### Chapter 1031

...

At this moment, outside the room.

After experiencing this catastrophe, every disciple of the Ouyang family has a heavy heart.

In the past few days, while rebuilding the mansion, the Ouyang family strengthened the surrounding security. Around the mansion, every few meters, they set up guards and patrols.

Before letting Duan Yu run away, there is no guarantee that he will not make a comeback.

The Ouyang family was very vigilant.

At this moment, a slender figure came hurriedly, wearing a mask on his face, his forehead was full of sweat, and his eyes like autumn water were also flashing with anxiety.

It was Liu Xuan.

For the past two days, she has been near Ouyang's mansion. Wait for Yue Feng to come out. Today, she heard two Ouyang clan's children discuss, saying that Yue Feng seems to be dying. Liu Xuan was so anxious that after thinking about it, she decided to go see Yue Feng.

"Stop, who?"

As soon as she arrived at the gate, Liu Xuan was stopped by several disciples of the Ouyang family.

"I want to see Yue Feng!"

Liu Xuan's face was already dripping with sweat, and her eyes were full of urgency.

Several family disciples looked at Liu Xuan up and down, and then one of them asked, "Who are you?"

When he said this, he couldn't hide the suspicion in his eyes.

This chapter is provided by . Visit for daily update.

After Duan Yu's incident, the entire Ouyang family was very vigilant. As long as they were strangers, they had to ask clearly.

"I am him..."

At this moment, Liu Xuan wanted to say that she was Yue Feng's wife, but just after saying three words, she immediately changed her words: "I am his friend..."

She is so ugly now, how can she still be Yue Feng's wife .

But no matter what, he had to see Yue Feng.

As long as he sees that Yue Feng is all right, he doesn't need to worry.

"Friend? What's your name, where did you come from?" The disciple continued to ask, his vigilance undiminished.

The woman in front of her, who said she was a friend of the young master, was wearing a mask and did not dare to show her face.

So suspicious.

Liu Xuan suddenly became anxious: "I'm really a friend of Yue Feng, just let me go in and see him. I'm outside the door, just take a look at him and leave, just take a look..."

However, several family disciples did not care at all. move.

"What's the matter?"

At this moment, a voice came from a distance, and then, Sun Dasheng strode over.

"Sect Master Sun, this woman keeps saying that she wants to see our young master. We see that her identity is suspicious and we are interrogating her." The disciple of the family quickly reported the situation.

Suspicious woman?

Sun Dasheng's eyes sank, and he looked up and down at Liu Xuan: "Who are you?"

"Dasheng!"

Liu Xuan's face brightened and she asked eagerly, "How is Yue Feng? Is he okay?"

Sun Dasheng He didn't answer directly, but continued to ask coldly, "Who are you?"

In Sun Dasheng's heart, Liu Xuan had already been killed by Lu Jiechen. At this time, Liu Xuan was wearing a mask, so how could Sun Dasheng recognize it.

Liu Xuan was so anxious: "Great Sage, I am Liu Xuan."

Chapter 1032

Liu Xuan?

Hearing this, Sun Dasheng sneered: "My sister-in-law is dead, who are you! Impersonating my sister-in-law, you are courting death!" When the

words fell, Sun Dasheng didn't bother to talk nonsense, and with a flash, he rushed over. Turning the palm of his hand, he ripped off Liu Xuan's mask!

Sun Dasheng's strength is a period of Martial Emperor, how can Liu Xuan escape! The mask was removed at that time.

hiss!

At this moment, seeing Liu Xuan's appearance, Sun Dasheng's body was shocked, and he was immediately stunned.

What an ugly woman!

Immediately afterwards, Dasheng Sun calmed down and frowned, "Are you really Liu Xuan?"

Although half of Liu Xuan's face was extremely ugly, the other half of her face was snow-white and smooth, intact as before, and Dasheng Sun could see it!

Liu Xuan was shocked and nodded.

"Sister-in-law...you...you're not dead! Your face...how...has become like this?" Sun Dasheng was full of surprise, and his mind was full of questions.

Liu Xuan didn't feel in the mood to explain these things, so she hurriedly asked: "Don't ask these questions, how is Yue Feng? Is he okay?"

Sun Dasheng came back to his senses and said, "The situation before Fengzi, It's really worrying, but people are all right now."

After speaking, Sun Dasheng continued enthusiastically: "Go, I will take you to see him now, if he knows you are not dead, he will definitely be very happy."

call!

Liu Xuan breathed a sigh of relief, and the heart that had been hanging all the time also fell to the ground.

Immediately, under the expectant gaze of Sun Dasheng, he shook his head: "I'm not going to see him anymore, he's all right, so I'm relieved. By the way, don't tell him, I've been here." Here, Liu Xuan took out a piece and handed it to Sun Dasheng.

It was the sky patching stone that Liu Xuan obtained in the stone prison in Heifengzhai before.

