

## The ultimate husband in Chinese chapter 1216-1220

### Chapter 1216

The moment the words fell, Yue Feng raised his hand and waved, a golden light flashed, and a golden pagoda appeared, which was the Linglong Pagoda!

Huhuhu...

In the next second, a total of 700 powerhouses from the first floor and the second floor whizzed out one after another!

“Yuan Tiangang, Pang Tong, Hongyan Bear King, Chiyan Snake King... I want you to step down this palace hall and slaughter everyone present!” Yue Feng roared wildly, completely losing his mind!

“Kill!” The

voice fell, and seven hundred strong men burst out one after another, rushing towards the twelve divine guards and those royal guards.

In an instant, the royal guards and seven hundred strong men fought together, and in an instant, blood stained the Golden Palace! The screams continued!

madman!

This Yue Feng is a lunatic!

Seeing this scene, those civil and military ministers all looked horrified, and hid in the corners all around, shivering.

For a time, in front of Emperor Tianqi, there were only Guo Shi and Xing Yao.

hum!

Yue Feng didn't hesitate, Chunyang's internal force urged him to charge directly.

Guo Shi and Xing Yao looked at each other and immediately greeted them!

“Clang!” The

next second, the three figures collided fiercely! Just hearing a loud noise, a tyrannical internal force fluctuation swept the entire Qianyuan Hall!

Xing Yao and the national teacher groaned at the same time, and stepped back more than ten steps at the same time!

And Yue Feng is as stable as a rock!

What?

This Yue Feng has one enemy and two, so he doesn't fall behind?

Seeing this scene, the civil and military officials hiding around were all shocked!

You must know that Guo Shi and Xing Yao are the patron saints of Apocalypse Continent. Together, they are almost unmatched in Apocalypse Continent!

However, facing Yue Feng at this time, he did not take advantage of it at all.

If you don't see it with your own eyes, who can believe it? !

Guo Shi and Xing Yao were also suddenly shocked! The strength of the two of them is higher than that of Yue Feng, but the moment they fought against Yue Feng just now, both of them clearly noticed that Yue Feng's internal strength is unfathomable!

Neither the national teacher nor Xing Yao knew that over the past seven years, Yue Fengqin had cultivated diligently, and the Pure Yang Zhenjing had reached a pinnacle of excellence! Moreover, Yue Feng's strength is already the second stage of the Empress Wu period! The current Yue Feng, if he has all his cards, it is really terrifying!

However, Xing Yao is the world-famous female god of war, she quickly calmed down and said coldly to Yue Feng: "Yue Feng, I am here today, you can't be presumptuous." After the

voice fell, Xing Yao opened the spirit beast on his body. bag!

"Roar!" In the

next second, a roar erupted, followed by a huge beast that appeared in front of Xing Yao, with a dark blue body and a black mist filled his body.

Yes, it is Xing Yao's Qiongqi.

In the secret passage of Mingwang Mountain, Yue Feng and Xing Yao were entrusted by the old Qiongqi, and they each got a poor Qi. Now Xing Yao's poor man is already an adult!

As soon as Qiongqi came out, the mighty divine beasts filled every corner of the palace hall! Everyone present was heartbroken!

At the same time, those civil and military officials were also excited.

Ha ha...

Xing Yao released the Qiongqi Divine Beast, and now he has a better chance of winning against Yue Feng.

Yue Feng laughed and said, "Xing Yao, you seem to have forgotten that in this world, you are not the only one who has Qiongqi." When the words

fell, Yue Feng immediately released his Qiongqi from the spirit beast bag.

"Roar!"

In an instant, accompanied by an aura vibrating, another dark purple Qiongqi appeared in front of everyone.

Chapter 1217

This Qiong Qi is the same size as Xing Yao's Qiong Qi, but the color is different! Yue Feng's poor head, surrounded by purple electricity, has the property of thunder and lightning!

"Hoo!"

"Hoo... " The

two Qiongqi gnawed together instantly!

Speaking of which, these two Qiongqi, a mother and child, have a blood relationship.

But after recognizing the master, they only listen to the orders of their masters, so even if they know that the other party is their compatriots, they have no scruples.

call!

Seeing the two Qiongqi fighting together, everyone around them was dazzled, and they were all dumbfounded.

Two mythical beasts fighting each other, this scene is a rare occurrence in a thousand years! A rare encounter in a thousand years!

At this moment, Yue Feng held the blood-drinking sword and rushed towards the national teacher and Xing Yao!

