

The ultimate husband in Chinese chapter 1081-1090

Chapter 1081

“Yeah, I won’t marry that Yue Feng...” Master Miaoyuan looked at Zhou Rui, forced a smile, and said absent-mindedly.

At this time, Master Miaoyuan, full of Yue Feng, secretly made up her mind that she must find Yue Feng tomorrow and have a chat alone.

Although Miao Yuan Shi Tai Chi hates Yue Feng! But no matter what, he and Yue Feng are also old acquaintances. Just let Yue Feng help himself and return to the Earth Circle Continent. Yue Feng would definitely agree.

....

the other side!

Wanhai City, the old city.

There is a quaint building here, surrounded by high walls. It is the Fang Family Ancestral Hall!

The Fang family ancestral hall is very large, with tens of thousands of square meters, all of which are old-fashioned buildings, majestic and solemn!

The Fang Family Ancestral Hall is sacred and solemn to the Fang family! The spiritual seat of the ancestors of the Fang family is enshrined here. Therefore, several entrances of the ancestral hall are guarded by disciples of the Fang family. Not only that, there are many people patrolling around the ancestral hall.

The entire Fang family ancestral hall is definitely heavily guarded!

At this time, darkness fell, and the entire ancestral hall was shrouded in darkness.

“Whoosh!”

Suddenly, a slender figure flew from a distance and landed steadily on the roof of the ancestral hall.

This is a beautiful and sexy woman.

Through the moonlight, I saw her in a long black dress, her tight figure looming, extremely beautiful! But this woman has an aura that cannot be blasphemed! Like a fairy who doesn’t eat fireworks on earth!

This chapter is provided by . Visit for daily update.

If Yue Feng was present, he would definitely be shocked.

Because this woman is the leader of the Ming sect, Lu Lingshan!

At the beginning, the Ming Sect was destroyed by the three brothers Yue Feng. Sisters and brothers Lu Lingshan and Lu Jiechen escaped from Mingwang Mountain at the last moment.

After that, because of the pursuit of Sun Dasheng and Wen Chou Chou, the sister and brother left the Tianqi Continent, fled all the way, and came to the Xuanye Continent.

At that time in Mingwang Mountain, Lu Jiechen was injured by Yue Feng. After that, the two sisters worked hard all the way, and they never had time to heal. When he arrived at Xuanye Continent, Lu Jiechen's injuries worsened, threatening his life.

Siblings are deeply in love.

Seeing that her younger brother was at stake, Lu Lingshan used her inner strength to treat Lu Jiechen. But his brother's injury dragged on for too long. Although Lu Jiechen's life was finally saved, it also caused him to suffer from the root of his illness. When it rained and cloudy, the wound on Lu Jiechen's body was extremely painful.

In order to treat her brother's illness, Lu Lingshan searched for treasures everywhere for her brother, but to no avail.

Just recently, Lu Lingshan learned that the Fang family in Wanhai City has a rare treasure called Panlong Jing. This thing absorbs the spiritual energy of heaven and earth, if the younger brother can take the Panlong essence, the root of the disease will definitely be removed!

In order to get the Panlong Jing, Lu Lingshan inquired for a long time, and finally learned that the Panlong Jing was hidden in the Fang family ancestral hall.

"Huh? There's someone on the roof!"

"Who? Dare to break into the Fang family ancestral hall?"

"She's a beauty..."

At this moment, a group of patrolling disciples came, and immediately found Lu Lingshan.

At this moment, seeing Lu Lingshan wearing a long dress, standing on the roof, floating like a fairy, all these disciples were stunned.

beautiful!

Really beautiful, this woman is too beautiful, like a fairy descending to earth.

That slender waist and long straight legs, this figure is simply too perfect.

Lu Lingshan didn't care about the eyes of these disciples, her cold expression did not fluctuate in the slightest.

"Hand over your Fang Family's Coiling Dragon Spirit." Lu Lingshan's red lips parted lightly, and her cold voice spread throughout the Fang Family Ancestral Hall. Her voice was a little soft, but full of majesty. She is the leader of Ming Sect. In the Apocalypse Continent, she can get anything she wants easily. So she didn't bother to steal it. In Lu Lingshan's heart, if she wanted to get the Panlong Jing, she could just grab it!

What?

Is she going to snatch the dragon essence? ! !

In an instant, the patrolling disciples below were stunned, and then looked at each other in dismay. Although they were responsible for guarding the ancestral hall, they did not know that the Panlong Jing was in the ancestral hall.

They only know that the Panlong Jing is a treasure handed down from generation to generation by the Fang family. Could it be this woman who robbed it if she wanted to?

"Hahaha...Interesting!"

"In Xuanye Continent, I don't know how many people want to take away our Fang family's Coiling Dragon Spirit, but it's the first time I've seen such a direct and arrogant person."

"More important. , is still a beauty, tsk tsk..." During the

discussion, a young man with an inch head looked at Lu Lingshan with a half-smiling smile, and couldn't help but tease: "Hey, beauty, you came to our Fang family ancestral hall specifically, are you here? A grandstanding? Tell you, the treasures of our Fang family have never been shown to outsiders. We don't even know where the Panlong Jing is, so how can I give it to you?"

