### Chapter 1021

Yue Feng has never been able to comprehend the 'mountain and river map' on the second floor.

But now, seeing his mother being killed and his father crying heart-breakingly, Yue Feng only felt that a door had opened in his mind. What has been released now is the map of mountains and rivers!

Mountain and river map! It can absorb all the energy within a radius of hundreds of miles!

The flowers and trees with a radius of 100 miles were originally luxuriant, but at the moment when the mountain and river map was displayed, they completely withered! The magma underground and the energy of the grass and trees condensed into a fireball in Yue Feng's hands at this time! This fireball has a diameter of thousands of meters! Like the sun!

Feeling the terrifying energy of the fireball, everyone below was palpitated and at the same time inexplicably excited!

"Duan Yu, you die for me!"

Yue Feng roared, and the huge fireball instantly smashed into Duan Yu!

Just saw, where the fireball passed, the world was distorted! Like the end of the world!

What?

Duan Yu was startled, and hurriedly raised the Heaven-Opening Axe to resist!

"Boom!" The

fireball slammed on the opening axe, and the terrifying energy erupted, covering a radius of hundreds of miles, and it was illuminated by a fire!

"Wow!"

Duan Yu spat out a mouthful of blood, and his body flew out!

Even if he has an axe, he can't resist this trick! You must know that Duan Yu's internal strength was almost exhausted under the fierce battles.

This chapter is provided by . Visit for daily update.

After all, it takes a lot of internal energy to activate the Heaven-Opening Axe!

“puff.....”

After flying a few hundred meters away, Duan Yu stabilized his figure and spit out a few mouthfuls of blood!

And Yue Feng, after performing this trick of the mountain and river map, was also very weak in an instant.

The Great Destruction Technique is a method of destroying the sky and destroying the earth. Yue Fengneng’s display of the second-layer mountain and river map is already unexpected!

After this time, Yue Feng needs to rest for at least a month!

Whoa!

Seeing this scene, everyone was stunned, unable to recover for a long time.

This... is this a win?

The skills that Yue Feng released just now were too shocking.

“Hehe... ok, great! Yue Feng, you can do it! I will kill you if I say anything today!”

At this moment, Duan Yu resisted the weakness all over his body, clenched the Heaven-Opening Axe tightly, and locked it tightly. Yue Feng, rush here again! In fact, he has no strength, but Duan Yu knows that if he doesn’t kill Yue Feng today, it will be a big problem! So Duan Yu desperately wanted to kill him!

Seeing Duan Yu rushing towards him, Yue Feng clenched his fists and wanted to dodge, but he was too weak to dodge.

“Yue Feng!”

At this moment, Su Qingyan jumped up and pushed out a protective film to block the blow for Yue Feng.

At the same time, everyone in the White Holy Water has almost recovered. The six fairies and Su Qingyan greeted Duan Yu one after another!

“Crack!” The

little fairy threw out the whip, only to hear a crisp sound, and Duan Yu howled at once.

This whip made the skin he whipped open to pieces!

What!

Duan Yu gritted his teeth and cursed, he really has no strength now, and he didn't dare to fight in love at that time, he used all his strength to swing a few axes to force the girls back, and then turned around and ran!

"Sisters, catch up." Bai Shengshui let out a coquettish anger, and with a few fairies and Su Qingyan, chased after him directly.

Duan Yu killed so many people in the Ouyang family, and also killed Yue Feng's mother, how could he let him go like this?

Duan Yu fled desperately, looking back at the six fairies and Su Qingyan, who were chasing after him, with a smile on his face, and his pace quickened.

Pfft!

On the other side, in the Ouyang family, Yue Feng's eyes were blood red and his body was so weak that he slumped on the ground all of a sudden.

"Master!"

Seeing this scene, Xiao Xi exclaimed and ran over quickly.

Xiao Yuruo followed behind with an indifferent expression.

At this time, everyone present didn't pay attention, in Xiao Yuruo's hand, a dagger was tightly gripped.

When she got to the front, Xiao Xi supported Yue Feng and said worriedly, "Young Master, are you alright?"

When she said this, Xiao Xi was about to cry when she saw that Yue Feng was weak and his face was extremely pale.

Yue Feng shook his head: "I'm fine."

Pfft!

Before the words fell, Yue Feng's intuition felt cold, and he saw a sword directly penetrated his heart, and blood poured out instantly!

Yue Feng only felt that his eyes were darkened, he turned his head hard to look, and saw Xiao Yuruo holding the hilt of the sword, standing coldly in front of him.

“Yu Ruo...you...you...”

Yue Feng’s face was full of astonishment. As soon as he said two words, his eyes went black and he fell to the ground.

Chapter 1022 At

the moment of confusion, Yue Feng only felt extremely sad.

He never imagined that Xiao Yuruo, whom he loved deeply, would one day stab him with a sword!

“Young Master!” Seeing this scene, Xiao Xi’s delicate body was shocked, and her whole body was

stunned. Then she hugged Yue Feng tightly, and couldn’t help crying: “Young Master, Master, don’t you have anything to do...”