Of course, Liu Xuan didn't know what it was, but only knew that the stone contained spiritual energy. Since Yue Feng was seriously injured, it might be useful to him.

"This is what I got in Tianqi Continent before. Help me give it to Yue Feng."

Seeing Sun Dasheng taking the stone, Liu Xuan said softly, then glanced at Ouyang's mansion reluctantly, and turned to leave.

"Sister-in-law...you..."

Sun Dasheng couldn't help shouting, but Liu Xuan had already walked away.

the other side.

In the room, Yue Feng hugged the little fairy tightly, time passed by minute by minute, and a day passed quietly.

In the evening of the second day, watching the night fall, Yue Feng only felt that his chest was blocked. In the past ten hours, the little fairy said a lot of things about her childhood.

Yue Feng knew that the little fairy was diverting her attention and did not want to make herself so sad.

"Little wife, do you have any wishes since you were a child?" At this time, Yue Feng gently adjusted the little fairy's bangs, and said in a harsh voice.

The little fairy tilted her head and thought for a while, then smiled and said, "It's just carefree."

Hearing this, Yue Feng's heart felt sour.

Such a good girl, but for herself...

Feeling Yue Feng's mood swings, the little fairy squeezed out a smile and looked out the window: "It's getting dark again, Yue Feng, shall we go out and watch the stars?"

You know, when I was a kid, I liked to be alone on the top of Fuyao Palace. Look at the stars, will you accompany me today?"

"Okay!"

Yue Feng nodded and walked out of the room with the little fairy in his arms.

Not to mention looking at the stars, Yue Feng will not frown even if he lets himself go up the mountain of swords and go down to the sea of fire.

Chapter 1033 The

little fairy may not survive tonight. She just wanted to watch the stars with Yue Feng.

Ten minutes later, Yue Feng took the little fairy to the highest mountain in the Valley of the Wicked.

The Valley of the Villains was the place where Yue Feng conquered the ten villains. The highest mountain in Zhongzhou is located here.

At this time, Yue Feng and the little fairy climbed to the top of the mountain. Yue Feng has pure yang inner strength, and the little fairy is held in his arms by him, and once she does not feel cold.

This mountain is covered with green grass. There was no one around at this time, and it was late at night.

Yue Feng and the little fairy were sitting on the grass, and the sky was full of stars, twinkling and twinkling, very beautiful.

At this time, the little fairy was very excited, as happy as a child: "Yue Feng, look at that star, it's so bright."

"When I was a child, I heard from my master that when a person dies, he will become a star in the sky. Say, will I become a star when I die?"

Yue Feng felt a pain in his heart: "Little wife, stop talking..." The

little fairy smiled, nodded, looked at Yue Feng weakly and said with a smile: "Then Let's talk about other things, yes, do you still remember the first time we met, when I wanted to kill you, and you teased me with a hilarious smile, I was furious at the time."

"Later, the two of us went to the Tianqi military camp. A sister came to me, and you arrested them all and locked them in the tent. I was very angry at the time, but after thinking about it, although your mouth was not serious, you never did anything to us."

“Afterwards . . . , eldest sister locked you in Huangquan Tower. I was very worried, I didn’t know at that time, I already liked you, and then I saw you coming out of Huangquan Tower, I was very happy, really happy...”

Listen At this point, Yue Feng couldn’t help showing a smile on his face, and the atmosphere became warm.

However, in this warmth, there is a bit of desolation.

Feeling Yue Feng’s bitterness, the little fairy gently comforted: “Yue Feng, don’t be sad, I am very satisfied to be able to watch the stars with you in the last time.”

Hearing this, Yue Feng smiled . Nodding, but the tears could not be controlled, and the tears flowed down: “Er Qing, I’m sorry, it’s all me...” The

little fairy stretched out her jade hand and wiped away the tears from the corner of Yue Feng’s eyes gently, and said softly: ” Stop crying, when you cry, I feel uncomfortable. In fact, when I used the lotus lantern to save you, I wanted to understand that as long as I can save you, it is worth it.”

Speaking of this, the little fairy Showing a sweet smile: “Well, even if we can’t be together forever, but today, with you by my side, I’m already content... By the way, you haven’t answered me yet, after death, it will become Are there stars.. Also, are there any gods in the sky? After I die, will I become a god?”

“Yes, yes..” Yue Feng’s tears fell unscrupulously, looking up at the man Tian Xingxing tried his best to squeeze out a smile, and said, “My little wife is so beautiful, she will definitely become a real fairy. At that time, you will be able to see the gods in the sky. You can see the Jade Emperor, the Queen Mother, and the goddess. It’s the Cowherd and Weaver Girl...” At the

end, Yue Feng was already sobbing.

“The Cowherd and the Weaver Girl?” The

little fairy suddenly regained her vigour, raised her head and looked at Yue Feng curiously: “Who is the Cowherd and Weaver Girl, tell me.”

She grew up in Fuyao Palace since she was a child, and rarely set foot in the rivers and lakes. People told her fairy tales.