"Don't give me the Panlong Jing, today You all have to die." A

cold voice came from Lu Lingshan's mouth, and the next second, Lu Lingshan raised her jade hand, her body like a ray of light, flashed in front of the inch-headed young man, and slapped him in the face!

“Ah...”

Before the young man could react, blood spurted out, his body fell directly to the ground, and he died of breath!

hiss!

Chapter 1082

Seeing this scene, the other family disciples present couldn't help but gasp.

This... This woman's strength is so powerful?

“Come on, someone is breaking in.”

“Come and support!”

After being stunned for a few seconds, several patrolling disciples shouted loudly. In the blink of an eye, everyone in the ancestral hall was alerted and rushed over. Hundreds of people.

“Since you don't take the initiative to hand over the Panlong Jing, then I can only kill you all and find it myself.” Lu Lingshan spit out two words coldly.

hum!

The moment the words fell, Lu Lingshan slowly raised her hand, a black flame burned in her palm, and the surrounding air was instantly distorted.

This black flame is Lu Lingshan's hellfire!

The world is different, ranking third!

Immediately, Lu Lingshan raised her hand at will, and hellfire roared out!

Seeing this scene, all the Fang family disciples present trembled.

boom!

The black hellfire exploded in the crowd at once, and spread quickly. In just a few breaths, these Fang disciples were enveloped in flames, and they all let out shrill screams!

“Stop!”

At this moment, an angry shout came, followed by a man quickly!

It is the head of the Fang family, Fang Shixian!

“Who are you? Dare to break into our Fang family’s ancestral hall and kill our Fang family’s people.” Fang Shixian stared at Lu Lingshan and spoke angrily.

At the same time, Fang Shixian was shocked and angry when he saw that all the disciples of the family were burnt to charcoal!

Today is the memorial day for Fang Shixian’s father. Three years ago, his father died of serious illness. Fang Shixian came to the ancestral hall today to worship his father, but he never expected that someone would dare to make trouble!

“You are the head of the Fang family!”

Lu Lingshan looked indifferent, looked at Fang Shixian and said, “Very good, I want to lend you the Fang family’s Panlong Jing, you can hand it over directly.”

“Hand over it?!” Fang Shixian tightly clenched his fists, his heart was furious! With red eyes, he said, “Today is my father’s memorial day. You disturbed the peace of his old man’s house! Even if you are a woman, don’t even think about leaving alive today!” The

voice fell, Fang Shixian’s inner strength urged him, and a long knife appeared in his hand!

I saw the light of the long sword flowing through the body, it was a blue-level weapon!

“Hey!” In the

next second, Fang Shixian’s long knife swept out and smashed directly at Lu Lingshan!

“Om!”

Lu Lingshan raised her hand slowly, and laid down a protective layer lightly.

“Boom!”

Fang Shixian’s knife slashed on the protective film! With a loud noise, Fang Shixian was ejected more than ten meters away!

And Lu Lingshan, standing there quietly, safe and sound!

What? !

How is this possible? !

Seeing this scene, Fang Shixian's face changed, and his heart was indescribably frightened.

His own sword contained 90% of his inner strength! There was no threat to the woman in front of him at all!

How could this be? !

"This is the strength of the Fang Clan Head? But that's it."

An icy voice came from Lu Lingshan's mouth.

When the words fell, Lu Lingshan slowly stretched out her hand and slapped it!

"Bang!"

Lu Lingshan's speed was too fast, Fang Shixian didn't have time to react, he groaned, and the whole person flew out and smashed to the ground!

"

Pfft!" Fang Shixian spit out a mouthful of blood, terrified! However, before he could react, Lu Lingshan walked slowly to the front, her high heels directly stepping on Fang Shixian's face!

"Panlong Jing, bring it here."

Lu Lingshan looked at him condescendingly, her voice cold.

Fang Shixian only felt ashamed and humiliated! When did the patriarch of his own dignified family get trampled under his feet! This is a shame, a great shame!

Chapter 1083

"Want my Fang's Coiling Dragon Spirit? Unless you step over my corpse."

At this time, Fang Shixian was trampled on by Lu Lingshan, and his expression was extremely painful. But he still clenched his fist! This woman wants Coiling Dragon essence, impossible!

Panlong essence is the treasure handed down from the Fang family. I would rather die than hand it over!

"Okay!"

Hearing this, Lu Lingshan's cold face showed a bit of anger: "If you don't say it, I have a way to get you to speak."

Buzz!

The voice fell, and a strong aura emanated from Lu Lingshan.

Immediately afterwards, Lu Lingshan raised her jade hand, and saw a mass of black hellfire jumping out of her palm. In an instant, the hellfire swayed, and the surrounding air was distorted!

Feeling the scorching temperature of the black flame, Fang Shixian's face was instantly pale, and his heart was a little panicked.

At this moment, on the other side of the ancestral hall.

Under the moonlight, a figure came over quietly, like a ghost, as fast as a ghost.

It was Yue Feng.

After being too separated from Master Miaoyuan, Yue Feng went directly to the Fang Family Ancestral Hall.

At the entrance of the ancestral hall, Yue Feng was stunned when he saw the scene in front of him.

What the hell!

what's the situation?

