At the moment when his fingers snapped, Wen Xiaoyu only felt a buzzing sound in his brain, and his whole body was instantly paralyzed, and he couldn't even obey his tongue.

Obviously, Bai Yunfei motivated the soul-devouring bloodworm.

"In my hands, life and death are under my control." Bai Yunfei looked at Wen Xiaoyu with a half-smile, and his tone was unquestionable: "I want you to die before you can die."

With that, Bai Yunfei's figure flashed, When he got to Xu Wan, he took out another bead with a soul-eating bloodworm and force-feed her to swallow it.

"You..." Swallowing the

soul-devouring blood worm, Xu Wan's delicate body trembled, and her face was extremely pale.

At the same time, Wen Xiaoyu's face changed greatly, and he howled at Bai Yunfei: "Bastard, you have to force me, just come at me, why are you feeding her poisonous insects?"

Bai Yunfei chuckled: "Don't do this. , how can I force you to submit?"

"I know, you are strong and strong, and you are not afraid of death, but you don't want to see with your own eyes, your girlfriend has become a human, a ghost, right?" The

last sentence Bai Yunfei said it very leisurely, but it gave people a shuddering feeling.

Xu Wan was terrified, her legs were weak, and she felt that she could not stand still. She looked at Wen Xiaoyu for help: "Brother Xiaoyu..."

Xu Wan was in her youth, and she loved beauty the most, and couldn't imagine herself The scene of the skin festering all over.

call!

Facing Xu Wan's terrified eyes, Wen Xiaoyu gritted her teeth secretly, and fell into a fierce struggle in her heart.

If you don't agree, you can preserve your reputation.

Chapter 3788 If

you don't accept softness, Wan'er will suffer inhuman pain.

"Okay!"

After a few minutes, Wen Xiaoyu finally compromised, looked at Bai Yunfei and said, "What do you want me to do for you?"

Seriously, to surrender to Bai Yunfei, Wen Xiaoyu resisted in a thousand ways. .

But there is no way, the lives of himself and his girlfriend are in the other's hands, it's nothing to die, but Xu Wan can't be implicated.

"Sure enough, there is love and righteousness."

Seeing that he finally agreed, Bai Yunfei showed a smile and said lightly: "What I want you to do is very simple. Your father, Wen Chou Chou, used to be the messenger of Hades, and there is a piece that symbolizes the messenger of Hades. The ghost token of identity, I want you to quietly take this ghost token and give it to me."

When he said this, Bai Yunfei seemed relaxed, but his eyes flashed with a little urgency.

You must know that the ghost token is the symbol of the messenger of the Pluto. With this thing, even ordinary people can freely enter the ghost world and avoid the investigation of the underworld soldiers.

Speaking of which, with Bai Yunfei's strength, he can directly break into the ghost world. Even Bing Yao can't stop him, but if he does, he can't hide the matter of possessing a demon soul.

Ghost token?

Hearing this, Wen Xiaoyu was shocked, and looked at Bai Yunfei blankly, speechless.

Of course, Wen Xiaoyu knew that his father, Wen Chou Chou, had been the messenger of Hades and treasured a token of the ghost world, but that token, the place where Wen Chou Chou hid was very hidden, and it was not easy to find it.

"Boy!"

Seeing that he was silent, Bai Yunfei said coldly: "I will give you ten days, within ten days, if I can't see the ghost token, what will be the consequences, you know better than me, understand?"

"Understood!" Wen Xiaoyu nodded, reluctantly, but at this time, he had no choice.

.....

On the other side, God's Domain!

In the Palace of Heaven, the God of Nine Heavens is sitting on the throne, sipping wine leisurely.

In the open space in the hall, more than a dozen fairies were dancing gracefully. The surrounding musicians were playing soft music, and the atmosphere was peaceful.

Since the ancestor of the Great Desolation appeared, he first dealt with the affairs of the demon clan, and then sealed the Demon Lord Gone. The hidden dangers of the gods were completely eliminated. In this case, the Nine Heavens God had no worries and was relaxed.

"Your Majesty."

At this moment, I saw a figure, walked quickly into the hall, and knelt there with a complicated expression.

It was Luo Jue.

Seeing Luo Jue, Jiutian God frowned, raised his hand to signal the dancing fairies to step back, and then asked, "Luo Jue, didn't I ask you to rectify the situation in Kyushu? Why did you come back?"

Although Luo Jue has no power Ao Qiang, but resourceful and experienced, is the most valued subordinate of Jiutian God. This time, Jiutian God also placed high hopes on rectifying the situation in Kyushu.

“Your Majesty!”

Luo Jue knelt there with a complicated look on his face, and responded, “Your Majesty, I created the Heavenly Dao Alliance in the Kyushu Continent, intending to unify the rivers and lakes of Kyushu. Afterwards, I talked to my subordinates alone and made a lot of rules for me.”

“As soon as Xuansheng Jiutian intervened, many things of his subordinates could not be carried out smoothly. Therefore, this subordinate returned to God’s Domain this time, just wanted to ask His Majesty, the people of Kyushu. The affairs, the subordinates are going according to their own plans, or obey the Nine Heavens Profound Sage.”

It was that Yue Feng again.

Hearing this, Jiutian God frowned and his face became gloomy.

When it comes to Yue Feng, the Nine Heavens God is full of fire.

Chapter 3789

This Yue Feng first entered the realm of the gods by mistake, then impersonated himself, and then released the demon clan from the sealed land to besiege the Yutian Palace, and at that time, he could kill Yue Feng immediately, but in At a critical moment, Master Honghuang Patriarch appeared. The master not only helped Yue Feng to speak, but also sealed him as the Nine Heavens Profound Sage.

But now, when Yue Feng returned to Kyushu, he interfered in Luo Jue’s affairs.

Luo Jue is his own person, and he can be regarded as the imperial commissioner sent by God Domain to Kyushu. Yue Feng is pointing fingers at him, but he doesn’t take himself seriously.

Thinking to himself, the Nine Heavens God slowly said: “Then Yue Feng, it was only because of good luck that he was named the Nine Heavens Profound Sage by my master. This Nine Heavens Profound Sage is just a false name and has no real power.

” Just follow your own plan, don’t pay attention to that Yue Feng. Do you understand?”

When he said the last sentence, there was no wavering on Jiutian God’s face.

Huh...

Hearing this, Luo Jue's originally gloomy mood suddenly relaxed, showing a smile, and quickly said: "This subordinate understands."

This time when he returned to God's Domain, Luo Jue just wanted the attitude of Jiutian God. You know, when he learned that Yue Feng was the Nine Heavens Profound Sage, Luo Jue was very puzzled. He didn't understand why a human being could have such a respected identity.

But now, from the words of the Nine Heavens God, Luo Jue clearly felt that His Majesty did not appreciate this Yue Feng, on the contrary, there was a strong disgust in his words.

Knowing this, Luo Jue had a bottom line.

At this time, Luo Jue thought of something, hesitated, and asked, "Your Majesty, what if Yue Feng objected to the plan drawn up by your subordinates?"

"Resourceful, there should be a way."

Saying that, Jiutian God thought of something, and continued: "By the way, after you return to Kyushu, start to investigate Xuanyuan's sins. As far as I know, after Xuanyuan's death, his subordinates' desires and sins were hidden. Get up."

Xuanyuan Yuxie?

Hearing this, Luo Jue was stunned.

Tens of thousands of years ago, gods and humans coexisted in the same world. Later, gods assigned rank and discriminated against humans. At that time, Emperor Xuanyuan, the emperor of the human race, led humans to compete with gods.

However, the result of the confrontation ended in the failure of mankind.

And Xuanyuan has also become a thorn in the eyes of God's Domain.

Later, the whole world was divided into three realms, namely the realm of gods, the realm of human beings, and the realm of ghosts, completely dividing the gods from the human beings.

Because of this, the human beings headed by Xuanyuan have always been dissatisfied, but there was a war in the human world at that time, first the Chiyu war, and then the Rakshasa rebellion.

After the end of the human war, God's Domain took advantage of the time when humans were recuperating and sent divine soldiers and generals to launch a raid. In that raid, Xuanyuan was killed and his subordinates were killed and injured countless

times, but there was still a residual force that escaped the pursuit of God's Domain. Kill and hide.

As the most capable subordinate of Jiutian God, Luo Jue was very aware of this past event, but he did not expect that Jiutian God could still remember it after so long.

"Your Majesty, your subordinates must do their best to find out the whereabouts of Xuanyuan Yuxie." Luo Jue said seriously.

Um!

Jiutian God nodded with satisfaction and waved his hand: "Go, there are so many affairs in Kyushu, you can't be delayed."

"Yes, Your Majesty!"

Luo Jue did not dare to neglect, and hurriedly responded, and then withdrew from Yutian Palace.

.....

Foggy Mountain.

Wuying Mountain is located in the Yellow Sea Continent, at the junction with the Zhongyuan Continent. This mountain range stretches for thousands of miles. There is a huge canyon in the middle. The canyon is surrounded by fog all year round, so it is named Wuying Mountain.

The foggy shadow mountain area has a complex environment and few people.

Chapter 3790

However, the world does not know that in the fog-shrouded canyon, there is an antique pavilion and pavilion.

Xia Yinzong was established by Xuanyuan's subordinates back then.

For nearly 10,000 years, Xia Yinzong has produced many strong people, but because of indifference to fame and fortune, he has never set foot in the arena.

The current suzerain of the Xia Yin sect has been passed down for eighty-eight generations, and the current suzerain is a strange woman: Nalan Qing.

Nalan Qing, the mother of Nalan Wushuang.

At this moment, in the hall of Xia Yinzong.

Nalan sat there quietly, looking carefully, she was only in her thirties. She was wearing a pale yellow long qin. She had a compact body and a dignified temperament. She looked like a fairy in the sky.

And the whole body is filled with a terrifying aura.

At this time, if there are people from the rivers and lakes of Kyushu present, they will definitely be shocked, because this Nalanqing has surpassed the realm of transcending tribulation and has reached the realm of soaring.

It stands to reason that with her current state, she has broken the void and entered the realm of the gods, but Nalanqing still remains in the human world.

On the chairs on both sides under Nalanqing, a few elders sat there, each with immortal style and strength.

The elders with the lowest strength are also in the middle stage of Transcending Tribulation Realm.

You must know that Xia Yinzong was established by Xuanyuan's subordinates. Because of its hostile relationship with God's Domain, its strength has reached the point of soaring, and it is unwilling to enter God's Domain.

Although Xia Yinzong has not set foot in the rivers and lakes for thousands of years, he has been paying close attention to the situation in Kyushu.

In the past two months, God's Domain sent messengers to establish the Heavenly Dao Alliance in Kyushu. Knowing this at the time, Nalanqing thought about it again and again, and finally decided to let his daughter Nalan Wushuang investigate the situation.

Now, Nalan Wushuang has been away for a month, and no news has been sent back. Nalan Qing was concerned and called the elders to discuss.

"Sect Master!"

At this moment, an elder stood up and comforted: "Miss Xiao Rong is with her, Xiao Rong is calm, and with her by her side, Miss should be fine."

Hearing this, the other elders They also nodded in agreement.

"Yeah, and the young lady is talented and intelligent, and her strength is outstanding. Even if she encounters danger, she can turn a bad luck into a good one .

"

Wushuang is young, and despite his outstanding strength, he has no experience in the arena after all. Moreover, it is said that the messenger of the gods, Luo Jue, has a very insidious method. Even the Qinglong family was subdued by him. It's a secret plan."

When he said this, Nalanqing's beautiful face could not hide the worry.

"Mother!"

Just as he was talking, he heard a crisp cry from outside the hall, and then, two slim figures walked in quickly.

It was Nalan Wushuang and Xiao Rong.

"Miss!"

"Miss is back."

Seeing Nalan Wushuang coming back, all the elders present were overjoyed, showing loving eyes one by one.

These elders watched Nalan Wushuang grow up, and in their hearts, they were like granddaughters.

At the same time, Nalan Qing was also overjoyed, stood up and said, "Wushuang, you are back." After saying that, he waved his hand and motioned for Nalan Wushuang to sit beside him.

Chapter 3791

“Mother!”

Nalan Wushuang came over and sat down, holding Nalan Qing’s arm in a coquettish gesture: “I’m back, I miss you so much.”

“I was still with a few elders just now . What about you?” Nalanqing raised his hand, touched Nalan Wushuang’s head lightly, and smiled, “I’m relieved to see that you’re all right.” After

speaking, Nalanqing asked, “You go out. After more than a month, I found out what happened to the Tiandao Alliance?”

Nalan Wushuang tilted his head and thought, and responded, “After the Tiandao Alliance forced the Qinglong clan to surrender, they held a celebration banquet and hosted all the sects in Jiuzhou Jianghu. I wanted to participate in order to establish prestige. I heard that after the banquet, many sects joined the Tiandao Alliance.”

“Also, at the banquet, there was a person named Bai Yunfei who competed with that Luo Jue, and the two sides fought. It became a tie.”

Bai Yunfei?

Hearing this, both Nalanqing and the elders were stunned.

How powerful is a human being? He was able to tie with Luo Jue.

At this time, Nalan Wushuang continued: “By the way, my daughter, in addition to inquiring about the situation of the Tiandao Alliance, has also done a lot of good things to eliminate violence and peace. When I was in Diyuan Continent, I subdued a lot of people who oppressed the people. Pirates. Those pirates, under my rectification, each one is more honest...” The

voice fell, and Xiao Rong also laughed and said: “Yes, Miss, during this time, she has done a lot of heroic deeds. Where’s my son?”

“Really?”

Nalanqing smiled very gratified, nodded approvingly: “Wushuang really grew up.”

Then, Nalanqing asked: “By the way, besides these, is there anything else? In other cases, or, have you run into trouble?”

trouble?

This chapter is provided by . Visit for daily update.

Hearing the question, Nalan Wushuang frowned, thinking of Yue Feng at once, and a bit of shame and anger appeared on her delicate face.

Seeing her expression, Nalanqing hurriedly asked, "Are you really in trouble?"

"No!"

Nalan Wushuang sighed lightly, shook his head and said, "It's just that I met a rogue."

Rogue?

Nalan Qing was stunned.

At this time, Nalan Wushuang did not hide it, and told the story of the fight with Yue Feng in detail. Of course, he didn't say anything about being spanked by Yue Feng. After all, there are a few elders around, how can he be ashamed to say it?

At the end, Nalan Wushuang said angrily: "Mother, that Yue Feng is too hateful. He calls himself the hero of Kyushu and the founder of Tianmen, but his mouth is full of seriousness!" The

voice fell, and Xiao Rong couldn't help but answer: "Yes Ah, when Yue Feng and the young lady were fighting, he was frivolous and frivolous, and he was a total scoundrel!"

Phew...

Knowing this, Nalan Qing frowned, and several elders were also talking about it.

"I've often heard that Yue Feng is a hero who stands tall in the sky, but I didn't expect it to be such a person." "The hero of Kyushu is just a person who seeks fame

and deceives the world

."

When the elder's discussion came, Nalanqing sat there, his expression did not fluctuate at all, and said coldly: "That Yue Feng, is it really so excessive, when he was competing with you, he spoke humiliatingly?"

"It's true." Nalan Wushuang Taking a long sigh of relief, he nodded in response.

Thinking of the scene where he was taken advantage of by Yue Feng, Nalan Wushuang trembled with anger.

The next second, Nalan Wushuang hugged Nalan Qing's jade arm tightly and shook it gently: "Daughter, I really can't swallow this breath. You must let me out." "

Okay, okay!"

With the same request, Nalanqing smiled and nodded and said, "My mother will give you this tone."

After saying that, Nalanqing looked around and said to the elders, "The development of the Heavenly Dao League is so fast, let's Xia Yinzong can't sit still, what do you think?"

Chapter 3792 The

voice fell, and several elders responded.

"Yes, if you wait until the Heavenly Dao Alliance completely controls the Jiuzhou rivers and lakes, everything will be too late!"

"Yes, when the Tiandao Alliance takes control of the Jiuzhou rivers and lakes, we will find out sooner or later. At that time, Xia Yinzong will have no hiding place.

" It is better to plan ahead instead of sitting still."

Hearing this, Nalanqing nodded: "Since everyone agrees, starting from tomorrow, our Xia Yinzong will start to get involved in the arena. By the way, we will arrange it immediately. I want to meet that person. Yue Feng."

"Yes, Sect Master!" Several elders responded in unison.

.....

Ouyang family.

In the hall, Yue Feng, Wen Chou Chou, Sun Dasheng, and Ren Yingying all the daughters sat there, sipping tea leisurely, and the atmosphere was indescribably warm.

There have been a lot of good things recently. Not only did Yue Feng return from the God's Domain unharmed, but he also brought Xiao Xi back from the Heavenly Dao Alliance safely. For a time, the entire Ouyang family was beaming with joy.

"Master!" At this moment, the housekeeper walked over quickly and respectfully said to Yue Feng: "The messenger of the Hades, come here to see you!" The

messenger of the Underworld?

Yue Feng frowned, nodded and said, "Please come in!" The

housekeeper responded and walked out quickly.

After a while, I saw a man wearing a black robe walking slowly into the hall, his body was filled with a gloomy aura, it was Yuan Kun, the messenger sent by Bing Yao.

"Everyone is polite!"

When they arrived in the hall, Yuan Kun clasped his fists at Wen Chou Chou and bowed.

Immediately, Yuan Kun said politely to Yue Feng: "I am under the order of His Majesty Pluto. I have something important to report to Your Excellency Yue Feng. Can you

talk about it separately?"

Yue Feng was stunned for a moment, and then he thought of what might be the matter of the Demon Lord Gone, and nodded: "Okay, please follow me to the back."

The matter of the Demon Lord Gone is no trivial matter. Don't let Brother Wen and the others know about it for the time being. good.

Soon, in the study room in the backyard, Yue Feng asked, "What's the matter?"

Yuan Kun took a deep breath and took out Bing Yao's handwritten letter: "Your Excellency Yue Feng, you'll know after reading it."

Phew!

Yue Feng took a deep breath, unfolded the letter and read it, and was stunned.

I saw that the letter read: Demon Lord Gone was trying to break free from the sealed magic mirror, which caused a strong shock in the depths of the netherworld. Not only that, Demon Lord Gone also threatened that his subordinates would soon enter the ghost world and save him. get out of trouble.

Does the Demon Lord Gone still have the remnants of his subordinates?

After reading the letter, Yue Feng looked solemn and looked at Yuan Kun and said, "What else do you have to say to Pluto?" Yuan Kun

thought for a while, then said slowly, "Your Majesty asked me to tell Your Majesty Yue Feng, Demon Lord Gone. It's no trivial matter, and since the Demon Lord Gone said

that, it may not be groundless. Perhaps, outside the ghost realm, there really is a remnant of the devil.”

“Your Majesty hopes that Your Excellency Yue Feng can send someone to Kyushu. Let’s investigate on the mainland. See if you can find the whereabouts of Demon Lord Gone’s subordinates, and take precautions before they happen.”

Hearing this, Yue Feng nodded: “Okay, I understand.

” That’s it.” Yuan Kun stood up, cupped his hands at Yue Feng, and turned to leave.

Nima!

As soon as his forefoot left, Yue Feng sat on the study chair with a confused look on his face.

Demon Lord Gone’s subordinates, what are the characteristics and what they look like, I don’t know anything, how can I find out.

Chapter 3793

However, since it is the subordinate of Demon Venerable, it must be different from ordinary people, especially in appearance, it must be very different from human beings.

Muttering in his heart, Yue Feng walked out of the study and returned to the hall.

When they got to the hall, Wen Chou Chou and Sun Dasheng went to the secret room to practice, leaving only Ren Yingying and Su Qingyan’s daughters chatting there.

“Yue Feng!”

Seeing Yue Feng coming back, Ren Yingying couldn’t help but ask: “Is there something wrong with the sudden visit of the messenger of Hades?”

“Nothing!”

Yue Feng smiled and said casually: “The recent situation in Kyushu Change, Bingyao reminded me, be careful with that Luo Jue.” The matter of Demon Lord Gone cannot be said for the time being, so he can only make up a reason to prevaricate it.

Hearing this, Ren Yingying didn’t ask any more questions.

Afterwards, Yue Feng chatted with the girls. After chatting for a while, Xiao Xi suddenly thought of something and said to Yue Feng, “Young Master, you have been away for three years, I don’t know how much Zhongzhou City has changed.”

“By the way, I just heard from the disciples outside that the antique market in Zhongzhou has just opened, and the young master likes antiques the most, do you want to go and have a look and relax?” Are

there any antique markets in Zhongzhou?

Hearing this, Yue Feng showed a smile and nodded: “Okay, let’s go take a look later.”

After speaking, Yue Feng turned to Ren Yingying and said, “Do you want to go?”

Ren Yingying smiled . : “I won’t go, I’m not interested in antiques, let’s let Qingyan come with you.” The

voice fell, Xiao Yuruo said: “Don’t go shopping for too long, remember to come back for dinner.”

Yue Feng nodded. , went to change clothes.

Ten minutes later, Yue Feng, Su Qingyan, and Xiao Xi walked out of the Ouyang Family Manor and went to the downtown area of Zhongzhou City.

At this time, it was dusk, and I saw that the street was crowded with people, and it was very lively.

The three Yue Feng were particularly eye-catching in the crowd.

Su Qingyan is sexy and charming.

Xiao Xi is young and energetic.

The two of them walking together are simply a beautiful landscape.

At this time, Xiao Xi was so excited that she hadn’t been shopping with Yue Feng for a long time.

“Young Master... Sister Qingyan, the three of us haven’t been like this for a long time. I still remember that when we were in Tianqi Continent, we fell to the bottom of the volcano together! Later, the son merged with Bailian Lenghuo and created his own exercises. Later , As soon as we came out from the bottom of the volcano, we visited the Tianqi Imperial City, alas, I miss those years.”

“Xiao Xi, you have a good memory, but although the memories are good, they are not bad now!”

“Yes!”

The three talked and laughed along the way, and soon, they arrived at the antique market.

Phew...

The moment he entered the antiques market, and seeing the scene in front of him, Yue Feng couldn't help taking a deep breath, and his mood was indescribably comfortable.

I saw that the newly opened Antique Street in front of me occupies an entire main road. There are many antique shops on both sides, and the roadside is also full of stalls. In Yue Feng's memory, Fenglin Street in Donghai City is the largest in scale. There is a street of antiques, and this one is even more prosperous than Fenglin Street.

At the same time, seeing such a bustling Antique Street, Xiao Xi and Su Qingyan also became interested in an instant.

As soon as the three of Yue Feng appeared, they instantly became the focus of the entire Antique Street!

Of course, all eyes were focused on Su Qingyan and Xiao Xi.

Xiao Xi is wearing a yellow short skirt, her figure is petite and exquisite, bright and moving.

Su Qingyan, on the other hand, was wearing a long purple dress, which showed her perfect and charming figure incisively and vividly, looking dignified and sexy. The almost S-shaped curve made the eyes of many men present straight.

Chapter 3794

"Beautiful, two beautiful women."

"These two seem to be from the Ouyang family..."

"Really? No wonder they are so outstanding."

While many men were amazed by Su Qingyan, they looked at Yue Feng's eyes also revealed a bit of envy and jealousy.

"Who is this man?"

"I don't know...."

"He looks pretty decent, but this outfit is obviously not a big man, and he can make the two beauties of the Ouyang family accompany each other. It's really not long. Eyes." During the

discussion, no one recognized Yue Feng, let alone that this man was the hero who once saved the situation in Kyushu. You must know that Yue Feng was involved in the vortex of chaos three years ago, and his life and death are unknown since then.

And these three years are enough for these ordinary people to forget Yue Feng's deeds completely.

The surrounding discussions kept coming, Yue Feng looked indifferent and didn't take it to heart at all.

Su Qingyan and Xiao Xi also looked as usual, and they were not uncomfortable because of the gazes around them. On the contrary, they had long been accustomed to this kind of attention.

"I'm going..."

At this moment, someone in the crowd shouted, and then there was a restlessness around, and all eyes were directed towards the entrance of Antique Street.

I saw two slim figures, accompanied by several bodyguards, slowly walked in. These bodyguards, wearing uniform black suits and sunglasses, are very stylish.

And the two women were even more energetic.

One of them, looking in his thirties, was dressed in black business attire, stepped on high heels, and was filled with the momentum of a business boss. He had a wavy shawl and a delicate face, which was indescribably sexy.

It is the president of Estee Group, Chen Shishi.

The other, around the age of 20, was wearing a long black dress and had beautiful facial features, but there was a bit of arrogance between his brows.

This girl is Chen Shishi's cousin, Chen Ting.

Speaking of which, Chen Shishi is not interested in this kind of antique street, but her cousin Chen Ting likes antiques very much. When she learned that the antique street in Zhongzhou opened today, she pulled Chen Shishi softly and hard.

Whoa!

As soon as Chen Shishi appeared, the entire Antique Street was incomparably shaken.

You must know that a few years ago, Estée Group was a big company in the entire Diyu Continent, and its cosmetics were sought after by almost all young women.

In the past few years, the Estee Group has continued to grow and expanded, and branches have opened all over the continent of Kyushu. It can be said that if there is a list of the richest people in the continent of Kyushu, Chen Shishi is definitely in the top five.

At this time, this powerful woman in the business world, who is extremely wealthy, came to Antique Street, how could it not make people shocked?

For a time, the eyes of the whole street were focused on Chen Shishi and Chen Ting, and they all became stupid.

Many men have difficulty breathing, this Chen Shishi's aura is simply too strong. So attractive! Although she is only a woman, her aura is enough to overwhelm all the men present!

Only Yue Feng looked indifferent.

However, Yue Feng was also very surprised when he saw Chen Shishi.

Is it her?

I haven't seen each other for a few years, and this Chen Shishi is even more charming.

"Let me go!" After entering Antique Street, several bodyguards guarded Chen Shishi in the middle, constantly dispersing people who were in the way. This row of faces was like a big star appearing.

However, no one dared to question them, and they all gave way. Only the three Yue Feng were still standing in place.

"Hey!"

One of the bodyguards locked Yue Feng tightly and said coldly, "Let's go, don't you understand?"

Chapter 3795

Yue Feng smiled and did not respond, but looked at Chen Shishi with a smile on his face.

Mad!

Seeing Yue Feng's eyes, who kept staring at the boss, the bodyguard suddenly became angry: "Boy, where are you looking at?" He

raised his fist, and was about to teach Yue Feng a lesson.

At the same time, Chen Ting also noticed Yue Feng's gaze and kept staring at her cousin. She frowned and muttered contemptuously: "Where is the poverty? It's really unruly."

Chen Ting just graduated from college, Relying on Chen Shishi's relationship, he is arrogant, considers himself superior, and does not put ordinary people in his eyes at all.

At this time, in Chen Ting's eyes, Yue Feng was a poor man, and it was disgusting to dare to look directly at his cousin with such eyes.

Whoa!

Seeing the situation here, the surrounding passers-by also talked a lot.

"This kid dares to stand in the way of Chen Shishi, is he tired of living?"

"Yeah, it seems unfortunate to look at others with this kind of eyes."

Under the discussion, no one sympathized with Yue Feng, thinking that he deserved it.

"Stop!"

Seeing the bodyguard's fist, he was about to hit Zhong Yuefeng, and at this critical moment, Chen Shishi suddenly let out a coquettish cry. The next second, Chen Shishi stepped on her high heels and walked quickly to Yue Feng, unable to hide her excitement, she said

respectfully, "Second Young Master, is it you? Is it really you?"

Almost cried with joy.

Three years ago, the news that Yue Feng was involved in the vortex of chaos spread, and Chen Shishi was very sad at that time. You must know that when he was the owner of Yue Feng, Chen Shishi opened the company. It can be said that without Yue Feng, there would be no Chen Shishi today. .

In order to cherish the memory of Yue Feng, for three years, Chen Shishi had enshrined the portrait of Yue Feng in his office, but at this time, he suddenly saw Yue Feng appear alive in front of him, why was he unhappy?

When I first met, Yue Feng was still the second young master of the Yue family. Although Chen Shishi was still used to being called the second young master, despite all these years.

What?

Second Young Master?

Seeing this scene, both Chen Ting and the passers-by around were stunned.

what's going on? Chen Shishi, who is in the shopping mall, is so respectful to this man, and he even calls him the second young master? What is this man's identity?

Feeling Chen Shishi's excitement, Yue Feng smiled slightly: "It's me. Chen Shishi, long time no see."

"That's great!"

Hearing Yue Feng's voice, Chen Shishi was overjoyed, happy like a little girl: "I'll just wait a minute. Call Li Heihu, Xiang Riyue and the others, if they know that the second young master is still alive, they will be so happy that they won't be able to sleep."

At this time, the bodyguard who was about to act just now was completely stupid.

The person in front of you is Yue Feng? Tianmen Sect Master, Jiuzhou Hero...

"In front of the Second Young Master, you can't be unruly!" Chen Shishi breathed a sigh of relief, and said to several bodyguards: "All retreat."

"Yes." Several bodyguards were terrified, quickly stepped aside.

At this time, Yue Feng pulled Su Qingyan and Xiao Xi to his side, and introduced with a smile: "These two are Su Qingyan and Xiao Xi, both of whom are my confidantes."

"This is Chen Shishi, the president of Ase Group."

After hearing the introduction, Su Qingyan and Xiao Xi both smiled and nodded at Chen Shishi.

Chen Shishi's delicate face showed a bit of politeness: "I have heard the names of the two young ladies, but I have never seen them before. I was fortunate to see them today, and they are indeed peerless youth, one is more beautiful than the other."

"Sister! "

The ultimate husband in Chinese chapter 3796-3800

Chapter 3796

was talking, and an indifferent voice sounded next to him: "He is Yue Feng, there is nothing special about him."

It was Chen Ting.

When speaking, Chen Ting looked up and down at Yue Feng, with unconcealed contempt in her eyes.

Of course Chen Ting has heard of Yue Feng, especially in Chen Shishi's mouth, he has heard a lot about Yue Feng's deeds, but seeing Yue Feng at this time, Chen Ting is a little disappointed.

The Yue Feng in front of him was dressed just like an ordinary person. Even if he looked a little more outstanding, he didn't seem to have anything special, and it was far from what he imagined.

"Chen Ting!"

Chen Shishi frowned slightly, and said displeasedly, "Don't be rude."

Chen Ting stuck out her tongue and didn't speak, but her expression was very reluctant.

Immediately, Chen Shishi smiled bitterly at Yue Feng: "Second Young Master, this is my cousin Chen Ting, who has just graduated from college and is young and ignorant. Don't take it offense."

Yue Feng waved his hand and said with a smile, "It's okay."

He It can be seen that this Chen Ting is still very young, just set foot in the society, so she doesn't care.

At this time, Chen Shishi thought of something, and he stopped talking: "Second Young Master, you are very accomplished in antiques, why don't you help me find an antique later, okay?"

Then, Chen Shishi directed at Su Qingyan and He Xiao Xi said apologetically: "Two young ladies, I won't delay the second young master too much time."

When he said this, Chen Shishi's eyes were full of expectations.

Chen Shishi admires Yue Feng very much. In her heart, she dreams that Yue Feng will help her choose an antique. You must know that the antique that Yue Feng likes can never be fake. More importantly, it is very memorable.

Su Qingyan and Xiao Xi looked at each other and nodded with a smile.

"Of course you can!"

“You asked the young master to help you choose antiques, but you found the right person.”

After saying this, Su Qingyan smiled at Yue Feng and said softly, “Yue Feng, since President Chen said so, you can help her pick out an antique, Xiaoxi and I will go shopping first.” With

that, Su Qingyan took Xiaoxi and walked towards an antique shop not far away.

Su Qingyan Bingxue is smart and very understanding. She could see that Chen Shishi was a little uncomfortable with Xiao Xi on the side, so she simply took Xiao Xi to go shopping first.

call!

Seeing this scene, Yue Feng smiled and had no choice but to nod at Chen Shishi: “Okay, I’ll pick one for you later.”

Hearing this, Chen Shishi was very excited and nodded again and again.

Chen Ting, who was next to him, disagreed and couldn’t help but said, “Sister, he’s just a junkie, does he understand antiques?”

In Chen Ting’s mind, the practitioners who walk around the rivers and lakes are all rude people, so how could they know antiques? calligraphy?

Chen Shishi didn’t respond, but glared at her.

Chen Ting stopped talking, but her face was a little unconvinced.

Feeling Chen Ting’s contempt, Yue Feng just pretended that he didn’t see it, chatting with Chen Shishi while walking and visiting the antiques on the roadside stalls.

“Come here to see, they are all good things.”

“Calligraphy and painting jade, everything is fine...”

“Handsome guy, come and see...”

Every stall, those stalls, are extremely enthusiastic greeting.

However, Yue Feng just glanced at it slightly and didn’t stop at all.

In a blink of an eye, the stalls in the entire Antique Street were almost finished. Chen Ting looked at Yue Feng and couldn’t help rolling her eyes and said, “There are so many stalls, but I haven’t picked any of them. I think you really don’t understand.”

Chapter 3797

“Chen Ting!” Chen Shishi frowned.

Yue Feng smiled and looked at Chen Ting seriously: “You are still too young to know how deep the water is on the antique street, let me tell you, there are many fakes in the antique street like this just opened, so Be cautious. Do you understand?”

Seeing his old-fashioned attitude, Chen Ting pouted in disdain: “According to you, the things on these stalls are not real?”

Yue Feng smiled and stopped talking. , keep going.

Um?

Just after walking a few steps, Yue Feng stopped at a booth.

This booth is full of porcelain, blue-and-white porcelain, Jun porcelain, everything, all of them are colorful and dazzling.

Chen Shishi was excited, and there must be something good that can make the second young master stop.

Chen Ting also stood there, and began to admire the porcelain on the stall. The porcelain on this stall was beautifully shaped, and there should be real things.

“My friend, I have all the good stuff here, let’s take a look!” At this time, the stall owner also stood up and greeted warmly.

Yue Feng nodded, glanced around, and pointed to an inconspicuous jade bottle in the corner of the booth: “How much

is this?” He saw that the jade bottle was light blue, not very smooth, and the mouth of the bottle was still There was a small gap, and it was tattered compared to the bright china around it.

What?

At this moment, Chen Ting was stunned and couldn’t help but said, “You picked this thing for a long time?”

With so many porcelains around, picking any one is better than this one.

What a vision.

“My friend has good eyesight.” The

stall owner was also stunned for a while, and then said out loudly: "This thing is sold here by my friend. I just dug it out..."

Yue Feng interrupted him directly and asked, "Don't say so much, how much is it?"

No one could see this bottle, but Yue Feng recognized it at a glance, it was Yuan. Although the bottle mouth is flawed, it does not affect its own value. If it is placed at an auction, it will cost at least tens of millions.

More importantly, things from official kilns in the Yuan Dynasty are extremely rare, so they are of great collection value.

This.... The

stall owner scratched his head, pondered, and said, "Fifty thousand!"

When answering, the stall owner's face was sincere, but his eyes flashed treacherous.

This jade bottle was collected by the stall owner for thousands of dollars the day before yesterday. At that time, an expert was found, but the result could not be identified. In desperation, it had to be left in the corner of the stall. Unexpectedly, Yue Feng's attention at this time is accompanied by the beautiful president Chen Shishi. Of course, he will make a fortune.

"Fifty thousand?"

As soon as she finished speaking, Chen Ting couldn't help shouting, "Is this broken bottle worth fifty thousand?"

Chen Ting said to Yue Feng, "Do you understand antiques? It took me a long time to choose. , just pick such a broken bottle?"

Yue Feng looked indifferent and ignored it.

Chen Shishi couldn't help but pull Chen Ting: "Don't talk, the second young master knows!"

At this time, Yue Feng smiled at Chen Shishi: "That's it, pay! The antiques are selected for you, I'll go. Find them."

When the words fell, Yue Feng said goodbye to Chen Shishi, and turned to look for Su Qingyan and Xiao Xi.

Chen Shishi did not hesitate, and immediately paid the stall owner.

"Sister!"

Chen Ting stomped her feet in a hurry: "You just believe in Yue Feng, is this broken bottle worth 50,000 yuan?"

"Second Young Master, don't recognize me as a cousin in the future!" When

Yue Feng was present just now, Chen Shishi didn't feel good, but now Yue Feng was gone, and he couldn't bear it any longer.

This cousin is so ignorant.

Chapter 3798

After saying this, Chen Shishi took the jade bottle, turned around and left.

Chen Ting was stunned for a moment, and quickly chased after: "Sister, wait for me..."

...

On the other hand, Su Qingyan and Xiao Xi finished shopping at the street stalls and entered an antique shop.

This shop is very large and decorated in antique style. Walking in it, there is a feeling of going through ancient and modern times, and it has a strong sense of history.

The two walked around, Su Qingyan was attracted by a jade fan, and asked the boss, "How much is this?" The

boss hurried up and introduced attentively: "This beautiful lady, you have such a good eye. , This jade fan is something of the court of the Song Dynasty, you look at the carvings, it is beautiful, it will open on the first day today, I will give you a preferential price, two million!"

Hearing this, Su Qingyan raised her eyebrows. Moaning lightly, he picked up the jade fan and looked at it.

The jade fan is very beautiful, but it is difficult to say that it is not from the Song Dynasty. You must know that Su Qingyan is from Dongao Continent and doesn't know much about the history of Diyu Continent.

Next to Xiao Xi, she couldn't help but said, "Two million is so expensive."

"Aiya! Isn't this Miss Qingyan?"

Just as she was talking, she heard a surprised sound from outside the door, followed by , a handsome figure walked in slowly.

Dressed in white, he is unspeakably handsome.

It was Bai Yunfei.

A day ago, Bai Yunfei forced Wen Xiaoyu to surrender and let him steal Wen Chou Chou's ghost token for ten days. During these ten days, Bai Yunfei temporarily stayed in a hotel in Zhongzhou City. Today, he was bored and came out alone. Turning around, I didn't expect to see Su Qingyan as soon as I entered an antique store.

Walking into the store, Bai Yunfei looked at Su Qingyan with a smile: "Miss Qingyan, we are really destined to meet again."

At the Celebration Banquet of Tiandao Alliance, Bai Yunfei admired Su Qingyan at first sight, and then it was almost a dream, but now that I met it again, I couldn't be more excited.

To be honest, Bai Yunfei knew that Su Qingyan was Yue Feng's woman at this time, but Bai Yunfei didn't care about this, he only knew that the woman he liked must be caught.

Bai Yunfei?

Seeing Bai Yunfei, Su Qingyan frowned, and she was both surprised and disgusted.

Although Bai Yunfei was very powerful, he was contemptuous of Yue Feng at the Celebration Banquet of the Heavenly Dao Alliance, so Su Qingyan did not have the slightest affection for him.

Feeling Su Qingyan's indifference, Bai Yunfei didn't care at all and said with a smile, "Since Miss Qingyan likes this jade fan, why don't I buy it for you."

Help me buy it?

Su Qingyan was stunned for a moment, and she refused without thinking: "Thank you, no need!"

She is Yue Feng's woman, how can she let other men send gifts?

Seeing Su Qingyan's refusal, Bai Yunfei looked serious: "Miss Qingyan, why are you being so polite? I can see that you like this jade fan very much. I will buy it for you. It is also the beauty of an adult.

"A good opportunity, how could it be missed?"

"It's really not necessary." Su Qingyan replied lightly, and then put the jade fan back into the distance.

At the same time, Xiao Xi couldn't bear it anymore, and said to Bai Yunfei: "You are so strange, Sister Qingyan said that she didn't need it, why are you still entangled? Besides, we are not short of these two. Millions, if you really want to buy it, you don't need to pay for it."

Xiao Xi Bingxue was smart and could see at a glance that the man in front of him wanted to pursue Sister Qingyan.

Hearing this, Bai Yunfei didn't care, and his eyes were always on Su Qingyan.

"Miss Qingyan!" Bai Yunfei showed a harmless smile and said sincerely: "I have no other intentions, I just want to be friends with you."

"I..."

Su Qingyan bit gently lips, not knowing how to respond.

"Light smoke!"

At this moment, a faint voice sounded outside the door: "Since he is so sincere, let him buy it." The voice fell, and a cold figure walked in slowly.

It was Yue Feng.

Chapter 3799

"Young Master!"

Seeing Yue Feng appear, Xiao Xi let out a coquettish cry, walked over to hold Yue Feng's arm, and said, "This person seems to be plotting against Sister Qingyan, you have to be careful."

After saying this, Xiao Xi did not forget to stare at Bai Yunfei.

Haha...

Hearing this, Yue Feng showed a smile and reached out to touch Xiao Xi's head.

After so many years, Xiao Xi is still so cute.

The next second, Yue Feng's eyes fell on Bai Yunfei, and he said lightly, "Bai Yunfei, stay safe."

When he said this, Yue Feng's smile did not show any signs of Bai Yunfei's pursuit of Su Qingyan. A little dissatisfied, on the contrary, Yue Feng is very calm.

You know, Yue Feng and Su Qingyan have gone through several years of ups and downs, and they lived and died together. It can be said that they are more in love than Jin Jian, so Yue Feng is not worried at all that Su Qingyan will betray him.

mad.

At this moment, Bai Yunfei frowned, and the originally good mood suddenly turned bad.

I thought I could take the opportunity to get in touch with Su Qingyan this time, but I never thought that at a critical moment, Yue Feng appeared.

It's really a sight to behold.

Thinking to himself, Bai Yunfei squeezed out a smile and made a free and easy look: "It turned out to be Yue Feng, huh, don't be ill, I passed by here by accident just now, and saw Miss Qingyan admiring the jade fan, I immediately Come in and have a look."

Immediately, Bai Yunfei's eyes fell on Su Qingyan, and he said sincerely: "I met Miss Qingyan right away and wanted to make friends, so I planned to sell this jade fan and give it to Miss Qingyan."

After saying this, Bai Yunfei took out a card from his body and threw it directly to the shop owner: "Wife, please wrap it up!"

Alright!

The owner of the store was very happy, so he hurriedly swiped his card. It just opened today and sold two million. Can you be unhappy?

At this time, Bai Yunfei looked at Su Qingyan and said in a pleasing manner, "Miss Qingyan, I sincerely want to make you a friend. I have already bought the jade fan, I hope you will not refuse it!"

Bai Yunfei glanced at the corner of his eyes as he spoke. He glanced at Yue Feng, showing a bit of contempt.

He was just the former Sect Master of Tianmen, and his reputation has long since ceased to exist. How could he be able to let Miss Qingyan, who is so beautiful and fragrant, accompany her? Today, no matter what, we must win the favor of beautiful women.

Bai Yunfei held his own strength and didn't take Yue Feng into his eyes at all, so he blatantly ignored Yue Feng when he was by his side.

Ha ha...

Seeing this, Yue Feng secretly sneered.

This Bai Yunfei is so confident. He dares to stand in my way and show his favor to Qingyan. If I don't teach you a lesson later, how can I stand in Kyushu in the future?

At this time, in the face of Bai Yunfei's favor, Su Qingyan's delicate face also flashed a trace of impatience.

"Yue Feng..." Su Qingyan gently pulled Yue Feng: "Look..."

Before she could finish speaking, Yue Feng smiled slightly, hugged Su Qingyan's fragrant shoulders, and said lightly: "Qingyan Yan, since this brother Bai is so sincere, you should accept this gift." As he

spoke, Yue Feng glanced at Bai Yunfei and said with a half-smile, "I spend two million to buy a fake, such a great deal, I still think it's the first time I've seen you!"

At this moment, Yue Feng, looking at Bai Yunfei, couldn't hide his mockery.

Yes, the moment he came in, Yue Feng could see that the jade fan was not a product of the Song Dynasty court at all, but a fake made by later generations, but the counterfeiting skills were very sophisticated, and ordinary people could not see it at all.

But who is Yue Feng? When he was the second young master of the Yue family, he was taught by Kang Lianping, a master of Chinese studies, and his accomplishments in antiques almost looked down upon the entire Diyu Continent.

Therefore, Bai Yunfei had to spend two million to buy this jade fan for Su Qingyan, but Yue Feng did not object.

Chapter 3800

Since the other party is going to take advantage of it, give him this opportunity, it's not his own money anyway.

Phew...

At this moment, Su Qingyan secretly breathed a sigh of relief, and there was a smile on her face. Speaking of which, when Yue Feng asked her to accept this gift, Su Qingyan was very unhappy.

I'm your woman, and you're making me accept gifts from other men. It's a shame.

But at this time, Su Qingyan was instantly relieved after learning from Yue Feng that the jade fan was fake. She was talented and intelligent, and immediately understood that Yue Feng was deliberately playing tricks on Bai Yunfei by doing this.

Swish!

Hearing Yue Feng's words, Bai Yunfei's face changed, and a trace of anger flashed in his eyes.

Mad, this Yue Feng dared to mock himself, saying that the jade fan he bought was fake?

Especially seeing Yue Feng's hand holding Su Qingyan's fragrant shoulder all the time, Bai Yunfei's heart was full of disgust, and his anger grew even stronger.

A guy without fame, dare to mock me? court death.

Thinking to himself, Bai Yunfei resisted his anger and sneered: "Yue Feng, do you think the jade fan I bought is fake? It's really interesting, how could such a big store sell fake products?"

"Miss Qingyan likes this . Jade fan, if you can't afford it, you deliberately say it's fake, right?"

After saying the last sentence, Bai Yunfei looked contemptuous.

Yue Feng smiled without saying a word.

At this moment, hearing the movement here, many people gathered around the door, watching the excitement one by one curiously.

"I'm going, what's the situation?"

"The one who was accompanied by two beauties was the former Tianmen Sect Master Yue Feng?"

"Who's on the other side? He looks so handsome, and he's so rich, he actually spent two million to buy a jade fan..."

"I'm rich, but on the first day when Antique Street opened, antiques were mixed. , I don't know if this jade fan is genuine?"

Seeing a lot of people outside the door, Bai Yunfei didn't panic at all, but showed a smile. The more people, the better. When Yue Feng loses face, his reputation will plummet.

Muttering in his heart, Bai Yunfei looked at Yue Feng with a smile that was not a smile: "Yue Feng, if you don't say anything, just admit that you were talking nonsense just now. Well, if you can buy this jade fan for two million, I have nothing else to do. In other words, leave immediately!"

Let me buy it?

Hearing this, Yue Feng couldn't help laughing, and said lightly: "I'm not sick, why should I spend two million to buy a fake?"

With Yue Feng's current status, money is no longer important, he said Get up, what Su Qingyan likes, no matter if it's true or not, let alone two million, Yue Feng won't frown, but when it comes to Bai Yunfei, it's different.

After all, this is the dignity of a man.

"You..."

Bai Yunfei's face became gloomy, and his eyes flashed coldly.

This Yue Feng, actually scolded me for being out of my mind? At this moment, the shop owner finished swiping the card, Bai Yunfei

looked gloomy, and said coldly: "Boss, is your jade fan real? This Yue Feng can be said to be a fake!"

Ten thousand years, it wasn't until a few days ago that Bai Yunfei set foot in the arena for the first time. It can be said that he knew nothing about antiques. At this time, seeing Yue Feng's serious appearance, he also began to doubt in his heart, so he began to question the shop owner.

"How can it be!"

Faced with Bai Yunfei's questioning, the shop owner shouted excitedly: "This is the first time my shop opened, how could it be possible to sell fakes?"

"My ancestors belonged to a family of antiques. When I was five years old, I It has been thirty years since I entered the industry."

The ultimate husband in Chinese chapter 3801-3810

Chapter 3801

“In the past 30 years, I have handled more than 100,000 antiques, and I have never missed it. Besides, businessmen are based on integrity, and I can't ruin my job. You say yes Isn't it?”

“Look at this jade fan, the texture is warm and moist, but it is carved from top-quality white jade, and the patterns on it are exquisitely carved. It is entirely from the palace.”
The

shop owner talked eloquently.

Huh...

For a time, everyone on the outside of the door nodded subconsciously, and they all agreed.

“Yeah, this jade fan is exquisitely carved, it doesn't look like a fake.”

“Fakes won't have such a warm luster.”

“Not bad...”

Bai Yunfei also showed a smile after hearing the comments of the people around him.

Everyone said it was true, but Yue Feng said it was fake, and it was clear at a glance who was right and who was wrong.

Thinking to himself, Bai Yunfei looked at Yue Feng with ridicule on his face: “Yue Feng, everyone's eyes are sharp, what else do you have to say?” The

voice fell, and Xiao Xi on the side couldn't help it: “Young master said this jade fan is fake, it is fake.”

Xiao Xi has extraordinary confidence in Yue Feng's achievements in the antique industry.

call!

At this moment, Yue Feng breathed a sigh of relief, first glanced at Bai Yunfei, then at the shop owner, and said slowly, “This jade fan is indeed a top-quality white jade, and the carving is also top-notch, but unfortunately, it is not from the Song Dynasty. It's a high-quality imitation in the past two years!”

This chapter is provided by . Visit for daily update.

“The black traces in the carvings on it, at first glance, seem to have been left behind after hundreds of years of precipitation, but they are not!”

“This is an old-fashioned method. It is painted with special pigments.”

“After smearing, it is buried in the soil, and then taken out after a month. After special polishing, it has the illusion of years of precipitation.”

” I have to say, this kind of old-fashioning method is very clever, but fakes are fakes, and the facts cannot be changed.”

Finally, Yue Feng looked at the shop owner with a smile: “You said that you were born in an antique family, and your vision is very accurate. , but this time, you have misunderstood.”

“This...”

Hearing this, the shop owner’s face flushed and he was speechless for a while.

At the same time, the surroundings were also silent, and the crowd watching the excitement couldn’t help but whisper.

“What Yue Feng said is the truth, is the jade fan really a fake?”

“It’s hard to say...”

“Interesting, if it’s true, the person on the other side spent two million to buy it, but it really became a big deal. “

The discussions around him kept coming, Bai Yunfei frowned, and he lost his previous self-confidence.

The next second, Bai Yunfei looked at Yue Feng and said unhappily: “You said that this jade fan is a fake, it’s just a one-sided statement, who can prove it?” The

voice fell, and many people around nodded.

“Yes, there is no evidence!”

“It’s true or false, how can you prove it?”

Yue Feng said indifferently: “If you don’t believe it, you can find an authoritative person to be firm and firm.”

Bai Yunfei frowned and turned his head to look. To the shop owner?

The shop owner hurriedly said, "Don't worry, handsome guy. The items in my shop are 100% guaranteed to be true. It can be verified by authoritative people. Today, Antique Street opened. It is said that Master Yuan Xingzhi is also here. I will invite him to come."

When he said this, the shop owner looked confident.

The shop owner believes in his own eyesight very much. This jade fan cost hundreds of thousands of dollars to collect, and it will never be fake. When Master Yuan Xingzhi arrives, everything will be concluded.

Master Yuan Xingzhi?

Chapter 3802

Hearing this, everyone around was in an uproar, and they were all inexplicably excited.

You must know that Yuan Xingzhi is the most famous antique master in the Diyu Continent. If he is there, you can tell at a glance whether this jade fan is real or fake.

The shop owner walked out of the shop quickly and went to invite Yuan Xingzhi.

After a while, I heard a burst of restlessness in the crowd, and then I saw the shop owner walking in slowly with a gray-haired old man.

The old man looked in his 60s, was in good spirits, dressed in a gray and white long gown, and had a good temperament.

It was Yuan Xingzhi.

Seeing Yuan Xingzhi, everyone around was inexplicably excited.

"I'm going, it's really Master Yuan Xingzhi."

"Wait for this jade fan, whether it's true or not, we can find out."

In the discussion, Yue Feng stood there, a leisurely and comfortable.

Yue Feng knew Yuan Xingzhi, not only knew him, but also knew him very well. You know, Yue Feng and Yuan Xingzhi are both disciples of Kang Lianping. Moreover, Yue Feng was an early apprentice and was considered Yuan Xingzhi's senior brother.

"Master Yuan!"

At this time, the shop owner took off the jade fan and handed it to Yuan Xingzhi: "Come and see, is this from the court of the Song Dynasty, my guest, spent two million, why? You have to let him buy it with peace of mind."

Hmm!

Yuan Xingzhi nodded, then took the jade fan, looked at it over and over, and finally shook his head and said, "Boss, when you accepted this thing, you should have been careless, this is a high imitation fake, the color in the carved pattern is old. It has to be said that the method is very clever, but it is just a fake."

Having said that, Yuan Xingzhi patted the store owner on the shoulder: "Return the money to others."

What?

At this moment, the shop owner froze there, completely stupid.

At the same time, the surrounding people also exploded the pot in an instant.

"What? This jade fan is really a fake!"

"I went to, such a big store sells fakes..."

"The water in the antique world is so deep, this jade fan doesn't look like a fake. Yes, but it turned out to be a fake." The

surrounding discussion, you and I came, and Bai Yunfei was also stunned there, his face extremely gloomy.

Mad, originally thought that this Yue Feng just didn't have the money to buy a jade fan, so he deliberately talked nonsense, but he never expected that this jade fan is really a fake.

At this time, Bai Yunfei was staring at Yue Feng, his eyes flashing with unwillingness and anger!

I originally wanted to humiliate Yue Feng, but fortunately, in front of Miss Qingyan, I raised my image, but in the end, it was me who made a fool of myself in the end.

He was very reluctant to accept this fact.

"Handsome guy!"

At this moment, the shop owner quickly refunded the money, and apologized to Bai Yunfei: "I'm really sorry, when I bought this jade fan, I was the one who missed it and

almost caused you to lose so much. I'm so sorry for the money, I'm so sorry... Speaking of which, I really lost Master Yuan this time, otherwise, the shop's signboard would be smashed..."

Bai Yunfei did not speak, and stood there with a gloomy expression on his face. .

To be honest, Bai Yunfei really wanted to kill the owner of the shop at this time. If it wasn't for him selling fake products, he wouldn't be so shameless in front of Miss Qingyan, but so many people around him were watching, so he held back.

"Hey!"

At this time, Xiao Xi came over and mocked Bai Yunfei: "You don't know anything about antiques, but you are too embarrassed to buy a gift for Sister Qingyan, don't be ashamed, talk about antiques Achievements, you have studied for ten years, but you are not as good as the son."

When saying this, Xiao Xi looked at Yue Feng's eyes, full of admiration.

Su Qingyan next to her pursed her lips and smiled, indescribably charming.

Bai Yunfei's face was blue and white, and he couldn't say how to hold back his fire, but he couldn't come out.

Chapter 3803

"Brother Bai!"

At this moment, Yue Feng walked over slowly and smiled at Bai Yunfei: "If you want to please others in the future, you'd better be a little self-aware, don't pretend to understand if you don't know what you are not good at. In the end, it will only be laughable and generous!"

"I said it just now, this jade fan is a fake, you have to listen, but fortunately the shop owner has refunded the money to you, you don't need to thank me, if you buy antiques in the future , brighten your eyes..."

"You!"

Hearing this, Bai Yunfei was about to explode with anger, but he had nothing to refute.

"Okay, very good!" The

next second, Bai Yunfei showed a smile and gritted his teeth at Yue Feng: "As expected of a former hero of Kyushu, I learned it today, we will have a future."

Said, Bai Yunfei tilted his head towards Su Qingyan smiled and said: "Miss Qingyan, let's meet again." The

last word fell, Bai Yunfei gave Yue Feng a stern look, and then strode away.

At this time, the onlookers also dispersed one after another, but there were still some curious, who looked at Yue Feng and talked a lot.

"Is he really the former Tianmen sect master Yue Feng?"

"I don't see it, he also has research on antiques..."

"It may be fooled, but it is just right." During the

discussion, many people thought that , Yue Feng can taste the authenticity of the jade fan.

"Brother?"

However, at this time, Yuan Xingzhi walked up to Yue Feng with a happy face, and said excitedly: "I read it right, it's really you? Three years ago, you were involved in the vortex of chaos, and I and I Master is very sad when he finds out, but I didn't expect you to come back safely."

When he said this, Yuan Xingzhi held Yue Feng's hand tightly and was extremely excited.

Although Yuan Xingzhi and Yue Feng didn't meet much, he was always grateful to this senior brother. You must know that when Yuan Xingzhi first apprenticed, he helped people misread a lot of antiques.

Once, Yuan Xingzhi made a mistake in the identification, which led to heavy losses for the customer. The customer almost found someone to kill him. Later, Yue Feng found out and appeared in time to save Yuan Xingyi's life.

In this case, although Yue Feng was several decades younger than Yuan Xingzhi, Yuan Xingzhi always respected this senior brother.

At this time, he suddenly saw Yue Feng, who had disappeared for three years, how could Yuan Xingzhi not get excited?

Feeling Yuan Xingzhi's excitement, Yue Feng showed a smile: "Junior brother, I haven't seen you for so many years, you have improved a lot in the taste of antiques, not bad."

What?

Seeing this scene, all the people around were dumbfounded.

You heard right, the famous antique master in Earthquake Continent is actually called Senior Brother Yue Feng?

Shocked, utterly shocked.

Especially those who thought that Yue Feng was blind, were even more stunned.

Even Yuan Xingzhi is his junior brother. It seems that Yue Feng's attainment in antiques is not a mystery, but a real talent.

After a few words with Yuan Xingzhi, Yue Feng took Su Qingyan and the two away from Antique Street.

It's getting late, and it's time to go back for dinner. Yingying and Yuruo are all waiting.

On the way back to the Ouyang family, Yue Feng and Su Qingyan walked and chatted while admiring the night view of Zhongzhou City. I have to say that Zhongzhou City is indeed one of the largest cities in Diyu Continent. It is really too prosperous.

Especially this night scene is simply fascinating.

"Yue Feng?"

As he was walking, he heard a cold voice from behind.

Suddenly hearing someone call his name, Yue Feng was stunned for a moment, and Su Qingyan and Su Qingyan looked back together.

What the hell!

Chapter 3804 I

saw that there were two old men standing quietly at a distance of more than ten meters. The two old men were both in their seventies, wearing exactly the same ancient black robes, with a bun on their heads. Look, it's like crossing over.

Not only that, but the two old men were also filled with a powerful aura.

Yue Feng was very surprised and couldn't help but said, "It's Yue Feng, I don't know where the two seniors are from? What are you looking for?"

When he said this, Yue Feng was very puzzled. The old man doesn't know you?

At the same time, Su Qingyan and Xiao Xi were also very curious.

Hearing Yue Feng's answer, one of the old men nodded slowly and said, "We are the elders of Xia Yinzong, the old man is Elder Feng, and he is Elder Huo."

After introducing himself, Elder Feng looked closely at Yue Feng: "We are The master will see you and come with us." His

tone was cold and unquestionable.

Xia Yinzong?

Hearing this, Yue Feng frowned and said with a wry smile: "You two, I don't seem to know the suzerain of your Xia Yin Sect. Besides, I have something to do." After speaking, he greeted Su Qingyan and the two to leave.

Seeing this situation, Elder Feng frowned and shouted coldly: "Stop!" The

voice fell, Elder Feng's inner strength was urged, and the figure erupted, like lightning, coming towards Yue Feng.

hum!

I saw that where Elder Feng passed, the air twisted and vibrated, which was amazing.

What the hell!

Seeing Elder Feng burst out, Yue Feng was taken aback.

He clearly felt that the strength of this elder Feng was close to the realm of ascension, that is to say, he was only one step away from breaking the void and entering the realm of the gods.

In Kyushu, there is still such a terrifying existence.

Under the shock, Yue Feng didn't have time to think, mobilized the power of Yuanshen, quickly avoided the blow of Elder Feng, and said at the same time: "Elder Feng, I have nothing to do with your Xia Yinzong, there is no need to do it as soon as you come up. Let's go."

"You humiliated our eldest lady and said that you have nothing to do with our Xia Yinzong? Today, no matter what, you have to come with us!" Elder Feng said coldly, raised his hand and called towards Yue Feng.

This palm is even more severe than before.

The eldest lady of Xia Yinzong? Who is it? ,

Yue Feng was full of confusion, and at the same time, he didn't have time to think about it.

"Yue Feng!"

"Young Master!"

Seeing this scene, Su Qingyan and Xiao Xi were so anxious that they moved their figures and prepared to rush up to help.

"This is a personal grievance between our Xia Yinzong and Yue Feng, and no one should interfere!" Elder Huo, who had been silently watching the battle, said coldly, and immediately blocked Su Qingyan two.

Su Qingyan and Xiao Xi were both frightened and furious, and joined hands to fight with Elder Huo.

However, Elder Huo, like Elder Feng, is close to the realm of soaring. Even if Su Qingyan and Xiao Xi join forces, they are not his opponents.

Papa...

In less than two rounds, Su Qingyan and Xiao Xi each took a palm, and then Elder Huo tapped the acupuncture point.

Not far away, the fierce battle between Yue Feng and Elder Feng continued.

During the fierce battle, Elder Feng became more and more frightened.

This Yue Feng, who is only in his thirties, is so powerful that he is close to the realm of soaring, and he can't suppress him. More importantly, he could not perceive Yue Feng's realm.

The strength of this Yue Feng is completely unfathomable.

Chapter 3805

Call!

Seeing the situation here, Elder Huo couldn't help taking a deep breath, and was also secretly shocked.

This kid Yue Feng is only in his thirties, and his strength is so terrifying, he actually possesses a primordial spirit? Instead of taking him down, Elder Feng was stubbornly suppressed.

It's incredible to have a primordial spirit at such a young age.

For a time, Elder Huo was stunned, unable to recover for a long time.

To be honest, Yue Feng has the primordial spirit, and it is difficult for ordinary people to sense it, but Elder Huo and Elder Feng are different. They are both close to the realm of ascension, and their perception is very keen.

In the blink of an eye, Yue Feng and Elder Feng fought for a few more rounds in midair.

Seeing that the situation was getting worse and worse for him, Elder Huo finally couldn't bear it anymore and shouted: "Yue Feng, if you continue to resist, I will be rude to them."

The moment the words fell, Elder Huo He raised his hands and hovered above Su Qingyan and Xiao Xi's heads.

Swish!

Hearing the shouting, Yue Feng did not stop immediately, but subconsciously looked towards Elder Huo, his heart was shocked, and his eyes were instantly blood red.

They saw that Su Qingyan and Xiao Xi were stabbed at the acupuncture points and could not move at all, while Elder Huo's palm was hanging above their heads. As long as they were slapped with internal force, the two women would lose their fragrance.

At this time, Yue Feng was not only shocked, but also extremely angry.

The next second, Yue Feng shouted: "Two seniors, you are not my opponents fighting alone, so you used my family to threaten, don't you feel ashamed?"

When he said this, Yue Feng wanted to rush over directly, but Still held back.

After all, the strength of these elders Feng and Huo is too strong, no matter how fast they are, they are not as fast as the other party, so they cannot take risks with the lives of Qingyan and Xiaoxi.

Ahem...

Hearing Yue Feng's sarcasm, Elder Huo's face flushed and he coughed a few times to cover up his embarrassment.

Because what Yue Feng said is right, he is a dignified and dignified elder of the hidden sect, and his strength is tyrannical. Looking at the entire Jiuzhou rivers and lakes, it can be said that he is the same as the peak. At this time, he even used two women to threaten Yue Feng, which is indeed humiliating to himself. identity.

But if you don't do this, there is no other way to make Yue Feng subdue.

Thinking to himself, Elder Huo smiled bitterly and looked at Yue Feng very seriously: "Yue Feng, I am helpless to do this. Who would have thought that the former Tianmen Sect Master was so powerful."

"As long as you stop, I won't hurt the two of them."

Hearing this, Yue Feng was very annoyed, but he was helpless, so he had to stop. He could see that Elder Huo was not joking, he really didn't stop, the other party might kill Su Qingyan and Xiao Xi.

Seeing this scene, Su Qingyan and Xiao Xi couldn't help but feel ashamed.

Ben also wanted to help Yue Feng, but it turned out to be a burden to him. But I have to say that the strength of these elders Feng and Huo is really too strong.

Phew...

At this moment, Elder Feng secretly breathed a sigh of relief, and glanced at Elder Huo gratefully.

Fortunately, Elder Huo was in a hurry, and restrained Yue Feng's family. If he continued to fight, he would really be unable to hold it.

"Elder Huo!"

At this moment, Yue Feng took a deep breath, looked at Elder Huo closely, and shouted: "I have stopped and let them both go!"

Elder Huo smiled slightly and said slowly: "Yue Feng, don't worry, as long as you obey us obediently, I will never hurt the two of them!"

After speaking, Elder Huo took a deep breath and said seriously: "I will capture it immediately, there can be no A little bit of resistance." When the last word fell, Elder Huo's face was firm and unquestionable.

At the same time, Elder Feng walked slowly and took out a golden elixir from his body: "Take this Zhenyuan Pill, and then come with us."

The ultimate husband in Chinese chapter 3806-3810

Chapter 3806 Zhenyuan

Dan?

Yue Feng frowned and looked puzzled.

His own alchemy technique has reached the realm of pureness and purity. The alchemy recipes in “The Promise Alchemy” are also thoroughly cooked. Why have you never heard of Zhenyuan Pill?

Seeing Yue Feng’s expression, Elder Feng smiled lightly: “Don’t be nervous, this is not a poison. After taking it, it can suppress your Primordial Spirit power. I did this just in case.”

When he said this, Elder Feng looked In Yue Feng’s eyes, a strange brilliance flashed.

When fighting against Yue Feng just now, Elder Feng sensed Yue Feng’s primordial spirit, and he was very shocked at that time. It is unbelievable that such a young person has a primordial spirit.

As for Zhenyuan Dan, it is the unique medicine of Xia Yinzong.

You must know that the founder of Xia Yinzong was Xuanyuan’s subordinate. Ten thousand years ago, Xuanyuan led his subordinates to fight against the gods. There were many ways to deal with the gods. This Zhenyuan Dan was one of them.

What? !

Can this elixir suppress my primordial spirit power?

At this moment, Yue Feng’s face changed and he was shocked. Who are these two old men?

At the same time, there was a bit of fire in my heart.

He clearly had the upper hand, but this elder Huo threatened Su Qingyan and Xiao Xi. If he knew this, he let Qingyan and Xiao Xi leave before he started.

“Okay, I’ll take it...”

Finally, Yue Feng took a deep breath, picked up Zhenyuan Dan from Elder Feng’s hand, and said slowly, “I hope you all count.”

“Yue Feng.”

“Young Master...”

Seeing this situation, both Su Qingyan and Xiao Xi trembled, and Qi Qijiao exclaimed.

On Su Qingyan's delicate face, she couldn't hide her worry, and said, "Don't eat it, what if it's poison?" The origins of these elders Feng and Huo are unknown, and their words must not be taken lightly!

When the words fell, Xiao Xi also shouted: "Young Master, don't worry about us, let alone agree to their conditions."

When she said this, Xiao Xi almost cried.

Three years, the son has been away for three years, and finally came back, how can he watch him take the other party's medicine pill, and finally be taken away by these two powerful old men?

"Qingyan, Xiaoxi!"

Feeling their worries, Yue Feng showed a smile: "Don't worry, I will be fine." With that, Yue Feng swallowed Zhenyuan Dan.

hum!

The moment he took the Zhenyuan Dan, Yue Feng only felt a buzzing sound in his head, and then, the power of the primordial spirit in his body was suppressed by a strange force, and he couldn't move it at all, it was very strange.

I go, it can really suppress the power of the primordial spirit.

Upon sensing this, Yue Feng was indescribably shocked. At the same time, he also became interested in Xia Yinzong.

"Okay!"

Seeing that Yue Feng kept his promise and took the Zhenyuan Pill, Elder Huo nodded approvingly: "Although you are a little frivolous in your actions, you can finally do what you say, not bad."

Seriously, Elder Huo I didn't have a good impression of Yue Feng at first. After all, this kid humiliated the eldest young lady Nalan Wushuang before, but at this time, seeing that Yue Feng kept his promise, his opinion of him suddenly changed a little.

Chapter 3807 In the

next second, Elder Huo tilted his head towards Su Qingyan and Xiao Xi and said, "This old man is also right with his words, so there is no need to embarrass the two of you. Your acupuncture points will be able to unravel on their own in half an hour. "

After saying this, Elder Huo and Elder Feng, with Yue Feng, left quickly.

“Yue Feng!”

“Young Master!”

Seeing Yue Feng being taken away, Su Qingyan and Xiao Xi stomped their feet in a hurry. The three of them left with their eyes wide open.

“Sister Qingyan, what should I do?” Anxious, Xiao Xi couldn't help but said, almost crying.

The son was taken away by the two tough old men, I'm afraid that there are more bad luck than good luck.

Su Qingyan was also worried, but she still gently comforted: “Don't worry, Xiaoxi, this is Zhongzhou City, let's rush to the acupuncture point as soon as possible, and bring the news back, then everyone will find a way together, and we will definitely be able to intercept these two. Old man, bring Yue Feng back safely.”

Hmm!

Hearing this, Xiao Xi nodded heavily, and finally, together with Su Qingyan, stimulated her inner strength and tried to open the acupuncture point.

However, Elder Huo's acupuncture technique was very unique. No matter how Su Qingyan and Xiao Xi tried, they couldn't get rid of it.

Finally, half an hour passed, and the acupoints unraveled on their own.

At this moment, Su Qingyan and Xiaoxi didn't have time to think about it, and hurried back to the Ouyang family.

A few minutes later, the Ouyang family hall.

Knowing that Yue Feng was taken away by two mysterious old men, whether it was Wen Chou Chou, Sun Dasheng and Ren Yingying, everyone was furious and panicked at the same time.

Xia Yinzong?

For a time, while everyone was anxious, they looked at each other in disbelief.

What kind of sect is this, why haven't you heard of it before?

“Quick!”

Soon, Wen Chou Chou was the first to react and shouted: "Call everyone immediately, block all exits in Zhongzhou City, and be sure to find the two old people and the whereabouts of Feng Zi."

Speaking of which, Half an hour has passed, and Yue Feng may not be in Zhongzhou anymore, but Wen Chou Chou still has a glimmer of hope in his heart.

When the words fell, Ren Yingying couldn't help but said: "Let's act separately, so the success rate is higher!"

Wen Chou Chou nodded in agreement.

A few minutes later, Wen Chou Chou and Ren Ying Ying and the others, divided over a dozen routes, and started a carpet-like search around Zhongzhou City.

The entire Zhongzhou City was also tightly sealed by the Ouyang family.

For a time, the bustling and prosperous Zhongzhou City was enveloped by a tense atmosphere.

.....

the other side!

Elder Feng and Elder Huo, took Yue Feng after more than two hours of flight, and finally arrived at Xia Yinzong.

I go!

At this moment, Yue Feng couldn't help taking a deep breath, and the whole person was stunned.

I saw that this Xia Yinzong was established in the deepest part of Wuying Mountain. This quaint Jian ethnic group was looming in the surrounding clouds and mist, like a fairyland.

The location of Xia Yinzong is extremely hidden, if it is not carried by the two elders, I am afraid that it will be difficult to find when passing through here.

Through the gate, Yue Feng could clearly see that the interior deployment of the Jian ethnic group was quiet and elegant, the corridors and pavilions were everywhere, and there were a lot of exotic flowers and plants among them.

Simply a paradise.

And on the plaque at the gate, a few elegant characters were written: Hidden World Heroes!

call!

Seeing this, Yue Feng couldn't help but take a deep breath, shocked.

I thought that I knew the rivers and lakes of Kyushu very well, but I never thought that at the junction of the Yellow Sea Continent and the Zhongyuan Continent, there was still a hidden seclusion gate.

Moreover, the environment of this Xia Yinzong is as charming as a picture scroll.

Chapter 3808

"Let's go."

At this moment, Elder Huo said lightly: "Follow us to see the Sect Master!" The voice fell, and Elder He Feng led the way.

Yue Feng nodded and followed behind.

Along the way, I could see the patrolling disciples of Xia Yinzong from time to time, five steps at a post, ten steps at a post, and Yue Feng felt that the more you went inside, the stronger the strength of these post post disciples.

The entire Xia Yinzong is almost heavily guarded.

I go!

Finally, in a spacious and bright hall, and seeing the scene inside, Yue Feng was suddenly stupid!

I saw that there were several people sitting in the hall. Two of them were old men, wearing the same black robes as Elder Feng, with white beards and white hair, and strong strength.

And in the innermost position, there is an exquisite throne.

On the throne, sat a woman who was alluring, wearing a long white silk dress, revealing her charming curves looming.

Not only that, but a powerful aura pervaded the woman.

It is the suzerain of Xia Yinzong, Na Lanqing.

Hiss...

At this moment, sensing Nalanqing's strength, Yue Feng's heart was incomparably shocked.

This woman... actually surpassed the realm of transcending tribulation and reached the realm of soaring. But why didn't they shatter the void and stay in Kyushu instead?

Immediately afterwards, seeing Nalan Wushuang beside Nalan Qing, Yue Feng was stunned for a moment, and then suddenly understood something.

is her!

Isn't this the unruly girl I met in Donghai City before?

It seems that she is the eldest miss of Xia Yinzong, no wonder she was so arrogant at the time, and she dared to speak harshly to me after defeating her.

At this time, Nalan Wushuang's eyes were also fixed on Yue Feng, and there was a bit of pride and gloom on her delicate face.

This Yue Feng, even if the strength is strong, so what? Haven't you been caught yet?

Nalan Wushuang felt extremely embarrassed and angry when he thought of the place where Yue Feng touched him at that time.

Swish!

At the same time, all the eyes of the entire hall suddenly converged on Yue Feng, and the elders present were secretly surprised.

Is this Yue Feng?

But in the thirties, do you have the primordial spirit?

Could it be... This Yue Feng is from the God Realm?

Thinking of this, the eyes of several elders looking at Yue Feng instantly revealed a strong hostility. You must know that the ancestor of Xia Yinzong, but Xuanyuan's subordinate, has an insoluble hatred with God Domain.

Na Lanqing also frowned, her delicate face showing a hint of coldness, looking down at Yue Feng.

Gudong.

At this moment, facing Nalanqing's eyes like autumn water, Yue Feng's eyes were straight, and he couldn't help swallowing.

Is this the suzerain of Xia Yinzong? This appearance, this temperament, even if Chang'e comes, it is not inferior.

"You are Yue Feng?!"

After looking at it for a while, Nalanqing said softly, "I know this Sect Master, why do I want to see you?" The

voice was not loud, but there was a strong aura.

call!

Yue Feng took a deep breath, glanced at Nalan Wushuang, and said with a wry smile: "Sect Master, if I guess correctly, it must be related to this Miss Nalan Wushuang. Speaking of which, she and I were just a misunderstanding.

"What misunderstanding?"

As soon as the voice fell, Nalan Wushuang couldn't help but say: "It is clear that you are not only bullying me, but also humiliating me..."

Said, Nalan Wushuang hugged Nalan Qing His arm, pleading: "Mother, don't talk nonsense with him, this kind of scoundrel, just kill it."

Chapter 3809 What the hell

!

Hearing this, Yue Feng's heart skipped a beat, and he almost wanted to cry without tears.

I just spanked your ass, completely unintentional, this is going to kill me?

This girl is too cruel.

At this time, Nalanqing also said with a solemn expression: "Wushuang, don't make a fool of yourself!"

After saying that, Nalanqing looked up and down at Yue Feng, and there was no emotional fluctuation on her beautiful face: "You said it was a misunderstanding, then Just explain."

Yue Feng nodded, took a deep breath, and explained the situation at the time.

At the end, Yue Feng shrugged his shoulders and said with a wry smile: “Your Majesty, I had just finished worshipping my mother when I was robbed by this young lady’s men. I shot back and killed it, which was a completely reasonable defense.”

“But You daughter, you insisted on asking me to apologize, and then forcibly fought with me, but when I lost the fight, you said that I bullied her.”

“I also accidentally ran into her place at the time, not on purpose at all.”

Hearing this , the whole hall was silent.

Elder Feng and several other elders all had complicated expressions.

With that said, it seems that the lady is making trouble unreasonably.

This...

Na Lanqing’s pretty face was also slightly red, and there was a bit of embarrassment in his eyes.

Nalan Wushuang suddenly became anxious and glared at Yue Feng: “You killed my man, do you still have reason?” This Yue Feng actually said that he was too much, which is really hateful.

Nalan Wushuang became angrier the more he thought about it, and he had to say more.

However, at this moment, Nalanqing said softly: “Wushuang, don’t talk for now.” After speaking

, Nalanqing looked at Yue Feng and said word by word, “Even if it’s about you and Wushuang, It was a misunderstanding, but what happened to the primordial spirit in your body?”

“You are from the God Realm, and you are not from Kyushu at all, right?”

When he said the last sentence, Nalanqing’s tone was extremely cold, and there was also a hint in his eyes. Strong killing intent.

At the same time, the surrounding elders also looked at Yue Feng coldly, all of them taking action at any time. The whole hall was tense and the atmosphere was depressed.

Uh...

Seeing this, Yue Feng couldn’t help swallowing his saliva!

What's the situation, how can I sense my Yuanshen, all of them are bitter and hated.

Could it be... this Xia Yinzong has a grudge against the God Realm?

Muttering in his heart, Yue Feng pondered for a while, then smiled and said, "I'm from Kyushu with real value, how can I come from the realm of the gods?"

"Then what happened to your primordial spirit?" Nalan asked coldly.

Yue Feng scratched his head and said with a smile: "That's it, three years ago, wasn't I caught in the chaotic vortex? At that time, I was transported to another human world called Roland Continent..."

"Afterwards, I left the Roland Continent and entered the Divine Realm. At that time, I accidentally broke into the Lingguo Garden and ate a lot of the spiritual fruit of the God Realm, and then condensed the primordial spirit..."

When he said this, Yue Feng looked relaxed. , I was a little apprehensive.

Saying so myself, there shouldn't be any flaws...

Phew...

Hearing Yue Feng's explanation, the atmosphere in the entire hall instantly eased a lot.

Nalanqing nodded suddenly: "So it is."

At the same time, Elder Feng and several others also put down their guard.

Only Nalan Wushuang looked contemptuous and pouted, "It turns out that he stole the Spirit Fruit from the God's Domain to become so powerful, and he thought that he had cultivated to this level, it's nothing special."

Chapter 3810

Hearing Nalan Wushuang's mockery, Yue Feng smiled and ignored it.

The next second, Yue Feng looked at Nalanqing and said politely, "Your Majesty, I have said everything I should have said, and the misunderstanding has been resolved. Can I leave now?"

"Xiao Xi, you might be worried.

Nalanqing smiled lightly and responded, "Don't rush to leave. You were caught by the two elders, so you don't want to ask, what about our Xia Yinzong?"

Yue Feng was stunned for a while, then smiled: "If the sect master is willing to say it, I will naturally listen carefully." To

be honest, Yue Feng was also very curious about the origin of this Xia Yinzong.

After all, the sect master and the elders are close to the realm of soaring, which is unique among the sects of the entire Jiuzhou rivers and lakes.

Seeing Yue Feng's interested look, Nalan Qing nodded and said slowly, "Our Xia Yinzong was founded 13,000 years ago..."

In the next ten minutes, Na Lanqing nodded. The origin of Lan Qing's generals' hidden sect has been revealed without any concealment.

What?

At this moment, Yue Feng was stunned, his mind buzzing and blank.

It was Xuanyuan's subordinate who founded Xia Yinzong back then?

Moreover, Xuanyuan Huangdi, who was famous in the Kyushu Continent, actually died in the hands of God Domain.

Under the shock, Yue Feng couldn't help but say: "No, it is recorded in the history books that Xuanyuan Huangdi died that year, not..."

Before he could finish speaking, he was interrupted by Na Lanqing: "In those days, the forces of the Divine Realm infiltrated The human world has secretly revised human history books to cover up their despicable actions."

"God's Domain is doing this to maintain their noble status of 'following the way of heaven'. In fact, the gods in the God's Domain are all hypocritical and despicable people."

When he said this, Nalanqing's face was cold and his tone was full of Resentment.

Yue Feng smiled wryly.

It turns out that Xia Yinzong has avoided the world for so many years because of his grievance with God Domain.

At the same time, I was secretly glad in my heart.

Fortunately, I didn't reveal the identity of Jiutian Xuansheng just now, otherwise, I would be killed by Xia Yinzong as an enemy.

“Yue Feng!”

Just as he was thinking, he heard Nalanqing’s tone softened: “Now God Domain has sent a messenger named Luo Jue to establish the Heavenly Dao Alliance in an attempt to rule the Kyushu rivers and lakes.

”, you used to be the sect master of Tianmen, a hero of Kyushu, and you will not sit idly by.”

“And I, Xia Yinzong, are going to set foot in the rivers and lakes to fight against the Tiandao Alliance. I want to invite you to the alliance, I don’t know what you think.” The

last sentence fell. At that time, Nalanqing stared at Yue Feng closely, with a bit of anticipation in his eyes.

Yue Feng is powerful, and if he can form an alliance with him, he will definitely get twice the result with half the effort in the future against the Heavenly Dao Alliance.

“Mother!”

At this moment, Nalan Wushuang couldn’t help it, and said displeasely: “This Yue Feng is a rogue, how can he be qualified to be our ally.”

“Don’t talk!” Frowning, he scolded.

Nalan Wushuang was very reluctant and stomped his feet, but still closed his mouth.

shit.

At this time, Yue Feng was stunned.

This suzerain of Xia Yinzong wants to unite with me to deal with the Heavenly Dao Alliance?

Muttering in his heart, Yue Feng smiled, shook his head and declined: “Thank you Sect Master for your kindness. In the past three years since I left the Kyushu Continent, I have experienced a lot and learned a lot. I am no longer interested in the battles between the rivers and lakes. I want to live a peaceful life with my family.”

When he said this, Yue Feng’s expression was indifferent, but his heart was complicated.

After so many years of walking in the rivers and lakes, Yue Feng was very tired and didn’t want to participate in any more grievances and grievances.

Chapter 3811

Swish!

Hearing this, Nalanqing's beautiful face suddenly turned gloomy: "Really?"

"Really!"

"As far as I know, when you established Tianmen, the slogan you preached was 'Do the way for the sky'. Now you want to stay out of trouble?"

"Is that so..."

Seeing Yue Feng's resolute attitude, Na Lanqing bit her lip tightly and said coldly, "Elder Feng, since Yue Feng is so ignorant, first Put him in the stone prison, give him some time to think about it, when he figured it out, bring him to see me again!"

He showed his sincerity, but Yue Feng was so ignorant of praise, so he let him go like this, Xia Yin Where does Zong's face go?

"Yes!"

Elder Feng responded, took Yue Feng and locked him in the stone prison behind.

What the hell!

At this moment, Yue Feng wanted to cry but had no tears. He didn't agree to form an alliance, so he locked me up. Isn't this difficult for a strong man?

Depressed, Yue Feng wanted to break free, but after taking Zhenyuan Dan before, the power of his primordial spirit was still suppressed, and he was completely powerless.

...

on the other side, Zhongzhou.

Wen Chou Chou and Ren Yingying, as well as Sun Dasheng and the others, divided their troops and blocked a hundred miles of Zhongzhou City, but after searching for more than two hours, there was still no trace of Yue Feng.

This chapter is provided by . Visit [for](#) daily update.

Anxious, Sun Dasheng decided to return to downtown Zhongzhou and search again.

Sun Dasheng has a grumpy personality, so Wen Chou Chou asked Su Qingyan to accompany him.

At this moment, Sun Dasheng and Su Qingyan, with dozens of subordinates, searched the periphery of Zhongzhou City, and came to Tianzhong Park.

Tianzhong Park is the largest park in Zhongzhou, covering an area of 10,000 mu, with a beautiful environment and an artificial lake, which is a scenic spot of the symbol of Zhongzhou.

It was already late at night, but the night view of Tianzhong Park was even more charming.

Sun Dasheng ordered his subordinates to search Tianzhong Park carefully, knowing that this place is very large and there are many hiding places. If the two mysterious old men did not take Yue Feng out of Zhongzhou City, they would most likely hide here.

Soon, dozens of subordinates searched for a few minutes before returning to report.

“The whereabouts of Your Excellency Yue Feng have not been found.”

“However, two suspicious persons were found by the lake not far away.”

Several of his subordinates approached Sun Dasheng and said in a complicated tone.

Suspicious people?

Hearing this, Sun Dasheng and Su Qingyan looked at each other, and they were inexplicably excited.

“Go, go and have a look!” In the

next second, Sun Dasheng didn't have time to think about it, he greeted everyone, and hurried towards the lake.

When I got to the lake, I saw two figures standing quietly in a pavilion. One of them was a woman who was very eye-catching.

This woman, dressed in a long burgundy dress, set off her tight figure, indescribably charming and sexy. However, there was a heart-pounding danger in those eyes.

Just like a beautiful snake.

The man is handsome, with handsome features, but there is a bit of gloom in his eyes.

It was Bai Yunfei and Ji Hongshang.

This woman seems to be Ji Hongshang, the Sect Master of the Five Poison Sect? !

Seeing Ji Hongshang, Sun Dasheng was stunned. Ji Linglong died suddenly, and his sister Ji Hongshang took over as the head.

beautiful!

For a time, Sun Dasheng couldn't help but admire secretly.

The beauty of this Ji Hongshang is no less than that of her elder sister Ji Linglong.

It's just... The Five Poison Sect is far away in Xicang Continent, how could Ji Hongshang, the suzerain, be in Zhongzhou?

The next second, Sun Dasheng fell on the man next to Ji Hongshang. When in Kyushu, such a character appeared.

Chapter 3812

Before Tiandao League held a celebration feast, Sun Dasheng did not participate, so he did not know Bai Yunfei.

It's them?

At this moment, Su Qingyan also trembled, looking at Bai Yunfei and Ji Hongshang, it was extremely complicated.

How could the Sect Master of the Five Poison Sect be with Bai Yunfei?

Noticing Su Qingyan's expression, Sun Dasheng couldn't help but ask curiously, "What's wrong?"

Hu...

Su Qingyan exhaled softly and said slowly: "It's nothing, I'm just curious, two days ago I After attending the Celebration Banquet of the Heavenly Dao Alliance with Yue Feng, this Ji Hongshang stopped him on the way, saying that he wanted to avenge her sister. In the end, Yue Feng taught him a lesson."

What else?

Hearing this, Sun Dasheng scratched his head.

At this time, Su Qingyan continued: "The man beside her is called Bai Yunfei. He is the patriarch of a hidden family. He is both righteous and evil. Now that he is with Ji Hongshang, it is really suspicious."

Sun Dasheng Her eyes widened: "You mean that Fengzi's arrest has something to do with them?"

Su Qingyan nodded and said softly, "I'm just guessing like this, whether it's true or not, I'll find out when I ask later. It's over!" Su Qingyan couldn't hide the anxiety in her eyes when she said this.

In the Antique Street before, Yue Feng embarrassed Bai Yunfei in public.

But now, Bai Yunfei and Ji Hongshang are together again, which is really suspicious. After all, Ji Hongshang wanted to kill Yue Feng and avenge her sister.

"ZiZhi...Isn't this Miss Light Smoke?"

Just as he was talking, he saw Bai Yunfei walking over slowly, with a smile on his face, and his eyes kept looking at Su Qingyan: "We are really destined to meet again so soon. I don't know much about antiques, that jade The fan thing made Miss Qingyan laugh."

After losing face in Antique Street before, Bai Yunfei was very upset, so he asked Ji Hongshang to accompany him to relax, but he never thought that he would touch him here again. Arrived at Su Qingyan.

Bai Yunfei's gaze made Su Qingyan feel uncomfortable.

Mad!

Seeing this situation, Sun Dasheng was also a little angry. This kid looked at Su Qingyan so recklessly, was he courting death?

"Ji Hongshang?" The

next second, Dasheng Sun walked over quickly and asked Ji Hongshang, "Ji Hongshang, where is Fengzi? Does the two old men who raided Fengzi have anything to do with you?"

When Sun Dasheng saw Bai Yunfei for the first time, it was inconvenient to talk to him, so he could only question Ji Hongshang.

In Sun Dasheng's eyes, since Ji Hongshang wanted to kill Yue Feng to avenge her sister, what happened today would definitely be irrelevant.

"What did you say..."

Ji Hongshang was stunned for a moment, her delicate face was full of doubts: "What two old men?"

This Sun Dasheng has a sick mind.

“Why are you pretending to be confused?”

Sun Dasheng said impatiently, “Hurry up and explain, where did those two old men take Fengzi.”

Huh?

Seeing that Sun Dasheng’s tone was not good, Bai Yunfei frowned secretly.

In the next second, Bai Yunfei couldn’t help but ask Ji Hongshang, “Who is this person who is chattering non-stop?”

“Sect Master!”

Ji Hongshang replied softly: “This person is the head of Huaguo Mountain, Sun Dasheng, who has a peerless divine weapon to open the sky, and is very powerful. Let

‘s be careful.” When saying this, Ji Hongshang looked at There was a bit of fear in Sun Dasheng’s eyes.

You must know that the three Yue Feng brothers have a high reputation in the Diyuan Continent, especially this Sun Dasheng, who has a hot personality, which has made countless Jianghu Xiaoxiao stunned.

More importantly, he also has a peerless divine weapon to open the sky.

strong?

Bai Yunfei smiled disdainfully and looked at Sun Dasheng.

But it’s just a robbery.

Chapter 3813

At the same time of contempt, Bai Yunfei’s eyes also flickered with a bit of evil.

mad.

In the antique street before, Yue Feng made me lose face, and now I meet his sworn brother here, no matter what.

Thinking to himself, Bai Yunfei looked at Sun Dasheng and said coldly: “Yue Feng’s matter has nothing to do with us, don’t make a fool of yourself here.”

“What are you talking about?” Sun Dasheng suddenly got angry and shouted.

Having said that, Sun Dasheng was about to rush over, but was stopped by Su Qingyan.

“Great Sage!”

Su Qingyan bit her lip tightly, her tone was very solemn: “Don’t be impulsive, this Bai Yunfei is very strong, and can tie Luo Jue, don’t be reckless.”

What?

Can this guy draw a tie with Luo Jue?

Hearing this, Sun Dasheng was shocked, but it was not false at all, and he still stared at Bai Yunfei coldly.

“Miss Qingyan!”

At this moment, Bai Yunfei showed a smile and said to Su Qingyan, “Looking at how anxious you are, what happened?” On the

surface, he was concerned, but in his heart he was gloating.

If something happened to Yue Feng, wouldn’t he have a chance to approach Su Qingyan?

Su Qingyan sighed softly, and then said the matter simply.

Haha...

Knowing the situation, Bai Yunfei felt indescribably happy. Yue Feng was actually taken away, haha... This is really good news.

At this time, Su Qingyan asked seriously: “Bai Yunfei, does this matter have anything to do with you?”

“Ms. Qingyan!”

Bai Yunfei smiled all over his face, as if he didn’t think it was a big deal: “How does this matter have anything to do with me? If I want to deal with Yue Feng, do I still need to use this method? As I said, this Yue Feng doesn’t know what mysterious force has offended.”

Said, Bai Yunfei took two steps closer, Looking at Su Qingyan, he said affectionately: "Seriously, how can Yue Feng be worthy of a peerless beauty like Miss Qingyan? Why don't you stop

looking for him and follow me in the future." While admiring Su Qingyan's appearance, Fei became more and more fascinated.

And Sun Dasheng next to him was directly ignored by him.

Swish!

Hearing these words, Su Qingyan's delicate face suddenly flushed red, and she couldn't tell the shame and anger: "Bai Yunfei, please respect yourself!"

At the same time, Sun Dasheng was even more angry.

Nima, this Bai Yunfei is too arrogant, to openly say such things to Su Qingyan.

This is Fengzi's woman.

Sun Dasheng became more and more angry the more he thought about it, he couldn't help it at all!

hum!

In the next second, Sun Dasheng's eyes were instantly blood red, and he directly stimulated his inner strength, and then a golden light flashed, and the opening axe also appeared in his hand!

"Where did the dead thing come from, give me death!"

With a roar, Sun Dasheng filled his body with murderous aura, and slashed it with an axe!

He had a fiery temper, and Yue Feng was taken away, and he was already irritable. At this time, seeing Bai Yunfei talking badly to Su Qingyan, how could he bear it!

"Roar!"

Only a dragon roar was heard, which came from the opening axe, and then a dazzling golden light ripped apart the night sky and swept away towards Bai Yunfei.

hiss!

Seeing this scene, Ji Hongshang's delicate body trembled, indescribably frightened, with such a strong aura.

Is this...is the power of the Divine Soldier?

However, Su Qingyan was so anxious that she couldn't help but whisper: "Great Sage, don't..." This Bai Yunfei, who can tie with Luo Jue, has extraordinary strength, even if the Great Sage has the axe to open the sky, I'm afraid it's not an opponent.

Shouting, Su Qingyan was about to go up to stop it, but it was too late.

Chapter 3814

Hehe...

Feeling the power of this axe, Bai Yunfei didn't panic at all, on the contrary, a trace of disdain evoked the corner of his mouth: "I don't know what the sky is so thick, do you think that you can be presumptuous in front of me if you have an axe?"

"At the moment of falling, a powerful breath burst out from Bai Yunfei's body, and then his figure flashed, avoiding the bombardment of the golden light.

After dodging, Bai Yunfei slowly raised his right hand.

"Clang!"

Bai Yunfei's palm seemed to be an understatement, but he slapped it precisely on the back of the axe, and a dull collision came out. Sun Dasheng only felt a powerful force coming, and the whole person was directly shocked by Linglong. go out.

After flying dozens of meters away, Sun Dasheng fell to the ground, his face pale, and a mouthful of blood spurted out at the same time!

Yes, with that palm just now, Bai Yunfei stimulated the power of the Demon Soul.

Speaking of which, at this time, the strength of Sun Dasheng has reached the middle stage of the Tribulation Realm. Such strength can completely disdain the entire Kyushu rivers and lakes. At the same time, he has the opening axe, and there are very few people who can match it.

However, facing Bai Yunfei, he couldn't resist even a single move.

So strong!

Seeing this scene, Su Qingyan's tender body trembled, extremely shocked.

This Bai Yunfei was so strong that the Great Sage spread his Heavenly Axe, and he couldn't even catch a single move.

Afterwards, Su Qingyan reacted, her delicate face was full of worry, and shouted at Sun Dasheng: "Dasheng, how are you?"

Huh..

Hearing Su Qingyan's question, Sun Dasheng took a deep breath and held back his body. Pained, he shook his head and said, "I'm fine."

As he spoke, Sun Dasheng stared at Bai Yunfei, his eyes couldn't hide his anger.

Madd, how could this be?

This kid is only in his twenties, and his strength is so terrifying that he can't even hurt him with the Heaven Opening Axe...

"You can't do it with just one move? Aren't you very powerful?"

At this moment, Bai Yun There was a contemptuous smile at the corner of Fei's mouth, and then he raised his hand again, and suddenly, a bloody light burst out, like a shock, coming towards Sun Dasheng.

Nima!

Feeling the power contained in the blood-colored light, Sun Dasheng's face changed, and he didn't have time to think about it. He held the Heaven-Opening Axe tightly and waved it in the air, forming a golden protective film that blocked his eyes.

boom!

The blood-colored light slammed into the protective film, and a loud noise erupted. The terrifying energy swept out, and everyone around was shaken out.

The protective film shattered directly, and Sun Dasheng was shocked and flew out again, flying more than ten meters away, landing heavily, his face was pale, and his breath was extremely weak.

At this moment, Ji Hongshang was indescribably excited and excited, looking at Bai Yunfei's eyes with reverence.

Strong, too strong.

Su Qingyan was anxious.

Oops, Sun Dasheng angered Bai Yunfei, now there is trouble.

"Sun Dasheng, right?"

At this time, Bai Yunfei looked proud, looked at Sun Dasheng and said contemptuously, "I don't care how famous you are in Kyushu, if you provoke me, there is only one end, and that is death." After

speaking, Bai Yunfei took a step . Come step by step.

A terrifying aura filled the whole world.

Mad!

Sun Dasheng lay there, angry and unwilling at the same time.

After debuting for so long, he still owns the Heaven-opening Axe, but he can't even beat Bai Yunfei. It would be too useless to die in his hands again.

"No!"

Seeing that Bai Yunfei was about to walk up to him, Su Qingyan let out a coquettish cry, then ran over and stood in front of Dasheng Sun: "Bai Yunfei, don't go too far."

At this time, Su Qingyan, delicate His face was full of fear.

Speaking of which, she knew that even with Dasheng Sun, she couldn't beat Bai Yunfei, so rushing up at this time was undoubtedly courting death.

But... Sun Dasheng is Yue Feng's sworn brother, how could he just watch him be killed by Bai Yunfei.

Chapter 3815

Seeing Su Qingyan standing in front of him, Bai Yunfei frowned, then stopped.

"Miss Qingyan." In the

next second, Bai Yunfei showed a smile and said slowly, "This is your fault, he did it first, and now I'm countering him, I can only blame him for his inferior skills.

" At this point, Su Qingyan bit her lip tightly: "He was reckless just now, please don't kill him."

"Don't beg him!"

Sun Dasheng couldn't tell the fire, and shouted at Su Qingyan: "He killed me if he had the ability. Brother Wen and Fengzi will definitely avenge me." The

head of Huaguo Mountain, who is dignified, actually asked his brother's woman to help him intercede. How can he stand in the rivers and lakes in the future.

Seeing Sun Dasheng's stubborn face, Su Qingyan couldn't be more anxious: "Dasheng, listen to me, calm down!"

At this time, Bai Yunfei chuckled lightly, looked at Su Qingyan and said, "Okay, since Miss Qingyan spoke up. I'll leave him alone."

After speaking, Bai Yunfei looked down at Dasheng Sun and said word by word, "I thought the head of Huaguoshan was so powerful, but that's all, Dasheng Sun, see me later. , it's better to be honest, today I'll give Miss Qingyan a face, and next time I meet you, you won't be so lucky."

Sun Dasheng didn't respond, his face flushed, and he was extremely angry.

At this moment, Ji Hongshang chuckled lightly and said to Bai Yunfei: "Sect Master, you are really powerful, you defeated Dasheng Sun so easily, and your strength is completely the number one in Kyushu, what Yue Feng, Luo Jue, and others? The Sun Dasheng in front of you is not worthy of your shoes." As

she spoke, Ji Hongshang gave Sun Dasheng a contemptuous look.

Hearing these taunts, Sun Dasheng's glasses instantly turned blood red!

He has a hot personality, how can he tolerate others being so humiliated?

"Ma De, even if I die today, I will fight you all." Sun Dasheng roared, struggling to stand up.

Su Qingyan stomped her feet in a hurry, and quickly stopped him: "Great Sage, are you crazy?"

Speaking of which, Su Qingyan was also very angry at this time, but she knew very well that if Bai Yunfei was angered in front of her, she and she would be mad. Great sage, can't live anymore!

"Miss Qingyan!"

Seeing this scene, Bai Yunfei was not angry at all, but smiled at Su Qingyan with a relaxed expression: "It's getting late today, we will have an appointment later." After the voice fell, he took Ji Hongshang and left. .

"Quick."

Seeing Bai Yunfei go away, Su Qingyan breathed a sigh of relief, and then shouted at several disciples, "Quickly take the Great Sage back to heal your wounds."

Just now, the Great Sage Sun was knocked flying twice in a row by Bai Yunfei, and he was seriously injured. very serious.

Hearing this, several disciples helped Dasheng Sun up and rushed back to the Ouyang family.

...

this moment, the other side.

Xia Yinzong Stone Prison.

Yue Feng sat there cross-legged, closing his eyes and resting. Although his hands were still tied at this time, Yue Feng did not panic at all.

He clearly felt that the efficacy of Zhenyuan Dan in his body was slowly disappearing.

As long as the efficacy of Zhenyuan Dan has passed, and Yue Feng is about to leave, no one can stop him.

Time passed by minute by minute.

Squeak!

I don't know how long it took, I heard the cell door being gently pushed open, and then, a figure flashed in quickly.

Could it be that Nalanqing changed his mind and wanted to let himself go?

Hearing the movement, Yue Feng quickly opened his eyes, but he was stunned when he saw the scene in front of him.

I saw that the person who came was wearing a purple short skirt, with a slim and charming figure, but in those eyes, there was a glint of coldness and pride.

It is Nalan Wushuang.

how is she?

The ultimate husband in Chinese chapter 3816-3820

Chapter 3816

Seeing Nalan Wushuang, Yue Feng frowned, and his mood became worse.

This unruly girl quietly came to the stone prison, there must be no good thing.

“Yue Feng!”

Just when Yue Feng was muttering to himself, Nalan Wushuang walked over leisurely and said with a smile, “I said before in Donghai City that I would not let you go.”

Yue Feng took a deep breath . He said lightly: “What do you want?”

Nalan Wushuang sneered: “It’s very simple, you kneel down to apologize to me, and you must be sincere. As long as I am satisfied, our grievances will be written off.” The

voice was not loud, But there is no doubt.

What?

Kneel down to apologize to you?

Hearing this, Yue Feng couldn’t help laughing: “Girl, you didn’t wake up, did you?”

Seemingly guessing that Yue Feng would refuse, Nalan Wushuang’s face sank, and he said coldly: “Okay, it’s quite strong. That’s right.” With that, he pulled Yue Feng up and took him out of the secret room.

It was already late at night outside.

Nalan Wushuang grabbed Yue Feng tightly and walked towards the depths of the valley behind.

Yue Feng was inexplicably uneasy and couldn’t help but say, “Where are you taking me?”

Nalan Wushuang’s gloomy face ignored him.

This chapter is provided by . Visit for daily update.

Soon, at the entrance of a huge hole, Nalan Wushuang stopped.

What the hell!

At this moment, seeing the environment in front of him, Yue Feng was shocked and froze there.

I saw that the cave was extremely huge, with a diameter of several hundred meters and a depth of more than one hundred meters. At the bottom of the cave, there was a huge figure.

It was a Flood Dragon.

This Flood Dragon is nearly 100 meters long, covered with black and red scales, and has two horns on the top of its head. Because it has not yet transformed into a dragon, it has not yet grown dragon claws.

A pair of eyes, flashing blood-red light, full of suffocation, and a terrifying aura filled his body.

Although he hasn't turned into a dragon yet, Yue Feng was still surprised when he felt the strength of this dragon.

Crossing the Tribulation Realm...

"Yue Feng!"

Looking at Yue Feng's expression, Nalan Wushuang's delicate face showed a bit of pride and arrogance: "Have you seen this dragon? Yes, I'll give you one more chance, and immediately kneel down and apologize to me, otherwise, I'll throw you away."

"Even if you have Yuanshen body protection, but because of taking Zhenyuandan, your strength has not recovered. I can't stop this dragon."

Phew...

Hearing this, Yue Feng took a deep breath and said slowly: "Girl, don't scare me, you really left me, how to explain to your mother, don't forget Now, she's still waiting to join me..."

Before he could finish speaking, Nalan Wushuang interrupted with a sly look: "This is easy, when you are bitten to death by Jiaolong, I'll say it's you. I ran out, ended up breaking in here by mistake, and encountered a dragon.... No one would doubt me."

Nima!

At this moment, Yue Feng was about to cry without tears, this girl is too cunning, she can think of such a ruthless means.

Muttering in his heart, Yue Feng shrugged his shoulders, as I called it: "Whatever you want, it's impossible for me to apologize to you anyway. Besides, when I spanked you, I also explained that it wasn't intentional at all. Yes, if you really feel disadvantaged, you can also spank me, and we'll get it right."

Shua!

Nalan Wushuang's face turned extremely red, embarrassed and angry.

This Yue Feng is really shameless, he can say such shameless words.

"Stinky rascal!" The

next second, Nalan Wushuang said coldly: "I gave you a chance, if you don't take it, then you can't blame me." After saying that, Nalan Wushuang raised his foot and kicked Yue Feng directly. Down the hole.

Chapter 3817

Nima!

The moment his body fell, Yue Feng was shocked and angry.

This Nalan Wushuang is too cruel, just kicked me down like this?

Phew...

At this moment, Nalan Wushuang stood on the edge of the hole, with a delicate face, without the slightest regret, but with indescribable joy: "Dare to take advantage of me, that's how it ends."

After saying this, Seeing that it was still early, Nalan Wushuang did not rush back, but sat there cross-legged and began to meditate.

She thought about it, first to practice here for a while, and when it was almost dawn, she would go back and tell everyone that Yue Feng escaped from prison and escaped. By that time, Yue Feng had been bitten by Jiaolong and there were no bones left, even if her mother knew If you know the truth, you won't blame yourself.

...

below the burrow.

Huhuhu...

The wind whistled in his ears, Yue Feng was tied with his hands, and he landed quickly. Seeing that he was about to end, Yue Feng took a deep breath, stared at the stone wall, and moved his body laterally out to slow down the force of the fall. .

Pfft... But

even so, when he landed, Yue Feng felt the blood surge, and a mouthful of blood spurted out.

Speaking of which, with Yue Feng's strength, it is impossible for him to be injured when he falls from a height of several hundred meters, but his hands are tied at the moment, and the effect of Zhenyuan Dan in his body has not been completely eliminated. In this case, nature was shocked.

Swish!

Hearing the movement here, Jiaolong, who was lying not far away, straightened up instantly, and those blood-red eyes also locked Yue Feng at once.

In the next second, Jiaolong quickly swam his huge body and came towards Yue Feng.

Tonight, the moonlight is bright, and Jiaolong absorbs the essence of the moonlight. At a critical moment, he is suddenly disturbed by a stranger, and his brutality is directly inspired.

At this moment, there was only one thought in the dragon's mind, which was to kill the person in front of him.

Oops!

Seeing the dragon coming quickly, Yue Feng's expression changed.

Ma De, the effect of Zhenyuan Dan in the body has not completely disappeared, and he fell and injured again just now. In this situation, how can he beat the dragon in front of him?

"Roar!"

Just as Yue Feng was muttering secretly, the Jiaolong was as fast as lightning, and had already rushed to the front, its huge head raised high and looked down at Yue Feng, then opened its bloody mouth.

That's right, the beast ring!

At this critical moment, Yue Feng couldn't tell how nervous he was, and then he thought of something, struggled to break the ropes of his hands, and then took out the beast-fighting ring. He shouted at Jiaolong: "Bastard, don't be arrogant!"

Although the effect of Zhenyuan Dan in the body has not completely disappeared, it is still no problem to break the rope of his hands.

Um?

Hearing Yue Feng shouting, Jiaolong stopped instantly, his blood-red eyes were full of doubts!

what happened?

Why did the aura on this person suddenly change?

At this time, Jiaolong clearly felt that Yue Feng in front of him had an aura that made him kind, and this kind of aura was emitted by the beast-fighting ring.

Fortunately, there is a beast ring!