Seeing the curious face of the little fairy, Yue Feng smiled and told the story of the Cowherd and the Weaver Girl.

At the end, Yue Feng took a deep breath and said with emotion: "Later, every Qixi Festival, all the magpies in the world will build a magpie bridge over the Milky Way, and let the Cowherd and the Weaver Girl meet."

"What a poignant love."

After hearing this, the little fairy looked at the starry sky.

"Wow!"

At this moment, she burst into tears, and finally she couldn't hold it any longer, she hugged Yue Feng tightly, and cried, "The Cowherd and the Weaving Girl can meet once a year, but in the future, I will meet again. I don't have a chance to watch the stars with you, Yue Feng, I miss you so much... I miss you so much, do you know..."

From last night until now, the little fairy has not shed a single tear.

Chapter 1034

However, at this moment, she felt that her time was getting less and less, and she could no longer be strong, and she had already cried to tears.

"Good, good, don't cry, don't cry..."

At this moment, Yue Feng's heart was blocked, and the tears kept flowing. He hugged the little fairy and gently comforted: "I won't let you leave me, forever. No."

"Yeah!" The

little fairy pressed her face against Yue Feng's chest, nodded vigorously, and said weakly, "Yue Feng, can you just hold me like this, I really like this feeling."

Hearing this, Yue Feng hurriedly used his strength to hug her tightly, his hands trembling.

"Hold tighter. I feel so cold..."

When she said this, the little fairy only felt that her body was getting lighter and her consciousness began to blur.

The little fairy realized that she was dying.

However, she tried her best to wake herself up, and said weakly, "Yue Feng, is there still a love story? I... I want to hear it! I can't listen to a hundred more!"

"Okay!"

Yue Fengqiang Enduring the grief in her heart, she nodded with a smile, and said softly, "Then I will tell you another story about Liang Shanbo and Zhu Yingtai." The

little fairy nodded lightly, with a happy smile on her face, slowly Slowly closed his eyes.

At the last moment, he could still lie in Yue Feng's arms and listen to his voice.

I have no regrets myself.

Yue Feng hadn't noticed the strangeness of the little fairy, so he slowly told the story: "In ancient times, there was a Zhu family village, and outside the member Zhu had a daughter named Zhu Yingtai..."

"Zhu Yingtai likes to read and write since she was a child. When she was sixteen years old, she disguised herself as a man to go to the academy. In the academy, Zhu Yingtai met Liang Shanbo."

"After her studies, Zhu Yingtai showed herself as a daughter, Liang Shanbo was both surprised and delighted. The two had a private arrangement for life, but Zhu Yuanwai insisted on marrying Zhu Yingtai to someone else..."

"Liang Shanbo fell ill and died in the end. After Zhu Yingtai found out, he went to Liangshan He was killed in front of Bo's tomb."

At the end, Yue Feng suppressed his grief and smiled softly: "Guess what happened in the end? After Liang Shanbo and Zhu Yingtai died, they turned into a pair of butterflies and finally lived free. Together..."

After saying this, Yue Feng quietly waited for the little fairy's response.

I want to hear her say again: "What a beautiful story."

However!

The little fairy did not respond at all!

Feeling that something was wrong, Yue Feng quickly looked down.

hum!

For a moment, Yue Feng only felt a buzzing sound in his head, and his whole body froze.

I saw the little fairy lying quietly in his arms, with a smile on her pale and delicate face, her eyes tightly closed.

“Little wife, Erqing, little fairy... Open your eyes and look at me... I beg you, don't scare me, okay? I beg you, I beg you... Little fairy, I beg you, I beg you to open your eyes...” Yue Feng shouted desperately, his voice was already hoarse!

## Chapter 1035

At this time, Yue Feng felt that the little fairy's body was getting colder and colder, and his heart sank to the bottom.

Tears fell down. Yue Feng knew that the little fairy would not wake up, nor would she wake up again!

“Little wife, don't scare me...” Yue Feng shook the little fairy's body gently, her voice was choked up, her tears burst like tears, she couldn't stop it at all!

For a time, Yue Feng only felt that his whole heart was hollowed out, and tears fell on the little fairy's face.

“Little wife, let's go home, I'll take you home...” Yue Feng said in a choked voice, slowly hugging the little fairy and walking down the mountain step by step.

Yue Feng didn't know how he returned to the Ouyang family, and he seemed to have lost his soul.

When Yue Feng hugged the little fairy and appeared at the gate, several family disciples were startled.

In just a few hours, Yue Feng seemed to lose weight and looked extremely sluggish.

“Master!”

Seeing the little fairy in Yue Feng's arms, several family disciples were about to come forward to help, because they all saw that Yue Feng had almost lost the strength to walk, but still held the little fairy in his arms.

It was so distressing like that.

However, Yue Feng didn't seem to hear their words, and walked into the family with gritted teeth.