Having said that, Xiao Xi was in a hurry to help Yue Feng cover the wound, but Yue Feng’s whole heart was pierced, and the blood kept pouring out, and there was no way to stop it.

Although they have only been with Yue Feng for only a year, in Xiao Xi’s heart, she has long regarded Yue Feng as the closest person in the world. At this time, seeing Yue Feng lying in a pool of blood, Xiao Xi was so devastated that she almost wanted to faint.

“Xiao Yuruo!”

Xiao Xi’s face was full of tears, her eyes were red, and she looked at Xiao Yuruo closely: “Young master is so kind to you, before you meet again, he misses you day and night, why are you so cruel! You hurt I don’t care, why did you hurt the son, why! I really misjudged you before, you, you are not worthy of the son!”

When he said this, Xiao Xi’s whole body was shaking with anger.

When Xiao Yuruo hurt himself before, he should have told the young master when he woke up.

But she is too soft-hearted, but she believes that she has her own difficulties. Now that she even killed the son, how could she have any difficulties? !

Facing Xiao Xi, Xiao Yuruo’s face did not fluctuate at all, her eyes were indifferent: “Since you care so much about Yue Feng, go to hell with him.”

Although Ji Linglong has been arrested now, her control over Xiao Yuruo, still valid.

呸!

When the words fell, Xiao Yuruo clenched the long sword and stabbed Xiao Xi fiercely.

To be honest, Xiao Yuruo's strength is only that of a military general, but Xiao Xi has no inner strength and is an ordinary person, so he can't dodge at all.

"Okay!"

Xiao Xi's face was miserable, full of bitterness and sadness: "You kill me, the son is gone, Xiao Xi has no meaning to live anymore." After the

voice fell, Xiao Xi's face flashed a trace of determination, slowly Slowly closed his eyes. No hiding at all!

"Stop!"

At this moment, a coquettish shout came, and then, a slender figure rushed over and blocked Xiao Yuruo's sword.

It's the little fairy.

Originally, Little Fairy could follow Su Qingyan and her five elder sisters to chase Duan Yu, but those people were too fast for Little Fairy to keep up.

At this moment, the little fairy stood in front of Xiao Xi and said to Xiao Yuruo, "You, you... are you crazy?! Why did you hurt this girl." After the

voice fell, the little fairy looked at Yue Feng. Suddenly the body trembled!

At this time, Yue Feng had shed a large pool of blood, and he did not know whether to live or die!

"Yue.. Yue Feng, how are you, how are you... don't scare me, okay?" The little fairy's eyes instantly turned red, and she hugged Yue Feng.

"Xiao Feng!"

At the same time, Ouyang Zhennan, who was sitting cross-legged not far away, also changed his face, and asked Xiao Xi eagerly, "Xiao Xi, how is Xiao Feng?"

"Uncle Ouyang, your son's The situation is very dangerous, it seems... it seems like I'm going to die..." Xiao Xi responded, and she burst into tears as soon as she finished speaking.

What?

Hearing this, Ouyang Zhennan's eyes darkened and he almost fainted.

"quick...."

Chapter 1023 The

next second, Ouyang Zhennan eagerly shouted at the surrounding family disciples: "Let Miss Su Qingyan come back."

"Yes!"

At this time, Ouyang Zhennan was really anxious!

Under the fierce battle just now, the inner strength in his body was completely exhausted, and at this time he didn't even have the strength to stand up.

The little fairy on the side, with tears streaming down her face, looked at Xiao Yuruo, and said, "You are really a scorpion, you hurt Yue Feng! You don't want to leave!" As the

voice fell, the little fairy stretched out her finger and touched Xiao Yuruo's acupuncture point. live.

Xiao Yuruo was at the level of Martial Saint, of course Xiao Yuruo couldn't resist. In a blink of an eye, Xiao Yuruo was frozen there, unable to move.

"Whoosh! Whoosh..."

At this moment, in the air not far away, several figures came quickly.

"Yue Feng!"

Su Qingyan burst into tears and walked over quickly, only to see that Yue Feng's face was pale, completely unconscious, and his breath was extremely weak.

"Yue Feng..." Su Qingyan blushed and shouted at Xiao Xi, "Xiao Xi, what's going on? How could this happen? Who, who hurt him!"

Just now, she went after Duan Yu by herself. At that time, Yue Feng was fine. In such a blink of an eye....

At this time, Xiao Xi was heartbroken and almost speechless.

"Xiao Xi!" Su Qingyan bit her lip tightly and said, "Did Xiao Yuruo hurt Yue Feng!"

Seeing Xiao Xi choking, she nodded and cried, "Yes, it's Xiao Yuruo, she took advantage of the son's unpreparedness, I stabbed a sword from the back, Sister Qingyan, I am so sorry, I regret that if Xiao Yu hurt me before, I didn't tell the truth to your son."

"Xiao Yuruo!" Su Qingyan clenched the sword in his hand: "Yue Feng and you have been through so much, why do you want to be cruel to him? You tell me...you tell me!"