Although Yue Feng relies on the Pure Yang Zhenjing and has strong internal strength, in the face of the close cooperation between the national teacher and Xing Yao, it is difficult for Yue Feng to win for a while!

“Yue Feng!”

At this time, the national teacher looked abusive and said coldly: “Just because you want to subvert the royal family? Today, not only will you not be able to touch your majesty’s finger, let alone leave alive! I also tell you that back then That cripple’s fatal blow was hit by the national teacher, if you have the ability, kill me to avenge him!”

When he said this, the national teacher’s eyes were full of contempt!

He said this just to disturb Yue Feng’s state of mind, but he didn’t know that these words had directly brought death to him!

The moment the words fell, Yue Feng’s eyes were extremely blood red, and he directly locked the national teacher: “Okay, good, good! I want your life, pay homage to my master’s spirit in the sky, you give me to die! Die!”

“Roar!”

Yue Feng flipped his wrist, and a mass of white flames jumped in the air, and finally transformed into the shape of a lotus!

hum!

In an instant, the surrounding temperature rose rapidly, as if the air was about to burn!

It is Bailian Lenghuo!

“This... this is... Bailian cold fire?”

Feeling the scorching temperature, the national teacher instantly paled, and a panic rose in his heart!

As a national teacher, how could he not know Bailian Lenghuo? Bailian Lenghuo, ranked first on the Alien Fire List, can devour other Alien Fires, which is very terrifying.

For thousands of years, I don’t know how many people have tried to integrate Bailian Cold Fire, but they have all failed, and some people have even sacrificed their lives!

But he never expected that Yue Feng in front of him actually had the cold fire of white lotus!

“Huh!”

Yue Feng didn't talk nonsense, he waved his hand, and Bai Lian's cold fire floated directly to the national teacher!

"Ah..."

Bai Lian Leng Huo seemed to be very slow, but in the blink of an eye, he was in front of him! The national teacher didn't have time to react, and was instantly drowned by the cold fire of Bailian. After a scream, the whole person was completely burned, and not even ashes were left!

hiss!

Whether it was Emperor Tianqi or civil and military officials, they couldn't help gasping for air.

The protector of the dignified Apocalypse Continent, the powerful national teacher, just... just died?

In an instant, the huge palace hall was deadly silent.

Even if a needle is dropped, you can hear it clearly!

Feeling the terror of Bailian's cold fire, Xing Yao's face was pale, and she had to step back to avoid its edge!

For a time, within a hundred meters around Yue Feng, no one dared to approach.

"Emperor!"

At this time, Yue Feng stared at Emperor Tianqi, and his cold voice spread throughout the audience: "Next, it's your turn!"

Chapter 1218

Hearing Yue Feng's words, Emperor Tianqi was shocked and angry, and his inner anger rose.

This Yue Feng is simply arrogant.

Not only did he kill the national teacher, he also wanted his own life.

"Okay, good, very good." Emperor Tianqi stared at Yue Feng tightly, his expression extremely grim: "If you want my head, you have to see

if you have the ability!" The hundreds of thousands of Imperial Forest troops gathered outside, armed with spears, rushed in like a tide. "Protect Your Majesty, kill Yue Feng!"

“Protect Your Majesty!” At the moment of rushing in, a roar that shocked the world erupted from the hundreds of thousands of imperial guards, each with a resolute expression, as if at home! The Royal Forest Army is the elite of the Tianqi Continent. They guard the palace day and night to protect the Emperor Tianqi. It is their sacred and glorious mission. Even if they shed the last drop of blood, they will not hesitate! At this moment, Emperor Tianqi stood there proudly, without any fluctuations in his expression. Even if Yue Feng has the terrifying white lotus cold fire, so what? No matter how powerful he is, after all, he is flesh and blood, and he can't stop his army of thousands of horses. Just relying on his hundreds of subordinates, he wants to subvert the royal family and take his own head, which is simply a fool's dream. “Hahaha...” Looking at the swarming Royal Forest Army, Yue Fengyang laughed loudly, with madness flashing in his eyes, while holding the Blood Drinking Sword tightly.

“All who are not afraid of death, come up! Today, I, Yue Feng, will avenge my master. Who dares to block, Buddha blocks killing Buddha, God blocks killing God!” Yue Feng howled desperately, his eyes were blood red, and his voice fell, as if A wild lion rushed directly into the crowd!

At this time, Yue Feng was completely insane, his heart was full of killing, and a word kept echoing in his mind!

kill! kill! kill!

“Ah!” The

screams continued to sound, as if the end of the world was coming, blood, dyed the entire Qianyuan Palace red!