I saw that inside the ancestral hall, many disciples of the Fang family were lying there, their life and death unknown.

Not far away, Fang Shixian was covered in blood, paralyzed on the ground, and was stepped on by a woman.

Yue Feng's head buzzed, and by the moonlight, he saw this woman, with a beautiful length, a charming and sexy body, and a suffocating majesty permeating her body.

Nima, Lu Lingshan, the leader of Ming sect? !

At this moment, Yue Feng's eyes widened, his heart full of incredible!

Why is this woman here!

After thinking about it, it's no wonder that the Great Sage and Brother Wen couldn't find any news about their siblings. It turned out that they fled to the Xuanye Continent!

To be honest, Yue Feng didn't have time to pay attention to Lu Lingshan. The most important thing now is to get the Panlong Jing as soon as possible.

Thinking to himself, Yue Feng did not approach, but secretly observed the surroundings of the ancestral hall.

This Fang family ancestral hall is surrounded by mountains and rivers, and it is a treasure land of Feng Shui. It is no wonder that the Fang family can become one of the best big families by enshrining the spiritual position here.

Something as important as Panlong Jing must be hidden in the 'acupuncture point'.

The so-called 'acupoint eye' is the center point of the feng shui treasure land.

Yue Feng quietly bypassed Lu Lingshan and entered the ancestral hall. Come to the room in the center of the ancestral hall.

At the door of the room, Yue Feng was very excited! If you guessed correctly, the Panlong Jing must be in this room!

Thinking to himself, Yue Feng opened the door and walked in.

I go!

The Fang family built an underground palace underground.

There are dozens of spiritual places in this room! They are all ancestors of the Fang family!

In the center of the room, there is a jade table, and on top of the jade table is a beautiful golden box.

Whoosh!

An incomparably full of spiritual energy continued to permeate from the golden box, making the entire room full of rich spiritual energy.

Panlong essence!

This must be the Panlong Jing!

At this moment, Yue Feng was extremely excited, he just wanted to laugh at the sky! At that time, Yue Feng didn't have time to think about it, so he walked over quickly and was about to take the golden box away.

However, when his hand touched the golden box, Yue Feng did not pick it up.

Nima!

This box turned out to be inlaid on the jade table! Moreover, there is a lock on the golden box, and the Panlong essence cannot be taken out directly.

At this moment, Yue Feng wanted to mobilize his internal force and smashed the golden box directly, but he was afraid of damaging the Coiling Dragon Spirit inside.

After some hard thinking, Yue Feng decided to use the white lotus cold fire to melt the golden box.

After making up his mind, Yue Feng slowly raised his hand and summoned Bai Lian Leng Huo.

Chapter 1084 Huh

!

The next second, under the control of Yue Feng, Bai Lian coldly floated past, wrapping the golden box at once!

Yue Feng stared at it closely, not daring to slack off in the slightest.

This is delicate work.

Once it can't be done properly, the cold fire of Bailian will burn the Coiling Dragon essence inside.

After all, Bailian Lenghuo is the No. 1 in the list of different fires, and its power is too strong.

Chi Chi...

Soon, under the cold fire of the white lotus, the golden box slowly melted!

Haha...

Panlong Jing, I'm about to get it!

At this moment, Yue Feng was so excited that his heart was trembling with excitement!

Little fairy, little wife, wait for me, you will be saved right away...

“Whoosh!”

But at this moment, I saw a woman rushing in! This woman has a compact and charming figure, a beautiful face, cold as ice!

It was Lu Lingshan!

Just now, Lu Lingshan used hellfire to burn Fang Shixian’s skin. That kind of pain, few people can withstand.

Fang Shixian couldn’t bear it anymore, so he told the place where the Panlong essence was hidden. Lu Lingshan hurried over.

But when she got to the door, Lu Lingshan frowned. Is there someone in this room? !

Um?

It turned out to be Yue Feng?

At this moment, seeing Yue Feng in the room, Lu Lingshan’s delicate body trembled, and there was shock in her eyes!

Enemies meet, especially jealous!

Thinking of his Ming Sect being wiped out by Yue Feng, the anger of hatred instantly burned in Lu Lingshan’s body!

Immediately afterwards, Lu Lingshan saw that Yue Feng was using white lotus cold fire to melt the golden box, and she understood that Yue Feng also wanted Coiling Dragon Spirit!

Lu Lingshan is furious! She has to use Panlong Jing to heal her younger brother, how can she let the enemy get it? !

“Om!”

At this moment, Lu Lingshan didn’t hesitate at all, tapped the ground with her toes, and leaped forward. At the same time, a very strong breath burst out, condensed on her right palm, and slapped Yue Feng on the back. go!

At that time, Yue Feng did not see Lu Lingshan at all! All his attention was focused on the golden box in front of him. The golden box is about to melt, which is the most critical time!

“Bang!”

This palm slapped firmly on Yue Feng, making a muffled sound! At that time, Yue Feng’s body was directly sent flying! It flew more than ten meters away, landed heavily on the ground, and a mouthful of blood spurted out!

Seriously, these days, Lu Lingshan’s strength has soared! However, with Yue Feng’s current strength, if he were to confront Lu Lingshan head-on, it would be impossible for him to die!