Su Qingyan at this time , I really want to kill her with a sword!

But at this moment, Su Qingyan saw that in Xiao Yuruo's hand, she was holding a crystal ball.

As the Sect Master of Wenzong, how could Su Qingyan not recognize this crystal ball? This thing can transmit sound over a thousand miles!

Su Qingyan trembled all over, and doubts arose in her heart. How could there be a crystal ball in Xiao Yuruo's hand? Is she being controlled by someone else? Thinking of this, Su Qingyan looked around: "All men, turn around!" After the words

fell, Su Qingyan stepped forward and lifted Xiao Yuruo's long skirt.

Su Qingyan is well-informed. She once heard of a witchcraft that can control people in an ancient book. This kind of witchcraft has been lost for a long time. It is said that it is only necessary to draw a spell on a person's waist to control a person.

At this time, all the men present turned their heads. Su Qingyan lifted Xiao Yuruo's long skirt, and saw that a green spell was actually drawn on her waist!

With a cold face, Su Qingyan asked a maid to fill a basin of water, and then washed Xiao Yuruo's waist with the charm repeatedly.

This spell is painted with special dyes and is extremely difficult to wash. After ten minutes of washing, Xiao Yuruo's waist turned red, and the spell was washed away.

The moment the spell fell, Xiao Yuruo trembled.

"I'm there... why do I feel so dizzy..." Xiao Yuruo said softly with a bewildered face.

By this time, she had regained her senses. If Xiao Yu could remember, the Emperor Tianqi had let himself marry Duan Yu. Later, Ji Linglong tied herself up and drew a spell on her waist.

I can't remember what happened after that.

Xiao Yuruo looked around blankly. It seemed that this place belonged to the Ouyang family. When she was sucked in by Hu Sanyang, she had only one day left to live, so she married Yue Feng in the Ouyang family.

However, at this time, how could the Ouyang family be in ruins?

Chapter 1024

Seeing Xiao Yuruo completely awake, everyone present looked complicated.

Really good-for-nothing.

If she knew that she was controlled by others and stabbed Yue Feng, how uncomfortable would it be?

Finally, Xiao Yuruo came back to his senses completely, and asked the six fairies in front of him: "The six palace masters, where is Yue Feng..."

When the seven fairies supported Donghai City and fought against Xingyao, Xiao Yuruo was deeply impressed by them and knew even more They have a good relationship with Yue Feng.

They are here, and Yue Feng must be there.

"Yue Feng he..."

The gazes of several fairies turned to Yue Feng at the same time.

Xiao Yuruo followed their gazes, and when she saw it, her delicate body was shocked, and tears fell down!

"Yue Feng!

Xiao Yuruo walked over quickly and saw that Yue Feng was covered in blood, and couldn't help crying: "How could this happen? Who wounded Yue Feng.. Yue Feng, wake up, wake up, okay?"

For a while, the six fairies breathed a sigh of relief and couldn't bear to say it.

Sun Dasheng and Wen Chouhou also looked at each other. , The two brothers sighed deeply.

"Miss Xiao, have you forgotten? Did you stab the sword just now? "

However, many disciples of the Ouyang family around, who didn't know who they were at this time, couldn't help but say something.

This sentence completely made Xiao Yuruo collapse!

What...

Yue Feng... was hurt by himself...

Hearing this, Xiao Yuruo's heart trembled, and she already guessed that she should be controlled by Ji Linglong.

"Wow..." The next second, Xiao Yuruo burst into tears!

Yue Feng will be fine.

Certainly not!

At this moment, Xiao Yuruo hugged Yue Feng tightly in her arms and gently stroked his pale face with both hands.

The bits and pieces of the previous time with Yue Feng kept reappearing in her mind.

Yue Feng, let's get together less and leave more, we haven't been together yet, please don't scare me, okay, don't scare me anymore, wake up soon, don't scare Yuruo..

"Yue Feng. "..."

Xiao Yuruo's tears flowed freely: "Yue Feng, I don't allow you to have an accident, have you heard what I said? I am Yuruo, your Yuruo, I'm sorry for you, you wake up and look at me, You can also stab me with one sword, ten swords, or a hundred swords, I just ask you to tell me something..." The

more Yu Ruo said, the more sad, heartbroken, the tears seemed to be unstoppable!

Seeing this scene, everyone around was stunned.

"Miss Yuruo."

At this moment, Bai Shengshui couldn't help but softly said: "Miss Yuruo, let's go to the house first and let Yue Feng lie down quickly. Yue Feng's heart has been pierced, we have to think about it as soon as possible. It's too late."

"Okay, okay." Xiao Yuruo kept nodding her head as tears fell on Yue Feng's chest.

The little fairy on the side also has red eyes, so she can't be in a hurry.

Although Yue Feng always called himself a 'little wife' and was always glib, but in the heart of the little fairy, she really didn't want Yue Feng to have an accident.

Back then, Fuyao Palace was under the control of Hu Sanyang, Hu Sanyang used the name of the little fairy to lead Yue Feng over, and Yue Feng came without a word.