In the hall, from a distance, I saw the five fairies of Bai Shengshui, as well as Su Qingyan, Sun Dasheng and others, all waiting inside, all with red eyes.

In the center of the hall, there is a crystal coffin.

This crystal coffin was prepared by White Holy Water.

The little fairy used her own energy to save Yue Feng, and she could only live one day and one night. Therefore, Bai Shengshui ordered the disciples of Fuyao Palace to build this crystal coffin with thousands of years of arctic ice.

At this time, when Yue Feng came back with the little fairy, the fairies couldn't bear it any longer, and they all started to cry.

"Little sister..." The

six fairies and the little fairies were about the same age, and they had the best relationship. They were the most distressed, and almost fainted.

Yue Feng was already uncomfortable in his heart, but seeing this situation, endless sadness struck again.

"Grand Palace Master!" In the

next second, Yue Feng looked at Bai Shengshui with red eyes, unable to hide his guilt and grief: "I'm sorry, I'm sorry..."

Before he finished speaking, tears fell down his face again.

Yue Feng knew that the seven fairies were in love like sisters, and the little fairies died because of him. He really had no face to face Bai Shengshui.

"You..."

At this time, Bai Shengshui was already sobbing and pointed at the crystal coffin: "Put the little girl in."

Yue Feng nodded with tears and put the little fairy into the crystal coffin.

This crystal coffin, made of thousand-year-old arctic ice, contains abundant spiritual energy, which can protect the little fairy's body from rot.

In the crystal coffin, I saw the little fairy with a peaceful face and a smile on the corner of her mouth, as if she was asleep.

"Yue Feng!"

At this moment, Bai Shengshui said softly, "Tomorrow we will bring our little sister to the Fuyao Palace. You... take care of yourself."

Over the past year, too many things have happened in Fuyao Palace. .

First, the two fairies were killed by Hu Sanyang.

Now, the little sister is gone too.

Under the successive blows, Bai Shengshui's heart was ashes, and he just wanted to take the little fairy back to Fuyao Palace, and never set foot in the arena again.

Hearing this, Yue Feng's heart was shocked, and he quickly pleaded: "Grand Palace Master, let the little fairy stay, okay? I...I want to watch her every day, please..."

Saying this At that time, Yue Feng was extremely anxious.

"What's the use of you talking about this now? The little sister has already left, and even if you accompany her every day, she won't feel it." At this time, the Sixth Fairy couldn't bear it any longer and cried at Yue Feng.

Yue Feng didn't seem to hear it, and he still kept begging to the white holy water: "Please, even if I beg you..."

### **Chapter 1036**

Bai Shengshui sighed softly: "Okay, but Yue Feng, remember, my little sister is from my Fuyao Palace, I'll keep her by your side for a year, and a year later, when you're hurt After calming down a bit, I'll take her back to Fuyao Palace."

After saying this, Bai Shengshui gave the little fairy a reluctant look, then turned and walked out of the hall.

The remaining four fairies followed out while wiping away their tears.

"Thank you...Thank you..." Yue Feng said with a choked voice, and then carried the crystal coffin into his room.

The next day, Yue Feng's mother was buried, and Yue Feng knelt before the grave for a whole day.

For the next few days, Yue Feng locked himself in the room, did not eat or drink, and just watched the little fairy quietly. The departure of the mother and the little fairy made Yue Feng completely devastated.

Seeing this situation, Sun Dasheng couldn't help but comfort him, but Yue Feng couldn't listen, and he was extremely decadent.

Day 5.

In the evening, Yue Feng was sitting in front of the crystal coffin, thinking about the scene of the two watching the stars together, and fell into grief, unable to extricate himself.

"Squeak—"

At this moment, the door was gently pushed open, and then Xiao Yuruo walked in slowly.

"Yue Feng!"

Seeing Yue Feng's appearance, Xiao Yuruo felt distressed and uncomfortable, and jumped into his arms and cried, "I'm sorry, it's all my fault, it's me... it's me. If the little fairy is dead, beat me and scold me."

The death of the little fairy, apart from a few fairies and Yue Feng, was the most uncomfortable for Xiao Yuruo.

If he hadn't been controlled, he wouldn't have hurt Yue Feng.

This chapter is provided by . Visit for daily update.

Yue Feng is not injured, and the little fairy will not use her own energy to save him, let alone die.

In Xiao Yuruo's heart, she believed that the little fairy was killed by herself.

"Yuruo!"

Feeling Xiao Yuruo's grief, Yue Feng woke up a little and comforted softly: "Don't do this, why did you kill her, you were controlled at the time, and I never blamed you in my heart. "

Speaking, looking at Xiao Yuruo's thin appearance, Yue Feng couldn't tell how distressed he felt.

“But, you’ve been like this for the past few days, I feel so uncomfortable, I’m so afraid... it’s all my fault...” Xiao Yuruo said in a choked voice.

