

## The ultimate husband in Chinese chapter 1061-1065

### Chapter 1061

Whoosh!

After hanging up the phone, Yue Feng couldn't help but let out a long sigh of relief, excited! It can be calculated that the whereabouts of the Panlong Jing have been found out!

Yue Feng breathed a sigh of relief and quickly called Li Heihu.

"Heihu, hurry up, check where the Fang family ancestral hall is. It's best to get a detailed topographic map and send it to me as soon as possible." At the moment of connection, Yue Feng quickly instructed.

"Brother Feng, I'll do it right away." Li Heihu didn't dare to neglect, and quickly agreed.

Yue Feng hummed and hung up the phone. In his mind, a slender and lovely figure could not help but emerge.

Little fairy!

Wife, wait for me, I will get the Panlong essence right away, wait, wait, wait.

That night, Yue Feng slept very soundly.

The next morning, Li Heihu hadn't replied yet, but Yue Feng was not in a hurry.

Yue Feng knew that places like ancestral halls were places where big families worshiped their ancestors. It was forbidden to outsiders. Even if Li Heihu could find out, it would take time.

Just like yesterday, in the early morning, the Fang sisters drove and went to school first. Yue Feng could only hold a taxi by himself.

Ten minutes later, Yue Feng arrived at the school.

As soon as he entered the classroom, Yue Feng realized that the atmosphere was not right.

All the students in the class looked at Yue Feng with a half-smile, unable to hide their inner ridicule.

This chapter is provided by . Visit [for daily update.](#)

Hong Fei, who was sitting in the back, looked even more proud, looking at Yue Feng's eyes as if he was looking at a stubborn pen.

Nima!

What's the situation?

Yue Feng was stunned.

The next second, when he got to the table and saw the history test paper above, Yue Feng's pupils dilated, the whole person was stunned, and the corners of his mouth twitched!

Yue Feng saw that a bright red -1 was written on the history test paper yesterday.

What?

Negative point?

This Nima also has negative points!

At this moment, Yue Feng's mind was in a mess, and he almost wanted to cry without tears.

"Hahaha!"

Seeing Yue Feng's reaction, the surrounding students couldn't hold back any longer and burst into laughter.

"Haha... minus one point, I'm dying of laughter."

"This brat has directly broken the historical record of the lowest zero since the school was founded."

"This transfer student is too stupid. You can't get a negative one."

Even Fang Zhiqiu and Fang Ting, who were sitting in front, couldn't help but laugh.

Especially Fang Ting, who laughed so hard that the branches trembled.

This bodyguard is too stupid, haha. Fortunately, none of the classmates in the class knew that Yue Feng was his bodyguard, otherwise, he would also lose face.

At this time, Yue Feng was also sitting on the chair, putting on an expression that a dead pig is not afraid of boiling water. Immediately afterwards, Yue Feng glanced at Wang Duoduo's test paper and was stunned.

I go, ninety-nine points?

This kid is still a scholar.

Thinking to himself, Yue Feng looked at Wang Duoduo with a smile: "Little Fatty, if you take the exam later..."

Before he could finish speaking, Wang Duoduo nodded understandingly and said, "Brother Feng, don't worry, I will take the exam in the future, I will guarantee your excellent grades! But... you have to promise to accept me as your little brother..."

Yesterday Yue Feng taught Hong Hong a lesson. Fei, this matter has been rumored in the school, and of course Wang Duoduo has heard of it. He admires Yue Feng very much! At this time, I just want to recognize Yue Feng as the eldest brother.

Yue Feng was immediately happy and nodded: "Okay, I promise you, you will be my little brother in the future, and I will cover you."

"Thank you Brother Feng!" Wang Duoduo nodded excitedly: "By the way, Brother Feng, you You're going to be out of luck... History teacher Zhou Rui is notoriously strict... You..." The

voice fell, and the door of the class was suddenly pushed open. Immediately afterwards, history teacher Zhou Rui walked in with a stern face. He looked at Yue Feng coldly.