This matter, the little fairy has always kept in mind, especially moved.

At this time, the little fairy did not know that she had already made a secret promise to Yue Fengfang.

All she knew was that her heart would be broken when she saw Yue Feng not knowing her life or death.

“Om!” The little fairy’s jade hand was placed on Yue Feng’s dantian, and the majestic internal force was instilled in it. But these internal forces can only temporarily relieve Yue Feng’s pain and prolong his life.

After losing the internal force, several children of the Ouyang family walked over and carried Yue Feng to the bedroom. Yue Feng was seriously injured, and the blood stained the sheets red.

On this day, the entire Ouyang family was in unprecedented silence.

In this battle, the Ouyang family suffered heavy casualties. It can be said that it was an unprecedented catastrophe for the Ouyang family for hundreds of years.

Anger, sadness, grief, enveloped the entire family.

In less than a day, the Ouyang family was almost wiped out, and at the same time, the news that Yue Feng was severely damaged spread throughout the rivers and lakes.

For a time, all the sects in Jianghu, and even all walks of life in the mainland, were discussing this matter.

All kinds of rumours abound.

Some people say that Yue Feng killed an innocent female anchor before and was hit hard in the battle. This is retribution.

Some people also say that Yue Feng values love and righteousness, and if he really dies, he will be jealous of talents.

In short, there is nothing to say.

Two days passed in a blink of an eye, and none of the sects came to visit Yue Feng in the Ouyang family. In the hearts of these sects, since they no longer recognize Yue Feng as the leader of the alliance, Yue Feng’s life and death have nothing to do with them.

The indifference of the various sects made the six fairies and the Ouyang family feel very chilled.

Yue Feng has done so many things for the Earth Circle Continent before, eradicating the evil forces in the rivers and lakes, eliminating the evil and promoting the good, and resisting the Apocalypse army.

And now, just because of the death of a female anchor, she is being treated like this.

Chilling.

During these two days, Sun Dasheng, Wen Chou Chou, Liu Xiannv, Su Qingyan and others, every two hours, took turns inputting internal energy to Yue Feng to save his life.

First, the second layer of the Great Destruction Technique, Mountains and Rivers Map, was exhausted and extremely weak, and then Xiao Yuruo pierced the heart. It can be said that this is the most serious injury Yue Feng has suffered since he became a cultivator.

In this case, Wen Chou Chou and others must give Yue Feng internal energy to save his life every two hours, otherwise, Yue Feng may let go at any time.

Chapter 1025

In the past two days, everyone thought of various ways to treat Yue Feng, but there was no improvement.

For a time, the entire Ouyang family, as well as Sun Dasheng and Bai Shengshui, were shrouded in despair.

At this moment, Yue Feng was lying there quietly in the room, his face was pale and his breath was extremely sluggish.

The crowd gathered around him, and the atmosphere was indescribably depressing.

“Bang!”

Sun Dasheng’s eyes were red and anxious, he punched the wall and almost cried.

It’s been two days. It’s been two full days.

Everyone tried various methods, but Yue Feng still didn’t wake up.

“Sect Master Su, you are well-informed, is Feng Zi really helpless...” Sun Dasheng’s tears flowed down with a slam.

“Huh...” Su Qingyan exhaled a long breath, only to feel that her heart was broken: “Yue Feng’s heart has been pierced. I’m afraid... I’m afraid there is really no way to do it...”

Om!

Sun Dasheng’s head was blank, and he was a strong man, but his eyes were black, and he almost fainted.

correct!

Heart of the Ocean!

However, at this moment, Dasheng Sun’s eyes flashed and he looked at Su Qingyan again: “Sect Master Su, do you have the heart of the ocean in the East Ao Continent?!”

When he asked these questions, Dasheng Sun’s eyes were full of anticipation!

I remember that three years ago, the old man of the Yue family was seriously ill and was in urgent need of bone marrow donation. At that time, Yue Feng was going to donate bone marrow, but was stopped by Sun Dasheng. Because of this incident, Sun Dasheng was stabbed by Master Miaoyuan, and his lungs were pierced!

At that time, only the Heart of the Ocean could save Sun Dasheng. Because the heart of the ocean can block the wounds of human internal organs!

In order to get the heart of the ocean, Yue Feng did not hesitate to kneel down and wash his feet for Yu Mo when he went to save Sun Dasheng! In the end, he finally got the Heart of the Ocean and rescued Sun Dasheng.

Thinking of this, Sun Dasheng was extremely excited! The heart of the ocean, since it can block the wounds of human internal organs, can it really save Yue Feng? !

But it is rumored that the Earth Circle Continent only has the heart of the ocean, which was used by himself. Now the entire Earth Continent, I am afraid that the Heart of the Ocean will no longer be found. But the absence of the Earth Circle Continent does not mean that the Dongao Continent does not exist!

“Sect Master Su, do you have the heart of the ocean in Dongao Continent?” Sun Dasheng asked again.

Huh..