Xiao Yuruo bit her lip tightly, looked at Yue Feng and said, “No matter what, the death of the little fairy and my aunt has nothing to do with me. Yue Feng, starting today, I... I will not be with you for the time being. I want to be in front of the grave, to be filial piety for my aunt for a year. Only in this way can I feel more comfortable in my heart..”

Phew!

Seeing her serious face, Yue Feng felt a warm current in his heart and nodded.

He knows Xiao Yuruo’s temperament best. Once something is decided, it is difficult to change.

After staying with Yue Feng for a while, Xiao Yuruo went out.

As soon as his forefoot left, Sun Dasheng walked in with a complicated expression.

“Fengzi!”

Walking into the door, Sun Dasheng took a deep breath and patted Yue Feng’s shoulder: “The dead can’t be resurrected, don’t be too uncomfortable, you still have a lot of things to do, you have to cheer up early.”

Yue Feng Nodding: “I know, you don’t need to persuade me, I just want to spend more time with the little fairy.”

After saying that, Yue Feng looked at the little fairy in the crystal coffin, his nose a little sour.

Ugh!

Sun Dasheng sighed, then thought of something, took out a piece from his body and handed it to Yue Feng: “Fengzi, there is something here, I don’t know what it is, I guess it will be useful to you.”

It was Liu Xuan who gave it to Yue Feng. His celestial stone.

In the past few days, Yue Feng has almost lost his soul because of the death of the little fairy, and Sun Dasheng has never had a chance to give him.

Seeing that Yue Feng was in better condition today, he took it out.

This...

Heaven Patching Stone?

At this moment, Yue Feng's eyes flashed and he hurriedly took it.

Chapter 1037

Holding the Heaven Patching Stone in his hand, Yue Feng couldn't help but ask Sun Dasheng, "Dasheng, where did you come from?"

"This..."

Sun Dasheng scratched his head, hesitating. Liu Xuan gave him this piece of stone, but Liu Xuan specially told him not to tell Yue Feng.

But... But how could Sun Dasheng hide from Yue Feng! After a while of silence, Sun Dasheng still said, "Sister Liu Xuan gave it to me."

Xuan'er?

Hearing this, Yue Feng was stunned.

Sun Dasheng continued: "Liu Xuan came to you that day, and I met you at the gate. She asked about your situation, and then gave me this thing and asked me to hand it over to you. I was going to bring her in to meet you at that time. , but she refused to say anything, and asked me not to tell you the news of her coming." At this point, Sun Dasheng's face

was full of urgency: "Fengzi, sister-in-law is not dead, are you very excited?"

Bitterness: "I knew Xuan'er wasn't dead. But she never wanted to see me, alas..."

Ah?

Sun Dasheng was stunned, and after a few seconds, he suddenly understood something: "I see, my sister-in-law has become ugly, she probably feels ashamed to see you..."

Yue Feng was shocked and looked at him in surprise: "You What are you saying, Xuan'er has become ugly?"

Sun Dasheng nodded: "Half of my sister-in-law's face has turned black..."

Hearing this, Yue Feng felt his heart block.

Xuan'er, why are you so stupid?

In my heart, you have always been beautiful, how can you dislike you because you are ugly?

Thinking to himself, Yue Feng clenched the Heaven Patching Stone in his hand and took out the Linglong Pagoda.

When he got the Linglong Pagoda, Yue Feng discovered that the pagoda could be made bigger or smaller. In order for him to carry it with him, the little fairy found a red rope, strung the Linglong Tower together, and hung it around Yue Feng's neck.

At this time, Yue Feng was holding the Linglong Pagoda, his heart was cut like a knife, and his mind was full of the appearance of a little fairy.

“Huh...”

Yue Feng walked into the yard with red eyes, and after chanting a spell, he enlarged the Linglong Tower.

I go!

What kind of treasure is this?

Seeing this scene, Sun Dasheng was startled, and his eyes were fixed on the Qibao Linglong Pagoda, full of curiosity.

The next second, a scene that shocked him even more appeared.

I saw that Yue Feng put the Heaven Patching Stone into the defect on the second floor.

hum!

In an instant, an extremely strong spiritual energy permeated from the Linglong Tower, filling the entire room, and then, one after another, figures came out from the second floor of the Linglong Tower!

There are a full two hundred!

And these two hundred people, each of which is not low in strength, there are at least more than 50 people, all of which are in the realm of Emperor Wu.

What shocked Sun Dasheng even more was that after these two hundred people appeared, they shouted respectfully at Yue Feng in unison: “Master!

“

More than fifty Martial Emperors. Calling Fengzi Master?

That's right, among these 200 people, there are more than 50 Martial Emperors! The highest one of them, the third stage Martial Emperor!

At this moment, Sun Dasheng's eyes were about to fall out, and his mind was in chaos.

After being stunned for more than ten seconds, Sun Dasheng finally regained his senses and couldn't help but ask, "Fengzi, this is..."

Before he could ask, he saw Yue Feng walk over quickly. , facing those powerhouses, asking one by one: "Who are you all? What was your previous identity?"

