

The ultimate husband in Chinese chapter 1091-1100

Chapter 1091

Guangping Wang, with red eyes, strode like the wind, walked to the prison car, raised his hand, drew his saber, and waved it sharply!

“Boom!” The

prison cart shattered in response! Qin Rongyin fell down softly, and King Guangping embraced her waist at once. Hold her in his arms.

“Your Highness...”

At this time, Qin Rongyin was surprised and delighted, her red lips parted slightly, and she said two words weakly, and she couldn't continue.

Qin Rongyin almost lost his life after being paraded through the streets on a rainy day, and being smashed with various objects by the people watching the fun.

“Madam, don't be afraid, I'm here, I'm here...” King Guangping comforted a few times, his heart ached! That kind of pain, as if being pierced by thousands of arrows!

King Guangping saw that Qin Rongyin was covered in wounds, and her face was originally beautiful, but now she was pale! Breathless! Apparently he was tortured inhumanly!

“What the hell is going on here! Who gave you the right to deal with the madam!” King Guangping looked around, his tone was extremely hoarse, and his inner anger was also rising! He's been busy these days and has no idea what's going on. Seeing that his wife was injured at this time, Ya'er also fainted on the ground, and his anger could no longer be controlled! Climbing upwards!

The next second, King Guangping glared at the captain of the guard next to him: “The woman who dares to do this to me, do you... want to die?”

Puff!

When the words fell, the captain of the guard trembled, knelt down directly, and said in a trembling voice, “Wang... wang ye, it's not that my subordinates want to do this to your madam, it's madam she... she did something wrong to you...”

Speaking, the captain of the guard glanced behind Qin Rongyin, behind her, the 'guilt card' was erected.

On the guilt card, it was written that Qin Rongyin did not follow the way of women.

At this time, King Guangping's eyes also fell on the guilt card. At this moment, King Guangping clenched his fist!

This chapter is provided by . Visit for daily update.

What?

Madam she.... colluded with the groom to spend the night together? !

How is this special code possible! Madam Bingqing Yujie, how could it be possible to collude with the groom?

At this time, Qin Rongyin leaned on King Guangping, the weak one would faint at any time, and said intermittently: "My lord, I...I didn't do it...I...I was.... wronged."

Hearing this, King Guangping came back to his senses, nodded and said: "Madam...you are weak now, don't talk about it, this king believes in you, of course I believe in you!"

"My lord, the groom committed suicide..." Captain of the guard said tremblingly.

suicide?

Hearing this, King Guangping was furious!

"Listen to me, all of you!" King Guangping sank into his dantian and looked around the people in the city: "Madam, she was framed by someone. In the future, whoever dares to talk about Madam, I will kill you.

" It's not big, but half of the imperial city can be heard clearly!

The rain wet the clothes of King Guangping, and King Guangping stood in the rain, like a king in the world!

"Madam, let's go back to the manor!" King Guangping put his arms around Qin Rongyin's waist and whispered.

"Yeah!"

Qin Rongyin just felt warm in her heart, this man really gave her a full sense of security. At this time, the lady nodded weakly, suddenly thought of something, and said eagerly: "By the way, child, child...still in the prison car!"

What?

Hearing this, King Guangping's heart tightened, and he hurriedly looked at the prison car. His eyes were blood red and his veins were exposed!

King Guangping saw that the young Yue Wuya was lying there quietly, his face turned pale, and he didn't know how long he had been in a coma. Under the body, all rain!

Swish!

At this moment, King Guangping slowly glanced around, his eyes blood red.

At this time, King Guangping was completely furious and screamed in the sky!

“Roar!”

This roar, as if the sky was falling apart!

A rage shook the mountains and rivers!

Chapter 1092

Hiss!

The surrounding people covered their ears one by one, and many people were shocked by the eardrums!

King Guangping's eyes slowly stared around! In an instant, King Guangping's eyes swept across, no matter if it was the guards or the people who were looking around, their hearts trembled, and they couldn't help gasping for air.

This look is so terrifying!

“Your Highness...”

The captain of the guard kneeling there was even more frightened and his tongue was knotted.

“Boom!”

King Guangping walked over and kicked him fiercely! The captain of the guard snorted and flew out!

“Your Highness...” At this moment, Huang Dan anxiously stepped out of the sedan chair, pointed at Qin Rongyin and said, “Your Highness, this bitch is not worth what you do for her... She steals men behind your back, she is lowly, she...”

“Shut up, shut up!” King Guangping roared and slapped Huang Dan on the face!

“Crack!”

With this slap, Huang Dan’s body flew out dozens of meters and fell heavily on the wall!

“Pfft!”

In an instant, half of Huang Dan’s face was swollen, and the whole person was stunned.

He...

he beat himself up for a woman without a name?

What?

The prince actually did something to the princess?

Seeing this scene, everyone present exploded! There is a lot of discussion!

Huang Dan on the side was even more heartbroken: “My lord, I am the wife you are marrying. You treat me like this for this bitch, why is this! Qin Rongyin did such a scandal, and I pulled her out to parade in the public. , is to maintain the dignity and reputation of our palace, am I wrong?”