Seeing Jiaolong stop, Yue Feng secretly breathed a sigh of relief.

Immediately, Yue Feng took a deep breath and urged the beast ring to communicate with the dragon in front of him: "I didn't mean to break into your territory, I just fell down because I was framed."

"We don't have any grievances, so don't kill each other. ."

As he spoke, Yue Feng secretly stimulated his internal strength to expel the remaining Zhenyuan Dan medicinal power in his body. As long as he returned to his peak state, he would not be afraid of the dragon in front of him.

"Um?"

Chapter 3818

Hearing Yue Feng's words, Jiaolong's huge body was faintly shocked, and his eyes flashed with surprise: "Can you talk to me?"

It didn't know that Yue Feng was able to communicate with it through the beast ring.

call!

Feeling Jiaolong's shock, Yue Feng smiled slightly and explained: "Don't be surprised, I understand a little animal language."

At this time, Jiaolong thought for a while, his eyes flashing gloomy: “Even if you didn’t intentionally disturb me, but you broke in My territory interrupted my cultivation, and I will not let you go.” The

tone was stern and unquestionable.

You must know that this Flood Dragon is only one step away from turning into a dragon, so today it will absorb the essence of moonlight, but at the most critical moment, it was interrupted by Yue Feng.

After this failure, we have to wait another ten years. How can Jiaolong not be angry?

Under the anger, Jiaolong stopped talking nonsense, and swept his long tail, ready to wrap Yue Feng.

Nima!

Seeing Jiaolong attacking again, Yue Feng couldn’t help but scolded, and then said: “Wait, didn’t you just interrupt your cultivation because of me? Judging from your situation, it should be about to transform into a dragon, I can help you. .”

When saying this, Yue Feng’s face was serious.

When he sensed the strength of this Flood Dragon just now, Yue Feng could see that it had reached the bottleneck stage, and he was only one step away from turning the Flood Dragon into a dragon, but he was disturbed by himself.

Speaking of which, if it were three years ago, Yue Feng would never have been so open-hearted, but at this time, Yue Feng, with the power of bird ancestors in his body, can completely help him get through the bottleneck period.

What?

Hearing this, Jiaolong was stunned for a moment, and then he said with disdain: “I’m really shameless. I have practiced for thousands of years, and I don’t know how many hardships I have gone through. You can help me with just a few words. Do you think I will believe it?”

“You want to delay time and run away, right?” The

last sentence fell, and Jiaolong’s eyes flashed gloomily.

Ugh!

Seeing Jiaolong’s reaction, Yue Feng couldn’t help laughing, and then he looked calm and calm: “I, Yue Feng, never do anything unsure, let alone lie and deceive people.”

“You should also perceive it . Come out, I am not an ordinary human, I have primordial spirit in my body. Not only that, but I also have the power of bird ancestors.” At the

end, Yue Feng looked proud: “You say, do I have the ability to help you?” The voice fell. , Yue Feng raised his hand gently, and saw a group of blood-colored beads that were burning with flames, suspended.

It is the power of bird ancestors.

Huh...

Seeing this scene, Jiaolong’s huge body trembled faintly, and his blood-red eyes stared at Yue Feng, indescribably shocked.

This person is not lying, he really has the power of bird ancestors?

According to legend, the power of the ancestors of the bird contained infinite power in the Vermillion Bird of the four innate spirit beasts, but now it is actually in a human being, which is really incredible.

“Okay...”

Finally, Jiaolong reacted and nodded at Yue Feng: “I’ll trust you once!”

Yue Feng smiled and said, “Don’t worry, before you help you get through the bottleneck, you also Do me a favor, I took Zhenyuan Dan, and the power of the medicine has not been completely eliminated.”

“What you have to do is to protect the law beside me and let me regain my peak strength.”

Hearing these requests, Jiaolong nodded in agreement without hesitation.

Afterwards, Yue Feng sat there cross-legged and began to expel the Zhenyuan Pill from his body.

...

on the other side, above the hole in the ground.

Nalan Wushuang practiced for a while, then slowly stood up.

Two hours have passed, and Yue Feng has been bitten to death by Jiaolong, right? But why didn’t you hear any movement just now?

Muttering in his heart, Nalan Wushuang mobilized his inner strength, got up, and flew towards the bottom of the hole.

Chapter 3819

Huh?

A few seconds later, Nalan Wushuang landed to the bottom, and when he saw the situation in front of him, his body trembled and he was stunned.

I saw that the huge body of Jiaolong was coiled there, like a hill, not moving at all.

In the open space in front of Jiaolong, a figure was sitting cross-legged, meditating and meditating. His facial features were cut like a knife, and he was indescribably handsome and cold.

Who is it if it's not Yue Feng?

what's the situation?

Seeing this scene, Nalan Wushuang was stunned for a moment, only to feel that his mind was blank.

This Jiaolong didn't even attack Yue Feng...

Not only that, but this Jiaolong seems to be helping Yue Feng to protect the law... It's incredible.

Huh....

At this moment, Yue Feng heard the movement, slowly opened his eyes, and saw that it was Nalan Wushuang, and suddenly felt a little angry.

Mad, this girl actually came down, she must want to see if I was bitten to death by Jiaolong.

Thinking to himself, Yue Feng endured the anger in his heart, and his face remained calm.

"Yue Feng?!"

Finally, Nalan Wushuang couldn't bear it any longer. Looking at Yue Feng, he asked, "Why are you all right?"

At this time, Nalan Wushuang's mind was blank. Feng was able to coexist peacefully with Jiaolong.

What a surprise.

Feeling Nalan Wushuang's surprise, Yue Feng chuckled lightly: "Why should I be in trouble? You really hope that I will be bitten to death by Jiaolong? The result is very disappointing, right?"

Having said that, Yue Feng stood up slowly and continued: "To tell you the truth, I can communicate with it, this Jiaolong is in a good mood tonight, so our well water will not cause river water."

What?

Hearing this, Nalan Wushuang's delicate body trembled, and the whole person was stunned.

Soon, Nalan Wushuang reacted, and his delicate face was full of disdain: "Can you communicate with Jiaolong? Who are you lying to? Tell me, what the hell is going on?"

Yue Feng said with a relaxed expression: "Believe it or not!"

As he said that, Yue Feng secretly activated the beast ring and said to Jiaolong who was beside him: "With this girl here, it will be inconvenient for you to break through the bottleneck later, it seems that you want to help me. Acting in a play."

"Okay, what do you want me to do?" Jiaolong replied without thinking.

Yue Feng pondered for a while, and then told the plan.

Seeing Yue Feng standing there muttering, Nalan Wushuang became impatient: "Hey, what are you talking to yourself?"

At this time, Nalan Wushuang didn't know that Yue Feng was discussing plans with Jiaolong. .

"I'm talking to her." Yue Feng said with a relaxed smile: "The two of us were very harmonious here, but you suddenly broke down. It's in a bad mood now."

"It's still talking nonsense . ." Nalan Wushuang looked contemptuous.

It's just a Flood Dragon, how could he be in a bad mood, this Yue Feng will talk nonsense.

"Roar!"

But at this moment, I saw the Jiaolong lying there, suddenly let out a roar that shocked the world, and the huge body suddenly stood upright, looking very manic.

Yes, this is exactly Yue Feng's plan to make Jiaolong show his rage.

hum!

Immediately afterwards, a red flame spewed out of the Jiaolong's mouth, forming a sea of flames that spread around.

In a blink of an eye, the bottom of the entire cave was completely enveloped in flames, and the air was filled with extremely scorching high temperature, like a huge stove.

"Hey!"

This time, Nalan Wushuang panicked, and quickly urged his inner strength to resist the scorching flame, and shouted to Jiaolong at the same time: "We meet often, calm down..."

Chapter 3820

She grew up in Xia Yinzong, and often met with Jiaolong, thinking that she could calm Jiaolong by speaking.

However, this was planned by Jiao Long and Yue Feng, how could he listen to her?

"Om!"

Seeing that Jiaolong didn't listen to his cry at all, Nalan stomped his feet in a hurry, then raised his jade hand and deployed a protective film around his body to block the surrounding flames.

In the beginning, Nalan Wushuang was very relaxed, but as the flood dragon continued to breathe out flames, gradually, the protective film she put down became somewhat unstoppable.

"Kacha, kacha..." In the

blink of an eye, a minute later, I saw that Nalan Wushuang's protective film, under the constant attack of the scorching high temperature, appeared one after another cracks.

How to do?

Nalan Wushuang was in a hurry, then looked at Yue Feng, and was stunned.

He saw that Yue Feng was standing in the flames with a relaxed expression on his face, and he was not affected at all. The raging fire did not harm him at all.

"You... how are you all right?" Nalan Wushuang couldn't help but said in surprise.

Yue Feng smiled slightly and said, "I have a strange fire in my body. Of course, the flames spewed by this dragon have no effect on me."

Possess a strange fire?

Hearing this, Nalan Wushuang's delicate body trembled, and his heart was extremely shocked.

This Yue Feng actually has a strange fire.

Wow...

Just when Nalan Wushuang was shocked, he saw the protective film around her completely shattered, and then, fire rushed up from all directions.

Nalan Wushuang was so anxious that he quickly urged his inner strength to resist.

Nalan Wushuang is powerful, and under the urging of internal force, it is difficult for the fire to cause damage to his skin, but the short skirt is inevitably burned.

Chi Chi...

In the blink of an eye, I saw that the short skirt on Nalan Wushuang's body was quickly burned to ashes and dissipated in the air.

Tsk tsk...

At this moment, seeing Nalan Wushuang's perfect curve exposed in the air, Yue Feng couldn't help looking up and down, secretly admiring in his heart.

I have to say that although this girl is unruly, her figure is still quite good.

Swish!

Sensing Yue Feng's gaze, wandering on his body, Nalan Wushuang's delicate face suddenly turned red and angry.

In the next second, Nalan Wushuang bit his lip and shouted coldly: "Yue Feng, close your dog's eyes."

He was pure and clean, but Yue Feng looked at him, how will he meet people in the future?

Close the dog's eyes?

Nalan Wushuang didn't say this, but after saying this, Yue Feng simply sat on the ground, put on a very comfortable posture, and continued to appreciate it.

"You!" Nalan Wushuang stomped his feet in anger, wishing he could rush over and kill him. It's just that the dragon in front of him was still in a state of rage, so he had to hold back.

For a time, Nalan Wushuang bit his lip and cursed Yue Feng hundreds of times in his heart!

"Roar, roar..."

I don't know how long it took, Jiaolong stopped breathing flames, with scarlet light flashing in his eyes, swimming around, looking extremely manic.

Seeing this, Nalan Wushuang was inexplicably nervous.

Finally, she couldn't bear it anymore, and said to Yue Feng, "What is it doing?"

Seriously, Nalan Wushuang hated Yue Feng to death, and didn't want to ask him at all, but there was no way that Yue Feng could communicate with Jiaolong. .

Yue Feng sat there lazily and said with a smile, "Do you still need to ask? This Jiaolong was absorbing the essence of moonlight just now to break through the bottleneck. As a result, you suddenly came down, causing its cultivation to be interrupted."

After speaking, Yue Feng glanced at Glancing at the Jiaolong, he continued: "It is very manic now, and it is estimated that you will be willing to give up after eating it."

The ultimate husband in Chinese chapter 3821-3830

Chapter 3821

What?

eat me?

Hearing this, Nalan Wushuang turned pale and panicked.

If I knew this earlier, I wouldn't come down just now.

Seeing Nalan Wushuang's expression, his heart was very happy.

This girl finally knew she was afraid.

That's right, Jiaolong suddenly became violent, and it was purely a performance. Nalan Wushuang kicked Yue Feng down before, which made Yue Feng very annoyed. At this time, he used Jiaolong to teach Nalan Wushuang a good lesson.

"Yue Feng!"

Seeing Jiaolong staring at him all the time, Nalan Wushuang panicked completely and shouted at Yue Feng: "Yue Feng, can't you communicate with it? Help me talk, don't let it eat me ..."

Seeking help from Yue Feng, Nalan Wushuang was reluctant, but he had no choice. In the current situation, he could only ask Yue Feng for help.

Otherwise, he will be eaten by the dragon.

Haha...

Seeing that Nalan Wushuang's clothes are soft, Yue Feng's heart is not happy, but there is no expression on his face, and he said lightly: "Girl, you have to kill me before, why should I talk to you? ?"

"You..."

Nalan Wushuang bit his lip, not knowing how to answer for a while.

This chapter is provided by . Visit [for](#) daily update.

In the next second, Nalan Wushuang let go of his previous pride and bowed his head: "Yue Feng, I was wrong before, I was too self-willed, don't care about me, forget it... I beg you."

Hearing this, Yue Feng pondered for a while, then nodded slowly and said, "Please, but I just said that I can't, so I have to say something."

Jiaolong's rage was just for performance, and Yue Feng didn't want Jiaolong to eat Nalan Wushuang, so he wanted to teach him a lesson.

Express?

Nalan Wushuang was stunned for a moment, then frowned, "How do you want me to express it?" Phew

!

Yue Feng scratched his head, thought for a while, and said with a smile: "Well, call me uncle. I'll help you talk!" This Nalan Wushuang is only a few years older than Yue Wuya. If so, it's not too much to call yourself uncle.

What?

Hearing this, Nalan Wushuang's delicate face suddenly flushed red, biting his lip in embarrassment.

This... This Yue Feng actually made himself call his uncle.

She is the eldest lady of Xia Yinzong, and her status is honorable, but this Yue Feng actually made such a request to him. Call him uncle, isn't this the elder?

This Yue Feng is clearly taking advantage of himself.

"Girl?"

Seeing her standing there, hesitating, Yue Feng couldn't help urging: "Do you scream? If you don't want to, I won't force it." As he

spoke, he admired up and down. Nalan is unparalleled.

This Nalan Wushuang is not only beautiful, but also has a superb figure.

Yue Feng's eyes made Nalan Wushuang's face even redder. He bit his lips and whispered: "Uncle... uncle"

When Nalan Wushuang shouted these two words, Nalan Wushuang's heart was shaking slightly. The sound is as thin as a mosquito, and you can't hear it if you don't listen carefully.

Gudong.

Hearing this uncle, Yue Feng showed a smile and was very satisfied.

However, Yue Feng still felt that it was not enough, so he stood up and leaned out, and said with a look on his face: "Girl, what did you call me? With such a low voice, who heard it?"

Nalan Wushuang was ashamed and angry.

This Yue Feng really doesn't have the slightest bit of formality, does he have to take advantage of it?

Chapter 3822 Thought, Nalan Wushuang

didn't show it, bit his lip tightly, almost bleeding, and shouted again: "Uncle.."

His face fell instantly. Nalan Wushuang is an arrogant and arrogant woman. She called Uncle Yue Feng twice in a row, feeling unspeakable in her heart.

"Well, really good!"

Yue Feng accepted it when he saw it, nodded, and said with a smile: "Okay, since you are so sincere, then I will help you to beg for mercy!"

With that, Yue Feng walked over to Jiaolong In front of him, he pretended to say: "Jiaolong, Jiaolong, this girl didn't mean to disturb you, so don't bother with him." As he

spoke, Yue Feng secretly stimulated the power of bird ancestors, injected it into Jiaolong, and whispered at the same time. Said: "I'll say what I'm saying, this power of the ancestors of birds, as long as you can successfully integrate, you can break through the bottleneck. That's all I can help. Whether it can be successful or not depends on you."

Yue Feng's actions were very Small, Nalan Wushuang couldn't see it at all.

Jiaolong was very grateful, nodded at Yue Feng, and immediately lay there, motionless, silently integrating the power of the ancestors of birds.

Because Yue Feng said it well, the power of bird ancestors can indeed help it break through the bottleneck.

Can he really communicate with Jiaolong?

Seeing Jiaolong calm down, Nalan Wushuang's delicate body trembled, both joyful and shocked, staring at Yue Feng blankly, his mind buzzing like a fool.

Afterwards, Nalan Wushuang heaved a sigh of relief.

It's finally all right.

At this time, Nalan Wushuang didn't know that he was completely fooled by Yue Feng.

"All right!"

At this time, Yue Feng turned around and said with a smile at Nalan Wushuang: "Our previous grievances have been completely written off. I still have something to do, so I will take a step first."

After that, Yue Feng was about to urge The figure flew up.

"Wait!"

However, at this moment, Nalan Wushuang shouted eagerly.

Yue Feng stopped, looked back, and saw Nalan Wushuang's hesitation.

"Big niece? Is there anything else?" Yue Feng said with a smile.

Facing Yue Feng's gaze, Nalan Wushuang was very embarrassed and said in a low voice, "Because I was resisting the raging fire of the Jiaolong just now, my internal strength was severely depleted and I couldn't fly up. You... can you bring me?"

Yue Feng He sighed secretly, nodded and said, "Okay, I'll take you up." Anyway, she has already taught her a lesson, and it's okay to take her out of here.

Having said that, Yue Feng realized something, and looked Nalan Wushuang up and down: "But, your clothes are all burnt out, if I hold you, I'm afraid it won't fit..."

Yes!

How to do this?

Nalan Wushuang's delicate face was flushed with shame, unable to express the embarrassment. Then he thought of something, and whispered: "Can't hold... Why don't you carry me?"

After saying this, Nalan Wushuang's face, inexplicably a little red.

To be honest, Nalan Wushuang didn't want to be so close to Yue Feng, but there was nothing he could do. At this time, his internal energy was severely exhausted, and he couldn't fly up alone. If he stayed here and waited for the next Jiaolong to be violent again, it would be troublesome.

Haha...

Hearing this request, Yue Feng couldn't help laughing and nodded: "Well, you called my uncle anyway, and it's okay for elders to carry you behind their backs."

The voice fell, Yue Feng came over, let Nalan Wushuang lie on his back, and then urged the figure to fly away from the hole.

Soon, at the top, Yue Feng and Nalan Wushuang said goodbye and left.

Huh...

At this moment, Nalan Wushuang stood there, watching Yue Feng's figure disappear into the sky, with some indescribable complexity in his heart.

This Yue Feng, who had fought against him several times, was always at a disadvantage.

Could it be that he is his destined nemesis?

What made her blush even more was that not only did he call Uncle Yue Feng, but he also asked him to leave the hole behind his back.

Chapter 3823

Thinking of this, Nalan Wushuang was less disgusted with Yue Feng than before, but more curious and interested.

This Yue Feng seems to be omnipotent.

How many secrets does he hide?

...

on the other side, Zhongzhou.

The Junting Hotel is the largest and most upscale hotel in Zhongzhou City. Of course, what can be consumed here is either rich or expensive, and it is simply not affordable for ordinary people.

Bai Yunfei and Ji Hongshang, after leaving Tianzhong Park, returned directly to the hotel room.

"Sect Master!"

As soon as she entered the room, Ji Hongshang thought of something, and couldn't help asking: "When I was in the park just now, the Sect Master kept his eyes on Su

Qingyan, and it seemed that the Sect Master was very interested in this woman. Bai Yunfei nodded without hesitation, smiled and said, “

Yes, this Su Qingyan is graceful and graceful, she is like a fairy descended from the world. I fell in love with her at the Celebration Banquet of Tiandao Alliance at that time.”

Said, Bai Yunfei said regretfully, “It’s a pity that she recognized Yue Feng and completely dismissed my favor.”

When it came to Yue Feng, Bai Yunfei became inexplicably angry.

Ma De, this outdated hero of Kyushu, not only was accompanied by a beautiful woman like Su Qingyan, but he was still in the antique street before, which made him very embarrassed.

Huh...

Hearing this, Ji Hongshang’s eyes flickered, and she quickly said to please: “Since that’s the case, when the Sect Master injured Sun Dasheng in the park just now, why didn’t he take Su Qingyan away? I found an opportunity to capture Su Qingyan and dedicate it to the sect master...”

When she said this, Ji Hongshang had a smile on her face, but there was a bit of cunning in her eyes.

In her heart, she and Yue Feng had an inseparable hatred. If she couldn’t kill him in a short period of time, she would arrest his woman and give it to Bai Yunfei, so that she could temporarily vent her anger.

In short, Ji Hongshang is willing to do anything that is unfavorable to Yue Feng.

Haha...

Seeing the sincerity on Ji Hongshang’s face, Bai Yunfei couldn’t help laughing, shook his head and said, “Ji Hongshang, it’s rare for you to be so loyal, I’m very pleased, but about Su Qingyan, you can There ‘s no need to intervene.”

Immediately, Bai Yunfei looked out the window, with a hint of treacherousness on the corner of his mouth: “If I expect it well, within twelve hours, Su Qingyan will take the initiative to come to me.”

When the last sentence fell , Bai Yunfei’s face is full of confidence.

What?

Hearing this, Ji Hongshang was stunned for a moment, and then she asked curiously, "Why?"

Bai Yunfei said with an unfathomable expression on his face, and said slowly, "When I fought with Sun Dasheng before, I stimulated the power of the demon soul. , you have to know that ordinary people cannot resist the power of the devil soul, even if the strength of Sun Dasheng reaches the transcendence realm, the same is true."

"The longer the power of the devil soul stays in the human body, the more dangerous it is. It will be suppressed to the death, the whole person will become extremely weak, and finally will die."

"In this case, even if Hua Tuo is alive and Shennong comes in person, there is no way to do it. The only way to solve it is to use my blood as medicine. Only then can it be completely lifted."

After saying this, Bai Yunfei had a proud look on his face.

That's right, when he was in the park before, Bai Yunfei promised Su Qingyan on the surface to spare Sun Dasheng's life, but in fact, at that time, Sun Dasheng had already been attacked by the power of the devil's soul.

What?

Hearing this, Ji Hongshang's tender body trembled, staring blankly at Bai Yunfei, extremely shocked.

The power of the demon soul of the sect master is so overbearing.

Under the shock, Ji Hongshang was inexplicably excited and excited, and said softly: "So, if the sect master doesn't come to rescue, then Dasheng Sun will surely die?"

Hmm!

Bai Yunfei nodded and said with a smile: "That's right. Then Su Qingyan is a woman of temperament, she loves Yue Feng deeply, and Dasheng Sun is Yue Feng's sworn brother."

"What's more, when I injured Dasheng Sun, She is also there, so Sun Dasheng is at stake, and she will definitely not sit idly by."

Chapter 3824

After listening to the analysis, Ji Hongshang was extremely adored and couldn't help admiring: "The sect master's trick of 'waiting for labor' is really clever."

Haha... After

being praised, Bai Yunfei laughed and couldn't say it. proud.

...

At this moment, the Ouyang family.

With the help of Su Qingyan and many disciples, Sun Dasheng stumbled back to the Ouyang family manor.

At this time, Wen Chou Chou, Ren Yingying, and others came back one after another because they could not find any trace of Yue Feng.

puff.

As soon as he entered the front hall, Sun Dasheng's body softened, and he knelt on one knee directly on the ground. His breath was extremely weak, but with his strong willpower, he still did not faint.

"Great Sage!" Wen Chou Chou was taken aback and hurried up to greet him.

At the same time, Ren Yingying and others also gathered around, shocked and inexplicable.

"What's going on?"

Ren Yingying looked at Sun Dasheng's situation, her delicate face was full of astonishment, and then she said to Su Qingyan: "What happened? Who beat Dasheng like this?"

When saying this, Ren Yingying was angry and shocked.

You must know that the strength of Sun Dasheng has reached the transcendence realm, and he also has the axe weapon. When it comes to fighting alone, there are very few people in the entire Kyushu that can match him, but now he has suffered such a heavy burden. hurt.

Swish!

At the same time, the eyes of Wen Chou Chou and others also fell on Su Qingyan.

Su Qingyan sighed softly and explained the situation in detail at that time.

What?

Knowing the situation, whether it was Wen Chou Chou or Ren Yingying and others, they were all stunned.

Sun Dasheng and Bai Yunfei moved their hands?

That Bai Yunfei was so powerful that he could beat the Great Sage Sun like this...

At this moment, Su Qingyan's delicate face was very embarrassed: "It's all my fault, if I could have stopped the Great Sage in time, it wouldn't have happened now. This is what it looks like." The

voice fell, and Wen Chou Chou said comfortably: "Qing Yan, don't blame yourself too much, the Great Sage's temper is like kerosene, and he acts recklessly. If I was there at the time, I would have I can't stop it, so don't feel bad."

Ren Yingying nodded and comforted Su Qingyan at the same time.

"Boom!"

Just as he was talking, he saw that Sun Dasheng couldn't hold it anymore, his eyes were closed, he fell to the ground all of a sudden, and he fainted!

"Great Sage!"

"Brother..."

Seeing this scene, everyone was shocked, and immediately carried Sun Dasheng to the backyard room.

When they got to the room, Wen Chou Chou began to take the pulse of Sun Dasheng, and Ren Yingying watched anxiously from the side.

call!

Soon, Wen Chou Chou finished the pulse, frowned, and was secretly shocked. He clearly felt that there was a very domineering force in Sun Dasheng's body, and this force would stubbornly suppress Sun Dasheng's dantian meridian. In this situation It caused Sun Dasheng to be very weak.

Even, there is a danger of death at any time.

"Brother Wen!"

At this time, Ren Yingying couldn't help but ask: "How is the situation of the Great Sage?"

Chapter 3825

Wen Chou Chou sighed, told the situation, and then sighed: "What kind of exercises is this Bai Yunfei practicing? It's so weird, it completely blocked the meridians and dantian of the Great Sage.

"Wen Chou Chou thought for a while and continued: "It seems that there is only one way. Let's join forces and force this power out of the Holy Saint."

Hearing this, Ren Yingying, Su Qingyan and the others nodded quickly.

At this time, everyone didn't know that what remained in Sun Dasheng's body was Bai Yunfei's unique power of the devil's soul.

In the next ten minutes, Wen Chou Chou and Ren Yingying began to join forces to expel the power of the devil's soul for Sun Dasheng. However, the power of the devil's soul was too overbearing and could not be dispelled at all.

Seeing this situation, Su Qingyan felt even more guilty.

If I knew this earlier, in the park before, I had to stop Sun Dasheng and Bai Yunfei from doing anything.

But it's too late to say anything now.

If Sun Dasheng has three strengths and two weaknesses, will Yue Feng know the truth when he comes back, will he blame himself? Even if he didn't blame him, he would not be at ease for the rest of his life.

Thinking of this, Su Qingyan's heart sank to the bottom.

"How should this be done?"

Just when Su Qingyan was thinking wildly, Wen Chou Chou also began to panic, and was anxiously circling around the room.

And everyone in Ren Yingying was very worried.

At this time, Dasheng Sun, with his eyes closed, lay motionless on the bed, his breath was very weak, and he could stop at any time. Just now, everyone couldn't expel the power of the demon soul in his body, so they injected internal power and temporarily saved Sun Dasheng's life.

But this approach does not cure the symptoms.

Sun Dasheng... may stop breathing at any time.

“Okay!”

Depressed, Wen Chou Chou looked around and said in a somber tone, “Don’t panic, I was very tired when I searched for Feng Zi’s traces, you should go to rest first, I am here to guard the big boss. Sage.”

After speaking, Wen Chou Chou ordered to the disciples outside the door: “Send someone to go to various places to look for famous doctors, and the speed is faster.”

Hearing this, Ren Yingying nodded and left the room one after another, just now in order to find Yue The whereabouts of the wind, tossing about most of the night, is indeed very tired.

Su Qingyan followed everyone out of the room, looking in a trance.

In Su Qingyan’s heart, she always believed that Sun Dasheng was with her before being severely injured by Bai Yunfei. At this time, Sun Dasheng is in danger, she has the main responsibility, how can she have the mood to rest,

Bai Yunfei?

At this moment, Su Qingyan’s eyes flashed, and she suddenly thought of something.

Sun Dasheng was injured like this by Bai Yunfei, and only he could save Sun Dasheng.

Yes, go find Bai Yunfei.

Thinking to herself, Su Qingyan said to Ren Yingying: “You guys go to rest, I’ll go out for a while, and I’ll be back soon.” When the words

fell, Su Qingyan quickly left the Ouyang family manor.

At this time, it was the middle of the night, and the bustling city of Zhongzhou seemed extremely quiet.

Su Qingyan was smart, knew that Bai Yunfei had a special status, and was accompanied by Ji Hongshang. With this clue, he quickly found the Junting Hotel where Bai Yunfei was staying.

When they arrived at the hotel lobby, Su Qingyan passed the front desk and called Bai Yunfei’s room.

Speaking of which, in an occasion like the Junting Hotel, it pays great attention to the privacy of customers, and it is impossible for people to make phone calls casually, but Su Qingyan is a member of the Ouyang family, with an extraordinary identity, and the lady at the front desk of the hotel does not dare to neglect her at all.

Soon, the room phone was connected.

“What’s the matter?” After connecting, a deep voice came from the phone, it was Bai Yunfei.

The ultimate husband in Chinese chapter 3826-3830

Chapter 3826

Su Qingyan bit her lip tightly, hesitated for a few seconds, and said softly: “Bai Yunfei, it’s me!”

Huh...

Hearing Su Qingyan’s voice, Bai Yunfei’s attitude immediately changed Enthusiastic: “So it’s Miss Qingyan, it’s so late, do you have anything to do with me?”

When he said this, Bai Yunfei on the other side of the phone was polite, and his face was already smiling.

Haha...

As expected, Su Qingyan took the initiative to contact me before the twelve hours had passed. It seems that Dasheng Sun can’t hold it anymore.

Su Qingyan didn’t notice anything wrong, and said softly: “That.... I want to ask you something. Are you ready now? Can you talk to me?”

Hearing this, Bai Yunfei couldn’t be more excited, and hurry up He promised, “It’s my honor to meet a beautiful lady. You wait for me, I’ll come out immediately.” A

few minutes later, the private restaurant on the third floor of the hotel!

Because it was late at night, there were no customers in the restaurant.

At this time, Bai Yunfei and Su Qingyan were sitting by the window, and through the floor-to-ceiling glass windows, the night scene of the entire Zhongzhou City was unobstructed.

However, at this time, how could Su Qingyan be in the mood to enjoy the night view?

“Miss Qingyan!”

At this time, Bai Yunfei was sitting opposite, looking at Su Qingyan affectionately, indescribably intoxicated, and said, “Do you believe in fate? We met three times today, I think this Maybe it’s God’s arrangement, maybe it’s between us...”

Bai Yunfei's enthusiasm and eyes made Su Qingyan feel like he was on pins and needles, and couldn't help interrupting: "Bai Yunfei, please respect yourself, you should know that I already have The man is Yue Feng, and I'm in a hurry to find you so late."

This chapter is provided by . Visit for daily update.

Feeling Su Qingyan's indifference, Bai Yunfei was stunned for a while, but he was not angry, he said with a smile: "Okay, Miss Qingyan, please speak."

Phew...

Su Qingyan took a deep breath, a little hard to say, but still said He came out: "After the great sage was injured by you, the danger is at stake. I... I want to ask you to help save his life."

This...

Bai Yunfei pondered and smiled bitterly: "Miss Qingyan, I am this person. It's very principled. At that time in the park, I gave you face and spared his life, which is considered to be the best of my kindness and righteousness. Now you ask me to save him, isn't it appropriate?"

"Besides, you were there at the time, right? Sun Dasheng did it to me first."

When he said this, Bai Yunfei's face was serious, but his eyes flashed with slyness.

He had long expected that Su Qingyan would take the initiative to come to the door, how could he easily agree?

Hearing this, Su Qingyan suddenly became excited, looked at Bai Yunfei tightly, bit her lip and said, "Bai Yunfei, I can understand what you said, it was indeed the great sage's impulse at that time, but the enemy should be resolved. It's not appropriate, please raise your hand and save him, okay?"

At this time, Su Qingyan was completely in a hurry, as long as she could save Sun Dasheng, she completely abandoned her dignity.

Bai Yunfei didn't agree immediately, but said displeasably: "Miss Qingyan, don't blame me for speaking straight, then Dasheng Sun has nothing to do with you directly, why do you care so much about his life and death?"

"With the open axe, you can be arrogant, and something will happen sooner or later."

Alas!

Hearing this, Su Qingyan breathed a sigh of relief and said seriously: "But no matter what you say, he is always Yue Feng's sworn brother."

After saying that, Su Qingyan looked at Bai Yunfei with anticipation in her eyes: "Please You save him, okay?"

Mad!

Seeing her mention Yue Feng, Bai Yunfei frowned secretly, feeling very upset.

This Su Qingyan is Yue Feng when he opens his mouth and closes his mouth, what can I, Bai Yunfei, be inferior to him?

Chapter 3827

Thinking, Bai Yunfei's mouth twitched, and his eyes showed a bit of a smile: "Miss Qingyan, you may not know, Sun Dasheng has fallen into my unique practice, if this practice is unparalleled in the world, only use me His blood can be used as medicine to save his life."

"But in this way, my vitality will be greatly damaged. Speaking of which, I have known Miss Qingyan at first sight, but Miss Qingyan is lukewarm to me, and even My friends are not allowed, so how can I help save people?"

When he said this, Bai Yunfei looked indifferent, but his eyes kept looking up and down at Su Qingyan.

That's right, Bai Yunfei said this on purpose to make Su Qingyan completely let go of her restraint and dignity.

really!

When the words fell, Su Qingyan was completely anxious, her delicate face was full of worry, and she said eagerly: "Bai Yunfei, how can you save the Great Sage? As long as you say it, I can do it, I will promise you. "

Really?" Bai Yunfei smiled even more.

Su Qingyan bit her lip and nodded. Bai Yunfei

took a sip of tea leisurely, and said with a smile: "My conditions are very simple, as long as Miss Qingyan stays by my side from now on, I will promise to treat Dasheng Sun, how?"

Watching the change in Su Qingyan's expression closely, she felt uneasy in her heart.

After such a long prelude, Bai Yunfei's ultimate goal is to keep Su Qingyan by his side, but Bai Yunfei is not too sure, after all, Su Qingyan has a deep love for Yue Feng.

What?

Hearing this request, Su Qingyan's body trembled, and her whole body was stunned.

This Bai Yunfei, actually wants to stay by his side in the future? How is this possible? She is Yue Feng's woman, how can she be with other men?

"No!"

Su Qingyan's red lips parted lightly, her voice was soft, but her attitude was firm: "Bai Yunfei, stop joking, except for this condition, I can promise you everything else."

"I'm serious. Why are you joking?" Bai Yunfei also looked serious.

Su Qingyan bit her lip tightly, her mind was in chaos, and her heart was struggling.

"Miss Qingyan!"

Seeing Su Qingyan's hesitation, Bai Yunfei's words softened, his eyes full of expression, and he said seriously: "I didn't mean to embarrass you, to be honest, when I was in the Tiandao Alliance, I was right. When you fell in love at first sight, I swore at that time, I will definitely want you to be my woman in this life. Although you already have Yue Feng, I don't care."

After speaking, Bai Yunfei paused and continued: "Don't worry, I just want you to stay with me, I won't force you to do things you don't like, I just want to see you every day and be satisfied, promise me, okay?"

Su Qingyan bit her lip tightly, almost about to bleed, no response, mind buzzing, blank.

How to do?

If you don't agree, Sun Dasheng is really helpless.

Seeing Su Qingyan's reluctance to agree, Bai Yunfei laughed at himself: "It seems that I am abrupt. Since Miss Qingyan hates me so much, let's just let it go."

Saying that, Bai Yunfei stood up, pretend to go.

Su Qingyan was in a hurry, and quickly said: "Don't go...you...what you said just now, but is it true?"

When she said this, Su Qingyan's heart was trembling. As Bai Yunfei said, if you don't force yourself to do things you don't like, it's okay if you agree.

If you don't agree, the Great Sage is really helpless.

To be honest, Su Qingyan felt ten thousand reluctance in her heart, but Sun Dasheng was with her and was injured by Bai Yunfei. If something happened to Dasheng, Su Qingyan really didn't know how to face Yue Feng.

Su Qingyan thought about it, no matter what, she must save Sun Dasheng.

"Every sentence is true!"

Bai Yunfei said with a serious face, pointing to the sky and swearing: "If there is any lie, teach me to die without a place to be buried."

"Okay!"

At this moment, Su Qingyan nodded: "Then I promise. you."

Chapter 3828

When she said this, Su Qingyan's heart was bleeding. After agreeing, she would follow Baiyun and fly away, but if she didn't, there would be no other way.

You can't just watch Sun Dasheng die, can you?

Great!

Seeing that Su Qingyan finally agreed, Bai Yunfei was overjoyed and laughed loudly: "Miss Qingyan, don't worry, I'll keep my promise, and I'll go get the blood." The

voice fell, and Bai Yunfei hurriedly returned to the room.

Watching Bai Yunfei leave, Su Qingyan sat there, looking out the window, in a trance and a sense of loss.

.....

At this moment, the Ouyang family.

Because of Sun Dasheng's affairs, the entire family was shrouded in a depressing atmosphere.

Whoosh!

At this moment, a figure came swiftly from the sky in the distance, with knife-like facial features, indescribably cold and handsome.

It was Yue Feng.

After leaving Xia Yinzong, Yue Feng did not stop for a while, and rushed back to the family directly, for fear that Wen Chou Chou would be too worried.

“Young master is back!”

“Young master...”

Seeing Yue Feng’s return, many disciples of the family surrounded him with great joy.

At the same time, Wen Chou Chou and Ren Yingying came out one after another when they heard the movement. They were very happy to see that Yue Feng was safe and sound. At the same time, there was a bit of sadness between their eyebrows.

“What’s wrong?”

Seeing everyone’s expressions, Yue Feng suddenly had a bad premonition and couldn’t help but ask.

Wen Chou Chou sighed and said, “Fengzi, you were kidnapped by two mysterious old men. We searched around Zhongzhou City. At that time, the Great Sage searched Tianzhong Park and met Bai Yunfei...”

” In the next few minutes, Wen Chou Chou explained the details.

At the end of the speech, Wen Chou Chou said extremely solemnly: “The Great Sage is still in a coma. A few famous doctors came here just now

.

Hearing this, Yue Feng was shocked. He didn’t have time to think about it, and hurriedly went to the backyard to visit Dasheng Sun.

Soon, when I got to the room, I saw Sun Dasheng lying there quietly, still in a coma, his eyes were closed, his face was pale, and he was extremely weak.

“Great Sage.”

Seeing this scene, Yue Feng’s eyes turned red!

“It’s all because of me, it’s all because of me...you became like this...” Yue Feng couldn’t tell the guilt, tears fell down, and his heart was cut like a knife.

Bai Yunfei!

In grief, Yue Feng clenched his fists tightly, his eyes were blood red, and his whole body couldn't stop shaking.

At this time, Yue Feng was extremely angry in his heart, Ma De, this Bai Yunfei actually labeled the Great Sage like this, this matter must not be taken lightly.

In anger, Yue Feng walked over quickly and began to investigate the situation of Sun Dasheng.

For a while, Wen Chou Chou and Ren Yingying, who followed up, all had expectations on their faces. You must know that Yue Feng had studied medical theory with Shen Nong, and he also had extremely high attainments in the art of alchemy. , Dasheng will definitely be fine.

However, after Yue Feng checked the situation, the whole person froze there.

The power in the Great Sage's body is so strange that it suppresses all the meridians and Dantian in the Great Sage's body. I have some attainments in medical theory, but this is the first time I have seen it.

Chapter 3829

What kind of exercises is Bai Yunfei practicing? So domineering.

Muttering in his heart, Yue Feng didn't have time to think, he helped Sun Dasheng up, and then sat behind him, urging the power of the primordial spirit, and began to expel the power in Sun Dasheng's body.

At this time, Yue Feng was very confident in his heart. He possessed the Primordial Spirit and the power of Bird Ancestor, so he could definitely expel the power in the Great Saint's body successfully.

Seeing this scene, the surrounding Wen Chou Chou, Ren Yingying and others held their breaths.

However, as soon as Yue Feng input the power of Yuanshen into it, he was resisted by the power in Sun Dasheng's body. For a time, the two forces were at a standstill in Sun Dasheng's body.

How strong is this force in the Great Saint?

At this moment, Yue Feng frowned secretly, and instantly lost his previous self-confidence.

“Ah...” The

two forces confronted each other in the body, and saw the unconscious Sun Dasheng, his face flushed, and there was a pain in the eyebrows, and at the same time, a loud cry came out, and his whole body trembled.

Oops!

Seeing this situation, Yue Feng was both self-blame and annoyed.

Although Sun Dasheng is powerful, he is flesh and blood after all. The power of Bai Yunfei is already the limit he can bear. Now that he has input the power of Yuanshen, Dasheng will definitely not be able to bear it.

Thinking to himself, Yue Feng quickly stopped.

“How is it?”

At this moment, Wen Chou Chou couldn't help but ask.

Yue Feng shook his head, with a look of shame on his face: “The power in the Great Saint's body is too strong, and it is difficult to forcibly expel it.”

While speaking, Yue Feng was thinking about Wuji Danshu, trying to find a way to deal with it, but after thinking about Wuji Danshu, Yue Feng still found nothing.

Nima!

At this moment, Yue Feng was completely anxious and at the same time extremely surprised.

This Bai Yunfei's cultivation technique is so bizarre that it is simply unheard of, but how did he cultivate to such a level when he was less than 30 years old?

At this time, Yue Feng did not know that Bai Yunfei's current strength was entirely dependent on the demon soul in his body.

There is almost no record of demons in the Kyushu Continent, let alone the power of demon souls.

Phew...

Seeing this scene, the faces of the surrounding people were also complicated, and there was no hope in their hearts.

Even Yue Feng was helpless. It seemed that this time, Sun Dasheng was doomed.

At this time, Yue Feng calmed down.

Up to now, I can only go to the Tiandao League to find Luo Jue. After all, Luo Jue is from the realm of the gods, and there must be a way to save Sun Dasheng.

After making up his mind, Yue Feng did not hesitate, told everyone to look after Sun Dasheng, and quickly left the Ouyang family.

At this time, Yue Feng, because he had been worried about Sun Dasheng's injury, did not realize that Su Qingyan was missing from everyone present.

A few minutes later, Yue Feng was alone and quickly rushed towards the Tiandao Alliance.

....

at this moment, Junting Hotel.

Su Qingyan sat in the private dining room, seemingly soft and peaceful, but she was secretly anxious.

Half an hour has passed, and Bai Yunfei has not come back. Has he regretted it?

"Light smoke!"

At this moment, I heard a warm call, and then Bai Yunfei came over with a look of excitement, holding a jade bottle in his hand.

"Qingyan..."

Bai Yunfei shouted and handed the jade bottle to Su Qingyan: "This jade bottle contains my blood, you can take it to Sun Dasheng, he will be fine. It's over!"

When he said this, Bai Yunfei's face was sincere, but there was a bit of insidiousness in his eyes.

Bai Yunfei did take his own blood, but in the blood, there was a soul-eating bloodworm.

Chapter 3830

In Bai Yunfei's heart, Sun Dasheng is Yue Feng's sworn brother, how could he save him for no reason? Even if Su Qingyan agreed to the conditions, she couldn't soften her heart.

Bai Yunfei's plan is very insidious.

The soul-devouring blood worm was hidden in the blood. At that time, after Sun Dasheng took it, there was no danger to his life on the surface, but invisibly, he was also under the control of Bai Yunfei.

“Great!”

Su Qingyan hurriedly stood up, a hint of joy finally appeared on her face, and then took the jade bottle.

Immediately, Su Qingyan opened the jade bottle, and saw that there was indeed some blood inside, with a hint of fishy smell, obviously Bai Yunfei had just taken it from himself.

“I’ll send the things back!” Su Qingyan said, then turned to leave.

Bai Yunfei quickly followed and said with a smile, “I’ll take you off.”

Outside the hotel, Bai Yunfei was indescribably happy: “Qingyan, don’t forget your promise.”

Hmm!

Su Qingyan bit her lip tightly: “Don’t worry, I, Su Qingyan, do what I say. I will come back to find you when I send things to the Ouyang family.”

His tone was calm, but deep in his heart, he was extremely sad.

When the words fell, Su Qingyan turned and left.

“Okay!” Bai Yunfei nodded and watched Su Qingyan go away.

Seeing Su Qingyan’s figure disappear into the night, Bai Yunfei prepares to return to the hotel room.

“Your Excellency!”

At this moment, a figure came, followed by a handsome figure, walking from not far away, with a bit of exhaustion and gloom on his angular face.

It was Wen Xiaoyu.

Seeing Wen Xiaoyu, Bai Yunfei put away his smile and said coldly, “It’s you, how did you do the things that were handed to you before?”

Three days ago, Bai Yunfei forcibly gave Wen Xiaoyu and his daughter My friend, took the soul-eating bloodworm to force Wen Xiaoyu to steal the ghost token.

Because of this, Bai Yunfei will stay in Zhongzhou temporarily.

“I got it.”

Hearing the question, Wen Xiaoyu took out something from his body and handed it to Bai Yunfei. It was a black token, like jade but not jade, with a gloomy chill all over his body.

It is the ghost token.

Bai Yunfei took the token, showed a smile, and praised: “Okay, very good, I really didn’t see the wrong person.”

After speaking, Bai Yunfei waved his hand and said lightly: “Okay, you can leave. “

However, Wen Xiaoyu stood there without any intention of leaving.

“Your Excellency!” In the

next second, Wen Xiaoyu hesitated and said slowly: “I have already helped you with the matter, and I have also obtained the ghost token for you. Now you can give me the antidote.”

Saying this At that time, Wen Xiaoyu was unspeakably embarrassed, and his dignified Young Master of the Hall of Longevity was at the mercy of an outsider, which was a great shame.

It is necessary to get rid of Bai Yunfei as soon as possible.

Antidote?

Hearing this, Bai Yunfei turned around and looked at Wen Xiaoyu with a half-smiling smile: “Boy, you haven’t recognized the situation yet? You are my subordinate now, and you will always serve me in the future.

” As for the soul-devouring bloodworm, I told you before that it merges with your essence and blood and cannot be driven out, understand?”

“Don’t talk about it, go back and wait for my next order. As long as you are loyal to me with all your heart, I will not treat you badly.”

After saying this, Bai Yunfei strode back to the hotel.

Mad!

At this moment, Wen Xiaoyu stood there, clenching his fists tightly, his eyes blood red.

Do you have to live in the shadow of Bai Yunfei all your life?

I'm so unhappy.

The ultimate husband in Chinese chapter 3831-3840

Chapter 3831

But... This Bai Yunfei is so powerful that he can't beat him at all.

Thinking of this, Wen Xiaoyu was indescribably desperate.

Speaking of which, Wen Xiaoyu had thought about telling Wen Chou Chou, but he had already stolen the ghost token, and his girlfriend's life was also in Bai Yunfei's hands, so he held back.

.....

On the other side, the Ouyang family.

At this time, the sky was already bright.

In the room, the atmosphere was very depressed, Sun Dasheng lay there, breathing weakly, his face was pale, and the situation was even worse than before.

Li Nan stood there quietly beside the bed, his eyes red from crying.

From the time Sun Dasheng was in a coma until now, Li Nan has been standing by the side. It has been several hours now. She only feels physically and mentally exhausted.

At this time, Li Nan kept praying in his heart, praying for Sun Dasheng to wake up.

Li Nan and Sun Dasheng have been married for many years, and they have been in love with each other.

Squeak...

At this moment, the door of the room was suddenly opened, and then Su Qingyan walked in quickly, with a bit of eagerness on her delicate face, holding a jade bottle in her hand.

Arriving in front of him, Su Qingyan handed the jade bottle to Li Nan: "Quick, take it for the Great Sage!"

Li Nan took the medicine bottle, opened it and saw some blood in it, she suddenly trembled and was stunned: "Qingyan, is this blood?"

This chapter is provided by . Visit for daily update.

When he said this, Li Nan was full of surprise, not understanding why Su Qingyan asked the Great Sage to take this blood.

call...

Su Qingyan sighed lightly, bit her lip, and said complicatedly, "This blood can save the Great Sage."

Hearing this, Li Nan's body was shocked, and she was very happy. Cigarettes don't lie to themselves. At that time, Li Nan didn't think much, and gave the blood to Sun Dasheng.

Soon, after Sun Dasheng took it, his pale face regained a hint of rosy.

Really can.

Seeing this scene, Li Nan couldn't be more happy, grabbed Su Qingyan's hand tightly, and couldn't help asking, "Qingyan.. What kind of blood is this? Where did you get it?"

"Ren Yingying helped the Great Sage exorcise the failure.

After that, Yue Feng was helpless.

At this time, it was incredible that Su Qingyan had brought magical blood.

Su Qingyan smiled lightly, it seemed very relaxed, but the smile was very far-fetched, and slowly said: "This is Bai Yunfei's blood, his practice is quite special, he injured the Great Sage, and only his blood is there. can be rescued."

What?

Li Nan's body trembled, and the whole person was stunned: "You...you went to Bai Yunfei?"

At this time, Li Nan was moved and complicated.

That Bai Yunfei is both righteous and evil, not a kind at all, but Su Qingyan took the risk and got the blood of the Great Sage from him.

Shocked, Li Nan recovered and said, "You don't know yet, Yue Feng is back. After seeing the situation of the Great Sage, he went to Tiandao League to find Luo Jue."

Yue Feng is back?

Su Qingyan's heart trembled, and she showed a smile: "That's great, I'm relieved that he's back safely."

As she said that, Su Qingyan's delicate face showed a trace of sadness, she took out a letter from her body and handed it to Li Nan: "Sister Li Nan, I'm leaving in a moment, you help me give this letter to Yue. Wind!"

Go?

Li Nan looked at her incredulously: "Are you going? Where are you going?"

Chapter 3832

Su Qingyan sighed softly, a glint of light flashed in her eyes, full of grief, but she still forced a smile and said: "I just go out for a walk, yes, the letter must be given to Yue Feng!"

After saying this, Su Qingyan turned and left the room.

Su Qingyan didn't want to say anything about her promise to go away with Bai Yunfei, because she knew that once she said it, Li Nan would definitely stop her.

To be honest, Su Qingyan also thought of going back on her word, since Sun Dasheng is all right, there is no need to keep his promise to find Bai Yunfei.

But Su Qingyan knew in his heart that Bai Yunfei was powerful, and once he made a slip of the tongue, Bai Yunfei would definitely not give up.

Therefore, after thinking about it, Su Qingyan decided to keep her promise.

"Qingyan!"

Seeing Su Qingyan's unwillingness to leave, Li Nan hurriedly chased out, but Su Qingyan had already gone far.

Li Nan was so anxious that he was going to inform Wen Chou Chou, but at this moment, Sun Dasheng woke up and called softly, "Wife..."

Li Nan was surprised and happy when he heard the voice, and hurried over to take Sun Dasheng. He helped him up: "You're finally done, that's great..." As he said that, he threw himself into Sun Dasheng's arms and wept with joy.

.....

Su Qingyan left the Ouyang family and went directly to the Junting Hotel.

Seeing that Su Qingyan kept his promise, Bai Yunfei was extremely excited.

A few minutes later, in the hotel room.

“Light smoke!”

Bai Yunfei sat there and looked at Su Qingyan with a smile: “I didn’t expect you to come so soon, I’m really happy, speaking of which, I originally planned to let you take me to appreciate the local customs of Zhongzhou City. , but there is something urgent for the time being, so we have to leave.” When he said this, Bai Yunfei looked regretful.

In Bai Yunfei’s heart, getting along with Su Qingyan was important, but the family’s mission was even more important. He had already obtained the ghost token, and he had to go to the ghost world as soon as possible to investigate the whereabouts of Demon Venerable.

“Okay!” Su Qingyan nodded, her delicate face did not fluctuate at all.

When he agreed to Bai Yunfei’s request, Su Qingyan’s heart was dead, and it didn’t matter where he went.

Bai Yunfei smiled: “Then you take a rest first, I’ll explain some things, and then let’s go.” The voice fell, and Bai Yunfei left the room.

When they got outside, Bai Yunfei called Ji Hongshang over.

Soon, Ji Hongshang rushed over and complimented Bai Yunfei: “Congratulations to the sect master, you got your wish.”

This Bai Yunfei, without any effort, can let Su Qingyan obediently follow him. admire.

Bai Yunfei waved his hand: “Okay, stop flattering, prepare immediately, we are going to Qingcheng Mountain.”

Qingcheng Mountain, located in the southwest of Di Yuan Continent, there is a hidden passage at the foot of the mountain, connecting the road of the ghosts, Kyushu Continent, there are several ghost roads, and the one under Qingcheng Mountain is the closest to Zhongzhou City.

“Yes.” Ji Hongshang didn’t dare to be negligent, she answered and went to prepare.

Half an hour later, Bai Yunfei took Su Qingyan and Ji Hongshang to Qingcheng Mountain.

.....

On the other side, Tiandao Alliance.

Yue Feng did not stop at all along the way, flying for two consecutive hours, and finally arrived at the main altar of the Tiandao Alliance.

At this time, in the reception hall behind the main altar.

Luo Jue withdrew his subordinates, smiled and saluted at Yue Feng and said, "Xuansheng suddenly arrived, I don't know what to do?" His mouth was polite, but his eyes flashed with arrogance.

Before Luo Jue deliberately went to God's Domain to ask Jiutian God for instructions, and learned that Jiutian God and Yue Feng had a bad relationship, he suddenly had a care in his heart.

Seeing Yue Feng again at this time, Luo Jue's heart naturally lost the respect he had before. Nine Heavens God doesn't take Yue Feng seriously, what else is there to be afraid of?

Chapter 3833

Yue Feng took a deep breath, no nonsense, and directly told Sun Dasheng's situation.

Having said that, Yue Feng said seriously: "Luo Jue, is there any way you can save the Great Sage, or do you have a Spirit Fruit on your body?" The

Spirit Fruit contains the essence of heaven and earth, which the Great Sage eats will not only increase his lifespan, but also have the effect of reborn. , At that time, Yue Feng will use the power of Yuanshen again to help him expel the power in his body, so he will not be afraid that Sun Dasheng can't bear it anymore.

"Your Excellency Xuansheng!"

Luo Jue smiled apologetically: "Even you are helpless, how can I save Sun Dasheng? Moreover, I am just a small messenger, and I am not qualified to enjoy the spiritual fruit. You must know that the spiritual fruit is His Majesty the God of Nine Heavens, and the exclusive tribute of Empress Hua Zhao."

After speaking, Luo Jue's eyes flashed, and he continued: "However, Your Excellency Xuansheng can go to God's Domain and directly meet His Majesty the God of Nine Heavens, and ask His Majesty to grant spiritual fruit to save him. Sun Dasheng."

When he said this, Luo Jue had a relaxed expression, and he had a high-hanging attitude.

Phew...

Hearing this, Yue Feng took a deep breath and frowned secretly.

He could see that Luo Jue didn't want to help.

But... it's okay to go to God's Domain and ask Jiutian God for a spiritual fruit, but the time in God's Domain is completely different from the time in the human world. One day in God's Domain is equivalent to a month in Kyushu. This time, even if you get the spiritual fruit, the Great Sage is not good either.

Mad!

Luo will never help, nor can he go to God's Domain.

How is this good?

For a time, Yue Feng was unspeakably irritable, but soon, Yue Feng thought of Bing Yao. She is the current Hades, not only powerful, but also knowledgeable, so there must be a way.

Thinking about it, Yue Feng stopped talking nonsense and bid farewell to Luo Jue.

...

on the other side, the ghost world.

Because of the violent vibrations in the depths of the Nether, Bing Yao found out the reason, which came from the Sealing Magic Mirror. At that time, she ordered to seal all the paths of the ghost and strengthen the defense around the Nether.

For a time, the defense of Mingdu City doubled. Without this, there are dozens of patrol teams around Mingdu City, patrolling continuously.

It can be said that the entire Underworld is heavily guarded.

Shasha...At this time, on the soul-inducing road outside Mingdu, there was a sound of footsteps, the footsteps were very light, and then, a slender figure came from not far away.

This is a charming and sexy woman.

I saw that she was wearing a dark purple dress, her tight figure was looming, and she was extremely sexy. But this woman was filled with a dangerous aura, like a beautiful snake.

It was Ji Hongshang.

Half an hour ago, Bai Yunfei, Su Qingyan, and Ji Hongshang arrived at Mount Qingcheng. At that time, Bai Yunfei handed the ghost token to Ji Hongshang and asked her to go to the ghost realm on his behalf to investigate the trace of the Demon Lord.

You must know that Bai Yunfei has a demon soul, and once he enters the ghost world, his identity will be revealed. Therefore, just to be cautious, Bai Yunfei asked Ji Hongshang to be the vanguard.

Once the location of Demon Venerable was detected, Bai Yunfei would no longer have any concerns.

“Huh? There are people over there!”

“Who? Dare to trespass into the ghost realm?”

“Hi... so beautiful...”

As soon as Ji Hongshang appeared, it immediately attracted the attention of a team of patrolling soldiers. For a time, they were all attracted by Ji Hongshang's charming appearance.

But soon, these underworld soldiers came back to their senses and surrounded Ji Hongshang all at once, as if they were facing a great enemy.

Because Hades has just issued an order to prohibit anyone from entering the ghost world without authorization.

“Who are you?” The underworld soldier, headed by him, couldn't help but ask.

call!

Chapter 3834

Ji Hongshang took a deep breath, her expression did not fluctuate in the slightest, and said lightly: “I was sent by the messenger of text. I have something to report to His Majesty the King of Pluto. This is the token of the messenger of text.” The token lights up.

To be honest, it was the first time that Ji Hongshang came to the ghost realm, and she was worried, but she wanted to have Bai Yunfei's backing, and she still had a ghost token in her hand, and she suddenly regained her confidence.

Ghost token?

Seeing the token, the surrounding soldiers suddenly became polite. Back then, when Hades recognized Wen Chou Chou as his messenger, there was no one who did not know about the entire ghost world at that time.

Although Wen Chou Chou is no longer a messenger, he is still a friend with the current Pluto, so these Pluto soldiers do not dare to be rude.

“It turns out that the person who is the messenger of text is disrespectful!” The leader of the soldiers said politely.

While talking, he couldn't help but stare at Ji Hongshang.

beautiful!

With a slender waist and straight long legs, this figure is simply too perfect.

In amazement, the leader of the underworld soldiers made a gesture of invitation: “At this time, His Majesty Pluto is in the main hall, let Xiaoxiao take you there.”

“No!” Ji Hongshang smiled lightly and refused: “You all continue to patrol, I'll just go in by myself.”

Ji Hongshang didn't want to meet Hades at all, but wanted to find the traces of Demon Venerable. How could these underworld soldiers follow?

The underworld soldier had no doubts, nodded, and let Ji Hongshang enter the city of Mingdu.

Huh...

The moment he entered the Mingdu City, and saw the wide street in front of him, and the Jian ethnic group that could not be seen at a glance, Ji Hongshang was extremely shocked. He didn't expect that this Mingdu would be so large.

It's just that the people who come and go on the street are all wandering spirits, all of them pale and lifeless.

After walking for a while, Ji Hongshang walked to a secluded corner and said softly, “Sect Master, I have already come in.”

If someone else was present at this time, they would definitely think that Ji Hongshang was a lunatic, so she would talk to herself.

In fact, Ji Hongshang communicated with Bai Yunfei through a spiritual link. You must know that Ji Hongshang took Bai Yunfei's demon blood at the time and had a special

soul contract with Bai Yunfei, so she could communicate through the air through spiritual power. .

“Yeah!”

As soon as the words fell, Bai Yunfei’s voice sounded in Ji Hongshang’s mind: “Yes, you are walking right in front of you now!”

At this time, Bai Yunfei, although far away from Qingcheng Mountain, can connect through the spirit. , sensing the situation within a kilometer around Ji Hongshang, at this time, relying on the induction of the Demon Venerable’s breath, he issued an order to Ji Hongshang.

Ji Hongshang did not neglect in the slightest. Under Bai Yunfei’s instructions, she kept walking forward, and soon, she reached the entrance to the depths of the netherworld.

“Sect Master!”

Seeing that there were a large number of underworld soldiers guarding the entrance to the depths of the underworld, Ji Hongshang quickly stopped and said, “I can’t get in, there are many underworld soldiers guarding it.”

“You don’t need to go in, Demon Venerable. I have already explored the location, you can come back now.” Bai Yunfei said lightly.

At this time, through the spiritual link, Bai Yunfei clearly sensed that the aura of the Demon Venerable was in the depths of the netherworld. Since the location of the Demon Venerable had been detected, Ji Hongshang’s mission was completed.

Because next, it was Bai Yunfei’s turn to go out in person.

“Yes, Sect Master!” After receiving the order, Ji Hongshang immediately walked out of the underworld and left the ghost world through the road of ghosts.

After leaving the ghost world, Ji Hongshang quickly joined Bai Yunfei.

“Sect Master!”

Ji Hongshang was excited and excited again when she got to the front: “Sect Master, are you sure you have investigated clearly?”

Bai Yunfei nodded: “Yes, if I feel good, he is in the depths of the netherworld.” Because Su Qingyan was on the side, Bai Yunfei did not directly say the word Demon Venerable.

“Bai Yunfei!”

At this moment, Su Qingyan, who had been silent, couldn't help but ask, "You sneak into the ghost world, whose whereabouts are you going to investigate?" Su Qingyan's delicate face appeared when she said this. , full of curiosity.

To be honest, Su Qingyan reluctantly followed Bai Yunfei, her heart was ashes, and she had no interest in anything. However, what Bai Yunfei and Ji Hongshang did today was really strange.

Chapter 3835

Haha...

Hearing Su Qingyan's question, Bai Yunfei couldn't help laughing, and said to himself: "Qingyan, this time I'm exploring the ghost world, I'm going to do an earth-shattering event. As long as this matter is completed, there will be great changes between heaven and earth, and I, Bai Yunfei, will also become a famous person for the ages."

Earth-shattering event?

Hearing this, Su Qingyan's delicate body trembled, and her heart trembled inexplicably.

At this moment, Bai Yunfei continued: "Qingyan, this matter is no trivial matter. I can't say it for the time being. I'll tell you after I finish it."

Bai Yunfei was cautious and didn't say anything about Demon Venerable.

Seeing Bai Yunfei say this, it was inconvenient for Su Qingyan to continue asking questions.

"Sect Master!"

Ji Hongshang, who was next to him, couldn't help but said, "What should we do next?"

Bai Yunfei took a deep breath and said slowly, "Since he knew that he was in the depths of the netherworld, he would naturally do so as soon as possible. Bring him out, the ghost world is very dangerous, I decided to go alone. It's just..."

Said, Bai Yunfei frowned, and his eyes showed a bit of worry.

Bai Yunfei knew in his heart that although he possessed Demon Venerable, his strength was enough to disdain Kyushu, but it was different when he arrived in the ghost world. If he broke into the depths of the Nether, he did not rescue Demon Venerable, and his identity was revealed, it would not be worth the loss.

Seeing Bai Yunfei's brows furrowed, Ji Hongshang couldn't help but say, "Sect Master, what are you worried about?"

Bai Yunfei didn't hide it, so he expressed his concerns. Ji Hongshang was his own, so he didn't hide it at all.

It turns out that the sovereign is worried about this...

After listening to Bai Yunfei's words, Ji Hongshang nodded suddenly, then thought for a while, and said with a smile: "The sect master's worries are not unreasonable, the ghost world is very dangerous, and you really need to act cautiously. I have a way to help the sect master hide his identity."

While talking, Ji Hongshang took out a bottle of ointment from her body, and she saw that the ointment was green and translucent, like emeralds, but it gave people a feeling of shivering.

Obviously, this is a highly poisonous form of the Five Poison Sect.

"This is..." Bai Yunfei frowned. Vigilance in his eyes.

When he reached his realm, he could immediately sense that this ointment contained severe toxicity.

Ji Hongshang smiled and said with relief: "Sect Master, don't be nervous, this is the 'Kurong San' of our Five Poison Sect. As the name suggests, as long as this ointment is applied to the face, the skin will shrink and deform, and then the facial features will be deformed. A complete change has taken place."

Speaking of this, Ji Hongshang's delicate face showed a bit of confidence: "When the sect master uses it and changes his appearance, he will not worry about his identity being discovered. After the event is completed, the sect master will After taking the antidote, your appearance will change back."

Haha...

Hearing this, Bai Yunfei was overjoyed, and quickly asked Ji Hongshang to apply ointment to himself.

A few minutes later, Ji Hongshang finished painting and said with a smile, "It's done, Sect Master!" After saying that, Ji Hongshang handed over a mirror.

Bai Yunfei took the delicate photo and nodded again and again, very satisfied.

I saw in the mirror, under the action of the ointment, on my face, wrinkles appeared on the skin, and it was like a few decades old all of a sudden, completely lost the handsome look before, but an old and ugly man image.

Great, he changed his appearance, even if he failed to rescue Demon Venerable, his identity would not be exposed.

At the same time, Su Qingyan, who was standing not far away, was also secretly shocked.

These five poisonous sects, worthy of being the sects that made the entire Kyushu's color change, it is incredible that there is such a highly poisonous sect.

"Sect Master!"

At this moment, Ji Hongshang smiled lightly and said to Bai Yunfei: "This is dry and loose, there is a time limit, if you don't take the antidote for twelve hours, the poison will spread all over the body, wait a minute. I'll give you the antidote first, just in case."

Twelve hours?

Hearing this, Bai Yunfei smiled casually: "There is enough time, yes, after I go to the ghost world, you should leave Qingcheng Mountain temporarily, so as not to be discovered and cause suspicion."

"Yes, Sect Master!" Ji Hongshang nodded. nodded.

The ultimate husband in Chinese chapter 3836-3840

Chapter 3836

At this moment, the ghost world.

In the Great Hall of Mingdu, Bing Yao sat on the throne, her delicate face did not show any mood swings.

On the two sides below, the captains of more than a dozen patrols are standing there respectfully, reporting the situation of today's inspections one by one.

Since the martial law in the ghost world, Bingyao issued an order for these patrolling soldiers to report the situation every day.

At this point, the captains will report the situation.

"Your Majesty!"

At this moment, one of the captains suddenly thought of something, took a step forward, and respectfully said to Bing Yao: "When this subordinate was on duty, a woman who claimed to be sent by Wen Chou Chou was holding a ghost token. , Said to meet His

Majesty, there are important things to discuss. I don't know if His Majesty has seen this person."

The woman sent by Wen Chou Chou?

Hearing this, Bing Yao frowned: "What woman? I have never summoned me."

Shah.

At this moment, the captain of the underworld soldier was shocked, and he was inexplicably flustered.

Oops, have you been deceived? That woman didn't want to see His Majesty Hades at all, but had other plans?

Bing Yao also realized that something was wrong, and her tone became cold: "Honestly speaking, what was the situation at that time?"

Pfft!

The captain of the underworld soldiers trembled, and quickly knelt on the ground, stammered out the situation at the time, and finally said, almost crying: "Your Majesty, I saw the ghost token at the time, and I didn't think much about it, just Put her in the Underworld..."

This chapter is provided by . Visit for daily update.

"You..."

Bing Yao was very angry and glared at the captain of the soldiers: "As the patrol captain, why are you so negligent? Just say a woman was let in?" After speaking

, Bing Yao made a decisive decision: "Quick, pass my order and block the entire Mingdu City, be sure to find that woman."

Although Bing Yao still doesn't know who that woman is, she doesn't know why, but she always has some bad premonitions in her heart.

At this time, Bing Yao didn't know that that woman was Ji Hongshang of the Five Poison Sect, and had already left the ghost world at this time.

"Yes! Your Majesty." The

voice fell, and all the captains of the underworld soldiers in the hall responded in unison.

.....

the other side.

The entrance to the depths of the netherworld.

Just now, Bing Yao issued an order to block the entire Underworld City. In this case, the entrance to the depths of the underworld was also doubled to guard.

For a time, the entire Underworld City was heavily guarded.

hum.

At this moment, a powerful breath came from a distance, and then, a figure was as fast as lightning, directly breaking into the ghost world and the entrance to the depths of the netherworld.

It was Bai Yunfei.

I saw that Bai Yunfei's handsome face was now dark and ugly.

Just now, after Bai Yunfei used Ku Rong San, he directly broke into the ghost world.

"Who is it?"

"This person is uglier than a ghost..."

Seeing Bai Yunfei, the many underworld soldiers guarding the entrance suddenly cast their gazes and became alert.

Bai Yunfei didn't care about the gazes of these underworld soldiers, his ugly face was full of coldness.

Chapter 3837

"I don't want to start killing people, get them all away!" Bai Yunfei spoke slowly, and his cold voice spread throughout the audience.

Anyway, Bai Yunfei was not afraid of revealing his identity, and he had no scruples at all.

Whoa!

In an instant, the soldiers present were shocked when they heard this.

"What did this ugly guy say?"

"Running to the ghost world to be wild, is it impatient to live?"

“What happened today? There was a woman who sneaked into the Underworld City before, and now there is another ugly monster...”

During the discussion, the gazes of these underworld soldiers were all staring at Bai Yunfei with contempt from the bottom of their hearts.

“Ugly, do you know where this place is?”

“You dare to be presumptuous even at the entrance of Netherworld, I think you have a long life.”

At this time, a captain of the underworld soldiers strode over and looked at Bai Yunfei up and down: “Boldly Crazy, dare to be wild in the capital city of the Underworld...” As he said, he took out a soul-locking chain from his body, and was about to lock Bai Yunfei.

“Go away!”

However, before the captain of the underworld soldiers approached, Bai Yunfei snorted coldly. The next second he raised his right hand, and the power of the demon soul was activated. He saw a ray of light flickering out and slammed directly into the captain of the underworld soldiers. body.

“Ah...”

Captain Mingbing couldn't react at all, he let out a miserable cry, his body flew dozens of meters away, and the moment he fell to the ground, his soul flew away.

The power of the demon soul, which is different from the power of human beings, can scatter the soul, and it is the nemesis of these underworld soldiers.

hiss!

Seeing this scene, the other underworld soldiers present couldn't help gasping for air, and they were all dumbfounded.

what's the situation?

This... this ugly monster is just a human being, who can actually disperse the soul of the underworld soldiers.

This power is terrifying.

“Be vigilant, someone is making a riot in the Underworld City.”

“Woooooo!”

After being stunned for a few seconds, several Underworld soldiers shouted loudly, and at the same time blew the horn of the enemy's attack. Hearing the movement, he came quickly.

For a time, the entrance to the depths of the underworld gathered nearly ten thousand underworld soldiers.

Seeing this scene, Bai Yunfei didn't panic at all, and a powerful fighting spirit permeated his body: "Since you all take the initiative to die, then you can't blame me!"

Om!

The moment the words fell, Bai Yunfei slowly raised his hand, and a dark blue flame burned in his palm, and the surrounding air was instantly distorted.

This dark blue flame was created by the power of the demon soul.

This fire is not a different fire, but it is more terrifying than a different fire, and can burn the soul.

call!

The next second, Bai Yunfei didn't talk nonsense at all, he raised his hand and waved, and that dark blue flame roared out!

Seeing this scene, the soldiers present were inexplicably frightened.

boom!

The dark blue flames, like bombs, exploded upon encountering the underworld soldiers, and then formed a sea of blue fire. In an instant, those underworld soldiers were too late to dodge, and were instantly submerged in the sea of flames.

For a time, what was originally a gloomy and terrifying Nether entrance turned into a Shura slaughterhouse.

Bai Yunfei was like a tiger entering a flock, barely encountering any resistance, and entered the depths of the underworld smoothly.

hum....

Chapter 3838

The moment he entered, Bai Yunfei immediately sensed a strong sense of power, coming from the depths of the netherworld.

At this time, Bai Yunfei was indescribably excited, and he clearly felt that this power came from the Demon Venerable.

Moreover, the further you go inside, the stronger this power becomes.

After walking for a few minutes, Bai Yunfei finally reached the deepest point, and he saw that at the end was a stone platform with a strange mirror quietly placed on the stone platform.

The power Bai Yunfei sensed came from this mirror.

This is... a magic mirror?

With the memory of the ancestors in the demon soul, Bai Yunfei immediately recognized that the mirror on the stone platform was the strongest magic weapon in the realm of the gods, the magic mirror.

Not only that, but there is also an enchantment around the stone platform.

It turned out that Your Excellency Mozun was sealed in this mirror.

Seeing this scene, while Bai Yunfei was excited, he was also a little frightened.

“Haha...”

At this moment, on the magic mirror, a ferocious face appeared, with blood-red eyes that made people terrified. At this moment, there was a trace of excitement as he looked at Bai Yunfei and said, “You finally Here it is .”

It was the Demon Lord Gone.

As a Demon Lord, although Gone had never seen Bai Yunfei before, but with the special induction of the Demon Soul, he also knew that the young man in front of him was his descendant.

Hearing Gone’s words, Bai Yunfei was so excited that he knelt down: “Junior Bai Yunfei, see Your Excellency Mozun.”

Hmm!

Gone responded without any nonsense: “Have you seen the barriers around the stone platform? Break these barriers, and then take the sealing mirror to leave the ghost world and go to a safe place. I will tell you how to I released it from the sealing magic mirror.”

“Yes, Your Excellency Demon Lord.” Bai Yunfei responded, then took a deep breath, activated the power of the demon soul, and slapped the barrier with his palm.

boom.

With a roar, a crack appeared in that enchantment.

Bai Yunfei used the power of the demon soul again, ready to hit the second palm.

“Stop!”

At this moment, a coquettish shout came, followed by a slender figure, coming quickly.

A black robe could not cover up that graceful body, and the whole body was filled with majesty that could not be desecrated, it was Bing Yao.

When she learned that someone was making trouble in the depths of the Netherworld, Bing Yao was shocked and angry, and rushed over in person.

“Who are you?” When she got

to the front, Bing Yao stared at Bai Yunfei, and said angrily, “You are not too timid, and dare to break into the depths of the underworld.” After

saying that, she saw that the barrier around the stone platform had already been captured by Bai Yunfei. Bing Yao was even more alarmed and furious when the crack opened: “You....you are the remnant of the demon race?”

At this time, Bing Yao sensed the power pervading Bai Yunfei’s body, just like Gone in the magic mirror. He immediately guessed Bai Yunfei’s identity.

Um?

Facing Bing Yao’s questioning, Bai Yunfei didn’t panic at all, but looked at Bing Yao up and down: “You are Pluto? I didn’t expect Pluto in the ghost world to be a beautiful woman.”

Said, Bai Yunfei looked indifferent, looked at Bing Yao and continued: “You are right, my ancestors are demons, this time I am here, as long as I rescue Your Majesty Mozun. If you know a little bit, let me bring Your Majesty Mozun with me. Leave, otherwise, I will turn your ghost world upside down.”

Hearing this, Bing Yao’s delicate face suddenly became extremely cold, and her heart was also extremely angry.

This person is not only extremely ugly, but also has such a crazy tone.

The dignified Lord of the Underworld, how could he allow him to be so presumptuous?

In the next second, Bing Yao's red lips lightly opened, and she said coldly: "It's not a small tone, you are alone, and you want to save the Demon Lord? I want to see how much you can do." When the

voice fell, Bing Yao Motivated by power, an ice sword appeared in his hand!

Just saw the ice sword, the whole body radiated with light, and the cold air was threatening.

Chapter 3839 In the

next second, the ice sword in Bing Yao's hand gently waved and stabbed Bai Yunfei directly!

"Om!"

I saw that where the sword passed, the surrounding temperature dropped sharply, and the air seemed to be frozen.

However, Bai Yunfei did not panic at all, raised his hand lightly, and placed a protective film in front of him lightly.

"Boom!" In the

next second, the ice sword stabbed on the protective film, and a roar was heard, the protective film shattered instantly, and Bai Yunfei was shaken back ten steps.

At the same time, Bing Yao also trembled, and Ling Kong was shaken back a few meters.

Obviously, this time, neither side took advantage of it.

How is this possible? !

After stabilizing her figure, Bing Yao's delicate face was full of solemnity, her eyes fixed on Bai Yunfei, she was extremely shocked.

This ugly monster, although he is the descendant of the devil, is also flesh and blood, and his strength is so powerful.

"Haha, the dignified Hades, his strength is nothing more than that!" Bai Yunfei chuckled lightly, his figure erupted and came towards Bing Yao.

"Arrogant!" The

cold words came out of Bing Yao's mouth, and then her delicate body rose up and fought fiercely with Bai Yunfei.

At the beginning, Bai Yunfei was very confident because of his demon soul, but gradually he couldn't hold it anymore, and was suppressed by Bing Yao. You must know that Bing Yao has existed for tens of thousands of years, and the background is not comparable to Bai Yunfei. of.

"Don't panic, kid, I'm here to help you!"

Seeing Bai Yunfei being beaten by Bing Yao, Gone, who was in the magic mirror, shouted at that time, followed by a violent demonic soul. into Bai Yunfei's body.

Although the magic mirror sealed Gone, it couldn't seal his power.

In an instant, with the influx of Gone's power, Bai Yunfei's strength instantly soared, and he was instantly extremely happy.

"Thank you, Your Excellency Mozun."

Bai Yunfei shouted, turned from defense to attack, and hit Bing Yao with a palm.

Bai Yunfei shot quickly, Bing Yao didn't have time to dodge, and immediately greeted him with a palm.

"Bang!" In the

next second, the palms of the two sides collided, and a dull vibration was heard. Bing Yao groaned, and the whole person flew out and smashed to the ground!

"Pfft!"

Bing Yao's face was pale, a mouthful of blood spurted out, her delicate body trembled, and she was indescribably weak.

At the same time, Bing Yao's eyes were also looking at the magic mirror in shock and anger.

She never thought that the strength of the Demon Lord Gone was so terrifying that he could transmit his power to Bai Yunfei through a magic mirror.

Haha...

In the face of Bing Yao's glares, Demon Zun Gone laughed unabashedly, with a proud tone: "How is it? I told you before that my subordinates will come to rescue soon. Me. Now you believe it!"

“You are a little Pluto, you are not my opponent at all, now I will give you one last chance, surrender to me, and help him release me from the magic mirror, I am I won’t treat you badly.”

Hearing this, Bing Yao took a deep breath, her delicate pale face was very determined: “I won’t join forces with you, you should stop dreaming.”

“Presumptuous!

” After falling, Bai Yunfei walked over quickly and slapped Bing Yao’s face fiercely.

Bing Yao let out a pained cry, her delicate body trembled, and she staggered back from the slap.

At this time, Bingyao only felt a great shame! The dignified Lord of the Underworld was humiliated by an ugly monster at this time, how could he bear it?

It’s just that Bing Yao was severely injured by the palm of her hand just now, and she didn’t have the ability to resist at all.

“Your Majesty Demon!”

At this time, Bai Yunfei respectfully said to Gone, “This Pluto is so ignorant, how to deal with it?”

“Use your demon soul to scatter her soul.” Gone didn’t even think about it. I wanted to respond: “After killing her, take me away immediately, this is the ghost world, not a place to stay for a long time.”

When he said this, Gone was extremely excited.

Ha ha...

Chapter 3840 It’s

finally time to see the sun again.

After receiving the order, Bai Yunfei didn’t talk nonsense, he walked over quickly, used the power of the devil’s soul, and slapped the top of Bingyao with a palm!

This palm contains unparalleled terrifying power, and the surrounding air is extremely distorted.

Done!

Seeing this palm, Bing Yao's delicate body trembled, and her delicate face showed deep unwillingness.

It's so unwilling to die at the hands of this ugly monster.

Muttering in her heart, Bing Yao really wanted to struggle to avoid, but she was too weak to dodge at all, and in the end she could only close her eyes in despair.

"Stop!"

At this critical moment, a loud shout came, and then, a figure flashed quickly, rushing from behind Bai Yunfei, and slapped Bai Yunfei with a palm!

It is Yue Feng!

A few minutes ago, Yue Feng came to the ghost world and wanted to ask Bing Yao to help save Dasheng Sun. He learned that someone was making a riot in the Underworld City and broke into the depths of the underworld. Even Bing Yao went out in person. At that time, Yue Feng couldn't think much. Came over immediately.

As soon as he reached the depths of the netherworld, he saw that Bai Yunfei was about to attack Bing Yao, but Yue Feng didn't have time to think about it, and decided to attack.

hum!

Rushing to the front, a powerful breath burst out from Yue Feng. .

"It's you?!!!"

Feeling the danger coming from behind, Bai Yunfei turned back subconsciously, seeing that it was Yue Feng, Bai Yunfei was shocked and furious.

At this time, Bai Yunfei never thought that he would see Yue Feng in the depths of the netherworld.

In his heart, Yue Feng was just an outdated hero of Jiuzhou, and he never took it seriously.

What the hell!

At this moment, seeing Bai Yunfei's face, Yue Feng was startled.

Nima, this person is uglier than a ghost.

At this time, Yue Feng didn't know that the person in front of him was Bai Yunfei, who just took 'Kurong Powder' and deliberately pretended to be so ugly.

However, in shock, Yue Feng quickly reacted: "You are so bold, you dare to haunt the ghost world, and you have to harm Hades. You are so daring and unreasonable." The

voice fell, Yue Feng used the power of Yuanshen, and shot it out with a palm. .

Hearing this, Bai Yunfei looked disdainful.

However, Gone in the sealed magic mirror, when he sensed Yue Feng's power, was taken aback and couldn't help shouting: "Be careful, this person has a primordial spirit and can hurt you."

What?

Yue Feng has Yuanshen?

Hearing this, Bai Yunfei was stunned, and subconsciously wanted to dodge, but it was too late.

boom!

Yue Feng was as fast as a thunderbolt. This palm contained 90% of the power of the primordial spirit. It slammed into Bai Yunfei's back and heard a dull vibration. Bai Yunfei's blood spurted wildly, like a kite with a broken string. It flew out at once.

Pfft!

After flying more than 100 meters, Bai Yunfei fell heavily on a stone, and the pain came, and he almost fainted.

For a time, Bai Yunfei was sweating profusely, and Yue Feng's palm was too terrifying. Fortunately, he had a demon soul to protect his body, otherwise, he would have died.

wow...

Just when Bai Yunfei was furious, he saw countless underworld soldiers rushing in like a tide.

"Take him!" Bing Yao shouted tenderly, showing a bit of weakness, but there was no doubt about it.

The voice fell, and countless soldiers rushed towards Bai Yunfei.

Mad!

Seeing this situation, Bai Yunfei didn't have time to think about it, he endured the pain, exerted the power of his demon soul, and waved a blue flame to block the underworld soldiers.

Taking advantage of the opportunity, Bai Yunfei quickly fled into the distance.

But when fleeing, Bai Yunfei did not forget to give Yue Feng a stern look: "Yue Feng, today's revenge will be repaid tenfold in the future."

The ultimate husband in Chinese chapter 3841-3850

Chapter 3841 Huh

...

Hearing Bai Yunfei's harsh words, Yue Feng couldn't help but chuckle, and at the same time he was a little puzzled.

This person seems to be the first time I have met, but the other person actually knows him.

Thinking to himself, Yue Feng walked over and asked Bing Yao with concern: "Are you alright?"

Bing Yao shook her head and smiled lightly: "It's alright, fortunately you came in time, otherwise, the consequences would be unimaginable. Speaking, Bing Yao instructed the surrounding underworld soldiers to strengthen the defense in the depths of the underworld.

Afterwards, Bing Yao and Yue Feng returned to the Underworld City.

A few minutes later, in the side hall where Hades was resting, Bing Yao urged her energy to adjust her breath for a while, and her face was better than before.

Yue Feng sat on the opposite chair, his brows furrowed.

"Yue Feng!"

At this moment, Bing Yao said softly: "The man just now is the subordinate of the Demon Venerable, we must find a way to find him, otherwise, there will be endless troubles."

Hmm!

Yue Feng nodded and said seriously: "Don't worry, as long as he is in Kyushu, I will definitely be able to find him." He thought about it, and when he returned to the Ouyang family, he immediately made some portraits and tried his best to arrest the ugly one. man.

Having said that, Yue Feng thought of the purpose of coming here and couldn't help saying: "Bingyao, I have something to ask for." Immediately, he told about Sun Dasheng's situation.

To be honest, Bingyao was seriously injured at this time and needed to recuperate urgently. Yue Feng didn't want to trouble him, but in order to save Sun Dasheng, he couldn't help but say it.

"Okay!"

This chapter is provided by . Visit for daily update.

Knowing the situation, Bing Yao didn't hesitate at all and nodded, "I'll go with you." In Bing Yao's heart, she always regarded Yue Feng as a benefactor. You must know that if it wasn't Yue Feng, Bing Yao would never see the sun again. , And at this time, seeing Yue Feng begging for help, he naturally agreed.

A few minutes later, Yue Feng and Bing Yao left the ghost world and returned to the Ouyang family.

Soon, back to the Ouyang family, Yue Feng took Bing Yao and couldn't wait to enter the backyard.

Um?

When passing the garden, Yue Feng was stunned when he saw the scene in front of him.

I saw Sun Dasheng wearing a nightgown, sitting lazily in the pavilion, Li Nan quietly guarding the side, chatting and laughing.

shit.

Two seconds later, Yue Feng reacted and walked over with a look of joy: "Da Sheng, when did you wake up?"

I thought that Sun Da Sheng's time was short, and seeing him safe and sound at this time, why not be happy?

At this time, Yue Feng still didn't know that Sun Dasheng was able to wake up all thanks to Su Qingyan, and Su Qingyan also paid the price of losing his freedom.

Bing Yao followed, smiled lightly, and greeted Sun Dasheng and Li Nan.

"Haha..."

Sun Dasheng first nodded at Bing Yao, and then laughed at Yue Feng: "I'm so tough, how could something happen?" The

voice fell, and Li Nan also laughed: "Yue Feng, The Great Sage is fine this time, thanks to Qingyan, yes, Qingyan has left the Ouyang family, and there is still a letter to give to you." With

that, Li Nan handed a letter to Yue Feng.

Because it was Su Qingyan's private letter to Yue Feng, Li Nan didn't open it.

Light smoke?

Hearing this, Yue Feng was stunned. Although she was the suzerain of Wenzong and had some research on medical theory, it was impossible to cure the Great Sage.

Muttering in his heart, Yue Feng unfolded the letter and read it carefully.

Qingyan, why are you so stupid?

At this moment, Yue Feng was anxious and guilty.

Chapter 3842

In the letter, Su Qingyan explained the situation at that time in detail.

"What's wrong? Fengzi!" Seeing that Yue Feng's face was wrong, Sun Dasheng hurriedly asked, and at the same time he came over and read the contents of the letter.

What?

After reading the letter, Sun Dasheng also froze there. In order to save herself, Su Qingyan agreed to leave with Bai Yunfei?

For a time, Sun Dasheng could not express regret.

Before in Tianzhong Park, he was too impulsive and was injured by Bai Yunfei, but in order to save herself, Su Qingyan put down her dignity and agreed to Bai Yunfei's unreasonable request.

Su Qingyan is Fengzi's woman. Now that she's gone with another man, how can she keep her head up in the future?

No, absolutely not.

Thinking to himself, Sun Dasheng's eyes instantly turned blood red, and he grabbed Yue Feng's shoulder very excitedly: "Fengzi, I'm sorry, it's all because of me."

"We must bring back the light smoke..."

Finally, he said When the time came, Sun Dasheng almost roared out.

If it was because of him that Feng Zi and Su Qingyan were separated, he would not be at ease in this lifetime.

Feeling the discomfort of Sun Dasheng, Yue Feng nodded.

At this time, when they learned that Yue Feng was back, Wen Chouchou and Ren Yingying also rushed over, and they were shocked when they heard the news of Su Qingyan's departure.

"This Bai Yunfei is too insidious." Ren Yingying couldn't help saying.

When the words fell, Xiao Xi also said: "When he was in Antique Street before, Bai Yunfei spoke to Sister Qingyan in a serious way. I knew at that time that he was paying attention to Sister Qingyan, but I didn't expect..."

Wen Chou Chou took a deep breath, came over and patted Yue Feng's shoulder: "Fengzi, don't worry, Qing Yan has a strong personality and acts in a measured manner, then Bai Yunfei will not do anything to her."

After saying that, Wen Chou Chou He called the disciple of the family, and ordered: "Go check Bai Yunfei's whereabouts immediately. Once there is news, come back and let me know."

"Yes!" After receiving the order, the disciple hurriedly responded.

call!

At this time, Bing Yao also came over to comfort Yue Feng, and finally said: "Since the Great Sage is all right, I will go back to the ghost world first."

After saying this, Bing Yao said goodbye and left.

After sending Bing Yao away, Yue Feng calmed down a lot. He returned to the study and drew a portrait of Bai Yunfei's ugly face, and then handed it over to his disciples to search for this person in the entire Kyushu continent.

Su Qingyan suddenly left, Yue Feng was very anxious, but he also knew that it was very important to find out the whereabouts of the ugly man. After all, the other party was Demon Venerable's subordinate.

While doing this, Wen Chou Chou and Ren Yingying were all on the side, and everyone was extremely puzzled at this time.

"Yue Feng."

Finally, Ren Yingying couldn't help but ask: "What an ugly man, who is he?"

Shuh!

At the same time, the others also looked at Yue Feng, waiting for his answer.

Yue Feng took a deep breath and said slowly, "This person was haunting the ghost world just now, and he even injured Bingyao." Yue Feng didn't say the specific situation, let alone the matter of Demon Venerable, for fear of causing everyone to panic.

Until now, Yue Feng had not realized that the ugly man in the haunted world was Bai Yunfei.

What?

This ugly man, with such strength, actually injured Bing Yao?

Hearing this, both Ren Yingying and Wen Chou Chou were all taken aback. You must know that Bing Yao's strength is obvious to all, and it is incredible that the ugly man in the portrait can actually hurt Bing Yao.

For a time, everyone was extremely shocked and curious, but seeing that Yue Feng was reluctant to say more, everyone did not ask.

Chapter 3843

"Report!"

Just as he was talking, he saw a family disciple hurriedly approaching, standing at the door and respectfully saying: "A man came from outside the door, claiming to be from Xia Yinzong, and said he had an urgent matter to see."

Xia Yin Zong?

Hearing this, everyone looked suspicious, what kind of sect is this, and why have they never heard of it.

Yue Feng frowned. He left without saying goodbye a day ago, but Nalanqing actually sent someone to come to the door.

Thinking to himself, Yue Feng nodded and said, "Please ask him to go to the front hall!"

After saying that, he got up and went to the front hall.

Wen Chou Chou everyone, hurry up to keep up.

When I got to the front hall, I saw a middle-aged man standing there waiting quietly.

At this time, seeing Yue Feng and everyone appearing, the man smiled politely: "Don't take offense to visit rashly, I, Xia Yinzong, will hold the 'Alliance Conference' at Qingyun Mountain in the evening, I hope you can be invited to participate."

Said, The man took out an invitation and put it on the table, then turned and left.

what's going on?

Seeing this scene, Wen Chou Chou and Ren Yingying were all confused.

Suddenly, a Xia Yinzong appeared and sent an invitation, which was really inexplicable.

Yue Feng smiled lightly and said slowly: "Xia Yinzong is a hidden world sect. It has only recently set foot in the arena. The two mysterious old men who arrested me before are the two elders of Xia Yinzong..." He

said, Yue Feng explained the situation of General Xia Yinzong and the process of being arrested at that time in detail.

Huh..

Knowing these circumstances, Wen Chou Chou and Ren Ying Ying looked at each other in dismay, and they were all stunned.

For a while, the entire front room was extremely silent.

"Fengzi!"

Finally, Wen Chou Chou was the first to react, looking at Yue Feng and said: "This Xia Yinzong is actually related to Xuanyuan Huangdi, and Xuanyuan Huangdi was killed by God's Domain back then, which is really unbelievable. Thinking of it."

After speaking, Wen Chou Chou frowned and continued: "Although God's Domain has always despised the human world, for thousands of years, the two sides have been at peace. It seems that something is wrong." The

voice fell, Ren Yingying nodded and said: "Yes, once Xia Yinzong and Tiandao League start a war, it will definitely cause chaos in the rivers and lakes."

Hearing this, Yue Feng nodded silently, and then smiled: "So yes That's right, but think about it carefully. Since the establishment of the Tiandao Alliance two months ago, so many sects have been merged, and the development has been very rapid. At this time, a Xia Yinzong suddenly appeared to curb the development of the Tiandao Alliance. It is not a bad thing. Son."

After speaking, Yue Feng pondered for a while, and continued: "We will not participate in this alliance meeting for the time being, just wait and see how it changes."

Seeing Yue Feng say this, Wen Chou Chou and Ren Ying Ying both nodded in agreement.

In just half a day, not only the Ouyang family received the invitation from the Xia Yinzong, but other sects and forces in the arena were invited at almost the same time.

Of course, they are all sects that have not been merged by the Heavenly Dao Alliance.

Like Yue Feng, most of the sects were not invited to participate, but took a wait-and-see attitude and waited for the changes.

.....

the other side.

Bai Yunfei escaped from the ghost world without stopping at all, and rushed to a small town not far from Qingcheng Mountain.

I had planned with Ji Hongshang before to meet in this small town.

At this time, in the room of the small town hotel.

Bai Yunfei is sitting there, playing with the power of the demon soul in his body. Just now, after taking the antidote of Kurong San, Bai Yunfei has recovered his original appearance, but because of the severe injury, his face is extremely pale and very pale. is weak.

Beside her, Ji Hongshang stood there, her delicate face showing a bit of solemnity.

The Sect Master's plan to go to the ghost world to rescue Mozun actually failed.

call!

At this moment, Bai Yunfei slowly opened his eyes, his handsome face was full of grimness: "Ma De, it seems that he is about to succeed, but at a critical moment, he was attacked by Yue Feng."

Chapter 3844

"If there is a chance in the future, I must smash Yue Feng's corpse into ten thousand pieces."

When he said this, Bai Yunfei's eyes flashed with gloom and resentment.

Yue Feng?

Hearing this, Ji Hongshang's delicate body was shocked, and hatred also appeared in her eyes.

This Yue Feng dared to sabotage the Sect Master's plan, it was a crime that deserved death.

“Ji Hongshang!”

Just when Ji Hongshang was muttering secretly, Bai Yunfei said solemnly: “While I went to the ghost world, what happened to the rivers and lakes in Kyushu?”

Ji Hongshang thought for a while and responded: “Reporting to the sect master, half an hour ago, I got news that a hidden world sect called Xia Yinzong sent invitation letters to many sects. It is said that they want to deal with the Tiandao Alliance?”

Xia Yinzong?

Hearing this, Bai Yunfei narrowed his eyes slightly, and a smile appeared on the corner of his mouth.

This Xia Yinzong actually has to deal with the Tiandao Alliance, which is interesting.

At this time, Bai Yunfei wished that the rivers and lakes in Kyushu would be in chaos, because once the rivers and lakes in Kyushu were in chaos, the ghost world might be involved.

After making up his mind secretly, Bai Yunfei thought of something and asked, “Where's Qingyan?”

Ji Hongshang respectfully said, “I'm resting in the next room.”

Bai Yunfei nodded: “Okay, I'll go out with Qingyan later. Take a walk, you go to pay close attention to the affairs of Xia Yinzong, and report to me immediately as soon as there is the latest progress.”

“Yes, Sect Master!” Ji Hongshang responded and exited the room.

.....

On the other side, the Ouyang family.

Yue Feng sat in the room with a frown on his face.

Several hours have passed, and not only has there been no news of Bai Yunfei and Su Qingyan, but also the whereabouts of the ugly man in the haunted world.

In this case, Yue Feng couldn't tell how anxious he was.

Looking at it like this, I can only ask Tiandao Alliance to help. After all, the Tiandao Alliance is huge, and its disciples are all over the Kyushu.

After making up his mind, Yue Feng quickly wrote a handwritten letter, and at the same time, put the portraits he had made before, put them together, and then sent his disciples to Tiandao League.

....

Tiandao Alliance.

Yue Feng sent someone to send a handwritten letter asking Luo Jue to find out the ugly man in the haunted world.

At first, Luo Jue was very upset, but after reading the contents of the letter, he was surprised.

Demon Lord Gone's subordinates actually broke into the ghost world?

As the messenger of God's Domain, Luo Jue knew very well that the matter of Demon Lord Gone was no trivial matter. He did not hesitate at all, and immediately issued an order to let the sub-altars in all parts of Kyushu search for the whereabouts of the ugly man.

Not only that, Luo Jue even mobilized the elite disciples of the main altar to go to a nearby city to post the portrait of the ugly man.

...

On the other side, Qingyun Mountain.

Qingyun Mountain has a beautiful environment and beautiful scenery. Halfway up the hillside, there is a newly built manor, which is the main altar of Xia Yinzong.

After Xia Yinzong set foot in the rivers and lakes, he built the main altar here.

At this time, in the hall.

Nalanqing sat there with no expression on his delicate face.

Several elders sat on both sides, each with a solemn expression.

Half a day ago, Nalanqing sent people to various sects to issue invitations, intending to discuss how to fight the Heavenly Dao Alliance, but after a few hours, no sects came to answer the appointment. Because of this, Nalanqing was in a very bad mood.

Chapter 3845

“Ma De!”

At this moment, the upright elder Huo couldn't help but slapped the table and said ruthlessly: “These people from the sect are really timid as a mouse, and even a I won't come.” The

voice fell, and Elder Feng continued: “Our Xia Yinzong has just set foot in the arena, and those sects don't understand us, so they have some concerns in their hearts, which is normal.”

Hearing these remarks, Nalan Qingxiu frowned. , slowly said: “In the current situation, what can you do?”

Elder Feng pondered and said slowly: “I think, if we want to gain the trust of those sects, the first thing we have to do is to show ourselves. Only by letting these sects see that our Xia Yin sect has the strength to compete with the Heavenly Dao League, it will be much easier to win over at that time.”

Hmm!

Hearing this, Nalanqing nodded thoughtfully, and then said: “You said you want to show your strength, how do you show it?”

Elder Feng smiled slightly: “Naturally, I want to find a way to use the Tiandao Alliance to open the knife. In the afternoon, I sent someone to investigate the situation of the Tiandao Alliance secretly, and I believe there will be news soon.”

Hearing this, Nalanqing showed a smile: “Elder Feng is really thoughtful.”

“Sect Master!”

Just as he was talking, he saw a figure. Walking in quickly, it was Elder Feng who sent out to investigate the disciples of the Tiandao Alliance.

Arriving in the hall, the disciple respectfully said, “Just now, the disciple inspected the main altar of the Tiandao Alliance and found that all the disciples of the Tiandao Alliance were sent out to search for a man with a strange appearance.”

As he spoke, the disciple took out a A picture comes out.

Swish!

At this moment, both Nalanqing and the eyes of several elders all focused on the portrait.

“Such an ugly person.”

“What did the Tiandao Alliance search for this person?” During the

discussion, Elder Feng flashed a light and smiled at Nalanqing: “Sect Master, this is a once-in-a-lifetime opportunity. The elites have all been sent out, if we suddenly raid, we will definitely move Jiuzhou, and when that time comes, those sects will definitely come to form an alliance.”

When saying this, Elder Feng’s face was full of confidence.

Nalanqing acted decisively and nodded in agreement: “Okay, just do as Elder Feng said, and immediately pass on my order to raid the main altar of the Tiandao League tonight.”

.....

At night, the main altar of the Tiandao League.

The elites of the Tiandao League’s main altar were all sent out by Luo Jue. Not only that, Luo Jue also had something to do. At this time, there were only a few thousand patrolling disciples left in the Tiandao League.

hum!

At this moment, there were several powerful aura fluctuations in the sky not far away.

Feeling this breath, the patrolling disciples present looked up one after another, and all of them were stunned in an instant.

I saw that in the mid-air not far away, several figures flew quickly, headed by a beautiful and sexy woman, wearing a long white dress, with an amazing aura, like a fairy.

It was Na Lanqing, the suzerain of the Xia Yin Sect.

Behind her, it was Elder Huo and several others.

hiss!

At this moment, seeing Na Lanqing’s appearance, all the disciples of the Tiandao Alliance present couldn’t help gasping for air, and their eyes were straight.

Beautiful, beautiful woman.

The next second, when he sensed Nalanqing's strength, he was even more shocked.

"The strength of this woman is so terrifying that she can't even notice it..."

"The old men behind the woman are also very strong."

Under the shock, the disciples of the Heavenly Dao League present were somewhat inexplicably apprehensive.

"what's the situation?"

Chapter 3846

At this moment, a loud roar came, followed by a figure, who walked out of the hall quickly, dressed in armor and majestic, it was Guo Dong.

As the guardian of the Heavenly Dao League, Guo Dong was responsible for guarding the main altar of the Heavenly Dao League when Luo Jue was not around.

Um?

At this moment, Guo Dong's eyes were instantly attracted to Na Lanqing in mid-air. His eyes showed a strange brilliance, and the whole person was dumbfounded.

What a beautiful woman, this figure, this face... she is like a fairy.

Muttering in his heart, Guo Dong took a step forward, looked at Nalanqing and said with a smile: "I don't know which sect this beauty is from. She came here late at night, but she joined my Tiandao Alliance?"

Recently, the reputation of Tiandao Alliance has become more and more loud, Guo Dong thought that Na Lanqing was here to join.

Guo Dong's gaze made Na Lanqing very unhappy.

"Presumptuous!"

At this moment, Elder Huo shouted and glared at Guo Dong: "Who wants to join your Heavenly Dao Alliance? Pry up your dog's ears to hear clearly, this is the suzerain of our Xia Yin Sect."

Saying this At the time, Elder Huo's internal force was urged, and a powerful breath permeated out, and the surrounding air was extremely distorted.

Xia Yinzong?

Hearing this, both Guo Dong and the surrounding Heavenly Dao League were stunned.

What kind of sect is Xia Yinzong, have you never heard of it before?

Under the doubts, Guo Dong also burst into anger, Ma De, this old man is very arrogant, in the place of Tiandao League, how dare you talk like this?

This chapter is provided by . Visit for daily update.

At this moment, Nalanqing looked around the audience and said coldly, "Call Luo Jue out immediately."

The sound of just a few words is not loud, but there is a suffocating sense of oppression, and the disciples of the entire Tiandao Alliance main altar can hear it clearly!

Mad, it turned out to be looking for something.

At this moment, Guo Dong reacted and shouted at Nalanqing: "Whatever your Xia Yinzong is, just a few of you want to see our Lord Tianzun? Those who are acquainted, all will be captured!"

"Hahaha... ."

Hearing this, Elder Huo laughed in the sky, his eyes full of contempt: "A lackey, his tone is not small!"

Om!

When the voice fell, Elder Huo's internal power exploded, and the figure was as fast as lightning. He slapped Guo Dong with a palm, and he saw that there was only an afterimage left, which was very shocking.

Gudong!

Sensing Elder Huo's powerful strength, Guo Dong's expression changed, and he couldn't help swallowing his saliva. Is this old man so powerful?

In panic, Guo Dong didn't have time to dodge, so he had to pull out his long sword and attacked, trying to block Elder Huo's blow.

boom!

The next second, Elder Huo slapped the long sword with his palm. The blade of the long sword did not hurt Elder Huo at all, but was directly shattered. At the same time, Guo Dong was also shocked by this powerful force. He flew out and flew a few hundred meters away, and finally smashed on the ground in front of the main hall.

What? !

Seeing this scene, all the disciples of the Tiandao Alliance stood there, each one only felt a chill down their spines.

This old man, with just one move, severely injured the Dharma protector Guo Dong?

A subordinate with such strong strength, isn't the suzerain of the Xia Yinzong even more terrifying?

Guo Dong was lying there, looking up at Na Lanqing in mid-air, and was extremely shocked.

Nalan Qing opened her red lips lightly, looked at Guo Dong and said coldly: "I'll say it again, call Luo Jue out."

At this time, Guo Dong, completely lost his previous arrogance, stammered: "God... Your Excellency Tianzun is not at the main altar."

Not here?

Hearing this, Nalanqing frowned, and decisively issued an order to Elder Huo: "Elder Huo, I order you to immediately destroy the main altar hall of the Tiandao Alliance and burn the banner of the Tiandao Alliance. "

Chapter 3847

Destroyed the main altar hall and burned the banner of the Tiandao Alliance.

Na Lanqing's voice was not loud, but it spread throughout the main altar of the Heavenly Dao Alliance.

"Let's order!" Elder Huo responded in unison, and immediately urged their figures.

boom!

In the next second, I saw the figure of Elder Feng burst out, like a thunderbolt, and slammed down with a punch, and several pillars in front of the main hall collapsed instantly.

Click!

At the same time, Elder Huo used his internal power, and a mass of fire condensed out, directly burning the flag flying in front of the hall to ashes.

However, this is not the end.

“Kill!” I

heard a howl coming from the foot of the mountain, and then, thousands of figures rushed into the square in front of the main hall like a tide, uniformly dressed in black, with an aura like a rainbow.

It is the elite disciple of Xia Yinzong.

These elite disciples, whose strength is around Wu Sheng, exploded together at this time, and the sky was distorted.

“Ah...”

All this happened so suddenly, many disciples of the Heavenly Dao League, before they could react, let out a scream, fell to the ground, and passed out.

In this raid on the Tiandao League, the main target of Xia Yinzong was Luo Jue, so he did not kill all the disciples of the Tiandao League.

Swish!

Seeing this scene, Guo Dong also trembled, panicked and angry.

I thought that Xia Yinzong just came with a few people, but I never thought that it would bring so many disciples. Obviously, Xia Yinzong came prepared today.

“Who dares to be presumptuous in the Tiandao League?”

Just when Guo Dong was panicking, he heard a loud shout not far away, and then a figure came quickly. Behind him, there were nearly 10,000 Tiandao League. Elite.

It was Luo Jue.

“Tianzun!”

Guo Dong was overjoyed when he saw Luo Jue, and shouted: “These people claiming to be Xia Yinzong came to make trouble, and their subordinates fought hard, but they were still seriously injured.”

Guo Dong is a real villain. In this case, don't forget to take credit.

Xia Yinzong?

Hearing this, Luo Jue's eyes locked on Nalanqing in mid-air: "Why did you raid my Heavenly Dao Alliance?" When he said this, Luo Jue's anger rose.

He clearly saw that many disciples of the Heavenly Dao League were lying on the ground, and the main altar hall collapsed, leaving the scene in a mess.

"Are you the messenger of the God's Domain?" Nalanqing's beautiful face showed no expression at all: "Tell you, the ancestor of our Xia Yin Sect was Xuanyuan's subordinate."

Shah!

At this moment, Luo Jue's eyes burst into a cold light: "So it's you? Well, very good!"

At this time, Luo Jue was angry and excited. Some time ago, the God of Nine Heavens asked him to investigate Xuanyuan Yuxie's However, Luo Jue inquired around, but there was still no clue, but he never expected that the other party would take the initiative to send it to the door.