Chapter 1062

... the

other side!

Apocalypse Continent! The palace hall!

On the dragon chair, Emperor Tianqi sat on it, and Ren Yingying stood beside him. Below stood the civil and military officials.

Under normal circumstances, when the emperor handles the affairs of the state, the princess is not allowed to be there. But Ren Yingying, the most beloved daughter of Emperor Tianqi, was an exception.

"Your Majesty, King Pingxi, Yan Yishan asks to see you." At this moment, a eunuch walked in and shouted respectfully.

King of Pingxi! Yan Yishan!

Hearing this, Emperor Tianqi looked happy, raised his hand and said, "Quickly announce him to come in." The

voice fell, and two people slowly walked in outside the hall.

One of them, about fifty years old, wearing a suit of armor, is the King of Pingxi, Yan Yishan.

The other, a young man in his twenties, was the son of Yan Yishan, Yan Xiong.

This father and son are very powerful!

King of Pingxi, Yan Yishan. He is the most important general of Emperor Tianqi! In recent years, it has been guarding the Western Xinjiang!

When he got to the front, Yan Yishan respectfully said: "I have a good news to report to you! The White Clothes Sect has been completely wiped out!"

In recent days, near the western border, rebels have sprung up. These rebels call themselves the White Clothes Religion. The Baiyijiao wanted to overthrow the Apocalypse Royal Family and disobeyed the rule of the Apocalypse Royal Family.

Half a month ago, Emperor Tianqi ordered Yan Yishan to lead his troops to destroy the Baiyi Sect.

Now Yan Yishan has won a big victory!

"Wow!"

At this moment, the surrounding civil and military officials suddenly erupted into heated discussions and congratulated each other at the same time.

"King Pingxi is really amazing! It took only half a month to destroy the White Clothes Sect!"

"Yeah, it is said that the White Clothes Sect is very difficult to deal with. It is amazing that King Pingxi can annihilate them in one fell swoop."

Tian Qi The emperor was even more delighted, looked at Yan Yishan and nodded in approval: "Okay, okay! King Pingxi, you have done a great job this time! Pass my will and reward the three armies!"

"Thank you, Your Majesty Long En!" Yan Yishan quickly nodded his head.

At this time, Emperor Tianqi's eyes turned to his son Yan Xiong, and he couldn't hide his admiration: "King Pingxi, I heard that your son Yan Xiong was very brave when he

wiped out the Baiyi Sect. When I saw him today, he was really heroic. Extraordinary. Tiger father has no dog, tiger father has no dog!" The

voice fell, Yan Xiong hurriedly stepped forward, knelt down, and said loudly: "Yan Xiong sees His Majesty."

"Okay, get up." Emperor Tianqi raised it with a smile Raising his hand, he immediately looked at Yan Yishan: "King Pingxi, is your son Yanxiong the age to marry?"

Yan Yishan quickly nodded: "Your Majesty said it is right, the dog is twenty-five this year."

"Well. Emperor Tianqi nodded, pondered, and said with a smile: "If that's the case, I'll give him a marriage today. I don't waste your Yan family, and I'm loyal to me! My princess Yueying, although she has a personality He was a little rude, but he was a good match for Yan Xiong. I passed on my decree to confer Yan Xiong the concubine."

When he said this, Emperor Tianqi's eyes looked at Yan Xiong, and the more he looked, the more satisfied he became.

Princess Yueying is none other than Ren Yingying.

Emperor Tianqi's favorite is Ren Yingying. This daughter has reached the age of marriage.

This Yanxiong, with a dignified appearance, at a young age, has reached the strength of Emperor Wu! The future is limitless! This Yanxiong is worthy of a daughter!

Your Majesty wants Princess Yueying to marry Yanxiong? !

All of a sudden, everyone's eyes are on Ren Yingying! The whole hall was in an uproar! Civil and military officials have all opened their mouths, praising the emperor for his wisdom!