In the eyes of the hundreds of thousands of imperial guards, Yue Feng is like a killing god! Keep rushing in the crowd, rushing left and right! Every time the blood-drinking sword is swung, it must take away a few heads!

In the blink of an eye, Yue Feng was covered in blood, and around him, the fallen soldiers of the Apocalypse were almost piled up into a hill.

But these imperial guards came one after another, rushing up one by one desperately, there were too many to kill at all!

Seeing this scene, Emperor Tianqi's face became more and more embarrassing!

The strength of this Yue Feng is so powerful, could it be that in the entire Apocalypse Continent, no one can control him?

“Yue Feng!”

Seeing that the battle was getting worse and worse, Ren Yingying frowned and couldn't help shouting at Yue Feng: "Yue Feng, stop, stop quickly..."

Yue Feng went straight to Qianyuan Hall, to speak disrespectful words to the father and emperor, it is indeed a crime that deserves death.

But knowing that Yue Feng was trying to avenge Nangong Jue, Ren Yingying's heart was indescribably complicated.

After all, in that deep valley, Ren Yingying and Nangong Jue also had some feelings.

Under this complicated heart, Ren Yingying really didn't want to see that the situation developed to the point of being out of control.

However!

At this time, Yue Feng's eyes were completely red, and the whole person was completely mad. Ren Yingying's cry was completely deaf, but he just held the blood drinking sword tightly and kept hacking.

Alas...

Ren Yingying stomped her feet in a hurry, but she was helpless!

Bang bang bang!

In the blink of an eye, Yue Feng killed the last few imperial guards in front of him, and at the same time, he knocked Xing Yao back dozens of steps with one palm.

At this moment, in front of Yue Feng's eyes, there was nothing to stop him.

Swish!

At this time, Yue Feng was covered in wounds, bleeding profusely, a pair of blood-red eyes, like a wild beast, staring at Emperor Tianqi: "Emperor, die!"

Chapter 1219 When the words

fell, Yue Feng walked over step by step with murderous intent all over his body.

clang! clang! clang!

Those heavy steps, every step seems to be stepping on the heart of Emperor Tianqi.

At this moment, feeling the suffocating murderous aura of Yue Feng, Emperor Tianqi's face was pale, his heart was extremely frightened, and his body couldn't help shaking!

Guo Shi and Xing Yao, the two great protectors, one died and one was injured!

Tens of thousands of royal guards and hundreds of thousands of imperial guards, and even the armor that was killed by Yue Feng was not left behind!

At this time, Emperor Tianqi finally realized that he underestimated Yue Feng's strength!

This Yue Feng is simply possessed by the God of War!

How to do?

Under the panic, Emperor Tianqi's legs were soft, how could there be any majesty and domineering of the honor of ninety-five?

Today, do you really want to die at the hands of Yue Feng

!

In the blink of an eye, Yue Feng had already rushed in front of him, raised the blood-drinking sword towards Emperor Tianqi, and shouted in the sky: "Master, your old man is in the spirit of heaven, you can rest in peace!" The

voice fell, and the blood-drinking sword drew a bloody light towards Tianqi. The emperor's neck fell.

"No!"

At this moment, an exclamation came, and then, a slender figure ran over and blocked in front of Emperor Tianqi.

It is Ren Yingying!

Seeing Ren Yingying, Yue Feng frowned, and the blood-drinking sword suddenly stopped in mid-air.

"Step aside!"

In the next second, Yue Feng's face was ashen, and he spoke coldly, without the slightest fluctuation in his eyes.

Today, the Emperor Apocalypse must die!

No one can stop it!

“Yue Feng!” Ren Yingying bit her lip tightly, her face full of pleading: “I beg you, spare my father’s life, killing your master is indeed my father’s fault, but he is also Unintentionally, you have already killed so many people, stop, even if I beg you...” After

speaking, Ren Yingying knelt down and hugged Yue Feng’s legs with both hands.

After seeing Yue Feng’s true strength, Ren Yingying knew that no one in the entire palace was his opponent!

The only way is to beg him for mercy!

After all, there is his own father behind him, how can he bear to watch him be killed by Yue Feng!

“Yueying!”

Seeing this scene, Emperor Tianqi was angry and humiliated, and scolded Ren Yingying angrily: “You...you get up, I don’t want you to intercede for me.”

Yes, Yue Feng did strong.

But... the dignity of the royal family cannot be trampled on, what a dignified princess to kneel to Yue Feng!

Even if I die, I will never bow my head, never!

However, Ren Yingying just pretended not to hear, and looked at Yue Feng with a pair of eyes, full of anxiety and pleading.