Yue Feng's tone was a little anxious. How he hopes that some of these people are proficient in medicine and can resurrect the little fairy.

"Master, my name is Xiao Sha, and I am the fifteenth generation head of Beimingtang."

Beimingtang? It seems that this sect has long since disappeared.

"What about you?"

"Master, my name is Fang Ying, nicknamed 'Pirates'!"

"..."

Chapter 1038 I

didn't know how to ask a few questions. When he arrived at a person with a fairy style, Yue Feng frowned and said, "What's your identity?"

Nima, don't you have a magic doctor?

The man smiled slightly and said slowly, "Master, my surname is Yuan and my name is Tiangang. I am a fortune-teller and know a little bit of Feng Shui."

Oh!

Fortune teller.

Yue Feng was very lost, so he had to ask the next one.

Swish.

As soon as he arrived in front of the next person, Yue Feng suddenly realized something, and his eyes turned back to Yuan Tiangang, unable to hide his inner shock: "What was your name? Yuan Tiangang?"

Yuan Tiangang? !

Yuan Tiangang, the most famous Feng Shui master in the Tang Dynasty! It is said that the tomb of Emperor Taizong Li Shimin was designed by him.

It is said that this person knew astronomy above and geography below. As early as before Wu Zetian ascended the throne, he watched the celestial phenomena at night and calculated that Wu Zetian would ascend the throne as emperor!

“It’s Yuan Tiangang below.”

Yuan Tiangang smiled and looked at Yue Feng’s respectful response.

Yue Feng secretly perceives his strength, the third stage Martial Emperor! He is the strongest person in this second floor.

“Fuck, Yuan Tiangang?”

This time, Sun Dasheng was also stunned, and he could hardly stand still. Who does not know the famous Feng Shui master in the Tang Dynasty.

Wow..

At this time, feeling the movement here, Wen Chou Chou, Su Qingyan and the others also rushed over quickly.

You must know that when Yuan Tiangang and the others came out of Linglong Pagoda just now, the fluctuations in their aura were too strong, and the entire Ouyang family could feel it.

hiss!

The moment they came in, everyone in Wen Chou Chou was stunned when they saw the scene in the room.

what’s the situation?

Why so many people?

But in the next second, knowing that these people were all released from the Linglong Tower, everyone Chou Chou and Wen Chou was secretly relieved.

“Quick!”

At this moment, Yue Feng grabbed Yuan Tiangang, pulled it to the crystal coffin, and pointed at the little fairy inside: "It is rumored that you know everything and know everything. You have the ability to reach the sky! Tell me quickly. , how can I save her?"

When he said this, Yue Feng's face was full of urgency.

Uh...

Yuan Tiangang looked at the little fairy with a bitter face: "Master, I'm just a feng shui magician, those rumors about me are just exaggerations, if I really have the means to change life and death, I won't be punished. Trapped in the Linglong Tower."

Yuan Tiangang didn't lie, he really didn't have the ability to bring people back to life, but he still had deep attainments in Feng Shui and other fields.

Huh..

Hearing the answer, Yue Feng was instantly lost.

"But..."

At this moment, Yuan Tiangang turned around and said again: "Master, if I read it right, this person must have lost his energy, right? I can't save her, but in the world, there are Two things can save her."

"What?"

Yue Feng's eyes flashed, his hope rekindled again, and he stared at Yuan Tiangang.

Yuan Tiangang smiled slightly and said, "It's the 'Phoenix Gallbladder' and the 'Coiling Dragon Spirit'. These two things capture the essence of the world and contain supreme vitality. However, there is only one Phoenix Gallbladder and one Panlong Spirit in the world. If you find one of them, you can bring this girl back to life."

Phoenix Gall and Panlong Jing? !

Yue Feng was overjoyed! The little fairy is still alive!

It turns out that in the world, in addition to the phoenix gall, there is also the dragon spirit!

The phoenix gallbladder has already been used on Xiao Yuruo, and now, the only thing left to do is look for the Coiling Dragon Spirit.

It's just...

Panlongjing has never heard of it, how can I find it?

Chapter 1039

Around Sun Dasheng and others, they were overjoyed when they heard that the little fairy could still be saved, but they frowned.

Heaven and earth are big, where can I find Panlong Jing?

For a while, the room was silent, and a drop of a needle could be heard clearly.

“Panlong Jing?”

At this moment, Su Qingyan couldn't help but said softly: “I seem to have heard that five years ago, when I was sitting in the sect master of Wen Sect, I heard the following people mention that in Xuanye In the mainland, there once appeared a rare treasure, it seems to be the Coiling Dragon Spirit!”

There are nine continents in the world, named after ‘the black and yellow of heaven and earth, east, west, north, south and middle’.

For example, Apocalypse Continent, Earth Circle Continent. Xi Cang Continent, Dongao Continent, Nanyun Continent, etc.

The Xuanye Continent in Su Qingyan's mouth was located in the northwest of the Earth Circle Continent.