Feeling Luo Jue's gloomy coldness, Nalanqing did not panic at all.

In the next second, Nalanqing looked around and said to the Tiandao Alliance who were present: "Everyone, we are all from Kyushu, but you may not know that Xuanyuan Huangdi was killed by God's Domain ten thousand years ago."

"On the surface, God's Domain advocates 'Heavenly Dao'. In fact, it's just a pretense. Now, God's Domain has sent this Luo Jue to establish the Heavenly Dao Alliance. On the surface, it is said that it is to maintain the order of Kyushu, but it is actually to enslave us Kyushu people."

Wow. .. The

voice fell, and the disciples of the Tiandao League present were all stunned and talked a lot.

"Huangdi Xuanyuan, actually died at the hands of God's Domain..."

"God's Domain wants to enslave Kyushu?"

Hearing the surrounding discussions, Luo Jue's face was extremely gloomy, and he shouted: "Give me peace, don't listen to this woman messing around. Said that, ten

thousand years ago, Xuanyuan openly opposed the Divine Realm and was executed, and it was entirely his own fault.”

Chapter 3848

“Xia Yinzong, for Xuanyuan’s desire to sin, took the initiative to provoke trouble, and the crime cannot be punished.”

Hearing this, Nalanqing chuckled and retorted: “Is it what I said, you know very well. I don’t want to talk about nonsense, this sect master is here today to get rid of you.”

“Very good!”

Luo Jue’s face changed gloomily, staring at Nalanqing, and laughed: “Seeing that you are so confident, I will let’s see how much skill you have!”

Om!

The voice fell, and a powerful breath permeated from Luo Jue! He suddenly raised his hand and slapped Nalanqing with a palm!

At the same time, Guo Dong, who was below, was also very excited at this time, and he howled: “Just rely on you rabble, dare to come to the Tiandao League to make trouble? Don’t even think about leaving alive today.”

Guo Dong is a typical The villain, if it was five minutes ago, he would not have dared to be so arrogant, but now Luo Jue has rushed back, and he has confidence.

While howling, Guo Dong endured the severe pain on his body, quickly rushed to the corner, sat there cross-legged, and regained his strength.

Swish!

At this moment, seeing Luo Jue burst out, whether it was Elder Huo or Elder Feng, his eyes instantly locked on Luo Jue.

Immediately afterwards, Elder Huo roared: “Sect Master, I will deal with him.” The voice fell, and Elder Huo urged his inner strength to attack him.

“Elder Huo, step back!”

Nalanqing shook his head, his delicate face was full of solemnity: “This Luo Jue’s strength is no trivial matter, you don’t want to take risks.” The

voice fell, and Nalanqing's figure appeared lightly. The jade hand raised up and greeted Luo Jue.

"Clang!" In the

next second, Nalanqing and Luo Jue collided with their palms, only to hear a loud bang! At the moment when the two palms collided, a tyrannical fluctuation of internal force swept the audience!

Luo Jue and Na Lanqing groaned at the same time, and they both stepped back more than ten steps!

With this palm down, no one will take advantage of it!

But Luo Jue's heart was suddenly shocked! You must know that his current strength is enough to disdain Kyushu. Except for Bai Yunfei, he is almost a rare opponent, and the strength of Nalanqing in front of him is so terrifying.

"God's Domain messenger, nothing more than that!"

Just when Luo Jue was secretly surprised, Nalan Qing gave a coquettish cry, raised her jade hand, and burst out again.

"Arrogant!"

Luo Jue snorted coldly, also without fear, mobilized the power of the primordial spirit, and fought with Nalanqing in mid-air.

...

On the other side, at the foot of Qingcheng Mountain.

Bai Yunfei asked Su Qingyan to accompany him, and after going out for a walk, he came to the tavern to rest.

At this time, in the private room on the second floor of the tavern.

Bai Yunfei and Su Qingyan sat facing each other by the window. In order to create an environment where they could be alone, Bai Yunfei covered almost the entire second floor.

"Qingyan!"

Bai Yunfei smiled, admired Su Qingyan up close, and said, "Look at how beautiful the scenery at the foot of Qingcheng Mountain is, so beautiful, please accompany me for a few drinks."

Said, Bai Yunfei took the When the jug is lifted, it is necessary to pour wine for Su Qingyan.

However, Su Qingyan shook her head, her delicate face showed no mood swings: "I don't like drinking, you can drink it yourself."

Although she agreed to leave with Bai Yunfei, in the past two days, Su Qingyan's attitude towards Bai Yunfei has always been very indifferent.

Uh...

Bai Yunfei was very embarrassed, then nodded and said, "Okay, then I'll drink it myself."

Saying this, Bai Yunfei felt extremely irritable.

This Su Qingyan is too indifferent, how can I improve her opinion of me?

Chapter 3849

"Sect Master!"

Just as he was irritable, he saw a call from the stairs, and then Ji Hongshang walked up slowly.

The atmosphere was disturbed, and Bai Yunfei was even more unhappy: "What are you doing here? Didn't I ask you to investigate the situation of Xia Yinzong?"

Seeing Bai Yunfei's anger, Ji Hongshang was very frightened, and quickly said: "Sect Master, just now I got the news that the Xia Yinzong raided the main altar of the Tiandao Alliance, and now the two sides are fighting fiercely."

Huh?

Hearing this, Bai Yunfei was stunned for a moment, and then showed a smile.

This Xia Yinzong is very bold, and it is a bit interesting to dare to raid the main altar of the Heavenly Dao Alliance.

At the same time, Su Qingyan also trembled, showing a momentary interest.

Noticing the change in Su Qingyan's expression, Bai Yunfei quickly asked, "Qingyan knows about this Xia Yinzong?"

"I don't know!"

Su Qingyan shook her head and said softly, "I was just thinking, the power of the Heavenly Dao Alliance. It's so big, and all the rivers and lakes in Kyushu are talking about it, and now there is a sect that dares to openly challenge the Tiandao League, which is really surprising."

Two months ago, in order to build a teleportation array linking Kyushu and God's Domain, the Tiandao League forcibly took possession of Tianmen's territory, Luo Jue almost injured Yue Wuya and Sun Dasheng, so Su Qingyan didn't have the slightest affection for Tiandao Alliance.

"Haha.."

Bai Yunfei is good at observing words and expressions. Seeing Su Qingyan say this, he couldn't help laughing: "Looking at the situation, Qingyan, like me, doesn't have the slightest impression of Tiandao Alliance."

Su Qingyan Qingyan Qingdao: "After the establishment of the Tiandao Alliance, it has been annexing other sects, and its heart is very clear. I don't think any person with justice in his heart will have any goodwill towards the Tiandao Alliance."

"Okay!"

Hearing this, Bai Yunfei said with a smile: "If that's the case, let's go see the excitement together."

At this time, Bai Yunfei was very excited, and finally had a common topic with Su Qingyan, and more importantly, Bai Yunfei also wanted to see where the Xia Yinzong who raided the main altar of the Heavenly Dao League was sacred.

A few minutes later, Bai Yunfei took Su Qingyan and Ji Hongshang to the main altar of the Heavenly Dao Alliance quickly.

...

At this moment, the Ouyang family.

The story of Xia Yinzong's raid on the main altar of the Heavenly Dao League spread quickly across the rivers and lakes. After Yue Feng heard the news, he immediately called the crowd of Wen Chou Chou to discuss.

At this time, in the hall. With an excited face, Sun Dasheng took

the lead and said, "I didn't expect this Xia Yinzong to be very kind, so he dared to raid the main altar of the Tiandao Alliance."

Raid, naturally feel good.

When the words fell, Wen Chou Chou couldn't help laughing: "This situation is very obvious, Xia Yinzong sent an invitation to Jianghu before, but only a few sects were invited to participate, so Xia Yinzong raided Tiandao League to prove himself. strength."

After speaking, Wen Chou Chou tilted his head to look at Yue Feng: "Fengzi, what do you think?"

Shuh!

At this moment, the eyes of others also converged on Yue Feng.

Yue Feng pondered and said slowly: "I think it is necessary for us to stop it. Whether it is the Tiandao Alliance or the Xia Yinzong, the strength is no small matter. If the two sides continue to fight, the entire Jiuzhou rivers and lakes will be involved. At that time, it will be the people who will suffer."

Hearing this, everyone expressed their approval.

At this time, Wen Chou Chou said: "It's not too late, let's go quickly."

After a few minutes, everyone set off and rushed to Tiandao Alliance together.

...

On the other side, Tiandao Alliance.

In midair, Luo Jue and Na Lanqing were still fighting fiercely.

Chapter 3850

Half an hour later, neither Nalanqing nor Luo Jue could suppress the other.

Luo Jue, as the messenger of God's Domain, has no doubts about his strength, and Nalanqing has also broken through the Tribulation Transcendence Realm. He should have soared long ago, but he stayed in Kyushu.

After a few minutes, neither of the two parties could do anything, and they were a little anxious.

"Sect Master, I'm here to help you!"

At this time, Elder Huo couldn't bear it anymore, shouted loudly, and rushed over.

At the same time, several elders Feng also urged their figures to fight Luo Jue together with Na Lanqing.

Luo Jue faced Nalanqing alone, and he was still able to handle it with ease. At this time, facing the siege of Elder Huo and several people, he couldn't hold it any longer.

“Guo Dong!”

In desperation, Luo Jue's eyes were extremely blood red, and he shouted at Guo Dong who was meditating not far away and recovered: “Go to the stone prison at the back immediately, release the repeat offenders, and let them fight the enemy together.”

Luo Jue said The repeat offenders are the eight saintess Huanxiang and Ziyan.

A month ago, after Luo Jue attacked Shenlong Island, he imprisoned the saintess Huanxiang and Ziyan in the name of passive battle. Now that Tiandao League was raided by Xia Yinzong, Luo Jue decided to release them.

“Yes, Tianzun.”

After receiving the order, Guo Dong quickly responded and rushed towards the stone prison.

After a while, I saw several slender figures coming quickly, one by one with long skirts flying, beautiful and charming, it was the eight saintess Huanxiang and Ziyan.

To be honest, after being imprisoned by Luo Jue, Huanxiang and Ziyan were all very dissatisfied. At this time, the Tiandao Alliance was raided, and they didn't want to help, but Luo Jue's status was higher than them, and he had no right to disobey.

Swish!

Seeing the eight saintess, whether it was Nalanqing or Elder Huo, they all frowned.

These eight women, the aura that pervades their bodies is so strong.

Haha...

Luo Jue was very excited, showing a bit of pride on his face, and then shouted at Huanxiang: “Quick, help me take down these Xuanyuan Yuxie.”

“As long as you help me catch it . To live with these people, I can let go of the negativity and slack in the past.”

Hu...

Hearing this, Huan Xiang and Zi Yan looked at each other, and they both resisted each other. But they still nodded.

The next second, Huanxiang first burst into power, rose up, and joined the battle.

Swish swish...

Zi Yan and the other saintess followed closely.

“Several elders...”

Seeing the eight saintess burst out, Nalanqing’s delicate face was full of solemnity:
“These eight women are very powerful, let’s not underestimate the enemy.”

Elder Huo nodded in succession , then erupted one after another, and fought fiercely with the eight saintess in mid-air.

Huh....

Seeing this scene, the disciples of the Tiandao League and Xia Yinzong below looked at each other with ecstasy. No matter it is Nalanqing or the eight saintess of Huanxiang, all of them are graceful in figure and charming in appearance, fighting in mid-air at this time is simply a visual feast.

The two sides fought fiercely for a few minutes, only to see Huanxiangyu raised her hand and waved a ribbon out. The ribbon was more than ten meters long. In Huanxiang’s hand, it seemed to have life, and it was very flexible.

Swish...

At the same time, Zi Yan and the other saintess also raised their hands and displayed ribbons.

The eight ribbons were waving together, making people dazzled, and in the blink of an eye, the elders of fire were trapped in the middle.

The ultimate husband in Chinese chapter 3851-3860

Chapter 3851

Facing the ribbon attack of the eight saintess of Huanxiang, the elders of fire are all in a hurry.

Chi Chi Chi...

After a few rounds, Elder Huo was wrapped tightly by the ribbons and lost their combat effectiveness in an instant.

What?

Seeing this scene, Nalanqing was shocked and at the same time extremely anxious.

I thought it would be easy to take Luo Jue today, but I never thought that at a critical moment, Luo Jue actually called eight saintesses to help.

Now the elders of Huo have all been caught, and he is the only one left, afraid of danger.

Haha...

At this moment, Luo Jue was in a very happy mood, and mocked at Nalanqing: "Your subordinates have already been arrested, I advise you to go ahead and capture."

Nalanqing bit her lip tightly and did not respond. Motivated his inner strength to continue the fierce battle with Luo Jue.

At this time, Huanxiang and Ziyan came one after another, and together with Luo Jue, surrounded Nalanqing.

For a time, Nalanqing's situation was even more dangerous.

At this time, on a hillside not far away, three figures came quickly.

It was Bai Yunfei, Su Qingyan, and Ji Hongshang.

Phew...

This chapter is provided by . Visit [for](#) daily update.

After landing on the hillside, Bai Yunfei saw several figures fighting in the air, and his eyes instantly fell on Nalanqing.

It seems that this is the suzerain of Xia Yinzong.

“Looking at the situation, the strength of this Xia Yinzong is much worse than that of the Tiandao Alliance.” Bai Yunfei said slowly: “The battle is almost over.”

When the words fell, Su Qingyan said softly, “It’s not surprising that the Heavenly Dao Alliance is bullying the less!”

When she said this, Su Qingyan looked at Nalanqing with a bit of sympathy.

“Haha!”

Bai Yunfei smiled slightly: “Xia Yinzong openly fought against the Tiandao League. This courage is admirable. I will help them. Qingyan, you can watch the play here.” The

voice fell, Bai Yunfei urged The moving figure, like a cannonball, rushed towards the battlefield.

Speaking of which, Bai Yunfei helped Xia Yinzong. On the one hand, he only wanted to please Su Qingyan, and on the other hand, he wanted to befriend Xia Yinzong.

Before breaking into the ghost world and failing to rescue Mozun, Bai Yunfei realized that he was weak and needed a strong ally, and Xia Yinzong was undoubtedly the most suitable.

At this time, the battlefield is here.

Facing Luo Jue, Nalanqing had already been besieged by the eight saintesses, and was almost unable to hold back.

Suddenly, a figure burst out and slapped Luo Jue with a palm.

It was Bai Yunfei.

Luo Jue reacted quickly, and hurriedly greeted him with a palm, only to hear a breath vibrating, Luo Jue’s body was shocked, and he took a few steps back in the air.

At the same time, Bai Yunfei was also shaken back more than ten meters away.

“Bai Yunfei?”

After stabilizing his figure, Luo Jue’s gaze fell on Bai Yunfei, shocked and angry.

Mad, even this guy.

In a panic, Luo Jue said coldly to Bai Yunfei: “Bai Yunfei, what are you doing here?”

Shuh!

At the same time, Nalanqing's eyes also fell on Bai Yunfei, and he was very curious.

Who is this person? Why help me?

Facing Luo Jue's glare, Bai Yunfei's face was calm and calm: "I just happened to pass by, the so-called 'the road sees injustice and draw a knife to help', I can't see how you Tiandao alliance bully the less." The

voice fell, Nalan Qing couldn't help but said, "Thank you for being a chivalrous warrior, and helping each other with justice."

Although he didn't know Bai Yunfei's identity yet, Nalanqing was very grateful for the other party's righteous action.

Chapter 3852

Bai Yunfei smiled slightly, and said to Nalanqing, "You're welcome!"

Seeing the two of them greet each other like no one else, Luo Jue's face was extremely gloomy and angry.

At the Celebration Banquet of the Heavenly Dao Alliance, Bai Yunfei took the initiative to challenge him, and he and he would not win or lose. At that time, Luo Jue invited Bai Yunfei to be the deputy leader of the Heavenly Dao Alliance, but Bai Yunfei laughed and left, which made Luo Jue very embarrassed.

At this time, seeing that he could capture the Sect Master of Xia Yinzong alive, Bai Yunfei came out to disrupt the situation again.

The more Luo Jue thought about it, the more angry he became, and looked at Bai Yunfei coldly: "Last time we couldn't decide the winner, this time let's fight again."

Buzz!

As soon as the voice fell, Luo Jue burst into a powerful breath and charged directly.

"I can't ask for it." Bai Yunfei smiled lightly.

Saying that, Bai Yunfei's whole body exploded, and he fought with Luo Jue in mid-air.

Just like last time, I saw the two figures quickly shuttle in mid-air, but none of them could do anything.

This man is very strong.

Seeing this scene, Nalan Qing's delicate body trembled faintly, and her eyes looked at Bai Yunfei with a strange light. camp.

In the blink of an eye, ten minutes passed, and Bai Yunfei and Luo Jue fought more and more fiercely.

"All stop, don't fight."

At this moment, a shout came from not far away, and then, a group of people came quickly, it was Wen Chou Chou and Sun Dasheng.

However, Bai Yunfei and Luo Jue didn't listen at all and continued to fight fiercely.

hum!

Suddenly, a powerful aura erupted from the sky, and then, a figure swooped down like lightning.

When this figure fell between Luo Jue and Bai Yunfei, a strong vibration was heard. Luo Jue and Bai Yunfei only felt a powerful force coming, and they were shaken back.

After retreating dozens of meters, Luo Jue and Bai Yunfei stabilized their figures.

At this time, the figure slowly descended.

Knife-like facial features, sharp edges and corners, indescribably handsome and cold!

It was Yue Feng.

Swish!

Seeing that it was Yue Feng, whether it was Luo Jue or Bai Yunfei, they all frowned, their faces extremely ugly.

At the same time, the surrounding people were also in an uproar.

In particular, the disciples of the Tiandao Alliance were even more shocked.

"Is it Yue Feng?"

"This Yue Feng's strength is so terrifying that it can shock Lord Tianzun and Bai Yunfei at the same time?" During the

discussion, the eight saintess Huanxiang and Ziyang also looked at Yue Feng, one by one excited.

During this time, although the eight saintess Huanxiang and Ziyan were imprisoned in the stone prison by Luo Jue, they also heard the news of Yue Feng's return.

However, due to their status and Luo Jue's presence, the eight saintess endured their excitement and did not come forward to say hello.

Yue Feng!

Su Qingyan, who was watching not far away, trembled even more delicately, her eyes fixed on Yue Feng, and her heart was full of mixed feelings.

When she left the Ouyang family, Su Qingyan thought it would be difficult to see Yue Feng again, but she didn't expect to see her so soon.

At this moment, Su Qingyan wanted to go there, but in the end she held back.

As a woman of Yue Feng, she followed Bai Yunfei. There were so many people on the scene. If the matter was exposed, Yue Feng's reputation would be greatly damaged.

At this time, the main altar of the Tiandao Alliance is here.

"Yue Feng!"

Finally, Bai Yunfei reacted and looked at Yue Feng with a half-smiling smile: "What do you mean? Do you want to help the Tiandao League deal with me and Xia Yinzong? However, I haven't heard that Tianmen joined the Tiandao League. "

Chapter 3853

Swish!

The voice fell, and the eyes of the audience suddenly converged on Yue Feng.

Nalanqing frowned even more, looked at Yue Feng suspiciously, and muttered in his heart.

Could it be that what Bai Yunfei said was true, Yue Feng and Tianmen had already joined the Tiandao Alliance, so he would refuse when he proposed an alliance before.

At this moment, Luo Jue also looked at Yue Feng complicatedly, wanting to see how he responded.

Facing the eyes of everyone, Yue Feng frowned secretly, his heart was angry.

Mad, this Bai Yunfei is really insidious, so to speak, is deliberately provoking disputes.

Thinking to himself, Yue Feng said slowly: "We Tianmen have always advocated 'benefiting the rivers and lakes', and we have never participated in unnecessary battles, let alone joined the Heavenly Dao Alliance."

Phew...

Hearing this answer, Nalan breathed a sigh of relief. , the look has also eased a lot.

Fortunately... this Yue Feng has nothing to do with the Tiandao Alliance, otherwise, there will be an additional rival in the future.

"Haha!"

However, Bai Yunfei chuckled and said lightly, "Since it's not from the Tiandao Alliance, why do you have to go into this muddy water and mind your own business?"

"I just don't want to see the death of both parties, causing all the life in the rivers and lakes to be ruined. ." Yue Feng said coldly.

Bai Yunfei sneered without saying a word, with a look of disdain on his face: "Speaking of a high-sounding, who knows what idea you have in your heart, as I see it, you just want to fish in troubled waters.

" Appearing at this time is really worth scrutinizing."

When he said this, Bai Yunfei's face was gloomy.

Bai Yunfei wished that the rivers and lakes in Kyushu would be in chaos. At this time, when he saw that Yue Feng wanted to stop the fight between the two sides, he was very upset, and he said that he would pull Yue Feng into the water.

Luo Jue, who was standing not far away at this time, also frowned secretly at this time, looking at Yue Feng, very dissatisfied.

This Yue Feng, as the Nine Heavens Profound Sage, said that he had nothing to do with the Heavenly Dao Alliance...

At this time, facing Bai Yunfei's harassment, Yue Feng was too lazy to talk nonsense, looked directly at Bai Yunfei, An Nai was angry, and asked: " Bai Yunfei, I'm not talking nonsense with you, where is Qingyan?" To

be honest, Yue Feng didn't want to ask this question in the eyes of everyone around him, but when he thought of Su Qingyan, he felt heartache, guilt, and couldn't help it. He questioned Bai Yunfei face to face.

I left for three years before, and I finally came back. I haven't reunited with Su Qingyan yet. As a result, in order to save Sun Dasheng, Su Qingyan flew away with Baiyun.

If Su Qingyan was lost like this, Yue Feng would never be happy in his life.

Su Qingyan?

Bai Yunfei was stunned for a moment, then sneered: "Yue Feng, what light smoke, I don't understand what you're talking about?"

Yue Feng took a deep breath and said word by word, "Don't pretend to me, you were seriously injured before. After the Great Sage, Qingyan left with you in order to let you treat the Great Sage, tell me, where is she now?"

When he said this, Yue Feng strongly suppressed the urge to act.

Feeling Yue Feng's anger, Bai Yunfei did not panic at all, but instead laughed and mocked: "Yue Feng, you are really interesting, your woman is gone, so you came to me for it? According to your meaning, other people's women I lost it, and they all came with me? I didn't open a women's shelter."

At this time, Bai Yunfei's eyes flashed with cunning.

Yes, he deliberately pretended to be confused to provoke Yue Feng. Only by angering Yue Feng can the situation in front of him be completely disrupted.

boom!

At this moment, the surrounding disciples of Xia Yinzong couldn't help laughing, and they all looked at Yue Feng with a bit of teasing.

Chapter 3854

"Is there something wrong with Yue Feng's brain?"

"Haha... I can't even look at my own woman..." The

surrounding discussion, you and I came, Yue Feng's anger rose, his fists clenched.

"Tokyo shut up!"

At this moment, Sun Dasheng couldn't help it, took a step forward, pointed at Bai Yunfei and cursed: "Bai Yunfei, do you want to be shameless? Qingyan is the woman of Fengzi, you Do everything possible to get it, and in the end, in the name of saving me, to force Qingyan to be soft to you, to be able to do such a despicable thing, are you considered a man?"

Sun Dasheng felt very guilty about Su Qingyan. At this time, seeing Bai Yunfei causing public opinion to mock Yue Feng, how could he hold back?

Swish!

Hearing Sun Dasheng yelling, Bai Yunfei put away his smile, his face extremely gloomy.

The next second, Bai Yunfei looked up and down at Sun Dasheng, his eyes full of contempt: "My defeated general still has the face to shout in front of me? Don't forget, I saved you before."

When he said this, Bai Yunfei's eyes flickered. Looking cold and severe, he really wanted to kill Yue Feng on the spot, but he was afraid of the strength of Yue Feng and Luo Jue, so he held back.

"Ma De, you..."

Hearing this, Sun Dasheng was furious and wanted to refute, but when it came to his mouth, he swallowed hard.

Because Bai Yunfei was right, he was indeed not his opponent, and it was also a fact that Bai Yunfei saved him.

Seeing that Sun Dasheng had nothing to say, Bai Yunfei chuckled and ignored it.

Immediately, Bai Yunfei's eyes fell on Yue Feng, and he sneered and said: "Yue Feng, you were once the Lord of Heaven's Gate, someone with status, don't make trouble here. Shame on you."

Nima!

Yue Feng clenched his fists tightly, trembling all over his body in anger.

This Bai Yunfei is really shameless, Qing Yan obviously left with him, but he doesn't admit it.

Sigh...

Seeing the situation in front of him, Nalan shook his head secretly, thinking that this Yue Feng was a hero who stood up to the sky, but he didn't expect that he would only focus on his children's private affairs, and the woman was gone, and he was given public information. It's really embarrassing to say it on occasion.

In contrast, this Bai Yunfei is quite good.

For a time, in Nalanqing's heart, his impression of Yue Feng was extremely bad, but he admired Bai Yunfei incomparably.

"Bai Yunfei!"

At this moment, Luo Jue, who had been silent all the time, suddenly shouted and glared at Bai Yunfei: "You are not too brave, you dare to be rude to Your Excellency Yue Feng." After speaking

, Luo Jue looked around. His expression was proud: "Everyone, Your Excellency Yue Feng is the Nine Heavens Profound Sage of my God Realm, and his status is second only to His Majesty the Nine Heavens God. Whoever dares to disrespect him is to oppose the Heavenly Dao Alliance and despise the God Realm." The

last sentence fell, Luo Jue Walking forward, he gave a deep salute to Yue Feng: "Your Excellency Xuansheng, this subordinate is not trying to reveal your identity on purpose, this Bai Yunfei is really abominable."

At this time, Luo Jue was respectful on the surface, but in his eyes But insidious.

Xia Yinzong raided the Heavenly Dao League, Yue Feng, as the Nine Heavens Profound Sage, doesn't want to help, instead he wants to be a peacemaker. Now I will expose your identity and see what you do.

Whoa!

At this moment, the audience was in an uproar.

"This.... Yue Feng is the Nine Heavens Profound Sage?"

"What's the situation, is it true or false?"

"You saluted without seeing Tianzun, can it still be fake?"

Chapter 3855

In the discussion around, Wen Chou Chou and Sun Dasheng were also stunned.

It turns out... Fengzi is the Nine Heavens Profound Sage.

It is no wonder that during this time, the Tiandao Alliance no longer bothered the Ouyang family.

However, under the shock, Wen Chou Chou and the others were not at all happy, but each one had a complicated mood. You must know that since the establishment of the Tiandao League, all sects of Jianghu have been forced to join in in a tough way.

Swish!

At this time, Nalanqing, Elder Huo, and the others looked at Yue Feng one by one with shock and anger in their eyes.

This Yue Feng turned out to be the Nine Heavens Profound Sage.

No wonder he refused to join the alliance with Xia Yinzong before.

Especially Na Lanqing, whose delicate face was a bit gloomy, and there was a kind of humiliation in his heart.

What the hell!

Looking at Luo Jue, who was respectful and courteous, and the gazes around him, Yue Feng was very depressed.

What's the matter with this Roger? He once explained to him that the identity of Jiutian Xuansheng must not be exposed, but he did not expect that he would say it in public.

However, this Luo Jue said it because he couldn't bear to see Bai Yunfei, so he made a name for himself. I can't blame him.

At this time, Yue Feng didn't know that Luo Jue did it on purpose.

Huh.... After a few seconds, Yue Feng

calmed down and said to Luo Jue, "Forget it, since you said it all, I don't blame you!"

Calm, but very depressed.

I thought I could persuade the two sides to stop, but now that the identity of Jiutian Xuansheng is exposed, it will definitely arouse the dissatisfaction of Xia Yinzong, and it will be difficult to persuade them again.

"Thank you, Your Excellency Xuansheng, for being magnanimous!" Luo Jue looked grateful.

Saying that, Luo Jue glared at Bai Yunfei: "Boy, are you going to be with Xia Yinzong and against our Heavenly Dao Alliance?"

At this time, Luo Jue was full of confidence.

When Yue Feng's identity is exposed, he can no longer be a peacemaker, and invisibly, he also stands on the opposite side of Xia Yinzong.

“So what?” Bai Yunfei smiled slightly, not panicking at all.

Bai Yunfei is not a fool, he immediately saw Luo Jue’s intentions, but even if the Heavenly Dao Alliance had Yue Feng to help, Bai Yunfei didn’t panic, because he still had a hidden trump card that he hadn’t brought out.

“Okay, very good!”

Bai Yunfei’s calmness made Luo Jue very unhappy. He nodded and said, “It seems that you are determined to fight against our Heavenly Dao Alliance.”

After speaking, Luo Jue raised his hand and waved: “All the disciples of the Heavenly Dao Alliance obeyed the order. No matter how much they pay today, they must take down Bai Yunfei and Xia Yinzong

.”

And, the momentum shook the sky, and immediately surrounded Nalanqing, Bai Yunfei and others.

In an instant, the atmosphere became tense, and the air was filled with a strong smell of killing.

“Luo Jue!”

Yue Feng frowned secretly and whispered to Luo Jue: “Don’t be impulsive, you were sent to Kyushu to maintain the tranquility of the rivers and lakes, not to cause battles in the rivers and lakes.”

When he said this, Yue Feng Seriously.

To be honest, Bai Yunfei is so hateful, Yue Feng also wants to get rid of him, but Bai Yunfei is surrounded by people from Xia Yinzong.

Moreover, the purpose of Yue Feng’s visit this time is to stop the fighting between the two sides. How can the situation be allowed to deteriorate?

What?

Hearing this, Luo Jue was stunned for a moment, and was very unhappy in his heart: “Your Excellency Xuansheng, what do you mean, you want to let them go? You also saw that it was the Tiandao League that Xia Yinzong raided first, if I let them go After leaving, how will the Heavenly Dao Alliance scare Kyushu in the future?”

“Also, this Xia Yinzong, as Xuanyuan Yuxie, is the target of His Majesty the Nine Heavens God’s name to be destroyed. If I listen to your arrangement, I will not be able to communicate with His Majesty in the future what.”

Chapter 3856

This...

Hearing this, Yue Feng pondered and was very entangled.

How is this good?

Oops!

At this moment, seeing the elites of the Heavenly Dao Alliance surrounding him, Na Lanqing bit her lip tightly, her delicate face showing a bit of anxiety.

The Tiandao Alliance has Yue Feng to help, and it is difficult to deal with it now.

However, Bai Yunfei had a calm look on his face, tilted his head and said to Nalan Qing: “Don’t panic, although there are many people, it’s not enough to be afraid of.”

Hearing this, Nalan frowned secretly.

At this time, this Bai Yunfei can still be so calm, this person is really unusual.

“Bai Yunfei!”

At this time, Sun Dasheng came out and shouted: “You better tell the whereabouts of Qingyan, otherwise, I will tell you to die today without a burial.”

In Sun Dasheng’s eyes, the situation in front of him is irrelevant. What he cares about is to help Fengzi find Su Qingyan as soon as possible, otherwise, he will be uneasy for the rest of his life.

Facing the clamor of Sun Dasheng, Bai Yunfei smiled contemptuously, and then gently recited a spell in his mouth.

When chanting the mantra, Bai Yunfei’s voice was so soft that only he could hear it.

hum!

This chapter is provided by . Visit for daily update.

No one else could hear this spell, but Sun Dasheng could hear it clearly. In an instant, he felt a buzzing sound in his mind, and it went blank.

what's the situation?

Sun Dasheng shook his head and was extremely surprised.

Why is my brain a little groggy all of a sudden?

Sun Dasheng still didn't know that he was affected by Bai Yunfei's spell.

At that time, Bai Yunfei's blood for treating Sun Dasheng contained the soul-eating bloodworms, which can control people's thinking. Just now, Bai Yunfei recited the incantation and gave instructions to the soul-eating bloodworms in Sun Dasheng's body.

However, Bai Yunfei was very secretive, so everyone present did not see it.

Even Sun Dasheng himself didn't know what was going on.

Haha...

Seeing that Sun Dasheng was in a trance, Bai Yunfei showed a smile, and then said slowly: "Sun Dasheng, how can I say that I also saved you, I really want to talk about grievances, I heard that Luo Jue also had some festivals with you."

"And now you want to help Luo Jue to deal with me, isn't that appropriate?"

Hu...

Hearing this, neither Wen Chou Chou nor Yue Feng took it seriously.

With such a clumsy and aggressive method, you want the Great Sage to deal with Luo Jue?

The Great Sage would not be so stupid.

"Not bad!"

However, what was unexpected was that Sun Dasheng nodded subconsciously. At this time, Sun Dasheng was controlled by the soul-eating bloodworm, and he completely and unconditionally agreed with Bai Yunfei's words.

"Go to hell!" In the

next second, Sun Dasheng shouted, his figure rushed out like a cannonball, and slapped Luo Jue's back with a savage palm.

At this moment, suddenly, a loud shout came from behind! Immediately afterwards, a figure, lightning fast, rushed from behind Luo Jue and slapped Luo Jue with a palm!

Um? At this time, Luo Jue was focusing on Bai Yunfei and everyone in Nalanqing. He didn't expect Sun Dasheng to attack him from behind, but he quickly turned his head when he felt the danger coming from behind.

Seeing Sun Dasheng, Luo Jue was shocked, and the whole person was stunned.

"Luo Jue! You're going to die for me!" Sun Dasheng's face was grim, revealing endless madness.

Chapter 3857

At this time, Sun Dasheng, under the influence of the soul-eating bloodworm, has lost his mind, and kept shouting: "You die, die..." During the

howling, Sun Dasheng's inner strength surged, shot with one palm.

"Great Sage, what are you doing?" Seeing this scene, Yue Feng's expression changed, and he couldn't help crying.

Luo Jue is the messenger sent by the God Realm, and also the leader of the Heavenly Dao Alliance. His identity is extraordinary. If he is injured by the Great Sage, the God Realm will definitely not let it go.

Thinking to himself, Yue Feng wanted to stop Dasheng Sun, but it was too late.

boom!

Sun Dasheng's speed was too fast, and Luo Jue had no time to dodge. This palm slammed into Luo Jue's back, and he heard a dull vibration. Luo Jue groaned and was sent flying.

Pfft!

After flying more than 100 meters, Luo Jue fell heavily to the ground, spurring out a mouthful of blood, his face was pale, and he almost fainted.

Speaking of which, Sun Dasheng and Luo Jue are far apart in strength. Under normal circumstances, it is impossible to hurt Luo Jue at all, but Luo Jue just played against Nalanqing and Elder Huo, and his strength was exhausted. At this time, facing Sun Dasheng's full blow, naturally he couldn't stop it.

Wow...

Seeing this scene, the audience was silent, and everyone was stunned.

Especially Na Lanqing and Elder Huo and the others all looked suspicious.

Sun Dasheng attacked Luo Jue?

Yue Feng is Jiutian Xuansheng, and Sun Dasheng is Yue Feng's sworn brother. Logically speaking, aren't they in the same group as Tiandao Alliance?

Only Bai Yunfei stood there with a relaxed expression and a smile on his face.

Haha...

Yue Feng, ah Yue Feng, your sworn brother attacked Luo Jue, I see how you ended up.

And the many disciples of the Heavenly Dao Alliance were terrified.

"Tianzun..."

"Your Excellency Tianzun!"

Under the exclamation, many disciples of the Tiandao Alliance rushed over and helped Luo Jue up.

"You..."

At this moment, Luo Jue stared closely at Yue Feng: "Your Excellency Xuansheng, what do you mean?"

At this time, Luo Jue thought that Dasheng Sun's surprise attack on him was secretly instructed by Yue Feng. After all, Dasheng Sun was his sworn brother.

Yue Feng did not respond, but frowned and turned to look at Sun Dasheng.

At the same time, the eyes of Wen Chou Chou also fell on Sun Dasheng.

I saw that Sun Dasheng looked crazy, as if he was crazy, his eyes were blood red, and he kept shouting: "Death, you die for me..."

"Dasheng?"

Seeing this situation, Yue Feng was startled, Tried to shout.

However, Sun Dasheng seemed to be unable to hear, and was still muttering to himself.

what happened?

It's so good, why did the Great Sage lose his mind, like crazy?

At this moment, Na Lanqing on the opposite side reacted and said to the elder Huo people beside him, "Great, Sun Dasheng attacked Luo Jue. Let's take this opportunity to get rid of this scourge."

Om!

The voice fell, and Nalan Qing rose up, like a shock, coming directly towards Luo Jue.

Elder Huo did not hesitate and followed closely.

Today, Xia Yinzong raided the Tiandao Alliance, and the main purpose was to get rid of Luo Jue. At this time, Luo Jue was severely injured by Sun Dasheng. How could such a rare opportunity be missed?

Wow!

However, before Nalanqing and the others rushed to the front, they saw the eight saintess Huanxiang and Ziyan, who came quickly and protected Luo Jue behind him.

Speaking of which, the eight saintess Huanxiang and Ziyan did not want to help Luo Jue at all, but there was no way. When the Tiandao Alliance was established, the Nine Heavens God ordered the eight saintesses of Huanxiang to assist Luo Jue. At this time, Luo Jue If they die, they can't escape the responsibility.

Chapter 3858

Wow!

Seeing this scene, Nalan Qing frowned and stopped immediately.

When they fought just now, the strength of these eight saintess had already been seen. With them around, it would be very difficult to kill Luo Jue.

At this moment, Bai Yunfei walked over quickly and whispered in Nalanqing's ear: "Yue Feng and Luo Jue have already had an infighting, we just took the opportunity to leave."

Hearing this, Nalanqing felt a little unwilling . , but still nodded. He then greeted Elder Huo and everyone, and left quickly with Bai Yunfei.

"Yue Feng!"

When he flew into the air, Bai Yunfei did not forget to turn his head and laughed at Yue Feng: "You really helped us by letting Sun Dasheng raid Luo Jue, thank you very much." The

last word fell, Bai Yun said. Fei and Nalanqing had already flown several hundred meters away, and in a blink of an eye, they disappeared into the vast darkness.

Mad!

Hearing this, Yue Feng was indescribably annoyed, and at the same time muttered in his heart.

Could it be that... the Great Sage suddenly went crazy just now, and it has something to do with Bai Yunfei?

Thinking to myself, Yue Feng is about to go over and check the situation of Sun Dasheng carefully.

"Yue Feng!"

However, at this moment, Luo Jue shouted loudly: "I respect you as the Nine Heavens Profound Sage, and I am polite and patient with you everywhere, but you let Sun Dasheng sneak up on me. Are you going to betray God's Domain?"

Said After that, Luo Jue's face was grim: "Come on, take down Yue Feng and his group."

Whoa!

As soon as the voice fell, the surrounding Tiandao League elites immediately surrounded Yue Feng and everyone.

.....

the other side.

Bai Yunfei and Nalanqing left the main altar of the Tiandao Alliance, and they flew for more than ten minutes. After they were sure that the Tiandao Alliance was not chasing after them, they stopped.

"Bai Yunfei!"

Nalanqing was full of gratitude and smiled at Bai Yunfei: "Thank you so much before, but I don't know which sect you are from?"

Nalanqing looked at Bai Yunfei's eyes when he said this. , full of appreciation.

Bai Yunfei smiled slightly: "Sect Master Nalan is really polite. I come from the Baiyun family. My Baiyun family has always been in seclusion. Until recently, I began to set foot in the arena."

Hearing this, Nalanqing nodded: "So it is, Then why do you have a grievance with the Tiandao Alliance?"

Hehe..

Bai Yunfei smiled and said righteously: "The Tiandao Alliance uses the guise of the Tiandao to actually rule the rivers and lakes of Kyushu and enslave us martial arts people, I Of course I can't stand it!"

Nalanqing nodded approvingly: "Sure enough, a hero is a young man, and Your Excellency is a model for us in the rivers and lakes of Kyushu. My Xia Yinzong is dealing with the Heavenly Dao Alliance and is lacking allies. I don't know if Your Excellency is willing or not. I am willing to join."

"I can't ask for it!" Bai Yunfei said without thinking.

...

At this time, the Heavenly Dao Alliance is here.

Under Luo Jue's order, the elites of the Tiandao Alliance launched an attack on Yue Feng and others.

Yue Feng and Wen Chou Chou, naturally, did not sit still and attacked immediately.

"Dangdangdang!" The

two sides continued to confront each other, and the sound of weapons colliding and roaring echoed throughout the entire Tiandao Alliance main altar.

"Luo Jue!"

At this moment, Yue Feng raised his hand and waved back several elite disciples of the Heavenly Dao Alliance, and then shouted at Luo Jue: "There was something wrong just now, you calm down first and let the disciples of the Heavenly Dao Alliance stop." The

voice fell, Wen Chou Chou also Then he shouted: "Yes, although the Great Sage is reckless, he is not so reckless. He made a surprise attack just now, and he must have another secret."

"Calm?"

Luo Jue's face was gloomy, and he said coldly: "Yue Feng, Wen Chou Chou, you don't have to be hypocritical any more... There is something strange, it's just that you and Bai Yunfei have planned a partnership." After

speaking, Luo Jue stared at Yue Feng: "Yue Feng, you are still the Nine Heavens Profound Sage. He actually helped Bai Yunfei and Xia Yinzong."

Chapter 3859

Call!

Facing Luo Jue's anger, Yue Feng took a deep breath and said lightly, "If you think so, I can't do anything about it." As he

spoke, Yue Feng looked at Sun Dasheng.

I saw that at this time, the madness of Sun Dasheng was gone, but he was in a trance, as if he had lost his soul, and his state was very bad.

"Brother Wen!"

Seeing this scene, Yue Feng did not hesitate at all, and shouted at Wen Chou Chou: "You are optimistic about the Great Sage, let's break through together." The voice fell, Yue Feng took the first step and rushed into the enemy group.

At this moment, Wen Chou Chou closely guarded Sun Dasheng and broke through with everyone.

Bang Bang Bang...

With a breath of vibration, I saw the Tiandao League disciples standing in front of everyone, groaning one by one, and they were directly shaken out.

Although the elites of Tiandao League are not weak, they are not the opponents of Yue Feng and Wen Chou Chou. Of course, Yue Feng, Wen Chou Chou and others did not kill the killer, but only shocked the disciples of the Tiandao League.

After all, the Tiandao Alliance is too powerful, and it will not benefit the Ouyang family if the situation expands.

For a time, with the cooperation of Yue Feng and Wen Chou Chou, the formation of the Tiandao Alliance was quickly disrupted.

"Trash."

Seeing this scene, Luo Jue couldn't do anything, and cursed: "A bunch of trash."

After speaking, Luo Jue shouted at the eight saintesses around him: "You don't have to guard me, hurry up and go. Help."

Hearing this, Huan Xiang and Zi Yan glanced at each other, but they didn't mean to do anything.

The eight saintess Bingxue were smart, and they could see that when Sun Dasheng raided Luo Jue, it was obviously not his original intention, but was controlled by someone, but Luo Jue used the topic to exterminate the Ouyang family.

Although the eight saintess and Yue Feng are not friends, they also have deadly friendships. How could they attack Yue Feng and the Ouyang family just because of Luo Jue's words?

Mad!

Seeing the eight saintess standing there motionless, Luo Jue said angrily: "What are you doing? Why don't you do it? Do you want to disobey?"

Huanxiang sighed softly and said lightly: "Your Excellency Tianzun, you are too injured, we I'll keep you."

Huanxiang knew that it was impossible to refuse directly, so she casually found a reason.

When the words fell, Zi Yan also said: "Yeah, if we leave, Wen Chou Chou and Yue Feng take the opportunity to raid you, we will lose more than the gains." The

other saintess also nodded.

The eight saintess have the same heart, and when Huanxiang opens her mouth, she knows what she means.

"Okay, very good!"

Hearing this, Luo Jue's face was extremely gloomy, and he laughed in anger: "After all, you just want to protect Yue Feng, and when you catch the Ouyang family, you will settle accounts with you."

Said At the same time, Luo Jue shouted at the scattered disciples of the Heavenly Dao League: "Jie Tiansha Array." The Heavenly Devil

Formation is the formation of the God's Domain. , Just in case, I brought the Tiandao League disciples to demonstrate this formation.

wow.

Hearing the order, the disciples of the Heavenly Dao League did not dare to neglect, and turned their figures one by one, quickly forming a huge formation, surrounding Yue Feng and others.

Formation?

Seeing this scene, both Wen Chou Chou and Ren Ying Ying frowned and felt inexplicably flustered.

After that, everyone's eyes converged on Yue Feng.

Yue Feng is skilled in the formation technique, and it should be no problem to break the huge formation in front of him.

However, Yue Feng also frowned.

What kind of formation is this, how come I've never seen it before?

"Fengzi, can this formation be broken?" Wen Chouchou asked loudly while resisting the attack of the surrounding Tiandao League disciples.

Chapter 3860

Call!

Yue Feng took a deep breath and smiled bitterly: "This should be the formation of God's Domain, I have never seen it before."

What?

Hearing this, Wen Chou Chou was stunned.

At the same time, the hopes in Ren Yingying's hearts were also instantly shattered.

Even Yue Feng can't break this great formation, what should I do? Could it be that the Ouyang family is really doomed today?

Feeling the anxiety of everyone, Yue Feng comforted: "Don't worry, everyone, I'll give it a try."

Master Guiguzi once said that the world's formations are inseparable from their origins, and they cannot escape the five elements of heaven and earth. Accomplishments may be able to find the flaws in this great formation.

After making up his mind, Yue Feng observed the law of operation of the Heavenly Demon Formation while fighting fiercely.

It's just that Yue Feng has the primordial spirit and can withstand the pressure of the Tiansha formation. However, Wen Chou Chou and Ren Yingying are both flesh and blood. They can handle it easily at first, but gradually they can't hold it anymore.

boom!

At this moment, more and more disciples of the Heavenly Dao League rushed up. Wen Chou Chou was inattentive and slapped a palm in the back. The whole person was shaken back a few steps, and his face was pale.

At the same time, Ren Yingying and the others consumed a lot of internal energy, and they could hardly stand it anymore.

Nima!

Seeing this scene, Yue Feng was sweating profusely, he couldn't go on like this.

Just now, the law of operation of this great formation has been seen, but the flaws in it have not yet been found. And Brother Wen and everyone can't hold it anymore.

at the same time.

Not far away, the eight saintess of Huanxiang were too anxious to see Yue Feng and everyone being trapped by the Tiansha formation.

The next second, Huanxiang bit her lip tightly and said softly: "Sisters, don't hesitate!" The voice fell, Huanxiang's delicate body rose up, and she went away directly thinking of the heavenly evil formation.

Yes, Huanxiang decided to help Yue Feng and break the Heavenly Demon Formation.

Whoosh whoosh.

When the voice fell, Zi Yan and the others did not hesitate at all, and moved their figures one after another, followed by Huanxiang.

"You..."

Seeing this, Luo Jue was furious and glared at Huanxiang Eight: "Reverse, you really want to rebel..."

Hearing this, Huanxiang turned back to Luo Jue Said: "Yes, we are going to rebel. Yue Feng is very affectionate and righteous. He has done so many things for Kyushu, and he has saved our lives before. Without him, our Holy Maiden of the Nine Heavens would have ceased to exist. If you deal with Yue Feng today, and we are indifferent, aren't we even worse than beasts?" After the

last sentence fell, Zi Yan and the other saintess also nodded.

“Okay!”

Hearing this, Luo Jue had a grim look on his face: “Very good, you all forgot your responsibilities for the sake of Yue Feng. When I capture the Ouyang family, I will destroy your primordial spirit.”

Luo Jue’s threat, Huanxiang Eight did not pay attention to it at all, but flew into the formation one after another.

“Yue Feng!”

When she got to the front, Huanxiang showed a smile and

said to Yue Feng: “We’ll help you.” Zi Yan followed up: “The weakness of this Heavenly Demon Array is in the southwest. Break through the encirclement in the southwest.”

As the saintess of Jiutai, Huanxiang and Ziyan naturally knew where the flaws in this Heavenly Demon Formation were.

call!

Hearing Huanxiang and Ziyan’s reminders, Yue Feng was so excited that he hurriedly shouted at Wen Chou Chou, “Brother Wen, break out with me to the southwest.”

At the same time, Yue Feng did not forget Gratefully nodded at Huanxiang Eight, and was very moved.

Yue Feng originally thought that the eight saintess of Huanxiang would be very good if they didn’t help the Tiandao Alliance to deal with themselves, but they never thought that they would openly betray Luo Jue.

Chapter 3861

Bang Bang Bang...

In less than ten minutes, with the help of the eight saintess of Huanxiang, Yue Feng and Wen Chou Chou finally successfully broke through the Heavenly Demon Formation.

In the blink of an eye, Yue Feng and the Ouyang family, as well as the eight Huanxiang, disappeared into the night.

boom!

Seeing that the Ouyang family had successfully escaped, Luo Jue's face was hideous.

Under the containment of so many elite disciples, they even formed a Tiansha formation, but they were finally run away by the Ouyang family. When this matter spread, the Tiandao Alliance became the laughing stock of the world.

"Pass my order!" In the

next second, Sen Leng's voice came from Luo Jue's mouth: "Include the Ouyang family on the list of purges. In the future, if you meet people from the Ouyang family in the rivers and lakes, kill them."

When he said this, Luo Jue's eyes were full of resentment.

Yue Feng, if you dare to betray God's Domain, I will make you pay a heavy price.

"According to the order!" The

voice fell, and the tens of thousands of elite disciples of the Heavenly Dao League who were present responded in unison.

Luo Jue stopped talking nonsense, ordered someone to clean up the battlefield, and immediately sent the news of the betrayal of Yue Feng and the Nine Heavens Saintess to God Domain.

When Yue Feng first appeared, Luo Jue knew that he had underestimated Yue Feng when he showed his true strength. At that time, Yue Feng relied on his own strength to push back himself and Bai Yunfei at the same time, and his strength was unfathomable.

Under such circumstances, it is not an easy task for the Tiandao Alliance to exterminate the Ouyang family, and it needs to ask God's Domain for help.

This chapter is provided by . Visit for daily update.

After sending the message, Luo Jue instructed the people around him: "In the next two days, the deity needs to retreat and recover. There is nothing particularly important, so don't disturb me."

After that, Luo Jue entered the secret room and began to treat the injury.

The previous palm of Sun Dasheng was too cruel. Even if Luo Jue had Primordial Spirit, it would take at least two days to recover.

...

the other side.

After Bai Yunfei and Nalanqing formed an alliance, they separated halfway.

Afterwards, Bai Yunfei showed his figure and flew to the hillside near Tiandao League. I saw that Ji Hongshang and Su Qingyan were still there.

Um?

After landing, Bai Yunfei glanced at the main altar of the Tiandao Alliance and frowned.

I saw that the entire Tiandao League main altar was in a mess, and everyone from Yue Feng and Ouyang's family was no longer there. Only the disciples of the Tiandao League were cleaning up the battlefield.

"What's the situation?"

Seeing this scene, Bai Yunfei frowned secretly, and asked Ji Hongshang, "What about Yue Feng and the Ouyang family?"

Ji Hongshang breathed a sigh of relief and explained the situation in detail just now. :
"Just now, after the Sect Master left, the Ouyang family fought with the Heavenly Dao League, and later, the Nine Heavens Holy Maiden suddenly shot to help the Ouyang family break through the siege..."

What?

Hearing this, Bai Yunfei frowned, and his mood instantly became worse.

Before secretly controlling Sun Dasheng to raid Luo Jue, the purpose was to make the Ouyang family and the Tiandao Alliance fight against each other. As long as the relationship between Yue Feng and the God Realm is strained, the God Realm will focus on Yue Feng. As long as God's Domain's gaze is diverted, Bai Yunfei will have

the opportunity to go to the Ghost Realm to rescue Demon Venerable for the second time.

It can be said that this plan is perfect.

However, he never thought that Luo Jue and Tiandao League did not catch Yue Feng, but let him run away.

Moreover, the Nine Heavens Saintess even betrayed God's Domain in order to help Yue Feng.

The more Bai Yunfei thought about it, the more annoyed he became.

"Bai Yunfei!"

Chapter 3862

At this moment, Su Qingyan couldn't help but ask: "What happened before? Why did Sun Dasheng suddenly attack Luo Jue?"

When asking these questions, Su Qingyan's eyes were full of doubts.

At that time, when Sun Dasheng raided Luo Jue, Su Qingyan saw it, but because the distance was too far, he only saw Sun Dasheng suddenly make a move. The specific situation was completely unknown.

"Haha..."

Bai Yunfei smiled slightly and said casually, "Who knows? Maybe Sun Dasheng is not happy with him." Su Qingyan has been in the Ouyang family for so many years, how can she tell the truth?

Saying that, Bai Yunfei looked at the sky: "Okay, it's getting late, let's go back to rest."

Su Qingyan wanted to continue asking, but seeing Bai Yunfei say this, she had to shut her mouth.

A few minutes later, Bai Yunfei, Su Qingyan, and Ji Hongshang left the hillside and returned to the resting town.

After returning to the town, Su Qingyan was a little tired and went to rest early.

At this time, Bai Yunfei met Ji Hongshang alone.

At this time, in the room.

“Sect Master!”

Ji Hongshang’s delicate face also revealed a bit of curiosity: “What happened in the main altar of the Tiandao Alliance before? How could Sun Dasheng attack Luo Jue? Could it be the Sect Master...”

Before she could finish speaking, Bai Yunfei’s mouth curled into a smile: “Yes, I secretly issued an order to the soul-eating bloodworm in Sun Dasheng’s body, and Sun Dasheng was controlled.”

Hearing this, Ji Hongshang’s eyes lit up, He couldn’t help but exclaimed: “Sect Master is a good way, this trick to kill people with a knife is really wonderful.”

Hehe...

Bai Yunfei smiled, with a little bit of anger in his eyes: “What’s so wonderful? I thought that the Tiandao Alliance and the Ouyang family would be defeated this time, but who would have thought that the Holy Maiden of the Nine Heavens actually helped the Ouyang family escape. We are surrounded by the Heavenly Dao League.”

Said, Bai Yunfei was very irritable: “Then Yue Feng is the Nine Heavens Profound Sage, and his status is higher than Luo Jue. OK.”

What?

Yue Feng is the Nine Heavens Profound Sage?

At this moment, Ji Hongshang’s delicate body trembled, and she was stunned.

After being stunned for a few seconds, Ji Hongshang reacted and subconsciously said: “The Sect Master wants the relationship between Yue Feng and God’s Domain to be completely broken.”

“Yes!” Bai Yunfei nodded and frowned: “Once Yue Feng When the relationship with God Realm is deadlocked, God Realm will focus on dealing with Yue Feng and have no time to take care of him. At that time, we will have the opportunity to enter the ghost realm again and rescue Your Excellency Mozun.”

Thinking of rescuing Mozun before, at a critical moment, Being destroyed by Yue Feng, Bai Yunfei’s anger rose.

Mad, Yue Feng, this stumbling block, must be removed.

Ji Hongshang didn’t speak, trying to think about countermeasures.

A few seconds later, Ji Hongshang thought of something and said to Bai Yunfei: "Sect Master, before Dasheng Sun attacked Luo Jue, although he did not kill him, Luo Jue was seriously injured."

"If Luo Jue suddenly died tonight . . . , and there is evidence left by Yue Feng at the scene, then Yue Feng and Divine Realm are directly connected, so there is absolutely no chance for reconciliation."

Shua!

Hearing this, Bai Yunfei's eyes flashed: "What do you mean, let's get rid of Luo Jue tonight, and then put the blame on Yue Feng?"

"Yes!" Ji Hongshang nodded.

Ha ha....

Bai Yunfei looked up to the sky and laughed, and his mood suddenly improved: "Okay, this method is good. Just do as you said." After speaking

, Bai Yunfei thought of something: "I'll go to Tiandao League later, you stay here, look good. Su Qingyan, don't let her find out that I am leaving."

Bai Yunfei knew that although Su Qingyan left the Ouyang family, she still had Yue Feng's heart, so her plans must be kept secret.

Chapter 3863

"Understood, Sect Master!" Ji Hongshang responded, then left the room to monitor Su Qingyan.

Bai Yunfei took advantage of the night to leave the town and head towards the Heavenly Dao Alliance.

.....

On the other side, God's Domain.

In the Yuyao Immortal Garden, strange flowers and plants are blooming brightly.

In the pavilion, the Nine Heavens God accompanied Empress Hua Zhao, admiring the beautiful scenery in front of her, and the atmosphere was peaceful and warm.

"Your Majesty!"

At this moment, the commander Gong Ao walked over quickly and respectfully said to the Nine Heavens God: "There is urgent news from Luo Jue."

Swish!

Jiutian God looked unhappy: "This Luo Jue, what's the matter?" Suddenly being disturbed, Jiutian God was very unhappy.

In the next second, Jiutian God sensed the news in the talisman, and his expression suddenly changed.

"It's simply lawless." The

Nine Heavens God was furious: "Yue Feng, relying on the identity of the Nine Heavens Profound Sage, actually instructed the people around him to take action against Luo Jue, and the Nine Heavens Saintess actually disobeyed Luo Jue's orders..."

Luo Jue was sent to Kyushu by himself, and Yue Feng was disrespectful to himself if he dared to attack him. After learning about the situation, Empress Hua

Zhao also frowned and was furious: "This Yue Feng really has no rules at all, and I don't know what the master thought before, but he is going to be named the Nine Heavens Profound Sage."

The woman of the Nine Heavens God also called the ancestor of Honghuang as the master.

call!

Jiutian God took a deep breath, thought for a while, and then ordered Gong Ao: "Gong Ao, please take my hand letter to go to Jiuzhou later, and warn that Yue Feng that you are not allowed to interfere in the affairs of the Tiandao Alliance in the future.

" The boy who has passed the shit luck really takes himself seriously.

Speaking of which, when the ancestor of Honghuang named Yue Feng as Jiutian Xuansheng, he wanted him to deal with the affairs between God's Domain and Kyushu. Jiutian God suddenly asked Yue Feng not to interfere, which was equivalent to disobeying the wishes of the ancestor of Honghuang.

But the Nine Heavens God didn't panic at all, because the ancestors of Honghuang were still in retreat at this time, and they didn't know when they would be able to come out.

"Yes, Your Majesty!" Gong Ao responded quickly.

...

On the other side, Tiandao Alliance.

It was already late at night, and the entire Tiandao Alliance main altar was silent.

However, because of the previous raid by Xia Yinzong, the entire Tiandao League main altar was strengthened, patrolling soldiers could be seen everywhere, and disciples guarded each entrance.

The entire Tiandao Alliance main altar is like a copper wall and an iron wall, and the worship is strict.

Whoosh!

At this moment, I saw a figure flying from the sky in the distance, like a ghost, avoiding the patrolling disciples and sneaking into the rest area of the main altar.

He was dressed in black, with handsome facial features, and his eyes were a bit gloomy.

It was Bai Yunfei.

Bai Yunfei's matter was neat and tidy, he decided to kill Luo Jue and put the blame on Yue Feng, and sneaked into the Tiandao Alliance that night.

At this moment, in a secret room behind the main altar of the Tiandao Alliance.

Luo Jue sat there cross-legged, eyes closed, immersed in the realm of cultivation and recovery, the entire secret room was silent, almost audible for needles falling.

Shasha...

Suddenly, there was a light footstep sound outside the secret room. The footstep sound was very soft, but Luo Jue was still aware of it.

Mad!

Luo Jue opened his eyes immediately, his face full of displeasure, and said coldly to the door: "Didn't you say it? There is nothing special, don't disturb the deity."

At this time, Luo Jue thought that he was a disciple of the Heavenly Dao Alliance. to report the situation.

Chapter 3864

Squeak.

As soon as the voice fell, the door of the secret room was gently pushed open, and then, a dark figure walked in slowly.

“Bai Yunfei?”

Luo Jue was about to get angry, but when he saw it was Bai Yunfei, he was stunned.

Soon, Luo Jue reacted and said coldly: “Bai Yunfei, you are not too brave. You helped Xia Yinzong against our Heavenly Dao Alliance before, but now you dare to break in alone?”

” ?” The corner of

Bai Yunfei’s mouth twitched, revealing a smile, he looked at Luo Jue up and down, and said slowly: “I thought that the palm of Sun Dasheng would be able to injure you, but now it seems that my expectations for him are too high.”

Shuh!

Hearing the unspoken meaning in the words, Luo Jue frowned and said coldly, “What do you mean?”

Bai Yunfei smiled and said without hesitation, “Anyway, you are about to die, so I will tell you. Well, Sun Dasheng suddenly went crazy before because I was under my control.”

“I originally wanted you to fight the Ouyang family and you would lose both, but in the end, your Tiandao League was too disappointing, and finally let Yue Feng and the Ouyang family lose. The man ran away.”

What?

At this moment, Luo Jue’s heart was shocked, and he stared at Bai Yunfei in astonishment.

It turned out that Sun Dasheng suddenly went crazy and was controlled by him.

How did Bai Yunfei do it? You must know that the strength of Sun Dasheng, placed in the Jiuzhou rivers and lakes, is also an extremely strong person, and he was actually controlled by Bai Yunfei.

A few seconds later, Luo Jue recovered and said coldly to Bai Yunfei, “You came here late at night and told me this, so you’re not afraid that I will tell Yue Feng the situation?”

Hehe...

Bai Yunfei smiled contemptuously and said lightly: "Of course I won't worry, because you are going to die soon. The purpose of my visit this time is to get rid of you, and then put the blame on Yue Feng."

Hearing this After that, Luo Jue couldn't help but laugh: "Interesting."

Immediately, Luo Jue breathed a sigh of relief and said slowly: "Bai Yunfei, I admit that your strength is very strong, but don't forget, I am from God's Domain, With Primordial Spirit, even if you destroy my body, as long as my Primordial Spirit is still there, I will never die."

"Really?"

Bai Yunfei smiled and said, "Ordinary humans, of course, can't kill you completely, but What if the devil?"

Devil?

Luo Jue looked shocked and stared at Bai Yunfei: "Are you a demon?"

Bai Yunfei stopped talking nonsense, activated the power of his demon soul, slowly raised his hand, and saw a blood-red ball of light condensed. In an instant, a terrifying evil aura filled the entire secret room.

Demon soul?

Seeing the blood-red light ball, Luo Jue lost his composure in an instant, and was indescribably shocked. Looking at Bai Yunfei's eyes, he also revealed deep hostility.

At the same time, I was a little surprised.

No wonder Bai Yunfei is so unfathomable at such a young age that he has drawn with him twice.

It turns out...he is not a man, but a devil.

At this time, Bai Yunfei smiled evilly: "Luo Jue, you are the first to know my identity, and it is an honor to be killed by me."

Om!

Saying that, Bai Yunfei stopped talking nonsense, raised his hand and waved, the demon soul, carrying a terrifying power, roared up and came towards Luo Jue.

Luo Jue didn't have time to think about it, and urged all the divine power to resist.

However, Luo Jue's injuries had not recovered at this time, and instead of shaking the demon soul away, he let out a groan, and the whole person was enveloped by the demon soul.

Chi Chi Chi....

In the next second, I saw a golden light escape from Luo Jue's body and merged into the demon soul. That Jin Mang was Luo Jue's Primordial Spirit, and was being attacked by Bai Yunfei at this time. Demon Soul Devour.

"Ah..."

Luo Jue let out a shrill scream when the primordial spirit was swallowed up. He wanted to resist, but under the shroud of the demon soul, he couldn't move at all.

Chapter 3865

Bang!

As the power of the Demon Soul's crushing became stronger and stronger, Luo Jue couldn't bear it at all, and his figure fell to the ground.

At this moment, Bai Yunfei didn't have time to think, he retracted his demon soul, then sat cross-legged, and began to integrate Luo Jue's disintegrating power.

Buzz...

At this time, Bai Yunfei, after absorbing the power of those primordial spirits, only felt that the power in his body became more pure, and at the same time, his strength continued to rise...

Seriously, if Bai Yunfei If it is an ordinary person, forcibly integrating Luo Jue's power of the primordial spirit is very likely to be backlashed, but he has a demon soul, and his physique is very different from ordinary people, so there is almost no obstacle to integrating the power of primordial spirit.

After half an hour, Bai Yunfei completely completed the fusion.

"Haha!"

At this moment, feeling the strong power in his body, Bai Yunfei couldn't help laughing up to the sky, his eyes flashed with evil light, and the whole person looked extremely evil.

Excited, Bai Yunfei didn't forget his business, he used his power to write a sentence on the wall with his fingers.

After writing, Bai Yunfei made sure that there were no clues left, so he turned and left the secret room, disappearing into the night.

At this time, it was not yet dawn, and the entire Tiandao Alliance main altar was silent.

There are still many disciples patrolling around, but no one has found Bai Yunfei's whereabouts, let alone that Luo Jue has been silently killed in the secret room.

hum!

Not long after Bai Yunfei left, he saw that in the sky above the Tiandao League, the wind suddenly surged, and an extremely strong aura quickly condensed. Then, a figure suddenly descended from the sky, golden light flashing all over his body, majestic and majestic.

It was Gong Ao.

After Jiutian God received Luo Jue's secret letter, he immediately sent Luo Jue down to deal with the situation.

Swish!

At this moment, the eyes of the entire Tiandao League disciples fell on Gong Ao, and they were all shocked.

What a powerful breath...

Guo Dong, who was still recovering from his injuries in the room when he heard the movement, quickly strode out, and when he went outside, he was also stunned when he saw Gong Ao floating in the air.

But soon, Guo Dong reacted and said loudly: "Who is coming?"

Gong Ao looked indifferent, with a proud look on his eyebrows, and said, "I am the special envoy of the God Realm, and immediately ask Luo Jue to come out to see me." The voice It was loud and powerful, and the entire Tiandao Alliance general altar could hear it clearly.

Gong Ao is the God of the Nine Heavens, the most respected subordinate, with a higher status than Luo, and naturally has the capital of arrogance.

God's Domain Envoy?

Hearing this, Guo Dong's heart trembled, he quickly accompanied his smiling face, and said respectfully: "It turned out to be Your Excellency Special Envoy, disrespectful and disrespectful!" With that, Guo Dong

said to the subordinates beside him: "Quick, go and invite Tianzun to come out."

The voice fell, and a disciple hurried to the back room. In less than a few seconds, he hurried back and said with a complicated expression: "Protection, my subordinate informed the situation, but Your Excellency Tianzun ignored it."

Ignore it?

Guo Dong frowned, could it be that Tianzun is at the critical moment of cultivation?

At this time, Gong Ao was also displeased. This Luo Jue, who came to the Kyushu Continent and became a Heavenly Venerate, has become bigger, and he didn't come out to greet me?

Guo Dong is good at observing words and expressions. Seeing that Gong Ao was a little unhappy, he quickly explained: "Your Excellency Special Envoy, Tianzun was injured before, compared to the critical time of healing, so..."

Luo Jue was injured?

Gong Ao was stunned for a moment, and before Guo Dong could finish speaking, he waved his hand and interrupted: "Forget it, since he is injured, take me to see him in the secret room." The

voice fell, and Guo Dong was in front. Lead the way and walk towards the secret room.

Soon, he reached the door of the secret room.

"Tianzun!"

Guo Dong stood outside the door and shouted cautiously: "The special envoy of God's Domain is here, and I invite Tianzun to come out and see."

Chapter 3866

However, the secret room was quiet and there was no response at all.

At this time, Guo Dong found that the door of the secret room was left open, and he had a bad premonition in his heart. You must know that Luo Jue was very cautious. Generally, when cultivating in the secret room, the door of the secret room was closed. It turned out to be a false cover, too suspicious.

At the same time, Gong Ao also sensed something was wrong and couldn't help shouting: "Luo Jue, I'm Gong Ao, Your Majesty specially sent me to pass the letter, come out quickly." But

the voice fell, and there was still nothing in the secret room. movement.

Squeak!

At this moment, Gong Ao lost his patience and pushed the door directly in. Guo Dong hurriedly followed behind. After entering the secret room, Gong Ao's body shook and froze immediately after seeing the scene in front of him.

Guo Dong also grew his mouth, and with a buzzing sound in his head, the whole person was stunned and extremely frightened.

I saw Luo Jue lying there softly, his face was terrifyingly blue, and he was no longer breathing.

Not only that, but on the wall next to it, there are several vigorous and powerful characters written, which are particularly eye-catching.

'Those who violate me will be killed without mercy: Yue Feng left a message! "

Yue Feng?

Seeing these words, Gong Ao was both shocked and angry.

This Yue Feng was really audacious and actually killed Luo Jue. It seems that his actions were much more serious than he imagined.

"Ma De! At

this time, Guo Dong also reacted, and said with a heartache: "This Yue Feng is too insidious, and he secretly assassinated while Tianzun was healing. With

that said, Guo Dong said to Gong Ao, "Your Excellency Special Envoy, you must avenge the Heavenly Venerate. "

In Guo Dong's heart, Luo Jue is his biggest backer. Now that the backer is gone, he can only rely on Gong Ao. After all, Gong Ao is also from the God's Domain, and his identity is higher than Luo Jue.

Gong Ao didn't respond, his face was indescribably gloomy.

Yue Feng dared to kill Luo Jue, it was extremely arrogant, and he had to be caught in the God's Domain for His Majesty to deal with.

"Om!"

While thinking about it, suddenly the entire Tiandao League main altar shook violently. Gong Ao sensed that a violent roar came from the emperor under his feet, and the strong vibration almost made people stand unsteady, as if the heaven and the earth were collapsing. General!

what's the situation?

At this moment, Guo Dong was also taken aback, why was there an earthquake all of a sudden?

Immediately, Gong Ao and Guo Dong walked out of the secret room and looked in the direction of the vibration together!

At the same time, the disciples of the entire Tiandao Alliance also ran out, looking at the sky in the distance!

Just seeing the direction of the Apocalypse Continent, the distant horizon, the wind and the clouds are surging, and a dazzling blood-colored beam of light shoots straight into the sky, which is very shocking!

What the hell!

It is the direction of the Apocalypse Continent!

Guo Dong was stunned and couldn't help muttering to himself: "It's the Apocalypse Continent again... Could it be that the Apocalypse Continent has more than one axe? Now another artifact has been born?"

"Elephant, and then the Kaitian Axe was born, which shocked Kyushu. At that time, Guo Dong was still the head of a small sect. Although he did not see the birth of the

Kaitian Axe with his own eyes, he clearly remembered that at that time, the world was shaking and the sky was different. elephant!

Divine Soldier was born?

Hearing this, Gong Ao frowned secretly and asked, "What kind of magic weapon was born?"

Gong Ao came from the God Realm. He did not know that there were many peerless weapons buried in the Kyushu Continent. Once these weapons were born, they would cause changes in the world. In addition to the magical weapons, the tombs of some powerful people appeared in the world, which could also cause the heaven and the earth to shake.

Guo Dong was excited, and hurriedly explained the birth of the magic soldier in detail.

Knowing these circumstances, Gong Ao pondered: "According to you, once such a vision occurs, all sects in Kyushu will flock to snatch treasures? At that time, Yue Feng may also go?

" !

Guo Dong nodded: "With such a big movement, Yue Feng must be present."

Chapter 3867

"Very good!"

Gong Ao took a deep breath, with endless gloom in his eyes: "Then I'll be waiting for him at the place where the god soldier was born."

.....

At this moment, Tianqi Continent, Imperial City!

In the Qianyuan Hall, King Guangping was dressed in a golden dragon robe, and his expression was solemn. There were hundreds of civil and military officials standing there, all of them looking inexplicably flustered.

Just now, the imperial mausoleum in the southeast of the imperial city suddenly vibrated violently, and a blood-colored light shot straight into the sky, causing the situation to change, as if the end of the world.

In the face of this sudden situation, the civil and military officials are all inexplicably uneasy.

It may be a good thing for this change in the world to appear in other places, but this is in the imperial mausoleum, where the emperors of the weather royal family are buried. If it collapses, the foundation of the royal family will be lost.

At this time, King Guangping's mood was also extremely bad.

There was a strong vibration in the imperial mausoleum, which was not a good omen.

Thinking to himself, King Guangping ordered to the eunuch beside him: "Go, take out all the books about the royal family in the library." There are many records about the emperor's mausoleum in the library, maybe from these ancient books, Find some clues.

"Yes, Your Majesty!"

After hearing the order, several eunuchs hurried to the library.

After a while, several eunuchs came back with thousands of ancient books.

King Guangping did not hesitate, and ordered the civil and military officials: "Check, let me check them all, and you must find out the clues." The

civil and military officials did not dare to neglect, and walked over quickly and began to inquire about these ancient royal books. Thousands of ancient books were searched for more than two hours.

King Guangping was not idle either. He picked up a few books and read them carefully.

call!

Finally, King Guangping found some clues, took a deep breath, his gloomy face suddenly stretched out, and he laughed: "Haha, the vibration of the imperial mausoleum is a blessing rather than a disaster."

Wow!

When the voice fell, all the civil and military officials were stunned!

The vibration of the imperial mausoleum is actually a good thing?

In shock, a general came out and couldn't help but ask, "Your Majesty, is there a magic weapon that is about to appear in the imperial mausoleum?"

The eyes of everyone in the hall were also fixed on King Guangping.

At this time, King Guangping was in a very happy mood. He smiled and said: "It's not the magic weapon that is going to be born, but the ancient tomb of my royal ancestor, which is about to come into existence!"

The ancient tomb of the royal ancestor?

Hearing this, all the cultural relic officials present looked at each other in dismay, each one becoming more puzzled.

In this imperial mausoleum, the ancient tombs of the previous emperors were originally buried?

Seeing everyone's doubts, King Guangping showed a smile and continued: "Of course this tomb is not an ordinary ancient tomb, it is even more extraordinary than the tomb of Lv Bu back then."

After speaking, King Guangping pointed to the ancient book in his hand: "Every Qing family. You should all know that my royal family was originally a descendant of Chiyou. Thousands of years ago, our ancestor Chiyou and Xuanyuan Huangdi had a war. In the end, they were defeated and evacuated from the Diyuan Continent, and came here to establish the Tianqi Royal Family.

"The ancestors practiced in seclusion and did not care about the world. Later, when the ancestor Chiyou died, he was buried under the imperial mausoleum."

"Now that there is a vision in the imperial mausoleum, it must be the ancient tomb of the ancestor Chiyou."

When he said the last sentence, King Guangping couldn't hide his excitement.

In recent years, King Guangping has been determined to prosper the weather royal family and disdain for Kyushu, but he is only in the face of the powerful Nanyun royal family and the Beiming Continent, but he is more than enough.

Recently, the Tiandao Alliance was established, and King Guangping took the initiative to form an alliance, but he was also subordinate to Luo Jue, which made King Guangping very aggrieved.

And now, with the appearance of Chiyou's ancient tomb, King Guangping suddenly saw hope. You must know that Chiyou is an existence that can stand up to Xuanyuan Huangdi. His strength is terrifying, and he can be called a legendary overlord.

If it can get Chiyou's inheritance, the weather royal family will definitely be able to stand on the top of Kyushu.

Speaking of which, King Guangping didn't know much about the situation of Chiyou's ancient tomb, because it was too old, but when he saw the records in the ancient royal books, King Guangping immediately determined that the phenomenon of heaven and earth that appeared in the imperial tomb was exactly Chiyou's ancient tomb. caused.

Chapter 3868

Wow!

When King Guangping's words fell, the entire Qianyuan Hall exploded in an instant, and the civil and military officials were extremely excited and excited.

The tomb of Chiyou the Great!

If it is true, the Tianqi royal family is really about to rise. You must know that when Chiyou and Xuanyuan Huangdi fought against each other thousands of years ago, although they were defeated in the end, Xuanyuan Huangdi suffered heavy losses at that time.

More importantly, it is rumored that Emperor Chiyou had a practice called "The Holy Luo Jing". This practice is all-encompassing.

"Tell me the decree!"

At this time, King Guangping smiled and ordered to the civil and military officials: "You can send the Royal Forest Army to strictly guard the entrances of the imperial mausoleum. If there are any Jianghu sects approaching, they will be expelled immediately."

When saying this, King Guangping had a firm look on his face.

The vision of heaven and earth just now, there was too much movement, the various sects of Kyushu must be on their way, and they must be prepared in advance.

After all, the ancient tomb of Chiyou belongs to the Apocalypse royal family and must not allow other forces to interfere.

"Follow His Majesty's will!" The

civil and military officials responded in unison, and then quickly exited the hall.

In a few minutes, the hundreds of thousands of Imperial Forest troops set off in a mighty manner, and surrounded the imperial mausoleum so tightly that not a single fly could enter.

...

at this moment! Ouyang family.

Yue Feng, Wen Chou Chou, and the eight saintess Huanxiang finally returned to the Ouyang Family Manor after two hours of travel.

At this time, Sun Dasheng's mental state also recovered.

In the hall at this time.

Yue Feng, Wen Chou Chou, and Ren Yingying were sitting there with their eyes focused on Sun Dasheng.

“You...”

Facing everyone's gaze, Sun Dasheng scratched his head and looked puzzled: “Why are you looking at me like this? Also, aren't we at the main altar of the Tiandao Alliance? Why did you come back?”

Sun Dasheng just woke up, still don't know what happened. Because when he was controlled by the Soul Eater Blood Worm, his mind was always blank.

Huh....

Hearing this, everyone looked at each other with complicated expressions.

Looking at it, the Great Sage really doesn't know what he has done.

“Yue Feng!”

At this time, Ren Yingying gently pulled Yue Feng and whispered, “You said, is the Great Sage being controlled by someone?” In the current situation, apart from this possibility, there is really no other explanation. way.

Yue Feng nodded, and Bai Yunfei appeared in his mind.

Could it be that he...

hum... As he

was talking, suddenly a strong vibration came, and everyone was shocked, and then they walked out of the hall.

When they got outside, they saw the vision of heaven and earth in the direction of the Apocalypse Continent. Yue Feng and Wen Chou Chou all looked complicated.

call!

A few seconds later, Yue Feng took a deep breath and frowned: "Looking at the situation, either the divine soldier was born, or the ancient tomb appeared."

As soon as the words fell, Ren Yingying said, "It seems to be the Emperor's Mausoleum."

Yue Feng was stunned. Next: "How do you know?"

"Guess!" Ren Yingying shook her head, her delicate face showing complexity.

Ren Yingying didn't know what was going on, but the moment the shock came, subconsciously thought of the imperial mausoleum in her mind.

Chapter 3869

Seeing Ren Yingying's affirmation, Yue Feng nodded: "Just prepare, let

's go and see the situation!" When he said this, Yue Feng glanced at Sun Dasheng subconsciously.

The great sage must have been controlled, and the biggest suspect is Bai Yunfei, but Bai Yun's flight is erratic, and it is difficult to find him, and now there is a vision of heaven and earth from Tianqi Continent, when Bai Yunfei and the various schools of Jianghu Will definitely check it out.

A few minutes later, Yue Feng, Ren Yingying and the others left the Ouyang family and rushed towards the world.

A vision of heaven and earth suddenly appeared in the Apocalypse Continent, and the entire Jiuzhou rivers and lakes shook.

For a time, various sects in Kyushu gathered their disciples and quickly set off towards Tianqi Continent.

At this moment, a small town dozens of miles away from Tiandao League.

In the room, Ji Hongshang stood in front of the windowsill, looking at the red beam of light in the distance, unable to hide her excitement: "The vision of heaven and earth, there must be a peerless treasure born."

After saying that, Ji Hongshang turned back to Baiyun Fei Dao: "Sect Master, whether it's a magic weapon or an ancient tomb, we must not miss the opportunity."

Bai Yunfei sat there with a look of disapproval: "What kind of magic weapon and ancient tombs are only pursued by ordinary masters. Things, but there is a vision of heaven and earth in Tianqi Continent. For us, there are only advantages and no disadvantages."

“Now the Tiandao Alliance and the major sects must all go to investigate the visions of heaven and earth. Let’s prepare immediately and enter the ghost world to rescue Demon Venerable. Your Excellency.”

When he said this, Bai Yunfei’s face was full of confidence.

He has a demon soul, and he doesn’t even care about the opening axe. Naturally, he is not interested in other divine weapons or ancient tombs.

In Bai Yunfei’s heart, there is no respect for rescuing the demons in any matter. You must know that Luo Jue was successfully assassinated just now and blamed on Yue Feng. At this time, a vision of heaven and earth suddenly appeared in Tianqi Continent. At that time, Yue Feng and Tiandao Alliance Will definitely check it out. As long as the two sides meet, it must be an endless situation.

As a result, Yue Feng was entangled by the Heavenly Dao Alliance, and he had no time to take care of the ghost world. In this case, Bai Yunfei could rescue the Demon Venerable more easily.

This...

Seeing that Bai Yunfei did not intend to investigate the phenomenon of heaven and earth, but was about to enter the ghost world again, Ji Hongshang was a little disappointed, but still nodded: “This subordinate will prepare.”

...

a day later!

Apocalypse Continent, Imperial Mausoleum.

At this time, the red beam of light reaching the sky had disappeared, but the sky was still cloudy and dark.

Around the imperial mausoleum, more than 100,000 imperial forest troops were waiting in battle, surrounding the huge imperial mausoleum like iron barrels.

At the entrance of the main entrance of the imperial mausoleum, there are many people from all corners of the world, almost a sea of people.

This time, there was a vision of heaven and earth in the Tomb of Tianqi Emperor, and all the sects rushed over at the first time. These sects added up to hundreds of thousands of people, and the momentum was huge.

However, the atmosphere in the field was somewhat tense, and the air seemed to be filled with the smell of gunpowder.

I saw that at the entrance of the imperial mausoleum, opposite the major sects, King Guangping was sitting on the throne with a stern expression, and around him were dozens of master guards.

“Fellow fellows from all corners of the world!”

At this time, King Guangping looked around, with an unquestionable tone: “You have also seen that this vision of heaven and earth came from my Tianqi Emperor’s Mausoleum, and the ancient tomb that is about to appear is Chi You, the ancestor of my royal family. , In other words, this is my own business. I hope you don’t trespass.”

Speaking, King Guangping showed a smile and continued: “Of course, if you really want to explore the ancient tomb, after the royal family has cleaned up the ancient tomb, you can explore it at will! But if you try hard, I, Emperor Tianqi, will do my best to the end. Alone, you have to swear to the death to defend the ancient tomb.”

Wow!

Hearing this, the various sects present immediately began to discuss.

“What? Don’t let us in?”

“Why?”

“That is, Emperor Tianqi clearly wanted to take over the ancient tomb for himself. Without any evidence, he said that the ancient tomb of Chiyu belongs only to the weather royal family? It’s ridiculous.

” In the middle, everyone was very dissatisfied.

“What a joke!”

Chapter 3870

At this moment, a sect leader came out and said to King Guangping: “Your Majesty, you keep saying that the tomb that is about to come to life belongs to Chiyu and belongs to your royal family, but what evidence do you have?”

” Falling down, many people roared.

“Yes, take out the evidence.”

“If you can’t come up with it, don’t stop us.”

“That is, we came all the way, how could you be sent away in just a few words?” the

crowd shouted It kept coming, and the commander of the Imperial Forest Army couldn't bear it any longer. He

glared in a circle, and shouted: "You guys are not small, you dare to talk to your majesty like this." Half a step away from the tomb, I will make him die without a place to be buried."

Qiang! Clang! Clang!

As soon as the words fell, the surrounding Royal Forest Army also pulled out their long knives, one by one with murderous aura.

This....

Feeling the momentum of the Imperial Forest Army, the sect masters present showed a bit of dread in their eyes.

For a while, the two sides were at a standstill.

At this moment, there was a sound of footsteps not far away, and then, dozens of figures came slowly, it was the people of the Ouyang family.

The leader is Yue Feng.

Swish!

At this moment, the eyes of the audience all focused on Yue Feng.

Yue Feng brought the Ouyang family here? It's more lively now.

King Guangping's face became even more gloomy. He and Yue Feng already had a feud. At this time, seeing Yue Feng also wanted to explore the ancient tomb, naturally he would not have a good face.

what's the situation?

At this moment, Yue Feng felt the tense atmosphere and subconsciously frowned.

Why does it seem to be fighting?

Soon, Yue Feng learned from the people around him that the Tianqi royal family was going to monopolize the ancient tomb, and he suddenly said to Ren Yingying beside him: "It seems that your intuition is right, this vision of heaven and earth really comes from the emperor. Mausoleum."

"Yue Feng!"

Just as he was talking, he heard King Guangping coldly say: "I have said just now that the tomb that is about to come to life is the ancestor of my royal family, Chi You, and anyone who has nothing to do with it should not approach it. So, you should go back with the people of the Ouyang family." The

voice spread throughout the imperial mausoleum, and there was no doubt about it.

Yue Feng chuckled and didn't respond, while looking around to see if Bai Yunfei was there.

As a result, I looked around, but did not find Bai Yunfei's figure.

strangeness!

At this moment, Yue Feng was full of doubts and couldn't help muttering in his heart.

This Bai Yunfei has always liked to join in the fun. Today, such a big scene, there is something wrong.

Just when Yue Feng was thinking about it, he saw Ren Yingying walking straight towards the entrance of the imperial mausoleum.

Just before taking a few steps, he was stopped by several imperial guards.

"Ren Yingying!"

King Guangping frowned, and said with a grim expression: "You want to challenge the imperial power?"

Ren Yingying was not afraid at all, and said to King Guangping: "King Guangping, don't scare me, this imperial mausoleum, Others can't enter, I'm qualified to enter, don't forget, I'm Princess Yueying."

The ultimate husband in Chinese chapter 3871-3880

Chapter 3871

Princess Yueying?

Hearing this, King Guangping smiled contemptuously: “Ren Yingying, when I ascended the throne, I expelled you from the royal family, you are no longer a princess.”

“But since we have a blood relationship, I will forgive you this time. You are reckless, you step back.” The

voice was not loud, but there was no doubt.

Ren Yingying is Yue Feng’s woman, how could she be allowed to enter the imperial mausoleum?

“You...”

Hearing this, Ren Yingying’s delicate face instantly flushed red, and she was indescribably angry.

This King Guangping is too shameless. He killed his father to seize the throne and expelled himself from the royal family. These things came out of his mouth, but it was such an understatement.

Thinking of his father’s tragic death, Ren Yingying’s delicate body could not stop trembling.

Seeing this scene, Yue Feng couldn’t help it, he stepped forward and said to King Guangping: “King Guangping, you are really shameless, your throne was snatched, what qualifications do you have to expel Yingying from the royal family? ?”

“The most ridiculous thing is that you killed the royal father and still looked at peace of mind, which is extremely shameless.”

After saying that, Yue Feng looked around and continued: “To put it bluntly, King Guangping wants to swallow the ancient tomb for himself. He just said before that this imperial mausoleum belongs to the royal family, and Yingying is obviously a princess, but when it comes to the mouth of King Guangping, she is no longer qualified

. , Yue Feng’s face was serious, but he was secretly sneering in his heart.

Ren Yingying was despised by King Guangping, and Yue Feng naturally had to come forward.

Yue Feng thought about it, since Bai Yunfei was not there and could not find out the situation of the Great Sage being controlled, he helped Ren Yingying enter the ancient tomb by the way. It's just that the imperial mausoleum is now being guarded by the people of King Guangping, and it is difficult to enter. The only way is to incite the surrounding sects and disrupt the situation.

This chapter is provided by . Visit for daily update.

Whoa!

The voice fell, and the people in the arena all nodded in agreement.

“Yue Feng is right.”

“Yeah, back then, the King of Guangping killed the previous emperor in front of the Jiuzhou Jianghu sect. It really doesn't make sense for Princess Ying to enter the imperial mausoleum.”

“Needless to say? He just wants to swallow the ancient tomb for himself.” The

surrounding discussions came from you and me, and King Guangping sat there with a gloomy face, very angry.

At the same time, King Guangping also stared at Yue Feng coldly.

How dare this Yue Feng incite the surrounding Jianghu Sect to deal with me? Ma De, when he gets the inheritance of his ancestor Chi You, he will kill you first.

“Shut up!”

At this moment, the commander of the Imperial Forest Army couldn't bear it anymore, strode out, looked around and roared: “You are so bold, to slander Your Majesty with Yue Feng? You don't want to live anymore?”

” This remark, the various sects who were still whispering about it, couldn't help it at this time, and they all retorted.

“Who are you frightening? Your Apocalypse Royal Family wants to swallow the ancient tombs and kill us all?”

“That is, your Apocalypse Royal Family is so majestic, you won't let anyone else say anything.”

“If you really want to fight, just let it go. Come here, we have so many sects, are we still afraid of your Tianqi royal family?”

I have to say that Yue Feng's incitement was very successful. At this time, the major sects present expressed their dissatisfaction with King Guangping, which seemed very united.

Of course, the unity is only on the surface, and all the sects present took the opportunity to roar, and the ultimate goal is to enter the ancient tomb and snatch the treasures.

"Okay, very good!"

Listening to the attitudes of the various sects, King Guangping's eyes were gloomy, and he nodded: "You sects, also follow Yue Feng to make trouble."

After saying that, King Guangping raised his hand and waved: "The Imperial Forest Army is on alert! "

Om!

The voice fell, and the surrounding Royal Forest Army exploded with internal force, and a hundred thousand Royal Forest Army broke out together, and the gathered force instantly distorted the sky!

Is the royal family coming for real this weather?

Seeing this scene, the major sects present all frowned secretly. Immediately, they ordered their disciples to confront the Royal Forest Army.

wow...

Chapter 3872

However, at this moment, I saw not far away, tens of thousands of figures came quickly, and the all-black outfits were the elites of the Tiandao Alliance.

Headed by a golden armor, domineering and unparalleled.

It was Gong Ao.

hiss!

What a strong breath!

This... Who is this?

Seeing Gong Ao, all the masters from all continents present were shocked, their eyes focused on Gong Ao, and they were speechless for a long time.

Under the shroud of Gong Ao's breath, everyone present felt breathless.

"Where is this sacred!"

"I don't know, looking at the clothes, it seems to be from the realm of the gods..."

"The realm of the gods?"

Shocked, all the sect masters present couldn't help but whisper.

Gong Ao? !

why did he come here?

Seeing Gong Ao, Yue Feng was stunned for a moment, and was very puzzled.

At this time, Yue Feng didn't know that Luo Jue had been assassinated by Bai Yunfei and put the blame on himself, and Gong Ao, who was in front of him, had come to Xing Shi to ask for his guilt.

"Yue Feng!"

When he got to the front, Gong Ao's eyes locked on Yue Feng, and he said angrily: "You killed Luo Jue, but you left behind mad words, are you going to betray God's Domain?"

Although Luo Jue's status is not high, he is the God of the Nine Heavens. The messengers sent represent the entire Divine Realm. Yue Feng killed Luo Jue to provoke the entire Divine Realm.

Even if Yue Feng is the Nine Heavens Profound Sage, he cannot tolerate it.

What?

Hearing this, Yue Feng was stunned, only feeling inexplicable.

I killed Luo Jue, where did this come from?

Could it be that the Great Sage attacked Luo Jue before, causing him to die of serious injuries? But this is impossible, Luo Jue has the primordial spirit, how could Sun Dasheng's palm kill him?

Swish!

At the same time, the surrounding people were also in an uproar.

“What’s the situation?”

“Yue Feng killed Luo Jue of the Heavenly Dao Alliance?”

“That Luo Jue is very strong, so Yue Feng can kill him?”

Listening to the surrounding discussions, Yue Feng gradually calmed down.

The next second, Yue Feng smiled at Gong Ao: “Gong Ao! You said I killed Luo Jue? Is there any evidence?”

Evidence?

Gong Ao sneered, his expression very sad and angry: “Yue Feng, you are a Nine Heavens Profound Sage and a famous hero in Kyushu, don’t you dare to admit what you have done?”

” Luo Jue, who died in the process of healing, after he succeeded, he wrote a rant on the wall, ‘Whoever commits me, kill Wushe, and Yue Feng will leave the words.’” The

voice fell, and a figure walked out quickly, pointing at Yue Feng and shouting. : “Your Excellency Special Envoy’s words are true. I was at the scene at the time. Yue Feng, you killed Your Excellency Tianzun. Today, you must give me justice to the Tiandao Alliance.”

There is such a thing.

Knowing these circumstances, Yue Feng frowned, without the slightest anger, but pondered.

Who is framing me?

Speaking of which, Yue Feng must have been very angry if he had encountered such a situation before, but he has experienced so many things in the past few years and suffered countless slanders and slanders, and Yue Feng is used to it.

Chapter 3873

“Gong Ao!”

Thinking in his heart, Yue Feng didn’t talk nonsense, and his face was serious: “It’s a pity that Luo Jue died, but I tell you clearly, Luo was not killed by me, someone deliberately framed it. Me.”

“If I really wanted to kill Luo Jue, when I left the Heavenly Dao League with the Ouyang family, I could have done it at that time, why would I sneak up on assassination?”

Hearing this, Gong Ao pondered. ..

what Yue Feng said seems to have some truth, but...

thinking about it, Gong Ao looked directly at Yue Feng, shook his head and said: "Yue Feng, don't make sophistry, in the entire Kyushu, apart from you, Who can take Luo Jue's life?"

Although he was a little shaken just now, Gong Ao finally decided that it was Yue Feng who killed Luo Jue.

After all, Yue Feng has the Primordial Spirit and is fully capable of killing Luo Jue, but apart from Yue Feng, there is no other person in the entire Jiuzhou rivers and lakes. After all, humans cannot defeat the Primordial Spirit.

Phew...

Seeing that Gong Ao identified himself as the murderer, Yue Feng took a deep breath: "Well, since you insist on identifying me as the murderer, then I can't do anything about it. What do you want?"

Gong Ao clenched his fists without hesitation. Said: "Follow me back to God's Domain immediately and meet Your Majesty."

Yue Feng chuckled: "What if I don't want to?"

"Then I have to offend you." Gong Ao said.

Hearing this, Yue Feng couldn't help laughing, looking at Gong Ao's eyes, showing a bit of playfulness: "Gong Ao, we have fought before, you can't beat me."

Shah!

At this moment, Gong Ao's face turned red, very embarrassed. Because Yue Feng said it well, the two sides had fought before, and Yue Feng easily defeated Gong Ao at that time.

However, Gong Ao was arrogant and arrogant. For the sake of face, he bravely said: "Yue Feng, don't play tricks on me, if you are a little more acquainted, then follow me to meet your majesty in the realm of the gods. Otherwise, don't blame me for being rude. "

That's what he said, but because he was afraid of Yue Feng's strength, Gong Ao didn't mean to take action!

Whoa!

Seeing this scene, the surrounding sects suddenly talked a lot, and looking at Gong Ao's eyes, they all flickered with complexity.

Looking at it like this, Yue Feng is about to tear his face with God Domain.

There's a good show here.

"Gong Ao!"

At this time, Yue Feng was too lazy to talk nonsense, and said to Gong Ao: "You don't have to be pretentious, just come directly if you want to do it. If you don't dare to do it, let the God of Nine Heavens come to see me in person."

Mad, this Gong Ao was really sick. Luo Jue's death was obviously framed, but he didn't believe it.

Hearing this, Gong Ao's face turned blue and white.

This Yue Feng was so arrogant that he even asked His Majesty to come to see him in person.

In anger, Luo Jue glanced at the people of the Ouyang family and said fiercely: "Yue Feng, I know that you are very strong and you fight alone. Maybe I am not your opponent, but don't forget, there are still people behind me. Tens of thousands of Heavenly Dao League elites."

"No matter how strong you are alone, it is impossible to guarantee that the people around you will be safe and sound?"

Nima!

Seeing Gong Ao threaten him with the Ouyang family, Yue Feng's face changed, and his anger was instantly ignited.

Family members have always been Yue Feng's opponents.

At this time, Yue Feng wanted to kill Gong Ao, but after thinking about it, he held back.

Because Gong Ao said it well, once he starts, he is not afraid at all, but Brother Wen and Yingying, they can't stop the siege of Tiandao Alliance.

How to do?

Could it be... Really want to go to God's Domain with Gong Ao?

"Boom!"

Just when Yue Feng was frowning secretly, suddenly, he heard a sound of zalei coming from the sky above the imperial mausoleum.

Whoa!

Hearing this thunder, whether it was Yue Feng or everyone present, they all looked up in unison, and saw that the sky above the entire imperial mausoleum was covered with dark clouds in an instant.

And between the thick clouds, red lightning can be seen, flashing constantly.

Chapter 3874

Seeing this situation, everyone was stunned, and they were all inexplicably excited.

“The ancient tomb is about to appear!”

“The ancient tomb is about to appear...”

While everyone was discussing, King Guangping stood up suddenly, his face also extremely excited.

As expected of the ancient tomb of Chiyou’s ancestor, such a powerful aura erupted before it appeared.

At the same time, Ren Yingying was also trembling, feeling the powerful breath coming from the clouds. For some reason, Ren Yingying’s blood was boiling, as if there was a mysterious power that was summoning herself.

It’s a strange feeling, I seem to be able to perceive the power of my ancestor Chi You.

Muttering in her heart, Ren Yingying was inexplicably excited.

“All the imperial guards obey the order!”

At this moment, King Guangping looked around, his eyes were extremely firm:
“Immediately guard the surroundings and wait for the next ancient tomb to appear. Those of these Jianghu sects who dare to break through will be killed!

” The Jianghu sect, how many people came, also kept them out of the ancient tomb.

After all, at this time, the ancient tomb of the ancestor Chiyou was never allowed to be touched by outsiders.

“Follow your orders!” The

voice fell, and the soldiers of the Royal Forest Army who were present responded with a bang, and the momentum was shocking.

Boom!

At this time, I saw a few thunders resounding in the clouds above the imperial mausoleum. Then, around the entire imperial mausoleum, the spiritual energy of heaven and earth surged wildly, and the powerful spiritual energy was raging, and almost everyone could not keep their eyes open.

A few seconds later, the surging aura of heaven and earth disappeared, and what appeared in front of everyone was a black vortex.

Obviously, this vortex is the entrance to the ancient tomb. You must know that the entrance to the ancient tomb of Lu Bu was like this black vortex.

Seeing this huge vortex, everyone present exploded.

“The entrance has appeared!”

“The movement just now is stronger than when the ancient tomb of Lv Bu appeared in the world. It seems that there must be something good in this ancient tomb.”

Shocked, many people wanted to enter from there. There was some hesitation when it came to the guards guarding the garrison. These sects all have their own ghosts, and they don't want to be the first to conflict with the Tianqi royal family.

Whoosh!

Seeing this situation, Yue Feng didn't have time to think about it, he pulled Ren Yingying and pushed his figure to rise into the sky, over the Royal Forest Army, and rushed into the black vortex.

Speaking of which, Yue Feng was not interested in Chiyou Ancient Tomb, and doing so was just diverting Gong Ao's attention.

Yue Feng's speed was very fast. Those Yu Lin army only felt their eyes blurred, but they didn't know what was going on. The figures of Yue Feng and Ren Yingying had disappeared into the vortex.

“Yue Feng!”

Seeing Yue Feng and Ren Yingying rushing into the vortex, Gong Ao angrily rebuked: “You want to abscond in fear of crime? All the disciples of the Heavenly Dao Alliance obey the order and chase after me!” As the

voice fell, Gong Ao burst into the vortex.

Wow...

At the same time, the disciples of the Tiandao Alliance followed closely behind and followed Gong Ao into the vortex to capture Yue Feng.

Mad!

Seeing this scene, King Guangping was furious.

This Yue Feng, not only broke into the ancient tomb of the ancestors, but also led the Tiandao League into it.

However, what made King Guangping even more angry was still behind.

“Yuefeng and Tiandao League entered...”

“Can’t let them take the lead, rush...”

“Yes, let’s rush together!”

Seeing Yue Feng and Tiandao League, they rushed into the ancient tomb one after another. The sects reacted and shouted, breaking through the containment and interception of the Imperial Forest Army and entering the vortex.

In the chaos, Wen Chou Chou took the Ouyang family and took the opportunity to enter the ancient tomb.

Seeing that the situation was getting more and more out of control, King Guangping’s face was ashen, and he roared, “Stop them, stop...”

Chapter 3875

Hearing the order, the Imperial Forest Army waved their long knives and began to intercept the strong sects who rushed into the vortex. However, there were so many sects that could not be stopped at all. In the blink of an eye, all the sects present rushed in. more than half.

“Waste...”

Seeing this scene, King Guangping was so angry that he vomited blood, and then shouted: “Don’t stop it, go in quickly.” After saying that, he moved his figure and rushed directly into the vortex.

Anyway, it couldn't be stopped. The most important thing now is to enter the ancient tomb and find the exercises and treasures left by the ancestor Chi You as soon as possible.

.....

in the tomb!

After entering the vortex, Yue Feng only felt that his eyes were dark and the world was spinning. In this case, Yue Feng held Ren Yingying tightly and did not dare to let go.

Because I don't know how big the tomb is, after letting go, if the two are scattered, it will be troublesome.

Pfft!

After an unknown amount of time, Yue Feng and Ren Yingying finally stepped on the ground.

Yue Feng took a deep breath, then looked around and was stunned.

I go!

This tomb is too big!

I saw that there was a black Jian ethnic group in front of me, and I couldn't see the edge at a glance, it was even bigger than the imperial city.

Moreover, the buildings in front of them are relatively simple in shape, not as exquisite as the palace, but each building is incomparably majestic and has a sense of ancient vicissitudes.

Not only that, but there are more than a dozen huge statues of warriors standing on the periphery of this building.

Each of these warrior statues is dozens of meters high, each holding a giant sword, with a solemn expression, whether it is the facial features or the armor, they are all carved lifelike.

Seeing this, Yue Feng couldn't help but muttered, "Why are there so many warrior statues around this ancient tomb?"

Ren Yingying took Yue Feng's arm and did not respond, but looked around at the statues in a trance.

Um?

At this time, Yue Feng found that the eyes of these warrior statues were all hollow, giving people a very strange feeling.

How can such a beautiful statue have no eyes?

“Yue Feng!”

At this moment, Ren Yingying reacted and said complicatedly to Yue Feng: “How do I feel that these statues have life?”

When she said this, Ren Yingying had an indescribable emotion in her heart.

When he first arrived at the imperial mausoleum, Ren Yingying had a feeling of being summoned in the dark. After entering the ancient tomb, the feeling became even stronger, as if there was a mysterious force waiting for him in the ancient tomb.

At this time, seeing these huge warrior statues around, Ren Yingying is both unfamiliar and close relatives, and there is a feeling of blood connection.

There is life?

Hearing this, Yue Feng was stunned for a moment, and then smiled: “Yingying, are you hallucinating? How can such a big statue have life? It’s impossible...”

As he said, Yue Feng looked around, making sure that Gong Ao and the disciples of the Tiandao League were not nearby, so he walked forward with Ren Yingying.

hum!

Just after walking a few steps, I saw the empty eyes of the warrior statues around, suddenly revealing red rays of light, followed by violent breaths, bursting out of the warrior statues, and these breaths gathered together, forming a terrifying coercion.

What the hell!

Feeling this coercion, Yue Feng’s expression changed. He clearly felt that his Primordial Spirit power was suppressed, and he couldn’t use it at all, as if he had become an ordinary person.

What power is this? Can you suppress Yuanshen?

For a time, Yue Feng was extremely horrified.

When he noticed Ren Yingying’s situation, Yue Feng was stunned!

The ultimate husband in Chinese chapter 3876-3880

Chapter 3876

found that Ren Yingying's delicate face was as usual, without the slightest bit of pain, obviously not affected by the terrifying coercion.

Is Yingying okay?

For a time, Yue Feng was completely confused.

"Yue Feng?"

At this time, realizing that Yue Feng's face was wrong, Ren Yingying's delicate face was full of surprise and worry: "Why are you so weak?"

"It's the aura that erupted from these warrior statues, Suppressed my power." Yue Feng said.

Ren Yingying's tender body trembled, her eyebrows knitted tightly: "Why am I alright?"

Yue Feng looked at the warrior statues, thought for a moment, and responded, "This is Chiyou's ancient tomb, and Chiyou is your Tianqi royal family. Our ancestors have the same bloodline, so you are not affected." As he

spoke, Yue Feng pointed to the Jian ethnic group in front of him: "Let's not talk about it for now, let's quickly explore the ancient tomb."

Hmm!

Ren Yingying nodded and followed Yue Feng.

Because the primordial spirit was suppressed, Yue Feng was very careful when exploring forward.

I don't know how long I walked, but after crossing a line, I saw a huge square in front of me. In the square, there are tens of thousands of people from all corners of the world.

Obviously, these people from Jianghu Zongmen were passed here after entering the ancient tomb.

However, what shocked Yue Feng and Ren Yingying was that the people of the sect gathered in the square were crazy and were killing each other! The scene was chaotic.

This chapter is provided by . Visit for daily update.

The people of these sects are all crazy, their eyes are blood red, and they have completely lost their minds.

“Death, die for me!”

“Don’t rob me of treasures from the ancient tomb!” In the

roar, the people of these sects shot extremely fiercely, with blood sprayed, and the ground was dyed red!

Seeing this scene, Ren Yingying was shocked.

What’s the situation? Why are these sect people crazy?

Muttering in her heart, Ren Yingying couldn’t help but said, “Yue Feng, what’s wrong with these people?”

Huh.

Yue Feng took a deep breath, looked around the warrior statues in the distance, and said, “Obviously, the power of these warrior statues around is too strong, and these people can’t bear it, so they all lost their minds.”

“Look at this . The situation, this ancient tomb of Chiyou is even more dangerous than the ancient tomb of Lu Bu.”

When he said this, Yue Feng took a closer look at the melee crowd in front of him and found that there were no Wen Chou Chou and Ouyang family members, and he was relieved.

However, I was also a little anxious in my heart.

Although the Wen Chou Chou people are powerful, they are not guaranteed to lose their minds and kill each other like the people in front of them.

If the Ouyang family killed each other, it would be troublesome.

Thinking of this, Yue Feng said to Ren Yingying: “Come on, Brother Wen and the others must have come down, let’s find them quickly!”

Ren Yingying is smart, and Yue Feng’s worries, she also thought of it, and nodded immediately, and Yue Feng The wind went around the square and went inside to search for Wen Chou Chou and others.

Finally, after passing through a Jian ethnic group, there was a huge gap in front of him. This gap was several hundred meters wide, and there was an abyss below. There was absolutely no possibility of surviving if it fell.

And between this gap, there is a stone bridge. The whole stone bridge is made of stones of different shades. Yue Feng saw that every few steps on the stone bridge, some special runes were engraved. .

This stone bridge, seemingly simple, has hidden mysteries.

Opposite the stone bridge, is a small altar, and behind the altar, is a majestic palace.

Obviously, this palace is the spiritual hall where Chiyou was buried.

