

The ultimate husband in Chinese chapter 1011-1015

Chapter 1011

At this moment, Yue Feng clenched his fists tightly, tears almost blurred his vision, and the whole person became completely mad, and roared up to the sky.

“Bring the antidote!”

Yue Feng howled desperately, not knowing where the strength came from, he slashed over a hundred soldiers with one sword, and arrived in front of Ji Linglong in an instant!

At this time, Yue Feng’s eyes were extremely blood red, like a wild beast!

Antidote!

The antidote must be obtained.

“Hee hee..”

Feeling Yue Feng’s monstrous anger, Ji Linglong didn’t panic at all, chuckled lightly, and flew towards the mountain behind like a ghost: “If you want an antidote, you have to use your ability to get it. Chase me.”

As long as you drag Yue Feng for a long time, the Prime Minister will have enough time to destroy the Ouyang family.

At that time, it will be a great achievement for yourself.

...

On the other side, the Ouyang family.

Duan Yu has not arrived yet. In the hall of the Ouyang family, Ouyang Zhennan was not walking back and forth and was anxious.

Next to him, Yue Feng’s parents sat there, unable to hide their worries.

“Now Xiaofeng should have a hand with that Duan Yu, and I don’t know what’s going on.” At this time, Ouyang Zhennan couldn’t help but said.

Originally, when Yue Feng and Duan Yu had a battle, Ouyang Zhennan also went to watch it. But Yue Feng didn’t let him go. Because Yue Feng knew in his heart that he

might not be able to beat Duan Yu. If the foster father also goes to watch the battle, if he loses himself, I am afraid that the foster father will not be able to bear it.

At Yue Feng's request, Ouyang Zhennan stayed in the family.

"Brother Zhennan!" At this moment, Yue Feng's father laughed and said, "Don't worry too much, Xiaofeng has Sun Dasheng and Wen Chou Chou by his side. If the three brothers work together, they will not necessarily lose.

"Falling down, Mei Hui next to him also said with a smile: "Yes, my brother is the sect master of Tianmen, and he is also the leader of the martial arts alliance! I can definitely beat that Duan Yu!"

"Boom!"

Just as he was talking, there was a sudden loud noise outside! The gate of the Ouyang family was instantly razed to the ground!

"Ah!"

Then, a scream came.

"What's the situation?"

Ouyang Zhennan's expression changed and he walked out quickly.

hiss!

At this moment, seeing the scene in front of him, Ouyang Zhennan couldn't help taking a breath!

I saw that the front yard of the entire Ouyang family was in a mess! A huge deep ditch was cleaved on the ground. On the edge of the deep ditch, dozens of disciples of the Ouyang family were lying in a pool of blood and wailing! These people are obviously no longer alive!

And above the sky, a figure, holding a two-meter-long giant axe, hovered there proudly. It's like killing a god!

Who is it if it's not Duan Yu? !

At this moment, Duan Yu had a cruel sneer on his face, and the giant axe in his hand was shining like a round sun!

Chapter 1012

“The people of the Ouyang family, come out and die!” Duan Yu sneered, his whole body filled with strong killing intent!

Feeling the killing intent, Ouyang Zhennan only felt a chill in his heart, and his eyes were full of shock!

“You... are you Duan Yu?”

Ouyang Zhennan couldn't help but speak in shock!

This man in mid-air, holding an axe, looks like a divine weapon! This person should be Duan Yu!

“Yes, it's me.”

Duan Yu smiled evilly, with a look of contempt for everything: “Today, I am here to kill your Ouyang family. Before I take action, do you have any last words that you can say.”

Saying this At the time, Duan Yu had a proud look on his face.

He clearly felt that Ouyang Zhennan in front of him was only the strength of Wu Sheng, and he didn't pay attention to it at all.

At this time, the children of the Ouyang family basically all came out. They looked up at Duan Yu one by one, only to feel that their hearts were blocked, and they were even a little breathless!

For a time, the entire Ouyang family was silent!

Ouyang Zhennan was even more shocked.

What's going on here? Wasn't he fighting with Xiaofeng in the Star Picking Tower? What... why did the Ouyang family suddenly come?

Seeing that no one was talking, Duan Yu sneered: “Since there are no last words, then come up and lead the death.” The

voice fell, and a dazzling light burst out from the opening axe, and Duan Yu raised the axe to kill!

“Stop!”

At this moment, a shout came from not far away, and then four figures came quickly, blocking Ouyang Zhennan.

It is Duan Feng's four brothers!

“Wind, rain, thunder and lightning?!” Seeing the four of them, Duan Yu was stunned for a moment, and then his eyes were instantly bloodshot, and his inner anger also rose!