Looking at Sun Dasheng’s urgent eyes, Su Qingyan sighed softly, shook her head and couldn’t hide her sadness: “This is the first time I’ve heard of such a heavenly treasure as the Heart of the Ocean...” “

While saying this, Su Qingyan looked at Yue Feng lying there, and tears flowed silently.

Two days ago, Su Qingyan issued an order to Wenzong, asking Wenzong's disciples to do everything possible to find the elixir to heal the heart. For two days, Wenzong kept sending various healing elixir, but to no avail.

Just yesterday, the Danzong Sect Master Zheng Chunqiu also rushed over and brought a thousand-year-old Ganoderma lucidum.

However, Wannian Lingzhi, even though it was a top-quality elixir, was useless at all.

For a time, everyone was at a loss, and the atmosphere in the room was extremely depressed.

“Wow...”

At this moment, the little fairy couldn't help crying, she walked to the bed and cried at Yue Feng: “Yue Feng, wake up, I beg you...”

Now Yue Feng's situation is getting worse and worse, and only relying on the input of internal force can no longer support his life.

Thinking that Yue Feng might leave at any time, the little fairy could no longer control herself.

“Little sister!”

Bai Shengshui was also indescribably sad, and gently persuaded the little fairy: “Don't worry, there must be a way.”

Hearing this, the little fairy suddenly thought of something, and quickly pulled White holy water, walked out of the room.

In a secluded place outside, the little fairy stopped: “Eldest sister, I think, I want to ask you one thing.”

Bai Shengshui was confused and couldn't help but say, “What's the matter?”

Phew!

The little fairy took a deep breath, bit her lip and said, “Eldest sister, let's take out the lotus lantern and let me save Yue Feng.”

## The ultimate husband in Chinese chapter 1026-1030

### Chapter 1026

Hearing this, Bai Shengshui's face changed. Without thinking, he shook his head and refused: "No, this is absolutely not possible." The

lotus lantern is the treasure that Bai Shengshui obtained in Kunlun Mountain. This lamp absorbs the heaven and the earth. Essence, contains supreme aura!

Bai Shengshui thought about using the wick of the Lotus Lamp to save Yue Feng, but the price was too high.

It's not that I feel sorry for the lotus lamp, but simply using the wick of the lotus lamp cannot save Yue Feng! You still need a person to actively give your own essence, and after integrating with the wick, let Yue Feng consume the wick. This might save Yue Feng.

And those who donate their energy must be at the level of Martial Saint or above! Because people below Wu Sheng, the energy is too weak. Even if it is integrated into the wick, it has no effect.

Without energy, a person can only live for a day at most!

Which martial arts master would be willing to lose his life to save Yue Feng?

And now, the little fairy wants to save Yue Feng with the lotus lantern, obviously she has to sacrifice herself in exchange for Yue Feng's life.

Bai Shengshui looked at the little fairy and stomped angrily: "Little sister, eldest sister can't promise you."

Although the seven fairies of Fuyao Palace are not sisters, they are brothers and sisters!

Although Yue Feng is kind to Fuyao Palace, but as the eldest sister, Bai Shengshui cannot let the younger sister use her own life to save him!

A life for a life, the price is too great!

If a person has no energy, he can only live a day and a night!

“Big sister, even if I beg you.” The little fairy pleaded with tears streaming down her face.

Bai Shengshui shook his head: “Little sister, I won’t give you the lotus lamp. That’s right, if you use your essence to fuse the wick of the lotus lamp, it can indeed save Yue Feng. But, you know I don’t know, you have no energy, you can only live for a day at most, is it worth it?! I don’t allow you to do this, we will think of a way, there must be a way to save Yue Feng.” The

voice fell, Bai Shengshui looked Glancing at the little fairy, she turned and returned to the room.

In Bai Shengshui’s heart, no one in the world is more important than the lives of his sisters.

Not even the benefactor Yue Feng.

At this moment, the little fairy froze there, tears kept flowing out, and her heart was full of despair.

In this world, apart from the lotus lantern, there must be no other way to save Yue Feng!  
no!

Yue Feng must not die. You have to save him.

Thinking to herself, the little fairy quickly left the Ouyang family and rushed towards the main altar of Fuyao Palace with a determined look on her face.

The lotus lantern is a weapon, the more it absorbs the essence of heaven and earth, the more powerful it will be. So Bai Shengshui kept the lotus lantern in the secret room of Fuyao Palace.

The eldest sister didn’t give it, so she could only get it secretly.

Bai Shengshui returned to the room and saw that everyone was still discussing how to treat Yue Feng.

The three fairies stepped forward and asked, “eldest sister, where is the little sister? Didn’t she go out with you just now?” The

three fairies knew that Yue Feng's life was hanging by a thread, and the little sister was the saddest.

Bai Shengshui sighed lightly and said, "Let her calm down by herself."

While speaking, Bai Shengshui sat down, picked up a cup of tea, and took a sip.

But she didn't expect that an hour had passed and the little fairy hadn't come back.

The three fairies were not at ease, and went out to take a look. After a while, she returned with a complicated expression.

"Big sister, little sister is not outside."

Damn!