Chapter 3877

Chiyou's spiritual hall?

Yue Feng was very excited when he saw the palace opposite the stone bridge.

At the same time, looking at the stone bridge in front of him, Yue Feng couldn't help frowning secretly.

Above this stone bridge, it seems to be a mysterious stone formation.

It is recorded in "Baiqi Shenzheng" that the Lost Stone Array is a very ancient formation, very mysterious. Once someone enters, they will lose themselves.

It's just that this kind of formation has not been seen in the Kyushu Continent for a long time, and there are only a few sentences in the records of "Bai Qi Shen Formation", and there is no way to deploy or crack it.

However, Yue Feng didn't panic at all. With his accomplishments in the formation, it was not difficult at all to break the formation.

"Yue Feng!"

At this time, Ren Yingying was also very excited and took Yue Feng's hand: "After the stone bridge, it is the ancestor's spiritual hall. Let's go in."

With that, Ren Yingying was about to pass the stone bridge . .

"Don't!"

Just two steps away, Yue Feng stopped him: "Yingying, wait a moment, this stone bridge is a lost stone formation, if you enter rashly, you will lose yourself. At that time, if you are not careful, I will fall into the abyss."

Hearing this, Ren Yingying's delicate body trembled, and she quickly stopped.

Fortunately, Yue Feng was there, or else he would have ventured onto the stone bridge and the consequences would have been unimaginable.

Thankfully, Ren Yingying said, "Yue Feng, can you break this lost stone formation?"

Haha..

Yue Feng couldn't help laughing, couldn't help but leaned up and kissed Ren Yingying on the cheek: "You man, I am the hero of Jiuzhou, how can anyone in this world find it hard to live with me?"

Ren Yingying's delicate face was a bit blushing, and she said coquettishly, "Don't be ashamed, how can you brag about yourself?"

As she spoke, Ren Yingying's eyes were full of smiles. After all, Yue Feng's accomplishments in formation are truly unparalleled in the entire Kyushu.

Talking and laughing, Yue Feng walked slowly to the stone bridge, began to study the Lost Stone Array, and figured out how to crack it.

Ren Yingying stood aside, vigilant around him.

Whoosh...

But at this moment, there was a sudden burst of aura behind him, and then, a figure came over quickly.

Hearing the movement, Yue Feng and Ren Yingying hurriedly looked back, and their hearts were suddenly shocked.

I saw that the coming person was dressed in a golden dragon robe, with a proud expression, and his body was filled with a powerful aura, showing the royal majesty, and it was the King of Guangping.

King Guangping?

Seeing King Guangping, Yue Feng's expression changed and he frowned.

Nima, is this King Guangping so lucky? Found here so quickly.

At the same time, when he noticed the situation of King Guangping, Yue Feng was even more shocked. He clearly felt that King Guangping, like Ren Yingying, was not affected by the powerful atmosphere of the ancient tomb at all, and his strength was completely at its peak.

But soon, Yue Feng understood something.

King Guangping is the Emperor of Apocalypse, and he is of the same bloodline as Ren Yingying. The powerful force of this ancient tomb cannot suppress Ren Yingying, and naturally it has no effect on King Guangping.

After understanding this, Yue Feng felt depressed all of a sudden.

It's a little troublesome now, my Yuanshen is suppressed, and if I do it later, I can only rely on Ren Yingying, but fighting alone, how could Yingying be the opponent of King Guangping?

You must know that after King Guangping became the Emperor of Apocalypse, he often took the royal treasures of heaven and earth, and his strength was not what it used to be.

At the same time, Ren Yingying also frowned, and subconsciously tightened Yue Feng's arm.

Um?

Chapter 3878

At this moment, King Guangping also discovered the two Yue Fengs and was stunned.

The next second, when he saw the palace opposite the stone bridge, King Guangping's face was overjoyed, and he was very excited.

Haha...

Such a magnificent palace, it seems, this is the spiritual hall where the ancestor Chiyou was buried.

Excited in his heart, King Guangping's eyes fell on Yue Feng, unable to hide the resentment in his heart: "Yue Feng, it's really a narrow road for the enemy." When he said this, King Guangping's face was gloomy, but his heart was extremely complicated.

At that time, King Guangping brought tens of thousands of royal guard troops into the ancient tomb, but shortly after entering, the warrior statues around the ancient tomb suddenly burst out with a powerful aura.

In this case, King Guangping had to explore the ancient tomb alone.

When he arrived at this stone bridge, King Guangping thought that he was the only one who found the ancestor's spiritual hall, but he did not expect that Yue Feng and Ren Yingying were also there.

King Guangping was naturally not afraid of Ren Yingying, but he was extremely afraid of Yue Feng.

After all, Yue Feng is a famous figure in Kyushu, and his strength is unfathomable. But King Guangping holds his own identity, how could he show weakness?

At this time, King Guangping didn't know that Yue Feng's strength was also suppressed by the powerful aura of the ancient tomb.

Ha ha...

Seeing King Guangping's gloomy face, Yue Feng chuckled lightly and said lightly: "King Guangping, stop talking nonsense, opposite the stone bridge is the Chiyouling Hall. I am determined to get the treasure inside."

"Yingying and I are two people. , and you are only one person. You have no chance of winning at all, if you are acquainted, leave quickly!"

When he said this, Yue Feng had a proud face, but he was a little uneasy in his heart.

Before King Guangping didn't know that his strength was being suppressed, he should scare him away quickly.

"King Guangping!"

At this time, Ren Yingying took a step forward and shouted at Wang Jiao of Guangping: "Aren't you very arrogant when you were outside the ancient tomb? At that time, as long as I dared to break into the ancient tomb, you would be rude to me. , and I'm in now, if you want to do something, just let the horse come over as soon as possible."

Ren Yingying Bingxue is smart, Yue Feng understood what he meant when he opened his mouth just now, and then quickly stood up and put on a pose with Yue Feng.

Mad!

Facing Yue Feng's aggressive aura, King Guangping's face was gloomy, and he was unspeakably annoyed.

If it wasn't for the fact that the Imperial Forest Army was insane, how could Yue Feng be so arrogant in front of him?

But if you really want to fight, how can you be the opponent of Yue Feng and the two?

While muttering in his heart, King Guangping's eyes flickered and he sneered: "Is there a real spiritual hall opposite the stone bridge? Not sure, you guys like to stay here, just do what you want."

“Wait until I find the real ancestor’s spiritual hall, Come back and settle accounts with you.”

After saying this, King Guangping turned around and strode away.

King Guangping was suspicious by nature, knowing that he was not the opponent of Yue Feng and the two of them. In order to avoid conflict, he deliberately said that the Chiyouling Hall opposite the stone bridge was fake.

Of course, King Guangping didn’t actually leave, but quietly returned, hid, and observed Yue Feng’s every move secretly.

Haha....

Seeing that King Guangping was scared away, Yue Feng couldn’t help showing a smile.

This King Guangping loves his face so much that he was afraid that he and Yingying would join forces to deal with him, so he deliberately found a reason to go down the stairs.

“Yue Feng!”

At the same time, Ren Yingying also laughed, took Yue Feng’s arm and said, “King Guangping was scared away by us.”

Yue Feng nodded: “King Guangping looked calm just now, but actually he was more than happy in his heart. We’re still panicking.”

After speaking, Yue Feng looked at the stone bridge in front of him: “However, King Guangping is suspicious by nature, and he will be back soon, so I need to speed up.”

Chapter 3879 The

last sentence fell, Yue Feng picked up a stone and continued to deduce it on the ground, looking for a way to crack the Lost Stone Array.

Ren Yingying continued to protect the law by the side.

At this time, the two of them did not know that King Guangping did not really leave, but hid in the shadow not far away.

call!

At this moment, watching Yue Feng squatting there, gesturing with a stone on the ground, the corner of King Guangping’s mouth twitched, and his eyes flashed a bit gloomy.

It turns out that this stone bridge has another mystery. Fortunately, I didn't make a rash move just now.

Thinking to himself, King Guangping held his breath and decided to wait and see what happened.

Time passed by minute by minute.

"It's done!"

I don't know how long it took, Yue Feng wiped the sweat off his face and smiled at Ren Yingying: "Yingying, I have found a way to crack the Lost Stone Array, follow me later!"

" !

Ren Yingying was full of joy and cheered: "I knew you could do it."

Then, seeing Yue Feng's hard-working, delicate face full of concern: "Yue Feng, you are sweating so much, are you alright? " It

's alright!"

Yue Feng shook his head, smiled and comforted: "It was a bit of a hassle to deduce the formation just now, but then again, the power of this ancient tomb is too strong, and my power is suppressed. Damn it."

Ren Yingying breathed a sigh of relief and said slowly, "Yeah, your power has been suppressed, not to mention Brother Wen and the others. Before we searched for a long time, we couldn't find Brother Wen and the others, but we did. Ancestor's spiritual hall."

Ren Yingying became inexplicably worried when she thought that Wen Chou Chou and others were unknown.

Yue Feng smiled and said, "Brother Wen, they have a great fortune and a great fate, so they should be fine. Moreover, we are the first to find the spiritual hall, it seems that it is God's will, let's cross the stone bridge quickly, perhaps within the spiritual hall, we can find a way to dispel the A powerful way to crush it."

Hmm!

Hearing this, Ren Yingying nodded and was about to go to the stone bridge with Yue Feng.

Mad! !

At this moment, King Guangping, who was hiding in the dark, was shocked when he heard the conversation between Yue Feng and the two, and he was surprised and angry.

This Yue Feng is really cunning, his power has been suppressed, but he just pretended to be okay and deceived me.

However, this Yue Feng's power was suppressed, and he had nothing to worry about.

Muttering in his heart, King Guangping didn't have time to think about it, and urged the figure to rush out directly.

hum!

At the moment of rushing out, King Guangping's internal strength exploded, and he slapped Yue Feng's back with a palm.

Feeling the danger coming from behind, Yue Feng quickly turned around and was shocked when he saw that it was King Guangping.

Nima, why did King Guangping come back so quickly?

At the same time, Ren Yingying was also shocked.

"Yue Feng!" King Guangping was very fast, and in the blink of an eye, he was in front of him, shouting: "Your power has been suppressed, but just now you pretended to tease me, go to hell." The

voice fell, and King Guangping suddenly accelerated.

At this time, Yue Feng, Yuanshen was suppressed by the powerful force of the ancient tomb and could not dodge at all.

At the same time, Ren Yingying was also in a hurry and wanted to block King Guangping, but it was still a step too late.

"Boom!"

This palm hit Yue Feng directly, and a muffled sound was heard. Yue Feng's body was directly shaken and flew out, flying dozens of meters away, hitting a rock on the edge of the abyss, and a mouthful of blood spurted out.

Nima!

Yue Feng struggled to get up, his eyes fixed on King Guangping, unable to say anything.

Fortunately, I have Yuanshen to protect the body, otherwise, King Guangping's palm could really kill him.

Chapter 3880

"Yue Feng!"

Ren Yingying screamed and rushed up quickly, supporting Yue Feng, her face distressed: "How are you? How are you..."

When she said this, Ren Yingying almost cried .

Yue Feng took a deep breath and comforted in a low voice: "Don't worry about me, although King Guangping is very powerful, he can't kill me."

Yue Feng is not talking big words. On the premise that he has Yuanshen, King Guangping can seriously injure him. , but couldn't kill him, unless King Guangping had the strength to destroy Yuanshen.

Haha...

Seeing that Yue Feng was successfully severely injured, King Guangping was extremely excited, and laughed loudly in the sky: "Yue Feng, I warned you before that you are not allowed to step into the ancient tomb of my ancestors, but you didn't listen. It's God's will to be suppressed."

"Over the years, I've been dreaming about how to get rid of you, but today I finally got my wish." After the

last word fell, King Guangping walked step by step with a dazed expression on his face.

Whoosh!

Seeing this situation, Ren Yingying didn't have time to think, her delicate body flashed and blocked in front of Yue Feng.

"King Guangping, because you are still the emperor, don't you feel ashamed to make a secret raid?" Ren Yingying glared at King Guangping and scolded.

King Guangping smiled contemptuously: "Shame? Didn't you two pretend to scare me before? We are each other."

When he said this, King Guangping's eyes were always fixed on Yue Feng.

Such a once-in-a-lifetime opportunity to get rid of Yue Feng must not be missed.

“You...”

Hearing this, Ren Yingying blushed and was speechless for a while.

King Guangping stopped talking nonsense, the breath filled his body, and he rushed up directly.

hum!

At this moment, Ren Yingying didn't have time to think about it, she urged her internal force to face it, and at the same time shouted at Yue Feng: “Yue Feng, I'll stop him, hurry up, hurry up...”

When she said this, Ren Yingying was exquisite His face was full of determination.

She and Yue Feng have a deep sense of righteousness, how could she just watch Yue Feng die at the hands of King Guangping?

Swish!

Seeing this scene, Yue Feng's heart trembled, his eyes moistened instantly, and he shouted: “Yingying, don't...”

He just hit Guangping Wang in the palm of his hand. Although the injury was serious, it did not affect his walking.

It's just... how can I go in this situation?

“Go?”

Looking at Ren Yingying who was approaching, King Guangping sneered, with contempt flashing in his eyes: “Without Yue Feng's protection, you are just an ant in my eyes, today.... I can't go.” The

voice fell, and King Guangping moved his figure and fought fiercely with Ren Yingying.

At the beginning, Ren Yingying was still able to cope, but gradually it became unbearable. Although Ren Yingying's strength was not low, there was still a gap compared to King Guangping. After all, King Guangping has been an emperor for so many years, and his background is not that of Ren Yingying. Yingying can compare.

boom!

Finally, King Guangping found an opportunity and slapped Ren Yingying on the back with a palm. Ren Yingying groaned, and fell from the air, her delicate face was extremely pale, and her breath was weak.

“Yingying!”

Seeing this scene, Yue Feng couldn't help shouting, his eyes instantly blood red.

Immediately, Yue Feng shouted loudly at King Guangping: “King Guangping, if Yingying has three strengths and two weaknesses today, I will step on your Tianqi Imperial City and make you die without a burial place.”

When he shouted these words, Yue Feng's voice Completely hoarse and frantic.

Hehe...

Hearing this, King Guangping smiled contemptuously: “Yue Feng, when death is imminent, how dare you speak out against me? I want you to watch the woman you love die in front of you.” The

voice fell, and King Guangping rushed quickly . Come, raise your palm and pat it on Ren Yingying's head.

The ultimate husband in Chinese chapter 3881-3890

Chapter 3881

Seeing King Guangping's palm calling, Ren Yingying's delicate body trembled, without the slightest fear of death, but looked at Yue Feng and cried, "Yue Feng, why didn't you leave? Why?"

Saying this At that time, Ren Yingying's tears kept streaming down, blurring her vision.

She loves Yue Feng deeply, it doesn't matter if she dies, she doesn't want Yue Feng to die with her.

Hearing this, Yue Feng was heartbroken!

Yingying, why are you so stupid?

If you're gone, what's the point of my life?

"King Guangping!"

Seeing that Ren Yingying was about to die under the palm of King Guangping's hands, Yue Feng saw the stone bridge, and suddenly a flash of light flashed, and shouted, "If you still want the treasure in the hall, let her go immediately. "

Huh?

Hearing this, King Guangping was stunned and stopped subconsciously.

In the next second, King Guangping looked at Yue Feng and said coldly, "What do you mean?"

Yue Feng pointed at the stone bridge and said slowly, "On this stone bridge, there is a lost stone formation. You will lose yourself, and then you will fall into the abyss."

"Although there are many experts from the Jianghu sects in the ancient tomb, I am the only one who can crack this fascination array."

Having said this, Yue Feng took a deep breath . He said very firmly: "As long as you release Yingying, I will take you across the stone bridge and successfully enter the spiritual hall. If you don't agree, you will never want to go there.

"

This chapter is provided by . Visit for daily update.

King Guangping frowned and tilted his head to observe the stone bridge carefully. Only then did he find that the stone bridge was made of stones of different shades. Not only that, but every few steps, some strange symbols were also engraved.

Finding this, and thinking that Yue Feng did write and draw there before, King Guangping couldn't help but muttered in his heart.

Could it be that what Yue Feng said was true? On this stone bridge, is there really a powerful formation?

call!

A few seconds later, King Guangping reacted and looked closely at Yue Feng: "Okay, I'll let you two live a little longer."

Then, King Guangping tilted his head and sneered at Ren Yingying, "I count you today. Let's go."

To be honest, King Guangping wanted to take Ren Yingying's life immediately, because Ren Yingying was not only Yue Feng's woman, but also Princess Yueying, and more importantly, King Guangping took Ren Yingying's life. Ren Yingying's father's order, only ascended the throne as emperor.

Therefore, in order to avoid future troubles, Ren Yingying must die.

However, the most important thing in front of me is to get the treasure of the ancestor Chiyou as soon as possible, so let Ren Yingying go for a while. As long as you get the practice of the ancestor Chiyou, your strength will be greatly increased, and then killing Ren Yingying will be as easy as the palm of your hand.

In the face of King Guangping's cold words, Ren Yingying ignored them and walked towards Yue Feng quickly.

"Wow."

When she got to the front, Ren Yingying couldn't help herself, hugged Yue Feng tightly, and cried, "Yue Feng, I don't want to go, I want to be with you..."

Yue Feng showed a smile, He comforted: "Yingying, calm down, only in this way will there be nothing for the two of us. I have primordial spirit, King Guangping can't kill me at all, and you are my weakness. As long as you are safe, I have no worries, I understand. Is it?"

Yue Feng lowered his voice and continued: "I will now tell you how to cross the stone bridge, you must remember it clearly..."

Yue Feng's voice was very soft, only Ren Yingying could hear.

Yes, Yue Feng and Guangping Wang reached a deal on the surface, which was only a temporary stopgap measure.

Yue Feng thought about it, and when he arrived at the Lingdian, he attracted the attention of King Guangping, and let Ren Yingying, who was in the dark, snatch the treasure. Therefore, Yue Feng must quietly tell Ren Yingying how to pass the stone bridge.

Yue Feng firmly believed that with Ren Yingying's intelligence, even if she took King Guangping to cross the stone bridge first, she would be able to keep up quietly.

Ren Yingying Bingxue was smart, she understood what Yue Feng meant at once, and secretly remembered the method of crossing the stone bridge in her heart. On the surface, she made a reluctant look, hugged Yue Feng tightly, and kept crying .

Chapter 3882

"Hey!"

At this time, King Guangping became a little impatient, and frowned at Yue Feng and urged, "Have you two been enough? If you grind again, I will regret it."

Hearing this, Yue Feng patted Ren Yingying's fragrant shoulder: "Okay, hurry up and leave!"

Ren Yingying responded, let go of her hand very reluctantly, and then turned to leave.

"Let's go!"

As soon as his forefoot left, King Guangping came over and said coldly at Yue Feng, "Don't play tricks with me."

After saying this, King Guangping was not at all worried that Yue Feng would attack him, because Yue Feng's strength was completely suppressed by the power of the ancient tomb, and he was beaten just now, very weak.

Yue Feng didn't talk nonsense, and took the first step to the stone bridge.

King Guangping quickly followed, staring closely at Yue Feng's pace, daring not to make the slightest mistake.

Not long after the two went to the stone bridge, they saw a slender figure walking quickly.

It was Ren Yingying.

After listening to Yue Feng's advice just now, Ren Yingying didn't really leave, but hid in a place where King Guangping couldn't see.

At this moment, according to the method taught by Yue Feng, Ren Yingying finally crossed the stone bridge, and Yue Feng and King Guangping entered the majestic spiritual hall.

Huh...

After entering the Lingdian, seeing the scene in front of me, whether it was Yue Feng or King Guangping, they were all stunned.

I saw that the huge palace was empty, there were no treasures piled up like mountains, not even a coffin, only a blood-red bead, suspended there quietly.

This bead, the size of a fist, exudes light, but it does not have any aura fluctuations, giving the impression that it is an ordinary bead that emits light.

strangeness!

Seeing this scene, Yue Feng frowned secretly, there is only one bead in this spiritual hall?

Also, there is nothing special about this bead.

This spirit hall is not fake, right? Or....beads are the only treasure, but the power is sealed?

At the same time, King Guangping was also frowning, some nameless fires, and he felt like he was being played.

Mad, why is there nothing but an inconspicuous bead?

Thinking to himself, King Guangping glared at Yue Feng and asked coldly, "Yue Feng, where are the treasures in the Spirit Hall?" During the questioning, King Guangping's eyes flashed with a strong killing intent.

Feeling the anger of King Guangping, Yue Feng did not panic at all, shrugged and said, "You ask me, who shall I ask? We came in together, how do I know where the treasure is?"

"Light, swept behind him.

At this moment, I saw a slender figure quietly following outside the door of the spirit hall.

It was Ren Yingying.

Seeing that Ren Yingying successfully followed, Yue Feng secretly breathed a sigh of relief.

Mad!

King Guangping didn't notice Yue Feng's small movements, and when he heard his answer, he couldn't help but hold back his fire.

At this time, Yue Feng looked around and said seriously: "The Great Emperor Chiyou has an extraordinary identity, and his spiritual hall must be different. I speculate that there must be institutions in this spiritual hall."

When he said this, Yue Feng , but secretly glanced at the beads floating there.

Chapter 3883

At this time, Yue Feng has already determined in his heart that this bead is the treasure left by Chi You. He said that there are organs in the Hall of Spirituality, just to divert the attention of King Guangping.

organ?

Hearing this, King Guangping was shocked and hurriedly searched around the spirit hall.

While searching, King Guangping did not forget to threaten Yue Feng: "Yue Feng, if you want to survive, help me find the organ together."

Speaking of which, King Guangping planned to take Yue Feng's life directly, but the treasures of the Spirit Palace have not been obtained yet, and Yue Feng has some accomplishments in the technique of organ formation, so it is still useful to King Guangping.

"Okay!"

Yue Feng nodded with a smile, pretending to be looking for the agency with King Guangping, but secretly beckoned to the door, signaling Ren Yingying, who was hiding outside the door, to get the beads.

At this moment, seeing Yue Feng's gesture, Ren Yingying didn't hesitate at all, her delicate body flashed, and she rushed directly into the spirit hall.

Swish!

Hearing the movement, King Guangping quickly turned around, but it was too late.

Seeing Ren Yingying's figure is light and agile, just in the blink of an eye, she has already taken the beads into her hands.

Mad!

Seeing this scene, King Guangping immediately understood something, and glared at Yue Feng: "Good you Yue Feng, you dare to play with me?!"

Seeing Ren Yingying, King Guangping immediately guessed that Yue Feng just let her go, It's all about acting for himself. In fact, Ren Yingying has been quietly following behind.

What angered him even more was that Ren Yingying stole the beads.

Facing the anger of King Guangping, Yue Feng smiled lightly.

"King Guangping!"

At this time, Ren Yingying also smiled and mocked at King Guangping: "No matter how insidious you are, you can't compare to Yue Feng's ingenuity. This bead is a treasure, but unfortunately you are mortal and don't know the goods!"

Said After finishing this, Ren Yingying, under Yue Feng's gesture, mobilized her internal force and crushed the beads.

Huhu...

In an instant, I saw a group of dazzling blood-colored rays of light burst out and quickly merged into Ren Yingying's body.

Ren Yingying only felt an incomparably vast force, filling her limbs and bones, and she was instantly overjoyed.

What a powerful force.

Yue Feng also showed a smile, but still asked worriedly: "Yingying, how are you?" To be honest, Yue Feng is not very sure whether this bead is a treasure left by Chiyou, but it is empty. There is really no mechanism around the hall, so Ren Yingying can only risk rushing in and steal the beads.

Feeling Yue Feng's worry, Ren Yingying smiled and shook her head: "I'm fine. This bead is indeed a treasure, and it contains very powerful power..." As

she was talking, Ren Yingying frowned suddenly, beautiful His face was extremely red, showing pain, and then, the delicate body also trembled.

The power contained in the beads is too strong, and Ren Yingying's physique is weak and seems to be unbearable.

At this time, Ren Yingying only felt as if she was being put on a stove, her body was indescribably hot, and at the same time, a violent force collided recklessly in the meridians.

Oops!

Seeing this scene, Yue Feng was secretly anxious. If he had known this, he should not have let Yingying crush the beads and absorb the power inside.

"Grab my treasure? I'm going to kill you!"

At this time, King Guangping reacted, with a roar, the figure erupted, like a cannonball, rushing directly towards Ren Yingying.

Yue Feng was taken aback and wanted to rush over to block it, but Yuanshen was suppressed by the power of the ancient tomb and could not be used at all.

hum!

In the blink of an eye, King Guangping rushed in front of Ren Yingying, raised his hand and hit it with the palm of his hand, and saw a dazzling light burst out from Ren Yingying's body, forming an extremely strong anti-shock force. King Guangping didn't have time to react at all. People were directly knocked out.

Flying more than 100 meters, King Guangping landed heavily on the ground, spurting out a mouthful of blood.

Madd, how could this be?

Chapter 3884

King Guangping stood up quickly, his eyes fixed on Ren Yingying, and he was furious.

The power contained in Ren Yingying's body is too terrifying, even under such circumstances, it can even knock me out.

At the same time, Yue Feng was also stunned, and did not expect that the power contained in the beads would be so powerful.

At the same time, Yue Feng was even more worried. Can Yingying withstand such a terrifying power?

hum!

Just when Yue Feng was muttering secretly, he saw Ren Yingying being enveloped by a red light. At the same time, the power that had been filled in the ancient tomb before madly poured into the spirit hall and gathered towards Ren Yingying. ..

In this case, Yue Feng's primordial spirit, which had been suppressed, recovered instantly.

"Yingying!"

After regaining the power of Yuanshen, Yue Feng didn't have time to think about it, and rushed towards Ren Yingying.

Speaking of which, Yue Feng's primordial spirit had regained his strength, and it was almost easy to kill King Guangping, but King Guangping was already injured and no longer threatened. More importantly, Yue Feng was worried about Ren Yingying's situation at this time. Phew

... A meter away from Ren Yingying, Yue Feng could clearly feel the violent force surging in Ren Yingying's body.

.

Yue Feng's face was full of anxiety: "Yingying, how are you?"

"I...I feel so uncomfortable..." Ren Yingying's delicate face was extremely red, showing a bit of pain.

At this time, Ren Yingying only felt that she was about to explode at any time.

call!

Hearing this, Yue Feng took a deep breath and gently comforted: "Yingying, don't be afraid, I won't let you have any trouble." While speaking, Yue Feng's mind quickly turned, thinking about the countermeasures.

What made him depressed was that the power in Ren Yingying's body was not only powerful, but also very strange. In a short period of time, it was difficult to find a way to deal with it.

Whoosh! Whoosh! Whoosh....

just when Yue Feng was secretly anxious, he heard a wave of auras coming from outside the hall. Hundreds of thousands of sect masters crossed the stone bridge and gathered outside the hall.

I saw that these sect masters were all very embarrassed, some were injured, some were covered in blood, and they were affected by the power of the ancient tomb before. These sect masters killed each other, and the casualties were very heavy.

At this time, the power that enveloped the entire ancient tomb was absorbed by Ren Yingying, and these people also woke up.

Mad, how did these people cross the stone bridge?

Seeing this, Yue Feng frowned secretly.

In the next second, Yue Feng thought of something.

Obviously, after Ren Yingying absorbed the power of the beads, not only did the power shrouded in the entire ancient tomb disappear, but the mysterious stone formation on the stone bridge also lost its effect.

Swish!

Seeing the situation in the hall, everyone present was stunned.

what's the situation?

Why is this temple so empty? Also, how did Ren Yingying go crazy?

“Everyone!”

At this time, King Guangping endured the pain of the shock and shouted at the crowd: “You are about to kill Ren Yingying, the treasure of the Spirit Palace is in her body...”

Shuh!

Hearing this, everyone's eyes were locked on Ren Yingying, all of them like dormant beasts, waiting for an opportunity.

These sects came here from thousands of miles to snatch the treasures in the ancient tombs. At this time, they learned that the treasures were on Ren Yingying, how could they miss them?

Mad!

Seeing this, Yue Feng clenched his fists tightly, and the anger in his heart rose.

This King of Guangping is really despicable and sinister. He wants to incite everyone to besiege me and Yingying?

Chapter 3885

Under the anger, Yue Feng looked around and said coldly: "Whoever doesn't want to die, just come up." The

loud voice spread throughout the ancient tomb, and everyone only felt the eardrum buzzing, and their hearts were buzzing. Even more shocked.

This Yue Feng is indeed a person who is famous in Kyushu, and his skills are too deep.

Under the shock, everyone present looked at me, I looked at you, and no one dared to be the first to rush.

"Yue Feng!"

At this moment, a cold voice came, and then, only the people outside the door gave way and saw Gong Ao walking step by step.

I have to say that Gong Ao's aura was very strong, and when he appeared at this time, the audience instantly became quiet.

Gong Ao?

Seeing Gong Ao, Yue Feng frowned, and then sneered: "As a special envoy of the Divine Realm, wouldn't you also care about the treasures of this ancient tomb?" As

he spoke, Yue Feng observed Ren Yingying's situation.

I saw that Ren Yingying's face was flushed at this time, her eyes were blurred, and it was obvious that she was going to be unable to hold it.

In the face of Yue Feng's mockery, Gong Ao did not respond, but carefully observed Ren Yingying.

Um?

In the next second, feeling the power in Ren Yingying's body, Gong Ao's face changed, very shocked.

The power of the demon soul?

Everyone present only knew that the power contained in Ren Yingying's body was very terrifying, and they knew nothing about his origin, but Gong Ao came from the realm of the gods, and he sensed it at once.

While shocked, Gong Ao also had some doubts in his heart.

Isn't that Demon Lord Gone sealed in the ghost world? Why is there still the power of the demon soul in Chiyou's ancient tomb?

Confused, Gong Ao no longer thought about it, but looked at Yue Feng seriously: "Yue Feng, let's not mention Luo Jue's death for now, there is a more important matter that requires you to make a decision. "

Decision?

Hearing this, Yue Feng frowned and said coldly, "What do you want to say?"

Gong Ao pointed at Ren Yingying and said word by word, "The power in her body is the devil's soul, and the devil's soul is the power of the devil. The source, when you were in the realm of the gods, you saw with your own eyes the Demon Lord Gone was sealed by the ancestors of the prehistoric wilderness, you should know what the demon soul represents."

"Although she is your woman, once she successfully fuses the demon soul, it will change. Cheng Mo, as the Nine Heavens Profound Sage, you should kill her immediately."

"As long as you kill her, even if you commit the crime, I believe that His Majesty the Nine Heavens will not blame you for Luo Jue's affairs."

Saying this At the time, Gong Ao looked serious.

Whoa!

At this moment, the audience was in an uproar.

"What is a demon soul in Ren Yingying's body?"

"What is a demon soul?"

Yue Feng was also stunned in the discussion.

Is there a demon soul in that bead? How is this possible? This is the ancient tomb of Chiyou, how could there be a demon soul?

Muttering in his heart, Yue Feng sneered at Gong Ao: “Gong Ao, stop talking nonsense to me, what kind of demon soul? You are just alarmist.” With that, Yue Feng

stood in front of Ren Yingying with a determined expression: “I have me today. Now, no one wants to touch Yingying’s finger.”

Yingying is the woman she loves deeply, how could she kill her with her own hands?

call! Hearing this, Gong Ao took a deep breath and said sternly

: “Yue Feng, I gave you advice, but if you don’t listen, then I can’t do anything!”

The sect master said: “Everyone, the demon soul is extremely evil. Once this woman is successfully merged, the rivers and lakes of Kyushu will be a bloody storm. Please all the rivers and lakes, and cooperate with the Tiandao Alliance to eradicate this threat.”

The

voice fell, and everyone around looked at each other, and then nodded. go along.

“It is my duty to eliminate demons and guard the way.”

“Yes, we are obliged!”

Everyone said to me, and they all looked righteous and dignified. In fact, they didn’t really want to help, but wanted to To snatch the demon soul.

After all, the power contained in this demon soul is too strong, who wouldn’t be moved.

The ultimate husband in Chinese chapter 3886-3890

Chapter 3886

“Yue Feng!”

Seeing this situation, Gong Ao showed a smile: “See, you bless the demons and violate the way of heaven, and you are already the target of public criticism. I know you are very powerful, but you alone can stop it. The Jianghu sect living in the field?” After the

voice fell, Gong Ao’s inner strength exploded and charged directly towards Yue Feng.

Wow...

At the same time, the surrounding sect masters also came to besiege Ren Yingying.

“Go away!”

Seeing Gong Ao rushing towards him, Yue Feng couldn't be bothered to talk nonsense, so he shouted angrily, and slapped him towards him.

boom!

In the next second, Gong Ao and Yue Feng touched their palms, and with a loud noise, Gong Ao's figure was shaken back several dozen meters, while Yue Feng stood proudly, as steady as a rock.

Repel Gong Ao with one palm, Yue Feng didn't have time to think about it, turned around and hugged Ren Yingying, rushing directly towards the outside of the spirit hall.

call!

At the moment of rushing out of the spirit hall, Yue Feng waved his hand and released the heavenly sparrow spirit flame, forming a crimson wall of fire behind him.

hiss!

What a terrifying flame... In an

instant, whether it was Gong Ao or the sect masters around, all of them had solemn expressions, and they could feel that the crimson flame was extremely hot!

In horror, Gong Ao and the masters of the sect diddged back one after another. However, taking advantage of this opportunity, Yue Feng had already left the tomb with Ren Yingying in his arms.

To be honest, with Yue Feng's current strength, he is not afraid of Gong Ao and these sects at all, but the situation of Ren Yingying is unknown, and Yue Feng does not dare to fight.

boom!

Seeing that Yue Feng successfully escaped, Gong Ao's face was extremely ugly.

"All disciples of the Tiandao League obey the order." A cold voice came from Gong Ao's mouth: "Yue Feng blesses

the demons, betrays the realm of the gods, and after leaving the ancient tomb, you can follow me to clear the Ouyang family."

Yue Feng, who wiped out the Ouyang family, returned to God's Domain, and could also give an explanation to the Nine Heavens God.

“According to the order!” The

voice fell, and the disciples of the Tiandao League who were present responded with a bang.

...

the other side.

At the foot of Qingcheng Mountain, at the entrance of the secret road of ghosts, two figures stood quietly, a man and a woman.

The men are handsome and unrestrained, and the women are charming.

It was Bai Yunfei and Ji Hongshang.

“Sect Master!”

At this moment, Ji Hongshang smiled all over his face: “I got the news just now that the major sects have rushed to the Tianqi Emperor’s Mausoleum. It is said that Chiyou’s tomb is now alive, and Yue Feng and the Ouyang family also went.”

Hearing this, Bai Yunfei felt extremely relieved: “Okay, this is a god-send opportunity, this time, I will be able to successfully rescue Your Excellency Mozun.”

When he said this, Bai Yunfei looked confident.

The last time it was because of Yue Feng, it fell short. At this time, Yue Feng was in the ancient tomb of Chiyou, and he couldn’t take into account the ghost world at all.

Ji Hongshang was also full of smiles, and respectfully said: “I wish the sect master a triumphant return!”

Bai Yunfei laughed loudly, and then entered the road of attracting souls.

.....

At this moment, Yue Feng is here.

Yue Feng hugged Ren Yingying and rushed out of the ancient tomb. He ran all the way, not knowing how far he ran, and finally reached a forest. He was relieved to see that Gong Ao and the people from the major sects did not catch up behind him.

“Yingying!”

Yue Feng put Ren Yingying on the grass, his face full of worry: “How are you?”

Chapter 3887

“Yue Feng.”

Listening to Yue Feng’s cry, Ren Yingying said softly: “I’m so uncomfortable, I feel like I’m going to die...”

When saying this, Ren Yingying was dripping with sweat and extremely weak. Those eyes are even more bloody red, which is indescribably scary.

“Don’t be afraid!”

Seeing this situation, Yue Feng was very distressed. He hugged Ren Yingying in his arms and comforted him: “Yingying is not afraid, I will help you integrate the power in the body!” After

saying that, Yue Feng supported Ren Yingying Done, then put both hands on Ren Yingying’s back, ready to help her integrate strength.

Um?

However, what shocked Yue Feng was that the power in Ren Yingying’s body was not only very powerful, but also extremely evil, and completely repelled from the power of his own primordial spirit.

In this case, the power in Ren Yingying’s body, not only was not guided by Yue Feng, but confronted with Yue Feng’s power.

This is not over yet. At this time, Yue Feng can clearly sense that the power in Ren Yingying’s body is exactly the same as that of the ugly man who broke into the ghost world before, and it is very evil.

Demon soul!

Perceiving these, two words instantly appeared in Yue Feng’s mind.

Could it be.... what Gong Ao said before was true?

In the bead of Chi You Lingdian, is the power of the devil contained?

call!

After being shocked for more than ten seconds, Yue Feng reacted and looked at Ren Yingying’s eyes with a bit of complexity and love: “Yingying, no matter what the power in your body is, I will never leave you.”

“I can’t help you integrate this power, you can only rely on yourself, but I will always be with you...” As

he said, Yue Feng sat next to Ren Yingying and helped her protect the law.

.....

On the other side, the Ouyang family.

In the hall, Sun Dasheng kept walking around with an anxious look on his face.

A vision appeared in the Apocalypse Continent, Yue Feng and Wen Chou Chou all went, and Sun Dasheng stayed in the Ouyang family at this time.

Not being able to follow everyone, Sun Dasheng was very depressed, and at this time, Yue Feng and Wen Chou Chou had been walking for several hours, and there was no news back, and Sun Dasheng couldn’t sit still.

“Boom!”

At this moment, a loud noise suddenly came from outside! The gate of the Ouyang family was instantly razed to the ground!

“What’s the situation?”

Sun Dasheng frowned and walked out quickly.

When he got outside, seeing the scene in front of him, Sun Dasheng was instantly furious!

I saw that the gate of the entire Ouyang family was directly shattered into powder, and outside, tens of thousands of disciples of the Heavenly Dao League were densely gathered.

Above these Tiandao League disciples, a figure hovered proudly, wearing golden armor, holding a golden spear, and the whole body was filled with suffocation, as if killing a god!

It is Gong Ao!

Seeing this scene, Sun Dasheng was furious and shouted at Gong Ao: “Who are you?”

Gong Ao sneered, with contempt in his eyes: “I am Gong Ao, the commander in front of the Nine Heavens Temple, this time down, Mainly responsible for investigating the case of Luo Jue’s murder. “

What?

Luo Jue is dead?

Hearing this, Sun Dasheng was stunned.

At this moment, Gong Ao continued: "I have found out that Luo Jue was assassinated by Yue Feng. Not only that, but Yue Feng also sheltered the demons and betrayed God's Domain. It was so outrageous that everyone got it and executed him!

", Gong Ao stared closely at Sun Dasheng: "So, this time, I am here to kill your Ouyang family and break the root of Yue Feng."

What?

At this moment, both Sun Dasheng and the Ouyang family members present were all stunned. At the same time, they were also secretly shocked when they felt Gong Ao's breath.

Chapter 3888

This guy from God's Domain is very strong.

And Sun Dasheng was extremely frightened.

Mad, Fengzi stands tall, how could it be possible to assassinate Luo Jue and protect the demons? The Gong Ao in front of him must be talking nonsense.

Thinking to himself, Sun Dasheng frowned and glared at Gong Ao: "You are not bloody, and you are so bright, how could you do these things? I think you are deliberately looking for trouble." After speaking

, Sun Dasheng stared at Gong Ao: "Think about it. Destroy the Ouyang family, I'm afraid you don't have the ability!"

Om!

The voice fell, and a tyrannical aura erupted from Sun Dasheng's body! At the same time, a touch of golden light flickered, and the Heaven-Opening Axe was tightly held by him!

Immediately, the figure of Sun Dasheng broke out and went directly to Gong Ao.

To be honest, Sun Dasheng knew that Gong Ao in front of him was very strong, but he had a hot personality.

“Beyond one’s own strength!”

Seeing the explosion of Sun Dasheng, Gong Ao chuckled, his eyes full of contempt: “Today is the day when the Ouyang family is destroyed, and those who stand in my way will die!”

The moment the words fell, Gong Ao’s spiritual power exploded. , the golden gun suddenly waved in his hand!

hum!

A dazzling light burst out and burst towards Sun Dasheng.

Sun Dasheng frowned, not daring to underestimate the enemy, and hurriedly waved the Heaven-Opening Axe, bursting out a golden beam to meet him.

boom!

In the next second, the two rays of light collided, and there was only a loud noise. Sun Dasheng’s face was pale, and the volley was knocked back dozens of meters, but Gong Ao was suspended there proudly, not moving at all.

Although Sun Dasheng was powerful and possessed an axe to open the sky, Gong Ao’s background was not comparable to him at all. After all, Gong Ao came from the realm of the gods.

Mad!

Sun Dasheng stabilized his figure, looked at Gong Ao closely, and was furious.

This Gong Ao is worthy of being from the realm of the gods, and his strength is too strong!

At the same time, the expressions of the Ouyang family disciples below were also extremely horrified.

“Haha!”

In the face of Sun Dasheng’s glare, Gong Ao sneered: “I can’t see that you still have a magical weapon like the Kaitian Axe. It’s a pity that you have a magical weapon in your hands, and you can’t change the destruction of the Ouyang family. The end.”

Hearing this, Sun Dasheng blushed and was about to rush up again.

“Sun Dasheng, don’t be impulsive, we will help you.”

However, at this moment, a coquettish shout came from not far away, and then, several slim figures came quickly.

It is the eight saintess Huanxiang and Ziyan.

Seeing the eight magic fragrances, Sun Dasheng's expression was overjoyed, and the whole person was extremely excited!

With the Nine Heavens Saintess to help out, I am not afraid of this Gong Ao.

In the Tiandao League, the eight saintess Huanxiang and Ziyan left with Yue Feng, and then temporarily lived in the Ouyang family. Just now, the eight saintess were practicing in the secret room. When they heard the movement outside, they rushed over immediately.

Swish!

At this moment, seeing the eight saintess, Gong Ao's face instantly became gloomy.

At this time, Huanxiang was the first to speak: "Master Gong Ao, Luo Jue's death must be a little strange, Yue Feng acted brightly, how could he assassinate Luo Jue?"

"As for blessing the demons, there is no way to talk about it."

On the way here, Huanxiang heard Gong Ao's words and spoke for Yue Feng at this time.

As soon as the words fell, Zi Yan and the other saintess also nodded.

"Shut up!" The

voice fell, Gong Ao glared at Huan Xiang, and shouted: "You Nine Heavens Saintess, you should have helped Luo Jue to deal with the matters of the Tiandao Alliance, but now you betrayed the Tiandao Alliance and colluded with Yue Feng. , Today, I will get rid of you traitors for God's Domain."

Chapter 3889

Om!

The voice fell, Gong Ao's inner strength exploded, and a terrifying aura swept out from the whole body, and the surrounding air seemed to be stagnant in an instant! At the same time, the golden spear in his hand also flashed a dazzling light!

call!

Feeling Gong Ao's explosive breath, Huanxiang's delicate face was full of solemnity, and she said tenderly: "Sisters, this is the end of the matter, it's useless to talk more, let's go together."

"It is clear that God Domain will not easily bypass himself and other sisters, and it is useless to talk about Gong Ao at this time."

Whoa!

As soon as the words fell, Zi Yan and the other saintess nodded one after another, and then moved their figures to surround Gong Ao together with Huan Xiang.

At this time, in the hearts of the eight saintess of Huanxiang, since they chose to stand on Yue Feng's side, they must not allow Gong Ao to do whatever they want in the Ouyang family.

"Very good!"

Looking at the eight saintess of Huanxiang, who surrounded him in groups, Gong Ao did not panic at all, but a trace of contempt appeared on his face: "You blatantly helped the Ouyang family, and you dare to say that you did not rebel?"

"Even if you go together, it won't change the fate of the Ouyang family." The

voice fell, Gong Ao clenched the golden spear, and the terrifying power erupted again, the golden spear flipped in the air and stabbed directly at Huanxiang and Ziyan in front of him.

As soon as he saw where the golden spear had passed, the air was suddenly torn apart, and lightning flashed rapidly, which was amazing.

Phew...

Seeing this scene, the disciples of the Ouyang family below couldn't help sweating for the two Huan Xiang.

Sun Dasheng clenched his fists even more, his eyes blood red.

"Don't be mad!" In the

next second, Sun Dasheng shouted, and his figure erupted, waving the opening axe, and in front of Huanxiang and Ziyan, a protective film was condensed in an attempt to block the blow.

Seeing this scene, Huanxiang's tender body trembled, and she said: "Dasheng, don't come here."

Although Sun Dasheng's strength is strong, compared with Gong Ao, he is completely different from heaven and earth.

It's just too late!

"Boom!"

At the moment when the protective layer was formed, Gong Ao's golden spear slashed fiercely, and saw that the protective film instantly collapsed. Sun Dasheng was even more shocked, and he spit out a mouthful of blood, and his body fell heavily.

Gong Ao's face was full of arrogance, and he gave Sun Dasheng a contemptuous look: "It's beyond your own power!"

As he spoke, Gong Ao's figure burst out, and he fought fiercely with the eight saintess of Huanxiang in mid-air.

At the same time as the fierce battle, Gong Ao did not forget to issue an order to the surrounding Tiandao League disciples: "The Tiandao League obeys the order and destroys the Ouyang family, leaving no one behind!"

Before Yue Feng came back, he must make a quick decision.

"Kill!"

After receiving the order, tens of thousands of Heavenly Dao League elites howled and swarmed.

"Ah..."

Before many Ouyang family disciples could react, they screamed and fell in a pool of blood.

Seeing this scene, Sun Dasheng struggled to get up from the ground, his eyes were blood red, and he howled loudly: "Defend the Ouyang family!"

Under the encouragement of Sun Dasheng, the surrounding Ouyang family disciples were also crazy at this time, all eyes Blood red, fought fiercely with the elites of Tiandao League.

Speaking of which, the disciples of the Ouyang family are not low in strength, but Gong Ao came prepared this time. These tens of thousands of elites of the Heavenly Dao League were carefully selected.

In this case, the Ouyang family was completely suppressed and beaten.

“Haha... Today’s killing is really enjoyable...” During the

fierce battle, a figure kept laughing wildly, waving the long sword in his hand, like a tiger entering a flock, the disciples of the Ouyang family fell one after another.

It was Guo Dong.

Chapter 3890

Guo Dong has always disliked Yue Feng, but Yue Feng’s strength is too strong, so he can only suppress his dissatisfaction in his heart. This time Gong Ao decided to exterminate the Ouyang family, Guo Dong almost raised his hands in approval.

In Guo Dong’s heart, the Ouyang family has a pivotal influence in the entire Kyushu. If he helps Gong Ao to destroy the Ouyang family today, he will become famous in Kyushu.

More importantly, Gong Ao, as the special envoy of God’s Domain, is a big backer, so Guo Dong has to show it well.

Bang Bang...

At this moment, Guo Dong swung a sword and chopped down several people in front of him, and then his eyes flashed, and he locked on Sun Dasheng.

“Sun Dasheng, didn’t you expect such a day?” Guo Dong smiled and walked towards Sun Dasheng slowly.

If it was before, Guo Dong would not dare to be so presumptuous in front of Sun Dasheng. After all, the other party has the opening axe and his strength is terrifying, but now it is different. Sun Dasheng was shocked by Gong Ao twice and was seriously injured.

Guo Dong had suffered losses at the hands of Sun Dasheng, and at this time, he took the opportunity to take revenge.

call!

Seeing Guo Dong approaching slowly, Sun Dasheng couldn’t help but scolded: “Dogs like people!”

“Nima!”

As soon as the words fell, Guo Dong’s face was gloomy, he roared, and then kicked Sun Dasheng in the heart!

At this time, Sun Dasheng, because of the heavy damage, the qi and blood in the body was churning, and he was very weak, and he couldn't dodge at all.

Click!

With this kick, Sun Dasheng's sternum was completely shattered! Hearing a muffled groan, Sun Dasheng flew out and fell heavily to the ground, covered in blood, horrible to watch!

The severe pain came, Sun Dasheng gritted his teeth, but did not cry out, but stared at Guo Dong.

Mad, this Guo Dong is really despicable and shameless, taking advantage of his injury.

"Great Sage!"

At this moment, a coquettish cry came, and then, a slender figure rushed over quickly.

It was Li Nan.

Li Nan has been married to Sun Dasheng for so many years, and they have been in love with each other. At this time, when he saw that he received such a serious injury, he couldn't help it.

"Don't come here!" Sun Dasheng's expression changed and he shouted.

My wife is not a cultivator, so rushing over like this is too dangerous.

"Tsk tsk..."

Seeing this scene, Guo Dong's face was full of abuse: "I can't see it, your husband and wife are in a good relationship, no matter what the pity, from today onwards, you will be separated from yin and yang!"

After saying this, Guo Dong's eyes With a flash of killing intent, he suddenly swung his long sword.

This sword fell, Sun Dasheng had nowhere to dodge, and he would definitely not survive!

"No!"

At this critical moment, Li Nan exclaimed, tears fell instantly, rushed over quickly, and hugged Sun Dasheng.

"Pfft!"

At this moment, the long sword stabbed Li Nan's back, directly piercing her heart, and blood spurted out instantly, dyeing the ground red.

"Wife!"

Seeing this scene, Sun Dasheng's eyes were blood red, and he shouted like crazy, he rushed over and hugged her!

When she saw Li Nan's face, she was instantly pale, and the sword pierced her heart.

The blood kept flowing out, Li Nan was extremely weak, and whispered: "Great Sage, I am very happy to be your wife in this life... But... I can't accompany you to grow old..."

After speaking, Li Nan closed his eyes.

"Wife..." Sun Dasheng roared wildly, his whole body collapsed completely, holding Li Nan trembling all over, tears kept flowing!

The two have been married for so many years, and they are deeply in love and righteous, but at this time.. his wife just left him!

The ultimate husband in Chinese chapter 3891-3900

Chapter 3891

“Guo Dong, I’m going to smash your corpse into ten thousand pieces!”

Under the grief, Sun Dasheng’s eyes were extremely blood-red, and with a roar, he wanted to stand up and continue to fight, but he was so injured that he was completely powerless.

Guo Dong made a mocking expression: “Cut my corpse into ten thousand pieces? Haha, Dasheng Sun, do you still have this ability now?” After the

voice fell, Guo Dong clenched his long sword and walked step by step.

“Second Uncle!”

At this moment, a loud shout came, and a handsome figure was seen flying rapidly from the air not far away. His handsome and cold face was full of anger.

It is Wen Chou Chou’s son, Wen Xiao Yu.

Wen Xiaoyu was originally in the hall of longevity, and when he learned that the Ouyang family was raided, he rushed over quickly. At this time, when he saw that Guo Dong was going to kill Sun Dasheng, his eyes were red.

“Dare to come to my Ouyang family to make trouble, die!”

Wen Xiaoyu’s inner strength exploded and rushed directly towards Guo Dong.

Wen Chou Chou’s son?

Seeing Wen Xiaoyu rushing towards him, Guo Dong frowned, and then said disdainfully, “A younger generation of Jianghu dares to be presumptuous in front of my Heavenly Dao League protector?” After the words

fell, Guo Dong and Wen Xiaoyu fought fiercely in midair.

If it was a year ago, Guo Dong was not Wen Xiaoyu’s opponent, but after becoming the guardian of the Heavenly Dao Alliance, Guo Dong got Luo Jue’s guidance and his strength improved by leaps and bounds. At this time, he could completely fight against Wen Xiaoyu.

“Xiaoyu.”

This chapter is provided by . Visit for daily update.

At this time, Sun Dasheng, full of grief and indignation, kept shouting: "Kill him!"

Wen Xiaoyu responded and burst out with all his strength, but after a few minutes, Guo Dong was still unable to be suppressed.

At this time, the situation became increasingly unfavorable for the Ouyang family.

High in the sky, Gong Ao was about to break through the siege of the eight saintess of Huanxiang. On the battlefield below, the disciples of the Ouyang family were also retreating under the attack of the elites of the Heavenly Path Alliance.

call!

Seeing this scene, Sun Dasheng hugged Li Nan tightly, his face full of unwillingness.

The Ouyang family, is this really the end?

...

the other side!

In an unnamed valley a hundred miles away from Tianqi Imperial City.

Yue Feng accompanied Ren Yingying and sat there cross-legged.

Ren Yingying only felt that she was in purgatory, endless pain, not soft invasion. However, with her tenacious personality, Ren Yingying always held on.

After an unknown amount of time, Ren Yingying slowly opened her eyes.

At this time, Ren Yingying clearly felt that the pain in her body disappeared, and was replaced by an incomparably full force.

"Yue Feng?"

Under the excitement, Ren Yingying tilted her head to see Yue Feng, and was even more moved.

He has always been by my side to protect me.

"Yingying!"

Seeing that Ren Yingying finally woke up, Yue Feng was very happy and asked with concern: "Your previous situation is really worrying, by the way, how are you feeling now?"

When he said this, Yue Feng asked with concern. Feng sensed the strength of the next Yingying, and was immediately shocked.

It actually broke through the Tribulation Transcendence Realm directly... The power contained in the beads is too terrifying.

“...”

Facing Yue Feng's inquiry, Ren Yingying felt her own situation and was stunned.

Ren Yingying clearly found that her dantian had disappeared and was replaced by a small human figure, which was shrouded in a blood-colored light, which was very strange.

Not only that, but Ren Yingying also had a passage in her mind, as well as the formula of the “Holy Luo Sutra”.

“I am Chiyou, one of the four saints of the demon race. I was ordered by the Demon Lord Gone to avoid the war between gods and demons and sneak into the human world...” These

words sounded in my mind, and Ren Yingying's delicate body trembled. The whole person is covered.

Ancestor Chi You...turned out to be a demon?

Chapter 3892

At this time, seeing Ren Yingying's expression, Yue Feng couldn't help but ask, “What's the matter with you?”

Ren Yingying breathed a sigh of relief and told the situation.

What?

At this moment, Yue Feng froze, staring blankly at Ren Yingying, speechless.

It turned out that Gong Ao was right, Yingying's body is really the power of the demon soul.

But... in the war between gods and demons, apart from the Demon Lord Gone, weren't all the other demons destroyed?

In doubt, Yue Feng thought of the ugly man who broke into the ghost world before. Could it be that that ugly man is also related to Chi You?

“Yue Feng!”

Just when Yue Feng was thinking about this, Ren Yingying bit her lip and said softly, “It turns out that my ancestor was a demon, you...will you come with God Domain to destroy me?”

Said At these times, Ren Yingying’s heart was extremely complicated.

The ancestors turned out to be demons, and this matter is unacceptable to anyone.

“Fool!”

Hearing this, Yue Feng showed a smile and held Ren Yingying in his arms: “No matter what you become, you are my Yue Feng’s woman, if God Domain really wants to deal with you, unless you get rid of my corpse Step on it.”

Ren Yingying was moved and hugged Yue Feng tightly, only feeling extremely happy.

Whoa!

At this moment, there was a sound of footsteps not far away, Yue Feng and Ren Yingying instantly became vigilant, and they saw dozens of figures rushing fast, all of them looking anxious.

It is the ugly and ugly people.

“Brother Wen!”

Seeing that it was Wen Chou Chou and the others, Yue Feng was surprised and happy, and couldn’t help shouting.

Ren Yingying was also excited.

When they were in the ancient tomb of Chiyou before, other sect masters at that time lost their minds and killed each other under the influence of the power of the ancient tomb. At that time, Yue Feng and Ren Yingying were very worried about the situation of Wen Chou Chou and others.

Seeing that they were all safe at this time, they were extremely happy.

“Haha...”

Hearing the shout, Wen Chou Chou and the crowd hurried over. When they got to the front, Wen Chou Chou patted Yue Feng’s shoulder: “I knew that you and Yingying would be okay.”

“We entered the ancient world. After the tomb, I accidentally broke into a maze, and finally came out and met people from other sects, only to know that you are being pursued by the Heavenly Dao Alliance...”

Hu!

Hearing this, Yue Feng nodded, and at the same time he was a little surprised.

No wonder Brother Wen and the others did not kill each other. It turned out that they had entered the maze by mistake, and they would not be affected by the power of the ancient tomb if they entered the maze. What a fluke.

As he was talking, Wen Chou Chou sensed Ren Yingying’s strength, and was surprised: “Your breath...”

Ren Yingying hesitated, looked at Yue Feng, and told the situation.

What?

Knowing the situation, whether it was Wen Chou Chou or the others present, they were all stunned.

Thousands of years ago, Chiyou the Great, who galloped the world, turned out to be a demon? And Ren Yingying, got the power of the demon soul?

After being stunned for a few seconds, Wen Chou Chou reacted and said with emotion: “It seems that this is all fate. Who would have thought that the generation of heroes who fought against Xuanyuan Huangdi back then was not a human being.”

After speaking, Wen Chou Chou said seriously to Yue Feng: “Don’t worry, Feng Zi, Ying Ying is your woman. As long as you don’t do anything to harm Kyushu, I, Wen Chou Chou, will always support you.”

Yue Feng showed a smile: “Thank you Wen Brother!”

At this time, Wen Chou Chou thought of something: “By the way, we have to hurry back to the Ouyang family!”

When he said this, Wen Chou Chou’s face was a little worried.

Yue Feng hurriedly asked, “What’s wrong?”

Wen Chou Chou took a deep breath and said, “When we left the tomb, we heard news that the special envoy of the Divine Realm, Gong Ao, had mobilized many elites from the Heavenly Dao League to clear Ouyang Family.”

Nima!

Hearing this, Yue Feng immediately became angry.

This Gong Ao was so bold that he couldn't catch himself, so he grabbed the attention of the Ouyang family...

Chapter 3893

Thinking, Yue Feng hurriedly said: "It's not too late, let's go back quickly!"

Mmm!

Wen Chou Chou nodded, and immediately rushed to Diyuan Continent together with Yue Feng.

...

At this moment, the ghost world.

After Bai Yunfei dived into the ghost world, he rushed directly into the depths of the underworld. This time, Bai Yunfei did not wear makeup.

Although Mingdu City was heavily guarded, it still couldn't stop Bai Yunfei.

Whether it was Bing Yao or the ghost world soldier, none of them would have thought that under such a heavily guarded situation, someone would dare to break in.

Bang bang bang...

Bai Yunfei burst out with all his strength, ramming all the way, almost invincible, and the ghost generals who stopped him couldn't stop even a single move, and he was scattered.

At this time, in front of the stone platform where the magic mirror was placed, Bingyao's figure was flickering, fighting fiercely with Bai Yunfei.

While fighting fiercely, Bing Yao was extremely anxious in her heart.

The opponent's strength is too strong, and it needs Yue Feng's help to defeat it, but he just sent it out to Yue Feng's men to send a letter.

"Haha..."

At this time, Bai Yunfei, with a proud face, laughed at Bing Yao and said, "If I guess right, you want Yue Feng to ask for help, right? However, I advise you to give up. There

is a vision of heaven and earth in the Imperial City of Weather, the ancient tomb of Chiyou is now in the world, and the people of Yue Feng and the Ouyang family have entered the ancient tomb to snatch treasures, and there is no time to support you.” As

he said, Bai Yunfei’s offensive became more and more fierce.

Done!

Hearing this, Bing Yao’s delicate face was full of despair.

boom!

Taking advantage of Bing Yao’s panic, Bai Yunfei pushed Bing Yao back with a palm, then turned around and grabbed the Demon Sealing General and rushed outside.

By the time Bing Yao reacted, Bai Yunfei had already left.

At this moment, Bing Yao’s delicate face was filled with indescribable anger, and at the same time she was extremely worried.

Oops, the Demon Lord Gone was rescued, and the world is about to be in chaos.

.....

On the other side, the Ouyang family.

At this time, the Ouyang family was still fighting fiercely with the Heavenly Dao League, and they saw that many Ouyang family disciples fell in a pool of blood under the siege of the Heavenly Dao League elites.

In mid-air, Gong Ao also rushed out of the encirclement of the eight saintess of Huanxiang.

puff!

At this moment, Gong Ao seized the opportunity and stabbed the golden spear out of his hand, directly piercing Zi Yan’s heart.

In an instant, Zi Yan’s face was pale, blood sprayed, and the whole person fell directly from the sky.

Although Zi Yan, as a nine-day saint, is very powerful, she still can’t stand against Gong Ao. After all, the golden spear in Gong Ao’s hand is a divine weapon.

“Zi Yan!”

“Zi Yan...”

Seeing this scene, Huanxiang and the other saintess all screamed tenderly, and immediately rushed down, supporting Zi Yan with all hands and feet, each one of them mourning endlessly.

Just saw that Zi Yan’s heart was completely pierced, and her primordial spirit was also fragmented.

The eight saintess, who share the same love as sisters, will be heartbroken when they see Zi Yan disappear.

“Hahaha!”

Gong Ao was suspended in the air, his face full of arrogance, and he said to Huanxiang and the other saintess: “Betraying God’s Domain, this is the end. Since you two have such a good relationship, I will send you on the road together. “The

voice fell, Gong Ao clenched the golden spear and waved a golden beam, coming directly towards the seven saintess of Huanxiang.

chi chi...

Chapter

3894 saw that where this golden light passed, it seemed to split the world into two worlds, and its power was amazing.

Seeing this golden light coming, Huanxiang and the other saintess closed their eyes in despair.

After fighting with Gong Ao for more than an hour just now, Huanxiang and the other saintess had lost too much strength. Facing Gong Ao’s outbreak again, none of them could dodge.

Sun Dasheng, Wen Xiaoyu and the others were also in a hurry. They wanted to come and help, but they were helpless.

hum! hum!

At this critical moment, suddenly two dazzling rays of light erupted from the sky not far away, one red and one green, dazzling.

Two streams of light, like lightning, intercepted Gong Ao’s golden glow in mid-air.

boom!

The three forces collided in mid-air, and with a loud noise, Gong Ao only felt a powerful vibration coming, and was directly knocked back by the volley.

“Who is meddling?”

Gong Ao at this time, furious, roared, and looked at the distant sky at the same time.

At the same time of anger, Gong Ao was also a little uneasy in his heart, wouldn't it be Yue Feng coming back?

Swish!

The people below also looked up.

Seeing this, the disciples of the Ouyang family were all excited.

I saw two figures coming quickly, one with a slender figure and delicate facial features, and the other wearing a white robe, suave.

It was Chang'e and Zhu Bajie who had not seen each other for a long time.

Back then, Zhang Jiao controlled Chang'e and held a martial arts conference in Beiming Imperial City in the name of Chang'e, but was destroyed by the Rakshasa traitor Jie De, who took advantage of the chaos to rescue Chang'e, and encountered Zhu Bajie in the underground secret passage of the palace.

At that time, Chang'e was in critical condition, so Yue Feng handed her over to Zhu Bajie, and asked him to take Chang'e to find an expert for treatment.

Later, Zhu Bajie successfully found the place where Shennong lived in seclusion, and Chang'e was rescued. After that, Chang'e and Zhu Bajie temporarily lived in the place where Shennong lived in seclusion.

Until recently, a vision of heaven and earth appeared in the Tomb of Emperor Tianqi, and Chang'e and Zhu Bajie came out to see it. When they passed through Zhongzhou City, they found that there was a fight in the Ouyang family, so they rushed over immediately.

Whoa!

At this moment, whether it was the elites of the Heavenly Dao Alliance or the disciples of the Ouyang family, their eyes were all focused on Chang'e, and they were all amazed.

“Miss Chang'e...”

“It’s so beautiful!”

“Five years ago, I was fortunate enough to meet Mother Chang’e once. At that time, I was shocked. I didn’t expect to see it again after so many years.

” When it came, Gong Ao frowned secretly.

The next second, Gong Ao looked at Zhu Bajie, then at Chang’e, and said coldly: “Who are you? Dare to take care of my God’s Domain?”

“Alas!”

Zhu Bajie sighed, Angrily, he said, “I don’t even know about my handsome Zhu Bajie and the beautiful Chang’e, so why are you still in Kyushu?”

Chang’e and Zhu Bajie?

Hearing the answer, Gong Ao frowned and his expression became solemn.

Although Gong Ao came from the realm of the gods, Chang’e and Zhu Bajie were both well-known figures in Kyushu. Although Gong Ao had never seen them, he had already heard of them.

A few seconds later, Gong Ao reacted and said indifferently: “I heard that you live in seclusion and never ask anything about the world. Today, I represent the Divine Realm to exterminate the Ouyang family. I hope you can understand the situation and don’t get caught up in it.” Big, but indisputable.

“Haha!”

Hearing this, Zhu Bajie couldn’t help laughing, with a cynical look on his face: “Yue Feng and I are brothers, you want to destroy his home, you say I don’t care?”

Immediately, Zhu Bajie said: Bajie looked at the tragic death of Zi Yan, and the weak Huanxiang and others, with deep pity in his eyes: “What a sin, such a flower-like jade, the Nine Heavens Saintess, you are so cruel and ruthless, it’s really a bit I don’t understand Lianxiang and Xiyu.” After

speaking, Zhu Bajie shouted at Huanxiang with a smile: “Several beauties, don’t be afraid, I am here, Zhu Bajie, you will be fine.”

Chapter 3895

Swish!

Hearing Zhu Bajie’s words, whether it was Huanxiang or the other saintess, all blushed.

Speaking of which, the Nine Heavens Saintess and Zhu Bajie are not very familiar, but I have heard from Yue Feng, and I know that this Zhu Bajie is very lecherous, and his words are not serious.

But I didn't expect that Zhu Bajie would still be able to smile on such an occasion.

"Zhu Bajie..."

At this moment, Chang'e on the side was also blushing, and she frowned, "Can you be more serious?"

Speaking of which, Chang'e has always been disgusted with Zhu Bajie, but since Zhu Bajie After taking Chang'e out of the secret passage of Beiming Imperial City, and then finding Shennong and helping Chang'e to treat her, Chang'e's view of Zhu Bajie changed a little.

But even with some improvement, Chang'e still couldn't get used to Zhu Bajie's lewdness.

In Chang'e's eyes, the situation in front of her is very serious, but Zhu Bajie still has the heart to tease the Nine Heavens Saintess.

"Okay, okay!"

Seeing Chang'e speak, Zhu Bajie scratched his head and said with a smile, "I'm serious..."

Zhu Bajie was not afraid of the sky, nor the earth, just that Chang'e would be unhappy.

With that said, Zhu Bajie took a step forward slowly and shouted at Gong Ao: "What kind of special envoy of the Divine Realm are you, right? I don't care how strong the forces behind you are, this Ouyang family is the home of my brother Yue Feng. , if you are a little more sensible, then take your subordinates to get out, otherwise, don't blame me, Lao Zhu, for being rude."

Om!

The voice fell, and a powerful breath burst out from Zhu Bajie, sweeping out towards the surroundings, and in an instant, the sky was distorted!

So... so strong!

Feeling the strength of Zhu Bajie, all the people in the audience couldn't help but gasp!

In particular, the many disciples of the Ouyang family were extremely excited.

I haven't seen him for a few years, but Zhu Bajie's strength has obviously grown a lot stronger, and he has already broken through the Tribulation Transcendence Realm...

Gong Ao was also stunned.

Is this Zhu Bajie so strong?

But soon, Gong Ao reacted and said coldly to Zhu Bajie: "It's not small, it's up to you?"
The

voice fell, and Chang'e's red lips parted lightly: "And me."

Hu!

At this moment, Gong Ao took a deep breath and his face became completely solemn.

This Chang'e and Zhu Bajie have both broken through the Tribulation Transcendence Realm. Facing such a powerful enemy, this is a bit tricky.

"Go!" In the

next second, Gong Ao glanced coldly at the audience, greeted the members of the Tiandao Alliance, and left quickly.

Speaking of which, with Gong Ao's strength, he is not afraid of Chang'e and Zhu Bajie at all, but just after a few hours of fierce battle, Gong Ao's strength has consumed a lot. Under such circumstances, facing Chang'e and Zhu Bajie's alliance, Gong Ao had no chance of winning.

More importantly, after so long, Yue Feng should be back.

Wow...

In the blink of an eye, Gong Ao and tens of thousands of Heavenly Dao League elites walked cleanly.

Not long after leaving, I saw dozens of figures coming from the sky, it was Yue Feng, Wen Chou Chou, Ren Yingying and others.

This....

When they got to the front, they saw the scene in front of them. Whether it was Yue Feng or Wen Chou Chou, they were all stunned and their anger rose.

I saw that the entire Ouyang family was in a mess, the door was broken, and many disciples of the Ouyang family were lying there, dead and wounded.

Not only that, not far away, Sun Dasheng hugged a slender figure tightly, his face full of tears, and he almost fell into madness.

It was Li Nan who was in Sun Dasheng's arms.

Seeing Li Nan was covered in blood, his whole heart was pierced, his white face was dyed red, his face was pale, his eyes were closed, and he had already lost his breath.

Li Nan is dead?

The ultimate husband in Chinese chapter 3896-3900

Chapter 3896

Seeing this scene, Yue Feng's mind was blank, and his heart was extremely guilty.

I came back late, if I was one step faster, maybe Li Nan would not die.

The next second, Yue Feng looked around, his head buzzed, and his whole body trembled uncontrollably.

I saw Huanxiang and the other saintess guarding a corpse, each with tears streaming down their faces, sad, and that corpse was Zi Yan.

Zi Yan is also dead?

Yue Feng's eyes were instantly blood red, and Li Nan's death had already made Yue Feng very uncomfortable. Seeing Zi Yan's body again at this time, his whole mind was instantly filled with anger.

"Brother!"

At this time, Zhu Bajie walked over quickly and said to Yue Feng, "I haven't seen each other for a few years, but the style of my brother is still the same."

At the same time, Chang'e also walked slowly and nodded at Yue Feng. , said hello.

Yue Feng nodded, his heart was bitter.

Seriously, seeing Zhu Bajie and Chang'e, Yue Feng was very pleasantly surprised. It was just the situation in front of him. How could he be happy?

"Wife, don't leave me... Please open your eyes, please..." At this moment, Dasheng Sun kept roaring, his voice was hoarse, and his whole body was shaking!

"Ah!"

Under the endless grief, Sun Dasheng looked mad and completely lost his senses. With a roar, he directly pulled out the axe and slashed at the surrounding Ouyang family disciples.

“I’m going to kill you, kill you...”

Because it was too sad, the soul-devouring bloodworm hidden in the Great Saint was also affected, and became violent in an instant, and then controlled the thinking of Sun Dasheng.

Oops!

Seeing this scene, Yue Feng and Wen Chou Chou looked at each other, both pale in shock, then rushed over and joined hands to restrain Sun Dasheng.

However, the aura that the mad Sun Dasheng burst out was very amazing, and with the opening axe in his hand, it was difficult for Yue Feng and Wen Chou Chou to get close for a while.

In this case, Zhu Bajie also hurried to help.

Soon, Sun Dasheng was restrained by Yue Feng and several others, and he couldn’t hold it any longer. As soon as his eyes darkened, he fainted.

“Quick!”

Wen Chouchou was sweating profusely, and ordered to the people around him: “Hurry up and help the Great Sage into the room to rest, and a few more people will watch him.”

Several people responded and sent Sun Great Sage into the room.

Watching Sun Dasheng being taken away by everyone, Wen Xiaoyu next to him, thoughtfully, couldn’t help but say, “Uncle Dasheng’s situation seems to be a soul-eating bloodworm.”

When he said this, Wen Xiaoyu was very heartbroken. It was a shock, because after taking the soul-devouring bloodworm, he occasionally had a mental disorder.

It was not loud, but everyone around could hear it.

Wen Chou Chou looked solemn, and quickly asked Wen Xiaoyu: “Xiaoyu, what kind of soul-devouring bloodworm?”

“Father, I...”

Wen Xiaoyu suddenly became nervous, opened his mouth, and didn't know for a moment. How to speak.

Half a month ago, Wen Xiaoyu was forced by Bai Yunfei to take the soul-devouring bloodworm. In desperation, he stole the ghost token that Wen Chouchou had sealed up. Wen Xiaoyu never dared to say this.

Seeing Wen Xiaoyu faltering, Wen Chou Chou became even more suspicious.

“The messenger of Hades asks to see Your Excellency Yue Feng!”

At this moment, a shout came, followed by a figure that came quickly like a ghost.

He was dressed in black robes and filled with a gloomy aura. It was the messenger of Hades sent by Bing Yao.

The messenger of Hades! ?

Seeing the messenger sent by the ghost world, Wen Chou Chou and everyone around were stunned.

What is the messenger of Hades coming to do at this time?

Yue Feng was also stunned, and he had a bad premonition in his heart.

Chapter 3897

“Your Excellency Yue Feng!”

At this time, the messenger walked quickly and said anxiously at Yue Feng: “The big thing is bad!”

Yue Feng took a deep breath and said, “What's the matter, take it slow Say, don't panic!”

The messenger was crying anxiously, his head covered in cold sweat, and he said extremely anxiously: “Your Excellency Yue Feng, someone broke into the depths of the underworld and stole the magic mirror!”

What? !

Hearing this, both Yue Feng and Wen Chou Chou were all stunned.

Especially Yue Feng was shocked.

Last time, the ugly man forced his way into the depths of the underworld, and was repelled by him and Bingyao together. After that, the ghost world strengthened its vigilance. How could anyone dare to break through?

As for Wen Chou Chou and everyone, when they reacted at this time, they were all puzzled.

What is the magic mirror?

Because they don't know about the Demon Lord Gone, Wen Chou Chou and others still don't know what the magic mirror is. But looking at the anxious look of this messenger, it is obviously not an ordinary thing.

Aware of everyone's doubts, Yue Feng explained the matter of Demon Lord Gone in detail.

Huh...

Knowing the situation, Wen Chou Chou and everyone were stunned, their hearts were shaking, and they were speechless for a long time.

On the other hand, Ren Yingying, who was standing aside, had a complex expression on her delicate face.

His ancestor, Chi You, was a subordinate of the Demon Lord Gone. Now, the magic mirror that sealed the Demon Lord was rescued from the depths of the underworld. Will it affect him?

Mad!

Wen Xiaoyu, who was standing on the other side, clenched his fists and spoke out of anger.

It turned out... Bai Yunfei wanted me to steal my father's ghost token, to go into the realm of the gods to save the Demon Lord Gone...

Under the anger, Wen Xiaoyu couldn't tell the regret.

If I had known this earlier, even if I died at that time, I would not compromise with Bai Yunfei. But it's too late to say anything now.

quiet!

For a while, the audience was silent, and a depressing atmosphere enveloped everyone.

Finally, Yue Feng calmed down and asked the messenger, "Do you know who that person is?" The

ugly man last time, Yue Feng used the relationship between Tianmen and Tiandao Alliance, and searched the entire Jiuzhou rivers and lakes. No clue.

The messenger did not hesitate, and immediately responded: "That person is called Bai Yunfei." After

speaking, the messenger's face showed a bit of grief and anger, and continued: "When Bai Yunfei broke into the ghost world, he personally admitted that last time the ugly The man was also him. At that time, he asked his subordinates to hold the ghost token to first check the location of the sealed magic mirror. After finding out the location, Bai Yunfei put on makeup and went straight to the depths of the netherworld. By the way, the netherworld order that Bai Yunfei's subordinates took. The card belongs to Your Excellency Wen Chou Chou."

Bai Yunfei?

Hearing this, Yue Feng only felt his brain buzzing.

Mad, it turned out to be him.

No wonder the whereabouts of the ugly man had never been found before, it turned out to be Bai Yunfei in disguise.

And... How could Bai Yunfei's subordinates have Brother Wen's Nether Token?

Thinking to himself, Yue Feng subconsciously looked at Wen Chou Chou.

My ghost token?

Wen Chou Chou was also taken aback, how could this be possible? Since he got rid of the control of the previous generation of Hades three years ago, the ghost token has been hidden in the secret room of cultivation, and has never been taken out. How could it have been in the hands of Bai Yunfei's subordinates?

Thinking to myself, Wen Chou Chou was a little worried, and hurried to the backyard secret room.

Seeing this, Yue Feng and the others followed closely behind.

Chapter 3898

What?

Soon, after arriving in the secret room, Wen Chou Chou was stunned.

I saw that the box where the ghost token was placed was empty, and the ghost token was gone.

Huh...

For a while, Yue Feng and the others were also stunned there.

Brother Wen's token is really gone. At this time, Wen Chou Chou, his face was extremely ugly, his heart

was full of anger, and he said in a low voice: "This Bai Yunfei is really not easy, he was able to steal the token from the secret room where I practiced."

Secretly muttered.

Even if Bai Yunfei is very strong, it is impossible to steal the token without disturbing the Ouyang family. After all, this secret room is very hidden, and even many disciples of the Ouyang family do not know how Bai Yunfei found it?

Seeing the change in Wen Chou Chou's expression, Yue Feng pondered and said slowly, "Bai Yunfei is the mastermind behind stealing the Ghost Token, but I suspect that there are accomplices around him, and they are in our Ouyang family.

" With that, Yue Feng subconsciously looked around.

Yue Feng was very thoughtful. When he saw Wen Chou Chou's secret room being stolen, he immediately thought that the Ouyang family had an inner ghost. You must know that Wen Chou Chou's secret room was very secretive. The ghost token was taken away with a sound.

call!

Hearing this, everyone around was shocked.

Wen Chou Chou was also shocked, looking at Yue Feng and said, "Fengzi, you mean that there is someone in our Ouyang family who secretly colluded with Bai Yunfei?"

Pfft!

Yue Feng was about to respond, but at this moment, he saw a figure kneeling directly in front of Wen Chou Chou, his handsome face full of fear and guilt.

It was Wen Xiaoyu.

Um?

what's the situation?

Seeing this scene, Yue Feng and the people around were stunned.

Wen Chou Chou was also full of doubts, frowning at Wen Xiaoyu: "Xiaoyu, what are you doing?"

Wen Xiaoyu knelt there and whispered: "Father, I took your ghost token, and I gave it to you. Bai Yunfei!"

What?

Hearing this, Yue Feng and the people around were shocked.

The ghost token in the secret room... turned out to be taken by Wen Xiaoyu...

At the same time, Wen Chou Chou also froze there instantly, and then became furious.

"Crack!" In the

next second, Wen Chou Chou slapped Wen Xiaoyu fiercely, trembling with anger: "Why do you do this? Do you know that if you help Bai Yunfei save the Demon Venerable, the whole world will When the chaos comes, I don't know how many innocent people have lost their lives, and you are a sinner through the ages."

After speaking, Wen Chou Chou drew his sword and shouted angrily, "I will kill you, you wicked son." The

last word fell, Wen Chou Chou Holding the long sword tightly, he stabbed directly at Wen Xiaoyu's heart. To be honest, Wen Chou Chou has always loved this son very much, and he planned to pass the head of the Hall of Longevity to him in a few years, but now, The son actually helped Bai Yunfei save Mozun.

This is a major matter related to the whole world. If you condone and cover up, what face will you have to face the people of Kyushu in the future?

Seeing the long sword piercing, Wen Xiaoyu's eyes were full of tears, and he knelt there straight, without any intention of dodging.

He knew that he had committed a heinous crime, and it was right for his father to take his own life.

"Brother Wen! Don't!"

Yue Feng was taken aback, and hurriedly came over, raised his hand and hit Wen Chou Chou's long sword, and comforted: "Why are you so impulsive? There must be something else hidden in this matter."

Said With that, Yue Feng glanced at Wen Xiaoyu, and continued: "Xiaoyu was brought up by us, and he has an honest character. I believe that it is impossible for him to be in the same boat as Bai Yunfei. Tell us the details and make a decision."

Chapter 3899

When he said this, Yue Feng looked serious.

call!

Hearing this, Wen Chou Chou put away his long sword and looked at Wen Xiaoyu angrily: "You bastard, why don't you explain it quickly?"

Wen Xiaoyu did not dare to neglect, and honestly told the situation at that time.

At the end, Wen Xiaoyu was full of remorse: "Father, my girlfriend's life was in Bai Yunfei's hands, and I had to agree to his request."

"I thought he needed the ghost token, but it was convenient to enter. God's Domain, who knew that his goal was actually Demon Venerable, if I knew this earlier, even if I died, I would not agree to him."

"Also, before the sudden madness of the great sage, it was also the performance of the soul-eating bloodworm. Obviously, Bai Yunfei's promise to Aunt Qingyan at that time to save the Great Sage was a trap."

Hearing

this, Wen Chou Chou clenched his sword and fell silent.

At the same time, Yue Feng and the people around him were also extremely angry.

Especially Yue Feng, the anger in his heart was rising.

Mad, this Bai Yunfei is too despicable, it's just that Lawen Xiaoyu went into the water, and he even deceived Qingyan and secretly harmed the Great Sage.

When he thought of Su Qingyan, Yue Feng felt his heart twitched.

Qingyan, you are so stupid, you don't even know that you were deceived by Bai Yunfei.

A few seconds later, Yue Feng calmed down and comforted Wen Chou Chou: "Brother Wen, calm down, this matter is mainly about Bai Yunfei, and Xiao Yu is innocent. The most important thing now is to find a way to expel him and him. The soul-eating bloodworm on the Great Sage."

Hmm!

Hearing this, Wen Chou Chou nodded.

After understanding what happened, Wen Chou Chou also understood that in the whole thing, his son Wen Xiaoyu was innocent. He was too young and had no experience in the arena to be played by Bai Yunfei.

At this time, Yue Feng turned to look at the messenger of Hades, with an apologetic expression: "Our Ouyang family is responsible for being rescued. Please go back and tell Hades. Our Ouyang family will find Bai Yunfei and Demon as soon as possible and make every effort to remedy

them ." At the time, Yue Feng looked serious, but his heart was extremely uneasy.

Once the Demon Venerable is rescued, is there still a chance to make amends?

...

On the other side, on the Xi Cang Continent, the Five Poison Sect's main altar.

After Bai Yunfei left the ghost world, he brought the magic mirror and went directly to the Five Poison Sect. He had explained to Ji Hongshang before that he wanted to meet here.

At this time, in a secret room in the backyard of the main altar.

Bai Yunfei placed the magic mirror on the stone table respectfully, feeling indescribably happy.

Finally, His Excellency Mozun was successfully brought out of the ghost world.

In the next second, Bai Yunfei said politely to the magic mirror: "Your Excellency Mozun, we are temporarily safe now, you can tell me how to release you from the magic mirror."

"Haha, good!" The

voice fell, The magic mirror twisted and changed, and then the face of the Demon Lord Gone appeared, and he laughed in approval: "Very good, as expected of the descendants of my Demon Race, and did not disappoint the deity!"

Speaking, Demon Lord Gone's tone He became solemn: "This magic mirror is the magic weapon of the ancestors of the Great Wilderness. It is very powerful. It is not an easy task to release me from it."

"I need to help me find seventy-two virgins. After Fang Gan donated blood, he soaked the magic mirror in it for seven days and seven nights. At that time, I can leave the magic mirror. Of course, these are not enough. It's just a stray thought, and I need to reshape my body, so after I get out of the magic mirror, you still need to help me find two people!" Hearing this, Bai Yunfei

quickly asked, "Who?"

Ruowu smiled and said word by word: "A man and a woman, if a man has a body of pure yang that is just as strong as yang, and a woman needs a body of pure yin that is extremely yin and soft. As long as you absorb the body of pure yang. With the essence of the body and the pure yin body, I can reshape the physical body."

"My subordinates, keep this in mind!" Bai Yunfei responded and hurried to take care of it.

Chapter 3900

After half a day, Bai Yunfei, as required, arrested 72 boys and girls and sent them to the secret room. For a time, the 72 children were panicked, and their cries continued to echo in the main altar of the Five Poison Sect.

Hearing the cry, Su Qingyan in the garden next door secretly frowned.

strangeness!

What the hell is Bai Yunfei doing? After returning from the ghost world, he came to the main altar of the Five Poison Sect, doing everything mysteriously, and now he has arrested so many children.

Just thinking about it, I saw Bai Yunfei walking slowly.

"Qingyan!"

When he came to the front, Bai Yunfei showed a smile: "How is it? The scenery of the five poisonous sects is not bad, right?"

Su Qingyan snorted, and then asked: "Bai Yunfei, you arrested so many children to do it. What?"

This...

Bai Yunfei's expression revealed a hint of complexity, and he said unnaturally: "Child? I don't know, it should be the new apprentice of the Five Poison Sect, but the grade is a little younger... This is a matter of the Five Poison Sect, let's not get involved." The

Demon Venerable needs to be soaked in the blood of virgins and girls before leaving the Sealing Magic Mirror, this is too bloody, and it is best not to let Su Qingyan know about it. Okay.

However, the more Bai Yunfei was like this, the more curious Su Qingyan became.

In a blink of an eye, it was night.

Taking advantage of the departure of the patrolling disciples of the Five Poison Sect, Su Qingyan quietly left the room, and based on the memory of the day, she found the secret room where the crying was heard.

Before reaching the entrance of the secret room, I could see from a distance that there were dozens of disciples of the Five Poison Sect guarding it, which could be said to be heavily guarded.

But it was too late, and the mental state of these disciples was not good, and they all stood there dozing off.

Whoosh!

Taking advantage of the opportunity for these disciples to take a nap, Su Qingyan moved her figure and quickly entered the secret room.

This...

the moment she entered the secret room, seeing the scene in front of her, Su Qingyan's delicate body trembled, her whole body was terrified, and her face was almost pale.

I saw that the secret room in front of me was very large, about the size of three or four basketball courts.

In the center of the secret room, there is a large circular pool. The pool is filled with blood-red liquid. The entire secret room is filled with a strong bloody smell.

Yes, the entire pool is full of blood.

And in the blood pool, there is something soaked.

Su Qingyan took a closer look and found that it was a strange mirror. The mirror was facing upwards, and it was constantly absorbing the bloody aura in the secret room. It gave people a very strange feeling.

At this time, Su Qingyan didn't know that the magic mirror was in the blood pool.

After a few seconds, Su Qingyan calmed down and looked around, suddenly shocked and completely dumbfounded.

I saw that there were dozens of corpses piled up in the corners all around, and they didn't move. Each of them was skin and bones. It was obvious that the blood in the body had been drained. It was the boys and girls who were sent in during the day.

For a time, Su Qingyan's brain was buzzing, she only felt her legs were weak, and her heart was also extremely fearful.

What the hell is going on here?

Too cruel, these are still children.

"Ugh..."

Just when Su Qingyan was extremely frightened and angry, suddenly, a dull breath came from the blood pool, and then, the magic mirror soaked in the blood pool, the face of Demon Lord Gone emerge.

Swish!

At this moment, Gone's gaze instantly locked on Su Qingyan.

The ultimate husband in Chinese chapter 3901-3910

Chapter 3901

“Haha...”

Gonie looked at Su Qingyan up and down, watched it for more than ten seconds, and laughed with satisfaction: “I didn’t expect that this kid Bai Yunfei is so efficient in his work, in less than a day, Not only did he recruit enough 72 boys and girls, but he also managed to find a pure yin body with the most yin and softness.”

“Yes, haha.... not bad!”

When he said this, the Demon Lord Gone laughed wantonly , in a very happy mood.

It was a coincidence that Su Qingyan was the body of pure yin, and at this time, the Demon Lord Gone thought that Su Qingyan was brought to him by Bai Yunfei.

“You...”

Feeling the sinister aura from Gone, Su Qingyan’s body softened, and her voice trembled: “You... Are you a human or a ghost?”

With so many corpses around, There is also a pool of blood.

This is simply the devil of hell.

Hearing the question, Gone smiled evilly: “I am neither a human nor a ghost, I am the Demon Lord Gone.” Demon Lord

?

Hearing this, Su Qingyan was stunned, only to feel that her mind went blank.

What is the devil?

Seeing her expression, Gone said slowly: “It seems that you don’t know my identity, but it doesn’t matter, you will find out later, anyway, your pure yin body will be merged with me, how can I let you die You have to understand.”

After speaking, Gogne explained his origins and the things he needed to reshape his body in detail.

This chapter is provided by . Visit for daily update.

At the end of the story, Gone looked at Su Qingyan with a half-smiling smile: “It is the greatest honor of your life to help me reborn with your pure yin body.

“

Knowing the cause and effect, Su Qingyan couldn't help taking a deep breath.

The origin of the other party is so terrifying.

At the same time, Su Qingyan also suddenly realized that, it turned out that Bai Yunfei let himself follow him before, not because he liked him, but to give himself to Demon Venerable.

At this time, Su Qingyan didn't know that Bai Yunfei never thought of sending her out. It was a complete coincidence that she broke into this secret room by mistake and was spotted by Gone.

“Gududu!”

Just when Su Qingyan was in a panic, she saw a boiling sound coming from the blood pool, and then, the bloody smell in the secret room became more intense.

hum!

At the same time, a powerful aura erupted from the sealing magic mirror and shrouded Su Qingyan directly, accompanied by Gone's laughter: “Since you're here, don't leave, be nice here. Let's accompany the deity...haha!”

Su Qingyan's face turned pale and panicked as she felt the powerful breath of Gone.

No, I must not die here.

Thinking about it, Su Qingyan urged her inner strength, her delicate body flashed, and she rushed towards the outside.

Su Qingyan's strength is considered to be a peak powerhouse in the entire Kyushu, and his speed is very fast, and he is outside the secret room in a blink of an eye.

“Who is it?”

At this time, the disciples of the Five Poison Sect who were guarding outside were startled one after another. Seeing Su Qingyan rushing out of the secret room, they were all stunned, and then they all gathered around.

“Get out of here!” A

cold voice came from Su Qingyan's mouth, and in the next second, a powerful breath burst out from Su Qingyan's body, and in an instant, it rushed to the five poisons in front of him. The disciple of the sect was directly shocked and flew out.

hiss!

Seeing this scene, the other Five Poison Sect disciples present were all stunned.

what's going on? Isn't this Su Qingyan a distinguished guest? How do you turn your face away?

"What's the situation?"

At this moment, a low voice came, and then, a man and a woman came quickly.

Chapter 3902

It is Bai Yunfei and Ji Hongshang!

The next second, seeing the surrounded Su Qingyan, Bai Yunfei's heart sank, and the secret thought was not good. This Su Qingyan must have broken into the secret room of His Excellency Mozun at night.

Thinking to himself, Bai Yunfei said with a fake face: "Qingyan, what's the matter? Why did you fight with the disciples of the Five Poison Sect? This is all my own."

As soon as she finished speaking, Su Qingyan couldn't help it. Jiao shouted: "Bai Yunfei, you don't have to pretend, you said that you kept me by your side because you love me, but in fact you want to give me to Demon Venerable."

"You are too insidious, I want to leave here, go back Go to the Ouyang family and announce your conspiracy to the public!"

After saying the last sentence, Su Qingyan's figure was light, like a night elf, suddenly flying up, trying to break out of the Five Poison Sect's encirclement.

At this time, Su Qingyan felt very regretful in her heart.

When she promised to leave with Bai Yunfei, in addition to keeping her promise, Su Qingyan believed that although Baiyun Fei was both righteous and evil, it was not a big evil.

But when she saw that Demon Lord Gone just now, Su Qingyan realized that she was very wrong.

Bang bang bang...

Su Qingyan's strength is tyrannical, and the surrounding disciples of the Five Poison Sect were shaken to the ground before they could react.

Seeing this scene, Bai Yunfei didn't have time to think about it, his figure burst out and shot to stop Su Qingyan.

In the beginning, Su Qingyan was able to deal with it easily, but gradually it became unbearable. Within a few rounds, Bai Yunfei found an opportunity and quickly clicked on Su Qingyan's acupoint.

In an instant, Su Qingyan's delicate body trembled, unable to move at all.

Although Su Qingyan is very powerful, he is still inferior to Bai Yunfei. After all, Bai Yunfei has a demon soul in his body, which is not something that a human cultivator can compete with.

"Qingyan!"

At this time, Bai Yunfei had a complicated face and walked slowly to Su Qingyan: "It's not what you think, I really like you, and I never thought of handing you over to Demon Venerable. Your Excellency."

After speaking, Bai Yunfei couldn't help but ask, "What did you see when you entered the secret room just now?"

When asking these questions, Bai Yunfei was very curious.

Why did Su Qingyan say that she was going to give her to Demon Venerable?

However, Su Qingyan bit her lip tightly and did not respond, her attitude was very indifferent.

Bai Yunfei had no choice but to instruct Ji Hongshang: "Take her down first!"

"Yes, Sect Master!"

Ji Hongshang responded and asked the disciple to hold Su Qingyan down.

call!

Seeing Su Qingyan being taken away, Bai Yunfei took a deep breath and hurriedly walked into the secret room.

Su Qingyan refused to say, Bai Yunfei had no choice but to go in and ask the Demon Lord Gone.

This...

The moment he entered the secret room, Bai Yunfei was stunned, and he sensed that the secret room was filled with an incomparably rich bloody aura, and on the magic mirror in the blood pool, Gone's face, looked extremely ferocious.

"Bai Yunfei!"

Seeing Bai Yunfei coming in, Gone's eyes flashed with urgency: "Did that woman catch her?"

Woman?

Hearing this, Bai Yunfei was stunned for a moment, then realized that Gone was talking about Su Qingyan, and his mood suddenly became complicated: "That... Your Excellency Mozun, what happened before?"

Gone said lightly, "Didn't you capture that woman with a pure yin body just now and present it to me? Why did you ask me what happened?"

What?

At this moment, Bai Yunfei's heart trembled, his brain buzzed, and his whole body was covered.

Su Qingyan is a pure yin body?

Speaking of which, with Bai Yunfei's strength, it is easy to detect Su Qingyan's physique, but he loves Su Qingyan, and out of respect, he has never explored Su Qingyan's physique.

Chapter 3903

Therefore, knowing that Su Qingyan is a pure yin body at this time, Bai Yunfei was extremely shocked.

After being stunned for more than ten seconds, Bai Yunfei came to his senses and said with a smile: "Your Excellency Mozun, you misunderstood, that woman just now is my confidante, her name is Su Qingyan, she accidentally entered by mistake. Come in."

Confidante?

Hearing this, Gone's face darkened.

Seeing the change in Gone's expression, Bai Yunfei's heart tightened, and he became inexplicably nervous, and quickly said: "Your Excellency Mozun, it will take you six days and six nights to leave your sunglasses!"

"During these six days, I will definitely help you find the body of pure yang and the body of pure yin. As for that Su Qingyan, please ask Your Excellency Mozun to let her live."

"Huh?"

At this moment, Mozun's expression did not fluctuate, and his eyes flickered. , just stared at him so lightly: "Bai Yunfei, do you like that Su Qingyan very much?"

This...

Hearing the question, Bai Yunfei was inexplicably flustered, and nodded his head: "Yes... Yes..." As soon as he finished speaking

, Gone's face was extremely gloomy, and he scolded: "Have you forgotten your identity and mission? You are a descendant of demons, how can you be greedy for the beauty of human women?!"

Here, Gone stared at Bai Yunfei, his eyes spitting fire: "Also, Ben respects the body shaping, it's very important, are you sure that within six days, you can find another woman with a pure yin body?"

"I..." Bai Yunfei was sweating profusely, lowered his head, and was full of fear: "Then what your Excellency means..."

Phew!

Before he could finish speaking, Demon Lord Gone took a deep breath and said coldly, "Bring Su Qingyan to see me immediately, she is a pure yin body, and she took the initiative to break in just now. This is God's will."

What?

In an instant, Bai Yunfei's face changed greatly, and he said anxiously: "Your Excellency Mozun, this..."

Before he finished speaking, Gone interrupted coldly: "What? You don't want to?"

At this moment, Bai Yunfei only felt His mind was buzzing, and he responded in a low voice unwillingly: "This subordinate... this is not what this subordinate means..."

At this time, Bai Yunfei was in a mess. Seeing the goddess you are in love with, why are you willing to give it to Your Excellency Mozun?

But... Your Majesty's order cannot be violated.

Confused in his heart, Bai Yunfei opened his mouth and said, "That's it, that Su Qingyan left the secret room just now and ran away, and his subordinates failed to intercept it..."

When he said this, Bai Yunfei looked serious, but said no in his heart. Out of anxiety.

Lying to deceive Your Excellency Demon Venerable, but it's a big treason, but there is no other way, only to say that Su Qingyan escaped.

Ran away?

Hearing Bai Yunfei's words, Gone's face changed, and he said lightly, "If that's the case, you can just take her back. You have a demon soul, and I believe you have this strength."

After that, Gone pondered. Going down, he continued meaningfully: "Bai Yunfei, there is a saying among human beings, called 'beautiful calamity', I hope you don't go astray and let the deity down! Alright, let's go, get me back quickly.

"Yes, Your Excellency Mozun!"

Bai Yunfei responded with a bitter heart, and slowly exited the secret room.

The night outside was as cold as water, but Bai Yunfei's mood was extremely heavy.

How to do?

Do you really want to give Su Qingyan to Your Excellency Mozun?

"Sect Master!"

At this time, Ji Hongshang, who had been guarding outside, saw Bai Yun flying out, and hurried up to meet him, respectfully: "What happened? Sect Master's face is so ugly?"

Chapter 3904

Bai Yunfei glanced back at the secret room, did not respond, but walked quickly to the front hall.

Ji Hongshang's delicate face was full of doubts, so she quickly followed.

Soon, at the front hall, Bai Yunfei asked, "Where's Qingyan?"

"In the room!" Ji Hongshang quickly responded, "She was tapped by the sect master, and I sent many disciples to guard outside the door. I shouldn't be able to run."

Hearing this, Bai Yunfei nodded.

The next second, Bai Yunfei suppressed the depression in his heart and said in a low voice, "Su Qingyan has a pure yin constitution, which has been favored by Your Excellency Mozun, and needs to be reborn with her constitution."

What?

Ji Hongshang's delicate body trembled, and she was stunned.

Soon, Ji Hongshang reacted and said in a complicated tone: "The sect master agreed? But... Su Qingyan is the woman that the sect master likes!"

Bai Yunfei smiled bitterly, feeling irritable: "I like Su Qingyan. Qingyan, what can I do? I can't disobey the order of Your Excellency Demon Venerable."

At this time, Bai Yunfei was extremely tangled in his heart.

He didn't want to dedicate Su Qingyan to the Demon Lord Gone, but he couldn't let her go, because Su Qingyan already knew her plan. Once she was returned to the Ouyang family and the matter was completely exposed, it would be a big trouble.

After all, it still takes six days and six nights for Demon Venerable to get out of the sealed magic mirror. If anything goes wrong during this period, all the previous efforts will be in vain.

"Sect Master!"

Seeing the anxiety on Bai Yunfei's face, Ji Hongshang couldn't help but say: "You don't have to worry too much, my subordinates have come up with a way to save Su Qingyan's life and give an explanation to Your Excellency Mozun."

Bai Yunfei's eyes flashed, and he quickly asked, "What can I do?"

Ji Hongshang showed a smile and said slowly, "We will find a woman who looks similar to Su Qingyan, kill it, and bring it to Your Excellency Mozun. Go and see."

"Your Excellency Mozun knows that someone is dead, so he will definitely stop thinking. Moreover, Your Excellency Mozun is still trapped in the sealed magic mirror at this time, and he won't spend energy to perceive whether a female corpse is pure Yin or not. body."

When saying this, Ji Hongshang's face was full of confidence.

Huh...

Hearing this, Bai Yunfei felt instantly relieved, nodded approvingly and said, "Okay, this trick 'stealing the sky and changing the sun' is really good."

After speaking, Bai Yunfei thought of something again and frowned: "But if you do this, what should I do with Qingyan? As long as she is by my side, Your Excellency Mozun will know it sooner or later!" As soon as she

finished speaking, Ji Hongshang couldn't help laughing: "I also thought of this, to be honest, Five miles northwest of the main altar of the Five Poison Sect, there is a Tianxiang Valley, surrounded by mountains, with a beautiful environment and a very hidden location. It is difficult for outsiders to enter."

"If the sect master wants to keep Su Qingyan by his side forever, the only solution is to abolish Su Qingyan's dantian inner strength, and then imprison her in the Tianxiang Valley. In this way, you will not be afraid of Su Qingyan running out. If you don't talk about this, I won't talk about it. Your Excellency Mozun will never know, you still have Su Qingyan's life."

At this

moment, Bai Yunfei frowned and fell silent.

Ji Hongshang's method is indeed feasible, but if she does this, Su Qingyan will lose her freedom for the rest of her life.

Seeing Bai Yunfei's hesitation, Ji Hongshang continued: "Sect Master, this is the only way to get the best of both worlds. Although it is against your intention to imprison Su Qingyan, it is better than giving her to Your Excellency Mozun."

Huo ...

Hearing this, Bai Yunfei was sure, nodded and said: "Okay, just do as you said." After speaking

, Bai Yunfei ordered: "The woman who will replace Su Qingyan will be handed over to you!"

"Sect Master Don't worry!" Ji Hongshang responded, and then quickly walked out of the room.

Seeing Ji Hongshang walking away, Bai Yunfei took a deep breath and went directly to the room where Su Qingyan was imprisoned.

Chapter 3905

Soon, when I arrived at the door of the room, I saw dozens of disciples of the Five Poison Sect guarding outside.

Bai Yunfei looked indifferent and waved his hand: "You all step back."

Whoa!

The voice fell, and dozens of disciples of the Five Poison Sect walked away cleanly.

At this time, Bai Yunfei pushed open the door and entered, and saw Su Qingyan sitting on a chair, with her hands and feet bound, with anger and panic on her delicate face.

"Bai Yunfei!"

Seeing Bai Yunfei coming in, Su Qing's smoke didn't blow, and she said coldly, "What are you going to do? If you want to kill me, do it as soon as possible, otherwise, let me go immediately. ."

Alas!

Facing Su Qingyan's anger, Bai Yunfei was very helpless and sighed: "Qingyan, the matter of Demon Venerable is no trivial matter, that's why I keep hiding it from you. Now that you know, I won't let you go. , I asked you to report to Yue Feng."

After speaking, Bai Yunfei's face became solemn: "Also, I never thought of giving you to Your Excellency Mozun first, but you happened to be a pure yin body, and you broke in late at night. Mozun's secret room, this caused a misunderstanding, making Mozun think, I want to dedicate you to him."

Hearing this, Su Qingyan calmed down and frowned, "Then what are you going to do with me?"

Bai Yunfei showed a complicated smile: "Don't worry, I won't dedicate you to Your Excellency Mozun, but at the same time I won't let you go, so I can only wrong you!"

Su Qingyan is a smart woman, hearing this After speaking, I suddenly had a bad feeling in my heart.

hum!

At this moment, Bai Yunfei stopped talking nonsense, turned his power, and hit Su Qingyan's dantian with a palm.

At this time, Su Qingyan had been taped on acupuncture points, and her hands and feet were tightly bound, so she couldn't dodge at all. This palm was in the middle of her

dantian. At that time, Su Qingyan let out a pain, and her delicate face instantly turned pale.

Bai Yunfei's shot is very precise, and Su Qingyan is the goddess in his heart, so the strength of this palm is just right, while destroying the dantian, it does not hurt Su Qingyan.

"Bai Yunfei..."

At this moment, Su Qingyan's body trembled, she was furious, and her eyes looked at Bai Yunfei with incomparable resentment.

He...he actually abolished his dantian and cultivation.

Feeling Su Qingyan's anger, Bai Yunfei said slowly: "Qingyan, I was forced to do this, and only in this way can I ensure that you will continue to stay by my side." After

speaking, Bai Yunfei slowly came over, grabbed Su Qingyan's arm, urged the figure, flew into the air outside, and headed towards Tianxiang Valley.

"You...you let me go..."

"You devil, kill me." In the

air, Su Qingyan kept crying and struggling, but she lost her dantian and Xiuwei, and ordinary people undoubtedly cannot break free.

Bai Yunfei had a complicated face and never responded.

After ten seconds, Bai Yunfei saw Ji Hongshang on a mountain peak and immediately landed.

"Sect Master!"

At the moment of landing, Ji Hongshang hurried up to meet her and said respectfully, "The replacement woman has been found, and I will send someone to clean up this valley."

"Okay!" Bai Yunfei nodded.

Immediately, Ji Hongshang led the way and entered a hidden cave. Bai Yunfei took Su Qingyan and followed behind.

After walking for a few minutes, my eyes suddenly became clear, and a beautiful valley appeared. I saw that the valley was surrounded by steep mountain walls, almost ten thousand feet high, and the clouds were shrouded above.

Ji Hongshang is right, this valley is very hidden, even if the experts of the rivers and lakes fly through here and their vision is blocked by the clouds, they will not be able to find a valley here.

Su Qingyan was extremely sad and angry, and when she saw the place in front of her, her body trembled even more.

Why did Bai Yunfei take me to a place like this?

The ultimate husband in Chinese chapter 3906-3910

Chapter 3906

At this moment, under the guidance of Ji Hongshang, Bai Yunfei brought Su Qingyan to a quiet courtyard.

“Qingyan!”

Bai Yunfei let go of his hand, with a bit of apology in his eyes: “I know you blame me, but I have no other choice but to do it, I can’t let you go back to the Ouyang family, let alone put you back in the Ouyang family. Dedicated to Your Excellency Mozun, so I can only let you live here.”

“Don’t worry, I will always come to accompany you.”

After saying the last sentence, Bai Yunfei greeted Ji Hongshang to leave. Speaking of which, Bai Yunfei really wanted to stay here and accompany Su Qingyan for a while, but there were still many things that he needed to do by himself.

Done!

At this moment, Su Qingyan’s delicate body trembled, full of despair.

It turned out that Bai Yunfei planned to imprison himself.

Being imprisoned in such a place, it is better to die directly.

.....

the other side! Ouyang family!

In the hall, Yue Feng, Wen Xu, Ren Yingying and Chang’e were sitting there, all of them looking solemn and in a very bad mood.

After Bai Yunfei stole the magic mirror from the ghost world, Yue Feng sent people to inquire about Bai Yunfei’s news in the entire Kyushu. Now a day has passed, and he

has found nothing. Just now, Yue Feng checked the soul eater in Sun Dasheng and Wen Xiaoyu. Bloodworms.

And the result is still clueless.

Bai Yunfei and Su Qingyan disappeared, and Sun Dasheng and Wen Xiaoyu were in danger again. For a time, Yue Feng felt an unprecedented sense of frustration.

This chapter is provided by . Visit for daily update.

“Yue Feng!”

At this moment, Chang’e, who was sitting silently by the side, couldn’t help but speak to comfort: “Don’t worry, Zhu Bajie has already gone to invite Shennong, I believe he will come soon.”