“Clang!” King Guangping walked quickly, stretched out his big hand and pinched Huang Dan’s neck!

“Uh...” Huang Dan only found it difficult to breathe, and his face turned purple.

“I tell you, in this world, no one can bully Madam, and no one can bully Ya’er! Whoever bullies will die!” King Guangping shouted with red eyes, “If you are rude to Madam again, I, I will leave you, and then slaughter your whole family.”

“Wow!”

After saying this, King Guangping let go of his hand. Huang Dan fell to the ground like a puddle of mud, breathing in the fresh air.

“Hurry up and call me the imperial doctor.” King Guangping looked at the captain of the guard coldly, his voice extremely cold: “If the child makes a mistake, all those who participated in the parade today will be buried with him!”

All buried with him!

The last four words, like a thunderbolt from the blue, resounded in the ears of every guard!

Whoops!

The next second, the guards around all knelt down, terrified!

“Yes, this subordinate will go...” The captain of the guard endured the pain in his heart, struggled to get up, greeted a few people, picked up Yue Wuya, and returned to the palace first.

Another guard quickly rushed to the palace to ask for an imperial doctor.

Whoa!

At the same time, all the onlookers at the venue were also in an uproar!

“This... what’s the situation?”

“This Qin Rongyin is so disobedient to women, that the prince is still going to her?”

“It must be this bitch who used some magic trick to confuse the prince...” The voices of discussion kept coming, and King Guangping was extremely angry. Pointing at the people around him, he said coldly: “Shut up for me! Come on, arrest all the untouchables who threw stones and vegetables just now, and put them in heaven!”

Chapter 1093

“Your Highness!”

At this moment, Huang Dan also recovered, she took a few deep breaths, and came over again with a bit of her head, tears streaming down her face: “Your Highness, for this Qin Rongyin, you almost strangled me to death. , I’m your princess! Qin Rongyin, this woman, did such a scandalous act, which brought shame to the entire palace. I hang her in public, which is what the people want! Why do you still protect her? Today is yours. Kill me, and I won’t accept it!”

“I want to die, I will fulfill you.” At this moment, King Guangping slowly turned his head, his eyes were blood red, and he walked towards Huang Dan step by step! Holding a long knife in his hand, he was murderous!

“Your Highness...”

Huang Dan’s body trembled slightly when he saw King Guangping’s eyes, his eyes were extremely terrifying. She really didn’t expect that King Guangping actually wanted to kill herself!

“Princess!” King Guangping held the knife on Huang Dan’s neck, and said coldly, “I know what kind of person Rong Yin is. I also know what kind of person you are! You say, Madam colluded with the groom, the groom is dead, right. I ask you, how did the groom die? You look into my eyes and answer!” The

voice fell, and a powerful aura erupted from King Guangping.

Feeling the oppression of King Guangping, Huang Dan’s eyes wandered, and his heart was inexplicably panicked, but he still showed a fearless appearance: “Feng Tian was seduced by this woman and did something sorry for the prince, knowing that he had no face to face the prince, I have committed suicide to apologize, and the whole palace knows about this.”

“Suicide?” Guangping Wang red eyes: “Good reason, you really played a good hand! I am too lazy to talk nonsense with you, husband and wife, I will do it today. Let you die happily. If there is an afterlife, remember not to provoke your wife!” The

voice fell, and King Guangping slashed down!

Even if the princess is the wife he is marrying, so what! Offend the lady and she will die!

“Your Highness, no, no!”

At this moment, the surrounding soldiers knelt down a lot. These soldiers are all the confidants of King Guangping.

“My lord, she is the princess after all. If you kill the princess because of Mrs. Qin Rongyin, the world will only say that it was the lady who killed the princess!” Several soldiers walked over on their knees and persuaded in a low voice.

“Yeah, Lord, think twice about it...”

A voice of prayer sounded. King Guangping had a cold face and threw the knife to the ground! Looking at the princess, he said, “Today, I will spare you not to die. If there is another time, no matter who stops you, you will die.” When the

voice fell, King Guangping raised his hand again, slapped it hard again, and slapped it in Huang Dan’s face. superior!

“Crack!”

How strong is this slap? I saw blood on Huang Dan’s face, and the whole person flew out more than 50 meters. After falling to the ground, he fainted directly.

King Guangping didn’t even look at the princess, he put his arms around Qin Rongyin and whispered, “Madam, let’s go back to the house.”

Qin Rongyin nodded weakly.

In the past few days, her life has been tossed, and she has no strength to speak. However, at this moment, I saw that King Guangping not only almost killed the princess for himself, but also arrested those people who were making troubles. Qin Rongyin just felt moved.

“Your Highness...” Qin Rongyin wiped away the tears, looked at King Guangping, and said weakly, “Is it worth doing this for me...?”

Phew!

King Guangping took a deep breath, his face full of love, with a hint of firmness: “Madam, for so long, don’t you understand my intentions? For you, even if I become an enemy of the whole world, I have nothing to do. Fear.”