Hearing this, Bai Shengshui trembled in his heart, and said to the four fairies: "Quick, chase the little girl back. She must go back to Fuyao Palace to get the Baolian Lantern! She wants to use her own energy to save her. Yue Feng, hurry up and chase!" The

voice fell, and Bai Shengshui ran out of the room.

What? !

In an instant, the expressions of the four fairies changed, and they followed closely!

The lotus lantern can save Yue Feng. Several fairies know about this, but no one has mentioned it. Because they knew that if they wanted to save Yue Feng, they had to have a person above the Martial Sage who volunteered their energy! If you want to save Yue Feng, you must sacrifice one's life! This is so cruel! So a few fairies kept their mouths shut, and no one said anything about it.

Now it seems that the little sister is planning to use her own energy to save Yue Feng!

For a time, the fairies were all anxious and rushed to Fuyao Palace. However, they were still a step too late.

Chapter 1027

.....

Fuyao Palace!

The little fairy finally arrived and went directly to the secret room. Seeing that the door was locked, without any hesitation, he slapped it with a palm.

boom!

With a roar, the door of the secret room was directly smashed, and the little fairy rushed in regardless of the dust and smoke, and soon came out with a jade lamp.

It is the lotus lamp!

“Yue Feng, you won’t die, definitely won’t die.”

At this moment, a smile appeared on the little fairy’s face and muttered to herself.

–Ouyang

family!

It was already late at night, and the room was incomparably silent, except for the very faint sound of Yue Feng’s breathing.

Sun Dasheng, Wen Chou Chou and others went back to rest temporarily, leaving only Su Qingyan by the bedside, always keeping an eye on Yue Feng’s condition.

Su Qingyan had not closed her eyes for two days and two nights, and was physically and mentally tired, but she firmly believed that Yue Feng would definitely survive, and a miracle would definitely happen.

When he fell into the crater at the beginning, he was blessed by misfortune. He merged with the cold fire of Bailian. Even if his heart was pierced now, he would not die, definitely not...

squeak!

At this moment, the door was pushed open, and the little fairy walked in quickly, holding the lotus lantern in her hand, her face full of joy and eagerness: “Yue Feng, I’m here to save you.”

When she said this, look at When there was only Su Qingyan in the room, the little fairy suddenly breathed a sigh of relief.

Fortunately, the eldest sister and they are not here.

Little Fairy didn’t know yet, but a few Bai Shengshui went to intercept her.

It’s just that the two sides did not follow the same route, so they didn’t meet.

“Miss Erqing, this is...”

Seeing the lotus lantern in the little fairy's hand, Su Qingyan sensed a surge of spiritual energy, and couldn't help asking.

"This is called the Baolian Lantern. It is the treasure of our Fuyao Palace. It can save Yue Feng." The little fairy said as she walked quickly to the bed.

Yeah?

Su Qingyan was both surprised and happy! Not to mention too happy.

The little fairy smiled and said, "Sister Qingyan, please help me guard the door, and don't let anyone come in to disturb you."

"Okay, okay!" Su Qingyan didn't even think about it, she quickly went out and was at the door guard.

call!

Seeing Su Qingyan go out, the little fairy breathed a sigh of relief.

Immediately afterwards, the little fairy stepped forward, squatted beside Yue Feng's bed, unable to hide her deep feelings, and said softly: "Yue Feng, a few of our sisters fell into Hu Sanyang's hands before, it was you who saved us, Now it's my turn to save you." The

voice fell, and two strings of crystal tears fell from the little fairy's face.

She knew that once she stimulated her energy, she would be able to live for another day at most.

But there is no other way to save Yue Feng, he has to do it! Yue Feng couldn't hold on for long, he couldn't wait any longer!

hum!

The little fairy stimulated her inner strength, and she saw a touch of essence, slowly emerging from the little fairy's body and blending into the lotus lantern.

"Om!"

At this moment, the lotus lanterns glowed everywhere, illuminating the entire room at once! Then, I saw a ball flying out of the lotus lantern!

This is the wick of the Baolian lamp! The wick at this time has already merged with the spirit of the little fairy!

The little fairy forced a smile, and the jade hand held the wick and gently stuffed it into Yue Feng's mouth.

After a while, I saw Yue Feng's pale face gradually returning to rosy, and the broken heart was also quickly healing!

It worked!

At this time, the little fairy was extremely pale and weak, but there was a happy smile on the corner of her mouth.

Without the energy, the little fairy clearly felt that the strength of her body was dissipating little by little.

Chapter 1028

But she doesn't care, as long as Yue Feng can wake up, it's worth it to die immediately!

"Alright?"

At this time, Su Qingyan outside the door couldn't help but gently opened the door, glanced inside, and asked.

When asking, Su Qingyan's attention was all on Yue Feng, and she didn't notice the pale face of the little fairy.

The little fairy smiled and said softly: "Okay, Sister Qingyan, you can come in." That's great!

Su Qingyan was extremely happy, she walked in quickly, and saw Yue Feng's complexion improving, she was extremely happy.