Whoa!

In an instant, when they heard Su Qingyan's words, everyone around looked at each other in dismay, and they couldn't hide their excitement!

Yue Feng was even more excited!

In the past, there were barriers between the nine continents. But now that the enchantment has disappeared, it is not difficult to go to Xuanye Continent!

correct!

Li Heihu and Zhao Lu have been developing in other continents recently!

It is said that the Xuanye Continent is also a modern society with high-tech development, and its background is almost the same as that of the Earth Continent.

Yue Feng shook his hands and called Li Heihu.

It didn't take long for the call to be connected.

"Brother Feng." At the moment of connection, Li Heihu's respectful voice came.

In front of outsiders, Li Heihu is a business giant, but in front of Yue Feng, he always considers himself a subordinate.

After all, without Yue Feng, there would be no current Li Heihu.

Yue Feng took a deep breath, opened his mouth to ask, and went straight to the topic: "Heihu, are you familiar with Xuanye Continent?"

"Familiar!" Li Heihu quickly said: "Brother Feng, last time you gave me advice, let me go to other continents Investing. Zhao Lu and I have been busy, and the two of us have been investing in Xuanye Continent for more than a month. We only came back in the last two days."

Li Heihu's words were full of respect. I have to say that Mr. Yue is really business savvy. He made a lot of money in his own industry as soon as he settled in Xuanye Continent.

Yue Feng didn't have the mood to listen to him, so he quickly interrupted: "There is something I need you to do for me. Immediately check the whereabouts of the 'Panlong Jing' in Xuanye Continent. After finding out, be sure to help I got it, you know?!"

Panlong Jing?

Hearing these three words, Li Heihu on the other side of the phone was suddenly confused. However, feeling the anxiety in Yue Feng's tone, Li Heihu dared to neglect: "Okay, I'll do it right away."

Phew!

After hanging up the phone, Yue Feng breathed a sigh of relief and looked at the little fairy in the crystal coffin excitedly: "Little wife, you are saved, don't worry, I will definitely get the Coiling Dragon Spirit."

When he said this, Yue Feng's eyes full of anticipation.

"Master, there is no need to worry."

At this time, Yuan Tiangang laughed: "The thousand-year-old ice in this crystal coffin can be reported to this girl's body, which will not rot or spoil for three months. It only takes three months to get the plate. The dragon essence is enough."

Three months?

Hearing this, Yue Feng subconsciously clenched his fists with a firm look on his face. No matter how much you pay, you must get it within three months!

With the clues to save the little fairy, Yue Feng was in a much better mood. Under the service of Xiao Xi, he ate something.

However, after everyone left, Yue Feng still stood beside the crystal coffin.

the next day!

In the room, Yue Feng sat on the bed and closed his eyes.

Ding bell bell...

Suddenly, a rush of phone rings rang. Seeing that Li Heihu was calling, Yue Feng was shocked and quickly answered.

Haha... I

must have gotten the Panlong essence.

Li Heihu's work efficiency is fast.

At this time, Yue Feng was in a very happy mood.

However, after answering the call, I heard Li Heihu's incomparably ashamed voice: "Brother Feng... I found the 'Panlong Jing'... Panlong is accurate in the Xuanye Continent. It is in the Fang family. Last night, I sent someone to Fang's house, ready to spend a lot of money to buy it, but the head of the Fang family slammed my people out without saying a word."

After speaking, Li Heihu smiled bitterly: "Then I sent someone to inquire. For a moment, the Panlong Jing was uploaded by the ancestors of the Fang family. It is more than a thousand years old. It is the family heirloom of the Fang family. The head of the Fang family thinks it is more important than life. It is very difficult to see the children. Because the place where the Fang family hides the Panlong Jing is very secret, except for the head of the Fang family, no one knows about it at all..."

Nima!

How could this be?

Hearing this, Yue Feng was full of hope, and was instantly drowned out.

But if you think about it carefully, no one would easily sell a treasure like the Coiling Dragon Essence.

At this time, Li Heihu continued to say ashamed: "Brother Feng, I'm sorry, it's my fault."  
call!

Yue Feng breathed a sigh of relief and said with relief: "Okay, don't blame yourself, it's me who thought things too simple."

When he said this, Yue Feng heaved a sigh of relief. In the world, only the Panlong Jing can save the little fairy, so he must go to the Xuanye Continent.

## Chapter 1040

Thinking to himself, Yue Feng said, "Heihu, is there any way for you to let me infiltrate that Fang family?"

"

"Brother Feng, I have a way to get you into Fang's house, but..." On the

other side of the phone, Li Heihu pondered: "I heard that the head of the Fang family wants to recruit personal bodyguards for his two daughters... I want to recruit a top player...you can't be too old.. Brother Feng, you just meet the conditions. But...it's just that the identity of this bodyguard is too aggrieved for you, Brother Feng, I see us. .."  
Before he could finish speaking, Yue Feng interrupted with a firm look on his face: "Okay, I'll be a bodyguard, you can

arrange it for me."

