

The ultimate husband in Chinese chapter 1111-1115

Chapter 1111

Lu Lingshan bit her lip. As the leader of the Ming sect, when was she touched by a man! At this moment, Yue Feng was pinching her chin, and Lu Lingshan only felt a burst of anger, which suddenly rose!

“Kill me?”

Yue Feng showed a smile, his eyes were extremely blood red, he walked to Lu Lingshan step by step, slapped her hard, and slapped her in the face!

“Clap!”

With this slap, Yue Feng used all his strength to hear Lu Lingshan snort and was slapped to the ground.

Yue Feng did not pity Xiangxiyu, and looked at Lu Lingshan coldly: “Master Lu, when you abused me that night, did you not expect your retribution to come so quickly?”

Thinking of that night, only half of her life was left by her abuse. , Yue Feng was extremely angry.

Nima, not only was abused, but the Panlong Jing was also robbed.

Although the Panlong Jing has now snatched it back, he can't swallow the bad breath in his heart.

Lu Lingshan was almost blinded by this slap, but her eyes still stared at Yue Feng with endless resentment: “Yue Feng, you'd better kill me immediately, otherwise, one day, I will break you to pieces. The corpse is in ten thousand pieces!!!”

This person in front of him has destroyed the Ming Sect, and now he dares to beat himself!

This hatred is unbearable!

Yue Feng walked over with a smile and looked at her condescendingly: “Lu Lingshan, you are really a hero among women. You are so serious, why are you talking harshly to me?” As he

spoke, the corner of Yue Feng's mouth evoked a hint of evil. Laugh: “Don't worry, I won't let you die happily, and let you experience the feeling of 'you can't die if you don't survive', you told me that night, it's called tit for tat. When the words

fell, Yue Feng sat down in front of Lu Lingshan and took off his shoes.

That's right!

Yue Feng wanted to humiliate Lu Lingshan and severely attack her strong self-esteem.

The first female leader in the history of Mingjiao, right?

The goddess of the rivers and lakes of the Apocalypse Continent, right?

From today onwards, I will let you stand in front of me, completely unable to lift your head up.

“You...”

Seeing Yue Feng's actions, Lu Lingshan's delicate body trembled, her heart full of resentment, and a bad premonition arose: “What are you doing?”

Huh!

Yue Feng didn't talk nonsense, he picked up Lu Lingshan and laid it flat on the ground. Immediately after, she breathed a long sigh of relief, stood barefoot in front of her, stepped on Lu Lingshan's fair face, and said with a light smile, “Lu Lingshan, your face is too fragrant, I'll add some perfume to you. “

This woman stepped on herself that night, and now Yue Feng's face has the mark of being stepped on by high heels! This account must be calculated carefully!

“Yue Feng, you, you are courting death!” Feeling Yue Feng's feet, stepping on her face, Lu Lingshan collapsed directly and shouted angrily: “Yue Feng, I want to kill you, kill you, you Get out, get out!”

Women love beauty, and so does Lu Lingshan.

At this time, Yue Feng stepped on his face, which was even more uncomfortable than killing himself directly! And the younger brother is still watching, this kind of humiliation directly hits self-esteem!

However, when she spoke, Yue Feng's feet were directly stuffed into her red lips.

“Yue Feng, get out, get out!” Lu Jiechen, who was on the side, had a severe pain in his chest. Seeing his sister being trampled on by a man, he felt angry!

Seeing the two brothers and sisters looking extremely annoyed, Yue Feng was indescribably happy.

Nima!

Lu Lingshan, that night, I was almost beaten to death by your red phosphorus whip!

Now I just stepped on you with my foot and that's it.

Painful?

Pain is right.

Yue Feng smiled and looked at Lu Lingshan condescendingly: "Lu Lingshan, the dozen whips you whipped me have yet to be paid back."

"Yue Feng, I curse you not to die, not to die." Lu Lingshan red eyes , shouted loudly.

Death is not scary to her.

What made her unacceptable was that Yue Feng humiliated herself in every possible way!

Chapter 1112

"Hula!"

However, at this moment, I only heard footsteps, accompanied by a strong breath!

Um?

Yue Feng frowned, turned his head to look out the door, and was immediately stunned.

I saw dozens of people, rushing in like a swarm, there were men and women, and none of them were weak, most of them were in the realm of Martial Saint, and there were a dozen or so, it was Martial Emperor.

And one of them is Fang Shixian!

Nima!

How did these people find this place?

At this moment, Yue Feng's eyes flickered, and at the same time, he was also complaining in his heart.