But Lu Lingshan’s sudden attack caught Yue Feng by surprise!

Nima!

At the moment of landing, Yue Feng only felt that all his internal organs were shattered! There was a burst of pain, and I almost fainted!

Yue Feng wanted to struggle to stand up, but the force of the palm just now was too great. At this time, Yue Feng was so soft that he couldn’t even try.

“You...” Yue Feng looked at Lu Lingshan and hated it!

Nima, this woman came in so quickly?

step!

It was just the last step to get the Panlong Jing, but she was attacked by her!

At this time, Yue Feng was so angry that he almost vomited blood!

call!

At the same time, Lu Lingshan slowly walked to the jade platform. At this time, the golden box was completely melted. Lu Lingshan stretched out her jade hand and took out the Coiling Dragon Spirit inside.

When the Panlong Jing was put away, Lu Lingshan’s red lips raised upwards.

With the Panlong Jing, the younger brother will be able to recover from his injuries, and his strength will increase a lot!

At that time, my sister and brother will work together to make Mingjiao come back!

At this moment, seeing Lu Lingshan taking away the Panlong Jing, Yue Feng’s heart couldn’t be more anxious!

Chapter 1085

“Yue Feng!”

At this time, Lu Lingshan's eyes locked on Yue Feng, and she gritted her teeth and said, “It's really an enemy, the way is narrow, God is really kind to me, not only let me get the Panlong essence, but also let me catch you! “

Speaking, there was a trace of resentment on Lu Lingshan's beautiful face: “Tell me, how do you want to die?” After the

voice fell, Lu Lingshan stepped on high heels and walked slowly over, killing intent filled her body!

Lu Lingshan couldn't hide her anger when she thought of her Ming Sect being destroyed by the people in front of her!

Of course, she wouldn't kill Yue Feng so easily!

She wants to torture Yue Feng to survive! Can't beg for death! This will solve the hatred in my heart!

Yue Feng's face was pale, but there was a slight smile on the corner of his mouth: “Lu Lingshan, sneak attack from behind me, you and Lu Jiechen are indeed brothers and sisters, they are both shameless.

“Crack! “

As soon as the words fell, Lu Lingshan came over, raised her jade hand and slapped Yue Feng fiercely!

Yue Feng was so weak that he couldn't dodge at all. The slap was so firm that his face suddenly swelled up!

” When death is imminent, do not beg for mercy. “Lu Lingshan glared at Yue Feng and spoke coldly.

Yue Feng's face was full of pain, but his heart was even more anxious! Because of the trauma, he could not exert his inner strength, nor could he mobilize Bailian's cold fire.

As for those strong people in Linglong Pagoda, his own energy Weak, I can't call them out.

It can be said that I am helpless now!

What should I do?!

Thinking to myself, Yue Feng looked at Lu Lingshan secretly.

I have to say that this Lu Lingshan, as the leader of the Ming sect, is not only beautiful, but also very temperamental.

Although he was an enemy, Yue Feng couldn't help but admire him when he observed it up close.

I haven't seen her for a while, and this woman seems to be even more charming.

A dark long skirt showed her sexy figure vividly. Although it is filled with hatred and anger, it also gives people a different kind of temptation.

Seeing Yue Feng staring at her tightly, Lu Lingshan's eyes flashed a bit of coldness.

"Crack! Slap! Slap!" In the

next second, Lu Lingshan shot without warning and slapped Yue Feng several times in the face.

"If you dare to look at me like this again, I'll dig out your eyes!" Lu Lingshan said coldly.

Nima, her character is really hot. Yue Feng complained in his heart, and did not dare to see her again.

"Yue Feng, you can't escape death today."

However, Lu Lingshan didn't want to let him go, and said coldly, "If you want to die more happily, just answer me a few questions, otherwise, I will let you die today. Ugly."

While saying this, Lu Lingshan looked around.

The three Yue Feng brothers are inseparable, he is here, and the other two must be nearby.

Killing Yue Feng now is almost as easy as the palm of your hand, but if you can ask about the whereabouts of Sun Dasheng and Wen Chou Chou, it would be the best.

At that time, catch them one by one to avenge the destruction of the Ming Sect.

Hearing this, Yue Feng said, "What's the problem?"

As long as she doesn't kill herself now, she has a chance.

Lu Lingshan's expression did not fluctuate in the slightest, and she asked coldly, "I ask you, are Sun Dasheng and Wen Chouchou also coming to Xuanye Continent, and where are they?"

Chapter 1086

Yue Feng sighed secretly, thinking about how to escape, and started talking nonsense: "The two of them are nearby. But I can't tell you exactly where, you..."

Bang!

Before she finished speaking, Lu Lingshan stepped forward, raised her high heels, and stepped on Yue Feng's face.

"It's very loyal, but you still refuse to say yes." Lu Lingshan looked at him condescendingly.

"Hmm..."

Yue Feng only felt the pain on his face, he really wanted to break free, but he couldn't move at all! The sneak attacked by Lu Lingshan just now was very ruthless, and now she has no strength at all, and it will take at least ten hours before she can fully recover.

Lu Lingshan smiled lightly: "Don't say it, right? You think it's enough not to say it? Do you know how Fang Shixian was submissive just now? My hellfire, burning on your skin, will make you unable to survive or die. "

Hoo!