"Yan Xiong has an extraordinary heroic appearance, and Princess Yueying is really a talented woman and a perfect match through the ages!"

"Your Majesty has a good vision."

Yan Yishan was even more overjoyed. You must know that Ren Yingying is His Majesty's most beloved daughter. His own son, his Yan family, had a much higher status in the imperial court!

This is a supreme honor!

Yan Xiong next to him was also flattered! Without waiting for his father's signal, Yan Xiong hurriedly knelt down and said excitedly, "Thank you Your Majesty for the marriage. After the last commander, I will do

my best to be loyal to Your Majesty until death!" When he said this, Yan Xiong was extremely excited. !

Princess Yueying is beautiful, and her figure is superb! If I can marry her, I will be lucky for three lifetimes!

Chapter 1063

"Haha..."

Emperor Tianqi laughed loudly, looked at Yan Xiong kneeling on the ground, and nodded gratified: "Okay, get up quickly."

"Father!"

However, no one thought of it, just At this moment, Ren Yingying stepped forward quickly, her face full of anxiety: "...I won't marry!"

With that, Ren Yingying bit her lip, glanced at Yan Xiong, and stomped her feet: "Me and this Yan Xiong, I'm not familiar with him at all, it would be too arbitrary for my royal father to marry me like this! My daughter doesn't like him at all, so why marry him!"

Wow!

The voice fell, and the entire hall was silent!

Ben is still the civil and military officials who warmly congratulate each other, looking at each other, their expressions are dumb.

Yan Yishan and his son looked at each other, embarrassed!

Everyone knows that Princess Yueying has been favored by the emperor since she was a child, but who would have thought that Princess Yueying would dare to violate the imperial decree in public!

For a time, the atmosphere in the hall was very dull.

"Bang!"

Emperor Tianqi got angry, slammed down the dragon chair, and shouted angrily at Ren Yingying: "What a guts! I want to marry you to Yan Xiong, do I still need your consent? In short, I have already It's decided!"

Seriously, Emperor Tianqi has loved Ren Yingying since childhood.

But this kind of love is not excessive doting!

He is the emperor, the honor of ninety-five! Who dares to violate what he said? ! Now, in front of the civil and military officials, the daughter actually violated the imperial edict, and of course the Emperor Tianqi was furious!

Hearing this, Ren Yingying stomped her feet anxiously: "If I say not to marry, I mean not to marry..."

Saying that, Ren Yingying covered her mouth and rushed out of the hall with red eyes.

This...

Seeing this scene, the civil and military officials below have complex expressions.

The atmosphere in the hall became more and more embarrassing.

Now that His Majesty is in a fit of rage, who dares to speak indiscriminately?

call!

Emperor Tianqi was very angry, took a deep breath, and said to Yan Yishan and his son: "King Pingxi, Princess Yueying is such a character, you don't need to worry, this marriage contract has been made, and I will not change it. Alright, let's retreat."

After saying this, Emperor Tianqi stood up and walked out of the hall slowly.

...

On the other side, Ren Yingying ran out of the hall crying and went directly to the queen's bedroom.

In the bedroom, the empress was wearing a phoenix robe and was drinking tea accompanied by several palace maids.

"Queen Mother!"

Ren Yingying walked in quickly and called out in a miserable tone.

Seeing her appearance, the queen smiled slightly: "What's the matter?"

At the same time as she said this, the queen waved her hand to let the maid beside her retreat.

Ren Yingying hugged the queen's arm, her face full of grievances, and said what happened just now.

"Empress mother, I don't want to marry that Yan Xiong." At the end, Ren Yingying pleaded with a face full of pleading: "Empress mother...you help me persuade the emperor to take back the imperial decree, okay..."

Hey. .

The queen sighed softly, and in her eyes full of love, there was a bit of helplessness: "Silly daughter, it's not that you don't know that your father's words are full of promises, and the words he said are imperial edicts, and he is in front of civil and military officials. You have already betrothed you to Yan Xiong, how can you take it back? If you really want it, where is the royal face? Will your father still be majestic in the future?"