Speaking of this, King Guangping’s tone was soft: “Okay, Madam, stop talking, I’ll take you back to the house to rest.”

When the voice fell, King Guangping hugged Qin Rongyin and strode towards the palace. The heavy rain poured down, and King Guangping took out an oil-paper umbrella from the street to shield Qin Rongyin from the rain, but he was soaked all over.

At this moment, Qin Rongyin had mixed feelings and stopped speaking, pressing her face tightly against King Guangping’s heart, feeling indescribably safe.

On the street at this time, many people were arrested by the guards, all of them who smashed Qin Rongyin with stones before.

“My lord... I’ve been wronged!”

“My lord is confused!”

For a while, the street was in chaos, and countless people cried out in mourning.

The cries and pleas of the people behind him kept coming. King Guangping didn’t say a word, and there was no slight fluctuation on his cold face.

Chapter 1094

Even if these people are innocent, they should pay the price for bullying Madam and Ya’er.

Back at the palace, King Guangping put Qin Rongyin on the bed and gently covered her with the quilt.

“Quick! Go and prepare the ginger soup!”

King Guangping urged the maid.

He could see that Qin Rongyin was cold and pale. At this time, King Guangping’s heart was more distressed.

After a while, Jiang Tang was brought in, and King Guangping personally fed Qin Rongyin to drink it.

Seeing that Qin Rongyin’s face slowly recovered some ruddy, King Guangping’s face was full of tenderness, stroked her hair, and said slowly: “Madam, it’s alright, don’t worry, no one will mention this matter from now on. No one can bully you anymore.”

Thinking of the scene just now, King Guangping clenched his fists, unable to stop the anger in his heart.

Hearing this, Qin Rongyin was very moved, and her red lips parted lightly: “Your Highness, thank you...”

Qin Rongyin’s heart was extremely complicated when he said this.

In the past few years, Yue Feng has always been occupied in his heart, and he has never cared about King Guangping.

Only today did Qin Rongyin realize that King Guangping cares so much about him.

How lucky I am to meet such a man who loves me wholeheartedly. At this time, Qin Rongyin felt ashamed of King Guangping.

“Madam, what nonsense are you talking about, you are my woman, of course I have to protect you.” King Guangping said with a smile.

“Yeah!”

Qin Rongyin nodded, a happy smile appeared on his weak face.

The two looked at each other, and for a while, the atmosphere in the room became a little more subtle.

“Mom...”

At this moment, a childish voice sounded outside the door. I saw Yue Wuya trotting all the way, pushing the door and entering.

Yue Wuya fainted while parading in the street before. At this time, under the timely treatment of the imperial doctor, he had already woken up.

“Mom...” Yue Wuya ran over, threw himself into Qin Rongyin’s arms, raised his face, and said in fear, “Mom, when are we going to Diyuang Continent, I don’t want to be here anymore, it’s all about Bad guy...”

With that, Yue Wuya tilted his head to look at King Guangping, Tong Yan Wuji said, “Father, you also go to Diyuang Continent with us.”

Before Qin Rongyin told the child to go to Diyuang Continent, Looking for someone, but didn’t say who to go back to.

Yue Wuya has always kept it in his heart.

Go to the Earth Continent?

In an instant, King Guangping was stunned there.

Qin Rongyin also bit her lip tightly, coaxed the child a few words, and whispered to King Guangping: “My lord, I already know the news that Yue Feng is not dead, a few days ago... I... I thought I’m going to take Ya’er and go to Diyuang Continent to find him...”

At this moment, King Guangping only felt a blank in his mind: “Madam... So... so he is not dead, you already know... I specially blocked it before. After the news, you... would you blame me...”

Qin Rongyin smiled lightly and said softly: “How could I blame you, you blocked the news because you were afraid of me leaving, right?”

“Yes!” King Guangping’s eyes Red, she couldn’t help holding Qin Rongyin’s jade hand, her voice trembling: “I...I can’t bear you...”

Qin Rongyin looked at King Guangping, and saw that this dignified seven-footed man was about to cry. Madam felt a pain in her heart, looked at King Guangping, and said in a low voice, “You know, I’m really lucky to meet you... Over the years, you have been kind to me, and I remember and remember it clearly. Today , you are angry in public for me again. I... I am really touched. Do you know, I really owe you in my heart...”

King Guangping firmly grasped Qin Rongyin’s hand and looked expectantly. To her: “Madam.. so, so.. do you have to go.. do you still want to find him..”

Chapter 1095

“Madam, if you don’t go to Yue Feng, I.. I will be really happy, really happy.. Do you still want to find him...” When asked this sentence, Guangping Wang Man The face is looking forward, and the heart is trembling faintly!

King Guangping was used to seeing wind and waves, but he had never been so nervous as he is now.

He loves Qin Rongyin so much that he is afraid that she will leave him like this!

If there is no wife, let alone being a prince, even being an emperor, life has no meaning.

“I...”