“Okay, very good, that day my Duan family treated you well, my Duan family was wiped out, the four of you not only did not avenge the Duan family, but also took refuge in Yue Feng! Betrayal, beasts are better! I still want to find you, You will be sent to the door automatically.” The cold voice came from Duan Yu’s mouth, containing endless anger.

“Master Duan!” Duan Feng’s face flickered, resisting the complexities in his heart, and said slowly: “Back then, our four brothers, following the Duan family, did a lot of things to harm the common people, and it was God’s will that the Duan family was destroyed. We have already returned to Heaven, punishing evil and promoting good. When is the time for retribution, I hope Young Master Duan can stop it in time!”

Because Duan Yu was right, the Duan family did not treat the four brothers Feng Yu Lei Dian badly.

But they took refuge in Tianmen, and they never regretted it! Because after joining Tianmen, they punished evil and promoted good, benefited the rivers and lakes, and everything they did was worthy of their hearts and worthy of heaven and earth!

Duan Lei also stepped forward: “Master Duan, stop.”

“Yes, our four brothers, we know that we are sorry for the Duan family! You have to vent your anger and come at us! As long as you can let the Ouyang family go!”

Hearing the words of the four brothers, Duan Yu was furious: “You four, shut up!”

Duan Yu held the opening axe tightly, his expression extremely grim: “You still have the face to persuade me? Well, you want to protect the Ouyang family. That’s right, I’ll give you a chance! Come on, the four of you come together, hit me, come!”

Alas!

Seeing that Duan Yu could not be persuaded, Duan Feng sighed and looked at the three brothers beside him.

The next second, Duan Feng pulled out his long sword: “Since Young Master Duan insists on doing this, then our four brothers have to offend.”

“Qiangqiang!”

The words fell, and the three Duan Yu also pulled out their weapons, rose up into the air, and surrounded Duan Yu!

Their four brothers are all in the Martial Saint Realm. When the four brothers join forces, the air is distorted, and the momentum is amazing!

“Four traitors, get out of here!”

Duan Yu’s eyes were blood red, and he didn’t talk nonsense, he raised his hand and waved hard!

Chapter 1013

“Roar!”

A dragon roar that shocked the heavens and the earth came from the opening axe, and then, a golden glow burst out, instantly covering the four brothers Duan Feng! The four brothers had no time to dodge and were directly swept away by the golden light!

“Pfft...”

For a time, the four brothers, without exception, were all gushing blood, and their bodies flew out, flying over a hundred meters, and finally fell to the ground, dripping with blood. Breathless!

Although he didn’t die, he didn’t have the strength to fight again!

What?

The four brothers Duan Feng are now all Martial Saints! They joined forces, but they couldn’t even catch Duan Yu’s move?

Seeing this scene, everyone present couldn’t help gasping for air!

Duan Yu glanced at the four brothers coldly: “You four are really good dogs of Yue Feng! If you dare to stop me, I will leave you alone! When I completely destroy the Ouyang family, I will follow you slowly. To settle the account, I want you to live rather than die.”

After saying this, Duan Yu’s eyes locked on Ouyang Zhennan: “Next, it’s up to you.”

“You...” Ouyang Zhennan frowned and stared at Duan Yu: “You want to destroy my Ouyang family, unless you step over me!”

Om!

The voice fell, and a tyrannical breath burst out from Ouyang Zhennan’s body! At the same time, a long sword was held tightly by him!

I have to say, Duan Yu in front of him is really strong! Especially the power of the opening axe is even more terrifying!

But the Ouyang family has also been passed down for hundreds of years, why has it bowed its head to anyone? !

Back then, when the Imperial Forest Army of Tianqi Continent came to encircle and suppress the Ouyang family, the entire army was destroyed. Would they still be afraid of a Duan Yu? !

Thinking of this, Ouyang Zhennan turned his head and looked around, looking at the children of the surrounding families: "My Ouyang family has been passed down for hundreds of years, and I have never surrendered to any force. They are all good men who stand above the ground, and now this man has an artifact in his hands, are you afraid!"

"Not afraid!"

In an instant, all the disciples of the entire Ouyang family were all excited, and they responded loudly.

"Okay!"

Ouyang Zhennan nodded gratified and said loudly, "Follow me today and fight to the end !

"

.

To be honest, each of them knew that fighting against Duan Yu like this would undoubtedly hit the stone with an egg! But they have no way out. !

"It's really courting death!" Duan Yu's expression was hideous, showing a bit of madness: "Today, I will let your Ouyang family disappear completely, and die for me!"