, is to be a bull and a horse, and he has no complaints.

"Uh... well, Brother Feng, I'll arrange it right away." Li Heihu sighed and responded.

After hanging up the phone, Yue Feng took a deep look at the little fairy and walked out of the room.

A few minutes later, in the hall of the Ouyang family, Yue Feng called everyone together.

In the hall, Yue Feng sat on a chair, looked at Sun Dasheng, Wen Chou Chou, Xiao Xi, Su Qingyan and others, and slowly said, "I... I have to go to Xuanye Continent in person. I'll leave today."

Whoa!

In an instant, there was an uproar in the hall.

No one stopped him, almost all of them supported Yue Feng. After all, the little fairy died because of him, and it was only natural for Yue Feng to find the Panlong Jing to save the little fairy.

Yue Feng breathed a sigh of relief and said, "I'm going to Xuanye Continent, and I can't worry about the Ouyang family.."

A few days ago, Duan Yu entered the Ouyang family, and later let this kid run away, which must be a big disaster. If Duan Yu suddenly came back when he was not there, how could the Ouyang family stop him?

"Yue Feng!"

At this moment, aware of Yue Feng's worries, Su Qingyan said softly, "You don't have to worry about the Ouyang family, you can go to the Xuanye Continent at ease. I will stay and protect the Ouyang family. "

Although Yue Feng didn't say anything, Su Qingyan also knew what he was worried about.

The words fell, and Sun Dasheng also said: "Yes, Fengzi, don't worry, Brother Wen and I are also stationed here. In the past few days, I have called all the brothers from Huaguoshan and Changsheng Hall. I will definitely guarantee Ouyang. The safety of the family."

Hearing his words, a warm current rose in Yue Feng's heart.

At this moment, Xiao Xi came over and looked at Yue Feng with a clever face: "Master, I will not follow you, I will stay with Sister Qingyan."

When she said this, Xiao Xi said mouth. In fact, in her heart, she wanted to go with Yue Feng. But he didn't have any strength, so following Yue Feng would be a drag on him. Yue Feng is going to do business, so don't follow him anymore..

Yue Feng laughed, reached out and touched Xiao Xi's head: "Okay!"

Seriously, since knowing Xiao Xi, Xiao Xi has never left Own. Yue Feng was a little worried just now, afraid that Xiao Xi insisted on following him. Indeed, it is indeed a little inconvenient to bring Xiao Xi.

Unexpectedly, Xiao Xi is really too sensible.

Yue Feng sat on a chair and said to the family disciples outside, "Bring that Ji Linglong over here."

Ever since Ji Linglong was captured alive in the Xingxinglou, Yue Feng kept her locked up.

“Yes, sir.”

The words fell, and several family disciples left quickly. After a while, they pressed a slender and charming figure and entered the hall.

It was Ji Linglong.

At this time, Ji Linglong was tied up by five flowers, and she didn't have the proud and confident look she had before, and panic flashed in her eyes.

Especially seeing so many people in the hall, Ji Linglong's delicate body trembled faintly.

The Prime Minister has killed so many of them, and they will definitely not let themselves go.

“Fengzi!”

At this moment, Sun Dasheng was the first to hold back, staring at Ji Linglong fiercely, and shouting, “Kill her directly!” The

voice fell, and everyone around was also filled with righteous indignation and shouted.

“Yes, kill her!”

“This snake and scorpion woman, it is not a pity to die.”

Feeling the killing intent of everyone, Ji Linglong's pretty face was pale, her legs were weak, and she almost collapsed on the ground.

At this moment, Yue Feng raised his hand: “Don't kill her first, I'll give her something delicious.” The

voice fell, Yue Feng walked up to Ji Linglong coldly, peeled her lips apart, and took out A pill was quickly stuffed into it.

Gudong!

Before Ji Linglong could react, the medicinal pill was swallowed directly into her stomach.

“You... what did you give me to eat?” Ji Linglong looked at Yue Feng, her tone full of fear.

Yue Feng sneered: "What? The head of the dignified Five Poison Sect, dealing with poison all day long, are you afraid of taking poison?"

After speaking, Yue Feng's tone became colder, and he stared at Ji Linglong closely: "Have you heard of Tongtian Pill? ?"

Good.

What Yue Feng just gave her was Tongtian Pill!

"Tong... Tongtian Pill?"

At this moment, Ji Linglong's delicate body was shocked, and cold sweat burst out.

Although he is the head of the Five Poison Sect and is proficient in witchcraft and alchemy, this is the first time he has heard of Tongtian Pill. It was because he didn't know what Tongtian Pill was that he was inexplicably frightened.

"Within a year, if there is no antidote, your whole body will fester and die. If you don't believe it, try to stimulate your inner strength and inject it into the Tianyang acupoint. Do you feel paralyzed and sore?" Yue Feng said coldly. .