“This woman is indeed here!” At this moment, Fang Shixian was extremely excited! Before Lu Lingshan took the Panlong Jing, Fang Shixian sent people to look around, but after searching for a long time, Lu Lingshan could not be found. Just now, a few friends from Wanhai City, Fang Shixian said, it seems that they saw Lu Lingshan in this club. That’s why Fang Shixian brought people and found it here.

“Yue Feng? Why are you here?” Fang Shixian looked at Yue Feng and asked subconsciously.

That night, Yue Feng was in the ancestral hall and was beaten with blood, leaving only half his life.

How long did it take to recover?

Besides, why is he here?

What made Fang Shixian even more astonished was that at this time, he felt that Yue Feng’s strength turned out to be the realm of Emperor Wu.

Swish!

At the same time, the eyes of the surrounding experts in the rivers and lakes also focused on Yue Feng.

Immediately afterwards, a woman in a long white dress couldn’t help but asked Fang Shixian, “Patriarch Fang, do you know this person?”

When she spoke, her eyes couldn’t help looking at Yue Feng.

This woman is Ye Zhixin, the pavilion owner of Yuyao Pavilion.

Yuyao Pavilion is the first sect of Xuanye Continent, and it has been inherited for thousands of years!

Hearing Ye Zhixin’s question at this moment, Fang Shixian’s face flashed a bit of complexity: “He...he is the bodyguard of my two daughters!”

What?

bodyguard?

A small bodyguard actually has the strength of Emperor Wu?

Hearing this, everyone present was stunned.

Seeing this scene, Yue Feng's face was calm, not panic at all. Anyway, the Panlong Jing has already been obtained, so I don't need to install it.

At this time, Fang Shixian looked at Yue Feng closely: "Yue Feng, you haven't told me yet, why are you here?"

"This..."

Under the gazes of everyone, Yue Feng smiled slightly: "Of course it is to help the patriarch Fang. Let's go after this woman."

With that, Yue Feng pointed at Lu Lingshan.

Fang Shixian calmed down and looked at Yue Feng: "You help me deal with this woman? Your duty is to protect my two daughters."

After speaking, Fang Shixian hurriedly asked, "Where is Panlongjing? Panlongjing? Did you get it back?"

At this moment, Fang Shixian was very excited when he mentioned the family's handed down treasure, and his tone trembled.

The Panlong Jing is of great significance to the Fang family, after all, it was handed down from the ancestors.

Otherwise, they wouldn't have called so many people from all corners of the world to help retrieve the Panlong Jing.

"Panlongjing, I got it!" Yue Feng nodded with a relaxed expression: "It's on me."

Phew!

Hearing this, Fang Shixian breathed a sigh of relief, a stone hanging in his heart finally fell to the ground, and his last expression was urgent: "Quick, give me the Panlong Jing!"

Chapter 1113

Yue Feng looked at Fang Shixian and said solemnly: "I'm sorry Patriarch Fang, Panlong Jing, I won't give it to you. Because I want to use it to save people."

"What did you say?"

Fang Shixian's expression changed, Outraged. The masters beside him all frowned.

Yue Feng said calmly: "I won't hide it now, I'm from the Earth Circle Continent, and my identity is the Sect Master of Tianmen! This time I came to the Xuanye Continent, condescending to be a bodyguard, the purpose is to get the plate Longjing, then find and save my beloved woman."

After speaking, Yue Feng looked at Fang Shixian seriously: "So, Panlongjing, I can't return it, but I won't take it in vain. What will the patriarch Fang ask for in the future? Feel free to mention it to me, as long as I, Yue Feng, can do it, I will do my best."

Yue Feng said from the bottom of his heart.

After all, the Coiling Dragon Spirit is a treasure handed down from time to time, and he can't take it for nothing.

What?

Tianmen Sect Master?

For a moment, Fang Shixian was stunned, staring at Yue Feng, speechless.

Tianmen Sect Master Yue Feng, who has never heard of this name! When Fang Shixian was a bodyguard for his daughter, he felt that the name Yue Feng was somewhat familiar, as if he had heard it somewhere, but he didn't think much about it at the time.

But why didn't he expect that the young man in front of him was actually a famous figure in the Earth Circle Continent!

At the same time, other people around were also exclaimed!

"Sect Master of Tianmen? The one who destroyed the Ming Sect of the Apocalypse Continent before?"

"

Before, Lu Lingshan and his brother held a birthday banquet in Mingwang Mountain, and many sects from all continents came to congratulate them. Later, Yue Feng killed Mingjiao. This incident spread across nine continents.

For a while, the audience was silent.

"Yue Feng!"