= The moment the words fell, Duan Yu clenched the sky axe tightly, and his inner strength urged Move, raise your hand and wave!

hum!

A dazzling golden light ripped apart the sky, and from a distance, the sky and the earth seemed to be split apart!

The dazzling rays of light, carrying terrifying and unparalleled power, slammed into the crowd of the Ouyang family! In an instant, the smoke filled the air, and the mourning continued!

I saw that this axe directly cut out a deep ditch of nearly a thousand meters. Within the shroud of this axe's might, all the disciples of the Ouyang family, all howling loudly, fell into a pool of blood!

This... the power of this axe is too... too strong!

In an instant, the rest of the people saw this scene, and their backs were all chilled!

“Hahaha...”

Duan Yu looked up to the sky and laughed loudly as he watched them all turn pale!

Chapter 1014

“As long as I still have a breath, you can't think of destroying my Ouyang family!” Ouyang Zhennan howled loudly, his eyes were blood red, and the moment the voice fell, he flew up and went straight to Duan Yu!

“Zhennan...”

Jiang Shan next to her, also trembled, pulled out a long sword, and jumped up!

“Come together? Very good, then let you be a pair of desperate mandarin ducks.” Duan Yu's eyes were full of playfulness.

As soon as Duan Yu raised his hand, a terrifying force erupted again, and the Kaitian axe flipped in the air and slashed towards Ouyang Zhennan and the others!

Seeing this scene, everyone below was shocked.

“Dad...Mom...” Mihui stomped her feet anxiously, her eyes red.

Seeing that the axe was about to fall, Ouyang Zhennan tried his best to condense the protective layer to resist!

“Boom!”

At the moment when the protective layer was formed, Jin Mang slashed fiercely! Ouyang Zhennan spat out a mouthful of blood and fell heavily to the ground!

On one side, Jiang Shan, like a broken kite, was shaken more than 100 meters away, and fell heavily on the ground, her life and death unknown.

“Mom...”

Seeing this scene, Mei Hui rushed over and hugged Jiang Shan in her arms.

At this time, Jiang Shan’s face was pale, her eyes were tightly closed, and the blood stained her dress red, and she was already in a coma.

“Kill! Defend the family!”

At this time, the surrounding Ouyang family disciples were also crazy, their eyes were blood red, and they rushed towards Duan Yu desperately.

However, the strength of these family disciples was completely vulnerable in front of Duan Yu.

Buzz!

Duan Yu laughed wildly, waving the giant axe in his hand, and saw that the surrounding air was almost completely torn apart! Those family disciples, who couldn’t rush forward at all, were torn to pieces!

This is a complete one-sided massacre!

In the blink of an eye, only a few dozen of the thousands of Ouyang Clan disciples could stand up! The entire family, the ground has been dyed red with blood, like hell!

Duan Yu swung an axe forcefully, swept away the few people in front of him, and walked slowly towards Ouyang Zhennan, with a cruel sneer on the corner of his mouth: “Patriarch Ouyang, aren’t you going to resist? That’s all you have?”

Said Really, at this time, Yu could easily kill Ouyang Zhennan, but he didn’t want to do it. He had to torture Ouyang Zhennan and make him suffer so much before he could die.

“I want you to survive!” Duan Yu roared, the words fell, and he kicked Ouyang Zhennan in the heart!

Ouyang Zhennan’s internal strength is almost exhausted, and he can’t escape at all!

Click!

With this kick, Ouyang Zhennan’s sternum was completely shattered! Hearing a muffled groan, Ouyang Zhennan flew out and fell heavily to the ground, covered in blood, horrible to watch!

“Brother Zhennan!”

Seeing this scene, Yue Feng's father, Yue Tianheng, suddenly shouted, his face full of anxiety!

For more than a year, Yue Tianheng and his wife have been practicing hard in the Ouyang family. At this time, they have reached the fifth rank of generals, but this kind of power is simply too small in front of Duan Yu!

"Patriarch Ouyang, it's time to hit the road." At this moment, Duan Yu said coldly, raising the axe again!

"Brother Zhennan..."

Seeing this scene, Yue Tianheng gave a loud cry, and before he had time to think about it, he rushed over! stand before him!

"Huh? Here's another one to die."

Duan Yu's eyes froze, and he locked Yue Tianheng in an instant, opened the axe in his hand, and turned abruptly, and a golden beam came directly towards Yue Tianheng!

When the axe fell, Yue Tianheng would definitely not survive!

"Tianheng!"

Yue Feng's mother, Su Yue, burst into tears at this moment, exclaimed, rushed over and hugged Yue Tianheng.