You know, Yue Fengfu has a big life and will definitely not die so easily.

For a while, Su Qingyan couldn't help holding Little Fairy's hand: "Little Fairy, thank you so much, I don't even know how to thank you, I..."

Hmm? !

At this moment, Su Qingyan frowned tightly! She can clearly feel that the little fairy's hands are a little cold, and the inner strength of her dantian is extremely weak!

"What's the matter? Sister Erqing, you..." Su Qingyan was startled secretly and couldn't help but speak.

At this moment, Su Qingyan clearly felt that the little fairy's hand was a little cold, and the inner strength of her dantian was extremely weak.

"What's the matter? Why is your Dantian pulse so weak..." Su Qingyan was secretly surprised and couldn't help but speak.

The little fairy shook her head lightly: "Sister Qingyan, I'm fine, just urging the lotus lantern, it consumes too much internal energy."

Hearing this, Su Qingyan didn't think much, and quickly said: "Then you Hurry up and rest, I'll watch Yue Feng here."

When saying this, Su Qingyan's eyes flashed with concern.

"I'm not leaving... I'm fine..." The little fairy shook her head and looked at Yue Feng closely.

I can live for one day at most. In this short day, I have to accompany Yue Feng, so I have no regrets.

Seeing her firm face, Su Qingyan nodded and said nothing more.

Su Qingyan felt that the little fairy liked Yue Feng very much.

However, Su Qingyan wasn't jealous at all, the little fairy was beautiful and kind, and everyone liked it when she saw it, not to mention, she also saved Yue Feng.

For a while, the room fell silent.

Su Qingyan and the little fairy stopped talking and looked at Yue Feng closely.

"Well..."

After a while, Yue Feng let out a grunt and slowly woke up.

When he opened his eyes, Yue Feng only felt that his whole body was weak and weak, and there was a faint pain in his heart.

Nima.

How long have you been in a coma?

"Yue Feng!"

"Yue Feng, that's great, you're finally awake."

At this moment, the little fairy and Su Qingyan were both extremely happy and shouted in unison.

Immediately afterwards, Su Qingyan smiled and said, "I'll call Xiaoxi and Dasheng." After saying that, she quickly walked out the door.

Yue Feng turned the corner, and the Great Sage and the others must be very happy.

At this moment in the room, the little fairy couldn't help but grab Yue Feng's hand, unable to hide her inner joy: "Yue Feng, you are finally awake."

While speaking, the little fairy's eyes were red.

His energy was finally not wasted in vain! Thank goodness, Yue Feng woke up..

Looking at the little fairy's crying eyes, Yue Feng felt warm in his heart, but he couldn't help joking: "Little wife, you are so worried about your husband."

Hearing this, the little fairy His face immediately turned red. However, this time she did not scold Yue Feng.

Yue Feng scratched his head.

Strange..

According to the past, I called her little wife, the little fairy should be very angry, and then scolded herself for being indecent.

What happened this time?

Chapter 1029

At this moment, Yue Feng noticed that something was wrong with the little fairy. Looking at her pale and weak face, he couldn't help asking: "Little wife, what's the matter with you?"

"I..." The

little fairy opened her mouth . , Just after saying a word, there was a sound of footsteps outside.

Immediately afterwards, Sun Dasheng and Xiao Xi walked in excitedly.

"Haha... I knew you would be okay, kid."

As soon as he came in, Sun Dasheng laughed.

Xiao Xi rushed over and threw herself into Yue Feng's arms, crying with joy: "Young Master, you are awake, do you know how worried Xiao Xi is..."

Feeling Xiao Xi's excitement, a warm current rose in Yue Feng's heart, lightly He patted her on the back, smiled and comforted: "Okay, okay, isn't the son all right now?"

Seeing this scene, the little fairy showed a smile even though her face was pale and weak.

"Little sister!"

At this moment, there was an urgent call from outside, and then, a few fairies came quickly!

"Little girl! You..."

The moment she came in, she saw the face of the little fairy and the lotus lantern beside her, Bai Shengshui's delicate body trembled, and she said with indescribable grief: "You, why are you so stupid?"

When I returned to Fuyao Palace before, I saw that the lotus lantern in the secret room had been taken away.

But at this time, seeing Yue Feng's awakening and the incomparably weak appearance of the little fairy, they knew that they were still a step too late.

The little sister has used her own energy to save Yue Feng.

At this moment, Bai Shengshui was heartbroken, and the other four fairies also had red eyes.

The two fairies had just died, and neither of them had come out of their grief.

Are you going to lose your little sister now?

Seeing that the atmosphere was not right, Yue Feng put away his hilarious smile and asked Bai Shengshui, "What's the matter? Grand Palace Master!"

After saying that, Yue Feng was even more puzzled when he saw the lotus lantern beside him.

Others were also surprised. Everyone was happy just now, and it was only at this time that they came to their senses.

How did Yue Feng wake up.

How did the little fairy save her?

For a time, all eyes were focused on Bai Shengshui.

call!