Yue Feng nodded, this soul-devouring blood The insect was extremely sinister, and he had absolutely no choice but to pin his hopes on Shen Nong.

Just as he was talking, he heard Zhu Bajie’s laughter from outside: “Brother Yue Feng, I brought Shennong.”

Huh...

Yue Feng’s spirit was shocked, he quickly greeted him and went out, and he saw Zhu Bajie. He Shennong was walking slowly.

Seeing Shennong, Yue Feng was very excited and quickly greeted: “Senior Shennong!” Speaking of which, Yue Feng had studied medicine with Shennong, so he should be called Master, but Shennong didn’t care about these cumbersome etiquette, Yue Feng had to call senior.

Shennong nodded and exchanged a few words with Yue Feng, then began to check the situation for Sun Dasheng and Wen Xiaoyu.

For a while, the entire hall was silent.

Finally, Shen Nong finished his pulse, and his expression was very solemn.

Yue Feng hurriedly asked: “Senior, they are called soul-devouring blood worms in their bodies. I don’t know if the seniors have a way to save them.” When he said this, Yue Feng’s eyes were full of anticipation.

You must know that Shennong is an existence that has been named ‘Yaozu’. If he can’t solve it, it will really be over.

Swish!

At the same time, the eyes of Wen Chou Chou and the people around him also converged on Shen Nong.

Shen Nong pondered for a while, and said slowly: "When I was young, I once obtained an ancient book, which recorded the soul-devouring bloodworm, which was derived from the power of the devil's soul, and there is no way to crack it in the human world. " It's

over!

Hearing this, Yue Feng was struck by lightning, his mind went blank, and the only hope in his heart was instantly shattered.

The people around Wen Chou Chou looked even more gloomy.

At this moment, Shennong's words changed: "But it is not impossible to cure, in the realm of the gods, there is a kind of colored glass water, after taking it, it can dissolve the soul-devouring blood worms, but this colored glass water is dedicated to the Nine Heavens God. If you want to get a holy relic, it is almost as difficult as going to the sky."

Chapter 3907

Great! God's Domain has glazed water, which can save the great sage and Xiaoyu.

At this moment, Wen Chou Chou and Ren Yingying were extremely excited and excited, and at the same time, all eyes were focused on Yue Feng.

Yue Feng had been to God's Domain before, and he was still the Nine Heavens Profound Sage. There must be a way to get the glazed water.

Huh...

However, under the gazes of everyone, Yue Feng frowned and looked solemn.

This is troublesome. My relationship with the Nine Heavens God is not good, and I have been blamed for the assassination of Luo Jue before. More importantly, the great sage's wife, Li Nan, and the saintly daughter Zi Yan both died in Gong Ao's hands.

It can be said that at this time, Yue Feng and Divine Realm are already in a situation of hatred against each other. Going to Divine Realm in this situation is to throw themselves into the net.

Gotta figure out a way.

“Brother Yue Feng!”

Seeing Yue Feng’s bad face, Zhu Bajie couldn’t help but said, “Didn’t you go to God’s Domain before? What’s there to worry about? Didn’t the Tiandao Alliance build a lot of teleportation formations? Let’s go through together. The teleportation array enters the realm of the gods and finds the colored glaze water purification.”

“As long as the colored glazed purified water is obtained and the Great Sage and Xiaoyu are saved, it is not too late for us to seek revenge from Gong Ao.”

Zhu Bajie has a straightforward personality, and when he thinks of anything, he will say what.

The voice fell, and Chang’e, who was sitting opposite, also said softly: “Zhu Bajie is right, let’s enter the realm of the gods through the teleportation array, and then we will act according to the opportunity and get the glazed water.”

This time, Chang’e did not blame Zhu Ba . Keep your mouth shut. You must know that the Divine Realm is full of dangers, and Yue Feng alone will definitely not work.

Hearing this, Yue Feng did not respond, but fell into contemplation.

At this moment, Wen Chou Chou came over, reached out and patted Yue Feng’s shoulder: “Fengzi, Brother Zhu and Empress Chang’e are right, we just had a bad relationship with Divine Realm, you are too dangerous alone, it is better to have more people. Well, if you encounter a situation, you can also take care of it.”

Ren Yingying and the others also nodded in agreement.

call!

Yue Feng breathed a deep sigh of relief, looked around, and smiled: “I know you are worried about my safety, but I have to do this alone. If there are too many people, it’s easy to reveal where I am.”

Wow!

In an instant, there was an uproar in the hall.

At this moment, Wen Chou Chou wanted to dissuade him, but was interrupted by Yue Feng: “Brother Wen, you don’t understand the situation in the God’s Domain. There are patrolling soldiers everywhere, and there is nowhere to hide.”

When he said this, Yue Feng seriously.

In fact, there is another important reason that Yue Feng didn't tell, that is, the overall strength of God's Domain is too tyrannical. Although Wen Chou Chou is not weak, but there is no primordial spirit, going to God's Domain is to be abused.

For a while, the hall was silent, and everyone was extremely worried.

Finally, Ren Yingying couldn't help but said: "Yue Feng, are you sure you are going alone?"

"

It's too dangerous for him to go alone.

Yue Feng smiled and comforted: "Don't you believe me? I have a way to hide my identity!" After the voice fell, Yue Feng took out a bag from his body.

This is a bag of white powder, faintly glowing with fluorescence, which is very peculiar.

It is easy to disperse.

what is this?

Seeing the things in Yue Feng's hands, both Ren Yingying and everyone around were stunned. In the Kyushu Continent, Yi Rongsan is extremely rare, and there are very few people who have seen it, so everyone does not know it.

"I'll go!"

However, Zhu Bajie's eyes lit up, he strode over, stared at Yi Rongsan in Yue Feng's hand, and couldn't help but admire: "Yes, brother Yue Feng, this is a good thing. Do you still keep it?"

Others don't know Yi Rongsan, but Zhu Bajie is very familiar with it.

When Zhu Bajie and Yue Feng met for the first time, Zhu Bajie angered Yue Feng in order to let Yue Feng play with him. Later, Zhu Bajie used Yi Rongsan to pretend to be Emperor Hou Yi to win Yue Feng's forgiveness. .

At that time, Zhu Bajie had the last bottle of Yi Rong San left on his body and gave it to Yue Feng as a gift.

In Zhu Bajie's heart, that Yi Rong San was a non-renewable treasure. The bottle of Yue Feng should have been used up long ago, but he never expected that Yue Feng had gotten so much from nowhere.

Whoa!

Seeing Zhu Bajie's reaction, the whole hall was restless, and everyone's eyes were looking at Zhu Bajie curiously.

Ren Yingying couldn't help but ask, "Brother Zhu, what is this thing that deserves your surprise?"

Chapter 3908

"Haha..."

Zhu Bajie was excited, pointed at the powder in Yue Feng's hand and said: "This thing is called Yi Rongsan, it is a rare treasure, it can change a person's appearance when applied to the face. What? You don't know each other?"

What?

Hearing this, both Ren Yingying and Wen Chou Chou were all stunned and shocked.

Is there such a magical treasure in the world? Why haven't you heard it before?

At this time, Yue Feng explained with a smile: "According to my guess, this thing originally belonged to the God's Domain. Later, some of it lived on the Kyushu continent and was acquired by Big Brother Zhu by chance. So everyone doesn't know, and it's normal."

Said Then, Yue Feng looked around and continued: "My plan is very simple. I pretend to be Gong Ao and go to the Divine Realm to find a way to get the glazed water."

"Luo Jue just died and Gong Ao is busy rectifying the Heavenly Dao Alliance. So there is no chance to return to God's Domain, this is a good opportunity for me." The

last sentence fell, Yue Feng asked someone to bring a mirror, and then began to apply Yi Rong San on his face.

At this moment, the entire hall was silent, and everyone looked at it very strangely.

After two minutes, Yue Feng looked at himself in the mirror and said with a smile, "Okay." After saying that, he looked around with a smile on his face.

This...

At this moment, seeing Yue Feng's face, all present except Zhu Bajie were dumbfounded.

I saw that Yue Feng's face had changed to that of Gong Ao, it was exactly the same, and it was so ingenious that no flaws could be found.

Seeing everyone's reaction, Yue Feng was very confident. He used ventriloquism to imitate Gong Ao's tone and said, "How is it? No one doubts me, the special envoy of God's Domain, right?"

Haha...

When the words fell, Wen Chou Chou couldn't help laughing out loud, nodded at Yue Feng and said, "Fengzi, I didn't expect that you still have this skill, if that's the case, then you can go alone, but Be careful."

At first, I was worried that Yue Feng would be in danger by himself, but now Wen Chou Chou is more relieved when he sees him pretending to be Gong Ao.

Yue Feng nodded, and then said seriously: "The matter of Bai Yunfei and Mozun cannot be delayed. I guess that Mozun must be trying his best to get out of the sealing mirror, so we must find their whereabouts as soon as possible,"

heard Wen Chou Chou said this with a solemn expression: "Don't worry, I won't take it lightly, you can go to God's Domain with peace of mind! Leave it to me here."

After speaking, Wen Chou Chou thought of something, and continued: "And Su Qingyan, if there is any We will try our best to bring her back."

"Brother Wen, please!" Yue Feng responded, and then explained a few more words, and rushed directly to the teleportation formation of Tiandao Alliance.

Half an hour later, Yue Feng arrived at the main altar of the Tiandao Alliance.

The teleportation formation was on the mountain behind the main altar, but Yue Feng did not go directly, but took advantage of the night to enter the main altar.

It's just that it's not enough to change into Gong Ao's appearance. He also needs a golden armor. You must know that Gong Ao's status in the realm of the gods is not low, and the golden armor on his body is unique and cannot be imitated at all.

The only way is to sneak into Gong Ao's resting room and steal a set of golden armor, so that when he arrives in the God's Domain, he will not be suspected.

call!

After entering the main altar, Yue Feng was still a little nervous, but when he saw the situation in front of him, he breathed a sigh of relief.

As you can see, the entire Tiandao Alliance main altar is empty, and occasionally a group of patrolling disciples can be seen, which is an extreme contrast compared to the heavily guarded situation before.

Seeing this, the people from the Tiandao Alliance also went to search for the whereabouts of Bai Yunfei and Demon Venerable. After all, the realm of the gods and the demons are incompatible, and the matter of Bai Yunfei robbing the magic mirror from the ghost realm has spread all over Kyushu.

Thinking of this, Yue Feng's mood was instantly incomparable.

The defense of the main altar of the Tiandao Alliance is weak, and it has given him an opportunity to take advantage of it, God's will.

Muttering in his heart, Yue Feng probed into the main altar, walked for a few minutes, and when he arrived at a duty room, he heard a voice calling for a wine order.

"Haha... Today the special envoy of God's Domain is not here, we can finally drink!"

"Okay, don't talk nonsense, you lost just now, you have to drink three glasses

!

"

With a shout, Yue Feng walked over, and through the window, he saw a few elite disciples of the Heavenly Dao League inside, gathered around the wine table, sparring with high spirits.

It seems that this is the place where elite disciples rest, and Gong Ao's room should not be here.

Chapter 3909

Thinking, Yue Feng is about to leave. As a result, just at this moment, I saw a disciple, swaying out, obviously drinking too much, ready to go to the toilet.

At this moment, Yue Feng's eyes lit up.

I was wandering around the main altar of the Tiandao Alliance, and I don't know when I found Gong Ao's room to rest. Why don't you grab this disciple and ask!

After making up his mind, Yue Feng didn't have time to think, rushed over, sealed the disciple's acupuncture point at once, and dragged him into a hidden corner.

"Your Excellency Special Envoy?"

The disciple was blocked from acupuncture points, unable to move, but still able to speak, when he suddenly saw Yue Feng, he instantly woke up from the alcohol, he was so nervous that his voice trembled: "This subordinate knows you're wrong... .."

Because Yue Feng used Yi Rong San, it was Gong Ao's appearance at this time, so this disciple thought it was Gong Ao coming back, and was almost terrified.

Because of the regulations of the Tiandao Alliance, drinking in the main altar is not allowed.

Yue Feng was too lazy to talk nonsense, and said straight to the point: "Where is the room where I rest?"

While talking, Yue Feng looked around.

What?

Hearing this, the disciple was completely stunned.

What's up with this special envoy? If you don't know your own room, you still need to ask someone else?

Seeing his puzzled expression, Yue Feng was a little impatient, and urged coldly, "Quickly tell me?"

The disciple didn't know the situation, but he didn't dare to defy it, and quickly pointed to a courtyard not far away: "It's there."

After getting the answer, Yue Feng nodded, then suddenly raised his hand and knocked the disciple unconscious. Then he hid him in the grass next to him.

After doing this, Yue Feng rushed towards the courtyard not far away.

Phew...

Soon, after entering the room, Yue Feng was relieved when he saw the deployment inside. He saw that the room was very luxurious and elegant. Not only that, but there was a gold piece hanging on the hanger next to it. Shiny armor.

Seeing the golden armor, Yue Feng didn't have time to think, and immediately walked over to change his clothes.

After changing into the golden armor, Yue Feng was very uncomfortable and only felt awkward. But I have to say that after wearing the golden armor, it really is very imposing.

However, Yue Feng didn't care about this, and when there were no patrolling disciples outside, he quickly left and rushed to the teleportation formation in the back mountain.

Ten minutes later, Yue Feng successfully entered the Divine Realm through the teleportation formation.

call!

At this moment, Yue Feng was suspended in mid-air, looking at the Yutian Palace not far away, his handsome and cold face showed a bit of complexity.

When he left God's Domain before, he had just been named the Nine Heavens Profound Sage, which can be said to be infinitely beautiful, but now, he has to pretend to be Gong Ao to come back.

It's really unpredictable.

Muttering in his heart, Yue Feng moved his figure to go directly outside the Yutian Palace, and said loudly, "Gong Ao asks to see His Majesty."

Speaking of which, Yue Feng planned to impersonate Gong Ao and find Liuli purified water by himself, but he didn't know Liuli Where is the clean water, if it wanders around, it will arouse suspicion.

After all, this is God's Domain, and even if Gong Ao's status is not low, he can't go anywhere.

So after thinking about it, Yue Feng decided to take a risk and ask for it directly from the Nine Heavens God.

"Come in!" The

voice fell, and the deep voice of the Nine Heavens God came from the Yutian Palace.

Yue Feng didn't hesitate and strode in.

I'm going, there's something wrong with the atmosphere.

As soon as he entered the Yutian Palace, Yue Feng noticed something was wrong, and saw the God of Nine Heavens sitting there with a gloomy face, and the many priests on both sides below also looked solemn.

A depressing atmosphere pervaded the entire Yutian Palace.

Seeing this situation, Yue Feng felt inexplicably uneasy, walked over quickly, knelt down and saluted: "My subordinate Gong Ao, see Your Majesty."

Hmm!

Jiutian God responded lightly, his face did not fluctuate in the slightest: "Gong Ao, I have issued an imperial order that the magic mirror was taken away from the ghost world, so that you cannot save it with all your strength, you must get the magic mirror back. .Why did you come back?"

"Or, have you taken back the magic mirror?"

When he said this, the Nine Heavens God suppressed his anger.

Half an hour ago, Jiutian God got news from Gong Ao, saying that the sealing magic mirror was taken away. Jiutian God was very angry at that time, and then immediately issued an imperial order, asking Gong Ao to do his best to snatch back the sealing magic mirror.

However, just after the imperial order was issued, Gong Ao came back. In the eyes of the Nine Heavens God, Gong Ao was obviously dereliction of duty, and naturally there was some fire.

Chapter 3910

At this time, the God of the Nine Heavens still doesn't know that what is in front of him is not the real Gong Ao at all, but Yue Feng pretending to be.

What the hell!

Hearing Jiutian God's questioning, Yue Feng felt a little flustered.

Looking at the situation, I came at the wrong time, will it be revealed later?

"Your Majesty!"

Muttering in his heart, Yue Feng's head turned quickly, and he quickly said: "Your Majesty, calm down, your subordinates have asked the members of the Tiandao Alliance to track down the whereabouts of the magic mirror, and this time returning to God's Domain, there is something important to report. ."

What's more important?

Jiutian God frowned and spit out a word coldly: "Speak!"

Yue Feng took a deep breath and pretended to say: "It's like this, the person who stole the magic mirror is called Bai Yunfei, this person is the descendant of the devil, There is a demon soul in the body."

"Before Bai Yunfei went to the ghost world to snatch the magic mirror, he had fought with people from the Tiandao Alliance. At that time, there were several backbones of the

Tiandao Alliance who were forcibly taken by Bai Yunfei. Worm, only the colored glazed water can crack it. Therefore, when my subordinates come back, I implore Your Majesty to show mercy and give me some colored glazed pure water, so that I can save the backbone of the Heavenly Dao Alliance.”

When he said this, Yue Feng had a face on his face. Serious and sincere.

When he entered the Yutian Palace just now, Yue Feng thought about it and said that someone in the Tiandao League had been caught by the soul-devouring bloodworm. After all, the Tiandao League was established by Luo Jue at the behest of the Nine Heavens God, and he would not ignore it.

And such a thing?

Hearing this, Jiutian God frowned.

At the same time, the surrounding priests also spoke up, accusing Yue Feng of being wrong.

“Commander Gong Ao, are you crazy? You actually asked Your Majesty for glazed water?”

“That’s right, do you know that glazed water is the most precious treasure in the God’s Domain, and only His Majesty can enjoy it!

“

The words of the priests, you sent me a sentence, and the Nine Heavens God sat there with an indifferent expression.

Obviously, in the heart of the Nine Heavens God, the lives of those in the Tiandao Alliance are not worth paying attention to at all, and they are not qualified to use glazed water for treatment.

Nima!

Seeing this situation, Yue Feng’s face was indifferent, but his heart was secretly angry.

This is too ruthless, the Tiandao Alliance was established by your God Realm anyway. At this time, I knew that someone in the Tiandao Alliance had been infected with the soul-devouring bloodworm, and it was so indifferent.

Although what he said was false, but seeing the reactions of the Nine Heavens God and the surrounding priests, Yue Feng was still extremely chilled for the Tiandao League.

Thinking to himself, Yue Feng looked anxious and said to the Nine Heavens God: "Your Majesty, this subordinate knows that it is a bit abrupt, but the few people in the Soul Eater Bloodworm are the mainstay of the Heavenly Dao Alliance. Unexpectedly, the strength of the Heavenly Dao Alliance has been greatly reduced, and at that time, the progress of ruling the entire Jiuzhou rivers and lakes will also be affected." To be

honest, Yue Feng didn't want to say these compliments in his heart.

But there is no way, in order to get the glazed water, you can only go against your heart once, anyway, it is not really to save the people of the Tiandao Alliance.

Huh....

Hearing this, Jiutian God thought for a while, then nodded slowly and said: "Gong Aiqing is right, okay, I'm sure."

Glazed water is a treasure in the realm of the gods, Jiutian God is really reluctant, but before his eyes The 'Gong Ao' said is right, the pawn of the Tiandao Alliance will be used in many places in the future, and it can't be done too well.

At this time, the Nine Heavens God did not know that he was deceived by Yue Feng. Seeing that Jiutian

God finally agreed, Yue Feng was overjoyed and hurriedly said: "My subordinates, for the members of the Tiandao Alliance, thank Your Majesty Hong En.

"

When you arrive at the Liuli Purified Water, hurry back to Kyushu, the matter of sealing the magic mirror cannot be delayed."

Then, what did Jiutian God think of: "By the way, you heard the news earlier that Yue Feng killed Luo Jue, even the Holy Maiden of the Nine Heavens. He also betrayed God's Domain, is the situation true?"

Yue Feng was originally in a very comfortable mood, but when he heard this question, he was stunned.

This... The

next second, Yue Feng scratched his head and pondered: "Your Majesty, this matter is the negligence of your subordinates. At that time, the situation was not ascertained, so I jumped to a conclusion."

The ultimate husband in Chinese chapter 3911-3915

Chapter 3911

To be honest, Yue Feng didn't want Ti Luoju to be killed, after all, he was framed by himself.

But when I turned around, I thought, since the Nine Heavens God has asked, why not tell the truth and claim my innocence?

Um?

At this moment, Jiutian God frowned and looked at Yue Feng: "Negligence? What is the real situation?"

Hearing the inquiry, Yue Feng explained the real situation in detail.

At the end, Yue Feng said seriously: "In the circumstances at that time, Yue Feng should have been framed, the real murderer is most likely that Bai Yunfei, in this Kyushu, the only one who can kill Luo Jue, except Yue Feng, is that one. Bai Yunfei has flown."

That's it...

Knowing the situation, Jiutian God pondered for a moment, and then said lightly: "Even if Yue Feng is not the murderer, don't take it lightly, you have to be on guard everywhere, you know?"

Mad!

Yue Feng scolded secretly, this Nine Heavens God is really narrow-minded. At the beginning, I impersonated you just to leave the realm of the gods, but you are still brooding, and you are still targeting me even now.

Thinking so in his heart, Yue Feng looked respectful on the surface: "This subordinate understands."

Jiutian God didn't say more, and waved his hand: "Okay, you go to Yuyao Xianyuan to get the glazed water, and hurry up. Go back to Kyushu. You guarded Yuyao Xianyuan before, and you know where the glazed water is."

Yue Feng responded and quickly exited Yutian Palace.

When he got outside, Yue Feng suddenly got into trouble.

Nima, Gong Ao knows where the glazed water is, but I'm a fake, how could I know?

This chapter is provided by . Visit for daily update.

Murmuring in his heart, Yue Feng couldn't go back to ask the Nine Heavens God, so he could only bite the bullet and rush towards Yuyao Xianyuan.

"I have seen the commander of the palace."

At the gate of Yuyao Xianyuan, the guards outside were very respectful and saluted to Yue Feng.

Yue Feng used Yi Rong San, but the Nine Heavens God didn't see it, and even these guards couldn't see it.

At this time, Yue Feng wanted to ask these guards, where is the colored glaze water purification in Yuyao Xianyuan, but then think about it, these guards must not know about the treasure of colored glazed pure water, and if they ask him rashly, it will only cause problems. Suspect.

When you get inside, find a maid and ask.

Thinking to himself, Yue Feng walked into Yuyao Xianyuan.

When passing a garden, he heard the laughter of women inside, Yue Feng's heart moved, and he walked in.

What the hell!

how is she?

After entering the garden, Yue Feng was stunned when he saw the scene in front of him.

I saw that in the beautiful garden, a slender figure was swinging comfortably, with a few maids standing respectfully on both sides.

The woman who was on the swing was dressed in a long lavender dress. She was indescribably charming and innocent. It was the Princess Dongling that Yue Feng had met.

When Yue Feng first came to God's Domain, he was trapped in Yuyao Xianyuan and couldn't get out. At that time, when he met Princess Dongling, he was locked in the Five Dragons Formation, but at that time, Yue Feng survived the hardship, and got easy access to the Five Dragons Formation. Rong San, and then pretending to be the God of the Nine Heavens, will be considered a complete departure.

Although this incident has passed for a while, Yue Feng still remembers the scene at that time.

I thought that some maids were playing in this garden, but I never thought that it was Princess Dongling.

At this moment, Yue Feng didn't have time to think about it, and was about to turn around and leave.

"Gong Ao!"

However, before taking two steps, he heard Princess Dongling's cry.

Yue Feng was very helpless, stopped and looked back, and saw Princess Dongling looking at him with a half-smile, with something indescribable in her eyes.

The next second, Yue Feng squeezed out a smile and said politely, "Princess, what's the matter?"

Princess Dongling didn't answer directly, but waved her hand towards the maids around her, "You guys step back first. "

"Yes, Princess!" The

voice fell, and the maids slowly left the garden.

For a time, Princess Dongling and Yue Feng were left in the entire garden.

Seeing this scene, Yue Feng was stunned.

What is this Princess Dongling doing?

"Gong Ao!"

Just as Yue Feng was muttering to himself, he saw Princess Dongling smiling slightly and waved at him: "What are you stunned for? Come and push me on the swing!"

Princess Dongling said in a tone of voice. Gentleness is obviously very different from the attitude of being aloof.

Chapter 3912

Gudong!

Seeing Princess Dongling's smiling face, Yue Feng couldn't help swallowing secretly, and his whole body was covered.

What's the matter?

Could it be that there is an unspeakable secret between Princess Dongling and Gong Ao?

In his heart, Yue Feng couldn't refuse directly, so he walked over slowly and pushed Princess Dongling to start swinging.

At this time, Yue Feng did not know that Gong Ao had stayed in Yuyao Xianyuan for five hundred years, and had been in charge of the safety of Yuyao Xianyuan for five hundred years. Under such circumstances, he often met with Princess Dongling.

After a long time, Gong Ao gradually fell in love with Princess Dongling, and Princess Dongling also secretly fell in love with Gong Ao, but the two sides never broke it because of their identity.

A few days ago, Gong Ao told Princess Dongling that she had something to give her, but before it came out, she was sent to Kyushu by God of Nine Heavens.

At that time, Princess Dongling secretly rejoiced and guessed that Gong Ao might be about to confess to herself, so she had been waiting for news from Gong Ao for the past few days. When she saw him coming back, she was naturally overjoyed.

However, Princess Dongling did not know that the person in front of her was not Gong Ao at all, but Yue Feng in disguise.

hiss!

At this moment, Yue Feng was admiring Princess Dongling's perfect curve up close, and at the same time smelling the continuous fragrance, he couldn't help taking a deep breath.

It smells so good...

But soon, Yue Feng reacted.

I came here to get the colored glaze water, how could I appreciate Princess Dongling getting up? Gotta do it right away.

"Gong Ao!"

At this moment, while swinging on the swing, Princess Dongling said softly, "Before you went to Kyushu, you said there was something you wanted to give me. What is it?"

"

When the words fell, Yue Feng was stunned for a moment. He was not the real Gong Ao, how could he know what he was going to give you?

But how dare Yue Feng to show it, he can only pretend to be confused: "Really? I.... I said that before?"

When he said this, Yue Feng was indifferent and very anxious.

Nima, you have to find a way to get rid of this Princess Dongling. Hearing Yue Feng's answer, Princess Dongling got a little angry, Yu hand grabbed the swing and stopped, her eyebrows knitted together: "Didn't you say

it? Gong Ao, what do you mean? Could it be that my dignified Princess Dongling lied?"

, Princess Dongling looked charming: "If you don't know what to say today, I'll see how I punish you."

I'll go!

Seeing this, Yue Feng wanted to cry without tears.

The princess has started to be serious, and now it's troublesome.

In the next second, Yue Feng thought about it and said, "Princess, I have come to Yuyao Xianyuan to get the colored water purified by Your Majesty's will. Time is running out. For other matters, I will explain to you when I come back next time. ."

After saying this, Yue Feng wiped the cold sweat from his forehead and turned to leave.

"Stop for me!" Princess Dongling

stomped her feet angrily, and grabbed Yue Feng: "What is the glazed water purification? What I'm talking about now is the most important thing."

Feng subconsciously was about to break free, but while breaking free, he saw something fall from the golden armor Yue Feng was wearing.

pat...

At this moment, Yue Feng and Princess Dongling looked down at almost the same time.

Seeing this, Yue Feng was stunned.

I saw that this was a letter with flying feathers on it, which was very delicate. In addition, there are several elegant handwriting on it: Her Royal Highness Princess personally opened.

shit.

Seeing this, Yue Feng only felt that his brain was buzzing and blank.

Does Gong Ao really have something to send to Princess Dongling, or is it a private letter?

Princess Dongling was also stunned for a while, then picked up the letter and opened it to read.

While watching, Princess Dongling's red lips lightly parted, and she couldn't help but read softly: "There is a beautiful woman, and I will never forget it. If I haven't seen it for a day, I will think like crazy. "

Swoosh!

After reading a few words, Princess Dongling's beautiful face suddenly turned red, like a ripe apple, and her eyes flashed with endless joy.

Great, Gong Ao finally came to his senses and knew that he had written a love letter to me.

What the hell!

And Yue Feng, who was standing beside him, also widened his eyes and was completely stunned.

This Gong Ao is not small, to show his love to Princess Dongling in this way.

Yue Feng knew the ancient and modern times, and immediately heard that the love poem in the letter was the "Feng Qiu Huang" written by Sima Xiangru in the Han Dynasty in Kyushu. Princess, the purpose is obvious, this is to pursue Princess Dongling.

Chapter 3913

"Gong Ao!"

Just when Yue Feng was secretly shocked, he heard Princess Dongling's coquettish cry, then threw himself into Yue Feng's arms, and said with joy: "You fool, you have only begun to express your heart to me now. "

Don't you know, I've been waiting for this day."

Princess Dongling has a straightforward personality, she already had a good impression of Gong Ao, and when she saw this confession, she felt overwhelmed and said what she said in her heart. came out.

This...

Feeling the soft fragrance in his arms, Yue Feng was completely stunned.

I thought that Gong Ao's letter would make Princess Dongling angry, but she never thought that Princess Dongling would accept Gong Ao's confession, which is really unexpected.

But I'm not Gong Ao, what should I do?

Thinking about it, Yue Feng was in a hurry, like an ant on a hot pot.

"Go, go to my bedroom!"

At this moment, Princess Dongling left her embrace, took Yue Feng's hand, and walked towards the palace not far away with a happy face. , there is the palace where Princess Dongling rests.

At this time, Yue Feng was confused, and before he could react, he was pulled into the bedroom by Princess Dongling.

"Gong Ao!"

After entering the palace and sitting down, Princess Dongling smiled lightly: "I'm so happy today, how about you have a few drinks with me?"

This...

Yue Feng reacted and squeezed out a complicated expression. Smile: "Let's have a bar another day. I have to go back to Kyushu to do something very important..."

At this time, Yue Feng was almost on the verge of crying without tears. What happened today is really a coincidence. I knew that Gong Ao had a love letter hidden in his golden armor, so I didn't wear it at that time.

When the words fell, Princess Dongling was full of displeasure and pouted, "Is the matter of Kyushu more important than me?" She took Yue Feng as Gong Ao, and acted like a spoiled brat.

Facing this situation, Yue Feng scratched his head, very helpless.

At this time, Princess Dongling called the two maids: "Go and prepare some food and drinks. By the way, no one should tell me about Gong Ao's stay here, you know?"

"Got it, princess!" The

two maids He responded and went out to prepare.

After a while, several delicate side dishes were ready. Princess Dongling was in a good mood. She opened two jars of fine wine and filled Yue Feng herself, and the aroma of the wine was overflowing for a while.

At this time, after Princess Dongling asked the maid to retreat, she picked up the wine and said to Yue Feng, "Come on, let's have a drink."

Faced with this situation, Yue Feng couldn't refuse, so he had to pick up the wine glass and have a drink. Princess Dongling touched it and drank it.

Yue Feng thought about it, since Princess Dongling regarded him as Gong Ao he liked, he would be wrong, accompany her for a few drinks, and then take the opportunity to leave when Princess Dongling is drunk.

However, Yue Feng didn't know that at this time he and Princess Dongling were drinking the unique 'Jade Palace Qiong Brew' in the realm of the gods. This wine can only be enjoyed by the God of Nine Heavens, as well as Empress Hua Zhao and Princess Dongling.

Moreover, Yugong Qiongnian smells quiet and elegant, but it has a lot of stamina.

For a time, Yue Feng smiled and chatted with Princess Dongling while drinking.

"Gong Ao, when are you going to tell my father about our affairs?" Princess Dongling asked with a smile.

At this time, Princess Dongling had drunk a few glasses of wine, her delicate face was flushed red, and she was indescribably charming.

Yue Feng was stunned for a moment, not knowing how to answer.

Although Gong Ao has some prestige in the realm of the gods, he is only a commander. He pursues Princess Dongling, does he dare to tell the Nine Heavens God?

"Pfft!"

Seeing Yue Feng's tangled face, Princess Dongling couldn't help laughing, with a sly look on her face: "I'm teasing you, I know you don't have the guts to tell my father and emperor, I'll talk about it myself! "

Speaking, Princess Dongling leaned over and took Yue Feng's arm: "Don't worry, the royal father loves me the most, and will definitely help us."

Yue Feng squeezed out a smile, trying to break free, but he couldn't. Dare to show it.

For the next half an hour, Yue Feng chatted with Princess Dongling casually, but he never forgot about the glass water purification.

At the beginning, Yue Feng didn't feel anything, but slowly, he felt that something was wrong.

I go! !

At this moment, Yue Feng only felt that his whole head was dizzy, and his whole body, under the anesthesia of alcohol, was soft, and he could hardly sit still.

What kind of wine is this, the stamina is too big, right?

Chapter 3914 In the

next second, Yue Feng held his forehead and said, "Princess, it's almost time, I should go!"

Hiss.

As he said that, Yue Feng raised his eyes to look at Princess Dongling. When he saw it, he couldn't help but take a deep breath, and the whole person was dumbfounded.

I saw that Princess Dongling leaned sideways on the soft couch, and at some point she ripped off her long skirt, leaving only the underwear inside. The charming curves were looming. And that beautiful face, because of drinking alcohol, showed a charming blush at this time, which was extremely sexy.

Gudong!

Seeing this scene, Yue Feng couldn't help swallowing his saliva, sighing inwardly, he couldn't see that Princess Dongling's figure was so perfect.

That Gong Ao is really blessed to be favored by Princess Dongling.

Thinking to himself, Yue Feng stepped forward cautiously and said softly: "Princess, you are drunk, rest first, I should go too!" After the words

fell, Yue Feng shook his head, wanting to wake up a little, so he was ready to leave .

Swish!

But at this moment, Princess Dongling hugged Yue Feng!

Speaking of which, Princess Dongling seldom drank. She drank a lot with Yue Feng just now. She was already drunk at this time.

“Gong Ao, don’t go, can you stay with me tonight!” Princess Dongling was drunk and misty, and said softly to Yue Feng.

“Princess, calm down...” Yue Feng was startled.

As he said that, Yue Feng was about to break free, but the alcohol in his body broke out, and he couldn’t exert his strength at all.

The next second, Yue Feng was about to speak, but at this moment, Princess Dongling’s red lips kissed Yue Feng!

At this time, Princess Dongling completely let go of her restraint under the stimulation of spirits.

Pfft!

Yue Feng was completely stunned, his mind went blank, and then, Princess Dongling threw him at once, and the two instantly rolled on the soft slump.

“Princess, you...” Yue Feng’s head was in a mess, and he was very anxious. At the same time, I wanted to push Princess Dongling away, but under the anesthesia of spirits, she couldn’t push it away at all.

At this time, Princess Dongling couldn’t hear Yue Feng’s voice at all, and now she only had one thought in her mind, to make the ‘Dongao’ in front of her truly become her man.

She hugged Yue Feng tightly, untied the golden armor on Yue Feng’s body, her mind went blank, she bit her lip and sat down.

“Yeah!”

An intoxicating low voice echoed in the bedroom.

After an unknown amount of time, Yue Feng and Princess Dongling finally returned to peace.

At this time, the drinking power gradually receded, and Yue Feng’s consciousness slowly sobered up.

Oops.

After waking up, Yue Feng was in a bad mood.

At this time, Yue Feng was almost in a cold sweat, and he actually had an affair with Princess Dongling. This...isn’t this completely over? If the Nine Heavens God knows, the consequences cannot be imagined.

At this time, under Yue Feng's body, there was still a trace of blush on Princess Dongling's delicate face, and her eyes were fixed on Yue Feng, revealing a bit of shyness and joy.

"Gong Ao..."

Princess Dongling also woke up at this time, but she didn't regret the impulse just now, but hugged Yue Feng and said softly: "We have already done the courtesy of Zhou Gong, you will always be in the future. Be nice to me."

Hmm!

Yue Feng responded, but he couldn't help laughing and crying.

This was done by impersonating Gong Ao, and by chance, he had a relationship with Princess Dongling.

But on second thought, this Princess Dongling doesn't know her identity anyway, so what are you afraid of?

Thinking to himself, Yue Feng slowly opened his mouth and said, "You are so affectionate to me, and I will naturally treat you forever. By the way, do you know where the glazed water is?"

Princess Dongling smiled lightly and leaned against the Yue Feng said in his arms: "You have been guarding Yuyao Xianyuan for so long, why did you go to Kyushu and forget where the colored glaze water is?" After

speaking, Princess Dongling continued: "The colored glazed water is in the Five Dragon Array. In the forbidden area behind."

Five Dragons Formation!

Hearing this, Yue Feng's eyes lit up.

Of course, he knew that Yue Feng was imprisoned in the Five Dragons Formation by Princess Dongling at the beginning, but he did not expect that there was a forbidden area behind the Five Dragons Formation, and the glazed water was inside.

"Gong Ao, it's getting late, you can rest here." Princess Dongling hugged Yue Feng with a gentle face: "I explained it just now, no one knows you are here with me. I will wait until tomorrow morning. Go to the emperor, and I won't let you go to Kyushu, okay?!"

Chapter 3915

What?

Hearing this, Yue Feng was shocked.

What a joke, he is not the real Gong Ao at all, if he does not return to Kyushu, he will be completely exposed.

It's just these words, Yue Feng can't say it, so he can only squeeze out a smile and say: "Okay, you go to sleep first, I'll watch over you."

Well!

The princess smiled and nodded: "Gong Ao, you are so kind!" After speaking, she snuggled up on Yue Feng's body, closed her eyes and rested.

Yue Feng lay there, not daring to act rashly, just waiting for Princess Dongling to fall asleep, leave the palace, and go to get the glazed water.

Seeing that Princess Dongling was completely asleep, Yue Feng was full of excitement and was ready to get up.

"Your Majesty, your majesty is here!"

At this moment, a shout came from outside the palace, followed by footsteps.

What the hell!

Nine Heavens God and Empress Hua Zhao are here?

Hearing the call, Yue Feng's heart was shocked, and he panicked instantly.

At the same time, Princess Dongling also trembled and woke up suddenly.

"Gong Ao"

looked at Yue Feng's flustered look, and Princess Dongling comforted her: "Don't be afraid, I will explain to the father and mother later." While talking, Princess Dongling quickly sorted out the messy clothes.

Yue Feng was also in a hurry to get dressed.

Just as he was wearing it, he saw the Nine Heavens God and Empress Hua Zhao, surrounded by several maids, slowly walked in.

Yue Feng didn't have time to think about it, and turned around quickly. Although he changed his appearance to Gong Ao, the situation in front of him couldn't be seen by the Nine Heavens God and Lady Hua Zhao.

The moment he turned around, through the bronze mirror not far ahead, Yue Feng could vaguely see that the Nine Heavens God was dressed in a golden dragon robe, with a powerful aura.

Empress Hua Zhao, who was accompanying her, was also dressed in a gorgeous phoenix robe. Her delicate figure was vividly displayed under the foil of the phoenix robe, making her look extremely dignified and elegant.

And in the gentle and charming temperament, there is no loss of prestige.

It's just that Yue Feng was in no mood to appreciate it at this time, his head was full of cold sweat, and his heart suddenly sank to the bottom.

It's over, it's over.

Although Princess Dongling was protecting him, but he and Princess Dongling were disheveled. In such a state, the Nine Heavens God would definitely be furious.

Swish!

At this moment, seeing the situation in front of them, Jiutian God and Empress Hua Zhao were both stunned.

I saw Princess Dongling's clothes were messy, with a hint of flushing on her face, and next to her, a man stood with his back to him, also disheveled.

Because Yue Feng turned his back in time, he couldn't see his face, but even so, Jiutian God's face suddenly darkened, and his anger rose.

Who is this, such a daring man, who dares to have a private meeting with the princess, and also...

At the same time, Madam Hua Zhao's delicate face is also very wonderful, first she looked at Yue Feng, then at Princess Dongling, embarrassed.

What's the matter with my daughter, she is in the bedroom with a man... It's just ridiculous.

"Father, Queen Mother!"

Seeing this situation, Princess Dongling hurriedly said, "Don't get angry, listen to your daughter's explanation..."

"Shut up!" Before the words

were finished, the Nine Heavens God shouted violently. Immediately, he suddenly raised his hand and hit Yue Feng with a palm.

This palm contained incomparably overbearing power, Yue Feng did not dare to take it hard, but turned around and rushed out of the bedroom.

Yue Feng had seen the strength of the Nine Heavens God and knew that he was not an opponent, so he could only run away.

Phew...

Nine Heavens God was full of anger and chased after him.

“Royal Father!”

Seeing this scene, Princess Dongling was so anxious that she wanted to chase out, but was stopped by Empress Hua Zhao.

“Dongling!”

At this time, Empress Hua Zhao’s delicate face was full of anger: “You have been very self-willed since you were young, and your mother and queen are all up to you, but I didn’t expect that you are getting more and more courageous, and you are actually in the palace. “...”

As she said, recalling the scene just now, Empress Hua Zhao blushed.

Pfft!

At this moment, Princess Dongling woke up completely, realized the seriousness of the matter, and quickly knelt down: “Mother, it was my daughter who asked him to stay in the bedroom, please don’t blame him and the father.”

What?

Hearing this, Empress Hua Zhao frowned: “You two...” Before she

finished speaking, Princess Dongling said quickly: “Mother, we are in love with each other, and we have already made a private life, but my daughter has never been with her. You said it.”

“Tonight, my daughter forced him to drink, and he was too drunk at the time, and then it happened.”

The ultimate husband in Chinese chapter 3916-3920

Chapter 3916 At the

end of the chapter, Princess Dongling pleaded with her face: "Mother, you love me the most, I know the father must be very angry, please help me to speak, let us do it."

This.....

listen At this point, Empress Hua Zhao's delicate face was full of complexity and she was silent.

Princess Dongling is her most beloved daughter. Although today's affairs are a bit rambunctious, but then again, she has reached the age of marriage. Since they are in love with each other, it's okay to do it like this.

Thinking to herself, Empress Hua Zhao breathed a sigh of relief and said slowly, "If that's the case, I'll help you to talk, you stay in the palace and are not allowed to go out, you know?"

Although she didn't see Yue Feng's face, But Empress Hua Zhao believes that the man who can make her daughter's favor must be extraordinary.

"Thank you, Queen Mother!"

Seeing Empress Hua Zhao's answer, Princess Dongling was overjoyed and quickly said, "I knew that you love me the most."

Empress Hua Zhao sighed and walked out of the palace slowly.

Right now, on the other side.

In midair, Yue Feng flew forward rapidly, wishing he could grow a pair of wings.

Behind him, a golden light was chasing after him, and he saw a figure shrouded in the golden light, his face was extremely gloomy, and killing intent erupted all over his body.

It is the God of the Nine Heavens.

boom!

Soon, the distance was getting closer and closer, Jiutian God raised his hand and waved, and a golden beam shot out, coming straight towards Yue Feng's back. Yue Feng didn't have time to dodge, and was directly hit, groaned, and landed directly.

This chapter is provided by . Visit for daily update.

At the same time as he landed, the Yi Rong San on Yue Feng's face lost its effect and returned to his original appearance.

However, the Nine Heavens God did not see this scene.

puff.

After landing, Yue Feng's face was pale, and he only felt that the power of the primordial spirit was tightly imprisoned, and he was immediately shocked.

Ma De, the power of God in these nine days is indeed terrifying, and with just one move, his power is sealed.

It was at this moment that the Nine Heavens God slowly landed. At this time, he finally saw Yue Feng's face clearly, and was stunned for a moment.

Yue Feng?

In the next second, Jiutian God's anger rose up. This Yue Feng was so daring, he dared to break into Yuyao Xianyuan and mess with his daughter.

Feeling the wrath of the Nine Heavens God, Yue Feng looked calm, but felt a little despair in his heart.

It's over, it's over now.

"Yue Feng, this time it was you who came to the door automatically, no wonder I." Jiutian God's face was full of gloom, and he said word by word: "This time, even if the master is here, I will destroy your spirit and soul!"

"After falling, Jiutian God grabbed Yue Feng and quickly returned to Yuyao Xianyuan.

As soon as I arrived at the hall of Xianyuan, I saw Empress Hua Zhao standing there anxiously.

Seeing that the God of Nine Heavens had captured the man, Empress Hua Zhao hurriedly greeted him.

Yue Feng?

At this moment, seeing Yue Feng's face, Empress Hua Zhao's delicate body trembled, and she was stunned.

The man who is in love with his daughter is Yue Feng?

When Princess Dongling interceded before, she never said Gong Ao's name, and Yue Feng had been facing away from her before, so Empress Hua Zhao didn't see Yue Feng's disguised appearance.

In this case, seeing Yue Feng's face at this time, Empress Hua Zhao subconsciously believed that the person her daughter liked was Yue Feng.

"What are you doing here?"

At this time, the Nine Heavens God frowned and scolded Madam Hua Zhao, "Don't look at your daughter yet? This kid is daring, I must destroy his primordial spirit and call him eternal. Don't turn over." The

voice fell, Jiutian God raised his hands, and suddenly a terrifying aura gathered around the hall.

"Your Majesty, please don't..."

At this moment, Empress Hua Zhao hurried over and stopped the Nine Heavens God, her delicate face showing complexity: "Don't do it first, let me tell you." As

she said, Empress Hua Zhao pulled Jiutian God to the side hall next to him.

When they arrived at the side hall, Jiutian God suppressed his anger and said, "What are you doing? Why are you stopping me?"

Empress Hua Zhao breathed a sigh of relief and said softly, "Your Majesty, calm down first, my daughter told me just now that the two of them are The two love each other..." In the next few minutes, Empress Hua Zhao explained the situation.

Because I didn't see Yue Feng's appearance as Gong Ao, in Empress Hua Zhao's heart, she believed that her daughter liked Yue Feng. After all, Yue Feng had been to Yuyao Xianyuan before, and he was also the Nine Heavens Profound Sage conferred by his master. It was completely logical that his daughter liked him.

Chapter 3917

What?

Hearing Empress Hua Zhao's words, the Nine Heavens God froze there, his face gloomy and uncertain.

In love with each other?

Daughter and Yue Feng are in love with each other?

Like Empress Hua Zhao, the God of Nine Heavens had never seen Yue Feng Yi Rong's appearance before, and subconsciously believed that her daughter liked Yue Feng.

At this time, neither the Nine Heavens God nor the Empress Hua Zhao knew that they had made a huge misunderstanding.

Huh...

Finally, the Nine Heavens God reacted and said coldly: "If this is the case, I will kill this ignorant boy." When he said this, the Nine Heavens God was almost unforgivable.

In the heart of Jiutian God, Yue Feng pretended to be himself before, and it was an unforgivable sin. Even if he was named Jiutian Xuansheng by his master, and Nuwa came forward to mediate, in Jiutian God's heart, he still couldn't understand Yue Feng.

Especially the matter of Jiutian Xuansheng, Jiutian God has been unconvinced in his heart.

This Yue Feng is just a human being, how can He De be the Nine Heavens Profound Sage?

And now, this Yue Feng has a relationship with his daughter again, which makes Jiutian God simply unable to bear it, and only feels that his majesty has been tarnished.

Therefore, this Yue Feng must die, and the death is very tragic.

"Your Majesty!"

Feeling the wrath of the Nine Heavens God, Madam Hua Zhao became anxious and persuaded softly: "Stop your anger, if you kill Yue Feng, what will happen to your daughter in the future?"

"Blame her for being miserable and liking people she shouldn't."

Saying that, Jiutian God became more and more angry: "This Dongling is so self-willed. Before Yue Feng brought the demon clan to make trouble at Yutian Palace, doesn't she know?"

"No, you still have to like this kid."

For a while, the Nine Heavens God was furious and gushed endlessly.

"Okay, okay..."

Empress Hua Zhao's delicate face was full of helplessness: "I know you have always been disgusted with this Yue Feng, speaking of which, I don't have a good impression of him either. Eat the spirit fruit."

After speaking, Madam Hua Zhao changed her tongue and continued: "But anyway, he is also the Nine Heavens Profound Sage conferred by the master, and his status is second only to you, so it doesn't matter if Dongling follows him. I've been wronged by my identity. Besides, Dongling is already with him..."

Empress Hua Zhao was ashamed to say the last two words, but her delicate face was full of seriousness.

At this time, Empress Hua Zhao was speaking the truth. She really did not have a good impression of Yue Feng, but the matter had come to an end, so she had no choice but to complete Princess Dongling.

After all, the two sides have established a relationship, and they slept together just now, and the raw rice became cooked rice.

More importantly, many maids also saw it at that time. The so-called family ugliness should not be exposed. If the Nine Heavens God killed Yue Feng, what would happen to her daughter's happiness in the future?

"You..."

At this moment, Jiutian God frowned and looked at Empress Hua Zhao in surprise: "What did you say? Are you going to betroth Dongling to that boy Yue Feng?"

Empress Hua Zhao nodded.

"You're crazy." Jiutian God was stunned, his eyes full of conflict.

Afterwards, Jiutian God shook his head with a determined look: "No, this is absolutely impossible."

That Yue Feng is just a scheming clown, how can he be qualified to match his daughter?

Huh...

Empress Hua Zhao breathed a sigh of relief and patiently persuaded: "Your Majesty, you are angry, I can understand, but think about it, the matter of Yue Feng and her daughter has become a fact, and the scene just now, Many maids have seen it."

“If Yue Feng dies, her daughter’s reputation will be ruined, so let’s be a good man and directly recruit Yue Feng to be the son-in-law of Chenglong Kuai. In this case, others will not make irresponsible remarks. “

More importantly, Yue Feng has become our son-in-law. In the future, will he dare not to listen to His Majesty’s words?”

This...

Hearing these words, Jiutian God frowned and pondered, and his heart gradually calmed down.

There seems to be some truth to what the lady said.

The ugliness of the family cannot be made public. Yue Feng is really going to die, and his daughter’s happiness will be gone. Moreover, this Yue Feng is rebellious and acts recklessly. He has accepted him as his son-in-law. With this relationship, he can be restrained.

At this moment, in the next hall.

Yue Feng was sealed by the Nine Heavens God, and he sat there unable to move, feeling extremely uneasy.

Chapter 3918

Nima!

At this moment, looking at the side hall, the Nine Heavens God and Empress Hua Zhao were constantly discussing what, Yue Feng’s heart was even more ups and downs, and he was extremely uneasy.

Are you discussing how to kill me?

It’s no wonder that if her daughter was defiled, who wouldn’t be angry.

But today’s incident, there are too many coincidences, I am really wronged.

Thinking about it, Yue Feng almost wanted to cry without tears.

At this moment, the sound of footsteps came, and I saw Jiutian God and Empress Hua Zhao returning to the hall.

Gudong!

At this moment, Yue Feng raised a heart in his throat, and was panicked, but his face showed a very calm look.

Swish!

At the same time, the Nine Heavens God and Empress Hua Zhao also looked at Yue Feng up and down.

The atmosphere seemed a little dull and subtle.

“Yue Feng!”

Finally, Jiutian God took a deep breath and said coldly to Yue Feng, “Tell me, what happened to you and Dongling?”

Just now, Jiutian God obeyed Empress Hua Zhao. Suggestion, decided to recruit Yue Feng as son-in-law, but before the announcement, you need to ask Yue Feng.

This....

Yue Feng’s mind turned quickly, showing a smile, and said cynically: “This, you should ask your daughter.”

Because he didn’t know what Jiutian God meant, Yue Feng was not good at talking nonsense, he could only Lead the topic to Princess Dongling.

Swish!

Seeing Yue Feng’s attitude, Jiutian God was very angry, but he still suppressed it.

Seeing that the atmosphere was about to stiffen, Empress Hua Zhao said softly at Yue Feng, “Yue Feng, don’t be nervous, Ben Gong and His Majesty have already figured out the matter between you and Dongling.”

After speaking, Empress Hua Zhao said. Showing a smile, he continued: “Since the two of you are in love with each other, and it has developed to this point, it is natural that Your Majesty and I are not good at fighting mandarin ducks.”

What?

In love with each other?

Hearing this, Yue Feng was stunned, his mind was blank, and the whole person was stunned.

Although he knew Princess Dongling, but he had no feelings, and Princess Dongling liked Gong Ao, how could he be in love with him?

For a while, Yue Feng was very puzzled, but he didn't dare to ask more about the situation in front of him.

And then, Empress Hua Zhao's words made Yue Feng completely stupid.

"Yue Feng!"

At this time, Empress Hua Zhao bit her lip lightly, and said very seriously: "Just now, this palace discussed with His Majesty, and decided to complete you and Dongling, and seal you as Jade Dragon Consort, after His Majesty's announcement, I will find a good day to arrange your wedding, how?"

I went...

At this moment, Yue Feng opened his mouth wide, only to feel his brain buzzing, completely messy.

You heard it right!

Nine days God wants to recruit himself as his son-in-law?

At this moment, Yue Feng was completely stunned.

He thought that this time he would die, and Jiutian God would not spare him easily, but he never imagined that Jiutian God would not only not kill himself, but also recruit himself as his consort.

It's an incredible turnaround.

"Yue Feng!"

Seeing the change in Yue Feng's expression, Jiutian God was very impatient: "Looking at you like this, is it possible that you are still unwilling? What? Is my daughter Dongling not worthy of you?"

"

At the same time, Empress Hua Zhao was also watching Yue Feng closely, waiting for his answer.

Gudong! At this moment, Yue Feng's heart was in a mess. After secretly swallowing his saliva, he smiled bitterly: "How come, Princess Dongling's golden branches and jade leaves are not

worthy of me?

Complimentary words, but there is no way, the life at this time is in the hands of Jiutian God, if the Jiutian God is angered, it will be completely over.

Um!

Hearing this answer, Jiutian God's face softened a lot, and he said, "Since you have no opinion, you can live here temporarily, but before the wedding, you are not allowed to meet Dongling again." After

saying that, Jiutian God To Empress Hua Zhao, she said, "Send more people to watch him, and don't let him walk around."

Although it has been decided to recruit Yue Feng as his concubine, this is Yuyao Xianyuan, and the royal rules must be followed.

The last word fell, and the Nine Heavens God turned and left the hall.

Chapter 3919

Empress Hua Zhao responded, and then smiled at Yue Feng: "Your Majesty has spoken, you can stay here, and I will arrange for a few maids to come. Whatever you need, just tell them."

Said Then, Empress Hua Zhao also walked out slowly.

What the hell!

At this moment, Yue Feng wanted to cry without tears, and was so anxious.

I still have to go back to save the Great Sage and Xiaoyu with the glazed water. How can I stay here and marry Princess Dongling?

Thinking to himself, Yue Feng was going to take the opportunity to slip away, but Yuanshen was sealed tightly, and there were many divine soldiers guarding outside the hall. Seeing this situation, Yue Feng was suddenly desperate.

...

the other side.

Princess Dongling sat uneasy in the bedroom, her delicate face was full of anxiety.

Did the royal father catch Gong Ao? Will it kill him?

Did your mother intercede for her?

“Dongling!”

Just when Princess Dongling was in a state of anxiety, she heard a gentle voice, and then, Empress Hua Zhao came in.

After leaving the front hall, Empress Hua Zhao immediately came to Princess Dongling, ready to tell her the good news.

“Queen Mother!”

Seeing Empress Hua Zhao coming in, Princess Dongling quickly stood up, her face full of nervousness: “How is it?”

Empress Hua Zhao pursed her lips and scolded, “Look at how nervous you are, you are so big, a little bit. Don’t let the mother worry.”

With that said, Empress Hua Zhao breathed a sigh of relief and continued: “I have already pleaded with Your Majesty for you, and His Majesty promised not to pursue it, and has already agreed to your marriage.”

Wow!

Hearing this, Princess Dongling was overjoyed and hugged Empress Hua Zhao’s jade arm: “That’s great, thank you Queen Mother!” She was nervous just now, but now she can finally relax.

Thinking of being able to finally become a family with Gong Ao, Princess Dongling’s indescribable happiness.

Madam Hua Zhao was also in a good mood at this time, she said with a smile, “Speaking of which, you are too self-willed in today’s matter, but Yue Feng is also considered a talent, and as the Nine Heavens Profound Sage, your combination is also considered a match. “

But even so, when I persuaded your father just now, I spent a lot of words, so after getting married, you are not allowed to play any more nonsense, you know?”

Empress Hua Zhao smiled all over her face when she said this.

However, Princess Dongling’s delicate body trembled, and she was stunned.

What did the mother say?

Do you want to marry Yue Feng? How could this be?

Thinking to herself, Princess Dongling looked at Empress Hua Zhao: "Empress mother, you...you said just now that I am married to Yue Feng ?

"

With a smile, he said, "What? Do you think getting married too soon? Silly daughter, you have already done the ceremony of Duke Zhou. If you don't get married soon, do you want the queen mother and your majesty to be laughed at?"

"No..."

Dong Ling The princess shook her head and almost cried: "Mother, are you mistaken, I like Gong Ao!"

Thinking of Yue Feng, Princess Dongling's delicate face was full of resistance: "This Kyushu man used to fight against his father with the demon clan, and the father has always hated this man, how can I marry him?"

Um?

Hearing this, Empress Hua Zhao frowned and was stunned.

The next second, Madam Hua Zhao's delicate face showed a bit of displeasure: "Dongling, what are you talking about? How can a lifetime of happiness be such a child's play?"

"With contact, the next second he said he liked Gong Ao, which was too capricious.

At this time, Empress Hua Zhao didn't know that Princess Dongling always liked Gong Ao, but today's incident, there were many coincidences, and then there was a big misunderstanding.

"Queen Mother..." Princess Dongling's face was full of anxiety, and she had to say more.

As soon as he said two words, he was interrupted by Empress Hua Zhao: "Dongling, as a princess, how can you be so promiscuous? You and Yue Feng were in the bedroom before, and your clothes were disheveled, and your father and I both watched. In your eyes, you have already promised your marriage, but now you say that you like Gong Ao?"

"If you do this again, I will not care about your affairs in the future. Let me tell you, Your Majesty has personally agreed to your marriage with Yue Feng. , I can't change it!"

"From now on, you will stay in the bedroom honestly and prepare well for the wedding."

After saying this, Empress Hua Zhao turned and left with a disappointed face.

Chapter 3920

“Queen Mother!”

Princess Dongling was full of grievances, she didn't know where she was wrong, and wanted to chase after her, but Empress Hua Zhao had already gone far.

How could this be?

At this moment, Princess Dongling's body became weak, and she slumped on the soft couch, her mind was in chaos.

He is clearly with Gong Ao, why does his mother insist that it is Yue Feng?

.....

On the other side, Kyushu.

Xi Cang Continent, the main altar of the Five Poison Sect.

Bai Yunfei sat on the chair in the room, his handsome face was full of anxiety.

Ji Hongshang stood there respectfully, her delicate face was full of solemnity and complexity.

Since the sealing magic mirror was taken away from the ghost world, the news spread like wildfire and quickly spread throughout the Kyushu. For a time, all the sects were in an uproar.

Under such circumstances, the various sects headed by the Tiandao Alliance sent people to investigate Bai Yunfei's news. Not only that, but the Ouyang family was also searching for the whereabouts of the magic mirror.

Speaking of which, the Tiandao Alliance had just wiped out the Ouyang family, and the two sides were already mortal enemies, but because of the sealing of the magic mirror, there was still a tacit understanding and no conflict broke out.

After all, the strength of the Demon Lord Gone in the Sealed Magic Mirror cannot be underestimated. Once he is released from the Sealed Magic Mirror, the entire world will be overturned.

Under this circumstance, Bai Yunfei had been hiding in the Five Poison Sect, and did not show up easily in the rivers and lakes, but even so, the people of the Ouyang family

and the Heavenly Dao Alliance still focused their attention on the Five Poison Sect based on inference.

After all, during this time, Bai Yunfei was walking around the rivers and lakes, and Ji Hongshang, the sect master of the Five Poison Sect, was always by his side. Therefore, both the Tiandao Alliance and the Ouyang family suspected that Bai Yunfei was hiding in the main altar of the Five Poison Sect.

And half a day ago, the hundreds of thousands of disciples of the Tiandao Alliance and the Ouyang family had already sent people to head towards the Five Poison Sect.

Hearing the news, Bai Yunfei was very anxious.

You must know that it will take three days for the Demon Lord Gone to leave the sealed magic mirror, and within these three days, the sealed magic mirror cannot leave the blood pool of the secret room, otherwise, the previous efforts will be in vain.

Anxious, Bai Yunfei called Ji Hongshang to discuss countermeasures.

It's just for a while, and I can't think of a perfect way to deal with it.

"Sect Master."

At this time, Ji Hongshang said cautiously, "The Heavenly Dao Alliance and the Ouyang Family are threatening, and it is not appropriate for us to confront it. Why don't we temporarily withdraw to Tianxiang Valley."

Tianxiang Valley is the place where Su Qingyan was imprisoned, and the scenery is beautiful there. , the location is hidden.

Bai Yunfei shook his head, and without even thinking about it, he denied it: "It's definitely not possible. You don't know that Your Excellency Mozun is at a critical moment and cannot leave the secret room."

This....

Hearing this, Ji Hongshang frowned . Lock, suddenly made trouble.

This is a bit of a hassle.

The Demon Venerable cannot be transferred, but if it is not transferred, Bai Yunfei and the Five Poison Sect alone cannot stop the Heavenly Dao Alliance and the Ouyang Family.

Got it!

Under the entanglement, Ji Hongshang's eyes flashed, and she suddenly had an idea: "Sect Master, I have a way, but this way is too bloody and cruel."

Brutal?

Bai Yunfei showed a smile and said lightly: "Come on!"

In his heart, as long as he can solve the trouble in front of him, he will not care about cruelty or not.

Ji Hongshang hesitated and said softly, "Have the sect master ever heard of the ancient poisonous scorpion?"

The ancient poisonous scorpion?

Hearing this, Bai Yunfei's eyes flickered, revealing an extremely complicated expression.

The ancient poisonous beetle is a highly poisonous long insect that was active in Kyushu thousands of years ago. It belongs to a type of centipede, but it is huge in size and can grow to more than 100 meters long, which is very terrifying.

In addition, the ancient poisonous scorpion contains highly poisonous. According to legend, a hundred-meter-long ancient poisonous scorpion, the poison formed by the poison in the body can cover the area of 1000 meters, and the poisonous mist is extremely corrosive, whether it is a cultivator, or spirit beasts, as long as you inhale poison, you will become poisonous and poisonous beasts.

After becoming a poisonous person and a poisonous beast, the mind will also be paralyzed by the highly poisonous poison, thus losing its mind, and finally turning into a cruel and murderous monster.

It can be said that the ancient poisonous beetle is an extremely dangerous existence.

At this moment, Bai Yunfei reacted and looked at Ji Hongshang: "I naturally know the ancient poisonous scorpion, what exactly is your plan, say it directly."

Hu...

Ji Hongshang took a light breath and said slowly: "In the forbidden area of the mountain behind the main altar of my Five Poison Sect, there is an ancient poisonous scorpion. This poisonous scorpion has existed for a longer time than our Five Poison Sect. It is said that it was captured by the founding ancestor of our Five Poison Sect, and then Sealed in the forbidden area of the back mountain."

The ultimate husband in Chinese chapter 3921-3930

Chapter 3921

said, Ji Hongshang paused and continued: "This poisonous scorpion is much bigger than the ancient literature records, my plan is very simple, release this poisonous scorpion and lead it to the Tiandao Alliance. The only way to go with the Ouyang family."

"At that time, the Tiandao Alliance and the Ouyang family will definitely fight with the ancient poisonous scorpion. As long as they inhale the poison and become poisonous one by one, they will be completely messed up! "

When she said this, Ji Hongshang's tone was serious, but there was complexity in her eyes.

This plan can perfectly stop the Tiandao Alliance and the Ouyang family, but it is also very inhumane. You must know that there is no cure for the poisonous poison of the ancient poisonous scorpion. Moreover, after the first batch of poisoned people become poisonous people, Hurting other people will turn other people into poisonous people.

In other words, the virulent poison of the ancient poisonous beetle is extremely terrifying. Even the disciples of the Five Poison Sect who are good at poisoning will become poisonous people if they are infected.

So Ji Hongshang was a little hesitant. Although this plan could block the Tiandao Alliance and the Ouyang family, once the poison spreads and spreads to Kyushu, when the time comes, she and Bai Yunfei will become sinners through the ages.

"Hmm..."

At this moment, Bai Yunfei pondered for a while, nodded and said, "Okay, just follow this plan."

Speaking of which, Bai Yunfei knew what the consequences of releasing the ancient poisonous scorpion might be. The safety of the Demon Venerable can only be taken desperately.

In a blink of an eye, it was night.

In a canyon dozens of miles away from the main altar of the Five Poison Sect, more than a hundred thousand people were seen marching forward in mighty ways, all dressed in black, the elites of the Heavenly Path Alliance.

At the front, Guo Dong was riding a war horse, holding a long sword, and he was majestic.

After Luo Jue's death, Guo Dong continued to express himself in front of Gong Ao, and he was more and more used by Gong Ao. This time he learned that Bai Yunfei might be hiding in the Five Poison Sect. Guo Dong strongly recommended himself, and then with Gong Ao's permission, led hundreds of thousands of elites to the Five Poison Sect to contain Bai Yunfei.

And behind the mighty team of Tiandao League, there is a team of tens of thousands of people, it is the Ouyang family.

Half a day ago, Wen Chou Chou got the news and deduced that Bai Yunfei was hiding in the Five Poison Sect, so he and Yue Wuya brought everyone here.

This chapter is provided by . Visit for daily update.

"Uncle Wen!"

At this time, Yue Wuya suppressed his anger and said, "This Guo Dong, who followed Gong Ao before, came to our Ouyang family to show off his power, and now we meet here, don't we take revenge?"

", Yue Wuya glared fiercely at the Tiandao Alliance team ahead.

Wen Chou Chou let out a light sigh of relief and said slowly, "Y'er, you have to calm down. We have a deep feud with the Heavenly Dao Alliance. Sooner or later, the feud will be avenged, but the most important thing in front of us is to find Bai Yunfei."

"You should be clear, Once the Demon Venerable leaves the Sealing Mirror, what does it mean? At that time, the entire Kyushu will be turned into hell. So we have to take the overall situation into consideration and find Bai Yunfei first."

Hearing this, Yue Wuya took a deep breath.

At this moment, in the Tiandao Alliance team ahead.

"Protector!"

An elite disciple approached Guo Dong and said, "The Ouyang family is following us, haha, I thought they would seek revenge from our Heavenly Dao Alliance because of Sun Dasheng's wife, but one of them turned out to be one. More than a coward." The

voice fell, and the other elite disciples around also laughed.

The corners of Guo Dong's mouth twitched, and his eyes were full of contempt: "The Ouyang family? It's just a bunch of rabble, how can they compare with our Heavenly Dao League? What if they have Yue Feng in charge? We have the support of God's Domain, and they dare to come up and ask for trouble. , is courting death."

Haha...

Hearing this, the surroundings burst into laughter.

Mad!

Guo Dong's voice was not loud, but everyone who was a few hundred meters behind Wen Chou Chou heard it.

This Guo Dong is really a villain. The Ouyang family took care of the overall situation, so they did not rashly clash, and this Guo Dong actually made an inch.

"Uncle Wen!"

At this time, Yue Wuya couldn't hold it anymore, his eyes were blood red, and he shouted, "This Guo Dong is too ignorant, I have to teach him a lesson!" The

voice fell, Yue Wuya raised his hand and waved, Grasping the Overlord's Hammer, he soars into the sky.

Chapter 3922

"Y'er, don't be impulsive!"

Seeing this scene, Wen Chou Chou's face changed, and at the same time, he rushed to stop it. It's just that Yue Wuya's speed was too fast, and in the blink of an eye, he reached the top of the Tiandao Alliance team.

Swish!

At this moment, the elite disciples of the Heavenly Dao League sensed the breath coming from the top of their heads, and they all looked at them, and suddenly there was an uproar.

"Tianmen Sect Master Yue Wuya?"

"What does this kid want to do?"

"Are you coming here alone?" While

everyone was talking, Guo Dong also raised his head to lock on Yue Wuya, sneering and mocking: "Boy, do you want to come over and pick something up? "If it was before, Guo Dong was still a little jealous of Yue Wuya, but with the increasing influence of the Heavenly Dao Alliance in Kyushu, at this time, Yue Wuya was not in his eyes at all.

Mad!

Yue Wuya's eyes were blood red, and his whole body was full of anger: "Stop talking nonsense, your Heavenly Dao Alliance has harmed our Ouyang family, causing countless deaths and injuries, and today I will ask you to pay the debt with blood."

Thinking of Aunt Li Nan's tragic death, Yue Wuya was furious. Although Yue Wuya didn't return to the Ouyang family until he grew up, everyone cared for him, especially Sun Dasheng's daughter-in-law Li Nan, who regarded him as his own son.

A few days ago, Gong Ao led the elites of the Heavenly Dao League to encircle the Ouyang family, and Li Nan died tragically to protect Sun Dasheng. Yue Wuya was deeply grieved and could not accept this.

And just now, this Guo Dong made a mockery of the Ouyang family, which made Yue Wuya completely unable to bear it.

Hehe...

Hearing this, Guo Dong's face changed suddenly, he stared at Yue Wuya, and sneered: "Want my life? I'm afraid you don't have that ability."

Om!

The voice fell, and a powerful breath permeated from Guo Dong! He suddenly raised his hand and hit Yue Wuya with a palm!

"Clang!"

Yue Wuya's face was gloomy, Moe hesitated, raised his hand and collided with Guo Dong's palms!

Just hear a loud bang! At the moment when the two palms collided, a tyrannical fluctuation of internal force swept the audience!

Guo Dong and Yue Wuya groaned at the same time, and both of them were shaken out of the sky. Obviously, no one took advantage of this palm!

But in Yue Wuya's heart, he was suddenly shocked!

You must know that when Yue Wuya was a teenager, he got the Overlord Hammer, and at first he was taught by Lu Jiechen, the leader of the Ming sect, and then he returned to the Ouyang family, and he got the guidance of Wen Chou Chou and Sun Dasheng, and his strength improved by leaps and bounds. , Up to now, it is the late stage of Transcending Tribulation Realm.

As for Guo Dong, who was only the head of a small sect a year ago, he has no name. Now he joined the Tiandao Alliance for only a few months, and his strength has become so strong?

call!

Shocked, Yue Wuya took a deep breath and shouted: “Guo Dong, today is your death!” The voice fell, holding the Overlord’s Hammer tightly in his hand, and rushed over again!

“Although let the horse come over!” Guo Dong snorted coldly, but he was not afraid!

The voice fell, and the two fought fiercely in mid-air.

In the blink of an eye, the two sides fought fiercely for more than ten minutes, and neither could suppress the other.

Yue Wuya has the Overlord Hammer, and is in the late stage of the Tribulation Realm, which is a rank higher than Guo Dong. However, Guo Dong had been appreciated by Luo Jue before, and had practiced some exercises in the God Realm. In the past few days, he was rewarded by Gong Ao with the God Realm Spirit Pill.

In this case, the two sides were evenly matched.

For a time, neither of the two sides could do anything about the other, and they were a little anxious.

“You die for me!”

At this moment, Yue Wuya’s eyes were extremely blood-red, and when he shouted angrily, he saw a red light burst out from the Overlord’s Hammer, like a red thunderbolt, heading directly towards Guo Dong.

hum!

This red light is amazing. Everywhere you go, the air is cut through cracks!

Having owned the Overlord’s Hammer for so many years, Yue Wuya had already understood the essence of the Overlord’s Hammer.

This **** light is the special power contained in the Overlord’s Hammer. At this time, it was urged by Yue Wuya, and it was as terrifying as the thunder of the sky.

“Om!”

At the moment when the blood-colored light appeared, the entire sky was reflected in a blood-red color, and the domineering and unparalleled aura made the people below look extremely frightened!

In particular, everyone in the Ouyang family was extremely excited.

“Young master has made a killing move!”

“Guo Dong, this villain, can force the young master to display his stunt, it is also an honor!”

Chapter 3923

Although Yue Wuya is already the new Sect Master of Tianmen, the Ouyang family is still used to calling him Young Master.

And Wen Chou Chou, who was standing there, frowned secretly.

Although this Guo Dong is arrogant, he is not a fool. If he dares to clamor with Yue Wuya like this, he must have the stunt of pressing the bottom of the box. For a time, Wen Chou Chou really wanted to rush up, but if he did, he would fall into trouble in the Tiandao Alliance, saying that he and Ya'er were two to one, and that the victory would not be possible.

Thinking to himself, Wen Chou Chou suppressed the urge to shoot.

The discussions of the people in the Ouyang family kept coming, but on the Tiandao League side, they frowned, secretly sweating for Guo Dong.

You must know that Yue Wuya became famous much earlier than Guo Dong, and he also possessed the most powerful stunt. I'm afraid... Your Excellency the Dharma Protector can't stop it.

The following discussions kept coming, Guo Dong's eyes showed a trace of relief, and he was not panic at all.

“You want to kill me with this little strength?”

Guo Dong said coldly, then slowly raised his hands, and saw a group of golden lights flickering up. Then, the group of golden lights quickly transformed into a golden shield. In front of Guo Dong.

This is the defensive stunt that Luo Jue had passed on to him before, the Heavenly Armored Shield.

The defensive stunt of the Heavenly Armored Shield was a medium-low skill in the Divine Realm, but in Kyushu, it was a top-level skill.

A shield of inner strength?

Seeing Guo Dong relying on his inner strength to transform the golden shield, Yue Wuya sneered, his eyes full of contempt. This shield looks domineering, but it is only superficial, and it can't stop the blow of the Overlord's Hammer.

However, just as this idea flashed, the scene in front of him made Yue Wuya dumbfounded.

boom!

I saw the red light erupted from the Overlord's Hammer, slammed into the golden shield, and heard a loud noise, and immediately, thick smoke billowed around!

After a few seconds. The smoke gradually dissipated, and the golden shield shattered and disappeared, while Guo Dong stood proudly in mid-air without any damage.

Obviously, the power of the red light that erupted from the Overlord's Hammer was completely blocked by the Heavenly Armored Shield.

What?

How is this possible?

Seeing this scene, Yue Wuya's heart was shocked, and he was immediately stunned.

He burst out the strongest blow, but he didn't threaten Guo Dong at all, how could this be?

At this time, Yue Wuya didn't know that what Guo Dong had just used was the defense skills of the God's Domain. Not only that, but during the period of becoming the guardian of the Heavenly Dao League, Guo Dong took advantage of his position to collect a lot of natural materials and treasures to take. The inner strength is extremely strong.

Therefore, Yue Wuya's strongest blow, although powerful, still couldn't hurt Guo Dong.

What?

At this moment, the people of the Ouyang family, who were originally very excited, were also dumbfounded.

The young master's strongest blow was actually... blocked by Guo Dong?

Wow...

and the elite disciples of the Heavenly Dao Alliance were jubilant.

“Your Majesty the Dharma Protector is mighty...”

“Haha, it’s an eye-opener. The Dharma Protector is amazing.”

In the cheers, Guo Dong’s face was full of pride, and his eyes flashed with arrogance and excitement, staring at Yue Wuya: “The dignified Lord of Heaven’s Gate, that’s all, you’ve already taken action, now it’s my turn.”

The words fell, Guo Dong burst out, rushed over, and slapped Yue Wuya’s heart with a fierce palm!

“Bang!”

At that time, Yue Wuya was still in shock, he didn’t react at all, he groaned, the whole person was like a kite with a broken string, and was blown away by several hundred meters! A mouthful of blood spurted out, his face pale and extremely weak.

Mad!

Seeing this scene, everyone in the Ouyang clan was furious and rushed up to guard around Yue Wuya.

“Young Master, how are you?”

“Young Master...”

At the same time, each and everyone looked at Guo Dong coldly, his eyes flashing with anger.

“Ma De, Guo Dong, you want to be shameless, and you actually attacked?”

“If the young master has three strengths and two weaknesses, I will kill you.”

At the same time, Wen Chou Chou also urged his figure, rushed into the air, and confronted Guo Dong.

At this time, listening to the scolding of the people in the Ouyang family, the tens of thousands of elites of the Tiandao League, not to be outdone, started to shout.

“You said that the Protector made a sneak attack? Are you embarrassed?”

“That’s right, it’s clear that Yue Wuya’s skills are not as good as others, and the Lord Law Protector didn’t kill him with the palm of his hand just now. It’s already a big deal.”

“Want to fight? Who is afraid of who? , come anyway!”

Chapter 3924

The scolding from the two sides below, Guo Dong just pretended not to hear it, and looked at Wen Chou Chou with a pair of eyes that were half-smiling but not smiling: “What? Palace Master Wen also wants to come and learn?”

When he said this, Guo Dong’s face was full arrogant.

Anyway, we have already started, why don’t we take this opportunity to take down Wen Chou Chou and Yue Wu Ya. In this way, even if we can’t find Bai Yunfei’s whereabouts later, it will not be a waste of time.

Wen Chou Chou’s face was gloomy and did not respond.

For a time, the atmosphere became solemn, the two sides were drawn to each other, and the war was about to break out.

Whoosh!

However, at this moment, not from the night sky in the distance, there was a sudden aura fluctuation, and then, a figure flew quickly.

From a distance, I can see that the person who came was dressed in white, with a tall and straight body, handsome facial features, and indescribably handsome and unrestrained.

It was Bai Yunfei.

Swish!

Seeing Bai Yunfei, everyone on both sides who were facing off was stunned.

I was looking for this kid, but this kid actually showed up.

Finally, Guo Dong reacted and pointed at Bai Yunfei and shouted: “Bai Yunfei, you scum, you still have the courage to show up?”

Guo Dong said to Wen Chou Chou, “Palace Master Wen, this Bai Yunfei stole the seal. The magic mirror threatens the safety of the world, how about letting go of our grievances for the time being?”

Guo Dong was cunning and cunning, he thought of arresting Wen Chou Chou and Yue Wu Ya first, and then going to search the Five Poison Sect, but unexpectedly, Bai Yunfei suddenly appeared.

In order to prevent the Ouyang family from joining forces with Bai Yunfei, Guo Dong had no choice but to offer a temporary settlement.

Wen Chou Chou coldly snorted, neither agreeing nor denying it.

Guo Dong's thoughts, Wen Chou Chou immediately guessed.

To be honest, Guo Dong injured Yue Wuya, and Wen Chou Chou was very angry, but Bai Yunfei appeared at this time.

However, Wen Chou Chou did not intend to deal with Bai Yunfei with the Tiandao Alliance, but landed down, sat cross-legged, and began to heal Yue Wuya.

The members of the Ouyang family were all around, helping to protect the law.

Seeing this scene, Guo Dong had no worries for the time being. Wen Chou Chou helped Yue Wu Ya to heal, so he didn't have the chance to join forces with Bai Yunfei, and he didn't have to worry anymore.

Thinking to himself, Guo Dong took a deep breath and shouted at Bai Yunfei: "Bai Yunfei, I won't say much nonsense. Immediately hand over the magic mirror and return to the Heavenly Dao Alliance with me."

Guo Dong knew that Bai Yunfei was very powerful, but He led tens of thousands of Heavenly Dao League elites, and consumed energy to kill him.

Ha ha! Hearing this, Bai Yunfei had a relaxed expression on his face, and said slowly, "Those of foxes

and tigers, Guo Dong, with your status, you are not qualified to talk to me."

Come and tell me in person."

When he said this, Bai Yunfei's eyes were full of pride.

At the same time, Bai Yunfei's peripheral vision also looked behind him from time to time.

Half an hour ago, Bai Yunfei led the ancient poisonous scorpion out according to the plan. It's just that Bai Yunfei is fast, leaving the ancient poisonous scorpion behind.

According to the speed of the ancient poisonous scorpion, it will take a few minutes to get here. In these few minutes, Bai Yunfei only needs to hold the Tiandao League people.

Mad!

Feeling Bai Yunfei's contempt, Guo Dong only felt that he had been greatly humiliated, and his face was extremely ugly.

"Everyone in the Tiandao Alliance listens to the order!" In the

next second, Guo Dong howled loudly: "No matter what the cost is today, Bai Yunfei will be captured alive."

Whoa!

As soon as the voice fell, tens of thousands of Heavenly Dao League elites mobilized their inner strength, pulled out their long swords, and surrounded Bai Yunfei.

Facing this situation, Bai Yunfei looked as usual, and smiled lightly: "There are a lot of people, I'm afraid that you will not only be unable to catch me tonight, but also fall into a situation of doom."

After speaking, Bai Yunfei glanced behind him, revealing that A smile.

Ancient poisonous beetle, it's up to you later.

arrogant.

Hearing this, Guo Dong was so angry that he ordered to do something.

Hissing...

But at this moment, a hissing sound came from the night sky not far away. The sound was very strange and made one's scalp tingle.

hiss!

In an instant, whether it was Guo Dong and everyone from the Tiandao Alliance, or the Ouyang family and others not far away, they all looked towards the night sky. Seeing this, everyone gasped.

Chapter 3925 I

saw that a huge figure came quickly.

It is the ancient poisonous beetle.

This ancient poisonous scorpion is more than one hundred meters long, with two hundred long legs on both sides. It is covered with dark green scales, and a pair of eyes flashes with bloodthirsty light.

Not only that, there are two pairs of wings on the back, and the huge body is filled with green flames.

These green flames were burned by the highly poisonous poison discharged from the body of the ancient poisonous scorpion.

For a time, the moment the ancient poisonous scorpion appeared, the temperature of the surrounding air suddenly dropped. At this time, it was spring, but it gave people the feeling that it was like late autumn.

In shock, everyone felt chills down their spines.

“What a big centipede.”

“My God, how many years has this centipede cultivated to grow so big, with a green flame on its body...”

For a while, many people couldn't help but exclaimed in a low voice, thinking that , The huge thing in front of me is a centipede, but I don't know that this is an ancient poisonous beetle.

At the same time, Yue Wuya, who was sitting cross-legged and healed, couldn't help but sigh: “This is the first time I've seen such a big centipede!” After the words

fell, Wen Chou Chou next to him shook his head and said solemnly. : “This is not a centipede, it seems to be an ancient poisonous cockroach!”

When he said this, Wen Chou Chou's heart trembled and his voice trembled.

Wen Chou Chou is erudite and talented, and the behemoth in front of him is unknown to others, but he recognizes it at a glance.

The poison in the body can form a flame, and only the ancient poisonous scorpion can achieve this level.

However, what shocked Wen Chou Chou was that according to ancient books, the largest body length of the ancient poisonous scorpion was only tens of meters, but the one in front of him actually reached 100 meters. Not only that, but also two wings grew on its back.

Incredible.

Ancient poisonous beetle?

Hearing this, both Yue Wuya and the others around him were stunned.

In the next second, Yue Wuya couldn't help but ask: "Uncle Wen, what is the ancient poisonous scorpion?"

Wen Chouchou took a deep breath and said slowly: "The ancient poisonous scorpion is a poisonous insect that lived in the ancient times. The poison is very domineering, and all the living beings are charred. According to rumors, as long as you inhale the poison of the ancient poisonous scorpion, you will become a poisonous person, and there is no cure."

"It can be said that this is a change of color Horror exists, even the Shenlong clan will be afraid of it when they see it, but this ancient poisonous insect disappeared thousands of years ago, I didn't expect that there are still near the five poisonous sects!"

So terrifying?

Hearing this, Yue Wuya and the surrounding Ouyang family couldn't help but gasp, and they were completely stunned.

I thought it was a centipede, but I didn't expect it to be so big.

"Bai Yunfei!"

At this moment in midair, Guo Dong recovered from his shock, and mocked at Bai Yunfei: "How many accomplices do you think you have, and you speak so arrogantly, it turns out to be a big centipede!"

Guo Dong With limited cognition, it is impossible to see at all. The behemoth in front of him is a poisonous beast that only existed in ancient times. Like everyone around him, he thought it was just a centipede.

Bai Yunfei chuckled and did not respond, but took out a bag from his body and sprinkled it directly into the crowd of Tiandao Alliance.

This is a packet of rosemary pollen.

In an instant, the pollen was flying all over the sky, and the charming fragrance filled the Tiandao League crowd in an instant.

Bai Yunfei did this because the aroma of rosemary can stimulate the ancient poisonous beetle.

Of course, most people don't know about this, and it is only recorded in the secret tome of the Five Poison Sects.

After doing this, Bai Yunfei looked relaxed, and said lightly to Guo Dong: "You guys can play with this big centipede, forgive me for not accompany, farewell!" The

voice fell, Bai Yunfei urged the figure, towards the distant night sky fly away.

Want to run?

Seeing this scene, Guo Dong will gather the elites of the Heavenly Dao Alliance to chase after Bai Yunfei.

"Hiss..."

However, at this time, under the stimulation of rosemary, the ancient poisonous scorpion became violent in an instant, making a hissing sound, and rushed into the Tiandao League crowd.

Just saw the hundreds of long legs on both sides of the ancient poisonous scorpion, waving frantically, like a long line of sharp knives, where blood flew everywhere.

"Ah!"

All this happened so suddenly that many elites of the Heavenly Dao League couldn't react in time, they screamed and fell in a pool of blood.

The ultimate husband in Chinese chapter 3926-3930

Chapter 3926

Huhuhu...

Not only that, the ancient poisonous scorpion opened its big mouth and spewed green flames. These flames contained highly poisonous. In the blink of an eye, there were hundreds of Tiandao League elites, in green In the flames, it turned into bones, which looked terrifying.

Seeing this scene, Guo Dong was furious, and quickly urged his inner strength to deploy a shield in front of him in an attempt to block the green flame.

Chi Chi Chi!

In an instant, the green flame hit the Tianjia shield, and the Tianjia shield was quickly eroded and melted away little by little.

At this time, the ancient poisonous scorpion suddenly swung its body, and its tail slammed towards Guo Dong.

Guo Dong didn't have time to dodge, and was directly pulled out. He flew more than a hundred meters before he fell heavily to the ground, and a mouthful of blood spurted out.

Mad!

Guo Dong struggled to get up, his eyes were blood red, staring at the ancient poisonous scorpion.

I was a dignified guardian of the Heavenly Dao Alliance, but was injured by a centipede. Where would I put my back? If you don't cut it into eight pieces, it's hard to solve the hatred in your heart.

This!

At this time, seeing the power of the green flame, the disciples of the Tiandao League present were all shocked.

"This green flame is so strong, even the golden shield of the protector can't resist..."

"Yeah, what is the origin of this big centipede?"

"They all have complex expressions."

This chapter is provided by . Visit for daily update.

This ancient poisonous scorpion is so terrifying, I wonder if these tens of thousands of Heavenly Dao League elites can stop it.

"Hiss..."

At this time, the ancient poison of Huoshang became more and more crazy, with a long tongue in his mouth, and rushed into the elite crowd of Tiandao League again.

"Ah!"

A scream came, and hundreds of other disciples of the Heavenly Dao League fell in a pool of blood.

Mad!

Seeing this situation, Guo Dong was completely angry, and he shouted: "How dare you dare to be mad?" The voice fell, and the long knife in his hand suddenly swung, and

saw a dazzling sword light, cut through the air, and slashed into ancient times.
Poisonous beetle.

boom!

The golden sword glow, seemingly unmatched in power, slammed into the ancient poisonous scorpion without leaving a single scar.

This time, Guo Dong was completely stunned, Mad, how powerful is this giant centipede's defense?

Being raided by Guo Dong, the ancient poisonous scorpion went completely crazy, Yangtian screamed, and his huge body turned, and rushed towards Guo Dong directly.

Guo Dong clenched the long sword tightly, but at this time he also went out of his way. Instead of retreating, he jumped up to meet the attack.

Until this time, Guo Dong didn't know what kind of terrifying existence he was facing, thinking that with his own strength, he could subdue it.

"Pfft!" In the

next second, Guo Dong, relying on his agility in movement, avoided the attack of the ancient poisonous scorpion, jumped directly on the back of the ancient poisonous scorpion, and stabbed its head with a long knife.

This knife stabbed, and a jet of green blood shot out, and the ancient poisonous scorpion screamed in pain, and the huge body swayed wildly.

Haha...

Guo Dong held the long knife tightly to prevent himself from being thrown off, and at the same time laughed loudly: "A mere centipede should be presumptuous in front of this protector... ah..."

Just as he was talking, Guo Dong suddenly screamed, and saw that the green blood spurting from the wound of the ancient poisonous scorpion splashed onto Guo Dong's face, and thick smoke rose up, almost in the blink of an eye. The skin instantly turned dark blue.

"Ah!"

Guo Dong howled in pain, let go of the long knife, his body fell from the ancient poisonous scorpion, and he rolled on the ground.

This...

Seeing this scene, the surrounding Tiandao League disciples were extremely frightened. They wanted to go around to check the situation, but they didn't have the courage, because at this time Guo Dong's skin was green and green, and it was too scary. .

At the same time, Yue Wuya and everyone in the Ouyang family couldn't help gasping for air.

As expected of the ancient poisonous scorpion, this poison is too overbearing.

call!

Wen Chou Chou took a deep breath and said solemnly: "It seems that the records in ancient books and documents are good, once you get poisoned by the ancient poisonous scorpion, you will become a poisonous person. This Guo Dong's poisoning is too deep, and he will soon change. It's over!"

When he said this, Wen Chou Chou looked at Guo Dong's eyes, full of indifference.

People like Guo Dong, insidious, despicable, arrogant, and arrogant, deserve such an end, and deserve no sympathy.

Chapter 3927

"Hoho!"

Just as he was talking, he saw Guo Dong slowly stand up. At this time, his face turned dark blue, his eyes shone with evil light, and bursts of tears and laughter came out of his mouth. the sound of.

Hiss...

Seeing this scene, both the Ouyang family and the elite disciples of the Heavenly Dao League couldn't help but gasp.

Wen Chou Chou is right, Guo Dong was poisoned by the ancient poisonous cockroach, and at this time he has become a poisonous person. After becoming a poisonous person, he loses his own thoughts, and his mind is full of killing.

"Hoho..." In the

next second, Guo Dong looked around, yelled like a beast, and rushed into the crowd of Tiandao League.

Kill, kill, kill! At this time, Guo Dong lost his mind, and only this word echoed in his mind!

“Ah...”

Guo Dong, who became a poisonous man, was like a monster. He cut down on anyone he saw, and even bitten a lot of people. In the blink of an eye, dozens of elites from the Heavenly Dao League fell in a pool of blood.

What is shocking is that the wounds of the Heavenly Dao League elites were bitten, not bright red blood, but a green color.

Obviously, after being bitten by Guo Dong, these Heavenly Dao League elites were also infected with highly poisonous, and even if they didn't die, they would become poisonous people.

Faced with this situation, the other Heavenly Dao League elites were all stunned, panicked and puzzled.

what's going on?

Is Your Excellency the Protector crazy? How did you kill yourself?

In shock, many people approached cautiously and tried to block it.

“Lord Protector, calm down...”

“Guardian...”

However, before these people approached, they were knocked to the ground by Guo Dongzhen and passed out one by one.

“Hiss...”

At the same time, the mad ancient poisonous scorpion opened its bloody mouth and spewed out poisonous juice. When the poisonous juice met the air, it instantly turned into a poisonous mist, and it quickly moved towards the surroundings. diffusion.

The speed of the poisonous mist was very fast. After inhaling it, many elites of the Heavenly Dao League felt that they could not breathe.

Immediately afterwards, as the poisonous gas spread into the body, these Tiandao League disciples also became like Guo Dong, their skin was blue, their spirits were crazy, and they finally became poisonous people.

For a time, the situation was extremely chaotic, screams, hoarse shouts, mixed together, like hell.

Gudong!

Seeing this scene, everyone in the Ouyang family also felt that their legs were weak.

As expected of the ancient poisonous scorpion, this is too terrifying. As long as the poison infects a person, and this person loses his mind, he will infect other people.

According to this rhythm, the tens of thousands of Tiandao League elites in front of them will all become poisonous within ten minutes.

“Withdraw!”

At this time, Wen Chou Chou was the first to react and made a decisive decision: “Quick, get out of here.” The ancient poisonous scorpion spewed poisonous mist, and within a radius of 1000 meters, it became a dangerous area. If you don’t leave, it will be too late.

Speaking of which, Wen Chou Chou also wanted to help these Heavenly Dao League elites, but this ancient poisonous beetle was too powerful and completely powerless.

Hearing this, Yue Wuya and the others did not hesitate, and quickly evacuated with Wen Chou Chou.

call!

A few minutes later, Wen Chou Chou and the others retreated to a hillside a dozen miles away. When they looked back and saw the canyon where the ancient poisonous scorpion was located, everyone couldn’t help but take a deep breath, each with a complicated expression.

I saw that the canyon was completely shrouded in green poisonous fog.

“Uncle Wen!”

At this time, Yue Wuya couldn’t help but said, “What should we do next? Bai Yunfei deliberately attracted the ancient poisonous scorpion, just to hold us and the Tiandao Alliance. It can be seen that he must Hidden in the Five Poison Sect.”

Wen Chouchou nodded: “Yes, that canyon is the only way to enter the Five Poison Sect, and now it is shrouded in poisonous fog, we can’t get through it at all. More importantly, this ancient poisonous scorpion is too strong, I’m afraid no one in Kyushu can control him.” After

speaking, Wen Chou Chou suddenly thought of Yue Feng, and said with emotion: “If only Feng Zi was here now.”

Thinking of Yue Feng, Wen Chou Chou was not only secretly worried. Wake up, it has been five days since Yue Feng went to God’s Domain, but there is no news at all.

When the voice fell, everyone looked at each other, and everyone became anxious.

Because Wen Chou Chou was right, as soon as this ancient poisonous scorpion appeared, it would destroy Guo Dong and tens of thousands of elites of the Heavenly Dao League. Once they left the valley, Kyushu would be in chaos.

Chapter 3928

Bai Yunfei didn't catch it, and now another ancient poisonous cockroach has appeared.

The situation is getting worse and worse.

"You guys!"

At this time, Wen Chou Chou thought of something, and immediately ordered to the people around him: "I immediately send a request to the major sects for help, and tell the truth about the situation here. In addition, quickly invite the senior Shennong over. Hurry up."

At that time, Wen Chou Chou and Yue Wu Ya brought people to the Five Poison Sect, and they did not let Shen Nong come, but let him stay with Zhu Bajie and Chang'e in the Ouyang family.

Regarding the matter of the ancient poisonous scorpion, Yue Feng was away, so he could only pin his hopes on Shennong.

After all, Shen Nong was called the ancestor of medicine by the world, and he probably knew how to deal with the ancient poisonous scorpion.

"Yes!"

After being instructed, several disciples of the Ouyang family left quickly.

But Wen Chou Chou, Yue Wu Ya and others stayed on the hillside, always keeping an eye on the movement of the ancient poisonous beetle.

...

On the other side, the Five Poison Sect!

Bai Yunfei made a big circle in the sky, making sure that no one was chasing him, so he returned to the Five Poison Sect.

"Sect Master!"

As soon as he landed, Ji Hongshang hurried up to meet her, her delicate face full of anticipation: "How is the situation?"

Speaking of which, Ji Hongshang should go to the matter of bringing out the ancient poisonous scorpion. It's just that the ancient poisonous scorpion is very powerful, and Ji Hongshang is completely unsure to lead the ancient poisonous scorpion to the canyon, so Bai Yunfei can only go out in person.

Hearing the question, Bai Yunfei smiled slightly: "Successful, the ancient poisonous scorpion not only dragged the Tiandao Alliance into the canyon, but also dragged the Ouyang family."

"Now that canyon is completely shrouded in poisonous fog, and it has become a dangerous area. In a short period of time, no one can safely pass through it"

Great!

Hearing this, Ji Hongshang was very happy, and immediately thought of something: "Sect Master, I heard that Yue Feng went to the God's Domain, and it seems that he wants to get the glazed water to relieve the soul-eating bloodworms of Sun Dasheng and Wen Xiaoyu.

", Ji Hongshang tentatively said: "While Yue Feng is not here, we might as well destroy the Ouyang family in one fell swoop."

Killing Yue Feng and destroying the Ouyang family is Ji Hongshang's old grudge, and he has never forgotten it.

call!

Bai Yunfei took a deep breath and frowned, "No, it's still useful for me to keep the Ouyang family."

Immediately, Bai Yunfei instructed, "There are still three days before Your Excellency Mozun leaves the Sealing Mirror, so the most important thing now is to Do your best to protect the safety of Demon Venerable, understand?"

After saying this, Bai Yunfei turned around and left.

Ji Hongshang stood there and responded with a respectful expression on her delicate face, but she was somewhat dissatisfied.

This Bai Yunfei clearly promised to help me get rid of Yue Feng. But after so long, every time he shied away perfunctorily with reasons.

no!

In this matter, we can't rely on Bai Yunfei for everything, we have to find a way by ourselves.

Thinking to herself, Ji Hongshang's eyes flashed coldly.

...

on the other side, God's Domain.

In a teleportation array not far from Yutian Palace, after a flash of light, a figure emerged, dressed in golden armor, and the whole body was filled with a rebellious aura.

It was Gong Ao.

When he left God's Domain before, Gong Ao kept thinking about this matter because he didn't hand over the letter he wrote to Princess Dongling, but because Bai Yunfei stole the magic mirror, he couldn't get away.

A day ago, Gong Ao got the news that Bai Yunfei might be in the Five Poison Sect. At that time, Gong Ao sent Guo Dong to take someone to the Five Poison Sect, while he himself took this opportunity to quietly return to the Divine Realm, intending to give the letter to the Five Poison Sect. Princess Dongling.

However, what made Gong Ao extremely annoyed was that the golden armor that put the letter was lost, and the letter disappeared.

At this time, Gong Ao had thought about it. Since the letter was lost, he would confess to Princess Dongling himself, but after this matter, he would thoroughly investigate the theft of the golden armor.

Thinking about it, Gong Ao moved his figure, bypassed Yutian Palace, and rushed towards Yuyao Xianyuan.

Um?

When he was about to arrive, Gong Ao couldn't help frowning secretly when he saw the scene in front of him.

what's going on?

I saw that the entire Yuyao Xianyuan was decorated with lanterns and lanterns, and many places were holding red ribbons and sticking the big red happy words. Many maids were busy back and forth, which was a festive scene.

In doubt, Gong Ao moved his figure and entered Yuyao Xianyuan.

“Your Excellency!”

When they arrived at the palace where Princess Dongling lived, several busy maids greeted Gong Ao politely when they saw Gong Ao.

Gong Ao frowned and asked, “What’s going on in Xianyuan? How come the lights are so colorful?”

Chapter 3929

Several maids looked at each other and laughed.

The next second, one of the maids said, “Your Excellency Commander, you don’t know yet. In two days, it will be the wedding day of Her Royal Highness Princess Dongling.”

Big wedding?

Hearing this, Gong Ao’s body was shocked, but his mind was buzzing.

How is this possible?

At this time, Gong Ao was in a mess.

Although he hadn’t confessed to the princess, he knew in his heart that Princess Dongling also liked him, and he had never heard that Princess Dongling had any other favorites.

Why did you suddenly get married?

Seeing Gong Ao froze there, the maids didn’t care and continued to work.

call!

Finally, Gong Ao came to his senses and was so anxious that he broke into the palace of Princess Dongling directly.

“Commander stay!”

As soon as they arrived outside the palace gate, the guards guarding the guards stopped Gong Ao.

Gong Ao was so anxious that he said angrily: “You dare to stop me?”

The maid in the lead was embarrassed and smiled bitterly: “Your Majesty has an order that you are not allowed to see anyone before the princess’s wedding, command Your Excellency, don’t be embarrassed We.”

Hearing this, Gong Ao couldn't help but hold back his anger, so he had to endure the impulse and turned around and rushed to Yutian Palace.

At this time, in the Royal Heaven Palace, the Nine Heavens God had just discussed with many priests about the wedding.

“okay!”

Everything was arranged properly, Jiutian God waved his hand: “This wedding in Dongling, there must be no mistakes, you all go to prepare.

” As soon as his forefoot left, Gong Ao hurried in and knelt down respectfully: “Gong Ao sees Your Majesty.” At this time, Gong Ao looked respectful, but his eyes were extremely complicated. On the way to Yutian Palace just now, Gong Ao also found out through some patrolling soldiers that it was Yue Feng who held the wedding with Princess Dongling two days later. This made Gong Ao both shocked and angry. This Yue Feng killed Luo Jue, publicly betrayed God's Domain, and robbed his own Princess Dongling at this time. This is absolutely unbearable. Um? Seeing Gong Ao, Jiutian God frowned and was very displeased: “Gong Ao, why are you back?” Back again? Gong Ao was stunned for a moment, very puzzled, why did His Majesty say that he was back? After I went to Kyushu by myself, this was the first time I came back. Seeing Gong Ao's confused face, Jiutian God was even more angry: “What kind of confusion are you making for me? I asked you to bring Liuli purified water and hurry back to Jiuzhou. You're better, you haven't gone back until now, right?” Liulijing water? Hearing this, Gong Ao was completely stunned. However, Gong Ao was quick-witted, and quickly guessed that someone stole his golden armor and pretended to be his own God Realm to meet the Nine Heavens God. And this person must be Yue Feng. Thinking of this, Gong Ao was furious, and then his heart was swayed, and he said boldly: “Your Majesty, the minister leaves and returns, there is only one thing to ask for.”

Jiutian God said coldly: “What's the matter?”

Huh!

Gong Ao took a deep breath and asked, “This subordinate wants to beg Your Majesty to cancel this wedding!”

What?

The voice fell, and the face of Jiutian God changed suddenly. This Gong Ao is really bold. How can the princess's wedding be cancelled if it is cancelled?

In the face of Jiutian God's wrath, Gong Ao felt up and down in his heart, but he still said: “Your Majesty, this is the case, this subordinate and Princess Dongling have a good impression of each other. When I went to Kyushu before, my subordinate wrote A letter... But later, both my golden armor and the letter disappeared.”

"I suspect that Yue Feng stole my golden armor and came to God's Domain to pretend to be me, and at the same time asked His Majesty for glazed water. , and also lied to the princess."

At the end, Gong Ao took a deep breath: "Please, Your Majesty, be clear!"

Yue Feng pretended to be Gong Ao?

Hearing this, Jiutian God's face was gloomy and uncertain, and then he frowned: "Gong Ao, if you like Dongling and deliberately made up these words, I don't blame you, but a big marriage is not a child's play." After speaking, Jiutian

God waved: "Okay, you retire."

At this time, the God of Nine Heavens did not believe what Gong Ao said, because when I went to see Princess Dongling with Empress Hua Zhao, it was Yue Feng who was there, and I didn't see Yue Feng at all. Make up to look like Gong Ao.

Chapter 3930

Nine Heavens God thinks that Gong Ao deliberately fabricated this because he liked Princess Dongling in order to cancel the engagement.

"Your Majesty!"

Seeing that Jiutian God didn't believe in him, Gong Ao suddenly became anxious: "Everything my subordinate said is true, the princess can't marry him, actually I..."

Gong Ao at this time , almost crying. The princess you like is about to marry someone else, who can stand it?

"Shut up!" Before

he could finish speaking, he was interrupted by a violent shout from the Nine Heavens God: "Gong Ao, I have always used you very much, but don't make up facts just because I appreciate you. , unreasonably making trouble."

"Yue Feng and the princess are in love with each other, and they are in the same household. I agree with this marriage very much, so don't say more, even if you like the princess, you can only say that you have no fate."

"If you continue In this case, I will remove your command and never use it again!" At the end, Jiutian God waved his hand: "Okay, the affairs of Kyushu still need you to deal with it, especially the magic mirror, which must be recovered. Come, don't let me down."

“My subordinates retire!”

Gong Ao responded, and walked out of the Yutian Palace in despair, his face full of gloom.

Yue Feng, you rob my princess, you want you to never be saved.

.....

On the other side, the continent of Kyushu!

Bai Yunfei drew out an ancient poisonous scorpion that turned Guo Dong and tens of thousands of Tiandao League elites into poisonous people, and soon spread throughout Kyushu, and all sects were shocked in an instant.

Afterwards, under Wen Chou Chou’s request for help, many sects from various continents came to support them one after another. Among them, there were Dan Zong, Mingjian Villa, and the Western Cang Royal Family.

Not only that, after getting the news, Shennong, Zhu Bajie, and Chang’e also came quickly.

At this time, on the hillside dozens of miles away from the Five Poison Sect, the major sects gathered together, hundreds of thousands of people, the scene was very vast, but the expressions on everyone’s faces were very solemn.

Just a few kilometers away from the hillside, the only canyon that leads to the Five Poison Sect, at this time, the poisonous mist is lingering, there is a dead silence, and there is no sign of life, just like a strange domain.

At the entrance of the canyon, I saw the huge body of the ancient poisonous scorpion, lying there, and went into a short hibernation.

Around it, a dense crowd of people were wandering around, their skin was emerald green, their eyes were empty, but there was a kind of evil spirit, like a walking corpse.

It was Guo Dong, who was poisoned, and tens of thousands of elites from the Heavenly Dao League.

call!

Seeing this scene, the masters of the major sects present were secretly shocked.

Terrible, just like hell. Especially thinking that after being poisoned by the ancient poisonous scorpion, he would become a thoughtless poisonous person, and everyone felt a chill in their hearts.

“Senior Shennong!”

At this time, Wen Chouchou came out and respectfully said to Shennong: “This ancient poisonous scorpion is extremely poisonous, domineering and violent. I wonder if senior can solve it?”

“

The voice fell, and the eyes of everyone around him also converged on Shennong.

Shen Nong shook his head and said solemnly: “The poison in the body of the ancient poisonous scorpion, there is no way to decipher it in the ancient literature. The old man has studied medical theory for so many years, and he has tried to decipher the poisonous poison of the poisonous scorpion, but unfortunately, there has never been a way to decipher it. Progress...” It’s

over!

Hearing this, Wen Chou Chou and the people around them looked at each other in dismay, and their moods sank to the bottom.

If even Yaozu Shennong can’t do anything, it seems that this catastrophe cannot be avoided in Kyushu.

Thinking of this, everyone present was demoralized.

“However!”

At this moment, Shennong turned his head and said indifferently: “Although this ancient poisonous scorpion is huge and poisonous, it is not impossible to deal with it.”

“As long as we put a huge giant at the exit of the canyon Trapped in the formation, blocking the ancient poisonous scorpion and the tens of thousands of poisonous people in it can temporarily stabilize the situation.”

“After trapping the ancient poisonous scorpion, I will study the method of restraining the poison.”

Wow...

this In an instant, everyone around was overjoyed.

Especially Zhu Bajie, couldn’t help laughing and said: “Haha, Shennong still has a way, why didn’t I think of it, no matter how powerful this ancient poisonous scorpion is, it is still a beast. Problem solved for now.”

The ultimate husband in Chinese chapter 3931-3940

Chapter 3931

“As for those poisonous people, all of them are walking dead, don’t worry.” The voice fell, and everyone around nodded.