Yue Feng’s face was cold, and he was too lazy to talk nonsense: “I’ll say it again, get out of the way!”

If someone else stopped him, Yue Feng would shoot mercilessly.

But I don’t know why, in the face of Ren Yingying, Yue Feng couldn’t do it.

However, the Emperor Apocalypse in front of him must die.

I must let him be buried with my master!

Feeling Yue Feng’s indifference, Ren Yingying became anxious, tears rolled in her eyes, and she cried out, “Yue Feng, is it okay if I beg you? If you have to kill someone to vent your hatred, then kill them. Let me go, I will use my life to pay my father’s life back?”

When she said this, Ren Yingying completely ignored her princess image, hugged Yue Feng's legs, gritted her teeth, and refused to let go!

At the same time, tears also flowed down!

I have never asked anyone since I was a child. Now I have given up the dignity of the princess, and I only want Yue Feng to let my father and emperor go. As long as he agrees, he can do whatever he wants.

Chapter 1220

In an instant, all the civil and military officials of the Apocalypse Continent are full of grief and anger!

Yue Feng single-handedly entered the imperial city. In the entire imperial city, no one was his opponent, and now, Princess Yueying, who is a daughter of gold, actually knelt down to plead for Yue Feng!

shame!

What a shame!

At this time, Yue Feng was still as firm as iron, and glanced at Ren Yingying indifferently: "Ren Yingying, get out of the way, otherwise don't blame me for

being rude!" With Ren Yingying holding his leg, Yue Feng did not have the slightest wave in his heart, but it's extremely cold!

If Emperor Tianqi is released today, he will be ashamed of Master's spirit in heaven for the rest of his life!

Ren Yingying shook her head desperately, and tears kept streaming down: "Yue Feng, I beg you, please spare my father, I beg you..."

Yue Feng was also anxious and wanted to break free, but The legs were held tightly by Ren Yingying, unable to break free at all.

"Bold Yue Feng, go to hell!"

Just when Yue Feng was extremely anxious, suddenly, a loud shout came from behind! Immediately afterwards, a man rushed over from behind Yue Feng and slapped Yue Feng with his palm!

It was Yue Chen!

Yue Chen was originally a sinister villain who acted despicably and was extremely cunning. He kept hiding.

Just now, Yue Feng killed Yan Xiong and the national division in seconds, and defeated the Imperial Forest Army. He showed his powerful strength and shocked the audience!

At that time, Yue Chen was very shocked, and he was very envious and hated. At the same time, he knew in his heart that if he couldn't go up, he would die if he went up.

If it was before, Yue Chen had sneaked away long ago, but this time Yue Chen didn't run away, but kept hiding around, quietly watching the situation, waiting for an opportunity.

Yue Chen made a wishful thinking, and when Yue Feng was exhausted, he would make a surprise attack.

In this way, he not only made a great contribution in front of His Majesty, but also got rid of Yue Feng's confidant.

As long as Yue Feng is alive, he will never want to return to the Earth Circle!

Therefore, Yue Feng must die!

And now, seeing that Yue Feng and Ren Yingying were entangled, Yue Chen knew that his chance had come!

hum!

Rushing to the front, a powerful breath burst out from Yue Chen. Immediately afterwards, a black light appeared all over him.

The next second, a behemoth suddenly appeared in front of Yue Chen.

It is a black unicorn!

That's right, what Yue Chen displayed was his unique skill, the Mysterious Yin Technique!

Back then, Yue Chen fell off a cliff on the seaside of Donghai City, and inadvertently obtained the Mysterious Yin Skill.

Xuanyin magic is divided into three stages.

In the first stage, you can use internal power to transform into birds and beasts!

Going a step further, you can transform into wind, rain and thunder!

When you reach a higher realm, you can transform into divine beasts. It can be said that this mysterious art has infinite power!

Now, nearly ten years have passed, Yue Chen's Xuanyin magic has also reached the peak, and he has been able to transform into a divine beast unicorn.

At this time, just look at this unicorn, surrounded by black energy, although it is transformed by internal force, but its shape is real, vivid and real, with a body length of more than ten meters, blood red eyes and white fangs, all clearly. Heart palpitating.

When this unicorn appeared, the air in the entire palace hall was completely distorted, and the temperature dropped suddenly.

"Yue Chen!!!"

At this moment, seeing Yue Chen, Yue Feng was shocked, his eyes were blood red, and he roared with gnashing teeth.

Back then, Yue Chen defiled his younger brother and sister Zhang Jiajia, and framed him on his own.