Qin Rongyin bit her lip tightly, her heart was entangled, and she couldn’t go on after only one word.

The King of Guangping in front of him has paid so much for himself, will he leave him ruthlessly?

In an instant, the atmosphere of the entire room became more subtle.

King Guangping and Qin Rongyin looked at each other and fell silent for each other...—
the

other

side! Apocalypse Imperial City, on the street.

The princess was slapped by King Guangping just now, knocked unconscious, and had already woken up at this time. Several maids supported her.

At this moment, the guards of the palace arrested a lot of people who were making trouble, and the whole street was in a mess.

“Where’s the prince and that bitch?” Huang Dan couldn’t help asking.

Tanchun’s expression was complicated, and he said cautiously: “His Royal Highness Princess, the lord... brought that woman back to the palace.”

What?

That bitch did something scandalous, and the lord even brought her back to the palace?
!

At this moment, Huang Dan was shocked and angry, and his heart was full of resentment! At the same time, he felt that his face was still hot, Huang Dan couldn’t help

but recall the situation when King Guangping slapped him, and his delicate body could not help trembling faintly!

“Very, very good!” Huang Dan bit his lip tightly: “My lord, you beat me for that woman, okay, okay...”

After saying that, Huang Danjiao shouted, “Go, go to the palace.”

Huang Dan There is a sister named Huang Yan, who looks a bit beautiful.

Two years ago, Huang Yanyuan married Nayun Continent and became the prince concubine of Nayun Royal Family. Half a year later, the prince succeeded to the throne and registered as emperor. Huang Yan’s identity rose with the tide and became the queen of Nayun Continent.

Recently, Huang Yan visited her hometown and now lives in the palace!

The Nanyun Continent and the Apocalypse Continent have always been on good terms. Huang Yan, as the queen of Nanyun Continent, the Tianqi royal family also respects Huang Yan very much.

Huang Dan believes. As long as she tells her sister about the situation, she will definitely support her and call the shots.

At this moment, the Royal Garden of the Imperial Palace.

The Queen of Southern Clouds, Huang Yan, was standing there admiring the flowers, accompanied by several palace maids.

“Sister!”

Huang Dan walked in quickly and called out softly, his face full of grievances.

Seeing her appearance, Huang Yan hurried over and asked, “Sister, what’s wrong with your face?”

Huang Yan clearly saw that her sister was extremely red and swollen in love, and was obviously beaten.

While speaking, Huang Yan waved her hand and asked the surrounding maids to step back.

“Sister, my life is so miserable, the lord is fascinated by a bitch, and for her sake, he also did something to me...” Huang Dan came over, his face full of misery, and cried again!

Of course, she didn't say that she framed Qin Rongyin. Instead, he added fuel to the jealousy and said Qin Rongyin was very mean.

"What?"

Hearing this, Huang Yan was terrified, and her delicate body trembled: "Well, you King Guangping, my sister is wholeheartedly devoted to you, it's just that you don't appreciate it, and you're doing it for a bitch?"

The ultimate husband in Chinese chapter 1096-1100

Chapter 1096

Speaking, Huang Yan said with relief: "Sister, don't be sad, I'll call the shots for you, and I'll go to see Emperor Tianqi."

As the Queen of Nanyun, the entire Tianqi royal family is courteous to herself. We must let Emperor Tianqi give justice.

Besides, it was a big mistake for King Guangping to be bewitched by a bitch.

"Thank you, sister..." Huang Dan sobbed and wiped the tears from the corners of his eyes, but he was extremely happy that someone finally asked for justice for him.

.....

On the other side, Apocalypse Continent, Yue Chen Mansion.

With the first embrace of several maids, Chen Yun entered the hall with a face full of spring breeze. At this time, Chen Yun was in an indescribably happy mood.

Just now, when Qin Rongyin was paraded on the street, Chen Yun also went to see it.

Seeing Yue Feng's woman being reviled by thousands of people, Chen Yun's heart, let alone relieve her hatred. Although King Guangping later rescued him, Qin Rongyin's story of hooking up with his servants is now known to everyone! In the Apocalypse Continent, everyone recognized that Qin Rongyin was a bitch!

In the hall, Yue Chen was drinking tea slowly.

“Wife, why are you so happy?” Seeing Chen Yun’s wide-eyed smile, Yue Chen asked with a smile.

Chen Yun’s face was full of pride, but she couldn’t hide the resentment in her heart: “What else could it be? Of course it was Qin Rongyin’s bitch who was paraded on the street just now. This woman colluded with the groom and deserved it!” Chen Yun didn’t tell Yue Chen, it was actually her own design Framed Qin Rongyin.

“Really? She colluded with the groom?”

Hearing this, Yue Chen was stunned for a while, and felt a pity in his heart.

That woman is so reckless? If I had known that she was so casual, I should have found an opportunity to tease her before, maybe I could get it easily.

This chapter is provided by . Visit for daily update.

Now it’s actually a cheap groom...

Seeing his contemplative face, Chen Yun said angrily: “What are you thinking? I think it’s a pity for that bitch, so I’m starting to pity the fragrance and cherish the jade, right?”