At this moment, Fang Shixian regained his senses, and his tone was unquestionable: "Panlong essence is the treasure of our Fang family, no matter what conditions you put forward, I will not agree, and I hope you it can be returned."

When he said this, Fang Shixian had a determined look on his face.

Yue Feng shook his head: "Since this is the case, then there is nothing to say, Patriarch Fang will treat me as a gun!"

According to Yue Feng's previous personality, he will never be hard on others.

But... the Coiling Dragon Spirit is the only treasure to save the little fairy, even if someone says it violates the morality of the rivers and lakes, he can't return it!

Otherwise, wouldn't it be a waste of time to come to the Xuanye Continent by yourself?

"You..."

It seemed that he didn't expect Yue Feng to answer so succinctly, Fang Shixian's face flushed, and he was speechless.

"Yue Feng!"

At this moment, a Jianghu expert took a step forward and looked at Yue Feng closely: "The so-called gentleman does not take people's favor, not to mention that the Panlong Jing is a family heirloom of the Fang family, and, you Yue Feng is a person with a head and face in the Earth Circle Continent, so it's not right for you to take the Panlong Jing as your own, isn't it?" The

voice fell, and everyone else nodded in agreement.

"Yes, Yue Feng, if you do this, you will lose the morality of the rivers and lakes."

"Let's not talk about this first. Before, as a bodyguard, it was a little unreasonable to infiltrate the Fang family!"

Everyone, you and I are all blaming Yue Feng.

Seeing the situation, Yue Feng was very big-headed and didn't bother to explain. He clenched his fists at Fang Shixian: "Patriarch Fang, I still have something important to do, so it's inconvenient to disturb me. We'll have a plan in the future." The

voice fell and Yue Feng turned around. , jumped out the window. If you continue to entangle, if you are afraid of a fight, quickly run away. After saving the little fairy, I was trying to find some treasures to compensate the Fang family.

What?

Chapter 1114

Is this gone?

In an instant, Fang Shixian only felt a pain in his chest and almost fell to the ground.

“Stop!”

“Good you Yue Feng, do you really think that there is no one in our Xuanye Continent?”

“Stop him!”

With the shouts of anger, everyone moved their figures and chased after Yue Feng.

—

the other side!

Apocalypse Continent! Tongtianjiao cottage!

Tongtian sect master's eyes were fixed on Qin Rongyin, his expression changed. Ya'er said just now that her mother's name was Qin Rongyin. When these words fell, the Tongtian Sect Master was shocked, confused, and had a headache.

“You? That's Qin Rongyin?” At this moment, Tongtian Sect Master covered his head, howled in pain, and asked again.

Seeing him like this, Qin Rongyin knew that his madness had not recovered, so he said softly: “You heard wrong, the child is talking nonsense.”

“Oh!”

Tongtian Sect Master nodded and said to himself: “My wife is very beautiful, as beautiful as you, but she has no children, and you...the children are so old.”

Hearing this, Qin Rongyin's body was shocked, and she realized something in an instant.

It turned out that the lady in the obsession of the Tongtian sect master was her former self.

Ugh!

Thinking of this, Qin Rongyin couldn't help but sighed secretly, feeling even more guilty towards Tongtian Sect Master.

Afterwards, Qin Rongyin comforted the Tongtian Sect Master and went out with Yue Wuya.

“Ya’er, don’t say your mother’s name again, you know? Especially in front of this weird uncle.” Qin Rongyin said seriously to Yue Wuya when he got outside.

Yue Wuya’s face was innocent and curious: “Why, mom...”

Qin Rongyin sighed lightly, stroked his head and said, “Because when you say mom’s name, this uncle will get angry, and when he gets angry, Well, he won’t let us go, and we won’t be able to go back to the Earth Continent, you know?”

“Oh! Got it, Mom.” Yue Wuya nodded vaguely.

In the days that followed, Qin Rongyin did not rush back to the Earth-Yuan Continent, but instead helped Tongtian Sect Master to rectify and establish Tongtian Sect.

Although she is a female class, Qin Rongyin was the sect master’s wife before, and she was the best at manipulating people.

Soon, with the help of Qin Rongyin, Tongtianjiao’s reputation gradually grew louder, and its scale continued to grow. In just a few days, it had grown from a few thousand people to tens of thousands of people.

...

the other side!

There is a royal hunting ground more than ten miles north of Tianqi Imperial City.

This hunting ground is specially provided for the royal family. Every spring and winter, the Apocalypse royal family will hold hunting.

The weather is nice today, and the winter is warm.

At this time, around the hunting grounds, many guardsmen were set up to keep watch, and inside the hunting grounds, flags were also fluttering.