When the words fell, Lu Lingshan raised her jade hand, and a black flame burned.

Hellfire?

Yue Feng laughed all of a sudden and looked at her playfully: "Master Lu, did you forget that I can have Bailian cold fire. If you dare to burn me with hellfire, you are not afraid of being attacked?"

"Bailian Lenghuo cannot be actively motivated, but if attacked by other strange fires, Bailian Lenghuo will take the initiative to counterattack.

Swish!

Hearing this, Lu Lingshan's expression changed.

How did he forget that he had Bailian cold fire?

This chapter is provided by . Visit for daily update.

"Okay, I don't need hellfire to deal with you, I really want to torture you, there are many ways!" Lu Lingshan said coldly, and when the words fell, she pulled out a soft whip from her body.

Seeing the red light on the soft whip, it was a treasure at first glance.

"Do you know what this is? The red phosphorus whip, which is the tendon of the red phosphorus python! It is extremely tough! There are also barbs like snake scales on it. Guess what it would feel like to hit the body?" Lu Lingshan smiled lightly. , looked down at Yue Feng.

Nima, this woman is really cruel.

Yue Feng was startled, but his face still looked indifferent: "Well, your whip doesn't look very good. It won't break if you hit me."

When he said this, Yue Feng My heart wanted to cry without tears.

I have no strength at all now, and it is almost impossible to escape. Nima, it seems that today, my life is going to be explained here.

"You're still tough, right." Lu Lingshan held the whip in her hand, her eyes were full of teasing: "Look at how tough you can be!" As she finished speaking

, she raised the whip and threw it out!

"Crack!"

Hearing a thunderous explosion, Yue Feng's body suddenly burst into flesh! The blood soaked through the clothes in an instant!

hiss!

Yue Feng couldn't help sucking in the cold air, then gritted his teeth and didn't cry out, but the severe pain still made his eyes bloodshot instantly!

Seeing his expression, Lu Lingshan's eyes became more severe: "Tell me, where are your two brothers?"

Yue Feng gritted his teeth and sneered without saying a word!

Lu Lingshan was so angry that she stopped talking nonsense, raised the whip in her hand again, and threw it on Yue Feng.

"Clap! Clap! Clap!"

This whip, like a fiery snake, keeps rising! Every whip hits the most vulnerable part of Yue Feng's body. !

In the blink of an eye, there was no good spot on Yue Feng's body, and his clothes were completely soaked with blood!

At first Yue Feng was able to grit his teeth and endure it, but in the end he couldn't bear it any longer, so he scolded loudly: "Lu Lingshan, are you all that capable? The whip hits like a tickling, keep on coming, come on! Today I admit it, you better kill me, if you let me survive, how do you treat me today, I will pay back ten times!"

Chapter 1087

"Shut up!"

Lu Lingshan fell with another whip, Yue Feng completely lost his strength, and only felt that his eyes were black, and he would faint at any time.

You know, every whip of Lu Lingshan incorporates internal strength, and ordinary practitioners can't stand both whips.

Yue Feng, relying on the internal strength of the Pure Yang Sutra, has resisted dozens of times, but he is still flesh and blood after all!

Seeing that Yue Feng was about to faint, Lu Lingshan lost her patience.

"Since you'd rather die than say it, then I'll kill you first!"

As she finished speaking, Lu Lingshan put away her whip, used her inner strength with her right hand, and slapped Yue Ding with her palm!

This palm has the power of thunder! Even the air was torn apart!

Done!

Yue Feng's mind is blank, is he going to die like this...

not reconciled, not reconciled!

Yuruo, Xuan'er, Little Fairy, as well as Madam, Dasheng and Brother Wen, I'm afraid I won't be able to do it anymore..

We...reappear in the next life!

At this moment, when Lu Lingshan slapped her palm, Yue Feng was extremely weak, not to mention dodging, even the strength to move was gone, and his heart was full of despair.

“Stop!”

However, at this critical moment, there was a rush of footsteps at the secret passage not far away.

Immediately afterwards, countless experts in the rivers and lakes rushed in like a tide!

These Jianghu masters are all friends of the Fang family, and their strength is not low. Many of them are the strength of Emperor Wu!

And behind them, followed closely by two women. It was Fang Zhiqiu and Fang Ting.

Someone broke into the family ancestral hall and injured Fang Shixian. The news quickly spread to sister Fang Zhiqiu. My father was injured, so don't worry about the Fang sisters!

“Quick, catch this woman!” Fang Ting was in a hurry, pointing at Lu Lingshan and shouting.

As soon as the words fell, many experts in the arena immediately surrounded Lu Lingshan and called out their weapons one after another!

Lu Lingshan turned her hand over, and hellfire jumped in her palm to resist these attacks. At the same time, she glared at Yue Feng unwillingly: “Yue Feng, you are lucky today. I will come to take your life sooner or later.”

Om!

When the words fell, Lu Lingshan didn't want to fight, and rushed out the door.

In fact, these people in front of them are not Lu Lingshan's opponents. But Lu Lingshan was afraid that the longer the delay, the more people would rush to support the Fang family. At that time, the situation will become more and more unfavorable for you. Anyway, the Panlong Jing has already arrived, so it is better to leave quickly.