Chen Yun knows Yue Chen best, and her husband knows everything. Well, it’s just too cute.

“How can there be.”

Yue Chen squeezed out a smile, and explained embarrassingly: “What a pity I have, a bitch, in my heart, you are the most beautiful wife.”

“Slick tongue.” Chen Yun was not angry talking. But not happy. Which woman can bear the sweet words of a man.

Chen Yun kissed Yue Chen. It was extremely distressing. Back then, he was tortured by Duan Yu day and night, but Yue Chen still doesn’t know about it. In Chen Yun’s heart, she has always been brooding, feeling that she is ashamed of Yue Chen.

.....

At this time, the Guangping Palace.

In the room, King Guangping and Qin Rongyin were sitting there, and the atmosphere was still a little awkward.

King Guangping just asked Qin Rongyin if he wanted to go to Yue Feng, but Qin Rongyin has not answered yet.

“Your Highness!”

At this moment, a guard walked outside the door and said respectfully, “Your Majesty asked you to go to the palace.” What is

Your Majesty looking for?

King Guangping frowned, then stood up and smiled at Qin Rongyin: “Madam, I’ll go to the palace, and we’ll talk when I come back.”

“Okay, you go, I’ll wait for you.”

Qin Rongyin smiled lightly and watched King Guangping speak with a gentle face.

King Guangping said nothing, turned around and walked out of the room.

After reaching the door, King Guangping thought of something, and said to the guard: “From now on, protect Madam at all times. No one is allowed to enter this backyard without my order.”

When he said this, King Guangping had a cold expression on his face . . . He was afraid that someone would bully his wife again. Madam is his heart and soul, and he will not allow her to be bullied again.

Chapter 1097

“Yes, my lord! The subordinates will always guard the door of the lady!” The guard quickly responded, daring not to slack off.

King Guangping nodded and left the palace directly.

After a while, King Guangping arrived at the palace hall.

As soon as he entered the main hall, he saw Emperor Tianqi with a gloomy face, sitting on the dragon chair, and the eunuchs beside him were afraid to come out and were trembling.

The entire hall was shrouded in a dull and depressing atmosphere.

Obviously, the emperor just got angry.

Seeing this scene, King Guangping’s heart tightened, and he was inexplicably nervous. He quickly walked forward, knelt down and saluted: “Chen, see Your Majesty .

“

He stared at him so indifferently: "King Guangping, I heard that the imperial city is very lively today, do you know what's going on?"

This...

Could it be that His Majesty summoned him because his wife was parading in the street to show the public?

It's not a big deal, how did he know?

Thinking to himself, King Guangping pretended to be calm and said slowly, "I don't know what your majesty said ?

"

You pretend to be confused, the Qin Rongyin that I gave you before, was not a womanist, colluded with the groom of the palace, and was paraded through the streets to show the public, but you stopped him, not only that, but also beat the princess in public and arrested a lot of innocent people."

Speaking of which, Emperor Tianqi pointed at King Guangping, his eyes bursting with fire: "For an indiscreet woman, contrary to public opinion, I have lost all my royal face to you, what should you be blamed for?"

Just now, Huang Yan, Queen of Nanyun, had an audience and complained to Emperor Tianqi to seek justice for her sister Huang Dan.

Knowing the situation, Emperor Tianqi was furious.

"Your Majesty!"

King Guangping's heart trembled, and he said in fear, "Your Majesty, things are not what you heard, Qin Rongyin didn't do anything with the groom, she was framed by someone..."

Before he finished speaking, He was directly interrupted by Emperor Tianqi: "Okay, you don't need to say more about this matter. In front of the people of the city, you openly sheltered a lowly woman. Do you know what

the consequences will be?" At that time, Emperor Tianqi looked serious.

As an emperor, he doesn't care if a woman is wronged, he only cares about the reputation of the royal family.

"Chen..." King Guangping sweated profusely, and lowered his head: "I will let the people under my command go and release the people."

“Is it enough just to release the people?”

Emperor Tianqi looked at King Guangping, He spoke coldly.

Feeling the coldness of Emperor Tianqi, King Guangping’s heart tightened, and he said in fear: “What does your majesty mean...”

Phew!

Emperor Tianqi took a deep breath and said lightly: “Immediately execute that woman as an example.”

What?

In an instant, King Guangping’s face changed greatly, and he said anxiously: “Your Majesty, this...”

Before he finished speaking, Emperor Tianqi interrupted coldly: “What? You still want to disobey the imperial edict?”

At this moment, King Guangping only felt that His brain was buzzing, and he responded in a low voice unwillingly: “I...don’t dare!”

When he said this, King Guangping only felt that his heart was being pulled.

Killing the woman you love is even more uncomfortable than killing yourself! Madam has suffered so much just now, and she can’t help herself.

Chapter 1098

Also, Ya’er is so young... how can she not have a mother..

But, His Majesty has already decreed, and to resist the decree on your own is a big treason!