Under the gazes of everyone, Bai Shengshui took a deep breath, unable to hide the sadness in his heart, and looked at Yue Feng: "Yue Feng, do you know that little sister sacrificed her own energy in order to save you, she... She has at most one day to live."

What? !

When the voice fell, everyone present was shocked!

Everyone present is a cultivator and knows what essence qi means to people!

Once there is no energy, people lose their vitality.

It's like running out of oil and dying, you can live a day and a night at most!

At that time, Yue Feng's head was buzzing, and he felt that his whole body was shaking, his eyes were instantly bloodshot, he held the little fairy's hand tightly, and said hoarsely: "Why are you so stupid, why are you so stupid!"

Yue Feng's chest hurt! Can't accept this fact at all!

Three years ago, Xiao Yuruo was sucked in by Hu Sanyang, and he only had one day and one night to live. It was Ren Yingying who used the silver needle to prolong her life and extended Xiao Yuruo's life. Later, Yue Feng killed the Kunlun faction and obtained the Phoenix Gallop to save Xiao Yuruo.

Phoenix gall, there is only one in the world!

Chapter 1030

Moreover, Ren Yingying is far away in the Apocalypse Continent, how can she extend the life of the little fairy!

The little fairy now has only one day and one night of life left! Thinking of this, Yue Feng burst into tears!

Feeling Yue Feng's grief, the little fairy smiled weakly: "As long as I can save you, I don't have any energy, what is it? You go to protect... I'm just a woman, it's worth exchanging my life for yours."

When she said this, the little fairy had a smile on her face.

Whoa!

Hearing these words, Sun Dasheng and Wen Chou Chou stood there in a daze, as if their chests were blocked by a big stone.

“No!”

At this moment, Yue Feng completely collapsed! I couldn't bear it any longer, I hugged the little fairy in my arms, tears kept flowing: “Why are you so stupid, I don't deserve this... How can you be so stupid, stupid girl...”

Yue Feng desperately He shouted, raised his head with tears in his eyes, looked at Bai Shengshui closely, and asked with anticipation: “Grand Palace Master, the little fairy can still be saved, right? Tell me quickly... how can I save her, how can I save her? She...”

Alas.

Bai Shengshui sighed deeply, looked at the little fairy, and shook his head.

“Yue Feng, while there is still a day left, you can spend more time with my little sister, and don't waste her, I have a lot of affection for you.” Bai Shengshui said softly, forcing himself not to cry, turned around and walked out of the room.

Everyone else looked at each other in dismay, and all of them looked sad, and then walked out.

They are not fools, it can be seen that the little fairy has a deep affection for Yue Feng, otherwise, she would not use her own energy to exchange Yue Feng's life.

Since there is only one day left, let the two of them talk alone.

For a while, only Yue Feng and Little Fairy were left in the room.

The atmosphere is subtle and heavy.

I don't know how long it was silent, but Yue Feng kept holding the little fairy's hand. At this time, he couldn't bear it any longer, and his tears couldn't stop flowing: “Why are you so stupid, I'm not worth it, it's not worth it. “...”

Among the seven fairies, the first one I knew was the little fairy. When she thought that she was about to lose her fragrance, Yue Feng felt like a knife, extremely uncomfortable!

Feeling Yue Feng's sadness, the little fairy smiled weakly, and said softly: “Yue Feng, you still call me the same as before, okay?”

When the voice fell, a bit of a faint appeared on her weak face. The shyness came out. Not rosy.

Called that before?

If it was before, Yue Feng would definitely laugh when he heard the little fairy say such words. But at this time, he couldn't laugh, and he hugged her in his arms: "Little wife..." The

voice fell, and Yue Feng was already sobbing!

The little fairy's face was filled with joy, she leaned against Yue Feng's chest tightly, and muttered to herself: "Yue Feng, I only know now that I have always liked you in my heart. You call me my wife, and I will never kill you again. Hey ." After speaking, the little fairy

sighed softly: "Is this what it feels like to be in love? It's wonderful."

Although she knew that she would not live long, the little fairy was not sad at all. At this time, she was snuggling in Yue Feng's arms. The corners of his mouth lifted up, revealing a satisfied smile.

The more she is like this, the more distressed Yue Feng is.

"I won't let you die, I definitely won't..." Yue Feng hugged the little fairy tightly, his voice choked up again: "There must be a way. Little wife, wait for me, I'll send someone to inquire. , I will definitely find a way to cure you... I will definitely..." The

voice fell, and Yue Feng was about to get up.

"Yue Feng!" The

little fairy hurriedly pulled him, squeezed out a smile, shook her head and said, "There is no other way, you don't want to go out, just stay with me here, okay..."

Seeing her say that, Yue Feng gave a His heart sank, his nose was sore, he nodded and

said, "Okay!" With that, Yue Feng took the little fairy into his arms again.

Feeling the warmth of Yue Feng's chest, the little fairy's weak face filled with a trace of happiness: "I had imagined before, what it would be like to be held in your arms, so it's so warm..."

Listen At this point, Yue Feng felt sour, unable to control it, only felt that his heart was bleeding!