These people couldn't stop Lu Lingshan, and in a blink of an eye, Lu Lingshan had already left.

"Yue Feng?"

At this moment, Fang Ting came over. He saw that Yue Feng was dripping with blood, and suddenly exclaimed. At this time, Yue Feng had almost become a bloody man, very miserable, Fang Ting's delicate body trembled, and the whole person was stupid.

This... this is too bad.

but!

Didn't he copy books at school?

How did you come to the shrine?

Thinking to herself, Fang Ting called softly, "Yue Feng, are you alright?"

Huh!

Hearing Fang Ting's voice, Yue Feng breathed a sigh of relief, shook his head, and then relaxed, and the whole person passed out.

He was tortured by Lu Lingshan before, and Yue Feng held it all with one breath. Now that he was no longer in danger, Yue Feng couldn't hold it any longer.

.....

On the other side, Apocalypse Continent, Imperial City!

Today, the sky is not beautiful, it is raining lightly, and the north wind is cold.

Originally, in this weather, the people of the imperial city would not go out. However, today is an exception. In front of the Guangping Wangfu, there are layers of people around.

At the gate of the palace, there are many soldiers holding a prison cart.

In the prison car, Qin Rong was wearing a prison uniform, with iron chains tied to his hands and feet, and was tightly locked to the car. In her mouth, a cloth was stuffed to prevent her from yelling.

Yes, today is the day when Qin Rongyin paraded through the streets.

Now many people know that Qin Rongyin is stealing men outside! There is a loss of virtue!

Parade to the public is the most severe punishment for cheating women!

In the feudal society, women valued their own fame more than their lives. Once their scandal was made public, it would be even more uncomfortable for her to be killed!

Especially the way of parading on the street is a devastating psychological blow!

At this time, Qin Rongyin, with pale face and eyes blank, stood in the prison car, staring straight ahead, tears streaming down like a broken pearl.

During the three days she was locked up, Qin Rongyin felt like she had entered hell once, she didn't know how much torture she had been subjected to!

After three days, Qin Rongyin completely collapsed!

Now that he has to parade in the entire imperial city, Qin Rongyin only feels that his spirit is numb.

“squeak—“

At this moment, a few strong men walked out of the palace, carrying a sedan chair. Sitting in the sedan chair is the princess Huang Dan.

At this time, Huang Dan, through the bead curtain of the sedan chair, saw Qin Rongyin in the prison car, and was indescribably happy.

This bitch is parading in the streets, of course I have to follow him to see it! Ha ha! As long as today passes, the entire Apocalypse Continent will know that this woman is stealing men outside! When King Guangping returns from out of town, he will never want her again! Without Qin Rongyin competing for favor, Wang Ye would definitely favor himself in the future!

Thinking of this, Huang Dan showed a smile on his face, not to mention how happy.

“His Royal Highness.” At this time, the captain of the guard walked over quickly and said respectfully, “The time has come for the parade, and it will begin immediately.”

“Well.”

Huang Dan nodded, suddenly thinking of something: “Yes, that What about Xiao Ye Zhong? Tie him to the back of the prison car, and let him see what kind of shit his mother is.”

Chapter 1088

What?

The child will also be tied up, and will follow the parade to the public...

In an instant, the captain of the guard's expression froze, and then he said cautiously: "Your Highness Princess, Yue Wuya's child is still young, isn't this a bit too much?"

Huang Dan glared at him. With a glance, there was no pity: "What? You really take that wild seed as the prince's own son? What is there to be pitiful for a wild seed born to a slut? Hurry up, do you hear me?!"

"Yes, yes . . . , I'll do it right away." Seeing that the princess was angry, the captain of the guard didn't dare to say anything, so he quickly responded and turned around.

After a while, Yue Wuya was brought out.

"Mom..."

Seeing that Qin Rongyin was locked in the prison car, Yue Wuya immediately shouted and was about to rush up, but was stopped by the guards.

He didn't see his mother for three days in a row, Yue Wuya's eyes were swollen from crying, and it was distressing to see.

However, except for a few guards and maids, most of them were indifferent.

The princess is determined to severely punish Qin Rongyin and her son, who dares to plead and talk nonsense.

"Hurry up and tie up the wild species. Tie the back of the prison cart." Huang Dan urged.

When the words fell, several soldiers rushed over, grabbed Yue Wuya's little hand, and tied him to the back of the prison cart.

In the prison car, Qin Rongyin was completely numb and lost, but suddenly she heard her son's cry and suddenly woke up.

"Wooooo..."

Seeing Yue Wuya being chained to the back of the prison car, Qin Rongyin's heart was broken and she struggled with all her might, but her hands and feet were tightly bound by iron chains and she couldn't move at all.

Tears, mixed with cold icy rain, kept falling from Qin Rongyin's face.

Child, mother did not protect you, mother is sorry for you.

“Start the parade to show the public!”

At this moment, under Huang Dan’s signal, the captain of the guard waved his hand, and the prison car moved slowly.

The two guards, holding up prepared wooden signs, followed the sides of the prison van. On the wooden sign were written several rows of characters: Qin Rongyin, colluded with the groom, did not obey women’s ethics, paraded through the streets to show the public!