Seeing that King Guangping’s face was sad and the whole person was in a state of despair, Emperor Tianqi couldn’t bear it, and sighed: “King Guangping, in the entire royal family, I have always been very optimistic about you, don’t let me down, let alone ruin it for a woman.

After speaking, Emperor Tianqi waved his hand: “Go!” “

I retire!”

King Guangping slowly stood up, responded, and walked out of the hall silently.

Outside, the cold rain was still falling, just like King Guangping's mood at this time, cold and desperate.

King Guangping did not know how he returned to the palace.

From the palace to the palace, after a short journey, King Guangping was exhausted. When they got to the backyard, Yue Wuya saw it from a distance, trotted over and shouted, "Father, you are back."

Qin Rongyin leaned against the door with a gentle and graceful face.

Seeing this scene, King Guangping squeezed a smile on his face, but his heart was cut like a knife.

How to do?

Do you really want to execute Mrs.

But...how can I get it off myself?

"My lord, what's the matter with you?" At this moment, Qin Rongyin came up to meet her, and asked in a soft tone, her face full of concern.

call!

King Guangping took a deep breath, stroked the child's head, and smiled wryly: "Madam, you...you take the child and go back to Di Yuan Continent...you...you go to Yue Feng... later... ..never come back."

When he said this, King Guangping's heart trembled.

Yes!

He couldn't bear to execute Qin Rongyin, but he couldn't disobey the imperial edict.

The only way is to let Qin Rongyin take the child away.

What?

Hearing this, Qin Rongyin trembled, staring blankly at King Guangping, speechless.

Isn't the prince most afraid of leaving him?

Why... Now I take the initiative to let myself go...

Seeing Qin Rongyin's face full of doubts, King Guangping reluctantly said, "Madam, His Majesty just found out about today's affairs. He... He asked me to execute you!

"!

When the words fell, Qin Rongyin's pretty face changed, and she staggered back a few steps: "Your Majesty... want you to execute me?"

King Guangping nodded, looking at Qin Rongyin's eyes, showing a strong reluctance: "I can't disobey. The imperial decree, but I absolutely can't do it if you want me to execute my wife, so you take the child and leave quickly..."

"My lord..."

At this moment, Qin Rongyin understood the situation and was moved beyond words. All of a sudden, she threw herself into King Guangping's arms, her face wet with tears: "My lord, I'm sorry, I'm the one who caused you..."

When he said this, Qin Rongyin had mixed feelings. In addition to being moved, he was also filled with endless guilt.

This man has sacrificed too much for himself. Now, for their own sake, they don't hesitate to disobey the military order! You know, in the Apocalypse Continent, imperial power is supreme! As an important official of the imperial court, King Guangping disobeyed the imperial edict, that would be disloyal and unfilial! If it spreads out, the reputation of King Guangping for a lifetime will be ruined! For men, fame is more important than life! For his own sake, King Guangping would not hesitate to risk his own reputation!

"Madam, don't cry, you didn't bother me, it's my fault, I didn't protect you well." King Guangping patted Qin Rongyin's fragrant shoulder gently and comforted her softly, feeling extremely uncomfortable.

Qin Rongyin raised his head with an urgent look on his face: "My lord, if you let me go, Your Majesty will definitely blame me. Why don't you go with me and Ya'er, let's go to the Diyuan Continent together, okay?"

Chapter 1099

King Guangping shook his head and smiled bitterly: "It's okay, ma'am, I won't go to Diyuan Continent with you. There is Yue Feng in Diyuan Continent, he... he will take good care of you... madam, don't Worry about me... Your Majesty has a lot of places to rely on me, and won't do anything to me."

After speaking, King Guangping breathed a sigh of relief, endured the grief in his heart, and said to Yue Wuya, "Ya'er, in the future Father Wang can't be with you anymore, you

have to be obedient, and when you grow up, you must protect your mother well, you know?”

“Yeah!”

Yue Wuya raised his face and nodded.

Although Yue Wuya was young, he realized something at this time and hugged King Guangping's leg: “Father, please come with us, Ya'er still wants to eat the candied haws you bought.”

Wow!

Hearing this, King Guangping couldn't hold back his emotions any longer, and tears fell.

The next second, King Guangping crouched down, his face full of tears, and a smile appeared: “Y'er, when you return to Di Yuan Continent and see your father, he will buy you candied haws...”

Father?

Hearing this word, Yue Wuya looked puzzled.

At this time, King Guangping stopped talking, stood up, and shouted at the guards outside: “Call Jiang Hu in.”

After a while, Jiang Hu walked quickly and respectfully said, “Your Highness, what are your orders?”

Jiang Hu is the confidant of King Guangping and the person he trusts the most.

King Guangping's voice was hoarse: “Jiang Hu, I order you to start now, escort Mrs. and Ya'er all the way back to the Earth-Yuan Continent, until you meet Yue Feng, make no mistake!”

What?

Jiang Hu was shocked and completely stunned.

The prince cares about his wife so much, and he wants to send her back to Yue Feng?

This... what's the situation?