"Pfft!"

The axe hit Su Yue's back fiercely, and blood spurted out instantly! Afterwards, the huge impact force, together with Yue Tianheng, were blown away.

"Xiaoyue!"

Seeing Su Yue lying in a pool of blood, Yue Tianheng shouted like crazy, and rushed over and hugged her!

Seeing Su Yue's face, she was instantly pale, and there was a terrifying bloody mouth on her back, and all her internal organs were shattered.

The blood kept flowing out, Su Yue said weakly: "Tianheng, I...I'll go first..."

Chapter 1015

Su Yue closed her eyes before she said a word.

“Xiaoyue...” Yue Tianheng roared wildly, and his whole body collapsed completely.

The two have been married for more than 20 years and have been in love with each other! But now.. his wife just left him!

“Auntie!”

At this time, Xiao Xi, who was not far away, saw that Su Yue was killed, tears welling up on her delicate face!

The son’s mother was killed, he knew it must be very sad.

Son, come back soon.

Come back soon..

Crying in my heart, Xiao Xi cried into tears.

Compared with Xiao Xi’s sadness, Xiao Yuruo next to her had a calm face, looking at everything in front of her indifferently, as if it had nothing to do with herself.

“Duan Yu, you have to die!”

At this time, Ouyang Zhennan’s eyes were extremely blood red, and he roared, he wanted to stand up and continue to fight, but his dantian was almost exhausted, and he was completely powerless.

The corner of Duan Yu’s mouth evoked a trace of cruelty: “These words, you should go down there and tell the Lord of Hell.” The

voice fell, Duan Yu’s expression was cold, and he walked step by step.

“Patriarch!”

“Don’t hurt my patriarch.”

At this moment, more than a dozen family disciples rushed in frantically.

However, Duan Yu didn’t look at them at all, and he waved the Sky-Opening Axe in his hand.

“what...”

Under the flickering golden light, more than a dozen family disciples fell into a pool of blood with a scream before they rushed to the front!

Ouyang Zhennan's face was full of despair, completely collapsed!

It's over.. The Ouyang family, which has been inherited for a hundred years, is about to end.. Is it about to end!

"Patriarch Ouyang, I'll help you with the Fuyao Palace!" At this moment, a coquettish shout suddenly came from the horizon!

Following the voice, Ouyang Zhennan's heart was shocked, and there was hope in his eyes.

I saw more than a hundred figures in the sky not far away, flying quickly. These figures, wearing uniform long white dresses, are the elite female disciples of Fuyao Palace.

Headed by the six amazing fairies. It is the six palace masters of Fuyao Palace!

Fuyao Palace! Ouyang Zhennan's heart ignited hope, and the whole person was extremely excited!

When the Tianqi army attacked Donghai City, the seven fairies of Fuyao Palace came to support at a critical time and fought against Xingyao, and their performance was amazing.

They are here, the Ouyang family seems to be saved!

"Shu!"

At this moment, Duan Yu's eyes were tightly attracted by the Six Fairies.

Duan Yu saw that the six beauties in front of them had refined temperaments. Not only were they compact, but they were all really beautiful, like fairies descending to earth!

After taking a few glances, Duan Yu's mouth curled into a wicked smile, and said jokingly: "Tsk tsk, there are still people to support, all of you are women of Yue Feng, right? You are not ordinary people. Yue Feng's situation is gone, what's good about following him, why don't you just follow me and be my prime minister's wife, hahaha..."

Shuh!

Hearing this, Bai Shengshui and Er Qing's faces turned red all of a sudden, and they were very embarrassed.

"Shameless!" The

next second, the little fairy was too lazy to talk nonsense, raised her jade hand, clenched a long whip, and rushed over directly.

“Duan Yu, we are here today, you don't want to hurt the Ouyang family!”

“It's a shame that you are still the prime minister of Xicang Continent, but you used such a despicable trick to lead Yue Feng to pick the star building, and you came to attack the Ouyang family. !”

At the same time, several Bai Shengshui also scolded and scolded, and the six surrounded Duan Yu.

Seeing the countless casualties of the Ouyang family, the Six Fairies were furious!

“Hey...”

In the face of the anger of the six fairies, Duan Yu did not panic at all, but sighed regretfully: “Since the six of you have to die, then I will fulfill you!” After the

voice fell, Duan Yu sighed. The internal force exploded, and a terrifying aura swept out from the whole body. In an instant, the surrounding air seemed to be stagnant! At the same time, the Heaven-Opening Axe in his hand also flashed a dazzling light!