At this time, Wen Chou Chou also said with a smile, “This is a good method. In that case, everyone should act quickly.”

Among the Zongmen masters present, many of them knew the Qimen formation, and deployed a simple trapping formation. , not a problem at all.

Soon, under the leadership of Wen Chou Chou, the major sects began to deploy trapped formations at the exit of the canyon.

.....

this moment, the other side.

In the main altar of the Tiandao Alliance, Gong Ao sat in the main hall with a gloomy face.

When she thought that Princess Dongling was about to marry Yue Feng, she couldn’t change it, and she had to clean up the mess in Kyushu, Gong Ao had the urge to kill.

Originally, this had already made Gong Ao extremely annoyed. The news came just now that the tens of thousands of elites led by Guo Dong encountered ancient poisonous scorpions in the canyon near the Five Poison Sect.

Hearing this news, Gong Ao was even more furious.

“Report.”

At this moment, an elite of the Heavenly Dao Alliance walked in with a complicated face and said respectfully, “There is new news from the Five Poison Sect!”

“Speak.” Gong Ao said with a gloomy expression on his face. .

The elite disciple took a deep breath and said slowly, “The Ouyang family has issued a Jianghu order, and many sects in Kyushu have rushed to the vicinity of the Five Poison Sect. It is said that they are deploying a trapping formation to trap the ancient poisonous scorpion.

This chapter is provided by . Visit for daily update.

” !

Hearing this news, Gong Ao’s eyes flashed a cold light, and he stared at the elite disciple: “How many people have gone to the Ouyang family?”

“Before there were only Wen Chou Chou and Yue Wu Ya.” The elite disciple quickly said: “ Later, the ancient poisonous scorpion happened, Wen Chou Chou called everyone away, and I heard that Zhu Bajie, Chang’e and Shennong were also there.”

“Very good!”

Gong Ao laughed, unable to hide his inner feelings. Furious: “I didn’t kill the Ouyang family last time, and I must not fail this time!”

Speaking of which, what Gong Ao has to do in the current situation is to retrieve the magic mirror as soon as possible, and cooperate with the major sects to eliminate the ancient poisonous scorpion.

However, when Yue Feng took away the princess, Gong Ao was so angry that he had lost his mind.

Under the anger, Gong Ao stood up slowly and said word by word: “mobilize everyone immediately and rush to the Five Poison Sect! Take this opportunity to completely destroy the Ouyang family.”

“Yes!”

The elite disciple responded, Quickly walked out of the hall.

Whoa whoa whoa!

A few minutes later, nearly 200,000 members of the Heavenly Dao Alliance gathered and marched in the direction of the Five Poison Sect.

.....

the other side.

Under the command of Wen Chou Chou, the masters of the various sects used stone pillars to deploy a huge trapping formation, successfully trapping the ancient poisonous scorpion and tens of thousands of poisonous people inside.

Speaking of which, the ancient poisonous head is very powerful, and it is very difficult to trap it with the formation method, but the ugly and ugly people took advantage of the time when the poisonous scorpion was dormant, so it was very smooth.

Whoa!

At the moment when the trapped formation was formed, whether it was Wen Chou Chou, Zhu Bajie, and the various sects present, they all breathed a sigh of relief and smiled.

Finally got it.

Without the threat of the ancient poisonous scorpion, you can rest assured to go to the Five Poison Sect to catch Bai Yunfei.

Swish....

At this moment, I heard footsteps coming from the woods not far away, and there were many people listening.

Everyone looked at it subconsciously and was stunned.

I saw that nearly 200,000 members of the Heavenly Dao Alliance came in a mighty manner. In mid-air, a figure flew in the sky, and the golden armor on his body was shining brightly, which was indescribably mighty and domineering.

It was Gong Ao.

“Heavenly Dao League is finally here.”

“Great, Bai Yunfei can’t fly now!”

Seeing Gong Ao and Tiandao League appear, the sect masters present couldn’t help but talk.

They all thought that Gong Ao brought so many people to arrest Bai Yunfei. After all, Bai Yunfei stole the magic mirror from the ghost world, which was a matter of Kyushu’s safety. In addition, Bai Yunfei led out the ancient poisonous scorpion, and the Tiandao League Guo Dong and tens of thousands of elites became poisonous people.

Wen Chou Chou secretly frowned.

Gong Ao brought so many people here at once, something was wrong.

Swish!

At this moment, Sun Dasheng on the side, his eyes were instantly blood red, and he locked on Gong Ao.

When the enemy met, he was extremely jealous. Thinking of the death of his wife Li Nan, Sun Dasheng was almost heartbroken.

Chapter 3932

“The Great Sage!”

Feeling the anger of Sun Dasheng, Wen Chou Chou took a deep breath and whispered: “Don’t be impulsive, this time we come to the Five Poison Sect to deal with Bai Yunfei. When we learn about Bai Yunfei Son, let’s settle accounts with the Tiandao Alliance.”

“I know that your younger brother and sister’s death will be difficult for you, but you have to put the overall situation first.”

Huh...

Hearing this, Sun Dasheng took a deep breath and suppressed his heart. ‘s anger.

“Everyone in the Tiandao Alliance obeys the order!”

At this time, hundreds of thousands of members of the Tiandao Alliance came to the front, saw Gong Ao looking around, and then shouted: “Encircle everyone in the Ouyang family.

” At that time, Gong Ao looked crazy, and he no longer had the sanity that a special envoy of the God Domain should have.

“According to the order!” The

voice fell, and only hundreds of thousands of Tiandao League disciples were heard, and the sound shook the sky, and then they rushed to surround the Ouyang family!

Mad!

Seeing this situation, whether it was Wen Chou Chou or Sun Dasheng, everyone was shocked and furious.

Our Ouyang family has taken the overall situation into consideration and will not settle accounts with the Tiandao Alliance for the time being.

what’s the situation?

At the same time, other surrounding sects also frowned secretly.

In particular, Zhu Bajie, Shennong, and several experts from Chang’e all had dissatisfaction on their faces.

“Gong Ao...”

Finally, Wen Chou Chou reacted and said coldly to Gong Ao: “What do you mean? Do you really think we are easy to bully?”

Sun Dasheng next to him also summoned the Heaven-Opening Axe.

Gong Ao was suspended in mid-air with a grim expression: “Stop talking nonsense, today will not destroy your Ouyang family, I will never return to the realm of the gods!”
After

speaking, Gong Ao looked around and shouted at the other sects around him: “This is a personal grievance between me and the Ouyang family. It has nothing to do with other people. Quickly back

down!” “If anyone dares to help the Ouyang family later, my Gong Ao will destroy them!”
The

majestic voice spread throughout the audience, revealing a strong killing intent.

Crazy!

Hearing this, the expressions of the other sects present changed, each of them trembled, and they were very dissatisfied.

You must know that the people who come here today are all famous sects from various continents. Just say one, they have thousands of years of inheritance, so they have not been merged into the Tiandao League.

Moreover, these sects and the Tiandao Alliance have always kept the water from the well!

At this time, Gong Ao, who came from this God Realm, regarded them as ants.

How can this be tolerated? !

However, no one dared to stand up. After all, Gong Ao’s strength is obvious to all, very strong.

“Oh, it’s so loud!”

At this moment, Zhu Bajie couldn’t bear it any longer, and walked out to look at Gong Ao: “Even if you are a special envoy of the Divine Realm, you can’t go too far. You went to the Ouyang family to make trouble last time. It’s a matter of time, and now we have to kill them all. I want to ask, what kind of feud between you and the Ouyang family?”

“Hahaha, hahaha!”

Hearing this, Gong Ao’s eyes were blood red and he laughed wildly!

“What kind of hatred?”

Gong Ao tightly held the golden spear in his hand, anger rose in his heart, and his whole body trembled: “Yue Feng deceived people too much and took away my love, today, whoever stops it will die! My Gong Ao will surely die today. Destroy

the Ouyang family!” Take my love?

Hearing this, everyone around was stunned, and they all sighed with emotion.

This Yue Feng is okay, he even robbed Gong Ao’s beloved woman.

At the same time, Zhu Bajie was stunned for a moment, and then showed a smile.

Haha... Brother Yue Feng is okay, he actually robbed the woman of this special envoy of the God’s Domain, not bad.

Zhu Bajie is lecherous by nature, so he is naturally sensitive to women’s affairs. Although he doesn’t know who Gong Ao’s love is at this time, but Yue Feng can take it away, Zhu Bajie subconsciously supports Yue Feng in his heart.

With emotion, Zhu Bajie looked at Gong Ao with a half-smile but not a smile: “I thought what was going on, but it turned out to be this, then it can only be said that you are incompetent. Can you blame Yue Feng?”

Hu... The

voice fell . . , many people around are laughing dumbly.

Chang’e on the side, with a bit of blush on her delicate face, said angrily to Zhu Bajie: “I’m starting to speak out again.”

Shuh!

The surrounding snickers came, Gong Ao’s face was blue and white, and he was almost furious.

“Everyone in the Tiandao Alliance listens to the order!” In the

next second, Gong Ao was too lazy to talk nonsense, and shouted loudly: “Get rid of everyone in the Ouyang family. If you don’t keep any of them, whichever sect dares to help, we will kill them together..”

Chapter 3933

“Kill!” The

voice fell, and hundreds of thousands of members of the Tiandao Alliance shouted, urging their inner strength and rushing towards the Wen Chou Chou crowd.

The howling sounded continuously, shaking the hearts of the people shaking!

Mad!

Looking at the members of the Tiandao Alliance who rushed up, Wen Chou Chou clenched his fists tightly, this Gong Ao is really a lunatic, the original situation, went to the Five Poison Sect to catch Bai Yunfei together, and found the magic mirror. The most important thing, but this Gong Ao is not at all worried about the rules of the rivers and lakes.

At this time, there are only tens of thousands of people in the Ouyang family here. How can they stop the hundreds of thousands of members of the Tiandao Alliance?

Wen Chou Chou became more and more popular the more he thought about it.

The Ouyang family has a very high reputation in Kyushu, and now they are provoked by the Heavenly Dao Alliance every three days, how can this be tolerated? Even if your vitality is severely damaged today, you have to fight to the end!

“Everyone, since the Tiandao Alliance doesn’t follow any rules, we don’t need to talk nonsense, kill me!” Wen Chouchou roared coldly, the voice fell, and the people of the Ouyang family behind them all urged their internal strength to attack and fight with the Tiandao Alliance. The crowd fought fiercely together.

“Gong Ao!”

At this moment, Sun Dasheng’s eyes were blood-red, he held the opening axe tightly into the sky, and went straight to Gong Ao: “Return my wife’s life!”

Om!

In the howl, Sun Dasheng’s inner strength exploded, the opening axe was golden, and a terrifying aura quickly enveloped Gong Ao.

Swish swish...

At the same time, Wen Chou Chou and other Ouyang clan masters also urged their figures to besiege Gong Ao together with Sun Dasheng.

“Ah...”

For a time, the sound of the collision of weapons and the screams of both sides constantly echoed between heaven and earth.

This...

Seeing this scene, the other sects around had complicated expressions, and then many sects quickly retreated and watched from a distance. In the hearts of these sects, Gong Ao is arrogant, but he is from the realm of the gods, powerful, and indeed has arrogant capital.

However, not all sects stand idly by!

“Danzong disciple obey!”

At this moment, a handsome figure strode out, holding a white long spear: “Help the Ouyang family to defend against the enemy!”

It was the Danzong sect master Zheng Chunqiu.

Zheng Chunqiu is Yue Feng’s best friend, he is bright and upright, how could he just watch the Ouyang family be besieged by the Heavenly Dao Alliance?

“Hula!” The

voice fell, and all Danzong disciples responded in unison, then pulled out their weapons and rushed to the crowd of Tiandao League.

At the same time, Ye Zhixin from Famous Sword Villa also shouted loudly: “The Heavenly Dao Alliance is bullying others, but it always pretends to uphold the way of heaven. It’s a big joke. The disciples of Famous Sword Villa obeyed the orders, helped the Ouyang family, and defeated the powerful enemy. “

Follow the order!”

For a time, the disciples of the famous Sword Villa who were present responded one after another, rushed into the battlefield one by one, and fought fiercely with the Tiandao Alliance.

Mad!

Seeing Danzong and Mingjian Villa publicly helping the Ouyang family, Gong Ao’s face was indescribably ugly, and the anger in his heart also rose.

This Yue Feng, there are really a lot of Hu Peng Dog Party.

But that's fine, I'll catch you all today.

Thinking of this, Gong Ao looked hideous, and sneered at Wen Chou Chou: "Even if you have allies today, it will not change the fact that you are destroyed!"

Saying that, Gong Ao's eyes fell on Sun Dasheng: "Don't you want to avenge your wife? I'll give you this opportunity today, just in case you don't have the ability, haha..."

Damn!

At this moment, Sun Dasheng's eyes were blood red, and Gong Ao was directly angered, and he roared: "You die for me!" The

voice fell, Sun Dasheng clenched the axe, and a golden beam erupted, rushing towards Gong Ao.

To be honest, although Li Nan died at the hands of Guo Dong, Sun Dasheng knew that it was Gong Ao who decided to exterminate the Ouyang family, so Gong Ao was the culprit.

"Great Sage!"

Seeing this scene, Wen Chou Chou became anxious and shouted.

Wen Chou Chou was very thoughtful. He knew that Gong Ao was deliberately trying to anger Sun Dasheng. You must know that a master is the most important thing in the state of determination.

While exclaiming, Wen Chou Chou and other masters of the Ouyang family rushed up to help Sun Dasheng besiege Gong Ao.

It's just that Gong Ao is too strong. The two sides fought fiercely in mid-air for more than ten minutes. Wen Chou Chou and Sun Dasheng were still unable to suppress Gong Ao.

Chapter 3934 Huh

...

Seeing this scene, Chang'e, who was watching the battle below, had complicated eyes and a bit of anxiety on her delicate face.

Since the death of Emperor Hou Yi, Chang'e has been indifferent to fame and fortune, and does not want to participate in any battles in the arena, let alone offend the realm of the gods, but she also does not want to watch the Ouyang family be wiped out.

Thinking to herself, Chang'e was about to mobilize her figure and join the battle.

“Niangniang!”

However, at this moment, Zhu Bajie stopped Chang’e and said with a smile: “You are delicate and delicate, with golden branches and jade leaves. Let me, Lao Zhu, do this kind of rough work.” With

that, Zhu Bajie said. He didn’t forget to blow a kiss to Chang’e, and then his figure rose into the sky, helping Wen Chou Chou and the crowd to fight against Gong Ao.

Swish!

At this moment, Chang’e’s delicate face suddenly flushed red, and she glared at Zhu Bajie, embarrassed and angry.

This Zhu Bajie really does not change his nature, and he still speaks in such a serious manner.

...

on the other side, God’s Domain.

In Yuyao Xianyuan.

In the elegant and luxurious room, Yue Feng sat there with a bitter face.

Since being named Jade Dragon Consort, Yue Feng has been locked in the room, and the Nine Heavens God has also sent a lot of divine soldiers to guard them strictly. It can be said that Yue Feng has been completely restricted from freedom.

call!

At this time, looking at the dozen or so divine soldiers guarding there outside the door, Yue Feng wanted to cry without tears.

One day has passed, and not only did he not get the glazed water, he also did the Duke of Zhou’s ceremony with Princess Dongling by accident, and he wanted to get married.

I don’t know if Brother Wen and the others are in a hurry.

“Princess?”

“Go away...”

Just when Yue Feng was secretly anxious, he heard a conversation coming from outside the door.

Squeak!

The next second, the door was suddenly opened, and then, Princess Dongling broke in with a frosty face. The magic soldiers outside the door all looked embarrassed, and everyone dared to stop them.

Seeing Princess Dongling, Yue Feng was stunned.

What is this for?

“Yue Feng!”

Just as Yue Feng was muttering to himself, Princess Dongling closed the door, then walked straight over, and asked coldly, “I ask you, what’s going on here?”

” Jade hand raised, holding a short sword tightly, her beautiful face was full of killing intent: “If you can’t explain it clearly today, I will destroy your primordial spirit and make you never live forever!”

When he said this, In Princess Dongling’s eyes, she couldn’t hide her disgust and doubts.

This day, Princess Dongling couldn’t understand why Jiutian God and Empress Hua Zhao wanted to marry her to Yue Feng. The one who was in her own bedroom was obviously Gong Ao. Why did the mother insist that it was Yue Feng?

What the hell!

Looking at the short sword in Princess Dongling’s hand, Yue Feng’s heart skipped a beat, then he pretended to be very calm, and said with a smile, “What do you want to know about the princess?”

“Are you still pretending to be garlic?” Princess Dongling was angry. , Jiao shouted: “My mother insisted that you were in my bedroom and had a tryst with me, please explain it to me.”

Huh....

Hearing this, Yue Feng’s expression suddenly became complicated, and he felt funny at the same time.

It turns out that this Princess Dongling, I still don’t know, was my fake Gong Ao at that time.

However, Princess Dongling is now in a fit of anger. If she said it, she would not dare to imagine the consequences.

Muttering in his heart, Yue Feng smiled and said, "Who knows? Maybe Your Majesty and the Empress are trying to match us up."

Shuh! Princess Dongling

's face flushed instantly, and she said angrily, "Stop talking nonsense to me, who do you think you are? How could the royal father and the queen marry us both?"

In the position of Yue Feng Yuanshen: "Will you say it? If you don't say it, I will do it."

Nima!

Seeing that Princess Dongling was really coming, Yue Feng was startled, and quickly said: "Okay, I said, don't get excited..."

With that, Yue Feng told the truth.

To be honest, Yue Feng didn't want to say anything, but the primordial spirit was sealed by the Nine Heavens God. At this time, there was no power to fight back against Princess Dongling. .

What?

Knowing the situation, Princess Dongling's delicate body trembled, her eyes fixed on Yue Feng, and she was shocked and angered beyond words.

It turns out... I saw Gong Ao before, and it was Yue Feng who faked it...

Smack!

In anger, Princess Dongling raised her jade hand and slapped Yue Feng fiercely, her eyes full of shame and contempt.

Chapter 3935

"You are such a despicable and shameless villain who tarnishes the innocence of this princess. The master is really blind, so he will seal you as the Nine Heavens Profound Sage." Princess Dongling said coldly, with deep disgust in her tone.

In anger, Jiaozhu couldn't stop shaking.

When she thought about her intimate relationship with Yue Feng, Princess Dongling was even more disgusting.

This slap directly blinded Yue Feng.

Hearing what Princess Dongling said at this time, Yue Feng was both angry and funny, and said angrily: "Princess Dongling, you are a little unreasonable. I faked Gong Ao, the main purpose is to use colored glaze to purify water, who is it? I knew that you would be dragged to the bedroom to drink..."

"Also, you were drunk and had to do something with me... I resisted!"

When he said this, Yue Feng's eyes I couldn't help looking up and down Princess Dongling.

I have to say that although this Princess Dongling is a bit stubborn and willful, her figure and appearance are incomparably perfect.

Especially when he thinks of the scene that night, Yue Feng is even more memorable.

"Shut up..."

Princess Dongling's body trembled with anger, and she could barely hold the dagger.

This Yue Feng is so shameless, taking advantage of himself, and talking nonsense, he clearly likes Gong Ao, but now, he wants to marry this scum.

For a time, Princess Dongling was in so much pain that she was reluctant to accept this matter.

Princess Dongling became angrier the more she thought about it, she bit her lip so hard that she was about to bleed.

"Yue Feng, go to hell!" In the

next second, Princess Dongling let out a coquettish cry, clenched her dagger tightly, and stabbed towards Yue Feng Yuanshen's position.

What the hell!

Yue Feng was startled, and hurriedly dodged to the side, shouting at the same time: "Princess, this is the end, it's useless for you to kill me. Your Majesty and Empress have already decided on our marriage, you kill me, yours Innocent can't come back, and your Majesty and Empress will also be shamed..."

Phew...

After hearing this, Princess Dongling's dagger stopped there and calmed down at the same time.

Yes, what if you kill Yue Feng yourself? Something has happened.

At this time, Yue Feng took a deep breath and said slowly: "Princess, you don't want to marry me anyway, and I also need to get the Liuli purified water to return to Kyushu as soon as possible, why don't you think of a way to help me get the Liuli Clean the water, then let me go."

"At that time, even if I run away from the marriage, it doesn't matter to you."

When he said this, Yue Feng had a serious face, while secretly observing the change in Princess Dongling's expression.

Princess Dongling didn't respond and fell into contemplation.

For a while, the room was silent, and the atmosphere became somewhat subtle.

"Okay!"

Finally, after a few minutes, Princess Dongling made up her mind and said to Yue Feng, "I can help you get the colored glaze water and help you escape, but there is one condition!"

When she said this, Princess Dongling's delicate face was full of complexity.

"Princess please speak!" Yue Feng said quickly.

Princess Dongling put away the short sword and said word by word, "When you go back to Kyushu, take me to Gong Ao."

She thought about it, this marriage contract was a big misunderstanding, since Yue Feng was going to run away from the marriage, she Why not take this opportunity to find Gong Ao?

this....

Hearing this condition, Yue Feng pondered for a while, then nodded and said: "Okay!"

Princess Dongling stopped talking nonsense: "I will help you to get the glazed water now, you are waiting for me here."

Saying, Princess Dongling thought of something, her delicate face showed a bit of blush, and said coldly: "Yue Feng, you'd better forget what happened in my bedroom before, let's just pretend that nothing happened, if you dare to speak out, I will never forgive you."

After saying this, Princess Dongling turned around and left.

To be honest, the innocence is gone. Princess Dongling really wants to kill Yue Feng, but if she does, it will definitely cause an uproar in the Divine Realm. Moreover, she still needs to rely on Yue Feng to go to Kyushu to find Gong Ao, so it is better for now. Leave him alone.

Haha...

Watching Princess Dongling leave, Yue Feng showed a smile and felt relieved.

Great, now with Princess Dongling's help, you don't have to worry about the colored glaze water purification.

...

On the other side, the Kyushu Continent!

On the hillside a few miles away from the Five Poison Sect, the fierce battle between the Tiandao Alliance and the Ouyang family continued.

The ultimate husband in Chinese chapter 3936-3940

Chapter 3936

saw that the entire hillside had been dyed red with blood. Under the fierce battle between the Tiandao Alliance and the Ouyang family, the disciples of both sides fell into a pool of blood one by one!

The two sides have been fighting here for three days and three nights!

During these three days, the Ouyang family continued to suffer casualties. There were originally tens of thousands of people, but after three days of fierce battles, there were only less than 3,000 left.

On the Tiandao Alliance side, there are nearly 200,000 people.

With less than 3,000 people, the battle against nearly 200,000 people is completely a man's arm.

Speaking of which, although the Ouyang family has the famous Sword Villa, as well as Danzong and Zhu Bajie to help, they still can't stop the large number of allies in the heavenly way. Even so, the Ouyang family is still gritted their teeth.

At this time, on a cliff a few hundred meters away from the battlefield, Bai Yunfei stood there, with his hands behind his back, his face full of smiles, watching the fierce battle between the two sides from a distance.

Behind him, Ji Hongshang and several disciples of the Five Poison Sect quietly guarded there.

“Sect Master!”

At this time, Ji Hongshang couldn't help but said: “The Heavenly Dao Alliance and the Ouyang Family are fighting, do we want to intervene?”

Bai Yunfei shook his head and said with a smile: “No, the so-called ‘fighting with mussels’ Let them fight, and when they both lose, let's come out to clean up the mess.”

Said, Bai Yunfei's smile gradually deepened: “This time, the Tiandao Alliance has really helped me a lot, haha, successfully held off. After the Ouyang family, the two sides fought here for three days and three nights, providing precious time for the Demon Lord to escape from the sealed magic mirror.” At the

end, Bai Yunfei glanced at the sky.

Up to now, Your Excellency Mozun has been soaked in the blood pool of the secret room for five days and five nights, and in another hour, he will be able to completely escape from the sealed magic mirror.

Swish swish....

This chapter is provided by . Visit for daily update.

As he was talking, he saw the night sky not far away, and several figures flew quickly.

The two women at the head, one graceful and charming, the other youthful and energetic, are Nalan Qing, the suzerain of the Xia Yin Sect, and her daughter Nalan Wushuang.

Behind their mother and daughter are the four elders Feng and Huo.

Bai Yunfei stole the magic mirror from the ghost world. There was a lot of rumors in the entire Kyushu, and Xia Yinzong also got wind. In the past two days, he learned that the Tiandao League and the Ouyang family were constantly fighting, so Na Lanqing decided to come over have a look.

Um?

Nalanqing originally went to the battlefield to check the situation, but when he passed the cliff, he saw a few Baiyun flying.

“Haha...”

Seeing Nalanqing, Bai Yunfei was also stunned, then squeezed out a smile and greeted him: "Sect Master Nalan, stay safe."

"Bai Yunfei, you are indeed hiding in the Five Poison Sect! "Nalanqing frowned lightly, while talking, couldn't help but look at Ji Hongshang behind Bai Yunfei: "I ask you, are the rumors in the rivers and lakes true? Are you really the descendant of the devil? Left the magic mirror?"

Nalanqing's delicate face was full of solemnity when he asked these questions.

Speaking of which, Nalanqing originally admired Bai Yunfei very much, but recently because of the sealing of the magic mirror, his views on Bai Yunfei have quietly changed.

Although Xia Yinzong and Divine Realm are also incompatible, they also have their own principles, that is, to ensure the peace of the Kyushu continent, but the devil is different, it is an extremely evil existence.

Nalanqing thought about it, if Bai Yunfei is really the descendant of the devil as rumored in the Jianghu, Xia Yinzong will immediately stop the alliance with Bai Yunfei.

This...

Facing the question, Bai Yunfei smiled wryly, and said hypocritically: "Sect Master Nalan, you are a smart person, how can you believe those rumors?"

After speaking, Bai Yunfei said seriously: "I have indeed been to the ghost world, but I haven't. To snatch the magic mirror, but to investigate a big secret, and the Tiandao Alliance deliberately made a big deal based on this matter, slandering me for stealing the magic mirror, you know, my previous celebration in the Tiandao Alliance was great. It's normal for Luo Jue to lose face at the banquet, and they deliberately smear me."

When he said this, Bai Yunfei's expression was serious, but his eyes flashed cunningly.

If others asked about this, Bai Yunfei would naturally be dismissive, but Nalanqing was different. She was the Sect Master of the Xia Yin Sect, and her strength was extraordinary.

Therefore, for unnecessary trouble, Bai Yunfei lied decisively and decided to temporarily stabilize Nalanqing.

Chapter 3937

Call!

Seeing what Bai Yunfei said was serious, Nalan sighed lightly and his expression softened a lot.

It turned out that... Bai Yunfei's snatch the magic mirror was deliberately spread by the Tiandao Alliance.

To be honest, what Bai Yunfei said was full of loopholes, but Nalanqing rejected the Divine Realm and the Heavenly Dao Alliance in his heart, so he believed what he said.

The next second, Nalanqing looked at the battlefield in the distance and continued to ask: "I heard news that the Tiandao Alliance and the major sects came to the Five Poison Sects to arrest you because of the magic mirror."

"Since the purpose is the same, why did the Tiandao Alliance fight with the Ouyang family again?"

Hehe...

Hearing this, Bai Yunfei showed a smile and said slowly: "The Tiandao Alliance and the Ouyang family already have a grudge, and they started fighting when they met. It's also normal!"

Nalanqing disagreed, and said softly: "The Tiandao Alliance is very ambitious, and wants to take this opportunity to attack the Ouyang family, establish its prestige, and then further rule the Kyushu rivers and lakes."

"No, the Tiandao Alliance must not be allowed to succeed! "

Speaking of the end, Na Lanqing was ready to join the battlefield to help the Ouyang family deal with the Heavenly Dao Alliance.

However, before he could leave, he was stopped by Bai Yunfei: "Sect Leader Nalan, don't be impulsive."

In Bai Yunfei's heart, both the Tiandao Alliance and the Ouyang family are his own enemies, and they want to lose both, so how can Nalanqing be allowed to go? Help the Ouyang family?

"Why?" Nalan Qing frowned and couldn't help asking.

Bai Yunfei thought about it for a while, then said with a smile, "Sect Leader Nalan is a smart person. You should see that the situation in front of you is the best chance for Xia Yinzong to become famous."

“When both of them are defeated, we will show up again. At that time, not only will we be able to severely damage the Tiandao Alliance, but the Xia Yinzong has also won prestige among the major sects. Why not do it?”

Shuh!

Hearing this, Nalanqing's delicate face suddenly became complicated. Bai Yunfei's words were also extremely harsh.

The next second, Nalanqing looked at Bai Yunfei up and down, and said seriously: “Bai Yunfei, you may have misunderstood me, my Xia Yinzong really urgently needs to establish prestige in the arena, but it must not be used in this way. “

Speaking, Nalan Qingyu raised his hand and pointed to the distant battlefield: “Whether it is the Ouyang family or other sects, in the eyes of my Xia Yinzong, they are all the same family in Jianghu. Now, they are besieged by the Tiandao Alliance. But you want our Xia Yinzong to stand by and watch?”

These words were just words.

Uh...

At this moment, Bai Yunfei was very embarrassed and didn't know how to respond.

“Sect Master!”

At this moment, Ji Hongshang, who was behind him, pulled Bai Yunfei quietly and said in a low voice, “You can perceive Nalanqing's physique.” The voice was so small that only she and Bai Yunfei could hear it. arrive.

Although Ji Hongshang was the sect master of the Five Poisons Sect, but as Bai Yunfei's subordinate, he had no right to speak at this time, and had been secretly observing Na Lanqing's situation.

Soon, Ji Hongshang made an astonishing discovery.

Bai Yunfei frowned, originally a little unhappy, but he secretly sensed Nalanqing's situation. After sensing it, his heart was shocked.

This...

This Nalanqing turned out to be a pure yin body?

At this time, Bai Yunfei could clearly sense that Nalan Qing, just like Su Qingyan, was an extremely rare body of pure yin.

After being stunned for two seconds, Bai Yunfei tilted his head to look at Ji Hongshang with a question in his eyes.

Ji Hongshang took a deep breath and continued in a low voice: "Sect Master, since this Nalanqing cannot be used by us, we should give her to Your Excellency Mozun first, as you know, since Su Qingyan was imprisoned, we have not found her. The second woman with a body of pure yin, Nalanqing in front of me, can't miss the opportunity."

Phew...

Hearing this, Bai Yunfei's eyes flashed complexly, and he fell into deep thought.

Ji Hongshang was right. In the past few days, Bai Yunfei has been sending people to look for the pure yang body and the pure yin body, but there is no clue at all.

Seeing that in half an hour, Your Excellency Mozun will be able to leave the magic mirror. At that time, neither the body of pure yang nor the body of pure yin can be taken out, and Lord Mozun must be furious.

Thinking of this, Bai Yunfei was heartbroken and decided to take Ji Hongshang's suggestion.

No one in Nalanqing could hear Bai Yunfei and Ji Hongshang's whispered exchanges.

At this time, Nalan Qing, Nalan Wushuang, and a few elders were all focused on the distant battlefield, and they discussed how to help the Ouyang family defend against the Heavenly Dao Alliance.

Chapter 3938

"Sect Master Nalan!"

At this time, Bai Yunfei showed a smile and said seriously: "Looking at the situation, the Ouyang family can last for a while, we don't need to worry for the time being." After

speaking, Bai Yunfei's face became solemn: "Speaking of which, I have a more important matter, and I would like to ask Sect Leader Nalan for some advice."

More important matter?

Nalanqing frowned slightly, and couldn't help but say, "What is it?"

Bai Yunfei's eyes flickered, and he pretended to say, "I broke into the ghost world before and accidentally got something."

"What?" successfully hung up.

Bai Yunfei looked serious: "What that thing is, I can't tell for a while, but I can be sure that it has a direct relationship with the Tiandao Alliance's preparation to rule the Kyushu Continent."

When he said this, Bai Yunfei was serious, but his heart was full of gloomy.

Yes, he was going to guide Nalanqing to the secret room where the Demon Lord Gone was. In order to avoid Nalanqing's suspicion, he deliberately fabricated something that was not there to arouse Nalanqing's curiosity.

Bai Yunfei knew very well that Nalanqing dreamed of completely dismantling the Heavenly Dao Alliance. As long as she talked about things related to the Heavenly Dao Alliance, she would definitely be interested.

Sure enough, hearing these words, Nalanqing suddenly became interested, and her beautiful face was full of urgency: "Where is that thing now?"

Bai Yunfei hurriedly said: "It's in the Five Poison Sect."

Nalanqing thought about it. Thinking, without hesitation: "Okay, please take me to see it!"

Haha...

Seeing that she was successfully fooled, Bai Yunfei was very excited, but he did not show it on his face.

At this time, Nalan Wushuang on the side was also inexplicably excited: "Mother, I am going too!" How could I miss the big event related to the Tiandao Alliance?

Nalan Qing doted on Nalan Wushuang very much, and did not refuse, but nodded in agreement.

Afterwards, Nalanqing instructed the elders Feng: "Several elders, you should continue to observe the situation here. If there is a major change in the battlefield, notify me immediately."

"Follow!" Elder Feng nodded in succession .

Nalanqing nodded, and then went with Bai Yunfei towards the main altar of the Five Poison Sect.

Soon, Bai Yunfei brought Nalanqing's mother and daughter to the door of the secret room.

Chamber of Secrets?

At this moment, seeing the environment in front of her, Nalan Qing frowned slightly and was slightly stunned.

I saw that around the secret room, there were many elite disciples of the Five Poison Sect guarding. Not only that, but there were also faint waves of evil aura in the secret room.

“Bai Yunfei!”

After reacting, Nalan Qing couldn't help but say: “That thing is in here?” When the voice fell, Nalan Wushuang also frowned and couldn't help saying: “Why does it feel so evil inside. “

Hehe!

Bai Yunfei kept calm and smiled: “That thing was brought out from the ghost world, and it has some gloomy atmosphere, which is normal.” After

speaking, Bai Yunfei opened the secret room and made a gesture of invitation: “Nalan Palm The door, please.”

At this moment, Nalan Qing did not doubt and walked in slowly with Nalan Wushuang.

This....

at the moment of entering the secret room, whether it is Nalan Qing or Nalan Wushuang, all of them tremble.

I saw that in the center of the huge secret room, there was a huge blood pool, and in the surrounding corners, there were piles of white bones, and the air was filled with a strong bloody smell, like hell.

Not only that, but in the blood pool, something rose and fell in the blood, flashing a strange light.

It's the magic mirror.

Today, the Demon Lord Gone is going to leave the Sealing Mirror, and this is the critical period.

“This...what is this place?”

Finally, Nalan Wushuang reacted and couldn't help but speak, and his voice trembled.

Nalanqing also recovered and was about to respond, but at this moment, Bai Yunfei, who was following behind him, raised a sinister smile on the corner of his mouth, and then he used the power to tap on several of Nalan Wushuang's acupuncture points.

Papa...

In an instant, Nalan Wushuang's delicate body shook, and he couldn't move at all.

"You..."

Nalan Wushuang was embarrassed and angry, glaring at Bai Yunfei: "You liar, dare to attack me!" He

was deceived!

At the same time, Nalanqing also understood something, glared at Bai Yunfei, and said tenderly, "Bai Yunfei, what do you mean?"

Nalanqing was very angry at this time, but he never thought that Bai Yunfei not only lied to himself, dare to take action on her daughter.

"Hehe..."

Bai Yunfei raised his mouth and said coldly, "Sect Master Nalan, isn't that obvious? What I told you before was false, in fact, I did steal the demon seal. The mirror is the thing that floats and sinks in the blood pool."

Chapter 3939

What?

Hearing this, Nalanqing was furious and shouted: "You devil in human skin, kill me!"

Om!

The voice fell, and a powerful aura burst out from Nalan Qing's delicate body. He clenched a silver long sword and flew straight towards the white clouds. In an instant, the air in the entire secret room was distorted wherever the sword shadow passed.

Seeing Nalanqing burst out, Bai Yunfei looked relieved.

"Sect Master Nalan, don't resist, you don't have any chance when you enter this secret room."

Bai Yunfei said coldly, directly activating the power of the demon soul, a terrifying aura erupted, and in an instant, the entire secret room was filled with evil spirits. breath.

Hiss...

such a strong breath!

At this moment, whether it was Nalan Qing or Nalan Wushuang, who was tapped on the acupoint, they were all taken aback.

This Bai Yunfei is really insidious. He had been hiding his strength before, but at this time, he finally showed his true colors.

“Om!”

Bai Yunfei didn't talk nonsense, slowly raised his right hand, a palm shadow condensed, and directly met Nalanqing's erupting sword shadow, he heard a muffled sound, and the sword shadow was instantly defeated.

At the same time, Nalanqing also groaned, and the whole person was shocked and flew out, flying dozens of meters away, and finally hit the wall of the secret room and fell down softly.

“Mother!”

Seeing this scene, Nalan Wushuang couldn't help crying.

After that, Nalan Wushuang glared at Bai Yunfei: “Bai Yunfei, you bastard, we have no grievances with you, why did you raid us, why...”

Facing Nalan Wushuang's accusation, Bai Yunfei's expression was indifferent and did not respond.

The next second, Bai Yunfei walked towards Nalanqing step by step.

Papa..

When he got to the front, Bai Yunfei quickly shot and sealed several acupuncture points on Nalanqing's body. In an instant, Nalan Qing's delicate body was shocked, her face was pale, and she couldn't move.

“Bai Yunfei!” Nalanqing was furious and stared at Bai Yunfei: “Why are you doing this?”

Why?

Bai Yunfei smiled slightly and said slowly: “Sect Master Nalan, I actually don't want to do this, but who told you to help the Ouyang family wholeheartedly? The so-called friend of the enemy is my enemy, so I have no choice but to do this. .”

Bah!

Hearing this, Nalanqing was furious and couldn't help spit.

This Bai Yunfei is too shameless, such a despicable method, it has to be said in a high-sounding manner.

hum!

At this moment, the blood pool in front of him suddenly tumbled, and then, the magic sealing mirror soaked in it slowly floated up, and at the same time, a blood-colored mist filled the entire secret room.

In the next second, the blood mist slowly gathered, forming a vague figure.

It was the Demon Lord Gone.

Such a horrible smell.

Seeing this scene, whether it was Nalan Qing or Nalan Wushuang, they were all stupid, and their hearts could not stop trembling.

Bai Yunfei's face was full of joy, and he quickly knelt down and shouted respectfully: "Congratulations to the Demon Venerable, congratulations to the Demon Venerable, for successfully breaking away from the sealed magic mirror and regaining freedom."

Hahaha...

Hearing this, Demon Venerable laughed loudly, his eyes focused on Nalanqing in the next second, and he praised: "Yes, Bai Yunfei, I really did not see the wrong person, in such a short time, you have found another pure yin person. Body."

Bai Yunfei successfully concealed the matter of Su Qingyan before, and Demon Venerable didn't have the slightest doubt at that time.

Phew ...

Demon Lord Gone's gaze made Nalanqing feel uncomfortable, as if he was being stared at by wild beasts. Nalan Wushuang, who was not far away, even had a chill down his spine.

Soon, Nalanqing reacted and asked Bai Yunfei, "What are you going to do?"

Bai Yunfei smiled and said, "It's very simple, Your Excellency Mozun needs to reshape his body, and he needs a body of pure yang and a body of pure yin. , and Sect Master Nalan, since you are pure yin, you have to sacrifice yourself."

Saying that, Bai Yunfei's eyes flashed with icy coldness, and he continued: "Sect Master Nalan, I don't want to do this either, but God's will is so, There's nothing I can do, and it's also a great honor for you to make sacrifices for Your Excellency Mozun!"

Shuh!

Hearing this, Nalanqing's face changed, and her delicate body kept trembling.

It turns out that Bai Yunfei did this in order to make the demon respect the body...

At this time, Nalan Wushuang was also very nervous and kept yelling at Bai Yunfei: "Bai Yunfei, you devil, let go of my mother, let go. she..."

Chapter 3940

"Shut up!"

Bai Yunfei shouted angrily, and then slapped Nalan Wushuang in the face.

Snapped!

Because Nalan Wushuang was tapped on the acupuncture point, he couldn't dodge at all. He heard a clear sound, staggered a few steps, and fell directly to the ground.

It was at this moment that the illusory figure of Demon Lord Gone again turned into a cloud of blood, directly shrouding Nalanqing.

"Go away, don't touch me, go away..."

At the moment of being shrouded, Nalanqing's delicate face was extremely pale, and she kept drinking coquettishly. Powerless.

"Hahaha..."

At this time, the Demon Lord Gone was extremely excited, and while swallowing Nalanqing, he couldn't help but exclaim: "Yes, this pure yin body is very perfect..."

Buzz... Under the

devouring, a violent force swept the entire secret room.

"Stop, you stop..."

Seeing this, Nalan Wushuang kept shouting, tears kept streaming down, and the whole person completely collapsed.

She grew up under the care of Nalanqing since she was a child, and her mother and daughter were deeply in love. How could she bear it when she saw her mother being swallowed by the Demon Venerable?

However, Nalan Wushuang's acupoint was tapped, and the scene in front of him was completely powerless to change.

Finally, under the extreme collapse, Nalan Wu's eyes turned black and he fainted directly.

And the devouring in the secret room continues.

After half an hour, the Demon Venerable completely completed the devouring, and he saw that Nalan Qing's perfect and charming body had turned into a skin and bones at this time.

At this time, the Demon Lord Gone also formed a new body, but this body has not yet formed skin, it looks bloody and very terrifying.

It only devoured the body of pure yin, so the rebirth of Demon Lord Gone was only half completed. Only after the body of pure yang was swallowed, could a perfect body be formed.

Even so, the Demon Venerable at this time was extremely excited.

"Hahaha..."

At this time, the Demon Lord Gone, suspended above the blood pool, laughed wantonly: "It's been 30,000 years, I've waited too long for this day!"

Bai Yunfei was also full of joy, and respectfully said: "Congratulations, Your Excellency Mozun, you have successfully integrated the body of pure yin, and your subordinates must find the body of pure yang as soon as possible, so that your Excellency can completely reshape the body."

Well!

Demon Lord Gone nodded, waved his hand and said, "Okay, you can step back first."

Bai Yunfei hurriedly responded and took the unconscious Nalan Wushuang out of the secret room.

"

Sect Master!" Ji Hongshang, who was guarding at the door, quickly came to meet him: "How is it?"

Bai Yunfei smiled slightly: "Your Excellency Mozun has successfully merged!"

Hearing this, Ji Hongshang was very excited, Then he looked at Nalan Wushuang who was in a coma, and frowned lightly: "Nalan Qing is dead, what should she do with her daughter?"

Bai Yunfei thought for a while, then slowly said: "This Nalan Wushuang is still useful to keep, it can't be killed. !"

Saying that, Bai Yunfei thought of something and continued: "You told me before that in the Treasure Pavilion of the Five Poison Sect, there is a kind of forgetting worry water, after drinking it, you can forget everything. You take it for her, and then make up A set of rhetoric that made her think that her mother died at the hands of Yue Feng, understand?"

Bai Yunfei's eyes were full of cunning when he said this.

After Nalanqing's death, Nalan Wushuang's position as the suzerain of Xia Yinzong must be taken by Nalan Wushuang. In this case, as long as he controls Nalan Wushuang, it means he controls Xia Yinzong.

"This subordinate understands!"

Ji Hongshang is a smart woman, she immediately understood Bai Yunfei's meaning, nodded in response, and quickly left with Nalan Wushuang.

Wangyou Water was originally the exclusive holy water of Wangyou Valley.

Wangyou Valley was originally a hidden organization. A few years ago, Su Qingyan was brought to Wangyou Valley by chance, and was forced to take Wangyou Water and forget everything. Later, Yue Feng knew the truth, and in a rage, ordered Tianmen destroyed Wangyou Valley.

When Wangyou Valley was destroyed, a few disciples fled to the Western Cang Continent, and were finally discovered by the Five Poison Sect. That's how, the recipe of Wangyou Water was also passed on to the Five Poison Sect.

Soon, Ji Hongshang took Nalan Wushuang to a forest on the mountain behind the main altar.

Nalan Wushuang was still in a coma at this time.

call!

Looking at the unconscious Nalan Wushuang, Ji Hongshang's beautiful face showed some sympathy.

“Nalan Wushuang, everything is fate, if you want to blame, you can blame your own fate.” Ji Hongshang’s red lips lightly parted, and she said to herself.

The ultimate husband in Chinese chapter 3941-3950

Chapter 3941

Afterwards, Ji Hongshang called two elite disciples and instructed: "When she wakes up, give him Wangyou Shui, remember, you must hide your identity well, and don't let her know that you are People from the Five Poison Sect."

After saying this, Ji Hongshang turned around and left.

The two disciples of the Five Poison Sect did not dare to neglect, they quickly dressed up, covered their faces, and then quietly waited for Nalan Wushuang to wake up.

Hmm... I

don't know how long it took, Nalan Wushuang woke up faintly.

Mother, mother...

At the moment when he regained consciousness, Nalan Wushuang's mind suddenly showed the scene of his mother being swallowed up, anxious and sad.

Um?

The next second, Nalan Wushuang was stunned when he saw the environment he was in.

I saw myself in a wood, with two masked men in black standing quietly beside me.

what happened? Aren't you in the secret room of the Five Poison Sect?

"Beauty!"

Just when Nalan Wushuang was in shock, one of the Five Poison Sect disciples said with a smile, "Don't be nervous, we passed by unintentionally, and seeing you unconscious, kindly come over and have a look. !"

At the same time, another came over and took out a bottle of potion: "Seeing that you are very weak, come and drink these elixir to recover." The

potion exudes a faint fragrance.

This chapter is provided by . Visit for daily update.

It is Wangyoushui.

Although Nalan Wushuang is unruly, he is not stupid. Seeing the two of them cover their faces, he realizes that it is not good, and his mouth is tight and he refuses to drink.

However, the acupuncture points on her body hadn't been unlocked, and she was powerless to resist, and was soon forced down by the two of them.

hum!

The moment he drank the Wangyou Water, Nalan Wushuang felt the world was spinning, and passed out again.

Haha, success!

At this moment, the two disciples of the Five Poison Sect showed smiles, and then hurried to report to Ji Hongshang.

A few seconds later, Ji Hongshang who got the news came quickly.

When they got to the front, Ji Hongshang first let the two disciples of the Five Poison Sect leave, then squatted there and gently patted Nalan Wushuang's face: "Miss Nalan, wake up..."

After a few pats, Nalan Wushuang When he woke up, his eyes were not as bright as before, but extremely confused.

who I am? where am i?

Seeing this situation, Ji Hongshang knew that Wangyou Shui was effective, and pretended to say, "Miss Nalan, what's wrong with you?"

"Do you know me?" Nalan Wushuang asked curiously.

Ji Hongshang showed a smile: "Of course I know, your mother is the suzerain of the Xia Yin Sect, just now your mother brought you to my Five Poison Sect to discuss important matters, and then a man in black who called himself Yue Feng appeared and appeared in public. Provocative, then you and your mother chased out!"

"Our Five Poison Sect searched around for a long time before we found you."

When she said this, Ji Hongshang looked serious.

Of course, these were all made up by Ji Hongshang. At this time, Nalan Wushuang had lost his memory and had no idea what happened before.

Ji Hongshang's close attitude made Nalan Wushuang have no doubts, and quickly asked: "Then... have you seen my mother?"

Alas!

Ji Hongshang sighed softly, glanced at the cliff not far away, and pretended to say: "We just got the news that someone saw that the man in black who called himself Yue Feng knocked your mother down the cliff. The cliff is ten thousand feet high. Your mother... I'm afraid there is no chance of her surviving."

Yes, after Ji Hongshang gave Nalan Wushuang the Wangyou Water, her final purpose was to frame Yue Feng.

What?

Hearing this, Nalan Wushuang's delicate body trembled, and endless sadness welled up in his heart.

"Sect Master!"

Just as he was talking, a disciple of the Five Poison Sect walked over quickly and respectfully said to Ji Hongshang, "The four elders of the Xia Yin Sect ask to see you."

Hearing this, Ji Hongshang's eyes widened. A strange light flashed, and then he smiled at Nalan Wushuang and said: "Miss Nalan, you can't be resurrected from the dead, I hope you can be strong, now that there are people from your Xia Yinzong, you have to tell them the situation quickly, you can rest assured. , our Five Poison Sect will do our best to help you kill Yue Feng and take revenge."

When she said this, Ji Hongshang's beautiful face was full of seriousness, but her eyes flashed with excitement.

Yue Feng, ah Yue Feng, this time, I have set up the archenemy of Xia Yinzong for you. Let's see how you will gain a foothold in Kyushu in the future.

Chapter 3942

Thinking, Ji Hongshang took Nalan Wushuang back to the main altar hall.

As soon as I entered the hall, I saw Elder Feng sitting there, each with an anxious expression.

Half an hour ago, the fierce battle between the Tiandao Alliance and the Ouyang family reached a white-hot state. When Elder Feng saw the situation, he didn't have time to think about it. He hurried to the Five Poison Sect's main forum to report the situation. Nalan Wushuang goes after a mysterious man.

As a last resort, Elder Feng could only stay at the main altar and wait for news.

“Miss!”

At this moment, seeing Nalan Wushuang and Ji Hongshang coming in, Elder Feng quickly stood up.

Immediately, Elder Feng couldn't help but ask, “Where's the head?”

At the same time, Elder Feng saw that Nalan Wushuang was pale and apathetic, and suddenly had a bad premonition.

Swish!

At the same time, Elder Huo also watched Nalan Wushuang closely, waiting for her response.

Nalan Wushuang bit his lip tightly, first looking around at the elders downwind, and then looking at Ji Hongshang for help, you know, after taking Wangyou Shui, Nalan Wushuang has forgotten everything and can no longer recognize Feng There are several elders.

Ji Hongshang showed a smile and looked very concerned: “Miss Nalan, these are the elders of your Xia Yinzong.”

After speaking, Ji Hongshang continued: “You don't have to be too sad. , tell the elders about the situation.”

Wow!

When the words fell, Nalan Wushuang could no longer restrain his emotions, and burst into tears, and said to Elder Feng: “My mother is dead... A masked man who called himself Yue Feng was knocked off the cliff. . . .”

Because of taking Wangyou Shui, Nalan Wushuang's memory was cleared, and he mostly believed in the things Ji Hongshang told before, and at this time, he told them to the elders of Feng.

At this time, Nalan Wushuang didn't know that he was already under the control of Ji Hongshang.

What?

Knowing these circumstances, whether it was Elder Feng or Elder Huo and others, they were all shocked.

The suzerain died, or died at the hands of a man in black who called himself Yue Feng...

Under the shock, the elders of Feng were all extremely angry.

It's really abominable, that Yue Feng first had a holiday with the eldest lady, and then rejected the alliance of the sect master, and did not take Xia Yinzong in the slightest, and now, he killed the sect master.

This revenge must be avenged.

In anger, Elder Feng clenched his fists and asked Nalan Wushuang: "Miss, what about the man in black who killed the Sect Master? Where is he now?"

"I..."

Nalan Wushuang frowned. , There was a bit of confusion on his delicate face, and he didn't know how to respond for a while. After taking Wangyou Shui, how could she know the details?

At this time, Ji Hongshang breathed a sigh of relief and said slowly: "Several elders, when we found Miss Nalan, she was still in a coma, as for the man in black, I have already sent the disciples of the Five Poison Sect. Searching everywhere!"

After hearing this, Elder Feng and Elder Huo looked at each other and fell silent.

"No..."

After more than ten seconds, Elder Feng said with a frown, "As far as I know, Yue Feng acts in an upright manner, how could he dress up as a man in black?"

Speaking, Elder Feng looked at Nalan Wushuang: "Miss, did you see his face when the Sect Master fought with him?"

Nalan Wushuang shook his head. At this time, Elder Huo couldn't help but say: "This is very strange. As far as we know, Yue Feng left the Ouyang family a few days ago. It is said that he went to God's Domain, so why did he suddenly come to the Five Poison Sect

?"

Falling down, Elder Feng nodded in succession.

Oops!

Seeing this situation, Ji Hongshang became nervous all of a sudden. The elders of the Xia Yinzong were not ordinary people. They saw the key so quickly.

But soon, Ji Hongshang calmed down and said with a chuckle: “Several elders, although you have dealt with Yue Feng, you only know the surface and don’t know the real person of Yue Feng, this person is the most cunning. “

As far as I know, many years ago, in order to get the Panlong Jing, Yue Feng concealed his identity and went to the Fang family in Xuanye Continent, where he became a small bodyguard, and later successfully snatched the Panlong Jing.”

And such a thing?

Hearing this, Elder Feng and Elder Huo looked at each other, and their moods became complicated.

Xia Yinzong has been avoiding the world until recently, so he didn’t know much about Yue Feng’s past. It was the first time he heard about Panlongjing.

Chapter 3943

Seeing the expressions of Elder Feng and several others, Ji Hongshang showed a smile and said slowly: “So, this Yue Feng is the most cunning. Back then, he was able to sneak into the Fang family to snatch the Panlong Jing, but now he can completely disguise himself. , come to my Five Poison Sect and attack the head of Nalan!”

Bang!

The voice fell, and Elder Huo was full of anger, slapped the table with a slap, and shouted: “In this case, the murderer must be Yue Feng, Ma De, I, Xia Yinzong, have no deep hatred with him, but he is so vicious. If I don’t kill Yue Feng, I, Xia Yinzong, will never give up.”

The elders of Feng were also furious.

There are various indications that it was Yue Feng who killed the Sect Master, how can he not be angry?

At this time, they didn’t know that they were completely blinded by Ji Hongshang. Nalanqing didn’t die at the hands of Yue Feng at all, but was swallowed up by Demon Lord Gone’s body of pure yin.

“Miss!”

Elder Feng walked out slowly, his face full of grief, and said to Nalan Wushuang: “The head of the sect died tragically, but our Xia Yinzong can’t be without a master for a day. You can take over as the head of the sect.” The

voice fell, and the elders of Huo all agreed.

“Elder Feng is right.”

“Also invite the eldest lady, and you can take over as the head of the sect.”

Facing the support of several elders, Nalan Wushuang did not feel the slightest joy. She was dazed, and after taking Wangyou Shui, she had forgotten what the situation of Xia Yinzong was.

However, Nalan Wushuang did not reject the general trend in front of him, nodded and said, “Okay!”

Puff!

Seeing her promise, Elder Feng did not hesitate, and knelt down together: “I’ll wait to see the new head.”

Nalan Wushuang raised his jade hand and said softly, “Several elders, immediately pass my order to catch Yue Feng as soon as possible and avenge my mother’s revenge.”

“Yes!” Elder Feng agreed in unison.

Seeing this scene, Ji Hongshang showed a smile.

Great, everything is going according to plan. Nalan Wushuang has become the new head of Xia Yinzong. Next, she can be used to deal with Yue Feng and the Ouyang family.

At this moment, a handsome figure slowly walked out of the hall.

It was Bai Yunfei.

“Miss Nalan!”

Bai Yunfei slowly walked to the front and said regretfully at Nalan Wushuang: “I am very sorry about your mother, and I would like to express my condolences.” Points of indifference.

Just now, Ji Hongshang had sent someone to tell Bai Yunfei about the situation in detail.

Nalan Wushuang nodded, did not respond, and was still immersed in sadness at this time.

“A few elders!”

Bai Yunfei tilted his head to look at the elders Feng: "How is the situation on the side of the Tiandao Alliance and the Ouyang family?"

Phew!

Hearing the question, Elder Feng glanced at each other.

In the next second, Elder Feng took a deep breath and said slowly: "The Heavenly Dao Alliance has an absolute advantage, and the Ouyang family, Danzong, and Mingjian Villa can't hold it anymore." The

voice fell, and the hot-tempered Elder Huo shouted. Said: "Yue Feng killed our head, and it is God's will that his Ouyang family was destroyed!"

Hehe...

Hearing this, Bai Yunfei laughed and said to Elder Huo: "This elder has a clear love and hatred, and he is indeed a man of temperament."

After speaking, Bai Yunfei looked at Nalan Wushuang and said, "You Xia Yinzong, How do you plan?"

This...

Nalan Wushuang bit her lip tightly, and she was uncertain for a while, she just sat in the position of the head, how could she have experience in dealing with such a situation?

At this time, Elder Huo couldn't bear it any longer: "Sect Master, is there any need for hesitation? Yue Feng killed your mother, and we will take the opportunity to destroy the Ouyang family."

At this time, Elder Huo was full of anger. filled.

And Elder Feng frowned, shook his head and said: "This is inappropriate, now the entire Kyushu knows that our Xia Yinzong and Tiandao Alliance are not inseparable, if we help Tiandao Alliance destroy the Ouyang family, other sects will definitely say Let's face it."

Elder Huo was very dissatisfied, staring at him and said, "Then what do you say?"

"I..."

Elder Feng opened his mouth and was a little dumb for a while.

Yes, the current situation is too embarrassing. Both the Tiandao Alliance and the Ouyang family have a grudge with the Xia Yinzong. In this case, it is impossible to help either side.

Chapter 3944 Haha

....

Seeing this situation, Bai Yunfei couldn't help laughing, and then came over to comfort him: "The two elders don't need to be irritable, it's actually very simple."

For a few days and nights, it is now the end of the shot. Even if the Heavenly Dao Alliance has an advantage, it has also lost a lot of strength. Since both sides are enemies of your Xia Yinzong, the best way is to kill them all."

Hu...

Hearing this, Elder Feng and Elder Huo all looked at each other.

Although Bai Yunfei's method is good, the Tiandao Alliance and the Ouyang family are not weak, and it is difficult to defeat them together by relying on Xia Yinzong alone.

Aware of their worries, Ji Hongshang, who was silent next to him, smiled lightly and said, "Don't worry, elders, as long as you are willing, my Five Poison Sect will fully support you!"

Elder Feng pondered for a while, but did not respond immediately. It was looking at Nalan Wushuang: "Master, what do you think?"

"I..."

Nalan Wushuang hesitated, looked at Ji Hongshang and said, "Since there is the help of the Five Poison Sect, I think there is no problem. "

Speaking, Nalan Wushuang's eyes gradually firmed, and he ordered: "Pass my order, immediately mobilize everyone in the Xia Yinzong, enter the battlefield as quickly as possible, and wipe out the Tiandao League and the Ouyang family."

"Yes, Sect Master!" The

voice fell, and Elder Feng responded in unison, and then quickly went to prepare.

A few minutes later, tens of thousands of Xia Yinzong members quickly gathered and marched in the direction of the battlefield.

At the same time, Ji Hongshang also mobilized tens of thousands of elites from the Five Poison Sects, followed closely behind.

.....

On the other hand, God's Domain.

Yuyao Xianyuan, in the room.

Yue Feng walked around in disbelief, like ants on a hot pan.

Princess Dongling has been away for two hours, and there is no news at all. Could it be that she was discovered when she took the glass to purify water?

Squeak!

Just when Yue Feng was thinking about it, the door was gently pushed open, and then, a slender figure walked in quickly.

In a gorgeous long dress, the beauty is inexhaustible, it is Princess Dongling.

I saw that Princess Dongling was holding two packages in her hands, her expression seemed calm, but her eyes flashed with nervousness.

call!

Seeing Princess Dongling, Yue Feng breathed a sigh of relief and said with a smile, "You've come back. Have you got the colored glaze water?"

Princess Dongling was too lazy to talk nonsense, and threw one of the packages to Yue Feng: "The colored glaze water is just inside, there is another set of clothes, you can quickly change."

Hearing this, Yue Feng opened the package and saw a jade bottle filled with some light blue water, not only that, but also a set of magic weapons. Guard's armor.

Glazed water!

Seeing the jade bottle containing light blue water, Yue Feng was indescribably excited.

Nima, this time I came to God's Domain. Although I went through many twists and turns, I finally got the glazed water.

Excited, Yue Feng picked up the suit of armor: "What is this for?"

Princess Dongling said angrily: "Yuyao Xianyuan is heavily guarded, if you don't disguise yourself, you won't be able to get out at all, so quickly change your clothes. Come on."

Having said that, Princess Dongling turned around and did not look at Yue Feng, her expression very impatient.

disguise?

Hearing this, Yue Feng was stunned for a moment, then nodded silently in approval.

This Princess Dongling seems to be unreasonable and unreasonable, but when it comes to the critical moment, she still has a brain.

Thinking to himself, Yue Feng quickly put on his armor and said with a smile: "Okay!"

Princess Dongling looked back at him and said coldly, "Now it's time for this princess to change her clothes, you turn around and don't peek. , otherwise, I will gouge your dog's eyes."

When saying this, Princess Dongling's beautiful face was full of contempt.

If it weren't for the purpose of going to Kyushu to see Gong Ao, he wouldn't have gone to Yue Feng's room to change his clothes. These were all harmed by Yue Feng, and naturally he didn't look good on him.

What the hell!

Hearing this, Yue Feng was very upset.

It's not my fault that caused such a situation, but this Princess Dongling treats me like a slave, why?

Thinking to himself, Yue Feng did not turn around, but looked up and down Princess Dongling.

I have to say that this Princess Dongling's figure is really tight and the curves are perfect.

Chapter 3945

Swish!

Princess Dongling was already in a bad mood, but seeing Yue Feng staring at her unblinkingly made her even more angry, she said coldly, "Yue Feng, if you look at me like this again, believe it or not, I will kill you. ?"

Kill me?

Yue Feng smiled lightly and said: "Kill me, who will take you to Kyushu to find Gong Ao?"

After saying that, Yue Feng looked cynical: "And let me tell you, I have no interest in you at all, you want to You know, in the Kyushu mainland, I have many confidantes, all of them are beautiful, gentle and graceful, many times better than you don't know. If you really want me to see it, I don't want to see it." The

last sentence After the words fell, Yue Feng closed his eyes.

"You..."

Hearing this, Princess Dongling's face flushed red and she couldn't be more angry.

This Yue Feng is really a bastard, he obviously took advantage of him and said sarcastic words.

However, looking at Yue Feng's posture that a dead pig is not afraid of boiling water, Princess Dongling has nothing to do. After all, she still needs to rely on Yue Feng to go to Kyushu.

Depressed, Princess Dongling bit her lip tightly and began to change her clothes.

call!

Finally, Princess Dongling changed her clothes and said coldly to Yue Feng: "Okay, now we can go out, but before leaving Yuyao Xianyuan, you have to listen to me, not to mention the patrolling guards. Speak."

Princess Dongling grew up in Yuyao Xianyuan since she was a child, and knew the environment here very well, so she was afraid that Yue Feng would not cooperate.

"Okay, everything is up to you." Yue Feng nodded with a smile.

With that said, Yue Feng followed Princess Dongling out of the room.

call!

When he got outside, seeing the scene in front of him, Yue Feng couldn't help but take a deep breath.

It was already late at night, but because the wedding was approaching, the entire Yuyao Xianyuan was still brightly lit, and many maids were still busy, busy deploying the wedding scene.

In this case, Princess Dongling and Yue Feng were also regarded as busy and scary people, and they were not suspected at all.

Soon, Princess Dongling took Yue Feng and arrived near the back door of Xianyuan.

At this moment, Princess Dongling was very excited, and said softly, "Let's leave Yuyao Xianyuan completely after leaving this door."

Yue Feng nodded, also very excited.

Mad, you can finally leave.

Boom, boom, boom!

However, at this moment, I heard a sound of vibration, coming from outside the door, and then, a huge figure appeared in the line of sight.

What the hell!

Seeing that thing, Yue Feng was shocked and completely stunned.

I saw that the huge figure was more than three meters high, and its appearance was like a black bear, but its head was like a unicorn, and its limbs were similar to those of apes. .

What the hell is this? It looks like four different things.

"Kunmeng?"

Just when Yue Feng was muttering secretly, Princess Dongling also trembled, and couldn't help but let out a low voice. At the same time, deep fear flashed in her eyes.

Yue Feng frowned: "What is Kunmeng?"

Princess Dongling rolled her eyes and glanced at Yue Feng, as if looking at an idiot: "Kunmeng doesn't know, you're still the Nine Heavens Profound Sage."

Having said that, Princess Dongling thought for a while and continued: "After Pangu opened up the world, many spirit beasts were born in the world, the most famous are the four innate spirit beasts, Qinglong, Baihu, Suzaku and Xuanwu, and this Kunmeng, famous Although it is not as loud as the four innate spirit beasts, its strength is not weak."

"Kunmeng is not only powerful, but also extremely loyal. As early as five thousand years, when the realm of the gods was just formed, the gods completely tamed Kunmeng. After that, Kunmeng became the royal beast of my father." At the

end, Princess Dongling looked at Kunmeng who was wandering outside the door, her delicate face was complicated: "Usually, Kunmeng It was sent outside by my father to patrol the Divine Realm with the patrolling soldiers, but today it was arranged in Yuyao Xianyuan, it seems that we can't get out."

What?

Yue Feng was stunned for a moment, and couldn't help saying: "This Kunmeng looks stupid, let's sneak away quietly, it shouldn't be found."

Princess Dongling shook her head: "You don't know, Kunmeng is very sensitive, Especially for me, because it watched me grow up, and no matter what I dress up as, it can tell at a glance."

FUCK!

so smart?

Hearing this, Yue Feng was dumbfounded. If so, wouldn't it be impossible to leave today?

"Ouch..."

At this moment, Kunmeng, who was wandering outside the door, seemed to sense Princess Dongling's breath, turned around, his eyes were like electricity, and he directly locked Princess Dongling.

The ultimate husband in Chinese chapter 3946-3950

Chapter 3946 Terrible

!

At this moment, Princess Dongling's delicate body trembled, and she hurriedly said to Yue Feng: "Quick, run!" After the voice fell, Princess Dongling turned around and ran towards the palace not far away.

Kunmeng must not be allowed to discover himself, otherwise, the royal father will know the situation, and the consequences will be disastrous.

Yue Feng did not hesitate and followed Princess Dongling closely.

Dong Dong Dong ...

That Kunmeng has a very high IQ. Seeing Princess Dongling and Yue Feng turn around and run away, they immediately followed up without any hesitation.

Seeing Kunmeng chasing after him, Princess Dongling became even more anxious, and greeted Yue Feng and rushed directly into the palace in front of her.

This palace is called Yushan Palace. It is the place where fairy chefs prepare meals. Because it is near the wedding, it is filled with rare and precious ingredients. The moment Yue Feng entered, he only felt an intoxicating fragrance blowing towards his face.

What the hell!

At this time, Yue Feng was very shocked.

God of the Nine Heavens and Empress Hua Zhao really enjoyed it very much. There are so many delicious delicacies in this imperial dining palace, I am afraid that there are tens of thousands of kinds, and they will not be able to eat them for a few years.

Dong Dong....

At the same time with emotion, I heard that Kunmeng also chased outside the Imperial Kitchen Palace, but Yuyao Xianyuan has regulations, Kunmeng is a spirit beast and cannot enter the Imperial Kitchen Palace, so Kunmeng can only stay in the palace outside the door.

That is, at this moment, a team of patrolling soldiers passed by, and when they saw the situation, they rushed over.

“What’s the situation?”

This chapter is provided by . Visit for daily update.

“Looks like this, who should have broken into the Imperial Dining Palace, that’s why Lord Kunmeng lingered outside the door.”

“Go, go in and have a look.”

After a few patrolling soldiers discussed, they entered the Imperial Kitchen Palace one after another.

Hearing the footsteps, Yue Feng and Princess Dongling were in a hurry.

In the next second, Yue Feng saw a long jade table not far away, covered with a long tablecloth, on which dozens of delicious delicacies were placed, and without any hesitation, he got in at once.

The tablecloth was so long that it almost dragged to the floor, making it a great place to hide.

While getting in, Yue Feng did not forget to shout to Princess Dongling, “Come in.”

This...

Princess Dongling hesitated, her delicate face full of complexity.

Her dignified princess, with golden branches and jade leaves, actually wanted to hide under the table of the Imperial Palace, what kind of decency?

But once discovered by those patrolling soldiers, his plan to escape was completely revealed.

Thinking of this, Princess Dongling hurriedly bent down and got in.

However, the space under the table was small, and the moment Princess Dongling came in, she fell into Yue Feng's arms.

call!

With the soft fragrance in his arms, Yue Feng was immediately blinded, and he couldn't help taking a deep breath.

So soft, so fragrant.

Princess Dongling was embarrassed and angry, and wanted to go out very much, but when she thought of the patrolling magic soldiers, she was searching nearby, and she could only endure it, but her body collapsed tightly.

At this time, Princess Dongling was very depressed.

I thought about going to Kyushu with Yue Feng, and I forgot about the unpleasantness before, but I never thought that I would be so close to him before leaving Yuyao Xianyuan.

Princess Dongling became more and more aggrieved, and couldn't help but said, "Yue Feng, stay away from me!"

"This place is so small, how can I stay away from you? If I'm not careful, I'll be discovered."

"Then don't move!"

"Why am I moving? Are you wiggling around? "

"You..."

"Shh... those magic soldiers are about to search here, let's bear it for a while."

After I don't know how long, a few patrolling magic soldiers searched around and found no suspicious places. , left.

call!

Hearing the sound of footsteps leaving, Yue Feng secretly breathed a sigh of relief. Princess Dongling's hanging heart finally fell.

Immediately, the two were about to come out from under the table.

Shasha...

But at this moment, a slight footstep sounded, and soon, it came to the table.

What the hell!

At this moment, Yue Feng and Princess Dongling were both nervous.

Has the whereabouts been found?

Just when Yue Feng and Princess Dongling were extremely nervous, they heard the delicacies on the table being turned over one by one, and then someone picked up chopsticks and began to taste them.

As the visitor tasted it, he sighed with emotion: "God will really enjoy these nine days. It takes so much to eat a late-night snack. I'll try it first..."

This....

Hearing this, Yue Feng was stunned. Oh, who is this? He is so bold that he dares to act at the supper of the Nine Heavens God.

Chapter 3947

While shocked, Yue Feng was even more shocked when he sensed the opponent's strength across the tablecloth.

It was unfathomable and unperceptible...

And at this time, the person outside was still feasting on it, while tasting it, he kept admiring it.

"This pastry is good!"

"Well... this wine is also quite mellow." The

praises kept coming, and Yue Feng was both emotional and curious.

Who the hell is this? With such a strong strength, he came to Yuyao Xianyuan to steal something to eat.

On the other side, Princess Dongling's beautiful face was also extremely complicated, and her eyes showed a bit of anger.

This person is so arrogant that he even came to the Imperial Palace to steal something to eat.

Princess Dongling was chased by Kunmeng just now. At this time, she and Yue Feng were hiding under the table, and she was already angry. When she saw someone coming in to steal food, she couldn't help it.

In a fit of anger, Princess Dongling forgot her own situation, and suddenly got out from under the table, coquettishly said: "Who is so bold, dare to steal food here?"

"

Seeing this situation, Yue Feng was taken aback, Princess Dongling was too impulsive, so she went out like this. Has her whereabouts been exposed soon?

Muttering in his heart, Yue Feng also got out with a helpless expression on his face.

"Who?"

Hearing Princess Dongling's coquettish drink, the thief was also taken aback and almost jumped up on the spot. His eyes turned back and forth on Yue Feng and Princess Dongling.

At the same time, Yue Feng and Princess Dongling were also looking at the thief.

I saw that this thief turned out to be an old man with white beard and hair, a gray robe, a fat body, and a kind-hearted brow.

Yue Feng noticed that there was a faint mark of auspicious clouds between the old man's eyebrows.

For a time, Yue Feng couldn't help frowning secretly, full of doubts in his heart.

This is Yuyao Xianyuan, a forbidden place in the God's Domain, and this old man in gray doesn't belong here, just who is he, and where did he come from?

"Aiya!"

Just when Yue Feng was secretly surprised, the old man in gray came to his senses and said with a smile, "Scare me, I thought they were discovered by the patrolling soldiers outside, it turned out to be a young couple. ."

In the heart of the gray-clothed old man, Yue Feng and Princess Dongling were hiding under the table, subconsciously thinking that they were dating.

Swish!

Hearing this, Princess Dongling's delicate face suddenly flushed red, and she was indescribably shy.

The next second, Princess Dongling looked up and down at the old man in gray. Finally, his eyes fell on the auspicious cloud mark on the old man's eyebrows: "You...you are an immortal?"

Princess Dongling was very shocked when she said this.

You must know that outside the realm of the gods, there is a vast void world beyond the nine heavens. According to rumors, after Pangu opened up the world, there were many powerful immortals who escaped from the gods and went to practice beyond the nine heavens, so they are called immortals outside the sky. , The immortals from outside the sky are omnipotent, and their strength is much stronger than the gods of the gods, but these immortals are indifferent to fame and fortune, and they are devoted to the Tao, and never participate in the affairs of the gods and human beings.

And these immortals from outside the sky have a very obvious feature, that is, there is a special mark between the eyebrows. Princess Dongling has heard the legend of the Immortals from Heaven and Beyond since she was a child, but she has never seen them before. When she saw the auspicious cloud mark on the eyebrows of the old man in front of her, she immediately thought of Immortals from Beyond Heaven.

You must know that the Yuyao Xianyuan is heavily guarded, and this old man can enter the Imperial Kitchen Palace without disturbing the patrolling guards. His strength is extraordinary, and he must be an immortal from heaven.

Heavenly Immortal?

Hearing this, Yue Feng was stunned. What kind of existence is this, why haven't I heard of it?

Thinking to himself, Yue Feng couldn't help but ask Princess Dongling in a low voice, "What is an immortal outside the sky?"

Princess Dongling looked contemptuous, and said in a bad mood, "Thanks you are still the Nine Heavens Profound Sage, not even an immortal outside the universe. Have you

heard of it?" Although he despised it, he still briefly explained the matter of the Immortal Beyond the Heavens.

What the hell!

Knowing these circumstances, Yue Feng was stunned for a while, staring blankly at the old man in front of him, unable to speak for a long time.

I thought it was just a greedy thief, but I didn't expect the other party's origin to be so special.

Chapter 3948

Haha...

At this moment, I heard the old man burst into laughter, and praised Princess Dongling: "The girl's eyes are so good, she even guessed my origin at once, yes, I come from outside the Nine Heavens, nicknamed Yutong Xianweng. Recently, I traveled through the Nine Heavens and passed through the Divine Realm. When I saw the lanterns here, I came in curiously. I came in and found out that it was the Nine Heavens God who was going to marry his daughter."

Said, Jade Tong Xianweng's face was slightly red, and he was embarrassed to continue: "You two don't know, I have two hobbies, one is cultivation, and the other is like to taste the delicious food in the world. I smelled the fragrance here just now, and I couldn't hold back. .."

Finally, Yutong Xianweng did not forget to pick up a piece of cake and stuff it into his mouth, enjoying it very much.

Interesting...

Seeing this, Yue Feng couldn't help but be happy.

This Jade Boy Xianweng looked old, but it was very interesting to talk, just like a child who didn't grow up, it was very interesting.

At the same time, feeling the sincerity of Yutong Xianweng, Princess Dongling also breathed a sigh of relief. Since this Jade Child Xianwen also sneaked in, she didn't have to worry about her whereabouts being exposed.

"I'm so sorry!"

At this time, Yutong Xianweng said while tasting the delicious food, "I didn't know that the two of you were dating down there just now. Please forgive me for disturbing you!"
After

speaking, Yutong Xianweng was curious. Asked: "I don't know the identities of the two."

Yue Feng smiled and replied: "In Xia Yuefeng, this is Princess Dongling."

Like Princess Dongling, Yue Feng at this time also let go. Be vigilant, after all, this Jade Child Immortal Weng is from nine days away, and there is no conflict with himself, so there is no need to conceal his identity.

Oh!

Hearing the introduction, Yutong Xianweng looked stunned, smiled and said: "It turns out that it is the groom and the bride at the wedding tomorrow." Before entering the Imperial Palace to taste the food, Yutong Xianweng secretly listened to some of the maids' chat, So I know Yue Feng and Princess Dongling.

Saying that, Yutong Xianweng showed a bit of playfulness in his eyes, and joked: "The two of you are in such a good relationship, the wedding is going to be held tomorrow, and they are still secretly dating, haha.... Really answered that sentence" I only envy the mandarin ducks, not the immortals' ah."

Shah!

When the words fell, Princess Dongling blushed and stomped her feet anxiously: "You...don't talk nonsense, who is dating him!"

When saying this, Princess Dongling couldn't help but glared at Yue Feng, Very ashamed.

It was this Yue Feng who caused himself to be misunderstood.

Uh...

Yue Feng was also embarrassed, smiled bitterly, and said to Yutong Xianweng: "Senior misunderstood, we are not dating."

Isn't it?

Hearing this, Yutong Xianweng was stunned for a while, his eyes full of doubts: "If you don't date, what are you two doing hiding here? Is there something fun under the table?"

After speaking, Yutong Xianweng was about to drill Look under the table.

What the hell!

Seeing this scene, Yue Feng couldn't help laughing and laughing, this Yutong Xianweng is too old to play, right?

I thought that Yue Feng was about to stop him, but Yutong Xianweng had already got in.

Immediately, Immortal Yutong got out and muttered: "The space inside is so small, there is nothing."

After speaking, Immortal Yutong stroked his beard and said with certainty, "You two dolls. Lie to me, it's obviously a date, but you have to admit it."

At this...

At this moment, Princess Dongling was completely anxious and said with a blushing face: "We are hiding here because we want to escape from Yuyao Xianyuan." After

speaking, Princess Dongling pointed to Yuefeng: "This princess doesn't like him at all, how could she marry him and still date here?" The

voice fell, and Yue Feng also said: "Yes, senior, you really misunderstood, we are going to run away from marriage together, it's not you. That's what you think."

What?

Run away from marriage together?

Hearing this, Yutong Xianweng was stunned, looked at Yue Feng, and then at Princess Dongling, his mind was in a mess.

It is not uncommon to escape marriage, but generally escape marriage, it is unilateral, either the man or the woman, and the men and women who escape marriage together are the first time they see each other.

It's really big in the world, there are no wonders.

Seeing Yutong Xianweng's puzzled expression, Yue Feng took a deep breath and said, "Senior, our wedding was a complete misunderstanding. The princess has another sweetheart, and I continue to return to the Kyushu mainland.

" Feng briefly explained the misunderstanding, and of course, the intimate affairs with Princess Dongling were concealed.

Chapter 3949

So it turns out.

Yutong Xianweng nodded suddenly, and then thought of something, his eyes flashed with a strange brilliance: "I heard that the continent of Kyushu is vast and rich, and there are countless delicious delicacies! But is it true?"

Yue Feng smiled and nodded: "Yes, nine continents. Everyone has their own customs, and as for the delicious food, there are countless others."

Tsk tsk...

Hearing this, Yutong Xianweng's eyes lit up, and he couldn't help smacking his lips.

Seeing his greedy look, Yue Feng couldn't help but smile.

Haha... This Yutong Xianweng is so greedy when it comes to delicious food. It's really interesting.

But Princess Dongling, who was standing beside her, was in a hurry.

When is this Yue Feng, and he still wants to talk to Yutong Xianweng about delicious food.

Thinking to herself, Princess Dongling couldn't help pinching Yue Feng secretly.

hiss!

Yue Feng couldn't help taking a breath of cold air, and looked at Princess Dongling speechlessly: "What are you doing?"

Princess Dongling said angrily, "We are trapped here now, you still have the heart to talk about delicious food. , I really don't know what the Master thought at that time, he will make you a Nine Heavens Profound Sage."

Yue Feng was very helpless, and looked outside, and saw that Kunmeng was still wandering at the entrance of the Imperial Palace.

In the next second, Yue Feng said to Yutong Xianweng: "Senior, is there any way you can lead the Kunmeng outside? As long as you can help us leave Yuyao Xianyuan, I invite you to eat in Kyushu. Food ."

"To be honest with the seniors, we have a lot of delicious food in Kyushu. For one round of our Diyuan Continent, there are ten famous dishes, such as Dongpo pork, steamed preserved meat, and Feilong soup... .."

"Really?" Yutong Xianweng suddenly became interested.

To be honest, Yutong Xianweng didn't want to worry about Yue Feng's affairs. After all, they met by chance, but his love for food reached the point where he was intoxicated. attracted.

Yue Feng nodded: "Senior is an expert, how dare I deceive?"

Haha...

Hearing this, Yutong Xianweng was very happy, and said to himself: "Leaving Yuyao Xianyuan is too simple." Saying that, Yutong Xianweng raised his hands slowly.

hum!

The next second, a strange light burst out from Yuyao Xianweng's body, and then the light gradually expanded, surrounding Yue Feng and Princess Dongling.

I go!

At the moment of being surrounded by light, Yue Feng was both happy and shocked.

Originally thinking that Yutong Immortal Weng would lead Na Kunmeng away, I and Princess Dongling took the opportunity to leave Yuyao Xianyuan, but I never imagined that the strength of this Yutong Immortal Weng was so terrifying that he could directly bring himself and Princess Dongling away. Princess Dongling teleported away.

At the same time, Princess Dongling was also shocked.

This Yutong Xianweng, worthy of being an immortal from outside the sky, was able to start teleportation in the Imperial Palace. You must know that Yuyao Xianyuan is a forbidden place in the realm of the gods. There are several enchantments around, not to mention those ordinary gods. Nine Heavens God, it is impossible to deploy teleportation here, but Yutong Xianweng did it easily.

It can be seen that the strength of this jade boy fairy has reached an unimaginable level.

While shocked, Princess Dongling looked at Yue Feng with complicated eyes.

This Yue Feng is really incomprehensible. Just now I thought he was just chatting with Yutong Xianweng, but he didn't expect that with a few words, he won Yutong Xianweng's favor.

"Haha!"

As the light became stronger and stronger, Yutong Xianweng also came out, smiled at Yue Feng and said: "The teleportation will start immediately, Yue Feng, go to Kyushu, whether the old man has a good meal depends on you. It 's gone."

“Senior, don’t worry!”

Om!

While speaking, the light became more and more intense, and then, Yue Feng only felt that his eyes were dark, and he was teleported away together with Princess Dongling and Yutong Xianweng.

.....

On the other side, in the battlefield a few miles away from the Five Poison Sect.

The battle between the Tiandao Alliance and the Ouyang family has come to an end.

After a few days of fierce battles, it was seen that the three forces of the Ouyang family, Mingjian Villa, and Danzong had added up to less than 100 people at this time.

On the Tiandao Alliance side, there are nearly tens of thousands of elites.

On the battlefield, Wen Chou Chou was covered in blood and his face was pale. After several days of fighting, his internal strength was almost exhausted, and he was so weak that he could barely hold on.

At the same time, Sun Dasheng, Ye Zhixin, Zheng Chunqiu and others who were not far away were also extremely weak.

Chapter 3950

“Hahaha...”

In midair, Gong Ao clenched his golden spear with a grim expression on his face: “All accept your fate, from today, the Ouyang family, Danzong, and Famous Sword Villa will no longer be in Kyushu rivers and lakes. Existence.”

Hearing this, Wen Chou Chou clenched his fists and was extremely angry.

You can see the surrounding, the death of one’s own people, the wounds of the wounds, the ugly and incomparable despair.

Is there really no room for redemption?

I’m so unhappy.

Whoa!

However, at this time, I heard a wave of breath in the sky not far away, and then, I saw tens of thousands of disciples of the Five Poison Sect, coming from the sky.

The two headed, one handsome and handsome, the other charming and charming.

It was Bai Yunfei and Ji Hongshang.

Swish!

Seeing Bai Yunfei, Gong Ao's grim face suddenly turned gloomy, and he said coldly, "You are Bai Yunfei?" Before Luo Jue died, because of searching for Bai Yunfei's whereabouts, he stayed at the main altar of the Tiandao Alliance. With the portrait of Bai Yunfei, Gong Ao recognized it at a glance.

"Haha!"

Bai Yunfei smiled and looked at Gong Ao up and down: "You are the new envoy of the Divine Realm, aren't you? During this time, haven't you been sending the elites of the Heavenly Dao Alliance to arrest me? Actually, it doesn't need to be that troublesome, I'll come now. It's over!"

When he said this, Bai Yunfei's face was calm and arrogant, and he didn't take Gong Ao in his eyes at all.

Swish!

Feeling Bai Yunfei's contempt, Gong Ao's face turned gloomy, and murderous intent flashed in his eyes.

How can he endure being despised by a remnant of the Demon Race, his dignified envoy of the God Realm?

In anger, Gong Ao looked at the tens of thousands of Poison Sect elites behind Bai Yunfei, smiled contemptuously, and said coldly: "Bai Yunfei, you are very kind, but if you think that you can bring such people, you will be able to sit and accept. The benefit of the fisherman is a big mistake."

Gong Ao was not stupid, seeing Bai Yunfei's appearance at this time, he knew that the other party was here to clean up the mess.

Ha ha!

Hearing this, Bai Yunfei smiled slightly: "You're right, but a person like the Five Poison Sect is certainly not enough to wipe out both of you."

Whoa!

As soon as the voice fell, I heard a breath of vibration from the rear of the Five Poison Sect, and then, Nalan Wushuang and the elders of Feng came with tens of thousands of Xia Yin Sect disciples.

What?

Does Bai Yunfei have allies?

Seeing the people of Xia Yinzong, Gong Ao's expression changed.

Speaking of which, Gong Ao still didn't know Nalan Wushuang's identity, but he also clearly sensed that Nalan Wushuang, Elder Feng and others were not weak.

At the same time, Wen Chou Chou and others on the other side of the battlefield were also shocked.

Xia Yinzong is also here?

Xia Yinzong and Bai Yunfei have joined forces, and this is over.

"Let me come and see, the strength of your special envoy of the God's Domain!"

At this time, Bai Yunfei stopped talking nonsense, said a word, and then the figure erupted and went straight to Gong Ao.

While rushing into the air, Bai Yunfei tilted his head and smiled at Nalan Wushuang: "Miss Nalan, I will deal with the Heavenly Dao Alliance, and I will leave it to you for the Ouyang family!"

Well!

Nalan Wushuang nodded, and then shouted at Elder Feng and everyone: "Everyone in Xia Yinzong listens to the order and wins everyone in the Ouyang family, not one of them can be missed!"

"Yes, the head!" The

voice fell, Elder Feng Everyone responded in succession, and then rushed towards Wen Chou Chou and others.

what's the situation?

Seeing Xia Yinzong and the others rushing in, whether it was Wen Chou Chou or Ye Zhi Xin and the others, they were all stunned.

Isn't this Xia Yinzong supposed to deal with the Tiandao Alliance? How did you join forces with Bai Yunfei to deal with the Ouyang family? Moreover, when did Nalan Wushuang become the head of Xia Yinzong?

Just when the crowd of Wen Chou Chou was in shock, the crowd of Xia Yin Zong had already rushed in front of them.

At this moment, Wen Chou Chou didn't have time to think about it, and hurriedly greeted everyone to fight back.

And in the sky.

Bai Yunfei was as fast as lightning, and in the blink of an eye, he was in front of Gong Ao, and said coldly, "Don't you want to kill me and take back the magic mirror? I'll give you this chance today!"

Om!

The voice fell, Bai Yunfei burst out with the power of the devil's soul, and suddenly a terrifying breath swept out, and the surrounding air seemed to be stagnant!

The next second, Bai Yunfei slowly raised his right hand and hit Gong Ao with a palm!

The ultimate husband in Chinese chapter 3951-3960

Chapter 3951

What a powerful demon soul...

Seeing Bai Yunfei's palm strike, Gong Ao was startled, and then he held the golden spear to meet him. At this time, Gong Ao, because of the fierce battle for several days and nights, Yuan Ao The power of God has consumed a lot, so at this time, facing Bai Yunfei, he did not dare to be careless, and urged all the power to resist!

Bang!

The next second, the palm force slapped the golden spear fiercely, Gong Ao only felt a terrifying force coming, groaned, and the volley was knocked back dozens of steps.

Mad!

Stabilizing his figure, Gong Ao was extremely frightened and stared at Bai Yunfei.

If it wasn't for the power of the primordial spirit that was consumed before, he would not have been defeated in the first round, but I have to say that Bai Yunfei's strength is really strong.

At this moment, Bai Yunfei hovered proudly in the air, nodded at Gong Ao and said, "As expected of a special envoy from God's Domain, he can actually block my demon soul power!"

Huhu!

The voice fell, Bai Yunfei raised his right hand slowly, and saw a blood-red long knife slowly condensing.

This long knife is more than three meters long, narrow and sharp, and it is the power of the devil's soul condensed.

In the past few days, Bai Yunfei has received the guidance of Demon Lord Gone, and has comprehended the power of the Demon Soul in his body, which has improved several realms, and his strength is even more terrifying than before.

Although this blood-colored long knife was formed by the power of the demon soul, it was like a substance. The moment it appeared, within a thousand meters of it, a bloodthirsty aura was instantly shrouded in it.

call!

At this moment, whether it was Gong Ao or the elites of the Heavenly Dao League below, they couldn't help gasping for air.

This chapter is provided by . Visit for daily update.

"Take the call, Your Excellency Special Envoy!"

The corners of Bai Yunfei's mouth twitched, and he said something coldly. With a sudden wave of the blood-colored long saber in his hand, he saw a blood-colored saber light, tearing apart the world, and slashing towards Gong Ao.

Wherever the sword light passed, the world seemed to be split into two halves.

Gudong!

Feeling the terrifying power of the sword light, Gong Ao swallowed his saliva, and before he could think about it, he hurriedly mobilized all the power of his primordial spirit, and placed the golden spear in front of him in an attempt to block the blow!

Bang!

The blood-colored sword slashed on the golden spear, and he heard a roar that shook the heavens and the earth. He saw the golden spear in Gong Ao's hand shattered instantly, and he groaned, and was sent flying. Going out, he flew a few hundred meters away, and finally hit the cliff before falling heavily.

After fighting fiercely with the Ouyang family for several days and nights, Gong Ao had consumed a lot of his Primordial Spirit power. At this time, facing Bai Yunfei's full outburst, he couldn't resist it at all.

This... Seeing this scene, the surrounding Tiandao League disciples couldn't help but gasped, and all of them were dumbfounded.

In just two rounds, His Excellency the Special Envoy was hit hard.

This Bai Yunfei's strength is too terrifying.

With a smile on his face, Bai Yunfei ordered Ji Hongshang: "Take this Gong Ao for me, and take it back to Your Majesty Mozun to send it."

"Yes, Sect Master!"

Ji Hongshang responded and immediately commanded His subordinates tied Gong Ao Wuhua.

At this moment, on the other side of the battlefield.

Wen Chou Chou, Ye Zhi Xin and the others had also consumed a lot of internal energy, but at this time, under the siege of Nalan Wushuang and the elite disciples of Xia Yinzong, they fought back.

bang bang bang...

In less than five minutes, Wen Chou Chou and the others were hit hard and lost their combat effectiveness one by one.

“Haha...”

Seeing this scene, Bai Yunfei smiled and said to Nalan Wushuang: “As expected of the Xia Yinzong, they caught Wen Chou Chou so quickly.”

“Miss Nalan, I, Bai Yunfei, have nothing to say, Yue Feng and you have a grudge against you for killing your mother, so these people from the Ouyang family will be handed over to you!”

After saying this, Bai Yunfei turned and left.

Hu...

Watching Bai Yunfei leave, Nalan Wushuang let out a light sigh of relief, then looked around, his eyes swept coldly over Wen Chou Chou and the others, his delicate face was full of killing intent.

The next second, Nalan Wushuang directed at the surrounding disciples of the Xia Yin Sect and issued an order: “Cut off all their heads.”

His mother was killed by Yue Feng, and Wen Chou Chou belonged to Yue Feng. Family, don't kill them, it's hard to solve the hatred in my heart.

Swish shh...

The voice fell, and dozens of elite disciples of Xia Yinzong drew out their long knives in unison, and slashed towards the Wen Chou Chou crowd.

Done!

At this moment, Wen Chou Chou, Ye Zhi Xin and the others all turned pale and closed their eyes in despair.

Chapter 3952

“Wait!”

Seeing that Wen Chou Chou was about to die under the sword, just at this critical moment, Elder Feng walked over quickly and stopped those Xia Yin Sect disciples.

Elder Feng is the head of the four elders, and has a high prestige in Xia Yinzong. Seeing him speak, the disciples of Xia Yinzong all stopped.

Nalan Wushuang frowned: "Elder Feng, what are you doing?"

Elder Feng took a deep breath, first looked at Wen Chou Chou, and slowly responded: "Sect Master, blood revenge must be avenged, but killing the former Sect Master It's Yue Feng. The so-called grievances have their heads, debts have their owners, and the head should not be reckless."

After speaking, the elder Feng thought for a while, and continued: "The best way is to use Ouyang to see the head but not the tail of Yue Feng Shenlong. The family led him out, if we kill them, we will be passive."

When he said this, Elder Feng looked serious.

You must know that Elder Feng had fought against Yue Feng ten days ago, and even Yue Feng's strength.

If Wen Chou Chou and everyone were beheaded, Yue Feng would definitely go mad. No one in Xia Yin Zong could cure him. It would be better to use Wen Chou Chou and everyone as a threat. In this case, Yue Feng had concerns in his heart, and it would be much easier to deal with him. .

This....

Hearing this, Nalan Wushuang's beautiful face revealed a bit of complexity, and he pondered.

A few seconds later, Nalan Wushuang nodded and said, "Okay, let's leave these people alive for the time being and put them all in the Houshan cave."

Seriously, Nalan Wushuang really wanted to kill Wen Chou Chou and the others immediately. But what Elder Feng said was right. Yue Feng's whereabouts were erratic. Once Wen Chou Chou was killed, there was no way to force Yue Feng to show up.

Back Mountain Cave?

Seeing Nalan Wushuang's arrangement, Elder Feng was stunned for a moment, and then smiled and praised: "This method is good."

In the forbidden area of the back mountain of Xia Yinzong, there is a hole in which a dragon lives, and recently, it is During the critical period of Jiaolong's cultivation, it continued to devour the power of human practitioners.

In this case, Wen Chou Chou and everyone are locked in the underground cave, and they will definitely be swallowed up by the dragon, and at that time, they will all become crippled.

In this way, Xia Yinzong not only vented his anger, but also did not have to worry about the death of Wen Chou Chou and others, and he could use them to lead Yue Feng to appear. It really killed two birds with one stone.

Under the admiration, Elder Feng instructed the surrounding Xiayin Sect disciples to rush towards the Xiayin Sect's main altar with the Wen Chou Chou crowd.

Phew...

At this moment, whether it was Wen Chou Chou, Ren Yingying, Ye Zhi Xin and the others, they were not happy because they had temporarily saved their lives, but they had unspeakable doubts in their hearts.

Fengzi killed Na Lanqing, the former head of Xia Yinzong?

How is this possible? Fengzi went to God's Domain and hasn't come back yet, how could he kill Nalanqing?

There must be a secret in this.

Thinking of this, Wen Chou Chou couldn't help shouting: "Miss Nalan, Feng Zi went to God's Domain a week ago. It is absolutely impossible to kill your former head. There must be a misunderstanding." The

voice fell, Ren Yingying And others, also nodded.

"Shut up!"

However, Nalan Wushuang couldn't listen to her at all, so she gave a coquettish shout and said coldly, "Yue Feng pretended to be a man in black and knocked my mother off the cliff. Many people in the Five Poison Sect saw it.

" In the entire Kyushu, there are only a handful of people who can knock my mother off the cliff, so you don't have to make excuses for Yue Feng."

Five Poison Sect?

Hearing this, Wen Chou Chou and everyone looked at each other in dismay, feeling more and more strange.

Later, Wen Chou Chou wanted to defend Yue Feng, but seeing Nalan Wushuang's frosty look, he held back.

After several hours of trekking, Wen Chou Chou and the others were finally taken to the entrance of the Back Mountain Cave of Xia Yinzong.

Huh...

At this moment, seeing the huge underground hole in front of them, everyone Chou Chou and Wen Chou felt an inexplicable heart palpitation, especially the dangerous aura coming from the bottom of the underground hole, which made people feel chills in their hearts.

"Roar!"

Just when everyone was inexplicably nervous, they heard a roar that shocked the soul!

At the same time, the dangerous aura that pervaded the cave became even stronger!

This roar...

Hearing the roar, Wen Chou Chou, Ren Yingying and the others looked at each other, all of them were pale and their backs were cold.

They could all feel that an extremely ferocious beast was imprisoned under the cave. Moreover, the strength is extremely powerful.

Under the shock, everyone in Wen Chou Chou's heart beat faster and their blood boiled.

"Get off!"

At this time, under Nalan Wushuang's signal, dozens of Xia Yin Sect disciples came over and kicked Wen Chou Chou down.

Wen Chou Chou and everyone were all tied up with five flowers, and they didn't have time to react, and they fell down one after another.

Chapter 3953

Huhuhu...

For a while, I heard the wind whistling in my ears, and the hearts of Wen Chou Chou all mentioned their throats.

This hole is so deep, will you fall to your death?

Putong putong...

Finally, after more than ten seconds, Wen Chou Chou and the others finally reached the bottom of the cave, and they were lucky.

But even so, the huge impact still made Wen Chou Chou see gold stars in everyone's eyes, and the blood in the body was churning.

"Is everyone all right?"

After a few seconds, Wen Chou Chou took the lead to slow down, looked around, and asked.

hiss!

It was at this moment, seeing the situation not far away, Wen Chou Chou trembled all over, couldn't help taking a breath, and the whole person was dumbfounded.

"We're all right!"

"What's the matter, Brother Wen?"

Everyone responded, and at the same time seeing Wen Chou Chou looking different, they hurriedly asked, and at the same time, they looked forward. At this sight, everyone's legs were weak. Cold sweat broke out.

I saw a huge figure entrenched in the shadow not far away.

The nearly 100-meter-long body is entrenched there, like a hill, covered with black and red scales, and has two horns on the top of its head.

It is a Flood Dragon!

This...

seeing this Jiaolong, whether it is Wen Chou Chou or Ren Ying Ying, everyone is stunned, and their heads are buzzing.

There is actually a Jiaolong hidden in the back mountain of this Xia Yinzong?

At this time, the ugly and ugly people clearly felt that the flood dragon in front of them was much more powerful than the flood dragon seen in the wild and strange realm ten years ago.

“I didn’t expect that so many people would suddenly come to such a desolate and hidden place!”

Just when Wen Chou Chou was secretly shocked, a low voice suddenly came from the front.

Um?

Who is speaking?

Wen Chou Chou and Ye Zhi Xin all trembled in their hearts, and at the same time they looked up, and they were all stunned.

I saw the Jiaolong who was entrenched in front, his eyes flickering, his bloody mouth opened wide, and he spit out a paragraph: “Xia Yinzong is really kind to me, knowing that I am about to turn a Jiaolong into a dragon, I sent so many. Cultivator, let me absorb strength, hahaha...”

When he said this, Jiaolong’s eyes flashed with endless excitement.

I go!

It turned out that this Jiaolong spoke.

At this moment, whether it was Wen Chou Chou, Ren Yingying, Ye Zhi Xin and others, they were all shocked, and at the same time, they were also a little unwilling.

If this Flood Dragon absorbs the power, everyone will become a cripple, it is better to die directly.

“Brother Wen!”

Everyone was silent for a moment. Finally, Dasheng Sun reacted and couldn’t help shouting: “We have been in the arena for so many years, when have we been so useless? Isn’t it just a dragon? Let’s fight it.”

“If you really die here, Fengzi will also avenge us!”

Ye Zhixin and the others also agreed.

“Yes, let’s unite as one, we will die with dignity.”

“If we really die, Yue Feng will also avenge us.”

At this time, when everyone said this, their faces were serious, but their hearts were full of fears. Extremely sad.

Gathering near the Five Poison Sect before, he wanted to capture Bai Yunfei and eliminate the harm of Kyushu, but he never thought that Gong Ao would lead the Heavenly Dao League to besiege the Ouyang family for his own selfish interests, so much so that Bai Yunfei sat on the throne of the fisherman. profit.

Up to now, everyone has been trapped in this cave, facing the danger of being swallowed by the dragon.

“Okay!”

Hearing this, Wen Chou Chou pondered for a while and nodded his head: “Since everyone has decided this way, let’s fight!” After the words fell, Wen Chou Chou clenched his fists and prepared to deal with the dragon in front of him with everyone. .

The atmosphere suddenly became tense.

However, in the face of the crowd who were ready to go, Jiaolong did not intend to do anything, his eyes twinkled with complexity.

“Everyone!” In the

next second, Jiaolong’s eyes swept over everyone, and finally fell on Yue Feng: “You mentioned a man named Yue Feng, what is your relationship with him?”

When asking this, Jiaolong’s eyes were full of eyes. urgent.

You must know that Jiaolong’s breakthrough reached a bottleneck some time ago, and it was entirely due to Yue Feng’s use of his own bird ancestors to help him successfully break through. Because of this, Jiaolong regarded Yue Feng as a benefactor.

Under such circumstances, Jiaolong was naturally excited when he heard Wen Chou Chou mention Yue Feng.

Chapter 3954

Huh?

Hearing this, Wen Chou Chou and everyone looked at each other and were a little puzzled.

Does this Jiaolong know Fengzi?

At this time, Wen Chou Chou did not know that Yue Feng was caught in Xia Yin Zong before, and Nalan Wushuang pushed Yue Feng down a deep valley in order to retaliate.

In doubt, Ren Yingying summoned her courage, took a step forward, and said to Jiaolong: "Of course I know Yue Feng, he is my man!" The

voice fell, and Sun Dasheng also stepped forward: "That is my sworn brother!"

"Hahaha..."

Hearing this, Jiaolong was stunned for a moment, then he opened his mouth wide and laughed loudly: "Haha... It turns out that you are all Yue Feng's relatives and friends, since that's the case, you don't want to. I'm nervous, we are really flooded with the Dragon King Temple, the family doesn't know the family anymore..."

A family?

Hearing this, Wen Chou Chou and everyone were stunned.

This...what's the situation?

Seeing everyone's doubts, Jiaolong smiled and said, "I am dissatisfied with all of you. I encountered a bottleneck before breaking through, and it was all due to Yue Feng..." After that, Jiaolong explained the situation at that time in detail.

It turned out to be so.

Knowing the situation, Wen Chou Chou and everyone suddenly realized, and then they all smiled.

Haha... I thought this time was dead, but who would have thought that it would turn a misfortune into a blessing.

The next second, Ren Yingying took a step forward and said to Jiaolong: "In this case, you help us get out of here, it is also a repayment for Yue Feng's help before." The

voice fell, and everyone around nodded.

This...

Jiaolong hesitated for a moment, wondering: "Everyone, I'm in a critical period now. After breaking through the bottleneck, I've been waiting for the arrival of the thunder tribulation, so I can't leave for the time being."

It was right, Yue Feng helped it break through . When the bottleneck is reached, it is the last step to cross the robbery and transform into a dragon. Tribulation is the last catastrophe that every spirit beast has endured.

This cave has a special geographical location. When the thunder tribulation arrives, Jiaolong can use this cave to disperse the power of the thunder tribulation. Therefore, Jiaolong did not dare to leave this place easily.

Hearing this, Ren Yingying and Wen Chou Chou were a little disappointed.

“Everyone!”

At this time, Jiaolong continued: “Don’t worry, as long as I successfully survive the thunder tribulation and transform into a dragon, I will definitely take you out of here safely. I see your situation, it should have just gone through a big battle, You are all very weak, why don’t you take this opportunity to rest and recover here, just in time, I can also protect the Dharma for you.”

Phew...

Seeing that Jiaolong’s attitude is so sincere, Wen Chou Chou and everyone can’t say anything else, sitting there cross-legged, Begin retreat to recover.

...

the other side! Xi Cang Continent!

Located dozens of miles northwest of the imperial city, there is a small town called Caiyun Town with beautiful scenery.

At this time, in a restaurant in Caiyun Town, Yue Feng and Yutong Xianweng were sitting there, enjoying their drinks. The table in front of them was full of delicious food, all of which were famous local dishes.

Half an hour ago, with the help of Yutong Xianweng, Yue Feng successfully returned to the mainland of Kyushu and spread to the vicinity of Caiyun Town.

Yue Feng did what he said, and at that time he took Yutong Xianweng to the largest restaurant in Caiyun Town and invited him to enjoy delicious food.

In Yue Feng’s heart, the colored glazed water has already been obtained, and Sun Dasheng and Wen Xiaoyu are saved, and there is no need to worry about it.

On the other side of the table, sat a slender figure.

Wearing a bright yellow court dress, the facial features are exquisite, gorgeous and moving, unbelievably beautiful, and the whole body is filled with a noble atmosphere that cannot be desecrated.

It was Princess Dongling.

At this time, Princess Dongling was sitting there, her delicate face was full of impatience, and she didn't even look at the delicious food on the table. Heart is also extremely anxious.

This Yue Feng did not rush to find Gong Ao with himself, but was drinking in the restaurant.

It was so irritating.

Depressed, Princess Dongling wanted to scold Yue Feng, but because of the presence of Yutong Xianweng, she held back.

“Oops!”

At this time, Yutong Xianweng took a sip of wine and said to Yue Feng with a smile: “I didn't expect that the fine wine from Kyushu is so mellow, this old man really didn't come for nothing.”

Yue Feng He smiled and said curiously, “Senior, as an immortal from outside the sky, have you never been to the Kyushu Continent?”

Chapter 3955

Yutong Xianweng stroked his beard, shook his head and said: “Of course I have been here, but it was thousands of years ago. At that time, Kyushu was wild and tribal, and you hit me everywhere, and I hit you. , at that time, wine had not been invented, let alone such a rich food.”

So it is!

Hearing this, Yue Feng nodded suddenly, and then smiled: “Senior is finally here this time, if the junior has time, I will definitely take you to taste the characteristics of other places.”

“Okay...”

Yutong Xianweng is very Happy, and Yue Feng looked at each other and laughed.

Whoa!

Just as he was talking, he saw a few people walking into the restaurant and sitting not far away. These people were obviously all from Jianghu.

As soon as they sat down, several people started talking.

“Have you heard? The Tiandao League and the Ouyang family are fighting!”

“Who doesn’t know about this? It is said that both sides will suffer. Later, that Bai Yunfei brought people from the Five Poison Sect and joined forces with the Xia Yin Sect to clean up the mess. What kind of God’s Domain special envoy Gong Ao was defeated by Bai Yunfei in two moves.”

“I also heard that there seems to be some ancient poisonous scorpion... tens of thousands of elites of the Heavenly Dao Alliance have become poisonous people.”

Swish!

Hearing this, Yue Feng was stunned.

The Heavenly Dao League besieged the Ouyang family? Haven’t they been searching for Bai Yunfei’s whereabouts recently? Why are you fighting again?