Chapter 1064

"But..."

Hearing this, Ren Yingying's delicate face was full of resistance: "But I don't like that Yan Xiong."

"I don't like that, you can get in touch first, I believe, you The person your father chooses for you will not be bad." The queen smiled in relief.

Seeing the queen say this, Ren Yingying was instantly desperate.

If it was before, he could sneak out of the palace and go to any continent, and it would be difficult for the emperor to find him.

But now, the enchantment of the nine continents is gone, and now that the news is so well-informed, where can I go? Thinking of this, Ren Yingying felt so uncomfortable. Let yourself marry someone you don't love, how will you live the rest of your life

...

2 days later!

Guangping Palace.

In the back garden, Qin Rongyin sat in the pavilion, watching his son Yue Wuya and a few maids frolic in the garden not far away.

At this time, Qin Rongyin was wearing a long silk dress, the charming curves were looming, and the whole person looked extremely graceful and charming, elegant and noble.

At this time, Qin Rongyin was in a very relaxed mood.

After staying in the Guangping Palace for a long time, Qin Rongyin didn't want to leave as much as before, and her mood gradually calmed down.

However, I still think of Yue Feng occasionally.

But at this time, Qin Rongyin thought that Yue Feng was already dead! They all died under the crater!

Because of the order of King Guangping, everyone is not allowed to mention Yue Feng in front of his wife. So Madam didn't know that Yue Feng was not dead.

Now, Qin Rongyin just wants to accompany her children and grow up happily.

"Madam!"

At this moment, a maid hurried over and said respectfully, "Princess, please go."

Princess?

Qin Rongyin was stunned for a moment, the princess in the maid's mouth was naturally Princess Guangping. That is, the wife that Wang Mingmi of Guangping is marrying.

Since Qin Rongyin came to the palace, he has been living in the backyard, and he and this princess have not met a few times.

More importantly, King Guangping accompanied Qin Rongyin every day, which caused Princess Guangping to be very jealous of Qin Rongyin, so she never took the initiative to talk to her.

Qin Rongyin wondered, why did this Princess Guangping suddenly send someone to look for her today?

Thinking to herself, Qin Rongyin couldn't help but ask softly, "Is there anything the princess is looking for from me?"

When she said this, the lady couldn't help thinking of King Guangping in her heart.

Recently, King Guangping has been busy with official business and rarely comes back.

Did something happen to the lord?

"I don't know either." The maid responded.

Qin Rongyin nodded, asked a few personal maids to take good care of Yue Wuya, and then went to the front hall.

When I got to the front hall, I saw the princess Huang Dan, who was sitting there.

Huang Dan is around 30 this year, wearing a light yellow dress, with a beautiful appearance, and a rare beauty, but there is a bit of meanness between his eyebrows.

Next to Huang Dan, there is a familiar figure, Ren Yingying!

At this time, Ren Yingying was wearing a long skirt, and I have to say that her figure is really sexy. Even wearing a long skirt, it is difficult to hide the exaggerated and charming curves! Inside the palace, the eyes of several servants couldn't help but quietly look at Ren Yingying.

"Rongyin." Ren Yingying stood up, walked to Qin Rongyin's side, and took her hand: "Rongyin, I came to you today to talk to you about something."

#### Chapter 1065

Qin Rongyin looked at Ren Yingying and said with a smile, "Princess, what are you looking for?"

Actually, Qin Rongyin and Ren Yingying are not too familiar with each other. The two have only met a few times, but they hit it off.

Ren Yingying turned her head and looked at Huang Dan: "Princess, can you let me chat with her for a while?" "Of course." Huang Dan smiled and got up and said, "Then

I'll avoid it first."

Dan looked at Qin Rongyin: "Take good care of Your Highness the Princess, you can't neglect it, you know?" There was a bit of annoyance in the tone of the order.

The princess really annoyed Qin Rongyin. If it weren't for this woman, I and my husband would definitely be very loving.