Thinking in his heart, seeing that King Guangping was very uncomfortable, Jiang Hu didn't dare to ask any more questions, he cupped his hands and said, “Don't worry, my lord, your subordinates will do their best.”

King Guangping nodded, turned back to Qin Rongyin and smiled: "Madam, before His Majesty has sent someone to check, you can take Ya'er with you."

After saying this, King Guangping turned his body to one side, tears streaming down wantonly.

What's the use of being a prince?

But he couldn't even protect his own woman.

"Your Highness..."

At this moment, Qin Rongyin was also unable to cry, and looked at King Guangping tightly, and said astringently: "Your Highness, take care of yourself... take care of yourself..."

Yue Wuya was infected by the atmosphere of parting and cried too: "Father, father, I don't want to leave you..."

King Guangping did not respond, nor did he turn around.

He was afraid that when he looked back at the mother and daughter, he would be even more reluctant.

Soon, Jiang Hu took Qin Rongyin and his mother and left from the back door of the palace.

At that moment, listening to the sound of footsteps going away, King Guangping turned around abruptly, tears streaming down his face.

lady! Ya'er!

You must take good care.

—

the other side!

Yue Chen's mansion.

In the hall, Yue Chen and Chen Yun were sitting there, their expressions were extremely astonished.

In front of them, kneeling a servant.

“Master Yue, just now the servant found Qin Rongyin’s mother and son at the gate of Guangping Prince’s Mansion and left the Guangping Prince’s Mansion, as if they were going to Di Yuan Continent.” The servant said in a low voice. This servant has been with Yue Chen for several years, and knows that Yue Chen hates Yue Feng.

“What did you say?”

At this time, Chen Yun’s delicate face was full of anger: “As we all know, the emperor just ordered King Guangping to execute that bitch, and when King Guangping returned to the palace, he put the bitch and That wild seed was secretly let go?”

When she said this, Chen Yun couldn’t express the resentment in her heart.

It’s abominable.

I finally set up a game, and in the end, this Yue Feng woman was still safe and sound.

What Chen Yun didn’t expect was that King Guangping was so fond of Qin Rongyin that he would rather disobey the imperial edict than kill her.

She’s just a bitch, how can she be able to let a prince treat her like this?

The servant replied respectfully, “Madam Hui, the villain read it right. The one who escorted Qin Rongyin’s mother and son was King Guangping’s personal bodyguard, called Jiang Hu!”

Hearing this, Chen Yun’s face was gloomy, very Not reconciled.

“Wife, why are you so angry.” At this time, Yue Chen came over with a smile and comforted: “It’s not easy to deal with this mother and son? They lived in the palace before, we have to do it, we have to take care of it, but now what? , It’s a long way to go back to the Earth Circle Continent from here, we just need to send someone to kill it.”
As he

spoke, Yue Chen’s eyes flashed viciously: “Jiang Hu is the only one who escorts that mother and child, no matter how powerful he is, I can’t stand the crowd.”

Chen Yun’s eyes lit up, and she gave him a sullen look: “You are smart. However, this method is really good.”

Immediately, Chen Yun thought of something, and said in a teasing tone: “Yue Chen, not to mention that woman, that child is Yue Feng’s son, and also the flesh and blood of your Yue family. He wants to call you uncle, you are too cruel? “

Yue family?”

Yue Chen couldn't help sneering softly: "When I was hunted down by the various sects in the battle of Zhaixinglou, I had nothing to do with the Yue family, and my brotherhood with Yue Feng was long ago. It's broken, as long as my wife is happy, why not kill his son?"

Hearing this, Chen Yun nodded with satisfaction: "You can talk!"

Soon, Yue Chen called his confidant and asked him to bring him with him. People, go to intercept Qin Rongyin's mother and son halfway.

At that moment, the smile on Chen Yun's face could not hide the ruthlessness in her heart.

Yue Feng.

Because of you, I have been humiliated by Duan Yu in every possible way, and now I kill your woman and child, which is a tit for tat.

.....

On the mountain road on the outskirts of the Imperial City.

Under the escort of Jiang Hu, Qin Rongyin took Yue Wuya's hand and moved forward silently.

Along the way, Qin Rongyin felt so uncomfortable.

She thought that she would be very excited when she left here one day.

But I never thought that when I left, I would be so sad.

At this time, Qin Rongyin felt really guilty. Guilt to King Guangping. This man treats him so well, but he drags him down again and again.

Yue Wuya also cried and cried all the way. He grew up in the palace, never traveled far, and left the King of Guangping who loved him. Yue Wuya's young heart was hit very hard..

Chapter 1100 I

don't know how far I have gone, and gradually, the imperial city behind me can't be seen, and the sky is clear.

"Ma'am, let's take a rest in front."

At this time, Jiang Hu pointed to the woods in front and said respectfully.

Qin Rongyin nodded, the child was too young, and after walking so long, it was time to take a break. While speaking, Qin Rongyin looked at the surrounding environment, surrounded by mountains and mountains, few people traveled.