At the same time, Princess Dongling trembled.

Gong Ao was injured by a man named Bai Yunfei? Are you seriously injured?

The next second, Princess Dongling stood up suddenly, walked over quickly, and asked one of them, “How is Gong Ao now? Where is he now?”

Huh?

Seeing Princess Dongling coming over, several people in the arena who were discussing were all stunned. The next second, they looked at Princess Dongling one by one, and could no longer look away!

What a beautiful woman.

This kind of temperament is rare in the world.

Under the shock, several people couldn’t help but admire.

“Hey hey... our brothers are lucky today!”

“Yeah, I didn’t expect to meet such a top-notch beauty in such a remote town!”

“Listening to her tone, it seems to be from the Tiandao Alliance.. ..” During the

discussion, a man with a scar on his face looked at Princess Dongling with great interest, and said with a smile: "Beauty, you are so nervous, that special envoy of the Divine Realm, is it someone from the Tiandao Alliance? Since you asked us , to prove that we are destined, you accompany us for a few drinks, and I will tell you the whereabouts of Gong Ao, how?"

When he said this, the scar-faced man's eyes kept wandering on Princess Dongling.

In his heart, the beautiful woman in front of him should be a high-level member of the Tiandao Alliance. In the past, he would definitely avoid it, but now it is different. After Gong Ao was captured by Bai Yunfei, the entire Tiandao Alliance was already in name only, and he was not afraid at all. .

Haha...

The voice fell, and the others around also burst into laughter.

At this time, the eyes of these people were all on Princess Dongling, and they had not noticed Yue Feng and Yutong Xianweng, otherwise, they would not dare to be so presumptuous.

Swish!

At this moment, Princess Dongling's delicate face suddenly flushed red, and she was extremely embarrassed.

What a bunch of people who don't have long eyes, how can you be so rude to you, Princess Dongling, the daughter of Jiutian God?

"Looking for death!" The

cold words came out of Princess Dongling's mouth. Immediately, the jade hand was raised, and an invisible and powerful aura burst out, directly covering the face of the man!

"Ah..." Before the

man with the face could react, he was knocked out and slammed into the wall not far away. A mouthful of blood spurted out and he died.

This....

seeing this scene, several accomplices of the scar-faced man couldn't help but gasped.

This woman is so terrifying!

Princess Dongling didn't talk nonsense, looked around, and said to the nearest young man: "I ask again, where is Gong Ao now?"

The young man was frightened and stammered: "I was caught by Bai Yunfei, now It should be locked in the Five Poison Sect."

"Where is the Five Poison Sect, do you know?" Princess Dongling suddenly became anxious and asked quickly.

The young man nodded again and again: "I know!"

Princess Dongling did not hesitate, and said coldly: "Go, take me there!" The voice fell, grabbed the young man, broke the window, flew into the sky, and disappeared in a blink of an eye.

The ultimate husband in Chinese chapter 3956-3960

Chapter 3956

In Princess Dongling's heart, she originally wanted to let Yue Feng take herself to Gong Ao, but when she arrived in Kyushu, Yue Feng's unhurried attitude really made her unbearable. At this time, she learned from others that Gong Ao The news, Princess Dongling will naturally not miss the opportunity.

What the hell!

Watching Princess Dongling fly far away without discussing it with himself at all, Yue Feng was stunned.

Yutong Xianweng looked indifferent, drank a glass of wine, and said to Yue Feng: "The princess left without saying hello. It seems that in her heart, Gong Ao's status is much higher than yours."

Uh ...

Hearing this, Yue Feng was a little dumbfounded: "Senior, I said before that my marriage with Princess Dongling was a complete misunderstanding. It's normal for her to not have me in her heart."

After saying this, Yue Feng Slowly stood up and walked towards the few people who were still in a daze not far away.

"I'm asking you!" When he

got to the front, Yue Feng asked, "How is the situation of the Ouyang family now?"

Yue Feng thought about it, since Princess Dongling went to save Gong Ao, let her go, and let her deal with Bai Yunfei, You can save yourself a lot of things.

What I want to do now is the safety of the Ouyang family.

Yue Feng?

At this moment, several people realized that the people sitting next door turned out to be the famous heroes of Kyushu, and they were completely stupid.

In the next second, one of them hurriedly said: "Master Huiyue, the Ouyang family was arrested by Xia Yinzong. It is said that they were all brought to the main altar of Xia Yinzong."

Xia Yinzong?

This chapter is provided by . Visit for daily update.

Hearing this, Yue Feng couldn't help frowning secretly.

The Ouyang family and Xia Yinzong have no grievances or enmity. Why did Na Lanqing arrest the Ouyang family?

At this time, Yue Feng didn't know that Nalanqing was dead, and he was also blamed for it.

Under the doubts, Yue Feng did not dare to neglect, turned around and said to Yutong Xianweng: "Senior, I have very important things to do, I guess I can't accompany you."

After speaking, Yue Feng was ready to check out and leave.

Yutong Xianweng wiped his mouth and said, "You invited me to drink and eat. Now that I have a problem, I can't just sit back and watch. Let's go, I'll go with you!"

Yue Feng was overjoyed, and Yutong Xianweng followed. , even if the Nine Heavens God comes, don't be afraid.

...

the other side.

Under the guidance of the Jianghu youth, Princess Dongling quickly arrived near the Five Poison Sect.

It was already late at night, but Princess Dongling was in a hurry to see Gong Ao, so she didn't want to rest at that time. After letting the Jianghu youth leave, she directly broke into the Five Poison Sect's main altar.

"Who? Dare to break into the Five Poison Sect's main altar?"

"Hey, what a beautiful woman..."

As soon as they arrived at the gate of the main altar, the disciples of the Five Poison Sect who were patrolling nearby found Princess Dongling.

For a while, seeing the graceful appearance of Princess Dongling, all those disciples were dumbfounded.

beautiful!

This woman is too beautiful, like a fairy descended to earth. No, more charming than fairies.

That slender waist and long straight legs, this figure is simply too perfect.

Princess Dongling didn't care about the gazes of these disciples, her icy expression did not fluctuate in the slightest.

"Release Gong Ao immediately, otherwise, I will raze this place to the ground!" Princess Dongling's red lips lightly opened, and her icy voice spread throughout the Five Poison Sect's main altar. Her voice was a little soft, but full of majesty.

As the daughter of the Nine Heavens God, with a detached status, naturally she doesn't take a small Five Poison Sect in her eyes,

what?

Is she going to save that God's Domain envoy?

In an instant, the disciples of the Five Poison Sect below were all stunned and looked at each other in dismay. The beauty in front of me is too loud, but she wants to save the special envoy of God's Domain alone?

Seeing that no one responded to her, Princess Dongling suddenly became angry and raised her jade hand.

hum!

In the next second, a powerful aura erupted from Princess Dongling's body, and then a golden light flickered, and the door to the main altar of the Five Poison Sect was instantly smashed to pieces. Within a hundred meters, a cloud of dust flew up. .

Hiss..

Seeing this scene, all the disciples of the Five Poison Sect couldn't help gasping for breath, and they were extremely shocked.

This woman seems to be delicate, but her strength is so terrifying. Just raising her hand will smash the gate of the main altar dozens of meters high?

Whoosh!

At this moment, two figures came quickly, it was Bai Yunfei and Ji Hongshang.

"Who came here to make trouble?" Ji Hongshang looked at Princess Dongling closely and gave a coquettish shout.

At the same time, Bai Yunfei also looked up and down Princess Dongling, his face was indifferent, but his eyes flashed with a strange brilliance.

What a charming beauty.

Chapter 3957

Swish!

At this moment, Princess Dongling's gaze directly locked Bai Yunfei, and said coldly: "You are that Bai Yunfei?"

Bai Yunfei smiled slightly: "Yes, it's right here, I don't know where the beauty comes from?"

Saying this At that time, Bai Yunfei looked up and down Princess Dongling with a bit of solemnity in his eyes.

The power of the primordial spirit pervading this beauty is stronger than that of Gong Ao. It seems that her identity is extraordinary, so she cannot take it lightly.

Phew...

At this moment, the disciples of the Five Poison Sect present held their breaths, their eyes focused on Princess Dongling, waiting for her answer.

Princess Dongling was suspended in the air, her beautiful face was full of arrogance: "I am the daughter of the Nine Heavens God, Princess Dongling."

What?

Hearing this, both Bai Yunfei and the surrounding disciples of the Five Poison Sect were all stunned.

This....this beauty has such a big background? It turned out to be the daughter of the God of Nine Heavens....

For a time, the audience was silent, and a drop of a needle could be heard clearly.

Seeing this situation, Princess Dongling's eyes showed a bit of contempt, and then she said to Bai Yunfei: "You already know my identity, so quickly release Gong Ao, otherwise, I will call you dead without a burial. Earth."

As the daughter of the Nine Heavens God, Princess Dongling has a cold and arrogant personality, and did not take Bai Yunfei and the people of the Five Poison Sect in the eye at all.

"Haha..."

Hearing this, Bai Yunfei was stunned for a moment, then chuckled.

To be honest, Bai Yunfei was very surprised after knowing the identity of Princess Dongling, but after calming down, seeing that there was only Princess Dongling alone, he felt less panicked.

However, Ji Hongshang next to her couldn't help it.

"What a big tone!" The

next second, Ji Hongshang came out and shouted at Princess Dongling: "What if you are Princess Dongling? This is the continent of Kyushu, not God's Domain.

" You are not qualified!" The

last word fell, and a long sword appeared in Ji Hongshang's hand, and then her delicate body flashed, and the long sword stabbed directly at Princess Dongling.

To be honest, if it was before, Ji Hongshang would not have such courage at all. After all, the other party is Princess Dongling, the daughter of the Nine Heavens God.

But now, Ji Hongshang is backed by Bai Yunfei, and in the forbidden area of the main altar, there is also the powerful Demon Lord Gone. Under this circumstance, Ji Hongshang has support in her heart and is naturally fearless.

Overcome!

Seeing Ji Hongshang rushing in, Princess Dongling frowned, her beautiful face showing a bit of anger, and then she raised her hand, and a dazzling light burst out.

boom!

The next second, the light slammed into Ji Hongshang's long sword, a loud noise came out, and Ji Hongshang groaned, and the whole person was shocked and flew out, flying dozens of meters away. Finally, he fell on the steps at the entrance of the main altar, his pretty face pale.

What a terrifying power!

Ji Hongshang's delicate body trembled faintly, staring at Princess Dongling, her heart was shocked.

“act recklessly!”

Princess Dongling's red lips lightly opened, and she spit out a few words coldly, then she stared at Bai Yunfei, and said coldly: “Bai Yunfei, I'll give you one last chance, hand over Gong Ao immediately, otherwise, today I'll let you all be buried with you!”

“I'll let you all be buried with you today!” The

last sentence was not loud, but it spread throughout the Five Poison Sect's main altar.

call!

For a time, the entire Five Poison Sect general altar was silent.

The disciples of the Five Poison Sect present all looked at each other in dismay, feeling the murderous intent pervading Princess Dongling's body, and all of them felt inexplicable fear in their hearts.

To be honest, if others said such cruel words, these disciples of the Five Poison Sect would definitely not help laughing out loud, but Princess Dongling was different, she was the daughter of the Nine Heavens God.

Not only that, Princess Dongling's strength is also very strong, and she defeated Ji Hongshang with one move just now.

call!

At this time, Bai Yunfei's face also became solemn.

It was the first time that he had received such a threat since he set foot in the arena, and the other party was still a woman.

"Okay, very good!" In the

next second, Bai Yunfei took a deep breath and looked at Princess Dongling with a half-smiling smile: "It seems that Her Royal Highness is very confident, then I will take a good look at it!" The

voice fell, Bai Yunfei urged With the power of the demon soul, the figure rose into the sky and came straight towards Princess Dongling.

Chapter 3958

Princess Dongling's pretty face was cold, without any hesitation, she directly attacked and fought with Bai Yunfei in mid-air.

Bang bang bang...

I saw the figures of the two sides constantly shuttle back and forth in mid-air, and the burst of breath vibrated, causing the situation to change.

At first, Bai Yunfei was full of confidence, but after a few rounds, he felt something was wrong.

This Princess Dongling, but a daughter's family, is so tyrannical...

At this time, Bai Yunfei has successfully integrated the power of the devil's soul, but against Princess Dongling, he can't gain the slightest advantage!

hum!

Just when Bai Yunfei was secretly anxious, she saw Princess Dongling's jade hand turn over, and a palm flutteringly hit her!

This palm was very slow, but it was in front of him in the blink of an eye, and Bai Yunfei couldn't dodge it.

boom!

The next second, the two of them touched their palms and made a dull vibration. Then, Bai Yunfei trembled, and Ling Kong was knocked back ten steps. His handsome face was instantly ugly!

Speaking of which, although Bai Yunfei has integrated the power of the demon soul, it has only been a few months since he obtained the demon soul, and Princess Dongling, as the daughter of the Nine Heavens God, has practiced for more than a thousand years. , the background is not comparable to Bai Yunfei.

Mad!

At this moment, Bai Yunfei only felt a tightness in his chest. After Ling Kong stabilized his figure, he looked at Princess Dongling closely and was furious.

This Princess Dongling is worthy of being the daughter of the Nine Heavens God, and her strength is too strong.

Frightened, Bai Yunfei quickly landed on the ground and shouted at the surrounding disciples of the Five Poison Sect, "What are you doing, hurry up and get her to me!"

Bai Yunfei thought about it, since Dongling The princess is so strong, let the Five Poison Sect consume her first.

wow.

As soon as the words fell, tens of thousands of elite disciples of the Five Poison Sects rushed into the air and surrounded Princess Dongling.

Seriously, none of these elite disciples of the Five Poison Sect wanted to fight against Princess Dongling, but there was no way, no one could disobey Bai Yunfei's orders.

"Fighting alone is not an opponent, so you want to bully the less with more?"

Seeing tens of thousands of disciples of the Five Poison Sect besieging, Princess Dongling's beautiful face showed a bit of disdain. The power condensed a white long sword and met the crowd directly.

Bang bang bang.

Princess Dongling held the white long sword tightly, her figure was agile, and she was indescribably graceful and graceful. Every time she made a move, a dozen disciples of the Five Poison Sect would definitely be shot down.

In just a few breaths, the Five Poison Sect disciples who were defeated by Princess Dongling reached several thousand.

call!

Seeing this scene, Ji Hongshang was frightened and anxious, and whispered to Bai Yunfei: "Sect Master, you can't go on like this."

Bai Yunfei's face was also extremely gloomy, he thought for a while, and said coldly: "Go and bring Gong Ao out!"

Bai Yunfei thought about it, since he couldn't take down Princess Dongling, he could only threaten Gong Ao.

When the words fell, Ji Hongshang hurriedly instructed several disciples beside him to bring Gong Ao, who was tied with five flowers, to the entrance of the main altar.

At this moment, Bai Yunfei did not hesitate at all, and said to Princess Dongling who was in the air: "Princess Dongling, stop immediately, or you will be responsible for the consequences!"

Shuh!

Hearing this, Princess Dongling did not stop immediately, but looked towards Bai Yunfei subconsciously.

Seeing this, Princess Dongling's delicate body trembled, both surprised and delighted!

I saw that next to Bai Yunfei, several disciples of the Five Poison Sect were holding a weak figure!

It is Gong Ao!

At this time, Gong Ao, his hands and feet were tied tightly, his face was pale, and his golden armor was covered with blood.

Seeing this, Princess Dongling felt distressed and even more angry at the same time.

Gong Ao was the special envoy of the Divine Realm, and he was also a well-known commander in the Divine Realm, but he was tortured like this by Bai Yunfei.

"Princess!"

At this time, seeing Princess Dongling, Gong Ao's heart was also shocked, and he was suddenly filled with surprises.

After shouting, Gong Ao's face was full of shame. He was the dignified commander of the Divine Realm, but was caught by Bai Yunfei. More importantly, this embarrassed appearance was also seen by the beloved Princess Dongling.

This, this is so embarrassing.

Chapter 3959

While ashamed, Gong Ao was also a little puzzled.

what happened? Isn't the princess going to have a wedding with Yue Feng soon? Why did you suddenly come to Kyushu!

"Gong Ao!"

At this moment, Princess Dongling shouted: "I'm here to save you." The voice fell, and her delicate body flashed, and she was about to rush down.

"Princess Dongling!"

However, at this moment, Bai Yunfei shouted angrily, then walked over and put his hand on Gong Ao's head: "Stop immediately, otherwise, I will abolish his primordial spirit!"

Shuh!

Seeing this scene, Princess Dongling stopped suddenly, her delicate body trembling.

At this time, Princess Dongling could not wait to kill Bai Yunfei immediately. But she dared not act rashly. She was deeply in love with Gong Ao, how could she just watch Gong Ao get killed?

"Bai Yunfei!"

After a few seconds, Princess Dongling calmed down, glared at Bai Yunfei, and shouted: "Let him go immediately."

"Haha..."

Seeing her nervous appearance, Bai Yunfei was very proud. He smiled and said, "Your Highness is so nervous about this Gong Ao. Could it be that he is your lover?"

Hearing this, Princess Dongling's face flushed and she scolded, "Stop talking nonsense, how can you let him go?"

"Don't worry, Her Royal Highness!"

Bai Yunfei said with a playful look on his face, and then thought about it: "Well, do me a favor, as long as Her Royal Highness can do it, I will let Gong Ao go."

“What?” Princess Dongling frowned.

Bai Yunfei smiled slightly and said lightly: “It’s very simple, within a day, you can help me find a man with pure Yang body, and then grab it and hand it to me. As long as the princess can do it, I will release Gong Ao.”

When he said this, Bai Yunfei’s face was indifferent, but his eyes flashed coldly.

After the Demon Lord Gone devoured Nalanqing’s pure yin body, he still needed a pure yang body to truly reshape his body. However, Bai Yunfei sent people to search all over the Kyushu, but could not find a pure yang body. Because of this, Bai Yunfei had a headache.

At this time, Princess Dongling was making a lot of trouble in the Five Poison Sect, and Bai Yunfei immediately thought of asking her to do it for her and find the body of Chunyang. After all, Princess Dongling, as the daughter of the Nine Heavens God, has vast supernatural powers. With her presence, she will definitely be able to find the body of pure yang.

More importantly, as the daughter of the Nine Heavens God, Princess Dongling went to help the Demon Lord Gone to find the body of pure yang. Once this matter is exposed, the prestige of the Divine Realm will be greatly damaged.

Pure Yang body?

Hearing this condition, Princess Dongling frowned, and then said with a sigh of relief: “Okay, I promise you!”

At this time, Princess Dongling still didn’t know that Bai Yunfei was looking for the body of pure yang in order to let the Demon Venerable Gone reshapes her body, she only knows that as long as Gong Ao is safe, she will agree to any conditions.

The voice fell, Gong Ao’s body trembled, and he couldn’t help shouting: “Princess don’t agree.”

“The body of pure yang is to make the devil respect the body, this is no trivial matter, you must know that once the devil is reborn, Gone If you succeed, the world will be in chaos...”

Gong Ao’s weak face was full of anxiety when he shouted these words.

As the special envoy of the God Domain, Gong Ao certainly knows what the body of pure Yang means.

What?

Hearing this, Princess Dongling's body trembled, and she froze there...

It turned out... Bai Yunfei wanted the body of pure yang to prepare for the life of the devil.

"Princess!"

At this time, Gong Ao continued to shout: "Don't worry about me, go back and report the situation to Your Majesty, the Demon Lord Gone has left the magic mirror, as long as he combines the body of pure yang and pure yin The body can be completely reborn."

"I can't wait for this matter, my life is not important, the safety of the world is the most important."

When he shouted this, Gong Ao's eyes were full of complexity, and he knew in his heart, even if the East Princess Ling saved herself, and it was impossible to be together, because the Nine Heavens God had already promised Princess Dongling to Princess Dongling.

Moreover, if he traded his own life at the price of the devil's respect for his life, the Nine Heavens God would not spare him.

"No..."

But when she heard this, Princess Dongling shook her head desperately, and then cried, "Gong Ao, why don't you understand, if you are dead, what's the point of my life?"

"Princess Dongling looked at Bai Yunfei: "Bai Yunfei, remember your words, when I bring the body of pure Yang, you will release Gong Ao!"

Chapter 3960

Haha...

Bai Yunfei laughed loudly, nodded and said: "Don't worry, I, Bai Yunfei, count, you only have half a day, I wish you good luck!"

Princess Dongling stopped talking nonsense, nodded, and immediately rushed Gong Ao said: "Don't worry, I will save you!" The voice fell, and the delicate body rose up and disappeared into the night.

Princess, you are so stupid!

Seeing this scene, Gong Ao was both anxious and moved.

He never thought that Princess Dongling had such deep affection for him that she would rather go against the principle and save herself.

...

on the other side, God's Domain.

In the hall of Yuyao Xianyuan, the God of Nine Heavens sat there with a gloomy expression and a trace of worry.

Tomorrow will be the wedding day of Yue Feng and Princess Dongling, but the God of Nine Heavens is not happy at all. He is not used to Yue Feng. This time, for the sake of face, he betrothed Princess Dongling to Yue Feng. How could it be? happy?

Empress Hua Zhao was with her, her beautiful face couldn't hide her joy.

Unlike the Nine Heavens God, tomorrow is the daughter's wedding. As a mother, of course she is happy.

"Okay!"

At this time, seeing Jiutian God's unhappy appearance, Empress Hua Zhao comforted: "Your Majesty, this is the end of the matter, don't be unhappy anymore, you should be happy for your daughter." As

she said that, outside the door A maid walked in quickly, looking flustered: "It's not good, it's not good..."

The maid was panting and sweating profusely.

Jiutian God was in a bad mood, and suddenly became angry: "What does it look like in a panic? What's wrong?"

The maid almost cried, her voice trembled, and she knelt on the ground: "Your Majesty is not good, just now The servant delivered the meal to the princess, and found that the princess' room was empty, I don't know where to go."

After speaking, the maid wiped away a cold sweat and continued: "Then I went to the room of Yulong's concubine and found that there was no one."

What?

Hearing this, both the Nine Heavens God and Empress Hua Zhao's expressions changed.

Tomorrow is the big wedding day, Yue Feng and Dongling are gone?

Immediately, Empress Hua Zhao reacted, her brows furrowed, and she asked the maid, "How are you guarding? Tell me, where are Yue Feng and the princess now?"

The maid trembled and almost cried: "Returning to Niangniang, we searched the room and the surrounding area, but there was no clue at all. The concubine and the princess seemed to have disappeared out of thin air."

Disappeared out of thin air?

Empress Hua Zhao was stunned, her mind was buzzing.

Jiutian God also frowned and looked gloomy. Yuyao Xianyuan is heavily guarded, how could it disappear out of thin air?

"Your Majesty!"

At this moment, Empress Hua Zhao analyzed: "Yue Feng is the Nine Heavens Profound Sage. It is not impossible for him to hide his eyes and eyes from Yuyao Xianyuan. Perhaps, he took Dongling to Kyushu."

Bang . !

Hearing this, Jiutian God was furious and slammed down the table: "It's just nonsense."

After speaking, Jiutian God shouted at the magic soldiers outside the door: "Pass my decree and order Haotian God to lead the way. An army of 500,000 people will go to the mainland of Kyushu and be sure to capture Yue Feng and Princess Dongling."

At this time, the Nine Heavens God was very angry.

No matter why Yue Feng and Princess Dongling left, but the wedding is such a big thing, such a child's play, it's really hateful, if they don't get them back, what kind of majesty will there be in the future? How to rule the realm of the gods?

"Obey!"

Feeling the wrath of the Nine Heavens God, the divine soldier outside the door responded and hurried to pass the word.

...

on the other hand, Xia Yinzong.

In the hall, Nalan Wushuang and Elder Feng were discussing how to catch Yue Feng.

At this time, Nalan Wushuang's delicate face showed a bit of anxiety, it had been a day, and there was still no news of Yue Feng.

"Sect Master!"

At this time, Elder Feng said, "Don't worry, the Ouyang family is all in our hands, don't be afraid that Yue Feng won't show up!" After the

voice fell, Elder Huo couldn't help but said: "Yes, As long as Yue Feng appears, he will definitely be called back and forth!"

Swish!

Just as he was talking, he saw two figures, like lightning, descending from the sky.

It was Yue Feng and Yutong Xianweng!

Knowing that the people of the Ouyang family were captured by Xia Yinzong, Yue Feng didn't stop for a while, and rushed over directly.

The ultimate husband in Chinese chapter 3961-3965

Chapter 3961

Swish!

Seeing Yue Feng appear, everyone in the hall was stunned.

This Yue Feng's appearance was really timely, just as he was talking about him, he appeared.

However, who is this old man beside him? Never seen it before.

A few seconds later, Elder Huo took the lead in reacting, slapped the table, pointed at Yue Feng and shouted angrily: "Yue Feng, you despicable and shameless villain, how dare you come here? You killed our former head, and I will call you today. Pay for it!"

What?

Hearing this, Yue Feng was stunned and looked at each other with Yutong Xianweng.

I killed Nalan Qing? Where did this come from?

Thinking to himself, Yue Feng looked at Nalan Wushuang who was sitting there: "Your mother died? What's the matter?"

Nalan Wushuang's delicate face was full of grief and anger, and he said fiercely: "Yue Feng, you Don't pretend, before at the main altar of the Five Poison Sect, you dressed up as a man in black, led my mother and me to the back mountain, and then knocked my mother down the cliff."

"Thank you for calling yourself a hero of Kyushu, and you did it yourself. Don't you dare to admit it?" What the hell

!

Hearing this, Yue Feng was completely stunned. When did he go to the Five Poison Sect? Dress up as a man in black?

The next second, Yue Feng smiled bitterly and said, "To be honest, I have been in God's Domain during this time, and I have never been to the Five Poison Sect. Someone must have framed me in this matter."

"Shut up!"

This chapter is provided by . Visit for daily update.

At this moment, the fire The elder's eyes spit fire, patted the table heavily, pointed at Yue Feng and shouted: "You don't have to argue any more, the situation at that time was seen by our head, and you still want to deny it?"

"Such a shameless person, don't need to talk nonsense with him. Today he took the initiative to send him to the door and kill him to avenge the former head!"

"Yes, kill him!"

At this moment, everyone in the hall pointed at Yue Feng Mouth and pen.

Nalan Wushuang has confirmed the murder of Nalan Qing, and he can't be wrong.

Yue Feng ignored the scolding from Elder Huo and others. He came to Xia Yinzong this time to know the whereabouts of the Ouyang clan. Is it in your Xia Yinzong?"

When asked about this, Yue Feng was calm on the surface, but a little nervous in his heart.

He was slandered and killed Na Lanqing, such a blood feud, if the Ouyang family fell into the hands of Xia Yinzong, it would definitely be more fortunate!

"Not bad."

Nalan Wushuang raised his jade neck, his face full of arrogance: "You killed my mother, I arrested your family, what's wrong? Let me tell you, I threw them all into the cave in the back mountain. , the dragon in the cave is a critical period of cultivation, your family and sworn brothers, it is estimated that they have become a pile of bones by now."

What?

Hearing this, Yue Feng's face changed, and his heart suddenly became angry. This Nalan Wushuang was too cruel. He even threw Brother Wen and the others into the cave. You know, the dragon in the cave is about to be transformed into a dragon. Terrible.

Thinking about it, Yue Feng was about to rush out of the hall and go to Houshan to rescue Wen Chou Chou and the others.

"Stop him!"

However, before he turned around, he heard Elder Huo shouting loudly. Then, he rushed over with the others and surrounded Yue Feng.

"If you still want to save people, let's save your life first." Elder Huo shouted.

buzzing...

When the voice fell, Elder Huo and the surrounding people burst into internal energy.

Faced with this situation, Yue Feng did not panic at all, but looked at Nalan Wushuang and said, "I repeat, I didn't kill your mother, you let me see Brother Wen and the others first, don't worry, I will definitely check. Know the truth."

Nalan Wushuang snorted coldly: "Do you think I would believe your nonsense? The revenge of killing your mother is unbearable, go to hell!" He waved his hand.

Whoosh whoosh!

At this moment, Elder Huo and the others all urged their figures to burst out towards Yue Feng.

Yue Feng frowned and felt extremely anxious.

To be honest, he didn't want to fight Xia Yinzong, but the situation in front of him couldn't sit still.

At this moment, a figure flashed out and blocked in front of Yue Feng.

It is Yutong Xianweng.

Um?

Seeing this scene, Elder Huo and everyone stopped one after another, and their eyes suddenly converged on Yutong Xianweng.

The next second, Elder Huo said coldly: "This friend, we have a personal grudge with Yue Feng, please don't intervene. The sword does not have long eyes, so as not to hurt you."

Chapter 3962

When he said this, Elder Huo's eyes were full of contempt.

In his eyes, although Yutong Xianweng has a special temperament, he has no fame in the Kyushu rivers and lakes, and is obviously a nobody.

Ha ha!

Feeling the contempt of Elder Huo, Yutong Xianweng was not angry at all, but waved his hand and said with a smile: "Don't fight, don't fight, this matter must be a misunderstanding!"

Said, Yutong Xianweng He glanced at Yue Feng and explained to him: "One day ago, Yue Feng and I just met at Yuyao Xianyuan in the God's Domain, and then we returned to Kyushu together. Before coming to your Xia Yinzong, I was with him, you guys. Say, how could he have time to kill your former head?"

Hu...

Hearing this, Elder Huo frowned, and looked at Nalan Wushuang and the others.

Where did the crazy old man come from?

The next second, Elder Feng reacted and looked at Immortal Yutong: "You said just now that you and Yue Feng knew each other in God's Domain?"

"Yes!" Immortal Yutong nodded with a serious look on his face.

Elder Feng's face became cold: "So, you are a priest of the God Realm, and you are doing things for the Nine Heavens God?" The entire God Realm is ruled by the Nine Heavens God. This old man is from the God Realm, isn't he a subordinate of the Nine Heavens God?

This....

Yutong Xianweng scratched his head and said with a complicated expression: "It's impossible to talk about doing things for the Nine Heavens God, but I have some friendship with his master."

Yutong Xianweng said it rightly, when the ancient ancestors traveled to the Nine Heavens Outside, I met Yutong Xianweng, both of whom have like-minded interests and are friends.

What the hell!

At this moment, Yue Feng's heart was shocked, and he stared blankly at Yutong Xianweng, speechless.

Does he have friendship with the ancestors of Honghuang?

Yue Feng is too aware of the status of the ancestors of Honghuang in the realm of the gods. That is the master of the Nine Heavens God and Nuwa, the existence that the gods look up to, and this jade boy fairy, can climb up friendship with the ancestors of Honghuang, can he not let go? People are shocked?

Whoa!

However, the surrounding Elder Huo people were in an uproar, glaring at Yutong Xianweng one by one, and their bodies were filled with thick hostility.

Xia Yinzong originally had a grudge with Divine Realm, which was almost inexorable. And this Yutong Xianweng, since he is friends with the ancestors of Honghuang, is naturally the enemy of Xia Yinzong.

In anger, Elder Huo glanced at Yue Feng coldly: "Well, you Yue Feng, no wonder you dare to break into my Xia Yinzong so arrogantly. It turns out that there is God's Domain to help you." The

voice fell, and Nalan Wushuang also spoke coldly . Said: "Yue Feng, do you think that you can do whatever you want with a helper from God's Domain? You too underestimate our Xia Yinzong."

This...

Seeing that the situation is getting more and more stiff, Yue Feng is almost crying tears.

"Sect Master!"

At this moment, Elder Huo shouted and said to Nalan Wushuang: "Don't talk nonsense with them, just go ahead, if you can't catch them alive, just kill them." The

voice fell, and Elder Huo 's inner strength Running, raising his hand and waving, a flame burst out, coming directly towards Yutong Xianweng.

Seeing this scene, Yue Fengxin suddenly hung up, and he was about to rush over to help Yutong Xianweng resist.

However, Yutong Xianweng did not panic at all, but looked at Elder Huo with great interest: "Playing with fire in front of me? Your qualifications are still far behind."

Hu!

The voice fell, Yutong Xianweng took a deep breath, and then blew it towards the fire. In an instant, the seemingly incomparably violent flame went out directly.

What?

Seeing this scene, both Elder Huo and everyone else around were stunned.

The strength of this old man is so terrifying, with just one breath, he extinguished the flame of the fire elder? You must know that Elder Huo has cultivated the cultivation

method of the fire attribute since he was a child, and his research on fire has reached the pinnacle of the realm.

But the flame of Elder Huo was easily extinguished by this old man?

It's incredible, if you hadn't seen it with your own eyes, who would have believed it?

"You..."

Finally, Elder Huo reacted and stared closely at Immortal Yutong, almost getting angry: "I have some skills, come again!" After saying that, Elder Huo broke out, facing Immortal Yutong directly. pounce.

Looking at the rushing elder Huo, Yutong Xianweng shook his head, and said with no interest: "You are not strong enough, it is not fun to fight with you!"

After saying that, Yutong Xianweng pointed at the elder Huo: "Sure! "

Chapter 3963

Om!

At the moment when the last word fell, Elder Huo only felt a terrifying and invisible force attacked, and then his body shook, and he could not move at all.

How could this be?

At this moment, Elder Huo's brain was buzzing, and he was even more shocked when he looked at Yutong Xianweng's eyes.

As soon as the other party raised his hand, he couldn't move.

How did he do that?

I go!

At the same time, Yue Feng was also stunned, watching Yutong Xianweng unable to speak, his heart was full of amazement.

This...is this the rumored acupuncture?

According to rumors, cultivators have reached a very high level, and they can hold the enemy in place without getting close, but this kind of stunt only exists in ancient books and documents, and even the gods of the gods can't use it, but how? Unexpectedly, today it opened my eyes on Yutong Xianweng.

Hiss...

The people around Elder Feng were also dumbfounded. Before Elder Huo got close, was he clicked on the acupuncture point?

How is this possible?

In shock, Nalan Wushuang's delicate face flushed red, and then he shouted: "Let's go together!" The

dignified Yinzong has been inherited for nearly ten thousand years. If he can't win even an old man, how can he gain a foothold in Kyushu in the future?

Whoa!

As soon as the voice fell, the surrounding Elder Feng and the crowd recovered one by one and rushed towards Yutong Xianweng.

Seeing this scene, Yue Feng consciously stepped back. If it was normal, he would definitely come to help as soon as possible, but after seeing the real strength of Yutong Xianweng, he gave up his plan to take action.

Ugh!

At this moment, Yutong Xianweng smiled and sighed softly, then raised his right hand, and suddenly, an invisible breath swept out towards the surroundings.

In an instant, under the shroud of this power, Elder Feng and everyone only rushed halfway, and they were locked there one by one.

quiet!

In the entire main altar hall, there is a dead silence, whether it is Nalan Wushuang or Elder Feng and everyone else, they are all stupid.

Total shock.

This old man's strength is too terrifying. With so many people, he can't even touch his clothes. He is not a level opponent at all. How can he fight?

Haha....

Seeing this scene, Yue Feng smiled and felt extremely comfortable.

I thought that it would take a lot of hard work to go to the forbidden area in the back mountain to save Brother Wen and the others, but I didn't expect that Yutong Xianweng could deal with Nalan Wushuang and the others so easily.

Excited, Yue Feng clenched his fists at Yutong Xianweng and said gratefully: "Thank you, senior for helping me."

Yutong Xianweng smiled lightly and waved his hands: "You are welcome, please invite me to drink and eat delicious food, I will help you. Dealing with trouble is also what it should be."

Hearing this, Yue Feng couldn't help but smile, then rushed out of the hall and rushed towards the forbidden area of the back mountain.

Yutong Xianweng didn't have time to think about it, and followed closely.

call!

Soon, in front of the cave in the forbidden area of the back mountain, seeing the situation below, the stone hanging in Yue Feng's heart finally fell to the ground.

I saw that at the bottom of the cave, the huge figure of Jiaolong was lying there cross-legged, and around it, Wen Chou Chou and others were sitting cross-legged, holding their breaths and recovering.

No one is hurt.

Seeing this scene, Yue Feng was overjoyed and quickly jumped down.

"Brother Wen, Yingying..."

When approaching the bottom, Yue Feng couldn't help shouting.

Whoa!

Hearing the shouting, Wen Chou Chou, Ren Yingying, Ye Zhixin and others opened their eyes one after another. After seeing Yue Feng, they couldn't hide their excitement.

"Yue Feng!"

"Brother Yue Feng!"

"Fengzi..."

Excited, everyone quickly gathered around them, each with an undisguised joy on their faces.

Yue Feng took out the glazed purified water on his body and handed it to Dasheng Sun: "Dasheng, I have successfully obtained the colored glazed purified water. You and Xiaoyu should take it quickly."

Great!

Wen Chou Chou and others were extremely excited when they saw the colored glaze water.

Sun Dasheng and Wen Xiaoyu did not hesitate at all, and directly took the colored glaze water. In an instant, after taking the colored glazed water, they only felt that their bodies were incomparably light and transparent.

"Pfft..." In the

next second, Sun Dasheng and Wen Xiaoyu frowned at the same time, and then opened their mouths and spat out two bloody bugs. They saw that the bugs were the size of a fingernail and their whole body was blood red, which was very strange.

It is the soul-devouring bloodworm.

Chapter 3964

Soon, the two soul-eating bloodworms turned into a blood mist and disappeared under the gaze of everyone.

"Ma De!"

At this moment, Sun Dasheng clenched his fists and said ruthlessly: "It really is Bai Yunfei's ghost, I said, why do I feel that there is something wrong with this time." The

voice fell, Wen Chou Chou came over and pointed at Yue Feng Dao: "Fengzi, when you came down, you were not blocked by Xia Yinzong?"

Yue Feng smiled: "I have a senior to help, Xia Yinzong can't help me at all."

Senior?

Wen Chou Chou and Ren Yingying were all stunned.

Whoosh...

At this moment, a figure descended from mid-air, it was Yutong Xianweng.

Seeing Yutong Xianwen coming down, Yue Feng showed a smile, and quickly introduced to everyone: "Brother Wen, Yingying, this is the senior I said, Yutong Xianwen..."

Then, Yue Feng put the jade Tong Xianweng's origin was revealed.

What? Is this old man an immortal?

For a while, whether it was Wen Chou Chou or Ren Yingying, everyone was stunned, unable to speak for a long time.

After being stunned for more than ten seconds, Wen Chou Chou and other talents recovered and greeted Yutong Xianweng politely. At the same time, in his heart, he was also happy for Yue Feng.

Yue Feng met such a powerful friend, can you be unhappy?

At this time, Yue Feng thought of something and couldn't help but ask: "By the way, what the hell is going on? Why does Xia Yinzong believe that I killed Nalanqing."

Huh...

Hearing the question, Wen Chou Chou looked at each other in dismay.

The next second, Ren Yingying bit her lip lightly and said slowly, "I suspect that this matter is related to Bai Yunfei. At that time, we were besieged by the Tiandao Alliance, and then Bai Yunfei appeared with Xia Yinzong..."

In the next few minutes, Ren Yingying explained the situation in detail.

Mad!

Knowing the situation, Yue Feng's face was gloomy, and his heart was filled with anger. There are various indications that Bai Yunfei cannot escape Nalanqing's death.

Thinking of Bai Yunfei, Yue Feng was extremely annoyed.

This Bai Yunfei first took Su Qingyan away by despicable means, and then used the soul-eating bloodworm to control the Great Sage and Xiaoyu, and now, he blamed himself for killing Nalanqing.

"Fengzi!"

At this moment, Sun Dasheng said: "Don't think so much, all this is the ghost of Bai Yunfei, since you are back, let's kill the Five Poison Sect together and capture Bai Yunfei alive, when the time comes, all the natural truth is revealed." The

voice fell, Wen Chou Chou also nodded and said: "Yes, the culprit is Bai Yunfei, we can't let him go unpunished."

Hu...

Yue Feng took a deep breath, pondered, then nodded and said: "Okay, then let's go to the Five Poison Sect." After speaking, he was about to leave the cave with everyone.

"Wait!"

But at this moment, Yutong Xianweng, who had been silent next to him, suddenly stopped everyone.

The next second, Yutong Xianweng changed his playful attitude and said seriously to Yue Feng: "Then Bai Yunfei has planned so many things in the dark, so he must have been prepared, and will fall into his trap."

When Yue Feng heard it, he quickly said: "Senior, what should I do as you said?"

Before, Yutong Xianweng, in an understatement, fixed Elder Huo and everyone, shocked the audience, Yue Feng admired him, and saw him speak at this time, immediately ask for advice humbly.

Hmm...

Yutong Xianweng pondered for a while, and said slowly: "Let me make a divination." After saying that, he squatted on the ground, picked up a few stones, and began to do the divination.

I go!

Seeing this scene, Yue Feng was secretly shocked.

The divination technique of this Jade Boy Xianweng seems to be simple, but it has hidden secrets.

Yue Feng is no stranger to the art of divination, because Guiguzi is a well-known master of divination. It can be said that Guiguzi's accomplishments in the art of divination have been around for thousands of years in the entire Kyushu.

At this time, Yue Feng found out that the Yutong Xianweng in front of him was much more skilled in the art of divination than Guiguzi.

When Yue Feng was secretly shocked, Wen Chou Chou and everyone were stunned.

what's the situation?

What is this senior Yutong Xianweng doing?

However, under the doubts in their hearts, Wen Chou Chou did not dare to ask more questions.

Chapter 3965

“Haha, okay!”

After a few minutes, Yutong Xianweng clapped his hands and stood up, smiled at Yue Feng and said: “It’s useless for you to go to the Five Poison Sect now, the most important thing now is to go to the north The Sacred Sect of the Ying Continent, go to rescue the Sacred Sect’s Sacred Master Lei Shengyun.”

Going to the Sacred Sect?

Hearing this, Yue Feng frowned and his mind was a little messy.

Wen Chou Chou and everyone are also a little suspicious.

At this time, Yutong Xianweng took a deep breath and continued: “I saw from the hexagram just now that Bai Yunfei threatened Princess Dongling and asked her to catch the person with the body of pure yang to help the Demon Lord Gone. Body shaping.”

“Just now, Princess Dongling has found out that the current Sect Master Lei Shengyun is the body of pure yang.”

Is there such a thing?

Hearing this, Yue Feng was shocked.

As for Wen Chou Chou and others, they stared blankly at Yutong Xianweng and were shocked.

All these situations can be calculated, this Jade Child Immortal Weng’s divination technique is too powerful, right?

Finally, Yue Feng reacted and looked at the crowd and said, “Since the senior said so, let’s go directly to the Holy Sect!” Demon respect for life is no trivial matter, and there must be no delay for a moment.

As soon as he finished speaking, Yutong Xianweng shook his head and said: “No, they can’t go, you can only go alone.”

Yue Feng was stunned: “Why?”

Yutong Xianweng pointed to the hexagram on the ground, which was meaningful. He said, "The hexagram says very clearly, if you go alone, you can turn bad luck into good fortune. If you take them with you, you will never be saved."

Saying that, Yutong Xianweng looked at Wen Chou Chou and everyone, and continued: "They have been fighting for a few days before, and they have been severely exhausted. It is best to stay here and continue to recover. There is a dragon guard here, so don't worry about safety." Ah...

Hearing this, Yue Feng nodded.

Yutong Xianweng is an immortal from outside the sky, and Yue Feng is convinced of his words.

However, Wen Chou Chou and everyone were a little worried.

Ren Yingying came over, her delicate face couldn't hide her worry, and said to Yutong Xianweng: "Senior, Yue Feng alone, is it really okay? Are you wrong?"

"Wrong?"

Yu Tong Xianweng was very excited, blowing his beard and shouting: "I specialize in divination, and I have never missed it, little girl, you can't talk nonsense."

Although Yutong Xianweng is old, he has always been Retaining the urchin nature, seeing Ren Yingying not believing in herself at this time, she was a little anxious.

Ren Yingying has a quick mind, and when she encounters something she can't understand, she will ask the question to the end: "Senior said it's not a miss, then tell me, why do we go together, it's doomed, he alone can turn bad luck into good fortune. What?"

Huh!

The words fell, and the eyes of Wen Chou Chou all converged on Yutong Xianweng.

Yutong Xianweng looked embarrassed, scratched his head and said: "This.... I can't say the specific situation. I said so much just now, and the secret has been revealed." After speaking

, Yutong Xianweng glanced at Yue Feng: "If he hadn't invited me to drink and eat delicious food, I wouldn't risk revealing the secrets and give you a fortune-telling."

Seeing what he said, Ren Yingying couldn't ask any more questions.

This is, Yue Feng looked around: "Okay, since the senior said so, then you should stay here first, and I will go to the holy sect alone."

Immediately, Yue Feng looked at Yutong Xianweng: "Senior, Do you want to come with me?"

Yue Feng's eyes were full of anticipation when he said this.

Yutong Xianweng is so strong, with him following, everything will be done with half the effort.

However, what made Yue Feng disappointed was that Yutong Xianweng shook his head and refused: "I won't be with you, sigh, I originally wanted to come to Kyushu with you to enjoy delicious food, who knew the situation here was so unstable, just now I The secret has been leaked, I can't follow you anymore!"

Saying that, Yutong Xianweng thought of something, took out two oracle bones from his body, and handed them to Yue Feng: "You and I are like old friends, these two peeping spirit bones, just I gave it to you."

Peeping the Heavenly Spirit Bone?

Yue Feng took the oracle bone and thanked him politely: "Thank you, senior!"

At the same time, Yue Feng looked at the oracle bone in his hand, and saw that the two oracle bones were both oval and covered with hexagonal lines. Apparently, both pieces are turtle carapaces.

The ultimate husband in Chinese chapter 3966-3970

Chapter 3966

Seeing this, Yue Feng couldn't help muttering secretly.

These two pieces are obviously tortoise shells, but in the mouth of Yutong Xianweng, they are called 'spiritual bones'. What is the use?

"Senior!"

Just when Yue Feng was muttering secretly, Ren Yingying couldn't help but said, "This is obviously a turtle shell, but what kind of spiritual bone is it you call it?"

Ren Yingying is not only smart, but also has a personality. It's also more straightforward, and you can say whatever comes to your mind.

Yutong Xianweng looked depressed, and then looked at Ren Yingying like an idiot and said: "You girl, why don't you trust me? Let me tell you, this peeping at the spiritual bones of the sky, but the body of Xuanwu, the four innate spirit beasts. The oracle bones have the effect of foretelling prophets."

After speaking, Yutong Xianweng said to Yue Feng: "As long as you inject the power of the primordial spirit, you can see what will happen in the future from the spiritual bones of the sky, remember, Each piece of peeping into the sky can only be used once, so don't use it lightly unless it's a last resort." The

last sentence fell, Yutong Xianweng patted Yue Feng's shoulder, then flew high into the sky, and disappeared in the blink of an eye. in the public eye.

This...

At this moment, both Yue Feng and Ren Yingying were all shocked.

I thought these two oracle bones were just ordinary things, but I didn't expect to have the ability to predict the future.

After being stunned for a few minutes, Yue Feng reacted and said to everyone: "It's not too late, I should go too, you guys are here to recuperate and recover." After the

voice fell, Yue Feng moved his figure and flew into the air. , and then headed towards the Northern Ying Continent.

Um!

Wen Chou Chou everyone nodded and watched Yue Feng leave.

the other side.

Northern Ying Continent, the main altar of Shengzong.

In recent years, because of his concentration on Taoism, Lu Dongbin passed on the position of the Holy Master to his disciple Lei Shengyun. Lei Shengyun did not belong to the Five Elements Temple, but he was very talented and appreciated by Lu Dongbin.

At this time, in the bamboo forest behind the main altar, Lei Shengyun was sitting cross-legged in the pavilion, meditating.

Recently, the rivers and lakes in Kyushu have been turbulent. First, the Heavenly Dao League was born, and then Bai Yunfei stole the magic mirror in the ghost world, causing a lot of uproar.

However, the Sacred Sect rarely bothers about disputes in the rivers and lakes, so Lei Shengyun doesn't pay much attention to these things. What he has to do is to lead the entire Sacred Sect's disciples to concentrate on cultivating the Tao.

"Holy Master!"

At this moment, a female disciple walked in quickly and said respectfully, "There is a woman outside who claims to be the daughter of the Nine Heavens God and asks to see the Holy Master."

The daughter of the Nine Heavens God?

Hearing this, Lei Shengyun frowned and was very puzzled.

Shengzong has nothing to do with Divine Realm, the daughter of the Nine Heavens God, why did she suddenly find herself?

Thinking to himself, Lei Shengyun slowly got up: "Okay, go out and have a look." After speaking, he walked to the front hall.

call!

Soon, when he arrived at the front hall square, Lei Shengyun saw a graceful and charming figure suspended in mid-air. He was wearing a bright yellow court dress. His facial features were beautiful and delicate, and his curves were slender, but there was a bit of coldness between his brows. .

It was Princess Dongling.

Yutong Xianweng's fortune-telling is correct. Princess Dongling, after inquiring in many ways, learned that Lei Shengyun, the lord of the sect, is of pure Yang.

Whoa!

At this moment, many Saint Sect disciples came out and looked up at Princess Dongling in midair, all of them stunned.

What a beautiful beauty, this temperament is the real fairy.

Princess Dongling didn't pay attention to the gazes around her, she locked on Lei Shengyun tightly, and her red lips parted lightly: "You are the Lord of the Holy Sect, Lei Shengyun?" Huh

! Feeling the cold and arrogant gaze of Princess Dongling, Lei Shengyun secretly exhaled, nodded and said, "Yes, I am!"

Princess Dongling said nothing nonsense: "Follow me!"

Like a magpie, the jade hand raised, and a palm hit Lei Shengyun.

Speaking of which, Princess Dongling didn't want to be so reckless, but for Gong Ao's safety, she didn't care so much.

This....

what's the situation? How come you start it right away?

Princess Dongling's speed was very fast, and she was in front of her in the blink of an eye. Lei Shengyun was astonished.

Chapter 3967

Bang!

In the next second, the palms of the two sides collided fiercely, and Lei Shengyun only felt a vast and endless force coming, and with a grunt, the whole person took a few dozen steps back, and the blood in his body was churning.

However, with the strength of the pure yang body, he still resisted abruptly.

However, my heart is extremely shocked!

powerful!

This Princess Dongling is worthy of being the daughter of the Nine Heavens God. Her strength is simply too terrifying. She is already in the late stage of transcending tribulation, but she has to mobilize all her internal strength to barely block this palm!

Seeing this scene, the disciples of the Holy Sect below were even more shocked, and they all sweated for Lei Shengyun.

This seemingly light palm of Princess Dongling actually contained such a powerful force.

Simply incredible.

Is this the strength of the God's Domain powerhouse?

Princess Dongling hovered there quietly, her delicate face could not hide the cold arrogance, but she was also secretly startled, looking up and down at Lei Shengyun, her eyes glittering with admiration.

"The body of pure yang really lives up to its reputation, and it can actually block my palm." In the appreciation, Princess Dongling's red lips lightly opened, and she slowly said: "I have no grudges with your holy sect, but for Gong Ao's safety, I also I had no choice but to offend."

Om!

The voice fell, Princess Dongling slowly raised her jade hand, and saw a golden long sword slowly condensing.

This golden long sword was completely transformed from the power of Princess Dongling's Yuanshen. The golden light was dazzling and the momentum was amazing.

As soon as the golden sword came out, the entire sky above the Shengzong Mountain Gate was shrouded in golden light.

call!

At this moment, both Lei Shengyun and the surrounding Sect disciples were inexplicably frightened.

Especially Lei Shengyun, he just felt that he was out of breath.

Princess Dongling didn't talk nonsense. When she raised her jade hand, she saw that the golden sword radiated light, like a golden thunderbolt, bursting towards Lei Shengyun.

Lei Shengyun didn't have time to think about it, so he quickly activated his inner strength and pulled out his seven-star sword to resist.

The Seven-Star Sword, one of the treasures of the Four Great Sects of the Holy Sect, when Lu Dongbin passed the throne of the Holy Master to Lei Shengyun, he also gave the Seven-Star Sword to Lei Shengyun for self-defense.

The Seven-Star Sword is made of refined steel and meteorite iron from outside the sky. It is extremely tough and belongs to the purple-rank weapon.

However, when he blocked the Seven Star Sword in front of him, Lei Shengyun had no confidence at all.

Bang!

Soon, the golden sword broke out and slammed on the Seven-Star Sword. He saw the Seven-Star Sword instantly shatter. At the same time, Lei Shengyun also let out a groan, and the whole person was shocked and flew out. More than a hundred meters away, he fell heavily to the ground.

When fighting with Princess Dongling before, Lei Shengyun had already suffered some shock injuries. At this time, facing the attack of the golden sword transformed by Princess Dongling, he was completely unable to resist.

After all, the strength of Princess Dongling is not even Bai Yunfei's opponent, let alone Lei Shengyun who has just taken the throne of the Holy Master!

"Holy Master!"

Seeing this scene, many disciples of the surrounding Holy Sect couldn't help but exclaimed, and wanted to rush over, but Princess Dongling's burst of breath was too strong, and everyone felt that their legs were weak. Can't move.

"Lei Shengyun!"

At this moment, Princess Dongling slowly landed down, her eyes twinkling complicatedly, and said to Lei Shengyun, "Don't blame me, I do this because I have no choice but to! Who told you to have a body of pure yang? It's your fault."

After speaking, Princess Dongling looked around and continued: "Don't worry, after you die, I will do my best to protect your sect." The

last word fell, Princess Dongling slowed down. Slowly walked towards Lei Shengyun.

Huh

Watching Princess Dongling approaching step by step, Lei Shengyun was full of fear and doubts.

It turns out that this Princess Dongling came for her pure Yang body, but what use is her pure Yang body to her?

Seeing Princess Dongling getting closer and closer, Lei Shengyun struggled to stand up, but the attack of the golden sword just now was too strong, his heart was severely damaged, and he was completely powerless.

“Protect the Sect Master!”

“Come up together!”

At this moment, the surrounding Saint Sect disciples all reacted and rushed up with howling.

Seeing this scene, Princess Dongling’s beautiful face did not fluctuate in the slightest: “Go away!” The voice fell, and the jade hand waved gently, and suddenly a powerful breath swept out.

Bang bang bang...

The disciples of the Holy Sect were shocked and flew out before they rushed to the front, and their faces were pale.

Chapter 3968 It’s

over!

Seeing this situation, Lei Shengyun was completely desperate.

“Stop!”

At this critical moment, I heard a loud shout, and then I saw a handsome figure coming quickly, it was Yue Feng.

Whoa!

Seeing this scene, both Lei Shengyun and the surrounding Sect disciples were inexplicably excited.

Great, Yue Feng is here.

A few years ago, Yue Feng joined the Shengzong incognito, and it can be said that he had a deep relationship with the Shengzong. At this time, he appeared in time, and Lei Shengyun was saved.

Yue Feng?

At the same time, Princess Dongling was also shocked and said in surprise, "What are you doing here?"

Princess Dongling didn't have a good impression of Yue Feng. Seeing him appear at a critical moment, she messed up her plans, and even more so. It's nameless fire.

Yue Feng quickly landed in front of Lei Shengyun.

The next second, Yue Feng looked at Princess Dongling and said, "Of course I'm here to stop you."

After speaking, Yue Feng took a deep breath and continued slowly: "Princess Dongling, as the daughter of the Nine Heavens God, you should know what the rebirth of the Demon Lord Gone means, but instead of stopping you, you have to help him find the body of pure yang..."

At this time, Yue Feng was very fortunate.

Fortunately, Senior Yutong Xianweng had predicted that Princess Dongling would come to the Holy Sect. Otherwise, when she captured Lei Shengyun, it would be too late.

Wow...

Hearing these words, whether it was Lei Shengyun or the disciples of the Holy Sect present, they were all shocked and looked at Princess Dongling in a complicated way.

It turned out that she came to catch Lei Shengyun for the sake of the devil's respect for life.

However, she is the daughter of the Nine Heavens God, how could she help Mozun?

"Shut up!"

In the face of Yue Feng's accusation, Princess Dongling's tender body trembled, and she was so angry: "What qualifications do you have to teach me? If it weren't for you, Gong Ao and I would not have ended up in such a situation. It's you who made me look like this."

"As long as Gong Ao is all right, I'm willing to do anything. Whoever dares to stop it will die."

When she shouted this, Princess Dongling's delicate face was full of madness .

crazy!

It's crazy.

Yue Feng frowned secretly, and said word by word: "Gong Ao is in Bai Yunfei's hands, and there is no danger to his life for the time being. You don't have to do this. On the contrary, if you help Bai Yunfei find the body of pure Yang, it will be doomed..."

"Nonsense!"

Princess Dongling snorted coldly, with no expression on her face: "Yue Feng, even if you talk about the sky today, I have to take Lei Shengyun away, get out!"

Om!

As the voice fell, a terrifying aura erupted from Princess Dongling's body, and in an instant, the entire sky above the Holy Sect was distorted.

Immediately, Princess Dongling once again condensed the golden sword, and her figure rose up and came straight towards Yue Feng.

"Sect Master Yue, be careful!"

Seeing this situation, Lei Shengyun couldn't help shouting, his eyes were full of worry.

Yue Feng's face was also extremely solemn.

Mad, this Princess Dongling has lost her mind. It seems that this fight must be fought.

Thinking to himself, Yue Feng urged his figure to rush into the air, and fought fiercely with Princess Dongling.

call!

Seeing this scene, all the Saint Sect disciples present were inexplicably shocked.

Yue Feng, as the hero of Jiuzhou, has reached the peak of strength, while Princess Dongling, as the daughter of the Nine Heavens God, has unfathomable strength. The two fought in mid-air at this time, which was a once-in-a-millennium battle.

Especially Princess Dongling, that graceful curve, shuttled back and forth in mid-air, so charming that everyone below looked straight.

In the blink of an eye, Yue Feng and Princess Dongling fought for half an hour, and neither of them could defeat the other.

Speaking of which, Yue Feng possesses the power of Bird Ancestor, and his strength is not what it used to be, but Princess Dongling is the daughter of the Nine Heavens God.

Nima!

Under the fierce battle, Yue Feng was calm on the surface, but he couldn't tell the anxiety in his heart.

This Princess Dongling is completely crazy, and her strength is still so strong, how can she be subdued?

"Jade Dragon Consort, Your Royal Highness, please stop!"

Just when Yue Feng was anxious, suddenly, he heard a shout from the sky. The voice was thick and reverberated endlessly over the entire Sacred Sect.

At this moment, both Yue Feng and Princess Dongling were shocked.

The following Saint Sect disciples were even more shocked.

Phew...

The next second, everyone followed the voice, and all of them were dumbfounded!

Chapter 3969 I

saw hundreds of thousands of figures in the sky not far away, stepping on auspicious clouds, rushing in like a tide!

The uniform armor, each with a long spear, is like a rainbow!

Impressively, he is the god of the gods.

In front of these hundreds of thousands of divine soldiers was a chariot driven by eight heavenly horses. On the chariot stood a stalwart figure, dressed in purple-gold armor and holding a meniscus sword.

It is Haotian Divine Lord!

Haotian Divine Lord is the nephew of Jiutian God and the cousin of Princess Dongling. He is extremely powerful and has a detached status. It can be said that one person is above ten thousand people. When Yue Feng broke into the realm of the gods, Haotian Divine Lord was in retreat. Exit only recently.

This time, knowing that Yue Feng and Princess Dongling had escaped from the realm of the gods, the Nine Heavens God was furious, and ordered Haotian Shenjun to lead hundreds of thousands of divine soldiers and generals to come to Kyushu to arrest them.

After Haotian Shenjun came to Kyushu, he soon found out that Princess Dongling was coming to the Holy Sect. He didn't have time to think about it, and rushed over immediately.

This...

is this the magic soldier in God's Domain? This breath is too terrifying.

Seeing the scene in front of them, all the disciples of the Holy Sect were shocked, their gazes converged on Haotian Divine Sovereign, and they were speechless for a long time!

The sudden arrival of Princess Dongling just now shocked the entire Sacred Sect. At this time, so many divine soldiers and generals suddenly came. For a time, the entire Sacred Sect was silent.

"What's the situation?"

"Why are there so many divine soldiers and generals all of a sudden?"

Under the shock, many disciples of the Holy Sect reacted and couldn't help but whisper.

Haotian God?

At this moment, Princess Dongling's delicate body trembled faintly, looking at Divine Sovereign Haotian's eyes, it was also complicated and flustered.

Oops!

Cousin is here, now it's troublesome.

As Haotian Divine Monarch's cousin, Princess Dongling knows his personality too well. This cousin has an upright personality and is even more loyal to Jiutian God. If you let him know that he arrested Lei Shengyun for the sake of the devil's respect for life, then Done.

Haha...

On the other hand, Yue Feng, on the other hand, sighed in relief, feeling very comfortable.

These miraculous soldiers and generals came really just in time.

Although Yue Feng had never seen Divine Sovereign Haotian, he sensed the powerful aura that pervaded his body, and knew that the visitor was extraordinary.

More importantly, in front of her own people, Princess Dongling couldn't force Lei Shengyun to leave.

“Jade Dragon Consort, Your Highness Princess!”

At this time, the Haotian Divine Sovereign flew slowly, first looking at Yue Feng, then at Princess Dongling, and said slowly: “Your Majesty has an order for you to go back and get married as soon as possible, Don't miss the auspicious time.” The

voice was not loud, but there was no doubt.

What?

Hearing this, both Lei Shengyun and the surrounding Shengzong disciples were all stunned. They looked at Yue Feng one by one with amazement in their eyes.

Yue Feng wants to marry Princess Dongling?

As expected of the famous Jiuzhou hero, he is so awesome that he even married the daughter of Jiutian God.

Facing the envious and amazed eyes of everyone, Yue Feng was not happy at all, but extremely bitter.

This misunderstanding is really getting bigger and bigger.

At the same time, Yue Feng's brains turned quickly, thinking about the countermeasures in front of him, he must not return to God's Domain and marry Princess Dongling, he needs to think of a way to let this Haotian Divine Sovereign take Princess Dongling away.

Princess Dongling also bit her lip tightly, her eyes twinkling, thinking about something.

“Cousin!”

After a few seconds, Princess Dongling spoke first, and said to the Divine Sovereign Haotian: “I definitely want to go back to the Divine Realm, but please help me to persuade Yue Feng, he doesn't want to marry me, so he runs back privately. After arriving in Kyushu, I had no choice but to chase him here.”

When she said this, Princess Dongling looked aggrieved, but her eyes flashed with cunning.

Princess Dongling seems to be reckless, but she is actually very scheming. She knows that after the arrival of Haotian God, it is impossible for her to force Lei Shengyun to leave. The only way is to turn Haotian God's attention to Yue Feng.

Therefore, Princess Dongling made up a lie, saying that Yue Feng escaped from marriage, and she came to Kyushu to chase after Yue Feng.

I have to say that Princess Dongling is very similar. After saying this, tears flashed in her eyes, a pitiful look.

Chapter 3970

What?

When these words fell, there was an uproar in the audience. Many disciples of the Holy Sect looked at Yue Feng with complicated eyes.

Yue Feng actually escaped from marriage?

This Princess Dongling, with a charming figure, delicate facial features, and a detached key position, is the daughter of the Nine Heavens God. It can be said that this is the dream of countless men.

And Yue Feng, actually escaped marriage... This is too dissatisfied.

What the hell!

Yue Feng didn't know whether to laugh or cry. He looked at Princess Dongling and retorted: "Your Highness, you can't talk nonsense. This time I'm in Kyushu, but we..."

Yue Feng thought carefully and immediately guessed that Dong Princess Ling said this on purpose so that she could become the focus of public opinion. How could this little trick make her succeed?

"Shut up!"

However, before he could finish speaking, he was interrupted by a coquettish shout from Princess Dongling.

Afterwards, Princess Dongling said hypocritically to the God of Haotian: "Cousin, I'm so in love with Yue Feng, but he's always in the dark. When you came just now, you saw it, I want to take him back to the realm of the gods, if he doesn't agree, he will meet I moved my hand...you must call the shots for me." As

he said, he pretended to wipe away his tears.

Swish!

Hearing this, Divine Sovereign Haotian couldn't bear it any longer, and shouted angrily at Yue Feng: "Good you Yue Feng, Your Majesty made an exception to betroth the princess to you. You not only escaped the marriage, but also disliked the princess in every possible way. It's really hateful. "

Speaking, Haotian Shenjun raised his hand and waved: "Come on, take Yue Feng to me immediately."

Whoa!

The voice fell, and hundreds of divine soldiers rushed towards Yue Feng.

What the hell!

Looking at these magical soldiers rushing up, Yue Feng was very depressed, and at the same time did not dare to neglect, he quickly moved his figure, dodged back and forth, trying to break free from the siege.

While dodging, Yue Feng shouted to Haotian Divine Sovereign: "Don't listen to her one-sided words. In fact, it was the princess who came to Shengzong to catch Lei Shengyun, because Lei Shengyun is a pure yang body. It can help the devil to live."

"She arrested Lei Shengyun in order to exchange Gong Ao with Bai Yunfei..."

However, Haotian Shenjun couldn't listen at all, and shouted angrily: "The more you say, the more outrageous, the princess is your majesty's daughter, how can she help Mozun is looking for the body of pure yang? Yue Feng, stop

talking nonsense, hurry up and capture it." After seeing hundreds of divine soldiers, Yue Feng could not be suppressed. Haotian Shenjun did not hesitate and sent thousands of divine soldiers. , launched an attack on Yue Feng.

Although Yue Feng's strength is tyrannical, he can't stand the siege of so many magical soldiers.

Huh ..

Seeing this scene, Lei Shengyun and the surrounding Saint Sect disciples wanted to help, but they didn't have the courage.

After all, this is a divine weapon in the realm of the gods, and he can't afford to provoke it at all.

More importantly, Yue Feng was arrested for escaping from marriage. This is a family affair, and it is not easy for outsiders to interfere.

Princess Dongling showed a smile, and looked at Yue Feng with a bit of drama.

With this little ability, do you still want to fight with me?

While muttering in her heart, Princess Dongling did not hesitate, her figure rose up, grabbed Lei Shengyun, and flew towards the sky in the distance, disappearing from everyone's sight in the blink of an eye.

"Sect Master!"

The disciples of the Holy Sect below exclaimed one after another, trying to catch up at the same time, but Princess Dongling was so fast that she disappeared in a blink of an eye.

Oops.

Seeing this scene, Yue Feng was also in a hurry and wanted to catch up, but there were magical soldiers everywhere, and he was completely helpless.

At this time, Yue Feng was very depressed.

I never thought that Princess Dongling could escape successfully by using such a crude method. After all, this Haotian Divine Sovereign is too simple in his mind, and it is just a muscle to believe in Princess Dongling so easily.

While depressed, Yue Feng also secretly rejoiced.

Fortunately, I heard what Yutong Xianweng said at the time. If Brother Wen and the others also came to the Holy Sect, facing hundreds of thousands of gods and soldiers, they would definitely be more fortunate and less fortunate, and there would be no return.

A few minutes later, as more and more gods and soldiers joined the battle, Yue Feng gradually couldn't support it and was tied up by five flowers.

"Shenjun Haotian!"

At the moment of being bound, Yue Feng looked helpless, and said to God Sovereign Haotian: "You were really deceived by Princess Dongling, she came to Shengzong just to catch Lei Shengyun and exchange it. Gong Ao's."

"You saw it just now, she has already captured Lei Shengyun."

The ultimate husband in Chinese chapter 3971-3980

Chapter 3971

Call!

Hearing this, God Sovereign Haotian took a deep breath and said coldly, "No matter what the truth is, if you leave God's Domain without authorization, it would be wrong to escape marriage. After sending you back to God's Domain, I will only come back to find the princess." The

voice fell, Haotian God Jun waved his hand and asked a few divine soldiers to escort Yue Feng back to the realm of the gods.

Faced with this situation, Yue Feng wanted to cry without tears.

Nima, this Haotian Divine Sovereign is so rigid, he has no brains at all. Once the Demon Venerable merges with Lei Shengyun's pure Yang body, he will be completely reborn, and it will be too late, but this Haotian Divine Sovereign has no sense of crisis at all.

...

the other side!

After Princess Dongling captured Lei Shengyun, she rushed to the Five Poison Sect immediately.

At this time, seeing that Princess Dongling had arrested a man and returned, the disciples of the Five Poison Sect did not dare to neglect, and hurriedly invited her into the front hall, and went to inform Bai Yunfei at the same time.

Soon, Bai Yunfei, accompanied by Ji Hongshang, walked slowly.

"Bai Yunfei!"

Seeing Bai Yunfei's appearance, Princess Dongling couldn't hide her anxiety, and pointed at Lei Shengyun, who was tied with five flowers, and said, "I have brought the person with the body of pure yang, and bring Gong Ao with you. Come out and meet me."

Shuh!

Hearing this, Bai Yunfei's eyes fell on Lei Shengyun, he felt the body of pure yang, and he was overjoyed.

Haha... This Princess Dongling is really different. In such a short time, she found the body of pure yang.

Excited, Bai Yunfei smiled at Princess Dongling and said, "Princess keeps her promise, which is admirable. I, Bai Yunfei, am not someone who goes back on his word."

Saying that, Bai Yunfei waved his hand: "Come on, bring Gong Ao out." The

voice fell, and several disciples of the Five Poison Sect hurried out, and after a while, the weak and embarrassed Gong Ao was brought over.

"Gong Ao!"

At this moment, Princess Dongling felt embarrassed, walked over quickly, released Gong Ao herself, and asked with concern, "Are you alright?"

Gong Ao shook his head: "It's alright!"

", Gong Ao turned his head and saw Lei Shengyun, his expression changed suddenly.

This... The princess really found the body of pure yang... That Demon Lord Gone, wouldn't he be able to be reborn soon?

Princess Dongling didn't notice Gong Ao's expression was wrong, she took his hand and strode away from the Five Poison Sect.

"Princess!"

At the foot of the mountain, Gong Ao finally couldn't help it, and asked Princess Dongling, "Who is that man you caught?"

Princess Dongling wrote lightly, "Lei Shengyun, the lord of the sect.

" Princess Dongling looked at Gong Ao seriously, and her eyes showed some tenderness: "I heard that the Holy Sect has a very high reputation in the entire Kyushu, but in my heart, it is not as important as your safety. Don't say A sect master, that is, the emperor, I want to arrest him too."

Hu...

Hearing this, Gong Ao was very moved, and at the same time he didn't know whether to laugh or cry.

The princess is so capricious.

At this moment, Princess Dongling thought of something and said slowly: "Speaking of which, it was very dangerous to capture this Lei Shengyun at that time, not only Yue Feng came to make trouble, but my cousin Haotian Shenjun also brought hundreds of thousands of people with him. The gods and soldiers have arrived at the Holy Sect."

What?

Haotian Divine Sovereign is also here?

At this moment, Gong Ao's heart jumped, and he became inexplicably nervous. You must know that Haotian Divine Sovereign has a detached status in the Divine Realm. He has come to Kyushu, which shows how serious the matter is.

Thinking to himself, Gong Ao's mind was a little messy, and he couldn't help but say, "Princess, what should we do?"

Princess Dongling hugged his arm and smiled, "What else can I do? Anyway, I ran away from marriage, and you are safe now. Now, the world is so big, let's find a place where there is no competition from the world and live a secluded life, okay?"

Seclusion?

Hearing this word, Gong Ao forced a smile on his face, but his heart was extremely bitter.

Although this world is big, it is all under the control of the Nine Heavens God. How can there be any place that is isolated from the world?

In contrast, Princess Dongling was in a good mood, took Gong Ao's arm and walked towards a town not far away: "I heard that the wine in Kyushu is also good, let's find a tavern to rest for a while, and then decide where to go. "

At this time, Gong Ao was in a mess, but he didn't want to disturb Princess Dongling's interest, so he went with her to find a tavern in the town.

Chapter 3972

"The shop owner, give me a few jars of good wine!"

At the private room of the tavern, Princess Dongling shouted, and then smiled at Gong Ao and said, "Today you escaped safely, we must celebrate! "

When she said this, Princess Dongling was in a good mood. Can you be happy that you can finally be with Gong Ao?

This...

Gong Ao was a little uninterested, hesitated, and tentatively said: “Princess, you have successfully helped Bai Yunfei to capture the body of Chunyang, the devil will be reborn soon, when the world is in chaos, let’s... ..”

Before he could finish speaking, he was interrupted by Princess Dongling: “No matter how chaotic the world is, my father and emperor are here. Besides, Master Honghuang’s ancestors have boundless magic power, and they were able to successfully seal the Demon Venerable before. I can deal with it easily.”

As she said that, Princess Dongling’s mouth twitched, and she smiled like a flower: “So we don’t need to worry about these things, we just need the company of the red dust, and feel at ease!”

“But...”

Hearing this, Gong Ao didn’t know whether to laugh or cry. He opened his mouth to say something, but he didn’t know how to say it.

Princess Dongling was a little displeased: “What? You are reluctant to be your commander? You don’t want to be with me?” While speaking, her red lips pursed, with a bit of coquettish anger, very charming.

Phew...

Seeing Princess Dongling like this, Gong Ao took a deep breath and was stunned.

In the next second, Gong Ao reacted quickly, shook his head and said, “How could it be? The princess loves me so much, it is a blessing that I will never be able to repair in my life.”

Princess Dongling smiled, and at this time, the shop owner brought some delicious wine.

“Come!”

At this moment, Princess Dongling was full of enthusiasm and poured two glasses of wine in person: “This first glass of wine, I wish us a new life!”

Feeling the princess’ straightforwardness and tenderness, Gong Ao was overwhelmed with emotion, and immediately raised He picked up the wine glass and touched Princess Dongling.

“Princess!”

After a glass of wine, Gong Ao was a little drunk and restrained, and asked tentatively, “What is going on with your marriage with Yue Feng?”

Speaking of which, Gong Ao had already guessed that it was Yue Feng pretended to be himself, which caused a misunderstanding, but at this time, I really wanted to hear Princess Dongling talk about the details at that time.

Yue Feng?

As soon as Yue Feng was mentioned, Princess Dongling's delicate face suddenly showed some anger: "That Yue Feng is too despicable, he pretended to be you in order to get the colored glaze water..."

Said this At that time, in addition to the anger on Princess Dongling's face, there was a hint of complexity in her eyes. You must know that at that time, Yue Feng impersonated Gong Ao, not only caused a misunderstanding, but also performed the ritual of Zhou Gong with her by accident.

It's just that Princess Dongling is still awake at this time. How can such a thing that damages her innocence come out?

Mad!

Knowing these circumstances, Gong Ao clenched his fists tightly and was furious.

I had guessed correctly before, and it really was Yue Feng who faked himself.

Thinking about it, Gong Ao showed a smile and comforted Princess Dongling: "Okay princess, don't be angry anymore, this matter is over."

After speaking, Gong Ao's face was serious and sincere: "Princess It's really my honor to love me so much, don't worry, I will treat you with sincerity in the future."

"Pfft..."

Hearing this, Princess Dongling was very moved, and at the same time couldn't help laughing: "Okay, you know that I'm good to you, don't be so nauseous..."

While speaking, Princess Dongling once again Fill up the wine.

Gong Ao smiled, feeling much better at this time, and then chatted with Princess Dongling while drinking.

At this time, in Gong Ao's heart, although he and Princess Dongling were finally married, he still did not agree with Princess Dongling's arrangement. After all, Princess Dongling has a special status and she is also the commander of the Divine Realm. God must be furious.

So, this matter needs to be considered in the long run.

However, at this time, Princess Dongling was in a hurry. Gong Ao didn't want to say it directly, so he decided to find an opportunity in the future and discuss it with her.

Unconsciously, the two drank from afternoon to evening.

Speaking of which, Gong Ao and Princess Dongling were both from the Divine Realm and possessed Primordial Spirit. Drinking the liquor from Kyushu was like drinking water, but after several hours of booze, they couldn't stand the anesthesia of alcohol in the end.

"Gong Ao!"

At this time, Princess Dongling drank another glass of wine, her beautiful face was flushed with a hint of redness, and her eyes were full of drunkenness, she said slowly, "We will be married couples in the future, there is something to do. , if I keep hiding it from you, I'll be sorry."

Chapter 3973

"What's the matter?" Gong Ao smiled and said.

Princess Dongling bit her lip tightly and did not respond for a while, but fell into inner struggle.

Feeling that the atmosphere was not right, Gong Ao's expression became solemn: "Princess, what's wrong? Is it something to do with Your Majesty ?

"

....I'm not clear anymore..." After speaking, he briefly explained what happened with Yue Feng in the bedroom at that time.

At the end of the story, Princess Dongling was shy, with a bit of inferiority in her eyes, and she didn't look at Gong Ao.

To be honest, Princess Dongling intends to keep this matter a secret, but she loves Gong Ao so much that she feels that keeping this matter a secret is disrespect to Gong Ao.

When she was sober before, Princess Dongling was ashamed to open her mouth, but at this time, she said it through drunkenness.

What?

At this moment, Gong Ao's heart trembled, and the smile froze on his face.

Princess... Princess and Yue Feng...

After a few seconds, Gong Ao thought that he had heard it wrong, and looked at Princess Dongling closely: "Palace Master, you are... drunk, don't talk nonsense. Talk !"

When he said this, Gong Ao only felt uncomfortable in his heart.

He hoped that these were all fake, but looking at Princess Dongling's expression, it didn't look like it at all.

You must know that Gong Ao has admired Princess Dongling for so many years, and has always regarded her as a pure goddess in her heart. Suddenly, the goddess lost her innocence, which was like a bolt from the blue.

"Gong Ao!"

Princess Dongling shook her head and said drunkenly: "I'm not talking nonsense, it's all true, you know? I hate Yue Feng, but he is the Nine Heavens Profound Sage. I can't kill him at all!"

"Because of this, the father and mother wanted to hold a wedding for us in order to save the royal face."

"But I like you, so I ran away desperately. Come out..."

At the end of the sentence, Princess Dongling's eyes were so blurry that she couldn't hold it anymore.

At this...

At this moment, Gong Ao was completely stunned, only to feel his brain buzzing, and the whole person seemed to have lost all strength and was empty.

But looking at the grievance in Princess Dongling's eyes, Gong Ao squeezed out a smile and gently comforted: "Princess, you are so stupid, in my heart, you are the most perfect goddess, why would I mind this? Besides, It's not your fault that such a thing happened!"

Hearing this, Princess Dongling showed a smile: "Gong Ao, you are so kind to me..." After saying this, she fell into Gong Ao's arms. , fell into a deep sleep.

After drinking so much wine and telling the secret in her heart, Princess Dongling was relieved and rested peacefully in Gong Ao's arms.

At this moment, Gong Ao was holding Princess Dongling, but his heart was full of mixed feelings, especially under the anesthesia of alcohol, his mood was even more chaotic.

Mad!

Under the pain in his heart, Gong Ao's eyes gradually became blood red.

Yue Feng, you have taken away the princess' innocence, and I am at odds with you.

Thinking about it, Gong Ao gently picked up Princess Dongling and sent it to the upper room to rest, and then returned to the wine table alone.

“boom!”

Sitting back at the wine table, Gong Ao became annoyed the more he thought about it, and slapped the table with a slap in the face. In an instant, the table was torn apart, and several jars of fine wine were also shattered on the ground.

The tavern guy not far away was startled, but seeing Gong Ao's face, he didn't dare to come and ask.

At this time, Gong Ao felt extremely uncomfortable, why? Why it came out like this? I thought that if the princess rescued herself desperately, she would be able to live together, why must Yue Feng be mixed in?

I can't be reconciled...

“Continue serving me wine!” Gong Ao's eyes were blood red, and he shouted while patting the table.

He was in a bad mood, it was hard! Thinking of the princess' innocence being taken away by Yue Feng, Gong Ao's heart felt as uncomfortable as a knife twisted.

You know, that is the goddess that I have admired for nearly a thousand years.

Soon, the wine was delivered!

“Gudong, Gudong!”

Gong Ao directly opened the wine jar and poured it into his mouth with big mouthfuls. The so-called drunkenness relieves a thousand sorrows. Only when you are drunk can you be free from troubles.

However, Gong Ao kept things in his heart, and the more he drank, the more sober his mind became.

Not knowing how many altars he drank, Gong Ao left the tavern and walked aimlessly on the streets of the town.

Chapter 3974

It is already late at night. Although the town is not big, it is very lively. It is still crowded at such a late hour, and it is very lively. However, in Gong Ao's heart, there is a sense of desolation and loneliness.

Princess Dongling whom she admired was no longer perfect.

And as the special envoy of the Divine Realm, the leader of the Nine Heavens God was captured by Bai Yunfei, and he lost all the face of the Divine Realm.

These things went over and over in Gong Ao's mind, like a spell, constantly eroding his nerves.

Why?

Why is this happening?

hum!

Just when Gong Ao was struggling in his heart, suddenly, an incomparably terrifying pressure came from the sky, and soon, this powerful pressure enveloped the entire town.

Under the shroud of this terrifying atmosphere, I saw the crowds coming and going on the street, all of a sudden they were frozen in place, and they didn't move, as if they were frozen.

This... This is the coming of Haotian God?

Seeing this scene, Gong Ao instantly sobered up a lot.

Before showing up, he displayed such a terrifying power, and he could virtually immobilize the entire town's human beings. Those with this ability, except for the Nine Heavens God, were the Haotian Divine Sovereign.

Swish swish...

While muttering in my heart, Gong Ao saw that dozens of silhouettes slowly emerged in the air, all armored, majestic, and the leader wearing purple-gold armor, unparalleled domineering!

It is Haotian Shenjun.

Gudong!

Seeing Haotian Divine Sovereign appearing, Gong Ao secretly swallowed his saliva, feeling inexplicably nervous.

Speaking of which, Gong Ao's status in the Divine Realm is not low, and he is also greatly appreciated by the Nine Heavens God, but compared with Haotian God Sovereign, he is still much worse.

“Gong Ao!”

At this time, Haotian Divine Sovereign's eyes were locked on Gong Ao: “His Royal Highness has captured Lei Shengyun, the lord of the Holy Sect, and went to the Five Poison Sect to save you. Where is she now?”

asked At these times, Haotian Divine Sovereign's face was cold, without the slightest fluctuation.

After two hours of money, after Haotian Shenjun captured Yue Feng, he sent him directly back to God's Domain, and then returned to Kyushu to find Princess Dongling.

Passing by here just now, Haotian Divine Sovereign found Gong Ao walking down the street in despair, and immediately came down to ask.

This...

In the face of Haotian Divine Sovereign's questioning, Gong Ao only felt that his heart was suddenly suspended, and he was sweating profusely.

How to do? How should I answer myself?

With his mind spinning rapidly, Gong Ao took a deep breath and said, “Reporting to the Lord, after the princess replaced me with Lei Shengyun, she left immediately, and her subordinates did not know where she was.”

When answering , Gong Ao lowered his head deeply, not daring to meet Haotian Divine Sovereign.

Although he drank a lot of wine, Gong Ao was still very clear-headed and knew that he could not tell the whereabouts of Princess Dongling, because once he did, Haotian Divine Sovereign would definitely bring the princess back to the Divine Realm.

At that time, the plan of seclusion and escape will fail, and the princess must be very sad.

call!

Hearing this, Haotian Shenjun frowned and looked at Gong Ao suspiciously: "I don't know?"

Gong Ao was sweating coldly, but he still gritted his teeth and said: "I really don't know, maybe, she has returned to the realm of the gods. ."

"It's impossible!" Haotian Shenjun denied it, and said lightly: "I just came from God's Domain. If there is news about the princess, I won't be looking for so long!"

After speaking, Haotian Shenjun suddenly thought of something and stared at it closely. Gong Ao: "Gong Ao, I'll ask you one more question."

Gong Ao lowered his head, very respectful: "God, may I ask."

"Your Highness, Princess, has always been stubborn and willful, but this time he is desperate to save you." Haotian God The king looked at Gong Ao up and down, and said word by word: "For your safety, I did not hesitate to damage the prestige of God's Domain, and captured Lei Shengyun and gave it to Bai Yunfei. Why is this?"

Speaking of this, Haotian Divine Monarch's eyes flickered. : "Is there any secret between you and the princess?"

Putong!

The last sentence fell, Gong Ao's heart trembled, his legs were weak, he knelt down directly, his voice trembled: "Shenjun Mingjian, Princess Jinzhiyuye, I'm just a commander, how can there be a secret between us?"

Saying this At that time, Gong Ao was very flustered.

Haotian Shenjun has an upright personality, and is even more loyal to Jiutian God. With his personality, if he knows that he is going to run away with the princess, he will definitely not forgive himself lightly.

Perhaps, he will kill himself on the spot.

"Really?"

Feeling Gong Ao's nervousness, the corners of Haotian's mouth twitched, and he chuckled lightly: "But when I just left God's Domain, I heard rumors that you and the princess are in love with each other, not only that, you Have you ever written a love poem for a princess?"

Chapter 3975

Swish!

Hearing this, Gong Ao was completely panicked, knelt there trembling all over, and stammered to explain: "That's just a rumor, Her Royal Highness Princess has already made a marriage contract with Yue Feng, and they are about to get married soon. How dare I have a coveted heart?"

Haotian Shenjun pondered for a while, and said lightly: "If that's the case, then tell me, why does Her Royal Highness care so much about your safety?"

Princess Dongling actually arrested Chunyang in order to save Gong Ao. Giving the body to Demon Venerable to help him regenerate is a big taboo, and anyone else would doubt it.

Huh...

Gong Ao wiped the cold sweat from his forehead and whispered, "Maybe... Maybe the princess can't bear to see me in deep crisis because I've been loyal to Your Majesty for so many years, so she can help me.

"Gong Ao felt extremely uncomfortable.

The goddess she loves, she cannot admit it herself, and she has to make up lies to cover it up.

This is so frustrating.

But there is no way, in front of him is Haotian Divine Sovereign, who can easily kill his existence in seconds.

"Okay!"

Seeing Gong Ao's trembling look, Divine Monarch Haotian didn't ask any more questions, and nodded, "You don't have to be nervous, I just ask, if there is nothing between you and the princess, I'm relieved."

"You have to know that the princess is a golden branch and jade leaves, and her reputation is very important. You must be innocent. Even if you admire the princess, you must have your own measure. You must not be emotional and ruin your future."

"Yes, yes" Gong Ao didn't dare to refute, just nodded.

At this time, Haotian Shenjun stopped talking nonsense, looked around and said: "The whereabouts of the princess are unknown now, as the special envoy sent by God's Domain to Kyushu, you must not be slack in the slightest, please help me find the princess with all my strength, as soon as there is news, Just tell me immediately, do you know?"

“Yes!” Gong Ao nodded quickly.

At this moment, Gong Ao’s heart was also mentioned in his throat, because Princess Dongling was in a tavern not far away, if Haotian Divine Sovereign opened Yuanshen perception, everything would be exposed.

However, Gong Ao’s luck was good. God Sovereign Haotian didn’t investigate the whole town carefully, but after explaining a few words, he left with dozens of divine soldiers.

hum!

After Haotian Divine Sovereign left, the coercion that shrouded the entire town quickly disappeared, and for a while, the pedestrians who were locked there regained their freedom.

“What happened just now?”

“I don’t know..”

“I feel dizzy...it’s weird!”

Many pedestrians started talking, not knowing what happened just now.

Gong Ao’s eyes were dull, as if he could not hear the surrounding discussions, and walked towards the tavern step by step.

It was only a few hundred meters away from the tavern, but Gong Ao felt like he had walked for a long time.

How to do?

Gong Ao didn’t know how to get back to the tavern room, and when he got outside Princess Dongling’s door, his mind was still a little dazed.

I continue to travel the world with the princess, looking for a place to live in seclusion. Or.... send the princess back to the realm?

After wandering outside the door for a long time, Gong Ao finally made up his mind.

It is just a good wish to live in seclusion with the princess, and it is impossible to achieve. After all, Princess Dongling has a noble status. No matter where she lives in seclusion, the Nine Heavens God can easily find it.

Moreover, his career was also ruined, and he would even be executed by the Nine Heavens God.

More importantly, Princess Dongling's innocence was taken away by Yue Feng, which was an inextricable knot in Gong Ao's heart.

.....

in the room!

Princess Dongling woke up faintly after sleeping for a few hours.

Um?

The moment she opened her eyes, Princess Dongling was stunned, and saw that she was alone in the room, and Gong Ao disappeared.

"Gong Ao?"

In doubt, Princess Donglin called out softly.

The voice fell, the door was gently pushed open, and then Gong Ao walked in, he had been waiting outside the door.

"Princess!"

The moment he walked into the room, Gong Ao showed a smile: "Are you awake? Do you have a headache after drinking so much alcohol?"

Princess Dongling shook her head: "I'm fine, how can this Jiuzhou wine be compared to the Qiong Niu from God's Domain? I can drink more than a dozen jars. By the way, you are not allowed to call me a princess in the future, that's too outrageous. , we will be relatives in the future, you can just call me Dongling."

At this time, Princess Dongling didn't know that Gong Ao had changed his mind.

The ultimate husband in Chinese chapter 3971-3975

Chapter 3971

Call!

Hearing this, God Sovereign Haotian took a deep breath and said coldly, "No matter what the truth is, if you leave God's Domain without authorization, it would be wrong to escape marriage. After sending you back to God's Domain, I will only come back to find the princess." The

voice fell, Haotian God Jun waved his hand and asked a few divine soldiers to escort Yue Feng back to the realm of the gods.

Faced with this situation, Yue Feng wanted to cry without tears.

Nima, this Haotian Divine Sovereign is so rigid, he has no brains at all. Once the Demon Venerable merges with Lei Shengyun's pure Yang body, he will be completely reborn, and it will be too late, but this Haotian Divine Sovereign has no sense of crisis at all.

...

the other side!

After Princess Dongling captured Lei Shengyun, she rushed to the Five Poison Sect immediately.

At this time, seeing that Princess Dongling had arrested a man and returned, the disciples of the Five Poison Sect did not dare to neglect, and hurriedly invited her into the front hall, and went to inform Bai Yunfei at the same time.

Soon, Bai Yunfei, accompanied by Ji Hongshang, walked slowly.

"Bai Yunfei!"

Seeing Bai Yunfei's appearance, Princess Dongling couldn't hide her anxiety, and pointed at Lei Shengyun, who was tied with five flowers, and said, "I have brought the person with the body of pure yang, and bring Gong Ao with you. Come out and meet me."

Speaking of which, Gong Ao and Princess Dongling were both from the Divine Realm and possessed Primordial Spirit. Drinking the liquor from Kyushu was like drinking water, but after several hours of booze, they couldn't stand the anesthesia of alcohol in the end.

"Gong Ao!"

At this time, Princess Dongling drank another glass of wine, her beautiful face was flushed with a hint of redness, and her eyes were full of drunkenness, she said slowly, "We will be married couples in the future, there is something to do. , if I keep hiding it from you, I'll be sorry."

Chapter 3973

"What's the matter?" Gong Ao smiled and said.

Princess Dongling bit her lip tightly and did not respond for a while, but fell into inner struggle.

Feeling that the atmosphere was not right, Gong Ao's expression became solemn: "Princess, what's wrong? Is it something to do with Your Majesty ?

"

....I'm not clear anymore..." After speaking, he briefly explained what happened with Yue Feng in the bedroom at that time.

At the end of the story, Princess Dongling was shy, with a bit of inferiority in her eyes, and she didn't look at Gong Ao.

To be honest, Princess Dongling intends to keep this matter a secret, but she loves Gong Ao so much that she feels that keeping this matter a secret is disrespect to Gong Ao.

When she was sober before, Princess Dongling was ashamed to open her mouth, but at this time, she said it through drunkenness.

What?

At this moment, Gong Ao's heart trembled, and the smile froze on his face.

Princess... Princess and Yue Feng...

After a few seconds, Gong Ao thought that he had heard it wrong, and looked at Princess Dongling closely: "Palace Master, you are... drunk, don't talk nonsense. Talk !"

When he said this, Gong Ao only felt uncomfortable in his heart.

He hoped that these were all fake, but looking at Princess Dongling's expression, it didn't look like it at all.

You must know that Gong Ao has admired Princess Dongling for so many years, and has always regarded her as a pure goddess in her heart. Suddenly, the goddess lost her innocence, which was like a bolt from the blue.

“Gong Ao!”

Princess Dongling shook her head and said drunkenly: “I’m not talking nonsense, it’s all true, you know? I hate Yue Feng, but he is the Nine Heavens Profound Sage. I can’t kill him at all!”

“Because of this, the father and mother wanted to hold a wedding for us in order to save the royal face.”

“But I like you, so I ran away desperately. Come out..”

At the end of the sentence, Princess Dongling’s eyes were so blurry that she couldn’t hold it anymore.

At this...

At this moment, Gong Ao was completely stunned, only to feel his brain buzzing, and the whole person seemed to have lost all strength and was empty.

But looking at the grievance in Princess Dongling’s eyes, Gong Ao squeezed out a smile and gently comforted: “Princess, you are so stupid, in my heart, you are the most perfect goddess, why would I mind this? Besides, It’s not your fault that such a thing happened!”

Hearing this, Princess Dongling showed a smile: “Gong Ao, you are so kind to me...” After saying this, she fell into Gong Ao’s arms. , fell into a deep sleep.

After drinking so much wine and telling the secret in her heart, Princess Dongling was relieved and rested peacefully in Gong Ao’s arms.

At this moment, Gong Ao was holding Princess Dongling, but his heart was full of mixed feelings, especially under the anesthesia of alcohol, his mood was even more chaotic.

Mad!

Under the pain in his heart, Gong Ao’s eyes gradually became blood red.

Yue Feng, you have taken away the princess’ innocence, and I am at odds with you.

Thinking about it, Gong Ao gently picked up Princess Dongling and sent it to the upper room to rest, and then returned to the wine table alone.

“boom!”

Sitting back at the wine table, Gong Ao became annoyed the more he thought about it, and slapped the table with a slap in the face. In an instant, the table was torn apart, and several jars of fine wine were also shattered on the ground.

The tavern guy not far away was startled, but seeing Gong Ao's face, he didn't dare to come and ask.

At this time, Gong Ao felt extremely uncomfortable, why? Why it came out like this? I thought that if the princess rescued herself desperately, she would be able to live together, why must Yue Feng be mixed in?

I can't be reconciled...

“Continue serving me wine!” Gong Ao's eyes were blood red, and he shouted while patting the table.

He was in a bad mood, it was hard! Thinking of the princess' innocence being taken away by Yue Feng, Gong Ao's heart felt as uncomfortable as a knife twisted.

You know, that is the goddess that I have admired for nearly a thousand years.

Soon, the wine was delivered!

“Gudong, Gudong!”

Gong Ao directly opened the wine jar and poured it into his mouth with big mouthfuls. The so-called drunkenness relieves a thousand sorrows. Only when you are drunk can you be free from troubles.

However, Gong Ao kept things in his heart, and the more he drank, the more sober his mind became.

Not knowing how many altars he drank, Gong Ao left the tavern and walked aimlessly on the streets of the town.

Chapter 3974

It is already late at night. Although the town is not big, it is very lively. It is still crowded at such a late hour, and it is very lively. However, in Gong Ao's heart, there is a sense of desolation and loneliness.

Princess Dongling whom she admired was no longer perfect.

And as the special envoy of the Divine Realm, the leader of the Nine Heavens God was captured by Bai Yunfei, and he lost all the face of the Divine Realm.

These things went over and over in Gong Ao's mind, like a spell, constantly eroding his nerves.

Why?

Why is this happening?

hum!

Just when Gong Ao was struggling in his heart, suddenly, an incomparably terrifying pressure came from the sky, and soon, this powerful pressure enveloped the entire town.

Under the shroud of this terrifying atmosphere, I saw the crowds coming and going on the street, all of a sudden they were frozen in place, and they didn't move, as if they were frozen.

This... This is the coming of Haotian God?

Seeing this scene, Gong Ao instantly sobered up a lot.

Before showing up, he displayed such a terrifying power, and he could virtually immobilize the entire town's human beings. Those with this ability, except for the Nine Heavens God, were the Haotian Divine Sovereign.

Swish swish...

While muttering in my heart, Gong Ao saw that dozens of silhouettes slowly emerged in the air, all armored, majestic, and the leader wearing purple-gold armor, unparalleled domineering!

It is Haotian Shenjun.

Gudong!

Seeing Haotian Divine Sovereign appearing, Gong Ao secretly swallowed his saliva, feeling inexplicably nervous.

Speaking of which, Gong Ao's status in the Divine Realm is not low, and he is also greatly appreciated by the Nine Heavens God, but compared with Haotian God Sovereign, he is still much worse.

"Gong Ao!"

At this time, Haotian Divine Sovereign's eyes were locked on Gong Ao: "His Royal Highness has captured Lei Shengyun, the lord of the Holy Sect, and went to the Five Poison Sect to save you. Where is she now?"

asked At these times, Haotian Divine Sovereign's face was cold, without the slightest fluctuation.

After two hours of money, after Haotian Shenjun captured Yue Feng, he sent him directly back to God's Domain, and then returned to Kyushu to find Princess Dongling.

Passing by here just now, Haotian Divine Sovereign found Gong Ao walking down the street in despair, and immediately came down to ask.

This...

In the face of Haotian Divine Sovereign's questioning, Gong Ao only felt that his heart was suddenly suspended, and he was sweating profusely.

How to do? How should I answer myself?

With his mind spinning rapidly, Gong Ao took a deep breath and said, "Reporting to the Lord, after the princess replaced me with Lei Shengyun, she left immediately, and her subordinates did not know where she was."

When answering , Gong Ao lowered his head deeply, not daring to meet Haotian Divine Sovereign.

Although he drank a lot of wine, Gong Ao was still very clear-headed and knew that he could not tell the whereabouts of Princess Dongling, because once he did, Haotian Divine Sovereign would definitely bring the princess back to the Divine Realm.

At that time, the plan of seclusion and escape will fail, and the princess must be very sad.

call!

Hearing this, Haotian Shenjun frowned and looked at Gong Ao suspiciously: "I don't know?"

Gong Ao was sweating coldly, but he still gritted his teeth and said: "I really don't know, maybe, she has returned to the realm of the gods. ."

"It's impossible!" Haotian Shenjun denied it, and said lightly: "I just came from God's Domain. If there is news about the princess, I won't be looking for so long!"

After speaking, Haotian Shenjun suddenly thought of something and stared at it closely. Gong Ao: "Gong Ao, I'll ask you one more question."

Gong Ao lowered his head, very respectful: "God, may I ask."

"Your Highness, Princess, has always been stubborn and willful, but this time he is desperate to save you." Haotian God The king looked at Gong Ao up and down, and said word by word: "For your safety, I did not hesitate to damage the prestige of God's Domain, and captured Lei Shengyun and gave it to Bai Yunfei. Why is this?"

Speaking of this, Haotian Divine Monarch's eyes flickered. : "Is there any secret between you and the princess?"

Putong!

The last sentence fell, Gong Ao's heart trembled, his legs were weak, he knelt down directly, his voice trembled: "Shenjun Mingjian, Princess Jinzhiyuye, I'm just a commander, how can there be a secret between us?"

Saying this At that time, Gong Ao was very flustered.

Haotian Shenjun has an upright personality, and is even more loyal to Jiutian God. With his personality, if he knows that he is going to run away with the princess, he will definitely not forgive himself lightly.

Perhaps, he will kill himself on the spot.

"Really?"

Feeling Gong Ao's nervousness, the corners of Haotian's mouth twitched, and he chuckled lightly: "But when I just left God's Domain, I heard rumors that you and the princess are in love with each other, not only that, you Have you ever written a love poem for a princess?"

Chapter 3975

Swish!

Hearing this, Gong Ao was completely panicked, knelt there trembling all over, and stammered to explain: "That's just a rumor, Her Royal Highness Princess has already made a marriage contract with Yue Feng, and they are about to get married soon. How dare I have a coveted heart?"

Haotian Shenjun pondered for a while, and said lightly: "If that's the case, then tell me, why does Her Royal Highness care so much about your safety?"

Princess Dongling actually arrested Chunyang in order to save Gong Ao. Giving the body to Demon Venerable to help him regenerate is a big taboo, and anyone else would doubt it.

Huh...

Gong Ao wiped the cold sweat from his forehead and whispered, "Maybe... Maybe the princess can't bear to see me in deep crisis because I've been loyal to Your Majesty for so many years, so she can help me.

" Gong Ao felt extremely uncomfortable.

The goddess she loves, she cannot admit it herself, and she has to make up lies to cover it up.

This is so frustrating.

But there is no way, in front of him is Haotian Divine Sovereign, who can easily kill his existence in seconds.

"Okay!"

Seeing Gong Ao's trembling look, Divine Monarch Haotian didn't ask any more questions, and nodded, "You don't have to be nervous, I just ask, if there is nothing between you and the princess, I'm relieved."

"You have to know that the princess is a golden branch and jade leaves, and her reputation is very important. You must be innocent. Even if you admire the princess, you must have your own measure. You must not be emotional and ruin your future."

"Yes, yes" Gong Ao didn't dare to refute, just nodded.

At this time, Haotian Shenjun stopped talking nonsense, looked around and said: "The whereabouts of the princess are unknown now, as the special envoy sent by God's Domain to Kyushu, you must not be slack in the slightest, please help me find the princess with all my strength, as soon as there is news, Just tell me immediately, do you know?"

"Yes!" Gong Ao nodded quickly.

At this moment, Gong Ao's heart was also mentioned in his throat, because Princess Dongling was in a tavern not far away, if Haotian Divine Sovereign opened Yuanshen perception, everything would be exposed.

However, Gong Ao's luck was good. God Sovereign Haotian didn't investigate the whole town carefully, but after explaining a few words, he left with dozens of divine soldiers.

hum!

After Haotian Divine Sovereign left, the coercion that shrouded the entire town quickly disappeared, and for a while, the pedestrians who were locked there regained their freedom.

"What happened just now?"

"I don't know.."

"I feel dizzy...it's weird!"

Many pedestrians started talking, not knowing what happened just now.

Gong Ao's eyes were dull, as if he could not hear the surrounding discussions, and walked towards the tavern step by step.

It was only a few hundred meters away from the tavern, but Gong Ao felt like he had walked for a long time.

How to do?

Gong Ao didn't know how to get back to the tavern room, and when he got outside Princess Dongling's door, his mind was still a little dazed.

I continue to travel the world with the princess, looking for a place to live in seclusion. Or.... send the princess back to the realm?

After wandering outside the door for a long time, Gong Ao finally made up his mind.

It is just a good wish to live in seclusion with the princess, and it is impossible to achieve. After all, Princess Dongling has a noble status. No matter where she lives in seclusion, the Nine Heavens God can easily find it.

Moreover, his career was also ruined, and he would even be executed by the Nine Heavens God.

More importantly, Princess Dongling's innocence was taken away by Yue Feng, which was an inextricable knot in Gong Ao's heart.

.....

in the room!

Princess Dongling woke up faintly after sleeping for a few hours.

Um?

The moment she opened her eyes, Princess Dongling was stunned, and saw that she was alone in the room, and Gong Ao disappeared.

“Gong Ao?”

In doubt, Princess Donglin called out softly.

The voice fell, the door was gently pushed open, and then Gong Ao walked in, he had been waiting outside the door.

“Princess!”

The moment he walked into the room, Gong Ao showed a smile: “Are you awake? Do you have a headache after drinking so much alcohol?”

Princess Dongling shook her head: “I’m fine, how can this Jiuzhou wine be compared to the Qiong Niu from God’s Domain? I can drink more than a dozen jars. By the way, you are not allowed to call me a princess in the future, that’s too outrageous. , we will be relatives in the future, you can just call me Dongling.”

At this time, Princess Dongling didn’t know that Gong Ao had changed his mind.

The ultimate husband in Chinese chapter 3976-3980

Chapter 3976

Uh...

Hearing this, Gong Ao was a little embarrassed, then nodded and said, “Okay.”

“Where did you go just now?” Princess Dongling asked curiously.

Gong Ao thought for a while, and made up a reason at random: “I went outside to inquire about the situation nearby to see if there is a place with a good environment and a place to stay.”

Princess Dongling showed a smile: “It’s really thoughtful, then Have you found it?”

“I found it!”

Gong Ao smiled and said, "It's just a few dozen miles away!"

When he said this, Gong Ao looked serious, but was a little flustered in his heart. It was made up for the purpose of making Princess Dongling relax his vigilance.

Princess Dongling was very happy, clapped her hands and said, "Great, when we arrive, let's build a small wooden house, no, let's build a beautiful pavilion..."

While speaking, Princess Dongling couldn't wait to pull Gong Ao out of the room.

Papa...

But as soon as he walked out of the room, Gong Ao suddenly raised his hand and tapped Princess Dongling's back a few times, sealing her Primordial Spirit power.

Princess Dongling walked in front, completely not expecting that Gong Ao would suddenly take action, unprepared. At that time, her delicate body trembled, and she couldn't move.

"Gong Ao..."

At this moment, Princess Dongling's beautiful face was full of astonishment. She looked at Gong Ao and said, "What are you doing?"

This chapter is provided by . Visit for daily update.

Gong Ao sighed, because of his guilty conscience, he didn't dare to talk to Dongling at all. The princess looked at each other and said slowly: "My Royal Highness, I'm sorry, I did this out of necessity."

"You are a high princess, and I am just a small commander. Although I am greatly used by Your Majesty, I am not worthy of you at all. I wrote love poems for you before, and it was completely over my head, so you treat me as a clown, Forget it."

Gong Ao felt very uncomfortable when he said this.

He didn't want that either.

But messing around with the princess is completely digging one's own grave.

"Are you crazy?"

Hearing this, Princess Dongling's body trembled and she was so anxious: "What nonsense are you talking about? Don't you like me? Now that we are together, why do you want to do this again?"

Gong Ao did not In response, she knocked Princess Dongling unconscious and carried her into the sky.

After half an hour's flight, Gong Ao arrived at the top of a mountain. Before, Haotian Shenjun agreed with him that after finding Princess Dongling, he would meet here.

When he reached the top of the mountain, he saw that Haotian God Monarch was meditating there, and he sent all the hundreds of thousands of divine soldiers and generals from the Divine Realm to all parts of Kyushu to look for Princess Dongling.

Huh...

Hearing the movement, Haotian Shenjun slowly opened his eyes and saw Gong Ao coming with Princess Dongling in his arms. He immediately showed a smile, and at the same time he was a little curious: "What's wrong with Your Highness Princess?"