After the princess left, Qin Rong took Ren Yingying's hand and said, "Princess, you made a special trip to find me, but what's the matter?"

Alas! Ren Yingying sighed, with a bitter face on her face: "It's not a special thing, I'm just in a bad mood. My father gave me a betrothal to someone else. I'm so annoyed that

I want to talk to someone."

, Ren Yingying sat on the chair and bit her lip. The Emperor Tianqi betrothed her to Yan Xiong, which Ren Yingying really couldn't accept. She really wanted to find someone to talk to, but the people in the Apocalypse Continent all believed that 'the life of the parents, the words of the matchmaker'. Daughter's marriage should be obeyed by parents.

Therefore, Ren Yingying and the people in the Apocalypse Continent really have no common language. Qin Rongyin is from the Earth Circle, and the Earth Circle is more open-minded, so Ren Yingying came here to chat with his wife.

At this time, Ren Yingying took Qin Rongyin's hand and told the matter again. After speaking, Ren Yingying asked, "Rongyin, what do you think I should do? My father insisted that I marry Yan Xiong. But I don't like him..."

Qin Rongyin smiled lightly and comforted: "Princess, you know what? We women all want to marry love, and we all want to be with the person we love for a lifetime. But in fact, the man who accompanies us is often not what we like. Speaking of

this, Qin Rongyin breathed a sigh of relief, and said slowly: "Before, I thought that Yue Feng would be by my side in my whole life. But later, he fell into the crater and let go. Yue Feng and I, It is destined to have no fate. For the past two years, I have lived in Guangping Wangfu, and Guangping Wang has always been with me. In my heart, I have never loved Guangping Wang, but he is really good to me and my children... I have seen it now, and I can reluctantly accept King Guangping. In the future, I should live in the palace of King Guangping for the rest of my life. So princess, your father asked you to marry Yanxiong. I don't think you have to be unhappy. You should try to get in touch with him, maybe after you do, you will slowly accept him..."

After saying this, Qin Rongyin looked at Ren Yingying quietly, hoping that she could gain some insight.

However.

Ren Yingying was cold there, her face full of surprise!

"In your heart, you always thought that Yue Feng was dead?" After a few seconds, Ren Yingying looked at Qin Rongyin strangely: "Some time ago, the news of the Ming Sect's destruction was spreading, haven't you heard of it?"

"Yingying still didn't know that it was King Guangping who blocked Yue Feng's news. Moreover, Qin Rongyin hardly ever goes out, so how could she know.

"He..."

Hearing this, Qin Rongyin was stunned for a moment, and his mind was a little confused: "Isn't Yue Feng... gone?"

When Yue Feng fell into the crater, the whole imperial city spread.

Seeing Qin Rongyin's expression, Ren Yingying sighed softly: "A person like Yue Feng is the devil king of the world. How could he die so easily? Not only did he not die, but he also wiped out the Ming Sect, and all the sects in Kyushu were shaken.

" Arriving at Yue Feng, Ren Yingying's mood was very complicated.

Before the Tianqi royal family's prayer beads were lost, the second prince was ordered to take tens of thousands of imperial forest troops to the Diyuan Continent, annihilate the Ouyang family, and get back the prayer beads. As a result, none of the tens of thousands of imperial guards survived! The second prince was killed by Yue Feng! Ren Yingying already knew about this.

The second prince is Ren Yingying's second brother! All were born to the queen.

Therefore, Ren Yingying was very hurt after knowing that the second brother died.

But I don't know why, knowing that the murderer was Yue Feng, but Ren Yingying couldn't hate it at all.

"Yingying, Yue Feng...he's not dead?!"

Hearing this, Qin Rongyin's tender body trembled. She was originally in a calm mood, but a huge wave was set off in an instant, and her heart was even more trembling.

Yue Feng, he... is he not dead?

He is not dead!

For a time, Qin Rongyin was shocked and excited, and tears poured out instantly. These were tears of joy!

For many days and nights, I fantasized that one day I could see Yue Feng.