If it was only her mother and son, Qin Rongyin must be a little scared.

But Jiang Hu is escorted by him, so there is no need to worry about danger at all.

Qin Rongyin hugged Yue Wuya and sat on a rock to rest.

At this time, looking at the mountains and forests in front of him, Yue Wuya's child's nature was revealed, and he asked curiously, "Mom, what is the Earth Circle like? Is it fun?"

"Of course it's fun, the Earth Circle is a high-tech development. There are many interesting places in this place, when the time comes, my mother will take you to play." Qin Rongyin said with a loving face, and said with a smile.

"Great, I like to play the most!"

Yue Wuya clapped his little hands, very excited.

Jiang Hu stood aside, looking at Yue Wuya being so cute, he couldn't help but smile.

Hula la...

At this moment, in the woods beside, there was a sudden sound of footsteps!

Immediately afterwards, more than 40 people rushed out. These people were all dressed in black, holding swords in their hands, their faces were bad, and their eyes were fierce.

These people were exactly the killers Yue Chen sent to kill Qin Rongyin's mother and son.

"It's them, kill me!" The man in the lead glanced at Qin Rongyin's mother and son, without any hesitation, he shouted angrily!

The voice fell, and more than 40 companions beside him rushed forward!

Seeing this scene, Jiang Hu was shocked and angry, and shouted angrily: "You guys are so bold, do you know who I am? I am the guardian of Jiang Hu under King Guangping."

However, the other party did not say a word, just directly Raised the sword in his hand. Before coming, Yue Chen explained that the battle should be resolved quickly, and his

identity should not be revealed! In this case, they naturally wouldn't talk nonsense with Jiang Hu!

"Huh.."

Jiang Hu clenched his fists tightly. He could already see that this group of people made a special trip to kill the wife, mother and son.

I am deeply entrusted by the prince, and I must not retreat, but only fight!

"Shu!"

Jiang Hu took out his saber, and without any hesitation, rushed over!

"Jiang Hu, be careful!"

Seeing this scene, Qin Rongyin was so anxious that he tightly guarded Yue Wuya behind him and slowly retreated to a safe place.

Yue Wuya was so frightened that her smile turned pale, she hugged Qin Rongyin's arm tightly, unable to speak.

In the blink of an eye, Jiang Hu had already fought with the other party.

"Boom!"

As King Guangping's most appreciated guard, Jiang Hu is powerful, and he is the strongest in the entire palace. In a blink of an eye, the few people who rushed up were easily repulsed.

But these people that Yue Chen sent were all very strong. Seeing Jiang Hu so brave, everyone's eyes were red. Yue Chen said that if anyone can kill Qin Rongyin's mother and son, they will be rewarded with gold!

Under the reward, there must be a brave man!

After a while, under the fierce battle, Jiang Hu was powerless.

There are too many people on the other side. If you continue to consume it like this, it will not take long before you will be exhausted!

But Jiang Hu did not flinch, and still gritted his teeth.

The lord is not mean to himself.

Nothing can hurt the wife and children.

“Kill this guy first, kill him!”

One of the leading killers, with red eyes, howled loudly, then rushed over without warning and slashed Jiang Hu’s back with a knife!

“Stab!”

This knife went down, and blood immediately poured out!

“Jiang Hu!”

Seeing this scene, Qin Rongyin’s heart trembled, and her delicate face was full of anxiety.

Hearing Qin Rongyin’s cry, Jiang Hu gritted his teeth and said loudly: “Madam, leave me alone, you can take the children and go, let’s go, I’ll stop them!”

“Hehe, the three of you today, don’t even think about any of them . Leave alive.” The

leading killer sneered, then waved his hand, and dozens of companions raised their swords again and surrounded him.

Jiang Hu roared and went up to meet him again.

In less than two minutes, Jiang Hu was covered in blood, from head to toe, there was no intact place, and countless wounds were bleeding non-stop, like a bloody man!

At this time, Jiang Hu knew that he was about to die, but he still gritted his teeth and insisted with his last breath.

Done!

Seeing Jiang Hu’s tragic state, Qin Rongyin stomped her feet anxiously, feeling extremely desolate in her heart.

Why is your destiny so bitter?

Are you and your child going to die in this barren mountain today?

“Om!”

However, at this moment, a powerful aura suddenly permeated from not far away!

The next second, a cold voice sounded in everyone’s ears: “If you disturb this seat, you will all die..”

“Whoosh!” At

the moment when the voice fell, a tall man whistled and saw him He was dressed in a black robe, with long unkempt hair scattered in a frenzy-like shape, and a pair of eyes, shining brightly, like a violent lion.

This man....

what a terrifying breath!

In an instant, whether it was Jiang Hu or those killers, they couldn't help gasping for air.

Seeing this man, Qin Rongyin trembled even more, her face full of horror, while tightly protecting Yue Wuya by her side, her pretty face was pale, and she was speechless in horror.

“Teacher...teacher...” Qin Rongyin's red lips parted slightly.

That's right, this man is exactly... Exactly... Master of Heaven!