At this time, the two sides of the street were already full of people, and almost all the people of the imperial city came out.

Seeing that the prison car was coming slowly, everyone pointed at Qin Rongyin and began to punish him.

“Is this the woman from the lord? Tsk tsk... seduce the groom? It’s so mean...”

“Yeah, it’s so good to be rich and rich with the lord for a lifetime, to do such a thing, it’s really dissolute and shameless!”

“There’s still a child behind, this is the wild breed of that woman...” The accusations and insults kept coming, but Qin Rongyin didn’t care at all.

At this time, Qin Rongyin’s attention was all on Yue Wuya, who was behind him. He saw his young figure, stumbling along with the prison car, and fell down several times. His body was covered in mud and water, and his face was extremely pale.

“Mom...Mom...”

Yue Wuya was too young, he had never experienced such a thing, the rain wet his clothes, he felt very cold, and he kept crying.

Qin Rongyin’s heart was cut like a knife, and her whole body was about to collapse.

Oh my god!

What am I doing wrong?

It doesn’t matter if you punish me like this, please have pity on the child.

He’s still so young...

Qin Rongyin kept a cloth in his mouth, tears kept flowing, and he could only keep shouting in his heart.

The people on both sides gathered more and more.

“Bitch!” No one in the crowd called out, pointing at Qin Rongyin!

Suddenly, a stone stirred up a thousand waves! Everyone around was aroused and yelled loudly!

“Bitch!”

“It’s humiliating and weathering, doing such shameless things, bastards die!”

The people onlookers, in a rage, picked up the things around them, rotten leaves, eggs, and stones. He threw it towards Qin Rongyin.

Qin Rongyin couldn’t hide at all, all kinds of dirty things were thrown all over his body.

At this time, Huang Dan, who was in the sedan chair behind, saw this, and a smile appeared at the corner of his mouth.

bitch.

This is the end of my fight for favor!

“Mom...”

Seeing this scene, Yue Wuya cried even more fiercely: “Don’t hit my mother, you bad people, bad people...”

Shuh!

In an instant, the eyes of some good deeds were instantly locked on Yue Wuya.

“This kid, how dare a wild breed scold us? Throw him!”

“Yes, teach him a good lesson.” In the

next second, many people around threw the things in their hands towards Yue Wuya.

After all, Yue Wuya was too young and his endurance was too weak. After being hit by a few rotten eggs, he immediately fainted.

However, the prison cart was still moving forward, and the rope pulled Yue Wuya’s young body and dragged it on the ground full of rain.

Seeing this scene, Qin Rongyin only felt that his eyes were darkened, and he almost fainted.

“Stop!” The

captain of the guard couldn't take it any longer, shouted to stop the prison car, and then returned to the sedan chair.

“His Royal Highness, the child has fainted, and this will lead to death.” The captain of the guard said carefully to Huang Dan.

“Why are you talking nonsense so much?” Huang Dan looked at him coldly: “Don't worry about that wild beast!”

“His Royal Highness...” The captain of the guard looked at Ya'er with a distressed expression on his face: “Wangfei, don't worry about it. Mrs. Qin Rongyin, what a mistake you have done, Ya'er is innocent...”

“Bah!” Huang Dan slapped him and said coldly, “That wild breed was born wrong!”

Chapter 1089 The captain of

the guard sighed and glanced at Yue Wuya sympathetically.

At this time, Ya'er had already passed out and was dragged away by the prison car, rubbing her body on the ground, already scarred. But the princess was not going to let Ya'er go, and the captain of the guard could only shake his head and stop looking at Ya'er.

Qin Rongyin in the prison car only felt heartache! Seeing her child being dragged on the ground, what mother can stand it!

But the people watching the lively around still held cabbage and stones, and kept throwing them at Qin Rongyin.

“This bitch, don't let her parade on the streets anymore, just hang

her!” “Yes, hang her!”

“Hang her!”

Qin Rongyin's eyes were full of deep hatred.

Qin Rongyin didn't pay attention to the shouts around her, she turned her head as hard as she could, and looked at her son behind the cage, with tears in her eyes, extremely sad. She couldn't bear to look at Ya'er any longer, so she simply raised her head and

looked into the distance. But at this sight, her delicate body trembled. Only to see the end of the street, a high wooden shelf was built, and a hemp rope was hung on the wooden shelf.

Obviously, the parade was over when it got to the wooden shelf.

And waiting for Qin Rongyin's final trial is to hang her here.

Do not!

I can't die! Can't die!

I haven't met Yue Feng again, haven't raised my child yet...

I can't just die like this...

Qin Rongyin kept struggling, trying to break free from the cage. However, the cold iron chains locked her tightly, and all her struggles were in vain.

the other side.

Imperial City, Overwatch Council.

King Guangping sat on the ground, and on the table in front of him was a thick stack of copywriting.

Since the enchantment between the nine states disappeared, various continents began to trade with each other, and the Apocalypse Continent was also preparing to introduce some technological products. These things, Emperor Tianqi handed over to King Guangping to do.

Under such circumstances, King Guangping did not have a good rest for two months in a row, especially in the last half month, he hardly had time to return to the palace.