Gong Ao Jiang Dong Princess Ling put it down gently and said respectfully, "Returning to God, Your Highness, the princess just drank a little wine, but she hasn't woken up yet." After

speaking, Gong Ao thought for a while, and continued: "When this subordinate found the princess, she had already drank it. She was drunk, so I quickly brought her here." He did

n't dare to say anything about knocking the princess unconscious.

Um!

Haotian Shenjun nodded and praised: "Very good, although you were caught by Bai Yunfei before and lost the face of God's Domain, but finding the princess in time now can be considered to have made up for it! When you return to Kyushu, I will help you. Your Majesty said it."

In the mind of Haotian God, as long as the princess can be found as soon as possible, the process is not important.

"Many thanks, God!" Gong Ao was full of gratitude, and at the same time heaved a sigh of relief.

Fortunately, God Sovereign did not ask in detail, otherwise it would be difficult to answer.

...

the other side! Holy area.

In the sky prison behind Yuyao Xianyuan, Yue Feng sat there with a restless expression on his face.

I saw that there were divine soldiers guarding the sky prison. Not only that, but the two exits were also deployed with barriers, which were heavily guarded. It could be said that not a fly could get out.

Mad!

Faced with this situation, Yue Feng almost wanted to cry without tears.

He was under house arrest before and had a chance to escape, but now he is locked in the sky prison, with no chance at all.

How to do it?

In anxiety, Yue Feng suddenly thought of something, his eyes flashed, and then he took out something from his body.

It was Yutong Xianweng who gave him a glimpse of the spiritual bones before.

Chapter 3977

Yutong Xianweng said that this peeping spirit bone has the ability to predict the prophet, and can only be used when facing a desperate situation. At this time, isn't it the right time to be trapped in the sky prison and unable to escape?

Thinking to himself, Yue Feng did not hesitate, and directly injected the power of Yuanshen into the spiritual bones of the sky.

hum!

At this moment, I saw a ray of light blooming from the spiritual bones of the sky, and then, the air in the entire cell distorted and changed, and then transformed into an illusory scene.

I went...

Seeing the scene in front of him, Yue Feng couldn't help but gasp, and he was completely stunned.

I saw that in that illusory scene, it was the Imperial Palace of God's Domain, with the flames of war all around, and two figures were fighting endlessly above the palace.

One was extremely evil, and the other was wearing a golden dragon robe.

It is the Nine Heavens God and the Demon Lord Gone.

Because it was an illusory scene, Yue Feng couldn't hear the sound, but even so, he could feel the intensity of the battle.

This...

After watching this for a few minutes, Yue Feng regained his senses, only to feel his brain buzzing.

Seeing such a scene in the spirit bones of the sky, it shows that after a few days, the successful rebirth of the Demon Lord Gone is a fact, and it cannot be changed.

Thinking to himself, Yue Feng suddenly became anxious, staring at the illusory scene in front of him, wanting to see what else happened. But the illusory scene, which only existed for less than ten minutes, disappeared.

pat!

After the illusory scene disappeared, the peeping spirit bones also shattered directly, turned into powder, and dissipated in the air.

Seeing this, Yue Feng wanted to cry without tears.

Nima, I only have two peeping spirit bones in total, so I just consumed one? What made people speechless was that they only got the foreknowledge of being born with Demon Respect and would attack the Divine Realm. Others, there was no hint at all.

However, if the devil respects life, it is enough to shake the world.

Thinking of this, Yue Feng didn't have time to think about it, he quickly walked to the door of the prison and slapped vigorously: "Come on, come on!"

"What's the noise?"

As soon as he finished speaking, two divine soldiers walked over quickly, with faces on their faces. Very displeased.

The one in the lead said coldly at Yue Feng: "Yue Feng, what tricks do you want to play? I warn you, although you are now the concubine of the Jade Dragon and will soon marry the princess, your Majesty has an order, no matter what you say. What, we won't believe you." The

voice fell, and another interface said: "Yes, if you still want to escape from God's Domain, don't waste your time."

Nima!

Hearing this, Yue Feng was very depressed and didn't bother to talk nonsense: "I'm trapped here, what else can I do. Take me to see Your Majesty, I have something important to report."

Demon Lord Gone was reborn, This is no small matter.

Yue Feng thought about it, and when he told Jiutian God about this matter, Jiutian God would definitely not sit idly by, and would definitely take measures to deal with it as soon as possible. At that time, the wedding would be postponed. The wind has a chance to leave.

In short, he could not stay in God's Domain no matter what, let alone marry Princess Dongling.

important thing?

Seeing Yue Feng's anxious face, the two divine soldiers looked at each other.

Immediately, one of them asked, "What's the matter? Make it clear, otherwise, we wouldn't dare to take you out privately."

Hu...

Yue Feng took a deep breath and told the story of Mo Zunsheng. In the end, Yue Feng urged: "Quick, you miss a big thing, you can't afford it!"

Hearing this, the two guards did not dare to neglect, and hurriedly took Yue Feng to meet the Nine Heavens God.

Soon, when he arrived at the main hall of the bedroom, he saw that the Nine Heavens God was resting on the dragon couch. Empress Hua Zhao was accompanied by a long dress, with graceful curves and dignified beauty.

Um?

Seeing Yue Feng being brought in, Jiutian God's face instantly turned gloomy.

In the next second, the Nine Heavens God glared at the two guards: "Why did you bring him?"

Puff!

The two guards hurriedly knelt down, and one of them said, "Your Majesty, calm down, Yue Feng said there is something important to report."

Chapter 3978 Jiutian

God frowned, waved them to step back, and then looked at Yue Feng: "What are you going to tell?"

At the same time, Empress Hua Zhao looked at Yue Feng unhappily: "Yue Feng, we will It is your blessing that Dongling betrothed to you, but you took her away from marriage, what tricks do you want to play now?"

Er...

Yue Feng smiled bitterly and said, "How dare I play tricks?" With that said, Yue Feng directly said the illusory scene he had just seen.

Of course, Yue Feng didn't say that he used the peeping spirit bone, but only said that the devil is reshaping his body.

What?

Hearing this, Jiutian God's expression changed, he stood up directly from the dragon couch, and looked at Yue Feng with burning eyes: "What you said is true?"

"It is absolutely true." Yue Feng nodded again and again.

Jiutian God took a deep breath and looked at Empress Hua Zhao, both of them inexplicably shocked.

If the Demon Lord Gone was really reborn, the consequences would be unimaginable.

"Your Majesty!"

At this moment, a loud shout came from outside the door, and then, Haotian Shenjun walked in quickly with a slender figure.

The facial features are exquisite, but the eyes are scattered, as if the soul has been lost.

It was Princess Dongling.

On the way back to God's Domain, Princess Dongling woke up and learned that she had been abandoned by Gong Ao, and she couldn't accept it for a while, and almost collapsed at that time.

At this time, although he calmed down, his heart was still ashes.

I go!

Seeing this scene, Yue Feng secretly complained.

I thought that Princess Dongling went to rescue Gong Ao, and then flew away, but I didn't expect that she was caught by Haotian God so quickly.

Jiutian God glanced at Princess Dongling and snorted coldly.

Madam Hua Zhao's delicate face also showed a bit of displeasure, and she reprimanded Princess Dongling: "Dongling, you are really fooling around, you are about to get married soon, why did you follow Yue Feng to Kyushu? "

You're going to have a family soon, you can't do this in the future, you know?"

Hmm!

Princess Dongling nodded. There was no slight fluctuation on her delicate face. Gong Ao's abandonment had hit her too hard. At this time, she didn't care about anything.

"Haotian!"

At this moment, Jiutian God thought of something, looked at Haotian God Monarch: "Just now Yue Feng said that Demon Lord Gone is rebuilding his body in Kyushu, is it true?"

Haotian God Monarch thought for a while. , nodded and said: "Yes, when I was searching for the whereabouts of the concubine and the princess, I got the news that the Demon Lord Gone has left the magic mirror." After speaking

, Haotian Shenjun couldn't help but glance at Dongling Princess: "Also, Demon Zun Gone also got the body of pure yang."

Princess Dongling is His Majesty's daughter after all. She gave the body of pure yang as a condition to exchange Gong Ao and gave it to Demon Zun. good.

Pure Yang body?

At this moment, Jiutian God was stunned for a moment and frowned: "What's going on?"

Although Jiutian God is the master of God's Domain, he doesn't know very much about the matter of Demon Lord Gone, much less that Demon Lord. What are the prerequisites for Goni's rebirth?

call!

Haotian God Sovereign took a deep breath and responded, "Go back to Your Majesty, follow the rumors I heard that Demon Venerable needs to merge with the body of pure yang before he can be completely reborn."

It turned out to be the case!

Hearing this, Jiutian God looked at Yue Feng with a very solemn expression.

Seeing this, Yue Feng is right, that Demon Lord Gone is really about to be reborn.

Thinking of this, Jiutian God ordered Haotian Divine Lord: "In this case, you immediately lead the army and stop Mo Zun before he is born." After

speaking, Jiutian God felt inappropriate: "No, I want to do this. Royal driving and personal expedition!"

Haha...

Seeing this scene, Yue Feng was calm on the surface, but he was very excited.

God of the Nine Heavens is going to go on a personal expedition, so the wedding between himself and the princess must be put on hold for the time being.

"Your Majesty!" But at this moment, Empress Hua Zhao stood up and stopped the Nine Heavens

God: "Your Majesty wants to go personally, what about the daughter's wedding?" I'm done."

But...

Empress Hua Zhao was so anxious that Mozun's matter was important, but her daughter's marriage couldn't be stopped just by saying it.

Chapter 3979

Seeing that the Nine Heavens God was about to set off with Haotian Divine Sovereign, Empress Hua Zhao suddenly thought of something and shouted, "Your Majesty, I remembered, there is no need to rush about the Demon Venerable."

Huh?

Hearing this, Jiutian God stood up and looked back at Empress Hua Zhao: "Why are you so sure?"

At the same time, Yue Feng also frowned secretly, looking at Empress Hua Zhao very puzzled.

That Demon Lord Gone, who has obtained the body of pure yang, can be reborn at any time, why is there no need to worry in her mouth?

At this moment, Empress Hua Zhao breathed a sigh of relief and smiled at the Nine Heavens God: "I talked to Master about Demon Zun before, and I remember that Master once said that it is very difficult for Demon Zun Gone to be reborn, not only You need a body of pure yang, and you also need a body of pure yin. Only when yin and yang work together can you reshape your body." After speaking, Madam Hua Zhao's tone became relaxed: "Then the Demon Venerable now only has a body of pure yang, and there is still one pure yin missing. As for the body, it's only half the battle, why should we be so nervous?"

I'll go!

Yue Feng was stunned, only feeling that his mind was blank?

This demon respects life, but also pays so much attention, not only needs the body of pure yang, but also needs the body of pure yin?

At the same time, the Nine Heavens God was also stunned there.

In the next second, God of Nine Heavens looked at Empress Hua Zhao: "Really?"

Empress Hua Zhao smiled lightly: "Shizun's words, are they still fake? According to me, we still have room for manoeuvre, let Haotian go to Jiuzhou As long as we don't let him get the pure yin body, we can be invincible against the Demon Lord Gone." After speaking, Madam

Hua Zhao looked at Yue Feng and Princess Dongling: "This side of the God Realm, let's continue. Arranging the wedding, after all, is a daughter's life-long event, what do you think, Your Majesty?"

call!

Jiutian God took a deep breath and showed a smile: "If this is the case, then do as the mother said."

At this time, Jiutian God's mood suddenly relaxed.

Because Empress Hua Zhao said it was right, as long as Demon Venerable was prevented from obtaining the body of pure yin, Divine Realm would be invincible.

Nima!

Seeing this scene, Yue Feng didn't know whether to laugh or cry, and his mood became depressed.

After tossing for a long time, this wedding still hasn't escaped.

At this time, the God of the Nine Heavens, as well as Empress Hua Zhao and Yue Feng, did not know that the Demon Zun Gone had obtained the body of pure yin long ago.

.....

the other side. Xia Yinzong.

After more than six hours, Nalan Wushuang and others, who were locked in the hall, finally unlocked the acupoints one by one.

“Quick!”

At this moment, Nalan Wushuang couldn't think much, and shouted at the crowd: “Go to the forbidden area in the back mountain.” The voice fell, Nalan Wushuang's delicate body flashed, and the first one rushed out of the hall.

After so long, Yue Feng and the powerful old man must have rescued Wen Chou Chou and everyone. But no matter what, go see the situation.

Elder Huo and Elder Feng did not dare to neglect, and followed closely behind.

call!

Soon, when they arrived at the forbidden area of the back mountain, seeing the scene in front of them, both Nalan Wushuang and Elder Huo were all stunned.

I saw at the bottom of the hole, Wen Chou Chou and the others were sitting cross-legged, each with a ruddy look, completely gone. very nice.

How could this be?

Seeing this scene, everyone in Nalan Wushuang was dumbfounded.

This Jiaolong is about to break through, and has a tyrannical personality. Under such circumstances, he didn't even attack Wen Chou Chou. It's incredible.

“Roar!”

At this moment, he heard a roar from the Flood Dragon, and then, a huge figure rose into the sky, and at the same time, a dazzling light burst out from the Flood Dragon's body.

Nalan Wushuang and everyone could clearly see that the deep black scales of the Jiaolong gradually turned into bright white, and then sharp claws slowly appeared under the abdomen.

Turn the dragon into a dragon!

This is going to turn into a dragon.

At this moment, everyone present was extremely shocked, and one by one was completely stupid.

Boom...

Just as the Jiaolong gradually transformed into a white dragon, the sky was suddenly covered with dark clouds, and then, lightning bolts cut through the sky and slammed down towards the white dragon.

Yes, this is exactly the thunder calamity that Jiaolong is about to face!

Chapter 3980

“Roar...”

Facing the thunder and lightning, Jiaolong raised his head and roared, with a posture of refusing to admit defeat, but his eyes flashed with nervousness. Know how many Jiaolong lost in this last step.

“We're here to help you!”

At this moment, the Wen Chou Chou people sitting cross-legged below opened their eyes one after another and rose into the sky.

Buzz Buzz...

The next second, Wen Chou Chou and everyone broke out in unison, and jointly deployed a protective film on the top of Jiaolong's head to help it resist the bombardment of thunder tribulation.

Boom boom boom... At

the moment when the protective film was formed, countless thunder and lightning crashed. In an instant, dust and smoke filled the distance for a kilometer, the cave collapsed, and the mountains shook, as if the world was ending.

Nalan Wushuang didn't have time to think about it, and retreated to dodge.

After more than ten minutes passed, the dust and smoke gradually dissipated, and a huge snow-white figure was seen hovering in the air. It was the Flood Dragon.

As for Wen Chou Chou, everyone stood on the back of the dragon, because they helped resist the thunder tribulation before, their faces were pale, but their faces were full of smiles.

“The passage of Xia Yinzong!”

At this time, Wen Chou Chou stood on the dragon's back and shouted at Nalan Wushuang below: “It is indeed a misunderstanding that Yue Feng killed your former head, but we still have it for a while. I can't show any evidence.”

“It's understandable for you to arrest us here, but we didn't plan to care about it. Besides, we will definitely find out the truth.

” Changliu, we will have an appointment in the future.”

The last sentence fell, Wen Chou Chou lightly patted the dragon's back, and the white dragon roared, rose into the sky, and disappeared between the clouds in the blink of an eye.

Damn...

At this moment, Nalan Wushuang's complexion changed, unspeakably ugly, and when she wanted to stop it, Wen Chou Chou and everyone had already driven away on the white dragon.

Nalan Wushuang was very angry at this time.

On his own territory, watching Wen Chou Chou and others leave, it is simply a great shame. What is even more unacceptable is that the Jiaolong in the forbidden area has become friends with them.

Behind them, Elder Huo and Elder Feng all had complicated expressions on their faces.

Soon, Nalan Wushuang reacted and ordered the elder Huo and everyone: “You go to trace the whereabouts of Wen Chou Chou and others immediately!”

After saying this, Nalan Wushuang's delicate body flashed and flew high into the sky, towards the direction of the Five Poison Sect. rush.

Today's Ouyang family has a white dragon to help out. It is very difficult for Xia Yinzong to deal with it, so he can only ask Bai Yunfei for help.

.....

At this moment, the Five Poison Sect.

In the secret room, the Demon Lord Gone looked at Lei Shengyun, who was tied with five flowers, and showed a smug smile.

"Haha..."

"The body of pure yang is really the body of pure yang."

"I'm finally going to be reborn, this day, I've been waiting for too long!"

Facing this situation, Lei Shengyun was inexplicably terrified: "You... Who are you?"

The man in front of him was covered in blood, and he couldn't see the slightest bit of skin, just like a demon, especially the breath that permeated his body, which made people feel terrified from the bottom of their hearts.

"who I am?"

Demon Lord Gone chuckled lightly: "I am the master of the whole world. And you are just my rebirth stage, an important supplement, you should feel honored."

Om!

The voice fell, and the Demon Lord Gone turned into a cloud of blood, directly covering Lei Shengyun.

"Ah..."

At this moment, Lei Shengyun felt that his entire body's strength and qi and blood were madly absorbed by the blood mist.

However, Lei Shengyun's power was completely insignificant in front of Demon Venerable.

boom!

Finally, Lei Shengyun's cry became weaker and weaker, his life stopped, and his figure fell to the ground, but after falling to the ground, only a skeleton remained.

At this time, the blood mist slowly condensed, restored the appearance of Demon Venerable, and then sat cross-legged and began to merge with Lei Shengyun's pure Yang body.

Buzz...

Under the fusion, I saw the bloody body of the Demon Lord Gone, slowly giving birth to skin, followed by eyes, mouth... At the same time, an incomparably terrifying and vast force filled the entire secret room.

The ultimate husband in Chinese chapter 3981-3990

Chapter 3981

As the filling power became stronger and stronger, the secret room collapsed instantly, and a dazzling blood-colored light pierced through the sky and through the heavens and the earth.

Boom...

At the same time, the whole earth shook violently, and the sky was dark clouds rolling.

At this moment, both Bai Yunfei and the disciples of the Five Poison Sect came out to watch.

I saw that Demon Lord Gone was suspended in midair, with blood-colored lightning flashing above his head, and a terrifying aura constantly erupted from his body, sweeping the world.

This...

Seeing this scene, all the disciples of the Five Poison Sect were stunned, only their legs felt weak.

Is this the power of the rebirth of Your Excellency Demon Venerable?

Haha...

Bai Yunfei looked up at Gone's figure with excitement and madness in his eyes.

I did it, I really did it.

Mo Zun succeeded in giving birth, and he finally fulfilled his ancestor's last wish.

Whoosh!

Just when Bai Yunfei was very excited, he saw a slender figure in the air not far away, coming quickly.

The curves are graceful, and the delicate facial features reveal a bit of anxiety.

This chapter is provided by . Visit [for](#) daily update.

It is Nalan Wushuang.

Huh ...

Soon, Nalan Wushuang landed quickly and looked up at Gone in mid-air, his delicate body trembled, and his mind was a little messy.

What a terrifying breath, this figure...somewhat familiar.

At this time, Bai Yunfei came slowly and said with a smile, "Miss Nalan, why are you here? But you came just in time, do you see? This is the great Lord Mozun."

"Your Excellency Mozun, will take us with you. , Let's fight against God's Domain together..."

Nalan Wushuang didn't seem to hear Bai Yunfei's words, and his eyes were always on Gone in mid-air.

"This figure..."

After more than ten seconds, Nalan Wushuang reacted and murmured: "I think I have seen him, he was in a pool full of blood, and my mother seemed to be there at the time."

"..."

Nalan Wushuang covered his head in pain.

At this time, some incomplete fragments appeared in Nalan Wushuang's mind, and those fragments were exactly the scene of Nalan Qing's murder. It's just that Nalan Wushuang has not been able to connect these fragments together.

Speaking of which, it was impossible for Nalan Wushuang to take Wangyou Water, but at this time, he saw the Demon Lord Gone, and at the same time, under the shroud of his great power, the effect of Wangyou Water gradually disappeared, and then he remembered it. Some.

Memory restored?

Seeing this situation, Bai Yunfei frowned secretly, and then said with a fake smile: "Miss Nalan, since you are a little uncomfortable, why don't you go to the back and rest first."

Nalan Wushuang nodded, what happened to himself? Why all of a sudden, my mind is in a mess.

At this time, Nalan Wushuang did not realize that a catastrophe was waiting for her.

Soon, in a secret room at the back, Bai Yunfei suddenly shot and sealed Nalan Wushuang's acupuncture point.

"You..." Nalan Wushuang was furious.

Because he didn't fully recover, Nalan Wushuang still didn't understand how Bai Yunfei, who was an ally, suddenly attacked him.

Before she could finish speaking, Bai Yunfei laughed evilly and interrupted her words: "Miss Nalan, don't be nervous, I'm here to reunite you with your mother!"

At this time, Your Excellency Mozun has been reborn successfully. Xia Yinzong also has no value in using it.

Reuniting yourself with your mother?

Nalan Wushuang's delicate body trembled, and she had a bad premonition!

"Hehe!"

At this time, Bai Yunfei smiled, his tone full of teasing: "Miss Nalan, you haven't remembered it yet?"

After speaking, Bai Yunfei's face showed a trace of grimness: "Your mother doesn't It was not killed by Yue Feng, but was dedicated to His Excellency Mozun by me. Speaking of which, I have no grudges with your Xia Yinzong, and I even got your help. I shouldn't have done this. But who made your mother pure and innocent? What about the body of yin?"

"Now, Your Excellency Demon Venerable, has been reborn successfully, so I don't need to keep you anymore!"

Om!

At this moment, Nalan Wushuang's mind went blank! The whole person was stunned. Then, some fragments kept flashing in my mind, and finally they were connected together....

I remembered, and I remembered... In an

instant, with Bai Yunfei's reminder, Nalan Wushuang instantly thought of that time. The scene was filled with anger and grief in his heart, and his delicate body kept trembling.

It's him, all this is Bai Yunfei...

It was not Yue Feng who really killed his mother, but Bai Yunfei and Mozun...

I blamed Yue Feng and blamed him.

Chapter 3982

“Bai Yunfei!”

Under the grief and anger, Nalan Wushuang blushed and stared at Bai Yunfei: “You better kill me immediately, otherwise, I will not let you go!”

” The tragic death of her mother, Nalan Wushuang’s delicate body trembled, and her heart was cut like a knife.

“Begging to die?”

Facing Nalan Wushuang’s glaring glares, Bai Yunfei smiled contemptuously and said lightly, “You want to die, but I won’t let you die!” The

voice fell, Bai Yunfei took out a blood-colored elixir from his body and left. When he got to Nalan Wushuang, he opened her lips and quickly stuffed it inside.

It is the soul-devouring bloodworm.

Bai Yunfei planned to get rid of Nalan Wushuang directly, but after thinking about it, Your Excellency Mozun has just been reborn.

Gudong!

Bai Yunfei’s speed was very fast, and before Nalan Wushuang could react, the soul-eating bloodworm had already swallowed it.

“You... what did you give me to eat?” Nalan Wushuang shouted at Bai Yunfei in shock and anger.

Bai Yunfei sneered: “What are you nervous about? You’re not even afraid of death, but a small pill?”

Bai Yunfei’s tone became colder, staring at Nalan Wushuang: “The pill I gave you just now. In the medicine, there is a soul-devouring blood worm, which is hatched with the power of the demon soul

. Your life is in my hands now, I want you to die, you can die!”

What?

Hearing this, Nalan Wushuang’s pretty face changed, completely stupid.

“Miss Nalan!”

Looking at her expression, Bai Yunfei showed a smile: "I know you are not afraid of death, but you should also consider Xia Yinzong. Once the soul-devouring bloodworm attacks, you will lose your mind and be completely controlled by me!

" So, you better listen to me, otherwise, I will urge the soul-devouring bloodworm to use your hand to destroy the entire Xia Yinzong."

"You..."

Nalan Wushuang bit her lip tightly, I was about to bleed, I wanted to curse, but I held back.

She never thought that Bai Yunfei would be so insidious, to actually give herself the soul-devouring bloodworm and threaten the entire Xia Yinzong.

.....

At this moment, in the sky outside the Five Poison Sect.

Boom ...

As the breath of Demon Lord Gone's body became stronger and stronger, the sky and the earth were surging, black mist covered the sky, and the originally sunny weather suddenly became dark and gloomy.

Not only that, the entire continent of Kyushu, the earth trembled endlessly, the river stopped flowing... Everywhere the beautiful mountains and rivers became worse than the wild and strange land.

Phew...

Seeing this scene, all the disciples of the Five Poison Sect present trembled, completely stunned.

Boom!

Under the violent earth shaking, there was a roar in the canyon not far from the main altar of the Five Poison Sects, and I saw that the huge trapping formations that had been jointly deployed by the various sects were collapsing one after another.

This huge trapping formation was built to deal with the ancient poisonous scorpion at that time, and it turned into a pile of ruins in less than a few minutes.

"Roar!"

The trapped formation collapsed, the ancient poisonous scorpion inside let out a roar, and the huge body rose into the sky, heading straight for the Demon Lord Gone in the sky.

The ancient poisonous scorpion had a brutal temperament. As long as it encountered a living creature, it would take the initiative to attack, regardless of the identity of the opponent.

“Ouch...”

At the same time, the poisonous people who were trapped with the ancient poisonous scorpion also swarmed out at this time. These poisonous people, whose previous identities were all elite disciples of the Heavenly Dao League, were covered in their bodies at this time. With highly poisonous up and down, one by one lost their senses and turned into a group of monsters.

Oops!

Seeing this scene, many disciples of the Five Poison Sect changed their expressions greatly and were terrified.

So many poisonous people, out of control, can't imagine the consequences.

At the same time of shock, the eyes of many people are also looking at the sky.

I saw that the ancient poisonous scorpion flapped its wings, and the speed was lightning fast, and in the blink of an eye, it was in front of the Demon Lord Gone.

“Hooho...”

At this moment, the ancient poisonous scorpion opened its bloody mouth, and at the same time it roared, it also sprayed out a cloud of poisonous mist, shrouding the Demon Lord Gone.

It's just that those poisonous mists were blocked by an invisible protective film when they reached the Demon Lord Gone.

At this time, the Demon Lord Gone, with absolute contempt in his eyes, sneered at the ancient poisonous scorpion: “I have always been a small poisonous insect, and dare to be presumptuous in front of the deity? Get off me.”

Chapter 3983

Om!

As soon as the voice fell, the Demon Lord Gone raised his hand and hit it with a palm, and saw a blood-colored palm shadow roaring out.

This palm shadow became bigger and bigger, and when it came to the ancient poisonous scorpion, it was several hundred meters in diameter, carrying a terrifying power.

puff.

At the moment of landing, the ancient poisonous scorpion let out a wailing, and its huge body smashed to the ground, like a mountain collapsing, and the surrounding dust was filled with smoke.

Wow...

Seeing this scene, all the disciples of the Five Poison Sect were stunned for a moment, and then burst into cheers.

As expected of the Demon Venerable, with just one move, the terrifying ancient poisonous scorpion was severely damaged.

At this time, the Demon Lord Gone quickly landed on the head of the ancient poisonous scorpion, and said proudly: "If you offend the deity, it should have killed you, but it is not easy for you to live from the ancient times to the present. Moreover, The deity has just been reborn, and it is the time to employ people, so from now on, you can do things for me." The

voice fell, and the Demon Lord Gone cut his fingers and dripped a drop of blood on the top of the ancient poisonous scorpion's head.

"Hooho..."

The moment the blood dripped on the top of his head, he saw the eyes of the ancient poisonous scorpion flickering with intense panic, and at the same time, the huge body twitched continuously.

After a few minutes, the ancient poisonous scorpion calmed down and was no longer so violent. The huge body was crawling in front of the Demon Lord Gone, looking extremely docile.

This...

At this moment, everyone present was dumbfounded.

Just two tricks to conquer the terrifying ancient poisonous scorpion?

The strength of this Demon Lord is simply too perverted.

“Haha...”

At this moment, a figure flew over quickly, with endless excitement and excitement on his face, it was Bai Yunfei.

When he got to the front, Bai Yunfei respectfully said to Demon Lord Gone:
“Congratulations, Your Excellency, you have conquered the ancient poisonous scorpion so smoothly.”

Facing Bai Yunfei’s flattery, Demon Lord Gone’s face did not show the slightest emotional fluctuation, and said lightly. : “It’s just a poisonous insect, nothing to make a fuss about.”

After speaking, the Demon Venerable motioned Bai Yunfei to approach, and taught a few formulas: “This is the formula to control the ancient poisonous scorpion. With it, you can rule the continent of Kyushu, just around the corner!”

Bai Yunfei remembered a good formula, and was inexplicably excited: “This subordinate must live up to the expectations of Your Excellency Mozun.”

After speaking, Bai Yunfei thought of something, and asked curiously: “Mozun passed the formula to me, do you want to leave Kyushu?”

“Haha!” The

Demon Lord Gone smiled faintly, looked up at the cloud-covered sky above his head, and said with a playful expression: “Kyushu is just a little trouble for the deity, only by completely subverting the realm of the gods can we be considered a complete success. With

that said, the Demon Venerable exhaled softly and continued: “I heard from you before that the Nine Heavens God wants to marry his daughter, so the deity naturally wants to join in the fun.”

Buzz

.... I saw a powerful aura vibrating, coming from the layers of dark clouds.

Feeling this movement, Bai Yunfei looked up subconsciously.

hiss!

Seeing this, Bai Yunfei’s heart was shocked, and he couldn’t help taking a breath of cold air.

I saw hundreds of thousands of troops coming from the sky, wearing uniform golden armor. Hundreds of thousands of troops were suspended in mid-air, covering the sky and the sun, and the burst of breath caused the air to distort.

The headed one, wearing purple-gold armor, is full of divine power and majestic!

It is Haotian Shenjun.

What the hell!

Seeing this scene, Bai Yunfei's expression changed and he was shocked.

There are so many divine soldiers and generals in this divine domain?

Demon Lord Gone, on the other hand, looked indifferent.

"Mozun Gonie?"

At this time, Haotian Divine Sovereign stared at Mozun Gonie, unable to hide the shock in his heart: "You have been reborn successfully!"

At this time, Haotian Divine Sovereign was very shocked.

In his cognition, he always thought that the Demon Lord Gone had only obtained the body of pure yang, but had not obtained the body of pure yin, so he was still full of confidence when he was assigned to Kyushu by the Nine Heavens God.

At this time, seeing the successful rebirth of the Demon Lord Gone, the Haotian Divine Sovereign buzzed and was completely stunned.

However, Divine Sovereign Haotian had an extraordinary status, he quickly calmed down, and shouted at Demon Lord Gone, "Gonie, the way of heaven is magnificent, even if you are reborn successfully, you are not an opponent of God's Domain. I advise you to be obedient and capture it!"

"Haha."

Demon Lord Gone frowned, and the corners of his mouth raised a trace of disdain: "You are the nephew of the Nine Heavens God, Haotian God Sovereign, right? I've heard of you, although you have a detached status in the God's Domain, but you are not qualified to speak to me.

"Zungone didn't even care about the Nine Heavens God, so naturally he didn't take Haotian God Lord seriously.

Chapter 3984

Swish!

When the words fell, Bai Yunfei couldn't help but take a step forward and shouted at the Haotian God: "What are you? Dare to talk to Your Excellency Mozun like this?"

Mad!

Being ignored by the Demon Lord Gone, Haotian Divine Sovereign was already very annoyed. At this time, when he heard Bai Yunfei's clamor, he immediately became furious and shouted angrily: "You are courting death!" The

voice fell, Haotian Divine Sovereign exploded with divine power, and his figure turned into a streamer. Fly directly towards the white clouds.

hum!

In the blink of an eye, Divine Sovereign Haotian arrived in front of Bai Yunfei, raised his hand and waved, a purple-gold spear condensed out, bursting out with a dazzling light, stabbing Bai Yunfei's heart.

Bai Yunfei snorted coldly, mobilized the power of the demon soul, and attacked, blocking the attack of Haotian Divine Sovereign!

"Boom!"

In an instant, the two figures collided fiercely, making a loud noise, Bai Yunfei's face turned pale, he was shocked back dozens of steps, and a mouthful of blood spurted out!

Although Bai Yunfei has a demon soul and is powerful, unmatched in the Kyushu Continent, but facing the Haotian Divine Monarch head-on, it is still a bit inferior!

After all, Haotian Divine Sovereign is the existence of God in the Divine Realm, second only to Jiutian God in status and strength. The background is simply not comparable to Bai Yunfei.

Nima!

Bai Yunfei stabilized his figure, his face extremely ugly.

The strength of this Haotian Divine Sovereign is so terrifying?

He wanted to show off in front of Demon Lord Gone, but he didn't expect Haotian Divine Sovereign to be so powerful.

"Remains of the Demon Race, die!"

At this moment, Haotian Shenjun howled, his eyes locked on Bai Yunfei, and he rushed again.

Whoosh!

At this moment, the figure of Demon Zun Gone flashed and blocked in front of Bai Yunfei.

“With this little strength, I dare to be presumptuous in front of this deity.” An icy voice came from the mouth of Demon Lord Gone.

Originally, the Demon Lord Gone was disdainful of taking action.

But seeing Divine Sovereign Haotian seriously injuring Bai Yunfei in front of him, he suddenly became angry.

hum!

The voice fell, and a terrifying aura burst out from the body of Demon Lord Gone, sweeping towards the surroundings. In an instant, the sky and the earth were shrouded in a blood mist.

What a terrible breath!

Is this the power of Ma Zun after he was born?

At this moment, not only the Haotian Divine Sovereign, but also the hundreds of thousands of divine soldiers and generals around were dumbfounded, and their hearts were extremely shocked.

Demon Lord Gone did not talk nonsense, raised his hand and waved, and a bloody light burst out.

Haotian Divine Sovereign had no time to react at all, and the whole person was hit by the red light.

“Pfft...”

Haotian Shenjun groaned, his primordial spirit was severely injured, and the burly figure was directly shaken and flew out, flying a few hundred meters away, and finally landed on a hill, his face pale and extremely weak .

What? !

one move? !

With just one move, he severely damaged the famous Haotian Divine Sovereign?

Seeing this scene, the hundreds of thousands of divine soldiers and generals suspended in mid-air were stunned and couldn't help gasping for air!

puff...

At this moment, Divine Sovereign Haotian struggled to get up, staring closely at Demon Lord Gone, his eyes flashing with anger, and at the same time his heart was a little complicated.

It's over, it's over.

I thought that the Demon Lord Gone was still short of a pure yin body to be reborn, but he never expected that he would get both the pure yang body and the pure yin body. ..

"Take it!"

Thinking to himself, Haotian Shenjun issued an order to hundreds of thousands of soldiers and generals.

Whoa!

As soon as the words fell, hundreds of thousands of divine soldiers and generals burst out with divine power, attacking the Demon Lord Gone.

Demon Lord Gone snorted coldly, raised his hand gently, and rushed to the thousands of gods and soldiers in front of him. Before he could react, he was shocked and flew out by a terrifying force.

In the next second, Demon Zun Gone turned around and went directly to Divine Sovereign Haotian. He said coldly, "I was about to go to the Divine Realm, and you came over. Just in time, borrow your Purple Gold Divine Armor to use it."

When he said this, Demon Lord Gone volleyed and grabbed the purple gold armor of Haotian God, and then sealed Haotian God's Primordial Spirit.

After doing this, Demon Zun Gone commanded to Bai Yunfei: "The formula to control the ancient poisonous scorpion has been passed on to you, and it is not a problem to use it to hold the nerves of these

magical soldiers." Flash, disappeared into the rolling dark clouds.

At this moment, Bai Yunfei did not hesitate at all, and hurriedly recited the formula.

"Roar!"

At the moment when the formula sounded, the ancient poisonous scorpion let out a roar, and its huge body rushed towards hundreds of thousands of divine soldiers.

“Is this the ancient poisonous insect?”

“This thing is highly poisonous, everyone be careful.”

Chapter 3985

Facing the impact of the ancient poisonous scorpion, hundreds of thousands of gods and soldiers disappeared in an instant, and all of them were shocked.

“Ah!”

For a while, the sound of fighting and screams intertwined, constantly echoing over the entire Five Poison Sect.

...

the other side! Ouyang family!

With the help of Bai Long, Wen Chou Chou and the others successfully returned to Zhongzhou City.

At this time, in the hall, Wen Chou Chou gathered together to discuss the situation in front of him.

“Fengzi went to Shengzong, and I don’t know what happened.” Wen Chou Chou sighed, his face full of worry.

Phew...

The voice fell, and everyone around Ren Yingying and Sun Dasheng frowned.

hum!

Just when everyone was secretly anxious, suddenly, they sensed the ground under their feet, and there were bursts of violent vibrations! It was as if the world had collapsed!

shit.

what’s the situation?

Wen Chou Chou was taken aback and hurriedly walked outside. Ren Yingying followed closely behind.

When they got outside, everyone was shocked and inexplicable when they saw the scene in front of them.

I saw that the sky was densely covered with dark clouds, and a blood-colored fog enveloped the sky and the earth, and in the direction of Xicang Continent, blood-colored lightning flashed continuously in the clouds.

Feeling the blood-colored fog shrouded in the sky and the earth, everyone felt a sense of panic.

At this time, Wen Chou Chou saw the blood-colored lightning in the distance, and couldn't hide his deep shock: "With such a terrifying evil spirit, could it be that the Demon Lord was born?" The

Demon Lord was born?

Hearing this, everyone in Ren Yingying was shocked.

In the next second, Ren Yingying said: "But Yue Feng said before, wasn't that Demon Venerable sealed in the Magic Sealing Mirror? Even if he leaves the Magic Sealing Mirror, it's just a stray thought. In this case, how can he be reborn? ?"

Sun Dasheng and everyone were also puzzled.

At this time, Ren Yingying and everyone still didn't understand what conditions were needed for a demon to respect life.

Phew...

Wen Chou Chou took a deep breath and looked solemn: "No matter what the situation is, we must rush to the Five Poison Sect!"

...

On the other side, the Southern Cloud Continent.

Inside the splendid palace.

Long Qianyu stood at the door of the main hall and looked at the sky.

Behind her were the civil and military officials, as well as some royal guards. At this time, they looked at the sky in the distance, and their hearts were shocked.

In the past year, although the rivers and lakes of Kyushu have been surging, Long Qianyu did not intervene, but took the opportunity to continuously cultivate the power of the Nagumo royal family.

Just now, Long Qianyu called the civil and military officials to deal with the affairs of the state, and suddenly the mountain shook.

At this time, the blood-colored mist covered the sky and the earth in the direction of Xi Cang Continent, and everyone was stunned by such a vision.

Long Qianyu frowned, and said slowly, "Such a strange vision of heaven and earth must be related to that Demon Venerable."

Demon Venerable?

Hearing this, the civil and military officials behind them looked at each other and took a deep breath.

It is said that the Demon Venerable is not even afraid of the Nine Heavens God of the God Realm, and rebirth in Kyushu at this time will definitely set off a bloody storm.

"Immediately order the Imperial Forest Army."

At this moment, Long Qianyu's eyes flashed with determination: "Go to Xicang Continent to investigate the situation..."

"Yes!" The

voice fell, and the civil and military officials responded in unison.

A few minutes later, hundreds of thousands of Imperial Forest troops set off in a mighty manner, rushing towards the Xi Cang Continent.

...

on the other side, God's Domain.

Yuyao Xianyuan!

Yuyao Xianyuan is a private garden where Jiutian God and Empress Hua Zhao rested. The environment is beautiful and magnificent. Under normal circumstances, without the permission of Jiutian God, even high-ranking priests cannot easily enter.

Therefore, Yuyao Xianyuan has always been a quiet place. Today, Yuyao Xianyuan is extraordinarily lively.

Because today is the wedding day of Princess Dongling and Yue Feng, and the wedding will be held in Yuyao Xianyuan.

I saw that at this time, the Yuyao Xianyuan was lit up everywhere, and the garden behind the Xianyuan was even more crowded.

This time Princess Dongling's wedding, not only all the priests' dojos, but also some masters who retreated and practiced Taoism, also came.

I saw that in the center of the garden, there was a huge wedding table. The wedding table was carved from a whole piece of colorful jade, with dazzling glaze and dazzling light, surrounded by strange flowers and plants.

In the air, all kinds of strange birds are constantly circling and soaring, and it seems that they are also witnessing a beautiful moment.

To the north of the wedding table, there are two thrones, on which sit the Nine Heavens God and Empress Hua Zhao.

The ultimate husband in Chinese chapter 3986-3990

Chapter 3986

saw that the God of the Nine Heavens is dressed in a golden dragon robe, which is very powerful, and Empress Hua Zhao is also dressed in a gorgeous phoenix robe, which sets off the charming curves and at the same time shows the royal majesty.

Although it was a major event in his daughter's marriage, the Nine Heavens God did not have too many smiles on his face.

He already had an opinion on Yue Feng, and betrothing his daughter to Yue Feng was even more helpless. Under such circumstances, there was naturally not much joy.

But Empress Hua Zhao was full of smiles. No matter what, today is her daughter's big day, so she should be happy no matter what.

At this time, all the guests on the seats on the two sides below have basically arrived.

I saw that the one sitting in the first place on the right was Guiguizi.

At this time, Guiguizi, wearing a purple robe, immortal style, had a bit of relief and joy on his face.

I thought that the conflict between Yue Feng and Jiutian God would be the best, but it was the best that Yue Feng would marry Princess Dongling.

The so-called enemies should be resolved but not, but Yue Fengneng and Jiutian God have resolved their past suspicions. Guiguizi, who is a master, is naturally very happy.

“Congratulations, Your Majesty, congratulations, Your Majesty!”

“Today, the princess is very happy, and I take this opportunity to congratulate Your Majesty!”

At this moment, all the guests congratulated the Nine Heavens God and Empress Hua Zhao.

Hearing the congratulations, Empress Hua Zhao couldn't help smiling, and she was indescribably happy.

At this moment, the master of ceremonies came out slowly with a smile on his face. He first bowed to the God of the Nine Heavens, and then looked around: “The auspicious time has come, and the concubine and the princess are invited to enter!

” ”

This chapter is provided by . Visit for daily update.

As soon as the voice fell, I saw more than a dozen colorful phoenixes flying in the sky. These colorful phoenixes chirped in unison, and then opened their mouths and spewed out brilliant flames. In an instant, the entire sky was colorful.

This scene is even more shocking than tens of thousands of fireworks.

In the eyes of everyone, I saw a road formed by auspicious clouds, slowly extending, and then, Yue Feng and Princess Dongling walked side by side, stepping on the auspicious clouds and slowly walked out.

I saw that at this time, Yue Feng, wearing a red concubine's robe, was indescribably wise and martial.

Facing the envious eyes around him, Yue Feng had a smile on his face, but his heart was extremely bitter.

This wedding, Yue Feng was completely forced, how did he feel better?

Next to her was Princess Dongling, who was wearing a long red dress with patterns of dragons and phoenixes embroidered on it.

And like Yue Feng, Princess Dongling also forced a smile.

After being abandoned by Gong Ao, Princess Dongling's heart was ashes, and she had almost no feeling for the grand wedding in front of her.

call!

Under everyone's attention, Yue Feng and Princess Dongling came to the wedding stage.

"One day worship!"

At this moment, the master of ceremonies looked at the time, smiled and shouted.

Yue Feng and Princess Dongling held hands and bowed three times to Jiutian.

When bowing to Jiutian, Yue Feng was calm on the surface, but he couldn't tell the bitterness in his heart. After three times and nine bows, he and Princess Dongling were the real husband and wife.

But Princess Dongling didn't like her at all, and she didn't have any feelings for her either.

How does this work?

At this time, the master of ceremonies cleared his throat and prepared to shout a second time.

"Oh, there is really a wedding!"

However, at this moment, a playful voice was heard from the gate of Yuyao Xianyuan.

Swish!

Hearing the voice, whether it was Yue Feng, the Nine Heavens God, and the guests present, they turned their heads and looked over.

I saw a burly figure coming from the sky, dressed in purple gold armor, majestic.

It was the Demon Lord Gone.

However, at this time, the Demon Lord Gone was wearing the armor of the Haotian Divine Sovereign, and at the same time became the appearance of the Haotian Divine Sovereign. Speaking of which, the Demon Lord Gone had planned to make a big fuss about the wedding, but after thinking about it, he decided to impersonate the God of Haotian and play with the God of Nine Heavens.

Wow...

Seeing "Haotian Divine Sovereign", there was an uproar in the entire wedding scene.

"God Haotian?"

“Isn’t he in Kyushu, dealing with Demon Venerable? Why did he come back suddenly?”

“Yeah, it seems that he is very dissatisfied with this wedding.” As

the surrounding discussions came, Jiutian God also looked on his face . Gloomy, looking at ‘Haotian Divine Sovereign’, he said coldly, “Haotian, I asked you to watch Demon Zun in Kyushu, why are you back?”

Empress Hua Zhao next to her was also displeased. When the salute is interrupted, it is very unlucky.

At this time, the Nine Heavens God, and all the guests present, have not noticed that the person in front of him is not the Haotian Divine Sovereign at all, but the Demon Venerable in disguise.

Chapter 3987

Seriously, if someone impersonates, the Nine Heavens God and many guests can recognize it at a glance, after all, this is the realm of the gods. However, the Demon Lord Gone is powerful, and the Disguise Technique is unparalleled in the world.

More importantly, the Demon Lord Gone is wearing purple gold armor, and the purple gold armor is a symbol of the status of Haotian Divine Sovereign.

At this moment, Empress Hua Zhao calmed down, looked at Demon Zun Gone and said, “Haotian, your Majesty is asking you something! Why don’t you answer truthfully?”

Huh!

Demon Lord Gone’s eyes flickered, and then he showed a smile, pretending to be very respectful: “Your Majesty, Empress, please forgive me for being abrupt, my subordinate has just won a major victory in Kyushu, and I am very excited, so I will come back quickly to announce the good news.

”, Mozun Gone looked at the two Yue Fengs on the wedding stage, and continued: “I forgot that the princess is getting married today.”

Hearing this, Jiutian God’s face softened and asked: “What major victory, Let’s hear it.” Compared with Princess Dongling’s wedding, the God of Nine Heavens is more concerned about the Demon Lord’s affairs.

Swish!

At this moment, many of the guests present also looked closely at the Demon Lord Gone.

Yue Feng was also inexplicably excited. If the Demon Lord Gone was suppressed, it would be great, and Kyushu would be spared a catastrophe.

Seriously, whether it is God's Domain or Demon Venerable, Yue Feng doesn't like it much, but in contrast, he still prefers God's Domain in his heart. After all, Demon Venerable is too evil. Kyushu is also a catastrophe.

While muttering in his heart, Yue Feng looked at the 'Haotian Divine Sovereign' in front of him, and had a feeling he couldn't tell.

There is something wrong with this 'Haotian Divine Sovereign', but I can't tell what is wrong.

"His Majesty!"

Just when Yue Feng was thinking about it, he saw the Demon Lord Gone slowly walking up and said to the Nine Heavens God: "At that time, the Demon Lord was hiding in a sect called the Five Poison Sect, and his subordinates led the army to besiege the Five Poison Sect. At the time, the Demon Venerable was merging with the body of pure yang, but it was interrupted by his subordinates in time."

"The fusion of the pure yang body of the Demon Venerable was interrupted, and he was backlashed. He was very weak, and his subordinates took the opportunity to grab the seal. The magic mirror, and sealed the Demon Venerable in the forbidden area of the Five Poison Sect."

Wow!

Hearing this, there was an uproar in the audience, all eyes focused on Demon Lord Gone, revealing deep admiration and excitement.

As expected of Divine Sovereign Haotian, the matter of Demon Venerable was settled so quickly.

At the same time, the Nine Heavens God is also full of joy, and his mood is extremely comfortable.

You must know that the matter of Demon Lord Gone has always been a thorn in the heart of Jiutian God. After the magic mirror was snatched from the ghost world, Jiutian God's heart has been hanging.

After all, Demon Venerable's strength is terrifying, even if the Nine Heavens God personally goes out, he is not an opponent!

At this time, Haotian Divine Sovereign has solved this biggest hidden danger, can you not be excited?

“Haotian, is the place where you sealed the Demon Lord, is it safe?” Jiutian God looked closely at the Demon Lord Gone and asked.

Although his heart was uplifted, Jiutian God still maintained some caution. Demon Venerable Gone smiled: “Don’t worry, Your Majesty, Demon

Venerable has been trapped by his subordinates, it is difficult to fly, and there are hundreds of thousands of gods and soldiers around him guarding him, he can’t run!”

Zungone had a smile on his face, but his eyes were cold.

“Ha ha...”

Hearing this, Jiutian God couldn’t hide his excitement, nodded in approval and said: “Okay, very good, Haotian, you really did not disappoint me, Demon Venerable lost the chance to be reborn, and our God Realm can be considered to have no hidden worries.”

Speaking, what did Jiutian God think of, and continued: “By the way, what about the magic mirror?”

“It’s on the subordinate.” The

Demon Lord Gone responded, and then slowly stepped forward and took out a mirror from his body. Presented to the God of the Nine Heavens.

It’s the magic mirror.

After the Demon Lord Gone left the sealed magic mirror, this treasure was worthless, and it was just used to gain the trust of the Nine Heavens God.

When Jiutian God got the magic mirror, he was in a better mood and waved his hand: “Come on, give a seat to Haotian God!”

After saying this, Jiutian God said to Demon Lord Gone: “Haotian, you have done a great job this time. Today’s wedding in Dongling, I must drink a few more glasses, and when the wedding is over, I will reward you well.”

Chapter 3988 The

voice fell, and several maids had prepared their seats, right next to the Nine Heavens God.

Haotian Divine Sovereign’s status in the Divine Realm was originally second only to Jiutian God, and it was natural to sit next to Jiutian God.

“Thank you, Your Majesty, Hong En!” The Demon Lord Gone was grateful and sat down unceremoniously.

Whoa!

Seeing this scene, the surrounding guests saluted the Demon Lord Gone in unison, and congratulated them one by one.

“God is mighty!”

“Congratulations to God for successfully subduing Demon Venerable!”

“It’s really a blessing for me to have a heavenly general like Divine Lord guarding me...”

Compliments from the surroundings kept coming, Demon Venerable Gone was sitting there, smiling. language.

This time, Yue Feng, who was standing on the wedding stage, was feeling ups and downs, very depressed.

I thought that the sudden arrival of ‘Haotian Divine Sovereign’ would interrupt the wedding, but now it seems that I am still too naive.

“Okay!”

At this time, the Nine Heavens God slowly raised his hand and said lightly, “Everyone, be quiet.” After saying that, he motioned to the master of ceremonies to continue presiding over the wedding.

Upon receiving the signal, the master of ceremonies hurried up, but when he was about to speak, his face suddenly changed, and then his legs became weak and he slumped on the ground.

what happened?

Jiutian God’s face sank, and he was about to scold, but his brows were suddenly furrowed.

Strange, it was fine just now, why suddenly felt weak and unable to exert any strength?

Not only that, the power of the primordial spirit in the body was also suppressed by a strange force. This... This seemed to be a sign of poisoning. For a time, the Nine Heavens God trembled faintly, and he couldn’t sit still.

And Empress Hua Zhao next to her, her delicate face also showed a trace of paleness.

Like the Nine Heavens God, Empress Hua Zhao was also weak all over.

“Hehe!”

At this time, the Demon Lord Gone, who was sitting there, tilted his head to look at the Nine Heavens God, and said with a half-smile, “Your Majesty, are you uncomfortable?”

At the same time as he spoke, there was a hint of playfulness in his eyes.

Nine Heavens God was shocked and inexplicable. Just as he was about to speak, he was interrupted by the Demon Lord Gone.

Demon Lord Gone stood up slowly and said lightly: “Your Majesty, do you feel that your whole body is weak and weak, and your primordial spirit is suppressed? You can’t exert any strength?”

” Hearing this, Jiutian God’s face changed suddenly, and he looked at him in shock

and anger: “Haotian, what the hell is going on?” Very proud: “What’s the matter? You are still God of the Nine Heavens, and you don’t even know when you were poisoned.” What? Jiutian God was shocked and angry, and his heart was also extremely shocked. He really was poisoned, but...what the poison is so powerful, he didn’t even notice it at all! Seeing the expression of God in the Nine Heavens, the Demon Lord Gone became more and more complacent, and pointed to the magic mirror placed beside him: “This magic mirror was contaminated with ‘Tianluosan’ before. Your Majesty should have heard of this kind of poison.” Tian Rose! ? Hearing these three words, Jiutian God was completely stunned as if struck by lightning.

Tianluosan is rumored to be a type of poison that only demons can cast.

Tens of thousands of years ago, when the gods and demons were fighting, the demons used Tianluosan, which led to the fall of many gods. Repression is very evil.

It’s just... the Demon Lord Gone has been caught, how can there be Tianluosan poison on this magic mirror?

“You...”

Under the shock in his heart, the God of Nine Heavens stared at the Demon Lord Gone coldly: “You are not Haotian... in the end...” Before he finished speaking

, he saw the “God Haotian” in front of him. Jun’, his face changed a little bit, and finally he turned into the appearance of the Demon Lord Gone. In an instant, the Nine Heavens God was extremely shocked, his mind was buzzing, and it was blank.

He... he is the Demon Lord?

What the hell!

At the same time, the surrounding guests, as well as Yue Feng, were also stunned.

Especially Yue Feng, looking at the Demon Lord Gone, his mind was messy, and at the same time, he was a little surprised.

No wonder how you look at this Haotian Divine Monarch, why do you feel that something is wrong, it turns out that he is faked by Demon Venerable.

The surrounding guests were shocked, and they all responded quickly. ” Demon Lord Gone?”

“You dare to use such despicable means against His Majesty...”

“It’s too wild, do you think that our God’s Domain is uninhabited?”

Come up, we must unite to deal with the Demon Lord Gone.

Ha ha!

Seeing this scene, Demon Zun Gone didn’t panic at all, looked around, and said coldly and proudly: “I dare to break in alone, and I’m not afraid of your siege, this day, Luosan’s poisonous, nine-day gods have been recruited, Do you think you can escape?”

Chapter 3989

After finishing the last word, the expressions of the surrounding guests changed drastically.

“My primordial spirit has been suppressed...”

“Me too...” Amidst the

exclamations, many guests slumped on the ground!

At the same time, Yue Feng was also weak all over, sitting on the ground with his buttocks, Tian Luo San was so poisonous that even the Nine Heavens God could not resist, let alone Yue Feng.

“You...”

Seeing this scene, Jiutian God was so angry that he almost exploded with anger, staring at the Demon Lord Gonie: “Gonie, what do you want?”

” At the wedding, he was caught in the trick of the Demon Lord Gone, what will be the dignity in the future?

“Haha...”

Demon Lord Gone looked up to the sky and smiled, with a bit of resentment in his eyes: “In the war between gods and demons, my demons were killed and injured, and I managed to escape, wandering for thousands of years outside the nine heavens, After that, I was trapped in the magic mirror by the immortal ancestor of the Great Desolation. After so many years of hatred, what do you think I would do?” As he

spoke, the corner of Demon Venerable’s mouth evoked a hint of abuse: “But don’t be nervous. , I won’t destroy all of you today, it’s too boring, and I’m not relieved.” The

last word fell, Mozun’s figure flashed, and when he reached the wedding stage, he grabbed Princess Dongling’s wrist.

“You...”

Princess Dongling was very frightened and cried, “Let me go, let me go...” While shouting, she tried to break free, but she was also hit by Tianluosan, and her delicate body was sore. Powerless, unable to break free.

At the same time, the surrounding guests also opened their mouths to stop it.

“Let go of the princess...”

“Shut up!”

“Dignified Demon Venerable, is it only such a despicable method?” The

surrounding angry shouts kept coming, and Demon Venerable Gone didn’t seem to hear it.

In the next second, Demon Zun Gone looked closely at the Nine Heavens God and said word by word, “Aren’t you going to marry your daughter today? I’ll take your daughter away and give it to my subordinates.”

“You God Realm God of God, always believes that he represents justice, and our demons are evil, then I will trample your so-called justice under my feet. Hahaha...” The

last word fell, and the devil Gone laughed. He took Princess Dongling to the sky and disappeared from sight in the blink of an eye.

“Goni!”

Seeing this scene, Jiutian God was furious, roared, and fainted directly.

On the day of her daughter's big wedding, she was taken away by Demon Venerable, and Demon Venerable threatened to give her daughter to his subordinates, such a humiliation that no one else could bear. Phew

... At this moment, Yue Feng looked at the direction in which the Demon Lord Gone disappeared, and his heart was extremely complicated. Princess Dongling fell into the hands of Demon Venerable, and these were troublesome. Although Yue Feng didn't want to marry Princess Dongling in his heart, he also didn't want to ruin the wedding in this way. ... on the other side, Kyushu! Near the Five Poison Sect, the fierce battle continues. Speaking of which, it is quite easy for hundreds of thousands of divine soldiers and generals to deal with a small Five Poison Sect.

However, on the side of the Five Poison Sect, not only Bai Yunfei, the supreme powerhouse, was assisted, but also a huge ancient poisonous scorpion, plus tens of thousands of poisonous people.

Under such circumstances, it is difficult to say that the Five Poison Sects will be completely annihilated with hundreds of thousands of divine soldiers. On the contrary, under the poisonous attack of the ancient poisonous scorpion, the formation of these divine soldiers and generals was completely disrupted.

At this time, in the battlefield, a slender figure was particularly eye-catching, shuttled among dozens of divine soldiers and generals, like a smart butterfly.

It is Nalan Wushuang.

To be honest, Nalan Wushuang didn't want to help Bai Yunfei even though he hated God's Domain.

Nalan Wushuang is not afraid of death, but also does not want Xia Yinzong to be destroyed.

"Withdraw!"

"Quickly withdraw!"

Finally, under the poisonous mist attack of the ancient poisonous scorpion, many divine soldiers and generals were exhausted, howling and fleeing into the distance.

Some people took the lead in fleeing, and the remaining god soldiers lost the courage to continue fighting, and they all collapsed, and they all ran away in the blink of an eye.

Whoa!

Seeing this scene, the disciples of the Five Poison Sect immediately cheered.

Bai Yunfei was suspended in mid-air, a smile appeared on his face, and arrogance flashed in his eyes. So what about God's Domain, isn't it a slap in the ass?

Chapter 3990

At this moment, Nalan Wushuang urged the figure to fly over.

When they got to the front, Nalan Wushuang respectfully said to Bai Yunfei: "Sect Master, the enemy has retreated, I want to ask for instructions."

Bai Yunfei nodded: "Let's talk.

"I escaped from the forbidden area. When I came to ask for help, I sent people from Xia Yinzong to track the movements of the Ouyang family." Nalan Wushuang bit his lip and said softly, "Now that a day has passed, I must have found it. The Ouyang family."

"I want to destroy the Ouyang family first, and then bring all the members of the Xia Yin Sect to join the Five Poison Sect and the Sect Master. When the time comes, I will do my best to help the Sect Master fight the God Realm."

When he said this, Nalan Wushuang surfaced. Respectfully, complexion flashed in his eyes.

After knowing the truth of his mother's tragic death, Nalan Wushuang hated Bai Yunfei to the core, and it was impossible for him to help him deal with God's Domain. He said this just to escape.

Hearing this, Bai Yunfei pondered for a while, nodded and said, "Okay, when you destroy the Ouyang family, quickly bring Xia Yinzong to join me."

Hmm!

Nalan Wushuang nodded, and after saying goodbye to Bai Yunfei, he turned and left.

....

on the other side, Kyushu!

Located at the junction of Xicang Continent and Diyuan Continent, there is a mountain range that stretches for hundreds of miles, called Fuluo Mountain.

At this time, on the official road at the foot of Mount Fuluo, there are two waves of people confronting each other!

There was a smell of gunpowder in the air.

One of them is the followers of Xia Yinzong, led by Elder Huo!

Opposite Xia Yinzong, it was Wen Chou Chou, Ren Yingying, Ye Zhi Xin and others.

Half an hour ago, Wen Chou Chou led the crowd to the Five Poison Sect. After passing through the Fuluo Mountain area, they happened to meet the members of the Xia Yin Sect. Previously, the Ouyang family was trapped in the cave by Xia Yinzong, and almost died in the mouth of the dragon. When they encountered it here, the smell of natural gunpowder was full.

Swish!

At this moment, Elder Huo was suspended in the air, and his eyes fell on Sun Dasheng and Wen Chou Chou: "Sun Dasheng, Wen Chou Chou, let's see where you are going this time!"

When he said this, Elder Huo couldn't hide his inner anger!

Before throwing the Ouyang family in the cave, I thought they would be hard to fly, but I never thought that the Jiaolong in the cave, not only did not hurt them, but also said that they were successfully brought out. This is a shame for Xia Yinzong. .

Now that I meet the Ouyang family again, how can I easily spare them?

"Elder Huo!"

Wen Chouchou took a deep breath, looked at Elder Huo and said, "Fengzi said before your predecessor's death that something was wrong, he was framed, I hope you can calm down and don't take a step. Wrong, wrong step by step!"

Hehe...

Hearing this, Elder Huo sneered.

The followers of the Xia Yin Sect behind them all looked gloomy and cold, apparently not listening to Wen Chou Chou's words at all.

Mad!

Seeing this scene, Sun Dasheng couldn't bear it anymore and shouted: "Brother Wen, these people are dead brains, don't talk nonsense with them!"

After speaking, Sun Dasheng shouted at Elder Huo: "Ma De, you guys Xia Yinzong, don't deceive people too much, we have said before that this matter is a

misunderstanding, and you still have to press it step by step, do you really think we are afraid?

Sun Dasheng's fiery personality was almost instantaneous. At this time, he could no longer hold back the anger in his heart, and suddenly burst out: "The account that you left us in the cave before has not been settled! If you want to fight, let the horse come over, Don't talk nonsense."

Oh!

The last word fell, and Sun Dasheng's dantian's inner strength exploded, holding the opening axe tightly, and was about to rush up.

"Great Sage!"

At this moment, Wen Chou Chou grabbed him, his face full of anxiety: "Don't be so impulsive, this matter was originally a misunderstanding, if we really want to fight, the misunderstanding can't be solved! You forget How did you explain when Feng Zi was leaving?"

Wen Chou Chou was very speechless at this time.

For many years, this great saint's violent temper has not changed.

"Haha..." In the face of Sun Dasheng's clamor

, Elder Huo was also completely angry, and said coldly: "Very good, it seems that you are quite confident in your own strength, okay, then I will fulfill you!"

The elder's internal strength exploded, and a scorching breath burst out in an instant, and the surrounding air was instantly distorted.

The ultimate husband in Chinese chapter 3991-4000

Chapter 3991

Buzz!

At the same time, the Xia Yinzong followers behind them also exploded in strength one after another.

“Stop!”

Seeing that the two sides were about to fight, suddenly, there was a coquettish shout, and then, a figure appeared in the sky, it was Nalan Wushuang.

“Sect Master!”

“Here comes the Sect Master...”

Seeing Nalan Wushuang, Elder Huo, and members of the Xia Yin Sect, they were all excited and shouted. When the head came back, the strength of Xia Yinzong had soared, and the people of the Ouyang family could hardly fly.

Oops!

At this moment, Wen Chou Chou and Ren Ying Ying’s heart skipped a beat, and their faces became solemn.

It’s just the people like Elder Huo and Xia Yinzong, the Ouyang family still has the strength to fight. Now that Nalan Wushuang has arrived, I’m afraid there will be no chance. After all, Nalan Wushuang is powerful, but it is obvious to all.

“Sect Master!”

As soon as he landed, Elder Huo hurried up to meet him and said excitedly, “These Ouyang Clan wanted to go to the Holy Sect to find Yue Feng, but we stopped them, haha, God has eyes.”

“Last time Throw them into the cave, and they escaped by chance, this time, they will all be wiped out, so as to avoid future troubles.” The

voice fell, and the surrounding Xia Yinzong members nodded in agreement.

“Yes, kill them!”

This chapter is provided by . Visit for daily update.

“First kill the Ouyang family, then kill Yue Feng, to avenge the former head...”

“Vengeance, revenge...” The

shouts of the Xia Yin clan members kept coming, Wen Chou The ugly people were calm on the surface, but they were extremely uneasy in their hearts.

Looking at the situation, this battle is inevitable.

However, Nalan Wushuang’s delicate face did not fluctuate in the slightest, and there was no hatred in his eyes, but a gleam of complexity.

The next second, Nalan Wushuang raised his jade hand: “Everyone, be quiet.”

Phew!

Hearing this, the Xiayin Sect members quieted down, and their eyes converged on Nalan Wushuang.

“I already know the truth about my mother’s death.” Nalan Wushuang bit his lip, endured the grief in his heart, looked around, and said loudly, “The murderer is not Yue Feng, but Bai Yunfei!

” Respect the students and sacrificed my mother...”

“So, our enemy is Bai Yunfei and Mozun, not Yue Feng and the Ouyang family.” At the end, Nalan Wushuang finally couldn’t hold back her tears. Stay and cry.

What?

At this moment, both Elder Huo and the surrounding Xia Yin Sect members were all dumbfounded.

And Wen Chou Chou and everyone were stunned.

It turns out... Bai Yunfei was the one who killed Nalanqing.

Soon, Wen Chou Chou everyone reacted, and they all showed a relieved smile, great, now the truth is revealed, and Feng Zi is finally cleared.

At the same time, there was a trace of sympathy for Nalan Wushuang in his heart. This Nalan Wushuang is too miserable, Bai Yunfei killed her mother, and she played around with her, not only that, but also used her to deal with the Ouyang family.

“Ma De!”

At this time, Elder Huo finally came to his senses, raised his hand and slapped a tree next to him, and was furious: "It turns out that the murderer is Bai Yunfei. If this revenge will not be avenged, I will swear not to be a human being!"

With that said, Elder Huo shouted at Nalan Wushuang: "Since we know the murderer, what are we waiting for? Let's kill the Five Poison Sect together and let Bai Yunfei pay the debt with blood!"

At this time, Wen Chou Chou came out and looked Nalan Wushuang said: "Bai Yunfei blamed Yue Feng for ulterior motives. Our Ouyang family is willing to help and get rid of Bai Yunfei together." When the

voice fell, he was about to leave with Xia Yinzong, but Nalan Wushuang stopped him.

"Thank you!"

Nalan Wushuang looked at Wen Chou Chou and everyone: "Thank you for disregarding the past. I'm really grateful for your willingness to help, but..."

After speaking, Nalan Wushuang paused and looked at Huo again. The elders: "But I can't go to see Bai Yunfei with you now. It's not that I don't want to take revenge, but that I go, which will only make the situation worse!"

Huh?

Hearing this, everyone looked at each other and were stunned.

What does she mean by that?

In the confusion of everyone, Nalan Wushuang's delicate face was full of helplessness: "To be honest, I was forced to take a poison by Bai Yunfei, called Soul Eater Blood Worm, in other words, I have been controlled by him..."

Chapter 3992

This...

Hearing this, Wen Chou Chou everyone was stunned.

Soul Eater?

At the same time, Elder Huo and the surrounding disciples of the Xia Yin Sect were filled with righteous indignation and scolded each other.

"This Bai Yunfei is really despicable to the extreme."

“Mad, let’s not say that he killed our former head, and now he is killing our current head...”

“It’s just a scum among scum.”

Among the anger of everyone, Elder Huo He was even more angry, and said to Nalan Wushuang: “If that’s the case, we have nothing to be afraid of. Our entire Xia Yinzong and Bai Yunfei are fighting, even if they all die, we can’t be at his mercy...”

The voice fell, and everyone around nodded in agreement.

Nalan Wushuang bit his lip tightly, and his delicate face was full of entanglements: “Elder Huo, don’t be so excited, how can I be afraid of death at this stage?”

” But I can’t take the Xia Yinzong adventure.”

Speaking of this, Nalan Wushuang looked at the Wen Chou Chou crowd standing opposite, and said slowly: “I came here this time to tell the truth. Give justice to the Ouyang family and Yue Feng.”

“Palace Master Wen, Sect Master Sun, I have offended a lot before, please bear with me.” After the

last sentence fell, Nalan Wushuang bowed deeply to the crowd of Wen Chou Chou, absolutely The beautiful face is full of apology.

Uh...

Seeing this scene, Elder Huo was very embarrassed, but he quickly reacted, and together with Elder Feng and everyone, he also bowed to everyone Chou Chou.

Although Bai Yunfei was the stumbling block in this matter, it did bring a lot of trouble to the Ouyang family in the Xia Yinzong, and an apology was deserved.

“You are welcome!”

Facing Xia Yinzong’s apology, Wen Chou Chou showed a smile and said, “Since the truth has been found out, the past will be gone.”

Nalan Wushuang smiled lightly: “Thank you, Wendian Master Haihan. At

this time, Elder Huo couldn’t help but say: “Sect Master, what are you going to do next?”

When he said this, Elder Huo looked at Nalan Wushuang with deep pity, this girl was himself Looking at the grown up, now he is the head, it is a good time, but he has been hit by the soul-eating bloodworm.

It's a godsend.

Swish!

Elder Feng and other Xia Yin Sect disciples also looked at Nalan Wushuang.

Like Elder Huo, everyone felt uncomfortable at this time. Nalan Wushuang was so young, but was controlled by Bai Yunfei with the soul-devouring bloodworm. When something happened to her, Xia Yinzong was headless.

Is Xia Yinzong really bad luck?

"..."

In the face of everyone's attention, Nalan Wushuang's red lips lightly opened, and he said softly: "This soul-eating bloodworm is a poisonous mist unique to the devil, and we can't remove it at all."

"The only way is to I cut off contact with Xia Yinzong."

Speaking of this, Nalan Wushuang tilted his head and looked at Elder Feng: "Elder Feng, I will pass the position of head to you now, and then you will take Xia Yinzong back to the seclusion place, Waiting for a chance."

What?

Hearing this, both Elder Feng and others were stunned.

Is she going to give up the position of headmaster?

The next second, Elder Feng reacted, shook his head and said, "Sect Master, this is absolutely impossible, how can I be the Sect Master? And..."

At this time, Elder Feng was very excited, but he had not finished speaking. It was interrupted by Nalan Wushuang.

"Elder Feng." Nalan Wushuang snorted, looking at Elder Feng tightly, tears flashing in his eyes, very excited: "Don't you understand now? I was controlled by Bai Yunfei, if you continue to stay in Xia In Yinzong's words, Bai Yunfei doesn't need to take action himself, he can use me to kill you all."

"I've been hit by the soul-devouring bloodworm and there is no cure. This is the best way to save the hero Yinzong. Understand? "

Elder Feng froze there, not knowing how to answer for a while.

The surrounding Elder Huo people also looked at each other in dismay, each with a low expression.

The atmosphere also became depressed.

call!

At this moment, Wen Chou Chou, who was standing opposite, took a deep breath, walked over with a smile, looked at Nalan Wushuang and said, "Sect Master Nalan, calm down. In fact, the situation is not as bad as you think.

" At that time, Wen Chou Chou's face was relaxed.

Everyone behind Ren Yingying also smiled.

Swish!

At this moment, Elder Feng and Elder Huo all frowned secretly, and were very unhappy in their hearts.

The people of the Ouyang family are too much, our head is like this, can you still laugh?

Chapter 3993

Elder Huo has a strong temper, and he couldn't bear it anymore. He strode out, pointed at Wen Chou Chou, and shouted: "Wen Chou Chou, what do you mean?"

Just as he was talking, he was interrupted by Nalan Wushuang: "Elder Huo, don't be rude!"

Seriously, Nalan Wushuang has a arrogant temperament. If he had encountered this situation before, he must have been very angry, but he has managed so much during this time, and the whole person has become calm.

Seeing Elder Huo's rude remarks, Sun Dasheng couldn't help it, and shouted, "What do you mean? What's wrong with us laughing?"

Although the misunderstanding was resolved, the people of the Ouyang family, after all, were once trapped by the Xia Yin Sect. For several days, Sun Dasheng was still a little worried about this matter. Seeing that Elder Huo made a rude remark at this time, how could he hold back?

"Great Sage!" Wen Chouchou hurriedly stopped and signaled to Sun Dasheng not to be impulsive.

Immediately, Wen Chou Chou looked at Nalan Wushuang and said with a smile: "Sect Master Nalan, don't misunderstand, we are not laughing at you, to be honest, the Great Sage and my son Wen Xiaoyu also took Bai Yunfei's phagocytosis before. Soul blood worm."

"At that time, in the Tiandao Alliance, the great sage suddenly raided Luo Jue, and was secretly controlled by Bai Yunfei."

What?

Hearing this, whether it was Nalan Wushuang or Elder Huo and the others, they were all shocked.

At the same time, all eyes were focused on Sun Dasheng and Wen Xiaoyu, and they saw that the two looked as usual, and it didn't look like they were poisoned at all.

Upon realizing this, the members of the Xia Yin Sect were secretly surprised.

Seeing their expressions, Wen Chou Chou laughed again, and then said to Sun Dasheng: "Dasheng, where is the glazed water that Fengzi brought before? Give it to me."

Yue Feng had brought a lot of glazed water from the Divine Realm. At that time, Sun Dasheng and Wen Xiaoyu only took some, and there were a lot more.

Because of this, Wen Chou Chou was so relaxed when I learned that Nalan Wushuang was also hit by the Soul Eater Blood Worm.

"Brother Wen!"

Sun Dasheng almost jumped up, with a reluctant expression on his face: "You want to give them the Liuli purified water? Don't forget, Xia Yinzong almost killed us twice."

Hearing this, Wen Chou Chou He couldn't help laughing and said, "Great Sage, it's better to resolve the enemy than to settle it, forget it!"

Sun Dasheng muttered, although he was a little reluctant, he still took out the glazed water.

Swish!

At this moment, whether it was Nalan Wushuang or Elder Feng and others, their eyes suddenly converged on Wen Chou Chou's hand.

In the next second, Nalan Wushuang couldn't help but say, "Palace Master Wen, what is in your hand..."

Before he could finish speaking, he was interrupted by Wen Chou Chou: "Sect Master Nalan, this is called glazed water. It is the antidote for the soul-devouring bloodworm." As he spoke, he walked over and handed the glazed water to Nalan Wu's hands.

"Do you know why we firmly believe that Fengzi didn't harm your mother? Because during that time, Fengzi went to the God's Domain to look for glazed water to save the Great Sage and my son.

"We all have common enemies, and we have to work together in the future, don't we?"

Phew...

Hearing these words, Nalan Wushuang's delicate face instantly flushed red, filled with excitement and guilt.

At the same time, the surrounding Xia Yinzong followers were also emotionally ups and downs.

Pfft!

At this time, Elder Huo strode out, knelt down in front of Wen Chou Chou, and said ashamedly: "Palace Master Wen, you are so righteous, it's really admirable, you have been offended before." Excited: "You saved our head, you are the benefactor of our entire Xia Yinzong, please accept my worship." After the last word fell, he began to kowtow.

Putong putong...

For a time, the surrounding Xia Yin Sect disciples also bent their knees and knelt down a lot.

Wen Chou Chou quickly helped Elder Huo and laughed loudly: "I just borrowed flowers to offer Buddha, you really want to thank, just thank Feng Zi, haha..." The

voice fell, Wen Chou Chou and Elder Huo looked at each other and laughed.

At this time, Nalan Wushuang was also in a good mood, and then under Wen Chou Chou's reminder, he took the colored glaze water.

After taking it, Nalan Wushuang sat there, quietly waiting for the effect.

Huh...

Elder Huo and everyone are also full of smiles, with anticipation in their eyes.

Chapter 3994

A few minutes later, Nalan Wushuang stood up slowly, her delicate face was full of joy. At this time, she clearly felt that the special feeling of the soul-eating bloodworm in her body disappeared all at once Two clean.

“Sect Master!”

Elder Huo quickly walked over: “What do you think?”

Nalan Wushuang smiled and said, “The soul-devouring bloodworm has disappeared, and this glazed water is really magical.”

Great!

Hearing this, all the members of the Xia Yinzong tribe immediately cheered.

Elder Huo was even more excited, and laughed loudly: “Haha, God still blesses our Xia Yinzong.”

After speaking, Elder Huo said to Nalan Wushuang impatiently: “Since the soul-devouring bloodworm has been resolved, that is the case. It shouldn’t be too late, let’s kill the Five Poison Sect immediately and seek revenge for Bai Yunfei. We have the Ouyang family alliance, even if Bai Yunfei is strong, he can still fight.”

“Yes!” After the

voice fell, Wen Chou Chou nodded: “As long as we unite as one and deal with Bai Yunfei and the Five Poison Sect, there will be no problem at all.”

Alas!

However, Nalan Wushuang sighed, shook his head and said, “Elder Huo, Hall Master Wen, your thinking is too simplistic, you probably don’t know yet that Demon Venerable has been reborn, and he has also subdued the ancient poisonous cockroach.. “...”

With that, Nalan Wushuang explained in detail what he had seen before.

At the end, Nalan Wushuang’s delicate face was full of solemnity: “You think that Bai Yunfei and the Five Poison Sect are easy to deal with, but you don’t know that at that time, hundreds of thousands of gods and soldiers were all killed by the ancient poisonous scorpion. They have retreated with Bai Yunfei. Their strength is far beyond your imagination, if we attack it

rashly , we will only suffer heavy losses, or even destroy them all!”

Hearing this, Wen Chou Chou couldn’t help but take a deep breath.

Even hundreds of thousands of gods and soldiers have been defeated?

This power is too perverted, isn't it?

For a while, the audience was silent.

A few minutes later, Nalan Wushuang thought of something, showed a smile, and said to Wen Chou Chou: "Don't worry, everyone, when I left the Five Poison Sect, the Demon Venerable was not there, we have to deal with Bai Yunfei and the Five Poison Sect, neither There's no way."

"What way?" Wen Chou Chou's eyes flashed and he quickly asked.

Swish!

At this moment, the eyes of everyone in the audience also converged on Nalan Wushuang.

Nalan Wushuang smiled lightly and said, "The Haotian Divine Monarch of the Divine Realm was injured by the Demon Venerable and locked in the dungeon of the Five Poison Sect. As long as the Haotian Divine Monarch is released, the Demon Venerable is not there, Bai Yunfei and the Five Poisons Zong Duo is not an opponent."

Haha...

Hearing this, everyone was extremely excited.

This way is great.

For the next half an hour, Nalan Wushuang and Wen Chou Chou discussed the details of the plan. After that, Nalan Wushuang returned to the Five Poison Sect with his only son.

...

the other side.

On the border of God's Domain, on an unknown mountain.

The Demon Lord Gone slowly landed with Princess Dongling.

"You devil, shameless..." After falling, Princess Dongling's eyes were full of resentment, and she kept scolding.

"shut up!"

Demon Lord Gone was full of sullenness and scolded coldly. This girl, who has been scolded all the way just now, how can she be scolded by a girl who is the supreme being of the Demon Race?

“I can’t stop talking...you are a Demon Venerable...” Princess Dongling said coldly with a fearless face, “But I pretended to be my cousin, secretly used poison, and now I am a defenseless woman, I don’t feel ashamed. “Hehe !

“

Demon Zun Gone frowned at her, and said proudly: “Don’t come with me like this, you are the daughter of the Nine Heavens God, who am I not going to catch you?”

“You’d better let me go . Otherwise, my royal father will not spare you!” Princess Dongling took a deep breath and said word by word: “Even if you are the supreme being of the demon race, so what if you are successfully reborn? This divine domain is still my father’s divine domain, and You, you are just a drowning dog who doesn’t even have a family...”

“Okay!”

Hearing this, the Demon Lord Gone smirked angrily: “What a eloquent girl, it seems that I underestimated you before, no Let me teach you a lesson, you really don’t know how good I am.”

Saying that, Demon Lord Gone walked over step by step, slowly raising his right hand.

“What are you doing?”

Feeling bad, Princess Dongling shouted in a trembling voice, frightened and frightened.

Chapter 3995

“What are you doing? I’ll abolish your primordial spirit first.” When he got to the front, the Demon Lord Gone said coldly, a blood-colored light condensed from the palm of his hand, and hit Princess Dongling’s primordial spirit the next second. .

Ong!

At this moment, Princess Dongling’s delicate body trembled violently, her primordial spirit was instantly destroyed, the pain came, and she almost fainted.

“Aren’t you very good at scolding? Continue?” The corner of the Demon Lord Gone’s mouth evoked a trace of cruelty, and he looked down at Princess Dongling: “Without the primordial spirit, you are not as good as a waste person, I tell you, wait until you return to Kyushu. , I will reward you to my subordinates.”

“Guess, if your royal father knew that you were tainted by my subordinates, would he be mad? Hahaha...”

Princess Dongling crawls There, trembling non-stop, hearing this, he was even more ashamed and angry.

Without Primordial Spirit, I am inferior to ordinary people in Kyushu. If I am defiled by Demon Venerable’s subordinates again, I might as well die.

“Tsk tsk...”

However, at this moment, a sigh suddenly came from not far away: “Dangtang Demon Venerable, it’s really not ashamed to insult a weak woman!”

“Who?”

Demon Venerable Gone’s face changed. Shen snorted angrily and turned his head to look back at the same time.

I saw a gray figure walking slowly on the white clouds, with silver hair and white beard, immortal style, and a red garlic nose that was very eye-catching. It was Yutong Xianweng.

Jade Child Fairy?

At this moment, Demon Lord Gone’s face changed, and his eyes were also a little dignified.

Tens of thousands of years ago, after the Shenmu War, the body of the Demon Lord Gone was destroyed. With a ray of remnant, he drifted nine days away. He had met Yutong Xianweng and naturally knew him.

“Senior Xianweng!”

At this moment, Princess Dongling was also extremely excited.

Before and Yue Feng escaped from God’s Domain, it was all thanks to Yutong Xianweng. Can you be unhappy when I see you again now?

Yutong Xianweng smiled at Princess Dongling and signaled not to be nervous.

“Yu Tong Xian Weng!”

At this time, the Demon Lord Gone couldn’t help but said: “This is a grudge between me and the Divine Realm, I hope you don’t interfere!” The

voice was not loud and full of arrogance.

Yutong Xianweng smiled and said, "I naturally don't care about the grievances between you and God's Domain, but this girl has a destiny with me, and I can't watch you bully me."

Destiny?

Hearing this, Demon Lord Gone frowned.

Yutong Xianweng smiled and continued: "Don't believe me? I knew a friend before, named Yue Feng, and this princess is Yue Feng's wife, isn't she destined to me?"

Shuh!

At this moment, Princess Dongling's face turned red all of a sudden.

She had never regarded Yue Feng as her man, but she never thought that at this dangerous last moment, she would still be able to touch Yue Feng's light.

Demon Lord Gone's eyes also flickered.

"What do you want?" After a few seconds, Demon Lord Gone said coldly.

Yutong Xianweng stretched his waist and sat on the stone next to him with an indifferent look: "I don't want to do anything, you let her go, and then it's time to ask Jiutian God to settle the account, just go and settle the account!"

"Haha... .."

At this moment, Demon Lord Gone seemed to have heard a joke and laughed loudly: "Yutong Xianweng, are you negotiating terms with me? Do you have the qualifications? You are not my opponent to fight alone."

Yutong Xian Weng nodded: "Yes, I can't beat you, but don't forget, I am not the only immortal." As he spoke, he deliberately looked back at the distant horizon.

Made!

Does he have any help?

Seeing this situation, Demon Lord Gone's face instantly turned gloomy, extremely ugly.

To be honest, fighting alone, Demon Lord Gone is quite sure to crush Yutong Xianweng, but if there are a few more immortals from the sky, it will be different.

You must know that the strength of the immortals outside the sky is much stronger than the gods of the gods, and it is not easy to provoke them.

“You’re not leaving yet?”

Seeing the expression of the Demon Lord Gone, Yutong Xianweng said with a smile: “When my companion comes, if you want to leave, it will be over.” Huh

....

Demon Lord Gone Shen Taking a breath, he said coldly: “Very good, Yutong Xianweng, I have written down what happened today.” The voice fell, and the figure turned into a blood mist and went away.

The ultimate husband in Chinese chapter 3996-4000

Chapter 3996

Watching the Demon Lord Gone go away, Princess Dongling breathed a sigh of relief.

The next second, Princess Dongling thanked Yutong Xianweng: “Thank you Xianweng.”

Yutong Xianweng waved his hand: “Don’t be polite, I stole your father’s royal meal before, and now I save your life. , it can be regarded as two clear, hehe...”

After speaking, he came to check Princess Dongling’s injury.

“Hey... Yuanshen has been destroyed, this is a little troublesome.” After the inspection, Yutong Xianweng frowned and said slowly.

Princess Dongling smiled sadly: “Thank you for your concern, senior, I’m so glad I didn’t die.”

After speaking, Princess Dongling thought of something, and looked around: “By the way, what about your companion, senior?”

“Haha.. .”

Hearing the question, Yutong Xianweng couldn’t help laughing, like a child who had done a prank, and said mysteriously: “Shh, keep your voice down, I scare that Demon Venerable just now, I’m used to being alone. , what kind of companions are there?”

Pfft...

Seeing his appearance, Princess Dongling forgot her sadness for a while, and couldn’t help laughing out loud.

“Okay, we also have fate. I will take you to a place to see if I can help you reshape the primordial spirit.” Yutong Xianweng said, helping Princess Dongling up, stepping on the auspicious clouds towards the distant sky And go.

.....

the other side.

After Nalan Wushuang and Wen Chou Chou bid farewell to everyone, they rushed back to the Five Poison Sect immediately.

This chapter is provided by . Visit for daily update.

In the back hall, I saw Bai Yunfei sitting there, sipping tea leisurely, next to Ji Hongshang and several female disciples of the Five Poison Sect, standing there quietly.

Seeing Nalan Wushuang coming in, a smile appeared on Bai Yunfei’s face, and he said lightly, “You’re back so soon? How is the situation?”

Nalan Wushuang bit his lip, hiding his inner tension, and said respectfully, “My subordinate. Fortunately, the Ouyang family was almost wiped out by our Xia Yin Sect, and now there is only one Yue Feng, who has disappeared!”

“Okay, okay...”

Hearing this, Bai Yunfei’s face was full of excitement, and he nodded in approval: “ Yes, I knew you wouldn’t let me down, it’s getting late, you should go and have a rest!”

“Well...” Nalan Wushuang replied softly, and then exited the hall.

When they got outside, Nalan Wushuang heaved a sigh of relief.

Fortunately, he pretended to be very similar, and temporarily deceived Bai Yunfei, and he was not aware of his contact with the soul-eating bloodworm.

Next, it’s time to find an opportunity to release Haotian Divine Sovereign from the dungeon.

...

at night, in the back mountain prison of the Five Poison Sect.

Divine Sovereign Haotian was all tied up, sitting in the corner of the cell, very embarrassed.

Mad, the dignified Haotian Divine Sovereign, was imprisoned in such a place, it was a great shame.

Cursing secretly in his heart, Divine Sovereign Haotian wanted to stand up, but he was hit hard by Demon Lord Gone before, so he couldn't use any strength.

This is how to do!

Do you really want to be stuck here forever?

For a time, Haotian Shenjun was sweating profusely. At this moment, I heard footsteps coming from outside the door. The footsteps are very soft!

squeak—

A few seconds later, the iron door was quietly opened with a gap, and then a slender figure walked in.

Haotian Divine Sovereign suddenly became alert, stared at it, and was stunned!

I saw that the visitor was a young woman, dressed in black, unable to hide her graceful curves, and her facial features were exquisite, but she was a little dignified at this time.

It is Nalan Wushuang!

During the day, the dungeon is surrounded by patrolling disciples, and Nalan Wushuang has no chance at all and can only wait until night.

“It's you?”

Seeing Nalan Wushuang, Haotian Divine Sovereign suddenly turned gloomy: “What did Bai Yunfei send you to do?” He knew that the woman in front of him was Bai Yunfei's subordinate, so naturally he would not be polite.

Huh...

Nalan Wushuang let out a sigh of relief, first looked outside the cell, and then lowered his voice: “Your Majesty, don't get me wrong, I'm here to help you!”

Help me?

Haotian Shenjun smiled coldly, not believing it at all.

Nalan Wushuang quickly explained: “I don't dare to lie to the gods. To be honest, I am the head of the Xia Yinzong...” In the next few minutes, Nalan Wushuang explained the grievance between himself and Bai Yunfei in detail. Say it.

At the end, Nalan Wushuang said ruthlessly: "Bai Yunfei and I are inseparable, and I hope you can help me take revenge to save you from this adventure."

Chapter 3997

Hu...

Hearing this, Haotian Shenjun pondered for a moment, and finally nodded: "Okay, I will believe you once."

Seriously, Haotian Shenjun doesn't really believe in Nalan Wushuang, but his own The situation, there is no other way, it is better to take a risk.

Seeing his promise, Nalan Wushuang was also relieved, and quickly said: "Your Excellency, how can I help you?"

When he said this, Nalan Wushuang looked up and down at the Haotian God, with a delicate face very complicated. I saw that what tightly bound Haotian Divine Sovereign was not an ordinary iron chain, but a rope formed by special power.

Not only that, but strange runes flashed on the rope. Nalan Wushuang could feel that those runes contained strong power.

Seeing Nalan Wushuang's embarrassed look, Haotian Shenjun couldn't help laughing.

"This is easy!" In the

next second, Haotian Divine Sovereign directed at Nalan Wushuang and said, "It's very easy to help me break the bondage. You can use all your power and hit me on the top of my head, and the magic lock on my body will disappear. That's it." The

Heavenly Demon Spirit Locks, the special ropes on Haotian Divine Monarch's body, were transformed from the power of the Demon Soul.

What?

Hearing this, Nalan Wushuang's delicate body trembled, and his eyes widened: "I'll hit your head with all my strength, is this...?"

" took his life?"

Seeing her surprised face, Haotian Divine Sovereign couldn't help but smile and said: "You don't have to be nervous, there is a big difference between gods and humans, the top of the human head is very fragile, but gods are different, the only way to open my primordial spirit at this time, otherwise If so, my power will always be sealed by the demon lock of this day."

Having said that, Haotian Shenjun glanced outside the dungeon: "It's getting late, you hurry up..."

Hmm!

Hearing this, Nalan Wushuang nodded, and immediately activated all his internal strength, and raised his jade hand with all his strength and slapped it on the head of Haotian God.

boom!

A shock came out, and Nalan Wushuang only felt a powerful rebound force coming, his delicate body trembled, and he took a dozen steps back.

At the same time, the demon lock on his body also disappeared quickly.

"That's great!"

Nalan Wushuang was a little worried at first, but when he saw the Heavenly Demon's Chains disappear, he was instantly excited and excited.

Hu....

Haotian Shenjun took a deep breath, stood up and stretched his body. He lost his previous arrogance, but sincerely thanked: "Thank you."

After saying this, Haotian Shenjun's face became solemn, and he was attentive. Lan Wushuang said: "As soon as the demon lock disappears, Bai Yunfei will sense it. Hurry up and see the situation outside. I need to restore the power of the primordial spirit." After the

last sentence fell, the Haotian Shenjun sat cross-legged and began to run the primordial spirit. God, restore power.

Nalan Wushuang nodded, and without thinking about it, he hurriedly went outside the cell to check the movement.

hum!

As soon as he arrived outside the cell, Nalan Wushuang sensed a wave of aura, which came from the direction of the front hall. Nalan Wushuang hurriedly looked at it, and when he saw it, his body trembled.

Just saw, under the darkness of night, a handsome figure hurried towards the cell, wearing a white robe is particularly eye-catching, handsome face, showing a bit of solemnity.

It was Bai Yunfei.

What Haotian Shenjun said was right. The demon lock on his body was deployed by Bai Yunfei. Just now, the demon lock disappeared, and Bai Yunfei sensed it immediately.

Oops!

Seeing Bai Yunfei, Nalan Wushuang instantly became nervous, and at the same time wanted to go back to the cell to spread the news to Haotian Divine Sovereign, but Bai Yunfei was too fast, and he reached the entrance of the dungeon in the blink of an eye.

At this moment, Nalan Wushuang hurriedly hid behind a tree. Less than a few dozen meters away from Bai Yunfei, at that time a heart almost jumped to the throat, while secretly praying.

Don't be found, don't be found.

Speaking of which, Nalan Wushuang hated Bai Yunfei to the bone, and just now, he helped Haotian Divine Sovereign out of bondage. If it was before, he would definitely not hide, but face Bai Yunfei directly.

But after going through so much recently, Nalan Wushuang has become much calmer.

At this time, Nalan Wushuang knew very well that Bai Yunfei's strength was tyrannical. If he didn't hide, he would die alone, because the Haotian Divine Sovereign was still recovering the power of his primordial spirit, and it was impossible to come out to help in a short time. .

Chapter 3998

Bai Yunfei did not find Nalan Wushuang.

At the entrance of the dungeon, Bai Yunfei did not go in directly, but looked around, and then shouted: "come here!"

Bai Yunfei clearly felt that Haotian Divine Sovereign had broken away from the demon lock, and was recovering his energy inside at this time. God, enter rashly, relying on himself alone, there is no certainty to defeat Haotian Divine Sovereign.

After all, Haotian Divine Sovereign is second only to the existence of Jiutian God in the strength of the Divine Realm.

Whoa!

As soon as the voice came out, Ji Hongshang brought hundreds of elite disciples of the Five Poison Sect and rushed over to surround the entrance of the dungeon.

“Sect Master!”

After surrounding the entrance to the dungeon, Ji Hongshang respectfully said to Bai Yunfei: “Suddenly summoning your subordinates, could it be the Divine Sovereign Haotian...”

Before she could finish her sentence, she was interrupted by Bai Yunfei: “I sensed just now that Haotian Divine Sovereign broke through my Heavenly Demon Spirit Lock.”

What?

Hearing this, Ji Hongshang’s delicate body trembled, and she was stunned.

You must know that Bai Yunfei’s Heavenly Demon Spirit Lock is made of the power of the Demon Soul. It is very powerful. When the Haotian Divine Sovereign was captured, he was severely injured by His Excellency Demon Venerable. How could he break through the Heavenly Demon Spirit Lock?

While muttering in her heart, Ji Hongshang did not dare to ask.

“Ji Hongshang!”

At this time, Bai Yunfei’s face was solemn, and he ordered: “You don’t need to worry about it here for the time being. Immediately block all the exits of the main altar. I suspect that someone secretly helped Haotian God.”

Bai Yunfei is not a fool. In the situation of Tianshenjun, it is impossible to break through the bondage so quickly. The only explanation is that someone sneaked into the dungeon quietly.

“Yes, Sect Master!”

Ji Hongshang understood and responded, and hurried to deploy.

Oops!

Seeing this scene, Nalan Wushuang, who was hiding behind a tree not far away, instantly became anxious.

She negotiated a plan with Wen Chou Chou before, and went back to the Five Poison Sect alone, looking for an opportunity to release Haotian Divine Monarch from the dungeon, while Wen Chou Chou and the followers of Xia Yin Sect were a few miles away from the Five Poison Sect. Outside the hillside waiting for news.

At this time, Nalan Wushuang never thought that Bai Yunfei rushed over and blocked the entire Five Poison Sect.

In this way, Nalan Wushuang would not be able to meet with Wen Chou Chou, let alone pass on news.

“Shenjun Haotian!”

Just when Nalan Wushuang was secretly anxious, Bai Yunfei looked at the entrance of the dungeon with a cold tone: “Since I have broken through my demon lock, what are you still doing inside? Don’t you dare to come out? “

When he said this, Bai Yunfei’s face was cold, but his heart was a little unspeakable.

His Excellency Mozun is not here, so he is not the opponent of the Haotian Divine Sovereign. But no matter what, he couldn’t let him escape from the Five Poison Sect tonight.

hum.

The voice fell, and a powerful breath burst out from the dungeon, and then, a figure shot out, standing proudly in the air.

It is Haotian Shenjun.

Swish!

Seeing Haotian Shenjun coming out, Bai Yunfei’s face changed suddenly, staring closely at Haotian Shenjun: “Finally out? Haotian Shenjun, I really underestimate you, I didn’t expect someone to quietly enter the dungeon to help you. “

Saying that, Bai Yunfei’s face showed a bit of grimness: “But I tell you, no matter who this person is, I will definitely catch him, and then cut off his head in front of you!”

“Hehe!”

At this point, Divine Sovereign Haotian looked contemptuous: “It’s just a dog at the feet of Demon Venerable, dare to bark in front of this sovereign? Get out of the way and tell Gone to come out and see me.”

Hearing this, Bai Yunfei’s face flushed red . , as if subjected to great humiliation.

“You are just a prisoner, what qualifications do you have to see Your Excellency Demon Venerable?”

Om!

The voice fell, and a powerful breath permeated from Bai Yunfei’s body, and then the figure erupted and hit the Haotian Divine Sovereign with a palm!

Bai Yunfei clearly felt that Haotian Divine Sovereign had just broken through the shackles of the Heavenly Demon Spirit Chain, and the power of his primordial spirit had not yet fully recovered. In this case, of course not afraid.

“Humph!”

Seeing Bai Yunfei burst out, Haotian Divine Sovereign smiled contemptuously, raised his hand and collided with Bai Yunfei’s palms!

Just hear a loud bang! At the moment when the two palms collided, a tyrannical fluctuation of internal force swept the audience!

Chapter 3999

Both Bai Yunfei and Haotian Shenjun were shocked, and immediately, both sides were shocked by the air by dozens of steps.

Obviously, the two sides are facing each other, and no one has taken advantage of it!

Mad!

However, Bai Yunfei stabilized the smooth scene of the figure, but he was secretly surprised, how is this possible? Haotian Divine Sovereign has just broken through the shackles of the Heavenly Demon Spirit Chain, how could the power of the Primordial Spirit recover so quickly?

“Beyond one’s own capabilities!”

Feeling Bai Yunfei’s astonishment, Haotian Divine Sovereign spit out a few words with contempt on his face.

Bai Yunfei became angry and quickly recited a spell.

Yes, he wants to summon the ancient poisonous beetle.

“Roar!”

The moment the mantra was chanted, a roar that shocked the heavens and the earth was heard, and then, a huge figure flew quickly from the forbidden area in the back mountain.

A huge body like a dragon, with a few pairs of wings growing on its back, and a sinister light flashing in its eyes.

It is the ancient poisonous beetle.

At the moment when the ancient poisonous scorpion appeared, the surrounding temperature dropped sharply. At this time, it was already early summer, but everyone around felt as if it had entered a cold winter.

Ancient poisonous beetle?

At this moment, Haotian Divine Monarch frowned, and instantly lost his previous arrogance, and his eyes became solemn.

Bai Yunfei's guess was good, the power of Haotian Divine Sovereign had not fully recovered, and it was more than enough to deal with Bai Yunfei, but if there was another ancient poisonous scorpion, it would be different.

You must know that the ancient poisonous scorpion was the most ferocious poisonous insect in the ancient times, and its strength was amazing.

hiss!

Seeing this scene, Nalan Wushuang, who was hiding in the dark, suddenly trembled, and couldn't help taking a breath of cold air.

Bai Yunfei summoned the ancient poisonous scorpion, and now Haotian Shenjun is a little troublesome.

Speaking of which, there is a thousand-year-old grievance between Xia Yinzong and Divine Realm. Nalan Wushuang should not worry about Haotian God, but at this time, she does not want Haotian God to have an accident.

After all, compared to the feud in the Divine Realm, Bai Yunfei killed his mother, and this feud was even more inseparable.

“Roar!”

At this time, under the instruction of Bai Yunfei, the ancient poisonous scorpion let out a roar, and its huge body came directly towards the Haotian Divine Sovereign.

At the same time, Bai Yunfei also burst into a figure, followed closely behind, rushing towards Haotian Divine Sovereign again.

“Very good...”

Seeing Bai Yunfei and the ancient poisonous scorpion attacking together, Haotian Shenjun sneered with a fearless face: “Don't think that if you can attract the ancient poisonous scorpion, you can defeat me.”

Om!

The voice fell, and a dazzling golden light erupted from the whole body of Haotian Divine Sovereign. In an instant, the entire sky of the Five Poison Sect was dyed with a golden color.

Powerful divine power, the people who suppress it panic!

“Crack!”

Immediately afterwards, the Haotian Divine Lord slowly raised his right hand, and he heard a crisp sound, followed by a long knife, which appeared in the hands of the Haotian Divine Lord.

The blade of this knife is more than three feet long, winding like a snake. Two flying dragons are carved on it, and the whole body is shining with golden light.

It is the unique weapon of Haotian Shenjun, the Heavenly Desolate Devil Slayer Blade.

The Heavenly Desolate Devil Slayer Blade is said to be made of special firefly iron from God's Domain, and it has been tempered by the fire of the sky for five hundred years before it finally takes shape. In the God's Domain Weapon Ranking, ranked third.

As soon as the Heavenly Desolate Devil Slayer Blade came out, a terrifying blade aura filled the air!

Gudong!

At this moment, the disciples of the Five Poison Sect who were watching the battle from a distance felt that it was difficult to breathe, and at the same time secretly sweated for Bai Yunfei.

Although Bai Yunfei is tyrannical, he is probably not an opponent to fight against a powerhouse like Haotian Divine Monarch.

Bai Yunfei also has a solemn expression, but because of the help of the ancient poisonous scorpion, he did not panic too much, but sneered: “Haotian Divine Monarch, are you going to show your housekeeping skills so soon?” The

voice fell, Bai Yunfei broke out again, and cooperated with the ancient poisonous scorpion to besiege Haotian Divine Monarch.

Bang bang bang...

For a time, the fierce battle broke out again, and the powerful force collided, causing the sky to roll with dark clouds, like the end of the world.

Phew...

Seeing this scene, Nalan Wushuang was extremely excited.

Haotian Divine Sovereign used a weapon, and now the situation can be reversed.

However, what she didn't expect was that Haotian Divine Sovereign used the Heavenly Desolate Devil Execution Blade, which did not change the situation, and was still suppressed by Bai Yunfei and the ancient poisonous scorpion.

Speaking of which, Haotian Divine Sovereign's Primordial Spirit has not been fully recovered, and even if he uses the Heavenly Desolate Devil Slayer Blade, there is still no way to change the situation.

Chapter 4000

Can't go on like this!

Seeing that the situation was getting worse and worse, Nalan Wushuang was completely anxious.

Thinking about it, Nalan Wushuang couldn't think too much, and her delicate body flashed and went directly behind Bai Yunfei.

Nalan Wushuang originally planned to wait until Haotian Divine Sovereign injured Bai Yunfei, and then find a chance to rush out, but he did not expect that the situation was getting worse and worse, so he had to take a risk.

At this time, seeing that Bai Yunfei's attention was all on Haotian Divine Sovereign, Nalan Wushuang knew that he could not do anything.

hum!

In the blink of an eye, Nalan Wushuang arrived behind Bai Yunfei, and the internal force revolved, bursting out all the power.

"Nalan Wushuang?"

Feeling the danger coming from behind, Bai Yunfei knew that something was wrong, so he quickly looked back and saw Nalan Wushuang, his heart was shocked, and he also understood something.

Obviously, Nalan Wushuang was the one who secretly entered the dungeon to help Haotian Divine Region.

"You are courting death!"

Realizing this, Bai Yunfei roared, and then subconsciously urged the soul-eating bloodworm in Nalan Wushuang's body.

However, what surprised him was that Nalan Wushuang didn't react at all, and he couldn't feel the breath of the soul-eating bloodworm at all.

what happened?

At this moment, Bai Yunfei's mind was buzzing and blank.

Impossible...

Soul-devouring bloodworm, the entire Kyushu has no cure, how did Nalan Wushuang get rid of it?

"Bai Yunfei!"

Seeing Bai Yunfei's expression, Nalan Wushuang's delicate face showed a bit of pride and hatred, and she said tenderly, "Did you not expect it? Let me tell you, I have taken the colored glaze water, and I have successfully driven out the soul-devouring blood. Worm, you are no longer under your control!"

"You kill my mother, I want you to pay for your debts with blood, go to hell!" As the words

fell, Nalan Wushuang burst out with all his strength, and slammed Bai Yunfei's back with a fist.

"Sect Master!"

"Be careful..."

Seeing this scene, the disciples of the Five Poison Sect watching the battle below couldn't help exclaiming.

At the same time, a slender figure not far away came flying quickly.

It was Ji Hongshang.

After the entire Five Poison Sect was under martial law, Ji Hongshang saw the fight broke out here. She didn't think much about it at the time, and rushed over immediately.

At this time, seeing Nalan Wushuang raiding Bai Yunfei, Ji Hongshang was furious, and immediately shouted: "Nalan Wushuang, stop!"

In Ji Hongshang's heart, she still needs to rely on Bai Yunfei to kill Yue Feng to avenge, how can you allow him to have an accident?

Jiao drinking, Ji Hongshang wanted to rush over, but the distance was too far, and it was too late.

At the same time, Bai Yunfei was frightened and wanted to dodge. However, Nalan Wushuang's speed was too fast, and there was Haotian Divine Sovereign in front of him, Bai Yunfei couldn't react at all,

Boom!

This palm slammed into Bai Yunfei's junior, and heard a dull vibration, Bai Yunfei groaned, and the whole person flew out at once.

Pfft!

After flying for more than 100 meters, Bai Yunfei sprinkled a rain of blood in the air, and finally fell heavily on the stone road below. The pain came, and Bai Yunfei broke out in cold sweat.

Bai Yunfei clearly felt that the power of the demon soul in his body was directly disordered, his blood was tumbling, and he almost fainted.

To be honest, with Nalan Wushuang's strength, it is very difficult to inflict heavy damage on Bai Yunfei, but Bai Yunfei just fought against Haotian Divine Sovereign, and the power of the devil's soul has been consumed a lot. This gave Nalan Wushuang a chance to take advantage.

Mad!

At this moment, Bai Yunfei was sweating profusely, and his eyes were like poisonous snakes, staring at Nalan Wushuang.

Damn, Nalan Wushuang's palm is too cruel, fortunately, he has a demon soul protection body, which offsets a lot of power, otherwise, he would be dead.

"Sect Master!!"

At this moment, Ji Hongshang rushed over and shouted at Bai Yunfei, "How are you?" As he spoke, he was ready to come and help.

"Don't worry about me, I can't die!"

Bai Yunfei shouted, then pointed at Nalan Wushuang in mid-air: "Kill her for me, kill her..."

When he shouted these words, Bai Yunfei's eyes were blood red, almost into madness.

Since he set foot in the rivers and lakes, Bai Yunfei has always been smooth sailing. He has always controlled others and played tricks on others. Today, he was attacked by Nalan Wushuang. How can he bear it?