Today is the day of the royal family’s winter hunting, and I saw that Emperor Tianqi was dressed in military uniform and was indescribably mighty. Behind him, there were hundreds of civil and military officials.

At this time, Ren Yingying was wearing a silver soft armor, but she still couldn’t hide her charming figure. These days, Ren Yingying’s figure is getting more and more sexy, and the curves are getting more and more exaggerated. This kind of figure, I am afraid that any man who sees it will like it.

Chapter 1115

But no one noticed, Ren Yingying has been sullen. Just because of that Yan Xiong, he also came to hunt.

The royal father insisted on marrying Yan Xiong, but Ren Yingying couldn't tell how irritable she was when she saw Yan Xiong.

"Okay, now the hunting has started, but let's have a competition this year, a team of two." At this time, Emperor Tianqi looked around with a smile: "The last group with the most prey knocked down is the winner."

Saying that, Emperor Tianqi glanced at Yan Xiong: "Yan Xiong, you are with Princess Yueying!"

"Yes, Your Majesty!"

Hearing this, Yan Xiong was full of joy, and then happily stood with Ren Yingying Together.

Yan Xiong knew that this was His Majesty creating an opportunity for himself and the princess, could he be unhappy?

Ren Yingying was full of reluctance, but with so many people around, she couldn't disobey her father's will, so she had to hunt with Yan Xiong.

Yan Xiong saw that Ren Yingying didn't want to be with him, but he didn't care.

In order to win Ren Yingying's favor, Yan Xiong used all his skills to bring out his hunting skills to the fullest. After a while, he gained a lot.

By the end of the game, Yan Xiong was already far ahead. Killed a bunch of rabbits, deer, and even shot down two eagles.

"Haha!"

At this moment, looking at the pile of prey presented by Yan Xiong, Emperor Tianqi was very happy and praised: "As expected of the son of King Pingxi, good, good!"

Then he said loudly: "Today's hunting, Yan Xiong first, reward sweat and blood!"

At this time, Emperor Tianqi became more and more satisfied with Yan Xiong.

Yan Xiong grinned, and hurriedly got off his horse and knelt down: "Thank you, Your Majesty."

Emperor Tianqi laughed and raised his whip: "Back to the palace, everyone is doing well today, and I will all be rewarded when I go back later." The

voice fell, and Emperor Tianqi took the lead, heading towards the palace. go in the direction. The crowd followed closely behind.

Yan Xiong rode a sweaty BMW, followed Ren Yingying and said with a smile, "Your Highness, how is my hunting skills?"

Ren Yingying breathed a sigh of relief and said angrily, "I just beat a few beasts, what's the matter? So proud? Do you still want to say that with your talent, it is more than enough to marry me?"

Er...

Yan Xiong looked embarrassed and scratched his head: "Princess is joking, I don't mean it, but then again, this It seems that there is no one who is better than me in the civil and military affairs of the whole dynasty."

Ren Yingying smiled lightly, unable to hide her contempt: "Yan Xiong, I tell you seriously, my man must be the kind of man who stands above the ground. You have the talent of the sky and the latitude, the superior ability to stabilize the country, the inferior ability to be considerate to the people, which of these can you do?" After

speaking, Ren Yingying said no more, urged the horse to catch up with the front team, and left Yan Xiong far away. behind.

"Okay..."

At this moment, looking at Ren Yingying's pretty back, Yan Xiong clenched his fists and said to himself, "Princess, do you think I have none of the things you said, right? Don't worry. , I will prove it to you soon, and I will definitely let you accept me."

Back at the palace, the grand party was ready.

At the party, the Emperor Tianqi and the civil and military officials were staggered and happy.

Three rounds of wine, five flavors of food.

"His Majesty!"

At this moment, Li Chao, the commander of the imperial city's defenders, walked over quickly and told Emperor Tianqi: "Your Majesty, I just got the news that the White Clothes Sect has revived and changed its name to Tongtian Sect!"

What?

Resurrection of the White Church?

Also changed your name?

In an instant, all the civil and military officials present were in an uproar.

Tongtianjiao?

Emperor Tianqi frowned and turned his head to look at Xing Yao: "Commander Xing, I remember that there was a Tongtian Sect in the Earth Circle Continent back then, and they joined our Apocalypse Continent. Is that Tongtian Sect related to the current Tongtian Sect?"

Xing Yao shook her head: "I don't know." As

soon as the voice fell, the national teacher stood up and said seriously: "Your Majesty, since this Tongtian Sect was renamed from the White Clothes Sect, it must be a disorderly party."