Because there are so many things to deal with.

At this moment, King Guangping was lying on the table, wanting to close his eyes and rest for a while, when he heard a loud noise from the street outside.

King Guangping was upset by the noise, so he shouted at the door: "Someone!" The voice fell, and a personal guard walked in quickly and respectfully said: "What is the king's order?"

"Why is it so noisy outside? What happened? What's the matter?" King Guangping frowned and asked anxiously.

The bodyguard looked ignorant, shook his head and said, "I don't know either, I'll go take a look!" The

voice fell, and he walked out quickly.

After a while, the guard ran back in a panic.

"It's not good!"

When they reached the lobby, the guard wiped the cold sweat and rain from his forehead: "My lord, Madam is locked in a prison car, she is parading through the streets, and she will be hanged..."

As Guang King Ping's bodyguard naturally knew Qin Rongyin.

What?

King Guangping turned pale in shock, stood up all of a sudden, and rushed out without saying a word.

Madam was imprisoned in a prison car and was hanged?

What the hell is going on? !

At this moment, Qin Rongyin is here.

"Hang her..."

"Hang her!!"

Under the furious roars of many people around, the prison cart slowly came to the wooden frame.

Chapter 1090

Under Huang Dan's signal, several guards walked over quickly, opened the cage, and lifted Qin Rongyin, who had almost collapsed, out.

"Wuya, my child..."

At this moment, while struggling, Qin Rongyin spat out the cloth in his mouth, turned around and ran towards Yue Wuya, crying exhausted.

However, her hands and feet were tied with iron chains, so she couldn't hurry, and was stopped by the guards at once.

Qin Rongyin saw that Yue Wuya's young body was soaked wet, lying there quietly, eyes closed, life and death unknown.

"Child, Mom I'm sorry for you, Mom I'm sorry for you..."

Crying, Qin Rongyin looked around and retorted loudly at the people who were accusing and insulting him: "I'm not a slut, I haven't done that kind of thing. , I didn't..."

Saying that, Qin Rongyin looked at the sedan chair not far away, and through the bead curtain, tightly locked Huang Dan inside: "Huang Dan, it doesn't matter if you frame me like this, but if you deal with a child like this, just Aren't you afraid of thunder?" During

the three days she was locked up, Qin Rongyin completely understood.

All of this was set up by Princess Huang Dan.

That Feng Tian was timid by nature, and without the support of the princess, he did not dare to slander himself casually.

After that, Feng Tian died. Everyone said that he committed suicide because of fear of crime. In fact, it was Huang Dan who killed and silenced him.

"You bitch, you still haven't admitted it yet, and even said that His Royal Highness the Princess framed you?" Tan Chun, who was beside the sedan chair, couldn't help but curse.

Huang Dan's face was cold, very annoyed, and he waved his hand: "Exercising punishment!" When he said this, Huang Dan looked at Qin Rongyin, full of pride and viciousness.

What if I frame you?

Now the people of the entire imperial city know that you are a bitch!

If you have anything to say, go to the underworld and talk to Lord Yama!

Hearing Huang Dan's words, several guards dragged Qin Rongyin under the wooden shelf.

Then, a guard put the rope around Qin Rongyin's neck.

"Such a bitch, even if she is about to be executed, we have to beat her, beat her!" The people around saw that Qin Rongyin was about to be executed.

Qin Rongyin only felt that it hurts to be smashed on her body, but her heart hurts even more! Tears fell. When her eyes turned to Yue Wuya, Qin Rongyin couldn't control it any longer and burst into tears!

"Y'er, mother is leaving... I can't bear to part with you!"

"Clang!"

However, at this moment, the surrounding people, who did not know who they were, threw a large stone and hit Qin Rongyin in the face. . This time, blood slid down Qin Rongyin's beautiful face.

"Smash you bitch to death!"

"If you don't keep the woman's way, you deserve it!"

"

Today's weather, it was already raining lightly, and for some reason, the rain was getting heavier and heavier, making Qin Rongyin's mother and son extremely wet. On the bodies of the mother and son, the blood mixed with the rain fell, which was extremely miserable.

"Don't smash it, don't smash it..." Qin Rongyin cried. The surrounding people, it's nothing to throw stones at themselves, but they still throw stones at Ya'er. At this time, Ya'er was in a coma, her lips were white, and she was hit by a few stones, and her body was covered in wounds.

"Smash!"

"What kind of good son can such a slut bring up! Smash!"

the surrounding people shouted, and the smashing became more and more fierce.

"I'm not a bitch, I'm not..." Qin Rongyin cried so weakly that no one heard what she said. Qin Rongyin just felt very aggrieved in her heart, and tears fell down!

"Stop the special code for me!"

However, at this moment, only a roar was heard, which came from mid-air!

Immediately afterwards, I saw a man flying at high speed, completely ignoring that his clothes were wet by the rain!

It is the King of Guangping!

“Damn you!” Guangping Wang’s eyes were red, he suddenly pulled out a long spear, and swept it fiercely! I only saw a few soldiers beside Qin Rongyin, who were swept away, and blood spurted out!

Whoa!

In an instant, the whole street was silent! After a long time, a heated discussion finally broke out!

“The lord is here..”
